✍ ELD and ELA teachers will provide designated ELD to all EL students, with EL students who are Levels 1-3 participating in a full class period of targeted, protected ELD (differentiated by proficiency level), and Levels 4-5 receiving designated ELD in their ELA class, and, where possible, in an additional 25 minute session that focuses on reading and writing strategies, practice in speaking and listening, and academic vocabulary.

Pg 8194.05

🕮 During the day, Charter School will provide additional supports and interventions to all students, including ELs. Charter School will provide additional supports and interventions to all students, including ELs, during after school hours and on Saturday. Charter School strives to refine targeted intervention and tutoring programs and plans to expand after school, Saturday school, and summer school opportunities.

🕮 Charter Scholl will provide ongoing Parent Training for all our parents, including bilingual parents. SSC and PTF meetings, as well as Parent College, are some of the venues we will provide training to our parents. Charter School will provide targeted assistance to low income students and their families in career/college readiness activities and guidance, including how to get financial aid. Parent training topics include, but are not limited to, how to assist students academically and behaviorly, how to navigate the educational system, including higher education, and other areas that will benefit all our students, including our unduplicated students.

🕮 Foster youth will receive educational counseling. Foster youth will receive academic supports and remediation and will be encouraged and supported to engage in extracurricular activities in order to mitigate the effects of school mobility on foster youth.

🕮 Research has shown that one of the keys to successful teaching and schooling is creating personal connections with students inside and outside of school. Knowing the students' outside interests, families, and home routines, and then using this information to connect in meaningful, individualized ways can have huge rewards in helping to create happier, healthier, and smarter kids. Recognizing these facts, Charter School uses home visits as one of the important features of its education program to not only improve student and school performance, but also to identify and intervene early with students performing below grade level.

🕮 Charter School staff will implement restorative practices and PBIS to build positive communities and increase school connectedness. Charter School will provide academic supports and remediation, Life Skills classes, counseling, and social-emotional support to our students. Our teachers will establish classroom management procedures, foster positive relationships, and help create an atmosphere of trust, respect, and high expectations. Charter School will ensure that staff participate in PD on restorative practices and PBIS. Our Dean of Students and Behavior Counselor/School Psychologist will monitor student behavior and social-emotional progress.

Pg 8294.05

LCAP Year: **2018–19**

Estimated Supplemental and Concentration Grant Funds	Percentage to Increase or Improve Services
$ 359,601	24.48%

Describe how services provided for unduplicated pupils are increased or improved by at least the percentage identified above, either qualitatively or quantitatively, as compared to services provided for all students in the LCAP year.

Identify each action/service being funded and provided on a schoolwide or LEA-wide basis. Include the required descriptions supporting each schoolwide or LEA-wide use of funds (see instructions).

🖉 Charter School will continue to provide services to ELs by proficiency level and provide ELD instruction aligned to the CA ELD standards and framework. Charter School will provide our ELs with core and supplemental ELD instructional materials and provide our teachers with PD focused on ELD standards. Our EL coordinator will monitor EL student progress in program implementation according to our EL Master Plan.

🖉 Charter School teachers will provide instruction using integrated ELD instructional strategies as outlined in the CHATS framework (and other research-based strategies such as SDAIE) to all students, including ELs. Charter School will provide culturally and linguistically relevant materials for students. ELs will receive further in-class instructional support which includes one-on-one teacher support and small group instruction. Charter School will strive to provide bilingual instructional assistants to provide primary language support to enable students to access content area instruction while gaining language proficiency. Charter School will ensure that teachers participate in PD on ELD instructional strategies and CHATS framework.

🖉 ELD and ELA teachers will provide designated ELD to all EL students, with EL students who are Levels 1-3 participating in a full class period of targeted, protected ELD (differentiated by proficiency level), and Levels 4-5 receiving designated ELD in their ELA class, and, where possible, in an additional 25 minute session that focuses on reading and writing strategies, practice in speaking and listening, and academic vocabulary.

Pg 8794.05

Addendum

The Local Control and Accountability Plan (LCAP) and Annual Update Template documents and communicates local educational agencies' (LEAs) actions and expenditures to support student outcomes and overall performance. The LCAP is a three-year plan, which is reviewed and updated annually, as required. Charter schools may complete the LCAP to align with the term of the charter school's budget, typically one year, which is submitted to the school's authorizer. The LCAP and Annual Update Template must be completed by all LEAs each year.

For school districts, the LCAP must describe, for the school district and each school within the district, goals and specific actions to achieve those goals for all students and each student group identified by the Local Control Funding Formula (LCFF) (ethnic, socioeconomically disadvantaged, English learners, foster youth, pupils with disabilities, and homeless youth), for each of the state priorities and any locally identified priorities.

For county offices of education, the LCAP must describe, for each county office of education-operated school and program, goals and specific actions to achieve those goals for all students and each LCFF student group funded through the county office of education (students attending juvenile court schools, on probation or parole, or expelled under certain conditions) for each of the state priorities and any locally identified priorities. School districts and county offices of education may additionally coordinate and describe in their LCAPs services funded by a school district that are provided to students attending county-operated schools and programs, including special education programs.

If a county superintendent of schools has jurisdiction over a single school district, the county board of education and the governing board of the school district may adopt and file for review and approval a single LCAP consistent with the requirements in Education Code (EC) sections 52060, 52062, 52066, 52068, and 52070. The LCAP must clearly articulate to which entity's budget (school district or county superintendent of schools) all budgeted and actual expenditures are aligned.

Charter schools must describe goals and specific actions to achieve those goals for all students and each LCFF subgroup of students including students with disabilities and homeless youth, for each of the state priorities that apply for the grade levels served or the nature of the program operated by the charter school, and any locally identified priorities. For charter schools, the inclusion and description of goals for state priorities in the LCAP may be modified to meet the grade levels served and the nature of the programs provided, including modifications to reflect only the statutory requirements explicitly applicable to charter schools in the EC. Changes in LCAP goals and actions/services for charter schools that result from the annual update process do not necessarily constitute a material revision to the school's charter petition.

Pg 8894.05

For questions related to specific sections of the template, please see instructions below:

Instructions: Linked Table of Contents

For additional questions or technical assistance related to completion of the LCAP template, please contact the local county office of education, or the CDE's Local Agency Systems Support Office at: 916-319-0809 or by email at: lcff@cde.ca.gov.

Plan Summary

The LCAP is intended to reflect an LEA's annual goals, actions, services and expenditures within a fixed three-year planning cycle. LEAs must include a plan summary for the LCAP each year.

When developing the LCAP, enter the appropriate LCAP year, and address the prompts provided in these sections. When developing the LCAP in year 2 or year 3, enter the appropriate LCAP year and replace the previous summary information with information relevant to the current year LCAP.

In this section, briefly address the prompts provided. These prompts are not limits. LEAs may include information regarding local program(s), community demographics, and the overall vision of the LEA. LEAs may also attach documents (e.g., the California School Dashboard data reports) if desired and/or include charts illustrating goals, planned outcomes, actual outcomes, or related planned and actual expenditures.

An LEA may use an alternative format for the plan summary as long as it includes the information specified in each prompt and the budget summary table.

The reference to California School Dashboard means the California School Dashboard adopted by the State Board of Education under *EC* Section 52064.5.

Pg 8994.05

Comprehensive Support and Improvement

An LEA with a school or schools identified for comprehensive support and improvement (CSI) under the Every Student Succeeds Act must respond to the following prompts:

- **Schools Identified:** Identify the schools within the LEA that have been identified for CSI.
- **Support for Identified Schools:** Describe how the LEA supported the identified schools in developing CSI plans that included a school-level needs assessment, evidence-based interventions, and the identification of any resource inequities to be addressed through the implementation of the CSI plan.
- **Monitoring and Evaluating Effectiveness:** Describe how the LEA will monitor and evaluate the implementation and effectiveness of the CSI plan to support student and school improvement.

Annual Update

The planned goals, expected outcomes, actions/services, and budgeted expenditures must be copied verbatim from the previous year's* approved LCAP; in addition, list the state and/or local priorities addressed by the planned goals. Minor typographical errors may be corrected.

* For example, for LCAP year 2017/18 of the 2017/18 – 2019/20 LCAP, review the goals in the 2016/17 LCAP. Moving forward, review the goals from the most recent LCAP year. For example, LCAP year 2020/21 will review goals from the 2019/20 LCAP year, which is the last year of the 2017/18 – 2019/20 LCAP.

Annual Measurable Outcomes

For each goal in the prior year, identify and review the actual measurable outcomes as compared to the expected annual measurable outcomes identified in the prior year for the goal.

Actions/Services

Identify the planned Actions/Services and the budgeted expenditures to implement these actions toward achieving the described goal. Identify the **actual** actions/services implemented to meet the described goal and the estimated actual annual expenditures to implement the actions/services. As applicable, identify any changes to the students or student groups served, or to the planned location of the actions/services provided.

Analysis

Using actual annual measurable outcome data, including data from the California School Dashboard, analyze whether the planned actions/services were effective in achieving the goal. Respond to the prompts as instructed.

Pg 9094.05

- Describe the overall implementation of the actions/services to achieve the articulated goal. Include a discussion of relevant challenges and successes experienced with the implementation process.
- Describe the overall effectiveness of the actions/services to achieve the articulated goal as measured by the LEA.
- Explain material differences between Budgeted Expenditures and Estimated Actual Expenditures. Minor variances in expenditures or a dollar-for-dollar accounting is not required.
- Describe any changes made to this goal, expected outcomes, metrics, or actions and services to achieve this goal as a result of this analysis and analysis of the data provided in the California School Dashboard, as applicable. Identify where those changes can be found in the LCAP.

Stakeholder Engagement

Meaningful engagement of parents, students, and other stakeholders, including those representing the student groups identified by LCFF, is critical to the development of the LCAP and the budget process. *EC* identifies the minimum consultation requirements for school districts and county offices of education as consulting with teachers, principals, administrators, other school personnel, local bargaining units of the school district, parents, and pupils in developing the LCAP. *EC* requires charter schools to consult with teachers, principals, administrators, other school personnel, parents, and pupils in developing the LCAP. In addition, *EC* Section 48985 specifies the requirements for the translation of notices, reports, statements, or records sent to a parent or guardian.

The LCAP should be shared with, and LEAs should request input from, school site-level advisory groups, as applicable (e.g., school site councils, English Learner Advisory Councils, student advisory groups, etc.), to facilitate alignment between school-site and district-level goals and actions. An LEA may incorporate or reference actions described in other plans that are being undertaken to meet specific goals.

Instructions: The stakeholder engagement process is an ongoing, annual process. The requirements for this section are the same for each year of a three-year LCAP. When developing the LCAP, enter the appropriate LCAP year, and describe the stakeholder engagement process used to develop the LCAP and Annual Update. When developing the LCAP in year 2 or year 3, enter the appropriate LCAP year and replace the previous stakeholder narrative(s) and describe the stakeholder engagement process used to develop the current year LCAP and Annual Update.

School districts and county offices of education: Describe the process used to consult with the Parent Advisory Committee, the English Learner Parent Advisory Committee, parents, students, school personnel, the LEA's local bargaining units, and the community to inform the development of the LCAP and the annual review and analysis for the indicated LCAP year.

Pg 9194.05

Charter schools: Describe the process used to consult with teachers, principals, administrators, other school personnel, parents, and students to inform the development of the LCAP and the annual review and analysis for the indicated LCAP year.

Describe how the consultation process impacted the development of the LCAP and annual update for the indicated LCAP year, including the goals, actions, services, and expenditures.

Goals, Actions, and Services

LEAs must include a description of the annual goals, for all students and each LCFF identified group of students, to be achieved for each state priority as applicable to type of LEA. An LEA may also include additional local priorities. This section shall also include a description of the specific planned actions an LEA will take to meet the identified goals, and a description of the expenditures required to implement the specific actions.

School districts and county offices of education: The LCAP is a three-year plan, which is reviewed and updated annually, as required.

Charter schools: The number of years addressed in the LCAP may align with the term of the charter schools budget, typically one year, which is submitted to the school's authorizer. If year 2 and/or year 3 is not applicable, charter schools must specify as such.

New, Modified, Unchanged

As part of the LCAP development process, which includes the annual update and stakeholder engagement, indicate if the goal, identified need, related state and/or local priorities, and/or expected annual measurable outcomes for the current LCAP year or future LCAP years are modified or unchanged from the previous year's LCAP; or, specify if the goal is new.

Goal

State the goal. LEAs may number the goals using the "Goal #" box for ease of reference. A goal is a broad statement that describes the desired result to which all actions/services are directed. A goal answers the question: What is the LEA seeking to achieve?

Related State and/or Local Priorities

List the state and/or local priorities addressed by the goal. The LCAP must include goals that address each of the state priorities, as applicable to the type of LEA, and any additional local priorities; however, one goal may address multiple priorities. (Link to State Priorities)

Identified Need

Pg 9294.05

Describe the needs that led to establishing the goal. The identified needs may be based on quantitative or qualitative information, including, but not limited to, results of the annual update process or performance data from the California School Dashboard, as applicable.

Expected Annual Measurable Outcomes

For each LCAP year, identify the metric(s) or indicator(s) that the LEA will use to track progress toward the expected outcomes. LEAs may identify metrics for specific student groups. Include in the baseline column the most recent data associated with this metric or indicator available at the time of adoption of the LCAP for the first year of the three-year plan. The most recent data associated with a metric or indicator includes data as reported in the annual update of the LCAP year immediately preceding the three-year plan, as applicable. The baseline data shall remain unchanged throughout the three-year LCAP. In the subsequent year columns, identify the progress to be made in each year of the three-year cycle of the LCAP. Consider how expected outcomes in any given year are related to the expected outcomes for subsequent years.

The metrics may be quantitative or qualitative, but at minimum an LEA must use the applicable required metrics for the related state priorities, in each LCAP year as applicable to the type of LEA. For the student engagement priority metrics, as applicable, LEAs must calculate the rates as described in the LCAP Template Appendix, sections (a) through (d).

Planned Actions/Services

For each action/service, the LEA must complete either the section "For Actions/Services not included as contributing to meeting Increased or Improved Services Requirement" or the section "For Actions/Services included as contributing to meeting the Increased or Improved Services Requirement." The LEA shall not complete both sections for a single action.

For Actions/Services Not Contributing to Meeting the Increased or Improved Services Requirement

Students to be Served

The "Students to be Served" box is to be completed for all actions/services except for those which are included by the LEA as contributing to meeting the requirement to increase or improve services for unduplicated students. Indicate in this box which students will benefit from the actions/services by entering "All", "Students with Disabilities", or "Specific Student Group(s)". If "Specific Student Group(s)" is entered, identify the specific student group(s) as appropriate.

Location(s)

Identify the location where the action/services will be provided. If the services are provided to all schools within the LEA, the LEA must identify "All Schools". If the services are provided to specific schools within the LEA or specific grade spans only, the LEA must enter "Specific Schools" or "Specific Grade Spans". Identify the individual school or a subset of schools or grade spans (e.g., all high schools or grades K-5), as appropriate.

Pg 9394.05

Charter schools operating more than one site, authorized within the same charter petition, may choose to distinguish between sites by entering "Specific Schools" and identifying the site(s) where the actions/services will be provided. For charter schools operating only one site, "All Schools" and "Specific Schools" may be synonymous and, therefore, either would be appropriate. Charter schools may use either term provided they are used in a consistent manner through the LCAP.

For Actions/Services Contributing to Meeting the Increased or Improved Services Requirement:

Students to be Served

For any action/service contributing to the LEA's overall demonstration that it has increased or improved services for unduplicated students above what is provided to all students (see Demonstration of Increased or Improved Services for Unduplicated Students section, below), the LEA must identify the unduplicated student group(s) being served.

Scope of Service

For each action/service contributing to meeting the increased or improved services requirement, identify the scope of service by indicating "LEA-wide", "Schoolwide", or "Limited to Unduplicated Student Group(s)". The LEA must identify one of the following three options:

- If the action/service is being funded and provided to upgrade the entire educational program of the LEA, enter "LEA-wide."

- If the action/service is being funded and provided to upgrade the entire educational program of a particular school or schools, enter "schoolwide".

- If the action/service being funded and provided is limited to the unduplicated students identified in "Students to be Served", enter "Limited to Unduplicated Student Group(s)".

For charter schools and single-school school districts, "LEA-wide" and "Schoolwide" may be synonymous and, therefore, either would be appropriate. For charter schools operating multiple schools (determined by a unique CDS code) under a single charter, use "LEA-wide" to refer to all schools under the charter and use "Schoolwide" to refer to a single school authorized within the same charter petition. Charter schools operating a single school may use "LEA-wide" or "Schoolwide" provided these terms are used in a consistent manner through the LCAP.

Location(s)

Identify the location where the action/services will be provided. If the services are provided to all schools within the LEA, the LEA must indicate "All Schools". If the services are provided to specific schools within the LEA or specific grade spans only, the LEA must enter "Specific Schools" or "Specific Grade Spans". Identify the individual school or a subset of schools or grade spans (e.g., all high schools or grades K-5), as appropriate.

Charter schools operating more than one site, authorized within the same charter petition, may choose to distinguish between sites by entering "Specific Schools" and identify the site(s) where the actions/services will be provided. For charter schools operating

Pg 9494.05

only one site, "All Schools" and "Specific Schools" may be synonymous and, therefore, either would be appropriate. Charter schools may use either term provided they are used in a consistent manner through the LCAP.

Actions/Services

For each LCAP year, identify the actions to be performed and services provided to meet the described goal. Actions and services that are implemented to achieve the identified goal may be grouped together. LEAs may number the action/service using the "Action #" box for ease of reference.

New/Modified/Unchanged:

- Enter "New Action" if the action/service is being added in any of the three years of the LCAP to meet the articulated goal.

- Enter "Modified Action" if the action/service was included to meet an articulated goal and has been changed or modified in any way from the prior year description.

- Enter "Unchanged Action" if the action/service was included to meet an articulated goal and has not been changed or modified in any way from the prior year description.

  - If a planned action/service is anticipated to remain unchanged for the duration of the plan, an LEA may enter "Unchanged Action" and leave the subsequent year columns blank rather than having to copy/paste the action/service into the subsequent year columns. Budgeted expenditures may be treated in the same way as applicable.

Note: The goal from the prior year may or may not be included in the current three-year LCAP. For example, when developing year 1 of the LCAP, the goals articulated in year 3 of the preceding three-year LCAP will be from the prior year.

Charter schools may complete the LCAP to align with the term of the charter school's budget that is submitted to the school's authorizer. Accordingly, a charter school submitting a one-year budget to its authorizer may choose not to complete the year 2 and year 3 portions of the "Goals, Actions, and Services" section of the template. If year 2 and/or year 3 is not applicable, charter schools must specify as such.

Budgeted Expenditures

For each action/service, list and describe budgeted expenditures for each school year to implement these actions, including where those expenditures can be found in the LEA's budget. The LEA must reference all fund sources for each proposed expenditure. Expenditures must be classified using the California School Accounting Manual as required by *EC* sections 52061, 52067, and 47606.5.

Pg 9594.05

Expenditures that are included more than once in an LCAP must be indicated as a duplicated expenditure and include a reference to the goal and action/service where the expenditure first appears in the LCAP.

If a county superintendent of schools has jurisdiction over a single school district, and chooses to complete a single LCAP, the LCAP must clearly articulate to which entity's budget (school district or county superintendent of schools) all budgeted expenditures are aligned.

Demonstration of Increased or Improved Services for Unduplicated Students

This section must be completed for each LCAP year. When developing the LCAP in year 2 or year 3, copy the "Demonstration of Increased or Improved Services for Unduplicated Students" table and enter the appropriate LCAP year. Using the copy of the section, complete the section as required for the current year LCAP. Retain all prior year sections for each of the three years within the LCAP.

Estimated Supplemental and Concentration Grant Funds

Identify the amount of funds in the LCAP year calculated on the basis of the number and concentration of low income, foster youth, and English learner students as determined pursuant to *California Code of Regulations*, Title 5 (5 *CCR*) Section 15496(a)(5).

Percentage to Increase or Improve Services

Identify the percentage by which services for unduplicated pupils must be increased or improved as compared to the services provided to all students in the LCAP year as calculated pursuant to 5 *CCR* Section 15496(a)(7).

Consistent with the requirements of 5 *CCR* Section 15496, describe how services provided for unduplicated pupils are increased or improved by at least the percentage calculated as compared to services provided for all students in the LCAP year. To improve services means to grow services in quality and to increase services means to grow services in quantity. This description must address how the action(s)/service(s) limited for one or more unduplicated student group(s), and any schoolwide or districtwide action(s)/service(s) supported by the appropriate description, taken together, result in the required proportional increase or improvement in services for unduplicated pupils.

If the overall increased or improved services include any actions/services being funded and provided on a schoolwide or districtwide basis, identify each action/service and include the required descriptions supporting each action/service as follows.

For those services being provided on an LEA-wide basis:
- For school districts with an unduplicated pupil percentage of 55% or more, and for charter schools and county offices of education: Describe how these services are **principally directed to** and **effective in** meeting its goals for unduplicated pupils in the state and any local priorities.

Pg 9694.05

- For school districts with an unduplicated pupil percentage of less than 55%: Describe how these services are **principally directed to** and **effective in** meeting its goals for unduplicated pupils in the state and any local priorities. Also describe how the services are **the most effective use of the funds to** meet these goals for its unduplicated pupils. Provide the basis for this determination, including any alternatives considered, supporting research, experience or educational theory.

For school districts only, identify in the description those services being funded and provided on a schoolwide basis, and include the required description supporting the use of the funds on a schoolwide basis:

- For schools with 40% or more enrollment of unduplicated pupils: Describe how these services are **principally directed to** and **effective in** meeting its goals for its unduplicated pupils in the state and any local priorities.

- For school districts expending funds on a schoolwide basis at a school with less than 40% enrollment of unduplicated pupils: Describe how these services are **principally directed to** and how the services are **the most effective use of the funds to** meet its goals for English learners, low income students and foster youth, in the state and any local priorities.

Pg 9794.05

State Priorities

Priority 1: Basic Services addresses the degree to which:

    A. Teachers in the LEA are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;

    B. Pupils in the school district have sufficient access to the standards-aligned instructional materials; and

    C. School facilities are maintained in good repair.

Priority 2: Implementation of State Standards addresses:

    A. The implementation of state board adopted academic content and performance standards for all students, which are:

        a. English Language Arts – Common Core State Standards (CCSS) for English Language Arts

        b. Mathematics – CCSS for Mathematics

        c. English Language Development (ELD)

        d. Career Technical Education

        e. Health Education Content Standards

        f. History-Social Science

        g. Model School Library Standards

        h. Physical Education Model Content Standards

        i. Next Generation Science Standards

        j. Visual and Performing Arts

        k. World Language; and

    B. How the programs and services will enable English learners to access the CCSS and the ELD standards for purposes of gaining academic content knowledge and English language proficiency.

Priority 3: Parental Involvement addresses:

    A. The efforts the school district makes to seek parent input in making decisions for the school district and each individual school site;

    B. How the school district will promote parental participation in programs for unduplicated pupils; and

    C. How the school district will promote parental participation in programs for individuals with exceptional needs.

Priority 4: Pupil Achievement as measured by all of the following, as applicable:

    A. Statewide assessments;

    B. The percentage of pupils who have successfully completed courses that satisfy University of California (UC) or California State University (CSU) entrance requirements, or programs of study that align with state board approved career technical educational standards and framework;

    C. The percentage of English learner pupils who make progress toward English proficiency as measured by the English Language Proficiency Assessments for California (ELPAC);

    D. The English learner reclassification rate;

Pg 9894.05

E. The percentage of pupils who have passed an advanced placement examination with a score of 3 or higher; and

F. The percentage of pupils who participate in, and demonstrate college preparedness pursuant to, the Early Assessment Program, or any subsequent assessment of college preparedness.

Priority 5: Pupil Engagement as measured by all of the following, as applicable:

A. School attendance rates;

B. Chronic absenteeism rates;

C. Middle school dropout rates;

D. High school dropout rates; and

E. High school graduation rates;

Priority 6: School Climate as measured by all of the following, as applicable:

A. Pupil suspension rates;

B. Pupil expulsion rates; and

C. Other local measures, including surveys of pupils, parents, and teachers on the sense of safety and school connectedness.

Priority 7: Course Access addresses the extent to which pupils have access to and are enrolled in:

A. A broad course of study including courses described under *EC* sections 51210 and 51220(a)-(i), as applicable;

B. Programs and services developed and provided to unduplicated pupils; and

C. Programs and services developed and provided to individuals with exceptional needs.

Priority 8: Pupil Outcomes addresses pupil outcomes, if available, for courses described under *EC* sections 51210 and 51220(a)-(i), as applicable.

Priority 9: Coordination of Instruction of Expelled Pupils (COE Only) addresses how the county superintendent of schools will coordinate instruction of expelled pupils.

Priority 10. Coordination of Services for Foster Youth (COE Only) addresses how the county superintendent of schools will coordinate services for foster children, including:

A. Working with the county child welfare agency to minimize changes in school placement

B. Providing education-related information to the county child welfare agency to assist in the delivery of services to foster children, including educational status and progress information that is required to be included in court reports;

C. Responding to requests from the juvenile court for information and working with the juvenile court to ensure the delivery and coordination of necessary educational services; and

D. Establishing a mechanism for the efficient expeditious transfer of health and education records and the health and education passport.

Local Priorities address:

A. Local priority goals; and

B. Methods for measuring progress toward local goals.

Pg 9994.05

Pg 10094.05

APPENDIX A: PRIORITIES 5 AND 6 RATE CALCULATION INSTRUCTIONS

For the purposes of completing the LCAP in reference to the state priorities under *EC* sections 52060 and 52066, as applicable to type of LEA, the following shall apply:

(a) "Chronic absenteeism rate" shall be calculated as follows:

(1) The number of K-8 students who were absent 10 percent or more of the school days excluding students who were:

(A) enrolled less than 31 days

(B) enrolled at least 31 days but did not attend at least one day

(C) flagged as exempt in the district attendance submission. K-8 students are considered to be exempt if they:

(i) are enrolled in a Non-Public School

(ii) receive instruction through a home or hospital instructional setting

(iii) are attending a community college full-time.

(2) The number of students who meet the enrollment requirements.

(3) Divide (1) by (2).

(b) "High school dropout rate" shall be calculated as follows:

(1) The number of cohort members who dropout by the end of year 4 in the cohort where "cohort" is defined as the number of first-time grade 9 pupils in year 1 (starting cohort) plus pupils who transfer in, minus pupils who transfer out, emigrate, or die during school years 1, 2, 3, and 4.

(2) The total number of cohort members.

(3) Divide (1) by (2).

(c) "High school graduation rate" shall be calculated as follows:

(1) For a 4-Year Cohort Graduation Rate:

(A) The number of students in the cohort who earned a regular high school diploma by the end of year 4 in the cohort.

(B) The total number of students in the cohort.

(C) Divide (1) by (2).

Pg 10194.05

(2) For a Dashboard Alternative Schools Status (DASS) Graduation Rate:

(A) The number of students who either graduated as grade 11 students or who earned any of the following:

(i) a regular high school diploma

(ii) a High School Equivalency Certificate

(iii) an adult education diploma

(iv) a Certificate of Completion and was eligible for the California Alternative Assessment if under the age of 20.

(B) The number of students in the DASS graduation cohort.

(C) Divide (1) by (2).

(d) "Suspension rate" shall be calculated as follows:

(1) The unduplicated count of pupils involved in one or more incidents for which the pupil was suspended during the academic year (July 1 – June 30).

(2) The unduplicated count of pupils with a primary, secondary, or short-term enrollment during the academic year (July 1 – June 30).

(3) Divide (1) by (2).

(e) "Expulsion rate" shall be calculated as follows:

(1) The unduplicated count of pupils involved in one or more incidents for which the pupil was expelled during the academic year (July 1 – June 30).

(2) The unduplicated count of pupils with a primary, secondary, or short-term enrollment during the academic year (July 1 – June 30).

(3) Divide (1) by (2).

NOTE: Authority cited: Sections 42238.07 and 52064, *Education Code*. Reference: Sections 2574, 2575, 42238.01, 42238.02, 42238.03, 42238.07, 47605, 47605.6, 47606.5, 48926, 52052, 52060, 52061, 52062, 52063, 52064, 52066, 52067, 52068, 52069, 52070, 52070.5, and 64001,; 20 U.S.C. Sections 6312 and 6314.

Pg 10294.05

APPENDIX B: GUIDING QUESTIONS

Guiding Questions: Annual Review and Analysis

1) How have the actions/services addressed the needs of all pupils and did the provisions of those services result in the desired outcomes?

2) How have the actions/services addressed the needs of all subgroups of pupils identified pursuant to *EC* Section 52052, including, but not limited to, English learners, low-income pupils, and foster youth; and did the provision of those actions/services result in the desired outcomes?

3) How have the actions/services addressed the identified needs and goals of specific school sites and were these actions/services effective in achieving the desired outcomes?

4) What information (e.g., quantitative and qualitative data/metrics) was examined to review progress toward goals in the annual update?

5) What progress has been achieved toward the goal and expected measurable outcome(s)? How effective were the actions and services in making progress toward the goal? What changes to goals, actions, services, and expenditures are being made in the LCAP as a result of the review of progress and assessment of the effectiveness of the actions and services?

6) What differences are there between budgeted expenditures and estimated actual annual expenditures? What were the reasons for any differences?

Guiding Questions: Stakeholder Engagement

1) How have applicable stakeholders (e.g., parents and pupils, including parents of unduplicated pupils and unduplicated pupils identified in *EC* Section 42238.01; community members; local bargaining units; LEA personnel; county child welfare agencies; county office of education foster youth services programs, court-appointed special advocates, and other foster youth stakeholders; community organizations representing English learners; and others as appropriate) been engaged and involved in developing, reviewing, and supporting implementation of the LCAP?

2) How have stakeholders been included in the LEA's process in a timely manner to allow for engagement in the development of the LCAP?

3) What information (e.g., quantitative and qualitative data/metrics) was made available to stakeholders related to the state priorities and used by the LEA to inform the LCAP goal setting process? How was the information made available?

Pg 10394.05

4) What changes, if any, were made in the LCAP prior to adoption as a result of written comments or other feedback received by the LEA through any of the LEA's engagement processes?

5) What specific actions were taken to meet statutory requirements for stakeholder engagement pursuant to *EC* sections 52062, 52068, or 47606.5, as applicable, including engagement with representatives of parents and guardians of pupils identified in *EC* Section 42238.01?

6) What specific actions were taken to consult with pupils to meet the requirements 5 *CCR* Section 15495(a)?

7) How has stakeholder involvement been continued and supported? How has the involvement of these stakeholders supported improved outcomes for pupils, including unduplicated pupils, related to the state priorities?

Guiding Questions: Goals, Actions, and Services

1) What are the LEA's goal(s) to address state priorities related to "Conditions of Learning": Basic Services (Priority 1), the Implementation of State Standards (Priority 2), and Course Access (Priority 7)?

2) What are the LEA's goal(s) to address state priorities related to "Pupil Outcomes": Pupil Achievement (Priority 4), Pupil Outcomes (Priority 8), Coordination of Instruction of Expelled Pupils (Priority 9 – COE Only), and Coordination of Services for Foster Youth (Priority 10 – COE Only)?

3) What are the LEA's goal(s) to address state priorities related to parent and pupil "Engagement": Parental Involvement (Priority 3), Pupil Engagement (Priority 5), and School Climate (Priority 6)?

4) What are the LEA's goal(s) to address any locally-identified priorities?

5) How have the unique needs of individual school sites been evaluated to inform the development of meaningful district and/or individual school site goals (e.g., input from site level advisory groups, staff, parents, community, pupils; review of school level plans; in-depth school level data analysis, etc.)?

6) What are the unique goals for unduplicated pupils as defined in *EC* Section 42238.01 and groups as defined in *EC* Section 52052 that are different from the LEA's goals for all pupils?

7) What are the specific expected measurable outcomes associated with each of the goals annually and over the term of the LCAP?

8) What information (e.g., quantitative and qualitative data/metrics) was considered/reviewed to develop goals to address each state or local priority?

9) What information was considered/reviewed for individual school sites?

10) What information was considered/reviewed for subgroups identified in *EC* Section 52052?

Pg 10494.05

11) What actions/services will be provided to all pupils, to subgroups of pupils identified pursuant to *EC* Section 52052, to specific school sites, to English learners, to low-income pupils, and/or to foster youth to achieve goals identified in the LCAP?

12) How do these actions/services link to identified goals and expected measurable outcomes?

13) What expenditures support changes to actions/services as a result of the goal identified? Where can these expenditures be found in the LEA's budget?

Prepared by the California Department of Education, January 2019

2017-20 Plan Summary

The Story

Describe the students and community and how the LEA serves them.

MSA-5 currently has 240 students in grades 6-11, and mainly draws enrollment from Reseda, CA and neighboring communities. The neighborhoods that MSA-5 serves are heavily immigrant with a language other than English spoken at home. A high concentration of the families MSA-5 serves faces economic challenges. MSA-5 has a diverse enrollment, including 87% Hispanic/Latino, 5% White, 5% Asian, and 2% Black or African American. Of our 240 students, 88% Socioeconomically Disadvantaged, 17% Special Education, and 23% English Learner population.

MPS strives to graduate students who come from historically underserved neighborhoods as scientific thinkers that contribute to the global community as socially responsible and educated members of society. We offer a comprehensive learning experience designed to serve the needs of our students through effective site-based instruction, rich hands-on learning, and foundation skills presented in ways that are relevant and inspiring for our students. Classroom instruction at MSA-5 is supplemented by tutoring, after-school programs, and school-to-university links.

LCAP Highlights

Identify and briefly summarize the key features of this year's LCAP.

The Charter School LCAP committee has reviewed input from all stakeholders and available data through surveys and student performance data. Based on input and data, we have revised our existing actions/services and measurable outcomes and also planned for new ones. Some of the highlights include:

-Parents' appreciation of being involved in the decision-making process and the need for continuous parent training via activities such as Parent College

-The need to continue our improvements in designated/integrated English Learner services

-Expanding after school, Saturday school, and summer school opportunities; refining targeted intervention and tutoring programs

-Providing counseling and positive behavior intervention support services to our students

-Improving the school's communication system, ParentSquare, to get messages to families

Pg 1

-Keeping the school site safe

-The Charter School has also worked on its expected annual measurable outcomes to set targets in areas of greatest need and to close performance gaps among student groups. Those include, chronic absenteeism, in all subgroup have growth in English Language Arts and Math.

Review of Performance

Based on a review of performance on the state indicators and local performance indicators included in the California School Dashboard, progress toward LCAP goals, local self-assessment tools, stakeholder input, or other information, what progress is the LEA most proud of and how does the LEA plan to maintain or build upon that success? This may include identifying any specific examples of how past increases or improvements in services for low-income students, English learners, and foster youth have led to improved performance for these students.

Greatest Progress

Areas that we are most proud of are the following:

● Suspension Rate is Green for all students and sub groups.

● All subgroups, English Learners, Socioeconomically Disadvantaged, Students with Disabilities, and Hispanic in ELA and Math increased significantly on the CA School Dashboard.

● CAASPP test results increased 12% in ELA and 19% in Math.

● Approval rating grew 8% with students.

● Overall satisfaction increased 9% with students.

● Actions that we will maintain is our power classes for Math and ELA and our designated English Learner Classes.   We will also continue to provide PD in areas that support our students' demographics (differentiated instruction).

Referring to the California School Dashboard, identify any state indicator or local performance indicator for which overall performance was in the "Red" or "Orange" performance category or where the LEA received a "Not Met" or "Not Met for Two or More Years" rating. Additionally, identify any areas that the LEA has determined need significant improvement based on review of local performance indicators or other local indicators. What steps is the LEA planning to take to address these areas with the greatest need for improvement?

Greatest Needs

In both Math and ELA our Special Education population was low at 94.1 points below standard in Math and very low at 79.3 points below standard in ELA. Also we were categorized as low in in ELA & Math as a whole. Special Education students need more attention and more PD for teaching students with disabilities are needed. More math tutoring provided through Title I funds, Saturday school, Power Math and after school tutoring for all struggling sub groups.

Also, based upon our student survey results, topic 3 (safety), topic 5 (growth mindset) and topic 6 (self-efficacy) has shown the lowest percent favorable by students. We'll continue to have staff connect with their students and help students set goals beyond high school.

Chronic absenteeism rate still is over 10% and our ADA is meeting our 95% goal, but we would still like to improve on that as well.

Pg 2

Performance Gaps

Though the majority of our student groups showed growth in Math and in ELA, still the majority were categorized low or very low.

MSA-5 is planning to continue to provide students a variety of supports such as after school tutoring, Saturday School, Power classes, and 1 on 1 tutoring with staff at school. Also, MSA-5 will continue to provide staff with PD on differentiated instruction, Response to Intervention (RTI), and working with diverse learners.

Comprehensive Support and Improvement

An LEA with a school or schools identified for comprehensive support and improvement (CSI) under the Every Student Succeeds Act must respond to the following prompts.

Schools Identified

Identify the schools within the LEA that have been identified for CSI.

N/A

Support for Identified Schools

Describe how the LEA supported the identified schools in developing CSI plans that included a school-level needs assessment, evidence-based interventions, and the identification of any resource inequities to be addressed through the implementation of the CSI plan.

N/A

Monitoring and Evaluating Effectiveness

Describe how the LEA will monitor and evaluate the implementation and effectiveness of the CSI plan to support student and school improvement.

N/A

Annual Update

LCAP Year Reviewed: 2018–19

Complete a copy of the following table for each of the LEA's goals from the prior year LCAP. Duplicate the table as needed.

Goal 1

EXCELLENCE: All students will pursue academic excellence and be college/career ready.

State and/or Local Priorities addressed by this goal:

State Priorities: 1, 2, 4, and 8

Local Priorities: N/A

Annual Measurable Outcomes

Expected	Actual
Percentage of teachers who will be appropriately assigned and fully credentialed as required by law and the charter: 100%	Percentage of teachers who are appropriately assigned and fully credentialed as required by law and the charter: 100%
Percentage of students who will have sufficient access to standards-aligned instructional materials: 100%	Percentage of students who have sufficient access to standards-aligned instructional materials: 100%
Percentage of items on facility inspection checklists in compliance/good standing: 90%	Percentage of items on facility inspection checklists in compliance/good standing: 90%
Percentage of state standards implementation for all students: 100%	Percentage of state standards implementation for all students: 100%
Percentage of students performing proficient on the CAASPP-ELA/Literacy assessments will be (Grades 3-8): 2018-19 Expected: | All Students:	
English Learners:	5 percentage points up from the prior year		2018-19 SBAC data is not available at this time. The following tables show 2017-18 proficiency rates of our student groups on the CAASPP-ELA/Literacy assessments and projected increase in 2018-19. 2017-18 (Baseline): | All Students:	46%
English Learners:	7%	

Socioeconomically Disadvantaged:	5 percentage points up from the prior year
Students with Disabilities:	5 percentage points up from the prior year
Hispanic:	5 percentage points up from the prior year

Socioeconomically Disadvantaged:	50%
Students with Disabilities:	17%
Hispanic:	46%

Based on our interim assessments during the year (IAB, ICA, MAP, etc.), we project the following:

2018-19 (Projected):

All Students:	5 percentage points up from the prior year
English Learners:	5 percentage points up from the prior year
Socioeconomically Disadvantaged:	5 percentage points up from the prior year
Students with Disabilities:	5 percentage points up from the prior year
Hispanic:	5 percentage points up from the prior year
White:	5 percentage points up from the prior year

Change in Average Distance from Standard on the CASSPP-ELA/Literacy assessments (Grades 3-8) will be:

2018-19 Expected:

All Students:	3 points up from the prior year
English Learners:	3 points up from the prior year
Socioeconomically Disadvantaged:	3 points up from the prior year
Students with Disabilities:	3 points up from the prior year

2018-19 SBAC data is not available at this time. The following tables show 2017-18 data of our student groups for the Average Distance from Standard on the CAASPP-ELA/Literacy assessments and projected change in 2018-19.

2017-18 (Baseline):

All Students:	20.9 points below standard
English Learners:	40.9 points below standard
Socioeconomically Disadvantaged:	18.8 points below standard

Pg 5

Hispanic:	3 points up from the prior year

Students with Disabilities:	79.3 points below standard
Hispanic:	38.2 points below standard

Based on our interim assessments during the year (IAB, ICA, MAP, etc.), we project the following:

2018-19 (Projected):

All Students:	3 points up from the prior year
English Learners:	3 points up from the prior year
Socioeconomically Disadvantaged:	3 points up from the prior year
Students with Disabilities:	3 points up from the prior year
Hispanic:	3 points up from the prior year
White:	3 points up from the prior year

Percentage of students meeting their growth targets on the MAP-Reading assessment will be (Grades 3-10):

2018-19 Expected:

All Students:	2 percentage points up from the prior year
English Learners:	2 percentage points up from the prior year
Socioeconomically Disadvantaged:	2 percentage points up from the prior year
Students with Disabilities:	2 percentage points up from the prior year
Hispanic:	2 percentage points up from the prior year

2018-19 Fall to Spring MAP growth data is not available at this time. The following tables show 2017-18 data of our student groups on the MAP-Reading assessment and projected increase in 2018-19.

2017-18 (Baseline):

All Students:	45%
English Learners:	41%
Socioeconomically Disadvantaged:	50%
Students with Disabilities:	50%
Hispanic:	42%

Based on our interim assessments during the year (IAB, ICA, Fall & Winter MAP, etc.), we project the following:

Pg 6

2018-19 (Projected):

All Students:	2 percentage points up from the prior year
English Learners:	2 percentage points up from the prior year
Socioeconomically Disadvantaged:	2 percentage points up from the prior year
Students with Disabilities:	2 percentage points up from the prior year
Hispanic:	2 percentage points up from the prior year
White:	2 percentage points up from the prior year

Percentage of students performing proficient on the CAASPP-Mathematics assessments will be (Grades 3-8):

2018-19 Expected:

All Students:	1 percentage points up from the prior year
English Learners:	1 percentage points up from the prior year
Socioeconomically Disadvantaged:	1 percentage points up from the prior year
Students with Disabilities:	1 percentage points up from the prior year
Hispanic:	1 percentage points up from the prior year
White:	1 percentage points up from the prior year

2018-19 SBAC data is not available at this time. The following tables show 2017-18 proficiency rates of our student groups on the CAASPP-Mathematics assessments and projected increase in 2018-19.

2017-18 (Baseline):

All Students:	34%
English Learners:	13%
Socioeconomically Disadvantaged:	36%
Students with Disabilities:	14%
Hispanic:	33%
White:	15%

Based on our interim assessments during the year (IAB, ICA, MAP, etc.), we project the following:

Pg 7

2018-19 (Projected):

All Students:	1 percentage points up from the prior year
English Learners:	1 percentage points up from the prior year
Socioeconomically Disadvantaged:	1 percentage points up from the prior year
Students with Disabilities:	1 percentage points up from the prior year
Hispanic:	1 percentage points up from the prior year
White:	1 percentage points up from the prior year

2018-19 SBAC data is not available at this time. The following tables show 2017-18 data of our student groups for the Average Distance from Standard on the CAASPP-Mathematics assessments and projected change in 2018-19.

Change in Average Distance from Standard on the CASSPP-Mathematics assessments (Grades 3-8) will be:

2018-19 Expected:

All Students:	3 points up from the prior year
English Learners:	3 points up from the prior year
Socioeconomically Disadvantaged:	3 points up from the prior year
Students with Disabilities:	3 points up from the prior year
Hispanic:	3 points up from the prior year

2017-18 (Baseline):

All Students:	38.0 points below standard
English Learners:	37.0 points below standard
Socioeconomically Disadvantaged:	33.9 points below standard
Students with Disabilities:	94.1 points below standard
Hispanic:	41.4 points below standard

Based on our interim assessments during the year (IAB, ICA, MAP, etc.), we project the following:

Pg 8

2018-19 (Projected):

All Students:	3 points up from the prior year
English Learners:	3 points up from the prior year
Socioeconomically Disadvantaged:	3 points up from the prior year
Students with Disabilities:	3 points up from the prior year
Hispanic:	3 points up from the prior year

Percentage of students meeting their growth targets on the MAP-Mathematics assessment will be (Grades 3-10):

2018-19 Expected:

All Students:	2 percentage points up from the prior year
English Learners:	2 percentage points up from the prior year
Socioeconomically Disadvantaged:	2 percentage points up from the prior year
Students with Disabilities:	2 percentage points up from the prior year
Hispanic:	2 percentage points up from the prior year

2018-19 Fall to Spring MAP growth data is not available at this time. The following tables show 2017-18 data of our student groups on the MAP-Mathematics assessment and projected increase in 2018-19.

2017-18 (Baseline):

All Students:	55%
English Learners:	55%
Socioeconomically Disadvantaged:	61%
Students with Disabilities:	61%
Hispanic:	55%

Based on our interim assessments during the year (IAB, ICA, Fall & Winter MAP, etc.), we project the following:

2018-19 (Projected):

All Students:	2 percentage points up from the prior year
English Learners:	2 percentage points up from the prior year

Pg 9

	Socioeconomically Disadvantaged:	2 percentage points up from the prior year
	Students with Disabilities:	2 percentage points up from the prior year
	Hispanic:	2 percentage points up from the prior year

Percentage of EL students making annual progress in learning English as measured by the ELPAC: 2 percentage points up from the prior year	2018-19 ELPI data is not available at this time. The following table shows 2017-18 ELPAC performance data of our ELs.

2017-18 (Baseline):

Level 4 - Well Developed	25%
Level 3 - Moderately Developed	39%
Level 2 - Somewhat Developed	19%
Level 1 – Beginning Stage	17%

Percentage of ELs reclassified to Fluent English Proficient (RFEP) annually: 1 percentage point up from the prior year	2017-18 (Baseline)	31%
	2018-19 (Projected)	1 percentage point up from the prior year

Percentage of students who will receive a grade of "C" or better (or perform "proficient" on the related state standardized tests) in core subjects and electives: 80%	2017-18 (Baseline)	70%
	2018-19 (End of first semester)	85%
	2018-19 (End of second semester Projected)	1 percentage point up from the prior year

Percentage of students in grades 9-11 who will participate in the PSAT test: 100%	Percentage of students in grades 9-11 who have participated in the PSAT test: 45%

Pg 10

Percentage of students who will meet or exceed college readiness benchmarks for their grade level out of all students who participate in the PSAT test: 2 percentage points up from the prior year		
	2017-18 (Baseline)	10%
	2018-19 (Actual)	20%

Actions / Services

Duplicate the Actions/Services from the prior year LCAP and complete a copy of the following table for each. Duplicate the table as needed.

Action 1

Planned Actions/Services	Actual Actions/Services	Budgeted Expenditures	Estimated Actual Expenditures
Charter School will conduct credential review as part of teacher hiring process and support our teachers' credentialing needs. Charter School will also annually review master schedule/teacher assignments to ensure compliance.	All teacher credentials have been reviewed. We have supported two of our teachers for their credentialing needs. We are compliant with teacher assignments.	$6,000 BTSA expenses (5000)(Base); $2,000 EL authorization expenses (5000)(Base)	$5,542.9 BTSA expenses (5000)(Base

Action 2

Planned Actions/Services	Actual Actions/Services	Budgeted Expenditures	Estimated Actual Expenditures
Charter School will annually review alignment of instructional materials to standards and keep an inventory of instructional materials and corresponding purchase of materials. Charter School will annually review budget and plan to ensure adequate budget for instructional materials.	We have reviewed our current instructional materials and they are aligned to standards. We keep an inventory of instructional materials and corresponding purchase of materials. We have also budgeted to ensure sufficient access to instructional materials.	$20,000 Books (4000)(Base); $13,000 Instructional materials (4000)(Base)	$26,545 Books (4000)(Base); $1,070 Instructional materials (4000)(Base)

Action 3

Planned Actions/Services	Actual Actions/Services	Budgeted Expenditures	Estimated Actual Expenditures

Pg 11

Charter School will do annual and monthly facility inspections to screen for safety hazards. Daily general cleaning by custodial staff will maintain campus cleanliness.	We have done annual and monthly facility inspections to screen for safety hazards. We have maintained our campus cleanliness through daily general cleaning.	$1,000 Janitorial services (5000)(Base)	N/A

Action 4

Planned Actions/Services	Actual Actions/Services	Budgeted Expenditures	Estimated Actual Expenditures
Charter School will ensure curricula and assessments are aligned to the standards and that teachers participate in professional development on the implementation of standards (CCSS, NGSS, etc.) Teachers will be provided with instructional guidance and feedback through classroom visits.	Our curricula and assessments are aligned to the standards. Our teachers have participated in professional development on the implementation of standards (CCSS, NGSS, etc.)	$10,000 Professional Development (5000)(Base); $1,500 TeachBoost fees (5000)(Base)	$2,096.89 Professional Development (5000)(Base); $1020 TeachBoost fees (5000)(Base)

Action 5

Planned Actions/Services	Actual Actions/Services	Budgeted Expenditures	Estimated Actual Expenditures
Charter School will provide services to ELs by proficiency level and provide ELD instruction aligned to the CA ELD standards and framework. Charter School will provide our ELs with core and supplemental ELD instructional materials and provide our teachers with PD focused on ELD standards. Our EL coordinator will monitor EL student progress in program implementation according to our EL Master Plan.	We have identified our ELs by proficiency level, provided ELD instruction aligned to the ELD standards, and monitored student progress in program implementation according to our EL Master Plan.	$5,000 EL Coordinator Stipend (1000); $1000 EL supplemental materials (4000)(Title I)	$5,000 EL Coordinator salary (1000)(S&C); $2,500 EL supplemental materials (4000)(Title I)

Action 6

Planned Actions/Services	Actual Actions/Services	Budgeted Expenditures	Estimated Actual Expenditures

Pg 12

Charter School teachers will provide instruction using integrated ELD instructional strategies as outlined in the CHATS framework (and other research-based strategies such as SDAIE) to all students, including ELs. Charter School will provide culturally and linguistically relevant materials for students. ELs will receive further in-class instructional support which includes one-on-one teacher support and small group instruction. Charter School will strive to provide bilingual instructional assistants to provide primary language support to enable students to access content area instruction while gaining language proficiency. Charter School will ensure that teachers participate in PD on ELD instructional strategies and CHATS framework.	Our teachers provide instruction using integrated ELD instructional strategies as outlined in the CHATS framework to all students, including ELs. Our teachers have participated in professional development on ELD.	$4,000 Professional Development on ELD strategies (5000)(S&C)	$150 Professional Development on ELD strategies (5000)(S&C)

Action 7

Planned Actions/Services	Actual Actions/Services	Budgeted Expenditures	Estimated Actual Expenditures
During the day, Charter School will provide additional supports and interventions to all students, including ELs.	During the day, we provide additional supports and interventions to all students, including ELs, via Power English, Power Math, ELD Designated Support etc.	$40,000 Intervention teacher salaries (1000)(Title I);$2,000 Summer school Math Support (1000)(Title I); $3,000 EL Coordinator (1000)(Title I) ; $13,000 Benefits (3000)(Title I)	$67,680 Intervention teacher salaries (1000)(Title I);$2,000 Summer school Math Support (1000)(Title I); $5,000 EL Coordinator (1000)(Title I) ; $22,676 Benefits (3000)(Title I)

Action 8

Planned Actions/Services	Actual Actions/Services	Budgeted Expenditures	Estimated Actual Expenditures

Pg 13

Charter School will provide additional supports and interventions to all students, including ELs, during after school hours and on Saturday.	We provide additional supports and interventions to all students, including ELs, during after school hours and on Saturday.	$55,000 EL teacher salary (1000)(ASES); $15,000 Benefits (3000)(ASES)	$60,214 One teacher salary (1000)(ASES); $8,064 Benefits (3000)(ASES)

Action 9

Planned Actions/Services	Actual Actions/Services	Budgeted Expenditures	Estimated Actual Expenditures
Charter School will synthesize CAASPP and MAP student achievement and growth data, as well as course grades, and other state and internal assessment scores, into reports and regularly review progress towards targets.	Working with the Home Office, our Dean of Academics synthesize CAASPP and MAP student achievement and growth data, as well as course grades, and other state and internal assessment scores, into reports and regularly review progress towards targets with our staff.	$85,000 One dean of academics (1000)(Base); $15,000 Benefits (3000)(Base); $3250 illuminate SIS & DnA (5000)(Base); $2,625 MAP testing fees (5000)(Title I)	$92,240 Dean of Academics salary (1000)(Base); $26,749 Benefits(3000)(Base)$2,876 Illuminate SIS & DnA (5000)(Base); $3100 MAP testing fees (5000)(Title I)

Action 10

Planned Actions/Services	Actual Actions/Services	Budgeted Expenditures	Estimated Actual Expenditures
Charter School will offer individual graduation plans, outlining the classes students will take during their high school years.	Our Dean of Academics creates individual graduation plans with each of our high school students, outlining the classes they will take during their high school years.	N/A	$92,240 Dean of Academics salary (1000)(Base); $26,749 Benefits(3000)(Base)$

Action 11

Planned Actions/Services	Actual Actions/Services	Budgeted Expenditures	Estimated Actual Expenditures
Starting the 2018-19 school year, Charter School will provide students with opportunities to take Advanced Placement (AP) courses based on student needs and interests.	Based on student needs and interests, we offered the following AP courses next year: AP Spanish and AP Language Arts.	$4,000 AP Teacher additional salaries (1000)(Base) [Duplicated Expense: See Goal 2:	$4,000 AP Teacher additional salaries (1000)(Base) [Duplicated Expense: See Goal 2:

		Action 1]; AP course materials (3000)(Base)	Action 1]; AP course materials (3000)(Base)

Action 12

Planned Actions/Services	Actual Actions/Services	Budgeted Expenditures	Estimated Actual Expenditures
Charter School will offer "Advisory" classes (college planning and career exploration program) and "College Readiness" classes and programs preparing students for college readiness, including test prep for ACT/SAT.	We offer "Advisory" classes in grades 9-12 and "College Readiness" classes and programs preparing students for college readiness in grades 11-12.	$2,000 Naviance program (5000)(Base); $3,000 College preparation materials (4000)(Base)	N/A

Analysis

Complete a copy of the following table for each of the LEA's goals from the prior year LCAP. Duplicate the table as needed. Use actual annual measurable outcome data, including performance data from the LCFF Evaluation Rubrics, as applicable.

Describe the overall implementation of the actions/services to achieve the articulated goal.

We have implemented all of the actions/services described above to achieve our EXCELLENCE goal. We are compliant with our teacher assignments; we offer standards-based instruction and our students have sufficient access to standards-aligned instructional materials; we regularly review student performance data and progress towards targets with our staff and continue to provide additional supports and interventions to all students, including ELs, during the school day, after school hours, and on Saturday; we provide our ELs with designated and integrated EL instruction; and we offer Advisory classes and will offer AP classes for college readiness.

Describe the overall effectiveness of the actions/services to achieve the articulated goal as measured by the LEA.

The actions/services have been effective as measured by progress towards our annual measurable outcomes. We have shown growth with our ELs and SPED students on their growth according to the CA Dashboard. Also, our Math did grow more than 1% in meeting or exceeding the standards. For our items that that were not effective, we continue to look at our data to determine what specific areas where our students need more intervention.

Pg 15

Explain material differences between Budgeted Expenditures and Estimated Actual Expenditures.

For Action Item 4, $10,000 was budgeted for professional development and we spent $2,096.89 as we did most of our professional development in house. This includes our PD and ELD strategies. Action item 7, we added one more ELA and Math Intervention class requiring two additional team member to teach the class raising the amount budgeted for salaries and insurance. Finally, for Action Item 12, we did not utilize Naviance and College Prep materials as a teacher provide College Readiness Support as well as the Dean of Academics. Since we are adding 12th grade next year and will have a larger 11th grade co-hort, we will implement Naviance for the 2019-20 school year.

Describe any changes made to this goal, expected outcomes, metrics, or actions and services to achieve this goal as a result of this analysis and analysis of the LCFF Evaluation Rubrics, as applicable. Identify where those changes can be found in the LCAP.

We will maintain our goal and the majority of our expected outcomes, metrics, and actions and services. We have updated our annual measurable outcomes with new performance targets for the upcoming school year based on input from all stakeholders and available data through surveys and student performance data. We will continue to provide all the actions/services for this goal with minor adjustments based on student and school needs. The updated outcomes and actions/services can be found in the Goals, Actions, & Services section of the LCAP.

Goal 2

INNOVATION: All students will pursue academic excellence and be college/career ready.

State and/or Local Priorities addressed by this goal:

State Priorities: 7 and 8

Local Priorities: N/A

Annual Measurable Outcomes

Expected	Actual
Percentage of the programs and services outlined in the charter petition that will be provided as measured by student interest surveys for elective courses and programs, master school schedule, and class rosters: 100%	Percentage of the programs and services outlined in the charter petition that we provide, certain programs and services being dependent on student need and interest: 100%

Pg 16

Percentage of students who will have sufficient access to all academic and educational programs provided by the Charter School as measured by student interest surveys for elective courses and programs, master school schedule, and class rosters: 100%	Percentage of students who have sufficient access to all academic and educational programs provided by the Charter School as measured by student interest surveys for elective courses and programs, master school schedule, and class rosters: 100%
Percentage of students enrolled in the Charter School's grades 6-8 who take the Accelerated and/or Advanced Math class and/or Advanced Math club: 5%	Percentage of students enrolled in the Charter School's grades 6-8 who take the Accelerated and/or Advanced Math class and/or Advanced Math club: 11%
Percentage of students who will have created or demonstrated a STEAM focused project, experiment, model or demo: 80%	Percentage of students who have created or demonstrated a STEAM focused project, experiment, model or demo:60%

Actions / Services

Duplicate the Actions/Services from the prior year LCAP and complete a copy of the following table for each. Duplicate the table as needed.

Action 1

Planned Actions/Services	Actual Actions/Services	Budgeted Expenditures	Estimated Actual Expenditures
Charter School will provide students with a broad array of courses including core subjects (English, Mathematics, Social Sciences, and Science) and electives as outlined in its charter petition. Charter School will also provide all other academic programs and services outlined in its charter petition, certain programs and services being dependent on student need and interest.	We provide our students with a broad array of courses including core subjects and electives as outlined in our charter petition. We also provide all other academic programs and services, certain programs and services being dependent on student need and interest.	$730,000 Teacher salaries (1000)(Base); $182,000 Benefits (3000)(Base); (5000)$10,000 Field trip expenses	$723,000 Teacher salaries (1000)(Base); $202,000 Benefits (3000)(Base); $7700 Field trip expenses

Action 2

access to quality out-of-school STEAM activities and achievements.	wide STEAM expo and county-wide science fairs and activities as well.		

Analysis

Complete a copy of the following table for each of the LEA's goals from the prior year LCAP. Duplicate the table as needed. Use actual annual measurable outcome data, including performance data from the LCFF Evaluation Rubrics, as applicable.

Describe the overall implementation of the actions/services to achieve the articulated goal.

We have implemented all of the actions/services described above to achieve our INNOVATION goal. We provide courses, electives, programs, and services outlined in our charter petition, certain programs and services being dependent on student need and interest; our master schedule is designed to meet the needs of all students; we provide opportunities for online and dual enrollment; we offer Advanced Math and Computer Technology classes; and provide opportunities for students to create or demonstrate a STEAM focused project, experiment, model or demo.

Describe the overall effectiveness of the actions/services to achieve the articulated goal as measured by the LEA.

The actions/services have been effective as measured by progress towards our annual measurable outcomes. We were also able to have a high percentage of students to participate in our own STEAM Expo as well as our CMO's STEAM Expo as well. We also were able to provide the listed classes in our charter petition and continue to keep our students on track to graduate on time with the necessary classes to qualify for college.

Explain material differences between Budgeted Expenditures and Estimated Actual Expenditures.

We only have minor differences between Budgeted and Estimated Actual Expenditures.

Describe any changes made to this goal, expected outcomes, metrics, or actions and services to achieve this goal as a result of this analysis and analysis of the LCFF Evaluation Rubrics, as applicable. Identify where those changes can be found in the LCAP.

We will maintain our goal and expected outcomes, metrics, and actions and services. We have updated our budget for the upcoming school year based on technology needs and input from all stakeholders. We will continue to provide all the actions/services for this goal with minor adjustments based on student and school needs. The updated outcomes and actions/services can be found in the Goals, Actions, & Services section of the LCAP.

Pg 20

Goal 3

CONNECTION: All students, families, staff, and other stakeholders will feel a sense of community and connectedness.

State and/or Local Priorities addressed by this goal:

State Priorities: 3, 5, and 6

Local Priorities: N/A

Annual Measurable Outcomes

Pg 25

Charter School will annually administer school experience surveys to students, parents, and staff.	We have administered school experience surveys to our students, parents, and staff.	$2,000 Panorama Education surveys (5000)(Base)	$784 Panorama Education surveys (5000)(Base)

Analysis

Complete a copy of the following table for each of the LEA's goals from the prior year LCAP. Duplicate the table as needed. Use actual annual measurable outcome data, including performance data from the LCFF Evaluation Rubrics, as applicable.

Describe the overall implementation of the actions/services to achieve the articulated goal.

We have implemented all of the actions/services described above to achieve our CONNECTION goal. We have held quarterly SSC, ELAC, and PTF meetings; hosted parent activities/events; provided parents with access to our SIS; visited our students at their homes; encouraged and supported student attendance; provided support to ensure timely high school graduation; implemented alternatives to suspension/expulsion, including restorative practices; acknowledged and encouraged positive student behavior and improvements; and administered school experience surveys to our students, parents, and staff.

Describe the overall effectiveness of the actions/services to achieve the articulated goal as measured by the LEA.

The actions/services have been effective as measured by progress towards our annual measurable outcomes. The actions/services have been effective as measured by progress towards our annual measurable outcomes. MSA-5 has met LCAP goal of keeping a low suspension rate. Also, MSA-5's survey results show approval growth from students from 64% to 72% and family approval maintained with a 1% drop and staff stayed the same at 93%. MSA-5's ADA has maintained at 95% as well.

Explain material differences between Budgeted Expenditures and Estimated Actual Expenditures.

We only have minor differences between Budgeted and Estimated Actual Expenditures.Goal 3 Action 4 showed a signfnicant increase as the Charter School made it a priority to visit as many families as possible exceeding it's 30% by over 10%.   Also, Goal 3 Action 6 was not as high due to the time it took to hire a qualified office clerk for the main office.

Pg 26

Describe any changes made to this goal, expected outcomes, metrics, or actions and services to achieve this goal as a result of this analysis and analysis of the LCFF Evaluation Rubrics, as applicable. Identify where those changes can be found in the LCAP.

We will maintain our goal and the majority of our expected outcomes, metrics, and actions and services. We have updated our annual measurable outcomes for school experience survey average approval rates. Based on input from all stakeholders, we will continue to hold events that promote parental participation as well as parent training activities such as Parent College. We will focus on acknowledging positive student behavior and restorative practices. We will continue to offer PD to our teachers on classroom management and student engagement procedures to help create an atmosphere of trust, respect, and high expectations. We will continue to provide all the actions/services for this goal with minor adjustments based on student and school needs. The updated outcomes and actions/services can be found in the Goals, Actions, & Services section of the LCAP.

Pg 27

Stakeholder Engagement

LCAP Year: **2019–20**

Involvement Process for LCAP and Annual Update

How, when, and with whom did the LEA consult as part of the planning process for this LCAP/Annual Review and Analysis?

In order to promote learning and provide a more positive learning experience for our students, MSA-5 has established a culture of gathering input from parents, students, staff, community members, and other stakeholders through multiple channels including meetings, school events, surveys, home visits, newsletters, and other means of communication. To the extent possible, all stakeholders are invited to be involved in the process of school review and improvement including the development of our annual LCAP.

Information/input sessions include Parent Task Force (PTF) meetings, School Site Council (SSC) meetings, English Learner Advisory Committee (ELAC) meetings, Coffee with the Principal meetings, Board of Directors meetings, Principal meetings, and staff meetings. Parents on our PTF and SSC also serve as our parent advisory committee for LCAP. Along with ELAC, such committees provide for representation of students in need (low income, English learners, foster youth, etc.) Feedback from our parent advisory committee and ELAC provide valuable input for the new LCAP. In addition, the Charter School conducts surveys for parents, students, and staff, and the Charter School staff make home visits. These all serve as a way to inform, educate, and gather input & feedback from all critical stakeholders.

The Charter School has an approved charter petition with measurable student outcomes and methods to assess student progress, an SSD plan with planned improvement in student performance in reading and mathematics and in programs for English Learners, and a WASC action plan for continuous school improvement. Therefore, LCAP is received by our community as a comprehensive planning tool that draws from all other school plans and addresses the state priorities and locally identified priorities.

The Charter School has held its periodical meetings this year to gather input from our stakeholders. These include four PTF meetings, four SSC meetings, four ELAC meetings, at least five parent activities/events including two Coffee with the Principal meetings, weekly staff meetings, and other stakeholder meetings. The school conducted a family, staff, and student experience survey with specific questions on the sense of safety and school connectedness, school culture and climate, and other areas of school improvement. A majority of our stakeholders participated in this survey. The Charter School staff has also made over 100 home visits during this school year and sought feedback from the parents for school improvement.

Impact on LCAP and Annual Update

How did these consultations impact the LCAP for the upcoming year?

The Charter School LCAP committee has reviewed input from all stakeholders and synthesized input to revise existing actions/services and measurable outcomes and also plan for new ones in the LCAP for the upcoming year. Some of the updates include:
  Improvements in designated/integrated English Learner services

Pg 28

Expanding after school, Saturday school, and summer school opportunities

Providing counseling and behavior support services to our students

Improving teacher observation and evaluation systems and keeping effective teachers

Increasing college preparedness by offering a college planning and career exploration program for students early on, strengthening existing "Advisory" programs, offering special programs to prepare students for the SAT/ACT tests, and preparing students to take more AP courses

Investing in effective technology and teacher professional development in blended learning and differentiated instruction to enhance instruction in the classroom

Expanding STEAM-based programs and activities

Pg 29

Goals, Actions, & Services

Strategic Planning Details and Accountability

Complete a copy of the following table for each of the LEA's goals. Duplicate the table as needed.

(Select from New Goal, Modified Goal, or Unchanged Goal)

Unchanged Goal

Goal 1

EXCELLENCE: All students will pursue academic excellence and be college/career ready.

State and/or Local Priorities addressed by this goal:

State Priorities: 1, 2, 4, and 8

Local Priorities: N/A

Identified Need:

Priority 1:

    To ensure teachers are appropriately assigned and fully credentialed

    To ensure students have sufficient access to standards-aligned instructional materials

    To ensure school facilities are maintained in good repair

Priority 2:

    To ensure implementation of state board adopted academic content and performance standards for all students

Priority 4:

    To ensure students meet or exceed standard on CASSPP-ELA/Literacy and Mathematics assessments

    To ensure EL students make annual progress in learning English

Pg 30

To ensure our students are college/career ready

Priority 8:

To ensure student proficiency in all courses

Expected Annual Measurable Outcomes

Metrics/Indicators	Baseline	2017-18	2018-19	2019-20
Percentage of teachers who will be appropriately assigned and fully credentialed as required by law and the charter	100%	100%	100%	100%

Goal 3

CONNECTION: All students, families, staff, and other stakeholders will feel a sense of community and connectedness.

State and/or Local Priorities addressed by this goal:

State Priorities: 3, 5, and 6

Local Priorities: N/A

Identified Need:

Priority 3:

    To seek parent input in making decisions for the Charter School

    To promote parental participation in programs

Priority 5:

    To increase student attendance

    To avoid chronic absenteeism

Pg 57

To avoid middle school dropout

To avoid high school dropout

To increase high school graduation rate

Priority 6:

To avoid student suspension

To avoid student expulsion

To increase the sense of safety and school connectedness

Demonstration of Increased or Improved Services for Unduplicated Pupils

LCAP Year: **2019–20**

Estimated Supplemental and Concentration Grant Funds	Percentage to Increase or Improve Services
$666,682	32.82 %

Describe how services provided for unduplicated pupils are increased or improved by at least the percentage identified above, either qualitatively or quantitatively, as compared to services provided for all students in the LCAP year.

Identify each action/service being funded and provided on a schoolwide or LEA-wide basis. Include the required descriptions supporting each schoolwide or LEA-wide use of funds (see instructions).

   Charter School will continue to provide services to ELs by proficiency level and provide ELD instruction aligned to the CA ELD standards and framework. Charter School will provide our ELs with core and supplemental ELD instructional materials and provide our teachers with PD focused on ELD standards. Our EL coordinator will monitor EL student progress in program implementation according to our EL Master Plan.

   Charter School teachers will provide instruction using integrated ELD instructional strategies as outlined in the CHATS framework (and other research-based strategies such as SDAIE) to all students, including ELs. Charter School will provide culturally and linguistically relevant materials for students. ELs will receive further in-class instructional support which includes one-on-one teacher support and small group instruction. Charter School will strive to provide bilingual instructional assistants to provide primary language support to enable students to access content area instruction while gaining language proficiency. Charter School will ensure that teachers participate in PD on ELD instructional strategies and CHATS framework.

   ELD and ELA teachers will provide designated ELD to all EL students, with EL students who are Levels 1-3 participating in a full class period of targeted, protected ELD (differentiated by proficiency level), and Levels 4-5 receiving designated ELD in their ELA class, and, where possible, in an additional 30 minute session that focuses on reading and writing strategies, practice in speaking and listening, and academic vocabulary.

   During the day, Charter School will provide additional supports and interventions to all students, including ELs. Charter School will provide additional supports and interventions to all students, including ELs, during after school hours and on Saturday. Charter School strives to refine targeted intervention and tutoring programs and plans to expand after school, Saturday school, and summer school opportunities.

Pg 72

Charter School will provide ongoing Parent Training for all our parents, including bilingual parents. SSC, ELAC, and PTF meetings, as well as Parent College, are some of the venues we will provide training to our parents. Charter School will provide targeted assistance to low income students and their families in career/college readiness activities and guidance, including how to get financial aid. Parent training topics include, but are not limited to, how to assist students academically and behaviorally, how to navigate the educational system, including higher education, and other areas that will benefit all our students, including our unduplicated students.

Foster youth will receive educational counseling. Foster youth will receive academic supports and remediation and will be encouraged and supported to engage in extracurricular activities in order to mitigate the effects of school mobility on foster youth.

Research has shown that one of the keys to successful teaching and schooling is creating personal connections with students inside and outside of school. Knowing the students' outside interests, families, and home routines, and then using this information to connect in meaningful, individualized ways can have huge rewards in helping to create happier, healthier, and smarter kids. Recognizing these facts, Charter School uses home visits as one of the important features of its education program to not only improve student and school performance, but also to identify and intervene early with students performing below grade level.

Charter School staff will implement restorative practices and PBIS to build positive communities and increase school connectedness. Charter School will provide academic supports and remediation, Life Skills classes, counseling, and social-emotional support to our students. Our teachers will establish classroom management procedures, foster positive relationships, and help create an atmosphere of trust, respect, and high expectations. Charter School will ensure that staff participate in PD on restorative practices and PBIS. Our Admin team and Behavior Counselor/School Psychologist will monitor student behavior and social-emotional progress.

Pg 73

LCAP Year: **2018–19**

Estimated Supplemental and Concentration Grant Funds	Percentage to Increase or Improve Services
$631,538	32.81%

Pg 77

[Addendum](#)

The Local Control and Accountability Plan (LCAP) and Annual Update Template documents and communicates local educational agencies' (LEAs) actions and expenditures to support student outcomes and overall performance. The LCAP is a three-year plan, which is reviewed and updated annually, as required. Charter schools may complete the LCAP to align with the term of the charter school's budget, typically one year, which is submitted to the school's authorizer. The LCAP and Annual Update Template must be completed by all LEAs each year.

For school districts, the LCAP must describe, for the school district and each school within the district, goals and specific actions to achieve those goals for all students and each student group identified by the Local Control Funding Formula (LCFF) (ethnic, socioeconomically disadvantaged, English learners, foster youth, pupils with disabilities, and homeless youth), for each of the state priorities and any locally identified priorities.

For county offices of education, the LCAP must describe, for each county office of education-operated school and program, goals and specific actions to achieve those goals for all students and each LCFF student group funded through the county office of education (students attending juvenile court schools, on probation or parole, or expelled under certain conditions) for each of the state priorities and any locally identified priorities. School districts and county offices of education may additionally coordinate and describe in their LCAPs services funded by a school district that are provided to students attending county-operated schools and programs, including special education programs.

If a county superintendent of schools has jurisdiction over a single school district, the county board of education and the governing board of the school district may adopt and file for review and approval a single LCAP consistent with the requirements in Education Code (EC) sections 52060, 52062, 52066, 52068, and 52070. The LCAP must clearly articulate to which entity's budget (school district or county superintendent of schools) all budgeted and actual expenditures are aligned.

Charter schools must describe goals and specific actions to achieve those goals for all students and each LCFF subgroup of students including students with disabilities and homeless youth, for each of the state priorities that apply for the grade levels served or the nature of the program operated by the charter school, and any locally identified priorities. For charter schools, the inclusion and description of goals for state priorities in the LCAP may be modified to meet the grade levels served and the nature of the programs provided, including modifications to reflect only the statutory requirements explicitly applicable to charter schools in the EC. Changes in LCAP goals and actions/services for charter schools that result from the annual update process do not necessarily constitute a material revision to the school's charter petition.

For questions related to specific sections of the template, please see instructions below:

Instructions: Linked Table of Contents

Plan Summary

Annual Update

Stakeholder Engagement

Goals, Actions, and Services

Planned Actions/Services

Demonstration of Increased or Improved Services for Unduplicated Students

For additional questions or technical assistance related to completion of the LCAP template, please contact the local county office of education, or the CDE's Local Agency Systems Support Office at: 916-319-0809 or by email at: lcff@cde.ca.gov.

Plan Summary

The LCAP is intended to reflect an LEA's annual goals, actions, services and expenditures within a fixed three-year planning cycle. LEAs must include a plan summary for the LCAP each year.

When developing the LCAP, enter the appropriate LCAP year, and address the prompts provided in these sections. When developing the LCAP in year 2 or year 3, enter the appropriate LCAP year and replace the previous summary information with information relevant to the current year LCAP.

In this section, briefly address the prompts provided. These prompts are not limits. LEAs may include information regarding local program(s), community demographics, and the overall vision of the LEA. LEAs may also attach documents (e.g., the California School Dashboard data reports) if desired and/or include charts illustrating goals, planned outcomes, actual outcomes, or related planned and actual expenditures.

An LEA may use an alternative format for the plan summary as long as it includes the information specified in each prompt and the budget summary table.

The reference to California School Dashboard means the California School Dashboard adopted by the State Board of Education under *EC* Section 52064.5.

Comprehensive Support and Improvement

> An LEA with a school or schools identified for comprehensive support and improvement (CSI) under the Every Student Succeeds Act must respond to the following prompts:

- **Schools Identified:** Identify the schools within the LEA that have been identified for CSI.

- **Support for Identified Schools:** Describe how the LEA supported the identified schools in developing CSI plans that included a school-level needs assessment, evidence-based interventions, and the identification of any resource inequities to be addressed through the implementation of the CSI plan.

- **Monitoring and Evaluating Effectiveness:** Describe how the LEA will monitor and evaluate the implementation and effectiveness of the CSI plan to support student and school improvement.

Annual Update

The planned goals, expected outcomes, actions/services, and budgeted expenditures must be copied verbatim from the previous year's* approved LCAP; in addition, list the state and/or local priorities addressed by the planned goals. Minor typographical errors may be corrected.

> * For example, for LCAP year 2017/18 of the 2017/18 – 2019/20 LCAP, review the goals in the 2016/17 LCAP. Moving forward, review the goals from the most recent LCAP year. For example, LCAP year 2020/21 will review goals from the 2019/20 LCAP year, which is the last year of the 2017/18 – 2019/20 LCAP.

Annual Measurable Outcomes

For each goal in the prior year, identify and review the actual measurable outcomes as compared to the expected annual measurable outcomes identified in the prior year for the goal.

Actions/Services

Identify the planned Actions/Services and the budgeted expenditures to implement these actions toward achieving the described goal. Identify the **actual** actions/services implemented to meet the described goal and the estimated actual annual expenditures to implement the actions/services. As applicable, identify any changes to the students or student groups served, or to the planned location of the actions/services provided.

Analysis

Using actual annual measurable outcome data, including data from the California School Dashboard, analyze whether the planned actions/services were effective in achieving the goal. Respond to the prompts as instructed.

- Describe the overall implementation of the actions/services to achieve the articulated goal. Include a discussion of relevant challenges and successes experienced with the implementation process.

- Describe the overall effectiveness of the actions/services to achieve the articulated goal as measured by the LEA.
- Explain material differences between Budgeted Expenditures and Estimated Actual Expenditures. Minor variances in expenditures or a dollar-for-dollar accounting is not required.
- Describe any changes made to this goal, expected outcomes, metrics, or actions and services to achieve this goal as a result of this analysis and analysis of the data provided in the California School Dashboard, as applicable. Identify where those changes can be found in the LCAP.

Stakeholder Engagement

Meaningful engagement of parents, students, and other stakeholders, including those representing the student groups identified by LCFF, is critical to the development of the LCAP and the budget process. *EC* identifies the minimum consultation requirements for school districts and county offices of education as consulting with teachers, principals, administrators, other school personnel, local bargaining units of the school district, parents, and pupils in developing the LCAP. *EC* requires charter schools to consult with teachers, principals, administrators, other school personnel, parents, and pupils in developing the LCAP. In addition, *EC* Section 48985 specifies the requirements for the translation of notices, reports, statements, or records sent to a parent or guardian.

The LCAP should be shared with, and LEAs should request input from, school site-level advisory groups, as applicable (e.g., school site councils, English Learner Advisory Councils, student advisory groups, etc.), to facilitate alignment between school-site and district-level goals and actions. An LEA may incorporate or reference actions described in other plans that are being undertaken to meet specific goals.

Instructions: The stakeholder engagement process is an ongoing, annual process. The requirements for this section are the same for each year of a three-year LCAP. When developing the LCAP, enter the appropriate LCAP year, and describe the stakeholder engagement process used to develop the LCAP and Annual Update. When developing the LCAP in year 2 or year 3, enter the appropriate LCAP year and replace the previous stakeholder narrative(s) and describe the stakeholder engagement process used to develop the current year LCAP and Annual Update.

School districts and county offices of education: Describe the process used to consult with the Parent Advisory Committee, the English Learner Parent Advisory Committee, parents, students,

school personnel, the LEA's local bargaining units, and the community to inform the development of the LCAP and the annual review and analysis for the indicated LCAP year.

Charter schools: Describe the process used to consult with teachers, principals, administrators, other school personnel, parents, and students to inform the development of the LCAP and the annual review and analysis for the indicated LCAP year.

Describe how the consultation process impacted the development of the LCAP and annual update for the indicated LCAP year, including the goals, actions, services, and expenditures.

Goals, Actions, and Services

LEAs must include a description of the annual goals, for all students and each LCFF identified group of students, to be achieved for each state priority as applicable to type of LEA. An LEA may also include additional local priorities. This section shall also include a description of the specific planned actions an LEA will take to meet the identified goals, and a description of the expenditures required to implement the specific actions.

School districts and county offices of education: The LCAP is a three-year plan, which is reviewed and updated annually, as required.

Charter schools: The number of years addressed in the LCAP may align with the term of the charter schools budget, typically one year, which is submitted to the school's authorizer. If year 2 and/or year 3 is not applicable, charter schools must specify as such.

New, Modified, Unchanged

As part of the LCAP development process, which includes the annual update and stakeholder engagement, indicate if the goal, identified need, related state and/or local priorities, and/or expected annual measurable outcomes for the current LCAP year or future LCAP years are modified or unchanged from the previous year's LCAP; or, specify if the goal is new.

Goal

State the goal. LEAs may number the goals using the "Goal #" box for ease of reference. A goal is a broad statement that describes the desired result to which all actions/services are directed. A goal answers the question: What is the LEA seeking to achieve?

Related State and/or Local Priorities

List the state and/or local priorities addressed by the goal. The LCAP must include goals that address each of the state priorities, as applicable to the type of LEA, and any additional local priorities; however, one goal may address multiple priorities. (Link to State Priorities)

Identified Need

Describe the needs that led to establishing the goal. The identified needs may be based on quantitative or qualitative information, including, but not limited to, results of the annual update process or performance data from the California School Dashboard, as applicable.

Expected Annual Measurable Outcomes

For each LCAP year, identify the metric(s) or indicator(s) that the LEA will use to track progress toward the expected outcomes. LEAs may identify metrics for specific student groups. Include in the baseline column the most recent data associated with this metric or indicator available at the time of adoption of the LCAP for the first year of the three-year plan. The most recent data associated with a metric or indicator includes data as reported in the annual update of the LCAP year immediately preceding the three-year plan, as applicable. The baseline data shall remain unchanged throughout the three-year LCAP. In the subsequent year columns, identify the progress to be made in each year of the three-year

cycle of the LCAP. Consider how expected outcomes in any given year are related to the expected outcomes for subsequent years.

The metrics may be quantitative or qualitative, but at minimum an LEA must use the applicable required metrics for the related state priorities, in each LCAP year as applicable to the type of LEA. For the student engagement priority metrics, as applicable, LEAs must calculate the rates as described in the LCAP Template Appendix, sections (a) through (d).

Planned Actions/Services

For each action/service, the LEA must complete either the section "For Actions/Services not included as contributing to meeting Increased or Improved Services Requirement" or the section "For Actions/Services included as contributing to meeting the Increased or Improved Services Requirement." The LEA shall not complete both sections for a single action.

For Actions/Services Not Contributing to Meeting the Increased or Improved Services Requirement

Students to be Served

The "Students to be Served" box is to be completed for all actions/services except for those which are included by the LEA as contributing to meeting the requirement to increase or improve services for unduplicated students. Indicate in this box which students will benefit from the actions/services by entering "All", "Students with Disabilities", or "Specific Student Group(s)". If "Specific Student Group(s)" is entered, identify the specific student group(s) as appropriate.

Location(s)

Identify the location where the action/services will be provided. If the services are provided to all schools within the LEA, the LEA must identify "All Schools". If the services are provided to specific schools within the LEA or specific grade spans only, the LEA must enter "Specific Schools" or "Specific Grade Spans". Identify the individual school or a subset of schools or grade spans (e.g., all high schools or grades K-5), as appropriate.

> **Charter schools** operating more than one site, authorized within the same charter petition, may choose to distinguish between sites by entering "Specific Schools" and identifying the site(s) where the actions/services will be provided. For charter schools operating only one site, "All Schools" and "Specific Schools" may be synonymous and, therefore, either would be appropriate. Charter schools may use either term provided they are used in a consistent manner through the LCAP.

For Actions/Services Contributing to Meeting the Increased or Improved Services Requirement:

Students to be Served

For any action/service contributing to the LEA's overall demonstration that it has increased or improved services for unduplicated students above what is provided to all students (see Demonstration of Increased or Improved Services for Unduplicated Students section, below), the LEA must identify the unduplicated student group(s) being served.

Scope of Service

For each action/service contributing to meeting the increased or improved services requirement, identify the scope of service by indicating "LEA-wide", "Schoolwide", or "Limited to Unduplicated Student Group(s)". The LEA must identify one of the following three options:

- If the action/service is being funded and provided to upgrade the entire educational program of the LEA, enter "LEA-wide."
- If the action/service is being funded and provided to upgrade the entire educational program of a particular school or schools, enter "schoolwide".
- If the action/service being funded and provided is limited to the unduplicated students identified in "Students to be Served", enter "Limited to Unduplicated Student Group(s)".

For charter schools and single-school school districts, "LEA-wide" and "Schoolwide" may be synonymous and, therefore, either would be appropriate. For charter schools operating multiple schools (determined by a unique CDS code) under a single charter, use "LEA-wide" to refer to all schools under the charter and use "Schoolwide" to refer to a single school authorized within the same charter petition. Charter schools operating a single school may use "LEA-wide" or "Schoolwide" provided these terms are used in a consistent manner through the LCAP.

Location(s)

Identify the location where the action/services will be provided. If the services are provided to all schools within the LEA, the LEA must indicate "All Schools". If the services are provided to specific schools within the LEA or specific grade spans only, the LEA must enter "Specific Schools" or "Specific Grade Spans". Identify the individual school or a subset of schools or grade spans (e.g., all high schools or grades K-5), as appropriate.

Charter schools operating more than one site, authorized within the same charter petition, may choose to distinguish between sites by entering "Specific Schools" and identify the site(s) where the actions/services will be provided. For charter schools operating only one site, "All Schools" and "Specific Schools" may be synonymous and, therefore, either would be appropriate. Charter schools may use either term provided they are used in a consistent manner through the LCAP.

Actions/Services

For each LCAP year, identify the actions to be performed and services provided to meet the described goal. Actions and services that are implemented to achieve the identified goal may be grouped together. LEAs may number the action/service using the "Action #" box for ease of reference.

New/Modified/Unchanged:

- Enter "New Action" if the action/service is being added in any of the three years of the LCAP to meet the articulated goal.
- Enter "Modified Action" if the action/service was included to meet an articulated goal and has been changed or modified in any way from the prior year description.
- Enter "Unchanged Action" if the action/service was included to meet an articulated goal and has not been changed or modified in any way from the prior year description.
  - If a planned action/service is anticipated to remain unchanged for the duration of the plan, an LEA may enter "Unchanged Action" and leave the subsequent year columns blank rather than having to copy/paste the action/service into the subsequent year columns. Budgeted expenditures may be treated in the same way as applicable.

Note: The goal from the prior year may or may not be included in the current three-year LCAP. For example, when developing year 1 of the LCAP, the goals articulated in year 3 of the preceding three-year LCAP will be from the prior year.

Charter schools may complete the LCAP to align with the term of the charter school's budget that is submitted to the school's authorizer. Accordingly, a charter school submitting a one-year budget to its authorizer may choose not to complete the year 2 and year 3 portions of the "Goals, Actions, and Services" section of the template. If year 2 and/or year 3 is not applicable, charter schools must specify as such.

Budgeted Expenditures

For each action/service, list and describe budgeted expenditures for each school year to implement these actions, including where those expenditures can be found in the LEA's budget. The LEA must reference all fund sources for each proposed expenditure. Expenditures must be classified using the California School Accounting Manual as required by *EC* sections 52061, 52067, and 47606.5.

Expenditures that are included more than once in an LCAP must be indicated as a duplicated expenditure and include a reference to the goal and action/service where the expenditure first appears in the LCAP.

If a county superintendent of schools has jurisdiction over a single school district, and chooses to complete a single LCAP, the LCAP must clearly articulate to which entity's budget (school district or county superintendent of schools) all budgeted expenditures are aligned.

Demonstration of Increased or Improved Services for Unduplicated Students

This section must be completed for each LCAP year. When developing the LCAP in year 2 or year 3, copy the "Demonstration of Increased or Improved Services for Unduplicated Students" table and enter the appropriate LCAP year. Using the copy of the section, complete the section as required for the current year LCAP. Retain all prior year sections for each of the three years within the LCAP.

Estimated Supplemental and Concentration Grant Funds

Identify the amount of funds in the LCAP year calculated on the basis of the number and concentration of low income, foster youth, and English learner students as determined pursuant to *California Code of Regulations*, Title 5 (5 *CCR*) Section 15496(a)(5).

Percentage to Increase or Improve Services

Identify the percentage by which services for unduplicated pupils must be increased or improved as compared to the services provided to all students in the LCAP year as calculated pursuant to 5 *CCR* Section 15496(a)(7).

Consistent with the requirements of 5 *CCR* Section 15496, describe how services provided for unduplicated pupils are increased or improved by at least the percentage calculated as compared to services provided for all students in the LCAP year. To improve services means to grow services in quality and to increase services means to grow services in quantity. This description must address how the action(s)/service(s) limited for one or more unduplicated student group(s), and any schoolwide or districtwide action(s)/service(s) supported by the appropriate description, taken together, result in the required proportional increase or improvement in services for unduplicated pupils.

If the overall increased or improved services include any actions/services being funded and provided on a schoolwide or districtwide basis, identify each action/service and include the required descriptions supporting each action/service as follows.

For those services being provided on an LEA-wide basis:

- For school districts with an unduplicated pupil percentage of 55% or more, and for charter schools and county offices of education: Describe how these services are **principally directed to** and **effective in** meeting its goals for unduplicated pupils in the state and any local priorities.

- For school districts with an unduplicated pupil percentage of less than 55%: Describe how these services are **principally directed to** and **effective in** meeting its goals for unduplicated pupils in the state and any local priorities**.** Also describe how the services are **the most effective use of the funds to** meet these goals for its unduplicated pupils. Provide the basis for this determination, including any alternatives considered, supporting research, experience or educational theory.

For school districts only, identify in the description those services being funded and provided on a schoolwide basis, and include the required description supporting the use of the funds on a schoolwide basis:

- For schools with 40% or more enrollment of unduplicated pupils: Describe how these services are **principally directed to** and **effective in** meeting its goals for its unduplicated pupils in the state and any local priorities.
- For school districts expending funds on a schoolwide basis at a school with less than 40% enrollment of unduplicated pupils: Describe how these services are **principally directed to** and how the services are **the most effective use of the funds to** meet its goals for English learners, low income students and foster youth, in the state and any local priorities.

State Priorities

Priority 1: Basic Services addresses the degree to which:
  A. Teachers in the LEA are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
  B. Pupils in the school district have sufficient access to the standards-aligned instructional materials; and
  C. School facilities are maintained in good repair.

Priority 2: Implementation of State Standards addresses:
  A. The implementation of state board adopted academic content and performance standards for all students, which are:
     a. English Language Arts – Common Core State Standards (CCSS) for English Language Arts
     b. Mathematics – CCSS for Mathematics
     c. English Language Development (ELD)
     d. Career Technical Education
     e. Health Education Content Standards
     f. History-Social Science
     g. Model School Library Standards
     h. Physical Education Model Content Standards
     i. Next Generation Science Standards
     j. Visual and Performing Arts
     k. World Language; and
  B. How the programs and services will enable English learners to access the CCSS and the ELD standards for purposes of gaining academic content knowledge and English language proficiency.

Priority 3: Parental Involvement addresses:
  A. The efforts the school district makes to seek parent input in making decisions for the school district and each individual school site;
  B. How the school district will promote parental participation in programs for unduplicated pupils; and
  C. How the school district will promote parental participation in programs for individuals with exceptional needs.

Priority 4: Pupil Achievement as measured by all of the following, as applicable:
  A. Statewide assessments;
  B. The percentage of pupils who have successfully completed courses that satisfy University of California (UC) or California State University (CSU) entrance requirements, or programs of study that align with state board approved career technical educational standards and framework;
  C. The percentage of English learner pupils who make progress toward English proficiency as measured by the English Language Proficiency Assessments for California (ELPAC);
  D. The English learner reclassification rate;
  E. The percentage of pupils who have passed an advanced placement examination with a score of 3 or higher; and
  F. The percentage of pupils who participate in, and demonstrate college preparedness pursuant to, the Early Assessment Program, or any subsequent assessment of college preparedness.

Priority 5: Pupil Engagement as measured by all of the following, as applicable:
  A. School attendance rates;
  B. Chronic absenteeism rates;
  C. Middle school dropout rates;
  D. High school dropout rates; and
  E. High school graduation rates;

Priority 6: School Climate as measured by all of the following, as applicable:
  A. Pupil suspension rates;
  B. Pupil expulsion rates; and
  C. Other local measures, including surveys of pupils, parents, and teachers on the sense of safety and school

connectedness.

Priority 7: Course Access addresses the extent to which pupils have access to and are enrolled in:
    A. A broad course of study including courses described under *EC* sections 51210 and 51220(a)-(i), as applicable;
    B. Programs and services developed and provided to unduplicated pupils; and
    C. Programs and services developed and provided to individuals with exceptional needs.

Priority 8: Pupil Outcomes addresses pupil outcomes, if available, for courses described under *EC* sections 51210 and 51220(a)-(i), as applicable.

Priority 9: Coordination of Instruction of Expelled Pupils (COE Only) addresses how the county superintendent of schools will coordinate instruction of expelled pupils.

Priority 10. Coordination of Services for Foster Youth (COE Only) addresses how the county superintendent of schools will coordinate services for foster children, including:
    A. Working with the county child welfare agency to minimize changes in school placement
    B. Providing education-related information to the county child welfare agency to assist in the delivery of services to foster children, including educational status and progress information that is required to be included in court reports;
    C. Responding to requests from the juvenile court for information and working with the juvenile court to ensure the delivery and coordination of necessary educational services; and
    D. Establishing a mechanism for the efficient expeditious transfer of health and education records and the health and education passport.

Local Priorities address:
    A. Local priority goals; and
    B. Methods for measuring progress toward local goals.

APPENDIX A: PRIORITIES 5 AND 6 RATE CALCULATION INSTRUCTIONS

For the purposes of completing the LCAP in reference to the state priorities under *EC* sections 52060 and 52066, as applicable to type of LEA, the following shall apply:

  (a) "Chronic absenteeism rate" shall be calculated as follows:
      (1) The number of K-8 students who were absent 10 percent or more of the school days excluding students who were:
      (A) enrolled less than 31 days
      (B) enrolled at least 31 days but did not attend at least one day
      (C) flagged as exempt in the district attendance submission. K-8 students are considered to be exempt if they:
          (i) are enrolled in a Non-Public School
          (ii) receive instruction through a home or hospital instructional setting
          (iii) are attending a community college full-time.
      (2) The number of students who meet the enrollment requirements.
      (3) Divide (1) by (2).
  (b) "High school dropout rate" shall be calculated as follows:
      (1) The number of cohort members who dropout by the end of year 4 in the cohort where "cohort" is defined as the number of first-time grade 9 pupils in year 1 (starting cohort) plus pupils who transfer in, minus pupils who transfer out, emigrate, or die during school years 1, 2, 3, and 4.
      (2) The total number of cohort members.
      (3) Divide (1) by (2).
  (c) "High school graduation rate" shall be calculated as follows:
      (1) For a 4-Year Cohort Graduation Rate:
      (A) The number of students in the cohort who earned a regular high school diploma by the end of year 4 in the cohort.
      (B) The total number of students in the cohort.
      (C) Divide (1) by (2).
      (2) For a Dashboard Alternative Schools Status (DASS) Graduation Rate:
      (A) The number of students who either graduated as grade 11 students or who earned any of the following:
          (i) a regular high school diploma
          (ii) a High School Equivalency Certificate
          (iii) an adult education diploma
          (iv) a Certificate of Completion and was eligible for the California Alternative Assessment if under the age of 20.
      (B) The number of students in the DASS graduation cohort.
      (C) Divide (1) by (2).
  (d) "Suspension rate" shall be calculated as follows:
      (1) The unduplicated count of pupils involved in one or more incidents for which the pupil was suspended during the academic year (July 1 – June 30).
      (2) The unduplicated count of pupils with a primary, secondary, or short-term enrollment during the academic year (July 1 – June 30).
      (3) Divide (1) by (2).
  (e) "Expulsion rate" shall be calculated as follows:
      (1) The unduplicated count of pupils involved in one or more incidents for which the pupil was expelled during the academic year (July 1 – June 30).
      (2) The unduplicated count of pupils with a primary, secondary, or short-term enrollment during the academic year (July 1 – June 30).

(3) Divide (1) by (2).

NOTE: Authority cited: Sections 42238.07 and 52064, *Education Code*. Reference: Sections 2574, 2575, 42238.01, 42238.02, 42238.03, 42238.07, 47605, 47605.6, 47606.5, 48926, 52052, 52060, 52061, 52062, 52063, 52064, 52066, 52067, 52068, 52069, 52070, 52070.5, and 64001,; 20 U.S.C. Sections 6312 and 6314.

APPENDIX B: GUIDING QUESTIONS

Guiding Questions: Annual Review and Analysis

1) How have the actions/services addressed the needs of all pupils and did the provisions of those services result in the desired outcomes?

2) How have the actions/services addressed the needs of all subgroups of pupils identified pursuant to *EC* Section 52052, including, but not limited to, English learners, low-income pupils, and foster youth; and did the provision of those actions/services result in the desired outcomes?

3) How have the actions/services addressed the identified needs and goals of specific school sites and were these actions/services effective in achieving the desired outcomes?

4) What information (e.g., quantitative and qualitative data/metrics) was examined to review progress toward goals in the annual update?

5) What progress has been achieved toward the goal and expected measurable outcome(s)? How effective were the actions and services in making progress toward the goal? What changes to goals, actions, services, and expenditures are being made in the LCAP as a result of the review of progress and assessment of the effectiveness of the actions and services?

6) What differences are there between budgeted expenditures and estimated actual annual expenditures? What were the reasons for any differences?

Guiding Questions: Stakeholder Engagement

1) How have applicable stakeholders (e.g., parents and pupils, including parents of unduplicated pupils and unduplicated pupils identified in *EC* Section 42238.01; community members; local bargaining units; LEA personnel; county child welfare agencies; county office of education foster youth services programs, court-appointed special advocates, and other foster youth stakeholders; community organizations representing English learners; and others as appropriate) been engaged and involved in developing, reviewing, and supporting implementation of the LCAP?

2) How have stakeholders been included in the LEA's process in a timely manner to allow for engagement in the development of the LCAP?

3) What information (e.g., quantitative and qualitative data/metrics) was made available to stakeholders related to the state priorities and used by the LEA to inform the LCAP goal setting process? How was the information made available?

4) What changes, if any, were made in the LCAP prior to adoption as a result of written comments or other feedback received by the LEA through any of the LEA's engagement processes?

5) What specific actions were taken to meet statutory requirements for stakeholder engagement pursuant to *EC* sections 52062, 52068, or 47606.5, as applicable, including engagement with representatives of parents and guardians of pupils identified in *EC* Section 42238.01?

6) What specific actions were taken to consult with pupils to meet the requirements 5 *CCR* Section 15495(a)?

7) How has stakeholder involvement been continued and supported? How has the involvement of these stakeholders supported improved outcomes for pupils, including unduplicated pupils, related to the state priorities?

Guiding Questions: Goals, Actions, and Services

1) What are the LEA's goal(s) to address state priorities related to "Conditions of Learning": Basic Services (Priority 1), the Implementation of State Standards (Priority 2), and Course Access (Priority 7)?

2) What are the LEA's goal(s) to address state priorities related to "Pupil Outcomes": Pupil Achievement (Priority 4), Pupil Outcomes (Priority 8), Coordination of Instruction of Expelled Pupils (Priority 9 – COE Only), and Coordination of Services for Foster Youth (Priority 10 – COE Only)?

3) What are the LEA's goal(s) to address state priorities related to parent and pupil "Engagement": Parental Involvement (Priority 3), Pupil Engagement (Priority 5), and School Climate (Priority 6)?

4) What are the LEA's goal(s) to address any locally-identified priorities?

5) How have the unique needs of individual school sites been evaluated to inform the development of meaningful district and/or individual school site goals (e.g., input from site level advisory groups, staff, parents, community, pupils; review of school level plans; in-depth school level data analysis, etc.)?

6) What are the unique goals for unduplicated pupils as defined in *EC* Section 42238.01 and groups as defined in *EC* Section 52052 that are different from the LEA's goals for all pupils?

7) What are the specific expected measurable outcomes associated with each of the goals annually and over the term of the LCAP?

8) What information (e.g., quantitative and qualitative data/metrics) was considered/reviewed to develop goals to address each state or local priority?

9) What information was considered/reviewed for individual school sites?

10) What information was considered/reviewed for subgroups identified in *EC* Section 52052?

11) What actions/services will be provided to all pupils, to subgroups of pupils identified pursuant to *EC* Section 52052, to specific school sites, to English learners, to low-income pupils, and/or to foster youth to achieve goals identified in the LCAP?

12) How do these actions/services link to identified goals and expected measurable outcomes?

13) What expenditures support changes to actions/services as a result of the goal identified? Where can these expenditures be found in the LEA's budget?

LEA Name	Contact Name and Title	Email and Phone
Magnolia Science Academy-6	John Terzi, Principal	jterzi@magnoliapublicschools.org (310)842-8555

2017-20 Plan Summary

The Story

Describe the students and community and how the LEA serves them.

Magnolia Science Academy (MSA-6 or Charter School), is a classroom-based charter school serving grades 6-8 with a curriculum emphasis on science, technology, engineering, arts and math (STEAM). Originally founded in 2009, MSA-6's mission is to provide a college preparatory educational program emphasizing STEAM in a safe environment that cultivates respect for self and others.

MSA-6 currently has 160 students in grades 6-8, and mainly draws enrollment from Palms, CA and neighboring communities. The neighborhoods that MSA-6 serves are heavily immigrant with a language other than English spoken at home. A high concentration of the families MSA-6 serves faces economic challenges. MSA-6 has a diverse enrollment, including 86% Hispanic/Latino, 9% African American, 5% White, 76% Socioeconomically Disadvantaged, 20% Special Education, and 20% English Learner population.

MSA-6 strives to graduate students who come from historically underserved neighborhoods as scientific thinkers that contribute to the global community as socially responsible and educated members of society. We offer a comprehensive learning experience designed to serve the needs of our students through effective site-based instruction, rich hands-on learning, and foundation skills presented in ways that are relevant and inspiring for our students. Classroom instruction at MSA-6 is supplemented by tutoring, after-school programs, and school-to-university links.

LCAP Highlights

Identify and briefly summarize the key features of this year's LCAP.

The Charter School LCAP committee has reviewed input from all stakeholders and available data through surveys and student performance data. Based on input and data, we have revised our

existing actions/services and measurable outcomes and also planned for new ones. Some of the highlights include:

Parents' appreciation of being involved in the decision-making process and the need for continuous parent training via activities such as Parent College

The need to continue our improvements in designated/integrated English Learner services

Expanding after school, Saturday school, and summer school opportunities; refining targeted intervention and tutoring programs

Providing counseling and positive behavior intervention support services to our students

Keeping effective teachers and improving teacher observation and evaluation systems

The Charter School has also worked on its expected annual measurable outcomes to set targets in areas of greatest need and to close performance gaps among student groups. Those include:

- Using and analyzing the scores with ICAs and IABs to recognize specific academic needs and addressing those needs; data-driven.
- Intervention programs were effective in providing academic supports to specific groups of students.
- Addressing students who are failing much earlier in the semester and find ways to engage these students.
- Areas that need close attention:

    a. Intervention programs: Create clear objectives on what needs to be accomplished in the programs, collect data by assessing the students with IABs in the beginning of the year to determine which specific students belong in intervention programs.

- Cross-curricular activities between all core subjects.
- Using graphic organizers or interactive activities to provide vocabulary support for English language learners.
- Charter School will provide resources for increased outreach efforts to low income families including Parent College, parent training, home visits and other parent involvement meetings
- EL students will receive in-class instructional support which includes one-on-one teacher support in co-teaching classrooms; small group instruction; ELD instructional strategies.

Pg2

Review of Performance

Based on a review of performance on the state indicators and local performance indicators included in the California School Dashboard, progress toward LCAP goals, local self-assessment tools, stakeholder input, or other information, what progress is the LEA most proud of and how does the LEA plan to maintain or build upon that success? This may include identifying any specific examples of how past increases or improvements in services for low-income students, English learners, and foster youth have led to improved performance for these students.

Greatest Progress

- SBAC scores of 2017-2018 shows an increase in ELA (5% increase) and math (14% increase)
- Using and analyzing the scores with ICAs and IABs to recognize specific academic needs and addressing those needs; data-driven.
- Intervention programs were effective in providing academic supports to specific groups of students.
- Providing feedback to students on their areas of growth/need through data from MAP, ICAs and IABs.
- Increased availabilities of counselors and therapists to support students.
- Teacher-led meetings to provide feedback and sharing best practices.
- Constant communication between the academic teachers and the special education teacher to address modifications and accommodations for students with IEPs.

Referring to the California School Dashboard, identify any state indicator or local performance indicator for which overall performance was in the "Red" or "Orange" performance category or where the LEA received a "Not Met" or "Not Met for Two or More Years" rating. Additionally, identify any areas that the LEA has determined need significant improvement based on review of local performance indicators or other local indicators. What steps is the LEA planning to take to address these areas with the greatest need for improvement?

Greatest Needs

- Addressing students who are failing much earlier in the semester and find ways to engage these students.
- Lack of data on incoming students' prior knowledge.
- Lack of foundational skills from incoming students.
- Lack of attendance for homeless student population
- Alarming data – 38.4 points below standard in math, 3.4 points below standard in English (before SBAC 2019).
- Areas that need close attention:

Pg3

a. Intervention programs: Create clear objectives on what needs to be accomplished in the programs, collect data by assessing the students with IABs in the beginning of the year to determine which specific students belong in intervention programs.

b. Programs and incentives: We will use our new Parent Square communication tool to engage homeless parents via text message, voicemail, email and certified letters. We will recognize students' high participation with some incentives like school supplies, metro passes etc.

- PD – More PDs on NGSS for science. More PDs on promoting positive behaviors, bullying prevention, and positive school environment that provide Do's and Don'ts in a step-by-step manner.

Referring to the California School Dashboard, identify any state indicator for which performance for any student group was two or more performance levels below the "all student" performance. What steps is the LEA planning to take to address these performance gaps?

Performance Gaps

- Cross-curricular activities between all core subjects.
- Using graphic organizers or interactive activities to provide vocabulary support for ELL.

a. Examples: Quizlets, synonyms/antonyms games, practice vocabulary use in sentences, and sentence-starter posters.

Comprehensive Support and Improvement

An LEA with a school or schools identified for comprehensive support and improvement (CSI) under the Every Student Succeeds Act must respond to the following prompts.

Schools Identified

Identify the schools within the LEA that have been identified for CSI.

N/A

Support for Identified Schools

Describe how the LEA supported the identified schools in developing CSI plans that included a school-level needs assessment, evidence-based interventions, and the identification of any resource inequities to be addressed through the implementation of the CSI plan.

N/A

Pg4

Monitoring and Evaluating Effectiveness

Describe how the LEA will monitor and evaluate the implementation and effectiveness of the CSI plan to support student and school improvement.

N/A

Annual Update

LCAP Year Reviewed: 2018–19

Complete a copy of the following table for each of the LEA's goals from the prior year LCAP. Duplicate the table as needed.

Goal 1

EXCELLENCE: All students will pursue academic excellence and be college/career ready.

State and/or Local Priorities addressed by this goal:

State Priorities: 1, 2, 4, and 8

Local Priorities: N/A

Annual Measurable Outcomes

Expected	Actual
Percentage of teachers who will be appropriately assigned and fully credentialed as required by law and the charter: 100%	Percentage of teachers who are appropriately assigned and fully credentialed as required by law and the charter: 100%
Percentage of students who will have sufficient access to standards-aligned instructional materials: 100%	Percentage of students who have sufficient access to standards-aligned instructional materials: 100%
Percentage of items on facility inspection checklists in compliance/good standing: 90%	Percentage of items on facility inspection checklists in compliance/good standing: 90%
Percentage of state standards implementation for all students: 100%	Percentage of state standards implementation for all students: 100%
Percentage of students performing proficient on the CAASPP-ELA/Literacy assessments will be (Grades 3-8):	2018-19 SBAC data is not available at this time. The following tables show 2017-18 proficiency rates of our student groups on the CAASPP-ELA/Literacy assessments and projected increase in 2018-19.

Expected	Actual

2018-19 Expected:

All Students:	3 percentage points up from the prior year
English Learners:	1 percentage point up from the prior year
Socioeconomically Disadvantaged:	1 percentage points up from the prior year
Students with Disabilities:	2 percentage points up from the prior year
Hispanic:	1 percentage points up from the prior year

2017-18 (Baseline):

All Students:	48%
English Learners:	13%
Socioeconomically Disadvantaged:	46%
Students with Disabilities:	17%
Hispanic:	47%

Based on our interim assessments during the year (IAB, ICA, MAP, etc.), we project the following:

2018-19(Projected):

All Students:	3 percentage points up from the prior year
English Learners:	1 percentage point up from the prior year
Socioeconomically Disadvantaged:	1 percentage points up from the prior year
Students with Disabilities:	2 percentage points up from the prior year
Hispanic:	1 percentage points up from the prior year

Change in Average Distance from Standard on the CASSPP-ELA/Literacy assessments (Grades 3-8) will be:

2018-19 SBAC data is not available at this time. The following tables show 2017-18data of our student groups for the Average Distance from Standard on the CAASPP-ELA/Literacy assessments and projected change in 2018-19.

Pg7

Expected	Actual

2018-19 Expected:

All Students:	1 point up from the prior year
English Learners:	1 point up from the prior year
Socioeconomically Disadvantaged:	2 points up from the prior year
Students with Disabilities:	3 points up from the prior year
Hispanic:	2 points up from the prior year

2017-18 (Baseline):

All Students:	3.4 points below standard
English Learners:	42.1 points below standard
Socioeconomically Disadvantaged:	8 points below standard
Students with Disabilities:	72 points below standard
Hispanic:	5.7 points below standard

Based on our interim assessments during the year (IAB, ICA, MAP, etc.), we project the following:

2018-19(Projected):

All Students:	1 point up from the prior year
English Learners:	1 point up from the prior year
Socioeconomically Disadvantaged:	2 points up from the prior year
Students with Disabilities:	3 points up from the prior year
Hispanic:	2 points up from the prior year

Percentage of students meeting their growth targets on the MAP-Reading assessment will be (Grades 3-10):

2018-19 Fall to Spring MAP growth data is not available at this time. The following tables show 2017-18 data of our student groups on the MAP-Reading assessment and projected increase in 2018-19.

Pg8

Expected	Actual

2018-19 Expected:

All Students:	2 percentage points up from the prior year
English Learners:	2 percentage points up from the prior year
Socioeconomically Disadvantaged:	2 percentage points up from the prior year
Students with Disabilities:	2 percentage points up from the prior year
Hispanic:	2 percentage points up from the prior year

2017-18 (Baseline):

All Students:	44%
English Learners:	50%
Socioeconomically Disadvantaged:	43%
Students with Disabilities:	38%
Hispanic:	44%

Based on our interim assessments during the year (IAB, ICA, Fall & Winter MAP, etc.), we project the following:

2018-19 (Projected):

All Students:	2 percentage points up from the prior year
English Learners:	2 percentage points up from the prior year
Socioeconomically Disadvantaged:	2 percentage points up from the prior year
Students with Disabilities:	2 percentage points up from the prior year
Hispanic:	2 percentage points up from the prior year

Percentage of students performing proficient on the CAASPP-Mathematics assessments will be (Grades 3-8):	2018-19 SBAC data is not available at this time. The following tables show 2017-18 proficiency rates of our student groups on

Pg9

Expected	Actual

2018-19 Expected:

The CAASPP-Mathematics assessments and projected increase in 2018-19.

2017-18 (Baseline):

Left column — 2018-19 Expected:

All Students:	3 percentage points up from the prior year
English Learners:	1 percentage point up from the prior year
Socioeconomically Disadvantaged:	2 percentage points up from the prior year
Students with Disabilities:	1 percentage points up from the prior year
Hispanic:	2 percentage point up from the prior year

Right column — 2017-18 (Baseline):

All Students:	39%
English Learners:	20%
Socioeconomically Disadvantaged:	35%
Students with Disabilities:	21%
Hispanic:	36%

Based on our interim assessments during the year (IAB, ICA, MAP, etc.), we project the following:

2018-19 (Projected):

All Students:	3 percentage points up from the prior year
English Learners:	1 percentage point up from the prior year
Socioeconomically Disadvantaged:	2 percentage point up from the prior year
Students with Disabilities:	1 percentage points up from the prior year
Hispanic:	2 percentage point up from the prior year

Hispanic:	2 percentage points up from the prior year

Actual

groups on the MAP-Mathematics assessment and projected increase in 2018-19.

2017-18 (Baseline):

All Students:	48%
English Learners:	45%
Socioeconomically Disadvantaged:	48%
Students with Disabilities:	41%
Hispanic:	44%

Based on our interim assessments during the year (IAB, ICA, Fall & Winter MAP, etc.), we project the following:

2018-19 (Projected):

All Students:	2 percentage points up from the prior year
English Learners:	2 percentage points up from the prior year
Socioeconomically Disadvantaged:	2 percentage points up from the prior year
Students with Disabilities:	2 percentage points up from the prior year
Hispanic:	2 percentage points up from the prior year

Pg12

Expected	Actual
Percentage of EL students making annual progress in learning English as measured by the ELPAC: 91% (maintain)	2018-19ELPI data is not available at this time. The following table shows 2017-18ELPAC performance data of our ELs. 2017-18 (Baseline): 	Level 4 - Well Developed	N/A
Level 3 - Moderately Developed	N/A
Level 2 - Somewhat Developed	N/A
Level 1 – Beginning Stage	N/A	
Percentage of ELs reclassified to Fluent English Proficient (RFEP) annually: 1 percentage point up from the prior year		2017-18 (Baseline)	64%
2018-19 (Projected)	1 percentage point up from the prior year	
Percentage of students who will receive a grade of "C" or better (or perform "proficient" on the related state standardized tests) in core subjects and electives: 82%		2017-18 (Baseline)	80%
2018-19 (End of first semester)	97.6%
2018-19 (End of second semester Projected)	1 percentage point up from the prior year	

Actions / Services

Duplicate the Actions/Services from the prior year LCAP and complete a copy of the following table for each. Duplicate the table as needed.

Pg13

Action 1

Planned Actions/Services	Actual Actions/Services	Budgeted Expenditures	Estimated Actual Expenditures
Charter School will conduct credential review as part of teacher hiring process and support our teachers' credentialing needs. Charter School will also annually review master schedule/teacher assignments to ensure compliance.	All teacher credentials have been reviewed. We have supported three of our teachers for their credentialing needs. We are compliant with teacher assignments.	$18,000 BTSA expenses (5000)(Base); $2,000 EL authorization expenses (5000)(Base)	$15,000 BTSA expenses (5000)(Base); $2,441 EL authorization expenses (5000)(Base)

Action 2

Planned Actions/Services	Actual Actions/Services	Budgeted Expenditures	Estimated Actual Expenditures
Charter School will annually review alignment of instructional materials to standards and keep an inventory of instructional materials and corresponding purchase of materials. Charter School will annually review budget and plan to ensure adequate budget for instructional materials.	We have reviewed our current instructional materials and they are aligned to standards. We keep an inventory of instructional materials and corresponding purchase of materials. We have also budgeted to ensure sufficient access to instructional materials.	$50,000 Books (4000)(Base); $22,000 Instructional materials (4000)(Base)	$10,000 Books (4000)(Base); $3,000 Instructional materials (4000)(Base)

Action 3

Planned Actions/Services	Actual Actions/Services	Budgeted Expenditures	Estimated Actual Expenditures
Charter School will do annual and monthly facility inspections to screen for safety hazards. Daily general cleaning by custodial staff will maintain campus cleanliness.	We have done annual and monthly facility inspections to screen for safety hazards. We have maintained our campus cleanliness through daily general cleaning.	$32,000 Janitorial services (5000)(Base)	$6,500 Janitorial services (5000)(Base)

Pg14

Action 4

Planned Actions/Services	Actual Actions/Services	Budgeted Expenditures	Estimated Actual Expenditures
Charter School will ensure curricula and assessments are aligned to the standards and that teachers participate in professional development on the implementation of standards (CCSS, NGSS, etc.) Teachers will be provided with instructional guidance and feedback through classroom visits.	Our curricula and assessments are aligned to the standards. Our teachers have participated in professional development on the implementation of standards (CCSS, NGSS, etc.)	$19,000 Professional Development (5000)(Base); $1,000 TeachBoost fees (5000)(Base)	$5,000 Professional Development (5000)(Base); $1,000 TeachBoost fees (5000)(Base)

Action 5

Planned Actions/Services	Actual Actions/Services	Budgeted Expenditures	Estimated Actual Expenditures
Charter School will provide services to ELs by proficiency level and provide ELD instruction aligned to the CA ELD standards and framework. Charter School will provide our ELs with core and supplemental ELD instructional materials and provide our teachers with PD focused on ELD standards. Our EL coordinator will monitor EL student progress in program implementation according to our EL Master Plan.	We have identified our ELs by proficiency level, provided ELD instruction aligned to the ELD standards, and monitored student progress in program implementation according to our EL Master Plan.	$4,000 EL Coordinator salary (1000)(S&C); $1,000 Benefits (3000)(S&C)	$4,000 EL Coordinator salary (1000)(S&C); $1,000 Benefits (3000)(S&C)

Pg15

Action 6

Planned Actions/Services	Actual Actions/Services	Budgeted Expenditures	Estimated Actual Expenditures
Charter School teachers will provide instruction using integrated ELD instructional strategies as outlined in the CHATS framework (and other research-based strategies such as SDAIE) to all students, including ELs. Charter School will provide culturally and linguistically relevant materials for students. ELs will receive further in-class instructional support which includes one-on-one teacher support and small group instruction. Charter School will strive to provide bilingual instructional assistants to provide primary language support to enable students to access content area instruction while gaining language proficiency. Charter School will ensure that teachers participate in PD on ELD instructional strategies and CHATS framework.	Our teachers provide instruction using integrated ELD instructional strategies as outlined in the CHATS framework to all students, including ELs. Our teachers have participated in professional development on ELD.	$2,000 Professional Development on ELD strategies (5000)(S&C)	$1,000 Professional Development on ELD strategies (5000)(S&C)

Action 7

Planned Actions/Services	Actual Actions/Services	Budgeted Expenditures	Estimated Actual Expenditures
During the day, Charter School will provide additional supports and interventions to all students, including ELs.	During the day, we provide additional supports and interventions to all students, including ELs, via Power English, Power Math, etc.	$15,000 Teacher aide salary (2000)(Title I)	$28,800 Teacher aide salary (2000) (LCFF) $5,000 Teacher aides benefits (LCFF)

Pg16

Action 8

Planned Actions/Services	Actual Actions/Services	Budgeted Expenditures	Estimated Actual Expenditures
Charter School will provide additional supports and interventions to all students, including ELs, during after school hours and on Saturday.	We provide additional supports and interventions to all students, including ELs, during after school hours and on Saturday.	$15,000 After school teacher stipends (1000)	$20,000 After school teacher stipends (1000)

Action 9

Planned Actions/Services	Actual Actions/Services	Budgeted Expenditures	Estimated Actual Expenditures
Charter School will synthesize CAASPP and MAP student achievement and growth data, as well as course grades, and other state and internal assessment scores, into reports and regularly review progress towards targets.	Working with the Home Office, our Dean of Academics and Title-I coordinators synthesize CAASPP and MAP student achievement and growth data, as well as course grades, and other state and internal assessment scores, into reports and regularly review progress towards targets with our staff.	$85,000 One dean of academics salary (1000)(Base); $30,000 Benefits (3000)(Base); $6,500 Illuminate SIS &DnA (5000)(Base); $6,000 MAP testing (NWEA) fees (5000)(Title I)	$76,000 One dean of academics salary (1000)(Base); $20,000 Benefits (3000)(Base); $2,000 Illuminate SIS &DnA (5000)(Base); $2,000 MAP testing (NWEA) fees (5000)(Title I)

Analysis

Complete a copy of the following table for each of the LEA's goals from the prior year LCAP. Duplicate the table as needed. Use actual annual measurable outcome data, including performance data from the LCFF Evaluation Rubrics, as applicable.

Describe the overall implementation of the actions/services to achieve the articulated goal.

We have implemented all of the actions/services described above to achieve our EXCELLENCE goal. We are compliant with our teacher assignments; we offer standards-based instruction and our students have sufficient access to standards-aligned instructional materials; we do facility inspections periodically; we regularly review student performance data and progress towards targets with our

Pg17

staff and continue to provide additional supports and interventions to all students, including ELs, during the school day, after school hours, and on Saturday; we provide our ELs with designated and integrated EL instruction.

Describe the overall effectiveness of the actions/services to achieve the articulated goal as measured by the LEA.

MSA-6 has been providing many intervention programs to ensure that all students are receiving quality instruction, and that the goals are to reduce/close the academic achievement. According to LAUSD resident schools data, our school outperformed 6 out of the 7 schools with similar demographics in Math and English on the 2016-2017 SBAC tests. MSA-6 has a data driven culture. We had a data analysis for MAP Testing and SBAC Testing during summer time with our admin team and shared this information with the staff during summer in-service training. For both ELA and Math the school declined one percent in each category. English Language Arts declined slightly from 44% to 43%, and the Math declined from 26% to 25%. In 2017-18, for both ELA and Math the school improved in each category. English Language Arts improved from 43% to 48%, and the Math improved from 25% to 39%.

Power Math & English classes, after school tutoring, Saturday school, and frequent Academic Progress Reports are a few of the interventions that are available to our struggling students. Moreover, we have successfully implemented an English Language Development program for all EL students which give each EL student 40 minutes of direct EL instruction on a daily basis. For EL's, we had a high reclassification rate which is 64% in 2016-17 school year. Also, our administration continuously identifies and meets with students on a one to one basis with some students who need the extra help. These students are encouraged to attend after school tutoring classes and Saturday school

Explain material differences between Budgeted Expenditures and Estimated Actual Expenditures.

We only have minor differences between Budgeted and Estimated Actual Expenditures.

Describe any changes made to this goal, expected outcomes, metrics, or actions and services to achieve this goal as a result of this analysis and analysis of the LCFF Evaluation Rubrics, as applicable. Identify where those changes can be found in the LCAP.

We will maintain our goal and the majority of our expected outcomes, metrics, and actions and services. We have updated our annual measurable outcomes with new performance targets for the upcoming school year based on input from all stakeholders and available data through surveys and student performance data. We will continue to provide all the actions/services for this goal with minor adjustments based on student and school needs. The updated outcomes and actions/services can be found in the Goals, Actions, & Services section of the LCAP.

Pg18

Goal 2

INNOVATION: All students will pursue academic excellence and be college/career ready.

State and/or Local Priorities addressed by this goal:

State Priorities: 7 and 8

Local Priorities: N/A

Annual Measurable Outcomes

Expected	Actual
Percentage of the programs and services outlined in the charter petition that will be provided as measured by student interest surveys for elective courses and programs, master school schedule, and class rosters: 100%	Percentage of the programs and services outlined in the charter petition that we provide, certain programs and services being dependent on student need and interest: 100%
Percentage of students who will have sufficient access to all academic and educational programs provided by the Charter School as measured by student interest surveys for elective courses and programs, master school schedule, and class rosters: 100%	Percentage of students who have sufficient access to all academic and educational programs provided by the Charter School as measured by student interest surveys for elective courses and programs, master school schedule, and class rosters: 100%
Percentage of students enrolled in the Charter School's grades 6-8 who take the Accelerated and/or Advanced Math class and/or Advanced Math club: 4%	Percentage of students enrolled in the Charter School's grades 6-8 who take the Accelerated and/or Advanced Math class and/or Advanced Math club: 4%
Percentage of our graduates who will have taken a Computer/Technology class and/or experienced blended learning in their program of study: 100%	Percentage of our seniors who have taken a Computer/Technology class and/or experienced blended learning in their program of study: 100%
Percentage of students who will have created or demonstrated a STEAM focused project, experiment, model or demo: 80%	Percentage of students who have created or demonstrated a STEAM focused project, experiment, model or demo: 85%

Pg19

Actions / Services

Duplicate the Actions/Services from the prior year LCAP and complete a copy of the following table for each. Duplicate the table as needed.

Action 1

Planned Actions/Services	Actual Actions/Services	Budgeted Expenditures	Estimated Actual Expenditures
Charter School will provide students with a broad array of courses including core subjects (English, mathematics, social sciences, and science) and electives as outlined in its charter petition. Charter School will also provide all other academic programs and services outlined in its charter petition, certain programs and services being dependent on student need and interest.	We provide our students with a broad array of courses including core subjects and electives as outlined in our charter petition. We also provide all other academic programs and services, certain programs and services being dependent on student need and interest. Classroom-based and online programs offered this year include: Learning.com, ALEKS, MyON	$520,000 Teacher salaries (1000)(Base); $80,000 Benefits (3000); $12,000 Online programs (5000)(Base); $10,000 Field trip expenses (5000)(Donations)	$436,000 Teacher salaries (1000)(Base); $162,300 Benefits (3000); $12,010 Online programs (5000)(Base); $5,576 Field trip expenses (5000)(Donations)

Action 2

Planned Actions/Services	Actual Actions/Services	Budgeted Expenditures	Estimated Actual Expenditures
Charter School will design its master schedule to meet the needs of its students to ensure all academic content areas are available to all students, including student groups.	We have designed our master schedule to meet the needs of all students. We provide opportunities for online and dual enrollment as well.	$170,000 1 Principal and 1 Dean of Academics salaries (1000)(Base); $50,000 Benefits (3000)(Base)	$172,824 1 Principal and 1 Dean of Academics salaries (1000)(Base); $44,000 Benefits (3000)(Base)

Pg20

Action 3

Planned Actions/Services	Actual Actions/Services	Budgeted Expenditures	Estimated Actual Expenditures
Charter School will offer Accelerated and/or Advanced Math class and/or Advanced Math club to students in grades 6-8.	We offer Accelerated and Advanced Math classes and Advanced Math club to students in grades 6-8.	$75,000 1 Accelerated/Advanced Math teacher salary and benefits (1000)(3000)(Base) [Duplicated Expense: See Goal 2: Action 1]	$68,750 1 Accelerated/Advanced Math teacher salary ($55,000) and benefits ($13,750) (1000)(3000)(Base) [Duplicated Expense: See Goal 2: Action 1]

Action 4

Planned Actions/Services	Actual Actions/Services	Budgeted Expenditures	Estimated Actual Expenditures
Charter School will offer Computer/Technology classes and/or blended learning experience for our students. Charter School will also keep its technology up to date. Charter School teachers will participate in PD on Blended Learning.	We offer Computer/Technology classes and/or blended learning experience for our students. We keep our technology up to date and have purchased 100 Chromebooks. Our teachers have participated in PD on Blended Learning.	$75,000 1 Computer/Technology teacher salary and benefits (1000)(3000)(Base) [Duplicated Expense: See Goal 2: Action 1]; $5,000 Computers; $15,000 Technology expenses	$62,500 1 Computer/Technology teacher salary ($50,000) and benefits ($12,500) (1000)(3000)(Base) [Duplicated Expense: See Goal 2: Action 1]; $10,000 Computers; $8,923 Technology expenses

Action 5

Planned Actions/Services	Actual Actions/Services	Budgeted Expenditures	Estimated Actual Expenditures
Charter School will provide opportunities for students during the day and after school to create or demonstrate a STEAM focused project, experiment, model or demo. Charter School will also provide information and access to quality out-of-school STEAM activities and achievements.	We have provided opportunities for students during the day and after school to create or demonstrate a STEAM focused project, experiment, model or demo. We have organized a local STEAM expo. Our students have participated in the Magnolia-wide STEAM expo and county-wide science fairs and activities as well.	$10,000 Science materials (4000)(Base)	$4,800 Science materials (4000)(Base)

Analysis

Complete a copy of the following table for each of the LEA's goals from the prior year LCAP. Duplicate the table as needed. Use actual annual measurable outcome data, including performance data from the LCFF Evaluation Rubrics, as applicable.

Describe the overall implementation of the actions/services to achieve the articulated goal.

We have implemented all of the actions/services described above to achieve our INNOVATION goal. We provide courses, electives, programs, and services outlined in our charter petition, certain programs and services being dependent on student need and interest; our master schedule is designed to meet the needs of all students; we provide opportunities for online and dual enrollment; we offer Advanced Math and Computer Technology classes; and provide opportunities for students to create or demonstrate a STEAM focused project, experiment, model or demo.

Describe the overall effectiveness of the actions/services to achieve the articulated goal as measured by the LEA.

The actions/services have been effective as measured by progress towards our annual measurable outcomes. We believe that we have successfully implemented our STEAM program since 2014-15 school year. Magnolia Public Schools' mission and vision helps guide the

Pg22

focus of our school and can be seen in numerous areas, such as, STEAM activities, after-school clubs, and technology use in classrooms, Life Skills, high expectations for students, critical thinking and problem solving in all classes.

Every year, we hold some scheduled STEAM activities. Our students do a mandatory science fair project every year and present their projects, with demonstrations, in November. The winners of the school wide Science Fair attends the LA county science fair to represent our school in March. Some of our students were awarded 1st, 2nd, 3rd and Honorable mention by the organizers in the past. The Science Fair winners are promoted and represented in one of our other traditional events. The annual "Multicultural Food Festival and STEAM Expo" is where the winning students present their science projects to their parents and to the community. This is a great event that students show their science skills to all parents. Science teachers with the assistance of the English department and teachers work with students in order to ensure that their projects are ready for this event. This brings our students and staff together to help bring out the best in our students. Through community events and academic events, MSA-6 celebrates our diversity, our students and parents, and the community.

Furthermore, to help promote STEAM education, students are encouraged to participate in the annual STEAM expo, which is hosted by our home office. Also at MSA-6, we have our Lego Robotics team which attends the first Lego League LA tournament in November every year. Our team, the MagnoTigers, received 1st, 2nd and 3rd place in the past 3 years.

Explain material differences between Budgeted Expenditures and Estimated Actual Expenditures.

We only have minor differences between Budgeted and Estimated Actual Expenditures.

Describe any changes made to this goal, expected outcomes, metrics, or actions and services to achieve this goal as a result of this analysis and analysis of the LCFF Evaluation Rubrics, as applicable. Identify where those changes can be found in the LCAP.

We will maintain our goal and expected outcomes, metrics, and actions and services. We have updated our budget for the upcoming school year based on technology needs and input from all stakeholders. We will continue to provide all the actions/services for this goal with minor adjustments based on student and school needs. The updated outcomes and actions/services can be found in the Goals, Actions, & Services section of the LCAP.

Pg23

Goal 3

CONNECTION: All students, families, staff, and other stakeholders will feel a sense of community and connectedness.

State and/or Local Priorities addressed by this goal:

State Priorities: 3, 5, and 6

Local Priorities: N/A

Annual Measurable Outcomes

Expected	Actual
Number of SSC meetings per year: 4	Current: 4 By the end of 2018-19 (Planned): 4
Number of ELAC meetings per year: 4	Current: 4 By the end of 2018-19 (Planned): 4
Number of PTF meetings per year: 8	Current: 9 By the end of 2018-19 (Planned): 8
Number of activities/events for parent involvement per year: 5	Current: 4 By the end of 2018-19 (Planned): 5
Frequency of SIS record updates: Daily/Weekly	Our teachers update SIS records daily/weekly.
Number of progress reports sent to parents per year: 4	4

Actions / Services

Duplicate the Actions/Services from the prior year LCAP and complete a copy of the following table for each. Duplicate the table as needed.

Action 1

Planned Actions/Services	Actual Actions/Services	Budgeted Expenditures	Estimated Actual Expenditures
Charter School will seek parent input in making decisions for the school through quarterly SSC, ELAC, and PTF meetings.	We hold quarterly SSC, ELAC, and PTF meetings to seek parent input in making decisions for the school.	$3,000 Parent meeting expenses (4000)(Title I)	$3,937 Parent meeting expenses (4000)(Title I)

Pg26

Action 2

Planned Actions/Services	Actual Actions/Services	Budgeted Expenditures	Estimated Actual Expenditures
Charter School will host parent activities/events, including Student/Parent Orientation, Back to School Night, and parent conferences to promote parental participation in programs.	We have hosted parent activities/events, including Student/Parent Orientation, Back to School Night, and parent conferences. You can add more events here that promote parental participation.	$2,000 Parent activities/events expenses (4000)(Base)	$980 Parent activities/events expenses (4000)(Base)

Action 3

Planned Actions/Services	Actual Actions/Services	Budgeted Expenditures	Estimated Actual Expenditures
Charter School will provide parents with access to course material, homework assignments, projects, and records of students' grades through SIS, an online web portal. Charter School will communicate further with the parents of students who are performing below grade level.	We provide parents with access to course material, homework assignments, projects, and records of students' grades through our SIS, and further communicate with the parents of students who are performing below grade level.	$6,500 Illuminate SIS &DnA (5000)(Base) [Duplicated Expense: See Goal 1: Action 9]	$2,437 Illuminate SIS &DnA (5000)(Base) [Duplicated Expense: See Goal 1: Action 9]

Action 4

Planned Actions/Services	Actual Actions/Services	Budgeted Expenditures	Estimated Actual Expenditures
Charter School teachers will visit students at their homes to discuss student progress and enhance student learning and involvement.	Our teachers visit students at their homes to discuss student progress and enhance student learning and involvement.	$2,000 Home visit compensation (1000)(3000)(5000)(Title I) [Duplicated Expense: See Goal 2: Action 1]	$4,200 Home visit compensation (1000)(3000)(5000) (Title I) [Duplicated Expense: See Goal 2: Action 1]

Action 5

Planned Actions/Services	Actual Actions/Services	Budgeted Expenditures	Estimated Actual Expenditures
Charter School will provide a safe, nurturing, and engaging learning environment for all our students and families. Academic and social-emotional support will be provided to address student needs.	We provide a safe, nurturing, and engaging learning environment for all our students and families. We provide academic and social-emotional support to address student needs.	$10,000 School counselors by CSUN (5000)(Title I); $10,000 Business-Etiquette Program (5000)(Title I)	$5,000 School counselors by CSUN (5000)(Title I); $9,089 Business-Etiquette Program (5000)(Title I)

Action 6

Planned Actions/Services	Actual Actions/Services	Budgeted Expenditures	Estimated Actual Expenditures
Charter School will inform parents and students of attendance policies specified in the Student/Parent Handbook and encourage and support student attendance.	We inform parents and students of attendance policies specified in the Student/Parent Handbook and encourage and support student attendance.	$75,000 1 Office Manager and 1 Office Clerk salaries (2000)(Base); $15,000 Benefits (3000)(Base); $1,500 Parent reach notification program	$81,494 1 Office Manager and 1 Office Clerk salaries (2000)(Base); $24,448 Benefits (3000)(Base)

Action 7

Planned Actions/Services	Actual Actions/Services	Budgeted Expenditures	Estimated Actual Expenditures
Charter School will annually assess its suspension/expulsion policies and procedures and document and implement alternatives to suspension/expulsion, including restorative practices.	We have assessed our suspension/expulsion policies and procedures and documented and implemented alternatives to suspension/expulsion, including restorative practices.	$76,000 1 Dean of Students (1000)(Base); $15,000 Benefits (3000)(Base)	$76,000 1 Dean of Students (1000)(Base); $19,000 Benefits (3000)(Base)

Action 8

Planned Actions/Services	Actual Actions/Services	Budgeted Expenditures	Estimated Actual Expenditures
Charter School staff will acknowledge and encourage positive student behavior and improvements. Teachers will establish classroom management procedures, foster positive relationships, and help create an atmosphere of trust, respect, and high expectations.	Our staff acknowledges and encourages positive student behavior and improvements. Our teachers have established classroom management procedures, fostered positive relationships, and helped create an atmosphere of trust, respect, and high expectations.	$3,000 PD on PBIS, restorative practices, classroom management (5000)(Base)	$1,100 PD on PBIS, restorative practices, classroom management (5000)(Base)

Action 9

Planned Actions/Services	Actual Actions/Services	Budgeted Expenditures	Estimated Actual Expenditures
Charter School will annually administer school experience surveys to students, parents, and staff.	We have administered school experience surveys to our students, parents, and staff.	$2,000 Panorama Education surveys (5000)(Base)	$523 Panorama Education surveys (5000)(Base)

Analysis

Complete a copy of the following table for each of the LEA's goals from the prior year LCAP. Duplicate the table as needed. Use actual annual measurable outcome data, including performance data from the LCFF Evaluation Rubrics, as applicable.

Describe the overall implementation of the actions/services to achieve the articulated goal.

We have implemented all of the actions/services described above to achieve our CONNECTION goal. We have held quarterly SSC, ELAC, and PTF meetings; hosted parent activities/events; provided parents with access to our SIS; visited our students at their homes; encouraged and supported student attendance; provided support to ensure timely high school graduation; implemented alternatives to

Pg29

suspension/expulsion, including restorative practices; acknowledged and encouraged positive student behavior and improvements; and administered school experience surveys to our students, parents, and staff.

Describe the overall effectiveness of the actions/services to achieve the articulated goal as measured by the LEA.

The actions/services have been effective as measured by progress towards our annual measurable outcomes. Our school staff is working closely with students to encourage positive behavior and establishing positive relationships. Suspension rate was 0% in 2016-17 school year. In 2017-18, we had one suspension only and our rate was 0.6%. In 2018-19, we had no suspension and the rate is 0% again. We hold assemblies to recognize students for best citizenship and reward them. We implement PBIS and use positive reinforcement at our school. We communicate with parents via phone, email, letter when their children are absent. In 2017-18, our ADA rate was 97%. In 2018-19, our ADA slightly declined and became 95%. This year, we had more homeless students who had chronic absenteeism. The chronic absenteeism rate increased from 1.2% to 13% due to homeless student population and their constant absences.

We seek parents' inputs for our school programs and school culture. In 2017-18 school year, survey participation rates for parents, students, and staff are 84%, 99% and 100% respectively. Our parents, students and staff were able to share their thoughts on the important elements of school effectiveness. Parent, student and staff survey approval rates are 97%, 62% and 95% respectively. In 2018-19 school year, survey participation rates for parents, students, and staff are 86.8%, 100% and 100% respectively. Parent, student and staff survey approval rates are 96%, 70% and 94% respectively.

Explain material differences between Budgeted Expenditures and Estimated Actual Expenditures.

We only have minor differences between Budgeted and Estimated Actual Expenditures.

Describe any changes made to this goal, expected outcomes, metrics, or actions and services to achieve this goal as a result of this analysis and analysis of the LCFF Evaluation Rubrics, as applicable. Identify where those changes can be found in the LCAP.

We will maintain our goal and the majority of our expected outcomes, metrics, and actions and services. We have updated our annual measurable outcomes for school experience survey average approval rates. Based on input from all stakeholders, we will continue to hold events that promote parental participation as well as parent training activities such as Parent College. We will focus on acknowledging positive student behavior and restorative practices. We will continue to offer PD to our teachers on classroom management and student engagement procedures to help create an atmosphere of trust, respect, and high expectations.

Pg30

We will continue to provide all the actions/services for this goal with minor adjustments based on student and school needs. The updated outcomes and actions/services can be found in the Goals, Actions, & Services section of the LCAP.

Stakeholder Engagement

LCAP Year: **2019–20**

Involvement Process for LCAP and Annual Update

How, when, and with whom did the LEA consult as part of the planning process for this LCAP/Annual Review and Analysis?

In order to promote learning and provide a more positive learning experience for our students, MSA-6 has established a culture of gathering input from parents, students, staff, community members, and other stakeholders through multiple channels including meetings, school events, surveys, home visits, newsletters, and other means of communication. To the extent possible, all stakeholders are invited to be involved in the process of school review and improvement including the development of our annual LCAP.

Information/input sessions include Parent Task Force (PTF) meetings, School Site Council (SSC) meetings, English Learner Advisory Committee (ELAC) meetings, Coffee with the Principal meetings, Board of Directors meetings, Principal meetings, and staff meetings. Parents on our PTF and SSC also serve as our parent advisory committee for LCAP. Along with ELAC, such committees provide for representation of students in need (low income, English learners, foster youth, etc.) Feedback from our parent advisory committee and ELAC provide valuable input for the new LCAP. In addition, the Charter School conducts surveys for parents, students, and staff, and the Charter School staff make home visits. These all serve as a way to inform, educate, and gather input & feedback from all critical stakeholders.

The Charter School has an approved charter petition with measurable student outcomes and methods to assess student progress, an SSD plan with planned improvement in student performance in reading and mathematics and in programs for English Learners, and a WASC action plan for continuous school improvement. Therefore, LCAP is received by our community as a comprehensive planning tool that draws from all other school plans and addresses the state priorities and locally identified priorities.

The Charter School has held its periodical meetings this year to gather input from our stakeholders. These include eight PTF meetings, four SSC meetings, four ELAC meetings, at least five parent activities/events including 5 Coffee with the Principal meetings, weekly staff meetings, and other stakeholder meetings. The school conducted a family, staff, and student experience survey with specific questions on the sense of safety and school connectedness, school culture and climate, and other areas of school improvement. A majority of our stakeholders participated in this survey. The Charter School staff has also made 40 home visits during this school year and sought feedback from the parents for school improvement.

Pg32

Impact on LCAP and Annual Update

How did these consultations impact the LCAP for the upcoming year?

The Charter School LCAP committee has reviewed input from all stakeholders and synthesized input to revise existing actions/services and measurable outcomes and also plan for new ones in the LCAP for the upcoming year. Some of the updates include:

Improvements in designated/integrated English Learner services

Expanding after school, Saturday school, and summer school opportunities

Providing counseling and behavior support services to our students

Improving teacher observation and evaluation systems and keeping effective teachers

Investing in effective technology and teacher professional development in blended learning and differentiated instruction to enhance instruction in the classroom

Expanding STEAM-based programs and activities

Other input includes improving school facilities and the lunch program.

Pg33

Goals, Actions, & Services

Strategic Planning Details and Accountability

Complete a copy of the following table for each of the LEA's goals. Duplicate the table as needed.

(Select from New Goal, Modified Goal, or Unchanged Goal)

Unchanged Goal

Goal 1

EXCELLENCE: All students will pursue academic excellence and be college/career ready.

State and/or Local Priorities addressed by this goal:

State Priorities: 1, 2, 4, and 8
Local Priorities: N/A

Identified Need:

Priority 1:

   To ensure teachers are appropriately assigned and fully credentialed

   To ensure students have sufficient access to standards-aligned instructional materials

   To ensure school facilities are maintained in good repair

Priority 2:

   To ensure implementation of state board adopted academic content and performance standards for all students

Priority 4:

   To ensure students meet or exceed standard on CASSPP-ELA/Literacy and Mathematics assessments

Pg34

To ensure EL students make annual progress in learning English

To ensure our students are college/career ready

Priority 8:

To ensure student proficiency in all courses

Expected Annual Measurable Outcomes

Metrics/Indicators	Baseline	2017-18	2018-19	2019-20

Charter School teachers will provide instruction using integrated ELD instructional strategies as outlined in the CHATS framework (and other research-based strategies such as SDAIE) to all students, including ELs. Charter School will provide culturally and linguistically relevant materials for students. ELs will receive further in-class instructional support which includes one-on-one teacher support and small group instruction. Charter School will strive to provide bilingual instructional assistants to provide primary language support to enable students to access content area instruction while gaining language proficiency. Charter School will ensure that teachers participate in PD on ELD instructional strategies and CHATS framework.	See description for 2017-18	See description for 2017-18

Demonstration of Increased or Improved Services for Unduplicated Pupils

LCAP Year: **2019–20**

Estimated Supplemental and Concentration Grant Funds

$ 364,516

Percentage to Increase or Improve Services

29.44%

Describe how services provided for unduplicated pupils are increased or improved by at least the percentage identified above, either qualitatively or quantitatively, as compared to services provided for all students in the LCAP year.

Identify each action/service being funded and provided on a schoolwide or LEA-wide basis. Include the required descriptions supporting each schoolwide or LEA-wide use of funds (see instructions).

Charter School will continue to provide services to ELs by proficiency level and provide ELD instruction aligned to the CA ELD standards and framework. Charter School will provide our ELs with core and supplemental ELD instructional materials and provide our teachers with PD focused on ELD standards. Our EL coordinator will monitor EL student progress in program implementation according to our EL Master Plan.

Charter School teachers will provide instruction using integrated ELD instructional strategies as outlined in the CHATS framework (and other research-based strategies such as SDAIE) to all students, including ELs. Charter School will provide culturally and linguistically relevant materials for students. ELs will receive further in-class instructional support which includes one-on-one teacher support and small group instruction. Charter School will strive to provide bilingual instructional assistants to provide primary language support to enable students to access content area instruction while gaining language proficiency. Charter School will ensure that teachers participate in PD on ELD instructional strategies and CHATS framework.

ELD and ELA teachers will provide designated ELD to all EL students, with EL students who are Levels 1-3 participating in a full class period of targeted, protected ELD (differentiated by proficiency level), and Levels 4-5 receiving designated ELD in their ELA class, and, where possible, in an additional 25-minute session that focuses on reading and writing strategies, practice in speaking and listening, and academic vocabulary.

During the day, Charter School will provide additional supports and interventions to all students, including ELs. Charter School will provide additional supports and interventions to all students, including ELs, during after school hours and on Saturday. Charter School

strives to refine targeted intervention and tutoring programs and plans to expand after school, Saturday school, and summer school opportunities.

Charter Scholl will provide ongoing Parent Training for all our parents, including bilingual parents. SSC, ELAC, and PTF meetings, as well as Parent College, are some of the venues we will provide training to our parents. Charter School will provide targeted assistance to low income students and their families in career/college readiness activities and guidance, including how to get financial aid. Parent training topics include, but are not limited to, how to assist students academically and behaviorally, how to navigate the educational system, including higher education, and other areas that will benefit all our students, including our unduplicated students.

Foster youth will receive educational counseling. Foster youth will receive academic supports and remediation and will be encouraged and supported to engage in extracurricular activities in order to mitigate the effects of school mobility on foster youth.

Research has shown that one of the keys to successful teaching and schooling is creating personal connections with students inside and outside of school. Knowing the students' outside interests, families, and home routines, and then using this information to connect in meaningful, individualized ways can have huge rewards in helping to create happier, healthier, and smarter kids. Recognizing these facts, Charter School uses home visits as one of the important features of its education program to not only improve student and school performance, but also to identify and intervene early with students performing below grade level.

Charter School staff will implement restorative practices and PBIS to build positive communities and increase school connectedness. Charter School will provide academic supports and remediation, Life Skills classes, counseling, and social-emotional support to our students. Our teachers will establish classroom management procedures, foster positive relationships, and help create an atmosphere of trust, respect, and high expectations. Charter School will ensure that staff participate in PD on restorative practices and PBIS. Our Dean of Students and Behavior Counselor/School Psychologist will monitor student behavior and social-emotional progress.

Pg84

LCAP Year: **2018–19**

Pg88

Addendum

The Local Control and Accountability Plan (LCAP) and Annual Update Template documents and communicates local educational agencies' (LEAs) actions and expenditures to support student outcomes and overall performance. The LCAP is a three-year plan, which is reviewed and updated annually, as required. Charter schools may complete the LCAP to align with the term of the charter school's budget, typically one year, which is submitted to the school's authorizer. The LCAP and Annual Update Template must be completed by all LEAs each year.

For school districts, the LCAP must describe, for the school district and each school within the district, goals and specific actions to achieve those goals for all students and each student group identified by the Local Control Funding Formula (LCFF) (ethnic, socioeconomically disadvantaged, English learners, foster youth, pupils with disabilities, and homeless youth), for each of the state priorities and any locally identified priorities.

For county offices of education, the LCAP must describe, for each county office of education-operated school and program, goals and specific actions to achieve those goals for all students and each LCFF student group funded through the county office of education (students attending juvenile court schools, on probation or parole, or expelled under certain conditions) for each of the state priorities and any locally identified priorities. School districts and county offices of education may additionally coordinate and describe in their LCAPs services funded by a school district that are provided to students attending county-operated schools and programs, including special education programs.

If a county superintendent of schools has jurisdiction over a single school district, the county board of education and the governing board of the school district may adopt and file for review and approval a single LCAP consistent with the requirements in Education Code (EC) sections 52060, 52062, 52066, 52068, and 52070. The LCAP must clearly articulate to which entity's budget (school district or county superintendent of schools) all budgeted and actual expenditures are aligned.

Charter schools must describe goals and specific actions to achieve those goals for all students and each LCFF subgroup of students including students with disabilities and homeless youth, for each of the state priorities that apply for the grade levels served or the nature of the program operated by the charter school, and any locally identified priorities. For charter schools, the inclusion and description of goals for state priorities in the LCAP may be modified to meet the grade levels served and the nature of the programs provided, including modifications to reflect only the statutory requirements explicitly applicable to charter schools in the EC. Changes in LCAP goals and actions/services for charter schools that result from the annual update process do not necessarily constitute a material revision to the school's charter petition.

For questions related to specific sections of the template, please see instructions below:

Instructions: Linked Table of Contents

For additional questions or technical assistance related to completion of the LCAP template, please contact the local county office of education, or the CDE's Local Agency Systems Support Office at: 916-319-0809 or by email at: lcff@cde.ca.gov.

Plan Summary

The LCAP is intended to reflect an LEA's annual goals, actions, services and expenditures within a fixed three-year planning cycle. LEAs must include a plan summary for the LCAP each year.

When developing the LCAP, enter the appropriate LCAP year, and address the prompts provided in these sections. When developing the LCAP in year 2 or year 3, enter the appropriate LCAP year and replace the previous summary information with information relevant to the current year LCAP.

In this section, briefly address the prompts provided. These prompts are not limits. LEAs may include information regarding local program(s), community demographics, and the overall vision of the LEA. LEAs may also attach documents (e.g., the California School Dashboard data reports) if desired and/or include charts illustrating goals, planned outcomes, actual outcomes, or related planned and actual expenditures.

An LEA may use an alternative format for the plan summary as long as it includes the information specified in each prompt and the budget summary table.

The reference to California School Dashboard means the California School Dashboard adopted by the State Board of Education under *EC* Section 52064.5.

Comprehensive Support and Improvement

An LEA with a school or schools identified for comprehensive support and improvement (CSI) under the Every Student Succeeds Act must respond to the following prompts:

- **Schools Identified:** Identify the schools within the LEA that have been identified for CSI.

- **Support for Identified Schools:** Describe how the LEA supported the identified schools in developing CSI plans that included a school-level needs assessment, evidence-based interventions, and the identification of any resource inequities to be addressed through the implementation of the CSI plan.
- **Monitoring and Evaluating Effectiveness:** Describe how the LEA will monitor and evaluate the implementation and effectiveness of the CSI plan to support student and school improvement.

Annual Update

The planned goals, expected outcomes, actions/services, and budgeted expenditures must be copied verbatim from the previous year's* approved LCAP; in addition, list the state and/or local priorities addressed by the planned goals. Minor typographical errors may be corrected.

> * For example, for LCAP year 2017/18 of the 2017/18 – 2019/20 LCAP, review the goals in the 2016/17 LCAP. Moving forward, review the goals from the most recent LCAP year. For example, LCAP year 2020/21 will review goals from the 2019/20 LCAP year, which is the last year of the 2017/18 – 2019/20 LCAP.

Annual Measurable Outcomes

> For each goal in the prior year, identify and review the actual measurable outcomes as compared to the expected annual measurable outcomes identified in the prior year for the goal.

Actions/Services

> Identify the planned Actions/Services and the budgeted expenditures to implement these actions toward achieving the described goal. Identify the **actual** actions/services implemented to meet the described goal and the estimated actual annual expenditures to implement the actions/services. As applicable, identify any changes to the students or student groups served, or to the planned location of the actions/services provided.

Analysis

> Using actual annual measurable outcome data, including data from the California School Dashboard, analyze whether the planned actions/services were effective in achieving the goal. Respond to the prompts as instructed.

- Describe the overall implementation of the actions/services to achieve the articulated goal. Include a discussion of relevant challenges and successes experienced with the implementation process.
- Describe the overall effectiveness of the actions/services to achieve the articulated goal as measured by the LEA.
- Explain material differences between Budgeted Expenditures and Estimated Actual Expenditures. Minor variances in expenditures or a dollar-for-dollar accounting is not required.
- Describe any changes made to this goal, expected outcomes, metrics, or actions and services to achieve this goal as a result of this analysis and analysis of the data provided in the California School Dashboard, as applicable. Identify where those changes can be found in the LCAP.

Stakeholder Engagement

Meaningful engagement of parents, students, and other stakeholders, including those representing the student groups identified by LCFF, is critical to the development of the LCAP and the budget process. *EC* identifies the minimum consultation requirements for school districts and county offices of education as consulting with teachers, principals, administrators, other school personnel, local bargaining units of the school district, parents, and pupils in developing the LCAP. *EC* requires charter schools to consult with teachers, principals, administrators, other school personnel, parents, and pupils in developing the LCAP. In addition, *EC* Section 48985 specifies the requirements for the translation of notices, reports, statements, or records sent to a parent or guardian.

The LCAP should be shared with, and LEAs should request input from, school site-level advisory groups, as applicable (e.g., school site councils, English Learner Advisory Councils, student advisory groups, etc.), to facilitate alignment between school-site and district-level goals and actions. An LEA may incorporate or reference actions described in other plans that are being undertaken to meet specific goals.

Instructions: The stakeholder engagement process is an ongoing, annual process. The requirements for this section are the same for each year of a three-year LCAP. When developing the LCAP, enter the appropriate LCAP year, and describe the stakeholder engagement process used to develop the LCAP and Annual Update. When developing the LCAP in year 2 or year 3, enter the appropriate LCAP year and replace the previous stakeholder narrative(s) and describe the stakeholder engagement process used to develop the current year LCAP and Annual Update.

School districts and county offices of education: Describe the process used to consult with the Parent Advisory Committee, the English Learner Parent Advisory Committee, parents, students, school personnel, the LEA's local bargaining units, and the community to inform the development of the LCAP and the annual review and analysis for the indicated LCAP year.

Charter schools: Describe the process used to consult with teachers, principals, administrators, other school personnel, parents, and students to inform the development of the LCAP and the annual review and analysis for the indicated LCAP year.

Describe how the consultation process impacted the development of the LCAP and annual update for the indicated LCAP year, including the goals, actions, services, and expenditures.

Goals, Actions, and Services

LEAs must include a description of the annual goals, for all students and each LCFF identified group of students, to be achieved for each state priority as applicable to type of LEA. An LEA may also include additional local priorities. This section shall also include a description of the specific planned actions an LEA will take to meet the identified goals, and a description of the expenditures required to implement the specific actions.

School districts and county offices of education: The LCAP is a three-year plan, which is reviewed and updated annually, as required.

Charter schools: The number of years addressed in the LCAP may align with the term of the charter schools budget, typically one year, which is submitted to the school's authorizer. If year 2 and/or year 3 is not applicable, charter schools must specify as such.

New, Modified, Unchanged

As part of the LCAP development process, which includes the annual update and stakeholder engagement, indicate if the goal, identified need, related state and/or local priorities, and/or expected annual measurable outcomes for the current LCAP year or future LCAP years are modified or unchanged from the previous year's LCAP; or, specify if the goal is new.

Goal

State the goal. LEAs may number the goals using the "Goal #" box for ease of reference. A goal is a broad statement that describes the desired result to which all actions/services are directed. A goal answers the question: What is the LEA seeking to achieve?

Related State and/or Local Priorities

List the state and/or local priorities addressed by the goal. The LCAP must include goals that address each of the state priorities, as applicable to the type of LEA, and any additional local priorities; however, one goal may address multiple priorities. (Link to State Priorities)

Identified Need

Describe the needs that led to establishing the goal. The identified needs may be based on quantitative or qualitative information, including, but not limited to, results of the annual update process or performance data from the California School Dashboard, as applicable.

Expected Annual Measurable Outcomes

For each LCAP year, identify the metric(s) or indicator(s) that the LEA will use to track progress toward the expected outcomes. LEAs may identify metrics for specific student groups. Include in the baseline column the most recent data associated with this metric or indicator available at the time of adoption of the LCAP for the first year of the three-year plan. The most recent data associated with a metric or indicator includes data as reported in the annual update of the LCAP year immediately preceding the three-year plan, as applicable. The baseline data shall remain unchanged throughout the three-year LCAP. In the subsequent year columns, identify the progress to be made in each year of the three-year cycle of the LCAP. Consider how expected outcomes in any given year are related to the expected outcomes for subsequent years.

The metrics may be quantitative or qualitative, but at minimum an LEA must use the applicable required metrics for the related state priorities, in each LCAP year as applicable to the type of LEA. For the student engagement priority metrics, as applicable, LEAs must calculate the rates as described in the LCAP Template Appendix, sections (a) through (d).

Planned Actions/Services

For each action/service, the LEA must complete either the section "For Actions/Services not included as contributing to meeting Increased or Improved Services Requirement" or the section "For Actions/Services included as contributing to meeting the Increased or Improved Services Requirement." The LEA shall not complete both sections for a single action.

For Actions/Services Not Contributing to Meeting the Increased or Improved Services Requirement

Students to be Served

The "Students to be Served" box is to be completed for all actions/services except for those which are included by the LEA as contributing to meeting the requirement to increase or improve services for unduplicated students. Indicate in this box which students will benefit from the actions/services by entering "All", "Students with Disabilities", or "Specific Student Group(s)". If "Specific Student Group(s)" is entered, identify the specific student group(s) as appropriate.

Location(s)

Identify the location where the action/services will be provided. If the services are provided to all schools within the LEA, the LEA must identify "All Schools". If the services are provided to specific schools within the LEA or specific grade spans only, the LEA must enter "Specific Schools" or "Specific Grade Spans". Identify the individual school or a subset of schools or grade spans (e.g., all high schools or grades K-5), as appropriate.

Charter schools operating more than one site, authorized within the same charter petition, may choose to distinguish between sites by entering "Specific Schools" and identifying the site(s) where the actions/services will be provided. For charter schools operating only one site, "All Schools" and "Specific Schools" may be synonymous and, therefore, either would be appropriate. Charter schools may use either term provided they are used in a consistent manner through the LCAP.

For Actions/Services Contributing to Meeting the Increased or Improved Services Requirement:

Students to be Served

For any action/service contributing to the LEA's overall demonstration that it has increased or improved services for unduplicated students above what is provided to all students (see Demonstration of Increased or Improved Services for Unduplicated Students section, below), the LEA must identify the unduplicated student group(s) being served.

Scope of Service

For each action/service contributing to meeting the increased or improved services requirement, identify the scope of service by indicating "LEA-wide", "Schoolwide", or "Limited to Unduplicated Student Group(s)". The LEA must identify one of the following three options:

- If the action/service is being funded and provided to upgrade the entire educational program of the LEA, enter "LEA-wide."

- If the action/service is being funded and provided to upgrade the entire educational program of a particular school or schools, enter "schoolwide".

- If the action/service being funded and provided is limited to the unduplicated students identified in "Students to be Served", enter "Limited to Unduplicated Student Group(s)".

  For charter schools and single-school school districts, "LEA-wide" and "Schoolwide" may be synonymous and, therefore, either would be appropriate. For charter schools operating multiple schools (determined by a unique CDS code) under a single charter, use "LEA-wide" to refer to all schools under the charter and use "Schoolwide" to refer to a single school authorized within the same charter petition. Charter schools operating a single school may use "LEA-wide" or "Schoolwide" provided these terms are used in a consistent manner through the LCAP.

Location(s)

Identify the location where the action/services will be provided. If the services are provided to all schools within the LEA, the LEA must indicate "All Schools". If the services are provided to specific schools within the LEA or specific grade spans only, the LEA must enter "Specific Schools" or "Specific Grade Spans". Identify the individual school or a subset of schools or grade spans (e.g., all high schools or grades K-5), as appropriate.

Charter schools operating more than one site, authorized within the same charter petition, may choose to distinguish between sites by entering "Specific Schools" and identify the site(s) where the actions/services will be provided. For charter schools operating only one site, "All Schools" and "Specific Schools" may be synonymous and, therefore, either would be appropriate. Charter schools may use either term provided they are used in a consistent manner through the LCAP.

Actions/Services

For each LCAP year, identify the actions to be performed and services provided to meet the described goal. Actions and services that are implemented to achieve the identified goal may

be grouped together. LEAs may number the action/service using the "Action #" box for ease of reference.

New/Modified/Unchanged:

- Enter "New Action" if the action/service is being added in any of the three years of the LCAP to meet the articulated goal.

- Enter "Modified Action" if the action/service was included to meet an articulated goal and has been changed or modified in any way from the prior year description.

- Enter "Unchanged Action" if the action/service was included to meet an articulated goal and has not been changed or modified in any way from the prior year description.

  - If a planned action/service is anticipated to remain unchanged for the duration of the plan, an LEA may enter "Unchanged Action" and leave the subsequent year columns blank rather than having to copy/paste the action/service into the subsequent year columns. Budgeted expenditures may be treated in the same way as applicable.

Note: The goal from the prior year may or may not be included in the current three-year LCAP. For example, when developing year 1 of the LCAP, the goals articulated in year 3 of the preceding three-year LCAP will be from the prior year.

Charter schools may complete the LCAP to align with the term of the charter school's budget that is submitted to the school's authorizer. Accordingly, a charter school submitting a one-year budget to its authorizer may choose not to complete the year 2 and year 3 portions of the "Goals, Actions, and Services" section of the template. If year 2 and/or year 3 is not applicable, charter schools must specify as such.

Budgeted Expenditures

For each action/service, list and describe budgeted expenditures for each school year to implement these actions, including where those expenditures can be found in the LEA's budget. The LEA must reference all fund sources for each proposed expenditure. Expenditures must be classified using the California School Accounting Manual as required by *EC* sections 52061, 52067, and 47606.5.

Expenditures that are included more than once in an LCAP must be indicated as a duplicated expenditure and include a reference to the goal and action/service where the expenditure first appears in the LCAP.

If a county superintendent of schools has jurisdiction over a single school district, and chooses to complete a single LCAP, the LCAP must clearly articulate to which entity's budget (school district or county superintendent of schools) all budgeted expenditures are aligned.

Demonstration of Increased or Improved Services for Unduplicated Students

This section must be completed for each LCAP year. When developing the LCAP in year 2 or year 3, copy the "Demonstration of Increased or Improved Services for Unduplicated Students" table and enter the appropriate LCAP year. Using the copy of the section, complete the section as required for the current year LCAP. Retain all prior year sections for each of the three years within the LCAP.

Estimated Supplemental and Concentration Grant Funds

> Identify the amount of funds in the LCAP year calculated on the basis of the number and concentration of low income, foster youth, and English learner students as determined pursuant to *California Code of Regulations*, Title 5 (5 *CCR*) Section 15496(a)(5).

Percentage to Increase or Improve Services

> Identify the percentage by which services for unduplicated pupils must be increased or improved as compared to the services provided to all students in the LCAP year as calculated pursuant to 5 *CCR* Section 15496(a)(7).

Consistent with the requirements of 5 *CCR* Section 15496, describe how services provided for unduplicated pupils are increased or improved by at least the percentage calculated as compared to services provided for all students in the LCAP year. To improve services means to grow services in quality and to increase services means to grow services in quantity. This description must address how the action(s)/service(s) limited for one or more unduplicated student group(s), and any schoolwide or districtwide action(s)/service(s) supported by the appropriate description, taken together, result in the required proportional increase or improvement in services for unduplicated pupils.

If the overall increased or improved services include any actions/services being funded and provided on a schoolwide or districtwide basis, identify each action/service and include the required descriptions supporting each action/service as follows.

For those services being provided on an LEA-wide basis:
- For school districts with an unduplicated pupil percentage of 55% or more, and for charter schools and county offices of education: Describe how these services are **principally directed to** and **effective in** meeting its goals for unduplicated pupils in the state and any local priorities.

- For school districts with an unduplicated pupil percentage of less than 55%: Describe how these services are **principally directed to** and **effective in** meeting its goals for unduplicated pupils in the state and any local priorities**.** Also describe how the services are **the most effective use of the funds to** meet these goals for its unduplicated pupils. Provide the basis for this determination, including any alternatives considered, supporting research, experience or educational theory.

For school districts only, identify in the description those services being funded and provided on a schoolwide basis, and include the required description supporting the use of the funds on a schoolwide basis:

- For schools with 40% or more enrollment of unduplicated pupils: Describe how these services are **principally directed to** and **effective in** meeting its goals for its unduplicated pupils in the state and any local priorities.

- For school districts expending funds on a schoolwide basis at a school with less than 40% enrollment of unduplicated pupils: Describe how these services are **principally directed to** and how the services are **the most effective use of the funds to** meet its goals for English learners, low income students and foster youth, in the state and any local priorities.

State Priorities

Priority 1: Basic Services addresses the degree to which:
  A. Teachers in the LEA are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
  B. Pupils in the school district have sufficient access to the standards-aligned instructional materials; and
  C. School facilities are maintained in good repair.

Priority 2: Implementation of State Standards addresses:
  A. The implementation of state board adopted academic content and performance standards for all students, which are:
      a. English Language Arts – Common Core State Standards (CCSS) for English Language Arts
      b. Mathematics – CCSS for Mathematics
      c. English Language Development (ELD)
      d. Career Technical Education
      e. Health Education Content Standards
      f. History-Social Science
      g. Model School Library Standards
      h. Physical Education Model Content Standards
      i. Next Generation Science Standards
      j. Visual and Performing Arts
      k. World Language; and
  B. How the programs and services will enable English learners to access the CCSS and the ELD standards for purposes of gaining academic content knowledge and English language proficiency.

Priority 3: Parental Involvement addresses:
  A. The efforts the school district makes to seek parent input in making decisions for the school district and each individual school site;
  B. How the school district will promote parental participation in programs for unduplicated pupils; and
  C. How the school district will promote parental participation in programs for individuals with exceptional needs.

Priority 4: Pupil Achievement as measured by all of the following, as applicable:
  A. Statewide assessments;
  B. The percentage of pupils who have successfully completed courses that satisfy University of California (UC) or California State University (CSU) entrance requirements, or programs of study that align with state board approved career technical educational standards and framework;
  C. The percentage of English learner pupils who make progress toward English proficiency as measured by the English Language Proficiency Assessments for California (ELPAC);
  D. The English learner reclassification rate;
  E. The percentage of pupils who have passed an advanced placement examination with a score of 3 or higher; and
  F. The percentage of pupils who participate in, and demonstrate college preparedness pursuant to, the Early Assessment Program, or any subsequent assessment of college preparedness.

Priority 5: Pupil Engagement as measured by all of the following, as applicable:
  A. School attendance rates;
  B. Chronic absenteeism rates;
  C. Middle school dropout rates;
  D. High school dropout rates; and
  E. High school graduation rates;

Priority 6: School Climate as measured by all of the following, as applicable:
  A. Pupil suspension rates;

    B.   Pupil expulsion rates; and

    C.   Other local measures, including surveys of pupils, parents, and teachers on the sense of safety and school connectedness.

Priority 7: Course Access addresses the extent to which pupils have access to and are enrolled in:

    A.   A broad course of study including courses described under *EC* sections 51210 and 51220(a)-(i), as applicable;

    B.   Programs and services developed and provided to unduplicated pupils; and

    C.   Programs and services developed and provided to individuals with exceptional needs.

Priority 8: Pupil Outcomes addresses pupil outcomes, if available, for courses described under *EC* sections 51210 and 51220(a)-(i), as applicable.

Priority 9: Coordination of Instruction of Expelled Pupils (COE Only) addresses how the county superintendent of schools will coordinate instruction of expelled pupils.

Priority 10. Coordination of Services for Foster Youth (COE Only) addresses how the county superintendent of schools will coordinate services for foster children, including:

    A.   Working with the county child welfare agency to minimize changes in school placement

    B.   Providing education-related information to the county child welfare agency to assist in the delivery of services to foster children, including educational status and progress information that is required to be included in court reports;

    C.   Responding to requests from the juvenile court for information and working with the juvenile court to ensure the delivery and coordination of necessary educational services; and

    D.   Establishing a mechanism for the efficient expeditious transfer of health and education records and the health and education passport.

Local Priorities address:

    A.   Local priority goals; and

    B.   Methods for measuring progress toward local goals.

APPENDIX A: PRIORITIES 5 AND 6 RATE CALCULATION INSTRUCTIONS

For the purposes of completing the LCAP in reference to the state priorities under *EC* sections 52060 and 52066, as applicable to type of LEA, the following shall apply:

(a) "Chronic absenteeism rate" shall be calculated as follows:

(1) The number of K-8 students who were absent 10 percent or more of the school days excluding students who were:

(A) enrolled less than 31 days

(B) enrolled at least 31 days but did not attend at least one day

(C) flagged as exempt in the district attendance submission. K-8 students are considered to be exempt if they:

(i) are enrolled in a Non-Public School

(ii) receive instruction through a home or hospital instructional setting

(iii) are attending a community college full-time.

(2) The number of students who meet the enrollment requirements.

(3) Divide (1) by (2).

(b) "High school dropout rate" shall be calculated as follows:

(1) The number of cohort members who dropout by the end of year 4 in the cohort where "cohort" is defined as the number of first-time grade 9 pupils in year 1 (starting cohort) plus pupils who transfer in, minus pupils who transfer out, emigrate, or die during school years 1, 2, 3, and 4.

(2) The total number of cohort members.

(3) Divide (1) by (2).

(c) "High school graduation rate" shall be calculated as follows:

(1) For a 4-Year Cohort Graduation Rate:

(A) The number of students in the cohort who earned a regular high school diploma by the end of year 4 in the cohort.

(B) The total number of students in the cohort.

(C) Divide (1) by (2).

(2) For a Dashboard Alternative Schools Status (DASS) Graduation Rate:

(A) The number of students who either graduated as grade 11 students or who earned any of the following:

(i) a regular high school diploma

(ii) a High School Equivalency Certificate

(iii) an adult education diploma

(iv) a Certificate of Completion and was eligible for the California Alternative Assessment if under the age of 20.

(B) The number of students in the DASS graduation cohort.

(C) Divide (1) by (2).

(d) "Suspension rate" shall be calculated as follows:

(1) The unduplicated count of pupils involved in one or more incidents for which the pupil was suspended during the academic year (July 1 – June 30).

(2) The unduplicated count of pupils with a primary, secondary, or short-term enrollment during the academic year (July 1 – June 30).

(3) Divide (1) by (2).

(e) "Expulsion rate" shall be calculated as follows:

(1) The unduplicated count of pupils involved in one or more incidents for which the pupil was expelled during the academic year (July 1 – June 30).

(2) The unduplicated count of pupils with a primary, secondary, or short-term enrollment during the academic year (July 1 – June 30).

(3) Divide (1) by (2).

NOTE: Authority cited: Sections 42238.07 and 52064, *Education Code*. Reference: Sections 2574, 2575, 42238.01, 42238.02, 42238.03, 42238.07, 47605, 47605.6, 47606.5, 48926, 52052, 52060, 52061, 52062, 52063, 52064, 52066, 52067, 52068, 52069, 52070, 52070.5, and 64001, 20 U.S.C. Sections 6312 and 6314.

APPENDIX B: GUIDING QUESTIONS

Guiding Questions: Annual Review and Analysis

1) How have the actions/services addressed the needs of all pupils and did the provisions of those services result in the desired outcomes?

2) How have the actions/services addressed the needs of all subgroups of pupils identified pursuant to *EC* Section 52052, including, but not limited to, English learners, low-income pupils, and foster youth; and did the provision of those actions/services result in the desired outcomes?

3) How have the actions/services addressed the identified needs and goals of specific school sites and were these actions/services effective in achieving the desired outcomes?

4) What information (e.g., quantitative and qualitative data/metrics) was examined to review progress toward goals in the annual update?

5) What progress has been achieved toward the goal and expected measurable outcome(s)? How effective were the actions and services in making progress toward the goal? What changes to goals, actions, services, and expenditures are being made in the LCAP as a result of the review of progress and assessment of the effectiveness of the actions and services?

6) What differences are there between budgeted expenditures and estimated actual annual expenditures? What were the reasons for any differences?

Guiding Questions: Stakeholder Engagement

1) How have applicable stakeholders (e.g., parents and pupils, including parents of unduplicated pupils and unduplicated pupils identified in *EC* Section 42238.01; community members; local bargaining units; LEA personnel; county child welfare agencies; county office of education foster youth services programs, court-appointed special advocates, and other foster youth stakeholders; community organizations representing English learners; and others as appropriate) been engaged and involved in developing, reviewing, and supporting implementation of the LCAP?

2) How have stakeholders been included in the LEA's process in a timely manner to allow for engagement in the development of the LCAP?

3) What information (e.g., quantitative and qualitative data/metrics) was made available to stakeholders related to the state priorities and used by the LEA to inform the LCAP goal setting process? How was the information made available?

4) What changes, if any, were made in the LCAP prior to adoption as a result of written comments or other feedback received by the LEA through any of the LEA's engagement processes?

5) What specific actions were taken to meet statutory requirements for stakeholder engagement pursuant to *EC* sections 52062, 52068, or 47606.5, as applicable, including engagement with representatives of parents and guardians of pupils identified in *EC* Section 42238.01?

6) What specific actions were taken to consult with pupils to meet the requirements 5 *CCR* Section 15495(a)?

7) How has stakeholder involvement been continued and supported? How has the involvement of these stakeholders supported improved outcomes for pupils, including unduplicated pupils, related to the state priorities?

Guiding Questions: Goals, Actions, and Services

1) What are the LEA's goal(s) to address state priorities related to "Conditions of Learning": Basic Services (Priority 1), the Implementation of State Standards (Priority 2), and Course Access (Priority 7)?

2) What are the LEA's goal(s) to address state priorities related to "Pupil Outcomes": Pupil Achievement (Priority 4), Pupil Outcomes (Priority 8), Coordination of Instruction of Expelled Pupils (Priority 9 – COE Only), and Coordination of Services for Foster Youth (Priority 10 – COE Only)?

3) What are the LEA's goal(s) to address state priorities related to parent and pupil "Engagement": Parental Involvement (Priority 3), Pupil Engagement (Priority 5), and School Climate (Priority 6)?

4) What are the LEA's goal(s) to address any locally-identified priorities?

5) How have the unique needs of individual school sites been evaluated to inform the development of meaningful district and/or individual school site goals (e.g., input from site level advisory groups, staff, parents, community, pupils; review of school level plans; in-depth school level data analysis, etc.)?

6) What are the unique goals for unduplicated pupils as defined in *EC* Section 42238.01 and groups as defined in *EC* Section 52052 that are different from the LEA's goals for all pupils?

7) What are the specific expected measurable outcomes associated with each of the goals annually and over the term of the LCAP?

8) What information (e.g., quantitative and qualitative data/metrics) was considered/reviewed to develop goals to address each state or local priority?

9) What information was considered/reviewed for individual school sites?

10) What information was considered/reviewed for subgroups identified in *EC* Section 52052?

11) What actions/services will be provided to all pupils, to subgroups of pupils identified pursuant to *EC* Section 52052, to specific school sites, to English learners, to low-income pupils, and/or to foster youth to achieve goals identified in the LCAP?

12) How do these actions/services link to identified goals and expected measurable outcomes?

13) What expenditures support changes to actions/services as a result of the goal identified? Where can these expenditures be found in the LEA's budget?

Prepared by the California Department of Education, January 2019

LCAP Year (select from 2017-18, 2018-19, 2019-20)

2019-20

Local Control Accountability Plan and Annual Update (LCAP) Template

[Addendum](): General instructions & regulatory requirements.

[Appendix A](): Priorities 5 and 6 Rate Calculations

[California School Dashboard](): Essential data to support completion of this LCAP. Please analyze the LEA's full data set; specific links to the rubrics are also provided within the template.

LEA Name	Contact Name and Title	Email and Phone
Magnolia Science Academy-7	Fatih Metin, Principal	fmetin@magnoliapublicschools.org (818) 886 0585

2017-20 Plan Summary

The Story

Describe the students and community and how the LEA serves them.

Magnolia Science Academy 7, is a classroom-based charter school serving grades TK-5 with a curriculum emphasis on science, technology, engineering, arts and math (STEAM). Originally founded in 2009, MSA-7's mission is to provide a college motivating educational program emphasizing STEAM in a safe environment that cultivates respect for self and others.

MSA-7 currently has 286 students in grades TK-5, and mainly draws enrollment from Northridge, Reseda, CA and neighboring communities. The neighborhoods that MSA-7 serves are heavily immigrant with a language other than English spoken at home. A high concentration of the families MSA-7 serves face economic challenges. MSA-7 has a diverse enrollment, including 68 % Hispanic/Latino,14 % White, 71.8 % Socioeconomically Disadvantaged, 13.1 % Special Education, and 29.9 % English Learner population.

MPS strives to graduate students who come from historically underserved neighborhoods as scientific thinkers that contribute to the global community as socially responsible and educated members of society. We offer a comprehensive learning experience designed to serve the needs of our students through effective site-based instruction, rich hands-on learning, and foundation skills presented in ways that are relevant and inspiring for our students. Classroom instruction at MSA-7 is supplemented by tutoring, after-school programs, and school-to-out of school resources links.

LCAP Highlights

Identify and briefly summarize the key features of this year's LCAP.

The Charter School LCAP committee has reviewed input from all stakeholders and available data through surveys and student performance data. Based on input and data, we have revised our existing actions/services and measurable outcomes and also planned for new ones. Some of the highlights include:

♣ Parents' appreciation of being involved in the decision-making process
♣ The need to continue our improvements in designated/integrated English Learner services by adding one more Teacher Aide serving EL students.
♣ Expanding after school, Saturday school, and summer school opportunities; refining targeted intervention and tutoring programs
♣ Providing counseling and positive behavior intervention support services to our students

♣ Keeping effective teachers and improving teacher observation and evaluation systems and improving staff qualification by various PD's including tuition reimbursement. Additional Math Coach and Math focused PD for GED teachers also planned.

Technology Improvemet also planned in this LCAP.

Enrichment programs implemented for gifted and high achieving students such as Math Olympiad Club, STEAM Enrichment Club. Art integration continued with CSUN Art Coaches. With Music Center Grant it is expanded.
The Charter School has also worked on its expected annual measurable outcomes to set targets in areas of greatest need and to close performance gaps among student groups. Those include supporting Students with IEPs, EL students, Social and economically disadvantaged students in English Language Arts and in Mathematics.

Review of Performance

Based on a review of performance on the state indicators and local performance indicators included in the California School Dashboard, progress toward LCAP goals, local self-assessment tools, stakeholder input, or other information, what progress is the LEA most proud of and how does the LEA plan to maintain or build upon that success? This may include identifying any specific examples of how past increases or improvements in services for low-income students, English learners, and foster youth have led to improved performance for these students.

Greatest Progress

MSA-7 data manager, admin team, survey results and annual site visit auditors from LAUSD provided data and information available. It has identified the following as areas of strength. • Suspension Indictor on the California Dashboard is at a blue or very low rate and continues to maintain this measure • English Language Progress Indicator on the California Dashboard is at a blue or very high level and continues to maintain this measure

• English Language Arts indicator on the California Dashboard is orange and all students made improvement from the spring of 2018 to fall of 2018.

.

• Mathematics indicators on the California Dashboard is also orange,

 LAUSD Site Visitors (Charter School Department Auditors) shared the comparison table of similar schools and according to it MSA-7 is higher than all shared (neighborhood) similar schools in ELA and MATH according to the 2018 SBAC results.

In terms of organizational, management, and programs area LAUSD Charter School Department Site visitors gave full point 4 over 4 in 3 areas and 3 out of 4 in one area to MSA-7.

MSA-7 seeks to continually development professional learning opportunities for all stakeholders in the area of socioemotional development, especially staff that is continually tasked with supporting students beyond the daily academic challenges. Potential trainings include development in executive functioning skills. MSA-7 continues to be proud of their efforts to develop the capacity of English Language Learners. In ELA the decline is 10.5 points and In Mathematics the decline is 21.3points for SPED students according to the SBAC test. Continual support and compliance is provided to the staff in the form of professional learning opportunities, grade level meetings, webinars, and other trainings. In the classroom, students are introduced to all components of common core education model. Continually learning in this field will be provided to all stakeholders, especially since the state expectations are continually changing

Referring to the California School Dashboard, identify any state indicator or local performance indicator for which overall performance was in the "Red" or "Orange" performance category or where the LEA received a "Not Met" or "Not Met for Two or More Years" rating. Additionally, identify any areas that the LEA has determined need significant improvement based on review of local performance indicators or other local indicators. What steps is the LEA planning to take to address these areas with the greatest need for improvement?

Greatest Needs

MSA-7 stakeholders conducted analyses of data and information available. It has identified the following as areas of need in order to close the achievement gap.

• Mathematics indicator on the California Dashboard is at orange or low for all student groups. Socioeconomically disadvantaged, Latino and EL students are on the color indicator of red.

• English Language Arts indicator on the California Dashboard is at orange or low for all students. Again, Socioeconomically disadvantaged, Latino and EL students are on the color indicator of red.

• Per student survey, growth mindset and unseen bullying should be addressed.

• Per staff and parent survey, building maintenance is an important need with additional restroom.

One other need is high absenteeism and truancy rate.

MSA-7 seeks to continually development professional learning opportunities in both the areas of ELA and Mathematics. One of the new positions being activated is absenteeism and truancy outreach position who will increase communication with parents in this area.

MSA-7 is utilizing the inclusion model on campus. Plans are being created to identify a coordinator to oversee SpEd compliance and training for all teachers in their work with students of special needs. Additional support will be in the form of classroom collaborative teaching and planning, research and identifying trainings to fulfil the areas of need, and seek opportunities to collaborate with other schools in the area of full inclusion.

MSA-7 seeks to further understand the needs of the teaching community and identify the factors that will empower teachers to develop their craft in the community of service. Strategies include providing home office orientation, site based orientation that addresses school and individual needs, mentorship program with a seasoned staff member on site, and other factors that are currently being investigated and started to use free volunteers for tutoring.

Referring to the California School Dashboard, identify any state indicator for which performance for any student group was two or more performance levels below the "all student" performance. What steps is the LEA planning to take to address these performance gaps?

Performance Gaps

There is no two level discrepancy between any subgroup and overall average, however, Greatest Area of Need can be considered as

• Math, Student Group: English Language Learners, Socioeconomically disadvantaged students, SPED students and Latino students

• English Language Arts, Student Group is again similar as above: English Language Learners, Socioeconomically disadvantaged students, SPED students and Latino students.

Because of their color is red.

Intervention/Action Plan English Language Learners, Socioeconomically disadvantaged students, SPED students and Latino students have been identified as the group of greatest need on the school site in the area of mathematics and English Language Arts. MSA-7 is currently in the process of developing a plan to provide more tutoring with more tutors and more flexible times such as after school and Saturday school in addition to summer school. The assigned data manager (RtI) coordinator will help defining the individualized needs of the students.

School site Math and AR coordinators will focus on all students support programs.

Secondly, we will continue to provide access to intervention programs, like Next Gen Math Program which students can utilize at school and home. Families will be educated on the resources that are available for academic support.

Lastly, there is continual effort to provide sheltered instruction, which is an approach to teaching English Language Learners in a manner that makes the content comprehendible to the learner.

MSA-7 has identified that there are students that qualify under all categories with a learning English Language Learner, Latino and socioeconomically disadvantaged students.

Continuous support with increased parent communication will help to fix this gap. Also continuous trainings for teachers and TAs will increase efficiency.

Comprehensive Support and Improvement

An LEA with a school or schools identified for comprehensive support and improvement (CSI) under the Every Student Succeeds Act must respond to the following prompts.

Schools Identified

Identify the schools within the LEA that have been identified for CSI.

N/A

Support for Identified Schools

Describe how the LEA supported the identified schools in developing CSI plans that included a school-level needs assessment, evidence-based interventions, and the identification of any resource inequities to be addressed through the implementation of the CSI plan.

N/A

Monitoring and Evaluating Effectiveness

Describe how the LEA will monitor and evaluate the implementation and effectiveness of the CSI plan to support student and school improvement.

N/A

Action 12

Planned Actions/Services	Actual Actions/Services	Budgeted Expenditures	Estimated Actual Expenditures
Charter School will increase college awareness by organizing college career weeks and field trips to colleges	College Career week expenses and field trip expenses.	9,000 (Base 5819,5830)	9,000

Analysis

Complete a copy of the following table for each of the LEA's goals from the prior year LCAP. Duplicate the table as needed. Use actual annual measurable outcome data, including performance data from the LCFF Evaluation Rubrics, as applicable.

Describe the overall implementation of the actions/services to achieve the articulated goal.

We have implemented all of the actions/services described above to achieve our EXCELLENCE goal. We are compliant with our teacher assignments; we offer standards-based instruction and our students have sufficient access to standards-aligned instructional materials; we do facility inspections periodically; we regularly review student performance data and progress towards targets with our staff and continue to provide additional supports and interventions to all students, including ELs, during the school day, after school hours, and on Saturday; we provide our ELs with designated and integrated EL instruction.

Describe the overall effectiveness of the actions/services to achieve the articulated goal as measured by the LEA.

The actions/services have been effective as measured by progress towards our annual measurable outcomes. EL Reclassification rate is 21%.Chronic absenteeism rate is decreased with the new implementations.

Explain material differences between Budgeted Expenditures and Estimated Actual Expenditures.

Pg 18

We budgeted BTSA for one teachers. We budgeted Clad for one staff member and we budgeted 2 of staff members improvement payments in the educational field. School maintenance cost 8K more than budgeted because of MSA-7's building is very old and it needs frequent maintenance. Also textbook allocation increased about 12K since some new common core aligned books are published by the company so we adopted them.

Describe any changes made to this goal, expected outcomes, metrics, or actions and services to achieve this goal as a result of this analysis and analysis of the LCFF Evaluation Rubrics, as applicable. Identify where those changes can be found in the LCAP.

We will maintain our goal and the majority of our expected outcomes, metrics, and actions and services. We have updated our annual measurable outcomes with new performance targets for the upcoming school year based on input from all stakeholders and available data through surveys and student performance data. We will continue to provide all the actions/services for this goal with minor adjustments based on student and school needs. The updated outcomes and actions/services can be found in the Goals, Actions, & Services section of the LCAP. We want to increase data usage more. We want to increase support for EL, Socioeconomically disadvantaged and Latino students by extra tutoring and counselling programs. Also we will improve facility by facility improvement grant.

Goal 2

INNOVATION: All students will pursue academic excellence and be college/career ready.

State and/or Local Priorities addressed by this goal:

State Priorities: 7 and 8

Local Priorities: N/A

Annual Measurable Outcomes

Expected	Actual
Percentage of the programs and services outlined in the charter petition that will be provided as measured by student interest surveys for elective courses and programs, master school schedule, and class rosters: 100%	Percentage of the programs and services outlined in the charter petition that we provide, certain programs and services being dependent on student need and interest: 100%
Percentage of students who will have sufficient access to all academic and educational programs provided by the Charter School as measured by student interest surveys for elective courses and programs, master school schedule, and class rosters: 100%	Percentage of students who have sufficient access to all academic and educational programs provided by the Charter School as measured by student interest surveys for elective courses and programs, master school schedule, and class rosters: 100%.
At least 87% of the students will be enrolled in the Charter school's STEAM Club	At least 90% of the students will be enrolled in the Charter school's STEAM Club
Percentage of our graduates who will have taken a Computer/Technology class and/or experienced blended learning in their program of study: 100%	Percentage of our seniors who have taken a Computer/Technology class and/or experienced blended learning in their program of study: 100%

Analysis

Complete a copy of the following table for each of the LEA's goals from the prior year LCAP. Duplicate the table as needed. Use actual annual measurable outcome data, including performance data from the LCFF Evaluation Rubrics, as applicable.

Describe the overall implementation of the actions/services to achieve the articulated goal.

We have implemented all of the actions/services described above to achieve our INNOVATION goal. We provide courses, electives, programs, and services outlined in our charter petition, certain programs and services being dependent on student need and interest; our master schedule is designed to meet the needs of all students; we offer Math Olympiad Club, Wonder Media Club, Coding Club, Drama Club and Computer Classes; and provide opportunities for students to create or demonstrate a STEAM focused project with CSUN Collaboration, experiment, model or demo.

Describe the overall effectiveness of the actions/services to achieve the articulated goal as measured by the LEA.

The actions/services have been effective as measured by progress towards our annual measurable outcomes. 24 high achieving and gifted students are invited to Math Olympiad Club. All 290 elementary school students got Computer Class and passing rate is 100%. All 290 students participated to the school wide project competition. Some participated as a group and showed their demonstrations. Selected 80 students participated Magnolia Wide STEAM EXPO. All students had art class which is STEAM collaboration. Students draw pictures of natural disasters such as tsunami, erosion, earthquake etc.

Explain material differences between Budgeted Expenditures and Estimated Actual Expenditures.

We only have minor differences between Budgeted and Estimated Actual Expenditures. When we implemented some new programs we made budget transfer from other sources. Since we used CSUN Collaboration and Music Center Grant, we did many of the Art Collaboration projects very inexpensive way.

Describe any changes made to this goal, expected outcomes, metrics, or actions and services to achieve this goal as a result of this analysis and analysis of the LCFF Evaluation Rubrics, as applicable. Identify where those changes can be found in the LCAP.

Pg 23

We will maintain our goal and expected outcomes, metrics, and actions and services. We have updated our budget for the upcoming school year based on technology needs and input from all stakeholders. We will continue to provide all the actions/services for this goal with minor adjustments based on student and school needs. The updated outcomes and actions/services can be found in the Goals, Actions, & Services section of the LCAP. We will continue to have Math Olympiad Club, Wonder Media and we will continue collaboration with Music Center while teaching STEM. We will improve the school's technology by renewing staff computers and classroom computer stations.

Pg 24

Goal 3

CONNECTION: All students, families, staff, and other stakeholders will feel a sense of community and connectedness.

State and/or Local Priorities addressed by this goal:

State Priorities: 3, 5, and 6

Local Priorities: N/A

Annual Measurable Outcomes

Teachers will establish classroom management procedures, foster positive relationships, and help create an atmosphere of trust, respect, and high expectations.	Our staff acknowledges and encourages positive student behavior and improvements. Our teachers have established classroom management procedures, fostered positive relationships, and helped create an atmosphere of trust, respect, and high expectations.	$7,500 PD related expenses on PBIS, restorative practices, classroom management (5000)(Base)3 teachers attended weekly once free LAUSD PD substitute teacher expenses	$7,500 PD related expenses on PBIS, restorative practices, classroom management (5000)(Base)

Pg 29

Action 9

Planned Actions/Services	Actual Actions/Services	Budgeted Expenditures	Estimated Actual Expenditures
Charter School will annually administer school experience surveys to students, parents, and staff.	We have administered school experience surveys to our students, parents, and staff.	$1,400 Panorama Education surveys (5000)(Base)	$1,050 Panorama Education surveys (5000)(Base)

Analysis

Complete a copy of the following table for each of the LEA's goals from the prior year LCAP. Duplicate the table as needed. Use actual annual measurable outcome data, including performance data from the LCFF Evaluation Rubrics, as applicable.

Describe the overall implementation of the actions/services to achieve the articulated goal.

We have implemented all of the actions/services described above to achieve our CONNECTION goal. We have held quarterly SSC, ELAC, and PTF meetings; hosted parent activities/events; provided parents with access to our SIS; visited our students at their homes; encouraged and supported student attendance; provided support to ensure timely high school graduation; implemented alternatives to suspension/expulsion, including restorative practices; acknowledged and encouraged positive student behavior and improvements; and administered school experience surveys to our students, parents, and staff.

Describe the overall effectiveness of the actions/services to achieve the articulated goal as measured by the LEA.

The actions/services have been effective as measured by progress towards our annual measurable outcomes. Expulsion and suspension rate are both 0 percent. Overall school experience for parents 98%, for staff 95 % and for students 75%. ADA is 95.27 % and it will be continued to be addressed in this coming year.

Explain material differences between Budgeted Expenditures and Estimated Actual Expenditures.

Pg 30

We only have minor differences between Budgeted and Estimated Actual Expenditures. We reached the free qualified training programs for our staff such as MTSS training . 4 of our staff members participated 4 times during the year. To cover their classes we paid more than $4000 to substitute companies.

Describe any changes made to this goal, expected outcomes, metrics, or actions and services to achieve this goal as a result of this analysis and analysis of the LCFF Evaluation Rubrics, as applicable. Identify where those changes can be found in the LCAP.

We will maintain our goal and the majority of our expected outcomes, metrics, and actions and services. We have updated our annual measurable outcomes for school experience survey average approval rates. Based on input from all stakeholders, we will start to hold events that promote parental participation as well as parent training activities. We will focus on acknowledging positive student behavior and restorative practices. We will continue to offer PD to our teachers on classroom management and student engagement procedures to help create an atmosphere of trust, respect, and high expectations. We will continue to provide all the actions/services for this goal with minor adjustments based on student and school needs. The updated outcomes and actions/services can be found in the Goals, Actions, & Services section of the LCAP.

Pg 31

Stakeholder Engagement

LCAP Year: **2019–20**

Involvement Process for LCAP and Annual Update

How, when, and with whom did the LEA consult as part of the planning process for this LCAP/Annual Review and Analysis?

In order to promote learning and provide a more positive learning experience for our students, MSA-7 has established a culture of gathering input from parents, students, staff, community members, and other stakeholders through multiple channels including meetings, school events, surveys, home visits, newsletters, and other means of communication. To the extent possible, all stakeholders are invited to be involved in the process of school review and improvement including the development of our annual LCAP.

Information/input sessions include Parent Task Force (PTF) meetings, School Site Council (SSC) meetings, English Learner Advisory Committee (ELAC) meetings, Board of Directors meetings, Principal meetings, and staff meetings. Parents on our PTF and SSC also serve as our parent advisory committee for LCAP. Along with ELAC, such committees provide for representation of students in need (low income, English learners, foster youth, etc.) Feedback from our parent advisory committee and ELAC provide valuable input for the new LCAP. In addition, the Charter School conducts surveys for parents, students, and staff, and the Charter School staff make home visits. These all serve as a way to inform, educate, and gather input & feedback from all critical stakeholders.

The Charter School has an approved charter petition with measurable student outcomes and methods to assess student progress, an SSD plan with planned improvement in student performance in reading and mathematics and in programs for English Learners, and a WASC action plan for continuous school improvement. Therefore, LCAP is received by our community as a comprehensive planning tool that draws from all other school plans and addresses the state priorities and locally identified priorities.

The Charter School has held its periodical meetings this year to gather input from our stakeholders. These include four PTF meetings, five SSC meetings, four ELAC meetings, at least seven parent activities/events including , weekly staff meetings, and other stakeholder meetings. The school conducted a family, staff, and student experience survey with specific questions on the sense of safety and school connectedness, school culture and climate, and other areas of school improvement. A majority of our stakeholders participated in this survey. The Charter School staff has also made 68 home visits during this school year and sought feedback from the parents for school improvement.

Pg 32

Impact on LCAP and Annual Update

How did these consultations impact the LCAP for the upcoming year?

The Charter School LCAP committee has reviewed input from all stakeholders and synthesized input to revise existing actions/services and measurable outcomes and also plan for new ones in the LCAP for the upcoming year. Some of the updates include:

☐ Improvements in designated/integrated English Learner services

☐ Expanding after school, Saturday school, and summer school opportunities

☐ Providing counseling and behavior support services to our students

☐ Improving teacher observation and evaluation systems and keeping effective teachers

☐ Increasing attendance rate by offering more parent trainings and putting system in place by assigning absenteeism clerk.

☐ Investing in effective technology and teacher professional development in blended learning and differentiated instruction to enhance instruction in the classroom

☐ Expanding STEAM-based programs and activities

☐ Other input includes improving school facilities and the lunch program.

Pg 33

Goals, Actions, & Services

Strategic Planning Details and Accountability

Complete a copy of the following table for each of the LEA's goals. Duplicate the table as needed.

(Select from New Goal, Modified Goal, or Unchanged Goal)

Unchanged Goal

Goal 1

EXCELLENCE: All students will pursue academic excellence and be college/career ready.

State and/or Local Priorities addressed by this goal:

State Priorities: 1, 2, 4, and 8

Local Priorities: N/A

Identified Need:

Priority 1:

☐ To ensure teachers are appropriately assigned and fully credentialed

☐ To ensure students have sufficient access to standards-aligned instructional materials

☐ To ensure school facilities are maintained in good repair

Priority 2:

☐ To ensure implementation of state board adopted academic content and performance standards for all students

Priority 4:

Pg 34

☐ To ensure students meet or exceed standard on CASSPP-ELA/Literacy and Mathematics assessments

☐ To ensure EL students make annual progress in learning English

☐ To ensure our students are college/career ready

Priority 8:

☐ To ensure student proficiency in all courses

Expected Annual Measurable Outcomes

Unchanged Goal

Goal 3

CONNECTION: All students, families, staff, and other stakeholders will feel a sense of community and connectedness.

State and/or Local Priorities addressed by this goal:

State Priorities: 3, 5, and 6

Local Priorities: N/A

Identified Need:

Priority 3:

☐ To seek parent input in making decisions for the Charter School

☐ To promote parental participation in programs

Priority 5:

☐ To increase student attendance

☐ To avoid chronic absenteeism

Priority 6:

☐ To avoid student suspension

☐ To avoid student expulsion

☐ To increase the sense of safety and school connectedness

Pg 71

Expected Annual Measurable Outcomes

Demonstration of Increased or Improved Services for Unduplicated Pupils

LCAP Year: **2019–20**

Estimated Supplemental and Concentration Grant Funds	Percentage to Increase or Improve Services
$ 607,762	25.94 %

Describe how services provided for unduplicated pupils are increased or improved by at least the percentage identified above, either qualitatively or quantitatively, as compared to services provided for all students in the LCAP year.

Identify each action/service being funded and provided on a schoolwide or LEA-wide basis. Include the required descriptions supporting each schoolwide or LEA-wide use of funds (see instructions).

☐ Charter School will continue to provide services to ELs by proficiency level and provide ELD instruction aligned to the CA ELD standards and framework. Charter School will provide our ELs with core and supplemental ELD instructional materials and provide our teachers with PD focused on ELD standards. Our EL coordinator will monitor EL student progress in program implementation according to our EL Master Plan.

☐ Charter School teachers will provide instruction using integrated ELD instructional strategies as outlined in the CHATS framework (and other research-based strategies such as SDAIE) to all students, including ELs. Charter School will provide culturally and linguistically relevant materials for students. ELs will receive further in-class instructional support which includes one-on-one teacher support and small group instruction. Charter School will strive to provide bilingual instructional assistants to provide primary language support to enable students to access content area instruction while gaining language proficiency. Charter School will ensure that teachers participate in PD on ELD instructional strategies and CHATS framework.

☐ ELD and ELA teachers will provide designated ELD to all EL students, with EL students who are Levels 1-3 participating in a full class period of targeted, protected ELD (differentiated by proficiency level), and Levels 4-5 receiving designated ELD in their ELA class, and, where possible, in an additional 25 minute session that focuses on reading and writing strategies, practice in speaking and listening, and academic vocabulary.

☐ During the day, Charter School will provide additional supports and interventions to all students, including ELs. Charter School will provide additional supports and interventions to all students, including ELs, during after school hours and on Saturday. Charter School

strives to refine targeted intervention and tutoring programs and plans to expand after school, Saturday school, and summer school opportunities.

☐ Charter Scholl will provide ongoing Parent Training for all our parents, including bilingual parents. SSC, ELAC, and PTF meetings, are some of the venues we will provide training to our parents. Charter School will provide targeted assistance to low income students and their families in career/college readiness activities and guidance. Parent training topics include, but are not limited to, how to assist students academically and behaviorally, how to navigate the educational system, including higher education, and other areas that will benefit all our students, including our unduplicated students.

☐ Foster youth will receive educational counseling. Foster youth will receive academic supports and remediation and will be encouraged and supported to engage in extracurricular activities in order to mitigate the effects of school mobility on foster youth.

☐ Research has shown that one of the keys to successful teaching and schooling is creating personal connections with students inside and outside of school. Knowing the students' outside interests, families, and home routines, and then using this information to connect in meaningful, individualized ways can have huge rewards in helping to create happier, healthier, and smarter kids. Recognizing these facts, Charter School uses home visits as one of the important features of its education program to not only improve student and school performance, but also to identify and intervene early with students performing below grade level.

☐ Charter School staff will implement restorative practices and PBIS to build positive communities and increase school connectedness. Charter School will provide academic supports and remediation, Life Skills classes, counseling, and social-emotional support to our students. Our teachers will establish classroom management procedures, foster positive relationships, and help create an atmosphere of trust, respect, and high expectations. Charter School will ensure that staff participate in PD on restorative practices and PBIS. Our Dean of Students and Behavior Counselor/School Psychologist will monitor student behavior and social-emotional progress.

Pg 90

LCAP Year: **2018–19**

Estimated Supplemental and Concentration Grant Funds	Percentage to Increase or Improve Services
$ 549,846	24.90 %

Describe how services provided for unduplicated pupils are increased or improved by at least the percentage identified above, either qualitatively or quantitatively, as compared to services provided for all students in the LCAP year.

Identify each action/service being funded and provided on a schoolwide or LEA-wide basis. Include the required descriptions supporting each schoolwide or LEA-wide use of funds (see instructions).

☐ Charter School will continue to provide services to ELs by proficiency level and provide ELD instruction aligned to the CA ELD standards and framework. Charter School will provide our ELs with core and supplemental ELD instructional materials and provide our teachers with PD focused on ELD standards. Our EL coordinator will monitor EL student progress in program implementation according to our EL Master Plan.

☐ Charter School teachers will provide instruction using integrated ELD instructional strategies as outlined in the CHATS framework (and other research-based strategies such as SDAIE) to all students, including ELs. Charter School will provide culturally and linguistically relevant materials for students. ELs will receive further in-class instructional support which includes one-on-one teacher support and small group instruction. Charter School will strive to provide bilingual instructional assistants to provide primary language support to enable students to access content area instruction while gaining language proficiency. Charter School will ensure that teachers participate in PD on ELD instructional strategies and CHATS framework.

Addendum

The Local Control and Accountability Plan (LCAP) and Annual Update Template documents and communicates local educational agencies' (LEAs) actions and expenditures to support student outcomes and overall performance. The LCAP is a three-year plan, which is reviewed and updated annually, as required. Charter schools may complete the LCAP to align with the term of the charter school's budget, typically one year, which is submitted to the school's authorizer. The LCAP and Annual Update Template must be completed by all LEAs each year.

For school districts, the LCAP must describe, for the school district and each school within the district, goals and specific actions to achieve those goals for all students and each student group identified by the Local Control Funding Formula (LCFF) (ethnic, socioeconomically disadvantaged, English learners, foster youth, pupils with disabilities, and homeless youth), for each of the state priorities and any locally identified priorities.

For county offices of education, the LCAP must describe, for each county office of education-operated school and program, goals and specific actions to achieve those goals for all students and each LCFF student group funded through the county office of education (students attending juvenile court schools, on probation or parole, or expelled under certain conditions) for each of the state priorities and any locally identified priorities. School districts and county offices of education may additionally coordinate and describe in their LCAPs services funded by a school district that are provided to students attending county-operated schools and programs, including special education programs.

If a county superintendent of schools has jurisdiction over a single school district, the county board of education and the governing board of the school district may adopt and file for review and approval a single LCAP consistent with the requirements in Education Code (EC) sections 52060, 52062, 52066, 52068, and 52070. The LCAP must clearly articulate to which entity's budget (school district or county superintendent of schools) all budgeted and actual expenditures are aligned.

Charter schools must describe goals and specific actions to achieve those goals for all students and each LCFF subgroup of students including students with disabilities and homeless youth, for each of the state priorities that apply for the grade levels served or the nature of the program operated by the charter school, and any locally identified priorities. For charter schools, the inclusion and description of goals for state priorities in the LCAP may be modified to meet the grade levels served and the nature of the programs provided, including modifications to reflect only the statutory requirements explicitly applicable to charter schools in the EC. Changes in LCAP goals and actions/services for charter schools that result from the annual update process do not necessarily constitute a material revision to the school's charter petition.

For questions related to specific sections of the template, please see instructions below:

Instructions: Linked Table of Contents

For additional questions or technical assistance related to completion of the LCAP template, please contact the local county office of education, or the CDE's Local Agency Systems Support Office at: 916-319-0809 or by email at: lcff@cde.ca.gov.

Plan Summary

The LCAP is intended to reflect an LEA's annual goals, actions, services and expenditures within a fixed three-year planning cycle. LEAs must include a plan summary for the LCAP each year.

When developing the LCAP, enter the appropriate LCAP year, and address the prompts provided in these sections. When developing the LCAP in year 2 or year 3, enter the appropriate LCAP year and replace the previous summary information with information relevant to the current year LCAP.

In this section, briefly address the prompts provided. These prompts are not limits. LEAs may include information regarding local program(s), community demographics, and the overall vision of the LEA. LEAs may also attach documents (e.g., the California School Dashboard data reports) if desired and/or include charts illustrating goals, planned outcomes, actual outcomes, or related planned and actual expenditures.

An LEA may use an alternative format for the plan summary as long as it includes the information specified in each prompt and the budget summary table.

The reference to California School Dashboard means the California School Dashboard adopted by the State Board of Education under *EC* Section 52064.5.

Comprehensive Support and Improvement

An LEA with a school or schools identified for comprehensive support and improvement (CSI) under the Every Student Succeeds Act must respond to the following prompts:

- **Schools Identified:** Identify the schools within the LEA that have been identified for CSI.

- **Support for Identified Schools:** Describe how the LEA supported the identified schools in developing CSI plans that included a school-level needs assessment, evidence-based interventions, and the identification of any resource inequities to be addressed through the implementation of the CSI plan.
- **Monitoring and Evaluating Effectiveness:** Describe how the LEA will monitor and evaluate the implementation and effectiveness of the CSI plan to support student and school improvement.

Annual Update

The planned goals, expected outcomes, actions/services, and budgeted expenditures must be copied verbatim from the previous year's* approved LCAP; in addition, list the state and/or local priorities addressed by the planned goals. Minor typographical errors may be corrected.

> * For example, for LCAP year 2017/18 of the 2017/18 – 2019/20 LCAP, review the goals in the 2016/17 LCAP. Moving forward, review the goals from the most recent LCAP year. For example, LCAP year 2020/21 will review goals from the 2019/20 LCAP year, which is the last year of the 2017/18 – 2019/20 LCAP.

Annual Measurable Outcomes

> For each goal in the prior year, identify and review the actual measurable outcomes as compared to the expected annual measurable outcomes identified in the prior year for the goal.

Actions/Services

> Identify the planned Actions/Services and the budgeted expenditures to implement these actions toward achieving the described goal. Identify the **actual** actions/services implemented to meet the described goal and the estimated actual annual expenditures to implement the actions/services. As applicable, identify any changes to the students or student groups served, or to the planned location of the actions/services provided.

Analysis

> Using actual annual measurable outcome data, including data from the California School Dashboard, analyze whether the planned actions/services were effective in achieving the goal. Respond to the prompts as instructed.

- Describe the overall implementation of the actions/services to achieve the articulated goal. Include a discussion of relevant challenges and successes experienced with the implementation process.
- Describe the overall effectiveness of the actions/services to achieve the articulated goal as measured by the LEA.
- Explain material differences between Budgeted Expenditures and Estimated Actual Expenditures. Minor variances in expenditures or a dollar-for-dollar accounting is not required.
- Describe any changes made to this goal, expected outcomes, metrics, or actions and services to achieve this goal as a result of this analysis and analysis of the data provided in the California School Dashboard, as applicable. Identify where those changes can be found in the LCAP.

Stakeholder Engagement

Meaningful engagement of parents, students, and other stakeholders, including those representing the student groups identified by LCFF, is critical to the development of the LCAP and the budget process. *EC* identifies the minimum consultation requirements for school districts and county offices of education as consulting with teachers, principals, administrators, other school personnel, local bargaining units of the school district, parents, and pupils in developing the LCAP. *EC* requires charter schools to consult with teachers, principals, administrators, other school personnel, parents, and pupils in developing the LCAP. In addition, *EC* Section 48985 specifies the requirements for the translation of notices, reports, statements, or records sent to a parent or guardian.

The LCAP should be shared with, and LEAs should request input from, school site-level advisory groups, as applicable (e.g., school site councils, English Learner Advisory Councils, student advisory groups, etc.), to facilitate alignment between school-site and district-level goals and actions. An LEA may incorporate or reference actions described in other plans that are being undertaken to meet specific goals.

Instructions: The stakeholder engagement process is an ongoing, annual process. The requirements for this section are the same for each year of a three-year LCAP. When developing the LCAP, enter the appropriate LCAP year, and describe the stakeholder engagement process used to develop the LCAP and Annual Update. When developing the LCAP in year 2 or year 3, enter the appropriate LCAP year and replace the previous stakeholder narrative(s) and describe the stakeholder engagement process used to develop the current year LCAP and Annual Update.

School districts and county offices of education: Describe the process used to consult with the Parent Advisory Committee, the English Learner Parent Advisory Committee, parents, students, school personnel, the LEA's local bargaining units, and the community to inform the development of the LCAP and the annual review and analysis for the indicated LCAP year.

Charter schools: Describe the process used to consult with teachers, principals, administrators, other school personnel, parents, and students to inform the development of the LCAP and the annual review and analysis for the indicated LCAP year.

Describe how the consultation process impacted the development of the LCAP and annual update for the indicated LCAP year, including the goals, actions, services, and expenditures.

Goals, Actions, and Services

LEAs must include a description of the annual goals, for all students and each LCFF identified group of students, to be achieved for each state priority as applicable to type of LEA. An LEA may also include additional local priorities. This section shall also include a description of the specific planned actions an LEA will take to meet the identified goals, and a description of the expenditures required to implement the specific actions.

School districts and county offices of education: The LCAP is a three-year plan, which is reviewed and updated annually, as required.

Charter schools: The number of years addressed in the LCAP may align with the term of the charter schools budget, typically one year, which is submitted to the school's authorizer. If year 2 and/or year 3 is not applicable, charter schools must specify as such.

New, Modified, Unchanged

As part of the LCAP development process, which includes the annual update and stakeholder engagement, indicate if the goal, identified need, related state and/or local priorities, and/or expected annual measurable outcomes for the current LCAP year or future LCAP years are modified or unchanged from the previous year's LCAP; or, specify if the goal is new.

Goal

State the goal. LEAs may number the goals using the "Goal #" box for ease of reference. A goal is a broad statement that describes the desired result to which all actions/services are directed. A goal answers the question: What is the LEA seeking to achieve?

Related State and/or Local Priorities

List the state and/or local priorities addressed by the goal. The LCAP must include goals that address each of the state priorities, as applicable to the type of LEA, and any additional local priorities; however, one goal may address multiple priorities. (Link to State Priorities)

Identified Need

Describe the needs that led to establishing the goal. The identified needs may be based on quantitative or qualitative information, including, but not limited to, results of the annual update process or performance data from the California School Dashboard, as applicable.

Expected Annual Measurable Outcomes

For each LCAP year, identify the metric(s) or indicator(s) that the LEA will use to track progress toward the expected outcomes. LEAs may identify metrics for specific student groups. Include in the baseline column the most recent data associated with this metric or indicator available at the time of adoption of the LCAP for the first year of the three-year plan. The most recent data associated with a metric or indicator includes data as reported in the annual update of the LCAP year immediately preceding the three-year plan, as applicable. The baseline data shall remain unchanged throughout the three-year LCAP. In the subsequent year columns, identify the progress to be made in each year of the three-year cycle of the LCAP. Consider how expected outcomes in any given year are related to the expected outcomes for subsequent years.

The metrics may be quantitative or qualitative, but at minimum an LEA must use the applicable required metrics for the related state priorities, in each LCAP year as applicable to the type of LEA. For the student engagement priority metrics, as applicable, LEAs must calculate the rates as described in the LCAP Template Appendix, sections (a) through (d).

Planned Actions/Services

For each action/service, the LEA must complete either the section "For Actions/Services not included as contributing to meeting Increased or Improved Services Requirement" or the section "For Actions/Services included as contributing to meeting the Increased or Improved Services Requirement." The LEA shall not complete both sections for a single action.

For Actions/Services Not Contributing to Meeting the Increased or Improved Services Requirement

Students to be Served

The "Students to be Served" box is to be completed for all actions/services except for those which are included by the LEA as contributing to meeting the requirement to increase or improve services for unduplicated students. Indicate in this box which students will benefit from the actions/services by entering "All", "Students with Disabilities", or "Specific Student Group(s)". If "Specific Student Group(s)" is entered, identify the specific student group(s) as appropriate.

Location(s)

Identify the location where the action/services will be provided. If the services are provided to all schools within the LEA, the LEA must identify "All Schools". If the services are provided to specific schools within the LEA or specific grade spans only, the LEA must enter "Specific Schools" or "Specific Grade Spans". Identify the individual school or a subset of schools or grade spans (e.g., all high schools or grades K-5), as appropriate.

Charter schools operating more than one site, authorized within the same charter petition, may choose to distinguish between sites by entering "Specific Schools" and identifying the site(s) where the actions/services will be provided. For charter schools operating only one site, "All Schools" and "Specific Schools" may be synonymous and, therefore, either would be appropriate. Charter schools may use either term provided they are used in a consistent manner through the LCAP.

For Actions/Services Contributing to Meeting the Increased or Improved Services Requirement:

Students to be Served

For any action/service contributing to the LEA's overall demonstration that it has increased or improved services for unduplicated students above what is provided to all students (see Demonstration of Increased or Improved Services for Unduplicated Students section, below), the LEA must identify the unduplicated student group(s) being served.

Scope of Service

For each action/service contributing to meeting the increased or improved services requirement, identify the scope of service by indicating "LEA-wide", "Schoolwide", or "Limited to Unduplicated Student Group(s)". The LEA must identify one of the following three options:

- If the action/service is being funded and provided to upgrade the entire educational program of the LEA, enter "LEA-wide."

- If the action/service is being funded and provided to upgrade the entire educational program of a particular school or schools, enter "schoolwide".

- If the action/service being funded and provided is limited to the unduplicated students identified in "Students to be Served", enter "Limited to Unduplicated Student Group(s)".

  For charter schools and single-school school districts, "LEA-wide" and "Schoolwide" may be synonymous and, therefore, either would be appropriate. For charter schools operating multiple schools (determined by a unique CDS code) under a single charter, use "LEA-wide" to refer to all schools under the charter and use "Schoolwide" to refer to a single school authorized within the same charter petition. Charter schools operating a single school may use "LEA-wide" or "Schoolwide" provided these terms are used in a consistent manner through the LCAP.

Location(s)

Identify the location where the action/services will be provided. If the services are provided to all schools within the LEA, the LEA must indicate "All Schools". If the services are provided to specific schools within the LEA or specific grade spans only, the LEA must enter "Specific Schools" or "Specific Grade Spans". Identify the individual school or a subset of schools or grade spans (e.g., all high schools or grades K-5), as appropriate.

Charter schools operating more than one site, authorized within the same charter petition, may choose to distinguish between sites by entering "Specific Schools" and identify the site(s) where the actions/services will be provided. For charter schools operating only one site, "All Schools" and "Specific Schools" may be synonymous and, therefore, either would be appropriate. Charter schools may use either term provided they are used in a consistent manner through the LCAP.

Actions/Services

For each LCAP year, identify the actions to be performed and services provided to meet the described goal. Actions and services that are implemented to achieve the identified goal may

be grouped together. LEAs may number the action/service using the "Action #" box for ease of reference.

New/Modified/Unchanged:

- Enter "New Action" if the action/service is being added in any of the three years of the LCAP to meet the articulated goal.

- Enter "Modified Action" if the action/service was included to meet an articulated goal and has been changed or modified in any way from the prior year description.

- Enter "Unchanged Action" if the action/service was included to meet an articulated goal and has not been changed or modified in any way from the prior year description.

  - If a planned action/service is anticipated to remain unchanged for the duration of the plan, an LEA may enter "Unchanged Action" and leave the subsequent year columns blank rather than having to copy/paste the action/service into the subsequent year columns. Budgeted expenditures may be treated in the same way as applicable.

Note: The goal from the prior year may or may not be included in the current three-year LCAP. For example, when developing year 1 of the LCAP, the goals articulated in year 3 of the preceding three-year LCAP will be from the prior year.

Charter schools may complete the LCAP to align with the term of the charter school's budget that is submitted to the school's authorizer. Accordingly, a charter school submitting a one-year budget to its authorizer may choose not to complete the year 2 and year 3 portions of the "Goals, Actions, and Services" section of the template. If year 2 and/or year 3 is not applicable, charter schools must specify as such.

Budgeted Expenditures

For each action/service, list and describe budgeted expenditures for each school year to implement these actions, including where those expenditures can be found in the LEA's budget. The LEA must reference all fund sources for each proposed expenditure. Expenditures must be classified using the California School Accounting Manual as required by *EC* sections 52061, 52067, and 47606.5.

Expenditures that are included more than once in an LCAP must be indicated as a duplicated expenditure and include a reference to the goal and action/service where the expenditure first appears in the LCAP.

If a county superintendent of schools has jurisdiction over a single school district, and chooses to complete a single LCAP, the LCAP must clearly articulate to which entity's budget (school district or county superintendent of schools) all budgeted expenditures are aligned.

Demonstration of Increased or Improved Services for Unduplicated Students

This section must be completed for each LCAP year. When developing the LCAP in year 2 or year 3, copy the "Demonstration of Increased or Improved Services for Unduplicated Students" table and enter the appropriate LCAP year. Using the copy of the section, complete the section as required for the current year LCAP. Retain all prior year sections for each of the three years within the LCAP.

Estimated Supplemental and Concentration Grant Funds

> Identify the amount of funds in the LCAP year calculated on the basis of the number and concentration of low income, foster youth, and English learner students as determined pursuant to *California Code of Regulations*, Title 5 (5 *CCR*) Section 15496(a)(5).

Percentage to Increase or Improve Services

> Identify the percentage by which services for unduplicated pupils must be increased or improved as compared to the services provided to all students in the LCAP year as calculated pursuant to 5 *CCR* Section 15496(a)(7).

Consistent with the requirements of 5 *CCR* Section 15496, describe how services provided for unduplicated pupils are increased or improved by at least the percentage calculated as compared to services provided for all students in the LCAP year. To improve services means to grow services in quality and to increase services means to grow services in quantity. This description must address how the action(s)/service(s) limited for one or more unduplicated student group(s), and any schoolwide or districtwide action(s)/service(s) supported by the appropriate description, taken together, result in the required proportional increase or improvement in services for unduplicated pupils.

If the overall increased or improved services include any actions/services being funded and provided on a schoolwide or districtwide basis, identify each action/service and include the required descriptions supporting each action/service as follows.

For those services being provided on an LEA-wide basis:

- For school districts with an unduplicated pupil percentage of 55% or more, and for charter schools and county offices of education: Describe how these services are **principally directed to** and **effective in** meeting its goals for unduplicated pupils in the state and any local priorities.

- For school districts with an unduplicated pupil percentage of less than 55%: Describe how these services are **principally directed to** and **effective in** meeting its goals for unduplicated pupils in the state and any local priorities**. Also describe how the services are **the most effective use of the funds to** meet these goals for its unduplicated pupils. Provide the basis for this determination, including any alternatives considered, supporting research, experience or educational theory.

For school districts only, identify in the description those services being funded and provided on a schoolwide basis, and include the required description supporting the use of the funds on a schoolwide basis:

- For schools with 40% or more enrollment of unduplicated pupils: Describe how these services are **principally directed to** and **effective in** meeting its goals for its unduplicated pupils in the state and any local priorities.

- For school districts expending funds on a schoolwide basis at a school with less than 40% enrollment of unduplicated pupils: Describe how these services are **principally directed to** and how the services are **the most effective use of the funds to** meet its goals for English learners, low income students and foster youth, in the state and any local priorities.

State Priorities

Priority 1: Basic Services addresses the degree to which:
  A. Teachers in the LEA are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
  B. Pupils in the school district have sufficient access to the standards-aligned instructional materials; and
  C. School facilities are maintained in good repair.

Priority 2: Implementation of State Standards addresses:
  A. The implementation of state board adopted academic content and performance standards for all students, which are:
    a. English Language Arts – Common Core State Standards (CCSS) for English Language Arts
    b. Mathematics – CCSS for Mathematics
    c. English Language Development (ELD)
    d. Career Technical Education
    e. Health Education Content Standards
    f. History-Social Science
    g. Model School Library Standards
    h. Physical Education Model Content Standards
    i. Next Generation Science Standards
    j. Visual and Performing Arts
    k. World Language; and
  B. How the programs and services will enable English learners to access the CCSS and the ELD standards for purposes of gaining academic content knowledge and English language proficiency.

Priority 3: Parental Involvement addresses:
  A. The efforts the school district makes to seek parent input in making decisions for the school district and each individual school site;
  B. How the school district will promote parental participation in programs for unduplicated pupils; and
  C. How the school district will promote parental participation in programs for individuals with exceptional needs.

Priority 4: Pupil Achievement as measured by all of the following, as applicable:
  A. Statewide assessments;
  B. The percentage of pupils who have successfully completed courses that satisfy University of California (UC) or California State University (CSU) entrance requirements, or programs of study that align with state board approved career technical educational standards and framework;
  C. The percentage of English learner pupils who make progress toward English proficiency as measured by the English Language Proficiency Assessments for California (ELPAC);
  D. The English learner reclassification rate;
  E. The percentage of pupils who have passed an advanced placement examination with a score of 3 or higher; and
  F. The percentage of pupils who participate in, and demonstrate college preparedness pursuant to, the Early Assessment Program, or any subsequent assessment of college preparedness.

Priority 5: Pupil Engagement as measured by all of the following, as applicable:
  A. School attendance rates;
  B. Chronic absenteeism rates;
  C. Middle school dropout rates;
  D. High school dropout rates; and
  E. High school graduation rates;

Priority 6: School Climate as measured by all of the following, as applicable:
  A. Pupil suspension rates;

    B. Pupil expulsion rates; and

    C. Other local measures, including surveys of pupils, parents, and teachers on the sense of safety and school connectedness.

Priority 7: Course Access addresses the extent to which pupils have access to and are enrolled in:

    A. A broad course of study including courses described under *EC* sections 51210 and 51220(a)-(i), as applicable;

    B. Programs and services developed and provided to unduplicated pupils; and

    C. Programs and services developed and provided to individuals with exceptional needs.

Priority 8: Pupil Outcomes addresses pupil outcomes, if available, for courses described under *EC* sections 51210 and 51220(a)-(i), as applicable.

Priority 9: Coordination of Instruction of Expelled Pupils (COE Only) addresses how the county superintendent of schools will coordinate instruction of expelled pupils.

Priority 10. Coordination of Services for Foster Youth (COE Only) addresses how the county superintendent of schools will coordinate services for foster children, including:

    A. Working with the county child welfare agency to minimize changes in school placement

    B. Providing education-related information to the county child welfare agency to assist in the delivery of services to foster children, including educational status and progress information that is required to be included in court reports;

    C. Responding to requests from the juvenile court for information and working with the juvenile court to ensure the delivery and coordination of necessary educational services; and

    D. Establishing a mechanism for the efficient expeditious transfer of health and education records and the health and education passport.

Local Priorities address:

    A. Local priority goals; and

    B. Methods for measuring progress toward local goals.

APPENDIX A: PRIORITIES 5 AND 6 RATE CALCULATION INSTRUCTIONS

For the purposes of completing the LCAP in reference to the state priorities under *EC* sections 52060 and 52066, as applicable to type of LEA, the following shall apply:

(a) "Chronic absenteeism rate" shall be calculated as follows:

(1) The number of K-8 students who were absent 10 percent or more of the school days excluding students who were:

(A) enrolled less than 31 days

(B) enrolled at least 31 days but did not attend at least one day

(C) flagged as exempt in the district attendance submission. K-8 students are considered to be exempt if they:

(i) are enrolled in a Non-Public School

(ii) receive instruction through a home or hospital instructional setting

(iii) are attending a community college full-time.

(2) The number of students who meet the enrollment requirements.

(3) Divide (1) by (2).

(b) "High school dropout rate" shall be calculated as follows:

(1) The number of cohort members who dropout by the end of year 4 in the cohort where "cohort" is defined as the number of first-time grade 9 pupils in year 1 (starting cohort) plus pupils who transfer in, minus pupils who transfer out, emigrate, or die during school years 1, 2, 3, and 4.

(2) The total number of cohort members.

(3) Divide (1) by (2).

(c) "High school graduation rate" shall be calculated as follows:

(1) For a 4-Year Cohort Graduation Rate:

(A) The number of students in the cohort who earned a regular high school diploma by the end of year 4 in the cohort.

(B) The total number of students in the cohort.

(C) Divide (1) by (2).

(2) For a Dashboard Alternative Schools Status (DASS) Graduation Rate:

(A) The number of students who either graduated as grade 11 students or who earned any of the following:

(i) a regular high school diploma

(ii) a High School Equivalency Certificate

(iii) an adult education diploma

(iv) a Certificate of Completion and was eligible for the California Alternative Assessment if under the age of 20.

(B) The number of students in the DASS graduation cohort.

(C) Divide (1) by (2).

(d) "Suspension rate" shall be calculated as follows:

(1) The unduplicated count of pupils involved in one or more incidents for which the pupil was suspended during the academic year (July 1 – June 30).

(2) The unduplicated count of pupils with a primary, secondary, or short-term enrollment during the academic year (July 1 – June 30).

(3) Divide (1) by (2).

(e) "Expulsion rate" shall be calculated as follows:

(1) The unduplicated count of pupils involved in one or more incidents for which the pupil was expelled during the academic year (July 1 – June 30).

(2) The unduplicated count of pupils with a primary, secondary, or short-term enrollment during the academic year (July 1 – June 30).

(3) Divide (1) by (2).

NOTE: Authority cited: Sections 42238.07 and 52064, *Education Code*. Reference: Sections 2574, 2575, 42238.01, 42238.02, 42238.03, 42238.07, 47605, 47605.6, 47606.5, 48926, 52052, 52060, 52061, 52062, 52063, 52064, 52066, 52067, 52068, 52069, 52070, 52070.5, and 64001,; 20 U.S.C. Sections 6312 and 6314.

APPENDIX B: GUIDING QUESTIONS

Guiding Questions: Annual Review and Analysis

1) How have the actions/services addressed the needs of all pupils and did the provisions of those services result in the desired outcomes?
2) How have the actions/services addressed the needs of all subgroups of pupils identified pursuant to *EC* Section 52052, including, but not limited to, English learners, low-income pupils, and foster youth; and did the provision of those actions/services result in the desired outcomes?
3) How have the actions/services addressed the identified needs and goals of specific school sites and were these actions/services effective in achieving the desired outcomes?
4) What information (e.g., quantitative and qualitative data/metrics) was examined to review progress toward goals in the annual update?
5) What progress has been achieved toward the goal and expected measurable outcome(s)? How effective were the actions and services in making progress toward the goal? What changes to goals, actions, services, and expenditures are being made in the LCAP as a result of the review of progress and assessment of the effectiveness of the actions and services?
6) What differences are there between budgeted expenditures and estimated actual annual expenditures? What were the reasons for any differences?

Guiding Questions: Stakeholder Engagement

1) How have applicable stakeholders (e.g., parents and pupils, including parents of unduplicated pupils and unduplicated pupils identified in *EC* Section 42238.01; community members; local bargaining units; LEA personnel; county child welfare agencies; county office of education foster youth services programs, court-appointed special advocates, and other foster youth stakeholders; community organizations representing English learners; and others as appropriate) been engaged and involved in developing, reviewing, and supporting implementation of the LCAP?
2) How have stakeholders been included in the LEA's process in a timely manner to allow for engagement in the development of the LCAP?
3) What information (e.g., quantitative and qualitative data/metrics) was made available to stakeholders related to the state priorities and used by the LEA to inform the LCAP goal setting process? How was the information made available?
4) What changes, if any, were made in the LCAP prior to adoption as a result of written comments or other feedback received by the LEA through any of the LEA's engagement processes?
5) What specific actions were taken to meet statutory requirements for stakeholder engagement pursuant to *EC* sections 52062, 52068, or 47606.5, as applicable, including engagement with representatives of parents and guardians of pupils identified in *EC* Section 42238.01?
6) What specific actions were taken to consult with pupils to meet the requirements 5 *CCR* Section 15495(a)?

7) How has stakeholder involvement been continued and supported? How has the involvement of these stakeholders supported improved outcomes for pupils, including unduplicated pupils, related to the state priorities?

Guiding Questions: Goals, Actions, and Services

1) What are the LEA's goal(s) to address state priorities related to "Conditions of Learning": Basic Services (Priority 1), the Implementation of State Standards (Priority 2), and Course Access (Priority 7)?

2) What are the LEA's goal(s) to address state priorities related to "Pupil Outcomes": Pupil Achievement (Priority 4), Pupil Outcomes (Priority 8), Coordination of Instruction of Expelled Pupils (Priority 9 – COE Only), and Coordination of Services for Foster Youth (Priority 10 – COE Only)?

3) What are the LEA's goal(s) to address state priorities related to parent and pupil "Engagement": Parental Involvement (Priority 3), Pupil Engagement (Priority 5), and School Climate (Priority 6)?

4) What are the LEA's goal(s) to address any locally-identified priorities?

5) How have the unique needs of individual school sites been evaluated to inform the development of meaningful district and/or individual school site goals (e.g., input from site level advisory groups, staff, parents, community, pupils; review of school level plans; in-depth school level data analysis, etc.)?

6) What are the unique goals for unduplicated pupils as defined in *EC* Section 42238.01 and groups as defined in *EC* Section 52052 that are different from the LEA's goals for all pupils?

7) What are the specific expected measurable outcomes associated with each of the goals annually and over the term of the LCAP?

8) What information (e.g., quantitative and qualitative data/metrics) was considered/reviewed to develop goals to address each state or local priority?

9) What information was considered/reviewed for individual school sites?

10) What information was considered/reviewed for subgroups identified in *EC* Section 52052?

11) What actions/services will be provided to all pupils, to subgroups of pupils identified pursuant to *EC* Section 52052, to specific school sites, to English learners, to low-income pupils, and/or to foster youth to achieve goals identified in the LCAP?

12) How do these actions/services link to identified goals and expected measurable outcomes?

13) What expenditures support changes to actions/services as a result of the goal identified? Where can these expenditures be found in the LEA's budget?

Prepared by the California Department of Education, January 2019

LCAP Year

2019-20

Local Control Accountability Plan and Annual Update (LCAP) Template

Addendum: General instructions & regulatory requirements.

Appendix A: Priorities 5 and 6 Rate Calculations

Appendix B: Guiding Questions: Use as prompts (not limits)

California School Dashboard: Essential data to support completion of this LCAP. Please analyze the LEA's full data set; specific links to the rubrics are also provided within the template.

LEA Name	Contact Name and Title	Email and Phone
Magnolia Science Academy Bell	Jason Hernandez, Principal	jhernandez@magnoliapublicschools.org 323-826-3925

2017-20 Plan Summary

The Story

Describe the students and community and how the LEA serves them.

Magnolia Science Academy Bell, is a classroom-based charter school serving grades 6th-8th with a curriculum emphasis on science, technology, engineering, arts, and math (STEAM).

Our mission is to provide a college preparatory educational program emphasizing STEAM in a safe environment that cultivates respect for self and others. Graduates of Magnolia Public Schools are scientific thinkers who contribute to the global community as socially responsible and educated members of society.

MSA Bell currently has 495 students in grades 6th-8th, and mainly draws enrollment from the neighboring communities of the southeast Los Angeles area. MSA Bell has a diverse student population of 93% Hispanic/Latino and 7% White (Arabic), 86% socioeconomically disadvantaged, 11% special education, and 10% English language learner population.

We offer a comprehensive learning experience designed to serve the needs of our students through effective site-based instruction, rich hands-on learning, and foundational skills presented in ways that are relevant and inspiring for our students. Classroom instruction at MSA Bell is supplemented by tutoring, after-school programs, and families training.

LCAP Highlights

Identify and briefly summarize the key features of this year's LCAP.

The LCAP goals started through a collaborative effort of gathering input from all stakeholders and available data from surveys and student academic performance. Based on input and data, we have revised our existing actions/services, measurable outcomes, and planned for new ones.

Some of the highlights include:

1. Stakeholder engagement in the shared decision making, especially in the area of blending learning and academic area of mathematics for all students and support of student groups (ELLs and SWD) in ELA and math.

2. Opportunities for professional learning for all stakeholders through workshops and supports, in socioemotional development and academic support in areas like mathematics and blending learning.

3. School community that provides programs to support the socioemotional development and academic learning of all students.

Our learning community has worked on its expected annual measurable outcomes to set targets in areas of greatest need and to close performance gaps among student groups.

Review of Performance

Based on a review of performance on the state indicators and local performance indicators included in the California School Dashboard, progress toward LCAP goals, local self-assessment tools, stakeholder input, or other information, what progress is the LEA most proud of and how does the LEA plan to maintain or build upon that success? This may include identifying any specific examples of how past increases or improvements in services for low-income students, English learners, and foster youth have led to improved performance for these students.

Greatest Progress

MSA Bell stakeholders conducted an analysis of data and information available. It has identified the following as areas of strength.

1. Suspension Indictor on the California Dashboard is at a blue or very low rate and levels maintain

2. English Language Progress Indicator on the California Dashboard is at a blue or very high level and continues to maintain this level

3. English Language Arts Indicator on the California Dashboard is at yellow or low, but it has increased a level for all student groups in the spring 2017 to the fall of 2017

4. Mathematics indicators on the California is in the low range, but the student group with disabilities has increased a color level from the spring of 2017 to the fall of 2017

MSA Bell seeks to continually develop professional learning opportunities for all stakeholders in the area of socioemotional development, especially staff that is continually tasked with supporting students beyond the daily academic challenges. Potential trainings include coaching adolescents in executive functioning skills.

MSA Bell continues to be prideful in the development and academic capacity of its ELLs. Continual support and compliance is provided to the staff in the form of professional learning opportunities, grade level meetings, webinars, and other trainings. CHATS framework has been strategy of focus among staff members. In the classroom, students are introduced to literacy opportunities and strategies for comprehension and development in all courses. Enrichment in the development of language includes engagement with higher-order thinking questions, various scaffolding and accommodations to support language acquisition, cooperative groups, explicit direct instruction, word walls, content and language learning objectives. Continually development in this field will be provided to all stakeholders, especially since the state expectations are changing with the introduction of the ELPAC.

Pg 2

Referring to the California School Dashboard, identify any state indicator or local performance indicator for which overall performance was in the "Red" or "Orange" performance category or where the LEA received a "Not Met" or "Not Met for Two or More Years" rating. Additionally, identify any areas that the LEA has determined need significant improvement based on review of local performance indicators or other local indicators. What steps is the LEA planning to take to address these areas with the greatest need for improvement?

Greatest Needs

MSA Bell stakeholders conducted an analysis of data and other formative and informative information available. It has identified the following as areas of need in order to close the achievement gap.

1. Mathematics indicator on the California Dashboard is at orange or low for all student groups. The exception is the student group that is labeled socioeconomically disadvantaged, which is on the color indicator of yellow or low.

2. English Language Arts indicator on the California Dashboard is at yellow or low for all students. The student group, students with disabilities, is at an orange or very low.

3. Per student survey, the usage of technology is high and perceived as the main teaching tool, instead of a supplement to enhance the learning experience.

4. Per staff survey, teacher development for new members to the school site is essential for success.

MSA Bell seeks to continually develop professional learning opportunities in both the areas of ELA and Mathematics. A new teaching position being created is a STEAM teacher. This teacher will collaborate with the educational team to identify areas of greatest need in ELA and Mathematics and create a course curriculum that capitalizes in these opportunities. The course will increase student exposure to the fields of mathematics and engineering.

MSA Bell will seek to solidify the inclusion model on campus. Plans are being created to identify a coordinator to oversee SpEd compliance and training for all teachers in their work with SWD. Additional support will be in the form of classroom collaborative teaching and planning, research and identifying trainings to fulfil the areas of need and seek opportunities to collaborate with other schools around the idea of full inclusion.

MSA Bell seeks to solidify the blended learning program and change the narrative for all members of the community that technology is a critical component of today's world and develop a belief that it is an extension of the educational experience (good teaching). Alongside this narrative, digital citizenship will be streamlined across the campus to align with the vision of the school to educate young individuals that will contribute to the community as a socially responsible and educated member of society.

MSA Bell seeks to further understand the needs of the teaching community and identify the factors that will empower teachers to develop their craft in the community of service. Strategies include providing home office orientation, site-based orientation that addresses school and individual needs, mentorship program with a seasoned staff member on site, and other strategies of support are currently being investigated.

Referring to the California School Dashboard, identify any state indicator for which performance for any student group was two or more performance levels below the "all student" performance. What steps is the LEA planning to take to address these performance gaps?

Performance Gaps

Greatest Area of Need

1. Math, Student Group: English Language Learners

Pg 3

2. Math, Student Group: Students with Disabilities

3. English Language Arts, Student Group: SWD

Intervention/Action Plan

English Language Learners and Students with Disabilities have been identified as the group of greatest need on the school site in the area of mathematics and English Language Arts. MSA Bell is currently in the process of developing an intervention course/elective for incoming 6th grade students. The course will focus on the identified focus areas of math with the emphasize on project-based learning, engineering, and academic discourse.

Secondly, we will continue to provide access to intervention programs, like ST Math, which students can utilize at school and home. Families will be educated on the resources that are available for academic support.

Lastly, there is continual effort to provide sheltered instruction, which is an approach to teaching English Language Learners in a manner that makes the content comprehendible to the learner. MSA Bell has identified that there are students that qualify under both student groups: SWD and ELL. The utilization of the CHATS framework for language acquisition will benefit that student groups that are struggling by providing various strategies that assist in the acquisition and development of language.

Comprehensive Support and Improvement

An LEA with a school or schools identified for comprehensive support and improvement (CSI) under the Every Student Succeeds Act must respond to the following prompts.

Schools Identified

Identify the schools within the LEA that have been identified for CSI.

N/A

Support for Identified Schools

Describe how the LEA supported the identified schools in developing CSI plans that included a school-level needs assessment, evidence-based interventions, and the identification of any resource inequities to be addressed through the implementation of the CSI plan.

N/A

Monitoring and Evaluating Effectiveness

Describe how the LEA will monitor and evaluate the implementation and effectiveness of the CSI plan to support student and school improvement.

N/A

Pg 4

Annual Update

LCAP Year Reviewed: 2018–19

Goal 1

MSA Bell provides academic excellence to all students.

State and/or Local Priorities addressed by this goal:

Priority 1:

1. To ensure teachers are appropriately assigned and properly credentialed

Priority 2:

1. To maintain implementation of CCSS for all students, including subgroups

2. To ensure teachers are trained in CCSS and the pedagogical shifts in support of increasing student learning and SBAC readiness

3. To ensure English Learners can access the CCSS and ELD standards.

4. To increase the percentage of students who are on track to be college- and career- readiness

5. Begin integration of "A," arts in core curriculum

Priority 4:

1. To ensure a rigorous and relevant academic program

2. To increase the percentage of students who score proficient or above in English Language Arts/Literacy and math on the SBAC assessment system

3. To increase the percentage of ELs who meet or exceed the criteria for reclassification

Priority 7:

1. Ensure students have sufficient access to CCSS aligned instructional materials

Priority 8:

1. Collect, analyze and use multiple measures of student performance to increase student proficiency

Annual Measurable Outcomes

Expected	Actual
PRIORITY 1	**PRIORITY 1**
100% of MSA Bell's teachers will be appropriately assigned and properly credentialed as required by law and the charter.	100% of MSA Bell's teachers are appropriately assigned and properly credentialed as required by law and the charter.
PRIORITY 2	**PRIORITY 2**
MSA Bell will maintain 100% implementation of CCSS.	MSA Bell implemented CCSS with 100% fidelity
MSA Bell teachers will receive at least 3-trainings/professional developments on the CCSS.	MSA Bell teachers received at least 3-trainings and/or professional development on the CCSS through course work, staff PLC, etc.
MSA Bell teachers will receive at least 3-trainings/professional developments on pedagogical shifts with a focus on student learning.	MSA Bell teachers receive at least 3-trainings/professional developments on pedagogical shifts with a focus on student learning through course work, staff PLC, etc.
MSA Bell teachers will receive at least 3-trainings/professional developments on the ELD standards and teaching English Learners.	MSA Bell teachers receive at least 3-trainings/professional developments on the ELD standards and teaching English Learners through course work, staff PLC, etc.
100% of MSA Bell students will participate in advisory course that covers college talk. (a-g requirements, college field trips, etc.)	100% of MSA Bell students participate in advisory course that covers college talk.
MSA Bell teachers will receive at least 1 training in the integration of ARTS in the core curriculum.	MSA Bell teachers receive at least 1 training in the integration of ARTS in the core curriculum through professional development training, staff PLC, or visiting schools with promising practices, etc.
PRIORITY 4	**PRIORITY 4**
For all student, including subgroups, the percentage of students performing proficient on the Reading/ELA and math sections of our internal, common-core aligned Measures of Academic Progress (MAP) assessment will increase by 5 points from fall to spring. **2018-19 (Expected):** **ELA** All Students: 33%	in progress

Pg 6

Expected	Actual

English Learners: 5%
Socioeconomically Disadvantaged: 32%
Students with Disabilities: 5%
Hispanic: 34%
White: 29%

Math

All Students: 21%
English Learners: 5%
Socioeconomically Disadvantaged: 21%
Students with Disabilities: 5%
Hispanic: 21%
White: 30%

Percentage of students performing proficient on the CAASPP 2018-19 (Expected):
Math

All Students: 27%
English Learners: 5%
Socioeconomically Disadvantaged: 26%
Students with Disabilities: 11%
Hispanic: 5 percentage points up from the prior year
White: 5 percentage points up from the prior year

in progress

Pg 7

Expected	Actual
ELA All Students: 45% English Learners: 5% Socioeconomically Disadvantaged: 44% Students with Disabilities: 18% Hispanic: 46% White: 34%	
The percentage of EL students who are reclassified will increase by 1% from the prior year.	in progress

Actions / Services

Duplicate the Actions/Services from the prior year LCAP and complete a copy of the following table for each. Duplicate the table as needed.

Action 1

Planned Actions/Services	Actual Actions/Services	Budgeted Expenditures	Estimated Actual Expenditures
Priority 1: MSA Bell administration will conduct credential review as part of teacher hiring process and support our teachers' credentialing needs.	**Priority 1:** MSA Bell administration conducts credential review as part of teacher hiring process and supports our teachers' credentialing needs.	$2,114,083.00 (1000, 1300, 3000)	$2,314,083.00 (1000, 1300, 3000)
Priority 1: MSA Bell administration will annually review master schedule/teacher assignments to ensure compliance.	**Priority 1:** MSA Bell administration annually reviews master schedule/teacher assignments to ensure compliance.	$329,460 (1300)	$329,460 (1300)
Priority 2: MSA Bell will annually review all CCSS	**Priority 2:** MSA Bell annually reviews all CCSS	$15,777 (4100)	$15,000 (4100)

receive career- and college- readiness opportunities through classroom lessons and field trips.	receive career- and college- readiness opportunities through classroom lessons and field trips.		
Priority 4: MSA Bell students will take MAP in ELA and Math, three times during the year. Measurements will be evaluated and guide teacher's instruction and curriculum in order to show growth of at least 5 points from fall to spring.	**Priority 4:** MSA Bell students take MAP assessment 3x per year to inform instruction and measure growth	$5,875 (4340, Title 1)	$5,875 (4340, Title 1)
Priorities 4: All students will take interim SBAC block assessments in math and ELA periodically. Along with these results and other internal assessments, teachers will adjust instruction and curriculum.	**Priorities 4:** All students take the interim SBAC block assessments in math and ELA periodically.		
Priorities 4: MSA Bell will identify EL students and ELD coordinator will plan instruction to support EL students. Planning, instruction and data analyzes will guide curriculum to ensure EL students increase 5% from prior year.	**Priorities 4:** MSA Bell identified ELs and plans supporting instruction to ensure growth.	$66,200 (1100, 3000 Title 1)	$66,200 (1100, 3000 Title 1)

Analysis

Complete a copy of the following table for each of the LEA's goals from the prior year LCAP. Duplicate the table as needed. Use actual annual measurable outcome data, including performance data from the LCFF Evaluation Rubrics, as applicable.

Describe the overall implementation of the actions/services to achieve the articulated goal.

Pg 10

MSA Bell provides academic excellence to all students. This is achieved by ensuring the following:

1. Appropriately assigning teachers to courses per their credential and providing the necessary classroom supports to ensure academic growth.
2. Academic rigor and relevance and implementation of CCSS are provided through the various classroom resources and curriculum, training on ELD framework and strategies, and resources on Summit Platform.
3. Internal assessment is accomplished through the usage of the NWEA MAP and the CAASPP Interim Assessments, this allows the staff to measure and inform instruction for literacy and mathematics. Describe the overall effectiveness of the actions/services to achieve the articulated goal as measured by the LEA.

Measuring effectiveness of action plans was conducted in the following manner:

1. Administration walk through and feedback on ELD instruction, as presented through regular onsite professional development
2. Usage of the Data Analysis Tool to review NWEA MAP data to inform instruction and measure of student growth from Fall to Spring.
3. Review of SBAC data to determine greatest area of need and providing instructional support for student achievement, as measured through administration walk through and analysis of available data.

Explain material differences between Budgeted Expenditures and Estimated Actual Expenditures.

Through available funds, MSA Bell added an additional administrator to oversee teacher effectiveness and increase data analysis capacity.

Describe any changes made to this goal, expected outcomes, metrics, or actions and services to achieve this goal as a result of this analysis and analysis of the LCFF Evaluation Rubrics, as applicable. Identify where those changes can be found in the LCAP.

MSA Bell will maintain the goals established and modify according.

Pg 11

1. Teacher instructional focus and development will be dependent on the results of internal and external data.

2. Utilize research based instructional strategies to support Tier 1 of MTSS

3. Using the Summit Platform to measure Self-Directed Learning through completion of focus areas.

LCAP Year Reviewed: 2018–19

Goal 2

MSA Bell promotes innovation amongst all students.

State and/or Local Priorities addressed by this goal:

Priority 4:

1. Implement a blended learning program in order to help all students build 21st century skills to be college- and career-ready

Priority 5:

1. Prepare all students, including subgroups to be adaptable, responsible critical thinkers who contribute to the global community.

Priority 6:

1. Create a positive school climate that adapts to the needs of the community.

Annual Measurable Outcomes

Expected	Actual
Priority 4	**Priority 4**
MSA Bell will implement blended learning through by providing access to the Summit Learning Platform in 100% of the core classes.	MSA Bell implements blended learning in a 100% of the core classes.

Pg 12

Expected	Actual
MSA Bell will provide 100% of the programs and services outlined in its charter petition, certain programs and services being dependent on student need and interest.	MSA Bell provides 100% of the programs and services outlined in its charter petition, certain programs and services being dependent on student need and interest.
100% of students will have sufficient access to all academic and educational programs provided by MSA Bell.	100% of students have sufficient access to all academic and educational programs provided by MSA Bell.
Priority 5	**Priority 5**
At least 80% of all students enrolled in MSA Bell will create or demonstrate a STEAM focused, community based project, experiment, model or demo.	All MSA Bell students, 100% participate in a STEAM focused, community based project, experiment, model or demo.
At least 25% of the student population at MSA Bell will participate in an internship or site field trip to gain hands on experience in a respective field in STEAM.	100% of students participated in a form of access STEAM related fields through college visits, field trips, etc.
At least 5% of student population at MSA Bell will participate in a service-learning project based on community needs.	At least 5% of student population at MSA Bell participate in a service-learning project. (video activity with focus on homelessness, diversity, etc.)
Priority 6	**Priority 6**
MSA Bell School Satisfaction Survey: at least 80% of student population will rate the overall school experience positively; at least 85% of staff will rate the overall all school experience positively; at least 90% of parents will rate the overall school experience positively.	MSA Bell School Satisfaction Survey: at least 71% of student population rate the overall school experience positively; at least 86% of staff rate the overall all school experience positively; at least 94% of parents rate the overall school experience positively.
MSA Bell will maintain Restorative Justice Practices and provide access to through partnerships to mental health services to ensure a suspension rate of no more than 1% and an expulsion rate of no more than 1%.	in progress

Actions / Services

opportunities in the area of STEAM through site field trip or internship. This will be provided for at least 25% of the student population.	readiness opportunities in the area of STEAM through site field trip or internship for the entire student population (100%).		
Priority 6: MSA Bell will seek an 80% rate for student overall experience on yearly conducted surveys. This will be accomplished by provided a safe and supportive environment that is conducive for learning through training in SEL.	**Priority 6:** MSA Bell received an 71% overall experience rating from students.	$1,779 (5800)	$1,779 (5800)
Priority 6: MSA Bell will seek an 85% rate for staff overall experience on yearly conducted surveys. This will be accomplished by provided a supportive and risk taking culture that strives for high student achievement. (includes tuition reimbursement)	**Priority 6:** MSA Bell received an 86% overall experience rating from staff.		
Priority 6: MSA Bell will seek to maintain a 90% rate for parent overall experience on yearly conducted surveys. This will be accomplished by providing resources and opportunities for parent input, such as workshops, parent college, parent conferences, etc.	**Priority 6:** MSA Bell received an 94% overall experience rating from families.		
Priority 6: MSA Bell will maintain a low suspension rate of no more than 3% and an expulsion rate of no more than 1%, by providing restorative justice practices and resources through partnerships for mental health services. (CSUN, ENKI, etc.)	**Priority 6:** In progress	$8,200 (5800, Title 1)	$7,500 (5800, Title 1)

Pg 15

Analysis

Complete a copy of the following table for each of the LEA's goals from the prior year LCAP. Duplicate the table as needed. Use actual annual measurable outcome data, including performance data from the LCFF Evaluation Rubrics, as applicable.

Describe the overall implementation of the actions/services to achieve the articulated goal.

MSA Bell promotes innovation amongst all students. This is achieved by ensuring the following:

1. 100% of students are engaged in blended learning through the platform. Students are able to develop 'soft skills' essential for college- and career-readiness.
2. 20% of current student population is enrolled in an 'advanced math course.'
3. Elements of the charter petition includes STEM activities, utilization of technology, inquiry based learning, socio-emotional development, family engagement support, etc.
4. Students are provided with all resources necessary to achieve academic success, this includes qualified teachers and support staff, curriculum, technological resources, nutrition, counseling, and other necessary resources that will help all students achieve academic excellence.
5. MSA Bell is evaluated on a yearly basis by all stakeholders to ensure that the needs of the learning community are being met.
6. MSA Bell is currently awaiting the following data for analysis of the school year: SBAC, Spring MAP, and EL reclassification results.

Describe the overall effectiveness of the actions/services to achieve the articulated goal as measured by the LEA.

Measuring effectiveness of action plans was conducted in the following manner:

1. Summit Learning Platform provides student and teacher usage data to monitor usage and performance.
2. Staff and resources are monitored and evaluated yearly to measure effectiveness and adjust accordingly.

Pg 16

3. Data Analysis Tool is used at the completion of MAP and IAB assessments. The worksheet provides structural conversation to inform instruction in the classroom.

4. Public School Choice committee arranged to review and measure effectiveness of instructional practices: such as classroom safety, self-directed learning, board configuration, etc.

5. All of the school programs and resources were made accessible to all students. This includes services such as ELD developmental support and services as expected through IEPs for students with disabilities.

Explain material differences between Budgeted Expenditures and Estimated Actual Expenditures.

All budgeted expenditures fall within the expected measures.

Describe any changes made to this goal, expected outcomes, metrics, or actions and services to achieve this goal as a result of this analysis and analysis of the LCFF Evaluation Rubrics, as applicable. Identify where those changes can be found in the LCAP.

MSA Bell will maintain the goals established and modify according.

1. Educational software and evaluation of effectiveness will continue for programs such as BrainPop, MyOn, STMath, and WonderMedia. Pilot program will be conducted with GradeSlam among selected students in 6th, 7th, 8th. GradeSlam is a comprehensive, unlimited learning solution providing 24/7 academic support, to all students.

2. An 'advance pathway' courses selection (Honors) will be programmed to provide opportunities for higher-level classes that proceed at a faster pace and cover more materials than regular mainstream courses.

3. Further opportunities to expose students to college- and career-ready opportunities for all students. This includes multiple career days during the school year, and allowing alumni to visit classrooms to discuss their college experiences.

4. Further opportunities to educate and provide awareness for families, students, and staff (stakeholders) on trending behaviors based on data (drugs, fights, etc.)

Pg 17

LCAP Year Reviewed: 2018–19

Goal 3

MSA Bell builds connections amongst all stakeholders in the community.

State and/or Local Priorities addressed by this goal:

Priority 1:

1. Maintain a safe school environment with facilities that are in good repair.

Priority 3:

1. Encourage a partnership with parents within the school setting (classroom, supervision, etc.)

2. Provide opportunities for parent involvement and seek parent input in school site decisions

Priority 5:

1. To increase student attendance

2. To avoid chronic absenteeism

3. To avoid middle school dropout

4. Provide opportunities for student participation and seek student input in school site decisions

Priority 6:

1. To increase the sense of safety and school connectedness

Annual Measurable Outcomes

Expected	Actual
Priority 1	**Priority 1**
MSA Bell will maintain at least 90% of items on the facility inspection checklist will be in compliance/good standing.	MSA Bell maintains at least 90% of items on the facility inspection checklist in compliance/good standing as measured by LAUSD.

Pg 18

Expected	Actual
Daily general cleaning by custodial will maintain campus cleanliness.	LAUSD audits cleanliness of campus on a yearly basis to ensure campus remains satisfactory.
Priority 3	**Priority 3**
Administration and teachers will conduct home visits for at least 20% of MSA Bell's students.	Home visit goal was adjusted to be maintained at a least 25% of student population. Final results is yet to be determined.
Parent workshops will be conducted monthly to support all learners, including subgroups.	Workshops are conducted monthly either through Coffee Chats, parental meetings, and family workshops through PEBSAF and CyberCop and other relevant school researched materials.
MSA Bell will hold at least 4 SSC meetings per year.	MSA Bell holds at least 6 SSC meetings per year.
MSA Bell will hold at least 4 English Learner Advisory Committee (ELAC) meetings per year.	MSA Bell holds at least 4 English Learner Advisory Committee (ELAC) meetings per year.
MSA Bell will hold at least 6 Parent Task Force (PTF) meetings per year.	MSA Bell holds at least 10 Parent Task Force (PTF) meetings per year.
MSA Bell will hold at least 5 parent activities/events per year.	MSA Bell holds at least 7 parent activities/events per year.
Teachers will update SIS records daily/weekly.	Upon regular reminders, teachers update SIS records daily/weekly.
MSA Bell will send at least 4 progress reports/cards to parents per year.	MSA Bell sends at least 4 progress reports/cards to parents per year.
Priority 5	**Priority 5**
MSA Bell will maintain an ADA rate of at least 97%.	MSA Bell maintains an ADA rate of at least 96.5%.
MSA Bell will maintain a chronic absenteeism rate of no more than 3.5%.	MSA Bell has maintained a chronic absenteeism rate of 3.9%
MSA Bell will maintain a middle school dropout rate of no more than 0%.	MSA Bell maintains a middle school dropout rate of no more than 1%.
MSA Bell will maintain an elected Student Council of at least 3% of the student population, including subgroups.	MSA Bell maintains an elected Student Council of at least 3% of the student population, including subgroups.
Priority 6	**Priority 6**
MSA Bell will conduct at least 2 trainings on Social Emotional Learning (SEL) to ensure a sense of safety and connectedness.	MSA Bell conducted at least 2 trainings on Social Emotional Learning (SEL) to ensure a sense of safety and connectedness.

Pg 19

Expected	Actual
MSA Bell will conduct monthly emergency drills to ensure safety of all stakeholders.	MSA Bell conducts monthly emergency drills to ensure safety of all stakeholders.

Actions / Services

Duplicate the Actions/Services from the prior year LCAP and complete a copy of the following table for each. Duplicate the table as needed.

Action 1

Planned Actions/Services	Actual Actions/Services	Budgeted Expenditures	Estimated Actual Expenditures
Priority 1: MSA Bell in partnership with LAUSD facility management will ensure that the school is cleaned daily and facility is maintained in good standings at least 90% of the time.	**Priority 1:** MSA Bell in partnership with LAUSD inspects the facility to ensure facility is well maintained to acceptable standards.	$242,905 (5610)	$390,000 (5610)
Priority 3: MSA Bell will conduct a home visit to at least 20% of the families in order to develop and maintain a partnership with the home and community.	**Priority 3:** MSA Bell conducts home visits of at least 25% of the families in order to develop and maintain a partnership with the home and community. Final number will be determined soon.	$15,000 (1100, 3010 Title 1)	$15,000 (1100, 3010 Title 1)
Priority 3: MSA Bell will provide various resources for families in the form of workshops, Parent College and other family engagements.	**Priority 3:** MSA Bell provided various workshop opportunities for families throughout the year. This includes: parenting courses, college-readiness, social media, and other relevant topics.	$6,600 (1100, 3010 Title 1) (Saturday School) $2,450 (1100, 3010 Title 1) (Parent College)	$6,600 (1100, 3010 Title 1) $2,450 (1100, 3010 Title 1)
Priority 3: MSA Bell will conduct and host the following meetings to inform and encourage parent involvement and in the school community.	**Priority 3:** MSA Bell conducts and host family meetings to inform and encourage involvement and in the school community. All expected outcomes have been met.	$5,000 (4720)	$300 (4720) – Back to School $169 (4720) – Student/Teacher Conferences

Pg 20

Planned Actions/Services	Actual Actions/Services	Budgeted Expenditures	Estimated Actual Expenditures
1. MSA Bell will conduct at least 4 SSC meetings per year 2. MSA Bell will conduct at least 4 ELAC meetings per year 3. MSA Bell will conduct at least 6 PTF meetings per year 4. MSA Bell will conduct at least 5 parent activities/events per year **5.** MSA Bell will conduct at least 4 progress reports/cards to parents per year	1. MSA Bell will conduct at least 6 SSC meetings per year 2. MSA Bell will conduct at least 4 ELAC meetings per year 3. MSA Bell will conduct at least 10 PTF meetings per year 4. MSA Bell will conduct at least 7 parent activities/events per year 5. MSA Bell will conduct at least 4 progress reports/cards to parents per year		$360 (4720) – Parent Conference $90 (4720) - DVR
Priority 3: MSA Bell will provide parents with access to course material, homework assignments, projects, and records of students' grades through SIS, an online web portal. Teachers will ensure grades are updated on a regular basis.	**Priority 3:** MSA Bell provides parents with access to course material, homework assignments, projects, and records of students' grades through Illuminate and the Summit Learning Platform. Teachers ensure grades are updated on a regular basis.	$6,161 (5800)	$6,161 (5800)
Priority 5: MSA Bell will be proactive to create a safe environment that welcomes students to school in order to maintain an ADA rate of at least 97%, and a chronic absenteeism rate of no more than 3.5%.	**Priority 5:** Actual numbers are still in progress, but ADA rate is trending 96.5% and chronic absenteeism TBD		
Priority 5: MSA Bell will provide a safe, nurturing and engaging learning environment that will provide all students with a college preparatory education in order to maintain a dropout rate of no more than 1%.	**Priority 5:** MSA Bell provides a safe, nurturing and engaging learning environment that maintains a dropout rate of no more than 1%.	$136,568 (5813 – ASES)	$136,568 (5813 – ASES)

Pg 21

Planned Actions/Services	Actual Actions/Services	Budgeted Expenditures	Estimated Actual Expenditures
Priority 5: MSA Bell will maintain an elected Student Council of at least 3% of the student population, including subgroups. The elected body will meet with administration and other students to continually provide feedback to best meet the needs of all students.	**Priority 5:** MSA Bell has an elected Student Council of at least 3% of the student population, including subgroups.		
Priority 6: MSA Bell will research and conduct professional development (at least 2) for all staff corresponding with SEL to ensure a safe and connectedness school culture.	**Priority 6:** MSA Bell through the uses of resources (UCLA and CSUN and other relevant information) has provided training to staff on SEL to develop empathy and safe environment on campus.		
Priority 5: MSA Bell in partnership with the other schools on campus will conduct regular safety drills to ensure their safety. Drills and results will be recorded and data collected to analysis any areas of improvement.	**Priority 5:** Orchard Academies collectively conducts monthly safety drills.		

Analysis

Complete a copy of the following table for each of the LEA's goals from the prior year LCAP. Duplicate the table as needed. Use actual annual measurable outcome data, including performance data from the LCFF Evaluation Rubrics, as applicable.

Describe the overall implementation of the actions/services to achieve the articulated goal.

MSA Bell builds connections amongst all stakeholders in the community. This is achieved by the following:

Pg 22

1. LAUSD performs yearly 'Williams' expectations to ensure the campus is maintained and safe to state and district standards.
2. MSA Bell staff performed Home Visits and analysis of the visits for 25% of the student's population. This is crucial for continually family engagement.
3. MSA Bell throughout the year has encouraged ongoing participation in committees such as PTF, ELAC, and SSC. As well as to conduct regular workshops for families.
4. MSA Bell continues to provide ongoing professional development in the area of SEL for staff to ensure staff is aware of instructional strategies that will support a safe environment conducive for learning. This is evident through the number of ongoing PDs and high ADA rate.
5. MSA Bell collaborates with collocated academies to prioritize safety. This is evident through the monthly safety drills that are completed together, monthly administration meetings between the academies, and through an active and visible administration and teaching staff.

Describe the overall effectiveness of the actions/services to achieve the articulated goal as measured by the LEA.

Measuring effectiveness of action plans was conducted in the following manner:

1. Number of committee meetings and family workshops
2. Home Visit for 25% of the student population
3. Number of PDs conducted for staff throughout the year that focuses on SEL
4. Monthly safety drills and monthly administration meetings for the academies

Explain material differences between Budgeted Expenditures and Estimated Actual Expenditures.

All budgeted expenditures fall within the expected measures.

Pg 23

Describe any changes made to this goal, expected outcomes, metrics, or actions and services to achieve this goal as a result of this analysis and analysis of the LCFF Evaluation Rubrics, as applicable. Identify where those changes can be found in the LCAP.

MSA Bell will maintain the goals established and modify according.

1. The leadership teams at Orchard Academies will create expectation matrix that are applicable across the campus.
2. Instructional practices that focus on sustaining promising practices of Tier 1 MTSS support (This includes schoolwide expectation matrix, grade level team classroom expectation matrix, practices of restorative circles, solidifying mentorships in advisory courses)
3. Develop a pilot program with selected number of students from each grade to utilize GradeSlam.
4. Develop curriculum and student tracking to identify 'Honor' pathway students.
5. Implement instructional practices and strategies as identified through the Performance Indicator Review (PIR)

Pg 24

Stakeholder Engagement

LCAP Year: **2019–20**

Involvement Process for LCAP and Annual Update

How, when, and with whom did the LEA consult as part of the planning process for this LCAP/Annual Review and Analysis?

In order to promote a positive learning experience for our students, MSA Bell has established a culture of partnership with families, students, staff, community members, and other stakeholders through multiple channels including meetings, school events, surveys, home visits, newsletters, and other means of communication. To the extent possible, all stakeholders are invited to be involved in the process of school review and improvement including the development of our annual LCAP.

Information/input sessions include Parent Task Force (PTF) meetings, School Site Council (SSC) meetings, English Learner Advisory Committee (ELAC) meetings, Public School Choice (PSC) review, Charter School Division (CSD) review, Coffee Chat meetings, Board of Directors meetings, Principal meetings, and staff meetings. Feedback from our committees and meetings provide valuable input for the new LCAP. In addition, the MSA Bell conducts surveys for families, students, and staff, and the school staff conducts home visits. These all serve as a way to inform, educate, and gather input and feedback from all critical stakeholders.

MSA Bell has an approved charter petition with measurable student outcomes and methods to assess student progress. WASC accreditation provides a reflective opportunity to gather stakeholder feedback and input with action plans for continuous school improvement. SPSA develops the learning community to identify and address the instructional needs of students through Title 1 funds. The collaborative process monitors performance data, student needs, identifies goals, implements appropriate interventions/preventions. The PSC process allows stakeholders the opportunity to review school data, understand elements of a high-quality school and review the school proposals and offer their feedback. The various opportunities provide stakeholder engagement to address the needs of the student. Therefore, LCAP is received by our community as a comprehensive planning tool that draws from all other school plans and addresses the state priorities and locally identified priorities.

MSA Bell has held its periodical meetings this year to gather input from our stakeholders. These include 10 PTF meetings, 6 SSC meetings, 4 ELAC meetings, several parent activities/events including Coffee Chat meetings, weekly staff meetings, and other stakeholder meetings. The school conducted a family, staff, and student experience survey with specific questions on the sense of safety and school connectedness, school culture and climate, and other areas of school improvement. Majority of our stakeholders participated in this survey. The staff has completed 25% of its home visits during this school year and sought feedback from the parents for school improvement.

Pg 25

Impact on LCAP and Annual Update

How did these consultations impact the LCAP for the upcoming year?

Stakeholders have reviewed input in order to adjust all stakeholders and synthesized input to revise existing actions/services and measurable outcomes and also plan for new ones in the LCAP for the upcoming year. Some of the updates include:

1. Implement instructional practices and strategies as identified through the Performance Indicator Review (PIR), especially for our dually identified students (SWD & ELs)

2. Instructional practices that focus on sustaining promising practices of Tier 1 MTSS support (This includes schoolwide expectation matrix, grade level team classroom expectation matrix, practices of restorative circles, solidifying mentorships in advisory courses)

3. An 'advance pathway' courses selection (Honors) will be programmed to provide opportunities for higher-level classes that proceed at a faster pace and cover more materials than regular mainstream courses.

4. Professional Development sessions to support families with various aspects relating to the development of the 'whole child.'

Pg 26

Goals, Actions, & Services

Strategic Planning Details and Accountability

Modified Goal

Goal 1

EXCELLENCE: All students will pursue academic excellence and be college/career ready.

State and/or Local Priorities addressed by this goal:

Priorities 1: Teachers will be appropriately assigned and fully credentialed as required by law and the charter.

Priorities 1: The school's facility inspection checklist will be in compliance/good standing.

Priorities 2: Students will have sufficient access to standards-aligned instructional materials.

Priorities 4: All students will meet or exceed their proficiency targets on the CASSPP, ELA/Literacy and Mathematics assessments.

Priorities 4: All students will show growth on the CASSPP, ELA/Literacy and Mathematics assessments, as identified by the CA Dashboard.

Priorities 4: All students will meet their growth targets on the reading section of our internal, common-core aligned Measures of Academic Progress (MAP) assessment.

Priorities 4: EL students will make annual progress in learning English as measured by ELPAC.

Priorities 4: EL students will be reclassified annually.

Priorities 8: Students will receive a grade of "C" or better in core subjects and electives.

Identified Need:

The following has been identified as needs in order to comply with state requirements and authorizing body, LAUSD.

Pg 27

1. Continue to recruit teachers that are highly qualified or provide school-level support for obtaining full preliminary credential status as expected per ESSA.
2. Utilize the Performance Indicator Review (PIR) process to plan targeted intervention of academic support using the Plan Do Study Act Cycle (PDSA) (Main Target SWD and ELs)
3. Provide Professional Development to families to best understand and support their child with our unique academic program.
4. Measure Self-Directed Learning (SDL) through the Summit Learning Platform: 65% 2018-19; 70% 2019-20; 75% 2020-21.

Expected Annual Measureable Outcomes

Metrics/Indicators	Baseline	2017-18	2018-19	2019-20
Percentage of teachers who will be appropriately assigned and fully credentialed as required by law and the charter	100%	100%	100%	100%
Percentage of students who will have sufficient access to standards-aligned instructional materials	100%	100%	100%	100%
Percentage of items on facility inspection checklists in compliance/good standing	85%	85%	90%	90%

Goals, Actions, & Services

Strategic Planning Details and Accountability

Modified Goal

Goal 2

INNOVATION. All students will become independent, innovative scholars.

State and/or Local Priorities addressed by this goal:

Priority 7: MSA Bell will provide programs and services outlined in its charter petition, certain programs and services being dependent on student need and interest.

Priority 7: Students enrolled at MSA Bell grades 6th-8th will be taking "Advanced Math" courses or club.

Pg 35

Priority 7: Our graduates will receive a blended learning educational experience that engages and drivers the individual learning experience.

Priority 7: Students will create or demonstrate a STEAM focused project, experiment, model, or demo.

Identified Need:

Priority 7

1. Meeting the required services as outlined in the petition and approved by the authorizer, LAUSD.

2. Students are provided with resources to assist in academic progress.

3. Students develop skills that will enhance their learning experience to develop skills necessary to undertake challenges of the future.

4. Students experience the industry of STEAM through project based learning.

Expected Annual Measureable Outcomes

Metrics/Indicators	Baseline	2017-18	2018-19	2019-20
Percentage of the programs and services outlined in the charter petition that will be provided as measured by student interest surveys for elective courses and programs, master school schedule, and class rosters.	100%	100%	100%	100%
Percentage of students who will have sufficient access to all academic and educational programs provided by the Charter School as measured by student interest surveys for elective courses and programs, master school schedule, and class rosters.	100%	100%	100%	100%

Goals, Actions, & Services

Strategic Planning Details and Accountability

Modified Goal

Goal 3

CONNECTION. All students, families, staff, and other stakeholders will feel a sense of community and connection.

State and/or Local Priorities addressed by this goal:

Priority 3: MSA Bell will hold quarterly School Site Council (SSC) meetings.

Priority 3: MSA Bell will hold quarterly English Learner Advisory Committee (ELAC) meetings.

Priority 3: MSA Bell will hold a minimum of 5 parent activities/events per year.

Pg 40

Priority 3: MSA Bell teachers will update SIS records daily/weekly.

Priority 3: MSA Bell will send a minimum of 4 progress reports to families.

Priority 3: MSA Bell students will be home-visited by school staff.

Priority 5: MSA Bell will maintain a high Average Daily Attendance (ADA).

Priority 5: MSA Bell will maintain a low chronic absenteeism rate.

Priority 5: MSA Bell will maintain a low middle school drop-out rate.

Priority 6: MSA Bell will maintain a low student suspension rate.

Priority 6: MSA Bell will maintain a low student expulsion rate.

Priority 6: MSA Bell will maintain high participation rates in the school experience surveys of students, families, and staff.

Priority 6: MSA Bell will maintain high approval rates in the school experience surveys of students, families, and staff.

Identified Need:

Priority 3:

1. It is essential to provide families with avenues to participate in the decision making for the learning community.

2. It is essential to provide families with opportunities to participate in their child's education. This is provided through meetings and family workshops.

Priority 5:

1. The state elements are essential to the success of every child, in order to ensure college and career readiness. Elements include regular school participation and attendance.

Priority 6:

1. It is essential to provide an environment that is safe for all children. This makes it conducive for a positive learning environment and will be measured through stakeholder surveys and decrease of student suspension and expulsion.

2. It is essential to create an environment that students feel connected with the learning community.

Demonstration of Increased or Improved Services for Unduplicated Pupils

LCAP Year: **2019-20**

Estimated Supplemental and Concentration Grant Funds

$1,235,184

Percentage to Increase or Improve Services

32.70%

Commented [JH5]: @brock…I think this has to be adjusted

Describe how services provided for unduplicated pupils are increased or improved by at least the percentage identified above, either qualitatively or quantitatively, as compared to services provided for all students in the LCAP year.

Identify each action/service being funded and provided on a schoolwide or LEA-wide basis. Include the required descriptions supporting each schoolwide or LEA-wide use of funds (see instructions).

1. Through the PIR process, several changes were identified that can support our ELs. Such as the creation of expectation matrices, creation of a learning zone to support targeted intervention, restructure of teacher assignment for Homeroom, etc.

2. Progress to the installation of ELD instructional strategies through professional development by identifying instructional practices through external and internal data, provide 'push-in' support through the ELD Coordinator, and continually revisit the EL Master Plan.

3. Continue to expand opportunities for the professional development of our families by providing workshops and opportunities to engage in the school decision making the process.

4. Restructure Tier 1 academic and behavior supports to be more aligned with research from MTSS training. This will include the creation of behavior matrix, encouragement of expected behavior on campus, training of circles to build student skills for problem-solving, and trauma-informed instruction to develops social capital with all students.

Pg 47

LCAP Year: **2018-19**

Estimated Supplemental and Concentration Grant Funds

Percentage to Increase or Improve Services

$1,194,514

33.10%

Describe how services provided for unduplicated pupils are increased or improved by at least the percentage identified above, either qualitatively or quantitatively, as compared to services provided for all students in the LCAP year.

Identify each action/service being funded and provided on a schoolwide or LEA-wide basis. Include the required descriptions supporting each schoolwide or LEA-wide use of funds (see instructions).

1. MSA Bell will continue to provide services to ELs by proficiency level and provide ELD instruction aligned to the CA ELD standards and framework. MSA Bel will provide our ELs with core and supplemental ELD instructional materials and provide our teachers with PD focused on ELD standards. Our EL coordinator will monitor EL student progress in program implementation according to our EL Master Plan.

2. MSA Bell teachers will provide instruction using integrated ELD instructional strategies as outlined in the CHATS framework (and other research-based strategies such as SDAIE) to all students, including ELs. MSA Bell will provide culturally and linguistically relevant materials for students. ELs will receive further in-class instructional support which includes one-on-one teacher support and small group instruction/intervention. MSA Bell will strive to provide bilingual instructional assistants to provide primary language support to enable students to access content area instruction while gaining language proficiency. MSA Bell will ensure that teachers participate in PD on ELD instructional strategies and CHATS framework.

3. All teachers will provide designated ELD to all EL students, with EL students who are Levels 1-3 participating in a full class period of targeted, protected ELD (differentiated by proficiency level), and Levels 4-5 receiving designated ELD in their ELA class, and, where possible, in an additional 25-minute session that focuses on reading and writing strategies, practice in speaking and listening, and academic vocabulary.

4. During the day, MSA Bell will provide additional supports and interventions to all students, including ELs, during after school hours. MSA Bell strives to refine targeted intervention and tutoring programs and plans to expand after school, Saturday school, and summer school opportunities.

Pg 48

5. MSA Bell will provide ongoing Family Training for all our families, including bilingual parents. SSC, ELAC, and PTF meetings, as well as Parent College, are some of the venues we will provide training to our families. MSA Bell will provide targeted assistance to low income students and their families in career/college readiness activities and guidance, including how to get financial aid. Parent training topics include, but are not limited to, how to assist students academically and behaviorally, how to navigate the educational system, including higher education, and other areas that will benefit all our students, including our unduplicated students.

6. Foster youth will receive educational counseling. Foster youth will receive academic supports and remediation and will be encouraged and supported to engage in extracurricular activities in order to mitigate the effects of school mobility on foster youth.

7. Research has shown that one of the keys to successful teaching and schooling is creating personal connections with students inside and outside of school. Knowing the students' outside interests, families, and home routines, and then using this information to connect in meaningful, individualized ways can have huge rewards in helping to create happier, healthier, and smarter kids. Recognizing these facts, MSA Bell uses home visits as one of the important features of its education program to not only improve student and school performance, but also to identify and intervene early with students performing below grade level (trauma informed instruction).

8. MSA Bell staff will implement MTSS practices, this includes restorative practices and PBIS, to build positive communities and increase school connectedness. MSA Bell will provide academic supports and remediation, Life Skills courses, counseling, and social-emotional support to our students. Our teachers will establish classroom management procedures, foster positive relationships, and help create an atmosphere of trust, respect, and high expectations. MSA Bell will ensure that staff participate in PD on MTSS practices. Staff is dedicated and training provided to monitor student behavior and social-emotional progress.

MSA Bell will ensure that staff participate in PD on MTSS practices. Staff is dedicated and training provided to monitor student behavior and social-emotional progress.

Pg 51

Addendum

The Local Control and Accountability Plan (LCAP) and Annual Update Template documents and communicates local educational agencies' (LEAs) actions and expenditures to support student outcomes and overall performance. The LCAP is a three-year plan, which is reviewed and updated annually, as required. Charter schools may complete the LCAP to align with the term of the charter school's budget, typically one year, which is submitted to the school's authorizer. The LCAP and Annual Update Template must be completed by all LEAs each year.

For school districts, the LCAP must describe, for the school district and each school within the district, goals and specific actions to achieve those goals for all students and each student group identified by the Local Control Funding Formula (LCFF) (ethnic, socioeconomically disadvantaged, English learners, foster youth, pupils with disabilities, and homeless youth), for each of the state priorities and any locally identified priorities.

For county offices of education, the LCAP must describe, for each county office of education-operated school and program, goals and specific actions to achieve those goals for all students and each LCFF student group funded through the county office of education (students attending juvenile court schools, on probation or parole, or expelled under certain conditions) for each of the state priorities and any locally identified priorities. School districts and county offices of education may additionally coordinate and describe in their LCAPs services funded by a school district that are provided to students attending county-operated schools and programs, including special education programs.

If a county superintendent of schools has jurisdiction over a single school district, the county board of education and the governing board of the school district may adopt and file for review and approval a single LCAP consistent with the requirements in Education Code (EC) sections 52060, 52062, 52066, 52068, and 52070. The LCAP must clearly articulate to which entity's budget (school district or county superintendent of schools) all budgeted and actual expenditures are aligned.

Charter schools must describe goals and specific actions to achieve those goals for all students and each LCFF subgroup of students including students with disabilities and homeless youth, for each of the state priorities that apply for the grade levels served or the nature of the program operated by the charter school, and any locally identified priorities. For charter schools, the inclusion and description of goals for state priorities in the LCAP may be modified to meet the grade levels served and the nature of the programs provided, including modifications to reflect only the statutory requirements explicitly applicable to charter schools in the EC. Changes in LCAP goals and actions/services for charter schools that result from the annual update process do not necessarily constitute a material revision to the school's charter petition.

For questions related to specific sections of the template, please see instructions below:

Instructions: Linked Table of Contents

For additional questions or technical assistance related to completion of the LCAP template, please contact the local county office of education, or the CDE's Local Agency Systems Support Office at: 916-319-0809 or by email at: lcff@cde.ca.gov.

Plan Summary

The LCAP is intended to reflect an LEA's annual goals, actions, services and expenditures within a fixed three-year planning cycle. LEAs must include a plan summary for the LCAP each year.

When developing the LCAP, enter the appropriate LCAP year, and address the prompts provided in these sections. When developing the LCAP in year 2 or year 3, enter the appropriate LCAP year and replace the previous summary information with information relevant to the current year LCAP.

In this section, briefly address the prompts provided. These prompts are not limits. LEAs may include information regarding local program(s), community demographics, and the overall vision of the LEA. LEAs may also attach documents (e.g., the California School Dashboard data reports) if desired and/or include charts illustrating goals, planned outcomes, actual outcomes, or related planned and actual expenditures.

An LEA may use an alternative format for the plan summary as long as it includes the information specified in each prompt and the budget summary table.

The reference to California School Dashboard means the California School Dashboard adopted by the State Board of Education under *EC* Section 52064.5.

Comprehensive Support and Improvement

An LEA with a school or schools identified for comprehensive support and improvement (CSI) under the Every Student Succeeds Act must respond to the following prompts:

- **Schools Identified:** Identify the schools within the LEA that have been identified for CSI.

- **Support for Identified Schools:** Describe how the LEA supported the identified schools in developing CSI plans that included a school-level needs assessment, evidence-based interventions, and the identification of any resource inequities to be addressed through the implementation of the CSI plan.
- **Monitoring and Evaluating Effectiveness:** Describe how the LEA will monitor and evaluate the implementation and effectiveness of the CSI plan to support student and school improvement.

Annual Update

The planned goals, expected outcomes, actions/services, and budgeted expenditures must be copied verbatim from the previous year's* approved LCAP; in addition, list the state and/or local priorities addressed by the planned goals. Minor typographical errors may be corrected.

> * For example, for LCAP year 2017/18 of the 2017/18 – 2019/20 LCAP, review the goals in the 2016/17 LCAP. Moving forward, review the goals from the most recent LCAP year. For example, LCAP year 2020/21 will review goals from the 2019/20 LCAP year, which is the last year of the 2017/18 – 2019/20 LCAP.

Annual Measurable Outcomes

> For each goal in the prior year, identify and review the actual measurable outcomes as compared to the expected annual measurable outcomes identified in the prior year for the goal.

Actions/Services

> Identify the planned Actions/Services and the budgeted expenditures to implement these actions toward achieving the described goal. Identify the **actual** actions/services implemented to meet the described goal and the estimated actual annual expenditures to implement the actions/services. As applicable, identify any changes to the students or student groups served, or to the planned location of the actions/services provided.

Analysis

> Using actual annual measurable outcome data, including data from the California School Dashboard, analyze whether the planned actions/services were effective in achieving the goal. Respond to the prompts as instructed.

- Describe the overall implementation of the actions/services to achieve the articulated goal. Include a discussion of relevant challenges and successes experienced with the implementation process.
- Describe the overall effectiveness of the actions/services to achieve the articulated goal as measured by the LEA.
- Explain material differences between Budgeted Expenditures and Estimated Actual Expenditures. Minor variances in expenditures or a dollar-for-dollar accounting is not required.
- Describe any changes made to this goal, expected outcomes, metrics, or actions and services to achieve this goal as a result of this analysis and analysis of the data provided in the California School Dashboard, as applicable. Identify where those changes can be found in the LCAP.

Stakeholder Engagement

Meaningful engagement of parents, students, and other stakeholders, including those representing the student groups identified by LCFF, is critical to the development of the LCAP and the budget process. *EC* identifies the minimum consultation requirements for school districts and county offices of education as consulting with teachers, principals, administrators, other school personnel, local bargaining units of the school district, parents, and pupils in developing the LCAP. *EC* requires charter schools to consult with teachers, principals, administrators, other school personnel, parents, and pupils in developing the LCAP. In addition, *EC* Section 48985 specifies the requirements for the translation of notices, reports, statements, or records sent to a parent or guardian.

The LCAP should be shared with, and LEAs should request input from, school site-level advisory groups, as applicable (e.g., school site councils, English Learner Advisory Councils, student advisory groups, etc.), to facilitate alignment between school-site and district-level goals and actions. An LEA may incorporate or reference actions described in other plans that are being undertaken to meet specific goals.

Instructions: The stakeholder engagement process is an ongoing, annual process. The requirements for this section are the same for each year of a three-year LCAP. When developing the LCAP, enter the appropriate LCAP year, and describe the stakeholder engagement process used to develop the LCAP and Annual Update. When developing the LCAP in year 2 or year 3, enter the appropriate LCAP year and replace the previous stakeholder narrative(s) and describe the stakeholder engagement process used to develop the current year LCAP and Annual Update.

School districts and county offices of education: Describe the process used to consult with the Parent Advisory Committee, the English Learner Parent Advisory Committee, parents, students, school personnel, the LEA's local bargaining units, and the community to inform the development of the LCAP and the annual review and analysis for the indicated LCAP year.

Charter schools: Describe the process used to consult with teachers, principals, administrators, other school personnel, parents, and students to inform the development of the LCAP and the annual review and analysis for the indicated LCAP year.

Describe how the consultation process impacted the development of the LCAP and annual update for the indicated LCAP year, including the goals, actions, services, and expenditures.

Goals, Actions, and Services

LEAs must include a description of the annual goals, for all students and each LCFF identified group of students, to be achieved for each state priority as applicable to type of LEA. An LEA may also include additional local priorities. This section shall also include a description of the specific planned actions an LEA will take to meet the identified goals, and a description of the expenditures required to implement the specific actions.

School districts and county offices of education: The LCAP is a three-year plan, which is reviewed and updated annually, as required.

Charter schools: The number of years addressed in the LCAP may align with the term of the charter schools budget, typically one year, which is submitted to the school's authorizer. If year 2 and/or year 3 is not applicable, charter schools must specify as such.

New, Modified, Unchanged

As part of the LCAP development process, which includes the annual update and stakeholder engagement, indicate if the goal, identified need, related state and/or local priorities, and/or expected annual measurable outcomes for the current LCAP year or future LCAP years are modified or unchanged from the previous year's LCAP; or, specify if the goal is new.

Goal

State the goal. LEAs may number the goals using the "Goal #" box for ease of reference. A goal is a broad statement that describes the desired result to which all actions/services are directed. A goal answers the question: What is the LEA seeking to achieve?

Related State and/or Local Priorities

> List the state and/or local priorities addressed by the goal. The LCAP must include goals that address each of the state priorities, as applicable to the type of LEA, and any additional local priorities; however, one goal may address multiple priorities. (Link to State Priorities)

Identified Need

> Describe the needs that led to establishing the goal. The identified needs may be based on quantitative or qualitative information, including, but not limited to, results of the annual update process or performance data from the California School Dashboard, as applicable.

Expected Annual Measurable Outcomes

> For each LCAP year, identify the metric(s) or indicator(s) that the LEA will use to track progress toward the expected outcomes. LEAs may identify metrics for specific student groups. Include in the baseline column the most recent data associated with this metric or indicator available at the time of adoption of the LCAP for the first year of the three-year plan. The most recent data associated with a metric or indicator includes data as reported in the annual update of the LCAP year immediately preceding the three-year plan, as applicable. The baseline data shall remain unchanged throughout the three-year LCAP. In the subsequent year columns, identify the progress to be made in each year of the three-year cycle of the LCAP. Consider how expected outcomes in any given year are related to the expected outcomes for subsequent years.

> The metrics may be quantitative or qualitative, but at minimum an LEA must use the applicable required metrics for the related state priorities, in each LCAP year as applicable to the type of LEA. For the student engagement priority metrics, as applicable, LEAs must calculate the rates as described in the LCAP Template Appendix, sections (a) through (d).

Planned Actions/Services

> For each action/service, the LEA must complete either the section "For Actions/Services not included as contributing to meeting Increased or Improved Services Requirement" or the section "For Actions/Services included as contributing to meeting the Increased or Improved Services Requirement." The LEA shall not complete both sections for a single action.

For Actions/Services Not Contributing to Meeting the Increased or Improved Services Requirement

Students to be Served

> The "Students to be Served" box is to be completed for all actions/services except for those which are included by the LEA as contributing to meeting the requirement to increase or improve services for unduplicated students. Indicate in this box which students will benefit from the actions/services by entering "All", "Students with Disabilities", or "Specific Student Group(s)". If "Specific Student Group(s)" is entered, identify the specific student group(s) as appropriate.

Location(s)

> Identify the location where the action/services will be provided. If the services are provided to all schools within the LEA, the LEA must identify "All Schools". If the services are provided to specific schools within the LEA or specific grade spans only, the LEA must enter "Specific Schools" or "Specific Grade Spans". Identify the individual school or a subset of schools or grade spans (e.g., all high schools or grades K-5), as appropriate.

Charter schools operating more than one site, authorized within the same charter petition, may choose to distinguish between sites by entering "Specific Schools" and identifying the site(s) where the actions/services will be provided. For charter schools operating only one site, "All Schools" and "Specific Schools" may be synonymous and, therefore, either would be appropriate. Charter schools may use either term provided they are used in a consistent manner through the LCAP.

For Actions/Services Contributing to Meeting the Increased or Improved Services Requirement:

Students to be Served

For any action/service contributing to the LEA's overall demonstration that it has increased or improved services for unduplicated students above what is provided to all students (see Demonstration of Increased or Improved Services for Unduplicated Students section, below), the LEA must identify the unduplicated student group(s) being served.

Scope of Service

For each action/service contributing to meeting the increased or improved services requirement, identify the scope of service by indicating "LEA-wide", "Schoolwide", or "Limited to Unduplicated Student Group(s)". The LEA must identify one of the following three options:

- If the action/service is being funded and provided to upgrade the entire educational program of the LEA, enter "LEA-wide."

- If the action/service is being funded and provided to upgrade the entire educational program of a particular school or schools, enter "schoolwide".

- If the action/service being funded and provided is limited to the unduplicated students identified in "Students to be Served", enter "Limited to Unduplicated Student Group(s)".

For charter schools and single-school school districts, "LEA-wide" and "Schoolwide" may be synonymous and, therefore, either would be appropriate. For charter schools operating multiple schools (determined by a unique CDS code) under a single charter, use "LEA-wide" to refer to all schools under the charter and use "Schoolwide" to refer to a single school authorized within the same charter petition. Charter schools operating a single school may use "LEA-wide" or "Schoolwide" provided these terms are used in a consistent manner through the LCAP.

Location(s)

Identify the location where the action/services will be provided. If the services are provided to all schools within the LEA, the LEA must indicate "All Schools". If the services are provided to specific schools within the LEA or specific grade spans only, the LEA must enter "Specific Schools" or "Specific Grade Spans". Identify the individual school or a subset of schools or grade spans (e.g., all high schools or grades K-5), as appropriate.

Charter schools operating more than one site, authorized within the same charter petition, may choose to distinguish between sites by entering "Specific Schools" and identify the site(s) where the actions/services will be provided. For charter schools operating only one site, "All Schools" and "Specific Schools" may be synonymous and, therefore, either would be appropriate. Charter schools may use either term provided they are used in a consistent manner through the LCAP.

Actions/Services

For each LCAP year, identify the actions to be performed and services provided to meet the described goal. Actions and services that are implemented to achieve the identified goal may

be grouped together. LEAs may number the action/service using the "Action #" box for ease of reference.

New/Modified/Unchanged:

- Enter "New Action" if the action/service is being added in any of the three years of the LCAP to meet the articulated goal.

- Enter "Modified Action" if the action/service was included to meet an articulated goal and has been changed or modified in any way from the prior year description.

- Enter "Unchanged Action" if the action/service was included to meet an articulated goal and has not been changed or modified in any way from the prior year description.

    o If a planned action/service is anticipated to remain unchanged for the duration of the plan, an LEA may enter "Unchanged Action" and leave the subsequent year columns blank rather than having to copy/paste the action/service into the subsequent year columns. Budgeted expenditures may be treated in the same way as applicable.

Note: The goal from the prior year may or may not be included in the current three-year LCAP. For example, when developing year 1 of the LCAP, the goals articulated in year 3 of the preceding three-year LCAP will be from the prior year.

Charter schools may complete the LCAP to align with the term of the charter school's budget that is submitted to the school's authorizer. Accordingly, a charter school submitting a one-year budget to its authorizer may choose not to complete the year 2 and year 3 portions of the "Goals, Actions, and Services" section of the template. If year 2 and/or year 3 is not applicable, charter schools must specify as such.

Budgeted Expenditures

For each action/service, list and describe budgeted expenditures for each school year to implement these actions, including where those expenditures can be found in the LEA's budget. The LEA must reference all fund sources for each proposed expenditure. Expenditures must be classified using the California School Accounting Manual as required by *EC* sections 52061, 52067, and 47606.5.

Expenditures that are included more than once in an LCAP must be indicated as a duplicated expenditure and include a reference to the goal and action/service where the expenditure first appears in the LCAP.

If a county superintendent of schools has jurisdiction over a single school district, and chooses to complete a single LCAP, the LCAP must clearly articulate to which entity's budget (school district or county superintendent of schools) all budgeted expenditures are aligned.

Demonstration of Increased or Improved Services for Unduplicated Students

This section must be completed for each LCAP year. When developing the LCAP in year 2 or year 3, copy the "Demonstration of Increased or Improved Services for Unduplicated Students" table and enter the appropriate LCAP year. Using the copy of the section, complete the section as required for the current year LCAP. Retain all prior year sections for each of the three years within the LCAP.

Estimated Supplemental and Concentration Grant Funds

Identify the amount of funds in the LCAP year calculated on the basis of the number and concentration of low income, foster youth, and English learner students as determined pursuant to *California Code of Regulations*, Title 5 (5 *CCR*) Section 15496(a)(5).

Percentage to Increase or Improve Services

Identify the percentage by which services for unduplicated pupils must be increased or improved as compared to the services provided to all students in the LCAP year as calculated pursuant to 5 *CCR* Section 15496(a)(7).

Consistent with the requirements of 5 *CCR* Section 15496, describe how services provided for unduplicated pupils are increased or improved by at least the percentage calculated as compared to services provided for all students in the LCAP year. To improve services means to grow services in quality and to increase services means to grow services in quantity. This description must address how the action(s)/service(s) limited for one or more unduplicated student group(s), and any schoolwide or districtwide action(s)/service(s) supported by the appropriate description, taken together, result in the required proportional increase or improvement in services for unduplicated pupils.

If the overall increased or improved services include any actions/services being funded and provided on a schoolwide or districtwide basis, identify each action/service and include the required descriptions supporting each action/service as follows.

For those services being provided on an LEA-wide basis:

- For school districts with an unduplicated pupil percentage of 55% or more, and for charter schools and county offices of education: Describe how these services are **principally directed to** and **effective in** meeting its goals for unduplicated pupils in the state and any local priorities.

- For school districts with an unduplicated pupil percentage of less than 55%: Describe how these services are **principally directed to** and **effective in** meeting its goals for unduplicated pupils in the state and any local priorities**.** Also describe how the services are **the most effective use of the funds to** meet these goals for its unduplicated pupils. Provide the basis for this determination, including any alternatives considered, supporting research, experience or educational theory.

For school districts only, identify in the description those services being funded and provided on a schoolwide basis, and include the required description supporting the use of the funds on a schoolwide basis:

- For schools with 40% or more enrollment of unduplicated pupils: Describe how these services are **principally directed to** and **effective in** meeting its goals for its unduplicated pupils in the state and any local priorities.

- For school districts expending funds on a schoolwide basis at a school with less than 40% enrollment of unduplicated pupils: Describe how these services are **principally directed to** and how the services are **the most effective use of the funds to** meet its goals for English learners, low income students and foster youth, in the state and any local priorities.

State Priorities

Priority 1: Basic Services addresses the degree to which:
   A. Teachers in the LEA are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
   B. Pupils in the school district have sufficient access to the standards-aligned instructional materials; and
   C. School facilities are maintained in good repair.

Priority 2: Implementation of State Standards addresses:
   A. The implementation of state board adopted academic content and performance standards for all students, which are:
      a. English Language Arts – Common Core State Standards (CCSS) for English Language Arts
      b. Mathematics – CCSS for Mathematics
      c. English Language Development (ELD)
      d. Career Technical Education
      e. Health Education Content Standards
      f. History-Social Science
      g. Model School Library Standards
      h. Physical Education Model Content Standards
      i. Next Generation Science Standards
      j. Visual and Performing Arts
      k. World Language; and
   B. How the programs and services will enable English learners to access the CCSS and the ELD standards for purposes of gaining academic content knowledge and English language proficiency.

Priority 3: Parental Involvement addresses:
   A. The efforts the school district makes to seek parent input in making decisions for the school district and each individual school site;
   B. How the school district will promote parental participation in programs for unduplicated pupils; and
   C. How the school district will promote parental participation in programs for individuals with exceptional needs.

Priority 4: Pupil Achievement as measured by all of the following, as applicable:
   A. Statewide assessments;
   B. The percentage of pupils who have successfully completed courses that satisfy University of California (UC) or California State University (CSU) entrance requirements, or programs of study that align with state board approved career technical educational standards and framework;
   C. The percentage of English learner pupils who make progress toward English proficiency as measured by the English Language Proficiency Assessments for California (ELPAC);
   D. The English learner reclassification rate;
   E. The percentage of pupils who have passed an advanced placement examination with a score of 3 or higher; and
   F. The percentage of pupils who participate in, and demonstrate college preparedness pursuant to, the Early Assessment Program, or any subsequent assessment of college preparedness.

Priority 5: Pupil Engagement as measured by all of the following, as applicable:
   A. School attendance rates;
   B. Chronic absenteeism rates;
   C. Middle school dropout rates;
   D. High school dropout rates; and
   E. High school graduation rates;

Priority 6: School Climate as measured by all of the following, as applicable:
   A. Pupil suspension rates;

B. Pupil expulsion rates; and
C. Other local measures, including surveys of pupils, parents, and teachers on the sense of safety and school connectedness.

Priority 7: Course Access addresses the extent to which pupils have access to and are enrolled in:
A. A broad course of study including courses described under *EC* sections 51210 and 51220(a)-(i), as applicable;
B. Programs and services developed and provided to unduplicated pupils; and
C. Programs and services developed and provided to individuals with exceptional needs.

Priority 8: Pupil Outcomes addresses pupil outcomes, if available, for courses described under *EC* sections 51210 and 51220(a)-(i), as applicable.

Priority 9: Coordination of Instruction of Expelled Pupils (COE Only) addresses how the county superintendent of schools will coordinate instruction of expelled pupils.

Priority 10. Coordination of Services for Foster Youth (COE Only) addresses how the county superintendent of schools will coordinate services for foster children, including:
A. Working with the county child welfare agency to minimize changes in school placement
B. Providing education-related information to the county child welfare agency to assist in the delivery of services to foster children, including educational status and progress information that is required to be included in court reports;
C. Responding to requests from the juvenile court for information and working with the juvenile court to ensure the delivery and coordination of necessary educational services; and
D. Establishing a mechanism for the efficient expeditious transfer of health and education records and the health and education passport.

Local Priorities address:
A. Local priority goals; and
B. Methods for measuring progress toward local goals.

APPENDIX A: PRIORITIES 5 AND 6 RATE CALCULATION INSTRUCTIONS

For the purposes of completing the LCAP in reference to the state priorities under *EC* sections 52060 and 52066, as applicable to type of LEA, the following shall apply:

(a) "Chronic absenteeism rate" shall be calculated as follows:

(1) The number of K-8 students who were absent 10 percent or more of the school days excluding students who were:

(A) enrolled less than 31 days

(B) enrolled at least 31 days but did not attend at least one day

(C) flagged as exempt in the district attendance submission. K-8 students are considered to be exempt if they:

(i) are enrolled in a Non-Public School

(ii) receive instruction through a home or hospital instructional setting

(iii) are attending a community college full-time.

(2) The number of students who meet the enrollment requirements.

(3) Divide (1) by (2).

(b) "High school dropout rate" shall be calculated as follows:

(1) The number of cohort members who dropout by the end of year 4 in the cohort where "cohort" is defined as the number of first-time grade 9 pupils in year 1 (starting cohort) plus pupils who transfer in, minus pupils who transfer out, emigrate, or die during school years 1, 2, 3, and 4.

(2) The total number of cohort members.

(3) Divide (1) by (2).

(c) "High school graduation rate" shall be calculated as follows:

(1) For a 4-Year Cohort Graduation Rate:

(A) The number of students in the cohort who earned a regular high school diploma by the end of year 4 in the cohort.

(B) The total number of students in the cohort.

(C) Divide (1) by (2).

(2) For a Dashboard Alternative Schools Status (DASS) Graduation Rate:

(A) The number of students who either graduated as grade 11 students or who earned any of the following:

(i) a regular high school diploma

(ii) a High School Equivalency Certificate

(iii) an adult education diploma

(iv) a Certificate of Completion and was eligible for the California Alternative Assessment if under the age of 20.

(B) The number of students in the DASS graduation cohort.

(C) Divide (1) by (2).

(d) "Suspension rate" shall be calculated as follows:

(1) The unduplicated count of pupils involved in one or more incidents for which the pupil was suspended during the academic year (July 1 – June 30).

(2) The unduplicated count of pupils with a primary, secondary, or short-term enrollment during the academic year (July 1 – June 30).

(3) Divide (1) by (2).

(e) "Expulsion rate" shall be calculated as follows:

(1) The unduplicated count of pupils involved in one or more incidents for which the pupil was expelled during the academic year (July 1 – June 30).

(2) The unduplicated count of pupils with a primary, secondary, or short-term enrollment during the academic year (July 1 – June 30).

(3) Divide (1) by (2).

NOTE: Authority cited: Sections 42238.07 and 52064, *Education Code*. Reference: Sections 2574, 2575, 42238.01, 42238.02, 42238.03, 42238.07, 47605, 47605.6, 47606.5, 48926, 52052, 52060, 52061, 52062, 52063, 52064, 52066, 52067, 52068, 52069, 52070, 52070.5, and 64001,; 20 U.S.C. Sections 6312 and 6314.

APPENDIX B: GUIDING QUESTIONS

Guiding Questions: Annual Review and Analysis

1) How have the actions/services addressed the needs of all pupils and did the provisions of those services result in the desired outcomes?
2) How have the actions/services addressed the needs of all subgroups of pupils identified pursuant to *EC* Section 52052, including, but not limited to, English learners, low-income pupils, and foster youth; and did the provision of those actions/services result in the desired outcomes?
3) How have the actions/services addressed the identified needs and goals of specific school sites and were these actions/services effective in achieving the desired outcomes?
4) What information (e.g., quantitative and qualitative data/metrics) was examined to review progress toward goals in the annual update?
5) What progress has been achieved toward the goal and expected measurable outcome(s)? How effective were the actions and services in making progress toward the goal? What changes to goals, actions, services, and expenditures are being made in the LCAP as a result of the review of progress and assessment of the effectiveness of the actions and services?
6) What differences are there between budgeted expenditures and estimated actual annual expenditures? What were the reasons for any differences?

Guiding Questions: Stakeholder Engagement

1) How have applicable stakeholders (e.g., parents and pupils, including parents of unduplicated pupils and unduplicated pupils identified in *EC* Section 42238.01; community members; local bargaining units; LEA personnel; county child welfare agencies; county office of education foster youth services programs, court-appointed special advocates, and other foster youth stakeholders; community organizations representing English learners; and others as appropriate) been engaged and involved in developing, reviewing, and supporting implementation of the LCAP?
2) How have stakeholders been included in the LEA's process in a timely manner to allow for engagement in the development of the LCAP?
3) What information (e.g., quantitative and qualitative data/metrics) was made available to stakeholders related to the state priorities and used by the LEA to inform the LCAP goal setting process? How was the information made available?
4) What changes, if any, were made in the LCAP prior to adoption as a result of written comments or other feedback received by the LEA through any of the LEA's engagement processes?
5) What specific actions were taken to meet statutory requirements for stakeholder engagement pursuant to *EC* sections 52062, 52068, or 47606.5, as applicable, including engagement with representatives of parents and guardians of pupils identified in *EC* Section 42238.01?
6) What specific actions were taken to consult with pupils to meet the requirements 5 *CCR* Section 15495(a)?

7) How has stakeholder involvement been continued and supported? How has the involvement of these stakeholders supported improved outcomes for pupils, including unduplicated pupils, related to the state priorities?

Guiding Questions: Goals, Actions, and Services

1) What are the LEA's goal(s) to address state priorities related to "Conditions of Learning": Basic Services (Priority 1), the Implementation of State Standards (Priority 2), and Course Access (Priority 7)?
2) What are the LEA's goal(s) to address state priorities related to "Pupil Outcomes": Pupil Achievement (Priority 4), Pupil Outcomes (Priority 8), Coordination of Instruction of Expelled Pupils (Priority 9 – COE Only), and Coordination of Services for Foster Youth (Priority 10 – COE Only)?
3) What are the LEA's goal(s) to address state priorities related to parent and pupil "Engagement": Parental Involvement (Priority 3), Pupil Engagement (Priority 5), and School Climate (Priority 6)?
4) What are the LEA's goal(s) to address any locally-identified priorities?
5) How have the unique needs of individual school sites been evaluated to inform the development of meaningful district and/or individual school site goals (e.g., input from site level advisory groups, staff, parents, community, pupils; review of school level plans; in-depth school level data analysis, etc.)?
6) What are the unique goals for unduplicated pupils as defined in *EC* Section 42238.01 and groups as defined in *EC* Section 52052 that are different from the LEA's goals for all pupils?
7) What are the specific expected measurable outcomes associated with each of the goals annually and over the term of the LCAP?
8) What information (e.g., quantitative and qualitative data/metrics) was considered/reviewed to develop goals to address each state or local priority?
9) What information was considered/reviewed for individual school sites?
10) What information was considered/reviewed for subgroups identified in *EC* Section 52052?
11) What actions/services will be provided to all pupils, to subgroups of pupils identified pursuant to *EC* Section 52052, to specific school sites, to English learners, to low-income pupils, and/or to foster youth to achieve goals identified in the LCAP?
12) How do these actions/services link to identified goals and expected measurable outcomes?
13) What expenditures support changes to actions/services as a result of the goal identified? Where can these expenditures be found in the LEA's budget?

Prepared by the California Department of Education, January 2019

LCAP Year (select from 2017-18, 2018-19, 2019-20)

2019-20

Local Control Accountability Plan and Annual Update (LCAP) Template

Addendum: General instructions & regulatory requirements.

Appendix A: Priorities 5 and 6 Rate Calculations

Appendix B: Guiding Questions: Use as prompts (not limits)

California School Dashboard: Essential data to support completion of this LCAP. Please analyze the LEA's full data set; specific links to the rubrics are also provided within the template.

Magnolia Science Academy-San Diego	Gokhan Serce, Principal	gserce@magnoliapublicschools.org (619) 644 1300

2017-20 Plan Summary

The Story

Describe the students and community and how the LEA serves them.

> Magnolia Science Academy San Diego (MSA-San Diego) is an independent public charter school located in the Allied Gardens community. MSA- San Diego serves around 400 students in grades 6–8, with classes that average 30 or fewer students. The school was founded in the fall of 2005 by a group of scientists and engineers devoted to math, science, and technology education. Magnolia's mission is to provide a high-quality college preparatory educational program emphasizing science, technology, engineering, arts and math (STEAM) in a safe environment that cultivates respect for self and others. MSA-San Diego provides a challenging academic curriculum, a highly qualified staff, and a variety of learning opportunities such as enrichment classes, athletics programs, free tutoring, afterschool clubs, character education classes, field trips, community meetings, and much more. We offer a comprehensive learning experience designed to serve the needs of our students through effective site-based instruction, rich hands-on learning, and foundation skills presented in ways that are relevant and inspiring for our students. Classroom instruction at MSA-San Diego is supplemented by tutoring, after-school programs, and school-to-university links. Starting 2013–14 school year, MSA-San Diego transitioned to a 1:1 program with computers in every classroom. Since the 2013-14 School year MSA-San Diego Robotics, Future City (Engineering) and Archery teams and School Band won first place at multiple state and local competitions. MSA-San Diego is a member of the Magnolia Public Schools family and collaborates with sister schools and other educational organizations to offer the best quality education to the students.

LCAP Highlights

Identify and briefly summarize the key features of this year's LCAP.

> The Charter School LCAP committee has reviewed input from all stakeholders and available data through surveys and student performance data. Based on input and data, we have revised our existing actions/services and measurable outcomes and also planned for new ones. Some of the highlights include:

> ➢ Parents' appreciation of being involved in the decision-making process and the need for continuous parent trainings via activities such as Coffee w/ Principal, PTF and LCAP meetings

- ➢ Although our overall proficiency went down in Math and ELA our school still had high scores in Navajo Community and high scores compared to all charters in city of San Diego. There is a need to continue our improvements in designated/integrated English Learner services

- ➢ We improve the sense of safety of stakeholders through facility improvements such as installing blinds and re-keying the doors, through parent and student safety awareness/roundtable meetings and in addition to yearly safety training providing an in person active shooter training for all staff through SDCOE

- ➢ Expanding after school, Saturday school, and summer school opportunities; refining targeted intervention and tutoring programs

- ➢ Providing positive behavior intervention support services to our students through well-established Restorative Practices system.

- ➢ Continue using teacher evaluation system 'TeachBoost'

- ➢ Reduce chronic absenteeism to under 5%

Review of Performance

Based on a review of performance on the state indicators and local performance indicators included in the California School Dashboard, progress toward LCAP goals, local self-assessment tools, stakeholder input, or other information, what progress is the LEA most proud of and how does the LEA plan to maintain or build upon that success? This may include identifying any specific examples of how past increases or improvements in services for low-income students, English learners, and foster youth have led to improved performance for these students.

Greatest Progress

- ➢ We are implementing Restorative Practices to improve school culture and provided many professional developments for our staff and teacher leaders.

- ➢ Trained all admin team and teacher leaders in MTSS through MTSS grant.

- ➢ MSA-San Diego's overall performance in State testing based on California School Dashboard is all green, and based on new results we are expecting to see a change to a blue.

- ➢ MSA-San Diego showed significant growth in state test in both Math and English for English Learners

- ➢ Our school outperformed most of the charter middle schools in city of San Diego and many of the middle schools in Navajo community.

- ➢ MSA-San Diego established partnership with the local community college to host Future City competition and community events like San Diego STEAM Expo.

- ➢ MSA-San Diego provided opportunities for students to showcase their achievements in STEAM fields. Some of the opportunities are:

1-Seaperch underwater robotics team made it to international Finals

2-Our FLL Robotics team won the 2nd place in LEGOLAND at SoCal competition.

3-Our Archery team won San Diego 2nd place, State 4th place and National 5th place at the Olympic Archery in Middle Schools competitions throughout the year.

4-MSA-San Diego cohosted 6th annual San Diego STEAM Expo with Grossmont College

5- Participated San Diego Festival of Science and Engineering with over 80 students. Over 7,000 visitors visited Magnolia booths.

- ➢ The level of parent participation for school events increased significantly.

- ➢ MSA-San Diego PTF established their bylaws and had their second election with the new bylaws.

- ➢ The home visit numbers and MSA-San Diego exceeded its target.

- ➢ New site construction finished and we installed artificial turf to our field.

> ➢ MSA-San Diego hosted, organized or participated in over 40 school and community events throughout the school year.

Referring to the California School Dashboard, identify any state indicator or local performance indicator for which overall performance was in the "Red" or "Orange" performance category or where the LEA received a "Not Met" or "Not Met for Two or More Years" rating. Additionally, identify any areas that the LEA has determined need significant improvement based on review of local performance indicators or other local indicators. What steps is the LEA planning to take to address these areas with the greatest need for improvement?

Greatest Needs

> ➢ Increase academic achievement in the area of math and ELA for all student groups in CAASPP.
>
> ➢ Recruiting and retaining highly qualified teachers
>
> ➢ Continual refinement of intervention programs to assist in closing the achievement gap for all student groups.
>
> ➢ Empowering students to be school wide student leaders in the establishment of school culture with a new school culture model.

Referring to the California School Dashboard, identify any state indicator for which performance for any student group was two or more performance levels below the "all student" performance. What steps is the LEA planning to take to address these performance gaps?

Performance Gaps

> ➢ Both in math and ELA, the following student groups have the highest needs: Students with Disabilities , Socioeconomically Disadvantaged students, Hispanic, and English Learners. MSA-San Diego will continue to provide additional support for the high need student groups

Comprehensive Support and Improvement

An LEA with a school or schools identified for comprehensive support and improvement (CSI) under the Every Student Succeeds Act must respond to the following prompts.

Schools Identified

Identify the schools within the LEA that have been identified for CSI.

N/A

Support for Identified Schools

Describe how the LEA supported the identified schools in developing CSI plans that included a school-level needs assessment, evidence-based interventions, and the identification of any resource inequities to be addressed through the implementation of the CSI plan.

N/A

Pg 3

Monitoring and Evaluating Effectiveness

Describe how the LEA will monitor and evaluate the implementation and effectiveness of the CSI plan to support student and school improvement.

N/A

Annual Update

LCAP Year Reviewed: 2018–19

Complete a copy of the following table for each of the LEA's goals from the prior year LCAP. Duplicate the table as needed.

Goal 1

EXCELLENCE: All students will pursue academic excellence and be college/career ready.

State and/or Local Priorities addressed by this goal:

State Priorities: 1, 2, 4, and 8

Local Priorities: N/A

Annual Measurable Outcomes

Expected	Actual
Percentage of teachers who will be appropriately assigned and fully credentialed as required by law and the charter: 100%	Percentage of teachers who are appropriately assigned and fully credentialed as required by law and the charter: 100%
Percentage of students who will have sufficient access to standards-aligned instructional materials: 100%	Percentage of students who have sufficient access to standards-aligned instructional materials: 100%
Percentage of items on facility inspection checklists in compliance/good standing: 90%	Percentage of items on facility inspection checklists in compliance/good standing: 90%
Percentage of state standards implementation for all students: 100%	Percentage of state standards implementation for all students: 100%
Percentage of students performing proficient on the CAASPP-ELA/Literacy assessments will be (Grades 3-8): 2018-19 Expected:	2018-19 SBAC data is not available at this time. The following tables show 2017-18 proficiency rates of our student groups on the CAASPP-ELA/Literacy assessments and projected increase in 2018-19.

Expected		Actual

Expected	
All Students:	2 percentage points up from the prior year
English Learners:	3 percentage points up from the prior year
Socioeconomically Disadvantaged:	3 percentage points up from the prior year
Students with Disabilities:	3 percentage points up from the prior year
Hispanic:	3 percentage points up from the prior year
White:	2 percentage points up from the prior year

Actual

2017-18 (Baseline):

All Students:	61%
English Learners:	6%
Socioeconomically Disadvantaged:	41%
Students with Disabilities:	22%
Hispanic:	47%
White:	68%

Based on our interim assessments during the year (IAB, ICA, MAP, etc.), we project the following:

2018-19 (Projected):

All Students:	2 percentage points up from the prior year
English Learners:	3 percentage points up from the prior year
Socioeconomically Disadvantaged:	3 percentage points up from the prior year
Students with Disabilities:	3 percentage points up from the prior year
Hispanic:	3 percentage points up from the prior year
White:	2 percentage points up from the prior year

Change in Average Distance from Standard on the CASSPP-	2018-19 SBAC data is not available at this time. The following

Students with Disabilities:	3 points up from the prior year
Hispanic:	3 points up from the prior year

Pg 9

	Expected		Actual
		White:	2 points up from the prior year

Expected	Actual
Percentage of EL students making annual progress in learning English as measured by the ELPAC: 2 percentage points up from the prior year	2018-19 ELPI data is not available at this time. The following table shows 2017-18 ELPAC performance data of our ELs. 2017-18 (Baseline): Level 4 - Well Developed — 42.1% Level 3 - Moderately Developed — 26.3% Level 2 - Somewhat Developed — 21.1% Level 1 – Beginning Stage — 10.5%

Expected	Actual	
Percentage of ELs reclassified to Fluent English Proficient (RFEP) annually:5 percentage points up from the prior year	2017-18 (Baseline)	26%
	2018-19 (Projected)	5 percentage points up from the prior year

Expected	Actual	
Percentage of students who will receive a grade of "C" or better (or perform "proficient" on the related state standardized tests) in core subjects and electives: 91%	2017-18 (Baseline)	90%
	2018-19 (End of second semester Projected)	1 percentage points up from the prior year

Actions / Services

Duplicate the Actions/Services from the prior year LCAP and complete a copy of the following table for each. Duplicate the table as needed.

Pg 10

Action 1

Planned Actions/Services	Actual Actions/Services	Budgeted Expenditures	Estimated Actual Expenditures
Charter School will conduct credential review as part of teacher hiring process and support our teachers' credentialing needs. Charter School will also annually review master schedule/teacher assignments to ensure compliance.	All teacher credentials have been reviewed. We have supported four of our teachers for their credentialing needs. We are compliant with teacher assignments.	$6,000 BTSA expenses (5000)(Base); $3,000 EL authorization expenses (5000)(Base) : $4,500 BTSA Mentor Stipend (1000)(Base);	$8,000 BTSA expenses (5000)(Base); $4,500 BTSA Mentor Stipend (1000)(Base);

Action 2

Planned Actions/Services	Actual Actions/Services	Budgeted Expenditures	Estimated Actual Expenditures
Charter School will annually review alignment of instructional materials to standards and keep an inventory of instructional materials and corresponding purchase of materials. Charter School will annually review budget and plan to ensure adequate budget for instructional materials.	We have reviewed our current instructional materials and they are aligned to standards. We keep an inventory of instructional materials and corresponding purchase of materials. We have also budgeted to ensure sufficient access to instructional materials.	"$11,000 Books (4100-4200); $74,000 Supplies, materials (4300), $35,000 Equipment (4400)"	"$11,000 Books (4100-4200); $74,000 Supplies, materials (4300), $35,000 Equipment (4400)"

Action 3

Planned Actions/Services	Actual Actions/Services	Budgeted Expenditures	Estimated Actual Expenditures
Charter School will do annual and monthly facility inspections to screen for safety hazards. Daily general cleaning by custodial staff will maintain campus cleanliness.	We have done annual and monthly facility inspections to screen for safety hazards. We have maintained our campus cleanliness through daily general cleaning.	$56,650.00 5500 Operations and House Keeping, $30,000.00 5615 Maintenance,	$56,650.00 5500 Operations and House Keeping, $30,000.00 5615 Maintenance,

Pg 11

Planned Actions/Services	Actual Actions/Services	Budgeted Expenditures	Estimated Actual Expenditures
		$56,000,00 2900, 3000 Custodian salary & benefits	$56,000,00 2900, 3000 Custodian salary & benefits

Action 4

Planned Actions/Services	Actual Actions/Services	Budgeted Expenditures	Estimated Actual Expenditures
Charter School will ensure curricula and assessments are aligned to the standards and that teachers participate in professional development on the implementation of standards (CCSS, NGSS, etc.) Teachers will be provided with instructional guidance and feedback through classroom visits.	Our curricula and assessments are aligned to the standards. Our teachers have participated in professional development on the implementation of standards (CCSS, NGSS, etc.)	$28,000Professional Development (5800); $2,000 TeachBoost fees (5000)	$28,000Professional Development (5800); $2,000 TeachBoost fees (5000)

Action 5

Planned Actions/Services	Actual Actions/Services	Budgeted Expenditures	Estimated Actual Expenditures
Charter School will provide services to ELs by proficiency level and provide ELD instruction aligned to the CA ELD standards and framework. Charter School will provide our ELs with core and supplemental ELD instructional materials and provide our teachers with PD focused on ELD standards. Our EL coordinator will monitor EL student progress in program implementation according to our EL Master Plan.	We have identified our ELs by proficiency level, provided ELD instruction aligned to the ELD standards, and monitored student progress in program implementation according to our EL Master Plan.	$40,000 EL Support staff salary (1000)(S&C); $12,000 Benefits (3000)(S&C); 2,000 EL supplemental materials (4000)(Title I)	$40,000 EL support staff salary (1000)(S&C); $12,000 Benefits (3000)(S&C); 2,000 EL supplemental materials (4000)(Title I)

Pg 12

Action 6

Planned Actions/Services	Actual Actions/Services	Budgeted Expenditures	Estimated Actual Expenditures
Charter School teachers will provide instruction using integrated ELD instructional strategies as outlined in the CHATS framework (and other research-based strategies such as SDAIE) to all students, including ELs. Charter School will provide culturally and linguistically relevant materials for students. ELs will receive further in-class instructional support which includes one-on-one teacher support and small group instruction. Charter School will strive to provide bilingual instructional assistants to provide primary language support to enable students to access content area instruction while gaining language proficiency. Charter School will ensure that teachers participate in PD on ELD instructional strategies and CHATS framework.	Our teachers provide instruction using integrated ELD instructional strategies as outlined in the CHATS framework to all students, including ELs. Our teachers have participated in professional development on ELD.	$4,000 Professional Development on ELD strategies (5000)(S&C)	$4,000 Professional Development on ELD strategies (5000)(S&C)

Action 7

Planned Actions/Services	Actual Actions/Services	Budgeted Expenditures	Estimated Actual Expenditures
During the day, Charter School will provide additional supports and interventions to all students, including ELs.	During the day, we provide additional supports and interventions to all students, including ELs, via Power English, Power Math, etc.	$33,000 Intervention teacher salaries (1000)(Title I);$10,000 benefits	$33,000 Intervention teacher salaries (1000)(Title I);$10,000 benefits

Action 8

Planned Actions/Services	Actual Actions/Services	Budgeted Expenditures	Estimated Actual Expenditures

Pg 13

Planned Actions/Services	Actual Actions/Services	Budgeted Expenditures	Estimated Actual Expenditures
Charter School will provide additional supports and interventions to all students, including ELs, during after school hours and on Saturday.	We provide additional supports and interventions to all students, including ELs, during after school hours and on Saturday.	$20,000 After school tutoring (1000)	$20,000 After school tutoring (1000)

Action 9

Planned Actions/Services	Actual Actions/Services	Budgeted Expenditures	Estimated Actual Expenditures
Charter School will synthesize CAASPP and MAP student achievement and growth data, as well as course grades, and other state and internal assessment scores, into reports and regularly review progress towards targets.	Working with the Home Office, our Dean of Academics and Title-I coordinators synthesize CAASPP and MAP student achievement and growth data, as well as course grades, and other state and internal assessment scores, into reports and regularly review progress towards targets with our staff.	$87,000 deans of academics salary (1000)(Base); $30,000Benefits (3000)(Base); $6,500 Illuminate SIS & DnA (5000)(Base); $6,000 MAP testing fees (5000)(Title I)	$87,000 deans of academics salary (1000)(Base); $30,000Benefits (3000)(Base); $6,500 Illuminate SIS & DnA (5000)(Base); $6,000 MAP testing fees (5000)(Title I)

Analysis

Complete a copy of the following table for each of the LEA's goals from the prior year LCAP. Duplicate the table as needed. Use actual annual measurable outcome data, including performance data from the LCFF Evaluation Rubrics, as applicable.

Describe the overall implementation of the actions/services to achieve the articulated goal.

Pg 14

We have implemented all of the actions/services described above to achieve our EXCELLENCE goal. We are compliant with our teacher assignments; we offer standards-based instruction and our students have sufficient access to standards-aligned instructional materials; we do facility inspections periodically; we regularly review student performance data and progress towards targets with our staff and continue to provide additional supports and interventions to all students, including ELs, during the school day, after school hours, and on Saturday; we provide our ELs with designated and integrated EL instruction.

Describe the overall effectiveness of the actions/services to achieve the articulated goal as measured by the LEA.

The actions/services have been effective as measured by progress towards our annual measurable outcomes. Although students' SBAC math and ELA proficiency rates decreased , the decrease is mostly due to student body change as a result of facility change announcement. When the cohort data is analyzed most of the returning student showed growth. As a result of that LCAP committee decided not to modify the goals. Our staff participated in variety of CCSS PDs. Our staff continued to meet weekly to discuss student data and they seek ways to support our students in classroom and afterschool. SBAC,CELDT/ELPAC and MAP data are used to identify struggling students and them students are provided intervention services. Targeted interventions include small group instruction and after school tutoring. This year our Math and English teachers continued to administer Interim Assessment Blocks (IABs) to measure skill mastery. They used this data to support students after school. Based on IAB results our students show significant growth.

Explain material differences between Budgeted Expenditures and Estimated Actual Expenditures.

We only have minor differences between Budgeted and Estimated Actual Expenditures.

Describe any changes made to this goal, expected outcomes, metrics, or actions and services to achieve this goal as a result of this analysis and analysis of the LCFF Evaluation Rubrics, as applicable. Identify where those changes can be found in the LCAP.

We will maintain our goal and the majority of our expected outcomes, metrics, and actions and services. We have updated our annual measurable outcomes with new performance targets for the upcoming school year based on input from all stakeholders and available data through surveys and student performance data. We will continue to provide all the actions/services for this goal with minor adjustments based on student and school needs. The updated outcomes and actions/services can be found in the Goals, Actions, & Services section of the LCAP.

Goal 2

INNOVATION: All students will pursue academic excellence and be college/career ready.

State and/or Local Priorities addressed by this goal:

State Priorities: 7 and 8

Local Priorities: N/A

Annual Measurable Outcomes

Expected	Actual
Percentage of the programs and services outlined in the charter petition that will be provided as measured by student interest surveys for elective courses and programs, master school schedule, and class rosters: 100%	Percentage of the programs and services outlined in the charter petition that we provide, certain programs and services being dependent on student need and interest: 100%
Percentage of students who will have sufficient access to all academic and educational programs provided by the Charter School as measured by student interest surveys for elective courses and programs, master school schedule, and class rosters: 100%	Percentage of students who have sufficient access to all academic and educational programs provided by the Charter School as measured by student interest surveys for elective courses and programs, master school schedule, and class rosters: 100%
Percentage of students enrolled in the Charter School's grades 6-8 who take the Accelerated and/or Advanced Math class and/or Advanced Math club: 20%	Percentage of students enrolled in the Charter School's grades 6-8 who take the Accelerated and/or Advanced Math class and/or Advanced Math club: 24%
Percentage of our graduates who will have taken a Computer/Technology class and/or experienced blended learning in their program of study: 100%	Percentage of our seniors who have taken a Computer/Technology class and/or experienced blended learning in their program of study: 100%
Percentage of students who will have created or demonstrated a STEAM focused project, experiment, model or demo: 100%	Percentage of students who have created or demonstrated a STEAM focused project, experiment, model or demo: 100%

Pg 16

Actions / Services

Duplicate the Actions/Services from the prior year LCAP and complete a copy of the following table for each. Duplicate the table as needed.

Action 1

Planned Actions/Services	Actual Actions/Services	Budgeted Expenditures	Estimated Actual Expenditures
Charter School will provide students with a broad array of courses including core subjects (English, mathematics, social sciences, and science) and electives as outlined in its charter petition. Charter School will also provide all other academic programs and services outlined in its charter petition, certain programs and services being dependent on student need and interest.	We provide our students with a broad array of courses including core subjects and electives as outlined in our charter petition. We also provide all other academic programs and services, certain programs and services being dependent on student need and interest. Classroom-based and online elective courses offered this year include: Spanish, Mandarin, Robotics and Engineering, Band, Graphic Design and Art, , etc.	$1,700,000 Teacher salaries (1000)(Base); $620,000 Benefits (3000)(Base); ; $50,000 Field trip expenses (5000)(Donations)	$1,700,000 Teacher salaries (1000)(Base); $620,000 Benefits (3000)(Base); ; $50,000 Field trip expenses (5000)(Donations)

Action 2

Planned Actions/Services	Actual Actions/Services	Budgeted Expenditures	Estimated Actual Expenditures
Charter School will design its master schedule to meet the needs of its students to ensure all academic content areas are available to all students, including student groups.	We have designed our master schedule to meet the needs of all students. We provide opportunities for online and dual enrollment as well.	$188,000 1 Principal and 1 Dean of Academics salaries (1000)(Base); $53,000 Benefits (3000)(Base)	$188,000 1 Principal and 1 Dean of Academics salaries (1000)(Base); $53,000 Benefits (3000)(Base)

Action 3

Planned Actions/Services	Actual Actions/Services	Budgeted Expenditures	Estimated Actual Expenditures
Charter School will offer Accelerated and/or	We offer Accelerated and Advanced Math	$52,000	$52,000

Action 4

Planned Actions/Services	Actual Actions/Services	Budgeted Expenditures	Estimated Actual Expenditures
Charter School will offer Computer/Technology classes and/or blended learning experience for our students. Charter School will also keep its technology up to date. Charter School teachers will participate in PD on Blended Learning.	We offer Computer/Technology classes and/or blended learning experience for our students. We keep our technology up to date and have purchased 70 Chromebooks. Our teachers have participated in PD on Blended Learning.	$73,000 1 IT staff salary (2000)(Base); $20,000 Benefits (3000)(Base); $30,000 Computers; $25,000 Technology expenses	$73,000 1 IT staff salary (2000)(Base); $20,000 Benefits (3000)(Base); $30,000 Computers; $25,000 Technology expenses

Action 5

Planned Actions/Services	Actual Actions/Services	Budgeted Expenditures	Estimated Actual Expenditures
Charter School will provide opportunities for students during the day and after school to create or demonstrate a STEAM focused project, experiment, model or demo. Charter School will also provide information and access to quality out-of-school STEAM activities and achievements.	We have provided opportunities for students during the day and after school to create or demonstrate a STEAM focused project, experiment, model or demo. We have organized a local STEAM expo. Our students have participated in the Magnolia-wide STEAM expo, San Diego STEAM EXPO, San Diego Festival of Science and Engineering at PETCO Park and county-	$6,000 Science materials (4000)(Base), $4,500 Academic competitions, steam expo expenses (5000) Base	$6,000 Science materials (4000)(Base), $4,500 Academic competitions, steam expo expenses (5000) Base

Planned Actions/Services	Actual Actions/Services	Budgeted Expenditures	Estimated Actual Expenditures
	wide activities as well.		

Analysis

Complete a copy of the following table for each of the LEA's goals from the prior year LCAP. Duplicate the table as needed. Use actual annual measurable outcome data, including performance data from the LCFF Evaluation Rubrics, as applicable.

Describe the overall implementation of the actions/services to achieve the articulated goal.

We have implemented all of the actions/services described above to achieve our INNOVATION goal. We provide courses, electives, programs, and services outlined in our charter petition, certain programs and services being dependent on student need and interest; our master schedule is designed to meet the needs of all students; we provide blended learning in all core classes; we offer Accelerated and honors Math and Robotics and Engineering, Graphic Design and Art classes; and provide opportunities for students to create or demonstrate a STEAM focused project, experiment, model or demo at variety of events throughout the year which take place at school, in the county or state level. Some examples are: Magnolia-wide STEAM expo, San Diego STEAM EXPO, San Diego Festival of Science and Engineering at PETCO Park, Holiday STEAM Expo, San Diego makers fair, LEGOLAND statewide robotics competitions, SeaPerch Competition and Futurecity state wide competitions, etc.

Describe the overall effectiveness of the actions/services to achieve the articulated goal as measured by the LEA.

The actions/services have been effective as measured by progress towards our annual measurable outcomes. In addition to providing state of the art STEAM education our school provides different opportunities for students to showcase and compete in STEAM areas. Here are some of the STEAM events that our students participated: California STEM Symposium, San Diego Makers Faire, Mini Makers fairs at Barnes and Noble multiple times during the year, San Diego Festival of Science and Engineering for 5th consecutive year and MPS STEAM Expo. Also we hosted the 5th San Diego STEAM Expo in partnership with Grossmont College. Robotics, engineering, archery and band are our signature programs. Our students won the 2nd place at FLL competitions in Southern California.

Pg 19

At the engineering competition, SeaPerch, our students won the regional championship and participated at international finals. Finally our Archery team won San Diego 2nd Place, State 4th place and National 5th place.

Explain material differences between Budgeted Expenditures and Estimated Actual Expenditures.

We only have minor differences between Budgeted and Estimated Actual Expenditures.

Describe any changes made to this goal, expected outcomes, metrics, or actions and services to achieve this goal as a result of this analysis and analysis of the LCFF Evaluation Rubrics, as applicable. Identify where those changes can be found in the LCAP.

We will maintain our goal and expected measurable outcomes, actions and services. We have updated our budget for the upcoming school year based on technology needs and input from all stakeholders. We will continue to provide all the actions/services for this goal with minor adjustments based on student and school needs. The updated outcomes and actions/services can be found in the Goals, Actions, & Services section of the LCAP.

Pg 20

Goal 3

CONNECTION: All students, families, staff, and other stakeholders will feel a sense of community and connectedness.

State and/or Local Priorities addressed by this goal:

State Priorities: 3, 5, and 6

Local Priorities: N/A

Annual Measurable Outcomes

Expected	Actual
Number of SSC meetings per year: 4	Current: 3 By the end of 2018-19 (Planned): 4
Number of PTF meetings per year: 4	Current: 4 By the end of 2019-19 (Planned): 4
Number of activities/events for parent involvement per year: 5	Current: 8 By the end of 2018-19 (Planned): 8
Frequency of SIS record updates: Daily/Weekly	Our teachers update SIS records daily/weekly.
Number of progress reports sent to parents per year: 4	4

Percentage of students who have been home-visited by the teachers per year: 15%	2017-18 (Baseline)	16%
	2018-19 (Current)	17%
	2018-19 (End of year Planned)	17%

ADA rate: 97%	2017-18 (Baseline)	95.63%
	2018-19 (Current)	95.85%
	2018-19 (End of year	95.85%

Pg 21

	Expected		Actual
		Planned)	
Chronic absenteeism rate: 7%		2017-18 (Baseline)	9.8%
		2018-19 (Current)	7%
		2018-19 (End of year Planned)	8%
Middle school dropout rate: 0%		2017-18 (Baseline)	0%
		2018-19 (Current)	0%
		2018-19 (End of year Planned)	0%
Student suspension rate: 1%		2017-18 (Baseline)	2.6%
		2018-19 (Current)	2%
		2018-19 (End of year Planned)	2.5%
Student expulsion rate: 0%		2017-18 (Baseline)	0%
		2018-19 (Current)	0%
		2018-19 (End of year Planned)	0%

School experience survey participation rates will be:

Students:	85%
Families:	55%
Staff:	85%

School experience survey participation rates are:

Students:	89.2%
Families:	55.4%
Staff:	88.2%

Pg 22

Expected	
School experience survey average approval rates will be:	
Students:	70%
Families:	95%
Staff:	85%

Actual	
School experience survey average approval rates are:	
Students:	53%
Families:	95%
Staff:	85%

Actions / Services

Duplicate the Actions/Services from the prior year LCAP and complete a copy of the following table for each. Duplicate the table as needed.

Action 1

Planned Actions/Services	Actual Actions/Services	Budgeted Expenditures	Estimated Actual Expenditures
Charter School will seek parent input in making decisions for the school through quarterly SSC, and PTF meetings.	We hold 3 SSC, and 4 PTF meetings to seek parent input in making decisions for the school.	$1,000 Parent meeting expenses (4000)(S&C)	$1,000 Parent meeting expenses (4000)(S&C)

Action 2

Planned Actions/Services	Actual Actions/Services	Budgeted Expenditures	Estimated Actual Expenditures
Charter School will host parent activities/events, including Student/Parent Orientation, Back to School Night, and parent conferences to promote parental participation in programs.	We have hosted parent activities/events, including Student/Parent Orientation, Back to School Night, facility transition meetings, safety round table meetings and parent conferences.	$2,000 Parent activities/events expenses (4000)(Base)	$2,000 Parent activities/events expenses (4000)(Base)

Action 3

Planned Actions/Services	Actual Actions/Services	Budgeted Expenditures	Estimated Actual Expenditures
Charter School will provide parents with access to course material, homework assignments, projects, and records of students' grades through SIS, an online web portal. Charter School will communicate further with the parents of students who are performing below grade level.	We provide parents with access to course material, homework assignments, projects, and records of students' grades through our SIS, and further communicate with the parents of students who are performing below grade level.	$6,500 Illuminate SIS & DnA (5000)(Base) [Duplicated Expense: See Goal 1: Action 9]	$6,500 Illuminate SIS & DnA (5000)(Base) [Duplicated Expense: See Goal 1: Action 9]

Action 4

Planned Actions/Services	Actual Actions/Services	Budgeted Expenditures	Estimated Actual Expenditures
Charter School teachers will visit students at their homes to discuss student progress and enhance student learning and involvement.	Our teachers visit students at their homes to discuss student progress and enhance student learning and involvement.	$10,000 Home visit compensation (1000)(3000)(5000)(Title I) [Duplicated Expense: See Goal 2: Action 1]	$10,000 Home visit compensation (1000)(3000)(5000)(Title I) [Duplicated Expense: See Goal 2: Action 1]

Action 5

Planned Actions/Services	Actual Actions/Services	Budgeted Expenditures	Estimated Actual Expenditures
Charter School will provide a safe, nurturing, and engaging learning environment for all our students and families. Academic and social-emotional support will be provided to address student needs.	We provide a safe, nurturing, and engaging learning environment for all our students and families. We provide academic and social-emotional support to address student needs.	$76,000 Dean of Culture salary (1000)(S&C); $22,000 Benefits (3000)(S&C);	$76,000 Dean of Culture salary (1000)(S&C); $22,000 Benefits (3000)(S&C);

Pg 24

Action 6

Planned Actions/Services	Actual Actions/Services	Budgeted Expenditures	Estimated Actual Expenditures
Charter School will inform parents and students of attendance policies specified in the Student/Parent Handbook and encourage and support student attendance.	We inform parents and students of attendance policies specified in the Student/Parent Handbook and encourage and support student attendance.	$85,000 1 Office Manager and 1 Office Clerk salaries (2000)(Base); $18,000 Benefits (3000)(Base); $1,500 School Messenger notification program	$85,000 1 Office Manager and 1 Office Clerk salaries (2000)(Base); $18,000 Benefits (3000)(Base); $1,500 School Messenger notification program

Action 7

Planned Actions/Services	Actual Actions/Services	Budgeted Expenditures	Estimated Actual Expenditures
Charter School will annually assess its suspension/expulsion policies and procedures and document and implement alternatives to suspension/expulsion, including restorative practices.	We have assessed our suspension/expulsion policies and procedures and documented and implemented alternatives to suspension/expulsion, including restorative practices.	$85,000 1 Dean of Students (1000)(Base); $24,000 Benefits (3000)(Base)	$85,000 1 Dean of Students (1000)(Base); $24,000 Benefits (3000)(Base)

Action 8

Planned Actions/Services	Actual Actions/Services	Budgeted Expenditures	Estimated Actual Expenditures
Charter School staff will acknowledge and encourage positive student behavior and improvements. Teachers will establish classroom management procedures, foster positive relationships, and help create an	Our staff acknowledges and encourages positive student behavior and improvements. Our teachers have established classroom management procedures, fostered positive relationships,	$3,000 PD on PBIS, restorative practices, classroom management (5000)(Base)	$3,000 PD on PBIS, restorative practices, classroom management (5000)(Base)

Pg 25

Planned Actions/Services	Actual Actions/Services	Budgeted Expenditures	Estimated Actual Expenditures
atmosphere of trust, respect, and high expectations.	and helped create an atmosphere of trust, respect, and high expectations.		

Action 9

Planned Actions/Services	Actual Actions/Services	Budgeted Expenditures	Estimated Actual Expenditures
Charter School will annually administer school experience surveys to students, parents, and staff.	We have administered school experience surveys to our students, parents, and staff.	$2,000 Panorama Education surveys (5000)(Base)	$2,000 Panorama Education surveys (5000)(Base)

Analysis

Complete a copy of the following table for each of the LEA's goals from the prior year LCAP. Duplicate the table as needed. Use actual annual measurable outcome data, including performance data from the LCFF Evaluation Rubrics, as applicable.

Describe the overall implementation of the actions/services to achieve the articulated goal.

We have implemented all of the actions/services described above to achieve our CONNECTION goal. We have held three SSC and 4 PTF meetings; hosted parent activities/events; provided parents with access to our SIS; visited our students at their homes; encouraged and supported student attendance; implemented alternatives to suspension/expulsion, including restorative practices; acknowledged and encouraged positive student behavior and improvements; and administered school experience surveys to our students, parents, and staff.

Describe the overall effectiveness of the actions/services to achieve the articulated goal as measured by the LEA.

Pg 26

The actions/services have been effective as measured by progress towards our annual measurable outcomes. The two areas that we will focus next year will be ADA and student approval rates.

Explain material differences between Budgeted Expenditures and Estimated Actual Expenditures.

We only have minor differences between Budgeted and Estimated Actual Expenditures

Describe any changes made to this goal, expected outcomes, metrics, or actions and services to achieve this goal as a result of this analysis and analysis of the LCFF Evaluation Rubrics, as applicable. Identify where those changes can be found in the LCAP.

We will maintain our goal and the majority of our expected outcomes, metrics, and actions and services. We have updated our annual measurable outcomes for school experience survey average approval rates. Based on input from all stakeholders, we will continue to hold events that promote parental participation as well as parent training activities such as Parent workshops. We will focus on acknowledging positive student behavior and restorative practices. We will continue to offer PD to our teachers on classroom management and student engagement procedures to help create an atmosphere of trust, respect, and high expectations. We will continue to provide all the actions/services for this goal with minor adjustments based on student and school needs. The updated outcomes and actions/services can be found in the Goals, Actions, & Services section of the LCAP.

Pg 27

Stakeholder Engagement

LCAP Year: **2019–20**

Involvement Process for LCAP and Annual Update

How, when, and with whom did the LEA consult as part of the planning process for this LCAP/Annual Review and Analysis?

In order to promote learning and provide a more positive learning experience for our students, MSA-San Diego has established a culture of gathering input from parents, students, staff, community members, and other stakeholders through multiple channels including meetings, school events, surveys, home visits, newsletters, and other means of communication. To the extent possible, all stakeholders are invited to be involved in the process of school review and improvement including the development of our annual LCAP.

Information/input sessions include Parent Task Force (PTF) meetings, School Site Council (SSC) meetings, Coffee with the Principal meetings, Board of Directors meetings, Principal meetings, and staff meetings. Parents on our PTF and SSC also serve as our parent advisory committee for LCAP. Such committees provide for representation of students in need (low income, English learners, foster youth, etc.) Feedback from our parent advisory committee provides valuable input for the new LCAP. In addition, the Charter School conducts surveys for parents, students, and staff and the Charter School staff make home visits. These all serve as a way to inform, educate, and gather input & feedback from all critical stakeholders.

The Charter School has an approved charter petition with measurable student outcomes and methods to assess student progress, an SSD plan with planned improvement in student performance in reading and mathematics and in programs for English Learners, and a WASC action plan for continuous school improvement. Therefore, LCAP is received by our community as a comprehensive planning tool that draws from all other school plans and addresses the state priorities and locally identified priorities.

 The Charter School has held its periodical meetings this year to gather input from our stakeholders. These include 4 PTF meetings, 3 SSC meetings, at least 10 parent activities/events including Coffee with the Principal meetings, weekly staff meetings, and other stakeholder meetings. The school conducted a family, staff, and student experience survey with specific questions on the sense of safety and school connectedness, school culture and climate, and other areas of school improvement. A majority of our stakeholders participated in this survey. The Charter School staff has also made 66 home visits during this school year and sought feedback from the parents for school improvement.

Impact on LCAP and Annual Update

How did these consultations impact the LCAP for the upcoming year?

Pg 28

The Charter School LCAP committee has reviewed input from all stakeholders and synthesized input to revise existing actions/services and measurable outcomes and also plan for new ones in the LCAP for the upcoming year. Some of the updates include:

➢ Expanding after school tutoring and athletic teams and summer school opportunities

➢ Providing counseling and behavior support services to our students

➢ Improving teacher observation and evaluation systems and keeping effective teachers

➢ Investing in effective technology and teacher professional development in blended learning and differentiated instruction to enhance instruction in the classroom

➢ Expanding STEAM-based programs and activities

➢ Improving student restrooms

➢ Providing cabinets for classrooms

➢ Other input includes improving school facilities and the lunch program.

Pg 29

Goals, Actions, & Services

Strategic Planning Details and Accountability

Complete a copy of the following table for each of the LEA's goals. Duplicate the table as needed.

(Select from New Goal, Modified Goal, or Unchanged Goal)

Unchanged Goal

Goal 1

EXCELLENCE: All students will pursue academic excellence and be college/career ready.

State and/or Local Priorities addressed by this goal:

State Priorities: 1, 2, 4, and 8
Local Priorities: N/A

Identified Need:

Priority 1:

    To ensure teachers are appropriately assigned and fully credentialed

    To ensure students have sufficient access to standards-aligned instructional materials

    To ensure school facilities are maintained in good repair

Priority 2:

    To ensure implementation of state board adopted academic content and performance standards for all students

Priority 4:

    To ensure students meet or exceed standard on CASSPP-ELA/Literacy and Mathematics assessments

To ensure EL students make annual progress in learning English

To ensure our students are college/career ready

Priority 8:

To ensure student proficiency in all courses

Expected Annual Measurable Outcomes

Metrics/Indicators	Baseline	2017-18	2018-19	2019-20
Percentage of teachers who will be appropriately assigned and fully credentialed as required by law and the charter	100%	100%	100%	100%
Percentage of students who will have sufficient access to standards-aligned instructional materials	100%	100%	100%	100%

Charter School teachers will provide instruction using integrated ELD instructional strategies as outlined in the CHATS framework (and other research-based strategies such as SDAIE) to all students, including ELs. Charter School will provide culturally and linguistically relevant materials for students. ELs will receive further in-class instructional support which includes one-on-one teacher support and small group instruction. Charter School will strive to provide bilingual instructional assistants to provide primary language support to enable students to access content area instruction while gaining language proficiency. Charter School will ensure that teachers participate in PD on ELD instructional strategies and CHATS framework.	See description for 2017-18	See description for 2017-18

Demonstration of Increased or Improved Services for Unduplicated Pupils

LCAP Year: **2019–20**

Estimated Supplemental and Concentration Grant Funds	Percentage to Increase or Improve Services
$ 197,031	5.53 %

Describe how services provided for unduplicated pupils are increased or improved by at least the percentage identified above, either qualitatively or quantitatively, as compared to services provided for all students in the LCAP year.

Identify each action/service being funded and provided on a schoolwide or LEA-wide basis. Include the required descriptions supporting each schoolwide or LEA-wide use of funds (see instructions).

Charter School will continue to provide services to ELs by proficiency level and provide ELD instruction aligned to the CA ELD standards and framework. Charter School will provide our ELs with core and supplemental ELD instructional materials and provide our teachers with PD focused on ELD standards. Our EL coordinator will monitor EL student progress in program implementation according to our EL Master Plan.

Charter School teachers will provide instruction using integrated ELD instructional strategies as outlined in the CHATS framework (and other research-based strategies such as SDAIE) to all students, including ELs. Charter School will provide culturally and linguistically relevant materials for students. ELs will receive further in-class instructional support which includes one-on-one teacher support and small group instruction. Charter School will strive to provide bilingual instructional assistants to provide primary language support to enable students to access content area instruction while gaining language proficiency. Charter School will ensure that teachers participate in PD on ELD instructional strategies and CHATS framework.

ELD and ELA teachers will provide designated ELD to all EL students, with EL students who are Levels 1-3 participating in a full class period of targeted, protected ELD (differentiated by proficiency level), and Levels 4-5 receiving designated ELD in their ELA class, and, where possible, in an additional 25 minute session that focuses on reading and writing strategies, practice in speaking and listening, and academic vocabulary.

During the day, Charter School will provide additional supports and interventions to all students, including ELs. Charter School will provide additional supports and interventions to all students, including ELs, during after school hours and on Saturday. Charter School

strives to refine targeted intervention and tutoring programs and plans to expand after school, Saturday school, and summer school opportunities.

Charter Scholl will provide ongoing Parent Training for all our parents, including bilingual parents. SSC, and PTF meetings are some of the venues we will provide training to our parents. Parent training topics include, but are not limited to, how to assist students academically and behaviorally, how to navigate the educational system, including higher education, and other areas that will benefit all our students, including our unduplicated students.

Foster youth will receive educational counseling. Foster youth will receive academic supports and remediation and will be encouraged and supported to engage in extracurricular activities in order to mitigate the effects of school mobility on foster youth.

Research has shown that one of the keys to successful teaching and schooling is creating personal connections with students inside and outside of school. Knowing the students' outside interests, families, and home routines, and then using this information to connect in meaningful, individualized ways can have huge rewards in helping to create happier, healthier, and smarter kids. Recognizing these facts, Charter School uses home visits as one of the important features of its education program to not only improve student and school performance, but also to identify and intervene early with students performing below grade level.

Charter School staff will implement restorative practices and PBIS to build positive communities and increase school connectedness. Charter School will provide academic supports and remediation, Life Skills classes, counseling, and social-emotional support to our students. Our teachers will establish classroom management procedures, foster positive relationships, and help create an atmosphere of trust, respect, and high expectations. Charter School will ensure that staff participate in PD on restorative practices and PBIS. Our Dean of Students , Dean of Culture and Behavior Counselor/School Psychologist will monitor student behavior and social-emotional progress.

Pg 78

LCAP Year: **2018–19**

Estimated Supplemental and Concentration Grant Funds	Percentage to Increase or Improve Services

Pg 82

Addendum

The Local Control and Accountability Plan (LCAP) and Annual Update Template documents and communicates local educational agencies' (LEAs) actions and expenditures to support student outcomes and overall performance. The LCAP is a three-year plan, which is reviewed and updated annually, as required. Charter schools may complete the LCAP to align with the term of the charter school's budget, typically one year, which is submitted to the school's authorizer. The LCAP and Annual Update Template must be completed by all LEAs each year.

For school districts, the LCAP must describe, for the school district and each school within the district, goals and specific actions to achieve those goals for all students and each student group identified by the Local Control Funding Formula (LCFF) (ethnic, socioeconomically disadvantaged, English learners, foster youth, pupils with disabilities, and homeless youth), for each of the state priorities and any locally identified priorities.

For county offices of education, the LCAP must describe, for each county office of education-operated school and program, goals and specific actions to achieve those goals for all students and each LCFF student group funded through the county office of education (students attending juvenile court schools, on probation or parole, or expelled under certain conditions) for each of the state priorities and any locally identified priorities. School districts and county offices of education may additionally coordinate and describe in their LCAPs services funded by a school district that are provided to students attending county-operated schools and programs, including special education programs.

If a county superintendent of schools has jurisdiction over a single school district, the county board of education and the governing board of the school district may adopt and file for review and approval a single LCAP consistent with the requirements in Education Code (EC) sections 52060, 52062, 52066, 52068, and 52070. The LCAP must clearly articulate to which entity's budget (school district or county superintendent of schools) all budgeted and actual expenditures are aligned.

Charter schools must describe goals and specific actions to achieve those goals for all students and each LCFF subgroup of students including students with disabilities and homeless youth, for each of the state priorities that apply for the grade levels served or the nature of the program operated by the charter school, and any locally identified priorities. For charter schools, the inclusion and description of goals for state priorities in the LCAP may be modified to meet the grade levels served and the nature of the programs provided, including modifications to reflect only the statutory requirements explicitly applicable to charter schools in the EC. Changes in LCAP goals and actions/services for charter schools that result from the annual update process do not necessarily constitute a material revision to the school's charter petition.

For questions related to specific sections of the template, please see instructions below:

Instructions: Linked Table of Contents

For additional questions or technical assistance related to completion of the LCAP template, please contact the local county office of education, or the CDE's Local Agency Systems Support Office at: 916-319-0809 or by email at: lcff@cde.ca.gov.

Plan Summary

The LCAP is intended to reflect an LEA's annual goals, actions, services and expenditures within a fixed three-year planning cycle. LEAs must include a plan summary for the LCAP each year.

When developing the LCAP, enter the appropriate LCAP year, and address the prompts provided in these sections. When developing the LCAP in year 2 or year 3, enter the appropriate LCAP year and replace the previous summary information with information relevant to the current year LCAP.

In this section, briefly address the prompts provided. These prompts are not limits. LEAs may include information regarding local program(s), community demographics, and the overall vision of the LEA. LEAs may also attach documents (e.g., the California School Dashboard data reports) if desired and/or include charts illustrating goals, planned outcomes, actual outcomes, or related planned and actual expenditures.

An LEA may use an alternative format for the plan summary as long as it includes the information specified in each prompt and the budget summary table.

The reference to California School Dashboard means the California School Dashboard adopted by the State Board of Education under *EC* Section 52064.5.

Comprehensive Support and Improvement

> An LEA with a school or schools identified for comprehensive support and improvement (CSI) under the Every Student Succeeds Act must respond to the following prompts:

- **Schools Identified:** Identify the schools within the LEA that have been identified for CSI.

- **Support for Identified Schools:** Describe how the LEA supported the identified schools in developing CSI plans that included a school-level needs assessment, evidence-based interventions, and the identification of any resource inequities to be addressed through the implementation of the CSI plan.
- **Monitoring and Evaluating Effectiveness:** Describe how the LEA will monitor and evaluate the implementation and effectiveness of the CSI plan to support student and school improvement.

Annual Update

The planned goals, expected outcomes, actions/services, and budgeted expenditures must be copied verbatim from the previous year's* approved LCAP; in addition, list the state and/or local priorities addressed by the planned goals. Minor typographical errors may be corrected.

> * For example, for LCAP year 2017/18 of the 2017/18 – 2019/20 LCAP, review the goals in the 2016/17 LCAP. Moving forward, review the goals from the most recent LCAP year. For example, LCAP year 2020/21 will review goals from the 2019/20 LCAP year, which is the last year of the 2017/18 – 2019/20 LCAP.

Annual Measurable Outcomes

> For each goal in the prior year, identify and review the actual measurable outcomes as compared to the expected annual measurable outcomes identified in the prior year for the goal.

Actions/Services

> Identify the planned Actions/Services and the budgeted expenditures to implement these actions toward achieving the described goal. Identify the **actual** actions/services implemented to meet the described goal and the estimated actual annual expenditures to implement the actions/services. As applicable, identify any changes to the students or student groups served, or to the planned location of the actions/services provided.

Analysis

> Using actual annual measurable outcome data, including data from the California School Dashboard, analyze whether the planned actions/services were effective in achieving the goal. Respond to the prompts as instructed.

- Describe the overall implementation of the actions/services to achieve the articulated goal. Include a discussion of relevant challenges and successes experienced with the implementation process.
- Describe the overall effectiveness of the actions/services to achieve the articulated goal as measured by the LEA.
- Explain material differences between Budgeted Expenditures and Estimated Actual Expenditures. Minor variances in expenditures or a dollar-for-dollar accounting is not required.
- Describe any changes made to this goal, expected outcomes, metrics, or actions and services to achieve this goal as a result of this analysis and analysis of the data provided in the California School Dashboard, as applicable. Identify where those changes can be found in the LCAP.

Stakeholder Engagement

Meaningful engagement of parents, students, and other stakeholders, including those representing the student groups identified by LCFF, is critical to the development of the LCAP and the budget process. *EC* identifies the minimum consultation requirements for school districts and county offices of education as consulting with teachers, principals, administrators, other school personnel, local bargaining units of the school district, parents, and pupils in developing the LCAP. *EC* requires charter schools to consult with teachers, principals, administrators, other school personnel, parents, and pupils in developing the LCAP. In addition, *EC* Section 48985 specifies the requirements for the translation of notices, reports, statements, or records sent to a parent or guardian.

The LCAP should be shared with, and LEAs should request input from, school site-level advisory groups, as applicable (e.g., school site councils, English Learner Advisory Councils, student advisory groups, etc.), to facilitate alignment between school-site and district-level goals and actions. An LEA may incorporate or reference actions described in other plans that are being undertaken to meet specific goals.

Instructions: The stakeholder engagement process is an ongoing, annual process. The requirements for this section are the same for each year of a three-year LCAP. When developing the LCAP, enter the appropriate LCAP year, and describe the stakeholder engagement process used to develop the LCAP and Annual Update. When developing the LCAP in year 2 or year 3, enter the appropriate LCAP year and replace the previous stakeholder narrative(s) and describe the stakeholder engagement process used to develop the current year LCAP and Annual Update.

School districts and county offices of education: Describe the process used to consult with the Parent Advisory Committee, the English Learner Parent Advisory Committee, parents, students, school personnel, the LEA's local bargaining units, and the community to inform the development of the LCAP and the annual review and analysis for the indicated LCAP year.

Charter schools: Describe the process used to consult with teachers, principals, administrators, other school personnel, parents, and students to inform the development of the LCAP and the annual review and analysis for the indicated LCAP year.

Describe how the consultation process impacted the development of the LCAP and annual update for the indicated LCAP year, including the goals, actions, services, and expenditures.

Goals, Actions, and Services

LEAs must include a description of the annual goals, for all students and each LCFF identified group of students, to be achieved for each state priority as applicable to type of LEA. An LEA may also include additional local priorities. This section shall also include a description of the specific planned actions an LEA will take to meet the identified goals, and a description of the expenditures required to implement the specific actions.

School districts and county offices of education: The LCAP is a three-year plan, which is reviewed and updated annually, as required.

Charter schools: The number of years addressed in the LCAP may align with the term of the charter schools budget, typically one year, which is submitted to the school's authorizer. If year 2 and/or year 3 is not applicable, charter schools must specify as such.

New, Modified, Unchanged

As part of the LCAP development process, which includes the annual update and stakeholder engagement, indicate if the goal, identified need, related state and/or local priorities, and/or expected annual measurable outcomes for the current LCAP year or future LCAP years are modified or unchanged from the previous year's LCAP; or, specify if the goal is new.

Goal

State the goal. LEAs may number the goals using the "Goal #" box for ease of reference. A goal is a broad statement that describes the desired result to which all actions/services are directed. A goal answers the question: What is the LEA seeking to achieve?

Related State and/or Local Priorities

List the state and/or local priorities addressed by the goal. The LCAP must include goals that address each of the state priorities, as applicable to the type of LEA, and any additional local priorities; however, one goal may address multiple priorities. (Link to State Priorities)

Identified Need

Describe the needs that led to establishing the goal. The identified needs may be based on quantitative or qualitative information, including, but not limited to, results of the annual update process or performance data from the California School Dashboard, as applicable.

Expected Annual Measurable Outcomes

For each LCAP year, identify the metric(s) or indicator(s) that the LEA will use to track progress toward the expected outcomes. LEAs may identify metrics for specific student groups. Include in the baseline column the most recent data associated with this metric or indicator available at the time of adoption of the LCAP for the first year of the three-year plan. The most recent data associated with a metric or indicator includes data as reported in the annual update of the LCAP year immediately preceding the three-year plan, as applicable. The baseline data shall remain unchanged throughout the three-year LCAP. In the subsequent year columns, identify the progress to be made in each year of the three-year cycle of the LCAP. Consider how expected outcomes in any given year are related to the expected outcomes for subsequent years.

The metrics may be quantitative or qualitative, but at minimum an LEA must use the applicable required metrics for the related state priorities, in each LCAP year as applicable to the type of LEA. For the student engagement priority metrics, as applicable, LEAs must calculate the rates as described in the LCAP Template Appendix, sections (a) through (d).

Planned Actions/Services

For each action/service, the LEA must complete either the section "For Actions/Services not included as contributing to meeting Increased or Improved Services Requirement" or the section "For Actions/Services included as contributing to meeting the Increased or Improved Services Requirement." The LEA shall not complete both sections for a single action.

For Actions/Services Not Contributing to Meeting the Increased or Improved Services Requirement

Students to be Served

The "Students to be Served" box is to be completed for all actions/services except for those which are included by the LEA as contributing to meeting the requirement to increase or improve services for unduplicated students. Indicate in this box which students will benefit from the actions/services by entering "All", "Students with Disabilities", or "Specific Student Group(s)". If "Specific Student Group(s)" is entered, identify the specific student group(s) as appropriate.

Location(s)

Identify the location where the action/services will be provided. If the services are provided to all schools within the LEA, the LEA must identify "All Schools". If the services are provided to specific schools within the LEA or specific grade spans only, the LEA must enter "Specific Schools" or "Specific Grade Spans". Identify the individual school or a subset of schools or grade spans (e.g., all high schools or grades K-5), as appropriate.

Charter schools operating more than one site, authorized within the same charter petition, may choose to distinguish between sites by entering "Specific Schools" and identifying the site(s) where the actions/services will be provided. For charter schools operating only one site, "All Schools" and "Specific Schools" may be synonymous and, therefore, either would be appropriate. Charter schools may use either term provided they are used in a consistent manner through the LCAP.

For Actions/Services Contributing to Meeting the Increased or Improved Services Requirement:

Students to be Served

For any action/service contributing to the LEA's overall demonstration that it has increased or improved services for unduplicated students above what is provided to all students (see Demonstration of Increased or Improved Services for Unduplicated Students section, below), the LEA must identify the unduplicated student group(s) being served.

Scope of Service

For each action/service contributing to meeting the increased or improved services requirement, identify the scope of service by indicating "LEA-wide", "Schoolwide", or "Limited to Unduplicated Student Group(s)". The LEA must identify one of the following three options:

- If the action/service is being funded and provided to upgrade the entire educational program of the LEA, enter "LEA-wide."

- If the action/service is being funded and provided to upgrade the entire educational program of a particular school or schools, enter "schoolwide".

- If the action/service being funded and provided is limited to the unduplicated students identified in "Students to be Served", enter "Limited to Unduplicated Student Group(s)".

  For charter schools and single-school school districts, "LEA-wide" and "Schoolwide" may be synonymous and, therefore, either would be appropriate. For charter schools operating multiple schools (determined by a unique CDS code) under a single charter, use "LEA-wide" to refer to all schools under the charter and use "Schoolwide" to refer to a single school authorized within the same charter petition. Charter schools operating a single school may use "LEA-wide" or "Schoolwide" provided these terms are used in a consistent manner through the LCAP.

Location(s)

Identify the location where the action/services will be provided. If the services are provided to all schools within the LEA, the LEA must indicate "All Schools". If the services are provided to specific schools within the LEA or specific grade spans only, the LEA must enter "Specific Schools" or "Specific Grade Spans". Identify the individual school or a subset of schools or grade spans (e.g., all high schools or grades K-5), as appropriate.

Charter schools operating more than one site, authorized within the same charter petition, may choose to distinguish between sites by entering "Specific Schools" and identify the site(s) where the actions/services will be provided. For charter schools operating only one site, "All Schools" and "Specific Schools" may be synonymous and, therefore, either would be appropriate. Charter schools may use either term provided they are used in a consistent manner through the LCAP.

Actions/Services

For each LCAP year, identify the actions to be performed and services provided to meet the described goal. Actions and services that are implemented to achieve the identified goal may

be grouped together. LEAs may number the action/service using the "Action #" box for ease of reference.

New/Modified/Unchanged:

- Enter "New Action" if the action/service is being added in any of the three years of the LCAP to meet the articulated goal.

- Enter "Modified Action" if the action/service was included to meet an articulated goal and has been changed or modified in any way from the prior year description.

- Enter "Unchanged Action" if the action/service was included to meet an articulated goal and has not been changed or modified in any way from the prior year description.

    o If a planned action/service is anticipated to remain unchanged for the duration of the plan, an LEA may enter "Unchanged Action" and leave the subsequent year columns blank rather than having to copy/paste the action/service into the subsequent year columns. Budgeted expenditures may be treated in the same way as applicable.

Note: The goal from the prior year may or may not be included in the current three-year LCAP. For example, when developing year 1 of the LCAP, the goals articulated in year 3 of the preceding three-year LCAP will be from the prior year.

Charter schools may complete the LCAP to align with the term of the charter school's budget that is submitted to the school's authorizer. Accordingly, a charter school submitting a one-year budget to its authorizer may choose not to complete the year 2 and year 3 portions of the "Goals, Actions, and Services" section of the template. If year 2 and/or year 3 is not applicable, charter schools must specify as such.

Budgeted Expenditures

For each action/service, list and describe budgeted expenditures for each school year to implement these actions, including where those expenditures can be found in the LEA's budget. The LEA must reference all fund sources for each proposed expenditure. Expenditures must be classified using the California School Accounting Manual as required by *EC* sections 52061, 52067, and 47606.5.

Expenditures that are included more than once in an LCAP must be indicated as a duplicated expenditure and include a reference to the goal and action/service where the expenditure first appears in the LCAP.

If a county superintendent of schools has jurisdiction over a single school district, and chooses to complete a single LCAP, the LCAP must clearly articulate to which entity's budget (school district or county superintendent of schools) all budgeted expenditures are aligned.

Demonstration of Increased or Improved Services for Unduplicated Students

This section must be completed for each LCAP year. When developing the LCAP in year 2 or year 3, copy the "Demonstration of Increased or Improved Services for Unduplicated Students" table and enter the appropriate LCAP year. Using the copy of the section, complete the section as required for the current year LCAP. Retain all prior year sections for each of the three years within the LCAP.

Estimated Supplemental and Concentration Grant Funds

> Identify the amount of funds in the LCAP year calculated on the basis of the number and concentration of low income, foster youth, and English learner students as determined pursuant to *California Code of Regulations*, Title 5 (5 *CCR*) Section 15496(a)(5).

Percentage to Increase or Improve Services

> Identify the percentage by which services for unduplicated pupils must be increased or improved as compared to the services provided to all students in the LCAP year as calculated pursuant to 5 *CCR* Section 15496(a)(7).

Consistent with the requirements of 5 *CCR* Section 15496, describe how services provided for unduplicated pupils are increased or improved by at least the percentage calculated as compared to services provided for all students in the LCAP year. To improve services means to grow services in quality and to increase services means to grow services in quantity. This description must address how the action(s)/service(s) limited for one or more unduplicated student group(s), and any schoolwide or districtwide action(s)/service(s) supported by the appropriate description, taken together, result in the required proportional increase or improvement in services for unduplicated pupils.

If the overall increased or improved services include any actions/services being funded and provided on a schoolwide or districtwide basis, identify each action/service and include the required descriptions supporting each action/service as follows.

For those services being provided on an LEA-wide basis:

- For school districts with an unduplicated pupil percentage of 55% or more, and for charter schools and county offices of education: Describe how these services are **principally directed to** and **effective in** meeting its goals for unduplicated pupils in the state and any local priorities.

- For school districts with an unduplicated pupil percentage of less than 55%: Describe how these services are **principally directed to** and **effective in** meeting its goals for unduplicated pupils in the state and any local priorities**.** Also describe how the services are **the most effective use of the funds to** meet these goals for its unduplicated pupils. Provide the basis for this determination, including any alternatives considered, supporting research, experience or educational theory.

For school districts only, identify in the description those services being funded and provided on a schoolwide basis, and include the required description supporting the use of the funds on a schoolwide basis:

- For schools with 40% or more enrollment of unduplicated pupils: Describe how these services are **principally directed to** and **effective in** meeting its goals for its unduplicated pupils in the state and any local priorities.

- For school districts expending funds on a schoolwide basis at a school with less than 40% enrollment of unduplicated pupils: Describe how these services are **principally directed to** and how the services are **the most effective use of the funds to** meet its goals for English learners, low income students and foster youth, in the state and any local priorities.

State Priorities

Priority 1: Basic Services addresses the degree to which:
  A. Teachers in the LEA are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
  B. Pupils in the school district have sufficient access to the standards-aligned instructional materials; and
  C. School facilities are maintained in good repair.

Priority 2: Implementation of State Standards addresses:
  A. The implementation of state board adopted academic content and performance standards for all students, which are:
      a. English Language Arts – Common Core State Standards (CCSS) for English Language Arts
      b. Mathematics – CCSS for Mathematics
      c. English Language Development (ELD)
      d. Career Technical Education
      e. Health Education Content Standards
      f. History-Social Science
      g. Model School Library Standards
      h. Physical Education Model Content Standards
      i. Next Generation Science Standards
      j. Visual and Performing Arts
      k. World Language; and
  B. How the programs and services will enable English learners to access the CCSS and the ELD standards for purposes of gaining academic content knowledge and English language proficiency.

Priority 3: Parental Involvement addresses:
  A. The efforts the school district makes to seek parent input in making decisions for the school district and each individual school site;
  B. How the school district will promote parental participation in programs for unduplicated pupils; and
  C. How the school district will promote parental participation in programs for individuals with exceptional needs.

Priority 4: Pupil Achievement as measured by all of the following, as applicable:
  A. Statewide assessments;
  B. The percentage of pupils who have successfully completed courses that satisfy University of California (UC) or California State University (CSU) entrance requirements, or programs of study that align with state board approved career technical educational standards and framework;
  C. The percentage of English learner pupils who make progress toward English proficiency as measured by the English Language Proficiency Assessments for California (ELPAC);
  D. The English learner reclassification rate;
  E. The percentage of pupils who have passed an advanced placement examination with a score of 3 or higher; and
  F. The percentage of pupils who participate in, and demonstrate college preparedness pursuant to, the Early Assessment Program, or any subsequent assessment of college preparedness.

Priority 5: Pupil Engagement as measured by all of the following, as applicable:
  A. School attendance rates;
  B. Chronic absenteeism rates;
  C. Middle school dropout rates;
  D. High school dropout rates; and
  E. High school graduation rates;

Priority 6: School Climate as measured by all of the following, as applicable:
  A. Pupil suspension rates;

B. Pupil expulsion rates; and
C. Other local measures, including surveys of pupils, parents, and teachers on the sense of safety and school connectedness.

Priority 7: Course Access addresses the extent to which pupils have access to and are enrolled in:
A. A broad course of study including courses described under *EC* sections 51210 and 51220(a)-(i), as applicable;
B. Programs and services developed and provided to unduplicated pupils; and
C. Programs and services developed and provided to individuals with exceptional needs.

Priority 8: Pupil Outcomes addresses pupil outcomes, if available, for courses described under *EC* sections 51210 and 51220(a)-(i), as applicable.

Priority 9: Coordination of Instruction of Expelled Pupils (COE Only) addresses how the county superintendent of schools will coordinate instruction of expelled pupils.

Priority 10. Coordination of Services for Foster Youth (COE Only) addresses how the county superintendent of schools will coordinate services for foster children, including:
A. Working with the county child welfare agency to minimize changes in school placement
B. Providing education-related information to the county child welfare agency to assist in the delivery of services to foster children, including educational status and progress information that is required to be included in court reports;
C. Responding to requests from the juvenile court for information and working with the juvenile court to ensure the delivery and coordination of necessary educational services; and
D. Establishing a mechanism for the efficient expeditious transfer of health and education records and the health and education passport.

Local Priorities address:
A. Local priority goals; and
B. Methods for measuring progress toward local goals.

APPENDIX A: PRIORITIES 5 AND 6 RATE CALCULATION INSTRUCTIONS

For the purposes of completing the LCAP in reference to the state priorities under *EC* sections 52060 and 52066, as applicable to type of LEA, the following shall apply:

(a) "Chronic absenteeism rate" shall be calculated as follows:

   (1) The number of K-8 students who were absent 10 percent or more of the school days excluding students who were:

   (A) enrolled less than 31 days

   (B) enrolled at least 31 days but did not attend at least one day

   (C) flagged as exempt in the district attendance submission. K-8 students are considered to be exempt if they:

      (i) are enrolled in a Non-Public School

      (ii) receive instruction through a home or hospital instructional setting

      (iii) are attending a community college full-time.

   (2) The number of students who meet the enrollment requirements.

   (3) Divide (1) by (2).

(b) "High school dropout rate" shall be calculated as follows:

   (1) The number of cohort members who dropout by the end of year 4 in the cohort where "cohort" is defined as the number of first-time grade 9 pupils in year 1 (starting cohort) plus pupils who transfer in, minus pupils who transfer out, emigrate, or die during school years 1, 2, 3, and 4.

   (2) The total number of cohort members.

   (3) Divide (1) by (2).

(c) "High school graduation rate" shall be calculated as follows:

   (1) For a 4-Year Cohort Graduation Rate:

   (A) The number of students in the cohort who earned a regular high school diploma by the end of year 4 in the cohort.

   (B) The total number of students in the cohort.

   (C) Divide (1) by (2).

   (2) For a Dashboard Alternative Schools Status (DASS) Graduation Rate:

   (A) The number of students who either graduated as grade 11 students or who earned any of the following:

      (i) a regular high school diploma

      (ii) a High School Equivalency Certificate

      (iii) an adult education diploma

      (iv) a Certificate of Completion and was eligible for the California Alternative Assessment if under the age of 20.

   (B) The number of students in the DASS graduation cohort.

(C) Divide (1) by (2).

(d) "Suspension rate" shall be calculated as follows:

(1) The unduplicated count of pupils involved in one or more incidents for which the pupil was suspended during the academic year (July 1 – June 30).

(2) The unduplicated count of pupils with a primary, secondary, or short-term enrollment during the academic year (July 1 – June 30).

(3) Divide (1) by (2).

(e) "Expulsion rate" shall be calculated as follows:

(1) The unduplicated count of pupils involved in one or more incidents for which the pupil was expelled during the academic year (July 1 – June 30).

(2) The unduplicated count of pupils with a primary, secondary, or short-term enrollment during the academic year (July 1 – June 30).

(3) Divide (1) by (2).

NOTE: Authority cited: Sections 42238.07 and 52064, *Education Code*. Reference: Sections 2574, 2575, 42238.01, 42238.02, 42238.03, 42238.07, 47605, 47605.6, 47606.5, 48926, 52052, 52060, 52061, 52062, 52063, 52064, 52066, 52067, 52068, 52069, 52070, 52070.5, and 64001,; 20 U.S.C. Sections 6312 and 6314.

APPENDIX B: GUIDING QUESTIONS

Guiding Questions: Annual Review and Analysis

1) How have the actions/services addressed the needs of all pupils and did the provisions of those services result in the desired outcomes?

2) How have the actions/services addressed the needs of all subgroups of pupils identified pursuant to *EC* Section 52052, including, but not limited to, English learners, low-income pupils, and foster youth; and did the provision of those actions/services result in the desired outcomes?

3) How have the actions/services addressed the identified needs and goals of specific school sites and were these actions/services effective in achieving the desired outcomes?

4) What information (e.g., quantitative and qualitative data/metrics) was examined to review progress toward goals in the annual update?

5) What progress has been achieved toward the goal and expected measurable outcome(s)? How effective were the actions and services in making progress toward the goal? What changes to goals, actions, services, and expenditures are being made in the LCAP as a result of the review of progress and assessment of the effectiveness of the actions and services?

6) What differences are there between budgeted expenditures and estimated actual annual expenditures? What were the reasons for any differences?

Guiding Questions: Stakeholder Engagement

1) How have applicable stakeholders (e.g., parents and pupils, including parents of unduplicated pupils and unduplicated pupils identified in *EC* Section 42238.01; community members; local bargaining units; LEA personnel; county child welfare agencies; county office of education foster youth services programs, court-appointed special advocates, and other foster youth stakeholders; community organizations representing English learners; and others as appropriate) been engaged and involved in developing, reviewing, and supporting implementation of the LCAP?

2) How have stakeholders been included in the LEA's process in a timely manner to allow for engagement in the development of the LCAP?

3) What information (e.g., quantitative and qualitative data/metrics) was made available to stakeholders related to the state priorities and used by the LEA to inform the LCAP goal setting process? How was the information made available?

4) What changes, if any, were made in the LCAP prior to adoption as a result of written comments or other feedback received by the LEA through any of the LEA's engagement processes?

5) What specific actions were taken to meet statutory requirements for stakeholder engagement pursuant to *EC* sections 52062, 52068, or 47606.5, as applicable, including engagement with representatives of parents and guardians of pupils identified in *EC* Section 42238.01?

6) What specific actions were taken to consult with pupils to meet the requirements 5 *CCR* Section 15495(a)?

7) How has stakeholder involvement been continued and supported? How has the involvement of these stakeholders supported improved outcomes for pupils, including unduplicated pupils, related to the state priorities?

Guiding Questions: Goals, Actions, and Services

1) What are the LEA's goal(s) to address state priorities related to "Conditions of Learning": Basic Services (Priority 1), the Implementation of State Standards (Priority 2), and Course Access (Priority 7)?

2) What are the LEA's goal(s) to address state priorities related to "Pupil Outcomes": Pupil Achievement (Priority 4), Pupil Outcomes (Priority 8), Coordination of Instruction of Expelled Pupils (Priority 9 – COE Only), and Coordination of Services for Foster Youth (Priority 10 – COE Only)?

3) What are the LEA's goal(s) to address state priorities related to parent and pupil "Engagement": Parental Involvement (Priority 3), Pupil Engagement (Priority 5), and School Climate (Priority 6)?

4) What are the LEA's goal(s) to address any locally-identified priorities?

5) How have the unique needs of individual school sites been evaluated to inform the development of meaningful district and/or individual school site goals (e.g., input from site level advisory groups, staff, parents, community, pupils; review of school level plans; in-depth school level data analysis, etc.)?

6) What are the unique goals for unduplicated pupils as defined in *EC* Section 42238.01 and groups as defined in *EC* Section 52052 that are different from the LEA's goals for all pupils?

7) What are the specific expected measurable outcomes associated with each of the goals annually and over the term of the LCAP?

8) What information (e.g., quantitative and qualitative data/metrics) was considered/reviewed to develop goals to address each state or local priority?

9) What information was considered/reviewed for individual school sites?

10) What information was considered/reviewed for subgroups identified in *EC* Section 52052?

11) What actions/services will be provided to all pupils, to subgroups of pupils identified pursuant to *EC* Section 52052, to specific school sites, to English learners, to low-income pupils, and/or to foster youth to achieve goals identified in the LCAP?

12) How do these actions/services link to identified goals and expected measurable outcomes?

13) What expenditures support changes to actions/services as a result of the goal identified? Where can these expenditures be found in the LEA's budget?

2017-20 Plan Summary

The Story

Describe the students and community and how the LEA serves them.

The Magnolia Educational & Research Foundation dba Magnolia Public Schools (MPS)

The Magnolia Educational & Research Foundation dba Magnolia Public Schools (MPS) is a 501(c)(3) non-profit public charter school management organization dedicated to establishing and managing high-quality public charter schools in California. MPS' vision is to graduate students who are scientific thinkers that contribute to the global community as socially responsible and educated members of our society. MPS' educational approach is based on the conviction that science, technology, engineering, and math (STEM) education is essential in improving our modern society's knowledge base and adaptability to the fast pace of ever-changing technological advancements. MPS operates 10 charter school sites throughout California with an increasing trend of academic success, organizational, and financial stability

Magnolia Science Academy Santa Ana (MSA-SA)

Magnolia Science Academy-Santa Ana (MSA-SA) is the home of the PIRATES! MSA-SA is authorized and monitored by the State Board of Education. MSA-SA is a public charter school for grades TK–12 with a mission to provide a college preparatory educational program emphasizing STEAM education in a safe environment that cultivates respect for self and others. MSA-SA offers a comprehensive learning experience designed to serve the needs of our students through effective site-based instruction, rich hands-on learning, and strong core knowledge presented in ways that are relevant and inspiring for our students. Tutoring, morning intervention, after-school program, Saturday Academy, and school-to-university partnerships (e.g. dual enrollment partnerships with local community colleges) supplement classroom instruction at MSA-SA. MSA-SA creates a supportive and caring environment with small class sizes and strong student-parent-teacher communication, and improves students' knowledge and skills in core subjects, thereby increasing their 21st century skills

as well as their chances of success in higher education and beyond. MSA SA provides students with a comprehensive education program that creates multiple opportunities for them to develop into successful contributing members of society, and therefore, fulfill the intent of the California Charter Schools Act.

In 2018-19 academic year, Magnolia Science Academy-Santa Ana continued its third school year in our new campus at 2840 West 1st Street, Santa Ana. The new facility was funded by the State of California Prop 1D funding. The new building has 34 classrooms with state of the art science and computer labs, library and learning centers. Phase II construction is completed and includes a gym, playgrounds and an outside cafeteria to serve several functions. MSA-SA has adopted McGraw-Hill digital and in print curriculum across all four core subjects (Math, History, Science, and English). We have a 1:1 technology to student ratio and all classrooms with state of the art technology.

In March 2019, The State Board of Education(SBE) renewed Magnolia Science Academy-Santa Ana for 5 years.

LCAP Highlights

Identify and briefly summarize the key features of this year's LCAP.

MSA-SA has also worked on its expected annual measurable outcomes to set targets in areas of greatest need and to close performance gaps among student groups. Our Pillars: **Excellence, Innovation and Connection (EIC)** guide our action plan. MSA-SA wants to continue to work towards promoting and developing academic excellence for all of our students. This year we focused on ten school goals in which incorporated academic, MTSS, and college going culture, such as all student groups will show a three-point growth on the CAASPP ELA and Math assessments. We will develop, align, and improve academic and behavioral resources, programs, supports, and services and address the needs of the whole child by utilizing a coherent MTSS framework. An additional goal is a 100% four year graduation rate and a 100% UC/CSU A-G course completion rate.

MSA-SA LCAP committee has reviewed input from all stakeholders and available data through surveys and student performance data. Based on input and data, we have revised our existing actions/services and measurable outcomes and also planned for new ones.

Some of the highlights include:

- Parents' appreciation of being involved in the decision-making process and the need for continuous parent training via activities such as Parent College
- The need to continue our improvements in designated/integrated English Learner services
- Expanding after school, Saturday school, and summer school opportunities; refining targeted intervention and tutoring programs
- Providing counseling and positive behavior intervention support services to our students
- Keeping affective teachers and improving teacher observation and evaluation systems
- School Site Council (SSC) involvement and engagement in the LCAP and school decisions

Pg 2

Review of Performance

Based on a review of performance on the state indicators and local performance indicators included in the California School Dashboard, progress toward LCAP goals, local self-assessment tools, stakeholder input, or other information, what progress is the LEA most proud of and how does the LEA plan to maintain or build upon that success? This may include identifying any specific examples of how past increases or improvements in services for low-income students, English learners, and foster youth have led to improved performance for these students.

Greatest Progress

According to the Fall 2018 California accountability dashboard data, we continue to have a very low suspension rate and 92% graduation rate as part of our Positive Behavior Interventions and Supports (PBIS). Additionally, we have many embedded Positive Behavior Interventions and Supports (PBIS) in our school system to ensure that our Tier I interventions are effective and create a positive, safe and enriching school environment. We attribute our high graduation rate to high parental involvement through Parent College, our School Site Council, Parent Task Force, and English Learner Advisory Committee (ELAC) and after school workshops. During the Parent College events, parents and students receive education pertaining to the A-G requirements, which are aligned to our graduation requirements and for 4-year colleges. All students have four-year plan and meet once a year with our college counselor. MSA-SA continues to have a high acceptance rate to four-year universities. Our seniors gain admission to a variety of colleges across the nation (e.g. UC Berkeley, UCI, Cornell, USC, CSUF etc.). The 2018-19 year was a year in which we developed targeted intervention groups both academically and behaviorally appropriate to address the specific needs of our students. With the growth in enrollment and expansion, we have been making some adjustments, however, we were able to replicate a lot of the programs that have successfully supported our students throughout the years.

We continued to use internal data to measure growth throughout the year (NWEA MAPs and SBAC IABs). The effectiveness of intervention programs during school and afterschool has increased this year. Our Deans of Academics work diligently to update and analyze student performance with MAP, IAB, and SBAC prep. Staff utilizes our student data/ growth to drive the instruction as well as formulate intervention grouping. Lastly, reviewing our staff, parent, and student surveys through Panorama allows for an open dialog among all stakeholders so that our action plans continue to allow us to reach our greatest potential and foster a community of lifelong learners.

According to the state CAASSP data that reflects our student growth in the change over time data distribution of students meeting and exceeding standards in English Language Arts Literacy from 2015 through the 2018 academic school years in grades third through eighth as shown in the table below:

Pg 3

Reading Lexile Increased in all grade levels (except for 4th grade). We are in our second year reading program this year, MyOn that is used in elementary classrooms, during Sustained Silent Reading (SSR) in Middle School, and during Advisory for grades 9-10th.

According to our 2017-18 Dashboard data, the English Learner Progress shows that 73.5% of our English Learners made progress in 2018.

Our school continues to stay true to our mission to prepare our students for higher education, as such, we are proud to report that we will have another year with a goal of 100% graduation rate and 100% college pathway with our students.

Here is a summary of what our stakeholders "like the most about our school

"WHAT DO YOU LIKE BEST ABOUT YOUR SCHOOL? **(2018-19 Panorama Survey Results).**

Students: Students in Elementary like their teachers and all the STEAM related activities that take place in their school. Students in Secondary also like their teachers and their college culture services. The student enjoys their AP. Additionally, students in secondary like having small class size, the friends that they've made and the pizza hut they get for lunch once a month!

Family: Similar to our students, our families like the teachers and the college readiness program that we offer to students. The parents also like the "family feel" environment, the student information system that facilitates communication. Additionally, the parents like having a K-12 school model in order to drop off all of their school aged students in once location.

Staff: The staff enjoys working with each other and really enjoys their colleagues. Staff feels that their colleagues are professional, supportive; collaborative and that everyone genuinely wants to improve the school.

Overall our school experience rate increased by 24% for our staff members.

Referring to the California School Dashboard, identify any state indicator or local performance indicator for which overall performance was in the "Red" or "Orange" performance category or where the LEA received a "Not Met" or "Not Met for Two or More Years" rating. Additionally, identify any areas that the LEA has

Pg 4

determined need significant improvement based on review of local performance indicators or other local indicators. What steps is the LEA planning to take to address these areas with the greatest need for improvement?

Greatest Needs

Our socioeconomically disadvantaged and Hispanic populations are our greatest need. This has become our focus area specifically for third through eighth grade students. Intervention groups were formed at the beginning of the year by using the SBAC Spring 2018 results and our internal MAP data. Our students took our internal MAP assessment (NWEA) in the fall. Our Spring MAP assessment was administered at the end of May, to measure growth.

Such targeted interventions groups include Study Skills for our SPED students (Tier III), our Power English/Math course for Tier II students, our SSR Math/Writing group for Tier II students, and our Designated and Integrated ELD courses and additional supports for English Learner student population. Our elementary intervention grouping is based on the Spring SBAC and Fall. We grouped our ELA and Math interventions in the afternoon and after school focusing on our Tier II students, students at the CAASPP standards nearly met and not met as well as our Tier III students who are struggling in English Language Arts and Mathematics. These interventions are revisited quarterly and changes are made depending on student progress. Students are identified for the SSPT process based on intervention and classroom assessment and progress.

We continue to provide social emotional support for our students. This year we received an MTSS grant which allowed us to partnered with Western Youth Services so that our families can have access to free/affordable counseling and Help Me Grow for elementary students. Our goal is for these partnerships. Curriculum and

We conducted our annual panorama surveys and reflected on what our stakeholders believe is our greatest areas of need.

WHAT DO YOU LIKE LEAST ABOUT YOUR SCHOOL?

Students: The Elementary students like least the food and not having enough area to play or a permanent playground. The students also reported that there are mean comments/name calling/bad words happening in school. The Secondary students strongly dislike the school food, the crowded hallways, the restrictions to bathroom usage and having multiple PE teachers this year.

Families: Our parents have concerns about our limited parking space and the drop off/pick up system in place.

Staff: Our staff indicated that student discipline isn't consistently being enforced and that the number of student behavior issues hasn't decreased.

Pg 5

Referring to the California School Dashboard, identify any state indicator for which performance for any student group was two or more performance levels below the "all student" performance. What steps is the LEA planning to take to address these performance gaps?

Performance Gaps

Our students are coming from different curriculum backgrounds. Our goal is to close this performance gap to ensure their ready and successful for the next grade level.

Comprehensive Support and Improvement

An LEA with a school or schools identified for comprehensive support and improvement (CSI) under the Every Student Succeeds Act must respond to the following prompts.

Schools Identified

Identify the schools within the LEA that have been identified for CSI.

N/A

Support for Identified Schools

Describe how the LEA supported the identified schools in developing CSI plans that included a school-level needs assessment, evidence-based interventions, and the identification of any resource inequities to be addressed through the implementation of the CSI plan.

N/A

Monitoring and Evaluating Effectiveness

Describe how the LEA will monitor and evaluate the implementation and effectiveness of the CSI plan to support student and school improvement.

N/A

Annual Update

LCAP Year Reviewed: 2018–19

Complete a copy of the following table for each of the LEA's goals from the prior year LCAP. Duplicate the table as needed.

Goal 1

EXCELLENCE: All students will pursue academic excellence and be college/career ready.

State and/or Local Priorities addressed by this goal:

State Priorities: 1, 2, 4, and 8

Local Priorities: N/A

Annual Measurable Outcomes

Expected	Actual
Percentage of teachers who will be appropriately assigned and fully credentialed as required by law and the charter: 100%	Percentage of teachers who are appropriately assigned and fully credentialed as required by law and the charter: 100%
Percentage of students who will have sufficient access to standards-aligned instructional materials: 100%	Percentage of students who have sufficient access to standards-aligned instructional materials: 100%
Percentage of items on facility inspection checklists in compliance/good standing: 90%	Percentage of items on facility inspection checklists in compliance/good standing: 90%
Percentage of state standards implementation for all students: 100%	Percentage of state standards implementation for all students: 100%
Percentage of students performing proficient on the CAASPP-ELA/Literacy assessments will be (Grades 3-8):	2018-19 SBAC data is not available at this time. The following tables show 2017-18 proficiency rates of our student groups on the CAASPP-ELA/Literacy assessments and projected increase in 2018-19.

| Expected | Actual |

Expected

2018-19 Expected:

All Students:	5 percentage points up from the prior year
English Learners:	5 percentage points up from the prior year
Socioeconomically Disadvantaged:	5 percentage points up from the prior year

			(3000)(Base)

Action 12

Planned Actions/Services	Actual Actions/Services	Budgeted Expenditures	Estimated Actual Expenditures
Charter School will offer "Advisory" classes (college planning and career exploration program) and "College Readiness" classes and programs preparing students for college readiness, including test prep for ACT/SAT.	We offer "Advisory" classes in grades 9-12 and "College Readiness" classes and programs preparing students for college readiness, including test prep for ACT/SAT, in grades 11-12.	$4,172 Naviance program (5000)(Base); $3,000 College preparation materials (4000)(Base)	$5,300 Naviance program (5000)(Base); $3,000 College preparation materials (4000)(Base)

Analysis

Complete a copy of the following table for each of the LEA's goals from the prior year LCAP. Duplicate the table as needed. Use actual annual measurable outcome data, including performance data from the LCFF Evaluation Rubrics, as applicable.

Describe the overall implementation of the actions/services to achieve the articulated goal.

We have implemented all of the actions/services described above to achieve our EXCELLENCE goal. We are compliant with our teacher assignments; we offer standards-based instruction and our students have sufficient access to standards-aligned instructional materials; we do facility inspections periodically; we regularly review student performance data and progress towards targets with our staff and continue to provide additional supports and interventions to all students, including ELs, during the school day, after school

Pg 21

hours, and on Saturday; we provide our ELs with designated and integrated EL instruction; and we offer AP and Advisory classes for college readiness.

Describe the overall effectiveness of the actions/services to achieve the articulated goal as measured by the LEA.

The actions/services have been effective as measured by progress towards our annual measurable outcomes. Here you need to talk about that your data to show that these actions/services have been effective. For example; you can mention your reclassification rate or EL progress, ELA/math status or change on the academic indicator on the school dashboard; AP passing rate… Or if an action has not been very effective, talk about how you will modify it.

Explain material differences between Budgeted Expenditures and Estimated Actual Expenditures.

The main difference that we had was our textbook allocated funds was not used because we did not make the purchase for Spanish textbooks. We have allocated the funds for next year to purchase the Spanish textbooks.

Describe any changes made to this goal, expected outcomes, metrics, or actions and services to achieve this goal as a result of this analysis and analysis of the LCFF Evaluation Rubrics, as applicable. Identify where those changes can be found in the LCAP.

We will maintain our goal and the majority of our expected outcomes, metrics, and actions and services. We have updated our annual measurable outcomes with new performance targets for the upcoming school year based on input from all stakeholders and available data through surveys and student performance data. We will continue to provide all the actions/services for this goal with minor adjustments based on student and school needs. The updated outcomes and actions/services can be found in the Goals, Actions, & Services section of the LCAP.

Pg 22

Goal 2

INNOVATION: All students will pursue academic excellence and be college/career ready.

State and/or Local Priorities addressed by this goal:

State Priorities: 7 and 8

Local Priorities: N/A

Annual Measurable Outcomes

Expected	Actual
Percentage of the programs and services outlined in the charter petition that will be provided as measured by student interest surveys for elective courses and programs, master school schedule, and class rosters: 100%	Percentage of the programs and services outlined in the charter petition that we provide, certain programs and services being dependent on student need and interest: 100%
Percentage of students who will have sufficient access to all academic and educational programs provided by the Charter School as measured by student interest surveys for elective courses and programs, master school schedule, and class rosters: 100%	Percentage of students who have sufficient access to all academic and educational programs provided by the Charter School as measured by student interest surveys for elective courses and programs, master school schedule, and class rosters: 100%
Percentage of students enrolled in the Charter School's grades 6-8 who take the Accelerated and/or Advanced Math class and/or Advanced Math club: 5%	Percentage of students enrolled in the Charter School's grades 6-8 who take the Accelerated and/or Advanced Math class and/or Advanced Math club: 10%
Percentage of our graduates who will have taken a Computer/Technology class and/or experienced blended learning in their program of study: 100%	Percentage of our seniors who have taken a Computer/Technology class and/or experienced blended learning in their program of study: 100%
Percentage of students who will have created or demonstrated a STEAM focused project, experiment, model or demo: 80%	Percentage of students who have created or demonstrated a STEAM focused project, experiment, model or demo: >90%

Pg 23

Actions / Services

Duplicate the Actions/Services from the prior year LCAP and complete a copy of the following table for each. Duplicate the table as needed.

Action 1

Planned Actions/Services	Actual Actions/Services	Budgeted Expenditures	Estimated Actual Expenditures
Charter School will provide students with a broad array of courses including core subjects (English, mathematics, social sciences, and science) and electives as outlined in its charter petition. Charter School will also provide all other academic programs and services outlined in its charter petition, certain programs and services being dependent on student need and interest.	We provide our students with a broad array of courses including core subjects and electives as outlined in our charter petition. We also provide all other academic programs and services, certain programs and services being dependent on student need and interest. Classroom-based and online elective courses offered this year include: Academic Pentathlon, Science Olympiad, Personal Finance, A+ (Advance math), Art, PE, Computer etc.	$2,040,000 Teacher salaries (1000)(Base); $510,000 Benefits (3000)(Base); $10,000 Online courses (5000)(Base); $25,000 Field trip expenses (5000)(Donations)	$2,200,000 Teacher salaries (1000)(Base); $500,000 Benefits (3000)(Base); $10,000 Online courses (5000)(Base); $20,000 Field trip expenses (5000)(Donations)

Action 2

Planned Actions/Services	Actual Actions/Services	Budgeted Expenditures	Estimated Actual Expenditures
Charter School will design its master schedule to meet the needs of its students to ensure all academic content areas are available to all students, including student groups.	We have designed our master schedule to meet the needs of all students. We provide opportunities for online and dual enrollment as well.	$300,000 2 Principals and 2 Deans of Academics salaries (1000)(Base); $70,000 Benefits (3000)(Base)	$325,000 1 Principal and 3 Deans of Academics salaries (1000)(Base); $112,000 Benefits (3000)(Base)

Pg 24

Action 3

Planned Actions/Services	Actual Actions/Services	Budgeted Expenditures	Estimated Actual Expenditures
Charter School will offer Accelerated and/or Advanced Math class and/or Advanced Math club to students in grades 6-8.	We offer Accelerated and Advanced Math classes and Advanced Math club to students in grades 6-8.	$85,000 1 Accelerated/Advanced Math teacher salary and benefits (1000)(3000)(Base) [Duplicated Expense: See Goal 2: Action 1]	$90,000 1 Accelerated/Advanced Math teacher salary and benefits (1000)(3000)(Base) [Duplicated Expense: See Goal 2: Action 1]

Action 4

Planned Actions/Services	Actual Actions/Services	Budgeted Expenditures	Estimated Actual Expenditures
Charter School will offer Computer/Technology classes and/or blended learning experience for our students. Charter School will also keep its technology up to date. Charter School teachers will participate in PD on Blended Learning.	We offer Computer/Technology classes and/or blended learning experience for our students. We keep our technology up to date and have purchased 100 Chromebooks. Our teachers have participated in PD on Blended Learning.	$75,000 1 IT staff salary (2000)(Base); $17,000 Benefits (3000)(Base); $80,000 1 Computer/Technology teacher salary and benefits (1000)(3000)(Base) [Duplicated Expense: See Goal 2: Action 1]; $20,000 Computers; $15,000 Technology expenses	$65,000 1 IT staff salary (2000)(Base); $18,600 Benefits (3000)(Base); $91,000 1 Computer/Technology teacher salary and benefits (1000)(3000)(Base) [Duplicated Expense: See Goal 2: Action 1]; $20,000 Computers; $15,000 Technology expenses

Action 5

Planned Actions/Services	Actual Actions/Services	Budgeted Expenditures	Estimated Actual Expenditures
Charter School will provide opportunities for students during the day and after school to create or demonstrate a STEAM focused project, experiment, model or demo. Charter School will also provide information and access to quality out-of-school STEAM activities and achievements.	We have provided opportunities for students during the day and after school to create or demonstrate a STEAM focused project, experiment, model or demo. We have organized a local STEAM expo. Our students have participated in the Magnolia-wide STEAM expo and county-wide science fairs and activities as well.	$10,000 Science materials (4000)(Base)	$12,000 Science materials (4000)(Base)

Analysis

Complete a copy of the following table for each of the LEA's goals from the prior year LCAP. Duplicate the table as needed. Use actual annual measurable outcome data, including performance data from the LCFF Evaluation Rubrics, as applicable.

Describe the overall implementation of the actions/services to achieve the articulated goal.

We have implemented all of the actions/services described above to achieve our INNOVATION goal. We provide courses, electives, programs, and services outlined in our charter petition, certain programs and services being dependent on student need and interest; our master schedule is designed to meet the needs of all students; we provide opportunities for online and dual enrollment; we offer Advanced Math and Computer Technology classes; and provide opportunities for students to create or demonstrate a STEAM focused project, experiment, model or demo.

Describe the overall effectiveness of the actions/services to achieve the articulated goal as measured by the LEA.

Pg 26

The actions/services have been effective as measured by progress towards our annual measurable outcomes. Here you need to talk about that your data to show that these actions/services have been effective. For example; you can mention your Advanced Math class/club participation or success, Computer class participation and passing rates, STEAM project completion, etc.

Explain material differences between Budgeted Expenditures and Estimated Actual Expenditures.

The cost of the field trips was higher than expected. With the increase in enrollment, we also had to increase the number of busses and trips that were available for students. Additionally, we had to spend more funds on STEAM materials because this year, our Art teacher attended PDs that involved getting technology equipment and additional materials; this was a huge benefit for our students.

Describe any changes made to this goal, expected outcomes, metrics, or actions and services to achieve this goal as a result of this analysis and analysis of the LCFF Evaluation Rubrics, as applicable. Identify where those changes can be found in the LCAP.

We will maintain our goal and expected outcomes, metrics, and actions and services. We have updated our budget for the upcoming school year based on technology needs and input from all stakeholders. We will continue to provide all the actions/services for this goal with minor adjustments based on student and school needs. The updated outcomes and actions/services can be found in the Goals, Actions, & Services section of the LCAP.

Goal 3

CONNECTION: All students, families, staff, and other stakeholders will feel a sense of community and connectedness.

State and/or Local Priorities addressed by this goal:

State Priorities: 3, 5, and 6

Local Priorities: N/A

Annual Measurable Outcomes

Expected	Actual
Number of SSC meetings per year: 4	Current: 5 By the end of 2018-19 (Planned): 5
Number of ELAC meetings per year: 4	Current: 4 By the end of 2018-19 (Planned): 4
Number of PTF meetings per year: 4	Current: 8 By the end of 2018-19 (Planned): 8
Number of activities/events for parent involvement per year: 5	Current: About 28 By the end of 2018-19 (Planned): 30+
Frequency of SIS record updates: Daily/Weekly	Our teachers update SIS records daily/weekly: MET

		Expense: See Goal 2: Action 1]	[Duplicated Expense: See Goal 2: Action 1]

Action 8

Planned Actions/Services	Actual Actions/Services	Budgeted Expenditures	Estimated Actual Expenditures
Charter School will annually assess its suspension/expulsion policies and procedures and document and implement alternatives to suspension/expulsion, including restorative practices.	We have assessed our suspension/expulsion policies and procedures and documented and implemented alternatives to suspension/expulsion, including restorative practices.	$70,000 1 Dean of Students (1000)(Base); $15,000 Benefits (3000)(Base)	$80,000 1 Dean of Students (1000)(Base); $24,000 Benefits (3000)(Base)

Action 9

Planned Actions/Services	Actual Actions/Services	Budgeted Expenditures	Estimated Actual Expenditures
Charter School staff will acknowledge and encourage positive student behavior and improvements. Teachers will establish classroom management procedures, foster positive relationships, and help create an atmosphere of trust, respect, and high expectations.	Our staff acknowledges and encourages positive student behavior and improvements. Our teachers have established classroom management procedures, fostered positive relationships, and helped create an atmosphere of trust, respect, and high expectations.	$3,000 PD on PBIS, restorative practices, classroom management (5000)(Base)	$5,000 PD on PBIS, restorative practices, classroom management (5000)(Base)

Pg 33

Action 10

Planned Actions/Services	Actual Actions/Services	Budgeted Expenditures	Estimated Actual Expenditures
Charter School will annually administer school experience surveys to students, parents, and staff.	We have administered school experience surveys to our students, parents, and staff.	$2,000 Panorama Education surveys (5000)(Base)	$2,000 Panorama Education surveys (5000)(Base)

Analysis

Complete a copy of the following table for each of the LEA's goals from the prior year LCAP. Duplicate the table as needed. Use actual annual measurable outcome data, including performance data from the LCFF Evaluation Rubrics, as applicable.

Describe the overall implementation of the actions/services to achieve the articulated goal.

We have implemented all of the actions/services described above to achieve our CONNECTION goal. We have held quarterly SSC, ELAC, and PTF meetings; hosted parent activities/events; provided parents with access to our SIS; visited our students at their homes; encouraged and supported student attendance; provided support to ensure timely high school graduation; implemented alternatives to suspension/expulsion, including restorative practices; acknowledged and encouraged positive student behavior and improvements; and administered school experience surveys to our students, parents, and staff.

Describe the overall effectiveness of the actions/services to achieve the articulated goal as measured by the LEA.

The actions/services have been effective as measured by progress towards our annual measurable outcomes. The expulsion rate continues to be 0% and we use alternative to suspensions as much as possible. Additionally our ADA has continue to be at or over 95%. Lastly, our graduation rate continues to be 100% for our freshmen cohort.

Pg 34

Explain material differences between Budgeted Expenditures and Estimated Actual Expenditures.

We only have minor differences between Budgeted and Estimated Actual Expenditures.

Describe any changes made to this goal, expected outcomes, metrics, or actions and services to achieve this goal as a result of this analysis and analysis of the LCFF Evaluation Rubrics, as applicable. Identify where those changes can be found in the LCAP.

We will maintain our goal and the majority of our expected outcomes, metrics, and actions and services. We have updated our annual measurable outcomes for school experience survey average approval rates. Based on input from all stakeholders, we will continue to hold events that promote parental participation as well as parent training activities such as Parent College. We will focus on acknowledging positive student behavior and restorative practices. We will continue to offer PD to our teachers on classroom management and student engagement procedures to help create an atmosphere of trust, respect, and high expectations.

Stakeholder Engagement

LCAP Year: **2019–20**

Involvement Process for LCAP and Annual Update

How, when, and with whom did the LEA consult as part of the planning process for this LCAP/Annual Review and Analysis?

In order to promote learning and provide a more positive learning experience for our students, MSA-1 has established a culture of gathering input from parents, students, staff, community members, and other stakeholders through multiple channels including meetings, school events, surveys, home visits, newsletters, and other means of communication. To the extent possible, all stakeholders are invited to be involved in the process of school review and improvement including the development of our annual LCAP.

Information/input sessions include Parent Task Force (PTF) meetings, School Site Council (SSC) meetings, English Learner Advisory Committee (ELAC) meetings, Coffee with the Principal meetings, Board of Directors meetings, Principal meetings, and staff meetings. Parents on our PTF and SSC also serve as our parent advisory committee for LCAP. Along with ELAC, such committees provide for representation of students in need (low income, English learners, foster youth, etc.) Feedback from our parent advisory committee and ELAC provide valuable input for the new LCAP. In addition, the Charter School conducts surveys for parents, students, and staff, and the Charter School staff make home visits. These all serve as a way to inform, educate, and gather input & feedback from all critical stakeholders.

The Charter School has an approved charter petition with measurable student outcomes and methods to assess student progress, an SSD plan with planned improvement in student performance in reading and mathematics and in programs for English Learners, and a WASC action plan for continuous school improvement. Therefore, LCAP is received by our community as a comprehensive planning tool that draws from all other school plans and addresses the state priorities and locally identified priorities.

The Charter School has held its periodical meetings this year to gather input from our stakeholders. These include four PTF meetings, four SSC meetings, four ELAC meetings, at least five parent activities/events including two Coffee with the Principal meetings, weekly staff meetings, and other stakeholder meetings. The school conducted a family, staff, and student experience survey with specific questions on the sense of safety and school connectedness, school culture and climate, and other areas of school improvement. A majority of our stakeholders participated in this survey. The Charter School staff has also made 120 home visits during this school year and sought feedback from the parents for school improvement.

Pg 36

Impact on LCAP and Annual Update

How did these consultations impact the LCAP for the upcoming year?

MSA-SA's LCAP committee has reviewed input from all stakeholders and synthesized input to revise existing actions/services and measurable outcomes and also plan for new ones in the LCAP for the upcoming year. Some of the updates include:

Improvements in designated/integrated English Learner services

Expanding after school, Morning Interventions, Tutoring Saturday school, and summer school opportunities

Providing counseling and behavior support services to our students

Improving teacher observation and evaluation systems and keeping effective teachers

Increasing college preparedness by offering a college planning and career exploration program for students early on, strengthening existing "Advisory" programs, offering special programs to prepare students for the SAT/ACT tests, and preparing students to take more AP courses

Investing in effective technology and teacher professional development in blended learning and differentiated instruction to enhance instruction in the classroom

Expanding STEAM-based programs and activities

Other input includes improving school facilities and the lunch program.

Pg 37

Goals, Actions, & Services

Strategic Planning Details and Accountability

Complete a copy of the following table for each of the LEA's goals. Duplicate the table as needed.

(Select from New Goal, Modified Goal, or Unchanged Goal)

Unchanged Goal

Goal 1

EXCELLENCE: All students will pursue academic excellence and be college/career ready.

State and/or Local Priorities addressed by this goal:

State Priorities: 1, 2, 4, and 8
Local Priorities: N/A

Identified Need:

Priority 1:

   To ensure teachers are appropriately assigned and fully credentialed

   To ensure students have sufficient access to standards-aligned instructional materials

   To ensure school facilities are maintained in good repair

Priority 2:

   To ensure implementation of state board adopted academic content and performance standards for all students

Priority 4:

   To ensure students meet or exceed standard on CASSPP-ELA/Literacy and Mathematics assessments

Pg 38

To ensure EL students make annual progress in learning English

To ensure our students are college/career ready

Priority 8:

To ensure student proficiency in all courses

Expected Annual Measurable Outcomes

Metrics/Indicators	Baseline	2017-18	2018-19	2019-20
Percentage of teachers who will be appropriately assigned and fully credentialed as required by law and the charter	100%	100%	100%	100%
Percentage of students who will have sufficient access to standards-aligned instructional materials	100%	100%	100%	100%
Percentage of items on facility inspection checklists in compliance/good standing	>90%	>90%	>90%	>90%
Percentage of students performing	2016-17 (Baseline):	2017-18 (Expected): All Students: 5	2018-19 (Expected): All Students: 5	2019-20 (Expected): All Students: 3

Pg 39

Metrics/Indicators	Baseline	2017-18	2018-19	2019-20

Charter School teachers will provide instruction using integrated ELD instructional strategies as outlined in the CHATS framework (and other research-based strategies such as SDAIE) to all students, including ELs. Charter School will provide culturally and linguistically relevant materials for students. ELs will receive further in-class instructional support which includes one-on-one teacher support and small group instruction. Charter School will strive to provide bilingual instructional assistants to provide primary language support to enable students to access content area instruction while gaining language proficiency. Charter School will ensure that teachers participate in PD on ELD instructional strategies and CHATS framework.	See description for 2017-18	See description for 2017-18

Demonstration of Increased or Improved Services for Unduplicated Pupils

LCAP Year: **2019–20**

Estimated Supplemental and Concentration Grant Funds	Percentage to Increase or Improve Services
$ 1,820,744	32.97 %

Describe how services provided for unduplicated pupils are increased or improved by at least the percentage identified above, either qualitatively or quantitatively, as compared to services provided for all students in the LCAP year.

Identify each action/service being funded and provided on a schoolwide or LEA-wide basis. Include the required descriptions supporting each schoolwide or LEA-wide use of funds (see instructions).

 Charter School will continue to provide services to ELs by proficiency level and provide ELD instruction aligned to the CA ELD standards and framework. Charter School will provide our ELs with core and supplemental ELD instructional materials and provide our teachers with PD focused on ELD standards. Our EL coordinator will monitor EL student progress in program implementation according to our EL Master Plan.

 Charter School teachers will provide instruction using integrated ELD instructional strategies as outlined in the CHATS framework (and other research-based strategies such as SDAIE) to all students, including ELs. Charter School will provide culturally and linguistically relevant materials for students. ELs will receive further in-class instructional support which includes one-on-one teacher support and small group instruction. Charter School will strive to provide bilingual instructional assistants to provide primary language support to enable students to access content area instruction while gaining language proficiency. Charter School will ensure that teachers participate in PD on ELD instructional strategies and CHATS framework.

 ELD and ELA teachers will provide designated ELD to all EL students, with EL students who are Levels 1-3 participating in a full class period of targeted, protected ELD (differentiated by proficiency level), and Levels 4-5 receiving designated ELD in their ELA class, and, where possible, in an additional 25 minute session that focuses on reading and writing strategies, practice in speaking and listening, and academic vocabulary.

 During the day, Charter School will provide additional supports and interventions to all students, including ELs. Charter School will provide additional supports and interventions to all students, including ELs, during after school hours and on Saturday. Charter School

strives to refine targeted intervention and tutoring programs and plans to expand after school, Saturday school, and summer school opportunities.

Charter Scholl will provide ongoing Parent Training for all our parents, including bilingual parents. SSC, ELAC, and PTF meetings, as well as Parent College, are some of the venues we will provide training to our parents. Charter School will provide targeted assistance to low income students and their families in career/college readiness activities and guidance, including how to get financial aid. Parent training topics include, but are not limited to, how to assist students academically and behaviorly, how to navigate the educational system, including higher education, and other areas that will benefit all our students, including our unduplicated students.

Foster youth will receive educational counseling. Foster youth will receive academic supports and remediation and will be encouraged and supported to engage in extracurricular activities in order to mitigate the effects of school mobility on foster youth.

Research has shown that one of the keys to successful teaching and schooling is creating personal connections with students inside and outside of school. Knowing the students' outside interests, families, and home routines, and then using this information to connect in meaningful, individualized ways can have huge rewards in helping to create happier, healthier, and smarter kids. Recognizing these facts, Charter School uses home visits as one of the important features of its education program to not only improve student and school performance, but also to identify and intervene early with students performing below grade level.

Charter School staff will implement restorative practices and PBIS to build positive communities and increase school connectedness. Charter School will provide academic supports and remediation, Life Skills classes, counseling, and social-emotional support to our students. Our teachers will establish classroom management procedures, foster positive relationships, and help create an atmosphere of trust, respect, and high expectations. Charter School will ensure that staff participate in PD on restorative practices and PBIS. Our Dean of Students and Behavior Counselor/School Psychologist will monitor student behavior and social-emotional progress.

Pg 99

Addendum

The Local Control and Accountability Plan (LCAP) and Annual Update Template documents and communicates local educational agencies' (LEAs) actions and expenditures to support student outcomes and overall performance. The LCAP is a three-year plan, which is reviewed and updated annually, as required. Charter schools may complete the LCAP to align with the term of the charter school's budget, typically one year, which is submitted to the school's authorizer. The LCAP and Annual Update Template must be completed by all LEAs each year.

For school districts, the LCAP must describe, for the school district and each school within the district, goals and specific actions to achieve those goals for all students and each student group identified by the Local Control Funding Formula (LCFF) (ethnic, socioeconomically disadvantaged, English learners, foster youth, pupils with disabilities, and homeless youth), for each of the state priorities and any locally identified priorities.

For county offices of education, the LCAP must describe, for each county office of education-operated school and program, goals and specific actions to achieve those goals for all students and each LCFF student group funded through the county office of education (students attending juvenile court schools, on probation or parole, or expelled under certain conditions) for each of the state priorities and any locally identified priorities. School districts and county offices of education may additionally coordinate and describe in their LCAPs services funded by a school district that are provided to students attending county-operated schools and programs, including special education programs.

If a county superintendent of schools has jurisdiction over a single school district, the county board of education and the governing board of the school district may adopt and file for review and approval a single LCAP consistent with the requirements in Education Code (EC) sections 52060, 52062, 52066, 52068, and 52070. The LCAP must clearly articulate to which entity's budget (school district or county superintendent of schools) all budgeted and actual expenditures are aligned.

Charter schools must describe goals and specific actions to achieve those goals for all students and each LCFF subgroup of students including students with disabilities and homeless youth, for each of the state priorities that apply for the grade levels served or the nature of the program operated by the charter school, and any locally identified priorities. For charter schools, the inclusion and description of goals for state priorities in the LCAP may be modified to meet the grade levels served and the nature of the programs provided, including modifications to reflect only the statutory requirements explicitly applicable to charter schools in the EC. Changes in LCAP goals and actions/services for charter schools that result from the annual update process do not necessarily constitute a material revision to the school's charter petition.

For questions related to specific sections of the template, please see instructions below:

Instructions: Linked Table of Contents

For additional questions or technical assistance related to completion of the LCAP template, please contact the local county office of education, or the CDE's Local Agency Systems Support Office at: 916-319-0809 or by email at: lcff@cde.ca.gov.

Plan Summary

The LCAP is intended to reflect an LEA's annual goals, actions, services and expenditures within a fixed three-year planning cycle. LEAs must include a plan summary for the LCAP each year.

When developing the LCAP, enter the appropriate LCAP year, and address the prompts provided in these sections. When developing the LCAP in year 2 or year 3, enter the appropriate LCAP year and replace the previous summary information with information relevant to the current year LCAP.

In this section, briefly address the prompts provided. These prompts are not limits. LEAs may include information regarding local program(s), community demographics, and the overall vision of the LEA. LEAs may also attach documents (e.g., the California School Dashboard data reports) if desired and/or include charts illustrating goals, planned outcomes, actual outcomes, or related planned and actual expenditures.

An LEA may use an alternative format for the plan summary as long as it includes the information specified in each prompt and the budget summary table.

The reference to California School Dashboard means the California School Dashboard adopted by the State Board of Education under *EC* Section 52064.5.

Comprehensive Support and Improvement

An LEA with a school or schools identified for comprehensive support and improvement (CSI) under the Every Student Succeeds Act must respond to the following prompts:

- **Schools Identified:** Identify the schools within the LEA that have been identified for CSI.

- **Support for Identified Schools:** Describe how the LEA supported the identified schools in developing CSI plans that included a school-level needs assessment, evidence-based interventions, and the identification of any resource inequities to be addressed through the implementation of the CSI plan.
- **Monitoring and Evaluating Effectiveness:** Describe how the LEA will monitor and evaluate the implementation and effectiveness of the CSI plan to support student and school improvement.

Annual Update

The planned goals, expected outcomes, actions/services, and budgeted expenditures must be copied verbatim from the previous year's* approved LCAP; in addition, list the state and/or local priorities addressed by the planned goals. Minor typographical errors may be corrected.

> * For example, for LCAP year 2017/18 of the 2017/18 – 2019/20 LCAP, review the goals in the 2016/17 LCAP. Moving forward, review the goals from the most recent LCAP year. For example, LCAP year 2020/21 will review goals from the 2019/20 LCAP year, which is the last year of the 2017/18 – 2019/20 LCAP.

Annual Measurable Outcomes

> For each goal in the prior year, identify and review the actual measurable outcomes as compared to the expected annual measurable outcomes identified in the prior year for the goal.

Actions/Services

> Identify the planned Actions/Services and the budgeted expenditures to implement these actions toward achieving the described goal. Identify the **actual** actions/services implemented to meet the described goal and the estimated actual annual expenditures to implement the actions/services. As applicable, identify any changes to the students or student groups served, or to the planned location of the actions/services provided.

Analysis

> Using actual annual measurable outcome data, including data from the California School Dashboard, analyze whether the planned actions/services were effective in achieving the goal. Respond to the prompts as instructed.

- Describe the overall implementation of the actions/services to achieve the articulated goal. Include a discussion of relevant challenges and successes experienced with the implementation process.
- Describe the overall effectiveness of the actions/services to achieve the articulated goal as measured by the LEA.
- Explain material differences between Budgeted Expenditures and Estimated Actual Expenditures. Minor variances in expenditures or a dollar-for-dollar accounting is not required.
- Describe any changes made to this goal, expected outcomes, metrics, or actions and services to achieve this goal as a result of this analysis and analysis of the data provided in the California School Dashboard, as applicable. Identify where those changes can be found in the LCAP.

Stakeholder Engagement

Meaningful engagement of parents, students, and other stakeholders, including those representing the student groups identified by LCFF, is critical to the development of the LCAP and the budget process. *EC* identifies the minimum consultation requirements for school districts and county offices of education as consulting with teachers, principals, administrators, other school personnel, local bargaining units of the school district, parents, and pupils in developing the LCAP. *EC* requires charter schools to consult with teachers, principals, administrators, other school personnel, parents, and pupils in developing the LCAP. In addition, *EC* Section 48985 specifies the requirements for the translation of notices, reports, statements, or records sent to a parent or guardian.

The LCAP should be shared with, and LEAs should request input from, school site-level advisory groups, as applicable (e.g., school site councils, English Learner Advisory Councils, student advisory groups, etc.), to facilitate alignment between school-site and district-level goals and actions. An LEA may incorporate or reference actions described in other plans that are being undertaken to meet specific goals.

Instructions: The stakeholder engagement process is an ongoing, annual process. The requirements for this section are the same for each year of a three-year LCAP. When developing the LCAP, enter the appropriate LCAP year, and describe the stakeholder engagement process used to develop the LCAP and Annual Update. When developing the LCAP in year 2 or year 3, enter the appropriate LCAP year and replace the previous stakeholder narrative(s) and describe the stakeholder engagement process used to develop the current year LCAP and Annual Update.

School districts and county offices of education: Describe the process used to consult with the Parent Advisory Committee, the English Learner Parent Advisory Committee, parents, students, school personnel, the LEA's local bargaining units, and the community to inform the development of the LCAP and the annual review and analysis for the indicated LCAP year.

Charter schools: Describe the process used to consult with teachers, principals, administrators, other school personnel, parents, and students to inform the development of the LCAP and the annual review and analysis for the indicated LCAP year.

Describe how the consultation process impacted the development of the LCAP and annual update for the indicated LCAP year, including the goals, actions, services, and expenditures.

Goals, Actions, and Services

LEAs must include a description of the annual goals, for all students and each LCFF identified group of students, to be achieved for each state priority as applicable to type of LEA. An LEA may also include additional local priorities. This section shall also include a description of the specific planned actions an LEA will take to meet the identified goals, and a description of the expenditures required to implement the specific actions.

School districts and county offices of education: The LCAP is a three-year plan, which is reviewed and updated annually, as required.

Charter schools: The number of years addressed in the LCAP may align with the term of the charter schools budget, typically one year, which is submitted to the school's authorizer. If year 2 and/or year 3 is not applicable, charter schools must specify as such.

New, Modified, Unchanged

As part of the LCAP development process, which includes the annual update and stakeholder engagement, indicate if the goal, identified need, related state and/or local priorities, and/or expected annual measurable outcomes for the current LCAP year or future LCAP years are modified or unchanged from the previous year's LCAP; or, specify if the goal is new.

Goal

State the goal. LEAs may number the goals using the "Goal #" box for ease of reference. A goal is a broad statement that describes the desired result to which all actions/services are directed. A goal answers the question: What is the LEA seeking to achieve?

Related State and/or Local Priorities

List the state and/or local priorities addressed by the goal. The LCAP must include goals that address each of the state priorities, as applicable to the type of LEA, and any additional local priorities; however, one goal may address multiple priorities. (Link to State Priorities)

Identified Need

Describe the needs that led to establishing the goal. The identified needs may be based on quantitative or qualitative information, including, but not limited to, results of the annual update process or performance data from the California School Dashboard, as applicable.

Expected Annual Measurable Outcomes

For each LCAP year, identify the metric(s) or indicator(s) that the LEA will use to track progress toward the expected outcomes. LEAs may identify metrics for specific student groups. Include in the baseline column the most recent data associated with this metric or indicator available at the time of adoption of the LCAP for the first year of the three-year plan. The most recent data associated with a metric or indicator includes data as reported in the annual update of the LCAP year immediately preceding the three-year plan, as applicable. The baseline data shall remain unchanged throughout the three-year LCAP. In the subsequent year columns, identify the progress to be made in each year of the three-year cycle of the LCAP. Consider how expected outcomes in any given year are related to the expected outcomes for subsequent years.

The metrics may be quantitative or qualitative, but at minimum an LEA must use the applicable required metrics for the related state priorities, in each LCAP year as applicable to the type of LEA. For the student engagement priority metrics, as applicable, LEAs must calculate the rates as described in the LCAP Template Appendix, sections (a) through (d).

Planned Actions/Services

For each action/service, the LEA must complete either the section "For Actions/Services not included as contributing to meeting Increased or Improved Services Requirement" or the section "For Actions/Services included as contributing to meeting the Increased or Improved Services Requirement." The LEA shall not complete both sections for a single action.

For Actions/Services Not Contributing to Meeting the Increased or Improved Services Requirement

Students to be Served

The "Students to be Served" box is to be completed for all actions/services except for those which are included by the LEA as contributing to meeting the requirement to increase or improve services for unduplicated students. Indicate in this box which students will benefit from the actions/services by entering "All", "Students with Disabilities", or "Specific Student Group(s)". If "Specific Student Group(s)" is entered, identify the specific student group(s) as appropriate.

Location(s)

Identify the location where the action/services will be provided. If the services are provided to all schools within the LEA, the LEA must identify "All Schools". If the services are provided to specific schools within the LEA or specific grade spans only, the LEA must enter "Specific Schools" or "Specific Grade Spans". Identify the individual school or a subset of schools or grade spans (e.g., all high schools or grades K-5), as appropriate.

Charter schools operating more than one site, authorized within the same charter petition, may choose to distinguish between sites by entering "Specific Schools" and identifying the site(s) where the actions/services will be provided. For charter schools operating only one site, "All Schools" and "Specific Schools" may be synonymous and, therefore, either would be appropriate. Charter schools may use either term provided they are used in a consistent manner through the LCAP.

For Actions/Services Contributing to Meeting the Increased or Improved Services Requirement:

Students to be Served

For any action/service contributing to the LEA's overall demonstration that it has increased or improved services for unduplicated students above what is provided to all students (see Demonstration of Increased or Improved Services for Unduplicated Students section, below), the LEA must identify the unduplicated student group(s) being served.

Scope of Service

For each action/service contributing to meeting the increased or improved services requirement, identify the scope of service by indicating "LEA-wide", "Schoolwide", or "Limited to Unduplicated Student Group(s)". The LEA must identify one of the following three options:

- If the action/service is being funded and provided to upgrade the entire educational program of the LEA, enter "LEA-wide."

- If the action/service is being funded and provided to upgrade the entire educational program of a particular school or schools, enter "schoolwide".

- If the action/service being funded and provided is limited to the unduplicated students identified in "Students to be Served", enter "Limited to Unduplicated Student Group(s)".

  For charter schools and single-school school districts, "LEA-wide" and "Schoolwide" may be synonymous and, therefore, either would be appropriate. For charter schools operating multiple schools (determined by a unique CDS code) under a single charter, use "LEA-wide" to refer to all schools under the charter and use "Schoolwide" to refer to a single school authorized within the same charter petition. Charter schools operating a single school may use "LEA-wide" or "Schoolwide" provided these terms are used in a consistent manner through the LCAP.

Location(s)

Identify the location where the action/services will be provided. If the services are provided to all schools within the LEA, the LEA must indicate "All Schools". If the services are provided to specific schools within the LEA or specific grade spans only, the LEA must enter "Specific Schools" or "Specific Grade Spans". Identify the individual school or a subset of schools or grade spans (e.g., all high schools or grades K-5), as appropriate.

Charter schools operating more than one site, authorized within the same charter petition, may choose to distinguish between sites by entering "Specific Schools" and identify the site(s) where the actions/services will be provided. For charter schools operating only one site, "All Schools" and "Specific Schools" may be synonymous and, therefore, either would be appropriate. Charter schools may use either term provided they are used in a consistent manner through the LCAP.

Actions/Services

For each LCAP year, identify the actions to be performed and services provided to meet the described goal. Actions and services that are implemented to achieve the identified goal may

be grouped together. LEAs may number the action/service using the "Action #" box for ease of reference.

New/Modified/Unchanged:

- Enter "New Action" if the action/service is being added in any of the three years of the LCAP to meet the articulated goal.

- Enter "Modified Action" if the action/service was included to meet an articulated goal and has been changed or modified in any way from the prior year description.

- Enter "Unchanged Action" if the action/service was included to meet an articulated goal and has not been changed or modified in any way from the prior year description.

    - If a planned action/service is anticipated to remain unchanged for the duration of the plan, an LEA may enter "Unchanged Action" and leave the subsequent year columns blank rather than having to copy/paste the action/service into the subsequent year columns. Budgeted expenditures may be treated in the same way as applicable.

Note: The goal from the prior year may or may not be included in the current three-year LCAP. For example, when developing year 1 of the LCAP, the goals articulated in year 3 of the preceding three-year LCAP will be from the prior year.

Charter schools may complete the LCAP to align with the term of the charter school's budget that is submitted to the school's authorizer. Accordingly, a charter school submitting a one-year budget to its authorizer may choose not to complete the year 2 and year 3 portions of the "Goals, Actions, and Services" section of the template. If year 2 and/or year 3 is not applicable, charter schools must specify as such.

Budgeted Expenditures

For each action/service, list and describe budgeted expenditures for each school year to implement these actions, including where those expenditures can be found in the LEA's budget. The LEA must reference all fund sources for each proposed expenditure. Expenditures must be classified using the California School Accounting Manual as required by *EC* sections 52061, 52067, and 47606.5.

Expenditures that are included more than once in an LCAP must be indicated as a duplicated expenditure and include a reference to the goal and action/service where the expenditure first appears in the LCAP.

If a county superintendent of schools has jurisdiction over a single school district, and chooses to complete a single LCAP, the LCAP must clearly articulate to which entity's budget (school district or county superintendent of schools) all budgeted expenditures are aligned.

Demonstration of Increased or Improved Services for Unduplicated Students

This section must be completed for each LCAP year. When developing the LCAP in year 2 or year 3, copy the "Demonstration of Increased or Improved Services for Unduplicated Students" table and enter the appropriate LCAP year. Using the copy of the section, complete the section as required for the current year LCAP. Retain all prior year sections for each of the three years within the LCAP.

Estimated Supplemental and Concentration Grant Funds

> Identify the amount of funds in the LCAP year calculated on the basis of the number and concentration of low income, foster youth, and English learner students as determined pursuant to *California Code of Regulations*, Title 5 (5 *CCR*) Section 15496(a)(5).

Percentage to Increase or Improve Services

> Identify the percentage by which services for unduplicated pupils must be increased or improved as compared to the services provided to all students in the LCAP year as calculated pursuant to 5 *CCR* Section 15496(a)(7).

Consistent with the requirements of 5 *CCR* Section 15496, describe how services provided for unduplicated pupils are increased or improved by at least the percentage calculated as compared to services provided for all students in the LCAP year. To improve services means to grow services in quality and to increase services means to grow services in quantity. This description must address how the action(s)/service(s) limited for one or more unduplicated student group(s), and any schoolwide or districtwide action(s)/service(s) supported by the appropriate description, taken together, result in the required proportional increase or improvement in services for unduplicated pupils.

If the overall increased or improved services include any actions/services being funded and provided on a schoolwide or districtwide basis, identify each action/service and include the required descriptions supporting each action/service as follows.

For those services being provided on an LEA-wide basis:

- For school districts with an unduplicated pupil percentage of 55% or more, and for charter schools and county offices of education: Describe how these services are **principally directed to** and **effective in** meeting its goals for unduplicated pupils in the state and any local priorities.

- For school districts with an unduplicated pupil percentage of less than 55%: Describe how these services are **principally directed to** and **effective in** meeting its goals for unduplicated pupils in the state and any local priorities**.** Also describe how the services are **the most effective use of the funds to** meet these goals for its unduplicated pupils. Provide the basis for this determination, including any alternatives considered, supporting research, experience or educational theory.

For school districts only, identify in the description those services being funded and provided on a schoolwide basis, and include the required description supporting the use of the funds on a schoolwide basis:

- For schools with 40% or more enrollment of unduplicated pupils: Describe how these services are **principally directed to** and **effective in** meeting its goals for its unduplicated pupils in the state and any local priorities.

- For school districts expending funds on a schoolwide basis at a school with less than 40% enrollment of unduplicated pupils: Describe how these services are **principally directed to** and how the services are **the most effective use of the funds to** meet its goals for English learners, low income students and foster youth, in the state and any local priorities.

State Priorities

Priority 1: Basic Services addresses the degree to which:

A. Teachers in the LEA are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;

B. Pupils in the school district have sufficient access to the standards-aligned instructional materials; and

C. School facilities are maintained in good repair.

Priority 2: Implementation of State Standards addresses:

A. The implementation of state board adopted academic content and performance standards for all students, which are:

    a. English Language Arts – Common Core State Standards (CCSS) for English Language Arts

    b. Mathematics – CCSS for Mathematics

    c. English Language Development (ELD)

    d. Career Technical Education

    e. Health Education Content Standards

    f. History-Social Science

    g. Model School Library Standards

    h. Physical Education Model Content Standards

    i. Next Generation Science Standards

    j. Visual and Performing Arts

    k. World Language; and

B. How the programs and services will enable English learners to access the CCSS and the ELD standards for purposes of gaining academic content knowledge and English language proficiency.

Priority 3: Parental Involvement addresses:

A. The efforts the school district makes to seek parent input in making decisions for the school district and each individual school site;

B. How the school district will promote parental participation in programs for unduplicated pupils; and

C. How the school district will promote parental participation in programs for individuals with exceptional needs.

Priority 4: Pupil Achievement as measured by all of the following, as applicable:

A. Statewide assessments;

B. The percentage of pupils who have successfully completed courses that satisfy University of California (UC) or California State University (CSU) entrance requirements, or programs of study that align with state board approved career technical educational standards and framework;

C. The percentage of English learner pupils who make progress toward English proficiency as measured by the English Language Proficiency Assessments for California (ELPAC);

D. The English learner reclassification rate;

E. The percentage of pupils who have passed an advanced placement examination with a score of 3 or higher; and

F. The percentage of pupils who participate in, and demonstrate college preparedness pursuant to, the Early Assessment Program, or any subsequent assessment of college preparedness.

Priority 5: Pupil Engagement as measured by all of the following, as applicable:

A. School attendance rates;

B. Chronic absenteeism rates;

C. Middle school dropout rates;

D. High school dropout rates; and

E. High school graduation rates;

Priority 6: School Climate as measured by all of the following, as applicable:

A. Pupil suspension rates;

B. Pupil expulsion rates; and

C. Other local measures, including surveys of pupils, parents, and teachers on the sense of safety and school connectedness.

Priority 7: Course Access addresses the extent to which pupils have access to and are enrolled in:

A. A broad course of study including courses described under *EC* sections 51210 and 51220(a)-(i), as applicable;

B. Programs and services developed and provided to unduplicated pupils; and

C. Programs and services developed and provided to individuals with exceptional needs.

Priority 8: Pupil Outcomes addresses pupil outcomes, if available, for courses described under *EC* sections 51210 and 51220(a)-(i), as applicable.

Priority 9: Coordination of Instruction of Expelled Pupils (COE Only) addresses how the county superintendent of schools will coordinate instruction of expelled pupils.

Priority 10. Coordination of Services for Foster Youth (COE Only) addresses how the county superintendent of schools will coordinate services for foster children, including:

A. Working with the county child welfare agency to minimize changes in school placement

B. Providing education-related information to the county child welfare agency to assist in the delivery of services to foster children, including educational status and progress information that is required to be included in court reports;

C. Responding to requests from the juvenile court for information and working with the juvenile court to ensure the delivery and coordination of necessary educational services; and

D. Establishing a mechanism for the efficient expeditious transfer of health and education records and the health and education passport.

Local Priorities address:

A. Local priority goals; and

B. Methods for measuring progress toward local goals.

APPENDIX A: PRIORITIES 5 AND 6 RATE CALCULATION INSTRUCTIONS

For the purposes of completing the LCAP in reference to the state priorities under *EC* sections 52060 and 52066, as applicable to type of LEA, the following shall apply:

(a) "Chronic absenteeism rate" shall be calculated as follows:

   (1) The number of K-8 students who were absent 10 percent or more of the school days excluding students who were:

   (A) enrolled less than 31 days

   (B) enrolled at least 31 days but did not attend at least one day

   (C) flagged as exempt in the district attendance submission. K-8 students are considered to be exempt if they:

   (i) are enrolled in a Non-Public School

   (ii) receive instruction through a home or hospital instructional setting

   (iii) are attending a community college full-time.

   (2) The number of students who meet the enrollment requirements.

   (3) Divide (1) by (2).

(b) "High school dropout rate" shall be calculated as follows:

   (1) The number of cohort members who dropout by the end of year 4 in the cohort where "cohort" is defined as the number of first-time grade 9 pupils in year 1 (starting cohort) plus pupils who transfer in, minus pupils who transfer out, emigrate, or die during school years 1, 2, 3, and 4.

   (2) The total number of cohort members.

   (3) Divide (1) by (2).

(c) "High school graduation rate" shall be calculated as follows:

   (1) For a 4-Year Cohort Graduation Rate:

   (A) The number of students in the cohort who earned a regular high school diploma by the end of year 4 in the cohort.

   (B) The total number of students in the cohort.

   (C) Divide (1) by (2).

   (2) For a Dashboard Alternative Schools Status (DASS) Graduation Rate:

   (A) The number of students who either graduated as grade 11 students or who earned any of the following:

   (i) a regular high school diploma

   (ii) a High School Equivalency Certificate

   (iii) an adult education diploma

   (iv) a Certificate of Completion and was eligible for the California Alternative Assessment if under the age of 20.

   (B) The number of students in the DASS graduation cohort.

(C) Divide (1) by (2).

(d) "Suspension rate" shall be calculated as follows:

    (1) The unduplicated count of pupils involved in one or more incidents for which the pupil was suspended during the academic year (July 1 – June 30).

    (2) The unduplicated count of pupils with a primary, secondary, or short-term enrollment during the academic year (July 1 – June 30).

    (3) Divide (1) by (2).

(e) "Expulsion rate" shall be calculated as follows:

    (1) The unduplicated count of pupils involved in one or more incidents for which the pupil was expelled during the academic year (July 1 – June 30).

    (2) The unduplicated count of pupils with a primary, secondary, or short-term enrollment during the academic year (July 1 – June 30).

    (3) Divide (1) by (2).

NOTE: Authority cited: Sections 42238.07 and 52064, *Education Code*. Reference: Sections 2574, 2575, 42238.01, 42238.02, 42238.03, 42238.07, 47605, 47605.6, 47606.5, 48926, 52052, 52060, 52061, 52062, 52063, 52064, 52066, 52067, 52068, 52069, 52070, 52070.5, and 64001,; 20 U.S.C. Sections 6312 and 6314.

APPENDIX B: GUIDING QUESTIONS

Guiding Questions: Annual Review and Analysis

1) How have the actions/services addressed the needs of all pupils and did the provisions of those services result in the desired outcomes?

2) How have the actions/services addressed the needs of all subgroups of pupils identified pursuant to *EC* Section 52052, including, but not limited to, English learners, low-income pupils, and foster youth; and did the provision of those actions/services result in the desired outcomes?

3) How have the actions/services addressed the identified needs and goals of specific school sites and were these actions/services effective in achieving the desired outcomes?

4) What information (e.g., quantitative and qualitative data/metrics) was examined to review progress toward goals in the annual update?

5) What progress has been achieved toward the goal and expected measurable outcome(s)? How effective were the actions and services in making progress toward the goal? What changes to goals, actions, services, and expenditures are being made in the LCAP as a result of the review of progress and assessment of the effectiveness of the actions and services?

6) What differences are there between budgeted expenditures and estimated actual annual expenditures? What were the reasons for any differences?

Guiding Questions: Stakeholder Engagement

1) How have applicable stakeholders (e.g., parents and pupils, including parents of unduplicated pupils and unduplicated pupils identified in *EC* Section 42238.01; community members; local bargaining units; LEA personnel; county child welfare agencies; county office of education foster youth services programs, court-appointed special advocates, and other foster youth stakeholders; community organizations representing English learners; and others as appropriate) been engaged and involved in developing, reviewing, and supporting implementation of the LCAP?

2) How have stakeholders been included in the LEA's process in a timely manner to allow for engagement in the development of the LCAP?

3) What information (e.g., quantitative and qualitative data/metrics) was made available to stakeholders related to the state priorities and used by the LEA to inform the LCAP goal setting process? How was the information made available?

4) What changes, if any, were made in the LCAP prior to adoption as a result of written comments or other feedback received by the LEA through any of the LEA's engagement processes?

5) What specific actions were taken to meet statutory requirements for stakeholder engagement pursuant to *EC* sections 52062, 52068, or 47606.5, as applicable, including engagement with representatives of parents and guardians of pupils identified in *EC* Section 42238.01?

6) What specific actions were taken to consult with pupils to meet the requirements 5 *CCR* Section 15495(a)?

7) How has stakeholder involvement been continued and supported? How has the involvement of these stakeholders supported improved outcomes for pupils, including unduplicated pupils, related to the state priorities?

Guiding Questions: Goals, Actions, and Services

1) What are the LEA's goal(s) to address state priorities related to "Conditions of Learning": Basic Services (Priority 1), the Implementation of State Standards (Priority 2), and Course Access (Priority 7)?

2) What are the LEA's goal(s) to address state priorities related to "Pupil Outcomes": Pupil Achievement (Priority 4), Pupil Outcomes (Priority 8), Coordination of Instruction of Expelled Pupils (Priority 9 – COE Only), and Coordination of Services for Foster Youth (Priority 10 – COE Only)?

3) What are the LEA's goal(s) to address state priorities related to parent and pupil "Engagement": Parental Involvement (Priority 3), Pupil Engagement (Priority 5), and School Climate (Priority 6)?

4) What are the LEA's goal(s) to address any locally-identified priorities?

5) How have the unique needs of individual school sites been evaluated to inform the development of meaningful district and/or individual school site goals (e.g., input from site level advisory groups, staff, parents, community, pupils; review of school level plans; in-depth school level data analysis, etc.)?

6) What are the unique goals for unduplicated pupils as defined in *EC* Section 42238.01 and groups as defined in *EC* Section 52052 that are different from the LEA's goals for all pupils?

7) What are the specific expected measurable outcomes associated with each of the goals annually and over the term of the LCAP?

8) What information (e.g., quantitative and qualitative data/metrics) was considered/reviewed to develop goals to address each state or local priority?

9) What information was considered/reviewed for individual school sites?

10) What information was considered/reviewed for subgroups identified in *EC* Section 52052?

11) What actions/services will be provided to all pupils, to subgroups of pupils identified pursuant to *EC* Section 52052, to specific school sites, to English learners, to low-income pupils, and/or to foster youth to achieve goals identified in the LCAP?

12) How do these actions/services link to identified goals and expected measurable outcomes?

13) What expenditures support changes to actions/services as a result of the goal identified? Where can these expenditures be found in the LEA's budget?

Prepared by the California Department of Education, January 2019

2019-20 Budget

June 13, 2019 Board Meeting

2019-20 Budget: Executive Summary

Highlights

- This 2019-20 July 1 Budget projects a surplus of $773,095 overall, an improvement of $3.3 million from 2018-19

- Each MSA campus except MSA-1 has a projected budget surplus of at least 1.0% of revenues (MSA-1's surplus is 0.3% of revenues but is still positive)

- Projected ending balance at fiscal year-end in June 2020 is now $25.24 million, or 45% of expenses (recommended minimum reserve level = 5.0% of expenses)

- Cash flows assume latest intra-organization loan repayment schedule (including $1.93M for MSA-1)

2019-20 Budget:
2018-19 Estimated Actuals Trending

- For the 2018-19 year just ending, the line items for some Services & Operations areas (mainly in Professional Services, Professional Development, Consulting Services, Legal, and Prop 39 Projects) are running substantially under budget to date.

- If the trend continues, this would mean a higher budget surplus for 2018-19 and a higher beginning balance for 2019-20 than shown here.

- These items include $1.6M of Prop 39 projects which we are anticipating carried over into next year or returned to the state if not encumbered by June 30, 2019, and also include between $500,000 and $1,000,000 of expenses related to restricted funding sources that will likely be deferred until 2019-20, removing the expenditure variance for those items.

- We anticipate the possibility that final 2018-19 expenses for Services and Operations may be at least $500,000 less than shown in these 2018-19 Estimated Actuals,, and potentially more depending on what Prop 39 projects and restricted revenues are deferred until 2019-20.

- This is still a preliminary estimate, and final results may vary significantly due to large year-end expenditures. We will keep the Board apprised of new developments as we move through the end of the 2018-19 fiscal year and final year-end closing of the books.

2019-20 Budget: Revenues

LCFF Entitlement

- Most funding is through the Local Control Funding Formula, which pays approximately $10k per ADA (average daily attendance) depending on grade level and socioeconomic factors

- ADA is increasing 145 from 2018-19, which results in $3 million more in LCFF revenue

Federal Revenues

- Removed $1.2 million in CSFIG and other federal revenue

Other State Revenues

- Drop of $1.4 million in one-time Mandate Reimbursement & Low-Performing Grant

- Improvement in SB740 Facility Grant revenue

Other Local Revenues

- Removing private grants and donations until awarded/received, CMO fee adjustments

2019-20 Budget: Expenditures

Salaries & Benefits

- Staffing costs increasing 4.4%, reflecting COLA and ADA increases
- Slight increase in STRS, but mitigated by Governor's Budget

Books & Supplies

- Reduced $644k, primarily from removal of one-time grant revenues

Services & Operations

- Reduced $2.83 million, primarily from completing one-time Prop 39 projects (2018-19 actuals may vary from estimates shown here) and average reduction in CMO fees

Depreciation, Capital Outlay, and Other Outflows

- Reduction of $735k in new fixed asset acquisitions

2019-20 Budget:
State Economic Outlook

- New 2019-20 "Governor's Budget" was released in January, and revised in May (i.e. the "May Revise"

- Budget is now in negotiation at the Assembly and Senate - failure of Measure EE may trigger stronger pressure for state funding relief

- Changes from the Governor's May Revise are anticipated, but net result to MPS is not yet known

- Special Education Concentration Grant may not end up being approved, but might be replaced with other ongoing or one-time revenue

- Rainy day support at the state level continues to improve, mitigating the impact of a future economic downturn, and means we can rely more on revenue projections in Years 2-5

- Magnolia should be cautious, as always, but can reasonably rely on State revenue projections for the next few years given the "rainy day fund" at the State level

2019-20 Budget: Executive Summary

MSA Consolidated	2018-19 Est. Actuals	Proposed 2019-20 Budget	Change from 2018-19	Primary Reasons For Variance (see budget detail for all changes)
Average Daily Attendance	3,802	3,947	145	Growth across multiple campuses
SUMMARY				
Revenues				
LCFF Entitlement	39,822,616	42,792,722	2,970,106	Increases in ADA and per-ADA LCFF funding
Federal Revenues	3,540,557	2,377,423	(1,163,134)	Removal of one-time funding

MSA-1   Executive Summary

SUMMARY OF RESULTS

This latest 2019-20 July Budget update projects a budget surplus of $25,529.

This will allow MSA-1 to end this fiscal year with a balance of $4,946,962, which is 53.1% of annual expenditures.

CASH FLOW

Operating cash flow is projected to remain positive throughout this fiscal year, as shown in the attached monthly cash flow schedule.

The lowest projected ending cash balance this fiscal year is $2,656,478, which represents 104 days of operating costs on average.

This cash flow takes into account all intercompany loans made to date, but does not assume additional loans until approved by the Board.

REVENUE CHANGES FROM PRIOR YEAR

LCFF Entitlement: These "Local Control Funding Formula" revenues are the primary funding source for the school.

LCFF Entitlement projected revenues are $880,386 higher than in the prior year, due to average daily attendance (ADA) increasing by 61.

Federal Revenues: This consists of Title I-IV "Every Student Succeeds Act" (ESSA) funding, federal special education, and federal food programs.

Federal Revenues are projected at ($781,434) lower than in the prior year, due to removal of one-time grants and updates to ESSA funding amounts.

Other State Revenues: These are the non-LCFF state revenues such as Lottery, Facility Grant, and one-time block grants.

Other State Revenues are projected at ($26,479) lower than in the prior year, primarily due to a changes in one-time funding levels.

Other Local Revenues: This category is primarily fundraising revenue, but includes any non-LCFF local revenue sources.

Other Local Revenues are projected at ($78,231) lower than in the prior year, reflecting updated projections of fundraising and other local revenue.

EXPENDITURE CHANGES FROM PRIOR YEAR

Salaries and Benefits: This includes all employee pay, plus benefits such as retirement, healthcare, Medicare, Social Security, etc.

Salaries and Benefits costs are $369,410 higher than in the prior year, reflecting budget adjustments to address changes in enrollment and other factors.

Books & Supplies: This category includes textbooks, computers, supplies, and other instructional and non-instructional materials and equipment.

Books & Supplies costs are projected at ($257,602) lower than in the prior year.

Services & Operating Expenses: These include all contracted services as well as travel, insurance, rent, legal costs, and other service-related expenses.

Services & Operating costs are projected to be $226,878 higher than in the prior year, due to various line-item adjustments (see budget detail).

Depreciation, Capital Outlay, and Other Outgo: This category includes depreciation on fixed assets and interest on long-term debt.

These costs are projected at ($260,383) lower than in the prior year, reflecting updated depreciation and capital outlay projections.

MSA-2   Executive Summary

SUMMARY OF RESULTS

This latest 2019-20 July Budget update projects a budget surplus of $69,059.

This will allow MSA-2 to end this fiscal year with a balance of $862,734, which is 14.9% of annual expenditures.

CASH FLOW

Operating cash flow is projected to remain positive throughout this fiscal year, as shown in the attached monthly cash flow schedule.

The lowest projected ending cash balance this fiscal year is $887,604, which represents 56 days of operating costs on average.

This cash flow takes into account all intercompany loans made to date, but does not assume additional loans until approved by the Board.

REVENUE CHANGES FROM PRIOR YEAR

LCFF Entitlement: These "Local Control Funding Formula" revenues are the primary funding source for the school.

LCFF Entitlement projected revenues are $302,500 higher than in the prior year, due to average daily attendance (ADA) increasing by 15.

Federal Revenues: This consists of Title I-IV "Every Student Succeeds Act" (ESSA) funding, federal special education, and federal food programs.

Federal Revenues are projected at ($20,200) lower than in the prior year, due to removal of NSLP revenues and updates to ESSA funding.

Other State Revenues: These are the non-LCFF state revenues such as Lottery, Facility Grant, and one-time block grants.

Other State Revenues are projected at ($111,746) lower than in the prior year, primarily due to a changes in one-time funding levels.

Other Local Revenues: This category is primarily fundraising revenue, but includes any non-LCFF local revenue sources.

Other Local Revenues are projected at $112,463 higher than in the prior year, reflecting updated projections of fundraising and other local revenue.

EXPENDITURE CHANGES FROM PRIOR YEAR

Salaries and Benefits: This includes all employee pay, plus benefits such as retirement, healthcare, Medicare, Social Security, etc.

Salaries and Benefits costs are $171,833 higher than in the prior year, reflecting budget adjustments to address changes in enrollment and other factors.

Books & Supplies: This category includes textbooks, computers, supplies, and other instructional and non-instructional materials and equipment.

Books & Supplies costs are projected at ($66,962) lower than in the prior year.

Services & Operating Expenses: These include all contracted services as well as travel, insurance, rent, legal costs, and other service-related expenses.

Services & Operating costs are projected to be ($280,805) lower than in the prior year, due primarily to ending the one-time Prop 39 Energy Projects.

Depreciation, Capital Outlay, and Other Outgo: This category includes depreciation on fixed assets and interest on long-term debt.

These costs are projected at $70,516 higher than in the prior year, reflecting updated depreciation and capital outlay projections.

MSA-3   Executive Summary

SUMMARY OF RESULTS

This latest 2019-20 July Budget update projects a budget surplus of $66,465.

This will allow MSA-3 to end this fiscal year with a balance of $810,430, which is 13.5% of annual expenditures.

CASH FLOW

Operating cash flow is projected to remain positive throughout this fiscal year, as shown in the attached monthly cash flow schedule.

The lowest projected ending cash balance this fiscal year is $381,760, which represents 23 days of operating costs on average.

This cash flow takes into account all intercompany loans made to date, but does not assume additional loans until approved by the Board.

REVENUE CHANGES FROM PRIOR YEAR

LCFF Entitlement: These "Local Control Funding Formula" revenues are the primary funding source for the school.

LCFF Entitlement projected revenues are $61,960 higher than in the prior year, due to average daily attendance (ADA) decreasing by 9.

Federal Revenues: This consists of Title I-IV "Every Student Succeeds Act" (ESSA) funding, federal special education, and federal food programs.

Federal Revenues are projected at ($20,200) lower than in the prior year, due to updates to ESSA funding amounts.

Other State Revenues: These are the non-LCFF state revenues such as Lottery, Facility Grant, and one-time block grants.

Other State Revenues are projected at ($226,259) lower than in the prior year, primarily due to a changes in one-time funding levels.

Other Local Revenues: These are the non-LCFF state revenues such as Lottery, Facility Grant, and one-time block grants.

Other Local Revenues are projected at ($70,790) lower than in the prior year, reflecting updated projections of fundraising and other local revenue.

EXPENDITURE CHANGES FROM PRIOR YEAR

Salaries and Benefits: This includes all employee pay, plus benefits such as retirement, healthcare, Medicare, Social Security, etc.

Salaries and Benefits costs are $198,505 higher than in the prior year, reflecting budget adjustments to address changes in enrollment and other factors.

Books & Supplies: This category includes textbooks, computers, supplies, and other instructional and non-instructional materials and equipment.

Books & Supplies costs are projected at ($73,156) lower than in the prior year.

Services & Operating Expenses: These include all contracted services as well as travel, insurance, rent, legal costs, and other service-related expenses.

Services & Operating costs are projected to be ($750,729) lower than in the prior year, due primarily to ending the one-time Prop 39 Energy Projects.

Depreciation, Capital Outlay, and Other Outgo: This category includes depreciation on fixed assets and interest on long-term debt.

These costs are projected at ($16,128) lower than in the prior year, reflecting updated depreciation and capital outlay projections.

MSA-4   Executive Summary

SUMMARY OF RESULTS

This latest 2019-20 July Budget update projects a budget surplus of $23,989.

This will allow MSA-4 to end this fiscal year with a balance of $906,984, which is 41.6% of annual expenditures.

CASH FLOW

Operating cash flow is projected to remain positive throughout this fiscal year, as shown in the attached monthly cash flow schedule.

The lowest projected ending cash balance this fiscal year is $714,111, which represents 119 days of operating costs on average.

This cash flow takes into account all intercompany loans made to date, but does not assume additional loans until approved by the Board.

REVENUE CHANGES FROM PRIOR YEAR

LCFF Entitlement: These "Local Control Funding Formula" revenues are the primary funding source for the school.

LCFF Entitlement projected revenues are $7,961 higher than in the prior year, due to average daily attendance (ADA) decreasing by 7.

Federal Revenues: This consists of Title I-IV "Every Student Succeeds Act" (ESSA) funding, federal special education, and federal food programs.

Federal Revenues are projected at ($22,446) lower than in the prior year, due to updates to ESSA funding amounts.

Other State Revenues: These are the non-LCFF state revenues such as Lottery, Facility Grant, and one-time block grants.

Other State Revenues are projected at ($45,825) lower than in the prior year, primarily due to a changes in one-time funding levels.

Other Local Revenues: These are the non-LCFF state revenues such as Lottery, Facility Grant, and one-time block grants.

Other Local Revenues are projected at $43,078 higher than in the prior year, reflecting updated projections of fundraising and other local revenue.

EXPENDITURE CHANGES FROM PRIOR YEAR

Salaries and Benefits: This includes all employee pay, plus benefits such as retirement, healthcare, Medicare, Social Security, etc.

Salaries and Benefits costs are ($164,907) lower than in the prior year, reflecting budget adjustments to address changes in enrollment and other factors.

Books & Supplies: This category includes textbooks, computers, supplies, and other instructional and non-instructional materials and equipment.

Books & Supplies costs are projected at ($48,685) lower than in the prior year.

Services & Operating Expenses: These include all contracted services as well as travel, insurance, rent, legal costs, and other service-related expenses.

Services & Operating costs are projected to be ($415,148) lower than in the prior year, due primarily to ending the one-time Prop 39 Energy Projects.

Depreciation, Capital Outlay, and Other Outgo: This category includes depreciation on fixed assets and interest on long-term debt.

These costs are projected at $0 lower than in the prior year, reflecting stable depreciation and capital outlay projections.

MSA-5   Executive Summary

SUMMARY OF RESULTS

This latest 2019-20 July Budget update projects a budget surplus of $106,573.

This will allow MSA-5 to end this fiscal year with a balance of $1,929,871, which is 63.7% of annual expenditures.

CASH FLOW

Operating cash flow is projected to remain positive throughout this fiscal year, as shown in the attached monthly cash flow schedule.

The lowest projected ending cash balance this fiscal year is $1,554,011, which represents 187 days of operating costs on average.

This cash flow takes into account all intercompany loans made to date, but does not assume additional loans until approved by the Board.

REVENUE CHANGES FROM PRIOR YEAR

LCFF Entitlement: These "Local Control Funding Formula" revenues are the primary funding source for the school.

LCFF Entitlement projected revenues are $150,286 higher than in the prior year, due to average daily attendance (ADA) decreasing by 0.

Federal Revenues: This consists of Title I-IV "Every Student Succeeds Act" (ESSA) funding, federal special education, and federal food programs.

Federal Revenues are projected at ($13,305) lower than in the prior year, due to updates to ESSA funding amounts.

Other State Revenues: These are the non-LCFF state revenues such as Lottery, Facility Grant, and one-time block grants.

Other State Revenues are projected at ($79,918) lower than in the prior year, primarily due to a changes in one-time funding levels.

Other Local Revenues: These are the non-LCFF state revenues such as Lottery, Facility Grant, and one-time block grants.

Other Local Revenues are projected at $67,667 higher than in the prior year, reflecting updated projections of fundraising and other local revenue.

EXPENDITURE CHANGES FROM PRIOR YEAR

Salaries and Benefits: This includes all employee pay, plus benefits such as retirement, healthcare, Medicare, Social Security, etc.

Salaries and Benefits costs are $235,614 higher than in the prior year, reflecting budget adjustments to address changes in enrollment and other factors.

Books & Supplies: This category includes textbooks, computers, supplies, and other instructional and non-instructional materials and equipment.

Books & Supplies costs are projected at ($23,814) lower than in the prior year.

Services & Operating Expenses: These include all contracted services as well as travel, insurance, rent, legal costs, and other service-related expenses.

Services & Operating costs are projected to be ($245,677) lower than in the prior year, due primarily to ending the one-time Prop 39 Energy Projects.

Depreciation, Capital Outlay, and Other Outgo: This category includes depreciation on fixed assets and interest on long-term debt.

These costs are projected at ($20,000) lower than in the prior year, reflecting updated depreciation and capital outlay projections.

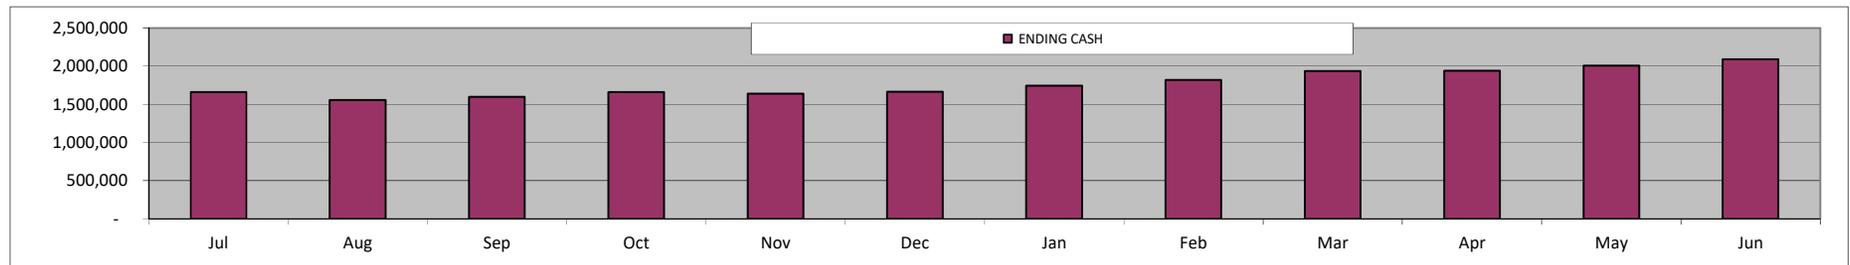
<<< = 252 days cash


MSA-6   Executive Summary

SUMMARY OF RESULTS

This latest 2019-20 July Budget update projects a budget surplus of $47,947.

This will allow MSA-6 to end this fiscal year with a balance of $1,668,106, which is 85.5% of annual expenditures.

CASH FLOW

Operating cash flow is projected to remain positive throughout this fiscal year, as shown in the attached monthly cash flow schedule.

The lowest projected ending cash balance this fiscal year is $1,494,921, which represents 280 days of operating costs on average.

This cash flow takes into account all intercompany loans made to date, but does not assume additional loans until approved by the Board.

REVENUE CHANGES FROM PRIOR YEAR

LCFF Entitlement: These "Local Control Funding Formula" revenues are the primary funding source for the school.

LCFF Entitlement projected revenues are $120,026 higher than in the prior year, due to average daily attendance (ADA) increasing by 8.

Federal Revenues: This consists of Title I-IV "Every Student Succeeds Act" (ESSA) funding, federal special education, and federal food programs.

Federal Revenues are projected at ($21,351) lower than in the prior year, due to updates to ESSA funding amounts.

Other State Revenues: These are the non-LCFF state revenues such as Lottery, Facility Grant, and one-time block grants.

Other State Revenues are projected at ($107,307) lower than in the prior year, primarily due to a changes in one-time funding levels.

Other Local Revenues: These are the non-LCFF state revenues such as Lottery, Facility Grant, and one-time block grants.

Other Local Revenues are projected at $70,477 higher than in the prior year, reflecting updated projections of fundraising and other local revenue.

EXPENDITURE CHANGES FROM PRIOR YEAR

Salaries and Benefits: This includes all employee pay, plus benefits such as retirement, healthcare, Medicare, Social Security, etc.

Salaries and Benefits costs are $114,225 higher than in the prior year, reflecting budget adjustments to address changes in enrollment and other factors.

Books & Supplies: This category includes textbooks, computers, supplies, and other instructional and non-instructional materials and equipment.

Books & Supplies costs are projected at ($5,930) lower than in the prior year.

Services & Operating Expenses: These include all contracted services as well as travel, insurance, rent, legal costs, and other service-related expenses.

Services & Operating costs are projected to be ($73,139) lower than in the prior year, due primarily to ending the one-time Prop 39 Energy Projects.

Depreciation, Capital Outlay, and Other Outgo: This category includes depreciation on fixed assets and interest on long-term debt.

These costs are projected at ($4,998) lower than in the prior year, reflecting stable depreciation and capital outlay projections.

MSA-7   Executive Summary

SUMMARY OF RESULTS

This latest 2019-20 July Budget update projects a budget surplus of $80,339.

This will allow MSA-7 to end this fiscal year with a balance of $1,300,772, which is 35.5% of annual expenditures.

CASH FLOW

Operating cash flow is projected to remain positive throughout this fiscal year, as shown in the attached monthly cash flow schedule.

The lowest projected ending cash balance this fiscal year is $779,760, which represents 78 days of operating costs on average.

This cash flow takes into account all intercompany loans made to date, but does not assume additional loans until approved by the Board.

REVENUE CHANGES FROM PRIOR YEAR

LCFF Entitlement: These "Local Control Funding Formula" revenues are the primary funding source for the school.

LCFF Entitlement projected revenues are $156,591 higher than in the prior year, due to average daily attendance (ADA) increasing by 2.

Federal Revenues: This consists of Title I-IV "Every Student Succeeds Act" (ESSA) funding, federal special education, and federal food programs.

Federal Revenues are projected at ($281,507) lower than in the prior year, due to updates to ESSA funding amounts.

Other State Revenues: These are the non-LCFF state revenues such as Lottery, Facility Grant, and one-time block grants.

Other State Revenues are projected at ($134,480) lower than in the prior year, primarily due to a changes in one-time funding levels.

Other Local Revenues: These are the non-LCFF state revenues such as Lottery, Facility Grant, and one-time block grants.

Other Local Revenues are projected at ($8,005) lower than in the prior year, reflecting updated projections of fundraising and other local revenue.

EXPENDITURE CHANGES FROM PRIOR YEAR

Salaries and Benefits: This includes all employee pay, plus benefits such as retirement, healthcare, Medicare, Social Security, etc.

Salaries and Benefits costs are $147,169 higher than in the prior year, reflecting budget adjustments to address changes in enrollment and other factors.

Books & Supplies: This category includes textbooks, computers, supplies, and other instructional and non-instructional materials and equipment.

Books & Supplies costs are projected at ($67,262) lower than in the prior year.

Services & Operating Expenses: These include all contracted services as well as travel, insurance, rent, legal costs, and other service-related expenses.

Services & Operating costs are projected to be ($342,408) lower than in the prior year, due primarily to ending the one-time Prop 39 Energy Projects.

Depreciation, Capital Outlay, and Other Outgo: This category includes depreciation on fixed assets and interest on long-term debt.

These costs are projected at ($363,002) lower than in the prior year, reflecting $350k in capital improvements.

MSA-8   Executive Summary

SUMMARY OF RESULTS

This latest 2019-20 July Budget update projects a budget surplus of $58,704.

This will allow MSA-8 to end this fiscal year with a balance of $4,312,823, which is 74.5% of annual expenditures.

CASH FLOW

Operating cash flow is projected to remain positive throughout this fiscal year, as shown in the attached monthly cash flow schedule.

The lowest projected ending cash balance this fiscal year is $1,972,063, which represents 124 days of operating costs on average.

This cash flow takes into account all intercompany loans made to date, but does not assume additional loans until approved by the Board.

REVENUE CHANGES FROM PRIOR YEAR

LCFF Entitlement: These "Local Control Funding Formula" revenues are the primary funding source for the school.

LCFF Entitlement projected revenues are $309,639 higher than in the prior year, due to average daily attendance (ADA) increasing by 16.

Federal Revenues: This consists of Title I-IV "Every Student Succeeds Act" (ESSA) funding, federal special education, and federal food programs.

Federal Revenues are projected at ($1,402) lower than in the prior year, due to updates to ESSA funding amounts.

Other State Revenues: These are the non-LCFF state revenues such as Lottery, Facility Grant, and one-time block grants.

Other State Revenues are projected at ($138,862) lower than in the prior year, primarily due to a changes in one-time funding levels.

Other Local Revenues: These are the non-LCFF state revenues such as Lottery, Facility Grant, and one-time block grants.

Other Local Revenues are projected at ($37,527) lower than in the prior year, reflecting updated projections of fundraising and other local revenue.

EXPENDITURE CHANGES FROM PRIOR YEAR

Salaries and Benefits: This includes all employee pay, plus benefits such as retirement, healthcare, Medicare, Social Security, etc.

Salaries and Benefits costs are $699,758 higher than in the prior year, reflecting budget adjustments to address changes in enrollment and other factors.

Books & Supplies: This category includes textbooks, computers, supplies, and other instructional and non-instructional materials and equipment.

Books & Supplies costs are projected at ($58,927) lower than in the prior year.

Services & Operating Expenses: These include all contracted services as well as travel, insurance, rent, legal costs, and other service-related expenses.

Services & Operating costs are projected to be ($352,468) lower than in the prior year, due primarily to ending the one-time Prop 39 Energy Projects.

Depreciation, Capital Outlay, and Other Outgo: This category includes depreciation on fixed assets and interest on long-term debt.

These costs are projected at ($44,817) lower than in the prior year, reflecting updated depreciation and capital outlay projections.

MSA-SA   Executive Summary

SUMMARY OF RESULTS

This latest 2019-20 July Budget update projects a budget surplus of $190,312.

This will allow MSA-SA to end this fiscal year with a balance of $7,713,821, which is 90.8% of annual expenditures.

CASH FLOW

Operating cash flow is projected to remain positive throughout this fiscal year, as shown in the attached monthly cash flow schedule.

The lowest projected ending cash balance this fiscal year is $28,782, which represents 1 days of operating costs on average.

This cash flow takes into account all intercompany loans made to date, but does not assume additional loans until approved by the Board.

REVENUE CHANGES FROM PRIOR YEAR

LCFF Entitlement: These "Local Control Funding Formula" revenues are the primary funding source for the school.

LCFF Entitlement projected revenues are $392,354 higher than in the prior year, due to average daily attendance (ADA) increasing by 5.

Federal Revenues: This consists of Title I-IV "Every Student Succeeds Act" (ESSA) funding, federal special education, and federal food programs.

Federal Revenues are projected at ($4,177) lower than in the prior year, due to updates to ESSA funding amounts.

Other State Revenues: These are the non-LCFF state revenues such as Lottery, Facility Grant, and one-time block grants.

Other State Revenues are projected at ($332,306) lower than in the prior year, primarily due to a changes in one-time funding levels.

Other Local Revenues: These are the non-LCFF state revenues such as Lottery, Facility Grant, and one-time block grants.

Other Local Revenues are projected at $32,366 higher than in the prior year, reflecting updated projections of fundraising and other local revenue.

EXPENDITURE CHANGES FROM PRIOR YEAR

Salaries and Benefits: This includes all employee pay, plus benefits such as retirement, healthcare, Medicare, Social Security, etc.

Salaries and Benefits costs are ($376,315) lower than in the prior year, reflecting budget adjustments to address changes in enrollment and other factors.

Books & Supplies: This category includes textbooks, computers, supplies, and other instructional and non-instructional materials and equipment.

Books & Supplies costs are projected at $7,340 higher than in the prior year.

Services & Operating Expenses: These include all contracted services as well as travel, insurance, rent, legal costs, and other service-related expenses.

Services & Operating costs are projected to be $348,738 higher than in the prior year, due primarily to ending the one-time Prop 39 Energy Projects.

Depreciation, Capital Outlay, and Other Outgo: This category includes depreciation on fixed assets and interest on long-term debt.

These costs are projected at ($60,627) lower than in the prior year, reflecting updated depreciation and capital outlay projections.

MSA-SD   Executive Summary

SUMMARY OF RESULTS

This latest 2019-20 July Budget update projects a budget surplus of $43,906.

This will allow MSA-SD to end this fiscal year with a balance of $352,925, which is 8.1% of annual expenditures.

CASH FLOW

Operating cash flow is projected to remain positive throughout this fiscal year, as shown in the attached monthly cash flow schedule.

The lowest projected ending cash balance this fiscal year is $174,995, which represents 15 days of operating costs on average.

This cash flow takes into account all intercompany loans made to date, but does not assume additional loans until approved by the Board.

REVENUE CHANGES FROM PRIOR YEAR

LCFF Entitlement: These "Local Control Funding Formula" revenues are the primary funding source for the school.

LCFF Entitlement projected revenues are $588,403 higher than in the prior year, due to average daily attendance (ADA) increasing by 57.

Federal Revenues: This consists of Title I-IV "Every Student Succeeds Act" (ESSA) funding, federal special education, and federal food programs.

Federal Revenues are projected at ($1,291) lower than in the prior year, due to updates to ESSA funding amounts.

Other State Revenues: These are the non-LCFF state revenues such as Lottery, Facility Grant, and one-time block grants.

Other State Revenues are projected at ($214,334) lower than in the prior year, primarily due to a changes in one-time funding levels.

Other Local Revenues: These are the non-LCFF state revenues such as Lottery, Facility Grant, and one-time block grants.

Other Local Revenues are projected at ($47,281) lower than in the prior year, reflecting updated projections of fundraising and other local revenue.

EXPENDITURE CHANGES FROM PRIOR YEAR

Salaries and Benefits: This includes all employee pay, plus benefits such as retirement, healthcare, Medicare, Social Security, etc.

Salaries and Benefits costs are ($108,391) lower than in the prior year, reflecting budget adjustments to address changes in enrollment and other factors.

Books & Supplies: This category includes textbooks, computers, supplies, and other instructional and non-instructional materials and equipment.

Books & Supplies costs are projected at ($37,811) lower than in the prior year.

Services & Operating Expenses: These include all contracted services as well as travel, insurance, rent, legal costs, and other service-related expenses.

Services & Operating costs are projected to be ($379,401) lower than in the prior year, due primarily to ending the one-time Prop 39 Energy Projects.

Depreciation, Capital Outlay, and Other Outgo: This category includes depreciation on fixed assets and interest on long-term debt.

These costs are projected at ($36,871) lower than in the prior year, reflecting updated depreciation and capital outlay projections.

MERF   Executive Summary

SUMMARY OF RESULTS

This latest 2019-20 July Budget update projects a budget surplus of $60,271.

This will allow MERF to end this fiscal year with a balance of $429,848, which is 7.8% of annual expenditures.

CASH FLOW

Operating cash flow is projected to remain positive throughout this fiscal year, as shown in the attached monthly cash flow schedule.

The lowest projected ending cash balance this fiscal year is $625,457, which represents 42 days of operating costs on average.

This cash flow takes into account all intercompany loans made to date, but does not assume additional loans until approved by the Board.

REVENUE CHANGES FROM PRIOR YEAR

Other Local Revenues: This category includes all MERF revenues from the sites, as well as other schoolwide revenue sources.

Other Local Revenues are projected at $65,801 higher than in the prior year, reflecting updated projections of CMO fee revenue.

SIGNIFICANT CHANGES IN EXPENSES

Salaries and Benefits: This includes all employee pay, plus benefits such as retirement, healthcare, Medicare, Social Security, etc.

Salaries and Benefits costs are $169,894 higher than in the prior year, reflecting budget adjustments to address changes in enrollment and other factors.

Books & Supplies: This category includes textbooks, computers, supplies, and other instructional and non-instructional materials and equipment.

Books & Supplies costs are projected at ($11,335) lower than in the prior year, due to targeted budget adjustments (see detail).

Services & Operating Expenses: These include all contracted services as well as travel, insurance, rent, legal costs, and other service-related expenses.

Services & Operating costs are projected to be ($565,898) lower than in the prior year, due to targeted budget adjustments (see detail).

Depreciation, Capital Outlay, and Other Outgo: This category includes depreciation on fixed assets, interest, and SELPA encroachment.

These costs are projected at ($11,515) lower than in the prior year, reflecting updated depreciation and encroachment projections.

RE:	Adoption of 2019-20 Budget, Approval of Vendors and Ongoing Contracts over $25,000, Approval of Home Office Fees Structure for 2019-20

*** The budget was approved by the Finance Committee May 31, 2019.

Proposed Board Recommendation

I move that the Board:

1. Adopt the 2019-20 Budget as reviewed and recommended for approval by the MPS Finance Committee

2. Approve all vendors and ongoing contracts over $25,000 for fiscal year 2019-20 as listed on the attached document.

3. Approve the Home Office Management Fee Structure for FY 2019-20

Background

- The Adopted Budget is part of an ongoing series of state-required reports for the 2019-20 fiscal year. The state requires that all local educational agencies adopt a budget by July 1 of each year. County superintendents are required to examine the adopted budget for each school district in the county and the State Superintendent of Public Instruction (SSPI) is required to examine the adopted budget for each county office of education. Budgets are examined for compliance with state-adopted criteria and standards, to identify technical corrections needed, and to determine whether the budget will allow the LEA to meet budget year and multiyear financial commitments.

250 E. 1st Street Suite 1500, Los Angeles, CA 90012 | www.magnoliapublicschools.org

- The board approves all vendors and ongoing contracts included in the attached list annually. MPS Financial Policy PUR107 requires all contracts over $25,000 to go thru RFP process and be approved by the Board if not included in the board approved Master Vendor List.

- Home office management fees are calculated based on a fee structure approved by the board in 2015-16. Fees are calculated based on the projected ADA per school site or budgeting purposes. A final amount is recalculated at the end of each fiscal year using P2 report.

Budget Implications

Fees are included in 2019-20 Proposed Budgets for MERF and all MPS schools.

2019-20 Budget

June 13, 2019 Board Meeting

2019-20 Budget: Executive Summary

Highlights

- This 2019-20 July 1 Budget projects a surplus of $773,095 overall, an improvement of $3.3 million from 2018-19

- Each MSA campus has a projected budget surplus of at least 1.0%, with the exception of MSA-1 (which still has a budget surplus of $25k)

- Projected ending balance at fiscal year-end in June 2020 is now $25.2 million, or 44.7% of expenses (recommended minimum reserve level = 5.0% of expenses)

2019-20 Budget:
2018-19 Estimated Actuals Trending

- For the 2018-19 year just ending, the line items for some Services & Operations areas (mainly in Professional Services, Professional Development, Consulting Services, Legal, and Prop 39 Projects) are running substantially under budget to date.

- If the trend continues, this would mean a higher budget surplus for 2018-19 and a higher beginning balance for 2019-20 than shown here.

- These items include $1.6M of Prop 39 projects which we are anticipating carried over into next year or returned to the state if not encumbered by June 30, 2019, and also include between $500,000 and $1,000,000 of expenses related to restricted funding sources that will likely be deferred until 2019-20, removing the expenditure variance for those items.

- We anticipate the possibility that final 2018-19 expenses for Services and Operations may be at least $500,000 less than shown in these 2018-19 Estimated Actuals,, and potentially more depending on what Prop 39 projects and restricted revenues are deferred until 2019-20.

- This is still a preliminary estimate, and final results may vary significantly due to large year-end expenditures. We will keep the Board apprised of new developments as we move through the end of the 2018-19 fiscal year and final year-end closing of the books.

2019-20 Budget: Revenues

LCFF Entitlement

- Most funding is through the Local Control Funding Formula, which pays approximately $10k per ADA (average daily attendance) depending on grade level and socioeconomic factors

- ADA is increasing 145 from 2018-19, which results in $3 million more in LCFF revenue

Federal Revenues

- Removed $1.2 million in CSFIG and other federal revenue

Other State Revenues

- Drop of $1.4 million in one-time Mandate Reimbursement & Low-Performing Grant

- Improvement in SB740 Facility Grant revenue

Other Local Revenues

- Removing private grants and donations until awarded/received

2019-20 Budget: Expenditures

Salaries & Benefits

- Staffing costs increasing 4.1%, reflecting COLA and ADA increases
- Slight increase in STRS, but mitigated by Governor's Budget

Books & Supplies

- Reduced $644k, primarily from removal of one-time grant revenues

Services & Operations

- Reduced $2.3 million, primarily from completing one-time Prop 39 projects (2018-19 actuals may vary from estimates shown here)

Depreciation, Capital Outlay, and Other Outflows

- Reduction of $735k in new fixed asset acquisitions

2019-20 Budget:
State Economic Outlook

- New 2019-20 "Governor's Budget" was released in January, and revised in May (i.e. the "May Revise"

- Budget is now in negotiation at the Assembly and Senate - failure of Measure EE may trigger stronger pressure for state funding relief

- Changes from the Governor's May Revise are anticipated, but net result to MPS is not yet known.

- Special Education Concentration Grant may not end up being approved, but might be replaced with other ongoing or one-time revenue

- Rainy day support at the state level continues to improve, mitigating the impact of a future economic downturn, and means we can rely more on revenue projections in Years 2-5

- Magnolia should be cautious, as always, but can reasonably rely on State revenue projections for the next few years given the "rainy day fund" at the State level

2019-20 Budget: Executive Summary

MSA - Consolidated	2018-19 Est. Actuals	Proposed 2019-20 Budget	Change from 2018-19	Primary Reasons For Variance (see budget detail for all changes)
Average Daily Attendance	3,802	3,947	145	Growth across multiple campuses

MSA-1   Executive Summary

SUMMARY OF RESULTS

This latest 2019-20 July Budget update projects a budget surplus of $25,529.

This will allow MSA-1 to end this fiscal year with a balance of $4,946,962, which is 53.1% of annual expenditures.

CASH FLOW

Operating cash flow is projected to remain positive throughout this fiscal year, as shown in the attached monthly cash flow schedule.

The lowest projected ending cash balance this fiscal year is $2,805,592, which represents 110 days of operating costs on average.

This cash flow takes into account all intercompany loans made to date, but does not assume additional loans until approved by the Board.

REVENUE CHANGES FROM PRIOR YEAR

LCFF Entitlement: These "Local Control Funding Formula" revenues are the primary funding source for the school.

LCFF Entitlement projected revenues are $880,386 higher than in the prior year, due to average daily attendance (ADA) increasing by 61.

Federal Revenues: This consists of Title I-IV "Every Student Succeeds Act" (ESSA) funding, federal special education, and federal food programs.

Federal Revenues are projected at ($781,434) lower than in the prior year, due to removal of one-time grants and updates to ESSA funding amounts.

Other State Revenues: These are the non-LCFF state revenues such as Lottery, Facility Grant, and one-time block grants.

Other State Revenues are projected at ($26,479) lower than in the prior year, primarily due to a changes in one-time funding levels.

Other Local Revenues: This category is primarily fundraising revenue, but includes any non-LCFF local revenue sources.

Other Local Revenues are projected at ($78,231) lower than in the prior year, reflecting updated projections of fundraising and other local revenue.

EXPENDITURE CHANGES FROM PRIOR YEAR

Salaries and Benefits: This includes all employee pay, plus benefits such as retirement, healthcare, Medicare, Social Security, etc.

Salaries and Benefits costs are $290,876 higher than in the prior year, reflecting budget adjustments to address changes in enrollment and other factors.

Books & Supplies: This category includes textbooks, computers, supplies, and other instructional and non-instructional materials and equipment.

Books & Supplies costs are projected at ($257,602) lower than in the prior year.

Services & Operating Expenses: These include all contracted services as well as travel, insurance, rent, legal costs, and other service-related expenses.

Services & Operating costs are projected to be $305,412 higher than in the prior year, due to various line-item adjustments (see budget detail).

Depreciation, Capital Outlay, and Other Outgo: This category includes depreciation on fixed assets and interest on long-term debt.

These costs are projected at ($260,383) lower than in the prior year, reflecting stable depreciation and capital outlay projections.

MSA-2   Executive Summary

SUMMARY OF RESULTS

This latest 2019-20 July Budget update projects a budget surplus of $69,059.

This will allow MSA-2 to end this fiscal year with a balance of $862,734, which is 14.9% of annual expenditures.

CASH FLOW

Operating cash flow is projected to remain positive throughout this fiscal year, as shown in the attached monthly cash flow schedule.

The lowest projected ending cash balance this fiscal year is $860,491, which represents 54 days of operating costs on average.

This cash flow takes into account all intercompany loans made to date, but does not assume additional loans until approved by the Board.

REVENUE CHANGES FROM PRIOR YEAR

LCFF Entitlement: These "Local Control Funding Formula" revenues are the primary funding source for the school.

LCFF Entitlement projected revenues are $302,500 higher than in the prior year, due to average daily attendance (ADA) increasing by 15.

Federal Revenues: This consists of Title I-IV "Every Student Succeeds Act" (ESSA) funding, federal special education, and federal food programs.

Federal Revenues are projected at ($20,200) lower than in the prior year, due to removal of NSLP revenues and updates to ESSA funding.

Other State Revenues: These are the non-LCFF state revenues such as Lottery, Facility Grant, and one-time block grants.

Other State Revenues are projected at ($111,746) lower than in the prior year, primarily due to a changes in one-time funding levels.

Other Local Revenues: This category is primarily fundraising revenue, but includes any non-LCFF local revenue sources.

Other Local Revenues are projected at $112,463 higher than in the prior year, reflecting updated projections of fundraising and other local revenue.

EXPENDITURE CHANGES FROM PRIOR YEAR

Salaries and Benefits: This includes all employee pay, plus benefits such as retirement, healthcare, Medicare, Social Security, etc.

Salaries and Benefits costs are $100,661 higher than in the prior year, reflecting budget adjustments to address changes in enrollment and other factors.

Books & Supplies: This category includes textbooks, computers, supplies, and other instructional and non-instructional materials and equipment.

Books & Supplies costs are projected at ($66,962) lower than in the prior year.

Services & Operating Expenses: These include all contracted services as well as travel, insurance, rent, legal costs, and other service-related expenses.

Services & Operating costs are projected to be ($209,632) lower than in the prior year, due primarily to ending the one-time Prop 39 Energy Projects.

Depreciation, Capital Outlay, and Other Outgo: This category includes depreciation on fixed assets and interest on long-term debt.

These costs are projected at $70,516 higher than in the prior year, reflecting updated depreciation and capital outlay projections.

MSA-3   Executive Summary

SUMMARY OF RESULTS

This latest 2019-20 July Budget update projects a budget surplus of $66,465.

This will allow MSA-3 to end this fiscal year with a balance of $810,430, which is 13.5% of annual expenditures.

CASH FLOW

Operating cash flow is projected to remain positive throughout this fiscal year, as shown in the attached monthly cash flow schedule.

The lowest projected ending cash balance this fiscal year is $378,061, which represents 23 days of operating costs on average.

This cash flow takes into account all intercompany loans made to date, but does not assume additional loans until approved by the Board.

REVENUE CHANGES FROM PRIOR YEAR

LCFF Entitlement: These "Local Control Funding Formula" revenues are the primary funding source for the school.

LCFF Entitlement projected revenues are $61,960 higher than in the prior year, due to average daily attendance (ADA) decreasing by 9.

Federal Revenues: This consists of Title I-IV "Every Student Succeeds Act" (ESSA) funding, federal special education, and federal food programs.

Federal Revenues are projected at ($20,200) lower than in the prior year, due to updates to ESSA funding amounts.

Other State Revenues: These are the non-LCFF state revenues such as Lottery, Facility Grant, and one-time block grants.

Other State Revenues are projected at ($226,259) lower than in the prior year, primarily due to a changes in one-time funding levels.

Other Local Revenues: These are the non-LCFF state revenues such as Lottery, Facility Grant, and one-time block grants.

Other Local Revenues are projected at ($70,790) lower than in the prior year, reflecting updated projections of fundraising and other local revenue.

EXPENDITURE CHANGES FROM PRIOR YEAR

Salaries and Benefits: This includes all employee pay, plus benefits such as retirement, healthcare, Medicare, Social Security, etc.

Salaries and Benefits costs are $119,971 higher than in the prior year, reflecting budget adjustments to address changes in enrollment and other factors.

Books & Supplies: This category includes textbooks, computers, supplies, and other instructional and non-instructional materials and equipment.

Books & Supplies costs are projected at ($73,156) lower than in the prior year.

Services & Operating Expenses: These include all contracted services as well as travel, insurance, rent, legal costs, and other service-related expenses.

Services & Operating costs are projected to be ($672,195) lower than in the prior year, due primarily to ending the one-time Prop 39 Energy Projects.

Depreciation, Capital Outlay, and Other Outgo: This category includes depreciation on fixed assets and interest on long-term debt.

These costs are projected at ($16,128) lower than in the prior year, reflecting stable depreciation and capital outlay projections.

MSA-4   Executive Summary

SUMMARY OF RESULTS

This latest 2019-20 July Budget update projects a budget surplus of $23,989.

This will allow MSA-4 to end this fiscal year with a balance of $906,984, which is 41.6% of annual expenditures.

CASH FLOW

Operating cash flow is projected to remain positive throughout this fiscal year, as shown in the attached monthly cash flow schedule.

The lowest projected ending cash balance this fiscal year is $702,080, which represents 117 days of operating costs on average.

This cash flow takes into account all intercompany loans made to date, but does not assume additional loans until approved by the Board.

REVENUE CHANGES FROM PRIOR YEAR

LCFF Entitlement: These "Local Control Funding Formula" revenues are the primary funding source for the school.

LCFF Entitlement projected revenues are $7,961 higher than in the prior year, due to average daily attendance (ADA) decreasing by 7.

Federal Revenues: This consists of Title I-IV "Every Student Succeeds Act" (ESSA) funding, federal special education, and federal food programs.

Federal Revenues are projected at ($22,446) lower than in the prior year, due to updates to ESSA funding amounts.

Other State Revenues: These are the non-LCFF state revenues such as Lottery, Facility Grant, and one-time block grants.

Other State Revenues are projected at ($45,825) lower than in the prior year, primarily due to a changes in one-time funding levels.

Other Local Revenues: These are the non-LCFF state revenues such as Lottery, Facility Grant, and one-time block grants.

Other Local Revenues are projected at $43,078 higher than in the prior year, reflecting updated projections of fundraising and other local revenue.

EXPENDITURE CHANGES FROM PRIOR YEAR

Salaries and Benefits: This includes all employee pay, plus benefits such as retirement, healthcare, Medicare, Social Security, etc.

Salaries and Benefits costs are ($170,798) lower than in the prior year, reflecting budget adjustments to address changes in enrollment and other factors.

Books & Supplies: This category includes textbooks, computers, supplies, and other instructional and non-instructional materials and equipment.

Books & Supplies costs are projected at ($48,685) lower than in the prior year.

Services & Operating Expenses: These include all contracted services as well as travel, insurance, rent, legal costs, and other service-related expenses.

Services & Operating costs are projected to be ($409,258) lower than in the prior year, due primarily to ending the one-time Prop 39 Energy Projects.

Depreciation, Capital Outlay, and Other Outgo: This category includes depreciation on fixed assets and interest on long-term debt.

These costs are projected at $0 lower than in the prior year, reflecting stable depreciation and capital outlay projections.

MSA-5   Executive Summary

SUMMARY OF RESULTS

This latest 2019-20 July Budget update projects a budget surplus of $106,573.

This will allow MSA-5 to end this fiscal year with a balance of $1,929,871, which is 63.7% of annual expenditures.

CASH FLOW

Operating cash flow is projected to remain positive throughout this fiscal year, as shown in the attached monthly cash flow schedule.

The lowest projected ending cash balance this fiscal year is $1,539,587, which represents 186 days of operating costs on average.

This cash flow takes into account all intercompany loans made to date, but does not assume additional loans until approved by the Board.

REVENUE CHANGES FROM PRIOR YEAR

LCFF Entitlement: These "Local Control Funding Formula" revenues are the primary funding source for the school.

LCFF Entitlement projected revenues are $150,286 higher than in the prior year, due to average daily attendance (ADA) decreasing by 0.

Federal Revenues: This consists of Title I-IV "Every Student Succeeds Act" (ESSA) funding, federal special education, and federal food programs.

Federal Revenues are projected at ($13,305) lower than in the prior year, due to updates to ESSA funding amounts.

Other State Revenues: These are the non-LCFF state revenues such as Lottery, Facility Grant, and one-time block grants.

Other State Revenues are projected at ($79,918) lower than in the prior year, primarily due to a changes in one-time funding levels.

Other Local Revenues: These are the non-LCFF state revenues such as Lottery, Facility Grant, and one-time block grants.

Other Local Revenues are projected at $67,667 higher than in the prior year, reflecting updated projections of fundraising and other local revenue.

EXPENDITURE CHANGES FROM PRIOR YEAR

Salaries and Benefits: This includes all employee pay, plus benefits such as retirement, healthcare, Medicare, Social Security, etc.

Salaries and Benefits costs are $220,889 higher than in the prior year, reflecting budget adjustments to address changes in enrollment and other factors.

Books & Supplies: This category includes textbooks, computers, supplies, and other instructional and non-instructional materials and equipment.

Books & Supplies costs are projected at ($23,814) lower than in the prior year.

Services & Operating Expenses: These include all contracted services as well as travel, insurance, rent, legal costs, and other service-related expenses.

Services & Operating costs are projected to be ($230,951) lower than in the prior year, due primarily to ending the one-time Prop 39 Energy Projects.

Depreciation, Capital Outlay, and Other Outgo: This category includes depreciation on fixed assets and interest on long-term debt.

These costs are projected at ($20,000) lower than in the prior year, reflecting stable depreciation and capital outlay projections.

MSA-6   Executive Summary

SUMMARY OF RESULTS

This latest 2019-20 July Budget update projects a budget surplus of $47,947.

This will allow MSA-6 to end this fiscal year with a balance of $1,668,106, which is 85.5% of annual expenditures.

CASH FLOW

Operating cash flow is projected to remain positive throughout this fiscal year, as shown in the attached monthly cash flow schedule.

The lowest projected ending cash balance this fiscal year is $1,480,878, which represents 277 days of operating costs on average.

This cash flow takes into account all intercompany loans made to date, but does not assume additional loans until approved by the Board.

REVENUE CHANGES FROM PRIOR YEAR

LCFF Entitlement: These "Local Control Funding Formula" revenues are the primary funding source for the school.

LCFF Entitlement projected revenues are $120,026 higher than in the prior year, due to average daily attendance (ADA) increasing by 8.

Federal Revenues: This consists of Title I-IV "Every Student Succeeds Act" (ESSA) funding, federal special education, and federal food programs.

Federal Revenues are projected at ($21,351) lower than in the prior year, due to updates to ESSA funding amounts.

Other State Revenues: These are the non-LCFF state revenues such as Lottery, Facility Grant, and one-time block grants.

Other State Revenues are projected at ($107,307) lower than in the prior year, primarily due to a changes in one-time funding levels.

Other Local Revenues: These are the non-LCFF state revenues such as Lottery, Facility Grant, and one-time block grants.

Other Local Revenues are projected at $70,477 higher than in the prior year, reflecting updated projections of fundraising and other local revenue.

EXPENDITURE CHANGES FROM PRIOR YEAR

Salaries and Benefits: This includes all employee pay, plus benefits such as retirement, healthcare, Medicare, Social Security, etc.

Salaries and Benefits costs are $108,335 higher than in the prior year, reflecting budget adjustments to address changes in enrollment and other factors.

Books & Supplies: This category includes textbooks, computers, supplies, and other instructional and non-instructional materials and equipment.

Books & Supplies costs are projected at ($5,930) lower than in the prior year.

Services & Operating Expenses: These include all contracted services as well as travel, insurance, rent, legal costs, and other service-related expenses.

Services & Operating costs are projected to be ($67,248) lower than in the prior year, due primarily to ending the one-time Prop 39 Energy Projects.

Depreciation, Capital Outlay, and Other Outgo: This category includes depreciation on fixed assets and interest on long-term debt.

These costs are projected at ($4,998) lower than in the prior year, reflecting updated depreciation and capital outlay projections.

MSA-7   Executive Summary

SUMMARY OF RESULTS

This latest 2019-20 July Budget update projects a budget surplus of $80,339.

This will allow MSA-7 to end this fiscal year with a balance of $1,300,772, which is 35.5% of annual expenditures.

CASH FLOW

Operating cash flow is projected to remain positive throughout this fiscal year, as shown in the attached monthly cash flow schedule.

The lowest projected ending cash balance this fiscal year is $766,502, which represents 76 days of operating costs on average.

This cash flow takes into account all intercompany loans made to date, but does not assume additional loans until approved by the Board.

REVENUE CHANGES FROM PRIOR YEAR

LCFF Entitlement: These "Local Control Funding Formula" revenues are the primary funding source for the school.

LCFF Entitlement projected revenues are $156,591 higher than in the prior year, due to average daily attendance (ADA) increasing by 2.

Federal Revenues: This consists of Title I-IV "Every Student Succeeds Act" (ESSA) funding, federal special education, and federal food programs.

Federal Revenues are projected at ($281,507) lower than in the prior year, due to updates to ESSA funding amounts.

Other State Revenues: These are the non-LCFF state revenues such as Lottery, Facility Grant, and one-time block grants.

Other State Revenues are projected at ($134,480) lower than in the prior year, primarily due to a changes in one-time funding levels.

Other Local Revenues: These are the non-LCFF state revenues such as Lottery, Facility Grant, and one-time block grants.

Other Local Revenues are projected at ($8,005) lower than in the prior year, reflecting updated projections of fundraising and other local revenue.

EXPENDITURE CHANGES FROM PRIOR YEAR

Salaries and Benefits: This includes all employee pay, plus benefits such as retirement, healthcare, Medicare, Social Security, etc.

Salaries and Benefits costs are $107,902 higher than in the prior year, reflecting budget adjustments to address changes in enrollment and other factors.

Books & Supplies: This category includes textbooks, computers, supplies, and other instructional and non-instructional materials and equipment.

Books & Supplies costs are projected at ($67,262) lower than in the prior year.

Services & Operating Expenses: These include all contracted services as well as travel, insurance, rent, legal costs, and other service-related expenses.

Services & Operating costs are projected to be ($303,141) lower than in the prior year, due primarily to ending the one-time Prop 39 Energy Projects.

Depreciation, Capital Outlay, and Other Outgo: This category includes depreciation on fixed assets and interest on long-term debt.

These costs are projected at ($363,002) lower than in the prior year, reflecting $350k in capital improvements.

MSA-8   Executive Summary

SUMMARY OF RESULTS

This latest 2019-20 July Budget update projects a budget surplus of $58,704.

This will allow MSA-8 to end this fiscal year with a balance of $4,312,823, which is 74.5% of annual expenditures.

CASH FLOW

Operating cash flow is projected to remain positive throughout this fiscal year, as shown in the attached monthly cash flow schedule.

The lowest projected ending cash balance this fiscal year is $1,884,889, which represents 119 days of operating costs on average.

This cash flow takes into account all intercompany loans made to date, but does not assume additional loans until approved by the Board.

REVENUE CHANGES FROM PRIOR YEAR

LCFF Entitlement: These "Local Control Funding Formula" revenues are the primary funding source for the school.

LCFF Entitlement projected revenues are $309,639 higher than in the prior year, due to average daily attendance (ADA) increasing by 16.

Federal Revenues: This consists of Title I-IV "Every Student Succeeds Act" (ESSA) funding, federal special education, and federal food programs.

Federal Revenues are projected at ($1,402) lower than in the prior year, due to updates to ESSA funding amounts.

Other State Revenues: These are the non-LCFF state revenues such as Lottery, Facility Grant, and one-time block grants.

Other State Revenues are projected at ($138,862) lower than in the prior year, primarily due to a changes in one-time funding levels.

Other Local Revenues: These are the non-LCFF state revenues such as Lottery, Facility Grant, and one-time block grants.

Other Local Revenues are projected at ($37,527) lower than in the prior year, reflecting updated projections of fundraising and other local revenue.

EXPENDITURE CHANGES FROM PRIOR YEAR

Salaries and Benefits: This includes all employee pay, plus benefits such as retirement, healthcare, Medicare, Social Security, etc.

Salaries and Benefits costs are $621,224 higher than in the prior year, reflecting budget adjustments to address changes in enrollment and other factors.

Books & Supplies: This category includes textbooks, computers, supplies, and other instructional and non-instructional materials and equipment.

Books & Supplies costs are projected at ($58,927) lower than in the prior year.

Services & Operating Expenses: These include all contracted services as well as travel, insurance, rent, legal costs, and other service-related expenses.

Services & Operating costs are projected to be ($273,934) lower than in the prior year, due primarily to ending the one-time Prop 39 Energy Projects.

Depreciation, Capital Outlay, and Other Outgo: This category includes depreciation on fixed assets and interest on long-term debt.

These costs are projected at ($44,817) lower than in the prior year, reflecting updated depreciation and capital outlay projections.

MSA-SA   Executive Summary

SUMMARY OF RESULTS

This latest 2019-20 July Budget update projects a budget surplus of $190,312.

This will allow MSA-SA to end this fiscal year with a balance of $7,713,821, which is 90.8% of annual expenditures.

CASH FLOW

Operating cash flow is projected to remain positive throughout this fiscal year, as shown in the attached monthly cash flow schedule.

The lowest projected ending cash balance this fiscal year is ($1,936,955), which represents -83 days of operating costs on average.

This cash flow takes into account all intercompany loans made to date, but does not assume additional loans until approved by the Board.

REVENUE CHANGES FROM PRIOR YEAR

LCFF Entitlement: These "Local Control Funding Formula" revenues are the primary funding source for the school.

LCFF Entitlement projected revenues are $392,354 higher than in the prior year, due to average daily attendance (ADA) increasing by 5.

Federal Revenues: This consists of Title I-IV "Every Student Succeeds Act" (ESSA) funding, federal special education, and federal food programs.

Federal Revenues are projected at ($4,177) lower than in the prior year, due to updates to ESSA funding amounts.

Other State Revenues: These are the non-LCFF state revenues such as Lottery, Facility Grant, and one-time block grants.

Other State Revenues are projected at ($332,306) lower than in the prior year, primarily due to a changes in one-time funding levels.

Other Local Revenues: These are the non-LCFF state revenues such as Lottery, Facility Grant, and one-time block grants.

Other Local Revenues are projected at $32,366 higher than in the prior year, reflecting updated projections of fundraising and other local revenue.

EXPENDITURE CHANGES FROM PRIOR YEAR

Salaries and Benefits: This includes all employee pay, plus benefits such as retirement, healthcare, Medicare, Social Security, etc.

Salaries and Benefits costs are ($454,849) lower than in the prior year, reflecting budget adjustments to address changes in enrollment and other factors.

Books & Supplies: This category includes textbooks, computers, supplies, and other instructional and non-instructional materials and equipment.

Books & Supplies costs are projected at $7,340 higher than in the prior year.

Services & Operating Expenses: These include all contracted services as well as travel, insurance, rent, legal costs, and other service-related expenses.

Services & Operating costs are projected to be $427,273 higher than in the prior year, due primarily to ending the one-time Prop 39 Energy Projects.

Depreciation, Capital Outlay, and Other Outgo: This category includes depreciation on fixed assets and interest on long-term debt.

These costs are projected at ($60,627) lower than in the prior year, reflecting updated depreciation and capital outlay projections.

MSA-SD Executive Summary

SUMMARY OF RESULTS

This latest 2019-20 July Budget update projects a budget surplus of $43,906.

This will allow MSA-SD to end this fiscal year with a balance of $352,926, which is 8.1% of annual expenditures.

CASH FLOW

Operating cash flow is projected to remain positive throughout this fiscal year, as shown in the attached monthly cash flow schedule.

The lowest projected ending cash balance this fiscal year is ($508,304), which represents -43 days of operating costs on average.

This cash flow takes into account all intercompany loans made to date, but does not assume additional loans until approved by the Board.

REVENUE CHANGES FROM PRIOR YEAR

LCFF Entitlement: These "Local Control Funding Formula" revenues are the primary funding source for the school.

LCFF Entitlement projected revenues are $588,403 higher than in the prior year, due to average daily attendance (ADA) increasing by 57.

Federal Revenues: This consists of Title I-IV "Every Student Succeeds Act" (ESSA) funding, federal special education, and federal food programs.

Federal Revenues are projected at ($1,291) lower than in the prior year, due to updates to ESSA funding amounts.

Other State Revenues: These are the non-LCFF state revenues such as Lottery, Facility Grant, and one-time block grants.

Other State Revenues are projected at ($214,334) lower than in the prior year, primarily due to a changes in one-time funding levels.

Other Local Revenues: These are the non-LCFF state revenues such as Lottery, Facility Grant, and one-time block grants.

Other Local Revenues are projected at ($47,281) lower than in the prior year, reflecting updated projections of fundraising and other local revenue.

EXPENDITURE CHANGES FROM PRIOR YEAR

Salaries and Benefits: This includes all employee pay, plus benefits such as retirement, healthcare, Medicare, Social Security, etc.

Salaries and Benefits costs are ($108,391) lower than in the prior year, reflecting budget adjustments to address changes in enrollment and other factors.

Books & Supplies: This category includes textbooks, computers, supplies, and other instructional and non-instructional materials and equipment.

Books & Supplies costs are projected at ($37,811) lower than in the prior year.

Services & Operating Expenses: These include all contracted services as well as travel, insurance, rent, legal costs, and other service-related expenses.

Services & Operating costs are projected to be ($379,401) lower than in the prior year, due primarily to ending the one-time Prop 39 Energy Projects.

Depreciation, Capital Outlay, and Other Outgo: This category includes depreciation on fixed assets and interest on long-term debt.

These costs are projected at ($36,871) lower than in the prior year, reflecting stable depreciation and capital outlay projections.

MERF   Executive Summary

SUMMARY OF RESULTS

This latest 2019-20 July Budget update projects a budget surplus of $60,271.

This will allow MERF to end this fiscal year with a balance of $429,848, which is 7.2% of annual expenditures.

CASH FLOW

Operating cash flow is projected to remain positive throughout this fiscal year, as shown in the attached monthly cash flow schedule.

The lowest projected ending cash balance this fiscal year is $172,210, which represents 11 days of operating costs on average.

This cash flow takes into account all intercompany loans made to date, but does not assume additional loans until approved by the Board.

REVENUE CHANGES FROM PRIOR YEAR

Other Local Revenues: This category includes all MERF revenues from the sites, as well as other schoolwide revenue sources.

LCFF Entitlement projected revenues are $0 lower than in the prior year, due to average daily attendance (ADA) decreasing by 0.

SIGNIFICANT CHANGES IN EXPENSES

Salaries and Benefits: This includes all employee pay, plus benefits such as retirement, healthcare, Medicare, Social Security, etc.

Salaries and Benefits costs are $589,095 higher than in the prior year, reflecting budget adjustments to address changes in enrollment and other factors.

Books & Supplies: This category includes textbooks, computers, supplies, and other instructional and non-instructional materials and equipment.

Books & Supplies costs are projected at ($11,335) lower than in the prior year, due to targeted budget adjustments (see detail).

Services & Operating Expenses: These include all contracted services as well as travel, insurance, rent, legal costs, and other service-related expenses.

Services & Operating costs are projected to be ($534,016) lower than in the prior year, due to targeted budget adjustments (see detail).

Depreciation, Capital Outlay, and Other Outgo: This category includes depreciation on fixed assets, interest, and SELPA encroachment.

These costs are projected at ($11,515) lower than in the prior year, reflecting updated depreciation and encroachment projections.

RE:	Human Capital Management Systems (HCMS) RFP winning bid

Proposed Board Motion

I move the board that Paycom be approved to be the Human Capital Management System (HCMS) of MPS for up to 5 fiscal years, unless contract is terminated, starting from July 1st 2019.

Introduction

Magnolia Public Schools (MPS) home office assessed the Human Capital Management System (HCMS) currently implemented organizationally and the requisition process completed during the 2015-2016 school year (Appendix 1). As a result of our assessment and to be compliant with audit requirements we decided to run a new Request for Proposals (RFP) for services beginning July 1, 2019 and ending June 30, 2022 (unless the Board considers to end the term).

Background

MPS Home Office posted an RFP on March 25th 2019 on MPS website for calling vendors to respond through the link provided under RFP page of MPS. At the end of the RFP period 6 companies responded to the RFP:

1. Paycom (Our current HCMS vendor)
2. Ceridian
3. Paylocity
4. ADP
5. Ultipro (Ultimate)
6. OnePoint

MPS Home Office HR department is so glad to receive this many vendors to apply to this RFP. Therefore, we extended some timelines for the items in the RFP. The revised 1 on 1 presentation timeline to ended on May 17. Each meeting was set for at least 2 hours, some lasted for 4+ hours, Presenters went deeply into the database structure of their platforms as well as implementation of all the modules pertaining to Human Resources and Payroll. The Evaluation Committee came together twice to go over the responses on May 28, 2019 and May 29, 2019. The team consisted the COO, Director of HR and HR Administrator. We went over the submitted responses as well as the 1-pager expected cost estimations for MPS to use the vendors' platforms for 1 full fiscal year. We also asked the vendors about their pricing for a possible transitioning from a previous HCMS vendor to their platform.

250 E. 1st Street Suite 1500, Los Angeles, CA 90012 | www.magnoliapublicschools.org

<u>Analysis (If applicable)</u>

1- **1-on-1 Presentations:** Based on the 1-1 presentations, Q&A sessions and the RFP documents the evaluation committee concludes that
   a. The services provided by the companies are almost identical, however the database modelling and the interface visuals of their platforms are slightly different for each vendor.
   b. Each vendor uses different terms for certain tasks, but in the end each platform fulfills the requirements.
   c. It is important to note here that we tried to compare each platform with the platform we are using for the past 4 years. The team members discussed these features' convenience as well as how easy/difficult would the transition be in case of a switch from current platform to another.
   d. User interface comparison analysis: Please see chart 1 below.

2- **Comparison of the bids with respect to online ratings & 1-1 Presentation notes**

The evaluation committee used www.softwareadvice.com website to see the user reviews and ratings along with the notes we took (for Pros and cons) during the 1-1 presentations. The "RATING" column used the online reviews and ratings of the users of this website on 05.29.2019 to evaluate the services and the platform of these vendors. The Evaluation Committee considered these reviews as a more viable option to see where each vendor stands with respect to quality of service and the strength of their platforms.

Each rating is out of 5 and each rating cell has the number of users who reviewed the services of these vendors. As seen in the chart 1 a minimum of 213 users reviewed each vendor up to 3,023 reviews. The committee agreed that these reviewer counts serve as strong sample counts for an effective analysis of quality of services of these vendors.

The following three vendors have the highest user/customer ratings:

Paycom: 4.32 out of 5 per 356 reviews
ADP: 4.30 out of 5 per 3,023 reviews
Ceridian: 4.29 out of 5 per 458 reviews

CHART-1			
RATING (out of 5)	**COMPANY**	**PROS**	**CONS**
4.30 Out of 3,023 reviews	ADP	- In CA support - Compare date with nearby schools - Leave management system - Single sign on - Payroll for different groups - Talent Community - Payroll section - Up to 7 years storage data (historical) - Payroll does Retroactive pay calculation	- User interface not friendly - HR sections look confusing, too complex
4.03 Out of 213 reviews	PAYLOCITY	- Retention %97 - Aligned with other career websites - User interface - Easy to follow - Docs transferred to employee files - Different payroll batches at no additional cost - Real time accruals on the pay stubs	- No job templates - No scheduling - No representative in CA - No 22 pay period in system - Reporting
4.29 Out of 458 reviews	CERIDIAN	- Fountain Valley office - Reports and graphics - Scheduling - Reporting	- Recruitment module unable

4.04 Out of 771 reviews	ULTIMATE	- 97% customer retention - Live streaming - Payroll flexibility and easiness - One username login - Analytics Reporting - Menus customizable - Onboarding process - Program developer onsite	- No onsite support or training - Employee training
4.11 Out of 484	ONEPOINT (KRONOS)	- User interface - Software flexibility - Program developer onsite - One username - Leave Management	- Reporting interface - OnePoint is a subcontractor of Kronos, a much larger corporation. This, in a way, seems to be a pro, however, OnePoint will always be under the influence of the external corporate decisions, which, we felt, would be a risk for MPS.
4.32 Out of 356 reviews	PAYCOM	- User interface - Onboarding - Paycom Learning University - Customer Service - Local representative	- No single sign-on - Scheduling extra cost - Payroll grouping extra cost - No real time time off - No document transfer from recruitment

3- Comparison of the bids with respect to pricing

	CHART 2: Annual Estimates		
	Vendor	The bid annual total	Transitioning Cost
1	**Paycom** (Appendix 2)	**$129,183.36**	**None**
2	ADP (Appendix 3)	$78,751.00	$6,350.00
3	Ceridian (Appendix 4)	$166,042.80	$54,568.75
4	OnePoint (Appendix 5)	$83,117.00	$18,095.00
5	Paylocity (Appendix 6)	$116,628.00	$17,648.13
6	Ultimate (Appendix 7)	$143,220.00	$66,220.00

- The price comparison chart above is prepared with respect to the bids (annual cost estimates) provided by the vendors through email follow ups. The evaluation committee considered the bids for main HR functions. Any dollar amount for additional services are excluded from the bid amounts in the chart. Please see Appendixes 2-3-4-5-6-7.
- We spent some more time on the Paycom annual estimate, as our current vendor. Please see Appendix 2. It has both the 2020 estimate that they sent as well as a Year-to-Date (YTD) expense report for the time frame between January 1, 2019 and May 15, 2019. We wanted to make sure the 2020 estimates that is sent is in accordance with the actual YTD reports. Based on this analysis, the YTD total for year 2019 is $61,598.78. The projected 2019 annual estimate would be approximately twice this amount, around $125,000. Therefore, the evaluation committee concluded that the 2020 estimate of Paycom (i.e. $129,183.36) is reasonable.
- The possible transitioning (1-time) costs of the vendors other than the current vendor we currently use are also added to the last column in the chart 2.
- Please see the transitioning expenses of Ceridian and Ultimate to be the highest similar to their bids. ADP's transitioning bid is more reasonable than OnePoint's bid by approximately $11,000. Paycom has no transitioning cost as they are the current platform that MPS uses.
- Based on the dollar amounts on the Chart 2, the only bids comparable to the dollar amount we would pay to the current vendor is <u>Paylocity</u>**,** <u>ADP & OnePoint</u> bids
- The evaluation team concluded that
  - o the user interface of ADP is too complex and the transitioning would be very labor intensive.
  - o Also the difference between the bids of
    - ▪ OnePoint and Paycom is $46,066.36 less the transitioning costs ($18,095) yields the difference amount as $27,971.36 in favor of OnePoint. (OnePoint annual pricing includes year end fees as well)
    - ▪ Paylocity and Paycom is $12,555.36 less the transitioning cost ($17,648.13) is $5,092.77 in favor of Paycom.

4- Decision

The evaluation committee used a comparative analysis between the current vendor (Paycom) and each vendor with respect to the bid dollar amounts and the review ratings.

Considering

- o Paycom has the highest review rating amongst the user reviews (4.32). The other high rated vendors in reviews are ADP (4.30) and Ceridian (4.29) [see chart 1]
- o lowest bids against Paycom are OnePoint and Paylocity. The differences between the bid dollar amounts of current vendor and other vendors are not that significant (i.e. OnePoint vs Paycom and Paylocity vs Paycom) [see the section 3 for comparisons]
- o the previous transitioning took around 2 years to make the staff, the administrators and the infrastructure ready with all related purchases, set up and training, and the HR team is currently only 2 persons serving 10 sites and home office for close to 400 staff members

the evaluation committee decided to call our Board for action to continue with Paycom, the current vendor, for up to 5 fiscal years starting from July 1st, 2019.

Budget Implications

- Amounts/ Funding Source: Paycom expenses are currently budgeted under each school's and MERF's budget for 2019-20. See below chart 3 showing budgeted amounts for each site in the budgets submitted to the Board for approval during June 13, 2019 MPS Regular Board Meeting. The total budgeted dollar amount, per chart 3, is $190,640. The Paycom annual estimate for MPS is $129,183.36. Therefore, there is enough funds budgeted for this procurement.

CHART 3	
Site	**Budgeted Dollar amounts for 2019-20**
MSA 1	$25,000
MSA 2	$17,000
MSA 3	$25,714
MSA 4	$10,044
MSA 5	$10,038
MSA 6	$10,844
MSA 7	$15,000
MSA 8	$17,000
MSA Santa Ana	$30,000
MSA San Diego	$10,000
MERF	20,000
TOTAL	**$190,640**

- Budget implication was reviewed and approved by the
  MPS CFO on June 4, 2019.

Board Of Directors

Board Agenda Item #	III D
Date:	November 12, 2015
To:	Board of Directors
From:	Terri Boatman, Director of Human Resources
Staff Lead:	Oswaldo Diaz, Chief Financial Officer
RE:	Approval of the Paycom Contract

Proposed Board Recommendation

I move that the Board to approve the purchase and use of the Paycom system as an HRIS/Time Reporting System.

Background

Although Coolsis has been modified to store employee information, it does not function as a proper HRIS/Time Reporting System that provides access to accurate information, ease in storing employee data, verifiable and accurate time cards or employee indicative data such as start dates and ending dates of employee, pay changes, or transfers.

In addition we are out of compliance with the following requirements per CA and federal law:

- According to State of CA, every employer shall keep accurate information with respect to each employee including the following:

(1) Full name, home address, occupation and social security number.

(2) Birth date, if under 18 years, and designation as a minor.

(3) Time records showing when the employee begins and ends each work period. Meal periods, split shift intervals and total daily hours worked shall also be recorded. Meal periods during which operations cease and authorized rest periods need not be recorded.

(4) Total wages paid each payroll period, including value of board, lodging, or other compensation actually furnished to the employee.

(5) Total hours worked in the payroll period and applicable rates of pay. This information shall be made readily available to the employee upon reasonable request.

(6) When a piece rate or incentive plan is in operation, piece rates or an explanation of the incentive plan formula shall be provided to employees. An accurate production record shall be maintained by the employer.

MAGNOLIA PUBLIC SCHOOLS

13950 Milton Ave. 200B Westminster, CA 92683
P: (714) 892-5066 F: (714) 362-9588

(B) Every employer shall semimonthly or at the time of each payment of wages furnish each employee, either as a detachable part of the check, draft, or voucher paying the employee's wages, or separately, an itemized statement in writing showing: (1) all deductions; (2) the inclusive dates of the period for which the employee is paid; (3) the name of the employee or the employee's social security number; and (4) the name of the employer, provided all deductions made on written orders of the employee may be aggregated and shown as one item.

(C) All required records shall be in the English language and in ink or other indelible form, properly dated, showing month, day and year, and shall be kept on file by the employer for at least three years at the place of employment or at a central location within the State of California. An employee's records shall be available for inspection by the employee upon reasonable request.

(D) Clocks shall be provided in all major work areas or within reasonable distance thereto insofar as practicable.

- **Meal and Rest Periods**

  Our current system does not allow for us to track if hourly employees are taking their required meal periods as required by the CA State Law before the end of the 5th hours. We have no system to pay meal time penalties if this did not occur.

- **Time keeping Policy for CA**:

  We are to provide a system which employees can verify the hours worked. (See attached)

- **Paid Time Off**

  We don't have a system to track accurate PTO usage and accruals.

- **Recruiting**

  No formal system in place to tracking our recruiting efforts. Candidates interviewed and the disposition.

  No application method

- **I-9 and Immigration**

  Current processes allows for errors in the creation of I9's.

  No formal system to purge documents as required by law

  No system to track expiration dates of work authorizations

MAGNOLIA PUBLIC SCHOOLS

13950 Milton Ave. 200B Westminster, CA 92683
P: (714) 892-5066 F: (714) 362-9588

- **Other Compliance Errors**

No easy, accurate method to track expired credentials or TB Tests
No way to ensure a start date occurs after the receipt of fingerprints.

A RFP was placed asking companies to provide quotes and summary of services. Three proposals were returned:

Paycom
PeopleStrategy
Helios

We also examined other systems including Zenefits, and ADP.

We have selected Paycom as it has the full functionality that we need to manage all aspects of the employee cycle from talent acquisitions, onboarding, employee portals, compliance, and time and attendance. Paycom will provide geo-coded/IP specific timeclock capabilities so that we can monitor and track employee time and attendance as well as usage of paid time off.

We feel that Paycom is the best mid-size enterprise system which will support the organization as we grow, ensure compliance and maintain employee records.

Budget Implications

The financial cost of selecting Paycom versus our current payroll company is $42,000 this year, but drops in future years after the implementation upfront costs of $22,500. This is an average annual increase in payroll cost of less than $3,500 and allows us to become completely compliant with all requirements. EdTec will continue to process our payroll checks with no contract change required. Our contract with EdTec did not include HRIS.

Board Agenda Item #	III D - Action Item
Date:	06.13.2019
To:	MPS Board of Directors,
From:	Alfredo Rubalcava, CEO
Staff Lead:	Suat Acar, COO
RE:	Home Office Compensation, Salary Bands & Job Titles Revision

Proposed Board Motion

I move that the board approve the revised salary band for Home Office Positions.

Background

Salary range (or salary bands) is the range of pay that has been established to pay the employees performing a particular job or function. Salary range generally has a minimum pay rate, a maximum pay rate, and a series of mid-range opportunities for pay increases. Pay rates and salary ranges are also set up by employers and recognize the level of education, knowledge, skill, and experience needed to perform each job. The salary range demonstrates the interrelationships of the jobs utilized by an employer. The salary range arranges pay increases without promotion at each level.

The salary bands approved by the MPS Board 09.10.2015 was determined by market pay rates, established through market pay studies, for people doing similar work in similar industries in Los Angeles, CA (Please see appendix 5 for 2015 MPS Board approved Band). During the past 4 years this band has been used as basis for defining the ranges we could offer to specific positions, however this band is now mostly outdated. Here are the outdated portions of the current band:

1- The current 2019 home office org chart does not have certain C- Level positions and departments (such as development department) which were planned as part of growth plans back then.
2- Also home office departments now need now positions based on the emerging needs of school sites and the CMO (such as Math Coach and Assistant Director of Student Services positions which were approved within the past 2-3 years).
3- Also we now have an Accountability department which was built based on needs and was not existing in the previous band.
4- Some positions are now too close to their max levels. Therefore, the band will not be covering possible increases to the salaries of these employees.

Analysis (If applicable)

1- This proposed salary band does not intend to change the method used in the previous band (See appendix 5). Therefore, we used the same broadband method (please see appendix 1 for advantages and disadvantages of "broadbanding") methodology, which defines a wide range with a minimum,

maximum and an average.

2- The minimum (MIN in the chart 2) salaries are defined with respect to the federal minimum wage descriptions ($7.25 effective as of July 24, 2009, Appendix 3) as well as the market rates (which were also used to define the existing salaries of current employees with the previous board approved salary band) & current 2018-19 salaries of the home office employees along with school leader salaries. (Please refer to the Appendix 2 for the board report prepared by the home office for 06.28.2016 board meeting to go over Charter Schools Benchmark Metrics)

3- This proposed salary band focuses on 6 main position types as in chart 1. This is the major change we propose to make in the salary bands: The proposed band will not limit the bands to the job titles but to the position types. The Home Office will be more flexible to adapt new job titles depending on emerging needs and be able to make an offer without conflicting with the salary band. Please see sample job titles in chart 1.

4- There are 6 position types (band groups) proposed in this salary band (chart 1), 5 range limits and 4 salary bands for each position type (chart 2 and chart 3).

CHART 1		
Position types (Band Groups) (2019+)	**Band group**	**Job title samples (Home Office can change/add titles as needed)**
CEO	A	CEO, Superintendent
C-Level, Executive Positions	B	COO, CFO, CAO (All Chief titles & Legal Counsel)
Director/Controller Level Positions, Senior Level Positions	C	Director, Controller, Data Manager (Assessment, Academics etc.), Senior Assistant Directors, Senior Financial Analyst
Administrators, Analysts, managers, coordinators, Assistant Directors	D	HR Administrator, HR Specialist, HR Manager, Finance Managers, Coordinator (HR, EL, Math etc.), Assistant Director (Student services, HR etc.), Coaches (Math, Science etc.), Financial Analyst
Clerks/ Assistants	E	Accounting Clerks, Accountant, Account Payable/Receivable, Compliance/payroll Manager, Administrative Assistant (HR-Academic-Accountability-Executive), Communications Outreach Clerks (Parental Engagement Staff, Event Coordinator, Renewal Manager)
Hourly/Office (Appendix 4)	F	Office Assistants, Assistants to departments

Each band group has 5 range limits (chart 2) and 4 bands (chart 3). The minimum limit for the range band number 1 (chart 1) is the minimum salary for that position group. The minimum limit for the next band is 13% more than minimum limit and each of the following band group minimum limits are calculated by the additional 13% increase rate on top of the previous band number. In summary the MAX limit is 52% more than the MIN limit. This helps home office to use this band for a longer time period. Please see this below analysis prepared to show what the salaries would look like in the next 9 years, starting with MIN salaries, with an estimated 5% increase every fiscal year. As seen the MAX limit is reached in 9 years for all bands.

	1	2	3	4	5	6	7	8	9
	1.05	1.05	1.05	1.05	1.05	1.05	1.05	1.05	1.05
135,000	141,750	148,838	156,279	164,093	172,298	180,913	189,959	199,456	209,429
90,000	94,500	99,225	104,186	109,396	114,865	120,609	126,639	132,971	139,620
65,000	68,250	71,663	75,246	79,008	82,958	87,106	91,462	96,035	100,836
50,000	52,500	55,125	57,881	60,775	63,814	67,005	70,355	73,873	77,566

CHART 2	25 Employees	Salary Band Range Limits				
% Change/band: 13%		MIN LIMIT		AVERAGE		MAX LIMIT
Positions Type (2019-20)	Band group & # of Employees	1	2	3	4	5
CEO	A (1)	MPS BOARD OF DIRECTORS' DISCRETION				
C-Level, Executive Positions	B (5)	$135,000.00	$152,550.00	$170,100.00	$187,650.00	$205,200.00
Director/Controller Level Positions, Senior Level Positions	C (7)	$90,000.00	$101,700.00	$113,400.00	$125,100.00	$136,800.00
Administrators, Analysts, managers, coordinators, Assistant Directors	D (6)	$65,000.00	$73,450.00	$81,900.00	$90,350.00	$98,800.00
Clerks/ Assistants	E (6)	$50,000.00	$56,500	$63,000.00	$69,500.00	$76,000.00
Hourly/Office	F (0)	$18.00	$20.34	$22.68	$25.02	$27.36

The bands in chart 3 below are structured with respect to the 5 limit dollar amounts explained in chart 2. The home office has 24 employees plus the CEO. The Chart 3 below provides the distribution of salaries (except the CEO) across the bands (numbers in parenthesis). As seen below 13 of the 24 home office employees currently are in the Band 1 groups, 5 are in Band 2 groups, 6 are in Band 3 groups and there is no Band 4 employee with respect to the 2018-19 employment agreements' annual gross dollar amounts.

CHART 3 Positions Type (2019-20)	24 Employees Band group & # of Employees	BAND GROUPS & CURRENT DISTRIBUTION OF SALARIES			
		1 (13)	2 (5)	3 (6)	4 (0)
C-Level, Executive Positions	B (5)	$135,000-$152,550 **(3)**	$152,550-$170,100 **(1)**	$170,100-$187,650 **(1)**	$187,650-$205,200 **(0)**
Director/Controller Level Positions, Senior Level Positions	C (7)	$90,000-$101,700 **(5)**	$101,700-$113,400 **(1)**	$113,400-$125,100 **(1)**	$125,100-$136,800 **(0)**
Administrators, Analysts, managers, coordinators, Assistant Directors	D (6)	$65,000-$73,450 **(2)**	$73,450-$81,900 **(2)**	$81,900-$90,350 **(2)**	$90,350-$98,800 **(0)**
Clerks/ Assistants	E (6)	$50,000-$56,500 **(3)**	$56,500-$63,000 **(1)**	$63,000-$69,500 **(2)**	$69,500-$76,000 **(0)**
Hourly/Office	F (0)	$18.00-$20.34	$20.34-$22.68	$22.68-$25.02	$25.02-$27.36

This proposed salary band does not propose any rubric to calculate the salary increases, or a way for promotions. The salary calculations, salary increases and promotions will be processed by a team consisting related supervisor(s), HR and the CEO.

Budget Implications

The proposed band does not propose a certain way to increase individual salaries of home office employees or decide at which band/range to start a newly hired employee. Therefore, there is no budget impact caused by this band.

Reviewed and approved by Chief Financial Officer.

The Advantages and Disadvantages of Broadbanding

Broadbanding is the term applied to having extremely wide salary bands, much more encompassing than
with traditional salary structures. Whereas a typical salary band has a 40 percent difference in pay
between its minimum and maximum, broadbanding would typically have a 100 percent difference. Most
of the time, creating enormously large bands is done as a measure to support a restructuring. It
combines and consolidates the number of levels or job grades. This article will discuss the advantages
of broadbanding in an overall compensation strategy, as well as the disadvantages.

THE ADVANTAGES OF BROADBANDING

STREAMLINES HIERARCHY

plan and philosophy?** Simplify
how you explain it to them.
Download
"4 Tips for Communicating Your

Sometimes an organization has become too hierarchical for the strategic direction of the company; finding it has become too slow to react, taking too much time to get information from the top down and even less effective at getting messages from the lower rungs up to the ears of senior management. Broadbanding reduces the number of levels or layers within a company. This is the best face-saving way for an organization to collapse salary ranges and supporting de-layering. This flattens an organizational structure and reduces the hierarchy.

FACILITATES INTERNAL MOVEMENT

Whether we like it or not, some great person-to-job matches just do not happen because of the way a job has been classified or positioned with an assigned salary band. If that new position is not a lateral or at a higher rung, most rational people will not seriously consider a transfer that results in a demotion. That is just not a positive step for their career development. With broadbanding, more internal movement is facilitated, because the probability increases that one's current job and alternate position are within the same enormous range of pay. This makes pay take a back seat and puts forward other attributes of a position, encouraging internal mobility and potentially more developmental assignments.

PUTS ADDED TRUST IN MANAGMENT

With broadbanding, managers have great latitude to pay what they want to an employee. This absolutely can reduce the push-pull between the hiring manager and the human resources organization. Now the issue of pay shifts to the control of the hiring manager and the challenge of "Does one have enough money in the current budget?" or not. The perception of HR as a regulating gate keeper to preserve the salary structure diminishes. Managers are entrusted with greater autonomy.

THE DISADVANTAGES OF BROADBANDING

NO AWARENESS OF EXTERNAL MARKET RATES

Traditional salary structures, when done right, give current information to your management team about what market rates are. With broadbanding, if a manager wants to pay at the market midpoint, they are left

baffled and guessing. There is no midpoint in a broad band. That also means the compa-ratio tool can not be used.

MAY LEAD TO INEQUITIES

Broadbanding's flexibility and trust in management may or may not be warranted. In a broadbanding system, it is relatively easy to have two people with the same responsibilities have earnings that are thousands and thousands of dollars apart. Broadbanding weakens the linkage between salary growth and skill development for the next higher-level, since it is so far off as to not be a motivator. Do you want supervisors and their direct reports in the same pay band? That can easily happen with broadbanding.

It only takes a few reckless managers rewarding a few individuals inappropriately to have an entire pay system called into question. Whether your pay system is fair or not fair is not quite as important as if it is perceived as fair. If your pay system is perceived as not fair, you could see an increase in EEOC complaints. Did you know the Department of Labor added 700 additional auditors after the passage of the Lilly Ledbetter Equal Pay Act in 2009? People don't call and ask for an audit when they believe their conditions are fair.

LACK OF COST CONTROLS

It certainly may call into question why have salary bands at all if they are so wide. You need to evaluate if your other cost control training and measures are strong enough to hand over this much authority and autonomy to your managers. Moving to broadbanding may require thinking through other incentives that had previously been tied to salary grades, such as bonuses or stock.

PROMOTIONS

In my opinion the absolute worst thing about broadbanding is the severe reduction in opportunities for promotions. Fewer salary bands lead to fewer opportunities to climb to the next band; meaning fewer promotions to celebrate with family and friends. Think seriously before you minimize this great motivational tool. If you are committed to moving to broadbanding, yet this is of concern to you, keep an eye on your turnover rates and conduct exit interviews to monitor the pulse of why your talent is moving to your competitors.

CONCLUSION

It is your call whether broadbanding is a tool for use in your organization or not. Broadbanding is a very effective tool to reduce salary grades or job classifications, but it definitely has its drawbacks.

Regards,

MAGNOLIA PUBLIC SCHOOLS

Board Of Directors

Board Agenda Item #	
Date:	June 28, 2016
To:	MPS Board of Directors
From:	Caprice Young, Ed.D., CEO & Superintendent
Staff Lead:	Oswaldo Diaz
RE:	Charter School Benchmark Metrics

CHARTER SCHOOL BENCHMARK METRICS

During the June 6, 2016 Board meeting, the Board requested an operating metrics surveying competing charter school management organizations to compare Magnolia Publics Schools to. As such, Oswaldo Diaz and Steven Kao analyzed the latest available Tax Form 990 filings and audited financial statements for numerous charter school management organizations operating in the State of California and created a spreadsheet displaying the findings. It should be noted that the latest available tax filings and financial statements ranged between 2012 and 2015. This memo will focus on the Tax 990 Forms since they provide more detailed expense breakouts. A table of metrics derived from the latest available audited financial statements will be included in the Appendix for support and backup. Below is a summary of the dataset's Tax Form 990 filings adjusted to exclude charitable donations, which skewed the data (explained in following sections):

	Magnolia Tax Year 2014	High Tech High Tax Year 2013	ICEF Tax Year 2013	King Chavez Tax Year 2013	Aspire Tax Year 2014	Green Dot Tax Year 2014	KIPP LA Tax Year 2013	Rocketship Tax Year 2013	Dataset Average

Revenue

Revenue per student ranged between $8,334 and $17,161 based on the Tax 990 Forms and between $8,841 and $13,342 based on audited financial statements. Size of the organization plays a factor as smaller organizations earn less per student compared to larger organizations. Smaller organizations such as Magnolia ($9,065/student), High Tech High ($8,334/student), ICEF ($9,405/student) and King Chavez ($10,016/student) obtain significantly less than larger organizations such as Aspire ($12,098/student), Green Dot ($12,363/student), KIPP LA ($17,161/student) and Rocketship ($11,538/student).

Larger organizations that garner higher revenue per student rates do so through grants and charitable contributions. For example, KIPP LA raised $18MM in contributions translating to $6,252 per student in Tax Year 2013. To accomplish this they spent $743k in expenses to support their fundraising platform. Three companies did not show explicit fundraising expenses but still raised substantial funds: ICEF raised $3.1MM ($741 per student) in 2013; Aspire raised $22MM ($1,555 per student) in 2014 and Green Dot raised $6.3MM ($610 per student) in 2014. Other than charitable grants, revenue per student is affected by the free and reduced level of the students served and the locality that the school resides in.

In conclusion, Magnolia Public School's revenues are in line with other charter school management organizations of similar size. An opportunity exists to obtain charitable grants if human resources are allocated to the fundraising function.

2

Revenues Excluding Charitable Donations

Larger organizations that have the resources to put into the fundraising function have an unfair advantage over smaller organizations that do not have such a platform. The average revenue per student contribution obtained by fundraising is $2,170 per student, which is 24% of the per student revenue of Magnolia in 2014. As such, fundraising revenue and expense were excluded in the chart on the first page to provide an accurate comparison of costs and operations.

Without the benefit of charitable contributions, revenue per student rates fall in a tighter range, which is between $8,334 and $11,753. Magnolia falls in the middle of the range at $9,065 per student.

Program Expenses

Program expenses per student ranged from $6,244 to $10,937 as per the latest Tax 990 Forms. The average was $8,091 per student. As expected, the larger organizations with greater revenues and resources tend to have the higher end of the range, whereas smaller organizations have the lower end of the range. Magnolia's program expenses are $6,477/student, 71% of revenue and 78% of expenses. This is in range of competing organizations of all sizes. Adjusted for charity revenues, the set had a percent of revenue range between 69% to 111% and a percent of total expense range between 71% and 93%.

Management Expenses

Management expenses per student ranged from $856 and $3,201, with an average of $2,029. Magnolia's management fees were below average at $1,781 per student, 20% of revenue and 22% of expenses. Magnolia was able to accomplish this level of management fees with 4 districts, whereas each additional district adds a layer of complexity in the form of reporting and compliance work. In comparison, High Tech High had management fees per student of $1,995 with 2 districts and King Chavez had management fees of $2,840 per student with 1 district. The dataset had a percent of revenue range between 17% and 29% and a percent of expense range between 7% and 29%.

Districts/Authorizers

As previously stated, the more districts or authorizers an organization serves, the greater the amount of compliance, reporting and administrative work. Amongst 8 organizations in the data set, the average number of districts served was 4, with the outlier being 13 for Aspire on the high side. KIPP LA, King Chavez and ICEF all served only 1 district on the lower end. Total expenses/Districts had a range of $7.8MM to $42MM. Magnolia came in at $7.8MM, which was the lowest rate in the dataset.

Earnings before interest, taxes, depreciation, amortization and restructuring or rent costs (EBITDAR)

EBITDAR margin is a measure of the managerial prowess of an organization in a certain marketplace, before factoring in expenses related to real estate, which have a wide variance based on situation and timing of the real estate cycle. The dataset's EBITDAR margin ranged from 1% to 22%. Magnolia had an EBITDAR margin of 19%, which was the second highest in the dataset.

EBITDA

3

Magnolia produced EBITDA of $3.36MM (10% margin or $886 per student) in Tax Year 2014. On a charity-adjusted basis, Magnolia's EBITDA margin was greater than all other organizations in the data set, with an EBITDA margin of 10%.

Factoring in charity revenues, Magnolia's EBITDA margin was equal to the average of the dataset, which was also of 10%. This was achieved despite Magnolia's challenges of lower revenue per student rate driven by a lack of charitable contribution revenues and a lower student per school levels that deprives Magnolia of economies of scale.

CMO Fees

Obtaining CMO fee data was challenging, as only some organizations provided such information on their audited financial statements or Tax 990 Forms. Data was available only for Magnolia, King Chavez, Green Dot and Rocketship. Magnolia's CMO fees were $4.8MM in the FYE 6/30/2015 period, representing: $1,270/student, $437,482/school, 14% of revenue and 15% of expenses.

	Magnolia FYE 6/30/2015	King Chavez 6/30/12	Green Dot 6/30/15	Rocketship FYE 6/30/2015	Dataset Average(
Districts	4	1	3	6	4
Schools	11	6	19	13	16
Enrollment	3,790	2,000	10,257	4,831	6,210
Students Per School	345	333	540	372	371
Management Fees	4,812,297	2,050,067	15,573,817	7,736,987	7,543,292
% of revenue	14%	12%	11%	11%	12%
% of expense	15%	12%	12%	11%	13%
per Enrollment	1,270	1,025	1,518	1,602	1,354
per School	437,482	341,678	819,675	595,153	548,497

Magnolia's CMO fees appear to be in line. In more detail, Magnolia's CMO fees are low on a per student and per school basis, but on the higher side when viewed as a percentage of revenue or expense. Two possible explanations for this are:

1) Magnolia's revenue per student figure is low compared to the set due to a lack of charitable contribution revenue -- Rocketship obtains $1,087/student and Green Dot obtains $1,159/student in charitable contributions.

2) Magnolia's enrollment per school is low at 345 students per school on average – Rocketship has 439 students per school on average and Green Dot has 540 students per school on average.

Management Salary

Per the latest tax 990 forms, below is a summary chart of management compensation:

	Schools	Districts	Students	Employees	CEO	CFO/CBO	COO	CAO	Facilities	HR Director
High Tech High	12	2	5,000	644	400,735	202,752	194,944	173,641	147,462	128,310

Conclusion

4

This memo should be used as a supplemental benchmark guideline for CMOs operating in California. It should be taken into account that this study was based on the latest publicly available data, which is not the most up to date. Based on the findings included in the document, MPS CMO fees are in line with the fees charged by other comparable CMO organizations. Per the study conducted by VLS the range of CMO fees are between 10 to 20 percent of total expenditures. It is worth noting that the larger CMO's had a lower fee to income ratio due to the fundraising amounts collected. The larger CMO organizations have a strongly developed fundraising platform that supports the annual campaign.

Compliance Assistance - Wages and the Fair Labor Standards Act (FLSA) - Wage and Hour Division (WHD) - U.S. Department of Labor

United States Department of Labor

Wage and Hour Division

Wage and Hour Division (WHD)

Compliance Assistance - Wages and the Fair Labor Standards Act (FLSA)

Overview

The FLSA establishes minimum wage, overtime pay, recordkeeping, and youth employment standards affecting employees in the private sector and in Federal, State, and local governments. Covered nonexempt workers are entitled to a minimum wage of not less than $7.25 per hour effective July 24, 2009. Overtime pay at a rate not less than one and one-half times the regular rate of pay is required after 40 hours of work in a workweek.

- FLSA Minimum Wage: The federal minimum wage is $7.25 per hour effective July 24, 2009. Many states also have minimum wage laws. In cases where an employee is subject to both state and federal minimum wage laws, the employee is entitled to the higher minimum wage.

- FLSA Overtime: Covered nonexempt employees must receive overtime pay for hours worked over 40 per workweek (any fixed and regularly recurring period of 168 hours — seven consecutive 24-hour periods) at a rate not less than one and one-half times the regular rate of pay. There is no limit on the number of hours employees 16 years or older may work in any workweek. The FLSA does not require overtime pay for work on weekends, holidays, or regular days of rest, unless overtime is worked on such days.

- Hours Worked (PDF) : Hours worked ordinarily include all the time during which an employee is required to be on the employer's premises, on duty, or at a prescribed workplace.

- Recordkeeping (PDF) : Employers must display an official poster outlining the requirements of the FLSA. Employers must also keep employee time and pay records.

- Child Labor: These provisions are designed to protect the educational opportunities of minors and prohibit their employment in jobs and under conditions detrimental to their health or well-being.

On April 1, 2019, the U.S. Department of Labor announced a proposed rule to revise and clarify the responsibilities of employers and joint employers to employees in joint employer arrangements. For more information, please visit: www.dol.gov/whd/flsa/jointemploymen-t2019.

Civil Money Penalty Inflation Adjustments

Starting in 2016, agencies across the federal government must adjust their penalties for inflation each year. Below is a table that reflects the adjustments that have occurred for penalties under this statute. For more information on the penalty adjustments, go [here](#).

Civil Money Penalty Inflation Adjustments

Type of Violation	Statutory Citation	CFR Citation	Maximum Civil Monetary Penalty on or before 1/23/2019	Maximum Civil Monetary Penalty on or after 1/24/2019
Homeworker: Violation of recordkeeping, monetary, certificate or other statutes, regulations or employer assurances.	29 USC 211(d)	29 CFR 530.302	$1,026	$1,052
Child labor: (1) Violation of child labor standards (sec 212 or 213(c));	29 USC 216(e)(1)(A)(i)	29 CFR 570.140(b)(1) and 29 CFR 579.1(a)(1)(i)(A)	$12,529	$12,845
(2) Violation of child labor standards (sec 212 or 213(c)) that causes the serious injury or death of a minor;	29 USC 216(e)(1)(A)(ii)	29 CFR 570.140(b)(2) and 29 CFR 579.1(a)(1)(i)(B)	$56,947	$58,383
(3) Willful or repeated violation of child labor standards (sec 212 or 213(c)) that causes the serious injury or death of a minor	29 USC 216(e)(1)(A)(ii)	29 CFR 570.140(b)(2) and 29 CFR 579.1(a)(1)(i)(B)	$113,894	$116,766
(4) Repeated or willful violation of section 206 or 207.	29 USC 216(e)	29 CFR 579.1(a)(2)	$1,964	$2,014
Minimum Wage and Overtime: Repeated or willful violation of section 206 or 207.	29 USC 216(e)(2)	29 CFR 578.3(a)	$1,964	$2,014

Compliance Assistance - Wages and the Fair Labor Standards Act (FLSA) - Wage and Hour Division (WHD) - U.S. Department of Labor

Department of
Industrial Relations

Labor Commissioner's Office   ⋮   Minimum Wage

Minimum Wage

Although there are some exceptions, almost all employees in California must be paid the minimum wage as required by state law. Effective January 1, 2017, the minimum wage for all industries will be increased yearly. From January 1, 2017, to January 1, 2022, the minimum wage will increase for employers employing 26 or more employees. This increase will be delayed one year for employers employing 25 or fewer employees, from January 1, 2018, to January 1, 2023. The scheduled increases may be temporarily suspended by the Governor, based on certain determinations. (Please see the chart below for the complete schedule of rate increases).

For more information and guidance on how to count employees for the purpose of determining whether an employer qualifies as an employer with 25 employees or less please see New Minimum Wage Phase- in Requirements 2017-2023, SB 3 Frequently Asked Questions page.

There are some employees who are exempt from the minimum wage law, such as outside salespersons, individuals who are the parent, spouse, or child of the employer, and apprentices regularly indentured under the State Division of Apprenticeship Standards.

Minimum Wage Order (MW-2019)
There is an exception for learners, regardless of age, who may be paid not less than 85 percent of the minimum wage rounded to the nearest nickel during their first 160 hours of employment in occupations in which they have no previous similar or related experience.

There are also exceptions for employees who are mentally or physically disabled, or both, and for nonprofit organizations such as sheltered workshops or rehabilitation facilities that employ disabled workers. Such individuals and organizations may be issued a special license by the Division of Labor Standards Enforcement authorizing employment at a wage less than the legal minimum wage. Labor Code Sections 1191 and 1191.5

Schedule for California Minimum Wage rate 2017-2023.

Date	Minimum Wage for Employers with 25 Employees or Less	Minimum Wage for Employers with 26 Employees or More
January 1, 2017	$10.00/hour	$10.50/hour
January 1, 2018	$10.50/hour	$11.00/hour
January 1, 2019	$11.00/hour	$12.00/hour

January 1, 2020	$12.00/hour	$13.00/hour
January 1, 2021	$13.00/hour	$14.00/hour
January 1, 2022	$14.00/hour	$15.00/hour
January 1, 2023	$15.00/hour	

Frequently Asked Questions

1. **What is the minimum wage?**

    Effective January 1, 2018, the minimum wage for all industries was $11 per hour for employers with 26 or more employees and $10.50 per hour for employers with 25 or fewer employees. On January 1, 2019, the minimum wage increased to $12 per hour for employers with 26 or more employees and $11 per hour for employees with 25 or fewer employees. The minimum wage shall be adjusted on a yearly basis through 2023 according to the pre-set schedule shown above.

    Effective January 1, 2018, the minimum monthly salary for sheepherders was $1,955.74 per month for employers with 26 or more employees and $1,866.88 per month for employers with 25 or fewer employees. On January 1, 2019, the minimum monthly rate increased to $2,133.52 per month for employers with 26 or more employees and $1,955.74 per month for employers with 25 or fewer employees. The minimum monthly salary for sheepherders is specially set under IWC Wage Order 14-2001. Wages paid to sheepherders may not be offset by meals or lodging provided by the employer. Instead, there are provisions in IWC Order 14-2007, Sections 10(F), (G) and (H)) that apply to sheepherders with respect to monthly meal and lodging benefits required to be provided by the employer.

2. **What is the difference between the local, state and federal minimum wage?**

    Most employers in California are subject to both the federal and state minimum wage laws. Also, local entities (cities and counties) are allowed to enact minimum wage rates and several cities * have recently adopted ordinances which establish a higher minimum wage rate for employees working within their local jurisdiction. The effect of this multiple coverage by different government sources is that when there are conflicting requirements in the laws, **the employer must follow the stricter standard; that is, the one that is the most beneficial to the employee**. Thus, since California's current law requires a higher minimum wage rate than does the federal law, all employers in California who are subject to both laws must pay the state minimum wage rate unless their employees are exempt under California law. Similarly, if a local entity (city or county) has adopted a higher minimum wage, employees must be paid the local wage where it is higher than the state or federal minimum wage rates.

3. **May an employee agree to work for less than the minimum wage?**

    No. The minimum wage is an obligation of the employer and cannot be waived by any agreement, including collective bargaining agreements. Any remedial legislation written for the protection of

employees may not be violated by agreement between the employer and employee. Civil Code Sections 1668 and 3513

4. **Is the minimum wage the same for both adult and minor employees?**

Yes. There is no distinction made between adults and minors when it comes to payment of the minimum wage.

5. **I work in a restaurant as a waitperson. Can my employer use my tips as a credit toward its obligation to pay me the minimum wage?**

No. An employer may not use an employee's tips as a credit toward its obligation to pay the minimum wage.

6. **What can I do if my employer doesn't pay me at least the minimum wage?**

You can either file a wage claim with the Division of Labor Standards Enforcement (the Labor Commissioner's Office), or file a lawsuit in court against your employer to recover the lost wages. Additionally, if you no longer work for this employer, you can make a claim for the waiting time penalty pursuant to Labor Code Section 203.

7. **What is the procedure that is followed after I file a wage claim?**

After your claim is completed and filed with a local office of the Division of Labor Standards Enforcement (DLSE), it will be assigned to a Deputy Labor Commissioner who will determine, based upon the circumstances of the claim and information presented, how best to proceed. Initial action taken regarding the claim can be referral to a conference or hearing, or dismissal of the claim.

If the decision is to hold a conference, the parties will be notified by mail of the date, time and place of the conference. The purpose of the conference is to determine the validity of the claim, and to see if the claim can be resolved without a hearing. If the claim is not resolved at the conference, the next step usually is to refer the matter to a hearing or dismiss it for lack of evidence.

At the hearing the parties and witnesses testify under oath, and the proceeding is recorded. After the hearing, an Order, Decision, or Award (ODA) of the Labor Commissioner will be served on the parties.

Either party may appeal the ODA to a civil court of competent jurisdiction. The court will set the matter for trial, with each party having the opportunity to present evidence and witnesses. The evidence and testimony presented at the Labor Commissioner's hearing will not be the basis for the court's decision. In the case of an appeal by the employer, DLSE may represent an employee who is financially unable to afford counsel in the court proceeding.

See the Policies and Procedures of Wage Claim Processing pamphlet for more detail on the wage claim procedure.

8. **What can I do if I prevail at the hearing and the employer doesn't pay or appeal the Order, Decision, or Award?**

When the Order, Decision, or Award (ODA) is in the employee's favor and there is no appeal, and the employer does not pay the ODA, the Division of Labor Standards Enforcement (DLSE) will have the court enter the ODA as a judgment against the employer. This judgment has the same force and effect as any other money judgment entered by the court. Consequently, you may either try to collect the judgment yourself or you can assign it to DLSE.

9. **What can I do if my employer retaliates against me because I questioned him about not being paid the minimum wage?**

If your employer discriminates or retaliates against you in any manner whatsoever, for example, he discharges you because you asked him why you weren't being paid the minimum wage, or because you file a claim or threaten to file a claim with the Labor Commissioner, you can file a discrimination/retaliation complaint with the Labor Commissioner's Office. Alternatively, you can file a lawsuit in court against your employer.

* The UC Berkeley Labor Center keeps a detailed national list of local minimum wage ordinances. The Department of Industrial Relations does not monitor or verify this list but includes it here as a reference for the public: UC Berkeley Labor Center Inventory of US City and County Minimum Wage Ordinances

Board Of Directors

Board Agenda Item #	III D
Date:	09.10.2015
To:	Board of Directors
From:	Terri Boatman. Director of Human Resource
Staff Lead:	Terri Boatman. Director of Human Resource
RE:	Home Office Compensation

Proposed Board Recommendation

I move that the board approve the new compensation model for Home Office Positions.

Background

One of the most basic functions of management is to establish a compensation scheme that is competitive and equitable and that promotes employee engagement and high performance. A well-designed compensation philosophy supports the organization's strategic plan and initiatives, business goals, competitive outlook, operating objectives, and compensation and total reward strategies.

For recruiting and retention purposes, we recommend establishing salary ranges and pay bands to CMO positions versus applying compensation per the pay sheets.

Salary range is the range of pay that has been established to be paid to employees performing a particular job or function. Salary range generally has a minimum pay rate, a maximum pay rate, and a series of mid-range opportunities for pay increases. The salary range was determined by market pay rates, established through market pay studies, for people doing similar work in similar industries in the same region of the country.

Pay rates and salary ranges are also set up by individual employers and recognize the level of education, knowledge, skill, and experience needed to perform each job. The salary range demonstrates the interrelationships of the jobs utilized by an employer. The salary range reflects our needs such as the overlap in salary ranges that will allow career development and pay increases without promotion at each level and the percentage of increase the organization will offer an employee for a promotion.

Currently our home office salaries are based on the components of the pay sheet. The pay sheet identifies compensation components based on a variety of variables including degree, credential, years of experience, time with Magnolia and extra duty. In theory, a member of the finance team will not have a credential, and the degree should be a consideration in the offer process, but not necessarily be a variable in compensation decisions, as years of experience may off set formal learning.

Magnolia Public Schools

13950 Milton Ave. 200B Westminster, CA 92683
P: (714) 892-5066 F: (714) 362-9588

In addition, we face recruiting competition from other non-profits, CMO's and for profit businesses. An analysis of financial and technical roles shows that Magnolia's current compensation scale lags in comparison to other industries and non profits in Southern CA. The new salaries of the home office employees will be implemented retroactively starting July 1, 2015.

Budget Implications

Several of the employees in accounting and technology positions have current salaries that fall below the minimum levels of the proposed ranges. After adoption of the new scale, those employees will be moved to the minimum end of the range. This is an increase of $58,000 to the salaries of those eleven positions; however that amount has been more than offset by the $176,000 saved by not filling other home office positions.

To:	Magnolia Board of Directors
From:	Alfredo Rubalcava, CEO & Superintendent
Staff Lead:	Alfredo Rubalcava, CEO & Superintendent
RE:	Charter Renewals Board Resolutions for MSA Bell and MSA San Diego

Proposed Board Motion

I move that the board approve the board resolutions that authorize the filing of the Charter Renewal Petitions with the Los Angeles Unified School District for Magnolia Science Academy Bell and the San Diego Unified School District for Magnolia Science Academy San Diego and give authority to Alfredo Rubalcava, CEO & Superintendent to serve as the Lead Petitioner.

Background

Magnolia Science Academy Bell and Magnolia Science Academy San Diego are in the last year of their approved charter petition term. The resolutions being approved today are from the Board of Directors of Magnolia Educational Research Foundation authorizing the submission of the Magnolia Science Academy Bell *Charter Renewal Petitions for a Five-Year Term (July 1, 2020 - June 30, 2025)* to the Los Angeles Unified School District Board of Education and Magnolia Science Academy San Diego Charter Renewal Petition for a *Five-Year Term (July 1, 2020 – June 30, 2025)* to the San Diego Unified School District.

It is resolved that the Board of Directors authorizes the filing of the Charter Renewal Petition with the Los Angeles Unified School District and San Diego Unified School District, and that the following individuals are authorized to take all steps necessary pursuant to their roles to seek the approval of the Charter Renewal Petition: CEO & Superintendent will serve as "Lead Petitioner," and is hereby authorized to sign the Charter Renewal Petition and to take all steps necessary for approval of same.

- Alfredo Rubalcava, CEO & Superintendent will serve as the Lead Petitioner for Magnolia Science Academy Bell and Magnolia Science Academy San Diego

- Jason Hernandez is the Principal/Instructional Leader for Magnolia Science

Academy Bell

- Gokhan Serce is the Principal/Instructional Leader for Magnolia Science Academy San Diego

- Ernany "Nanie" Montijo is the Onsite Financial Manager for Magnolia Science Academy Bell and Magnolia Science Academy San Diego

<u>Budget Implications</u>

- There are no budget implications.

<u>Name of Staff Originator</u>:

- Alfredo Rubalcava, CEO & Superintendent

Date:	June 13, 2019
To:	Magnolia Board of Directors
From:	Alfredo Rubalcava CEO & Superintendent
Staff Lead:	Barbara Torres, Executive Assistant
RE:	Renewal of 2019-20 MPS Board Committee Chairs & Approval of 2019-20 Committee Calendar

Proposed Board Motion

I move that the board approve the addition of alternate committee members to the Academic Committee (i.e. Serdar Orazov) and to the Finance Committee (i.e. Diane Gonzalez), and the continuation of committee chairs as stated below and approval of the 2019-20 MPS Committee Meeting Calendar.

- Academic Committee Chair; Dr. Saken Sherkhanov
- Finance Committee Chair; Mr. Serdar Orazov
- Facilities/Audit Committee; Ms. Charlotte Brimmer
- Stakeholder Engagement; Ms. Sandra Covarrubias
- Governance/Nominating; Dr. Umit Yapanel

Introduction

MPS Board Committees meet as needed. Based on 2018-19 meetings and needs, MPS staff has created the attached calendar as place holders for meetings.

Background

Committees' role is to review items and recommend changes and/or approvals of items before they get to the full board for final approval.

Budget Implications:

• There may will be additional costs incurred by the organization to reflect the extra hours worked by school staff when they need to keep campuses open for these meetings and transportation expenses by staff and board members when attending these meetings. These expenses are not in the proposed budget.

RE:	Election of 2019-20 MPS Board Officers & Approval 2018-19 Board Meeting Calendars

Proposed Board Motion

I move that the board reappoint Dr. Saken Sherkhanov to serve as the MPS Board Chair,

Mr. Haim Beliak as the MPS Vice-Chair, and Ms. Barbara Torres as the MPS Board Secretary for the 2019-20 school year and to approve the 2019-20 Board Meeting Calendar.

If current Board Officers or any other Board Members would like to serve in a different role, the Board can discuss and change the motion as they see fit.

Introduction

Board Officers are appointed annually at the Annual MPS Board of Directors meeting. The current officers are;

S. Sherkhanov, Chair
H. Beliak, Vice-Chair
B. Torres, Secretary

Background

Article X, Section 3 on page 8 of the MPS Bylaws states, "ELECTION OF OFFICERS: The officers of this corporation shall be chosen annually by the Board of Directors and shall serve at the pleasure of the Board."

Calendar- Most meetings fall on the second Thursday of the month unless changed due to holidays or item approval deadlines.

AMENDED AND RESTATED BYLAWS

OF

MAGNOLIA EDUCATIONAL & RESEARCH FOUNDATION

(A California Nonprofit Public Benefit Corporation)

ARTICLE I
NAME

Section 1.   NAME. The name of this corporation is Magnolia Educational & Research Foundation.

ARTICLE II
PRINCIPAL OFFICE OF 1HE CORPORATION

Section 1.   PRJNCIPAL OFFICE OF THE CORPORATION. The principal office for the transaction of the activities and affairs of this corporation is 250 East 1st Street, Suite 1500, Los Angeles, 90012 California. The Board of Directors may change the location of the principal office. Any such change of location must be noted by the Secretary on these bylaws opposite this Section; alternatively, this Section may be amended to state the new location.

Section 2.   OTHER OFFICES OF THE CORPORATION. The Board of Directors may at anytime establish branch or subordinate offices at any place or places where this corporation is qualified to conduct its activities.

ARTICLE III
GENERAL AND SPECIFIC PURPOSES; LIMITATIONS

Section 1.   GENERAL AND SPECIFIC PURPOSES. The purposes of this corporation are to provide community support in educational and research areas, which include, but are not limited to the following: managing, operating, guiding, directing and promoting public charter schools; conducting scientific research at K-12 schools and colleges to identify and implement successful education practices; promoting and discovering the research modules in scientific areas with applied and practicable methods to promote prospective scientists; coordinating international conferences/competitions in various fields of academic study. Also in the context of these purposes, the Corporation shall not, except to an insubstantial degree, engage in any other activities or exercise of power that do not further the purposes of the Corporation.

The Corporation shall not carry on any other activities not permitted to be carried on by: (a) a corporation exempt from federal income tax under section 501(c)(3) of the Internal Revenue Code, or the corresponding section of any future federal tax code; or (b) a corporation, contributions to which are deductible under section 17o(c)(2) of the Internal Revenue Code, or the corresponding section of any future federal tax code. No substantial part of the activities of the corporation shall consist of the carrying on of propaganda, or otherwise attempting to influence legislation, and the corporation shall not participate in, or intervene in (including the publishing or distributing of statements) any political campaign on behalf of or in opposition to any candidate for public office.

ARTICLE IV
CONSTRUCTION AND DEFINITIONS

Section 1.   CONSTRUCTION AND DEFINITIONS. Unless the context indicates otherwise, the general provisions, rules of construction and definitions in the California Nonprofit Corporation law shall govern the construction of these bylaws. Without limiting the generality of the preceding sentence, the masculine gender includes the feminine and neuter, the singular includes the plural, and the plural includes the singular, and the term "person" includes both a legal entity and a natural person.

ARTICLE V
DEDICATION OF ASSETS

Section 1.   DEDICATION OF ASSETS. This corporation's assets are irrevocably dedicated to public benefit purposes. No part of the net earnings, properties, or assets of the corporation, on dissolution or otherwise, shall inure to the benefit of any private person or individual, or to any director or officer of the corporation. On liquidation or dissolution, all properties and assets remaining after payment, or provision for payment, of all debts, liabilities and all charter obligations of the corporation shall be distributed to a nonprofit fund, foundation, or corporation that is organized and operated exclusively for the public and/or charitable purposes of managing, operating, guiding, directing, promoting, and/or supporting one or more California public charter schools that serve students in grades K-12 and that has established its exempt status under Internal Revenue Code section 501(c)(3).

ARTICLE VI
CORPORATIONS WITHOUT MEMBERS

Section 1.   CORPORATIONS WITHOUT MEMBERS. This corporation shall have no voting members within the meaning of the Nonprofit Corporation law.

ARTICLE VII
BOARD OF DIRECTORS

Section 1.   GENERAL POWERS. Subject to the provisions and limitations of the California Nonprofit Public Benefit Corporation Law and any other applicable laws, and subject to any limitations of the articles of incorporation or bylaws, the corporation's activities and affairs shall be managed, and all corporate powers shall be exercised, by or under the direction of the Board of Directors ("Board"). The Board may delegate the management of the corporation's activities to any person(s), management company or committees, however composed, provided that the activities and affairs of the corporation shall be managed and all corporate powers shall be exercised under the ultimate direction of the Board

Section 2.   SPECIFIC POWERS. Without prejudice to the general powers set forth in Section 1 of these bylaws, but subject to the same limitations, the Board of Directors shall have the power to:

a.   Appoint and remove, at the pleasure of the Board of Directors, all corporate officers, agents, and

Amended and Restated Bylaws of Magnolia Educational & Research Foundation   Page 2 of 13
Adopted: 6/16/08 Amended: 4/19/12, 4/11/13, 12/12/13, 1/9/15, 2/16/15, 8/11/16, 10/26/16, 11/3/16, 10/11/18

employees; prescribe powers and duties for them as are consistent with the law, the articles of incorporation, and these bylaws; fix their compensation; and require from them security for faithful service.

b.   Change the principal office or the principal business office in California from one location to another; cause the corporation to be qualified to conduct its activities in any other state, territory, dependency, or country; conduct its activities in or outside California; and designate a place in California for holding any meeting of members.

c.   Borrow money and incur indebtedness on the corporation's behalf and cause to be executed and delivered for the corporation's purposes, in the corporate name, promissory notes, bonds, debentures, deeds of trust, mortgages, pledges, hypothecations, and other evidences of debt and securities.

d.   Adopt and use a corporate seal; prescribe the forms of membership certificates; and alter the forms of the seal and certificates.

Section 3.   DESIGNATED DIRECTORS. The number of directors shall be no less than three (3) and no more than eleven (11), unless changed by amendments to these bylaws. The exact number of directors shall be fixed within these limits by a Resolution of the Board. All directors shall be designated by the existing Board of Directors.

The Board of Directors commits to designating at least one (1) director who resides in each county where this corporation operates a charter school. The Board of Directors shall strive to recruit directors representing parents and the charter school communities, from diverse professional and ethnic backgrounds and commits to designating at least one (1) director representing parents at all times.

Section 4.   RESfRICTION ON EMPWYEE DIRECTORS. No current employees of the corporation may serve on the Board of Directors.

Section 5.   DIRECTORS' TERMS. Each director shall hold office for five (5) years and until a successor director has been designated and qualified. The terms of directors shall be staggered as determined by the Board. Staggering has been accomplished by the Board appointing directors on different dates. Staggering shall be maintained as directors shall be appointed to fill vacant seats at the expiration of each staggered term.

Section 6.   NOMINATIONS BY COMMITTEE. The Chairman of the Board of Directors or, if none, the President will appoint a committee to nominate qualified candidates for designation to the Board of Directors at least thirty (30) days before the date of any designation of directors. The nominating committee shall make its report at least seven (7) days before the date of the designation or at such other time as the Board of Directors may set and the Secretary shall forward to each Board member, with the notice of meeting required by these bylaws, a list of all candidates nominated by committee. Any member of the community may also refer a potential candidate to the Board for consideration.

Section 7.   USE OF CORPORATE FUNDS TO SUPPORT NOMINEE. If more people have been nominated for director than can be designated, no corporation funds may be expended to support a nominee.

Section 8.   EVENTS CAUSING VACANCIES ON BOARD. A vacancy or vacancies on the Board of Directors shall occur in the event of (a) the death, resignation, or removal of any director; (b) the declaration by resolution

Amended and Restated Bylaws of Magnolia Educational & Research Foundation   Page 3 of 13
Adopted: 6/16/08 Amended: 4/19/12, 4/11/13, 12/12/13, 1/9/15, 2/16/15, 8/11/16, 10/26/16, 11/3/16, 10/11/18

of the Board of Directors of a vacancy in the office of a director who has been convicted of a felony, declared of unsound mind by a court order, or found by final order or judgment of any court to have breached a duty under California Nonprofit Public Benefit Corporation litw, Chapter 2, Article 3; (c) the increase of the authorized number of directors; and (d) the failure of the members, at any meeting of members at which any director or directors are to be elected, to elect the number of directors required to be elected at such meeting.

Section 9.   RESIGNATION OF DIRECTORS. Except as provided below, any director may resign by giving written notice to the Chairman of the Board, if any, or to the President, or the Secretary, or to the Board. The resignation shall be effective when the notice is given unless the notice specifies a later time for the resignation to become effective. If a director's resignation is effective at a later time, the Board of Directors may elect a successor to take office as of the date when the resignation becomes effective.

Section 10.   DIRECTOR MAY NOT RESIGN IF NO DIRECTOR REMAINS. Except on notice to the California Attorney General, no director may resign if the corporation would be left without a duly elected director or directors.

Section 11.   REMOVAL OF DIRECTORS. Any director may be removed, with or without cause, by a simple majority of directors then in office at a special meeting called for that purpose, or at a regular meeting, provided that notice of that meeting and of the removal questions are given in compliance with the provisions of the Ralph M. Brown Act. (Chapter 9 (commencing with Section 54950) of Division 2 of Title 5 of the Government Code). Any vacancy caused by the removal of a director shall be filled as provided in Section 12.

Section 12.   VACANCIES FILLED BY BOARD. Vacancies on the Board of Directors may be filled by approval of the Board of Directors or, if the number of directors then in office is less than a quorum, by (a) the unanimous consent of the directors then in office, (b) the affirmative vote of a majority of the directors then in office at a meeting held according to notice or waivers of notice complying with Corporations Code Section 5211, or (c) a sole remaining director.

Section 13.   NO VACANCY ON REDUCTION OF NUMBER OF DIRECTORS. Any reduction of the authorized number of directors shall not result in any directors being removed before his or her term of office expires.

Section 14.   QUORUM. A majority of the directors then in office shall constitute a quorum. If a quorum is present, the affirmative vote of the majority of the directors at the meeting shall be a decision of the Board of Directors. Should there be fewer than a majority of the directors present at any meeting, the meeting shall be adjourned. A majority of the directors present, whether or not constituting a quorum, may adjourn any meeting to another time and place. Directors may not vote by proxy. The vote or abstention of each board member present for each action taken shall be publicly reported.

Section 15.   COMPENSATION AND REIMBURSEMENT. Directors shall serve without compensation except that they shall be allowed reasonable advancement or reimbursement of actual reasonable expenses incurred in carrying out his or her duties. Directors shall not otherwise be compensated.

Amended and Restated Bylaws of Magnolia Educational & Research Foundation   Page 4 of 13
Adopted: 6/16/08 Amended: 4/19/12, 4/11/13, 12/12/13, 1/9/15, 2/16/15, 8/11/16, 10/26/16, 11/3/16, 10/11/18

Section 16.   CREATION AND POWERS OF COMMITTEES. The Board, by resolution adopted by a majority of the directors then in office, may create one or more committees, each consisting of two or more directors and no one who is not a director, to serve at the pleasure of the Board. Appointments to committees of the Board of Directors shall be by majority vote of the authorized number of directors. The Board of Directors may appoint one or more directors as alternate members of any such committee, who may replace any absent member at any meeting. Any such committee shall have all the authority of the Board, to the extent provided in the Board of Directors' resolution, except that no committee may:

  a. Take any final action on any matter that, under the C,alifornia Nonprofit Public Benefit Corporation Law, also requires approval of the members or approval of a majority of all members;

  b. Fill vacancies on the Board of Directors or any committee of the Board;

  c. Amend or repeal bylaws or adopt new bylaws;

  d. Amend or repeal any resolution of the Board of Directors that by its express terms is not so amendable or subject to repeal;

  e. Create any other committees of the Board of Directors or appoint the members of committees of the Board; or

  f. Expend corporate funds to support a nominee for director if more people have been nominated for director than can be elected.

Section 17.   MEETINGS AND ACTION OF COMMITTEES. Meetings and actions of committees of the Board of Directors shall be governed by, held, and taken under the provisions of these bylaws concerning meetings, other Board of Directors' actions, and the Brown Act, except that the time for general meetings of such committees and the calling of special meetings of such committees may be set either by Board of Directors' resolution or, if none, by resolution of the committee. Minutes of each meeting shall be kept and shall be filed with the corporate records. The Board of Directors may adopt rules for the governance of any committee as long as the rules are consistent with these bylaws. If the Board of Directors has not adopted rules, the committee may do so.

Section 18.   NON-LIABILITY OF DIRECTORS. No director shall be personally liable for the debts, liabilities, or other obligations of this corporation.

Section 19.   COMPLIANCE WITH LAWS GOVERNING STUDENT RECORDS. The Charter School and the Board of Directors shall comply with all applicable provisions of the Family Education Rights Privacy Act ("FERPA") as set forth in Title 20 of the United States Code Section 1232g and attendant regulations as they may be amended from time to time.

Section 20.   COMPLIANCE WITH CONFLICTS OF INTEREST LAWS. The corporation shall comply with applicable conflict of interest laws, including the Political Reform Act of 1974 (Chapter 1 (commencing with Section 81000) of Title 9 of the Government Code) and Govt. Code § 1090 fil

ARTICLES VIII
MEETINGS

Section 1.   PLACE OF BOARD OF DIRECTORS MEETINGS. The Board of Directors may designate that a meeting be held at any place within California that has been designated by resolution of the Board of Directors or in the notice of the meeting and which is in compliance with the Ralph M. Brown Act. The Board of Directors commits to rotating the locations of its regular physical meetings among the counties where the corporation's charter school sites are located, and to holding at least one of its regular physical meetings in a calendar year in each of those counties, and that the final date, time, and place will be specified in the notice of the meeting in compliance with the Ralph M. Brown Act.

All meetings of the Board of Directors shall be called, held and conducted in accordance with the terms and provisions of the Ralph M. Brown Act, California Government Code Sections 54950, fil ' as said chapter may be modified by subsequent legislation.

Section 2.   MEETINGS; ANNUAL MEETINGS. All meetings of the Board of Directors and its committees shall be called, noticed, and held in compliance with the provisions of the Ralph M. Brown Act. ("Brown Act") (Chapter 9 (commencing with Section 54950) of Division 2 of Title s of the Government Code).

The Board of Directors shall meet annually for the purpose of organization, appointment of officers, and the transaction of such other business as may properly be brought before the meeting. This meeting shall be held at a time, date, and place as may be specified and noticed by resolution of the Board of Directors.

Section 3.   REGULAR MEETINGS. Regular meetings of the Board of Directors shall be held on the second Thursday of each month, unless the second Thursday of the month should fall on a legal holiday in which event the regular meeting shall be held at the same hour and place on the next business day following the legal holiday. At least 72 hours before a regular meeting, the Board of Directors, or its designee, shall post an agenda containing a brief general description of each item of business to be transacted or discussed at the meeting.

Section 4.   SPECIAL MEETINGS. Special meetings of the Board of Directors for any purpose may be called at any time by the Chairman of the Board of Directors, if there is such an officer or a majority of the Board of Directors . If a Chairman of the Board has not been elected, then the President is authorized to call a special meeting in place of the Chairman of the Board. The party calling a special meeting shall determine the place, date, and time thereof.

Sections.   NOTICE OF SPECIAL MEETINGS. In accordance with the Brown Act, special meetings of the Board of Directors may be held only after twenty-four (24) hours' notice is given to each director and to the public through the posting of an agenda . Pursuant to the Brown Act, the Board of Directors shall adhere to the following notice requirements for special meetings:

a.   Any such notice shall be addressed or delivered to each director at the director's address as it is shown on the records of the corporation, or as may have been given to the corporation by the director for purposes of notice, or, if an address is not shown on the corporation 's records or is not readily ascertainable, at the place at which the meetings of the Board of Directors are regularly held.

Adopted: 6/16/08 Amended: 4/19/12, 4/11/13, 12/12/13, 1/9/15, 2/16/15, 8/11/16, 10/26/16, 11/3/16, 10/11/18

Powered by BoardOnTrack   1887 of 2549

b.   Notice by mail shall be deemed received at the time a properly addressed written notice is deposited in the United States mail, postage prepaid. Any other written notice shall be deemed received at the time it is personally delivered to the recipient or is delivered to a common carrier for transmission, or is actually transmitted by the person giving the notice by electronic means to the recipient. Oral notice shall be deemed received at the time it is communicated, in person or by telephone or wireless, to the recipient or to a person at the office of the recipient whom the person giving the notice has reason to believe will promptly communicate it to the receiver.

c.   The notice of special meeting shall state the time of the meeting, and the place if the place is other than the principal office of the corporation, and the general nature of the business proposed to be transacted at the meeting. No business, other than the business the general nature of which was set forth in the notice of the meeting, may be transacted at a special meeting.

Section 6.   TELECONFERENCE MEETINGS. Members of the Board of Directors may participate in teleconference meetings so long as all of the following requirements in the Brown Act are complied with:

a.   At a minimum, a quorum of the members of the Board of Directors shall participate in the teleconference meeting from locations within the boundaries of a school district in which at least one of the charter schools operated by the corporation operates;

b.   All votes taken during a teleconference meeting shall be by roll call;

c.   If the Board of Directors elects to use teleconferencing, it shall post agendas at all teleconference locations with each teleconference location being identified in the notice and agenda of the meeting;

d.   All locations where a member of the Board of Directors participates in a meeting via teleconference must be fully accessible to members of the public and shall be listed on the agenda;'

e.   Members of the public must be able to hear what is said during the meeting and shall be provided with an opportunity to address the Board of Directors directly at each teleconference location; and

f.   The agenda shall indicate that members of the public attending a meeting conducted via teleconference need not give their name when entering the conference call.[2]

Section 7.   ADJOURNMENT. A majority of the directors present, whether or not a quorum is present, may adjourn any Board of Directors meeting to another time or place. If a meeting is adjourned for more than twenty-four (24) hours, notice of such adjournment to another time or place shall be given, prior to the time schedule for the continuation of the meeting, to the directors who were not present at the time of the adjournment, and to the public in the manner prescribed by any applicable public open meeting law.

• This means that members of the Board of Directors who choose to utilize their homes or offices as teleconference locations must open these locations to the public and accommodate any members of the public who wish to attend the meeting at that location.
• The Brown Act prohibits requiring members of the public to provide their names as a condition of attendance at the meeting.

ARTICLEX
OFFICERS OF THE CORPORATION

Section 1.	OFFICES HELD. The officers of this corporation shall be a President, a Secretary, and Chief Financial Officer, who shall be known as the "Treasurer." The corporation, at the Board's direction, may also have a Chairman of the Board, one or more Vice-Presidents, one or more assistant secretaries, one or more assistant treasurers, and such other officers as may be appointed under Article X Section 4, of these bylaws.

Section 2.	DUPLICATION OF OFFICE HOLDERS. Any number of offices may be held by the same person, except that neither the Secretary nor the Treasurer may serve concurrently as either the President or the Chairman of the Board.

Section 3.	ELECTION OF OFFICERS. The officers of this corporation shall be chosen annually by the Board of Directors and shall serve at the pleasure of the Board.

Section 4.	APPOINrMENT OF OTHER OFFICERS. The Board of Directors may appoint and authorize the Chairman of the Board, the President, or another officer to appoint any other officers that the corporation may require. Each appointed officer shall have the title and authority, hold office **for** the period, and perform the duties specified in the bylaws or established by the Board.

Section 5.	REMOVALOF OFFICERS. Without prejudice to the rights of anyofficerunder an employment contract, the Board of Directors may remove any officer with or without cause.

Section 6.	RESIGNATION OF OFFICERS. Any officer may resign at any time by giving written notice to the Board. The resignation shall take effect on the date the notice is received or at any later time specified in the notice. Unless otherwise specified in the notice, the resignation need not be accepted to be effective. Any resignation shall be without prejudice to any rights of the corporation under any contract to which the officer is a party.

Section 7.	VACANCIES IN OFFICE. A vacancy in any office because of death, resignation, removal, disqualification, or any other cause shall be filled in the manner prescribed in these bylaws for normal appointment to that office, provided, however, that vacancies need not be filled on an annual basis.

Section 8.	CHAIRMAN OF THE BOARD. If a Chairman of the Board of Directors is elected, he or she shall preside at the Board of Directors' meetings and shall exercise and perform such other powers and duties as the Board of Directors may assign from time to time. If there is no President, the Chairman of the Board of Directors shall also be the chief executive officer and shall have the powers and duties of the President of the corporation set forth in these bylaws. If a Chairman of the Board of Directors is elected, there shall also be a Vice-Chairman of the Board of Directors. In the absence of the Chairman, the Vice-Chairman shall preside at Board of Directors meetings and shall exercise and perform such other powers and duties as the Board of Directors may assign from time to time.

Section 9.	PRESIDENT. Subject to such supervisory powers as the Board of Directors may give to the Chairman of the Board, if any, and subject to the control of the Board, the President shall be the general manager of the

Amended and Restated Bylaws of Magnolia Educational & Research Foundation	Page 8 of 13
Adopted: 6/16/08 Amended: 4/19/12, 4/11/13, 12/12/13, 1/9/15, 2/16/15, 8/11/16, 10/26/16, 11/3/16, 10/11/18

corporation and shall supervise, direct, and control the corporation's activities, affairs, and officers as fully described in any applicable employment contract, agreement, or job specification. The President shall preside at all Board of Directors' meetings. The President shall have such other powers and duties as the Board of Directors or the bylaws may require.

Section 10.   VICE-PRESIDENTS. If the President is absent or disabled, the Vice-Presidents, if any, in order of their rank as fixed by the Board, or, if not ranked, a Vice-President designated by the Board, shall perform all duties of the President When so acting, a Vice-President shall have all powers of and be subject to all restrictions on the President. The Vice-Presidents shall have such other powers and perform such other duties as the Board of Directors or the bylaws may require.

Section 11.   SECRETARY. The Secretary shall keep or cause to be kept, at the corporation's principal office or such other place as the Board of Directqrs may direct, a book of minutes of all meetings, proceedings, and actions of the Board and of committees of the Board. The minutes of meetings shall include the time and place that the meeting was held; whether the meeting was annual, regular, or special and, if special, how authorized; the notice given; and the names of the directors present at Board of Directors and committee meetings.

The Secretary shall keep or cause to be kept, at the principal California office, a copy of the articles of incorporation and bylaws, as amended to date.

The Secretary shall give, or cause to be given, notice of all meetings of the Board and of committees of the Board of Directors that these bylaws require to be given. The Secretary shall keep the corporate seal, if any, in safe custody and shall have such other powers and perform such other duties as the Board of Directors or the bylaws may require.

Section 12.   TREASURER. The Treasurer shall keep and maintain, or cause to be kept and maintained, adequate and correct books and accounts of the corporation's properties and transactions. The Treasurer shall send or cause to be given to directors such financial statements and reports as are required to be given by law, by these bylaws, or by the Board. The books of account shall be open to inspection by any director at all reasonable times.

The Treasurer shall (a) deposit, or cause to be deposited, all money and other valuables in the name and to the credit of the corporation with such depositories as the Board of Directors may designate; (b) disburse the corporation's funds as the Board of Directors may order; (c) render to the President, Chairman of the Board, if any, and the Board, when requested, an account of all transactions as Treasurer and of the financial condition of the corporation; and (d) have such other powers and perform such other duties as the Board or the bylaws may require.

If required by the Board, the Treasurer shall give the corporation a bond in the amount and with the surety or sureties specified by the Board of Directors for faithful performance of the duties of the office and for restoration to the corporation of all of its books, papers, vouchers, money, and other property of every kind in the possession or under the control of the Treasurer on his or her death, resignation, retirement, or removal from office.

Section 13.   VICE-CHAIRMEN. One Vice-Chairman of the Board of Directors will be assigned to each county in which a charter school operated by the corporation is located.

ARTICLEXI
CONTRACT'S WITH DIRECfORS

Section 1.   CONTRACTS WITH DIRECTORS. In compliance with Government Code Section 1090 fil . the corporation shall not enter into a contract or transaction in which a director directly or indirectly has a material financial interest (nor any other corporation, firm, association, or other entity in which one or more of the corporation's directors are directors and have a material financial interest).

ARTICLEXII
CONTRACT'S WITH NON-DIRECfOR DESIGNATED EMPLOYEES

Section 1.   CONTRACTS WITH NON-DIRECTOR DESIGNATED EMPLOYEES. The corporation shall not enter into a contract or transaction in which a non-director designated employee (e.g., officers and other key decision-making employees) directly or indirectly has a material financial interest unless all of the requirements in the corporation's Conflict of Interest Code and applicable law have been fulfilled.

Section 2.   AGAINST NEPOTISM. If a member of an officer's or employee's immediate family is to be hired to work in a position directly subordinate or supervisory to the officer or employee, that fact should be disclosed in advance to the Board of Directors so that a determination can be made whether to permit an exception to the normal prohibition against nepotism.

ARTICLE XIII
LOANS TO DIRECfORS AND OFFICERS

Section 1.   LOANS TO DIRECTORS AND OFFICERS. This corporation shall not lend any money or property to or guarantee the obligation of any director or officer without the approval of the California Attorney General; provided, however, that the corporation may advance money to a director or officer of the corporation for expenses reasonably anticipated to be incurred in the performance of his or her duties if that director or officer would be entitled to reimbursement for such expenses of the corporation.

ARTICLEXIV
INDEMNIFICATION

Section 1.   INDEMNIFICATION. To the fullest extent permitted by law, this corporation shall indemnify its directors, officers, employees, and other persons described in Corporations Code Section 5238(a), including persons formerly occupying any such positions, against all expenses, judgments, fines, settlements, and other amounts actually and reasonably incurred by them in connection with any "proceeding," as that term is used in that section, and including an action by or in the right of the corporation by reason of the fact that the person is or was a person described in that section. "Expenses," as used in this bylaw, shall have the same meaning as in that section of the Corporations Code.

On written request to the Board of Directors by any person seeking indemnification under Corporations Code Section 5238 (b) or Section 5238 (c) the Board of Directors shall promptly decide under Corporations Code Section 5238

(e) whether the applicable standard of conduct set forth in Corporations Code Section 5238 (b) or Section 5238 (c) has been met and, if so, the Board of Directors shall authorize indemnification.

<div align="center">

ARTICLE XV

INSURANCE

</div>

Section 1.   INSURANCE. This corporation shall have the right to purchase and maintain insurance to the full extent permitted by law on behalf of its directors, officers, employees, and other agents, to cover any liability asserted against or incurred by any director, officer, employee, or agent in such capacity or arising from the director's, officer's, employee's, or agent's status as such.

<div align="center">

ARTICLE XVI

MAINTENANCE OF CORPORATE RECORDS

</div>

Section 1.   MAINTENANCE OF CORPORATE RECORDS. This corporation shall keep:

a.   Adequate and correct books and records of account;

b.   Written minutes of the proceedings of the Board and committees of the Board; and

c.   Such reports and records as required by law.

<div align="center">

ARTICLE XVII

INSPECTION RIGHTS

</div>

Section 1.   DIRECTORS' RIGIIT TO INSPECT. Every director shall have the right at any reasonable time to inspect the corporation's books, records, documents of every kind, physical properties, and the records of each subsidiary as permitted by California and federal law. The inspection may be made in person or by the director's agent or attorney. The right of inspection includes the right to copy and make extracts of documents as permitted by California and federal law. This right to inspect may be circumscribed in instances where the right to inspect conflicts with California or federal law (e.g., restrictions on the release of educational records under FERPA) pertaining to access to books, records, and documents.

Section 2.   ACCOUNTING RECORDS AND MINUTES. On written demand on the corporation, any director may inspect, copy, and make extracts of the accounting books and records and the minutes of the proceedings of the Board of Directors and committees of the Board of Directors at any reasonable time for a purpose reasonably related to the director's interest as a director. Any such inspection and copying may be made in person or by the director's agent or attorney. This right of inspection extends to the records of any subsidiary of the corporation.

Section 3.   MAINTENANCE AND INSPECTION OF ARTICLES AND BYLAWS. This corporation shall keep at its principal California office the original or a copy of the articles of incorporation and bylaws, as amended to the current date, which shall be open to inspection by the directors at all reasonable times during office hours. If the corporation has no business office in California, the Secretary shall, on the written request of any director, furnish to that director a copy of the articles of incorporation and bylaws, as amended to the current date.

Amended and Restated Bylaws of Magnolia Educational & Research Foundation   Page 11 of 13
Adopted: 6/16/08 Amended: 4/19/12, 4/11/13, 12/12/13, 1/9/15, 2/16/15, 8/11/16, 10/26/16, 11/3/16, 10/11/18

ARTICLE XVIII
REQUIRED REPORTS

Section 1.   ANNUAL REPORTS. The Board of Directors shall cause an annual report to be sent to itself (the members of the Board of Directors) within 120 days after the end of the corporation's fiscal year. That report shall contain the following information, in appropriate detail:

a.   The assets and liabilities, including the tn1st fonds, or the corporation as of the end of the fiscal year;

b.   The principal changes in assets and liabilities, including trust funds;

c.   The corporation's revenue or receipts, both unrestricted and restricted to particular purposes;

d.   The corporation's expenses or disbursement for both general and restricted purposes;

e.   Any information required under these bylaws; and

f.   An independent accountant's report or, if none, the certificate of an authorized officer of the corporation that such statements were prepared without audit from the corporation's books and records.

Section 2.   ANNUAL SfATEMENf OF CERTAIN TRANSACTIONS AND INDEMNIFICATIONS. The corporation shall comply with the reporting requirements of Corporations Code Section 6322.

ARTICLEXIX
BYLAW AMENDMENTS

Section 1.   BYLAW AMENDMENTS. The Board of Directors may adopt, amend or repeal any of these Bylaws bya majority of the directors present at a meeting duly held at which a quorum is present, except that no amendment shall make any provisions of these Bylaws inconsistent with the corporation's Articles of Incorporation, or any laws. The Board of Directors may only amend these Bylaws provisions fixing the authorized number of directors or establishing procedures for the nomination or appointment of directors by unanimous vote of all directors then in office. This section may only be amended by the unanimous vote of the all the directors then in office.

AR.TICLEXX
FISCALYEAR

Section 1.   FISCAL YEAR OF THE CORPORATION. The fiscal year of the corporation shall begin on July 1st and end on June 30th of each year.

AMENDED AND RESTATED BYLAWS

OF

MAGNOLIA EDUCATIONAL & RESEARCH FOUNDATION

(A California Nonprofit Public Benefit Corporation)

ARTICLE I
NAME

Section 1.   NAME. The name of this corporation is Magnolia Educational & Research Foundation.

ARTICLE II
PRINCIPAL OFFICE OF THE CORPORATION

Section 1.   PRINCIPAL OFFICE OF THE CORPORATION. The principal office for the transaction of the activities and affairs of this corporation is 250 East 1st Street, Suite 1500, Los Angeles, 90012 California. The Board of Directors may change the location of the principal office. Any such change of location must be noted by the Secretary on these bylaws opposite this Section; alternatively, this Section may be amended to state the new location.

Section 2.   OTHER OFFICES OF THE CORPORATION. The Board of Directors may at any time establish branch or subordinate offices at any place or places where this corporation is qualified to conduct its activities.

ARTICLE III
GENERAL AND SPECIFIC PURPOSES; LIMITATIONS

Section 1.   GENERAL AND SPECIFIC PURPOSES. The purposes of this corporation are to provide community support in educational and research areas, which include, but are not limited to the following: managing, operating, guiding, directing and promoting public charter schools; conducting scientific research at K-12 schools and colleges to identify and implement successful education practices; promoting and discovering the research modules in scientific areas with applied and practicable methods to promote prospective scientists; coordinating international conferences/competitions in various fields of academic study. Also in the context of these purposes, the Corporation shall not, except to an insubstantial degree, engage in any other activities or exercise of power that do not further the purposes of the Corporation.

The Corporation shall not carry on any other activities not permitted to be carried on by: (a) a corporation exempt from federal income tax under section 501(c)(3) of the Internal Revenue Code, or the corresponding section of any future federal tax code; or (b) a corporation, contributions to which are deductible under section 170(c)(2) of the Internal Revenue Code, or the corresponding section of any future federal tax code. No substantial part of the activities of the corporation shall consist of the carrying on of propaganda, or otherwise attempting to influence legislation, and the corporation shall not participate in, or intervene in (including the publishing or distributing of statements) any political campaign on behalf of or in opposition to any candidate for public office.

ARTICLE IV
CONSTRUCTION AND DEFINITIONS

Section 1.   CONSTRUCTION AND DEFINITIONS. Unless the context indicates otherwise, the general provisions, rules of construction and definitions in the California Nonprofit Corporation Law shall govern the construction of these bylaws. Without limiting the generality of the preceding sentence, the masculine gender includes the feminine and neuter, the singular includes the plural, and the plural includes the singular, and the term "person" includes both a legal entity and a natural person.

ARTICLE V
DEDICATION OF ASSETS

Section 1.   DEDICATION OF ASSETS. This corporation's assets are irrevocably dedicated to public benefit purposes. No part of the net earnings, properties, or assets of the corporation, on dissolution or otherwise, shall inure to the benefit of any private person or individual, or to any director or officer of the corporation. On liquidation or dissolution, all properties and assets remaining after payment, or provision for payment, of all debts, liabilities and all charter obligations of the corporation shall be distributed to a nonprofit fund, foundation, or corporation that is organized and operated exclusively for the public and/or charitable purposes of managing, operating, guiding, directing, promoting, and/or supporting one or more California public charter schools that serve students in grades K-12 and that has established its exempt status under Internal Revenue Code section 501(c)(3).

ARTICLE VI
CORPORATIONS WITHOUT MEMBERS

Section 1.   CORPORATIONS WITHOUT MEMBERS. This corporation shall have no voting members within the meaning of the Nonprofit Corporation Law.

ARTICLE VII
BOARD OF DIRECTORS

Section 1.   GENERAL POWERS. Subject to the provisions and limitations of the California Nonprofit Public Benefit Corporation Law and any other applicable laws, and subject to any limitations of the articles of incorporation or bylaws, the corporation's activities and affairs shall be managed, and all corporate powers shall be exercised, by or under the direction of the Board of Directors ("Board"). The Board may delegate the management of the corporation's activities to any person(s), management company or committees, however composed, provided that the activities and affairs of the corporation shall be managed and all corporate powers shall be exercised under the ultimate direction of the Board.

Section 2.   SPECIFIC POWERS. Without prejudice to the general powers set forth in Section 1 of these bylaws, but subject to the same limitations, the Board of Directors shall have the power to:

a.   Appoint and remove, at the pleasure of the Board of Directors, all corporate officers, agents, and

employees; prescribe powers and duties for them as are consistent with the law, the articles of incorporation, and these bylaws; fix their compensation; and require from them security for faithful service.

b. Change the principal office or the principal business office in California from one location to another; cause the corporation to be qualified to conduct its activities in any other state, territory, dependency, or country; conduct its activities in or outside California; and designate a place in California for holding any meeting of members.

c. Borrow money and incur indebtedness on the corporation's behalf and cause to be executed and delivered for the corporation's purposes, in the corporate name, promissory notes, bonds, debentures, deeds of trust, mortgages, pledges, hypothecations, and other evidences of debt and securities.

d. Adopt and use a corporate seal; prescribe the forms of membership certificates; and alter the forms of the seal and certificates.

Section 3.   DESIGNATED DIRECTORS. The number of directors shall be no less than three (3) and no more than eleven (11), unless changed by amendments to these bylaws. The exact number of directors shall be fixed within these limits by a Resolution of the Board. All directors shall be designated by the existing Board of Directors.

The Board of Directors commits to designating at least one (1) director who resides in each county where this corporation operates a charter school. The Board of Directors shall strive to recruit directors representing parents and the charter school communities, from diverse professional and ethnic backgrounds and commits to designating at least one (1) director representing parents at all times.

Section 4.   RESTRICTION ON EMPLOYEE DIRECTORS. No current employees of the corporation may serve on the Board of Directors.

Section 5.   DIRECTORS' TERMS. Each director shall hold office for five (5) years and until a successor director has been designated and qualified. The terms of directors shall be staggered as determined by the Board. Staggering has been accomplished by the Board appointing directors on different dates. Staggering shall be maintained as directors shall be appointed to fill vacant seats at the expiration of each staggered term.

Section 6.   NOMINATIONS BY COMMITTEE. The Chairman of the Board of Directors or, if none, the President will appoint a committee to nominate qualified candidates for designation to the Board of Directors at least thirty (30) days before the date of any designation of directors. The nominating committee shall make its report at least seven (7) days before the date of the designation or at such other time as the Board of Directors may set and the Secretary shall forward to each Board member, with the notice of meeting required by these bylaws, a list of all candidates nominated by committee. Any member of the community may also refer a potential candidate to the Board for consideration.

Section 7.   USE OF CORPORATE FUNDS TO SUPPORT NOMINEE. If more people have been nominated for director than can be designated, no corporation funds may be expended to support a nominee.

Section 8.   EVENTS CAUSING VACANCIES ON BOARD. A vacancy or vacancies on the Board of Directors shall occur in the event of (a) the death, resignation, or removal of any director; (b) the declaration by resolution

Amended and Restated Bylaws of Magnolia Educational & Research Foundation   Page 3 of 13
Adopted: 6/16/08 Amended: 4/19/12, 4/11/13, 12/12/13, 1/9/15, 2/16/15, 8/11/16, 10/26/16, 11/3/16, 10/11/18

of the Board of Directors of a vacancy in the office of a director who has been convicted of a felony, declared of unsound mind by a court order, or found by final order or judgment of any court to have breached a duty under California Nonprofit Public Benefit Corporation Law, Chapter 2, Article 3; (c) the increase of the authorized number of directors; and (d) the failure of the members, at any meeting of members at which any director or directors are to be elected, to elect the number of directors required to be elected at such meeting.

Section 9.   RESIGNATION OF DIRECTORS. Except as provided below, any director may resign by giving written notice to the Chairman of the Board, if any, or to the President, or the Secretary, or to the Board. The resignation shall be effective when the notice is given unless the notice specifies a later time for the resignation to become effective. If a director's resignation is effective at a later time, the Board of Directors may elect a successor to take office as of the date when the resignation becomes effective.

Section 10.   DIRECTOR MAY NOT RESIGN IF NO DIRECTOR REMAINS. Except on notice to the California Attorney General, no director may resign if the corporation would be left without a duly elected director or directors.

Section 11.   REMOVAL OF DIRECTORS. Any director may be removed, with or without cause, by a simple majority of directors then in office at a special meeting called for that purpose, or at a regular meeting, provided that notice of that meeting and of the removal questions are given in compliance with the provisions of the Ralph M. Brown Act. (Chapter 9 (commencing with Section 54950) of Division 2 of Title 5 of the Government Code). Any vacancy caused by the removal of a director shall be filled as provided in Section 12.

Section 12.   VACANCIES FILLED BY BOARD. Vacancies on the Board of Directors may be filled by approval of the Board of Directors or, if the number of directors then in office is less than a quorum, by (a) the unanimous consent of the directors then in office, (b) the affirmative vote of a majority of the directors then in office at a meeting held according to notice or waivers of notice complying with Corporations Code Section 5211, or (c) a sole remaining director.

Section 13.   NO VACANCY ON REDUCTION OF NUMBER OF DIRECTORS. Any reduction of the authorized number of directors shall not result in any directors being removed before his or her term of office expires.

Section 14.   QUORUM. A majority of the directors then in office shall constitute a quorum. If a quorum is present, the affirmative vote of the majority of the directors at the meeting shall be a decision of the Board of Directors. Should there be fewer than a majority of the directors present at any meeting, the meeting shall be adjourned. A majority of the directors present, whether or not constituting a quorum, may adjourn any meeting to another time and place. Directors may not vote by proxy. The vote or abstention of each board member present for each action taken shall be publicly reported.

Section 15.   COMPENSATION AND REIMBURSEMENT. Directors shall serve without compensation except that they shall be allowed reasonable advancement or reimbursement of actual reasonable expenses incurred in carrying out his or her duties. Directors shall not otherwise be compensated.

Section 16.   CREATION AND POWERS OF COMMITTEES. The Board, by resolution adopted by a majority of the directors then in office, may create one or more committees, each consisting of two or more directors and no one who is not a director, to serve at the pleasure of the Board. Appointments to committees of the Board of Directors shall be by majority vote of the authorized number of directors. The Board of Directors may appoint one or more directors as alternate members of any such committee, who may replace any absent member at any meeting. Any such committee shall have all the authority of the Board, to the extent provided in the Board of Directors' resolution, except that no committee may:

a.   Take any final action on any matter that, under the California Nonprofit Public Benefit Corporation Law, also requires approval of the members or approval of a majority of all members;

b.   Fill vacancies on the Board of Directors or any committee of the Board;

c.   Amend or repeal bylaws or adopt new bylaws;

d.   Amend or repeal any resolution of the Board of Directors that by its express terms is not so amendable or subject to repeal;

e.   Create any other committees of the Board of Directors or appoint the members of committees of the Board; or

f.   Expend corporate funds to support a nominee for director if more people have been nominated for director than can be elected.

Section 17.   MEETINGS AND ACTION OF COMMITTEES. Meetings and actions of committees of the Board of Directors shall be governed by, held, and taken under the provisions of these bylaws concerning meetings, other Board of Directors' actions, and the Brown Act, except that the time for general meetings of such committees and the calling of special meetings of such committees may be set either by Board of Directors' resolution or, if none, by resolution of the committee. Minutes of each meeting shall be kept and shall be filed with the corporate records. The Board of Directors may adopt rules for the governance of any committee as long as the rules are consistent with these bylaws. If the Board of Directors has not adopted rules, the committee may do so.

Section 18.   NON-LIABILITY OF DIRECTORS.   No director shall be personally liable for the debts, liabilities, or other obligations of this corporation.

Section 19.   COMPLIANCE WITH LAWS GOVERNING STUDENT RECORDS. The Charter School and the Board of Directors shall comply with all applicable provisions of the Family Education Rights Privacy Act ("FERPA") as set forth in Title 20 of the United States Code Section 1232g and attendant regulations as they may be amended from time to time.

Section 20.   COMPLIANCE WITH CONFLICTS OF INTEREST LAWS. The corporation shall comply with applicable conflict of interest laws, including the Political Reform Act of 1974 (Chapter 1 (commencing with Section 81000) of Title 9 of the Government Code) and Govt. Code § 1090 et seq.

ARTICLES VIII
MEETINGS

Section 1.   PLACE OF BOARD OF DIRECTORS MEETINGS. The Board of Directors may designate that a meeting be held at any place within California that has been designated by resolution of the Board of Directors or in the notice of the meeting and which is in compliance with the Ralph M. Brown Act. The Board of Directors commits to rotating the locations of its regular physical meetings among the counties where the corporation's charter school sites are located, and to holding at least one of its regular physical meetings in a calendar year in each of those counties, and that the final date, time, and place will be specified in the notice of the meeting in compliance with the Ralph M. Brown Act.

All meetings of the Board of Directors shall be called, held and conducted in accordance with the terms and provisions of the Ralph M. Brown Act, California Government Code Sections 54950, et seq., as said chapter may be modified by subsequent legislation.

Section 2.   MEETINGS; ANNUAL MEETINGS.   All meetings of the Board of Directors and its committees shall be called, noticed, and held in compliance with the provisions of the Ralph M. Brown Act. ("Brown Act") (Chapter 9 (commencing with Section 54950) of Division 2 of Title 5 of the Government Code).

The Board of Directors shall meet annually for the purpose of organization, appointment of officers, and the transaction of such other business as may properly be brought before the meeting. This meeting shall be held at a time, date, and place as may be specified and noticed by resolution of the Board of Directors.

Section 3.   REGULAR MEETINGS. Regular meetings of the Board of Directors shall be held on the second Thursday of each month, unless the second Thursday of the month should fall on a legal holiday in which event the regular meeting shall be held at the same hour and place on the next business day following the legal holiday. At least 72 hours before a regular meeting, the Board of Directors, or its designee, shall post an agenda containing a brief general description of each item of business to be transacted or discussed at the meeting.

Section 4.   SPECIAL MEETINGS. Special meetings of the Board of Directors for any purpose may be called at any time by the Chairman of the Board of Directors, if there is such an officer or a majority of the Board of Directors. If a Chairman of the Board has not been elected, then the President is authorized to call a special meeting in place of the Chairman of the Board. The party calling a special meeting shall determine the place, date, and time thereof.

Section 5.   NOTICE OF SPECIAL MEETINGS. In accordance with the Brown Act, special meetings of the Board of Directors may be held only after twenty-four (24) hours' notice is given to each director and to the public through the posting of an agenda. Pursuant to the Brown Act, the Board of Directors shall adhere to the following notice requirements for special meetings:

a.   Any such notice shall be addressed or delivered to each director at the director's address as it is shown on the records of the corporation, or as may have been given to the corporation by the director for purposes of notice, or, if an address is not shown on the corporation's records or is not readily ascertainable, at the place at which the meetings of the Board of Directors are regularly held.

Amended and Restated Bylaws of Magnolia Educational & Research Foundation   Page 6 of 13
Adopted: 6/16/08 Amended: 4/19/12, 4/11/13, 12/12/13, 1/9/15, 2/16/15, 8/11/16, 10/26/16, 11/3/16, 10/11/18

Powered by BoardOnTrack   1901 of 254

b.   Notice by mail shall be deemed received at the time a properly addressed written notice is deposited in the United States mail, postage prepaid. Any other written notice shall be deemed received at the time it is personally delivered to the recipient or is delivered to a common carrier for transmission, or is actually transmitted by the person giving the notice by electronic means to the recipient. Oral notice shall be deemed received at the time it is communicated, in person or by telephone or wireless, to the recipient or to a person at the office of the recipient whom the person giving the notice has reason to believe will promptly communicate it to the receiver.

c.   The notice of special meeting shall state the time of the meeting, and the place if the place is other than the principal office of the corporation, and the general nature of the business proposed to be transacted at the meeting. No business, other than the business the general nature of which was set forth in the notice of the meeting, may be transacted at a special meeting.

Section 6.   TELECONFERENCE MEETINGS. Members of the Board of Directors may participate in teleconference meetings so long as all of the following requirements in the Brown Act are complied with:

a.   At a minimum, a quorum of the members of the Board of Directors shall participate in the teleconference meeting from locations within the boundaries of a school district in which at least one of the charter schools operated by the corporation operates;

b.   All votes taken during a teleconference meeting shall be by roll call;

c.   If the Board of Directors elects to use teleconferencing, it shall post agendas at all teleconference locations with each teleconference location being identified in the notice and agenda of the meeting;

d.   All locations where a member of the Board of Directors participates in a meeting via teleconference must be fully accessible to members of the public and shall be listed on the agenda;[1]

e.   Members of the public must be able to hear what is said during the meeting and shall be provided with an opportunity to address the Board of Directors directly at each teleconference location; and

f.   The agenda shall indicate that members of the public attending a meeting conducted via teleconference need not give their name when entering the conference call.[2]

Section 7.   ADJOURNMENT. A majority of the directors present, whether or not a quorum is present, may adjourn any Board of Directors meeting to another time or place. If a meeting is adjourned for more than twenty-four (24) hours, notice of such adjournment to another time or place shall be given, prior to the time schedule for the continuation of the meeting, to the directors who were not present at the time of the adjournment, and to the public in the manner prescribed by any applicable public open meeting law.

---

[1] This means that members of the Board of Directors who choose to utilize their homes or offices as teleconference locations must open these locations to the public and accommodate any members of the public who wish to attend the meeting at that location.
[2] The Brown Act prohibits requiring members of the public to provide their names as a condition of attendance at the meeting.

Amended and Restated Bylaws of Magnolia Educational & Research Foundation   Page 7 of 13
Adopted: 6/16/08 Amended: 4/19/12, 4/11/13, 12/12/13, 1/9/15, 2/16/15, 8/11/16, 10/26/16, 11/3/16, 10/11/18

ARTICLE X
OFFICERS OF THE CORPORATION

Section 1. OFFICES HELD. The officers of this corporation shall be a President, a Secretary, and Chief Financial Officer, who shall be known as the "Treasurer." The corporation, at the Board's direction, may also have a Chairman of the Board, one or more Vice-Presidents, one or more assistant secretaries, one or more assistant treasurers, and such other officers as may be appointed under Article X Section 4, of these bylaws.

Section 2. DUPLICATION OF OFFICE HOLDERS. Any number of offices may be held by the same person, except that neither the Secretary nor the Treasurer may serve concurrently as either the President or the Chairman of the Board.

Section 3. ELECTION OF OFFICERS. The officers of this corporation shall be chosen annually by the Board of Directors and shall serve at the pleasure of the Board.

Section 4. APPOINTMENT OF OTHER OFFICERS. The Board of Directors may appoint and authorize the Chairman of the Board, the President, or another officer to appoint any other officers that the corporation may require. Each appointed officer shall have the title and authority, hold office for the period, and perform the duties specified in the bylaws or established by the Board.

Section 5. REMOVAL OF OFFICERS. Without prejudice to the rights of any officer under an employment contract, the Board of Directors may remove any officer with or without cause.

Section 6. RESIGNATION OF OFFICERS. Any officer may resign at any time by giving written notice to the Board. The resignation shall take effect on the date the notice is received or at any later time specified in the notice. Unless otherwise specified in the notice, the resignation need not be accepted to be effective. Any resignation shall be without prejudice to any rights of the corporation under any contract to which the officer is a party.

Section 7. VACANCIES IN OFFICE. A vacancy in any office because of death, resignation, removal, disqualification, or any other cause shall be filled in the manner prescribed in these bylaws for normal appointment to that office, provided, however, that vacancies need not be filled on an annual basis.

Section 8. CHAIRMAN OF THE BOARD. If a Chairman of the Board of Directors is elected, he or she shall preside at the Board of Directors' meetings and shall exercise and perform such other powers and duties as the Board of Directors may assign from time to time. If there is no President, the Chairman of the Board of Directors shall also be the chief executive officer and shall have the powers and duties of the President of the corporation set forth in these bylaws. If a Chairman of the Board of Directors is elected, there shall also be a Vice-Chairman of the Board of Directors. In the absence of the Chairman, the Vice-Chairman shall preside at Board of Directors meetings and shall exercise and perform such other powers and duties as the Board of Directors may assign from time to time.

Section 9. PRESIDENT. Subject to such supervisory powers as the Board of Directors may give to the Chairman of the Board, if any, and subject to the control of the Board, the President shall be the general manager of the

corporation and shall supervise, direct, and control the corporation's activities, affairs, and officers as fully described in any applicable employment contract, agreement, or job specification. The President shall preside at all Board of Directors' meetings. The President shall have such other powers and duties as the Board of Directors or the bylaws may require.

Section 10.   VICE-PRESIDENTS. If the President is absent or disabled, the Vice-Presidents, if any, in order of their rank as fixed by the Board, or, if not ranked, a Vice-President designated by the Board, shall perform all duties of the President. When so acting, a Vice-President shall have all powers of and be subject to all restrictions on the President. The Vice-Presidents shall have such other powers and perform such other duties as the Board of Directors or the bylaws may require.

Section 11.   SECRETARY. The Secretary shall keep or cause to be kept, at the corporation's principal office or such other place as the Board of Directors may direct, a book of minutes of all meetings, proceedings, and actions of the Board and of committees of the Board. The minutes of meetings shall include the time and place that the meeting was held; whether the meeting was annual, regular, or special and, if special, how authorized; the notice given; and the names of the directors present at Board of Directors and committee meetings.

The Secretary shall keep or cause to be kept, at the principal California office, a copy of the articles of incorporation and bylaws, as amended to date.

The Secretary shall give, or cause to be given, notice of all meetings of the Board and of committees of the Board of Directors that these bylaws require to be given. The Secretary shall keep the corporate seal, if any, in safe custody and shall have such other powers and perform such other duties as the Board of Directors or the bylaws may require.

Section 12.   TREASURER. The Treasurer shall keep and maintain, or cause to be kept and maintained, adequate and correct books and accounts of the corporation's properties and transactions. The Treasurer shall send or cause to be given to directors such financial statements and reports as are required to be given by law, by these bylaws, or by the Board. The books of account shall be open to inspection by any director at all reasonable times.

The Treasurer shall (a) deposit, or cause to be deposited, all money and other valuables in the name and to the credit of the corporation with such depositories as the Board of Directors may designate; (b) disburse the corporation's funds as the Board of Directors may order; (c) render to the President, Chairman of the Board, if any, and the Board, when requested, an account of all transactions as Treasurer and of the financial condition of the corporation; and (d) have such other powers and perform such other duties as the Board or the bylaws may require.

If required by the Board, the Treasurer shall give the corporation a bond in the amount and with the surety or sureties specified by the Board of Directors for faithful performance of the duties of the office and for restoration to the corporation of all of its books, papers, vouchers, money, and other property of every kind in the possession or under the control of the Treasurer on his or her death, resignation, retirement, or removal from office.

Section 13.   VICE-CHAIRMEN. One Vice-Chairman of the Board of Directors will be assigned to each county in which a charter school operated by the corporation is located.

ARTICLE XI
CONTRACTS WITH DIRECTORS

Section 1.   CONTRACTS WITH DIRECTORS. In compliance with Government Code Section 1090 et seq., the corporation shall not enter into a contract or transaction in which a director directly or indirectly has a material financial interest (nor any other corporation, firm, association, or other entity in which one or more of the corporation's directors are directors and have a material financial interest).

ARTICLE XII
CONTRACTS WITH NON-DIRECTOR DESIGNATED EMPLOYEES

Section 1.   CONTRACTS WITH NON-DIRECTOR DESIGNATED EMPLOYEES. The corporation shall not enter into a contract or transaction in which a non-director designated employee (e.g., officers and other key decision-making employees) directly or indirectly has a material financial interest unless all of the requirements in the corporation's Conflict of Interest Code and applicable law have been fulfilled.

Section 2.   AGAINST NEPOTISM. If a member of an officer's or employee's immediate family is to be hired to work in a position directly subordinate or supervisory to the officer or employee, that fact should be disclosed in advance to the Board of Directors so that a determination can be made whether to permit an exception to the normal prohibition against nepotism.

ARTICLE XIII
LOANS TO DIRECTORS AND OFFICERS

Section 1.   LOANS TO DIRECTORS AND OFFICERS. This corporation shall not lend any money or property to or guarantee the obligation of any director or officer without the approval of the California Attorney General; provided, however, that the corporation may advance money to a director or officer of the corporation for expenses reasonably anticipated to be incurred in the performance of his or her duties if that director or officer would be entitled to reimbursement for such expenses of the corporation.

ARTICLE XIV
INDEMNIFICATION

Section 1.   INDEMNIFICATION. To the fullest extent permitted by law, this corporation shall indemnify its directors, officers, employees, and other persons described in Corporations Code Section 5238(a), including persons formerly occupying any such positions, against all expenses, judgments, fines, settlements, and other amounts actually and reasonably incurred by them in connection with any "proceeding," as that term is used in that section, and including an action by or in the right of the corporation by reason of the fact that the person is or was a person described in that section. "Expenses," as used in this bylaw, shall have the same meaning as in that section of the Corporations Code.

On written request to the Board of Directors by any person seeking indemnification under Corporations Code Section 5238 (b) or Section 5238 (c) the Board of Directors shall promptly decide under Corporations Code Section 5238

(e) whether the applicable standard of conduct set forth in Corporations Code Section 5238 (b) or Section 5238 (c) has been met and, if so, the Board of Directors shall authorize indemnification.

ARTICLE XV
INSURANCE

Section 1. INSURANCE. This corporation shall have the right to purchase and maintain insurance to the full extent permitted by law on behalf of its directors, officers, employees, and other agents, to cover any liability asserted against or incurred by any director, officer, employee, or agent in such capacity or arising from the director's, officer's, employee's, or agent's status as such.

ARTICLE XVI
MAINTENANCE OF CORPORATE RECORDS

Section 1. MAINTENANCE OF CORPORATE RECORDS. This corporation shall keep:

a. Adequate and correct books and records of account;

b. Written minutes of the proceedings of the Board and committees of the Board; and

c. Such reports and records as required by law.

ARTICLE XVII
INSPECTION RIGHTS

Section 1. DIRECTORS' RIGHT TO INSPECT. Every director shall have the right at any reasonable time to inspect the corporation's books, records, documents of every kind, physical properties, and the records of each subsidiary as permitted by California and federal law. The inspection may be made in person or by the director's agent or attorney. The right of inspection includes the right to copy and make extracts of documents as permitted by California and federal law. This right to inspect may be circumscribed in instances where the right to inspect conflicts with California or federal law (e.g., restrictions on the release of educational records under FERPA) pertaining to access to books, records, and documents.

Section 2. ACCOUNTING RECORDS AND MINUTES. On written demand on the corporation, any director may inspect, copy, and make extracts of the accounting books and records and the minutes of the proceedings of the Board of Directors and committees of the Board of Directors at any reasonable time for a purpose reasonably related to the director's interest as a director. Any such inspection and copying may be made in person or by the director's agent or attorney. This right of inspection extends to the records of any subsidiary of the corporation.

Section 3. MAINTENANCE AND INSPECTION OF ARTICLES AND BYLAWS. This corporation shall keep at its principal California office the original or a copy of the articles of incorporation and bylaws, as amended to the current date, which shall be open to inspection by the directors at all reasonable times during office hours. If the corporation has no business office in California, the Secretary shall, on the written request of any director, furnish to that director a copy of the articles of incorporation and bylaws, as amended to the current date.

ARTICLE XVIII
REQUIRED REPORTS

Section 1.   ANNUAL REPORTS. The Board of Directors shall cause an annual report to be sent to itself (the members of the Board of Directors) within 120 days after the end of the corporation's fiscal year. That report shall contain the following information, in appropriate detail:

    a.   The assets and liabilities, including the trust funds, or the corporation as of the end of the fiscal year;

    b.   The principal changes in assets and liabilities, including trust funds;

    c.   The corporation's revenue or receipts, both unrestricted and restricted to particular purposes;

    d.   The corporation's expenses or disbursement for both general and restricted purposes;

    e.   Any information required under these bylaws; and

    f.   An independent accountant's report or, if none, the certificate of an authorized officer of the corporation that such statements were prepared without audit from the corporation's books and records.

Section 2.   ANNUAL STATEMENT OF CERTAIN TRANSACTIONS AND INDEMNIFICATIONS. The corporation shall comply with the reporting requirements of Corporations Code Section 6322.

ARTICLE XIX
BYLAW AMENDMENTS

Section 1.   BYLAW AMENDMENTS. The Board of Directors may adopt, amend or repeal any of these Bylaws by a majority of the directors present at a meeting duly held at which a quorum is present, except that no amendment shall make any provisions of these Bylaws inconsistent with the corporation's Articles of Incorporation, or any laws. The Board of Directors may only amend these Bylaws provisions fixing the authorized number of directors or establishing procedures for the nomination or appointment of directors by unanimous vote of all directors then in office. This section may only be amended by the unanimous vote of the all the directors then in office.

ARTICLE XX
FISCAL YEAR

Section 1.   FISCAL YEAR OF THE CORPORATION. The fiscal year of the corporation shall begin on July 1st and end on June 30th of each year.

CERTIFICATE OF SECRETARY

I certify that I am the duly elected and acting Secretary of the Magnolia Educational & Research Foundation, a California nonprofit public benefit corporation; that these amended and restated bylaws, consisting of **13** pages including this "Certificate of Secretary", are the bylaws of this corporation as adopted by the Board of Directors on October 11, 2018; and that these amended and restated bylaws have not been amended or modified since that date.

Board Agenda Item #	III H – Action Item
Date:	June 13, 2019
To:	Magnolia Board of Directors
From:	Alfredo Rubalcava, CEO & Superintendent
Staff Lead:	Erdinc Acar, Regional Director
RE:	Special Education and Related Services RFP # 5-1-2019 Awardees

Proposed Board Recommendation

Staff moves that the full Board of Directors of MPS (the "**MPS Board**") approve that MPS staff be directed to negotiate and Special Education and Related Services agreements with Edlogical Groups Corp and eLuma online therapy services.

Background

On May 1, 2019, MPS solicited proposals to establish a contract through competitive negotiations for the purpose of entering into a contract with qualified vendor(s) to provide special education and related services in grades TK-12. These services will be specifically to be provided as needed to assist an individual with exceptional needs to benefit from special education. Related services are determined by an IEP team and the IEP will specify frequency and duration of each service. Services are to commence with the beginning of the 2019-20 school year, with an implementation plan to be developed in a timely basis in order to use the services for the 2019-20 school year.

MPS collected 12 responses from vendors nationwide by the RFP deadline May 24, 2019 3:00 p.m. PST. An evaluation team consisting of school site representatives from all schools and home office were put together. By May 29, 2019, the team reviewed all proposals based on the criteria below.

250 E. 1st Street Suite 1500, Los Angeles, CA 90012 | www.magnoliapublicschools.org

Evaluation Criteria	Maximum Points
1.**Program Plan**: The adequacy and completeness of the plan offered addressing the Scope of Services. a. Clearly defined components of service delivery and implementation b. Evidence of school-based therapy/ instructional supports c. Clear explanation of organizational structure and contacts	30
2.**Contractor's Capabilities**: The demonstrated ability of the Contractor to provide services. a. Vendor experience and level of knowledge b. List of references c. Resume(s) d. Ability to provide all necessary services e. Explanation of how the vendor is organized and how its resources will be utilized	40
3.**Financial Proposal**: Reasonable and customary fees for providing services.	30
Total Allowable Points	100

Based on the evaluations of all 12 responses, the team decided offer an award to two companies; Edlogical Groups Corp and eLuma online therapy services.

Budget Implications.

This is a budgeted item. All schools budgeted appropriate expenses based on the current and future student projections.

*** Budget implications have been reviewed and approved by the CFO.

Funding Source

LCFF Federal and State appropriations.

Special Education Instructional & Related Services

RFP# 5-1-19

Issued by:

MAGNOLIA PUBLIC SCHOOLS (MPS)

250 East 1st Street Los Angeles, Suite 1500, CA 90012
www.magnoliapublicschools.org

Issue Date: May 1, 2019
Closing Date for Submission and Receipt: May 24, 2019 3:00 p.m. PST
Proposals are to be submitted in (2) copies to:

    Contact Name: Erdinc Acar
    Title: Chief Academic Officer
    Address: 250 E 1st St. Suite 1500
    Office: (213) 628 – 3634   Fax: (714) 362-9588
    Email: eracar@magnoliapublicschools.org

Note: Please use the proposal name above on all RFP correspondence.

MPS reserves the right to revise and amend the specifications prior to the date set for the receipt of proposals. Respondents are requested to clarify any ambiguity, conflict, discrepancy, omission or other error(s) in the RFP in writing. Revisions or amendments, if any, will be made by issuing an addendum. Every effort will be made to send addenda issued to the parties known to have been furnished a complete copy of the RFP. It is the responsibility of each Vendor, prior to submitting the Proposal, to contact MPS to determine if addenda were issued and, if so, to obtain such addenda for attachment to the Proposal. Please check the MPS website at https://magnoliapublicschools.org/apps/pages/index.jsp?uREC_ID=284296&type=d to receive any addenda to this RFP. Please submit any questions or comments concerning this solicitation directly in writing to Erdinc Acar at eracar@magnoliapublicschools.org.

Table of Contents

A. Background and Purpose

Magnolia Public Schools (MPS), a charter management organization (CMO), is made up of 10 school sites located throughout Southern California, serving the educational needs of 3,900-4,000 students in grades TK-12.

MPS Charter Management Organization is soliciting proposals to establish a contract through competitive negotiations for the purpose of entering into a contract with a qualified vendor to provide special education and related services in grades TK-12. These services are specifically to be provided as needed to assist an individual with exceptional needs to benefit from special education. Related services will be determined by an IEP team and the IEP will specify frequency and duration of each service. See Exhibit A for IEP, related services and eligibility counts for the 2018-19. The info is shared to be used for estimation purposes only.

Contract Period: Services are to commence with the beginning of the 2019-20 school year, with an implementation plan to be developed in a timely basis in order to use the services for the 2019-20 school year. This proposal addresses the contract period July 1, 2019 through June 30, 2020. The contract may be renewed and extended upon mutual written agreement by both parties.

The services and products would be purchased as a consortium to include all MPS schools. Billing would be managed through Magnolia Public Schools. An itemized invoice would be needed each month, showing the percentage due by the size of each school site. Implementation, training and support would be customized for each individual school. Cost breakdown must be broken down per site in order to calculate for budgeting. Any award / contract is subject to MPS's Board of Directors approval and the availability of funds.

MPS does not discriminate on the basis of the characteristics listed in Education Code Section 220 (actual or perceived disability, gender, gender identity, gender expression, nationality, race or ethnicity, religion, sexual orientation, or any other characteristic that is contained in the definition of hate crimes set forth in Section 422.55 of the Penal Code, including immigration status, or association with an individual who has any of the aforementioned characteristics). [Ref. Education Code Section 47605(d)(1)]

B. Scope of Work and Qualifications

MPS seeks proposals from qualified individuals or firms interested in providing direct and indirect services to students requiring therapeutic and educational services on an "as needed basis". Such service shall include:

- Speech Language Pathologist Services
- Bilingual Speech Language Pathologist Services
- Physical Therapy Services
- Occupational Therapy Services
- DIS Counseling Services
- School Psychologist
- School Nurse
- Paraprofessional support
- Other related services

3 of 13

MINIMUM QUALIFICATIONS: Proposers (specifically, the business that will be contractually bound under the contract with the MPS CMO) will be deemed non-responsive and rejected without any further evaluation if they do not meet the following mandatory qualifications:

1. The Proposer and its key personnel assigned to MPS must have a minimum of one (1) year experience providing services as listed in this RFP.

2. The Proposer and its key personnel must have worked with a minimum of one (1) comparable client that is another K-12 school district.

3. The Proposer must be a Non-Public Agency authorized by the California Department of Education.

PREFERRED QUALIFICATIONS: The Proposer may be evaluated higher if they meet the following qualifications:

1. The Proposer and its key personnel assigned to the MPS must have 5 years' experience providing services as listed in this RFP.
2. The Proposer and its key personnel must have worked with at least three (3) comparable clients that are other K-12 school districts.

SCOPE OF SERVICES:

1. Vendor shall ensure compliance with all applicable federal, state, local statutory requirements, including but not limited to State Board of Education and County Department of Health rules, as well as the MPS board policy. Vendor further shall comply with all requirements mandated by the Individuals with Disabilities Education Act ("IDEA"), Family Education Rights & Privacy Act ("FERPA"), applicable court decrees, MPS policies, as well as any other applicable state and federal laws related to the performance of both initial and re-evaluation of suspected student disability.
2. Vendor shall ensure compliance with all MPS School campus routines and regulations as well as the MPS Uniform Compliance Procedures.
3. Vendor shall ensure adherence to appropriate safety procedures and report potential health or safety hazards to the campus principal.
4. Vendor shall be responsible for ensuring that all personnel providing services to students have undergone a criminal background check in accordance with any applicable state, federal, or local laws, prior to their commencement of services to MPS per Exhibit B.
5. Vendor shall provide to MPS a copy of each current license and/or certificate for persons conducting student assessment interventions; consultations and/or evaluations prior to rendering services. Vendor shall ensure that all licenses and certificates remain current throughout the life of any subsequent contract MPS and a Vendor may enter into.
6. Vendor must maintain all necessary documents for Local Educational Agency (LEA), Medi-Cal billing and/or full-scope Medi-Cal Specialty Mental Health billing through the County Mental Health department. This service includes, but is not limited to, providing detailed records, time sheets and documentation for support services provided and to meet all reporting requirements for insurance and/or Medi-Cal billing purposes. Records by student, clinician, service and schools are to be maintained. Vendor is to work cooperatively with SELPA members as necessary to complete filing of documents in a timely manner.

4 of 13

7. Vendor's assigned staff member shall be responsible for:

   (a) Providing therapy or nursing services as determined for each assigned student;
   (b) Attending required meetings including but not limited to eligibility conferences, IEP meetings, staff development meetings, and parent/teacher meetings consultations with parents, school personnel, and MPS staff, pre-hearing conferences, administrative hearings, and court proceedings.
   (c) Maintaining and submitting individual student reports;
   (d) Completing or assisting with individual evaluations;
   (e) Assisting CMO staff with their assigned student's quarterly progress reports;
   (f) Communicating regularly with school staff about student progress and concerns;
   (g) Providing Magnolia with the assessment documents, protocols and reports within the legal time limits;
   (h) Providing Assessment and Service Logs to the designated schools on a monthly basis for auditing purposes; and
   (i) Assessing all suspected areas of disability for the designated assessment as outlined in IDEA

8. Vendor shall ensure that their staff maintains thorough records and provide required documentation in accordance with MPS policies, the Vendor's documentation requirements, as well as local and federal mandates (i.e., Tracking Forms, logs, assessment protocols, reports, IEPs, progress and attendance notes, etc.).
9. Vendor shall provide professional development as designated by MPS for all employees of Proposer.
10. Vendor shall provide detailed billing reports for each assigned student.
11. Vendor must promptly notify MPS concerning any litigation or claims filed with any federal or State agency involving the Vendor or its parent or subsidiary companies.
12. Vendor must indemnify and provide insurance coverage that will minimize MPS exposure per the limits in Exhibit B.

5 of 13

C. Key Dates and Deadlines

RFP Issue Date	May 1, 2019
Deadline for Questions	May 15, 2019 to Erdinc Acar (213) 628 – 3634 eracar@magnoliapublicschools.org
Submit Sealed Proposals By	May 24, 2019 3:00 p.m. PST All proposals received after the date and time set for receipt will be REJECTED. Proposals received after the time and date set will not be considered.
Board Approval	June 13, 2019 – MPS Board will act on staff recommendation for approval

Magnolia Public Schools reserves the right to modify the aforementioned schedule at its discretion. Notification of changes in the RFP due date and deadline for questions will be via e-mail. Changes in any other anticipated dates will not be released unless deemed necessary at the sole discretion of Magnolia Public Schools.

MPS reserves the right to revise and amend the specifications in this RFP prior to the date set for the receipt of proposals. Respondents are requested to clarify any ambiguity, conflict, discrepancy, omission or other error(s) in the RFP in writing. Revisions or amendments or clarifications, if any, will be made by issuing an addendum. Every effort will be made to send addenda issued to the parties known to have been furnished a complete copy of the RFP. It is the responsibility of each vendor, prior to submitting the Proposal, to contact MPS to determine if addenda were issued and, if so, to obtain such addenda for attachment to the Proposal. Please check the MPS website at https://magnoliapublicschools.org/apps/pages/index.jsp?uREC_ID=284296&type=d to receive any addenda to this RFP. Please submit any questions or comments concerning this solicitation directly to Erdinc Acar at eracar@magnoliapublicschools.org. All questions must be submitted in writing.

D. Proposal Requirements

The desired partner is one who has provided a wide-range of products and services to small, medium and large-sized institutions. It is expected that the selected company will be able to provide the following information:

1. **Company Overview**
   a. Provide an overview of your company and services. Attach any relevant marketing materials and data sheets in the Appendices.
   b. Describe the features, functions, and capabilities of your services as they relate to these key aspects of MPS.

2. **Program Plan**: The adequacy and completeness of the plan offered addressing the Scope of Services.
   c. Defined components of service delivery and implementation
   d. Evidence of school-based therapy/ instructional support
   e. Explanation of organizational structure and contacts

3. **Contractor's Capabilities**: The demonstrated ability of the Contractor to provide services.
   a. Vendor experience and level of knowledge

6 of 13

b. List of references
c. Resume(s) of key personnel
d. Ability to provide all necessary services
e. Explanation of how the vendor is organized and how its resources will be utilized.

4. **Financial Proposal:**
   a- Reasonable and customary fees for providing services.
   b- Cost breakdown must be broken down per site in order to calculate for budgeting.

5. **Project Approach:**
   a- Describe your firm's understanding of the proposed assignment and the services it will provide.
   b- Provide a complete definition of the process that will be employed to meet the objectives of this project, (e.g., approach to be taken, etc.).
   c- Provide a list of key staff who will support this project and their professional background.
   d- Provide a detailed implementation plan and any limitations.

6. **Training and Support:**
   a- Describe below the typical training your company provides.
   b- Describe vendor support facilities, services provided with the standard agreement, optional support available at additional cost and the cost for optional support.
   c- Describe vendor users/client's community and what resources are provided to clients (listserv, knowledge base, users conference, best practices, review panel for setting product enhancement priorities, etc.).
   d- Describe additional proposed trainings and cost breakdown.

7. **Additional Services:**
   List any additional services that your firm may have to offer with a pricing structure.

8. **Pricing:**

Please provide proposed pricing for the services requested. MPS requires full disclosure of any/all pricing to include any "hidden" or "additional charges". MPS will not be liable for hidden costs or additional charges not disclosed.

a. **Flat Daily Rate** -Which will include the provision of all services required including but not limited the provisions provided in this document. Please provide details as to what specifically the daily rate includes.

b. **Flat Hourly Rate** - Which will include the provision of all services required including but not limited the provisions provided in this document. Please provide details as to what specifically the hourly rate includes.

c. **Specific Cost per service**:

- Price for Direct Therapy/Service: Per hour / per student / other
- Price for Consultative Therapy/ Service: Per hour / per student / other

7 of 13

- • Price for Supervision of Staff: Per hour / per student / other
- • Price for Evaluation & Written Report: _____ each evaluation and report. Specify the report, maximum hour and price.
- • Price for Development or Amending of Student IEP's: _____ each IEP (per hour or fraction thereof.)
- • Price for Attending or Conducting Eligibility Meetings:
- • Price for Completion of Medicaid Paperwork: __ per completion of forms.
- • Price for providing in service:
  Price for providing in home training:

9. **Assurances and Insurance requirements**
   a- Vendor shall meet the insurance requirements as in Exhibit B
   b- Vendor shall comply with the requirements as in Exhibit C
   c- Vendor shall comply with HIPPA/FERPA and related laws including Student Online Personal Information Protection and Student Data Privacy Agreement.

E. Submission Guidelines

Proposals for furnishing the services described herein will be received until: May 25, 2019 3:00 p.m. PST. Vendors are responsible for the delivery of their proposal. Proposals received after the official date and time will be rejected.

Proposals must be submitted in both email and hard copy formats. Email proposal must be in PDF format, digitally signed. Email proposals should be addressed to eracar@magnoliapublicschools.org. Hard copy formats (2) copies should be mailed to:

<div align="center">

Contact Name: Erdinc Acar
Title: Chief Academic Officer
Address: 250 E 1st St. Suite 1500, Los Angeles CA 90012
Office: (213) 628 – 3634
Fax: (714) 362-9588
Email: eracar@magnoliapublicschools.org
www.magnoliapublicschools.org

</div>

The RFP proposal submission deadline must clearly appear on the cover of the proposal.
All questions should be submitted to eracar@magnoliapublicschools.org by May 15, 2019.
This solicitation & any addendum are posted on our website at: www.magnoliapublicschools.org
There will be an optional public bid opening at the aforementioned time and place (attendance at the bid opening is not required.)

Submission Format

Bidders should submit their response in the preferred format:

1. Provide letter of Introduction
2. Table of Contents. Should include a list of all sections and appendices in the RFP response and

indice corresponding page numbers, if appropriate.

3. Organization's name, contact person, address, telephone number(s), fax number and qualifications of the firm. A brief introduction of the company and/or managing staff. Bids should be signed by person(s) authorized to bind the company to their proposed offer (RFP response).

4. Attach other information as required by the RFP including past parent and student feedback, key staff bios or resumes, and other relevant information. Including Letters of recommendation from schools and parents.

5. Proposal Content. Full details of the bidder's Proposal including: general approach, methods, and explanations of how all RFP specifications will be achieved.

6. Cost break down including add-ons. Bidder should include various costs models associated with program operation and delivery.

7. Appendices

8. Bidders will provide with their Proposal three (3) references, including contact information of the end-user for services of a similar nature, including the dollar value where available.

9. **Vendor Services Agreement**: Vendor should include any proposed contract and maintenance agreement language for review.

F. RFP Conditions

Evaluation Criteria

This is a NEGOTIATED procurement and as such, award will not necessarily be made to the individual(s) or firm(s) submitting the lowest price proposal. Award(s) will be made to the individual(s) or firm(s) submitting the best responsive proposal satisfying the requirements, price factors considered.

The committee evaluating the proposals submitted in response to this RFP may require any or all individuals or firms to give an oral presentation to clarify or elaborate on their proposal as well as to provide a demonstration. Upon completing of oral presentations or discussions. Contractors may be requested to revise any or all portions of their proposals.

MPS will evaluate each individual's or firm's proposal in the areas of the proposal plan, experience, service capabilities, product quality, cost and best value on the pre-determined evaluation criteria below.

Evaluation Criteria	Maximum Points
1.**Program Plan**: The adequacy and completeness of the plan offered addressing the Scope of Services. a. Clearly defined components of service delivery and implementation b. Evidence of school-based therapy/ instructional supports c. Clear explanation of organizational structure and contacts	30

2.**Contractor's Capabilities**: The demonstrated ability of the Contractor to provide services. a. Vendor experience and level of knowledge b. List of references c. Resume(s) d. Ability to provide all necessary services e. Explanation of how the vendor is organized and how its resources will be utilized	40
3.**Financial Proposal**: Reasonable and customary fees for providing services.	30
Total Allowable Points	100

Acceptance of Proposal

- Bid will be awarded in writing to the bidder whose Proposal is determined to be the best fit for individual school goals, as determined under the sole discretion of the school's evaluation committee and approved by the Board afterwards.
- The MPS and the Board reserve the right to reject any or all Proposals or to waive any formality or technicality in the best interest of each school.

Specific Information

Proposals shall be signed by an authorized representative of the bidder. All information requested must be submitted. Failure to submit all information requested may result in MPS requiring prompt submission of missing information and/or receipt of a lowered evaluation of the proposal. Proposals which are substantially incomplete or lack key information may be rejected by the purchasing agency.

Proposals should be prepared simply and economically, providing a straightforward, concise description of capabilities to satisfy the requirements of the RFP. Emphasis should be placed on completeness and clarity of content.

Proposals should be organized in the order in which the requirements are presented in the RFP. Information which the bidder desires to present that does not fall within any of the requirements of the RFP should be inserted at an appropriate place or be attached at the end of the proposal and designated as additional material. Proposals that are not organized in this manner risk elimination from consideration if the evaluators are unable to find the RFP requirements are specifically addressed.

Bids must be valid for at least 120 days from the bid opening. Submission of a response to the request for proposal constitutes an acknowledgement and acceptance of all bid specifications by the responding vendor.

Proposal Revisions

Proposal revisions must be received prior to the RFP submission closing date and time. Disclosure All documents submitted by bidders shall become the property of MPS. Proposal information is proprietary and as such shall be treated as confidential until such time as a Provider is selected by MPS and an award is made, when all submissions considered by MPS become public record.

Information pertaining to the schools obtained by the bidder as a result of participation in this project is confidential and must not be disclosed without written authorization from MPS.

EdLogical Group Corp. MPS RFP No.5-1-2019

Powered by BoardOnTrack   1925 of 2549

Introduction

EdLogical Group Corp is pleased to present Magnolia Public Schools with the following proposal to provide Special Education Services and Support for the 2019-2020 academic school year. EdLogical and its team have extensive experience in charter school programs and have expertise in the field of Special Education. We are familiar with the related technical processes and procedures that ensure compliance with the California Department of Education, state and federal regulations as they apply to the Individuals with Disabilities Education Improvement Act, FERPA & HIPPA and Medi-Cal health process.

EdLogical has been an approved Non-Public Agency from the CDE & Department of Justice since 2013 and follows all the mandated guidelines in compliance with fingerprinting, employee background, employee certification, and record keeping. All EdLogical employees have a minimum of three years' experience in Special Education services in charter school settings and many of our EdLogical employees have over 10 years' experience in special education.

EdLogical is proud of its established relationships with the following schools: Magnolia Public Schools, Bright Star Schools, Champs Charter Schools, Partnerships to Uplift Charter Schools and the Newhall School District. These schools range from K-12 and EdLogical has the required credentials to meet the requirements set forth in this RFP.

May 24, 2019

Dear Mr. Acar,

EdLogical Group has completed the RFP No. 5-1-2019 for the Magnolia Public Schools and we are pleased to submit the enclosed proposal for your review. In this cover letter, you will learn about EdLogical Group Corp.

EdLogical has years of experience collaborating with all MPS personnel, parents, students, and stakeholders. In addition, EdLogical personnel understand the need to provide the MPS and its staff, students, and their families with the necessary educationally-related services pursuant to the parameters stipulated in the students' Individualized Education Plan in a fiscally-prudent manner that is consistent with the cultural mores, processes, and procedures of the school/agency environment.

The MPS will find complete and thorough information as requested in the RFP. Please contact me should an element be missing, or if you require more detailed information.

This document contains proprietary and/or confidential information. The top right corner of pages containing proprietary and/or confidential information are marked to make this distinction.

We appreciate that the MPS is allowing EdLogical to have the opportunity to be part of a well-established charter organization. We look forward to meeting and continuing our relationship with MPS.

I, Dianne Valentin, certify that the information contained in this proposal is accurate to the best of my knowledge and that all attachments required to be submitted as part of the proposal are certified to be true and binding upon our company.

Sincerely,

Dianne Valentin

Company Overview

EdLogical Group Corp was founded in 2009 and its primary focus is providing Special Education Services for students receiving special education services and support. For the past 10 years, we have helped support charter schools and school districts to navigate the complex issues of these programs by providing high-quality, knowledgeable special educators. Our team is comprised of Regional Directors of Special Education Services, School Psychologists, Resource Specialist Teachers, and Speech and Language Pathologists. All team members are professional educators or practicing clinicians with a comprehensive understanding of the programmatic, administrative and fiscal issues of program development and service delivery for occupational therapy, physical therapy, speech therapy, behavioral therapy, and other specialized support areas.

Our team has years of experience in some of the most challenging schools in California. We have the experience and knowledge in how to successfully collaborate with schools and support staff. Our unique approach to providing services – whether it's employing our proprietary methodology for educational assessments, strategy and implementation programs for school improvement, coaching and mentoring, or embedding our uniquely qualified staff – ensures cost-certainty and program fidelity. In both educational and healthcare settings, our teams of experts are confident innovators and forward-thinkers with an unwavering focus on positive outcomes, no matter what the challenge.

What sets EdLogical apart from many other agencies of its kind, is our focus on positive student outcomes. Our leadership team is comprised of current and former educators and we understand the day-to-day operations of a variety of school environments. As such, we are able to successfully support schools in meeting the challenges of providing superior service when it comes to direct services, assessments, professional development, coaching, mentoring and other support the school may need. We are more than a business; we are a collaborative with experts in every area of special education. Which is why we can come in and provide support to schools quickly, even when they are in a bind and support schools through a wide range of areas. Whether it is helping a school become compliant with IEPs due to staffing issues, taking numerous assessments because of a high volume of requests and seeing the SST process through completion, or providing innovative modules of training and professional development to teachers, support staff, administrators and parents, EdLogical can cover all of these needs and so much more!

Scope of Services :

1. **Adaptive Physical Education Teacher**: Credentialed Adapted Physical Education provides instructional techniques to improve students' movement performance in gross motor skills, object control skills, fine motor skills, functional skills, and perceptual motor skills.

2. **Audiologist:** Our Audiologist provides services for students with hearing loss and impairment that can negatively impact communication skills and/or access to the core curriculum. Educational audiology services are comprehensive, collaborative, and designed to address the student's individual communication, academic, and psychosocial needs.

3. **Behavior Intervention-Design and Planning:** Using information from the assessments, our BID providers design a behavioral intervention plan (BIP) describing the ABA interventions necessary to increase students' appropriate behaviors and reduce problem behaviors.

4. **Behavior Intervention-Implementation:** EdLogical BII providers implement each student's BIP using a variety of ABA techniques, such as discrete trial teaching (DTT) and naturalistic teaching strategies (NATS) to increase each student's appropriate behaviors and decrease his or her problem behaviors.

5. **Guidance Counselor:** Our Guidance Counselor works with students and parents individually or in groups and counsels them on educational, career, and social/emotional issues in order to affect positive behavior changes and academic performance.

6. **Health and Nursing Services**: School Nurse services are provided by a qualified and credentialed school nurse. The students' health issues are managed on-site at school and include hearing and vision screenings as well as consultations with students, parents, and teachers. In addition, the nurse provides specialized physical health care services necessary during the school day to enable the child to attend school.

7. **Language and Speech Development and Remediation**: A Credentialed/Licensed Speech Therapist provides services to address difficulties in students' ability to express their thoughts and ideas and enhances their ability to access school curriculum.

8. **Occupational Therapy:** A Licensed Occupational Therapist provides services to address difficulties in the students' ability to perform functional skills that enables them to access curriculum. Occupational therapy assists in improving, developing, or restoring functions, improving ability to perform tasks for independent functioning if functions are impaired or lost; and preventing, through early intervention, initial or further impairment or loss of function.

9. **Orientation and Mobility Instruction:** These services are provided to blind or visually impaired students by qualified, credentialed personnel to enable students to attain systematic orientation to, and safe movement within their environments in school, home, and community.

10. **Parent Counseling/Trainer:** A Parent Counseling Trainer counsels and trains students, parents, and staff individually or in groups on educational, career, and social/emotional issues to impact positive behavior changes and academic performance.

11. **Psychological Services:** Other than Assessment and IEP Development, Credentialed/Licensed Therapist obtain, integrate, and interpret information about student behavior and conditions relating to learning, consult with other staff members in planning school programs to meet the special needs of children as indicated by psychological tests, interviews, direct observation, and behavioral evaluations In addition, they plan and manage a program of psychological services, including psychological counseling for children and parents, and assist in developing positive behavioral interventions and strategies.

12. **Social Worker:** A Social Worker supports instructional, non-instructional, and administrative personnel in the acquisition and maintenance of optimal learning outcomes for all students by utilizing skills in problem solving, social/emotional/behavioral assessment and intervention, case-management, wraparound service delivery, data collection and analysis, consultation and collaboration, and crisis management.

13. **Specialized Services for Low Incidence DHH** : Credentialed instructors make recommendations about the scope and extent of services required for each student to access the core curriculum, support IEP goals and objectives and/or classroom instruction as applicable. They also provide direct instruction in auditory, communication, and compensatory skills.

Program Plan

C: Defined components of service delivery and implementation

EdLogical is proud to offer the following programs and services as part of its program plan for MPS.

Administrative Support: EdLogical provides administrative support from highly experienced special education professionals in the areas of compliance review, consultation, leadership development, coaching, and mentoring support. Currently, the professionals providing administrative support have an average of 20 years of experience. These services can be implemented according to the needs of each school. For example, if an Administrative Support Consultant is needed three times per week for four hours each meeting, which is a total of 12 hours per week of administrative support, that is a support that EdLogical can provide. Consultation and follow-up with executive leadership to provide them data, reports and feedback on how the service is being provided and how the professionals on the campus receiving the support are responding to it are included with this support. This model allows for consistent feedback so that adjustments can be made at any given time to meet the unique needs of the school and the professionals receiving the support.

IEP Attendance: With our focus on positive student outcomes in everything we do, it is essential that we attend IEP meetings to report on progress from direct services, or to report on an assessment that we have conducted. Our experienced professionals do not just attend IEP meetings, but they make contributions that will give the team strategies on how to support the needs of the whole student regardless of whatever needs the student may have at that time. We take IEP attendance very seriously and work closely with teams to schedule multiple meeting options to ensure that all IEPs remain in compliance and there is no time lost in the delivery, support, and services for students.

Assessments (Psycho-educational, Speech and Language, Occupational Therapy, Adapted Physical Education, Physical Therapy and Functional Behavioral): We provide evidence-based assessments that are compliant with the California Education Code and support best practices within special education. We work collaboratively with students, staff, and parents to ensure that all areas of compliance are covered in each assessment. We provide assessments that are legally defensible using a set of criteria and a checklist that ensures they are thorough. Our service providers know how to take these assessment reports that may be overwhelming for a parent or guardian and translate them into a way where parents understand how this information applies in the classroom and in the home. This creates a deeper partnership between the parent, the school, and the student. This partnership and information help school site staff to develop goals and objectives that assist in providing positive student outcomes and achieve the progress needed to move forward on goals, objectives and academic as well as social-emotional performance.

Behavior Intervention Implementation and Behavior Intervention Design: We employ highly- trained Behavior Intervention Implementation Specialists (BII). Before they are dispatched to any school site, they must engage in a minimum of 40 hours of professional development in Applied Behavior Analysis (ABA), behavioral data collection practices, and trauma informed practices. In addition to BII support, we also employ school psychologists and Board-Certified Behavior Analysts (BCBA) to supervise the work of the BIIs. The function of the BCBAs is to provide mentoring, coaching, and ongoing guidance as well as

opportunities to review the data the BII has collected on the student so they can inform staff on how to best support the student's social-emotional needs.

Direct Services (Vision and Hearing Screenings, Speech and Language Services, DIS Counseling, Occupational Therapy, Physical Therapy, Adapted Physical Education, Special Education Instructional Assistant Support and Resource Specialist Teacher Support): We provide direct services and support in the above listed areas. The professionals we employ have all worked in educational environments for many years and understand the operations of the school environment. Our team is well-versed in engaging students in direct services in both the individual service and group service setting. In addition, all service providers are well-versed in many web-based IEP programs such as SEIS and Welligent. Familiarity with these web-based programs is critical to tracking the services they provide, ensuring compliance, and gives the school access to the data so it is readily available if requested by parents/guardians, teachers, and/or administrators.

Consulting Services/Case Management: We provide highly experienced professionals that can provide consultation and case management services for any special education area. This service is beneficial to schools needing to catch up on, and possibly clean up, compliance issues in the area of IEP compliance and case management.

Technical Support/Professional Development: We provide technical support for various IEP platforms, service tracking, and other school and district expectations around IEP compliance. We monitor services and support on a weekly basis and provide feedback around compliance and instruction. Additionally, we provide professional development in every area of special education for all stakeholder groups including parents/guardians, teachers, support staff, and administrators. We are pleased to customize professional development opportunities to meet the needs of the school or district.

D: Evidence of School-Based Therapy and Instructional Support

EdLogical provides school-based therapy in several areas including counseling and mental health therapy such as Educationally Related Intensive Counseling Services (ERICS). We provide highly trained counselors and psychologists, many of which are doctoral level practitioners that understand how to provide a therapeutic approach in a school-based setting that will assist in meeting the social-emotional and academic needs of all students. These instructional support services can be provided within a group or individual setting depending upon the needs of the student and the recommendation of the IEP team. For your reference, we have included a copy of our Quality Assurance Review(QAR) as Appendix A. The QAR is a quality monitoring tool that helps us to measure the effectiveness of our programs.

E: Explanation of Organizational Structure and Contacts

EdLogical is successfully managed by Dianne Valentin, Chief Operating Officer. Dianne is responsible for all day-to-day operations and is supported by our highly-trained team of advisors, school psychologists, speech and language pathologists, behavioral specialists, special education teachers, case managers, physical therapists, school nurses, adapted physical education teachers, occupational therapists, and mental health professionals. Several administrative assistants support the day-to-day operations of the agency and manage communication with school partners, processing required paperwork, and ensuring the needs of each school partner are met through collaboration and staff support consultations. Our team for MPS is listed below.

Contractor's Capabilities

All Special Education related services provided by EdLogical are completed in conjunction with the contracted agency via written agreement.   At the discretion of the contracted agency, Special Education support services are provided to students with exceptional needs based on the students' documented Individual Education Program (IEP). Those related services contracted are monitored between the agencies involved in several ways. First, the written IEP drives the services each student requires. Secondly, certificated and classified personnel employed by EdLogical provide specified related services in accordance with the IEP using a positive attendance accounting methodology. Service providers document services provided to students on a monthly basis using verifiable written timesheets. These timesheets, reflecting students served, are signed by the service provider and reviewed by EdLogical and the contracted agency for quality assurance purposes and technical compliance with students' IEPs. All Certificated Personnel contracted by EdLogical are processed to ensure compliance with all required components set forth by the California Department of Education (e.g. Fingerprint/background clearance; California Service Credentials are current and registered with the California Commission on Teacher Credentialing, etc.). The contracted agency and EdLogical confer on a regular basis to ensure all contracted Special Education services are being provided to students, staff, and families as documented in the students' IEP. Should a change or modification of service be warranted, agency personnel and EdLogical personnel, meet and confer as necessary, to determine appropriate action (via the IEP process – e.g. addendum, re-evaluation, modification of service etc.).

Specific monitoring of Certificated personnel providing Special Education related services, takes multiple forms. For example, in the provision of Psychoeducational Counseling, the student receives related services as documented in their respective IEP (frequency, duration, setting etc.). The school psychologist provides the specific service as reflected in the students' instructional goals and objectives and engages in periodic monitoring of progress in the form of "progress reports". These progress reports are provided to agency staff, parents/guardians, students, and pertinent stakeholders as a means to determine progress towards specified goals and documented educational benefit on the students' behalf. Periodic parent conferences are held with Special Education service providers in a manner that is consistent with the General Education school population. EdLogical certificated service providers are monitored in their daily activities by agency support personnel to ensure all services are being provided to students in accordance with their respective IEP. As a cross-check and validation of services provided, EdLogical maintains monthly timesheets reflecting services and activities provided to assigned students, staff, and site-based activities (e.g. classroom observations, teacher/administrator/parent conferences etc.).

EdLogical certified personnel are involved (based on the specific service e.g. Speech therapy, Occupational therapy, etc.). In the event a student warrants a particular type of assessment that the agency may not readily have access to, EdLogical will provide such services on an as-needed basis. This ensures the ability of the agency and EdLogical to provide assessment and evaluation in all areas of suspect disability. In addition, all certificated personnel employed by EdLogical are supervised by EdLogical personnel who have the appropriate service credential in an on-going manner as well as agency site administration oversight. Through monthly timesheets that are maintained by the service provider; written input from agency support

staff; and on-going professional development, EdLogical staff are kept abreast of current best practices, professional roles and responsibilities that reflect appropriate professional standards in the provision of related services to students with exceptional needs and their families. EdLogical personnel strive to become a meaningful part of the "Team" spirit of the agency to insure effective and appropriate provision of Special Education services to students, families and pertinent stakeholders.

Describe the monitoring and supervision of related services providers and how the provisions of related services are tied to the IEP goals

1. Students' progress towards instructional goals and objectives that receive services from EdLogical certificated personnel is stipulated in students' respective IEP in an objective and measurable manner. Periodic progress reports are provided to parents, staff and students in a manner consistent with periodic reporting of general education students served by the agency.

2. In the event data points collected on individual student progress convey a need for intervention or potential re-evaluation, the agency and EdLogical convene multi-disciplinary conferences designed to analyze specific student progress (or lack thereof) as well as any emerging issue that may adversely affect the student to work to their evaluated potential and interventions are designed to ameliorate continued decompensation of skill to the extent determined appropriate via the IEP process.

3. Tests and data sources used for progress monitoring of individuals with exceptional needs are conducted by both the agency and EdLogical certificated personnel. Where appropriate (and determined by the IEP team), all students engage in the state testing and accountability program. In instances where a student demonstrates a specific process deficit for which related services are provided, data points and progress may not always be directly related to all quantifiable data indicators (e.g. deficits in articulation is specific in scope and may not necessarily relate to other aspects of the overall IEP indicators etc.).

Project Approach

A: Describe your firm's understanding of the proposed assignment and the services it will provide

At EdLogical, we see our role as a collaborative partner as we design a program to meet the needs of MPS students receiving special education services and support. We are prepared to provide any service that MPS needs based upon the needs of your students. In addition, we are prepared to provide professional development, coaching, and mentoring based upon the needs you communicate with us. Our approach is unique from most agencies in that we ask you what your needs are and then we customize our services to meet those needs. We believe in a partnership where we act as a trusted resource for MPS in all areas of special education. You can be confident knowing that our team of experts will support your needs. We are prepared to support in all areas of special education to include, but not limited to, administrative consultation, developing systems, procedures and practices around compliance and special educational instructional supports and operations as well as professional development and monitoring to support this area. We will also provide direct services in counseling, speech and language, behavior support, occupational therapy, and much more. Additionally, we will provide assessment services in the areas of mental health, psycho-educational, speech and language, occupational therapy, and more.

B: Provide a complete definition of the process that would be employed to meet the objectives of this project

To meet the objectives of this project, it is essential that there is regular communication and collaboration between EdLogical and MPS. We will begin by assessing the needs of MPS and work together to develop goals and norms for our work together. We will meet monthly with the MPS to discuss and assess the agreed upon goals and follow our norms around collaboration, communication, and assessment of current and future needs. It is important that we work together proactively so we are consistently meeting the needs of MPS students as we will be an important part of ensuring successful student outcomes. Here is an example of the monthly collaborative meeting agenda:

Discussion Item	Purpose/Objective	Facilitator(s)
Review of Established Goals and Norms	**To review and assess the goals and norms set by EdLogical and the client partner to address needs proactively.**	**EdLogical Leadership Team** **MPS**
Service Implementation and Supports	**To discuss service implementation, supports and the impact these services and supports have on the school and student community.**	**MPS**
Assessment of Current and Anticipated Needs	**To discuss current and anticipated needs so that EdLogical and the client partner can proactively address those needs.**	**EdLogical Leadership Team** **MPS**
Questions, Recommendations and Suggestions	**To discuss and gain and clarity all questions, recommendations for optimal collaborative operations.**	**All Team Members**

43

C: Provide a list of key staff who will support this project and their professional background:

EdLogical Team for Magnolia Public Schools

Dianne Valentin	**Chief Operating Officer**	**Ext 102**
Stephanie Tongson	**Office Administrator Manager HR**	**Ext 103**
Frank Tocco	**Special Ed Compliance Officer**	**Ext 110**
Harriet Grossman	**SLP Compliance**	**Ext 104**
Lillian Springs	**Nurse/Health Coordinator**	**Ext 105**
Denna Sharp	**SLP Coordinator**	**Ext 106**
Brittany Morrison	**Lead School Psychologist**	**Ext 107**
Steve Mason	**Special Education Quality Assurance**	**Ext 117**

*Resumes are available in Appendix A

D: Implementation Plan

The following plan will be used to implement EdLogical services and support with MPS.

Date of Implementation	Action	Purpose/Objective	Responsible Party
June, 2019	EdLogical Leadership Team to meet with MPS to discuss schools in need of services and supports	To develop a clear plan of the anticipated needs so that the EdLogical Leadership Team can identify providers that are most qualified to take on the assignment	EdLogical Leadership Team in collaboration with the Client Partner
June-July, 2019	EdLogical Leadership Team to send needs assessment survey to school administrators	To allow school administrators to identify specific needs at their individual school sites for services, supports and professional development	EdLogical Leadership Team in collaboration with school administrators
Mid July, 2019	EdLogical Leadership Team to review results of the needs assessment surveys along with input from MPS and chart out the specific needs for each school	To provide EdLogical with the information necessary to begin planning what service provision and supports will look like on each campus	EdLogical Leadership Team
End of July, 2019	EdLogical Leadership Team to assign all providers to school sites and provide a schedule to the MPS and the individual school sites	To ensure that the most appropriate provider is paired with a school site that will meet the needs of all students	EdLogical Leadership Team

Date of Implementation	Action	Purpose/Objective	Responsible Party
August, 2019	EdLogical Leadership Team to meet with school site special education team and site administrators to communicate procedures and process for requesting services, assessments and other needed supports	To ensure that each school site represented by MPS has a clear, streamlined system of protocols in place that is easy for school site staff to follow to request support services	EdLogical Leadership Team in collaboration with site staff and site administration
Monthly	EdLogical Leadership Team to meet with MPS to discuss goals, service provision, current needs and anticipated needs	To ensure that services and supports are proactively addressed in a manner where MPS feels supported and can meet the needs of all students through its partnership with EdLogical	EdLogical Leadership Team MPS

We do not anticipate any limitations to this plan. It is our role to ensure that we know the needs of MPS and to work tirelessly to ensure they are met.

45

Training & Support

Professional Development/Training

EdLogical offers professional development and training to a variety of stakeholder groups. The following are a list of some professional development activities and training for teachers and administrators: **Educational Benefit Workshop, Writing Legally Defensible IEPs, Student Discipline, How to Evaluate Special Education Teachers, How to Prepare for a Challenging IEP Meeting,** and more. Additional professional development programs and activities are available based on the specific needs of the school site, staff, and situation. EdLogical can provide training onsite or at one of our EdLogical conference sites.

Administrator Professional Development

Professional Development Module Number and Title	Goal/Final Outcome Desired	Topics Covered	Activities/Role Play
Module 1- Brief History of Special Education and Evolution	Administrators will know the history and evolution of special education and how they should approach it at their school site.	Larry P. vs. Riles Special Education History Evolution of Practices of Present Day	Video of History Case Study See You in Court
Module 2- Understanding the Parent Perspective	Administrators will understand the stages parents experience when being told their child has a special ed eligibility and why this may affect the way they interact with you.	Discussion about "The Role of Grief" and Personality Disorders Managing Relationships	Discussion Video: "Autism: The Musical"
Module 3- The Art of Listening and Powerful Questioning	Administrators will learn and understand the power of active listening and how to ask powerful questions that will lead to desired outcomes in meetings.	Discussion about "Listening" and "Powerful Questioning"	Role Play- "Do You Hear Me?" Discussion
Module 4- Effective Communication vs. The Barriers of Communication	Administrators will learn and understand how to effectively communicate, follow through and follow up with challenging parents and what barriers they may create that hinder effective communication.	Discussion about "Communication vs. Barriers of Communication"	Video on Parent Perspective and Effective Collaboration Role Play- "Who Are You Talking To?"
Module 5- Preparing for the Challenging IEP Meeting	Administrators will learn how to successfully prepare for any type of IEP meeting and use the strengths of their team members to get ahead.	Discussion of the Prep Form	Discussion Role Play: "Are You Ready for This?"
Module 6- Navigating the Challenging IEP Meeting As It Is Happening	Administrators will learn how to navigate through the challenging meeting as well as effective respond to challenges in the meeting they were not previously prepared for.	Discussion about the most common areas that may come as a surprise and how to respond like an expert.	Discussion Role Play: "How Will You Respond to the Beat of this Drum?"

Professional Development Module Number and Title	Goal/Final Outcome Desired	Topics Covered	Activities/Role Play
Module 7- "After the Storm: Follow Up and Follow Through"	Administrators will learn how to maintain effectiveness by using follow up strategies to ensure requests made during the meeting are completed.	Discussion of the Follow Up Form	Discussion Video
Module 8- Special Education Instructional Practices	Administrators will learn about key special education instructional practices and techniques commonly used in RSP and SDC settings.	Instructional practices IEP goal alignment to standards	Video on Special Education Instructional Practices
Module 9- Evaluation of RSP and SDC Programs	Administrators will learn key strategies of what to look for within RSP and SDC instructional settings and how to leverage this to build capacity in special education teachers.	Evaluation practices and techniques Examining successful student achievement and calculating educational benefit	Role Play: "Do You Know What You're Looking For."
Module 10- The Effective Work and Evaluation of Service Providers and Support Staff	Administrators will learn key strategies and systems of how to effectively work with counselors, speech and language pathologists, school psychologists, occupational therapists, APE teachers, etc.	PLC Templates Systems of support	Role Play: "Please Play Nice in the Sandbox!"
Module 11- All Things Placement, FAPE and Least Restrictive Environment	Administrators will learn about the continuum of placements, how to determine an appropriate FAPE offer and how to support their teams in building a strong, legal defensible special education program	Legal templates and guidelines for placement and FAPE	Role Play: "See You in Court… AGAIN!"

Additional Services

EdLogical is proud to offer a comprehensive selection of additional services to MPS. The following is a list of topics and professional development programs for various stakeholder groups at the school site and central office levels. This list is intended to provide an understanding of the various areas and expertise necessary to promote successful school operations, staff skill development, and positive school/community relations as well as facilitate student learning potential.

Parent/Community Members:
1. The Role of the Special Education Local Plan Area
2. Search and Serve Provisions for individuals with suspect disability
3. Community Out-Reach Models for Pre-School Interventions
4. Promoting Healthy Babies and School Readiness
5. Building Successful and Sustaining Community Advisory Committees
6. Best Practices in Communicating Effectively with your Child/Adolescent

General Information Domain (All Stakeholders):
1. What is the role and purpose of Special Education?
2. Understanding eligibility criteria for special education services
3. Identifying "At Risk" Learners
4. Understanding the Developmental Nature of Learning
5. What are signs or indications my student has a learning disability
6. State/Federal Guidelines on the provision of Special Education to individuals with exceptional needs
7. Cultural Influences that can support learning of all students
8. Interpretation and application of technical compliance requirements in special education
9. Developing a supportive learning community for all students and their families
10. Effective Student Study Teams at the school site
11. Understanding When, How, What Types, and Function of Individualized Education Program Meetings.
12. Developing an Audit Trail in the Individualized Education Program Team Process
13. Development and Implementation of School-wide Response to Intervention Models
14. Confidentiality Laws as they relate to Special Education
15. Best Practices in school-related electronic communications
16. What is an Individualized Education Program?
17. Conducting a Goal-Oriented Individual Education Program Team Meeting
18. Promoting Collaborative Success with Challenging Parents
19. Assuring Technical Compliance with Special Education Provisions in Preparation for State technical compliance reviews.

49

20. Promoting Learning Success Among Second Language Learners in the classroom
21. School-Wide Behavioral Intervention Plans
22. Guidelines to Promote Successful Inclusion for All Students
23. Promoting Positive Self-Esteem for Students

Certificated Staff (Teacher Specialists; Support Personnel):

Instructional Domain:

1. Task-Analysis of Student Instructional Goals and Objectives given related assessment data.
2. Using Data-Based Information to Develop Effective Instructional Goals and Objectives
3. Integrating Instructional Goals and Objectives with Common-CORE Standards
4. Scaffolding Instructional Standards with Developmental Considerations
5. Understanding Aspects of Assessment vs. Evaluation in Establishing Effective Instructional goals and objectives for individuals with exceptional needs.
6. Practices in Developing a Legally-Defensible Assessment for individuals with exceptional needs.
7. Social Skill Development for individuals with exceptional needs.
8. Promoting Successful Behavioral Skills in the Classroom.
9. Developing Efficient Special Education Classroom Operational Models.
10. Parental Support models that facilitate successful learning.
11. Using data-based strategies to measure learning
12. Role Clarification Scope of Instructional Assistants in the Classroom

EMPLOYMENT
EXPERIENCE

School Psychologist   2/09-present
Paramount Unified School District, Paramount, Ca.   9/06-6/07

Complete Psychoeducational Evaluations to determine eligibility for special education services. Per assessment results, identify strategies, accommodations, and interventions to help students with learning difficulties. Participate in the development of individual education programs (IEP's). Serve as a consultant in the school's Student Success Team. Work with a variety of students ranging from learning disabled to severely and profoundly disabled. Work primarily with Hispanic and African American populations.

<u>School Psychologist</u>   8/07-1/09
Los Angeles County Office of Education, Downey, Ca.   9/96-9/06

Extensive experience working with emotionally disturbed, mildly to severely
developmentally delayed, multiple handicapped, autistic, learning disabled, and
incarcerated students. Work experience with ethnically diverse populations ranging from
pre-school to young adult.   Work responsibilities include psychoeducational evaluation,
DIS counseling, generation of AB 3632 referrals, collaboration with critical parties to
develop positive behavior support plans and functional analysis assessments, consultation
with outside agencies to assure timely and effective interventions for students, primary
response and intervention for students in crisis, and collaboration with administrators and
staff as a member of the school's management team.

<u>Adjunct Professor</u>   3/03-5/04
Long Beach City College, Long Beach, Ca.

Taught college-level course in biology exploring biological principals, advances in
biological research, and related medical, environmental, social, ethical, and moral issues.

<u>School Psychologist</u>   9/89-8/96
Centinela Valley Union High School District, Lawndale, Ca.

Completed psychoeducational evaluations. Participated in IEP meetings. Provided DIS
counseling services. Completed mental health referrals. Assisted in crisis intervention.
Consulted with outside agencies to provide student services.

<u>Graduate Assistant</u>   9/95-12/95
California State University, Northridge, Ca.

Assisted professor in laboratory component of physiological ecology class. Assisted in
setup and maintainance of laboratory. Directed students in the use of equipment.
Instructed students in laboratory procedures and in data analyses.

<u>Part-Time Faculty</u>   2/94-12/94
California State University, Northridge, Ca.

Taught laboratory course in general biology. Lectured students in course content.
Directed students in laboratory procedures and exercises. Developed and administered
exams. Evaluated student progress. Assigned grades.

<u>Laboratory Assistant</u>   6/94-7/94
California State University, Northridge, Ca.

Assisted laboratory technician in the setup and maintenance of the university's general
biology laboratory. Prepared, organized, and setup laboratory materials for use in general
biology laboratory classes.

64

Graduate Assistant   2/94-5/94
California State University, Northridge, Ca.

Assisted professor in laboratory component of field botany class. Assisted students with botanical terminologies. Supervised students with use of taxonomic keys. Assisted students with plant identification. Assisted professor in finding representative taxa within the field.

School Psychologist   9/88-8/89
Los Angeles Unified School District, Los Angeles, Ca.

Completed psychoeducational evaluations. Provided student counseling services. Completed GATE testing. Conducted parenting classes. Provided parents with referrals to outside counseling services.

Senior Typist Clerk A   9/85-9/86
University of California, Los Angeles, Ca.

Maintained part-time job board in student placement center. Received job listings from employers. Edited, typed, and distributed job listings throughout employment unit.

Teacher   9/82-8/85
Daniel Murphy High School, Los Angeles, Ca.

Taught High School General Biology and Chemistry.

Teacher   9/78-6/80
Mary Star of the Sea High School, San Pedro, Ca.

Taught High School General Biology, Chemistry, and Algebra.

INTERNSHIPS   School Psychologist Intern   2/88-6/88
Elizabeth Street School, Cudahy, Ca. (LAUSD)

Conducted psychoeducational evaluations. Participated in IEP meetings. Assisted in group counseling. Provided support services to special education and general education teachers.

School Psychologist Intern   9/87-7/88
Wiseburn School District, Hawthorne, Ca.

Conducted psychoeducational evaluations. Participated in IEP meetings. Provided individual and group counseling. Conducted GATE testing.

Career Counseling Intern   3/87-6/87
UCLA Placement and Career Planning Center, Los Angeles, Ca.

Assisted students with resume writing. Referred students to career planning workshops. Directed students to career related library and community resources.

<u>Counselor Trainee</u>   9/86-6/87
Gestalt Therapy and Training Center, Sherman Oaks, Ca.

Trained in the use of Gestalt Therapy counseling techniques.

<u>Counselor Assistant</u>   9/86-6/87
Felton Middle School (Lennox School District), Lennox, Ca.

Dear Sir or Madam,

I have found through the duration of my working relationship with EdLogical, my student body needs have been met by vetted professionals that are both an appropriate fit, and consistently go above and beyond what is expected.

EdLogical has been immediately responsive to any inquiry or concern. Additionally should any action need to be taken, they have always done so with a professional tone resulting in a positive and productive outcome. They have clear and efficient policy & procedures for all ancillary service providers. In the case a service needed to be terminated or a request revoked, specifically in a nonstandard time frame, EdLogical staff have not only responsive, but kind and able to offer guidance on any anticipated or needed follow up.

I enjoy working with the contractors from EdLogical. From a supervisory perspective, I have found them to be competent, ethical and dedicated individuals. I have also found them to demonstrate flexibility, maturity and support the educational process from many angles. The Behavior Intervention Implementation staff supplied by EdLogical are particularly skilled. EdLogical does a very thorough job of looking for the right fit for each student. This level of customer service is rarely seen in the industry. Our students, staff, and families deeply appreciate it. Without reservation I recommend EdLogical, please contact me at any time should you need further or more specific information.

Thank you kindly,

Morgen Piper, M.A.

To Whom It May Concern,

The purpose of this letter is to provide my highest recommendation for EdLogical Group Corporation, a non-public agency I have had the pleasure of working with since 2014. I began working with EdLogical in 2014 as a consultant for a few months. I was supporting them with compliance related issues at one of the charter schools they were supporting at that time. A few months later, I was hired as the Director of Inclusive Education for Bright Star Schools, a nine school Charter Management Organization (CMO) with schools in various areas of Los Angeles. When I took the position, the organization had over 50 student IEPs that were out of compliance. Many of these IEPs had been out of compliance for several months and some for a year or more. We had received warning letters from the Los Angeles Unified School District to bring the IEPs back into compliance. In addition, our school with the most compliance issues received a letter of cure with orders that if we did not correct the issue, our funding would be significantly decreased or even frozen until the matter was handled. There was even talk about the charter not being renewed for that particular school site if this matter wasn't resolved. Even though I inherited all of this from the previous Director, I knew that I needed to take swift action to resolve all of these issues. I immediately contacted the NPA that we were contracted with at the time and explained the issues and that I really needed their assistance. They informed me that because I did not inform them the summer prior of our needs, they did not have any staff available that could help us. Although I was frustrated by this news, I could not dwell on this because I still needed to resolve these issues. I remembered EdLogical and told them my situation. Within a week, we had a contract agreement and they were already sending professionals out to help us with the assessments and services that were out of compliance. From January, 2015 to June, 2015, we worked tirelessly in collaboration to resolve these issues. I am happy to report that we went from over 50 out of compliant IEPs in December, 2014, to zero (0) out of compliant IEPs in June, 2015. My team and I were relieved to have this behind us. With EdLogical's support, the next two years of my tenure at Bright Star proved to be successful as we continued to have no out of compliance IEPs. To this day, I am extremely grateful for their partnership and how they always provided support when we were in a pinch. They have provided Speech and Language support, school psychologist support, Behavior Intervention support and one on one aide supports. In addition to these supports, when I first came on board to Bright Star, we had a huge caseload of students receiving counseling support. Many of these students were receiving counseling support for organizational purposes and other reasons that did not require counseling. EdLogical assisted us in significantly reducing the counseling caseload and they even supported us with a protocol given to school sites around what an appropriate counseling referral looks like.

After three years, I decided to leave Bright Star Schools and became employed with the Newhall School District. This district had similar challenges as Bright Star and a few additional challenges that I had never experienced before, but I knew what to do, and I knew who to call. We established a contract with EdLogical and got it approved by the Governing Board. They have been instrumental these last two years with speech and language supports as we have been down at least four full time speech and language

70

pathologists since I arrived to the District. I have worked with many agencies over the course of my 20-year career in education and none of them can compare to the level of service and support that EdLogical provides. I believe that because all of EdLogical's employees were once school-based professionals, they truly understand the needs of the school site and how to implement supports and how to remedy issues around out of compliant services and assessments.

When I think of EdLogical as an NPA, all of the right descriptors come to mind. They are swift, resourceful, collaborative, affordable, reasonable, caring, compassionate, able to fill in the gaps in a pinch, thorough and they take the business of best practices for all students very seriously. Again, I offer my highest recommendation to any charter school, district or organization that is looking for a non-public agency, look no further, EdLogical is the NPA for you! If you should have any questions, or need additional information, please do not hesitate to contact me at 562.370.6330. Thank you for your time.

Respectfully submitted,

Larry W. Brunson, Jr., M.S.
Director, Student Support Services
Newhall School District

PALISADES
CHARTER HIGH SCHOOL

Empowering Educational Excellence.

May 20, 2019

To Whom It May Concern:

It is my pleasure to write this letter of recommendation for the Ed logical Non-Public Agency. We have contracted for Ed logical to provide Adapted Physical Education services for the last four years and recently for psycho-educational assessment. Their service providers are experienced professionals whose expertise ensures our students' needs are met and compliant with their Individualized Education Plans.

Ed logical is one of the most responsive agencies we have used. They ensure services are provided and regularly tracked in Welligent. Assessments, progress notes, present levels of performance and goals are accurate and specific. Our parents are very grateful for the care and concern demonstrated by Edlogical providers.

It is without hesitation that I recommend Ed logical as a preferred agency for Charters. They strive to meet our needs and their growth reflects this. Please contact me if you need additional information.

Sincerely,

Mary Bush, Asst. Principal/ Director
Student Support Services

15777 Bowdoin Street, Pacific Palisades, CA 90272 // (310) 230-6623 // palihigh.org

May 20, 2019

To Whom It May Concern,

It is my pleasure to recommend EdLogical Corp Co. Non-Public Agency. Our school has worked with EdLogical Corp for many years. I personally have been working with them since 2011 as the Education Specialist at Magnolia Schools #1, #4 and now at #6. We have always received superior service from their Speech and Language, Occupational Therapy, Counseling, Deaf Hard of Hearing, and Psychological assessors and providers. IEP meetings are regularly attended by their highly-qualified personnel, resulting in our parents having confidence in our school's ability to improve their child's learning experiences. EdLogical staff have proven to be knowledgeable, organized, and committed to the students and the organizations they serve. At times when we needed services on short notice, EdLogical has always accommodated us in any way they could help. They are attentive to detail and closely monitor service provision, aiding our organization in providing students with 100% of their services. As well, management has a keen sense of each school's needs and communicates regularly with students, families, and staff.

I trust EdLogical Services and I look forward to our continued association with them for years to come. Should you have any further questions, please feel free to contact me.

Sincerely,

Terry Bourdages
Education Specialist
MSA #6

Magnolia Science Academy-3 Carson

1254 E. Helmick St. Carson, CA 90746
Phone: 310-637-3806; Fax: 310-933-4767
msa3.magnoliascience.org

May 18, 2019

To Whom It May Concern:

I am the principal of Magnolia Science Academy 3 in Carson. Magnolia Science Academy -3 (MSA-3) was founded in fall 2008 as a public charter school in Gardena. Two years later, MSA-3 moved to the current space collocating with Curtis Middle School under proposition 39. Currently MSA-3 is serving 455 students from grades 6 through 12 and celebrated its first graduation with a class of 13 students in 2014.

Edlogical has provided outstanding support to MSA 3 since I have been an administrator at MSA 3. She has provided our students the best support with counseling, and special education services at a reasonable and fair pricing. Edlogical's support from counselors, Ed Psychologists, and Speech, Nursing and Auditory has benefited our students with consistency, transparency, and commitment. Majority of her staff encountered are always willing to go above and beyond and serve our children well.

In fact, the Ed Psych that is currently at MSA 3 is amazing and for continuity and consistency should stay at our campus. She actually helped us get through a very urgent situation where a student threatened to harm himself and acknowledge of abuse in his family. We had to call the Emergency Response Team and she stayed and worked with the student and family the entire time. She goes above and beyond and is willing to truly help the students at MSA 3.

We have had many compliance areas of growth, hiring request needing to be filled urgently and changing our plan of actions for students frequently and Edlogical is always ready to partner with MSA 3 and provide whatever services needed. They are always right there in crisis mode to resolve and solve any issues that arises.

The most important thing that is critical at MSA 3 is consistency. Having the same staff is what helps the students and parents have confidence in servicing their children. They are prompt, fair pricing, and willing to give 110% to support all students. I am open to having a transparent dialogue about Edlogical's commitment to MSA 3. Thank you Edlogical for your support and help and I want to continue with you considering my staff and students have a bond that would be absolutely concerning if discontinued.

Best,

Shandrea Daniel, MA

2019 SELPA NOTIFICATION: INTENT FOR NPA CERTIFICATION

SELPA OF NPA LOCATION : Long Beach Unified District   Dr. Rachel Heenan

NPA: EdLogical Group Corp

NPA Address: 111 West Ocean Blvd 4th Floor   City: Long Beach

County: Los Angeles   Zip: 90802

NPA Directions:

Applicants are required by California *Education Code* (EC) 56366.1(b)(1) to provide the SELPA, in which the NPA is located, with a written notification of its intent to seek certification to provide special education services and related services for individuals with exceptional needs.

The NPA must wait for the SELPA representative to respond at least 30 days for renewal applications and 60 days for new applications prior to submitting the application packet to the CDE. If there is no response from the SELPA, the NPA may attach a copy of the signed/stamped certified mail receipt indicating it was delivered to the SELPA office as evidence it has met the requirements of the law.

SELPA Directions:

SELPA representatives for the area in which the NPA is located have at least 30 days for renewal applicants and 60 days for new applicants to review and comment prior to the NPA submitting the packet to the CDE for processing. The NPA may submit the application to the CDE any time after the 30/60 day timeline, without the SELPA's signature.

SELPA USE ONLY:

I am the representative of the SELPA in which the NPA is located. I have been notified of the intent of the NPA named above, to be certified by the CDE as a NPA providing services for individuals with exceptional needs. I had the opportunity to review and provide input on all required components of the application.

Name of SELPA: *Long Beach USD*

Date NPA Application was sent to SELPA: *9/25/18*

Printed Name of SELPA Representative: *Rachel Heenan*

Signature of SELPA Representative: *[signature]*

Date Signed by SELPA: *10/1/18*

ELUMA SERVICES AGREEMENT "ESA" --content

This Services Agreement ("Agreement") along with its accompanying exhibits and addenda (the "Exhibits and Addenda") is entered into by and between the Partner and eLuma, LLC, a Utah Limited Liability ("eLuma"). eLuma and Partner may be referred to herein individually as a "Party" or collectively as the "Parties."

1. SERVICES. eLuma will make available to Partner credentialed and qualified clinicians and educators, including but not limited to speech-language pathologists, occupational therapists, social workers, counselors, psychologists, physical therapists, and special educators (each, a "Clinician") to provide therapy and instructional services (the "Services") to Partner students (the "Students") with identified or suspected special needs. Services will be provided in accordance with Addendum 1 Order Form ("Order Form") and may include but not be limited to:

> Therapy services; Instructional services; consultation and collaboration with teachers, parents and Partner; assessment services; administrative and billing work; pre- and post-assessment and intervention services; maintenance of regular documentation of services provided, recommended service plan, services provided, and responsiveness to services as well as participation in Partner meetings, including, but not limited to, individualized education planning meetings, as mutually agreed by Partner and eLuma; and
> Services will be provided via video conference technologies, unless otherwise specified, and in accordance with Addendum 1 Order Form attached hereto.
> Expert Implementation. eLuma will provide service and software implementation help through a proven and remote implementation process based on years of experience. Implementation services may include assistance with student and site selection, technical configuration, facilitator training, scheduling, administrator orientation, school principal orientation, school staff and therapist orientation, coordination and training for school IT department, parent orientation, and eLuma platform training. Partner may order an onsite implementation for an additional fee depending on Partner requirements.

2. SOFTWARE. eLuma will provide one complimentary license access to its proprietary platform, including video conferencing, for each therapy station. Each additional software license for Partner administrators and staff ("Software Licenses") shall be purchased in accordance with the Order Form.

3. VALUE ADDED SERVICES. eLuma may provide an onsite and qualified System Administrator who physically works at the designated sites where Services take place (or online with virtual schools) in order to coordinate

MAGNOLIA PUBLIC SCHOOLS   eLuma   Proposal

scheduling, facilitate therapy sessions, collaborate with and provide training to school staff and administration, and ensure that Services are executed in a successful manner ("Value Added Services") for an additional fee and in accordance with the Order Form.

4. TERMS AND CONDITIONS. Partner agrees that the Services, Software, and Value Added Services shall be provided in accordance with the Terms and Conditions (Exhibit A), Site and Delivery Requirements (Exhibit B), and Order Form (Addendum 1), detailing that which is to be provided and the fees for such. Exhibits A and B and Addendum 1 are herein incorporated by reference and collectively comprise the terms and conditions of this Agreement. The signature on Addendum 1 Order Form is considered legal and binding for this Agreement.

Exhibit A

Terms and Conditions

1. TERM. The Term of this Agreement shall commence on the date first written in Addendum 1 Order Form (the "Start Date") and will end (1) year after the Start Date (the "Termination Date") ("Term"). This Agreement will automatically renew each year on the Termination Date unless the Agreement has been terminated as stipulated herein. The new Termination Date will automatically advance one (1) additional year accordingly.

2. FEES AND PAYMENT. Partner shall be responsible for paying eLuma in accordance with the applicable Order Form, Addendum 1 that has been signed and attached hereto. Partner further agrees to pay the full amount in the Order Form regardless of whether Partner elects to utilize the full allotment of licensed services and software. In the event that eLuma provides additional Services or Software, which have been requested by Partner in writing, eLuma shall be entitled to bill Partner for those additional services. Services cover the regular school year, and Extended School Year ("ESY") services can be made available for an additional fee. Partner agrees to pay eLuma all amounts due within thirty (30) days of eLuma's invoice date. All Service Fees shall be annualized and prorated based on the months remaining through the last day in June of each school year and paid monthly throughout the duration of the Term. Sales tax and credit card processing fees will be charged separately, if applicable, and are not included in the fees outlined in the Order Form.

Partner may elect to pay the total minimum fees as listed in the Order Form within thirty (30) days of signing this Agreement, and eLuma will provide a three percent (3%) discount on the minimum fees due. Alternatively, if Partner's payment is postmarked within 10 days of eLuma's invoice date, the Partner may voluntarily reduce payment for the invoice by one percent (1%).

Late invoices will accrue interest of two percent (2%) per month or the maximum rate permitted by law. If payment is not postmarked within 60 days of the invoice due date, the Partner will be solely responsible for all fees incurred during the collections process, including but not limited to attorney fees and costs, collection fees, court costs, or any other cost which eLuma incurs. If Partner refuses to pay, eLuma reserves the right to withhold all Services and Software access until all outstanding invoices are paid in full. If Partner believes that eLuma has billed Partner incorrectly, Partner must contact eLuma no later than fifteen (15) days after receipt of the invoice, and the Parties will work together to correct any errors. Unless eLuma receives notice of any errors, the invoice amount will be due 30 days from eLuma's invoice date.

3. INFLATION ADJUSTMENT. Partner acknowledges and agrees that for each successive year after the first school year of Services and Software, eLuma may determine at its discretion to raise all Fees each year at the most recent annual rate of inflation, rounded to the nearest half dollar ($0.50) as defined here, or any other U.S. Government URL outlining such increases: http://data.bls.gov/timeseries/CUUR0000SAM?output_view=pct_12mths

MAGNOLIA
PUBLIC SCHOOLS

eLuma

Proposal

4. CLINICIAN AVAILABILITY. eLuma will use its best efforts to provide the Services throughout the Term. If the Partner does not sign the Order Form within thirty (30) days of receipt, eLuma cannot guarantee all of the clinician availability for required Services.

5. NON-SOLICITATION. Partner will not, during the term of the Agreement and for one (1) year thereafter, directly or indirectly solicit any eLuma employee or contractor without eLuma's prior written consent.

6. INDEMNIFICATION. eLuma agrees, to the fullest extent permitted by law, to indemnify and hold harmless the Partner, its officers, directors and employees against all damages, liabilities or costs, including reasonable attorneys' fees and defense costs, to the extent caused by the eLuma's gross negligent performance of professional services under this Agreement and that of anyone for whom the eLuma is legally liable.

The Partner agrees, to the fullest extent permitted by law, to indemnify and hold harmless the eLuma, its officers, directors, employees and subcontractors against all damages, liabilities or costs, including reasonable attorneys' fees and defense costs, to the extent related to: (a) Partner's use of the Services in violation of this Agreement, or (b) any breach or violation of this Agreement by Partner and/or its contractors, subcontractors or consultants.

Neither the Partner nor the eLuma shall be obligated to indemnify the other party in any manner whatsoever for the other Party's negligence.

7. INSURANCE. eLuma shall procure and maintain Commercial General Liability insurance for $1,000,000 per occurrence and $3,000,000 aggregate. eLuma shall also procure and maintain Professional Liability insurance for $1,000,000 per occurrence and $2,000,000 aggregate. Both General and Professional liability insurances will be procured and maintained for the duration of this Agreement.

8. REPRESENTATIONS & WARRANTIES. eLuma represents and warrants that any employee and/or independent contractor of the eLuma is duly qualified and if necessary, licensed to provide the Services. eLuma further represents and warrants that any employee and/or independent contractor of the eLuma will follow all local, state, and federal laws and regulations and will materially comply with all industry standards and practices that may apply to the provision of Services.

Partner represents and warrants that it has been duly authorized, licensed, and/or chartered to operate in its capacity as an educational institution or other institution that serves STUDENTS. Partner further represents and warrants that any employee and/or independent contractor of the Partner will follow all local, state, and federal laws and regulations and industry standards and practices that may apply to its capacity as an educational institution or other institution that serves STUDENTS.

9. DISCLAIMER & WAIVER OF WARRANTIES. Except as expressly set forth in this Agreement, the Services and Software to be purchased under this Agreement are furnished as is, where is, with all faults and without warranty of any kind, express or implied, including any warranty of merchantability or fitness for any particular purpose.

10. NOTICES. Notices required under this Agreement shall be in writing and may be delivered by hand, by facsimile transmission, by certified mail with return receipt requested, or by overnight courier service to the individuals listed in the Order Form, Addendum 1. Notice shall be deemed received, and therefore effective, upon delivery if by hand, upon verbal confirmation of receipt if by facsimile transmission, two days after mailing if by certified mail, or one day after pickup if by overnight courier service.

11. CONFIDENTIALITY

11.1 CONFIDENTIAL INFORMATION. "Confidential Information" means any information disclosed under this Agreement by either party ("Disclosing Party") to the other party ("Receiving Party") that: (a) is in written, graphic, machine readable or other tangible form and is marked "Confidential," "Proprietary" or in some other manner to indicate its confidential nature; (b) oral

information disclosed by the Disclosing Party to the Receiving Party pursuant to this Agreement, provided that such information is designated as confidential at the time of disclosure and reduced to a written summary by the Disclosing Party, marked in a manner to indicate its confidential nature and delivered to the Receiving Party within ten (10) calendar days after its oral disclosure; and (c) information otherwise reasonably expected to be treated in a confidential manner under the circumstances of disclosure. Notwithstanding the foregoing, the following information will be deemed the Confidential Information of eLuma whether or not so designated upon disclosure or confirmed in writing: (i) eLuma pricing; (ii) eLuma Pre-Existing Technology and eLuma Work Product and (iii) any know-how, designs, layouts, configurations, methods, processes, formulae, specifications, functionality, performance data, test results or error or bug information provided by eLuma to Partner under this Agreement or otherwise obtained by Partner from use or examination of the deliverables. Confidential Information may also include information of a third party that is in the possession of the Disclosing Party and is disclosed to the Receiving Party under this Agreement. Confidential Information will not include any information that: (1) was publicly known and made generally available in the public domain prior to the time of disclosure by the Disclosing Party; (2) becomes publicly known and made generally available after disclosure by the Disclosing Party to the Receiving Party through no action or inaction of the Receiving Party; (3) was already in the possession of the Receiving Party without confidentiality obligations at the time of disclosure by the Disclosing Party as shown by the Receiving Party's files and records immediately prior to the time of disclosure; (4) is obtained without confidentiality obligations by the Receiving Party from a third party without a breach of such third party's obligations of confidentiality; or (5) is independently developed by the Receiving Party without use of or reference to the Disclosing Party's Confidential Information.

11.2 NONUSE AND NONDISCLOSURE. The Receiving Party will use the Disclosing Party's Confidential Information solely for the purposes of performing its obligations and exercising its rights under this Agreement. The Receiving Party will not disclose any Confidential Information of the Disclosing Party to third parties or to such party's employees, except that the Receiving Party may disclose the Disclosing Party's Confidential Information to those employees and contractors of the Receiving Party who are required to have the information in order to perform Receiving Party's obligations and exercise the Receiving Party's rights under this Agreement, provided however that such employees or contractors are subject to a confidentiality agreement with terms no less restrictive than those contained herein. If the Receiving Party is required by law to make any disclosure that is prohibited or otherwise constrained by this Agreement, the Receiving Party will provide the Disclosing Party with prompt written notice of such requirement prior to such disclosure so that the Disclosing Party may seek a protective order or other appropriate relief. Subject to the foregoing sentence, the receiving party may furnish that portion (and only that portion) of the Confidential Information that it is legally compelled or is otherwise legally required to be disclosed; provided, however, that the Receiving Party provides such assistance as the Disclosing Party may reasonably request in obtaining such order or other relief at the Disclosing Party's option and expense.

11.3 MAINTENANCE AND CONFIDENTIALITY. The Receiving Party will use commercially reasonable efforts to prevent unauthorized use or disclosure of the Disclosing Party's Confidential Information. The Receiving Party will ensure that its employees who have access to Confidential Information of the Disclosing Party have signed a non-use and non-disclosure agreement in content at least as protective of the Disclosing Party's Confidential Information as the provisions of this Agreement prior to any disclosure of the Disclosing Party's Confidential Information to such employees. The Receiving Party will promptly return all copies of the Disclosing Party's Confidential Information as requested by such Disclosing Party at any time in writing; provided, however, the parties agree that eLuma's continued access to Partner's Confidential Information which is required for the Services will be deemed a Partner Obligation.

12. DEFAULT AND TERMINATION. This Agreement may be terminated under the following circumstances:

Prior to the expiration of the Term by mutual written agreement of the Parties.

By either party by written notice sixty (60) or more days prior to the Termination Date, terminating the Agreement as of the Termination Date.

By either party if the other party fails to perform any material obligation and such failure continues for a period of fifteen (15) days after receipt by the breaching party of written notice from the non-breaching party specifying such default.

MAGNOLIA PUBLIC SCHOOLS   eLuma   Proposal

Immediately upon written notice of eLuma, if Partner requests any action which eLuma deems to be unethical, illegal, or otherwise not conforming with the professional standards expected in the individual therapist profession.

Any termination of this Agreement shall not affect eLuma's rights to payments due to it. Sections 5, 6, 8, 9, and 11 shall survive the termination of this Agreement.

13. APPLICABLE LAW. The Agreement shall be governed by the laws of the State of Utah.

14. AGREEMENT & MODIFICATION. This Agreement embodies the entire understanding between the parties and supersedes all prior agreement and understanding relating to the matters provided for herein. Any modifications to this Agreement are valid and binding only if made in writing and signed by both parties.

15. DISPUTE RESOLUTION. Any dispute, controversy, or claim arising out of or relating to this Agreement, including a breach of this Agreement, will be settled by binding arbitration. Any such arbitration will be held in Salt Lake County, Utah. Both parties will equally bear any fees and administrative costs associated with the arbitration.

16. SEVERABILITY. The provisions of this Agreement are severable. If a court determines any provision of this Agreement to be illegal or unenforceable in any way, the remaining provisions will remain in full force and effect. It is the intention of the parties that this Agreement be enforced to the fullest extent permitted by law.

17. FORCE MAJEURE. Neither party will be responsible for any failure to fulfil its obligations in this Agreement due to causes beyond its reasonable control, including without limitation, computer viruses, bugs, tampering, unauthorized intervention, fraud, communications line failure, acts or omissions of government or military authority, acts of God, shortages of materials, transportation delays, fires, floods, labor disturbances, riots or wars.

18. TRAVEL EXPENSES. Partner shall reimburse eLuma for the travel expenses (i.e., business class airfare, lodgings, mileage at the current federal mileage rate, meals and local transportation) incurred by eLuma personnel in connection with trips pre-approved in writing and undertaken at the Partner's request or for the purposes of meeting with the Partner.

Exhibit B

Site and Delivery Requirements

eLuma and Partner agree to meet the following requirements, as specified, to facilitate timely and efficient delivery of Services and Software in accordance with this Agreement. Parties agree to diligently meet requirements and will use best efforts to fulfill them with expedience and on a coordinated basis with the other Party. In the event that Partner fails to meet any of the requirements listed herewith, eLuma shall not be deemed responsible for failure to deliver Services dependent on the fulfillment of these requirements.

1. CREDENTIALING REQUIREMENTS. Partner agrees to provide clear and complete credentialing and background check requirements required by Partner in writing within a week of signing the Agreement or during the initial setup meeting with eLuma, whichever comes first. Otherwise, eLuma will follow the state and department of education guidelines. If the Partner changes the requirements, Partner will give eLuma up to 90 days to acquire the additional credentialing and background check requirements and allow services to continue without interruption.

2. SITE REQUIREMENTS. Partner agrees to provide and maintain a specially designated location(s) ("Site(s)") to which eLuma may deliver Services for the Partner. The Site designated by the Partner must have an area that is quiet, confidential, and relatively free of distraction. Partner also agrees to provide an adult supervisor at the Site whenever the services are being delivered. Partner will also ensure that the following items are available and/or

eLuma, LLC | elumatherapy.com | (877) 469-3332   20

MAGNOLIA
PUBLIC SCHOOLS

eLuma

Proposal

provided: working computers, audio devices, microphone devices, webcams, high speed Internet, appropriate desk and chairs (properly sized), and other equipment required for Services ("Equipment") for the Site as specified by eLuma. Partner can delegate purchase, payment and delivery of a webcam, microphone, y-splitter, or headset to eLuma for up to two (2) Sites per school location if the Partner does not already have these items.

3. THERAPY SPECIFIC MATERIALS. From time to time, it may be necessary for the Partner to provide additional materials and equipment for therapy services to be effective ("Materials"). These Materials may include writing utensils, paper, theraputty, gym mats, yoga balls, exercise bands, clothespins, and more depending on the service being delivered. The Partner will be responsible to pay for Materials, and both Parties will work together in good faith to ensure that Students have the Materials they need to participate effectively in Services.

4. IMPLEMENTATION SETUP. Parties mutually agree to meet and fulfill implementation requirements as specified and set forth as follows.

To facilitate a fast and effective implementation, eLuma will be responsible for the following:

- Assigning an implementation specialist who will lead the implementation project, ensure that eLuma and Partner tasks are completed in a timely manner, and make sure all parties are coordinated so that Services and Software access can begin as quickly as possible.
- Assigning an information technology specialist who will assist with Site(s) configuration and setup in accordance with the Services and Software outlined in this Agreement.
- Recruiting, hiring, onboarding and credentialing, training, and staffing the Partner needs as outlined in this Agreement.
- Providing a copy of the fully executed Agreement, signed W-9, and the Professional and General Liability insurance to Partner upon request.
- Training adult supervisors (also known as "Facilitators") and creating a one-page document for each Site's Facilitator including, but not limited to:
- Logging into the eLuma's software system.
- Turning on the webcam, microphone, and audio.
- Basic troubleshooting webcam, microphone, and audio issues.
- How to contact the technical support team.
- Creating the therapy schedule with the support of the Partner, or support the Partner in creating the therapy schedule.
- Ordering and shipping Equipment upon the request of the Partner and invoicing in accordance with this Agreement.

To facilitate a fast and effective implementation, Partner shall be responsible for the following before or during the implementation process with eLuma:

- Assigning a main point of contact ("Implementation Champion") for the Partner during implementation. The Implementation Champion will ensure that Partner tasks are completed in a timely manner and that the implementation stays on schedule.
- Assigning an Information Technology specialist and providing a phone number and email in order to set up working computers, webcams, microphones, audio, and/or Ethernet connections at each Site used in conjunction with Services.
- Providing caseload information including, but not limited to the number of Students requiring Services, minutes of Services, and group therapy session size. (Note: groups sessions are not to exceed four (4) Students at a time and no more than two (2) Students per computer.)
- Providing the name(s) of each Site and Facilitator for each Site where Services will take place, along with each Facilitator's best phone number and email address.

eLuma, LLC | elumatherapy.com | (877) 469-3332　　　　　　　　**21**

Proposal

Providing access to Student Individualized Education Plans ("IEPs") by software access, fax, or password protected pdf.

Providing current copies of the academic calendar, along with special scheduling considerations.

Providing support in creating the therapy schedule.

5. DELIVERY REQUIREMENTS. Parties mutually agree to meet and fulfill implementation requirements as specified and set forth as follows.

To facilitate successful delivery of Services, eLuma shall be responsible for the following:

Providing Services through its secure video conferencing software, Software, and Value Added Services in accordance with this Agreement.

Providing Services in an efficient and timely manner.

To facilitate successful delivery of Services, the Partner shall be responsible for the following:

Using its best efforts to communicate and deliver information in a timely manner.

Using its best efforts to execute implementation requirements in a timely manner.

Providing a list of Students who will receive Services from eLuma.

Providing the necessary space and equipment for the Services (not applicable for virtual schools).

Providing access to Student IEP files and other related documentation that will be necessary to provide Services.

Providing a Facilitator at each Site where services take place in order to help with, but not limited to:

Taking Students to and from the Site where Services take place.

Helping the Students log into the computer and video conferencing platform, putting on the headset, etc.

Ensuring the computer is properly connected to the video conferencing platform and contacting the Clinician or eLuma Tech Support if necessary.

Reporting any technology issues are reported and fixed.

Providing support for Student as requested and under the direction of the Clinician.

Assisting in the process of scheduling and communicating general expectations with school staff and therapists and eLuma Clinicians.

Providing Student' school schedules.

Ensuring compliance with state and federal special education laws and regulations.

6. SUPERVISION. If the Partner contracts with eLuma to supervise clinical assistants, including but not limited to speech-language pathology assistants ("SLPA") and certified occupational therapy assistants ("COTA"), Partner agrees to ensure that each assistant will:

Have the necessary education and training.

Meet state and/or American Speech Hearing Language Association ("ASHA") or American Occupational Therapy Association ("AOTA") guidelines for SLPA or COTA code of ethics, duties, and responsibilities.

Follow treatments plans approved by the supervising speech-language pathologist ("SLP") or occupational therapist ("OT").

Not administer standardized or non-standardized diagnostic tests.

Not participate in IEP meetings, case conferences, parent meetings without the supervising SLP or OT present.

Not represent themself as an SLP or OT.

Partner also agrees that eLuma clinicians will:

eLuma, LLC | elumatherapy.com | (877) 469-3332   22

MAGNOLIA
PUBLIC SCHOOLS

eLuma

Proposal

Participate in training the SLPA or COTA.

Make clinical and treatment decisions.

Prepare treatment plan for each Student that the SLPA or COTA works with.

Sign all formal documents and review SLPA or COTA session notes.

Provide direct and indirect supervision as required by the state and/or ASHA or AOTA guidelines.

YMCA Agreement With MSA San Diego

Section: III. Action Items
Item: I. YMCA Agreement With MSA San Diego
Purpose: Vote
Submitted by:
Related Material: III I YMCA AND MSA SD .pdf

Board Agenda Item #	Agenda # III I- Action Item
Date:	06/13/19
To:	Magnolia Board of Directors
From:	Alfredo Rubalcava, CEO & Superintendent
Staff Lead:	Gokhan Serce, Principal
RE:	ASES agreements for MSA-San Diego

Proposed Board Motion

I move that the board grants approval to Mr.Rubalcava, CEO and Superintendent of MPS to sign the MOA for MSA – SD Afterschool ASES Program with YMCA of San Diego County (YMCA) and the MOA with SDCOE and approve the addition of ASES budget in FY 2019-20 based on attached document from SDCOE.

Background

MSA-SD has been receiving after school program grant and services through San Diego Unified School District (SDUSD.) In Jan 2016 SDUSD informed MSA-SD that the district would no longer be providing PrimeTime before/after school services at Magnolia in 2016-17 school year as MSA-SD's fiscal agent, however the After School Education and Safety (ASES) funds that fund the program would remain allocated to Magnolia either through SDCOE or directly. In order to continue to receive these funds to offer a before/after school program, MSA-SD contacted San Diego County Office of Education (SDCOE). After switching to SDCOE, MSASD needed an agreement with SDCOE annually and an agreement with the after school service provider YMCA of San Diego County (YMCA). The term of these agreements are July 1, 2019 through June 30, 2020. YMCA has been MSA-SD's after school service provider for the past 7 years.

Based on MPS policy MPS Board wanted to receive the grant letter to approve the agreements for the ASES services. Unfortunately our consortium, SDCOE, doesn't provide the grant letters until February of that school year. Instead of the grant letter we receive a projected funding and also receive an agreement from County office of Ed in late October. In the last three years MPS board requested to see the grant letter to approve the agreements. Due to the conflict between SDCOE's current practice and MPS Boards policy we were not able to sign an agreement with our service provider, YMCA, before the school starts. As a result of this issue we were not able to pay to YMCA until February of the school years for the last three years.

Although we still do not have the grant letter we have emails from SDCOE confirming the projected funding amount and the grant approval for the next three years these documents are attached.

250 E. 1st Street Suite 1500, Los Angeles, CA 90012 | www.magnoliapublicschools.org

<u>Budget Implications</u>

*** BUDGET IMPLICATIONS HAVE BEEN REVIEWED AND APPROVED BY THE FINANCE DEPARTMENT

ASES is a state grant and needs to be disbursed in compliance with the California ED Code. The fiscal agent, SDCOE, reimburses MSA-SD for the expenses occurred by the YMCA. ASES program is currently not included in the 2019-20 proposed budgets. All income and expenses will be added and budgeted accordingly upon approval.

Funding Source: ASES grant money through SDCOE Consortium

Wed, May 22, 2:19 PM

Good Afternoon District and Charter School Contacts-

The San Diego County Office of Education was recently notified by the California Department of Education (CDE) that the ASES request for grant renewal has been reviewed and approved. Consistent with California Education Code Section 8483.7(a)(1)(A), the grant renewal begins on July 1, 2019 and ends on June 30, 2022.

If you have any question feel free to contact us directly.

Congratulations!

Thank you,

Board Agenda Item #	Agenda # III J - Action Item
Date:	June 13, 2019
To:	Magnolia Board of Directors
From:	Alfredo Rubalcava, CEO & Superintendent
Staff Lead:	Nanie Montijo, CFO and Karl Yoder, DMS
RE:	Approval of Payment Plan for MPS Intra-Organizational Loans

Proposed Board Recommendation

Staff moves that the MPS Board approves the revised payment schedule plan for all MPS Intra-Organizational loans.

Background

All Intra-organizational loans were previously board approved together with the payment plan to repay each school site's short-term loan. Some school sites were not able to adhere to the payment schedule previously approved by the board. The defaulted payments affected the availability of funds from other sites to settle their own short-term loan.

A revised payment schedule is attached for board approval as requested by the auditors. The revised plan is based on the most current data, projected enrollments, latest budget proposals and cash projections. The following assumptions are incorporated in the proposed repayment schedule:

- Added previously board approved $1.93M intra-organization loan to MSA 1.
- Assumed a 60-month repayment schedule for everything over $30k, one time cash payment for under $30k.
- After 60 months, all Due To/Due From will be repaid in full.

Budget Implications

The revised payment schedule is incorporated in each site's cash flow projection using the most current budget proposals.

How Does This Action Relate/Affect/Benefit All MSAs?

Date:	June 13, 2019
To:	Magnolia Board of Directors
From:	Alfredo Rubalcava, CEO & Superintendent
Staff Lead:	David Yilmaz, Chief Accountability Officer
RE:	MPS Schools Annual Authorizer Oversight Reports

Proposed Board Recommendation

Information/Discussion Item

Background

Oversight Visits Overview

Per the Education Code, charter authorizers need to conduct at least one annual oversight visit to their authorized schools. During an oversight visit authorizers meet with the school leadership, visit classrooms, conduct interviews with staff, parents, and students, check student and staff records, interview some staff (for segregation of duties, etc.), and review a list of documents that our schools provide in physical and electronic binders or folders. As a sample please see **attached** LAUSD annual performance-based binder prep guide 2018-19. The Home Office supports the schools in preparation for the oversight visits through mock visits, document preparation and review, and attendance to the oversight visits.

Also find **attached** MSA-4's charter renewal letter from the LAUSD Charter Schools Division (CSD) which delineate academic and fiscal benchmarks for MSA-4. Our academic team addressed the academic benchmarks directly with the LAUSD Charter Schools Division earlier during the year. MPS' response to fiscal benchmarks has been attached as a separate cover page to this agenda along with our action plan as this will be presented separately by our CFO, Nanie Montijo.

250 E. 1st Street Suite 1500, Los Angeles, CA 90012 | www.magnoliapublicschools.org

2018-19 Oversight Visits

All MPS schools have been visited by their respective authorizers. Following are the oversight visit details for 2018-19:

School	Authorizer	Visited?	Dates/Notes
MSA-1	LACOE	Yes	3/26/19
MSA-2	LACOE	Yes	4/9/19
MSA-3	LACOE	Yes	4/10/19
MSA-4	LAUSD	Yes	2/28/19
MSA-5	LACOE	Yes	4/4/19
MSA-6	LAUSD	Yes	4/2/19 (Charter renewed)
MSA-7	LAUSD	Yes	4/3/19 (Charter renewed)
MSA-Bell	LAUSD	Yes	2/6/19 (Upcoming charter renewal)
MSA-San Diego	SDUSD	Yes	(Upcoming charter renewal)
MSA-Santa Ana	SBE	Yes	(Charter renewed)

Oversight Visit Reports

Authorizers typically provide the school with a report after their visit to delineate the school's areas of strength and areas for improvement as well as areas of compliance and non-compliance, if applicable. The school leadership and the Home Office review those reports very carefully for continuous improvement of our schools. LAUSD also gives a rating to the schools (out of 4) for the following areas: Governance, Student Achievement and Educational Performance, Organizational Management, Programs, and Operations, and Fiscal Operations. The following are ratings our LAUSD authorized schools received in 2017-18 and 2018-19:

Authorizer Oversight Visit Reports	Governance	Student Achievement and Educational Performance	Organizational Management, Programs, and Operations	Fiscal Operations
		2018-19		
MSA-4	4	3	3	4
MSA-6	4	4	4	4
MSA-7	4	3	4	4
MSA-BELL	4	3	3	4
		2017-18		
MSA-4	3	3	3	3
MSA-5	3	3	3	3
MSA-6	3	3	3	3
MSA-7	3	3	4	3
MSA-BELL	3	3	3	3

So far we have received 2018-19 oversight visit reports for MSA-4, 6, and Bell from LAUSD, and the attached letter from the CDE for MSA-Santa Ana. We have not received a letter or report from LACOE or SDUSD yet, but the overall visits have been successful, with no findings for non-compliance. The letter from the CDE states that the school is in compliance with the charter petition and the MOU.

It is notable that all our LAUSD-authorized schools received ratings of no less than "3" in each of the four areas, with MSA-6 receiving all "4"s. All four schools received a rating of "4" in both Governance and Fiscal Operations.

==Areas Noted for Further Growth and/or Improvement from Oversight Visit Reports==

Magnolia-wide:

Notes: MPS leadership shared some updates in its policies, procedures, and systems that are in place and will be implemented to ensure that all schools are compliant with AB1432. Some of the updates include the following:

- Upon MERF Human Resources annual review of the MERF employee handbook with its legal counsel, updates will be made as necessary and will be presented to the MERF Board for approval.
- MERF HR will review and explain the compliance checklist, which includes AB 1432 training, with the school principals to implement the mandatory trainings to school staff.
- MERF works with Safe Schools trainings under CharterSafe to assign individual training sessions for many required trainings including the ones required by AB1432. While the legal requirement is for staff to complete within six (6) weeks after the first day of school or employment (whichever is first), MERF internally strongly encourages employee to complete the trainings within four (4) weeks after the first day of school or employment (whichever is first).
- MERF HR and the school sites work together to make sure all trainings are completed in a timely manner.

Other Observations (Items described in this section, while not addressed in the charter school's Fiscal Policies and Procedures, are recommended for improvement to align with optimal business practices).

Itemized Receipts for Credit Card Purchases:
Based on the CSD's review of the school's credit card statements for the period spanning from June 2018 through December 2018, a sample of 17 transactions were selected for further review. The CSD noted that one of these items lacked an itemized receipt (which was purchased with the school credit card ending in 91003, in the amount of $66.00, dated 10/27/2018 and payable to Dominos Pizza). However, MERF provided documentation which referenced the proper approval and supported this transaction.

The CSD noted that MERF's Fiscal Policies and Procedures (FPP's) were silent regarding itemized receipts as part of its required documentation for credit card purchases. The CSD recommends that MERF update its FPP's, to include the mandatory submission of itemized receipts to support all purchases.

The Charter Schools Division will review the recommended updates to the school's fiscal policies by the next oversight visit. The results may be factored into the school's rating for next year.

Corrective Action Required:

None noted that require immediate action to remedy concerns noted in this report.

MSA-4:

Areas Noted for Further Growth and/or Improvement

O4: MEETING THE NEEDS OF ALL STUDENTS; SUBGROUP DATA ANALYSIS

While the school has implemented the components of the charter's instructional program designed to meet the learning needs of all students, including its subgroups, and partially modifies instruction based on data analysis, school leadership recognizes a need for improvement by developing a "Measurable Pupil Outcomes and Action Plan. Some of the features of the plan include the following:

- Develop a greater understanding of StudySync ELA Common Core curriculum in order to increase student achievement though StudySync trainings, department meetings/collaborations, Tuesday PDs, external and Magnolia-wide ongoing professional development
- Improve the Lexile levels for all students so that they can be at a or above grade level though the MyOn Program and Summer In-Service Training
- Teachers will be expected to pose higher-level questions to students that are geared toward pushing their critical thinking skills
- MPS Math Coach to provide professional development monthly to improve foundational skills to increase student achievement in Math. Professional development will be differentiated.
- Continue power Classes for targeted students and after-school tutoring (tutoring offered daily from 3:10pm to 4pm)

Additionally, school leadership shared the following: "One potential root cause in the decline in ELA and Math for our Latino students is not connecting with the curriculum and internalizing their learning. We will spend more PD time on building Culturally Responsive and relevant Pedagogy competencies, which will lead

LAUSD CHARTER SCHOOLS DIVISION	SCHOOL NAME: **Magnolia Science Academy 4**
Annual Performance-Based Oversight Visit Report	DATE OF VISIT: **2/28/2019**

to the inclusion of incorporating high-interest topics that students can relate to in all classrooms. Additionally, Imagine Etiquette has been brought in as a partner to motivate some middle school and 11th grader student's thought the fostering of a greater sense of cultural pride."

Corrective Action Required

None noted that require immediate action to remedy concerns indicated in this report.

MSA-7:

Areas Noted for Further Growth and/or Improvement
Please see summary for A2 and O4 that details what MSA 7 is doing to improve academic achievement for all students, especially in the area of math and for English Learners.
Corrective Action Required
None noted that require immediate action to remedy concerns indicated in this report.

Areas Noted for Further Growth and/or Improvement
A2: Some subgroups demonstrated growth in CAASPP Math performance from 2016/2017 to 2017/2018
- Per CDE, MSA 7 has 5 numerically significant subgroups (English Learners, Latino, Socioeconomically Disadvantaged, Students with Disabilities, and White). 1 out of 5 numerically significant subgroups demonstrated growth in Math (White students). In Math, English Learners declined by 6.49%; Latino students declined by 10.77%; Socioeconomically Disadvantaged students declined by 12.67; and Students with Disabilities declined by 0.76%
  - Per school leadership, in an effort to increase academic achievement in math, MSA 7 will "continue with the XtraMath program to continue building math fact fluency, as well as after school tutoring based upon benchmark data. Rather than continuing an out-of-classroom math intervention program, we plan on focusing on building a strong guided math group program that aligns across grade levels."

O4: The school continues to implement and monitor the components of the charter's instructional program designed to meet the learning needs of all students, including its subgroups, and generally modifies instruction based on data analysis.
- Per school leadership, in an effort to increase academic achievement, the following is being implemented:
  - English Learners receive 30 minutes of ELD Designated instruction in a protected block of time during the school day. The primary curriculum used during this designated time is *Wonders*, which is used in conjunction with supplemental programs such as Duolingo.
  - An instructional aide was hired to assist the EL Teacher/Coordinator in providing more academic support to English Learners.
  - ELD focused tutoring after school with ELD teachers
  - There are two paraeducators to support students with disabilities, as well as two Behavior Intervention Implementation (BII).
  - Counseling services for newcomers
  - Multi-Tiered System of Supports (MTSS) for students, with clear supports for those in Tiers 1, 2, or 3.
  - Principal attended a Homeless Education and Foster Youth Services Workshop 101 on 10/12/2018 proved by Foster Youth Services Coordinating Program
  - Student Support and Progress Team meetings occur monthly to discuss students' needs, strategies, etc.

MSA-BELL:

Areas Noted for Further Growth and/or Improvement

A1: Some subgroups demonstrated growth in CAASPP ELA performance from 2016/2017 to 2017/2018
- Per the SBAC Report (CDE), 1 out of 5 numerically significant subgroups (Students with Disabilities) demonstrated growth. 4 out of the 5 subgroups demonstrated declines (English Learners at 0%; Latino students declined 7.19 percentage points; Socioeconomically Disadvantaged students declined by 7.56 percentage points; and White students declined by 5.43 percentage points)

The Home Office will continue to provide the board with any oversight report and feedback from the authorizer visits.

ANNUAL PERFORMANCE-BASED OVERSIGHT VISIT
PREPARATION GUIDE 2018-2019
Rev. 09/25/18

OVERVIEW

As part of our continuing efforts to provide performance-based oversight and to support the success of all students enrolled in LAUSD-authorized charter schools, the Charter Schools Division (CSD) observes and monitors each school's performance in view of state and federal law, District policy, and the school's charter. You can access District Policies Applicable to ALL LAUSD-Authorized Independent Charter Schools at https://achieve.lausd.net/Page/1823. In addition, you can access supplemental information on the CSD website at https://achieve.lausd.net/Page/1816. CSD staff members often make a number of informal visits to their assigned schools and may attend governing board meetings and admission lotteries throughout the academic year as part of year-round oversight. In accordance with California Education Code § 47604.32, the CSD annually conducts at least one formal school site visit - the "annual performance-based oversight visit" - that focuses on charter school performance in the following four categories:

Category I:	**Governance**
Category II:	**Student Achievement and Educational Performance**
Category III:	**Organizational Management, Programs, and Operations**
Category IV:	**Fiscal Operations**

The CSD provides the following guidance to assist charter schools in preparing for this year's CSD annual performance-based oversight visit. We hope this information will clearly communicate our expectations and thus enable each school to make sufficient advanced preparation to ensure a smooth, productive, and efficient visit experience for all. Prior to the annual oversight visit, your CSD assigned administrator, in consultation with the charter school's leadership, and the CSD Fiscal Team member assigned to the school, will determine and communicate the specific activities and schedule for the visit.

LOGISTICS
In order to facilitate a productive and efficient review process, the CSD requests each charter school to provide appropriate space(s) for the following visit activities:

☐ Small confidential work area containing a table and chairs with at least one nearby electrical outlet and **internet access**, for the use of the CSD visiting team to conduct document review and other team activities
☐ Room or other space in which the CSD team and the school leadership team can gather together for the Morning Meeting and visit debriefing
☐ If the school has been notified in advance that the visit will include stakeholder focus group interviews, a room or other space appropriate for conducting these confidential interviews.
Note: A single room or space may be appropriate, of course, to serve multiple purposes.

Please provide the following items in a separate folder for the CSD visiting team:

☐ Visit Schedule
☐ Master Schedule
☐ Staff Roster
☐ Site Map
☐ Bell Schedule
☐ School Contact Information

The CSD annual performance-based oversight visit typically encompasses the following activities, which provide opportunities to gather evidence (information and data) related to the performance indicators as well as to share "educator-to-educator" information and insights (required activities are in ***bold/italics***):

1. Interview/Discussion
   a. ***"Morning Meeting"*** with school leadership, which includes reflection and discussion of school academic achievement data and other key aspects of school performance
   b. ***Interview/discussions with organization and school-site leadership*** on specific topics (e.g. special education) and as needed to clarify and/or augment information already gathered
   c. ***Interviews of stakeholder groups*** (students, parents, staff) as determined by CSD staff
   d. ***Debriefing of visit with school leadership***
2. Observation
   a. ***Classroom observation***
   b. ***Site observation***
3. Document Review
   a. ***Review of documentation provided by school*** (see guidance below)
   b. ***Request and review of additional documentation***
4. Fiscal Review[1]
   See section below on preparation for fiscal review

---

[1] Note: The fiscal review component of the annual oversight visit may take place on a different day and/or at a different location (e.g. charter operator offices). The school/charter operator will be notified directly by the Fiscal Team, usually six weeks in advance of the scheduled annual performance-based oversight visit.

Annual Performance-Based Oversight Visit 2018-2019　　　　　　*Page 3 of 14*
Preparation Guide Rev. 09/25/18

PREPARATION FOR INTERVIEW/DISCUSSION
In the weeks prior to the scheduled visit, your CSD administrator will be providing school-specific guiding questions that focus on performance in one or more of the four assessment categories. The guiding questions are used during the Morning Meeting on the day of the visit to lead the discussion between the school's leadership team and CSD staff.

PREPARATION FOR DOCUMENT REVIEW
As an integral part of every annual oversight visit, the CSD reviews documentation in order to gather information and evidence regarding the school's performance in the four categories set forth above. In the event the charter school leadership prefers to electronically maintain and submit in Dropbox all required documents for the binder review, please notify in writing said request **at least six weeks prior** to the scheduled Oversight Visit, and forward it via email to the assigned CSD Specialist. Please provide the names and email addresses of staff that will need access to Dropbox and they will receive an invitation to upload documents for the oversight visit. You will create folders labeled Binder 1, Binder 2, Binder 3 and Binder 3A to organize and submit the required documents. Please limit file names to less than 40 characters in length.

PREPARATION FOR BINDER (*hard-copy or electronic)

In order to facilitate the document review process, it is important to assemble and organize the school's documentation for the first three performance categories into the following binders:

      Binder 1:   Governance Documentation
      Binder 2:   Student Achievement and Educational Performance Documentation
      Binder 3:   Organizational Management, Programs, and Operations Documentation
      Binder 3A: Documentation of Compliance with Clearance, Credentialing, ESSA Qualifications, Mandated Reporter Training requirements and Bloodborne Pathogen Training which must be generated in *hard-copy vs. electronically.

PREPARATION FOR FISCAL OPERATIONS DOCUMENTATION
As outlined more fully below, all documentation for the fourth performance category, Fiscal Operations, should be submitted **electronically** to the Fiscal Team member assigned to your school **three weeks prior to the fiscal site visit**, which is usually a component of the annual oversight visit but may be scheduled for a different day.

The following sections of this guide provide brief descriptions of the specific documentation needed for each performance category. Include all documentation applicable to the grade levels served by the school.

BINDER 1: GOVERNANCE DOCUMENTATION

Please organize the documentation provided in this binder in the order listed below. Include tabbed dividers or file names numbered in accordance with the numbering below.

- ☐ 1.1 **Organizational Chart**
  - Current and complete organizational chart (including Governing Board)
  - Organizational chart from current petition
- ☐ 1.2 **Bylaws** (Provide if changed after Fall 2018 submission date)
  - Current Governing Board bylaws
- ☐ 1.3 **Board Members** (Provide if changed after Fall 2018 submission date)
  - Current roster of Governing Board members with contact information along with evidence that Board contact information is accessible to school stakeholders
- ☐ 1.4 **Board Meeting Agendas and Minutes**
  - Board meeting agendas and minutes for all meetings held in the last 12 months
- ☐ 1.5 **Board Meeting Calendar** (Provide if changed after Fall 2018 submission date)
  - Calendar(s) of regular meetings of Governing Board
- ☐ 1.6 **Committee(s)/Council(s) Meeting Calendars and Agendas**
  - Calendar(s) and Agenda(s) of Committee(s)/Council(s) with sign-in sheets (titled and dated). Include evidence of School Site Council and ELAC meetings (for applicable schools).
- ☐ 1.7 **Evaluation of School Leadership**
  - Evidence of a system of evaluation for chief executive officers and school administrator(s)
- ☐ 1.8 **Brown Act Training**
  - Documentation of Brown Act training for Governing Board members, including recent training for all new members
- ☐ 1.9 **Agenda Posting Procedures**
  - Documentation of the Board meeting agenda posting procedures, including evidence of implementation (Include evidence that agendas are on the school's website.)
- ☐ 1.10 **Parent-Student Handbook(s)**
  - Current and complete Parent-Student Handbook(s) (Provide if changed after Fall 2018 submission date)
- ☐ 1.11 **Uniform Complaint Procedures** (Provide if changed after Fall 2018 submission date)
  - Complete documentation of school/organization's Uniform Complaint Procedures (UCP) policy and forms that meet State and Federal requirements. Information regarding UCP policies and procedures can be found at https://www.cde.ca.gov/re/cp/uc/.
    NOTE: Each charter school must have its own UCP as well as the District's UCP brochure (for special education purposes). The UCP is specific to complaints that could be possible violations of federal or state laws. Independent charter schools should maintain evidence of UCP logs and compliant implementation of regulatory timelines in the event the school is audited. An independent charter school is requested to review and be familiar with UCP requirements

and guidance on the California Department of Education (CDE) website (http://www.cde.ca.gov/re/cp/uc/), and additionally compare its UCP documents to the LAUSD UCP documents provided on the LAUSD website at lausd.net, in the *Offices* tab, at the *Educational Equity Compliance Office.*
NOTE: The UCP policy, procedures, and documents have also been added to the *COMPLIANCE MONITORING AND CERTIFICATION OF BOARD COMPLIANCE REVIEW* document for the governing board's annual review and certification.

☐ 1.12　**Stakeholder Complaint Procedure(s)**
- Evidence of other stakeholder complaint procedure(s) for complaints outside regulatory scope of UCP, including the school's complaint form(s)

☐ 1.13　**Human Resources Policies and Procedures**
- Evidence of policies and procedures specifically related to:
  - Staff Due Process
  - ESSA Qualification, Credentialing, and Clearance Requirements

☐ 1.14　**Data-Based Decision-Making**
- Evidence of a system for Governing Board review and analysis of school data to inform and support sound decision-making

☐ 1.15　**Fiscal Management and Accountability**
- Evidence of a system for Governing Board establishment, review and monitoring of fiscal policies, procedures, budget and finances to ensure sound fiscal management

BINDER 2: STUDENT ACHIEVEMENT AND EDUCATIONAL PERFORMANCE
Please organize the documentation provided in this binder, as applicable to the grade levels served by the school, in the order listed below. Include tabbed dividers or file names numbered in accordance with the numbering below. Prior to the oversight visit, analyze and be prepared to discuss the school's results and any other relevant sources of quantitative performance data that demonstrate the extent to which the school's significant subgroups as well as its schoolwide student population as a whole have experienced increases in academic achievement.

☐ 2.1　**LAUSD Office of Data and Accountability Data Set** (provided to the school prior to the visit)

☐ 2.2　**School Internal Assessment Data** (with analysis of results)
- Additional quantitative performance data and information gathered and/or produced by the school related to academic performance and progress assessment, monitoring, and **analysis**, such as:
  - Internal Assessments: Internal periodic assessments in ELA and Math. Internal assessment data for grades K, 1, 2, 9 and 10, to include:
    - Internal assessment data process
    - Tool(s) employed to collect data
    - Frequency of collection and growth (from beginning, middle, and end of year)

NOTE: Data must include an analysis of schoolwide and disaggregated subgroups for ELA and Math.
NOTE: The Internal Assessment data is only to be included as evidence for a new charter school or for charter schools which serve grade levels K, 1, 2, 9 and 10 which are not administered the CAASPP (SBAC).
NOTE: For purposes of evaluation of school performance for this indicator, the CSD considers only such data that is derived from standards-based high quality standardized or widely accepted assessments (e.g. SBAC Block Assessments,

Annual Performance-Based Oversight Visit 2018-2019　　　　　　*Page 6 of 14*
Preparation Guide Rev. 09/25/18

NWEA, DIBELS) and/or other assessment instruments for which the school can demonstrate validity/reliability

NOTE: For your awareness, the oversight report will include the school's ratings on the California School Dashboard. The school's dashboard ratings **will not impact** the overall Student Achievement and Educational Performance Rating for 2018-2019 oversight, but will provide informational areas of focus. California School Dashboard Indicators may, however, figure into next year's 2019-2020 oversight ratings.

☐　2.3　　CELDT/ELPAC Criterion reports (CDE)

BINDER 3: ORGANIZATIONAL MANAGEMENT, PROGRAMS, & OPERATIONS DOCUMENTATION
Please organize the documentation provided in this binder in the order listed below. Include tabbed dividers or file names numbered in accordance with the numbering below.

☐　3.1　　**School Safety and Operations** (School Safety Plan & Procedures)
　　　a. **Visitor's Policy**: Copy of policy in Parent-Student Handbook and evidence that policy is posted for the public
　　　b. **School Safety Plan**: Comprehensive Health, Safety, and Emergency Preparedness Plan, staff roles and assignments, including evacuation route maps (that complies with co-location requirements if co-located) and includes Threat Assessment protocol. For Co-locations, include copy of District school's Safe Schools Plan incorporating the charter school
　　　c. **Emergency Drills and Training**: Documentation of evidence of conducting safety drills and emergency preparedness staff training
　　　d. **Child Abuse Mandated Reporter Training**: Documentation of Child Abuse Mandated Reporter training for all staff and other persons working on behalf of the school who are mandated reporters (Include employee training documentation in Binder 3A)
　　　e. **Bloodbourne Pathogens Training:** Documentation of Bloodbourne Pathogens training for all staff (Include employee training documentation in Binder 3A)
　　　f. **Suicide Prevention Policy** for schools serving students in grades 7-12: (Provide if changed after Fall 2018 submission date) Inclusive, including evidence of board adoption of the policy; how stakeholders and mental health experts were consulted when developing the policy; professional development on suicide awareness and prevention; and any other activities that support AB 2246.
☐　3.2　　**Health and Safety**
　　　a. **Current and appropriate Certificate(s) of Occupancy** (COO) or equivalent for all non-District sites on which the school operates (Provide if changed after Fall 2018 submission date)
　　　b. **Student Immunization and Health Screening**: Evidence that the school provides for the immunization and health screening of its students, including but not limited to screening for vision, hearing, and scoliosis, to the same extent as would be required if the students were attending a non-charter public school
　　　NOTE: Do not provide individual student information
　　　c. **Epi-Pen**: Documentation that the school maintains unexpired epinephrine auto-injectors ("epi-pens") onsite and has provided training to volunteer staff in the storage and use of the epi-pen

☐ 3.3   **School Instructional Programs**
       a. **Standards-Based Instructional Program**: Evidence of grade-level-appropriate California academic standards-based instructional program, which is aligned in accordance with the California Common Core State Standards and the English Language Development standards and the California Next Generation Science Standards. Evidence of staff professional development about Standards-Based Instructional Program (may provide in section 3.4b)
       b. **Local Control and Accountability Plan (LCAP) and English Learner Master Plan or statement you are using the District English Learner Master Plan (Provide if changed after Fall 2018 submission date)**
       c. **CAASPP (SBAC) Technology Readiness**: Evidence of technology readiness to administer CAASPP (SBAC) assessments (If existing schools are experiencing difficulty in this area, please notify your CSD administrator)
       d. **WASC Accreditation Notification letter** (as applicable)
       e. **UC Doorways**: Evidence that all A-G high school courses have been approved through UC Doorways (UCOP printout) (as applicable)
       f. **Advanced Placement** examination participating and passage
       g. **A-G**: Completion of and progress toward A-G requirements
       h. **College**: College Acceptance
       i. **Transitional Kindergarten**: Evidence that the school has implemented TK (as applicable)
       j. **Meeting the Needs of All Students**: Evidence of implementation of interventions and supports to meet the learning needs of all students, including implementation of the school's Master Plan for English Learners as well as programs and activities to serve foster youth, socio-economically disadvantaged/students eligible for free and reduced price meals, students performing above and below grade level, students with disabilities, and GATE students/high achievers
       k. **Key Features of Educational Program**: Evidence of implementation of the key features of the educational program set forth in the charter. Evidence of staff professional development about Key Features of Educational Program (may provide in section 3.4b)
       l. **(Schools Serving 9th graders)**: Evidence of compliance with the Mathematics Placement Act

☐ 3.4   **School Management and Operations**
       a. **Special Education**: Evidence of provision of special education programs, services, and procedures in compliance with MCD, including:
- District Validation Review (DVR) - Documentation of the results of school's most recent (DVR)
- Self-Review Checklist - Copy of the school's current/up-to-date Special Education Self-Review Checklist
- Welligent Reports - Copy of the school's most current/up-to-date "IEP200-Annual and Triannual IEP Report" and the "SER300 (printed the week of the oversight visit)
- Professional Development- Evidence of staff professional development about Special Education (may provide in section 3.4b)

       b. **Professional Development**: Evidence of the school's professional development programs (e.g., school PD, CMO PD, and educator conferences) to support teachers and other school instructional staff (Can be provided here or in each section, as specified)

    c. **School Climate and Student Discipline**: Evidence of implementation of school climate and student discipline system that aligns with the principles of the District's Discipline Foundation Policy https://achieve.lausd.net/page/11924#spn-content , including:

- Tiered Behavior Intervention - Evidence of the school's tiered system of behavioral supports and interventions, such as SSPT
- Alternatives to Suspension - Evidence of the alternatives to suspension implemented by the school
- Schoolwide Positive Behavior Support System - Evidence of the school's recognition/incentive program(s) and/or other practices that provide positive behavior reinforcement and support
- Data Monitoring - Evidence that school collects, analyzes, and responds to data related to school climate and student discipline
- Professional Development - Evidence of staff professional development about School Climate and Student Discipline (may provide in section 3.4b)

    d. **Stakeholder Communication and Parent Engagement**: Evidence of a stakeholder communication system for gathering input, encouraging and facilitating parent involvement, sharing information, and resolving concerns, including:

- Stakeholder Consultation - Evidence of stakeholder consultation regarding the school's educational programs and its LCAP and related meeting agendas
- Parent Engagement – Evidence of parent engagement, including parent involvement policy and compact per Title I (ESSA) requirements
- Information Sharing – Evidence that the school shares accessible and relevant data and information regarding individual student and school-level performance and progress with all stakeholders (parents/guardians, students, teachers, and community members) as appropriate
- Transferability of Course Credit/Courses – Evidence that parents are informed about transferability of courses/course credit to other public high schools and the eligibility of courses to meet college entrance requirements
- Access to Approved Charter – Evidence that the school provides ready access to the school's approved charter to all stakeholders
- Documentation of complaint resolution process

    e. **Stakeholder Communication and Transparency**: Evidence that the school demonstrates informational transparency to stakeholders via documents available both manually and electronically (website preferred) in the following areas:

- UCP and General Complaint procedures
- Title IX information in accordance with SB1375 (required on website)
- AB 2246 Suicide Prevention applicable posting (Gr 7-12)
- Applicable categories described in LAUSD Charter School Transparency Resolution (schools may provide evidence of other electronic means for this item, if means other than website are utilized)

      f.   **Staff Evaluation**: Evidence of a system of evaluation for faculty and other staff
        NOTE: Please provide this documentation here only if it is not included in Binder 1; see note in Binder 1 section above.

BINDER 3A: DOCUMENTATION OF COMPLIANCE WITH CLEARANCE, CREDENTIALING, ESSA QUALIFICATIONS AND MANDATED REPORTER TRAINING REQUIREMENTS
Please organize the documentation provided in this binder in the order listed below. Include tabbed dividers or file names numbered in accordance with the numbering below.

☐ 3A.1   **Certifications and Related School Information**
     a.   **Certification (ESSA Grid)**:The <u>original signed document and one full-sized copy</u> of the school's completed and signed "Certification of Clearances, Credentialing, ESSA Qualifications, and Mandated Reporter Training 2018-2019" form (often informally referred to as the "ESSA Grid"), on which the school, through its Custodian of Records, certifies compliance with criminal background clearance, tuberculosis (TB) risk assessment/clearance, ESSA teacher and paraprofessional qualifications, credentialing, child abuse mandated reporter training requirements, and blood borne pathogen training for all staff.
       NOTE: All school employees as well as all contracting entities/independent contractors ("vendors") providing school-site or student services must be included on the completed form.
       NOTE: The completed certification document should be ready and available for CSD review no later than the **7th week after the first day of school**. In the event that the school makes any subsequent personnel/ vendor changes, the form needs to be updated to reflect current staff and vendors
     b.   **Staff Roster**: Current and complete school staff roster that shows all current assignment(s) for each staff member
     c.   **Master Schedule**: Master schedule that also indicates which teachers instruct ELs, and which subjects/courses are identified as "core" and "college preparatory" in the school's approved charter
     d.   **Custodian of Records**: Documentation that the school has at least one Custodian of Records who has been confirmed by the California Department of Justice (e.g., DOJ confirmation letter; DOJ Custodian of Records notification)

Please organize and tab the remaining three sections of binder 3A by last name of individual staff members or by contracting entity name. Provide this documentation (items 3A.2 and 3A.3 below) in the **same order as requested on the ESSA Grid**. i.e. *New Certificated Employees* collated by employee, followed by *Continuing Certificated Employees* collated by employee, followed by *New Non-Certificated Employees* collated by employee, and finally *Returning Non-Certificated Employees* collated by employee.

☐ 3A.2   **Certificated Employee Documentation**
     a.   **Criminal Background Clearance Certification**: Completed and signed "Criminal Background Clearance Certification" certifying criminal background clearance prior to employment or in any capacity.
       NOTE: Ensure all Social Security numbers recorded on these original forms are redacted

      b. **Credential(s)**: Copy of current credential(s) (copy of original certificate(s) or print-out from CTC website), showing issuance and expiration dates, type of credential, subject matter authorization, and type of EL authorization, for each position/assignment performed by the staff member as required by the CDE Administrators Assignment Manual
      NOTE: Ensure credential printouts are legible and clearly show all authorizations

      c. **Additional Authorization Documentation**: Any additional documentation necessary to authorize certificated service (e.g., CBEST, Temporary County Certificate (TCC), Teaching Permit for Statutory Leave (TPSL) documentation for any employee with a one-year credential)

☐ **3A.3** **Non-Certificated Employee Documentation**

      a. **Criminal Background Clearance Certification**: Completed and signed "Criminal Background Clearance Certification" certifying criminal background clearance prior to employment or in any capacity.
      NOTE: Ensure all Social Security numbers recorded on these original forms are redacted

☐ **3A.4** **Employee Child Abuse Training Documentation and Bloodborne Pathogen Training**: For all staff members include the supporting documentation of completion of the Child Abuse training within timelines specified in AB 1432 and the Bloodborne Pathogen Training.

☐ **3A.5** **Contracting Entities Documentation** (For each contracting entity/independent contractor ("vendor"))

      a. **Clearances and Credentialing Certification**: Current documentation from vendor certifying timely compliance with applicable criminal background and TB risk assessment/clearance requirements for vendor employees, and credentialing requirements for certificated vendor employees, with an appended list of the specific vendor employees covered by the certification.

      b. **Sole Proprietor Vendors**: Current documentation from charter certifying timely compliance with applicable criminal background and TB risk assessment/clearance requirements for sole proprietors, and credentialing requirements for certificated vendor employees (AB 949 which amends Education Code section 45125.1 to address criminal background clearance procedures for sole proprietors, becomes effective law on January 1, 2018)
      NOTE: The charter school is responsible for ensuring that vendors provide the *Vendor Certification of Criminal Background Clearance, Tuberculosis Clearance, and Credential Verification* signed form to the charter school prior to the provision of services to the school.

☐ **3A.6** **Volunteer Clearances Certification** (if applicable)

      a. **Clearances Certification**: Documentation certifying that the school has conducted volunteer clearances in accordance with applicable law and policy, including criminal background clearances for all volunteers who perform school-site services while not under the direct supervision of a school employee, and tuberculosis (TB) risk assessments/clearances for all volunteers with frequent or prolonged contact with students per the requirements of AB 1667, with an appended list of the names of the specific volunteers covered by the certification
      NOTE: To ensure adherence to HIPAA requirements and purposes, CSD staff will not review individual school staff member tuberculosis clearances or medical records. The CSD reserves the right to review such records as needed on a case-by-case basis and as permitted by law.

FISCAL OPERATIONS DOCUMENTATION

PLEASE NOTE: To assist our schools and our team with preparing for efficient and effective oversight visits, we have provided the list below to identify material and reports that the school needs to submit <u>electronically</u> to the Fiscal Team member assigned to the school <u>three weeks prior to the fiscal site visit</u> for appropriate staff review. All fiscal reports should be in Microsoft Excel unprotected format. All of the materials requested are intended to be documents routinely prepared by the charter school as a part of the regular operation of the school. <u>Please number and name the electronic documents to be provided to the Fiscal Team member in correspondence with the items enumerated below.</u> If an item listed below does not apply, or requires you to prepare something in addition to what is normally prepared in the regular operation of the school, please inform the CSD Fiscal Team member assigned to your school.

☐   1   **Most current** fiscal reports presented to the charter school's governing board (<u>provide reports presented at one of the meetings held in 2017-2018</u>)
   a. Balance Sheet: At a minimum include the categories of assets, liabilities, and net assets used in the audited financials
   b. Income Statement (Statement of Activities): At a minimum include the categories of revenue and expenses used in the audited financials
   c. Cash Flow Statement (including actual receipts and payments) to the end of the current fiscal year and through the next two fiscal years showing detailed sources of revenue and detailed expenditures. The cash flow projection for the current year should include actuals for the months where available and projections for the remaining months of the year. The cash flow should detail the revenue and expense categories for each month. These categories should, at a minimum, be the same categories referenced on the income statement listed above. Accruals for revenues and expenses should also be shown.

☐   2   Minutes of the meeting when the above fiscal reports were presented to the charter school's governing board

☐   3   Minutes of the meeting when the 2018-2019 budget was adopted

☐   4   If the school is offering STRS, PERS, and/or Social Security benefits to its employees, evidence that this is done in a manner that is consistent with the charter terms and the Charter Schools Act (Education Code 47611)

☐   5   Minutes of the meeting reflecting the selection of the independent auditor

☐   6   Minutes of the meeting reflecting the discussion of the most current independent audit report

☐   7   Minutes of the meeting reflecting the receipt, review, and approval of fiscal reports submitted to LAUSD

☐   8   Minutes of the meeting reflecting the discussion and resolution of complaints received from staff or vendors, if any

☐   9   Minutes of the meeting reflecting the receipt, review, and discussion of the most current Annual Performance-Based Oversight Visit report (this does not apply to charter schools that were not in operation for the 2017-2018 school year)

☐   10   A copy of the most current fiscal policies and procedures
   a.   If the most current fiscal policies and procedures do not include procurement guidelines, please provide a copy of the most current procurement policies and procedures that include, but are not limited to, competitive bidding thresholds for the procurement of goods and services, retention of contract records, and adequate segregation of duties

☐   11   Minutes of the meeting reflecting approval of the current fiscal policies and procedures and if applicable, minutes of the meeting reflecting the approval of the current procurement policies and procedures

☐   12   A copy of the charter school's organizational chart that depicts the current reporting structure of the charter school, including but not limited to, any board member or school employee, who has responsibilities outlined within the charter school's fiscal policies and procedures

☐   13   A description of the relationship between the charter school and any related party[2], and the business purpose of the related party

☐   14   Copies of all contracts with related parties (e.g., management contracts, service agreements, license agreements, affiliation agreements, etc.)
   a.   If the charter school incurs management fees, licensing fees, or any other related party fees, please provide the following information in Microsoft Excel format:
      i.   The percentage and/or rate of the fees;
      ii.   The basis used to calculate the total fees;
      iii. The terms of the services provided; and
      iv.   A rationale for the percentage and/or rate of the fees and the basis used to calculate the total fees

☐   15   If applicable, minutes of the meeting reflecting approval of the management fees, licensing fees, or any other related party fees

☐   16   If the charter school has a sole statutory member, please provide the following:
   a.   A copy of the sole statutory member's by-laws
   b.   A copy of the sole statutory member's articles of incorporation

☐   17   Check registers for the prior 12 months in <u>Microsoft Excel format</u>

---

[2] **Related parties** may include a) affiliates of the entity, b) principal owners of the entity and members of their immediate families, c) management of the entity and members of their immediate families, 4) other parties which the entity may deal if one party controls or can significantly influence the management or operating policies of the other to an extent that one of the transacting parties might be prevented from fully pursuing its own separate interests, and 5) other parties that can significantly influence the management or operating policies of the transacting parties or that have an ownership interest in one of the transacting parties and can significantly influence the other to an extent that one or more of the transacting parties might be prevented from fully pursuing its own separate interests.

☐　18　All credit card statements for the prior six months, and the following:
　　a. A list of all credit cards in Microsoft Excel format that includes the last four digits of each credit card number, the legal name of each credit card holder, and the job title of each credit card holder

☐　19　Monthly bank statements and reconciliations for the prior six months, and the following:
　　a. A list of all school bank accounts in Microsoft Excel format that includes the type of account (e.g., checking, savings, money market, etc.), the last four digits of the account, a description of the purpose of the account (e.g., operating, nutrition, ASB, etc.) and the most current ending bank balance for that account
　　b. The bank statements are from the financial institution(s) referenced above and must show all deposits, withdrawals, transfers, electronic expenditures/transfers, use of debit cards, and canceled checks
　　c. The bank reconciliations must reflect the reviews, approvals, and the approval dates, consistent with the charter school's fiscal policies and procedures
　　d. If applicable, a list of all debit cards in Microsoft Excel format that includes the last four digits of each debit card number, the legal name of each debit card holder, and the job title of each debit card holder

☐　20　Student body financial records (including Associated Student Body policies and procedures, budgets, cash flow statements and projections, bank statements with reconciliations, audit reports, and other fiscal reports, if applicable)

☐　21　Equipment inventory listing (including asset tag numbers, purchase dates, purchase prices, book values, asset life, location of assets, etc.)

☐　22　A link to the charter school's website where the Education Protection Account (EPA) allocation and expenditures are posted

☐　23　If applicable, all signed and executed agreements related to the factoring of receivables, and the minutes of the meetings reflecting the reviews and approvals of said agreements

☐　24　Disclosure of Legal Issues
　　NOTE: <u>Any reference to "Charter School" shall be considered to include Charter Management Organizations, nonprofits, foundations, or other organizations that participate in the management or operation of the "charter school."</u> Paid contractors are excluded unless the suit is brought by or against the Charter Management Organization, nonprofit, foundation, or other organization that participates in the management or operation of the "charter school."

　　NOTE: Disclosures should include civil or criminal cases filed in State or Federal courts; civil or criminal investigations by local, State, or Federal law enforcement authorities; and, enforcement proceedings or investigations by local, State, or Federal regulatory agencies. The information provided must include relevant dates, the nature of the allegation(s), and the outcome.

- o   Disclose material information relating to any legal or regulatory proceedings or investigations in which the Charter School is or has been a party and which might have a material impact on the fiscal viability of the Charter School. Such disclosures should include any parent, subsidiary, Limited Liability Company, Limited Liability Partnership related to the management or operation of the charter school, or affiliate of the Charter School.

- o   Disclose any civil, criminal, or regulatory actions in which the Charter School, or any current board members, senior officers, senior management personnel, or employee, has been named a defendant in such action in the past five years. Also, include any actions older than five years that remain unresolved.

- o   <u>If the charter school has nothing to disclose, per the above, the charter school is to provide a written statement, signed by the board president or the chief administrator that indicates the charter school has nothing to disclose</u>.

☐   25   Any other Fiscal reports presented to the charter school's governing board (e.g., grants, bonds, independent audit reports, etc.)

NOTE: If you have any questions about preparation for document review, please contact your CSD assigned Fiscal Team member, as appropriate, well before your scheduled visit date.

Board Agenda Item #	Discussion Item
Date:	06-13-19
To:	Magnolia Board of Directors
From:	Alfredo Rubalcava, CEO & Superintendent
Lead:	Nanie Montijo, Chief Finance Officer
RE:	MSA 4 Fiscal Benchmarks

Proposed Board Recommendation

Information and discussion – no actions required.

Background

MSA 4 received the renewal letter dated January 9, 2018 from LAUSD CSD stating LAUSD Board of Education voted to renew with benchmarks the MSA 4 charter for 5 years beginning July 1, 2018 until June 30, 2023. MSA 4 must meet academic and fiscal benchmarks during the 2018-2023 charter term.

Fiscal Benchmark #1-4 has been submitted and completed as of July 12, 2018.

To comply with the requirements of benchmark #5-6, the attached report is presented to board to demonstrate improvements on fiscal management and operations; and continued implementation of recommendations from Fiscal Oversight Report and SSC's Management letter.

Please see attached.

Budget Implications

None

Attachments:
MERF's action Plan and Proof of Implementation
LAUSD Renewal Letter with Benchmarks

250 E. 1st Street Suite 1500, Los Angeles, CA 90012 | www.magnoliapublicschools.org

As per 2017-2018 Annual Oversight Visit Report (Fiscal Operations)	MERF's governing board approved plan of action (meeting date: July 12, 2018)	MERF's governing board approved plan of action (meeting date: December 13, 2018)	MERF's governing board approved plan of action (meeting date: June 13, 2019)
Areas noted for further growth and/or improvement:			
1) Bank Reconciliation Reports	All bank reconciliations are reviewed and approved via email by Designees/Financial Analysts on a monthly basis. In order to adopt a recommendation by School Services of California ("SSCal I'), as of January 2017 MERF Financial Analysts approve, sign and date all bank reconciliation statements before scanning and emailing the same to MERF's back office provider. The new back office provider Delta Managed Services ("DMS") has been notified of the MERF policy about the bank reconciliation timeline (20th of the following month).	Bank Reconciliations starting July 1, 2018 are prepared by DMS, the new back office service providers. CFO or designee reviews and signs all bank reconciliations before returning to DMS and filing for records.	Our back-office service provider, DMS, prepares all bank reconciliation statement on a monthly basis in accordance with our board approved fiscal policies and procedures manual. CFO or designee still reviews and signs all bank reconciliations before returning to DMS and filing for records.
2) Credit Cards	As of April 2018, all credit cards issued to former employees have been closed. All school site credit cards are held at the home office and are in the name of the CEO. Every month, MERF Financial Analysts review all credit card statements and charges. Balances of all active credit cards are paid in full unless there are disputed transactions.	The credit card processes approved by board of directors in the July 2018 meeting is still being followed consistently every month. All credit cards are paid in full every month. Statements are reviewed and coded correctly by senior financial analysts.	The credit card processes approved by board of directors in the July 2018 meeting is still being followed consistently every month. All credit cards are paid in full every month. Statements are reviewed and coded correctly by senior financial analysts.
3) Automated Clearing House (ACH)/Recurring Automatic Payments	MERF's Magnolia Public Schools Financial Policies and Procedures Manual, provided to LAUSD on March 1, 2018, covers all payments types regardless of the manner of issuance. However, for the avoidance of doubt and to institute CSD 's recommendations, MERF will revise its policy to make it clear that the policy applies to ACH transactions and recurring payment processes. Such revision will presented to the MERF Board of Directors for adoption at its September 13, 2018 board meeting.	All ACH transactions are in compliance with the board approved MERF Fiscal Policies.	All ACH transactions are in compliance with the board approved MPS Fiscal Policies and Procedures Manual. All ACH payments are preapproved and reconciled with the bank statements.
Other Observations:			
1) MERF needs to improve the timeliness of its responses to the CSD	MERF responds as soon as possible to all CSD information requests. Staff adhered to the deadlines the great majority of the time and kept CSD staff informed whenever information could not be provided according to the stated deadline. Prospectively, MERF Staff will inform CSD when requested information cannot be provided by the stated deadline and the reason for such delay. In such instances, MERF staff will provide CSD with its best approximation of when the information will be provided. In all instances, MERF will use its best reasonable efforts to provide the information as quickly as possible.	Staff has been very conscientious in ensuring that responses to emails and requests from CSD staff are provided within 48 hours, if possible.	Staff ensures that responses to emails and requests from CSD staff are provided within 48 hours, if possible.
2) The CSC) recommends that MERF update its fiscal policies and procedures to require original detailed receipts for all purchases made via check disbursements or credit cards.	MERF's fiscal policies already require that detailed receipts are required for all purchases made via check disbursements or credit cards. Finance Department staff has commenced and will continue to make regular visits to all school sites to train and review fiscal processes with school staff. On an ongoing basis, MERF Finance Department staff will attend and offer trainings to principals during their monthly meetings at MERF's home office.	Finance team ensures that all reimbursement requests and purchases are supported by detailed receipts and all documentations required based on our fiscal policies.	Fiscal policy and procedure manual have been revised and approved by the Board of Directors to include mandatory submission of itemized receipts in all payments and disbursements as recommended by LAUSD CSD staff.
3) The CSD recommends that MERF present and discuss the CSD's Annual Performance-Based Oversight Reports with its governing board.	MERF staff presented CSD 's Oversight report to its Board of Directors during the May 2018 meeting. It was again discussed in more detail at the July 2018 Board of Directors meeting. The approved board minutes for the July 2018 Board of Di rectors meeting were submitted to LAUSD on August 14, 2018.	MERF staff presented CSD 's Oversight report to its Board of Directors during the May 2018 meeting. It was again discussed in more detail at the July 2018 Board of Directors meeting. The approved board minutes for the July 2018 Board of Di rectors meeting were	MERF staff will present CSD 's Oversight report to its Board of Directors during the June 13, 2019 meeting.

The approved minutes of the board meeting on June 13, 2019 will be submitted to LAUSD as soon as it becomes available. |

			submitted to LAUSD on August 14, 2018.	

As per the SSC's Management Letter (dated July 27, 2018)	MPS' Response	MPS' governing board approved plan of action (meeting date: December 13, 2018)	MPS' governing board approved plan of action (meeting date: June 13, 2019)
Current Recommendations			
1) Consider consolidating to one financial system.	MERF previously agreed to Implement a more integrated system structure and a PO system that interfaces with the accounting system in order to create improved overall processes and internal controls. In order to meet this commitment, as of July 1, 2018 MERF transitioned to new back office service provider Delta Managed Solutions, Inc. ("DMS"). DMS uses a financial software package called Escape/SchoolAbility ("SchoolAbility) that incorporates purchasing and accounting processes into one database. SchoolAbility covers purchasing, payables, budget, financial reporting that is SACS compliant and compatible. Significantly, SchoolAbility allows for the generation of real-time reports for budget status, purchase requests, encumbrances, payments processed and other pertinent accounting records. MERF's previous software (CoolSIS and NetSuite) and back office provider did not have the capability to generate real-time reports. MERF will amend its fiscal policy and procedures manual at its October 2018 Board of Directors meeting to reflect the change in financial software. MERF continues to use Paycom software for human resource and payroll functions. Payroll registers are uploaded to SchoolAbility on a semimonthty basis. MERF has reduced the number of software systems it uses from three to two. MERF believes that this change is consistent with the recommendation to streamline services and increase accessibility to information.	The selection of DMS was approved by MERF's Board of Directors. This recommendation has been implemented insofar as establishing a more integrated system and lessening the number of software packages used.

As of July 1, 2018, MERF uses two instead of three software packages. MERF will continue to work towards consolidating Into one financial software package.

Schoolability is currently the financial software being utilized for requisition, purchasing, reimbursements, accounts payable, accounts receivable, general ledger and financial reporting.

Paycom is the software being used to maintain personnel records, payroll information and generates pay checks. | The implementation of Schoolability, a more integrated financial software has decreased the number of software packages used compared to FY 2016-17 and FY 2017-18. The purchasing module and GL modules are now centralized in one software package (Schoolability)

MERF will continue to work towards consolidating Into one financial software package.

As of to date, Schoolability is the financial software being utilized for requisition, purchasing, reimbursements, accounts payable, accounts receivable, general ledger and financial reporting.

Paycom is the software being used to maintain personnel records, payroll information and generates pay checks. |
| 2) Consider developing a more streamlined and standardized process for accounts payable. | As mentioned, MERF has hired a new service provider, DMS. DMS uses SchoolAbility which Incorporates all financial processes (including but not limited to purchasing, A/P, bank reconciliation, and state and federal reporting) into one database. MERF's Finance Department has centralized its accounts payable processing to have all invoices go to MERF's head office in order to provide more visibility of MERF's different vendors, their terms and conditions and to more closely monitor aging of payables. In addition, all approval processes are integrated into the SchoolAbility software (including home office executive team and school site principals' routing and approval, as required per MERF fiscal policy handbook) thereby creating an appropriate audit trail. The approval process is enhanced because Finance Department staff review all purchase requisitions, payment requests and employee reimbursements. | The selection of DMS and the use of SchoolAbility was approved by MERF 's Board of Directors. The new financial system is more streamlined and standardized in processing purchase requests, payables, reimbursements and budgets. | The selection of DMS and the use of SchoolAbility streamlined and standardized the processing of all purchase requests, payables, reimbursements and budgets monitoring on a real time basis. |

3) Consider reviewing cash receipts for timely deposits.	MERF Finance Department staff will continue to support school staff in making timely cash and check deposits. Finance Department staff will continue to make regular visits to all school sites to train and review fiscal processes with school staff. For example, from July 30, 2018 to August 2, 2018, Finance Department staff attended and participated In beginning of school year professional development training for office managers and principals, On an ongoing basis, MERF Finance Department staff will attend and offer trainings to principals during their monthly meetings at home office. MERF Finance Department staff will continue to monitor the timeliness of cash and check deposits. Where noncompliance is found, MERF Finance Department staff will work with the noncompliant school or staff to address and remedy any issues that contribute to noncompliance.	Continues trainings and communication with site staff is ongoing. CFO meets with all principals every month during the principals' meeting to address current issues and provide additional training. In addition, Senior Financial Analyst conducts site visits at least once a month to all school sites.	Continued trainings and communication with site staff are ongoing. CFO meets with all principals every month during the principals' meeting to address current issues and provide additional training. In addition, Senior Financial Analyst conducts site visits at least once a month to all school sites.
4) Consider reviewing cash deposits for appropriate coding.	Effective July 1, 2018 all transactions will be in compliance with SACS coding. Unlike its previous software, SchoolAbility is SACS compliant. MERF Finance Department staff will review all coding and GL postings before submission of interim reports and unaudited actual thereby insuring that all transactions are codified to the correct account.	Schoolability is a SACS compliant financial software. All transactions are coded based on CDE's SACS. Each entry is reviewed and approved by MPS Senior Financial Analyst and CFO before posting.	Schoolability is a SACS compliant financial software. All transactions are coded based on CDE's SACS. Each entry is reviewed and approved by MPS Senior Financial Analyst and CFO before posting.

Dear Mr. Sherkhanov, Director Acar, Superintendent Rubalcava, and Principal Gurler:

Subject: Summary of Annual Site Visit for Magnolia Science Academy−Santa Ana
Conducted on October 2 and 3, 2018

Thank you for the opportunity to visit Magnolia Science Academy−Santa Ana (MSA−SA). The California Department of Education (CDE) appreciates the tremendous amount of work you orchestrated before and during the site visit.

Based on interviews conducted with school leadership and staff, and through classroom observations, the CDE reviewed the information gathered and has determined that MSA−SA is in compliance with the MSA−SA charter petition, and the Memorandum of Understanding between the California State Board of Education and MSA−SA.

If you have any questions regarding this letter, please contact Carrie Lopes by phone at 916-323-2694 or by e-mail at clopes@cde.ca.gov.

Sincerely,

/s/

Lisa F. Constancio, Director
Charter Schools Division

LOS ANGELES UNIFIED SCHOOL DISTRICT
CHARTER SCHOOLS DIVISION

ANNUAL PERFORMANCE-BASED OVERSIGHT VISIT REPORT
2018-2019 SCHOOL YEAR
FOR

MAGNOLIA SCIENCE ACADEMY 4 (MSA 4) - 8011
Name and Location Code of Charter School

LAUSD Vision
Every student will receive a quality education in a safe, caring environment, and will be college-prepared and career-ready.

CSD Mission
The LAUSD Charter Schools Division (CSD) fosters high quality educational opportunities and outcomes for students in the greater Los Angeles community through exemplary charter public school authorizing, oversight, and sharing of promising practices so that all students maximize their potential.

CSD Core Values
We believe that our success depends on:
- Making decisions that put the interests of students first.
- Serving with high expectations, integrity, professionalism, and commitment.
- Employing authentic, responsive, and effective leadership and teamwork.
- Continuously learning as a dynamic organization.
- Building and sustaining a healthy workplace culture where high performance, diversity, and creativity thrive.
- Developing productive relationships with our charter schools and all stakeholders.

DATE OF VISIT: **2/28/2019**

CHARTER RENEWAL CRITERIA
In accordance with Education Code §§ 47605 and 47607, in order to renew a charter, the District must determine whether the charter school has met the statutory requirements. Pursuant to the requirements of SB 1290, the District "shall consider increases in pupil academic achievement for all groups of pupils served by the charter school as the most important factor in determining whether to grant a charter renewal." Ed. Code § 47607(a)(3)(A).
REPORT GUIDE
In conducting oversight as a charter school authorizer, the District places an emphasis on performance and compliance with applicable law, policy, and the approved charter, as well as on the lead fiduciary role of a charter school's governing board in the overall success of the school for students. Information gathered through oversight serves as part of the school's ongoing record of performance and provides important data for the CSD, LAUSD Superintendent, and ultimately the LAUSD Board of Education in making informed decisions about charter school authorization. In designing this document, the District has considered California charter school law, as well as the California State Board of Education's criteria for evaluating charter schools and the National Association of Charter School Authorizers' *Principles and Standards of Quality Authorizing*. This reporting tool provides guidelines and criteria used by the CSD to observe, record, assess, and reflect with the charter school on school performance as captured during the annual oversight visit process in these four categories:

Governance – demonstrating fulfillment of the governing board's fiduciary responsibility to effectively direct and provide oversight for the charter public school, including but not limited to enactment and monitoring of policies and procedures to ensure the school's full compliance with applicable law, policy, and the terms of the charter approved by the LAUSD Board of Education
Student Achievement and Educational Performance – demonstrating academic achievement and growth for all students
Organizational Management, Programs, and Operations – demonstrating effective leadership and implementation of the governing board's policies and procedures, as well as the school's educational program and systems and procedures for the day-to-day operations of the school
Fiscal Operations – demonstrating sound fiscal management, appropriate use of public funds, and compliance with regulatory requirements

This report, including the ratings in each category, is based on information and evidence gathered at the time of the annual oversight visit. The CSD considers evidence provided through CSD staff observations, document review, interviews, and discussion with school representatives and stakeholders. All charter schools are expected to prepare for the visit and have available, as applicable, all documentation requested in the *Annual Performance Based Oversight Visit Preparation Guide 2017-2018.* The "Sources of Evidence" sections below identify key information sources generally relevant to their respective indicators; these lists are not exhaustive, however, and some items may not be applicable to the grades served. Schools may present additional evidence as deemed relevant and appropriate. As needed, CSD staff also may request additional information and/or documentation prior to, during, and/or following the visit.

The tool employs the following four-point rubric to rate the school's performance in each category: *(4) Accomplished, (3) Proficient, (2) Developing, and (1) Unsatisfactory*. In addition, the *Summary of School Performance* section in each category captures key findings under one or more of the following headings: (1) Areas of Demonstrated Strength and/or Progress (Note: potential "promising practices" are identified within this section with an asterisk [*]); (2) Areas Noted for Further Growth and/or Improvement; and, if applicable, (3) Corrective Action Required. Under "Corrective Action Required," the CSD reports findings of material noncompliance with applicable law, LAUSD charter policy, or the school's approved charter. If the report includes any findings under "Corrective Action Required," the charter school must take immediate and appropriate steps to remedy the identified concern. In accordance with its "tiered intervention" approach to charter school non-compliance and poor performance, the CSD may also send the school appropriate notices, separate and apart from this report, to provide and document time-specific follow-up as necessary. At the other end of the spectrum of performance, any school that earns a rating of *Accomplished* in any category is encouraged to submit to the CSD a summary of those "promising practices" that the school believes have contributed to its success, in order to support the CSD's ongoing efforts to promote and facilitate reciprocal sharing of promising practices among education leaders from across the entire portfolio of LAUSD schools.

FORM REV. 8/09/18

LAUSD CHARTER SCHOOLS DIVISION

Annual Performance-Based Oversight Visit Report

SCHOOL NAME: **Magnolia Science Academy 4**

DATE OF VISIT: **2/28/2019**

GOVERNANCE	RATING*
Summary of School Performance	4

Areas of Demonstrated Strength and/or Progress

G1: The Governing Board has substantially implemented the organizational structure set forth in approved charter, including any mandated committees/councils, and an adequately developed system for the evaluation of the school leader(s) as evidenced by Board meeting agendas and minutes, organizational chart, and committees/council agendas and minutes.

G2: The Governing Board complies with all material provisions of the Brown Act
- As evidenced by the school's website and items in Binder#1, the Magnolia Educational & Research Foundation (MERF) Board meet regularly, meetings are conducted openly, and provide opportunities for public participation.
- As evidenced by the school's website, the MERF Board complies with AB 2257 (a current board meeting agenda must be posted on the homepage of the charter school's primary website, and accessible through a prominent, direct link), which became effective January 1, 2019.

G3: The Governing Board has highly developed systems in place to ensure that the school provides adequate due process, in accordance with applicable law, the charter, and LAUSD charter policy, for students, employees, parents, and the public
- As evidenced by the school's website and in Binder #1, there is documentation of policies and procedures in the areas of student discipline, employee grievances and discipline, parent/stakeholder complaint resolution process, and Uniform Complaint Procedures
- Evidence of AB699 (Educational equity; immigration and citizenship status) is included in the Student/Parent Handbook in both English and Spanish

Areas Noted for Further Growth and/or Improvement
None
Corrective Action Required
None noted that require immediate action to remedy concerns indicated in this report.

Notes: MPS leadership shared some updates in its policies, procedures, and systems that are in place and will be implemented to ensure that all schools are compliant with AB1432. Some of the updates include the following:
- Upon MERF Human Resources annual review of the MERF employee handbook with its legal counsel, updates will be made as necessary and will be presented to the MERF Board for approval.
- MERF HR will review and explain the compliance checklist, which includes AB 1432 training, with the school principals to implement the mandatory trainings to school staff.
- MERF works with Safe Schools trainings under CharterSafe to assign individual training sessions for many required trainings including the ones required by AB1432. While the legal requirement is for staff to complete within six (6) weeks after the first day of school or employment (whichever is first), MERF internally strongly encourages employee to complete the trainings within four (4) weeks after the first day of school or employment (whichever is first).
- MERF HR and the school sites work together to make sure all trainings are completed in a timely manner.

LAUSD CHARTER SCHOOLS DIVISION

Annual Performance-Based Oversight Visit Report

SCHOOL NAME: **Magnolia Science Academy 4**

DATE OF VISIT: **2/28/2019**

UPDATE regarding the Settlement Agreement with LAUSD: Based on the CSD's observations from its oversight visits and its review of a sample of check disbursements and credit card transactions, the CSD noted the progress made by MERF towards fulfilling the fiscal oversight requirements outlined in Paragraph 8 of the March 2015 Settlement Agreement (i.e., since the 2016-2017 oversight visit). The CSD will continue to monitor MERF's progress through oversight in addressing the remaining issues cited and implementing the recommendations from School Services of California's final management letter. Please see further details in the "Areas of Demonstrated Strength and/or Progress" in the Fiscal Operations section below.

NOTE: If the CSD gathers or otherwise receives substantial evidence of actual conflict(s) of interest with respect to a governing board member or person in a school leadership position (e.g. CEO or principal), a charter school shall receive a rating of 1 in this category.

Annual Performance-Based Oversight Visit Report

SCHOOL NAME: **Magnolia Science Academy 4**

DATE OF VISIT: **2/28/2019**

G1: GOVERNANCE STRUCTURE AND EVALUATION OF SCHOOL LEADER(S) - GOVERNANCE QUALITY INDICATOR #1

The Governing Board has implemented the organizational structure, roles and responsibilities set forth in the approved charter, including:
- Governing Board (composition, structure, roles and responsibilities)
committees/councils (for example, SSC and ELAC as applicable), including but not limited to those mandated by laws or regulations
- Evaluation of school's executive level leadership

Rubric	Sources of Evidence
Performance ☐ The Governing Board has fully implemented the organizational structure set forth in approved charter, including any mandated committees/councils, and a highly developed system for the evaluation of the school leader(s) ☒ The Governing Board has substantially implemented the organizational structure set forth in approved charter, including any mandated committees/councils, and an adequately developed system for the evaluation of the school leader(s) ☐ The Governing Board has partially implemented the organizational structure set forth in approved charter, including any mandated committees/councils, and a partially developed system for the evaluation of the school leader(s) ☐ The Governing Board has not implemented the organizational structure set forth in approved charter or any mandated committees/councils, and no system for the evaluation of the school leader(s)	☒ Organization chart **(B1.1)** ☒ Bylaws **(B1.2)** ☒ Board member roster **(B1.3)** ☒ Board meeting agendas, and minutes **(B1.4)** ☐ Observation of Governing Board meeting ☒ Evidence of committee/council calendars, agendas, minutes and sign-ins ☒ Documentation related to system for evaluation of executive level administrator(s) who reports to the Board. **(B1.7)** ☐ Discussion with leadership ☐ Other: (Specify)

G2: BROWN ACT - GOVERNANCE QUALITY INDICATOR #2

The Governing Board has a system in place to ensure it is adhering to applicable open meeting requirements, which protect the public interest in transparency and help to ensure that decisions are made without apparent or actual conflicts of interest:
- Governing Board meetings occur regularly, are conducted openly, and provide opportunity for public participation in accordance with the Brown Act
- Governing Board holds its meetings at a location(s) and in a manner that complies with teleconferencing, closed session, and access and Reasonable Accommodation requirements and the public has access to the meetings from a location(s) within the jurisdictional boundaries of LAUSD, as noted in the charter petition
- Governing Board meeting agendas and minutes are posted and maintained, as appropriate, including on the school's website and in accordance with the Brown Act and with sufficient specificity

G4: STAFFING - GOVERNANCE QUALITY INDICATOR #4

The Governing Board has a system in place to ensure that appropriate employment and other staffing decisions are made in accordance with applicable law and the terms of its approved charter governing qualifications, clearances and credentialing:

- The Governing Board has established policies and procedures to ensure that faculty, staff, substitute teachers, and other persons providing service in a certificated position, are appropriately credentialed, authorized and/or otherwise qualified for the positions for which they have been employed/contracted and assigned, in accordance with applicable provisions of law and the school's charter.
- The Governing Board has established policies and procedures to ensure that the school obtains all necessary employee clearances, including criminal background and tuberculosis (TB) clearances, prior to employment, and keeps all clearances current.
- The Governing Board has established policies and procedures to ensure that the school obtains, monitors, and maintains all necessary and appropriate vendor certifications/waivers regarding vendor employee clearances, including criminal background and tuberculosis (TB) clearances.
- The Governing Board has established policies and procedures regarding requirements for school volunteers, including criminal background clearances for all volunteers who perform school site services while not under the direct supervision of a school employee, and tuberculosis (TB) risk assessments/clearances for all volunteers with frequent or prolonged contact with students per AB 1667.
- The Governing Board has established and monitors policies governing whether and under what circumstances the school may consider, for paid and volunteer service, candidates who have criminal records.

SCHOOL NAME: **Magnolia Science Academy 4**

DATE OF VISIT: **2/28/2019**

STUDENT ACHIEVEMENT AND EDUCATIONAL PERFORMANCE	RATING*
Summary of School Performance	3

Areas of Demonstrated Strength and/or Progress

A1: The majority of subgroups demonstrated growth in CAASPP ELA performance from 2016/2017 to 2017/2018
- Per CDE, MSA4 has two numerically significant subgroups (Latino and Socioeconomically Disadvantaged students). Socioeconomically Disadvantaged students increased by 2.90 percentage points.

A5: The school reclassifies English Learners at a rate higher than the Resident Schools Median
- Per the Reclassification Report (CDE), MSA 4's reclassification rate was 25.0%, compared to the Resident Schools Median of 12.9%.

A6: The school's percentage of "At Risk" English Learners is at rate lower than the Resident Schools Median
- Per the "At-Risk" by Grade Report (CDE), MSA 4's rate was 0%, compared to the Resident Schools Median of 1.6%

A7: The school's percentage of LTELs is at rate lower than the Resident Schools Median
- Per the LTEL by Grade Report (CDE), MSA 's rate is 10.0% (a decrease of 1.3% from last school year), compared to the Resident Schools Median of 15.7%

A8: The school's Four-Year Cohort Graduation Rate is at a rate higher than Resident Schools Median
- Per CDE, MSA 4's Four-Year Cohort Graduation Rate is 95.8%, compared to the RSM at 78.3%.
- Per school leadership, the 2017-2018 graduation rate was 100% (25 students). Of the 25 students, nine are at a 4-year university, thirteen are at a community college, and three are undecided.

Areas Noted for Further Growth and/or Improvement

A2: None of the school's subgroups demonstrated growth in CAASPP Math performance from 2016/2017 to 2017/2018
- Per CDE, both numerically significant subgroups showed declines in Math. Latino students decreased by 17.61 percentage points and Socioeconomically Disadvantaged students decreased by 13.30 percentage points.

A3: The schoolwide percentage of students who Met and Exceeded Standards in 3rd – 8th, 11th Grade on the SBAC in ELA is at a rate lower than the Resident Schools Median (RSM)
- Per CDE and a review of data set LAUSD Office of Data & Accountability, MSA 4 is at 32.63% in ELA, compared to RSM at 44.38%.

A4: The schoolwide percentage of students who Met or Exceeded Standards in 3rd – 8th, 11th Grade on the SBAC in Math is at a rate lower than the Resident Schools Median (RSM)
- Per CDE and a review of data set LAUSD Office of Data & Accountability, MSA 4 is at 8.42% in Math, compared to RSM at 19.51%.

FORM REV. 8/09/18

LAUSD CHARTER SCHOOLS DIVISION

Annual Performance-Based Oversight Visit Report

SCHOOL NAME: **Magnolia Science Academy 4**

DATE OF VISIT: **2/28/2019**

A9: The school has demonstrated developing levels of student achievement and progress as measured by school's internal assessments and other school data that are regularly monitored and analyzed and that reflect limited growth in student achievement in ELA and Math for some subgroups and grade-levels.
- MSA 4 continues to administer the NWEA MAP three times per year in ELA and Math
- Both 9th and 10th grade students, school-wide, and numerically significant subgroups experienced some growth.
  - In Math, 9th grade grew by 3.8 RIT score and in Reading by 8.1 RIT score
  - Both 9th and 10th grade students receiving Free and Reduced Lunch (FRL) demonstrated growth in Math and Reading

Corrective Action Required
None noted that require immediate action to remedy concerns indicated in this report.

Notes: In response to MSA 4's data and student progress, the school created an "Action Plan." Please see **O4: Meeting the Needs for All Students** for more details.

NOTE: Upon the State Board of Education's finalization of California's School Dashboard, CSD will determine implications for the oversight report.

A17: Priority 4-3.4 Student Achievement Academic Indicator (Grade 6-8, 11) Distance from Level 3 Mathematics **The school has achieved the following status 112.6 points below standard and change maintained 2.3 points**
A18: Priority 5-3.6 Student Engagement-Graduation Rate Indicator **The school has achieved the performance level of No Performance Color (95.8% graduated, increased by 6.2%)**
A19: Priority7 & 8-3.9 Access to and Outcomes in a Broad Course of Study-College/Career Indicator **The school has achieved the following status No Performance Color (50% prepared, -1/7% maintained)**
NOTES:

Progress on LAUSD Board of Education and/or MOU Benchmarks related to STUDENT ACHIEVEMENT (if applicable):
On November 7, 2017, the LAUSD Board of Education adopted by consent vote to renew Magnolia Charter Academy 4 (MSA4), to serve 360 students in grades 6-12, with Academic Benchmarks. MSA 4 must meet the following academic benchmarks during the 2018-2023 charter term as described below: **Academic Benchmarks and status:** **The school shall provide an update to the Charter Schools Division no later than December 15th of each year of the charter term (after CAASPP (SBAC) scores have been released by the CDE).**

FORM REV. 8/09/18

LAUSD CHARTER SCHOOLS DIVISION

Annual Performance-Based Oversight Visit Report

SCHOOL NAME: **Magnolia Science Academy 4**

DATE OF VISIT: **2/28/2019**

1. **The school will demonstrate at least one performance level growth per academic year, as reported on the California Dashboard, for numerically significant subgroups in <u>ELA</u> as measured by CAASPP (SBAC) Assessment at a rate equal to or greater than the Resident and Similar Schools Median, with the goal of achieving and maintain the "Green" performance level or higher.**
   a. **STATUS:** Not Met: At MSA 4, the two numerically significant subgroups (Latino and Socioeconomically Disadvantaged), maintained "Orange" performance level on the ELA CAASPP (SBAC) from 2017 to 2018. MSA 4's numerically significant subgroups performed at a rate lower than the Resident Schools Medians: 28.99% of MSA 4 Latino subgroup and 33.33% of MSA 4 SED subgroup performed at a rate lower than the Subgroup Resident School Medians at 37.64% and 35.97%, respectively. One out of two numerically signficant subgroups at MSA 4 outperformed Subgroup Similar Schools Medians at 36.78% (Latino) and 30.50% (SED)

2. **The school will demonstrate at least one performance level growth per academic year, as reported on the California Dashboard, for numerically significant subgroups in <u>Math</u> as measured by CAASPP (SBAC) Assessment at a rate equal to or greater than the Resident and Similar Schools Median, with the goal of achieving and maintain the "Green" performance level or higher.**
   a. **STATUS:** Not Met: At MSA 4, the two numerically significant subgroups (Latino and Socioeconomically Disadvantaged) maintained "Red" peformance level on the Math CAASPP (SBAC) from 2017 to 2018. MSA 4's numerically significant subgroups performed at a rate lower than the Resident and Similar Schools Median: 2.90% of Latino subgroup and 4.76% of SED subgroup performed at a rate lower than the Subgroup Resident School Medians at 13.46% and 15.26%, respectively. Additionally, MSA 4's numerically significant subgroups performed at a rate lower than the Similar Schools Median at 23.08% (Latino) and 22.97% (SED).

LAUSD CHARTER SCHOOLS DIVISION

Annual Performance-Based Oversight Visit Report

SCHOOL NAME: **Magnolia Science Academy 4**

DATE OF VISIT: **2/28/2019**

ORGANIZATIONAL MANAGEMENT, PROGRAMS, AND OPERATIONS	RATING*
Summary of School Performance	3

Areas of Demonstrated Strength and/or Progress

O7: The school has a highly developed school climate and student discipline system in place that is aligned with the principles of the Discipline Foundation Policy and School Climate Bill of Rights as evidenced in Binder #3. Additionally, 2017-2018 data reveal that MSA 4 had 0% of In and Out of School suspension events.

O8: The school has implemented a professional development plan for teachers and other staff that supports instructional practices, targets identified needs, and aligns with the education program set forth in the charter
- Per school leadership and evidence in Binder #3, MSA 4 staff have participated in ongoing professional development. Some are as follows:
  - July 19-22, 2018 AP Annual Conference
  - February 2, 2019, LMU Center for Equity for English Learners
  - October 16, 2018, Special education updates, CAASPP Data overview, school-wide structures overview
  - November 2, 2018, grading; classroom and school culture/environment
  - Ongoing Magnolia Public Schools (MPS) professional development throughout the school year.

O10: The school continues to have a highly developed communication system to share information with stakeholders, that is easily accessible via its documents available both manually, electronically and on its website

Areas Noted for Further Growth and/or Improvement

O4: MEETING THE NEEDS OF ALL STUDENTS; SUBGROUP DATA ANALYSIS

While the school has implemented the components of the charter's instructional program designed to meet the learning needs of all students, including its subgroups, and partially modifies instruction based on data analysis, school leadership recognizes a need for improvement by developing a "Measurable Pupil Outcomes and Action Plan. Some of the features of the plan include the following:
- Develop a greater understanding of StudySync ELA Common Core curriculum in order to increase student achievement though StudySync trainings, department meetings/collaborations, Tuesday PDs, external and Magnolia-wide ongoing professional development
- Improve the Lexile levels for all students so that they can be at a or above grade level though the MyOn Program and Summer In-Service Training
- Teachers will be expected to pose higher-level questions to students that are geared toward pushing their critical thinking skills
- MPS Math Coach to provide professional development monthly to improve foundational skills to increase student achievement in Math. Professional development will be differentiated.
- Continue power Classes for targeted students and after-school tutoring (tutoring offered daily from 3:10pm to 4pm)

Additionally, school leadership shared the following: "One potential root cause in the decline in ELA and Math for our Latino students is not connecting with the curriculum and internalizing their learning. We will spend more PD time on building Culturally Responsive and relevant Pedagogy competencies, which will lead

LAUSD CHARTER SCHOOLS DIVISION

Annual Performance-Based Oversight Visit Report

SCHOOL NAME: **Magnolia Science Academy 4**

DATE OF VISIT: **2/28/2019**

to the inclusion of incorporating high-interest topics that students can relate to in all classrooms. Additionally, Imagine Etiquette has been brought in as a partner to motivate some middle school and 11th grader student's thought the fostering of a greater sense of cultural pride."

Corrective Action Required

None noted that require immediate action to remedy concerns indicated in this report.

Notes: None

NOTE: A charter school shall receive a rating of 1 in this category for any of the following reasons: (1) Failed to have Health, Safety, and Emergency Plan in place; (2) Failed to conduct child abuse mandated reporter training in accordance with AB 1432; (3) Failed to complete criminal background clearances for <u>all new staff</u> (as defined on the **ESSA Grid) prior to employment; or (4) Failed to obtain DOJ clearance certification, as appropriate, from a vendor. A charter school cannot receive a rating in this category greater than 2 if any teacher of the core instructional program is not appropriately credentialed and assigned per legal requirements and the school's current approved charter.*

Annual Performance-Based Oversight Visit Report

SCHOOL NAME: **Magnolia Science Academy 4**

DATE OF VISIT: **2/28/2019**

Performance	☐ The school has fully-implemented grade-level-appropriate standards-based instruction in accordance with the California academic content standards, including the CA CCSS ☒ The school has substantially implemented grade-level-appropriate standards-based instruction in accordance with the California academic content standards, including the CA CCSS ☐ The school has partially implemented grade-level-appropriate standards-based instruction in accordance with the California academic content standards, including the CA CCSS ☐ The school has minimally implemented, or not at all, grade-level-appropriate standards-based instruction in accordance with the California academic content standards, including the CA CCSS	☒ Evidence of standards-based instructional program **(B3.3a)** ☒ Evidence of implementation of CA NGSS **(B3.3a)** ☒ LCAP **(B3.3b)** ☐ Evidence of technology readiness to administer CAASPP assessments **(B3.3c) *new schools only** ☒ WASC documentation **(B3.3d)** ☒ UC Doorways course approval documentation **(B3.3d)** ☐ Evidence of implementation of Transitional Kindergarten **(B3.3i)** ☒ Professional development documentation **(B3.4b)** ☒ Classroom observation ☒ Discussion with school leadership ☐ Other: (Specify)

O4: MEETING THE NEEDS OF ALL STUDENTS; SUBGROUP DATA ANALYSIS - ORGANIZATIONAL MANAGEMENT QUALITY INDICATOR #4

The school:
- Implements the differentiation, intervention, and other instructional strategies and approaches described in the charter designed to meet the learning needs of all students, including all subgroups identified in the school's LCAP and by CDE
- Disaggregates and analyzes data on a regular basis to address individual student needs
- Implements, monitors, and modifies, as appropriate, its Master Plan for English Learners (EL identification, designated and integrated ELD instruction, progress monitoring, assessment, and reclassification)
- Has appointed a designee to assist and support foster youth

Rubric	Sources of Evidence

LAUSD CHARTER SCHOOLS DIVISION

Annual Performance-Based Oversight Visit Report

SCHOOL NAME: **Magnolia Science Academy 4**

DATE OF VISIT: **2/28/2019**

Performance	☐ The school has fully implemented and monitors the components of the charter's instructional program designed to meet the learning needs of all students, including its subgroups, and modifies instruction based on data analysis ☒ The school has substantially implemented and monitors the components of the charter's instructional program designed to meet the learning needs of all students, including its subgroups, and generally modifies instruction based on data analysis ☐ The school has partially implemented the components of the charter's instructional program designed to meet the learning needs of all students, including its subgroups, and partially modifies instruction based on data analysis ☐ The school has minimally implemented, or not at all, the components of the charter's instructional program designed to meet the learning needs of all students, including its subgroups, and does not consistently modify instruction based on data analysis	☒ Evidence of standards-based instructional program **(B3.3a)** ☒ LCAP **(B3.3b)** ☒ Professional development documentation **(B3.4b)** ☒ Evidence of intervention and support for all students, including but not limited to foster youth, at-risk students, and high performing students **(3.3j)** ☒ Implementation of the school's English Learner Master Plan **(B3.3b)** ☒ Evidence of implementation of data analysis system program **(B2.2)** ☒ School Internal Assessment Data Report, or equivalent **(B2.2)** ☒ Classroom observation ☒ Discussion with school leadership ☐ Other: (Specify)

O5: IMPLEMENTATION OF KEY FEATURES OF EDUCATIONAL PROGRAM - ORGANIZATIONAL MANAGEMENT QUALITY INDICATOR #5

The school has implemented the key features components of the educational program described in the school's charter	
Rubric	**Sources of Evidence**
Performance	☐ The school has fully implemented the key features of the educational program described in the charter ☒ The school has substantially implemented the key features of the educational program described in the charter ☐ The school has partially implemented the key features of the educational program described in the charter ☐ The school has minimally implemented, or not at all, the key features of the educational program described in the charter	☒ Professional development documentation **(B3.4b)** ☒ Evidence of implementation of key features of educational program **(B3.3k)** ☒ Classroom observation ☒ Discussion with school leadership ☐ Other: (Specify)

LAUSD CHARTER SCHOOLS DIVISION

Annual Performance-Based Oversight Visit Report

SCHOOL NAME: **Magnolia Science Academy 4**

DATE OF VISIT: **2/28/2019**

O6: SPECIAL EDUCATION - ORGANIZATIONAL MANAGEMENT QUALITY INDICATOR #6

The school has a system in place to ensure that the school:
- Provides special education programs and services in accordance with students' IEPs and the terms of the Modified Consent Decree
- Provides special education training for staff in accordance with requirements of the Modified Consent Decree
- Conducts a special education self-review annually, using the Special Education Self-Review Checklist
- Maintains timely IEP timeline records and accurate service provision records in Welligent

Rubric	Sources of Evidence
Performance ☐ The school has a highly developed system in place for full implementation and monitoring of its special education processes and program in compliance with all requirements, including the Modified Consent Decree ☒ The school has a well-developed system in place for full implementation and monitoring of its special education processes and program in compliance with all requirements, including the Modified Consent Decree ☐ The school has a partially developed system in place for full implementation and monitoring of its special education processes and program in compliance with all requirements, including the Modified Consent Decree ☐ The school has a minimal or no system in place for full implementation and monitoring of its special education processes and program in compliance with all requirements, including the Modified Consent Decree	☒ Parent-Student Handbook(s) **(B1.10)** ☒ Professional development documentation **(B3.4b)** ☒ Evidence of intervention and support for students with disabilities **(B3.3j)** ☒ Self-Review Checklist **(B3.4a)** ☒ Other special education documentation **(B3.4a)** ☒ Consultation with Charter Operated Programs office ☒ Welligent reports and/or other MCD documentation, including from the Division of Special Education **(B3.4a)** ☐ Classroom observation ☒ Discussion with school leadership ☐ Other: (Specify)

O7: SCHOOL CLIMATE AND STUDENT DISCIPLINE - ORGANIZATIONAL MANAGEMENT QUALITY INDICATOR #7

The school has a school climate and schoolwide student discipline system in place to ensure that the school's practices:
- Align with the principles of the District's Discipline Foundation Policy and School Climate Bill of Rights Resolution, including but not limited to, tiered behavior intervention, alternatives to suspension, and schoolwide positive behavior support, data monitoring and, includes a discipline system complaint process
- Provide positive opportunities for student wellness, growth and success, aimed at making the school safe, welcoming, supportive and inclusive
- Minimize discretionary suspensions and expulsions
- Reduce or eliminate suspension disproportionality for student subgroups

Rubric	Sources of Evidence

LAUSD CHARTER SCHOOLS DIVISION

Annual Performance-Based Oversight Visit Report

SCHOOL NAME: **Magnolia Science Academy 4**

DATE OF VISIT: **2/28/2019**

Performance	☐ The school has fully implemented a professional development plan for teachers and other staff that supports instructional practices, targets identified needs, and aligns with the education program set forth in the charter ☒ The school has implemented a professional development plan for teachers and other staff that supports instructional practices, targets identified needs, and aligns with the education program set forth in the charter ☐ The school has partially implemented a professional development plan for teachers and other staff that supports instructional practices, targets identified needs, and aligns with the education program set forth in the charter ☐ The school has not implemented a professional development plan for teachers and other staff that supports instructional practices, targets identified needs, and aligns with the education program set forth in the charter	☒ LCAP **(B3.3b)** ☒ Professional development documentation (e.g. professional development calendar, agendas and sign-ins) **(B3.4b)** ☐ Interview of teachers and/or other staff ☒ Discussion with school leadership ☐ Other: (Specify)

O9: STAKEHOLDER COMMUNICATION AND INVOLVEMENT - ORGANIZATIONAL MANAGEMENT QUALITY INDICATOR #9

The school has a stakeholder communication system for gathering input, facilitating and encouraging involvement, sharing information, and resolving concerns, which:

- Engages in communication that notifies parents and other stakeholders of the process for resolving concerns, including how they may contact board members, and supports students, families, and other stakeholders in effectively resolving concerns
- Provides all stakeholders (e.g., parents/guardians, students, and teachers) with appropriate, accessible and relevant information about individual student and schoolwide academic progress and performance
- Informs parents of high school students about transferability of courses to other public high schools and the eligibility of courses to meet college entrance requirements (high schools only)
- Provides parents, teachers, and students with meaningful opportunities for involvement and engagement that meet the requirements and goals of applicable federal and state law, the school's charter, and the school LCAP

Rubric	Sources of Evidence

DATE OF VISIT: **2/28/2019**

Performance	☐ The school has a partially developed stakeholder communication system for gathering input, encouraging involvement, sharing information, and resolving concerns ☐ The school has a minimal or no stakeholder communication system for gathering input, encouraging involvement, sharing information, and resolving concerns	☒ Evidence of sharing accessible and relevant information about individual student and schoolwide academic progress and performance with all stakeholders as appropriate **(B3.4d)** ☒ Evidence of communication to parents and other stakeholders of complaint resolution process(es) **(B3.4d)** ☒ Evidence that parents are informed about transferability of courses/course credit and eligibility to meet A-G requirements **(B3.4d)** ☒ Evidence of provision of stakeholder access to school's approved charter **(B3.4d)** ☐ Interview of stakeholders ☒ Discussion with school leadership ☐ Other: (Specify)

O10: STAKEHOLDER COMMUNICATION AND TRANSPARENCY- ORGANIZATIONAL MANAGEMENT QUALITY INDICATOR #10

The school's documents that are available both manually and electronically (website preferred) serve as a vehicle for transparency through its displays and provision of information.

- Information is easily accessible to the public and school stakeholders
- UCP and all complaint procedures
- Title IX information in accordance with SB 1375**
- AB 2246 Suicide Prevention applicable posting (Gr 7-12)
- Applicable categories described in Charter School Transparency Resolution

**required on website

Rubric	Sources of Evidence

☒ The school has a highly developed communication system to share information with stakeholders, that is easily accessible via its documents available both manually, electronically and on its website
☐ The school has a well-developed communication system to share information with stakeholders via its documents available both manually, electronically and on its website
☐ The school has a partially developed communication system to share information with stakeholders via its documents available manually/electronically or on its website
☐ The school has a minimally developed communication system to share information with stakeholders with limited to no availability of documents manually/electronically or on its website
	☒ Review of the availability of information to the public/stakeholders **(B3.4e)** for:
	  • SB 1375 Information
	  • UCP Procedure and Forms
	  • Complaint Forms
	  • AB 2246 (grades 7-12)

O12: CLEARANCES AND CREDENTIALING COMPLIANCE - ORGANIZATIONAL MANAGEMENT QUALITY INDICATOR #12

The school is in compliance with applicable law and the terms of its approved charter regarding clearances and credentialing:
- All certificated staff are fully credentialed, including EL authorizations, and appropriately assigned as authorized by their credentials at all times
- The school has obtained all necessary employee clearances, including criminal background and tuberculosis (TB) risk assessments/clearances, prior to employment, and keeps all clearances current
- The school has obtained all necessary vendor clearances, including criminal background and tuberculosis (TB) risk assessments/clearances, prior to the provision of service, and keeps all clearances current
- The school has conducted volunteer clearances in accordance with applicable law and policy, including criminal background clearances for all volunteers who perform schoolsite services while not under the direct supervision of a school employee, and tuberculosis (TB) risk assessments/clearances for all volunteers with frequent or prolonged contact with students

Rubric	Sources of Evidence
Performance ☒ The school has fully implemented and continually monitors systems and procedures that maintain 100% compliance with applicable law, including but not limited to clearance, credentialing, and assignment requirements at all times ☐ The school has implemented and monitors systems and procedures that maintain substantial compliance with applicable law, including but not limited to clearance, credentialing, and assignment requirements ☐ The school has partially implemented and intermittently monitors systems and procedures to maintain compliance with applicable law, including but not limited to clearance, credentialing, and assignment requirements ☐ The school has not implemented and/or does not monitor systems and procedures to maintain compliance with applicable law, including but not limited to clearance, credentialing, and assignment requirements	☒ *Certification of Clearances, Credentialing, and Mandated Reporter Training 2017-2018* form ("ESSA Grid") **(B3A.1a)** ☒ Staff rosters and school master schedule **(B3A.1 b and c)** ☒ Custodian(s) of Records documentation **(B3A.1d)** ☒ Criminal Background Clearance Certifications **(B3A.2)** ☒ Teaching credential/authorization documentation **(B3A.2a)** ☒ Vendor certifications **(B3A.5)** ☐ Volunteer (TB) risk assessment/clearance certification **(B3A.6)** ☐ Discussion with school leadership ☐ Other: (Specify)

FORM REV. 8/09/18

LAUSD CHARTER SCHOOLS DIVISION

Annual Performance-Based Oversight Visit Report

SCHOOL NAME: **Magnolia Science Academy 4**

DATE OF VISIT: **2/28/2019**

FISCAL OPERATIONS	RATING
You have been assessed by the Fiscal Oversight team and you are receiving the rating of 4, Accomplished.	4
Other circumstances and information could influence the rating and are noted in this evaluation.	
MSA 4's fiscal condition is positive and has been upward trending since the 2014-2015 fiscal year. According to the 2017-2018 independent audit report, the school had positive net assets of $1,470,514 and net income of $440,355. The 2018-2019 Second Interim projects positive net assets of $882,995 and a net loss of ($587,519). See Item 22 in the Notes section regarding this projected net loss. According to MSA 4's independent audit report dated June 30, 2018, MSA 4 is one of 10 schools operated by MERF. MERF currently has four schools that are authorized by the Los Angeles Unified School District (LAUSD). MERF's fiscal condition is strong. MERF and its charter schools reported positive net assets of $26,910,962 and net income of $5,432,552. MERF, without its charter schools, reported positive net assets of $793,961 and net income of $1,560,739. According to MERF, during 2017-2018, MSA 4 paid management fees of $82,190 to MERF for administrative services such as: finance and accounting, human resources and employee relations, Home Office management, information technology, operational compliance support, growth and facilities management, parent and community engagement, and programmatic compliance. These management fees were calculated based on a variable rate driven by the Average Daily Attendance (ADA) for each of the MERF charter schools.	
Areas of Demonstrated Strength and/or Progress:	

1. The school's fiscal condition is positive.

	2014-2015 (Audited Actuals)	2015-2016 (Audited Actuals)	2016-2017 (Audited Actuals)	2017-2018 (Audited Actuals)	2018-2019 (Second Interim)

FORM REV. 8/09/18

LAUSD CHARTER SCHOOLS DIVISION	SCHOOL NAME: **Magnolia Science Academy 4**
Annual Performance-Based Oversight Visit Report	DATE OF VISIT: **2/28/2019**

2. Status of March 2015 Settlement Agreement:

On or about March 20, 2015, LAUSD and MERF entered into a Settlement Agreement, whereby the parties agreed to resolve a lawsuit filed by MERF when LAUSD rescinded the conditional renewals of Magnolia Science Academy 6, 7, and 8. The terms and conditions set forth in Paragraph 8 of the Settlement Agreement stated: "MERF agrees to be subject to fiscal oversight during fiscal year 2015-2016 by the Fiscal Crisis & Management Assistance Team (FCMAT), or a reasonably equivalent fiscal organization, which would oversee MERF's fiscal operations."

On September 7, 2017, MERF provided the final management letter from FCMAT (and the first management letter from School Services of California [SSCal], which was contracted by MERF in May 2017 to continue the fiscal oversight initiated by FCMAT). On August 2, 2018, the CSD received SSCal's final management letter dated July 27, 2018. On August 20, 2018, MERF submitted its response and action plan to the CSD derived from SSCal's recommendations to MERF articulated in its final management letter.

Based on the CSD's observations from its oversight visits and its review of a sample of check disbursements and credit card transactions, the CSD noted the progress made by MERF towards fulfilling the fiscal oversight requirements outlined in Paragraph 8 of the March 2015 Settlement Agreement (i.e., since the 2016-2017 oversight visit). Based on the CSD's 2018-2019 oversight review, the CSD noted that, effective July 1, 2018, MERF contracted with a new back office services provider firm, Delta Managed Solutions (DMS). In addition, the CSD was advised that MERF had integrated the Escape School Ability ("SchoolAbility") financial software, which incorporates its purchasing and accounting processes into a single database. The CSD was further advised that SchoolAbility's purchasing, payables, budget, and financial reporting modules/functions are compliant and compatible with the Standardized Account Code Structure (SACS) financial report format. According to MERF, the DMS staff and SchoolAbility consultants have provided MERF and school users (i.e., the MERF Home Office staff, school Principals, Office Managers, and other school staff and teachers) with initial training on the implementation of SchoolAbility. This training involved a combination of onsite visits and full-day training sessions at both the MERF Home Office and individual school locations. MERF declared that SchoolAbility enables the generation of real-time reports for items including budget status, purchase requests, encumbrances, payments processed, and other pertinent accounting records. Moreover, the CSD was advised that the implementation of SchoolAbility was a component of MERF's action plan to address some of the issues outlined in SSCal's recommendations to MERF. The CSD will continue to monitor MERF's progress in addressing the remaining issues cited and implementing the recommendations from SSCal's July 27, 2018 final management letter.

Areas Noted for Further Growth and/or Improvement:

No significant items noted.

LAUSD CHARTER SCHOOLS DIVISION

SCHOOL NAME: **Magnolia Science Academy 4**

Annual Performance-Based Oversight Visit Report

DATE OF VISIT: **2/28/2019**

Other Observations (Items described in this section, while not addressed in the charter school's Fiscal Policies and Procedures, are recommended for improvement to align with optimal business practices).

Itemized Receipts for Credit Card Purchases:
Based on the CSD's review of the school's credit card statements for the period spanning from June 2018 through December 2018, a sample of 17 transactions were selected for further review. The CSD noted that one of these items lacked an itemized receipt (which was purchased with the school credit card ending in 91003, in the amount of $66.00, dated 10/27/2018 and payable to Dominos Pizza). However, MERF provided documentation which referenced the proper approval and supported this transaction.

The CSD noted that MERF's Fiscal Policies and Procedures (FPP's) were silent regarding itemized receipts as part of its required documentation for credit card purchases. The CSD recommends that MERF update its FPP's, to include the mandatory submission of itemized receipts to support all purchases.

The Charter Schools Division will review the recommended updates to the school's fiscal policies by the next oversight visit. The results may be factored into the school's rating for next year.

Corrective Action Required:

None noted that require immediate action to remedy concerns noted in this report.

LAUSD CHARTER SCHOOLS DIVISION

Annual Performance-Based Oversight Visit Report

SCHOOL NAME: **Magnolia Science Academy 4**

DATE OF VISIT: **2/28/2019**

Notes:

1. Reviewed independent audit report for the fiscal year ended June 30, 2018 and noted the following:
   a. Audit opinion: Unmodified
   b. Material weaknesses: None Reported
   c. Deficiencies/Findings: None Reported
2. Reviewed bank statements and bank reconciliations from July 2018 through December 2018. Selected the months of July 2018 through December 2018 for sample testing. No discrepancies were noted.
   a. Citi Bank – 5041 MSA 4 (Checking)
   b. Citi Bank – 6769 MSA 4 (Checking)
   c. Citi Bank – 6121 MSA 6 (Checking)
   d. Citi Bank – 2703 MSA 7 (Checking)
3. Reviewed credit card statements from June 2018 through December 2018. Selected the month of June 2018 and additional random transactions from all of the MSA schools authorized by LAUSD. The CSD's observations were noted in the Other Observations section above.
   a. American Express, credit card ending in 2002 (Chief Financial Officer, MSA 4)
   b. American Express, credit card ending in 1000 (Chief Financial Officer, MSA 6)
   c. American Express, credit card ending in 2005 (Chief Financial Officer, MSA 7)
   d. American Express, credit card ending in 1006 (Chief Financial Officer, MSA 4)
4. Reviewed the following 21 checks and 12 debit/credit transactions. No discrepancies were noted.
   a. Check numbers: 42714, 42951, 42965, 42969, 62696, 70005, 70006, 70026, 73320, 73343, 73353, 73369, 73400, 82911, 90033, 90067, 90068, 90088, DDP-00000012, DDP-00000022, and DDP-00000014 (Operating Accounts)
   b. Debit Transactions [transaction dates and amounts]: (1) 7/2/18 – $3,125.17; (2) 7/3/18 – $2,530.90; (3) 8/1/18 – $6,471,.43; (4) 8/29/18 – $25.00; (5) 8/31/18 – $20,543.81; (6) 7/3/18 – $297.64; (7) 7/3/18 – $424.64; (8) 7/3/18 – $469.89; (9) 7/12/18 – $40.00; (10) 7/18/18 – $148,562.90; (11) 8/13/18 – $82,619.67; and (12) 9/20/18 – $600,000.00 (Operating Accounts)
5. Per the 2017-2018 audit report, the school's cash and cash equivalents is $1,336,770, and total expenditures equal $2,006,487. Therefore, the school's cash reserve level is 66.62%, which exceeds the recommended 5%.
6. A copy of the charter school's organizational chart, which depicts the current reporting structure of the charter school, including but not limited to, any board member or school employee with responsibilities outlined within the charter school's financial policies and procedures was provided.
7. A Segregation of Duties (SOD) review was conducted at MSA Bell. No discrepancies were noted.
8. MERF provided documentation from CharterSafe, which disclosed eight pending legal matters. Magnolia asserted that all of these matters are covered by MERF's insurance. MERF further stated: "None of these matters has a material impact on the financial viability of the project or School/borrower/project sponsor."

LAUSD CHARTER SCHOOLS DIVISION

Annual Performance-Based Oversight Visit Report

SCHOOL NAME: **Magnolia Science Academy 4**

DATE OF VISIT: **2/28/2019**

9. Governing board meeting minutes reflecting the presentation of financial reports, such as balance sheets, income statements, and cash flow statements were provided.

10. Governing board meeting minutes reflecting the adoption of the 2018-2019 budget were provided.

11. Governing board meeting minutes reflecting the receipt, review, and approval of interim financial reports submitted to LAUSD were provided.

12. Governing board meeting minutes reflecting the selection of the current independent auditor were provided.

13. Governing board meeting minutes reflecting the approval of the current fiscal policies and procedures were provided.

14. Governing board meeting minutes reflecting the receipt, review, and discussion of the most current Annual Performance-Based Oversight Visit report were provided.

15. Governing board meeting minutes reflecting the approval of the management fees, licensing fees, or other related party fees were provided.

16. Governing board meeting minutes reflecting the discussion of the most current independent audit report were provided.

17. Evidence of MSA 4 offering STRS, PERS, and/or Social Security benefits to its employees and proof of payment was provided.

18. Equipment inventory was provided.

19. The 2018-2019 LCAP was submitted to LAUSD.

20. The EPA allocation and expenditures are posted on the charter school's website.

21. The 2017-2018 audited and unaudited actuals nearly mirror each other

22. As per DMS, MSA 4's net loss of ($587,519) projected in its Second Interim financials has primarily been attributed to the following factors:

    a. The decrease of $208K in the one-time Proposition 39 Energy funding for the 2018-2019 fiscal year (which is accounted for under Other State Revenues);

    b. The increase of $275K in salaries and benefits to the school's certificated staff; and

    c. The decrease of $46K in the Local Control Funding Formula (LCFF) monies due to the school's decreased ADA.

LAUSD CHARTER SCHOOLS DIVISION

Annual Performance-Based Oversight Visit Report

SCHOOL NAME: **Magnolia Science Academy 4**

DATE OF VISIT: **2/28/2019**

Progress on LAUSD Board of Education and/or MOU Benchmarks related to FISCAL OPERATIONS (if applicable):

As part of its renewal petition approved by the LAUSD Board of Education on November 7, 2017, MSA 4 must meet the following fiscal benchmarks during the 2018-2023 charter term and take the following actions in relation to its fiscal operations:

1. The school shall provide the Charter Schools Division (CSD) with the complete, executed service contract signed between Magnolia Educational & Research Foundation (MERF) and School Services of California's (SSCal), as approved by MERF's governing board on May 20, 2017, no later than November 30, 2017. This contract shall reflect SSCal's scope of work for the six-month period spanning from January 2017 through June 2017.
2. MERF shall continue to apprise the CSD of SSCal's findings and recommendations pertaining to its reviews of Magnolia schools' May and June 2017 transactions. MERF will provide the CSD with SSCal's review status in writing on a monthly basis, beginning December 1, 2017, until SSCal completes its six-month reviews.
3. MERF will provide the CSD with SSCal's management letters and MERF's action items in response to SSCal's findings, if any, within 30 days from the date of the management letter issued by SSCal. SSCal's final management letter, along with MERF's response and action items, shall be provided to the Charter Schools Division no later than December 1, 2018.
4. Upon the CSD's review of SSCal's first six (6) months of oversight when completed, the District will determine if it is necessary to extend SSCal's oversight period, pursuant to the February 8, 2017 letter issued by LAUSD legal counsel to MERF, which states, "MERF must remain subject to fiscal oversight by FCMAT or an equivalent entity for six (6) consecutive months in 2017, to commence as soon as possible, with an option, at the District's request and sole discretion, to extend the oversight depending on the results of the first six (6) months of oversight." MERF may *not* terminate or cease SSCal's work without the CSD's or District's prior consent in writing.
5. MERF will continue to take steps to remediate its fiscal practices and demonstrate improvement in its fiscal management and operations, based on the recommendations made by the Fiscal Crisis & Management Assistance Team and SSCal, through the end of the term of MSA 4's charter or by the end of fiscal year 2022-2023.
6. MERF must provide an annual update to the Charter Schools Division starting by December 15 of each year through the end of the term of MSA 4's charter or by the end of fiscal year 2022-2023, as to its progress in improving the school's fiscal management and operations as mentioned in the fiscal benchmark 5 above.

To date, MSA 4 has complied with the benchmarks cited above. Please refer to Item 2 in the "Areas of Demonstrated Strength and/or Progress" section above for details. The CSD will continue to monitor the school's progress and compliance with the fiscal benchmarks above through the remainder of the school's charter term.

A new school that meets all of the Required criteria listed below would be assessed eligible to be considered as Developing.	*A new school would be assessed as Unsatisfactory based on the statements below:*

<u>New Schools:</u>
 	
REQUIRED CRITERIA
1. A new school is one that does not have an independent audit on file with the Charter Schools Division.
2. If enrollment is below the funding survey, the charter school has made significant adjustments in their operations to allow for the reduced income, and submitted a revised three-year budget and three-year cash flow statement.
3. Projected debt is managed efficiently and will not cause the charter school to end the fiscal year with negative net assets. The non-profit organization is financially viable to support the charter school.
4. Interim reports and unaudited actuals project:
   a. Positive net assets
   b. Expenses less than revenues
   c. Projected expenses and revenues have no significant variance from budget
5. As a practice, the governing board receives and reviews the charter school's financial reports as evidenced by the governing board meeting minutes.
6. The LCAP is submitted to the appropriate agencies.
7. The EPA allocation and expenditures are posted on the charter school's website, if applicable.
 	
<u>Note</u>: A new school is one that does not have an independent audit on file with the Charter Schools Division. New schools are evaluated based on current year information. New schools receive a rating of 1 or 2.
 	
<u>Note</u>: Other circumstances and information could influence the rating and will be noted in the evaluation.
	<u>New Schools:</u>

Name and Location Code of Charter School

LAUSD Vision

Every student will receive a quality education in a safe, caring environment, and will be college-prepared and career-ready.

CSD Mission

The LAUSD Charter Schools Division (CSD) fosters high quality educational opportunities and outcomes for students in the greater Los Angeles community through exemplary charter public school authorizing, oversight, and sharing of promising practices so that all students maximize their potential.

CSD Core Values

We believe that our success depends on:
- Making decisions that put the interests of students first.
- Serving with high expectations, integrity, professionalism, and commitment.
- Employing authentic, responsive, and effective leadership and teamwork.
- Continuously learning as a dynamic organization.
- Building and sustaining a healthy workplace culture where high performance, diversity, and creativity thrive.
- Developing productive relationships with our charter schools and all stakeholders.

DATE OF VISIT: **4/2/2019**

CHARTER RENEWAL CRITERIA
In accordance with Education Code §§ 47605 and 47607, in order to renew a charter, the District must determine whether the charter school has met the statutory requirements. Pursuant to the requirements of SB 1290, the District "shall consider increases in pupil academic achievement for all groups of pupils served by the charter school as the most important factor in determining whether to grant a charter renewal." Ed. Code § 47607(a)(3)(A).
REPORT GUIDE
In conducting oversight as a charter school authorizer, the District places an emphasis on performance and compliance with applicable law, policy, and the approved charter, as well as on the lead fiduciary role of a charter school's governing board in the overall success of the school for students. Information gathered through oversight serves as part of the school's ongoing record of performance and provides important data for the CSD, LAUSD Superintendent, and ultimately the LAUSD Board of Education in making informed decisions about charter school authorization. In designing this document, the District has considered California charter school law, as well as the California State Board of Education's criteria for evaluating charter schools and the National Association of Charter School Authorizers' *Principles and Standards of Quality Authorizing*. This reporting tool provides guidelines and criteria used by the CSD to observe, record, assess, and reflect with the charter school on school performance as captured during the annual oversight visit process in these four categories:

Governance – demonstrating fulfillment of the governing board's fiduciary responsibility to effectively direct and provide oversight for the charter public school, including but not limited to enactment and monitoring of policies and procedures to ensure the school's full compliance with applicable law, policy, and the terms of the charter approved by the LAUSD Board of Education
Student Achievement and Educational Performance – demonstrating academic achievement and growth for all students
Organizational Management, Programs, and Operations – demonstrating effective leadership and implementation of the governing board's policies and procedures, as well as the school's educational program and systems and procedures for the day-to-day operations of the school
Fiscal Operations – demonstrating sound fiscal management, appropriate use of public funds, and compliance with regulatory requirements

This report, including the ratings in each category, is based on information and evidence gathered at the time of the annual oversight visit. The CSD considers evidence provided through CSD staff observations, document review, interviews, and discussion with school representatives and stakeholders. All charter schools are expected to prepare for the visit and have available, as applicable, all documentation requested in the *Annual Performance Based Oversight Visit Preparation Guide 2017-2018*. The "Sources of Evidence" sections below identify key information sources generally relevant to their respective indicators; these lists are not exhaustive, however, and some items may not be applicable to the grades served. Schools may present additional evidence as deemed relevant and appropriate. As needed, CSD staff also may request additional information and/or documentation prior to, during, and/or following the visit.

The tool employs the following four-point rubric to rate the school's performance in each category: *(4) Accomplished, (3) Proficient, (2) Developing, and (1) Unsatisfactory*. In addition, the *Summary of School Performance* section in each category captures key findings under one or more of the following headings: (1) Areas of Demonstrated Strength and/or Progress (Note: potential "promising practices" are identified within this section with an asterisk [*]); (2) Areas Noted for Further Growth and/or Improvement; and, if applicable, (3) Corrective Action Required. Under "Corrective Action Required," the CSD reports findings of material noncompliance with applicable law, LAUSD charter policy, or the school's approved charter. If the report includes any findings under "Corrective Action Required," the charter school must take immediate and appropriate steps to remedy the identified concern. In accordance with its "tiered intervention" approach to charter school non-compliance and poor performance, the CSD may also send the school appropriate notices, separate and apart from this report, to provide and document time-specific follow-up as necessary. At the other end of the spectrum of performance, any school that earns a rating of *Accomplished* in any category is encouraged to submit to the CSD a summary of those "promising practices" that the school believes have contributed to its success, in order to support the CSD's ongoing efforts to promote and facilitate reciprocal sharing of promising practices among education leaders from across the entire portfolio of LAUSD schools. |

LAUSD CHARTER SCHOOLS DIVISION

Annual Performance-Based Oversight Visit Report

SCHOOL NAME: **Magnolia Science Academy 6**

DATE OF VISIT: **4/2/2019**

GOVERNANCE	RATING*
Summary of School Performance	4

Areas of Demonstrated Strength and/or Progress

G1: The Governing Board has substantially implemented the organizational structure set forth in approved charter, including any mandated committees/councils, and an adequately developed system for the evaluation of the school leader(s) as evidenced by Board meeting agendas and minutes, organizational chart, and committees/council agendas and minutes.

G2: The Governing Board complies with all material provisions of the Brown Act
- As evidenced by the school's website and items in Binder#1, the Magnolia Educational & Research Foundation (MERF) Board meet regularly, meetings are conducted openly, and provide opportunities for public participation.
- As evidenced by the school's website, the MERF Board complies with AB 2257 (a current board meeting agenda must be posted on the homepage of the charter school's primary website, and accessible through a prominent, direct link), which became effective January 1, 2019.

G3: The Governing Board has highly developed systems in place to ensure that the school provides adequate due process, in accordance with applicable law, the charter, and LAUSD charter policy, for students, employees, parents, and the public
- As evidenced by the school's website and in Binder #1, there is documentation of policies and procedures in the areas of student discipline, employee grievances and discipline, parent/stakeholder complaint resolution process, and Uniform Complaint Procedures
- Evidence of AB699 (Educational equity; immigration and citizenship status) is included in the Student/Parent Handbook in both English and Spanish

Areas Noted for Further Growth and/or Improvement
None
Corrective Action Required
None noted that require immediate action to remedy concerns indicated in this report.

Notes: MPS leadership shared some updates in its policies, procedures, and systems that are in place and will be implemented to ensure that all schools are compliant with AB1432. Some of the updates include the following:
- Upon MERF Human Resources annual review of the MERF employee handbook with its legal counsel, updates will be made as necessary and will be presented to the MERF Board for approval.
- MERF HR will review and explain the compliance checklist, which includes AB 1432 training, with the school principals to implement the mandatory trainings to school staff.
- MERF works with Safe Schools trainings under CharterSafe to assign individual training sessions for many required trainings including the ones required by AB1432. While the legal requirement is for staff to complete within six (6) weeks after the first day of school or employment (whichever is first), MERF internally strongly encourages employee to complete the trainings within four (4) weeks after the first day of school or employment (whichever is first).
- MERF HR and the school sites work together to make sure all trainings are completed in a timely manner.

SCHOOL NAME: **Magnolia Science Academy 6**

Annual Performance-Based Oversight Visit Report

DATE OF VISIT: **4/2/2019**

UPDATE regarding the Settlement Agreement with LAUSD: Based on the CSD's observations from its oversight visits and its review of a sample of check disbursements and credit card transactions, the CSD noted the progress made by MERF towards fulfilling the fiscal oversight requirements outlined in Paragraph 8 of the March 2015 Settlement Agreement (i.e., since the 2016-2017 oversight visit). The CSD will continue to monitor MERF's progress through oversight in addressing the few remaining issues cited and implementing the recommendations from School Services of California's final management letter. Please see further details in the "Areas of Demonstrated Strength and/or Progress" in the Fiscal Operations section below.

NOTE: If the CSD gathers or otherwise receives substantial evidence of actual conflict(s) of interest with respect to a governing board member or person in a school leadership position (e.g. CEO or principal), a charter school shall receive a rating of 1 in this category.

SCHOOL NAME: **Magnolia Science Academy 6**

Annual Performance-Based Oversight Visit Report

DATE OF VISIT: **4/2/2019**

G1: GOVERNANCE STRUCTURE AND EVALUATION OF SCHOOL LEADER(S) - GOVERNANCE QUALITY INDICATOR #1

The Governing Board has implemented the organizational structure, roles and responsibilities set forth in the approved charter, including:
- Governing Board (composition, structure, roles and responsibilities)
committees/councils (for example, SSC and ELAC as applicable), including but not limited to those mandated by laws or regulations
- Evaluation of school's executive level leadership

	Rubric	Sources of Evidence
Performance	☐ The Governing Board has fully implemented the organizational structure set forth in approved charter, including any mandated committees/councils, and a highly developed system for the evaluation of the school leader(s) ☒ The Governing Board has substantially implemented the organizational structure set forth in approved charter, including any mandated committees/councils, and an adequately developed system for the evaluation of the school leader(s) ☐ The Governing Board has partially implemented the organizational structure set forth in approved charter, including any mandated committees/councils, and a partially developed system for the evaluation of the school leader(s) ☐ The Governing Board has not implemented the organizational structure set forth in approved charter or any mandated committees/councils, and no system for the evaluation of the school leader(s)	☒ Organization chart **(B1.1)** ☒ Bylaws **(B1.2)** ☒ Board member roster **(B1.3)** ☒ Board meeting agendas, and minutes **(B1.4)** ☐ Observation of Governing Board meeting ☒ Evidence of committee/council calendars, agendas, minutes and sign-ins ☒ Documentation related to system for evaluation of executive level administrator(s) who reports to the Board. **(B1.7)** ☐ Discussion with leadership ☐ Other: (Specify)

G2: BROWN ACT - GOVERNANCE QUALITY INDICATOR #2

The Governing Board has a system in place to ensure it is adhering to applicable open meeting requirements, which protect the public interest in transparency and help to ensure that decisions are made without apparent or actual conflicts of interest:
- Governing Board meetings occur regularly, are conducted openly, and provide opportunity for public participation in accordance with the Brown Act
- Governing Board holds its meetings at a location(s) and in a manner that complies with teleconferencing, closed session, and access and Reasonable Accommodation requirements and the public has access to the meetings from a location(s) within the jurisdictional boundaries of LAUSD, as noted in the charter petition
- Governing Board meeting agendas and minutes are posted and maintained, as appropriate, including on the school's website and in accordance with the Brown Act and with sufficient specificity

G5: DATA-BASED DECISION-MAKING - GOVERNANCE QUALITY INDICATOR #5

The Governing Board has a system in place to ensure ongoing:
- Review and use of academic and other internal school data and information to ensure sound Governing Board decision-making in support of continuous improvement of student achievement, fiscal viability, compliance, and overall public school excellence
- Monitoring of the school's implementation of its LCAP action plans and progress toward LCAP goals

Rubric	Sources of Evidence
Performance ☐ The Governing Board regularly monitors school performance and other internal data to inform decision-making ☒ The Governing Board monitors school performance and other internal data to inform decision-making ☐ The Governing Board inconsistently monitors school performance and other internal data to inform decision-making ☐ The Governing Board seldom monitors school performance and other internal data to inform decision-making	☒ Board meeting agendas and minutes with supporting materials and evidence of school performance and internal other data **(B1.4)** ☒ Other evidence of system for Board review and analysis of internal school data to inform decision-making **(B1.14)** ☐ Observation of Governing Board meeting ☒ Discussion with leadership ☐ Other: (Specify)

G6: FISCAL CONDITION - GOVERNANCE QUALITY INDICATOR #6

The Governing Board has a system in place to ensure fiscal viability:
- The school is fiscally strong and net assets are positive in the prior two independent audit reports.
