- O.Ging talked about their experience at WIHS from Freshman to Senior year, especially around relationships and personal growth.
- Both students shared information about recent school events, including the Women's History Celebration, field trips, and school activities.

D.Walker gave a brief overview of enrollment, attendance, and upcoming assessment review months.

- D.Walker shared an enrollment update from Julia Fochtman at SchoolOps that WIHS has 95 confirmed students for SY 25-26, and 101 total including current applications. The next open house is Saturday, April 19th. Additional summary information can be found [here](#).

## IV. Financial Updates

### A.

## Financial Updates

D.Walker shared a brief overview of the March Financials provided by Katie Silberstein at JGP:

### March 2025 Financial Packet Overview- JGP

- Dashboard
  - Enrollment – average FTE through March is 95 (actual for March was 92), so still over the budgeted amount
  - Public Revenue
    - Federal claims were placed last month
    - Slight gap is due to TBIP and HiCap:
      - TBIP funds were in the board-approved budget, but no TBIP students have been reported to OSPI (in monthly P223 reports)
      - HiCap funds have not yet been received - haven't heard back from OSPI about this
  - Expenditures – on target
  - Days Cash – on target
- Balance Sheet
  - 2103 Capital One – no credit balance in March because of the double-payment in February
  - 2501 Construction Loan – good practice to confirm that the monthly loan payment was made (~\$5k), which it was!
    - Note: payment timing has been slightly irregular over the last few months (12/16/24, 1/31/25, 3/1/25) compared to end-of-month in Sept-Nov
- Budget status
  - March is 7 months through the fiscal year (58.3%)
  - Revenue –
    - Federal – claims made, ahead of pace
    - State – “General” is on pace; “Special” is lagging due to TBIP/HiCap
    - Local Support – lagging
    - Expenses – generally on pace; ultimately we know that “student recruitment” will be over-budget as a result of the SchoolOps contract
- Consent agenda – payroll, AP, nonAP

## 25-26 Budget process

- Legislative session is done in May – will know about levy equalization soon
- Should we plan to review a draft budget in May/June?
  - Reminder: final budget approval required by 8/31/25

## V. Cultural Engagement Committee Update

### A. Cultural Engagement Committee Update

The cultural engagement committee update was postponed because S.Clark was unable to attend tonight.

## VI. Governance

### A. CAP, Compliance, and Reporting Updates

D.Walker shared that WIHS was approved to start the Charter renewal process. Next steps include meeting with J.Johnson to review the data provided by the Commission, and begin discussion with board members on areas of support.

Currently the school is 100% in compliance with their CAPs, but the board still needs to continue expanding its membership.

D.Walker provided an updated on the CEDAR data and State reporting issue, stating that WIHS has identified the issue that caused data not to transfer to CEDARS/OSPI. WIHS is in the process of updating this and getting the corrected data to the commission as part of the renewal process.

All board members congratulated D.Walker, E.Zamora, and the WIHS team for the work they put into the school. D.Walker stated that WIHS is a story of growth and learning.
