## II. Development 2022-2023

### A. Fund statistics

Katrina updated the group as to the status of the fund. The total is lower than last year at this point because we have decided to do the spring push this year in April instead of March.

### B. Parker Fund constituency work

Graduate families- email went out 4/3 using quotes from seven graduate parents from through the years. The entire quotes are on Parker's website

<https://www.theparkerschool.org/support-parker/our-graduate-parents>

Current families- appeal details are still being finalized. It will go out early next week.

Alumni- their appeal will go out after the in-person event on 5/6

The group brainstormed ideas around the sticker draft presented. It will be used as a thank you for donations.

Sticker suggestions:

-important to say thank you

-"less is more" in terms of wording

-look into size- 2-3 inch?

-use the year so that we could do others in different colors from year to year

### C. Alumni Council

In person event at Clover Road Brewery in Hudson, MA. Being publicized on social media and through email.

### D. Mission Statement

Did not have time to devote to this. We will put this on the May agenda.

## III. Other Business

### A. Grant exploration

Two initiatives that Parker is exploring for funding were explained and feedback was welcomed.

-The Courtyard garden- reimagining the courtyard space

## Feedback

- questioning using the word "therapeutic"
- this is responsive to the stress/anxiety teenagers are feeling

### -The Transportation project

- could there be DEI philanthropic dollars for a project like this?
- pilot a small version of this using one van
- could be very helpful in making it possible for more families to come to Parker

## IV. Closing Items

### A. Adjourn Meeting

There being no further business to be transacted, and upon motion duly made, seconded and approved, the meeting was adjourned at 9:00 AM.

Respectfully Submitted,  
K. Tedstone
