Board Agenda Item #	II A: Recommended Action Item

Staff Lead:	Steve Budhreja Ed.D., Chief Financial Officer
RE:	Approval of the 2022-23 Adopted Budget and Home Office Management Fee Policy

#### Proposed Board Recommendation

- Approve the 2022-23 Adopted Budget;
- Approve the Home Office Management Fee Policy for the 2022-23 fiscal year & for the Committee to recommend and move that the Board adopt the same.

#### Background

Per Section 42127 of the California Education Code, governing boards of each local education agency (LEA) are required to develop and approve an annual operating budget on or before July 1 of each school year. The Adopted Budget is part of ongoing reports that County superintendents and the State Superintendent of Public Instruction must examine in order to ensure that LEAs are able to meet their financial obligations throughout the fiscal year.

Home Office Management base fees are calculated based on administrative and organization-wide services and support that are utilized by all MPS schools, such as management, human resources, accounting, student and special education services, technology, etc., with additional costs that are specific to a particular MPS school such as rent, debt service, utilities and facilities management.

#### Implications

All projected operational costs and Home Office Fees have been incorporated into the 2022-23 Adopted Budget.

Magnolia Educational & Research Foundation dba Magnolia Public Schools CMO Fee Policy

2022-23 Adopted Budget by MPS Site and Home Office

## **Magnolia Educational & Research Foundation dba Magnolia Public Schools CMO Fee Policy**

The Board of Directors (“Board”) of Magnolia Public Schools (“MPS”) adopts the following policy for the MPS charter schools to fairly fund the Home Office for administrative services and support provided to the schools, sometimes referred to as the “CMO fee”. The Board authorizes and delegates to the MPS Chief Executive Officer, Executive Team and their designees (collectively, the “Home Office Team”) to calculate and collect the CMO fee in accordance with this policy.

### **Calculation of CMO Fee**

By June 30 each year, the Home Office Team will estimate the total costs for the Home Office to provide services and support to MPS schools for the coming fiscal year on an organization-wide basis for purposes of calculating the CMO fee for each school. The Home Office Team will categorize costs into two groups: (1) estimated costs to provide administrative and organization-wide services and support that are utilized by all MPS schools, such as management, human resources, accounting, student and special education services, technology, etc., with an added 10% to account for unanticipated cost increases (the “Home Office Service Costs”); and, (2) costs that are specific to a particular MPS school or site, such as rent, debt service, utilities and facilities management (the “School-Specific Costs”). Generally, the Home Office Services Costs include salaries of administrators and others providing services organization-wide, vendor contracts for such services, and other various costs. These estimates are for budgeting purposes, and may fluctuate during the fiscal year based on the Home Office’s actual expenses to provide such services and support.

The Home Office Team will assess each school’s CMO Fee as follows:

- Magnolia Science Academy San Diego (“MSA SD”) will pay 11% of its general purpose funding to the Home Office as its CMO Fee. The term “general purpose funding” consists of state aid, local property taxes, and other revenues applied towards the school’s local control funding formula (LCFF), as defined in Education Code Section 47632(d). It does not include federal funds, other restricted funds, or charitable donations collected by the school.
- After application of the MSA SD CMO Fee, each of the other MPS schools will pay the remaining Home Office Services Costs on a per-capita enrollment basis as its CMO Fee. The following simplified example (figures are for example purposes only) illustrates the calculation:

Total enrollment of all MPS schools:	5,000 students
Enrollment of MSDSD:	400 students
Total Home Office Services Costs:	\$500,000
MSASD 11% funding:	\$20,000

Each school’s CMO Fee shall be its enrollment multiplied by the following:

$$\frac{(\$500,000 - \$20,000)}{4,600}$$

The Home Office Team will track the School-Specific Costs by school, and will collect funds/reimbursement for School-Specific Costs directly from each school based on the actual costs incurred by each school.

### **Periodic Review and Collection of CMO Fee**

The Home Office Team will periodically review CMO fee assessment for each MPS school and any School-Specific Costs for the school. The amount of the Home Office Service Costs may be adjusted to account for the Home Office’s actual expenses throughout the year, which may in turn raise or lower each school’s CMO fee (except for MSA SD).

RE:	Approval of Annual Contracts for the 22/23 Fiscal Year

#### Proposed Board Recommendation

I move for the Finance Committee to approve the Annual Contracts for the 2022-2023 Fiscal Year and further recommends that the Committee recommend and move that the Board adopt the same.

#### Background

The California Education Code (EC), requires Governing Boards to approve ongoing contracts that exceed bid threshold guidelines. These guidelines as noted in the MPS Financial Policies include contracts that exceed \$90,000 to include vendors that have maintained agreements with MPS annually or over multiple years.

#### Budget Implications

The fiscal impact of the Annual Contracts for the 22/23 Fiscal Year has been incorporated into the Adopted Budget for the 2022-23 year.
