ILTexas Academic Board Report

Start Strong:
Celebrating our 5th Day of School

August 17, 2022

Presented by: Dr. Laura Carrasco
Deputy Superintendent of Academics & Student Services

Our mission unites us

The mission of ILTexas is **to prepare students for exceptional leadership roles in the international community** by emphasizing servant leadership, mastering the English, Spanish, and Chinese languages, and strengthening the mind, body, and character.

In service of our mission we developed **5-year strategic priorities**

We must effectively support our target student to achieve these characteristics:

Graduate profile:

Embodies servant leadership

Masters English, Spanish, Chinese

Possesses strong mind, body, character

We believe the best way to support our target student is by striving for several specific outcomes in the next 5 years:

5-year goals:

>85%+ of students graduate meeting CCMR, language, servant leadership, and wellness goals

75% of campuses STAAR-rated B or above; all campuses C or above

~36,000 students served through 50 campuses across 4+ regions

ILTexas well-positioned for continued expansion (e.g., financially stable, central functions able to support growth)

We believe a prioritized focus on three strategic areas will enable us to achieve these goals:

Strategic priorities:

① Strengthen program implementation

② Increase organizational alignment

③ Prepare for continued growth

Because publishers frequently change the availability of titles, we may not be able to ship 100% of your list. Therefore, we encourage you to use our Do Not Exceed service. When placing an order:

1. Enter a Do Not Exceed amount on your order,
2. Over order 10% by listing additional titles on your list, and
3. Indicate any top priority titles by checking the "First Choice" box next to the titles.

Return Policy: Book/content orders that have been subject to any customized processing, either prior to shipment or after receipt by the customer, are not eligible for return or cancellation, excluding material processing errors solely attributable to Follett. Because publishers frequently change the availability of titles, we may not be able to ship 100% of your list. Therefore, we encourage you to use our Do Not Exceed service. When placing an order:

1. Enter a Do Not Exceed amount on your order,
2. Over order 10% by listing additional titles on your list, and
3. Indicate any top priority titles by checking the "First Choice" box next to the titles.

Return Policy: Book/content orders that have been subject to any customized processing, either prior to shipment or after receipt by the customer, are not eligible for return or cancellation, excluding material processing errors solely attributable to Follett. Customized processing shall include, but is not limited to, stamping, label application and barcoding, as determined by Follett in its sole discretion.

Because publishers frequently change the availability of titles, we may not be able to ship 100% of your list. Therefore, we encourage you to use our Do Not Exceed service. When placing an order:

1. Enter a Do Not Exceed amount on your order,
2. Over order 10% by listing additional titles on your list, and
3. Indicate any top priority titles by checking the "First Choice" box next to the titles.

Because publishers frequently change the availability of titles, we may not be able to ship 100% of your list. Therefore, we encourage you to use our Do Not Exceed service. When placing an order:

1. Enter a Do Not Exceed amount on your order,
2. Over order 10% by listing additional titles on your list, and
3. Indicate any top priority titles by checking the "First Choice" box next to the titles.

Return Policy: Book/content orders that have been subject to any customized processing, either prior to shipment or after receipt by the customer, are not eligible for return or cancellation, excluding material processing errors solely attributable to Follett. Customized processing shall include, but is not limited to, stamping, label application and barcoding, as determined by Follett in its sole discretion.

Because publishers frequently change the availability of titles, we may not be able to ship 100% of your list. Therefore, we encourage you to use our Do Not Exceed service. When placing an order:

1. Enter a Do Not Exceed amount on your order,
2. Over order 10% by listing additional titles on your list, and
3. Indicate any top priority titles by checking the "First Choice" box next to the titles.

Return Policy: Book/content orders that have been subject to any customized processing, either prior to shipment or after receipt by the customer, are not eligible for return or cancellation, excluding material processing errors solely attributable to Follett. Because publishers frequently change the availability of titles, we may not be able to ship 100% of your list. Therefore, we encourage you to use our Do Not Exceed service. When placing an order:

1. Enter a Do Not Exceed amount on your order,
2. Over order 10% by listing additional titles on your list, and
3. Indicate any top priority titles by checking the "First Choice" box next to the titles.

Return Policy: Book/content orders that have been subject to any customized processing, either prior to shipment or after receipt by the customer, are not eligible for return or cancellation, excluding material processing errors solely attributable to Follett. Follett Content Solutions

Because publishers frequently change the availability of titles, we may not be able to ship 100% of your list. Therefore, we encourage you to use our Do Not Exceed service. When placing an order:

1. Enter a Do Not Exceed amount on your order,
2. Over order 10% by listing additional titles on your list, and
3. Indicate any top priority titles by checking the "First Choice" box next to the titles.

Return Policy: Book/content orders that have been subject to any customized processing, either prior to shipment or after receipt by the customer, are not eligible for return or cancellation, excluding material processing errors solely attributable to Follett. Customized processing shall include, but is not limited to, stamping, label application and barcoding, as determined by Follett in its sole discretion.
