Consider and Take Action to Authorize the Superintendent to enact regulations whereby the District may, within the approval of the Superintendent or its designee, provide reasonable emergency relief assistance to employees and their families should any experience an act of war or become a refugee seeking asylum from war or experience an Act of God that severely disrupts their day-to-

day life and that, in turn, may harm the District, in which case emergency relief would serve a public purpose. An Act of God includes, but is not limited to, a hurricane, tropical storm, tornado, fire, earthquake, tidal wave or any other natural catastrophe which no one can prevent and unforeseeable.

The Board hereby resolves that authorizing the aforementioned regulations is in the best interest of the District and that the District may utilize public resources in relief efforts due to an Act of God, and find that doing so does not violate Article III, Chapter 52 of the Texas Constitution, as follows:

- (1) The purpose of the regulation is to accomplish a public purpose, not benefit a private party;
- (2) The District shall retain public control over the funds to ensure the public purpose is accomplished and the public's investment is protected; and
- (3) The District shall ensure that it receives a return benefit.

The Board hereby approves the Superintendent to enact regulations that serve the public purpose in an instance as set forth above.
