

The GLOBE Academy

Diversity Committee Report

16 December 2019

Committee Chair: Monique Hudson

Report Type: Update

Meeting Date: 11/20

Updates:

Strategic Plan DEI Vendors

Awaiting finalized contract with the second-choice vendor. CEE and Tiki Barnes believes they will be a good fit once the contract can be finalized. The committee agreed to be available to work with the vendor on some of the DEI learning issues that arise (i.e., transportation, lunch policy, behavior plan, etc.)

Follow-up Items

CEE reported that the administration will recommend that "Indigenous People Day" be used on GLOBE calendars and other platforms rather than Columbus Day. That is consistent with the DEI Committee recommendation. The BoD approves the calendar.

Next Meeting

The December meeting has been canceled, but Monique will send DEI updates to the committee
