## **II. Committee on Trustees**

### **A. Review of Board bi-yearly internal assessment data**

Reviewed survey results from Board on Track regarding Board internal assessment.

-Will provide a discussion and summary of results/ insights to full board at February meeting

Noted that we had almost 100% participation of Board members. (1 member did not participate)

It would be useful to have the specific committees participate in sections of the survey that ask questions about those functions of the Board.

Much of the areas that were ranked with a 1 or a 2 were because of a lack of knowledge of the topic by board members, rather than the specific tasks not being completed.

Noted that the "I don't know" response counted as a negative in the overall scoring.

The "I don't know" responses are a good jumping off point for board education topics that could be covered during the monthly full board meetings.

Plan to ask board to retake this assessment at the May board meeting with a 1 week open duration, so that CoT can review and report at the June board meeting.

### **B. New Member Recruitment**

Discussed Board leadership for the future and how to encourage and develop current Trustees so they are comfortable and capable to take on the needed leadership roles.

Action: Google poll for interest in leadership positions for 2025-2026 to be answered at next board meeting.

Looking for candidates that have:

- Finance, leadership, previous board experience/ management skills
- **Potential candidates that could take on leadership roles**

Looking for 2 new Trustees to join the board next year.

### **C. Review COT Dashboard Progress**

Did not have time to reach this topic.

## **III. Closing Items**

### **A. Adjourn Meeting**

There being no further business to be transacted, and upon motion duly made, seconded and approved, the meeting was adjourned at 7:04 PM.

Respectfully Submitted,
