**Amtrak, America's railroad : transportation's orphan and its struggle for survival**

By Doughty, Geoffrey H Dewey: 385

"Discover the story of Amtrak, America's Railroad, 50 years in the making. In 1971, in an effort to rescue essential freight railroads, the US government founded Amtrak. In the post-World War II era, aviation and highway development had become the focus of government policy in America. As rail passenger services declined in number and in quality, they were simultaneously driving many railroads toward bankruptcy. Amtrak was intended to be the solution. In Amtrak, America's Railroad: Transportation's Orphan and Its Struggle for Survival, Geoffrey H. Doughty, Jeffrey T. Darbee, and Eugene E. Harmon explores the fascinating history of this beloved institution and tell a tale of a company hindered by its flawed origin and unequal quality of leadership, subjected to political gamesmanship and favoritism, and mired in a perpetual philosophical debate about whether it is a business or a public service. Featuring interviews with former Amtrak presidents, the authors explore the current problems and issues facing Amtrak and their proposed solutions. Created in the absence of a comprehensive national transportation policy, Amtrak manages to survive despite inherent flaws due to the public's persistent loyalty. Amtrak, America's Railroad is essential reading for those who hope to see another fifty years of America's beloved railroad passenger service"--Provided by publisher.

### On the hook

By Stork, Francisco X Dewey: -Fic-

"Hector has always worked hard and minded his own business. He wants to be captain of his school's chess team, go to college, and help his family make their way to a better life someday. Until Joey singles him out. Joey, whose older brother, Chavo, is head of the Discipulos gang, tells Hector that he's going to kill him: maybe not today, or tomorrow, but someday. And Hector, frozen with fear, does nothing. From that day forward, Hector's death hangs over his head every time he leaves the house. He tries to fade into the shadows, to drop off Joey's radar, to become no one. But when a fight between Chavo and Hector's brother Fili escalates, Hector is left with no choice but to take a stand. The violent confrontation lands Hector in a reform school where he has to live side-by-side with his enemy, Joey. There, it's up to Hector to choose whether he's going to lose himself to anger and seek revenge, or get back to the hard work of living"--Provided by publisher.
