## V. Financials

### A. Budget Amendments

- FWAFA- Actuals from February 2019; at this time this is our best projection on how we will finish the year through August

1. Revenues- originally planned for a deficit but at this time we are not projecting a deficit; Per Capita and FSP have increased
2. Expenses- Instruction increase is due to Special Education and Supplies; Plant Maintenance and Operations increase expense due to unplanned repairs and deferred maintenance projects

- TCAA

1. Revenues- Contributions are lower than budgeted
2. Expenses- decreasing the expenses due to the projected lower revenue from Gala

- TeSA

1. Revenues- TEA FSP decreased due to attendance
2. Expenses- overall decrease; Instructional Leadership increase- position was not in the original budget; School Leadership had staff changes there that were not in budget; Plant Maintenance and Operations- janitorial, lawn care, and utility expenses lower than budgeted

Comments: Wellbaum noted it was a difficult year; thank you, especially Janelle for your hard work

Leslie Scott made a motion to approve.

Barry King seconded the motion.

The board **VOTED** unanimously to approve the motion.

## VI. Academics

### A. EMAT Certification

- EMAT funding (the funding source we use to purchase text books for our schools) - each year every public school is asked to submit to TEA their EMAT certification; does not need a Board vote but does have to be signed off on by the Board Chair and Secretary as well as Superintendent
1. Submit the allotment of how many courses and specific courses we plan to offer, as well as the grade levels we plan to serve on each campus
  2. EMAT for both campuses was signed off on and are being submitted to TEA

### B. Approve 2019-2020 Calendars

Linda Metcalf made a motion to approve.

Mary A. Zimmerman seconded the motion.

The board **VOTED** unanimously to approve the motion.

- Presented FWAFA and TeSA 2019-2020 academic calendars
- Indicated New Staff Orientation days reflected in yellow is new to the calendar although we do this orientation every year it just has not ever been placed on the calendars
- Only difference between the two calendars is timing on when report cards go out to parents
- We look at surrounding ISD calendars when creating our calendars in regards to things like Spring Break to make it easier on parents as we know they may have other children attending one of those schools

### C. FWAFA Graduation Plan

- FWAFA Academic Committee had an internal audit of our course selection - main focus this year was on high school level
  - Proposing to the Board an Updated Graduation Plan
1. Still recommend graduates 26 credit program
  2. Capstone project still required
  3. Major difference is under the Endorsement plans:
    - Broken out Arts and Humanities Theatre Endorsement into theatre, musical theatre, and technical theatre endorsements

- Add two new endorsement tracks- Language other than English endorsement: Spanish and French AND New Business and Industry Digital Arts Career endorsement geared towards fine arts

Staff and student input was taken into account regarding these proposed changes  
Two endorsements are possible to be obtained but because of scheduling it proves to be difficult

Changing tracks is possible but would be considered on a case-by-case basis

Michael Wellbaum seconded the motion.

The board **VOTED** unanimously to approve the motion.
