Start date 8/27--

JLE and BOT members agree the idea of easing students into the year has historically served our students well and is very consistent with the Montessori philosophy Allows for a slow transitions for new Kinderhaus students

An earlier start date also takes into consideration that the spring term at RVCS is heavily focused on MCAS prep and outings, overnights and real community engagement.

Launched our first ever Read-A-Thon, we invited students and families to commit to reading - listening to an audible, reading alone, together, or FaceTiming with a loved one.

141 RVCS students have dedicated 8,500+ minutes to reading, and garnered the support of family and friends who collectively generated over \$10,000 in donations for River Valley!
