### IV. Academics

#### A. Review of Academic Data

- IREADY assessment is current but DIBELS has also been approved. IREADY is great but DIBELS would include more progress monitoring and steps. Winter IREADY is currently occurring, and students are provided in small groups. Fall data will be re-shared with the group.
  - Confirm DIBELS is approved to be utilized alone.
- Improving the master schedule: attached both the master and the draft of the new one. Adjusted the times to match the expectation of the curriculum vendors. And allowed for choice time building student joy.
