Harris/Brazos County OBSP Highlight

Each step taken: learning about servant leadership, brainstorming, voting, planning and executing by the students.

The 5th grade at Orem voted to help the homeless this year with food and other items.

I noticed that they showed the people making posters, they showed kids giving food, the food, how happy the lady was, and kids who helped. I don't really know what I would change.

A student's thoughts!

3- I liked that you got to see how people felt and how they showed all the stuff they did.
