RE:	Employee Pay Raise Scale for Full-Time Teaching Positions & Non-Classroom Based Academic Positions & School Leaders

### Proposed Board Motion

I move the board to approve the new MPS Pay Raise Salary Scale for for Full-Time Teaching Positions & Non-Classroom Based Academic Positions & School Leaders.

### Introduction

Full-Time Teaching Positions & Non-Classroom Based Academic Positions & school leaders which cover positions mentioned in the scale such as teachers, college counselors, education specialists, librarians, title I coordinators, deans and principals.

MPS Operations department proposes increasing the base pay under the qualifications pay in the MPS Salary Scale for eligible staff of MSA 1, 2, 3, 4, 5, 6, 7, and 8 from \$46,600.00 to \$50,000.00 and of MSA-Santa Ana and MSA-San Diego from \$46,600.00 to \$48,000.00 starting from 2019-20 fiscal year. This will affect the salaries of all Full-Time Teaching Positions & Non-Classroom Based Academic Positions and School Leader Positions.

### Background

The teacher unions went on a strike within LAUSD within the 2018-19 school year. In the end the LAUSD and the Teacher Union reached out a deal to make significant raises to teacher salaries plus some retro pays. This is expected to increase the competition in the teacher market for our schools. Therefore, we wanted to come up with competitive salary increases by increasing the current base pay from \$46,600 to \$50,000 for MSA-1 through MSA-8 and from \$46,600 to \$48,000 for MSA-Santa Ana and MSA-San Diego. This will increase the overall individual salary of eligible staff by \$3,400.00 for MSA-1 through MSA-8 and by \$1,400.00 for MSA-Santa Ana and MSA-San Diego, excluding any additional add-ons, stipends and performance pays.

### Analysis & Budget impact

MPS EMPLOYEE PAY RAISE SCALE (FULL-TIME TEACHING POSITIONS & NON-CLASSROOM BASED ACADEMIC POSITIONS)

**SALARY CALCULATIONS**

**Components of Employee Pay**

School Level: Teaching Positions & Non-Classroom Based Academic Positions		
1	<b>Base School Salary</b>	
	+	
		➔ Base Employee Salary
2	<b>Employee Qualifications Pay</b>	
	+	
3	<b>Employee Performance Pay</b>	
	+	
4	<b>Pay for Additional Duties</b>	

**Narrative:**

- 1) The MPS Board of Directors will closely work with the Home Office to review and update this employee pay raise scale and approve it at one of its meetings prior to the fiscal year to which it applies.
- 2) This Board-approved pay raise scale will be in effect as of July 1, 2018 and until the next Board approval of an updated scale. MPS reserves the right to modify this pay raise scale, as well as any policies affecting employee compensation, including but not limited to maintaining any pay raise scale at all.
- 3) This policy replaces and overrides any previous pay/bonus policy.
- 4) This pay raise scale applies to all full-time teaching staff and non-classroom based academic staff.
- 5) Pay for full-time teaching positions and non-classroom-based academic positions have four major components: base school salary, employee qualifications pay, employee performance pay, and pay for additional duties. Base school salary and the employee qualifications pay make up the base employee salary. Employee Performance Pay and Pay for Additional Duties are variable pays based on employee's performance rating and additional duties assigned to the employee and are not part of the base employee salary.
- 6) Performance pay is given to existing full-time employees based on their performance in the finished year. Only those full-time employees who have finished the year at MPS and completed at least 90 business days in the finished year will be eligible for performance pay. No performance pay will be given in the case of voluntary or involuntary termination before the end of the school year. Performance pay is **NOT** part of the employee's base salary and will be paid separately in a **one-time lump-sum amount** in July immediately following the school year during which the performance was evaluated. (See "Employee Performance" for details.)
- 7) Additional duties for employees will be assigned add-on points as explained further in this scale. These duties have

to be approved by the school administration and the Home Office. The add-on points for such additional duties are not part of employee's base salary; they are earnings on top of the base employee salary designated for the extra duties performed for the specific year of service. Payment for additional duties will be made during and only for the fiscal year in which the duties are performed. See "Additional Duties" for details.

8) Employees will be able to update their degree or credential during the new work year, and these updated qualifications will be used in prorated salary calculations as of the date of submission.

9) MPS would like to pay the semi-monthly salaries in whole dollar amounts; therefore, any semi-monthly salary that is not in whole dollar amount will be rounded up to the next whole dollar amount and the annual pay amount will be adjusted accordingly.

10) Retroactive salary increases are not permitted.

11) For employment-based visa holders, proposed salary based on scale cannot be under the prevailing wages as determined by the DOL.

12) A one-time signing bonus may be provided to new employees for hard-to-fill positions upon approval by the CEO on a case by case basis. Also, the pay raise scale limitations may be waived in unique situations with approval from the CEO that the waiver is financially sound, academically necessary, and consistent with MPS' commitment to equal opportunities for all staff without regard to race, color, religion, sex (including pregnancy, gender identity, and sexual orientation), national origin, age (40 or older), disability or genetic information, and all other bases as described by the EEOC. (See the Employee Handbook for details.)

13) Whether identified or not in this scale, the Home Office will make the final determination regarding salary calculations for any employee at any position and has the authority to make any revisions based on changing budget conditions.

- 3) The add-on points for additional duties are not part of employee's base salary; they are earnings on top of the base employee salary designated for the extra duties performed for the specific year of service.
- 4) Payment for additional duties will be made during and only for the fiscal year in which the duties are performed. Depending on the duties, this amount can either be included in the semi-monthly salary or paid to the employee in several installments. Pay for additional duties will be prorated based on the date additional duties are assumed.

Special Club (Category 2) includes approved clubs that have a special focus, typically in STEM fields, require an extensive time commitment and preparation, and generally culminate in a competition. - 8) \*\* For middle/high school grades, each additional weekly teaching hour over the standard 25 hours, plus 2.5 hours of SSR/Advisory, will earn the employee 1.0 point for their annual salary. MPS does not recommend extra teaching hours other than in extenuating circumstances.
- 9) Payments for any additional duties not described herein (Saturday tutoring, other approved hourly duties, etc.) will be resolved by the school administration and the Home Office via payroll.
- 10) Exceptions: The add-on points for additional duties are for full-time teaching staff and other approved staff on a case-by-case basis. Principals and assistant principals/deans do not earn add-on points for any of the additional duties listed in this table. After-school coordinators do not earn add-on points for after-school coordination if they are already being paid separately for that duty, e.g., through an after-school grant. Computer teachers who also do IT technician duties for less than 50% of their time can earn add-on points for their IT technician duties. If they do IT for 50% or more of their time, they will be regarded as IT Technician for salary calculations.
- 11) Final decision for any add-on points will be made by the school administration and the Home Office.

1) Position: See the table above for points for each position. Principal's position points will be based on the grade span of the school for the new work year and the school enrollment based on the P-2 report of the current year. Based on Census Day data of the new work year, i.e., first Wednesday of October, if an increase in enrollment requires an adjustment to the position points, updated position points will be used in prorated salary calculations as of November. # **MPS EMPLOYEE PAY RAISE SCALE**

## **SCHOOL LEADER POSITIONS**

Last Amended: 3/21/19

MPS EMPLOYEE PAY RAISE SCALE (SCHOOL LEADER POSITIONS)

**SALARY CALCULATIONS**

**Components of Employee Pay**

School Level: School Leader Positions		
1	<p><b>Base School Salary</b></p>	
	+	➔ Base Employee Salary
2	<p><b>Employee Qualifications Pay</b></p>	
	+	
3	<p><b>Employee Performance Pay</b></p>	

**Narrative:**

- 1) The MPS Board of Directors will closely work with the Home Office to review and update this employee pay raise scale and approve it at one of its meetings prior to the fiscal year to which it applies.
- 2) This Board-approved pay raise scale will be in effect as of July 1, 2018 and until the next Board approval of an updated scale. MPS reserves the right to modify this pay raise scale, as well as any policies affecting employee compensation, including but not limited to maintaining any pay raise scale at all.
- 3) This policy replaces and overrides any previous pay/bonus policy.
- 4) This pay raise scale applies to all full-time school leaders, i.e., principals, APs, and deans.
- 5) Pay for school leader positions has three major components: base school salary, employee qualifications pay, and employee performance pay. Base school salary and the employee qualifications pay make up the base employee salary. Employee Performance Pay is a variable pay based on employee's performance rating and is not part of the base employee salary.
- 6) Performance pay is given to existing full-time employees based on their performance in the finished year. Only those full-time employees who have finished the year at MPS and completed at least 90 business days in the finished year will be eligible for performance pay. No performance pay will be given in the case of voluntary or involuntary termination before the end of the school year. Performance pay is **NOT** part of the employee's base salary and will be paid separately in a **one-time lump-sum amount** in July immediately following the school year during which the performance was evaluated. (See "Employee Performance" for details.)
- 7) The following salary bands will be applied to school leader positions:

Assistant Principal/Dean	Minimum: \$70,000	Maximum: \$100,000
--------------------------	-------------------	--------------------

Principal	Minimum: \$90,000	Maximum: \$130,000
<p>If the pay raise calculations for a school leader result in an amount either below the band minimum or above the band maximum, the minimum or the maximum amounts will be applied respectively.</p> <p>8) Employees will be able to update their degree or credential during the new work year, and these updated qualifications will be used in prorated salary calculations as of the date of submission.</p> <p>9) MPS would like to pay the semi-monthly salaries in whole dollar amounts; therefore, any semi-monthly salary that is not in whole dollar amount will be rounded up to the next whole dollar amount and the annual pay amount will be adjusted accordingly.</p> <p>10) Retroactive salary increases are not permitted.</p> <p>11) For employment-based visa holders, proposed salary based on scale cannot be under the prevailing wages as determined by the DOL.</p> <p>12) A one-time signing bonus may be provided to new employees for hard-to-fill positions upon approval by the CEO on a case by case basis. Also, the pay raise scale limitations may be waived in unique situations with approval from the CEO that the waiver is financially sound, academically necessary, and consistent with MPS' commitment to equal opportunities for all staff without regard to race, color, religion, sex (including pregnancy, gender identity, and sexual orientation), national origin, age (40 or older), disability or genetic information, and all other bases as described by the EEOC. (See the Employee Handbook for details.)</p> <p>13) Whether identified or not in this scale, the Home Office will make the final determination regarding salary calculations for any employee at any position and has the authority to make any revisions based on changing budget conditions.</p>		

**1) BASE SCHOOL SALARY**

Base School Salary		
<u>Location</u>	<u>School</u>	<u>Base</u>
Los Angeles County (Reseda)	MSA-1	\$50,000
Los Angeles County (Van Nuys)	MSA-2	\$50,000

San Diego County (San Diego)	MSA-San Diego	\$48,000

**Narrative:**

- 1) The Base School Salary for each school is determined based on the specific school budget, size, and challenge, as well as the cost of living at the school location.
- 2) Based on the above parameters, the Board may adjust the Base School Salaries each year.

Prior experience capped at 15 years			Total experience* capped at 25 years			

<b>Narrative:</b>
1) Position: See the table above for points for each position. Principal's position points will be based on the grade span of the school for the new work year and the school enrollment based on the P-2 report of the current year. Based on Census Day data of the new work year, i.e., first Wednesday of October, if an increase in enrollment requires an adjustment to the position points, updated position points will be used in prorated salary calculations as of November. Final decision will be made by the Home Office for extenuating circumstances.

2) Degree: 1 point for master's degree; 3 points for doctoral degree. Points are not added; the highest degree will be considered.

3) Credential: 1 point for California Preliminary Administrative Services Credential; 2 points for California Clear Administrative Services Credential. Points are not added.

4) Prior Experience: Cap of 15 years will be applied for prior full-time, full-year school leader, teaching, and other related field work experience. See the table above for coefficients. For prior experience that is more than 15 years, experience with higher coefficients will be prioritized, i.e., principal experience will be considered first, followed by AP/Dean experience and other related field work experience. Student teaching as part of the credentialing program does not count for experience. Employees need to verify their prior employment. Final decision will be made by the Home Office.

5) MPS experience is valued more than prior experience; both full and partial MPS years will be added and the sum will be rounded to the lower multiple of one-half.

\* Total experience, i.e., the sum of prior experience and MPS experience will be capped at 25 years. For total experience that is more than 25 years, MPS experience will be considered before prior experience and experience with higher coefficients will be prioritized. See the table above for experience in priority order to be counted towards the 25 years.
