II. Communications

A. Streamlining giving asks

- Committee discussed developing a comprehensive way to summarize all the academic year financial asks to GLOBE parents. Agreed to work on a one sheet that outlines the asks (when they'll come, from whom, and for what) and provides links for parents to address all asks at once, if preferred. This will include Board- and PTCC-driven requests.
- Also discussed developing an FAQ to post on website about why we ask for money and how it's used.

B. Exit survey

- Updated exit survey is nearly ready to deploy. S. Butler to edit one section, per request from E. Elliott-Earby.
- L. Long to review email that will accompany survey distribution.
- S. Butler to send finished survey and email to registrar.

C. End-of-year surveys

- Committee discussed formalizing the output from parent surveys, so data can be compared year-over-year. Will continue conversation about why this analysis might look like.
- Will reinstitute staff surveys, which were not sent last year.
- S. Butler to pull past surveys and begin updating for this year.
- Aiming to send both surveys May 1.
- Like last year, will send post-survey communication calling attention to trending topics and if/how they are informing school decisions.

D. Annual report

- Committee discussed creating an annual report to include storytelling, academic results, financials, etc.
- C. Elliott-Earby will look for examples from parallel institutions (i.e., ours won't be in the vein of a corporation or even a private school).
- L. Long will lead content development, pending source material from Board committees and input from capital campaign feasibility team.
- Target timing: Fall 2023 distribution based on 2022-23 academic yer.

III. Closing Items

A. Adjourn Meeting

There being no further business to be transacted, and upon motion duly made, seconded and approved, the meeting was adjourned at 10:20 AM.

Respectfully Submitted,
