### **B. Behavior report**

Biggest issue is disrespect.

Officer Friendly talked about bullying, drugs, etc.

New behavior contract to be discussed in C3.

Four key players causing issues. Working on how to handle. Data is being tracked on these students.

Incentive study hall for positive behavior.

Two ESP and sub are on board.

### **B. Budget 2023**

### **C. Budget 2024**

## **IV. Facilities**

### **A. Lease for 2023-24**

Father Roman will have lease ready shortly after Easter break. No changes expected.

## **V. Governance**

### **A. DPI Grant Performance Measure**

Title IX (harassment) training (3 hours) needs to be done by April 14th. Board cannot vote on any title IX issues until all members have taken training.

**B. DPI Monitoring Visit**

April 4th visit; Paul and Arthur will participate.

**C. Canine Unit**

We need to inform parents and students before hand and include in handbook going forward.

Board needs to review procedures (handbook and code of conduct). May want to add canine mention to policy but not required.

**D. Food Service Policy**

School Food and Wellness (Debbie) recommends updates to snack program, meal charging, student wellness is a goal vs a policy needs to be aligned so we can get reimbursed. A procurement policy from CESA 6 was ok.

Corrective action plan was in place for food service. We had \$0.08 per meal deducted. We can recover it later. We couldn't file on line as a result of the corrective action.

April 1st there will be a grant open that may apply to KTEC to become a CEP school. Debbie is looking into it. We would qualify for free meals for 3 years for all students.

**VI. Closing Items**

**A. Adjourn Meeting**

There being no further business to be transacted, and upon motion duly made, seconded and approved, the meeting was adjourned at 6:30 PM.

Respectfully Submitted,  
A. Andersson
