- * Where are areas of key challenge?
- * What specific area could staff (across LC & UC) focus on next year, and what metrics could staff seek to shift? (This will be an ongoing conversation this spring semester, so today is a jumping-off point.)

Goals should encompass four areas, per ED:

- a math goal
- a literacy goal
- a World Language goal
- a SEL goal

Per our conversation today, note any areas to investigate further before next Academic Committee on March 17.
