## I. Opening Items

### A. Record Attendance

### B. Call the Meeting to Order

P. Fegley called a meeting of the board of directors of KTEC High School to order on Monday Nov 28, 2022 at 5:46 PM.

### C. Approve Minutes

L. Svatek made a motion to approve the minutes from October Board Meeting on 11-02-22.

J. Duchrow seconded the motion.

The board **VOTED** unanimously to approve the motion.

## II. Development

### A. Current Students and 23-24 Enrollment

21 students have completed intent to return forms.

5 new students have completed applications for next year.

Another open house is set for Dec 10.

One student started partial school days.

Two students got into a fight before Thanksgiving break over a hat. Both students were suspended.

## III. Facility

### A. Food Services

SFW Group will create the RFP for next year.

September meal program numbers are not available yet (reimbursement, student payments and costs). Negative balances haven't been established in Skyward yet. Low balance notifications can be sent out. Lily monitors negative amounts and collects amounts. We'll set the balance at negative \$15. Lily will be asked to establish that in Skyward. We need to ask our provider what meals could be used for negative balance students for meals.

### B. Inclement Weather Procedures

Angie and Brianne will jointly decide if we close or go virtual. Paul is to be notified.

If we do virtual, we have all but two (new students) signed forms returned. We're not aware if any students do not have email. We will plan to have snow days if necessary (no virtual). In the unlikely event that there are an excessive amount of snow days, a calendar change would be an option (i.e. converting professional learning day to a school day).

## IV. Finance

### A. Performance Group

\$250k from CSGF in future year (Jul 1) could cover the \$135k of reimbursement fees in the contract.

J. Duchrow made a motion to Approve the reimbursement agreement with Performance Charter School Development.

A. Andersson seconded the motion.

The board **VOTED** unanimously to approve the motion.

**B. ESP Position, Cleaning services and substitute services**

ESP only two have applied. Both are parents of current students.

Brianne will post on Indeed to get more candidates.

Geo to start this Friday (cleaning).
