No issues to note in 2025 - 2026. We are on budget through three months.

The Committee discussed the capitalization / expensing of certain items such as Zoom, and Grounds Redesign.

**C. 6.30.25 Audited Financial Statements**

C. Whitford made a motion to Approve the draft financial statements for the 2024 - 2025 fiscal year.

G. LeFave seconded the motion.

We discussed the new accounting standard applicable for all governmental entities for fiscal year 2025 that changed the accounting for sick, vacation and PTO time. The implementation of the new standard resulted in an increase in the compensated absence liability of approximately \$99K. This is not an expected payment in the future, rather a liability required by the accounting standard.

Chris Whitford met Colleen D'Alfonso from Daniel Dennis to discuss the audit. It was a clean audit with great participation from Management and Central Source. In the prior year, one exception was noted with MTRS issues which was isolated and resolved. There were no findings or issues to report in 2025.

The draft financial statements were approved. One item will be resolved before sending to the Board regarding the timing of the funds from the Newburyport Conservation Committee.

The committee **VOTED** to approve the motion.
