Call the Meeting to Order

A. Ting called a meeting of the Accountability Committee Committee of River Valley Charter School to order on Tuesday Feb 10, 2026 at 6:08 PM.

C. Approve January 2026 Minutes

A. Ting made a motion to approve the minutes from January Accountability Meeting on 01-20-26.
P. Ganley seconded the motion.
The committee **VOTED** to approve the motion.

D. Fall Screener Review

Jane P. was unavailable. Karen presented Jane's presentation that gave an overview of the Fall screeners administered in Fall 2025 for both Math and English (Accadience and Dibels).

A key takeaway was math performance, especially in at E2 level.

The committee suggested that the data for the screeners would be much more helpful if they could be compared to historical data, for easier trend observations.

In the past, there has also been inconsistencies in the administration of the screeners from classroom to classroom at the same levels.

Committee suggested that screeners going forward should be administered, as per the vendor instructions (timed), so that the outcomes have validity.

Committee suggested that a flowchart to outline responsibilities from the data gleaned from the screener can be used effectively. Who is responsible for consistent data collection, data analysis, interventions if needed, tracking progress by students, etc.?

Committee suggested that the Fall screener review to be updated with trend and desegregated data at the next Accountability Committee meeting.
