II. Finance

A. FY25 Budget

Christina recapped last finance committee and board meeting. Christina mentioned the board disappointment in the pausing of the NTC program. Brian explained that we are all disappointed. The director is voluntarily leaving unrelated to our budgeting. The decision to pause the program is purely financial. Next year due to the lower student enrollment budget, we need to reduced staff headcount. We are mainly trying to do so by attrition which means that NTC is the most reasonable and likely place. Brian noted that the stipend to participants is making is very hard to keep the program and find participants.

Brian noted that we will need to rethink the program design as we try to bring it back. Not pausing means we would need to find cost savings elsewhere and also find other partners this spring with a new director. Brian discussed potential partnerships with the Cummings foundation and Springfield public schools.

Michelle presented the FY25 planned budget as attached to materials. Brian mentioned adding a slide for NTC pause. The committee asked clarifying questions throughout.

B. Muldoon made a motion to to endorse budget as presented to the Board.

J. Appleton seconded the motion.

The committee **VOTED** unanimously to approve the motion.
