Middle School ELA teacher Ivan Kirkelie presented the novel *The Scythe* by Neal Shusterman to the board. He explained the importance of supplying engaging books to students so they enjoy reading. He also stressed the importance of writing, provided writing samples, and shared the essay forms he uses in his classroom.

Chairman Brit Ausman advised that he had been contacted by a couple of parents expressing their concern about the book. He contacted other parents and feels Mr. Kirkelie did a good job explaining the content before assigning the book.

Middle School Principal Stephanie Wooderchak was in attendance to explain that she did not realize approval from the board was required before implementing the book as additional curriculum. She also shared that there have been no complaints from any parents or students, and that in the future, they will seek approval before adding any additional curriculum.

Finance and Business Director Julie Hancock shared that the district received a \$14,000 grant to be used for the 2025-26 and 2026-27 school years. She also explained how difficult it has been to find Washington-raised and processed beef. Local ranchers did not want to take their beef to WSU for processing. ## **XI. Superintendent's Report**

### **A. Informational**

Superintendent Dale Bonfield updated the board on the following items:

- TTK (Transition to Kindergarten) - This program has been very beneficial. Still, the legislature is considering cutting the funding, so only students who qualify for free and reduced lunch can attend. If this happens, and we only have one class, we may lose one teacher. However, since there are no daycares in Asotin, this will help our district. We should know about the funding cuts within the next two weeks.
- Skills Center - There is discussion of implementing a skills center that could be used by multiple districts. A district group toured the skills center in Walla Walla. However, this could reduce the number of students enrolled in CTE classes, affecting CTE funding. Mr. Bonfield would like to invite the CTE teachers to a board meeting to express their concerns.
- Social-Emotional Learning (SEL) - The district needs to purchase an SEL screener to identify areas where students need additional support. We are applying for a grant from the University of Washington to help cover the cost of the screener.

- Methodist Church Purchase - Mr. Bonfield will sign the paperwork to purchase the church property on February 24th at Alliance Title, and the transaction will close on February 26th.

## **XII. Closing Items**

### **A. Adjourn Meeting**

There being no further business to be transacted, and upon motion duly made, seconded and approved, the meeting was adjourned at 7:10 PM.

Respectfully Submitted,  
Brit Ausman
