This item was discussed in Closed Session.

### D. Public Employment (§ 54957)

This item was discussed in Closed Session.

### E. Report Out Of Closed Session

S. Covarrubias left at 8:15 PM.

H. Beliak announced in Open Session at 8:15pm that board directed staff on several items.

## III. Action Items

### A. Approval of Revisions to the English Learner (EL) Master Plan

K.Mann, ELA & EL Programs Coordinator, presented the revisions to the EL Master plan. The revisions came from the North West Evaluation Association (NWEA) releasing an updated linking study on March 2021 using the 2019 Smarter Balanced Assessment Consortium (SBAC). With the new measures, the EL Master Plan was revised to reflect the new Measures of Academic Progress Assessment (MAP) reading scores which will be required in order for EL students to meet reclassification. This was brought to the Board for approval ahead of the Spring MAP administrations, so that EL students can be fairly assessed and can make progress toward reclassification as early as possible. Staff addressed Board Members questions and staff is looking at measures to see the impacts of learning loss due to the COVID-19 pandemic.

H. Beliak made a motion to approve the updated English Learner (EL) Master Plan.

U. Yapanel seconded the motion.

The board **VOTED** to approve the motion.

#### Roll Call

S. Dikbas	Absent
M. Muhammedov	Aye
U. Yapanel	Aye
S. Covarrubias	Absent
H. Beliak	Aye

**Roll Call**

D. Gonzalez      Aye

**B. Approval of Updated Health and Safety Policy and Injury and Illness Prevention Plan (IIPP) COVID-19 Addendum**

D.Hajmeirza, presented the updated health and safety policy and IIPP COVID-19 addendum based on the recent guidance from the Centers for Disease Control and Prevention (CDC), California Department of Public Health (CDPH) and other county public health officials. The policy was provided and reviewed by legal counsel to reflect the recent guidance. Updates to the health and safety policy include campus screening logistics. Updates from the IIPP COVID-19 addendum include identification and inspection of COVID-19 hazards and investigating COVID-19 cases.

D. Gonzalez made a motion to approve the updated Injury and Illness Prevention Program (“IIPP”) COVID-19 addendum alongside the updated MPS Health & Safety Policy.

U. Yapanel seconded the motion.

The board **VOTED** to approve the motion.

**Roll Call**

M. Muhammedov Aye  
S. Dikbas          Absent  
H. Beliak          Aye  
D. Gonzalez      Aye  
S. Covarrubias   Absent  
U. Yapanel        Aye

**C. Approval of Revised 2020-21 Magnolia Public Schools Hybrid Reopening Plans**

E.Acar, Chief Academic Officer, presented the updated reopening plans which reflect the updated schools reopening dates for in-person instruction. Staff addressed and clarified all Board Members questions.

U. Yapanel made a motion to approve Magnolia Public Schools to reopen in-person in compliance with health and safety orders, community expectations and corresponding law and regulations with the following revised dates: MSA-2: April 27, 2021 MSA-3: April 27, 2021 MSA-4: April 27, 2021 MSA-5: April 27, 2021 MSA-8: April 27, 2021.

H. Beliak seconded the motion.

The board **VOTED** to approve the motion.

**Roll Call**

D. Gonzalez      Aye  
S. Covarrubias   Absent  
S. Dikbas          Absent  
H. Beliak          Aye  
U. Yapanel        Aye  
M. Muhammedov Aye

**IV. Discussion/Information Items**

**A. 2020-21 MPS Stakeholder Survey Results & Reflections and Public Feedback to Inform Local Control & Accountability Plan (LCAP)**

D.Yilmaz, Chief Accountability Officer, presented the annual survey given to students, parents and staff to improve stakeholders' school experience. This is part of the MPS LCAP development process. The survey had questions on topics: Climate of Support for Academic Learning, Knowledge and Fairness of Discipline, Rules and Norms, Safety, and Sense of Belonging. Additional questions added were overall satisfaction, what they liked best/least and what suggestions they

might have. D.Yilmaz detailed the responses and presented the schools participation and responses. Principals shared their reflections on the survey. Next step is for school leaders to share their survey reflections with their stakeholders.

**B. State of Special Education (SPED)/ Dually Identified/ Section 504**

E.Acar, Chief Academic Officer, updated the Board on the state of Special Education and its progresses alongside A.Callaham, Director of Special Education & Support Services. The detailed presentation included progress in student achievement and development. A.Callaham, detailed the students with disabilities numbers, SPED services budget, their performance in ELA, state tests, and math, and highlighted the instructional framework of universal design for learning. They also provided projections and expected outcomes for the GATE Program. D. Gonzalez left at 9:39 PM.

**C. Discussion Regarding the Creation of the MPS Development Committee**

Will be brought at the next scheduled Board Meeting.

**V. Closing Items**

**A. Adjourn Meeting**

There being no further business to be transacted, and upon motion duly made, seconded and approved, the meeting was adjourned at 9:40 PM.

Respectfully Submitted,  
H. Beliak

**D. Public Comments**

M.Sayin, Dean of Academics at MSA-SA, informed the Board that of a Congressional Gold Medal awarded to a member of their staff. Board and staff expressed their congratulations for this award.

**E. Announcements from CEO & Superintendent and Board Members**

A.Rubalcava, CEO & Superintendent, thanked the teachers and staff for Teacher Appreciation Week, Staff Appreciation Week and Principal Appreciation Week and congratulated the rewarded Congressional Gold Medal.

**II. Action Items**

**A. Approval of COVID-19 Discretionary Bonuses for MPS Employees**

D.Hajmeirza, Director of Human Resources, presented to the Board the one-time COVID-19 discretionary bonuses for eligible employees. This was intended to support employee satisfaction and retention and to appreciate the tremendous work staff had dedicated in serving students and families during a difficult year due to the COVID-19 pandemic. This also aided in compensating employees during a school year where salary increases were not provided due to a pause placed on the pay raise scale during the time when decreases in school funding was expected. The funding became available through the In-Person Instruction (IPI) funding that the schools would receive. The report included a table that presented the breakdown of allocation per school site. The Resolution attached on the report detailed the bonuses amount criteria in four categories. The Resolution was reviewed by legal counsel. Teachers from MSA-Santa Ana made public comments and expressed their support for considering this. Staff addressed all Board Members questions.

S. Dikbas made a motion to approve the one-time COVID-19 Discretionary Cash Bonus Resolution for all eligible MPS employees including administrative, classified, and certificated staff.

U. Yapanel seconded the motion.

The board **VOTED** unanimously to approve the motion.

**Roll Call**

D. Gonzalez Absent

U. Yapanel Aye

M. Muhammedov Aye

S. Dikbas Aye

S. Covarrubias Absent

**J. Announcements from CEO & Superintendent and Board Members**

H. Beliak, Board Chair, recognized the observance of Ramadan. He also extended best wishes to Pio Pico teachers and staff who made public comments and to MPS staff for their continued work. U. Yapanel, Board Vice-Chair, shared his experience in observing Ramadan.

**II. Action Items**

**A. Approval of College and Career Access Pathways Partnership (CCAP) Agreement between Magnolia Public Schools and Los Angeles Valley College**

E. Acar, Chief Academic Officer, presented the agreement to move forward in partnership with Los Angeles Valley College (LAVC). AB 288, gives the opportunity for Community Colleges to partner with High Schools and establish college and career pathways to give students the path of an easier transition to colleges. Z. Ocel, Principal at MSA-3, shared his experience regarding the benefits this would have for his students whom are 9-12th graders. Students do not pay for these classes and credits that will be earned are towards them receiving their Associates/Bachelors Degree. The agreement was reviewed by P. Ontiveros, General Counsel & Director of Facilities. The list of classes given to the students,

and presented in this report, were based on a survey sent to students to address their needs. Board Members questions were addressed by MPS staff.

H. Beliak made a motion to authorize the College and Career Access Pathways Partnership Agreement between Magnolia Public Schools and Los Angeles Valley College.

M. Muhammedov seconded the motion.

The board **VOTED** unanimously to approve the motion.

**Roll Call**

S. Dikbas	Absent
D. Gonzalez	Aye
M. Muhammedov	Aye
S. Covarrubias	Aye
H. Beliak	Aye
U. Yapanel	Aye

**B. Approval of Updated Health and Safety Policy and Injury and Illness Prevention Plan (IIPP) COVID-19 Addendum**

D.Hajmeirza, Director of Human Resources, brought to the Board the updated Health and Safety Policy and IIPP COVID-19 addendum. The updates were received by the state and county who provided the guidelines. She reported all up-to-date updates which included MSA-1,6 & 7 following CDPH testing cadence guidance which recommended symptomatic and response testing only for students and employees; and the school reserving the right to request proof of vaccination for COVID-19 before allowing the individual in campus. There is no mandate to require personnel to get the vaccination. Board Members requested staff to follow-up with the health and safety officials to address their questions and get more clarification.

H. Beliak made a motion to approve the updated MPS Health & Safety Policy and the updated Injury and Illness Prevention Program (IIPP) COVID-19 addendum.

M. Muhammedov seconded the motion.

The board **VOTED** to approve the motion.

**Roll Call**

S. Dikbas	Absent
D. Gonzalez	Aye
U. Yapanel	Aye
S. Covarrubias	Abstain
M. Muhammedov	Aye
H. Beliak	Aye

**C. Creation of the MPS Development and Stakeholder Committee**

D. Gonzalez, Stakeholder Committee Chair, reported out of the Stakeholder Committee from earlier this week. She reported combining philanthropic efforts to the Stakeholder Committee by adding the Developmental piece as part of the committees core functions. As presented in the report, it discussed the functions of the committee. Moving forward the committee will work with the whole Board regarding fundraising efforts for MPS and lead the charge alongside staff.

S. Covarrubias made a motion to approve the creation of the new "Development & Stakeholder Committee," a revised version of the Stakeholders and Community Engagement Committee that will now include development as a key function. The committee members would remain the same. They include Dr. Umit Yapanel, Ms. Diane Gonzalez-current chair, Ms. Sandra Covarrubias, and Mekan Muhammedov as the alternate. The revised committee would support major areas of the MPS Home Office - Development and Communications Department including development, communications, stakeholder surveys, advocacy, and parent and community engagement in addition to personnel items.

U. Yapanel seconded the motion.

The board **VOTED** unanimously to approve the motion.

**Roll Call**

S. Covarrubias	Aye
U. Yapanel	Aye
S. Dikbas	Absent
H. Beliak	Aye
M. Muhammedov	Aye
D. Gonzalez	Aye

**III. Closed Session**

**A. Public Announcement Of Closed Session**

H. Beliak announced that the Board will be going into Closed Session to discuss public employee performance evaluation and anticipated initiation of litigation and would report out any actions taken.

**B. Conference with Legal Counsel - Anticipated Initiation of Litigation ((§ 54956 (b))**

This item was discussed in Closed Session.

**C. Report Out Of Closed Session**

H. Beliak announced in Open Session at 7:18pm that board directed staff on several items.

**IV. Closing Items**

**A. Adjourn Meeting**

There being no further business to be transacted, and upon motion duly made, seconded and approved, the meeting was adjourned at 7:18 PM.

Respectfully Submitted,  
H. Beliak

**I. Opening Items**

**A. Call the Meeting to Order**

M. Muhammedov called a meeting of the board of directors of Magnolia Public Schools to order on Thursday May 27, 2021 at 6:05 PM.

**B. Record Attendance and Guests**

Refer to attendance information reported above.

**C. Approval of Agenda**

H. Beliak arrived at 6:07 PM.

H. Beliak made a motion to approve the amended agenda with the removal of Action Item II A & II D.

D. Gonzalez seconded the motion.

A. Rubalcava, CEO & Superintendent, gave context regarding the tabling of both items and will be brought to the Board at a later Board Meeting. The board **VOTED** unanimously to approve the motion.

**Roll Call**

D. Gonzalez	Aye
M. Muhammedov	Aye
H. Beliak	Aye
U. Yapanel	Aye
S. Dikbas	Aye
S. Covarrubias	Aye

**D. Public Comments**

A. Roberson, Basketball Coach at MSA-Santa Ana, thanked the school for the work being done with the Power Of One Foundation and the No One Left Behind Partnership which has positively impacted the community and students during the COVID-19 pandemic. He expressed hosting a possible basketball tournament in the future as an event for all MPS. S. Keskinurk, Principal at MSA-Santa Ana, also expressed his appreciation for MPS staff, Board members and his staff.

**E. Announcements from CEO & Superintendent and Board Members**

A. Rubalcava, elaborated on continuing the great work as stated in the public comments. He also publicly recognized staff and the community from MSA-San Diego for being recognized as a 2020 California Distinguished School from the California Department of Education. G. Serce, Principal at MSA-San Diego, shared pictures of the event the school created to recognize their staff and shared pictures of the virtual event held to celebrate all schools who were also recognized as California Distinguished Schools. S. Covarrubias, Board Member, made a request to bring back the updated health and safety policy and IIPP COVID-19 addendum that was approved on May 13, 2021 for a continued discussion with the Board and public. This item will not go for a re-vote.

**II. Action Items**

**A. 2021-22 Pay Raise Scales for Teachers, Non Classroom Based Academic Personnel and School Leaders**

This item was tabled during the Approval of Agenda.

**B. Approval of Expanded Learning Opportunity Grant Plans**

E. Acar, Chief Academic Officer, presented the Expanded Learning Opportunity Grant Plans for all Magnolia Science Academy schools (MSA1-8, MSA-Santa Ana & MSA-San Diego). The one time funding was granted as part of AB 86 COVID-19 relief package, where the funding will be used to provide supplemental instruction

and support that would benefit disadvantaged pupil groups who have faced adverse learning and social-emotional circumstances as a result of the COVID-19 pandemic. The funds will be expended by August 21, 2022. He provided context regarding how the funds will be used given the purposes that are allowable. A few Principals presented their ELOG plans. Staff addressed questions from the Board Members.

U. Yapanel made a motion to approve the Expanded Learning Opportunities Grant Plans for all Magnolia Public Schools.

S. Covarrubias seconded the motion.

The board **VOTED** unanimously to approve the motion.

**Roll Call**

D. Gonzalez	Aye
U. Yapanel	Aye
M. Muhammedov	Aye
S. Covarrubias	Aye
S. Dikbas	Aye
H. Beliak	Aye

**C. Approval of 2021-22 School Calendars for all MPS**

E.Acar, Chief Academic Officer, presented the 2021-22 MPS School Academic Calendars for all Magnolia Science Academy Schools. Different from previous years, due to the COVID-19 pandemic, in order to address learning loss, many charter schools and districts have considered extending the 2021-22 school year. MPS staff surveyed stakeholders-parents and teachers-with three options of the calendars for feedback. E.Acar presented the results of the surveys and projected the calendars based on the survey results. The results indicated the number of instructional days: MSA1-8, 185 instructional days; MSA-Santa Ana, 180 instructional days; MSA-San Diego, 180 instructional days. Salary compensations would be incorporated to address the extra five days, a estimated cost was presented in the report. Staff addressed all questions made by the Board Members.

D. Gonzalez made a motion to approve the 2021-22 School Calendars for all Magnolia Public Schools (MPS).

S. Dikbas seconded the motion.

The board **VOTED** unanimously to approve the motion.

**Roll Call**

S. Dikbas	Aye
H. Beliak	Aye
U. Yapanel	Aye
M. Muhammedov	Aye
D. Gonzalez	Aye
S. Covarrubias	Aye

**D. 2021-22 Uniform RFP Winning Bid Selection**

This item was tabled during the Approval of Agenda.

**E. Approval of College and Career Access Pathways Partnership (CCAP) Agreement between Magnolia Public Schools and Los Angeles Valley College**

E.Acar, Chief Academic Officer, presented the agreement to move forward in partnership with Los Angeles Valley College (LAVC). AB 288, gives the opportunity for Community Colleges to partner with High Schools and establish college and career pathways to give students the path of an easier transition to colleges. Students do not pay for these classes and credits that will be earned are towards them receiving their Associates Degree. M.Avsar, Principal at MSA-4, elaborated that expanding these opportunities will allow students to take college

courses throughout their high school career. Staff addressed all Board Members questions.

S. Covarrubias made a motion to authorize the College and Career Access Pathways Partnership Agreement between Magnolia Public Schools and Los Angeles Valley College.

U. Yapanel seconded the motion.

The board **VOTED** unanimously to approve the motion.

**Roll Call**

S. Dikbas	Aye
S. Covarrubias	Aye
M. Muhammedov	Aye
U. Yapanel	Aye
H. Beliak	Aye
D. Gonzalez	Aye

**III. Closed Session**

**A. Public Announcement Of Closed Session**

H. Beliak announced that the Board will be going into Closed Session to discuss anticipated initiation of litigation, public employment and public employee performance evaluation for the CEO and would report out any actions taken.

**B. Conference with Legal Counsel - Anticipated Initiation of Litigation ((§ 54956 (b))**

This item was discussed in Closed Session.

**C. Public Employment (§ 54957)**

This item was discussed in Closed Session.

**D. Public Employee Performance Evaluation (§ 54957) - Title: CEO & Superintendent**

This item was discussed in Closed Session.

**E. Report Out Of Closed Session**

H. Beliak announced in Open Session at 8:09pm that board directed staff on several items.

**IV. Closing Items**

**A. Adjourn Meeting**

There being no further business to be transacted, and upon motion duly made, seconded and approved, the meeting was adjourned at 8:09 PM.

Respectfully Submitted,  
H. Beliak

**E. Announcements from CEO & Superintendent and Board Members**

A.Rubalcava, CEO & Superintendent, announced the anticipated graduations that are coming up. Staff will share with the Board the graduation information for them to join and show support to the graduating students.

**II. Action Items**

**A. Approval of 2021-22 Non-Discretionary Bonus for MSA 1-8**

D.Hajmeirza, Director of Human Resources, presented the resolution for learning loss mitigation bonuses for the end of the 2021-22 school year for Los Angeles MPS schools, MSA1-8. On May 27, 2021 the Board approved the 2021-22 MPS School Calendar which included five added instructional days for MSA1-8 schools. Due to those extended days, staff presented the learning loss mitigation one-time discretionary bonuses. She explained the eligibility for the bonuses as highlighted in the the report and it was reviewed by legal counsel. A.Rubalcava, CEO & Superintendent and E.Acar, Chief Academic Officer, expanded on the areas of focus with the money being received for the benefit of students and staff. MSA-Santa Ana and MSA-San Diego opted from extending their school year and will use their Expanded Learning Opportunities Grant for other services such as Saturday and Summer school. Staff addressed all questions from the Board Members.

M. Muhammedov made a motion to approve the board resolution for Learning Loss Mitigation Bonuses at the end of the 2021-2022 school year for employees of MPS Schools in the City of Los Angeles (Magnolia Science Academy- 1 through 8).

U. Yapanel seconded the motion.

The board **VOTED** unanimously to approve the motion.

**Roll Call**

S. Dikbas	Aye
U. Yapanel	Aye
D. Gonzalez	Aye
H. Beliak	Absent

**Roll Call**

M. Muhammedov Aye  
S. Covarrubias Aye

**B. 2021-22 Pay Raise Scales for Teachers, Non Classroom Based Academic Personnel and School Leaders**

A.Rubalcava, CEO & Superintendent, went over the impact COVID-19 pandemic had on the salary scales. Due to the uncertainty as the pandemic began, there was a freeze in the base pay, the year of experience and the performance pay. Finance team and staff had brought the pay scales originally to the Development & Stakeholder Committee on May 19, 2021, since that day MPS staff updated the changes due to a deeper budget analysis. Staff went over the the new proposals of the 2021-22 pay raise scale for teachers, NCBA positions and school leaders for all Magnolia Science Academy schools as presented in the report. The pay scale revisions have been reviewed by MPS legal counsel. Staff went over the enrollment projection impacts because of the COVID-19 pandemic and highlighted the budget impact of the salary increases for teachers, NCBA and school leaders. Staff is awaiting budget clarification from the Governor and legislature by June 15, 2021. S.Orazov, Chief Financial Officer provided further context on STRS/PERS and LCFF and explained the delay in the budget process to the Board Members. Staff addressed all questions from the Board Members.

S. Covarrubias made a motion to approve the 2021-22 Employee Pay Raise Scale for Full-Time Teaching Positions & Non-Classroom Based Academic ("NCBA") Positions and School Leaders.

S. Dikbas seconded the motion.

The board **VOTED** to approve the motion.

**Roll Call**

M. Muhammedov Aye  
S. Covarrubias Aye  
S. Dikbas Aye  
U. Yapanel No  
D. Gonzalez Aye  
H. Beliak Absent

**C. MPS School Site Classified Employees Pay Raise Schedule for 2021-22**

U. Yapanel left at 8:17 PM.

D.Gonzalez, Development & Stakeholder Committee Chair, reported out of the committee meeting regarding the discussion of the classified employees pay raise schedule. The Committee decided to move forward and approve the recommendation of approval to the full Board. D. Hajmeirza, Director of Human Resources, made a correction to the report to include on the job titles, Director of Outreach and Community Engagement. Staff addressed questions from the Board Members.

S. Covarrubias made a motion to approve the 2021-22 classified employees salary pay raise schedule.

D. Gonzalez seconded the motion.

The board **VOTED** unanimously to approve the motion.

**Roll Call**

S. Covarrubias Aye  
U. Yapanel Absent  
D. Gonzalez Aye  
S. Dikbas Aye  
M. Muhammedov Aye  
H. Beliak Absent

**III. Closed Session**

**A. Public Announcement Of Closed Session**

D. Gonzalez, Board Member, announced that the Board will be going into Closed Session to discuss public employment and would report out any actions taken.

**B. Public Employment (§ 54957)**

This item was discussed in Closed Session.

**C. Report Out Of Closed Session**

D. Gonzalez, Board Member, announced in Open Session at 8:48pm that board took no action and will discuss this matter further in the next meeting.

**IV. Closing Items**

**A. Adjourn Meeting**

There being no further business to be transacted, and upon motion duly made, seconded and approved, the meeting was adjourned at 8:49 PM.

Respectfully Submitted,  
D. Gonzalez

#### I. Opening Items

**A. Call the Meeting to Order**

U. Yapanel called a meeting of the board of directors of Magnolia Public Schools to order on Thursday Jun 10, 2021 at 6:33 PM.

**B. Record Attendance and Guests**

Refer to attendance information reported above.

**C. Approval of Agenda**

M. Muhammedov made a motion to approve the amended agenda with the removal of Action Item IV C.

U. Yapanel seconded the motion.

P.Ontiveros, General Counsel & Facilities Director informed the Board and the public that Action Item IV C was tabled due to staff needing more information on vendor before proceeding with Board approval. The board **VOTED** unanimously to approve the motion.

**Roll Call**

U. Yapanel	Aye
S. Covarrubias	Aye
D. Gonzalez	Absent
S. Dikbas	Absent
M. Muhammedov	Aye

**D. Public Comments**

J.Hernandez, Principal at MSA-8, highlighted the drive by graduation held for 8th graders and thanked the staff and Board for their continued support as they end the school year.

**E. Announcements from CEO & Superintendent and Board Members**

U. Yapanel, MPS Vice-Chair announced the resignation of H. Beliak. U. Yapanel will be acting as the Interim Chair of the MPS Board until the next Board Chair and Board Appointments are approved on June 24, 2021. A. Rubalcava, CEO & Superintendent gave remarks regarding the ongoing graduations at the Magnolia Science Academy schools. Staff thanked the work H. Beliak has done throughout his years as part of the MPS Board of Directors.

**II. Closed Session**

**A. Public Announcement Of Closed Session**

U.Yapanel, announced that the Board will be going into Closed Session to discuss public employee performance evaluation and anticipated initiation of litigation and would report out any actions taken.

**B. Conference with Legal Counsel - Anticipated Initiation of Litigation ((§ 54956 (b))**

This item was discussed in Closed Session

**C. Public Employee Performance Evaluation (§ 54957) - Title: CEO & Superintendent**

This item was discussed in Closed Session

**D. Report Out Of Closed Session**

U. Yapanel announced in Open Session at 7:39pm that board directed staff on several items.

**III. Consent Items**

**A. Approval of 2021-22 MPS Employee Handbook**

D. Hajmeirza, Director of Human Resources, presented the 2021-22 MPS Employee Handbook. MPS Human Resources Department and legal counsel revised the handbook to be compliant with labor codes and regulations. This is part of an annual review to ensure all the most up to date federal and state laws are reflected. Staff addressed questions made by the Board Members. Holiday dates, vacation, sick hours payback. Board members asked if there has been major changes due to the pandemic that might affect the handbook. Staff addressed no major changes besides the addition of telework policies that was already included.

M. Muhammedov made a motion to approve the proposed 2021-22 MPS Employee Handbook as presented with an effective date of July 1, 2021.

U. Yapanel seconded the motion.

The board **VOTED** unanimously to approve the motion.

**Roll Call**

D. Gonzalez	Absent
S. Dikbas	Absent
U. Yapanel	Aye
S. Covarrubias	Aye
M. Muhammedov	Aye

#### IV. Action Items

##### A. Approval of Contract for John Buck

P. Ontiveros, General Counsel & Director of Facilities presented the proposed contract of Buck Financial Advisors LLC. MPS staff anticipates multiple facilities projects and the services of a financing advisor would be advantageous to assist in those projects for the purposes of providing financial advisory services. MPS worked exclusively with Hamlin, and staff believes it is in the best interest to have someone with financing background to advise and steer in the direction of financing most favorable to the organization. Staff spoke to multiple parties before coming to the conclusion of of Buck Financial Services. They provide financial services to different charter school operators in California. P. Ontiveros went over the contract and added that the contract can be terminated at any time. Staff addressed all Board Members questions.

U. Yapanel made a motion to approve the selection of Buck Financial Advisors LLC as a financial advisor to MPS to assist in the sourcing of financing for MPS facilities projects and further recommends and moves that the contract presented by Buck for such services, attached as Exhibit A in the report, be approved with such final edits as Staff may deem advisable and in the best interests of MPS.

M. Muhammedov seconded the motion.

The board **VOTED** unanimously to approve the motion.

**Roll Call**

M. Muhammedov	Aye
U. Yapanel	Aye
S. Dikbas	Absent
D. Gonzalez	Absent
S. Covarrubias	Aye

##### B. Approval of IXL Agreement for all Magnolia Science Academy Schools

E. Acar, MPS Chief Academic Officer, presented the IXL program a software based curriculum which is a comprehensive TK-12 curriculum which gives students and teachers real time diagnostics and personalized guidance to provide analytics and personalized guidance for student instruction. The program is intended to address the different levels and needs of students which have been exasperated by the COVID-19 pandemic. This program has been used by MSA-1 & MSA-6 which has received positive outcomes and feedback. MPS staff sought

to utilize the program to provide personalized learning, and skill building to accelerate learning in ELA, Math, Science, and Social Studies to address those concerns. This program was presented to the stakeholders. An overview of IXL program was further elaborated by T. Lewin, Director of Math Programs and K. Mann, Coordinator of EL/ELD Programs. An implementation plan and training will be provided for teachers and administrators to ensure the success of this program. The Extended Learning Opportunities Grant and other funding sources will be appropriately budgeted in all school budgets for this program. Staff addressed all Board Members questions.

U. Yapanel made a motion to approve the IXL program for all schools.

M. Muhammedov seconded the motion.

The board **VOTED** unanimously to approve the motion.

**Roll Call**

D. Gonzalez Absent

M. Muhammedov Aye

S. Covarrubias Aye

S. Dikbas Absent

U. Yapanel Aye

**C. Approval of MSA-Santa Ana Street Signage Installation**

This item was tabled during the Approval of Agenda.

**D. Approval of MSA-Santa Ana Workstation Purchase RFP Award**

S. Keskindurk, Principal at MSA-Santa Ana presented the RFP for the purchase of new iMac desktops for the school's teachers and school administrators. He informed that the purchase is needed to replace outdated desktops which have become too obsolete for teachers to utilize and issues arise which impact learning time. An RFP for the iMac purchase was provided. ESSER I funds will be used for the purchase to improve teaching and learning quality.

U. Yapanel made a motion to approve the purchase of 50 iMacs for Magnolia Science Academy-Santa Ana.

M. Muhammedov seconded the motion.

The board **VOTED** unanimously to approve the motion.

**Roll Call**

M. Muhammedov Aye

S. Dikbas Absent

D. Gonzalez Absent

S. Covarrubias Aye

U. Yapanel Aye

**V. Information/Discussion Items**

**A. Public Hearing for the Local Control and Accountability Plans (LCAP) for All MPS**

Public Hearing for the Local Control and Accountability Plans (LCAP) were presented and opened to the public and Board Members. D. Yilmaz, Chief Accountability Officer, provided background that the public hearings purpose is to provide stakeholders access to the draft LCAP and for them to provide feedback. LCAP is intended to be a comprehensive planning tool which describes many variables such as school-wide goals, expected progress on those goals, expenditures in meeting those goals and process to involve stakeholders in developing, reviewing and supporting the implementation of LCAP. Adaptive Insights will also be utilized in creating a report for LCAP. M. Sahin, Principal at MSA-1 and J. Hernandez, Principal at MSA-8, gave updates on their schools LCAP process. LCAP will be taken to the full Board for approval on June 24, 2021. No public comments were made.

**B. Public Hearing for the 2021-22 Budgets for All MPS**

2021-2022 budget was presented and opened to the stakeholders and Board Members for feedback. On June 7, 2021 the Draft Budget was taken to the Finance Committee Meeting. MPS staff is finalizing the final budget once staff receives any guidance from from the Governors Office on June 15, 2021 which might impact the final budget as well as any stakeholder feedback. The finalized budget will go to the full Board for approval on June 24, 2021. S. Orazov, MPS Chief Financial Officer, presented the budgets for all school sites and the MPS Home Office. The figures also showed the one-time funding that was part of the CARES Act and AB86. Internal processes were implemented to ensure the funding is used appropriately. Any changes that may arise will be reflected accordingly on the final Budget. No public comments were made. Board requested a plan to improve enrollment systems at the school sites and to review the Budget earlier. A budgeting timeline was created early May but because of the additional funding it made it difficult to make the Budget earlier.

**C. Creating a Standard of Care for Mental Health and Wellness Across MPS**

Dr. B. Lopez, MPS Director of Student Services, addressed MPS ongoing efforts in creating a standard of care across Magnolia Public Schools related to mental health and wellness resources and support for stakeholders. She presented a breakdown of the data collected, reflections and recommendations to continue to inform a standard of care for mental health and wellness. The Academic team along with school site leaders developed a survey to learn more on the social emotional learning from all stakeholders during the COVID-19 pandemic.

**D. Academic Updates**

E. Acar, Chief Academic Officer, K. Mann, ELA & EL Program Coordinator, T. Lewin, Director of Math Programs, and B. Lopez, Director of Student Services provided academic updates. It included; transition to in-person (hybrid) instruction, new programs and initiatives, professional development plans, COVID-19 funding for academic programs, student achievement data and progress, updates from every individual Academic Team member including Special Education and support services, TeachFX program and the Magnet program and MSA-2.

**E. Discussion on MPS Health and Safety Policy and Injury and Illness Prevention Program (“IIPP”) COVID-19 Addendum**

D. Hajmeirza, MPS Director of Human Resources, addressed the concerns that Board Members had on the MPS Health and Safety Policy IIPP COVID-19 Addendum that was approved on May 13, 2021. The request was made from the Board to bring this item for further discussion and clarification on the May 27, 2021 Board Meeting. To address the concerns of the Board, MPS staff reached out to Los Angeles County Department of Public Health and CalOSHA to verify information stated in the policy. D. Hajmeirza presented the responses given in the detailed report.

**VI. Closing Items**

**A. Adjourn Meeting**

There being no further business to be transacted, and upon motion duly made, seconded and approved, the meeting was adjourned at 10:13 PM.

Respectfully Submitted,  
U. Yapanel

## Approval of 2021-22 Fiscal Policy Manual

<b>Section:</b>	III. Consent Items
<b>Item:</b>	A. Approval of 2021-22 Fiscal Policy Manual
<b>Purpose:</b>	Vote
<b>Submitted by:</b>	
<b>Related Material:</b>	Fiscal Policies and Procedures Manual FY 2021-22.pdf

Board Agenda Item #	III A: Consent Item
Date:	June 24, 2021
To:	Magnolia Board of Directors
From:	Alfredo Rubalcava, CEO & Superintendent
Staff Lead:	Serdar Orazov, Chief Financial Officer
RE:	Approval of Fiscal Policies and Procedures Manual FY 2021-22

### Proposed Board Motion

I move that the board approve the attached fiscal policies and procedures manual of Magnolia Public Schools for fiscal year 2021-22.

### Background

As one of conditions of authorization and requirement for renewal application, fiscal policies and procedures must be reviewed and board approved within the last twelve (12) months before submission of renewal application. Our fiscal policies and procedures manual was reviewed and approved by the board on 2/11/2021 and 3/29/2021. The staff is not recommending any revisions at this time. This item is brought to the board as part of the annual review of the fiscal policies and procedures. Below is a summary of all the changes adopted by the board during fiscal year 2020/2021.

- Establish a threshold for Purchase Orders (\$1,000) and exclude any purchase below \$1,000 from Purchase Order requirement.
- Exclude following transactions from the Purchase Order system - Compensation related expenses (salaries and benefits), building leases and debt service payments, other leased equipment, utilities, contracted services, insurance, legal expenses.
- G&A118 BUDGETING – Add Controller and the Senior Financial Analyst as approvers budget reclassifications for the approved budgeted expenses and various resource codes
- PUR107 BIDDING REQUIREMENTS – Increase the threshold for RFP (Request for Proposal) requirement from \$25,000 to \$50,000.
- PUR107 BIDDING REQUIREMENTS – The RFP requirement doesn't apply to renewal and/or extension of the existing service contracts.
- Procurement and AP authorization limits as follows

<b>Approver</b>	<b>Current limits</b>	<b>Proposed limits</b>
<b>Principal</b>	up to \$5,000	Up to \$5,000
<b>COO</b>	\$5000 and up	\$5000 and up
<b>SFA/Controller</b>	Any amount(review only)	Any amount(review only)
<b>CFO</b>	Any amount	\$10,000 and up
<b>CEO</b>	\$10,000 and up	\$25,000 and up
<b>BOT</b>	\$25,000 and up	\$50,000 and up

**SOP # G&A101 Revision: 1**  
**Effective Date: 9/5/2017**

**Prepared by: Central Office**  
**Approved by: BOD**

**Title: G&A101 CHART OF ACCOUNTS**

**Policy:** To facilitate the record keeping process for accounting, all ledger accounts should be assigned a descriptive account title and account number.

**Purpose:** To provide the method for assignment and maintenance of the company's chart of accounts in order to produce meaningful financial data for the Organization.

**Scope:** This procedure applies to all general ledger accounts.

**Responsibilities:** The Chief Financial Officer is responsible for monitoring and approving changes to the company's Chart of Accounts.

**Definition:** Chart of Accounts – A categorized listing of all account titles and numbers being used by an organization to track income, expenses, assets, equity, and liabilities is called a Chart of Accounts.

**Procedure:**

**1.0 DESIGN OF ACCOUNTS**

**1.1** Accounts should have titles and numbers that indicate specific ledger accounts such as Cash in Checking, Furniture and Fixtures, Accounts Payable, etc.

**1.2** In general, the Standardized Account Code Structure (SACS) is followed for the major code segments, including resource function (after 6/30/17), object and location.

**1.3** Sub-divisions should be used to provide additional clarification, as needed. A sub-division among the balance sheet accounts should be designated short term to long term, (i.e. current assets should precede long term assets and current debt should precede long-term debt).

Unassigned number sequences should be left open within each group of accounts to provide for additional accounts, which may be added later.

**1.4** Accounts may be numbered using the SACS format.

**1.5** See Appendix A for guidance regarding SACS format.

**2.1 DESCRIPTION OF ACCOUNTS**

**2.2** Each account should be given a short title description that is brief but will allow the reader to quickly ascertain the purpose of the account.

- 2.3** For training and consistent transaction coding, as well as to help other non-accounting managers understand why something is recorded as it is, each account should be defined. Definitions should be concise and meaningful. The account name should clearly identify what the account is to be used for.

---

Accounting Policies, Procedures and Forms

An example of definitions follows:

**ASSETS**

9121 – Main Operating Account

Includes all cash held in the operating bank account. All withdrawals and deposits are recorded here. The reported balances are supported by a bank reconciliation prepared monthly.

**SOP # G&A102 Revision: 1**  
**Effective Date: 9/5/2017**

**Prepared by: Central Office**  
**Approved by: BOD**

**Title: G&A102 FILES AND RECORDS MANAGEMENT**

**Policy:** The Organization will retain records in an orderly fashion for time periods that comply with legal and governmental requirements and as needed for general business requirements.

**Purpose:** To outline the methods for filing, retaining and disposing of business records.

**Scope:** This procedure applies to all business documentation generated by the Organization. However, this does not necessarily cover internal or certain day-to-day business correspondence.

**Responsibilities:**

The Finance Staff will be responsible for categorizing and maintaining a listing of records maintained and the location (i.e. by wall unit and shelf row number).

The Chief Financial Officer is responsible for overseeing the execution of Organization policy for Record Retention, Storage and Destruction of obsolete Organization records.

**Procedure:**

**1.1 FILING SYSTEM**

**1.2** To ensure efficient access, filing centers will be established in each department. To reduce the amount of duplicate and unnecessary record retention, individual desk files should be avoided unless they are used in daily operations. All other departmental or Organization records should be filed in the departmental central filing areas.

**1.3** Unless necessary, records should usually only be kept by the originator or sender and not by the receiver to avoid duplicate filing systems.

**1.4** The following filing guidelines should be adhered to optimize filing efficiency and records access:

- All file cabinets and files should follow recognized rules of order, such as Left to Right, Top to Bottom, Front to Back and in the case of chronological records, newest to oldest.
- File markers or label headings should always be placed at the beginning or front of a file or group of files.
- Alphabetical files should always be filed under broad topical categories. Files should never be filed under individual employee names (except Human Resources records) to avoid confusion and re-filing in the event of turnover.

---

 Accounting Policies, Procedures and Forms
 

---

Files should always be filed under the "proper" or Organization names whenever appropriate. In the case of individuals, files should be maintained according to the persons "Last name" then First name and Middle initial.

- Extra care should be used for sensitive or private information. Organization financial data or personnel records that contain performance reviews, salary information, and any health related information should be kept in a secure area with limited access to only those that have a "need to know" such as the Office Manager or the Chief Financial Officer.

## **2.0 RECORD RETENTION AND LONG-TERM STORAGE**

- 2.1** Storage of archived records will be maintained in the locked storage area of the building. Access to this area will be limited to the Chief Financial Officer, officers of the Organization and the Office Manager.
- 2.2** Non-permanent files will be stored in cardboard file boxes. Each file box will be labeled on the front with the contents, dates covered, and destruction date if applicable. Permanent records will be filed electronically.
- 2.3** Files should be stored only in boxes with similar items, dates and retention periods. This will allow easier access and purging of records. A general rule to keep in mind is that it is better to only half-fill a file box than to file dissimilar types of files in the same box.
- 2.4** The Office Manager will be responsible for categorizing and maintaining a listing of records maintained and the location (i.e. by wall unit and shelf row number).
- 2.5** Maintain all files for as long as is necessary but only to the extent they serve a useful purpose or satisfy business or legal requirements. G&A102 Ex1 RECORDS RETENTION PERIODS, provides a guide to the typical business life of various documents. The retention periods provided are suggested with federal requirements in mind. Be sure to check with local and state authorities for specific record retention requirements.
- 2.6** Copies of critical records that are vital to the daily operations of the Organization should be kept off site in case of possible disasters. This may include information needed to file insurance claims (assets lists, insurance contacts, policy numbers), financial data for tax purposes (wages paid, income and expenses), contacts lists to inform or restart the business (vendors, customers, investors and employees), and other data that would assist in rebuilding the business (business plans, intellectual property, or proprietary information).

## **3.1 RECORD DESTRUCTION**

- 3.2** Three to six months after each year-end, the Office Manager will proceed with destruction of all files that have exceeded their recognized holding period.

Accounting Policies, Procedures and Forms

---

- 3.3** A listing of file categories to be destroyed will be circulated to all managers thirty days prior to destruction for review and comment. The actual listing of records destroyed will be maintained permanently for future reference.
- 3.4** Destruction of the files will be performed by an independent, outside service for shredding and disposal. Disposal of records into the Organization's general trash service is not allowed.

**References:****A. HEALTH INSURANCE PORTABILITY ACCOUNTABILITY ACT (HIPAA)**

The Standards for Privacy of Individually Identifiable Health Information (the Privacy Rule) creates national standards to protect individuals' personal health information and gives patients increased access to their medical records. As required by the Health Insurance Portability and Accountability Act of 1996 (HIPAA), the Privacy Rule covers health plans, health care clearinghouses, and those health care providers who conduct certain financial and administrative transactions electronically. Most covered entities (certain health care providers, health plans, and health care clearinghouses) must comply with the Privacy Rule by April 14, 2003. Small health plans have until April 14, 2004 to comply with the Rule.

Note: Employment records maintained by a covered entity in its capacity as an employer are excluded from the definition of protected health information. The modifications do not change the fact that individually identifiable health information created, received, or maintained by a covered entity in its health care capacity is protected health information.

**B. AGE DISCRIMINATION IN EMPLOYMENT ACT (ADEA)**

ADEA applies to employers with 20 or more employees. If an EEOC charge or lawsuit is filed, keep records until final disposition of the charge or lawsuit. Otherwise, ADEA compliance suggests keeping basic employee files from one to three years as listed:

- Payrolls or other records (for temporary and permanent positions) for three years.
- Basic employee information such as employees' names, addresses, birth dates, occupations, rates of pay, and weekly compensation for three years.
- Applications and personnel records relating to promotion, demotion, transfer, selection for training, layoff, recall or discharge for one year.
- Job advertisements and postings for three years.
- Copies of employee benefit plans, seniority and merit systems must keep on file for the full period the plan or system is in effect and for at least one year after its termination

---

**Accounting Policies, Procedures and Forms**

---

**C. AMERICANS WITH DISABILITIES ACT (ADA)**

ADA applies to employers with 15 or more employees. If an EEOC charge or lawsuit is filed, keep records until final disposition of the charge or lawsuit.

Otherwise, ADA compliance suggests keeping employment applications and other personnel records including promotions, transfers, demotions, layoffs, and termination or requests for reasonable accommodation for at least 1 year from the making of the record or the personnel action.

**D. CIVIL RIGHTS ACT OF 1964**

Applies to employers with 15 or more employees. If an EEOC charge or lawsuit is filed, keep records until final disposition of the charge or lawsuit. Otherwise, basic non-discrimination compliance suggests keeping employment applications and other personnel records including promotions, transfers, demotions, layoffs, and termination or any EEO-1 Reports for at least one year from the making of the record or the personnel action. If an employee is involuntarily terminated, his/her personnel records must be retained for one year from the date of termination.

**E. EMPLOYEE RETIREMENT INCOME SECURITY ACT (ERISA)**

The ERISA reporting and disclosure obligations apply to all pension and welfare plans including summary plan descriptions, annual reports, reportable events, and plan termination, unless the Organization plan is exempt under ERISA.

ERISA suggests the Organization should maintain all reports, documents, information, and materials for a minimum of six years in order to disclose and or support all transactions to participants and beneficiaries (and report to certain governmental agencies), as requested or needed.

**F. EMPLOYEE POLYGRAPH PROTECTION ACT**

All polygraph test results and reasons for administering the test should be kept for three years.

**G. EQUAL PAY ACT**

Payroll records including time cards, wage rates, deductions from wages, and records explaining the difference in wage rates between men and women in similar positions should be kept for three years.

**H. EXECUTIVE ORDER 11246**

Applies to federal contractors and requires the preparation of affirmative action plans. Affirmative action plans must be updated annually and retained for two years along with all applications and other personnel records that form the basis of the Organization's employment decisions. Generally, personnel and employment records must be retained for two years.

## Accounting Policies, Procedures and Forms

---

### **I. FAIR LABOR STANDARDS ACT (FLSA)**

FLSA applies to employers engaged in or employees who work in interstate commerce and suggests the following records are retained for three years:

- Payroll and other records containing employee's name, birth date, gender, and occupation.
- Employee's beginning of workweek and time employee begins work.
- Regular rate of pay or other basis of payment.
- Hours worked per day and for workweek.
- Daily and weekly straight time earnings.
- Deduction from wages.
- Total wages per pay period.
- Date of payment and the pay period covered.
- For exempt professional, executive and administrative employees, and those employed in outside sales, the employer must maintain records that reflect basis on which wages are paid to permit calculations of the employee's total remuneration.
- In addition, employers must keep for at least two years all records (including wage rates, job evaluations, seniority and merit systems, and collective bargaining agreements) that explain the basis for paying different wages to employees of opposite sexes in the same establishment.

### **J. FAMILY AND MEDICAL LEAVE ACT (FMLA)**

FMLA applies to employers with 50 or more employees within a 75 mile radius and whose employee must have worked for at least one year and accumulated at least 1,250 hours of service with the employer during the previous year. FMLA suggests the following records are retained for 3 years

- Basic employee data including name, address, occupation, rate of pay, terms of compensation, daily and weekly hours worked per pay period, deductions from wages, and total compensation.
- Dates of leave taken by eligible employees.
- For intermittent leave, the hours of leave.
- A copy of employee notices and documents describing policies and practices regarding leave.
- Records of any dispute regarding the designation of leave.

---

**Accounting Policies, Procedures and Forms**

---

**K. IMMIGRATION REFORM & CONTROL ACT (IRCA)**

IRCA applies to all employers and requires a signed Form I-9 is retained for three years after the date of hire and at least one year after termination.

**L. OCCUPATIONAL SAFETY & HEALTH ACT (OSHA)**

OSHA applies to employers with 10 or more employees and suggest that the log of occupational injuries and illnesses is retained for five years. All other records should be retained for at least 30 years after employee separation. Other records include:

- Occupational injuries and illnesses.
- The annual summary of injuries and illnesses.
- Medical records and records of exposure to toxic substances.

**M. REHABILITATION ACT OF 1973**

Applies to federal contractors. If a charge or lawsuit is filed, keep records until final disposition of the charge or lawsuit. Otherwise, basic compliance suggests keeping personnel and employment records including requests for accommodation, physical exams, job advertisements and postings, applications, resumes and records regarding hiring, assignments, promotions, demotions, transfers, layoffs, terminations, rates of pay and selection for training for two years (only 1 year if contractor has less than 150 employees or a federal contract of \$150,000 or less). Note: Affirmative action plans also may have to be maintained by the employer

**N. RIGHT TO FINANCIAL PRIVACY ACT**

The act establishes specific procedures and exceptions concerning the release of customer financial records to the federal government. It provides customers of financial institutions with a right to expect that their financial activities will have a reasonable amount of privacy from federal government scrutiny.

**O. GUIDE TO RECORD RETENTION REQUIREMENTS**

A good source of federal retention requirements is the "Guide to Record Retention Requirements" published by the Office of the Federal Register National Archives and Records Administration. It can be purchased from the U.S. Government Printing Office in Washington DC. Additional sources of information include: IRS regulations, state and local government retention requirements or the AICPA (American Institute of Certified Public Accountants) Filing and Record Retention Procedures Guide.

**P. IRS REVENUE PROCEDURE 98-25 RECORDS RETENTION**

The Income Tax Regulations require that, except for farmers and wage-earners, any person subject to income tax, or any person required to file an information

## Accounting Policies, Procedures and Forms

---

return with respect to income, must keep such books and records, including inventories, as are sufficient to establish the amount of gross income, deductions, credits, or other matters reported. The books or records required by must be kept available at all times for inspection by authorized internal revenue officers or employees, and must be retained so long as the contents thereof may become material in the administration of any internal revenue law.

Note: Section 6.01 requires taxpayers to maintain and make available documentation of the business processes that (1) create the retained records, (2) modify and maintain its records, (3) satisfy the requirements of section 5.01(2) of the procedure and verify the correctness of the taxpayer's return, and (4) evidence the authenticity and integrity of the taxpayer's records.

Section 6.02 sets forth four elements that the documentation required under section 6.01 must establish: (1) the flow of data through the system, (2) internal controls that ensure accurate processing, (3) internal controls that prevent unauthorized record changes, and (4) charts of account.

Section 6.03 sets forth six specific types of documentation for each retained file: (1) record formats, (2) field definitions, (3) file descriptions, (4) evidence that periodic checks are undertaken to ensure that data remains accessible, (5) evidence that the records reconcile to the taxpayer's books, and (6) evidence that the records reconcile to the taxpayer's return.

**SOP # G&A103 Revision: 2**  
**Effective Date: 9/5/2017**

**Prepared by: Central Office**  
**Approved by: BOD**

**Title: G&A103 TRAVEL AND ENTERTAINMENT**

**Policy:** All reservations required for business travel and entertainment will be made through the Supervisor or designated staff. Expenses are to be within established Organization guidelines and will be reimbursed with proper documentation. Employees are expected to spend the Organization's money as carefully and judiciously as they would their own.

The Organization recognizes that employees who travel far from home to represent the Organization's business interests must forego their living accommodations and may forfeit personal time. Accordingly, the Organization will make efforts to provide comfortable and secure accommodations for lodging, meals and travel for employees. The Organization reserves the right to deny reimbursement of expenses that are considered lavish or extravagant.

**Purpose:** To provide guidelines for travel and entertainment expenses as they were actually spent, account for all advances promptly and accurately and to communicate the procedures for reimbursement.

**Scope:** This procedure applies to all departments and individuals who travel or entertain for the Organization.

**Responsibilities:**

Responsible Party: The individual employee and Supervisor When the Supervisor does not make travel arrangements, each employee is responsible for making arrangements needed for business travel.

- The Supervisor may make travel arrangements when requested, provided that arrangements are made at least 15 days in advance.

The Finance Department will receive and review the expense report documentation and Back-office provider process necessary employee reimbursement. (See PUR106, Reimbursements, for more detailed information.)

Procedure:

**1.0 TRAVEL ARRANGEMENTS**

**1.1** All arrangements required for business travel are to be made individually or through the Supervisor. When possible, the Supervisor can solicit better corporate discounts and rates for hotels, airlines, car rental agencies and travel agencies. Employees benefit because they do not have to spend their own time comparing rates and making their own arrangements. If making your own arrangements, the employee must find the best possible travel pricing.

Accounting Policies, Procedures and Forms

---

**1.2** For maximum savings on airfares, this form should always be completed at least 15 days in advance unless an emergency trip is required.

**1.3** It is preferable that all employees travel during non-working hours to maximize efficiency. The Supervisor will make arrangements for the trip as required and will return a travel itinerary and any tickets or reservation forms to the employee.

**1.4** **Cash Advances** - The Organization generally **discourages** cash advances unless special circumstances apply.

If an employee requires a cash advance, a formal request must be made as a check request. The advance request will then be forwarded to accounting for processing upon approval. Travel advance amounts are approved on an as needed basis.

When a cash advance is received, the employee will reduce their expense reimbursement by the amount of the cash advance. In the case where the cash advance exceeds the expenses for the report submitted, the remaining cash must be turned into the Finance Team with the expense report. Amounts owed the Organization cannot be carried forward to future expense reports. Any advance outstanding will be deducted from the employee's paycheck.

**1.5** **Direct Billings** - Direct billings to the Organization from motels, restaurants, etc. are not permitted unless previously authorized.

## **2.0** **EXPENSE GUIDELINES**

**2.1** Air Travel - Airline reservations are based on the following criteria:

- Expediency: Getting the employee to their destination in an expedient way. (Direct flights when possible or connecting flights if necessary for faster flight schedules).
- Cost: Employees will fly coach class unless extenuating circumstances apply.
- Air Carrier: An employee's preferred airline can be utilized as long as expediency and cost factors are equal. In most cases, airfare will be directly billed to the Organization's credit card account.

On occasion, employees may have no alternative but to book their own flight. If this is the case, employees must use regularly scheduled airlines and obtain the lowest (discount) fare available. This may mean that employees will fly at times that are not always the most convenient for them.

**2.2** Lodging - Lodging arrangements are based on value, convenience for the traveler and according to what is usual and customary Organization guide lines.

Whenever multiple employees are traveling to the same location, employees will be required to share accommodations if possible (i.e. male/male or female/female). Lodging accommodations will then be made for double rooms accordingly. If an employee is accompanied by a non-employee such as family or a friend, and therefore requires

Accounting Policies, Procedures and Forms

---

separate accommodations, the employee will be responsible for payment of any excess lodging accommodations.

- 2.3** Meals - Employees on Organization business will be reimbursed for the actual cost of their meals or the allowable Federal Per Diem rate for the locality (in accordance with the US General Services Administration), whichever is lower.

Officers may include reimbursement of pre-meals under the same guidelines noted above.

See form PUR104 Accounts Payable and Cash Disbursements and PUR106 Reimbursements for additional information regarding Meals.

- 2.4** Car Rentals – When possible, advance arrangements should be made by the Supervisor if a car is required at the destination, otherwise the employee is required to make their own car rental arrangements. Vehicle selection will be based upon the most cost-effective class that satisfies requirements for the employee(s) and any demonstration equipment.

**Supplemental auto insurance coverage offered by car rental agencies must be purchased and will be reimbursed.**

- 2.5** Personal Vehicles - An employee who uses their own automobile for business will be reimbursed according to IRS mileage reimbursement guidelines. The employee must provide on the expense report, documentation including dates, miles traveled and purpose of each trip.

The Organization assumes no responsibility for personal automobiles used for business. Further, any parking or speeding violation is the sole responsibility of the employee and each employee must have valid minimum automobile liability insurance as required by state law.

- 2.6** Telephone - Telephone charges from the hotel are not allowed unless it is an emergency.

- 2.7** Entertainment - Entertainment expenses are not allowed.

- 2.8** Miscellaneous Expenses - Any additional business expenses (including but not limited to Wi-Fi access), that are not categorized above should be pre-approved and listed under miscellaneous expenses, and documented with all pertinent information to substantiate the expense.

- 2.9** Non-Reimbursable Expenses - Some expenses are not considered valid business expenses by the Organization, yet may be incurred for the convenience of the traveling individual. Since these are not expenses for the business then they are not reimbursable. (The following can be used as a guide of expenses, which are not reimbursable)

Examples include:

- Airline or travel insurance
- Airline or travel lounge clubs
- Shoe shine or Dry-cleaning (except for extended travel beyond 5 days)

---

**Accounting Policies, Procedures and Forms**

---

- Movies or personal entertainment
- Books, magazines or newspapers
- Theft or loss of personal property
- Doctor bills, prescriptions, or other medical services
- Parking tickets, traffic tickets or Car towing if illegally parked
- Health club memberships
- Baby sitter or Pet care fees
- Barbers and Hairdressers

**3.0 EXPENSE REPORT PREPARATION AND REIMBURSEMENT**

- 3.1** All business reimbursement expenditures incurred by employees of the Organization are reimbursed through the current financial system. Reimbursement receipts must be submitted monthly and any receipt that is older than 60 days will be reimbursed at the discretion of the Chief Financial Officer.

All required receipts for items charged must accompany all reimbursement documentation as well as uploaded into the existing financial system for approval and reimbursement payment process. In order to expedite reimbursement, the employee should ensure that the request is completed properly, required documentation is attached, proper authorization is obtained, and any unusual items properly explained and documented. Any questions regarding completion of the report should be directed to the employee's supervisor or the Finance Team.

**SOP # G&A104 Revision: 2**  
**Effective Date: 9/5/2017**

**Prepared by: Central Office**  
**Approved by: BOD**

**Title: G&A104 MANAGEMENT REPORTS**

**Policy:** Back-office provider and MPS will prepare summary reports of vital operating statistics for the Organization, including revenues, current debt, operating cash, accounts receivable and projected short-term cash flows. These reports are to be prepared and are to supplement detailed monthly and quarterly financial reports and are to be used for timely "hands-on" management.

**Purpose:** To provide the format and content requirements for preparation of the Financial Reports.

**Scope:** The procedure applies to Back-office provider and the Finance personnel required for preparation of these reports.

**Responsibilities:**

Back-office provider and MPS Finance personnel will be responsible for assuring effective and informative reporting for the Organization.

**Procedure:**

**1.0 PREPARATION GUIDELINES**

**1.1** Financial reports that provide management the necessary information to understand whether the Organization is progressing as planned are prepared monthly or as needed.

**1.2** Back-office provider maintains electronic copies of all reports and analyses.

**2.0 FINANCIAL REPORTS**

**2.1** The Chief Financial Officer should review accounting program financial reports on a regular basis.

**3.0 CASH FLOW REPORT**

**3.1** The Cash Flow Report represents a summary of the cash flowing through the Organization in the near term and identifies any potential shortfall that might occur in the near future before it occurs. The Cash Flow Report should be reviewed at least monthly by the Chief Financial Officer. This report supplements the detailed monthly and quarterly financial statement reports and provides a quick look at the cash performance of the Organization.

Accounting Policies, Procedures and Forms

---

- 3.2 The Cash Flow Report should include projected operating cash balances for each month with estimated cash receipts by major classifications and projected disbursements by major account classifications.
- 3.3 Back-office provider will notify the Chief Financial Officer of any shortfall so that the Organization may determine alternative courses of action to rectify the situation.

**4.0 BUDGET VS. ACTUAL REPORT**

- 4.1 The Budget vs. Actual Report represents a comparison of planned operating expenses to the actual expenses incurred for the period. The objective is to highlight results against plan, percentages and variances and thus provide a basis for management decisions. The Budget vs. Actual Report is prepared and maintained by Back-office provider on a monthly basis.

**5.0 FINANCIAL STATEMENTS**

- 5.1 The Chief Financial Officer, Chief Executive Officer, and the Board of Directors should review the Financial Statements monthly for each board meeting. This report provides one indication of the performance of the Organization.
- 5.2 The Financial Statements typically are comprised of three main parts: The Statement of Financial Position, Statement of Activities, and the Statement of Cash Flows (Statement of Cash Flows quarterly).

The Statement of Financial Position (Balance Sheet) lists all of the Organization's assets (cash, receivables, deposits, inventory, equipment, intellectual property, etc.), liabilities (debt, lease obligations, etc) and net assets. It identifies the assets (which are "the business") and the financiers, or debt and equity holders and the relationship between the two.

The Statement of Activities represents the Organization's operational sources of cash – revenue – or uses – business expenses and is typically divided into operating periods that represent months, quarters or years of operations. It identifies the profitability of the Organization as a function of the accounting decisions.

The Statement of Cash Flows is the difference between the Statement of Financial Position sources and uses of cash and the Statement of Activities sources and uses of cash. This difference assists in identifying the health of the Organization's operations. It identifies whether the Organization is producing cash or consuming cash and at what rate and from what sources.

## Accounting Policies, Procedures and Forms

- 5.3** The Financial Statements should be produced after the close of the Organization's period (see procedure G&A105 PERIOD-END REVIEW & CLOSING). The final Financial Statements form the basis for the Organization's formal presentations to the Board of Directors, or other stakeholders such as banks, outside agencies, or creditors in accordance with procedure G&A109 CONFIDENTIAL INFORMATION RELEASE.

**References:****FINANCIAL ACCOUNTING STANDARDS BOARD (FASB)**

Since 1973, the Financial Accounting Standards Board (FASB [www.fasb.org](http://www.fasb.org)) has been the designated organization in the private sector for establishing standards of financial accounting and reporting. Those standards govern the preparation of financial reports. They are officially recognized as authoritative by the Securities and Exchange Commission (Financial Reporting Release No. 1, Section 101) and the American Institute of Certified Public Accountants (Rule 203, Rules of Professional Conduct, as amended May 1973 and May 1979).

FASB pronouncements are the primary sources of GAAP.

**GENERALLY ACCEPTED ACCOUNTING PRINCIPLES (GAAP)**

A collection of accounting principles. Typically includes the most recent developments of all generally accepted accounting principles (GAAP) as derived or collected from various technical pronouncements. Sources include FASB statements, interpretations, technical bulletins and concepts; American Institute of CPAs (AICPA); Accounting Principles Board opinions, accounting research bulletins, and position statements; and Securities and Exchange (SEC) financial reporting releases.

[This page intentionally left blank]

**SOP # G&A105 Revision: 2****Prepared by: Central Office****Effective Date: 9/5/2017****Approved by: BOD****Title: G&A105 PERIOD-END REVIEW & CLOSING**

**Policy:** An orderly, timely and comprehensive review of all general ledger accounts should be performed or directed by the Chief Financial Officer to ensure an accurate representation of the company's financial statements. These practices are aimed at proving that the financial accounts are accurate, and if not, are properly adjusted to make them accurate, prior to closing.

**Purpose:** To provide a general overview of the process to be completed for reviewing the accounting records at year-end or any particular month-end prior to closing.

**Scope:** These practices apply to all accounts. Typically, all financial accounts are reviewed and then closed out as of the company's year-end. Consequently, the procedures that follow are discussed in reference to year-end review. However, a sub-set of these procedures is also applicable to month-end reviews. Month-end procedures are identified near the end of this module.

**Responsibilities:**

Back-office provider is responsible for creating and reviewing all period-end activities to ensure the period-end financial statements accurately reflect the results of the Organization's activities. All general ledger adjustments should be approved by designated Finance team member .

**1.0 CLOSINGS PREPARATIONS**

**1.1** The following procedures would be expected for monthly closings:

- Reconcile all bank accounts
- Print and compare the aged receivables and payables to the general ledger. Make appropriate adjustments to balance the accounts.
- Review all Statement of Financial Position and Statement of Activities accounts for completeness
- Retain all above reports in a monthly summary file.

**2.0 STATEMENT OF FINANCIAL POSITION: ASSETS**

- 2.1 **Cash accounts** - prepare the bank reconciliations for year-end balances per the bank statement to the balance per books for each account. The year-end reconciliation is especially important for preparing the final year-end financial statements to ensure that it is completely accurate.
- Show origination dates and description of each reconciling item. Prepare the necessary journal entries to adjust to the reconciliations. Totals must agree with the general ledger. File all reconciliation reports in the year-end closing file.
- 2.2 **Accounts Receivable** – Print a detailed aged accounts receivable report and reconcile it to the General Ledger. This can be prepared as soon as all accounts receivable are calculated as of year-end. Calculate possible allowances for un-collectible accounts. Adjust prior allowances to calculated amount. Write off any un-locatable differences. Retain a complete copy of the detailed accounts receivable, along with any reconciling adjustments in the year-end closing file.
- 2.3 **Inventory** – Supplies inventory may be small but should be evaluated periodically for cost increases.
- 2.4 **Capital Assets** - Update the detailed schedule of fixed assets with any additions and deletions and reconcile to the general ledger balances.
- 2.5 **Other Assets** - Other assets include utility or real estate deposits, prepaid insurance, advances to employees, and intangibles like store pre-opening costs. These should all be identified and documented. For example, a copy of the initial deposit with the utility company, or a list of the facility pre-opening costs with a schedule showing how much of those costs are to be amortized each year. File copies of these documents in the year-end closing file.

### 3.0 STATEMENT OF FINANCIAL POSITION: LIABILITIES AND NET ASSETS

- 3.1 Liabilities are shown as the amount to be paid in the subsequent period. If in doubt, record the liability.
- 3.2 **Accounts Payable** - Print a detailed aged accounts payable report and reconcile it to the general ledger. This is generally completed 2 to 4 weeks after the year-end to ensure that all vendor invoices relating to services and merchandise purchased have been received and entered.
- Compare all month-end vendor statements to balances per accounts payable and investigate any differences. Consider making adjustments for any significant unrecorded liabilities such as work started prior to year-end, but not yet billed by the supplier. Retain a complete copy of the accounts payable detail, along with any reconciling adjustments, in the year-end closing file.
- 3.3 **Accrued Expenses** - Review accruals for sales tax, payroll, payroll tax, payroll deductions payable, interest expense on short-term borrowings and long-term debt.
- 3.4 **Loan Debt** - Verify recorded accuracy of debt by ensuring the general ledger balances agree to year-end statements from lending institutions. Save all year-end statements in year-end closing file.

G&A105 Period-End Review and Closing

page 2 of 3

- 3.5 **Contingent Liabilities and Commitments** - Prepare a schedule of any

outstanding litigation and possible losses. Prepare a schedule of all long-term rental agreements with amounts due by year for the next five years. Retain these schedules in the year-end closing file.

**3.6 Net Assets** - Record any changes in the Prior Period Adjustment category but ordinarily this account does not have any transactions directly posted to it.

#### **4.0 STATEMENT OF ACTIVITIES: REVENUE & SUPPORT**

**4.1 Revenue & Support** – Review all program revenue, reimbursement billings, and any other donations.

**4.2** Additionally, the Chief Financial Officer and back-office provider should periodically review revenue trends, cost associated with revenues, variable expenses and fixed expenses. Look for patterns, new trends, seasonal variances, or profitable emerging products that may indicate changes in customer or program behavior.

**4.3** The Chief Financial Officer and back-office provider should analytically review the revenue reports and explain all variances.

#### **5.0 STATEMENT OF ACTIVITIES: EXPENSES**

**5.1** Each expense total should be compared to expense total from the year before (and budgets if applicable). Attempt to explain any unusual variances. Some expense items are directly related to asset or liability accounts and can be reconciled in conjunction with the related Statement of Financial Position account.

**5.2 Program Costs** - A detailed report should be produced of program costs and analyzed in relation to the associated revenues and to prior periods.

**5.3 Payroll** - At year-end, the various payroll expense accounts should agree to total gross payroll per payroll reports. Account for all deductions for W-3 reported to the Social Security Administration, 1099s for vendors, as well as FICA and other taxes reported accordingly.

**5.4 Bad Debt Expense** - Prepare a list of all accounts written off during the year. Note specifically any addition to the allowance for uncollectible accounts.

**5.5 Interest Expense** - Prepare a schedule of interest expense by source. Reconcile amounts to short-term borrowings and long-term debt.

#### **Revision History:**

2	9/5/17	Revision to clarify process	

**SOP # G&A106 Revision: 1**  
**Effective Date: 9/5/17**

**Prepared by: Central Office**  
**Approved by: BOD**

**Title: G&A106 CONTROLLING LEGAL COSTS**

**Policy:** The Organization will employ various methods to manage and whenever possible, minimize legal expenses.

**Purpose:** To describe the procedures for managing and controlling associated legal expenses.

**Scope:** This statement applies to all individuals with the responsibility for contracting legal services and/or approving agreements, contracts, or any other legally associated transactions.

**Responsibilities:**

Chief Executive Officer will resolve, negotiate, and examine all legal expenses.

Legal Counsel should provide the estimated costs of legal engagements and the most likely outcome.

**Definition:** Arbitration - is a private, informal process by which all parties agree, in writing, to submit their disputes to one or more impartial persons authorized to resolve the controversy by rendering a final and binding award, which is enforceable in court. It can be used for a wide variety of disputes from commercial transactions to labor grievances.

Declaratory Judgment - is a binding judgment issued by the court that defines the legal relationship between the parties and their rights with respect to the matter before the court. Commonly used in contract disputes (especially useful if no physical agreement exists and or a suit has not been filed yet) to clarify what conduct is permitted or prohibited by the contract or to clarify the contract if necessary.

A declaratory judgment provides the opposing party (defendant) with the opportunity to pick and chose the venue or jurisdiction, and the parties to the litigation. In this manner the opposing party can steal the initiative, direct the litigation, and maximize its chances of winning.

**Procedure:**

**1.0 ARBITRATION**

**1.1** Whenever practical, the Organization should utilize arbitration to resolve disputes. Arbitration can significantly reduce the amount of time and legal fees to resolve a dispute. The major features of arbitration are:

- A written agreement to resolve disputes by the use of impartial arbitration. Such a provision can be inserted into a contract for the resolution of possible

---

 Accounting Policies, Procedures and Forms
 

---

future disputes, or can be an agreement to submit to arbitration of an existing dispute.

- Under the rules of arbitration, the procedure is relatively simple and informal. Strict rules of evidence do not apply; there is no motion practice or formal discovery; no requirements for transcripts of the proceedings or for written opinions of the arbitrators. The rules are flexible and can be varied by mutual agreement of the parties.
- Impartial and knowledgeable neutrals serve as arbitrators. Arbitrators are selected for specific cases because of their knowledge of the subject matter. Based on that experience, arbitrators can render an award grounded on thoughtful and thorough analysis.
- Final and binding awards which are enforceable in a court. Court intervention and review is limited by applicable state or federal arbitration laws, and award enforcement is facilitated by these same laws.

- 1.2 The following standard clause should be inserted whenever practical into contracts, agreements, etc. to provide for the arbitration of possible future disputes:

"Any controversy or claim arising out of or relating to this contract, or the breach thereof, shall be settled by arbitration in accordance with the Commercial [or applicable] Rules of the American Arbitration Association and judgment upon the award rendered by the arbitrator may be entered in any court having jurisdiction thereof."

The arbitration of existing disputes may be accomplished by mutual agreement of parties with the use of the following terminology:

"We, the undersigned parties, hereby agree to submit to arbitration under the Commercial [or applicable] Rules of the American Arbitration Association the following controversy.

[Describe Briefly]

We further agree that we will faithfully observe this agreement and the rules, and that we will abide by and perform any award rendered by the arbitrator(s) and that a judgment of the court having jurisdiction may be entered upon the award."

## 2.0 LEGAL SERVICES

- 2.1 All legal documents prepared for the company's use, such as vendor contracts, employment agreements, sales orders, etc. should be written in common language and whenever possible should avoid the use of legalese or jargon. Legalese tends to complicate even simple arrangements and often unnecessarily requires the incurrence of legal assistance for mere interpretive purposes.

- 2.2** Before undertaking legal disputes, the Organization's legal counsel should ascertain and inform the Organization of the estimated costs that will be incurred for the legal engagement and the probable or most likely outcome of the case along with the probable amount of any awards or judgments. Use this information to produce a budget and clarify any matters that are increasing the budget. A budget will provide some assurance that the legal counsel has thought the matter through and it will also provide a baseline to determine the legal utility obtained from the matter.
- 2.3** Use legal action only as a last resort. Legal action is frequently not very effective. In fact, a threatened action — particularly with intellectual property — could result in a pre-emptive declaratory judgment lawsuit by the other party thus giving them the “home-field” advantage, which could lead to higher legal costs.

### **3.0 LEGAL BILLINGS**

- 3.1** Consider negotiating a “money-back” guarantee with the right to audit any bill for up to six months. Request that all fees that are proven to be unnecessary or excessive be returned. Then examine all legal bills for any such unnecessary or excessive transactions.
- 3.2** Many times, legal bills are aggregated, vague and too uninformative to be useful in controlling costs. Therefore, all legal arrangements contracted by the Organization should require itemized billings to include the following information:
- Start and end times and dates of each service transaction
  - Detailed description of services provided or work performed
  - Distinct itemization of each individual performing services
- 3.3** Examine all internal discussions or conferences and note exactly who is working on the case and why. Ask for a justification for all attorneys working on the case.
- 3.4** Consider alternatives such as contingent fees, fixed fees, and monthly retainers. All fees are negotiable.

**Revision History:**

<b>Revision</b>	<b>Date</b>	<b>Description of changes</b>	<b>Requested By</b>

**Effective Date: 9/5/17**

**Approved by: BOD**

**Title: G&A107 TAXES AND INSURANCE**

**Policy:** To ensure compliance with all Federal, state, local, and other regulatory taxation requirements

**Purpose:** To outline the general areas of taxation. To be used as a checklist or guide in complying with tax requirements related to each specific location and organizational structure.

**Scope:** This statement applies to the business activities of the company.

**Responsibilities:**

The Finance team and back-office provider responsible for determining all tax liabilities and fees, and the dates due

Back-office provider is responsible for ensuring the timely payment of all tax liabilities and fees..

**Procedure:**

**1.0 ORGANIZATION FEES AND TAXES**

**1.1** Fees and taxes will vary depending on the legal structure of the business activity. The Organization is a Not-For-Profit organization; however, there may be from time to time revenue earned that is taxable as if the Organization were a For-Profit entity and those profits would be considered Unrelated Business Income and subject to tax.

**1.2** The Finance team and back-office provider should check with the secretary of state, registry of charitable trusts, the IRS, and any other agency that non-profit organizations may pay fees with in order to ensure all fees are paid in a timely manner. Failure to pay such fees can result in the loss of the company's legal status or structure.

**2.0 UNRELATED BUSINESS INCOME TAX**

**2.1** Activities conducted not related to the exempt purpose of the Organization can be subject to unrelated business income tax.

**3.0 PAYROLL FEES AND TAXES**

**3.1** The Federal and state governments charge an **unemployment tax**, based on a specified minimum amount of each worker's salary level. For most states, the rate can change from business to business depending on the Company's history of claims and the economic health of the state in which the Company is located. Most of Magnolia's schools participate in the School Employers' Fund (SEF) for unemployment insurance.

**3.2** **Worker's compensation insurance** may be imposed by a state like a tax. It can also vary based on the amount of payroll, past history of worker's compensation claims, and the type of work in which the business is engaged. This coverage is generally arranged through an insurance company.

Accounting Policies, Procedures and Forms

---

- 3.3** At the Federal level, payroll is taxed at a uniform rate for **Social Security** and **Medicare**. These two taxes are evenly shared between the company and the employee up to certain levels of income. Additionally, personal income taxes, based on the employee's compensation, must be **withheld** from the employee's earnings and remitted to the government by the company, along with the company's and employee's share of **Social Security** and **Medicare** taxes.
- 3.4** In California, a portion of the employee's compensation is also **withheld** and remitted to the state by the Organization.
- 3.5** Other payroll withholdings, mandated by Federal or state requirements, may require wage garnishments to fulfill a bankruptcy edict or childcare payment requirement.
- 3.6** The Treasury Department and or the Internal Revenue Service (IRS) collects all monies due the Federal Government. Technically, withholding amounts deducted from a paycheck are considered the government's money and the business owner is temporarily holding the money, in deposit, until it can be transferred to the government. Any failure to pay in a timely fashion is considered a serious matter by the IRS and will not be ignored.

The IRS will impose a penalty for failing to pay the required withholding amounts on time. In addition, interest will be charged until the amount is paid. Both interest and penalties imposed by the IRS can add up significantly.

Therefore, the IRS is not a good source to "borrow" money from if cash is tight.

Note: Money due the IRS is NOT dischargeable in bankruptcy.

- 3.7** Certain local municipalities charge an **Earnings tax** based on payroll, income, assets, stock options granted or any combination. Check with the city clerk for details.

#### **4.0 EXCISE TAXES**

- 4.1** There are many different federal government taxes or fees imposed on the commerce of different types of businesses. The following represents the most common.
- 4.2** Penalties and interest may result from any of the following acts.
- Failing to collect and pay over tax as the collecting agent.
  - Failing to keep adequate records.
  - Failing to file returns.
  - Failing to pay taxes.
  - Filing returns late.
  - Filing false or fraudulent returns.
  - Paying taxes late.
  - Failing to make deposits.

## Accounting Policies, Procedures and Forms

---

- Depositing taxes late.
- Making false statements relating to tax.
- Failing to register.

### 5.0 OTHER TAXES AND CREDITS

5.1 Many state, counties, and cities impose **real estate taxes**. The Organization should ensure that where possible the Organization has applied for exemption from property taxes as a non-profit organization.

5.3 **Sales and Use Taxes** – at this time, the Organization does not sell any products and is not subject to sales tax. However, they may make purchase from out of state vendors that are subject to California Use Tax. Such expenditures are monitored and reported, and payment is remitted quarterly to the Board of Equalization.

### 6.0 TAX PAYMENTS

6.1 The Finance team should create and maintain a detailed tax calendar as a guide, which provides a sample guide to some of the most common taxes. The guide should serve a reminder of tax due dates.

### 7.0 INSURANCE

7.1 Insurance needs for a business can be grouped in two broad categories, those that are directed at safeguarding assets and those that are furnished as employee benefits. Employee benefit insurance such as, health insurance, disability insurance and key man life insurance, should be considered in light of its importance in the entire employee compensation mix and in light of the personal needs of the company's owner(s).

7.2 Insurance used for safeguarding company's assets includes: property, causality, key-man and professional liability insurance, as well as auto insurance, errors and omissions, directors' liability or business interruption insurance. The levels and terms of these policies should be determined based upon the value of the assets at risk and creditor or state and local requirements.

7.3 Business with a lot of employees should consider employment practices liability insurance covers businesses against some types of employee lawsuits including:

- Sexual harassment
- Discrimination
- Wrongful termination
- Breach of employment contract
- Negligent evaluation
- Failure to employ or promote
- Wrongful discipline
- Deprivation of career opportunity

Accounting Policies, Procedures and Forms

---

- Wrongful infliction of emotional distress
- Mismanagement of employee benefit plans

**7.4** Certificates of insurance may be required to be on file or on display depending on governmental requirements. It is important to consider that the insurance policy is a contract. Each year's policy should be saved in a permanent file. A product liability suit can go back many years, and if the potential claim is significant, the protection afforded by the prior year's insurance coverage will be improved if that year's policy has been saved.

---

**SOP # G&A108 Revision: 0**  
**Effective Date: 2/14/13**

**Prepared by: Central Office**  
**Approved by: BOD**

**Title: G&A108 PROPERTY TAX ASSESSMENTS**

**Policy:** All property tax assessments will be reviewed for accuracy and proper assessed valuations to ensure minimum property tax costs to the Organization.

**Purpose:** To outline the areas for review in assessments and methods for appealing overstated assessments. A Non-Profit property tax exemption is the preferred method to minimize property taxes.

**Scope:** This statement applies to the Finance Department for property tax assessments for all sites owned by the Organization.

**Responsibilities:**

The Chief Financial Officer is responsible for reviews of Assessments including the review of Property Descriptions, validating record accuracy and submitting appeals to local Assessor's Offices.

**Procedures:**

**1.0 REVIEW OF ASSESSMENTS**

**1.1** All assessments are to be promptly reviewed. Many jurisdictions only allow a challenge to an assessment within 30 days after the annual notice of assessed value is sent. If the Finance Department misses the deadline, the Organization loses the chance to reduce the year's property taxes. There are normally no refunds for prior years' property taxes even if successfully challenged in the future. Often, it may be advisable to begin the analysis process prior to receiving the assessment notice.

**1.2** When reviewing an assessment, the first step is to find out how the property was assessed. Ask for a full explanation of how the assessed value was derived. Assessors are usually cooperative in providing this information.

**1.3** Upon receipt of the basis for assessment, the following factors should be reviewed:

Note: Do not make the mistake of thinking property has received a favorable low assessment just because its assessed value is less than its market value. Many jurisdictions use "assessment ratios" that are a percentage of market value. What is important is the amount of a property's assessment compared to those of similar properties. A below market assessment may in fact be very high.

---

 Accounting Policies, Procedures and Forms
 

---

- **Research Similar Properties:** Tax assessments are part of the public record. Assessments of similar properties to the Organization's should be looked up to see that the Organization's assessment is in line. The objective is to find assessed values for similar properties that are far lower than the Organization's. For example, organization locations within industrial parks or similar developments should be easy to find very similar properties for comparison.
- **Review Property Descriptions and Accuracy of Records:** Review records for possible clerical errors. Ensure that property descriptions are correct and the building size (total square feet) is not overstated. Make sure that all dates are correct and that all calculations are properly computed. A wrong construction date or simple mathematical error can increase tax valuations.
- **Deflate Property Valuations:** Tax assessors generally value property on the basis of historical cost and the recent sales prices of other properties in the area. Often, when figuring local property taxes, numbers reported on the federal tax return will be used. Depreciable assets are valued at cost on the federal return when figuring depreciation deductions. However, the appropriate assessment for market value for property tax purposes may very different. Further, instead of performing actual physical inspections or assessments of properties every year, local assessors use "equalization ratios" to adjust the annual assessment. The equalization ratio is a type of an inflation adjustment meant to reflect the current general trend in property values. However, the current trend in property values may not apply to the Organization's property.

1.4 If the Organization can provide solid reasons for using different measures to value property, it may be able to receive a reduction in property taxes. Possible valuation methods can include:

- **Income Production:** Measure the current value of the cash flow stream generated by the property, which may be substantially lowered during a recession.
- **Replacement or Reproduction Cost:** How much it would cost to replace or reproduce the property should be determined. For example, if the construction industry is in a downturn, the cost to replace the property may be less than what the Organization paid for the property.
- Also the Organization should evaluate if it incurred any construction cost overruns due to bad weather, labor disturbances, material shortages, etc., that may have increased the cost of a new building without adding to its value. Decorative features may also add much less value than their actual cost.
- **Market Prices:** The actual recent sales of similar properties may show that the Organization's property is over-assessed.

Accounting Policies, Procedures and Forms

---

- **Unique Features or Business Obsolescence:** Changes to the characteristics of the property or features specific to the Organization's business may reduce its value. Examples can include:
    - Change in zoning restrictions that limit the use of the property.
    - Changes in neighborhood logistics, such as a median divider placed in a highway that deprives a location from access to customers, rerouting of a highway, closing of a railroad line or economic decline in the area that forces the Organization's traditional customer base to move away.
    - Obsolete design for the Organization's particular business needs such as a facility that has been specially designed to hold machinery that has been made obsolete by a competitor's innovation or a communications facility built with conventional wiring that is obsolete due to a switch in the industry to the use of fiber optics.
    - Unique design aspects which meet Organization needs but would reduce the value of a property to others.
    - A general downturn in the Organization's industry.
    - Including Personal Property in Building Valuations: Property that is movable is personal property and should not be included in a valuation of the building. Many items such as piping, wiring, climate control systems, generators, special supports and foundations for equipment may look like part of the building to the assessor but should not be included in the building's assessment.
- 1.5** Where the Organization is renting classroom or other facilities with triple net leases that includes property taxes that the Organization paid, the Organization should consider evaluating the lease location for the possibility that the landlord has not lowered the property taxes or is charging an unfair higher property tax to the Organization.
- 1.6** Under all circumstances the Organization should seek a property tax exemption or waiver. Often times the County will assess taxes for the first year, and the waiver will apply thereafter.
- 2.0 APPEALING OF ASSESSMENTS**
- 2.1** If upon review of the assessment and all other factors, the Finance Department believes a downward adjustment to the property assessment is appropriate, an appeal should be prepared. Experience has shown that if an organization presents a sound argument for challenging an assessment, the Organization has an excellent chance of receiving some type of tax reducing adjustment even if it is less than the Organization had requested.
- 2.2** The appeal case should include documentation of the above findings. It is important to keep in mind that the property tax assessor may not be familiar with

Accounting Policies, Procedures and Forms

---

the details of the Organization's business or industry, so the Organization must prepare to explain how such factors may affect a property's value.

- 2.3 Once a sound case is prepared, an appeal can be sought by simply calling the local assessor's office and asking for an appointment to discuss the assessment. The meeting with the local assessor will generally be informal. It is important to not be adversarial with the assessor but to present the attitude that the Organization is helping the assessor to reach a more accurate valuation for the property by presenting additional information.
- 2.4 If the Organization does not receive any or a large enough adjustment, an appeal may be made with the local Board of Appeals. These meetings will probably be more formal and the Organization may wish to provide expert testimony or obtain an independent appraisal of the property to present to the Board of Appeals.

**SOP # G&A109 Revision: 1**  
**Effective Date: 9/5/17**

**Prepared by: Central Office**  
**Approved by: BOD**

**Title: G&A109 CONFIDENTIAL INFORMATION RELEASE**

**Policy:** The release of financial, statistical or other information that may be of a confidential nature to the Organization should be controlled. Individual requests should be referred to the Chief Financial Officer, or appropriate manager for disposition.

**Purpose:** To provide a means for the control of information to banks, media, credit bureaus, or other agencies and organizations.

**Scope:** All requests by an outsider to an employee regarding financial, revenue, marketing, customers, personnel, vendors, or other Organization confidential information. If in doubt, verify with the Chief Financial Officer

**Responsibilities:**

Chief Financial Officer is responsible for safeguarding all Organization information and determining the appropriate level of detail for release.

Office Manager shall oversee all responses to all reference requests.

**Procedure:**

**1.0 FINANCIAL INFORMATION REQUESTS**

**1.1** Typical written requests are for additional information concerning details of the published financial statements, litigation progress, insurance coverage, names of investors, etc. If the request is by letter or other written correspondence, the material shall be forwarded to the Chief Financial Officer who will decide what information may be released and who will be authorized to reply.

**1.2** If the request is by telephone or a personal visit to our office, the requester should be referred to the Chief Financial Officer. If either is unavailable, the requester should be asked to provide their name, Organization, telephone number and address, if possible. Also they should be asked the reason for the request and a brief description of the information desired. This information should be written down and forwarded to the Chief Financial Officer for follow-up.

**1.3** The Chief Financial Officer should determine the appropriate response for each request. Formal Financial Statement presentations to the Board of Directors, or other stakeholders such as banks, should be accompanied by an opinion or comment from the Organization's Certified Public Accountant (CPA) prior to any formal presentation. (If no outside CPA review is obtained then some people may

## Accounting Policies, Procedures and Forms

---

consider the Financial Statements as “Pro-Forma” and then request copies of completed tax returns). The Chief Financial Officer or designated Finance team member will examine the Financial Statements and prepare a formal version to one of three standards: compiled, reviewed or audited. The Organization should use an economically appropriate CPA standard sufficient to satisfy outside requirements.

The CPA standards are as follows:

- Compiled Financial Statement. The CPA is unable to make any assurances on the data or methods used to produce the financial statements. The CPA will re-cast the financial statements into a standard format (as per Generally Accepted Accounting Principles or GAAP) with a disclaimer that the statements are un-audited and the information is solely derived from the management of the business entity.
- Reviewed Financial Statement. The CPA is able to make some limited assurances that material changes are not required in order for the Financial Statements to be in conformity with GAAP. The CPA uses limited inquiry and some analytical procedures to ascertain the reasonableness of the statements. The information is then re-cast into a standard format with appropriate footnotes and a disclaimer that the statements are un-audited and only a limited inquiry has been made into the reasonableness of the information.
- Audited Financial Statement. The CPA provides assurance, through an opinion letter, that the financial statements are a fair representation of the financial position, results of operations, and cash flows of an entity. This opinion is given after a detailed review and verification of the accounting records and processes used to produce the data. Verification steps include various analytical procedures, client surveys, third party confirmation, and detailed accounting record reviews.

Any irregularities found could lead to either a “qualified” opinion, to indicate that something is inconsistent with GAAP, or an “adverse” opinion, which calls into question the reliability of the information itself. The CPA considers an adverse opinion very serious.

- 1.4** Some types of confidential information may require the signing of G&A109 Ex1 NON-DISCLOSURE AGREEMENT, prior to release. This may include requests for product release schedules, development plans, elements of corporate strategy, customer lists, intellectual property, financial information, legal proceedings, or time sensitive information.

## **2.0 PERSONNEL INFORMATION REQUESTS**

- 2.1** The Office Manager shall oversee all responses to all reference requests. No other employee, including a former employee’s immediate supervisor, shall be authorized to respond independently without first obtaining approval from Human Resources.

## Accounting Policies, Procedures and Forms

- 2.2** All requests should be in writing, using Organization letterhead, indicating in that letter that the subject of the reference request has applied for a job. Information is not to be provided over the phone.
- 2.3** Each response shall be obtained only from people with first-hand knowledge of the employee's performance.
- 2.4** The Office Manager shall review all responses to ensure that:
- Only factual information about the employee's job performance and qualifications for employment are included in the response. At no time should a response include emotions, personal feelings, rumors, non-work-related comments or exaggerations.
  - If at all possible it is important that some form of documentation or solid evidence supports all information provided in the response.
- 2.5** Retain a copy of all responses, including the contents of any oral response, in the former employee's personnel file.
- 3.0 CREDIT REFERENCE INQUIRIES**
- 3.1** All credit reference requests should be in writing. Information requests should be directed to the Office Manager and are not to be provided over the phone.
- 3.2** The Office Manager should review the Credit Inquiry form for completeness prior to responding. Retain a copy of all responses, including the contents of any oral response, in the customer's file.

## Accounting Policies, Procedures and Forms

**G&A109 Ex1 NONDISCLOSURE AGREEMENT**

This NONDISCLOSURE AGREEMENT is made and entered into as of (DATE) between (THE ORGANIZATION NAME, STATE OF INCORPORATION AND ADDRESS), and (OTHER PARTY NAME, STATE OF INCORPORATION AND ADDRESS).

1. **Purpose.** The parties wish to explore and/or implement a business opportunity of mutual interest, and in connection with this opportunity, each party may disclose to the other certain confidential technical and business information that the disclosing party desires the receiving party to treat as confidential.

2. **"Confidential Information"** means any information disclosed by either party to the other party, either directly or indirectly, in writing, orally or by inspection of tangible objects (including, without limitation, documents, prototypes, samples, plant and equipment) that is designated as "Trade Secret", "Confidential", "Proprietary" or some similar designation, or is of such a nature or has been disclosed in such a manner that it should be obvious to the receiving party that such is claimed as confidential. Information communicated orally shall be considered Confidential Information within a reasonable time after the initial disclosure. Confidential Information may also include information disclosed to a disclosing third party by third parties. Confidential Information includes, without limitation, a disclosing party's trade secrets, know-how, intellectual property and proprietary information as well as business plans, financial data and the status and terms of any discussions between the parties regarding a potential business transaction. Confidential Information shall not, however, include any information that (i) was publicly known and made generally available in the public domain prior to the time of disclosure by the disclosing party; (ii) becomes publicly known and made generally available after disclosure by the disclosing party to the receiving party through no action or inaction of the receiving party; (iii) is already in the possession of the receiving party at the time of disclosure by the disclosing party as shown by the receiving party's files and records immediately prior to the time of disclosure; (iv) is obtained by the receiving party from a third party without a breach of such third party's obligations of confidentiality; (v) is independently developed by the receiving party without use of or reference to the disclosing party's Confidential Information, as shown by documents and other competent evidence in the receiving party's possession; or (vi) is required by law to be disclosed by the receiving party, provided that the receiving party gives the disclosing party prompt written notice of such requirement prior to such disclosure and assistance in obtaining an order protecting the information from public disclosure.

3. **Non-use and Non-disclosure.** Each party agrees not to use any Confidential Information of the other party for any purpose except to evaluate and engage in discussions concerning a potential business relationship between the parties. Each party agrees not to disclose any Confidential Information of the other party to third parties or to such party's employees or agents, except to those employees or agents of the receiving party who are required to have the information in order to evaluate or engage in discussions concerning the contemplated business relationship. A receiving party shall be responsible and liable for the action of its employees and agents with respect to a disclosing party's Confidential Information and shall fully cooperate with the disclosing party in enforcing any rights of the disclosing party against any such person in connection with a breach of this Agreement. Neither party shall reverse engineer, disassemble or de-compile any prototypes, software, or other tangible objects that embody the other party's Confidential Information and that are provided to the party hereunder. Neither party shall hire any employees of the other during the term of this Agreement and for a period of two years thereafter.

4. **Maintenance of Confidentiality.** Each party agrees that it shall take reasonable measures to protect the secrecy of and avoid disclosure and unauthorized use of the Confidential Information of the other party. Without limiting the foregoing, each party shall take at least those measures that it takes to protect its own highly confidential information and shall ensure that its employees and agents who have access to Confidential Information of the other party have signed a Non-use and Non-disclosure agreement in content similar to the provisions hereof, prior to any disclosure of Confidential Information to such employees and agents. Neither party shall make any copies of the Confidential Information of the other party unless the other party previously approves the same in writing. Each party shall reproduce the other party's proprietary rights notices on any such approved copies, in the same manner in which such notices were set forth in or on the original.

Accounting Policies, Procedures and Forms

---

5. **Ongoing Development.** Nothing in this Agreement shall prohibit or restrict either party's right to develop, use or market products or services similar to or competitive with those of the other party disclosed in the Confidential Information as long as such shall not otherwise be a breach of this Agreement. Each party acknowledges that the other may already possess or have developed products or services similar to or competitive with those of the other party disclosed in the Confidential Information. Each party shall remain free to use in the course of its business its general knowledge skills and experience incurred before, during or after the date of this Agreement and the activities hereunder.

6. **No Obligation.** Nothing herein shall obligate either party to proceed with any transaction between them and each party reserves the right, in its sole discretion, to terminate the discussions contemplated by this Agreement concerning the business opportunity. Upon termination of such discussions the parties shall return all Confidential Information as provided in paragraph 8 and shall have no further rights to evaluate or use the Confidential Information of each other for any purpose whatsoever.

7. **No Warranty.** ALL CONFIDENTIAL INFORMATION IS PROVIDED "AS IS." THE PARTIES MAKE NO REPRESENTATIONS OR WARRANTIES, EXPRESS, IMPLIED OR OTHERWISE, REGARDING THE ACCURACY, COMPLETENESS OR PERFORMANCE OF ANY OF ITS RESPECTIVE CONFIDENTIAL INFORMATION.

8. **Return of Materials.** All documents and other tangible objects (except for any tangible objects purchased by a party) containing or representing Confidential Information that have been disclosed by either party to the other party, and all copies thereof which are in the possession of the other party, shall be and remain the property of the disclosing party and shall be promptly returned to the disclosing party upon the disclosing party's written request.

9. **No License.** Nothing in this Agreement is intended to grant any rights to either party under any patent, mask work right, trademark, trade secret or copyright of the other party, nor shall this Agreement grant any party any rights in or to the Confidential Information of the other party except as expressly set forth herein.

10. **Term.** The obligations of each receiving party hereunder shall survive until such times as all Confidential Information of the other party disclosed hereunder becomes publicly known and made generally available through no action or inaction of the receiving party. Notwithstanding the surviving obligations of a receiving party to maintain the confidentiality of a disclosing party's Confidential Information either party may at any time given written notice to the other party that it does not desire to receive any additional Confidential Information from the other party. After receipt of such notice, such party shall no longer furnish its Confidential Information to the notifying party.

11. **Remedies.** Each party agrees that any violation or threatened violation of this Agreement may cause irreparable injury to the other party, entitling the other party to seek injunctive relief in addition to all other legal and equitable remedies.

12. **General Provisions.** This Agreement shall bind and inure to the benefit of the parties hereto and their successors and assigns. This Agreement shall be governed by the laws of the State of Missouri, without reference to conflict of laws principles. This document contains the entire Agreement between the parties with respect to the subject matter hereof. Any failure to enforce any provision of the Agreement shall not constitute a waiver thereof or of any other provision. This Agreement may not be amended, nor any obligation waived, except by a writing signed by both parties hereto.

**SOP # G&A110 Revision: 0**  
**Effective Date: 2/14/13**

**Prepared by: Central Office**  
**Approved by: BOD**

**Title: G&A110 DOCUMENT CONTROL**

**Policy:** All documents used to provide work direction or set policy should be reviewed, approved, distributed and controlled by the office of the Chief Financial Officer.

**Purpose:** To define the methods and responsibilities for controlling documents used to provide work direction or set policy, and to define methods for document revision, approval, and distribution.

**Scope:** This procedure applies to all documents required by the Accounting Management System. Documents of internal or external origin are included.

**Responsibilities:**

The Chief Financial Officer is responsible for controlling and reviewing, at least annually, the Accounting Manual, all procedures and instructions related to the Accounting Management System, and all External Documents that are required.

The Finance Team is responsible for maintaining and controlling the Accounting Manual, all procedures and instructions related to the Accounting Management System, and all External Documents that are required.

School Principals are responsible for ensuring the relevant versions of documents are available at the points of use and that they are legible.

**Definitions:** Controlled Document: A document that provides information or direction for performance of work is that is within the scope of this procedure. Characteristics of control include such things as Revision Number (letter), Signatures indicating review and approval, and Controlled Distribution.

Document: Information and its supporting medium. The medium can be paper, magnetic, electronic, optical computer disc, photograph, or sample.

External Document: A document of external origin that provides information or direction for the performance of activities within the scope of the quality management system. Examples include but are not limited to: customer drawings, industry standards, international standards, or equipment manuals.

**SOP # G&A111 Revision: 0**  
**Effective Date: 2/14/13**

**Prepared by: Central Office**  
**Approved by: BOD**

**Title:** G&A111 FACSIMILE AND E-MAIL SIGNATURES

**Policy:** Fax and E-mail signatures are accepted as if the signature were an authentic wet blue ink signature for any official document.

**Purpose:** The purpose of this policy is to provide a clear explanation of the guidelines surrounding the use of Fax and E-mail signatures on Organization provided and received E-mail accounts and Fax Documents.

**Scope:** This applies to all Organization E-mail and Fax documents.

**Responsibilities:**

Chief Financial Officer is responsible for review and approval of signatures.

**Background:** E-mail and fax communication are often used more than any other form of communication, is a form of business communication. The format of E-mail and fax documents should be professional in terms of signature and other formatting. E-mail and fax signatures should follow certain guidelines to fit with the overall image of the Organization. As such, the style of address, tone, spelling, grammar and punctuation of all messages should reflect the standards of formal business communication.

**Procedure:**

**1.0 FAX AND E-MAIL SIGNATURES**

**1.1** What should be included in an e-mail signature:

E-mail and fax signatures should include your name, job title, department, mailing address, telephone and fax numbers, and Web site address. This should be in plain text format to easily accommodate all types of users.

When the signature is for a contract or approving a document or official in any nature, the signature should only be acceptable if the signature is in original “blue” ink.

**1.2** What should not be included in a fax or e-mail signature:

Elements that should not be included in fax or e-mail signatures include colored text, very large or complicated fonts, images, clip art or personal quotes. Faculty

## Accounting Policies, Procedures and Forms

---

and staff should also refrain from using background images or stationary in their e-mail correspondence.

- 1.3** No fax or e-mail document is considered officially received as if it were an original blue ink wet signature until after the Organization has sent a formal reply to the fax or e-mail that the signature has been accepted.

**Title: G&A112 MAINTENANCE REQUESTS**

**Policy:** Any maintenance work must be approved and pre-authorized.

**Purpose:** The purpose of this policy is to provide a clear explanation of the guidelines in obtaining approval for building, equipment, and general maintenance services.

**Scope:** This applies to any and all maintenance type service requests.

**Responsibilities:**

Chief Financial Officer or the Chief Financial Officer's staff designee is responsible for review and approval of maintenance requests.

**Background:** MERF and/or its maintenance contractors has the responsibility to repair, make replacements and adjust equipment and buildings in response to conditions discovered during performance of preventive maintenance, equipment breakdown/improper operation or employee complaint. MERF and/or its maintenance contractors shall respond to and accomplish any request that is relevant to the successful operation of the Organization and its school and system locations.

**Procedure:**

**1.0 MAINTENANCE REQUESTS**

**1.1** Maintenance requests will be reviewed and approved or disapproved by the Chief Financial Officer and/or the designated staff.

**Title: G&A113 ELECTRONIC BACKUP OF ACCOUNTING INFORMATION**

**Policy:** All electronic accounting information systems must be backed up every week at a minimum on the Organization's server.

**Purpose:** The purpose of this policy is to provide a clear explanation the need to backup electronic accounting data regularly.

**Scope:** This applies to the QuickBooks accounting program.

**Responsibilities:**

Finance team is responsible for ensuring that the accounting program information is properly backed up.

**Background:** Electronic Accounting Information Backup means measures should be adopted that ensures that all electronic accounting data is properly backed up to secondary sources such as off-site web based services and/or other media to protect the Organization's information in the event of any form of electronic data loss.

**Procedure:**

**1.0 ELECTRONIC BACKUP OF ACCOUNTING INFORMATION**

**1.1** The QuickBooks electronic accounting information should be backed up by using two means. On a weekly basis, the Finance team should perform a QuickBooks backup of the data using the QuickBooks software procedure. This backup copy should be stored on the Organization computer server. The Organization computer server with the QuickBooks accounting file should be backed up weekly.

**Effective Date: 2/14/13**

**Prepared by: Central Office**  
**Approved by: BOD**

**Title: G&A114 POLITICAL INTERVENTION**

**Policy:** Consistent with its tax-exempt status under the Internal Revenue Code, it is the policy of MERF that the Organization shall not incur any expenditure for political intervention. Political intervention does not include lobbying activities, defined as the direct or indirect support or opposition for legislation, which is not prohibited under the Internal Revenue Code.

**Purpose:** The purpose of this policy is to provide a clear explanation of what the Organization may and may not be involved in with regards to politics.

**Scope:** All political activities of the Organization.

**Responsibilities:**

Chief Executive Officer is responsible for ensuring that the Organization is not seen as a political organization.

**Background:** The Organization is very well known and as such, political candidates may seek endorsements from MERF. This policy clarifies what MERF can and cannot do with regards to politics.

**Definition:** Political Intervention shall be defined as any activity associated with the direct or indirect support or opposition of a candidate for elective public office at the Federal, California or local level.

**Procedure:**

**1.0 PROHIBITED EXPENDITURES**

**1.1** Examples of prohibited political expenditures include, but are not limited to, the following:

1. Contributions to political action committees
2. Contributions to the campaigns of individual candidates for public office
3. Contributions to political parties
4. Expenditures to produce printed materials (including materials included in periodicals) that support or oppose candidates for public office
5. Expenditures for the placement of political advertisements in periodicals

political intervention, lobbying, etc. Federal funds and those assets paid for by this program may not be used in any partisan activity.

**2.1 ENDORSEMENTS OF CANDIDATES**

**2.2** It is the policy of MERF not to endorse any candidate(s) for public office in any manner, either verbally or in writing. This policy extends to the actions of management and other representatives of MERF, when these individuals are acting on behalf of, or are otherwise representing, MERF.

**3.0 PROHIBITED USE OF ASSETS AND RESOURCES**

**3.1** It is the policy of MERF that no assets or human resources of MERF shall be utilized for political activities, as defined above. This prohibition extends to the use of MERF assets or human resources in support of political activities that are engaged in personally by board members, members of management, employees, or any other representatives of MERF. While there is no prohibition against these individuals engaging in political activities personally (on their own time, and without representing that they are acting on behalf of MERF), these individuals must at all times be aware that MERF resources cannot at any time be utilized in support of political activities except as identified in “1.0” above.

**Revision History:**

<b>Revision</b>	<b>Date</b>	<b>Description of changes</b>	<b>Requested By</b>
0	2/14/13	Initial Release	

**Title: G&A115 ACCRUED LIABILITIES**

**Policy:** The Organization will establish a list of commonly incurred expenses that may require accrual at the end of the fiscal year accounting period.

**Purpose:** The purpose of this policy is to properly recognize and accrue liabilities.

**Scope:** This applies to potential liabilities.

**Responsibilities:**

The Financial Analysts with the support of Back-office provider are responsible for ensuring that the accrued liabilities are properly accounted for.

**Background:** Accrued liabilities are liabilities that have been incurred such as vacation pay but have not been paid.

**Procedure:**

**1.0 Accrued Liabilities**

**1.1** Some of the expenses that shall be accrued by MERF at the end of an accounting period are:

- Salaries and wages
- Payroll taxes
- Vacation pay/Compensated absences
- Rent
- Interest on notes payable
- Insurance premiums
- Audit fees
- Charter Management Organization fees

**Revision History:**

<b>Revision</b>	<b>Date</b>	<b>Description of changes</b>	<b>Requested By</b>
0	2/14/13	Initial Release	
1	11/12/15	Inclusion of back-office provider service provider	Oswaldo Diaz, CFO

**Title: G&A116 NOTES PAYABLE**

**Policy:** It is the policy of MERF to maintain a schedule of all notes payable, mortgage obligations, lines of credit, and other financing arrangements. This schedule shall be based on the underlying loan documents.

**Purpose:** The purpose of this policy is to properly track and recognize all notes payable and other similar obligations.

**Scope:** This applies to notes, loans, lines of credit, and obligations of the Organization.

**Responsibilities:**

Back-office provider is responsible for ensuring that all notes, loans, and other similar obligations are properly accounted for.

**Background:** Properly tracking and monitoring long term debt such as loans is important such that as payments become due, the Organization has sufficient cash flow to honor the obligation.

**Procedure:**

**1.0 NOTES PAYABLE**

**1.1** Prepare a schedule that shall be based on the underlying loan documents and shall include all of the following information:

1. Name and address of lender
2. Date of agreement or renewal/extension
3. Total amount of debt or available credit
4. Amounts and dates borrowed
5. Description of collateral, if any
6. Interest rate
7. Repayment terms
8. Maturity date
9. Address to which payments should be sent
10. Contact person at lender
11. Loan covenants, if applicable

**2.0 ACCOUNTING AND CLASSIFICATION**

**2.1** An amortization schedule shall be maintained for each note payable. Based upon the amortization schedule, the principal portion of payments due with the next

year shall be classified as a current liability in the statements of financial position of MERF. The principal portion of payments due beyond one year shall be classified as long-term/non-current liabilities in the statements of financial position.

**2.2** Demand notes and any other notes without established repayment dates shall

always be classified as current liabilities.

Unpaid interest expense shall be accrued as a liability at the end of each accounting period.

- 2.3 A detailed record of all principal and interest payments made over the entire term shall be maintained with respect to each note payable. Periodically, the amounts reflected as current and long-term notes payable per the general ledger shall be reconciled to these payment schedules and the amortization schedules, if any, provided by the lender. All differences shall be investigated.

### **3.0 NON-INTEREST-BEARING NOTES PAYABLE**

- 3.1 As a charitable organization, MERF may from time to time receive notes payable that do not require the payment of interest, or that require the payment of a below-market rate of interest for the type of obligation involved. In such cases, it shall be the policy of MERF to record contribution income for any unpaid interest.
- 3.2 For demand loans, recording of interest expense and contribution income shall be performed at the end of each accounting period, based on the outstanding principal balance of the loan during that period, multiplied by the difference between a normal interest rate for that type of loan and the rate, if any, that is required to be paid by MERF.
- 3.3 For loans with fixed maturities or payment dates, the note payable shall be recorded at the present value of the future principal payments, using as a discount rate the difference between a normal interest rate for that type of loan and the rate, if any, which is required to be paid by MERF. The difference between the cash proceeds of the note and the present value shall be recorded as contribution income in the period the loan is made. Thereafter, interest expense shall be recorded in each accounting period using the effective interest method, with the corresponding credit entry increasing the note payable account to reflect the amount(s) that shall be repaid.

[This page intentionally left blank]

**SOP # G&A117 Revision: 2****Prepared by: Central Office****Effective Date: 9/5/17****Approved by: BOD****Title: G&A117 FINANCIAL AND TAX REPORTING****Policy:** The Organization will prepare annual and monthly financial statements as management considers necessary and prepare non-profit tax information and tax information returns within eight months of the fiscal year close.**Purpose:** The purpose is to control and prepare consistent and accurate financial statements and tax returns that are relied upon by both internal and external parties.**Scope:** This applies to financial statements and tax reporting documents.**Responsibilities:**

Chief Financial Officer or his designee is responsible for preparing all tax documents and ensuring Organization financial statements are accurate.

Back-office provider is responsible for preparing all Organization financial statements.

**Background:** Preparing financial statements and communicating key financial information is a necessary and critical accounting function. Financial statements are management tools used in making decisions, in monitoring the achievement of financial objectives, and as a standard method for providing information to interested parties external to MERF. Financial statements may reflect year-to-year historical comparisons or current year budget to actual comparisons.

**Procedure:****1.0 STANDARD FINANCIAL STATEMENTS**

**1.1** Prepare the basic financial statements at year end and as considered necessary for reporting purposes. The basic financial statements of the Organization are maintained and prepared by MERF on an Organization wide basis and shall include:

1. **Statements of Financial Position** - reflects assets, liabilities and net assets of MERF and classifies assets and liabilities as current or non-current/long-term.
2. **Statements of Activities** - presents support, revenues, expenses, and other changes in net assets of MERF, by category of net asset (unrestricted, temporarily restricted and permanently restricted)

## **2.0 FREQUENCY OF PREPARATION**

**2.1** The objective of the Back-office provider is to prepare accurate financial statements in accordance with generally accepted accounting principles and distribute them in a timely and cost-effective manner. In meeting this responsibility, the following policies shall apply:

**2.2** A standard set of financial statements described in the preceding section shall be produced on a bi-monthly basis for presentation at the Board of Directors meeting. The standard set of financial statements described in the preceding section shall be supplemented by the following schedules:

1. Individual statements of activities on a departmental and functional basis (and/or program/grant basis)
2. Comparisons of actual year-to-date revenues and expenses with year-to-date budgeted amounts

The bi-monthly set of financial statements shall be prepared on the cash basis of accounting with exception of year-end reports where accrual method of accounting must be used. Year-end report must include all receivables, accounts payable received by the end of the reporting period, and actual depreciation expense.

## **3.0 REVIEW AND DISTRIBUTION**

**3.1** All financial statements and supporting schedules shall be reviewed and approved by the Chief Financial Officer, prior to being issued by Back-office provider. They should be signed by the preparer and the Chief Executive Officer.

**3.2** After approval by the Chief Financial Officer, a complete set of monthly financial statements shall, including the supplemental schedules described above, shall be distributed to the following individuals:

1. All members of the Finance and Audit Committee of the Board
2. Chief Executive Officer
3. School Principals and any other employee with budget-monitoring responsibilities will receive only the budget vs. actual report

**3.3** Financial statements may include an additional supplemental schedule prepared or compiled by the Chief Financial Officer. The purpose of this schedule is to provide known explanations for material budget variances in accordance with MERF'S budget monitoring policies. Also included is a list which lists all invoices that have not been paid at the end of the year and all revenues, if any, that have not been received.

#### 4.0 ANNUAL FINANCIAL STATEMENTS

- 4.1 A formal presentation of MERF's annual financial statements shall be provided by the independent auditor to the full Board of Directors at MERF's annual meeting. This presentation will be preceded by a meeting with MERF's Finance and Audit Committee, at which the Finance and Audit Committee will vote to accept or reject the annual financial statements.

#### 5.0 GOVERNMENT RETURNS

- 5.1 MERF must be aware of its tax and information return filing obligations and comply with all such requirements of the Federal government, California and local jurisdictions. Filing requirements of MERF include, but are not limited to, filing annual information returns with the Internal Revenue Service (IRS), California charitable solicitation reports, annual reports for corporations, property tax returns, income tax returns, information returns for retirement plans, annual reporting of compensation paid, and payroll withholding tax returns.

#### 6.0 FILING OF RETURNS

- 6.1 It is the policy of MERF to become familiar with the obligations in each jurisdiction and to comply with all known filing requirements. The Chief Financial Officer shall be responsible for identifying all filing requirements and assuring that MERF is in compliance with all such requirements.
- 6.2 It is also the policy of MERF to file complete and accurate returns with all authorities. MERF shall make all efforts to avoid filing misleading, inaccurate or incomplete returns.
- 6.3 Reports and returns which may be required to be filed by MERF include, but are not limited to, the following returns:
1. **Form 990** - Annual information return of tax-exemption of MERF, filed with IRS. Form 990 for MERF is due on the **fifteenth day of November, annually**.
  2. **Form 990-T** – Annual tax return to report MERF'S unrelated trade or business activities (if any), filed with the IRS. Form 990-T is due on the **fifteenth day of November, annually**.
  3. **Form 199** – Exempt Organization Annual Information Statement or Return (California) – This form is due on the **fifteenth day of November, annually**.
  4. **Form 5500** - Annual return for MERF'S employee benefit plans. Form 5500 is due on the **fifteenth day of November, annually**.
  5. **Federal and State Payroll Returns** - Filed on a quarterly or annual basis.

6. **Form RRF-1** – Registration/Renewal Fee Report to Attorney General of California. This form is due on the **fifteenth day of November, annually.**
7. **SF-SAC** – The Office of Management and Budget requires all Form SF-SAC and Single Audit submissions to be submitted on the Federal Audit Clearinghouse (FAC) Internet Data Entry System. The due date is established by OMB Circular A-133.
8. **Form 1099's** – See **PUR101 VENDOR SELECTION.**

6.4 MERF'S fiscal and tax year-end is June 30. All annual tax and information returns of MERF Form 990, Form 990-T are filed on the accrual basis of reporting.

6.5 Federal and all applicable California payroll tax returns are prepared by the Chief Financial Officer, in consultation with MERF'S independent auditor and the pension plan third-party administrator.

6.6 It is the policy of MERF to comply with all California payroll tax requirements by withholding and remitting payroll taxes to California for each MERF employee.

## 7.0 PUBLIC ACCESS TO INFORMATION RETURNS

7.1 Under regulations that became effective in 1999, MERF is subject to Federal requirements to make the following forms "widely available" to all members of the general public:

1. The three most recent annual information returns (Form 990), and
2. MERF'S original application for recognition of its tax-exempt status (Form 1023 or Form 1024), filed with IRS, and all accompanying schedules and attachments.

7.2 It is the policy of MERF to adhere to the following guidelines in order to comply with the preceding public disclosure requirements:

1. Anyone appearing in person at the offices of MERF during normal working hours making a request to inspect the forms will be granted access to a file copy of the forms. The Chief Financial Officer shall be responsible for maintaining this copy of each form and for making it available to all requesters.
2. For all written requests for copies of forms received by MERF, the Organization shall require pre-payment of all copying and shipping charges. For requests for copies that are received without pre-payment, MERF will notify the requester of this policy via phone call or by letter within 7 days of receipt of the original request.

3. The copying cost charged by MERF for providing copies of requested

forms shall be \$1.00 for the first page copied and \$0.20 for each subsequent page. All copies shall be shipped to requesters via Priority Mail, thus, shipping charges will be a standard \$5.00 per shipment.

4. After payment is received by MERF, all requested copies should be shipped to requesters in accordance with applicable laws. Making of all copies and shipping within legal time period shall be the responsibility of the Finance Team.
5. For requests for copies made in person during normal business hours, copies shall be provided while the requester waits provided the request is for twenty-five (25) or less copied pages. Requests for copies in excess of 25 pages but less than 100 pages will be available the next business day. All requests in excess of 100 pages will be sent to the requestor in accordance with applicable laws.
6. MERF shall accept certified checks and money orders for requests for copies made in person. MERF shall accept certified checks and money orders or personal checks as payment for copies of forms requested in writing. Personal checks must clear the bank prior to the copies being made and delivered to the requestor.

## **8.0 UNRELATED BUSINESS ACTIVITIES**

- 8.1 Identification and Classification of unrelated business activities must be separately identified.
- 8.2 It is the policy of MERF to properly identify and classify income-producing activities that are unrelated to MERF's tax-exempt purpose using the guidelines described in the Internal Revenue Code and underlying regulations. Such income accounts shall be segregated in separate accounts in the general ledger of MERF in order to facilitate tracking and accumulation of unrelated trade or business activities.
- 8.3 It is the policy of MERF to file IRS Form 990-T to report taxable income from unrelated trade or business activities. Form 990-T is not subject to any public access or disclosure requirements. Accordingly, it is the policy of MERF not to distribute copies of Form 990-T to anyone other than management and the Board of Directors of MERF.

**SOP # G&A118 Revision: 2****Prepared by: Central Office****Effective Date: 2/11/21****Approved by: BOD****Title: G&A118 BUDGETING**

**Policy:** The School Site Principals with the support of Back-office provider are responsible for preparing, monitoring, and implementing the annual school site budget. The School Site Principal must have the school site budget approved by the Board of Directors no less than 60 days before the fiscal year end. It is the School Site Principal's responsibility to work with the central office in order to acquire the necessary budgetary information to implement their program. The budget may be revised as needed.

An annual Organization-wide budget shall be prepared on the accrual basis of accounting and the budget shall be adopted by the Board of Directors. The budget may be revised as needed. It is the policy of the Organization to adopt a final annual operating budget at least 60 days before the beginning of MERF's fiscal year.

**Purpose:** A budget is a management commitment of a plan for present and future MERF activities that will ensure survival. It provides an opportunity to examine the composition and viability of MERF's programs and activities simultaneously in light of all available resources

**Scope:** This applies to all departments and chart of accounts of the Organization.

**Responsibilities:**

Principal is responsible for providing information to Back-office provider so that the back-office provider service provider can prepare the annual site budget and make revisions as needed.

The Finance Department is responsible for reviewing the school site and Organization-wide budgets and budget revisions.

Back-office provider is responsible for preparing monthly budget vs. actual comparison reports.

**Background:** Budgeting is an integral part of managing MERF in that it is concerned with the translation of MERF's goals and objectives into financial and human resource terms. A budget should be designed and prepared to direct the most efficient and prudent use of the MERF's financial and human resources. A budget is a management commitment of a plan for present and future MERF activities that will ensure survival. It provides an opportunity to examine the composition and viability of MERF's programs and activities simultaneously in light of all available resources.

**Procedure:****1.0 PREPARATION AND ADOPTION**

- 1.1 The school site budgets will be developed by the School Site Principals and Back-office provider., The Organization-wide budget will be prepared by the Chief Financial Officer with the support of Back-office provider. They will gather proposed budget information from all Finance teams and others with budgetary responsibilities and prepare the first draft of the budget. Budgets proposed and submitted by each department should be accompanied by a narrative explanation of the sources and uses of funds and explaining all material fluctuations in budgeted amounts from prior years.
- 1.2 After appropriate revisions and a compilation of all school site budgets by Back-office provider, a draft of the school site budgets and Organization-wide budget will be presented to the Chief Financial Officer for discussion, revision, and preliminary approval. The Chief Executive Officer is responsible for the final approval of all budgets.
- 1.3 The final budget is then submitted by the Chief Financial Officer to the Board of Directors for adoption. School Site Principals shall be present at the Board of Directors budget approval meeting.
- 1.4 It is the policy of MERF to adopt a final annual operating budget at least 60 days before the beginning of the MERF's fiscal year. In addition, the Finance Team must setup the new fiscal year accounts, to input the budget into the accounting system and establish appropriate accounting and reporting procedures (including any necessary modifications to the chart of accounts), to ensure proper classification of activities and comparison of budget versus actual once the new year commences.

**2.0 MONITORING PERFORMANCE**

- 2.1 MERF will monitor its financial performance by comparing and analyzing actual results with budgeted amounts. This function will be accomplished in conjunction with the monthly financial reporting process described earlier.
- 2.2 On a monthly basis, budget reports comparing actual year-to-date revenues and expenses with budgeted year-to-date amounts shall be produced by Back-office provider and distributed to each respective School Principal by the 20<sup>th</sup> of the following month.
- 2.3 The financial reports will also be distributed, on a monthly basis, to the Board of Directors. The Chief Financial Officer and School Site Principal, with the

Accounting Policies, Procedures and Forms

---

support of Back-office provider, will be responsible for answering budget questions posed at the Board meetings.

- 2.4** The Chief Financial Officer will also institute an on-going monitoring plan to ensure the fiscal operations effectively implement all Federal and State requirements and to ensure the safeguarding of Federal and State funds and assets.

### 3.0 BUDGET MODIFICATION

3.1 After a budget has been approved by the Board of Directors and adopted by MERF, reclassifications of budgeted expense amounts may be made by Back-office provider, with approval from the Chief Financial Officer or his designee (Controller or Senior Financial Analyst).

3.2 Budget reclassifications of any amount are at the discretion of the Chief Financial Officer.

**Effective Date: 2/14/13**

**Prepared by: Central Office**  
**Approved by: BOD**

**Title: G&A119 INSURANCE**

**Policy:** It is the policy of the Organization to have an active risk management program that includes a comprehensive insurance package and to maintain adequate insurance against general liability, as well as coverage for buildings, contents, computers, fine arts, equipment, vehicles, machinery and other items of value.

**Purpose:** To have a comprehensive insurance package and to maintain adequate insurance against general liability, as well as coverage for buildings, contents, computers, fine arts, equipment, vehicles, machinery and other items of value.

**Scope:** This applies to all areas of risk management.

**Responsibilities:**

Chief Financial Officer is responsible for monitoring risk management and identifying areas of insurance need.

**Background:** Risk management and insurance enable the Organization to hedge against known and unknown potential losses.

**Definition:** **Workers' Compensation and Employer's Liability**  
 Contractors are required to comply with applicable Federal and California workers' compensation and occupational hazard and disease statutes. If occupational hazard and diseases are not compensated under those statutes, they shall be covered under the employer's liability insurance policy.

**Fidelity Bond**

For all personnel handling cash, preparing or signing checks, MERF shall obtain insurance that provides coverage in a blanket fidelity bond. The specific needs of MERF will determine the dollar limit of this coverage.

**Comprehensive Liability**

This type of coverage may include directors, officers and employee general liability insurance, buildings, contents, computers, fine arts, boilers and machinery.

Accounting Policies, Procedures and Forms

---

**Student Accident Insurance**

All children enrolled in any of MERF's funded programs must be insured for accidents and injury. The limit per child enrolled will be determined by local area experience rates and potential risk assessments.

**Procedure:**

**1.0 COVERAGE GUIDELINES**

**1.1** As a guideline, MERF will arrange for the following types of insurance, as a minimum:

Type of Coverage

- Comprehensive Liability
- Automobiles for Employees,
- Volunteers or Escorts
- Employee dishonesty/bonding
- Fire and Water Damage
- Directors and Officers
- Theft
- Workers' Compensation
- Student Accident Insurance

**1.2** The dollar limits are identified in the Insurance Booklet.

**1.3** MERF shall maintain a file of all insurance policies in effect. This file shall include the following information, at a minimum:

1. Description (type of insurance)
2. Agent and insurance company, including all contact information
3. Coverage and deductibles
4. Premium amounts and frequency of payment
5. Policy effective dates
6. Date(s) premiums paid and check numbers

**SOP # G&A120 Revision: 1**  
**Effective Date: 9/5/17**

**Prepared by: Central Office**  
**Approved by: BOD**

**Title: G&A120 SUPPLIES**

**Policy:** It is the policy of the organization to maintain an internal control system over supplies to prevent theft, overstocking, understocking, spoilage and obsolescence.

**Purpose:** To physically safeguard organization assets and to maintain accurate financial reporting.

**Scope:** This applies to non-capitalized assets.

**Responsibilities:**

School Principal or designee is responsible for maintaining safeguards over cleaning and education supplies at each school.

**Procedure:**

**1.0 SAFEGUARDS**

**1.1** Each Principal or designee is responsible for monitoring safeguards over assets at each school site. School will properly safeguard supplies inventory by keeping storage and locker facilities locked.

**1.2 Cleaning/Maintenance Supplies.** The Custodian at each site is responsible for custody of cleaning and repair and maintenance supplies.

**1.3 Educational Supplies.** The Administrative Assistant or designee is responsible for custody of educational supplies. Only the Administrative Assistant and the School Principal will have access to educational supplies.

**1.4** Educational supplies will be controlled in part by forms documenting custody, i.e. textbooks issued to students and use of laptops.

**2.0 MONITORING**

**2.1** School will establish optimum minimum and maximum stock levels for inventory.

**2.2** Finance teams will maintain records detailing purchases of each significant inventory item for each fiscal year.

**2.3** School Principal or designee will conduct a physical inventory of the supplies listed above on an annual basis. The completed inventory will then be submitted to Accounting so it can be reconciled to the general ledger.

**SOP # G&A121 Revision: 2**  
**Effective Date: 9/5/17**

**Prepared by: Central Office**  
**Approved by: BOD**

**Title: G&A121 SCHOOL SITE ACCOUNTING**

**Policy:** It is the policy of MERF to consider each school to be a separate and distinct financial accounting entity in order to maintain an accurate fund accounting system.

**Purpose:** The purpose of this policy is to clearly define relationships between each school and with the business office in regards to financial accounting.

**Scope:** This applies to the Organization's charter schools and business office.

**Responsibilities:**

Back-office provider, with the support of the Financial Analysts, is responsible for timely and accurate recording of transactions, providing useful management information, and properly reporting such information for various user needs.

The Chief Financial Officer is responsible for overseeing the Financial Analysts and providing assistance where needed.

**Background:** Separate accounting for each of the charter schools is critical in order to monitor budget performance and to determine how to allocate resources.

**Procedure:**

**1.0 SEPARATE ACCOUNTING**

**1.1** Back-office provider will utilize the same accounting policies for each school they are responsible for. Consistency in accounting will ensure that the charter schools can be evaluated using the same benchmarks and will assist in evaluating performance.

**1.2** Each Charter School will have its own accounting file to assist in maintaining separate accounting for each school, and a separate bank account to avoid comingling of funds.

**2.0 FUNDRAISING**

**2.1** Fundraising generated from each school may not be transferred to another school.

**2.2** Revenues from fundraising will be recorded in the accounting system using the resource tracking system in order to account for funds received from different events. Funds may be used for operating purposes unless restricted by the donor or explicitly restricted by the event.

**SOP # G&A122 Revision: 0**  
**Effective Date: 2/14/13**

**Prepared by: Central Office**  
**Approved by: BOD**

**Title: G&A122 FRAUD REPORTING & WHISTLEBLOWER**

**Policy:** To establish procedures for reporting concerns of fraud on a confidential basis; receipt, retention, and treatment of complaints received by the Organization regarding such concerns; and protection of anyone reporting fraud in good faith from retaliatory actions.

**Purpose:** It is the policy of the Organization that its operations are conducted according to the highest standard of integrity, and that its officers, directors, employees, consultants, volunteers, interns, vendors, and other agents observe high standards of business and personal ethics in the conduct of their duties and responsibilities. As employees and representatives of the Organization, all applicable laws and regulations must be followed, honesty and integrity must be practiced in fulfilling all responsibilities and all situations must be avoided that might conflict with responsibilities undertaken on behalf of the Organization. It is a federal crime for any organization – nonprofit or for-profit- to retaliate against a “whistleblower” who reports illegal, unacceptable, or suspicious activity (“Concerns”). This policy is intended to encourage and enable the reporting of Concerns within the Organization in order to prevent, detect and correct improper activities.

**Scope:** All officers, directors, employees, including temporary employees, consultants, volunteers, interns, vendors and other agents are covered by the scope of this policy and its guidelines.

**Responsibilities:**

Executive Management and Board of Directors are responsible for investigating any Concerns reported, and to ensure that the reporting person is protected from retaliation.

**Background:** The people closest to the day-to-day workings of an organization are the ones most qualified to identify and report improper activities. Experience has shown that these individuals will step forward if they are provided with a confidential means of reporting abuses and feel that they will be protected from retaliation, including loss of their job.

**Procedure:****1.0 REPORTING RESPONSIBILITY**

- 1.1** It is the responsibility of all those noted in the Scope of the Policy to report questionable or improper accounting or auditing matters or other Concerns as described above.
- 1.2** No officer, director, employee, including a temporary employee, consultant, volunteer, intern, vendor or other agent who reports a Concern in good faith shall be subject to retaliation or, in the case of an employee, adverse employment consequences. Any individual who retaliates against someone who has reported a Concern in good faith is subject to discipline up to and including dismissal from the volunteer position or termination of employment. Such conduct may also give rise to other actions, including civil lawsuits.
- 1.3** Reporting in good faith means that to the best of the individual's knowledge who is reporting a suspected fraud or abuse Concern, the fraud or abuse is factual.
- 1.4** An individual reporting a fraud or abuse Concern not in good faith is subject to discipline up to and including dismissal from the volunteer position or termination of employment. In other words, fraudulently submitting a fraud or abuse Concern/allegation is not acceptable.

**2.0 PROCEDURES FOR REPORTING CONCERNS**

- 2.1 Employees and Consultants.** Whenever possible, an individual should seek to resolve Concerns by reporting issues directly to his supervisor. If, for any reason, the individual is uncomfortable speaking to his supervisor or does not believe the Concern is being properly addressed, the individual should report the Concern directly to the Chief Operating Officer of the Organization. If the individual does not believe that these channels of communication can or should be used to express his Concern, the individual should report the Concern directly to a member of the Organization's Board of Directors. Concerns may also be submitted anonymously in writing or via voice mail to a Board of Directors member. Contact information for the Chief Operating Officer and a listing of Board of Directors members may be obtained from the Organization's website or by calling the Organization at (714) 892-5066.
- 2.2 Officers, Directors, Interns, Volunteers, Vendors and Other Agents.** Officers, directors, interns, volunteers, vendors and other agents may report Concerns to the Chief Executive Officer or directly to a member of the Organization's Board of Directors. If the officer, director, intern, volunteer, vendor or other agent is uncomfortable reporting to any of these individuals, or if he does not believe the Concern is being properly addressed, the report should be escalated directly to the Chair of the Organization's Board of Directors.
- 2.3 Third Party Fraud Reporting Service.** An individual also has the option to report any Concerns through a service specifically set up for MERF. These can be

reported through the website at [www.magnoliapublicschools.org](http://www.magnoliapublicschools.org) or by calling the central office. Concerns addressed through these channels can be made anonymously if the individual chooses.

### **3.0 HANDLING OF REPORTED CONCERNS**

**3.1** All reported Concerns filed in accordance with this policy will be investigated by the Organization with due care and promptness. Matters reported internally without initial resolution will be investigated by the Chief Executive Officer of the Organization to determine if the allegations are true, whether the issue is material and what actions, if any, are necessary to correct the problem. The Organization staff may issue a full report of all matters raised under this policy to the Board of Directors.

For matters reported directly to a member of the Board of Directors or the Chief Executive Officer, the Audit Committee shall promptly acknowledge receipt of the complaint to the complainant if the complainant is known. An investigation will be held to determine if the allegations are true, whether the issue is material and what corrective action, if any, is necessary. Upon the conclusion of this investigation, the Audit Committee shall promptly report its findings to the Executive Committee of the Board.

The Audit Committee shall have full authority to investigate Concerns raised in accordance with this policy and may retain outside legal counsel, accountants, private investigators, or any other resource that the committee reasonably believes is necessary to conduct a full and complete investigation of the allegations.

**Title: G&A 124 HOME OFFICE MANAGEMENT FEES**

**Policy:** Charter school-related organizations (CSRO) may charge a charter school fees for the legitimate, contractually agreed upon services it provides to the charter school.

**Purpose:** To clearly define Home Office Management Fee calculations for all MPS school sites

**Scope:** This applies to all MPS schools of the organization.

**Responsibilities:**

Finance Team is responsible for review and confirmation of all monthly calculation and payments from school sites to MERF.

Back-office service provider is responsible for accurate bookkeeping and recording of all payments and outstanding fees.

Chief Executive Officer and Chief Financial Officer are responsible for approval all Home Office Management Fee transactions.

**Procedures:** Home Office Management Fees calculation is based on total allowable expenses allocated using a tiered methodology approved by the board, as follows:

School Names	ADA for Fiscal Year	Tier Factor	Subtract Factor calculated with different fee structure	Adjusted Tier Factor	
Magnolia Science Academy	#	1.60		1.60	
Magnolia Science Academy 2	#	1.60		1.60	
Magnolia Science Academy 3	#	1.45		1.45	
Magnolia Science Academy 4	#	0.12		0.12	
Magnolia Science Academy 5	#	0.12		0.12	not to exceed 15%
Magnolia Science Academy 6	#	0.12		0.12	
Magnolia Science Academy 7	#	0.80		0.80	
Magnolia Science Academy 8	#	1.60		1.60	
MSA- San Diego	#	1.30	1.30	-	not to exceed 11%
MSA- Santa Ana	#	1.60		1.60	
<b>TOTAL</b>	<b>###</b>	<b>10.31</b>	<b>1.30</b>	<b>9.01</b>	

The Home Office Management Fee for MSA 5 is not to exceed 15% of the school's revenue, defined as the amount received in the current fiscal year from LCFF calculated pursuant to Section 42238.02, as implemented by Section 42238.03, per LACOE's condition for authorization beginning fiscal year 2018-19. The Home Office Management Fee for MSA San Diego shall not exceed 11% of the total LCFF revenue based on the MOU with the current authorizer, SDUSD effective fiscal year 20015-16.

**SOP # CSH101 Revision: 2****Prepared by: Central Office****Effective Date: 9/5/2017****Approved by: BOD****Title: CSH101 CASH BOXES****Policy:** Proper internal control should be maintained over funds received by cashiers or sales clerks of any type, even at fundraising events at all times.**Purpose:** To identify the practices for cash box control, including cash receipts, special tender items, cash payouts and reconciliation with deposits.**Scope:** All personnel that deal with the cash transactions.**Responsibilities:**

Principal is responsible for safeguarding / verifying and controlling all cash assets at each school.

School Office Manager is responsible for ensuring the completeness and accuracy of all opening, closing and intermediate transactions.

School Office Manager is responsible for overseeing all event transactions.

**Procedure:****1.0 CASH BOX/SAFE**

- 1.1** Each fundraiser or individual collecting cash should collect cash for events and safeguard properly. Once all cash has been collected, this individual should submit the cash received to the School Office Manager as soon as possible for placement in the cash box. It is important to ensure that only one person has responsibility for collecting cash as to limit any opportunities for misappropriation.
- 1.2** All cash collected must be collected by the School Office Manager, counted together with the School Principal and one other person, and signed off by all three individuals that the cash count is accurate. The funds will then be safely secured until deposited by a designee of the School Office Manager.
- 1.3** If the cash balance at the end of day exceeds \$1,000, a bank deposit will need to be made the same day. Otherwise, all bank deposits will need to be made by the last business day of the week. At the end of the week there should be no more than \$50 left in the cash box for the following week.
- 1.4** Bank deposit documentation needs to be emailed to Back-office provider, in PDF format, for entry into the general ledger on a weekly basis.

**SOP # CSH102 Revision: 1**  
**Effective Date: 9/5/17**

**Prepared by: Central Office**  
**Approved by: BOD**

**Title:** CSH102 CASH RECEIPTS AND DEPOSITS

**Policy:** Accurate internal control of cash receipts and deposits will be maintained at all times. Cash deposits will generally be made on the same day as receipt.

**Purpose:** To establish the procedures to be followed for receiving, applying and depositing cash receipts.

**Scope:** This procedure applies to all cash receipts received by the Organization.

**Responsibilities:**

Finance team is responsible for processing all cash and check transactions and depositing checks received in the bank.

Finance team is responsible for inspecting and verifying proper signatures or endorsements on checks.

School Principal/Office Manager is responsible for all fundraising transactions.

**Definitions:** Tender Item. Any item used to tender or pay for a transaction is considered a tender item. Tender items can include coupons, gift certificates, credits, rebates, cash, checks, barter credits, etc.

**Procedure:**

1.0 **CUSTOMER AND AGENCY DEPOSITS**

1.1 Cash receipts generally arise from:

- Contracts and Grants
- Direct donor contributions
- Fundraising activities

The principal steps in the cash receipts process are:

**Central Office** - The Receptionist receives incoming mail, opens, date stamps, and distributes the mail. The Finance team stamps all checks “for deposit only,” and makes one (1) copies of each check. The checks are kept in a locked cabinet until ready for deposit.

Weekly (or more often if necessary), the Finance team processes the following: the endorsed checks, the deposit log book, and the correct account allocation for each deposit. The Finance team processes the deposit and

takes it to the bank for deposit. A copy of the deposit slip is attached to the deposit. The deposits are put in a file to attach to the bank statement.

All cash received at the central office will be counted, verified, and signed off by two people from Accounting and another available staff member. The cash will immediately be posted using the appropriate allocation. A receipt will be given to the paying party and a copy kept for internal purposes. The cash will be kept in a locked, secure location and deposited within 24 business hours, but no longer than the last business day of the week.

**School Site** - The Receptionist receives incoming mail, opens, date stamps, and distributes the mail. The checks are kept in a locked cabinet until ready for deposit.

Weekly (or more often if necessary), the Principal, Office Manager, or designee will deposit the checks to the bank for deposit. The Principal, Office Manager, or designee will then send copies of the check(s) deposited and the original deposit slip receipt from the bank to the Finance team for processing.

The back office provider will process the deposit and enter into the accounting system. A copy of the deposit slip is attached to the deposit. The deposits are put in a file to attach to the bank statement.

## **2.0 APPLICATION OF ACCOUNTS RECEIVABLE**

**2.1** Inspect all incoming accounting mail for checks.

**2.2** Finance team should photocopy all checks. Any papers attached to the checks should be stapled to the check photocopy and the envelopes discarded.

**2.3** Finance team will use the photocopy of the checks and customer remittance advices to apply the cash payments to the Accounts Receivable Ledger if applicable. Unapplied payments are to be credited against the oldest open aging column on the accounts receivable ledger. A standard letter of information and/or inquiry should be sent or faxed to the payer when there is any question as to the correct application of the check.

**2.4** Checks returned once should be deposited a second time. Already re-deposited checks should be debited back to the account.

**2.5** Prepare all checks received for deposit.

## **3.0 DEPOSIT, ENDORSEMENT OF CHECKS, TIMELINES OF BANK DEPOSITS**

**3.1** The Finance team will inspect all checks for proper signature or endorsement. If a check is received without a proper signature then process the check as per CSH103 PROBLEM CHECKS procedure

- 3.2** All checks should be endorsed as follows:
- a. With the restrictive endorsement "For Deposit Only" along with,
  - b. The Organization's designated bank deposit account number,
  - c. The name, "Magnolia Education and Research Foundation",
  - d. The bank name.
- 3.3** No check should be withheld from daily deposit unless it is legally imperfect. The endorsed checks should then be returned to the Finance Team. Bank deposits will be made on a daily basis, unless the total cash amount received for deposit is less than \$1,000. Receipts must be deposited no later than the Friday of the week it was received. Any cash not deposited on a daily basis will be kept in a locked fireproof cabinet with access limited to the Chief Financial Officer, and the Finance Manager.
- 3.4** At time of deposit, collect all cash and checks and prepare a bank deposit slip for deposit in the Organization's authorized bank. Ensure that collections are deposited into the correct bank account, and that the name of the charter school is listed on the deposit slip.
- 3.5** Place a duplicate copy of the deposit ticket and collected cash into a cash bag for transport to the bank. Deposits should be made no less frequently than daily if amount of cash exceeds \$1,000. If the deposit cannot be made immediately then the deposits should be stored in a secure area for later deposit.
- 3.6** Extreme care should be taken to protect the safety of the person making the deposit and the deposit itself. Actions to be considered are, making deposits only during daylight hours, using random deposit times and different routes to the bank, and assigning two people to make deposits.
- 3.7** The deposit amount should be entered into the accounting program.
- 3.8** No disbursements should be made from collections, nor can personal checks be cashed.

**Effective Date: 9/5/17**

**Prepared by: Central Office**  
**Approved by: BOD**

**Title: CSH103 PROBLEM CHECKS**

**Problem:** To save time in returning and following-up on unsigned, checks marked "payment in full", or returned by the bank. These checks should be processed as follows and deposited.

**Purpose:** To describe how these types of checks should be handled before depositing.

**Scope:** This procedure applies to all checks received by the Organization.

**Responsibilities:**

Back-office provider is responsible for processing all check transactions for each school.

**Definitions:** NSF. Non-Sufficient Funds or NSF checks are those that are returned from the bank because the balance in the checking account was not high enough to cover the check. The check is then stamped NSF or "insufficient funds", "uncollected funds", or maybe "account closed".

**Procedure:**

**1.0 UNSIGNED CHECKS**

**1.1** The word "over" should be typed or written on the line where the signature would normally appear. On the back, type "Lack of Signature Guaranteed" and then add the Organization name, manager's name, title and signature.

Note: This indicates to the bank that the Organization will take back the check as a charge against its account in the event it isn't honored. In the event the check is not honored, the Office Manager should immediately follow-up with the issuer.

**1.2** Continue processing the check.

**2.0 PARTIAL PAYMENT CHECKS MARKED "PAYMENT IN FULL"**

**2.1** If there's no dispute as to the amount, a check tendered for less than the amount due and marked "payment in full" (or similar wording) can be cashed without jeopardizing the right to recover the balance. However, if there's a bona fide dispute as to the amount owing, the Organization runs the risk that payment will be deemed to have settled the disputed claim for the lesser amount.

**2.2** To overcome any potential pitfall, the check should be endorsed with the following statement "Check is accepted without prejudice and with full reservation of all rights under section 1-207 of the UNIFORM COMMERCIAL CODE (see Reference A).

- 2.3 Continue processing the check as per procedure CSH102 CASH RECEIPTS AND DEPOSITS.
- 2.4 The Office Manager should then work with the customer to resolve collection of the remaining balance due.

### 3.0 RETURNED CHECKS

- 3.1 A returned check for less than \$100 or stamped "uncollected funds," should be re-deposited the following day, if the check is not already stamped, "Do Not Re-Deposit".
- 3.2 For returned checks in amounts greater than \$100, the bank that the check is drawn against should be telephoned to determine if the check amount will clear the customer's account. If sufficient funds exist the check should be re-deposited. If the check is very large, consider taking the check directly to the issuing bank for recovery.

Note: The customer's account number should be the second number series located at the bottom center of the check.

### 4.0 REDEPOSITED CHECKS

- 4.1 In the event a re-deposited check is returned or if sufficient funds do not exist to cover the check, the Office Manager should contact the issuer by phone to report the problem and discuss how the matter will be resolved. Then issue a formal notice CSH103 Ex1 BAD CHECK NOTICE via certified mail with a return receipt requested to ensure the customer understands the seriousness of the issue.
- 4.2 Whenever a check is re-deposited more than once a handling fee should be considered.

#### References:

#### A. UNIFORM COMMERCIAL CODE (UCC)

The "Uniform Commercial Code" or UCC began as a model for each state legislature to modify and adopt as law in that state. Therefore, the UCC is not the same in every state. Each state's court system can interpret the UCC differently thereby creating different case law in that state and producing different results.

Business people cannot assume that the law will be exactly the same in each state. For more information see the Secretary of State for each State in question.

#### B. BAD CHECK LAW

Bad Checks are considered part of the UCC and therefore are a matter of state law enforcement. Section 3-104(2)(b) of the UCC, defines a check as "a draft drawn on a bank and payable on demand." Each state has a different "Bad Check Law" see UCC above.

Postdated check: since it is not payable on demand, most states believe that the giving of a post-dated check does not constitute a present fraud nor is it within the scope of the bad check laws.

Payments for COD or pre-existing debt: In most cases, NSF checks are not considered under the bad check law if they are used to pay a note payment or to pay an invoice that is on account. However, if the debtor provides a creditor with a NSF check for a COD order, then that act does fall within the bad check laws.

**NOTICE**

Date:

CUSTOMER  
NAME ADDRESS  
CITY, STATE, ZIP

Dear Sir:

Payment on your Check No. \_\_\_\_\_ in the amount of  
\$ \_\_\_\_\_, presented to us on, {DAY MONTH YEAR} , has been  
returned by your bank and marked insufficient funds. We have re-deposited  
your check and attempted to collect on this check twice already.

We have verified with your bank that insufficient funds remain to  
clear this check. Therefore, we request that you replace this check with a  
certified check immediately.

Unless we receive the certified funds for the amount listed above  
within 15 days, we shall immediately begin appropriate legal action to protect  
our interest. Upon receipt of replacement funds we shall return the  
dishonored check.

Sincerely,

Office Manager  
MAGNOLIA EDUCATION AND RESEARCH FOUNDATION

Certified Mail, Return Receipt Requested.

**SOP # CSH104 Revision: 1**  
**Effective Date: 9/5/17**

**Prepared by: Central Office**  
**Approved by: BOD**

**Title: CSH104 WIRE TRANSFERS**

**Policy:** To provide additional payment options to customers and vendors in order to make funds immediately available to the receiving party. Wire transfers should be treated with special care and accuracy to prevent loss to the Organization or the customer.

**Purpose:** To explain the steps necessary to ensure proper procedures are followed when processing wire transfer requests.

**Scope:** This procedure applies to customers who are sending or receiving wire transfers and the financial institutions which process these requests.

**Responsibilities:**

Chief Financial Officer is responsible for initiating all outgoing wire transfer requests.

Chief Executive Officer should approve all wire transfers regardless of amount.

Finance team is responsible for processing all incoming wire transfers.

**Definitions:** ABA The American Bankers Association or ABA number is a unique routing identification code is issued to a Federal or State chartered financial institution which is eligible to maintain an account at a US Federal Reserve Bank. The ABA Routing Number (a.k.a. ABA number; Routing Transit number) is used to identify participants in automated clearinghouses, electronic funds transfer, and on-line banking.

**Procedure:**

**1.0 INCOMING WIRES**

**1.1** Wire transfers are processed the same as a check in accordance with the CSH102 CASH RECEIPTS AND DEPOSITS procedure.

**1.2** Upon the banks receipt of the wire transfer the bank may create a wire transfer notification. Normally these are mailed but many banks may also provide notification via e-mail, phone, fax, or via an on-line banking interface. The bank notification serves as documentation the the money has been received.

**2.0 OUTGOING WIRES**

**2.1** The Chief Financial Officer will initiate wire transfers as necessary. This will take place on the secured website maintained by the Organization's bank. Chief Executive Officer must approve all wire transfers by logging into the bank's secured website and approving the transfer. Wire transfers cannot be made without this secondary authorization.

Accounting Policies, Procedures and Forms

---

- 2.2** Wire transfers should originate from a checking account. Reference A - FRB Reg D. - establishes limits on transfers from savings or money market accounts but there are no limits on transfers from checking accounts.

**References:****A. FRB REG D: RESERVE REQUIREMENTS OF DEPOSITORY INSTITUTIONS**

Defines consumer depository accounts (e.g., checking, savings, money market, CDs, transactions etc.) and the rules governing those accounts. This law also requires that financial institutions keep a minimum amount of reserve deposits either as vault cash or with the Federal Reserve.

The Federal Reserve Board's Regulation D limits the number of certain withdrawals and transfers from savings accounts. All financial institutions are subject to this regulation. Examples savings accounts affected by this regulation include: Regular Savings and Money Market accounts. Transactions on Checking accounts are not limited.

Regulation D, allows up to six (6) preauthorized or automatic withdrawals or transfers to another account at the same financial institutions or to a third party during a calendar month. There may be no more than three (3) of these six (6) transfers by check, debit card, or similar order, clearing an account. A "preauthorized transfer" includes arrangement the credit union make either to pay a third party, one time, on written or verbal instruction, or to pay a third party on a fixed schedule, (i.e. bill payer, ACH authorizations).

**B. FRB REG E: ELECTRONIC FUND TRANSFER ACT**

Establishes the rights, liabilities and responsibilities of all parties involved in electronic fund transfers and protects consumers when they use such systems. Examples of these transactions include those at automated teller machines, telephone bill-payment plans, point-of-sale purchases and pre-authorized transfers to and from a consumer's account (such as direct deposit and regular utility and mortgage payments).

Regulation E prescribes rules for the solicitation and issuance of EFT cards; governs consumers' liability for unauthorized electronic fund transfers (resulting, for example, from lost or stolen cards); requires institutions to disclose certain terms and conditions of EFT services; provides for documentation of electronic transfers (on periodic statements, for example)- sets up a resolution procedure for errors; and covers notice of crediting and stoppage of preauthorized payments from a customer's account.

Stored-value cards (also known as "smart cards") and home banking by personal computer would be subject to Regulation E because the act governs electronic fund transfers.

**SOP # CSH105 Revision: 0**  
**Effective Date: 2/14/13**

**Prepared by: Central Office**  
**Approved by: BOD**

**Title:** CSH105 CHECK SIGNING AUTHORITY

**Policy:** MPS Board of Directors appoints and approves employees authorized to sign checks.

**Purpose:** To outline the check signing authority process.

**Background:** While a hired accountant, office manager, or accounting clerk may be responsible for entering bills, paying bills, and printing out checks, all printed checks and related documentation should be presented to a second individual for signing. No one person or employee should be allowed to enter invoices, select invoices for payment, then print and sign checks. At a minimum, this process requires at least two individuals to ensure the integrity of the accounting system remains intact.

**Scope:** This procedure applies to all regular bank checking accounts of the Organization.

**Responsibilities:**

Chief Executive Officer is responsible for adding and removing check signing authority. Any change made is subject to board approval.

Chief Financial Officer is responsible for managing the check signing authority process and alerting all individuals and banks of any changes to authority.

**Procedure:**

**1.0 AUTHORIZED CHECK SIGNERS**

**1.1** The Board of Directors and the Chief Executive Officer should approve authorized check signers in writing. All approvals should be forwarded to the Chief Financial Officer for processing.

**1.2** The Chief Executive Officer and Chief Financial Officer should have check signing authority.

**1.3** For back-up purposes, it is advisable to have at least three check signers authorized for each checking account. One should be the Chief Financial Officer or primary signer and the other should be the Chief Executive Officer or secondary check signer. The third should be a back-up signer. The back-up signer should be a trusted individual but not necessarily an employee. It could be a board member or another principal in the Organization. A back-up signer will ensure continuing operations in case both the primary and secondary signers become incapacitated for any period of time.

**1.4** If the check signer also authorizes purchase orders, their access to the QuickBooks

accounting system should be limited to “read” access as to maintain proper segregation of duties.

## **2.0 CHANGING CHECK SIGNERS**

**2.1** The Executive Assistant/Board Secretary receives all approval paperwork and should prepare and maintain a file record of all authorized check signers and CSH105 CHECK SIGNING AUTHORITY LOG.

**2.2** The CHECK SIGNING AUTHORITY LOG should be kept current of all individuals and their status to sign checks as soon as their status changes. The log should contain the following information:

- Recipient name / position or title
- Authority start date
- Authority end date
- Maximum expenditure authority level

**2.2** Contact the bank that administers the checking account for details on adding, changing, or removing check signers from a checking account. Normally this is a simple process of presenting identification and signing a card to be placed on file at the bank.

Banks maintain an authorized check signer’s card for each checking account. Only those individuals listed on the authorized check signer’s card may sign checks.

**2.3** The Chief Executive Officer or the Board of Directors may revoke check signing authority. Any person who is no longer entitled to sign Organization checks will be notified in writing. The Chief Financial Officer will oversee the proper notification of the Organization's banks whenever authorized signature changes are made.

**SOP # CSH106 Revision: 1**  
**Effective Date: 9/5/17**

**Prepared by: Central Office**  
**Approved by: BOD**

**Title: CSH106 CHECK MATTERS**

**Policy:** To ensure efficient processing and record keeping all check matters will need to be handled and documented appropriately.

**Purpose:** To describe the process for matters relating to checks.

**Scope:** All checks.

**Responsibilities:**

Chief Financial Officer or Finance team is responsible for managing other check matters.

**Procedure:**

**1.0 CHECK ORIGINATION**

**1.1** The Organization permits the use of manual checks for payroll related payments after the board approved process is followed.

**1.2** In no instance can the payee of a check be made to “Cash”.

**2.0 CHECK STOP PAYMENT**

**2.1** It is important to place the stop payment information on the account as quickly as possible to prevent losses. The following information should be obtained and recorded on the bank’s Stop Payment Form or address online:

- Requester’s name and department
- Account number
- Check number
- Date of the check
- Who the check is made payable to
- Amount of the check
- Reason for the stop payment

**2.2** The stop payment information above should be forwarded to the Finance team or Chief Financial Officer who will contact the bank to put a stop on the check.

**2.3** An authorized check signer may need to sign the bank’s Stop Payment Form or address online, typically within ten business days. Normally, stop payments are placed on the account for approximately six months.

**2.4** To release the stop payment, an authorized check signer may need to contact the bank and sign a release. Note: signing the release allows the check to be paid.

**SOP # CSH107 Revision: 1**  
**Effective Date: 2/8/18**

**Prepared by: Central Office**  
**Approved by: BOD**

**Title: CSH107 BANK ACCOUNT RECONCILIATIONS**

**Policy:** To ensure the accuracy of the Organization's bank account records by proving the monthly balance shown in the bank's Account Register.

**Purpose:** To outline the practices for preparation of a Monthly Bank Reconciliation

**Scope:** This applies to all bank accounts maintained by the Organization.

**Responsibilities:**

Chief Financial Officer or designee is responsible for review and approval of all reconciliations.

Back-office service provider is responsible for reconciling each site's respective checking account.

**Background:** Errors or omissions can be made to the Organization's bank account records due to the many cash transactions that occur. Therefore, it is necessary to prove the monthly balance shown in the bank account register. Cash on deposit with a bank is not available for count and is therefore proved through the preparation of a reconciliation of the Organization's record of cash in the bank and the bank's record of the Organization's cash that is on deposit.

---

**Accounting Policies, Procedures and Forms**

---

**Procedure:****1.0 BANK STATEMENT PREPARATION**

**1.1** After receipt of the monthly bank statement and/or online printing of the monthly bank statement, back-office accountant should prepare the monthly bank reconciliation as follows:

- By the 15<sup>th</sup> of the following month for MSA 1, MSA 2, MSA 3 and MSA 5 and;
- By the 20<sup>th</sup> of the following month for MSA 4, MSA 6, MSA 7, MSA 8, MSA SA and MSA SD

After preparation, the back-office client manager will carefully review the bank reconciliation. Once reviewed, the bank reconciliations are sent to the Finance Team for final review and approval. To preserve proper segregation of duties, no single employee, should perform both cash transaction functions and bank account reconciliations.

**2.0 COMPUTERIZED FORMAT**

**2.1** In the computerized environment, the accounting system provides an automated bank reconciliation task. This task is generally selected once a month in conjunction with receiving the month end bank statement and/or online printout of the month end bank statement. Once selected, the screen shows a list of all items that have been posted to the cash account and that have not been cleared from the previous month's account reconciliation. The screen is usually divided into two segments: one half is a list of all checks and other charges reducing cash, and the other half is a list of all deposits and other items increasing cash. This screen would also have a field for entering the proper month end date and the balance at month end, per the bank.

**2.2** After the account-reconciling task is successfully completed, a report is provided which shows the reconciliation process, including outstanding checks and deposits in transit.

Note: Once completed, the bank reconciliations and bank statements are filed electronically.

**Title: CSH108 INTER-ACCOUNT BANK TRANSFERS**

**Policy:** To ensure the accuracy of the Organization's bank account records by providing documentation of bank transfers.

**Purpose:** To outline the practices for preparation of an inter-account bank transfer

**Scope:** This applies to all bank accounts maintained by the Organization.

**Responsibilities:**

Chief Executive Officer is responsible for review and approval of all inter-account bank transfers

Chief Financial Officer is responsible for performing all inter-account bank transfers.

**Background:** Errors or omissions can be made to the Organization's bank account records due to the many cash transactions that occur. Therefore, it is necessary to authorize all inter-account bank transfers.

**Procedure:**

**1.0 INTER-ACCOUNT BANK TRANSFER**

**1.1** Back-office provider monitors the balances in the bank accounts to determine when there is a shortage or excess in the checking account. Back-office provider recommends to the Chief Financial Officer when a transfer should be made to maximize the potential for earning interest or when funds are needed for processing payroll or other transfer needed. The Chief Financial Officer will determine when to make a transfer and in what amount. After the transfer has been initiated by the Chief Financial Officer, the Chief Executive Officer must log into the online banking system in order to complete the bank transfer process. A copy of the transfer is given to Back-office provider.

**Approved by: BOD**

**Title: CSH109 JOURNAL ENTRIES AND RECLASSIFICATION ENTRIES**

**Policy:** To ensure the accuracy of the Organization's books and records by proving documentation of journal entries and reclassification entries. All journal entries shall be authorized in writing by the Finance Manager initialing or signing the entries.

**Purpose:** To outline the practices for preparation of journal entries and reclassification entries.

**Scope:** This applies to all accounting transactions performed by the Organization.

**Responsibilities:**

The Chief Financial Officer is responsible for review and approval of all journal entries and reclassification entries.

Back-office provider is responsible for performing all journal entries and reclassification entries

**Background:** Journal entries can directly affect the presentation of financial statements. Therefore, it is necessary to authorize all journal and reclassification entries.

**Procedure:**

**1.0 JOURNAL ENTRIES AND RECLASSIFICATION ENTRIES**

**1.1** The Chief Financial Officer the Financial Analysts and Back-office provider monitor the balances in the accounting records of the Organization.

All general ledger entries including audit adjusting entries, reclassification entries, or other such journal entries shall be supported by journal vouchers or other documentation, which shall include a reasonable explanation of each entry.

Examples of such journal entries include:

1. Recording of noncash transactions
2. Corrections of posting errors
3. Non-recurring accruals of income and expenses

Certain journal entries, called recurring journal entries, occur in every accounting period. These entries may include, but are not limited to:

1. Depreciation of fixed assets
2. Amortization of prepaid expenses

Accounting Policies, Procedures and Forms

---

3. Accruals of recurring expenses
4. Amortization of deferred revenue

Support for recurring journal entries shall be in the form of a schedule associated with the underlying asset or liability account or, in the case of short-term recurring journal entries or immaterial items, in the form of a journal voucher.

It is the policy of MERF that all journal entries not originating from subsidiary ledgers shall be authorized in writing by the Chief Financial Officer initialing or signing the entries.

**Effective Date: 9/5/17**

**Prepared by: Central Office**  
**Approved by: BOD**

**Title: CSH111 CREDIT CARDS AND DEBIT CARDS**

**Policy:** It is the policy of the Organization to provide credit cards to authorized members of the Organization staff in the performance of their duties and responsibilities. The Organization does not permit the use of debit cards. The use of credit is the same as handling cash; every precaution must be taken to account for all funds, whether Federal, State or otherwise, and the most efficient and effective purchasing procedures as well as internal controls will be implemented to safeguard Organization funds.

**Purpose:** To be able to use credit cards in a controlled manner that allows for purchases such as travel and where a check and/or purchase order is not accepted.

**Scope:** This applies to transactions at the discretion of the School Principal, Chief Executive Officer and Chief Financial Officer.

**Definitions:** Batch. All of the day's credit card transactions are collected into a "batch" of transactions. The batch is closed, usually at the end of the day, and the result is submitted to the merchant processor as a single "batch".

Settlement. The processor clears the credit card transactions in the batch and the result is "settled" to the designated bank account. Settlement varies by Credit Card organization but usually occurs in 2-3 days after a batch is closed.

Processor. The processor is responsible for authorizing credit card transactions and settling each batch. The processor is also the Organization that one must interface with on all discrepancies or "chargebacks".

**Chargebacks. A chargeback occurs when a customer (cardholder) disputes a charge that appears on their monthly credit card statement. If the dispute is unable to be resolved then the transaction is charged back to the merchant. The processor charges the merchant and returns the cardholder's money.**

**Responsibilities:**

School Principal is responsible for authorization of credit card transactions up to \$10,000 in accordance with the approved budget.

Chief External Officer, Regional Directors and Chief Financial Officer are responsible for authorization of credit card transactions up to \$10,000 and over, using documented approval, not to exceed the current limits established by procedure number PUR104 Accounts Payable and Cash Disbursements.

Chief Executive Officer is responsible for authorization of credit card transactions up to \$50,000, using documented approval, not to exceed the current limits established by procedure number PUR104 Accounts Payable and Cash Disbursements.

Accounts Payable Specialist and Back-office provider are responsible for recording the transactions in the accounting records and reconciling credit card receipts to the credit card statements in accordance with CSH107 Bank Reconciliations.

**Background:** On occasion, the Chief Executive Officer and other senior management may not be in the position to carry a lot of cash or may need to use a credit card for purposes of travel arrangements. Under these circumstances and as considered necessary by Organization management, credit card transactions are acceptable.

## **Procedure:**

### **1.0 CREDIT CARDS**

#### **1.1 Issuance of Corporate Credit Cards**

Corporate credit cards are issued to personnel who travel on Organization business or have a legitimate need to purchase goods and services, either in person or on-line or when a purchase order cannot be approved in time or a purchase order is not accepted by a vendor. These cardholders will be required to sign a statement (CSH111 Ex1 Use of Credit Cards and Debit Cards Certification) acknowledging that the card shall be used exclusively for legitimate Organization- related business purposes and that the cardholder agrees to take reasonable precautions to protect the card from loss or theft by storing it in a secure location. Upon approval from the credit card company, a card will be issued bearing the names of both the individual and the Organization.

Cardholders, while working with other Organization staff, must plan activities and travel requests with sufficient time in order to avoid the use of credit cards.

Cardholders abusing this privilege may have the card revoked if it is determined that sufficient time was available in order to request and receive approval for a purchase order.

When using the credit card for internet purchases, cardholders should ensure that the site utilizes industry recognized encryption transmission tools.

All corporate credit cards will be issued from the same vendor to enhance the purchasing power of the credit card and to provide for efficient on-going monitoring of all purchases made with the credit card(s).

#### **1.2 Cardholder Responsibilities**

Every month, each cardholder will be provided with a statement detailing the expenditures that were charged to his/her corporate credit card. The cardholders will submit all receipts for purchases of goods and services to the Finance Department within seven (7) days attached to the debit/credit card monthly statement after making any purchase. All documents will be initialed by the cardholder. In any instance of a missing receipt, payment will be the responsibility of the cardholder.

Should the Accounts Payable Specialist identify any inadvertent personal or unauthorized uses of the card, the card statement as well as all backup documentation will be forwarded to the Chief Financial Officer, for review.

The Chief Financial Officer, will discuss with the cardholder any charges of concern and the card member will be required to reimburse the Organization immediately for any such inadvertent personal charges or unauthorized charges.

Excessive inadvertent personal charges will be grounds for revoking credit card privileges. Personal use of corporate credit cards is strictly prohibited. Any personal use will subject the employee to the Organization's disciplinary actions.

Any fraudulent or other unauthorized charges shall be immediately pointed out to the Chief Financial Officer, for further investigation with the credit card provider and at the discretion of the Chief Financial Officer may be required to be reimbursed by the individual cardholder who purchased the unauthorized transaction.

The Organization requires the following review and approval procedures:

- The cardholder will review the card statement to ensure only their own approved charges are listed on the statement. Any charges not made by the cardholder will be identified and discussed with the Accounts Payable Specialist.
- The Chief Financial Officer will approve credit card usage by the Principals, and the Chief Executive Officer will approve credit card usage by the Chief Financial Officer, and the Board of Directors Chairperson will approve credit card usage by the Chief Executive Officer.
- The Accounts Payable Specialist will review all charges on the card statement against all purchase documents submitted by the cardholder.
- The Chief Financial Officer, will review charges and supporting documentation prior to the monthly card statement being approved and included for payment.

Cardholders shall report the loss or theft of a corporate credit card immediately by notifying the credit card company (24 hours a day, seven days a week) as well as the Chief Financial Officer. In the event of theft of the card, a police report will be filed by the cardholder and a copy of the report will be maintained for insurance purposes.

### **1.3 Revocation of Corporate Credit Cards**

Failure to comply with any of these policies associated with the use of the Organization's corporate credit cards shall be subject to possible revocation of credit card privileges. The Chief Financial Officer, with the approval of the Chief Executive Officer or Board Chairperson, shall determine whether credit cards are to be revoked.

## Accounting Policies, Procedures and Forms

**1.4 On-going Monitoring of Corporate Credit Cards**

The Organization will implement continuous on-going monitoring of the use of corporate credit cards to ensure only authorized expenditures are made with the credit cards. Credit card usage must follow the same criteria as all other purchases; i.e., allowable, reasonable, necessary, and allocable, where required.

In addition, the Board of Directors may, from time to time, authorize unannounced monitoring of the use of corporate credit cards.

Corporate credit cards will be assigned only to the Chief Executive Officer, Chief External Officer and Principals and all charges to that assigned card will be the responsibility of that employee. Employees authorizing the use of the credit card by other Organization employees, parents or friends, will be subject to disciplinary action.

**1.5 Employee Personal Credit Cards**

With prior approval from the Chief Executive Officer and/or Chief Financial Officer, the Organization employees may incur legitimate Organization business expenses utilizing their personal credit cards for such expenditures. The Organization shall reimburse employees according to Organization reimbursement policy (PUR106 Reimbursements).

**2.0 DEBIT CARDS****2.1 Debit Card Policy**

The organization does not permit the use of debit cards.

[This page intentionally left blank]

**SOP # CSH112 Revision: 2**  
**Effective Date:9/5/2017**

**Prepared by: Central Office**  
**Approved by: BOD**

**Title: CSH112 INTRA-ORGANIZATION RECEIVABLES AND PAYABLES (DUE TO/DUE FROM)**

**Policy:** To ensure that intra-organization transactions between individual charter schools and the central office are processed correctly

**Purpose:** To outline the practices for intra-organization transactions between individual charter schools and the central office

**Scope:** This applies to all charter schools operated by the Organization.

**Responsibilities:**

Chief Financial Officer is responsible for performing the intra-organization transactions with approval from the Board of Directors.

The Finance Department is responsible for alerting Back-office provider regarding intra-organization transactions. Back-office provider is responsible for recording it into the accounting system, and ensuring accuracy of fiscal year-end balances.

**Background:** Charter schools are highly dependent on government funding to operate. Government cuts and funding deferrals can result in cash shortages for schools. Therefore the need arises to allocate resources from other schools to cover any shortfall. It is necessary to correctly record transactions between the charter schools and the central office in order to properly determine each school's receivable/liability.

**Procedure:**

**1.0 INTRA-ORGANIZATION TRANSACTIONS**

**1.1** The Chief Financial Officer, with the support of the Finance Department and Back-office provider, monitors cash balances daily for the charter schools. When a charter school realizes a need for funds, the Chief Financial Officer will assess resource levels for the other schools as well as the central office. If the central office does not have sufficient funds to advance to the charter school requestor, at the discretion of the Chief Financial Officer, the Chief Financial Officer may transfer funds from a charter school with surplus funds into the central office. The Chief Financial Officer may then transfer funds to the charter school requestor from the central office. For policy regarding inter-account bank transfers, refer to **CSH108 INTER-ACCOUNT BANK TRANSFERS**.

**1.2** At the end of the fiscal year, each school's receivable or payable account will be reconciled in accordance with **G&A105 PERIOD-END REVIEW & CLOSING**. Once balances are reconciled, an agreement is prepared at the end of the fiscal year between each school and the central office to document the amount owed and repayment terms.

---

**SOP # CSH113 Revision: 2****Prepared by: Central Office****Effective Date:9/5/17****Approved by: BOD****Title: CSH113 FINANCIAL RESERVES****Policy:** To ensure each charter school maintains a fund reserve in order to protect itself from unforeseen revenue shortfalls or unexpected expenditures.**Purpose:** To describe responsibilities and monitoring procedures over each charter school's fund reserve**Scope:** This applies to all charter schools operated by the Organization.**Responsibilities:**

Back-office provider is responsible for day to day monitoring of charter school cash accounts and ensuring their accuracy.

Chief Financial Officer is responsible for oversight over charter school cash accounts as to ensure that required fund reserve amounts are met.

**Background:** California regulations state that the following reserve amounts must be maintained:

- Greater of 5% of prior year operational expenditures or \$55,000 for districts with 0-300 ADA
- Greater of 4% of prior year operational expenditures or \$55,000 for districts with 301-1,000 ADA

**Procedure:****1.0 FUND RESERVE BALANCES**

**1.1** Back-office provider will monitor the cash balance for each charter school to ensure its accuracy and to be able to project future amounts. This will be accomplished through timely bank reconciliations and regular budget vs. actual comparisons. This process is critical to quickly detect any potential cash shortages so expenditures can be modified or more resources can be requested.

**1.2** If the required fund reserve amount for a charter school cannot be met, the Chief Financial Officer with the support of Back-office provider will need to determine where cash can be derived from in order to restore the fund balance. This can come from central office funds or from another charter school with surplus funds. See CSH112 INTERCOMPANY RECEIVABLES AND PAYABLES (DUE TO/DUE FROM) for this procedure.

**SOP # PYR101 PAYROLL DESK PROCEDUR Prepared by: Central Office**  
**Effective Date: 2/14/13 Approved by: BOD**

**Title: PYR 101 PAYROLL DESK PROCEDURE**

**Policy:** To clearly define responsibilities and procedures in processing the organization's payroll and implementation of the online payroll system in accordance with the generally accepted accounting principles.

**Purpose:** To outline and list areas of responsibilities for each group involved in the payroll process.

**Scope:** This applies to all staff of the organization.

**Responsibilities:**

Human Resources is responsible for setup and maintenance of all employee profiles

School Principal is responsible for accurate and timely submission of each site's attendance, extra duties and assignments.

Finance Team is responsible for review, generation and approval of all payroll.

Back-office service provider is responsible for accurate bookkeeping and analysis of payroll expenses.

**Background:** Personnel Cost is usually 70-75% of the organization's total operating expenses. It is vital that the organization administers the payroll process efficiently and in compliance with education codes and requirements.

## Procedure:

- **HUMAN RESOURCES**
  - Coordinates job postings and complete new hire paperwork, ensures accuracy and completeness of all new hire procedures and collection of paperwork prior to start of work
  - Processes termination info and informs Finance Team whenever final checks are needed
  - Monitors all credential and other expiration dates
  - Ensures accurate employee withholdings/deductions in 3<sup>rd</sup> party payroll system as agreed to by employee
  
- **EMPLOYEE**
  - Signs in and out of automated system each day
  - Completes employee profile in online payroll system, which generates deductions and provides required information to HR
  
- **PRINCIPAL/SUPERVISOR**
  - Reviews/approves time and attendance reports and submits to Finance Team to initiate payroll processing
  - Enters all supplemental pay in payroll system on or before designated cutoff date
  - Submits signed schedule of all approved supplemental pay (i.e. stipends, home visits, Saturday School extra duty) to Finance Team each pay period
  - Notifies HR of any new hires, terminations, status or pay changes
  
- **FINANCE TEAM**
  - Confirms approvals from principals/HR prior to generating payroll
  - Runs payroll and generates reports for review
  - Reviews each payroll register, verifying:
    - Proper pay rate
    - Hourly staff – number of hours per pay period look reasonable
    - Extra pay/stipends are documented, approved and accurate as to amount and funding source
    - Employee retirement deductions are accurate and reasonable
    - STRS members have earnings properly treated in paycheck and correct STRS rates are being used
    - No OASDI withheld for any STRS members
    - Classified staff – PERS members have proper withholdings and OASDI deducted and correct PERS rates are being used

Accounting Policies, Procedures and Forms

- Only PERS or STRS creditable earnings are included in deduction calculations
- Non-PERS classified staff hours are being tracked and any newly eligible PERS members (>1000 hours in a fiscal year) are added as PERS members
- Process payroll, prints registers and files all supporting documentation including but not limited to: STRS/PERS contributions, Other Retirement Contributions, Payroll Tax Reports, Health and Welfare deductions and contributions to service providers
- Processes final paychecks and coordinates with back-office provider for delivery of checks if not processed in-house
- **BACK OFFICE**
  - Process ECR for final paychecks if not processed in-house
  - Uploads journal entries to record payroll in general ledger each pay period
  - Performs analytical procedures on payroll expenses as part of month-end close process

**Revision History:**

<b>Revision</b>	<b>Date</b>	<b>Description of changes</b>	<b>Requested By</b>
0	3/09/17	Initial Release	Nanie Montijo, CFO

## **Accounting Policies, Procedures and Forms**

**SOP # PYR 102 Revision:**  
**Effective Date: 1/17/19**

**Prepared by: Central Office**  
**Approved by: BOD**

### **Title: PYR 102 TIME KEEPING PROCEDURE FOR FEDERALLY FUNDED EMPLOYEES**

#### **Policy:**

To clearly define responsibilities and timekeeping procedures in tracking specific program cost information.

#### **Purpose:**

To outline and document timekeeping of a grant, award or program costs MPS uses to track expenditure information to ensure it spends a specific amount for a specific purpose.

#### **Scope:**

This applies to all staff paid with federal funds.

#### **Responsibilities:**

Human Resources is responsible for setup and maintenance of all employee profiles on Paycom.

School Principal is responsible for accurate and timely submission of each site's attendance, extra duties and assignments.

Finance Team is responsible for review, generation and approval of all payroll; in addition to maintaining and keeping records of all federally funded employees.

Back-office service provider is responsible for accurate bookkeeping and financial reporting.

## Accounting Policies, Procedures and Forms

### Procedure:

Employee Compensation - All amounts paid to an employee for services rendered during the award period. Compensation includes salaries, fringe benefits, stipends, bonuses and payments made under supplemental contracts.

Multiple Cost Objectives Employees - Employees who work on multiple cost objectives such as:

- More than one Federal award;
- A Federal award and a non-Federal award;
- More than one activity within a federal award that is separately tracked by MPS (such as set-asides, earmarks or match/in-kind contributions).

Personnel Activity Report (PAR) - A document certifying the amount of time a multiple cost objective employee spends on each cost objective. The PAR must reflect an after-the- fact distribution of the activities performed; account for the total activity for which the employee is compensated; be prepared bi-weekly and coincide with one or more pay periods; and be signed by the employee.

Semi-Annual Certification - A document certifying a *single cost objective* employee worked solely on *one cost objective*. The certification must be prepared at least every six months and must be signed by the supervisory official having first-hand knowledge of the work performed by the employee.

#### Periodic Certification

An employee who works in multiple cost objectives on a set schedule (predetermined). The periodic certification must be prepared at least semiannually and cover the entire period of the certification and must signed by the supervisory official.

All employees paid with federal funds must adhere to the following procedures to complete the appropriate time and effort records.

### Determining Cost Objectives -

A cost objective is defined as a federal grant award, or other category of costs MPS uses to track specific cost information. In certain circumstances MPS may track the time employees spend on particular activities *within* a single federal grant in order to demonstrate compliance with federal requirements such as earmarks, set-asides or match/in-kind contributions. When MPS uses employee compensation costs to meet these requirements they are known as —cost objectives. In such a circumstance, an individual grant program may have more than one cost objective.

Determining cost objectives requires a careful reading of the programmatic provisions in the statute providing the funds. Employees should contact the Principal if assistance is needed in determining the cost objectives on which they work.

## Accounting Policies, Procedures and Form

### Single Cost Objective Employees -

An employee who works on a single cost objective must complete a semi-annual certification that indicates the employee worked solely on that cost objective for the period covered by the certification. The certification must be collected and reviewed at least every six months by the Principal, or his/her designee. Either the employee or a supervisor with first-hand knowledge of the work performed by the employee must sign the semi-annual certification.

A semi-annual certification must:

- Be executed after the work has been completed;
- State that the employee worked solely on activities related to a particular cost objective;
- Identify the cost objective;
- Specify the reporting period;
- Be signed by the employee or a supervisor with first-hand knowledge of the work performed; and dated.

The supervisory official for all single cost objective employees must complete the semi-annual certification attached to these procedures.

If an employee works on a short-term cost objective whose end date does not coincide with the normal December/June collection dates for semi-annual certifications (e.g. a supplemental contract for summer school programs), the employee must obtain a semi-annual certification from the Supervisor after the time period for the work has ended.

All supervisory officials of single cost objective employees with first-hand knowledge of the work performed by the employee must complete and sign the semi-annual certification provided by the Supervisor

Executed semi-annual certifications must be forwarded to the Finance Department

### Multiple Cost Objective –

Employees working on multiple cost objectives must maintain Personnel Activity Reports (PARs) or The Periodic Certification If they have a predetermined schedule. The report indicates the amount of time spent on each cost objective for the period covered by the PAR or equivalent documentation. The PAR must be prepared at least monthly, Periodic Certification must prepared at least semiannually. The employee must sign the PAR or equivalent documentation. An employee time card can be used in place of a PAR. Timecards will be documented and maintained by the MPS payroll department.

A PAR or equivalent documentation must:

- Be executed after the work has been completed (projections of how an employee is expected to work or position descriptions are not sufficient);
- Account for the total activity for which each employee is compensated, including

## Accounting Policies, Procedures and Forms

part- time schedules or overtime (total activity means all of the time an employee works, not just the amount of time worked on a federal program);

- Identify the cost objectives;
- Specify the reporting period;
- Be signed by the employee (unlike a semi-annual certification a supervisor's signature alone is not sufficient); and
- Be dated after the fact (when the work has been completed).

At the beginning of each year, Finance Department will distribute blank PARs or Periodic Certification forms to the Principals that are required to complete on a bi-weekly basis throughout the year.

Copies of executed PARs, or approved equivalent documentation, must be forwarded to Finance Department every 2 weeks, Periodic Certification must be forwarded after the time period of work has ended.

### Supplemental Contracts –

As discussed above, time and effort records must account for all of an employee's activities (i.e. 100% of an employee's time). Thus, if an employee works overtime that time must be reflected in the employee's time and effort record. If, however, an employee works in two distinct positions the employee may maintain separate time and effort records for each position.

For example, an employee works as a Title I teacher during the school day (charged to Title I) and a sports coach after school (charged to state or local funds). Assuming the coaching responsibilities are not part of the employee's regular job functions (e.g. the employee has a supplemental contract for the coaching position), the employee may treat each position separately – meaning the employee may complete a semi-annual certification for the teaching position, while no federal time and effort record would be required for the coaching position. In a similar example, an employee works as a Title I teacher during the school day (charged to Title I) and an after-school federally funded teacher. Assuming the after school activities are not part of the employee's regular job functions, the employee may complete a semi-annual certification for Title I teaching position and a separate semi-annual certification for the other supplemental federal program.

### Stipends –

Employees may be provided stipends to participate in activities such as professional development. Employees receiving such stipends for MPS sponsored activities may satisfy time and effort records by signing the sign-in and sign-out sheets provided at the activity.

### Reconciliation –

It is MPS's practice to charge employee compensation costs to federal programs based on

budget estimates that reasonably approximate how an employee will work during the year. The MPS back office service provider will reconcile payroll charges to the time and effort reflected in employee time and effort records at least quarterly. If any MPS staff or back office service provider staff identifies a variance between how an employee’s salary was charged and how the employee actually worked, MPS Finance staff will review and adjust its payroll charges so that the amount charged to federal funds reflects the employee’s actual time and effort. MPS will perform the reconciliation quarterly.

**In-Kind Contributions and Matching –**

Employees who are paid with non-federal funds that will be used to meet a federal match requirement (also known as in-kind contributions) must comply with the same time and effort reporting requirements as employees who are paid with federal funds. In other words, employees paid with matching funds who work on a single cost objective must complete a semi-annual certification in accordance with the procedures in section b. Employees paid with matching funds who work on multiple cost objectives must complete a personnel activity report in accordance with the procedures in section c.

**Document Retention –**

Time and effort records must be maintained for a period of five (5) years.

***TRAINING***

MPS will provide training on this procedure to all staff involved in federal programs such as:

- Distribution of federal laws, regulations and guidance
- Distribution of MPS policies and procedures
- Developing templates, checklists and other guidance documents as appropriate
- Internal training sessions
- Routine staff meetings and
- Informal technical assistance

**Accounting Policies, Procedures and Forms Revision History:**

<b>Revision</b>	<b>Date</b>	<b>Description of changes</b>	<b>Requested By</b>
0	1/17/19	Initial Release	Nanie Montijo, CFO

**SOP # INV101 Revision: 1**  
**Effective Date: 9/5/17**

**Prepared by: Central Office**  
**Approved by: BOD**

**Title: INV101 FIXED ASSET CONTROL AND LEASES**

**Policy:** Proper control procedures will be followed for all capital asset acquisitions, transfers and dispositions in order to provide internal control of capital equipment and to assist in reporting.

**Purpose:** To outline the procedures for acquiring, disposing and maintaining control of capital assets. This is particularly important for assets purchased with grant program dollars where the grantee may want the equipment returned at the end of the program.

**Scope:** This procedure applies to all equipment with a value of \$500 or more and furniture a value of \$5,000 or more.

**Responsibilities:**

School Principals are responsible and accountable for furniture, equipment, machinery and any other assets in their schools. An automated fixed asset tracking system will be implemented for tracking and tagging assets to be inventoried.

**Definitions:**

**Capitalized Equipment:** All furniture and equipment costing \$5,000 or more each should be recorded in the fixed assets inventory system and depreciated annually.

If purchased in bulk over the \$5,000 threshold, these items may also be deemed capitalized. For capital assets that are acquired as a “group purchase” whose individual acquisition cost is less than the \$5,000 threshold, it will be capitalized if the aggregate amount is \$5,000 or above. A “group purchase” is defined as an acquisition of 5 or more units of the same, identical item being made using a single requisition. In addition, the purchase of the assets serves a specific location or objective. For example, a decision is made to upgrade a computer lab. This will require 10 new computers located in a single area. Individually the computers cost \$1,000; however, the aggregate cost of the 10 computers will be \$10,000. The purchase is capitalized as a group purchase.

**Non-Capitalized Equipment:** No equipment costing less than \$5,000 each should be depreciated. However, non-capitalized equipment that is motorized, electronic, or computerized should be added to the fixed assets inventory system for fiduciary purposes only so that its existence can be verified during the annual physical inventory process.

**Furniture:** No furniture items costing less than \$5,000 each should be added to the fixed assets inventory system or depreciated

## Accounting Policies, Procedures and Forms

## Procedure:

**1.0 ACQUISITIONS**

- 1.1** All purchases of furniture and equipment as defined above must be tagged and included in the inventory listing.

See PUR102 for the procurement process to be followed.

- 1.2** Any internally constructed or donated equipment will be reported to Finance Team if the item cost has a value of \$5,000 or more. A complete description of the property, date manufactured or received, number of items, cost or estimated value and a statement that it was internally constructed or donated will be included in the report.

- 1.3** To maintain proper segregation and control upon termination of any employees, any employee owned tools, equipment or furniture brought on the Organization premises will be reported to the School Principal. The report should include the employee's name, description of items, identification numbers, if any, and reason for using the asset.

**2.0 DISPOSITIONS**

- 2.1** Assets may be sold or traded-in on new equipment. An example INV103 Ex1 ASSET DISPOSITION form or updating of Excel workbooks is to be completed and approved by the School Principal. Any assets with an original value greater than \$5,000 will also require the Chief Financial Officer's approval.

Upon approval, the school may advertise the property for sale or submit a list to purchasing for sale and disposition. After completion of the sale, an example INV103 Ex2 BILL OF SALE provided below will be issued and the ASSET DISPOSITION form will be submitted to Finance Team who will ensure deletion of the item from the asset records and submit paperwork to back-office provider to record any gain or loss on the disposition.

- 2.2** Worn-out or obsolete property with no cash value will be reported to Finance Team on the Asset Disposition form with the description, serial number and condition. Finance Team will inspect all worn-out or obsolete property before it is removed from the school and discarded. The asset will then be removed from the asset records.

- 2.3** Any asset that is missing or has been stolen will be reported in writing to the School Principal and Finance Team as soon as possible. The description, serial number, and other information about the lost item should be included in the report.

Accounting will determine the proper course of action and will notify the company's insurance carrier and any outside authorities if deemed appropriate. If un-recovered, the asset will then be removed from the asset records.

- 2.4** Inter-school transfers of assets will be reported to Accounting in writing including the description, serial number and the name of the school to receive the property.

The School Principal to whom the item was assigned originally will be held accountable until accounting is notified of the transfer. After being notified, the School Principal acquiring the property assumes responsibility. Accounting will then record the inter- school transfer on the asset records.

### **3.0 ASSET RECORDS**

- 3.1** Upon any asset acquisition, Accounting is responsible for assigning and attaching asset number tags to the property where it can be readily located.

Accounting will then maintain a detailed listing of each fixed asset item which will include the description, date acquired, vendor, cost basis, assigned school and location. On an annual basis, accounting will furnish each school a report showing a listing of assets assigned to that school and any acquisitions, disposals and transfers during the past year. Any discrepancies must be communicated to Finance Team by June 30<sup>th</sup> of each year. This report should be filed by the School Principal for reference and later use.

- 3.2** A physical count will be taken at each site every two years or as needed.
- 3.3** Each school will be responsible for locating assets with its number tag attached that are recorded as assigned to their school whenever requested by Accounting, a county property tax auditor or the company's external auditors.
- 3.4** Whenever a change in School Principal occurs, all items should be accounted for by the outgoing School Principal. The incoming School Principal will accept the responsibility and accountability for the school asset listing upon assuming the position. Accounting can assist with this audit if requested.

### **4.0 LEASED OR OWNED VEHICLES**

- 4.1** The safety and comfort of MERF employees, parents and Board members is of utmost importance. Therefore, MERF has established a policy whereby vehicles, whether leased or purchased, will be retained for a maximum of 100,000 miles or 8 years, whichever is less. The Finance Team will establish a mileage log to ensure vehicles are properly planned and replaced on schedule. Any individual that is assigned a vehicle shall be responsible for maintaining the mileage log and working with the Finance Team in complying with the replacement requirements of this policy.
- 4.2** A mileage log will be retained for each vehicle and all users will note the beginning and ending mileage for all trips. This log will be provided to the designated driver upon pickup of keys for use of a vehicle. Under no circumstances may an employee retain the keys or mileage log overnight unless on an authorized, extended trip requiring overnight accommodations. All keys will be returned to the administrative office or central kitchen upon completion of the day's authorized trips.
- 4.3** The Finance Team will ensure that all vehicles are taken to an authorized vendor for maintenance and service. All vehicles will receive appropriate oil changes on a minimum 5,000 mile schedule. Tires will be rotated at the same time and tires will be replaced after 50,000 miles (or sooner) if believed to be worn beyond prudent safety levels.
- 4.4** The Finance Team will submit RFPs to authorized vehicle dealers and service vendors on an annual basis. All vehicles will be serviced by the same designated vendor(s) for this annual contract period. The only exception will be for vehicles, newly purchased or leased, which provide for free maintenance and service as part of its warranty period or any special arrangements made as part of the purchase or lease of the vehicle.

Accounting Policies, Procedures and Forms

---

- 4.5** Designated drivers must report any problems or issues identified, upon completion of their daily trip(s), to the Finance Team. A “Vehicle Report” must be completed and submitted to the Finance Team immediately upon return from any trip whereby a problem or issue is suspected or identified.
- 4.6** If any driver is involved in an accident, whether with another vehicle or not, the driver must complete an Accident Report form and submit the report form to the Finance Team immediately upon return to MERF. A copy of the report form and instructions for submitting the report and “what to do if involved in an accident” are included in the Exhibits section.

**5.0 LEASES****5.1 Classification of Leases**

It is the policy of MERF to classify all leases in which MERF is a lessee as either capital or operating leases. MERF shall utilize the criteria described in Statements of Financial Accounting Standards No. 13 in determining whether a lease is capital or operating in nature. Under those criteria, a lease shall be treated as a capital lease if, at the time of entering into the lease, any of the following factors are present:

1. The lease transfers ownership to MERF at the end of the lease term;
2. The lease contains a bargain purchase option;
3. The lease term is equal to 75% or more of the estimated economic life of the leased property; or
4. The present value of the minimum lease payments is 90% or more of the fair value of the leased property (using, as the interest rate, the lesser of MERF’s incremental borrowing rate or, if known, the lessor's implicit rate).

All leases that do not possess any of the four preceding characteristics shall be treated as operating leases. In addition, all leases that are immaterial in nature shall be accounted for as operating leases.

MERF shall also maintain a control list of all operating and capital leases. This list shall include all relevant lease terms.

**Title: INV102 FIXED ASSET CAPITALIZATION & DEPRECIATION**

**Policy:** Asset acquisitions with a useful life expectancy of greater than one year and with a minimum threshold amount as specified by the Chief Financial Officer should be capitalized by the Organization and depreciated.

**Purpose:** The purpose of this procedure is to delineate the capitalization and depreciation methods for various asset groups.

**Scope:** All acquisitions of capital assets for the Organization.

**Definitions:** Capitalization - Capitalization is the method chosen to record the purchase of a fixed asset on the Organization's accounting books. If an asset is capitalized then it is not expensed in the same year the asset is purchased. Instead the asset is generally recorded on the balance sheet and individually on an asset schedule. Examples of capital expenditures are purchases of land, buildings, machinery, office equipment, leasehold improvements and vehicles. The asset is expensed each year as depreciation.

Depreciation - is an annual income tax deduction that allows the write-down or write-off of the cost of the asset over its estimated useful life to recover the cost or other basis of certain property over the time the property is used. It is an allowance expense for the wear and tear, age, deterioration, or obsolescence of the property.

As an asset ages and is used by the Organization, its value declines. It, in effect, becomes worth less and less over time. The declining value or usefulness of the asset over time is represented as a discount that is applied to the original purchase price. At the end of the asset's depreciation period, (and/or useful life), its value on the balance sheet will be zero, or fully-depreciated. At the same time, the individual depreciation expenses will have all been recorded on the income statement.

Note: Land is not depreciated because land does not wear out, become obsolete, or get used up. But, the building on the land is depreciated. Land is generally viewed as an appreciating asset while all other capital assets are generally viewed as depreciating over time, with use. But, unlike depreciation, an asset's appreciation is not recorded on the books until the asset is sold, which is when the assets appreciation is realized.

Cost basis – The total amount paid for the asset, in cash or kind, is considered the “cost-basis”. This should include all charges relating to the purchase, such as the purchase price, freight charges and installation, if applicable. The cost basis is not the market value or list price of the

asset. It is the total amount invested in the purchase or the total amount paid.

**Procedure:**

**1.0 CAPITALIZATION**

- 1.1** All assets with a useful life of greater than one year and costing more than \$5,000 will be capitalized and (except for land) will be recorded in the depreciation records.

Bulk computer, software, and other technology purchases with an aggregate value of \$5,000 or more are captured as capitalized fixed assets regardless of individual price of item.

In addition, remodeling modifications and replacement costs of integral structural components are only capitalized when such costs incurred exceed \$50,000.

Depreciation or amortization is computed on the straight-line basis over the useful lives of the assets.

Any asset that does not meet the above criteria will be expensed such as small tools and equipment or repairs and maintenance.

- 1.2** The cost basis of furniture and equipment assets will include all charges relating to the purchase of the asset including the purchase price, freight charges and installation if applicable.
- 1.3** Leasehold improvements including painting are to be capitalized if they relate to the occupancy of a new office or a major renovation of an existing office or site. Expenditures incurred in connection with maintaining an existing facility in good working order should be expensed as a repair.
- 1.4** The cost of buildings should include all expenditures related directly to its acquisition or construction. This cost includes materials, labor and overhead incurred during construction, and fees, such as attorney's and architect's and building permits.
- 1.5** Maintain proper files on the details to all acquisitions, expenditures, and maintenance performed on all assets. These records are vital for proper tax preparation and are used during yearly tax reporting and planning.

**2.0 DEPRECIATION**

- 2.1** The depreciation methods/lives for assets must be selected at the time the asset is first placed into service in order to ensure consistent financial reporting and tax compliance.

The Organization uses the straight-line method of depreciation.

The following represents a sample of the useful lives that the Organization may use for financial reporting purposes:

Asset Class	Examples	Estimated Useful Life in Years
Land		N/A
Site improvements	Paving, flagpoles, retaining walls, sidewalks, fencing, outdoor	20
Buildings		20 - 50
HVAC systems	Heating, ventilation, and air systems	10 - 20
Roofing		20
Interior construction	Leasehold improvements	20 - 25
Carpet replacement		7
Electrical/plumbing		30
Sprinkler/fire system	Fire suppression systems	25
Outdoor equipment	Playground, radio towers, tanks	20
Machinery & tools	Shop & maintenance equipment,	3 - 15
Custodial equipment	Floor scrubbers, vacuums, other	7 - 15
Furniture & accessories	Classroom & other furniture	10 - 20
Business machines	Fax, duplicating & printing	3 - 10
Copiers		3 - 10
Communication equipment	Mobile, portable radios	3 - 7
Computer hardware	PCs, printers, network hardware	3 - 5
Computer software	Instructional, other short-term	5 to 10
Computer software	Administrative or long-term	10 to 20
Audio visual equipment	Projectors, cameras (still & digital)	5 - 10
Athletic equipment	Wrestling mats, weight machines	7 - 10
Library books	Collections	5 to 7
Licensed vehicles	Buses, other on-road vehicles	5 - 10

- 2.2** The lowest life permitted by tax regulations for asset classes should be selected to optimize depreciation deductions.
- 2.3** Regardless of the depreciation rate required an Organization can elect to use a different method for financial statement purposes. Such method should be justified based on the expected useful life of the asset.
- 2.4** Depreciation will be recorded in the accounting system at the end of the fiscal year.

**SOP # IVT101**

**Revisions: 0**

**Effective Date:**

**6/14/17**

**Prepared by: Central Office**

**Approved by: BOD**

**Title: IVT101 INVESTMENTS**

**Policy:** This policy establishes procedures to govern the investment of funds held by Magnolia Public Schools (“MPS” or the “Charter School”). This policy is based upon federal, state and local laws and regulations, and prudent money practices. To the extent that this policy conflicts with state or federal law, the applicable law shall prevail.

**Purpose:** MPS’ primary investment objective shall be to maintain the safety and liquidity of its funds. Safety of principal is the foremost objective of MPS. The primary objectives of MPS investment activities shall be, in order of priority:

1. **Safety.** The safety of principal is the foremost objective of MPS’s investment program. MPS’s investments shall be undertaken in a manner that shall preserve MPS’s capital.
2. **Liquidity.** MPS’s secondary objective shall be to meet its liquidity needs. The investment portfolio shall maintain sufficient liquidity to enable MPS to meet necessary cash flow and operating requirements which might be reasonably anticipated.
3. **Yield.** The investment portfolio shall be designed with the objective of attaining a market rate of return over the course of budgetary and economic cycles, taking into account the investment risk, constraints and the cash flow characteristics of the portfolio.
4. **Maintaining the Public’s Trust.** The investment officers shall seek to act responsibly as custodians of the public trust and shall avoid any transaction that might impair public confidence while conforming to all applicable statutes and regulations governing the investment of public funds.
5. **Mitigating Credit Risk and Market Risk.** Credit risk shall be mitigated by diversifying the fund among issues and issuers so that the failure of any one issue or issuer would not result in a significant loss of income or principal to participants. Because longer-term securities generally have greater market risk than shorter-term securities, market risk will be mitigated by establishing a maximum weighted average maturity or duration for the portfolio. Occasional market losses on individual securities are inevitable with active portfolio management and must be considered within the context of the overall investment return.

**Scope:** It is recommended that MPS mirror the intent of California Education Code Section 41015, and invest all or part of funds deposited in a Special Reserve Fund, or any surplus monies not required for the immediate necessities of MPS in any of the investments specified in California Government Code Sections 16430 or

53601. Special Reserve Funds are hereby defined as those funds, which the Board has designated for capital outlay, or other purposes, where an accumulation over a period of fiscal years is desired.

MPS shall make investments following the guidelines of the Uniform Prudent Investor Act. (Probate Code Section 16045, *et seq.*)

This Policy covers all funds and investment activities under the direct authority of MPS. The proceeds obtained from the issuance of bonds shall be invested in accordance with the applicable bond documents. If the bond documents are silent as to the investment of the proceeds, the bond proceeds will be invested in the securities permitted by this Policy.

#### COMPLIANCE WITH STATE AND FEDERAL SECURITIES LAWS

MPS will take reasonable steps to ensure that any debt offering issued by MPS complies fully with all applicable state and federal securities laws. In connection with all debt offerings issued by MPS, MPS will retain bond counsel and disclosure counsel to review the offering materials prepared in connection with the debt offering to ensure that disclosures contained in offering materials comply with federal and state securities laws. MPS has implemented procedures to ensure MPS maintains compliance with continuing disclosure requirements. The Chief Executive Officer shall be responsible for reviewing the offering materials regarding the accuracy of information disclosed in such materials.

#### CHANGES TO INVESTMENT POLICY

This Policy will be reviewed, as needed, to ensure its consistency with the objectives of income, growth and safety, and changes in applicable laws and financial trends. Any proposed amendments to the Investment Policy will require approval by the MPS Board of Directors. This Policy and modifications to it must be approved by the Board of Directors at a public meeting.

#### COMPLIANCE WITH INVESTMENT POLICY

All outside investment advisors/managers, attorneys and other financial professionals employed or retained by MPS and/or its representatives, including without limitation financial advisors, underwriters, bond counsel, and disclosure counsel, must review this policy and confirm that they have reviewed this Investment Policy and will fully comply with these policies.

### **Responsibilities:**

#### DELEGATION OF AUTHORITY

Management responsibility for the investment program is hereby delegated by the Board of Directors to the CEO and the Oversight Committee, as deemed appropriate or necessary, who shall thereafter assume full responsibility for those transactions until the delegation of authority is revoked. The Board of Directors may review and renew the delegation of authority each year. The CEO may delegate the day-to-day operations of investing to his/her designee(s) but not the responsibility for the overall investment program. The CEO and/or his/her designee(s) shall make all investment decisions and transactions in strict accordance with state law and with this Policy.

If authorized by the Board of Directors, the CEO and Oversight Committee may utilize an external investment advisor to assist with investment decision-making and trade execution authority. The investment advisor shall be under the supervision of the approved Oversight Committee and shall follow this Policy and such other written instructions as are provided.

The CEO, his/her designee(s) and/or Oversight Committee, acting in accordance with written procedures and policies and exercising due diligence, shall be relieved of personal liability for an individual security's credit risk or market price changes, provided deviations from expectations are reported in a timely fashion and appropriate action is taken to control adverse developments.

The Board of Directors shall ensure that its fiduciary responsibilities concerning the proper management of MPS' funds are fulfilled through appropriate investment structure, internal and external management, consistent with all policies and procedures. Based on the advice and recommendations of the CEO and Oversight Committee.

The CEO and Oversight Committee are not held liable for less than desirable outcomes, rather, they are responsible only for adherence to procedure and processes. The CEO and Oversight Committee is responsible for the development, recommendations, implementation and maintenance of all investment policies.

## **Procedure:**

### INTERNAL CONTROLS

The CEO and Oversight Committee shall establish a system of written internal controls to regulate MPS's investment activities, including the activities of any subordinate officials acting on behalf of MPS. Procedures should include references to individuals authorized to execute transactions or transfers, safeguard agreements, (including repurchase agreements, wire transfer agreements, collateral/depository agreements), and banking services contracts, as appropriate. As part of the annual audit, MPS's external auditor will perform a review of investment transactions to verify compliance with policies and procedures. The Oversight Committee will sign off on internal control procedures as appropriate.

The controls shall be designed to prevent loss of public funds due to fraud, employee error, and misrepresentation by third parties, unanticipated market changes or imprudent actions by employees of the Charter School. The Charter School shall seek to maintain a debt burden factor of 1 - 2% of the Charter School's unrestricted general fund revenues.

### AUTHORIZED FINANCIAL INSTITUTIONS AND DEALERS

It shall be MPS' policy to purchase securities only from authorized institutions and firms. The CEO and Oversight Committee shall maintain a list of authorized broker/dealers and financial institutions that are approved for investment purposes. MPS shall use at least one authorized broker/dealer to advise MPS on investments.

No deposit of public funds shall be made except in a qualified public depository as established by state laws. If an external investment advisor is authorized to conduct investment transactions on behalf of MPS, the investment advisor may use its own list of approved broker/dealers and financial institutions for investment purposes consistent with MPS' policies and existing laws.

For broker/dealers of government securities and other investments, MPS shall select only broker/dealers who are licensed and in good standing with the California Department of Securities, the Securities and Exchange Commission, the Financial Industry Regulatory Authority and/or other applicable self-regulatory organizations. Any permitted investment shall be purchased either from a "primary" or regional broker/dealer qualifying under SEC Rule 15c3-1 (uniform net capital rule) or a "well capitalized" financial institution, as defined in Title 12 of the Code of Federal Regulations ("CFR") Part 6.4.

Before engaging in investment transactions with a broker/dealer, the CEO and Oversight Committee shall have received from said firm a signed Certification Form. This form shall attest that the individual responsible for MPS's account has reviewed MPS's Investment Policy and that the firm understands the policy and intends to present investment recommendations and transactions to MPS that are appropriate under the terms and conditions of this Investment Policy. Any broker, brokerage, dealer or securities firm that has made a contribution to the Charter School, any member of the Board of Directors, or any candidate for those offices is ineligible for selection by the Charter School.

#### AUTHORIZED AND SUITABLE INVESTMENTS

In making any decision relative to the investment of funds, each of the following factors must be considered, and properly documented:

1. General economic conditions,
2. Expected tax consequences, if any, of investment decisions or strategies,
3. Expected total return from the income and appreciation of investments,
4. Other resources of the organization,
5. The needs of the organization and the fund to make distributions and preserve capital.

#### INVESTMENT TYPE DESCRIPTIONS

Investments not specifically listed below are prohibited. Consistent with the requirements of law and this Investment Policy, the Charter School may place orders for the execution of transactions with or through such broker/dealers, banks or counterparties as may be selected from time to time. All securities must be U.S. dollar denominated. To the extent consistent with the objectives stated above, the investment restrictions outlined below, and the investment limitations specified herein, the Charter School may invest in the following areas.

**State and Local Agencies.** Registered treasury notes or bonds of this or any of the other forty- nine United States, including bonds payable solely out of the revenues from a revenue-producing property owned, controlled, or operated by a state or by a department, Board of Directors, agency, or authority of this state or any of the other forty-nine United States.

Bonds, notes, warrants, or other evidences of indebtedness of any local agency

within this state (including MPS), including bonds payable solely out of the revenues from a revenue-producing property owned, controlled, or operated by the local agency, or by a department, Board of Directors, agency, or authority of the local agency.

**United States Treasury Issues.** United States Treasury notes, bonds, bills, or certificates of indebtedness, or those for which the faith and credit of the United States are pledged for the payment of principal and interest.

**U.S. Agencies (Federal Agency Obligations).** Federal Agency or United States government-sponsored enterprise obligations, participations, or other instruments, including those issued by or fully guaranteed as to principal and interest by federal agencies or United States government-sponsored enterprises.

**Supranationals.** Supranational organizations are international financial institutions that are generally established by agreements among nations, with member nations contributing capital and participating in management. Supranational bonds finance economic and infrastructure development and support environmental protection, poverty reduction, and renewable energy around the globe. MPS may purchase the United States dollar denominated senior unsecured unsubordinated obligations issued or unconditionally guaranteed by the International Bank for Reconstruction and Development, International Finance Corporation, or Inter-American Development Bank.

**Bankers' Acceptances.** Bankers' acceptances otherwise known as bills of exchange or time drafts that are drawn on and accepted by a commercial bank. Purchases of bankers' acceptances may not exceed 180 days maturity. Eligible bankers' acceptances are restricted to issuing financial institutions with short-term debt rating of at least "A-1," or its equivalent, by a nationally recognized statistical rating organization (NRSRO) or a long-term rating of not less than "A" from a NRSRO.

**Commercial Paper.** Commercial paper rated the highest ranking or of the highest letter and number rating as provided for by a NRSRO. Eligible commercial paper shall be of 'prime' quality of the highest ranking. The commercial paper shall not exceed 270 days maturity. The entity that issues the commercial paper shall meet all of the following conditions in either paragraph (a) or paragraph (b):

- a) Has total assets in excess of five hundred million dollars (\$500,000,000), is organized and operating within the United States as a general corporation, and has debt other than commercial paper, if any, that is rated "A" or higher by a NRSRO.
- b) Is organized in the United States as a special purpose corporation, trust, or limited liability company, has program-wide credit enhancements including, but not limited to overcollateralization, letters of credit or a surety bond, has commercial paper that is rated "A-1" or higher, or the equivalent, by a NRSRO.

Split ratings (i.e. A2/P1) are not allowed.

**Placement Service Deposit.** Deposits placed through a deposit placement service shall meet the requirements under Government Code Section 53601.8. The full amount of the principal and the interest that may be accrued during the maximum term of each deposit shall at all times be insured by federal deposit insurance.

**Negotiable Certificates of Deposit.** Negotiable certificates of deposit (NCDs) issued by a nationally or state-chartered bank, a savings association or a federal

association, a state or federal credit union, or by a federally licensed or state-licensed branch of a foreign bank. Purchases are limited to institutions which have long-term debt rated at least in the “A” category, or its equivalent, by a NRSRO, and/or have short-term debt rated at least “A-1,” or its equivalent, by a NRSRO. NCDs may not exceed 5 years in maturity. In combination with placement service CDs, a maximum of 30 percent of the portfolio may be invested in this category. The amount invested in NCDs with any one financial institution in combination with any other securities from that financial institution shall not exceed ten percent of the portfolio. Quarterly, the Charter School will monitor custodial credit risk and report the outcome to the Board of Directors. All deposits are to be in FDIC insured institutions and will be reviewed as to the nature and extent of its present compliance with regulations, federal regulatory requirements, profitability/loss trend, liquidity and capital ratios.

**Repurchase Agreements.** Investments in repurchase agreements for the purpose of this Investment Policy Statement (as defined by section 53601(j) of the California Government Code) means a purchase of securities by the Charter School pursuant to an agreement by which the seller will repurchase the securities on or before a specified date and for a specified amount and will deliver the underlying securities to the Charter School by book entry, physical delivery, or by third party custodial agreement. Repurchase agreements are to be used as short-term investments not to exceed one year. The following collateral restrictions will be observed: Only United States Treasury securities or Federal Agency securities will be acceptable collateral. All securities underlying repurchase agreements must be delivered to MPS’s custodian bank or be handled under a properly executed tri-party repurchase agreement. The total market value of all collateral for each repurchase agreement must equal or exceed 102% of the total dollar value of the money invested by MPS for the term of the investment.

Repurchase agreements are required to be collateralized by securities or cash authorized under California Government Code Section 53601(j)(2). Collateral will be held by an independent third party with whom the Charter School has a current custodial agreement. A clearly marked evidence of ownership (safekeeping/custody receipt) must be supplied to the Charter School and retained. The Charter School retains the right to substitute or grant substitutions of collateral. Investments in repurchase agreements may be collateralized by any securities authorized within this section. Agreements are subject to California Government Code Section 53601 and must comply with the delivery requirements and the maturity provision from Section 53601.

**Medium-Term Notes.** Medium-term notes defined as all corporate and depository institution debt securities with a maximum remaining maturity of five years or less, issued by corporations organized and operating within the United States or by depository institutions licensed by the United States or any state and operating within the United States. Purchases are limited to securities rated at least in the “A” category, or its equivalent, by a NRSRO.

**Money Market Funds.** Shares of beneficial interest issued by diversified management companies that are money market funds registered with the Securities and Exchange Commission that invests solely in U.S. Treasuries and Federal Agency obligations and repurchase agreements relating to such obligations

**Mutual Funds.** Shares of beneficial interest issued by diversified management companies that invest solely in securities and obligations authorized by this policy. The company shall have met either of the following criteria: (A) Attained

the highest ranking or the highest letter and numerical rating provided by not less than two NRSROs, (B) Retained an investment adviser registered or exempt from registration with the Securities and Exchange Commission with not less than 5 years of experience managing money market mutual funds with assets under management in excess of five hundred million dollars (\$500,000,000).

**Local Government Investment Pools Joint Powers Authority (LGIP JPA.)**

Shares of beneficial interest issued by a joint powers authority organized pursuant to Government Code Section 6509.7. To be eligible for purchase, the pool must meet the requirements of California Government Code Section 53601(p), the pool must seek to maintain a stable Net Asset Value (“NAV”), and the pool must be rated at least “AAA,” or its equivalent, by a NRSRO.

**Mortgage- and Asset-Backed Securities.** Any mortgage pass-through security, collateralized mortgage obligation, mortgage-backed or other pay-through bond, equipment lease-backed certificate, consumer receivable pass-through certificate, or consumer receivable-backed bond of a maximum of five years’ maturity. Securities eligible for investment under this subdivision shall be issued by an issuer having at least an “A” rating, or its equivalent, for the issuer’s debt as provided by a NRSRO and rated at least “AA”, or its equivalent, by a NRSRO.

**SAFEKEEPING AND CUSTODY**

All deliverable security transactions entered into by MPS shall be conducted on a delivery- versus-payment (DVP) basis. To protect against potential losses by collapse of individual securities dealers, and to enhance access to securities, interest payments and maturity proceeds, all securities owned by MPS shall be held in safekeeping by a third party bank trust department, acting as agent for MPS under the terms of a custody agreement executed by the bank and by MPS. The only exception to the foregoing shall be depository accounts and securities purchases made with: (i) LAIF and government investment pools and, (ii) money market funds, since the purchased investments are not deliverable. Evidence of each these investments will be held by MPS.

**MAXIMUM MATURITIES**

The CEO and Oversight Committee shall maintain a system to monitor and forecast revenues and expenditures so that funds can be invested to the fullest extent possible. Maturities of investments will be selected to provide necessary liquidity, manage interest rate risk, and optimize earnings. Because of inherent difficulties in accurately forecasting cash flow requirements, a portion of the portfolio should be continuously invested in readily available funds.

The maximum maturity of individual investments shall not exceed the limits set forth in the Authorized and Suitable Investments section. If the section does not specify a maturity limit, no investment shall have a remaining maturity in excess of five years from the date of purchase unless MPS has granted its express authority to make that investment either specifically or as a part of an investment program no less than three months prior to the investment.

**INVESTMENT RESTRICTIONS**

**Credit Ratings**

Credit ratings will be applied at the time of purchase of a security. A subsequent

downgrade in a security’s credit rating will not constitute a violation of the Investment Policy. Securities which are downgraded below the minimum acceptable rating levels must be reviewed for possible sale within a reasonable amount of time.

U.S. Government obligations are exempt from the credit rating requirements listed below.

The credit ratings referred to below must be assigned by one of the following NRSROs: Standard & Poor’s Corporation (“S&P”), Moody’s Investors Service, Inc. (“Moody’s”), and Fitch Ratings (“Fitch”).

- a) Short-term debt ratings – (two of the following and not less than the following) “A-1” or “SP-1” (S&P); “P-1” or “MIG 1/VMIG 1 (Moody’s); or “F1” (Fitch) Ratings.

Split ratings are not allowed, i.e. A-1/P-1/F2 or similar. An issuer of short-term debt must have no less than an “A” rating on long-term debt.

- b) Long-term debt ratings – Investments purchased with remaining maturities of 397 days or less- shall be rated by at least two NRSROs and have obtained no less than an “A” rating by any.

Investments purchased with remaining maturities longer than 397 days– shall be rated by at least two NRSROs and have obtained no less than an “AA” rating by any. If an issuer of long-term debt has a short-term rating, then it may not be less than A-1/SP-1 or P-1/MIG1 or F1.

- c) Repurchase Agreement counterparties shall have a minimum short-term rating, or counterparty rating, of no less than A-1 or equivalent by two NRSROs and have capital of not less than \$500 million.
- d) Any issuer that has been placed on “Credit Watch-Negative” by a NRSRO will be removed from our approved list unless the following criteria are met: The issuer has (a) an A-1+ or F1+ short-term rating; or (b) at least an AA or Aa2 long- term rating.

**DIVERSIFICATION AND MATURITY RESTRICTIONS**

It is the policy of the Charter School to diversify its funds. Investments are diversified to minimize the risk of loss resulting in over concentration of assets in a specific maturity, specific issuer, or a specific class of securities. Diversification strategies shall be established by the Charter School and periodically reviewed.

**1. Authorized Investments**

The following diversification limits will be applied at the time of purchase of a security.

Type of Investment	Cal. Gov. Code % of Funds Permitted	Cal Gov. Code Maximum Final Maturity
U.S. Treasury Securities	100%	5 Years
U.S. Government Agency Securities	100%	5 Years

Municipal Debt	100%	5 Years
Medium-Term Notes	30%	5 Years
Bankers Acceptances	40%, 30% of a single issuer	180 Days
Commercial Paper	40%, 10% of a single issuer	270 Days
Negotiable Certificates of Deposits	30%	5 Years
Repurchase Agreements	100%	1 Year
Mutual Funds	20%, 10% in a single fund	N/A
Investment Pools	100%	N/A

## 2. Maturity

The maximum maturity of any investment purchased will be five years with the exception of investments authorized by the Board of Directors to be invested in longer than five year maturities. For purposes of calculating final maturity, the earlier of final maturity date or mandatory put or tender option date will be used.

## PROHIBITED TRANSACTIONS

At the time of purchase, all permitted investments shall conform in all respects with this Investment Policy, as may be amended from time to time. No investment prohibited by California Government Code shall be permitted herein.

Any investment transactions, credit risk criterion, percentage limitations or market valuation that are not in compliance with this Investment Policy and cannot be corrected without penalty at time of purchase must be documented and approved by the Charter School in writing as soon as possible. Thereafter, action shall be taken by the Charter School to correct such matter as soon as practical. If a percentage restriction is adhered to at the time of purchase, a later increase or decrease in percentage resulting from a change in values or assets will not constitute a violation of that restriction.

The following transactions are prohibited:

- a) Borrowing for investment purposes (“Leverage”).
- b) Reverse Repurchase Agreements, as defined by California Government Code Section 53601(j)(3) and (j)(4) or otherwise.
- c) Structured Notes (e.g. inverse floaters, leveraged floaters, structured certificates of deposit, equity-linked securities, event-linked securities). This includes all floating-rate, adjustable-rate or variable-rate securities in which a change in interest rates or other variables that can reasonably be foreseen to occur during their term would result in their market value not returning to par at the time of each interest rate adjustment.

Simple “floating rate notes,” whose periodic coupon adjustment is based on a short-term (one-year or less) rate index (such as Treasury bills, federal funds, prime rate or LIBOR) and which have a reasonable expectation of maintaining a value of par at each interest rate adjustment through final maturity, are exempt from this definition. Additionally, U.S. Treasury and Agency zero coupon bonds, U.S. Treasury and Agency strips, Resolution Funding Corporation (“REFCORP”) strips or other callable securities which otherwise meet the quality, maturity and percent limitations assigned to their respective security category, are exempt from this section.

- d) Structured Investment Vehicles (“SIV”).
- e) Derivatives (e.g. options, futures, swaps, swap options, spreads, straddles, caps, floors, collars) shall be prohibited.

#### ETHICS AND CONFLICT OF INTEREST

The Charter School and all persons involved in the investment process shall refrain from personal business activity which could create a conflict with proper execution of the investment program, or which could impair the ability to execute impartial investment decisions. The Charter School and all treasury and investment personnel shall disclose to the Board of Directors any material financial interests in financial institutions, broker dealers and vendors (“outside entities”) and shall disclose any material financial investment positions in such outside entities.

#### PERFORMANCE STANDARDS

The investment portfolio shall be designed with the objective of obtaining a market rate of return throughout budgetary and economic cycles, commensurate with the investment risk constraints and the cash flow needs, but focusing on preservation of capital and then liquidity as the most important objectives, with yield as the least important objective.

The Charter School’s investment strategy is to actively manage the portfolios to create less risk than a benchmark comparable index and to use economies of scale to invest and administer the program at a reasonable cost. Given this strategy, the basis used by the Charter School to determine whether market yields are being achieved shall be the indices most comparable to the fund, such as money rate data published in Barron’s, The Wall Street Journal, Bloomberg, etc. or other bond fund indices. The standards enumerated herein do not constitute a guarantee of the fund’s performance.

**Effective Date: 9/5/17**

**Prepared by: Central Office**  
**Approved by: BOD**

**Title: REV101 SALES RECEIPT PROCESSING**

**Policy:** To ensure the most accurate process for billing for services, sales receipts will be properly evaluated and approved prior to entry into the accounting system.

**Purpose:** This procedure outlines the activities and responsibilities involved in verifying the acceptability of all sales receipts.

**Scope:** These procedures are to be followed for all sales receipts.

**Responsibilities:**

Back-office provider approves sales receipt documentation.

**Procedure:**

**1.0 DOCUMENT VERIFICATION**

**1.1** Sales Receipts are often used for Parenting Fees and other similar fees. Verify that all of the correct documents have been used and are present to support the sales receipt transaction. The following documents are required to complete the Sales Receipt transaction:

- Document identifying what the money collected is for
- Approval or authorized signature for the course
- Customer, parent, or other correspondence or support documentation, etc
- Complete the Back-office provider Deposit Log

**1.2** Verify that all required information is available to complete the sales receipt.

**1.3** Review the customer's Accounts Receivable aging and determine that the customer is current with their payments and that the new sales receipt will not affect their balance.

**SOP # REV102 Revision: 2**  
**Effective Date: 9/5/17**

**Prepared by: Central Office**  
**Approved by: BOD**

**Title: REV102 INVOICING, ACCOUNTS RECEIVABLE,  
RECEIVABLE ACCRUALS**

**Policy:** The Finance Department is responsible for the timely preparation and distribution of invoices to optimize cash flow and customer payments. The Finance Department with the support of Back-office provider will also maintain accurate records over Accounts Receivables and Accruals and abide by proper internal controls.

**Purpose:** To explain the methods for the preparation of invoices, accounts receivable, and receivable accruals records processing.

**Scope:** This procedure applies to all revenue earned and services provided by the company.

**Procedure:**

**1.0 SALES RECEIPT REVIEW**

**1.1** A formal invoice is not always applicable such as when service fees are collected for items such as Parenting.

**1.2** The SALES RECEIPT should contain all pertinent billing information as part of the company's sales receipt procedure. However, as part of proper internal control, Billing will verify the information contained on the customer's sales receipt documentation.

As part of this review process, the propriety and accuracy of contact information, prices, description of services, extensions and footings will be determined.

**2.0 INVOICE PREPARATION AND POSTING**

**2.1** The next sequentially numbered Invoice (see example REV102 Ex1 INVOICE) will be prepared from the information from the Federal, State, or Local Grant or Contract Language including all reimbursable costs and will include the invoice date, service item, description of services or billing information, quantity, rate, class or program code, price and extended amounts and the customer's billing addresses.

**2.2** Post the invoice by saving the transaction.

**3.0 DISTRIBUTION**

**3.1** Send one copy of the invoice to the customer and retain a second copy of the invoice in the customer file.

**4.0 ACCOUNTS RECEIVABLE**

**4.1** Accounts Receivable will receive and process payments from customers in accordance with the CASH RECEIPTS procedure.

## Accounting Policies, Procedures and Forms

- 6.0** On a monthly basis, Accounts Receivable will generate an aged trial balance of customers' accounts with individual invoice information and days outstanding and will forward to Finance Manager and Chief Financial Officer for their follow up on any aged invoices.
- 6.1** Accounts Receivable will generate monthly statements of outstanding customers' accounts and issue them to customers no later than 10 days after each month end.
- 6.2** Accounts Receivable will issue Credit Memos to customers upon receipt of approved changes in the terms.
- 5.0 RECEIVABLE ACCRUALS**
- 5.1** Monthly receivable accruals are at the discretion of the Chief Financial Officer and the Finance Manager when those amounts are reasonably known and quantifiable. Fiscal year end receivable accruals are required to be quantified and recorded no later than August 15<sup>th</sup>.

**SOP # REV103 Revision: 2**  
**Effective Date: 9/5/17**

**Prepared by: Central Office**  
**Approved by: BOD**

**Title: REV103 PROJECT(Grant/Contract) REVENUE: PROGRESS BILLING**

**Policy:** Progress billings will be made to clients on a timely basis throughout the life of the project. Projects are typically considered Federal, State, and Local Grant contracts. These billings will be accurate and easily understood by both parties involved.

**Purpose:** The purpose for creating progress billings is to obtain payment for the portion of labor and materials, i.e. “reimbursed costs” used up to a certain point in time and before the project is fully completed. This improves the cash flow typical of long-term projects or assignments. This procedure applies to all Federal, State, and Local Grants and Contracts, Service agreements or Projects provided by the Organization.

**Scope:** This procedure applies to all service agreements or projects provided by the Organization.

**Responsibilities:**

The Finance Department is responsible for the confirmation of all final program amounts and is responsible for knowing the correct procedures to be followed for each contract.

**Procedure:**

**1.0 CONTRACT TYPES**

**1.1 Reimbursement for Services.** Progress billing for Reimbursement for Services contracts requires Finance teams to be up to date and monitor the services being provided according to the terms of each contract. The Finance team will enter into the reimbursement request the allowable costs that may be billed according to the contract. From time to time and at the end of the contract, the Chief Financial Officer reviews the billings of the contract and ensures that all available opportunities to recover reimbursable costs have been considered.

**1.2 Set Contracts.** Set contracts such as with the individual charter schools involve reimbursement for costs such as building rental and an allowance for the amount of apportionment attendance earned. Although the contract is set by terms of the contract, since student attendance can vary, the invoicing for these types of contracts is the same amount throughout the fiscal year and reconciled at the end of the year to account for the final attendance counts.

Accounting Policies, Procedures and Forms

---

**2.0 BREAKDOWN OF CONTRACT AMOUNT**

- 2.1** The Finance Department with the support of Back-office provider is responsible for the final reconciliation of all grant and other contracts at the end of the year by reviewing final billings prepared by the Finance team and/or the School Principal. Normally, the contractual agreement will specify the procedures for payment and may also specify the form of the breakdown of contract amount that is required. Care should be taken to be sure that all costs, services, and fees are fully billed and accounted for in each contract.

---

**SOP # REV104 Revision: 1**  
**Effective Date: 9/5/17**

**Prepared by: Central Office**  
**Approved by: BOD**

**Title: REV104 ACCOUNT COLLECTIONS**

**Policy:** All open accounts receivable with late or delinquent payment activity will be handled in a timely and effective manner to ensure maximum collections and an optimum accounts receivable turnover ratio.

**Purpose:** To provide the actions and methods for processing late or delinquent payments.

**Scope:** This procedure applies to the Accounts Receivable Department involved with collection of past due accounts receivable. The Finance team and the Chief Financial Officer may be involved in reference special arrangements.

**Responsibilities:**

The Finance team reviews all records for a customer to determine a possible explanation for non-payment prior to commencing the collection process.

**Definition:** Bad Debt consists of unpaid accounts receivable invoices that are considered to be uncollectible.

Debt collector is any person who regularly collects debts owed to others. This includes attorneys who collect debts on a regular basis.

**Procedure:**

**1.0 COLLECTION PROCESS**

**1.1** No matter how careful customers are screened prior to credit approval, slow pay or delinquent accounts will occur from time to time. Once an account becomes past due by even a few days, the collection process should commence immediately. Studies have shown that the sooner the collection process starts then the more likely that the debt will be collected.

**1.2** Prior to commencing the collection process, the following should be reviewed by the assigned Finance team:

- Verify that after the Invoice was immediately sent out for all billings to the customer and sent to the correct billing address.
- Make certain that the Organization has not received the customer's payment or applied it to the wrong account. These seem obvious, but it can avoid an uncomfortable situation in wrongly accusing the customer of delinquent payments.

Accounting Policies, Procedures and Forms

---

- Review the customer's past payment activity. Determine if they are chronically late and what their response has been to any other overdue notices to determine payment patterns or trends.

- 1.3 Upon review of the above, the Accounts Receivable Representative should then proceed with the collection process by completing an REV104 Ex1 ACCOUNT COLLECTION CONTROL Form. This form will assist in planning and tracking the collection effort. Depending on the amount and the customer situation, the representative can choose to follow-up with collection letters, telephone calls or both.

Record all actions taken (late payment notice, telephone call, etc.) with a date on an ACCOUNT COLLECTION CONTROL Form filed in the customer folder. All customer agreements and explanations should be noted. If payment has not reached the Organization by the expected date, immediate follow-up action should be taken with another collection call or letter. The longer an overdue account is ignored, the longer the customer will ignore it, too.

- 1.4 Telephone communication will often speed up the collection process. Credit representatives, when speaking with a delinquent account, should observe a few tips or principles.

- Identify yourself and the Organization and state the reason for calling. Be direct and use a controlled, confident voice. Concentrate on listening to the customer and don't rush through the call.
- Get the Facts - The most powerful tool is knowledge. During the phone conversation, try to gain as much insight into the situation as possible. Remember, the goals and objectives are to:

Collect the money!

Identify reasons for non-payment

Settle on an agreement for clearing the debt, including special payment plans and exact dates when a check will be sent.

- Never argue, accuse or be condescending - Verbally fighting or talking down to the customer will only serve to produce negative feelings and may hamper the collection effort. The ultimate purpose is to secure payment, and this is best accomplished without becoming defensive or irritated.
- There are several common objections, complaints and excuses used to elude payment. Study the following examples to learn the most effective responses to the most frequently used ploys.

**"I didn't get the invoice."** - Respond by verifying the debtor's name and address, and then review the account information with them.

**"The check is in the mail."** - Extend your thanks, then ask for a check number, amount, date posted and address to which it was mailed.

Accounting Policies, Procedures and Forms

---

**"Your payment is being processed."** - Ask when the payment will be ready for the mail. Determine the process that the payment undergoes after it leaves your contact's desk.

**"I need proof of delivery."** - Give the customer the name of the person who signed the delivery slip.

**"The computer is down."** - When do you expect it to be up? Can we get a manual payment?

**"I'll pay you when we get paid."** - Respond calmly, but make a direct request for payment, such as "When can I expect payment?"

**"I have no money"** - Create a payment plan. Be flexible and consider alternatives offered by the customer. Work toward making the plan acceptable to both of you.

- 1.5 Many people find it difficult to confront customers regarding delinquent payments. Just keep in mind that it is the customer, who should feel uncomfortable in this situation.
- 1.6 If customers stop paying, their phone has been disconnected, and you cannot find them, consider using these resources to locate these debtors and their assets:
- City directories
  - Post office (for a forwarding address)
  - A customer's employer
  - Department of motor vehicle license and registration records
  - "In case of emergency" contact, references or closest relatives listed on a credit application
  - Old files and correspondence
  - The Internet (i.e. <http://www.isleuth.com/peop.html>)
  - Skip-tracing services or private investigator
  - Credit bureau reports
  - Neighbors
  - Directory assistance

Accounting Policies, Procedures and Forms

---

**2.0 SERIOUSLY DELINQUENT OR UNRESPONSIVE ACCOUNTS**

**2.1** When an account becomes more than 60 days past due, the immediate target of securing prompt payment should take on a greater sense of urgency. The Finance Manager should review the account with Accounts Receivable to determine if the customer's business is valued.

If their business is valued, the following strategies may be used to collect payment:

- Restrict any further credit until the past due amount is paid in full.
- Withhold services already entered into. The harsh reality of having a MERF customer have to move from a MERF location or find a new provider often can spur a delinquent account into action.

**2.2** If all other avenues for collection of the account have been exhausted, the Finance Manager, after consulting with the Chief Financial Officer, may want to consider and authorize the use of an outside collection agency.

**2.3** All uncollectible accounts will be reviewed by the Finance Manager for disposition.

**3.0 WORKING WITH COLLECTION AGENCIES**

**3.1** Collect all material records for the debt in question and send them to the collection agency. The agency will require a copy of the invoice, proof of delivery, and/or any other correspondence that may help them collect the debt.

**3.2** Record the date the debt was sent to collections in the accounts receivable file.

**3.3** If payments are received after the debt has been sent to collections, then notify the collection agency immediately in order to stop any further collection efforts. The agency will take their fee for any debt that has been collected once it has been registered by the agency.

**3.4** If all other avenues for collection of the account have been exhausted, the Organization should consider further legal action.

**4.1 WRITING OFF UNCOLLECTED DEBT**

**4.2** Write-off any debts remaining uncollected or that are returned from the collection agency and record as a bad debt expense and deduct from accounts receivable.

**4.3** If any payments are received after being written-off from accounts receivable, then receive them in as income in the period received.

**4.4** If bad debt is a recurring problem then consider setting up a reserve account or allowance for bad debt at the beginning of the year.

Accounting Policies, Procedures and Forms

---

**References:****A. FAIR DEBT COLLECTION PRACTICES ACT (FDCP)**

The FDCP requires that debt collectors treat consumers fairly and prohibits certain methods of debt collection. Personal, family, and household debts are covered under the Act. This includes money owed for the purchase of an automobile, for medical care, or for charge accounts. Business debt is not included.

Debt collectors may not 1) harass, oppress, or abuse the debtor or any third parties they contact. 2) Use any false or misleading statements when collecting a debt.

For example, debt collectors may not:

- Use threats of violence or harm;
- Publish a list of consumers who refuse to pay their debts (except to a credit bureau);
- Use obscene or profane language; or
- Repeatedly use the telephone to annoy someone.
- Falsely imply that they are attorneys or government representatives;
- Falsely imply that the debtor may have committed a crime;
- Falsely represent that they operate or work for a credit bureau;
- Misrepresent the amount of the debtor's debt;
- Indicate that papers being sent to the debtor are legal forms when they are not
- Indicate that papers being sent to the debtor are not legal forms when they are.
- Give false credit information about the debtor to anyone, including a credit bureau;
- Send the debtor anything that looks like an official document from a court or government agency when it is not.
- Use a false name.
- Collect any amount greater than the debtor's debt, unless the debtor's state law permits such a charge;
- Deposit a post-dated check prematurely;
- Use deception to make the debtor accept collect calls or pay for telegrams;
- Take or threaten to take the debtor's property unless this can be done legally.
- Contact the debtor by postcard.
- Say the debtor will be arrested if they do not pay the debt;
- Say they will seize, garnish, attach, or sell the debtor's property or wages, unless the collection agency or creditor intends to do so, and it is legal to do so.

Accounting Policies, Procedures and Forms

---

- Say they will take actions, such as a lawsuit against the debtor, when such action legally may not be taken, or when they do not intend to take such action.

Accounting Policies and Procedures

**SOP # REV105 Revision: 2**  
**Effective Date: 9/5/17**

**Prepared by: Central Office**  
**Approved by: BOD**

**Title: REV105 REVENUE RECOGNITION - GRANTS AND CONTRIBUTIONS**

**Policy:** The Organization receives revenue from several types of transactions. It is the policy of the Organization to separate and recognize revenue from grants and contributions separately in the financial statements of the Organization and to comply with all current Federal and California rules regarding solicitation and collection of charitable contributions.

**Purpose:** To provide a separate accounting of grant and contribution income.

**Scope:** This procedure applies to all grant and contribution income.

**Responsibilities:**

Chief Financial Officer and the Finance Department direct the separate accounting for grant revenue and contributions received.

Back-office provider ensures that grant and contribution revenues are separately tracked within the accounting system.

**Definition:**

**Contribution** - An unconditional transfer of cash or other assets to the Organization, or a settlement or cancellation of the Organization's liabilities, in a voluntary nonreciprocal transfer by another entity acting other than as an owner.

**Condition** - A donor-imposed stipulation that specifies a future and uncertain event whose occurrence or failure to occur gives the promisor a right of return of the assets it has transferred to the Organization or releases the promisor from its obligation to transfer its assets.

**Restriction** - A donor-imposed stipulation that specifies a use for the contributed asset that is more specific than broad limits resulting from the nature of the Organization, the environment in which it operates, and the purposes specified in the Organization's articles of incorporation and bylaws. Restrictions on the Organization's use of an asset may be temporary or permanent.

**Nonreciprocal Transfer** - A transaction in which an entity incurs a liability or transfers assets to the Organization without directly receiving value from the Organization in exchange.

Accounting Policies and Procedures

---

**Promise to Give** - A written or oral agreement to contribute cash or other assets to the Organization.

**Exchange Transaction** - A reciprocal transaction in which the Organization and another entity each receive and sacrifice something of approximately equal value

**Procedure:****1.0 GRANT AND CONTRIBUTION REVENUE RECOGNITION**

**1.1 Grant income** – Recognized as income when received, based on incurrence of allowable costs (for cost-reimbursement awards) or based on other terms of the award (for fixed price, unit-of-service, and other types of awards). The types of grant income typically received by the Organization are:

- (a) Education payments for MERF Charter services.
- (b) Various Federal, State, and Local grants and contracts.
- (c) Other types of grant income may be received from time to time.

At year-end, grant income that has been incurred but not yet received are accrued to conform with generally accepted accounting principles.

**1.2 Contributions** - Recognized as income when received, unless accompanied by restrictions or conditions (see the next section on contribution income).

**1.3 CONTRIBUTIONS RECEIVED****A. Distinguishing Contributions from Exchange Transactions**

The Organization may receive income in the form of contributions, revenue from exchange transactions, and income from activities with characteristics of both contributions and exchange transactions. The Organization shall consider the following criteria, and any other relevant factors, in determining whether income will be accounted for as contribution income, exchange transaction revenue, or both:

1. The Organization's intent in soliciting the asset, as stated in the accompanying materials;
2. The expressed intent of the entity providing resources to the Organization (i.e. does the resource provider state its intent is to support the Organization's programs or that it anticipates specified benefits in exchange?);

## Accounting Policies and Procedures

---

3. Whether the method of delivery of the asset is specified by the resource provider (exchange transaction) or is at the discretion of the Organization (contribution);
4. Whether payment received by the Organization is determined by the resource provider (contribution) or is equal to the value of the assets/services provided by the Organization, or the cost of those assets plus a markup (exchange transaction);
5. Whether there are provisions for penalties (due to nonperformance) beyond the amount of payment (exchange transaction) or whether penalties are limited to the delivery of assets already produced and return of unspent funds (contribution); and
6. Whether assets are to be delivered by the Organization to individuals or other than the resource provider (contribution) or whether they are delivered directly to the resource provider or to individuals or the Organization is closely connected to the resource provider.

### **B. Accounting for Contributions**

The Organization shall recognize contribution income in the period in which the Organization receives restricted or unrestricted assets in nonreciprocal transfers, or unconditional promises of future nonreciprocal asset transfers, from donors. Contribution income shall be classified as increases in unrestricted, temporarily restricted, or permanently restricted net assets based on the existence or absence of such restrictions. See REV107 Restricted Funds for more details.

Unconditional promises to give shall be recorded as assets and increases in temporarily restricted net assets (contribution income) of the Organization in the period that the Organization receives evidence that a promise to support the Organization has been made. Unconditional promises to give that are to be collected within one year shall be recorded at their face value, less any reserve for uncollectible promises, as estimated by management. Unconditional promises to give that are collectible over time periods in excess of one year shall be recorded at their discounted net present value. Accretion of discount on such promises to give shall be recorded as contribution income in each period leading up to the due date of the promise to give. The interest rate that shall be used in calculating net present values of unconditional promises to give is the risk-free rate of return available to the Organization at the time the Organization receives a promise from a donor.

When the final time or use restriction associated with a contributed asset has been met, a reclassification between temporarily restricted and unrestricted net assets shall be recorded.

When it receives support in the form of volunteer labor, the Organization shall record contribution income and assets or expenses if one of the following two criteria is met:

1. The contributed service creates or enhances a nonfinancial asset (such as a building or equipment), or
2. The contributed service possesses all three of the following characteristics:
  - a. It is the type of service that would typically need to be purchased by the Organization if it had not been contributed,
  - b. It requires specialized skills (i.e. formal training in a trade or profession), and
  - c. It is provided by an individual possessing those specialized skills.

Contributed services that meet one of the two preceding criteria shall be recorded at the fair market value of the service rendered.

### **C. Receipts and Disclosures**

The Organization and its donors are subject to certain disclosure and reporting requirements imposed under the Internal Revenue Code and its underlying regulations. To comply with those rules, the Organization shall adhere to the following guidelines with respect to contributions received by the Organization.

For any separate contribution received by the Organization, it shall provide a receipt to the donor. The receipt shall be prepared by the School Principal. All receipts prepared by the Organization shall include the following information:

1. The amount of cash received and/or a description (but not an assessment of the value) of any noncash property received;
2. A statement of whether the Organization provided any goods or services to the donor in consideration, in whole or in part, for any of the cash or property received by the Organization from the donor, and
3. If any goods or services were provided to the donor by the Organization, a description and good faith estimate of the value of those goods or services.

[This page intentionally left blank]

**SOP # REV106 Revision: 2**  
**Effective Date: 9/5/17**

**Prepared by: Central Office**  
**Approved by: BOD**

**Title:** REV106 GIFTS-IN-KIND

**Policy:** MERF may accept contributions of goods or services that can be used to advance the mission of MERF and/or any of its schools or may be converted readily into cash. When accepting a gift-in-kind, the receiver must ask the donor to complete as an example REV106 Ex1 GIFT-IN- KIND FORM. Once the donor has completed the form, the receiver must sign the form and send it immediately to the central office for processing.

**Purpose:** To ensure that Gift-In-Kind transactions are handled in accordance with IRS guidelines and are properly recorded.

**Scope:** All Gift-In-Kind transactions.

**Responsibilities:**

Receiver is responsible for assessing the gift for usefulness to the Organization.

School Principal is responsible for handling donor documentation.

The Financial Analysts are responsible for assessing value of gift and informing Back-office provider so that it can be recorded into the accounting system.

**Definition:** **Gifts-In-Kind** - Transactions categorized as a voluntary contribution of goods or services that can be used to advance the mission of MERF or can be readily converted to cash and may qualify as a charitable deduction for the person(s) making the gift.

Contributed services cannot be counted as a gift and do not qualify as a charitable tax deduction to the donor. However, a donor of services may be able to deduct expenses incurred while performing said services. In such cases, the donor should be advised to consult with a tax accountant.

**Background:** The IRS has specific regulations regarding gifts-in-kind. This policy outlines the process an employee of MERF should follow when presented with a gift-in-kind. It limits the liability that may inadvertently be assumed by placing value on gifts or by accepting a gift that does not advance the mission of MERF or cannot be readily converted to cash. It further assures that a donor will receive timely acknowledgement of his/her contribution.

**Procedure:**

**1.0 RECEIPT OF GIFT**

2 When presented with a potential gift-in-kind, an individual must assess if the gift can be used to advance the mission of MERF or could be readily converted to cash. If there is any question as to whether the contribution meets either of these.

criteria, the individual should contact his/her immediate supervisor or the central office.

- 2.0** If the gift is accepted, the individual should offer an immediate and sincere expression of gratitude. At that time, the donor should be given a Gift-In-Kind form and be encouraged to complete the form at that time. If the donor is unable or unwilling to complete the form, the receiver may complete the form, write "N/A" as the estimated fair market value, and enter that the form was completed by him/her in the note section in the lower right hand corner.

The individual accepting the gift cannot offer tax advice or dictate the value of the contribution. It is the responsibility of the donor to determine the fair market value of the contribution. **Note:** the value is for MERF internal gift reporting and accounting only; the donor's receipt and/or acknowledgement will not indicate value in any way that could be construed as an endorsement of its value.

- 2.1** If the item is personal property of the donor and is valued at more than \$5,000, the donor must obtain a certified appraisal. The appraisal cannot be dated more than 60 days from the date of the donation. It must be prepared, signed and dated by a qualified appraiser. Federal law requires that the donor pay for the appraisal. (The cost of the appraisal is also tax deductible). This value will be used for gift reporting purposes only.

**What constitutes a qualified appraisal:**

- I. Appraiser must hold himself or herself out to the public as an appraiser and state credentials showing that he or she is qualified to appraise the type of property being valued.
- II. Appraiser must value the property no more than 60 days before the date of gift; it can be done after the gift has been accepted by the MERF.
- III. Appraiser cannot be (1) the donor, (2) the donee (MERF), (3) any party to the transaction, (4) an appraiser used regularly by (1), (2) or (3), or anyone employed or related to (1),(2), or (3).

The appraisal must contain the following information:

1. A description of the item
2. Its physical condition
3. The date (or expected date) of the contribution
4. Name, address and tax ID number of the appraiser
5. Qualifications of the appraiser including his/her background, experience and education
6. A statement that the appraisal was prepared for income tax purposes
7. Date the item was valued
8. Appraised fair market value of the item
9. Method of valuation (income approach; market data approach; replacement cost minus depreciation approach.)
10. Appraiser must complete Part IV of Section B on form 8283

- 2.2** The individual accepting the gift will sign and date the Gift-In-Kind form only after the donor has irrevocably turned over the gift-in-kind. Once signed, the

form should be turned over to the School Principal immediately for processing and acknowledgement.

- 2.3 The School Principal will notify the Finance team of the contribution. The Finance team will then provide necessary information to Back-office provider so that it can be assigned as an asset or income to the appropriate school or to the central office.

## 2.0 COMPLIANCE

- 2.1 The IRS allows an individual to deduct the full fair market value of a donated item if it is kept by MERF and used for one of its tax-exempt purposes. If the item is to be converted to cash, then the donor may claim a deduction of the cost value or the fair market value, whichever is less. **It is the sole responsibility of the donor to determine the value of a contributed item; the receiver cannot assign a value to the donated item(s).**
- 2.2 Upon receipt of a gift-in-kind, MERF will issue an acknowledgement to the donor along with a copy of the Gift-In-Kind form. The acknowledgement will contain only a description of the contribution and will not include a statement as to the value of the contribution. It will further contain a statement as to what, if any, goods or services were given in exchange for the contribution. MERF cannot issue an acknowledgement for contributions that cannot be used or readily converted to cash.
- 2.3 For gifts with values exceeding \$5,000, the donor must complete all parts of IRS form 8283 and submit the form to MERF for signature. The School Principal, the Chief Financial Officer and the Chief Executive Officer are the only individuals authorized to sign 8283 forms.

If MERF has signed an IRS form 8283 and then sells, exchanges or otherwise transfers the gift within two years from the date of gift, the central office must file a donee information return, IRS form 8282, within 125 days of disposing the property. MERF will advise the donor if such a transaction occurs as it may affect the charitable tax deduction for which they qualify.

Suite 200B

Westminster, CA 92683

Per IRS regulations, any item you value over \$500 requires IRS Form 8283; any item you value over \$5,000 requires Form 8283 and a written appraisal.

*This form does not serve as a receipt for this contribution, but is intended for our internal record keeping purposes only. A receipt describing the items or merchandise donated will be mailed to the address supplied above. Magnolia Educational & Research Foundation is unable to include the estimated value on the donor receipt. It is the responsibility of the donor to substantiate the fair market value for his/her own tax purposes. The donation of services, although very valuable and much appreciated, is generally not considered tax deductible by the IRS. Please consult with your tax advisor to determine the tax implications of your gift.*

Accounting Policies, Procedures and Forms

---

**SOP # REV107 Revision: 2**  
**Effective Date: 9/5/17**

**Prepared by: Central Office**  
**Approved by: BOD**

**Title: REV107 RESTRICTED FUNDS**

**Policy:** To properly record and track funds with restrictions in order to ensure the donor's intended uses are met, assist with cash flow planning purposes, and to stay within compliance with laws relating to use of restricted funds.

**Purpose:** Generally accepted accounting principles require the Organization to classify funds based on the restrictions provided by the donor. These classifications may be unrestricted, temporarily restricted or permanently restricted. Donor restrictions should be in writing, to ensure proper treatment.

**Scope:** This procedure applies to funds received that are classified as temporarily or permanently restricted.

**Responsibilities:**

Back-office provider is responsible for recording restricted donations and releases from restrictions properly in the accounting system. Back-office provider is also responsible for periodic reconciliation of restricted asset totals and monitoring restrictions to determine whether they have been met.

Chief Financial Officer is responsible for monitoring of restrictions and determining whether fulfilling restrictions can be viable for the Organization.

**Definition:**

**Unrestricted Net Assets** - net assets whose use is not restricted by donors, even though their use may be limited in other respects, such as by board designation.

Pledges receivable are considered to be temporarily restricted because of an inference that uncollected amounts are intended for future periods.

**Temporarily Restricted Net Assets** - net assets whose use are limited by donors to either a specified purpose or a later date.

**Permanently Restricted Net Assets** - net assets whose use are restricted in perpetuity, such as endowments.

**Procedure:**

**1.0 RESTRICTED FUNDS**

**1.1** At the time revenue is earned by the Organization, the Financial Analysts with the support of Back-office provider will review any related documentation associated with the revenue to determine whether there are any restrictions on the money.

Examples

## Accounting Policies, Procedures and Forms

---

of restrictions are individual donations given with the intent of supporting a particular program or campaign, a grant received to operate a specific program or project, and donations received to hold in perpetuity. This information can be found on the award letter or on the financial instrument itself. If the revenue is determined to contain restrictions, Back-office provider will record in a separate class in the accounting system to keep separate from unrestricted funds.

- 1.2 Temporarily Restricted Funds** – These funds will be monitored for satisfaction of donor restrictions on a regular basis. Once stipulations are met, they are reclassified from temporarily restricted funds to unrestricted funds regardless of when the related expenses will occur. This is known as “net assets released from restrictions.”
- 1.3 Permanently Restricted Funds** – These funds are restricted by the donor for a designated purpose or time restriction that will never expire. The intent is that the principle balance of the contribution will remain as an investment forever, and the Organization will utilize the interest and investment returns, such as with an endowment.
- 2.0 ACCOUNTING FOR RESTRICTED FUNDS**
- 2.1** In addition to the obligation to its donors, the Organization is bound by law to spend contributed dollars as designated. If a condition on restricted funding has not been fulfilled and the money has been spent, the donor can demand that the funds be returned, pursue legal action, or contact the Office of the Attorney General. It is of the utmost importance that donor restricted funds are handled properly.
- 2.2** Do not budget to spend money unavailable to Organization. When planning and budgeting, be mindful of any and all of the time and activity restrictions present on restricted funds. Understand how restrictions will impact cash flow and availability of funds.
- 2.3** Educate staff and board members who are accountable for the Organization’s financial decisions so that they fully understand funding restrictions. Know when the restrictions are satisfied and how to release the funds from restriction.
- 2.4** When analyzing financial reports, pay close attention to unrestricted funds and, unless you are making decisions regarding programming for which the funds have been restricted, avoid basing decisions on restricted funds. Try to focus your attention on the “Unrestricted” amounts. Formatting financial report with columns that delineate unrestricted and restricted funds can be very helpful.
- 2.5** Most restrictions on funds directly relate to the grant or fundraising request. When researching and applying for grants, be aware of any challenges that potential restrictions could present to the Organization.
- 2.6** Fundraising letters and appeals can inadvertently place restrictions on donations. Be certain that managers and donors understand the purpose of contributed dollars and understand if restrictions are present. Also, be certain that staff charged with fundraising understand that appeals can lead to restricted gifts.

Accounting Policies, Procedures and Forms

---

- 2.7** Work with staff to understand the true cost of programming. Allocate all direct costs associated with a program. These allocations help to prepare more accurate budgets for grants and fundraising appeals, and better utilize contributions restricted to specific programs to ease the pressure on limited general operating dollars.

**SOP # PUR101 Revision: 2**  
**Effective Date: 9/5/17**

**Prepared by: Central Office**  
**Approved by: BOD**

**Title: PUR101 VENDOR SELECTION**

**Policy:** To ensure the performance capabilities of all vendors and maintain the internal controls of over the purchasing functions, vendor selection , quality control , and certain procedural requirements.

**Purpose:** To provide the methods for determining, documenting and, when applicable, inspecting vendors for compliance with Organization policies and contract purchasing requirements.

Purchased products and services should conform to specified requirements. This starts with selection of appropriate suppliers, consultants, and contractors that have the capability and systems to supply products, materials and services to satisfy Organization requirements. Suppliers and consultants are controlled to the extent necessary based on the effect of the purchased items and services on the quality of the Organization's products and services.

**Scope:** This procedure applies to all vendors of products, materials, and services that directly affect the quality of the Organization's products and services.

**Responsibilities:**

The Board of Directors shall have authority to approve all contracts including budgeted and non-budgeted items over \$50,000.

Chief Executive Officer shall have authority to approve all contracts up to and including the amount \$50,000 for all budgeted and non-budgeted amounts.

School Principal is responsible for initial supplier, contractor, and consultant (Collectively the "Supplier") identification and for collection of business information related to the potential supplier. School Principal shall have the ability to approve purchases up to and including the amount of \$10,000.

All MPS Chief Executive Team Members are responsible for approving contracts up to \$10,000 that are within the approved budget.

---

## Accounting Policies, Procedures and Forms

### Procedure:

#### 1.0 VENDOR SELECTION

##### 1.1 New vendors are to be evaluated using the following criteria:

- Pricing: competitive pricing is one component of the evaluation and may be out weighed by other factors. Pricing alone will not be a deciding factor unless all else is equal.
- Parts availability and shipping time frame.
- Performance capability (i.e., financial status, sufficient facilities, capability of equipment and employees, professional licenses, years of experience).
- Internal Quality Assurance program: Contractors undergo PEER Review, hold additional licenses, are given preference.
- Reference checks.
- Warranty information if applicable.
- Whether the vendor is debarred from receiving State and/or Federal funds

##### 1.2 Ongoing evaluation of suppliers:

- On-Time Delivery, 100% on time expected (0 days early, 0 days late)
- Quality: (Items (or lots) rejected/Total items (or lots) received) X 100. Ratings less than 95% require corrective action. Exceptions to the 95% Corrective Action requirement may be given where the total quantity of items or lots received is small and at the Controller's discretion.

##### 1.3 Qualified vendors will be maintained on an Approved Vendor List for purchasing. The approved list can be as simple as those vendors that are retained as "active" in the accounting system.

#### 2.0 VENDOR INSPECTIONS

- 2.1 For critical components that the Organization desires to rely on the quality assurance of the vendor to reduce receiving inspection or testing requirements such as with high end computer parts, an on-sight vendor inspection may be performed and approved.
- 2.2 The Controller will coordinate with the Purchase Agent to plan, arrange and designate staff for all vendor inspections when considered necessary by the Chief Financial Officer.

#### 3.0 VENDOR FILES

- 3.1 A vendor file will be prepared and maintained for all vendors on the Approved Vendor List, which will be used for significant or on-going purchasing. The vendor files will be kept alphabetically and should include the following:

## Accounting Policies, Procedures and Forms

- IRS W-9 Taxpayer Identification Certificate (a PDF download is available at: <http://www.irs.gov/pub/irs-pdf/fw9.pdf>)
- Resale certificates (only required for those that resell their purchases)
- Legal contracts, dealer or marketing agreements, etc.
- Long-term blanket purchase order commitments
- Proof of insurance
- Any other relevant correspondence or documentation

**3.2** Form 1099 must be filed at year-end for the proper reporting of income to certain vendors. To determine whether or not one needs to be filed, all non-merchandise vendors should complete an IRS W-9 Request for Taxpayer Identification Number Certificate. A copy can be obtained via the IRS website ([www.IRS.gov](http://www.IRS.gov)) or by contacting the local IRS office. The vendor indicates on the form the reporting status. Note: Incorporated vendors do not receive 1099s.

This applies to all contractors for service (repair person, accountant, consultant, etc) who are NOT incorporated, and to all lawyers, regardless of incorporation. It is important to make this determination before engaging the contractor so that all payments can be properly tracked for 1099 reporting purposes at the inception.

Accounting Policies, Procedures and Forms

---

**SOP # PUR102 Revision: 3****Prepared by: Central Office****Effective Date: 9/5/17****Approved by: BOD****Title: PUR102 GENERAL PURCHASING**

**Policy:** All purchases of goods and services shall be consistent with the Board-approved budget. The investment in supplies and capital equipment will be facilitated through the Purchasing Department, maintained at the lowest effective level and supervised consistent with a common set of procedures and controls as required by all regulatory and customer contract requirements.

**Purpose:** To outline the actions to be taken for 1) the procurement of supplies and capital equipment, 2) the completion of related documents.

**Scope:** This procedure applies to the purchase of all supplies and capital equipment for all departments within the Organization.

**Responsibilities:**

All personnel that require a product or service must complete a request in Purchasing Software specifying items for purchase and obtain required approvals.

Chief Financial Officer and the Finance Department are responsible for using good purchasing methods, optimizing price savings, quality or value of products, vendor working relationships, placing orders with approved suppliers, negotiating pricing with suppliers, and forwarding all paperwork to Back-office provider accounts payable for payment.

Back-office provider accounts payable is responsible for payment of invoices only after satisfactory completion or delivery of goods or services has been made.

The School Site Personnel and Other Designated Individuals are responsible for receiving, inspecting materials, and forwarding all paperwork to a designated agent at Back-office provider.

**Procedure:****1.0 ORDER DETERMINATION AND REQUISITION**

---

- 1.1 Purchasing should obtain the optimal price for any purchases. All purchases above \$5,000 require at least 3 quotes to be obtained. Quotes may be submitted by the requestor, Controller or the Purchase Manager can obtain the 3 quotes. The quotes are entered into Purchasing Software along with evaluation and selection of the best option by the requestor. The Chief Financial Officer reviews the 3 quotes and forwards the recommendations to the Chief Executive Officer for final review and decision.

PUR102 General Purchasing

page 1 of 6

1.2 For purchases of goods and supplies, a request in the Purchasing Software will be prepared by the originating individual or department. The Purchasing Software request should be completed and approved with the following items and any additional supporting documentation:

- Complete description with part or model numbers and link to website if available
- Engineering drawings and specifications
- Type, Class, Grade required
- Quantity required
- Date required
- Requesting department, account code, and allowance/resource code
- Recommended vendor or source if applicable
- Other requirements
- Special shipping requirements
- Special inspection requirements upon receipt
- Itemized Receipts

For the following purchases, additional information is required:

- Textbooks – Full ISBN
- Airline tickets - passenger(s) legal name(s), date of birth, gender, departure/arrival airport codes and exact dates
- Vehicle rentals - vehicle type, exact dates and exact pick up/drop off locations

1.3 If the requisition is for subcontracted services:

- A complete description of the service to be performed
- Engineering drawings and specifications if appropriate
- Requirements for qualification of personnel
- Other documents such as insurance forms, etc.
- Quality standards to be applied

1.4 Purchasing/Accounting will analyze terms, vendor, pricing, quantity breaks, etc., and will order accordingly in the Organization's best interest. Purchasing will notify the requester of any material variances prior to placement of the order.

1.5 Reimbursements for purchases made by staff will be processed upon proper authorization through the Purchasing Software.

## 2.0 ORDER PLACEMENT

2.1 Requestor is responsible for completing a purchase order form for all orders in excess of \$1,000. This can be processed through the Purchasing Software. Purchase orders are exempted for items such as salaries and related costs, utilities, building leases and debt service payments, other leased equipment, utilities, contracted services, insurance, legal expenses.

2.2 PUR102 General Purchasing page 2 of 6

## Accounting Policies, Procedures and Forms

- 2.3** If there are any requirements for items to be inspected at the supplier's or the Organization's premises by the Organization or our customer, the arrangements and method of product release shall be included in the purchasing information.
- 2.4** Buyers must review their purchase orders for accuracy. The buyer submits their authorization through the Purchasing Software indicating the review was performed.
- 2.5** Orders can be placed with the vendor either by telephone, fax, internet or mail. When placing orders by telephone, the vendor contact and date of order should be noted and a confirming copy of the order sent to the vendor. Pre-approval for any purchase is always required.
- 2.6** Purchasing is responsible for communicating with those receiving the supplies, following-up on shipping, delivery, and expediting and partial shipments of ordered items. Purchasing can either telephone vendors or use a PUR102 Ex1 PURCHASE ORDER FOLLOW-UP form to verify, trace or expedite orders.
- 3.0 RECORDKEEPING AND MATCHING**
- 3.1** When Purchase Orders are issued, the Purchasing and Accounting copies will be placed in an Open File until the items are received. The Open File should be reviewed on a weekly basis to determine whether any orders need follow up.
- 3.2** Items will be received in accordance with procedure PUR103 RECEIVING AND INSPECTION. The completed vendor's packing list is kept at the site where the shipment was received.
- 3.4** For partial shipments, a note will be made in the Purchasing Software to identify the shipment as partially received. The original Purchase Order will be kept in the open file until all items are received.

**SOP # PUR103 Revision: 2**  
**Effective Date: 9/5/17**

**Prepared by: Central Office**  
**Approved by: BOD**

**TITLE: PUR103 RECEIVING AND INSPECTION**

**Policy:** All parts, components, goods and materials will be received in an organized manner and inspected for conformance prior to stocking or use in order to provide an initial quality control inspection. Any items or shipments rejected will be properly quarantined from other inventory items until disposition.

**Purpose:** This procedure outlines the steps for the receiving and inspection of materials, components, or parts and the disposition of rejected items.

**Scope:** This procedure applies to the receipt of all purchases.

**Responsibilities:**

Anyone Performing the Receiving Function are responsible for receiving, inspecting materials, filing receiving documents at site, and marking purchase order as received.

Purchasing is responsible for accepting or rejecting damaged goods. Back-office provider is responsible for payment of invoices.

The Finance Department will review and authorize all rejections.

**Procedure:**

**1.0 RECEIVING**

**1.1** A "receiver" is any form used to record the specific types and counts of product or materials received. Usually, the receiver is provided by the vendor and is not part of the Organization's system at all.

An example of this would be a detailed packing slip, furnished by the vendor with the shipment. The packing slip should be kept at the school site.

All incoming product or materials are to be counted and reconciled with what was originally purchased. Discrepancies must be recorded.

**1.2** All incoming shipments must be examined for apparent package damage. If the shipment has apparent damage, notify Purchasing/Accounting immediately. Purchasing will decide to either accept or reject the shipment from the carrier and/or file a freight claim.

**1.3** If the shipment shows no signs of damage or the Purchase Manager or School Site Principal or designee has decided to accept a damaged shipment, count the shipping pieces (i.e., packages, boxes but not the contents; see Inspection below) and confirm with the bill of lading and note any exceptions (i.e., package damage or shortages).

Accounting Policies, Procedures and Forms

---

**2.0 INSPECTION**

**2.1** At the receiving holding area, each shipment should be unpacked and all items piece counted and matched to the packing list. If a packing list is not available, complete as an example PUR103 Ex1 RECEIVING AND INSPECTION REPORT.

**2.2** The shipment will then be inspected for conformance according to the inspection level required for each part number (see PUR103 Ex3 INVENTORY INSPECTION LEVELS). If multiple part number classes are included in the shipment, each class will be segregated and inspected accordingly.

**2.3** Any previously undiscovered damage to individual inventory items should be noted on the inspection report and immediately followed up with the vendor.

**3.0 REJECTION, DISCREPANCIES AND DISPOSITION**

**3.1** Any count discrepancies will be noted on the packing list or as an example PUR103 Ex2 RECEIVING AND INSPECTION REPORT, signed and forwarded to Purchasing. Purchasing will then follow-up with the vendor to resolve the shipping discrepancy.

**3.2** If there is a non-conformance discrepancy, the suspect goods will be red-tagged and separated (quarantined) from other parts and immediately placed in a separate holding area for disposition.

**3.3** If only partial goods in the shipment are of non-conformance, the accepted goods should be noted on the paperwork and stocked or placed in use per above procedure.

**3.4** Complete as an example PUR103 Ex2 RECEIVING AND INSPECTION REPORT for any rejected parts. Accounting will review and authorize all rejections and complete Part II of the report.

**3.5** Goods found to be in conformance or suitable for their intended use and accepted by Accounting will have the red tag removed and be returned to the receiving area or location the product is needed for use. Accounting will note on the report the justification for any accepted parts and forward the report along with the packing list to the Purchase Manager.

Goods rejected by Accounting will continue to be quarantined and red tagged until disposed. Purchasing will determine and arrange for the appropriate disposition of rejected items (i.e., return to vendor for credit, scrap, etc.).

**3.6** Unidentified shipments should be resolved by the Purchase Manager. Contact the Chief Financial Officer to resolve any suspicious looking packages.

[This page intentionally left blank]

## PUR103 Ex3 INVENTORY INSPECTION LEVELS

The following are generic descriptions of the type of inspections that should be performed for various classes of inventory items. These descriptions are not completely comprehensive for all the possible types of inventory that can be received and therefore, the inspector should use appropriate judgment to determine any special inspection procedures that may be necessary for unique items.

The inspection levels are intended to be cumulative in that higher level inspections will also include all lower level inspection procedures.

The percentage of the total parts inspected will be according to the part number specifications. For example, an inspection level indication of "Level II, 25" would require that 25% of the parts received in the shipment will be examined at a Level II inspection.

If defects or rejected items are discovered within a shipment and less than a 100% inspection has been performed, the receiving inspector will consult with the Quality Control Manager to determine the appropriate action for assurance of the remainder of the shipment.

- Level I: Visual inspection of the shipment or lot. Items appear reasonably to match packing list description(s). Nothing comes to the attention of the inspector as noticeable defects or as unusual and unordinary.
- Level II: Actual hands-on visual inspection of individual parts. Each part inspected will be analyzed for the quality of workmanship and construction and the appearance of any defects.
- Level III: A functional test of the part will be performed as appropriate for the item. For example, pneumatic parts should indicate function when attached to compressed air source; moving parts should rotate, slide etc.; electrical components should operate, light, etc.
- Level IV: The part will be inspected against a set performance or measurement standard as indicated in the part file. For example, structural items will be measured for compliance to drawings within specified tolerances; electrical and mechanical devices will function according to specified performance standards.

[This page intentionally left blank]

**SOP # PUR104 Revision: 4**  
**Effective Date: 9/5/17**

**Prepared by: Central Office**  
**Approved by: BOD**

**Title: PUR104 ACCOUNTS PAYABLE AND CASH DISBURSEMENTS**

**Policy:** Internal controls are required to ensure that only valid and authorized payables are recorded and paid. Accounting procedures should be implemented to ensure the accuracy of amounts, coding of General Ledger accounts and appropriate timing of payments. All accounts payable and cash disbursements will have documented pre-approval, and the authorization limits are stated in the below Responsibilities section.

**Purpose:** To explain the practices for documenting, recording and issuing payments for accounts payable transactions. (Note: Payments, disbursements, and expenditures result from accounts payable transactions)

**Scope:** This procedure applies to all purchases including, contractors, consultants, and merchandise and non-merchandise purchases.

**Responsibilities:**

The Principal at each school site is responsible for reviewing and approving payments under \$10,000 in the purchase software, in accordance with the approved budget.

The Chief Financial Officer is responsible for reviewing and approving payments above \$10,000 in accordance with the approved budget. The Chief Executive Officer may assign the Chief Academic Officer, the Chief Operations Officer, the Chief External Officer or Regional Directors the authority to approve expenditures up to \$10,000.

The Chief Executive Officer is responsible for reviewing and approving payments over \$25,000 in accordance with the board approved budget, as well as up to \$50,000 for non-budgeted items.

Back-office provider is responsible for payment of invoices in a timely manner.

**Background:** Properly recording liabilities is generally a three-step process, particularly, for merchandise purchases.

The first step is recording the liability upon receipt of merchandise, using the purchase order estimates or other documentation as a guideline. For accuracy and timeliness of data, a liability should be recorded as soon as the Organization receives the purchased items.

Consultant projects are not recognized as a liability until the invoicing from the consultant is received unless and accrual has been recorded to recognize the total estimated cost of the consultant's services.

By necessity, this initial recording is usually an estimate or encumbrance and can be finalized when the actual invoice arrives. This is why a Purchase Order is so important for merchandise purchases. It documents the Organization's understanding of how much each item will cost, per the vendor's terms. This includes estimates for freight and any other charges.

The second step takes place when the vendor's invoice is received. At this point the actual liability is finalized, with any necessary adjustments to the item costs, freight, or other charges.

The third step involves the preparation, issuance of payment for the goods received, and subsequent filing of all paperwork for easy retrieval.

### **Procedure Overview:**

Cash disbursements are generally made for:

1. Payments to vendors for goods and services
2. Taxes/license fees
3. Staff training and development
4. Memberships and subscriptions
5. Meeting expenses
6. Employee reimbursements
7. Marketing/promotional materials Checks

are processed throughout the week.

Requests for cash disbursements are submitted to Accounting through the purchasing software. Documentation for the purchasing software requests can be in three ways:

1. Original invoice
2. Purchase request (submitted on approved form)
3. Employee expense report or reimbursement request

All invoices must be approved by the appropriate staff prior to being submitted to accounts payable. Accounts payable will determine the account code for each invoice.

Approvals for reimbursement requests must be obtained prior to the purchase. The Organization is not obligated to reimburse requests where prior approval was not obtained; however this decision is made at the discretion of the Chief Financial Officer.

Every employee reimbursement or purchase request must be documented in the purchasing software. Please see PUR106 Reimbursements for more details.

Requests for payment are reviewed in the purshasig software by the Principal, Controller, or Chief Financial Officer dependent on purchase amount. The appropriate personnel:

1. Verifies expenditure and amount
2. Approves for payment if in accordance with budget
3. Provides or verifies appropriate allocation information
4. Provides date of payment taking into account cash flow projections
5. Submits to the Finance team for processing

Back-office provider processes all payments and:

1. Immediately enters them into the Accounts Payable module unless it is paid upon receipt on the same day
2. Prints checks according to allocation and payment date provided by the authorizing party
3. Submits checks, with attached backup documentation, to Chief Financial Officer for approval and signature.
4. Stamps invoice "paid"
5. Mails checks and appropriate backup documentation
6. Files all backup documentation in the appropriate file
7. Monitors accounts payable throughout the month

**Procedure:**

**1.0 DOCUMENTING ACCOUNTS PAYABLE**

**1.1** The following documents will be forwarded to Back-office provider accounts payable as a pdf batch for temporary filing and subsequent matching to form an accounts payable voucher package:

- Purchase Order from the purchasing software
- Vendor invoice
- Vendor/Consultant contract

**1.2** Once Back-office provider has received all of the above documents, the following steps will be performed to ensure proper authorization, validity of purchase, receipt of purchased items or services and accuracy of amounts.

The purchase order should be evaluated for proper authorization and the nature of the purchase and pricing as shown on the invoice reviewed for validity.

- The quantities shown shipped or delivered on the invoice will be compared to the packing slip and/or receiving reports if items have been received. Any discrepancies must be followed-up and resolved prior to commencing with the disbursement process.
- Calculations on the invoice will be recomputed such as quantities received multiplied by unit price and totals.
- Purchases of items and service contracts shall not be made in small quantities (split bidding) for the purpose of circumventing the authorized approval limits assigned by the Board of Directors, or to avoid public bidding based on the policies and procedures.

## **2.0 RECORDING NON-MERCHANDISE PAYABLES**

- 2.1** Non-merchandise expenditures like utilities, rent, insurance, taxes, repairs, professional fees, etc., are generally not recorded through the purchase order routine. However, there may be other documentation, like contracts, requisitions, and other agreements. These should be filed in the applicable vendor file as documentary support. Upon receipt of the invoice, the charges should be entered into the payable system and coded to the appropriate expense account.
- 2.2** Generally, once invoices (both merchandise and non-merchandise) have been entered, they can be filed in the respective vendor files, ordered by date. To guard against misfiling an un-entered invoice, consider stamping "entered" on each invoice when it's recorded in accounts payable. It is also helpful to note the entered date and initial the entry.

## **3.0 PAYMENT OF ACCOUNTS PAYABLE**

- 3.1** Accounts payable systems generally provide an aged accounts payable report and list the open payables within the accounting system. Open payables are reviewed by the Finance team. The Finance team should select the bills to be paid based on the funds available and a projection of cash flow or receipts over the coming week. Once complete, process the disbursements by either printing the check, electronic online bill pay, wire transfer, or ACH withdrawal for the selected bills to be paid.
- Note: Accounts payable should normally be paid within 15 business days unless otherwise determined by the Chief Financial Officer.
- 3.2** Any vendor credits which are amounts owed to the Organization should be applied to amounts currently owed to the vendor when determining payment. These are normally received in the form of a credit memo or adjusting invoice. These should be entered into the system like any other invoice and applied to the next payment being made. There is no reason to "age" a credit memo.
- 3.3** Pull all Invoices to be paid from the files and match them with the printed checks, wire transfer, electronic online bill pay, or ACH withdrawal documentation. Present the materials to the Chief Financial Officer for review and signing

- 3.4** Immediately ensure that all printed checks, wire transfer, electronic online bill pay, or ACH withdrawal documentation are signed and approved and correctly recorded in the accounting system. Stamp the invoices “paid” to document they've been paid. Use only checks that incorporate a two stub plus check form in order to attach one stub to the paid invoice and the other to the remittance copy of the Invoice.
- 3.5** If one check or electronic online bill pay pays several Invoices then either photocopy the stub or print the electronic online bill pay screen print and attach a copy to each paid Invoice or consider attaching all paid Invoices to the one check stub or the electronic online bill pay document. File all resulting documentation according to check number sequentially in the checks paid binders.
- 3.6** Mail the checks as soon as possible once checks have been posted and "paid" by the system. It is not advisable to "hold" checks for additional days after posting. This practice usually occurs when there are insufficient cash flows. However holding checks increases the difficulty of projecting cash flow, reduces cash balance accuracy, and causes confusion when trying to reconcile accounts payable vendor balances. None of these balances will be accurate if printed checks are held back from mailing. If cash flow is insufficient to mail the checks, then it is advisable not to post and print checks in the first place.

#### **4.0 MANUAL CHECKS**

- 4.1** The Organization does not permit the use of manual checks.

**SOP # PUR105 Revision: 2**

**Effective Date: 9/5/17**

**Prepared by: Central Office**

**Approved by: BOD**

**Title: PUR105 PREPAID EXPENSES**

**Policy:** It is the policy of MERF to treat payments of expenses that have a time-sensitive future benefit as prepaid expenses and to amortize these items over the corresponding time period. For purposes of this policy, prepaids are only accounted for at the end of the fiscal year and the amount that is considered to be prepaid remains at the discretion of the Chief Financial Officer.

**Purpose:** To ensure the proper payment and accounting of expenses that have a future benefit allocated over time.

**Scope:** Any transaction that is currently paid that has a value that can be amortized over a future time period.

**Responsibilities:**

The Chief Financial Officer is responsible for reviewing and authorizing prepaid expenses.

The Finance Department with the support of Back-office provider is responsible for processing prepaid payments and amortizing the prepaid cost of the expected future life of the prepaid asset.

**Background:** Prepaid expenses are very common and allow the Organization to on occasion take advantage of pre-paying for certain expenses and thus recovering discounts or ensuring that a certain expense is fully paid.

**Procedure:**

**1.0 ACCOUNTING TREATMENT**

**1.1** Prepaid expenses with future benefits that expire within one year from the date of the financial statements shall be classified as current assets. Prepaid expenses that benefit future periods beyond one year from the financial statements date shall be classified as non-current assets.

**2.0 PROCEDURES**

**2.1** As part of the account coding process performed during the processing of accounts payable at the end of the fiscal year, all incoming vendor invoices shall be reviewed for the existence of time-sensitive future benefits. If future benefits are identified, the payment shall be coded to a prepaid expense account code.

**2.2** The Finance Department shall maintain a schedule of all prepaid expenses. The schedule shall indicate the amount and date paid, the period covered by the prepayment, the purpose of the prepayment, and the monthly amortization. This

Accounting Policies, Procedures and Forms

---

schedule shall be reconciled to the general ledger balance as part of the monthly closeout process.

**SOP # PUR106 Revision: 3**  
**Effective Date: 9/5/17**

**Prepared by: Central Office**  
**Approved by: BOD**

**Title:** PUR106 REIMBURSEMENTS

**Policy:** Internal controls are required to ensure that only valid and authorized reimbursements are recorded and paid. Accounting procedures should be implemented to ensure the accuracy of amounts, coding of General Ledger accounts and appropriate timing of payments.

**Purpose:** To explain the practices for documenting, recording and issuing payments for reimbursement transactions.

**Scope:** This procedure applies to all reimbursements.

**Responsibilities:**

The Principal at each school site is responsible for reviewing and approving payments under \$10,000 in the purchasing software, in accordance with the approved budget.

The Chief Financial Officer is responsible for reviewing and approving payments above \$10,000 in accordance with the approved budget. The Chief Executive Officer may assign the Chief Academic Officer, the Chief of Staff, the Chief External Officer or Regional Directors the authority to approve expenditures up to \$10,000.

The Chief Executive Officer is responsible for reviewing and approving payments over \$25,000 in accordance with the board approved budget, as well as up to \$50,000 for non-budgeted items.

Back-office provider Accounts payable is responsible for payment of reimbursements in a timely manner. A timely manner is defined as within two weeks of submission.

**Background:** Properly recording reimbursements is generally a three-step process.

The first step is accurately submitting reimbursement receipts along with a proof of pre-approval.

The second step is obtaining the appropriate authorization to process payment.

The step involves the preparation, issuance of reimbursement payment in a timely manner, and subsequent filing of all paperwork for easy retrieval.

**Procedure Overview:**

Reimbursements are generally made for:

1. Travel and conferences
2. Mileage

---

**Accounting Policies, Procedures and Forms**

---

3. Meals
4. School/classroom supplies
5. Allowable academic expenses
6. Student awards
7. Other expenses

Reimbursement checks are processed on cycle or sooner.

All reimbursement requests must be approved by the authorized staff prior to being submitted to accounts payable. Accounts payable will review the account code for each invoice.

Every employee reimbursement or purchase request must be documented in the financial software with evidence of pre-authorization, receipts, nature of business, program allocation, and funding source:

**Travel and Conferences** - an itemized receipt from the hotel detailing all charges, the person(s) for whom the lodging was provided, and the specific business purpose. This includes itemized receipts for parking, tolls and bridges, car rentals, taxis, and conference receipts not to exceed the current Government Services Administration (GSA) per diem rates. Current rates are available at [www.gsa.gov/perdiem](http://www.gsa.gov/perdiem). (See G&A103, Travel and Entertainment policy for more detailed information.)

**Car Rentals** – Advanced approvals are required. The employee may make their own car rental arrangements. Vehicle selection will be based upon the most cost-effective class that satisfies requirements for the employee(s) and any demonstration equipment. Supplemental auto insurance coverage offered by car rental agencies must be purchased and will be reimbursed.

**Mileage/Personal Vehicles** - An employee required to use their own automobile for business will be reimbursed in accordance with the current IRS mileage reimbursement rate. The employee must provide on the expense report, documentation including dates, miles traveled and purpose of each trip.

## Accounting Policies, Procedures and Forms

---

The Organization assumes no responsibility for personal automobiles used for business. Further, any parking or speeding violation is the sole responsibility of the employee.

**Meals and Entertainment** - a receipt must be provided showing the cost of food, beverage, and gratuities, including the names of every person for whom food or beverage was provided, and the specific business purpose. Entertainment expenses are disallowed. Meals are reimbursed based on actual receipt amounts not to exceed the following; Breakfast: \$7.00, Lunch: \$13.00, Dinner: \$20.00

Meal and Entertainment tips are limited to 15% (unless automatically assessed by the eating establishment) of the pre-tax meal total cost and any tip that is in excess of the pre-tax meal total cost will not be reimbursed. For example, a meal that costs \$10 may have an 8% sales tax bringing the total meal price before tip to \$10.80. Figure the tip on the \$10 amount at 15% or \$1.50 and that amount of tip or less is reimbursable. If you tipped more than a \$1.50, that difference is not reimbursable. You are always allowed to tip less than 15% should you choose to do so.

**School/Classroom Supplies, Allowable Academic Expenses, and Student Awards** – these expenditures are subject to the approval of the Principal. Gifts of any kind are never allowed. Student awards may only be paid from non-ADA and unrestricted sources. In other words, student awards may be paid from unrestricted fundraising or from other unrestricted sources of income, subject to approval of the Principal and/or Home Office.

**Other Expenditures** - a receipt from the vendor detailing all goods or services purchased (including the class of service for transportation) and the specific business purpose.

**Non-Reimbursable Expenses** - Some expenses are not considered valid business expenses by the Organization, yet may be incurred for the convenience of the traveling individual. Since these are not expenses for the business then they are not reimbursable. (The following can be used as a guide of expenses, which are not reimbursable)

Examples include:

- Airline or travel trip interruption insurance
- Airline or travel lounge clubs
- Shoe shine or Dry-cleaning (except for extended travel beyond 5 days)
- Movies or personal entertainment
- Books, magazines or newspapers
- Theft or loss of personal property
- Doctor bills, prescriptions, or other medical services

## Accounting Policies, Procedures and Forms

---

- Parking tickets, traffic tickets or Car towing if illegally parked
- Health club memberships
- Baby sitter or Pet care fees
- Barbers and Hairdressers

Requests for reimbursement payments are reviewed in the financial software by the Principal, Account Analysts, Chief Financial Officer, or Chief Executive Officer, dependent on purchase amount. The appropriate personnel:

1. Verifies and matches expenditure and amount
2. Approves for payment if in accordance with budget
3. Provides or verifies appropriate allocation information
4. Provides date of payment taking into account cash flow projections
5. Submits to the Finance team for processing Accounts

Back Office Provider processes all payments and:

1. Immediately enters them into the Accounts Payable module.
2. Prints checks according to allocation and payment date provided by the approving party
3. Submits checks, with attached backup documentation, to Chief Financial Officer for approval and signature
4. Stamps invoice “paid”
5. Mails checks and appropriate backup documentation
6. Files all backup documentation in the appropriate file
7. Monitors accounts payable throughout the month

### **Procedure:**

#### **1.0 DOCUMENTING REIMBURSEMENTS**

All business reimbursement expenditures incurred by employees of the Organization are reimbursed through the Financial system software. All reimbursement receipts must be submitted monthly and any receipt (except tuition reimbursement) that is older than 60 days will not be reimbursed. Employee may submit written justification for the late submission and will be processed at the discretion of the Chief Financial Officer.

All required original receipts for items charged must accompany all reimbursement documentation as well as uploaded into the financial system for approval and reimbursement payment process.

Accounting Policies, Procedures and Forms

---

In order to expedite reimbursement, the employee should ensure that the report is completed properly, required documentation is attached, proper authorization is obtained, and any unusual items properly explained and documented. Any questions regarding completion of the report should be directed to the employee's supervisor or the Finance Team.

**SOP # PUR107 Revision: 2**  
**Effective Date: 6/06/16**

**Prepared by: Central Office**  
**Approved by: BOD**

**Title: PUR107 BIDDING REQUIREMENTS**

**Policy:** To ensure the establishment of bidding requirements relating to multi-year service contracts, and to maintain the internal controls of the selection process.

**Purpose:** To provide the methods for determining a bidding process, documentation requirements, and award of contracts.

**Scope:** This procedure applies to all vendors of services.

**Responsibilities:**

Purchasing Agent or School Principal is responsible for providing a summary and justification related to the potential proposal.

Selection Committee is responsible for the review and recommendation of all contracts over \$25,000.

Chief Executive Officer and/or Chief Financial Officer is/are responsible for the examination of the bidding and selection process of all contracts above \$25,000.

Board of Directors are responsible for the approval of all bidding contracts above \$50,000.

**Procedure:**

**1.0 BIDDING REQUIREMENTS AND PROCESS**

**1.1** New service contracts in excess of \$50,000 shall be formally bid in accordance with the following:

- Request for Proposals (RFP): RFP requirements should include contract purpose, background, description of service, general information, time requirements, proposal requirements, and evaluation process.
- Public Notice: RFP will be posted in the Organization's website.
- Prospective Vendors: Selection Committee shall maintain a list of prospective vendors for the various categories of products and services purchased by the organization. All schools or departments should refer prospective vendors to the purchasing department for inclusion in the bidder file.
- Pending Bid File: A file shall be maintained by the selection committee of all invitations to bid currently pending.
- Evaluation: Evaluation of services and vendors will be in accordance with the RFP specifications and policy PUR101 vendor selection.

## Accounting Policies, Procedures and Forms

- Bidder Files: Bidder files shall be maintained retaining the bids, bid comparison sheets, other submittals, and rationale in award. These bids shall be made available for the public upon request for a period of ninety (90) days after which time they will be archived for two (2) years.
- Bidding of contracts shall not be made in small quantities (split bidding) for the purpose of circumventing the authorized approval limits assigned by the Board of Directors, or to avoid public bidding based on the policies and procedures.
- The RFP requirement doesn't apply to renewal and/or extension of the existing service contracts.

<b>Vendor Selection Requirements</b>			
	<b>Less than \$5,000</b>	<b>Between \$5,000 and \$50,000</b>	<b>Greater than \$50,000</b>
Bid process required?	No	Quotes or estimates	RFP
Acceptable forms of price comparison	N/A	Email, published catalogs, written	Written only
Minimum number of bids required	0	3	3
Submit bid documentation to the Procurement Office?	No	Yes	Yes

## 2.0 NONCOMPETITIVE NEGOTIATIONS

**2.1** Noncompetitive negotiations may be used for procurements in excess of \$50,000 when bidding or competitive negotiations are not feasible. MPS may purchase goods and services through non-competitive negotiations when it is determined in writing by the Chief Executive Officer that competitive negotiation or bidding is not feasible and that:

- An emergency exists which will cause public harm as a result of the delay caused by following competitive purchasing procedures, or
- The product or service can be obtained only from one source, or
- The contract is for the purchase of perishable items purchased on a weekly or more frequent basis, or
- Only one satisfactory proposal is received through RFP, or
- The charter authorizer has authorized the particular type of noncompetitive negotiation.

## 3.0 STANDARDS OF CONDUCT

The following Standards of Conduct shall govern the performance, behavior and actions of MPS including, employees, officers, directors, volunteers and agents, who are engaged in any aspect of procurement, including – but not limited to – purchasing goods and services; awarding contracts and grants; or the administration and supervision of contracts.

---

#### Accounting Policies, Procedures and Forms

---

As representatives of MPS, all employees, officers, directors, volunteers and agents are expected to conduct themselves in a professional and ethical manner, maintaining high standards of integrity and the use of good judgment. Employees are expected to be principled in their business interactions and act in good faith with individuals both inside and outside MPS.

### 3.3 Conflict of Interest

- 3.3.1 No employee, officer, director, volunteer or agent of the MPS shall participate in the selection, award or administration of a bid or contract supported by federal funds if a conflict of interest is real or apparent to a reasonable person.
- 3.3.2 Conflicts of interest may arise when any employee, officer, director, volunteer or agent of the MPS has a financial, family or any other beneficial interest in the vendor firm selected or considered for an award.
- 3.3.3 No employee, officer, director, volunteer or agent of the MPS shall do business with, award contracts to, or show favoritism toward a member of his/her immediate family, spouse's family or to any company, vendor or concern who either employs or has any relationship to a family member; or award a contract or bid which violates the spirit or intent of Federal, State and local procurement laws and policies established to maximize free and open competition among qualified vendors.
- 3.3.4 MPS's employees, officers, directors, volunteers or agents shall neither solicit nor accept gratuities, gifts, consulting fees, trips, favors or anything having a monetary value in excess of twenty-five dollars (\$25) from a vendor, potential vendor, or from the family or employees of a vendor, potential vendor or bidder; or from any party to a sub-agreement or ancillary contract.

### 4.0 ACCEPTANCE OF GRATUITIES

MPS's employees, officers, directors, volunteers or agents shall neither solicit nor accept gratuities, gifts, consulting fees, trips, favors or anything having a monetary value from a vendor, potential vendor, or from the family or employees of a vendor, potential vendor or bidder; or from any party to a sub-agreement or ancillary contract.

### 5.0 DISCIPLINARY ACTIONS

Any MPS member, employee or designated agent of MPS who knowingly and deliberately violates the provisions of this code will be open to civil suit without the legal protection of MPS. Furthermore, such a violation of these procurement standards is grounds for dismissal by MPS as an employee, officer, director, volunteer or agent;

or other such sanctions as available under the law.

Any contractor or potential contractor who knowingly and deliberately violates the provisions of these procurement standards will be barred from future transactions with MPS.

<b>To:</b>	Magnolia Board of Directors
<b>From:</b>	Alfredo Rubalcava, CEO & Superintendent
<b>Staff Lead:</b>	Serdar Orazov, Chief Financial Officer
<b>RE:</b>	2021-22 Certification of Signatures Form

### Proposed Board Motion

I move that the board approve the 2021-22 Certification of Signatures Form for Charter School Funds Distribution Authorization. Board Titles will be added once the Board approves on the appointment of Board Officers on June 24th, 2021. Signatures will be effective July 1, 2021 through June 30, 2022. Signatories will include the CEO & Superintendent, CFO, COO and MPS Board Members.

### Background

In accordance with Education Codes 35143, 42632, and 42633, the Certification of Signatures form is required to formalize the personnel authorized to sign orders for salary or commercial payments, notices of employment, and contracts. The current form expires June 30, 2021, the new form will be in place July 1, 2021 to June 30, 2022.

### Budget Implications

There are no budget implications.

Board Agenda Item #	III C: Consent Item
Date:	June 24, 2021
To:	Magnolia Board of Directors
From:	Alfredo Rubalcava, CEO & Superintendent
Staff Lead:	Alfredo Rubalcava, CEO & Superintendent
RE:	2021-22 MPS Board and Committee Meeting Calendars

### Proposed Board Motion

I move that the board approve the calendar for 2021-22 Regular MPS Board Meetings and Regular MPS Board Committee Meetings.

### Introduction

Per the MPS Board Bylaws, meetings are held the second Thursday of the month unless otherwise stated. For 2021-22 Regular Board Meetings, most meeting dates follow this practice except the meetings in November due to a holiday and January due to Winter Break. The month of June will have two Regular Board Meetings in correspondence to staff preparing for the next school year.

Because of the COVID-19 pandemic Governor Gavin Newsom signed Executive Order N-29-20 which suspended certain Brown Act requirements for conducting a teleconference meeting. On October 1, 2021, those flexibilities will be lifted. Starting in October 2021, MPS will conduct Board & Committee meetings in person and follow all Brown Act & SB126 regulations.

SB126: All Regular Board Meetings will be held within the jurisdiction of Los Angeles County, where the majority of the MPS student population resides. All 9 in-person meetings will be held amongst MSA 1-8 and the MPS Home Office. Additionally, per SB 126, all school sites (MSA 1-8, MSA-Santa Ana and MSA- San Diego), will remain open as remote locations during the duration of all special, emergency and regular committee and board meetings.

### Budget Implications

Costs associated with these meetings will be approved in the 2021-22 MPS budget. Each school site will budget for staff compensation for the extra hours worked during board/committee meetings.

To:	Magnolia Board of Directors
From:	Alfredo Rubalcava, CEO & Superintendent
Staff Lead:	Serdar Orazov, Chief Financial Officer
RE:	2021-22 Certification of Assurances, Protected Prayer Certification, Application for Funding

### Proposed Board Recommendation

I move that the Board approves the 2021-22 Certification of Assurances, 2021-22 Protected Prayer Certification, 2021-22 Application for Funding and General Assurances as presented.

### Background

- The Consolidated Application (ConApp) is used by the California Department of Education (CDE) to distribute categorical funds from various state and federal programs to county offices, school districts, and direct-funded charter schools throughout California. Annually, in June, each local educational agency (LEA) submits the spring release of the application to document participation in these programs and provide assurances that the district will comply with the legal requirements of each program. Program entitlements are determined by formulas contained in the laws that created the programs. The items required to be approved by the Board are attached herein. The documents listed above should be approved within 6 weeks from the date Consolidated Application Reporting System(CARS) is released. The CARS was released on 6/10/2021.

Budget Implications

N/A

How Does This Action Relate/Affect/Benefit/ All MSAs?

Submission of Consolidated Application to the CDE for all school sites is a requirement to receive categorical funds.

Name of Staff Originator:

Serdar Orazov, Chief Financial Officer

## Approval of MPS Board Committee Structure

<b>Section:</b>	IV. Action Items
<b>Item:</b>	A. Approval of MPS Board Committee Structure
<b>Purpose:</b>	Vote
<b>Submitted by:</b>	
<b>Related Material:</b>	Revised Board Committee Structure.pdf

Board Agenda Item #	IV A: Action Item
Date:	June 24, 2021
To:	MPS Board of Directors
From:	Alfredo Rubalcava, CEO & Superintendent
Staff Lead:	Dr. Yapanel, MPS Interim Chair
RE:	Approval of Revised MPS Board Committee Structure

### Proposed Board Motion

I move that the board approve the changes to the MPS Board Committee structure to take effect June 25, 2021 as presented in this report.

### Background

- Currently there are 5 Board Members, Committees must be composed of no more than 2 board members as a majority of the board cannot serve in any one committee

Below is the previous Board Committee Structure approved on February 11, 2021:

Magnolia Public Schools Board of Directors Committees						
	Academic	Audit/Facilities	Finance	Governance	Stakeholder	
Haim Beliak	X	X	X			3
Mekan Muhammedov		Chair	X			2
Diane Gonzalez		X			Chair	2
Sandra Covarrubias	Chair			X	X	3
Salih Dikbas	X		Chair	X		3
Umit Yapanel				Chair	X	2
<b>Alternate</b>	Diane	Umit	Umit	Diane	Mekan	

Recommended MPS Board Committee Structure:

Magnolia Public Schools Board of Directors Committees						
	Academic	Audit/Facilities	Finance	Governance	Stakeholder	
Mekan Muhammedov		Chair	X			2
Diane Gonzalez	Chair	X				2
Sandra Covarrubias	X			X	Chair	3
Salih Dikbas			Chair			1
Umit Yapanel				Chair	X	2
<b>Alternate</b>	Salih	Umit	Umit	Salih	Mekan

## Appointment of 2021-22 MPS Board Officers

<b>Section:</b>	IV. Action Items
<b>Item:</b>	B. Appointment of 2021-22 MPS Board Officers
<b>Purpose:</b>	Vote
<b>Submitted by:</b>	
<b>Related Material:</b>	Board Officers 2021-22.pdf

Board Agenda Item #	IV B: Action Item
Date:	June 24, 2021
To:	Magnolia Board of Directors
From:	Alfredo Rubalcava, CEO & Superintendent
Staff Lead:	Alfredo Rubalcava, CEO & Superintendent
RE:	Appointment of 2021-22 MPS Board Officers

### Proposed Board Motion

I move that the board appoint \_\_\_\_\_ to serve as the MPS Board Chair, \_\_\_\_\_ as the MPS Vice-Chair and \_\_\_\_\_ as MPS Board Secretary beginning June 25, 2021- June 30, 2022.

### Introduction and Background

Every year MPS approves the annual appointment of the Board Chair, Board Vice-Chair and Board Secretary. For 2020-21 Board appointments were as followed: Rabbi Haim Beliak, Board Chair; Dr. Umit Yapanel, Board Vice-Chair; Barbara Torres, Board Secretary. On June 8, 2021, Rabbi Haim Beliak resigned as Board Chair and MPS is now looking to fill in the vacancy and make any adjustments based on the Boards direction for the 2021-22 year.

Current Board Secretary is MPS staff member Ms. Barbara Torres which will be changed to Ms. Jennifer Lara.

Given that this item did not go to the Nominating/Governance Committee for review and recommendation, the board shall discuss their nominations and create the motion at this meeting.

### Budget Implications

This action has no budget implications.

From:	Alfredo Rubalcava, CEO & Superintendent
Staff Lead:	Ismael Soto, Director of Develop and Communications
RE:	Approval and adoption of the Magnolia Public Schools - Portrait of a Graduate

## I. PROPOSED BOARD MOTION

I move that the board approve and adopt the new Magnolia Public Schools - Portrait of a Graduate as the north star for subsequent strategic planning, and the design of educational experiences for students. Our goal with Portrait of a Graduate is a collective vision for Magnolia Public Schools that articulates our organization and community's aspirations for our students now and into the future.

## II. INTRODUCTION

**Our GOAL with Portrait of a Graduate is a collective vision for Magnolia Public Schools that articulates our organization and community's aspirations for our students now and into the future.**

At Magnolia Public Schools (MPS), our approach is an ongoing education effort, where our board of directors, home office, school leadership, teachers, families, students, and community

are all viewed as one unified group. Magnolia's education program aims to create a nurturing community using a whole-child approach and has expanded on the successful community connections by building relationships with families and the surrounding communities that address the mutual interests of all parties through the Magnolia Public Schools - Portrait of a Graduate project.

Our overarching objective at Magnolia Public Schools is to create a vibrant and mutually beneficial partnership between school and community that supports our students' academic and personal success while addressing the needs of the communities we serve. With the focused conversation about knowledge, skills, mindsets, and literacies essential for 21st-century student success, the Magnolia Portrait of a Graduate Design Team has successfully crafted the meaning behind the Portrait. Through a design process that intentionally engaged our Magnolia community, the Portrait becomes our community's stated vision for Magnolia students.

### **Portrait of a Graduate Design Team**

Bringing together a broad array of Magnolia stakeholders to co-create a Portrait of a Graduate built understanding and lasting support from the community that leads to enduring impact for students.

#### **Project Lead:**

- Ismael Soto - Director of Development & Communications

#### **District Leaders:**

- David Yilmaz - Chief Accountability Officer, Alfredo Rubalcava - Chief Executive Officer & Superintendent, Erdinc Acar - Chief Academic Officer, and Traci Waller - Lewin-Director of Math Programs

#### **MPS Board of Directors:**

- Sandra Covarubbias - MPS Governing Board member and previous MSA-2 parent

**MSA School Principals:**

- Mustafa Sahin - MSA-1, Principal, David Garner - MSA-2, Principal, Musa Avsar - MSA-4, Principal, Meagan Wittek - MSA-7, Principal, Jason Hernandez - MSA-8, Principal, Steven Keskinturk - MSA-Santa Ana, Principal, and Gokhan Serce - MSA-San Diego, Principal

**Teachers:**

- Jacob Thies - MSA-6, PE Teacher and Justin Mitchell - MSA-8, History Teacher

**12th Grade MSA Students:**

- Alexia Ramirez - MSA-2, Harmeen Kaur Dhariwal - MSA-1, and Maisha Khanum - MSA-1

**Alumni:**

- Jennifer Hook - Assistant Executive Officer Manager, Wendy Salinas - Parent and Community Engagement Coordinator at MSA-2, and Thalia Velazquez - Communications and Charter Renewal Manager at MPS Home Office

**Parents:**

- Adam Jacobs - MSA-7, Parent

**Community Member:**

- Dana Hanson - LIFE House Church and Preschool (MSA-7 site location), Senior Pastor

### **III. BACKGROUND**

The Portrait of a Graduate was created by Battelle for Kids. Battelle for Kids is a national non-profit which helps school systems across the country engage their communities in shaping the future direction of their schools—through the design of a Portrait of a Graduate.

The Portrait of a Graduate project was originally initiated in *August 2019* by David Yilmaz, Chief Accountability Officer at Magnolia Public Schools. The Portrait of a Graduate serves as a North Star for system transformation at Magnolia Public Schools. Providing strategic direction for the redesign of the overall educational experience for Magnolia students, this collective vision reinvigorates and re-engages students, teachers, families, and community stakeholders.

As education leaders, it is important to ask:

- What are the hopes, aspirations, and dreams that our community has for our young people?
- What are the skills and mindsets that our children need for success in this rapidly changing and complex world?
- What are the implications for the design of the learning experiences—and equitable access to those experiences—we provide in our school systems?

**The Portrait of a Graduate for MPS is the first step in framing a new vision for your school system. Once we create our portrait, the exciting work of implementing this new vision begins.**

## IV. OVERVIEW

### Design Process

The Portrait of a Graduate design process involves a sustained community conversation leading to a shared agreement about a unique community-owned picture of what graduates need for success. Every community and its school system is different, so our approach will be tailored specifically for Magnolia Public Schools.

- **Phase 1: PLAN** - The Engagement Process
- **Phase 2: ACTIVATE** - Our Design Team of Community Members
- **Phase 3: CREATE** - The Visual and Narrative Story for our Portrait

- **Phase 4: ADOPT** - Our Portrait and Plan for Implementation

## **Portrait of a Graduate Competencies**

The following are SIX COMPETENCIES and descriptions that the Portrait of a Graduate Design Team determined is important to include in our community's Portrait.

### **SIX COMPETENCIES**

- Literacy with a Learner's Mindset
- Critical Thinking
- Creativity
- Effective Communication
- Adaptability
- Global Citizenship

## **Student Learning Outcomes (SLOs)**

### **Turning our Portrait of a Graduate into a Reality for Every Student at Magnolia**

The serious implementation of our portrait requires a thorough analysis of our Charter Management Organization (CMO) systems to identify the changes that will be required to take vision to scale including but not limited to:

#### Strategic Planning:

- Magnolia will use our newly developed portrait as the key driver of strategic planning.

#### Systems Design:

- Magnolia Public Schools academic department, led by the Chief Academic Officer will lead the effort with school site leaders including Principals, Assistant Principals, and Deans to align all aspects of Magnolia Public Schools to make the newly developed

Portrait of a Graduate a reality for every student. More specifically, the efforts will focus on the MPS Student Learning Outcomes (SLOs).

- Student Learning Outcomes (SLOs): The SLOs are measurable schoolwide goals that every student is expected to achieve upon graduation from Magnolia Public Schools. Our SLOs are embedded in our curriculum, including Life Skills, our instructional practice, core values, and daily culture at the school.

## **Student Learning Outcomes 2021-2022**

### **Literacy with a Learners' Mindset**

1. Develop and implement literacy skills that impact all content areas so that they can be well-rounded individuals within society.
2. Meaningfully engage in learning activities by knowing their readiness levels, interests, backgrounds, and making informed decisions about their learning pathways.
3. Students take ownership of their learning by creating long and short-term academic goals and reflecting on them throughout the school year.

### **Critical Thinking**

1. Apply, analyze, identify, synthesize and evaluate information and experiences and connect the skills and content learned across the curriculum.
2. Students are inspired to be lifelong readers and critical thinkers.
3. Be able to take a variety of sources and viewpoints, evaluate them critically, and make judgments that reflect an understanding of the possible consequences of those decisions.

### **Creativity**

1. Apply innovative skills and practices which connect to their learning experiences.
2. Students have opportunities for multiple methods of the expression of ideas in a project (ex. writing, drawing, creating video, slide presentations, memes).
3. Incorporate new and meaningful ideas and methods through cross-curricular STEAM activities.

### **Effective Communication**

1. Demonstrate effective oral and written communication skills, using the expected academic language for the purpose, audience, and setting.

2. Develop listening skills and exhibit empathy through awareness, sensitivity, concern, and respect for self and others' feelings, opinions, experiences, and cultures.
3. Use technology effectively and respectfully to access, organize, research, and present information to become proficient communicators.

### **Adaptability**

1. Develop self-awareness and self-advocacy skills and maintain physical, mental, social, and emotional well-being to guide in their pursuit towards a college degree and career choices.
2. Collaborate, work effectively, and manage interpersonal relationships within diverse groups and settings. Respond productively to feedback, praise, setbacks, and criticism.
3. Demonstrates consideration of others' ideas by keeping an open mind, questioning ideas, and demonstrating flexible thinking.

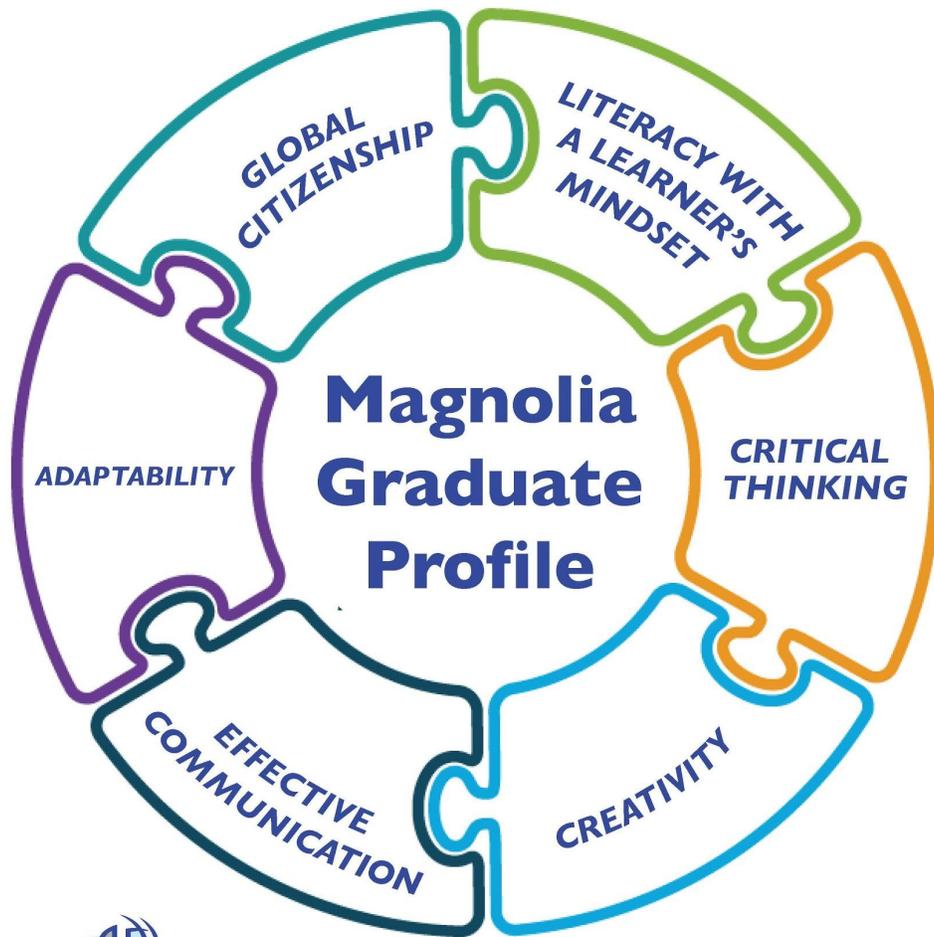

### **Global Citizenship**

1. Contribute to the improvement of life in their school and local community by demonstrating leadership skills and participating in community-based projects.
2. Understand and reflect on connections between their local community and the broader world, through both current events and historical context.
3. Students are internationally-minded individuals who recognize and value other perspectives and cultures.

## **Anchor Core Values**

MPS has identified ***Excellence, Innovation, and Connection*** as its core anchor values, which are reinforced through the Life Skills curriculum, Student Learning Outcomes (SLOs), and all school activities. The MPS home office academic department led the effort to ensure alignment of core values to better align with the newly developed Portrait of the Graduate competencies.

## Portrait Sketch

## Magnolia Graduate Profile

### Magnolia Graduate Profile

#### **LITERACY WITH A LEARNER'S MINDSET**

Literacy with a learner's mindset for Magnolia students is to demonstrate a depth of knowledge and literacy in multiple subject areas with a learner's mindset to make informed decisions. Students will overcome challenges by developing a positive attitude and belief about learning, embracing curiosity to experience new ideas, and sustaining the desire to learn, unlearn, and relearn.

#### **CRITICAL THINKING**

Students will utilize their critical thinking skills to problem solve by identifying, evaluating, and prioritizing solutions to difficult or complex situations, and implementing and reflecting critically on a solution.

#### **CREATIVITY**

Creativity for Magnolia students is to demonstrate originality, imagination, and new ways of thinking critically and independently. Students will transcend traditional ideas, rules, patterns, and relationships to create and convey new or meaningful ideas, methods, or interpretations.

#### **EFFECTIVE COMMUNICATION**

Effective Communication for Magnolia students is to articulate thoughts and ideas effectively using oral, written, and non-verbal communication skills in a variety of forms and contexts, for a range of purposes and audiences. Students will also demonstrate empathy through awareness, sensitivity, concern, and respect for others' feelings, opinions, experiences, and culture.

#### **ADAPTABILITY**

Adaptability for Magnolia students is to demonstrate flexibility when acclimating to various roles and situations. Students will work effectively in a climate of ambiguity and changing priorities, demonstrating agility in thoughts and actions. They will understand, negotiate, and balance diverse views and beliefs to reach workable solutions, responding productively to feedback, praise, setbacks, and criticism.

#### **GLOBAL CITIZENSHIP**

Global Citizenship for Magnolia students is to contribute to making the world a better place. Students will understand the world and its complexities, value and embrace diverse cultures and unique perspectives through mutual respect and open dialog, cultivate compassion, and take action in building more peaceful and inclusive environments..

## Mission, Vision, and Goals

### Defining our Strategic Direction

The strategic direction for Magnolia Public School encompasses the newly developed mission, vision, and goals.

- The Mission is about the **WHAT**
- Vision is about **WHY** people should feel motivated to perform at a high level
- The Goals is **WHAT WILL BE ACHIEVED** and by **WHEN**

**MISSION:** Below is the Magnolia Public Schools mission statement that was developed during the 2019 leadership convening at Magnolia Science Academy-8 that included members of the Magnolia home office, and school leaders including Principals, Assistant Principals, and Deans.

**Magnolia Public Schools provides a safe and nurturing community using a whole-child approach to provide a high-quality, college preparatory STEAM educational experience in an environment that cultivates respect for self and others.**

**VISION:** A vision statement is tethered to our MPS organizational values. We looked into the future of a world that doesn't exist yet and strived to create a vision that captures the spirit of the six Portrait of a Graduate competencies and the collective voice of the Portrait of a Graduate Design Team.

**Graduates of Magnolia Public Schools commit to building a more peaceful and inclusive global society by transforming traditional ideas with *creative thinking, effective communication, and the rigor of science.***

Below is the rationale for key word choices in the vision statement:

- *Creative Thinking* encompasses:
  - Adaptability, artistic expression/creativity, growth and learner's mindset, out of the box thinking, and problem-solving

- *Effective Communication* encompasses:
  - Speaking, writing, social media, presentation, persuasion, defending material, pod-cast, and blogs
  
- *Rigor of Science* encompasses:
  - Study skills, how to select higher education, and preparation for college and career

**GOALS:** The *GOALS* is what will be achieved from 2021 through 2027. This proactive statement is open to all opportunities for students so they can be successful. It is directly tied to MPS academic professional development with teachers and strives to empower our students with choice and voice.

**By 2027, more than 2,600 Magnolia Public Schools graduates will be productive, innovative, and responsible individuals who through the pursuit of their passions and educational opportunities will be poised to be change agents within their communities.**

**We will achieve this within five years by supporting the Magnolia Public Schools strategic and continuous improvement plans that are in alignment with our LCAP overarching goals:**

- **Goal #1: BASIC SERVICES FOR A HIGH-QUALITY LEARNING ENVIRONMENT** - All students and staff will have access to a safe, secure, healthy, and high-quality learning and working environment. Students will receive high-quality services that are fundamental to academic success, including fully credentialed teachers, standards-aligned and high-quality instructional materials, and appropriately maintained school facilities.

- **Goal #2: EXCELLENCE** - All students will have equitable access to a high-quality core curricular and instructional program and make academic progress on the California Content Standards. Students will pursue academic excellence and be college and career-ready.
- **Goal #3: INNOVATION** - All students will have access to a well-rounded education that supports their readiness for college and the global world. Each student will become an independent, innovative scholar by practicing creativity in learning and using technology in transformative ways, and demonstrate high-quality learning outcomes.
- **Goal #4: CONNECTION** - All students, families, staff, and other stakeholders will have access to meaningful engagement opportunities that help cultivate leadership, advocacy, and collaboration in a safe and nurturing environment. Stakeholders will feel a sense of community and connectedness.

## V. BUDGET IMPLICATIONS

## **Portrait of a Graduate 2021**

### **Magnolia Public Schools**

Project Lead: Ismael Soto-Director of Development and Communications

Approval and Adoption by the MPS Board of Directors: June 2021

At Magnolia Public Schools (MPS), our approach is an ongoing education effort, where our board of directors, home office, school leadership, teachers, families, students, and community are all viewed as one unified group. Magnolia's education program aims to create a nurturing community using a whole-child approach and has expanded on the successful community connections by building relationships with families and the surrounding communities that address the mutual interests of all parties through the Magnolia Public Schools - Portrait of a Graduate project.

Our overarching objective at Magnolia Public Schools is to create a vibrant and mutually beneficial partnership between school and community that supports our students' academic and personal success while addressing the needs of the communities we serve. With the focused conversation about knowledge, skills, mindsets, and literacies essential for 21st-century student success, the Magnolia Portrait of a Graduate Design Team has successfully crafted the meaning behind the Portrait. Through a design process that intentionally engaged our Magnolia community, the Portrait becomes our community's stated vision for Magnolia students.

Our GOAL with Portrait of a Graduate is a collective vision for Magnolia Public Schools that articulates our organization and community's aspirations for our students now and into the future.

## Background

The Portrait of a Graduate project was originally initiated in *August 2019*. The Portrait of a Graduate serves as a North Star for system transformation at Magnolia Public Schools. Providing strategic direction for the redesign of the overall educational experience for Magnolia students, this collective vision reinvigorates and re-engages students, teachers, families, and community stakeholders.

As education leaders, it is important to ask:

- What are the hopes, aspirations, and dreams that our community has for our young people?
- What are the skills and mindsets that our children need for success in this rapidly changing and complex world?
- What are the implications for the design of the learning experiences—and equitable access to those experiences—we provide in our school systems?

The Portrait of a Graduate for MPS is the first step in framing a new vision for your school system. Once we create our portrait, the exciting work of implementing this new vision begins.

## Portrait of a Graduate Design Team

Bringing together a broad array of Magnolia stakeholders to co-create a Portrait of a Graduate built understanding and lasting support from the community that leads to enduring impact for students.

### Project Lead:

- Ismael Soto - Director of Development & Communications

### District Leaders:

- David Yilmaz - Chief Accountability Officer, Alfredo Rubalcava - Chief Executive Officer & Superintendent, Erdinc Acar - Chief Academic Officer, and Traci Waller - Lewin-Director of Math Programs

**MPS Board of Directors:**

- Sandra Covarubbias - MPS Governing Board member and previous MSA-2 parent

**MSA School Principals:**

- Mustafa Sahin - MSA-1, Principal, David Garner - MSA-2, Principal, Musa Avsar - MSA-4, Principal, Meagan Wittek - MSA-7, Principal, Jason Hernandez - MSA-8, Principal, Steven Keskinturk - MSA-Santa Ana, Principal, and Gokhan Serce - MSA-San Diego, Principal

**Teachers:**

- Jacob Thies - MSA-6, PE Teacher and Justin Mitchell - MSA-8, History Teacher

**12th Grade MSA Students:**

- Alexia Ramirez - MSA-2, Harmeen Kaur Dhariwal - MSA-1, and Maisha Khanum - MSA-1

**Alumni:**

- Jennifer Hook - Assistant Executive Officer Manager, Wendy Salinas - Parent and Community Engagement Coordinator at MSA-2, and Thalia Velazquez - Communications and Charter Renewal Manager at MPS Home Office

**Parents:**

- Adam Jacobs - MSA-7, Parent

**Community Member:**

- Dana Hanson - LIFE House Church and Preschool (MSA-7 site location), Senior Pastor

## Design Process

The Portrait of a Graduate design process involves a sustained community conversation leading to a shared agreement about a unique community-owned picture of what graduates need for success. Every community and its school system is different, so our approach will be tailored specifically for Magnolia Public Schools.

### **Phase 1: PLAN** - The Engagement Process

1. Build understanding and ownership among our district's leadership and school board
2. Create a Portrait of a Graduate Design Team that will be involved across all phases to build a sense of urgency and create excitement across the community
3. Define our overall timeline

### **Phase 2: ACTIVATE** - Our Design Team of Community Members

1. Convene the Portrait of a Graduate Design Team
2. Study the implications for our MPS students in light of the changing economy, workplace, and society

### **Phase 3: CREATE** - The Visual and Narrative Story for our Portrait

This where Magnolia's Portrait of a Graduate begins to take shape. With the focused conversation about knowledge, skills, mindsets, and literacies essential for 21st-century student success, the Portrait of a Graduate Design Team will craft the meaning behind the Portrait. Through a design process that intentionally engages our stakeholders, the portrait becomes our community's stated vision for Magnolia students.

1. Draft a prioritized set of six competencies, including 21st-century skills, mindsets, and literacies
2. Surveys: Portrait of a Graduate Design Team surveys for feedback throughout
3. Design the MPS portrait visuals ("sketch") that conveys a compelling story
4. Reach consensus about a selected visual to share with the broader community

5. Continue to discuss this work in the broader community and elicit their ideas for the portrait
6. Collect feedback from the community about the societal conditions and share with the Portrait of a Graduate Design Team as they draft the portrait
7. Decide what revisions are necessary

**Phase 4: ADOPT** - Our Portrait and Plan for Implementation

1. Submit the recommendation to the MPS school board for adoption
2. Publish and leverage the adopted Portrait as the North Star for subsequent strategic planning, and the design of educational experiences for students

## **Portrait of a Graduate Competencies**

The following are SIX COMPETENCIES and descriptions that the Portrait of a Graduate Design Team determined is important to include in our community's Portrait.

### **SIX COMPETENCIES**

- Literacy with a Learner's Mindset
- Critical Thinking
- Creativity
- Effective Communication
- Adaptability
- Global Citizenship

### **COMPETENCY #1 - LITERACY WITH A LEARNER'S MINDSET**

Literacy with a learner's mindset for Magnolia students is to demonstrate a depth of knowledge and literacy in multiple subject areas with a learner's mindset to make informed decisions.

Students will overcome challenges by developing a positive attitude and belief about learning, embracing curiosity to experience new ideas, and sustaining the desire to learn, unlearn, and relearn.

## **COMPETENCY #2 - CRITICAL THINKING**

Students will utilize their critical thinking skills to problem solve by identifying, evaluating, and prioritizing solutions to difficult or complex situations, and implementing and reflecting critically on a solution.

## **COMPETENCY #3 - CREATIVITY**

Creativity for Magnolia students is to demonstrate originality, imagination, and new ways of thinking critically and independently. Students will transcend traditional ideas, rules, patterns, and relationships to create and convey new or meaningful ideas, methods, or interpretations.

## **COMPETENCY #4 - EFFECTIVE COMMUNICATION**

Effective communication for Magnolia students is to articulate thoughts and ideas effectively using oral, written, and non-verbal communication skills in a variety of forms and contexts, for a range of purposes and audiences. Students will also demonstrate empathy through awareness, sensitivity, concern, and respect for others' feelings, opinions, experiences, and culture.

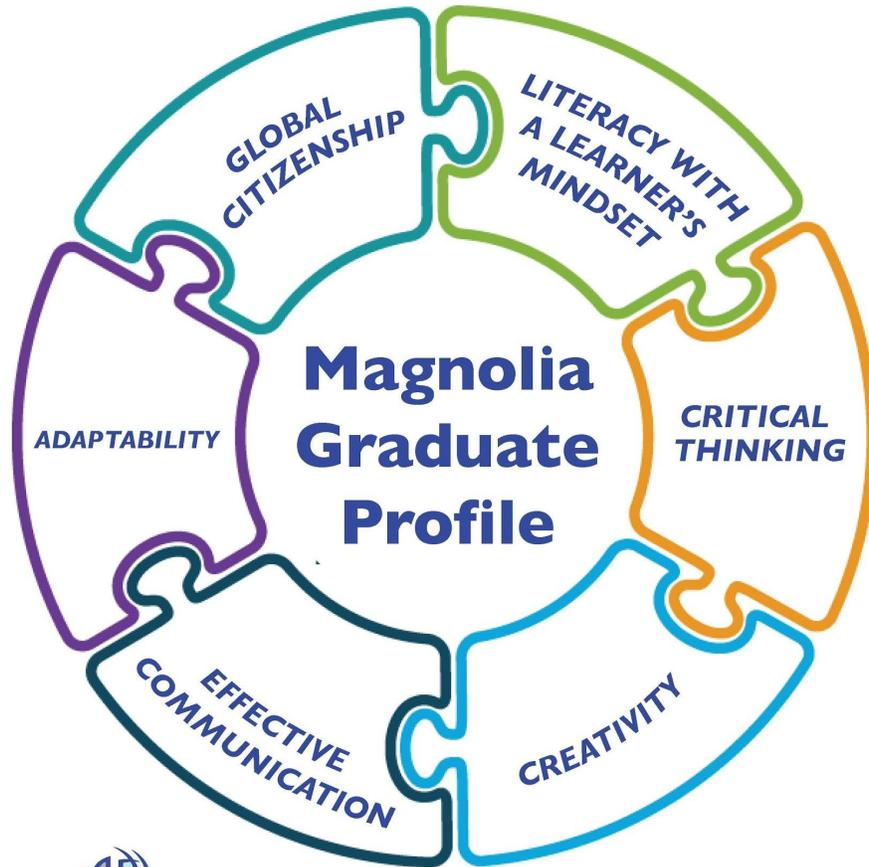

## **COMPETENCY #5 - ADAPTABILITY**

Adaptability for Magnolia students is to demonstrate flexibility when acclimating to various roles and situations. Students will work effectively in a climate of ambiguity and changing priorities, demonstrating agility in thoughts and actions. They will understand, negotiate, and balance diverse views and beliefs to reach workable solutions, responding productively to feedback, praise, setbacks, and criticism.

## **COMPETENCY #6 - GLOBAL CITIZENSHIP**

Global citizenship for Magnolia students is to contribute to making the world a better place. Students will understand the world and its complexities, value and embrace diverse cultures and unique perspectives through mutual respect and open dialog, cultivate compassion, and take action in building more peaceful and inclusive environments.

## Student Learning Outcomes (SLOs)

### Turning our Portrait of a Graduate into a Reality for Every Student at Magnolia

The serious implementation of our portrait requires a thorough analysis of our Charter Management Organization (CMO) systems to identify the changes that will be required to take vision to scale including but not limited to:

#### Strategic Planning:

- Magnolia will use our newly developed portrait as the key driver of strategic planning.

#### Systems Design:

- Magnolia Public Schools academic department, led by the Chief Academic Officer will lead the effort with school site leaders including Principals, Assistant Principals, and Deans to align all aspects of Magnolia Public Schools to make the newly developed Portrait of a Graduate a reality for every student. More specifically, the efforts will focus on the MPS Student Learning Outcomes (SLOs).
  - Student Learning Outcomes (SLOs): The SLOs are measurable schoolwide goals that every student is expected to achieve upon graduation from Magnolia Public Schools. Our SLOs are embedded in our curriculum, including Life Skills, our instructional practice, core values, and daily culture at the school.

## Student Learning Outcomes 2021-2022

### Literacy with a Learners' Mindset

1. Develop and implement literacy skills that impact all content areas so that they can be well-rounded individuals within society.
2. Meaningfully engage in learning activities by knowing their readiness levels, interests, backgrounds, and making informed decisions about their learning pathways.
3. Students take ownership of their learning by creating long and short term academic goals and reflecting on them throughout the school year.

### Critical Thinking

1. Apply, analyze, identify, synthesize and evaluate information and experiences and connect the skills and content learned across the curriculum.
2. Students are inspired to be lifelong readers and critical thinkers.
3. Be able to take a variety of sources and viewpoints, evaluate them critically, and make judgements that reflect an understanding of the possible consequences of those decisions.

### **Creativity**

1. Apply innovative skills and practices which connect to their learning experiences.
2. Students have opportunities for multiple methods of the expression of ideas in a project (ex. writing, drawing, creating video, slide presentations, memes).
3. Incorporate new and meaningful ideas and methods through cross curricular STEAM activities.

### **Effective Communication**

1. Demonstrate effective oral and written communication skills, using the expected academic language for the purpose, audience, and setting.
2. Develop listening skills and exhibit empathy through awareness, sensitivity, concern, and respect for self and others' feelings, opinions, experiences, and cultures.
3. Use technology effectively and respectfully to access, organize, research, and present information to become proficient communicators.

### **Adaptability**

1. Develop self-awareness and self-advocacy skills and maintain physical, mental, social, and emotional well-being to guide in their pursuit towards a college degree and career choices.
2. Collaborate, work effectively, and manage interpersonal relationships within diverse groups and settings. Respond productively to feedback, praise, setbacks, and criticism.
3. Demonstrates consideration of others' ideas by keeping an open-mind, questioning ideas, and demonstrating flexible thinking.

### **Global Citizenship**

1. Contribute to the improvement of life in their school and local community by demonstrating leadership skills and participating in community-based projects.
2. Understand and reflect on connections between their local community and the broader world, through both current events and historical context.
3. Students are internationally-minded individuals who recognize and value other perspectives and cultures.

## Anchor Core Values

MPS has identified *Excellence, Innovation, and Connection* as its core anchor values, which are reinforced through the Life Skills curriculum, Student Learning Outcomes (SLOs), and all school activities. The MPS home office academic department will lead the effort to ensure alignment of the following core values to better align with the newly developed Portrait of the Graduate competencies:

### **Excellence**

Academic Excellence is the desire to pursue knowledge and excellence and to contribute original and provocative ideas in a learning environment, in diverse settings, and as a catalyst to future academic knowledge. We foster academic excellence through project-based learning using a constructivist approach, student portfolios, assessments of and for learning and academic discourse, and argumentative writing. Scholars learn where and how to access the needed information to advance their academic pursuits and societal contributions. Students demonstrate their mastery and excellence in their learning outcomes based on MPS core competencies.

### **Innovation**

Students will have the freedom to choose how and what they learn and demonstrate it as a public display of excellence. Individualized scheduling, early identification of learning styles, personalities, interests, and career plans will support students' matriculation and college and career readiness. This will include student participation in the planning of their educational experience, enrichment and acceleration programs, STEAM program choice options, individualized and blended learning programs, differentiated educational experience, and adaptive assessments.

### **Connection**

School communities are integrated partnerships with the school site staff, families, students, and all other stakeholders. This sense of connection creates a safe place for all learners and

stakeholders to affirm individual strengths, celebrate character, provide academic support through mentorship and internship, promote unity and better decision making through the implementation of restorative justice practices. Additionally, community cultivates identity and gives each member a sense of belonging and pride. MPS utilizes home visits, stakeholder surveys, field trips, life skills classes, and coaching to support our overall community-based goals. We work with community partners to establish mentoring relationships and other social capital to support our students' development of personal and academic networks for long-term resilience and connection.

## Mission, Vision, and Goals

### Defining our Strategic Direction

The strategic direction for Magnolia Public School encompasses the newly developed mission, vision, and goals.

- The Mission is about the **WHAT**
- Vision is about **WHY** people should feel motivated to perform at a high level
- The Goals is **WHAT WILL BE ACHIEVED** and by **WHEN**

**MISSION:** Below is the Magnolia Public Schools mission statement that was developed during the 2019 leadership convening at Magnolia Science Academy-8 that included members of the Magnolia home office, and school leaders including Principals, Assistant Principals, and Deans.

**Magnolia Public Schools provides a safe and nurturing community using a whole-child approach to provide a high-quality, college preparatory STEAM educational experience in an environment that cultivates respect for self and others.**

**VISION:** A vision statement is tethered to our MPS organizational values. We looked into the future of a world that doesn't exist yet and strived to create a vision that captures the spirit of the six Portrait of a Graduate competencies and the collective voice of the Portrait of a Graduate Design Team.

**Graduates of Magnolia Public Schools commit to building a more peaceful and inclusive global society by transforming traditional ideas with *creative thinking, effective communication, and the rigor of science.***

Below is the rationale for key word choices in the vision statement:

- *Creative Thinking* encompasses:
  - Adaptability, artistic expression/creativity, growth and learner’s mindset, out of the box thinking, and problem-solving
  
- *Effective Communication* encompasses:
  - Speaking, writing, social media, presentation, persuasion, defending material, pod-cast, and blogs
  
- *Rigor of Science* encompasses:
  - Study skills, how to select higher education and preparation for college and career

**GOALS:** The *GOALS* is what will be achieved from 2021 through 2027. This proactive statement is open to all opportunities for students so they can be successful. It is directly tied to MPS academic professional development with teachers and strives to empower our students with choice and voice.

**By 2027, more than 2,600 Magnolia Public Schools graduates will be productive, innovative, and responsible individuals who through the pursuit of their passions and educational opportunities will be poised to be change agents within their communities.**

**We will achieve this within five years by supporting the Magnolia Public Schools strategic and continuous improvement plans that are in alignment with our LCAP overarching goals:**

- **Goal #1: BASIC SERVICES FOR A HIGH-QUALITY LEARNING ENVIRONMENT** - All students and staff will have access to a safe, secure, healthy, and high-quality learning and working environment. Students will receive high-quality services that are fundamental to academic success, including fully credentialed teachers, standards-aligned and high-quality instructional materials, and appropriately maintained school facilities.
- **Goal #2: EXCELLENCE** - All students will have equitable access to a high-quality core curricular and instructional program and make academic progress on the California Content Standards. Students will pursue academic excellence and be college and career-ready.
- **Goal #3: INNOVATION** - All students will have access to a well-rounded education that supports their readiness for college and the global world. Each student will become an independent, innovative scholar by practicing creativity in learning and using technology in transformative ways, and demonstrate high-quality learning outcomes.
- **Goal #4: CONNECTION** - All students, families, staff, and other stakeholders will have access to meaningful engagement opportunities that help cultivate leadership, advocacy, and collaboration in a safe and nurturing environment. Stakeholders will feel a sense of community and connectedness.

Board Agenda Item #	IV D: Action Item
Date:	June 24, 2021
To:	Magnolia Board of Directors
From:	Alfredo Rubalcava, CEO & Superintendent
Staff Lead:	David Yilmaz, Chief Accountability Officer
RE:	Approval of the Local Control and Accountability Plans (LCAP) for All MPS

#### Proposed Board Recommendation

I move that the board approve the LCAPs for all MPS.

#### Background

As a critical component of the LCFF law, every charter school must engage parents and community to create a Local Control and Accountability Plan (LCAP). The LCAP is intended to be a comprehensive planning tool. Each plan must describe:

- School-wide goals, as well as specific actions to be taken to achieve the goals for all students, including specific subgroups of students, in each of the eight state priority areas, plus any locally identified priority areas.
- Expected progress toward meeting the goals—and as part of a schools required annual update of the plan, the school must describe actual progress made toward meeting the goals and describe any adjustments to be made.
- Expenditures required to implement each of the goals and actions, including a description of how additional funds provided for low-income students, English learners and foster youth will be used to increase or improve services for these students.
- The process used to involve parents, students, community members, school employees and other stakeholders in developing, reviewing and supporting implementation of the LCAP.

The MPS Home Office has collaborated with the school leadership teams in ensuring that all of the school LCAPs have school-wide goals, annual measurable outcomes and specific actions aligned to the eight state priorities and that the schools have meaningfully engaged their stakeholders in the development of their LCAP.

As part of the LCAP development process our schools have conducted stakeholder surveys to engage our stakeholders in the evaluation of their experience at MPS. School leadership teams have shared their reflection on the survey

results and findings that identifies their greatest progress, greatest needs, and ways to improve so that we can maintain and improve educational quality of our schools on an ongoing basis. The teams have completed their reflections and presented it to their stakeholders in various settings, including presentations at regular meetings of the MPS Stakeholders Committee and the Board.

School leadership teams have also presented their CA School Dashboard results and findings as well as other school performance data to their stakeholders at their PTF, SSC, and ELAC meetings throughout the year. During the year, the MPS board and the Academic Committee have been presented SBAC, CA School Dashboard, NWEA, and other LCAP progress data as well as each MSA's glows, grows, and next action steps.

The school leadership teams have worked with the MPS finance department in writing annual updates for their LCAP estimated actual expenditures and next year's budgeted expenditures. As part of the budgeting process, all expenditures have been entered in the budgeting software, Adaptive Insights, and coded by LCAP goal and action. The reports produced from Adaptive Insights have been used by the principals to update the dollar amounts in the LCAP templates. Since MPS chooses to use the LCAP as SPSA, the expenditures funded by the federal Title funds have been specifically outlined in the LCAP action descriptions. Any substantive changes to Title fund expenditures during the year will be shared with the SSC and ELAC and their approval will be sought.

The Ed Code requires a public hearing before LCAP adoption. MPS held a public hearing for our LCAPs and budgets on June 10, 2021. The draft LCAPs were uploaded to the school websites under Accountability for easy public access. The invitation to the public hearing was shared with stakeholders via ParentSquare as well as how they could share their feedback with the school principals and the board. The draft budgets were also presented at the same public hearing by the finance team. Besides the public hearing requirement, the LCAP adoption process requires adoption of the LCAP at the same meeting as the budget adoption, LCAP before the budget, as well as sharing of the local indicators with the board and the public at the same meeting. Therefore, the June 24, 2021 agenda includes two approval items, i.e., the LCAP and the budget, and one information item, i.e., the local indicators.

The processes described above are all part of our LCAP development and continuous improvement cycle.

#### Budget Implications

All LCAP expenditures are budgeted in each school's budget.

#### How Does This Action Relate/Affect/Benefit All MSAs?

Board approval of LCAP is a requirement for LEAs as described in the Ed Code.

<b>Required Prompts(s)</b>	<b>Response(s)</b>
<b>Briefly describe any of the General Fund Budget Expenditures for the school year not included in the Local Control and Accountability Plan (LCAP).</b>	All general fund budget expenditures have been included in the LCAP.

## LCFF Budget Overview for Parents

Local Educational Agency (LEA) Name: Magnolia Science Academy

CDS Code: 19-10199-6119945

School Year: 2021-22

LEA contact information:

Mustafa Sahin

Principal

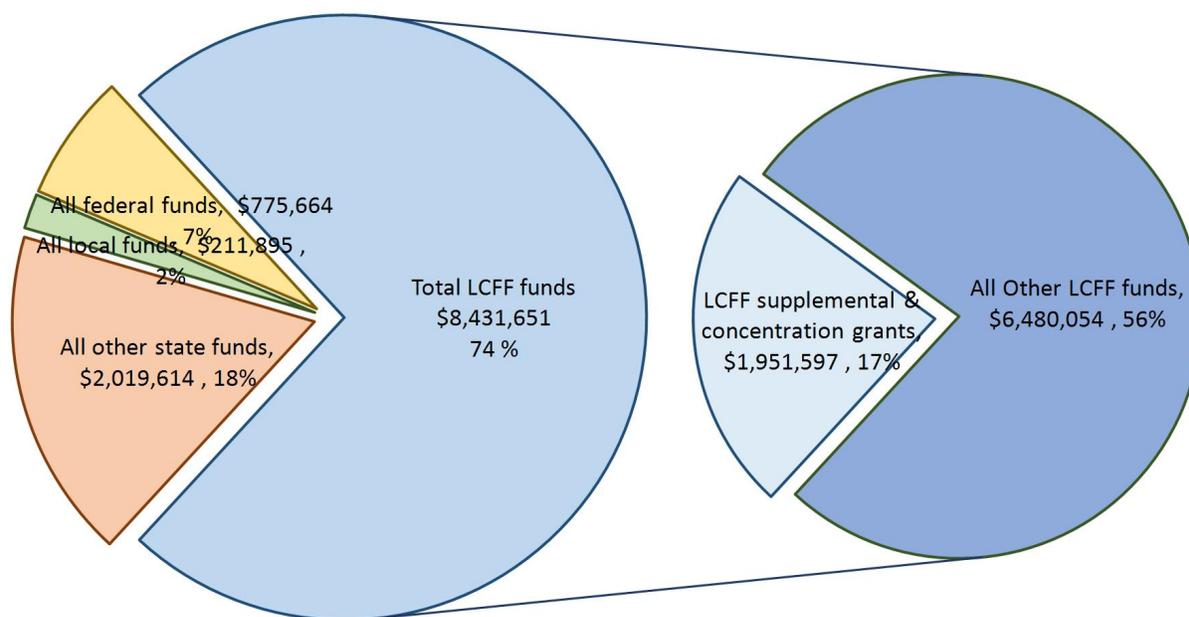

msahin@magnoliapublicschools.org

(818) 609-0507

School districts receive funding from different sources: state funds under the Local Control Funding Formula (LCFF), other state funds, local funds, and federal funds. LCFF funds include a base level of funding for all LEAs and extra funding - called "supplemental and concentration" grants - to LEAs based on the enrollment of high needs students (foster youth, English learners, and low-income students).

### Budget Overview for the 2021-22 School Year

#### Projected Revenue by Fund Source

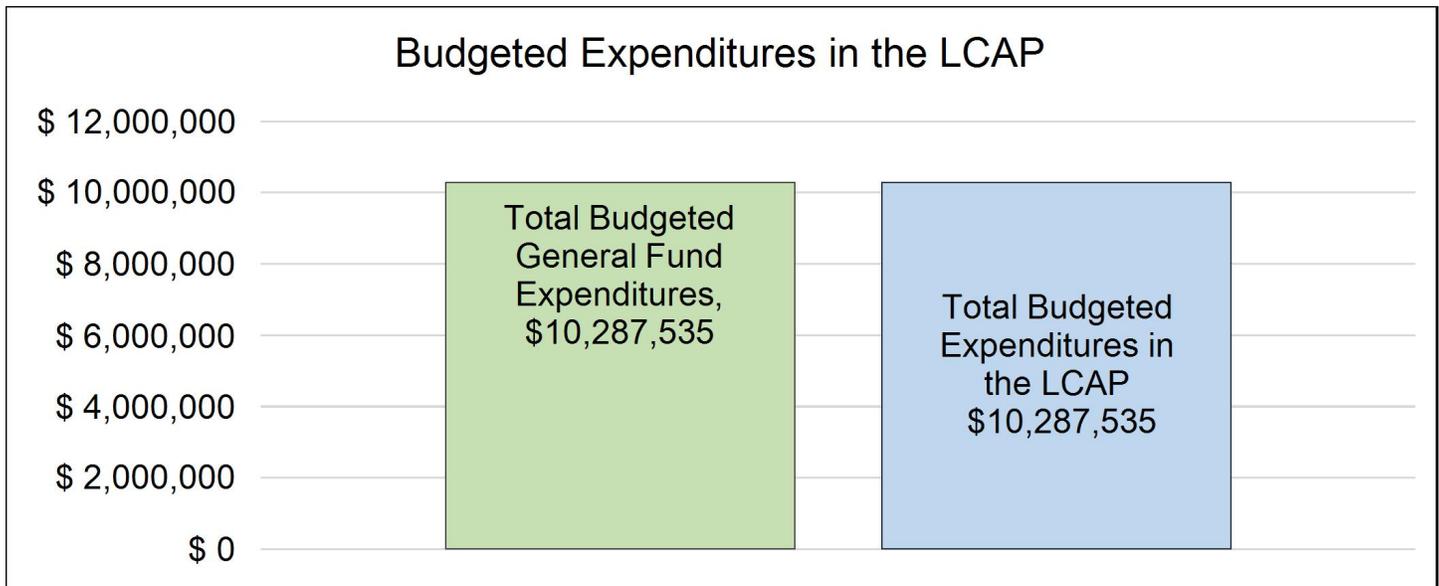

This chart shows the total general purpose revenue Magnolia Science Academy expects to receive in the coming year from all sources.

The total revenue projected for Magnolia Science Academy is \$11,438,824, of which \$8,431,651 is Local Control Funding Formula (LCFF), \$2,019,614 is other state funds, \$211,895 is local funds, and \$775,664

is federal funds. Of the \$8,431,651 in LCFF Funds, \$1,951,597 is generated based on the enrollment of high needs students (foster youth, English learner, and low-income students).

## LCFF Budget Overview for Parents

The LCFF gives school districts more flexibility in deciding how to use state funds. In exchange, school districts must work with parents, educators, students, and the community to develop a Local Control and Accountability Plan (LCAP) that shows how they will use these funds to serve students.

This chart provides a quick summary of how much Magnolia Science Academy plans to spend for 2021-22. It shows how much of the total is tied to planned actions and services in the LCAP.

Magnolia Science Academy plans to spend \$10,287,535 for the 2021-22 school year. Of that amount, \$10,287,535 is tied to actions/services in the LCAP and \$0 is not included in the LCAP. The budgeted expenditures that are not included in the LCAP will be used for the following:

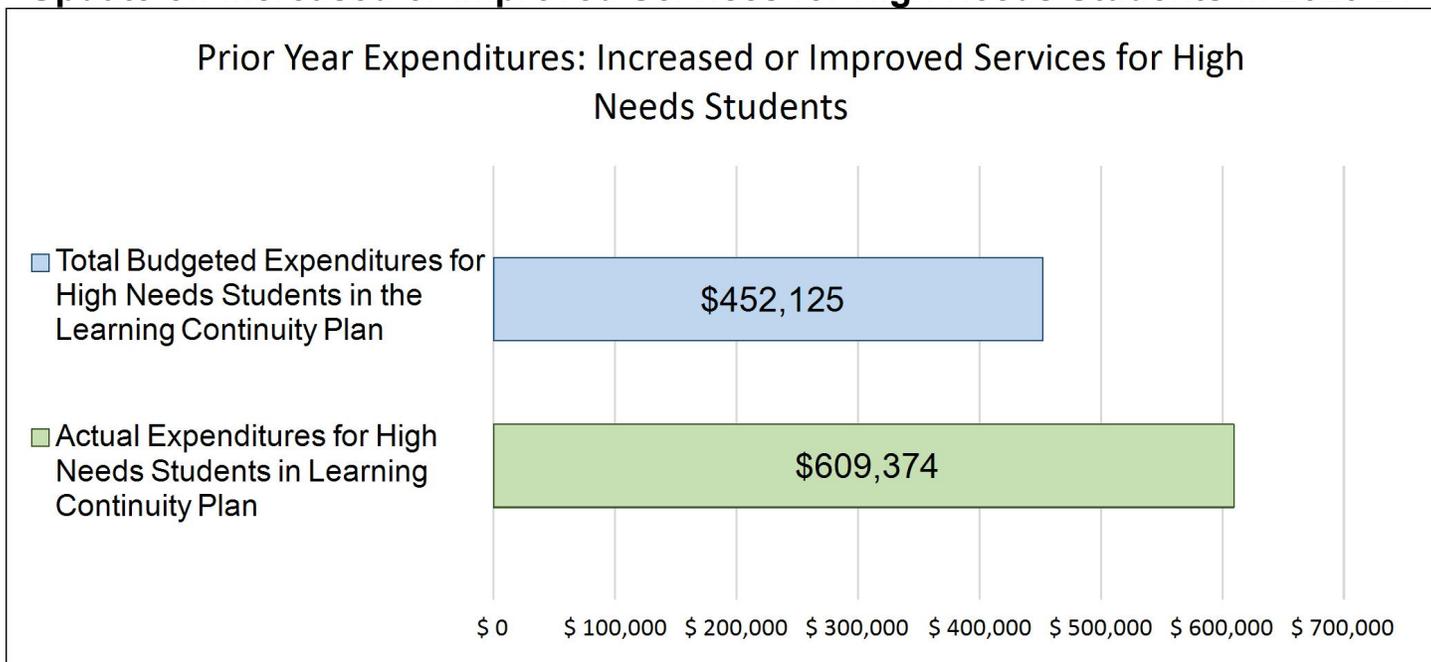

All general fund budget expenditures have been included in the LCAP.

### Increased or Improved Services for High Needs Students in the LCAP for the 2021-22 School Year

In 2021-22, Magnolia Science Academy is projecting it will receive \$1,951,597 based on the enrollment of foster youth, English learner, and low-income students. Magnolia Science Academy must describe how it intends to increase or improve services for high needs students in the LCAP. Magnolia Science Academy plans to spend \$3,058,022 towards meeting this requirement, as described in the LCAP.

## LCFF Budget Overview for Parents

### Update on Increased or Improved Services for High Needs Students in 2020-21

This chart compares what Magnolia Science Academy budgeted last year in the Learning Continuity Plan for actions and services that contribute to increasing or improving services for high needs students with what Magnolia Science Academy estimates it has spent on actions and services that contribute to increasing or improving services for high needs students in the current year.

In 2020-21, Magnolia Science Academy's Learning Continuity Plan budgeted \$452,125 for planned actions to increase or improve services for high needs students. Magnolia Science Academy actually spent \$609,374 for actions to increase or improve services for high needs students in 2020-21.

# Annual Update for Developing the 2021-22 Local Control and Accountability Plan

## Annual Update for the 2019–20 Local Control and Accountability Plan Year

LEA Name	Contact Name and Title	Email and Phone
Magnolia Science Academy	Mustafa Sahin Principal	msahin@magnoliapublicschools.org (818) 609-0507

The following is the local educational agency's (LEA's) analysis of its goals, measurable outcomes and actions and services from the 2019-20 Local Control and Accountability Plan (LCAP).

# Goal 1

EXCELLENCE: All students will pursue academic excellence and be college/career ready.

State and/or Local Priorities addressed by this goal:

State Priorities:    Priority 1: Basic (Conditions of Learning)  
                           Priority 2: State Standards (Conditions of Learning)  
                           Priority 4: Pupil Achievement (Pupil Outcomes)  
                           Priority 8: Other Pupil Outcomes (Pupil Outcomes)

Local Priorities:    N/A

## Annual Measurable Outcomes

Expected	Actual
<p><b>Metric/Indicator</b>            Percentage of teachers who assigned and fully credentialed as required by law and the charter</p> <p><b>19-20</b>            100%</p> <p><b>Baseline</b>            100%</p>	<p>2019-20:            100%</p>

## Goal Analysis

A description of how funds budgeted for Actions/Services that were not implemented were used to support students, families, teachers, and staff.

Due to school closure, we were not able to spend operation related items as planned. For example, we spent less than the budgeted amount for BTSA because some of our teachers decided to postpone it for next year. For supplies and materials, we spent more than what we budgeted in order to provide extra programs for our students and teachers. We did not spend all the budgeted amount for the repair and maintenance and house keeping items due to school closures. Finally, our school offered PDs for teachers internally and did not seek for outside professional training.

A description of the successes and challenges in implementing the actions/services to achieve the goal.

Even with the school closure, we were able to provide around 400 chrome books to our students and over 100 hot spots so they were able to join their online classes. We were able to administer MAP test with over 90% participation rate.

## Goal 2

INNOVATION: All students will become independent, innovative scholars.

State and/or Local Priorities addressed by this goal:

State Priorities:     Priority 7: Course Access (Conditions of Learning)  
                           Priority 8: Other Pupil Outcomes (Pupil Outcomes)

Local Priorities:

### Annual Measurable Outcomes

Expected	Actual
<p><b>Metric/Indicator</b>            Percentage of the programs and services outlined in the charter petition that will be provided as measured by student interest surveys for elective courses and programs, master school schedule, and class rosters</p> <p><b>19-20</b>            100%</p> <p><b>Baseline</b>            100%</p>	<p>2019-20:            100%</p>
<p><b>Metric/Indicator</b>            Percentage of students who will have sufficient access to all academic and educational programs provided by the Charter School as measured by student interest surveys for elective courses and programs, master school schedule, and class rosters</p> <p><b>19-20</b>            100%</p> <p><b>Baseline</b>            100%</p>	<p>2019-20:            100%</p>
<p><b>Metric/Indicator</b></p>	<p>2019-20:            7%</p>

Expected	Actual
<p>Percentage of students enrolled in the Charter School's grades 6-8 who take the Accelerated and/or Advanced Math class and/or Advanced Math club</p> <p><b>19-20</b> 5%</p> <p><b>Baseline</b> 5%</p>	
<p><b>Metric/Indicator</b> Percentage of our graduates who will have taken a Computer/Technology class and/or experienced blended learning in their program of study</p> <p><b>19-20</b> 100%</p> <p><b>Baseline</b> 100%</p>	<p>2019-20: 100%</p>
<p><b>Metric/Indicator</b> Percentage of students who will have created or demonstrated a STEAM focused project, experiment, model or demo</p> <p><b>19-20</b> 80%</p> <p><b>Baseline</b> 80%</p>	<p>2019-20: 100%</p>

**Actions / Services**

Planned Actions/Services	Budgeted Expenditures	Actual Expenditures
<p>Charter School will provide students with a broad array of courses including core subjects (English, mathematics, social sciences, and science) and electives as outlined in its charter petition. Charter School will also provide all other academic programs and services outlined in its charter petition, certain programs and services being dependent on student need and interest. We are adding 3 new teachers</p>	<p>\$2,131,527.00 Teacher salaries (1000)(Base); \$814,253.00 Benefits (3000)(Base); \$40,000 Field trip expenses (5000)(Base) 1000-3000: Salary and Benefits Base; Donations \$2,985,780.00</p>	<p>\$2,350,000.00 Teacher salaries (1000)(Base); \$705,253.00 Benefits (3000)(Base); 1000-3000: Salary and Benefits Base; Donations \$3,055,253</p>

Planned Actions/Services	Budgeted Expenditures	Actual Expenditures
<p><b>For Actions/Services not included as contributing to meeting the Increased or Improved Services Requirement:</b></p> <p><b>Students to be Served</b> All</p> <p><b>Location(s)</b> All Schools</p>	<p>\$40,000 Field trip expenses (5000)(Base) 5000-5999: Services And Other Operating Expenditures Base; Donations \$40,000.00</p>	<p>\$11,500 Field trip expenses (5000)(Base) 5000-5999: Services And Other Operating Expenditures Base; Donations 11500</p>
<p>Charter School will design its master schedule to meet the needs of its students to ensure all academic content areas are available to all students, including student groups.</p> <p><b>For Actions/Services not included as contributing to meeting the Increased or Improved Services Requirement:</b></p> <p><b>Students to be Served</b> All</p> <p><b>Location(s)</b> All Schools</p>	<p>\$116,000 1 Principal and 2 Deans of Academics salaries (Duplicated expense) (1000)(Base); \$35,320.00 Benefits (3000)(Base) 1000-3000: Salary and Benefits LCFF Base \$151,320.00</p>	<p>\$116,000 1 Principal and 2 Deans of Academics salaries (Duplicated expense) (1000)(Base); \$35,320.00 Benefits (3000)(Base) 1000-3000: Salary and Benefits LCFF Base \$151,320.00</p>
<p>Charter School will offer Accelerated and/or Advanced Math class and/or Advanced Math club to students in grades 6-8.</p> <p><b>For Actions/Services not included as contributing to meeting the Increased or Improved Services Requirement:</b></p> <p><b>Students to be Served</b> All</p> <p><b>Location(s)</b> All Schools</p>	<p>\$70,000.00 Accelerated/Advanced Math teacher salary and benefits (1000)(3000)(Base) [Duplicated Expense: See Goal 2: Action 1] 1000-3000: Salary and Benefits LCFF Base \$70,000.00</p>	<p>\$68,926.00 Accelerated/Advanced Math teacher salary and benefits (1000)(3000)(Base) [Duplicated Expense: See Goal 2: Action 1] 1000-3000: Salary and Benefits LCFF Base \$68,926.00</p>
<p>Charter School will offer Computer/Technology classes and/or blended learning experience for our students. Charter School will also keep its technology up to date. Charter School teachers will participate in PD on Blended Learning.</p>	<p>\$62,000 1 IT staff salary (2000)(Base); \$12,400 Benefits (3000)(Base); \$120,000.00 2 Computer/Technology teachers salary. <p><b>For Actions/Services not included as contributing to meeting the Increased or Improved Services Requirement:</b></p> <p><b>Students to be Served</b> All</p> <p><b>Location(s)</b> All Schools</p>	<p>(1000)(3000)(Base) \$52,400.00 [Duplicated Expense: See Goal 2: Action 1];</p> <p>1000-3000: Salary and Benefits LCFF Base \$309,000.00</p> <p>27,000 Technology expenses 5000-5999: Services And Other Operating Expenditures \$27,000.00</p>	<p>(1000)(3000)(Base) \$52,400.00 [Duplicated Expense: See Goal 2: Action 1];</p> <p>1000-3000: Salary and Benefits LCFF Base \$74,400.00</p> <p>18,300 Technology expenses 5000-5999: Services And Other Operating Expenditures \$18,300</p>
<p>Charter School will provide opportunities for students during the day and after school to create or demonstrate a STEAM focused project, experiment, model or demo. Charter School will also provide information and access to quality out-of school STEAM activities and achievements.</p> <p><b>For Actions/Services not included as contributing to meeting the Increased or Improved Services Requirement:</b></p> <p><b>Students to be Served</b> All</p> <p><b>Location(s)</b> All Schools</p>	<p>\$10,000 Science materials (4000)(Base) 4000-4999: Books And Supplies LCFF Base \$10,000.00</p>	<p>\$10,000 Science materials (4000)(Base) [Duplicated Expense: See Goal 1: Action ?]; 4000-4999: Books And Supplies LCFF Base 0</p>

## Goal Analysis

A description of how funds budgeted for Actions/Services that were not implemented were used to support students, families, teachers, and staff.

There is an increase in the salary due to additional staff we hired this year. We were not able to spend the field trips amount due to pandemic. There is a duplicate expense in the Computer/Technology action item, that's why the amount is less than budgeted.

A description of the successes and challenges in implementing the actions/services to achieve the goal.

School closure made it impossible to have the field trips but we were able to attend some virtual field trips.

## Goal 3

CONNECTION: All students, families, staff, and other stakeholders will feel a sense of community and connectedness.

State and/or Local Priorities addressed by this goal:

State Priorities:    Priority 3: Parental Involvement (Engagement)  
                           Priority 5: Pupil Engagement (Engagement)  
                           Priority 6: School Climate (Engagement)

Local Priorities:    N/A

### Annual Measurable Outcomes

Expected	Actual
<p><b>Metric/Indicator</b> Number of SSC meetings per year</p> <p><b>19-20</b> 4</p> <p><b>Baseline</b> 4</p>	<p>2019-20: 4</p>

## Goal Analysis

A description of how funds budgeted for Actions/Services that were not implemented were used to support students, families, teachers, and staff.

There is no huge discrepancy between the budgeted and the actual expenditures. Due to school closure, we were not able to conduct as many home visits as we have in the past; therefore, we did not spend the budgeted amount for home visits.

A description of the successes and challenges in implementing the actions/services to achieve the goal.

Implementing the PBIS was a challenge due to school closure, but other than that we were able to survey all of our stakeholders and some home visits.

## Annual Update for the 2020–21 Learning Continuity and Attendance Plan

The following is the local educational agency's (LEA's) analysis of its 2020-21 Learning Continuity and Attendance Plan (Learning Continuity Plan).

### In-Person Instructional Offerings

#### Actions Related to In-Person Instructional Offerings

Description	Total Budgeted Funds	Estimated Actual Expenditures	Contributing
Addition of a Certified Nurses Assistant on-site 6 hours/day to provide health screenings and temperature checks for staff, students and parents/visitor	\$44,000.00	37,500.00	No
Deep Cleaning and Disinfecting of Campus	\$20,000.00	7,760.00	No
Purchase of necessary Personal Protective Equipment for students and staff	\$20,000.00	20,000.00	No
Hiring of additional SPED teacher, 1 Title 1 Math and 1 Title 1 English Teacher to support learning loss for our highest need student populations	\$196,425.00	240,000.00	Yes
Learning Platforms to Enhance Learning (NextGen Math, IXL, BrainPop, Albert, NWEA MAP, Aleks etc.)	\$25,000.00	47,500.00	Yes

A description of any substantive differences between the planned actions and/or budgeted expenditures for in-person instruction and what was implemented and/or expended on the actions.

The reason for the discrepancy in the campus deep cleaning item is because we only deep-cleaned the HS building, our staff deep-cleaned the MS site. We also needed to hire additional 3 Teacher Aides to be able to provide the necessary support that our students needed. We needed to purchase extra programs requested by our teachers for the distance learning.

## Analysis of In-Person Instructional Offerings

A description of the successes and challenges in implementing in-person instruction in the 2020-21 school year.

We were able to successfully implement in-person instructional offerings; however, the planning process did prove challenging. We spent a lot of time discussing how to offer our hybrid model in an effective way. Our first consideration was how to meet state and local safety guidelines in order to create an environment for in-person learning that was safe for students and staff. Preparing for a safe return was challenging because of our small space. Additionally, we felt challenged by how we would elicit feedback about potential hybrid options from parents and students, and whether or not we would have enough students return to in-person instruction. Larger questions about how we could support as many students returning as possible surfaced in our discussions, and we decided to implement regular COVID testing, health screenings, social distancing in the classrooms, etc. We succeeded in creating a hybrid schedule for students, adding a CNA to our staff, and purchasing PPE for students' safe return. Additionally, we felt challenged by student returning to in-person learning after a difficult year and potential learning loss. One of the successes we experienced was with the implementation of programs that work well in BOTH the in-person and digital setting (so that kids at home are not at a disadvantage when it comes to accessing curriculum). NextGen math, IXL, Brainpop, Albert, and MAP testing allowed us to provide access to the curriculum that is engaging and adaptable to support student learning.

# Distance Learning Program

## Actions Related to the Distance Learning Program

Description	Total Budgeted Funds	Estimated Actual Expenditures	Contributing
Equipment to ensure connectivity for students such as the additional purchase of Chromebooks and Hot Spots and other associated materials	\$160,000.00	235,000	Yes

A description of any substantive differences between the planned actions and/or budgeted expenditures for the distance learning program and what was implemented and/or expended on the actions.

We received extra funds to purchase additional technology (i.e., we planned to purchase 250 brand new chrome books, but we were able to purchase 500 brand new chrome books).

## Analysis of the Distance Learning Program

A description of the successes and challenges in implementing each of the following elements of the distance learning program in the 2020-21 school year, as applicable: Continuity of Instruction, Access to Devices and Connectivity, Pupil Participation and Progress, Distance Learning Professional Development, Staff Roles and Responsibilities, and Support for Pupils with Unique Needs.

We developed a Distance Learning Guides and Protocols and communicated clear expectations for all staff to ensure various levels of support for students. Staff was provided with ongoing professional development to support distance learning. Our distance learning platform was created to inform students and families of learning goals and was updated weekly. Both asynchronous and synchronous learning opportunities were provided to students in order to meet individual needs. Every teacher created a Google Classroom to post assignments, videos and resources, post discussion questions, and use various online programs to provide learning opportunities. All students were given access to online resources, physical resources and assignments. Live sessions were recorded for students who are not able to attend the live sessions. Additionally, teachers held virtual office hours/after school tutoring weekly to further support students and to provide opportunities for students to receive additional support. Students were assigned a mentor that checks-in with them on a regular basis and provided additional support as needed. In addition, teachers and staff reached out to both students in various manners, such as phone calls, video meetings, emails, and through the use of our Parent Square messaging system. Finally, to support technology needs, our school has distributed Chromebooks and hot spots to all students and families in need of.

## Pupil Learning Loss

### Actions Related to the Pupil Learning Loss

Description	Total Budgeted Funds	Estimated Actual Expenditures	Contributing
Summer Enrichment Program was provided virtually in July 2020 to provide additional educational opportunities in order to mitigate summer learning loss and prepare students for their transition to middle school.	\$35,000.00	31,000	Yes
Saturday school and additional office hours will be provided to all students during the 2020-21 school year to support student learning and mitigate learning loss. Great emphasis will be made to support students within the Tier 2 and 3 intervention groups with the extended learning opportunities to close the achievement gaps	\$30,000.00	40,000	Yes

A description of any substantive differences between the planned actions and/or budgeted expenditures for addressing pupil learning loss and what was implemented and/or expended on the actions.

We increased the number of teachers for Saturday school based on student numbers and needs.

### Analysis of Pupil Learning Loss

A description of the successes and challenges in addressing Pupil Learning Loss in the 2020-21 school year and an analysis of the effectiveness of the efforts to address Pupil Learning Loss to date.

The weekly data meetings with the Academic Deans, the Principal, Title 1 Math teacher, and EL Coordinator, have been very effective in our decision making regarding student support. During these meetings, we analyze MAP and IAB data, discuss strategies for how to effectively reteach or review standards students are not meeting in their assessments, and look at student placement in our different tiers of support to evaluate whether or not they are making progress and benefiting from continued intervention. In Department Meetings, our Data team asks for department collaboration and feedback on interventions in order to create an opportunity for our academic team to provide their teacher feedback to admin. We use this feedback to roster intervention classes and monitor student progress within those classes. Math and English teachers provide one extra day of tutoring (instead of two days of tutoring, they offer 3 days of tutoring) to support our struggling students in the areas that are assessed on state standardized testing. Many of our teachers use one of these tutoring sessions for struggling students in our focus populations (students in special ed, EL, and failing students) exclusively so teachers can offer more targeted remediation to those students. Additionally, tutoring is offered by after school program during asynchronous time; During this period of distance learning, we have utilized after school staff to provide our

students with support while in class. Finally, we have Saturday school as an option for our families who work outside of the home during distance learning, and cannot monitor their students closely during typical working hours.

These interventions/strategies have allowed us to:

- (1) Cycle kids in and out of intervention classes based on need
- (2) Provide an appropriate tier or support for our students (i.e. kids who need 5 day a week support are enrolled in POWER classes)
- (3) Focus on Math and English Remediation
- (4) Provide intervention during this period of distance learning in small groups

## Analysis of Mental Health and Social and Emotional Well-Being

A description of the successes and challenges in monitoring and supporting mental health and social and emotional well-being in the 2020-21 school year.

The biggest challenge is that all of the students are at home, which makes it hard to identify students who might be struggling and who needs extra support. The biggest success is that we were able to implement the zones of regulations curriculum and all of our students were able to receive/access the information. School also shared some other mental health resources such as Care Solace, Padlet, and coping skills presentation to 6th and 7th graders via Chicago School. ----During distance learning the mental health and well being of pupils, staff and caregivers/parents are of the utmost importance. Weekly check-ins are coordinated with the school staff. Teachers were provided with resources and a remote crisis intervention guide should they encounter any signs that a student may be in distress. Resources have been provided to all stakeholders via Padlet. This resource was created to house a variety of social and emotional links as well as communication guides when talking to children about the pandemic. A mental health and well-being survey was administered to students and caregivers in May and helped inform the next steps for continuous support of students and families. Constant communication regarding mental health and well-being resources have been shared via our school communication system Parent Square. Resources that have been shared prioritize self-care strategies for the whole family, help lines offered by LA County, Orange County and San Diego County. The correspondence also reminds parents that they can contact the school should they need specific reference material or access to local mental health resources. Unfortunately, during distance learning the reality of youth suicide is still a risk and since we are not able to physically be present with students, we wanted to empower parents to be aware of signs of suicide and how to intervene should there be concerns. Our partnership with LACOE's Suicide Prevention and the ongoing Resiliency 2 program allowed us to share suicide prevention training videos to all families. Prior to school closures, we partnered with the the Matthew Silverman Memorial Foundation who connected and funded implementation for the Signs of Suicide Curriculum. For the 2020-2021 school year we are aligning all Social Emotional Learning (SEL) instruction and launching our focus on teaching students about emotional control and self-regulation through the use of The Zones of Regulation (ZoR) curriculum. Each Magnolia Public School (MPS) school site will design an implementation plan including who will be in charge of facilitating lessons/activities with students, during what time of day and frequency of lessons. For example, one school may select to lead lessons daily during the SSR/Advisory class session and every teacher is assigned an SSR/Advisory class. All families were informed of our new curriculum implementation using our parent/stakeholder notification system, Parent Square. The initial reception has been positive as families agree helping to build students' self-awareness skills is critical for success not only academically but socially as well. Each site will have a ZoR implementation team led by the Dean of Students to monitor progress of the implementation plan and support needed for success. By September, we will administer a mental-health and wellness check-in survey for staff, students, and student caregivers. The data collected will be shared with school leaders and relevant staff to support the needs communicated in the survey. For example, if a student is reporting anxious feelings related to the beginning of the school year, we would have a teacher or paraprofessional reach out to the student if they haven't already to ensure any concerns related to anxious feelings are addressed. If additional support is needed, the student might be referred to a mental health provider at school while looping in parent/guardian.

## Analysis of Pupil and Family Engagement and Outreach

A description of the successes and challenges in implementing pupil and family engagement and outreach in the 2020-21 school year.

We were successful in implementing pupil and family engagement and outreach in the 2020-21 school year by building partnerships with families and establishing opportunities for families and students to give their input regarding decisions that impact the school. They included: Stakeholders Surveys, Student/Parent Orientation, Back to School Night, ELAC meetings, SSC meetings, coffee with admin, and parent/teacher conferences. Our teachers and administrators visited students at their homes to discuss students' academic progress and to offer support by inviting students to their tutoring. Additionally, teachers utilized ParentSquare to communicate with parents and notify them of their child's progress and to make important announcements.

## Analysis of School Nutrition

A description of the successes and challenges in providing school nutrition in the 2020-21 school year.

Magnolia Science Academy, in partnership with Better4You Meals and Schools in Action, continues to provide nutritious meals to our students who need them during distant learning. Meals are distributed in the parking lot or on the multipurpose room patio (during inclement weather) to ensure social distancing guidelines are observed by Magnolia Science Academy-1 located at, 18238 Sherman Way, Reseda, CA 91332. Students enrolled at Magnolia Science Academy-1 can participate in the distribution every Wednesday and Friday from 1 p.m. to 3 p.m. Every Wednesday, students pick up 3 days worth of breakfast and lunch meals. Every Friday is worth 2 days of meals. Students have a lunch code they provide to the servers to track the meals picked up and to properly invoice families. Schools in Action manages the lunch program for Magnolia Science Academy -1. Meal servers are trained and aware of meal service guidelines. Servers have access to handwashing stations and signs for safety directions are posted at the locations.

## Additional Actions and Plan Requirements

### Additional Actions to Implement the Learning Continuity Plan

Section	Description	Total Budgeted Funds	Estimated Actual Expenditures	Contributing
Mental Health and Social and Emotional Well-Being	Purchase and training for Zones of Regulation SEL curriculum	\$700.00	6,874.00	Yes
Mental Health and Social and Emotional Well-Being	Participation in LACOE's PBIS Program 2020-21	\$5,000.00	9,000	Yes

A description of any substantive differences between the planned actions and budgeted expenditures for the additional plan requirements and what was implemented and expended on the actions.

Zone of regulation program was recommended after we completed our budget process, we decided to purchase the program based on our students' needs. We needed to join the PBIS program as 2 different school, Middle School and High School, that's why we needed pay more than what we budgeted.

### Overall Analysis

An explanation of how lessons learned from implementing in-person and distance learning programs in 2020-21 have informed the development of goals and actions in the 2021–24 LCAP.

The lessons we learned from implementing in-person and distance learning programs in 20-21 have impacted the development of our goals and actions in our LCAP in many ways. For instance, one of our goals is to increase student and family engagement in the decision making process regarding our school. We learned that "access" is one of the ways we can ensure that students and parents are engaged with decision making. Student/Parent surveys and efforts for outreach impacted the writing of our engagement goal because there are distinct ways to improve both student and parent access to feedback including: providing multiple ways to participate, providing reminders to students and parents, making feedback part of our school culture both in and outside of the classroom, and reporting the feedback to all stakeholders in order to hold ourselves accountable for what we learn.

An explanation of how pupil learning loss continues to be assessed and addressed in the 2021–24 LCAP, especially for pupils with unique needs.

Pupil learning loss continues to be assessed and addressed through our ongoing data analysis using multiple means of assessment (i.e. MAP, IABs, OLSAT-8, Summative/Formative Assessments, ELPAC, student grades). We continue to have a focus on improving our intervention programs by having good practices like: regularly evaluating student progress, cycling kids in and out of intervention classes based on need, providing an appropriate tier or support for our students (i.e. kids who need 5 day a week support are enrolled in POWER classes), focusing on Math and English Remediation, and providing intervention during this period of distance learning in small groups.

A description of any substantive differences between the description of the actions or services identified as contributing towards meeting the increased or improved services requirement and the actions or services implemented to meet the increased or improved services requirement.

Some substantive differences between the description of the actions or services identified are as follows:  
We needed to hire additional 3 Teacher Aides to be able to provide the necessary support that our students with disabilities needed. We also needed to purchase extra programs requested by our teachers for the distance learning. We received extra funds to purchase additional technology (i.e., we planned to purchase 250 brand new chrome books, but we were able to purchase 500 brand new chrome books). We increased the number of teachers for Saturday school based on student numbers and needs.

# Overall Analysis of the 2019-20 LCAP and the 2020-21 Learning Continuity and Attendance Plan

A description of how the analysis and reflection on student outcomes in the 2019-20 LCAP and 2020-21 Learning Continuity and Attendance Plan have informed the development of the 21-22 through 23-24 LCAP.

In our 2019-20 and 2020-21 LCAP, we focused on the performance of Students with Learning Disabilities and English Language Learners on SBAC in the areas of math and English as the two subgroups consistently struggled to perform. We implemented the following steps to help the two subgroups perform well on SBAC:

1. We have smaller and more effective Power Classes that are based on students' MAP, ELPAC, SBAC, and IAB scores and we frequently cycle students out who show growth. In our Power English classes, students receive targeted instruction in reading, reading comprehension, phonemic awareness, and fluency.
2. English classes implement the gradual release model of instruction to help provide scaffolding for students who are both learning the language or who struggle to read and write.
3. We use StudySync (which includes an ELD component in conjunction with what is being learned in ELA). Our Title 1 English, reviews samples of student work, and follows up frequently with the students' ELA, ELD, and Math teachers to discuss student progress. Interventions include offering additional tutoring, creating action plans for individual students that address areas of need, providing one-on-one instructional support, accommodating the work for EL and SPED students, and creating a roster of students who need Saturday school or POWER Intervention Classes.
4. Our Special Education Teachers meet with General Education Teachers weekly to discuss student progress and to go over accommodations and support plans. Students who are co-enrolled in SPED and EL (most of our LTELs) receive RSP support from their Resource teacher, and classroom Aides who help them follow along with the curriculum, offer appropriate accommodation, make modifications to assignments, and check grades weekly to make sure students are progressing in the class/subject.
5. We hired additional classroom aides to assist our resource department in supporting students within their general education classroom setting. Math classes use Khan Academy and ALEKS to help provide differentiated instruction for students. Additionally, we receive math support from Tracy Lewin (the math coach for all of MPS), and English support from Katie Mann (the ELA coach for all of MPS), who visit our campus frequently and provide training in the Math and English Departments, and coach teachers on inclusive curriculum and EL standards.
6. We have implemented a uniform writing curriculum in our English classes, and we are working on implementing a similar framework for reading.
7. We embedded and non embedded accommodations are provided to Students with Disabilities and English Learners. Students receive training on how to access their support tools in CAASPP. Finally, students take their test in a smaller setting.
8. Our Title I English Teacher offered PD to our staff on a critical thinking and writing strategy that works across grade levels and can be adapted in many content areas. She also provided Strategy Snapshots on a bi-weekly basis to teachers and staff so that their expectations about academic rigor are more unified (and connected to the CHATS framework for EL support).
9. Resource staff offered small group tutoring and invited students to Saturday school.

These steps helped our students make progress on SBAC. Therefore, we plan to maintain all of these interventions and supports as we plan the 2021-22 through 2023-24 LCAP because we think it would build upon our progress from the previous year.

## Instructions: Introduction

The Annual Update Template for the 2019-20 Local Control and Accountability Plan (LCAP) and the Annual Update for the 2020–21 Learning Continuity and Attendance Plan must be completed as part of the development of the 2021-22 LCAP. In subsequent years, the Annual Update will be completed using the LCAP template and expenditure tables adopted by the State Board of Education.

*For additional questions or technical assistance related to the completion of the LCAP template, please contact the local COE, or the California Department of Education's (CDE's) Local Agency Systems Support Office by phone at 916-319-0809 or by email at [lcff@cde.ca.gov](mailto:lcff@cde.ca.gov).*

## Instructions: Annual Update for the 2019–20 Local Control and Accountability Plan Year

### Annual Update

The planned goals, state and/or local priorities, expected outcomes, actions/services, and budgeted expenditures must be copied verbatim from the approved 2019-20 Local Control and Accountability Plan (LCAP). Minor typographical errors may be corrected. Duplicate the Goal, Annual Measurable Outcomes, Actions / Services and Analysis tables as needed.

For each goal in 2019-20, identify and review the actual measurable outcomes as compared to the expected annual measurable outcomes identified in 2019-20 for the goal. If an actual measurable outcome is not available due to the impact of COVID-19 provide a brief explanation of why the actual measurable outcome is not available. If an alternative metric was used to measure progress towards the goal, specify the metric used and the actual measurable outcome for that metric.

Identify the planned Actions/Services, the budgeted expenditures to implement these actions toward achieving the described goal and the actual expenditures to implement the actions/services.

#### Goal Analysis

Using available state and local data and input from parents, students, teachers, and other stakeholders, respond to the prompts as instructed.

- If funds budgeted for Actions/Services that were not implemented were expended on other actions and services through the end of the school year, describe how the funds were used to support students, including low-income, English learner, or foster youth students, families, teachers and staff. This description may include a description of actions/services implemented to mitigate the impact of COVID-19 that were not part of the 2019-20 LCAP.

- Describe the overall successes and challenges in implementing the actions/services. As part of the description, specify which actions/services were not implemented due to the impact of COVID-19, as applicable. To the extent practicable, LEAs are encouraged to include a description of the overall effectiveness of the actions/services to achieve the goal.

## **Instructions: Annual Update for the 2020–21 Learning Continuity and Attendance Plan**

### **Annual Update**

The action descriptions and budgeted expenditures must be copied verbatim from the 2020-21 Learning Continuity and Attendance Plan. Minor typographical errors may be corrected.

### **Actions Related to In-Person Instructional Offerings**

- In the table, identify the planned actions and the budgeted expenditures to implement actions related to in-person instruction and the estimated actual expenditures to implement the actions. Add additional rows to the table as needed.
- Describe any substantive differences between the planned actions and/or budgeted expenditures for in-person instruction and what was implemented and/or expended on the actions, as applicable.
- Using available state and/or local data and feedback from stakeholders, including parents, students, teachers and staff, describe the successes and challenges experienced in implementing in-person instruction in the 2020-21 school year, as applicable. If in-person instruction was not provided to any students in 2020-21, please state as such.

### **Actions Related to the Distance Learning Program**

- In the table, identify the planned actions and the budgeted expenditures to implement actions related to the distance learning program and the estimated actual expenditures to implement the actions. Add additional rows to the table as needed.
- Describe any substantive differences between the planned actions and/or budgeted expenditures for the distance learning program and what was implemented and/or expended on the actions, as applicable.
- Using available state and/or local data and feedback from stakeholders, including parents, students, teachers and staff, describe the successes and challenges experienced in implementing distance learning in the 2020-21 school year in each of the following areas, as applicable:
  - Continuity of Instruction,
  - Access to Devices and Connectivity,

- Pupil Participation and Progress,
- Distance Learning Professional Development,
- Staff Roles and Responsibilities, and
- Supports for Pupils with Unique Needs, including English learners, pupils with exceptional needs served across the full continuum of placements, pupils in foster care, and pupils who are experiencing homelessness

To the extent practicable, LEAs are encouraged to include an analysis of the effectiveness of the distance learning program to date. If distance learning was not provided to any students in 2020-21, please state as such.

## **Actions Related to Pupil Learning Loss**

- In the table, identify the planned actions and the budgeted expenditures to implement actions related to addressing pupil learning loss and the estimated actual expenditures to implement the actions. Add additional rows to the table as needed.
- Describe any substantive differences between the planned actions and/or budgeted expenditures for addressing pupil learning loss and what was implemented and/or expended on the actions, as applicable.
- Using available state and/or local data and feedback from stakeholders, including parents, students, teachers and staff, describe the successes and challenges experienced in addressing Pupil Learning Loss in the 2020-21 school year, as applicable. To the extent practicable, include an analysis of the effectiveness of the efforts to address pupil learning loss, including for pupils who are English learners; low-income; foster youth; pupils with exceptional needs; and pupils who are experiencing homelessness, as applicable.

## **Analysis of Mental Health and Social and Emotional Well-Being**

- Using available state and/or local data and feedback from stakeholders, including parents, students, teachers and staff, describe the successes and challenges experienced in monitoring and supporting Mental Health and Social and Emotional Well-Being of both pupils and staff during the 2020-21 school year, as applicable.

## **Analysis of Pupil and Family Engagement and Outreach**

- Using available state and/or local data and feedback from stakeholders, including parents, students, teachers and staff, describe the successes and challenges related to pupil engagement and outreach during the 2020-21 school year, including implementing tiered reengagement strategies for pupils who were absent from distance learning and the efforts of the LEA in reaching out to pupils and their parents or guardians when pupils were not meeting compulsory education requirements or engaging in instruction, as applicable.

## **Analysis of School Nutrition**

- Using available state and/or local data and feedback from stakeholders, including parents, students, teachers and staff, describe the successes and challenges experienced in providing nutritionally adequate meals for all pupils during the 2020-21 school year, whether participating in in-person instruction or distance learning, as applicable.

## **Analysis of Additional Actions to Implement the Learning Continuity Plan**

- In the table, identify the section, the planned actions and the budgeted expenditures for the additional actions and the estimated actual expenditures to implement the actions, as applicable. Add additional rows to the table as needed.
- Describe any substantive differences between the planned actions and/or budgeted expenditures for the additional actions to implement the learning continuity plan and what was implemented and/or expended on the actions, as applicable.

## **Overall Analysis of the 2020-21 Learning Continuity and Attendance Plan**

The Overall Analysis prompts are to be responded to only once, following an analysis of the Learning Continuity and Attendance Plan.

- Provide an explanation of how the lessons learned from implementing in-person and distance learning programs in 2020-21 have informed the development of goals and actions in the 2021–24 LCAP.
  - As part of this analysis, LEAs are encouraged to consider how their ongoing response to the COVID-19 pandemic has informed the development of goals and actions in the 2021–24 LCAP, such as health and safety considerations, distance learning, monitoring and supporting mental health and social-emotional well-being and engaging pupils and families.
- Provide an explanation of how pupil learning loss continues to be assessed and addressed in the 2021–24 LCAP, especially for pupils with unique needs (including low income students, English learners, pupils with disabilities served across the full continuum of placements, pupils in foster care, and pupils who are experiencing homelessness).
- Describe any substantive differences between the actions and/or services identified as contributing towards meeting the increased or improved services requirement, pursuant to *California Code of Regulations*, Title 5 (5 CCR) Section 15496, and the actions and/or services that the LEA implemented to meet the increased or improved services requirement. If the LEA has provided a description of substantive differences to actions and/or services identified as contributing towards meeting the increased or improved services requirement within the In-Person Instruction, Distance Learning Program, Learning Loss, or Additional Actions sections of the Annual Update the LEA is not required to include those descriptions as part of this description.

## **Overall Analysis of the 2019-20 LCAP and the 2020-21 Learning Continuity and Attendance Plan**

The Overall Analysis prompt is to be responded to only once, following the analysis of both the 2019-20 LCAP and the 2020-21 Learning Continuity and Attendance Plan.

- Describe how the analysis and reflection related to student outcomes in the 2019-20 LCAP and 2020-21 Learning Continuity and Attendance Plan have informed the development of the 21-22 through 23-24 LCAP, as applicable.

California Department of Education  
January 2021

## Annual Update for the 2019–20 Local Control and Accountability Plan Year Expenditure Summary

Total Expenditures by Funding Source		
Funding Source	2019-20 Annual Update Budgeted	2019-20 Annual Update Actual
All Funding Sources	4,995,678.00	4,781,304.00
	27,000.00	18,300.00
Base; Donations	3,027,780.00	3,068,753.00
LCFF Base	1,571,541.00	1,455,066.00
LCFF Base, Title I	4,522.00	4,522.00
LCFF Supplemental and Concentration	123,260.00	26,220.00
Title I	241,575.00	208,443.00
	232,000.00	198,868.00
	232,000.00	187,318.00

\* Totals based on expenditure amounts in goal and annual update sections.

<b>Total Expenditures by Object Type</b>		
<b>Object Type</b>	<b>2019-20 Annual Update Budgeted</b>	<b>2019-20 Annual Update Actual</b>
All Expenditure Types	4,995,678.00	4,781,304.00

# Local Control Accountability Plan

The instructions for completing the Local Control and Accountability Plan (LCAP) follow the template.

Local Educational Agency (LEA) Name	Contact Name and Title	Email and Phone
Magnolia Science Academy	Mustafa Sahin Principal	msahin@magnoliapublicschools.org (818) 609-0507

## Plan Summary [2021-22]

### General Information

A description of the LEA, its schools, and its students.

Magnolia Science Academy (MSA-1 or Charter School), is a classroom-based charter school serving grades 6–12 with a curriculum emphasis on science, technology, engineering, arts and math (STEAM). Originally founded in 2002, MSA-1's mission is to provide a college preparatory educational program emphasizing STEAM in a safe environment that cultivates respect for self and others.

MSA-1 currently has 715 students in grades 6-12, and mainly draws enrollment from Reseda, CA and neighboring communities. The neighborhoods that MSA-1 serves are heavily immigrant with a language other than English spoken at home. A high concentration of the families MSA-1 serves face economic challenges. MSA-1 has a diverse enrollment, including 90% Hispanic/Latino, 5% White, 89% Socioeconomically Disadvantaged, 15% Special Education, and 20% English Learner population.

MSA-1 strives to graduate students who come from historically underserved neighborhoods as scientific thinkers that contribute to the global community as socially responsible and educated members of society. We offer a comprehensive learning experience designed to serve the needs of our students through effective site-based instruction, rich hands-on learning, and foundation skills presented in ways that are relevant and inspiring for our students. Classroom instruction at MSA-1 is supplemented by tutoring, after-school programs, and school-to-university links.

### Reflections: Successes

A description of successes and/or progress based on a review of the California School Dashboard (Dashboard) and local data.

I. Data Driven Curricular Choices Contribute to Student Growth. Last year, our overall SBAC student scores improved for Math and ELA by 2 points and 11 points respectively. We are confident that we will see the same if not better results for this year. The increase in student scores

is due in part to our ELA and Math department's adoption of Common Core aligned digital curriculum. Our English teachers use Study Sync, which is Common Core aligned and allows students to engage with text and demonstrate understanding of their content through reading and writing. Content is academically rigorous, thematically unified, and engages students through digital content including videos, interactive texts, audio readings of class content, and a built in ELD component to help engage our ELL students. As a result, the percent of our EL students who made progress towards English Proficiency increased by 16% compared to last year. Similarly, in our Math classes we use McGraw Hill online curriculum, which is also Common Core aligned and engages students in a similar way with digital problems, math manipulatives, and demonstrations.

II. Staff PD/Resource Sharing Contributes to Growth. We have implemented universal standards of writing and reading across content areas. Our English Title 1 staff analyzes data, passes along resources, and leads PDs for our staff to make sure they are supporting our struggling students. Our Title I English teacher observes struggling students in three of their core classes (History, Science, and English), and provides resources and PD for our staff about implementing academic tools that might help. Our Dean of Academics looks at data from benchmark testing like MAP and SBAC, and helps to roster and monitor progress in our Saturday School program. Math teachers also use gradual release model in math intervention classes so that students who struggle in that content area receive explicit instruction, guided practice, and independent work.

III. College Readiness Contributes to Growth. We currently have 68 graduating seniors and we have a 100 percent graduation rate. Our Dean and College counselor create a 4 year plan for each student and keep track of their classes, grades, etc. We believe the individualized attention and the student's role in setting their own goals helped our graduation rate to stay strong. Our staff does much work to involve parents and students in setting goals that prepare students for graduation and college. We are proud of the parent information nights where students and parents get to learn about college, financial aid, and the application process, and we are equally proud that our Senior English teachers support all 68 of our seniors in writing a personal statement. In essence, every student who graduates from MSA attends a junior college, 4 year university, or vocational program.

## Reflections: Identified Need

A description of any areas that need significant improvement based on a review of Dashboard and local data, including any areas of low performance and significant performance gaps among student groups on Dashboard indicators, and any steps taken to address those areas.

The two subgroups who did not perform well on SBAC and need our close attention were Sped students in the area of Math and English Language Learners in the area of English; our data shows that compared to our general student population, these sub-groups are struggling. Currently, in our Power classes we support struggling students through digital intervention content. We use Flex Literacy (for English) and Khan Academy, NextGen Math and MobyMath (for math), where direct instruction takes place in small, concentrated amounts, and students receive explicit direct instruction in that content area and have opportunities for guided practice. In our English classes, we use Study Sync (ELD component in conjunction with what is being learned in ELA). Conducting class in this way provides small group support outside of the classroom for those students. Additionally, our Title 1 English and Deans analyze scores and data (MAP, ELPAC, SBAC), review samples of student work, and follow up frequently with the student's ELA, ELD, and MATH teachers to discuss student progress. Interventions include offering additional tutoring, creating action plans for individual students that address areas of need, providing one-on-one instructional support, simplifying the work for EL and SPED students, and creating a roster of students who need Saturday school. Moreover, our Special

Education Teachers meet with General Education Teachers weekly either during conference periods or during Staff Meetings to discuss student progress and to go over accommodations and support plans. Students are given in-class support by their Resource teacher, who helps them follow along with the curriculum, offers appropriate accommodation, makes modifications to assignments, and checks grades weekly to make sure students are progressing in the class/subject. Our Title I English Teacher offers PD to our staff on a critical thinking and writing strategy that works across grade levels and can be adapted in many content areas. She also provides Strategy Snapshots on a bi-weekly basis to teachers and staff so that their expectations about academic rigor are more unified (and connected to the CHATS framework for EL support). Our History and Science teachers, who don't normally teach writing in an explicit way, then use that resource for their students. Finally, twice a year, we provide MSA wide professional development to our teachers and include training in all areas of need. These symposiums are a way for our teachers to attend workshops that can help enhance their teaching. For instance, many of our teachers attended the EL training with a guest lecturer from CSUN to learn about promoting language acquisition in their classrooms (in every content area).

The student groups that are behind are SPED students who performed low in Math and our English Learners who performed low in English. We use the intervention classes and programs (as mentioned above) to help support these student population. We use benchmark data (MAP) to roster students into intervention classes. This way, if a student is struggling in both English and Math, they get service in the areas of their greatest need. Additionally, SPED teachers and Intervention staff meet to discuss shared students and academic intervention for those SPED and EL students. The action includes; teacher referral of students who need support, meetings between parents, students, and coordinators, placement of students in appropriate tier or intervention, teaching of skills, assessment of mastery, and support for kids as they exit intervention. We use the RTI model to track student progress. Title I Coordinator plays a larger role in supporting the EL students in the classroom, and sets schedule of pull-out sessions.

## LCAP Highlights

A brief overview of the LCAP, including any key features that should be emphasized.

The Charter School LCAP committee has reviewed input from all stakeholders and available data through surveys and student performance data. Based on input and data, we have revised our existing actions/services and measurable outcomes and also planned for new ones. Some of the highlights include:

- Parents' appreciation of being involved in the decision-making process and the need for continuous parent training via activities such as Parent College and Tarzana Treatment Center Workshops
- Parents value the extra support we provide our students to ensure they are receiving the best education (i.e. after school tutoring, Saturday School, one-on-one support, etc.)
- The need to continue our improvements in designated/integrated English Learner services
- Providing counseling and positive behavior intervention support services to our students
- Continue using teacher evaluation system 'TeachBoost'
- 100% graduation rate; college bound high school students
- 95% teacher retention rate
- Ranked Among the Top 25 Charter Schools In LAUSD

- We offer a very strong Robotics program which helps prepare students to participate in VEX Robotics competitions. This year, our Robotics team, RoboWarriors, has expanded to 3 teams.
- Unified Writing Curriculum
- Unified Reading Curriculum
- Classes using blended learning effectively
- The full inclusion of Special Education Students
- Professional Development around Explicit Direct Instruction

## Comprehensive Support and Improvement

An LEA with a school or schools eligible for comprehensive support and improvement must respond to the following prompts.

### Schools Identified

A list of the schools in the LEA that are eligible for comprehensive support and improvement.

N/A

### Support for Identified Schools

A description of how the LEA has or will support its eligible schools in developing comprehensive support and improvement plans.

N/A

### Monitoring and Evaluating Effectiveness

A description of how the LEA will monitor and evaluate the plan to support student and school improvement.

N/A

## Stakeholder Engagement

A summary of the stakeholder process and how the stakeholder engagement was considered before finalizing the LCAP.

In order to promote learning and provide a more positive learning experience for our students, MSA-1 has established a culture of gathering input from parents, students, staff, community members, and other stakeholders through multiple channels including meetings, school events, surveys, home visits, newsletters, and other means of communication. To the extent possible, all stakeholders are invited to be involved in the process of school review and improvement including the development of our annual LCAP.

Information/input sessions include Parent Task Force (PTF) meetings, School Site Council (SSC) meetings, English Learner Advisory Committee (ELAC) meetings, Coffee with the Principal meetings, Board of Directors meetings, Principal meetings, and staff meetings. Parents on our PTF and SSC also serve as our parent advisory committee for LCAP. Along with ELAC, such committees provide for representation of students in need (low income, English learners, foster youth, etc.) Feedback from our parent advisory committee and ELAC provide valuable input for the new LCAP. In addition, the Charter School conducts surveys for parents, students, and staff, and the Charter School staff make home visits. These all serve as a way to inform, educate, and gather input and feedback from all critical stakeholders.

The Charter School has an approved charter petition with measurable student outcomes and methods to assess student progress and a WASC action plan for continuous school improvement. Therefore, LCAP is received by our community as a comprehensive planning tool that draws from all other school plans and addresses the state priorities and locally identified priorities.

The Charter School has held its periodical meetings this year to gather input from our stakeholders. These include 8 PTF meetings, 4 SSC meetings, 4 ELAC meetings, at least 6 parent activities/events including two Coffee with the Principal meetings, weekly staff meetings, and other stakeholder meetings. The school conducted a family, staff, and student experience survey with specific questions on the sense of safety and school connectedness, school culture and climate, and other areas of school improvement. A majority of our stakeholders participated in this survey. The Charter School staff has also made 180 home visits during this school year and sought feedback from the parents for school improvement.

A summary of the feedback provided by specific stakeholder groups.

Students Survey Feedback: Our Student approval rate in the area of Sense of Belonging (School Connectedness), increased from 51% in 2019-2020 to 60% in 2020-2021. Students reported appreciation for teachers' willingness to provide extra support by offering extra credit and tutoring opportunities during distance learning. Additionally, Students expressed feeling grateful for the one-on-one support they received from their teachers. Comments ranged from "I like how most teachers go out of their way to help students at times when they need it" to "I like how most students care about each other" to "I like how the school has tutoring hours and that way everyone can go if they need help." Additionally, Students stated that they appreciate the mental health support and check in from teachers. We have supported students emotionally as well through the SEL curriculum in a Wednesday homeroom which, we think, has helped to foster a greater sense of belonging during distance learning. We were also very happy to see that Students rated high in the area of Climate of Support for Academic Learning. When asked, "My teachers work hard to help me with my schoolwork when I need it," 82% of our students responded favorably.

This proves that our school is setting high expectations for learning, while also providing support for students who are struggling. Finally, we increased in the area of Knowledge and Fairness of Discipline, Rules and Norms from 2019-2020 school year. When we asked students “Students know how they are expected to act,” 75% responded favorably (18 points jump from last year).

Staff Survey Feedback: Our overall satisfaction rates for staff increased from 2019-2020 to 2020-2021 school year. Staff reported gratefulness for the support they received during distance learning. They expressed appreciation for the family like environment, supportive admin and staff, and the collaboration between staff members. Staff shared, “School feels like a family. Students and staff are welcoming” to “I like that it’s a small campus” and “I like the collaboration between staff.” We will continue to build the relationship between staff and admin, and between staff members and their peers, through continued peer observation, fair feedback and evaluation, and time for departments to collaborate, which we feel fostered a strong professional environment where team members felt respected and valued.

Students and Staff Survey Suggestions: This year, a recurring trend in stakeholder responses focused on our outdoor facilities and P.E. area. Staff and Students contributed comments like “not having P.E. facilities” and “there is not an adequate campus for all school purposes such as lunch area, recreation area, and gym etc.” as areas to improve. Additionally, another concern that came up in our stakeholder survey was the “homeless in the neighborhood.” Because our campus shares parking space with other businesses, sometimes there is a presence of people who are homeless setting up encampments nearby. While we cannot account for all environmental factors that contribute to the issue of homelessness in the area, we take steps to ensure the safety of our students such as: outdoor supervision, a fenced area that ensures students can be outside safely, a plant manager that helps to clean and maintain areas of the school, outdoor supervision by staff when students move from the main building to the fenced areas before, during, and after school. We also employ two security guards and have a security system to attempt to mitigate any risk of unregistered visitors on school grounds.

Student and Staff Next Steps: To address the concern for student safety due to the homeless population in the area, our school is considering the hire of an additional security guard. We have also reached out to the City of Reseda and they are following up on the issue of nearby homeless encampments. In order to strengthen the curriculum, we are looking at offering Speech and Debate, and another world language class (i.e., French). We have started sending our middle school staff to trainings for Honors curriculum in the hopes that we can offer honors differentiation next year. We are receiving bids and plans to design a lunch area (assuming we are back in session full time next year). Finally, we have 6 teams for CIF; however, due to the pandemic, we were not able to start the program. We are hoping that in the next school year we will be able to offer CIF sports programs to our students if we are allowed by state and local health agencies.

Parent Advisory Committee (PAC)/Parents:

- We held Monthly Meetings with parents.
- We presented the Title I budget to parents.
- COVID: At first, parents were concerned about the school's safety and sanitation. After, they were appreciative of the protocols we implemented at the school site and during our weekly testing. Parents were very happy about having the option to continue hybrid learning.
- Failing students and mitigating learning loss. At the beginning stages of distance learning, parents were concerned about the number of failing students. Parents were appreciative of the options provided to mitigate learning loss including extra tutoring days for the core classes (3 total), small group instruction, summer school and Saturday school.

- Parent Education Workshops: Parents were very happy and appreciative of the workshops offered including developing and applying effective study habits, Discovering your child's learning style, Study motivation for academic success, Effective listening skills, Coping with test anxiety, Tools to help students get organized, Habits of highly effective students and Stress management for parents.
- MAP Score Improvement: Parents were very happy to see the huge improvement students made on MAP.

#### School Site Council (SSC):

- Performance bonus for the staff
- IAB tests are monitored by the history department, they need more materials so they can provide the students.
- Parents suggested changing the reading program since there is a huge amount of money used for it. (Mr.Sahin shared reading level impact due to the program and parents agreed that it is best to keep it).
- Parents like having more paraprofessionals to keep students safe when in the lunch area. Suggested having an additional security guard.
- Parents liked the extension of the school year to mitigate learning loss.
- Parents were very happy with the addition of a Title I English and Math teachers.
- Can we have new programs to use in school (MyOn can be geared for MS)?

#### ELAC:

##### 1.September 24, 2020

- EL student data
- Updates on testing
- Testing and reclassification guidance
- Support for students including advanced EL and Power classes

##### 2.January 28, 2021

- Data
- Support for EL Students
- ELPAC 2021
- ELPAC Google Classroom
- ELPAC practice test

- Reclassification

#### Parent questions:

If my child reclassifies, will the help he receives stop? Does being an EL student affect students when they transfer to college? (This was answered and discussed)

##### 3.April 30, 2021

- ELPAC and ELAC updates

##### 4.May 28, 2021

- Updates

A description of the aspects of the LCAP that were influenced by specific stakeholder input.

The Charter School LCAP committee has reviewed input from all stakeholders and synthesized input to revise existing actions/services and measurable outcomes and also plan for new ones in the LCAP for the upcoming year. Some of the updates include:

- Improvements in designated/integrated English Learner services
- Expanding after school, Saturday school, and summer school opportunities
- Providing counseling and behavior support services to our students
- Continue using TeachBoost for teacher evaluations
- Increasing college preparedness by offering a college planning, dual enrollment with local colleges, and career exploration program for students early on, continue using Naviance to maintain the effectiveness of the “Advisory” programs, offering special programs to prepare students for the SAT/ACT tests, and preparing students to take more AP courses
- Continue investing in effective technology and teacher professional development in blended learning and differentiated instruction to enhance instruction in the classroom
- Expanding STEAM-based programs and activities
- Improving school facilities and the lunch program

# Goals and Actions

## Goal

Goal #	Description
1	<b>BASIC SERVICES FOR A HIGH-QUALITY LEARNING ENVIRONMENT:</b> All students and staff will have access to a safe, secure, healthy, and high-quality learning and working environment. Students will receive basic services that are fundamental to academic success, including fully credentialed teachers, standards-aligned instructional materials, and appropriately maintained school facilities.

An explanation of why the LEA has developed this goal.

Providing basic services means ensuring all students have access to teachers who are fully credentialed in their subject areas, instructional materials aligned with state standards, and safe, properly maintained school facilities. Charter School will also adhere to the MPS Wellness Policy and encourage participation in school meal programs. Research shows when students are provided with these basic services, student learning outcomes increase. The MPS Home Office will provide services such as academics, accountability, operations, IT, facilities, finance and accounting, human resources, and external relations to support and hold accountable the Charter School for compliance and meeting charter goals. Charter School will implement the actions listed under this goal and use the indicated metrics to measure progress in provision of basic services to maintain a high-quality learning environment.

## Measuring and Reporting Results

Metric	Baseline	Year 1 Outcome	Year 2 Outcome	Year 3 Outcome	Desired Outcome for 2023–24
Number of misassignments of teachers of English learners, total teacher misassignments, and vacant teacher positions (Source: Local Indicator Priority 1)	2020-21: 0				2023-24: 0
Percentage of students without access to their own copies of standards-aligned instructional	2020-21: 0%				2023-24: 0%

Metric	Baseline	Year 1 Outcome	Year 2 Outcome	Year 3 Outcome	Desired Outcome for 2023–24
materials for use at school and at home (Source: Local Indicator Priority 1)					
Number of identified instances where facilities do not meet the “good repair” standard (including deficiencies and extreme deficiencies) (Source: Local Indicator Priority 1)	2020-21: 0				2022-23: 0
Teacher retention rate (Source: HRIS)	2020-21: (Spring 2020 to Fall 2020) 91.0%				2023-24: (Spring 2023 to Fall 2023) 90.0%
Teacher attendance rate (Source: HRIS)	2020-21: (As of 3/25/21) 99.3%				2023-24: 97.0%

## Actions

Action #	Title	Description	Total Funds	Contributing
1	Teacher assignments and credentials	Charter School and the MPS Human Resources team will conduct credential, background, and TB clearance reviews as part of the hiring process and at least once throughout the year to ensure all credentials are properly maintained. Charter School will support our teachers’ credentialing needs. Charter School will also annually review master schedules and teacher assignments to ensure teachers are appropriately assigned and fully credentialed in the subject area and for the students they are teaching. Charter School uses a Human Resources Information System (HRIS) to automate employee	\$46,000.00	No

Action #	Title	Description	Total Funds	Contributing
		<p>documents. MPS Home Office HR team acts as a liaison between employees and provides administrative support as needed (e.g., correspondence generation, record keeping, file maintenance, HRIS entry, etc.) The HR team also provides reports to the Board and school administrators in regards to teacher retention, performance, pay scale, vacancies, recruitment efforts, credentials, mandatory trainings, and other HR related matters.</p> <p>Expenditures associated with this action include the following: teacher credentialing expenses, recruitment expenses (sign-in bonus, livescan/fingerprinting fees, etc.), Paycom/payroll fees, retirement service fees, and performance pay.</p> <p>The following expenditures will be funded by federal Title funds: N/A</p>		
2	Instructional materials and technology	<p>Charter School will manage the acquisition, distribution, and maintenance of equipment, materials, and technology needed to meet the academic, linguistic, cultural, social-emotional, and physical requirements of students. Charter School will annually review alignment of instructional materials to standards and maintain an inventory of instructional materials and corresponding purchases of materials. Charter School will annually review budgets and plans to ensure adequate budget for instructional materials. Charter School will ensure that students have sufficient access to standards-aligned instructional materials, including technology-based resources. Charter School will provide effective access and integration of technology resources, including software and mobile devices, that ensure meaningful access to CA Content Standards aligned instructional programs.</p> <p>Expenditures associated with this action include the following: textbooks, instructional materials and supplies, teacher/classroom supplies and office materials, computers, Chromebooks, hotspots, and other technology equipment, IT manager salary and benefits, E-Rate consultancy, and basic software (Zendesk, AssetWorks, firewall, Datto, CloudReady, Zoom, GoGuardian, etc.), phone/internet, and</p>	\$585,897.00	No

		<p>depreciation.</p> <p>The following expenditures will be funded by federal Title funds:</p> <ul style="list-style-type: none"> <li>Equipment: Resource: Title IV, Part A; Amount: \$2,891</li> </ul>		
3	Clean and safe facilities that support learning	<p>Charter School will strive to maintain a clean, safe, environmentally friendly, and inviting school that is worthy of our students, families, and staff and encourages successful teaching and learning. Charter School will continually improve and maintain facilities to ensure school safety, security and high quality learning and working environments. Charter School will do annual and monthly facility inspections to screen for ADA compliance and safety hazards; identified deficiencies will be quickly remedied. Daily general cleaning will maintain campus cleanliness. Maintenance and repairs will be provided by Charter School custodial staff and/or outsourced. As a STEAM focused school, we aim to operate in a sustainable and environmentally responsible manner. Charter School will develop and monitor comprehensive safety and security plans, conduct necessary safety training for all staff and continue to work with stakeholders and experts to implement emergency and risk management procedures for individuals and the site. Charter School will procure and maintain necessary safety/emergency supplies, equipment and items. Charter School will establish schedules and procedures for the supervision of students in non-classroom areas, including before and after school.</p> <p>Expenditures associated with this action include the following: facilities rent/acquisition cost, custodial staff salaries and benefits, custodial supplies, maintenance and repair services, gas/electric, security services, health and safety related expenses (PPE, nursing services, etc.), and insurance costs (workers compensation, CharterSAFE, etc.)</p> <p>The following expenditures will be funded by federal Title funds: N/A</p>	\$2,013,000.00	No

Action #	Title	Description	Total Funds	Contributing
4	Healthy and nutritious meals	<p>Charter School will maintain nutrition education resources and continue to focus on innovative ways to increase access to freshly prepared, nutritious foods to ensure students are well-nourished and ready to learn. Charter School will adhere to the MPS Wellness Policy guidelines on nutritious foods for all food sales and celebrations. The meal program aims to improve the diet and health of our students, help mitigate childhood obesity, model healthy eating to support the development of lifelong healthy eating patterns and support healthy choices while accommodating cultural food preferences and special dietary needs. Charter School will promote healthy food and beverage choices for all students throughout campus, as well as encourage participation in school meal programs.</p> <p>Expenditures associated with this action include the following: student meals, water, and refreshments.</p> <p>The following expenditures will be funded by federal Title funds: N/A</p>	\$15,000.00	Yes
5	Well-orchestrated Home Office support services	<p>The MPS Home Office provides services to the Charter School, supports and holds accountable the Charter School for compliance and meeting charter goals, provides best practices in curriculum and professional development, and sets up systems and processes that support academic achievement and growth, operational effectiveness, and financial sustainability. The Home Office manages business operations of schools, which reduces program and operations-related burdens of the Charter School administration and enables the Charter School to receive services at a lower cost. The services of the Home Office include, but are not limited to, academics, accountability, operations, IT, facilities, finance and accounting, human resources, and external relations. Instructional services are reflected in Goals 2-4.</p> <p>Expenditures associated with this action include the following: Home Office management fees, authorizer oversight fees, audit fees, bank fees, legal fees (YM&amp;C, etc.), and other back-office related expenses (Adaptive Insights, DataWorks, etc.)</p>	\$1,036,000.00	No

# Goals and Actions

## Goal

Goal #	Description
2	EXCELLENCE: All students will have equitable access to a high-quality core curricular and instructional program and make academic progress on the California Content Standards. Students will pursue academic excellence and be college/career ready.

An explanation of why the LEA has developed this goal.

Charter School desires that all our students pursue academic excellence and be college/career ready. Effective core curriculum and instruction are central to academic success. Therefore, Charter School will ensure that all students, including but not limited to, ELs, students with disabilities, socioeconomically disadvantaged/low-income students, and students achieving below grade level, have access to a high-quality core curricular and instructional program with appropriate services and support. Targeted interventions will be utilized to create a high-quality differentiated environment where students are supported to engage at their optimal levels. Charter School will also provide professional development to staff to promote a cycle of continuous improvement, as well as supports for high quality delivery of the program that enables differentiation, particularly for unduplicated students and students with exceptional needs. Charter School will implement the actions listed under this goal and use the indicated metrics, such as CAASPP assessment results, to measure progress in achievement of academic excellence and college/career readiness.

## Measuring and Reporting Results

Metric	Baseline	Year 1 Outcome	Year 2 Outcome	Year 3 Outcome	Desired Outcome for 2023–24
Percentage of programs and services outlined in the charter petition, including a broad course of study, that are developed and provided to students, certain programs and services being dependent on student need and interest (Source: Local	2020-21: 100%				2023-24: 100%

Metric	Baseline	Year 1 Outcome	Year 2 Outcome	Year 3 Outcome	Desired Outcome for 2023–24
Indicator Priority 7, SIS)					
Percentage of students who have sufficient access to all programs and services developed and provided to unduplicated students and to individuals with exceptional needs (Source: Local Indicator Priority 7, SIS)	2020-21: 100%				2023-24: 100%
Percentage of state standards implementation for all students (Source: Local Indicator Priority 2)	2020-21: 100%				2023-24: 100%
Percentage of completion of the formal and informal classroom observations by the school administration based on one formal and four informal observations per teacher per year (Source: TeachBoost)	2020-21: (As of 5/7/21) 74%				2023-24: 100%
Percentage of students who have received a grade of “C” or better (or	2020-21: (First semester) 62%				2023-24: 80%

## Actions

Action #	Title	Description	Total Funds	Contributing
1	Broad course of study and standards-based curriculum	<p>Charter School will provide students with a broad array of courses including core subjects (English, mathematics, social sciences, and science) and electives. Charter School will also provide all other academic programs and services outlined in its charter petition, certain programs and services being dependent on student need and interest. Charter School will design its master schedule to meet the needs of its students to ensure all academic content areas are available to all students, including student groups. All students will participate in a rigorous, relevant, and coherent standards-based curriculum that supports the achievement of the schoolwide learner outcomes, academic standards, and college- and career-readiness standards. The school will be appropriately staffed to implement the school master schedule.</p> <p>Expenditures associated with this action include the following: teacher salaries and benefits, principal salary and benefits, and substitute teacher expenses.</p> <p>The following expenditures will be funded by federal Title funds: N/A</p>	\$2,484,045.00	No

Action #	Title	Description	Total Funds	Contributing
2	Professional development for high-quality instruction	<p>Professional development will occur at the MPS organizational level and within the school. Charter School will ensure curricula, instruction, and assessments are aligned to the standards and that teachers participate in professional development on the implementation of standards (CCSS, NGSS, etc.) In addition to ongoing professional development activities that support efforts to increase student academic performance, all staff will be provided with multiple opportunities to grow professionally through induction processes, regular collaboration with colleagues, and curricular support. This involves instructional leadership, common walkthrough protocols, and professional feedback to promote a cycle of continuous improvement, as well as supports for high quality delivery of the program that enables differentiation, particularly for unduplicated students and students with exceptional needs. Instructional leaders at the school and at the Home Office will assess staff professional development needs through formal and informal performance observation, surveys, and student performance data. Based on the data, combined with LCAP goals and the MPS Home Office high quality instruction guidelines, the instructional leaders will determine common staff development days and tailor staff development to individual staff needs.</p> <p>Expenditures associated with this action include the following: professional development, tuition reimbursement, and TeachBoost software fees.</p> <p>The following expenditures will be funded by federal Title funds:</p> <ul style="list-style-type: none"> <li>• Professional development expenses: Resource: Title II, Part A; Amount: \$13,836</li> <li>• Tuition reimbursement for professional development: Resource: Title II, Part A; Amount: \$20,000</li> </ul>	\$58,750.00	Yes

Action #	Title	Description	Total Funds	Contributing
3	MTSS - Academic enrichment, intervention, and student support	<p>Charter School will implement MTSS as a systemic, continuous improvement framework in which data-based problem-solving and decision making is practiced across all levels of the educational system for supporting students. Charter School will synthesize CAASPP and MAP student achievement and growth data, as well as course grades, and other state and internal assessment scores, into reports and regularly review progress towards targets. Targeted interventions will be utilized to create a high-quality differentiated environment where students are supported to engage at their optimal levels. Charter School will provide additional supports and interventions to all students, including but not limited to, 1-1 or small group interventions, targeted support via evidence-based supplemental intervention/enrichment materials and technology (reading, math, etc.), co-taught classes, Power English/Power Math classes, Study Skills, additional support during SSR/Advisory, before and after school tutoring, Saturday classes, and summer programs. SSPT, 504, and other support meetings will be coordinated among teachers and support roles (resource teachers, EL coordinator, department chairs, etc.)</p> <p>Expenditures associated with this action include the following: Dean of Academics salary and benefits, Title-I coordinator salary and benefits, instructional aide salaries and benefits, intervention teacher salaries and benefits, teacher stipends for after school, Saturday school, and summer school, NWEA MAP testing fees, Illuminate DnA fees, and evidence-based supplemental intervention/enrichment program fees (Edgenuity, ALEKS, IXL, Accelerated Reader, Lexercise, ST Math, Standards Plus, Quizizz, Padlet, Grade Slam, Sumdog, BrainPOP, NextGenMath, Membean, Spelling City, Turnitin, Seesaw, Listenwise, Grammarly, Cambium Learning, ABC Mouse, Learning A-Z, Cityspan, Flocabulary, Alexandria Library, Nearpod, Newsela, and myON.)</p> <p>The following expenditures will be funded by federal Title funds:</p> <ul style="list-style-type: none"> <li>Title-I Coordinator salary and benefits: Resource: Title I, Part A; Amount: \$214,797</li> <li>Teacher stipends for Saturday school: Resource: Title I, Part A; Amount: \$25,000</li> </ul>	\$1,013,304.00	Yes

Action #	Title	Description	Total Funds	Contributing
		<ul style="list-style-type: none"> <li>Evidence-based supplemental intervention/enrichment program fees (for the programs listed in the expenditures description above): Resource: Title I, Part A; Amount: \$48,500</li> </ul>		
4	Designated and integrated ELD programs	<p>Charter School will provide services to ELs by proficiency level and provide ELD instruction aligned to the CA ELD standards and framework. Charter School will provide our ELs with core and supplemental ELD instructional materials and provide our teachers with PD focused on ELD standards. Our EL coordinator will monitor EL student progress in program implementation according to our EL Master Plan. Charter School teachers will provide instruction using designated and integrated ELD instructional strategies as outlined in the CHATS framework (and other research-based strategies such as SDAIE) to all students, including ELs. Charter School will provide culturally and linguistically relevant materials for students. ELs will receive further in-class instructional support which includes one-on-one teacher support and small group instruction. Charter School will strive to provide bilingual instructional assistants to provide primary language support to enable students to access content area instruction while gaining language proficiency. Charter School will ensure that teachers participate in PD on ELD instructional strategies and CHATS framework. Charter School will provide regular and timely communication with families of EL students regarding annual assessments, program supports and services, and students' progress toward reclassification. This notification will include, but is not limited to, annual parent notification letters, quarterly ELAC meetings, and parent-teacher conferences.</p> <p>Expenditures associated with this action include the following: EL coordinator salary and benefits, EL coordinator stipend, EL instructional aide salary and benefits, and Rosetta Stone program fees.</p> <p>The following expenditures will be funded by federal Title funds:</p>	\$180,345.00	Yes

Action #	Title	Description	Total Funds	Contributing
		<ul style="list-style-type: none"> <li>MPS EL Coordinator salary and benefits: Resource: Title III, Part A; Amount: \$88,400</li> </ul>		
5	Support for students with disabilities	<p>Students with disabilities will receive services and supports as listed in their Individualized Education Programs (IEPs) (in addition to services they receive pertinent to low income, foster youth and English learner designations) in order to improve outcomes and close the achievement gap, including graduation rate and performance on statewide assessments. Students with disabilities will have access to all additional intervention and student support systems as outlined in Goal 2: Actions 3 and 4, as well as access to push-in and pull-out services, instructional aides, learning center services, and contracted services to provide each scholar with a Free and Appropriate Public Education in their least restrictive and most accessible learning environment. Students with disabilities dually identified as EL will have ELD goals in their IEPs in addition to goals addressing their specific areas of need based on their eligibility. Our SPED, EL, and general education teams will work in collaboration, monitor our scholars' progress toward IEP goal mastery, and provide progress reports to parents. In addition, all IEPs will be reviewed and present levels will be updated during annual and triennial reviews as required by the IDEA.</p> <p>Expenditures associated with this action include the following: SPED coordinator and teacher salaries and benefits, paraprofessional salaries and benefits, school psychologist salary and benefits, SPED intern salaries and benefits, outsourced SPED services fees, and SPED instructional materials and technology.</p> <p>The following expenditures will be funded by federal Title funds: N/A</p>	\$806,544.00	No

# Goals and Actions

## Goal

Goal #	Description
3	INNOVATION: All students will have access to a well-rounded education that supports their readiness for college and the global world. Each student will become an independent, innovative scholar by practicing creativity in learning and using technology in transformative ways.

An explanation of why the LEA has developed this goal.

It is the Charter School's vision that our graduates are well-rounded critical thinkers and problem solvers who contribute to the global community. A significant step toward helping our students achieve their maximum potential involves providing a rigorous, relevant and college preparatory curriculum with a STEAM emphasis. Therefore, we will design educational experiences to meet the needs of our scholars with an emphasis on innovation and critical thinking. Charter School will also promote the benefits of a physically active lifestyle and will help students develop skills to engage in lifelong healthy habits, as well as incorporate essential health education concepts to our physical education program. In an effort to provide well-rounded education to our students, Charter School will strive to offer additional programs such as elective courses, arts, music, civics, languages other than English, clubs, etc. Charter School will implement the actions listed under this goal and use the indicated metrics to measure progress in provision of an innovative, well-rounded education that supports student readiness for college and the global world.

## Measuring and Reporting Results

Metric	Baseline	Year 1 Outcome	Year 2 Outcome	Year 3 Outcome	Desired Outcome for 2023–24
Percentage of students in the current year College Career Indicator (CCI) who earned Prepared on the CCI (Source: CA School Dashboard)	2019-20: (2020 Dashboard) 58.5%				2022-23: (2023 Dashboard) 70.0%

Metric	Baseline	Year 1 Outcome	Year 2 Outcome	Year 3 Outcome	Desired Outcome for 2023–24
Percentage of students enrolled in an Accelerated and/or Advanced Math course and/or Advanced Math club (Source: Local Indicator Priority 7, SIS)	2020-21: (As of 4/16/21) 9%				2023-24: 15%
Percentage of students in the current graduating class who have taken a Computer/Technology course and/or experienced blended learning in their program of study (Source: Local Indicator Priority 7, SIS)	2020-21: (As of 4/16/21) 100%				2023-24: 100%
Percentage of students who have created or demonstrated a STEAM focused project, experiment, model or demo in the current year (Source: Local Indicator Priority 7, SIS)	2020-21: (As of 4/16/21) 95%				2023-24: 100%

## Actions

Action #	Title	Description	Total Funds	Contributing
1	College/Career readiness programs and activities	<p>Charter School will offer individual graduation plans, outlining the classes students will take during their high school years. Students will be provided credit recovery opportunities and individualized support to ensure timely high school graduation. Charter School will offer Advisory and College Readiness classes and activities to support our students in the areas, including, but not limited to, college planning and career exploration, test prep for ACT/SAT, college application and financial aid submission. Charter School will provide students with opportunities to take Advanced Placement (AP) courses based on student needs and interests. Charter School will promote a college-going culture through dual and concurrent enrollment, AP courses, college visits, college/career days, and other college related activities. Charter School will also explore CTE options to provide students with opportunities to explore a career theme of interest while learning a set of technical and employability skills that integrate into or complement their academic studies.</p> <p>Expenditures associated with this action include the following: college counselor salary and benefits, AP teacher stipends, Naviance program fees, AP exam fees, AP course materials, and other college-related materials and activities.</p> <p>The following expenditures will be funded by federal Title funds:</p> <ul style="list-style-type: none"> <li>• Naviance and Albert program fees: Resource: Title 1, Part A; Amount: \$4,500</li> </ul>	\$115,721.00	Yes
2	STEAM and GATE programs	<p>Charter School will offer STEAM and GATE programs and activities, including Accelerated/Advanced Math course and club. Students will be provided opportunities during the day and after school to create or demonstrate a STEAM focused project, experiment, model or demo. We will also provide information and access to quality out-of-school STEAM activities and achievements. With CA Science Framework and NGSS integration, all our students will learn about engineering design, technology, and applications of science as part of their core classes. Furthermore, Charter School will design and implement engineering-</p>	\$3,000.00	Yes

Action #	Title	Description	Total Funds	Contributing
		<p>related courses and activities, such as AP Computer Science Principles, Code.org activities, Project Lead the Way (PLTW) programs, Robotics, etc. Gifted and talented students and students achieving above grade level will be engaged in all classes as teachers differentiate curriculum through adjustments of content through depth, complexity, and pacing. Emphasis will be on innovation, critical thinking, and logical reasoning. Learners will be challenged to investigate, use problem-based learning, and research.</p> <p>Expenditures associated with this action include the following: supplemental science program fees.</p> <p>The following expenditures will be funded by federal Title funds:</p> <ul style="list-style-type: none"> <li>Supplemental program , Gizmos: Resource: Title I, Part A; Amount: \$3,000</li> </ul>		
3	Digital literacy and citizenship programs	<p>Charter School will educate our students and staff in digital literacy so that they adapt, create, consume, and connect in productive, responsible ways to utilize technology in academic, social, and professional settings. Charter School will offer Computer/Digital Literacy classes and/or blended learning experiences for our students. Teachers will participate in PD on Blended Learning and technology will be kept up to date. Students will be provided with opportunities to expand their literacy, computational, and communication skills with digital media; they will be writing advanced essays, conducting internet research, engaging in data collection, presenting ideas and drawing conclusions. Charter School staff will teach and model safe, savvy, and social digital citizenship; topics include, but are not limited to, using technology applications; digital footprint, privacy, and security; digital rights and responsibilities; using social media responsibly and digital etiquette.</p> <p>Expenditures associated with this action include the following: computer teacher salary and benefits, internet security program fees, and digital literacy and citizenship program fees.</p>	\$210,990.00	Yes

		<p>The following expenditures will be funded by federal Title funds:</p> <ul style="list-style-type: none"> <li>Supplemental program, Pixton: Resource: Title IV, Part A; Amount: \$3,000</li> </ul>		
4	Physical education, activity, and fitness	<p>Charter School will provide students with physical education, using an age-appropriate, sequential PE curriculum consistent with state standards for PE. The curriculum will promote the benefits of a physically active lifestyle and will help students develop skills to engage in lifelong healthy habits, as well as incorporate essential health education concepts. Charter School will offer recess before lunch and students will be provided with periodic opportunities to be active or to stretch throughout the day on all or most days during a typical school week. To the extent practicable, Charter School will ensure that its grounds and facilities are safe, and that equipment is available to students to be active. Charter School will offer opportunities for students to participate in physical activity either before and/or after the school day (or both) through a variety of methods such as physical activity/sports clubs, intramurals or interscholastic sports, etc. Charter School will adhere to the MPS Wellness Policy guidelines on physical education, activity, and fitness.</p> <p>Expenditures associated with this action include the following: PE/Health teacher salary and benefits and physical activity, fitness, and equipment expenses.</p> <p>The following expenditures will be funded by federal Title funds:</p> <ul style="list-style-type: none"> <li>Physical Education equipment expenses: Resource: Title IV, Part A; Amount: \$10,000</li> </ul>	\$216,943.00	Yes
5	Additional programs and activities that	In an effort to provide well-rounded education to our students, Charter School will strive to offer additional programs such as elective courses, arts, music, civics, languages other than English, clubs, etc.	\$786,512.00	Yes

Action #	Title	Description	Total Funds	Contributing
	support well-rounded education	<p>Arts instruction focuses on developing students' creativity, imagination, discipline and self-expression through drawing and fine arts. It is important that all our students, particularly unduplicated students, are provided with experiential learning opportunities, including but not limited to, instructional field trips, internships, community service programs, clubs, etc. Charter School teachers and other staff will offer after school clubs for enrichment in the areas of, including, but not limited to, math, science, technology, engineering, ELA, languages other than English and culture, sports, visual and performing arts, community service, and others.</p> <p>Expenditures associated with this action include the following: teacher salaries and benefits for additional programs that support well-rounded education, supplemental materials, field trip expenses, and afterschool/club expenses.</p> <p>The following expenditures will be funded by federal Title funds: N/A</p>		

## Goal Analysis [2021-22]

An analysis of how this goal was carried out in the previous year.

A description of any substantive differences in planned actions and actual implementation of these actions.

Analysis of the 2021-22 goals will occur during the 2022-23 update cycle.

An explanation of material differences between Budgeted Expenditures and Estimated Actual Expenditures.

Analysis of the 2021-22 goals will occur during the 2022-23 update cycle.

An explanation of how effective the specific actions were in making progress toward the goal.

# Goals and Actions

## Goal

Goal #	Description
4	CONNECTION: All students, families, staff, and other stakeholders will have access to meaningful engagement opportunities that help cultivate leadership, advocacy, and collaboration in a safe and nurturing environment. Stakeholders will feel a sense of community and connectedness.

An explanation of why the LEA has developed this goal.

School communities are integrated partnerships with the school site staff, families, students and all other stakeholders. This sense of connection creates a safe place for all learners and stakeholders to affirm individual strengths, develop capacity, celebrate character, build trusting and respectful relationships, promote unity and better decision making. Additionally, community cultivates identity and gives each member a sense of belonging and pride. Charter School will seek family input for decision making, utilize home visits and stakeholder surveys, and provide academic and social-emotional support through MTSS/PBIS. We will work with community partners to support the vision and goals of the school, including our students' development of personal and academic networks for long-term resilience and connection. Charter School will implement the actions listed under this goal and use the indicated metrics to measure progress in sustaining a sense of community and connectedness.

## Measuring and Reporting Results

Metric	Baseline	Year 1 Outcome	Year 2 Outcome	Year 3 Outcome	Desired Outcome for 2023–24
Number of School Site Council (SSC) meetings per year (Source: Local Indicator Priority 3)	2020-21: (As of 5/16/21) 3				2023-24: 4
Number of English Learner Advisory Committee (ELAC) meetings per year (Source: Local Indicator Priority 3)	2020-21: (As of 5/16/21) 2				2023-24: 4

Student retention rate (Source: SIS)	2020-21: (Spring 2020 to Fall 2020) 91%				2023-24: (Spring 2023 to Fall 2023) 90%

## Actions

Action #	Title	Description	Total Funds	Contributing
1	Seeking family input for decision making	<p>Charter School will hold periodic meetings to gather input from our families. Information/input sessions include Parent Advisory Committee (PAC) meetings, Parent Task Force (PTF) meetings, School Site Council (SSC) meetings, English Learner Advisory Committee (ELAC) meetings, Coffee with the Principal meetings, and Board of Directors meetings. Parents on our PTF and SSC also serve as our Parent Advisory Committee (PAC) for LCAP. Along with ELAC, such committees provide for representation of students in need (low income, English learners, foster youth, etc.) Feedback from our PAC, SSC, and ELAC provides valuable input for the LCAP. Charter School chooses to utilize the LCAP to serve as the SPSA. Charter School will also hold an annual meeting to inform parents and collect feedback about LCAP goals and actions, data and needs assessment, Title-funded activities and budgets, UCP, parent involvement policy and school-student-parent compact. In addition, Charter School will conduct parent surveys to seek feedback on school improvement.</p> <p>Expenditures associated with this action include the following: parent meeting expenses and Document Tracking Services (DTS) fees.</p>		Yes
2	Building partnerships with families for student outcomes	<p>Charter School will build trusting and respectful relationships with parents through activities/events, including Student/Parent Orientation, Back to School Night, and parent conferences to promote parental participation in programs. Administrators will greet all students and parents in the mornings during student drop off and have an open-door policy welcoming all parents. Charter School will provide parents with access to course materials, homework assignments, projects, and records of students' grades through our SIS. Charter School will communicate further with the parents of students who are performing below grade level. Our teachers, administrators, and classified staff will visit students at their homes to discuss student progress and enhance student learning and involvement. Charter School will schedule annual workshops for parents as well as additional workshops for parents of EL and immigrant students. Topics to be</p>	\$395,265.00	Yes

Action #	Title	Description	Total Funds	Contributing
		<p>covered include, but are not limited to, the school's EL Master Plan, stages of language acquisition, state testing, college application, using SIS to check student progress, study habits, and family literacy. Charter School will use a variety of communication channels to connect with families in a language that is understandable and accessible to them. A parent communication software will be utilized for voice and text communications, email, and push notifications. We will provide language translators at parent meetings to the extent practicable.</p> <p>Expenditures associated with this action include the following: Infinite Campus SIS fees, ParentSquare software fees, SchoolMint software fees, home-visit compensation, parent activity/event expenses, Parent Education Bridge program fees, Pitney Bowes expenses, Dean of Culture salary and benefits, and Office manager/Administrative assistant salaries and benefits.</p> <p>The following expenditures will be funded by federal Title funds:</p> <ul style="list-style-type: none"> <li>• ParentSquare software fees: Resource: Title I, Part A; Amount: \$4,000</li> <li>• Parent Education Bridge program fees: Resource: Title I, Part A; Amount: \$5,000</li> <li>• Home visit Resource: Title I, Part A; Amount: \$25,000</li> </ul>		
3	MTSS - PBIS and SEL support	<p>Charter School will provide a safe, nurturing, and engaging learning environment for all our students and families. Academic and social-emotional support will be provided to address student needs as well as instructional materials including free uniforms. Students who are homeless, experiencing housing instability, are in foster care or experiencing personal/family crisis or have other special needs will be cared for in our supportive school community. Charter School will offer a Life Skills/Character Education program that provides students with valuable skills to support academic excellence and social skill development. We will annually assess our suspension/expulsion policies and procedures and implement alternatives to</p>	\$382,860.00	Yes

Action #	Title	Description	Total Funds	Contributing
		<p>suspension/expulsion, including restorative practices. Teachers will establish classroom management procedures, foster positive relationships, and help create an atmosphere of trust, respect, and high expectations. Charter School will implement a positive and equitable student responsibility and behavior system with teaching, intervention and prevention strategies and protocols that are clear, fair, incremental, restorative, and culturally responsive. Charter School will celebrate student and school achievements and organize recognition assemblies and other schoolwide culture-building activities. Charter School will inform parents and students of attendance policies specified in the Student/Parent Handbook and encourage and support student attendance. Charter School will also implement the CORE DISTRICTS SEL Survey instrument in the fall and spring annually to assess the following social-emotional competencies: growth mindset, self-efficacy, self-management, and social awareness. As part of our MTSS efforts, school leadership, teachers, and support staff will analyze student SEL survey results in the fall to provide our students with targeted social-emotional support and then measure student responses again in the spring to measure growth, identify greatest progress and needs in order to inform our next steps.</p> <p>Expenditures associated with this action include the following: Dean of Students salary and benefits, discipline coordinator salary and benefits, office/attendance clerk salaries and benefits, school uniform fees, PD on classroom management, PBIS, and SEL support, SEL program fees, outsourced SEL services fees, and additional services for homeless students.</p> <p>The following expenditures will be funded by federal Title funds:</p> <ul style="list-style-type: none"> <li>• Additional services for homeless students: Resource: Title I, Part A; Amount: \$5,000</li> </ul>		
4	Annual stakeholder surveys	Charter School will annually administer school experience surveys to students, parents, and staff. Charter School will implement the CORE DISTRICTS Survey instrument to assess our stakeholders'	\$4,400.00	Yes

Action #	Title	Description	Total Funds	Contributing
		<p>perceptions of the following school climate indicators: climate of support for academic learning; knowledge and fairness of discipline, rules and norms; safety; and sense of belonging (school connectedness). In addition, we ask our stakeholders open-ended questions about what they like the best and the least about the school and suggestions for improvement. This feedback instrument provides all staff and school leaders with valuable information about how students see their classes, how much parents are involved, how supported staff feel and how to facilitate improvement. Our staff will analyze the survey results to identify the greatest progress and needs in order to inform our next steps.</p> <p>Expenditures associated with this action include the following: Panorama Education survey fees.</p>		
5	Community outreach and partnerships	<p>Charter School will establish community, business, institutional and civic partnerships that invest in and support the vision and goals of the school. School staff will participate in local activities that engage community members and staff in communicating school successes to the broader community. Charter School will secure community support to sustain existing resources and add new resources that address emerging student needs. Charter School leadership will actively develop relationships with a range of stakeholders, policymakers, and researchers to identify and address issues, trends, and potential changes that affect the context and conduct of education.</p> <p>Expenditures associated with this action include the following: membership fees (CCSA, WASC, etc.), marketing, branding, outreach, and partnership expenses.</p>		Yes

## Goal Analysis [2021-22]

An analysis of how this goal was carried out in the previous year.

A description of any substantive differences in planned actions and actual implementation of these actions.

Analysis of the 2021-22 goals will occur during the 2022-23 update cycle.

An explanation of material differences between Budgeted Expenditures and Estimated Actual Expenditures.

Analysis of the 2021-22 goals will occur during the 2022-23 update cycle.

An explanation of how effective the specific actions were in making progress toward the goal.

Analysis of the 2021-22 goals will occur during the 2022-23 update cycle.

A description of any changes made to the planned goal, metrics, desired outcomes, or actions for the coming year that resulted from reflections on prior practice.

Analysis of the 2021-22 goals will occur during the 2022-23 update cycle.

**A report of the Estimated Actual Expenditures for last year's actions may be found in the Annual Update Expenditures Table.**

## Increased or Improved Services for Foster Youth, English Learners, and Low-Income Students [2021-22]

Percentage to Increase or Improve Services	Increased Apportionment based on the Enrollment of Foster Youth, English Learners, and Low-Income students
30.12%	\$1,951,597

The Budgeted Expenditures for Actions identified as Contributing may be found in the Increased or Improved Services Expenditures Table.

### Required Descriptions

For each action being provided to an entire school, or across the entire school district or county office of education (COE), an explanation of (1) how the needs of foster youth, English learners, and low-income students were considered first, and (2) how these actions are effective in meeting the goals for these students.

- Goal 1: Action 4: Healthy and nutritious meals

MPS is committed to the optimal development of every student. Research shows that two components, good nutrition and physical activity before, during and after the school day, are strongly correlated with positive student outcomes. For example, student participation in the U.S. Department of Agriculture's (USDA) School Breakfast Program is associated with higher grades and standardized test scores, lower absenteeism and better performance on cognitive tasks. Conversely, less-than-adequate consumption of specific foods including fruits, vegetables and dairy products, is associated with lower grades among students. Finally, there is evidence that adequate hydration is associated with better cognitive performance. With consideration of the importance of good nutrition, Charter School will maintain nutrition education resources and continue to focus on innovative ways to increase access to freshly prepared, nutritious foods to ensure students are well-nourished and ready to learn. Low-income students are eligible to receive reduced-price or free meals at school and this action will result in increased and improved services, particularly for our low-income students, who may not have access to nutritious meals and are experiencing poor health outcomes. With the needs of low-income students in mind, this action will be provided on a schoolwide basis. It was found effective in the current school year and will be continued in the coming school year. Charter School will promote healthy food and beverage choices for all students throughout campus, as well as encourage participation in school meal programs. Charter School will adhere to the MPS Wellness Policy guidelines on nutritious foods for all food sales and celebrations. We expect the meal program will help improve the diet and health of our students and mitigate childhood obesity, model healthy eating to support the development of lifelong healthy eating patterns and support healthy choices while accommodating cultural food preferences and special dietary needs. We also expect this action will result in increased student belonging as measured by the annual student surveys in Goal 4: Action 4.

- Goal 2: Action 2: Professional development for high-quality instruction

The majority of Charter School's student population consists of low-income and socioeconomically disadvantaged students, English learners, and students with disabilities, many of whom are dually identified as EL. These student groups have social and emotional conditions that influence academic learning, as evidenced by the performance gaps on the CA School Dashboard, CAASPP results, and other available data. Addressing the unique needs of students from diverse backgrounds is a major challenge because our teachers need to be prepared with the relevant content knowledge, experience, and training, with a focus on cultural and linguistic characteristics of our diverse learners. With the needs of our diverse student body in mind, Charter School will ensure curricula, instruction, and assessments are aligned to the standards and that teachers participate in professional development on the implementation of standards (CCSS, NGSS, etc.) In addition to ongoing professional development activities that support efforts to increase student academic performance, all staff will be provided with multiple opportunities to grow professionally through induction processes, regular collaboration with colleagues, and curricular support. This involves instructional leadership, common walkthrough protocols using the TeachBoost software, and professional feedback to promote a cycle of continuous improvement, as well as supports for high quality delivery of the program that enables differentiation, particularly for unduplicated students and students with exceptional needs. Instructional leaders at the school and at the Home Office will assess staff professional development needs through formal and informal performance observations, surveys, and student performance data. Based on the data, combined with LCAP goals and the MPS Home Office high quality instruction guidelines, the instructional leaders will determine common staff development days and tailor staff development to individual staff needs. This action was found effective in the current school year and will be continued in the coming school year. We expect this schoolwide action will result in increased academic achievement of our student groups on the CA School Dashboard, CAASPP assessments, MAP assessments, and student grades as identified in our LCAP metrics in Goal 2.

- Goal 2: Action 3: MTSS - Academic enrichment, intervention, and student support

The majority of Charter School's student population consists of low-income and socioeconomically disadvantaged students, English learners, and students with disabilities, many of whom are dually identified as EL. These student groups have social and emotional conditions that influence academic learning, as evidenced by the performance gaps on the CA School Dashboard, CAASPP results, and other available data. Most of our low-income students have parents working multiple jobs and need academic support. Foster youth and English learners may experience feelings of anxiety and confusion. Students struggle with access to materials, technology, and a quiet, private place to study. There are gaps in their learning that need individualized attention. Considering the needs of our vulnerable student groups in mind, Charter School will implement MTSS as a systemic, continuous improvement framework in which data-based problem-solving and decision making is practiced across all levels of the educational system for supporting students. Charter School will synthesize CAASPP and MAP student achievement and growth data, as well as course grades, and other state and internal assessment scores, into reports and regularly review progress towards targets. Targeted interventions will be utilized to create a high-quality differentiated environment where students are supported to engage at their optimal levels. Charter School will provide additional supports and interventions to all students, including but not limited to, 1-1 or small group interventions, targeted support via evidence-based supplemental intervention/enrichment materials and technology (reading, math, etc.), co-taught classes, Power English/Power Math classes, Study Skills, additional support during SSR/Advisory, before and after school tutoring, Saturday classes, and summer programs. SSPT, 504, and other

support meetings will be coordinated among teachers and support roles (resource teachers, EL coordinator, department chairs, etc.) We expect that these student supports and interventions will provide increased and improved services for all our unduplicated students who need extra support and attention. This action was found effective in the current school year and will be continued in the coming school year. It will be provided on a schoolwide basis and we expect all student groups to show academic growth as measured by the CA School Dashboard, CAASPP assessments, MAP assessments, student grades, and other metrics as identified in our LCAP metrics in Goal 2.

- Goal 2: Action 4: Designated and integrated ELD programs

The majority of Charter School's student population consists of English Learners (EL), Reclassified Fluent English Proficient (RFEP) students, and students with disabilities, many of whom are dually identified as EL. ELs need designated English language development instruction. Emerging ELs lack English speaking experience and struggle to communicate. Both ELs and RFEPs have a strong need for meaningful connections among fundamental concepts in the curriculum to their prior knowledge and experiences. They need additional literacy instruction, support, and interventions. Teachers of ELs need to have knowledge of EL strategies and culturally responsive instruction. Considering the needs of our ELs, Charter School will provide services to ELs by proficiency level and provide ELD instruction aligned to the CA ELD standards and framework. Charter School will provide our ELs with core and supplemental ELD instructional materials and provide our teachers with PD focused on ELD standards. Our EL coordinator will monitor EL student progress in program implementation according to our EL Master Plan. Charter School teachers will provide instruction using designated and integrated ELD instructional strategies as outlined in the CHATS framework (and other research-based strategies such as SDAIE) to all students, including ELs. Charter School will provide culturally and linguistically relevant materials for students. ELs will receive further in-class instructional support which includes one-on-one teacher support and small group instruction. Charter School will strive to provide bilingual instructional assistants to provide primary language support to enable students to access content area instruction while gaining language proficiency. Charter School will ensure that teachers participate in PD on ELD instructional strategies and CHATS framework. Charter School will provide regular and timely communication with families of EL students regarding annual assessments, program supports and services, and students' progress toward reclassification. This notification will include, but is not limited to, annual parent notification letters, quarterly ELAC meetings, and parent-teacher conferences. These supports and services will provide increased and improved services for our English learners. This action was found effective in the current school year and will be continued in the coming school year. While some of the actions described here, including the designated ELD instruction, will be targeted only to ELs, the rest of the actions, including integrated ELD instruction, will be provided for all students. RFEP students, students with disabilities, and all other student groups will benefit from this schoolwide action. We expect this action will result in increased academic achievement of our student groups, particularly of our ELs, on the CA School Dashboard, CAASPP assessments, MAP assessments, student grades, Lexile growth, and EL reclassification rates as identified in our LCAP metrics in Goal 2.

- Goal 3: Action 1: College/Career readiness programs and activities

The majority of Charter School's student population consists of low-income and socioeconomically disadvantaged students, English learners, and students with disabilities. Many of our students are also the first generation in their families who will attend college. Most of

them lack parental support and experience financial difficulties. Our students have a great need for guidance about college/career choices and support for preparation. A college-going, supportive culture at the school is necessary for our students' college/career readiness. With the needs of our unduplicated students in mind, Charter School will offer individual graduation plans, outlining the classes students will take during their high school years. Students will be provided credit recovery opportunities and individualized support to ensure timely high school graduation. Charter School will offer Advisory and College Readiness classes and activities to support our students in the areas, including, but not limited to, college planning and career exploration, test prep for ACT/SAT, college application and financial aid submission. Charter School will provide students with opportunities to take Advanced Placement (AP) courses based on student needs and interests. Charter School will promote a college-going culture through dual and concurrent enrollment, AP courses, college visits, college/career days, and other college related activities. Charter School will also explore CTE options to provide students with opportunities to explore a career theme of interest while learning a set of technical and employability skills that integrate into or complement their academic studies. Unduplicated students will receive improved services through our Naviance program and increased support with AP exam fees, AP course materials, and other college-related materials and activities. These services are particularly helpful for first-generation college-bound students who lack parental support strategies and experience financial constraints. This action was found effective in the current school year and will be continued in the coming school year. We expect this schoolwide action will result in increases in CCI prepared rate, AP passing rate, A-G rate, diploma seals, and college acceptance rates as identified in our LCAP metrics in Goal 3.

- Goal 3: Action 2: STEAM and GATE programs

Charter School has a vision to help reverse the tide of U.S. students falling behind their peers in other nations in critical subjects like math and science. We strive to graduate students who come from historically underserved neighborhoods as scientific thinkers that contribute to the global community as socially responsible and educated members of society. Charter School's educational approach is based on the conviction that STEAM education is essential to improving our modern society's knowledge base and adaptability to the fast pace of ever-changing technological advancements. Historically, the number of African American and Latino students pursuing careers in STEAM fields has been very low. Research suggests that a significant cause of these low numbers is that students have inadequate exposure to intensive STEAM curricula. Charter School strives to address the shortage by inspiring and preparing students to choose career paths in science and technology. The majority of Charter School's student population consists of low-income and socioeconomically disadvantaged students of color, English learners, and students with disabilities. With the needs of our community in mind, Charter School will offer STEAM and GATE programs and activities, including Accelerated/Advanced Math course and club. Students will be provided opportunities during the day and after school to create or demonstrate a STEAM focused project, experiment, model or demo. We will also provide information and access to quality out-of-school STEAM activities and achievements. With CA Science Framework and NGSS integration, all our students will learn about engineering design, technology, and applications of science as part of their core classes. Furthermore, Charter School will design and implement engineering-related courses and activities, such as AP Computer Science Principles, Code.org activities, Project Lead the Way (PLTW) programs, Robotics, etc. Unduplicated students will receive increased and improved support through access to supplemental STEAM programs and activities. Gifted and talented students and students achieving above grade level will be engaged in all classes as teachers differentiate curriculum through adjustments of content through depth, complexity, and pacing. Emphasis will be on innovation, critical thinking, and logical reasoning. This action was found effective in the current school year and will be continued in the coming school year. We expect this schoolwide action will challenge our learners to investigate, use problem-based learning, research, and help become independent and innovative scholars. Goal 3 includes metrics for the percentage of students enrolled in an Accelerated and/or Advanced

Math course and/or Advanced Math club, percentage of students in the current graduating class who have taken a Computer/Technology course and/or experienced blended learning in their program of study, and percentage of students who have created or demonstrated a STEAM focused project, experiment, model or demo in the current year.

- Goal 3: Action 3: Digital literacy and citizenship programs

The majority of Charter School's student population consists of low-income and socioeconomically disadvantaged students, English learners, and students with disabilities, many of whom are dually identified as EL. These student groups have social and emotional conditions that influence academic learning and effective literacy, communication, and presentation skills. Most of our low-income students struggle with access to technology as well. Our students have a great need to learn ways to utilize technology in an effective and responsible way. With such needs of our students in mind, Charter School will educate our students and staff in digital literacy so that they adapt, create, consume, and connect in productive, responsible ways to utilize technology in academic, social, and professional settings. Charter School will offer Computer/Digital Literacy classes and/or blended learning experiences for our students. Teachers will participate in PD on Blended Learning and technology will be kept up to date. Students will be provided with opportunities to expand their literacy, computational, and communication skills with digital media; they will be writing advanced essays, conducting internet research, engaging in data collection, presenting ideas and drawing conclusions. Charter School staff will teach and model safe, savvy, and social digital citizenship; topics include, but are not limited to, using technology applications; digital footprint, privacy, and security; digital rights and responsibilities; using social media responsibly and digital etiquette. These activities will result in increased and improved services for our unduplicated students. This action was found effective in the current school year and will be continued in the coming school year. We expect this schoolwide action will help our students expand their knowledge and skills in an ever-evolving digital world. Goal 3 includes a metric for the percentage of students in the current graduating class who have taken a Computer/Technology course and/or experienced blended learning in their program of study.

- Goal 3: Action 4: Physical education, activity, and fitness

MPS is committed to the optimal development of every student. Research shows that two components, good nutrition and physical activity before, during and after the school day, are strongly correlated with positive student outcomes. Students who are physically active through active transport to and from school, recess, physical activity breaks, high-quality physical education and extracurricular activities do better academically. With consideration of the importance of physical fitness, Charter School will provide students with physical education, using an age-appropriate, sequential PE curriculum consistent with state standards for PE. The curriculum will promote the benefits of a physically active lifestyle and will help students develop skills to engage in lifelong healthy habits, as well as incorporate essential health education concepts. Charter School will offer recess before lunch and students will be provided with periodic opportunities to be active or to stretch throughout the day on all or most days during a typical school week. To the extent practicable, Charter School will ensure that its grounds and facilities are safe, and that equipment is available to students to be active. Charter School will offer opportunities for students to participate in physical activity either before and/or after the school day (or both) through a variety of methods such as physical activity/sports clubs, intramurals or interscholastic sports, etc. Charter School will adhere to the MPS Wellness Policy guidelines on physical education,

activity, and fitness. With the needs of low-income students in mind, this action will be provided on a schoolwide basis. It was found effective in the current school year and will be continued in the coming school year. We expect this action will help improve the health of our students and model physical fitness to support the development of lifelong healthy living patterns. We also expect this action will result in increased student belonging as measured by the annual student surveys in Goal 4: Action 4.

- Goal 3: Action 5: Additional programs and activities that support well-rounded education

The majority of Charter School's student population consists of low-income and socioeconomically disadvantaged students, English learners, and students with disabilities. Traditionally, schools focus on ELA and math interventions to address the learning gap between vulnerable student groups and their peers. Other important well-rounded programs such as arts, music, civics, and languages other than English may not get the same attention. On the other hand, well-rounded programs help students develop competencies and creative skills in problem solving, communication, and management of time and resources that contribute to lifelong learning and career skills. Our low-income students come from underserved communities that do not have adequate resources and access to experiential learning opportunities. In an effort to provide well-rounded education to our students, Charter School will strive to offer additional programs such as elective courses, arts, music, civics, languages other than English, clubs, etc. Arts instruction focuses on developing students' creativity, imagination, discipline and self-expression through drawing and fine arts. It is important that all our students, particularly unduplicated students, are provided with experiential learning opportunities, including but not limited to, instructional field trips, internships, community service programs, clubs, etc. Charter School teachers and other staff will offer after school clubs for enrichment in the areas of, including, but not limited to, math, science, technology, engineering, ELA, language other than English and culture, sports, visual and performing arts, community service, and others. These well-rounded programs and activities will result in increased and improved services for our unduplicated students. With the needs of our unduplicated students in mind, this action will be provided on a schoolwide basis. It was found effective in the current school year and will be continued in the coming school year. We expect this action will help our scholars become independent and innovative scholars. We also expect this action will result in increased academic achievement as measured by the LCAP metrics in Goal 2, increases in CCI prepared rate, AP passing rate, A-G rate, diploma seals, and college acceptance rates as identified in our LCAP metrics in Goal 3, as well as increased student belonging as measured by the annual student surveys in Goal 4: Action 4.

- Goal 4: Action 1: Seeking family input for decision making

It is important that parents are engaged in the development of all school plans, including, but not limited to, the LCAP, SPSA (Charter School uses the LCAP to serve as the SPSA), and WASC Self-Study. Charter School wishes to engage all parents, to the extent applicable, in the process of school review and improvement. This includes reviewing the school's goals, actions, programs, data, and funds, including evaluation of actions and programs and effective use of funds. The majority of Charter School's student population consists of low-income and socioeconomically disadvantaged students, English learners, and students with disabilities. Most of our low-income students have parents working multiple jobs. Parents of our ELs need capacity building to support the needs of our ELs. In order to engage parents in an organized, ongoing and timely manner in the planning, review and improvement of our programs, Charter School needs to provide multiple channels to engage parents in decision making. Considering the needs of our unduplicated students and their families, Charter School will

hold periodic meetings to gather input from our families. Information/input sessions include Parent Advisory Committee (PAC) meetings, Parent Task Force (PTF) meetings, School Site Council (SSC) meetings, English Learner Advisory Committee (ELAC) meetings, Coffee with the Principal meetings, and Board of Directors meetings. Parents on our PTF and SSC also serve as our Parent Advisory Committee (PAC) for LCAP. Along with ELAC, such committees provide for representation of students in need (low income, English learners, foster youth, etc.) Feedback from our PAC, SSC, and ELAC provides valuable input for the LCAP. Charter School chooses to utilize the LCAP to serve as the SPSA. Charter School will also hold an annual meeting to inform parents and collect feedback about LCAP goals and actions, data and needs assessments, Title-funded activities and budgets, UCP, parent involvement policy and school-student-parent compact. In addition, Charter School will conduct parent surveys to seek feedback on school improvement. These activities will result in increased and improved services for our unduplicated students and their families. With the needs of our unduplicated students and their families in mind, this action will be provided on a schoolwide basis. It was found effective in the current school year and will be continued in the coming school year. We expect this action will help further engage our families in decision making. Charter School utilizes the self-reflection tool for Local Priority 3, i.e., Parent and Family Engagement, to measure progress in building the capacity of and supporting family members to effectively engage in advisory groups and decision making as well as progress in providing all families with opportunities to provide input on policies and programs, and implementing strategies to reach and seek input from any underrepresented groups in the school community. We also expect this action will result in increased parent satisfaction as measured by the annual stakeholder surveys in Goal 4: Action 4.

- Goal 4: Action 2: Building partnerships with families for student outcomes

Family engagement is an essential strategy for building pathways to college and career readiness for all students and is an essential component of a systems approach to improving outcomes for all students. More than thirty years of research has shown that family engagement can lead to improved student outcomes (e.g., attendance, engagement, academic outcomes, social emotional learning, etc.) To engage all families equitably, it is necessary to understand the cultures, languages, needs and interests of families in our school community. Furthermore, developing family engagement policies, programs, and practices needs to be done in partnership with local families, using the tools of continuous improvement. The majority of Charter School's student population consists of low-income and socioeconomically disadvantaged students, English learners, and students with disabilities. Most of our low-income students have parents working multiple jobs. Parents of our ELs need capacity building to support the needs of our ELs. In order to build partnerships with our families for student outcomes, Charter School will build trusting and respectful relationships with parents through activities/events, including Student/Parent Orientation, Back to School Night, and parent conferences to promote parental participation in programs. Administrators will greet all students and parents in the mornings during student drop off and have an open-door policy welcoming all parents. Charter School will provide parents with access to course materials, homework assignments, projects, and records of students' grades through our SIS. Charter School will communicate further with the parents of students who are performing below grade level. Our teachers, administrators, and classified staff will visit students at their homes to discuss student progress and enhance student learning and involvement. Charter School will schedule annual workshops for parents as well as additional workshops for parents of EL and immigrant students. Topics to be covered include, but are not limited to, the school's EL Master Plan, stages of language acquisition, state testing, college application, using SIS to check student progress, study habits, and family literacy. Charter School will use a variety of communication channels to connect with families in a language that is understandable and accessible to them. A parent communication software will be utilized for voice and text communications, email, and push notifications. We will provide language translators at parent meetings to the extent practicable. These

activities will result in increased and improved services for our unduplicated students and their families. With the needs of our unduplicated students and their families in mind, this action will be provided on a schoolwide basis. It was found effective in the current school year and will be continued in the coming school year. We expect this action will help further engage our families in building partnerships with the school for student outcomes. Charter School utilizes the self-reflection tool for Local Priority 3, i.e., Parent and Family Engagement, to measure progress in creating welcoming environments and building trusting and respectful relationships with families, developing multiple opportunities for 2-way communication between families and educators using language that is understandable and accessible to families, and providing families with information and resources to support student learning and development in the home. We also expect this action will result in increased academic achievement and lifelong learning as measured by the LCAP metrics in Goals 2 and 3, increased home visit rate, ADA rate, and graduation rate, and decreased chronic absenteeism rate, dropout rate, and student suspension/expulsion rates as measured in Goal 4. We also expect this action will result in increased student, parent, and staff satisfaction rates as measured by the annual stakeholder surveys in Goal 4: Action 4.

- Goal 4: Action 3: MTSS - PBIS and SEL support

The majority of Charter School's student population consists of low-income and socioeconomically disadvantaged students, English learners, and students with disabilities. These student groups have social and emotional conditions that influence academic learning, as evidenced by the performance gaps on the CA School Dashboard, CAASPP results, and other available data. These student groups also have lower ADA rates while they have higher chronic absenteeism and office referral rates. Children living in poverty are more likely to incur more adverse childhood experiences including abuse, neglect, exposure to neighborhood violence, or an incarcerated parent. Foster youth and English learners may experience feelings of anxiety and confusion. Charter School needs to take action to address the unique academic, social and emotional needs of low-income students, students with disabilities, English learners, racial and ethnic minorities, students experiencing homelessness, and foster care youth. Considering the needs of our vulnerable student groups in mind, Charter School will provide a safe, nurturing, and engaging learning environment for all our students and families. Academic and social-emotional support will be provided to address student needs as well as instructional materials including free uniforms. Students who are homeless, experiencing housing instability, are in foster care or experiencing personal/family crisis or have other special needs will be cared for in our supportive school community. Charter School will offer a Life Skills/Character Education program that provides students with valuable skills to support academic excellence and social skill development. We will annually assess our suspension/expulsion policies and procedures and implement alternatives to suspension/expulsion, including restorative practices. Teachers will establish classroom management procedures, foster positive relationships, and help create an atmosphere of trust, respect, and high expectations. Charter School will implement a positive and equitable student responsibility and behavior system with teaching, intervention and prevention strategies and protocols that are clear, fair, incremental, restorative, and culturally responsive. Charter School will celebrate student and school achievements and organize recognition assemblies and other schoolwide culture-building activities. Charter School will inform parents and students of attendance policies specified in the Student/Parent Handbook and encourage and support student attendance. Charter School will also implement the CORE DISTRICTS SEL Survey instrument in the fall and spring annually to assess the following social-emotional competencies: growth mindset, self-efficacy, self-management, and social awareness. As part of our MTSS efforts, school leadership, teachers, and support staff will analyze student SEL survey results in the fall to provide our students with targeted social-emotional support and then measure student responses again in the spring to measure growth, identify greatest progress and needs in order to inform our next steps. These activities will result in increased and improved PBIS and SEL support for our unduplicated students, as well as additional

supports for homeless and immigrant students. With the needs of our vulnerable students and their families in mind, this action will be provided on a schoolwide basis. It was found effective in the current school year and will be continued in the coming school year. We expect this action will help provide a foundation for safe and positive learning, and enhance students' mental health and abilities to succeed in school, careers, and life. We also expect this action will result in increased academic achievement and lifelong learning as measured by the LCAP metrics in Goals 2 and 3, increased ADA rate and graduation rate, and decreased chronic absenteeism rate, dropout rate, and student suspension/expulsion rates as measured in Goal 4. We also expect this action will result in increased student, parent, and staff satisfaction rates as measured by the annual stakeholder surveys in Goal 4: Action 4.

- Goal 4: Action 4: Annual stakeholder surveys

It is important that parents, students, and staff are engaged in the development of all school plans, including, but not limited to, the LCAP, SPSA (Charter School uses the LCAP to serve as the SPSA), and WASC Self-Study. Charter School wishes to engage all parents, to the extent applicable, in the process of school review and improvement. The majority of Charter School's student population consists of low-income and socioeconomically disadvantaged students, English learners, and students with disabilities. To engage all students and families equitably, it is necessary to understand the cultures, languages, needs and interests of students and families in our school community. Stakeholder voices, i.e., voices of our students, families, staff, and other school community members, play a powerful role in helping us learn how to improve our teaching, leadership, and other school practices. In order to engage stakeholders in an organized, ongoing and timely manner in the planning, review and improvement of our programs, Charter School needs to provide multiple channels to engage stakeholders in decision making. Surveys have been the primary means of collecting student, family, and staff voices about what we are doing great and should keep doing, and what areas for improvement are so we can continue to provide our students with the best quality education. Considering the needs of our unduplicated students and their families, MPS uses an online platform to provide students, families, and staff with groups of questions that measure their perceptions of teaching and learning, as well as their perceptions of school climate and safety. This feedback instrument provides teachers and school leaders with valuable data about how students see their classes, how much parents are involved, how supported staff feel and how to facilitate improvement. Charter School will annually administer school experience surveys to students, parents, and staff. Charter School will implement the CORE DISTRICTS Survey instrument to assess our stakeholders' perceptions of the following school climate indicators: climate of support for academic learning; knowledge and fairness of discipline, rules and norms; safety; and sense of belonging (school connectedness). In addition, we ask our stakeholders open-ended questions about what they like the best and the least about the school and suggestions for improvement. This feedback instrument provides all staff and school leaders with valuable information about how students see their classes, how much parents are involved, how supported staff feel and how to facilitate improvement. Our staff will analyze the survey results to identify the greatest progress and needs in order to inform our next steps. The surveys help identify and plan for increased and improved services for our unduplicated students and their families. With the needs of our unduplicated students and their families in mind, this action will be provided on a schoolwide basis. It was found effective in the current school year and will be continued in the coming school year. We expect this action will help provide valuable feedback for school improvement. We also expect this action will result in increased student, parent, and staff satisfaction rates as measured in Goal 4.

- Goal 4: Action 5: Community outreach and partnerships

The majority of Charter School's student population consists of low-income and socioeconomically disadvantaged students, English learners, and students with disabilities. Our low-income students come from underserved communities that do not have adequate resources and access to experiential learning opportunities. Many of our students are also the first generation in their families who will attend college. Most of them lack parental support and experience financial difficulties. Our students have a great need for guidance about college/career choices and support for preparation. These student groups have social and emotional conditions that influence academic learning, as evidenced by the performance gaps on the CA School Dashboard, CAASPP results, and other available data. They also have lower ADA rates while they have higher chronic absenteeism and office referral rates. Children living in poverty are more likely to incur more adverse childhood experiences including abuse, neglect, exposure to neighborhood violence, or an incarcerated parent. Foster youth and English learners may experience feelings of anxiety and confusion. Charter School needs to take action to address the unique academic, social and emotional needs of low-income students, students with disabilities, English learners, racial and ethnic minorities, students experiencing homelessness, and foster care youth. Considering the needs of our vulnerable student groups in mind, Charter School will establish community, business, institutional and civic partnerships that invest in and support the vision and goals of the school. School staff will participate in local activities that engage community members and staff in communicating school successes to the broader community. Charter School will secure community support to sustain existing resources and add new resources that address emerging student needs. Charter School leadership will actively develop relationships with a range of stakeholders, policymakers, and researchers to identify and address issues, trends, and potential changes that affect the context and conduct of education. These activities will result in increased and improved resources for our unduplicated students and will be particularly helpful for first-generation college-bound students who lack parental support strategies and experience financial constraints. With the needs of our unduplicated students and their families in mind, this action will be provided on a schoolwide basis. It was found effective in the current school year and will be continued in the coming school year. We expect this action will provide students and families with information and resources to support student learning and development. We also expect this action will result in increased academic achievement and lifelong learning as measured by the LCAP metrics in Goals 2 and 3, increased ADA rate, and graduation rate, and decreased chronic absenteeism rate, dropout rate, and student suspension/expulsion rates as measured in Goal 4. We also expect this action will result in increased student, parent, and staff satisfaction rates as measured in Goal 4.

A description of how services for foster youth, English learners, and low-income students are being increased or improved by the percentage required.

Charter School will increase or improve services provided for unduplicated students by at least the percentage calculated as compared to the services provided for all students in the LCAP year. Services are increased (in quantity) or improved (in quality) by those actions in our LCAP that are included in the Goals and Actions section as "contributing" to the increased or improved services requirement. We expect that these actions will result in the required proportional increase or improvement in services for unduplicated pupils as compared to the services we provide to all students. Charter School will increase or improve services for our unduplicated students through the following actions:

- Goal 1: Action 4: Healthy and nutritious meals

Low-income students are eligible to receive reduced-price or free meals at school. Charter School will maintain nutrition education resources and promote healthy food and beverage choices for all students throughout campus, as well as encourage participation in school meal

programs. This action will result in increased and improved services, particularly for our low-income students, who may not have access to nutritious meals and are experiencing poor health outcomes.

- Goal 2: Action 2: Professional development for high-quality instruction

Professional development will occur at the MPS organizational level and within the school. In addition to ongoing professional development activities that support efforts to increase student academic performance, all staff will be provided with multiple opportunities to grow professionally through induction processes, regular collaboration with colleagues, and curricular support. This involves instructional leadership, common walkthrough protocols using the TeachBoost software, and professional feedback to promote a cycle of continuous improvement, as well as supports for high quality delivery of the program that enables differentiation, particularly for unduplicated students and students with exceptional needs.

- Goal 2: Action 3: MTSS - Academic enrichment, intervention and student support

Charter School will implement MTSS as a systemic, continuous improvement framework in which data-based problem-solving and decision making is practiced across all levels of the educational system for supporting students. Targeted interventions will be utilized to create a high-quality differentiated environment where students are supported to engage at their optimal levels. Charter School will provide additional supports and interventions to all students, including but not limited to, 1-1 or small group interventions, targeted support via evidence-based supplemental intervention/enrichment materials and technology (reading, math, etc.), co-taught classes, Power English/Power Math classes, Study Skills, additional support during SSR/Advisory, before and after school tutoring, Saturday classes, and summer programs. SSPT, 504, and other support meetings will be coordinated among teachers and support roles (resource teachers, EL coordinator, department chairs, etc.) These student supports and interventions will provide increased and improved services for all our unduplicated students who would need the extra support and attention.

- Goal 2: Action 4: Designated and integrated ELD programs

Charter School will provide services to ELs by proficiency level and provide ELD instruction aligned to the CA ELD standards and framework. Charter School will provide our ELs with core and supplemental ELD instructional materials and provide our teachers with PD focused on ELD standards. Our EL coordinator will monitor EL student progress in program implementation according to our EL Master Plan. Charter School teachers will provide instruction using designated and integrated ELD instructional strategies as outlined in the CHATS framework (and other research-based strategies such as SDAIE) to all students, including ELs. Charter School will provide culturally and linguistically relevant materials for students. ELs will receive further in-class instructional support which includes one-on-one teacher support and small group instruction. Charter School will strive to provide bilingual instructional assistants to provide primary language support to enable students to access content area instruction while gaining language proficiency. Charter School will ensure that teachers participate in PD on ELD instructional strategies and CHATS framework. Charter School will provide regular and timely communication with families of EL students regarding annual assessments, program supports and services, and students' progress toward reclassification. This notification will include, but is not limited to, annual parent notification letters, quarterly ELAC meetings, and parent-teacher conferences. These supports and services will provide increased and improved services for our English learners.

- Goal 3: Action 1: College/Career readiness programs and activities

Charter School will offer individual graduation plans, outlining the classes students will take during their high school years. Students will be provided credit recovery opportunities and individualized support to ensure timely high school graduation. Charter School will offer Advisory

and College Readiness classes and activities to support our students in the areas, including, but not limited to, college planning and career exploration, test prep for ACT/SAT, college application and financial aid submission. Charter School will provide students with opportunities to take Advanced Placement (AP) courses based on student needs and interests. Charter School will promote a college-going culture through dual and concurrent enrollment, AP courses, college visits, college/career days, and other college related activities. Charter School will also explore CTE options to provide students with opportunities to explore a career theme of interest while learning a set of technical and employability skills that integrate into or complement their academic studies. Unduplicated students will receive improved services through our Naviance program and increased support with AP exam fees, AP course materials, and other college-related materials and activities. These services are particularly helpful for first-generation college-bound students who lack parental support strategies and experience financial constraints.

- Goal 3: Action 2: STEAM and GATE programs

Charter School will offer STEAM and GATE programs and activities, including Accelerated/Advanced Math course and club. Students will be provided opportunities during the day and after school to create or demonstrate a STEAM focused project, experiment, model or demo. We will also provide information and access to quality out-of-school STEAM activities and achievements. Charter School will design and implement engineering-related courses and activities, such as AP Computer Science Principles, Code.org activities, Project Lead the Way (PLTW) programs, Robotics, etc. Unduplicated students will receive increased and improved support through access to supplemental STEAM programs and activities.

- Goal 3: Action 3: Digital literacy and citizenship programs

Charter School will educate our students and staff in digital literacy so that they adapt, create, consume, and connect in productive, responsible ways to utilize technology in academic, social, and professional settings. Charter School will offer Computer/Digital Literacy classes and/or blended learning experiences for our students. Teachers will participate in PD on Blended Learning and technology will be kept up to date. Students will be provided with opportunities to expand their literacy, computational, and communication skills with digital media; they will be writing advanced essays, conducting internet research, engaging in data collection, presenting ideas and drawing conclusions. Charter School staff will teach and model safe, savvy, and social digital citizenship; topics include, but are not limited to, using technology applications; digital footprint, privacy, and security; digital rights and responsibilities; using social media responsibly and digital etiquette. These activities will result in increased and improved services for our unduplicated students by expanding their knowledge and skills in an ever-evolving digital world.

- Goal 3: Action 4: Physical education, activity, and fitness

Charter School will provide students with physical education, using an age-appropriate, sequential PE curriculum consistent with state standards for PE. The curriculum will promote the benefits of a physically active lifestyle and will help students develop skills to engage in lifelong healthy habits, as well as incorporate essential health education concepts. Charter School will offer recess before lunch and students will be provided with periodic opportunities to be active or to stretch throughout the day on all or most days during a typical school week. To the extent practicable, Charter School will ensure that its grounds and facilities are safe, and that equipment is available to students to be active. Charter School will offer opportunities for students to participate in physical activity either before and/or after the school day (or both) through a variety of methods such as physical activity/sports clubs, intramurals or interscholastic sports, etc. Charter School will adhere to the MPS Wellness Policy guidelines on physical education, activity, and fitness. These activities will result in increased and improved

services, particularly for our low-income students who may not have a physically active and healthy lifestyle.

- Goal 3: Action 5: Additional programs and activities that support well-rounded education

In an effort to provide well-rounded education to our students, Charter School will strive to offer additional programs such as elective courses, arts, music, civics, languages other than English, clubs, etc. It is important that all our students, particularly unduplicated students, are provided with experiential learning opportunities, including but not limited to, instructional field trips, internships, community service programs, clubs, etc. Charter School teachers and other staff will offer after school clubs for enrichment in the areas of, including, but not limited to, math, science, technology, engineering, ELA, languages other than English and culture, sports, visual and performing arts, community service, and others. These well-rounded programs and activities will result in increased and improved services for our unduplicated students.

- Goal 4: Action 1: Seeking family input for decision making

Charter School will hold periodic meetings to gather input from our families. Information/input sessions include Parent Advisory Committee (PAC) meetings, Parent Task Force (PTF) meetings, School Site Council (SSC) meetings, English Learner Advisory Committee (ELAC) meetings, Coffee with the Principal meetings, and Board of Directors meetings. Parents on our PTF and SSC also serve as our Parent Advisory Committee (PAC) for LCAP. Along with ELAC, such committees provide for representation of students in need (low income, English learners, foster youth, etc.) Feedback from our PAC, SSC, and ELAC provides valuable input for the LCAP. Charter School chooses to utilize the LCAP to serve as the SPSA. Charter School will also hold an annual meeting to inform parents and collect feedback about LCAP goals and actions, data and needs assessments, Title-funded activities and budgets, UCP, parent involvement policy and school-student-parent compact. In addition, Charter School will conduct parent surveys to seek feedback on school improvement. These activities will result in increased and improved services for our unduplicated students and their families.

- Goal 4: Action 2: Building partnerships with families for student outcomes

Charter School will build trusting and respectful relationships with parents through activities/events, including Student/Parent Orientation, Back to School Night, and parent conferences to promote parental participation in programs. Administrators will greet all students and parents in the mornings during student drop off and have an open-door policy welcoming all parents. Charter School will provide parents with access to course materials, homework assignments, projects, and records of students' grades through our SIS. Charter School will communicate further with the parents of students who are performing below grade level. Our teachers, administrators, and classified staff will visit students at their homes to discuss student progress and enhance student learning and involvement. Charter School will schedule annual workshops for parents as well as additional workshops for parents of EL and immigrant students. Topics to be covered include, but are not limited to, the school's EL Master Plan, stages of language acquisition, state testing, college application, using SIS to check student progress, study habits, and family literacy. Charter School will use a variety of communication channels to connect with families in a language that is understandable and accessible to them. A parent communication software will be utilized for voice and text communications, email, and push notifications. We will provide language translators at parent meetings to the extent practicable. These activities will result in increased and improved services for our unduplicated students and their families.

- Goal 4: Action 3: MTSS - PBIS and SEL support

Charter School will provide a safe, nurturing, and engaging learning environment for all our students and families. Academic and social-emotional support will be provided to address student needs as well as instructional materials including free uniforms. Students who are homeless, experiencing housing instability, are in foster care or experiencing personal/family crisis or have other special needs will be cared

for in our supportive school community. Charter School will offer a Life Skills/Character Education program that provides students with valuable skills to support academic excellence and social skill development. Teachers will establish classroom management procedures, foster positive relationships, and help create an atmosphere of trust, respect, and high expectations. Charter School will implement a positive and equitable student responsibility and behavior system with teaching, intervention and prevention strategies and protocols that are clear, fair, incremental, restorative, and culturally responsive. Charter School will celebrate student and school achievements and organize recognition assemblies and other schoolwide culture-building activities. Charter School will inform parents and students of attendance policies specified in the Student/Parent Handbook and encourage and support student attendance. Charter School will also implement the CORE DISTRICTS SEL Survey instrument in the fall and spring annually to assess the following social-emotional competencies: growth mindset, self-efficacy, self-management, and social awareness. As part of our MTSS efforts, school leadership, teachers, and support staff will analyze student SEL survey results in the fall to provide our students with targeted social-emotional support and then measure student responses again in the spring to measure growth, identify greatest progress and needs in order to inform our next steps. These activities will result in increased and improved PBIS and SEL support for our unduplicated students, as well as additional supports for homeless and immigrant students.

- Goal 4: Action 4: Annual stakeholder surveys

Charter School will annually administer school experience surveys to students, parents, and staff. Charter School will implement the CORE DISTRICTS Survey instrument to assess our stakeholders' perceptions of the following school climate indicators: climate of support for academic learning; knowledge and fairness of discipline, rules and norms; safety; and sense of belonging (school connectedness). In addition, we ask our stakeholders open-ended questions about what they like the best and the least about the school and suggestions for improvement. This feedback instrument provides all staff and school leaders with valuable information about how students see their classes, how much parents are involved, how supported staff feel and how to facilitate improvement. Our staff will analyze the survey results to identify the greatest progress and needs in order to inform our next steps. The surveys help identify and plan for increased and improved services for our unduplicated students and their families.

- Goal 4: Action 5: Community outreach and partnerships

Charter School will establish community, business, institutional and civic partnerships that invest in and support the vision and goals of the school. School staff will participate in local activities that engage community members and staff in communicating school successes to the broader community. Charter School will secure community support to sustain existing resources and add new resources that address emerging student needs. Charter School leadership will actively develop relationships with a range of stakeholders, policymakers, and researchers to identify and address issues, trends, and potential changes that affect the context and conduct of education. These activities result in increased and improved resources for our unduplicated students.

**Total Expenditures Table**

LCFF Funds	Other State Funds	Local Funds	Federal Funds	Total Funds
\$8,399,344.00	\$957,567.00	\$30,000.00	\$967,665.00	\$10,354,576.00

Totals:	Total Personnel	Total Non-personnel
Totals:	\$6,489,485.00	\$3,865,091.00

# Instructions

[Plan Summary](#)

[Stakeholder Engagement](#)

[Goals and Actions](#)

[Increased or Improved Services for Foster Youth, English Learners, and Low-Income Students](#)

For additional questions or technical assistance related to the completion of the LCAP template, please contact the local COE, or the California Department of Education's (CDE's) Local Agency Systems Support Office by phone at 916-319-0809 or by email at [lcff@cde.ca.gov](mailto:lcff@cde.ca.gov).

# Introduction and Instructions

The Local Control Funding Formula (LCFF) requires LEAs to engage their local stakeholders in an annual planning process to evaluate their progress within eight state priority areas encompassing all statutory metrics (COEs have ten state priorities). LEAs document the results of this planning process in the Local Control and Accountability Plan (LCAP) using the template adopted by the State Board of Education.

The LCAP development process serves three distinct, but related functions:

- **Comprehensive Strategic Planning:** The process of developing and annually updating the LCAP supports comprehensive strategic planning (California *Education Code* [EC] 52064(e)(1)). Strategic planning that is comprehensive connects budgetary decisions to teaching and learning performance data. Local educational agencies (LEAs) should continually evaluate the hard choices they make about the use of limited resources to meet student and community needs to ensure opportunities and outcomes are improved for all students.
- **Meaningful Stakeholder Engagement:** The LCAP development process should result in an LCAP that reflects decisions made through meaningful stakeholder engagement (EC 52064(e)(1)). Local stakeholders possess valuable perspectives and insights about an LEA's programs and services. Effective strategic planning will incorporate these perspectives and insights in order to identify potential goals and actions to be included in the LCAP.
- **Accountability and Compliance:** The LCAP serves an important accountability function because aspects of the LCAP template require LEAs to show that they have complied with various requirements specified in the LCFF statutes and regulations, most notably:
  - Demonstrating that LEAs are increasing or improving services for foster youth, English learners, and low-income students in proportion to the amount of additional funding those students generate under LCFF (EC 52064(b)(4-6)).
  - Establishing goals, supported by actions and related expenditures, that address the statutory priority areas and statutory metrics (EC 52064(b)(1) & (2)).

- Annually reviewing and updating the LCAP to reflect progress toward the goals (*EC 52064(b)(7)*).

The LCAP template, like each LEA's final adopted LCAP, is a document, not a process. LEAs must use the template to memorialize the outcome of their LCAP development process, which should: (a) reflect comprehensive strategic planning (b) through meaningful engagement with stakeholders that (c) meets legal requirements, as reflected in the final adopted LCAP. The sections included within the LCAP template do not and cannot reflect the full development process, just as the LCAP template itself is not intended as a stakeholder engagement tool.

If a county superintendent of schools has jurisdiction over a single school district, the county board of education and the governing board of the school district may adopt and file for review and approval a single LCAP consistent with the requirements in *EC* sections 52060, 52062, 52066, 52068, and 52070. The LCAP must clearly articulate to which entity's budget (school district or county superintendent of schools) all budgeted and actual expenditures are aligned.

The revised LCAP template for the 2021–22, 2022–23, and 2023–24 school years reflects statutory changes made through Assembly Bill 1840 (Committee on Budget), Chapter 243, Statutes of 2018. These statutory changes enhance transparency regarding expenditures on actions included in the LCAP, including actions that contribute to meeting the requirement to increase or improve services for foster youth, English learners, and low-income students, and to streamline the information presented within the LCAP to make adopted LCAPs more accessible for stakeholders and the public.

At its most basic, the adopted LCAP should attempt to distill not just what the LEA is doing, but also allow stakeholders to understand why, and whether those strategies are leading to improved opportunities and outcomes for students. LEAs are strongly encouraged to use language and a level of detail in their adopted LCAPs intended to be meaningful and accessible for the LEA's diverse stakeholders and the broader public.

In developing and finalizing the LCAP for adoption, LEAs are encouraged to keep the following overarching frame at the forefront of the strategic planning and stakeholder engagement functions:

Given present performance across the state priorities and on indicators in the California School Dashboard, how is the LEA using its budgetary resources to respond to student and community needs, and address any performance gaps, including by meeting its obligation to increase or improve services for foster youth, English learners, and low-income students?

LEAs are encouraged to focus on a set of metrics or a set of actions that the LEA believes, based on input gathered from stakeholders, research, and experience, will have the biggest impact on behalf of its students.

These instructions address the requirements for each section of the LCAP, but may include information about effective practices when developing the LCAP and completing the LCAP itself. Additionally, information is included at the beginning of each section emphasizing the purpose that each section serves.

# Plan Summary

## Purpose

A well-developed Plan Summary section provides a meaningful context for the LCAP. This section provides information about an LEA's community as well as relevant information about student needs and performance. In order to provide a meaningful context for the rest of the LCAP, the content of this section should be clearly and meaningfully related to the content included in the subsequent sections of the LCAP.

## Requirements and Instructions

**General Information** – Briefly describe the students and community. For example, information about an LEA in terms of geography, enrollment, or employment, the number and size of specific schools, recent community challenges, and other such information as an LEA wishes to include can enable a reader to more fully understand an LEA's LCAP.

**Reflections: Successes** – Based on a review of performance on the state indicators and local performance indicators included in the Dashboard, progress toward LCAP goals, local self-assessment tools, stakeholder input, and any other information, what progress is the LEA most proud of and how does the LEA plan to maintain or build upon that success? This may include identifying specific examples of how past increases or improvements in services for foster youth, English learners, and low-income students have led to improved performance for these students.

**Reflections: Identified Need** – Referring to the Dashboard, identify: (a) any state indicator for which overall performance was in the “Red” or “Orange” performance category or any local indicator where the LEA received a “Not Met” or “Not Met for Two or More Years” rating AND (b) any state indicator for which performance for any student group was two or more performance levels below the “all student” performance. What steps is the LEA planning to take to address these areas of low performance and performance gaps? Other needs may be identified using locally collected data including data collected to inform the self-reflection tools and reporting local indicators on the Dashboard.

**LCAP Highlights** – Identify and briefly summarize the key features of this year's LCAP.

**Comprehensive Support and Improvement** – An LEA with a school or schools identified for comprehensive support and improvement (CSI) under the Every Student Succeeds Act must respond to the following prompts:

- **Schools Identified:** Identify the schools within the LEA that have been identified for CSI.
- **Support for Identified Schools:** Describe how the LEA has or will support the identified schools in developing CSI plans that included a school-level needs assessment, evidence-based interventions, and the identification of any resource inequities to be addressed through the implementation of the CSI plan.
- **Monitoring and Evaluating Effectiveness:** Describe how the LEA will monitor and evaluate the implementation and effectiveness of the CSI plan to support student and school improvement.

# Stakeholder Engagement

## Purpose

Significant and purposeful engagement of parents, students, educators, and other stakeholders, including those representing the student groups identified by LCFF, is critical to the development of the LCAP and the budget process. Consistent with statute, such stakeholder engagement should support comprehensive strategic planning, accountability, and improvement across the state priorities and locally identified priorities (*EC 52064(e)(1)*). Stakeholder engagement is an ongoing, annual process.

This section is designed to reflect how stakeholder engagement influenced the decisions reflected in the adopted LCAP. The goal is to allow stakeholders that participated in the LCAP development process and the broader public understand how the LEA engaged stakeholders and the impact of that engagement. LEAs are encouraged to keep this goal in the forefront when completing this section.

Statute and regulations specify the stakeholder groups that school districts and COEs must consult when developing the LCAP: teachers, principals, administrators, other school personnel, local bargaining units of the LEA, parents, and students. Before adopting the LCAP, school districts and COEs must share it with the Parent Advisory Committee and, if applicable, to its English Learner Parent Advisory Committee. The superintendent is required by statute to respond in writing to the comments received from these committees. School districts and COEs must also consult with the special education local plan area administrator(s) when developing the LCAP. Statute requires charter schools to consult with teachers, principals, administrators, other school personnel, parents, and students in developing the LCAP. The LCAP should also be shared with, and LEAs should request input from, schoolsite-level advisory groups, as applicable (e.g., schoolsite councils, English Learner Advisory Councils, student advisory groups, etc.), to facilitate alignment between schoolsite and district-level goals and actions.

Information and resources that support effective stakeholder engagement, define student consultation, and provide the requirements for advisory group composition, can be found under Resources on the following web page of the CDE's website: <https://www.cde.ca.gov/re/lc/>.

## Requirements and Instructions

Below is an excerpt from the 2018–19 *Guide for Annual Audits of K–12 Local Education Agencies and State Compliance Reporting*, which is provided to highlight the legal requirements for stakeholder engagement in the LCAP development process:

### Local Control and Accountability Plan:

For county offices of education and school districts only, verify the LEA:

- a) Presented the local control and accountability plan to the parent advisory committee in accordance with Education Code section 52062(a)(1) or 52068(a)(1), as appropriate.
- b) If applicable, presented the local control and accountability plan to the English learner parent advisory committee, in accordance with Education Code section 52062(a)(2) or 52068(a)(2), as appropriate.

- c) Notified members of the public of the opportunity to submit comments regarding specific actions and expenditures proposed to be included in the local control and accountability plan in accordance with Education Code section 52062(a)(3) or 52068(a)(3), as appropriate.
- d) Held at least one public hearing in accordance with Education Code section 52062(b)(1) or 52068(b)(1), as appropriate.
- e) Adopted the local control and accountability plan in a public meeting in accordance with Education Code section 52062(b)(2) or 52068(b)(2), as appropriate.

**Prompt 1:** “A summary of the stakeholder process and how the stakeholder engagement was considered before finalizing the LCAP.”

Describe the stakeholder engagement process used by the LEA to involve stakeholders in the development of the LCAP, including, at a minimum, describing how the LEA met its obligation to consult with all statutorily required stakeholder groups as applicable to the type of LEA. A sufficient response to this prompt must include general information about the timeline of the process and meetings or other engagement strategies with stakeholders. A response may also include information about an LEA’s philosophical approach to stakeholder engagement.

**Prompt 2:** “A summary of the feedback provided by specific stakeholder groups.”

Describe and summarize the stakeholder feedback provided by specific stakeholders. A sufficient response to this prompt will indicate ideas, trends, or inputs that emerged from an analysis of the feedback received from stakeholders.

**Prompt 3:** “A description of the aspects of the LCAP that were influenced by specific stakeholder input.”

A sufficient response to this prompt will provide stakeholders and the public clear, specific information about how the stakeholder engagement process influenced the development of the LCAP. The response must describe aspects of the LCAP that were influenced by or developed in response to the stakeholder feedback described in response to Prompt 2. This may include a description of how the LEA prioritized stakeholder requests within the context of the budgetary resources available or otherwise prioritized areas of focus within the LCAP. For the purposes of this prompt, “aspects” of an LCAP that may have been influenced by stakeholder input can include, but are not necessarily limited to:

- Inclusion of a goal or decision to pursue a Focus Goal (as described below)
- Inclusion of metrics other than the statutorily required metrics
- Determination of the desired outcome on one or more metrics
- Inclusion of performance by one or more student groups in the Measuring and Reporting Results subsection
- Inclusion of action(s) or a group of actions
- Elimination of action(s) or group of actions
- Changes to the level of proposed expenditures for one or more actions
- Inclusion of action(s) as contributing to increased or improved services for unduplicated services
- Determination of effectiveness of the specific actions to achieve the goal
- Determination of material differences in expenditures

- Determination of changes made to a goal for the ensuing LCAP year based on the annual update process
- Determination of challenges or successes in the implementation of actions

## Goals and Actions

### Purpose

Well-developed goals will clearly communicate to stakeholders what the LEA plans to accomplish, what the LEA plans to do in order to accomplish the goal, and how the LEA will know when it has accomplished the goal. A goal statement, associated metrics and expected outcomes, and the actions included in the goal should be in alignment. The explanation for why the LEA included a goal is an opportunity for LEAs to clearly communicate to stakeholders and the public why, among the various strengths and areas for improvement highlighted by performance data and strategies and actions that could be pursued, the LEA decided to pursue this goal, and the related metrics, expected outcomes, actions, and expenditures.

A well-developed goal can be focused on the performance relative to a metric or metrics for all students, a specific student group(s), narrowing performance gaps, or implementing programs or strategies expected to impact outcomes. LEAs should assess the performance of their student groups when developing goals and the related actions to achieve such goals.

### Requirements and Instructions

LEAs should prioritize the goals, specific actions, and related expenditures included within the LCAP within one or more state priorities. LEAs should consider performance on the state and local indicators, including their locally collected and reported data for the local indicators that are included in the Dashboard in determining whether and how to prioritize its goals within the LCAP.

In order to support prioritization of goals, the LCAP template provides LEAs with the option of developing three different kinds of goals:

- **Focus Goal:** A Focus Goal is relatively more concentrated in scope and may focus on a fewer number of metrics to measure improvement. A Focus Goal statement will be time bound and make clear how the goal is to be measured.
- **Broad Goal:** A Broad Goal is relatively less concentrated in its scope and may focus on improving performance across a wide range of metrics.
- **Maintenance of Progress Goal:** A Maintenance of Progress Goal includes actions that may be ongoing without significant changes and allows an LEA to track performance on any metrics not addressed in the other goals of the LCAP.

At a minimum, the LCAP must address all LCFF priorities and associated metrics.

### ***Focus Goal(s)***

**Goal Description:** The description provided for a Focus Goal must be specific, measurable, and time bound. An LEA develops a Focus Goal to address areas of need that may require or benefit from a more specific and data intensive approach. The Focus Goal can explicitly reference the metric(s) by which achievement of the goal will be measured and the time frame according to which the LEA expects to achieve the goal.

**Explanation of why the LEA has developed this goal:** Explain why the LEA has chosen to prioritize this goal. An explanation must be based on Dashboard data or other locally collected data. LEAs must describe how the LEA identified this goal for focused attention, including relevant consultation with stakeholders. LEAs are encouraged to promote transparency and understanding around the decision to pursue a focus goal.

### ***Broad Goal***

**Goal Description:** Describe what the LEA plans to achieve through the actions included in the goal. The description of a broad goal will be clearly aligned with the expected measurable outcomes included for the goal. The goal description organizes the actions and expected outcomes in a cohesive and consistent manner. A goal description is specific enough to be measurable in either quantitative or qualitative terms. A broad goal is not as specific as a focus goal. While it is specific enough to be measurable, there are many different metrics for measuring progress toward the goal.

**Explanation of why the LEA has developed this goal:** Explain why the LEA developed this goal and how the actions and metrics grouped together will help achieve the goal.

### ***Maintenance of Progress Goal***

**Goal Description:** Describe how the LEA intends to maintain the progress made in the LCFF State Priorities not addressed by the other goals in the LCAP. Use this type of goal to address the state priorities and applicable metrics not addressed within the other goals in the LCAP. The state priorities and metrics to be addressed in this section are those for which the LEA, in consultation with stakeholders, has determined to maintain actions and monitor progress while focusing implementation efforts on the actions covered by other goals in the LCAP.

**Explanation of why the LEA has developed this goal:** Explain how the actions will sustain the progress exemplified by the related metrics.

### ***Measuring and Reporting Results:***

For each LCAP year, identify the metric(s) that the LEA will use to track progress toward the expected outcomes. LEAs are encouraged to identify metrics for specific student groups, as appropriate, including expected outcomes that would reflect narrowing of any existing performance gaps.

Include in the baseline column the most recent data associated with this metric available at the time of adoption of the LCAP for the first year of the three-year plan. LEAs may use data as reported on the 2019 Dashboard for the baseline of a metric only if that data represents the most recent available (e.g. high school graduation rate).

Using the most recent data available may involve reviewing data the LEA is preparing for submission to the California Longitudinal Pupil Achievement Data System (CALPADS) or data that the LEA has recently submitted to CALPADS. Because final 2020–2021 outcomes on some metrics may not be computable at the time the 2021–24 LCAP is adopted (e.g. graduation rate, suspension rate), the most recent data available may include a point in time calculation taken each year on the same date for comparability purposes.

The baseline data shall remain unchanged throughout the three-year LCAP.

Complete the table as follows:

- **Metric:** Indicate how progress is being measured using a metric.
- **Baseline:** Enter the baseline when completing the LCAP for 2021–22. As described above, the baseline is the most recent data associated with a metric. Indicate the school year to which the data applies, consistent with the instructions above.
- **Year 1 Outcome:** When completing the LCAP for 2022–23, enter the most recent data available. Indicate the school year to which the data applies, consistent with the instructions above.
- **Year 2 Outcome:** When completing the LCAP for 2023–24, enter the most recent data available. Indicate the school year to which the data applies, consistent with the instructions above.
- **Year 3 Outcome:** When completing the LCAP for 2024–25, enter the most recent data available. Indicate the school year to which the data applies, consistent with the instructions above. The 2024–25 LCAP will be the first year in the next three-year cycle. Completing this column will be part of the Annual Update for that year.
- **Desired Outcome for 2023-24:** When completing the first year of the LCAP, enter the desired outcome for the relevant metric the LEA expects to achieve by the end of the 2023–24 LCAP year.

Timeline for completing the “**Measuring and Reporting Results**” part of the Goal.

Metric	Baseline	Year 1 Outcome	Year 2 Outcome	Year 3 Outcome	Desired Outcome for Year 3 (2023-24)
Enter information in this box when completing the LCAP for <b>2021–22</b> .	Enter information in this box when completing the LCAP for <b>2021–22</b> .	Enter information in this box when completing the LCAP for <b>2022–23</b> . Leave blank until then.	Enter information in this box when completing the LCAP for <b>2023–24</b> . Leave blank until then.	Enter information in this box when completing the LCAP for <b>2024–25</b> . Leave blank until then.	Enter information in this box when completing the LCAP for <b>2021–22</b> .

The metrics may be quantitative or qualitative; but at minimum, an LEA’s LCAP must include goals that are measured using all of the applicable metrics for the related state priorities, in each LCAP year as applicable to the type of LEA. To the extent a state priority does not specify one or more metrics (e.g., implementation of state academic content and performance standards), the LEA must identify a metric to use within the LCAP. For these state priorities, LEAs are encouraged to use metrics based on or reported through the relevant self-reflection tool for local indicators within the Dashboard.

**Actions:** Enter the action number. Provide a short title for the action. This title will also appear in the expenditure tables. Provide a description of the action. Enter the total amount of expenditures associated with this action. Budgeted expenditures from specific fund sources will be provided in the summary expenditure tables. Indicate whether the action contributes to meeting the increase or improved services requirement as described in the Increased or Improved Services section using a “Y” for Yes or an “N” for No. (Note: for each such action offered on an LEA-wide or schoolwide basis, the LEA will need to provide additional information in the Increased or Improved Summary Section to address the requirements in *California Code of Regulations, Title 5 [5 CCR] Section 15496(b)* in the Increased or Improved Services Section of the LCAP).

**Actions for English Learners:** School districts, COEs, and charter schools that have a numerically significant English learner student subgroup must include specific actions in the LCAP related to, at a minimum, the language acquisition programs, as defined in *EC Section 306*, provided to students and professional development activities specific to English learners.

**Actions for Foster Youth:** School districts, COEs, and charter schools that have a numerically significant Foster Youth student subgroup are encouraged to include specific actions in the LCAP designed to meet needs specific to Foster Youth students.

**Goal Analysis:**

Enter the LCAP Year

Using actual annual measurable outcome data, including data from the Dashboard, analyze whether the planned actions were effective in achieving the goal. Respond to the prompts as instructed.

- Describe the overall implementation of the actions to achieve the articulated goal. Include a discussion of relevant challenges and successes experienced with the implementation process. This must include any instance where the LEA did not implement a planned action or implemented a planned action in a manner that differs substantively from how it was described in the adopted LCAP.
- Explain material differences between Budgeted Expenditures and Estimated Actual Expenditures. Minor variances in expenditures do not need to be addressed, and a dollar-for-dollar accounting is not required.
- Describe the effectiveness of the specific actions to achieve the articulated goal as measured by the LEA. In some cases, not all actions in a goal will be intended to improve performance on all of the metrics associated with the goal. When responding to this prompt, LEAs may assess the effectiveness of a single action or group of actions within the goal in the context of performance on a single metric or group of specific metrics within the goal that are applicable to the action(s). Grouping actions with metrics will allow for more robust analysis of whether the strategy the LEA is using to impact a specified set of metrics is working and increase transparency for stakeholders. LEAs are encouraged to use such an approach when goals include multiple actions and metrics that are not closely associated.
- Describe any changes made to this goal, expected outcomes, metrics, or actions to achieve this goal as a result of this analysis and analysis of the data provided in the Dashboard or other local data, as applicable.

## **Increased or Improved Services for Foster Youth, English Learners, and Low-Income Students**

### **Purpose**

A well-written Increased or Improved Services section provides stakeholders with a comprehensive description, within a single dedicated section, of how an LEA plans to increase or improved services for its unduplicated students as compared to all students and how LEA-wide or schoolwide actions identified for this purpose meet regulatory requirements. Descriptions provided should include sufficient detail yet be sufficiently succinct to promote a broader understanding of stakeholders to facilitate their ability to provide input. An LEA's description in this section must align with the actions included in the Goals and Actions section as contributing.

### **Requirements and Instructions**

This section must be completed for each LCAP year.

When developing the LCAP in year 2 or year 3, copy the "Increased or Improved Services" section and enter the appropriate LCAP year. Using the copy of the section, complete the section as required for the relevant LCAP year. Retain all prior year sections for each of the three years within the LCAP.

**Percentage to Increase or Improve Services:** Identify the percentage by which services for unduplicated pupils must be increased or improved as compared to the services provided to all students in the LCAP year as calculated pursuant to 5 CCR Section 15496(a)(7).

**Increased Apportionment based on the enrollment of Foster Youth, English Learners, and Low-Income Students:** Specify the estimate of the amount of funds apportioned on the basis of the number and concentration of unduplicated pupils for the LCAP year.

**Required Descriptions:**

**For each action being provided to an entire school, or across the entire school district or county office of education (COE), an explanation of (1) how the needs of foster youth, English learners, and low-income students were considered first, and (2) how these actions are effective in meeting the goals for these students.**

For each action included in the Goals and Actions section as contributing to the increased or improved services requirement for unduplicated pupils and provided on an LEA-wide or schoolwide basis, the LEA must include an explanation consistent with 5 CCR Section 15496(b). For any such actions continued into the 2021–24 LCAP from the 2017–2020 LCAP, the LEA must determine whether or not the action was effective as expected, and this determination must reflect evidence of outcome data or actual implementation to date.

**Principally Directed and Effective:** An LEA demonstrates how an action is principally directed towards and effective in meeting the LEA’s goals for unduplicated students when the LEA explains how:

- It considers the needs, conditions, or circumstances of its unduplicated pupils;
- The action, or aspect(s) of the action (including, for example, its design, content, methods, or location), is based on these considerations; and
- The action is intended to help achieve an expected measurable outcome of the associated goal.

As such, the response provided in this section may rely on a needs assessment of unduplicated students.

Conclusory statements that a service will help achieve an expected outcome for the goal, without an explicit connection or further explanation as to how, are not sufficient. Further, simply stating that an LEA has a high enrollment percentage of a specific student group or groups does not meet the increase or improve services standard because enrolling students is not the same as serving students.

For example, if an LEA determines that low-income students have a significantly lower attendance rate than the attendance rate for all students, it might justify LEA-wide or schoolwide actions to address this area of need in the following way:

After assessing the needs, conditions, and circumstances of our low-income students, we learned that the attendance rate of our low-income students is 7% lower than the attendance rate for all students. (Needs, Conditions, Circumstances [Principally Directed])

In order to address this condition of our low-income students, we will develop and implement a new attendance program that is designed to address some of the major causes of absenteeism, including lack of reliable transportation and food, as well as a school

climate that does not emphasize the importance of attendance. Goal N, Actions X, Y, and Z provide additional transportation and nutritional resources as well as a districtwide educational campaign on the benefits of high attendance rates. (Contributing Action(s))

These actions are being provided on an LEA-wide basis and we expect/hope that all students with less than a 100% attendance rate will benefit. However, because of the significantly lower attendance rate of low-income students, and because the actions meet needs most associated with the chronic stresses and experiences of a socio-economically disadvantaged status, we expect that the attendance rate for our low-income students will increase significantly more than the average attendance rate of all other students. (Measurable Outcomes [Effective In])

**COEs and Charter Schools:** Describe how actions included as contributing to meeting the increased or improved services requirement on an LEA-wide basis are principally directed to and effective in meeting its goals for unduplicated pupils in the state and any local priorities as described above. In the case of COEs and charter schools, schoolwide and LEA-wide are considered to be synonymous.

## For School Districts Only:

### Actions Provided on an LEA-Wide Basis:

**Unduplicated Percentage > 55%:** For school districts with an unduplicated pupil percentage of 55% or more, describe how these actions are principally directed to and effective in meeting its goals for unduplicated pupils in the state and any local priorities as described above.

**Unduplicated Percentage < 55%:** For school districts with an unduplicated pupil percentage of less than 55%, describe how these actions are principally directed to and effective in meeting its goals for unduplicated pupils in the state and any local priorities. Also describe how the actions **are the most effective use of the funds** to meet these goals for its unduplicated pupils. Provide the basis for this determination, including any alternatives considered, supporting research, experience, or educational theory.

### Actions Provided on a Schoolwide Basis:

School Districts must identify in the description those actions being funded and provided on a schoolwide basis, and include the required description supporting the use of the funds on a schoolwide basis.

**For schools with 40% or more enrollment of unduplicated pupils:** Describe how these actions are principally directed to and effective in meeting its goals for its unduplicated pupils in the state and any local priorities.

**For school districts expending funds on a schoolwide basis at a school with less than 40% enrollment of unduplicated pupils:** Describe how these actions are principally directed to and how the actions are the most effective use of the funds to meet its goals for foster youth, English learners, and low-income students in the state and any local priorities.

**“A description of how services for foster youth, English learners, and low-income students are being increased or improved by the percentage required.”**

Consistent with the requirements of 5 CCR Section 15496, describe how services provided for unduplicated pupils are increased or improved by at least the percentage calculated as compared to the services provided for all students in the LCAP year. To improve services means to grow services in quality and to increase services means to grow services in quantity. Services are increased or improved by those actions in the LCAP that are included in the Goals and Actions section as contributing to the increased or improved services requirement. This description must address how these action(s) are expected to result in the required proportional increase or improvement in services for unduplicated pupils as compared to the services the LEA provides to all students for the relevant LCAP year.

## Expenditure Tables

Complete the Data Entry table for each action in the LCAP. The information entered into this table will automatically populate the other Expenditure Tables. All information is entered into the Data Entry table. Do not enter data into the other tables.

The following expenditure tables are required to be included in the LCAP as adopted by the local governing board or governing body:

- Table 1: Actions
- Table 2: Total Expenditures
- Table 3: Contributing Expenditures
- Table 4: Annual Update Expenditures

The Data Entry table may be included in the LCAP as adopted by the local governing board or governing body, but is not required to be included.

In the Data Entry table, provide the following information for each action in the LCAP for the relevant LCAP year:

- **Goal #:** Enter the LCAP Goal number for the action.
- **Action #:** Enter the action's number as indicated in the LCAP Goal.
- **Action Title:** Provide a title of the action.
- **Student Group(s):** Indicate the student group or groups who will be the primary beneficiary of the action by entering "All", or by entering a specific student group or groups.
- **Increased / Improved:** Type "Yes" if the action is included as contributing to meeting the increased or improved services; OR, type "No" if the action is **not** included as contributing to meeting the increased or improved services.
- If "Yes" is entered into the Contributing column, then complete the following columns:

- **Scope:** The scope of an action may be LEA-wide (i.e. districtwide, countywide, or charterwide), schoolwide, or limited. An action that is LEA-wide in scope upgrades the entire educational program of the LEA. An action that is schoolwide in scope upgrades the entire educational program of a single school. An action that is limited in its scope is an action that serves only one or more unduplicated student groups.
- **Unduplicated Student Group(s):** Regardless of scope, contributing actions serve one or more unduplicated student groups. Indicate one or more unduplicated student groups for whom services are being increased or improved as compared to what all students receive.
- **Location:** Identify the location where the action will be provided. If the action is provided to all schools within the LEA, the LEA must indicate “All Schools”. If the action is provided to specific schools within the LEA or specific grade spans only, the LEA must enter “Specific Schools” or “Specific Grade Spans”. Identify the individual school or a subset of schools or grade spans (e.g., all high schools or grades K-5), as appropriate.
- **Time Span:** Enter “ongoing” if the action will be implemented for an indeterminate period of time. Otherwise, indicate the span of time for which the action will be implemented. For example, an LEA might enter “1 Year”, or “2 Years”, or “6 Months”.
- **Personnel Expense:** This column will be automatically calculated based on information provided in the following columns:
  - **Total Personnel:** Enter the total amount of personnel expenditures utilized to implement this action.
  - **Total Non-Personnel:** This amount will be automatically calculated.
- **LCFF Funds:** Enter the total amount of LCFF funds utilized to implement this action, if any. LCFF funds include all funds that make up an LEA’s total LCFF target (i.e. base grant, grade span adjustment, supplemental grant, concentration grant, Targeted Instructional Improvement Block Grant, and Home-To-School Transportation).
- **Other State Funds:** Enter the total amount of Other State Funds utilized to implement this action, if any.
- **Local Funds:** Enter the total amount of Local Funds utilized to implement this action, if any.
- **Federal Funds:** Enter the total amount of Federal Funds utilized to implement this action, if any.
- **Total Funds:** This amount is automatically calculated based on amounts entered in the previous four columns.

## 2021-22 LCFF Budget Overview for Parents Data Input Sheet

<b>Local Educational Agency (LEA) Name:</b>	Magnolia Science Academy-2
<b>CDS Code:</b>	19-10199-0115212
<b>LEA Contact Information:</b>	Name: David Garner Position: Principal Email: dgarner@magnoliapublicschools.org Phone: (818) 758-0300
<b>Coming School Year:</b>	2021-22
<b>Current School Year:</b>	2020-21

\*NOTE: The "High Needs Students" referred to in the tables below are Unduplicated Students for LCFF funding purposes.

<b>Projected General Fund Revenue for the 2021-22 School Year</b>	<b>Amount</b>
<b>Total LCFF Funds</b>	\$5,573,189
<b>LCFF Supplemental &amp; Concentration Grants</b>	\$1,319,496
<b>All Other State Funds</b>	\$733,771
<b>All Local Funds</b>	\$30,000
<b>All federal funds</b>	\$353,555
<b>Total Projected Revenue</b>	\$6,690,515

<b>Total Budgeted Expenditures for the 2021-22 School Year</b>	<b>Amount</b>
<b>Total Budgeted General Fund Expenditures</b>	\$6,403,081
<b>Total Budgeted Expenditures in the LCAP</b>	\$6,403,081
<b>Total Budgeted Expenditures for High Needs Students in the LCAP</b>	\$1,680,651
<b>Expenditures not in the LCAP</b>	\$0

<b>Expenditures for High Needs Students in the 2020-21 School Year</b>	<b>Amount</b>
<b>Total Budgeted Expenditures for High Needs Students in the Learning Continuity Plan</b>	\$807,171.88
<b>Actual Expenditures for High Needs Students in Learning Continuity Plan</b>	\$732,293.00

<b>Funds for High Needs Students</b>	<b>Amount</b>
<b>2021-22 Difference in Projected Funds and Budgeted Expenditures</b>	\$361,155
<b>2020-21 Difference in Budgeted and Actual Expenditures</b>	-\$74,878.88

<b>Required Prompts(s)</b>	<b>Response(s)</b>
<b>Briefly describe any of the General Fund Budget Expenditures for the school year not included in the Local Control and Accountability Plan (LCAP).</b>	All general fund budget expenditures have been included in the LCAP.
<b>The total actual expenditures for actions and services to increase or improve services for high needs students in 2020-21 is less than the total budgeted</b>	As explained in the LCP analysis, the differences were due to savings by staff reassignments and using online instructional materials. The planned actions and services were fully provided to high needs students.

**expenditures for those planned actions and services. Briefly describe how this difference impacted the actions and services and the overall increased or improved services for high needs students in 2020-21.**

--

## LCFF Budget Overview for Parents

Local Educational Agency (LEA) Name: Magnolia Science Academy-2

CDS Code: 19-10199-0115212

School Year: 2021-22

LEA contact information:

David Garner

Principal

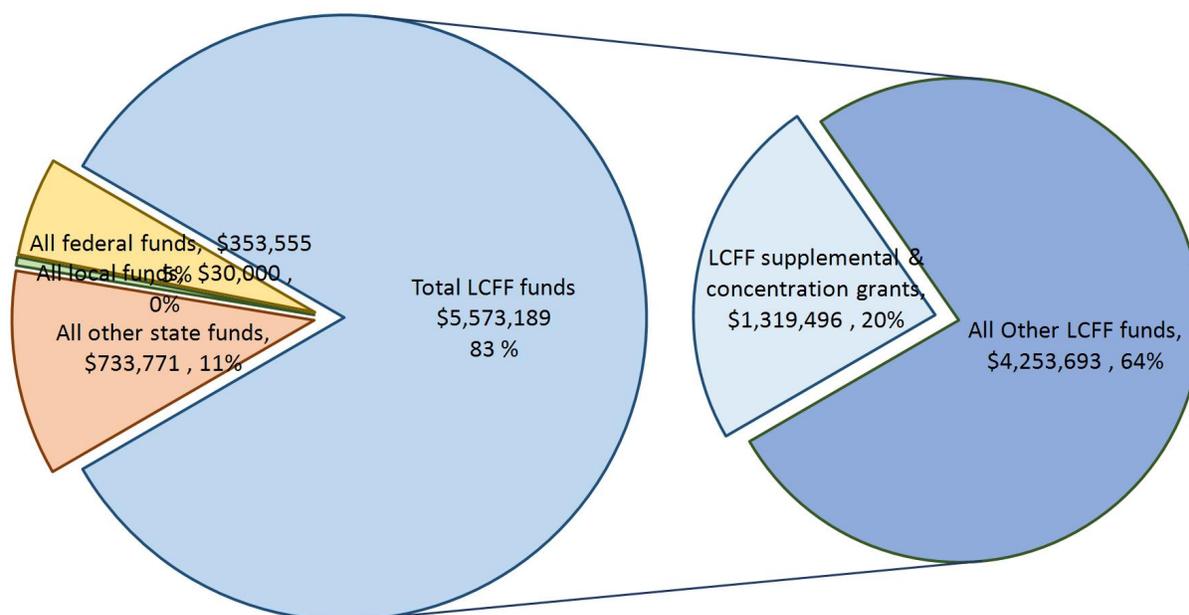

dgarner@magnoliapublicschools.org

(818) 758-0300

School districts receive funding from different sources: state funds under the Local Control Funding Formula (LCFF), other state funds, local funds, and federal funds. LCFF funds include a base level of funding for all LEAs and extra funding - called "supplemental and concentration" grants - to LEAs based on the enrollment of high needs students (foster youth, English learners, and low-income students).

### Budget Overview for the 2021-22 School Year

#### Projected Revenue by Fund Source

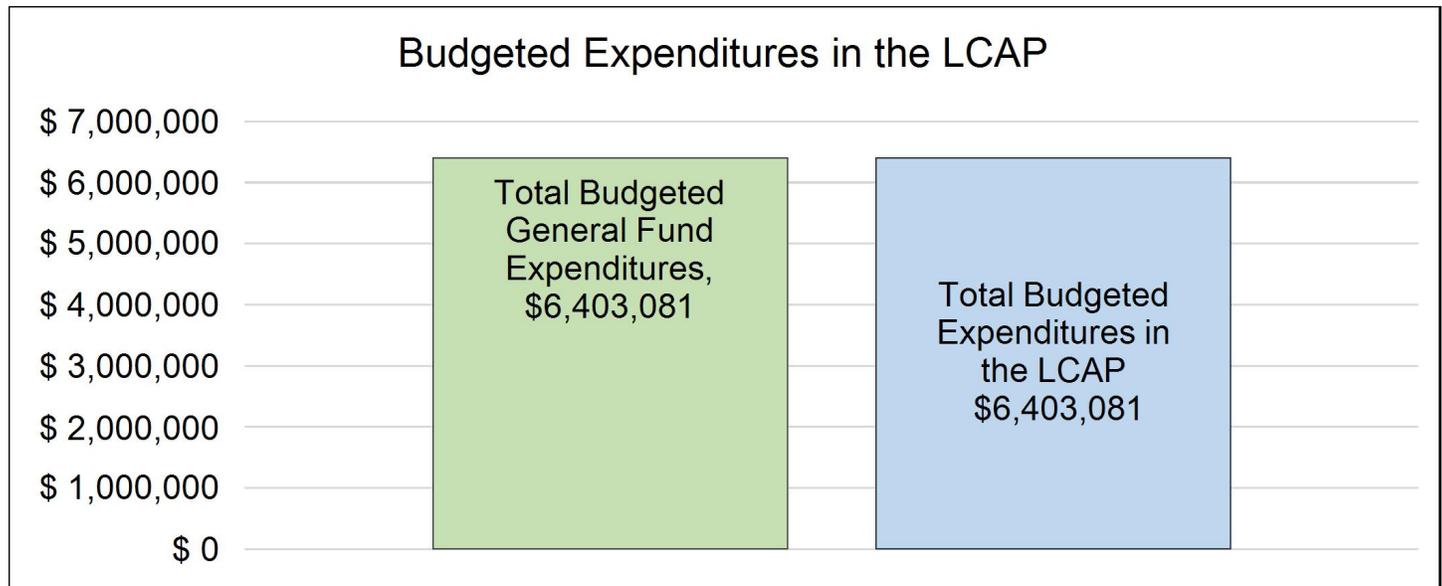

This chart shows the total general purpose revenue Magnolia Science Academy-2 expects to receive in the coming year from all sources.

The total revenue projected for Magnolia Science Academy-2 is \$6,690,515, of which \$5,573,189 is Local Control Funding Formula (LCFF), \$733,771 is other state funds, \$30,000 is local funds, and \$353,555 is

federal funds. Of the \$5,573,189 in LCFF Funds, \$1,319,496 is generated based on the enrollment of high needs students (foster youth, English learner, and low-income students).

## LCFF Budget Overview for Parents

The LCFF gives school districts more flexibility in deciding how to use state funds. In exchange, school districts must work with parents, educators, students, and the community to develop a Local Control and Accountability Plan (LCAP) that shows how they will use these funds to serve students.

This chart provides a quick summary of how much Magnolia Science Academy-2 plans to spend for 2021-22. It shows how much of the total is tied to planned actions and services in the LCAP.

Magnolia Science Academy-2 plans to spend \$6,403,081 for the 2021-22 school year. Of that amount, \$6,403,081 is tied to actions/services in the LCAP and \$0 is not included in the LCAP. The budgeted expenditures that are not included in the LCAP will be used for the following:

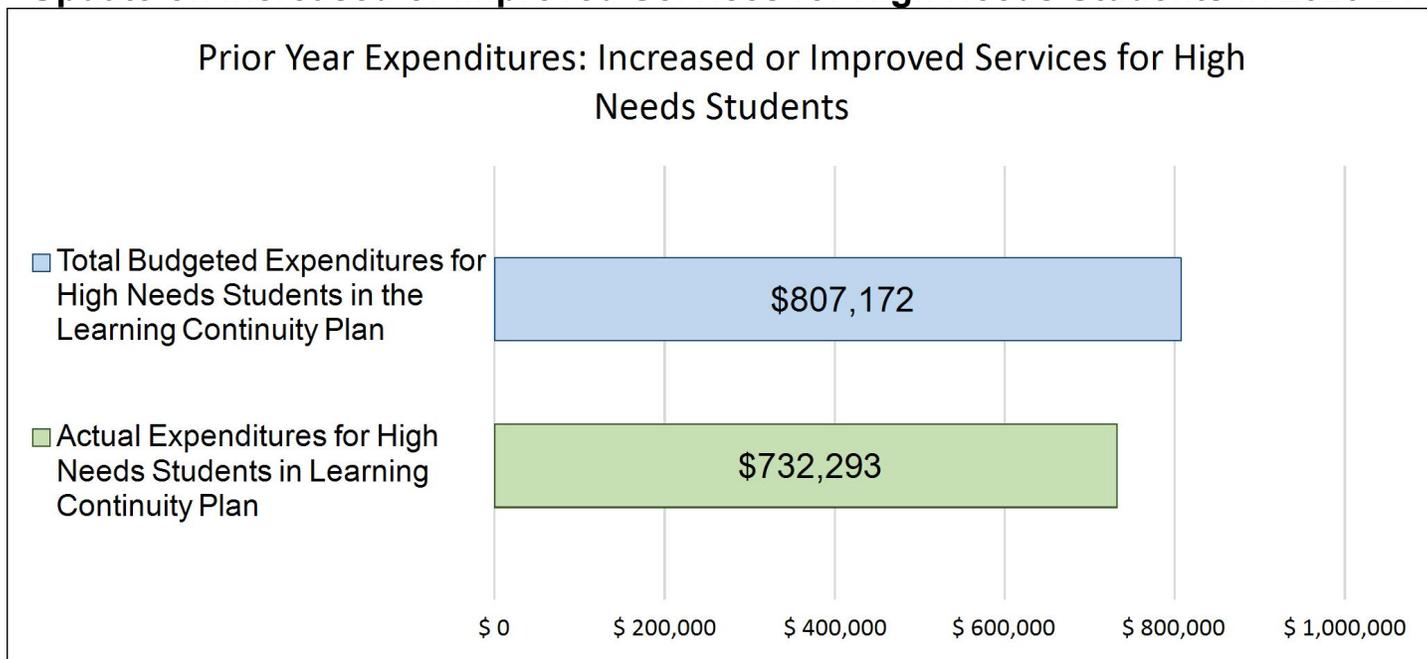

All general fund budget expenditures have been included in the LCAP.

### Increased or Improved Services for High Needs Students in the LCAP for the 2021-22 School Year

In 2021-22, Magnolia Science Academy-2 is projecting it will receive \$1,319,496 based on the enrollment of foster youth, English learner, and low-income students. Magnolia Science Academy-2 must describe how it intends to increase or improve services for high needs students in the LCAP. Magnolia Science Academy-2 plans to spend \$1,680,651 towards meeting this requirement, as described in the LCAP.

## LCFF Budget Overview for Parents

### Update on Increased or Improved Services for High Needs Students in 2020-21

This chart compares what Magnolia Science Academy-2 budgeted last year in the Learning Continuity Plan for actions and services that contribute to increasing or improving services for high needs students with what Magnolia Science Academy-2 estimates it has spent on actions and services that contribute to increasing or improving services for high needs students in the current year.

In 2020-21, Magnolia Science Academy-2's Learning Continuity Plan budgeted \$807,171.88 for planned actions to increase or improve services for high needs students. Magnolia Science Academy-2 actually spent \$732,293.00 for actions to increase or improve services for high needs students in 2020-21.

As explained in the LCP analysis, the differences were due to savings by staff reassignments and using online instructional materials. The planned actions and services were fully provided to high needs students.

# Annual Update for Developing the 2021-22 Local Control and Accountability Plan

## Annual Update for the 2019–20 Local Control and Accountability Plan Year

LEA Name	Contact Name and Title	Email and Phone
Magnolia Science Academy-2	David Garner Principal	dgarner@magnoliapublicschools.org (818) 758-0300

The following is the local educational agency's (LEA's) analysis of its goals, measurable outcomes and actions and services from the 2019-20 Local Control and Accountability Plan (LCAP).

# Goal 1

EXCELLENCE: All students will pursue academic excellence and be college/career ready.

State and/or Local Priorities addressed by this goal:

State Priorities:    Priority 1: Basic (Conditions of Learning)  
                           Priority 2: State Standards (Conditions of Learning)  
                           Priority 4: Pupil Achievement (Pupil Outcomes)  
                           Priority 8: Other Pupil Outcomes (Pupil Outcomes)

Local Priorities:    N/A

## Annual Measurable Outcomes

Expected	Actual
<p><b>Metric/Indicator</b>            Percentage of teachers who will be appropriately assigned and fully credentialed as required by law and the charter</p> <p><b>19-20</b>            100%</p> <p><b>Baseline</b>            100%</p>	<p>2019-20:            100%</p>
<p><b>Metric/Indicator</b>            Percentage of students who will have sufficient access to standards-aligned instructional materials</p> <p><b>19-20</b>            100%</p> <p><b>Baseline</b>            100%</p>	<p>2019-20:            100%</p>
<p><b>Metric/Indicator</b>            Percentage of items on facility inspection checklists in compliance/good standing</p> <p><b>19-20</b></p>	<p>2019-20:            94%</p>

Expected	Actual
<p>90%</p> <p><b>Baseline</b> 90%</p>	
<p><b>Metric/Indicator</b> Percentage of students performing proficient on the CAASPP ELA/Literacy assessments</p> <p><b>19-20</b> 2018-19 (Expected): All Students: 3 percentage points up from the prior year</p> <p>English Learners: 1 percentage points up from the prior year</p> <p>Socioeconomically Disadvantaged: 3 percentage points up from the prior year</p> <p>Students with Disabilities: 3 percentage points up from the prior year</p> <p>Hispanic: 3 percentage points up from the prior year</p> <p>White: 2 percentage points up from the prior year</p> <p><b>Baseline</b> 2016-17 (Baseline): All Students: 33%</p> <p>English Learners: 3%</p> <p>Socioeconomically Disadvantaged: 32%</p> <p>Students with Disabilities: 8%</p> <p>Hispanic: 29%</p>	<p>2018-19: All Students: 41.81% English Learners: 7.69% Socioeconomically Disadvantaged: 38.19% Students with Disabilities: 15.56% Hispanic: 38.49% White: 58.82%</p>

Expected	Actual

<p>Charter School will offer “Advisory” classes (college planning and career exploration program) and “College Readiness” classes and programs preparing students for college readiness, including test prep for ACT/SAT.</p> <p><b>For Actions/Services included as contributing to meeting the Increased or Improved Services Requirement:</b></p> <p><b>Students to be Served</b> English Learners Foster Youth Low Income</p> <p><b>Scope of Services</b> LEA-wide</p> <p><b>Locations</b> All Schools</p>	<p>\$2,000 Naviance program (5000)(Base); \$3,000 College preparation materials (4000)(Base) 4000-4999: Books And Supplies LCFF Base \$5,000</p>	<p>\$2,810 Naviance program (5000)(Base); (\$882 PSAT NMSQT Test Fee), 5000-5999: Services And Other Operating Expenditures LCFF Base \$3,692</p> <p>College preparation materials (4000)(Base): (Stanford Math: \$1,500), 4000-4999: Books And Supplies LCFF Base \$1,500</p>

## Goal Analysis

A description of how funds budgeted for Actions/Services that were not implemented were used to support students, families, teachers, and staff.

Goal 1: Action 1: Planned: \$26,000 Actual: \$11,950 The reason for the difference is that we were planning to support more teachers with their BTSA needs but ended up with less teachers needing it. These additional funds were used to support other priority areas, including Goal 1: Action 7, which spent more than initially budgeted, which had planned: \$170,000, and actual: \$180,000.

Goal 1: Action 2: Planned: \$280,000 Actual: \$136,050 The difference is due to the decision to postpone ordering new sets of textbooks for most subjects which had subscriptions that were expiring. We made the decision to instead order 1 year online subscriptions during this time.

Goal 1: Action 3: Planned: \$127,000 Actual: \$128,753. The school was closed for about three months due COVID-19 and saved on cleaning costs. In addition, we postponed a project to renovate the drinking fountains on campus through LAUSD, and instead purchased new 5 gallon water dispensers for all classrooms to support during Covid-19 as well as other needed items.

Goal 1: Action 4: Planned: \$43,000 Actual: \$33,061 The school was closed for about three months due COVID-19 and teachers attended virtual PDs instead. Also, some of the distance learning PD's which were planned to be completed by outside service providers were provided by MPS home office.

Goal 1: Action 5: Planned: \$75,000 Actual: \$32,500. Less money was spent in this area that initially planned due to not being able to offer in-person Saturday School support during Covid-19.

Goal 1: Action 6: Planned: \$4,000 Actual: \$3,389. The school was closed for about three months due COVID-19 and teachers attended virtual PDs instead.

Goal 1: Action 7: Planned: \$179,000 Actual: \$185,000. More money was spent in this area that initially planned due to additional priorities and needs during Covid-19.

Goal 1: Action 8: Planned: \$45,000 Actual: \$100,975. More money was spent in this area that initially planned due to additional priorities and needs during Covid-19, including expansion of Saturday School services for SPED, EL, and general education students who are struggling academically through distance learning during Covid-19.

Goal 1: Action 9: Planned: \$252,500 Actual: \$259,487. More money was spent in this area that initially planned due to additional priorities and needs during Covid-19.

Goal 1: Action 10: Planned: \$70,000 Actual: \$92,764. More money was spent in this area that initially planned due to additional employee benefits not originally included in budgeted amount.

Goal 1: Action 11: Planned: \$25,000 Actual: \$25,997.

Goal 1: Action 12: Planned: \$5,000 Actual: \$5,192.

A description of the successes and challenges in implementing the actions/services to achieve the goal.

As a result of the Covid-19 physical closure of MSA2 during March of 2020, MSA2 was unable to implement the previously scheduled assessments which included the NWEA MAP Spring assessment for all students, as well as the CAASPP in ELA and math. As such, we were unable to assess the ultimate annual academic growth which we typically are able to gather to reassess our academic programs and interventions during typical school years. Nonetheless, we did implement the NWEA MAP during the fall 2019 semester as a benchmark of data in ELA and math which can still be used to compare our growth from previous academic years. Further, during Covid-19, our EL testing coordinator was unable to administer the ELPAC assessment to demonstrate the actual level of growth in the acquisition of English for our English Learner student population which we typically are able to evaluate when measuring our success in meeting our goals. As such, our RFEP rates during this school year were not an accurate measurement of the work and efforts which MSA2 teachers and EL support staff implemented throughout the year. Despite students being on distance learning, additional support continued to be provided by teachers during after school tutoring, and office hours which were provided on a regular basis via Zoom to all students during Covid-19 physical closures to our campus.

## Goal 2

INNOVATION: All students will become independent, innovative scholars.

State and/or Local Priorities addressed by this goal:

State Priorities: Priority 7: Course Access (Conditions of Learning)  
Priority 8: Other Pupil Outcomes (Pupil Outcomes)

Local Priorities: N/A

### Annual Measurable Outcomes

Expected	Actual
<p><b>Metric/Indicator</b> Percentage of the programs and services outlined in the charter petition that will be provided as measured by student interest surveys for elective courses and programs, master school schedule, and class rosters</p> <p><b>19-20</b> 100%</p> <p><b>Baseline</b> 100%</p>	<p>2019-20: 100%</p>
<p><b>Metric/Indicator</b> Percentage of students who will have sufficient access to all academic and educational programs provided by the Charter School as measured by student interest surveys for elective courses and programs, master school schedule, and class rosters</p> <p><b>19-20</b> 100%</p> <p><b>Baseline</b> 100%</p>	<p>2019-20: 100%</p>
<p><b>Metric/Indicator</b></p>	<p>2019-20: 16%</p>

Expected	Actual
<p>Percentage of students enrolled in the Charter School's grades 6-8 who take the Accelerated and/or Advanced Math class and/or Advanced Math club</p> <p><b>19-20</b> 10%</p> <p><b>Baseline</b> 12%</p>	
<p><b>Metric/Indicator</b> Percentage of our graduates who will have taken a Computer/Technology class and/or experienced blended learning in their program of study</p> <p><b>19-20</b> 100%</p> <p><b>Baseline</b> 100%</p>	<p>2019-20: 100%</p>
<p><b>Metric/Indicator</b> Percentage of students who will have created or demonstrated a STEAM focused project, experiment, model or demo</p> <p><b>19-20</b> 80%</p> <p><b>Baseline</b> 80%</p>	<p>2019-20: 100%</p>

## Actions / Services

Planned Actions/Services	Budgeted Expenditures	Actual Expenditures
<p>Charter School will provide students with a broad array of courses including core subjects (English, mathematics, social sciences, and science) and electives as outlined in its charter petition. Charter School will also provide all other academic programs and services outlined in its charter petition, certain programs and services being dependent on student need and interest.</p>	<p>\$2,040,000 Teacher salaries (1000)(Base) 1000-1999: Certificated Personnel Salaries LCFF Base \$2,040,000</p>	<p>\$1,820,734 Teacher salaries (1000)(Base) 1000-1999: Certificated Personnel Salaries LCFF Base \$1,820,734</p>

## Goal Analysis

A description of how funds budgeted for Actions/Services that were not implemented were used to support students, families, teachers, and staff.

Goal 2: Action 1: Planned: \$2,865,000; Actual: \$2,673,703.09. The school's initial plan of hiring certain personnel was modified during distance learning, as the school reassigned duties to current staff members to fulfill these duties, including by creating Grade Level Coordinator positions with the existing office staff members. Also, some of the funds budgeted to this action for academic competitions, including robotics tournaments, were not spent due to changes in the available competitions during Covid-19.

Goal 2: Action 2: Planned: \$305,000; Actual: \$368,411. The school spent additional funds in this category based on the years of experience and other qualifications for these employees.

Goal 2: Action 3: Planned: \$85,000; Actual: \$93,793. The school spent additional funds in this category based on the years of experience and other qualifications for the Math Interventionist instructor.

Goal 2: Action: 4: Planned: \$288,500; Actual: 178.349. The school did not spend additional funds budgeted for this area since former sets of Chromebooks which were restored by our IT coordinator were able to be utilized during distance learning by the families during Covid-19.

Goal 2: Action: 5: Planned: \$10,000; Actual: \$2,000. The school was closed for several months due COVID-19 and our STEAM Expo as well as science fair were cancelled due to Covid-19.

A description of the successes and challenges in implementing the actions/services to achieve the goal.

MSA2 takes steps to offer classes, electives, programs, and services which are specified within our charter petition. The particular details as to which offerings are made available to students within each school year is correlated with the interest which is shared by pupils. The overall course offerings at MSA2 each academic year are specifically created with the purpose of servicing the needs of each pupil at our school. We compile recommendations for courses from students during meetings with our Dean of Academics, Assistant Principal, and College Counselor. This information is incorporated into the planning phases for selecting courses.

Additionally, MSA2 works to ensure that our 12th grade students will graduate with their A-G requirements being fulfilled so they are eligible to be accepted into the UC and CSU systems. Throughout their four years in high school, our students all receive a balanced schedule of course offerings across all areas, including the additionally rigorous opportunity to enroll in courses with our community college partners, which include Pierce College, Los Angeles Valley College, and Mission College.

Many of the academic competitions which our students had the opportunity to participate in during their end of this year were not possible during distance learning, such as VEX EDR Robotics and RAD Drones tournaments. However, we were able to still offer our students the ability to enter other competitions which were held virtually. In addition, our students were able to compete in the Math Counts competition during distance learning. Further, this year of Distance, despite the inability to participate in a STEAM Expo with our charter organization, our students still were provided with support to have the opportunity to complete virtual STEAM projects.

Our 12th and 8th grade students were able to compete in their graduation and culmination ceremonies virtually and the school also held a car parade in which cars were decorated as a manner to celebrate the students' accomplishments.

## Goal 3

CONNECTION: All students, families, staff, and other stakeholders will feel a sense of community and connectedness.

State and/or Local Priorities addressed by this goal:

State Priorities:    Priority 3: Parental Involvement (Engagement)  
                           Priority 5: Pupil Engagement (Engagement)  
                           Priority 6: School Climate (Engagement)

Local Priorities:    N/A

### Annual Measurable Outcomes

## Goal Analysis

A description of how funds budgeted for Actions/Services that were not implemented were used to support students, families, teachers, and staff.

Goal 3: Action: 1: Planned: \$10,000; Actual: \$3,900. This category did not utilize all of the funding allocated since some of the end of year events with our Parent Bridge program were not able to take place in-person, once Covid-19 closed the campus down during the last few months of the school year.

Goal 3: Action 4: Planned: \$20,000 Actual: \$9,750. MSA2 was closed for the last several months of the school year due COVID-19 and as such, staff were not able to complete additionally scheduled home visits during this time.

Goal 3: Action 5: Planned: \$192,500; Actual: \$165,319. This change in amount spent is due to the change in office manager to another individual with a different number of years of experience.

Goal 3: Action 6: Planned: \$180,000; Actual: \$100,883. This change in amount spent is due to the change in dean of students to another individual with a different number of years of experience.

Goal 3: Action 7: Planned: \$15,000; Actual: \$7,139. This category did not utilize all of the funding allocated since some of the end of year events with our professional development trainings for in-person teachers which were planned for the end of the year, once Covid-19 closed the campus down during the last few months of the school year.

A description of the successes and challenges in implementing the actions/services to achieve the goal.

MSA2 conducted important meetings with parents, staff, and students which included the SSC, ELAC, and PTF meetings throughout the duration of the academic year, including via Zoom through distance learning during Covid-19. Our parents were kept up to speed regarding their academic progress, attendance and behavior of their children by means of our Illuminate SIS, in addition to our utilization of ParentSquare as a manner to maintain open communication with parents. Academic progress report grades were distributed and printed as well as mailed to student homes each quarter, as well as end of semester official grades. During distance learning, parents were able to receive their students grades via ParentSquare private messages as well. The school continued to hold meetings with parents virtually via Zoom during the last few months of the school year once Covid-19 required the physical campus to close down.

During the first three quarters of the year, the school conducted home visits with teachers and school administrators to support students and their families. Once Covid-19 caused the school to close down, our school administration continued to conduct home visits to provide students with food, technology and to provide support for students' mental health needs.

Throughout this academic year, MSA2 maintained a high ADA, including during distance learning as a result of reassigning our office staff members to serve as Grade Level Coordinators who were each responsible to oversee student attendance reconciliation for their specifically assigned grade levels. This support helped families have an even smaller ratio of staff member to serve their child's needs, and to provide information to the school regarding any issues which were shared by the parents during this time. MSA2 maintained a low expulsion rate of 0%, as well as a suspension rate of below 0.5% during this time as well as a result of our PBIS approach to incorporating positive interventions to help redirect student misbehavior. MSA2 has continued to receive training from LACOE with its PBIS program in order to support the school's effort to improve in this area.

MSA2 incorporated our annual stakeholder surveys in order to discover areas of strength which are shared by various stakeholder groups, as well as areas which we can target to improve. During distance learning, our survey results demonstrated the feeling across students, families and staff members that MSA2 continued to service the need of our students, despite the presence of a pandemic and the multitude of obstacles which needed to be overcome during this time.

## Annual Update for the 2020–21 Learning Continuity and Attendance Plan

The following is the local educational agency's (LEA's) analysis of its 2020-21 Learning Continuity and Attendance Plan (Learning Continuity Plan).

### In-Person Instructional Offerings

#### Actions Related to In-Person Instructional Offerings

Description	Total Budgeted Funds	Estimated Actual Expenditures	Contributing
Addition of a Certified Nurses Assistant on-site 6 hours/day to provide health screenings and temperature checks for staff, students and parents/visitor	\$44,000	31,000	No
Deep Cleaning and Disinfecting of Campus	\$15,000	10,840	No
PPE, dividers, portable hand washing station, storage shed, floor printed signs for Covid, etc	\$42,000	42,000	No
PD to support reaching needs of SPED students during distance learning and hybrid learning.	\$5,655	0	No
Substitute coverage by core teachers	\$3,000	4,000	Yes
Additional SPED professional services including Edlogical, eLuma, Direct Ed, etc.	\$93,395	25,000	No

A description of any substantive differences between the planned actions and/or budgeted expenditures for in-person instruction and what was implemented and/or expended on the actions.

MSA2 budgeted the amount of: \$44,000 for our CNA; however, the actual amount of: \$31,000 took place due to the 6 hours of work which was provided to our nurse during this time. When the school was closed for several months and the campus was not accessible, there was no ability to utilize a nurse during this time.

Deep cleaning and disinfecting of campus for Deep Cleaning: \$15,000 Actual: \$10,840. When the school was closed for several months during this academic year and the campus was not accessible, there was no need to utilize additional disinfecting services during this time.

PD to support reaching needs of SPED students during distance learning and hybrid learning. Planned: \$5,655; Actual: \$0. This expenditure was reduced due to training which was provided internally by our MPS Director of SPED Services to support out SPED teachers and staff.

Additional SPED professional services including Edlogical, eLuma, Direct Ed, etc. Planned: \$93,295; Actual: \$25,000. This expenditure was reduced due to the reallocation of funds to provide additional support to SPED student via Saturday School instructional support throughout the entire academic year. This shift in resources was utilized, since our SPED population was able to receive additional support during distance learning from their teachers which they were more familiar with than via outside service providers who the students did not know. Our full time school psychologist continued to provide counseling services to our SPED students via Zoom during distance learning, as well as on campus, which also provided the students with additional support by our MSA2 internal staff member who the students already know and are familiar with.

## Analysis of In-Person Instructional Offerings

A description of the successes and challenges in implementing in-person instruction in the 2020-21 school year.

During the 2020-21 academic year, MSA2 incorporated the addition of a CNA (Certified Nurse's Assistant) who works for 6 hours each week day on campus to conduct health screenings as well to take temperatures of all individuals prior to entering campus. This additional service provides a significant support to the school during this time, since the presence of a trained individual provides more support and confidence in the safety and wellbeing of the campus. This has led to increased percentages of families opting to have their children participate in hybrid learning at MSA2 during the Spring semester.

In addition to adding a CNA this year, MSA2 has taken numerous steps to keep the school safe and clean during this academic year. Amongst such changes, MSA2 purchased two backpack spray disinfectant devices which are utilized by our two custodial workers to have a more efficient manner of disinfecting the classrooms during hybrid learning and between the different groups of students on campus. Further, MSA2 purchased plastic desk dividers for all student desks, and teacher desks to provide additional coverage to the students during this time. We also purchased thousands of masks, gloves, gallons of hand sanitizer and disinfecting wipes which are utilized to maintain a clean and safe campus. Finally, we have included signs, hand washing stations, and implemented Covid testing on campus for all students and staff members.

During distance learning, MSA2 has continued to monitor the academic performance of our students by means of utilizing the NWEA MAP assessments which are administered twice annually for all students, as well as for our intervention students who are taking Power English and Power Math during the winter semester as well. Our special populations have continued to receive on-campus support which began during the fall semester with the SPED teachers providing small group interventions on campus. Our SPED and EL students continue to receive interventions via Zoom, including with their counseling sessions which take place virtually.

## Distance Learning Program

### Actions Related to the Distance Learning Program

Description	Total Budgeted Funds	Estimated Actual Expenditures	Contributing
Purchase of sufficient WiFi Hotspots to ensure connectivity for all students at home	\$12,037	61,595	Yes
Online learning platforms and educational software to enhance learning as well as assist with mitigating learning loss through remote/distance learning and which include: Zoom, NWEA MAP, ALEKS, MyOn, etc.)	\$66,460	61,000	Yes
Purchase of online books to ensure teachers deliver high-quality instruction through remote/distance learning	\$40,000	24,257	Yes
Staff PD related to distance learning and technology integrated instruction	\$10,000	0	Yes
Salary and benefits of SPED teachers and support staff, including hiring a new instructional SPED paraprofessional to support learning loss for our highest-need student population during distance and hybrid learning	\$393,034.57	415,000	No
Salary and benefits of EL coordinator and math interventionist teachers to support learning loss during distance and hybrid learning	\$193,773.88	205,000	Yes

A description of any substantive differences between the planned actions and/or budgeted expenditures for the distance learning program and what was implemented and/or expended on the actions.

Purchase of online books to ensure teachers deliver high-quality instruction through remote/distance learning: \$40,000 Actual: \$24,257. During distance learning, more online supplemental support resources were integrated into classroom instruction as well as extensions of previous subscriptions to online textbooks which had been purchased during previous academic years, so less funds were needed in this category.

Staff PD related to distance learning and technology integrated instruction: \$10,000 Actual: \$0. During distance learning, our IT coordinator provided training to our teachers and staff related to this matter, so this expenditure was not needed.

## Analysis of the Distance Learning Program

A description of the successes and challenges in implementing each of the following elements of the distance learning program in the 2020-21 school year, as applicable: Continuity of Instruction, Access to Devices and Connectivity, Pupil Participation and Progress, Distance Learning Professional Development, Staff Roles and Responsibilities, and Support for Pupils with Unique Needs.

MSA2 provided all students with the opportunity to attend summer school to help mitigate the loss of learning which took place during this time. Students who had previously passed all of their classes were still invited to attend the program as a manner to build additional skills in English and math. In addition, students who had received failing grades during the previous academic year were invited to work on credit recovery for high school students which incorporate online learning platforms. Prior to the arrival of students for the next academic year, MSA2 provided professional development trainings to our teachers and staff in collaboration with the home office. These trainings continued to take place during the start of the school year through the weekly collaborative time which takes place through department meetings, SPED meetings, grade level meetings, EL meetings, SEL committee meetings, PBIS meetings, administrative meetings, and monthly support meeting with the central office with each MSA2 administrator. During all of these support times, the focus was provided on providing high quality instruction across distance learning to all student groups, including EL and SPED students. Teachers monitored student work via Google Classroom, and provided feedback to students as well as maintained grades in Illuminate. SPED students continued to have IEP meetings virtually during distance learning. SPED teachers and paraprofessionals continued to provide support to students via breakout rooms in Zoom, as well as through small on-campus group interventions, as well as via Saturday School and after school tutoring and office hour interventions. Additionally, attendance was monitored throughout this year by the Dean of Students in collaboration with the Grade Level Coordinators who contact parents of students who are not attending classes to help provide support resources to the student which are needed.

## Pupil Learning Loss

### Actions Related to the Pupil Learning Loss

Description	Total Budgeted Funds	Estimated Actual Expenditures	Contributing
After school program aligned to meet the needs of students during distance learning, this includes additional academic and mentoring support, extracurricular activities to expand learning and engage students and provide additional teacher stipends to support and enrich the academic program.	\$9,000	\$9,000	Yes
Summer Enrichment Program was provided virtually in July 2020 to provide additional educational opportunities in order to mitigate summer learning loss, provide enrichment activities which support Social Emotional Learning, and prepare students for their transition to middle school.	\$37,353	\$36,000	Yes
Saturday school and additional office hours will be provided to all students during the 2020-21 school year to support student learning and mitigate learning loss. Great emphasis will be made to support students within the Tier 2 and 3 intervention groups with the extended learning opportunities to close the achievement gaps.	\$31,000	\$82,350	Yes
Salary and benefits for additional computer technology teacher to support distance and hybrid learning	\$150,000	\$0	Yes

A description of any substantive differences between the planned actions and/or budgeted expenditures for addressing pupil learning loss and what was implemented and/or expended on the actions.

Goal 2: Action 4: Planned: \$150,000 Actual: \$0. MSA2 opted to reassign some of the duties which were planned to be assigned to the new computer teacher to our current IT Coordinator, including providing ongoing professional development and support to our teachers related to implementing high quality instruction via distance learning to our teachers. Some of these additional funds were allocated to increase the funds spent on Saturday School to \$82,350, which was higher than the \$31,000 budgeted for this area, as well as to increase the amount spend on hotspots to \$61,595, which is greater than the \$12,000 initially budgeted for internet hotspots to support student learning during distance learning.

## Analysis of Pupil Learning Loss

A description of the successes and challenges in addressing Pupil Learning Loss in the 2020-21 school year and an analysis of the effectiveness of the efforts to address Pupil Learning Loss to date.

During distance learning, MSA2 provided support to students related to the changes which took place as a result of students being required to access their learning by means of utilizing Chromebooks for multiple hours daily. In order to help students continue to engage with their courses, each teacher offered after school tutoring time where they could provide students with additional support related to standards to students beyond what was offered during the regular instructional time. This after school intervention time was also utilized by teachers to provide students with the opportunity to complete missing assignments, retake tests and quizzes and receive additional support. Further, teachers also provide support to students after each synchronous class session during the second half of each class period via Zoom where teachers continue to answer questions for students related to assignments during the asynchronous time.

Additionally, during distance learning, MSA2 offered weekly Saturday School support to SPED, EL and general education students for multiple hours each week across the subjects of English, math, computers, Spanish, ELD, and other courses, including by integrating online academic support tools into their classes. Teachers integrate online platforms which collect data related to standards mastered by students, including Flocabulary, ALEKS, myON, and other platforms as a manner to assess students on standards and create targeted interventions to support student learning loss mitigation. MSA2 also provided a Thanksgiving Learning Loss Mitigation Camp to support students during the extended break away from regular school.

Teachers were provided with additional technological resources to support them in providing high quality instruction to students during distance learning, including laptops, elmo projectors, headphones, microphones, and other resources. Students received weekly Social-Emotional Learning support during Advisory and SSR classes which were led by the ASB student government high school leadership members in partnership with the Dean of Students, the Director of Student Services, and the PBIS Coach, where students were provided with videos which taught weekly SEL themes from the Zones of Regulation curriculum. Suicide risk assessments were continued to be conducted during distance learning by our school psychologist and Dean of Students in order to provide additional mental health support to students in crisis as well.

## Analysis of Mental Health and Social and Emotional Well-Being

A description of the successes and challenges in monitoring and supporting mental health and social and emotional well-being in the 2020-21 school year.

Students received weekly Social-Emotional Learning support during Advisory and SSR classes which were led by the ASB student government high school leadership members in partnership with the Dean of Students, the Director of Student Services, and the PBIS Coach, where students were provided with videos which taught weekly SEL themes from the Zones of Regulation curriculum. Suicide risk assessments were continued to be conducted during distance learning by our school psychologist and Dean of Students in order to provide additional mental health support to students in crisis as well. Our full time psychologist continued to provide counseling support sessions to students in need as well as to SPED students virtually via Zoom, as well as in person. Our school conducted a SEL student survey in the winter which compiled data related to students in need, and the Dean of Students collaborated with the principal and school psychologist to provide interventions to support the students in greatest need. Our SEL committee holds weekly meetings where they plan the weekly lessons which will be taught by the ASB student government officials to the full school via videos to help teach students strategies to effectively regulate their emotions and overcome obstacles in a positive manner which is supportive of their mental health needs. We have provided 504s and assessed students for eligibility for IEPs related to social emotional challenges which have taken place. We have collaborated with the LA County Department of Mental Health in order to follow up on students who have been transported for further evaluation with the Psychiatric Mobile Response Team for psychiatric inpatient evaluations.

## Analysis of Pupil and Family Engagement and Outreach

A description of the successes and challenges in implementing pupil and family engagement and outreach in the 2020-21 school year.

Our school reassigned our office staff to serve in the positions of Grade Level Coordinators where they are responsible to oversee the students in each particular grade level. This support has been provided to the school during distance learning as a manner to increase student engagement in learning, as these staff members make daily phone calls to families of students who are absent from classes. This communication provides us with the connection with families who often share addition challenges which are taking place with students. In addition, we continue to hold weekly Coffee with the Principal meeting on Fridays to provide parents with an opportunity to share their feedback with the school related to their children, as well as to share important information with families. We also continue to hold ELAC, SSC, and PTF meetings during distance learning where priorities are discussed and voted upon for approval and support by members from various stakeholder groups. In addition, we create and distribute a monthly newsletter which holds important information from our school administration, English Language Coordinator, Grade Level Coordinators, and also provides the community with student journalist work.

## Analysis of School Nutrition

A description of the successes and challenges in providing school nutrition in the 2020-21 school year.

We continue to provide free meals to all students on our campus during distance learning on Tuesdays and Thursdays throughout the academic year from 12-3pm. Our Dean of Students also makes drops to the homes for food for families who make the request and who lack transportation on a weekly basis. In addition, food is provided to students during in-person learning days during hybrid learning.

## Additional Actions and Plan Requirements

### Additional Actions to Implement the Learning Continuity Plan

Section	Description	Total Budgeted Funds	Estimated Actual Expenditures	Contributing
Mental Health and Social and Emotional Well-Being	Additional mental health resources and services to overcome trauma.	\$5,449	0	Yes
Mental Health and Social and Emotional Well-Being	Participation in PD's to support SEL and development, including LACOE's PBIS Program 2020-21	\$4,500	4,500	Yes
Mental Health and Social and Emotional Well-Being	Purchase and training for Zones of Regulation SEL curriculum	\$700	692	Yes
Distance Learning Program (Staff Roles and Responsibilities)	Reimbursement for Essential employees for internet and phone usage during distance and hybrid learning	\$4,000	4,000	Yes
Distance Learning Program (Staff Roles and Responsibilities)	Reassignment of duties along with salary and benefits of four current staff to serve as Grade Level Coordinators for Outreach and Student Engagement for grades 6 - 12 during distance and hybrid learning	\$128,103	\$128,103	Yes
Mental Health and Social and Emotional Well-Being	Full time school psychologist to support students social-emotional needs and provide counseling services to students with IEPs	\$111,796	\$111,796	Yes

A description of any substantive differences between the planned actions and budgeted expenditures for the additional plan requirements and what was implemented and expended on the actions.

Additional mental health resources and services to overcome trauma. Planned: \$5,449; Actual: \$0. Our full time school psychologist provides mental health in-house support to students in SPED programs who have these services and also to students displaying mental health crises to provide additional support. As such, the outside resources have not been needed.

## Overall Analysis

An explanation of how lessons learned from implementing in-person and distance learning programs in 2020-21 have informed the development of goals and actions in the 2021–24 LCAP.

At MSA2, our in-person instruction has strengthened with incorporating more technologies into the classroom. For example, purchasing Chromebooks for students, hotspots for internet, and interactive panels for teaching. We have utilized our core content curriculum and integrated supplemental materials that differentiate and support all learners. Our Distance Learning program has been made easy with the purchases of Chromebooks, hotspots, and extra teaching devices like a touch screen interactive TV, cameras, and accessing our online curriculum with fidelity. Our Hybrid Learning model started in April, 2021, with all grade levels from 6 -12 grade coming to school on Mondays and Tuesdays for the purple group and on Thursdays and Fridays for the Silver group, with the rest of the days are asynchronous Distance Learning.

An explanation of how pupil learning loss continues to be assessed and addressed in the 2021–24 LCAP, especially for pupils with unique needs.

To support the learning loss of students, we at MSA2 have increased interventions from weekly after school to including Saturday invention/ tutoring opportunities. We have increased the length of our hours during summer school as well as the hours, days and amount of teacher provided each week during Saturday School, and purchased an additional supplemental curriculum supporting math, ELA, science, and social studies.

A description of any substantive differences between the description of the actions or services identified as contributing towards meeting the increased or improved services requirement and the actions or services implemented to meet the increased or improved services requirement.

In supporting our students' and stakeholders' mental and social-emotional wellbeing, we have increased our surveys and partnered with Care Solace, a counseling program that supports our students, staff members, and families. We have also incorporated the SEL curriculum and mindfulness activities for all stakeholders. Under Pupil and Family engagement outreach, we have used our PACE coordinator and increased the meeting frequency with all our stakeholders. Ensuring that their voices and school transparency are expressed. School nutrition has increased as we have been able to provide breakfast and lunches to all students. We have also used partnerships in our community to increase our monthly food bank to weekly and allowing the entire community to participate.

## Overall Analysis of the 2019-20 LCAP and the 2020-21 Learning Continuity and Attendance Plan

A description of how the analysis and reflection on student outcomes in the 2019-20 LCAP and 2020-21 Learning Continuity and Attendance Plan have informed the development of the 21-22 through 23-24 LCAP.

At MSA2, our in-person instruction has strengthened with incorporating more technologies into the classroom. For example, purchasing chrome books for students, hotspots for internet, and interactive panels for teaching. We have utilized our core content curriculum and integrated supplemental materials that differentiate and support all learners. Our Distance Learning program has been made easy with the purchases of Chromebooks, hotspots, and extra teaching devices like a touch screen interactive TV, cameras, and accessing our online curriculum with fidelity. To support the learning loss of students, we at MSA2 have increased interventions from weekly after school to including Saturday invention/ tutoring opportunities. We have increased the length of our hours during summer school, as well as increased the amount of hours, days, and teachers provided during Saturday Schools, and purchased an additional supplemental curriculum supporting math, ELA, science, and social studies. In supporting our student's and stakeholders' mental and social-emotional wellbeing, we have increased our surveys and partnered with Care Solace, a counseling program that supports our students, staff members, and families. We have also incorporated the SEL curriculum and mindfulness activities for all stakeholders. Under Pupil and Family engagement outreach, we have used our PACE coordinator and increased the meeting frequency with all our stakeholders. Ensuring that their voices and school transparency is expressed. School nutrition has increased as we have been able to provide breakfast and lunches to all students. We have also used partnerships in our community to increase our monthly food bank to weekly and allowing the entire community to participate.

## Instructions: Introduction

The Annual Update Template for the 2019-20 Local Control and Accountability Plan (LCAP) and the Annual Update for the 2020–21 Learning Continuity and Attendance Plan must be completed as part of the development of the 2021-22 LCAP. In subsequent years, the Annual Update will be completed using the LCAP template and expenditure tables adopted by the State Board of Education.

*For additional questions or technical assistance related to the completion of the LCAP template, please contact the local COE, or the California Department of Education's (CDE's) Local Agency Systems Support Office by phone at 916-319-0809 or by email at [lcff@cde.ca.gov](mailto:lcff@cde.ca.gov).*

## Instructions: Annual Update for the 2019–20 Local Control and Accountability Plan Year Annual Update

The planned goals, state and/or local priorities, expected outcomes, actions/services, and budgeted expenditures must be copied verbatim from the approved 2019-20 Local Control and Accountability Plan (LCAP). Minor typographical errors may be corrected. Duplicate the Goal, Annual Measurable Outcomes, Actions / Services and Analysis tables as needed.

For each goal in 2019-20, identify and review the actual measurable outcomes as compared to the expected annual measurable outcomes identified in 2019-20 for the goal. If an actual measurable outcome is not available due to the impact of COVID-19 provide a brief explanation of why the actual measurable outcome is not available. If an alternative metric was used to measure progress towards the goal, specify the metric used and the actual measurable outcome for that metric.

Identify the planned Actions/Services, the budgeted expenditures to implement these actions toward achieving the described goal and the actual expenditures to implement the actions/services.

### Goal Analysis

Using available state and local data and input from parents, students, teachers, and other stakeholders, respond to the prompts as instructed.

- If funds budgeted for Actions/Services that were not implemented were expended on other actions and services through the end of the school year, describe how the funds were used to support students, including low-income, English learner, or foster youth students, families, teachers and staff. This description may include a description of actions/services implemented to mitigate the impact of COVID-19 that were not part of the 2019-20 LCAP.

- Describe the overall successes and challenges in implementing the actions/services. As part of the description, specify which actions/services were not implemented due to the impact of COVID-19, as applicable. To the extent practicable, LEAs are encouraged to include a description of the overall effectiveness of the actions/services to achieve the goal.

## **Instructions: Annual Update for the 2020–21 Learning Continuity and Attendance Plan**

### **Annual Update**

The action descriptions and budgeted expenditures must be copied verbatim from the 2020-21 Learning Continuity and Attendance Plan. Minor typographical errors may be corrected.

### **Actions Related to In-Person Instructional Offerings**

- In the table, identify the planned actions and the budgeted expenditures to implement actions related to in-person instruction and the estimated actual expenditures to implement the actions. Add additional rows to the table as needed.
- Describe any substantive differences between the planned actions and/or budgeted expenditures for in-person instruction and what was implemented and/or expended on the actions, as applicable.
- Using available state and/or local data and feedback from stakeholders, including parents, students, teachers and staff, describe the successes and challenges experienced in implementing in-person instruction in the 2020-21 school year, as applicable. If in-person instruction was not provided to any students in 2020-21, please state as such.

### **Actions Related to the Distance Learning Program**

- In the table, identify the planned actions and the budgeted expenditures to implement actions related to the distance learning program and the estimated actual expenditures to implement the actions. Add additional rows to the table as needed.
- Describe any substantive differences between the planned actions and/or budgeted expenditures for the distance learning program and what was implemented and/or expended on the actions, as applicable.
- Using available state and/or local data and feedback from stakeholders, including parents, students, teachers and staff, describe the successes and challenges experienced in implementing distance learning in the 2020-21 school year in each of the following areas, as applicable:
  - Continuity of Instruction,
  - Access to Devices and Connectivity,

- Pupil Participation and Progress,
- Distance Learning Professional Development,
- Staff Roles and Responsibilities, and
- Supports for Pupils with Unique Needs, including English learners, pupils with exceptional needs served across the full continuum of placements, pupils in foster care, and pupils who are experiencing homelessness

To the extent practicable, LEAs are encouraged to include an analysis of the effectiveness of the distance learning program to date. If distance learning was not provided to any students in 2020-21, please state as such.

## **Actions Related to Pupil Learning Loss**

- In the table, identify the planned actions and the budgeted expenditures to implement actions related to addressing pupil learning loss and the estimated actual expenditures to implement the actions. Add additional rows to the table as needed.
- Describe any substantive differences between the planned actions and/or budgeted expenditures for addressing pupil learning loss and what was implemented and/or expended on the actions, as applicable.
- Using available state and/or local data and feedback from stakeholders, including parents, students, teachers and staff, describe the successes and challenges experienced in addressing Pupil Learning Loss in the 2020-21 school year, as applicable. To the extent practicable, include an analysis of the effectiveness of the efforts to address pupil learning loss, including for pupils who are English learners; low-income; foster youth; pupils with exceptional needs; and pupils who are experiencing homelessness, as applicable.

## **Analysis of Mental Health and Social and Emotional Well-Being**

- Using available state and/or local data and feedback from stakeholders, including parents, students, teachers and staff, describe the successes and challenges experienced in monitoring and supporting Mental Health and Social and Emotional Well-Being of both pupils and staff during the 2020-21 school year, as applicable.

## **Analysis of Pupil and Family Engagement and Outreach**

- Using available state and/or local data and feedback from stakeholders, including parents, students, teachers and staff, describe the successes and challenges related to pupil engagement and outreach during the 2020-21 school year, including implementing tiered reengagement strategies for pupils who were absent from distance learning and the efforts of the LEA in reaching out to pupils and their parents or guardians when pupils were not meeting compulsory education requirements or engaging in instruction, as applicable.

## **Analysis of School Nutrition**

- Using available state and/or local data and feedback from stakeholders, including parents, students, teachers and staff, describe the successes and challenges experienced in providing nutritionally adequate meals for all pupils during the 2020-21 school year, whether participating in in-person instruction or distance learning, as applicable.

## **Analysis of Additional Actions to Implement the Learning Continuity Plan**

- In the table, identify the section, the planned actions and the budgeted expenditures for the additional actions and the estimated actual expenditures to implement the actions, as applicable. Add additional rows to the table as needed.
- Describe any substantive differences between the planned actions and/or budgeted expenditures for the additional actions to implement the learning continuity plan and what was implemented and/or expended on the actions, as applicable.

## **Overall Analysis of the 2020-21 Learning Continuity and Attendance Plan**

The Overall Analysis prompts are to be responded to only once, following an analysis of the Learning Continuity and Attendance Plan.

- Provide an explanation of how the lessons learned from implementing in-person and distance learning programs in 2020-21 have informed the development of goals and actions in the 2021–24 LCAP.
  - As part of this analysis, LEAs are encouraged to consider how their ongoing response to the COVID-19 pandemic has informed the development of goals and actions in the 2021–24 LCAP, such as health and safety considerations, distance learning, monitoring and supporting mental health and social-emotional well-being and engaging pupils and families.
- Provide an explanation of how pupil learning loss continues to be assessed and addressed in the 2021–24 LCAP, especially for pupils with unique needs (including low income students, English learners, pupils with disabilities served across the full continuum of placements, pupils in foster care, and pupils who are experiencing homelessness).
- Describe any substantive differences between the actions and/or services identified as contributing towards meeting the increased or improved services requirement, pursuant to *California Code of Regulations*, Title 5 (5 CCR) Section 15496, and the actions and/or services that the LEA implemented to meet the increased or improved services requirement. If the LEA has provided a description of substantive differences to actions and/or services identified as contributing towards meeting the increased or improved services requirement within the In-Person Instruction, Distance Learning Program, Learning Loss, or Additional Actions sections of the Annual Update the LEA is not required to include those descriptions as part of this description.

## **Overall Analysis of the 2019-20 LCAP and the 2020-21 Learning Continuity and Attendance Plan**

The Overall Analysis prompt is to be responded to only once, following the analysis of both the 2019-20 LCAP and the 2020-21 Learning Continuity and Attendance Plan.

- Describe how the analysis and reflection related to student outcomes in the 2019-20 LCAP and 2020-21 Learning Continuity and Attendance Plan have informed the development of the 21-22 through 23-24 LCAP, as applicable.

California Department of Education

## Annual Update for the 2020–21 Learning Continuity and Attendance Plan Expenditure Summary

<b>Total Expenditures by Offering/Program</b>		
<b>Offering/Program</b>	<b>2020-21 Budgeted</b>	<b>2020-21 Actual</b>
<b>In-Person Instructional Offerings</b>	\$203,050.00	\$112,840.00
<b>Distance Learning Program</b>	\$715,305.45	\$766,852.00
<b>Pupil Learning Loss</b>	\$227,353.00	\$127,350.00
<b>Additional Actions and Plan Requirements</b>	\$254,548.00	\$249,091.00
<b>All Expenditures in Learning Continuity and Attendance Plan</b>	\$1,400,256.45	\$1,256,133.00

<b>Expenditures by Offering/Program (Not Contributing to Increased/Improved requirement)</b>		
<b>Offering/Program</b>	<b>2020-21 Budgeted</b>	<b>2020-21 Actual</b>
<b>In-Person Instructional Offerings</b>	\$200,050.00	\$108,840.00
<b>Distance Learning Program</b>	\$393,034.57	\$415,000.00
<b>Pupil Learning Loss</b>		
<b>Additional Actions and Plan Requirements</b>		
<b>All Expenditures in Learning Continuity and Attendance Plan</b>	\$593,084.57	\$523,840.00

<b>Expenditures by Offering/Program (Contributing to Increased/Improved requirement)</b>		
<b>Offering/Program</b>	<b>2020-21 Budgeted</b>	<b>2020-21 Actual</b>
<b>In-Person Instructional Offerings</b>	\$3,000.00	\$4,000.00
<b>Distance Learning Program</b>	\$322,270.88	\$351,852.00
<b>Pupil Learning Loss</b>	\$227,353.00	\$127,350.00
<b>Additional Actions and Plan Requirements</b>	\$254,548.00	\$249,091.00
<b>All Expenditures in Learning Continuity and Attendance Plan</b>	\$807,171.88	\$732,293.00

# Local Control Accountability Plan

The instructions for completing the Local Control and Accountability Plan (LCAP) follow the template.

Local Educational Agency (LEA) Name	Contact Name and Title	Email and Phone
Magnolia Science Academy-2	David Garner Principal	dgarner@magnoliapublicschools.org (818) 758-0300

## Plan Summary [2021-22]

### General Information

A description of the LEA, its schools, and its students.

Magnolia Science Academy-2 (MSA-2 Charter School), is a classroom-based charter school serving grades 6–12 with a curriculum emphasis on science, technology, engineering, arts and math (STEAM). Originally founded in 2008, MSA-2’s mission is to provide “a college preparatory educational program emphasizing STEAM in a safe environment that cultivates respect for self and others.”

MPS strives to graduate students who come from historically underserved neighborhoods as scientific thinkers that contribute to the global community as socially responsible and educated members of society. We offer a comprehensive learning experience designed to serve the needs of our students through effective site-based instruction, rich hands-on learning, and foundational skills presented in ways that are relevant and inspiring for our students. MSA-2 adopted the Gates Model of providing its students with a small school environment, staffed with high quality educators and dedicated professionals whose sole purpose is to educate and prepare each child for higher education. Classroom instruction at MSA-2 is supplemented by tutoring, after-school programs, Saturday school enrichment, morning school support, and school-to-university pathways.

MSA-2 currently has 468 students in grades 6-12, and mainly draws enrollment from Van Nuys, CA, and neighboring communities. The neighborhoods that MSA-2 serves are heavily immigrant with a language other than English spoken at home. A high concentration of the families MSA-2 serves face economic challenges. MSA-2 has a diverse enrollment, including 87% Hispanic / Latino, 6% Asian / Pacific Islander, 5% White, 2% Black / African American, 86% Socioeconomically Disadvantaged, 15% Special Education, and 14% English Learner population.

For additional information about the school, parents and community members should review the entire SARC or contact the school principal or the district office.

Magnolia Science Academy 2  
Address: 17125 Victory Blvd., Lake Balboa, CA, 91406-5455

Phone: 818-758-0300

Email: [dgarner@magnoliapublicschools.org](mailto:dgarner@magnoliapublicschools.org)

### Our History

Magnolia Science Academy – 2 (MSA-2) opened its doors to serve the community of Reseda in the Fall of 2008 for the grades 6th through 12th grade. In 2010, the school site moved to Lake Balboa. The school provides an academically rigorous standards-based curriculum.

### Our Mission

Magnolia Public Schools provides a college preparatory educational program emphasizing science, technology, engineering, and math (STEAM) in a safe environment that cultivates respect for self and others.

### Our Vision

Graduates of Magnolia Public Schools are scientific thinkers who contribute to the global community as socially responsible and educated members of society.

### INNOVATION

Students have the freedom to choose how and what they learn. Individualized scheduling, early identification of learning styles, personalities, interest, and career plans support students' college and career readiness. Students experience hands-on learning through robotics, computer science, and arts to promote imagination, creativity, and invention.

### CONNECTION

School communities are integrated partnerships among the school site staff, families, students, and all other stakeholders. Connection creates a safe place for all learners and stakeholders to affirm individual strengths, celebrate character, provide academic support through mentorship and internships, promote unity and better decision making through the implementation of restorative justice practices.

### EXCELLENCE

Academic Excellence is the desire to pursue knowledge and excellence and to contribute original and provocative ideas in a learning environment, in diverse settings, and as a catalyst to future academic knowledge. We foster academic excellence through project-based learning using a constructivist approach, student portfolios, assessments of and for learning and academic discourse and argumentative writing.

## Reflections: Successes

A description of successes and/or progress based on a review of the California School Dashboard (Dashboard) and local data.

MSA-2's graduation rate improved from the orange indicator color to the blue color on the California Dashboard from the 2017-18 to the 2018-19 academic years. In addition, MSA-2 has yielded a 95% graduation rate during the 2019-20 and the 2020-21 academic years. To maintain this high rate in future years, we will continue to track student diploma requirements throughout the four years. Students are able to

recover any missing credit during summer or regular terms. Students are able to take college courses on MSA2 campus or at college campus to earn dual-enrollment credits and move ahead with their requirements.

MSA-2's college career indicator on the California Dashboard improved from yellow to green from the 2017-18 to the 2018-19 academic year. To support even further growth in this area, MSA-2 launched our first cohort of early college students during the summer of 2020 where incoming 9th grade students were given the opportunity to enroll in their first college course with Los Angeles Valley College. 100% of these students passed the Counseling 020 course for 3 units with a letter grade of an A or a B. Many of these students also enrolled in and passed other college courses during their regular 9th grade academic year school year.

Also, MSA-2's suspension rate has been very low over the past two years during the 2017-18 and 2018-19 academic years, as demonstrated by our blue color on the California Dashboard. In addition, MSA-2 had 0 suspensions or expulsions during the 2020-21 academic year, and had 0.2% suspension rate during the 2019-20 academic year. This outcome has been reached by means of a collaborative partnership with the Los Angeles County Office of Education (LACOE) Positive Behavior Interventions and Supports (PBIS) program over the past four academic years, where our school administration and PBIS coach have received professional development and guidance to promote alternatives to suspensions and expulsions. In addition, our high school ASB student government leaders have supported this effort by teaching Bully Prevention courses to our middle school students during their Life Skills classes. Further, our student leaders produce PBIS weekly videos which reinforce the school's behavioral expectations while simultaneously providing students with lessons on Social Emotional Learning (SEL) with the Zones of Regulation (ZOR) curriculum.

MSA-2's chronic absenteeism rate has maintained a blue color on the California Dashboard over the past two consecutive years during 2017-18 and 2018-19. This success has taken place in collaboration with the addition of a full-time attendance clerk who works in our office to reconcile students absences, as well as to communicate with families to support issues that need addressing. In addition, MSA2 also added a full-time school psychologist during this time to support students with social-emotional needs at school in order for students to improve students' focus and engagement in school.

The English Learner Progress has also been very high, including the most recent data in this area on the California Dashboard during the 2018-19 school year which was 71.4% for the English Learner Progress Indicator. We will continue to support our English Learners in designated classes as well as in core classes, as well as by providing addition interventions during after school and Saturday small group instruction.

During our most recent implementation of the NWEA MAP assessment during the 2020-21 academic year, MSA2 students showed overall progress of 67.5% in math and 65% in ELA met their target growth from Fall to Spring. This success took place during the pandemic of Covid-19, where MSA2 offered an expanded amount of interventions for our students, including expanding the amount of weeks where Saturday School interventions were available to include the entire school year.

MSA-2 launched our first AP Computer Programming - Java course during the 2020-21 academic year where students also prepared to take the Oracle Certified Associate (OCA) exam. The success of this new pathway was elevated by having one of our students from the first year of this program be awarded the Amazon Future Engineer Scholarship of \$40,000 which was only awarded to 100 high school students in the country.

In addition, MSA2 participated in the National History Day competition during the 2020-21 academic year, and our high school students were awarded the first place prize for in the Los Angeles County Office of Education (LACOE) competition. Further, our high school students' team was selected to advance to the California State finals for their project.

During the 2019-20 academic year, MSA-2 started a REC Foundation Aerial Drones program. In February 2020, our high school students qualified for the REC Foundation Aerial Drones World Championship. The REC Foundation Aerial Drones World Championship was scheduled to be showcased at the VEX Robotics World Championships which was planned to take place from April 26-28, 2020, in Louisville, Kentucky.

The REC Foundation Aerial Drones Competition offers middle school and high school students an opportunity to get hands-on experience in STEM education in the form of an affordable, fast-paced game. Students in the program have the opportunity to learn how to safely operate a drone, work as a team, and research workforce applications of aerial robotic technology; all while having a blast. Due to the Covid-19 pandemic, the World Championship tournament was not able to take place.

During the 2018-19 academic year, MSA-2's VEX Robotics team qualified to compete in the U.S. Open Robotics Championship tournament for the second consecutive year and placed 17th in the nation out of thousands of teams. For multiple years, MSA2 has offered VEX Robotics as an elective class for high school students. Even though VEX Robotics middle school program was exclusively offered as an after school club during the previous academic year, the team still managed to achieve a tremendous success. During the 2018-19 academic year, we offered VEX Robotics as an elective class for middle school students for the first time. The impact of this change has been positive, as demonstrated by three times more school teams qualifying during the school year for the U.S. Open Robotics Championship tournament across VEX IQ and VEX EDR.

## Reflections: Identified Need

A description of any areas that need significant improvement based on a review of Dashboard and local data, including any areas of low performance and significant performance gaps among student groups on Dashboard indicators, and any steps taken to address those areas.

MSA-2 improved from math color on the California Dashboard from orange to yellow from the 2017-18 to the 2018-19 academic years. Despite this growth, we are still setting goals and taking steps to improve this performance color in math for our school. In addition, the school did not achieve a "significant" increase and MSA-2's math scores on the most recent Dashboard measure still show an average distance below the standard of 60.8 points. As such, MSA-2 is taking steps to decrease this gap, including by continuing to offer Power math classes, after school math support, Saturday School, online learning platforms to support math, and other interventions to support student growth in math across all student groups.

The math groups of socioeconomically disadvantaged, students with disabilities, and English learners are all orange for their performance indicators on the most recent Dashboard during the 2018-19 academic year for their performance in math. While English learners increased by 4.1 points in math during this same academic year, they were still 96.8 points below the standard. In addition, while students with disabilities increased by 10.5 points in math during this same academic year, they were still 119.6 points below the standard. Further,

socioeconomically disadvantaged students maintained their score by 2.9 points in math during this same academic year, and remained 65.5 points below the standard. As such, all efforts to improve the academic performance of ELA at MSA-2 must continue to include targeted interventions for these student groups.

MSA-2 is yellow in our overall ELA indicator color on the California Dashboard during the 2017-18 and 2018-19 academic years. Our growth was a significant increase in ELA during the 2018-19 academic year, where our overall score improved by 20.8 points. Despite this improvement, MSA-2's ELA scores on the most recent Dashboard measure still show an average distance below the standard of 16.6 points. As such, MSA-2 is taking steps to decrease this gap, including by continuing to offer Power English classes, after school ELA support, Saturday School, online learning platforms to support ELA, and other interventions to support student growth in ELA across all student groups.

The ELA groups of students with disabilities is orange for their performance indicators on the most recent Dashboard during the 2018-19 academic year for their performance in ELA. While students with disabilities increased by 28.7 points in ELA during this same academic year, they were still 79.9 points below the standard. As such, all efforts to improve the academic performance of ELA at MSA-2 must continue to include targeted interventions for these student groups. To support teachers and students, we will use different resources to target student needs. We will use online resources like MobyMax, Vocabulary.com, Readworks, and NewsELA to differentiate and target intervention. We will also support teachers on implementing the Study Sync curriculum to maximize student learning. We will use the interim assessments (IAB and ICA) regularly to have students practice and use the data to tailor instruction.

Under the English Language Arts indicator, the English Learner and students with disabilities subgroups have scored lower than the overall average. To support these students, the resource teachers will work with the general education teachers to identify and target the needs of any students who will benefit from accommodations. Students will be given proper settings on the SBAC test to meet their needs. Study skill programs will be given to all students to teach basic skills like test taking strategies. The English Language Development Coordinator will also work with teachers to provide strategies on how to make the curriculum accessible to these students.

## LCAP Highlights

A brief overview of the LCAP, including any key features that should be emphasized.

The Charter School LCAP committee has reviewed input from all stakeholders and available data through surveys and student performance data. Based on input and data, we have revised our existing actions/services and measurable outcomes and also planned for new ones. Some of the highlights include:

- Parents' appreciation of being involved in the decision-making process and the need for continuous parent training via activities such as Parent Bridge Education Program
- The overall satisfaction rates for students during the 2020-21 academic year increased by 5% (from 83% to 88%). Similarly, the overall satisfaction rates for families increased by 5% during the same period of time (from 93% to 99%). In addition, staff overall satisfaction rates maintained a high percent during this time of 98%. These three positive responses in stakeholder satisfaction over the past year are due to all stakeholders observing that despite the challenges faced during distance learning while Covid-19 was in

place, MSA2 continues to offer improved access to high quality instructional programs via distance learning as well as provide support to staff and families.

- Over the 2020-21 academic year, students showed an improvement by 6% in the area of Climate of Support for Academic Learning (from 76% to 82%), by 10% in the area of Knowledge and Fairness of Discipline, Rules and Norms (from 66% to 76%), and by 5% in the area of Sense of Belonging (School Connectedness) (from 63% to 68%). The highest approval rating for the student stakeholder group was for Climate of Support for Academic Learning, which was 82%. We are most proud of the students' response to the topic of Sense of Belonging (School Connectedness) which was 68% overall, with an improvement of 5% and compared with others in the Core district as 80-99%. We plan on maintaining and building upon this success by continuing to invest time in training our staff to provide high quality instructional programs which support students' social-emotional and academic needs during distance learning. Also, we will continue to offer interventions and support including Saturday School, PBIS weekly house competitions, online counseling sessions, online support for college applications, after school tutoring and clubs, and support via online resources.
- Over the 2020-21 academic year, families showed an improvement by 4% in the area of Climate of Support for Academic Learning (from 95% to 99%), by 6% in the area of Knowledge and Fairness of Discipline, Rules and Norms (from 92% to 98%), by 4% in the area of Safety (from 93% to 97%), and by 5% in the area of Sense of Belonging (School Connectedness) (from 93% to 98%). The highest approval rating for the families stakeholder group was for Climate of Support for Academic Learning, which was 99%. We are most proud of the families response to the topic of Sense of Belonging (School Connectedness) which was 98% overall, with an improvement of 5% and compared with others in the Core district as 80-99%. We plan on maintaining and building upon this success by continuing to invest time in families observing that although MSA2 was operating in full distance learning during this time, our school continued to provide opportunities for families to receive support and training during our parent bridge program on Saturdays, as well as communicating our continued high quality instructional programs which support students' social-emotional and academic needs during distance learning. We also will continue maintaining a high percentage of parent meetings and conferences via Zoom, including our Friday Coffee with the Principal meetings, Parent Teacher Conferences, PTF meetings, SSC, Title I and ELAC meetings.
- Over the 2020-21 academic year, staff showed an improvement by 2% in the area of Climate of Support for Academic Learning (from 97% to 99%), by 10% in the area of Knowledge and Fairness of Discipline, Rules and Norms (from 83% to 93%), and by 13% in the area of Safety (from 81% to 94%), as well as decreased by 2% in the area of Sense of Belonging (School Connectedness) (from 93% to 91%). The highest approval rating for the staff stakeholder group was for Climate of Support for Academic Learning, which was 99%. We are most proud of the staff response to the topic of Sense of Belonging (School Connectedness) which was 91% overall, even with a decrease of 2%, we still received a comparison with others in the Core district percentile of 80-99%. We plan on maintaining and building upon this success by continuing investing time in providing professional development opportunities to staff each week to support distance learning, as well as provide social-emotional support to staff based on collecting feedback from surveys. In addition, we will continue to host social events via Zoom with the staff, including PBIS weekly house competitions, monthly open mic events, and online games such as BINGO to build a sense of belonging and connectedness with the staff despite the distance learning taking place.
- The need to continue our improvements in designated/integrated English Learner services
- Providing counseling and positive behavior intervention support services to our students
- Continue using teacher evaluation system "TeachBoost"
- Our overall proficiency on the SBAC in ELA significantly increased by 20.8 points during the last implementation in 2018-19.

- 95% graduation rate; college bound high school students.
- We were ranked as the #3 STEM Charter in Los Angeles County Office of Education (LACOE) and the #4 school in LACOE by the US News Best High Schools Rankings in 2020
- We offer a very strong Robotics program which helps prepare students to participate in VEX Robotics competitions. Our Robotics team represented California in the 2018 VEX National Robotics Competition in Iowa, as well as made it to the US National Championship tournament during two consecutive years during the Spring 2018 and Spring 2019 terms with both our VEX IQ and VEX EDR teams.
- We made it to the World Championships for our RAD Ariel Drone program during the Spring 2020 semester.
- Classes using blended learning effectively
- The full inclusion of special education students is impactful to support student learning
- Professional development around explicit direct instruction
- Our PBIS program is helping lead to low suspensions and expulsion rates

## Comprehensive Support and Improvement

An LEA with a school or schools eligible for comprehensive support and improvement must respond to the following prompts.

### Schools Identified

A list of the schools in the LEA that are eligible for comprehensive support and improvement.

N/A

### Support for Identified Schools

A description of how the LEA has or will support its eligible schools in developing comprehensive support and improvement plans.

N/A

### Monitoring and Evaluating Effectiveness

A description of how the LEA will monitor and evaluate the plan to support student and school improvement.

N/A

# Stakeholder Engagement

A summary of the stakeholder process and how the stakeholder engagement was considered before finalizing the LCAP.

In order to promote learning and provide a more positive learning experience for our students, MSA-2 has established a culture of gathering input from parents, students, staff, community members, and other stakeholders through multiple channels including meetings, school events, surveys, home visits, newsletters, and other means of communication. To the extent possible, all stakeholders are invited to be involved in the process of school review and improvement including the development of our annual LCAP.

Information/input sessions include PAC/Parent Task Force (PTF) meetings, School Site Council (SSC) meetings, English Learner Advisory Committee (ELAC) meetings, Coffee with the Principal meetings, Board of Directors meetings, Principal meetings, and staff meetings. Parents on our PTF and SSC also serve as our parent advisory committee for LCAP. Along with ELAC, such committees provide for representation of students in need (low income, English learners, foster youth, etc.) Feedback from our parent advisory committee and ELAC provide valuable input for the new LCAP. In addition, the Charter School conducts surveys for parents, students, and staff, and the Charter School staff make home visits. These all serve as a way to inform, educate, and gather input & feedback from all critical stakeholders.

The Charter School has an approved charter petition with measurable student outcomes and methods to assess student progress and a WASC action plan for continuous school improvement. Therefore, LCAP is received by our community as a comprehensive planning tool that draws from all other school plans and addresses the state priorities and locally identified priorities.

The Charter School has held its periodical meetings this year to gather input from our stakeholders. These include PTF meetings, quarterly SSC meetings, quarterly ELAC meetings, numerous parent activities/events including weekly Coffee with the Principal meetings on Fridays, weekly staff meetings, and other stakeholder meetings. The school conducted a family, staff, and student experience survey with specific questions on the sense of safety and school connectedness, school culture and climate, and other areas of school improvement. A majority of our stakeholders participated in this survey. The Charter School staff has also made over 100 home visits during each of the past three school years and sought feedback from the parents for school improvement.

During the distance learning and hybrid learning times which took place from March 2020 until June 2021, MSA2 took numerous steps to maintain engagement of stakeholders. In particular, MSA2 reassigned our office staff to serve in the positions of Grade Level Coordinators where they were responsible to oversee the students in each particular grade level. This support was provided to the school during distance learning as a manner to increase student engagement in learning, as these staff members made daily phone calls to families of students who are absent from classes. This communication provided the school with the connection with families who often share additional challenges which were taking place with students. In addition, we continued to hold weekly Coffee with the Principal meetings on Fridays to provide parents with an opportunity to share their feedback with the school related to their children, as well as to share important information with families. We also continued to hold ELAC, SSC, and PTF meetings during distance learning where priorities are discussed and voted upon for approval and support by members from various stakeholder groups. In addition, we created and distributed a monthly newsletter which held important information from our school administration, English Language Coordinator, Grade Level Coordinators, and also provided the community with

student journalist work.

MSA2 incorporates numerous manners to solicit feedback from our various stakeholder groups, including parents/guardians, staff, and students, in order to seek input related to the setting of priorities, including the allocation of funding to achieve these desired outcomes.

Amongst these means are the below:

- Weekly Full Staff PD meetings
- Weekly Grade Level meetings
- Weekly SPED meetings
- Weekly Admin meetings
- Weekly MTSS SEL Committee meetings
- Weekly PBIS Committee meetings
- Weekly ASB Student Government meetings
- Weekly MTSS Academic Committee meetings
- Weekly MPS Academic Task Force meetings with central office
- Weekly Leadership meetings with central office
- Weekly Title I Staff meetings with ELA and math interventionists
- Weekly Office Staff meetings
- Weekly Open House meetings
- Weekly Coffee with the Principal meetings
- Monthly Dean of Academics meetings with central office
- Monthly Dean of Students meetings with central office
- Monthly Principal meetings with central office
- Biweekly Department meetings
- Weekly College Cohort meetings
- Weekly AP Teacher meetings
- ELAC meetings
- PTF meetings
- SSC meetings
- Title I meetings
- Weekly Parent Bridge for Student Achievement Foundation (PBSAF) classes
- Weekly Saturday School meetings
- Daily After School Help Desk meetings

In addition, MSA2 utilizes the following tools to disseminate information to stakeholders:

ParentSquare

Monthly newsletter

School website

Email

Phone calls / voice message

Daily After School Help Desk meetings  
 Social media  
 Google Classroom  
 Illuminate  
 Google Forms  
 Panorama Education - survey  
 Home visits

#### A summary of the feedback provided by specific stakeholder groups.

MSA2 regularly receives significant feedback from all stakeholder groups, including our Parent Advisory Committee (PAC) / Parents, our students, our staff, our School Site Council (SSC), our ELAC, and our SELPA. In particular the input from each of these stakeholder groups is systematically integrated into our school operations, programs, services, planned expenditures, and other important aspects of our educational systems.

#### Introduction:

Stakeholder voices, i.e., voices of our students, families, staff, and other school community members, play a powerful role in helping us learn how to improve our teaching, leadership, and other school practices. Surveys have been the primary means of collecting student, family, and staff voices about what we are doing great and should keep doing, and what areas for improvement are so we can continue to provide our students with the best quality education. MPS uses an online platform to provide students, families, and staff with groups of questions that measure their perceptions of teaching and learning, as well as their perceptions of school climate and safety. This feedback instrument provides teachers and school leaders with valuable data about how students see their classes, how much parents are involved, how supported staff feel and how to facilitate improvement.

#### Annual stakeholder experience survey:

MPS uses the CORE DISTRICTS survey instrument developed by WestEd for the California Department of Education as our annual stakeholder experience survey. The survey includes questions for school climate indicators which include the following four topics for students, families, and staff:

- Climate of Support for Academic Learning;
- Knowledge and Fairness of Discipline, Rules and Norms;
- Safety;
- Sense of Belonging (School Connectedness).

#### Some sample questions on the survey include:

- “This school is a supportive and inviting place for students to learn.”
- “All students are treated fairly when they break school rules.”
- “How safe do you feel when you are at school?”

- “I feel like I am part of this school.”

#### Student SEL survey:

Separate from the annual stakeholder experience survey, our “students” also take the CORE DISTRICTS Social Emotional Learning (SEL) survey in the fall and spring. The SEL survey asks questions in additional four topics which include indicators for social-emotional competencies:

- Growth Mindset;
- Self-Efficacy;
- Self-Management;
- Social Awareness.

As part of our MTSS efforts school leadership, teachers, and support staff analyze student SEL survey results in the fall to provide our students with targeted social-emotional support and then measure student responses again in the spring to measure growth, identify greatest progress and needs in order to inform our next steps.

Specific data is collected each year from students, parents/families and staff from our annual stakeholder survey conducted through Panorama Education. The below information reflects the specific results from the 2020-21 survey from these stakeholder groups for MSA2:

#### Survey Participation Rates:

During the 2020-21 academic year, the participation rate of families increased by 6.0% over the last year (from 85.8% to 91.8%) and the staff participation rates maintained 100% over the past year. These two positive aspects of stakeholder participation took place despite the shift this year toward online surveys during distance learning. The improvement in family participation rates means that MSA2 will consider using electronic surveys in the future rather than paper surveys for all families, while using grade level coordinators to follow up with each family. While the student participation rate decreased by 4.2% over the past year during the 2020-21 academic year (from 99.3% to 95.1%), MSA2 still met our target student participation rate of 95%. The decrease in student participation rate this year took place due to the additional challenges faced during distance learning to complete student surveys.

#### Overall Satisfaction Rates:

The overall satisfaction rates for students during the 2020-21 academic year increased by 5% (from 83% to 88%). Similarly, the overall satisfaction rates for families increased by 5% during the same period of time (from 93% to 99%). In addition, staff overall satisfaction rates maintained a high percent during this time of 98%. These three positive responses in stakeholder satisfaction over the past year are due to all stakeholders observing that despite the challenges faced during distance learning while Covid-19 was in place, MSA2 continues to offer improved access to high quality instructional programs via distance learning as well as provide support to staff and families.

#### Survey Findings:

Over the 2020-21 academic year, students showed an improvement in average approval rating by 6% over the past year (from 70% to 76%). These improvements took place as a result of MSA2 investing time in training our staff to provide high quality instructional programs which support students' social-emotional and academic needs during distance learning. Students also observed that although we were in full distance learning over the past year, MSA2 continued to offer interventions and support including Saturday School, PBIS weekly house competitions, online counseling sessions, online support for college applications, after school tutoring and clubs, and support via online resources.

Over the 2020-21 academic year, families showed an improvement in average approval rating by 5% over the past year (from 93% to 98%). These improvements took place as a result of MSA2 investing time in families observing that although MSA2 was operating in full distance learning during this time, our school continued to provide opportunities for families to receive support and training during our parent bridge program on Saturdays, as well as communicating our continued high quality instructional programs which support students' social-emotional and academic needs during distance learning. We also maintained a high percentage of parent meetings and conferences via Zoom, including our Friday Coffee with the Principal meetings, Parent Teacher Conferences, PTF meetings, SSC, Title I and ELAC meetings.

Over the 2020-21 academic year, staff showed an improvement in average approval rating by 5% over the past year (from 89% to 94%). The improvements in the first three areas took place as a result of MSA2 investing time in providing professional development opportunities to staff each week to support distance learning, as well as provide social-emotional support to staff based on collecting feedback from surveys. In addition, social events still took place via Zoom with the staff, including PBIS weekly house competitions, monthly open mic events, and online games such as BINGO to build a sense of belonging and connectedness with the staff despite the distance learning taking place.

#### Successes:

Over the 2020-21 academic year, students showed an improvement by 6% in the area of Climate of Support for Academic Learning (from 76% to 82%), by 10% in the area of Knowledge and Fairness of Discipline, Rules and Norms (from 66% to 76%), and by 5% in the area of Sense of Belonging (School Connectedness) (from 63% to 68%). The highest approval rating for the student stakeholder group was for Climate of Support for Academic Learning, which was 82%. We are most proud of the students' response to the topic of Sense of Belonging (School Connectedness) which was 68% overall, with an improvement of 5% and compared with others in the Core district as 80-99%. We plan on maintaining and building upon this success by continuing to invest time in training our staff to provide high quality instructional programs which support students' social-emotional and academic needs during distance learning. Also, we will continue to offer interventions and support including Saturday School, PBIS weekly house competitions, online counseling sessions, online support for college applications, after school tutoring and clubs, and support via online resources.

Over the 2020-21 academic year, families showed an improvement by 4% in the area of Climate of Support for Academic Learning (from 95% to 99%), by 6% in the area of Knowledge and Fairness of Discipline, Rules and Norms (from 92% to 98%), by 4% in the area of Safety (from 93% to 97%), and by 5% in the area of Sense of Belonging (School Connectedness) (from 93% to 98%). The highest approval rating for the families stakeholder group was for Climate of Support for Academic Learning, which was 99%. We are most proud of the families response to the topic of Sense of Belonging (School Connectedness) which was 98% overall, with an improvement of 5% and compared with others in the Core district as 80-99%. We plan on maintaining and building upon this success by continuing to invest time in families observing that although MSA2 was operating in full distance learning during this time, our school continued to provide opportunities for

families to receive support and training during our parent bridge program on Saturdays, as well as communicating our continued high quality instructional programs which support students' social-emotional and academic needs during distance learning. We also will continue maintaining a high percentage of parent meetings and conferences via Zoom, including our Friday Coffee with the Principal meetings, Parent Teacher Conferences, PTF meetings, SSC, Title I and ELAC meetings.

Over the 2020-21 academic year, staff showed an improvement by 2% in the area of Climate of Support for Academic Learning (from 97% to 99%), by 10% in the area of Knowledge and Fairness of Discipline, Rules and Norms (from 83% to 93%), and by 13% in the area of Safety (from 81% to 94%), as well as decreased by 2% in the area of Sense of Belonging (School Connectedness) (from 93% to 91%). The highest approval rating for the staff stakeholder group was for Climate of Support for Academic Learning, which was 99%. We are most proud of the staff response to the topic of Sense of Belonging (School Connectedness) which was 91% overall, even with a decrease of 2%, we still received a comparison with others in the Core district percentile of 80-99%. We plan on maintaining and building upon this success by continuing investing time in providing professional development opportunities to staff each week to support distance learning, as well as provide social-emotional support to staff based on collecting feedback from surveys. In addition, we will continue to host social events via Zoom with the staff, including PBIS weekly house competitions, monthly open mic events, and online games such as BINGO to build a sense of belonging and connectedness with the staff despite the distance learning taking place.

#### Identified Needs:

MSA2 approval rates are already high across survey topics and questions amongst students, families, and staff. However, we will continue to strive to maintain our high rates across each stakeholder group as well as across all topics included in this survey by implementing and monitoring our contemporary programs and services, as discussed in a previous response above. In addition, we will continue to seek improvement in areas of student stakeholders, since they are the lowest scoring group typically at MSA2 historically. Even though this is the case, they continue to score high in their comparison to other schools in the core district. As such, we will continue to seek feedback from students by means of ASB Student Government, PBIS house Ambassadors, PBIS coaches, and parent feedback. Specifically, student sense of belonging is the lowest topic amongst all stakeholders, but it also improved by 5% this year, and is also ranking in the top 80-99% percent when compared with all schools in the core district. For staff stakeholders, the lowest response was for sense of belonging which also was at 91% and was the top 80-99 percent when compared with all schools in the core district.

#### Free Response - Strengths:

- Based upon the free responses to this question, the below strengths are visible in the student survey for MSA2 during the 2020-21 academic year:
- Sports program
- Safe, Small School
- Good Teachers that treat everyone fairly
- Teachers are hard-working
- Handle bullying and fix problems
- Students are treated with respect

Based upon the free responses to this question, the below strengths are visible in the family survey for MSA2 during the 2020-21 academic year:

- Staff
- Teachers
- Small class and school size
- Communication with families
- Discipline procedures

Based upon the free responses to this question, the below strengths are visible in the staff survey for MSA2 during the 2020-21 academic year:

- Small size classroom; small family environment
- Staff support each other; respecting another
- Friendly and welcoming environment for all stakeholders

Based upon the free responses to this question, the below strengths are visible as patterns across all stakeholder groups, including students, families and staff for MSA2 during the 2020-21 academic year:

- Teachers support students academically and emotionally.
- Strong communication with families
- Staff support each other; respecting another
- Discipline procedures/Handle bullying and fix problems/PBIS
- Sports program/CIF
- Safe, Small School /Small size classroom; small family environment

We are most proud of the students' response to the topic of Sense of Belonging (School Connectedness) which was 68% overall, with an improvement of 5% and compared with others in the Core district as 80-99%. We plan on maintaining and building upon this success by continuing to invest time in training our staff to provide high quality instructional programs which support students' social-emotional and academic needs during distance learning. Also, we will continue to offer interventions and support including Saturday School, PBIS weekly house competitions, online counseling sessions, online support for college applications, after school tutoring and clubs, and support via online resources.

We are most proud of the families response to the topic of Sense of Belonging (School Connectedness) which was 98% overall, with an improvement of 5% and compared with others in the Core district as 80-99%. We plan on maintaining and building upon this success by continuing to invest time in families observing that although MSA2 was operating in full distance learning during this time, our school continued to provide opportunities for families to receive support and training during our parent bridge program on Saturdays, as well as communicating our continued high quality instructional programs which support students' social-emotional and academic needs during distance learning. We also will continue maintaining a high percentage of parent meetings and conferences via Zoom, including our Friday Coffee with the Principal meetings, Parent Teacher Conferences, PTF meetings, SSC, Title I and ELAC meetings.

We are most proud of the staff response to the topic of Sense of Belonging (School Connectedness) which was 91% overall, even with a decrease of 2%, we still received a comparison with others in the Core district percentile of 80-99%. We plan on maintaining and building upon this success by continuing investing time in providing professional development opportunities to staff each week to support distance learning, as well as provide social-emotional support to staff based on collecting feedback from surveys. In addition, we will continue to host social events via Zoom with the staff, including PBIS weekly house competitions, monthly open mic events, and online games such as BINGO to build a sense of belonging and connectedness with the staff despite the distance learning taking place.

#### Free Response - Areas of Growth:

Based upon the free responses to this question, the below strengths are visible in the student survey for MSA2 during the 2020-21 academic year:

- Sports program
- Safe, Small School
- Good Teachers that treat everyone fairly
- Teachers are hard-working
- Handle bullying and fix problems
- Students are treated with respect

Based upon the free responses to this question, the below strengths are visible in the family survey for MSA2 during the 2020-21 academic year:

- Staff
- Teachers
- Small class and school size
- Communication with families
- Discipline procedures

Based upon the free responses to this question, the below strengths are visible in the staff survey for MSA2 during the 2020-21 academic year:

- Small size classroom; small family environment
- Staff support each other; respecting another
- Friendly and welcoming environment for all stakeholders

Based upon the free responses to this question, the below strengths are visible as patterns across all stakeholder groups, including students, families and staff for MSA2 during the 2020-21 academic year:

- Teachers support students academically and emotionally.
- Strong communication with families
- Staff support each other; respecting another
- Discipline procedures/Handle bullying and fix problems/PBIS
- Sports program/CIF

- Safe, Small School /Small size classroom; small family environment

We are most proud of the students' response to the topic of Sense of Belonging (School Connectedness) which was 68% overall, with an improvement of 5% and compared with others in the Core district as 80-99%. We plan on maintaining and building upon this success by continuing to invest time in training our staff to provide high quality instructional programs which support students' social-emotional and academic needs during distance learning. Also, we will continue to offer interventions and support including Saturday School, PBIS weekly house competitions, online counseling sessions, online support for college applications, after school tutoring and clubs, and support via online resources.

We are most proud of the families response to the topic of Sense of Belonging (School Connectedness) which was 98% overall, with an improvement of 5% and compared with others in the Core district as 80-99%. We plan on maintaining and building upon this success by continuing to invest time in families observing that although MSA2 was operating in full distance learning during this time, our school continued to provide opportunities for families to receive support and training during our parent bridge program on Saturdays, as well as communicating our continued high quality instructional programs which support students' social-emotional and academic needs during distance learning. We also will continue maintaining a high percentage of parent meetings and conferences via Zoom, including our Friday Coffee with the Principal meetings, Parent Teacher Conferences, PTF meetings, SSC, Title I and ELAC meetings.

We are most proud of the staff response to the topic of Sense of Belonging (School Connectedness) which was 91% overall, even with a decrease of 2%, we still received a comparison with others in the Core district percentile of 80-99%. We plan on maintaining and building upon this success by continuing investing time in providing professional development opportunities to staff each week to support distance learning, as well as provide social-emotional support to staff based on collecting feedback from surveys. In addition, we will continue to host social events via Zoom with the staff, including PBIS weekly house competitions, monthly open mic events, and online games such as BINGO to build a sense of belonging and connectedness with the staff despite the distance learning taking place.

#### Free Response - Areas of Growth:

Based upon the free responses to this question, the below areas of growth are visible in the student survey for MSA2 during the 2020-21 academic year:

- Lack of certain facilities, water fountain issue
- No field
- No sports for girls
- Vending machine taking money

Based upon the free responses to this question, the below areas of growth are visible in the families survey for MSA2 during the 2020-21 academic year:

- Teacher vacancies filled by substitutes
- Entrance location
- Lunches
- \* Many parents stated no dislikes

Based upon the free responses to this question, the below areas of growth are visible in the staff survey for MSA2 during the 2020-21 academic year:

- Lack of facilities such as library and sports facilities; restrooms are not enough
- Discipline problems; no consequences are given
- Cell phone usage among students and bad language

Based upon the free responses to this question, the below areas of growth are visible as patterns across all stakeholder groups, including students, families and staff for MSA2 during the 2020-21 academic year:

- Expand sports programs to middle school students and CIF sports to girls
- Improve access to facilities (field, school entrance, staff lounge)
- Less substitutes
- Offer more student-centered clubs
- Offer better student meals
- Follow-up on having clear consequences for disruptive students (cell phone usage among students, bad language, etc)

The areas which need our close attention are improving access to sports programs and facilities, improving quality of meals, and supporting clear consequences for student discipline issues. There are no gaps in student groups revealed by the feedback, although there is a perceived gap in girls sports opportunities which is due to the need to increase promotion of existing girls sports opportunities so that all stakeholders are aware about these.

Suggestions from Stakeholders:

Based upon the free responses to this question, the below are suggestions which are visible in the student survey for MSA2 during the 2020-21 academic year:

- More choice in electives/clubs
- Sports option for girls
- Follow through with consequences
- Shade in lunch area
- More opportunity for engagement with school and others

Based upon the free responses to this question, the below are suggestions which are visible in the families survey for MSA2 during the 2020-21 academic year:

- Better food
- More sports (specifically for middle)
- Lockers for students
- Music class

Based upon the free responses to this question, the below are suggestions which are visible in the staff survey for MSA2 during the 2020-21 academic year:

- New facility; move to a different location; more space
- Clear consequences for disruptive students
- Less substitute teachers
- Hiring process takes too long when a teacher leaves

Based upon the free responses to this question, the below suggestions are visible as patterns across all stakeholder groups, including students, families and staff for MSA2 during the 2020-21 academic year:

- More sports
- Better food
- Facility improvement

Next Steps:

MSA2 will continue to build increased sports opportunities for middle and high school students by conducting a survey of the students to seek their interest in participating in various sports. In addition, MSA2 will continue to participate in CIF sports for high school, and will take steps to reserve facilities during the instructional day for PE coaches to use with their classes as an athletic conditioning time. This will increase the students' participation in sports as well as access to improved facilities to practice.

MSA2 will seek to improve the quality of menu options available to students on campus by utilizing feedback from staff, students and families. Our goal with this process is to ultimately increase the amount of students who consume food at school to gain important nutrients which are essential to remain focused in learning and maintaining physical, and social-emotional health.

MSA2 will form a facility committee with students, staff, and families as part of the committee with the goal of increasing our access to co-located facilities during the instructional day as part of PE, as well as during outside of school hours to support PBIS programs, assemblies, academic competitions, and other school culture building activities. MSA2 will meet with our co-located schools on a bi-weekly basis to plan for use of facilities.

SELPA Feedback:

Our SELPA recommended that we continue to use the LCAP to monitor the progress of our students with IEPs and 504s through our use of programs and services as well as through continuing to monitor the data involving these students and to make any adjustments to programs and services necessary to ensure the increased success of these students.

Parent Advisory Committee (PAC)/Parents, School Site Council (SSC) and ELAC:

MSA2 feedback from our parents through our PAC, as well as through multiple stakeholder groups involved with our SSC and ELAC

supported the idea that we expand services offered during our Saturday School program, as well as expand our summer school, Spring Break, Thanksgiving Break, and Winter Break services to support student learning to support English Learners, students with IEPs and 504s, socioeconomically disadvantaged students, students in need of social-emotional and mental health support, as well as general education students from all demographic backgrounds.

#### A description of the aspects of the LCAP that were influenced by specific stakeholder input.

The Charter School LCAP committee has reviewed input from all stakeholders and synthesized input to revise existing actions/services and measurable outcomes and also plan for new ones in the LCAP for the upcoming year. Some of the updates include:

- Improvements in designated/integrated English Learner services
- Expanding after school, Saturday school, and summer school opportunities
- Providing counseling and behavior support services to our students
- Continue using TeachBoost for teacher evaluations
- Increasing college preparedness by offering a college planning, dual enrollment with local colleges, and career exploration program for students early on, continue using Naviance to maintain the effectiveness of the “Advisory” programs, offering special programs to prepare students for the standardized tests, and preparing students to take more AP and/or college courses
- Continue investing in effective technology and teacher professional development in blended learning and differentiated instruction to enhance instruction in the classroom
- Expanding STEAM-based programs and activities
- Improving school facilities and the lunch program
- Continuing to improve the expansion of sports and arts programs to support our students

# Goals and Actions

## Goal

Goal #	Description
1	BASIC SERVICES FOR A HIGH-QUALITY LEARNING ENVIRONMENT: All students and staff will have access to a safe, secure, healthy, and high-quality learning and working environment. Students will receive basic services that are fundamental to academic success, including fully credentialed teachers, standards-aligned instructional materials, and appropriately maintained school facilities.

An explanation of why the LEA has developed this goal.

Providing basic services means ensuring all students have access to teachers who are fully credentialed in their subject areas, instructional materials aligned with state standards, and safe, properly maintained school facilities. Charter School will also adhere to the MPS Wellness Policy and encourage participation in school meal programs. Research shows when students are provided with these basic services, student learning outcomes increase. The MPS Home Office will provide services such as academics, accountability, operations, IT, facilities, finance and accounting, human resources, and external relations to support and hold accountable the Charter School for compliance and meeting charter goals. Charter School will implement the actions listed under this goal and use the indicated metrics to measure progress in provision of basic services to maintain a high-quality learning environment.

## Measuring and Reporting Results

Metric	Baseline	Year 1 Outcome	Year 2 Outcome	Year 3 Outcome	Desired Outcome for 2023–24
Number of misassignments of teachers of English learners, total teacher misassignments, and vacant teacher positions (Source: Local Indicator Priority 1)	2020-21: 0				2023-24: 0
Percentage of students without access to their own copies of standards-aligned instructional	2020-21: 0%				2023-24: 0%

Metric	Baseline	Year 1 Outcome	Year 2 Outcome	Year 3 Outcome	Desired Outcome for 2023–24
materials for use at school and at home (Source: Local Indicator Priority 1)					
Number of identified instances where facilities do not meet the “good repair” standard (including deficiencies and extreme deficiencies) (Source: Local Indicator Priority 1)	2020-21: 0				2022-23: 0
Teacher retention rate (Source: HRIS)	2020-21: (Spring 2020 to Fall 2020) 96.0%				2023-24: (Spring 2023 to Fall 2023) 90.0%
Teacher attendance rate (Source: HRIS)	2020-21: (As of 3/25/21) 98.0%				2023-24: 96.0%

## Actions

Action #	Title	Description	Total Funds	Contributing
1	Teacher assignments and credentials	Charter School and the MPS Human Resources team will conduct credential, background, and TB clearance reviews as part of the hiring process and at least once throughout the year to ensure all credentials are properly maintained. Charter School will support our teachers’ credentialing needs. Charter School will also annually review master schedules and teacher assignments to ensure teachers are appropriately assigned and fully credentialed in the subject area and for the students they are teaching. Charter School uses a Human Resources Information System (HRIS) to automate employee	\$24,750.00	No

Action #	Title	Description	Total Funds	Contributing
		<p>documents. MPS Home Office HR team acts as a liaison between employees and provides administrative support as needed (e.g., correspondence generation, record keeping, file maintenance, HRIS entry, etc.) The HR team also provides reports to the Board and school administrators in regards to teacher retention, performance, pay scale, vacancies, recruitment efforts, credentials, mandatory trainings, and other HR related matters.</p> <p>Expenditures associated with this action include the following: teacher credentialing expenses, recruitment expenses (sign-in bonus, livescan/fingerprinting fees, etc.), Paycom/payroll fees, retirement service fees, and performance pay.</p> <p>The following expenditures will be funded by federal Title funds: N/A</p>		
2	Instructional materials and technology	<p>Charter School will manage the acquisition, distribution, and maintenance of equipment, materials, and technology needed to meet the academic, linguistic, cultural, social-emotional, and physical requirements of students. Charter School will annually review alignment of instructional materials to standards and maintain an inventory of instructional materials and corresponding purchases of materials. Charter School will annually review budgets and plans to ensure adequate budget for instructional materials. Charter School will ensure that students have sufficient access to standards-aligned instructional materials, including technology-based resources. Charter School will provide effective access and integration of technology resources, including software and mobile devices, that ensure meaningful access to CA Content Standards aligned instructional programs.</p> <p>Expenditures associated with this action include the following: textbooks, instructional materials and supplies, teacher/classroom supplies and office materials, computers, Chromebooks, hotspots, and other technology equipment, IT manager salary and benefits, E-Rate consultancy, and basic software (Zendesk, AssetWorks, firewall, Datto, CloudReady, Zoom, GoGuardian, etc.), phone/internet, and</p>	\$426,371.08	No

Action #	Title	Description	Total Funds	Contributing
		<p>depreciation.</p> <p>The following expenditures will be funded by federal Title funds:</p> <ul style="list-style-type: none"> <li>Chromebooks: Resource: Title IV, Part A; Amount: \$8,985</li> </ul>		
3	Clean and safe facilities that support learning	<p>Charter School will strive to maintain a clean, safe, environmentally friendly, and inviting school that is worthy of our students, families, and staff and encourages successful teaching and learning. Charter School will continually improve and maintain facilities to ensure school safety, security and high quality learning and working environments. Charter School will do annual and monthly facility inspections to screen for ADA compliance and safety hazards; identified deficiencies will be quickly remedied. Daily general cleaning will maintain campus cleanliness. Maintenance and repairs will be provided by Charter School custodial staff and/or outsourced. As a STEAM focused school, we aim to operate in a sustainable and environmentally responsible manner. Charter School will develop and monitor comprehensive safety and security plans, conduct necessary safety training for all staff and continue to work with stakeholders and experts to implement emergency and risk management procedures for individuals and the site. Charter School will procure and maintain necessary safety/emergency supplies, equipment and items. Charter School will establish schedules and procedures for the supervision of students in non-classroom areas, including before and after school.</p> <p>Expenditures associated with this action include the following: facilities rent/acquisition cost, custodial staff salaries and benefits, custodial supplies, maintenance and repair services, gas/electric, security services, health and safety related expenses (PPE, nursing services, etc.), and insurance costs (workers compensation, CharterSAFE, etc.)</p> <p>The following expenditures will be funded by federal Title funds: N/A</p>	\$517,374.69	No

Action #	Title	Description	Total Funds	Contributing
4	Healthy and nutritious meals	<p>Charter School will maintain nutrition education resources and continue to focus on innovative ways to increase access to freshly prepared, nutritious foods to ensure students are well-nourished and ready to learn. Charter School will adhere to the MPS Wellness Policy guidelines on nutritious foods for all food sales and celebrations. The meal program aims to improve the diet and health of our students, help mitigate childhood obesity, model healthy eating to support the development of lifelong healthy eating patterns and support healthy choices while accommodating cultural food preferences and special dietary needs. Charter School will promote healthy food and beverage choices for all students throughout campus, as well as encourage participation in school meal programs.</p> <p>Expenditures associated with this action include the following: student meals, water, and refreshments.</p> <p>The following expenditures will be funded by federal Title funds: N/A</p>	\$8,000.00	Yes
5	Well-orchestrated Home Office support services	<p>The MPS Home Office provides services to the Charter School, supports and holds accountable the Charter School for compliance and meeting charter goals, provides best practices in curriculum and professional development, and sets up systems and processes that support academic achievement and growth, operational effectiveness, and financial sustainability. The Home Office manages business operations of schools, which reduces program and operations-related burdens of the Charter School administration and enables the Charter School to receive services at a lower cost. The services of the Home Office include, but are not limited to, academics, accountability, operations, IT, facilities, finance and accounting, human resources, and external relations. Instructional services are reflected in Goals 2-4.</p> <p>Expenditures associated with this action include the following: Home Office management fees, authorizer oversight fees, audit fees, bank fees, legal fees (YM&amp;C, etc.), and other back-office related expenses (Adaptive Insights, DataWorks, etc.)</p>	\$973,507.31	No

# Goals and Actions

## Goal

Goal #	Description
2	EXCELLENCE: All students will have equitable access to a high-quality core curricular and instructional program and make academic progress on the California Content Standards. Students will pursue academic excellence and be college/career ready.

An explanation of why the LEA has developed this goal.

Charter School desires that all our students pursue academic excellence and be college/career ready. Effective core curriculum and instruction are central to academic success. Therefore, Charter School will ensure that all students, including but not limited to, ELs, students with disabilities, socioeconomically disadvantaged/low-income students, and students achieving below grade level, have access to a high-quality core curricular and instructional program with appropriate services and support. Targeted interventions will be utilized to create a high-quality differentiated environment where students are supported to engage at their optimal levels. Charter School will also provide professional development to staff to promote a cycle of continuous improvement, as well as supports for high quality delivery of the program that enables differentiation, particularly for unduplicated students and students with exceptional needs. Charter School will implement the actions listed under this goal and use the indicated metrics, such as CAASPP assessment results, to measure progress in achievement of academic excellence and college/career readiness.

## Measuring and Reporting Results

Metric	Baseline	Year 1 Outcome	Year 2 Outcome	Year 3 Outcome	Desired Outcome for 2023–24
Percentage of programs and services outlined in the charter petition, including a broad course of study, that are developed and provided to students, certain programs and services being dependent on student need and interest (Source: Local	2020-21: 95%				2023-24: 100%

Metric	Baseline	Year 1 Outcome	Year 2 Outcome	Year 3 Outcome	Desired Outcome for 2023–24
Indicator Priority 7, SIS)					
Percentage of students who have sufficient access to all programs and services developed and provided to unduplicated students and to individuals with exceptional needs (Source: Local Indicator Priority 7, SIS)	2020-21: 100%				2023-24: 100%
Percentage of state standards implementation for all students (Source: Local Indicator Priority 2)	2020-21: 100%				2023-24: 100%
Percentage of completion of the formal and informal classroom observations by the school administration based on one formal and four informal observations per teacher per year (Source: TeachBoost)	2020-21: (As of 5/7/21) 91%				2023-24: 100%
Percentage of students who have received a grade of “C” or better (or	2020-21: (First semester) 73%				2023-24: 80%

## Actions

Action #	Title	Description	Total Funds	Contributing
1	Broad course of study and standards-based curriculum	<p>Charter School will provide students with a broad array of courses including core subjects (English, mathematics, social sciences, and science) and electives. Charter School will also provide all other academic programs and services outlined in its charter petition, certain programs and services being dependent on student need and interest. Charter School will design its master schedule to meet the needs of its students to ensure all academic content areas are available to all students, including student groups. All students will participate in a rigorous, relevant, and coherent standards-based curriculum that supports the achievement of the schoolwide learner outcomes, academic standards, and college- and career-readiness standards. The school will be appropriately staffed to implement the school master schedule.</p> <p>Expenditures associated with this action include the following: teacher salaries and benefits, principal salary and benefits, and substitute teacher expenses.</p> <p>The following expenditures will be funded by federal Title funds:</p> <ul style="list-style-type: none"> <li>Teacher salary and benefits: \$118,815.04</li> </ul>	\$1,881,128.31	No
2	Professional development for high-quality instruction	Professional development will occur at the MPS organizational level and within the school. Charter School will ensure curricula, instruction, and assessments are aligned to the standards and that teachers participate in professional development on the implementation of standards (CCSS, NGSS, etc.) In addition to ongoing professional	\$60,202.00	Yes

Action #	Title	Description	Total Funds	Contributing
		<p>development activities that support efforts to increase student academic performance, all staff will be provided with multiple opportunities to grow professionally through induction processes, regular collaboration with colleagues, and curricular support. This involves instructional leadership, common walkthrough protocols, and professional feedback to promote a cycle of continuous improvement, as well as supports for high quality delivery of the program that enables differentiation, particularly for unduplicated students and students with exceptional needs. Instructional leaders at the school and at the Home Office will assess staff professional development needs through formal and informal performance observation, surveys, and student performance data. Based on the data, combined with LCAP goals and the MPS Home Office high quality instruction guidelines, the instructional leaders will determine common staff development days and tailor staff development to individual staff needs.</p> <p>Expenditures associated with this action include the following: professional development, tuition reimbursement, and TeachBoost software fees.</p> <p>The following expenditures will be funded by federal Title funds:</p> <ul style="list-style-type: none"> <li>Tuition reimbursement for professional development: Resource: Title II, Part A; Amount: \$23,202</li> </ul>		
3	MTSS - Academic enrichment, intervention, and student support	<p>Charter School will implement MTSS as a systemic, continuous improvement framework in which data-based problem-solving and decision making is practiced across all levels of the educational system for supporting students. Charter School will synthesize CAASPP and MAP student achievement and growth data, as well as course grades, and other state and internal assessment scores, into reports and regularly review progress towards targets. Targeted interventions will be utilized to create a high-quality differentiated environment where students are supported to engage at their optimal levels. Charter School will provide additional supports and interventions to all students, including but not limited to, 1-1 or small</p>	\$653,346.02	Yes

4	Designated and integrated ELD programs	<p>Charter School will provide services to ELs by proficiency level and provide ELD instruction aligned to the CA ELD standards and framework. Charter School will provide our ELs with core and supplemental ELD instructional materials and provide our teachers with PD focused on ELD standards. Our EL coordinator will monitor EL student progress in program implementation according to our EL Master Plan. Charter School teachers will provide instruction using designated and integrated ELD instructional strategies as outlined in the CHATS framework (and other research-based strategies such as SDAIE) to all students, including ELs. Charter School will provide culturally and linguistically relevant materials for students. ELs will receive further in-class instructional support which includes one-on-one teacher support and small group instruction. Charter School will strive to provide bilingual instructional assistants to provide primary language support to enable students to access content area instruction while gaining language proficiency. Charter School will ensure that teachers participate in PD on ELD instructional strategies and CHATS framework. Charter School will provide regular and timely communication with families of EL students regarding annual assessments, program supports and services, and students' progress toward reclassification. This notification will include, but is not limited to, annual parent notification letters, quarterly ELAC meetings, and parent-teacher conferences.</p> <p>Expenditures associated with this action include the following: EL coordinator salary and benefits, EL coordinator stipend, EL instructional aide salary and benefits, and Rosetta Stone program fees.</p> <p>The following expenditures will be funded by federal Title funds:</p> <ul style="list-style-type: none"> <li>Rosetta Stone program fees: Resource: Title I, Part A; Amount: \$1,000</li> </ul>	\$1,000.00	Yes

Action #	Title	Description	Total Funds	Contributing
5	Support for students with disabilities	<p>Students with disabilities will receive services and supports as listed in their Individualized Education Programs (IEPs) (in addition to services they receive pertinent to low income, foster youth and English learner designations) in order to improve outcomes and close the achievement gap, including graduation rate and performance on statewide assessments. Students with disabilities will have access to all additional intervention and student support systems as outlined in Goal 2: Actions 3 and 4, as well as access to push-in and pull-out services, instructional aides, learning center services, and contracted services to provide each scholar with a Free and Appropriate Public Education in their least restrictive and most accessible learning environment. Students with disabilities dually identified as EL will have ELD goals in their IEPs in addition to goals addressing their specific areas of need based on their eligibility. Our SPED, EL, and general education teams will work in collaboration, monitor our scholars' progress toward IEP goal mastery, and provide progress reports to parents. In addition, all IEPs will be reviewed and present levels will be updated during annual and triennial reviews as required by the IDEA.</p> <p>Expenditures associated with this action include the following: SPED coordinator and teacher salaries and benefits, paraprofessional salaries and benefits, school psychologist salary and benefits, SPED intern salaries and benefits, outsourced SPED services fees, and SPED instructional materials and technology.</p> <p>The following expenditures will be funded by federal Title funds: N/A</p>	\$666,517.38	No

## Goal Analysis [2021-22]

An analysis of how this goal was carried out in the previous year.

Analysis of the 2021-22 goals will occur during the 2022-23 update cycle.

An explanation of material differences between Budgeted Expenditures and Estimated Actual Expenditures.

Analysis of the 2021-22 goals will occur during the 2022-23 update cycle.

An explanation of how effective the specific actions were in making progress toward the goal.

Analysis of the 2021-22 goals will occur during the 2022-23 update cycle.

A description of any changes made to the planned goal, metrics, desired outcomes, or actions for the coming year that resulted from reflections on prior practice.

Analysis of the 2021-22 goals will occur during the 2022-23 update cycle.

**A report of the Estimated Actual Expenditures for last year's actions may be found in the Annual Update Expenditures Table.**

# Goals and Actions

## Goal

Goal #	Description
3	INNOVATION: All students will have access to a well-rounded education that supports their readiness for college and the global world. Each student will become an independent, innovative scholar by practicing creativity in learning and using technology in transformative ways.

An explanation of why the LEA has developed this goal.

It is the Charter School's vision that our graduates are well-rounded critical thinkers and problem solvers who contribute to the global community. A significant step toward helping our students achieve their maximum potential involves providing a rigorous, relevant and college preparatory curriculum with a STEAM emphasis. Therefore, we will design educational experiences to meet the needs of our scholars with an emphasis on innovation and critical thinking. Charter School will also promote the benefits of a physically active lifestyle and will help students develop skills to engage in lifelong healthy habits, as well as incorporate essential health education concepts to our physical education program. In an effort to provide well-rounded education to our students, Charter School will strive to offer additional programs such as elective courses, arts, music, civics, languages other than English, clubs, etc. Charter School will implement the actions listed under this goal and use the indicated metrics to measure progress in provision of an innovative, well-rounded education that supports student readiness for college and the global world.

## Measuring and Reporting Results

Metric	Baseline	Year 1 Outcome	Year 2 Outcome	Year 3 Outcome	Desired Outcome for 2023–24
Percentage of students in the current year College Career Indicator (CCI) who earned Prepared on the CCI (Source: CA School Dashboard)	2018-19: 55.0%				2021-22: 70.0%
Percentage of students in Grade 11 meeting or exceeding standard on the CAASPP-ELA/Literacy	2018-19: 75.68%				2021-22: 78.00%

Metric	Baseline	Year 1 Outcome	Year 2 Outcome	Year 3 Outcome	Desired Outcome for 2023–24
assessments (Source: CDE DataQuest)					
Percentage of students in Grade 11 meeting or exceeding standard on the CAASPP-Mathematics assessments (Source: CDE DataQuest)	2018-19: 24.32%				2021-22: 35.00%
Percentage of all AP exam takers in the current year with a score of 3 or higher (Source: College Board)	2019-20: 61.2%				2022-23: 65.0%
Percentage of seniors who have passed an AP exam with a score of 3 or higher during their high school years (Source: College Board)	2019-20: 36.1%				2022-23: 50.0%
Percentage of seniors who completed at least one semester of college coursework with a grade of C minus or better in academic/CTE subjects where college credit is awarded (Source: SIS)	2020-21: (As of 5/16/21) 57.5%				2023-24: 60.0%

Metric	Baseline	Year 1 Outcome	Year 2 Outcome	Year 3 Outcome	Desired Outcome for 2023–24
Percentage of cohort graduates meeting UC/CSU requirements (Source: CALPADS, CDE DataQuest)	2019-20: 92.1%				2022-23: 95.0%
Percentage of cohort graduates earning a Seal of Biliteracy (Source: CDE DataQuest)	2020-21: (As of 5/16/21) 29.3%				2023-24: 30.0%
Percentage of cohort graduates earning a Golden State Seal Merit Diploma (Source: CDE DataQuest)	2020-21: (As of 5/16/21) 31.7%				2023-24: 30.0%
Percentage of cohort graduates earning an Advanced or Honors MPS Diploma (Source: SIS)	2020-21: (As of 5/16/21) 58.5%				2023-24: 50.0%
Percentage of high school completers accepted to a 4-year or 2-year college (Source: Naviance)	2020-21: (As of 5/16/21) 95.0%				2023-24: 100.0%
Percentage of high school completers accepted to a 4-year college (Source: Naviance)	2020-21: (As of 5/16/21) 71.0%				2023-24: 70.0%
College-Going Rate (Source: CDE DataQuest)	Class of 2018: 55.6%				Class of 2021: 70.0%

Metric	Baseline	Year 1 Outcome	Year 2 Outcome	Year 3 Outcome	Desired Outcome for 2023–24
Percentage of students enrolled in an Accelerated and/or Advanced Math course and/or Advanced Math club (Source: Local Indicator Priority 7, SIS)	2020-21: (As of 4/16/21) 20%				2023-24: 20%
Percentage of students in the current graduating class who have taken a Computer/Technology course and/or experienced blended learning in their program of study (Source: Local Indicator Priority 7, SIS)	2020-21: (As of 4/16/21) 100%				2023-24: 100%
Percentage of students who have created or demonstrated a STEAM focused project, experiment, model or demo in the current year (Source: Local Indicator Priority 7, SIS)	2020-21: (As of 4/16/21) 100%				2023-24: 100%

## Actions

Action #	Title	Description	Total Funds	Contributing
1	College/Career readiness programs and activities	<p>Charter School will offer individual graduation plans, outlining the classes students will take during their high school years. Students will be provided credit recovery opportunities and individualized support to ensure timely high school graduation. Charter School will offer Advisory and College Readiness classes and activities to support our students in the areas, including, but not limited to, college planning and career exploration, test prep for ACT/SAT, college application and financial aid submission. Charter School will provide students with opportunities to take Advanced Placement (AP) courses based on student needs and interests. Charter School will promote a college-going culture through dual and concurrent enrollment, AP courses, college visits, college/career days, and other college related activities. Charter School will also explore CTE options to provide students with opportunities to explore a career theme of interest while learning a set of technical and employability skills that integrate into or complement their academic studies.</p> <p>Expenditures associated with this action include the following: college counselor salary and benefits, AP teacher stipends, Naviance program fees, AP exam fees, AP course materials, and other college-related materials and activities.</p> <p>The following expenditures will be funded by federal Title funds:</p> <ul style="list-style-type: none"> <li>• Naviance program fees: Resource: Title I; Amount: \$4,000</li> </ul>	\$114,388.53	Yes
2	STEAM and GATE programs	<p>Charter School will offer STEAM and GATE programs and activities, including Accelerated/Advanced Math course and club. Students will be provided opportunities during the day and after school to create or demonstrate a STEAM focused project, experiment, model or demo. We will also provide information and access to quality out-of-school STEAM activities and achievements. With CA Science Framework and NGSS integration, all our students will learn about engineering design, technology, and applications of science as part of their core classes. Furthermore, Charter School will design and implement engineering-related courses and activities, such as AP Computer Science Principles, Code.org activities, Project Lead the Way (PLTW)</p>	\$4,490.00	Yes

Action #	Title	Description	Total Funds	Contributing
		<p>programs, Robotics, etc. Gifted and talented students and students achieving above grade level will be engaged in all classes as teachers differentiate curriculum through adjustments of content through depth, complexity, and pacing. Emphasis will be on innovation, critical thinking, and logical reasoning. Learners will be challenged to investigate, use problem-based learning, and research.</p> <p>Expenditures associated with this action include the following: supplemental science program fees.</p> <p>The following expenditures will be funded by federal Title funds:</p> <ul style="list-style-type: none"> <li>• Educational Software (Oracle Certified, Generation Genius): Resource: Title IV, Part A; Amount: \$2,490</li> <li>• Educational Software (Gizmo): Resource: Title I; Amount: \$2,000</li> </ul>		
3	Digital literacy and citizenship programs	<p>Charter School will educate our students and staff in digital literacy so that they adapt, create, consume, and connect in productive, responsible ways to utilize technology in academic, social, and professional settings. Charter School will offer Computer/Digital Literacy classes and/or blended learning experiences for our students. Teachers will participate in PD on Blended Learning and technology will be kept up to date. Students will be provided with opportunities to expand their literacy, computational, and communication skills with digital media; they will be writing advanced essays, conducting internet research, engaging in data collection, presenting ideas and drawing conclusions. Charter School staff will teach and model safe, savvy, and social digital citizenship; topics include, but are not limited to, using technology applications; digital footprint, privacy, and security; digital rights and responsibilities; using social media responsibly and digital etiquette.</p> <p>Expenditures associated with this action include the following: computer teacher salary and benefits, internet security program fees, and digital literacy and citizenship program fees.</p>	\$108,642.15	Yes

Action #	Title	Description	Total Funds	Contributing
		The following expenditures will be funded by federal Title funds: N/A		
4	Physical education, activity, and fitness	<p>Charter School will provide students with physical education, using an age-appropriate, sequential PE curriculum consistent with state standards for PE. The curriculum will promote the benefits of a physically active lifestyle and will help students develop skills to engage in lifelong healthy habits, as well as incorporate essential health education concepts. Charter School will offer recess before lunch and students will be provided with periodic opportunities to be active or to stretch throughout the day on all or most days during a typical school week. To the extent practicable, Charter School will ensure that its grounds and facilities are safe, and that equipment is available to students to be active. Charter School will offer opportunities for students to participate in physical activity either before and/or after the school day (or both) through a variety of methods such as physical activity/sports clubs, intramurals or interscholastic sports, etc. Charter School will adhere to the MPS Wellness Policy guidelines on physical education, activity, and fitness.</p> <p>Expenditures associated with this action include the following: PE/Health teacher salary and benefits and physical activity, fitness, and equipment expenses.</p> <p>The following expenditures will be funded by federal Title funds: N/A</p>	\$111,541.10	Yes
5	Additional programs and activities that support well-rounded education	<p>In an effort to provide well-rounded education to our students, Charter School will strive to offer additional programs such as elective courses, arts, music, civics, languages other than English, clubs, etc. Arts instruction focuses on developing students' creativity, imagination, discipline and self-expression through drawing and fine arts. It is important that all our students, particularly unduplicated students, are provided with experiential learning opportunities, including but not limited to, instructional field trips, internships,</p>	\$230,923.75	Yes

Action #	Title	Description	Total Funds	Contributing
		<p>community service programs, clubs, etc. Charter School teachers and other staff will offer after school clubs for enrichment in the areas of, including, but not limited to, math, science, technology, engineering, ELA, languages other than English and culture, sports, visual and performing arts, community service, and others.</p> <p>Expenditures associated with this action include the following: teacher salaries and benefits for additional programs that support well-rounded education, supplemental materials, field trip expenses, and afterschool/club expenses.</p> <p>The following expenditures will be funded by federal Title funds: N/A</p>

## Goals and Actions

### Goal

Goal #	Description
4	CONNECTION: All students, families, staff, and other stakeholders will have access to meaningful engagement opportunities that help cultivate leadership, advocacy, and collaboration in a safe and nurturing environment. Stakeholders will feel a sense of community and connectedness.

An explanation of why the LEA has developed this goal.

School communities are integrated partnerships with the school site staff, families, students and all other stakeholders. This sense of connection creates a safe place for all learners and stakeholders to affirm individual strengths, develop capacity, celebrate character, build trusting and respectful relationships, promote unity and better decision making. Additionally, community cultivates identity and gives each member a sense of belonging and pride. Charter School will seek family input for decision making, utilize home visits and stakeholder surveys, and provide academic and social-emotional support through MTSS/PBIS. We will work with community partners to support the vision and goals of the school, including our students' development of personal and academic networks for long-term resilience and connection. Charter School will implement the actions listed under this goal and use the indicated metrics to measure progress in sustaining a sense of community and connectedness.

### Measuring and Reporting Results

Metric	Baseline	Year 1 Outcome	Year 2 Outcome	Year 3 Outcome	Desired Outcome for 2023–24
Number of School Site Council (SSC) meetings per year (Source: Local Indicator Priority 3)	2020-21: (As of 5/16/21) 4				2023-24: 4
Number of English Learner Advisory Committee (ELAC) meetings per year (Source: Local Indicator Priority 3)	2020-21: (As of 5/16/21) 3				2023-24: 4
Number of Parent Advisory Committee	2020-21: (As of 5/16/21)				2023-24: 4

Metric	Baseline	Year 1 Outcome	Year 2 Outcome	Year 3 Outcome	Desired Outcome for 2023–24
(PAC) meetings per year (Source: Local Indicator Priority 3)	32

Student retention rate (Source: SIS)	2020-21: (Spring 2020 to Fall 2020) 85%				2023-24: (Spring 2023 to Fall 2023) 85%

## Actions

Action #	Title	Description	Total Funds	Contributing
1	Seeking family input for decision making	<p>Charter School will hold periodic meetings to gather input from our families. Information/input sessions include Parent Advisory Committee (PAC) meetings, Parent Task Force (PTF) meetings, School Site Council (SSC) meetings, English Learner Advisory Committee (ELAC) meetings, Coffee with the Principal meetings, and Board of Directors meetings. Parents on our PTF and SSC also serve as our Parent Advisory Committee (PAC) for LCAP. Along with ELAC, such committees provide for representation of students in need (low income, English learners, foster youth, etc.) Feedback from our PAC, SSC, and ELAC provides valuable input for the LCAP. Charter School chooses to utilize the LCAP to serve as the SPSA. Charter School will also hold an annual meeting to inform parents and collect feedback about LCAP goals and actions, data and needs assessment, Title-funded activities and budgets, UCP, parent involvement policy and school-student-parent compact. In addition, Charter School will conduct parent surveys to seek feedback on school improvement.</p> <p>Expenditures associated with this action include the following: parent meeting expenses and Document Tracking Services (DTS) fees.</p> <p>The following expenditures will be funded by federal Title funds: N/A</p>		Yes
2	Building partnerships with families for student outcomes	<p>Charter School will build trusting and respectful relationships with parents through activities/events, including Student/Parent Orientation, Back to School Night, and parent conferences to promote parental participation in programs. Administrators will greet all students and parents in the mornings during student drop off and have an open-door policy welcoming all parents. Charter School will provide parents with access to course materials, homework assignments, projects, and records of students' grades through our SIS. Charter School will communicate further with the parents of students who are performing below grade level. Our teachers, administrators, and classified staff will visit students at their homes to discuss student progress and enhance student learning and involvement. Charter School will schedule annual workshops for parents as well as additional workshops for parents of EL and immigrant students. Topics to be</p>	\$392,599.71	Yes

Action #	Title	Description	Total Funds	Contributing
		<p>covered include, but are not limited to, the school's EL Master Plan, stages of language acquisition, state testing, college application, using SIS to check student progress, study habits, and family literacy. Charter School will use a variety of communication channels to connect with families in a language that is understandable and accessible to them. A parent communication software will be utilized for voice and text communications, email, and push notifications. We will provide language translators at parent meetings to the extent practicable.</p> <p>Expenditures associated with this action include the following: Infinite Campus SIS fees, ParentSquare software fees, SchoolMint software fees, home-visit compensation, parent activity/event expenses, Parent Education Bridge program fees, Pitney Bowes expenses, Dean of Culture salary and benefits, and Office manager/Administrative assistant salaries and benefits.</p> <p>The following expenditures will be funded by federal Title funds:</p> <ul style="list-style-type: none"> <li>• Stipends for home visits: Resource: Title I, Part A; Amount: \$12,000</li> <li>• Parent Academy instructor salary: Resource: Title; Amount: \$10,000</li> <li>• ParentSquare professional services system: Resource: Title I; Amount: \$2,500</li> <li>• Parent Education Bridge program fees: Resource: Title I, Part A; Amount: \$10,000</li> </ul>		
3	MTSS - PBIS and SEL support	Charter School will provide a safe, nurturing, and engaging learning environment for all our students and families. Academic and social-emotional support will be provided to address student needs as well as instructional materials including free uniforms. Students who are homeless, experiencing housing instability, are in foster care or experiencing personal/family crisis or have other special needs will be cared for in our supportive school community. Charter School will offer a Life Skills/Character Education program that provides students with	\$206,098.99	Yes

Action #	Title	Description	Total Funds	Contributing
		<p>valuable skills to support academic excellence and social skill development. We will annually assess our suspension/expulsion policies and procedures and implement alternatives to suspension/expulsion, including restorative practices. Teachers will establish classroom management procedures, foster positive relationships, and help create an atmosphere of trust, respect, and high expectations. Charter School will implement a positive and equitable student responsibility and behavior system with teaching, intervention and prevention strategies and protocols that are clear, fair, incremental, restorative, and culturally responsive. Charter School will celebrate student and school achievements and organize recognition assemblies and other schoolwide culture-building activities. Charter School will inform parents and students of attendance policies specified in the Student/Parent Handbook and encourage and support student attendance. Charter School will also implement the CORE DISTRICTS SEL Survey instrument in the fall and spring annually to assess the following social-emotional competencies: growth mindset, self-efficacy, self-management, and social awareness. As part of our MTSS efforts, school leadership, teachers, and support staff will analyze student SEL survey results in the fall to provide our students with targeted social-emotional support and then measure student responses again in the spring to measure growth, identify greatest progress and needs in order to inform our next steps.</p> <p>Expenditures associated with this action include the following: Dean of Students salary and benefits, discipline coordinator salary and benefits, office/attendance clerk salaries and benefits, school uniform fees, PD on classroom management, PBIS, and SEL support, SEL program fees, outsourced SEL services fees, and additional services for homeless students.</p> <p>The following expenditures will be funded by federal Title funds:</p> <ul style="list-style-type: none"> <li>• Additional services for homeless students: Resource: Title I, Part A; Amount: \$3,000</li> </ul>		

Action #	Title	Description	Total Funds	Contributing
4	Annual stakeholder surveys	<p>Charter School will annually administer school experience surveys to students, parents, and staff. Charter School will implement the CORE DISTRICTS Survey instrument to assess our stakeholders' perceptions of the following school climate indicators: climate of support for academic learning; knowledge and fairness of discipline, rules and norms; safety; and sense of belonging (school connectedness). In addition, we ask our stakeholders open-ended questions about what they like the best and the least about the school and suggestions for improvement. This feedback instrument provides all staff and school leaders with valuable information about how students see their classes, how much parents are involved, how supported staff feel and how to facilitate improvement. Our staff will analyze the survey results to identify the greatest progress and needs in order to inform our next steps.</p> <p>Expenditures associated with this action include the following: Panorama Education survey fees.</p> <p>The following expenditures will be funded by federal Title funds: N/A</p>	\$2,200.00	Yes
5	Community outreach and partnerships	<p>Charter School will establish community, business, institutional and civic partnerships that invest in and support the vision and goals of the school. School staff will participate in local activities that engage community members and staff in communicating school successes to the broader community. Charter School will secure community support to sustain existing resources and add new resources that address emerging student needs. Charter School leadership will actively develop relationships with a range of stakeholders, policymakers, and researchers to identify and address issues, trends, and potential changes that affect the context and conduct of education.</p> <p>Expenditures associated with this action include the following: membership fees (CCSA, WASC, etc.), marketing, branding, outreach, and partnership expenses.</p> <p>The following expenditures will be funded by federal Title funds: N/A</p>	\$20,000.00	Yes

A description of any substantive differences in planned actions and actual implementation of these actions.

Analysis of the 2021-22 goals will occur during the 2022-23 update cycle.

An explanation of material differences between Budgeted Expenditures and Estimated Actual Expenditures.

Analysis of the 2021-22 goals will occur during the 2022-23 update cycle.

An explanation of how effective the specific actions were in making progress toward the goal.

Analysis of the 2021-22 goals will occur during the 2022-23 update cycle.

A description of any changes made to the planned goal, metrics, desired outcomes, or actions for the coming year that resulted from reflections on prior practice.

Analysis of the 2021-22 goals will occur during the 2022-23 update cycle.

**A report of the Estimated Actual Expenditures for last year's actions may be found in the Annual Update Expenditures Table.**

## Increased or Improved Services for Foster Youth, English Learners, and Low-Income Students [2021-22]

Percentage to Increase or Improve Services	Increased Apportionment based on the Enrollment of Foster Youth, English Learners, and Low-Income students
31.02%	\$1,319,496

The Budgeted Expenditures for Actions identified as Contributing may be found in the Increased or Improved Services Expenditures Table.

### Required Descriptions

For each action being provided to an entire school, or across the entire school district or county office of education (COE), an explanation of (1) how the needs of foster youth, English learners, and low-income students were considered first, and (2) how these actions are effective in meeting the goals for these students.

- Goal 1: Action 4: Healthy and nutritious meals

MPS is committed to the optimal development of every student. Research shows that two components, good nutrition and physical activity before, during and after the school day, are strongly correlated with positive student outcomes. For example, student participation in the U.S. Department of Agriculture's (USDA) School Breakfast Program is associated with higher grades and standardized test scores, lower absenteeism and better performance on cognitive tasks. Conversely, less-than-adequate consumption of specific foods including fruits, vegetables and dairy products, is associated with lower grades among students. Finally, there is evidence that adequate hydration is associated with better cognitive performance. With consideration of the importance of good nutrition, Charter School will maintain nutrition education resources and continue to focus on innovative ways to increase access to freshly prepared, nutritious foods to ensure students are well-nourished and ready to learn. Low-income students are eligible to receive reduced-price or free meals at school and this action will result in increased and improved services, particularly for our low-income students, who may not have access to nutritious meals and are experiencing poor health outcomes. With the needs of low-income students in mind, this action will be provided on a schoolwide basis. It was found effective in the current school year and will be continued in the coming school year. Charter School will promote healthy food and beverage choices for all students throughout campus, as well as encourage participation in school meal programs. Charter School will adhere to the MPS Wellness Policy guidelines on nutritious foods for all food sales and celebrations. We expect the meal program will help improve the diet and health of our students and mitigate childhood obesity, model healthy eating to support the development of lifelong healthy eating patterns and support healthy choices while accommodating cultural food preferences and special dietary needs. We also expect this action will result in increased student belonging as measured by the annual student surveys in Goal 4: Action 4.

- Goal 2: Action 2: Professional development for high-quality instruction

The majority of Charter School's student population consists of low-income and socioeconomically disadvantaged students, English learners, and students with disabilities, many of whom are dually identified as EL. These student groups have social and emotional conditions that influence academic learning, as evidenced by the performance gaps on the CA School Dashboard, CAASPP results, and other available data. Addressing the unique needs of students from diverse backgrounds is a major challenge because our teachers need to be prepared with the relevant content knowledge, experience, and training, with a focus on cultural and linguistic characteristics of our diverse learners. With the needs of our diverse student body in mind, Charter School will ensure curricula, instruction, and assessments are aligned to the standards and that teachers participate in professional development on the implementation of standards (CCSS, NGSS, etc.) In addition to ongoing professional development activities that support efforts to increase student academic performance, all staff will be provided with multiple opportunities to grow professionally through induction processes, regular collaboration with colleagues, and curricular support. This involves instructional leadership, common walkthrough protocols using the TeachBoost software, and professional feedback to promote a cycle of continuous improvement, as well as supports for high quality delivery of the program that enables differentiation, particularly for unduplicated students and students with exceptional needs. Instructional leaders at the school and at the Home Office will assess staff professional development needs through formal and informal performance observations, surveys, and student performance data. Based on the data, combined with LCAP goals and the MPS Home Office high quality instruction guidelines, the instructional leaders will determine common staff development days and tailor staff development to individual staff needs. This action was found effective in the current school year and will be continued in the coming school year. We expect this schoolwide action will result in increased academic achievement of our student groups on the CA School Dashboard, CAASPP assessments, MAP assessments, and student grades as identified in our LCAP metrics in Goal 2.

- Goal 2: Action 3: MTSS - Academic enrichment, intervention, and student support

The majority of Charter School's student population consists of low-income and socioeconomically disadvantaged students, English learners, and students with disabilities, many of whom are dually identified as EL. These student groups have social and emotional conditions that influence academic learning, as evidenced by the performance gaps on the CA School Dashboard, CAASPP results, and other available data. Most of our low-income students have parents working multiple jobs and need academic support. Foster youth and English learners may experience feelings of anxiety and confusion. Students struggle with access to materials, technology, and a quiet, private place to study. There are gaps in their learning that need individualized attention. Considering the needs of our vulnerable student groups in mind, Charter School will implement MTSS as a systemic, continuous improvement framework in which data-based problem-solving and decision making is practiced across all levels of the educational system for supporting students. Charter School will synthesize CAASPP and MAP student achievement and growth data, as well as course grades, and other state and internal assessment scores, into reports and regularly review progress towards targets. Targeted interventions will be utilized to create a high-quality differentiated environment where students are supported to engage at their optimal levels. Charter School will provide additional supports and interventions to all students, including but not limited to, 1-1 or small group interventions, targeted support via evidence-based supplemental intervention/enrichment materials and technology (reading, math, etc.), co-taught classes, Power English/Power Math classes, Study Skills, additional support during SSR/Advisory, before and after school tutoring, Saturday classes, and summer programs. SSPT, 504, and other

support meetings will be coordinated among teachers and support roles (resource teachers, EL coordinator, department chairs, etc.) We expect that these student supports and interventions will provide increased and improved services for all our unduplicated students who need extra support and attention. This action was found effective in the current school year and will be continued in the coming school year. It will be provided on a schoolwide basis and we expect all student groups to show academic growth as measured by the CA School Dashboard, CAASPP assessments, MAP assessments, student grades, and other metrics as identified in our LCAP metrics in Goal 2.

- Goal 2: Action 4: Designated and integrated ELD programs

The majority of Charter School's student population consists of English Learners (EL), Reclassified Fluent English Proficient (RFEP) students, and students with disabilities, many of whom are dually identified as EL. ELs need designated English language development instruction. Emerging ELs lack English speaking experience and struggle to communicate. Both ELs and RFEPs have a strong need for meaningful connections among fundamental concepts in the curriculum to their prior knowledge and experiences. They need additional literacy instruction, support, and interventions. Teachers of ELs need to have knowledge of EL strategies and culturally responsive instruction. Considering the needs of our ELs, Charter School will provide services to ELs by proficiency level and provide ELD instruction aligned to the CA ELD standards and framework. Charter School will provide our ELs with core and supplemental ELD instructional materials and provide our teachers with PD focused on ELD standards. Our EL coordinator will monitor EL student progress in program implementation according to our EL Master Plan. Charter School teachers will provide instruction using designated and integrated ELD instructional strategies as outlined in the CHATS framework (and other research-based strategies such as SDAIE) to all students, including ELs. Charter School will provide culturally and linguistically relevant materials for students. ELs will receive further in-class instructional support which includes one-on-one teacher support and small group instruction. Charter School will strive to provide bilingual instructional assistants to provide primary language support to enable students to access content area instruction while gaining language proficiency. Charter School will ensure that teachers participate in PD on ELD instructional strategies and CHATS framework. Charter School will provide regular and timely communication with families of EL students regarding annual assessments, program supports and services, and students' progress toward reclassification. This notification will include, but is not limited to, annual parent notification letters, quarterly ELAC meetings, and parent-teacher conferences. These supports and services will provide increased and improved services for our English learners. This action was found effective in the current school year and will be continued in the coming school year. While some of the actions described here, including the designated ELD instruction, will be targeted only to ELs, the rest of the actions, including integrated ELD instruction, will be provided for all students. RFEP students, students with disabilities, and all other student groups will benefit from this schoolwide action. We expect this action will result in increased academic achievement of our student groups, particularly of our ELs, on the CA School Dashboard, CAASPP assessments, MAP assessments, student grades, Lexile growth, and EL reclassification rates as identified in our LCAP metrics in Goal 2.

- Goal 3: Action 1: College/Career readiness programs and activities

The majority of Charter School's student population consists of low-income and socioeconomically disadvantaged students, English learners, and students with disabilities. Many of our students are also the first generation in their families who will attend college. Most of

them lack parental support and experience financial difficulties. Our students have a great need for guidance about college/career choices and support for preparation. A college-going, supportive culture at the school is necessary for our students' college/career readiness. With the needs of our unduplicated students in mind, Charter School will offer individual graduation plans, outlining the classes students will take during their high school years. Students will be provided credit recovery opportunities and individualized support to ensure timely high school graduation. Charter School will offer Advisory and College Readiness classes and activities to support our students in the areas, including, but not limited to, college planning and career exploration, test prep for ACT/SAT, college application and financial aid submission. Charter School will provide students with opportunities to take Advanced Placement (AP) courses based on student needs and interests. Charter School will promote a college-going culture through dual and concurrent enrollment, AP courses, college visits, college/career days, and other college related activities. Charter School will also explore CTE options to provide students with opportunities to explore a career theme of interest while learning a set of technical and employability skills that integrate into or complement their academic studies. Unduplicated students will receive improved services through our Naviance program and increased support with AP exam fees, AP course materials, and other college-related materials and activities. These services are particularly helpful for first-generation college-bound students who lack parental support strategies and experience financial constraints. This action was found effective in the current school year and will be continued in the coming school year. We expect this schoolwide action will result in increases in CCI prepared rate, AP passing rate, A-G rate, diploma seals, and college acceptance rates as identified in our LCAP metrics in Goal 3.

- Goal 3: Action 2: STEAM and GATE programs

Charter School has a vision to help reverse the tide of U.S. students falling behind their peers in other nations in critical subjects like math and science. We strive to graduate students who come from historically underserved neighborhoods as scientific thinkers that contribute to the global community as socially responsible and educated members of society. Charter School's educational approach is based on the conviction that STEAM education is essential to improving our modern society's knowledge base and adaptability to the fast pace of ever-changing technological advancements. Historically, the number of African American and Latino students pursuing careers in STEAM fields has been very low. Research suggests that a significant cause of these low numbers is that students have inadequate exposure to intensive STEAM curricula. Charter School strives to address the shortage by inspiring and preparing students to choose career paths in science and technology. The majority of Charter School's student population consists of low-income and socioeconomically disadvantaged students of color, English learners, and students with disabilities. With the needs of our community in mind, Charter School will offer STEAM and GATE programs and activities, including Accelerated/Advanced Math course and club. Students will be provided opportunities during the day and after school to create or demonstrate a STEAM focused project, experiment, model or demo. We will also provide information and access to quality out-of-school STEAM activities and achievements. With CA Science Framework and NGSS integration, all our students will learn about engineering design, technology, and applications of science as part of their core classes. Furthermore, Charter School will design and implement engineering-related courses and activities, such as AP Computer Science Principles, Code.org activities, Project Lead the Way (PLTW) programs, Robotics, etc. Unduplicated students will receive increased and improved support through access to supplemental STEAM programs and activities. Gifted and talented students and students achieving above grade level will be engaged in all classes as teachers differentiate curriculum through adjustments of content through depth, complexity, and pacing. Emphasis will be on innovation, critical thinking, and logical reasoning. This action was found effective in the current school year and will be continued in the coming school year. We expect this schoolwide action will challenge our learners to investigate, use problem-based learning, research, and help become independent and innovative scholars. Goal 3 includes metrics for the percentage of students enrolled in an Accelerated and/or Advanced

Math course and/or Advanced Math club, percentage of students in the current graduating class who have taken a Computer/Technology course and/or experienced blended learning in their program of study, and percentage of students who have created or demonstrated a STEAM focused project, experiment, model or demo in the current year.

- Goal 3: Action 3: Digital literacy and citizenship programs

The majority of Charter School's student population consists of low-income and socioeconomically disadvantaged students, English learners, and students with disabilities, many of whom are dually identified as EL. These student groups have social and emotional conditions that influence academic learning and effective literacy, communication, and presentation skills. Most of our low-income students struggle with access to technology as well. Our students have a great need to learn ways to utilize technology in an effective and responsible way. With such needs of our students in mind, Charter School will educate our students and staff in digital literacy so that they adapt, create, consume, and connect in productive, responsible ways to utilize technology in academic, social, and professional settings. Charter School will offer Computer/Digital Literacy classes and/or blended learning experiences for our students. Teachers will participate in PD on Blended Learning and technology will be kept up to date. Students will be provided with opportunities to expand their literacy, computational, and communication skills with digital media; they will be writing advanced essays, conducting internet research, engaging in data collection, presenting ideas and drawing conclusions. Charter School staff will teach and model safe, savvy, and social digital citizenship; topics include, but are not limited to, using technology applications; digital footprint, privacy, and security; digital rights and responsibilities; using social media responsibly and digital etiquette. These activities will result in increased and improved services for our unduplicated students. This action was found effective in the current school year and will be continued in the coming school year. We expect this schoolwide action will help our students expand their knowledge and skills in an ever-evolving digital world. Goal 3 includes a metric for the percentage of students in the current graduating class who have taken a Computer/Technology course and/or experienced blended learning in their program of study.

- Goal 3: Action 4: Physical education, activity, and fitness

MPS is committed to the optimal development of every student. Research shows that two components, good nutrition and physical activity before, during and after the school day, are strongly correlated with positive student outcomes. Students who are physically active through active transport to and from school, recess, physical activity breaks, high-quality physical education and extracurricular activities do better academically. With consideration of the importance of physical fitness, Charter School will provide students with physical education, using an age-appropriate, sequential PE curriculum consistent with state standards for PE. The curriculum will promote the benefits of a physically active lifestyle and will help students develop skills to engage in lifelong healthy habits, as well as incorporate essential health education concepts. Charter School will offer recess before lunch and students will be provided with periodic opportunities to be active or to stretch throughout the day on all or most days during a typical school week. To the extent practicable, Charter School will ensure that its grounds and facilities are safe, and that equipment is available to students to be active. Charter School will offer opportunities for students to participate in physical activity either before and/or after the school day (or both) through a variety of methods such as physical activity/sports clubs, intramurals or interscholastic sports, etc. Charter School will adhere to the MPS Wellness Policy guidelines on physical education,

activity, and fitness. With the needs of low-income students in mind, this action will be provided on a schoolwide basis. It was found effective in the current school year and will be continued in the coming school year. We expect this action will help improve the health of our students and model physical fitness to support the development of lifelong healthy living patterns. We also expect this action will result in increased student belonging as measured by the annual student surveys in Goal 4: Action 4.

- Goal 3: Action 5: Additional programs and activities that support well-rounded education

The majority of Charter School's student population consists of low-income and socioeconomically disadvantaged students, English learners, and students with disabilities. Traditionally, schools focus on ELA and math interventions to address the learning gap between vulnerable student groups and their peers. Other important well-rounded programs such as arts, music, civics, and languages other than English may not get the same attention. On the other hand, well-rounded programs help students develop competencies and creative skills in problem solving, communication, and management of time and resources that contribute to lifelong learning and career skills. Our low-income students come from underserved communities that do not have adequate resources and access to experiential learning opportunities. In an effort to provide well-rounded education to our students, Charter School will strive to offer additional programs such as elective courses, arts, music, civics, languages other than English, clubs, etc. Arts instruction focuses on developing students' creativity, imagination, discipline and self-expression through drawing and fine arts. It is important that all our students, particularly unduplicated students, are provided with experiential learning opportunities, including but not limited to, instructional field trips, internships, community service programs, clubs, etc. Charter School teachers and other staff will offer after school clubs for enrichment in the areas of, including, but not limited to, math, science, technology, engineering, ELA, language other than English and culture, sports, visual and performing arts, community service, and others. These well-rounded programs and activities will result in increased and improved services for our unduplicated students. With the needs of our unduplicated students in mind, this action will be provided on a schoolwide basis. It was found effective in the current school year and will be continued in the coming school year. We expect this action will help our scholars become independent and innovative scholars. We also expect this action will result in increased academic achievement as measured by the LCAP metrics in Goal 2, increases in CCI prepared rate, AP passing rate, A-G rate, diploma seals, and college acceptance rates as identified in our LCAP metrics in Goal 3, as well as increased student belonging as measured by the annual student surveys in Goal 4: Action 4.

- Goal 4: Action 1: Seeking family input for decision making

It is important that parents are engaged in the development of all school plans, including, but not limited to, the LCAP, SPSA (Charter School uses the LCAP to serve as the SPSA), and WASC Self-Study. Charter School wishes to engage all parents, to the extent applicable, in the process of school review and improvement. This includes reviewing the school's goals, actions, programs, data, and funds, including evaluation of actions and programs and effective use of funds. The majority of Charter School's student population consists of low-income and socioeconomically disadvantaged students, English learners, and students with disabilities. Most of our low-income students have parents working multiple jobs. Parents of our ELs need capacity building to support the needs of our ELs. In order to engage parents in an organized, ongoing and timely manner in the planning, review and improvement of our programs, Charter School needs to provide multiple channels to engage parents in decision making. Considering the needs of our unduplicated students and their families, Charter School will

hold periodic meetings to gather input from our families. Information/input sessions include Parent Advisory Committee (PAC) meetings, Parent Task Force (PTF) meetings, School Site Council (SSC) meetings, English Learner Advisory Committee (ELAC) meetings, Coffee with the Principal meetings, and Board of Directors meetings. Parents on our PTF and SSC also serve as our Parent Advisory Committee (PAC) for LCAP. Along with ELAC, such committees provide for representation of students in need (low income, English learners, foster youth, etc.) Feedback from our PAC, SSC, and ELAC provides valuable input for the LCAP. Charter School chooses to utilize the LCAP to serve as the SPSA. Charter School will also hold an annual meeting to inform parents and collect feedback about LCAP goals and actions, data and needs assessments, Title-funded activities and budgets, UCP, parent involvement policy and school-student-parent compact. In addition, Charter School will conduct parent surveys to seek feedback on school improvement. These activities will result in increased and improved services for our unduplicated students and their families. With the needs of our unduplicated students and their families in mind, this action will be provided on a schoolwide basis. It was found effective in the current school year and will be continued in the coming school year. We expect this action will help further engage our families in decision making. Charter School utilizes the self-reflection tool for Local Priority 3, i.e., Parent and Family Engagement, to measure progress in building the capacity of and supporting family members to effectively engage in advisory groups and decision making as well as progress in providing all families with opportunities to provide input on policies and programs, and implementing strategies to reach and seek input from any underrepresented groups in the school community. We also expect this action will result in increased parent satisfaction as measured by the annual stakeholder surveys in Goal 4: Action 4.

- Goal 4: Action 2: Building partnerships with families for student outcomes

Family engagement is an essential strategy for building pathways to college and career readiness for all students and is an essential component of a systems approach to improving outcomes for all students. More than thirty years of research has shown that family engagement can lead to improved student outcomes (e.g., attendance, engagement, academic outcomes, social emotional learning, etc.) To engage all families equitably, it is necessary to understand the cultures, languages, needs and interests of families in our school community. Furthermore, developing family engagement policies, programs, and practices needs to be done in partnership with local families, using the tools of continuous improvement. The majority of Charter School's student population consists of low-income and socioeconomically disadvantaged students, English learners, and students with disabilities. Most of our low-income students have parents working multiple jobs. Parents of our ELs need capacity building to support the needs of our ELs. In order to build partnerships with our families for student outcomes, Charter School will build trusting and respectful relationships with parents through activities/events, including Student/Parent Orientation, Back to School Night, and parent conferences to promote parental participation in programs. Administrators will greet all students and parents in the mornings during student drop off and have an open-door policy welcoming all parents. Charter School will provide parents with access to course materials, homework assignments, projects, and records of students' grades through our SIS. Charter School will communicate further with the parents of students who are performing below grade level. Our teachers, administrators, and classified staff will visit students at their homes to discuss student progress and enhance student learning and involvement. Charter School will schedule annual workshops for parents as well as additional workshops for parents of EL and immigrant students. Topics to be covered include, but are not limited to, the school's EL Master Plan, stages of language acquisition, state testing, college application, using SIS to check student progress, study habits, and family literacy. Charter School will use a variety of communication channels to connect with families in a language that is understandable and accessible to them. A parent communication software will be utilized for voice and text communications, email, and push notifications. We will provide language translators at parent meetings to the extent practicable. These

activities will result in increased and improved services for our unduplicated students and their families. With the needs of our unduplicated students and their families in mind, this action will be provided on a schoolwide basis. It was found effective in the current school year and will be continued in the coming school year. We expect this action will help further engage our families in building partnerships with the school for student outcomes. Charter School utilizes the self-reflection tool for Local Priority 3, i.e., Parent and Family Engagement, to measure progress in creating welcoming environments and building trusting and respectful relationships with families, developing multiple opportunities for 2-way communication between families and educators using language that is understandable and accessible to families, and providing families with information and resources to support student learning and development in the home. We also expect this action will result in increased academic achievement and lifelong learning as measured by the LCAP metrics in Goals 2 and 3, increased home visit rate, ADA rate, and graduation rate, and decreased chronic absenteeism rate, dropout rate, and student suspension/expulsion rates as measured in Goal 4. We also expect this action will result in increased student, parent, and staff satisfaction rates as measured by the annual stakeholder surveys in Goal 4: Action 4.

- Goal 4: Action 3: MTSS - PBIS and SEL support

The majority of Charter School's student population consists of low-income and socioeconomically disadvantaged students, English learners, and students with disabilities. These student groups have social and emotional conditions that influence academic learning, as evidenced by the performance gaps on the CA School Dashboard, CAASPP results, and other available data. These student groups also have lower ADA rates while they have higher chronic absenteeism and office referral rates. Children living in poverty are more likely to incur more adverse childhood experiences including abuse, neglect, exposure to neighborhood violence, or an incarcerated parent. Foster youth and English learners may experience feelings of anxiety and confusion. Charter School needs to take action to address the unique academic, social and emotional needs of low-income students, students with disabilities, English learners, racial and ethnic minorities, students experiencing homelessness, and foster care youth. Considering the needs of our vulnerable student groups in mind, Charter School will provide a safe, nurturing, and engaging learning environment for all our students and families. Academic and social-emotional support will be provided to address student needs as well as instructional materials including free uniforms. Students who are homeless, experiencing housing instability, are in foster care or experiencing personal/family crisis or have other special needs will be cared for in our supportive school community. Charter School will offer a Life Skills/Character Education program that provides students with valuable skills to support academic excellence and social skill development. We will annually assess our suspension/expulsion policies and procedures and implement alternatives to suspension/expulsion, including restorative practices. Teachers will establish classroom management procedures, foster positive relationships, and help create an atmosphere of trust, respect, and high expectations. Charter School will implement a positive and equitable student responsibility and behavior system with teaching, intervention and prevention strategies and protocols that are clear, fair, incremental, restorative, and culturally responsive. Charter School will celebrate student and school achievements and organize recognition assemblies and other schoolwide culture-building activities. Charter School will inform parents and students of attendance policies specified in the Student/Parent Handbook and encourage and support student attendance. Charter School will also implement the CORE DISTRICTS SEL Survey instrument in the fall and spring annually to assess the following social-emotional competencies: growth mindset, self-efficacy, self-management, and social awareness. As part of our MTSS efforts, school leadership, teachers, and support staff will analyze student SEL survey results in the fall to provide our students with targeted social-emotional support and then measure student responses again in the spring to measure growth, identify greatest progress and needs in order to inform our next steps. These activities will result in increased and improved PBIS and SEL support for our unduplicated students, as well as additional

supports for homeless and immigrant students. With the needs of our vulnerable students and their families in mind, this action will be provided on a schoolwide basis. It was found effective in the current school year and will be continued in the coming school year. We expect this action will help provide a foundation for safe and positive learning, and enhance students' mental health and abilities to succeed in school, careers, and life. We also expect this action will result in increased academic achievement and lifelong learning as measured by the LCAP metrics in Goals 2 and 3, increased ADA rate and graduation rate, and decreased chronic absenteeism rate, dropout rate, and student suspension/expulsion rates as measured in Goal 4. We also expect this action will result in increased student, parent, and staff satisfaction rates as measured by the annual stakeholder surveys in Goal 4: Action 4.

- Goal 4: Action 4: Annual stakeholder surveys

It is important that parents, students, and staff are engaged in the development of all school plans, including, but not limited to, the LCAP, SPSA (Charter School uses the LCAP to serve as the SPSA), and WASC Self-Study. Charter School wishes to engage all parents, to the extent applicable, in the process of school review and improvement. The majority of Charter School's student population consists of low-income and socioeconomically disadvantaged students, English learners, and students with disabilities. To engage all students and families equitably, it is necessary to understand the cultures, languages, needs and interests of students and families in our school community. Stakeholder voices, i.e., voices of our students, families, staff, and other school community members, play a powerful role in helping us learn how to improve our teaching, leadership, and other school practices. In order to engage stakeholders in an organized, ongoing and timely manner in the planning, review and improvement of our programs, Charter School needs to provide multiple channels to engage stakeholders in decision making. Surveys have been the primary means of collecting student, family, and staff voices about what we are doing great and should keep doing, and what areas for improvement are so we can continue to provide our students with the best quality education. Considering the needs of our unduplicated students and their families, MPS uses an online platform to provide students, families, and staff with groups of questions that measure their perceptions of teaching and learning, as well as their perceptions of school climate and safety. This feedback instrument provides teachers and school leaders with valuable data about how students see their classes, how much parents are involved, how supported staff feel and how to facilitate improvement. Charter School will annually administer school experience surveys to students, parents, and staff. Charter School will implement the CORE DISTRICTS Survey instrument to assess our stakeholders' perceptions of the following school climate indicators: climate of support for academic learning; knowledge and fairness of discipline, rules and norms; safety; and sense of belonging (school connectedness). In addition, we ask our stakeholders open-ended questions about what they like the best and the least about the school and suggestions for improvement. This feedback instrument provides all staff and school leaders with valuable information about how students see their classes, how much parents are involved, how supported staff feel and how to facilitate improvement. Our staff will analyze the survey results to identify the greatest progress and needs in order to inform our next steps. The surveys help identify and plan for increased and improved services for our unduplicated students and their families. With the needs of our unduplicated students and their families in mind, this action will be provided on a schoolwide basis. It was found effective in the current school year and will be continued in the coming school year. We expect this action will help provide valuable feedback for school improvement. We also expect this action will result in increased student, parent, and staff satisfaction rates as measured in Goal 4.

- Goal 4: Action 5: Community outreach and partnerships

The majority of Charter School's student population consists of low-income and socioeconomically disadvantaged students, English learners, and students with disabilities. Our low-income students come from underserved communities that do not have adequate resources and access to experiential learning opportunities. Many of our students are also the first generation in their families who will attend college. Most of them lack parental support and experience financial difficulties. Our students have a great need for guidance about college/career choices and support for preparation. These student groups have social and emotional conditions that influence academic learning, as evidenced by the performance gaps on the CA School Dashboard, CAASPP results, and other available data. They also have lower ADA rates while they have higher chronic absenteeism and office referral rates. Children living in poverty are more likely to incur more adverse childhood experiences including abuse, neglect, exposure to neighborhood violence, or an incarcerated parent. Foster youth and English learners may experience feelings of anxiety and confusion. Charter School needs to take action to address the unique academic, social and emotional needs of low-income students, students with disabilities, English learners, racial and ethnic minorities, students experiencing homelessness, and foster care youth. Considering the needs of our vulnerable student groups in mind, Charter School will establish community, business, institutional and civic partnerships that invest in and support the vision and goals of the school. School staff will participate in local activities that engage community members and staff in communicating school successes to the broader community. Charter School will secure community support to sustain existing resources and add new resources that address emerging student needs. Charter School leadership will actively develop relationships with a range of stakeholders, policymakers, and researchers to identify and address issues, trends, and potential changes that affect the context and conduct of education. These activities will result in increased and improved resources for our unduplicated students and will be particularly helpful for first-generation college-bound students who lack parental support strategies and experience financial constraints. With the needs of our unduplicated students and their families in mind, this action will be provided on a schoolwide basis. It was found effective in the current school year and will be continued in the coming school year. We expect this action will provide students and families with information and resources to support student learning and development. We also expect this action will result in increased academic achievement and lifelong learning as measured by the LCAP metrics in Goals 2 and 3, increased ADA rate, and graduation rate, and decreased chronic absenteeism rate, dropout rate, and student suspension/expulsion rates as measured in Goal 4. We also expect this action will result in increased student, parent, and staff satisfaction rates as measured in Goal 4.

A description of how services for foster youth, English learners, and low-income students are being increased or improved by the percentage required.

Charter School will increase or improve services provided for unduplicated students by at least the percentage calculated as compared to the services provided for all students in the LCAP year. Services are increased (in quantity) or improved (in quality) by those actions in our LCAP that are included in the Goals and Actions section as "contributing" to the increased or improved services requirement. We expect that these actions will result in the required proportional increase or improvement in services for unduplicated pupils as compared to the services we provide to all students. Charter School will increase or improve services for our unduplicated students through the following actions:

- Goal 1: Action 4: Healthy and nutritious meals

Low-income students are eligible to receive reduced-price or free meals at school. Charter School will maintain nutrition education resources and promote healthy food and beverage choices for all students throughout campus, as well as encourage participation in school meal

programs. This action will result in increased and improved services, particularly for our low-income students, who may not have access to nutritious meals and are experiencing poor health outcomes.

- Goal 2: Action 2: Professional development for high-quality instruction

Professional development will occur at the MPS organizational level and within the school. In addition to ongoing professional development activities that support efforts to increase student academic performance, all staff will be provided with multiple opportunities to grow professionally through induction processes, regular collaboration with colleagues, and curricular support. This involves instructional leadership, common walkthrough protocols using the TeachBoost software, and professional feedback to promote a cycle of continuous improvement, as well as supports for high quality delivery of the program that enables differentiation, particularly for unduplicated students and students with exceptional needs.

- Goal 2: Action 3: MTSS - Academic enrichment, intervention and student support

Charter School will implement MTSS as a systemic, continuous improvement framework in which data-based problem-solving and decision making is practiced across all levels of the educational system for supporting students. Targeted interventions will be utilized to create a high-quality differentiated environment where students are supported to engage at their optimal levels. Charter School will provide additional supports and interventions to all students, including but not limited to, 1-1 or small group interventions, targeted support via evidence-based supplemental intervention/enrichment materials and technology (reading, math, etc.), co-taught classes, Power English/Power Math classes, Study Skills, additional support during SSR/Advisory, before and after school tutoring, Saturday classes, and summer programs. SSPT, 504, and other support meetings will be coordinated among teachers and support roles (resource teachers, EL coordinator, department chairs, etc.) These student supports and interventions will provide increased and improved services for all our unduplicated students who would need the extra support and attention.

- Goal 2: Action 4: Designated and integrated ELD programs

Charter School will provide services to ELs by proficiency level and provide ELD instruction aligned to the CA ELD standards and framework. Charter School will provide our ELs with core and supplemental ELD instructional materials and provide our teachers with PD focused on ELD standards. Our EL coordinator will monitor EL student progress in program implementation according to our EL Master Plan. Charter School teachers will provide instruction using designated and integrated ELD instructional strategies as outlined in the CHATS framework (and other research-based strategies such as SDAIE) to all students, including ELs. Charter School will provide culturally and linguistically relevant materials for students. ELs will receive further in-class instructional support which includes one-on-one teacher support and small group instruction. Charter School will strive to provide bilingual instructional assistants to provide primary language support to enable students to access content area instruction while gaining language proficiency. Charter School will ensure that teachers participate in PD on ELD instructional strategies and CHATS framework. Charter School will provide regular and timely communication with families of EL students regarding annual assessments, program supports and services, and students' progress toward reclassification. This notification will include, but is not limited to, annual parent notification letters, quarterly ELAC meetings, and parent-teacher conferences. These supports and services will provide increased and improved services for our English learners.

- Goal 3: Action 1: College/Career readiness programs and activities

Charter School will offer individual graduation plans, outlining the classes students will take during their high school years. Students will be provided credit recovery opportunities and individualized support to ensure timely high school graduation. Charter School will offer Advisory

and College Readiness classes and activities to support our students in the areas, including, but not limited to, college planning and career exploration, test prep for ACT/SAT, college application and financial aid submission. Charter School will provide students with opportunities to take Advanced Placement (AP) courses based on student needs and interests. Charter School will promote a college-going culture through dual and concurrent enrollment, AP courses, college visits, college/career days, and other college related activities. Charter School will also explore CTE options to provide students with opportunities to explore a career theme of interest while learning a set of technical and employability skills that integrate into or complement their academic studies. Unduplicated students will receive improved services through our Naviance program and increased support with AP exam fees, AP course materials, and other college-related materials and activities. These services are particularly helpful for first-generation college-bound students who lack parental support strategies and experience financial constraints.

- Goal 3: Action 2: STEAM and GATE programs

Charter School will offer STEAM and GATE programs and activities, including Accelerated/Advanced Math course and club. Students will be provided opportunities during the day and after school to create or demonstrate a STEAM focused project, experiment, model or demo. We will also provide information and access to quality out-of-school STEAM activities and achievements. Charter School will design and implement engineering-related courses and activities, such as AP Computer Science Principles, Code.org activities, Project Lead the Way (PLTW) programs, Robotics, etc. Unduplicated students will receive increased and improved support through access to supplemental STEAM programs and activities.

- Goal 3: Action 3: Digital literacy and citizenship programs

Charter School will educate our students and staff in digital literacy so that they adapt, create, consume, and connect in productive, responsible ways to utilize technology in academic, social, and professional settings. Charter School will offer Computer/Digital Literacy classes and/or blended learning experiences for our students. Teachers will participate in PD on Blended Learning and technology will be kept up to date. Students will be provided with opportunities to expand their literacy, computational, and communication skills with digital media; they will be writing advanced essays, conducting internet research, engaging in data collection, presenting ideas and drawing conclusions. Charter School staff will teach and model safe, savvy, and social digital citizenship; topics include, but are not limited to, using technology applications; digital footprint, privacy, and security; digital rights and responsibilities; using social media responsibly and digital etiquette. These activities will result in increased and improved services for our unduplicated students by expanding their knowledge and skills in an ever-evolving digital world.

- Goal 3: Action 4: Physical education, activity, and fitness

Charter School will provide students with physical education, using an age-appropriate, sequential PE curriculum consistent with state standards for PE. The curriculum will promote the benefits of a physically active lifestyle and will help students develop skills to engage in lifelong healthy habits, as well as incorporate essential health education concepts. Charter School will offer recess before lunch and students will be provided with periodic opportunities to be active or to stretch throughout the day on all or most days during a typical school week. To the extent practicable, Charter School will ensure that its grounds and facilities are safe, and that equipment is available to students to be active. Charter School will offer opportunities for students to participate in physical activity either before and/or after the school day (or both) through a variety of methods such as physical activity/sports clubs, intramurals or interscholastic sports, etc. Charter School will adhere to the MPS Wellness Policy guidelines on physical education, activity, and fitness. These activities will result in increased and improved

services, particularly for our low-income students who may not have a physically active and healthy lifestyle.

- Goal 3: Action 5: Additional programs and activities that support well-rounded education

In an effort to provide well-rounded education to our students, Charter School will strive to offer additional programs such as elective courses, arts, music, civics, languages other than English, clubs, etc. It is important that all our students, particularly unduplicated students, are provided with experiential learning opportunities, including but not limited to, instructional field trips, internships, community service programs, clubs, etc. Charter School teachers and other staff will offer after school clubs for enrichment in the areas of, including, but not limited to, math, science, technology, engineering, ELA, languages other than English and culture, sports, visual and performing arts, community service, and others. These well-rounded programs and activities will result in increased and improved services for our unduplicated students.

- Goal 4: Action 1: Seeking family input for decision making

Charter School will hold periodic meetings to gather input from our families. Information/input sessions include Parent Advisory Committee (PAC) meetings, Parent Task Force (PTF) meetings, School Site Council (SSC) meetings, English Learner Advisory Committee (ELAC) meetings, Coffee with the Principal meetings, and Board of Directors meetings. Parents on our PTF and SSC also serve as our Parent Advisory Committee (PAC) for LCAP. Along with ELAC, such committees provide for representation of students in need (low income, English learners, foster youth, etc.) Feedback from our PAC, SSC, and ELAC provides valuable input for the LCAP. Charter School chooses to utilize the LCAP to serve as the SPSA. Charter School will also hold an annual meeting to inform parents and collect feedback about LCAP goals and actions, data and needs assessments, Title-funded activities and budgets, UCP, parent involvement policy and school-student-parent compact. In addition, Charter School will conduct parent surveys to seek feedback on school improvement. These activities will result in increased and improved services for our unduplicated students and their families.

- Goal 4: Action 2: Building partnerships with families for student outcomes

Charter School will build trusting and respectful relationships with parents through activities/events, including Student/Parent Orientation, Back to School Night, and parent conferences to promote parental participation in programs. Administrators will greet all students and parents in the mornings during student drop off and have an open-door policy welcoming all parents. Charter School will provide parents with access to course material, homework assignments, projects, and records of students' grades through our SIS. Charter School will communicate further with the parents of students who are performing below grade level. Our teachers, administrators, and classified staff will visit students at their homes to discuss student progress and enhance student learning and involvement. Charter School will schedule annual workshops for parents as well as additional workshops for parents of EL and immigrant students. Topics to be covered include, but are not limited to, the school's EL Master Plan, stages of language acquisition, state testing, college application, using SIS to check student progress, study habits, and family literacy. Charter School will use a variety of communication channels to connect with families in a language that is understandable and accessible to them. A parent communication software will be utilized for voice and text communications, email, and push notifications. We will provide language translators at parent meetings to the extent practicable. These activities will result in increased and improved services for our unduplicated students and their families.

- Goal 4: Action 3: MTSS - PBIS and SEL support

Charter School will provide a safe, nurturing, and engaging learning environment for all our students and families. Academic and social-emotional support will be provided to address student needs as well as instructional materials including free uniforms. Students who are homeless, experiencing housing instability, are in foster care or experiencing personal/family crisis or have other special needs will be cared

for in our supportive school community. Charter School will offer a Life Skills/Character Education program that provides students with valuable skills to support academic excellence and social skill development. Teachers will establish classroom management procedures, foster positive relationships, and help create an atmosphere of trust, respect, and high expectations. Charter School will implement a positive and equitable student responsibility and behavior system with teaching, intervention and prevention strategies and protocols that are clear, fair, incremental, restorative, and culturally responsive. Charter School will celebrate student and school achievements and organize recognition assemblies and other schoolwide culture-building activities. Charter School will inform parents and students of attendance policies specified in the Student/Parent Handbook and encourage and support student attendance. Charter School will also implement the CORE DISTRICTS SEL Survey instrument in the fall and spring annually to assess the following social-emotional competencies: growth mindset, self-efficacy, self-management, and social awareness. As part of our MTSS efforts, school leadership, teachers, and support staff will analyze student SEL survey results in the fall to provide our students with targeted social-emotional support and then measure student responses again in the spring to measure growth, identify greatest progress and needs in order to inform our next steps. These activities will result in increased and improved PBIS and SEL support for our unduplicated students, as well as additional supports for homeless and immigrant students.

- Goal 4: Action 4: Annual stakeholder surveys

Charter School will annually administer school experience surveys to students, parents, and staff. Charter School will implement the CORE DISTRICTS Survey instrument to assess our stakeholders' perceptions of the following school climate indicators: climate of support for academic learning; knowledge and fairness of discipline, rules and norms; safety; and sense of belonging (school connectedness). In addition, we ask our stakeholders open-ended questions about what they like the best and the least about the school and suggestions for improvement. This feedback instrument provides all staff and school leaders with valuable information about how students see their classes, how much parents are involved, how supported staff feel and how to facilitate improvement. Our staff will analyze the survey results to identify the greatest progress and needs in order to inform our next steps. The surveys help identify and plan for increased and improved services for our unduplicated students and their families.

- Goal 4: Action 5: Community outreach and partnerships

Charter School will establish community, business, institutional and civic partnerships that invest in and support the vision and goals of the school. School staff will participate in local activities that engage community members and staff in communicating school successes to the broader community. Charter School will secure community support to sustain existing resources and add new resources that address emerging student needs. Charter School leadership will actively develop relationships with a range of stakeholders, policymakers, and researchers to identify and address issues, trends, and potential changes that affect the context and conduct of education. These activities result in increased and improved resources for our unduplicated students.

# Instructions

[Plan Summary](#)

[Stakeholder Engagement](#)

[Goals and Actions](#)

[Increased or Improved Services for Foster Youth, English Learners, and Low-Income Students](#)

For additional questions or technical assistance related to the completion of the LCAP template, please contact the local COE, or the California Department of Education's (CDE's) Local Agency Systems Support Office by phone at 916-319-0809 or by email at [lcff@cde.ca.gov](mailto:lcff@cde.ca.gov).

# Introduction and Instructions

The Local Control Funding Formula (LCFF) requires LEAs to engage their local stakeholders in an annual planning process to evaluate their progress within eight state priority areas encompassing all statutory metrics (COEs have ten state priorities). LEAs document the results of this planning process in the Local Control and Accountability Plan (LCAP) using the template adopted by the State Board of Education.

The LCAP development process serves three distinct, but related functions:

- **Comprehensive Strategic Planning:** The process of developing and annually updating the LCAP supports comprehensive strategic planning (California *Education Code* [EC] 52064(e)(1)). Strategic planning that is comprehensive connects budgetary decisions to teaching and learning performance data. Local educational agencies (LEAs) should continually evaluate the hard choices they make about the use of limited resources to meet student and community needs to ensure opportunities and outcomes are improved for all students.
- **Meaningful Stakeholder Engagement:** The LCAP development process should result in an LCAP that reflects decisions made through meaningful stakeholder engagement (EC 52064(e)(1)). Local stakeholders possess valuable perspectives and insights about an LEA's programs and services. Effective strategic planning will incorporate these perspectives and insights in order to identify potential goals and actions to be included in the LCAP.
- **Accountability and Compliance:** The LCAP serves an important accountability function because aspects of the LCAP template require LEAs to show that they have complied with various requirements specified in the LCFF statutes and regulations, most notably:
  - Demonstrating that LEAs are increasing or improving services for foster youth, English learners, and low-income students in proportion to the amount of additional funding those students generate under LCFF (EC 52064(b)(4-6)).
  - Establishing goals, supported by actions and related expenditures, that address the statutory priority areas and statutory metrics (EC 52064(b)(1) & (2)).

- Annually reviewing and updating the LCAP to reflect progress toward the goals (*EC 52064(b)(7)*).

The LCAP template, like each LEA's final adopted LCAP, is a document, not a process. LEAs must use the template to memorialize the outcome of their LCAP development process, which should: (a) reflect comprehensive strategic planning (b) through meaningful engagement with stakeholders that (c) meets legal requirements, as reflected in the final adopted LCAP. The sections included within the LCAP template do not and cannot reflect the full development process, just as the LCAP template itself is not intended as a stakeholder engagement tool.

If a county superintendent of schools has jurisdiction over a single school district, the county board of education and the governing board of the school district may adopt and file for review and approval a single LCAP consistent with the requirements in *EC* sections 52060, 52062, 52066, 52068, and 52070. The LCAP must clearly articulate to which entity's budget (school district or county superintendent of schools) all budgeted and actual expenditures are aligned.

The revised LCAP template for the 2021–22, 2022–23, and 2023–24 school years reflects statutory changes made through Assembly Bill 1840 (Committee on Budget), Chapter 243, Statutes of 2018. These statutory changes enhance transparency regarding expenditures on actions included in the LCAP, including actions that contribute to meeting the requirement to increase or improve services for foster youth, English learners, and low-income students, and to streamline the information presented within the LCAP to make adopted LCAPs more accessible for stakeholders and the public.

At its most basic, the adopted LCAP should attempt to distill not just what the LEA is doing, but also allow stakeholders to understand why, and whether those strategies are leading to improved opportunities and outcomes for students. LEAs are strongly encouraged to use language and a level of detail in their adopted LCAPs intended to be meaningful and accessible for the LEA's diverse stakeholders and the broader public.

In developing and finalizing the LCAP for adoption, LEAs are encouraged to keep the following overarching frame at the forefront of the strategic planning and stakeholder engagement functions:

Given present performance across the state priorities and on indicators in the California School Dashboard, how is the LEA using its budgetary resources to respond to student and community needs, and address any performance gaps, including by meeting its obligation to increase or improve services for foster youth, English learners, and low-income students?

LEAs are encouraged to focus on a set of metrics or a set of actions that the LEA believes, based on input gathered from stakeholders, research, and experience, will have the biggest impact on behalf of its students.

These instructions address the requirements for each section of the LCAP, but may include information about effective practices when developing the LCAP and completing the LCAP itself. Additionally, information is included at the beginning of each section emphasizing the purpose that each section serves.

# Plan Summary

## Purpose

A well-developed Plan Summary section provides a meaningful context for the LCAP. This section provides information about an LEA's community as well as relevant information about student needs and performance. In order to provide a meaningful context for the rest of the LCAP, the content of this section should be clearly and meaningfully related to the content included in the subsequent sections of the LCAP.

## Requirements and Instructions

**General Information** – Briefly describe the students and community. For example, information about an LEA in terms of geography, enrollment, or employment, the number and size of specific schools, recent community challenges, and other such information as an LEA wishes to include can enable a reader to more fully understand an LEA's LCAP.

**Reflections: Successes** – Based on a review of performance on the state indicators and local performance indicators included in the Dashboard, progress toward LCAP goals, local self-assessment tools, stakeholder input, and any other information, what progress is the LEA most proud of and how does the LEA plan to maintain or build upon that success? This may include identifying specific examples of how past increases or improvements in services for foster youth, English learners, and low-income students have led to improved performance for these students.

**Reflections: Identified Need** – Referring to the Dashboard, identify: (a) any state indicator for which overall performance was in the “Red” or “Orange” performance category or any local indicator where the LEA received a “Not Met” or “Not Met for Two or More Years” rating AND (b) any state indicator for which performance for any student group was two or more performance levels below the “all student” performance. What steps is the LEA planning to take to address these areas of low performance and performance gaps? Other needs may be identified using locally collected data including data collected to inform the self-reflection tools and reporting local indicators on the Dashboard.

**LCAP Highlights** – Identify and briefly summarize the key features of this year's LCAP.

**Comprehensive Support and Improvement** – An LEA with a school or schools identified for comprehensive support and improvement (CSI) under the Every Student Succeeds Act must respond to the following prompts:

- **Schools Identified:** Identify the schools within the LEA that have been identified for CSI.
- **Support for Identified Schools:** Describe how the LEA has or will support the identified schools in developing CSI plans that included a school-level needs assessment, evidence-based interventions, and the identification of any resource inequities to be addressed through the implementation of the CSI plan.
- **Monitoring and Evaluating Effectiveness:** Describe how the LEA will monitor and evaluate the implementation and effectiveness of the CSI plan to support student and school improvement.

# Stakeholder Engagement

## Purpose

Significant and purposeful engagement of parents, students, educators, and other stakeholders, including those representing the student groups identified by LCFF, is critical to the development of the LCAP and the budget process. Consistent with statute, such stakeholder engagement should support comprehensive strategic planning, accountability, and improvement across the state priorities and locally identified priorities (EC 52064(e)(1)). Stakeholder engagement is an ongoing, annual process.

This section is designed to reflect how stakeholder engagement influenced the decisions reflected in the adopted LCAP. The goal is to allow stakeholders that participated in the LCAP development process and the broader public understand how the LEA engaged stakeholders and the impact of that engagement. LEAs are encouraged to keep this goal in the forefront when completing this section.

Statute and regulations specify the stakeholder groups that school districts and COEs must consult when developing the LCAP: teachers, principals, administrators, other school personnel, local bargaining units of the LEA, parents, and students. Before adopting the LCAP, school districts and COEs must share it with the Parent Advisory Committee and, if applicable, to its English Learner Parent Advisory Committee. The superintendent is required by statute to respond in writing to the comments received from these committees. School districts and COEs must also consult with the special education local plan area administrator(s) when developing the LCAP. Statute requires charter schools to consult with teachers, principals, administrators, other school personnel, parents, and students in developing the LCAP. The LCAP should also be shared with, and LEAs should request input from, schoolsite-level advisory groups, as applicable (e.g., schoolsite councils, English Learner Advisory Councils, student advisory groups, etc.), to facilitate alignment between schoolsite and district-level goals and actions.

Information and resources that support effective stakeholder engagement, define student consultation, and provide the requirements for advisory group composition, can be found under Resources on the following web page of the CDE's website: <https://www.cde.ca.gov/re/lc/>.

## Requirements and Instructions

Below is an excerpt from the 2018–19 *Guide for Annual Audits of K–12 Local Education Agencies and State Compliance Reporting*, which is provided to highlight the legal requirements for stakeholder engagement in the LCAP development process:

### Local Control and Accountability Plan:

For county offices of education and school districts only, verify the LEA:

- a) Presented the local control and accountability plan to the parent advisory committee in accordance with Education Code section 52062(a)(1) or 52068(a)(1), as appropriate.
- b) If applicable, presented the local control and accountability plan to the English learner parent advisory committee, in accordance with Education Code section 52062(a)(2) or 52068(a)(2), as appropriate.

- c) Notified members of the public of the opportunity to submit comments regarding specific actions and expenditures proposed to be included in the local control and accountability plan in accordance with Education Code section 52062(a)(3) or 52068(a)(3), as appropriate.
- d) Held at least one public hearing in accordance with Education Code section 52062(b)(1) or 52068(b)(1), as appropriate.
- e) Adopted the local control and accountability plan in a public meeting in accordance with Education Code section 52062(b)(2) or 52068(b)(2), as appropriate.

**Prompt 1:** “A summary of the stakeholder process and how the stakeholder engagement was considered before finalizing the LCAP.”

Describe the stakeholder engagement process used by the LEA to involve stakeholders in the development of the LCAP, including, at a minimum, describing how the LEA met its obligation to consult with all statutorily required stakeholder groups as applicable to the type of LEA. A sufficient response to this prompt must include general information about the timeline of the process and meetings or other engagement strategies with stakeholders. A response may also include information about an LEA’s philosophical approach to stakeholder engagement.

**Prompt 2:** “A summary of the feedback provided by specific stakeholder groups.”

Describe and summarize the stakeholder feedback provided by specific stakeholders. A sufficient response to this prompt will indicate ideas, trends, or inputs that emerged from an analysis of the feedback received from stakeholders.

**Prompt 3:** “A description of the aspects of the LCAP that were influenced by specific stakeholder input.”

A sufficient response to this prompt will provide stakeholders and the public clear, specific information about how the stakeholder engagement process influenced the development of the LCAP. The response must describe aspects of the LCAP that were influenced by or developed in response to the stakeholder feedback described in response to Prompt 2. This may include a description of how the LEA prioritized stakeholder requests within the context of the budgetary resources available or otherwise prioritized areas of focus within the LCAP. For the purposes of this prompt, “aspects” of an LCAP that may have been influenced by stakeholder input can include, but are not necessarily limited to:

- Inclusion of a goal or decision to pursue a Focus Goal (as described below)
- Inclusion of metrics other than the statutorily required metrics
- Determination of the desired outcome on one or more metrics
- Inclusion of performance by one or more student groups in the Measuring and Reporting Results subsection
- Inclusion of action(s) or a group of actions
- Elimination of action(s) or group of actions
- Changes to the level of proposed expenditures for one or more actions
- Inclusion of action(s) as contributing to increased or improved services for unduplicated services
- Determination of effectiveness of the specific actions to achieve the goal
- Determination of material differences in expenditures

- Determination of changes made to a goal for the ensuing LCAP year based on the annual update process
- Determination of challenges or successes in the implementation of actions

## Goals and Actions

### Purpose

Well-developed goals will clearly communicate to stakeholders what the LEA plans to accomplish, what the LEA plans to do in order to accomplish the goal, and how the LEA will know when it has accomplished the goal. A goal statement, associated metrics and expected outcomes, and the actions included in the goal should be in alignment. The explanation for why the LEA included a goal is an opportunity for LEAs to clearly communicate to stakeholders and the public why, among the various strengths and areas for improvement highlighted by performance data and strategies and actions that could be pursued, the LEA decided to pursue this goal, and the related metrics, expected outcomes, actions, and expenditures.

A well-developed goal can be focused on the performance relative to a metric or metrics for all students, a specific student group(s), narrowing performance gaps, or implementing programs or strategies expected to impact outcomes. LEAs should assess the performance of their student groups when developing goals and the related actions to achieve such goals.

### Requirements and Instructions

LEAs should prioritize the goals, specific actions, and related expenditures included within the LCAP within one or more state priorities. LEAs should consider performance on the state and local indicators, including their locally collected and reported data for the local indicators that are included in the Dashboard in determining whether and how to prioritize its goals within the LCAP.

In order to support prioritization of goals, the LCAP template provides LEAs with the option of developing three different kinds of goals:

- **Focus Goal:** A Focus Goal is relatively more concentrated in scope and may focus on a fewer number of metrics to measure improvement. A Focus Goal statement will be time bound and make clear how the goal is to be measured.
- **Broad Goal:** A Broad Goal is relatively less concentrated in its scope and may focus on improving performance across a wide range of metrics.
- **Maintenance of Progress Goal:** A Maintenance of Progress Goal includes actions that may be ongoing without significant changes and allows an LEA to track performance on any metrics not addressed in the other goals of the LCAP.

At a minimum, the LCAP must address all LCFF priorities and associated metrics.

### ***Focus Goal(s)***

**Goal Description:** The description provided for a Focus Goal must be specific, measurable, and time bound. An LEA develops a Focus Goal to address areas of need that may require or benefit from a more specific and data intensive approach. The Focus Goal can explicitly reference the metric(s) by which achievement of the goal will be measured and the time frame according to which the LEA expects to achieve the goal.

**Explanation of why the LEA has developed this goal:** Explain why the LEA has chosen to prioritize this goal. An explanation must be based on Dashboard data or other locally collected data. LEAs must describe how the LEA identified this goal for focused attention, including relevant consultation with stakeholders. LEAs are encouraged to promote transparency and understanding around the decision to pursue a focus goal.

### ***Broad Goal***

**Goal Description:** Describe what the LEA plans to achieve through the actions included in the goal. The description of a broad goal will be clearly aligned with the expected measurable outcomes included for the goal. The goal description organizes the actions and expected outcomes in a cohesive and consistent manner. A goal description is specific enough to be measurable in either quantitative or qualitative terms. A broad goal is not as specific as a focus goal. While it is specific enough to be measurable, there are many different metrics for measuring progress toward the goal.

**Explanation of why the LEA has developed this goal:** Explain why the LEA developed this goal and how the actions and metrics grouped together will help achieve the goal.

### ***Maintenance of Progress Goal***

**Goal Description:** Describe how the LEA intends to maintain the progress made in the LCFF State Priorities not addressed by the other goals in the LCAP. Use this type of goal to address the state priorities and applicable metrics not addressed within the other goals in the LCAP. The state priorities and metrics to be addressed in this section are those for which the LEA, in consultation with stakeholders, has determined to maintain actions and monitor progress while focusing implementation efforts on the actions covered by other goals in the LCAP.

**Explanation of why the LEA has developed this goal:** Explain how the actions will sustain the progress exemplified by the related metrics.

### ***Measuring and Reporting Results:***

For each LCAP year, identify the metric(s) that the LEA will use to track progress toward the expected outcomes. LEAs are encouraged to identify metrics for specific student groups, as appropriate, including expected outcomes that would reflect narrowing of any existing performance gaps.

Include in the baseline column the most recent data associated with this metric available at the time of adoption of the LCAP for the first year of the three-year plan. LEAs may use data as reported on the 2019 Dashboard for the baseline of a metric only if that data represents the most recent available (e.g. high school graduation rate).

Using the most recent data available may involve reviewing data the LEA is preparing for submission to the California Longitudinal Pupil Achievement Data System (CALPADS) or data that the LEA has recently submitted to CALPADS. Because final 2020–2021 outcomes on some metrics may not be computable at the time the 2021–24 LCAP is adopted (e.g. graduation rate, suspension rate), the most recent data available may include a point in time calculation taken each year on the same date for comparability purposes.

The baseline data shall remain unchanged throughout the three-year LCAP.

Complete the table as follows:

- **Metric:** Indicate how progress is being measured using a metric.
- **Baseline:** Enter the baseline when completing the LCAP for 2021–22. As described above, the baseline is the most recent data associated with a metric. Indicate the school year to which the data applies, consistent with the instructions above.
- **Year 1 Outcome:** When completing the LCAP for 2022–23, enter the most recent data available. Indicate the school year to which the data applies, consistent with the instructions above.
- **Year 2 Outcome:** When completing the LCAP for 2023–24, enter the most recent data available. Indicate the school year to which the data applies, consistent with the instructions above.
- **Year 3 Outcome:** When completing the LCAP for 2024–25, enter the most recent data available. Indicate the school year to which the data applies, consistent with the instructions above. The 2024–25 LCAP will be the first year in the next three-year cycle. Completing this column will be part of the Annual Update for that year.
- **Desired Outcome for 2023-24:** When completing the first year of the LCAP, enter the desired outcome for the relevant metric the LEA expects to achieve by the end of the 2023–24 LCAP year.

Timeline for completing the “**Measuring and Reporting Results**” part of the Goal.

Metric	Baseline	Year 1 Outcome	Year 2 Outcome	Year 3 Outcome	Desired Outcome for Year 3 (2023-24)
Enter information in this box when completing the LCAP for <b>2021–22</b> .	Enter information in this box when completing the LCAP for <b>2021–22</b> .	Enter information in this box when completing the LCAP for <b>2022–23</b> . Leave blank until then.	Enter information in this box when completing the LCAP for <b>2023–24</b> . Leave blank until then.	Enter information in this box when completing the LCAP for <b>2024–25</b> . Leave blank until then.	Enter information in this box when completing the LCAP for <b>2021–22</b> .

The metrics may be quantitative or qualitative; but at minimum, an LEA’s LCAP must include goals that are measured using all of the applicable metrics for the related state priorities, in each LCAP year as applicable to the type of LEA. To the extent a state priority does not specify one or more metrics (e.g., implementation of state academic content and performance standards), the LEA must identify a metric to use within the LCAP. For these state priorities, LEAs are encouraged to use metrics based on or reported through the relevant self-reflection tool for local indicators within the Dashboard.

**Actions:** Enter the action number. Provide a short title for the action. This title will also appear in the expenditure tables. Provide a description of the action. Enter the total amount of expenditures associated with this action. Budgeted expenditures from specific fund sources will be provided in the summary expenditure tables. Indicate whether the action contributes to meeting the increase or improved services requirement as described in the Increased or Improved Services section using a “Y” for Yes or an “N” for No. (Note: for each such action offered on an LEA-wide or schoolwide basis, the LEA will need to provide additional information in the Increased or Improved Summary Section to address the requirements in *California Code of Regulations, Title 5 [5 CCR] Section 15496(b)* in the Increased or Improved Services Section of the LCAP).

**Actions for English Learners:** School districts, COEs, and charter schools that have a numerically significant English learner student subgroup must include specific actions in the LCAP related to, at a minimum, the language acquisition programs, as defined in *EC Section 306*, provided to students and professional development activities specific to English learners.

**Actions for Foster Youth:** School districts, COEs, and charter schools that have a numerically significant Foster Youth student subgroup are encouraged to include specific actions in the LCAP designed to meet needs specific to Foster Youth students.

**Goal Analysis:**

Enter the LCAP Year

Using actual annual measurable outcome data, including data from the Dashboard, analyze whether the planned actions were effective in achieving the goal. Respond to the prompts as instructed.

- Describe the overall implementation of the actions to achieve the articulated goal. Include a discussion of relevant challenges and successes experienced with the implementation process. This must include any instance where the LEA did not implement a planned action or implemented a planned action in a manner that differs substantively from how it was described in the adopted LCAP.
- Explain material differences between Budgeted Expenditures and Estimated Actual Expenditures. Minor variances in expenditures do not need to be addressed, and a dollar-for-dollar accounting is not required.
- Describe the effectiveness of the specific actions to achieve the articulated goal as measured by the LEA. In some cases, not all actions in a goal will be intended to improve performance on all of the metrics associated with the goal. When responding to this prompt, LEAs may assess the effectiveness of a single action or group of actions within the goal in the context of performance on a single metric or group of specific metrics within the goal that are applicable to the action(s). Grouping actions with metrics will allow for more robust analysis of whether the strategy the LEA is using to impact a specified set of metrics is working and increase transparency for stakeholders. LEAs are encouraged to use such an approach when goals include multiple actions and metrics that are not closely associated.
- Describe any changes made to this goal, expected outcomes, metrics, or actions to achieve this goal as a result of this analysis and analysis of the data provided in the Dashboard or other local data, as applicable.

## **Increased or Improved Services for Foster Youth, English Learners, and Low-Income Students**

### **Purpose**

A well-written Increased or Improved Services section provides stakeholders with a comprehensive description, within a single dedicated section, of how an LEA plans to increase or improved services for its unduplicated students as compared to all students and how LEA-wide or schoolwide actions identified for this purpose meet regulatory requirements. Descriptions provided should include sufficient detail yet be sufficiently succinct to promote a broader understanding of stakeholders to facilitate their ability to provide input. An LEA's description in this section must align with the actions included in the Goals and Actions section as contributing.

### **Requirements and Instructions**

This section must be completed for each LCAP year.

When developing the LCAP in year 2 or year 3, copy the "Increased or Improved Services" section and enter the appropriate LCAP year. Using the copy of the section, complete the section as required for the relevant LCAP year. Retain all prior year sections for each of the three years within the LCAP.

**Percentage to Increase or Improve Services:** Identify the percentage by which services for unduplicated pupils must be increased or improved as compared to the services provided to all students in the LCAP year as calculated pursuant to 5 CCR Section 15496(a)(7).

**Increased Apportionment based on the enrollment of Foster Youth, English Learners, and Low-Income Students:** Specify the estimate of the amount of funds apportioned on the basis of the number and concentration of unduplicated pupils for the LCAP year.

**Required Descriptions:**

**For each action being provided to an entire school, or across the entire school district or county office of education (COE), an explanation of (1) how the needs of foster youth, English learners, and low-income students were considered first, and (2) how these actions are effective in meeting the goals for these students.**

For each action included in the Goals and Actions section as contributing to the increased or improved services requirement for unduplicated pupils and provided on an LEA-wide or schoolwide basis, the LEA must include an explanation consistent with 5 CCR Section 15496(b). For any such actions continued into the 2021–24 LCAP from the 2017–2020 LCAP, the LEA must determine whether or not the action was effective as expected, and this determination must reflect evidence of outcome data or actual implementation to date.

**Principally Directed and Effective:** An LEA demonstrates how an action is principally directed towards and effective in meeting the LEA’s goals for unduplicated students when the LEA explains how:

- It considers the needs, conditions, or circumstances of its unduplicated pupils;
- The action, or aspect(s) of the action (including, for example, its design, content, methods, or location), is based on these considerations; and
- The action is intended to help achieve an expected measurable outcome of the associated goal.

As such, the response provided in this section may rely on a needs assessment of unduplicated students.

Conclusory statements that a service will help achieve an expected outcome for the goal, without an explicit connection or further explanation as to how, are not sufficient. Further, simply stating that an LEA has a high enrollment percentage of a specific student group or groups does not meet the increase or improve services standard because enrolling students is not the same as serving students.

For example, if an LEA determines that low-income students have a significantly lower attendance rate than the attendance rate for all students, it might justify LEA-wide or schoolwide actions to address this area of need in the following way:

After assessing the needs, conditions, and circumstances of our low-income students, we learned that the attendance rate of our low-income students is 7% lower than the attendance rate for all students. (Needs, Conditions, Circumstances [Principally Directed])

In order to address this condition of our low-income students, we will develop and implement a new attendance program that is designed to address some of the major causes of absenteeism, including lack of reliable transportation and food, as well as a school

climate that does not emphasize the importance of attendance. Goal N, Actions X, Y, and Z provide additional transportation and nutritional resources as well as a districtwide educational campaign on the benefits of high attendance rates. (Contributing Action(s))

These actions are being provided on an LEA-wide basis and we expect/hope that all students with less than a 100% attendance rate will benefit. However, because of the significantly lower attendance rate of low-income students, and because the actions meet needs most associated with the chronic stresses and experiences of a socio-economically disadvantaged status, we expect that the attendance rate for our low-income students will increase significantly more than the average attendance rate of all other students. (Measurable Outcomes [Effective In])

**COEs and Charter Schools:** Describe how actions included as contributing to meeting the increased or improved services requirement on an LEA-wide basis are principally directed to and effective in meeting its goals for unduplicated pupils in the state and any local priorities as described above. In the case of COEs and charter schools, schoolwide and LEA-wide are considered to be synonymous.

## For School Districts Only:

### Actions Provided on an LEA-Wide Basis:

**Unduplicated Percentage > 55%:** For school districts with an unduplicated pupil percentage of 55% or more, describe how these actions are principally directed to and effective in meeting its goals for unduplicated pupils in the state and any local priorities as described above.

**Unduplicated Percentage < 55%:** For school districts with an unduplicated pupil percentage of less than 55%, describe how these actions are principally directed to and effective in meeting its goals for unduplicated pupils in the state and any local priorities. Also describe how the actions **are the most effective use of the funds** to meet these goals for its unduplicated pupils. Provide the basis for this determination, including any alternatives considered, supporting research, experience, or educational theory.

### Actions Provided on a Schoolwide Basis:

School Districts must identify in the description those actions being funded and provided on a schoolwide basis, and include the required description supporting the use of the funds on a schoolwide basis.

**For schools with 40% or more enrollment of unduplicated pupils:** Describe how these actions are principally directed to and effective in meeting its goals for its unduplicated pupils in the state and any local priorities.

**For school districts expending funds on a schoolwide basis at a school with less than 40% enrollment of unduplicated pupils:** Describe how these actions are principally directed to and how the actions are the most effective use of the funds to meet its goals for foster youth, English learners, and low-income students in the state and any local priorities.

**“A description of how services for foster youth, English learners, and low-income students are being increased or improved by the percentage required.”**

Consistent with the requirements of 5 CCR Section 15496, describe how services provided for unduplicated pupils are increased or improved by at least the percentage calculated as compared to the services provided for all students in the LCAP year. To improve services means to grow services in quality and to increase services means to grow services in quantity. Services are increased or improved by those actions in the LCAP that are included in the Goals and Actions section as contributing to the increased or improved services requirement. This description must address how these action(s) are expected to result in the required proportional increase or improvement in services for unduplicated pupils as compared to the services the LEA provides to all students for the relevant LCAP year.

## Expenditure Tables

Complete the Data Entry table for each action in the LCAP. The information entered into this table will automatically populate the other Expenditure Tables. All information is entered into the Data Entry table. Do not enter data into the other tables.

The following expenditure tables are required to be included in the LCAP as adopted by the local governing board or governing body:

- Table 1: Actions
- Table 2: Total Expenditures
- Table 3: Contributing Expenditures
- Table 4: Annual Update Expenditures

The Data Entry table may be included in the LCAP as adopted by the local governing board or governing body, but is not required to be included.

In the Data Entry table, provide the following information for each action in the LCAP for the relevant LCAP year:

- **Goal #:** Enter the LCAP Goal number for the action.
- **Action #:** Enter the action's number as indicated in the LCAP Goal.
- **Action Title:** Provide a title of the action.
- **Student Group(s):** Indicate the student group or groups who will be the primary beneficiary of the action by entering "All", or by entering a specific student group or groups.
- **Increased / Improved:** Type "Yes" if the action is included as contributing to meeting the increased or improved services; OR, type "No" if the action is **not** included as contributing to meeting the increased or improved services.
- If "Yes" is entered into the Contributing column, then complete the following columns:

- **Scope:** The scope of an action may be LEA-wide (i.e. districtwide, countywide, or charterwide), schoolwide, or limited. An action that is LEA-wide in scope upgrades the entire educational program of the LEA. An action that is schoolwide in scope upgrades the entire educational program of a single school. An action that is limited in its scope is an action that serves only one or more unduplicated student groups.
- **Unduplicated Student Group(s):** Regardless of scope, contributing actions serve one or more unduplicated student groups. Indicate one or more unduplicated student groups for whom services are being increased or improved as compared to what all students receive.
- **Location:** Identify the location where the action will be provided. If the action is provided to all schools within the LEA, the LEA must indicate “All Schools”. If the action is provided to specific schools within the LEA or specific grade spans only, the LEA must enter “Specific Schools” or “Specific Grade Spans”. Identify the individual school or a subset of schools or grade spans (e.g., all high schools or grades K-5), as appropriate.
- **Time Span:** Enter “ongoing” if the action will be implemented for an indeterminate period of time. Otherwise, indicate the span of time for which the action will be implemented. For example, an LEA might enter “1 Year”, or “2 Years”, or “6 Months”.
- **Personnel Expense:** This column will be automatically calculated based on information provided in the following columns:
  - **Total Personnel:** Enter the total amount of personnel expenditures utilized to implement this action.
  - **Total Non-Personnel:** This amount will be automatically calculated.
- **LCFF Funds:** Enter the total amount of LCFF funds utilized to implement this action, if any. LCFF funds include all funds that make up an LEA’s total LCFF target (i.e. base grant, grade span adjustment, supplemental grant, concentration grant, Targeted Instructional Improvement Block Grant, and Home-To-School Transportation).
- **Other State Funds:** Enter the total amount of Other State Funds utilized to implement this action, if any.
- **Local Funds:** Enter the total amount of Local Funds utilized to implement this action, if any.
- **Federal Funds:** Enter the total amount of Federal Funds utilized to implement this action, if any.
- **Total Funds:** This amount is automatically calculated based on amounts entered in the previous four columns.

## 2021-22 LCFF Budget Overview for Parents Data Input Sheet

<b>Local Educational Agency (LEA) Name:</b>	Magnolia Science Academy-3
<b>CDS Code:</b>	19-10199-0115030
<b>LEA Contact Information:</b>	Name: Zekeriya Ocel Position: Principal Email: zocel@magnoliapublicschools.org Phone: (310) 637-3806
<b>Coming School Year:</b>	2021-22
<b>Current School Year:</b>	2020-21

\*NOTE: The "High Needs Students" referred to in the tables below are Unduplicated Students for LCFF funding purposes.

<b>Projected General Fund Revenue for the 2021-22 School Year</b>	<b>Amount</b>
<b>Total LCFF Funds</b>	\$4,547,029
<b>LCFF Supplemental &amp; Concentration Grants</b>	\$778,564
<b>All Other State Funds</b>	\$829,312
<b>All Local Funds</b>	\$20,000
<b>All federal funds</b>	\$1,249,755
<b>Total Projected Revenue</b>	\$6,646,096

<b>Total Budgeted Expenditures for the 2021-22 School Year</b>	<b>Amount</b>
<b>Total Budgeted General Fund Expenditures</b>	\$6,614,417
<b>Total Budgeted Expenditures in the LCAP</b>	\$6,614,417
<b>Total Budgeted Expenditures for High Needs Students in the LCAP</b>	\$2,251,827
<b>Expenditures not in the LCAP</b>	\$0

<b>Expenditures for High Needs Students in the 2020-21 School Year</b>	<b>Amount</b>
<b>Total Budgeted Expenditures for High Needs Students in the Learning Continuity Plan</b>	\$520,880
<b>Actual Expenditures for High Needs Students in Learning Continuity Plan</b>	\$469,428

<b>Funds for High Needs Students</b>	<b>Amount</b>
<b>2021-22 Difference in Projected Funds and Budgeted Expenditures</b>	\$1,473,263
<b>2020-21 Difference in Budgeted and Actual Expenditures</b>	\$-51,452

<b>Required Prompts(s)</b>	<b>Response(s)</b>
<b>Briefly describe any of the General Fund Budget Expenditures for the school year not included in the Local Control and Accountability Plan (LCAP).</b>	All general fund budget expenditures have been included in the LCAP.
<b>The total actual expenditures for actions and services to increase or improve services for high needs students in 2020-21 is less than the total budgeted</b>	As explained in the LCP analysis, the differences were due to savings by using online instructional materials and internal resources for PD. The planned actions and services were fully provided to high needs students.

**expenditures for those planned actions and services. Briefly describe how this difference impacted the actions and services and the overall increased or improved services for high needs students in 2020-21.**

--

## LCFF Budget Overview for Parents

Local Educational Agency (LEA) Name: Magnolia Science Academy-3

CDS Code: 19-10199-0115030

School Year: 2021-22

LEA contact information:

Zekeriya Ocel

Principal

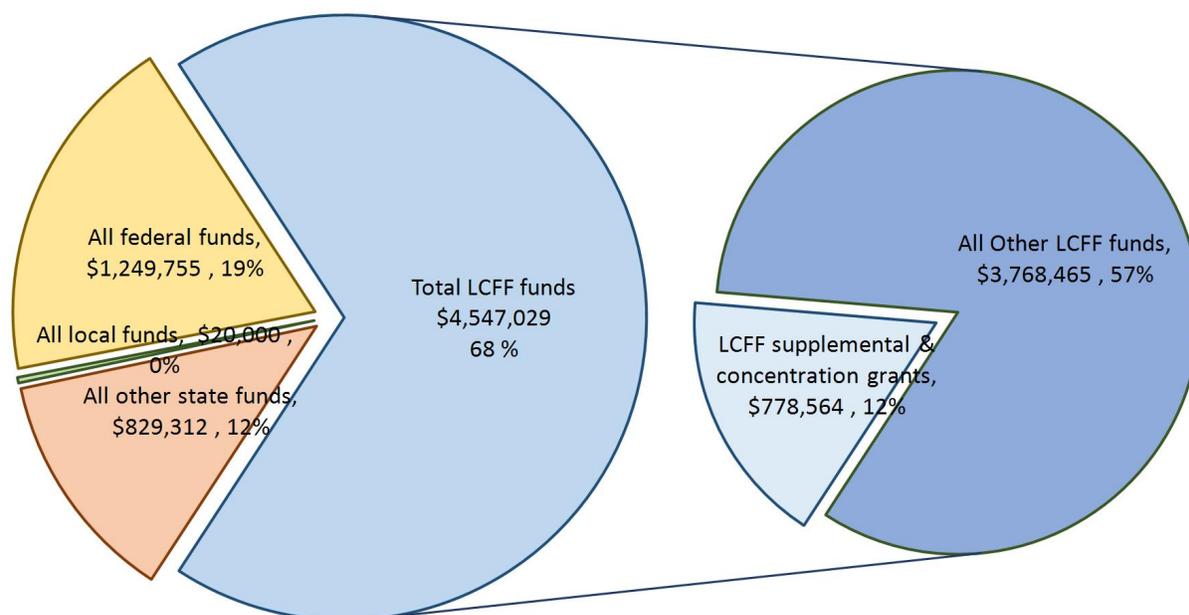

zocel@magnoliapublicschools.org

(310) 637-3806

School districts receive funding from different sources: state funds under the Local Control Funding Formula (LCFF), other state funds, local funds, and federal funds. LCFF funds include a base level of funding for all LEAs and extra funding - called "supplemental and concentration" grants - to LEAs based on the enrollment of high needs students (foster youth, English learners, and low-income students).

### Budget Overview for the 2021-22 School Year

#### Projected Revenue by Fund Source

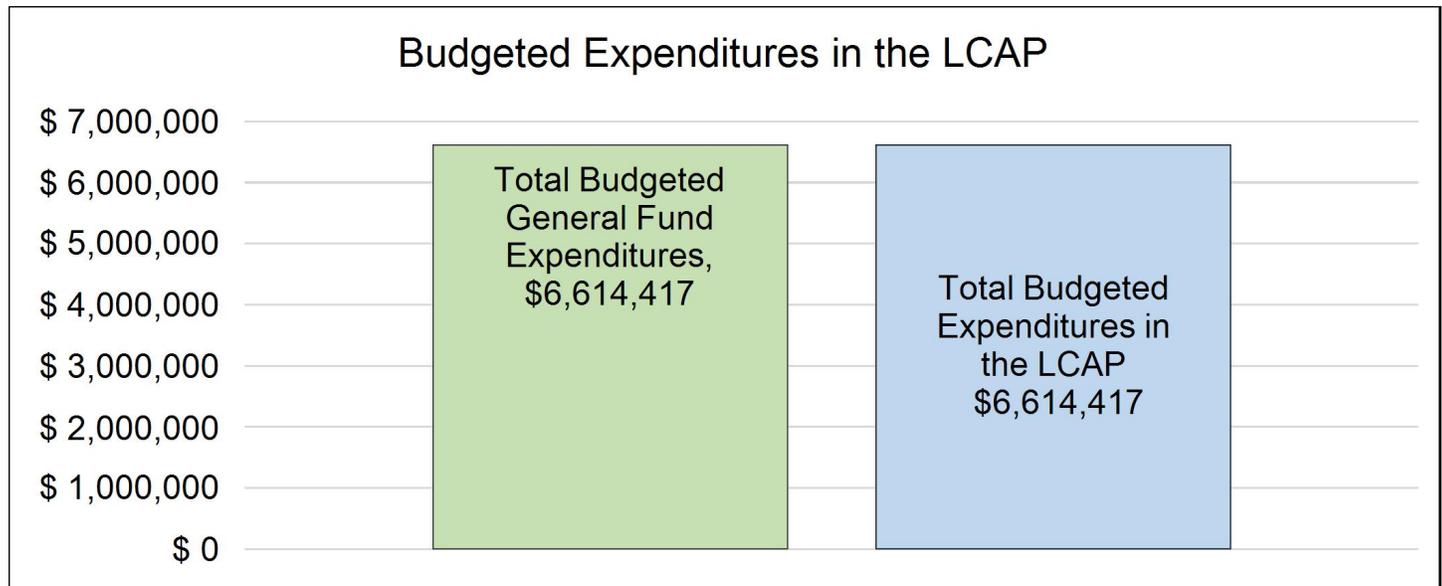

This chart shows the total general purpose revenue Magnolia Science Academy-3 expects to receive in the coming year from all sources.

The total revenue projected for Magnolia Science Academy-3 is \$6,646,096, of which \$4,547,029 is Local Control Funding Formula (LCFF), \$829,312 is other state funds, \$20,000 is local funds, and \$1,249,755 is

federal funds. Of the \$4,547,029 in LCFF Funds, \$778,564 is generated based on the enrollment of high needs students (foster youth, English learner, and low-income students).

## LCFF Budget Overview for Parents

The LCFF gives school districts more flexibility in deciding how to use state funds. In exchange, school districts must work with parents, educators, students, and the community to develop a Local Control and Accountability Plan (LCAP) that shows how they will use these funds to serve students.

This chart provides a quick summary of how much Magnolia Science Academy-3 plans to spend for 2021-22. It shows how much of the total is tied to planned actions and services in the LCAP.

Magnolia Science Academy-3 plans to spend \$6,614,417 for the 2021-22 school year. Of that amount, \$6,614,417 is tied to actions/services in the LCAP and \$0 is not included in the LCAP. The budgeted expenditures that are not included in the LCAP will be used for the following:

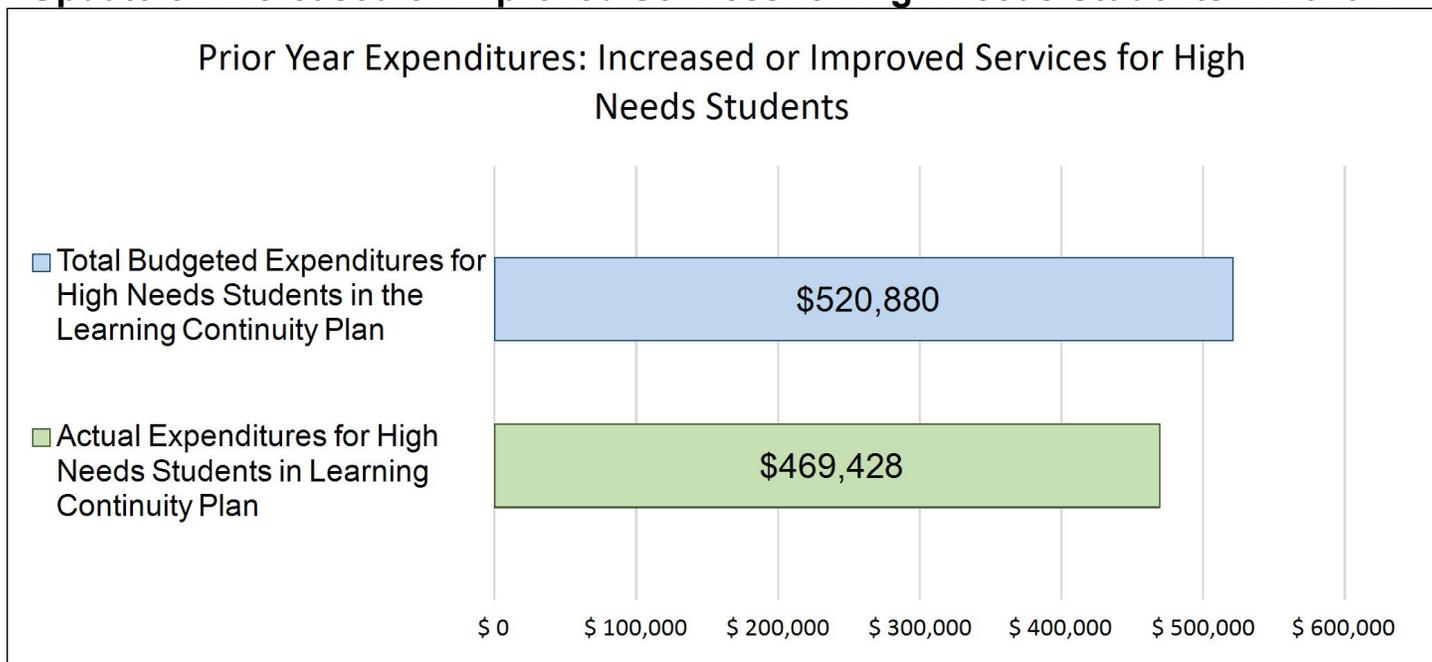

All general fund budget expenditures have been included in the LCAP.

### Increased or Improved Services for High Needs Students in the LCAP for the 2021-22 School Year

In 2021-22, Magnolia Science Academy-3 is projecting it will receive \$778,564 based on the enrollment of foster youth, English learner, and low-income students. Magnolia Science Academy-3 must describe how it intends to increase or improve services for high needs students in the LCAP. Magnolia Science Academy-3 plans to spend \$2,251,827 towards meeting this requirement, as described in the LCAP.

## LCFF Budget Overview for Parents

### Update on Increased or Improved Services for High Needs Students in 2020-21

This chart compares what Magnolia Science Academy-3 budgeted last year in the Learning Continuity Plan for actions and services that contribute to increasing or improving services for high needs students with what Magnolia Science Academy-3 estimates it has spent on actions and services that contribute to increasing or improving services for high needs students in the current year.

In 2020-21, Magnolia Science Academy-3's Learning Continuity Plan budgeted \$520,880 for planned actions to increase or improve services for high needs students. Magnolia Science Academy-3 actually spent \$469,428 for actions to increase or improve services for high needs students in 2020-21.

As explained in the LCP analysis, the differences were due to savings by using online instructional materials and internal resources for PD. The planned actions and services were fully provided to high needs students.

# Annual Update for Developing the 2021-22 Local Control and Accountability Plan

## Annual Update for the 2019–20 Local Control and Accountability Plan Year

LEA Name	Contact Name and Title	Email and Phone
Magnolia Science Academy-3	Zekeriya Ocel Principal	zocel@magnoliapublicschools.org (310) 637-3806

The following is the local educational agency's (LEA's) analysis of its goals, measurable outcomes and actions and services from the 2019-20 Local Control and Accountability Plan (LCAP).

# Goal 1

EXCELLENCE: All students will pursue academic excellence and be college/career ready.

State and/or Local Priorities addressed by this goal:

State Priorities:     Priority 1: Basic (Conditions of Learning)  
                           Priority 2: State Standards (Conditions of Learning)  
                           Priority 4: Pupil Achievement (Pupil Outcomes)  
                           Priority 8: Other Pupil Outcomes (Pupil Outcomes)

Local Priorities:

## Annual Measurable Outcomes

Expected	Actual
<p><b>Metric/Indicator</b>            Percentage of teachers who will be appropriately assigned and fully credentialed as required by law and the charter</p> <p><b>19-20</b>            100%</p> <p><b>Baseline</b>            100%</p>	<p>2019-20:            100%</p>
<p><b>Metric/Indicator</b>            Percentage of students who will have sufficient access to standards-aligned instructional materials</p> <p><b>19-20</b>            100%</p> <p><b>Baseline</b>            100%</p>	<p>2019-20:            100%</p>
<p><b>Metric/Indicator</b>            Percentage of items on facility inspection checklists in compliance/good standing</p> <p><b>19-20</b></p>	<p>2019-20:            100%</p>

Expected	Actual
<p>90%</p> <p><b>Baseline</b> 90%</p>	
<p><b>Metric/Indicator</b> Percentage of students performing proficient on the CAASPP-ELA/Literacy assessments (Grades 3-8):</p> <p><b>19-20</b> 2019-20 (Expected): All Students: 3 percentage points up from the prior year 5 percentage points up from the prior year English Learners: 3 percentage points up from the prior year Socioeconomically Disadvantaged: 3 percentage points up from the prior year Students with Disabilities: 3 percentage points up from the prior year African American: 3 percentage points up from the prior year Hispanic: 3 percentage points up from the prior year</p> <p><b>Baseline</b> 2016-17 (Baseline): All Students: 43% English Learners: Less than 1% Socioeconomically Disadvantaged: 40% Students with Disabilities: 11% African American: 41.16% Hispanic: 42.22%</p>	<p>2018-19: All Students: 35.67% English Learners: 5.88% Socioeconomically Disadvantaged: 39.75% Students with Disabilities: 5.88% African American: 31.65% Hispanic: 39.74%</p>

## Goal Analysis

A description of how funds budgeted for Actions/Services that were not implemented were used to support students, families, teachers, and staff.

Goal 1: Action 1: Planned: \$3000 Actual : \$0. We did not have any teacher to enroll to EL Authorization courses.

Goal 1: Action 1 :Planned : \$4000 Actual: \$0. We handled PD internally and due to Covid we could not continue with our PD plan.

Goal 1: Action 2: Planned: \$51,000 Actual: \$88,000 We had to buy additional textbooks and instructional materials, including 8th grade new Inspire science textbooks.

Goal 1: Action 3: Planned: \$5,000 Actual:\$200 We were planning to hire a janitor, but LAUSD is providing janitorial services within the Prop 39 agreement.

Goal 1: Action 4: Planned: \$30,000 Actual:\$12,000 Teachers PD. Due to COVID-19 situation, we could not spend as planned, but we still provided free online PD sessions.

Goal 1: Action 5: Planned: \$65,318 Actual: \$0 We were planning to hire a separate EL coordinator, but we ended up using our current teachers to cover EL coordinator duties

Goal 1: Action 6: Planned: \$3,000 Actual:\$0 PD on ELD strategies - MSA-3 provided this PD internally via MPS Home Office staff.

Goal 1: Action 7: Planned: \$74,000 Actual: \$0 We were planning to hire intervention teachers. Instead of an intervention teacher we used instructional aides to provide intervention services.

Goal 1: Action 8: Planned: \$20,000 Actual: \$0 Due to COVID-19 we canceled some of the activities and field trips we had planned. This is also a duplicate item; field trip expenses are covered in Goal 2: Action 1.

Goal 1: Action 8: Facilities: \$25,000 budgeted, and \$0 spent.

Goal 1: Action 12: Planned: \$7,000 Actual: \$12,000 We needed more college preparatory materials.

A description of the successes and challenges in implementing the actions/services to achieve the goal.

As a result of the Covid-19 physical closure of MSA3 during March of 2020, MSA3 was unable to implement the previously scheduled assessments which included the NWEA MAP Spring assessment for all students, as well as the CAASPP in ELA and math. As such, we were unable to assess the ultimate annual academic growth which we typically are able to gather to reassess our academic programs and interventions during typical school years. Nonetheless, we did implement the NWEA MAP during the fall 2019 semester as a benchmark of data in ELA and math which can still be used to compare our growth from previous academic years. Further, during Covid-19, our EL testing coordinator was unable to administer the ELPAC assessment to demonstrate the actual level of growth in the acquisition of English for our English Learner student population which we typically are able to evaluate when measuring our success in meeting our goals. As such, our RFEP rates during this school year were not an accurate measurement of the work and efforts which MSA3 teachers and EL support staff implemented throughout the year. Despite students being on distance learning, additional support continued to be provided by teachers during after school tutoring, and office hours which were provided on a regular basis via Zoom to all students during Covid-19 physical closures to our campus.

## Goal 2

INNOVATION: All students will become independent, innovative scholars.

State and/or Local Priorities addressed by this goal:

State Priorities:     Priority 7: Course Access (Conditions of Learning)  
                           Priority 8: Other Pupil Outcomes (Pupil Outcomes)

Local Priorities:

### Annual Measurable Outcomes

Expected	Actual
<p><b>Metric/Indicator</b>            Percentage of the programs and services outlined in the charter petition that will be provided as measured by student interest surveys for elective courses and programs, master school schedule, and class rosters</p> <p><b>19-20</b>            100%</p> <p><b>Baseline</b>            100%</p>	<p>2019-20:            100%</p>
<p><b>Metric/Indicator</b>            Percentage of students who will have sufficient access to all academic and educational programs provided by the Charter School as measured by student interest surveys for elective courses and programs, master school schedule, and class rosters</p> <p><b>19-20</b>            100%</p> <p><b>Baseline</b>            100%</p>	<p>2019-20:            100%</p>

## Goal Analysis

A description of how funds budgeted for Actions/Services that were not implemented were used to support students, families, teachers, and staff.

Goal 2: Action 1: Online Courses: Planned: \$10,000 Actual: \$4,500: We had fewer students who needed credit recovery than expected.

Goal 2: Action 4: Planned: \$11,617 Actual: \$5,367 We did not need as many Chromebooks as planned.

A description of the successes and challenges in implementing the actions/services to achieve the goal.

MSA3 takes steps to offer classes, electives, programs, and services which are specified within our charter petition. The particular details as to which offerings are made available to students within each school year is correlated with the interest which is shared by pupils. The overall course offerings at MSA3 each academic year are specifically created with the purpose of servicing the needs of each pupil at our school. We compile recommendations for courses from students during meetings with our Dean of Academics, and College Counselor. This information is incorporated into the planning phases for selecting courses.

Additionally, MSA3 works to ensure that our 12th grade students will graduate with their A-G requirements being fulfilled so they are eligible to be accepted into the UC and CSU systems. Throughout their four years in high school, our students all receive a balanced schedule of course offerings across all areas, including the additionally rigorous opportunity to enroll in courses.

Many of the academic competitions which our students had the opportunity to participate in during their end of this year were not possible during distance learning.  
Our 12th and 8th grade students were able to compete in their graduation and culmination ceremonies virtually to celebrate the students' accomplishments.

## Goal 3

CONNECTION: All students, families, staff, and other stakeholders will feel a sense of community and connectedness.

State and/or Local Priorities addressed by this goal:

State Priorities:    Priority 3: Parental Involvement (Engagement)  
                           Priority 5: Pupil Engagement (Engagement)  
                           Priority 6: School Climate (Engagement)

Local Priorities:

### Annual Measurable Outcomes

Expected	Actual

## Goal Analysis

A description of how funds budgeted for Actions/Services that were not implemented were used to support students, families, teachers, and staff.

Goal 3: Action 1 & 2: Actual: \$5,000 Planned: \$0. We had to cancel our school based parent activities due to Covid-19.

Goal 3: Action 4: Home visit compensation decrease: Due to Covid-19, we could not complete our Homevisits.

Goal 3: Action 5: Edge Coaching. We did not have this service. We got this service covered with our MFT counselor.

Goal 3: Action 6: Planned: \$96,812 Actual: \$125,402 Office Clerk Salaries: We needed additional person for the front office tasks.

Goal 3: Action 9: PBIS spending decrease: MSA-3 handled the PBIS PD internally.

A description of the successes and challenges in implementing the actions/services to achieve the goal.

MSA3 conducted important meetings with parents, staff, and students which included the Coffee with admin weekly meetings throughout the duration of the academic year, including via Zoom through distance learning during Covid-19. Our parents were kept up to speed regarding their academic progress, attendance and behavior of their children by means of our Illuminate SIS, in addition to our utilization of ParentSquare as a manner to maintain open communication with parents. Academic progress report grades were distributed and printed as well as mailed to student homes each quarter, as well as end of semester official grades. During distance learning, parents were able to receive their students grades via ParentSquare private messages as well. The school continued to hold meetings with parents virtually via Zoom during the last few months of the school year once Covid-19 required the physical campus to close down.

During the first three quarters of the year, the school conducted home visits with teachers and school administrators to support students and their families. Once Covid-19 caused the school to close down, our school administration continued to conduct home visits to provide students with technology and to provide support for students' mental health needs.

Throughout this academic year, ADA was our challenge. MSA3 worked on improving ADA, including during distance learning as a result of reassigning our support members to oversee student attendance reconciliation . This support helped families have an even smaller ratio of staff member to serve their child's needs, and to provide information to the school regarding any issues which were shared by the parents during this time. MSA3 maintained a low expulsion rate of 0%, as well as a suspension rate of below 0.5% during this time as well as a result of our PBIS

approach to incorporating positive interventions to help redirect student misbehavior. MSA2 has continued to receive training from LACOE with its PBIS program in order to support the school's effort to improve in this area.

MSA3 incorporated our annual stakeholder surveys in order to discover areas of strength which are shared by various stakeholder groups, as well as areas which we can target to improve.

# Annual Update for the 2020–21 Learning Continuity and Attendance Plan

The following is the local educational agency's (LEA's) analysis of its 2020-21 Learning Continuity and Attendance Plan (Learning Continuity Plan).

## In-Person Instructional Offerings

### Actions Related to In-Person Instructional Offerings

Description	Total Budgeted Funds	Estimated Actual Expenditures	Contributing
Addition of a Certified Nurse Assistant on-site 6 hours/day to provide health screenings and temperature checks for staff, students and parents/visitors	\$44,000	44,000	No
Hiring of psychologist to effectively support Students with IEPs.	\$75,000	75,000	Yes
Hiring of additional EL Coordinator to support learning loss for EL student population	\$5,000	5,000	Yes
Substitute coverage by MSA-3 core teachers	\$11,200	11,200	Yes
Hiring of Title-1 Coordinator (Math) to address the needs of underperforming groups (African American, EL). Great emphasis will be made to support students within the Tier 2 and 3 intervention groups with the extended learning opportunities to close the achievement gaps	\$52,000	52,000	Yes
Learning Platforms to Enhance Learning ( BrainPop, NWEA MAP, Aleks, Nearpod, Odysseyware etc.)	\$48,200	34,673	Yes

A description of any substantive differences between the planned actions and/or budgeted expenditures for in-person instruction and what was implemented and/or expended on the actions.

Wed did not have substantive differences between total budget vs estimated.

## Analysis of In-Person Instructional Offerings

A description of the successes and challenges in implementing in-person instruction in the 2020-21 school year.

During the 2020-21 academic year, MSA3 incorporated the addition of a CNA (Certified Nurse's Assistant) who works for 6 hours each week day on campus to conduct health screenings as well to take temperatures of all individuals prior to entering campus. This additional service provides a significant support to the school during this time, since the presence of a trained individual provides more support and confidence in the safety and wellbeing of the campus. This has led to increased percentages of families opting to have their children participate in hybrid learning at MSA3 during the Spring semester.

In addition to adding a CNA this year, MSA3 has taken numerous steps to keep the school safe and clean during this academic year.

During distance learning, MSA3 has continued to monitor the academic performance of our students by means of utilizing the NWEA MAP assessments which are administered twice annually for all students.

EL students continue to receive interventions via Zoom, including with their counseling sessions which take place virtually.

## Distance Learning Program

### Actions Related to the Distance Learning Program

Description	Total Budgeted Funds	Estimated Actual Expenditures	Contributing
Equipment to ensure connectivity for students such as the additional purchase of Chromebooks and Hot Spots and other associated materials	\$101,700	101,700	Yes
Purchase of online books to ensure teachers deliver high-quality instruction through remote/distance learning	\$42,693	8,746	Yes
Staff PD related to distance learning and technology integrated instruction	\$18,083	10,500	Yes

A description of any substantive differences between the planned actions and/or budgeted expenditures for the distance learning program and what was implemented and/or expended on the actions.

The only major difference is the online books. MSA-3 did not need much online books as most of the books have already been digital using McGraw Hill or Study Sync materials.

We have used our internal sources to provide PD to our teachers using MPS Home office staff.

### Analysis of the Distance Learning Program

A description of the successes and challenges in implementing each of the following elements of the distance learning program in the 2020-21 school year, as applicable: Continuity of Instruction, Access to Devices and Connectivity, Pupil Participation and Progress, Distance Learning Professional Development, Staff Roles and Responsibilities, and Support for Pupils with Unique Needs.

MSA-3 has provided every student who needed a chromebook and hotspot device. This provided students to have access to all curriculum. We have provided PD's via Magnolia Home Office services. In addition, our lead teachers were able to support the staff who needed training on Google Classroom, use of technology.

## Pupil Learning Loss

### Actions Related to the Pupil Learning Loss

Description	Total Budgeted Funds	Estimated Actual Expenditures	Contributing
After school program aligned to meet the needs of students during distance learning, this includes additional academic and mentoring support, extracurricular activities to expand learning and engage students and provide additional teacher stipends to support and enrich the academic program.	\$115,304	122,745.79	Yes
Summer Enrichment Program was provided virtually in July 2020 to provide additional educational opportunities in order to mitigate summer learning loss and prepare students for their transition to middle school.	\$20,000	16,663	Yes
Saturday school and additional office hours will be provided to all students during the 2020-21 school year to support student learning and mitigate learning loss. Great emphasis will be made to support students within the Tier 2 and 3 intervention groups with the extended learning opportunities to close the achievement gaps.	\$20,000	20,000	Yes

A description of any substantive differences between the planned actions and/or budgeted expenditures for addressing pupil learning loss and what was implemented and/or expended on the actions.

There is not much substantive change with the budgeted and allocated expenditures.

### Analysis of Pupil Learning Loss

A description of the successes and challenges in addressing Pupil Learning Loss in the 2020-21 school year and an analysis of the effectiveness of the efforts to address Pupil Learning Loss to date.

We had a great support program with our after school program, and Saturday school. MSA-3 offered summer school to all students as an opportunity. We opened middle school Math, English and High school credit recovery programs. Saturday school helped our Tier 2 and Tier 3 students catch up with their work. This support continued every week except major Holiday long weekends.

## Analysis of Mental Health and Social and Emotional Well-Being

A description of the successes and challenges in monitoring and supporting mental health and social and emotional well-being in the 2020-21 school year.

MSA-3 had an MFT counselor to help students with their social emotional well-being. In addition, our counselor had virtual homevisits to check in with students who were having social-emotional issues. Students received weekly Social-Emotional Learning support during Advisory and SSR classes which were led by the the Dean of Students, the Director of Student Services, and the PBIS Coach, where students were provided with videos which taught weekly SEL themes from the Zones of Regulation curriculum. Suicide risk assessments were continued to be conducted during distance learning by our school psychologist and Dean of Students in order to provide additional mental health support to students in crisis as well. Our full time psychologist continued to provide counseling support sessions to students in need as well as to students with IEP virtually via Zoom, as well as in person. Our school conducted a SEL student survey in the winter which compiled data related to students in need, and the Dean of Students collaborated with the principal and school psychologist to provide interventions to support the students in greatest need. Our PBIS committee holds monthly meetings where they plan the monthly activities.

## Analysis of Pupil and Family Engagement and Outreach

A description of the successes and challenges in implementing pupil and family engagement and outreach in the 2020-21 school year.

Our school reassigned our support staff where they are responsible to oversee the students for attendance. This support has been provided to the school during distance learning as a manner to increase student engagement in learning, as these staff members make daily phone calls to families of students who are absent from classes. This communication provides us with the connection with families who often share addition challenges which are taking place with students. In addition, we continue to hold monthly Zoom with the Principal meetings to provide parents with an opportunity to share their feedback with the school related to their children, as well as to share important information with families. We also continue to hold ELAC, SSC meetings during distance learning where priorities are discussed and voted upon for approval and support by members from various stakeholder groups.

## Analysis of School Nutrition

A description of the successes and challenges in providing school nutrition in the 2020-21 school year.

We continue to provide free meals to all students on our campus during distance learning on Wednesdays throughout the academic year from 2p-4p. In addition, food is provided to students during in-person learning days during hybrid learning.

## Additional Actions and Plan Requirements

### Additional Actions to Implement the Learning Continuity Plan

Section	Description	Total Budgeted Funds	Estimated Actual Expenditures	Contributing
Mental Health and Social and Emotional Well-Being	Participation in PD to support SEL and development, including LACOE's PBIS Program 2020-21	\$5,000	4,500	Yes
Mental Health and Social and Emotional Well-Being	Purchase and training for Zones of Regulation SEL curriculum	\$700	700	Yes
Distance Learning Program (Staff Roles and Responsibilities)	Reimbursement for Essential employees for internet and phone usage during distance and hybrid learning	\$6,000	6,000	Yes

A description of any substantive differences between the planned actions and budgeted expenditures for the additional plan requirements and what was implemented and expended on the actions.

There is not substantive difference between budgeted funds vs actual expenditures.

### Overall Analysis

An explanation of how lessons learned from implementing in-person and distance learning programs in 2020-21 have informed the development of goals and actions in the 2021–24 LCAP.

At MSA3, our in-person instruction has strengthened with incorporating more technologies into the classroom. For example, purchasing Chromebooks for students, hotspots for internet, and interactive panels for teaching. We have utilized our core content curriculum and integrated supplemental materials that differentiate and support all learners. Our Distance Learning program has been made easy with the purchases of Chromebooks, hotspots, and extra teaching devices like cameras and accessing our online curriculum with fidelity. Our Hybrid Learning model started in April, 2021, with all grade levels from 6 -12 grade coming to school on Mondays and Tuesdays with the rest of the days are Distance Learning or Wednesday async work.

An explanation of how pupil learning loss continues to be assessed and addressed in the 2021–24 LCAP, especially for pupils with unique needs.

To support the learning loss of students, we at MSA3 have increased interventions from weekly after school to including Saturday invention/ tutoring opportunities. We have increased the length of our hours during Saturday School, and purchased an additional supplemental curriculum supporting math, ELA, science, and social studies.

A description of any substantive differences between the description of the actions or services identified as contributing towards meeting the increased or improved services requirement and the actions or services implemented to meet the increased or improved services requirement.

In supporting our students' and stakeholders' mental and social-emotional wellbeing, we have increased our surveys and partnered with Care Solace, a counseling program that supports our students, staff members, and families. We have also incorporated the SEL curriculum and mindfulness activities for all stakeholders. Under Pupil and Family engagement outreach, we have used increased the meeting frequency with all our stakeholders. Ensuring that their voices and school transparency are expressed. School nutrition has increased as we have been able to provide breakfast and lunches to all students.

## Overall Analysis of the 2019-20 LCAP and the 2020-21 Learning Continuity and Attendance Plan

A description of how the analysis and reflection on student outcomes in the 2019-20 LCAP and 2020-21 Learning Continuity and Attendance Plan have informed the development of the 21-22 through 23-24 LCAP.

At MSA3, our in-person instruction has strengthened with incorporating more technologies into the classroom. For example, purchasing chrome books for students, hotspots for internet. We have utilized our core content curriculum and integrated supplemental materials that differentiate and support all learners. Our Distance Learning program has been made easy with the purchases of Chromebooks, hotspots, and accessing our online curriculum with fidelity. To support the learning loss of students, we at MSA3 have increased interventions from weekly after school to including Saturday invention/ tutoring opportunities. We have increased the amount of hours, days, and teachers provided during Saturday Schools, and purchased an additional supplemental curriculum supporting math, ELA, science, and social studies. In supporting our student's and stakeholders' mental and social-emotional wellbeing, we have increased our surveys and partnered with Care Solace, a counseling program that supports our students, staff members, and families. We have also incorporated the SEL curriculum and mindfulness activities for all stakeholders. Under Pupil and Family engagement outreach, we have increased the meeting frequency with all our stakeholders. Ensuring that their voices and school transparency is expressed. School nutrition has increased as we have been able to provide breakfast and lunches to all students.

## Instructions: Introduction

The Annual Update Template for the 2019-20 Local Control and Accountability Plan (LCAP) and the Annual Update for the 2020–21 Learning Continuity and Attendance Plan must be completed as part of the development of the 2021-22 LCAP. In subsequent years, the Annual Update will be completed using the LCAP template and expenditure tables adopted by the State Board of Education.

*For additional questions or technical assistance related to the completion of the LCAP template, please contact the local COE, or the California Department of Education's (CDE's) Local Agency Systems Support Office by phone at 916-319-0809 or by email at [lcff@cde.ca.gov](mailto:lcff@cde.ca.gov).*

## Instructions: Annual Update for the 2019–20 Local Control and Accountability Plan Year

### Annual Update

The planned goals, state and/or local priorities, expected outcomes, actions/services, and budgeted expenditures must be copied verbatim from the approved 2019-20 Local Control and Accountability Plan (LCAP). Minor typographical errors may be corrected. Duplicate the Goal, Annual Measurable Outcomes, Actions / Services and Analysis tables as needed.

For each goal in 2019-20, identify and review the actual measurable outcomes as compared to the expected annual measurable outcomes identified in 2019-20 for the goal. If an actual measurable outcome is not available due to the impact of COVID-19 provide a brief explanation of why the actual measurable outcome is not available. If an alternative metric was used to measure progress towards the goal, specify the metric used and the actual measurable outcome for that metric.

Identify the planned Actions/Services, the budgeted expenditures to implement these actions toward achieving the described goal and the actual expenditures to implement the actions/services.

#### Goal Analysis

Using available state and local data and input from parents, students, teachers, and other stakeholders, respond to the prompts as instructed.

- If funds budgeted for Actions/Services that were not implemented were expended on other actions and services through the end of the school year, describe how the funds were used to support students, including low-income, English learner, or foster youth students, families, teachers and staff. This description may include a description of actions/services implemented to mitigate the impact of COVID-19 that were not part of the 2019-20 LCAP.

- Describe the overall successes and challenges in implementing the actions/services. As part of the description, specify which actions/services were not implemented due to the impact of COVID-19, as applicable. To the extent practicable, LEAs are encouraged to include a description of the overall effectiveness of the actions/services to achieve the goal.

## **Instructions: Annual Update for the 2020–21 Learning Continuity and Attendance Plan**

### **Annual Update**

The action descriptions and budgeted expenditures must be copied verbatim from the 2020-21 Learning Continuity and Attendance Plan. Minor typographical errors may be corrected.

### **Actions Related to In-Person Instructional Offerings**

- In the table, identify the planned actions and the budgeted expenditures to implement actions related to in-person instruction and the estimated actual expenditures to implement the actions. Add additional rows to the table as needed.
- Describe any substantive differences between the planned actions and/or budgeted expenditures for in-person instruction and what was implemented and/or expended on the actions, as applicable.
- Using available state and/or local data and feedback from stakeholders, including parents, students, teachers and staff, describe the successes and challenges experienced in implementing in-person instruction in the 2020-21 school year, as applicable. If in-person instruction was not provided to any students in 2020-21, please state as such.

### **Actions Related to the Distance Learning Program**

- In the table, identify the planned actions and the budgeted expenditures to implement actions related to the distance learning program and the estimated actual expenditures to implement the actions. Add additional rows to the table as needed.
- Describe any substantive differences between the planned actions and/or budgeted expenditures for the distance learning program and what was implemented and/or expended on the actions, as applicable.
- Using available state and/or local data and feedback from stakeholders, including parents, students, teachers and staff, describe the successes and challenges experienced in implementing distance learning in the 2020-21 school year in each of the following areas, as applicable:
  - Continuity of Instruction,
  - Access to Devices and Connectivity,

- Pupil Participation and Progress,
- Distance Learning Professional Development,
- Staff Roles and Responsibilities, and
- Supports for Pupils with Unique Needs, including English learners, pupils with exceptional needs served across the full continuum of placements, pupils in foster care, and pupils who are experiencing homelessness

To the extent practicable, LEAs are encouraged to include an analysis of the effectiveness of the distance learning program to date. If distance learning was not provided to any students in 2020-21, please state as such.

## **Actions Related to Pupil Learning Loss**

- In the table, identify the planned actions and the budgeted expenditures to implement actions related to addressing pupil learning loss and the estimated actual expenditures to implement the actions. Add additional rows to the table as needed.
- Describe any substantive differences between the planned actions and/or budgeted expenditures for addressing pupil learning loss and what was implemented and/or expended on the actions, as applicable.
- Using available state and/or local data and feedback from stakeholders, including parents, students, teachers and staff, describe the successes and challenges experienced in addressing Pupil Learning Loss in the 2020-21 school year, as applicable. To the extent practicable, include an analysis of the effectiveness of the efforts to address pupil learning loss, including for pupils who are English learners; low-income; foster youth; pupils with exceptional needs; and pupils who are experiencing homelessness, as applicable.

## **Analysis of Mental Health and Social and Emotional Well-Being**

- Using available state and/or local data and feedback from stakeholders, including parents, students, teachers and staff, describe the successes and challenges experienced in monitoring and supporting Mental Health and Social and Emotional Well-Being of both pupils and staff during the 2020-21 school year, as applicable.

## **Analysis of Pupil and Family Engagement and Outreach**

- Using available state and/or local data and feedback from stakeholders, including parents, students, teachers and staff, describe the successes and challenges related to pupil engagement and outreach during the 2020-21 school year, including implementing tiered reengagement strategies for pupils who were absent from distance learning and the efforts of the LEA in reaching out to pupils and their parents or guardians when pupils were not meeting compulsory education requirements or engaging in instruction, as applicable.

## **Analysis of School Nutrition**

- Using available state and/or local data and feedback from stakeholders, including parents, students, teachers and staff, describe the successes and challenges experienced in providing nutritionally adequate meals for all pupils during the 2020-21 school year, whether participating in in-person instruction or distance learning, as applicable.

## **Analysis of Additional Actions to Implement the Learning Continuity Plan**

- In the table, identify the section, the planned actions and the budgeted expenditures for the additional actions and the estimated actual expenditures to implement the actions, as applicable. Add additional rows to the table as needed.
- Describe any substantive differences between the planned actions and/or budgeted expenditures for the additional actions to implement the learning continuity plan and what was implemented and/or expended on the actions, as applicable.

## **Overall Analysis of the 2020-21 Learning Continuity and Attendance Plan**

The Overall Analysis prompts are to be responded to only once, following an analysis of the Learning Continuity and Attendance Plan.

- Provide an explanation of how the lessons learned from implementing in-person and distance learning programs in 2020-21 have informed the development of goals and actions in the 2021–24 LCAP.
  - As part of this analysis, LEAs are encouraged to consider how their ongoing response to the COVID-19 pandemic has informed the development of goals and actions in the 2021–24 LCAP, such as health and safety considerations, distance learning, monitoring and supporting mental health and social-emotional well-being and engaging pupils and families.
- Provide an explanation of how pupil learning loss continues to be assessed and addressed in the 2021–24 LCAP, especially for pupils with unique needs (including low income students, English learners, pupils with disabilities served across the full continuum of placements, pupils in foster care, and pupils who are experiencing homelessness).
- Describe any substantive differences between the actions and/or services identified as contributing towards meeting the increased or improved services requirement, pursuant to *California Code of Regulations*, Title 5 (5 CCR) Section 15496, and the actions and/or services that the LEA implemented to meet the increased or improved services requirement. If the LEA has provided a description of substantive differences to actions and/or services identified as contributing towards meeting the increased or improved services requirement within the In-Person Instruction, Distance Learning Program, Learning Loss, or Additional Actions sections of the Annual Update the LEA is not required to include those descriptions as part of this description.

## **Overall Analysis of the 2019-20 LCAP and the 2020-21 Learning Continuity and Attendance Plan**

The Overall Analysis prompt is to be responded to only once, following the analysis of both the 2019-20 LCAP and the 2020-21 Learning Continuity and Attendance Plan.

- Describe how the analysis and reflection related to student outcomes in the 2019-20 LCAP and 2020-21 Learning Continuity and Attendance Plan have informed the development of the 21-22 through 23-24 LCAP, as applicable.

California Department of Education  
January 2021

## Annual Update for the 2019–20 Local Control and Accountability Plan Year Expenditure Summary

Total Expenditures by Funding Source		
Funding Source	2019-20 Annual Update Budgeted	2019-20 Annual Update Actual
All Funding Sources	3,547,025.00	3,295,033.43
After School Education and Safety (ASES)	105,000.00	30,800.00
Donations	20,000.00	0.00

# Local Control Accountability Plan

The instructions for completing the Local Control and Accountability Plan (LCAP) follow the template.

Local Educational Agency (LEA) Name	Contact Name and Title	Email and Phone
Magnolia Science Academy-3	Zekeriya Ocel Principal	zocel@magnoliapublicschools.org (310) 637-3806

## Plan Summary [2021-22]

### General Information

A description of the LEA, its schools, and its students.

Magnolia Science Academy -3 (MSA-3) was founded in the fall of 2008 as a public charter school in Gardena. Two years later, MSA-3 moved to the current space collocating with Curtis Middle in Carson, California, under proposition 39. Currently MSA-3 is serving 420 students from grades 6 through 12 and celebrates its nearly 100% high school graduation rates. Almost 70% of MSA-3 students qualify for a free and reduced lunch program.

Our students & parents come from a variety of locations: 45% are from the Carson, LA, Gardena area (LAUSD). This year 32% are from Compton area.

MSA-3 revolves around its STEAM and college-readiness environment built into our mission and vision statement. The school provides a college preparatory educational program that emphasizes science, technology, engineering, art, athletics and math. In addition to core subjects, MSA-3 offers a vast range of elective courses, including: science explorers, computer science, programming, digital arts, music, creative writing, athletic training and advanced math to name a few.

Each class integrates the use of chromebooks in the curriculum, through Google Classrooms as well as McGraw Hill online platforms such as Studysync. All curriculum is aligned to Common Core State Standards to ensure students are practicing skills in preparation for end-of-the-year Smarter Balanced Assessment Consortium (SBAC) exams. We offer a comprehensive learning experience designed to serve the needs of our students through effective site-based instruction, rich hands-on learning, and foundational skills presented in ways that are relevant and inspiring for our students.

## Reflections: Successes

A description of successes and/or progress based on a review of the California School Dashboard (Dashboard) and local data.

### College/Career Readiness:

- 95% Graduation rate for the class of 2021, 98% of seniors filled out FAFSA for college financial aid, MSA-3 has College readiness course for seniors to plan career, college and future plans.
- Internal IAB (interim assessment blocks) and Spring MAP(NWEA) data shows growth compared to Fall NWEA MAP assessment.
- 82% of graduating class are meeting the A-G requirements. 38% of the seniors are graduating with Honors and 20% of seniors with an Advanced Diploma.

6% of all students are taking advanced Math classes.

MSA-3 partnered with LAVC (Los Angeles Valley College) for students to take college classes. 24 students are currently taking Psychology 101.

### Academic Intervention:

- Power Math and Power English are offered, Saturday School, Virtual home visits are scheduled for lowest performing and mid-range students.

English curriculum includes StudySync and Illuminate standards based practice exams.

- In Math, Aleks is used to help allow students to build content skills.
- MyON to help students reading levels through dedicated SSR (Silent Sustained Reading).

All student Lexile improvement: 69 pts, Students w/IEP: 67 pts and EL students: 41 pts

## Reflections: Identified Need

A description of any areas that need significant improvement based on a review of Dashboard and local data, including any areas of low performance and significant performance gaps among student groups on Dashboard indicators, and any steps taken to address those areas.

Orange in Academics: English SBAC is 36%, which is a 6% decrease from prior year. 17% met or exceeded the Math standards which is 3% lower compared to prior year. English and Math SBAC prep, Interim assessments happen regularly to check the progress.

We have 50% Hispanic and 47% African Americans. Culture sensitivity and relevance training is needed for all staff. Students must be supported emotionally in order to impact their efforts academically. Need to increase the amount of African American students enrolled in AP courses. Our female students are outperforming their male counterparts in English and Math. Students w/IEP, and African American and EL students have a performance gap in Math and EL learners in English based on the latest SBAC data available (2019)

Student approval rate went up 13 pts (54% to 67%) even amidst distance learning difficulties because high expectations were maintained and students were involved in brainstorming of online activities. Staff members checked in with students frequently regarding social-emotional needs and emphasized the importance of students' mental health especially during the pandemic.

For students, the lowest rated topic was for the question "I feel close to people at the school." It can be inferred that this may be due to Distance Learning and students' inability to interact in person with their peers and teachers. In order to raise this area of student connection, the PBIS team will hold a Welcome Back Assembly to establish a positive school culture from the beginning. The team is also working more closely with ASB to allow students to more actively lead school activities based on their peer requests & preferences. This percentage may also be due to the lack of clubs and sports being offered in Distance Learning. As a next step, clubs as well as sports teams will be a greater focus of school culture in order for students to participate and feel greater pride & identity in the extra-curricular activities they are involved in. 37% of students responded that they do see disrespectful situations at school. In order to address this, assemblies will be held that focus on different PBIS topics, including respect. With this topic, school-wide strategies of how to resolve conflicts positively can be provided to be emphasized across campus by all.

## LCAP Highlights

A brief overview of the LCAP, including any key features that should be emphasized.

The Charter School LCAP committee has reviewed input from all stakeholders and available data through surveys and student performance data. Based on input and data, we have revised our existing actions/services and measurable outcomes and also planned for new ones. Some of the highlights include:

- The need to continue our improvements in designated/integrated English Learner services and focusing our effort on the lowest performing sub-groups.
- Expanding after school, Saturday school, and summer school opportunities; refining targeted intervention and tutoring programs
- Providing counseling and positive behavior intervention support services to our students
- Keeping effective teachers and improving teacher observation and evaluation systems
- The Charter School has also worked on its expected annual measurable outcomes to set targets in areas of greatest need and to close

performance gaps among student groups.

- MSA 3 has seen an increase of overall satisfaction for Students, Families, & Staff. The goal is to allow opportunities for stakeholders to communicate with admin face to face, resolve issues as quickly as possible, and ensuring clear expectations/protocols.
- Overall satisfaction rates increased across all stakeholders; there are significant percentage increases averaging about 22%.
- Structured intervention programs were put in place with a new Title I Coach to identify targeted afternoon and saturday interventions.
- PBIS team coordinates monthly assemblies to recognize students for academic and attendance successes. Rewards are teacher-nominated.
- Hiring process is based on a team decision to ensure high-quality, highly skilled, team focused educators.

- MSA-3 admin had consistent parent meetings (Coffee/ 'Zoom" with the Admin) to inform families about distance learning and academic expectation, student outcome and data points.
- Admin and teachers held frequent virtual home visits to not only inform parents about student grades, but to agree on action plan goals for improvement. Open communication is highly encouraged and parents do not have to wait until scheduled Parent-Teacher conference times.
- Daily attendance calls helped parents stay current on why a student has not attended the class. Problems resolved if it was a technical issue. Parents were contacted if the students needed chromebooks or hotspot devices. This helped all families to have access to instruction.
- Google form staff surveys were given quarterly to gauge internal staff satisfaction and to identify top teacher needs to address in staff meetings.
- Each week, teachers receive relevant professional development which helps them support their students better.
- Distributed Leadership increased the ownership and autonomy of our admin team.

The following areas need attention:

- Facility improvements (especially bathrooms)
- Addressing teacher and staff attitude concerns
- Tier 1, 2, 3 intervention strategies to make discipline procedures more clear to stakeholders
- Follow up and more support for Special Education students

## Comprehensive Support and Improvement

An LEA with a school or schools eligible for comprehensive support and improvement must respond to the following prompts.

### Schools Identified

A list of the schools in the LEA that are eligible for comprehensive support and improvement.

N/A

### Support for Identified Schools

A description of how the LEA has or will support its eligible schools in developing comprehensive support and improvement plans.

N/A

### Monitoring and Evaluating Effectiveness

A description of how the LEA will monitor and evaluate the plan to support student and school improvement.

N/A

# Stakeholder Engagement

A summary of the stakeholder process and how the stakeholder engagement was considered before finalizing the LCAP.

In order to promote learning and provide a more positive learning experience for our students, MSA-3 has established a culture of gathering input from parents, students, staff, community members, and other stakeholders through multiple channels including meetings, school events, surveys, virtual home visits, newsletters, and other means of communication. To the extent possible, all stakeholders are invited to be involved in the process of school review and improvement including the development of our annual LCAP.

MSA-3 experiences strong and consistent parent participation. All admin actively seek to respond to parent concerns and resolve issues directly at the site level.

MSA-3 held School Site Council (SSC) meetings, English Learner Advisory Committee (ELAC) meetings, Board of Directors meetings, and staff meetings being held regularly. Parents on our SSC and ELAC also serve as our parent advisory committee for LCAP. Along with ELAC, such committees provide for representation of students in need (low income, English learners, foster youth, etc.) Feedback from our parent advisory committee and ELAC provides valuable input for the new LCAP.

In addition, the Charter School conducts regular surveys for parents, students, and staff to obtain critical feedback from stakeholders. These surveys are given regularly twice a year and contain in-depth categories of questioning to yield input on important school elements such as instruction, safety, climate, and more. Staff also conduct home visits as a way of deepening engagement, understanding, and support for families and students. These all serve as a way to inform, educate, and gather input & feedback from all critical stakeholders.

The Charter School has an approved charter petition with measurable student outcomes and methods to assess student progress and a WASC action plan for continuous school improvement. Therefore, LCAP is received by our community as a comprehensive planning tool that draws from all other school plans and addresses the state priorities and locally identified priorities.

The Charter School has held its periodical meetings this year to gather input from our stakeholders. These include four Zoom with Admin meetings, two SSC meetings, two ELAC meetings, , weekly staff meetings, and other stakeholder meetings. The school conducted a family, staff, and student experience survey with specific questions on the sense of safety and school connectedness, school culture and climate, and other areas of school improvement. A majority of our stakeholders participated in this survey. The Charter School staff has also made 43 home visits during this school year and sought feedback from the parents for school improvement.

A summary of the feedback provided by specific stakeholder groups.

Students: Adding more elective & club options (i.e., Business, Finance Literacy classes)

Families: Improving school communication with all parents

Both students and families mentioned increasing sports options.

Staff: Maintaining high academic and behavior standards for all students

SELPA feedback: Follow up and more support for Special Education students  
Improved collaboration between gen ed teachers and special education team including co-teaching model.

A description of the aspects of the LCAP that were influenced by specific stakeholder input.

The Charter School LCAP committee has reviewed input from all stakeholders and synthesized input to revise existing actions/services and measurable outcomes and also plan for new ones in the LCAP for the upcoming year. Some of the updates include:

- MSA-3 admin will follow up with maintenance for facility improvements (especially bathrooms) Addressing teacher and staff attitude concerns.
- The dean of students will work on Tier 1, 2, 3 intervention strategies to make discipline procedures more clear to stakeholders.
- The dean of Academics will work with Resource teachers to ensure the support and services are closely monitored for Special Education students.
- The dean of students will work on Adding more elective & club options (ie. Business, Finance Literacy classes).
- The principal will work on Improving school communication with all parents.
- MSA-3 admin team will check on options to increase sports opportunities.
- MSA-3 admin will work with students who are falling behind to keep maintaining high academic and behavior standards for all students.

# Goals and Actions

## Goal

Goal #	Description
1	<b>BASIC SERVICES FOR A HIGH-QUALITY LEARNING ENVIRONMENT:</b> All students and staff will have access to a safe, secure, healthy, and high-quality learning and working environment. Students will receive basic services that are fundamental to academic success, including fully credentialed teachers, standards-aligned instructional materials, and appropriately maintained school facilities.

An explanation of why the LEA has developed this goal.

Providing basic services means ensuring all students have access to teachers who are fully credentialed in their subject areas, instructional materials aligned with state standards, and safe, properly maintained school facilities. Charter School will also adhere to the MPS Wellness Policy and encourage participation in school meal programs. Research shows when students are provided with these basic services, student learning outcomes increase. The MPS Home Office will provide services such as academics, accountability, operations, IT, facilities, finance and accounting, human resources, and external relations to support and hold accountable the Charter School for compliance and meeting charter goals. Charter School will implement the actions listed under this goal and use the indicated metrics to measure progress in provision of basic services to maintain a high-quality learning environment.

## Measuring and Reporting Results

Metric	Baseline	Year 1 Outcome	Year 2 Outcome	Year 3 Outcome	Desired Outcome for 2023–24
Number of misassignments of teachers of English learners, total teacher misassignments, and vacant teacher positions (Source: Local Indicator Priority 1)	2020-21: 0				2023-24: 0
Percentage of students without access to their own copies of standards-aligned instructional	2020-21: 0%				2023-24: 0%

Metric	Baseline	Year 1 Outcome	Year 2 Outcome	Year 3 Outcome	Desired Outcome for 2023–24
materials for use at school and at home (Source: Local Indicator Priority 1)					
Number of identified instances where facilities do not meet the “good repair” standard (including deficiencies and extreme deficiencies) (Source: Local Indicator Priority 1)	2020-21: 0				2022-23: 0
Teacher retention rate (Source: HRIS)	2020-21: (Spring 2020 to Fall 2020) 83.0%				2023-24: (Spring 2023 to Fall 2023) 85.0%
Teacher attendance rate (Source: HRIS)	2020-21: (As of 3/25/21) 98.5%				2023-24: 96.0%

## Actions

Action #	Title	Description	Total Funds	Contributing
1	Teacher assignments and credentials	MSA-3 and the MPS Human Resources team will conduct credential, background, and TB clearance reviews as part of the hiring process and at least once throughout the year to ensure all credentials are properly maintained. Charter School will support our teachers’ credentialing needs. Charter School will also annually review master schedules and teacher assignments to ensure teachers are appropriately assigned and fully credentialed in the subject area and for the students they are teaching. Charter School uses a Human Resources Information System (HRIS) to automate employee	\$27,500.00	No

Action #	Title	Description	Total Funds	Contributing
		<p>documents. MPS Home Office HR team acts as a liaison between employees and provides administrative support as needed (e.g., correspondence generation, record keeping, file maintenance, HRIS entry, etc.) The HR team also provides reports to the Board and school administrators in regards to teacher retention, performance, pay scale, vacancies, recruitment efforts, credentials, mandatory trainings, and other HR related matters.</p> <p>Expenditures associated with this action include the following: teacher credentialing expenses, recruitment expenses (sign-in bonus, livescan/fingerprinting fees, etc.), Paycom/payroll fees, retirement service fees.</p> <p>The following expenditures will be funded by federal Title funds: N/A</p>		
2	Instructional materials and technology	<p>Charter School will manage the acquisition, distribution, and maintenance of equipment, materials, and technology needed to meet the academic, linguistic, cultural, social-emotional, and physical requirements of students. Charter School will annually review alignment of instructional materials to standards and maintain an inventory of instructional materials and corresponding purchases of materials. Charter School will annually review budgets and plans to ensure adequate budget for instructional materials. Charter School will ensure that students have sufficient access to standards-aligned instructional materials, including technology-based resources. Charter School will provide effective access and integration of technology resources, including software and mobile devices, that ensure meaningful access to CA Content Standards aligned instructional programs.</p> <p>Expenditures associated with this action include the following: textbooks, instructional materials and supplies, teacher/classroom supplies and office materials, computers, Chromebooks, hotspots, and other technology equipment, IT manager salary and benefits, E-Rate consultancy, and basic software (Zendesk, AssetWorks, firewall,</p>	\$416,376.00	No

Action #	Title	Description	Total Funds	Contributing
		<p>CloudReady, Zoom, GoGuardian, etc.), phone/internet, and depreciation.</p> <p>The following expenditures will be funded by federal Title funds: n/a</p>		
3	Clean and safe facilities that support learning	<p>Charter School will strive to maintain a clean, safe, environmentally friendly, and inviting school that is worthy of our students, families, and staff and encourages successful teaching and learning. Charter School will continually improve and maintain facilities to ensure school safety, security and high quality learning and working environments. Charter School will do annual and monthly facility inspections to screen for ADA compliance and safety hazards; identified deficiencies will be quickly remedied. Daily general cleaning will maintain campus cleanliness. Maintenance and repairs will be provided by LAUSD custodial staff under Prop-39. As a STEAM focused school, we aim to operate in a sustainable and environmentally responsible manner. Charter School will develop and monitor comprehensive safety and security plans, conduct necessary safety training for all staff and continue to work with stakeholders and experts to implement emergency and risk management procedures for individuals and the site. Charter School will procure and maintain necessary safety/emergency supplies, equipment and items. Charter School will establish schedules and procedures for the supervision of students in non-classroom areas, including before and after school.</p> <p>Expenditures associated with this action include the following: facilities rent/acquisition cost, , maintenance and repair services, gas/electric, security services, health and safety related expenses (PPE), and insurance costs (workers compensation, CharterSAFE, etc.)</p> <p>The following expenditures will be funded by federal Title funds: N/A</p>	\$438,484.00	No

Action #	Title	Description	Total Funds	Contributing
4	Healthy and nutritious meals	<p>Charter School will maintain nutrition education resources and continue to focus on innovative ways to increase access to freshly prepared, nutritious foods to ensure students are well-nourished and ready to learn. Charter School will adhere to the MPS Wellness Policy guidelines on nutritious foods for all food sales and celebrations. The meal program aims to improve the diet and health of our students, help mitigate childhood obesity, model healthy eating to support the development of lifelong healthy eating patterns and support healthy choices while accommodating cultural food preferences and special dietary needs. Charter School will promote healthy food and beverage choices for all students throughout campus, as well as encourage participation in school meal programs.</p> <p>Expenditures associated with this action include the following: student meals, water, and refreshments.</p> <p>The following expenditures will be funded by federal Title funds: N/A</p>	\$12,000.00	No Yes
5	Well-orchestrated Home Office support services	<p>The MPS Home Office provides services to the Charter School, supports and holds accountable the Charter School for compliance and meeting charter goals, provides best practices in curriculum and professional development, and sets up systems and processes that support academic achievement and growth, operational effectiveness, and financial sustainability. The Home Office manages business operations of schools, which reduces program and operations-related burdens of the Charter School administration and enables the Charter School to receive services at a lower cost. The services of the Home Office include, but are not limited to, academics, accountability, operations, IT, facilities, finance and accounting, human resources, and external relations. Instructional services are reflected in Goals 2-4.</p> <p>Expenditures associated with this action include the following: Home Office management fees, authorizer oversight fees, audit fees, bank fees, legal fees (YM&amp;C, etc.), and other back-office related expenses (Adaptive Insights, DataWorks, etc.)</p>	\$958,005.00	No

An analysis of how this goal was carried out in the previous year.

A description of any substantive differences in planned actions and actual implementation of these actions.

Analysis of the 2021-22 goals will occur during the 2022-23 update cycle.

An explanation of material differences between Budgeted Expenditures and Estimated Actual Expenditures.

Analysis of the 2021-22 goals will occur during the 2022-23 update cycle.

An explanation of how effective the specific actions were in making progress toward the goal.

Analysis of the 2021-22 goals will occur during the 2022-23 update cycle.

A description of any changes made to the planned goal, metrics, desired outcomes, or actions for the coming year that resulted from reflections on prior practice.

Analysis of the 2021-22 goals will occur during the 2022-23 update cycle.

**A report of the Estimated Actual Expenditures for last year's actions may be found in the Annual Update Expenditures Table.**

# Goals and Actions

## Goal

Goal #	Description
2	EXCELLENCE: All students will have equitable access to a high-quality core curricular and instructional program and make academic progress on the California Content Standards. Students will pursue academic excellence and be college/career ready.

An explanation of why the LEA has developed this goal.

Charter School desires that all our students pursue academic excellence and be college/career ready. Effective core curriculum and instruction are central to academic success. Therefore, Charter School will ensure that all students, including but not limited to, ELs, students with disabilities, socioeconomically disadvantaged/low-income students, and students achieving below grade level, have access to a high-quality core curricular and instructional program with appropriate services and support. Targeted interventions will be utilized to create a high-quality differentiated environment where students are supported to engage at their optimal levels. Charter School will also provide professional development to staff to promote a cycle of continuous improvement, as well as supports for high quality delivery of the program that enables differentiation, particularly for unduplicated students and students with exceptional needs. Charter School will implement the actions listed under this goal and use the indicated metrics, such as CAASPP assessment results, to measure progress in achievement of academic excellence and college/career readiness.

## Measuring and Reporting Results

Metric	Baseline	Year 1 Outcome	Year 2 Outcome	Year 3 Outcome	Desired Outcome for 2023–24
Percentage of programs and services outlined in the charter petition, including a broad course of study, that are developed and provided to students, certain programs and services being dependent on student need and interest (Source: Local	2020-21: 85%				2023-24: 100%

Metric	Baseline	Year 1 Outcome	Year 2 Outcome	Year 3 Outcome	Desired Outcome for 2023–24
Indicator Priority 7, SIS)					
Percentage of students who have sufficient access to all programs and services developed and provided to unduplicated students and to individuals with exceptional needs (Source: Local Indicator Priority 7, SIS)	2020-21: 100%				2023-24: 100%
Percentage of state standards implementation for all students (Source: Local Indicator Priority 2)	2020-21: 100%				2023-24: 100%
Percentage of completion of the formal and informal classroom observations by the school administration based on one formal and four informal observations per teacher per year (Source: TeachBoost)	2020-21: (As of 5/7/21) 79%				2023-24: 100%
Percentage of students who have received a grade of “C” or better (or	2020-21: (First semester) 74%				2023-24: 80%

## Actions

Action #	Title	Description	Total Funds	Contributing
1	Broad course of study and standards-based curriculum	Charter School will provide students with a broad array of courses including core subjects (English, mathematics, social sciences, and science) and electives. Charter School will also provide all other academic programs and services outlined in its charter petition, certain programs and services being dependent on student need and interest. Charter School will design its master schedule to meet the needs of its students to ensure all academic content areas are available to all students, including student groups. All students will participate in a rigorous, relevant, and coherent standards-based curriculum that supports the achievement of the schoolwide learner outcomes, academic standards, and college- and career-readiness standards. The school will be appropriately staffed to implement the school master schedule.	\$1,765,989.00	No

Action #	Title	Description	Total Funds	Contributing
		<p>Expenditures associated with this action include the following: teacher salaries and benefits, principal salary and benefits, and substitute teacher expenses.</p> <p>The following expenditures will be funded by federal Title funds: N/A</p>		
2	Professional development for high-quality instruction	<p>Professional development will occur at the MPS organizational level and within the school. Charter School will ensure curricula, instruction, and assessments are aligned to the standards and that teachers participate in professional development on the implementation of standards (CCSS, NGSS, etc.) In addition to ongoing professional development activities that support efforts to increase student academic performance, all staff will be provided with multiple opportunities to grow professionally through induction processes, regular collaboration with colleagues, and curricular support. This involves instructional leadership, common walkthrough protocols, and professional feedback to promote a cycle of continuous improvement, as well as supports for high quality delivery of the program that enables differentiation, particularly for unduplicated students and students with exceptional needs. Instructional leaders at the school and at the Home Office will assess staff professional development needs through formal and informal performance observation, surveys, and student performance data. Based on the data, combined with LCAP goals and the MPS Home Office high quality instruction guidelines, the instructional leaders will determine common staff development days and tailor staff development to individual staff needs.</p> <p>Expenditures associated with this action include the following: professional development, tuition reimbursement, and TeachBoost software fees.</p> <p>The following expenditures will be funded by federal Title funds:</p> <ul style="list-style-type: none"> <li>• Tuition reimbursement for professional development: Resource: Title II, Part A; Amount: \$16,753</li> </ul>	\$63,520.00	Yes

Action #	Title	Description	Total Funds	Contributing
3	MTSS - Academic enrichment, intervention, and student support	<p>Charter School will implement MTSS as a systemic, continuous improvement framework in which data-based problem-solving and decision making is practiced across all levels of the educational system for supporting students. Charter School will synthesize CAASPP and MAP student achievement and growth data, as well as course grades, and other state and internal assessment scores, into reports and regularly review progress towards targets. Targeted interventions will be utilized to create a high-quality differentiated environment where students are supported to engage at their optimal levels. Charter School will provide additional supports and interventions to all students, including but not limited to, 1-1 or small group interventions, targeted support via evidence-based supplemental intervention/enrichment materials and technology (reading, math, etc.), co-taught classes, Power English/Power Math classes, Study Skills, additional support during SSR/Advisory, before and after school tutoring, Saturday classes, and summer programs. SSPT, 504, and other support meetings will be coordinated among teachers and support roles (resource teachers, EL coordinator, department chairs, etc.)</p> <p>Expenditures associated with this action include the following: Dean of Academics salary and benefits, Title-I coordinator salary and benefits, instructional aide salaries and benefits, intervention teacher salaries and benefits, teacher stipends for after school, Saturday school, and summer school, NWEA MAP testing fees, Illuminate DnA fees, and evidence-based supplemental intervention/enrichment program fees (IXL, MyON, BrainPOP, Flocabulary, Nearpod, and myON.)</p> <p>The following expenditures will be funded by federal Title funds:</p> <ul style="list-style-type: none"> <li>• Title 1 Coordinator Salary and Benefits Resource: Title I, Part A; Amount: \$67,594</li> <li>• Educational Software Resource: Title I, Part B; Amount: \$39,060.</li> </ul>	\$665,799.00	Yes

Action #	Title	Description	Total Funds	Contributing
4	Designated and integrated ELD programs	<p>Charter School will provide services to ELs by proficiency level and provide ELD instruction aligned to the CA ELD standards and framework. Charter School will provide our ELs with core and supplemental ELD instructional materials and provide our teachers with PD focused on ELD standards. Our EL coordinator will monitor EL student progress in program implementation according to our EL Master Plan. Charter School teachers will provide instruction using designated and integrated ELD instructional strategies as outlined in the CHATS framework (and other research-based strategies such as SDAIE) to all students, including ELs. Charter School will provide culturally and linguistically relevant materials for students. ELs will receive further in-class instructional support which includes one-on-one teacher support and small group instruction. Charter School will strive to provide bilingual instructional assistants to provide primary language support to enable students to access content area instruction while gaining language proficiency. Charter School will ensure that teachers participate in PD on ELD instructional strategies and CHATS framework. Charter School will provide regular and timely communication with families of EL students regarding annual assessments, program supports and services, and students' progress toward reclassification. This notification will include, but is not limited to, annual parent notification letters, quarterly ELAC meetings, and parent-teacher conferences.</p> <p>Expenditures associated with this action include the following: EL coordinator salary and benefits, EL coordinator stipend,</p> <p>The following expenditures will be funded by federal Title funds: N/A</p>	\$195,314.00	Yes
5	Support for students with disabilities	<p>Students with disabilities will receive services and supports as listed in their Individualized Education Programs (IEPs) (in addition to services they receive pertinent to low income, foster youth and English learner designations) in order to improve outcomes and close the achievement gap, including graduation rate and performance on statewide assessments. Students with disabilities will have access to</p>	\$708,904.00	No

Action #	Title	Description	Total Funds	Contributing
		<p>all additional intervention and student support systems as outlined in Goal 2: Actions 3 and 4, as well as access to push-in and pull-out services, instructional aides, learning center services, and contracted services to provide each scholar with a Free and Appropriate Public Education in their least restrictive and most accessible learning environment. Students with disabilities dually identified as EL will have ELD goals in their IEPs in addition to goals addressing their specific areas of need based on their eligibility. Our SPED, EL, and general education teams will work in collaboration, monitor our scholars' progress toward IEP goal mastery, and provide progress reports to parents. In addition, all IEPs will be reviewed and present levels will be updated during annual and triennial reviews as required by the IDEA.</p> <p>Expenditures associated with this action include the following: SPED coordinator and teacher salaries and benefits, paraprofessional salaries and benefits, school psychologist salary and benefits, SPED intern salaries and benefits, outsourced SPED services fees, and SPED instructional materials and technology.</p> <p>The following expenditures will be funded by federal Title funds: N/A</p>

# Goals and Actions

## Goal

Goal #	Description
3	INNOVATION: All students will have access to a well-rounded education that supports their readiness for college and the global world. Each student will become an independent, innovative scholar by practicing creativity in learning and using technology in transformative ways.

An explanation of why the LEA has developed this goal.

It is the Charter School's vision that our graduates are well-rounded critical thinkers and problem solvers who contribute to the global community. A significant step toward helping our students achieve their maximum potential involves providing a rigorous, relevant and college preparatory curriculum with a STEAM emphasis. Therefore, we will design educational experiences to meet the needs of our scholars with an emphasis on innovation and critical thinking. Charter School will also promote the benefits of a physically active lifestyle and will help students develop skills to engage in lifelong healthy habits, as well as incorporate essential health education concepts to our physical education program. In an effort to provide well-rounded education to our students, Charter School will strive to offer additional programs such as elective courses, arts, music, civics, languages other than English, clubs, etc. Charter School will implement the actions listed under this goal and use the indicated metrics to measure progress in provision of an innovative, well-rounded education that supports student readiness for college and the global world.

## Measuring and Reporting Results

Metric	Baseline	Year 1 Outcome	Year 2 Outcome	Year 3 Outcome	Desired Outcome for 2023–24
Percentage of students in the current year College Career Indicator (CCI) who earned Prepared on the CCI (Source: CA School Dashboard)	2018-19: 38.2%				2021-22: 60.0%
Percentage of students in Grade 11 meeting or exceeding standard on the CAASPP-ELA/Literacy	2018-19: 50.98%				2021-22: 55.0%

Metric	Baseline	Year 1 Outcome	Year 2 Outcome	Year 3 Outcome	Desired Outcome for 2023–24
assessments (Source: CDE DataQuest)					
Percentage of students in Grade 11 meeting or exceeding standard on the CAASPP-Mathematics assessments (Source: CDE DataQuest)	2018-19: 25.49%				2021-22: 35.0%
Percentage of all AP exam takers in the current year with a score of 3 or higher (Source: College Board)	2019-20: 35.7%				2022-23: 50.0%
Percentage of seniors who have passed an AP exam with a score of 3 or higher during their high school years (Source: College Board)	2019-20: 10.9%				2022-23: 40.0%
Percentage of seniors who completed at least one semester of college coursework with a grade of C minus or better in academic/CTE subjects where college credit is awarded (Source: SIS)	2020-21: (As of 5/16/21) 15.6%				2023-24: 30.0%

Metric	Baseline	Year 1 Outcome	Year 2 Outcome	Year 3 Outcome	Desired Outcome for 2023–24
Percentage of cohort graduates meeting UC/CSU requirements (Source: CALPADS, CDE DataQuest)	2019-20: 96.2%				2022-23: 95.0%
Percentage of cohort graduates earning a Seal of Biliteracy (Source: CDE DataQuest)	2020-21: (As of 5/16/21) 13.6%				2023-24: 20.0%
Percentage of cohort graduates earning a Golden State Seal Merit Diploma (Source: CDE DataQuest)	2020-21: (As of 5/16/21) 27.3%				2023-24: 30.0%
Percentage of cohort graduates earning an Advanced or Honors MPS Diploma (Source: SIS)	2020-21: (As of 5/16/21) 59.1%				2023-24: 50.0%
Percentage of high school completers accepted to a 4-year or 2-year college (Source: Naviance)	2020-21: (As of 5/16/21) 95.0%				2023-24: 100.0%
Percentage of high school completers accepted to a 4-year college (Source: Naviance)	2020-21: (As of 5/16/21) 68.0%				2023-24: 70.0%
College-Going Rate (Source: CDE DataQuest)	Class of 2018: 62.8%				Class of 2021: 75.0%

Metric	Baseline	Year 1 Outcome	Year 2 Outcome	Year 3 Outcome	Desired Outcome for 2023–24
Percentage of students enrolled in an Accelerated and/or Advanced Math course and/or Advanced Math club (Source: Local Indicator Priority 7, SIS)	2020-21: (As of 4/16/21) 6%				2023-24: 10%
Percentage of students in the current graduating class who have taken a Computer/Technology course and/or experienced blended learning in their program of study (Source: Local Indicator Priority 7, SIS)	2020-21: (As of 4/16/21) 100%				2023-24: 100%
Percentage of students who have created or demonstrated a STEAM focused project, experiment, model or demo in the current year (Source: Local Indicator Priority 7, SIS)	2020-21: (As of 4/16/21) 70%				2023-24: 100%

## Actions

Action #	Title	Description	Total Funds	Contributing
1	College/Career readiness programs and activities	<p>Charter School will offer individual graduation plans, outlining the classes students will take during their high school years. Students will be provided credit recovery opportunities and individualized support to ensure timely high school graduation. Charter School will offer Advisory and College Readiness classes and activities to support our students in the areas, including, but not limited to, college planning and career exploration, test prep for ACT/SAT, college application and financial aid submission. Charter School will provide students with opportunities to take Advanced Placement (AP) courses based on student needs and interests. Charter School will promote a college-going culture through dual and concurrent enrollment, AP courses, college visits, college/career days, and other college related activities. Charter School will also explore CTE options to provide students with opportunities to explore a career theme of interest while learning a set of technical and employability skills that integrate into or complement their academic studies.</p> <p>Expenditures associated with this action include the following: college counselor salary and benefits, AP teacher stipends, Naviance program fees, AP exam fees, AP course materials, and other college-related materials and activities.</p> <p>The following expenditures will be funded by federal Title funds:</p> <ul style="list-style-type: none"> <li>• Naviance Program Fee Resource: Title I, Part A; Amount: \$4,000</li> </ul> <p>AP Exam College Board Resource: Title IV Part A; Amount: \$11,935</p>	\$128,892.00	Yes
2	STEAM and GATE programs	<p>Charter School will offer STEAM and GATE programs and activities, including Accelerated/Advanced Math course and club. Students will be provided opportunities during the day and after school to create or demonstrate a STEAM focused project, experiment, model or demo. We will also provide information and access to quality out-of-school STEAM activities and achievements. With CA Science Framework and NGSS integration, all our students will learn about engineering design, technology, and applications of science as part of their core classes. Furthermore, Charter School will design and implement engineering-</p>		Yes

Action #	Title	Description	Total Funds	Contributing
		<p>related courses and activities, such as AP Computer Science Principles, Robotics, etc. Gifted and talented students and students achieving above grade level will be engaged in all classes as teachers differentiate curriculum through adjustments of content through depth, complexity, and pacing. Emphasis will be on innovation, critical thinking, and logical reasoning. Learners will be challenged to investigate, use problem-based learning, and research.</p> <p>Expenditures associated with this action include the following: supplemental science program fees.</p> <p>The following expenditures will be funded by federal Title funds: N/A</p>		
3	Digital literacy and citizenship programs	<p>Charter School will educate our students and staff in digital literacy so that they adapt, create, consume, and connect in productive, responsible ways to utilize technology in academic, social, and professional settings. Charter School will offer Computer/Digital Literacy classes and/or blended learning experiences for our students. Teachers will participate in PD on Blended Learning and technology will be kept up to date. Students will be provided with opportunities to expand their literacy, computational, and communication skills with digital media; they will be writing advanced essays, conducting internet research, engaging in data collection, presenting ideas and drawing conclusions. Charter School staff will teach and model safe, savvy, and social digital citizenship; topics include, but are not limited to, using technology applications; digital footprint, privacy, and security; digital rights and responsibilities; using social media responsibly and digital etiquette.</p> <p>Expenditures associated with this action include the following: computer teacher salary and benefits, internet security program fees, and digital literacy and citizenship program fees.</p> <p>The following expenditures will be funded by federal Title funds: N/A</p>	\$91,185.00	Yes

Action #	Title	Description	Total Funds	Contributing
4	Physical education, activity, and fitness	<p>Charter School will provide students with physical education, using an age-appropriate, sequential PE curriculum consistent with state standards for PE. The curriculum will promote the benefits of a physically active lifestyle and will help students develop skills to engage in lifelong healthy habits, as well as incorporate essential health education concepts. Charter School will offer recess before lunch and students will be provided with periodic opportunities to be active or to stretch throughout the day on all or most days during a typical school week. To the extent practicable, Charter School will ensure that its grounds and facilities are safe, and that equipment is available to students to be active. Charter School will offer opportunities for students to participate in physical activity either before and/or after the school day (or both) through a variety of methods such as physical activity/sports clubs, intramurals or interscholastic sports, etc. Charter School will adhere to the MPS Wellness Policy guidelines on physical education, activity, and fitness.</p> <p>Expenditures associated with this action include the following: PE/Health teacher salary and benefits and physical activity, fitness, and equipment expenses.</p> <p>The following expenditures will be funded by federal Title funds: N/A</p>	\$96,055.00	Yes
5	Additional programs and activities that support well-rounded education	<p>In an effort to provide well-rounded education to our students, Charter School will strive to offer additional programs such as elective courses, arts, music, civics, languages other than English, clubs, etc. Arts instruction focuses on developing students' creativity, imagination, discipline and self-expression through drawing and fine arts. It is important that all our students, particularly unduplicated students, are provided with experiential learning opportunities, including but not limited to, instructional field trips, internships, community service programs, clubs, etc. Charter School teachers and other staff will offer after school clubs for enrichment in the areas of, including, but not limited to, math, science, technology, engineering,</p>	\$337,021.00	Yes

Action #	Title	Description	Total Funds	Contributing
		<p>ELA, languages other than English and culture, sports, visual and performing arts, community service, and others.</p> <p>Expenditures associated with this action include the following: teacher salaries and benefits for additional programs that support well-rounded education, supplemental materials, field trip expenses, and afterschool/club expenses.</p> <p>The following expenditures will be funded by federal Title funds: N/A</p>

## Goals and Actions

### Goal

Goal #	Description
4	CONNECTION: All students, families, staff, and other stakeholders will have access to meaningful engagement opportunities that help cultivate leadership, advocacy, and collaboration in a safe and nurturing environment. Stakeholders will feel a sense of community and connectedness.

An explanation of why the LEA has developed this goal.

School communities are integrated partnerships with the school site staff, families, students and all other stakeholders. This sense of connection creates a safe place for all learners and stakeholders to affirm individual strengths, develop capacity, celebrate character, build trusting and respectful relationships, promote unity and better decision making. Additionally, community cultivates identity and gives each member a sense of belonging and pride. Charter School will seek family input for decision making, utilize home visits and stakeholder surveys, and provide academic and social-emotional support through MTSS/PBIS. We will work with community partners to support the vision and goals of the school, including our students' development of personal and academic networks for long-term resilience and connection. Charter School will implement the actions listed under this goal and use the indicated metrics to measure progress in sustaining a sense of community and connectedness.

### Measuring and Reporting Results

Metric	Baseline	Year 1 Outcome	Year 2 Outcome	Year 3 Outcome	Desired Outcome for 2023–24
Number of School Site Council (SSC) meetings per year (Source: Local Indicator Priority 3)	2020-21: (As of 5/16/21) 2				2023-24: 4
Number of English Learner Advisory Committee (ELAC) meetings per year (Source: Local Indicator Priority 3)	2020-21: (As of 5/16/21) 2				2023-24: 4
Number of Parent Advisory Committee	2020-21: (As of 5/16/21)				2023-24: 4

Student retention rate (Source: SIS)	2020-21: (Spring 2020 to Fall 2020) 78%				2023-24: (Spring 2023 to Fall 2023) 85%

## Actions

Action #	Title	Description	Total Funds	Contributing
1	Seeking family input for decision making	<p>Charter School will hold periodic meetings to gather input from our families. Information/input sessions include Parent Advisory Committee (PAC) meetings, Parent Task Force (PTF) meetings, School Site Council (SSC) meetings, English Learner Advisory Committee (ELAC) meetings, Coffee with the Principal meetings, and Board of Directors meetings. Parents on our PTF and SSC also serve as our Parent Advisory Committee (PAC) for LCAP. Along with ELAC, such committees provide for representation of students in need (low income, English learners, foster youth, etc.) Feedback from our PAC, SSC, and ELAC provides valuable input for the LCAP. Charter School chooses to utilize the LCAP to serve as the SPSA. Charter School will also hold an annual meeting to inform parents and collect feedback about LCAP goals and actions, data and needs assessment, Title-funded activities and budgets, UCP, parent involvement policy and school-student-parent compact. In addition, Charter School will conduct parent surveys to seek feedback on school improvement.</p> <p>Expenditures associated with this action include the following: parent meeting expenses and Document Tracking Services (DTS) fees.</p> <p>The following expenditures will be funded by federal Title funds: N/A</p>		Yes
2	Building partnerships with families for student outcomes	<p>Charter School will build trusting and respectful relationships with parents through activities/events, including Student/Parent Orientation, Back to School Night, and parent conferences to promote parental participation in programs. Administrators will greet all students and parents in the mornings during student drop off. Charter School will provide parents with access to course materials, homework assignments, projects, and records of students' grades through our SIS. Charter School will communicate further with the parents of students who are performing below grade level. Our teachers, administrators, and classified staff will visit students at their homes to discuss student progress and enhance student learning and involvement. Charter School will schedule annual workshops for parents as well as additional workshops for parents of EL and immigrant students. Topics to be covered include, but are not limited</p>	\$183,628.00	Yes

Action #	Title	Description	Total Funds	Contributing
		<p>to, the school's EL Master Plan, stages of language acquisition, state testing, college application, using SIS to check student progress, study habits, and family literacy. Charter School will use a variety of communication channels to connect with families in a language that is understandable and accessible to them. A parent communication software will be utilized for voice and text communications, email, and push notifications. We will provide language translators at parent meetings to the extent practicable.</p> <p>Expenditures associated with this action include the following: Infinite Campus SIS fees, ParentSquare software fees, SchoolMint software fees, home-visit compensation, parent activity/event expenses, Parent Education Bridge program fees, Pitney Bowes expenses, Dean of Culture salary and benefits, and Office manager/Administrative assistant salaries and benefits.</p> <p>The following expenditures will be funded by federal Title funds:</p> <ul style="list-style-type: none"> <li>• Stipends for home visits: Resource: Title I, Part A; Amount: \$5,000</li> <li>• Stipends to lead parent academy/workshops: Resource: Title I, Part A; Amount: \$6,770</li> </ul> <p>Parent Square, Resouce: Title1 Part B: Amount: \$2,100</p>		
3	MTSS - PBIS and SEL support	<p>Charter School will provide a safe, nurturing, and engaging learning environment for all our students and families. Academic and social-emotional support will be provided to address student needs as well as instructional materials including free uniforms. Students who are homeless, experiencing housing instability, are in foster care or experiencing personal/family crisis or have other special needs will be cared for in our supportive school community. Charter School will offer a Life Skills/Character Education program that provides students with valuable skills to support academic excellence and social skill development. We will annually assess our suspension/expulsion policies and procedures and implement alternatives to suspension/expulsion, including restorative practices. Teachers will</p>	\$509,155.00	Yes

Action #	Title	Description	Total Funds	Contributing
		<p>establish classroom management procedures, foster positive relationships, and help create an atmosphere of trust, respect, and high expectations. Charter School will implement a positive and equitable student responsibility and behavior system with teaching, intervention and prevention strategies and protocols that are clear, fair, incremental, restorative, and culturally responsive. Charter School will celebrate student and school achievements and organize recognition assemblies and other schoolwide culture-building activities. Charter School will inform parents and students of attendance policies specified in the Student/Parent Handbook and encourage and support student attendance. Charter School will also implement the CORE DISTRICTS SEL Survey instrument in the fall and spring annually to assess the following social-emotional competencies: growth mindset, self-efficacy, self-management, and social awareness. As part of our MTSS efforts, school leadership, teachers, and support staff will analyze student SEL survey results in the fall to provide our students with targeted social-emotional support and then measure student responses again in the spring to measure growth, identify greatest progress and needs in order to inform our next steps.</p> <p>Expenditures associated with this action include the following: Dean of Students salary and benefits, discipline coordinator salary and benefits, school uniform fees, PD on classroom management, PBIS, and SEL support, SEL program fees, outsourced SEL services fees, and additional services for homeless students.</p> <p>The following expenditures will be funded by federal Title funds:</p> <ul style="list-style-type: none"> <li>• Additional services for homeless students: Resource: Title I, Part A; Amount: \$3,000</li> </ul>		
4	Annual stakeholder surveys	Charter School will annually administer school experience surveys to students, parents, and staff. Charter School will implement the CORE DISTRICTS Survey instrument to assess our stakeholders' perceptions of the following school climate indicators: climate of support for academic learning; knowledge and fairness of discipline,	\$1,600.00	Yes

Action #	Title	Description	Total Funds	Contributing
		<p>rules and norms; safety; and sense of belonging (school connectedness). In addition, we ask our stakeholders open-ended questions about what they like the best and the least about the school and suggestions for improvement. This feedback instrument provides all staff and school leaders with valuable information about how students see their classes, how much parents are involved, how supported staff feel and how to facilitate improvement. Our staff will analyze the survey results to identify the greatest progress and needs in order to inform our next steps.</p> <p>Expenditures associated with this action include the following: Panorama Education survey fees.</p> <p>The following expenditures will be funded by federal Title funds: N/A</p>		
5	Community outreach and partnerships	<p>Charter School will establish community, business, institutional and civic partnerships that invest in and support the vision and goals of the school. School staff will participate in local activities that engage community members and staff in communicating school successes to the broader community. Charter School will secure community support to sustain existing resources and add new resources that address emerging student needs. Charter School leadership will actively develop relationships with a range of stakeholders, policymakers, and researchers to identify and address issues, trends, and potential changes that affect the context and conduct of education.</p> <p>Expenditures associated with this action include the following: membership fees (CCSA, WASC, etc.), marketing, branding, outreach, and partnership expenses.</p> <p>The following expenditures will be funded by federal Title funds: N/A</p>	\$15,000.00	Yes

Analysis of the 2021-22 goals will occur during the 2022-23 update cycle.

**A report of the Estimated Actual Expenditures for last year's actions may be found in the Annual Update Expenditures Table.**

## Increased or Improved Services for Foster Youth, English Learners, and Low-Income Students [2021-22]

Percentage to Increase or Improve Services	Increased Apportionment based on the Enrollment of Foster Youth, English Learners, and Low-Income students
20.66%	\$778,564

The Budgeted Expenditures for Actions identified as Contributing may be found in the Increased or Improved Services Expenditures Table.

### Required Descriptions

For each action being provided to an entire school, or across the entire school district or county office of education (COE), an explanation of (1) how the needs of foster youth, English learners, and low-income students were considered first, and (2) how these actions are effective in meeting the goals for these students.

- Goal 1: Action 4: Healthy and nutritious meals

MPS is committed to the optimal development of every student. Research shows that two components, good nutrition and physical activity before, during and after the school day, are strongly correlated with positive student outcomes. For example, student participation in the U.S. Department of Agriculture's (USDA) School Breakfast Program is associated with higher grades and standardized test scores, lower absenteeism and better performance on cognitive tasks. Conversely, less-than-adequate consumption of specific foods including fruits, vegetables and dairy products, is associated with lower grades among students. Finally, there is evidence that adequate hydration is associated with better cognitive performance. With consideration of the importance of good nutrition, Charter School will maintain nutrition education resources and continue to focus on innovative ways to increase access to freshly prepared, nutritious foods to ensure students are well-nourished and ready to learn. Low-income students are eligible to receive reduced-price or free meals at school and this action will result in increased and improved services, particularly for our low-income students, who may not have access to nutritious meals and are experiencing poor health outcomes. With the needs of low-income students in mind, this action will be provided on a schoolwide basis. It was found effective in the current school year and will be continued in the coming school year. Charter School will promote healthy food and beverage choices for all students throughout campus, as well as encourage participation in school meal programs. Charter School will adhere to the MPS Wellness Policy guidelines on nutritious foods for all food sales and celebrations. We expect the meal program will help improve the diet and health of our students and mitigate childhood obesity, model healthy eating to support the development of lifelong healthy eating patterns and support healthy choices while accommodating cultural food preferences and special dietary needs. We also expect this action will result in increased student belonging as measured by the annual student surveys in Goal 4: Action 4.

- Goal 2: Action 2: Professional development for high-quality instruction

The majority of Charter School's student population consists of low-income and socioeconomically disadvantaged students, English learners, and students with disabilities, many of whom are dually identified as EL. These student groups have social and emotional conditions that influence academic learning, as evidenced by the performance gaps on the CA School Dashboard, CAASPP results, and other available data. Addressing the unique needs of students from diverse backgrounds is a major challenge because our teachers need to be prepared with the relevant content knowledge, experience, and training, with a focus on cultural and linguistic characteristics of our diverse learners. With the needs of our diverse student body in mind, Charter School will ensure curricula, instruction, and assessments are aligned to the standards and that teachers participate in professional development on the implementation of standards (CCSS, NGSS, etc.) In addition to ongoing professional development activities that support efforts to increase student academic performance, all staff will be provided with multiple opportunities to grow professionally through induction processes, regular collaboration with colleagues, and curricular support. This involves instructional leadership, common walkthrough protocols using the TeachBoost software, and professional feedback to promote a cycle of continuous improvement, as well as supports for high quality delivery of the program that enables differentiation, particularly for unduplicated students and students with exceptional needs. Instructional leaders at the school and at the Home Office will assess staff professional development needs through formal and informal performance observations, surveys, and student performance data. Based on the data, combined with LCAP goals and the MPS Home Office high quality instruction guidelines, the instructional leaders will determine common staff development days and tailor staff development to individual staff needs. This action was found effective in the current school year and will be continued in the coming school year. We expect this schoolwide action will result in increased academic achievement of our student groups on the CA School Dashboard, CAASPP assessments, MAP assessments, and student grades as identified in our LCAP metrics in Goal 2.

- Goal 2: Action 3: MTSS - Academic enrichment, intervention, and student support

The majority of Charter School's student population consists of low-income and socioeconomically disadvantaged students, English learners, and students with disabilities, many of whom are dually identified as EL. These student groups have social and emotional conditions that influence academic learning, as evidenced by the performance gaps on the CA School Dashboard, CAASPP results, and other available data. Most of our low-income students have parents working multiple jobs and need academic support. Foster youth and English learners may experience feelings of anxiety and confusion. Students struggle with access to materials, technology, and a quiet, private place to study. There are gaps in their learning that need individualized attention. Considering the needs of our vulnerable student groups in mind, Charter School will implement MTSS as a systemic, continuous improvement framework in which data-based problem-solving and decision making is practiced across all levels of the educational system for supporting students. Charter School will synthesize CAASPP and MAP student achievement and growth data, as well as course grades, and other state and internal assessment scores, into reports and regularly review progress towards targets. Targeted interventions will be utilized to create a high-quality differentiated environment where students are supported to engage at their optimal levels. Charter School will provide additional supports and interventions to all students, including but not limited to, 1-1 or small group interventions, targeted support via evidence-based supplemental intervention/enrichment materials and technology (reading, math, etc.), co-taught classes, Power English/Power Math classes, Study Skills, additional support during SSR/Advisory, before and after school tutoring, Saturday classes, and summer programs. SSPT, 504, and other

support meetings will be coordinated among teachers and support roles (resource teachers, EL coordinator, department chairs, etc.) We expect that these student supports and interventions will provide increased and improved services for all our unduplicated students who need extra support and attention. This action was found effective in the current school year and will be continued in the coming school year. It will be provided on a schoolwide basis and we expect all student groups to show academic growth as measured by the CA School Dashboard, CAASPP assessments, MAP assessments, student grades, and other metrics as identified in our LCAP metrics in Goal 2.

- Goal 2: Action 4: Designated and integrated ELD programs

The majority of Charter School's student population consists of English Learners (EL), Reclassified Fluent English Proficient (RFEP) students, and students with disabilities, many of whom are dually identified as EL. ELs need designated English language development instruction. Emerging ELs lack English speaking experience and struggle to communicate. Both ELs and RFEPs have a strong need for meaningful connections among fundamental concepts in the curriculum to their prior knowledge and experiences. They need additional literacy instruction, support, and interventions. Teachers of ELs need to have knowledge of EL strategies and culturally responsive instruction. Considering the needs of our ELs, Charter School will provide services to ELs by proficiency level and provide ELD instruction aligned to the CA ELD standards and framework. Charter School will provide our ELs with core and supplemental ELD instructional materials and provide our teachers with PD focused on ELD standards. Our EL coordinator will monitor EL student progress in program implementation according to our EL Master Plan. Charter School teachers will provide instruction using designated and integrated ELD instructional strategies as outlined in the CHATS framework (and other research-based strategies such as SDAIE) to all students, including ELs. Charter School will provide culturally and linguistically relevant materials for students. ELs will receive further in-class instructional support which includes one-on-one teacher support and small group instruction. Charter School will strive to provide bilingual instructional assistants to provide primary language support to enable students to access content area instruction while gaining language proficiency. Charter School will ensure that teachers participate in PD on ELD instructional strategies and CHATS framework. Charter School will provide regular and timely communication with families of EL students regarding annual assessments, program supports and services, and students' progress toward reclassification. This notification will include, but is not limited to, annual parent notification letters, quarterly ELAC meetings, and parent-teacher conferences. These supports and services will provide increased and improved services for our English learners. This action was found effective in the current school year and will be continued in the coming school year. While some of the actions described here, including the designated ELD instruction, will be targeted only to ELs, the rest of the actions, including integrated ELD instruction, will be provided for all students. RFEP students, students with disabilities, and all other student groups will benefit from this schoolwide action. We expect this action will result in increased academic achievement of our student groups, particularly of our ELs, on the CA School Dashboard, CAASPP assessments, MAP assessments, student grades, Lexile growth, and EL reclassification rates as identified in our LCAP metrics in Goal 2.

- Goal 3: Action 1: College/Career readiness programs and activities

The majority of Charter School's student population consists of low-income and socioeconomically disadvantaged students, English learners, and students with disabilities. Many of our students are also the first generation in their families who will attend college. Most of

them lack parental support and experience financial difficulties. Our students have a great need for guidance about college/career choices and support for preparation. A college-going, supportive culture at the school is necessary for our students' college/career readiness. With the needs of our unduplicated students in mind, Charter School will offer individual graduation plans, outlining the classes students will take during their high school years. Students will be provided credit recovery opportunities and individualized support to ensure timely high school graduation. Charter School will offer Advisory and College Readiness classes and activities to support our students in the areas, including, but not limited to, college planning and career exploration, test prep for ACT/SAT, college application and financial aid submission. Charter School will provide students with opportunities to take Advanced Placement (AP) courses based on student needs and interests. Charter School will promote a college-going culture through dual and concurrent enrollment, AP courses, college visits, college/career days, and other college related activities. Charter School will also explore CTE options to provide students with opportunities to explore a career theme of interest while learning a set of technical and employability skills that integrate into or complement their academic studies. Unduplicated students will receive improved services through our Naviance program and increased support with AP exam fees, AP course materials, and other college-related materials and activities. These services are particularly helpful for first-generation college-bound students who lack parental support strategies and experience financial constraints. This action was found effective in the current school year and will be continued in the coming school year. We expect this schoolwide action will result in increases in CCI prepared rate, AP passing rate, A-G rate, diploma seals, and college acceptance rates as identified in our LCAP metrics in Goal 3.

- Goal 3: Action 2: STEAM and GATE programs

Charter School has a vision to help reverse the tide of U.S. students falling behind their peers in other nations in critical subjects like math and science. We strive to graduate students who come from historically underserved neighborhoods as scientific thinkers that contribute to the global community as socially responsible and educated members of society. Charter School's educational approach is based on the conviction that STEAM education is essential to improving our modern society's knowledge base and adaptability to the fast pace of ever-changing technological advancements. Historically, the number of African American and Latino students pursuing careers in STEAM fields has been very low. Research suggests that a significant cause of these low numbers is that students have inadequate exposure to intensive STEAM curricula. Charter School strives to address the shortage by inspiring and preparing students to choose career paths in science and technology. The majority of Charter School's student population consists of low-income and socioeconomically disadvantaged students of color, English learners, and students with disabilities. With the needs of our community in mind, Charter School will offer STEAM and GATE programs and activities, including Accelerated/Advanced Math course and club. Students will be provided opportunities during the day and after school to create or demonstrate a STEAM focused project, experiment, model or demo. We will also provide information and access to quality out-of-school STEAM activities and achievements. With CA Science Framework and NGSS integration, all our students will learn about engineering design, technology, and applications of science as part of their core classes. Furthermore, Charter School will design and implement engineering-related courses and activities, such as AP Computer Science Principles, Code.org activities, Project Lead the Way (PLTW) programs, Robotics, etc. Unduplicated students will receive increased and improved support through access to supplemental STEAM programs and activities. Gifted and talented students and students achieving above grade level will be engaged in all classes as teachers differentiate curriculum through adjustments of content through depth, complexity, and pacing. Emphasis will be on innovation, critical thinking, and logical reasoning. This action was found effective in the current school year and will be continued in the coming school year. We expect this schoolwide action will challenge our learners to investigate, use problem-based learning, research, and help become independent and innovative scholars. Goal 3 includes metrics for the percentage of students enrolled in an Accelerated and/or Advanced

Math course and/or Advanced Math club, percentage of students in the current graduating class who have taken a Computer/Technology course and/or experienced blended learning in their program of study, and percentage of students who have created or demonstrated a STEAM focused project, experiment, model or demo in the current year.

- Goal 3: Action 3: Digital literacy and citizenship programs

The majority of Charter School's student population consists of low-income and socioeconomically disadvantaged students, English learners, and students with disabilities, many of whom are dually identified as EL. These student groups have social and emotional conditions that influence academic learning and effective literacy, communication, and presentation skills. Most of our low-income students struggle with access to technology as well. Our students have a great need to learn ways to utilize technology in an effective and responsible way. With such needs of our students in mind, Charter School will educate our students and staff in digital literacy so that they adapt, create, consume, and connect in productive, responsible ways to utilize technology in academic, social, and professional settings. Charter School will offer Computer/Digital Literacy classes and/or blended learning experiences for our students. Teachers will participate in PD on Blended Learning and technology will be kept up to date. Students will be provided with opportunities to expand their literacy, computational, and communication skills with digital media; they will be writing advanced essays, conducting internet research, engaging in data collection, presenting ideas and drawing conclusions. Charter School staff will teach and model safe, savvy, and social digital citizenship; topics include, but are not limited to, using technology applications; digital footprint, privacy, and security; digital rights and responsibilities; using social media responsibly and digital etiquette. These activities will result in increased and improved services for our unduplicated students. This action was found effective in the current school year and will be continued in the coming school year. We expect this schoolwide action will help our students expand their knowledge and skills in an ever-evolving digital world. Goal 3 includes a metric for the percentage of students in the current graduating class who have taken a Computer/Technology course and/or experienced blended learning in their program of study.

- Goal 3: Action 4: Physical education, activity, and fitness

MPS is committed to the optimal development of every student. Research shows that two components, good nutrition and physical activity before, during and after the school day, are strongly correlated with positive student outcomes. Students who are physically active through active transport to and from school, recess, physical activity breaks, high-quality physical education and extracurricular activities do better academically. With consideration of the importance of physical fitness, Charter School will provide students with physical education, using an age-appropriate, sequential PE curriculum consistent with state standards for PE. The curriculum will promote the benefits of a physically active lifestyle and will help students develop skills to engage in lifelong healthy habits, as well as incorporate essential health education concepts. Charter School will offer recess before lunch and students will be provided with periodic opportunities to be active or to stretch throughout the day on all or most days during a typical school week. To the extent practicable, Charter School will ensure that its grounds and facilities are safe, and that equipment is available to students to be active. Charter School will offer opportunities for students to participate in physical activity either before and/or after the school day (or both) through a variety of methods such as physical activity/sports clubs, intramurals or interscholastic sports, etc. Charter School will adhere to the MPS Wellness Policy guidelines on physical education,

activity, and fitness. With the needs of low-income students in mind, this action will be provided on a schoolwide basis. It was found effective in the current school year and will be continued in the coming school year. We expect this action will help improve the health of our students and model physical fitness to support the development of lifelong healthy living patterns. We also expect this action will result in increased student belonging as measured by the annual student surveys in Goal 4: Action 4.

- Goal 3: Action 5: Additional programs and activities that support well-rounded education

The majority of Charter School's student population consists of low-income and socioeconomically disadvantaged students, English learners, and students with disabilities. Traditionally, schools focus on ELA and math interventions to address the learning gap between vulnerable student groups and their peers. Other important well-rounded programs such as arts, music, civics, and languages other than English may not get the same attention. On the other hand, well-rounded programs help students develop competencies and creative skills in problem solving, communication, and management of time and resources that contribute to lifelong learning and career skills. Our low-income students come from underserved communities that do not have adequate resources and access to experiential learning opportunities. In an effort to provide well-rounded education to our students, Charter School will strive to offer additional programs such as elective courses, arts, music, civics, languages other than English, clubs, etc. Arts instruction focuses on developing students' creativity, imagination, discipline and self-expression through drawing and fine arts. It is important that all our students, particularly unduplicated students, are provided with experiential learning opportunities, including but not limited to, instructional field trips, internships, community service programs, clubs, etc. Charter School teachers and other staff will offer after school clubs for enrichment in the areas of, including, but not limited to, math, science, technology, engineering, ELA, language other than English and culture, sports, visual and performing arts, community service, and others. These well-rounded programs and activities will result in increased and improved services for our unduplicated students. With the needs of our unduplicated students in mind, this action will be provided on a schoolwide basis. It was found effective in the current school year and will be continued in the coming school year. We expect this action will help our scholars become independent and innovative scholars. We also expect this action will result in increased academic achievement as measured by the LCAP metrics in Goal 2, increases in CCI prepared rate, AP passing rate, A-G rate, diploma seals, and college acceptance rates as identified in our LCAP metrics in Goal 3, as well as increased student belonging as measured by the annual student surveys in Goal 4: Action 4.

- Goal 4: Action 1: Seeking family input for decision making

It is important that parents are engaged in the development of all school plans, including, but not limited to, the LCAP, SPSA (Charter School uses the LCAP to serve as the SPSA), and WASC Self-Study. Charter School wishes to engage all parents, to the extent applicable, in the process of school review and improvement. This includes reviewing the school's goals, actions, programs, data, and funds, including evaluation of actions and programs and effective use of funds. The majority of Charter School's student population consists of low-income and socioeconomically disadvantaged students, English learners, and students with disabilities. Most of our low-income students have parents working multiple jobs. Parents of our ELs need capacity building to support the needs of our ELs. In order to engage parents in an organized, ongoing and timely manner in the planning, review and improvement of our programs, Charter School needs to provide multiple channels to engage parents in decision making. Considering the needs of our unduplicated students and their families, Charter School will

hold periodic meetings to gather input from our families. Information/input sessions include Parent Advisory Committee (PAC) meetings, Parent Task Force (PTF) meetings, School Site Council (SSC) meetings, English Learner Advisory Committee (ELAC) meetings, Coffee with the Principal meetings, and Board of Directors meetings. Parents on our PTF and SSC also serve as our Parent Advisory Committee (PAC) for LCAP. Along with ELAC, such committees provide for representation of students in need (low income, English learners, foster youth, etc.) Feedback from our PAC, SSC, and ELAC provides valuable input for the LCAP. Charter School chooses to utilize the LCAP to serve as the SPSA. Charter School will also hold an annual meeting to inform parents and collect feedback about LCAP goals and actions, data and needs assessments, Title-funded activities and budgets, UCP, parent involvement policy and school-student-parent compact. In addition, Charter School will conduct parent surveys to seek feedback on school improvement. These activities will result in increased and improved services for our unduplicated students and their families. With the needs of our unduplicated students and their families in mind, this action will be provided on a schoolwide basis. It was found effective in the current school year and will be continued in the coming school year. We expect this action will help further engage our families in decision making. Charter School utilizes the self-reflection tool for Local Priority 3, i.e., Parent and Family Engagement, to measure progress in building the capacity of and supporting family members to effectively engage in advisory groups and decision making as well as progress in providing all families with opportunities to provide input on policies and programs, and implementing strategies to reach and seek input from any underrepresented groups in the school community. We also expect this action will result in increased parent satisfaction as measured by the annual stakeholder surveys in Goal 4: Action 4.

- Goal 4: Action 2: Building partnerships with families for student outcomes

Family engagement is an essential strategy for building pathways to college and career readiness for all students and is an essential component of a systems approach to improving outcomes for all students. More than thirty years of research has shown that family engagement can lead to improved student outcomes (e.g., attendance, engagement, academic outcomes, social emotional learning, etc.) To engage all families equitably, it is necessary to understand the cultures, languages, needs and interests of families in our school community. Furthermore, developing family engagement policies, programs, and practices needs to be done in partnership with local families, using the tools of continuous improvement. The majority of Charter School's student population consists of low-income and socioeconomically disadvantaged students, English learners, and students with disabilities. Most of our low-income students have parents working multiple jobs. Parents of our ELs need capacity building to support the needs of our ELs. In order to build partnerships with our families for student outcomes, Charter School will build trusting and respectful relationships with parents through activities/events, including Student/Parent Orientation, Back to School Night, and parent conferences to promote parental participation in programs. Administrators will greet all students and parents in the mornings during student drop off and have an open-door policy welcoming all parents. Charter School will provide parents with access to course materials, homework assignments, projects, and records of students' grades through our SIS. Charter School will communicate further with the parents of students who are performing below grade level. Our teachers, administrators, and classified staff will visit students at their homes to discuss student progress and enhance student learning and involvement. Charter School will schedule annual workshops for parents as well as additional workshops for parents of EL and immigrant students. Topics to be covered include, but are not limited to, the school's EL Master Plan, stages of language acquisition, state testing, college application, using SIS to check student progress, study habits, and family literacy. Charter School will use a variety of communication channels to connect with families in a language that is understandable and accessible to them. A parent communication software will be utilized for voice and text communications, email, and push notifications. We will provide language translators at parent meetings to the extent practicable. These

activities will result in increased and improved services for our unduplicated students and their families. With the needs of our unduplicated students and their families in mind, this action will be provided on a schoolwide basis. It was found effective in the current school year and will be continued in the coming school year. We expect this action will help further engage our families in building partnerships with the school for student outcomes. Charter School utilizes the self-reflection tool for Local Priority 3, i.e., Parent and Family Engagement, to measure progress in creating welcoming environments and building trusting and respectful relationships with families, developing multiple opportunities for 2-way communication between families and educators using language that is understandable and accessible to families, and providing families with information and resources to support student learning and development in the home. We also expect this action will result in increased academic achievement and lifelong learning as measured by the LCAP metrics in Goals 2 and 3, increased home visit rate, ADA rate, and graduation rate, and decreased chronic absenteeism rate, dropout rate, and student suspension/expulsion rates as measured in Goal 4. We also expect this action will result in increased student, parent, and staff satisfaction rates as measured by the annual stakeholder surveys in Goal 4: Action 4.

- Goal 4: Action 3: MTSS - PBIS and SEL support

The majority of Charter School's student population consists of low-income and socioeconomically disadvantaged students, English learners, and students with disabilities. These student groups have social and emotional conditions that influence academic learning, as evidenced by the performance gaps on the CA School Dashboard, CAASPP results, and other available data. These student groups also have lower ADA rates while they have higher chronic absenteeism and office referral rates. Children living in poverty are more likely to incur more adverse childhood experiences including abuse, neglect, exposure to neighborhood violence, or an incarcerated parent. Foster youth and English learners may experience feelings of anxiety and confusion. Charter School needs to take action to address the unique academic, social and emotional needs of low-income students, students with disabilities, English learners, racial and ethnic minorities, students experiencing homelessness, and foster care youth. Considering the needs of our vulnerable student groups in mind, Charter School will provide a safe, nurturing, and engaging learning environment for all our students and families. Academic and social-emotional support will be provided to address student needs as well as instructional materials including free uniforms. Students who are homeless, experiencing housing instability, are in foster care or experiencing personal/family crisis or have other special needs will be cared for in our supportive school community. Charter School will offer a Life Skills/Character Education program that provides students with valuable skills to support academic excellence and social skill development. We will annually assess our suspension/expulsion policies and procedures and implement alternatives to suspension/expulsion, including restorative practices. Teachers will establish classroom management procedures, foster positive relationships, and help create an atmosphere of trust, respect, and high expectations. Charter School will implement a positive and equitable student responsibility and behavior system with teaching, intervention and prevention strategies and protocols that are clear, fair, incremental, restorative, and culturally responsive. Charter School will celebrate student and school achievements and organize recognition assemblies and other schoolwide culture-building activities. Charter School will inform parents and students of attendance policies specified in the Student/Parent Handbook and encourage and support student attendance. Charter School will also implement the CORE DISTRICTS SEL Survey instrument in the fall and spring annually to assess the following social-emotional competencies: growth mindset, self-efficacy, self-management, and social awareness. As part of our MTSS efforts, school leadership, teachers, and support staff will analyze student SEL survey results in the fall to provide our students with targeted social-emotional support and then measure student responses again in the spring to measure growth, identify greatest progress and needs in order to inform our next steps. These activities will result in increased and improved PBIS and SEL support for our unduplicated students, as well as additional

supports for homeless and immigrant students. With the needs of our vulnerable students and their families in mind, this action will be provided on a schoolwide basis. It was found effective in the current school year and will be continued in the coming school year. We expect this action will help provide a foundation for safe and positive learning, and enhance students' mental health and abilities to succeed in school, careers, and life. We also expect this action will result in increased academic achievement and lifelong learning as measured by the LCAP metrics in Goals 2 and 3, increased ADA rate and graduation rate, and decreased chronic absenteeism rate, dropout rate, and student suspension/expulsion rates as measured in Goal 4. We also expect this action will result in increased student, parent, and staff satisfaction rates as measured by the annual stakeholder surveys in Goal 4: Action 4.

- Goal 4: Action 4: Annual stakeholder surveys

It is important that parents, students, and staff are engaged in the development of all school plans, including, but not limited to, the LCAP, SPSA (Charter School uses the LCAP to serve as the SPSA), and WASC Self-Study. Charter School wishes to engage all parents, to the extent applicable, in the process of school review and improvement. The majority of Charter School's student population consists of low-income and socioeconomically disadvantaged students, English learners, and students with disabilities. To engage all students and families equitably, it is necessary to understand the cultures, languages, needs and interests of students and families in our school community. Stakeholder voices, i.e., voices of our students, families, staff, and other school community members, play a powerful role in helping us learn how to improve our teaching, leadership, and other school practices. In order to engage stakeholders in an organized, ongoing and timely manner in the planning, review and improvement of our programs, Charter School needs to provide multiple channels to engage stakeholders in decision making. Surveys have been the primary means of collecting student, family, and staff voices about what we are doing great and should keep doing, and what areas for improvement are so we can continue to provide our students with the best quality education. Considering the needs of our unduplicated students and their families, MPS uses an online platform to provide students, families, and staff with groups of questions that measure their perceptions of teaching and learning, as well as their perceptions of school climate and safety. This feedback instrument provides teachers and school leaders with valuable data about how students see their classes, how much parents are involved, how supported staff feel and how to facilitate improvement. Charter School will annually administer school experience surveys to students, parents, and staff. Charter School will implement the CORE DISTRICTS Survey instrument to assess our stakeholders' perceptions of the following school climate indicators: climate of support for academic learning; knowledge and fairness of discipline, rules and norms; safety; and sense of belonging (school connectedness). In addition, we ask our stakeholders open-ended questions about what they like the best and the least about the school and suggestions for improvement. This feedback instrument provides all staff and school leaders with valuable information about how students see their classes, how much parents are involved, how supported staff feel and how to facilitate improvement. Our staff will analyze the survey results to identify the greatest progress and needs in order to inform our next steps. The surveys help identify and plan for increased and improved services for our unduplicated students and their families. With the needs of our unduplicated students and their families in mind, this action will be provided on a schoolwide basis. It was found effective in the current school year and will be continued in the coming school year. We expect this action will help provide valuable feedback for school improvement. We also expect this action will result in increased student, parent, and staff satisfaction rates as measured in Goal 4.

- Goal 4: Action 5: Community outreach and partnerships

The majority of Charter School's student population consists of low-income and socioeconomically disadvantaged students, English learners, and students with disabilities. Our low-income students come from underserved communities that do not have adequate resources and access to experiential learning opportunities. Many of our students are also the first generation in their families who will attend college. Most of them lack parental support and experience financial difficulties. Our students have a great need for guidance about college/career choices and support for preparation. These student groups have social and emotional conditions that influence academic learning, as evidenced by the performance gaps on the CA School Dashboard, CAASPP results, and other available data. They also have lower ADA rates while they have higher chronic absenteeism and office referral rates. Children living in poverty are more likely to incur more adverse childhood experiences including abuse, neglect, exposure to neighborhood violence, or an incarcerated parent. Foster youth and English learners may experience feelings of anxiety and confusion. Charter School needs to take action to address the unique academic, social and emotional needs of low-income students, students with disabilities, English learners, racial and ethnic minorities, students experiencing homelessness, and foster care youth. Considering the needs of our vulnerable student groups in mind, Charter School will establish community, business, institutional and civic partnerships that invest in and support the vision and goals of the school. School staff will participate in local activities that engage community members and staff in communicating school successes to the broader community. Charter School will secure community support to sustain existing resources and add new resources that address emerging student needs. Charter School leadership will actively develop relationships with a range of stakeholders, policymakers, and researchers to identify and address issues, trends, and potential changes that affect the context and conduct of education. These activities will result in increased and improved resources for our unduplicated students and will be particularly helpful for first-generation college-bound students who lack parental support strategies and experience financial constraints. With the needs of our unduplicated students and their families in mind, this action will be provided on a schoolwide basis. It was found effective in the current school year and will be continued in the coming school year. We expect this action will provide students and families with information and resources to support student learning and development. We also expect this action will result in increased academic achievement and lifelong learning as measured by the LCAP metrics in Goals 2 and 3, increased ADA rate, and graduation rate, and decreased chronic absenteeism rate, dropout rate, and student suspension/expulsion rates as measured in Goal 4. We also expect this action will result in increased student, parent, and staff satisfaction rates as measured in Goal 4.

A description of how services for foster youth, English learners, and low-income students are being increased or improved by the percentage required.

Charter School will increase or improve services provided for unduplicated students by at least the percentage calculated as compared to the services provided for all students in the LCAP year. Services are increased (in quantity) or improved (in quality) by those actions in our LCAP that are included in the Goals and Actions section as "contributing" to the increased or improved services requirement. We expect that these actions will result in the required proportional increase or improvement in services for unduplicated pupils as compared to the services we provide to all students. Charter School will increase or improve services for our unduplicated students through the following actions:

- Goal 1: Action 4: Healthy and nutritious meals

Low-income students are eligible to receive reduced-price or free meals at school. Charter School will maintain nutrition education resources and promote healthy food and beverage choices for all students throughout campus, as well as encourage participation in school meal

programs. This action will result in increased and improved services, particularly for our low-income students, who may not have access to nutritious meals and are experiencing poor health outcomes.

- Goal 2: Action 2: Professional development for high-quality instruction

Professional development will occur at the MPS organizational level and within the school. In addition to ongoing professional development activities that support efforts to increase student academic performance, all staff will be provided with multiple opportunities to grow professionally through induction processes, regular collaboration with colleagues, and curricular support. This involves instructional leadership, common walkthrough protocols using the TeachBoost software, and professional feedback to promote a cycle of continuous improvement, as well as supports for high quality delivery of the program that enables differentiation, particularly for unduplicated students and students with exceptional needs.

- Goal 2: Action 3: MTSS - Academic enrichment, intervention and student support

Charter School will implement MTSS as a systemic, continuous improvement framework in which data-based problem-solving and decision making is practiced across all levels of the educational system for supporting students. Targeted interventions will be utilized to create a high-quality differentiated environment where students are supported to engage at their optimal levels. Charter School will provide additional supports and interventions to all students, including but not limited to, 1-1 or small group interventions, targeted support via evidence-based supplemental intervention/enrichment materials and technology (reading, math, etc.), co-taught classes, Power English/Power Math classes, Study Skills, additional support during SSR/Advisory, before and after school tutoring, Saturday classes, and summer programs. SSPT, 504, and other support meetings will be coordinated among teachers and support roles (resource teachers, EL coordinator, department chairs, etc.) These student supports and interventions will provide increased and improved services for all our unduplicated students who would need the extra support and attention.

- Goal 2: Action 4: Designated and integrated ELD programs

Charter School will provide services to ELs by proficiency level and provide ELD instruction aligned to the CA ELD standards and framework. Charter School will provide our ELs with core and supplemental ELD instructional materials and provide our teachers with PD focused on ELD standards. Our EL coordinator will monitor EL student progress in program implementation according to our EL Master Plan. Charter School teachers will provide instruction using designated and integrated ELD instructional strategies as outlined in the CHATS framework (and other research-based strategies such as SDAIE) to all students, including ELs. Charter School will provide culturally and linguistically relevant materials for students. ELs will receive further in-class instructional support which includes one-on-one teacher support and small group instruction. Charter School will strive to provide bilingual instructional assistants to provide primary language support to enable students to access content area instruction while gaining language proficiency. Charter School will ensure that teachers participate in PD on ELD instructional strategies and CHATS framework. Charter School will provide regular and timely communication with families of EL students regarding annual assessments, program supports and services, and students' progress toward reclassification. This notification will include, but is not limited to, annual parent notification letters, quarterly ELAC meetings, and parent-teacher conferences. These supports and services will provide increased and improved services for our English learners.

- Goal 3: Action 1: College/Career readiness programs and activities

Charter School will offer individual graduation plans, outlining the classes students will take during their high school years. Students will be provided credit recovery opportunities and individualized support to ensure timely high school graduation. Charter School will offer Advisory

and College Readiness classes and activities to support our students in the areas, including, but not limited to, college planning and career exploration, test prep for ACT/SAT, college application and financial aid submission. Charter School will provide students with opportunities to take Advanced Placement (AP) courses based on student needs and interests. Charter School will promote a college-going culture through dual and concurrent enrollment, AP courses, college visits, college/career days, and other college related activities. Charter School will also explore CTE options to provide students with opportunities to explore a career theme of interest while learning a set of technical and employability skills that integrate into or complement their academic studies. Unduplicated students will receive improved services through our Naviance program and increased support with AP exam fees, AP course materials, and other college-related materials and activities. These services are particularly helpful for first-generation college-bound students who lack parental support strategies and experience financial constraints.

- Goal 3: Action 2: STEAM and GATE programs

Charter School will offer STEAM and GATE programs and activities, including Accelerated/Advanced Math course and club. Students will be provided opportunities during the day and after school to create or demonstrate a STEAM focused project, experiment, model or demo. We will also provide information and access to quality out-of-school STEAM activities and achievements. Charter School will design and implement engineering-related courses and activities, such as AP Computer Science Principles, Code.org activities, Project Lead the Way (PLTW) programs, Robotics, etc. Unduplicated students will receive increased and improved support through access to supplemental STEAM programs and activities.

- Goal 3: Action 3: Digital literacy and citizenship programs

Charter School will educate our students and staff in digital literacy so that they adapt, create, consume, and connect in productive, responsible ways to utilize technology in academic, social, and professional settings. Charter School will offer Computer/Digital Literacy classes and/or blended learning experiences for our students. Teachers will participate in PD on Blended Learning and technology will be kept up to date. Students will be provided with opportunities to expand their literacy, computational, and communication skills with digital media; they will be writing advanced essays, conducting internet research, engaging in data collection, presenting ideas and drawing conclusions. Charter School staff will teach and model safe, savvy, and social digital citizenship; topics include, but are not limited to, using technology applications; digital footprint, privacy, and security; digital rights and responsibilities; using social media responsibly and digital etiquette. These activities will result in increased and improved services for our unduplicated students by expanding their knowledge and skills in an ever-evolving digital world.

- Goal 3: Action 4: Physical education, activity, and fitness

Charter School will provide students with physical education, using an age-appropriate, sequential PE curriculum consistent with state standards for PE. The curriculum will promote the benefits of a physically active lifestyle and will help students develop skills to engage in lifelong healthy habits, as well as incorporate essential health education concepts. Charter School will offer recess before lunch and students will be provided with periodic opportunities to be active or to stretch throughout the day on all or most days during a typical school week. To the extent practicable, Charter School will ensure that its grounds and facilities are safe, and that equipment is available to students to be active. Charter School will offer opportunities for students to participate in physical activity either before and/or after the school day (or both) through a variety of methods such as physical activity/sports clubs, intramurals or interscholastic sports, etc. Charter School will adhere to the MPS Wellness Policy guidelines on physical education, activity, and fitness. These activities will result in increased and improved

services, particularly for our low-income students who may not have a physically active and healthy lifestyle.

- Goal 3: Action 5: Additional programs and activities that support well-rounded education

In an effort to provide well-rounded education to our students, Charter School will strive to offer additional programs such as elective courses, arts, music, civics, languages other than English, clubs, etc. It is important that all our students, particularly unduplicated students, are provided with experiential learning opportunities, including but not limited to, instructional field trips, internships, community service programs, clubs, etc. Charter School teachers and other staff will offer after school clubs for enrichment in the areas of, including, but not limited to, math, science, technology, engineering, ELA, languages other than English and culture, sports, visual and performing arts, community service, and others. These well-rounded programs and activities will result in increased and improved services for our unduplicated students.

- Goal 4: Action 1: Seeking family input for decision making

Charter School will hold periodic meetings to gather input from our families. Information/input sessions include Parent Advisory Committee (PAC) meetings, Parent Task Force (PTF) meetings, School Site Council (SSC) meetings, English Learner Advisory Committee (ELAC) meetings, Coffee with the Principal meetings, and Board of Directors meetings. Parents on our PTF and SSC also serve as our Parent Advisory Committee (PAC) for LCAP. Along with ELAC, such committees provide for representation of students in need (low income, English learners, foster youth, etc.) Feedback from our PAC, SSC, and ELAC provides valuable input for the LCAP. Charter School chooses to utilize the LCAP to serve as the SPSA. Charter School will also hold an annual meeting to inform parents and collect feedback about LCAP goals and actions, data and needs assessments, Title-funded activities and budgets, UCP, parent involvement policy and school-student-parent compact. In addition, Charter School will conduct parent surveys to seek feedback on school improvement. These activities will result in increased and improved services for our unduplicated students and their families.

- Goal 4: Action 2: Building partnerships with families for student outcomes

Charter School will build trusting and respectful relationships with parents through activities/events, including Student/Parent Orientation, Back to School Night, and parent conferences to promote parental participation in programs. Administrators will greet all students and parents in the mornings during student drop off and have an open-door policy welcoming all parents. Charter School will provide parents with access to course materials, homework assignments, projects, and records of students' grades through our SIS. Charter School will communicate further with the parents of students who are performing below grade level. Our teachers, administrators, and classified staff will visit students at their homes to discuss student progress and enhance student learning and involvement. Charter School will schedule annual workshops for parents as well as additional workshops for parents of EL and immigrant students. Topics to be covered include, but are not limited to, the school's EL Master Plan, stages of language acquisition, state testing, college application, using SIS to check student progress, study habits, and family literacy. Charter School will use a variety of communication channels to connect with families in a language that is understandable and accessible to them. A parent communication software will be utilized for voice and text communications, email, and push notifications. We will provide language translators at parent meetings to the extent practicable. These activities will result in increased and improved services for our unduplicated students and their families.

- Goal 4: Action 3: MTSS - PBIS and SEL support

Charter School will provide a safe, nurturing, and engaging learning environment for all our students and families. Academic and social-emotional support will be provided to address student needs as well as instructional materials including free uniforms. Students who are homeless, experiencing housing instability, are in foster care or experiencing personal/family crisis or have other special needs will be cared

for in our supportive school community. Charter School will offer a Life Skills/Character Education program that provides students with valuable skills to support academic excellence and social skill development. Teachers will establish classroom management procedures, foster positive relationships, and help create an atmosphere of trust, respect, and high expectations. Charter School will implement a positive and equitable student responsibility and behavior system with teaching, intervention and prevention strategies and protocols that are clear, fair, incremental, restorative, and culturally responsive. Charter School will celebrate student and school achievements and organize recognition assemblies and other schoolwide culture-building activities. Charter School will inform parents and students of attendance policies specified in the Student/Parent Handbook and encourage and support student attendance. Charter School will also implement the CORE DISTRICTS SEL Survey instrument in the fall and spring annually to assess the following social-emotional competencies: growth mindset, self-efficacy, self-management, and social awareness. As part of our MTSS efforts school leadership, teachers, and support staff will analyze student SEL survey results in the fall to provide our students with targeted social-emotional support and then measure student responses again in the spring to measure growth, identify greatest progress and needs in order to inform our next steps. These activities will result in increased and improved PBIS and SEL support for our unduplicated students, as well as additional supports for homeless and immigrant students.

- Goal 4: Action 4: Annual stakeholder surveys

Charter School will annually administer school experience surveys to students, parents, and staff. Charter School will implement the CORE DISTRICTS Survey instrument to assess our stakeholders' perceptions of the following school climate indicators: climate of support for academic learning; knowledge and fairness of discipline, rules and norms; safety; and sense of belonging (school connectedness). In addition, we ask our stakeholders open-ended questions about what they like the best and the least about the school and suggestions for improvement. This feedback instrument provides all staff and school leaders with valuable information about how students see their classes, how much parents are involved, how supported staff feel and how to facilitate improvement. Our staff will analyze the survey results to identify the greatest progress and needs in order to inform our next steps. The surveys help identify and plan for increased and improved services for our unduplicated students and their families.

- Goal 4: Action 5: Community outreach and partnerships

Charter School will establish community, business, institutional and civic partnerships that invest in and support the vision and goals of the school. School staff will participate in local activities that engage community members and staff in communicating school successes to the broader community. Charter School will secure community support to sustain existing resources and add new resources that address emerging student needs. Charter School leadership will actively develop relationships with a range of stakeholders, policymakers, and researchers to identify and address issues, trends, and potential changes that affect the context and conduct of education. These activities result in increased and improved resources for our unduplicated students.

[Goals and Actions](#)

[Increased or Improved Services for Foster Youth, English Learners, and Low-Income Students](#)

For additional questions or technical assistance related to the completion of the LCAP template, please contact the local COE, or the California Department of Education's (CDE's) Local Agency Systems Support Office by phone at 916-319-0809 or by email at [lcff@cde.ca.gov](mailto:lcff@cde.ca.gov).

# Introduction and Instructions

The Local Control Funding Formula (LCFF) requires LEAs to engage their local stakeholders in an annual planning process to evaluate their progress within eight state priority areas encompassing all statutory metrics (COEs have ten state priorities). LEAs document the results of this planning process in the Local Control and Accountability Plan (LCAP) using the template adopted by the State Board of Education.

The LCAP development process serves three distinct, but related functions:

- **Comprehensive Strategic Planning:** The process of developing and annually updating the LCAP supports comprehensive strategic planning (California *Education Code* [EC] 52064(e)(1)). Strategic planning that is comprehensive connects budgetary decisions to teaching and learning performance data. Local educational agencies (LEAs) should continually evaluate the hard choices they make about the use of limited resources to meet student and community needs to ensure opportunities and outcomes are improved for all students.
- **Meaningful Stakeholder Engagement:** The LCAP development process should result in an LCAP that reflects decisions made through meaningful stakeholder engagement (EC 52064(e)(1)). Local stakeholders possess valuable perspectives and insights about an LEA's programs and services. Effective strategic planning will incorporate these perspectives and insights in order to identify potential goals and actions to be included in the LCAP.
- **Accountability and Compliance:** The LCAP serves an important accountability function because aspects of the LCAP template require LEAs to show that they have complied with various requirements specified in the LCFF statutes and regulations, most notably:
  - Demonstrating that LEAs are increasing or improving services for foster youth, English learners, and low-income students in proportion to the amount of additional funding those students generate under LCFF (EC 52064(b)(4-6)).
  - Establishing goals, supported by actions and related expenditures, that address the statutory priority areas and statutory metrics (EC 52064(b)(1) & (2)).

- Annually reviewing and updating the LCAP to reflect progress toward the goals (*EC 52064(b)(7)*).

The LCAP template, like each LEA's final adopted LCAP, is a document, not a process. LEAs must use the template to memorialize the outcome of their LCAP development process, which should: (a) reflect comprehensive strategic planning (b) through meaningful engagement with stakeholders that (c) meets legal requirements, as reflected in the final adopted LCAP. The sections included within the LCAP template do not and cannot reflect the full development process, just as the LCAP template itself is not intended as a stakeholder engagement tool.

If a county superintendent of schools has jurisdiction over a single school district, the county board of education and the governing board of the school district may adopt and file for review and approval a single LCAP consistent with the requirements in *EC* sections 52060, 52062, 52066, 52068, and 52070. The LCAP must clearly articulate to which entity's budget (school district or county superintendent of schools) all budgeted and actual expenditures are aligned.

The revised LCAP template for the 2021–22, 2022–23, and 2023–24 school years reflects statutory changes made through Assembly Bill 1840 (Committee on Budget), Chapter 243, Statutes of 2018. These statutory changes enhance transparency regarding expenditures on actions included in the LCAP, including actions that contribute to meeting the requirement to increase or improve services for foster youth, English learners, and low-income students, and to streamline the information presented within the LCAP to make adopted LCAPs more accessible for stakeholders and the public.

At its most basic, the adopted LCAP should attempt to distill not just what the LEA is doing, but also allow stakeholders to understand why, and whether those strategies are leading to improved opportunities and outcomes for students. LEAs are strongly encouraged to use language and a level of detail in their adopted LCAPs intended to be meaningful and accessible for the LEA's diverse stakeholders and the broader public.

In developing and finalizing the LCAP for adoption, LEAs are encouraged to keep the following overarching frame at the forefront of the strategic planning and stakeholder engagement functions:

Given present performance across the state priorities and on indicators in the California School Dashboard, how is the LEA using its budgetary resources to respond to student and community needs, and address any performance gaps, including by meeting its obligation to increase or improve services for foster youth, English learners, and low-income students?

LEAs are encouraged to focus on a set of metrics or a set of actions that the LEA believes, based on input gathered from stakeholders, research, and experience, will have the biggest impact on behalf of its students.

These instructions address the requirements for each section of the LCAP, but may include information about effective practices when developing the LCAP and completing the LCAP itself. Additionally, information is included at the beginning of each section emphasizing the purpose that each section serves.

# Plan Summary

## Purpose

A well-developed Plan Summary section provides a meaningful context for the LCAP. This section provides information about an LEA's community as well as relevant information about student needs and performance. In order to provide a meaningful context for the rest of the LCAP, the content of this section should be clearly and meaningfully related to the content included in the subsequent sections of the LCAP.

## Requirements and Instructions

**General Information** – Briefly describe the students and community. For example, information about an LEA in terms of geography, enrollment, or employment, the number and size of specific schools, recent community challenges, and other such information as an LEA wishes to include can enable a reader to more fully understand an LEA's LCAP.

**Reflections: Successes** – Based on a review of performance on the state indicators and local performance indicators included in the Dashboard, progress toward LCAP goals, local self-assessment tools, stakeholder input, and any other information, what progress is the LEA most proud of and how does the LEA plan to maintain or build upon that success? This may include identifying specific examples of how past increases or improvements in services for foster youth, English learners, and low-income students have led to improved performance for these students.

**Reflections: Identified Need** – Referring to the Dashboard, identify: (a) any state indicator for which overall performance was in the “Red” or “Orange” performance category or any local indicator where the LEA received a “Not Met” or “Not Met for Two or More Years” rating AND (b) any state indicator for which performance for any student group was two or more performance levels below the “all student” performance. What steps is the LEA planning to take to address these areas of low performance and performance gaps? Other needs may be identified using locally collected data including data collected to inform the self-reflection tools and reporting local indicators on the Dashboard.

**LCAP Highlights** – Identify and briefly summarize the key features of this year's LCAP.

**Comprehensive Support and Improvement** – An LEA with a school or schools identified for comprehensive support and improvement (CSI) under the Every Student Succeeds Act must respond to the following prompts:

- **Schools Identified:** Identify the schools within the LEA that have been identified for CSI.
- **Support for Identified Schools:** Describe how the LEA has or will support the identified schools in developing CSI plans that included a school-level needs assessment, evidence-based interventions, and the identification of any resource inequities to be addressed through the implementation of the CSI plan.
- **Monitoring and Evaluating Effectiveness:** Describe how the LEA will monitor and evaluate the implementation and effectiveness of the CSI plan to support student and school improvement.

# Stakeholder Engagement

## Purpose

Significant and purposeful engagement of parents, students, educators, and other stakeholders, including those representing the student groups identified by LCFF, is critical to the development of the LCAP and the budget process. Consistent with statute, such stakeholder engagement should support comprehensive strategic planning, accountability, and improvement across the state priorities and locally identified priorities (*EC 52064(e)(1)*). Stakeholder engagement is an ongoing, annual process.

This section is designed to reflect how stakeholder engagement influenced the decisions reflected in the adopted LCAP. The goal is to allow stakeholders that participated in the LCAP development process and the broader public understand how the LEA engaged stakeholders and the impact of that engagement. LEAs are encouraged to keep this goal in the forefront when completing this section.

Statute and regulations specify the stakeholder groups that school districts and COEs must consult when developing the LCAP: teachers, principals, administrators, other school personnel, local bargaining units of the LEA, parents, and students. Before adopting the LCAP, school districts and COEs must share it with the Parent Advisory Committee and, if applicable, to its English Learner Parent Advisory Committee. The superintendent is required by statute to respond in writing to the comments received from these committees. School districts and COEs must also consult with the special education local plan area administrator(s) when developing the LCAP. Statute requires charter schools to consult with teachers, principals, administrators, other school personnel, parents, and students in developing the LCAP. The LCAP should also be shared with, and LEAs should request input from, schoolsite-level advisory groups, as applicable (e.g., schoolsite councils, English Learner Advisory Councils, student advisory groups, etc.), to facilitate alignment between schoolsite and district-level goals and actions.

Information and resources that support effective stakeholder engagement, define student consultation, and provide the requirements for advisory group composition, can be found under Resources on the following web page of the CDE's website: <https://www.cde.ca.gov/re/lc/>.

## Requirements and Instructions

Below is an excerpt from the 2018–19 *Guide for Annual Audits of K–12 Local Education Agencies and State Compliance Reporting*, which is provided to highlight the legal requirements for stakeholder engagement in the LCAP development process:

### Local Control and Accountability Plan:

For county offices of education and school districts only, verify the LEA:

- a) Presented the local control and accountability plan to the parent advisory committee in accordance with Education Code section 52062(a)(1) or 52068(a)(1), as appropriate.
- b) If applicable, presented the local control and accountability plan to the English learner parent advisory committee, in accordance with Education Code section 52062(a)(2) or 52068(a)(2), as appropriate.

- c) Notified members of the public of the opportunity to submit comments regarding specific actions and expenditures proposed to be included in the local control and accountability plan in accordance with Education Code section 52062(a)(3) or 52068(a)(3), as appropriate.
- d) Held at least one public hearing in accordance with Education Code section 52062(b)(1) or 52068(b)(1), as appropriate.
- e) Adopted the local control and accountability plan in a public meeting in accordance with Education Code section 52062(b)(2) or 52068(b)(2), as appropriate.

**Prompt 1:** “A summary of the stakeholder process and how the stakeholder engagement was considered before finalizing the LCAP.”

Describe the stakeholder engagement process used by the LEA to involve stakeholders in the development of the LCAP, including, at a minimum, describing how the LEA met its obligation to consult with all statutorily required stakeholder groups as applicable to the type of LEA. A sufficient response to this prompt must include general information about the timeline of the process and meetings or other engagement strategies with stakeholders. A response may also include information about an LEA’s philosophical approach to stakeholder engagement.

**Prompt 2:** “A summary of the feedback provided by specific stakeholder groups.”

Describe and summarize the stakeholder feedback provided by specific stakeholders. A sufficient response to this prompt will indicate ideas, trends, or inputs that emerged from an analysis of the feedback received from stakeholders.

**Prompt 3:** “A description of the aspects of the LCAP that were influenced by specific stakeholder input.”

A sufficient response to this prompt will provide stakeholders and the public clear, specific information about how the stakeholder engagement process influenced the development of the LCAP. The response must describe aspects of the LCAP that were influenced by or developed in response to the stakeholder feedback described in response to Prompt 2. This may include a description of how the LEA prioritized stakeholder requests within the context of the budgetary resources available or otherwise prioritized areas of focus within the LCAP. For the purposes of this prompt, “aspects” of an LCAP that may have been influenced by stakeholder input can include, but are not necessarily limited to:

- Inclusion of a goal or decision to pursue a Focus Goal (as described below)
- Inclusion of metrics other than the statutorily required metrics
- Determination of the desired outcome on one or more metrics
- Inclusion of performance by one or more student groups in the Measuring and Reporting Results subsection
- Inclusion of action(s) or a group of actions
- Elimination of action(s) or group of actions
- Changes to the level of proposed expenditures for one or more actions
- Inclusion of action(s) as contributing to increased or improved services for unduplicated services
- Determination of effectiveness of the specific actions to achieve the goal
- Determination of material differences in expenditures

- Determination of changes made to a goal for the ensuing LCAP year based on the annual update process
- Determination of challenges or successes in the implementation of actions

## Goals and Actions

### Purpose

Well-developed goals will clearly communicate to stakeholders what the LEA plans to accomplish, what the LEA plans to do in order to accomplish the goal, and how the LEA will know when it has accomplished the goal. A goal statement, associated metrics and expected outcomes, and the actions included in the goal should be in alignment. The explanation for why the LEA included a goal is an opportunity for LEAs to clearly communicate to stakeholders and the public why, among the various strengths and areas for improvement highlighted by performance data and strategies and actions that could be pursued, the LEA decided to pursue this goal, and the related metrics, expected outcomes, actions, and expenditures.

A well-developed goal can be focused on the performance relative to a metric or metrics for all students, a specific student group(s), narrowing performance gaps, or implementing programs or strategies expected to impact outcomes. LEAs should assess the performance of their student groups when developing goals and the related actions to achieve such goals.

### Requirements and Instructions

LEAs should prioritize the goals, specific actions, and related expenditures included within the LCAP within one or more state priorities. LEAs should consider performance on the state and local indicators, including their locally collected and reported data for the local indicators that are included in the Dashboard in determining whether and how to prioritize its goals within the LCAP.

In order to support prioritization of goals, the LCAP template provides LEAs with the option of developing three different kinds of goals:

- **Focus Goal:** A Focus Goal is relatively more concentrated in scope and may focus on a fewer number of metrics to measure improvement. A Focus Goal statement will be time bound and make clear how the goal is to be measured.
- **Broad Goal:** A Broad Goal is relatively less concentrated in its scope and may focus on improving performance across a wide range of metrics.
- **Maintenance of Progress Goal:** A Maintenance of Progress Goal includes actions that may be ongoing without significant changes and allows an LEA to track performance on any metrics not addressed in the other goals of the LCAP.

At a minimum, the LCAP must address all LCFF priorities and associated metrics.

### **Focus Goal(s)**

**Goal Description:** The description provided for a Focus Goal must be specific, measurable, and time bound. An LEA develops a Focus Goal to address areas of need that may require or benefit from a more specific and data intensive approach. The Focus Goal can explicitly reference the metric(s) by which achievement of the goal will be measured and the time frame according to which the LEA expects to achieve the goal.

**Explanation of why the LEA has developed this goal:** Explain why the LEA has chosen to prioritize this goal. An explanation must be based on Dashboard data or other locally collected data. LEAs must describe how the LEA identified this goal for focused attention, including relevant consultation with stakeholders. LEAs are encouraged to promote transparency and understanding around the decision to pursue a focus goal.

### ***Broad Goal***

**Goal Description:** Describe what the LEA plans to achieve through the actions included in the goal. The description of a broad goal will be clearly aligned with the expected measurable outcomes included for the goal. The goal description organizes the actions and expected outcomes in a cohesive and consistent manner. A goal description is specific enough to be measurable in either quantitative or qualitative terms. A broad goal is not as specific as a focus goal. While it is specific enough to be measurable, there are many different metrics for measuring progress toward the goal.

**Explanation of why the LEA has developed this goal:** Explain why the LEA developed this goal and how the actions and metrics grouped together will help achieve the goal.

### ***Maintenance of Progress Goal***

**Goal Description:** Describe how the LEA intends to maintain the progress made in the LCFF State Priorities not addressed by the other goals in the LCAP. Use this type of goal to address the state priorities and applicable metrics not addressed within the other goals in the LCAP. The state priorities and metrics to be addressed in this section are those for which the LEA, in consultation with stakeholders, has determined to maintain actions and monitor progress while focusing implementation efforts on the actions covered by other goals in the LCAP.

**Explanation of why the LEA has developed this goal:** Explain how the actions will sustain the progress exemplified by the related metrics.

### ***Measuring and Reporting Results:***

For each LCAP year, identify the metric(s) that the LEA will use to track progress toward the expected outcomes. LEAs are encouraged to identify metrics for specific student groups, as appropriate, including expected outcomes that would reflect narrowing of any existing performance gaps.

Include in the baseline column the most recent data associated with this metric available at the time of adoption of the LCAP for the first year of the three-year plan. LEAs may use data as reported on the 2019 Dashboard for the baseline of a metric only if that data represents the most recent available (e.g. high school graduation rate).

Using the most recent data available may involve reviewing data the LEA is preparing for submission to the California Longitudinal Pupil Achievement Data System (CALPADS) or data that the LEA has recently submitted to CALPADS. Because final 2020–2021 outcomes on some metrics may not be computable at the time the 2021–24 LCAP is adopted (e.g. graduation rate, suspension rate), the most recent data available may include a point in time calculation taken each year on the same date for comparability purposes.

The baseline data shall remain unchanged throughout the three-year LCAP.

Complete the table as follows:

- **Metric:** Indicate how progress is being measured using a metric.
- **Baseline:** Enter the baseline when completing the LCAP for 2021–22. As described above, the baseline is the most recent data associated with a metric. Indicate the school year to which the data applies, consistent with the instructions above.
- **Year 1 Outcome:** When completing the LCAP for 2022–23, enter the most recent data available. Indicate the school year to which the data applies, consistent with the instructions above.
- **Year 2 Outcome:** When completing the LCAP for 2023–24, enter the most recent data available. Indicate the school year to which the data applies, consistent with the instructions above.
- **Year 3 Outcome:** When completing the LCAP for 2024–25, enter the most recent data available. Indicate the school year to which the data applies, consistent with the instructions above. The 2024–25 LCAP will be the first year in the next three-year cycle. Completing this column will be part of the Annual Update for that year.
- **Desired Outcome for 2023-24:** When completing the first year of the LCAP, enter the desired outcome for the relevant metric the LEA expects to achieve by the end of the 2023–24 LCAP year.

Timeline for completing the “**Measuring and Reporting Results**” part of the Goal.

Metric	Baseline	Year 1 Outcome	Year 2 Outcome	Year 3 Outcome	Desired Outcome for Year 3 (2023-24)
Enter information in this box when completing the LCAP for <b>2021–22</b> .	Enter information in this box when completing the LCAP for <b>2021–22</b> .	Enter information in this box when completing the LCAP for <b>2022–23</b> . Leave blank until then.	Enter information in this box when completing the LCAP for <b>2023–24</b> . Leave blank until then.	Enter information in this box when completing the LCAP for <b>2024–25</b> . Leave blank until then.	Enter information in this box when completing the LCAP for <b>2021–22</b> .

The metrics may be quantitative or qualitative; but at minimum, an LEA’s LCAP must include goals that are measured using all of the applicable metrics for the related state priorities, in each LCAP year as applicable to the type of LEA. To the extent a state priority does not specify one or more metrics (e.g., implementation of state academic content and performance standards), the LEA must identify a metric to use within the LCAP. For these state priorities, LEAs are encouraged to use metrics based on or reported through the relevant self-reflection tool for local indicators within the Dashboard.

**Actions:** Enter the action number. Provide a short title for the action. This title will also appear in the expenditure tables. Provide a description of the action. Enter the total amount of expenditures associated with this action. Budgeted expenditures from specific fund sources will be provided in the summary expenditure tables. Indicate whether the action contributes to meeting the increase or improved services requirement as described in the Increased or Improved Services section using a “Y” for Yes or an “N” for No. (Note: for each such action offered on an LEA-wide or schoolwide basis, the LEA will need to provide additional information in the Increased or Improved Summary Section to address the requirements in *California Code of Regulations*, Title 5 [5 CCR] Section 15496(b) in the Increased or Improved Services Section of the LCAP).

**Actions for English Learners:** School districts, COEs, and charter schools that have a numerically significant English learner student subgroup must include specific actions in the LCAP related to, at a minimum, the language acquisition programs, as defined in *EC* Section 306, provided to students and professional development activities specific to English learners.

**Actions for Foster Youth:** School districts, COEs, and charter schools that have a numerically significant Foster Youth student subgroup are encouraged to include specific actions in the LCAP designed to meet needs specific to Foster Youth students.

**Goal Analysis:**

Enter the LCAP Year

Using actual annual measurable outcome data, including data from the Dashboard, analyze whether the planned actions were effective in achieving the goal. Respond to the prompts as instructed.

- Describe the overall implementation of the actions to achieve the articulated goal. Include a discussion of relevant challenges and successes experienced with the implementation process. This must include any instance where the LEA did not implement a planned action or implemented a planned action in a manner that differs substantively from how it was described in the adopted LCAP.
- Explain material differences between Budgeted Expenditures and Estimated Actual Expenditures. Minor variances in expenditures do not need to be addressed, and a dollar-for-dollar accounting is not required.
- Describe the effectiveness of the specific actions to achieve the articulated goal as measured by the LEA. In some cases, not all actions in a goal will be intended to improve performance on all of the metrics associated with the goal. When responding to this prompt, LEAs may assess the effectiveness of a single action or group of actions within the goal in the context of performance on a single metric or group of specific metrics within the goal that are applicable to the action(s). Grouping actions with metrics will allow for more robust analysis of whether the strategy the LEA is using to impact a specified set of metrics is working and increase transparency for stakeholders. LEAs are encouraged to use such an approach when goals include multiple actions and metrics that are not closely associated.
- Describe any changes made to this goal, expected outcomes, metrics, or actions to achieve this goal as a result of this analysis and analysis of the data provided in the Dashboard or other local data, as applicable.

## **Increased or Improved Services for Foster Youth, English Learners, and Low-Income Students**

### **Purpose**

A well-written Increased or Improved Services section provides stakeholders with a comprehensive description, within a single dedicated section, of how an LEA plans to increase or improved services for its unduplicated students as compared to all students and how LEA-wide or schoolwide actions identified for this purpose meet regulatory requirements. Descriptions provided should include sufficient detail yet be sufficiently succinct to promote a broader understanding of stakeholders to facilitate their ability to provide input. An LEA's description in this section must align with the actions included in the Goals and Actions section as contributing.

### **Requirements and Instructions**

This section must be completed for each LCAP year.

When developing the LCAP in year 2 or year 3, copy the "Increased or Improved Services" section and enter the appropriate LCAP year. Using the copy of the section, complete the section as required for the relevant LCAP year. Retain all prior year sections for each of the three years within the LCAP.

**Percentage to Increase or Improve Services:** Identify the percentage by which services for unduplicated pupils must be increased or improved as compared to the services provided to all students in the LCAP year as calculated pursuant to 5 CCR Section 15496(a)(7).

**Increased Apportionment based on the enrollment of Foster Youth, English Learners, and Low-Income Students:** Specify the estimate of the amount of funds apportioned on the basis of the number and concentration of unduplicated pupils for the LCAP year.

**Required Descriptions:**

**For each action being provided to an entire school, or across the entire school district or county office of education (COE), an explanation of (1) how the needs of foster youth, English learners, and low-income students were considered first, and (2) how these actions are effective in meeting the goals for these students.**

For each action included in the Goals and Actions section as contributing to the increased or improved services requirement for unduplicated pupils and provided on an LEA-wide or schoolwide basis, the LEA must include an explanation consistent with 5 CCR Section 15496(b). For any such actions continued into the 2021–24 LCAP from the 2017–2020 LCAP, the LEA must determine whether or not the action was effective as expected, and this determination must reflect evidence of outcome data or actual implementation to date.

**Principally Directed and Effective:** An LEA demonstrates how an action is principally directed towards and effective in meeting the LEA’s goals for unduplicated students when the LEA explains how:

- It considers the needs, conditions, or circumstances of its unduplicated pupils;
- The action, or aspect(s) of the action (including, for example, its design, content, methods, or location), is based on these considerations; and
- The action is intended to help achieve an expected measurable outcome of the associated goal.

As such, the response provided in this section may rely on a needs assessment of unduplicated students.

Conclusory statements that a service will help achieve an expected outcome for the goal, without an explicit connection or further explanation as to how, are not sufficient. Further, simply stating that an LEA has a high enrollment percentage of a specific student group or groups does not meet the increase or improve services standard because enrolling students is not the same as serving students.

For example, if an LEA determines that low-income students have a significantly lower attendance rate than the attendance rate for all students, it might justify LEA-wide or schoolwide actions to address this area of need in the following way:

After assessing the needs, conditions, and circumstances of our low-income students, we learned that the attendance rate of our low-income students is 7% lower than the attendance rate for all students. (Needs, Conditions, Circumstances [Principally Directed])

In order to address this condition of our low-income students, we will develop and implement a new attendance program that is designed to address some of the major causes of absenteeism, including lack of reliable transportation and food, as well as a school

climate that does not emphasize the importance of attendance. Goal N, Actions X, Y, and Z provide additional transportation and nutritional resources as well as a districtwide educational campaign on the benefits of high attendance rates. (Contributing Action(s))

These actions are being provided on an LEA-wide basis and we expect/hope that all students with less than a 100% attendance rate will benefit. However, because of the significantly lower attendance rate of low-income students, and because the actions meet needs most associated with the chronic stresses and experiences of a socio-economically disadvantaged status, we expect that the attendance rate for our low-income students will increase significantly more than the average attendance rate of all other students. (Measurable Outcomes [Effective In])

**COEs and Charter Schools:** Describe how actions included as contributing to meeting the increased or improved services requirement on an LEA-wide basis are principally directed to and effective in meeting its goals for unduplicated pupils in the state and any local priorities as described above. In the case of COEs and charter schools, schoolwide and LEA-wide are considered to be synonymous.

## For School Districts Only:

### Actions Provided on an LEA-Wide Basis:

**Unduplicated Percentage > 55%:** For school districts with an unduplicated pupil percentage of 55% or more, describe how these actions are principally directed to and effective in meeting its goals for unduplicated pupils in the state and any local priorities as described above.

**Unduplicated Percentage < 55%:** For school districts with an unduplicated pupil percentage of less than 55%, describe how these actions are principally directed to and effective in meeting its goals for unduplicated pupils in the state and any local priorities. Also describe how the actions **are the most effective use of the funds** to meet these goals for its unduplicated pupils. Provide the basis for this determination, including any alternatives considered, supporting research, experience, or educational theory.

### Actions Provided on a Schoolwide Basis:

School Districts must identify in the description those actions being funded and provided on a schoolwide basis, and include the required description supporting the use of the funds on a schoolwide basis.

**For schools with 40% or more enrollment of unduplicated pupils:** Describe how these actions are principally directed to and effective in meeting its goals for its unduplicated pupils in the state and any local priorities.

**For school districts expending funds on a schoolwide basis at a school with less than 40% enrollment of unduplicated pupils:** Describe how these actions are principally directed to and how the actions are the most effective use of the funds to meet its goals for foster youth, English learners, and low-income students in the state and any local priorities.

**“A description of how services for foster youth, English learners, and low-income students are being increased or improved by the percentage required.”**

Consistent with the requirements of 5 CCR Section 15496, describe how services provided for unduplicated pupils are increased or improved by at least the percentage calculated as compared to the services provided for all students in the LCAP year. To improve services means to grow services in quality and to increase services means to grow services in quantity. Services are increased or improved by those actions in the LCAP that are included in the Goals and Actions section as contributing to the increased or improved services requirement. This description must address how these action(s) are expected to result in the required proportional increase or improvement in services for unduplicated pupils as compared to the services the LEA provides to all students for the relevant LCAP year.

## Expenditure Tables

Complete the Data Entry table for each action in the LCAP. The information entered into this table will automatically populate the other Expenditure Tables. All information is entered into the Data Entry table. Do not enter data into the other tables.

The following expenditure tables are required to be included in the LCAP as adopted by the local governing board or governing body:

- Table 1: Actions
- Table 2: Total Expenditures
- Table 3: Contributing Expenditures
- Table 4: Annual Update Expenditures

The Data Entry table may be included in the LCAP as adopted by the local governing board or governing body, but is not required to be included.

In the Data Entry table, provide the following information for each action in the LCAP for the relevant LCAP year:

- **Goal #:** Enter the LCAP Goal number for the action.
- **Action #:** Enter the action's number as indicated in the LCAP Goal.
- **Action Title:** Provide a title of the action.
- **Student Group(s):** Indicate the student group or groups who will be the primary beneficiary of the action by entering "All", or by entering a specific student group or groups.
- **Increased / Improved:** Type "Yes" if the action is included as contributing to meeting the increased or improved services; OR, type "No" if the action is **not** included as contributing to meeting the increased or improved services.
- If "Yes" is entered into the Contributing column, then complete the following columns:

- **Scope:** The scope of an action may be LEA-wide (i.e. districtwide, countywide, or charterwide), schoolwide, or limited. An action that is LEA-wide in scope upgrades the entire educational program of the LEA. An action that is schoolwide in scope upgrades the entire educational program of a single school. An action that is limited in its scope is an action that serves only one or more unduplicated student groups.
- **Unduplicated Student Group(s):** Regardless of scope, contributing actions serve one or more unduplicated student groups. Indicate one or more unduplicated student groups for whom services are being increased or improved as compared to what all students receive.
- **Location:** Identify the location where the action will be provided. If the action is provided to all schools within the LEA, the LEA must indicate “All Schools”. If the action is provided to specific schools within the LEA or specific grade spans only, the LEA must enter “Specific Schools” or “Specific Grade Spans”. Identify the individual school or a subset of schools or grade spans (e.g., all high schools or grades K-5), as appropriate.
- **Time Span:** Enter “ongoing” if the action will be implemented for an indeterminate period of time. Otherwise, indicate the span of time for which the action will be implemented. For example, an LEA might enter “1 Year”, or “2 Years”, or “6 Months”.
- **Personnel Expense:** This column will be automatically calculated based on information provided in the following columns:
  - **Total Personnel:** Enter the total amount of personnel expenditures utilized to implement this action.
  - **Total Non-Personnel:** This amount will be automatically calculated.
- **LCFF Funds:** Enter the total amount of LCFF funds utilized to implement this action, if any. LCFF funds include all funds that make up an LEA’s total LCFF target (i.e. base grant, grade span adjustment, supplemental grant, concentration grant, Targeted Instructional Improvement Block Grant, and Home-To-School Transportation).
- **Other State Funds:** Enter the total amount of Other State Funds utilized to implement this action, if any.
- **Local Funds:** Enter the total amount of Local Funds utilized to implement this action, if any.
- **Federal Funds:** Enter the total amount of Federal Funds utilized to implement this action, if any.
- **Total Funds:** This amount is automatically calculated based on amounts entered in the previous four columns.

## 2021-22 LCFF Budget Overview for Parents Data Input Sheet

<b>Local Educational Agency (LEA) Name:</b>	Magnolia Science Academy-4
<b>CDS Code:</b>	19-64733-0117622
<b>LEA Contact Information:</b>	Name: Musa Avsar Position: Principal Email: mavsar@magnoliapublicschools.org Phone: (310) 473-2464
<b>Coming School Year:</b>	2021-22
<b>Current School Year:</b>	2020-21

\*NOTE: The "High Needs Students" referred to in the tables below are Unduplicated Students for LCFF funding purposes.

<b>Projected General Fund Revenue for the 2021-22 School Year</b>	<b>Amount</b>
<b>Total LCFF Funds</b>	\$1,429,447
<b>LCFF Supplemental &amp; Concentration Grants</b>	\$319,154
<b>All Other State Funds</b>	\$192,182
<b>All Local Funds</b>	\$7,500
<b>All federal funds</b>	\$623,740
<b>Total Projected Revenue</b>	\$2,252,869

<b>Total Budgeted Expenditures for the 2021-22 School Year</b>	<b>Amount</b>
<b>Total Budgeted General Fund Expenditures</b>	\$2,248,257
<b>Total Budgeted Expenditures in the LCAP</b>	\$2,248,257
<b>Total Budgeted Expenditures for High Needs Students in the LCAP</b>	\$785,169
<b>Expenditures not in the LCAP</b>	\$0

<b>Expenditures for High Needs Students in the 2020-21 School Year</b>	<b>Amount</b>
<b>Total Budgeted Expenditures for High Needs Students in the Learning Continuity Plan</b>	\$147,909
<b>Actual Expenditures for High Needs Students in Learning Continuity Plan</b>	\$127,250

<b>Funds for High Needs Students</b>	<b>Amount</b>
<b>2021-22 Difference in Projected Funds and Budgeted Expenditures</b>	\$466,015
<b>2020-21 Difference in Budgeted and Actual Expenditures</b>	\$-20,659

<b>Required Prompts(s)</b>	<b>Response(s)</b>
<b>Briefly describe any of the General Fund Budget Expenditures for the school year not included in the Local Control and Accountability Plan (LCAP).</b>	All general fund budget expenditures have been included in the LCAP.
<b>The total actual expenditures for actions and services to increase or improve services for high needs students in 2020-21 is less than the total budgeted</b>	As explained in the LCP analysis, the differences were due to savings by using internal resources for PD and staff reassignments. The planned actions and services were fully provided to high needs students.

**expenditures for those planned actions and services. Briefly describe how this difference impacted the actions and services and the overall increased or improved services for high needs students in 2020-21.**

--

## LCFF Budget Overview for Parents

Local Educational Agency (LEA) Name: Magnolia Science Academy-4

CDS Code: 19-64733-0117622

School Year: 2021-22

LEA contact information:

Musa Avsar

Principal

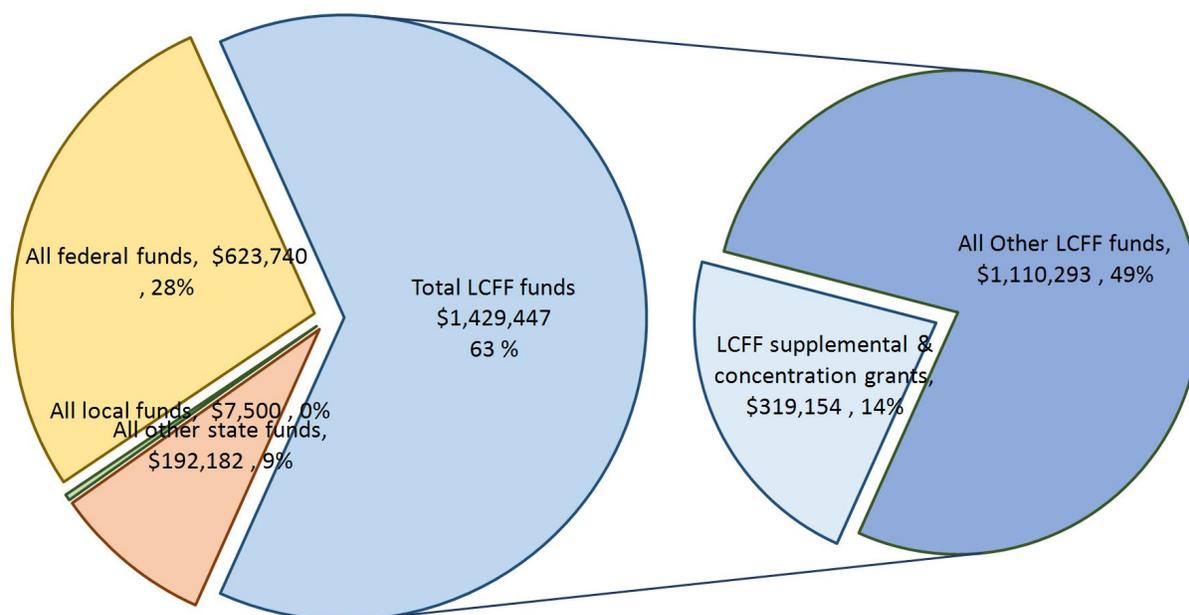

mavsar@magnoliapublicschools.org

(310) 473-2464

School districts receive funding from different sources: state funds under the Local Control Funding Formula (LCFF), other state funds, local funds, and federal funds. LCFF funds include a base level of funding for all LEAs and extra funding - called "supplemental and concentration" grants - to LEAs based on the enrollment of high needs students (foster youth, English learners, and low-income students).

### Budget Overview for the 2021-22 School Year

#### Projected Revenue by Fund Source

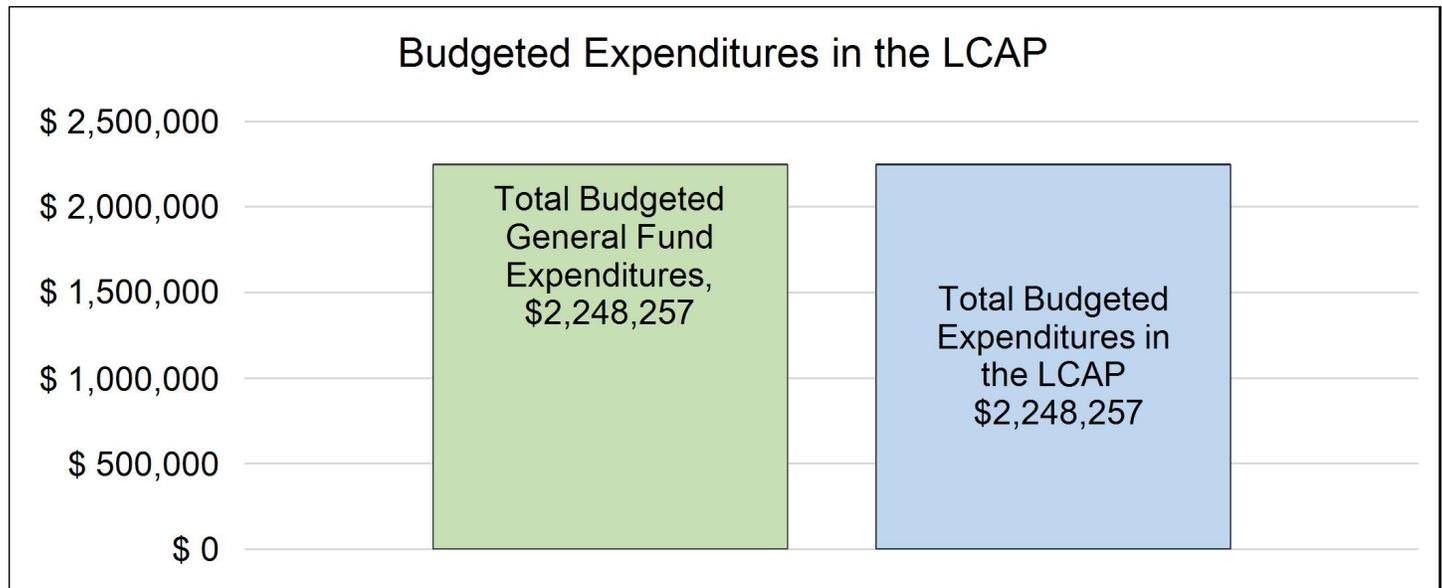

This chart shows the total general purpose revenue Magnolia Science Academy-4 expects to receive in the coming year from all sources.

The total revenue projected for Magnolia Science Academy-4 is \$2,252,869, of which \$1,429,447 is Local Control Funding Formula (LCFF), \$192,182 is other state funds, \$7,500 is local funds, and \$623,740 is

federal funds. Of the \$1,429,447 in LCFF Funds, \$319,154 is generated based on the enrollment of high needs students (foster youth, English learner, and low-income students).

## LCFF Budget Overview for Parents

The LCFF gives school districts more flexibility in deciding how to use state funds. In exchange, school districts must work with parents, educators, students, and the community to develop a Local Control and Accountability Plan (LCAP) that shows how they will use these funds to serve students.

This chart provides a quick summary of how much Magnolia Science Academy-4 plans to spend for 2021-22. It shows how much of the total is tied to planned actions and services in the LCAP.

Magnolia Science Academy-4 plans to spend \$2,248,257 for the 2021-22 school year. Of that amount, \$2,248,257 is tied to actions/services in the LCAP and \$0 is not included in the LCAP. The budgeted expenditures that are not included in the LCAP will be used for the following:

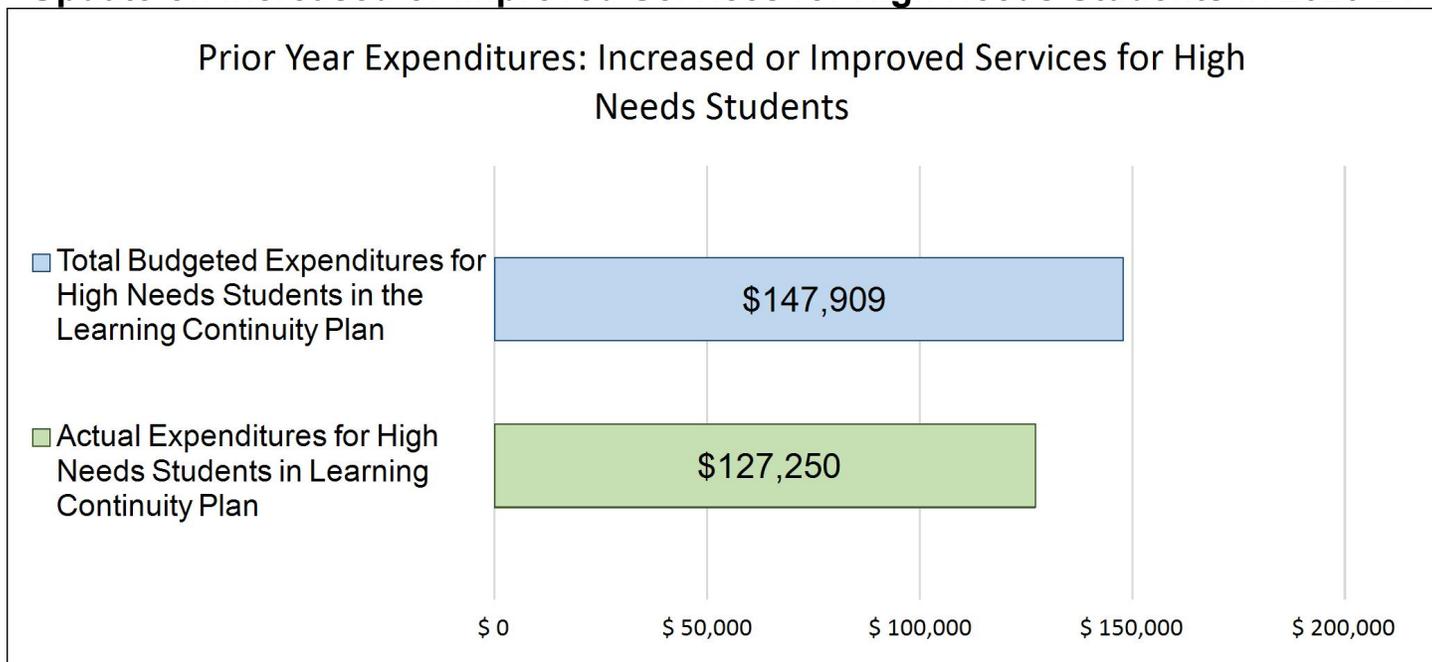

All general fund budget expenditures have been included in the LCAP.

### Increased or Improved Services for High Needs Students in the LCAP for the 2021-22 School Year

In 2021-22, Magnolia Science Academy-4 is projecting it will receive \$319,154 based on the enrollment of foster youth, English learner, and low-income students. Magnolia Science Academy-4 must describe how it intends to increase or improve services for high needs students in the LCAP. Magnolia Science Academy-4 plans to spend \$785,169 towards meeting this requirement, as described in the LCAP.

## LCFF Budget Overview for Parents

### Update on Increased or Improved Services for High Needs Students in 2020-21

This chart compares what Magnolia Science Academy-4 budgeted last year in the Learning Continuity Plan for actions and services that contribute to increasing or improving services for high needs students with what Magnolia Science Academy-4 estimates it has spent on actions and services that contribute to increasing or improving services for high needs students in the current year.

In 2020-21, Magnolia Science Academy-4's Learning Continuity Plan budgeted \$147,909 for planned actions to increase or improve services for high needs students. Magnolia Science Academy-4 actually spent \$127,250 for actions to increase or improve services for high needs students in 2020-21.

As explained in the LCP analysis, the differences were due to savings by using internal resources for PD and staff reassignments. The planned actions and services were fully provided to high needs students.

# Annual Update for Developing the 2021-22 Local Control and Accountability Plan

## Annual Update for the 2019–20 Local Control and Accountability Plan Year

LEA Name	Contact Name and Title	Email and Phone
Magnolia Science Academy-4	Musa Avsar Principal	mavsar@magnoliapublicschools.org 310-473-2464

The following is the local educational agency's (LEA's) analysis of its goals, measurable outcomes and actions and services from the 2019-20 Local Control and Accountability Plan (LCAP).

# Goal 1

EXCELLENCE: All students will pursue academic excellence and be college/career ready.

State and/or Local Priorities addressed by this goal:

State Priorities:    Priority 1: Basic (Conditions of Learning)  
                           Priority 2: State Standards (Conditions of Learning)  
                           Priority 4: Pupil Achievement (Pupil Outcomes)  
                           Priority 8: Other Pupil Outcomes (Pupil Outcomes)

Local Priorities:    N/A

## Annual Measurable Outcomes

Expected	Actual
<p><b>Metric/Indicator</b>            Percentage of teachers who will be appropriately assigned and fully credentialed as required by law and the charter</p> <p><b>19-20</b>            100%</p> <p><b>Baseline</b>            100%</p>	<p>2019-20:            100%</p>
<p><b>Metric/Indicator</b>            Percentage of students who will have sufficient access to standards-aligned instructional materials</p> <p><b>19-20</b>            100%</p> <p><b>Baseline</b>            100%</p>	<p>2019-20:            100%</p>
<p><b>Metric/Indicator</b>            Percentage of items on facility inspection checklists in compliance/good standing</p> <p><b>19-20</b></p>	<p>2019-20:            100%</p>

Expected	Actual
<p>90%</p> <p><b>Baseline</b> 90%</p>	
<p><b>Metric/Indicator</b> Change in Average Distance from Standard on the CASSPP-ELA/Literacy assessments (Grades 3-8)</p> <p><b>19-20</b> 2019-20 (Expected): All Students: 3 points up from the prior year English Learners: 3 points up from the prior year Socioeconomically Disadvantaged: 3 points up from the prior year Students with Disabilities: 3 points up from the prior year Hispanic: 3 points up from the prior year</p> <p><b>Baseline</b> 2016-17 (Baseline): All Students: 52.7 points below standard English Learners: 93.9 points below standard Socioeconomically Disadvantaged: 48.8 points below standard Students with Disabilities: 125 points below standard Hispanic: 45.9 points below standard</p>	<p>2018-19: All Students: 57.2 points below standard English Learners: 114.4 points below standard Socioeconomically Disadvantaged: 57.3 points below standard Students with Disabilities: 98.6 points below standard African American: 38.7 points below standard Hispanic: 63.0 points below standard</p>
<p><b>Metric/Indicator</b> Change in Average Distance from Standard on the CASSPP-Mathematics assessments (Grades 3-8)</p> <p><b>19-20</b> 2019-20 (Expected): All Students: 3 points up from the prior year English Learners: 3 points up from the prior year Socioeconomically Disadvantaged: 3 points up from the prior year Students with Disabilities: 3 points up from the prior year</p>	<p>2018-19: All Students: 133.7 points below standard English Learners: 170.1 points below standard Socioeconomically Disadvantaged: 128.2 points below standard Students with Disabilities: 184.8 points below standard African American: 139.7 points below standard Hispanic: 133.6 points below standard</p>

## Goal Analysis

A description of how funds budgeted for Actions/Services that were not implemented were used to support students, families, teachers, and staff.

There are two major reasons why there are significant material differences between Budgeted Expenditures and Estimated Actual Expenditures.

The first reason for not meeting the expense amount budgeted is due to an over projection of our 19-20 P2 ADA. 2019-20 Original Budget projected P2 ADA was 166, actual P2 ADA is 131. It's not that we didn't spend the money, but that we didn't receive the full amount of funds we had projected. In addition, due to the COVID-19 school closure, we had to cancel some of the expenses that were budgeted as expenditures.

Goal 1: Action 1: This is not an insignificant material difference in cost. BTSA - three teachers enrolled in induction programs to clear their credentials.

Goal 1: Action 2: Books and Supplies- we spent less due to the decline in enrollment.

Goal 1: Action 2: Instructional Materials- we spent less due to the decline in enrollment.

Goal 1: Action 4: Professional Development: We had to cancel some of the PD activities due to the COVID-19 school closure.

Goal 1: Action 4: Dean's Salary- we hired a new assistant principal with a higher salary due to his qualification based on the MPS salary scale.

Goal 1: Action 5: Dean's Salary- Duplicated Expense (Goal 1: Action 4)

Goal 1: Action 5: Dean's Benefits- Duplicated Expense (Goal 1: Action 4)

Goal 1: Action 6: PD on ELD strategies- MSA 4 provided this PD internally by MPS Home Office staff.

Goal 1: Action 7: The difference is due to an overestimate in employee salary.

Goal 1: Action 8: Teacher Stipends- we had to cancel some of the scheduled Saturday school due to the COVID-19 school closure. In addition, the reduction of expenditures due to the decline in enrollment, therefore fewer teachers was needed for the Saturday school.

Goal 1: Action 9: Benefits: The difference is due to an overestimate in employee benefits.

Goal 1: Action 10: College counselor Salary: we did not hire a college counselor due to the decrease in enrollment. Our Assistant Principal completed the college counselor's duties.

A description of the successes and challenges in implementing the actions/services to achieve the goal.

We have implemented all of the actions/services described above to achieve our EXCELLENCE goal until pandemic hit. We are compliant with our teacher assignments; we offer standards-based instruction and our students have sufficient access to standards-aligned instructional materials; we do facility inspections periodically; we regularly review student performance data and progress towards targets with our staff and continue to provide additional supports and interventions to all students, including ELs, during the school day, after school hours, and on Saturday; we provide our ELs with designated and integrated EL instruction; and we offer AP and Advisory classes for college readiness.

Due to the COVID pandemic, some of the funds budgeted for actions/services in 2019-2020 were changed the last few months of school to support distance learning and some of the planned actions and services were cancelled. Chromebooks and hotspots were purchased for students. We also purchased some digital textbooks for students and teachers. We provided school supplies, computers, Google Classroom training for staff, access to the internet for staff that had unreliable internet services or no services at all. We started personal protective equipments to get ready for a possible school reopening during the pandemic.

## Goal 2

INNOVATION: All students will become independent, innovative scholars.

State and/or Local Priorities addressed by this goal:

State Priorities:     Priority 7: Course Access (Conditions of Learning)  
                           Priority 8: Other Pupil Outcomes (Pupil Outcomes)

Local Priorities:

## Goal Analysis

A description of how funds budgeted for Actions/Services that were not implemented were used to support students, families, teachers, and staff.

There are two major reasons why there are significant material differences between Budgeted Expenditures and Estimated Actual Expenditures.

The first reason for not meeting the expense amount budgeted is due to an over projection of our 19-20 P2 ADA. 2019-20 Original Budget projected P2 ADA was 166, actual P2 ADA is 131. It's not that we didn't spend the money, but that we didn't receive the full amount of funds we had projected. In addition, due to the COVID-19 school closure, we had to cancel some of the expenses that were budgeted as expenditures.

Goal 2: Action 1: Teacher Salaries: due to the decrease in enrollment we didn't receive the full amount of funds we had projected. We also did not hire all the teachers that were initially budgeted for the 2019-20 school year.

Goal 2: Action 1: Benefits- Benefits: the difference is due to an underestimate in employee benefits.

Goal 2: Action 1: Online courses: we did not spend much due to the decrease in enrollment.  
Goal 2: Action 1: Field Trips: we could not take our students to some of the planned field trips due to school closure.  
Goal 2: Action 2: Principal and Dean Salary: this is a duplicated expense.  
Goal 2: Action 3: Accelerated/Advance Math Teacher Salary: the difference is due to an underestimate in employee benefits.  
Goal 2: Action 4: Computer / Technology Teacher: we did not hire a computer teacher due to the decrease in enrollment.  
Goal 2: Action 4: Technology expenses: we did not have to purchase more Chromebooks due to the decline in enrollment.

A description of the successes and challenges in implementing the actions/services to achieve the goal.

The actions/services have been effective as measured by progress towards our annual measurable outcomes. MSA 4 continued students with a broad array of courses including core subjects and electives. We offered 4 AP courses and four elective courses to our students. In addition, we extended the course options by implementing the Odeysseyyware online learning program. Through the use of the Odysseyware platform, our students had access to more than 300 standards-aligned courses and instructional materials in core subjects, enriching electives, CTE courses, and college and career readiness test prep. Moreover, some of our high school students took college courses from community colleges. We also offered a Robotics class to our 6-8 grade students. All of our students prepared STEAM-related projects. We planned to do a STEAM Expo for students to present their projects we had to cancel the event due to the COVID-19 school closure.

## Goal 3

CONNECTION: All students, families, staff, and other stakeholders will feel a sense of community and connectedness.

State and/or Local Priorities addressed by this goal:

State Priorities:    Priority 3: Parental Involvement (Engagement)  
                           Priority 5: Pupil Engagement (Engagement)  
                           Priority 6: School Climate (Engagement)

Local Priorities:    N/A

## Goal Analysis

A description of how funds budgeted for Actions/Services that were not implemented were used to support students, families, teachers, and staff.

There are two major reasons why there are significant material differences between Budgeted Expenditures and Estimated Actual Expenditures.

The first reason for not meeting the expense amount budgeted is due to an over projection of our 19-20 P2 ADA. 2019-20 Original Budget projected P2 ADA was 166, actual P2 ADA is 131. It's not that we didn't spend the money, but that we didn't receive the full amount of funds we had projected. In addition, due to the COVID-19 school closure, we had to cancel some of the expenses that were budgeted as expenditures.

Goal 3: Action 2: Parent Activities: we spent less money due to COVID-19 school closure.

Goal 3: Action 3: Illuminate SIS: this is a duplicated expense.

Goal 3: Action 4: Home visits: we conducted more home visits than we initially planned. Goal 3: Action 5: Principal and Dean Salary: this is a duplicated expense.

Goal 3: Action 5: Principal Dean Employee Benefits: this is a duplicated expense.

Goal 3: Action 5: Mitchell Family Counseling: we spent less money due to the COVID -19 school closure.

Goal 3: Action 6: Office Manager Salary: there was an increase in the Office Manager's salary due to the minimum wage change.

Goal 3: Action 6: Office Manager Benefits: the difference is due to an overestimate in employee benefits.

Goal 3: Action 7: College counselor Salary: we did not hire a college counselor due to the decrease in enrollment. Our Assistant Principal completed the college counselor's duties.

Goal 3: Action 8: Dean of Students: we did not hire a dean of students due to the decrease in enrollment. Our Assistant Principal completed the dean of student's duties.

Goal 3: Action 9: Principal and Dean Salary: this is a duplicated expense.

A description of the successes and challenges in implementing the actions/services to achieve the goal.

We have implemented all of the actions/services described above to achieve our CONNECTION goal. We have held quarterly SSC, ELAC, and PTF meetings; hosted parent activities/events; provided parents with access to our SIS; visited our students at their homes; encouraged and supported student attendance; provided support to ensure students are on track for high school graduation; implemented alternatives to suspension/expulsion through a comprehensive PBIS program, including restorative practices, acknowledging and encouraging positive student behavior and improvements; provided counseling for students as needed; and administered school experience surveys to our students, parents, and staff.

## Annual Update for the 2020–21 Learning Continuity and Attendance Plan

The following is the local educational agency's (LEA's) analysis of its 2020-21 Learning Continuity and Attendance Plan (Learning Continuity Plan).

### In-Person Instructional Offerings

#### Actions Related to In-Person Instructional Offerings

Description	Total Budgeted Funds	Estimated Actual Expenditures	Contributing
Registered Nurse and Certified Nursing Assistant (CrossCountry) to address the increased health needs of students and COVID-19 screening.	\$49,245.00	25,000	No
Personal Protective Equipment: <ul style="list-style-type: none"> <li>• Face Covering</li> <li>• Plexiglass barriers</li> <li>• Thermometers</li> <li>• Cleaning Equipment and supplies</li> <li>• Hydration Stations</li> <li>• Handwashing Stations</li> <li>• Disinfecting Materials</li> <li>• Visual Cues and Materials to Maximize Social Distancing</li> </ul>	\$37,500.00	20,000	No

A description of any substantive differences between the planned actions and/or budgeted expenditures for in-person instruction and what was implemented and/or expended on the actions.

Registered Nurse and Certified Nursing Assistant: \$49,245 was budgeted for this action, \$25,000 has been spent. Due to the school closure during the first semester, we did not need the CNA to report to the school.

Personal Protective Equipment: \$37,500.00 was budgeted for this action, \$20,000 has been spent. We have received a significant amount of PPE donation. Therefore we have not spent the budgeted amount.

## Analysis of In-Person Instructional Offerings

A description of the successes and challenges in implementing in-person instruction in the 2020-21 school year.

Due to the COVID pandemic, some of the funds budgeted for actions/services in 2019-2020 were shifted the last few months of school to support distance learning, and PPE purchases. We spent many hours of planning and setting a safe learning environment for in-person reopening. We implemented plans to reopen schools based on guidance from state and local public health officials. We rearrange our classroom settings to allow physical distancing helps limit the spread of the virus. We taught and reinforced among students staff washing hands, avoiding contact with one's eyes, nose, and mouth, and covering coughs and sneezes.

We established a written, worksite-specific COVID-19 prevention, performed a comprehensive risk assessment of all work areas and work tasks, We are diligently implementing and monitoring the plan.

We implemented screening measures for students and adults entering campus; before students and staff come to school, they conduct a self-screening for signs and symptoms of COVID-19. We purchased an isolation tents for students who are not feeling well to minimize contact with others until they can be transported home or to a healthcare facility.

We set hand sanitizing stations throughout a site and near classrooms should be considered to minimize movement and congregations in bathrooms to the extent practicable. We maximized space between seating and desks. Teacher and other staff desks at least six feet away from student desks. We purchased and use plexi barriers to create barriers as an additional precaution.

## Distance Learning Program

### Actions Related to the Distance Learning Program

Description	Total Budgeted Funds	Estimated Actual Expenditures	Contributing
Digital Textbook and Curriculum	\$9,402.00	7,900	Yes
Educational Software	\$35,625.00	33,000	Yes
Professional Development For Teachers	\$23,901.00	10,000	Yes
Technology (Chromebook, Hotspot, teacher computers, etc.)	\$23,350.00	23,350	Yes
Parent Academy to provide support to the parents during distance learning	\$1250.00	1,000	Yes

A description of any substantive differences between the planned actions and/or budgeted expenditures for the distance learning program and what was implemented and/or expended on the actions.

Material differences between Budgeted Expenditures and Estimated Actual Expenditures will be noted if there was a change of increase or decrease by 10%.

Digital Textbook and Curriculum: \$9,402.00 was budgeted for this action, \$7,900.00 has been spent. We purchased a digital textbook and curriculum for all the courses we offer this school year. The budgeted fund was overestimated.

Professional Development: \$23,901 was budgeted for this action, \$10,000 has been spent. MPS home office provided some of the planned professional development with a cost to MSA-4.

## Analysis of the Distance Learning Program

A description of the successes and challenges in implementing each of the following elements of the distance learning program in the 2020-21 school year, as applicable: Continuity of Instruction, Access to Devices and Connectivity, Pupil Participation and Progress, Distance Learning Professional Development, Staff Roles and Responsibilities, and Support for Pupils with Unique Needs.

The following elements of distance learning successfully implemented in the 2020-21 school.

- Purchased new Chromebooks and distributed them to our students. 100% of MSA-4 students have access to a device.
- Purchased hotspots and distributed them to the families having connectivity issues. 100% of MSA-4 students have access to the internet.
- All students and teachers have access to digital textbooks.
- Purchased new digital educational learning platforms to increase engagement.
- Purchase SEL curriculum to address students' social-emotional needs.
- Implemented parent college to train parents on how to support their children during distance learning.
- Implemented mindfulness meetings for students and parents to address.
- Started working Mental Health Care provider and offered on-demand counseling to our students and parents.
- All staff received professional development regarding distance learning and new educational programs.
- Hired an additional SPED teacher to address the needs of the students with disabilities during distance learning.
- Implemented summer and Saturday school to mitigate the learning loss.
- Increased the after-school hours.
- Implemented small group instruction for reteaching.
- Organized virtual home visits to support students and parents to improve attendance and engagement.

## Pupil Learning Loss

### Actions Related to the Pupil Learning Loss

Description	Total Budgeted Funds	Estimated Actual Expenditures	Contributing
Saturday school and additional office hours will be provided to all students during the 2020-21 school year to support student learning and mitigate learning loss. Great emphasis will be made to support students within the Tier 2 and 3 intervention groups with the extended learning opportunities to close the achievement gaps.	\$8,500.00	8,500	Yes
Summer Enrichment Program was provided virtually in July 2020 to provide additional educational opportunities in order to mitigate summer learning loss and prepare students for their transition to middle school.	\$10,881.00	8,500	Yes
Instructional (SPED) Aide to support to students in small group setting during Asynchronous Learning and After School.	\$30,000.00	30,000	Yes
EL Coordinator Additional Duties Pay	\$5000.00	5,000	Yes

A description of any substantive differences between the planned actions and/or budgeted expenditures for addressing pupil learning loss and what was implemented and/or expended on the actions.

Material differences between Budgeted Expenditures and Estimated Actual Expenditures will be noted if there was a change of increase or decrease by 10%.

Summer Enrichment Program: \$10,881 was budgeted for this action, \$8,500 has been spent. We hired less teachers due to the low summer school enrollment.

### Analysis of Pupil Learning Loss

A description of the successes and challenges in addressing Pupil Learning Loss in the 2020-21 school year and an analysis of the effectiveness of the efforts to address Pupil Learning Loss to date.

We successfully implemented all of the listed actions related to the Pupil learning loss. NWEA MAP testing data showed an increase in student achievement. Due to the COVID pandemic, teachers and parents communicated more than ever before about student

academics and social-emotional support. Parents were mostly supportive of the situation the schools were in. Teachers went above and beyond to collaborate and learn new technology. We were able to repurpose our support staff and retain employees due to additional funding from the state. We increased the support for students with disabilities, and English Learners. Despite the challenges, all IEP meetings were held on time to address the need of the students with disabilities. Our SPED team supported students with disabilities access to the classroom and core instruction. Teachers were made available after school to support students and provide reteaching as need to close the loss. We held 22 Saturday School sessions. Our Saturday school teachers provided reteaching and enrichment to the student who joined. Our teachers met and discuss student-specific intervention strategies during the bi-weekly department meetings.

## Analysis of Mental Health and Social and Emotional Well-Being

A description of the successes and challenges in monitoring and supporting mental health and social and emotional well-being in the 2020-21 school year.

MSA-4 has adopted and implemented an SEL curriculum called Zone of Regulations during the first 10 weeks of the school. Through the Zone of Regulations lessons, our students learned strategies for coping with stress and anxiety. Additionally, we purchased SEL content through NEARPOD. Our teachers implemented this NEARPOD SEL content throughout the year. We conducted students, parents, and staff mental health surveys to determine and address mental health-related health issues throughout the year. We repurposed our school Psychologist to regularly check with the students and provide support to them as needed. We implemented weekly mindfulness lessons where students learned and practices some self-soothing practices. We developed partnerships with local universities and provided additional Therapeutic Counseling to our students and families. We offered additional on-demand mental health services to our stakeholders through Care Solace. MSA-4 teachers have been attended various professional development sessions and learn useful strategies to determine and address social-emotional issues while they are interacting with the students.

## Analysis of Pupil and Family Engagement and Outreach

A description of the successes and challenges in implementing pupil and family engagement and outreach in the 2020-21 school year.

MSA-4 increased the number of opportunities for outreach, parent input, and participation in programs for students through various parent meetings, such as School Site Council (SSC), Parent Task Force (PTF), Parent Advisory Committee (PAC), English Learner Advisory Committee (ELAC), Title I Parent Meeting, 504 Meetings, Parent College meetings, Town Hall meetings, Student Success Team (SST), an Individual Educational Program (IEP) meetings. We held all of these meetings virtually due to the pandemic. We held a monthly School Site Council (SSC) meeting and inform all families of the meeting and ensure the meeting is open to the public. We held two English Learner Advisory Committee (ELAC) where all parents of English Learners were invited to attend. We held Student Success Teams (SST) meetings held to address the specific needs of students through evidence-based systems of support and interventions. Individual Educational Programs (IEP) meetings were held to specifically address the needs of students in a school team-based meeting in collaboration with parents, teachers, resource specialists, and school administration. MSA-4's efforts to receive parent input and decision-making reached the goal by organizing all of the scheduled meetings. However, parent participation in these meetings is still far from the goal. We will continue seeking avenues to increase parent involvement.

## Analysis of School Nutrition

A description of the successes and challenges in providing school nutrition in the 2020-21 school year.

Meal service during the 2020-2021 school year looked very different than it has in the past. In response to school closures because of the COVID-19 pandemic, MSA-4's nutrition programs have transformed into emergency community feeding systems. We delivered meals to our students, their families, and other members of the community with partnering with our sister school, Magnolia Science

Academy-6. Our Grab and Go model allowed parents to pick up meals for their children at MSA-6. In addition, we informed our parents about the other school districts Grab and Go sites that are closer to their homes. At the beginning of May, students began attending schools in person, and we began distributing take home meals to our students.

## Additional Actions and Plan Requirements

### Additional Actions to Implement the Learning Continuity Plan

Section	Description	Total Budgeted Funds	Estimated Actual Expenditures	Contributing

A description of any substantive differences between the planned actions and budgeted expenditures for the additional plan requirements and what was implemented and expended on the actions.

N/A

### Overall Analysis

An explanation of how lessons learned from implementing in-person and distance learning programs in 2020-21 have informed the development of goals and actions in the 2021–24 LCAP.

Despite our efforts, the learning loss was inevitable for some students more than others. We will continue utilizing assessment as well as evaluation of actual student work in order to obtain as much of an authentic understanding of student progress as possible. MSA-4 team will use the data to determine the effectiveness of interventions, both school-wide and for individual students, and determine new intervention strategies and resources to address the learning loss. We plan to maintain 2019-20 LCAP goals and improve our successes by investing in teacher support and development, student intervention, and support programs, and parent engagement opportunities.

An explanation of how pupil learning loss continues to be assessed and addressed in the 2021–24 LCAP, especially for pupils with unique needs.

We will continue utilizing NWEA MAP testing three times during each school year to measure the effectiveness of the services and supports provided to address learning loss. In addition, we will also utilize the interim/benchmark assessments for Math and ELA administer at multiple times over the course of the following school years.

A description of any substantive differences between the description of the actions or services identified as contributing towards meeting the increased or improved services requirement and the actions or services implemented to meet the increased or improved services requirement.

MSA-4 successfully implemented all of the action items planned for 2020-21 school year. However, there are differences between the budgeted expenditures and actuals due to the school closings. We could not reopen our school due to surge in COVID cases between November and March. Instruction was done fully online for about four months due to LAUSD's restrictions.

## Overall Analysis of the 2019-20 LCAP and the 2020-21 Learning Continuity and Attendance Plan

A description of how the analysis and reflection on student outcomes in the 2019-20 LCAP and 2020-21 Learning Continuity and Attendance Plan have informed the development of the 21-22 through 23-24 LCAP.

In overall MSA-4 student outcomes continued improving compared with past 3-4 years despite the challenges with the distance learning. Some of our students continued struggling more than the others due to not having an independent study skills. Based on the winter internal assessment results, about sixty percent of MSA-4 students met their growth target in both Reading and Math. Seventy-nine percent of our students received at least C or above grades at the end of the Fall semester. We have identified about twenty students who will need intervention to close the learning gap caused by distance learning. We will offer these students an extended learning opportunities during the summer to mitigate this learning loss. We will continue closely monitoring their progress during the following school years and offer them after school small group instruction to make sure they will catch up with their peers. We will hire a college counselor to provide guidance to our students to help them to be college ready when they graduate from MSA-4. In addition to hiring a college counselor, we will hire a social worker who will support our students with their social emotional needs. MSA-4 teachers will continue receiving comprehensive professional development to learn effective teaching strategies in order for helping our students.

## Instructions: Introduction

The Annual Update Template for the 2019-20 Local Control and Accountability Plan (LCAP) and the Annual Update for the 2020–21 Learning Continuity and Attendance Plan must be completed as part of the development of the 2021-22 LCAP. In subsequent years, the Annual Update will be completed using the LCAP template and expenditure tables adopted by the State Board of Education.

*For additional questions or technical assistance related to the completion of the LCAP template, please contact the local COE, or the California Department of Education's (CDE's) Local Agency Systems Support Office by phone at 916-319-0809 or by email at [lcff@cde.ca.gov](mailto:lcff@cde.ca.gov).*

## Instructions: Annual Update for the 2019–20 Local Control and Accountability Plan Year Annual Update

The planned goals, state and/or local priorities, expected outcomes, actions/services, and budgeted expenditures must be copied verbatim from the approved 2019-20 Local Control and Accountability Plan (LCAP). Minor typographical errors may be corrected. Duplicate the Goal, Annual Measurable Outcomes, Actions / Services and Analysis tables as needed.

For each goal in 2019-20, identify and review the actual measurable outcomes as compared to the expected annual measurable outcomes identified in 2019-20 for the goal. If an actual measurable outcome is not available due to the impact of COVID-19 provide a brief explanation of why the actual measurable outcome is not available. If an alternative metric was used to measure progress towards the goal, specify the metric used and the actual measurable outcome for that metric.

Identify the planned Actions/Services, the budgeted expenditures to implement these actions toward achieving the described goal and the actual expenditures to implement the actions/services.

### Goal Analysis

Using available state and local data and input from parents, students, teachers, and other stakeholders, respond to the prompts as instructed.

- If funds budgeted for Actions/Services that were not implemented were expended on other actions and services through the end of the school year, describe how the funds were used to support students, including low-income, English learner, or foster youth students, families, teachers and staff. This description may include a description of actions/services implemented to mitigate the impact of COVID-19 that were not part of the 2019-20 LCAP.

- Describe the overall successes and challenges in implementing the actions/services. As part of the description, specify which actions/services were not implemented due to the impact of COVID-19, as applicable. To the extent practicable, LEAs are encouraged to include a description of the overall effectiveness of the actions/services to achieve the goal.

## **Instructions: Annual Update for the 2020–21 Learning Continuity and Attendance Plan**

### **Annual Update**

The action descriptions and budgeted expenditures must be copied verbatim from the 2020-21 Learning Continuity and Attendance Plan. Minor typographical errors may be corrected.

### **Actions Related to In-Person Instructional Offerings**

- In the table, identify the planned actions and the budgeted expenditures to implement actions related to in-person instruction and the estimated actual expenditures to implement the actions. Add additional rows to the table as needed.
- Describe any substantive differences between the planned actions and/or budgeted expenditures for in-person instruction and what was implemented and/or expended on the actions, as applicable.
- Using available state and/or local data and feedback from stakeholders, including parents, students, teachers and staff, describe the successes and challenges experienced in implementing in-person instruction in the 2020-21 school year, as applicable. If in-person instruction was not provided to any students in 2020-21, please state as such.

### **Actions Related to the Distance Learning Program**

- In the table, identify the planned actions and the budgeted expenditures to implement actions related to the distance learning program and the estimated actual expenditures to implement the actions. Add additional rows to the table as needed.
- Describe any substantive differences between the planned actions and/or budgeted expenditures for the distance learning program and what was implemented and/or expended on the actions, as applicable.
- Using available state and/or local data and feedback from stakeholders, including parents, students, teachers and staff, describe the successes and challenges experienced in implementing distance learning in the 2020-21 school year in each of the following areas, as applicable:
  - Continuity of Instruction,
  - Access to Devices and Connectivity,

- Pupil Participation and Progress,
- Distance Learning Professional Development,
- Staff Roles and Responsibilities, and
- Supports for Pupils with Unique Needs, including English learners, pupils with exceptional needs served across the full continuum of placements, pupils in foster care, and pupils who are experiencing homelessness

To the extent practicable, LEAs are encouraged to include an analysis of the effectiveness of the distance learning program to date. If distance learning was not provided to any students in 2020-21, please state as such.

## **Actions Related to Pupil Learning Loss**

- In the table, identify the planned actions and the budgeted expenditures to implement actions related to addressing pupil learning loss and the estimated actual expenditures to implement the actions. Add additional rows to the table as needed.
- Describe any substantive differences between the planned actions and/or budgeted expenditures for addressing pupil learning loss and what was implemented and/or expended on the actions, as applicable.
- Using available state and/or local data and feedback from stakeholders, including parents, students, teachers and staff, describe the successes and challenges experienced in addressing Pupil Learning Loss in the 2020-21 school year, as applicable. To the extent practicable, include an analysis of the effectiveness of the efforts to address pupil learning loss, including for pupils who are English learners; low-income; foster youth; pupils with exceptional needs; and pupils who are experiencing homelessness, as applicable.

## **Analysis of Mental Health and Social and Emotional Well-Being**

- Using available state and/or local data and feedback from stakeholders, including parents, students, teachers and staff, describe the successes and challenges experienced in monitoring and supporting Mental Health and Social and Emotional Well-Being of both pupils and staff during the 2020-21 school year, as applicable.

## **Analysis of Pupil and Family Engagement and Outreach**

- Using available state and/or local data and feedback from stakeholders, including parents, students, teachers and staff, describe the successes and challenges related to pupil engagement and outreach during the 2020-21 school year, including implementing tiered reengagement strategies for pupils who were absent from distance learning and the efforts of the LEA in reaching out to pupils and their parents or guardians when pupils were not meeting compulsory education requirements or engaging in instruction, as applicable.

## **Analysis of School Nutrition**

- Using available state and/or local data and feedback from stakeholders, including parents, students, teachers and staff, describe the successes and challenges experienced in providing nutritionally adequate meals for all pupils during the 2020-21 school year, whether participating in in-person instruction or distance learning, as applicable.

## **Analysis of Additional Actions to Implement the Learning Continuity Plan**

- In the table, identify the section, the planned actions and the budgeted expenditures for the additional actions and the estimated actual expenditures to implement the actions, as applicable. Add additional rows to the table as needed.
- Describe any substantive differences between the planned actions and/or budgeted expenditures for the additional actions to implement the learning continuity plan and what was implemented and/or expended on the actions, as applicable.

## **Overall Analysis of the 2020-21 Learning Continuity and Attendance Plan**

The Overall Analysis prompts are to be responded to only once, following an analysis of the Learning Continuity and Attendance Plan.

- Provide an explanation of how the lessons learned from implementing in-person and distance learning programs in 2020-21 have informed the development of goals and actions in the 2021–24 LCAP.
  - As part of this analysis, LEAs are encouraged to consider how their ongoing response to the COVID-19 pandemic has informed the development of goals and actions in the 2021–24 LCAP, such as health and safety considerations, distance learning, monitoring and supporting mental health and social-emotional well-being and engaging pupils and families.
- Provide an explanation of how pupil learning loss continues to be assessed and addressed in the 2021–24 LCAP, especially for pupils with unique needs (including low income students, English learners, pupils with disabilities served across the full continuum of placements, pupils in foster care, and pupils who are experiencing homelessness).
- Describe any substantive differences between the actions and/or services identified as contributing towards meeting the increased or improved services requirement, pursuant to *California Code of Regulations*, Title 5 (5 CCR) Section 15496, and the actions and/or services that the LEA implemented to meet the increased or improved services requirement. If the LEA has provided a description of substantive differences to actions and/or services identified as contributing towards meeting the increased or improved services requirement within the In-Person Instruction, Distance Learning Program, Learning Loss, or Additional Actions sections of the Annual Update the LEA is not required to include those descriptions as part of this description.

## **Overall Analysis of the 2019-20 LCAP and the 2020-21 Learning Continuity and Attendance Plan**

The Overall Analysis prompt is to be responded to only once, following the analysis of both the 2019-20 LCAP and the 2020-21 Learning Continuity and Attendance Plan.

- Describe how the analysis and reflection related to student outcomes in the 2019-20 LCAP and 2020-21 Learning Continuity and Attendance Plan have informed the development of the 21-22 through 23-24 LCAP, as applicable.

California Department of Education  
January 2021

## Annual Update for the 2019–20 Local Control and Accountability Plan Year Expenditure Summary

Total Expenditures by Funding Source

# Local Control Accountability Plan

The instructions for completing the Local Control and Accountability Plan (LCAP) follow the template.

Local Educational Agency (LEA) Name	Contact Name and Title	Email and Phone
Magnolia Science Academy-4	Musa Avsar Principal	mavsar@magnoliapublicschools.org (310) 473-2464

## Plan Summary [2021-22]

### General Information

A description of the LEA, its schools, and its students.

Magnolia Science Academy 4, is a classroom-based charter school serving grades 6–12 with a curriculum emphasis on science, technology, engineering, arts, and math (STEAM). Originally founded in 2008, MSA-4's mission is to provide a college preparatory educational program emphasizing STEAM in a safe environment that cultivates respect for self and others.

MSA-4 currently serves 101 students in grades 6-12. Our population consists of a variety of students, some of which have a language other than English spoken at home. A high concentration of our families experiences economic challenges. MSA-4 's diverse enrollment is comprised of 85% Hispanic/Latino, 12% African American/Black, and 2% White, 87% Socioeconomically Disadvantaged, 28% Special Education, and 13% English Learner population.

MPS strives to graduate students who come from historically under-served neighborhoods as scientific thinkers that contribute to the global community as socially responsible and educated members of society. We offer a comprehensive learning experience designed to serve the needs of our students through effective site-based instruction, rich hands-on learning, and foundation skills presented in ways that are relevant and inspiring for our students. Classroom instruction at MSA-4 is supplemented by tutoring, after-school programs, Saturday school program, and school-to-university links.

### Reflections: Successes

A description of successes and/or progress based on a review of the California School Dashboard (Dashboard) and local data.

MSA-4 celebrates our successes around our graduation, reclassification rates, and college acceptance rates.

Our graduation rate continues to be strong. We have maintained a rate of 90% or above for the last 3 years and are on track to maintain that rate for the upcoming year. This is an area of considerable pride for us in that we often enroll students with credit deficiencies and/or other challenges and manage to support them as they make strides toward academic and social success. We seek out opportunities for them to complete coursework in an expeditious manner by way of Odysseyware. This is an online platform that allows students to work at an accelerated rate to complete credit recovery courses. Our students know that we will support them in the manner that they need.

MSA-4 celebrates the fact that we have actively created a college-going culture. As a result, our college acceptance rate has been fairly strong over the last 3 years.

MSA-4 remains committed to ensuring that our students are supported and presented with the various programs available to them as a post-secondary option.

MSA-4 also offers our students SAT preparation and community service opportunities to bolster each student's application. We have come to know that while a great GPA used to be the "magic ticket" to gain acceptance to the college of choice, that is no longer the case. Students now need something to set them apart from the next student with an equally great GPA.

## Reflections: Identified Need

A description of any areas that need significant improvement based on a review of Dashboard and local data, including any areas of low performance and significant performance gaps among student groups on Dashboard indicators, and any steps taken to address those areas.

This year MSA-4 continues to focus on our overall student data; however, more of an emphasis on math as that is the area where our students continue to struggle. Our focus is working to move the 30% toward proficiency.

MSA-4 will continue using IAB (Interim Assessment Block) data to track student progress and plan for more targeted instruction and interventions.

MSA-4 experienced an increase in the area of overall satisfaction for our students and staff. MSA 4 continues to employ PBIS (Positive behavior Interventions and Supports) and MTSS (Multi-Tiered Systems of Support) with our students. We will also continue with PD for all staff in these areas.

MSA-4 realizes that there is a continued need to reduce the number of students who are not meeting or exceeding standards in ELA and Math. A persistent school-wide goal is to reduce the percentage of students who are not attaining proficiency by 9% over the next 3 years. In an effort to support our students in these areas, students assigned to enrichment classes, after-school tutoring, and Saturday school. The expectation is that students are provided targeted interventions. Each student's progress is monitored, and students may transfer into another elective once they have made adequate gains toward proficiency.

## LCAP Highlights

A brief overview of the LCAP, including any key features that should be emphasized.

The Charter School Parent Advisory Committee (PAC) has reviewed input from all stakeholders and available data through surveys and student performance data. Based on input and data, we have revised our existing actions/services and measurable outcomes and also planned for new ones. Some of the highlights include:

- The need to continue our improvements in designated/integrated English Learner services
- Expanding after school, Saturday school, and summer school opportunities; refining targeted intervention and tutoring programs
- Providing counseling and positive behavior intervention support services to our students by employing the following:
- PBIS – Positive Behavior Intervention and Supports
- MTSS – Multi-Tiered Systems of Supports
- Mentoring and leadership program
- Keeping effective teachers and improving teacher observation and evaluation systems

We have also worked on our expected annual measurable outcomes to set targets in areas of greatest need and to close performance gaps among student groups. This includes the consistent and targeted use of IAB (interim assessment blocks) and MAP (Measures of Academic Progress) data to inform and drive our day-to-day instruction. MSA-4 spends quality time analyzing our data. We then spend time collaborating and planning around how to best support our students in our efforts to close the performance gap.

## Comprehensive Support and Improvement

An LEA with a school or schools eligible for comprehensive support and improvement must respond to the following prompts.

### Schools Identified

A list of the schools in the LEA that are eligible for comprehensive support and improvement.

N/A

### Support for Identified Schools

A description of how the LEA has or will support its eligible schools in developing comprehensive support and improvement plans.

N/A

## Monitoring and Evaluating Effectiveness

A description of how the LEA will monitor and evaluate the plan to support student and school improvement.

N/A

# Stakeholder Engagement

A summary of the stakeholder process and how the stakeholder engagement was considered before finalizing the LCAP.

In order to promote learning and provide a more positive learning experience for our students, MSA-4 has established a culture of gathering input from parents, students, staff, community members, and other stakeholders through multiple channels including meetings, school events, surveys, home visits, newsletters, and other means of communication. To the extent possible, all stakeholders are invited to be involved in the process of school review and improvement including the development of our annual LCAP.

Information/input sessions include PAC/Parent Task Force (PTF) meetings, School Site Council (SSC) meetings, Board of Directors meetings, Principal meetings, and staff meetings. Parents on our PTF and SSC also serve as our parent advisory committee for LCAP. These committees provide representation of students in need (low income, English learners, foster youth, etc.) Feedback from our parent advisory committee provides valuable input for the new LCAP. In addition, the Charter School conducts surveys for parents, students, and staff, and the Charter School staff make home visits. These all serve as a way to inform, educate, and gather input & feedback from all critical stakeholders.

The Charter School has an approved charter petition with measurable student outcomes and methods to assess student progress, a school plan with planned improvement in student performance in reading and mathematics and in programs for English Learners, and a WASC action plan for continuous school improvement. Therefore, LCAP is received by our community as a comprehensive planning tool that draws from all other school plans and addresses the state priorities and locally identified priorities.

The Charter School has held its periodical meetings this year to gather input from our stakeholders. These include 8 PTF meetings, 7 SSC meetings, at least five parent activities/events including weekly staff meetings, and other stakeholder meetings. The school conducted a family, staff, and student experience survey with specific questions on the sense of safety and school connectedness, school culture and climate, and other areas of school improvement.

A summary of the feedback provided by specific stakeholder groups.

Here are some of the feedback from stakeholders through meetings and stakeholder surveys.

PTF/SSC/PAC Feedback:

Glows:

All stakeholders are happy to be part of a small and family-like environment. Many students and parents emphasized the support that students receive from teachers. Here are some of the comments our stakeholders made about MSA-4. The following are some glows that are being vocalized by all stakeholders.

- MSA-4 provides a family-like environment.
- All staff are caring, supportive.
- MSA-4 offers effective communication with parents.
- Teachers provide individualized attention and flexibility.

Grows:

MSA-4 stakeholders suggested growth in the following areas:

- Parent involvement.
- Facilities.
- Limited classes and activities (sports and music).
- Improvement in instructional strategies to check for understanding

SELPA Feedback:

Our SELPA recommendation included a series of guiding questions to facilitate the process and ensure specific metrics related to academic and socioemotional supports are provided to all students, especially students with disabilities. Based on these recommendations, Goal 2, Action 5 summarizes supports and services for students with disabilities. Further work will continue in this area to ensure the embedment of SEP goals/plans in order to have a centralized plan that is accessible to all stakeholders.

A description of the aspects of the LCAP that were influenced by specific stakeholder input.

The LCAP Committee has reviewed input from all stakeholders and synthesized input to revise existing actions/services and measurable outcomes and also plan for new ones in the LCAP for the upcoming year. Some of the updates include:

- Improvements in designated/integrated English Learner services
- Expanding after school, Saturday school, and summer school opportunities
- Providing counseling and behavior support services to our students
- Improving teacher observation and evaluation systems and keeping effective teachers
- Increasing college preparedness by offering a college planning and career exploration program for students early on, strengthening existing "Advisory" programs, offering special programs to prepare students for the SAT/ACT tests, and preparing students to take more AP courses
- Investing in effective technology and teacher professional development in blended learning and differentiated instruction to enhance instruction in the classroom
- Expanding STEAM-based programs and activities
- Other input includes improving school facilities and the lunch program.

# Goals and Actions

## Goal

Goal #	Description
1	BASIC SERVICES FOR A HIGH-QUALITY LEARNING ENVIRONMENT: All students and staff will have access to a safe, secure, healthy, and high-quality learning and working environment. Students will receive basic services that are fundamental to academic success, including fully credentialed teachers, standards-aligned instructional materials, and appropriately maintained school facilities.

An explanation of why the LEA has developed this goal.

Providing basic services means ensuring all students have access to teachers who are fully credentialed in their subject areas, instructional materials aligned with state standards, and safe, properly maintained school facilities. Charter School will also adhere to the MPS Wellness Policy and encourage participation in school meal programs. Research shows when students are provided with these basic services, student learning outcomes increase. The MPS Home Office will provide services such as academics, accountability, operations, IT, facilities, finance and accounting, human resources, and external relations to support and hold accountable the Charter School for compliance and meeting charter goals. Charter School will implement the actions listed under this goal and use the indicated metrics to measure progress in provision of basic services to maintain a high-quality learning environment.

## Measuring and Reporting Results

Metric	Baseline	Year 1 Outcome	Year 2 Outcome	Year 3 Outcome	Desired Outcome for 2023–24
Number of misassignments of teachers of English learners, total teacher misassignments, and vacant teacher positions (Source: Local Indicator Priority 1)	2020-21: 0				2023-24: 0
	2020-21: 0%				2023-24: 0%
	2020-21:				

Metric	Baseline	Year 1 Outcome	Year 2 Outcome	Year 3 Outcome	Desired Outcome for 2023–24
	0				
Teacher retention rate (Source: HRIS)	2020-21: (Spring 2020 to Fall 2020) 85.0%				2023-24: (Spring 2023 to Fall 2023) 85.0%
Teacher attendance rate (Source: HRIS)	2020-21: (As of 3/25/21) 95.0%				2023-24: 95.0%

## Actions

Action #	Title	Description	Total Funds	Contributing
1	Teacher assignments and credentials	<p>Charter School and the MPS Human Resources team will conduct credential, background, and TB clearance reviews as part of the hiring process and at least once throughout the year to ensure all credentials are properly maintained. Charter School will support our teachers' credentialing needs. Charter School will also annually review master schedules and teacher assignments to ensure teachers are appropriately assigned and fully credentialed in the subject area and for the students they are teaching. Charter School uses a Human Resources Information System (HRIS) to automate employee documents. MPS Home Office HR team acts as a liaison between employees and provides administrative support as needed (e.g., correspondence generation, record keeping, file maintenance, HRIS entry, etc.) The HR team also provides reports to the Board and school administrators in regards to teacher retention, performance, pay scale, vacancies, recruitment efforts, credentials, mandatory trainings, and other HR related matters.</p> <p>Expenditures associated with this action include the following: teacher credentialing expenses, recruitment expenses (sign-in bonus, livescan/fingerprinting fees, etc.), Paycom/payroll fees, retirement service fees, and performance pay.</p>	\$10,300.00	No

Action #	Title	Description	Total Funds	Contributing
		The following expenditures will be funded by federal Title funds:N/A		
2	Instructional materials and technology	<p>Charter School will manage the acquisition, distribution, and maintenance of equipment, materials, and technology needed to meet the academic, linguistic, cultural, social-emotional, and physical requirements of students. Charter School will annually review alignment of instructional materials to standards and maintain an inventory of instructional materials and corresponding purchases of materials. Charter School will annually review budgets and plans to ensure adequate budget for instructional materials. Charter School will ensure that students have sufficient access to the standards-aligned instructional materials, including technology-based resources. Charter School will provide effective access and integration of technology resources, including software and mobile devices, that ensure meaningful access to CA Content Standards aligned instructional programs.</p> <p>Expenditures associated with this action include the following: textbooks, instructional materials and supplies, teacher/classroom supplies and office materials, computers, Chromebooks, hotspots, and other technology equipment, IT manager salary and benefits, E-Rate consultancy, and basic software (Zendesk, AssetWorks, firewall, Datto, CloudReady, Zoom, GoGuardian, etc.), phone/internet, and depreciation.</p> <p>The following expenditures will be funded by federal Title funds:</p> <ul style="list-style-type: none"> <li>• Chromebooks: Resource: Title IV, Part A; Amount: \$4,000.00</li> </ul>	\$81,503.00	No

Action #	Title	Description	Total Funds	Contributing
3	Clean and safe facilities that support learning	<p>Charter School will strive to maintain a clean, safe, environmentally friendly, and inviting school that is worthy of our students, families, and staff and encourages successful teaching and learning. Charter School will continually improve and maintain facilities to ensure school safety, security and high quality learning and working environments. Charter School will do annual and monthly facility inspections to screen for ADA compliance and safety hazards; identified deficiencies will be quickly remedied. Daily general cleaning will maintain campus cleanliness. Maintenance and repairs will be provided by Charter School custodial staff and/or outsourced. As a STEAM focused school, we aim to operate in a sustainable and environmentally responsible manner. Charter School will develop and monitor comprehensive safety and security plans, conduct necessary safety training for all staff and continue to work with the stakeholders and experts to implement emergency and risk management procedures for individuals and the site. Charter School will procure and maintain necessary safety/emergency supplies, equipment and items. Charter School will establish schedules and procedures for the supervision of students in non-classroom areas, including before and after school.</p> <p>Expenditures associated with this action include the following: facilities rent/acquisition cost, custodial staff salaries and benefits, custodial supplies, maintenance and repair services, gas/electric, security services, health and safety related expenses (PPE, nursing services, etc.), and insurance costs (workers compensation, CharterSAFE, etc.)</p> <p>The following expenditures will be funded by federal Title funds: N/A</p>	\$131,984.00	No
4	Healthy and nutritious meals	<p>Charter School will maintain nutrition education resources and continue to focus on innovative ways to increase access to freshly prepared, nutritious foods to ensure students are well-nourished and ready to learn. Charter School will adhere to the MPS Wellness Policy guidelines on nutritious foods for all food sales and celebrations. The meal program aims to improve the diet and health of our students, help mitigate childhood obesity, model healthy eating to support the development of lifelong healthy eating patterns and support healthy</p>	\$6,000.00	Yes

Action #	Title	Description	Total Funds	Contributing
		<p>choices while accommodating cultural food preferences and special dietary needs. Charter School will promote healthy food and beverage choices for all students throughout campus, as well as encourage participation in school meal programs.</p> <p>Expenditures associated with this action include the following: student meals, water, and refreshments.</p> <p>The following expenditures will be funded by federal Title funds: N/A</p>		
5	Well-orchestrated Home Office support services	<p>The MPS Home Office provides services to the Charter School, supports and holds accountable the Charter School for compliance and meeting charter goals, provides best practices in curriculum and professional development, and sets up systems and processes that support academic achievement and growth, operational effectiveness, and financial sustainability. The Home Office manages business operations of schools, which reduces program and operations-related burdens of the Charter School administration and enables the Charter School to receive services at a lower cost. The services of the Home Office include, but are not limited to, academics, accountability, operations, IT, facilities, finance and accounting, human resources, and external relations. Instructional services are reflected in Goals 2-4.</p> <p>Expenditures associated with this action include the following: Home Office management fees, authorizer oversight fees, audit fees, bank fees, legal fees (YM&amp;C, etc.), and other back-office related expenses (Adaptive Insights, DataWorks, etc.)</p> <p>The following expenditures will be funded by federal Title funds: N/A</p>	\$121,427.96	No

## Goal Analysis [2021-22]

An analysis of how this goal was carried out in the previous year.

A description of any substantive differences in planned actions and actual implementation of these actions.

Analysis of the 2021-22 goals will occur during the 2022-23 update cycle.

An explanation of material differences between Budgeted Expenditures and Estimated Actual Expenditures.

Analysis of the 2021-22 goals will occur during the 2022-23 update cycle.

An explanation of how effective the specific actions were in making progress toward the goal.

Analysis of the 2021-22 goals will occur during the 2022-23 update cycle.

A description of any changes made to the planned goal, metrics, desired outcomes, or actions for the coming year that resulted from reflections on prior practice.

Analysis of the 2021-22 goals will occur during the 2022-23 update cycle.

**A report of the Estimated Actual Expenditures for last year's actions may be found in the Annual Update Expenditures Table.**

# Goals and Actions

## Goal

Goal #	Description
2	EXCELLENCE: All students will have equitable access to a high-quality core curricular and instructional program and make academic progress on the California Content Standards. Students will pursue academic excellence and be college/career ready.

An explanation of why the LEA has developed this goal.

Charter School desires that all our students pursue academic excellence and be college/career ready. Effective core curriculum and instruction are central to academic success. Therefore, Charter School will ensure that all students, including but not limited to, ELs, students with disabilities, socioeconomically disadvantaged/low-income students, and students achieving below grade level, have access to a high-quality core curricular and instructional program with appropriate services and support. Targeted interventions will be utilized to create a high-quality differentiated environment where students are supported to engage at their optimal levels. Charter School will also provide professional development to staff to promote a cycle of continuous improvement, as well as supports for high quality delivery of the program that enables differentiation, particularly for unduplicated students and students with exceptional needs. Charter School will implement the actions listed under this goal and use the indicated metrics, such as CAASPP assessment results, to measure progress in achievement of academic excellence and college/career readiness.

## Measuring and Reporting Results

Metric	Baseline	Year 1 Outcome	Year 2 Outcome	Year 3 Outcome	Desired Outcome for 2023–24
Percentage of programs and services outlined in the charter petition, including a broad course of study, that are developed and provided to students, certain programs and services being dependent on student need and interest (Source: Local	2020-21: 100%				2023-24: 100%

Metric	Baseline	Year 1 Outcome	Year 2 Outcome	Year 3 Outcome	Desired Outcome for 2023–24
Indicator Priority 7, SIS)					
Percentage of students who have sufficient access to all programs and services developed and provided to unduplicated students and to individuals with exceptional needs (Source: Local Indicator Priority 7, SIS)	2020-21: 100%				2023-24: 100%
Percentage of state standards implementation for all students (Source: Local Indicator Priority 2)	2020-21: 100%				2023-24: 100%
Percentage of completion of the formal and informal classroom observations by the school administration based on one formal and four informal observations per teacher per year (Source: TeachBoost)	2020-21: (As of 5/7/21) 88%				2023-24: 100%
Percentage of students who have received a grade of “C” or better (or	2020-21: (First semester) 79%				2023-24: 80%

Metric	Baseline	Year 1 Outcome	Year 2 Outcome	Year 3 Outcome	Desired Outcome for 2023–24
performed “proficient” on the related state standardized tests) in core subjects and electives (Source: SIS)

## Actions

Action #	Title	Description	Total Funds	Contributing
1	Broad course of study and standards-based curriculum	Charter School will provide students with a broad array of courses including core subjects (English, mathematics, social sciences, and science) and electives. Charter School will also provide all other academic programs and services outlined in its charter petition, certain	\$713,303.34	No

Action #	Title	Description	Total Funds	Contributing
		<p>programs and services being dependent on student need and interest. Charter School will design its master schedule to meet the needs of its students to ensure all academic content areas are available to all students, including student groups. All students will participate in a rigorous, relevant, and coherent standards-based curriculum that supports the achievement of the schoolwide learner outcomes, academic standards, and college- and career-readiness standards. The school will be appropriately staffed to implement the school master schedule.</p> <p>Expenditures associated with this action include the following: teacher salaries and benefits, principal salary and benefits, and substitute teacher expenses.</p> <p>The following expenditures will be funded by federal Title funds: N/A</p>		
2	Professional development for high-quality instruction	<p>Professional development will occur at the MPS organizational level and within the school. Charter School will ensure curricula, instruction, and assessments are aligned to the standards and that teachers participate in professional development on the implementation of standards (CCSS, NGSS, etc.) In addition to ongoing professional development activities that support efforts to increase student academic performance, all staff will be provided with multiple opportunities to grow professionally through induction processes, regular collaboration with colleagues, and curricular support. This involves instructional leadership, common walkthrough protocols, and professional feedback to promote a cycle of continuous improvement, as well as supports for high quality delivery of the program that enables differentiation, particularly for unduplicated students and students with exceptional needs. Instructional leaders at the school and at the Home Office will assess staff professional development needs through formal and informal performance observation, surveys, and student performance data. Based on the data, combined with LCAP goals and the MPS Home Office high quality instruction guidelines, the instructional leaders will determine common staff development days and tailor staff development to individual staff</p>	\$28,000.00	Yes

		<p>needs.</p> <p>Expenditures associated with this action include the following: professional development, tuition reimbursement, and TeachBoost software fees.</p> <p>The following expenditures will be funded by federal Title funds:</p> <ul style="list-style-type: none"> <li>Tuition reimbursement for professional development: Resource: Title II, Part A; Amount: \$5,131</li> </ul>		
3	MTSS - Academic enrichment, intervention, and student support	<p>Charter School will implement MTSS as a systemic, continuous improvement framework in which data-based problem-solving and decision making is practiced across all levels of the educational system for supporting students. Charter School will synthesize CAASPP and MAP student achievement and growth data, as well as course grades, and other state and internal assessment scores, into reports and regularly review progress towards targets. Targeted interventions will be utilized to create a high-quality differentiated environment where students are supported to engage at their optimal levels. Charter School will provide additional supports and interventions to all students, including but not limited to, 1-1 or small group interventions, targeted support via evidence-based supplemental intervention/enrichment materials and technology (reading, math, etc.), co-taught classes, Power English/Power Math classes, Study Skills, additional support during SSR/Advisory, before and after school tutoring, Saturday classes, and summer programs. SSPT, 504, and other support meetings will be coordinated among teachers and support roles (resource teachers, EL coordinator, department chairs, etc.)</p> <p>Expenditures associated with this action include the following: Dean of Academics salary and benefits, Title-I coordinator salary and benefits, instructional aide salaries and benefits, intervention teacher salaries and benefits, teacher stipends for after school, Saturday school, and summer school, NWEA MAP testing fees, Illuminate DnA fees, and</p>	\$204,908.70	Yes

Action #	Title	Description	Total Funds	Contributing
		<p>evidence-based supplemental intervention/enrichment program fees (Edgenuity, ALEKS, IXL, Accelerated Reader, Lexercise, ST Math, Standards Plus, Quizizz, Padlet, Grade Slam, Sumdog, BrainPOP, NextGenMath, Membean, Spelling City, Turnitin, Seesaw, Listenwise, Grammarly, Cambium Learning, ABC Mouse, Learning A-Z, Cityspan, Flocabulary, Alexandria Library, Nearpod, Newsela, and myON.)</p> <p>The following expenditures will be funded by federal Title funds:</p> <ul style="list-style-type: none"> <li>• Teacher stipends for after-school: Resource: Title I, Part A; Amount: \$5,600</li> <li>• Teacher stipends for Saturday school: Resource: Title I, Part A; Amount: \$14,000</li> <li>• NWEA MAP testing fees: Resource: Title I, Part A; Amount: \$1,300</li> <li>• Evidence-based supplemental intervention/enrichment program fees (for the programs listed in the expenditures description above): Resource: Title I, Part A; Amount: \$14,270</li> </ul>		
4	Designated and integrated ELD programs	<p>Charter School will provide services to ELs by proficiency level and provide ELD instruction aligned to the CA ELD standards and framework. Charter School will provide our ELs with core and supplemental ELD instructional materials and provide our teachers with PD focused on ELD standards. Our EL coordinator will monitor EL student progress in program implementation according to our EL Master Plan. Charter School teachers will provide instruction using designated and integrated ELD instructional strategies as outlined in the CHATS framework (and other research-based strategies such as SDAIE) to all students, including ELs. Charter School will provide culturally and linguistically relevant materials for students. ELs will receive further in-class instructional support which includes one-on-one teacher support and small group instruction. Charter School will strive to provide bilingual instructional assistants to provide primary language support to enable students to access content area instruction while gaining language proficiency. Charter School will ensure that teachers participate in PD on ELD instructional strategies</p>		Yes

Action #	Title	Description	Total Funds	Contributing
		<p>and CHATS framework. Charter School will provide regular and timely communication with families of EL students regarding annual assessments, program supports and services, and students' progress toward reclassification. This notification will include, but is not limited to, annual parent notification letters, quarterly ELAC meetings, and parent-teacher conferences.</p> <p>Expenditures associated with this action include the following: EL coordinator salary and benefits, EL coordinator stipend, EL instructional aide salary and benefits, and Rosetta Stone program fees.</p> <p>The following expenditures will be funded by federal Title funds:N/A</p>		
5	Support for students with disabilities	<p>Students with disabilities will receive services and supports as listed in their Individualized Education Programs (IEPs) (in addition to services they receive pertinent to low income, foster youth and English learner designations) in order to improve outcomes and close the achievement gap, including graduation rate and performance on statewide assessments. Students with disabilities will have access to all additional intervention and student support systems as outlined in Goal 2: Actions 3 and 4, as well as access to push-in and pull-out services, instructional aides, learning center services, and contracted services to provide each scholar with a Free and Appropriate Public Education in their least restrictive and most accessible learning environment. Students with disabilities dually identified as EL will have ELD goals in their IEPs in addition to goals addressing their specific areas of need based on their eligibility. Our SPED, EL, and general education teams will work in collaboration, monitor our scholars' progress toward IEP goal mastery, and provide progress reports to parents. In addition, all IEPs will be reviewed and present levels will be updated during annual and triennial reviews as required by the IDEA.</p>	\$252,930.11	No

Action #	Title	Description	Total Funds	Contributing
		<p>Expenditures associated with this action include the following: SPED coordinator and teacher salaries and benefits, paraprofessional salaries and benefits, school psychologist salary and benefits, SPED intern salaries and benefits, outsourced SPED services fees, and SPED instructional materials and technology.</p> <p>The following expenditures will be funded by federal Title funds: N/A</p>

# Goals and Actions

## Goal

Goal #	Description
3	INNOVATION: All students will have access to a well-rounded education that supports their readiness for college and the global world. Each student will become an independent, innovative scholar by practicing creativity in learning and using technology in transformative ways.

An explanation of why the LEA has developed this goal.

It is the Charter School's vision that our graduates are well-rounded critical thinkers and problem solvers who contribute to the global community. A significant step toward helping our students achieve their maximum potential involves providing a rigorous, relevant and college preparatory curriculum with a STEAM emphasis. Therefore, we will design educational experiences to meet the needs of our scholars with an emphasis on innovation and critical thinking. Charter School will also promote the benefits of a physically active lifestyle and will help students develop skills to engage in lifelong healthy habits, as well as incorporate essential health education concepts to our physical education program. In an effort to provide well-rounded education to our students, Charter School will strive to offer additional programs such as elective courses, arts, music, civics, languages other than English, clubs, etc. Charter School will implement the actions listed under this goal and use the indicated metrics to measure progress in provision of an innovative, well-rounded education that supports student readiness for college and the global world.

## Measuring and Reporting Results

Metric	Baseline	Year 1 Outcome	Year 2 Outcome	Year 3 Outcome	Desired Outcome for 2023–24

## Actions

Action #	Title	Description	Total Funds	Contributing
1	College/Career readiness programs and activities	<p>Charter School will offer individual graduation plans, outlining the classes students will take during their high school years. Students will be provided credit recovery opportunities and individualized support to ensure timely high school graduation. Charter School will offer Advisory and College Readiness classes and activities to support our students in the areas, including, but not limited to, college planning and career exploration, test prep for ACT/SAT, college application and financial aid submission. Charter School will provide students with opportunities to take Advanced Placement (AP) courses based on student needs and interests. Charter School will promote a college-going culture through dual and concurrent enrollment, AP courses, college visits, college/career days, and other college related activities. Charter School will also explore CTE options to provide students with opportunities to explore a career theme of interest while learning a set of technical and employability skills that integrate into or complement their academic studies.</p> <p>Expenditures associated with this action include the following: college counselor salary and benefits, AP teacher stipends, Naviance program fees, AP exam fees, AP course materials, and other college-related materials and activities.</p> <p>The following expenditures will be funded by federal Title funds:</p> <ul style="list-style-type: none"> <li>• College Counselor salary and benefits (partial): Resource: Title IV, Part A; Amount: \$XX,XXX</li> <li>• Teacher stipends for AP classes: Resource: Title IV, Part A; Amount: \$XX,XXX</li> <li>• Naviance program fees: Resource: Title IV, Part A; Amount: \$XX,XXX</li> <li>• AP exam fees: Resource: Title IV, Part A; Amount: \$XX,XXX</li> <li>• AP course materials: Resource: Title IV, Part A; Amount: \$XX,XXX</li> <li>• Other college-related materials and activities: Resource: Title IV, Part A; Amount: \$XX,XXX</li> </ul>	\$192,398.90	Yes

Action #	Title	Description	Total Funds	Contributing
2	STEAM and GATE programs	<p>Charter School will offer STEAM and GATE programs and activities, including Accelerated/Advanced Math course and club. Students will be provided opportunities during the day and after school to create or demonstrate a STEAM focused project, experiment, model or demo. We will also provide information and access to quality out-of-school STEAM activities and achievements. With CA Science Framework and NGSS integration, all our students will learn about engineering design, technology, and applications of science as part of their core classes. Furthermore, Charter School will design and implement engineering-related courses and activities, such as AP Computer Science Principles, Code.org activities, Project Lead the Way (PLTW) programs, Robotics, etc. Gifted and talented students and students achieving above grade level will be engaged in all classes as teachers differentiate curriculum through adjustments of content through depth, complexity, and pacing. Emphasis will be on innovation, critical thinking, and logical reasoning. Learners will be challenged to investigate, use problem-based learning, and research.</p> <p>Expenditures associated with this action include the following: supplemental science program fees.</p> <p>The following expenditures will be funded by federal Title funds:</p> <ul style="list-style-type: none"> <li>Supplemental science program fees: Resource: Title IV, Part A; Amount: \$6,000</li> </ul>	\$6,000.00	Yes
3	Digital literacy and citizenship programs	<p>Charter School will educate our students and staff in digital literacy so that they adapt, create, consume, and connect in productive, responsible ways to utilize technology in academic, social, and professional settings. Charter School will offer Computer/Digital Literacy classes and/or blended learning experiences for our students. Teachers will participate in PD on Blended Learning and technology will be kept up to date. Students will be provided with opportunities to expand their literacy, computational, and communication skills with digital media; they will be writing advanced essays, conducting internet research, engaging in data collection, presenting ideas and</p>	\$3,500.00	Yes

Action #	Title	Description	Total Funds	Contributing
		<p>drawing conclusions. Charter School staff will teach and model safe, savvy, and social digital citizenship; topics include, but are not limited to, using technology applications; digital footprint, privacy, and security; digital rights and responsibilities; using social media responsibly and digital etiquette.</p> <p>Expenditures associated with this action include the following: computer teacher salary and benefits, internet security program fees, and digital literacy and citizenship program fees.</p> <p>The following expenditures will be funded by federal Title funds:N/A</p>		
4	Physical education, activity, and fitness	<p>Charter School will provide students with physical education, using an age-appropriate, sequential PE curriculum consistent with state standards for PE. The curriculum will promote the benefits of a physically active lifestyle and will help students develop skills to engage in lifelong healthy habits, as well as incorporate essential health education concepts. Charter School will offer recess before lunch and students will be provided with periodic opportunities to be active or to stretch throughout the day on all or most days during a typical school week. To the extent practicable, Charter School will ensure that its grounds and facilities are safe, and that equipment is available to students to be active. Charter School will offer opportunities for students to participate in physical activity either before and/or after the school day (or both) through a variety of methods such as physical activity/sports clubs, intramurals or interscholastic sports, etc. Charter School will adhere to the MPS Wellness Policy guidelines on physical education, activity, and fitness.</p> <p>Expenditures associated with this action include the following: PE/Health teacher salary and benefits and physical activity, fitness, and equipment expenses.</p> <p>The following expenditures will be funded by federal Title funds:</p>	\$82,723.70	Yes

Action #	Title	Description	Total Funds	Contributing
		<ul style="list-style-type: none"> <li>• PE/Health teacher salary and benefits: Resource: Title IV, Part A; Amount: \$XX,XXX</li> <li>• Athletic director salary and benefits: Resource: Title IV, Part A; Amount: \$XX,XXX</li> <li>• Physical activity, fitness, and equipment expenses: Resource: Title IV, Part A; Amount: \$XX,XXX</li> </ul>		
5	Additional programs and activities that support well-rounded education	<p>In an effort to provide well-rounded education to our students, Charter School will strive to offer additional programs such as elective courses, arts, music, civics, languages other than English, clubs, etc. Arts instruction focuses on developing students' creativity, imagination, discipline and self-expression through drawing and fine arts. It is important that all our students, particularly unduplicated students, are provided with experiential learning opportunities, including but not limited to, instructional field trips, internships, community service programs, clubs, etc. Charter School teachers and other staff will offer after school clubs for enrichment in the areas of, including, but not limited to, math, science, technology, engineering, ELA, languages other than English and culture, sports, visual and performing arts, community service, and others.</p> <p>Expenditures associated with this action include the following: teacher salaries and benefits for additional programs that support well-rounded education, supplemental materials, field trip expenses, and afterschool/club expenses.</p> <p>The following expenditures will be funded by federal Title funds: N/A</p>	\$112,484.05	Yes

## Goals and Actions

### Goal

Goal #	Description
4	CONNECTION: All students, families, staff, and other stakeholders will have access to meaningful engagement opportunities that help cultivate leadership, advocacy, and collaboration in a safe and nurturing environment. Stakeholders will feel a sense of community and connectedness.

An explanation of why the LEA has developed this goal.

School communities are integrated partnerships with the school site staff, families, students and all other stakeholders. This sense of connection creates a safe place for all learners and stakeholders to affirm individual strengths, develop capacity, celebrate character, build trusting and respectful relationships, promote unity and better decision making. Additionally, community cultivates identity and gives each member a sense of belonging and pride. Charter School will seek family input for decision making, utilize home visits and stakeholder surveys, and provide academic and social-emotional support through MTSS/PBIS. We will work with community partners to support the vision and goals of the school, including our students' development of personal and academic networks for long-term resilience and connection. Charter School will implement the actions listed under this goal and use the indicated metrics to measure progress in sustaining a sense of community and connectedness.

### Measuring and Reporting Results

Metric	Baseline	Year 1 Outcome	Year 2 Outcome	Year 3 Outcome	Desired Outcome for 2023–24
Number of School Site Council (SSC) meetings per year (Source: Local Indicator Priority 3)	2020-21: (As of 4/16/21) 4				2023-24: 4
Number of English Learner Advisory Committee (ELAC) meetings per year (Source: Local Indicator Priority 3)	2020-21: (As of 4/16/21) 1				2023-24: 4
Number of Parent Advisory Committee	2020-21: (As of 4/16/21)				2023-24: 4

Metric	Baseline	Year 1 Outcome	Year 2 Outcome	Year 3 Outcome	Desired Outcome for 2023–24
(PAC) meetings per year (Source: Local Indicator Priority 3)	9				
Number of activities/events for parent involvement per year (Source: Local Indicator Priority 3)	2020-21: (As of 4/16/21) 25				2023-24: 5
Number of progress reports sent to parents per year (Source: Local Indicator Priority 3)	2020-21: 4				2023-24: 4
Percentage of students who have been home-visited by the teachers per year (Source: Local Indicator Priority 3, SIS)	2020-21: (As of 4/16/21) 45.0%				2023-24: 25%
Average Daily Attendance (ADA) Rate (Source: SIS)	2020-21: (P-2 ADA) 95.62%				2023-24: 96.00%
Chronic Absenteeism Rate (Source: CA School Dashboard, SIS)	2020-21: (As of 4/7/21) 13.7%				2023-24: 9.0%
Middle School Dropout Rate (Source: CALPADS)	2020-21: (As of 4/16/21) N/A				2023-24: N/A

Metric	Baseline	Year 1 Outcome	Year 2 Outcome	Year 3 Outcome	Desired Outcome for 2023–24
High School Dropout Rate (Source: CALPADS, CDE DataQuest)	2019-20: 10.0%				2022-23: 0.0%
Graduation Rate (Source: CALPADS, CA School Dashboard)	2019-20: (2020 Dashboard) 85.0%				2022-23: (2023 Dashboard) 100.0%
Student Suspension Rate (Source: CALPADS, CA School Dashboard)	2020-21: (As of 4/9/21) 0.0%				2023-24: 0.0%
Student Expulsion Rate (Source: CALPADS, CDE DataQuest)	2020-21: (As of 4/9/21) 0.00%				2023-24: 0.00%
School experience survey participation rates (Source: Panorama Education)	2020-21: Students: 100.0% Families: 83.3% Staff: 100.0%				2023-24: Students: 95.0% Families: 80.0% Staff: 100.0%
School experience survey average approval rates (Source: Panorama Education)	2020-21: Students: 79% Families: 98% Staff: 92%				2023-24: Students: 80% Families: 95% Staff: 90%
Student retention rate (Source: SIS)	2020-21: (Spring 2020 to Fall 2020) 83%				2023-24: (Spring 2023 to Fall 2023) 85.0%

## Actions

Action #	Title	Description	Total Funds	Contributing
1	Seeking family input for decision making	<p>Charter School will hold periodic meetings to gather input from our families. Information/input sessions include Parent Advisory Committee (PAC) meetings, Parent Task Force (PTF) meetings, School Site Council (SSC) meetings, English Learner Advisory Committee (ELAC) meetings, Coffee with the Principal meetings, and Board of Directors meetings. Parents on our PTF and SSC also serve as our Parent Advisory Committee (PAC) for LCAP. Along with ELAC, such committees provide for representation of students in need (low income, English learners, foster youth, etc.) Feedback from our PAC, SSC, and ELAC provides valuable input for the LCAP. Charter School chooses to utilize the LCAP to serve as the SPSA. Charter School will also hold an annual meeting to inform parents and collect feedback about LCAP goals and actions, data and needs assessment, Title-funded activities and budgets, UCP, parent involvement policy and school-student-parent compact. In addition, Charter School will conduct parent surveys to seek feedback on school improvement.</p> <p>Expenditures associated with this action include the following: parent meeting expenses and Document Tracking Services (DTS) fees.</p> <p>The following expenditures will be funded by federal Title funds:</p> <ul style="list-style-type: none"> <li>• Stipends to serve on SSC, ELAC, and board meetings: Resource: Title I, Part A; Amount: \$XX,XXX</li> <li>• Parent input/decision making meeting expenses: Resource: Title I, Part A; Amount: \$XX,XXX</li> <li>• DTS program fees: Resource: Title I, Part A; Amount: \$XX,XXX</li> </ul>		Yes
2	Building partnerships with families for student outcomes	<p>Charter School will build trusting and respectful relationships with parents through activities/events, including Student/Parent Orientation, Back to School Night, and parent conferences to promote parental participation in programs. Administrators will greet all students and parents in the mornings during student drop off and have an open-door policy welcoming all parents. Charter School will provide parents with access to course materials, homework assignments, projects, and records of students' grades through our SIS. Charter School will</p>	\$114,728.60	Yes

Action #	Title	Description	Total Funds	Contributing
		<p>communicate further with the parents of students who are performing below grade level. Our teachers, administrators, and classified staff will visit students at their homes to discuss student progress and enhance student learning and involvement. Charter School will schedule annual workshops for parents as well as additional workshops for parents of EL and immigrant students. Topics to be covered include, but are not limited to, the school's EL Master Plan, stages of language acquisition, state testing, college application, using SIS to check student progress, study habits, and family literacy. Charter School will use a variety of communication channels to connect with families in a language that is understandable and accessible to them. A parent communication software will be utilized for voice and text communications, email, and push notifications. We will provide language translators at parent meetings to the extent practicable.</p> <p>Expenditures associated with this action include the following: Infinite Campus SIS fees, ParentSquare software fees, SchoolMint software fees, home-visit compensation, parent activity/event expenses, Parent Education Bridge program fees, Pitney Bowes expenses, Dean of Culture salary and benefits, and Office manager/Administrative assistant salaries and benefits.</p> <p>The following expenditures will be funded by federal Title funds:</p> <ul style="list-style-type: none"> <li>• ParentSquare software fees: Resource: Title I, Part A; Amount: \$600</li> </ul>		
3	MTSS - PBIS and SEL support	Charter School will provide a safe, nurturing, and engaging learning environment for all our students and families. Academic and social-emotional support will be provided to address student needs as well as instructional materials including free uniforms. Students who are homeless, experiencing housing instability, are in foster care or experiencing personal/family crisis or have other special needs will be cared for in our supportive school community. Charter School will offer a Life Skills/Character Education program that provides students with	\$104,750.97	Yes

Action #	Title	Description	Total Funds	Contributing
		<p>valuable skills to support academic excellence and social skill development. We will annually assess our suspension/expulsion policies and procedures and implement alternatives to suspension/expulsion, including restorative practices. Teachers will establish classroom management procedures, foster positive relationships, and help create an atmosphere of trust, respect, and high expectations. Charter School will implement a positive and equitable student responsibility and behavior system with teaching, intervention and prevention strategies and protocols that are clear, fair, incremental, restorative, and culturally responsive. Charter School will celebrate student and school achievements and organize recognition assemblies and other schoolwide culture-building activities. Charter School will inform parents and students of attendance policies specified in the Student/Parent Handbook and encourage and support student attendance. Charter School will also implement the CORE DISTRICTS SEL Survey instrument in the fall and spring annually to assess the following social-emotional competencies: growth mindset, self-efficacy, self-management, and social awareness. As part of our MTSS efforts, school leadership, teachers, and support staff will analyze student SEL survey results in the fall to provide our students with targeted social-emotional support and then measure student responses again in the spring to measure growth, identify greatest progress and needs in order to inform our next steps.</p> <p>Expenditures associated with this action include the following: Dean of Students salary and benefits, discipline coordinator salary and benefits, office/attendance clerk salaries and benefits, school uniform fees, PD on classroom management, PBIS, and SEL support, SEL program fees, outsourced SEL services fees, and additional services for homeless students.</p> <p>The following expenditures will be funded by federal Title funds:</p> <ul style="list-style-type: none"> <li>• Additional services for homeless students: Resource: Title I, Part A; Amount: \$1,000</li> </ul>		

Action #	Title	Description	Total Funds	Contributing
4	Annual stakeholder surveys	<p>Charter School will annually administer school experience surveys to students, parents, and staff. Charter School will implement the CORE DISTRICTS Survey instrument to assess our stakeholders' perceptions of the following school climate indicators: climate of support for academic learning; knowledge and fairness of discipline, rules and norms; safety; and sense of belonging (school connectedness). In addition, we ask our stakeholders open-ended questions about what they like the best and the least about the school and suggestions for improvement. This feedback instrument provides all staff and school leaders with valuable information about how students see their classes, how much parents are involved, how supported staff feel and how to facilitate improvement. Our staff will analyze the survey results to identify the greatest progress and needs in order to inform our next steps.</p> <p>Expenditures associated with this action include the following: Panorama Education survey fees.</p> <p>The following expenditures will be funded by federal Title funds:N/A</p>	\$500.00	Yes
5	Community outreach and partnerships	<p>Charter School will establish community, business, institutional and civic partnerships that invest in and support the vision and goals of the school. School staff will participate in local activities that engage community members and staff in communicating school successes to the broader community. Charter School will secure community support to sustain existing resources and add new resources that address emerging student needs. Charter School leadership will actively develop relationships with a range of stakeholders, policymakers, and researchers to identify and address issues, trends, and potential changes that affect the context and conduct of education.</p> <p>Expenditures associated with this action include the following: membership fees (CCSA, WASC, etc.), marketing, branding, outreach, and partnership expenses.</p> <p>The following expenditures will be funded by federal Title funds: N/A</p>	\$12,500.00	Yes

Action #	Title	Description	Total Funds	Contributing

## Goal Analysis [2021-22]

An analysis of how this goal was carried out in the previous year.

A description of any substantive differences in planned actions and actual implementation of these actions.

Analysis of the 2021-22 goals will occur during the 2022-23 update cycle.

An explanation of material differences between Budgeted Expenditures and Estimated Actual Expenditures.

Analysis of the 2021-22 goals will occur during the 2022-23 update cycle.

An explanation of how effective the specific actions were in making progress toward the goal.

Analysis of the 2021-22 goals will occur during the 2022-23 update cycle.

A description of any changes made to the planned goal, metrics, desired outcomes, or actions for the coming year that resulted from reflections on prior practice.

Analysis of the 2021-22 goals will occur during the 2022-23 update cycle.

**A report of the Estimated Actual Expenditures for last year's actions may be found in the Annual Update Expenditures Table.**

## Increased or Improved Services for Foster Youth, English Learners, and Low-Income Students [2021-22]

Percentage to Increase or Improve Services	Increased Apportionment based on the Enrollment of Foster Youth, English Learners, and Low-Income students
28.75%	\$319,154

The Budgeted Expenditures for Actions identified as Contributing may be found in the Increased or Improved Services Expenditures Table.

### Required Descriptions

For each action being provided to an entire school, or across the entire school district or county office of education (COE), an explanation of (1) how the needs of foster youth, English learners, and low-income students were considered first, and (2) how these actions are effective in meeting the goals for these students.

- Goal 1: Action 4: Healthy and nutritious meals

MPS is committed to the optimal development of every student. Research shows that two components, good nutrition and physical activity before, during and after the school day, are strongly correlated with positive student outcomes. For example, student participation in the U.S. Department of Agriculture's (USDA) School Breakfast Program is associated with higher grades and standardized test scores, lower absenteeism and better performance on cognitive tasks. Conversely, less-than-adequate consumption of specific foods including fruits, vegetables and dairy products, is associated with lower grades among students. Finally, there is evidence that adequate hydration is associated with better cognitive performance. With consideration of the importance of good nutrition, Charter School will maintain nutrition education resources and continue to focus on innovative ways to increase access to freshly prepared, nutritious foods to ensure students are well-nourished and ready to learn. Low-income students are eligible to receive reduced-price or free meals at school and this action will result in increased and improved services, particularly for our low-income students, who may not have access to nutritious meals and are experiencing poor health outcomes. With the needs of low-income students in mind, this action will be provided on a schoolwide basis. It was found effective in the current school year and will be continued in the coming school year. Charter School will promote healthy food and beverage choices for all students throughout campus, as well as encourage participation in school meal programs. Charter School will adhere to the MPS Wellness Policy guidelines on nutritious foods for all food sales and celebrations. We expect the meal program will help improve the diet and health of our students and mitigate childhood obesity, model healthy eating to support the development of lifelong healthy eating patterns and support healthy choices while accommodating cultural food preferences and special dietary needs. We also expect this action will result in increased student belonging as measured by the annual student surveys in Goal 4: Action 4.

- Goal 2: Action 2: Professional development for high-quality instruction

The majority of Charter School's student population consists of low-income and socioeconomically disadvantaged students, English learners, and students with disabilities, many of whom are dually identified as EL. These student groups have social and emotional conditions that influence academic learning, as evidenced by the performance gaps on the CA School Dashboard, CAASPP results, and other available data. Addressing the unique needs of students from diverse backgrounds is a major challenge because our teachers need to be prepared with the relevant content knowledge, experience, and training, with a focus on cultural and linguistic characteristics of our diverse learners. With the needs of our diverse student body in mind, Charter School will ensure curricula, instruction, and assessments are aligned to the standards and that teachers participate in professional development on the implementation of standards (CCSS, NGSS, etc.) In addition to ongoing professional development activities that support efforts to increase student academic performance, all staff will be provided with multiple opportunities to grow professionally through induction processes, regular collaboration with colleagues, and curricular support. This involves instructional leadership, common walkthrough protocols using the TeachBoost software, and professional feedback to promote a cycle of continuous improvement, as well as supports for high quality delivery of the program that enables differentiation, particularly for unduplicated students and students with exceptional needs. Instructional leaders at the school and at the Home Office will assess staff professional development needs through formal and informal performance observations, surveys, and student performance data. Based on the data, combined with LCAP goals and the MPS Home Office high quality instruction guidelines, the instructional leaders will determine common staff development days and tailor staff development to individual staff needs. This action was found effective in the current school year and will be continued in the coming school year. We expect this schoolwide action will result in increased academic achievement of our student groups on the CA School Dashboard, CAASPP assessments, MAP assessments, and student grades as identified in our LCAP metrics in Goal 2.

- Goal 2: Action 3: MTSS - Academic enrichment, intervention, and student support

The majority of Charter School's student population consists of low-income and socioeconomically disadvantaged students, English learners, and students with disabilities, many of whom are dually identified as EL. These student groups have social and emotional conditions that influence academic learning, as evidenced by the performance gaps on the CA School Dashboard, CAASPP results, and other available data. Most of our low-income students have parents working multiple jobs and need academic support. Foster youth and English learners may experience feelings of anxiety and confusion. Students struggle with access to materials, technology, and a quiet, private place to study. There are gaps in their learning that need individualized attention. Considering the needs of our vulnerable student groups in mind, Charter School will implement MTSS as a systemic, continuous improvement framework in which data-based problem-solving and decision making is practiced across all levels of the educational system for supporting students. Charter School will synthesize CAASPP and MAP student achievement and growth data, as well as course grades, and other state and internal assessment scores, into reports and regularly review progress towards targets. Targeted interventions will be utilized to create a high-quality differentiated environment where students are supported to engage at their optimal levels. Charter School will provide additional supports and interventions to all students, including but not limited to, 1-1 or small group interventions, targeted support via evidence-based supplemental intervention/enrichment materials and technology (reading, math, etc.), co-taught classes, Power English/Power Math classes, Study Skills, additional support during SSR/Advisory, before and after school tutoring, Saturday classes, and summer programs. SSPT, 504, and other

support meetings will be coordinated among teachers and support roles (resource teachers, EL coordinator, department chairs, etc.) We expect that these student supports and interventions will provide increased and improved services for all our unduplicated students who need extra support and attention. This action was found effective in the current school year and will be continued in the coming school year. It will be provided on a schoolwide basis and we expect all student groups to show academic growth as measured by the CA School Dashboard, CAASPP assessments, MAP assessments, student grades, and other metrics as identified in our LCAP metrics in Goal 2.

- Goal 2: Action 4: Designated and integrated ELD programs

The majority of Charter School's student population consists of English Learners (EL), Reclassified Fluent English Proficient (RFEP) students, and students with disabilities, many of whom are dually identified as EL. ELs need designated English language development instruction. Emerging ELs lack English speaking experience and struggle to communicate. Both ELs and RFEPs have a strong need for meaningful connections among fundamental concepts in the curriculum to their prior knowledge and experiences. They need additional literacy instruction, support, and interventions. Teachers of ELs need to have knowledge of EL strategies and culturally responsive instruction. Considering the needs of our ELs, Charter School will provide services to ELs by proficiency level and provide ELD instruction aligned to the CA ELD standards and framework. Charter School will provide our ELs with core and supplemental ELD instructional materials and provide our teachers with PD focused on ELD standards. Our EL coordinator will monitor EL student progress in program implementation according to our EL Master Plan. Charter School teachers will provide instruction using designated and integrated ELD instructional strategies as outlined in the CHATS framework (and other research-based strategies such as SDAIE) to all students, including ELs. Charter School will provide culturally and linguistically relevant materials for students. ELs will receive further in-class instructional support which includes one-on-one teacher support and small group instruction. Charter School will strive to provide bilingual instructional assistants to provide primary language support to enable students to access content area instruction while gaining language proficiency. Charter School will ensure that teachers participate in PD on ELD instructional strategies and CHATS framework. Charter School will provide regular and timely communication with families of EL students regarding annual assessments, program supports and services, and students' progress toward reclassification. This notification will include, but is not limited to, annual parent notification letters, quarterly ELAC meetings, and parent-teacher conferences. These supports and services will provide increased and improved services for our English learners. This action was found effective in the current school year and will be continued in the coming school year. While some of the actions described here, including the designated ELD instruction, will be targeted only to ELs, the rest of the actions, including integrated ELD instruction, will be provided for all students. RFEP students, students with disabilities, and all other student groups will benefit from this schoolwide action. We expect this action will result in increased academic achievement of our student groups, particularly of our ELs, on the CA School Dashboard, CAASPP assessments, MAP assessments, student grades, Lexile growth, and EL reclassification rates as identified in our LCAP metrics in Goal 2.

- Goal 3: Action 1: College/Career readiness programs and activities

The majority of Charter School's student population consists of low-income and socioeconomically disadvantaged students, English learners, and students with disabilities. Many of our students are also the first generation in their families who will attend college. Most of

them lack parental support and experience financial difficulties. Our students have a great need for guidance about college/career choices and support for preparation. A college-going, supportive culture at the school is necessary for our students' college/career readiness. With the needs of our unduplicated students in mind, Charter School will offer individual graduation plans, outlining the classes students will take during their high school years. Students will be provided credit recovery opportunities and individualized support to ensure timely high school graduation. Charter School will offer Advisory and College Readiness classes and activities to support our students in the areas, including, but not limited to, college planning and career exploration, test prep for ACT/SAT, college application and financial aid submission. Charter School will provide students with opportunities to take Advanced Placement (AP) courses based on student needs and interests. Charter School will promote a college-going culture through dual and concurrent enrollment, AP courses, college visits, college/career days, and other college related activities. Charter School will also explore CTE options to provide students with opportunities to explore a career theme of interest while learning a set of technical and employability skills that integrate into or complement their academic studies. Unduplicated students will receive improved services through our Naviance program and increased support with AP exam fees, AP course materials, and other college-related materials and activities. These services are particularly helpful for first-generation college-bound students who lack parental support strategies and experience financial constraints. This action was found effective in the current school year and will be continued in the coming school year. We expect this schoolwide action will result in increases in CCI prepared rate, AP passing rate, A-G rate, diploma seals, and college acceptance rates as identified in our LCAP metrics in Goal 3.

- Goal 3: Action 2: STEAM and GATE programs

Charter School has a vision to help reverse the tide of U.S. students falling behind their peers in other nations in critical subjects like math and science. We strive to graduate students who come from historically underserved neighborhoods as scientific thinkers that contribute to the global community as socially responsible and educated members of society. Charter School's educational approach is based on the conviction that STEAM education is essential to improving our modern society's knowledge base and adaptability to the fast pace of ever-changing technological advancements. Historically, the number of African American and Latino students pursuing careers in STEAM fields has been very low. Research suggests that a significant cause of these low numbers is that students have inadequate exposure to intensive STEAM curricula. Charter School strives to address the shortage by inspiring and preparing students to choose career paths in science and technology. The majority of Charter School's student population consists of low-income and socioeconomically disadvantaged students of color, English learners, and students with disabilities. With the needs of our community in mind, Charter School will offer STEAM and GATE programs and activities, including Accelerated/Advanced Math course and club. Students will be provided opportunities during the day and after school to create or demonstrate a STEAM focused project, experiment, model or demo. We will also provide information and access to quality out-of-school STEAM activities and achievements. With CA Science Framework and NGSS integration, all our students will learn about engineering design, technology, and applications of science as part of their core classes. Furthermore, Charter School will design and implement engineering-related courses and activities, such as AP Computer Science Principles, Code.org activities, Project Lead the Way (PLTW) programs, Robotics, etc. Unduplicated students will receive increased and improved support through access to supplemental STEAM programs and activities. Gifted and talented students and students achieving above grade level will be engaged in all classes as teachers differentiate curriculum through adjustments of content through depth, complexity, and pacing. Emphasis will be on innovation, critical thinking, and logical reasoning. This action was found effective in the current school year and will be continued in the coming school year. We expect this schoolwide action will challenge our learners to investigate, use problem-based learning, research, and help become independent and innovative scholars. Goal 3 includes metrics for the percentage of students enrolled in an Accelerated and/or Advanced

Math course and/or Advanced Math club, percentage of students in the current graduating class who have taken a Computer/Technology course and/or experienced blended learning in their program of study, and percentage of students who have created or demonstrated a STEAM focused project, experiment, model or demo in the current year.

- Goal 3: Action 3: Digital literacy and citizenship programs

The majority of Charter School's student population consists of low-income and socioeconomically disadvantaged students, English learners, and students with disabilities, many of whom are dually identified as EL. These student groups have social and emotional conditions that influence academic learning and effective literacy, communication, and presentation skills. Most of our low-income students struggle with access to technology as well. Our students have a great need to learn ways to utilize technology in an effective and responsible way. With such needs of our students in mind, Charter School will educate our students and staff in digital literacy so that they adapt, create, consume, and connect in productive, responsible ways to utilize technology in academic, social, and professional settings. Charter School will offer Computer/Digital Literacy classes and/or blended learning experiences for our students. Teachers will participate in PD on Blended Learning and technology will be kept up to date. Students will be provided with opportunities to expand their literacy, computational, and communication skills with digital media; they will be writing advanced essays, conducting internet research, engaging in data collection, presenting ideas and drawing conclusions. Charter School staff will teach and model safe, savvy, and social digital citizenship; topics include, but are not limited to, using technology applications; digital footprint, privacy, and security; digital rights and responsibilities; using social media responsibly and digital etiquette. These activities will result in increased and improved services for our unduplicated students. This action was found effective in the current school year and will be continued in the coming school year. We expect this schoolwide action will help our students expand their knowledge and skills in an ever-evolving digital world. Goal 3 includes a metric for the percentage of students in the current graduating class who have taken a Computer/Technology course and/or experienced blended learning in their program of study.

- Goal 3: Action 4: Physical education, activity, and fitness

MPS is committed to the optimal development of every student. Research shows that two components, good nutrition and physical activity before, during and after the school day, are strongly correlated with positive student outcomes. Students who are physically active through active transport to and from school, recess, physical activity breaks, high-quality physical education and extracurricular activities do better academically. With consideration of the importance of physical fitness, Charter School will provide students with physical education, using an age-appropriate, sequential PE curriculum consistent with state standards for PE. The curriculum will promote the benefits of a physically active lifestyle and will help students develop skills to engage in lifelong healthy habits, as well as incorporate essential health education concepts. Charter School will offer recess before lunch and students will be provided with periodic opportunities to be active or to stretch throughout the day on all or most days during a typical school week. To the extent practicable, Charter School will ensure that its grounds and facilities are safe, and that equipment is available to students to be active. Charter School will offer opportunities for students to participate in physical activity either before and/or after the school day (or both) through a variety of methods such as physical activity/sports clubs, intramurals or interscholastic sports, etc. Charter School will adhere to the MPS Wellness Policy guidelines on physical education,

activity, and fitness. With the needs of low-income students in mind, this action will be provided on a schoolwide basis. It was found effective in the current school year and will be continued in the coming school year. We expect this action will help improve the health of our students and model physical fitness to support the development of lifelong healthy living patterns. We also expect this action will result in increased student belonging as measured by the annual student surveys in Goal 4: Action 4.

- Goal 3: Action 5: Additional programs and activities that support well-rounded education

The majority of Charter School's student population consists of low-income and socioeconomically disadvantaged students, English learners, and students with disabilities. Traditionally, schools focus on ELA and math interventions to address the learning gap between vulnerable student groups and their peers. Other important well-rounded programs such as arts, music, civics, and languages other than English may not get the same attention. On the other hand, well-rounded programs help students develop competencies and creative skills in problem solving, communication, and management of time and resources that contribute to lifelong learning and career skills. Our low-income students come from underserved communities that do not have adequate resources and access to experiential learning opportunities. In an effort to provide well-rounded education to our students, Charter School will strive to offer additional programs such as elective courses, arts, music, civics, languages other than English, clubs, etc. Arts instruction focuses on developing students' creativity, imagination, discipline and self-expression through drawing and fine arts. It is important that all our students, particularly unduplicated students, are provided with experiential learning opportunities, including but not limited to, instructional field trips, internships, community service programs, clubs, etc. Charter School teachers and other staff will offer after school clubs for enrichment in the areas of, including, but not limited to, math, science, technology, engineering, ELA, language other than English and culture, sports, visual and performing arts, community service, and others. These well-rounded programs and activities will result in increased and improved services for our unduplicated students. With the needs of our unduplicated students in mind, this action will be provided on a schoolwide basis. It was found effective in the current school year and will be continued in the coming school year. We expect this action will help our scholars become independent and innovative scholars. We also expect this action will result in increased academic achievement as measured by the LCAP metrics in Goal 2, increases in CCI prepared rate, AP passing rate, A-G rate, diploma seals, and college acceptance rates as identified in our LCAP metrics in Goal 3, as well as increased student belonging as measured by the annual student surveys in Goal 4: Action 4.

- Goal 4: Action 1: Seeking family input for decision making

It is important that parents are engaged in the development of all school plans, including, but not limited to, the LCAP, SPSA (Charter School uses the LCAP to serve as the SPSA), and WASC Self-Study. Charter School wishes to engage all parents, to the extent applicable, in the process of school review and improvement. This includes reviewing the school's goals, actions, programs, data, and funds, including evaluation of actions and programs and effective use of funds. The majority of Charter School's student population consists of low-income and socioeconomically disadvantaged students, English learners, and students with disabilities. Most of our low-income students have parents working multiple jobs. Parents of our ELs need capacity building to support the needs of our ELs. In order to engage parents in an organized, ongoing and timely manner in the planning, review and improvement of our programs, Charter School needs to provide multiple channels to engage parents in decision making. Considering the needs of our unduplicated students and their families, Charter School will

hold periodic meetings to gather input from our families. Information/input sessions include Parent Advisory Committee (PAC) meetings, Parent Task Force (PTF) meetings, School Site Council (SSC) meetings, English Learner Advisory Committee (ELAC) meetings, Coffee with the Principal meetings, and Board of Directors meetings. Parents on our PTF and SSC also serve as our Parent Advisory Committee (PAC) for LCAP. Along with ELAC, such committees provide for representation of students in need (low income, English learners, foster youth, etc.) Feedback from our PAC, SSC, and ELAC provides valuable input for the LCAP. Charter School chooses to utilize the LCAP to serve as the SPSA. Charter School will also hold an annual meeting to inform parents and collect feedback about LCAP goals and actions, data and needs assessments, Title-funded activities and budgets, UCP, parent involvement policy and school-student-parent compact. In addition, Charter School will conduct parent surveys to seek feedback on school improvement. These activities will result in increased and improved services for our unduplicated students and their families. With the needs of our unduplicated students and their families in mind, this action will be provided on a schoolwide basis. It was found effective in the current school year and will be continued in the coming school year. We expect this action will help further engage our families in decision making. Charter School utilizes the self-reflection tool for Local Priority 3, i.e., Parent and Family Engagement, to measure progress in building the capacity of and supporting family members to effectively engage in advisory groups and decision making as well as progress in providing all families with opportunities to provide input on policies and programs, and implementing strategies to reach and seek input from any underrepresented groups in the school community. We also expect this action will result in increased parent satisfaction as measured by the annual stakeholder surveys in Goal 4: Action 4.

- Goal 4: Action 2: Building partnerships with families for student outcomes

Family engagement is an essential strategy for building pathways to college and career readiness for all students and is an essential component of a systems approach to improving outcomes for all students. More than thirty years of research has shown that family engagement can lead to improved student outcomes (e.g., attendance, engagement, academic outcomes, social emotional learning, etc.) To engage all families equitably, it is necessary to understand the cultures, languages, needs and interests of families in our school community. Furthermore, developing family engagement policies, programs, and practices needs to be done in partnership with local families, using the tools of continuous improvement. The majority of Charter School's student population consists of low-income and socioeconomically disadvantaged students, English learners, and students with disabilities. Most of our low-income students have parents working multiple jobs. Parents of our ELs need capacity building to support the needs of our ELs. In order to build partnerships with our families for student outcomes, Charter School will build trusting and respectful relationships with parents through activities/events, including Student/Parent Orientation, Back to School Night, and parent conferences to promote parental participation in programs. Administrators will greet all students and parents in the mornings during student drop off and have an open-door policy welcoming all parents. Charter School will provide parents with access to course materials, homework assignments, projects, and records of students' grades through our SIS. Charter School will communicate further with the parents of students who are performing below grade level. Our teachers, administrators, and classified staff will visit students at their homes to discuss student progress and enhance student learning and involvement. Charter School will schedule annual workshops for parents as well as additional workshops for parents of EL and immigrant students. Topics to be covered include, but are not limited to, the school's EL Master Plan, stages of language acquisition, state testing, college application, using SIS to check student progress, study habits, and family literacy. Charter School will use a variety of communication channels to connect with families in a language that is understandable and accessible to them. A parent communication software will be utilized for voice and text communications, email, and push notifications. We will provide language translators at parent meetings to the extent practicable. These

activities will result in increased and improved services for our unduplicated students and their families. With the needs of our unduplicated students and their families in mind, this action will be provided on a schoolwide basis. It was found effective in the current school year and will be continued in the coming school year. We expect this action will help further engage our families in building partnerships with the school for student outcomes. Charter School utilizes the self-reflection tool for Local Priority 3, i.e., Parent and Family Engagement, to measure progress in creating welcoming environments and building trusting and respectful relationships with families, developing multiple opportunities for 2-way communication between families and educators using language that is understandable and accessible to families, and providing families with information and resources to support student learning and development in the home. We also expect this action will result in increased academic achievement and lifelong learning as measured by the LCAP metrics in Goals 2 and 3, increased home visit rate, ADA rate, and graduation rate, and decreased chronic absenteeism rate, dropout rate, and student suspension/expulsion rates as measured in Goal 4. We also expect this action will result in increased student, parent, and staff satisfaction rates as measured by the annual stakeholder surveys in Goal 4: Action 4.

- Goal 4: Action 3: MTSS - PBIS and SEL support

The majority of Charter School's student population consists of low-income and socioeconomically disadvantaged students, English learners, and students with disabilities. These student groups have social and emotional conditions that influence academic learning, as evidenced by the performance gaps on the CA School Dashboard, CAASPP results, and other available data. These student groups also have lower ADA rates while they have higher chronic absenteeism and office referral rates. Children living in poverty are more likely to incur more adverse childhood experiences including abuse, neglect, exposure to neighborhood violence, or an incarcerated parent. Foster youth and English learners may experience feelings of anxiety and confusion. Charter School needs to take action to address the unique academic, social and emotional needs of low-income students, students with disabilities, English learners, racial and ethnic minorities, students experiencing homelessness, and foster care youth. Considering the needs of our vulnerable student groups in mind, Charter School will provide a safe, nurturing, and engaging learning environment for all our students and families. Academic and social-emotional support will be provided to address student needs as well as instructional materials including free uniforms. Students who are homeless, experiencing housing instability, are in foster care or experiencing personal/family crisis or have other special needs will be cared for in our supportive school community. Charter School will offer a Life Skills/Character Education program that provides students with valuable skills to support academic excellence and social skill development. We will annually assess our suspension/expulsion policies and procedures and implement alternatives to suspension/expulsion, including restorative practices. Teachers will establish classroom management procedures, foster positive relationships, and help create an atmosphere of trust, respect, and high expectations. Charter School will implement a positive and equitable student responsibility and behavior system with teaching, intervention and prevention strategies and protocols that are clear, fair, incremental, restorative, and culturally responsive. Charter School will celebrate student and school achievements and organize recognition assemblies and other schoolwide culture-building activities. Charter School will inform parents and students of attendance policies specified in the Student/Parent Handbook and encourage and support student attendance. Charter School will also implement the CORE DISTRICTS SEL Survey instrument in the fall and spring annually to assess the following social-emotional competencies: growth mindset, self-efficacy, self-management, and social awareness. As part of our MTSS efforts, school leadership, teachers, and support staff will analyze student SEL survey results in the fall to provide our students with targeted social-emotional support and then measure student responses again in the spring to measure growth, identify greatest progress and needs in order to inform our next steps. These activities will result in increased and improved PBIS and SEL support for our unduplicated students, as well as additional

supports for homeless and immigrant students. With the needs of our vulnerable students and their families in mind, this action will be provided on a schoolwide basis. It was found effective in the current school year and will be continued in the coming school year. We expect this action will help provide a foundation for safe and positive learning, and enhance students' mental health and abilities to succeed in school, careers, and life. We also expect this action will result in increased academic achievement and lifelong learning as measured by the LCAP metrics in Goals 2 and 3, increased ADA rate and graduation rate, and decreased chronic absenteeism rate, dropout rate, and student suspension/expulsion rates as measured in Goal 4. We also expect this action will result in increased student, parent, and staff satisfaction rates as measured by the annual stakeholder surveys in Goal 4: Action 4.

- Goal 4: Action 4: Annual stakeholder surveys

It is important that parents, students, and staff are engaged in the development of all school plans, including, but not limited to, the LCAP, SPSA (Charter School uses the LCAP to serve as the SPSA), and WASC Self-Study. Charter School wishes to engage all parents, to the extent applicable, in the process of school review and improvement. The majority of Charter School's student population consists of low-income and socioeconomically disadvantaged students, English learners, and students with disabilities. To engage all students and families equitably, it is necessary to understand the cultures, languages, needs and interests of students and families in our school community. Stakeholder voices, i.e., voices of our students, families, staff, and other school community members, play a powerful role in helping us learn how to improve our teaching, leadership, and other school practices. In order to engage stakeholders in an organized, ongoing and timely manner in the planning, review and improvement of our programs, Charter School needs to provide multiple channels to engage stakeholders in decision making. Surveys have been the primary means of collecting student, family, and staff voices about what we are doing great and should keep doing, and what areas for improvement are so we can continue to provide our students with the best quality education. Considering the needs of our unduplicated students and their families, MPS uses an online platform to provide students, families, and staff with groups of questions that measure their perceptions of teaching and learning, as well as their perceptions of school climate and safety. This feedback instrument provides teachers and school leaders with valuable data about how students see their classes, how much parents are involved, how supported staff feel and how to facilitate improvement. Charter School will annually administer school experience surveys to students, parents, and staff. Charter School will implement the CORE DISTRICTS Survey instrument to assess our stakeholders' perceptions of the following school climate indicators: climate of support for academic learning; knowledge and fairness of discipline, rules and norms; safety; and sense of belonging (school connectedness). In addition, we ask our stakeholders open-ended questions about what they like the best and the least about the school and suggestions for improvement. This feedback instrument provides all staff and school leaders with valuable information about how students see their classes, how much parents are involved, how supported staff feel and how to facilitate improvement. Our staff will analyze the survey results to identify the greatest progress and needs in order to inform our next steps. The surveys help identify and plan for increased and improved services for our unduplicated students and their families. With the needs of our unduplicated students and their families in mind, this action will be provided on a schoolwide basis. It was found effective in the current school year and will be continued in the coming school year. We expect this action will help provide valuable feedback for school improvement. We also expect this action will result in increased student, parent, and staff satisfaction rates as measured in Goal 4.

- Goal 4: Action 5: Community outreach and partnerships

The majority of Charter School's student population consists of low-income and socioeconomically disadvantaged students, English learners, and students with disabilities. Our low-income students come from underserved communities that do not have adequate resources and access to experiential learning opportunities. Many of our students are also the first generation in their families who will attend college. Most of them lack parental support and experience financial difficulties. Our students have a great need for guidance about college/career choices and support for preparation. These student groups have social and emotional conditions that influence academic learning, as evidenced by the performance gaps on the CA School Dashboard, CAASPP results, and other available data. They also have lower ADA rates while they have higher chronic absenteeism and office referral rates. Children living in poverty are more likely to incur more adverse childhood experiences including abuse, neglect, exposure to neighborhood violence, or an incarcerated parent. Foster youth and English learners may experience feelings of anxiety and confusion. Charter School needs to take action to address the unique academic, social and emotional needs of low-income students, students with disabilities, English learners, racial and ethnic minorities, students experiencing homelessness, and foster care youth. Considering the needs of our vulnerable student groups in mind, Charter School will establish community, business, institutional and civic partnerships that invest in and support the vision and goals of the school. School staff will participate in local activities that engage community members and staff in communicating school successes to the broader community. Charter School will secure community support to sustain existing resources and add new resources that address emerging student needs. Charter School leadership will actively develop relationships with a range of stakeholders, policymakers, and researchers to identify and address issues, trends, and potential changes that affect the context and conduct of education. These activities will result in increased and improved resources for our unduplicated students and will be particularly helpful for first-generation college-bound students who lack parental support strategies and experience financial constraints. With the needs of our unduplicated students and their families in mind, this action will be provided on a schoolwide basis. It was found effective in the current school year and will be continued in the coming school year. We expect this action will provide students and families with information and resources to support student learning and development. We also expect this action will result in increased academic achievement and lifelong learning as measured by the LCAP metrics in Goals 2 and 3, increased ADA rate, and graduation rate, and decreased chronic absenteeism rate, dropout rate, and student suspension/expulsion rates as measured in Goal 4. We also expect this action will result in increased student, parent, and staff satisfaction rates as measured in Goal 4.

A description of how services for foster youth, English learners, and low-income students are being increased or improved by the percentage required.

Charter School will increase or improve services provided for unduplicated students by at least the percentage calculated as compared to the services provided for all students in the LCAP year. Services are increased (in quantity) or improved (in quality) by those actions in our LCAP that are included in the Goals and Actions section as "contributing" to the increased or improved services requirement. We expect that these actions will result in the required proportional increase or improvement in services for unduplicated pupils as compared to the services we provide to all students. Charter School will increase or improve services for our unduplicated students through the following actions:

- Goal 1: Action 4: Healthy and nutritious meals

Low-income students are eligible to receive reduced-price or free meals at school. Charter School will maintain nutrition education resources and promote healthy food and beverage choices for all students throughout the campus, as well as encourage participation in school meal

programs. This action will result in increased and improved services, particularly for our low-income students, who may not have access to nutritious meals and are experiencing poor health outcomes.

- Goal 2: Action 2: Professional development for high-quality instruction

Professional development will occur at the MPS organizational level and within the school. In addition to ongoing professional development activities that support efforts to increase student academic performance, all staff will be provided with multiple opportunities to grow professionally through induction processes, regular collaboration with colleagues, and curricular support. This involves instructional leadership, common walkthrough protocols using the TeachBoost software, and professional feedback to promote a cycle of continuous improvement, as well as supports for high quality delivery of the program that enables differentiation, particularly for unduplicated students and students with exceptional needs.

- Goal 2: Action 3: MTSS - Academic enrichment, intervention and student support

Charter School will implement MTSS as a systemic, continuous improvement framework in which data-based problem-solving and decision making is practiced across all levels of the educational system for supporting students. Targeted interventions will be utilized to create a high-quality differentiated environment where students are supported to engage at their optimal levels. Charter School will provide additional supports and interventions to all students, including but not limited to, 1-1 or small group interventions, targeted support via evidence-based supplemental intervention/enrichment materials and technology (reading, math, etc.), co-taught classes, Power English/Power Math classes, Study Skills, additional support during SSR/Advisory, before and after school tutoring, Saturday classes, and summer programs. SSPT, 504, and other support meetings will be coordinated among teachers and support roles (resource teachers, EL coordinator, department chairs, etc.) These student supports and interventions will provide increased and improved services for all our unduplicated students who would need the extra support and attention.

- Goal 2: Action 4: Designated and integrated ELD programs

Charter School will provide services to ELs by proficiency level and provide ELD instruction aligned to the CA ELD standards and framework. Charter School will provide our ELs with core and supplemental ELD instructional materials and provide our teachers with PD focused on ELD standards. Our EL coordinator will monitor EL student progress in program implementation according to our EL Master Plan. Charter School teachers will provide instruction using designated and integrated ELD instructional strategies as outlined in the CHATS framework (and other research-based strategies such as SDAIE) to all students, including ELs. Charter School will provide culturally and linguistically relevant materials for students. ELs will receive further in-class instructional support which includes one-on-one teacher support and small group instruction. Charter School will strive to provide bilingual instructional assistants to provide primary language support to enable students to access content area instruction while gaining language proficiency. Charter School will ensure that teachers participate in PD on ELD instructional strategies and CHATS framework. Charter School will provide regular and timely communication with families of EL students regarding annual assessments, program supports and services, and students' progress toward reclassification. This notification will include, but is not limited to, annual parent notification letters, quarterly ELAC meetings, and parent-teacher conferences. These supports and services will provide increased and improved services for our English learners.

- Goal 3: Action 1: College/Career readiness programs and activities

Charter School will offer individual graduation plans, outlining the classes students will take during their high school years. Students will be provided credit recovery opportunities and individualized support to ensure timely high school graduation. Charter School will offer Advisory

and College Readiness classes and activities to support our students in the areas, including, but not limited to, college planning and career exploration, test prep for ACT/SAT, college application and financial aid submission. Charter School will provide students with opportunities to take Advanced Placement (AP) courses based on student needs and interests. Charter School will promote a college-going culture through dual and concurrent enrollment, AP courses, college visits, college/career days, and other college related activities. Charter School will also explore CTE options to provide students with opportunities to explore a career theme of interest while learning a set of technical and employability skills that integrate into or complement their academic studies. Unduplicated students will receive improved services through our Naviance program and increased support with AP exam fees, AP course materials, and other college-related materials and activities. These services are particularly helpful for first-generation college-bound students who lack parental support strategies and experience financial constraints.

- Goal 3: Action 2: STEAM and GATE programs

Charter School will offer STEAM and GATE programs and activities, including Accelerated/Advanced Math course and club. Students will be provided opportunities during the day and after school to create or demonstrate a STEAM focused project, experiment, model or demo. We will also provide information and access to quality out-of-school STEAM activities and achievements. Charter School will design and implement engineering-related courses and activities, such as AP Computer Science Principles, Code.org activities, Project Lead the Way (PLTW) programs, Robotics, etc. Unduplicated students will receive increased and improved support through access to supplemental STEAM programs and activities.

- Goal 3: Action 3: Digital literacy and citizenship programs

Charter School will educate our students and staff in digital literacy so that they adapt, create, consume, and connect in productive, responsible ways to utilize technology in academic, social, and professional settings. Charter School will offer Computer/Digital Literacy classes and/or blended learning experiences for our students. Teachers will participate in PD on Blended Learning and technology will be kept up to date. Students will be provided with opportunities to expand their literacy, computational, and communication skills with digital media; they will be writing advanced essays, conducting internet research, engaging in data collection, presenting ideas and drawing conclusions. Charter School staff will teach and model safe, savvy, and social digital citizenship; topics include, but are not limited to, using technology applications; digital footprint, privacy, and security; digital rights and responsibilities; using social media responsibly and digital etiquette. These activities will result in increased and improved services for our unduplicated students by expanding their knowledge and skills in an ever-evolving digital world.

- Goal 3: Action 4: Physical education, activity, and fitness

Charter School will provide students with physical education, using an age-appropriate, sequential PE curriculum consistent with state standards for PE. The curriculum will promote the benefits of a physically active lifestyle and will help students develop skills to engage in lifelong healthy habits, as well as incorporate essential health education concepts. Charter School will offer recess before lunch and students will be provided with periodic opportunities to be active or to stretch throughout the day on all or most days during a typical school week. To the extent practicable, Charter School will ensure that its grounds and facilities are safe, and that equipment is available to students to be active. Charter School will offer opportunities for students to participate in physical activity either before and/or after the school day (or both) through a variety of methods such as physical activity/sports clubs, intramurals or interscholastic sports, etc. Charter School will adhere to the MPS Wellness Policy guidelines on physical education, activity, and fitness. These activities will result in increased and improved

services, particularly for our low-income students who may not have a physically active and healthy lifestyle.

- Goal 3: Action 5: Additional programs and activities that support well-rounded education

In an effort to provide well-rounded education to our students, Charter School will strive to offer additional programs such as elective courses, arts, music, civics, languages other than English, clubs, etc. It is important that all our students, particularly unduplicated students, are provided with experiential learning opportunities, including but not limited to, instructional field trips, internships, community service programs, clubs, etc. Charter School teachers and other staff will offer after school clubs for enrichment in the areas of, including, but not limited to, math, science, technology, engineering, ELA, languages other than English and culture, sports, visual and performing arts, community service, and others. These well-rounded programs and activities will result in increased and improved services for our unduplicated students.

- Goal 4: Action 1: Seeking family input for decision making

Charter School will hold periodic meetings to gather input from our families. Information/input sessions include Parent Advisory Committee (PAC) meetings, Parent Task Force (PTF) meetings, School Site Council (SSC) meetings, English Learner Advisory Committee (ELAC) meetings, Coffee with the Principal meetings, and Board of Directors meetings. Parents on our PTF and SSC also serve as our Parent Advisory Committee (PAC) for LCAP. Along with ELAC, such committees provide for representation of students in need (low income, English learners, foster youth, etc.) Feedback from our PAC, SSC, and ELAC provides valuable input for the LCAP. Charter School chooses to utilize the LCAP to serve as the SPSA. Charter School will also hold an annual meeting to inform parents and collect feedback about LCAP goals and actions, data and needs assessments, Title-funded activities and budgets, UCP, parent involvement policy and school-student-parent compact. In addition, Charter School will conduct parent surveys to seek feedback on school improvement. These activities will result in increased and improved services for our unduplicated students and their families.

- Goal 4: Action 2: Building partnerships with families for student outcomes

Charter School will build trusting and respectful relationships with parents through activities/events, including Student/Parent Orientation, Back to School Night, and parent conferences to promote parental participation in programs. Administrators will greet all students and parents in the mornings during student drop off and have an open-door policy welcoming all parents. Charter School will provide parents with access to course materials, homework assignments, projects, and records of students' grades through our SIS. Charter School will communicate further with the parents of students who are performing below grade level. Our teachers, administrators, and classified staff will visit students at their homes to discuss student progress and enhance student learning and involvement. Charter School will schedule annual workshops for parents as well as additional workshops for parents of EL and immigrant students. Topics to be covered include, but are not limited to, the school's EL Master Plan, stages of language acquisition, state testing, college application, using SIS to check student progress, study habits, and family literacy. Charter School will use a variety of communication channels to connect with families in a language that is understandable and accessible to them. A parent communication software will be utilized for voice and text communications, email, and push notifications. We will provide language translators at parent meetings to the extent practicable. These activities will result in increased and improved services for our unduplicated students and their families.

- Goal 4: Action 3: MTSS - PBIS and SEL support

Charter School will provide a safe, nurturing, and engaging learning environment for all our students and families. Academic and social-emotional support will be provided to address student needs as well as instructional materials including free uniforms. Students who are homeless, experiencing housing instability, are in foster care or experiencing personal/family crisis or have other special needs will be cared

for in our supportive school community. Charter School will offer a Life Skills/Character Education program that provides students with valuable skills to support academic excellence and social skill development. Teachers will establish classroom management procedures, foster positive relationships, and help create an atmosphere of trust, respect, and high expectations. Charter School will implement a positive and equitable student responsibility and behavior system with teaching, intervention and prevention strategies and protocols that are clear, fair, incremental, restorative, and culturally responsive. Charter School will celebrate student and school achievements and organize recognition assemblies and other schoolwide culture-building activities. Charter School will inform parents and students of attendance policies specified in the Student/Parent Handbook and encourage and support student attendance. Charter School will also implement the CORE DISTRICTS SEL Survey instrument in the fall and spring annually to assess the following social-emotional competencies: growth mindset, self-efficacy, self-management, and social awareness. As part of our MTSS efforts, school leadership, teachers, and support staff will analyze student SEL survey results in the fall to provide our students with targeted social-emotional support and then measure student responses again in the spring to measure growth, identify greatest progress and needs in order to inform our next steps. These activities will result in increased and improved PBIS and SEL support for our unduplicated students, as well as additional supports for homeless and immigrant students.

- Goal 4: Action 4: Annual stakeholder surveys

Charter School will annually administer school experience surveys to students, parents, and staff. Charter School will implement the CORE DISTRICTS Survey instrument to assess our stakeholders' perceptions of the following school climate indicators: climate of support for academic learning; knowledge and fairness of discipline, rules and norms; safety; and sense of belonging (school connectedness). In addition, we ask our stakeholders open-ended questions about what they like the best and the least about the school and suggestions for improvement. This feedback instrument provides all staff and school leaders with valuable information about how students see their classes, how much parents are involved, how supported staff feel and how to facilitate improvement. Our staff will analyze the survey results to identify the greatest progress and needs in order to inform our next steps. The surveys help identify and plan for increased and improved services for our unduplicated students and their families.

- Goal 4: Action 5: Community outreach and partnerships

Charter School will establish community, business, institutional and civic partnerships that invest in and support the vision and goals of the school. School staff will participate in local activities that engage community members and staff in communicating school successes to the broader community. Charter School will secure community support to sustain existing resources and add new resources that address emerging student needs. Charter School leadership will actively develop relationships with a range of stakeholders, policymakers, and researchers to identify and address issues, trends, and potential changes that affect the context and conduct of education. These activities result in increased and improved resources for our unduplicated students.

*For additional questions or technical assistance related to the completion of the LCAP template, please contact the local COE, or the California Department of Education's (CDE's) Local Agency Systems Support Office by phone at 916-319-0809 or by email at [lcff@cde.ca.gov](mailto:lcff@cde.ca.gov).*

# Introduction and Instructions

The Local Control Funding Formula (LCFF) requires LEAs to engage their local stakeholders in an annual planning process to evaluate their progress within eight state priority areas encompassing all statutory metrics (COEs have ten state priorities). LEAs document the results of this planning process in the Local Control and Accountability Plan (LCAP) using the template adopted by the State Board of Education.

The LCAP development process serves three distinct, but related functions:

- **Comprehensive Strategic Planning:** The process of developing and annually updating the LCAP supports comprehensive strategic planning (California *Education Code* [EC] 52064(e)(1)). Strategic planning that is comprehensive connects budgetary decisions to teaching and learning performance data. Local educational agencies (LEAs) should continually evaluate the hard choices they make about the use of limited resources to meet student and community needs to ensure opportunities and outcomes are improved for all students.
- **Meaningful Stakeholder Engagement:** The LCAP development process should result in an LCAP that reflects decisions made through meaningful stakeholder engagement (EC 52064(e)(1)). Local stakeholders possess valuable perspectives and insights about an LEA's programs and services. Effective strategic planning will incorporate these perspectives and insights in order to identify potential goals and actions to be included in the LCAP.
- **Accountability and Compliance:** The LCAP serves an important accountability function because aspects of the LCAP template require LEAs to show that they have complied with various requirements specified in the LCFF statutes and regulations, most notably:
  - Demonstrating that LEAs are increasing or improving services for foster youth, English learners, and low-income students in proportion to the amount of additional funding those students generate under LCFF (EC 52064(b)(4-6)).
  - Establishing goals, supported by actions and related expenditures, that address the statutory priority areas and statutory metrics (EC 52064(b)(1) & (2)).

- Annually reviewing and updating the LCAP to reflect progress toward the goals (*EC 52064(b)(7)*).

The LCAP template, like each LEA's final adopted LCAP, is a document, not a process. LEAs must use the template to memorialize the outcome of their LCAP development process, which should: (a) reflect comprehensive strategic planning (b) through meaningful engagement with stakeholders that (c) meets legal requirements, as reflected in the final adopted LCAP. The sections included within the LCAP template do not and cannot reflect the full development process, just as the LCAP template itself is not intended as a stakeholder engagement tool.

If a county superintendent of schools has jurisdiction over a single school district, the county board of education and the governing board of the school district may adopt and file for review and approval a single LCAP consistent with the requirements in *EC* sections 52060, 52062, 52066, 52068, and 52070. The LCAP must clearly articulate to which entity's budget (school district or county superintendent of schools) all budgeted and actual expenditures are aligned.

The revised LCAP template for the 2021–22, 2022–23, and 2023–24 school years reflects statutory changes made through Assembly Bill 1840 (Committee on Budget), Chapter 243, Statutes of 2018. These statutory changes enhance transparency regarding expenditures on actions included in the LCAP, including actions that contribute to meeting the requirement to increase or improve services for foster youth, English learners, and low-income students, and to streamline the information presented within the LCAP to make adopted LCAPs more accessible for stakeholders and the public.

At its most basic, the adopted LCAP should attempt to distill not just what the LEA is doing, but also allow stakeholders to understand why, and whether those strategies are leading to improved opportunities and outcomes for students. LEAs are strongly encouraged to use language and a level of detail in their adopted LCAPs intended to be meaningful and accessible for the LEA's diverse stakeholders and the broader public.

In developing and finalizing the LCAP for adoption, LEAs are encouraged to keep the following overarching frame at the forefront of the strategic planning and stakeholder engagement functions:

Given present performance across the state priorities and on indicators in the California School Dashboard, how is the LEA using its budgetary resources to respond to student and community needs, and address any performance gaps, including by meeting its obligation to increase or improve services for foster youth, English learners, and low-income students?

LEAs are encouraged to focus on a set of metrics or a set of actions that the LEA believes, based on input gathered from stakeholders, research, and experience, will have the biggest impact on behalf of its students.

These instructions address the requirements for each section of the LCAP, but may include information about effective practices when developing the LCAP and completing the LCAP itself. Additionally, information is included at the beginning of each section emphasizing the purpose that each section serves.

# Plan Summary

## Purpose

A well-developed Plan Summary section provides a meaningful context for the LCAP. This section provides information about an LEA's community as well as relevant information about student needs and performance. In order to provide a meaningful context for the rest of the LCAP, the content of this section should be clearly and meaningfully related to the content included in the subsequent sections of the LCAP.

## Requirements and Instructions

**General Information** – Briefly describe the students and community. For example, information about an LEA in terms of geography, enrollment, or employment, the number and size of specific schools, recent community challenges, and other such information as an LEA wishes to include can enable a reader to more fully understand an LEA's LCAP.

**Reflections: Successes** – Based on a review of performance on the state indicators and local performance indicators included in the Dashboard, progress toward LCAP goals, local self-assessment tools, stakeholder input, and any other information, what progress is the LEA most proud of and how does the LEA plan to maintain or build upon that success? This may include identifying specific examples of how past increases or improvements in services for foster youth, English learners, and low-income students have led to improved performance for these students.

**Reflections: Identified Need** – Referring to the Dashboard, identify: (a) any state indicator for which overall performance was in the “Red” or “Orange” performance category or any local indicator where the LEA received a “Not Met” or “Not Met for Two or More Years” rating AND (b) any state indicator for which performance for any student group was two or more performance levels below the “all student” performance. What steps is the LEA planning to take to address these areas of low performance and performance gaps? Other needs may be identified using locally collected data including data collected to inform the self-reflection tools and reporting local indicators on the Dashboard.

**LCAP Highlights** – Identify and briefly summarize the key features of this year's LCAP.

**Comprehensive Support and Improvement** – An LEA with a school or schools identified for comprehensive support and improvement (CSI) under the Every Student Succeeds Act must respond to the following prompts:

- **Schools Identified:** Identify the schools within the LEA that have been identified for CSI.
- **Support for Identified Schools:** Describe how the LEA has or will support the identified schools in developing CSI plans that included a school-level needs assessment, evidence-based interventions, and the identification of any resource inequities to be addressed through the implementation of the CSI plan.
- **Monitoring and Evaluating Effectiveness:** Describe how the LEA will monitor and evaluate the implementation and effectiveness of the CSI plan to support student and school improvement.

# Stakeholder Engagement

## Purpose

Significant and purposeful engagement of parents, students, educators, and other stakeholders, including those representing the student groups identified by LCFF, is critical to the development of the LCAP and the budget process. Consistent with statute, such stakeholder engagement should support comprehensive strategic planning, accountability, and improvement across the state priorities and locally identified priorities (EC 52064(e)(1)). Stakeholder engagement is an ongoing, annual process.

This section is designed to reflect how stakeholder engagement influenced the decisions reflected in the adopted LCAP. The goal is to allow stakeholders that participated in the LCAP development process and the broader public understand how the LEA engaged stakeholders and the impact of that engagement. LEAs are encouraged to keep this goal in the forefront when completing this section.

Statute and regulations specify the stakeholder groups that school districts and COEs must consult when developing the LCAP: teachers, principals, administrators, other school personnel, local bargaining units of the LEA, parents, and students. Before adopting the LCAP, school districts and COEs must share it with the Parent Advisory Committee and, if applicable, to its English Learner Parent Advisory Committee. The superintendent is required by statute to respond in writing to the comments received from these committees. School districts and COEs must also consult with the special education local plan area administrator(s) when developing the LCAP. Statute requires charter schools to consult with teachers, principals, administrators, other school personnel, parents, and students in developing the LCAP. The LCAP should also be shared with, and LEAs should request input from, schoolsite-level advisory groups, as applicable (e.g., schoolsite councils, English Learner Advisory Councils, student advisory groups, etc.), to facilitate alignment between schoolsite and district-level goals and actions.

Information and resources that support effective stakeholder engagement, define student consultation, and provide the requirements for advisory group composition, can be found under Resources on the following web page of the CDE's website: <https://www.cde.ca.gov/re/lc/>.

## Requirements and Instructions

Below is an excerpt from the 2018–19 *Guide for Annual Audits of K–12 Local Education Agencies and State Compliance Reporting*, which is provided to highlight the legal requirements for stakeholder engagement in the LCAP development process:

### Local Control and Accountability Plan:

For county offices of education and school districts only, verify the LEA:

- a) Presented the local control and accountability plan to the parent advisory committee in accordance with Education Code section 52062(a)(1) or 52068(a)(1), as appropriate.
- b) If applicable, presented the local control and accountability plan to the English learner parent advisory committee, in accordance with Education Code section 52062(a)(2) or 52068(a)(2), as appropriate.

- c) Notified members of the public of the opportunity to submit comments regarding specific actions and expenditures proposed to be included in the local control and accountability plan in accordance with Education Code section 52062(a)(3) or 52068(a)(3), as appropriate.
- d) Held at least one public hearing in accordance with Education Code section 52062(b)(1) or 52068(b)(1), as appropriate.
- e) Adopted the local control and accountability plan in a public meeting in accordance with Education Code section 52062(b)(2) or 52068(b)(2), as appropriate.

**Prompt 1:** “A summary of the stakeholder process and how the stakeholder engagement was considered before finalizing the LCAP.”

Describe the stakeholder engagement process used by the LEA to involve stakeholders in the development of the LCAP, including, at a minimum, describing how the LEA met its obligation to consult with all statutorily required stakeholder groups as applicable to the type of LEA. A sufficient response to this prompt must include general information about the timeline of the process and meetings or other engagement strategies with stakeholders. A response may also include information about an LEA’s philosophical approach to stakeholder engagement.

**Prompt 2:** “A summary of the feedback provided by specific stakeholder groups.”

Describe and summarize the stakeholder feedback provided by specific stakeholders. A sufficient response to this prompt will indicate ideas, trends, or inputs that emerged from an analysis of the feedback received from stakeholders.

**Prompt 3:** “A description of the aspects of the LCAP that were influenced by specific stakeholder input.”

A sufficient response to this prompt will provide stakeholders and the public clear, specific information about how the stakeholder engagement process influenced the development of the LCAP. The response must describe aspects of the LCAP that were influenced by or developed in response to the stakeholder feedback described in response to Prompt 2. This may include a description of how the LEA prioritized stakeholder requests within the context of the budgetary resources available or otherwise prioritized areas of focus within the LCAP. For the purposes of this prompt, “aspects” of an LCAP that may have been influenced by stakeholder input can include, but are not necessarily limited to:

- Inclusion of a goal or decision to pursue a Focus Goal (as described below)
- Inclusion of metrics other than the statutorily required metrics
- Determination of the desired outcome on one or more metrics
- Inclusion of performance by one or more student groups in the Measuring and Reporting Results subsection
- Inclusion of action(s) or a group of actions
- Elimination of action(s) or group of actions
- Changes to the level of proposed expenditures for one or more actions
- Inclusion of action(s) as contributing to increased or improved services for unduplicated services
- Determination of effectiveness of the specific actions to achieve the goal
- Determination of material differences in expenditures

- Determination of changes made to a goal for the ensuing LCAP year based on the annual update process
- Determination of challenges or successes in the implementation of actions

## Goals and Actions

### Purpose

Well-developed goals will clearly communicate to stakeholders what the LEA plans to accomplish, what the LEA plans to do in order to accomplish the goal, and how the LEA will know when it has accomplished the goal. A goal statement, associated metrics and expected outcomes, and the actions included in the goal should be in alignment. The explanation for why the LEA included a goal is an opportunity for LEAs to clearly communicate to stakeholders and the public why, among the various strengths and areas for improvement highlighted by performance data and strategies and actions that could be pursued, the LEA decided to pursue this goal, and the related metrics, expected outcomes, actions, and expenditures.

A well-developed goal can be focused on the performance relative to a metric or metrics for all students, a specific student group(s), narrowing performance gaps, or implementing programs or strategies expected to impact outcomes. LEAs should assess the performance of their student groups when developing goals and the related actions to achieve such goals.

### Requirements and Instructions

LEAs should prioritize the goals, specific actions, and related expenditures included within the LCAP within one or more state priorities. LEAs should consider performance on the state and local indicators, including their locally collected and reported data for the local indicators that are included in the Dashboard in determining whether and how to prioritize its goals within the LCAP.

In order to support prioritization of goals, the LCAP template provides LEAs with the option of developing three different kinds of goals:

- **Focus Goal:** A Focus Goal is relatively more concentrated in scope and may focus on a fewer number of metrics to measure improvement. A Focus Goal statement will be time bound and make clear how the goal is to be measured.
- **Broad Goal:** A Broad Goal is relatively less concentrated in its scope and may focus on improving performance across a wide range of metrics.
- **Maintenance of Progress Goal:** A Maintenance of Progress Goal includes actions that may be ongoing without significant changes and allows an LEA to track performance on any metrics not addressed in the other goals of the LCAP.

At a minimum, the LCAP must address all LCFF priorities and associated metrics.

### ***Focus Goal(s)***

**Goal Description:** The description provided for a Focus Goal must be specific, measurable, and time bound. An LEA develops a Focus Goal to address areas of need that may require or benefit from a more specific and data intensive approach. The Focus Goal can explicitly reference the metric(s) by which achievement of the goal will be measured and the time frame according to which the LEA expects to achieve the goal.

**Explanation of why the LEA has developed this goal:** Explain why the LEA has chosen to prioritize this goal. An explanation must be based on Dashboard data or other locally collected data. LEAs must describe how the LEA identified this goal for focused attention, including relevant consultation with stakeholders. LEAs are encouraged to promote transparency and understanding around the decision to pursue a focus goal.

### ***Broad Goal***

**Goal Description:** Describe what the LEA plans to achieve through the actions included in the goal. The description of a broad goal will be clearly aligned with the expected measurable outcomes included for the goal. The goal description organizes the actions and expected outcomes in a cohesive and consistent manner. A goal description is specific enough to be measurable in either quantitative or qualitative terms. A broad goal is not as specific as a focus goal. While it is specific enough to be measurable, there are many different metrics for measuring progress toward the goal.

**Explanation of why the LEA has developed this goal:** Explain why the LEA developed this goal and how the actions and metrics grouped together will help achieve the goal.

### ***Maintenance of Progress Goal***

**Goal Description:** Describe how the LEA intends to maintain the progress made in the LCFF State Priorities not addressed by the other goals in the LCAP. Use this type of goal to address the state priorities and applicable metrics not addressed within the other goals in the LCAP. The state priorities and metrics to be addressed in this section are those for which the LEA, in consultation with stakeholders, has determined to maintain actions and monitor progress while focusing implementation efforts on the actions covered by other goals in the LCAP.

**Explanation of why the LEA has developed this goal:** Explain how the actions will sustain the progress exemplified by the related metrics.

### ***Measuring and Reporting Results:***

For each LCAP year, identify the metric(s) that the LEA will use to track progress toward the expected outcomes. LEAs are encouraged to identify metrics for specific student groups, as appropriate, including expected outcomes that would reflect narrowing of any existing performance gaps.

Include in the baseline column the most recent data associated with this metric available at the time of adoption of the LCAP for the first year of the three-year plan. LEAs may use data as reported on the 2019 Dashboard for the baseline of a metric only if that data represents the most recent available (e.g. high school graduation rate).

Using the most recent data available may involve reviewing data the LEA is preparing for submission to the California Longitudinal Pupil Achievement Data System (CALPADS) or data that the LEA has recently submitted to CALPADS. Because final 2020–2021 outcomes on some metrics may not be computable at the time the 2021–24 LCAP is adopted (e.g. graduation rate, suspension rate), the most recent data available may include a point in time calculation taken each year on the same date for comparability purposes.

The baseline data shall remain unchanged throughout the three-year LCAP.

Complete the table as follows:

- **Metric:** Indicate how progress is being measured using a metric.
- **Baseline:** Enter the baseline when completing the LCAP for 2021–22. As described above, the baseline is the most recent data associated with a metric. Indicate the school year to which the data applies, consistent with the instructions above.
- **Year 1 Outcome:** When completing the LCAP for 2022–23, enter the most recent data available. Indicate the school year to which the data applies, consistent with the instructions above.
- **Year 2 Outcome:** When completing the LCAP for 2023–24, enter the most recent data available. Indicate the school year to which the data applies, consistent with the instructions above.
- **Year 3 Outcome:** When completing the LCAP for 2024–25, enter the most recent data available. Indicate the school year to which the data applies, consistent with the instructions above. The 2024–25 LCAP will be the first year in the next three-year cycle. Completing this column will be part of the Annual Update for that year.
- **Desired Outcome for 2023-24:** When completing the first year of the LCAP, enter the desired outcome for the relevant metric the LEA expects to achieve by the end of the 2023–24 LCAP year.

Timeline for completing the “**Measuring and Reporting Results**” part of the Goal.

Metric	Baseline	Year 1 Outcome	Year 2 Outcome	Year 3 Outcome	Desired Outcome for Year 3 (2023-24)
Enter information in this box when completing the LCAP for <b>2021–22</b> .	Enter information in this box when completing the LCAP for <b>2021–22</b> .	Enter information in this box when completing the LCAP for <b>2022–23</b> . Leave blank until then.	Enter information in this box when completing the LCAP for <b>2023–24</b> . Leave blank until then.	Enter information in this box when completing the LCAP for <b>2024–25</b> . Leave blank until then.	Enter information in this box when completing the LCAP for <b>2021–22</b> .

The metrics may be quantitative or qualitative; but at minimum, an LEA’s LCAP must include goals that are measured using all of the applicable metrics for the related state priorities, in each LCAP year as applicable to the type of LEA. To the extent a state priority does not specify one or more metrics (e.g., implementation of state academic content and performance standards), the LEA must identify a metric to use within the LCAP. For these state priorities, LEAs are encouraged to use metrics based on or reported through the relevant self-reflection tool for local indicators within the Dashboard.

**Actions:** Enter the action number. Provide a short title for the action. This title will also appear in the expenditure tables. Provide a description of the action. Enter the total amount of expenditures associated with this action. Budgeted expenditures from specific fund sources will be provided in the summary expenditure tables. Indicate whether the action contributes to meeting the increase or improved services requirement as described in the Increased or Improved Services section using a “Y” for Yes or an “N” for No. (Note: for each such action offered on an LEA-wide or schoolwide basis, the LEA will need to provide additional information in the Increased or Improved Summary Section to address the requirements in *California Code of Regulations*, Title 5 [5 CCR] Section 15496(b) in the Increased or Improved Services Section of the LCAP).

**Actions for English Learners:** School districts, COEs, and charter schools that have a numerically significant English learner student subgroup must include specific actions in the LCAP related to, at a minimum, the language acquisition programs, as defined in *EC* Section 306, provided to students and professional development activities specific to English learners.

**Actions for Foster Youth:** School districts, COEs, and charter schools that have a numerically significant Foster Youth student subgroup are encouraged to include specific actions in the LCAP designed to meet needs specific to Foster Youth students.

### Goal Analysis:

Enter the LCAP Year

Using actual annual measurable outcome data, including data from the Dashboard, analyze whether the planned actions were effective in achieving the goal. Respond to the prompts as instructed.

- Describe the overall implementation of the actions to achieve the articulated goal. Include a discussion of relevant challenges and successes experienced with the implementation process. This must include any instance where the LEA did not implement a planned action or implemented a planned action in a manner that differs substantively from how it was described in the adopted LCAP.
- Explain material differences between Budgeted Expenditures and Estimated Actual Expenditures. Minor variances in expenditures do not need to be addressed, and a dollar-for-dollar accounting is not required.
- Describe the effectiveness of the specific actions to achieve the articulated goal as measured by the LEA. In some cases, not all actions in a goal will be intended to improve performance on all of the metrics associated with the goal. When responding to this prompt, LEAs may assess the effectiveness of a single action or group of actions within the goal in the context of performance on a single metric or group of specific metrics within the goal that are applicable to the action(s). Grouping actions with metrics will allow for more robust analysis of whether the strategy the LEA is using to impact a specified set of metrics is working and increase transparency for stakeholders. LEAs are encouraged to use such an approach when goals include multiple actions and metrics that are not closely associated.
- Describe any changes made to this goal, expected outcomes, metrics, or actions to achieve this goal as a result of this analysis and analysis of the data provided in the Dashboard or other local data, as applicable.

## **Increased or Improved Services for Foster Youth, English Learners, and Low-Income Students**

### **Purpose**

A well-written Increased or Improved Services section provides stakeholders with a comprehensive description, within a single dedicated section, of how an LEA plans to increase or improved services for its unduplicated students as compared to all students and how LEA-wide or schoolwide actions identified for this purpose meet regulatory requirements. Descriptions provided should include sufficient detail yet be sufficiently succinct to promote a broader understanding of stakeholders to facilitate their ability to provide input. An LEA's description in this section must align with the actions included in the Goals and Actions section as contributing.

### **Requirements and Instructions**

This section must be completed for each LCAP year.

When developing the LCAP in year 2 or year 3, copy the "Increased or Improved Services" section and enter the appropriate LCAP year. Using the copy of the section, complete the section as required for the relevant LCAP year. Retain all prior year sections for each of the three years within the LCAP.

**Percentage to Increase or Improve Services:** Identify the percentage by which services for unduplicated pupils must be increased or improved as compared to the services provided to all students in the LCAP year as calculated pursuant to 5 CCR Section 15496(a)(7).

**Increased Apportionment based on the enrollment of Foster Youth, English Learners, and Low-Income Students:** Specify the estimate of the amount of funds apportioned on the basis of the number and concentration of unduplicated pupils for the LCAP year.

**Required Descriptions:**

**For each action being provided to an entire school, or across the entire school district or county office of education (COE), an explanation of (1) how the needs of foster youth, English learners, and low-income students were considered first, and (2) how these actions are effective in meeting the goals for these students.**

For each action included in the Goals and Actions section as contributing to the increased or improved services requirement for unduplicated pupils and provided on an LEA-wide or schoolwide basis, the LEA must include an explanation consistent with 5 CCR Section 15496(b). For any such actions continued into the 2021–24 LCAP from the 2017–2020 LCAP, the LEA must determine whether or not the action was effective as expected, and this determination must reflect evidence of outcome data or actual implementation to date.

**Principally Directed and Effective:** An LEA demonstrates how an action is principally directed towards and effective in meeting the LEA’s goals for unduplicated students when the LEA explains how:

- It considers the needs, conditions, or circumstances of its unduplicated pupils;
- The action, or aspect(s) of the action (including, for example, its design, content, methods, or location), is based on these considerations; and
- The action is intended to help achieve an expected measurable outcome of the associated goal.

As such, the response provided in this section may rely on a needs assessment of unduplicated students.

Conclusory statements that a service will help achieve an expected outcome for the goal, without an explicit connection or further explanation as to how, are not sufficient. Further, simply stating that an LEA has a high enrollment percentage of a specific student group or groups does not meet the increase or improve services standard because enrolling students is not the same as serving students.

For example, if an LEA determines that low-income students have a significantly lower attendance rate than the attendance rate for all students, it might justify LEA-wide or schoolwide actions to address this area of need in the following way:

After assessing the needs, conditions, and circumstances of our low-income students, we learned that the attendance rate of our low-income students is 7% lower than the attendance rate for all students. (Needs, Conditions, Circumstances [Principally Directed])

In order to address this condition of our low-income students, we will develop and implement a new attendance program that is designed to address some of the major causes of absenteeism, including lack of reliable transportation and food, as well as a school

climate that does not emphasize the importance of attendance. Goal N, Actions X, Y, and Z provide additional transportation and nutritional resources as well as a districtwide educational campaign on the benefits of high attendance rates. (Contributing Action(s))

These actions are being provided on an LEA-wide basis and we expect/hope that all students with less than a 100% attendance rate will benefit. However, because of the significantly lower attendance rate of low-income students, and because the actions meet needs most associated with the chronic stresses and experiences of a socio-economically disadvantaged status, we expect that the attendance rate for our low-income students will increase significantly more than the average attendance rate of all other students. (Measurable Outcomes [Effective In])

**COEs and Charter Schools:** Describe how actions included as contributing to meeting the increased or improved services requirement on an LEA-wide basis are principally directed to and effective in meeting its goals for unduplicated pupils in the state and any local priorities as described above. In the case of COEs and charter schools, schoolwide and LEA-wide are considered to be synonymous.

## For School Districts Only:

### Actions Provided on an LEA-Wide Basis:

**Unduplicated Percentage > 55%:** For school districts with an unduplicated pupil percentage of 55% or more, describe how these actions are principally directed to and effective in meeting its goals for unduplicated pupils in the state and any local priorities as described above.

**Unduplicated Percentage < 55%:** For school districts with an unduplicated pupil percentage of less than 55%, describe how these actions are principally directed to and effective in meeting its goals for unduplicated pupils in the state and any local priorities. Also describe how the actions **are the most effective use of the funds** to meet these goals for its unduplicated pupils. Provide the basis for this determination, including any alternatives considered, supporting research, experience, or educational theory.

### Actions Provided on a Schoolwide Basis:

School Districts must identify in the description those actions being funded and provided on a schoolwide basis, and include the required description supporting the use of the funds on a schoolwide basis.

**For schools with 40% or more enrollment of unduplicated pupils:** Describe how these actions are principally directed to and effective in meeting its goals for its unduplicated pupils in the state and any local priorities.

**For school districts expending funds on a schoolwide basis at a school with less than 40% enrollment of unduplicated pupils:** Describe how these actions are principally directed to and how the actions are the most effective use of the funds to meet its goals for foster youth, English learners, and low-income students in the state and any local priorities.

**“A description of how services for foster youth, English learners, and low-income students are being increased or improved by the percentage required.”**

Consistent with the requirements of 5 CCR Section 15496, describe how services provided for unduplicated pupils are increased or improved by at least the percentage calculated as compared to the services provided for all students in the LCAP year. To improve services means to grow services in quality and to increase services means to grow services in quantity. Services are increased or improved by those actions in the LCAP that are included in the Goals and Actions section as contributing to the increased or improved services requirement. This description must address how these action(s) are expected to result in the required proportional increase or improvement in services for unduplicated pupils as compared to the services the LEA provides to all students for the relevant LCAP year.

## Expenditure Tables

Complete the Data Entry table for each action in the LCAP. The information entered into this table will automatically populate the other Expenditure Tables. All information is entered into the Data Entry table. Do not enter data into the other tables.

The following expenditure tables are required to be included in the LCAP as adopted by the local governing board or governing body:

- Table 1: Actions
- Table 2: Total Expenditures
- Table 3: Contributing Expenditures
- Table 4: Annual Update Expenditures

The Data Entry table may be included in the LCAP as adopted by the local governing board or governing body, but is not required to be included.

In the Data Entry table, provide the following information for each action in the LCAP for the relevant LCAP year:

- **Goal #:** Enter the LCAP Goal number for the action.
- **Action #:** Enter the action's number as indicated in the LCAP Goal.
- **Action Title:** Provide a title of the action.
- **Student Group(s):** Indicate the student group or groups who will be the primary beneficiary of the action by entering "All", or by entering a specific student group or groups.
- **Increased / Improved:** Type "Yes" if the action is included as contributing to meeting the increased or improved services; OR, type "No" if the action is **not** included as contributing to meeting the increased or improved services.
- If "Yes" is entered into the Contributing column, then complete the following columns:

- **Scope:** The scope of an action may be LEA-wide (i.e. districtwide, countywide, or charterwide), schoolwide, or limited. An action that is LEA-wide in scope upgrades the entire educational program of the LEA. An action that is schoolwide in scope upgrades the entire educational program of a single school. An action that is limited in its scope is an action that serves only one or more unduplicated student groups.
- **Unduplicated Student Group(s):** Regardless of scope, contributing actions serve one or more unduplicated student groups. Indicate one or more unduplicated student groups for whom services are being increased or improved as compared to what all students receive.
- **Location:** Identify the location where the action will be provided. If the action is provided to all schools within the LEA, the LEA must indicate “All Schools”. If the action is provided to specific schools within the LEA or specific grade spans only, the LEA must enter “Specific Schools” or “Specific Grade Spans”. Identify the individual school or a subset of schools or grade spans (e.g., all high schools or grades K-5), as appropriate.
- **Time Span:** Enter “ongoing” if the action will be implemented for an indeterminate period of time. Otherwise, indicate the span of time for which the action will be implemented. For example, an LEA might enter “1 Year”, or “2 Years”, or “6 Months”.
- **Personnel Expense:** This column will be automatically calculated based on information provided in the following columns:
  - **Total Personnel:** Enter the total amount of personnel expenditures utilized to implement this action.
  - **Total Non-Personnel:** This amount will be automatically calculated.
- **LCFF Funds:** Enter the total amount of LCFF funds utilized to implement this action, if any. LCFF funds include all funds that make up an LEA’s total LCFF target (i.e. base grant, grade span adjustment, supplemental grant, concentration grant, Targeted Instructional Improvement Block Grant, and Home-To-School Transportation).
- **Other State Funds:** Enter the total amount of Other State Funds utilized to implement this action, if any.
- **Local Funds:** Enter the total amount of Local Funds utilized to implement this action, if any.

## 2021-22 LCFF Budget Overview for Parents Data Input Sheet

<b>Local Educational Agency (LEA) Name:</b>	Magnolia Science Academy-5
<b>CDS Code:</b>	19-10199-0137679
<b>LEA Contact Information:</b>	Name: Brad Plonka Position: Principal Email: bplonka@magnoliapublicschools.org Phone: (818) 705-5676
<b>Coming School Year:</b>	2021-22
<b>Current School Year:</b>	2020-21

\*NOTE: The "High Needs Students" referred to in the tables below are Unduplicated Students for LCFF funding purposes.

<b>Projected General Fund Revenue for the 2021-22 School Year</b>	<b>Amount</b>
<b>Total LCFF Funds</b>	\$3,179,410
<b>LCFF Supplemental &amp; Concentration Grants</b>	\$782,171
<b>All Other State Funds</b>	\$625,896
<b>All Local Funds</b>	\$20,000
<b>All federal funds</b>	\$556,872
<b>Total Projected Revenue</b>	\$4,382,178

<b>Total Budgeted Expenditures for the 2021-22 School Year</b>	<b>Amount</b>
<b>Total Budgeted General Fund Expenditures</b>	\$4,181,438
<b>Total Budgeted Expenditures in the LCAP</b>	\$4,181,438
<b>Total Budgeted Expenditures for High Needs Students in the LCAP</b>	\$1,415,605
<b>Expenditures not in the LCAP</b>	\$0

<b>Expenditures for High Needs Students in the 2020-21 School Year</b>	<b>Amount</b>
<b>Total Budgeted Expenditures for High Needs Students in the Learning Continuity Plan</b>	\$222,955
<b>Actual Expenditures for High Needs Students in Learning Continuity Plan</b>	\$205,706

<b>Funds for High Needs Students</b>	<b>Amount</b>
<b>2021-22 Difference in Projected Funds and Budgeted Expenditures</b>	\$633,434
<b>2020-21 Difference in Budgeted and Actual Expenditures</b>	\$-17,249

<b>Required Prompts(s)</b>	<b>Response(s)</b>
<b>Briefly describe any of the General Fund Budget Expenditures for the school year not included in the Local Control and Accountability Plan (LCAP).</b>	All general fund budget expenditures have been included in the LCAP.
<b>The total actual expenditures for actions and services to increase or improve services for high needs students in 2020-21 is less than the total budgeted</b>	As explained in the LCP analysis, the main difference was due to the school being in distance learning most of the year and not having the need for a CNA in person at the school site. The planned actions and services were fully provided to high needs students.

**expenditures for those planned actions and services. Briefly describe how this difference impacted the actions and services and the overall increased or improved services for high needs students in 2020-21.**

--

## LCFF Budget Overview for Parents

Local Educational Agency (LEA) Name: Magnolia Science Academy-5

CDS Code: 19-10199-0137679

School Year: 2021-22

LEA contact information:

Brad Plonka

Principal

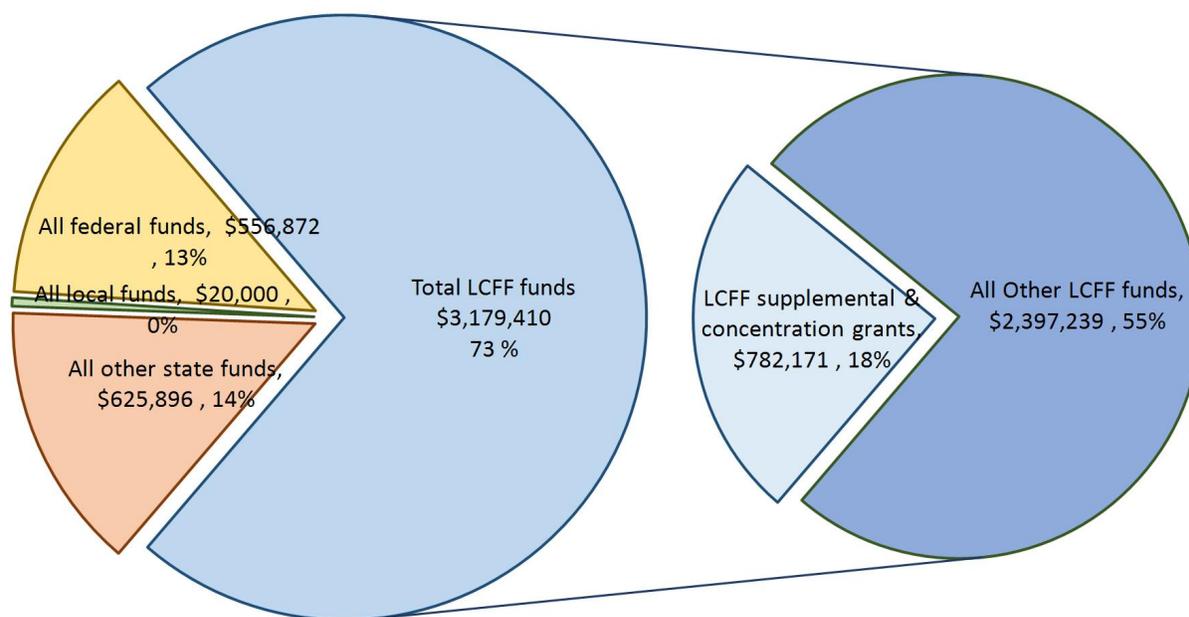

bplonka@magnoliapublicschools.org

(818) 705-5676

School districts receive funding from different sources: state funds under the Local Control Funding Formula (LCFF), other state funds, local funds, and federal funds. LCFF funds include a base level of funding for all LEAs and extra funding - called "supplemental and concentration" grants - to LEAs based on the enrollment of high needs students (foster youth, English learners, and low-income students).

### Budget Overview for the 2021-22 School Year

#### Projected Revenue by Fund Source

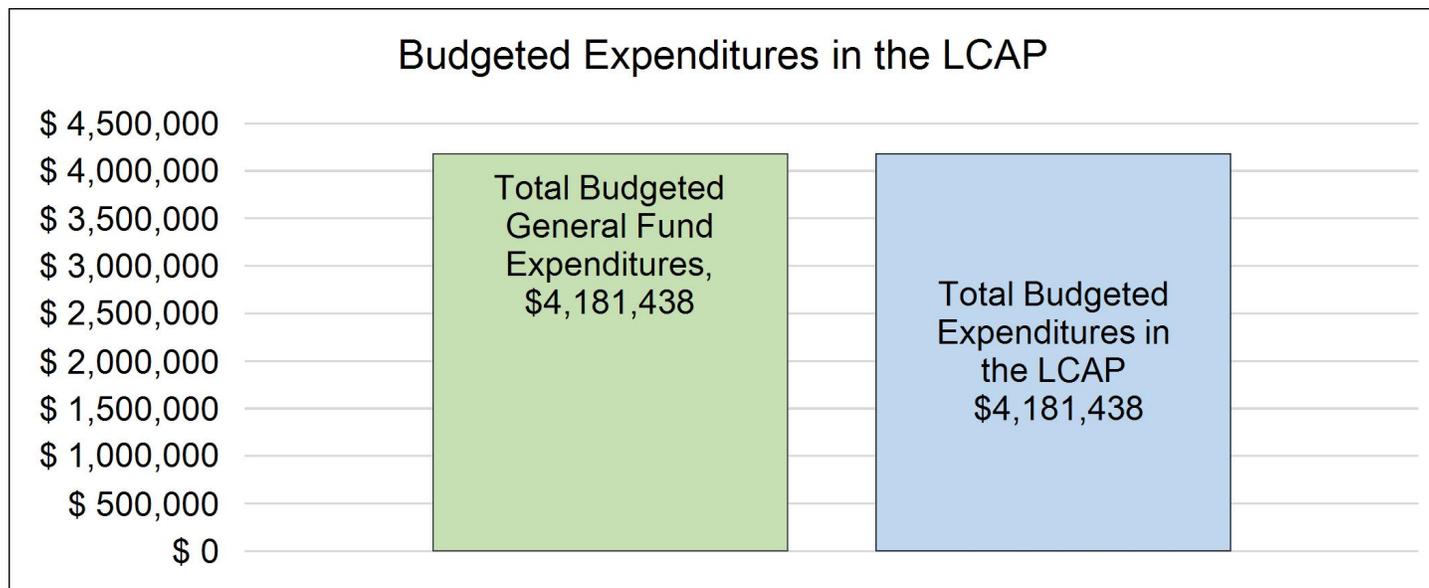

This chart shows the total general purpose revenue Magnolia Science Academy-5 expects to receive in the coming year from all sources.

The total revenue projected for Magnolia Science Academy-5 is \$4,382,178, of which \$3,179,410 is Local Control Funding Formula (LCFF), \$625,896 is other state funds, \$20,000 is local funds, and \$556,872 is

federal funds. Of the \$3,179,410 in LCFF Funds, \$782,171 is generated based on the enrollment of high needs students (foster youth, English learner, and low-income students).

## LCFF Budget Overview for Parents

The LCFF gives school districts more flexibility in deciding how to use state funds. In exchange, school districts must work with parents, educators, students, and the community to develop a Local Control and Accountability Plan (LCAP) that shows how they will use these funds to serve students.

This chart provides a quick summary of how much Magnolia Science Academy-5 plans to spend for 2021-22. It shows how much of the total is tied to planned actions and services in the LCAP.

Magnolia Science Academy-5 plans to spend \$4,181,438 for the 2021-22 school year. Of that amount, \$4,181,438 is tied to actions/services in the LCAP and \$0 is not included in the LCAP. The budgeted expenditures that are not included in the LCAP will be used for the following:

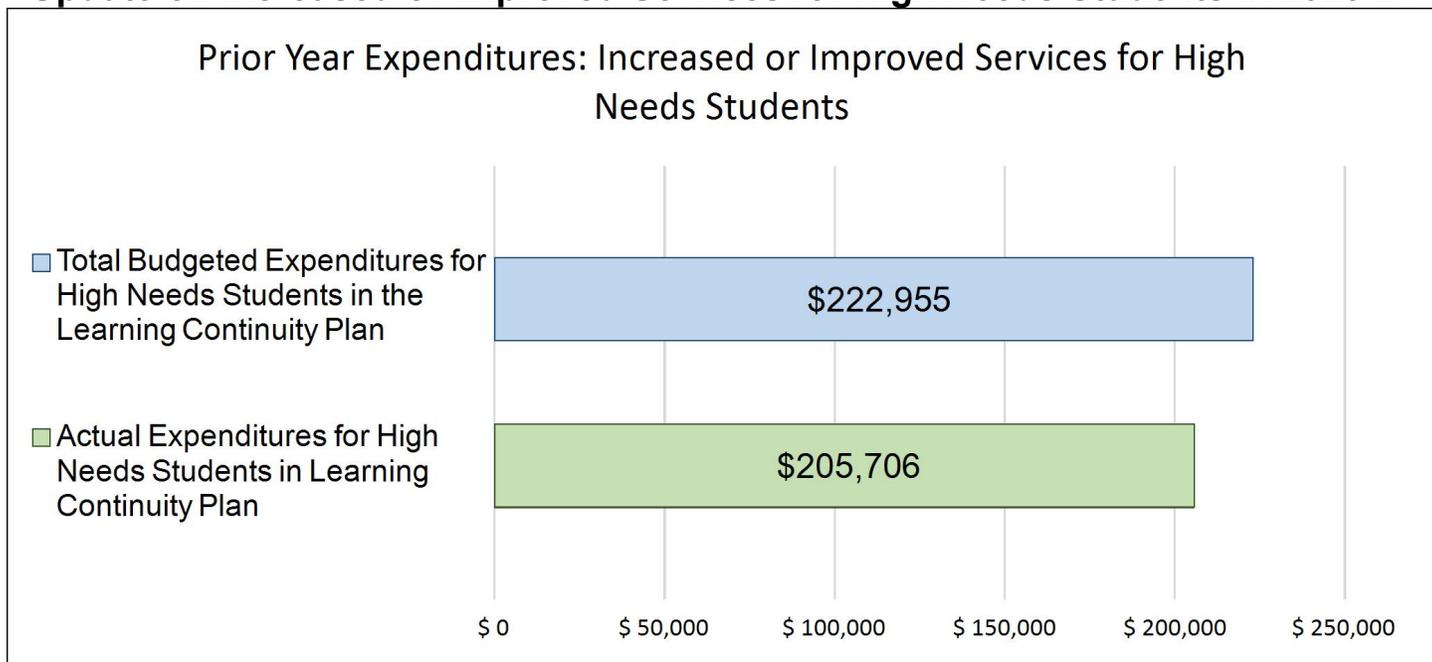

All general fund budget expenditures have been included in the LCAP.

### Increased or Improved Services for High Needs Students in the LCAP for the 2021-22 School Year

In 2021-22, Magnolia Science Academy-5 is projecting it will receive \$782,171 based on the enrollment of foster youth, English learner, and low-income students. Magnolia Science Academy-5 must describe how it intends to increase or improve services for high needs students in the LCAP. Magnolia Science Academy-5 plans to spend \$1,415,605 towards meeting this requirement, as described in the LCAP.

## LCFF Budget Overview for Parents

### Update on Increased or Improved Services for High Needs Students in 2020-21

This chart compares what Magnolia Science Academy-5 budgeted last year in the Learning Continuity Plan for actions and services that contribute to increasing or improving services for high needs students with what Magnolia Science Academy-5 estimates it has spent on actions and services that contribute to increasing or improving services for high needs students in the current year.

In 2020-21, Magnolia Science Academy-5's Learning Continuity Plan budgeted \$222,955 for planned actions to increase or improve services for high needs students. Magnolia Science Academy-5 actually spent \$205,706 for actions to increase or improve services for high needs students in 2020-21.

As explained in the LCP analysis, the main difference was due to the school being in distance learning most of the year and not having the need for a CNA in person at the school site. The planned actions and services were fully provided to high needs students.

# Annual Update for Developing the 2021-22 Local Control and Accountability Plan

## Annual Update for the 2019–20 Local Control and Accountability Plan Year

LEA Name	Contact Name and Title	Email and Phone
Magnolia Science Academy-5	Brad Plonka Principal	bplonka@magnoliapublicschools.org 8187055676

The following is the local educational agency's (LEA's) analysis of its goals, measurable outcomes and actions and services from the 2019-20 Local Control and Accountability Plan (LCAP).

# Goal 1

EXCELLENCE: All students will pursue academic excellence and be college/career ready.

State and/or Local Priorities addressed by this goal:

State Priorities:    Priority 1: Basic (Conditions of Learning)  
                           Priority 2: State Standards (Conditions of Learning)  
                           Priority 4: Pupil Achievement (Pupil Outcomes)  
                           Priority 8: Other Pupil Outcomes (Pupil Outcomes)

Local Priorities:    N/A

## Annual Measurable Outcomes

Expected	Actual
<p><b>Metric/Indicator</b>            Percentage of teachers who will be appropriately assigned and fully credentialed as required by law and the charter</p> <p><b>19-20</b>            100%</p> <p><b>Baseline</b>            100%</p>	<p>2019-20:            100%</p>
<p><b>Metric/Indicator</b>            Percentage of students who will have sufficient access to standards aligned instructional materials</p> <p><b>19-20</b>            100%</p> <p><b>Baseline</b>            100%</p>	<p>2019-20:            100%</p>
<p><b>Metric/Indicator</b>            Percentage of students performing proficient on the CAASPP ELA/Literacy assessments (Grades 3-8):</p> <p><b>19-20</b></p>	<p>2018-19:            All Students: 46.96%            English Learners: 6.12%            Socioeconomically Disadvantaged: 47.83%            Students with Disabilities: 17.39%</p>

Expected	Actual
<p>2019-20 (Expected):  All Students: 2 percentage points up from the prior year  English Learners: 2 percentage points up from the prior year  Socioeconomically Disadvantaged: 2 percentage points up from the prior year  Students with Disabilities: 2 percentage points up from the prior year  Hispanic: 2 percentage points up from the prior year  White: 2 percentage points up from the prior year</p> <p><b>Baseline</b>  2016-17 (Baseline):  All Students: 33%  English Learners: 6%  Socioeconomically Disadvantaged: 34%  Students with Disabilities: 8%  Hispanic: 29%  White: 39%</p>	<p>Homeless: 41.67%  Hispanic: 47.44%</p>

## Goal Analysis

A description of how funds budgeted for Actions/Services that were not implemented were used to support students, families, teachers, and staff.

Goal 1: Action 1: Planned: \$3,000 Actual: \$0 The reason for the difference is that we were planning to support teachers with their, BTSA needs but ended up with teachers wanting to delay the start due to the pandemic.

Goal 1: Action 2: Planned: \$34,000 Actual: \$70,000 The difference is due to the need for more electronic texts to support the students during virtual learning.

Goal 1: Action 7: Planned: \$68,750 Actual: \$20,000 The school was able to minimize the number of Intervention teachers needed for intervention classes to be able to open more electives for students.

Goal 1: Action 8: Planned: \$20,000 Actual: \$10,400 The school was closed for about three months due COVID-19 and in-person Saturday school halted.

A description of the successes and challenges in implementing the actions/services to achieve the goal.

During the 2019-20 school year, we had to close in March during our second semester and go to Distance Learning because of the COVID pandemic. As a result of this, we did not give the students in 3-8 and 11 the CAASPP standardized assessments in English and Math, or our internal assessment (NWEA MAP) both areas to see growth from fall to spring. We did give the MAP assessment in Fall 2020 and the results were not as strong as our CAASPP results from 2018-19. We were also not able to give the Summative

ELPAC assessment during the spring semester, so our reclassification rates were not indicative of the instruction the students received over the course of the year. After school clubs and tutoring continued throughout second semester with students joining through Zoom.

## Goal 2

INNOVATION: All students will become independent, innovative scholars.

State and/or Local Priorities addressed by this goal:

State Priorities:

Local Priorities: N/A

### Annual Measurable Outcomes

Expected	Actual
<p><b>Metric/Indicator</b> Percentage of the programs and services outlined in the charter petition that will be provided as measured by student interest surveys for elective courses and programs, master school schedule, and class rosters</p> <p><b>19-20</b> 100%</p> <p><b>Baseline</b> 100%</p>	<p>2019-20: 100%</p>
<p><b>Metric/Indicator</b> Percentage of students who will have sufficient access to all academic and educational programs provided by the Charter School as measured by student interest surveys for elective courses and programs, master school schedule, and class rosters</p> <p><b>19-20</b> 100%</p> <p><b>Baseline</b> 100%</p>	<p>2019-20: 100%</p>
<p><b>Metric/Indicator</b></p>	<p>2019-20: 5%</p>

Expected	Actual
<p>Percentage of students enrolled in the Charter School’s grades 6-8 who take the Accelerated and/or Advanced Math class and/or Advanced Math club</p> <p><b>19-20</b> 10%</p> <p><b>Baseline</b> 5%</p>	
<p><b>Metric/Indicator</b> Percentage of our graduates who will have taken a Computer/Technology class and/or experienced blended learning in their program of study</p> <p><b>19-20</b> 100%</p> <p><b>Baseline</b> 100%</p>	<p>2019-20: 100%</p>
<p><b>Metric/Indicator</b> Percentage of students who will have created or demonstrated a STEAM focused project, experiment, model or demo</p> <p><b>19-20</b> 100%</p> <p><b>Baseline</b> 80%</p>	<p>2019-20: 100%</p>

**Actions / Services**

Planned Actions/Services	Budgeted Expenditures	Actual Expenditures
<p>Charter School will provide students with a broad array of courses including core subjects (English, mathematics, social sciences, and science) and electives as outlined in its charter petition. Charter School will also provide all other academic programs and services outlined in its charter petition, certain programs and services being dependent on student need and interest.</p>	<p>\$888,490 Teacher salaries (1000)(Base); \$311,713 Benefits (3000)(Base) 1000-3000: Salary and Benefits LCFF Base 1,200,203</p>	<p>\$968,975 Teacher Salaries (1000)(Base); \$424,527 Benefits (3000)(Base); 1000-3000: Salary and Benefits LCFF Base 1,404,752</p>

## Goal Analysis

A description of how funds budgeted for Actions/Services that were not implemented were used to support students, families, teachers, and staff.

Goal 2: Action 4: Planned: \$2,000 Actual: \$0 The school ended up not needing to purchase STEAM focused materials for end of year projects due to the schools being closed from the pandemic.

A description of the successes and challenges in implementing the actions/services to achieve the goal.

We provide courses, electives, programs, and services outlined in our charter petition; specific programs and services are dependent on student need and interest. Our master schedule is designed to meet the needs of all students. We sent surveys home to our high school students to gauge their interests when we started making the master schedule and used student and teacher feedback. MSA-5 seniors will graduate with a-g requirements being met, making them eligible for admittance to UCs and CSUs. Currently, our graduation requirements for 12th graders require that they take one year of computer class, and we do provide this for every student. We offer opportunities for dual enrollment with the local community college. In this year of Distance Learning, competing in different competitions was put on hold. We could not have a school-wide or MPS-wide STEAM EXPO because of the restrictions placed upon California because of the pandemic, but students were encouraged to create science projects in their classes. Graduation for our 12th-grade students was done individually, with the administration doing visits to student's homes.

## Goal 3

CONNECTION: All students, families, staff, and other stakeholders will feel a sense of community and connectedness.

State and/or Local Priorities addressed by this goal:

State Priorities:    Priority 3: Parental Involvement (Engagement)  
                           Priority 5: Pupil Engagement (Engagement)  
                           Priority 6: School Climate (Engagement)

Local Priorities:    N/A

## Goal Analysis

A description of how funds budgeted for Actions/Services that were not implemented were used to support students, families, teachers, and staff.

Goal 3: Action 4: Planned: \$10,000 Actual: \$15,750 The school made a strong effort to visit as many families in the school community with two to three teachers or staff visiting a visit.

Goal 3: Action 5: Planned: \$85,000 Actual: \$38,920 The school only needed a half-time School Psychologist based on the number of students that needed services.

A description of the successes and challenges in implementing the actions/services to achieve the goal.

We held SSC, ELAC, and PTF meetings over the course of the school year, even holding them virtually during the second semester. We provided parents with access to our SIS and additionally sending home four Progress Reports and two Report Cards over the year, as well as offering Parent/Teacher Conferences. Home Visits were conducted by our teachers and admin. During the first semester and part of the second semester, they were in-person. Our ADA is approximately 96%, even holding during Distance Learning. Our middle school and the high school dropout rate is 0%, suspension rate is below 1%, and expulsion rate is 0% because of the implementation of alternatives to suspension/expulsion including restorative practices. Our staff and admin acknowledged and encouraged positive student behavior and improvements. We administered school experience surveys to all our stakeholders, students, parents, and staff. These surveys play a powerful role in helping us learn how to improve our teaching, leadership, and other school practices. Surveys have been the primary means of collecting student, family, and staff voices about what we are doing great, what we should keep doing, and what are areas for improvement so we can continue to provide our students with the best quality education. Our satisfaction rates for the families, staff, and students were at an all-time high, with our stakeholders happy about how we conducted Distance Learning during the pandemic.

## Annual Update for the 2020–21 Learning Continuity and Attendance Plan

The following is the local educational agency's (LEA's) analysis of its 2020-21 Learning Continuity and Attendance Plan (Learning Continuity Plan).

### In-Person Instructional Offerings

#### Actions Related to In-Person Instructional Offerings

Description	Total Budgeted Funds	Estimated Actual Expenditures	Contributing
Protective Personal Equipment such as counter shield guards, face coverings, signage, etc.	\$19,600	15,000	No
Added a Certified Nurses Assistant	\$52,200	29,000	No

A description of any substantive differences between the planned actions and/or budgeted expenditures for in-person instruction and what was implemented and/or expended on the actions.

Protective Personal Equipment such as counter shield guards, face coverings, signage, etc. Planned: \$52,200 Actual: \$29,000  
Addition of a Certified Nurses Assistant (CNA): Planned: \$19,600 Actual: \$15,000

Description: The school was in distance learning most of the second semester. Because of this, there was no need to have to purchase consumable PPE materials and have the CNA at the school site during this time.

#### Analysis of In-Person Instructional Offerings

A description of the successes and challenges in implementing in-person instruction in the 2020-21 school year.

One addition we have made this school year is the addition of a Certified Nurse Assistant (CNA) to conduct all the health screenings and temperature checks of all stakeholders who enter the school. The purchase of Personal Protective Equipment has been ongoing this school year. We bought plexiglass dividers for the main office and all teachers' and students' desks, as well as all desks in offices. We have hand sanitizing stations, cones and arrows in hallways and staircases, signage posted all around the school, and mask wearing for everyone. We had in-person COVID testing for all staff and students on our campus before starting Hybrid Learning. Our learning platforms include NWEA MAP for internal assessments twice a year, as well as other programs to assist teachers in the classroom. We are also supporting our SPED students with OT, speech, adapted PE, etc. with outside Sped professional services.

## Distance Learning Program

### Actions Related to the Distance Learning Program

Description	Total Budgeted Funds	Estimated Actual Expenditures	Contributing
Equipment to ensure connectivity for students such as the additional purchase of Chromebooks and other associated materials	\$99,249	92,000	Yes
Online learning platforms to enhance learning and assist with mitigating learning loss through remote/distance learning that includes: Zoom, Papers, easyCBM, GoalBooks, BrainPop, MyOn)	\$4,700	4,700	Yes
Student Group Therapy and SPED Services	\$6,500	6,500	No
English Learner Coordinator	\$5,000	5,000	Yes
Special Education Teacher	\$30,000	30,000	No
Two Classified Staff members were made full-time to support students	\$32,000	32,000	No
Digital Textbooks	\$39,784	39,784	Yes
Hotspots for student connectivity	\$7,222	7,222	Yes

A description of any substantive differences between the planned actions and/or budgeted expenditures for the distance learning program and what was implemented and/or expended on the actions.

N/A

### Analysis of the Distance Learning Program

A description of the successes and challenges in implementing each of the following elements of the distance learning program in the 2020-21 school year, as applicable: Continuity of Instruction, Access to Devices and Connectivity, Pupil Participation and Progress, Distance Learning Professional Development, Staff Roles and Responsibilities, and Support for Pupils with Unique Needs.

Online Summer School was offered during the month of July for all grades to mitigate the summer learning loss. Teachers started the beginning of August with Professional Development by admin, expert/lead teachers, and Home Office staff. During our weekly Staff Meetings and collaboration meetings with the different grade levels, Professional Development on Distance Learning strategies, attendance policies, PBIS strategies, and student engagement was continued. When school started, teachers enrolled all students in

Google Classroom and school staff passed out chromebooks and textbooks to all students, and hotspots where needed. They were also able to have digital versions through McGraw Hill. We monitored student attendance and engagement and all staff stepped up to call families of students who were not attending and/or engaged. Our SPED teachers and paraprofessionals continued support of the SPED students by entering Breakout Rooms and working with the students one on one. They continued annual IEP meetings on Zoom and included Powerpoint presentations so the parents had a visual on screen. EL students were supported by teachers during their designated ELD time and EL standards were integrated in the lessons of all teachers TK-12th grade. Teachers continued to hold tutoring for their students as well as extra office hours for students to get help on assignments and projects. Saturday School was offered virtually for students to mitigate learning loss.

## Pupil Learning Loss

### Actions Related to the Pupil Learning Loss

Description	Total Budgeted Funds	Estimated Actual Expenditures	Contributing
ASES program aligned to meet the needs of students during distance learning, this includes additional academic and mentoring support, extracurricular activities to expand learning and engage students and provide additional teacher stipends to support and enrich the academic program.	\$32,000	32,000	Yes
Summer Enrichment Program was provided virtually in July 2020 to provide additional educational opportunities in order to mitigate summer learning loss and prepare students for their transition to middle school.	\$35,000	25,000	Yes

A description of any substantive differences between the planned actions and/or budgeted expenditures for addressing pupil learning loss and what was implemented and/or expended on the actions.

Summer Enrichment Program was provided virtually in July 2020 to provide additional educational opportunities in order to mitigate summer learning loss and prepare students for their transition to middle school. Budgeted: \$35,000 Actual: \$25,000

Description: Since summer enrichment program was offered virtually, food and other staffing was not needed to support the program which lowered the expenses needed.

### Analysis of Pupil Learning Loss

A description of the successes and challenges in addressing Pupil Learning Loss in the 2020-21 school year and an analysis of the effectiveness of the efforts to address Pupil Learning Loss to date.

With this new normal of Distance Learning, students had to adjust to being on the chromebooks all day, and we noticed this was something we had to help support. Teachers offered after-school tutoring and small group instruction on a daily basis for the different subjects. Teachers held daily office hours where students were also able to talk to their teachers about assignments, projects, etc. Teachers also had an asynchronous period of time after every live teaching session where they stayed and helped/retaught the students who needed it. Paraprofessionals also stayed to offer support to the SPED and EL students on a one-on-one basis. Teachers were able to use our additional learning platforms like Brainpop with more adherence because of this online platform. Additional

technology was purchased for the teachers to use at home. For the first 10 weeks of school, an SEL program was taught to all students, where they learned how to deal with their anxiety, depression, and stress.

## **Analysis of Mental Health and Social and Emotional Well-Being**

A description of the successes and challenges in monitoring and supporting mental health and social and emotional well-being in the 2020-21 school year.

For the first ten weeks of school, an SEL program was taught to all students. Our students learned strategies on how to deal with anxiety and stress through Zones of Regulation. Every week the students had a new lesson, and this was very successful. Our partnership with Mitchell Family Counseling offered counseling sessions to all students who needed extra SEL support. The SPED students were also given additional counseling sessions based on need. We also are offering a referral service called CareSolace, which is open to all of our stakeholders. This program offers a referral service to parents, students, and students who need mental health services. We have also conducted two SEL-based surveys to our parents and staff, which have given us valuable information to plan SEL activities and professional development. We also encourage teachers to attend outside of school Professional Development on SEL strategies and then ask that they report back to the staff on what they learn.

## **Analysis of Pupil and Family Engagement and Outreach**

A description of the successes and challenges in implementing pupil and family engagement and outreach in the 2020-21 school year.

We utilize surveys with fidelity and use these results to fuel changes that need to be made. We have increased our pupil and family engagement and outreach through our H.O.W.L. newsletter, virtual assemblies, School Site Council and ELAC meetings, and multiple Town Hall meetings. It is through these ways that our pupils and families can connect, participate, and engage with staff and home office members to voice any opinions and concerns. Over the course of this year we have been fully transparent in our learning modalities. We have presented dates and options for our pupils and families to feel comfortable in transitions back onto campus for Hybrid Learning. Our challenges have been participation from students in school-wide events and parents struggles of use of technology for our virtual events.

## **Analysis of School Nutrition**

A description of the successes and challenges in providing school nutrition in the 2020-21 school year.

Magnolia Science Academy-5 was able to provide access to meals for our students at multiple locations during the pandemic and then to be able to provide breakfast, lunch and supper meals on campus to students once they returned to hybrid learning. This also included meals being given out on Friday for the weekend. The challenge was to make sure that students who stayed in distance learning received the meals since they were not always comfortable to come to campus.

## Additional Actions and Plan Requirements

### Additional Actions to Implement the Learning Continuity Plan

Section	Description	Total Budgeted Funds	Estimated Actual Expenditures	Contributing
Distance Learning Program (Supports for Pupils with Unique Needs)	SPED student support services/School psychologist	\$27,000	27,000	No

A description of any substantive differences between the planned actions and budgeted expenditures for the additional plan requirements and what was implemented and expended on the actions.

N/A

### Overall Analysis

An explanation of how lessons learned from implementing in-person and distance learning programs in 2020-21 have informed the development of goals and actions in the 2021–24 LCAP.

Our implementing of in-person instruction and distance learning has strengthened our ability to reach students on multiple platforms. Incorporating more technology at the school by purchasing chromebooks and hotspots for students to take home, and interactive panels for teaching it has been made easier for students to access the curriculum at home or at school. We also utilized our core content curriculum and integrated more virtual supplemental materials that differentiate and support all learners.

An explanation of how pupil learning loss continues to be assessed and addressed in the 2021–24 LCAP, especially for pupils with unique needs.

To support the learning loss of students, we have continuing to offer Saturday School virtually and have tutoring opportunities and small group instruction during the week. We have increased the length of our hours during summer school and purchased additional supplemental curriculum supporting our core subject areas.

A description of any substantive differences between the description of the actions or services identified as contributing towards meeting the increased or improved services requirement and the actions or services implemented to meet the increased or improved services requirement.

Substantive differences have been the overall need for ways in supporting our students' and stakeholders' mental and social-emotional wellbeing, we have increased our surveys and partnered with Care Solace, a counseling program that supports our students, staff members, and families. We have also incorporated the SEL curriculum and mindfulness activities for all stakeholders. Under Pupil and Family engagement outreach, we have continued to offer a variety of ways stakeholders can stay in the know virtually.

## Overall Analysis of the 2019-20 LCAP and the 2020-21 Learning Continuity and Attendance Plan

A description of how the analysis and reflection on student outcomes in the 2019-20 LCAP and 2020-21 Learning Continuity and Attendance Plan have informed the development of the 21-22 through 23-24 LCAP.

With what we learned from distance learning and with our now hybrid instruction we know how to find a balance of incorporating more technologies into the classroom and at home to better support the student. For example, the purchasing chromebooks and hotspots for students to have at home allows for more opportunities for interactive learning, which we have struggled with in the past. We can utilize our core content curriculum and integrated supplemental materials that differentiate and support all learners in-person or virtually. Our Distance Learning program has been made easier with the purchases of chromebooks and hotspots, and extra teaching devices like Viewsonic Interactive TVs, and online curriculum. To support the learning loss of students, we have plenty of interventions from after school to Saturday School opportunities. We have increased the length of our hours during summer school. In supporting our student's and stakeholders' mental and social-emotional wellbeing, we have increased our surveys and partnered with Care Solace, a counseling program that supports our students, staff members, and families. We have also incorporated the SEL curriculum and mindfulness activities for all stakeholders. Under Pupil and Family engagement outreach, we have used our virtual technologies to increase the meeting frequency with all our stakeholders. Ensuring that their voices and school transparency is expressed. School nutrition has increased as we have been able to provide breakfast, lunches, and supper to all students.

## Instructions: Introduction

The Annual Update Template for the 2019-20 Local Control and Accountability Plan (LCAP) and the Annual Update for the 2020–21 Learning Continuity and Attendance Plan must be completed as part of the development of the 2021-22 LCAP. In subsequent years, the Annual Update will be completed using the LCAP template and expenditure tables adopted by the State Board of Education.

*For additional questions or technical assistance related to the completion of the LCAP template, please contact the local COE, or the California Department of Education's (CDE's) Local Agency Systems Support Office by phone at 916-319-0809 or by email at [lcff@cde.ca.gov](mailto:lcff@cde.ca.gov).*

## Instructions: Annual Update for the 2019–20 Local Control and Accountability Plan Year

### Annual Update

The planned goals, state and/or local priorities, expected outcomes, actions/services, and budgeted expenditures must be copied verbatim from the approved 2019-20 Local Control and Accountability Plan (LCAP). Minor typographical errors may be corrected. Duplicate the Goal, Annual Measurable Outcomes, Actions / Services and Analysis tables as needed.

For each goal in 2019-20, identify and review the actual measurable outcomes as compared to the expected annual measurable outcomes identified in 2019-20 for the goal. If an actual measurable outcome is not available due to the impact of COVID-19 provide a brief explanation of why the actual measurable outcome is not available. If an alternative metric was used to measure progress towards the goal, specify the metric used and the actual measurable outcome for that metric.

Identify the planned Actions/Services, the budgeted expenditures to implement these actions toward achieving the described goal and the actual expenditures to implement the actions/services.

#### Goal Analysis

Using available state and local data and input from parents, students, teachers, and other stakeholders, respond to the prompts as instructed.

- If funds budgeted for Actions/Services that were not implemented were expended on other actions and services through the end of the school year, describe how the funds were used to support students, including low-income, English learner, or foster youth students, families, teachers and staff. This description may include a description of actions/services implemented to mitigate the impact of COVID-19 that were not part of the 2019-20 LCAP.

- Describe the overall successes and challenges in implementing the actions/services. As part of the description, specify which actions/services were not implemented due to the impact of COVID-19, as applicable. To the extent practicable, LEAs are encouraged to include a description of the overall effectiveness of the actions/services to achieve the goal.

## **Instructions: Annual Update for the 2020–21 Learning Continuity and Attendance Plan**

### **Annual Update**

The action descriptions and budgeted expenditures must be copied verbatim from the 2020-21 Learning Continuity and Attendance Plan. Minor typographical errors may be corrected.

### **Actions Related to In-Person Instructional Offerings**

- In the table, identify the planned actions and the budgeted expenditures to implement actions related to in-person instruction and the estimated actual expenditures to implement the actions. Add additional rows to the table as needed.
- Describe any substantive differences between the planned actions and/or budgeted expenditures for in-person instruction and what was implemented and/or expended on the actions, as applicable.
- Using available state and/or local data and feedback from stakeholders, including parents, students, teachers and staff, describe the successes and challenges experienced in implementing in-person instruction in the 2020-21 school year, as applicable. If in-person instruction was not provided to any students in 2020-21, please state as such.

### **Actions Related to the Distance Learning Program**

- In the table, identify the planned actions and the budgeted expenditures to implement actions related to the distance learning program and the estimated actual expenditures to implement the actions. Add additional rows to the table as needed.
- Describe any substantive differences between the planned actions and/or budgeted expenditures for the distance learning program and what was implemented and/or expended on the actions, as applicable.
- Using available state and/or local data and feedback from stakeholders, including parents, students, teachers and staff, describe the successes and challenges experienced in implementing distance learning in the 2020-21 school year in each of the following areas, as applicable:
  - Continuity of Instruction,
  - Access to Devices and Connectivity,

- Pupil Participation and Progress,
- Distance Learning Professional Development,
- Staff Roles and Responsibilities, and
- Supports for Pupils with Unique Needs, including English learners, pupils with exceptional needs served across the full continuum of placements, pupils in foster care, and pupils who are experiencing homelessness

To the extent practicable, LEAs are encouraged to include an analysis of the effectiveness of the distance learning program to date. If distance learning was not provided to any students in 2020-21, please state as such.

## **Actions Related to Pupil Learning Loss**

- In the table, identify the planned actions and the budgeted expenditures to implement actions related to addressing pupil learning loss and the estimated actual expenditures to implement the actions. Add additional rows to the table as needed.
- Describe any substantive differences between the planned actions and/or budgeted expenditures for addressing pupil learning loss and what was implemented and/or expended on the actions, as applicable.
- Using available state and/or local data and feedback from stakeholders, including parents, students, teachers and staff, describe the successes and challenges experienced in addressing Pupil Learning Loss in the 2020-21 school year, as applicable. To the extent practicable, include an analysis of the effectiveness of the efforts to address pupil learning loss, including for pupils who are English learners; low-income; foster youth; pupils with exceptional needs; and pupils who are experiencing homelessness, as applicable.

## **Analysis of Mental Health and Social and Emotional Well-Being**

- Using available state and/or local data and feedback from stakeholders, including parents, students, teachers and staff, describe the successes and challenges experienced in monitoring and supporting Mental Health and Social and Emotional Well-Being of both pupils and staff during the 2020-21 school year, as applicable.

## **Analysis of Pupil and Family Engagement and Outreach**

- Using available state and/or local data and feedback from stakeholders, including parents, students, teachers and staff, describe the successes and challenges related to pupil engagement and outreach during the 2020-21 school year, including implementing tiered reengagement strategies for pupils who were absent from distance learning and the efforts of the LEA in reaching out to pupils and their parents or guardians when pupils were not meeting compulsory education requirements or engaging in instruction, as applicable.

## **Analysis of School Nutrition**

- Using available state and/or local data and feedback from stakeholders, including parents, students, teachers and staff, describe the successes and challenges experienced in providing nutritionally adequate meals for all pupils during the 2020-21 school year, whether participating in in-person instruction or distance learning, as applicable.

## **Analysis of Additional Actions to Implement the Learning Continuity Plan**

- In the table, identify the section, the planned actions and the budgeted expenditures for the additional actions and the estimated actual expenditures to implement the actions, as applicable. Add additional rows to the table as needed.
- Describe any substantive differences between the planned actions and/or budgeted expenditures for the additional actions to implement the learning continuity plan and what was implemented and/or expended on the actions, as applicable.

## **Overall Analysis of the 2020-21 Learning Continuity and Attendance Plan**

The Overall Analysis prompts are to be responded to only once, following an analysis of the Learning Continuity and Attendance Plan.

- Provide an explanation of how the lessons learned from implementing in-person and distance learning programs in 2020-21 have informed the development of goals and actions in the 2021–24 LCAP.
  - As part of this analysis, LEAs are encouraged to consider how their ongoing response to the COVID-19 pandemic has informed the development of goals and actions in the 2021–24 LCAP, such as health and safety considerations, distance learning, monitoring and supporting mental health and social-emotional well-being and engaging pupils and families.
- Provide an explanation of how pupil learning loss continues to be assessed and addressed in the 2021–24 LCAP, especially for pupils with unique needs (including low income students, English learners, pupils with disabilities served across the full continuum of placements, pupils in foster care, and pupils who are experiencing homelessness).
- Describe any substantive differences between the actions and/or services identified as contributing towards meeting the increased or improved services requirement, pursuant to *California Code of Regulations*, Title 5 (5 CCR) Section 15496, and the actions and/or services that the LEA implemented to meet the increased or improved services requirement. If the LEA has provided a description of substantive differences to actions and/or services identified as contributing towards meeting the increased or improved services requirement within the In-Person Instruction, Distance Learning Program, Learning Loss, or Additional Actions sections of the Annual Update the LEA is not required to include those descriptions as part of this description.

## **Overall Analysis of the 2019-20 LCAP and the 2020-21 Learning Continuity and Attendance Plan**

The Overall Analysis prompt is to be responded to only once, following the analysis of both the 2019-20 LCAP and the 2020-21 Learning Continuity and Attendance Plan.

- Describe how the analysis and reflection related to student outcomes in the 2019-20 LCAP and 2020-21 Learning Continuity and Attendance Plan have informed the development of the 21-22 through 23-24 LCAP, as applicable.

California Department of Education  
January 2021

## Annual Update for the 2019–20 Local Control and Accountability Plan Year Expenditure Summary

Total Expenditures by Funding Source		
Funding Source	2019-20 Annual Update Budgeted	2019-20 Annual Update Actual

<b>All Expenditures in Learning Continuity and Attendance Plan</b>	\$222,955.00	\$205,706.00

# Local Control Accountability Plan

The instructions for completing the Local Control and Accountability Plan (LCAP) follow the template.

Local Educational Agency (LEA) Name	Contact Name and Title	Email and Phone
Magnolia Science Academy-5	Brad Plonka Principal	bplonka@magnoliapublicschools.org (818) 705-5676

## Plan Summary [2021-22]

### General Information

A description of the LEA, its schools, and its students.

MSA-5 currently has 290 students in grades 6-12 and mainly draws enrollment from Reseda, CA and neighboring communities. The neighborhoods that MSA-5 serves are heavily immigrant with a language other than English spoken at home. A high concentration of the families MSA-5 serves faces economic challenges. MSA-5 has a diverse enrollment, including 87% Hispanic/Latino, 5% White, 5% Asian, and 2% Black or African American. Of our 290 students, 88% Socioeconomically Disadvantaged, 19% Special Education, and 27% English Learner population.

MPS strives to graduate students who come from historically underserved neighborhoods as scientific thinkers that contribute to the global community as socially responsible and educated members of society. We offer a comprehensive learning experience designed to serve the needs of our students through effective site-based instruction, rich hands-on learning, and foundational skills presented in ways that are relevant and inspiring to our students. Classroom instruction at MSA-5 is supplemented by tutoring, after-school programs, and school-to-university links.

### Reflections: Successes

A description of successes and/or progress based on a review of the California School Dashboard (Dashboard) and local data.

Areas that we are most proud of are the following:

- Suspension Rate is Green for all students and sub groups.
- All Students, English Learners, Socioeconomically Disadvantaged, Students with Disabilities, and Hispanic in ELA and Math increased significantly on the CA School Dashboard.
- CAASPP test results increased 12% in ELA and 19% in Math.

- Approval rating grew 8% with students.
- Overall satisfaction increased 9% with students.
- Actions that we will maintain is our power classes for Math and ELA and our designated English Learner Classes. We will also continue to provide PD in areas that support our students' demographics (differentiated instruction).

## Reflections: Identified Need

A description of any areas that need significant improvement based on a review of Dashboard and local data, including any areas of low performance and significant performance gaps among student groups on Dashboard indicators, and any steps taken to address those areas.

In both Math and ELA our Special Education population was low at 94.1 points below standard in Math and very low at 79.3 points below standard in ELA. Also we were categorized as low in in ELA & Math as a whole. Special Education students need more attention and more PD for teaching students with disabilities are needed. More math tutoring provided through Title I funds, Saturday school, Power Math and after school tutoring for all struggling sub groups.

Though the majority of our student groups showed growth in Math and in ELA, still the majority were categorized low or very low. MSA-5 is planning to continue to provide students a variety of supports such as after school tutoring, Saturday School, Power classes, and 1 on 1 tutoring with staff at school. Also, MSA-5 will continue to provide staff with PD on differentiated instruction, Response to Intervention (RTI), and working with diverse learners.

Also, based upon our student survey results, topic 3 (safety), topic 5 (growth mindset) and topic 6 (self-efficacy) has shown the lowest percent favorable by students. We'll continue to have staff connect with their students and help students set goals beyond high school.

Chronic absenteeism rate still is over 10% and our ADA is meeting our 95% goal, but we would still like to improve on that as well.

## LCAP Highlights

A brief overview of the LCAP, including any key features that should be emphasized.

The Charter School LCAP committee has reviewed input from all stakeholders and available data through surveys and student performance data. Based on input and data, we have revised our existing actions/services and measurable outcomes and also planned for new ones.

Some of the highlights include:

- Parents' appreciation of being involved in the decision-making process and the need for continuous parent training via activities such as Parent College
- The need to continue our improvements in designated/integrated English Learner services
- Expanding after school, Saturday school, and summer school opportunities; refining targeted intervention and tutoring programs
- Providing counseling and positive behavior intervention support services to our students
- Improving the school's communication system, ParentSquare, to get messages to families

- Keeping the school site safe
- The Charter School has also worked on its expected annual measurable outcomes to set targets in areas of greatest need and to close performance gaps among student groups. Those include, chronic absenteeism, in all subgroup have growth in English Language Arts and Math.

## Comprehensive Support and Improvement

An LEA with a school or schools eligible for comprehensive support and improvement must respond to the following prompts.

### Schools Identified

A list of the schools in the LEA that are eligible for comprehensive support and improvement.

N/A

### Support for Identified Schools

A description of how the LEA has or will support its eligible schools in developing comprehensive support and improvement plans.

N/A

### Monitoring and Evaluating Effectiveness

A description of how the LEA will monitor and evaluate the plan to support student and school improvement.

N/A

## Stakeholder Engagement

A summary of the stakeholder process and how the stakeholder engagement was considered before finalizing the LCAP.

In order to promote learning and provide a more positive learning experience for our students, MSA-5 has established a culture of gathering input from parents, students, staff, community members, and other stakeholders through multiple channels including meetings, school events, surveys, home visits, newsletters, and other means of communication. To the extent possible, all stakeholders are invited to be involved in the process of school review and improvement including the development of our annual LCAP.

Information/input sessions include Parent Task Force (PTF) meetings, School Site Council (SSC) meetings, English Learner Advisory Committee (ELAC) meetings, Coffee with the Principal meetings, Board of Directors meetings, Principal meetings, and staff meetings. Parents on our PTF and SSC also serve as our parent advisory committee for LCAP. Along with ELAC, such committees provide for representation of students in need (low income, English learners, foster youth, etc.) Feedback from our parent advisory committee and ELAC provides valuable input for the new LCAP. In addition, the Charter School conducts surveys for parents, students, and staff, and the Charter School staff make home visits. These all serve as a way to inform, educate, and gather input & feedback from all critical stakeholders.

The Charter School has an approved charter petition with measurable student outcomes and methods to assess student progress and a WASC action plan for continuous school improvement. Therefore, LCAP is received by our community as a comprehensive planning tool that draws from all other school plans and addresses the state priorities and locally identified priorities.

The Charter School has held its periodical meetings this year to gather input from our stakeholders. These include four PTF meetings, four SSC meetings, four ELAC meetings, at least five parent activities/events including two Coffee with the Principal meetings, weekly staff meetings, and other stakeholder meetings. The school conducted a family, staff, and student experience survey with specific questions on the sense of safety and school connectedness, school culture and climate, and other areas of school improvement. A majority of our stakeholders participated in this survey.

The Charter School staff has also made home visits during this school year and sought feedback from the parents for school improvement.

A summary of the feedback provided by specific stakeholder groups.

**Parent Advisory Committee (PAC)/Parents:** The PAC is still very vocal about finding a permanent site for the school site and increasing school site safety by adding a security guard. The PAC also provided feedback on adding more aides to the classrooms and a high school sports program.

**Students:** Students' feedback provided more after-school sports and more elective options in both middle and high school.

**Staff:** The staff's feedback is focused on finding a permanent site and continue to invest in technology and professional development to better support the students.

School Site Council (SSC): The SSC wants to continue to bring in more programs for students and parents to increase college preparedness.

ELAC: Continue to strengthen our designated ELD classes and train staff to support ELs in the classroom.

SELPA: The SELPA recommended that we include an action in our LCAP specific to students with disabilities to describe how academic and social-emotional supports would be provided.

#### A description of the aspects of the LCAP that were influenced by specific stakeholder input.

The Charter School LCAP committee has reviewed input from all stakeholders and synthesized input to revise existing actions/services and measurable outcomes and also plan for new ones in the LCAP for the upcoming year. Some of the updates include:

- Improvements in designated/integrated English Learner services
- Expanding after school, Saturday school, and summer school opportunities
- Providing counseling and behavior support services to our students
- Improving teacher observation and evaluation systems and keeping effective teachers
- Increasing college preparedness by offering a college planning and career exploration program for students early on, strengthening existing "Advisory" programs, offering special programs to prepare students for the SAT/ACT tests, and preparing students to take more AP courses
- Investing in effective technology and teacher professional development in blended learning and differentiated instruction to enhance instruction in the classroom
- Expanding STEAM-based programs and activities
- Based on feedback from the El Dorado SELPA, we included a new action in our LCAP specific to students with disabilities. See Goal 2: Action 5. This action summarizes support and services for students with disabilities.

# Goals and Actions

## Goal

Goal #	Description
1	<b>BASIC SERVICES FOR A HIGH-QUALITY LEARNING ENVIRONMENT:</b> All students and staff will have access to a safe, secure, healthy, and high-quality learning and working environment. Students will receive basic services that are fundamental to academic success, including fully credentialed teachers, standards-aligned instructional materials, and appropriately maintained school facilities.

An explanation of why the LEA has developed this goal.

Providing basic services means ensuring all students have access to teachers who are fully credentialed in their subject areas, instructional materials aligned with state standards, and safe, properly maintained school facilities. Charter School will also adhere to the MPS Wellness Policy and encourage participation in school meal programs. Research shows when students are provided with these basic services, student learning outcomes increase. The MPS Home Office will provide services such as academics, accountability, operations, IT, facilities, finance and accounting, human resources, and external relations to support and hold accountable the Charter School for compliance and meeting charter goals. Charter School will implement the actions listed under this goal and use the indicated metrics to measure progress in provision of basic services to maintain a high-quality learning environment.

## Measuring and Reporting Results

Metric	Baseline	Year 1 Outcome	Year 2 Outcome	Year 3 Outcome	Desired Outcome for 2023–24
Number of misassignments of teachers of English learners, total teacher misassignments, and vacant teacher positions (Source: Local Indicator Priority 1)	2020-21: 0				2023-24: 0
Percentage of students without access to their own copies of standards-aligned instructional	2020-21: 0%				2023-24: 0%

Metric	Baseline	Year 1 Outcome	Year 2 Outcome	Year 3 Outcome	Desired Outcome for 2023–24
materials for use at school and at home (Source: Local Indicator Priority 1)					
Number of identified instances where facilities do not meet the “good repair” standard (including deficiencies and extreme deficiencies) (Source: Local Indicator Priority 1)	2020-21: 0				2022-23: 0
Teacher retention rate (Source: HRIS)	2020-21: (Spring 2020 to Fall 2020) 93.0%				2023-24: (Spring 2023 to Fall 2023) 90.0%
Teacher attendance rate (Source: HRIS)	2020-21: (As of 3/25/21) 99.0%				2023-24: 97.0%

## Actions

Action #	Title	Description	Total Funds	Contributing
1	Teacher assignments and credentials	Charter School and the MPS Human Resources team will conduct credential, background, and TB clearance reviews as part of the hiring process and at least once throughout the year to ensure all credentials are properly maintained. Charter School will support our teachers’ credentialing needs. Charter School will also annually review master schedules and teacher assignments to ensure teachers are appropriately assigned and fully credentialed in the subject area and for the students they are teaching. Charter School uses a Human Resources Information System (HRIS) to automate employee	\$16,750.00	No

Action #	Title	Description	Total Funds	Contributing
		<p>documents. MPS Home Office HR team acts as a liaison between employees and provides administrative support as needed (e.g., correspondence generation, record keeping, file maintenance, HRIS entry, etc.) The HR team also provides reports to the Board and school administrators in regards to teacher retention, performance, pay scale, vacancies, recruitment efforts, credentials, mandatory trainings, and other HR related matters.</p> <p>Expenditures associated with this action include the following: teacher credentialing expenses, recruitment expenses (sign-in bonus, livescan/fingerprinting fees, etc.), Paycom/payroll fees, retirement service fees, and performance pay.</p> <p>The following expenditures will be funded by federal Title funds: N/A</p>		
2	Instructional materials and technology	<p>Charter School will manage the acquisition, distribution, and maintenance of equipment, materials, and technology needed to meet the academic, linguistic, cultural, social-emotional, and physical requirements of students. Charter School will annually review alignment of instructional materials to standards and maintain an inventory of instructional materials and corresponding purchases of materials. Charter School will annually review budgets and plans to ensure adequate budget for instructional materials. Charter School will ensure that students have sufficient access to standards-aligned instructional materials, including technology-based resources. Charter School will provide effective access and integration of technology resources, including software and mobile devices, that ensure meaningful access to CA Content Standards aligned instructional programs.</p> <p>Expenditures associated with this action include the following: textbooks, instructional materials and supplies, teacher/classroom supplies and office materials, computers, Chromebooks, hotspots, and other technology equipment, IT manager salary and benefits, E-Rate consultancy, and basic software (Zendesk, AssetWorks, firewall, Datto, CloudReady, Zoom, GoGuardian, etc.), phone/internet, and</p>	\$235,540.00	No

Action #	Title	Description	Total Funds	Contributing
		<p>depreciation.</p> <p>The following expenditures will be funded by federal Title funds:</p> <ul style="list-style-type: none"> <li>• Supplemental instructional materials and supplies: Resource: Title I, Part A; Amount: \$5,000</li> <li>• Chromebooks: Resource: Title IV, Part A; Amount: \$5,000</li> </ul>		
3	Clean and safe facilities that support learning	<p>Charter School will strive to maintain a clean, safe, environmentally friendly, and inviting school that is worthy of our students, families, and staff and encourages successful teaching and learning. Charter School will continually improve and maintain facilities to ensure school safety, security and high quality learning and working environments. Charter School will do annual and monthly facility inspections to screen for ADA compliance and safety hazards; identified deficiencies will be quickly remedied. Daily general cleaning will maintain campus cleanliness. Maintenance and repairs will be provided by Charter School custodial staff and/or outsourced. As a STEAM focused school, we aim to operate in a sustainable and environmentally responsible manner. Charter School will develop and monitor comprehensive safety and security plans, conduct necessary safety training for all staff and continue to work with stakeholders and experts to implement emergency and risk management procedures for individuals and the site. Charter School will procure and maintain necessary safety/emergency supplies, equipment and items. Charter School will establish schedules and procedures for the supervision of students in non-classroom areas, including before and after school.</p> <p>Expenditures associated with this action include the following: facilities rent/acquisition cost, custodial staff salaries and benefits, custodial supplies, maintenance and repair services, gas/electric, security services, health and safety related expenses (PPE, nursing services, etc.), and insurance costs (workers compensation, CharterSAFE, etc.)</p> <p>The following expenditures will be funded by federal Title funds: N/A</p>	\$449,256.00	No

Action #	Title	Description	Total Funds	Contributing
4	Healthy and nutritious meals	<p>Charter School will maintain nutrition education resources and continue to focus on innovative ways to increase access to freshly prepared, nutritious foods to ensure students are well-nourished and ready to learn. Charter School will adhere to the MPS Wellness Policy guidelines on nutritious foods for all food sales and celebrations. The meal program aims to improve the diet and health of our students, help mitigate childhood obesity, model healthy eating to support the development of lifelong healthy eating patterns and support healthy choices while accommodating cultural food preferences and special dietary needs. Charter School will promote healthy food and beverage choices for all students throughout campus, as well as encourage participation in school meal programs.</p> <p>Expenditures associated with this action include the following: student meals, water, and refreshments.</p> <p>The following expenditures will be funded by federal Title funds: N/A</p>	\$11,000.00	Yes
5	Well-orchestrated Home Office support services	<p>The MPS Home Office provides services to the Charter School, supports and holds accountable the Charter School for compliance and meeting charter goals, provides best practices in curriculum and professional development, and sets up systems and processes that support academic achievement and growth, operational effectiveness, and financial sustainability. The Home Office manages business operations of schools, which reduces program and operations-related burdens of the Charter School administration and enables the Charter School to receive services at a lower cost. The services of the Home Office include, but are not limited to, academics, accountability, operations, IT, facilities, finance and accounting, human resources, and external relations. Instructional services are reflected in Goals 2-4.</p> <p>Expenditures associated with this action include the following: Home Office management fees, authorizer oversight fees, audit fees, bank</p>	\$558,458.00	No

Action #	Title	Description	Total Funds	Contributing
		fees, legal fees (YM&C, etc.), and other back-office related expenses (Adaptive Insights, DataWorks, etc.)  The following expenditures will be funded by federal Title funds: N/A		

## Goal Analysis [2021-22]

An analysis of how this goal was carried out in the previous year.

A description of any substantive differences in planned actions and actual implementation of these actions.

Analysis of the 2021-22 goals will occur during the 2022-23 update cycle.

An explanation of material differences between Budgeted Expenditures and Estimated Actual Expenditures.

Analysis of the 2021-22 goals will occur during the 2022-23 update cycle.

An explanation of how effective the specific actions were in making progress toward the goal.

Analysis of the 2021-22 goals will occur during the 2022-23 update cycle.

A description of any changes made to the planned goal, metrics, desired outcomes, or actions for the coming year that resulted from reflections on prior practice.

Analysis of the 2021-22 goals will occur during the 2022-23 update cycle.

**A report of the Estimated Actual Expenditures for last year's actions may be found in the Annual Update Expenditures Table.**

# Goals and Actions

## Goal

Goal #	Description
2	EXCELLENCE: All students will have equitable access to a high-quality core curricular and instructional program and make academic progress on the California Content Standards. Students will pursue academic excellence and be college/career ready.

An explanation of why the LEA has developed this goal.

Charter School desires that all our students pursue academic excellence and be college/career ready. Effective core curriculum and instruction are central to academic success. Therefore, Charter School will ensure that all students, including but not limited to, ELs, students with disabilities, socioeconomically disadvantaged/low-income students, and students achieving below grade level, have access to a high-quality core curricular and instructional program with appropriate services and support. Targeted interventions will be utilized to create a high-quality differentiated environment where students are supported to engage at their optimal levels. Charter School will also provide professional development to staff to promote a cycle of continuous improvement, as well as supports for high quality delivery of the program that enables differentiation, particularly for unduplicated students and students with exceptional needs. Charter School will implement the actions listed under this goal and use the indicated metrics, such as CAASPP assessment results, to measure progress in achievement of academic excellence and college/career readiness.

## Measuring and Reporting Results

Metric	Baseline	Year 1 Outcome	Year 2 Outcome	Year 3 Outcome	Desired Outcome for 2023–24
Percentage of programs and services outlined in the charter petition, including a broad course of study, that are developed and provided to students, certain programs and services being dependent on student need and interest (Source: Local	2020-21: 95%				2023-24: 100%

Metric	Baseline	Year 1 Outcome	Year 2 Outcome	Year 3 Outcome	Desired Outcome for 2023–24

# Actions

Action #	Title	Description	Total Funds	Contributing
1	Broad course of study and standards-based curriculum	<p>Charter School will provide students with a broad array of courses including core subjects (English, mathematics, social sciences, and science) and electives. Charter School will also provide all other academic programs and services outlined in its charter petition, certain programs and services being dependent on student need and interest. Charter School will design its master schedule to meet the needs of its students to ensure all academic content areas are available to all students, including student groups. All students will participate in a rigorous, relevant, and coherent standards-based curriculum that supports the achievement of the schoolwide learner outcomes, academic standards, and college- and career-readiness standards. The school will be appropriately staffed to implement the school master schedule.</p> <p>Expenditures associated with this action include the following: teacher salaries and benefits, principal salary and benefits, and substitute teacher expenses.</p> <p>The following expenditures will be funded by federal Title funds: N/A</p>	\$897,955.00	No
2	Professional development for high-quality instruction	<p>Professional development will occur at the MPS organizational level and within the school. Charter School will ensure curricula, instruction, and assessments are aligned to the standards and that teachers participate in professional development on the implementation of standards (CCSS, NGSS, etc.) In addition to ongoing professional development activities that support efforts to increase student academic performance, all staff will be provided with multiple opportunities to grow professionally through induction processes, regular collaboration with colleagues, and curricular support. This involves instructional leadership, common walkthrough protocols, and professional feedback to promote a cycle of continuous improvement, as well as supports for high quality delivery of the program that enables differentiation, particularly for unduplicated students and</p>	\$25,000.00	Yes

		<p>students with exceptional needs. Instructional leaders at the school and at the Home Office will assess staff professional development needs through formal and informal performance observation, surveys, and student performance data. Based on the data, combined with LCAP goals and the MPS Home Office high quality instruction guidelines, the instructional leaders will determine common staff development days and tailor staff development to individual staff needs.</p> <p>Expenditures associated with this action include the following: professional development, tuition reimbursement, and TeachBoost software fees.</p> <p>The following expenditures will be funded by federal Title funds:</p> <ul style="list-style-type: none"> <li>Tuition reimbursement for professional development: Resource: Title II, Part A; Amount: \$5,000</li> </ul>		
3	MTSS - Academic enrichment, intervention, and student support	<p>Charter School will implement MTSS as a systemic, continuous improvement framework in which data-based problem-solving and decision making is practiced across all levels of the educational system for supporting students. Charter School will synthesize CAASPP and MAP student achievement and growth data, as well as course grades, and other state and internal assessment scores, into reports and regularly review progress towards targets. Targeted interventions will be utilized to create a high-quality differentiated environment where students are supported to engage at their optimal levels. Charter School will provide additional supports and interventions to all students, including but not limited to, 1-1 or small group interventions, targeted support via evidence-based supplemental intervention/enrichment materials and technology (reading, math, etc.), co-taught classes, Power English/Power Math classes, Study Skills, additional support during SSR/Advisory, before and after school tutoring, Saturday classes, and summer programs. SSPT, 504, and other support meetings will be coordinated among teachers and support roles (resource teachers, EL coordinator, department chairs, etc.)</p>	\$469,645.00	Yes

Action #	Title	Description	Total Funds	Contributing
		<p>Expenditures associated with this action include the following: Dean of Academics salary and benefits, Title-I coordinator salary and benefits, instructional aide salaries and benefits, intervention teacher salaries and benefits, teacher stipends for after school, Saturday school, and summer school, NWEA MAP testing fees, Illuminate DnA fees, and evidence-based supplemental intervention/enrichment program fees (Edgenuity, ALEKS, IXL, Accelerated Reader, Lexercise, ST Math, Standards Plus, Quizizz, Padlet, Grade Slam, Sumdog, BrainPOP, NextGenMath, Membean, Spelling City, Turnitin, Seesaw, Listenwise, Grammarly, Cambium Learning, ABC Mouse, Learning A-Z, Cityspan, Flocabulary, Alexandria Library, Nearpod, Newsela, and myON.)</p> <p>The following expenditures will be funded by federal Title funds:</p> <ul style="list-style-type: none"> <li>Intervention Teacher salary and benefits: Resource: Title I, Part A; Amount: \$50,000</li> </ul>		
4	Designated and integrated ELD programs	<p>Charter School will provide services to ELs by proficiency level and provide ELD instruction aligned to the CA ELD standards and framework. Charter School will provide our ELs with core and supplemental ELD instructional materials and provide our teachers with PD focused on ELD standards. Our EL coordinator will monitor EL student progress in program implementation according to our EL Master Plan. Charter School teachers will provide instruction using designated and integrated ELD instructional strategies as outlined in the CHATS framework (and other research-based strategies such as SDAIE) to all students, including ELs. Charter School will provide culturally and linguistically relevant materials for students. ELs will receive further in-class instructional support which includes one-on-one teacher support and small group instruction. Charter School will strive to provide bilingual instructional assistants to provide primary language support to enable students to access content area instruction while gaining language proficiency. Charter School will ensure that teachers participate in PD on ELD instructional strategies and CHATS framework. Charter School will provide regular and timely communication with families of EL students regarding annual</p>	\$99,405.00	Yes

		<p>assessments, program supports and services, and students' progress toward reclassification. This notification will include, but is not limited to, annual parent notification letters, quarterly ELAC meetings, and parent-teacher conferences.</p> <p>Expenditures associated with this action include the following: EL coordinator salary and benefits, EL coordinator stipend, EL instructional aide salary and benefits, and Rosetta Stone program fees.</p> <p>The following expenditures will be funded by federal Title funds:</p> <ul style="list-style-type: none"> <li>• EL Coordinator stipend: Resource: Title I, Part A; Amount: \$5,000</li> </ul>		
5	Support for students with disabilities	<p>Students with disabilities will receive services and supports as listed in their Individualized Education Programs (IEPs) (in addition to services they receive pertinent to low income, foster youth and English learner designations) in order to improve outcomes and close the achievement gap, including graduation rate and performance on statewide assessments. Students with disabilities will have access to all additional intervention and student support systems as outlined in Goal 2: Actions 3 and 4, as well as access to push-in and pull-out services, instructional aides, learning center services, and contracted services to provide each scholar with a Free and Appropriate Public Education in their least restrictive and most accessible learning environment. Students with disabilities dually identified as EL will have ELD goals in their IEPs in addition to goals addressing their specific areas of need based on their eligibility. Our SPED, EL, and general education teams will work in collaboration, monitor our scholars' progress toward IEP goal mastery, and provide progress reports to parents. In addition, all IEPs will be reviewed and present levels will be updated during annual and triennial reviews as required by the IDEA.</p> <p>Expenditures associated with this action include the following: SPED coordinator and teacher salaries and benefits, paraprofessional salaries and benefits, school psychologist salary and benefits, SPED</p>	\$537,608.00	No

Action #	Title	Description	Total Funds	Contributing
		intern salaries and benefits, outsourced SPED services fees, and SPED instructional materials and technology.  The following expenditures will be funded by federal Title funds: N/A

# Goals and Actions

## Goal

Goal #	Description
3	INNOVATION: All students will have access to a well-rounded education that supports their readiness for college and the global world. Each student will become an independent, innovative scholar by practicing creativity in learning and using technology in transformative ways.

An explanation of why the LEA has developed this goal.

It is the Charter School's vision that our graduates are well-rounded critical thinkers and problem solvers who contribute to the global community. A significant step toward helping our students achieve their maximum potential involves providing a rigorous, relevant and college preparatory curriculum with a STEAM emphasis. Therefore, we will design educational experiences to meet the needs of our scholars with an emphasis on innovation and critical thinking. Charter School will also promote the benefits of a physically active lifestyle and will help students develop skills to engage in lifelong healthy habits, as well as incorporate essential health education concepts to our physical education program. In an effort to provide well-rounded education to our students, Charter School will strive to offer additional programs such as elective courses, arts, music, civics, languages other than English, clubs, etc. Charter School will implement the actions listed under this goal and use the indicated metrics to measure progress in provision of an innovative, well-rounded education that supports student readiness for college and the global world.

## Measuring and Reporting Results

Metric	Baseline	Year 1 Outcome	Year 2 Outcome	Year 3 Outcome	Desired Outcome for 2023–24
Percentage of students in the current year College Career Indicator (CCI) who earned Prepared on the CCI (Source: CA School Dashboard)	2018-19: N/A				2021-22: 70.00%
Percentage of students in Grade 11 meeting or exceeding standard on the CAASPP-ELA/Literacy	2018-19: 63.63%				2021-22: 68.00%

Metric	Baseline	Year 1 Outcome	Year 2 Outcome	Year 3 Outcome	Desired Outcome for 2023–24
assessments (Source: CDE DataQuest)					
Percentage of students in Grade 11 meeting or exceeding standard on the CAASPP-Mathematics assessments (Source: CDE DataQuest)	2018-19: 54.54%				2021-22: 60.00%
Percentage of all AP exam takers in the current year with a score of 3 or higher (Source: College Board)	2019-20: 67.9%				2022-23: 70.0%
Percentage of seniors who have passed an AP exam with a score of 3 or higher during their high school years (Source: College Board)	2019-20: 100.0%				2022-23: 60.0%
Percentage of seniors who completed at least one semester of college coursework with a grade of C minus or better in academic/CTE subjects where college credit is awarded (Source: SIS)	2020-21: (As of 5/16/21) 8.7%				2023-24: 30.0%

Metric	Baseline	Year 1 Outcome	Year 2 Outcome	Year 3 Outcome	Desired Outcome for 2023–24
Percentage of cohort graduates meeting UC/CSU requirements (Source: CALPADS, CDE DataQuest)	2019-20: 100.0%				2022-23: 95.0%
Percentage of cohort graduates earning a Seal of Biliteracy (Source: CDE DataQuest)	2020-21: (As of 5/16/21) 34.8%				2023-24: 30.0%
Percentage of cohort graduates earning a Golden State Seal Merit Diploma (Source: CDE DataQuest)	2020-21: (As of 5/16/21) 39.1%				2023-24: 30.0%
Percentage of cohort graduates earning an Advanced or Honors MPS Diploma (Source: SIS)	2020-21: (As of 5/16/21) 34.8%				2023-24: 50.0%
Percentage of high school completers accepted to a 4-year or 2-year college (Source: Naviance)	2020-21: (As of 5/16/21) 78.0%				2023-24: 95.0%
Percentage of high school completers accepted to a 4-year college (Source: Naviance)	2020-21: (As of 5/16/21) 39.0%				2023-24: 50.0%
College-Going Rate (Source: CDE DataQuest)	N/A				Class of 2021: 50.0%

Metric	Baseline	Year 1 Outcome	Year 2 Outcome	Year 3 Outcome	Desired Outcome for 2023–24
Percentage of students enrolled in an Accelerated and/or Advanced Math course and/or Advanced Math club (Source: Local Indicator Priority 7, SIS)	2020-21: (As of 4/16/21) 2%				2023-24: 10%
Percentage of students in the current graduating class who have taken a Computer/Technology course and/or experienced blended learning in their program of study (Source: Local Indicator Priority 7, SIS)	2020-21: (As of 4/16/21) 100%				2023-24: 100%
Percentage of students who have created or demonstrated a STEAM focused project, experiment, model or demo in the current year (Source: Local Indicator Priority 7, SIS)	2020-21: (As of 4/16/21) 86%				2023-24: 100%

## Actions

Action #	Title	Description	Total Funds	Contributing
1	College/Career readiness programs and activities	<p>Charter School will offer individual graduation plans, outlining the classes students will take during their high school years. Students will be provided credit recovery opportunities and individualized support to ensure timely high school graduation. Charter School will offer Advisory and College Readiness classes and activities to support our students in the areas, including, but not limited to, college planning and career exploration, test prep for ACT/SAT, college application and financial aid submission. Charter School will provide students with opportunities to take Advanced Placement (AP) courses based on student needs and interests. Charter School will promote a college-going culture through dual and concurrent enrollment, AP courses, college visits, college/career days, and other college related activities. Charter School will also explore CTE options to provide students with opportunities to explore a career theme of interest while learning a set of technical and employability skills that integrate into or complement their academic studies.</p> <p>Expenditures associated with this action include the following: college counselor salary and benefits, AP teacher stipends, Naviance program fees, AP exam fees, AP course materials, and other college-related materials and activities.</p> <p>The following expenditures will be funded by federal Title funds: N/A</p>	\$106,156.00	Yes
2	STEAM and GATE programs	<p>Charter School will offer STEAM and GATE programs and activities, including Accelerated/Advanced Math course and club. Students will be provided opportunities during the day and after school to create or demonstrate a STEAM focused project, experiment, model or demo. We will also provide information and access to quality out-of-school STEAM activities and achievements. With CA Science Framework and NGSS integration, all our students will learn about engineering design, technology, and applications of science as part of their core classes. Furthermore, Charter School will design and implement engineering-related courses and activities, such as AP Computer Science Principles, Code.org activities, Project Lead the Way (PLTW) programs, Robotics, etc. Gifted and talented students and students</p>		Yes

Action #	Title	Description	Total Funds	Contributing
		<p>achieving above grade level will be engaged in all classes as teachers differentiate curriculum through adjustments of content through depth, complexity, and pacing. Emphasis will be on innovation, critical thinking, and logical reasoning. Learners will be challenged to investigate, use problem-based learning, and research.</p> <p>Expenditures associated with this action include the following: supplemental science program fees.</p> <p>The following expenditures will be funded by federal Title funds: N/A</p>		
3	Digital literacy and citizenship programs	<p>Charter School will educate our students and staff in digital literacy so that they adapt, create, consume, and connect in productive, responsible ways to utilize technology in academic, social, and professional settings. Charter School will offer Computer/Digital Literacy classes and/or blended learning experiences for our students. Teachers will participate in PD on Blended Learning and technology will be kept up to date. Students will be provided with opportunities to expand their literacy, computational, and communication skills with digital media; they will be writing advanced essays, conducting internet research, engaging in data collection, presenting ideas and drawing conclusions. Charter School staff will teach and model safe, savvy, and social digital citizenship; topics include, but are not limited to, using technology applications; digital footprint, privacy, and security; digital rights and responsibilities; using social media responsibly and digital etiquette.</p> <p>Expenditures associated with this action include the following: computer teacher salary and benefits, internet security program fees, and digital literacy and citizenship program fees.</p> <p>The following expenditures will be funded by federal Title funds:</p> <ul style="list-style-type: none"> <li>• MyON Digital Library: Resource: Title I, Part A; Amount: \$13,000</li> </ul>	\$93,107.00	Yes

Action #	Title	Description	Total Funds	Contributing
4	Physical education, activity, and fitness	<p>Charter School will provide students with physical education, using an age-appropriate, sequential PE curriculum consistent with state standards for PE. The curriculum will promote the benefits of a physically active lifestyle and will help students develop skills to engage in lifelong healthy habits, as well as incorporate essential health education concepts. Charter School will offer recess before lunch and students will be provided with periodic opportunities to be active or to stretch throughout the day on all or most days during a typical school week. To the extent practicable, Charter School will ensure that its grounds and facilities are safe, and that equipment is available to students to be active. Charter School will offer opportunities for students to participate in physical activity either before and/or after the school day (or both) through a variety of methods such as physical activity/sports clubs, intramurals or interscholastic sports, etc. Charter School will adhere to the MPS Wellness Policy guidelines on physical education, activity, and fitness.</p> <p>Expenditures associated with this action include the following: PE/Health teacher salary and benefits and physical activity, fitness, and equipment expenses.</p> <p>The following expenditures will be funded by federal Title funds: N/A</p>	\$110,115.00	Yes
5	Additional programs and activities that support well-rounded education	<p>In an effort to provide well-rounded education to our students, Charter School will strive to offer additional programs such as elective courses, arts, music, civics, languages other than English, clubs, etc. Arts instruction focuses on developing students' creativity, imagination, discipline and self-expression through drawing and fine arts. It is important that all our students, particularly unduplicated students, are provided with experiential learning opportunities, including but not limited to, instructional field trips, internships, community service programs, clubs, etc. Charter School teachers and other staff will offer after school clubs for enrichment in the areas of, including, but not limited to, math, science, technology, engineering,</p>	\$64,500.00	Yes

Action #	Title	Description	Total Funds	Contributing
		<p>ELA, languages other than English and culture, sports, visual and performing arts, community service, and others.</p> <p>Expenditures associated with this action include the following: teacher salaries and benefits for additional programs that support well-rounded education, supplemental materials, field trip expenses, and afterschool/club expenses.</p> <p>The following expenditures will be funded by federal Title funds: N/A</p>

# Goals and Actions

## Goal

Goal #	Description
4	CONNECTION: All students, families, staff, and other stakeholders will have access to meaningful engagement opportunities that help cultivate leadership, advocacy, and collaboration in a safe and nurturing environment. Stakeholders will feel a sense of community and connectedness.

An explanation of why the LEA has developed this goal.

School communities are integrated partnerships with the school site staff, families, students and all other stakeholders. This sense of connection creates a safe place for all learners and stakeholders to affirm individual strengths, develop capacity, celebrate character, build trusting and respectful relationships, promote unity and better decision making. Additionally, community cultivates identity and gives each member a sense of belonging and pride. Charter School will seek family input for decision making, utilize home visits and stakeholder surveys, and provide academic and social-emotional support through MTSS/PBIS. We will work with community partners to support the vision and goals of the school, including our students' development of personal and academic networks for long-term resilience and connection. Charter School will implement the actions listed under this goal and use the indicated metrics to measure progress in sustaining a sense of community and connectedness.

## Measuring and Reporting Results

Metric	Baseline	Year 1 Outcome	Year 2 Outcome	Year 3 Outcome	Desired Outcome for 2023–24
Number of School Site Council (SSC) meetings per year (Source: Local Indicator Priority 3)	2020-21: (As of 5/16/21) 3				2023-24: 4
Number of English Learner Advisory Committee (ELAC) meetings per year (Source: Local Indicator Priority 3)	2020-21: (As of 5/16/21) 3				2023-24: 4

## Actions

Action #	Title	Description	Total Funds	Contributing
1	Seeking family input for decision making	<p>Charter School will hold periodic meetings to gather input from our families. Information/input sessions include Parent Advisory Committee (PAC) meetings, Parent Task Force (PTF) meetings, School Site Council (SSC) meetings, English Learner Advisory Committee (ELAC) meetings, Coffee with the Principal meetings, and Board of Directors meetings. Parents on our PTF and SSC also serve as our Parent Advisory Committee (PAC) for LCAP. Along with ELAC, such committees provide for representation of students in need (low income, English learners, foster youth, etc.) Feedback from our PAC, SSC, and ELAC provides valuable input for the LCAP. Charter School chooses to utilize the LCAP to serve as the SPSA. Charter School will also hold an annual meeting to inform parents and collect feedback about LCAP goals and actions, data and needs assessment, Title-funded activities and budgets, UCP, parent involvement policy and school-student-parent compact. In addition, Charter School will conduct parent surveys to seek feedback on school improvement.</p> <p>Expenditures associated with this action include the following: parent meeting expenses and Document Tracking Services (DTS) fees.</p> <p>The following expenditures will be funded by federal Title funds: N/A</p>		Yes
2	Building partnerships with families for student outcomes	<p>Charter School will build trusting and respectful relationships with parents through activities/events, including Student/Parent Orientation, Back to School Night, and parent conferences to promote parental participation in programs. Administrators will greet all students and parents in the mornings during student drop off and have an open-door policy welcoming all parents. Charter School will provide parents with access to course materials, homework assignments, projects, and records of students' grades through our SIS. Charter School will communicate further with the parents of students who are performing below grade level. Our teachers, administrators, and classified staff will visit students at their homes to discuss student progress and enhance student learning and involvement. Charter School will schedule annual workshops for parents as well as additional workshops for parents of EL and immigrant students. Topics to be</p>	\$193,837.00	Yes

Action #	Title	Description	Total Funds	Contributing
		<p>covered include, but are not limited to, the school's EL Master Plan, stages of language acquisition, state testing, college application, using SIS to check student progress, study habits, and family literacy. Charter School will use a variety of communication channels to connect with families in a language that is understandable and accessible to them. A parent communication software will be utilized for voice and text communications, email, and push notifications. We will provide language translators at parent meetings to the extent practicable.</p> <p>Expenditures associated with this action include the following: Infinite Campus SIS fees, ParentSquare software fees, SchoolMint software fees, home-visit compensation, parent activity/event expenses, Parent Education Bridge program fees, Pitney Bowes expenses, Dean of Culture salary and benefits, and Office manager/Administrative assistant salaries and benefits.</p> <p>The following expenditures will be funded by federal Title funds:</p> <ul style="list-style-type: none"> <li>• Stipends for home visits: Resource: Title I, Part A; Amount: \$15,000</li> <li>• Stipends to lead parent academy/workshops: Resource: Title I, Part A; Amount: \$5,000</li> <li>• Parent activity/event expenses: Resource: Title I, Part A; Amount: \$1,000</li> </ul>		
3	MTSS - PBIS and SEL support	<p>Charter School will provide a safe, nurturing, and engaging learning environment for all our students and families. Academic and social-emotional support will be provided to address student needs as well as instructional materials including free uniforms. Students who are homeless, experiencing housing instability, are in foster care or experiencing personal/family crisis or have other special needs will be cared for in our supportive school community. Charter School will offer a Life Skills/Character Education program that provides students with valuable skills to support academic excellence and social skill development. We will annually assess our suspension/expulsion policies and procedures and implement alternatives to</p>	\$292,544.00	Yes

Action #	Title	Description	Total Funds	Contributing
		<p>suspension/expulsion, including restorative practices. Teachers will establish classroom management procedures, foster positive relationships, and help create an atmosphere of trust, respect, and high expectations. Charter School will implement a positive and equitable student responsibility and behavior system with teaching, intervention and prevention strategies and protocols that are clear, fair, incremental, restorative, and culturally responsive. Charter School will celebrate student and school achievements and organize recognition assemblies and other schoolwide culture-building activities. Charter School will inform parents and students of attendance policies specified in the Student/Parent Handbook and encourage and support student attendance. Charter School will also implement the CORE DISTRICTS SEL Survey instrument in the fall and spring annually to assess the following social-emotional competencies: growth mindset, self-efficacy, self-management, and social awareness. As part of our MTSS efforts, school leadership, teachers, and support staff will analyze student SEL survey results in the fall to provide our students with targeted social-emotional support and then measure student responses again in the spring to measure growth, identify greatest progress and needs in order to inform our next steps.</p> <p>Expenditures associated with this action include the following: Dean of Students salary and benefits, discipline coordinator salary and benefits, office/attendance clerk salaries and benefits, school uniform fees, PD on classroom management, PBIS, and SEL support, SEL program fees, outsourced SEL services fees, and additional services for homeless students.</p> <p>The following expenditures will be funded by federal Title funds:</p> <ul style="list-style-type: none"> <li>• Additional services for immigrant students: Resource: Title III, Part A - Immigrant; Amount: \$2,513</li> <li>• Additional materials/services for homeless students: Resource: Title I, Part A - Amount: \$1,000</li> </ul>		

Action #	Title	Description	Total Funds	Contributing
4	Annual stakeholder surveys	<p>Charter School will annually administer school experience surveys to students, parents, and staff. Charter School will implement the CORE DISTRICTS Survey instrument to assess our stakeholders' perceptions of the following school climate indicators: climate of support for academic learning; knowledge and fairness of discipline, rules and norms; safety; and sense of belonging (school connectedness). In addition, we ask our stakeholders open-ended questions about what they like the best and the least about the school and suggestions for improvement. This feedback instrument provides all staff and school leaders with valuable information about how students see their classes, how much parents are involved, how supported staff feel and how to facilitate improvement. Our staff will analyze the survey results to identify the greatest progress and needs in order to inform our next steps.</p> <p>Expenditures associated with this action include the following: Panorama Education survey fees.</p> <p>The following expenditures will be funded by federal Title funds:</p> <ul style="list-style-type: none"> <li>• Panorama Education survey fees: Resource: Title I, Part A; Amount: \$784</li> </ul>	\$1,164.00	Yes
5	Community outreach and partnerships	<p>Charter School will establish community, business, institutional and civic partnerships that invest in and support the vision and goals of the school. School staff will participate in local activities that engage community members and staff in communicating school successes to the broader community. Charter School will secure community support to sustain existing resources and add new resources that address emerging student needs. Charter School leadership will actively develop relationships with a range of stakeholders, policymakers, and researchers to identify and address issues, trends, and potential changes that affect the context and conduct of education.</p> <p>Expenditures associated with this action include the following: membership fees (CCSA, WASC, etc.), marketing, branding, outreach, and partnership expenses.</p>	\$18,500.00	Yes

Action #	Title	Description	Total Funds	Contributing
		The following expenditures will be funded by federal Title funds: N/A

Analysis of the 2021-22 goals will occur during the 2022-23 update cycle.

**A report of the Estimated Actual Expenditures for last year's actions may be found in the Annual Update Expenditures Table.**

## Increased or Improved Services for Foster Youth, English Learners, and Low-Income Students [2021-22]

Percentage to Increase or Improve Services	Increased Apportionment based on the Enrollment of Foster Youth, English Learners, and Low-Income students
32.63%	\$782,171

The Budgeted Expenditures for Actions identified as Contributing may be found in the Increased or Improved Services Expenditures Table.

### Required Descriptions

For each action being provided to an entire school, or across the entire school district or county office of education (COE), an explanation of (1) how the needs of foster youth, English learners, and low-income students were considered first, and (2) how these actions are effective in meeting the goals for these students.

- Goal 1: Action 4: Healthy and nutritious meals

MPS is committed to the optimal development of every student. Research shows that two components, good nutrition and physical activity before, during and after the school day, are strongly correlated with positive student outcomes. For example, student participation in the U.S. Department of Agriculture's (USDA) School Breakfast Program is associated with higher grades and standardized test scores, lower absenteeism and better performance on cognitive tasks. Conversely, less-than-adequate consumption of specific foods including fruits, vegetables and dairy products, is associated with lower grades among students. Finally, there is evidence that adequate hydration is associated with better cognitive performance. With consideration of the importance of good nutrition, Charter School will maintain nutrition education resources and continue to focus on innovative ways to increase access to freshly prepared, nutritious foods to ensure students are well-nourished and ready to learn. Low-income students are eligible to receive reduced-price or free meals at school and this action will result in increased and improved services, particularly for our low-income students, who may not have access to nutritious meals and are experiencing poor health outcomes. With the needs of low-income students in mind, this action will be provided on a schoolwide basis. It was found effective in the current school year and will be continued in the coming school year. Charter School will promote healthy food and beverage choices for all students throughout campus, as well as encourage participation in school meal programs. Charter School will adhere to the MPS Wellness Policy guidelines on nutritious foods for all food sales and celebrations. We expect the meal program will help improve the diet and health of our students and mitigate childhood obesity, model healthy eating to support the development of lifelong healthy eating patterns and support healthy choices while accommodating cultural food preferences and special dietary needs. We also expect this action will result in increased student belonging as measured by the annual student surveys in Goal 4: Action 4.

- Goal 2: Action 2: Professional development for high-quality instruction

The majority of Charter School's student population consists of low-income and socioeconomically disadvantaged students, English learners, and students with disabilities, many of whom are dually identified as EL. These student groups have social and emotional conditions that influence academic learning, as evidenced by the performance gaps on the CA School Dashboard, CAASPP results, and other available data. Addressing the unique needs of students from diverse backgrounds is a major challenge because our teachers need to be prepared with the relevant content knowledge, experience, and training, with a focus on cultural and linguistic characteristics of our diverse learners. With the needs of our diverse student body in mind, Charter School will ensure curricula, instruction, and assessments are aligned to the standards and that teachers participate in professional development on the implementation of standards (CCSS, NGSS, etc.) In addition to ongoing professional development activities that support efforts to increase student academic performance, all staff will be provided with multiple opportunities to grow professionally through induction processes, regular collaboration with colleagues, and curricular support. This involves instructional leadership, common walkthrough protocols using the TeachBoost software, and professional feedback to promote a cycle of continuous improvement, as well as supports for high quality delivery of the program that enables differentiation, particularly for unduplicated students and students with exceptional needs. Instructional leaders at the school and at the Home Office will assess staff professional development needs through formal and informal performance observations, surveys, and student performance data. Based on the data, combined with LCAP goals and the MPS Home Office high quality instruction guidelines, the instructional leaders will determine common staff development days and tailor staff development to individual staff needs. This action was found effective in the current school year and will be continued in the coming school year. We expect this schoolwide action will result in increased academic achievement of our student groups on the CA School Dashboard, CAASPP assessments, MAP assessments, and student grades as identified in our LCAP metrics in Goal 2.

- Goal 2: Action 3: MTSS - Academic enrichment, intervention, and student support

The majority of Charter School's student population consists of low-income and socioeconomically disadvantaged students, English learners, and students with disabilities, many of whom are dually identified as EL. These student groups have social and emotional conditions that influence academic learning, as evidenced by the performance gaps on the CA School Dashboard, CAASPP results, and other available data. Most of our low-income students have parents working multiple jobs and need academic support. Foster youth and English learners may experience feelings of anxiety and confusion. Students struggle with access to materials, technology, and a quiet, private place to study. There are gaps in their learning that need individualized attention. Considering the needs of our vulnerable student groups in mind, Charter School will implement MTSS as a systemic, continuous improvement framework in which data-based problem-solving and decision making is practiced across all levels of the educational system for supporting students. Charter School will synthesize CAASPP and MAP student achievement and growth data, as well as course grades, and other state and internal assessment scores, into reports and regularly review progress towards targets. Targeted interventions will be utilized to create a high-quality differentiated environment where students are supported to engage at their optimal levels. Charter School will provide additional supports and interventions to all students, including but not limited to, 1-1 or small group interventions, targeted support via evidence-based supplemental intervention/enrichment materials and technology (reading, math, etc.), co-taught classes, Power English/Power Math classes, Study Skills, additional support during SSR/Advisory, before and after school tutoring, Saturday classes, and summer programs. SSPT, 504, and other

support meetings will be coordinated among teachers and support roles (resource teachers, EL coordinator, department chairs, etc.) We expect that these student supports and interventions will provide increased and improved services for all our unduplicated students who need extra support and attention. This action was found effective in the current school year and will be continued in the coming school year. It will be provided on a schoolwide basis and we expect all student groups to show academic growth as measured by the CA School Dashboard, CAASPP assessments, MAP assessments, student grades, and other metrics as identified in our LCAP metrics in Goal 2.

- Goal 2: Action 4: Designated and integrated ELD programs

The majority of Charter School's student population consists of English Learners (EL), Reclassified Fluent English Proficient (RFEP) students, and students with disabilities, many of whom are dually identified as EL. ELs need designated English language development instruction. Emerging ELs lack English speaking experience and struggle to communicate. Both ELs and RFEPs have a strong need for meaningful connections among fundamental concepts in the curriculum to their prior knowledge and experiences. They need additional literacy instruction, support, and interventions. Teachers of ELs need to have knowledge of EL strategies and culturally responsive instruction. Considering the needs of our ELs, Charter School will provide services to ELs by proficiency level and provide ELD instruction aligned to the CA ELD standards and framework. Charter School will provide our ELs with core and supplemental ELD instructional materials and provide our teachers with PD focused on ELD standards. Our EL coordinator will monitor EL student progress in program implementation according to our EL Master Plan. Charter School teachers will provide instruction using designated and integrated ELD instructional strategies as outlined in the CHATS framework (and other research-based strategies such as SDAIE) to all students, including ELs. Charter School will provide culturally and linguistically relevant materials for students. ELs will receive further in-class instructional support which includes one-on-one teacher support and small group instruction. Charter School will strive to provide bilingual instructional assistants to provide primary language support to enable students to access content area instruction while gaining language proficiency. Charter School will ensure that teachers participate in PD on ELD instructional strategies and CHATS framework. Charter School will provide regular and timely communication with families of EL students regarding annual assessments, program supports and services, and students' progress toward reclassification. This notification will include, but is not limited to, annual parent notification letters, quarterly ELAC meetings, and parent-teacher conferences. These supports and services will provide increased and improved services for our English learners. This action was found effective in the current school year and will be continued in the coming school year. While some of the actions described here, including the designated ELD instruction, will be targeted only to ELs, the rest of the actions, including integrated ELD instruction, will be provided for all students. RFEP students, students with disabilities, and all other student groups will benefit from this schoolwide action. We expect this action will result in increased academic achievement of our student groups, particularly of our ELs, on the CA School Dashboard, CAASPP assessments, MAP assessments, student grades, Lexile growth, and EL reclassification rates as identified in our LCAP metrics in Goal 2.

- Goal 3: Action 1: College/Career readiness programs and activities

The majority of Charter School's student population consists of low-income and socioeconomically disadvantaged students, English learners, and students with disabilities. Many of our students are also the first generation in their families who will attend college. Most of

them lack parental support and experience financial difficulties. Our students have a great need for guidance about college/career choices and support for preparation. A college-going, supportive culture at the school is necessary for our students' college/career readiness. With the needs of our unduplicated students in mind, Charter School will offer individual graduation plans, outlining the classes students will take during their high school years. Students will be provided credit recovery opportunities and individualized support to ensure timely high school graduation. Charter School will offer Advisory and College Readiness classes and activities to support our students in the areas, including, but not limited to, college planning and career exploration, test prep for ACT/SAT, college application and financial aid submission. Charter School will provide students with opportunities to take Advanced Placement (AP) courses based on student needs and interests. Charter School will promote a college-going culture through dual and concurrent enrollment, AP courses, college visits, college/career days, and other college related activities. Charter School will also explore CTE options to provide students with opportunities to explore a career theme of interest while learning a set of technical and employability skills that integrate into or complement their academic studies. Unduplicated students will receive improved services through our Naviance program and increased support with AP exam fees, AP course materials, and other college-related materials and activities. These services are particularly helpful for first-generation college-bound students who lack parental support strategies and experience financial constraints. This action was found effective in the current school year and will be continued in the coming school year. We expect this schoolwide action will result in increases in CCI prepared rate, AP passing rate, A-G rate, diploma seals, and college acceptance rates as identified in our LCAP metrics in Goal 3.

- Goal 3: Action 2: STEAM and GATE programs

Charter School has a vision to help reverse the tide of U.S. students falling behind their peers in other nations in critical subjects like math and science. We strive to graduate students who come from historically underserved neighborhoods as scientific thinkers that contribute to the global community as socially responsible and educated members of society. Charter School's educational approach is based on the conviction that STEAM education is essential to improving our modern society's knowledge base and adaptability to the fast pace of ever-changing technological advancements. Historically, the number of African American and Latino students pursuing careers in STEAM fields has been very low. Research suggests that a significant cause of these low numbers is that students have inadequate exposure to intensive STEAM curricula. Charter School strives to address the shortage by inspiring and preparing students to choose career paths in science and technology. The majority of Charter School's student population consists of low-income and socioeconomically disadvantaged students of color, English learners, and students with disabilities. With the needs of our community in mind, Charter School will offer STEAM and GATE programs and activities, including Accelerated/Advanced Math course and club. Students will be provided opportunities during the day and after school to create or demonstrate a STEAM focused project, experiment, model or demo. We will also provide information and access to quality out-of-school STEAM activities and achievements. With CA Science Framework and NGSS integration, all our students will learn about engineering design, technology, and applications of science as part of their core classes. Furthermore, Charter School will design and implement engineering-related courses and activities, such as AP Computer Science Principles, Code.org activities, Project Lead the Way (PLTW) programs, Robotics, etc. Unduplicated students will receive increased and improved support through access to supplemental STEAM programs and activities. Gifted and talented students and students achieving above grade level will be engaged in all classes as teachers differentiate curriculum through adjustments of content through depth, complexity, and pacing. Emphasis will be on innovation, critical thinking, and logical reasoning. This action was found effective in the current school year and will be continued in the coming school year. We expect this schoolwide action will challenge our learners to investigate, use problem-based learning, research, and help become independent and innovative scholars. Goal 3 includes metrics for the percentage of students enrolled in an Accelerated and/or Advanced

Math course and/or Advanced Math club, percentage of students in the current graduating class who have taken a Computer/Technology course and/or experienced blended learning in their program of study, and percentage of students who have created or demonstrated a STEAM focused project, experiment, model or demo in the current year.

- Goal 3: Action 3: Digital literacy and citizenship programs

The majority of Charter School's student population consists of low-income and socioeconomically disadvantaged students, English learners, and students with disabilities, many of whom are dually identified as EL. These student groups have social and emotional conditions that influence academic learning and effective literacy, communication, and presentation skills. Most of our low-income students struggle with access to technology as well. Our students have a great need to learn ways to utilize technology in an effective and responsible way. With such needs of our students in mind, Charter School will educate our students and staff in digital literacy so that they adapt, create, consume, and connect in productive, responsible ways to utilize technology in academic, social, and professional settings. Charter School will offer Computer/Digital Literacy classes and/or blended learning experiences for our students. Teachers will participate in PD on Blended Learning and technology will be kept up to date. Students will be provided with opportunities to expand their literacy, computational, and communication skills with digital media; they will be writing advanced essays, conducting internet research, engaging in data collection, presenting ideas and drawing conclusions. Charter School staff will teach and model safe, savvy, and social digital citizenship; topics include, but are not limited to, using technology applications; digital footprint, privacy, and security; digital rights and responsibilities; using social media responsibly and digital etiquette. These activities will result in increased and improved services for our unduplicated students. This action was found effective in the current school year and will be continued in the coming school year. We expect this schoolwide action will help our students expand their knowledge and skills in an ever-evolving digital world. Goal 3 includes a metric for the percentage of students in the current graduating class who have taken a Computer/Technology course and/or experienced blended learning in their program of study.

- Goal 3: Action 4: Physical education, activity, and fitness

MPS is committed to the optimal development of every student. Research shows that two components, good nutrition and physical activity before, during and after the school day, are strongly correlated with positive student outcomes. Students who are physically active through active transport to and from school, recess, physical activity breaks, high-quality physical education and extracurricular activities do better academically. With consideration of the importance of physical fitness, Charter School will provide students with physical education, using an age-appropriate, sequential PE curriculum consistent with state standards for PE. The curriculum will promote the benefits of a physically active lifestyle and will help students develop skills to engage in lifelong healthy habits, as well as incorporate essential health education concepts. Charter School will offer recess before lunch and students will be provided with periodic opportunities to be active or to stretch throughout the day on all or most days during a typical school week. To the extent practicable, Charter School will ensure that its grounds and facilities are safe, and that equipment is available to students to be active. Charter School will offer opportunities for students to participate in physical activity either before and/or after the school day (or both) through a variety of methods such as physical activity/sports clubs, intramurals or interscholastic sports, etc. Charter School will adhere to the MPS Wellness Policy guidelines on physical education,

activity, and fitness. With the needs of low-income students in mind, this action will be provided on a schoolwide basis. It was found effective in the current school year and will be continued in the coming school year. We expect this action will help improve the health of our students and model physical fitness to support the development of lifelong healthy living patterns. We also expect this action will result in increased student belonging as measured by the annual student surveys in Goal 4: Action 4.

- Goal 3: Action 5: Additional programs and activities that support well-rounded education

The majority of Charter School's student population consists of low-income and socioeconomically disadvantaged students, English learners, and students with disabilities. Traditionally, schools focus on ELA and math interventions to address the learning gap between vulnerable student groups and their peers. Other important well-rounded programs such as arts, music, civics, and languages other than English may not get the same attention. On the other hand, well-rounded programs help students develop competencies and creative skills in problem solving, communication, and management of time and resources that contribute to lifelong learning and career skills. Our low-income students come from underserved communities that do not have adequate resources and access to experiential learning opportunities. In an effort to provide well-rounded education to our students, Charter School will strive to offer additional programs such as elective courses, arts, music, civics, languages other than English, clubs, etc. Arts instruction focuses on developing students' creativity, imagination, discipline and self-expression through drawing and fine arts. It is important that all our students, particularly unduplicated students, are provided with experiential learning opportunities, including but not limited to, instructional field trips, internships, community service programs, clubs, etc. Charter School teachers and other staff will offer after school clubs for enrichment in the areas of, including, but not limited to, math, science, technology, engineering, ELA, language other than English and culture, sports, visual and performing arts, community service, and others. These well-rounded programs and activities will result in increased and improved services for our unduplicated students. With the needs of our unduplicated students in mind, this action will be provided on a schoolwide basis. It was found effective in the current school year and will be continued in the coming school year. We expect this action will help our scholars become independent and innovative scholars. We also expect this action will result in increased academic achievement as measured by the LCAP metrics in Goal 2, increases in CCI prepared rate, AP passing rate, A-G rate, diploma seals, and college acceptance rates as identified in our LCAP metrics in Goal 3, as well as increased student belonging as measured by the annual student surveys in Goal 4: Action 4.

- Goal 4: Action 1: Seeking family input for decision making

It is important that parents are engaged in the development of all school plans, including, but not limited to, the LCAP, SPSA (Charter School uses the LCAP to serve as the SPSA), and WASC Self-Study. Charter School wishes to engage all parents, to the extent applicable, in the process of school review and improvement. This includes reviewing the school's goals, actions, programs, data, and funds, including evaluation of actions and programs and effective use of funds. The majority of Charter School's student population consists of low-income and socioeconomically disadvantaged students, English learners, and students with disabilities. Most of our low-income students have parents working multiple jobs. Parents of our ELs need capacity building to support the needs of our ELs. In order to engage parents in an organized, ongoing and timely manner in the planning, review and improvement of our programs, Charter School needs to provide multiple channels to engage parents in decision making. Considering the needs of our unduplicated students and their families, Charter School will

hold periodic meetings to gather input from our families. Information/input sessions include Parent Advisory Committee (PAC) meetings, Parent Task Force (PTF) meetings, School Site Council (SSC) meetings, English Learner Advisory Committee (ELAC) meetings, Coffee with the Principal meetings, and Board of Directors meetings. Parents on our PTF and SSC also serve as our Parent Advisory Committee (PAC) for LCAP. Along with ELAC, such committees provide for representation of students in need (low income, English learners, foster youth, etc.) Feedback from our PAC, SSC, and ELAC provides valuable input for the LCAP. Charter School chooses to utilize the LCAP to serve as the SPSA. Charter School will also hold an annual meeting to inform parents and collect feedback about LCAP goals and actions, data and needs assessments, Title-funded activities and budgets, UCP, parent involvement policy and school-student-parent compact. In addition, Charter School will conduct parent surveys to seek feedback on school improvement. These activities will result in increased and improved services for our unduplicated students and their families. With the needs of our unduplicated students and their families in mind, this action will be provided on a schoolwide basis. It was found effective in the current school year and will be continued in the coming school year. We expect this action will help further engage our families in decision making. Charter School utilizes the self-reflection tool for Local Priority 3, i.e., Parent and Family Engagement, to measure progress in building the capacity of and supporting family members to effectively engage in advisory groups and decision making as well as progress in providing all families with opportunities to provide input on policies and programs, and implementing strategies to reach and seek input from any underrepresented groups in the school community. We also expect this action will result in increased parent satisfaction as measured by the annual stakeholder surveys in Goal 4: Action 4.

- Goal 4: Action 2: Building partnerships with families for student outcomes

Family engagement is an essential strategy for building pathways to college and career readiness for all students and is an essential component of a systems approach to improving outcomes for all students. More than thirty years of research has shown that family engagement can lead to improved student outcomes (e.g., attendance, engagement, academic outcomes, social emotional learning, etc.) To engage all families equitably, it is necessary to understand the cultures, languages, needs and interests of families in our school community. Furthermore, developing family engagement policies, programs, and practices needs to be done in partnership with local families, using the tools of continuous improvement. The majority of Charter School's student population consists of low-income and socioeconomically disadvantaged students, English learners, and students with disabilities. Most of our low-income students have parents working multiple jobs. Parents of our ELs need capacity building to support the needs of our ELs. In order to build partnerships with our families for student outcomes, Charter School will build trusting and respectful relationships with parents through activities/events, including Student/Parent Orientation, Back to School Night, and parent conferences to promote parental participation in programs. Administrators will greet all students and parents in the mornings during student drop off and have an open-door policy welcoming all parents. Charter School will provide parents with access to course materials, homework assignments, projects, and records of students' grades through our SIS. Charter School will communicate further with the parents of students who are performing below grade level. Our teachers, administrators, and classified staff will visit students at their homes to discuss student progress and enhance student learning and involvement. Charter School will schedule annual workshops for parents as well as additional workshops for parents of EL and immigrant students. Topics to be covered include, but are not limited to, the school's EL Master Plan, stages of language acquisition, state testing, college application, using SIS to check student progress, study habits, and family literacy. Charter School will use a variety of communication channels to connect with families in a language that is understandable and accessible to them. A parent communication software will be utilized for voice and text communications, email, and push notifications. We will provide language translators at parent meetings to the extent practicable. These

activities will result in increased and improved services for our unduplicated students and their families. With the needs of our unduplicated students and their families in mind, this action will be provided on a schoolwide basis. It was found effective in the current school year and will be continued in the coming school year. We expect this action will help further engage our families in building partnerships with the school for student outcomes. Charter School utilizes the self-reflection tool for Local Priority 3, i.e., Parent and Family Engagement, to measure progress in creating welcoming environments and building trusting and respectful relationships with families, developing multiple opportunities for 2-way communication between families and educators using language that is understandable and accessible to families, and providing families with information and resources to support student learning and development in the home. We also expect this action will result in increased academic achievement and lifelong learning as measured by the LCAP metrics in Goals 2 and 3, increased home visit rate, ADA rate, and graduation rate, and decreased chronic absenteeism rate, dropout rate, and student suspension/expulsion rates as measured in Goal 4. We also expect this action will result in increased student, parent, and staff satisfaction rates as measured by the annual stakeholder surveys in Goal 4: Action 4.

- Goal 4: Action 3: MTSS - PBIS and SEL support

The majority of Charter School's student population consists of low-income and socioeconomically disadvantaged students, English learners, and students with disabilities. These student groups have social and emotional conditions that influence academic learning, as evidenced by the performance gaps on the CA School Dashboard, CAASPP results, and other available data. These student groups also have lower ADA rates while they have higher chronic absenteeism and office referral rates. Children living in poverty are more likely to incur more adverse childhood experiences including abuse, neglect, exposure to neighborhood violence, or an incarcerated parent. Foster youth and English learners may experience feelings of anxiety and confusion. Charter School needs to take action to address the unique academic, social and emotional needs of low-income students, students with disabilities, English learners, racial and ethnic minorities, students experiencing homelessness, and foster care youth. Considering the needs of our vulnerable student groups in mind, Charter School will provide a safe, nurturing, and engaging learning environment for all our students and families. Academic and social-emotional support will be provided to address student needs as well as instructional materials including free uniforms. Students who are homeless, experiencing housing instability, are in foster care or experiencing personal/family crisis or have other special needs will be cared for in our supportive school community. Charter School will offer a Life Skills/Character Education program that provides students with valuable skills to support academic excellence and social skill development. We will annually assess our suspension/expulsion policies and procedures and implement alternatives to suspension/expulsion, including restorative practices. Teachers will establish classroom management procedures, foster positive relationships, and help create an atmosphere of trust, respect, and high expectations. Charter School will implement a positive and equitable student responsibility and behavior system with teaching, intervention and prevention strategies and protocols that are clear, fair, incremental, restorative, and culturally responsive. Charter School will celebrate student and school achievements and organize recognition assemblies and other schoolwide culture-building activities. Charter School will inform parents and students of attendance policies specified in the Student/Parent Handbook and encourage and support student attendance. Charter School will also implement the CORE DISTRICTS SEL Survey instrument in the fall and spring annually to assess the following social-emotional competencies: growth mindset, self-efficacy, self-management, and social awareness. As part of our MTSS efforts, school leadership, teachers, and support staff will analyze student SEL survey results in the fall to provide our students with targeted social-emotional support and then measure student responses again in the spring to measure growth, identify greatest progress and needs in order to inform our next steps. These activities will result in increased and improved PBIS and SEL support for our unduplicated students, as well as additional

supports for homeless and immigrant students. With the needs of our vulnerable students and their families in mind, this action will be provided on a schoolwide basis. It was found effective in the current school year and will be continued in the coming school year. We expect this action will help provide a foundation for safe and positive learning, and enhance students' mental health and abilities to succeed in school, careers, and life. We also expect this action will result in increased academic achievement and lifelong learning as measured by the LCAP metrics in Goals 2 and 3, increased ADA rate and graduation rate, and decreased chronic absenteeism rate, dropout rate, and student suspension/expulsion rates as measured in Goal 4. We also expect this action will result in increased student, parent, and staff satisfaction rates as measured by the annual stakeholder surveys in Goal 4: Action 4.

- Goal 4: Action 4: Annual stakeholder surveys

It is important that parents, students, and staff are engaged in the development of all school plans, including, but not limited to, the LCAP, SPSA (Charter School uses the LCAP to serve as the SPSA), and WASC Self-Study. Charter School wishes to engage all parents, to the extent applicable, in the process of school review and improvement. The majority of Charter School's student population consists of low-income and socioeconomically disadvantaged students, English learners, and students with disabilities. To engage all students and families equitably, it is necessary to understand the cultures, languages, needs and interests of students and families in our school community. Stakeholder voices, i.e., voices of our students, families, staff, and other school community members, play a powerful role in helping us learn how to improve our teaching, leadership, and other school practices. In order to engage stakeholders in an organized, ongoing and timely manner in the planning, review and improvement of our programs, Charter School needs to provide multiple channels to engage stakeholders in decision making. Surveys have been the primary means of collecting student, family, and staff voices about what we are doing great and should keep doing, and what areas for improvement are so we can continue to provide our students with the best quality education. Considering the needs of our unduplicated students and their families, MPS uses an online platform to provide students, families, and staff with groups of questions that measure their perceptions of teaching and learning, as well as their perceptions of school climate and safety. This feedback instrument provides teachers and school leaders with valuable data about how students see their classes, how much parents are involved, how supported staff feel and how to facilitate improvement. Charter School will annually administer school experience surveys to students, parents, and staff. Charter School will implement the CORE DISTRICTS Survey instrument to assess our stakeholders' perceptions of the following school climate indicators: climate of support for academic learning; knowledge and fairness of discipline, rules and norms; safety; and sense of belonging (school connectedness). In addition, we ask our stakeholders open-ended questions about what they like the best and the least about the school and suggestions for improvement. This feedback instrument provides all staff and school leaders with valuable information about how students see their classes, how much parents are involved, how supported staff feel and how to facilitate improvement. Our staff will analyze the survey results to identify the greatest progress and needs in order to inform our next steps. The surveys help identify and plan for increased and improved services for our unduplicated students and their families. With the needs of our unduplicated students and their families in mind, this action will be provided on a schoolwide basis. It was found effective in the current school year and will be continued in the coming school year. We expect this action will help provide valuable feedback for school improvement. We also expect this action will result in increased student, parent, and staff satisfaction rates as measured in Goal 4.

- Goal 4: Action 5: Community outreach and partnerships

The majority of Charter School's student population consists of low-income and socioeconomically disadvantaged students, English learners, and students with disabilities. Our low-income students come from underserved communities that do not have adequate resources and access to experiential learning opportunities. Many of our students are also the first generation in their families who will attend college. Most of them lack parental support and experience financial difficulties. Our students have a great need for guidance about college/career choices and support for preparation. These student groups have social and emotional conditions that influence academic learning, as evidenced by the performance gaps on the CA School Dashboard, CAASPP results, and other available data. They also have lower ADA rates while they have higher chronic absenteeism and office referral rates. Children living in poverty are more likely to incur more adverse childhood experiences including abuse, neglect, exposure to neighborhood violence, or an incarcerated parent. Foster youth and English learners may experience feelings of anxiety and confusion. Charter School needs to take action to address the unique academic, social and emotional needs of low-income students, students with disabilities, English learners, racial and ethnic minorities, students experiencing homelessness, and foster care youth. Considering the needs of our vulnerable student groups in mind, Charter School will establish community, business, institutional and civic partnerships that invest in and support the vision and goals of the school. School staff will participate in local activities that engage community members and staff in communicating school successes to the broader community. Charter School will secure community support to sustain existing resources and add new resources that address emerging student needs. Charter School leadership will actively develop relationships with a range of stakeholders, policymakers, and researchers to identify and address issues, trends, and potential changes that affect the context and conduct of education. These activities will result in increased and improved resources for our unduplicated students and will be particularly helpful for first-generation college-bound students who lack parental support strategies and experience financial constraints. With the needs of our unduplicated students and their families in mind, this action will be provided on a schoolwide basis. It was found effective in the current school year and will be continued in the coming school year. We expect this action will provide students and families with information and resources to support student learning and development. We also expect this action will result in increased academic achievement and lifelong learning as measured by the LCAP metrics in Goals 2 and 3, increased ADA rate, and graduation rate, and decreased chronic absenteeism rate, dropout rate, and student suspension/expulsion rates as measured in Goal 4. We also expect this action will result in increased student, parent, and staff satisfaction rates as measured in Goal 4.

A description of how services for foster youth, English learners, and low-income students are being increased or improved by the percentage required.

Charter School will increase or improve services provided for unduplicated students by at least the percentage calculated as compared to the services provided for all students in the LCAP year. Services are increased (in quantity) or improved (in quality) by those actions in our LCAP that are included in the Goals and Actions section as "contributing" to the increased or improved services requirement. We expect that these actions will result in the required proportional increase or improvement in services for unduplicated pupils as compared to the services we provide to all students. Charter School will increase or improve services for our unduplicated students through the following actions:

- Goal 1: Action 4: Healthy and nutritious meals

Low-income students are eligible to receive reduced-price or free meals at school. Charter School will maintain nutrition education resources and promote healthy food and beverage choices for all students throughout campus, as well as encourage participation in school meal

programs. This action will result in increased and improved services, particularly for our low-income students, who may not have access to nutritious meals and are experiencing poor health outcomes.

- Goal 2: Action 2: Professional development for high-quality instruction

Professional development will occur at the MPS organizational level and within the school. In addition to ongoing professional development activities that support efforts to increase student academic performance, all staff will be provided with multiple opportunities to grow professionally through induction processes, regular collaboration with colleagues, and curricular support. This involves instructional leadership, common walkthrough protocols using the TeachBoost software, and professional feedback to promote a cycle of continuous improvement, as well as supports for high quality delivery of the program that enables differentiation, particularly for unduplicated students and students with exceptional needs.

- Goal 2: Action 3: MTSS - Academic enrichment, intervention and student support

Charter School will implement MTSS as a systemic, continuous improvement framework in which data-based problem-solving and decision making is practiced across all levels of the educational system for supporting students. Targeted interventions will be utilized to create a high-quality differentiated environment where students are supported to engage at their optimal levels. Charter School will provide additional supports and interventions to all students, including but not limited to, 1-1 or small group interventions, targeted support via evidence-based supplemental intervention/enrichment materials and technology (reading, math, etc.), co-taught classes, Power English/Power Math classes, Study Skills, additional support during SSR/Advisory, before and after school tutoring, Saturday classes, and summer programs. SSPT, 504, and other support meetings will be coordinated among teachers and support roles (resource teachers, EL coordinator, department chairs, etc.) These student supports and interventions will provide increased and improved services for all our unduplicated students who would need the extra support and attention.

- Goal 2: Action 4: Designated and integrated ELD programs

Charter School will provide services to ELs by proficiency level and provide ELD instruction aligned to the CA ELD standards and framework. Charter School will provide our ELs with core and supplemental ELD instructional materials and provide our teachers with PD focused on ELD standards. Our EL coordinator will monitor EL student progress in program implementation according to our EL Master Plan. Charter School teachers will provide instruction using designated and integrated ELD instructional strategies as outlined in the CHATS framework (and other research-based strategies such as SDAIE) to all students, including ELs. Charter School will provide culturally and linguistically relevant materials for students. ELs will receive further in-class instructional support which includes one-on-one teacher support and small group instruction. Charter School will strive to provide bilingual instructional assistants to provide primary language support to enable students to access content area instruction while gaining language proficiency. Charter School will ensure that teachers participate in PD on ELD instructional strategies and CHATS framework. Charter School will provide regular and timely communication with families of EL students regarding annual assessments, program supports and services, and students' progress toward reclassification. This notification will include, but is not limited to, annual parent notification letters, quarterly ELAC meetings, and parent-teacher conferences. These supports and services will provide increased and improved services for our English learners.

- Goal 3: Action 1: College/Career readiness programs and activities

Charter School will offer individual graduation plans, outlining the classes students will take during their high school years. Students will be provided credit recovery opportunities and individualized support to ensure timely high school graduation. Charter School will offer Advisory

and College Readiness classes and activities to support our students in the areas, including, but not limited to, college planning and career exploration, test prep for ACT/SAT, college application and financial aid submission. Charter School will provide students with opportunities to take Advanced Placement (AP) courses based on student needs and interests. Charter School will promote a college-going culture through dual and concurrent enrollment, AP courses, college visits, college/career days, and other college related activities. Charter School will also explore CTE options to provide students with opportunities to explore a career theme of interest while learning a set of technical and employability skills that integrate into or complement their academic studies. Unduplicated students will receive improved services through our Naviance program and increased support with AP exam fees, AP course materials, and other college-related materials and activities. These services are particularly helpful for first-generation college-bound students who lack parental support strategies and experience financial constraints.

- Goal 3: Action 2: STEAM and GATE programs

Charter School will offer STEAM and GATE programs and activities, including Accelerated/Advanced Math course and club. Students will be provided opportunities during the day and after school to create or demonstrate a STEAM focused project, experiment, model or demo. We will also provide information and access to quality out-of-school STEAM activities and achievements. Charter School will design and implement engineering-related courses and activities, such as AP Computer Science Principles, Code.org activities, Project Lead the Way (PLTW) programs, Robotics, etc. Unduplicated students will receive increased and improved support through access to supplemental STEAM programs and activities.

- Goal 3: Action 3: Digital literacy and citizenship programs

Charter School will educate our students and staff in digital literacy so that they adapt, create, consume, and connect in productive, responsible ways to utilize technology in academic, social, and professional settings. Charter School will offer Computer/Digital Literacy classes and/or blended learning experiences for our students. Teachers will participate in PD on Blended Learning and technology will be kept up to date. Students will be provided with opportunities to expand their literacy, computational, and communication skills with digital media; they will be writing advanced essays, conducting internet research, engaging in data collection, presenting ideas and drawing conclusions. Charter School staff will teach and model safe, savvy, and social digital citizenship; topics include, but are not limited to, using technology applications; digital footprint, privacy, and security; digital rights and responsibilities; using social media responsibly and digital etiquette. These activities will result in increased and improved services for our unduplicated students by expanding their knowledge and skills in an ever-evolving digital world.

- Goal 3: Action 4: Physical education, activity, and fitness

Charter School will provide students with physical education, using an age-appropriate, sequential PE curriculum consistent with state standards for PE. The curriculum will promote the benefits of a physically active lifestyle and will help students develop skills to engage in lifelong healthy habits, as well as incorporate essential health education concepts. Charter School will offer recess before lunch and students will be provided with periodic opportunities to be active or to stretch throughout the day on all or most days during a typical school week. To the extent practicable, Charter School will ensure that its grounds and facilities are safe, and that equipment is available to students to be active. Charter School will offer opportunities for students to participate in physical activity either before and/or after the school day (or both) through a variety of methods such as physical activity/sports clubs, intramurals or interscholastic sports, etc. Charter School will adhere to the MPS Wellness Policy guidelines on physical education, activity, and fitness. These activities will result in increased and improved

services, particularly for our low-income students who may not have a physically active and healthy lifestyle.

- Goal 3: Action 5: Additional programs and activities that support well-rounded education

In an effort to provide well-rounded education to our students, Charter School will strive to offer additional programs such as elective courses, arts, music, civics, languages other than English, clubs, etc. It is important that all our students, particularly unduplicated students, are provided with experiential learning opportunities, including but not limited to, instructional field trips, internships, community service programs, clubs, etc. Charter School teachers and other staff will offer after school clubs for enrichment in the areas of, including, but not limited to, math, science, technology, engineering, ELA, languages other than English and culture, sports, visual and performing arts, community service, and others. These well-rounded programs and activities will result in increased and improved services for our unduplicated students.

- Goal 4: Action 1: Seeking family input for decision making

Charter School will hold periodic meetings to gather input from our families. Information/input sessions include Parent Advisory Committee (PAC) meetings, Parent Task Force (PTF) meetings, School Site Council (SSC) meetings, English Learner Advisory Committee (ELAC) meetings, Coffee with the Principal meetings, and Board of Directors meetings. Parents on our PTF and SSC also serve as our Parent Advisory Committee (PAC) for LCAP. Along with ELAC, such committees provide for representation of students in need (low income, English learners, foster youth, etc.) Feedback from our PAC, SSC, and ELAC provides valuable input for the LCAP. Charter School chooses to utilize the LCAP to serve as the SPSA. Charter School will also hold an annual meeting to inform parents and collect feedback about LCAP goals and actions, data and needs assessments, Title-funded activities and budgets, UCP, parent involvement policy and school-student-parent compact. In addition, Charter School will conduct parent surveys to seek feedback on school improvement. These activities will result in increased and improved services for our unduplicated students and their families.

- Goal 4: Action 2: Building partnerships with families for student outcomes

Charter School will build trusting and respectful relationships with parents through activities/events, including Student/Parent Orientation, Back to School Night, and parent conferences to promote parental participation in programs. Administrators will greet all students and parents in the mornings during student drop off and have an open-door policy welcoming all parents. Charter School will provide parents with access to course materials, homework assignments, projects, and records of students' grades through our SIS. Charter School will communicate further with the parents of students who are performing below grade level. Our teachers, administrators, and classified staff will visit students at their homes to discuss student progress and enhance student learning and involvement. Charter School will schedule annual workshops for parents as well as additional workshops for parents of EL and immigrant students. Topics to be covered include, but are not limited to, the school's EL Master Plan, stages of language acquisition, state testing, college application, using SIS to check student progress, study habits, and family literacy. Charter School will use a variety of communication channels to connect with families in a language that is understandable and accessible to them. A parent communication software will be utilized for voice and text communications, email, and push notifications. We will provide language translators at parent meetings to the extent practicable. These activities will result in increased and improved services for our unduplicated students and their families.

- Goal 4: Action 3: MTSS - PBIS and SEL support

Charter School will provide a safe, nurturing, and engaging learning environment for all our students and families. Academic and social-emotional support will be provided to address student needs as well as instructional materials including free uniforms. Students who are homeless, experiencing housing instability, are in foster care or experiencing personal/family crisis or have other special needs will be cared

for in our supportive school community. Charter School will offer a Life Skills/Character Education program that provides students with valuable skills to support academic excellence and social skill development. Teachers will establish classroom management procedures, foster positive relationships, and help create an atmosphere of trust, respect, and high expectations. Charter School will implement a positive and equitable student responsibility and behavior system with teaching, intervention and prevention strategies and protocols that are clear, fair, incremental, restorative, and culturally responsive. Charter School will celebrate student and school achievements and organize recognition assemblies and other schoolwide culture-building activities. Charter School will inform parents and students of attendance policies specified in the Student/Parent Handbook and encourage and support student attendance. Charter School will also implement the CORE DISTRICTS SEL Survey instrument in the fall and spring annually to assess the following social-emotional competencies: growth mindset, self-efficacy, self-management, and social awareness. As part of our MTSS efforts, school leadership, teachers, and support staff will analyze student SEL survey results in the fall to provide our students with targeted social-emotional support and then measure student responses again in the spring to measure growth, identify greatest progress and needs in order to inform our next steps. These activities will result in increased and improved PBIS and SEL support for our unduplicated students, as well as additional supports for homeless and immigrant students.

- Goal 4: Action 4: Annual stakeholder surveys

Charter School will annually administer school experience surveys to students, parents, and staff. Charter School will implement the CORE DISTRICTS Survey instrument to assess our stakeholders' perceptions of the following school climate indicators: climate of support for academic learning; knowledge and fairness of discipline, rules and norms; safety; and sense of belonging (school connectedness). In addition, we ask our stakeholders open-ended questions about what they like the best and the least about the school and suggestions for improvement. This feedback instrument provides all staff and school leaders with valuable information about how students see their classes, how much parents are involved, how supported staff feel and how to facilitate improvement. Our staff will analyze the survey results to identify the greatest progress and needs in order to inform our next steps. The surveys help identify and plan for increased and improved services for our unduplicated students and their families.

- Goal 4: Action 5: Community outreach and partnerships

Charter School will establish community, business, institutional and civic partnerships that invest in and support the vision and goals of the school. School staff will participate in local activities that engage community members and staff in communicating school successes to the broader community. Charter School will secure community support to sustain existing resources and add new resources that address emerging student needs. Charter School leadership will actively develop relationships with a range of stakeholders, policymakers, and researchers to identify and address issues, trends, and potential changes that affect the context and conduct of education. These activities result in increased and improved resources for our unduplicated students.

# Instructions

[Plan Summary](#)

[Stakeholder Engagement](#)

[Goals and Actions](#)

[Increased or Improved Services for Foster Youth, English Learners, and Low-Income Students](#)

For additional questions or technical assistance related to the completion of the LCAP template, please contact the local COE, or the California Department of Education's (CDE's) Local Agency Systems Support Office by phone at 916-319-0809 or by email at [lcff@cde.ca.gov](mailto:lcff@cde.ca.gov).

# Introduction and Instructions

The Local Control Funding Formula (LCFF) requires LEAs to engage their local stakeholders in an annual planning process to evaluate their progress within eight state priority areas encompassing all statutory metrics (COEs have ten state priorities). LEAs document the results of this planning process in the Local Control and Accountability Plan (LCAP) using the template adopted by the State Board of Education.

The LCAP development process serves three distinct, but related functions:

- **Comprehensive Strategic Planning:** The process of developing and annually updating the LCAP supports comprehensive strategic planning (California *Education Code* [EC] 52064(e)(1)). Strategic planning that is comprehensive connects budgetary decisions to teaching and learning performance data. Local educational agencies (LEAs) should continually evaluate the hard choices they make about the use of limited resources to meet student and community needs to ensure opportunities and outcomes are improved for all students.
- **Meaningful Stakeholder Engagement:** The LCAP development process should result in an LCAP that reflects decisions made through meaningful stakeholder engagement (EC 52064(e)(1)). Local stakeholders possess valuable perspectives and insights about an LEA's programs and services. Effective strategic planning will incorporate these perspectives and insights in order to identify potential goals and actions to be included in the LCAP.
- **Accountability and Compliance:** The LCAP serves an important accountability function because aspects of the LCAP template require LEAs to show that they have complied with various requirements specified in the LCFF statutes and regulations, most notably:
  - Demonstrating that LEAs are increasing or improving services for foster youth, English learners, and low-income students in proportion to the amount of additional funding those students generate under LCFF (EC 52064(b)(4-6)).
  - Establishing goals, supported by actions and related expenditures, that address the statutory priority areas and statutory metrics (EC 52064(b)(1) & (2)).

- Annually reviewing and updating the LCAP to reflect progress toward the goals (*EC 52064(b)(7)*).

The LCAP template, like each LEA's final adopted LCAP, is a document, not a process. LEAs must use the template to memorialize the outcome of their LCAP development process, which should: (a) reflect comprehensive strategic planning (b) through meaningful engagement with stakeholders that (c) meets legal requirements, as reflected in the final adopted LCAP. The sections included within the LCAP template do not and cannot reflect the full development process, just as the LCAP template itself is not intended as a stakeholder engagement tool.

If a county superintendent of schools has jurisdiction over a single school district, the county board of education and the governing board of the school district may adopt and file for review and approval a single LCAP consistent with the requirements in *EC* sections 52060, 52062, 52066, 52068, and 52070. The LCAP must clearly articulate to which entity's budget (school district or county superintendent of schools) all budgeted and actual expenditures are aligned.

The revised LCAP template for the 2021–22, 2022–23, and 2023–24 school years reflects statutory changes made through Assembly Bill 1840 (Committee on Budget), Chapter 243, Statutes of 2018. These statutory changes enhance transparency regarding expenditures on actions included in the LCAP, including actions that contribute to meeting the requirement to increase or improve services for foster youth, English learners, and low-income students, and to streamline the information presented within the LCAP to make adopted LCAPs more accessible for stakeholders and the public.

At its most basic, the adopted LCAP should attempt to distill not just what the LEA is doing, but also allow stakeholders to understand why, and whether those strategies are leading to improved opportunities and outcomes for students. LEAs are strongly encouraged to use language and a level of detail in their adopted LCAPs intended to be meaningful and accessible for the LEA's diverse stakeholders and the broader public.

In developing and finalizing the LCAP for adoption, LEAs are encouraged to keep the following overarching frame at the forefront of the strategic planning and stakeholder engagement functions:

Given present performance across the state priorities and on indicators in the California School Dashboard, how is the LEA using its budgetary resources to respond to student and community needs, and address any performance gaps, including by meeting its obligation to increase or improve services for foster youth, English learners, and low-income students?

LEAs are encouraged to focus on a set of metrics or a set of actions that the LEA believes, based on input gathered from stakeholders, research, and experience, will have the biggest impact on behalf of its students.

These instructions address the requirements for each section of the LCAP, but may include information about effective practices when developing the LCAP and completing the LCAP itself. Additionally, information is included at the beginning of each section emphasizing the purpose that each section serves.

# Plan Summary

## Purpose

A well-developed Plan Summary section provides a meaningful context for the LCAP. This section provides information about an LEA's community as well as relevant information about student needs and performance. In order to provide a meaningful context for the rest of the LCAP, the content of this section should be clearly and meaningfully related to the content included in the subsequent sections of the LCAP.

## Requirements and Instructions

**General Information** – Briefly describe the students and community. For example, information about an LEA in terms of geography, enrollment, or employment, the number and size of specific schools, recent community challenges, and other such information as an LEA wishes to include can enable a reader to more fully understand an LEA's LCAP.

**Reflections: Successes** – Based on a review of performance on the state indicators and local performance indicators included in the Dashboard, progress toward LCAP goals, local self-assessment tools, stakeholder input, and any other information, what progress is the LEA most proud of and how does the LEA plan to maintain or build upon that success? This may include identifying specific examples of how past increases or improvements in services for foster youth, English learners, and low-income students have led to improved performance for these students.

**Reflections: Identified Need** – Referring to the Dashboard, identify: (a) any state indicator for which overall performance was in the “Red” or “Orange” performance category or any local indicator where the LEA received a “Not Met” or “Not Met for Two or More Years” rating AND (b) any state indicator for which performance for any student group was two or more performance levels below the “all student” performance. What steps is the LEA planning to take to address these areas of low performance and performance gaps? Other needs may be identified using locally collected data including data collected to inform the self-reflection tools and reporting local indicators on the Dashboard.

**LCAP Highlights** – Identify and briefly summarize the key features of this year's LCAP.

**Comprehensive Support and Improvement** – An LEA with a school or schools identified for comprehensive support and improvement (CSI) under the Every Student Succeeds Act must respond to the following prompts:

- **Schools Identified:** Identify the schools within the LEA that have been identified for CSI.
- **Support for Identified Schools:** Describe how the LEA has or will support the identified schools in developing CSI plans that included a school-level needs assessment, evidence-based interventions, and the identification of any resource inequities to be addressed through the implementation of the CSI plan.
- **Monitoring and Evaluating Effectiveness:** Describe how the LEA will monitor and evaluate the implementation and effectiveness of the CSI plan to support student and school improvement.

# Stakeholder Engagement

## Purpose

Significant and purposeful engagement of parents, students, educators, and other stakeholders, including those representing the student groups identified by LCFF, is critical to the development of the LCAP and the budget process. Consistent with statute, such stakeholder engagement should support comprehensive strategic planning, accountability, and improvement across the state priorities and locally identified priorities (EC 52064(e)(1)). Stakeholder engagement is an ongoing, annual process.

This section is designed to reflect how stakeholder engagement influenced the decisions reflected in the adopted LCAP. The goal is to allow stakeholders that participated in the LCAP development process and the broader public understand how the LEA engaged stakeholders and the impact of that engagement. LEAs are encouraged to keep this goal in the forefront when completing this section.

Statute and regulations specify the stakeholder groups that school districts and COEs must consult when developing the LCAP: teachers, principals, administrators, other school personnel, local bargaining units of the LEA, parents, and students. Before adopting the LCAP, school districts and COEs must share it with the Parent Advisory Committee and, if applicable, to its English Learner Parent Advisory Committee. The superintendent is required by statute to respond in writing to the comments received from these committees. School districts and COEs must also consult with the special education local plan area administrator(s) when developing the LCAP. Statute requires charter schools to consult with teachers, principals, administrators, other school personnel, parents, and students in developing the LCAP. The LCAP should also be shared with, and LEAs should request input from, schoolsite-level advisory groups, as applicable (e.g., schoolsite councils, English Learner Advisory Councils, student advisory groups, etc.), to facilitate alignment between schoolsite and district-level goals and actions.

Information and resources that support effective stakeholder engagement, define student consultation, and provide the requirements for advisory group composition, can be found under Resources on the following web page of the CDE's website: <https://www.cde.ca.gov/re/lc/>.

## Requirements and Instructions

Below is an excerpt from the 2018–19 *Guide for Annual Audits of K–12 Local Education Agencies and State Compliance Reporting*, which is provided to highlight the legal requirements for stakeholder engagement in the LCAP development process:

### Local Control and Accountability Plan:

For county offices of education and school districts only, verify the LEA:

- a) Presented the local control and accountability plan to the parent advisory committee in accordance with Education Code section 52062(a)(1) or 52068(a)(1), as appropriate.
- b) If applicable, presented the local control and accountability plan to the English learner parent advisory committee, in accordance with Education Code section 52062(a)(2) or 52068(a)(2), as appropriate.

- c) Notified members of the public of the opportunity to submit comments regarding specific actions and expenditures proposed to be included in the local control and accountability plan in accordance with Education Code section 52062(a)(3) or 52068(a)(3), as appropriate.
- d) Held at least one public hearing in accordance with Education Code section 52062(b)(1) or 52068(b)(1), as appropriate.
- e) Adopted the local control and accountability plan in a public meeting in accordance with Education Code section 52062(b)(2) or 52068(b)(2), as appropriate.

**Prompt 1:** “A summary of the stakeholder process and how the stakeholder engagement was considered before finalizing the LCAP.”

Describe the stakeholder engagement process used by the LEA to involve stakeholders in the development of the LCAP, including, at a minimum, describing how the LEA met its obligation to consult with all statutorily required stakeholder groups as applicable to the type of LEA. A sufficient response to this prompt must include general information about the timeline of the process and meetings or other engagement strategies with stakeholders. A response may also include information about an LEA’s philosophical approach to stakeholder engagement.

**Prompt 2:** “A summary of the feedback provided by specific stakeholder groups.”

Describe and summarize the stakeholder feedback provided by specific stakeholders. A sufficient response to this prompt will indicate ideas, trends, or inputs that emerged from an analysis of the feedback received from stakeholders.

**Prompt 3:** “A description of the aspects of the LCAP that were influenced by specific stakeholder input.”

A sufficient response to this prompt will provide stakeholders and the public clear, specific information about how the stakeholder engagement process influenced the development of the LCAP. The response must describe aspects of the LCAP that were influenced by or developed in response to the stakeholder feedback described in response to Prompt 2. This may include a description of how the LEA prioritized stakeholder requests within the context of the budgetary resources available or otherwise prioritized areas of focus within the LCAP. For the purposes of this prompt, “aspects” of an LCAP that may have been influenced by stakeholder input can include, but are not necessarily limited to:

- Inclusion of a goal or decision to pursue a Focus Goal (as described below)
- Inclusion of metrics other than the statutorily required metrics
- Determination of the desired outcome on one or more metrics
- Inclusion of performance by one or more student groups in the Measuring and Reporting Results subsection
- Inclusion of action(s) or a group of actions
- Elimination of action(s) or group of actions
- Changes to the level of proposed expenditures for one or more actions
- Inclusion of action(s) as contributing to increased or improved services for unduplicated services
- Determination of effectiveness of the specific actions to achieve the goal
- Determination of material differences in expenditures

- Determination of changes made to a goal for the ensuing LCAP year based on the annual update process
- Determination of challenges or successes in the implementation of actions

## Goals and Actions

### Purpose

Well-developed goals will clearly communicate to stakeholders what the LEA plans to accomplish, what the LEA plans to do in order to accomplish the goal, and how the LEA will know when it has accomplished the goal. A goal statement, associated metrics and expected outcomes, and the actions included in the goal should be in alignment. The explanation for why the LEA included a goal is an opportunity for LEAs to clearly communicate to stakeholders and the public why, among the various strengths and areas for improvement highlighted by performance data and strategies and actions that could be pursued, the LEA decided to pursue this goal, and the related metrics, expected outcomes, actions, and expenditures.

A well-developed goal can be focused on the performance relative to a metric or metrics for all students, a specific student group(s), narrowing performance gaps, or implementing programs or strategies expected to impact outcomes. LEAs should assess the performance of their student groups when developing goals and the related actions to achieve such goals.

### Requirements and Instructions

LEAs should prioritize the goals, specific actions, and related expenditures included within the LCAP within one or more state priorities. LEAs should consider performance on the state and local indicators, including their locally collected and reported data for the local indicators that are included in the Dashboard in determining whether and how to prioritize its goals within the LCAP.

In order to support prioritization of goals, the LCAP template provides LEAs with the option of developing three different kinds of goals:

- **Focus Goal:** A Focus Goal is relatively more concentrated in scope and may focus on a fewer number of metrics to measure improvement. A Focus Goal statement will be time bound and make clear how the goal is to be measured.
- **Broad Goal:** A Broad Goal is relatively less concentrated in its scope and may focus on improving performance across a wide range of metrics.
- **Maintenance of Progress Goal:** A Maintenance of Progress Goal includes actions that may be ongoing without significant changes and allows an LEA to track performance on any metrics not addressed in the other goals of the LCAP.

At a minimum, the LCAP must address all LCFF priorities and associated metrics.

### ***Focus Goal(s)***

**Goal Description:** The description provided for a Focus Goal must be specific, measurable, and time bound. An LEA develops a Focus Goal to address areas of need that may require or benefit from a more specific and data intensive approach. The Focus Goal can explicitly reference the metric(s) by which achievement of the goal will be measured and the time frame according to which the LEA expects to achieve the goal.

**Explanation of why the LEA has developed this goal:** Explain why the LEA has chosen to prioritize this goal. An explanation must be based on Dashboard data or other locally collected data. LEAs must describe how the LEA identified this goal for focused attention, including relevant consultation with stakeholders. LEAs are encouraged to promote transparency and understanding around the decision to pursue a focus goal.

### ***Broad Goal***

**Goal Description:** Describe what the LEA plans to achieve through the actions included in the goal. The description of a broad goal will be clearly aligned with the expected measurable outcomes included for the goal. The goal description organizes the actions and expected outcomes in a cohesive and consistent manner. A goal description is specific enough to be measurable in either quantitative or qualitative terms. A broad goal is not as specific as a focus goal. While it is specific enough to be measurable, there are many different metrics for measuring progress toward the goal.

**Explanation of why the LEA has developed this goal:** Explain why the LEA developed this goal and how the actions and metrics grouped together will help achieve the goal.

### ***Maintenance of Progress Goal***

**Goal Description:** Describe how the LEA intends to maintain the progress made in the LCFF State Priorities not addressed by the other goals in the LCAP. Use this type of goal to address the state priorities and applicable metrics not addressed within the other goals in the LCAP. The state priorities and metrics to be addressed in this section are those for which the LEA, in consultation with stakeholders, has determined to maintain actions and monitor progress while focusing implementation efforts on the actions covered by other goals in the LCAP.

**Explanation of why the LEA has developed this goal:** Explain how the actions will sustain the progress exemplified by the related metrics.

### ***Measuring and Reporting Results:***

For each LCAP year, identify the metric(s) that the LEA will use to track progress toward the expected outcomes. LEAs are encouraged to identify metrics for specific student groups, as appropriate, including expected outcomes that would reflect narrowing of any existing performance gaps.

Include in the baseline column the most recent data associated with this metric available at the time of adoption of the LCAP for the first year of the three-year plan. LEAs may use data as reported on the 2019 Dashboard for the baseline of a metric only if that data represents the most recent available (e.g. high school graduation rate).

Using the most recent data available may involve reviewing data the LEA is preparing for submission to the California Longitudinal Pupil Achievement Data System (CALPADS) or data that the LEA has recently submitted to CALPADS. Because final 2020–2021 outcomes on some metrics may not be computable at the time the 2021–24 LCAP is adopted (e.g. graduation rate, suspension rate), the most recent data available may include a point in time calculation taken each year on the same date for comparability purposes.

The baseline data shall remain unchanged throughout the three-year LCAP.

Complete the table as follows:

- **Metric:** Indicate how progress is being measured using a metric.
- **Baseline:** Enter the baseline when completing the LCAP for 2021–22. As described above, the baseline is the most recent data associated with a metric. Indicate the school year to which the data applies, consistent with the instructions above.
- **Year 1 Outcome:** When completing the LCAP for 2022–23, enter the most recent data available. Indicate the school year to which the data applies, consistent with the instructions above.
- **Year 2 Outcome:** When completing the LCAP for 2023–24, enter the most recent data available. Indicate the school year to which the data applies, consistent with the instructions above.
- **Year 3 Outcome:** When completing the LCAP for 2024–25, enter the most recent data available. Indicate the school year to which the data applies, consistent with the instructions above. The 2024–25 LCAP will be the first year in the next three-year cycle. Completing this column will be part of the Annual Update for that year.
- **Desired Outcome for 2023-24:** When completing the first year of the LCAP, enter the desired outcome for the relevant metric the LEA expects to achieve by the end of the 2023–24 LCAP year.

Timeline for completing the “**Measuring and Reporting Results**” part of the Goal.

Metric	Baseline	Year 1 Outcome	Year 2 Outcome	Year 3 Outcome	Desired Outcome for Year 3 (2023-24)
Enter information in this box when completing the LCAP for <b>2021–22</b> .	Enter information in this box when completing the LCAP for <b>2021–22</b> .	Enter information in this box when completing the LCAP for <b>2022–23</b> . Leave blank until then.	Enter information in this box when completing the LCAP for <b>2023–24</b> . Leave blank until then.	Enter information in this box when completing the LCAP for <b>2024–25</b> . Leave blank until then.	Enter information in this box when completing the LCAP for <b>2021–22</b> .

The metrics may be quantitative or qualitative; but at minimum, an LEA’s LCAP must include goals that are measured using all of the applicable metrics for the related state priorities, in each LCAP year as applicable to the type of LEA. To the extent a state priority does not specify one or more metrics (e.g., implementation of state academic content and performance standards), the LEA must identify a metric to use within the LCAP. For these state priorities, LEAs are encouraged to use metrics based on or reported through the relevant self-reflection tool for local indicators within the Dashboard.

**Actions:** Enter the action number. Provide a short title for the action. This title will also appear in the expenditure tables. Provide a description of the action. Enter the total amount of expenditures associated with this action. Budgeted expenditures from specific fund sources will be provided in the summary expenditure tables. Indicate whether the action contributes to meeting the increase or improved services requirement as described in the Increased or Improved Services section using a “Y” for Yes or an “N” for No. (Note: for each such action offered on an LEA-wide or schoolwide basis, the LEA will need to provide additional information in the Increased or Improved Summary Section to address the requirements in *California Code of Regulations*, Title 5 [5 CCR] Section 15496(b) in the Increased or Improved Services Section of the LCAP).

**Actions for English Learners:** School districts, COEs, and charter schools that have a numerically significant English learner student subgroup must include specific actions in the LCAP related to, at a minimum, the language acquisition programs, as defined in *EC* Section 306, provided to students and professional development activities specific to English learners.

**Actions for Foster Youth:** School districts, COEs, and charter schools that have a numerically significant Foster Youth student subgroup are encouraged to include specific actions in the LCAP designed to meet needs specific to Foster Youth students.

**Goal Analysis:**

Enter the LCAP Year

Using actual annual measurable outcome data, including data from the Dashboard, analyze whether the planned actions were effective in achieving the goal. Respond to the prompts as instructed.

- Describe the overall implementation of the actions to achieve the articulated goal. Include a discussion of relevant challenges and successes experienced with the implementation process. This must include any instance where the LEA did not implement a planned action or implemented a planned action in a manner that differs substantively from how it was described in the adopted LCAP.
- Explain material differences between Budgeted Expenditures and Estimated Actual Expenditures. Minor variances in expenditures do not need to be addressed, and a dollar-for-dollar accounting is not required.
- Describe the effectiveness of the specific actions to achieve the articulated goal as measured by the LEA. In some cases, not all actions in a goal will be intended to improve performance on all of the metrics associated with the goal. When responding to this prompt, LEAs may assess the effectiveness of a single action or group of actions within the goal in the context of performance on a single metric or group of specific metrics within the goal that are applicable to the action(s). Grouping actions with metrics will allow for more robust analysis of whether the strategy the LEA is using to impact a specified set of metrics is working and increase transparency for stakeholders. LEAs are encouraged to use such an approach when goals include multiple actions and metrics that are not closely associated.
- Describe any changes made to this goal, expected outcomes, metrics, or actions to achieve this goal as a result of this analysis and analysis of the data provided in the Dashboard or other local data, as applicable.

## **Increased or Improved Services for Foster Youth, English Learners, and Low-Income Students**

### **Purpose**

A well-written Increased or Improved Services section provides stakeholders with a comprehensive description, within a single dedicated section, of how an LEA plans to increase or improved services for its unduplicated students as compared to all students and how LEA-wide or schoolwide actions identified for this purpose meet regulatory requirements. Descriptions provided should include sufficient detail yet be sufficiently succinct to promote a broader understanding of stakeholders to facilitate their ability to provide input. An LEA's description in this section must align with the actions included in the Goals and Actions section as contributing.

### **Requirements and Instructions**

This section must be completed for each LCAP year.

When developing the LCAP in year 2 or year 3, copy the "Increased or Improved Services" section and enter the appropriate LCAP year. Using the copy of the section, complete the section as required for the relevant LCAP year. Retain all prior year sections for each of the three years within the LCAP.

**Percentage to Increase or Improve Services:** Identify the percentage by which services for unduplicated pupils must be increased or improved as compared to the services provided to all students in the LCAP year as calculated pursuant to 5 CCR Section 15496(a)(7).

**Increased Apportionment based on the enrollment of Foster Youth, English Learners, and Low-Income Students:** Specify the estimate of the amount of funds apportioned on the basis of the number and concentration of unduplicated pupils for the LCAP year.

**Required Descriptions:**

**For each action being provided to an entire school, or across the entire school district or county office of education (COE), an explanation of (1) how the needs of foster youth, English learners, and low-income students were considered first, and (2) how these actions are effective in meeting the goals for these students.**

For each action included in the Goals and Actions section as contributing to the increased or improved services requirement for unduplicated pupils and provided on an LEA-wide or schoolwide basis, the LEA must include an explanation consistent with 5 CCR Section 15496(b). For any such actions continued into the 2021–24 LCAP from the 2017–2020 LCAP, the LEA must determine whether or not the action was effective as expected, and this determination must reflect evidence of outcome data or actual implementation to date.

**Principally Directed and Effective:** An LEA demonstrates how an action is principally directed towards and effective in meeting the LEA’s goals for unduplicated students when the LEA explains how:

- It considers the needs, conditions, or circumstances of its unduplicated pupils;
- The action, or aspect(s) of the action (including, for example, its design, content, methods, or location), is based on these considerations; and
- The action is intended to help achieve an expected measurable outcome of the associated goal.

As such, the response provided in this section may rely on a needs assessment of unduplicated students.

Conclusory statements that a service will help achieve an expected outcome for the goal, without an explicit connection or further explanation as to how, are not sufficient. Further, simply stating that an LEA has a high enrollment percentage of a specific student group or groups does not meet the increase or improve services standard because enrolling students is not the same as serving students.

For example, if an LEA determines that low-income students have a significantly lower attendance rate than the attendance rate for all students, it might justify LEA-wide or schoolwide actions to address this area of need in the following way:

After assessing the needs, conditions, and circumstances of our low-income students, we learned that the attendance rate of our low-income students is 7% lower than the attendance rate for all students. (Needs, Conditions, Circumstances [Principally Directed])

In order to address this condition of our low-income students, we will develop and implement a new attendance program that is designed to address some of the major causes of absenteeism, including lack of reliable transportation and food, as well as a school

climate that does not emphasize the importance of attendance. Goal N, Actions X, Y, and Z provide additional transportation and nutritional resources as well as a districtwide educational campaign on the benefits of high attendance rates. (Contributing Action(s))

These actions are being provided on an LEA-wide basis and we expect/hope that all students with less than a 100% attendance rate will benefit. However, because of the significantly lower attendance rate of low-income students, and because the actions meet needs most associated with the chronic stresses and experiences of a socio-economically disadvantaged status, we expect that the attendance rate for our low-income students will increase significantly more than the average attendance rate of all other students. (Measurable Outcomes [Effective In])

**COEs and Charter Schools:** Describe how actions included as contributing to meeting the increased or improved services requirement on an LEA-wide basis are principally directed to and effective in meeting its goals for unduplicated pupils in the state and any local priorities as described above. In the case of COEs and charter schools, schoolwide and LEA-wide are considered to be synonymous.

## For School Districts Only:

### Actions Provided on an LEA-Wide Basis:

**Unduplicated Percentage > 55%:** For school districts with an unduplicated pupil percentage of 55% or more, describe how these actions are principally directed to and effective in meeting its goals for unduplicated pupils in the state and any local priorities as described above.

**Unduplicated Percentage < 55%:** For school districts with an unduplicated pupil percentage of less than 55%, describe how these actions are principally directed to and effective in meeting its goals for unduplicated pupils in the state and any local priorities. Also describe how the actions **are the most effective use of the funds** to meet these goals for its unduplicated pupils. Provide the basis for this determination, including any alternatives considered, supporting research, experience, or educational theory.

### Actions Provided on a Schoolwide Basis:

School Districts must identify in the description those actions being funded and provided on a schoolwide basis, and include the required description supporting the use of the funds on a schoolwide basis.

**For schools with 40% or more enrollment of unduplicated pupils:** Describe how these actions are principally directed to and effective in meeting its goals for its unduplicated pupils in the state and any local priorities.

**For school districts expending funds on a schoolwide basis at a school with less than 40% enrollment of unduplicated pupils:** Describe how these actions are principally directed to and how the actions are the most effective use of the funds to meet its goals for foster youth, English learners, and low-income students in the state and any local priorities.

**“A description of how services for foster youth, English learners, and low-income students are being increased or improved by the percentage required.”**

Consistent with the requirements of 5 CCR Section 15496, describe how services provided for unduplicated pupils are increased or improved by at least the percentage calculated as compared to the services provided for all students in the LCAP year. To improve services means to grow services in quality and to increase services means to grow services in quantity. Services are increased or improved by those actions in the LCAP that are included in the Goals and Actions section as contributing to the increased or improved services requirement. This description must address how these action(s) are expected to result in the required proportional increase or improvement in services for unduplicated pupils as compared to the services the LEA provides to all students for the relevant LCAP year.

## Expenditure Tables

Complete the Data Entry table for each action in the LCAP. The information entered into this table will automatically populate the other Expenditure Tables. All information is entered into the Data Entry table. Do not enter data into the other tables.

The following expenditure tables are required to be included in the LCAP as adopted by the local governing board or governing body:

- Table 1: Actions
- Table 2: Total Expenditures
- Table 3: Contributing Expenditures
- Table 4: Annual Update Expenditures

The Data Entry table may be included in the LCAP as adopted by the local governing board or governing body, but is not required to be included.

In the Data Entry table, provide the following information for each action in the LCAP for the relevant LCAP year:

- **Goal #:** Enter the LCAP Goal number for the action.
- **Action #:** Enter the action's number as indicated in the LCAP Goal.
- **Action Title:** Provide a title of the action.
- **Student Group(s):** Indicate the student group or groups who will be the primary beneficiary of the action by entering "All", or by entering a specific student group or groups.
- **Increased / Improved:** Type "Yes" if the action is included as contributing to meeting the increased or improved services; OR, type "No" if the action is **not** included as contributing to meeting the increased or improved services.
- If "Yes" is entered into the Contributing column, then complete the following columns:

- **Scope:** The scope of an action may be LEA-wide (i.e. districtwide, countywide, or charterwide), schoolwide, or limited. An action that is LEA-wide in scope upgrades the entire educational program of the LEA. An action that is schoolwide in scope upgrades the entire educational program of a single school. An action that is limited in its scope is an action that serves only one or more unduplicated student groups.
- **Unduplicated Student Group(s):** Regardless of scope, contributing actions serve one or more unduplicated student groups. Indicate one or more unduplicated student groups for whom services are being increased or improved as compared to what all students receive.
- **Location:** Identify the location where the action will be provided. If the action is provided to all schools within the LEA, the LEA must indicate “All Schools”. If the action is provided to specific schools within the LEA or specific grade spans only, the LEA must enter “Specific Schools” or “Specific Grade Spans”. Identify the individual school or a subset of schools or grade spans (e.g., all high schools or grades K-5), as appropriate.
- **Time Span:** Enter “ongoing” if the action will be implemented for an indeterminate period of time. Otherwise, indicate the span of time for which the action will be implemented. For example, an LEA might enter “1 Year”, or “2 Years”, or “6 Months”.
- **Personnel Expense:** This column will be automatically calculated based on information provided in the following columns:
  - **Total Personnel:** Enter the total amount of personnel expenditures utilized to implement this action.
  - **Total Non-Personnel:** This amount will be automatically calculated.
- **LCFF Funds:** Enter the total amount of LCFF funds utilized to implement this action, if any. LCFF funds include all funds that make up an LEA’s total LCFF target (i.e. base grant, grade span adjustment, supplemental grant, concentration grant, Targeted Instructional Improvement Block Grant, and Home-To-School Transportation).
- **Other State Funds:** Enter the total amount of Other State Funds utilized to implement this action, if any.
- **Local Funds:** Enter the total amount of Local Funds utilized to implement this action, if any.
- **Federal Funds:** Enter the total amount of Federal Funds utilized to implement this action, if any.
- **Total Funds:** This amount is automatically calculated based on amounts entered in the previous four columns.

## 2021-22 LCFF Budget Overview for Parents Data Input Sheet

<b>Local Educational Agency (LEA) Name:</b>	Magnolia Science Academy-6
<b>CDS Code:</b>	19-64733-0117648
<b>LEA Contact Information:</b>	Name: John Terzi Position: Principal Email: jterzi@magnoliapublicschools.org Phone: (310) 842-8555
<b>Coming School Year:</b>	2021-22
<b>Current School Year:</b>	2020-21

\*NOTE: The "High Needs Students" referred to in the tables below are Unduplicated Students for LCFF funding purposes.

<b>Projected General Fund Revenue for the 2021-22 School Year</b>	<b>Amount</b>
<b>Total LCFF Funds</b>	\$852,263
<b>LCFF Supplemental &amp; Concentration Grants</b>	\$208,968
<b>All Other State Funds</b>	\$200,022
<b>All Local Funds</b>	\$20,000
<b>All federal funds</b>	\$650,517
<b>Total Projected Revenue</b>	\$1,722,802

<b>Total Budgeted Expenditures for the 2021-22 School Year</b>	<b>Amount</b>
<b>Total Budgeted General Fund Expenditures</b>	\$1,673,885
<b>Total Budgeted Expenditures in the LCAP</b>	\$1,673,885
<b>Total Budgeted Expenditures for High Needs Students in the LCAP</b>	\$546,579
<b>Expenditures not in the LCAP</b>	\$0

<b>Expenditures for High Needs Students in the 2020-21 School Year</b>	<b>Amount</b>
<b>Total Budgeted Expenditures for High Needs Students in the Learning Continuity Plan</b>	\$224,600
<b>Actual Expenditures for High Needs Students in Learning Continuity Plan</b>	\$209,917

<b>Funds for High Needs Students</b>	<b>Amount</b>
<b>2021-22 Difference in Projected Funds and Budgeted Expenditures</b>	\$337,611
<b>2020-21 Difference in Budgeted and Actual Expenditures</b>	\$-14,683

<b>Required Prompts(s)</b>	<b>Response(s)</b>
<b>Briefly describe any of the General Fund Budget Expenditures for the school year not included in the Local Control and Accountability Plan (LCAP).</b>	All general fund budget expenditures have been included in the LCAP.
<b>The total actual expenditures for actions and services to increase or improve services for high needs students in 2020-21 is less than the total budgeted</b>	As explained in the LCP analysis, the differences are minor and mainly due to savings since the school was in distance learning most of the year. The planned actions and services were fully provided to high needs students.

**expenditures for those planned actions and services. Briefly describe how this difference impacted the actions and services and the overall increased or improved services for high needs students in 2020-21.**

--

## LCFF Budget Overview for Parents

Local Educational Agency (LEA) Name: Magnolia Science Academy-6

CDS Code: 19-64733-0117648

School Year: 2021-22

LEA contact information:

John Terzi

Principal

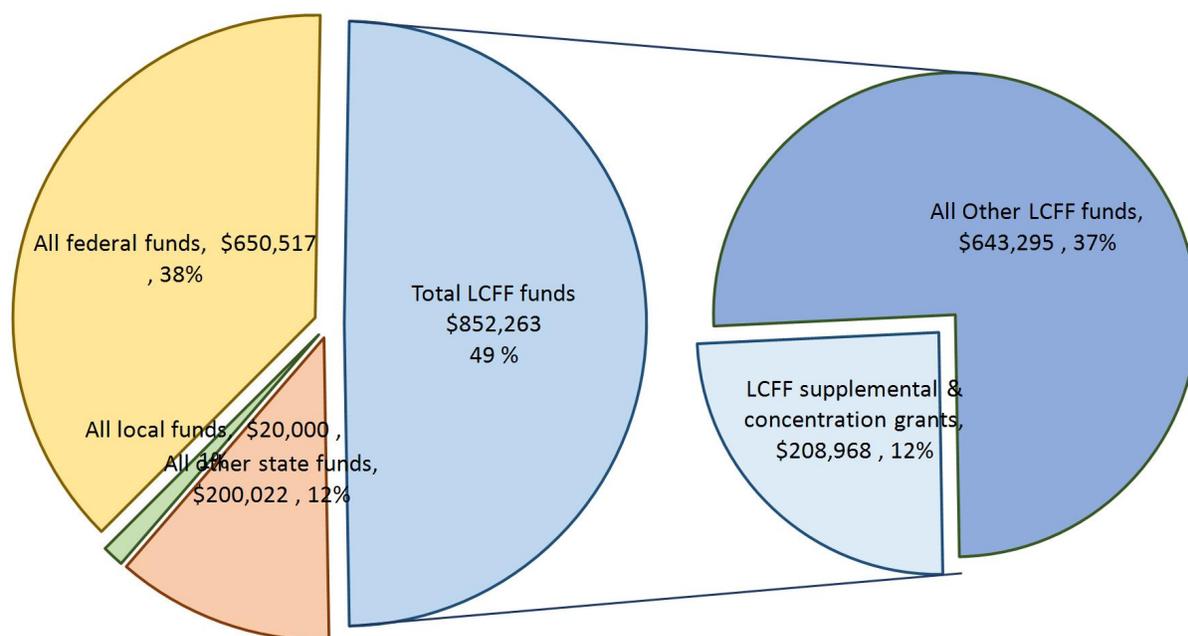

[jterzi@magnoliapublicschools.org](mailto:jterzi@magnoliapublicschools.org)

(310) 842-8555

School districts receive funding from different sources: state funds under the Local Control Funding Formula (LCFF), other state funds, local funds, and federal funds. LCFF funds include a base level of funding for all LEAs and extra funding - called "supplemental and concentration" grants - to LEAs based on the enrollment of high needs students (foster youth, English learners, and low-income students).

### Budget Overview for the 2021-22 School Year

#### Projected Revenue by Fund Source

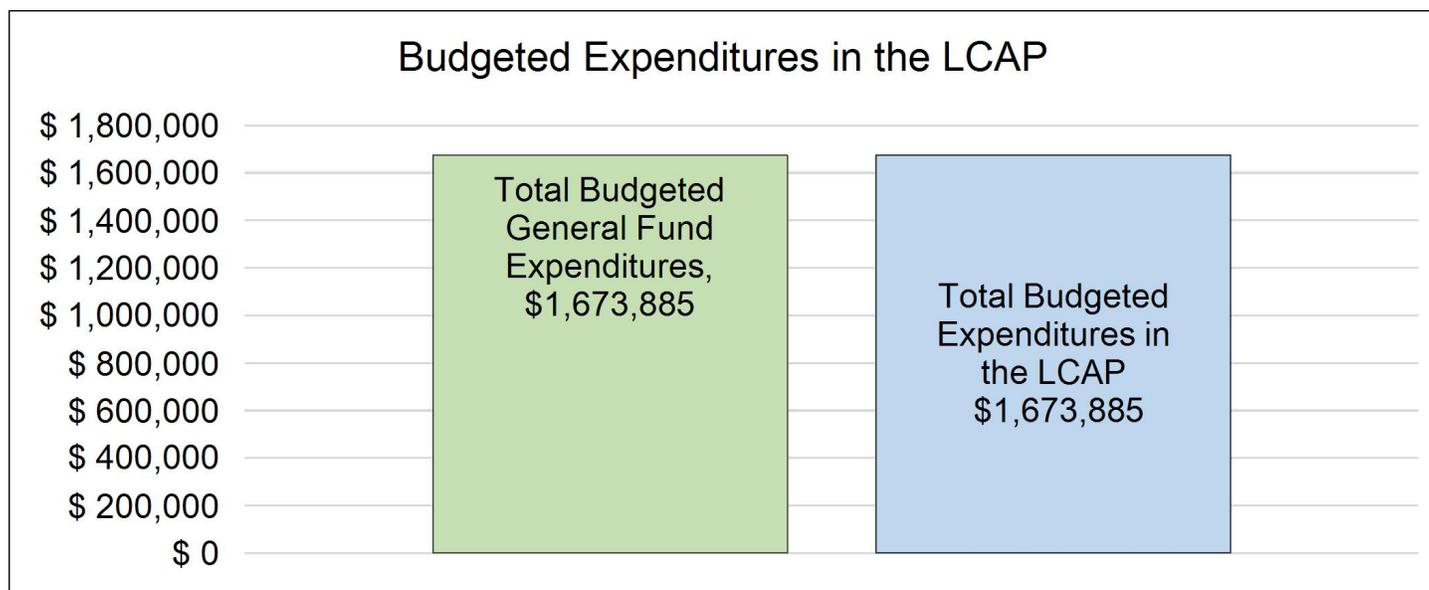

This chart shows the total general purpose revenue Magnolia Science Academy-6 expects to receive in the coming year from all sources.

The total revenue projected for Magnolia Science Academy-6 is \$1,722,802, of which \$852,263 is Local Control Funding Formula (LCFF), \$200,022 is other state funds, \$20,000 is local funds, and \$650,517 is

federal funds. Of the \$852,263 in LCFF Funds, \$208,968 is generated based on the enrollment of high needs students (foster youth, English learner, and low-income students).

## LCFF Budget Overview for Parents

The LCFF gives school districts more flexibility in deciding how to use state funds. In exchange, school districts must work with parents, educators, students, and the community to develop a Local Control and Accountability Plan (LCAP) that shows how they will use these funds to serve students.

This chart provides a quick summary of how much Magnolia Science Academy-6 plans to spend for 2021-22. It shows how much of the total is tied to planned actions and services in the LCAP.

Magnolia Science Academy-6 plans to spend \$1,673,885 for the 2021-22 school year. Of that amount, \$1,673,885 is tied to actions/services in the LCAP and \$0 is not included in the LCAP. The budgeted expenditures that are not included in the LCAP will be used for the following:

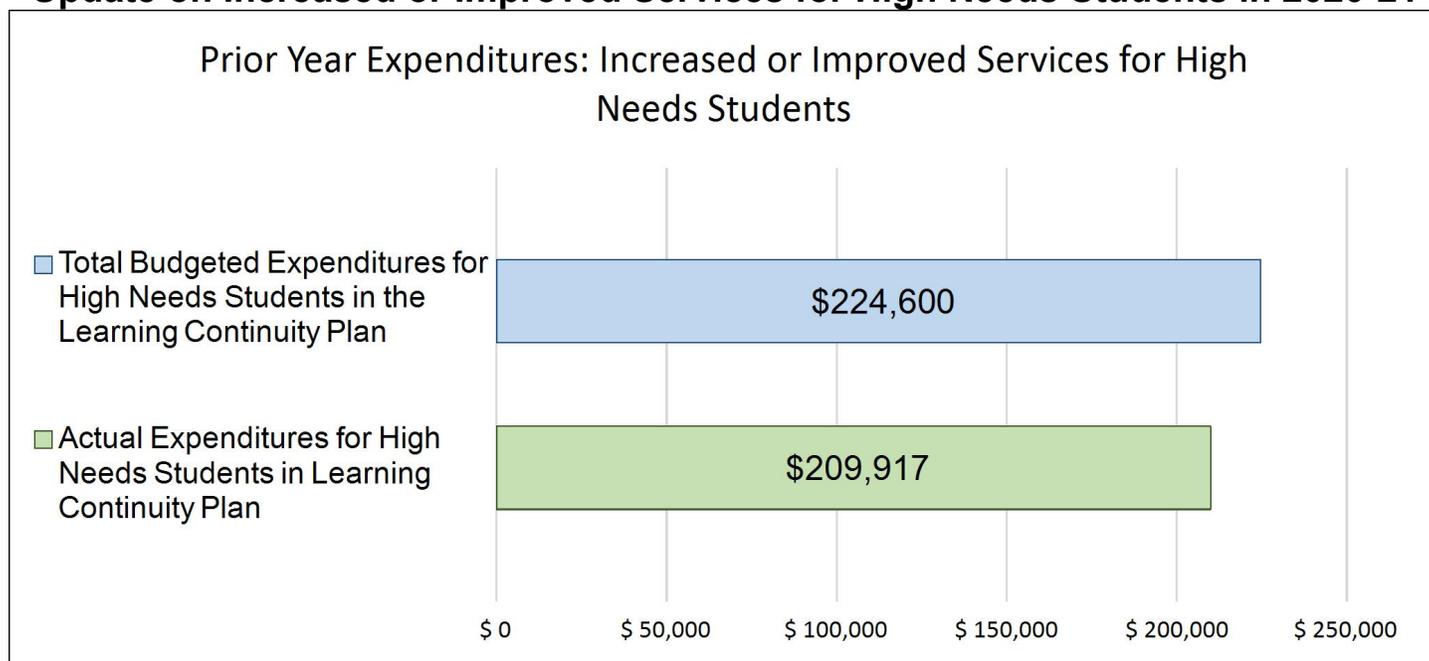

All general fund budget expenditures have been included in the LCAP.

### Increased or Improved Services for High Needs Students in the LCAP for the 2021-22 School Year

In 2021-22, Magnolia Science Academy-6 is projecting it will receive \$208,968 based on the enrollment of foster youth, English learner, and low-income students. Magnolia Science Academy-6 must describe how it intends to increase or improve services for high needs students in the LCAP. Magnolia Science Academy-6 plans to spend \$546,579 towards meeting this requirement, as described in the LCAP.

## LCFF Budget Overview for Parents

### Update on Increased or Improved Services for High Needs Students in 2020-21

This chart compares what Magnolia Science Academy-6 budgeted last year in the Learning Continuity Plan for actions and services that contribute to increasing or improving services for high needs students with what Magnolia Science Academy-6 estimates it has spent on actions and services that contribute to increasing or improving services for high needs students in the current year.

In 2020-21, Magnolia Science Academy-6's Learning Continuity Plan budgeted \$224,600 for planned actions to increase or improve services for high needs students. Magnolia Science Academy-6 actually spent \$209,917 for actions to increase or improve services for high needs students in 2020-21.

As explained in the LCP analysis, the differences are minor and mainly due to savings since the school was in distance learning most of the year. The planned actions and services were fully provided to high needs students.

# Annual Update for Developing the 2021-22 Local Control and Accountability Plan

## Annual Update for the 2019–20 Local Control and Accountability Plan Year

LEA Name	Contact Name and Title	Email and Phone
Magnolia Science Academy-6	John Terzi Principal	jterzi@magnoliapublicschools.org (310) 842-8555

The following is the local educational agency's (LEA's) analysis of its goals, measurable outcomes and actions and services from the 2019-20 Local Control and Accountability Plan (LCAP).

# Goal 1

EXCELLENCE: All students will pursue academic excellence and be college/career ready.

State and/or Local Priorities addressed by this goal:

State Priorities:    Priority 1: Basic (Conditions of Learning)  
                           Priority 2: State Standards (Conditions of Learning)  
                           Priority 4: Pupil Achievement (Pupil Outcomes)  
                           Priority 8: Other Pupil Outcomes (Pupil Outcomes)

Local Priorities:    N/A

## Annual Measurable Outcomes

Expected	Actual
<p><b>Metric/Indicator</b>            Percentage of teachers who will be appropriately assigned and fully credentialed as required by law and the charter</p> <p><b>19-20</b>            100%</p> <p><b>Baseline</b>            100%</p>	<p>2019-20:            100%</p>
<p><b>Metric/Indicator</b>            Percentage of students who will have sufficient access to standards-aligned instructional materials</p> <p><b>19-20</b>            100%</p> <p><b>Baseline</b>            100%</p>	<p>2019-20:            100%</p>
<p><b>Metric/Indicator</b>            Percentage of items on facility inspection checklists in compliance/good standing</p> <p><b>19-20</b></p>	<p>2019-20:            100%</p>

Expected	Actual
<p>90%</p> <p><b>Baseline</b> 90%</p>

## Goal Analysis

A description of how funds budgeted for Actions/Services that were not implemented were used to support students, families, teachers, and staff.

Goal 1, Action 1: BTSA - Budgeted was \$7000 and the Actual was \$4000. We had budgeted more money in case of hiring a first year teacher without a cleared credential, but the new teacher we hired had a clear credential so we only ended up supporting one teacher with finishing her BTSA program; EL Authorization - in case of hiring an outside of State teacher who would need EL authorization, we budgeted this expense but the new teacher had her EL.

Goal 1, Action 2: Textbooks - Budgeted was \$5000 and the Actual was \$4000. We adopted State's Next Generation Science Standards (NGSS) and purchased McGraw Hill's CA Inspire science books. Due to our agreement with McGraw Hill, we purchased next year's books and paid next year's books too; Instructional materials - Due to school closures in mid March, we couldn't spend some of the money for the materials.

Goal 1, Action 3: Janitorial Supplies - Budgeted was \$2500 and the Actual was \$1250. We didn't spend all money due to school closure caused by COVID-19.

Goal 1, Action 4: TeachBoost fees - Budgeted was \$1664 and the Actual was \$1755. Our evaluation program's Teachboost fee increased little bit this year.

Goal 1, Action 6: Budgeted was \$1000 and the Actual was \$0. Professional Development on ELD Strategies - The scheduled PDs were cancelled due to closures caused by COVID-19

Goal 1, Action 7: Budgeted was \$6600 and the Actual was \$7200 Teacher aide salary - We hired a full time hourly teacher aide in order to support all students. That caused little increase for her benefits. However, due to her personal hours and school closures she had less hours and we didn't finish the budgeted amount.

Goal 1, Action 8: Budgeted was \$22750 and the Actual was \$18425. After school teacher stipends - We spent less money for after-school due to school closure caused by COVID-19.

Goal 1, Action 9: Illuminate SIS &DnA and NWEA (MAP testing fees) - We spent less money due to having less students for these services.

A description of the successes and challenges in implementing the actions/services to achieve the goal.

We have implemented all of the actions/services described above to achieve our EXCELLENCE goal. We are compliant with our teacher assignments; we offer standards-based instruction and our students have sufficient access to standards-aligned instructional materials; we do facility inspections periodically; we regularly review student performance data and progress towards targets with our staff and continue to provide additional support and intervention to all students, including ELs, during the school day, after school hours, and during Saturday School; we provide our ELs with designated and integrated EL instruction. We also provide ELD class for ELs on a daily basis. Students attended field trips and participated in school events that promoted college and career readiness such as CA science center field trip, school-wide science fair, etc.

## Goal 2

INNOVATION: All students will become independent, innovative scholars.

State and/or Local Priorities addressed by this goal:

State Priorities: Priority 7: Course Access (Conditions of Learning)  
Priority 8: Other Pupil Outcomes (Pupil Outcomes)

Local Priorities: N/A

### Annual Measurable Outcomes

## Goal Analysis

A description of how funds budgeted for Actions/Services that were not implemented were used to support students, families, teachers, and staff.

Goal 2, Action 1: We budgeted \$511883 and the actual was \$615821. Teacher salaries and benefits - We spent more money for the salaries and benefits due to salary increases of staff. We also hired a veteran teacher whose salary was little higher than others;

Online programs - We budgeted \$13366 and the actual was \$12437. We spent less money because we had less students this year;

Field Trips - We budgeted \$10000 and the actual was \$5053. less money was spent due to school closure caused by COVID-19.

Goal 2, Action 4: We budgeted \$93073 and the actual was \$63773. Computer/Technology teacher salary and benefits - Computer class taught by a beginning teacher and we spent less money for her salary and benefits;

Computers and Technology expenses - We budgeted \$29300 and the actual was \$19542. Due to having less students this year, we didn't have to purchase many Chromebooks and spent less money.

Goal 2, Action 5: We budgeted \$5000 and the actual was \$550. We couldn't use the budgeted money for STEAM Expo project supplies and materials due to the school closure caused by COVID-19.

A description of the successes and challenges in implementing the actions/services to achieve the goal.

We will maintain our goal and expected outcomes, metrics, and actions and services. We have updated our budget for the upcoming school year based on technology needs and input from all stakeholders. We will continue to provide all the actions/services for this goal with minor adjustments based on student and school needs. The updated outcomes and actions/services can be found in the Goals, Actions, & Services section of the LCAP.

## Goal 3

CONNECTION: All students, families, staff, and other stakeholders will feel a sense of community and connectedness.

State and/or Local Priorities addressed by this goal:

State Priorities:    Priority 3: Parental Involvement (Engagement)  
                           Priority 5: Pupil Engagement (Engagement)  
                           Priority 6: School Climate (Engagement)

Local Priorities:    N/A

Planned Actions/Services	Budgeted Expenditures	Actual Expenditures
<p><b>For Actions/Services included as contributing to meeting the Increased or Improved Services Requirement:</b></p> <p><b>Students to be Served</b>  English Learners  Foster Youth  Low Income</p> <p><b>Scope of Services</b>  LEA-wide</p> <p><b>Locations</b>  All Schools</p>		
<p>Charter School will annually administer school experience surveys to students, parents, and staff.</p> <p><b>For Actions/Services not included as contributing to meeting the Increased or Improved Services Requirement:</b></p> <p><b>Students to be Served</b>  All</p> <p><b>Location(s)</b>  All Schools</p>	<p>\$563 Panorama Education surveys (5000)(Base) 5000-5999: Services And Other Operating Expenditures LCFF Base \$563</p>	<p>\$578 Panorama Education surveys (5000)(Base) 5000-5999: Services And Other Operating Expenditures LCFF Base \$578</p>

## Goal Analysis

A description of how funds budgeted for Actions/Services that were not implemented were used to support students, families, teachers, and staff.

Goal 3, Action 1: Parent meeting expenses - We budgeted \$2000 and spent \$1120. We have differences between Budgeted and Estimated Actual Expenditures due to the pandemic and shifting from in-person meetings to online meetings.

Goal 3, Action 2: Parent activities/events expenses - We budgeted \$1000 and spent \$73. We had to cancel some parent activities due to COVID-19.

Goal 3, Action 3: ParentSquare - We budgeted \$1000 and spent \$780. We only have minor differences between Budgeted and Estimated Actual Expenditures.

Goal 3, Action 4: Home visit compensation and benefits - We budgeted \$5000 and spent \$6650. We spent more money because we had to do more home visits. Some students were not engaging during school closure and our staff visited them to check in.

Goal 3, Action 5: School counselors by CSUN - We budgeted \$41000 and spent \$37825. After school closures, we couldn't work with CSUN counselors and spent less money for this service.

Goal 3, Action 6: Office Manager and Office Clerk salaries - We budgeted \$25915 and spent \$19185. Our office clerk was working hourly and she couldn't work with her regular hours during school closure.

Goal 3, Action 8: PD on PBIS, restorative practices, classroom management - We budgeted \$1000 and spent \$0. PD's were scheduled for Spring semester but due to COVID-19, all PD's were cancelled

A description of the successes and challenges in implementing the actions/services to achieve the goal.

We will maintain our goal and the majority of our expected outcomes, metrics, and actions and services. We have updated our annual measurable outcomes for school experience survey average approval rates. Based on input from all stakeholders, we will continue to hold events that promote parental participation as well as parent training activities such as Parent College. We will continue to use positive reinforcement, recognize positive student behavior and restorative practices. We will continue to offer PD to our teachers on classroom management and student engagement procedures to help create an atmosphere of trust, respect, and high expectations.

## Annual Update for the 2020–21 Learning Continuity and Attendance Plan

The following is the local educational agency's (LEA's) analysis of its 2020-21 Learning Continuity and Attendance Plan (Learning Continuity Plan).

### In-Person Instructional Offerings

#### Actions Related to In-Person Instructional Offerings

Description	Total Budgeted Funds	Estimated Actual Expenditures	Contributing
Addition of a Certified Nurses Assistant on-site 6 hours/day to provide health screenings and temperature checks for staff, students and parents/visitors	\$50,000	23,000	No
Deep Cleaning and Disinfecting of Campus	\$5,000	5,000	No
Purchase of necessary Personal Protective Equipment for students and staff	\$12,000	12,000	No
Hiring of additional SPED teacher and SPED Aide to support learning loss for our students with learning disabilities	\$95,000	95,000	Yes
Hiring of a Teacher Aide to support English Learners in their ELD class	\$20,000	15,000	Yes

A description of any substantive differences between the planned actions and/or budgeted expenditures for in-person instruction and what was implemented and/or expended on the actions.

1. We budgeted 50,000 but only spent 23,000. Due to the number of cases and the school closure, we did not have access to the school site and the nurse could not work.
5. We budgeted 20,000 but only spend 15,000. We were unable to find another ELD teacher aide to help assist in the ELD classes.

## Analysis of In-Person Instructional Offerings

A description of the successes and challenges in implementing in-person instruction in the 2020-21 school year.

During the first semester, the vendor who provided a CNA was having a hard time filling the position. We finally found a stable CNA at our school around the end of the 1st semester and is currently still working with us.

Finding another ELD teacher aide has been difficult to find and therefore we were left with having one teacher aide instead of two and having another teacher who was able to help out.

## Distance Learning Program

### Actions Related to the Distance Learning Program

Description	Total Budgeted Funds	Estimated Actual Expenditures	Contributing
Purchase of 120 additional Chromebooks	\$34,000	34,000	Yes
Online learning programs for effective remote Math and ELA instruction: BrainPop, myON reading program, NextGen Math and IXL.com	\$20,000	20,000	Yes
Staff PD related to distance learning and technology integrated instruction	\$5,000	4,559	Yes
20 WiFi Hotspots to ensure connectivity for all students	\$4400	3,810	Yes

A description of any substantive differences between the planned actions and/or budgeted expenditures for the distance learning program and what was implemented and/or expended on the actions.

There are no substantive differences for any of the actions.

### Analysis of the Distance Learning Program

A description of the successes and challenges in implementing each of the following elements of the distance learning program in the 2020-21 school year, as applicable: Continuity of Instruction, Access to Devices and Connectivity, Pupil Participation and Progress, Distance Learning Professional Development, Staff Roles and Responsibilities, and Support for Pupils with Unique Needs.

During Distance Learning, we needed to make sure that we had enough chromebooks for the remaining part of the year and for next year. Students were often coming back with broken chromebooks.  
 Because of Distance Learning, we needed to have a lot of educational software that is digital.  
 We needed to make sure that we have some sort of PD (KAGAN) to help us with the new software and technology.  
 Hotspots were also purchased to help students who did not have wifi at home or who needed more bandwidth.

## Pupil Learning Loss

### Actions Related to the Pupil Learning Loss

Description	Total Budgeted Funds	Estimated Actual Expenditures	Contributing
Saturday School program to support students with learning loss and intervention	\$20,000	15,000	Yes
NWEA MAP Online Assessment Program to monitor student's progress in ELA and Math	\$2,000	1,848	Yes
Summer School Program was provided virtually in July 2020 to provide additional academic support to close students' curriculum gaps	\$12,000	12,000	Yes

A description of any substantive differences between the planned actions and/or budgeted expenditures for addressing pupil learning loss and what was implemented and/or expended on the actions.

1. We budgeted 20,000 but only spend 15,000. We were unable to have enough Saturday school sessions and we did not have enough teachers for each Saturday school.

### Analysis of Pupil Learning Loss

A description of the successes and challenges in addressing Pupil Learning Loss in the 2020-21 school year and an analysis of the effectiveness of the efforts to address Pupil Learning Loss to date.

Everything was pretty close to budget except for Saturday school. Although we did do a lot of Saturday school sessions, we could have done more by starting earlier in the school year. Another factor to this was the teacher participation on Saturdays. A lot of teachers were fatigued throughout the week and needed to rest during the weekend.

## **Analysis of Mental Health and Social and Emotional Well-Being**

A description of the successes and challenges in monitoring and supporting mental health and social and emotional well-being in the 2020-21 school year.

This year, 2020-2021, we were able to implement a book that talks about SEL. This book, The Zones of Regulation, was taught by our PE teacher, who changed his PE classes to Health and Wellness. The students met twice a week with the Health and Wellness coach which gave students a chance to express how they were doing this school year and for the teacher to gauge how the school is doing.

## **Analysis of Pupil and Family Engagement and Outreach**

A description of the successes and challenges in implementing pupil and family engagement and outreach in the 2020-21 school year.

This year we had to do a lot of Zoom meetings to engage and outreach our community. We were able to do all of the Coffee with the Principal meetings, ELAC meetings, SSC meetings, and other meetings that the school wanted the parents to be a part of.

## **Analysis of School Nutrition**

A description of the successes and challenges in providing school nutrition in the 2020-21 school year.

This year we were able to work continuously throughout the pandemic with our food vendor, Better 4 you meals. We were able to serve the students and families on Tuesdays and Thursdays. If, this were to happen again, we would like for our families to have food 5 days a week.

## Additional Actions and Plan Requirements

### Additional Actions to Implement the Learning Continuity Plan

Section	Description	Total Budgeted Funds	Estimated Actual Expenditures	Contributing
Mental Health and Social and Emotional Well-Being	Purchase and training for Zones of Regulation SEL curriculum	\$700	700	Yes
Mental Health and Social and Emotional Well-Being	Participation in PD's to support SEL and development, including LACOE's PBIS Program 2020-21	\$2,500	0	Yes
Mental Health and Social and Emotional Well-Being	Counseling for students & families through CSUN Mitchell Family Clinic	\$6,000	6,000	Yes
Distance Learning Program (Staff Roles and Responsibilities)	Reimbursement for Essential employees for internet and phone usage during distance and hybrid learning	\$3,000	2,000	Yes

A description of any substantive differences between the planned actions and budgeted expenditures for the additional plan requirements and what was implemented and expended on the actions.

Action 2: We budgeted \$2,500 but spend \$0. We were unable to do the PBIS program due to the pandemic.

Action 4: We budgeted \$3000 but spend \$2000. We are reimbursing our staff for their internet and phone use during the pandemic. We had a staff member leave in the middle of the first semester, which may have affected the actual expenditures.

### Overall Analysis

An explanation of how lessons learned from implementing in-person and distance learning programs in 2020-21 have informed the development of goals and actions in the 2021–24 LCAP.

Considering all of our answers, how did we do with implementing dl programs and in-person programs...

We are happy that we were able to change our lesson plans so that they would be more engaging for our students on zoom. We were able to utilize different resources to help with the engagement like PearDeck, quizziz/kahoot...etc. We were all able to understand our digital curriculum and able to implement it with a deeper level of understanding.

We found out that Zoom fatigue is real. It took a toll on all of our health in some manner. We are happy to see the students come back to school, in-person, for hybrid instruction, but this also brought challenges as well. Teachers are now adapting to teaching simultaneously online and for in-person students. However, they are adapting pretty well.

The breaks in between the classes were set for 10 minutes. However, this seems very short since we all have a fun time playing games with one another, since we have not been able to do that since the beginning of the pandemic.

Block schedules were implemented this year for our school year. This is different from our regular 50 minute classes that we did in the past. We hope that we are able to learn from this and create a new and improved schedule for the upcoming school years.

An explanation of how pupil learning loss continues to be assessed and addressed in the 2021–24 LCAP, especially for pupils with unique needs.

Learning loss will be assessed with our MAP testing (at the beginning and at the end of the school year) and any other formative assessments that the teachers will give throughout the year. We plan on keeping our tutoring sessions, which are after-school, and our Saturday school sessions, that we plan to do earlier and end later in the school year. In addition, we are also trying to provide summer school to close the gap for any learning loss.

A description of any substantive differences between the description of the actions or services identified as contributing towards meeting the increased or improved services requirement and the actions or services implemented to meet the increased or improved services requirement.

#### PUPIL LEARNING LOSS

Action 1. We budgeted 20,000 but only spend 15,000. We were unable to have enough Saturday school sessions and we did not have enough teachers for each Saturday school.

#### IN-PERSON LEARNING INSTRUCTIONAL OFFERINGS

Action 5. We budgeted 20,000 but only spend 15,000. We were unable to find another ELD teacher aide to help assist in the ELD classes.

#### ADDITIONAL ACTIONS

Action 2: Professional Development: We budgeted \$2,500 but spend \$0. We were unable to do the PBIS program due to the pandemic.

Action 4: Reimbursement for Internet and phone usage: We budgeted \$3000 but spend \$2000. We are reimbursing our staff for their internet and phone use during the pandemic. We had a staff member leave in the middle of the first semester, which may have affected the actual expenditures.

## Overall Analysis of the 2019-20 LCAP and the 2020-21 Learning Continuity and Attendance Plan

A description of how the analysis and reflection on student outcomes in the 2019-20 LCAP and 2020-21 Learning Continuity and Attendance Plan have informed the development of the 21-22 through 23-24 LCAP.

### 2020-2021 Description and Analysis:

We are happy that we were able to change our lesson plans so that they would be more engaging for our students on zoom. We were able to utilize different resources to help with the engagement like PearDeck, quizziz/kahoot...etc. We were all able to understand our digital curriculum and able to implement it with a deeper level of understanding.

We found out that Zoom fatigue is real. It took a toll on all of our health in some manner. We are happy to see the students come back to school, in-person, for hybrid instruction, but this also brought challenges as well. Teachers are now adapting to teaching simultaneously online and for in-person students. However, they are adapting pretty well.

The breaks in between the classes were set for 10 minutes. However, this seems very short since we all have a fun time playing games with one another, since we have not been able to do that since the beginning of the pandemic.

Block schedules were implemented this year for our school year. This is different from our regular 50 minute classes that we did in the past. We hope that we are able to learn from this and create a new and improved schedule for the upcoming school years.

### 2019-2020 Description and Analysis:

We have implemented all of the actions/services described above to achieve our EXCELLENCE goal. We are compliant with our teacher assignments; we offer standards-based instruction and our students have sufficient access to standards-aligned instructional materials; we do facility inspections periodically; we regularly review student performance data and progress towards targets with our staff and continue to provide additional support and intervention to all students, including ELs, during the school day, after school hours, and during Saturday School; we provide our ELs with designated and integrated EL instruction. We also provide ELD class for ELs on a daily basis. Students attended field trips and participated in school events that promoted college and career readiness such as CA science center field trip, school-wide science fair, etc.

We will maintain our goal and expected outcomes, metrics, and actions and services. We have updated our budget for the upcoming school year based on technology needs and input from all stakeholders. We will continue to provide all the actions/services for this goal with minor adjustments based on student and school needs. The updated outcomes and actions/services can be found in the Goals, Actions, & Services section of the LCAP.

We will maintain our goal and the majority of our expected outcomes, metrics, and actions and services. We have updated our annual measurable outcomes for school experience survey average approval rates. Based on input from all stakeholders, we will continue to

hold events that promote parental participation as well as parent training activities such as Parent College. We will continue to use positive reinforcement, recognize positive student behavior and restorative practices. We will continue to offer PD to our teachers on classroom management and student engagement procedures to help create an atmosphere of trust, respect, and high expectations.

## Instructions: Introduction

The Annual Update Template for the 2019-20 Local Control and Accountability Plan (LCAP) and the Annual Update for the 2020–21 Learning Continuity and Attendance Plan must be completed as part of the development of the 2021-22 LCAP. In subsequent years, the Annual Update will be completed using the LCAP template and expenditure tables adopted by the State Board of Education.

*For additional questions or technical assistance related to the completion of the LCAP template, please contact the local COE, or the California Department of Education's (CDE's) Local Agency Systems Support Office by phone at 916-319-0809 or by email at [lcff@cde.ca.gov](mailto:lcff@cde.ca.gov).*

## Instructions: Annual Update for the 2019–20 Local Control and Accountability Plan Year Annual Update

The planned goals, state and/or local priorities, expected outcomes, actions/services, and budgeted expenditures must be copied verbatim from the approved 2019-20 Local Control and Accountability Plan (LCAP). Minor typographical errors may be corrected. Duplicate the Goal, Annual Measurable Outcomes, Actions / Services and Analysis tables as needed.

For each goal in 2019-20, identify and review the actual measurable outcomes as compared to the expected annual measurable outcomes identified in 2019-20 for the goal. If an actual measurable outcome is not available due to the impact of COVID-19 provide a brief explanation of why the actual measurable outcome is not available. If an alternative metric was used to measure progress towards the goal, specify the metric used and the actual measurable outcome for that metric.

Identify the planned Actions/Services, the budgeted expenditures to implement these actions toward achieving the described goal and the actual expenditures to implement the actions/services.

### Goal Analysis

Using available state and local data and input from parents, students, teachers, and other stakeholders, respond to the prompts as instructed.

- If funds budgeted for Actions/Services that were not implemented were expended on other actions and services through the end of the school year, describe how the funds were used to support students, including low-income, English learner, or foster youth students, families, teachers and staff. This description may include a description of actions/services implemented to mitigate the impact of COVID-19 that were not part of the 2019-20 LCAP.

- Describe the overall successes and challenges in implementing the actions/services. As part of the description, specify which actions/services were not implemented due to the impact of COVID-19, as applicable. To the extent practicable, LEAs are encouraged to include a description of the overall effectiveness of the actions/services to achieve the goal.

## **Instructions: Annual Update for the 2020–21 Learning Continuity and Attendance Plan**

### **Annual Update**

The action descriptions and budgeted expenditures must be copied verbatim from the 2020-21 Learning Continuity and Attendance Plan. Minor typographical errors may be corrected.

### **Actions Related to In-Person Instructional Offerings**

- In the table, identify the planned actions and the budgeted expenditures to implement actions related to in-person instruction and the estimated actual expenditures to implement the actions. Add additional rows to the table as needed.
- Describe any substantive differences between the planned actions and/or budgeted expenditures for in-person instruction and what was implemented and/or expended on the actions, as applicable.
- Using available state and/or local data and feedback from stakeholders, including parents, students, teachers and staff, describe the successes and challenges experienced in implementing in-person instruction in the 2020-21 school year, as applicable. If in-person instruction was not provided to any students in 2020-21, please state as such.

### **Actions Related to the Distance Learning Program**

- In the table, identify the planned actions and the budgeted expenditures to implement actions related to the distance learning program and the estimated actual expenditures to implement the actions. Add additional rows to the table as needed.
- Describe any substantive differences between the planned actions and/or budgeted expenditures for the distance learning program and what was implemented and/or expended on the actions, as applicable.
- Using available state and/or local data and feedback from stakeholders, including parents, students, teachers and staff, describe the successes and challenges experienced in implementing distance learning in the 2020-21 school year in each of the following areas, as applicable:
  - Continuity of Instruction,
  - Access to Devices and Connectivity,

- Pupil Participation and Progress,
- Distance Learning Professional Development,
- Staff Roles and Responsibilities, and
- Supports for Pupils with Unique Needs, including English learners, pupils with exceptional needs served across the full continuum of placements, pupils in foster care, and pupils who are experiencing homelessness

To the extent practicable, LEAs are encouraged to include an analysis of the effectiveness of the distance learning program to date. If distance learning was not provided to any students in 2020-21, please state as such.

## **Actions Related to Pupil Learning Loss**

- In the table, identify the planned actions and the budgeted expenditures to implement actions related to addressing pupil learning loss and the estimated actual expenditures to implement the actions. Add additional rows to the table as needed.
- Describe any substantive differences between the planned actions and/or budgeted expenditures for addressing pupil learning loss and what was implemented and/or expended on the actions, as applicable.
- Using available state and/or local data and feedback from stakeholders, including parents, students, teachers and staff, describe the successes and challenges experienced in addressing Pupil Learning Loss in the 2020-21 school year, as applicable. To the extent practicable, include an analysis of the effectiveness of the efforts to address pupil learning loss, including for pupils who are English learners; low-income; foster youth; pupils with exceptional needs; and pupils who are experiencing homelessness, as applicable.

## **Analysis of Mental Health and Social and Emotional Well-Being**

- Using available state and/or local data and feedback from stakeholders, including parents, students, teachers and staff, describe the successes and challenges experienced in monitoring and supporting Mental Health and Social and Emotional Well-Being of both pupils and staff during the 2020-21 school year, as applicable.

## **Analysis of Pupil and Family Engagement and Outreach**

- Using available state and/or local data and feedback from stakeholders, including parents, students, teachers and staff, describe the successes and challenges related to pupil engagement and outreach during the 2020-21 school year, including implementing tiered reengagement strategies for pupils who were absent from distance learning and the efforts of the LEA in reaching out to pupils and their parents or guardians when pupils were not meeting compulsory education requirements or engaging in instruction, as applicable.

## **Analysis of School Nutrition**

- Using available state and/or local data and feedback from stakeholders, including parents, students, teachers and staff, describe the successes and challenges experienced in providing nutritionally adequate meals for all pupils during the 2020-21 school year, whether participating in in-person instruction or distance learning, as applicable.

## **Analysis of Additional Actions to Implement the Learning Continuity Plan**

- In the table, identify the section, the planned actions and the budgeted expenditures for the additional actions and the estimated actual expenditures to implement the actions, as applicable. Add additional rows to the table as needed.
- Describe any substantive differences between the planned actions and/or budgeted expenditures for the additional actions to implement the learning continuity plan and what was implemented and/or expended on the actions, as applicable.

## **Overall Analysis of the 2020-21 Learning Continuity and Attendance Plan**

The Overall Analysis prompts are to be responded to only once, following an analysis of the Learning Continuity and Attendance Plan.

- Provide an explanation of how the lessons learned from implementing in-person and distance learning programs in 2020-21 have informed the development of goals and actions in the 2021–24 LCAP.
  - As part of this analysis, LEAs are encouraged to consider how their ongoing response to the COVID-19 pandemic has informed the development of goals and actions in the 2021–24 LCAP, such as health and safety considerations, distance learning, monitoring and supporting mental health and social-emotional well-being and engaging pupils and families.
- Provide an explanation of how pupil learning loss continues to be assessed and addressed in the 2021–24 LCAP, especially for pupils with unique needs (including low income students, English learners, pupils with disabilities served across the full continuum of placements, pupils in foster care, and pupils who are experiencing homelessness).
- Describe any substantive differences between the actions and/or services identified as contributing towards meeting the increased or improved services requirement, pursuant to *California Code of Regulations*, Title 5 (5 CCR) Section 15496, and the actions and/or services that the LEA implemented to meet the increased or improved services requirement. If the LEA has provided a description of substantive differences to actions and/or services identified as contributing towards meeting the increased or improved services requirement within the In-Person Instruction, Distance Learning Program, Learning Loss, or Additional Actions sections of the Annual Update the LEA is not required to include those descriptions as part of this description.

## **Overall Analysis of the 2019-20 LCAP and the 2020-21 Learning Continuity and Attendance Plan**

The Overall Analysis prompt is to be responded to only once, following the analysis of both the 2019-20 LCAP and the 2020-21 Learning Continuity and Attendance Plan.

- Describe how the analysis and reflection related to student outcomes in the 2019-20 LCAP and 2020-21 Learning Continuity and Attendance Plan have informed the development of the 21-22 through 23-24 LCAP, as applicable.

California Department of Education

<b>All Expenditures in Learning Continuity and Attendance Plan</b>	\$224,600.00	\$209,917.00

# Local Control Accountability Plan

The instructions for completing the Local Control and Accountability Plan (LCAP) follow the template.

Local Educational Agency (LEA) Name	Contact Name and Title	Email and Phone
Magnolia Science Academy-6	John Terzi Principal	jterzi@magnoliapublicschools.org (310) 842-8555

## Plan Summary [2021-22]

### General Information

A description of the LEA, its schools, and its students.

Magnolia Science Academy (MSA-6 or Charter School), is a classroom-based charter school serving grades 6-8 with a curriculum emphasis on science, technology, engineering, arts and math (STEAM). Originally founded in 2009, MSA-6's mission is to provide a college preparatory educational program emphasizing STEAM in a safe environment that cultivates respect for self and others.

MSA-6 currently has 160 students in grades 6-8, and mainly draws enrollment from Palms, CA and neighboring communities. The neighborhoods that MSA-6 serves are heavily immigrant with a language other than English spoken at home. A high concentration of the families MSA-6 serves faces economic challenges. MSA-6 has a diverse enrollment, including 86% Hispanic/Latino, 9% African American, 5% White, 76% Socioeconomically Disadvantaged, 20% Special Education, and 20% English Learner population.

MSA-6 strives to graduate students who come from historically underserved neighborhoods as scientific thinkers that contribute to the global community as socially responsible and educated members of society. We offer a comprehensive learning experience designed to serve the needs of our students through effective site-based instruction, rich hands-on learning, and foundation skills presented in ways that are relevant and inspiring for our students. Classroom instruction at MSA-6 is supplemented by tutoring, after-school programs, and school-to-university links.

### Reflections: Successes

A description of successes and/or progress based on a review of the California School Dashboard (Dashboard) and local data.

SBAC scores of 2018-2019 shows a slight decline in ELA proficiency (2.5% decrease) and maintaining math proficiency (38%)

- Using and analyzing the scores with ICAs and IABs to recognize specific academic needs and addressing those needs; data-driven.
- Intervention programs were effective in providing academic supports to specific groups of students.
- Providing feedback to students on their areas of growth/need through data from MAP, ICAs and IABs.
- Providing additional academic support such as afterschool (tutoring) and Saturday school.
- Increased availabilities of counselors and therapists to support students.
- Teacher-led meetings to provide feedback and sharing best practices.
- Constant communication between the academic teachers and the special education teacher to address modifications and accommodations for students with IEPs.

## Reflections: Identified Need

A description of any areas that need significant improvement based on a review of Dashboard and local data, including any areas of low performance and significant performance gaps among student groups on Dashboard indicators, and any steps taken to address those areas.

Addressing students who are failing much earlier in the semester and find ways to engage these students.

- Lack of data on incoming students' prior knowledge.
- Lack of foundational skills from incoming students.
- Lack of attendance for homeless student population
- Alarming data – 35.9 points below standard in math, 16.3 points below standard in English according to SBAC 2019.
- Areas that need close attention:

a. Intervention programs: Create clear objectives on what needs to be accomplished in the programs, collect data by assessing the students with IABs in the beginning of the year to determine which specific students belong in intervention programs.

b. Programs and incentives: We will use our new Parent Square communication tool to engage homeless parents via text message, voicemail, email and certified letters. We will recognize students' high participation with some incentives like school supplies, metro passes etc.

- PD – More PDs on NGSS for science. More PDs on promoting positive behaviors, bullying prevention, and positive school environment that provide Do's and Don'ts in a step-by-step manner.
- Cross-curricular activities between all core subjects.
- Using graphic organizers or interactive activities to provide vocabulary support for ELL.

a. Examples: Quizlets, synonyms/antonyms games, practice vocabulary use in sentences, and sentence-starter posters.

## LCAP Highlights

A brief overview of the LCAP, including any key features that should be emphasized.

The Charter School LCAP committee has reviewed input from all stakeholders and available data through surveys and student performance data. Based on input and data, we have revised our existing actions/services and measurable outcomes and also planned for new ones. Some of the highlights include:

- Parents' appreciation of being involved in the decision-making process and the need for continuous parent training via activities such as Parent College
- The need to continue our improvements in designated/integrated English Learner services
- Expanding after school, Saturday school, and summer school opportunities; refining targeted intervention and tutoring programs
- Providing counseling and positive behavior intervention support services to our students
- Keeping effective teachers and improving teacher observation and evaluation systems

The Charter School has also worked on its expected annual measurable outcomes to set targets in areas of greatest need and to close performance gaps among student groups. Those include:

- Using and analyzing the scores with ICAs and IABs to recognize specific academic needs and addressing those needs; data-driven.
- Intervention programs were effective in providing academic supports to specific groups of students.
- Addressing students who are failing much earlier in the semester and find ways to engage these students.

Areas that need close attention:

a. Intervention programs: Create clear objectives on what needs to be accomplished in the programs, collect data by assessing the students with IABs in the beginning of the year to determine which specific students belong in intervention programs.

- Cross-curricular activities between all core subjects.
- Using graphic organizers or interactive activities to provide vocabulary support for English language learners.
- Charter School will provide resources for increased outreach efforts to low income families including Parent College, parent training, home visits and other parent involvement meetings
- EL students will receive in-class instructional support which includes one-on-one teacher support in co-teaching classrooms; small group instruction; ELD instructional strategies.

## Comprehensive Support and Improvement

An LEA with a school or schools eligible for comprehensive support and improvement must respond to the following prompts.

### Schools Identified

A list of the schools in the LEA that are eligible for comprehensive support and improvement.

N/A

### **Support for Identified Schools**

A description of how the LEA has or will support its eligible schools in developing comprehensive support and improvement plans.

N/A

### **Monitoring and Evaluating Effectiveness**

A description of how the LEA will monitor and evaluate the plan to support student and school improvement.

N/A

# Stakeholder Engagement

A summary of the stakeholder process and how the stakeholder engagement was considered before finalizing the LCAP.

In order to promote learning and provide a more positive learning experience for our students, MSA-6 has established a culture of gathering input from parents, students, staff, community members, and other stakeholders through multiple channels including meetings, school events, surveys, home visits, newsletters, and other means of communication. To the extent possible, all stakeholders are invited to be involved in the process of school review and improvement including the development of our annual LCAP.

Information/input sessions include Parent Task Force (PTF) meetings, School Site Council (SSC) meetings, English Learner Advisory Committee (ELAC) meetings, Coffee with the Principal meetings, Board of Directors meetings, Principal meetings, and staff meetings. Parents on our PTF and SSC also serve as our parent advisory committee for LCAP. Along with ELAC, such committees provide for representation of students in need (low income, English learners, foster youth, etc.) Feedback from our parent advisory committee and ELAC provide valuable input for the new LCAP. In addition, MSA-6 conducts surveys for parents, students, and staff, and the Charter School staff make home visits. These all serve as a way to inform, educate, and gather input & feedback from all critical stakeholders.

MSA-6 has an approved charter petition with measurable student outcomes and methods to assess student progress and a WASC action plan for continuous school improvement. Therefore, LCAP is received by our community as a comprehensive planning tool that draws from all other school plans and addresses the state priorities and locally identified priorities.

MSA-6 has held its periodical meetings this year to gather input from our stakeholders. These include eight PTF meetings, four SSC meetings, four ELAC meetings, at least five parent activities/events including 5 Coffee with the Principal meetings, weekly staff meetings, and other stakeholder meetings. The school conducted a family, staff, and student experience survey with specific questions on the sense of safety and school connectedness, school culture and climate, and other areas of school improvement. A majority of our stakeholders (89% parents, 99% students and 100% staff) participated in this survey. MSA-6 staff has also made 40 home visits during this school year and sought feedback from the parents for school improvement.

A summary of the feedback provided by specific stakeholder groups.

Parent Advisory Committee (PAC)/Parents:

PAC suggests facility and cleaning improvement for next school year. The current site was old and a dated facility. The renovation would be very costly. MSA-6 is moving to Pio Pico MS for 2021-2022 school year and there will be newer classrooms and offices for students and staff. The school will work with LAUSD in order to provide clean facility and restrooms for health and safety. PAC also suggests offering more electives and more variety in afterschool program.

Students:

Based on the student survey, students would like to see more sport programs and extracurricular activities (Performing Arts - Music Drama). With the new school site, MSA-6 administration will collaborate with Pio Pico MS for some sport programs and put efforts to offer arts and music programs afterschool.

#### Staff:

Based on staff surveys, staff members would like MSA-6 administration to hire more teachers and teacher aides in order to provide more support for students with learning disabilities and English Learners. MSA-6 had 19% SPED and 23% EL students in 2020-21 school year. These two groups were most impacted groups during the pandemic and MSA-6 will continue to support them via Summer school and next year's high quality instruction program.

#### School Site Council (SSC):

SSC suggests providing more academic support for students who have curriculum gaps. Some students might have learning loss due to distance learning and teachers may need to re-teach some foundational skills in the beginning of the new school year. SSC also suggests providing counselors and therapists for all students for their social emotional needs. SSC recognizes that COVID-19 pandemic caused a big shift for many students and when returning back to in-person instruction, students will need more social emotional support.

#### ELAC:

ELAC suggests providing ELD classes for 2021-22 school year and additional intervention programs for ELs. ELAC recognizes that some English Learners had some obstacles with online learning and they need to be supported in some areas such as ELA and math for 2021-22 school year. Also, ELAC suggests MSA-6 to continue utilizing some online programs such as IXL.com and NextGen math in new school year.

#### SELPA:

Our SELPA recommended that we include an action in our LCAP specific to students with disabilities to describe how academic and social-emotional supports would be provided. They also recommended that we include the students with disabilities group in our LCAP metrics and provide specific data.

### A description of the aspects of the LCAP that were influenced by specific stakeholder input.

MSA-6 LCAP committee has reviewed input from all stakeholders and synthesized input to revise existing actions/services and measurable outcomes and also plan for new ones in the LCAP for the upcoming year. Some of the updates include:

- Improvements in designated/integrated English Learner services
- Expanding after school, Saturday school, and summer school opportunities
- Providing counseling and behavior support services to our students
- Improving teacher observation and evaluation systems and keeping effective teachers
- Investing in effective technology and teacher professional development in blended learning and differentiated instruction to enhance instruction in the classroom

- Expanding STEAM-based programs and activities
- Other input includes improving school facilities and the lunch program.

# Goals and Actions

## Goal

Goal #	Description
1	<b>BASIC SERVICES FOR A HIGH-QUALITY LEARNING ENVIRONMENT:</b> All students and staff will have access to a safe, secure, healthy, and high-quality learning and working environment. Students will receive basic services that are fundamental to academic success, including fully credentialed teachers, standards-aligned instructional materials, and appropriately maintained school facilities.

An explanation of why the LEA has developed this goal.

Providing basic services means ensuring all students have access to teachers who are fully credentialed in their subject areas, instructional materials aligned with state standards, and safe, properly maintained school facilities. Charter School will also adhere to the MPS Wellness Policy and encourage participation in school meal programs. Research shows when students are provided with these basic services, student learning outcomes increase. The MPS Home Office will provide services such as academics, accountability, operations, IT, facilities, finance and accounting, human resources, and external relations to support and hold accountable the Charter School for compliance and meeting charter goals. Charter School will implement the actions listed under this goal and use the indicated metrics to measure progress in provision of basic services to maintain a high-quality learning environment.

## Measuring and Reporting Results

Metric	Baseline	Year 1 Outcome	Year 2 Outcome	Year 3 Outcome	Desired Outcome for 2023–24
Number of misassignments of teachers of English learners, total teacher misassignments, and vacant teacher positions (Source: Local Indicator Priority 1)	2020-21: 0				2023-24: 0
Percentage of students without access to their own copies of standards-aligned instructional	2020-21: 0%				2023-24: 0%

Metric	Baseline	Year 1 Outcome	Year 2 Outcome	Year 3 Outcome	Desired Outcome for 2023–24
materials for use at school and at home (Source: Local Indicator Priority 1)					
Number of identified instances where facilities do not meet the “good repair” standard (including deficiencies and extreme deficiencies) (Source: Local Indicator Priority 1)	2020-21: 0				2022-23: 0
Teacher retention rate (Source: HRIS)	2020-21: (Spring 2020 to Fall 2020) 86%				2023-24: (Spring 2023 to Fall 2023) 85%
Teacher attendance rate (Source: HRIS)	2020-21: (As of 3/25/21) 99.1%				2023-24: 97%

## Actions

Action #	Title	Description	Total Funds	Contributing
1	Teacher assignments and credentials	Charter School and the MPS Human Resources team will conduct credential, background, and TB clearance reviews as part of the hiring process and at least once throughout the year to ensure all credentials are properly maintained. Charter School will support our teachers’ credentialing needs. Charter School will also annually review master schedules and teacher assignments to ensure teachers are appropriately assigned and fully credentialed in the subject area and for the students, they are teaching. Charter School uses a Human Resources Information System (HRIS) to automate employee	\$10,300.00	No

Action #	Title	Description	Total Funds	Contributing
		<p>documents. MPS Home Office HR team acts as a liaison between employees and provides administrative support as needed (e.g., correspondence generation, record keeping, file maintenance, HRIS entry, etc.) The HR team also provides reports to the Board and school administrators in regards to teacher retention, performance, pay scale, vacancies, recruitment efforts, credentials, mandatory training, and other HR-related matters.</p> <p>Expenditures associated with this action include the following: teacher credentialing expenses, recruitment expenses (sign-in bonus, livescan/fingerprinting fees, etc.), Paycom/payroll fees, retirement service fees, and performance pay.</p> <p>The following expenditures will be funded by federal Title funds: N/A</p>		
2	Instructional materials and technology	<p>Charter School will manage the acquisition, distribution, and maintenance of equipment, materials, and technology needed to meet the academic, linguistic, cultural, social-emotional, and physical requirements of students. Charter School will annually review the alignment of instructional materials to standards and maintain an inventory of instructional materials and corresponding purchase of materials. Charter School will annually review budgets and plans to ensure an adequate budget for instructional materials. Charter School will ensure that students have sufficient access to standards-aligned instructional materials, including technology-based resources. Charter School will provide effective access and integration of technology resources, including software and mobile devices, that ensure meaningful access to CA Content Standards-aligned instructional programs.</p> <p>Expenditures associated with this action include the following: textbooks, instructional materials and supplies, teacher/classroom supplies and office materials, computers, Chromebooks, hotspots, and other technology equipment, IT manager salary and benefits, E-Rate consultancy, and basic software (Zendesk, AssetWorks, firewall,</p>	\$82,287.00	No

Action #	Title	Description	Total Funds	Contributing
		<p>Datto, CloudReady, Zoom, GoGuardian, etc.), phone/internet, and depreciation.</p> <p>The following expenditures will be funded by federal Title funds: N/A</p>		
3	Clean and safe facilities that support learning	<p>Charter School will strive to maintain a clean, safe, environmentally friendly, and inviting school that is worthy of our students, families, and staff and encourages successful teaching and learning. Charter School will continually improve and maintain facilities to ensure school safety, security, and high-quality learning and working environments. Charter School will do annual and monthly facility inspections to screen for ADA compliance and safety hazards; identified deficiencies will be quickly remedied. Daily general cleaning will maintain campus cleanliness. Maintenance and repairs will be provided by Charter School custodial staff and/or outsourced. As a STEAM-focused school, we aim to operate in a sustainable and environmentally responsible manner. Charter School will develop and monitor comprehensive safety and security plans, conduct necessary safety training for all staff and continue to work with stakeholders and experts to implement emergency and risk management procedures for individuals and the site. Charter School will procure and maintain necessary safety/emergency supplies, equipment, and items. Charter School will establish schedules and procedures for the supervision of students in non-classroom areas, including before and after school.</p> <p>Expenditures associated with this action include the following: facilities rent/acquisition cost, custodial staff salaries and benefits, custodial supplies, maintenance and repair services, gas/electric, security services, health and safety-related expenses (PPE, nursing services, etc.), and insurance costs (workers compensation, CharterSAFE, etc.)</p> <p>The following expenditures will be funded by federal Title funds: N/A</p>	\$255,000.00	

Action #	Title	Description	Total Funds	Contributing
4	Healthy and nutritious meals	<p>Charter School will maintain nutrition education resources and continue to focus on innovative ways to increase access to freshly prepared, nutritious foods to ensure students are well-nourished and ready to learn. Charter School will adhere to the MPS Wellness Policy guidelines on nutritious foods for all food sales and celebrations. The meal program aims to improve the diet and health of our students, help mitigate childhood obesity, model healthy eating to support the development of lifelong healthy eating patterns and support healthy choices while accommodating cultural food preferences and special dietary needs. Charter School will promote healthy food and beverage choices for all students throughout campus, as well as encourage participation in school meal programs.</p> <p>Expenditures associated with this action include the following: student meals, water, and refreshments.</p> <p>The following expenditures will be funded by federal Title funds: N/A</p>	\$9,000.00	Yes
5	Well-orchestrated Home Office support services	<p>The MPS Home Office provides services to the Charter School, supports and holds accountable the Charter School for compliance and meeting charter goals, provides best practices in curriculum and professional development and sets up systems and processes that support academic achievement and growth, operational effectiveness, and financial sustainability. The Home Office manages the business operations of schools, which reduces program and operations-related burdens of the Charter School administration and enables the Charter School to receive services at a lower cost. The services of the Home Office include, but are not limited to, academics, accountability, operations, IT, facilities, finance and accounting, human resources, and external relations. Instructional services are reflected in Goals 2-4.</p> <p>Expenditures associated with this action include the following: Home Office management fees, authorizer oversight fees, audit fees, bank fees, legal fees (YM&amp;C, etc.), and other back-office-related expenses (Adaptive Insights, DataWorks, etc.)</p>	\$71,896.00	No

		The following expenditures will be funded by federal Title funds: N/A		

## Goal Analysis [2021-22]

An analysis of how this goal was carried out in the previous year.

A description of any substantive differences in planned actions and actual implementation of these actions.

Analysis of the 2021-22 goals will occur during the 2022-23 update cycle.

An explanation of material differences between Budgeted Expenditures and Estimated Actual Expenditures.

Analysis of the 2021-22 goals will occur during the 2022-23 update cycle.

An explanation of how effective the specific actions were in making progress toward the goal.

Analysis of the 2021-22 goals will occur during the 2022-23 update cycle.

A description of any changes made to the planned goal, metrics, desired outcomes, or actions for the coming year that resulted from reflections on prior practice.

Analysis of the 2021-22 goals will occur during the 2022-23 update cycle.

**A report of the Estimated Actual Expenditures for last year's actions may be found in the Annual Update Expenditures Table.**

## Goals and Actions

### Goal

Goal #	Description
2	EXCELLENCE: All students will have equitable access to a high-quality core curricular and instructional program and make academic progress on the California Content Standards. Students will pursue academic excellence and be college/career ready.

An explanation of why the LEA has developed this goal.

Charter School desires that all our students pursue academic excellence and be college/career ready. Effective core curriculum and instruction are central to academic success. Therefore, Charter School will ensure that all students, including but not limited to, ELs, students with disabilities, socioeconomically disadvantaged/low-income students, and students achieving below grade level, have access to a high-quality core curricular and instructional program with appropriate services and support. Targeted interventions will be utilized to create a high-quality differentiated environment where students are supported to engage at their optimal levels. Charter School will also provide professional development to staff to promote a cycle of continuous improvement, as well as supports for high quality delivery of the program that enables differentiation, particularly for unduplicated students and students with exceptional needs. Charter School will implement the actions listed under this goal and use the indicated metrics, such as CAASPP assessment results, to measure progress in achievement of academic excellence and college/career readiness.

### Measuring and Reporting Results

Metric	Baseline	Year 1 Outcome	Year 2 Outcome	Year 3 Outcome	Desired Outcome for 2023–24
Percentage of programs and services outlined in the charter petition, including a broad course of study, that are developed and provided to students, certain programs and services being dependent on student need and interest (Source: Local	2020-21: 90%				2023-24: 100%

Metric	Baseline	Year 1 Outcome	Year 2 Outcome	Year 3 Outcome	Desired Outcome for 2023–24
Indicator Priority 7, SIS)					
Percentage of students who have sufficient access to all programs and services developed and provided to unduplicated students and to individuals with exceptional needs (Source: Local Indicator Priority 7, SIS)	2020-21: 100%				2023-24: 100%
Percentage of state standards implementation for all students (Source: Local Indicator Priority 2)	2020-21: 100%				2023-24: 100%
Percentage of completion of the formal and informal classroom observations by the school administration based on one formal and four informal observations per teacher per year (Source: TeachBoost)	2020-21: (As of 5/7/21) 74%				2023-24: 100%
Percentage of students who have received a grade of “C” or better (or	2020-21: (First semester) 80%				2023-24: 80%

Metric	Baseline	Year 1 Outcome	Year 2 Outcome	Year 3 Outcome	Desired Outcome for 2023–24
performed “proficient” on the related state standardized tests) in core subjects and electives (Source: SIS)

## Actions

Action #	Title	Description	Total Funds	Contributing
1	Broad course of study and standards-based curriculum	<p>Charter School will provide students with a broad array of courses including core subjects (English, mathematics, social sciences, and science) and electives. Charter School will also provide all other academic programs and services outlined in its charter petition, certain programs and services being dependent on student need and interest. Charter School will design its master schedule to meet the needs of its students to ensure all academic content areas are available to all students, including student groups. All students will participate in a rigorous, relevant, and coherent standards-based curriculum that supports the achievement of the schoolwide learner outcomes, academic standards, and college- and career-readiness standards. The school will be appropriately staffed to implement the school master schedule.</p> <p>Expenditures associated with this action include the following: teacher salaries and benefits, principal salary and benefits, and substitute teacher expenses.</p> <p>The following expenditures will be funded by federal Title funds: Intervention teachers' salaries and benefits: Resource: Title I, Part A; Amount: \$8,169</p>	\$452,019.00	No
2	Professional development for high-quality instruction	Professional development will occur at the MPS organizational level and within the school. Charter School will ensure curricula, instruction, and assessments are aligned to the standards and that teachers participate in professional development on the implementation of	\$15,616.00	Yes

Action #	Title	Description	Total Funds	Contributing
		<p>standards (CCSS, NGSS, etc.) In addition to ongoing professional development activities that support efforts to increase student academic performance, all staff will be provided with multiple opportunities to grow professionally through induction processes, regular collaboration with colleagues, and curricular support. This involves instructional leadership, common walkthrough protocols, and professional feedback to promote a cycle of continuous improvement, as well as supports for high-quality delivery of the program that enables differentiation, particularly for unduplicated students and students with exceptional needs. Instructional leaders at the school and at the Home Office will assess staff professional development needs through formal and informal performance observation, surveys, and student performance data. Based on the data, combined with LCAP goals and the MPS Home Office high-quality instruction guidelines, the instructional leaders will determine common staff development days and tailor staff development to individual staff needs.</p> <p>Expenditures associated with this action include the following: professional development, tuition reimbursement, and TeachBoost software fees.</p> <p>The following expenditures will be funded by federal Title funds:</p> <ul style="list-style-type: none"> <li>Tuition reimbursement for professional development: Resource: Title II, Part A; Amount: \$3,616</li> </ul>		
<b>3</b>	MTSS - Academic enrichment, intervention, and student support	Charter School will implement MTSS as a systemic, continuous improvement framework in which data-based problem-solving and decision making is practiced across all levels of the educational system for supporting students. Charter School will synthesize CAASPP and MAP student achievement and growth data, as well as course grades, and other state and internal assessment scores, into reports and regularly review progress towards targets. Targeted interventions will be utilized to create a high-quality differentiated environment where students are supported to engage at their optimal levels. Charter School will provide additional supports and	\$267,900.00	Yes
