B. Update on Transportation Goals

Brian shares out. This is a slow process, checking in with Spec. Ed. law and state requirements. If we go big, state funding may be available, if this is done small, we can learn a great deal in the pilot process. We are now leading toward the pilot process.

C. Student and Faculty/Staff Work to address acts of Anti-Semitism

Brian shares out about student leadership involved in planning whole school event one week after break. Student leaders requested that is be a mandatory meeting for all students. Well attended. The following week, students in super advisories will discuss what they learned and how students can work together to make Parker a stronger community.

III. Other Business

A. Future meeting

Due to graduation and other meeting demands, there will be no June DEI meetings. The next meeting will be hosted on Monday, August 28th remotely. If faculty do reading on DEI content, the board will also be provided these materials to read as well.

IV. Closing Items

A. Adjourn Meeting

There being no further business to be transacted, and upon motion duly made, seconded and approved, the meeting was adjourned at 8:00 PM.
