Strategic Planning Committee Report

25 March 2019

Committee Chair: Katie Monroe

Report Type: Update

Updates:

1. Leadership team has been meeting weekly via conference call.
2. DRAFT Strategic Plan is nearing its final form – strategic initiatives are based around four domains:
 - a. Organizational development
 - b. School facilities
 - c. Core instruction
 - d. Diversity, equity and inclusion
3. Current conversation is focused on implementation plan (to build capacity to push the plan forward).
4. Discussion about bringing in external help for implementation, where needed
5. Final Guiding Team Meeting anticipated in May to work with key internal individuals involved in implementation.
6. Full presentation to the Board was planned for 4/29 meeting, but may be pushed back to May. We anticipate asking the Board to approve spending at 4/29 meeting for some external support for implementation.
