A. Public Comment

Lauren Lindquist spoke about the need to separate some children in their respective language tracks to have an effective learning environment. She noted that there has been "an unhealthy sense of competition" between the language tracks that has developed which runs counter to the school's notion of building community. A possible solution is to allow for mixing across language tracks for English instruction, which will allow students to meet others and develop friendships prior to moving on to UC.

Robyn Brandman spoke about the school offering breakfast since it was listed on the school's website. She wanted to know if that was true and if so, urged that some communication be sent out.

GLOBE Rocks! planning is in full swing and it has been set for February instead of January.

F. Communications Committee Report

There is no formal report this month. Anita stated that everything is all set as previously reported and there is a question about if there is a need to continue this standing

committee since its purpose was to help to establish the branding strategy and communication plan. Sharon noted that the new communications staffer will begin on 11/1.

I. Diversity Committee Report

There was no formal report this month. The committee did not meet in October, but will be meeting in November. Monique said she is in the process of verifying with members about holding the November meeting via teleconference. Monique said that transportation has been a hot topic as of late and something will be coming from the committee regarding that issue.

J. Executive Director Evaluation and Support Committee Report

There was no formal report this month. Ryan stated that it has been a struggle to coordinate schedules with Monique and Sharon to meet, but noted that he and Sharon have been meeting with Christi weekly. Ryan said Christi's end-of-year review from last year will be presented at the November meeting. Executive session has already been planned to discuss that.

VI. New Business

A. Meal Charge Policy

Sharon said this policy was a requirement. A discussion was held about the policy. Monique and Anita stated that the policy was in need of edits. Chip affirmed their view. Monique asked if it was an urgent need to have this policy approved and in place. Sharon said she would find out, but noted in the meantime, it would be efficient to send the document out in Word whereby Monique and Anita can make their respective edits. Sharon said if not adopting this policy right now affects the school's participation in the program, then the Board will hold an emergency meeting to adopt the policy subsequent to the edits that will be made by Monique and Anita.

B. School Leader Annual Report

Sharon commented that both reports are new and that they are required by GaDOE. Sharon said the emphasis is on incorporating the school's strategic plan. Anita asked if these are public documents and if there were any possible ramifications. Sharon said

both are public documents but was unclear about what, if any, ramifications that will be as a result of submitting the info. Sharon said the forms are due by 11/1 and they were delivered without context.

Meghann suggested the following corrections:

"Under the grants section, it looks like there's some missing and incorrect information. We received two facilities grants (one for each campus) for FY20. The lower campus grant was spent on Phase II of the playground. The upper campus grant was used for the following three projects: 1) roof/gutter replacement, 2) new chiller, and 3) pedestrian gate installation. There's no mention of the upper campus grant projects in the report.

The FY20 safety/security grant included the following three items: 1) installation of new cellular-based security system and equipment, 2) indoor and outdoor security cameras, and 3) upgrading the access control system. There was mention of exterior lighting in the report, but that was not included in the proposal. The new security system was also not mentioned, just the cameras and the card system."

Sharon suggested the following corrections:

"on line 174 we should say yes, we are trying to buy our building or another.
on line 175 we need to add our \$1 or \$0 lease payment for LC."

R. Hudak made a motion to approve School Leader Annual Report, pending edits previously suggested by Meghann and Sharon.

C. White seconded the motion.

The board **VOTED** unanimously to approve the motion.
