Vision, Mission and Core Values

Vision: To develop globally minded citizens who have the knowledge, skills, and attitudes to effect positive change in our world.

Mission: The GLOBE Academy fosters Global Learning Opportunities through Balanced Education for children of all backgrounds. With a focus on dual-language immersion, an experiential-learning model, and a constructivist approach, GLOBE inspires students to be high- performing lifelong learners equipped to make a positive impact in the world.

Core Values: The GLOBE Academy's core values are expressed in the acronym, CREST: Community, Respect, Empathy, Sustainability and Trust. These values are expected of the governing board, faculty, staff, parents, and students. They are woven into daily life at GLOBE and incorporated into the curriculum.

- **Community:** We are inclusive, and we nurture and support one another.
 - **Respect:** We treat ourselves and each other with kindness and dignity.
 - **Empathy:** We strive to understand and share the feelings of others.
 - **Sustainability:** We aim to conserve our resources for optimal use in the present and future.
 - **Trust:** We are committed to honesty, transparency, and respectfully sharing our thoughts and encouraging others to do the same.

(click on our county and then our school to see our data)

Discussion for committee:

* What information would be helpful for the board to know when viewing /interpreting the data?

* What are things that we think might be helpful to look into from an academic perspective?

* Can we relate the data to our schoolwide goals? (below for reference)

* What are key points and narratives that we want to focus on in interpreting the data? What's the takeaway, what the direction is the school going and what are some next steps in the short term?

Christi will present with Rebecca Bratten on February 26th.

Schoolwide goals for the 2023-2024 academic year:

Math:

	Purpose	Presenter	Time
We will increase the number of K-8 students in the high growth/low achievement quadrant (fall to winter, winter to spring) by 5%, as measured by MAP Growth. (setting the baseline this year)			

Literacy:

We will decrease the percentage by race/ethnicity of students scoring below the 60th percentile by 2% from the Spring '23 to Spring '24 administration, as measured by MAP. (Fall to Winter 2023 will be baseline)

Target Language:

We will increase the number of students in 2nd-8th grades who meet the proficiency level by 2% as measured by STAMP. Please see proficiency level documents by grade and language. *target language for their grade, by language

Social/emotional:

Decrease overall absences* by 5%.
