Public Comment

- Mr. Bill John would like to be a prospective board member.
- Tehya M. brought concerns about the service animal policy and requested full removal of another animal.
- AJ Gammons-Reese asked about having a student representative on the board, asked about expanding world languages (including Lummi language), police presence on campus, Indigenous students who left WIHS, requesting indigenizing curriculum, increasing the number of after-school programs, teachers and staff talking down to students, co-leading initiatives, supporting students and goals through fundraisers, topics involving communities. One question raised was how we might get transportation to make it easier and safer to increase access to community work?
- Shirley Williams shared opportunities for WIHS to partner with Whiteswan Environmental.

III. Governance

A. Whiteswan Environmental and WIHS Partnership

- Signed letter to Bernie Thomas will be sent to invite him to visit WIHS campus. Dawn made contact with Bernie Thomas and he plans to visit after spring break to build partnership with the Lummi Tribe and WE.
- **Action item:** We need to have a closed meeting within the next 2 weeks to have a sub-set of board members, so we do not have a quorum to create a plan that works for everyone. How to move forward on compensating WE to indigenize the curriculum?
 - Attendees at the closed meeting: Rachel Rodriguez, Dawn Walker, Whiteswan Environmental, Commission (Jessica de Barros), WA Charters Association reps, Gail Goulet, Corey Baron, Jason McGill

B. Charter Commission Update

Board recruitment: we are now at five board members, and we are still actively recruiting board members.

3. Hilltop catering setup last year. \$8.50/student/meal - use 3 days/week. We need to investigate ways to decrease food costs. Discussed the option to pull in other smaller, local restaurants and caterers, and partnering with faith-based communities to assist with providing food.
