### A. Fundraising Events Subcommittee

GLOBE Trot raised over \$135,000.

The program and event went smooth. There was more involvement from the school administration. There were no significant issues identified.

Lessons learned have been noted.

- One area that needs to be examined for future improvement is how to reach more parents.
- Improvement on QGiv instructions for signing up
- Develop a list of technical issues to find solutions in 2023
- Provide only donation information to parents upon request, no name association

Discussion around how to handle requests for names in classrooms and donation amounts. Development Committee made a note that in the future no names of children would be provided externally to prevent issues with privacy.

Question: Will GLOBE Rocks occur - LFB will check with Christi and event contact.

Square 1 Art also happens in the first semester around the same time as GLOBE Trot . Consider reassessing timing to ease families who are donating.
