II. Finance

A. Review July 31, 2024 Financial Results

Central Source provided an overview of the July 31 and August 31, 2024 financial results. As we are only 2 months into the fiscal calendar, there can be timing fluctuations that will moderate as the year progresses. There are no expected changes to the budget and items are tracking as anticipated.

B. Review 2024 Audit Progress and Updated Results

Central Source provided a status of the 2024 audit. It is progressing with the only item still open relating to the Foundation. The audit is reviewing one possible accrual that might not be needed in 2024 and could change the final financial results slightly. Audit is expected to be complete by early October.

C. Overview of Finance Committee Responsibilities
