E. Comments from Patrons

Students Eain Doyle, Gavin McDaniel, and parent Belinda Doyle expressed concerns about the lack of communication regarding the update to the "A" on the hill overlooking Asotin. The students felt that the process for choosing who was allowed to participate in the activity was unfair.

They would like to see all the students in the upcoming classes be able to participate in some way.

The board explained that this is not a school-related activity, so they are unable to set any rules or regulations for the activity. They also explained that the land owner will not allow more than two vehicles or 6-8 students at a time on his property due to safety concerns.

Superintendent Dale Bonfield offered to help the students draft a document supporting the participation of all students in the future.

She explained that there is a folder that contains information for the upcoming negotiations, and another folder containing follow-up documents and general board information.

XI. Superintendent's Report

A. Informational

Superintendent Dale Bonfield asked the board if his method of communication was satisfactory. He confirmed that communicating by e-mail is acceptable, or would they prefer that he present everything at the meetings? The board was fine with emails.

Mr. Bonfield also advised that the district's internet equipment and lines will be moved over Spring Break. He is trying to obtain a hotspot through Sparklight so the district office can continue to operate, but has not heard back yet. A backup plan is in place to work from Asotin City Hall.

Board member Richard Witters shared that the new board members toured the school with Facilities Manager Chris Segroves. He said it was a good tour and that it was nice to see what needs to be updated or repaired in the buildings. This is helpful when speaking with community members and would like to tour the school yearly.

Mr. Witters also mentioned that he noticed some memorials in different locations of students who have passed away. He would like to see a designated area for all the memorials.

A. Adjourn Meeting

There being no further business to be transacted, and upon motion duly made, seconded and approved, the meeting was adjourned at 6:48 PM.
