I. Opening Items

A. Record Attendance

B. Call the Meeting to Order

M. Hayes called a meeting of the Development Committee of The GLOBE Academy to order on Thursday Jun 15, 2023 at 1:07 PM.

C. Approve Minutes from Previous Meeting

Due to a lack of quorum the meeting minutes for the two previous meetings could not be approved.

The next meeting held in JUL2023 will review and approve all meeting minutes outstanding once quorum is met.

D. Development Committee Funds Overview

The overall funds raised were reviewed.

The goal of 300,000 has not yet been reached, but the numbers reported are always a 1-month lag.

II. General Development Committee Priorities

A. Development Committee Updates

Development co-chair recruitment process is in the final stages.

- Candidates have had 1:1 interviews and will be going through meet and greets
- then final decision making and votes will be held on 26JUN2023 in the Board meeting.

All candidates are strong and any candidates not chosen will be asked to still continue on with the committee.

Still continuing to push for committee members, if you know anyone who is interested please share the interest form with them. The link is located in the presentation.

B.

Capital Campaign Update (Drew to update if present)

- Alexander Haas is finishing up the feasibility study and should be completed in the next month or so.
- Capital campaign will have a separate small committee lead by Executive Director. Consider if we need to have a liaison between Development Committee and this one.

III. Subcommittee Discussions

A. Fundraising Events Subcommittee

- Athletics has done well for its first year.
 - Consider removing GLOBE Rocks (music) event if there is no expectation of having it
-
- GLOBE Trot planning has begun. Tentative dates have been sent to the administration for approval (10Nov, rain date 17Nov)
 - Working on logistics, and once the new co-chair is on board we will start having working sessions to transition and continue planning and execution.

B. Annual Fund Campaign Updates

- Annual Fund has almost reached the goal. There are still some recurring donations to be added and the financial numbers are usually a month behind.
 - Started showing the % participation of board members and staff giving. Neither are at 100%. Consider for the upcoming year what the goal is and how to better meet that.
 - Working on activities to close out the 2022-2023 Annual Fund campaign (e.g. banners, etc.)
-
- Annual Fund Campaign for 2023-2024 year is in the planning stages. Working on the logistics to get it up and running
