NOW, THEREFORE, BE IT RESOLVED, that the Board of Directors, at a lawfully called meeting of the Board, held in compliance with the Texas Open Meetings Act, formally revises its declaration made earlier at the March 15, 2020 Special Meeting and now hereby declares that:

1. **Declaration of Public Health Emergency.** COVID-19 constitutes an unforeseen and unavoidable public health emergency.
2. **Need for Immediate Action.** Immediate action is necessary to be able to minimize the COVID-19 impact to students, staff, families and the community. Therefore, the instructional campuses and other school facilities operated by International Leadership of Texas shall be closed at least until April 3, 2020 or a later date as determined by the Superintendent in accordance with Paragraph 13 of this Resolution.
 - a. In lieu of a complete or sustained closure, the administration shall provide for instructional continuity for its students including but not limited to options for distance learning and/or virtual learning and follow TEA Guidance for same.
 - b. The Superintendent may restructure and reassign/redeploy faculty and staff as necessary to accomplish this purpose and continue services to students, including the provision of food services to students in non-traditional manners.
 - c. The Superintendent may open or re-open school facilities on as-needed based to facilitate school business and instructional continuity for students.
3. **Procurement Waiver:** The delays and public health risks posed by the applicable procurement laws and corresponding Board policies coupled with the need to procure services and support to respond to COVID-19 to ensure safety of all students, staff, property and equipment will prevent or substantially impair student safety and or other essential school activities, the Board declares an emergency under Section 44.031(h) of the Education Code and other applicable law, and the Board hereby is suspending its normal purchasing policies and authorizing the Superintendent or Chief Financial Officer to make emergency procurements reasonably necessary to respond to COVID-19 issues. This waiver of procurement policies is expressly limited to responding to COVID-19 matters and expires automatically 30-days after its authorization, but may be extended by the Board should the state of emergency continue to exist.
4. **Waiver for Instructional Days:** The Superintendent is authorized to apply for missed instructional day waivers. Low attendance day waivers are also to be submitted for future dates, as may necessary and approved by the Texas Education Agency.
5. **Absence Waivers:** The Superintendent or designee is authorized to excuse absences for any employee who is under a medically directed quarantine for up to fourteen consecutive days.

6. **Employee Pay During Closures:** The Board authorizes and grants the discretion to the Superintendent to determine to continue pay and benefits, subject to any requirements or guidance from the State, to employees who are impacted by a federal, state or local agency ordered school closure of the employee's assigned campus or duty-station or closure determined by the Superintendent. The Board delegates to the Superintendent the authority to implement this, and to make determinations on first use of available paid time off and other leave balances, before expending additional funds for absences during a facility closure. The Board finds that a public purpose and benefit to the school and its students exists to compensate employees for work days missed due to the closure of their assigned school facilities as a result of COVID-19, and that this is necessary in the conduct of the public schools pursuant to Education Code § 45.105(c). The Board authorizes the Superintendent or designee to make compensation decisions and adjustments to impacted employees as deemed appropriate to fulfill the purposes of this Resolution.

7. **Mandatory Quarantine of Employees and Students:** The Superintendent shall direct and prohibit employees and students who have traveled within the past seven days to Level 3 designated countries or states, including any country in Europe or who otherwise had direct contact with persons known to the employee/student or their family that have traveled to the same locations in the same time period, from attending school for a quarantine period. Such quarantine period from attending school or school-related activities/events shall extend at least 14 days with the date the student returned home as day-zero and the next day as day-one. The same quarantine restrictions shall also apply to any family member of said persons living in the same household. The Superintendent may extend or amend requirements based on guidance from state and local health officials.

8. **Pay During Quarantine:** for the same reason supporting pay during closures, any employee under required quarantine may continue to receive pay and benefits as determined by the Superintendent, subject to administration's determination regarding accrued state/local leave days and their use.

9. **TEA Attestations:** The Superintendent and Board President are authorized to execute and file the 2019-2020 COVID-10 Missed School Day Waiver Attestation Statement. Further, the Superintendent and Board President are authorized to execute and file the Attestation of Off-Campus Programs Approved for Purposes of Average Daily Attendance (TEC §48.007) with TEA.

The Superintendent is authorized and fully supported by the Board in reassigning staff to aid in development and implementation of education continuity plans to benefit and serve students. The Superintendent is authorized to make procurements necessary to fulfill the purposes of this resolution and to meet the needs and best interest of students.

11. **Use of School Facilities:** In response to this emergency, the Superintendent is authorized to make school facilities available for use to provide child care and other support services to first responders, health care workers, other critical infrastructure workers and other personnel determined by the Superintendent, including staffing such services with school personnel and use of school equipment.

12. **Authorization to School Superintendent for Additional Waivers, Attestations or Reports:** In the event other waivers or immediate action is needed, the Superintendent is authorized, in consultation with the Board's Chair (or Vice Chair in absence of Chair), to take other action and to submit/apply for other waivers, attestations or reports in accordance with guidance and instructions from the State of Texas. Unless already permitted under the charter school contract with the State of Texas, the Superintendent is not authorized to take any action that is specifically reserved for the governing board of the charter holder under 19 TAC §100.1033 (b)(14)(C).

13. **Authorization to School Superintendent to Extend School Closure.** As necessary to minimize the COVID-19 impact to students, staff, families and the community or as ordered by federal, state or local public health officials, the Superintendent, in consultation with the Board's Chair (or Vice Chair in absence of Chair), is authorized to continue campus closures for extended periods of time as determined to be in the best interest of health and safety.

14. **Suspension of Texas Public Information Act.** COVID-19 constitutes a catastrophe that interferes with the school's ability to comply with the requirements of the Texas Public Information Act, Texas Government Code chapter 552.
 - a. The requirements of the Act are suspended.
 - b. The Superintendent, or designee, is authorized to submit notice to the Attorney General pursuant to the Form attached hereto as **Exhibit A**.

Required Summer School Program for English Learners 2020

ILTexas requests the Board to allow the required Summer School program for incoming English learners who will be in kindergarten and first grade at the beginning of the 2020-2021 school year to have a different schedule than the one recommended by Texas Education Agency.

The TEA recommended timeline for the mandatory Bilingual/ESL Summer School is 120 hours of instruction spread over June and the whole month of July with 4 hours a day. ILTexas cannot follow that timeline due to the district's heavy professional development schedules during those months.

The mandatory BE/ESL Summer School will complete the 120-hour program from May 27 to June 18 with seven and a half hours a day and four hours on June 6th and 13th. TEA requires the Board to approve this schedule.
