J.Fochtman shared current enrollment updates, starting with a review of progress since February 2024.

WIHS has strong student retention so far this year, with just 3 students transitioning to online learning- all were 10th grade.

Celebrations- more students have enrolled since the beginning of the year, and there is still a waitlist for 9th grade.

The 25-26 enrollment application launched on Oct 19th. D.Walker and E.Zamora held an Open House on Saturday, Oct 19th- all interested families attended, and 4 students begin the enrollment process for the 25-26 school year.

SchoolOps proposes a March 3, 2025 lottery date, which gives the enrollment team time to adjust their spring and summer strategy based on the number of incoming students for each grade level. J.Johnson asked for a narrative on how SchoolOps is planning to train and transition duties to school personnel.

P.Freeland makes a motion to move forward with setting a march lottery date. N.Mughal-Barrows stated that this was not included 24 hours ahead of time, and it would be better to add to the agenda for next month

Board agrees with the proposed lottery date, and will officially vote it into effect as part of the November Consent Agenda.

J.Johnson gave props to J.Fochtman and SchoolOps team
