## **B. Development**

Katrina Tedstone highlighted work in Development:

- A group of 7-8 parents is calling new families to welcome them to the Parker community. Half of all new families have been called and feedback has been positive.
- \$50K in grant requests has been submitted.
- Annual Fund is currently at \$47K although it has not officially launched. In October 2019, this time last year, it stood at \$19K.
- On October 25, there will be a Zoom reunion for graduates from 2000 and 2001. Fifty people are currently registered.
- Outreach to Devens' businesses has resulted in two contributions:
  - Northrop Grumman toward COVID expenses.
  - N.B. Kenney toward whatever is needed.

Katrina led the Board in an activity to facilitate their roles as connectors.

Board members divided into small groups/breakout rooms and each member answered two questions while other members in the group actively listened. Questions were: 1) Why do you give your time to Parker? 2) What is the story of or the moment when you knew that Parker was your place? After 7 minutes, the group reconvened and each Board member shared about another member of their small group.

## **C. Governance**

George Clancy said the Governance Committee met on October 6 to discuss the bylaws statement that Board membership shall have three current Parker parents. George said the Committee discussed adjusting the bylaws or adding a member. The Committee recommends adding Balu Balasubramanyam as a new Trustee.

George reminded Board members that a Board Evaluation was posted to Board on Track in the spring. He said seven out of fourteen members have responded and asked members to respond to the survey so it may be discussed at the December meeting.

George said the Committee will revise the Trello tool for tracking board and committee candidates. He said that Balu had volunteered his technical skills to assist with this.

Steve Roach said that George Clancy will Chair the Governance Committee.

#### **D. Diversity and Enrollment**

Steve Roach noted that future Board agendas should reflect the name change of the Committee to Diversity, Equity, and Inclusion.

Mario Silva-Rosa reported that the Committee had met to discuss ways to ensure equitable and effective practices at Parker and ways to champion the efforts of faculty, staff, and students to support diversity, equity, and inclusion. Mario said the Committee is considering hosting an event. He said the Committee will meet later this month and he will report back.
