III. New Business

A. Committee Member Comments and Concerns

- Concern about faculty/staff training regarding historical matters in the US and how they influence current culture. Example was given about how some foreign staff are unaware of the controversy around Columbus Day.
- Hispanic Heritage, Chinese New Year, French celebration, should somehow be blended and appreciated/celebrated across tracks. Consistent messaging with rationale among tracks and exposure to other students.
 - Many believe this is already being done. But some do not.
- Suggested that International Fest do more to highlight different cultures and communities.
 - Suggested that food choices be set up in stations and guest travel to the various stations and learn about the culture in those places.
 - Families can be encouraged to showcase their cultures.
- Black History month initiatives are underway by the PTCC! Diversity Committee will reach out to see if we can be of assistance.
- Suggested developing diversity focused action items for teachers. Suggestions:
 - 5 minute Focus Topic suggestions from the Diversity Committee.
 - Diversity Committee newsletter
 - Offer suggestions to HOS for her Cultural Competence communications
 - Diversity Committee develop single sentence challenges
