Most faculty will start their summer by the end of the week of June 14th.

Summer School will happen this summer for 2-4 weeks for students in MST, AH, and maybe Spanish.

IV. Committee Reports

A. Diversity, Equity and Inclusion

The group voted to rearrange the agenda and this section occurred after the Trustee Resignation section..

Tiffany presented to the group the work that the Anti-Racist Task Force did over the summer of 2020.

The hope for the work tonight is for board members will reflect on ways they as individuals and the collective board can support the faculty as they advance the anti-racist work.

Ruth and Tiffany asked the group to reflect upon one way our thinking about race and equity has changed over the last 12 months.

The original document created by the Task Force was presented to the board. Highlighted were the buckets of work that the Task Force chose to concentrate their efforts on. The categories are individual racial literacy/cultural competency, taking risks with colleagues and community, curriculum and instruction, and Parker policies and procedures.

The group read through the document and gave their thoughts and asked clarifying questions.

2 groups formed to discuss the question from above- "How can I as an individual board member, and a collective board, support the faculty as they advance this anti-racist work?"
