Vision, Mission and Core Values

Vision: To develop globally minded citizens who have the knowledge, skills, and attitudes to effect positive change in our world.

Mission: The GLOBE Academy fosters Global Learning Opportunities through Balanced Education for children of all backgrounds. With a focus on dual-language immersion, an experiential-learning model, and a constructivist approach, GLOBE inspires students to be high-performing lifelong learners equipped to make a positive impact in the world.

Core Values: The GLOBE Academy's core values are expressed in the acronym, CREST: Community, Respect, Empathy, Sustainability and Trust. These values are expected of the governing board, faculty, staff, parents, and students. They are woven into daily life at GLOBE and incorporated into the curriculum.

- Community: We are inclusive, and we nurture and support one another.
 - Respect: We treat ourselves and each other with kindness and dignity.
 - Empathy: We strive to understand and share the feelings of others.
 - Sustainability: We aim to conserve our resources for optimal use in the present and future.
 - Trust: We are committed to honesty, transparency, and respectfully sharing our thoughts and encouraging others to do the same.

II. Academic

A. Committee: Additional Support for Target-Language Learning

- School leadership discussed tangible strategies to take place this year to advance target language learning support
 - Additional staff training on DLI, including teachers who are not target language teachers
 - Developing graphic to explain progression of students in DLI curriculum to share with parents/community
- School leadership also committed to plan for AY 21-22. Potential areas include:
 - ECP programming
 - Partnership with external stakeholders, including university researchers / student educators
- Next step: Plan in writing for Fall 2021

B. GLOBE efforts on race-conscious curricula

- Members of Academic Committee met with Diversity Committee to share work across committees
- Academic Committee discussed doing data collection, including conducting a survey of teachers, to capture current efforts in race-conscious curricula already

underway and where teachers and staff may see areas for improvement. Sabrina Manns volunteered to draft survey for review in May Academic Committee Meeting.

- Aim is to engage in concrete data collection, listening, and planning between now and Fall 2021 to prepare committee to continue to make race-conscious curricula a high-priority effort in next school year.
