Looking Ahead to 2022-2023 School Year: GLOBE Academic Committee Meeting April 2022

Purpose and goals of the Academic Committee:

- What have you focused on historically?
- What would it be useful and helpful to focus on?
- In particular, what would it be helpful to discuss and work on in this space, that is different from regular leadership meetings?

Per previous discussion, relating goals to the strategic plan for the school

Previous (current) areas of focus	Useful areas to direct our focus going forward
<p>Race-conscious curricula sub committee – might not need to be a committee next year although work would be ongoing internally by staff (reach out for parent/community support for events like Read Across America Day)</p> <p>DLI subcommittee work will be ongoing internally</p>	<p>Strategic plan initiatives, potentially</p> <p>Where are there areas of common focus / overlap across different committees (ie. DEI); how to streamline and collaborate more?</p> <ul style="list-style-type: none"> ● Possibly identify goals from the strategic plan and assign where they fit best (ie. either Academic committee or DEI committee)
