Welcome Parker Student Ambassadors

Pam Gordon welcomed student ambassadors: Jaiya, Kai, and Lindsay. Ambassadors will be going to CLEE conference the next day to share Parker's approach to student leadership. The same students recently led a PD session on student engagement at the Newton Public Schools PD day. Members of the Board praised Parker for our dissemination efforts.

Trustees broke into three groups to meet with student ambassadors to share a portfolio piece, what you love about Parker, and what could we do better. Trustees participated in two rounds of discussions with Parker students.

Michelle McKenna presented to quarterly July - Sep financial dashboard. Based on current enrollment and a healthy waitlist, we project yearly enrollment of 394 students.

Year 1 tasks focus on how we ask, cultivating/stewardship, recording/organizing data, professional development for faculty staff and DevCom

Year 2 will move to online platforms that compile nonprofit information, Sizer Foundation Board, business outreach for sponsorship, data analytics, CRM evaluation, planned giving, alumni plan.

V. Academic Update

A. Academic Update – Review of MCAS performance

Deb Merriam led a detailed overview of Parker's 2025 MCAS scores. Deb compared our students' performance to sending districts, highlighting strengths and opportunities for improvement. Deb presented Parker's growth over time and disaggregated performance among students with disabilities and students with high needs.

Trustees engaged in a detailed discussion of the data and additional questions we hope to answer. For example, how do Parker students from a particular town compare to students who attend the traditional middle/high school in that town.

B. Competency Determination for graduation

Passing MCAS scores are no longer a DESE requirement for diploma eligibility

Therefore, each school district is required to determine its own measure for competency determination that show evidence in English, math, and science and US History. Students have shown 1) mastery of skills, 2) satisfactory completion of relevant coursework aligned to DESE frameworks.

Trustees discussed our Division 2 Gateway requirements as our Competency Determination. To earn a Parker diploma, students must successfully complete the Div 2 AH and Div 2 MST gateway requirements, typically at the end of 10th grade.

VI. Other Business

A. Comments from the Public

S. Reinhorn made a motion to approve Competency Determination policy as presented.

L. Hayner seconded the motion.

As required by DESE, the Parker Board votes to approve the Competency Determination (CD) Policy as written; in short, the local replacement for “passing” scores on MCAS [to be eligible to earn a diploma] is successful completion of Div 2 AH and Div 2 MST gateway requirements.

The board **VOTED** to approve the motion.

VII. Closing Items

A. Adjourn Meeting

L. Hayner made a motion to Close Meeting.

T. Testa seconded the motion.

The board **VOTED** to approve the motion.

There being no further business to be transacted, and upon motion duly made, seconded and approved, the meeting was adjourned at 8:45 PM.

Respectfully Submitted,

N. Odekirk Hatlevig
