Tiff said students from the Multicultural Connections Community Block led an excellent and endearing Community Conversation with Rabbi Josh. Tiff said feedback from faculty was positive, and the conversation was thoughtful, and reflective. Tiff said Rabbi Josh was an excellent presenter. Tiff said she moderates the Multicultural Connections Community Block with Kristen Rabinowitz. Brian said the group would like to have conversations like this twice a year.

B.

End of year update

Brian said the sidewalk project will begin next week, after students are gone. He said the plan is to be done by early August before students return. The plan for entering the building and parking during the construction work was shared.

C. Development Update

Katrina Tedstone said the Parker fund is currently at \$265K. She said some constituency goals had not met - graduate families is one of these. She said some constituencies exceeded expectations, including Friends, Board Members, and matching donations. Katrina said an unrestricted \$40K gift had recently been received.

Katrina said 2025-2026 fundraisers will include:

- Ribbon cutting ceremony
- Fun Run/5K in November
- Alumni Social
- Family Social

Christina Soderman asked if having alumni social events at 21+ venues impacts the attendance of younger alums and is an obstacle to developing the habit of support within this group. Katrina said an event for young alums will be re-instituted next year - it will be held the Wednesday after Christmas.

Brian thanked Katrina for all her work this year.

D. Staffing

Brian gave an update on staff hiring. Brian said hoping that hiring would reflect more diversity but hasn't been successful. Brian said more work needs to be done on the hiring pipeline.

Brian said Monique Beganski will support the Executive Director and will assist in development and CRM work.

Michelle McKenna said hiring is underway for a new Facilities Director. She said there was a great pool of applicants and 2-3 applicants will be brought in to interview next week.

Brian said Sue and Diane will not be teaching next year and will lead the New Teacher Induction program for orienting and mentoring new teachers. Brian said as part of the program, the group will participate in a new teacher CFG (Critical Friends Group) focused on progressive education. Brian said this is not a reboot of NTC or a licensure program.

He said teachers will earn a salary, be supported, and be eligible for licensure after the 3rd year.

Pam asked if these new teachers are brand new to teaching. Matt Lindsey said that one new teacher has been subbing and working as a paraprofessional. Tiff asked if this program is for veteran teachers coming to Parker too and if this is an introduction to progressive education.

E. Preview summer meetings and September 12th retreat

Brian said he and Pam would like to meet one-on-one with each Board member over the summer. An overview of questions that will be asked is included in the meeting packet.

Pam Gordon said a Board retreat is scheduled for Friday September 12 from 12-6pm. Pam said some of the retreat time would cover:

- Review Board norms and goals
- DEI and Development workshops

Brian invited Board members to come for picture day in August for Board head shots. Brian said by September 12th, he would like to see 100% of Board members having pledged to the Parker Annual Fund.

IV. CEO Evaluation

A. CEO Evaluation

Stefanie Reinhorn reviewed the CEO evaluation (details included in the meeting packet). Stef said the Evaluation Committee (Sonia, Pam, Stef) followed the Board on Track process although the terminology doesn't completely line up with the Brian's role. Stef said next year this review will become an Evaluation of the Executive Director and a new survey tool will be used.

Stef said the Evaluation Committee met with Brian at the start of the year to articulate goals. She said they met throughout the year to review progress toward goals. At the end of the year, they reviewed with Brian and collected feedback from the Board and other stakeholders.

Stef shared survey results (details included in the meeting packet). She said there is overall strong support of Brian and a feeling that Brian is doing a great job leading the organization.

Stef said there are some known areas where organization is working to improve in general.

Stef highlighted some comments from the evaluation process including praise for Brian's professionalism, integrity, and clarity and acknowledgement of how much Brian has been managing.

Stef highlighted some future considerations for Brian's role. These include a focus on the successful transition to new leadership and finding balance between his increasingly external-facing role and staying connected to daily school life.

Stef congratulated Brian on a successful year.

Pam echoed and thanked the Board for their feedback and patience with the current assessment tool.

Brian thanked everyone involved in the process.

Mara asked if Brian felt the summary was an accurate representation. Brian said yes - generally it was totally accurate. Mara said from her professional standpoint that what Brian has been able to do is remarkable.

Stef said some of the comments collected in the evaluation process were a reminder to be careful about how fast we are moving and how hard the Board is pushing forward.

A. Comments from the Public

B. Schedule for BOT meetings 2025-2026

C. Feedback on the Board

Matt Lindsey said the Governance Committee met with Robert Carpenter, Director of School Supports at the Massachusetts Charter Public School Association, to review results of the Board's self assessment in Board on Track.

Matt said in the strategic work category, Parker's Board scored higher than other schools that did the survey. Matt said the Board is doing well and areas for work include:

- need for recruitment of facilities expertise

- hybrid meeting availability can be improved

- more clarity around Exec Dir goals, Board Goals, needed

Matt said Robert Carpenter had suggestions of language that can be included when the Board works on goals during the fall retreat.
