*Due to routine irregularity in timing between the availability of a complete award agreement and the start date on which funded activities may begin, award duration may commence prior to Board approval of acceptance. To ensure appropriate responsiveness to funder and funded project timeline requirements, the District may find it necessary to execute an award agreement prior to receipt of Board approval of acceptance. In such instances, the Board maintains the right to deny acceptance. Should the Board approve acceptance with conditions, the Grants Office will collaborate with the funder to realize revised, mutually agreeable terms. Should the Board deny acceptance in full, the Grants Office will terminate the award agreement while collaborating with the funder and affected stakeholders to minimize impacts.
