I. Opening Items

A. Call the Meeting to Order

C. Espina called a meeting of the Academic Committee Committee of Whatcom Intergenerational High School to order on Monday Oct 23, 2023 at 3:37 PM.

B. Record Attendance

C. Approve September 2023 Academic Committee minutes

C. Boyce made a motion to approve the minutes from Academic Committee on 09-25-23. The committee **VOTED** unanimously to approve the motion.

II. 1. Academic Excellence

A. Update on assessment plan and results

No new asessment data at this time because state system is not up and running, and not transferring to the system.

Friday first half of the assessment for Math was completed for returning students.

Data will be pulled as soon as new students are entered. ELA test will occur on Friday, 10/27, and makeup tests scheduled soon after.

Information will be ready to present by Nov 6th, staff data day.

B. School Leadership Report: Standing agenda items

Curriculum

- Oct 16th PD staff training Dr. Mike Brown, Vanderbilt faculty member

C. New Corrective Action Plan (CAP)

- Staff is continuing to implement attendance policies and procedures.
- MTSS alerts in Skyward are up and running; teachers and staff are referring through this new system.
- Staff PD will review the MTSS alert system on staff data day scheduled for November 6th

III. Other Business

A. Other updates

Reviewing the raw data: point-in-time measure. It would be helpful to see the same data of the students from last year to get a sense of longitudinal performance.

Could look at trends by subject
Examine the raw data by an individual basis

Pathways for graduation - If students don't meet math or English requirements, what pathways are available for our seniors?

High School and Beyond Plans - student involvement
D. Walker checks student transcripts

Graduation pathways: Working with SPED students; pathways are limited because WIHS is a small school. Tech pathway has requirements that is not feasible for WIHS. Students are meeting requirements through Running Start classes if not met via the Smarter Balanced.

Brand new pathway going through OSPI and State Board of Ed, specifics should be out by end of January. Might be similar to portfolio based on what students have

accomplished, which might be in more alignment with Phenomenon Based Learning and Senior Capstone, which is much more structured and in-depth.

Information for transcripts for SPED students meeting specific math requirements.

IV. Closing Items

A. Adjourn Meeting

There being no further business to be transacted, and upon motion duly made, seconded and approved, the meeting was adjourned at 4:38 PM.

Respectfully Submitted,
C. Espina
