Todd discussed the timeline and criteria for the process and asked the Board to focus on criteria #9 - Governance.

Board members broke into small groups to discuss.

M. McKenna arrived.

III. New section

A. Devens Water

Todd Sumner spoke about the issue with Devens groundwater contamination.

Tiffany Testa discussed how the predicament has created learning opportunities within Parker.

- A group of students is researching water quality and sustainability.
- A group of three students presented at Gathering on the effects of the water situation.
- Students are looking for ways to address the waste created by the water bottles.

The school has been using 2,400 bottles a week. Water chillers are being brought into the school and will reduce the use of bottles and waste.

IV. Principal's Report

A. Principal's Report

Todd Sumner presented the Principal's Report.
He invited Board members to attend graduation on June 6.

Todd highlighted happenings from the faculty meeting from earlier in the day...

- Faculty working with the Parker Gender and Sexuality Alliance (GSA) have been working collaboratively with the Ayer/Shirley Regional High School to help setup up a GSA there. A Parker faculty member and five Div 3 students provided professional development to the full Ayer/Shirley faculty.
- Tiffany Testa and Mary Reid Mumford discussed the work of the Critical Friends group that was created around technology. The group spent time researching and experimenting with the capabilities of the Surface Pro and presented their work to fellow faculty. Roughly one third of the faculty was involved in the pilot.

Todd highlighted the Enabling Resolutions around the heating project.

N. Dudensing arrived.
