	<p>These student groups have social and emotional conditions that influence academic learning, as evidenced by the performance gaps on the CA School Dashboard, CAASPP results, and other available data. These student groups also have lower ADA rates while they have higher chronic absenteeism and office referral rates. Children living in poverty are more likely to incur more adverse childhood experiences including abuse, neglect, exposure to neighborhood violence, or an incarcerated parent. Foster youth and English learners may experience feelings of anxiety and confusion. Charter School needs to take action to address the unique academic, social and emotional needs of low-income students, students with disabilities, English learners, racial and ethnic minorities, students experiencing homelessness, and foster care youth.</p> <p><b>Scope:</b> LEA-wide</p>	<p>foster care or experiencing personal/family crisis or have other special needs will be cared for in our supportive school community. Charter School will offer a SEL/Life Skills program that provides students with valuable skills to support academic excellence and social skill development. We will annually assess our suspension/expulsion policies and procedures and implement alternatives to suspension/expulsion, including restorative practices. Teachers will establish classroom management procedures, foster positive relationships, and help create an atmosphere of trust, respect, and high expectations. Charter School will implement a positive and equitable student responsibility and behavior system with teaching, intervention and prevention strategies and protocols that are clear, fair, incremental, restorative, and culturally responsive. Charter School will celebrate student and school achievements and organize recognition assemblies and other schoolwide culture-building activities. Charter School will inform parents and students of attendance policies specified in the Student/Parent Handbook and encourage and support student attendance. Charter School will also implement the CORE DISTRICTS SEL Survey instrument in the fall and spring annually to assess the following social-emotional competencies: growth mindset, self-efficacy, self-management, and social awareness. As part of our MTSS efforts, school leadership, teachers, and support staff will analyze student SEL survey results in the fall to provide our students with targeted social-emotional support and then measure student responses again in the spring to measure growth, identify greatest progress and</p>	<p>electives (Source: SIS)</p> <p>Goal 4:</p> <ul style="list-style-type: none"> <li>• Average Daily Attendance (ADA) Rate (Source: SIS)</li> <li>• Chronic Absenteeism Rate (Source: CA School Dashboard, SIS)</li> <li>• Middle School Dropout Rate (Source: CALPADS)</li> <li>• Student Suspension Rate (Source: CA School Dashboard, CALPADS)</li> <li>• Student Expulsion Rate (Source: CDE DataQuest, CALPADS)</li> <li>• School experience survey "average approval rates" based on the responses of our students, families, and staff to all questions on the survey in</li> </ul>

Goal and Action #	Identified Need(s)	How the Action(s) Address Need(s) and Why it is Provided on an LEA-wide or Schoolwide Basis	Metric(s) to Monitor Effectiveness
		<p>needs in order to inform our next steps. These activities will result in increased and improved PBIS and SEL support for our unduplicated students, as well as additional supports for homeless and immigrant students. With the needs of our vulnerable students and their families in mind, this action will be provided on a schoolwide basis. It was found effective in the current school year and will be continued in the coming school year. We expect that this action will help provide a foundation for safe and positive learning, and enhance students' mental health and abilities to succeed in school, careers, and life. We also expect this action will result in increased academic achievement and lifelong learning as measured by the LCAP metrics in Goals 2 and 3, increased ADA rate and graduation rate, and decreased chronic absenteeism rate, dropout rate, and student suspension/expulsion rates as measured in Goal 4. We also expect this action will result in increased student, parent, and staff satisfaction rates as measured by the annual educational partner surveys in Goal 4: Action 4.</p>	<p>the following topics: climate of support for academic learning; knowledge and fairness of discipline, rules, and norms; safety; and sense of belonging (school connectedness) (Source: Local Indicator Priority 6, Panorama Education)</p> <ul style="list-style-type: none"> <li>• School experience survey "overall satisfaction rates" based on the responses of our students, families, and staff to the question, "Overall, I am satisfied and would recommend this school to other students/families/educators." Goal and Action #	Identified Need(s)	How the Action(s) Address Need(s) and Why it is Provided on an LEA-wide or Schoolwide Basis	Metric(s) to Monitor Effectiveness
<p><b>4.4</b></p>	<p><b>Action:</b> Annual educational partner surveys</p> <p><b>Need:</b> It is important that parents, students, and staff are engaged in the development of all school plans, including, but not limited to, the LCAP, SPSA (Charter School uses the LCAP to serve as the SPSA), and WASC Self-Study. Charter School wishes to engage all parents, to the extent applicable, in the process of school review and improvement. The majority of Charter School's student population consists of low-income and socioeconomically disadvantaged students, English learners, and students with disabilities. To engage all students and families equitably, it is necessary to understand the cultures, languages, needs and interests of students and families in our school community. Educational partner voices, i.e., voices of our students, families, staff, and other school community members, play a powerful role in helping us learn how to improve our teaching, leadership, and other school practices. In order to engage educational partners in an organized, ongoing and timely manner in the planning, review and improvement of our programs, Charter School needs to provide multiple channels to engage educational partners in decision making. Surveys have been the primary means of collecting student, family, and staff voices about what we are doing great and should keep doing, and what areas for improvement</p>	<p>Considering the needs of our unduplicated students and their families, MPS uses an online platform to provide students, families, and staff with groups of questions that measure their perceptions of teaching and learning, as well as their perceptions of school climate and safety. This feedback instrument provides teachers and school leaders with valuable data about how students see their classes, how much parents are involved, how supported staff feel and how to facilitate improvement. Charter School will annually administer school experience surveys to students, parents, and staff. Charter School will implement the CORE DISTRICTS Survey instrument to assess our educational partners' perceptions of the following school climate indicators: climate of support for academic learning; knowledge and fairness of discipline, rules and norms; safety; and sense of belonging (school connectedness). In addition, we ask our educational partners open-ended questions about what they like the best and the least about the school and suggestions for improvement. This feedback instrument provides all staff and school leaders with valuable information about how students see their classes, how much parents are involved, how supported staff feel and how to facilitate improvement. Our staff will analyze the survey results to identify the greatest progress and needs in order to inform our next steps. The surveys help identify and plan for increased and improved services for our unduplicated students and their families. With the needs of our unduplicated students and their families in mind, this action will be provided on a schoolwide basis. It was found effective in the</p>	<p>Goal 4:</p> <ul style="list-style-type: none"> <li>• School experience survey "participation rates" by students, families, and staff (Source: Local Indicator Priority 6, Panorama Education)</li> <li>• School experience survey "average approval rates" based on the responses of our students, families, and staff to all questions on the survey in the following topics: climate of support for academic learning; knowledge and fairness of discipline, rules, and norms; safety; and sense of belonging (school connectedness) (Source: Local Indicator Priority</li> </ul>

**Limited Actions**

For each action being solely provided to one or more unduplicated student group(s), provide an explanation of (1) the unique identified need(s) of the unduplicated student group(s) being served, (2) how the action is designed to address the identified need(s), and (3) how the effectiveness of the action in improving outcomes for the unduplicated student group(s) will be measured.

Goal and Action #	Identified Need(s)	How the Action(s) are Designed to Address Need(s)	Metric(s) to Monitor Effectiveness
-------------------	--------------------	---	------------------------------------

For any limited action contributing to meeting the increased or improved services requirement that is associated with a Planned Percentage of Improved Services in the Contributing Summary Table rather than an expenditure of LCFF funds, describe the methodology that was used to determine the contribution of the action towards the proportional percentage, as applicable.

**Additional Concentration Grant Funding**

A description of the plan for how the additional concentration grant add-on funding identified above will be used to increase the number of staff providing direct services to students at schools that have a high concentration (above 55 percent) of foster youth, English learners, and low-income students, as applicable.

Similar to the current academic year, MSA-6 will utilize the concentration grant add-on funds (\$33,842) in the following manner:

MSA-6 is using the concentration grant add-on funds received in a manner which is consistent with California Education Code Section 42238.02, as amended, to increase the number of certificated staff, classified staff, or both, including custodial staff, who provide direct services to students on school campuses with greater than 55 percent unduplicated pupil enrollment, as compared to schools with an enrollment of unduplicated students that is equal to or less than 55 percent.

By adding these faculty/staff members, we aim to strengthen our ability to address the diverse needs of our student population and provide targeted support where it is most needed. This strategic allocation of funds will help create a more conducive learning environment and contribute to our student's overall growth and achievement.

<b>Staff-to-student ratios by type of school and concentration of unduplicated students</b>	Schools with a student concentration of 55 percent or less	Schools with a student concentration of greater than 55 percent
Staff-to-student ratio of classified staff providing direct services to students		

<b>Staff-to-student ratios by type of school and concentration of unduplicated students</b>	Schools with a student concentration of 55 percent or less	Schools with a student concentration of greater than 55 percent
Staff-to-student ratio of certificated staff providing direct services to students

# Local Control and Accountability Plan Instructions

[Plan Summary](#)

[Engaging Educational Partners](#)

[Goals and Actions](#)

[Increased or Improved Services for Foster Youth, English Learners, and Low-Income Students](#)

For additional questions or technical assistance related to the completion of the Local Control and Accountability Plan (LCAP) template, please contact the local county office of education (COE), or the California Department of Education's (CDE's) Local Agency Systems Support Office, by phone at 916-319-0809 or by email at [LCFF@cde.ca.gov](mailto:LCFF@cde.ca.gov).

## Introduction and Instructions

The Local Control Funding Formula (LCFF) requires local educational agencies (LEAs) to engage their local educational partners in an annual planning process to evaluate their progress within eight state priority areas encompassing all statutory metrics (COEs have 10 state priorities). LEAs document the results of this planning process in the LCAP using the template adopted by the State Board of Education.

The LCAP development process serves three distinct, but related functions:

- **Comprehensive Strategic Planning:** The process of developing and annually updating the LCAP supports comprehensive strategic planning, particularly to address and reduce disparities in opportunities and outcomes between student groups indicated by the California School Dashboard (California *Education Code* [EC] Section 52064[e][1]). Strategic planning that is comprehensive connects budgetary decisions to teaching and learning performance data. LEAs should continually evaluate the hard choices they make about the use of limited resources to meet student and community needs to ensure opportunities and outcomes are improved for all students.
- **Meaningful Engagement of Educational Partners:** The LCAP development process should result in an LCAP that reflects decisions made through meaningful engagement (EC Section 52064[e][1]). Local educational partners possess valuable perspectives and insights about an LEA's programs and services. Effective strategic planning will incorporate these perspectives and insights in order to identify potential goals and actions to be included in the LCAP.
- **Accountability and Compliance:** The LCAP serves an important accountability function because the nature of some LCAP template sections require LEAs to show that they have complied with various requirements specified in the LCFF statutes and regulations, most notably:
  - Demonstrating that LEAs are increasing or improving services for foster youth, English learners, including long-term English learners, and low-income students in proportion to the amount of additional funding those students generate under LCFF (EC Section 52064[b][4-6]).
  - Establishing goals, supported by actions and related expenditures, that address the statutory priority areas and statutory metrics (EC sections 52064[b][1] and [2]).
    - **NOTE:** As specified in EC Section 62064(b)(1), the LCAP must provide a description of the annual goals, for all pupils and each subgroup of pupils identified pursuant to EC Section 52052, to be achieved for each of the state priorities. Beginning in 2023–24, EC

Section 52052 identifies long-term English learners as a separate and distinct pupil subgroup with a numerical significance at 15 students.

- Annually reviewing and updating the LCAP to reflect progress toward the goals (*EC* Section 52064[b][7]).
- Ensuring that all increases attributable to supplemental and concentration grant calculations, including concentration grant add-on funding and/or LCFF carryover, are reflected in the LCAP (*EC* sections 52064[b][6], [8], and [11]).

The LCAP template, like each LEA's final adopted LCAP, is a document, not a process. LEAs must use the template to memorialize the outcome of their LCAP development process, which must: (a) reflect comprehensive strategic planning, particularly to address and reduce disparities in opportunities and outcomes between student groups indicated by the California School Dashboard (Dashboard), (b) through meaningful engagement with educational partners that (c) meets legal requirements, as reflected in the final adopted LCAP. The sections included within the LCAP template do not and cannot reflect the full development process, just as the LCAP template itself is not intended as a tool for engaging educational partners.

If a county superintendent of schools has jurisdiction over a single school district, the county board of education and the governing board of the school district may adopt and file for review and approval a single LCAP consistent with the requirements in *EC* sections 52060, 52062, 52066, 52068, and 52070. The LCAP must clearly articulate to which entity's budget (school district or county superintendent of schools) all budgeted and actual expenditures are aligned.

The revised LCAP template for the 2024–25, 2025–26, and 2026–27 school years reflects statutory changes made through Senate Bill 114 (Committee on Budget and Fiscal Review), Chapter 48, Statutes of 2023.

At its most basic, the adopted LCAP should attempt to distill not just what the LEA is doing for students in transitional kindergarten through grade twelve (TK–12), but also allow educational partners to understand why, and whether those strategies are leading to improved opportunities and outcomes for students. LEAs are strongly encouraged to use language and a level of detail in their adopted LCAPs intended to be meaningful and accessible for the LEA's diverse educational partners and the broader public.

In developing and finalizing the LCAP for adoption, LEAs are encouraged to keep the following overarching frame at the forefront of the strategic planning and educational partner engagement functions:

Given present performance across the state priorities and on indicators in the Dashboard, how is the LEA using its budgetary resources to respond to TK–12 student and community needs, and address any performance gaps, including by meeting its obligation to increase or improve services for foster youth, English learners, and low-income students?

LEAs are encouraged to focus on a set of metrics and actions which, based on research, experience, and input gathered from educational partners, the LEA believes will have the biggest impact on behalf of its TK–12 students.

These instructions address the requirements for each section of the LCAP, but may include information about effective practices when developing the LCAP and completing the LCAP document. Additionally, the beginning of each template section includes information emphasizing the purpose that section serves.

# Plan Summary

## Purpose

A well-developed Plan Summary section provides a meaningful context for the LCAP. This section provides information about an LEA's community as well as relevant information about student needs and performance. In order to present a meaningful context for the rest of the LCAP, the content of this section should be clearly and meaningfully related to the content included throughout each subsequent section of the LCAP.

## Requirements and Instructions

### General Information

A description of the LEA, its schools, and its students in grades transitional kindergarten–12, as applicable to the LEA.

Briefly describe the LEA, its schools, and its students in grades TK–12, as applicable to the LEA.

- For example, information about an LEA in terms of geography, enrollment, employment, the number and size of specific schools, recent community challenges, and other such information the LEA may wish to include can enable a reader to more fully understand the LEA's LCAP.
- As part of this response, identify all schools within the LEA receiving Equity Multiplier funding.

### Reflections: Annual Performance

A reflection on annual performance based on a review of the California School Dashboard (Dashboard) and local data.

Reflect on the LEA's annual performance on the Dashboard and local data. This may include both successes and challenges identified by the LEA during the development process.

LEAs are encouraged to highlight how they are addressing the identified needs of student groups, and/or schools within the LCAP as part of this response.

As part of this response, the LEA must identify the following, which will remain unchanged during the three-year LCAP cycle:

- Any school within the LEA that received the lowest performance level on one or more state indicators on the 2023 Dashboard;
- Any student group within the LEA that received the lowest performance level on one or more state indicators on the 2023 Dashboard; and/or
- Any student group within a school within the LEA that received the lowest performance level on one or more state indicators on the 2023 Dashboard.

### Reflections: Technical Assistance

As applicable, a summary of the work underway as part of technical assistance.

Annually identify the reason(s) the LEA is eligible for or has requested technical assistance consistent with *EC* sections 47607.3, 52071, 52071.5, 52072, or 52072.5, and provide a summary of the work underway as part of receiving technical assistance. The most common form of this technical assistance is frequently referred to as Differentiated Assistance, however this also includes LEAs that have requested technical assistance from their COE.

- If the LEA is not eligible for or receiving technical assistance, the LEA may respond to this prompt as “Not Applicable.”

### **Comprehensive Support and Improvement**

An LEA with a school or schools identified for comprehensive support and improvement (CSI) under the Every Student Succeeds Act must respond to the following prompts:

#### Schools Identified

A list of the schools in the LEA that are eligible for comprehensive support and improvement.

- Identify the schools within the LEA that have been identified for CSI.

#### Support for Identified Schools

A description of how the LEA has or will support its eligible schools in developing comprehensive support and improvement plans.

- Describe how the LEA has or will support the identified schools in developing CSI plans that included a school-level needs assessment, evidence-based interventions, and the identification of any resource inequities to be addressed through the implementation of the CSI plan.

#### Monitoring and Evaluating Effectiveness

A description of how the LEA will monitor and evaluate the plan to support student and school improvement.

- Describe how the LEA will monitor and evaluate the implementation and effectiveness of the CSI plan to support student and school improvement.

## **Engaging Educational Partners**

### **Purpose**

Significant and purposeful engagement of parents, students, educators, and other educational partners, including those representing the student groups identified by LCFF, is critical to the development of the LCAP and the budget process. Consistent with statute, such engagement should support comprehensive strategic planning, particularly to address and reduce disparities in opportunities and outcomes between student groups indicated by the Dashboard, accountability, and improvement across the state priorities and locally identified priorities (*EC* Section 52064[e][1]). Engagement of educational partners is an ongoing, annual process.

This section is designed to reflect how the engagement of educational partners influenced the decisions reflected in the adopted LCAP. The goal is to allow educational partners that participated in the LCAP development process and the broader public to understand how the LEA engaged educational partners and the impact of that engagement. LEAs are encouraged to keep this goal in the forefront when completing this section.

### **Requirements**

**School districts and COEs:** *EC* sections [52060\(g\) \(California Legislative Information\)](#) and [52066\(g\) \(California Legislative Information\)](#) specify the educational partners that must be consulted when developing the LCAP:

- Teachers,
- Principals,
- Administrators,
- Other school personnel,
- Local bargaining units of the LEA,
- Parents, and
- Students

A school district or COE receiving Equity Multiplier funds must also consult with educational partners at schools generating Equity Multiplier funds in the development of the LCAP, specifically, in the development of the required focus goal for each applicable school.

Before adopting the LCAP, school districts and COEs must share it with the applicable committees, as identified below under Requirements and Instructions. The superintendent is required by statute to respond in writing to the comments received from these committees. School districts and COEs must also consult with the special education local plan area administrator(s) when developing the LCAP.

**Charter schools:** *EC* Section [47606.5\(d\) \(California Legislative Information\)](#) requires that the following educational partners be consulted with when developing the LCAP:

- Teachers,
- Principals,
- Administrators,
- Other school personnel,
- Parents, and
- Students

A charter school receiving Equity Multiplier funds must also consult with educational partners at the school generating Equity Multiplier funds in the development of the LCAP, specifically, in the development of the required focus goal for the school.

The LCAP should also be shared with, and LEAs should request input from, schoolsite-level advisory groups, as applicable (e.g., schoolsite councils, English Learner Advisory Councils, student advisory groups, etc.), to facilitate alignment between schoolsite and district-level goals. Information and resources that support effective engagement, define student consultation, and provide the requirements for advisory group composition, can be found under Resources on the [CDE's LCAP webpage](#).

Before the governing board/body of an LEA considers the adoption of the LCAP, the LEA must meet the following legal requirements:

- For school districts, see [Education Code Section 52062 \(California Legislative Information\)](#);
  - **Note:** Charter schools using the LCAP as the School Plan for Student Achievement must meet the requirements of *EC* Section 52062(a).

- For COEs, see [Education Code Section 52068 \(California Legislative Information\)](#); and
- For charter schools, see [Education Code Section 47606.5 \(California Legislative Information\)](#).
- **NOTE:** As a reminder, the superintendent of a school district or COE must respond, in writing, to comments received by the applicable committees identified in the *Education Code* sections listed above. This includes the parent advisory committee and may include the English learner parent advisory committee and, as of July 1, 2024, the student advisory committee, as applicable.

## Instructions

### Respond to the prompts as follows:

A summary of the process used to engage educational partners in the development of the LCAP.

School districts and county offices of education must, at a minimum, consult with teachers, principals, administrators, other school personnel, local bargaining units, parents, and students in the development of the LCAP.

Charter schools must, at a minimum, consult with teachers, principals, administrators, other school personnel, parents, and students in the development of the LCAP.

An LEA receiving Equity Multiplier funds must also consult with educational partners at schools generating Equity Multiplier funds in the development of the LCAP, specifically, in the development of the required focus goal for each applicable school.

### Complete the table as follows:

#### Educational Partners

Identify the applicable educational partner(s) or group(s) that were engaged in the development of the LCAP.

#### Process for Engagement

Describe the engagement process used by the LEA to involve the identified educational partner(s) in the development of the LCAP. At a minimum, the LEA must describe how it met its obligation to consult with all statutorily required educational partners, as applicable to the type of LEA.

- A sufficient response to this prompt must include general information about the timeline of the process and meetings or other engagement strategies with educational partners. A response may also include information about an LEA's philosophical approach to engaging its educational partners.
- An LEA receiving Equity Multiplier funds must also include a summary of how it consulted with educational partners at schools generating Equity Multiplier funds in the development of the LCAP, specifically, in the development of the required focus goal for each applicable school.

A description of how the adopted LCAP was influenced by the feedback provided by educational partners.

Describe any goals, metrics, actions, or budgeted expenditures in the LCAP that were influenced by or developed in response to the educational partner feedback.

- A sufficient response to this prompt will provide educational partners and the public with clear, specific information about how the engagement process influenced the development of the LCAP. This may include a description of how the LEA prioritized requests of educational partners within the context of the budgetary resources available or otherwise prioritized areas of focus within the LCAP.
- An LEA receiving Equity Multiplier funds must include a description of how the consultation with educational partners at schools generating Equity Multiplier funds influenced the development of the adopted LCAP.
- For the purposes of this prompt, this may also include, but is not necessarily limited to:
  - Inclusion of a goal or decision to pursue a Focus Goal (as described below)
  - Inclusion of metrics other than the statutorily required metrics
  - Determination of the target outcome on one or more metrics
  - Inclusion of performance by one or more student groups in the Measuring and Reporting Results subsection
  - Inclusion of action(s) or a group of actions
  - Elimination of action(s) or group of actions
  - Changes to the level of proposed expenditures for one or more actions
  - Inclusion of action(s) as contributing to increased or improved services for unduplicated students
  - Analysis of effectiveness of the specific actions to achieve the goal
  - Analysis of material differences in expenditures
  - Analysis of changes made to a goal for the ensuing LCAP year based on the annual update process
  - Analysis of challenges or successes in the implementation of actions

## Goals and Actions

### Purpose

Well-developed goals will clearly communicate to educational partners what the LEA plans to accomplish, what the LEA plans to do in order to accomplish the goal, and how the LEA will know when it has accomplished the goal. A goal statement, associated metrics and expected outcomes, and the actions included in the goal must be in alignment. The explanation for why the LEA included a goal is an opportunity for LEAs to clearly communicate to educational partners and the public why, among the various strengths and areas for improvement highlighted by performance data and strategies and actions that could be pursued, the LEA decided to pursue this goal, and the related metrics, expected outcomes, actions, and expenditures.

A well-developed goal can be focused on the performance relative to a metric or metrics for all students, a specific student group(s), narrowing performance gaps, or implementing programs or strategies expected to impact outcomes. LEAs should assess the performance of their student groups when developing goals and the related actions to achieve such goals.

### Requirements and Instructions

LEAs should prioritize the goals, specific actions, and related expenditures included within the LCAP within one or more state priorities. LEAs must consider performance on the state and local indicators, including their locally collected and reported data for the local indicators that are included in the Dashboard, in determining whether and how to prioritize its goals within the LCAP. As previously stated, strategic planning that

is comprehensive connects budgetary decisions to teaching and learning performance data. LEAs should continually evaluate the hard choices they make about the use of limited resources to meet student and community needs to ensure opportunities and outcomes are improved for all students, and to address and reduce disparities in opportunities and outcomes between student groups indicated by the Dashboard.

In order to support prioritization of goals, the LCAP template provides LEAs with the option of developing three different kinds of goals:

- **Focus Goal:** A Focus Goal is relatively more concentrated in scope and may focus on a fewer number of metrics to measure improvement. A Focus Goal statement will be time bound and make clear how the goal is to be measured.
  - All Equity Multiplier goals must be developed as focus goals. For additional information, see Required Focus Goal(s) for LEAs Receiving Equity Multiplier Funding below.
- **Broad Goal:** A Broad Goal is relatively less concentrated in its scope and may focus on improving performance across a wide range of metrics.
- **Maintenance of Progress Goal:** A Maintenance of Progress Goal includes actions that may be ongoing without significant changes and allows an LEA to track performance on any metrics not addressed in the other goals of the LCAP.

### Requirement to Address the LCFF State Priorities

At a minimum, the LCAP must address all LCFF priorities and associated metrics articulated in *EC* sections 52060(d) and 52066(d), as applicable to the LEA. The [LCFF State Priorities Summary](#) provides a summary of *EC* sections 52060(d) and 52066(d) to aid in the development of the LCAP.

Respond to the following prompts, as applicable:

#### Focus Goal(s)

##### Description

The description provided for a Focus Goal must be specific, measurable, and time bound.

- An LEA develops a Focus Goal to address areas of need that may require or benefit from a more specific and data intensive approach.
- The Focus Goal can explicitly reference the metric(s) by which achievement of the goal will be measured and the time frame according to which the LEA expects to achieve the goal.

##### Type of Goal

Identify the type of goal being implemented as a Focus Goal.

##### State Priorities addressed by this goal.

Identify each of the state priorities that this goal is intended to address.

##### An explanation of why the LEA has developed this goal.

Explain why the LEA has chosen to prioritize this goal.

- An explanation must be based on Dashboard data or other locally collected data.
- LEAs must describe how the LEA identified this goal for focused attention, including relevant consultation with educational partners.
- LEAs are encouraged to promote transparency and understanding around the decision to pursue a focus goal.

### **Required Focus Goal(s) for LEAs Receiving Equity Multiplier Funding**

#### Description

LEAs receiving Equity Multiplier funding must include one or more focus goals for each school generating Equity Multiplier funding. In addition to addressing the focus goal requirements described above, LEAs must adhere to the following requirements.

Focus goals for Equity Multiplier schoolsites must address the following:

- (A) All student groups that have the lowest performance level on one or more state indicators on the Dashboard, and
- (B) Any underlying issues in the credentialing, subject matter preparation, and retention of the school's educators, if applicable.
- Focus Goals for each and every Equity Multiplier schoolsite must identify specific metrics for each identified student group, as applicable.
- An LEA may create a single goal for multiple Equity Multiplier schoolsites if those schoolsites have the same student group(s) performing at the lowest performance level on one or more state indicators on the Dashboard or, experience similar issues in the credentialing, subject matter preparation, and retention of the school's educators.
  - When creating a single goal for multiple Equity Multiplier schoolsites, the goal must identify the student groups and the performance levels on the Dashboard that the Focus Goal is addressing; or,
  - The common issues the schoolsites are experiencing in credentialing, subject matter preparation, and retention of the school's educators, if applicable.

#### Type of Goal

Identify the type of goal being implemented as an Equity Multiplier Focus Goal.

#### State Priorities addressed by this goal.

Identify each of the state priorities that this goal is intended to address.

#### An explanation of why the LEA has developed this goal.

Explain why the LEA has chosen to prioritize this goal.

- An explanation must be based on **Dashboard data or other locally collected data.**
- LEAs must describe how the LEA identified this goal for focused attention, including relevant consultation with educational partners.
- LEAs are encouraged to promote transparency and understanding around the decision to pursue a focus goal.
- In addition to this information, the LEA must also identify:
  - The school or schools to which the goal applies

LEAs are encouraged to approach an Equity Multiplier goal from a wholistic standpoint, considering how the goal might maximize student outcomes through the use of LCFF and other funding in addition to Equity Multiplier funds.

- Equity Multiplier funds must be used to supplement, not supplant, funding provided to Equity Multiplier schoolsites for purposes of the LCFF, the Expanded Learning Opportunities Program (ELO-P), the Literacy Coaches and Reading Specialists (LCRS) Grant Program, and/or the California Community Schools Partnership Program (CCSPP).
- This means that Equity Multiplier funds must not be used to replace funding that an Equity Multiplier schoolsite would otherwise receive to implement LEA-wide actions identified in the LCAP or that an Equity Multiplier schoolsite would otherwise receive to implement provisions of the ELO-P, the LCRS, and/or the CCSPP.

**Note:** EC Section [42238.024\(b\)\(1\) \(California Legislative Information\)](#) requires that Equity Multiplier funds be used for the provision of evidence-based services and supports for students. Evidence-based services and supports are based on objective evidence that has informed the design of the service or support and/or guides the modification of those services and supports. Evidence-based supports and strategies are most commonly based on educational research and/or metrics of LEA, school, and/or student performance.

## Broad Goal

### Description

Describe what the LEA plans to achieve through the actions included in the goal.

- The description of a broad goal will be clearly aligned with the expected measurable outcomes included for the goal.
- The goal description organizes the actions and expected outcomes in a cohesive and consistent manner.
- A goal description is specific enough to be measurable in either quantitative or qualitative terms. A broad goal is not as specific as a focus goal. While it is specific enough to be measurable, there are many different metrics for measuring progress toward the goal.

### Type of Goal

Identify the type of goal being implemented as a Broad Goal.

### State Priorities addressed by this goal.

Identify each of the state priorities that this goal is intended to address.

An explanation of why the LEA has developed this goal.

Explain why the LEA developed this goal and how the actions and metrics grouped together will help achieve the goal.

**Maintenance of Progress Goal**

**Description**

Describe how the LEA intends to maintain the progress made in the LCFF State Priorities not addressed by the other goals in the LCAP.

- Use this type of goal to address the state priorities and applicable metrics not addressed within the other goals in the LCAP.
- The state priorities and metrics to be addressed in this section are those for which the LEA, in consultation with educational partners, has determined to maintain actions and monitor progress while focusing implementation efforts on the actions covered by other goals in the LCAP.

**Type of Goal**

Identify the type of goal being implemented as a Maintenance of Progress Goal.

**State Priorities addressed by this goal.**

Identify each of the state priorities that this goal is intended to address.

An explanation of why the LEA has developed this goal.

Explain how the actions will sustain the progress exemplified by the related metrics.

**Measuring and Reporting Results:**

For each LCAP year, identify the metric(s) that the LEA will use to track progress toward the expected outcomes.

- LEAs must identify metrics for specific student groups, as appropriate, including expected outcomes that address and reduce disparities in outcomes between student groups.
- The metrics may be quantitative or qualitative; but at minimum, an LEA’s LCAP must include goals that are measured using all of the applicable metrics for the related state priorities, in each LCAP year, as applicable to the type of LEA.
- To the extent a state priority does not specify one or more metrics (e.g., implementation of state academic content and performance standards), the LEA must identify a metric to use within the LCAP. For these state priorities, LEAs are encouraged to use metrics based on or reported through the relevant local indicator self-reflection tools within the Dashboard.

- **Required metrics for LEA-wide actions:** For each action identified as 1) contributing towards the requirement to increase or improve services for foster youth, English learners, including long-term English learners, and low-income students and 2) being provided on an LEA-wide basis, the LEA must identify one or more metrics to monitor the effectiveness of the action and its budgeted expenditures.
  - These required metrics may be identified within the action description or the first prompt in the increased or improved services section, however the description must clearly identify the metric(s) being used to monitor the effectiveness of the action and the action(s) that the metric(s) apply to.
- **Required metrics for Equity Multiplier goals:** For each Equity Multiplier goal, the LEA must identify:
  - The specific metrics for each identified student group at each specific schoolsite, as applicable, to measure the progress toward the goal, and/or
  - The specific metrics used to measure progress in meeting the goal related to credentialing, subject matter preparation, or educator retention at each specific schoolsite.

Complete the table as follows:

#### Metric #

- Enter the metric number.

#### Metric

- Identify the standard of measure being used to determine progress towards the goal and/or to measure the effectiveness of one or more actions associated with the goal.

#### Baseline

- Enter the baseline when completing the LCAP for 2024–25.
  - Use the most recent data associated with the metric available at the time of adoption of the LCAP for the first year of the three-year plan. LEAs may use data as reported on the 2023 Dashboard for the baseline of a metric only if that data represents the most recent available data (e.g., high school graduation rate).
  - Using the most recent data available may involve reviewing data the LEA is preparing for submission to the California Longitudinal Pupil Achievement Data System (CALPADS) or data that the LEA has recently submitted to CALPADS.
  - Indicate the school year to which the baseline data applies.
  - The baseline data must remain unchanged throughout the three-year LCAP.
    - This requirement is not intended to prevent LEAs from revising the baseline data if it is necessary to do so. For example, if an LEA identifies that its data collection practices for a particular metric are leading to inaccurate data and revises its practice to obtain

accurate data, it would also be appropriate for the LEA to revise the baseline data to align with the more accurate data process and report its results using the accurate data.

- If an LEA chooses to revise its baseline data, then, at a minimum, it must clearly identify the change as part of its response to the description of changes prompt in the Goal Analysis for the goal. LEAs are also strongly encouraged to involve their educational partners in the decision of whether or not to revise a baseline and to communicate the proposed change to their educational partners.
- Note for Charter Schools: Charter schools developing a one- or two-year LCAP may identify a new baseline each year, as applicable.

## Year 1 Outcome

- When completing the LCAP for 2025–26, enter the most recent data available. Indicate the school year to which the data applies.
  - Note for Charter Schools: Charter schools developing a one-year LCAP may provide the Year 1 Outcome when completing the LCAP for both 2025–26 and 2026–27 or may provide the Year 1 Outcome for 2025–26 and provide the Year 2 Outcome for 2026–27.

## Year 2 Outcome

- When completing the LCAP for 2026–27, enter the most recent data available. Indicate the school year to which the data applies.
  - Note for Charter Schools: Charter schools developing a one-year LCAP may identify the Year 2 Outcome as not applicable when completing the LCAP for 2026–27 or may provide the Year 2 Outcome for 2026–27.

## Target for Year 3 Outcome

- When completing the first year of the LCAP, enter the target outcome for the relevant metric the LEA expects to achieve by the end of the three-year LCAP cycle.
  - Note for Charter Schools: Charter schools developing a one- or two-year LCAP may identify a Target for Year 1 or Target for Year 2, as applicable.

## Current Difference from Baseline

- When completing the LCAP for 2025–26 and 2026–27, enter the current difference between the baseline and the yearly outcome, as applicable.
  - Note for Charter Schools: Charter schools developing a one- or two-year LCAP will identify the current difference between the baseline and the yearly outcome for Year 1 and/or the current difference between the baseline and the yearly outcome for Year 2, as applicable.

Timeline for school districts and COEs for completing the **“Measuring and Reporting Results”** part of the Goal.

Metric	Baseline	Year 1 Outcome	Year 2 Outcome	Target for Year 3 Outcome	Current Difference from Baseline
Enter information in this box when completing the LCAP for <b>2024–25</b> or when adding a new metric.	Enter information in this box when completing the LCAP for <b>2024–25</b> or when adding a new metric.	Enter information in this box when completing the LCAP for <b>2025–26</b> . Leave blank until then.	Enter information in this box when completing the LCAP for <b>2026–27</b> . Leave blank until then.	Enter information in this box when completing the LCAP for <b>2024–25</b> or when adding a new metric.	Enter information in this box when completing the LCAP for <b>2025–26</b> and <b>2026–27</b> . Leave blank until then.

**Goal Analysis:**

Enter the LCAP Year.

Using actual annual measurable outcome data, including data from the Dashboard, analyze whether the planned actions were effective towards achieving the goal. “Effective” means the degree to which the planned actions were successful in producing the target result. Respond to the prompts as instructed.

**Note:** When completing the 2024–25 LCAP, use the 2023–24 Local Control and Accountability Plan Annual Update template to complete the Goal Analysis and identify the Goal Analysis prompts in the 2024–25 LCAP as “Not Applicable.”

A description of overall implementation, including any substantive differences in planned actions and actual implementation of these actions, and any relevant challenges and successes experienced with implementation.

- Describe the overall implementation of the actions to achieve the articulated goal, including relevant challenges and successes experienced with implementation.
  - Include a discussion of relevant challenges and successes experienced with the implementation process.
  - This discussion must include any instance where the LEA did not implement a planned action or implemented a planned action in a manner that differs substantively from how it was described in the adopted LCAP.

An explanation of material differences between Budgeted Expenditures and Estimated Actual Expenditures and/or Planned Percentages of Improved Services and Estimated Actual Percentages of Improved Services.

- Explain material differences between Budgeted Expenditures and Estimated Actual Expenditures and between the Planned Percentages of Improved Services and Estimated Actual Percentages of Improved Services, as applicable. Minor variances in expenditures or percentages do not need to be addressed, and a dollar-for-dollar accounting is not required.

### A description of the effectiveness or ineffectiveness of the specific actions to date in making progress toward the goal.

- Describe the effectiveness or ineffectiveness of the specific actions to date in making progress toward the goal. “Effectiveness” means the degree to which the actions were successful in producing the target result and “ineffectiveness” means that the actions did not produce any significant or targeted result.
  - In some cases, not all actions in a goal will be intended to improve performance on all of the metrics associated with the goal.
  - When responding to this prompt, LEAs may assess the effectiveness of a single action or group of actions within the goal in the context of performance on a single metric or group of specific metrics within the goal that are applicable to the action(s). Grouping actions with metrics will allow for more robust analysis of whether the strategy the LEA is using to impact a specified set of metrics is working and increase transparency for educational partners. LEAs are encouraged to use such an approach when goals include multiple actions and metrics that are not closely associated.
  - Beginning with the development of the 2024–25 LCAP, the LEA must change actions that have not proven effective over a three-year period.

### A description of any changes made to the planned goal, metrics, target outcomes, or actions for the coming year that resulted from reflections on prior practice.

- Describe any changes made to this goal, expected outcomes, metrics, or actions to achieve this goal as a result of this analysis and analysis of the data provided in the Dashboard or other local data, as applicable.
  - As noted above, beginning with the development of the 2024–25 LCAP, the LEA must change actions that have not proven effective over a three-year period. For actions that have been identified as ineffective, the LEA must identify the ineffective action and must include a description of the following:
    - The reasons for the ineffectiveness, and
    - How changes to the action will result in a new or strengthened approach.

### Actions:

Complete the table as follows. Add additional rows as necessary.

#### Action #

- Enter the action number.

#### Title

- Provide a short title for the action. This title will also appear in the action tables.

#### Description

- Provide a brief description of the action.

- For actions that contribute to meeting the increased or improved services requirement, the LEA may include an explanation of how each action is principally directed towards and effective in meeting the LEA's goals for unduplicated students, as described in the instructions for the Increased or Improved Services for Foster Youth, English Learners, and Low-Income Students section.
- As previously noted, for each action identified as 1) contributing towards the requirement to increase or improve services for foster youth, English learners, including long-term English learners, and low-income students and 2) being provided on an LEA-wide basis, the LEA must identify one or more metrics to monitor the effectiveness of the action and its budgeted expenditures.
- These required metrics may be identified within the action description or the first prompt in the increased or improved services section; however, the description must clearly identify the metric(s) being used to monitor the effectiveness of the action and the action(s) that the metric(s) apply to.

## Total Funds

- Enter the total amount of expenditures associated with this action. Budgeted expenditures from specific fund sources will be provided in the action tables.

## Contributing

- Indicate whether the action contributes to meeting the increased or improved services requirement as described in the Increased or Improved Services section using a “Y” for Yes or an “N” for No.
  - **Note:** for each such contributing action, the LEA will need to provide additional information in the Increased or Improved Services section to address the requirements in *California Code of Regulations*, Title 5 [5 CCR] Section 15496 in the Increased or Improved Services section of the LCAP.

**Actions for Foster Youth:** School districts, COEs, and charter schools that have a numerically significant foster youth student subgroup are encouraged to include specific actions in the LCAP designed to meet needs specific to foster youth students.

## Required Actions

- LEAs with 30 or more English learners and/or 15 or more long-term English learners must include specific actions in the LCAP related to, at a minimum:
  - Language acquisition programs, as defined in *EC* Section 306, provided to students, and
  - Professional development for teachers.
  - If an LEA has both 30 or more English learners and 15 or more long-term English learners, the LEA must include actions for both English learners and long-term English learners.
- LEAs eligible for technical assistance pursuant to *EC* sections 47607.3, 52071, 52071.5, 52072, or 52072.5, must include specific actions within the LCAP related to its implementation of the work underway as part of technical assistance. The most common form of this technical assistance is frequently referred to as Differentiated Assistance.

- LEAs that have Red Dashboard indicators for (1) a school within the LEA, (2) a student group within the LEA, and/or (3) a student group within any school within the LEA must include one or more specific actions within the LCAP:
  - The specific action(s) must be directed towards the identified student group(s) and/or school(s) and must address the identified state indicator(s) for which the student group or school received the lowest performance level on the 2023 Dashboard. Each student group and/or school that receives the lowest performance level on the 2023 Dashboard must be addressed by one or more actions.
  - These required actions will be effective for the three-year LCAP cycle.

## Increased or Improved Services for Foster Youth, English Learners, and Low-Income Students

### Purpose

A well-written Increased or Improved Services section provides educational partners with a comprehensive description, within a single dedicated section, of how an LEA plans to increase or improve services for its unduplicated students as defined in *EC* Section 42238.02 in grades TK–12 as compared to all students in grades TK–12, as applicable, and how LEA-wide or schoolwide actions identified for this purpose meet regulatory requirements. Descriptions provided should include sufficient detail yet be sufficiently succinct to promote a broader understanding of educational partners to facilitate their ability to provide input. An LEA’s description in this section must align with the actions included in the Goals and Actions section as contributing.

Please Note: For the purpose of meeting the Increased or Improved Services requirement and consistent with *EC* Section 42238.02, long-term English learners are included in the English learner student group.

### Statutory Requirements

An LEA is required to demonstrate in its LCAP how it is increasing or improving services for its students who are foster youth, English learners, and/or low-income, collectively referred to as unduplicated students, as compared to the services provided to all students in proportion to the increase in funding it receives based on the number and concentration of unduplicated students in the LEA (*EC* Section 42238.07[a][1], *EC* Section 52064[b][8][B]; 5 *CCR* Section 15496[a]). This proportionality percentage is also known as the “minimum proportionality percentage” or “MPP.” The manner in which an LEA demonstrates it is meeting its MPP is two-fold: (1) through the expenditure of LCFF funds or through the identification of a Planned Percentage of Improved Services as documented in the Contributing Actions Table, and (2) through the explanations provided in the Increased or Improved Services for Foster Youth, English Learners, and Low-Income Students section.

To improve services means to grow services in quality and to increase services means to grow services in quantity. Services are increased or improved by those actions in the LCAP that are identified in the Goals and Actions section as contributing to the increased or improved services requirement, whether they are provided across the entire LEA (LEA-wide action), provided to an entire school (Schoolwide action), or solely provided to one or more unduplicated student group(s) (Limited action).

Therefore, for *any* action contributing to meet the increased or improved services requirement, the LEA must include an explanation of:

- How the action is increasing or improving services for the unduplicated student group(s) (Identified Needs and Action Design), and
- How the action meets the LEA's goals for its unduplicated pupils in the state and any local priority areas (Measurement of Effectiveness).

## LEA-wide and Schoolwide Actions

In addition to the above required explanations, LEAs must provide a justification for why an LEA-wide or Schoolwide action is being provided to all students and how the action is intended to improve outcomes for unduplicated student group(s) as compared to all students.

- Conclusory statements that a service will help achieve an expected outcome for the goal, without an explicit connection or further explanation as to how, are not sufficient.
- Further, simply stating that an LEA has a high enrollment percentage of a specific student group or groups does not meet the increased or improved services standard because enrolling students is not the same as serving students.

### For School Districts Only

Actions provided on an **LEA-wide** basis at **school districts with an unduplicated pupil percentage of less than 55 percent** must also include a description of how the actions are the most effective use of the funds to meet the district's goals for its unduplicated pupils in the state and any local priority areas. The description must provide the basis for this determination, including any alternatives considered, supporting research, experience, or educational theory.

Actions provided on a **Schoolwide** basis for **schools with less than 40 percent enrollment of unduplicated pupils** must also include a description of how these actions are the most effective use of the funds to meet the district's goals for its unduplicated pupils in the state and any local priority areas. The description must provide the basis for this determination, including any alternatives considered, supporting research, experience, or educational theory.

## Requirements and Instructions

Complete the tables as follows:

### Total Projected LCFF Supplemental and/or Concentration Grants

- Specify the amount of LCFF supplemental and concentration grant funds the LEA estimates it will receive in the coming year based on the number and concentration of foster youth, English learner, and low-income students. This amount includes the Additional 15 percent LCFF Concentration Grant.

### Projected Additional 15 percent LCFF Concentration Grant

- Specify the amount of additional LCFF concentration grant add-on funding, as described in *EC* Section 42238.02, that the LEA estimates it will receive in the coming year.

### Projected Percentage to Increase or Improve Services for the Coming School Year

- Specify the estimated percentage by which services for unduplicated pupils must be increased or improved as compared to the services provided to all students in the LCAP year as calculated pursuant to 5 *CCR* Section 15496(a)(7).

### LCFF Carryover — Percentage

- Specify the LCFF Carryover — Percentage identified in the LCFF Carryover Table. If a carryover percentage is not identified in the LCFF Carryover Table, specify a percentage of zero (0.00%).

**LCFF Carryover — Dollar**

- Specify the LCFF Carryover — Dollar amount identified in the LCFF Carryover Table. If a carryover amount is not identified in the LCFF Carryover Table, specify an amount of zero (\$0).

**Total Percentage to Increase or Improve Services for the Coming School Year**

- Add the Projected Percentage to Increase or Improve Services for the Coming School Year and the Proportional LCFF Required Carryover Percentage and specify the percentage. This is the LEA’s percentage by which services for unduplicated pupils must be increased or improved as compared to the services provided to all students in the LCAP year, as calculated pursuant to 5 CCR Section 15496(a)(7).

**Required Descriptions:**

**LEA-wide and Schoolwide Actions**

For each action being provided to an entire LEA or school, provide an explanation of (1) the unique identified need(s) of the unduplicated student group(s) for whom the action is principally directed, (2) how the action is designed to address the identified need(s) and why it is being provided on an LEA or schoolwide basis, and (3) the metric(s) used to measure the effectiveness of the action in improving outcomes for the unduplicated student group(s).

If the LEA has provided this required description in the Action Descriptions, state as such within the table.

Complete the table as follows:

**Identified Need(s)**

Provide an explanation of the unique identified need(s) of the LEA’s unduplicated student group(s) for whom the action is principally directed.

An LEA demonstrates how an action is principally directed towards an unduplicated student group(s) when the LEA explains the need(s), condition(s), or circumstance(s) of the unduplicated student group(s) identified through a needs assessment and how the action addresses them. A meaningful needs assessment includes, at a minimum, analysis of applicable student achievement data and educational partner feedback.

**How the Action(s) are Designed to Address Need(s) and Why it is Provided on an LEA-wide or Schoolwide Basis**

Provide an explanation of how the action as designed will address the unique identified need(s) of the LEA’s unduplicated student group(s) for whom the action is principally directed and the rationale for why the action is being provided on an LEA-wide or schoolwide basis.

- As stated above, conclusory statements that a service will help achieve an expected outcome for the goal, without an explicit connection or further explanation as to how, are not sufficient.

- Further, simply stating that an LEA has a high enrollment percentage of a specific student group or groups does not meet the increased or improved services standard because enrolling students is not the same as serving students.

### **Metric(s) to Monitor Effectiveness**

Identify the metric(s) being used to measure the progress and effectiveness of the action(s).

**Note for COEs and Charter Schools:** In the case of COEs and charter schools, schoolwide and LEA-wide are considered to be synonymous.

### **Limited Actions**

For each action being solely provided to one or more unduplicated student group(s), provide an explanation of (1) the unique identified need(s) of the unduplicated student group(s) being served, (2) how the action is designed to address the identified need(s), and (3) how the effectiveness of the action in improving outcomes for the unduplicated student group(s) will be measured.

If the LEA has provided the required descriptions in the Action Descriptions, state as such.

Complete the table as follows:

### **Identified Need(s)**

Provide an explanation of the unique need(s) of the unduplicated student group(s) being served identified through the LEA's needs assessment. A meaningful needs assessment includes, at a minimum, analysis of applicable student achievement data and educational partner feedback.

### **How the Action(s) are Designed to Address Need(s)**

Provide an explanation of how the action is designed to address the unique identified need(s) of the unduplicated student group(s) being served.

### **Metric(s) to Monitor Effectiveness**

Identify the metric(s) being used to measure the progress and effectiveness of the action(s).

For any limited action contributing to meeting the increased or improved services requirement that is associated with a Planned Percentage of Improved Services in the Contributing Summary Table rather than an expenditure of LCFF funds, describe the methodology that was used to determine the contribution of the action towards the proportional percentage, as applicable.

- For each action with an identified Planned Percentage of Improved Services, identify the goal and action number and describe the methodology that was used.
- When identifying a Planned Percentage of Improved Services, the LEA must describe the methodology that it used to determine the contribution of the action towards the proportional percentage. The percentage of improved services for an action corresponds to the amount of LCFF funding that the LEA estimates it would expend to implement the action if it were funded.

- For example, an LEA determines that there is a need to analyze data to ensure that instructional aides and expanded learning providers know what targeted supports to provide to students who are foster youth. The LEA could implement this action by hiring additional staff to collect and analyze data and to coordinate supports for students, which, based on the LEA's current pay scale, the LEA estimates would cost \$165,000. Instead, the LEA chooses to utilize a portion of existing staff time to analyze data relating to students who are foster youth. This analysis will then be shared with site principals who will use the data to coordinate services provided by instructional assistants and expanded learning providers to target support to students. In this example, the LEA would divide the estimated cost of \$165,000 by the amount of LCFF Funding identified in the Total Planned Expenditures Table and then convert the quotient to a percentage. This percentage is the Planned Percentage of Improved Services for the action.

### **Additional Concentration Grant Funding**

A description of the plan for how the additional concentration grant add-on funding identified above will be used to increase the number of staff providing direct services to students at schools that have a high concentration (above 55 percent) of foster youth, English learners, and low-income students, as applicable.

An LEA that receives the additional concentration grant add-on described in *EC* Section 42238.02 is required to demonstrate how it is using these funds to increase the number of staff who provide direct services to students at schools with an enrollment of unduplicated students that is greater than 55 percent as compared to the number of staff who provide direct services to students at schools with an enrollment of unduplicated students that is equal to or less than 55 percent. The staff who provide direct services to students must be certificated staff and/or classified staff employed by the LEA; classified staff includes custodial staff.

Provide the following descriptions, as applicable to the LEA:

- An LEA that does not receive a concentration grant or the concentration grant add-on must indicate that a response to this prompt is not applicable.
- Identify the goal and action numbers of the actions in the LCAP that the LEA is implementing to meet the requirement to increase the number of staff who provide direct services to students at schools with an enrollment of unduplicated students that is greater than 55 percent.
- An LEA that does not have comparison schools from which to describe how it is using the concentration grant add-on funds, such as a single-school LEA or an LEA that only has schools with an enrollment of unduplicated students that is greater than 55 percent, must describe how it is using the funds to increase the number of credentialed staff, classified staff, or both, including custodial staff, who provide direct services to students at selected schools and the criteria used to determine which schools require additional staffing support.
- In the event that an additional concentration grant add-on is not sufficient to increase staff providing direct services to students at a school with an enrollment of unduplicated students that is greater than 55 percent, the LEA must describe how it is using the funds to retain staff providing direct services to students at a school with an enrollment of unduplicated students that is greater than 55 percent.

Complete the table as follows:

- Provide the staff-to-student ratio of classified staff providing direct services to students with a concentration of unduplicated students that is 55 percent or less and the staff-to-student ratio of classified staff providing direct services to students at schools with a concentration of unduplicated students that is greater than 55 percent, as applicable to the LEA.
  - The LEA may group its schools by grade span (Elementary, Middle/Junior High, and High Schools), as applicable to the LEA.

- The staff-to-student ratio must be based on the number of full-time equivalent (FTE) staff and the number of enrolled students as counted on the first Wednesday in October of each year.
- Provide the staff-to-student ratio of certificated staff providing direct services to students at schools with a concentration of unduplicated students that is 55 percent or less and the staff-to-student ratio of certificated staff providing direct services to students at schools with a concentration of unduplicated students that is greater than 55 percent, as applicable to the LEA.
  - The LEA may group its schools by grade span (Elementary, Middle/Junior High, and High Schools), as applicable to the LEA.
  - The staff-to-student ratio must be based on the number of FTE staff and the number of enrolled students as counted on the first Wednesday in October of each year.

## Action Tables

Complete the Total Planned Expenditures Table for each action in the LCAP. The information entered into this table will automatically populate the other Action Tables. Information is only entered into the Total Planned Expenditures Table, the Annual Update Table, the Contributing Actions Annual Update Table, and the LCFF Carryover Table. The word “input” has been added to column headers to aid in identifying the column(s) where information will be entered. Information is not entered on the remaining Action tables.

The following tables are required to be included as part of the LCAP adopted by the local governing board or governing body:

- Table 1: Total Planned Expenditures Table (for the coming LCAP Year)
- Table 2: Contributing Actions Table (for the coming LCAP Year)
- Table 3: Annual Update Table (for the current LCAP Year)
- Table 4: Contributing Actions Annual Update Table (for the current LCAP Year)
- Table 5: LCFF Carryover Table (for the current LCAP Year)

Note: The coming LCAP Year is the year that is being planned for, while the current LCAP year is the current year of implementation. For example, when developing the 2024–25 LCAP, 2024–25 will be the coming LCAP Year and 2023–24 will be the current LCAP Year.

## Total Planned Expenditures Table

In the Total Planned Expenditures Table, input the following information for each action in the LCAP for that applicable LCAP year:

- **LCAP Year:** Identify the applicable LCAP Year.
- **1. Projected LCFF Base Grant:** Provide the total amount estimated LCFF entitlement for the coming school year, excluding the supplemental and concentration grants and the add-ons for the Targeted Instructional Improvement Block Grant program, the former Home-to-School Transportation program, and the Small School District Transportation program, pursuant to 5 CCR Section 15496(a)(8).

Note that the LCFF Base Grant for purposes of the LCAP also includes the Necessary Small Schools and Economic Recovery Target allowances for school districts, and County Operations Grant for COEs.

See EC sections 2574 (for COEs) and 42238.02 (for school districts and charter schools), as applicable, for LCFF entitlement calculations.

- **2. Projected LCFF Supplemental and/or Concentration Grants:** Provide the total amount of LCFF supplemental and concentration grants estimated on the basis of the number and concentration of unduplicated students for the coming school year.
- **3. Projected Percentage to Increase or Improve Services for the Coming School Year:** This percentage will not be entered; it is calculated based on the Projected LCFF Base Grant and the Projected LCFF Supplemental and/or Concentration Grants, pursuant to 5 CCR Section 15496(a)(8). This is the percentage by which services for unduplicated pupils must be increased or improved as compared to the services provided to all students in the coming LCAP year.
- **LCFF Carryover — Percentage:** Specify the LCFF Carryover — Percentage identified in the LCFF Carryover Table from the prior LCAP year. If a carryover percentage is not identified in the LCFF Carryover Table, specify a percentage of zero (0.00%).
- **Total Percentage to Increase or Improve Services for the Coming School Year:** This percentage will not be entered; it is calculated based on the Projected Percentage to Increase or Improve Services for the Coming School Year and the LCFF Carryover — Percentage. ***This is the percentage by which the LEA must increase or improve services for unduplicated pupils as compared to the services provided to all students in the coming LCAP year.***
- **Goal #:** Enter the LCAP Goal number for the action.
- **Action #:** Enter the action's number as indicated in the LCAP Goal.
- **Action Title:** Provide a title of the action.
- **Student Group(s):** Indicate the student group or groups who will be the primary beneficiary of the action by entering "All," or by entering a specific student group or groups.
- **Contributing to Increased or Improved Services?:** Type "Yes" if the action **is** included as contributing to meeting the increased or improved services requirement; OR, type "No" if the action is **not** included as contributing to meeting the increased or improved services requirement.
- If "Yes" is entered into the Contributing column, then complete the following columns:
  - **Scope:** The scope of an action may be LEA-wide (i.e., districtwide, countywide, or charterwide), schoolwide, or limited. An action that is LEA-wide in scope upgrades the entire educational program of the LEA. An action that is schoolwide in scope upgrades the entire educational program of a single school. An action that is limited in its scope is an action that serves only one or more unduplicated student groups.

- **Unduplicated Student Group(s):** Regardless of scope, contributing actions serve one or more unduplicated student groups. Indicate one or more unduplicated student groups for whom services are being increased or improved as compared to what all students receive.
- **Location:** Identify the location where the action will be provided. If the action is provided to all schools within the LEA, the LEA must indicate “All Schools.” If the action is provided to specific schools within the LEA or specific grade spans only, the LEA must enter “Specific Schools” or “Specific Grade Spans.” Identify the individual school or a subset of schools or grade spans (e.g., all high schools or grades transitional kindergarten through grade five), as appropriate.
- **Time Span:** Enter “ongoing” if the action will be implemented for an indeterminate period of time. Otherwise, indicate the span of time for which the action will be implemented. For example, an LEA might enter “1 Year,” or “2 Years,” or “6 Months.”
- **Total Personnel:** Enter the total amount of personnel expenditures utilized to implement this action.
- **Total Non-Personnel:** This amount will be automatically calculated based on information provided in the Total Personnel column and the Total Funds column.
- **LCFF Funds:** Enter the total amount of LCFF funds utilized to implement this action, if any. LCFF funds include all funds that make up an LEA’s total LCFF target (i.e., base grant, grade span adjustment, supplemental grant, concentration grant, Targeted Instructional Improvement Block Grant, and Home-To-School Transportation).
  - **Note:** For an action to contribute towards meeting the increased or improved services requirement, it must include some measure of LCFF funding. The action may also include funding from other sources, however the extent to which an action contributes to meeting the increased or improved services requirement is based on the LCFF funding being used to implement the action.
- **Other State Funds:** Enter the total amount of Other State Funds utilized to implement this action, if any.
  - **Note:** Equity Multiplier funds must be included in the “Other State Funds” category, not in the “LCFF Funds” category. As a reminder, Equity Multiplier funds must be used to supplement, not supplant, funding provided to Equity Multiplier schoolsites for purposes of the LCFF, the ELO-P, the LCRS, and/or the CCSPP. This means that Equity Multiplier funds must not be used to replace funding that an Equity Multiplier schoolsite would otherwise receive to implement LEA-wide actions identified in the LEA’s LCAP or that an Equity Multiplier schoolsite would otherwise receive to implement provisions of the ELO-P, the LCRS, and/or the CCSPP.
- **Local Funds:** Enter the total amount of Local Funds utilized to implement this action, if any.
- **Federal Funds:** Enter the total amount of Federal Funds utilized to implement this action, if any.
- **Total Funds:** This amount is automatically calculated based on amounts entered in the previous four columns.
- **Planned Percentage of Improved Services:** For any action identified as contributing, being provided on a Limited basis to unduplicated students, and that does not have funding associated with the action, enter the planned quality improvement anticipated for the action as

a percentage rounded to the nearest hundredth (0.00%). A limited action is an action that only serves foster youth, English learners, and/or low-income students.

- As noted in the instructions for the Increased or Improved Services section, when identifying a Planned Percentage of Improved Services, the LEA must describe the methodology that it used to determine the contribution of the action towards the proportional percentage. The percentage of improved services for an action corresponds to the amount of LCFF funding that the LEA estimates it would expend to implement the action if it were funded.

For example, an LEA determines that there is a need to analyze data to ensure that instructional aides and expanded learning providers know what targeted supports to provide to students who are foster youth. The LEA could implement this action by hiring additional staff to collect and analyze data and to coordinate supports for students, which, based on the LEA's current pay scale, the LEA estimates would cost \$165,000. Instead, the LEA chooses to utilize a portion of existing staff time to analyze data relating to students who are foster youth. This analysis will then be shared with site principals who will use the data to coordinate services provided by instructional assistants and expanded learning providers to target support to students. In this example, the LEA would divide the estimated cost of \$165,000 by the amount of LCFF Funding identified in the Data Entry Table and then convert the quotient to a percentage. This percentage is the Planned Percentage of Improved Services for the action.

## Contributing Actions Table

As noted above, information will not be entered in the Contributing Actions Table; however, the 'Contributing to Increased or Improved Services?' column will need to be checked to ensure that only actions with a "Yes" are displaying. If actions with a "No" are displayed or if actions that are contributing are not displaying in the column, use the drop-down menu in the column header to filter only the "Yes" responses.

## Annual Update Table

In the Annual Update Table, provide the following information for each action in the LCAP for the relevant LCAP year:

- **Estimated Actual Expenditures:** Enter the total estimated actual expenditures to implement this action, if any.

## Contributing Actions Annual Update Table

In the Contributing Actions Annual Update Table, check the 'Contributing to Increased or Improved Services?' column to ensure that only actions with a "Yes" are displaying. If actions with a "No" are displayed or if actions that are contributing are not displaying in the column, use the drop-down menu in the column header to filter only the "Yes" responses. Provide the following information for each contributing action in the LCAP for the relevant LCAP year:

- **6. Estimated Actual LCFF Supplemental and/or Concentration Grants:** Provide the total amount of LCFF supplemental and concentration grants estimated based on the number and concentration of unduplicated students in the current school year.
- **Estimated Actual Expenditures for Contributing Actions:** Enter the total estimated actual expenditure of LCFF funds used to implement this action, if any.

- **Estimated Actual Percentage of Improved Services:** For any action identified as contributing, being provided on a Limited basis only to unduplicated students, and that does not have funding associated with the action, enter the total estimated actual quality improvement anticipated for the action as a percentage rounded to the nearest hundredth (0.00%).
  - Building on the example provided above for calculating the Planned Percentage of Improved Services, the LEA in the example implements the action. As part of the annual update process, the LEA reviews implementation and student outcome data and determines that the action was implemented with fidelity and that outcomes for foster youth students improved. The LEA reviews the original estimated cost for the action and determines that had it hired additional staff to collect and analyze data and to coordinate supports for students that estimated actual cost would have been \$169,500 due to a cost of living adjustment. The LEA would divide the estimated actual cost of \$169,500 by the amount of LCFF Funding identified in the Data Entry Table and then convert the quotient to a percentage. This percentage is the Estimated Actual Percentage of Improved Services for the action.

## LCFF Carryover Table

- **9. Estimated Actual LCFF Base Grant:** Provide the total amount of estimated LCFF Target Entitlement for the current school year, excluding the supplemental and concentration grants and the add-ons for the Targeted Instructional Improvement Block Grant program, the former Home-to-School Transportation program, and the Small School District Transportation program, pursuant to 5 CCR Section 15496(a)(8). Note that the LCFF Base Grant for purposes of the LCAP also includes the Necessary Small Schools and Economic Recovery Target allowances for school districts, and County Operations Grant for COEs. See *EC* sections 2574 (for COEs) and 42238.02 (for school districts and charter schools), as applicable, for LCFF entitlement calculations.
- **10. Total Percentage to Increase or Improve Services for the Current School Year:** This percentage will not be entered. The percentage is calculated based on the amounts of the Estimated Actual LCFF Base Grant (9) and the Estimated Actual LCFF Supplemental and/or Concentration Grants (6), pursuant to 5 CCR Section 15496(a)(8), plus the LCFF Carryover – Percentage from the prior year. This is the percentage by which services for unduplicated pupils must be increased or improved as compared to the services provided to all students in the current LCAP year.

## Calculations in the Action Tables

To reduce the duplication of effort of LEAs, the Action Tables include functionality such as pre-population of fields and cells based on the information provided in the Data Entry Table, the Annual Update Summary Table, and the Contributing Actions Table. For transparency, the functionality and calculations used are provided below.

### Contributing Actions Table

- **4. Total Planned Contributing Expenditures (LCFF Funds)**
  - This amount is the total of the Planned Expenditures for Contributing Actions (LCFF Funds) column.
- **5. Total Planned Percentage of Improved Services**
  - This percentage is the total of the Planned Percentage of Improved Services column.
- **Planned Percentage to Increase or Improve Services for the coming school year (4 divided by 1, plus 5)**

- This percentage is calculated by dividing the Total Planned Contributing Expenditures (4) by the Projected LCFF Base Grant (1), converting the quotient to a percentage, and adding it to the Total Planned Percentage of Improved Services (5).

### **Contributing Actions Annual Update Table**

Pursuant to *EC* Section 42238.07(c)(2), if the Total Planned Contributing Expenditures (4) is less than the Estimated Actual LCFF Supplemental and Concentration Grants (6), the LEA is required to calculate the difference between the Total Planned Percentage of Improved Services (5) and the Total Estimated Actual Percentage of Improved Services (7). If the Total Planned Contributing Expenditures (4) is equal to or greater than the Estimated Actual LCFF Supplemental and Concentration Grants (6), the Difference Between Planned and Estimated Actual Percentage of Improved Services will display “Not Required.”

- **6. Estimated Actual LCFF Supplemental and Concentration Grants**
  - This is the total amount of LCFF supplemental and concentration grants the LEA estimates it will actually receive based on of the number and concentration of unduplicated students in the current school year.
- **4. Total Planned Contributing Expenditures (LCFF Funds)**
  - This amount is the total of the Last Year's Planned Expenditures for Contributing Actions (LCFF Funds).
- **7. Total Estimated Actual Expenditures for Contributing Actions**
  - This amount is the total of the Estimated Actual Expenditures for Contributing Actions (LCFF Funds).
- **Difference Between Planned and Estimated Actual Expenditures for Contributing Actions (Subtract 7 from 4)**
  - This amount is the Total Estimated Actual Expenditures for Contributing Actions (7) subtracted from the Total Planned Contributing Expenditures (4).
- **5. Total Planned Percentage of Improved Services (%)**
  - This amount is the total of the Planned Percentage of Improved Services column.
- **8. Total Estimated Actual Percentage of Improved Services (%)**
  - This amount is the total of the Estimated Actual Percentage of Improved Services column.
- **Difference Between Planned and Estimated Actual Percentage of Improved Services (Subtract 5 from 8)**
  - This amount is the Total Planned Percentage of Improved Services (5) subtracted from the Total Estimated Actual Percentage of Improved Services (8).

### **LCFF Carryover Table**

- **10. Total Percentage to Increase or Improve Services for the Current School Year (6 divided by 9 plus Carryover %)**

- This percentage is the Estimated Actual LCFF Supplemental and/or Concentration Grants (6) divided by the Estimated Actual LCFF Base Grant (9) plus the LCFF Carryover – Percentage from the prior year.
- **11. Estimated Actual Percentage of Increased or Improved Services (7 divided by 9, plus 8)**
  - This percentage is the Total Estimated Actual Expenditures for Contributing Actions (7) divided by the LCFF Funding (9), then converting the quotient to a percentage and adding the Total Estimated Actual Percentage of Improved Services (8).
- **12. LCFF Carryover — Dollar Amount LCFF Carryover (Subtract 11 from 10 and multiply by 9)**
  - If the Estimated Actual Percentage of Increased or Improved Services (11) is less than the Estimated Actual Percentage to Increase or Improve Services (10), the LEA is required to carry over LCFF funds.  
  
The amount of LCFF funds is calculated by subtracting the Estimated Actual Percentage to Increase or Improve Services (11) from the Estimated Actual Percentage of Increased or Improved Services (10) and then multiplying by the Estimated Actual LCFF Base Grant (9). This amount is the amount of LCFF funds that is required to be carried over to the coming year.
- **13. LCFF Carryover — Percentage (12 divided by 9)**
  - This percentage is the unmet portion of the Percentage to Increase or Improve Services that the LEA must carry over into the coming LCAP year. The percentage is calculated by dividing the LCFF Carryover (12) by the LCFF Funding (9).

California Department of Education  
November 2023

## LCFF Budget Overview for Parents

Local Educational Agency (LEA) Name: Magnolia Science Academy 7

CDS Code: 19-64733-0117655

School Year: 2024-25

LEA contact information:

Meagan Wittek

Principal

[mwittek@magnoliapublicschools.org](mailto:mwittek@magnoliapublicschools.org)

(818) 886-0585

School districts receive funding from different sources: state funds under the Local Control Funding Formula (LCFF), other state funds, local funds, and federal funds. LCFF funds include a base level of funding for all LEAs and extra funding - called "supplemental and concentration" grants - to LEAs based on the enrollment of high needs students (foster youth, English learners, and low-income students).

### Budget Overview for the 2024-25 School Year

This chart shows the total general purpose revenue Magnolia Science Academy 7 expects to receive in the coming year from all sources.

The text description for the above chart is as follows: The total revenue projected for Magnolia Science Academy 7 is \$6,172,046, of which \$4,026,884 is Local Control Funding Formula (LCFF), \$1,558,388 is other state funds, \$271,342 is local funds, and \$315,432 is federal funds. Of the \$4,026,884 in LCFF Funds, \$1,075,950 is generated based on the enrollment of high needs students (foster youth, English learner, and low-income students).

## LCFF Budget Overview for Parents

The LCFF gives school districts more flexibility in deciding how to use state funds. In exchange, school districts must work with parents, educators, students, and the community to develop a Local Control and Accountability Plan (LCAP) that shows how they will use these funds to serve students.

This chart provides a quick summary of how much Magnolia Science Academy 7 plans to spend for 2024-25. It shows how much of the total is tied to planned actions and services in the LCAP.

The text description of the above chart is as follows: Magnolia Science Academy 7 plans to spend \$6,143,951.60 for the 2024-25 school year. Of that amount, \$6,143,951.60 is tied to actions/services in the LCAP and \$0 is not included in the LCAP. The budgeted expenditures that are not included in the LCAP will be used for the following:

N/A

### Increased or Improved Services for High Needs Students in the LCAP for the 2024-25 School Year

In 2024-25, Magnolia Science Academy 7 is projecting it will receive \$1,075,950 based on the enrollment of foster youth, English learner, and low-income students. Magnolia Science Academy 7 must describe how it intends to increase or improve services for high needs students in the LCAP. Magnolia Science Academy 7 plans to spend \$1,212,514.93 towards meeting this requirement, as described in the LCAP.

## LCFF Budget Overview for Parents

### Update on Increased or Improved Services for High Needs Students in 2023-24

This chart compares what Magnolia Science Academy 7 budgeted last year in the LCAP for actions and services that contribute to increasing or improving services for high needs students with what Magnolia Science Academy 7 estimates it has spent on actions and services that contribute to increasing or improving services for high needs students in the current year.

The text description of the above chart is as follows: In 2023-24, Magnolia Science Academy 7's LCAP budgeted \$856,708.84 for planned actions to increase or improve services for high needs students. Magnolia Science Academy 7 actually spent \$709,833.25 for actions to increase or improve services for high needs students in 2023-24.

The difference between the budgeted and actual expenditures of \$-146,875.58,999,999,997 had the following impact on Magnolia Science Academy 7's ability to increase or improve services for high needs students:

Even though, the total actual expenditures for actions and services to increase or improve services for high needs students in 2023-24 is less than the total budgeted expenditures for those planned actions and services, the difference did not impact the actions and services and the overall increased or improved services for high needs students in 2023-24. For those actions and services, Magnolia Science Academy 7 used applicable (if not all) state, federal, and local funds including, but not limited to CIF, Lottery - Non-Prop 2, EPA, ELOP (Expanded Learning Opportunities Program), Title I, ESSER III, ESSER III - Learning Loss, ELO - Learning Loss, ESSER III Summer Grant, Title II, Title IV - Part A, Title III - LEP, ARP HCY II, ASES, Educator Effectiveness Block Grant, California Community Schools Partnership, AB 602, Arts & Music Block Grant, Community Engagement Initiative Grant, A-G Access/Success Grant, A-G Learning Loss Mitigation Grant, MTSS, and Fundraising.

# 2023–24 Local Control and Accountability Plan Annual Update

## Goals and Actions

### Goal

Goal #	Description
1	BASIC SERVICES FOR A HIGH-QUALITY LEARNING ENVIRONMENT: All students and staff will have access to a safe, secure, healthy, and high-quality learning and working environment. Students will receive basic services that are fundamental to academic success, including fully credentialed teachers, standards-aligned instructional materials, and appropriately maintained school facilities.

### Measuring and Reporting Results

Metric	Baseline	Year 1 Outcome	Year 2 Outcome	Year 3 Outcome	Desired Outcome for 2023–24
Number of misassignments of teachers of English learners, total teacher misassignments, and vacant teacher positions (Source: Local Indicator Priority 1)	2020-21: 0	2021-22: 1	2022-23: 0	2023-24: 1	2023-24: 0
Percentage of students without access to their own copies of standards-aligned instructional materials for use at school and at home (Source: Local Indicator Priority 1)	2020-21: 0%	2021-22: 0%	2022-23: 0%	2023-24: 0%	2023-24: 0%
Number of identified instances where facilities do not meet the “good repair”	2020-21: 1	2021-22: 0	2022-23: 0	2023-24: 0	2022-23: 0

Metric	Baseline	Year 1 Outcome	Year 2 Outcome	Year 3 Outcome	Desired Outcome for 2023–24
standard (including deficiencies and extreme deficiencies) (Source: Local Indicator Priority 1)					
Teacher retention rate (Source: HRIS)	2020-21: (Spring 2020 to Fall 2020) 93.0%	2021-22: (Spring 2021 to Fall 2021) 100%	2022-23: (Fall 2021 to Fall 2022) 81%  This metric has been updated to measure from fall to fall.	2023-24: (Fall 2022 to Fall 2023) 88%	2023-24: (Fall 2022 to Fall 2023) 90.0%
Teacher attendance rate (Source: HRIS)	2020-21: (As of 3/25/21) 98.0%	2021-22: (As of 5/12/22) 95.3%	2022-23: (As of 5/12/23) 94.8%	2023-24: (As of 12/15/23) 97.4%	2023-24: 97.0%

## Goal Analysis

An analysis of how this goal was carried out in the previous year.

A description of any substantive differences in planned actions and actual implementation of these actions.

### Goal 1 Action 1:

Planned Actions - teacher credentialing expenses, recruitment expenses (sign-in bonus, live scan/fingerprinting fees, etc.), Paycom/payroll fees, retirement service fees, and performance pay.

Actual Implementation of Actions - All planned actions were implemented except for performance pay since this was taken out of the MPS policy. All students, TK-5th received quality instruction from fully credentialed teachers, with the exception of one who was working on a permit to complete her credential. Fourteen new staff members were hired this school year resulting in a need to complete a live scan and TB test and be reimbursed for the fees.

### Goal 1 Action 2:

Planned Actions - textbooks, instructional materials and supplies, teacher/classroom supplies and office materials, computers, Chromebooks, hotspots, and other technology equipment, IT manager salary and benefits, E-Rate consultancy, and basic software (Zendesk, Asset Works, firewall, Datto, Cloud Ready, Zoom, Go Guardian, etc.), phone/internet, and depreciation.

Actual Implementation of Actions - All planned actions were implemented. 100% of all enrolled students had access to their own copies of standards-aligned instructional materials for use at school and at home. Our school has more than a one-to-one ratio of technology devices to students. We continue to share an IT Manager with another school site so he works at each campus part-time. All eleven classrooms are now equipped with Viewsonic Interactive Boards as well as an extra one to be used for student and parent programs.

Goal 1 Action 3:

Planned Actions - facilities rent/acquisition cost, custodial staff salaries, and benefits, custodial supplies, maintenance and repair services, gas/electric, security services, health and safety-related expenses (PPE, nursing services, etc.), and insurance costs (workers' compensation, Charter SAFE, etc.)

Actual Implementation of Actions - All planned actions were implemented. Our current facilities are considered to be in "good repair". Multiple upgrade and maintenance projects were done including, new doors installed, plumbing repairs, etc. Custodial and health and safety needs were a priority as we continue to help try and limit the spread of the COVID-19 virus and other viruses, therefore more custodial supplies were purchased.

Goal 1 Action 4:

Planned Actions - student meals, water, and refreshments.

Actual Implementation of Actions - As we continue to help try and limit the spread of the COVID-19 virus and other viruses, health and safety maintained a primary focus so all classrooms and offices continue to have a water dispenser and cups with monthly service.

Goal 1 Action 5:

Planned Actions - Home Office management fees, authorizer oversight fees, audit fees, bank fees, legal fees (YM&C, etc.), and other back office related expenses (Adaptive Insights, Data Works, etc.)

Actual Implementation of Actions - All planned actions were implemented. Support was provided accordingly by Home Office staff, our authorizer, and legal council. Other systems and programs were used accordingly.

An explanation of material differences between Budgeted Expenditures and Estimated Actual Expenditures and/or Planned Percentages of Improved Services and Estimated Actual Percentages of Improved Services.

Goal 1 Action 1

Budgeted: \$18,900

Actual: \$18,900

Explanation: There are no discrepancies for 1.1 between planned and actual expenditures. All planned actions were implemented and allocated funds were used.

Goal 1 Action 2

Budgeted: \$312,318

Actual: \$312,318

Explanation: There are no discrepancies for 1.2 between planned and actual expenditures. All planned actions were implemented and allocated funds were used.

#### Goal 1 Action 3

Budgeted: \$800,538

Actual: \$834,310

Explanation: The budgeted expenditures for 1.3 were about \$34,000 less than the actual expenditures. This discrepancy is not significant as it is less than 10% of the budgeted amount.

#### Goal 1 Action 4

Budgeted: \$17,280

Actual: \$17,280

Explanation: There are no discrepancies for 1.4 between planned and actual expenditures. All planned actions were implemented and allocated funds were used.

#### Goal 1 Action 5

Budgeted: \$687,765

Actual: \$687,765

Explanation: There are no discrepancies for 1.5 between planned and actual expenditures. All planned actions were implemented and allocated funds were used.

An explanation of how effective or ineffective the specific actions were in making progress toward the goal during the three-year LCAP cycle.

Action 1: This action was effective in making progress toward the goal. We were able to hire all necessary staff and teachers and support them with any hiring fees. Being able to support eligible staff members with hiring and other fees, helps move the hiring process along and get qualified staff members into their respective positions more quickly.

Action 2: This action was effective in making progress toward the goal. We were able to provide all students with the instructional materials and technology needed to access their curriculum and learning. Thanks to the additional funding provided to schools, more technology was purchased allowing for at least a one-to-one student-to-device ratio and Chromebook carts in all classrooms TK-5th as well as Viewsonic Interactive Boards in every classroom. We were also able to keep our IT manager, by continuing to split the position with another school. It has been very helpful to have an IT Manager who can assist with the maintenance of all devices, internet reliability, testing support, etc.

Action 3: This action was effective in making progress toward the goal. We were able to put protocols in place and purchase all necessary items to ensure students and staff had access to a safe, secure, healthy, and high-quality learning and working environment. This funding allowed us to keep an additional custodian.

Action 4: This action was effective in making progress toward the goal. As we continue to help try and limit the spread of the COVID-19 virus and other viruses, health and safety maintained a primary focus so all classrooms and offices were provided a water dispenser and cups with monthly service. Having the funding to be able to do this allowed students and staff to attend school in a safe, healthy, and comfortable school setting.

Action 5: This action was effective in making progress toward the goal.

A description of any changes made to the planned goal, metrics, desired outcomes, or actions for the coming year that resulted from reflections on prior practice.

After taking the time to reflect upon goal #1 and its metrics, desired outcomes, and actions, we have determined that most practices will remain the same for the 2024-25 school year wherever applicable and possible. We will continue to prioritize budgeting and decision making to provide our students with standards-aligned curriculum and access to all instructional materials and technology required for equitable learning. Maintaining our facility and ensuring the health and safety of our students and staff will also remain a priority as we ensure all necessary items are in stock and any needed repairs are complete. The biggest change our school experienced this year that falls under Goal #1 is that we transitioned the full time security guard we had through a third party vendor to being a full-time employee (Campus Safety Aide). We plan on keeping this position for next year.

**A report of the Total Estimated Actual Expenditures for last year's actions may be found in the Annual Update Table. A report of the Estimated Actual Percentages of Improved Services for last year's actions may be found in the Contributing Actions Annual Update Table.**

## Goals and Actions

### Goal

Goal #	Description
2	EXCELLENCE: All students will have equitable access to a high-quality core curricular and instructional program and make academic progress on the California Content Standards. Students will pursue academic excellence and be college/career ready.

### Measuring and Reporting Results

Metric	Baseline	Year 1 Outcome	Year 2 Outcome	Year 3 Outcome	Desired Outcome for 2023–24
Percentage of programs and services outlined in the charter petition, including a broad course of study, that are developed and provided to students, certain programs and services being dependent on student need and interest (Source: Local Indicator Priority 7, SIS)	2020-21: 90%	2021-22: (As of 5/13/22) 100%	2022-23: (As of 5/12/23) 95%	2023-24: (As of 5/20/24) 95%	2023-24: 100%
Percentage of students who have sufficient access to all programs and services developed and provided to unduplicated students and to individuals with	2020-21: 100%	2021-22: (As of 5/13/22) 100%	2022-23: (As of 5/12/23) 100%	2023-24: (As of 5/20/24) 100%	2023-24: 100%

## Goal Analysis

An analysis of how this goal was carried out in the previous year.

A description of any substantive differences in planned actions and actual implementation of these actions.

### Goal 2 Action 1:

Planned Actions - teacher salaries and benefits, principal salary and benefits, and substitute teacher expenses.

Actual Implementation of Actions - All planned actions were implemented. 100% of programs and services outlined in the charter petition were provided to students dependent on need and interest. State standards and adopted grade-level curriculum were used to deliver high quality instruction.

### Goal 2 Action 2:

Planned Actions - professional development, tuition reimbursement, and TeachBoost software fees.

Actual Implementation of Actions - All planned actions were implemented. A robust professional development program was delivered to teachers and staff on a variety of topics including Guided Math, PLCs, SEL, PBIS, trauma-informed instruction, and more. Eight staff members participated in the tuition reimbursement program to help further their professional growth. The TeachBoost software program was used to document observation and coaching cycles as well as goal-setting and summative assessments for all staff. 100% of our teachers received a formal observation coaching cycle and 100% of our informal observation goal was achieved (we completed more informal observations than our set goal). We completed 31 Summative Assessments, 14 Formal Observations, 53 Informal Observations, and 18 Peer Observations.

### Goal 2 Action 3:

Planned Actions - Dean of Academics salary and benefits, Title-I coordinator salary and benefits, instructional aide salaries and benefits, intervention teacher salaries and benefits, teacher stipends for after school, Saturday school, and summer school, NWEA MAP testing fees, Illuminate DnA fees and evidence-based supplemental intervention/enrichment program fees (IXL, Accelerated Reader, Standards Plus, Quizizz, BrainPOP, NextGen Math, Spelling City, Seesaw, Cambium Learning, Learning A-Z, Alexandria Library, Mystery Science and myON.)

Actual Implementation of Actions - Most planned actions were implemented. All programs were used in the classroom and as part of small group learning and intervention/enrichment. All students in grade 1st-5th completed three rounds of NWEA MAP testing (Fall, Winter, and Spring). The biggest difference was that we had difficulty filling the Intervention Teacher position for the first half of the year so we adjusted it to be a part time teacher aid position with no benefits offered.

### Goal 2 Action 4:

Planned Actions - EL coordinator salary and benefits, EL coordinator stipend, EL instructional aide salary and benefits.

Actual Implementation of Actions - All planned actions were implemented. ELD instruction is delivered in two models, integrated in the classroom by the teacher and designated by the ELD coordinator and aides in small groups. 92 students enrolled for the 2023-24 were classified as EL students with a breakdown of - Level 4: 11%, Level 3: 31%, Level 2: 42%, Level 1: 16%. The students just finished taking the 2024 ELPAC so these levels may change. So far, 4 students have qualified for reclassification.

**Goal 2 Action 5:**

Planned Actions - SPED coordinator and teacher salaries and benefits, paraprofessional salaries and benefits, school psychologist salary and benefits, outsourced SPED services fees, and SPED instructional materials and technology.

Actual Implementation of Actions - All planned actions were implemented. Students with disabilities receive services and support as described in their IEPs based on their needs. Services include Resource, Speech, Occupational Therapy, DHH, Adapted Physical Education and counseling. They are provided either by the SPED coordinator, RSP teachers, SPED aides, school psychologist, or an outside service provider. 40 students enrolled for the 2023-24 school year have an IEP and receive services.

**An explanation of material differences between Budgeted Expenditures and Estimated Actual Expenditures and/or Planned Percentages of Improved Services and Estimated Actual Percentages of Improved Services.**

**Goal 2 Action 1**

Budgeted: \$1,295,065

Actual: \$1,322,161

Explanation: The planned expenditures for 2.1 were about \$27,000 less than the actual expenditures. This discrepancy is not significant as it is less than 10% of the budgeted amount for this action.

**Goal 2 Action 2**

Budgeted: \$56,961

Actual: \$56,961

Explanation: There are no discrepancies for 2.2 between planned and actual expenditures. All planned actions were implemented and allocated funds were used.

**Goal 2 Action 3**

Budgeted: \$662,461

Actual: \$620,278

Explanation: The projected expenses are within the budgeted amount, and all actions taken were in line with the planned initiatives, with no significant deviations.

**Goal 2 Action 4**

Budgeted: \$122,394

Actual: \$122,394

Explanation: There are no discrepancies for 2.4 between planned and actual expenditures. All planned actions were implemented and allocated funds were used.

**Goal 2 Action 5**

Budgeted: \$899,113

Actual: \$899,113

Explanation: There are no discrepancies for 2.5 between planned and actual expenditures. All planned actions were implemented and allocated funds were used.

An explanation of how effective or ineffective the specific actions were in making progress toward the goal during the three-year LCAP cycle.

Action 1: This action was effective in making progress toward the goal. Teachers and principals are paid a competitive rate to ensure a high quality core curricular and instructional program is provided to the students. When a teaching position is not able to be filled by an effective teacher or our teachers call out, then we are required to call in a substitute to cover for that teacher which we did this year. We ended up having to use four long-term substitutes this year to cover various maternity leave positions and two positions where the teachers resigned mid-year.

Action 2: This action was effective in making progress toward the goal. In order to ensure that we are doing our best as a school in providing students with access to a high-quality academic program and that they are making progress on the CCSS, then we need to continue to develop and grow as educators. This can be done by providing quality professional development to our staff which we did. Another way we supported this growth was by offering and providing tuition reimbursement to staff members who want to continue their education or need to complete their induction programs. Lastly, high-quality instruction and professional growth need to be monitored and this can be done through observations and evaluations using the Teach Boost system.

Action 3: This action was effective in making progress toward the goal. Deans, coordinators, intervention staff, and instructional aides are paid a competitive rate to ensure that high-quality support services and programs aligned to the core curricular and instructional program are provided to the students. Additional programs such as after-school clubs and tutoring, Saturday school, and summer school, are provided to students to help them further access the CCSS and ensure they are pursuing academic excellence as well as working toward being college and career ready. In addition to the adults on campus working with the students and the provided extracurricular activities, we use funds to purchase several different supplemental digital programs to support student learning in a fun and engaging way as well as to assess student learning to help drive instruction.

Action 4: This action was effective in making progress toward the goal. The EL Coordinator and aides are paid a competitive rate to ensure that high-quality support services and programs aligned to the core curricular and instructional program are provided to the students. Being able to have these positions at our school allows for the EL students we have enrolled to successfully access the high-quality core curriculum program we offer. By providing designated and integrated ELD, students can make more progress on the CCSS and pursue academic excellence.

Action 5: This action was effective in making progress toward the goal. The SPED Coordinator, RSP teachers, SPED aides, and school psychologist are paid a competitive rate to ensure that high-quality support services and programs aligned to the core curricular and instructional program are provided to the students. Being able to have these positions at our school allows for the SPED students we have enrolled to successfully access the high-quality core curriculum program we offer. By providing push-in and pull-out support, students can

make more progress on the CCSS and pursue academic excellence. This support is also provided by service providers from an outside agency.

A description of any changes made to the planned goal, metrics, desired outcomes, or actions for the coming year that resulted from reflections on prior practice.

After taking the time to reflect upon goal #2 and its metrics, desired outcomes, and actions, we have determined that most practices will remain the same for the 2024-25 school year wherever applicable and possible. For example, we have planned and budgeted for keeping all positions open so staff can continue to deliver the same high-quality level of instruction and support to students. We will continue to prioritize budgeting and decision making to provide our staff with quality professional development that will contribute to instruction and well-being of our students. For the 24-25 school year we will be participating in Writing PD, SEL training, ELD training and more. We will also have 5 staff members participating in the tuition reimbursement program as they pursue higher education, teaching credentials and induction programs. We will continue to observe, coach and evaluate our staff using the Relay coaching cycle we effectively used this year to maintain and even increase the number of informal observations and peer observations conducted.

**A report of the Total Estimated Actual Expenditures for last year's actions may be found in the Annual Update Table. A report of the Estimated Actual Percentages of Improved Services for last year's actions may be found in the Contributing Actions Annual Update Table.**

## Goals and Actions

### Goal

Goal #	Description
3	INNOVATION: All students will have access to a well-rounded education that supports their readiness for college and the global world. Each student will become an independent, innovative scholar by practicing creativity in learning and using technology in transformative ways.

### Measuring and Reporting Results

Metric	Baseline	Year 1 Outcome	Year 2 Outcome	Year 3 Outcome	Desired Outcome for 2023–24
Percentage of students enrolled in an Accelerated and/or Advanced Math course and/or Advanced Math club (Source: Local Indicator Priority 7, SIS)	2020-21: (As of 4/16/21) 0%	2021-22: (As of 5/13/22) 3%	2022-23: (As of 5/12/23) 4%	2023-24: (As of 5/20/24) 0%	2023-24: 5%
Percentage of students in the current graduating class who have taken a Computer/Technology course and/or experienced blended learning in their program of study (Source: Local Indicator Priority 7, SIS)	2020-21: (As of 4/16/21) 100%	2021-22: (As of 5/13/22) 98%	2022-23: (As of 5/12/23) 98%	2023-24: (As of 5/20/24) 96%	2023-24: 100%

Metric	Baseline	Year 1 Outcome	Year 2 Outcome	Year 3 Outcome	Desired Outcome for 2023–24
created or demonstrated a STEAM focused project, experiment, model or demo in the current year (Source: Local Indicator Priority 7, SIS)	100%	97%	99%	99%	

## Goal Analysis

An analysis of how this goal was carried out in the previous year.

A description of any substantive differences in planned actions and actual implementation of these actions.

### Goal 3 Action 1:

Planned Actions - college/career related materials and activities.

Actual Implementation of Actions - We are an elementary school so no funds were allocated to this action. We do promote a college and career readiness school culture but no financial resources were required or prioritized this year. We were able to take some students and families on a field trip to UC Santa Barbara using the Community School Grant funds.

### Goal 3 Action 2:

Planned Actions - supplemental science program fees

Actual Implementation of Actions - All planned actions were implemented. 100% of our students TK-5th created or demonstrated a STEAM focused project this year and the supplemental program Mystery Science assisted with the instruction to help teachers and students accomplish this goal.

### Goal 3 Action 3:

Planned Actions - computer teacher salary and benefits, internet security program fees, and digital literacy and citizenship program fees.

Actual Implementation of Actions - All planned actions were implemented. 100% of our students TK-5th took a computer/technology class as part of their weekly schedule and instruction.

### Goal 3 Action 4:

Planned Actions - PE/Health teacher salary and benefits and physical activity, fitness, and equipment expenses.

Actual Implementation of Actions - All planned actions were implemented. 100% of our students TK-5th took a PE class as part of their weekly schedule and instruction.

**Goal 3 Action 5:**

Planned Actions - teacher salaries and benefits for additional programs that support a well-rounded education, supplemental materials, field trip expenses, and after-school/club expenses.

Actual Implementation of Actions - All planned actions were implemented. All students, TK-5th participated in a variety of programs to enrich and support their learning. This includes after-school tutoring and clubs, a GATE program, an Intervention program, math clubs, and a well rounded instructional program integrating STEAM.

**An explanation of material differences between Budgeted Expenditures and Estimated Actual Expenditures and/or Planned Percentages of Improved Services and Estimated Actual Percentages of Improved Services.**

**Goal 3 Action 1**

Budgeted: \$0

Actual: \$0

Explanation:

**Goal 3 Action 2**

Budgeted: \$1,296

Actual: \$1,296

Explanation: There are no discrepancies for 3.2 between planned and actual expenditures. All planned actions were implemented and allocated funds were used.

**Goal 3 Action 3**

Budgeted: \$122,788

Actual: \$122,788

Explanation: There are no discrepancies for 3.3 between planned and actual expenditures. All planned actions were implemented and allocated funds were used.

**Goal 3 Action 4**

Budgeted: \$127,917

Actual: \$127,917

Explanation: There are no discrepancies for 3.4 between planned and actual expenditures. All planned actions were implemented and allocated funds were used.

**Goal 3 Action 5**

Budgeted: \$646,139

Actual: \$646,139

Explanation: There are no discrepancies for 3.5 between planned and actual expenditures. All planned actions were implemented and allocated funds were used.

An explanation of how effective or ineffective the specific actions were in making progress toward the goal during the three-year LCAP cycle.

Action 1: This action was effective in making progress toward the goal. No funds were allocated to this action because we are an elementary school, TK-5th, but we do promote a college-going culture through college visits, college/career days, and other college-related activities. We hold an annual College & Career Week which includes a STEAM-focused Career Day. This year some students and families took a college field trip to UC Santa Barbara using the Community School Grant. These events and opportunities allow students to see what options and opportunities there are for them.

Action 2: This action was effective in making progress toward the goal. By purchasing this interactive and hands-on science supplemental program, students become more engaged in their science instruction and learning. Having this program assisted us in accomplishing our action of 100% of our students TK-5th creating or demonstrating a STEAM-focused project this year. We also had a record 53 students participate in the MPS STEAM Expo this year helping to build that independent, innovative, and creative learning.

Action 3: This action was effective in making progress toward the goal. Part of the actions and metrics for goal #3 is for students to use technology in a transformative way. By having a full-time computer teacher, students are able to participate in weekly computer classes that teach them the technology skills they need to be successful. Students either participate in their computer and technology learning in the computer lab or in their classrooms with the one-to-one devices each room has. Students also have the opportunity to participate in technology-based after-school clubs such as coding and robotics.

Action 4: This action was effective in making progress toward the goal. All students were able to participate in weekly physical education and health lessons with our full-time PE teacher. All lessons and activities are aligned to grade-level state physical education standards. The lessons, grades TK-5th, promote the benefits of a physically active lifestyle and help students develop skills to engage in lifelong healthy habits, as well as incorporate essential health education concepts. All students also participate in daily recess and lunch play time and have sufficient equipment for these activities. 100% of 5th-grade students successfully participated in the PFT assessment as well.

Action 5: This action was effective in making progress toward the goal. All students, TK-5th participated in a variety of programs to enrich and support their learning and gave them access to a well-rounded education that supports their readiness for college and the global world. This includes after-school tutoring and clubs, a GATE program, an Intervention program, math clubs, and a well-rounded instructional program integrating STEAM.

A description of any changes made to the planned goal, metrics, desired outcomes, or actions for the coming year that resulted from reflections on prior practice.

After taking the time to reflect upon goal #3 and its metrics, desired outcomes, and actions, we have determined that most practices will remain the same for the 2024-25 school year wherever applicable and possible. For example, we have planned and budgeted for keeping all positions open that fall under this goal (i.e. Computer Teacher, PE teacher, Intervention Teacher, etc.) so students can continue to have access to a well-rounded instructional program. We will also keep our annual subscription to Mystery Science since students and staff enjoy it and use it so much. This year alone over 500 Mystery Science lessons were used and taught to our students.

**A report of the Total Estimated Actual Expenditures for last year's actions may be found in the Annual Update Table. A report of the Estimated Actual Percentages of Improved Services for last year's actions may be found in the Contributing Actions Annual Update Table.**

## Goals and Actions

### Goal

Goal #	Description
4	CONNECTION: All students, families, staff, and other stakeholders will have access to meaningful engagement opportunities that help cultivate leadership, advocacy, and collaboration in a safe and nurturing environment. Stakeholders will feel a sense of community and connectedness.

### Measuring and Reporting Results

Metric	Baseline	Year 1 Outcome	Year 2 Outcome	Year 3 Outcome	Desired Outcome for 2023–24
Number of School Site Council (SSC) meetings per year (Source: Local Indicator Priority 3)	2020-21: (As of 5/16/21) 3	2021-22: (As of 5/13/22) 2	This metric is not applicable because SSC has been replaced with PAC. ## Goal Analysis

An analysis of how this goal was carried out in the previous year.

A description of any substantive differences in planned actions and actual implementation of these actions.

### Goal 4 Action 1:

Planned Actions - parent meeting expenses and Document Tracking Services (DTS) fees.

Actual Implementation of Actions - DTS fees are paid through the Home Office budget

### Goal 4 Action 2:

Planned Actions - Infinite Campus SIS fees, Parent Square software fees, School Mint software fees, home-visit compensation, parent activity/event expenses, Pitney Bowes expenses, and Office manager/Administrative assistant salaries and benefits.

Actual Implementation of Actions - All planned actions were implemented. More Home Visits were conducted than last year. Our school wide goal was 30% of our student population will receive a Home Visit. We got very close to achieving this goal with 29% of our students receiving a Home Visit this year. The virtual Home Visit policy that was approved by our Board continues to stay in effect, however, the majority of our home visits were held in person. We also held more parent activities and events than we have in the past few years. We had a goal of 10 but we actually held 40.

Goal 4 Action 3:

Planned Actions - Office/attendance clerk salaries and benefits, school uniform fees, PD on classroom management, PBIS, and SEL support, SEL program fees, outsourced SEL services fees, and additional services for homeless students.

Actual Implementation of Actions - All planned actions were implemented. Additional SEL and PBIS PD for staff and SEL and PBIS programs for students were added throughout the year to address the high level of needs exhibited by students in recent years. All students received one free set of school uniforms at the start of the school year.

Goal 4 Action 4:

Planned Actions - Panorama Education survey fees.

Actual Implementation of Actions - All planned actions were implemented. 82% of families, 97% of students, and 97% of staff members completed the Educational Partner survey in Spring 2024. Our school received an approval rating of 97% from families, 68% from students, and 81% from staff.

Goal 4 Action 5:

Planned Actions - membership fees (CCSA, WASC, etc.)

Actual Implementation of Actions - All planned actions were implemented. Additional funding was allocated to marketing, branding, outreach, and partnership expenses to assist us with enrollment needs due to students moving out of state, expansion projects, and participation in our first year of Community Schools Grant Implementation.

An explanation of material differences between Budgeted Expenditures and Estimated Actual Expenditures and/or Planned Percentages of Improved Services and Estimated Actual Percentages of Improved Services.

Goal 4 Action 1

Budgeted: \$0

Actual: \$0

Explanation:

Goal 4 Action 2

Budgeted: \$148,441

Actual: \$148,441

Explanation: There are no discrepancies for 4.2 between planned and actual expenditures. All planned actions were implemented and allocated funds were used.

#### Goal 4 Action 3

Budgeted: \$93,432

Actual: \$93,432

Explanation: There are no discrepancies for 4.3 between planned and actual expenditures. All planned actions were implemented and allocated funds were used.

#### Goal 4 Action 4

Budgeted: \$1,620

Actual: \$1,620

Explanation: There are no discrepancies for 4.4 between planned and actual expenditures. All planned actions were implemented and allocated funds were used.

#### Goal 4 Action 5

Budgeted: \$224,695

Actual: \$266,825

Explanation: The actual expenditures for 4.5 were about \$42,000 more than planned expenditures. One contributing factor for this difference is the salaries and benefits for the clerical and technical support personnel for the California Community Schools Partnership Program.

An explanation of how effective or ineffective the specific actions were in making progress toward the goal during the three-year LCAP cycle.

Action 1: This action was effective in making progress toward the goal. Although we are a school that frequently seeks input and guidance for decision-making from our families, we did not allocate any funds for this action. We did hold most of the projected parent meetings as explained in our LCAP and we administered the annual Educational Partner surveys. For the 2023-24 school year, we conducted 7 PAC meetings, 9 PTF meetings, 3 ELAC meetings, 6 Coffee with the Admin meetings, and held 40 parent participation events and activities. During these meetings, feedback and input were sought for items such as LCAP development, budget development, safety plan development, etc.

Action 2: This action was effective in making progress toward the goal. The steps taken for action 2 helped our educational partners feel a sense of community and connectedness. This includes holding events such as the Community Resource Fair, Back to School Night, Steam Expo, parent/teacher conferences, regular meetings, and more. As we brought these events and activities to our community, we worked hard to make our families and community feel comfortable and included. We were able to prioritize home visits again and increased our rate of students who were visited from 18% last year to 29% this year. The work we put into this action contributed to the 97% approval rating we received from families on the educational partner survey.

Action 3: This action was effective in making progress toward the goal. Having an office/attendance clerk tremendously helps our school and parents have meaningful engagement opportunities with each other. We were also able to provide every student with one free school uniform set this year which contributes to their sense of connectedness. Lastly, we were able to provide our staff with multiple PD sessions on the topics of PBIS and SEL, knowing how important it would be this year for us to have strong behavior and social-emotional support in place for our students. Thanks to the strong PBIS systems we put into place, we saw a dramatic decrease in behavior referrals and incidents this year. We also saw a decrease in student mental health needs as compared to last year and kept many of the mental health and SEL services in place for our students. This included a school-wide SEL music program, 3 student support groups, one-on one counseling for over 40 students, and family therapy for 4 families.

Action 4: This action was effective in making progress toward the goal. This action is dedicated to giving our educational partners a platform to share their feedback on critical areas of our school functionality to allow us an opportunity to review data, reflect and refine as needed. Having families participate in these annual surveys truly allows for collaboration as we develop our school-wide action plans based on the input received. Parents are able to see their voices put into action. For example, families gave feedback about wanting a sports program for their children we partnered with a third-party vendor to provide after-school sports to our students this year.

Action 5: This was an area where we as a school community feel there was a lot of growth and progress made. We increased the number of community partnerships this year (22 total partnerships), held multiple community events (12 events), increased our marketing and branding, participated in more enrollment events (20 events), and really used our parent champions/PTF Board members to advocate for our school. By taking all these steps, it helps us all feel more connected through coming together to collaborate and work toward creating a safe and nurturing environment for all of our students.

A description of any changes made to the planned goal, metrics, desired outcomes, or actions for the coming year that resulted from reflections on prior practice.

After taking the time to reflect upon goal #4 and its metrics, desired outcomes, and actions, we have determined that most practices will remain the same for the 2024-25 school year wherever applicable and possible. For example, we will continue holding parent meeting and family and community events next year. We will also continue to prioritize the staff positions that help us better connect with and serve our school and community. This includes our office staff, our Community School Coordinator, an added ELOP Coordinator this year and a new Family Success Coordinator being added next year. We will also continue to administer the annual educational partner survey knowing how critical that data and information is to our decision making and planning. This year we were able to increase our parent meetings and workshops to be monthly so we plan to continue that. Additionally, we increased our Home Visit rate by 10% for a total of 29% of our students receiving a home visit this year. We hope to maintain the same rate if not higher next year.

**A report of the Total Estimated Actual Expenditures for last year's actions may be found in the Annual Update Table. A report of the Estimated Actual Percentages of Improved Services for last year's actions may be found in the Contributing Actions Annual Update Table.**

## Instructions

For additional questions or technical assistance related to the completion of the Local Control and Accountability Plan (LCAP) template, please contact the local county office of education (COE), or the California Department of Education’s (CDE’s) Local Agency Systems Support Office, by phone at 916-319-0809 or by email at [lcff@cde.ca.gov](mailto:lcff@cde.ca.gov).

Complete the prompts as instructed for each goal included in the 2023–24 LCAP. Duplicate the tables as needed. The 2023–24 LCAP Annual Update must be included with the 2024–25 LCAP.

## Goals and Actions

### Goal(s)

#### Description:

Copy and paste verbatim from the 2023–24 LCAP.

#### Measuring and Reporting Results

- Copy and paste verbatim from the 2023–24 LCAP.

#### Metric:

- Copy and paste verbatim from the 2023–24 LCAP.

#### Baseline:

- Copy and paste verbatim from the 2023–24 LCAP.

#### Year 1 Outcome:

- Copy and paste verbatim from the 2023–24 LCAP.

#### Year 2 Outcome:

- Copy and paste verbatim from the 2023–24 LCAP.

#### Year 3 Outcome:

- When completing the 2023–24 LCAP Annual Update, enter the most recent data available. Indicate the school year to which the data applies.

#### Desired Outcome for 2023–24:

- Copy and paste verbatim from the 2023–24 LCAP.

Timeline for completing the “**Measuring and Reporting Results**” part of the Goal.

Metric	Baseline	Year 1 Outcome	Year 2 Outcome	Year 3 Outcome	Desired Outcome for Year 3 (2023–24)
Copy and paste verbatim from the 2023–24 LCAP.	Copy and paste verbatim from the 2023–24 LCAP.	Copy and paste verbatim from the 2023–24 LCAP.	Copy and paste verbatim from the 2023–24 LCAP.	Enter information in this box when completing the 2023–24 LCAP Annual Update.	Copy and paste verbatim from the 2023–24 LCAP.

### Goal Analysis

Using actual annual measurable outcome data, including data from the Dashboard, analyze whether the planned actions were effective in achieving the goal. Respond to the prompts as instructed.

A description of any substantive differences in planned actions and actual implementation of these actions.

- Describe the overall implementation of the actions to achieve the articulated goal. Include a discussion of relevant challenges and successes experienced with the implementation process. This must include any instance where the LEA did not implement a planned action or implemented a planned action in a manner that differs substantively from how it was described in the adopted LCAP.

An explanation of material differences between Budgeted Expenditures and Estimated Actual Expenditures and/or Planned Percentages of Improved Services and Estimated Actual Percentages of Improved Services.

- Explain material differences between Budgeted Expenditures and Estimated Actual Expenditures and between the Planned Percentages of Improved Services and Estimated Actual Percentages of Improved Services, as applicable. Minor variances in expenditures or percentages do not need to be addressed, and a dollar-for-dollar accounting is not required.

An explanation of how effective or ineffective the specific actions were in making progress toward the goal during the three-year LCAP cycle.

- Describe the effectiveness or ineffectiveness of the specific actions in making progress toward the goal during the three-year LCAP cycle. “Effectiveness” means the degree to which the actions were successful in producing the desired result and “ineffectiveness” means that the actions did not produce any significant or desired result.
  - In some cases, not all actions in a goal will be intended to improve performance on all of the metrics associated with the goal.
  - When responding to this prompt, LEAs may assess the effectiveness of a single action or group of actions within the goal in the context of performance on a single metric or group of specific metrics within the goal that are applicable to the action(s). Grouping actions with metrics will allow for more robust analysis of whether the strategy the LEA is using to impact a specified set of metrics is working and increase transparency for educational partners. LEAs are encouraged to use such an approach when goals include multiple actions and metrics that are not closely associated.
  - Beginning with the development of the 2024–25 LCAP, the LEA must change actions that have not proven effective over a three-year period.

A description of any changes made to the planned goal, metrics, desired outcomes, or actions for the coming year that resulted from reflections on prior practice.

- Describe any changes made to this goal, expected outcomes, metrics, or actions to achieve this goal as a result of this analysis and analysis of the data provided in the Dashboard or other local data, as applicable.
  - As noted above, beginning with the development of the 2024–25 LCAP, the LEA must change actions that have not proven effective over a three-year period. For actions that have been identified as ineffective, the LEA must identify the ineffective action and must include a description of the following:
    - The reasons for the ineffectiveness, and
    - How changes to the action will result in a new or strengthened approach.

California Department of Education  
November 2023

# Local Control and Accountability Plan

The instructions for completing the Local Control and Accountability Plan (LCAP) follow the template.

Local Educational Agency (LEA) Name	Contact Name and Title	Email and Phone
Magnolia Science Academy 7	Meagan Wittek Principal	mwwittek@magnoliapublicschools.org (818) 886-0585

## Plan Summary [2024-25]

### General Information

A description of the LEA, its schools, and its students in grades transitional kindergarten–12, as applicable to the LEA.

Magnolia Science Academy 7, is a classroom-based charter school serving grades TK-5 with a curriculum emphasis on science, technology, engineering, arts, and math (STEAM). Originally founded in 2009, MSA-7’s mission is to provide a college-motivating educational program emphasizing STEAM in a safe environment that cultivates respect for self and others.

MSA-7 has 276 students in grades TK-5 and mainly draws enrollment from Northridge, Reseda, and neighboring communities. The neighborhoods that MSA-7 serves are heavily immigrants with a language other than English spoken at home. A high concentration of the families MSA-7 serves to face economic challenges. MSA-7 has a diverse enrollment, including 71% Hispanic/Latino, 12% White, Black 6%, Asian %11. 83% Socioeconomically Disadvantaged, 15% Special Education, and 33% English Learner population.

MPS strives to graduate students who come from historically underserved neighborhoods as scientific thinkers that contribute to the global community as socially responsible and educated members of society. We offer a comprehensive learning experience designed to serve the needs of our students through effective site-based instruction, rich hands-on learning, and foundation skills presented in ways that are relevant and inspiring for our students. Classroom instruction at MSA-7 is supplemented by tutoring, after-school programs, and school-to-out-of-school resource links.

Magnolia Science Academy 7  
 Address: 18355 Roscoe Blvd, Northridge, CA, 91325  
 Phone: 818-886-0585  
 Email: mwwittek@magnoliapublicschools.org

#### Our Mission

Magnolia Public Schools provides a college preparatory educational program emphasizing science, technology, engineering, and math (STEAM) in a safe environment that cultivates respect for self and others.

## Our Vision

Graduates of Magnolia Public Schools are scientific thinkers who contribute to the global community as socially responsible and educated members of society.

## INNOVATION

Students have the freedom to choose how and what they learn. Individualized scheduling, early identification of learning styles, personalities, interest, and career plans support students' college and career readiness. Students experience hands-on learning through robotics, computer science, and arts to promote imagination, creativity, and invention.

## CONNECTION

School communities are integrated partnerships among the school site staff, families, students, and all other stakeholders. Connection creates a safe place for all learners and stakeholders to affirm individual strengths, celebrate character, provide academic support through mentorship and internships, promote unity and better decision making through the implementation of restorative justice practices.

## EXCELLENCE

Academic Excellence is the desire to pursue knowledge and excellence and to contribute original and provocative ideas in a learning environment, in diverse settings, and as a catalyst to future academic knowledge. We foster academic excellence through project-based learning using a constructivist approach, student portfolios, assessments of and for learning and academic discourse and argumentative writing.

## Reflections: Annual Performance

A reflection on annual performance based on a review of the California School Dashboard (Dashboard) and local data.

### SUCSESSES

MSA-7 data manager, administration team, survey results, and annual site visit auditors from LAUSD provided data and information available. The data below is from the most recent California Dashboard data available and identified areas of strength:

Suspension Indicator on the California Dashboard is at a very low rate and continues to maintain this measure

English Learners Language Progress student group Indicator on the California Dashboard is at a medium level and continues to move towards a high or very high level in ELA.

All significant groups (EL, SED, Hisp.) on the California Dashboard have a performance level of orange and are performing significantly higher compared to the State Status in Math..

English Language Arts indicator on the California Dashboard is orange, LAUSD Site Visitors (Charter School Department Auditors) shared the comparison table of similar schools and according to it, MSA-7 is higher than all shared (neighborhood) similar schools in ELA based on the 2023 SBAC result. and all students maintained improved from the spring of 2018 to the fall of 2018.

Mathematics indicators on the California Dashboard are also orange, LAUSD Site Visitors (Charter School Department Auditors) shared the comparison table of similar schools and according to it, MSA-7 is higher than all shared (neighborhood) similar schools in ELA and MATH based on the 202318 SBAC results.

In terms of organizational, management, and program areas, LAUSD Charter School Department Site visitors have not provided us with the 2023-24 Oversight Visit report as of yet.

Some additional successes our school accomplished this year include:

100% of our students had access to all curricular and technology items needed to access their academic program.

100% of our students have created and/or demonstrated a STEAM-focused project this year as well as completed a Computer/Technology class.

Educational partner approval rates of 73% for students, 99% for families, and 90% for staff.

MSA-7 seeks to continually develop professional learning opportunities for all educational partners in the areas of academic and socio-emotional development. Potential training includes development in a growth mindset, culturally responsive teaching, trauma-informed instruction, PBIS, addressing learning loss, and more. MSA-7 continues to be proud of its efforts to develop the capacity of special populations such as English Language Learners and SPED students. Continual support and compliance are provided to the staff in the form of professional learning opportunities, grade-level meetings, webinars, and other training. In the classroom, students are introduced to all common core education model components.

## CHALLENGES

MSA-7 data manager, administration team, survey results, and annual site visit auditors from LAUSD provided data and information available. The data below is from the most recent Dashboard data available and identified areas of need in order to close the achievement gap:

Mathematics indicator on the California Dashboard is at orange or low for all student groups. Socioeconomically disadvantaged, Latino, and EL students are on the color indicator of red.

English Language Arts indicator on the California Dashboard is at orange or low for all students. Again, Socioeconomically disadvantaged and, Hispanic Latino are a color orange and EL students are on the color indicator of yellow. red.

We knew that all of our students would need additional support and interventions as we continue to mitigate the learning loss caused by the school closures. However, looking at data including MAP assessments, benchmarks, reading levels, and classroom grades, we knew that our students identified as English Language Learners, Socioeconomically disadvantaged students, SPED students and Latino students presented a higher level of need.

We put several plans in place to address these needs that will continue next year including:

Summer Learning Academy

Saturday Learning Academy

Hiring an Intervention teacher to support students and teachers in ELA and Math

Push in and pull out supports for students

Adopting the supplemental program, implementing IXL for data monitoring and basic skills practice

Adopting a benchmark program for TK-2nd

Hiring a full-time Community Schools Coordinator to work with and support families and seek community resources

Implementing a Guided Math program

Additional mental health and SEL support for students and staff

Some additional identified areas of need include:

Per student and staff surveys, there is a need for more enrichment programs such as sports and art. We are looking to add more sports-focused clubs next year as well as continue with another year of a TK-5th music and art program through a third-party vendor

Per staff and parent surveys, facility and playground upgrades are needed. Several projects have been completed and many more are scheduled.

Providing students with the opportunity to participate in accelerated/advanced math programs

More informal observations and coaching sessions for staff as conducted by the administration

MSA-7 seeks to continually develop professional learning opportunities in both the areas of ELA and Mathematics, further understand the needs of the teaching community, and identify the factors that will empower teachers to develop their craft in the community of service. Strategies include providing home office orientation, a site-based orientation that addresses school and individual needs, a mentorship program with seasoned staff members on site, and other factors that are currently being developed to support teachers as they continue to face the challenges of supporting students with their academic and socio-emotional learning as well as behavioral and mental health needs.

## Reflections: Technical Assistance

# Engaging Educational Partners

A summary of the process used to engage educational partners in the development of the LCAP.

School districts and county offices of education must, at a minimum, consult with teachers, principals, administrators, other school personnel, local bargaining units, parents, and students in the development of the LCAP.

Charter schools must, at a minimum, consult with teachers, principals, administrators, other school personnel, parents, and students in the development of the LCAP.

An LEA receiving Equity Multiplier funds must also consult with educational partners at schools generating Equity Multiplier funds in the development of the LCAP, specifically, in the development of the required focus goal for each applicable school.

Educational Partner(s)	Process for Engagement
Parents	Information/input sessions include Parent Task Force (PTF) meetings, Parent Advisory Council(PAC) meetings, English Learner Advisory Committee (ELAC) meetings, Coffee with the Admin meetings, Board of Directors meetings, Principal meetings, and staff meetings. Parents on our PAC also serve as our parent advisory committee for LCAP. Along with ELAC, such committees provide for representation of students in need (low-income, English learners, foster youth, etc.) Feedback from our PAC and ELAC provides valuable input for the new LCAP. In addition, the Charter School conducts educational partner surveys for parents, students, and staff, and the Charter School staff makes home visits. These all serve as a way to inform, educate, and gather input & feedback from all critical educational partners.
Students	All students in grades 3rd-5th participate in an annual educational partner survey where they are given opportunities to provide feedback on important aspects of their school.
Teachers	Staff and teachers are given regular LCAP updates at monthly staff meetings. All staff are given an opportunity to participate in an annual educational partner survey where they can provide feedback on important aspects of their school. Results of the surveys are shared with educational partners upon completion of the surveys.
School administrators	The school admin team meets weekly and the LCAP is standing item on the agenda. Data is reviewed to measure progress toward meeting

Educational Partner(s)	Process for Engagement
	the goals and plans are reviewed. Additionally the home office team provides monthly updates to the school principals on each school's progress toward meeting their LCAP goals and metrics.
Other school personnel	Staff and teachers are given regular LCAP updates at monthly staff meetings. All staff are given an opportunity to participate in an annual educational partner survey where they can provide feedback on important aspects of their school. Results of the surveys are shared with educational partners upon completion of the surveys.
SELPA	Reviewed during annual oversight visit.

A description of how the adopted LCAP was influenced by the feedback provided by educational partners.

9/19/2023

Reviewed SBAC and MAP data for the previous school year  
 Parents showed concern for low score and would like a follow up once we get current year data  
 Reviewed MTSS and asked for a parent rep for PBIS team

10/17/2023

Shared LCAP goals

Local Control Accountability Plan developed by school community to determine spending of ALL school funds into 4 main goals  
 Basic services for high quality learning environment  
 Upgrades, instructional material, technology  
 Excellence  
 Community schools grant and coordinator, professional development, Innovation  
 PE, Computer, intervention teachers, online educational supports, Robotics, GATE Program, music program  
 Connection  
 PACE, Community Schools, Office staff, Home visits, in-person events  
 PAC Member requested info about the new music program  
 Why the change in Music programs  
 More flexible options  
 Credentialed music teachers not just credential teachers

11/16/2024

Shared school wellness plan asked PAC for input  
 Possible areas for growth:  
 Before and after school activities that promote physical and mental fitness

Kids to Pro Program afterschool

Finding more funds to offer it to more students

Providing activities and opportunities for staff

Staff teaching staff Physical Fitness classes

Add wellness section Back to staff bulletin

Finding ways to normalize therapy

Add reminders for mental health

3/14/2024

Community school Assets and Needs Data walk

Review family responses

Integrated students support- most families are aware, but from those who do not, provided them with the information and possible resources, purchased translation device, possibly put a reach out for help comment section

Expanded and enriched learning opportunities- adding more art, sports, language, and gate

Engagement- work schedules, child care prevent attendance, would like more raffles, reward, and reminders

Cultures represented Activities and Events- explore more cultural options

Leadership Practices- 7% unaware

Collaborative Environment- 10% encourage more efforts

The way the questions were set up caused a bit of confusion because they were not as clear as we would like which added to the results

\* Questions/comment:

How do you prevent an increase in bad behavior if you don't suspend

We have procedures in places that ultimately can lead to suspension, but we take every avenue to support students and families be for we look at that track

5/21/2024

Ed Partner Survey Results

Areas for improvement

Rebuilding on a sense of belonging. Reflect and brainstorm on how to increase

Identified needs: support for academic learning

Safety, no on-campus incidents, but a lack of presence from assigned staff

Student behaviors. Support teachers on how to handle within the classroom

Areas of focus

Partnering with restorative practices for staff, families, and students

Hired new Arc site coordinator to improve the program and services

Hired full-time ELOP coordinator to improve communication between students, staff, and families for all outside-of-school-hour events and activities

Exploring new food vendors

Getting staff for child development training to work with students

Using Translate Live device for translation with the families

\*Questions/comments:

Can not wait to see the changes to the food

Would like to see the kids still held accountable for their actions even if you cannot take recess away

New ARC staff has already been making positive changes to the ARC program

11/15/22 2023-24

- reviewed School Wellness Plan and gave input for school goals
- Goal #1 incorporate more sports into the after-school clubs, add physical activities during morning line-up time, and give parents opportunities to come to play sports with students.
- Goal #2 create staff wellness challenges, connect with wellness/fitness companies
- Goal#3 provide mindfulness training for teachers

1/17/23 Reviewed school safety plan- parents are happy with the precautions that the school has taken such as hiring a security guard.

Shared SEL Data, parents are interested in school-wide SEL curriculum 2/11/23

- Discussed plans for ELOP funds, parents were on board and grateful for more after-school program opportunities 3/21/23
- Shared that we submitted for an Implementation plan for CCSPP
- Parents asked what CCSPP funding can be used for.
- Student Rep. asked for more parent support and a possible mentor program

5/16/23 Student Reps shared ideas for the PBIS reward system

# Goals and Actions

## Goal

Goal #	Description	Type of Goal
1	BASIC SERVICES FOR A HIGH-QUALITY LEARNING ENVIRONMENT: All students and staff will have access to a safe, secure, healthy, and high-quality learning and working environment. Students will receive high-quality services that are fundamental to academic success, including fully credentialed teachers, standards-aligned instructional materials, and appropriately maintained school facilities.	Broad Goal

State Priorities addressed by this goal.

- Priority 1: Basic (Conditions of Learning)
- Priority 2: State Standards (Conditions of Learning)

An explanation of why the LEA has developed this goal.

Providing basic services means ensuring all students have access to teachers who are fully credentialed in their subject areas, instructional materials aligned with state standards, and safe, properly maintained school facilities. Charter School will also adhere to the MPS Wellness Policy and encourage participation in school meal programs. Research shows when students are provided with these basic services, student learning outcomes increase. The MPS Home Office will provide services such as academics, accountability, operations, IT, facilities, finance and accounting, human resources, and external relations to support and hold accountable the Charter School for compliance and meeting charter goals. Charter School will implement the actions listed under this goal and use the indicated metrics to measure progress in provision of basic services to maintain a high-quality learning environment.

## Measuring and Reporting Results

Metric #	Metric	Baseline	Year 1 Outcome	Year 2 Outcome	Target for Year 3 Outcome	Current Difference from Baseline
1.1	The percentage of teaching assignments that have an assignment monitoring outcome of "clear" (Source: Local Indicator Priority 1, CDE DataQuest TAMO by FTE Report)	2021-22: 77.3%			2024-25: > 85%	
1.2	Percentage of students without access to their	2023-24: 0%			2026-27: 0%	

Metric #	Metric	Baseline	Year 1 Outcome	Year 2 Outcome	Target for Year 3 Outcome	Current Difference from Baseline
	own copies of standards-aligned instructional materials for use at school and at home (Source: Local Indicator Priority 1)					
1.3	Number of identified instances where facilities do not meet the “good repair” standard (including deficiencies and extreme deficiencies) (Source: Local Indicator Priority 1)	2023-24: 0			2026-27: 0	
1.4	Teacher retention rate (Source: HRIS)	2023-24: (Fall 2022 to Fall 2023) 88%			2026-27: (Fall 2025 to Fall 2026) >= 80%	
1.5	Teacher attendance rate (Source: HRIS)	2023-24: (As of 5/15/24) 96.4%			2026-27: >= 95.0%	

## Goal Analysis [2023-24]

An analysis of how this goal was carried out in the previous year.

A description of overall implementation, including any substantive differences in planned actions and actual implementation of these actions, and any relevant challenges and successes experienced with implementation.

Not Applicable.

An explanation of material differences between Budgeted Expenditures and Estimated Actual Expenditures and/or Planned Percentages of Improved Services and Estimated Actual Percentages of Improved Services.

Not Applicable.

A description of the effectiveness or ineffectiveness of the specific actions to date in making progress toward the goal.

Not Applicable.

A description of any changes made to the planned goal, metrics, target outcomes, or actions for the coming year that resulted from reflections on prior practice.

Not Applicable.

## Actions

Action #	Title	Description	Total Funds	Contributing
1.1	Teacher assignments and credentials	<p>Charter School and the MPS Human Resources team will conduct credential, background, and TB clearance reviews as part of the hiring process and at least once throughout the year to ensure all credentials are properly maintained. Charter School will support our teachers' credentialing needs. Charter School will also annually review master schedules and teacher assignments to ensure teachers are appropriately assigned and fully credentialed in the subject area and for the students they are teaching. Charter School uses a Human Resources Information System (HRIS) to automate employee documents. MPS Home Office HR team acts as a liaison between employees and provides administrative support as needed (e.g., correspondence generation, record keeping, file maintenance, HRIS entry, etc.) The HR team also provides reports to the Board and school administrators in regards to teacher retention, performance, pay scale, vacancies, recruitment efforts, credentials, mandatory trainings, and other HR related matters.</p> <p>Expenditures associated with this action include the following: teacher credentialing expenses, recruitment expenses (sign-in bonus, livescan/fingerprinting fees, etc.), Paycom/payroll fees, retirement service fees, and performance pay.</p> <p>The following expenditures will be funded by federal Title funds: N/A</p>	\$18,900.00	No
1.2	Instructional materials and technology	Charter School will manage the acquisition, distribution, and maintenance of equipment, materials, and technology needed to meet the academic, linguistic, cultural, social-emotional, and physical requirements of students.	\$237,267.60	No

Action #	Title	Description	Total Funds	Contributing
		<p>Charter School will annually review alignment of instructional materials to standards and maintain an inventory of instructional materials and corresponding purchases of materials. Charter School will annually review budgets and plans to ensure adequate budget for instructional materials. Charter School will ensure that students have sufficient access to standards-aligned instructional materials, including technology-based resources. Charter School will provide effective access and integration of technology resources, including software and mobile devices, that ensure meaningful access to CA Content Standards aligned instructional programs.</p> <p>Expenditures associated with this action include the following: textbooks, instructional materials and supplies, teacher/classroom supplies and office materials, computers, Chromebooks, hotspots, and other technology equipment, IT manager salary and benefits, E-Rate consultancy, and basic software (Zendesk, AssetWorks, firewall, Datto, CloudReady, Zoom, GoGuardian, etc.), phone/internet, and depreciation.</p> <p>The following expenditures will be funded by federal Title funds:</p> <ul style="list-style-type: none"> <li>• Technology: Resource: Title II, \$981.72</li> </ul>		
1.3	Clean and safe facilities that support learning	<p>Charter School will strive to maintain a clean, safe, environmentally friendly, and inviting school that is worthy of our students, families, and staff and encourages successful teaching and learning. Charter School will continually improve and maintain facilities to ensure school safety, security and high quality learning and working environments. Charter School will do annual and monthly facility inspections to screen for ADA compliance and safety hazards; identified deficiencies will be quickly remedied. Daily general cleaning will maintain campus cleanliness. Maintenance and repairs will be provided by Charter School custodial staff and/or outsourced. As a STEAM focused school, we aim to operate in a sustainable and environmentally responsible manner. Charter School will develop and monitor comprehensive safety and security plans, conduct necessary safety training for all staff and continue to work with stakeholders and experts to implement emergency and risk management procedures for individuals and the site. Charter School will procure and</p>	\$795,626.38	No

Action #	Title	Description	Total Funds	Contributing
		<p>maintain necessary safety/emergency supplies, equipment and items. Charter School will establish schedules and procedures for the supervision of students in non-classroom areas, including before and after school.</p> <p>Expenditures associated with this action include the following: facilities rent/acquisition cost, custodial staff salaries and benefits, custodial supplies, maintenance and repair services, gas/electric, security services, health and safety related expenses (PPE, nursing services, etc.), and insurance costs (workers compensation, CharterSAFE, etc.)</p> <p>The following expenditures will be funded by federal Title funds: N/A</p>		
<b>1.4</b>	Healthy and nutritious meals	<p>Charter School will maintain nutrition education resources and continue to focus on innovative ways to increase access to freshly prepared, nutritious foods to ensure students are well-nourished and ready to learn. Charter School will adhere to the MPS Wellness Policy guidelines on nutritious foods for all food sales and celebrations. The meal program aims to improve the diet and health of our students, help mitigate childhood obesity, model healthy eating to support the development of lifelong healthy eating patterns and support healthy choices while accommodating cultural food preferences and special dietary needs. Charter School will promote healthy food and beverage choices for all students throughout campus, as well as encourage participation in school meal programs.</p> <p>Expenditures associated with this action include the following: student meals, water, and refreshments.</p> <p>The following expenditures will be funded by federal Title funds: N/A</p>	\$17,280.00	Yes
<b>1.5</b>	Well-orchestrated Home Office support services	<p>The MPS Home Office provides services to the Charter School, supports and holds accountable the Charter School for compliance and meeting charter goals, provides best practices in curriculum and professional development, and sets up systems and processes that support academic achievement and growth, operational effectiveness, and financial</p>	\$387,765.55	No

Action #	Title	Description	Total Funds	Contributing
		<p>sustainability. The Home Office manages business operations of schools, which reduces program and operations-related burdens of the Charter School administration and enables the Charter School to receive services at a lower cost. The services of the Home Office include, but are not limited to, academics, accountability, operations, IT, facilities, finance and accounting, human resources, and external relations. Instructional services are reflected in Goals 2-4.</p> <p>Expenditures associated with this action include the following: Home Office management fees, authorizer oversight fees, audit fees, bank fees, legal fees (YM&amp;C, etc.), and other back-office related expenses (Adaptive Insights, DataWorks, etc.)</p> <p>The following expenditures will be funded by federal Title funds: N/A</p>		

# Goals and Actions

## Goal

Goal #	Description	Type of Goal
2	EXCELLENCE: Under our first core pillar of Excellence, all students will have equitable access to a high-quality core curricular and instructional program and make academic progress in alignment with California content standards (CCSS, NGSS, etc.) through our data-driven, differentiated and engaging learning program. Students will develop competencies aligned with our “Portrait of a Graduate,” including Literacy with a Learner’s Mindset and Critical Thinking skills as they pursue academic excellence.	Broad Goal

State Priorities addressed by this goal.

- Priority 4: Pupil Achievement (Pupil Outcomes)
- Priority 5: Pupil Engagement (Engagement)
- Priority 8: Other Pupil Outcomes (Pupil Outcomes)

An explanation of why the LEA has developed this goal.

Charter School desires that all our students pursue academic excellence and be college/career ready. Effective core curriculum and instruction are central to academic success. Therefore, Charter School will ensure that all students, including but not limited to, ELs, students with disabilities, socioeconomically disadvantaged/low-income students, and students achieving below grade level, have access to a high-quality core curricular and instructional program with appropriate services and support. Targeted interventions will be utilized to create a high quality differentiated environment where students are supported to engage at their optimal levels. Charter School will also provide professional development to staff to promote a cycle of continuous improvement, as well as supports for high quality delivery of the program that enables differentiation, particularly for unduplicated students and students with exceptional needs. Charter School will implement the actions listed under this goal and use the indicated metrics, such as CAASPP assessment results, to measure progress in achievement of academic excellence and college/career readiness.

## Measuring and Reporting Results

Metric #	Metric	Baseline	Year 1 Outcome	Year 2 Outcome	Target for Year 3 Outcome	Current Difference from Baseline
2.1	Percentage of students who have sufficient access to all programs and services, as applicable, including the programs and services	2023-24: 100%			2026-27: 100%	

Metric #	Metric	Baseline	Year 1 Outcome	Year 2 Outcome	Target for Year 3 Outcome	Current Difference from Baseline
	developed and provided to unduplicated students and to individuals with exceptional needs, and the programs that are provided to benefit these students (Source: Local Indicator Priority 7, SIS)					
2.2	Percentage of completion of observations by the school administration based on one formal and four informal classroom observations per teacher per year to ensure state standards implementation for all students (Source: Local Indicator Priority 2, TeachBoost/SchoolMint Grow)	2023-24: (As of 5/24/24) 100%			2026-27: >= 85%	
2.3	Percentage of students who have received a grade of "C" or better in core subjects and electives (Source: SIS)	2023-24: (First semester) 82%			2026-27: (First semester) >= 80%	
2.4	Percentage of students who have met or exceeded standard on the CAASPP-ELA/Literacy assessments (Source: CDE DataQuest)	2022-23: <ul style="list-style-type: none"> <li>All Students: 36.50%</li> <li>English Learners: 9.31</li> <li>Socioeconomically Disadvantaged : 31.03%</li> </ul>			2025-26: <ul style="list-style-type: none"> <li>All Students: = 45.00%</li> <li>English Learners: = 10.00%</li> </ul>

## Goal Analysis [2023-24]

An analysis of how this goal was carried out in the previous year.

A description of overall implementation, including any substantive differences in planned actions and actual implementation of these actions, and any relevant challenges and successes experienced with implementation.

Not Applicable.

An explanation of material differences between Budgeted Expenditures and Estimated Actual Expenditures and/or Planned Percentages of Improved Services and Estimated Actual Percentages of Improved Services.

Not Applicable.

A description of the effectiveness or ineffectiveness of the specific actions to date in making progress toward the goal.

Not Applicable.

A description of any changes made to the planned goal, metrics, target outcomes, or actions for the coming year that resulted from reflections on prior practice.

Not Applicable.

## Actions

Action #	Title	Description	Total Funds	Contributing
2.1	Broad course of study and standards based curriculum	Charter School will provide students with a broad array of courses including core subjects (English, mathematics, social sciences, and science) and electives. Charter School will also provide all other academic	\$1,354,416.13	No

Action #	Title	Description	Total Funds	Contributing
		<p>programs and services outlined in its charter petition, certain programs and services being dependent on student need and interest. Charter School will design its master schedule to meet the needs of its students to ensure all academic content areas are available to all students, including student groups. All students will participate in a rigorous, relevant, and coherent standards-based curriculum that supports the achievement of the schoolwide learner outcomes, academic standards, and college- and career-readiness standards. The school will be appropriately staffed to implement the school master schedule.</p> <p>Expenditures associated with this action include the following: teacher salaries and benefits, principal salary and benefits, and substitute teacher expenses.</p> <p>The following expenditures will be funded by federal Title funds: N/A</p>		
2.2	Professional development for high-quality instruction	<p>Professional development will occur at the MPS organizational level and within the school. Charter School will ensure curricula, instruction, and assessments are aligned to the standards and that teachers participate in professional development on the implementation of standards (CCSS, NGSS, etc.) In addition to ongoing professional development activities that support efforts to increase student academic performance, all staff will be provided with multiple opportunities to grow professionally through induction processes, regular collaboration with colleagues, and curricular support. This involves instructional leadership, common walkthrough protocols, and professional feedback to promote a cycle of continuous improvement, as well as supports for high quality delivery of the program that enables differentiation, particularly for unduplicated students and students with exceptional needs. Instructional leaders at the school and at the Home Office will assess staff professional development needs through formal and informal performance observation, surveys, and student performance data. Based on the data, combined with LCAP goals and the MPS Home Office high quality instruction guidelines, the instructional leaders will determine common staff development days and tailor staff development to individual staff needs.</p>	\$58,801.08	Yes

Action #	Title	Description	Total Funds	Contributing
		<p>Expenditures associated with this action include the following: professional development, tuition reimbursement, and TeachBoost/SchoolMint Grow software fees.</p> <p>The following expenditures will be funded by federal Title funds:</p> <ul style="list-style-type: none"> <li>• Tuition reimbursement for professional development: Resource: Title II, \$16,200</li> <li>• Professional Development: Resource: Title IV, Part A (ESEA) \$4,870</li> </ul>		
2.3	MTSS - Academic enrichment, intervention, and student support	<p>Charter School will implement MTSS as a systemic, continuous improvement framework in which data-based problem-solving and decision making is practiced across all levels of the educational system for supporting students. Charter School will synthesize CAASPP and MAP student achievement and growth data, as well as course grades, and other state and internal assessment scores, into reports and regularly review progress towards targets. Targeted interventions will be utilized to create a high-quality differentiated environment where students are supported to engage at their optimal levels. Charter School will provide additional supports and interventions to all students, including but not limited to, 1-1 or small group interventions, targeted support via evidence-based supplemental intervention/enrichment materials and technology (reading, math, etc.), co-taught classes, Power English/Power Math classes, Study Skills, additional support during SSR/Advisory, before and after school tutoring, Saturday classes, and summer programs. SSPT, 504, and other support meetings will be coordinated among teachers and support roles (resource teachers, EL coordinator, department chairs, etc.)</p> <p>Expenditures associated with this action include the following: Dean of Academics salary and benefits, Title-I coordinator salary and benefits, instructional aide salaries and benefits, intervention teacher salaries and benefits, teacher stipends for after school, Saturday school, and summer school, NWEA MAP testing fees, Illuminate DnA fees and evidence-based supplemental intervention/enrichment program fees (IXL, Accelerated Reader, Standards Plus, Quizizz, BrainPOP, Spelling City, Cambium Learning, Learning A-Z, Alexandria Library, Mystery Science and myON.)</p>	\$682,170.22	Yes

Action #	Title	Description	Total Funds	Contributing
		<p>The following expenditures will be funded by federal Title funds:</p> <ul style="list-style-type: none"> <li>• Instructional Aide Salaries: Resource: Title I, \$75,677.64</li> <li>• Benefits: Resource: Title I, \$19,164.69</li> <li>• Educational Software: Resource: Title I, \$15,220</li> <li>• Educational Software: Resource: Title IV, Part A (ESEA), \$4,325.4</li> </ul>		
2.4	Designated and integrated ELD programs and support for ELs	<p>Charter School will provide services to ELs, including newcomers and LTELs, by proficiency level and provide ELD instruction aligned to the CA ELD standards and framework. Charter School will provide our ELs with core and supplemental ELD instructional materials and provide our teachers with PD focused on ELD standards. Our EL coordinator will monitor EL student progress in program implementation according to our EL Master Plan. Charter School teachers will provide instruction using designated and integrated ELD instructional strategies as outlined in the CHATS framework (and other research-based strategies such as SDAIE) to all students, including ELs. Charter School will provide culturally and linguistically relevant materials for students. ELs will receive further in-class instructional support which includes one-on-one teacher support and small group instruction. Charter School will strive to provide bilingual instructional assistants to provide primary language support to enable students to access content area instruction while gaining language proficiency. Charter School will ensure that teachers participate in PD on ELD instructional strategies and CHATS framework. Charter School will provide regular and timely communication with families of EL students, including newcomers and LTELs, regarding annual assessments, program supports and services, and students' progress toward reclassification. This notification will include, but is not limited to, annual parent notification letters, quarterly ELAC meetings, and parent-teacher conferences.</p> <p>Expenditures associated with this action include the following: EL coordinator salary and benefits, EL coordinator stipend, EL instructional aide salary and benefits.</p> <p>The following expenditures will be funded by federal Title funds: N/A</p>	\$126,043.25	Yes

Action #	Title	Description	Total Funds	Contributing
2.5	Support for students with disabilities	<p>Students with disabilities will receive services and supports as listed in their Individualized Education Programs (IEPs) (in addition to services they receive pertinent to low income, foster youth and English learner designations) in order to improve outcomes and close the achievement gap, including graduation rate and performance on statewide assessments. Students with disabilities will have access to all additional intervention and student support systems as outlined in Goal 2: Actions 3 and 4, as well as access to push-in and pull-out services, instructional aides, learning center services, and contracted services to provide each scholar with a Free and Appropriate Public Education in their least restrictive and most accessible learning environment. Students with disabilities dually identified as EL will have ELD goals in their IEPs in addition to goals addressing their specific areas of need based on their eligibility. Our SPED, EL, and general education teams will work in collaboration, monitor our scholars' progress toward IEP goal mastery, and provide progress reports to parents. In addition, all IEPs will be reviewed and present levels will be updated during annual and triennial reviews as required by the IDEA.</p> <p>Expenditures associated with this action include the following: SPED coordinator and teacher salaries and benefits, paraprofessional salaries and benefits, school psychologist salary and benefits, SPED intern salaries and benefits, outsourced SPED services fees, and SPED instructional materials and technology.</p> <p>The following expenditures will be funded by federal Title funds: N/A</p>	\$921,073.51	No

# Goals and Actions

## Goal

Goal #	Description	Type of Goal
3	INNOVATION: All students will have access to a well-rounded, 21st century education that supports their readiness for college and the global world under our second core pillar of Innovation. Each student will become an independent, innovative scholar by practicing Creativity and Adaptability in their learning, using technology and data-driven online learning, and demonstrating high-quality learning outcomes in myriad ways.	Broad Goal

State Priorities addressed by this goal.

Priority 7: Course Access (Conditions of Learning)  
Priority 8: Other Pupil Outcomes (Pupil Outcomes)

An explanation of why the LEA has developed this goal.

It is the Charter School's vision that our graduates are well-rounded critical thinkers and problem solvers who contribute to the global community. A significant step toward helping our students achieve their maximum potential involves providing a rigorous, relevant and college preparatory curriculum with a STEAM emphasis. Therefore, we will design educational experiences to meet the needs of our scholars with an emphasis on innovation and critical thinking. Charter School will also promote the benefits of a physically active lifestyle and will help students develop skills to engage in lifelong healthy habits, as well as incorporate essential health education concepts to our physical education program. In an effort to provide well-rounded education to our students, Charter School will strive to offer additional programs such as elective courses, arts, music, civics, languages other than English, clubs, etc. Charter School will implement the actions listed under this goal and use the indicated metrics to measure progress in provision of an innovative, well-rounded education that supports student readiness for college and the global world.

## Measuring and Reporting Results

## Actions

Action #	Title	Description	Total Funds	Contributing
3.1	College/Career readiness programs and activities	<p>Charter School will promote a college-going culture through college visits, college/career days, and other college/career related activities.</p> <p>Expenditures associated with this action include the following: college/career-related materials and activities.</p> <p>The following expenditures will be funded by federal Title funds: N/A</p>	\$0.00	Yes
3.2	STEM and GATE programs	<p>Charter School will offer STEAM and GATE programs and activities, including Accelerated/Advanced Math course and club. Students will be provided opportunities during the day and after school to create or demonstrate a STEAM focused project, experiment, model or demo. We will also provide information and access to quality out-of-school STEM activities and achievements. With CA Science Framework and NGSS integration, all our students will learn about engineering design, technology, and applications of science as part of their core classes. Furthermore, Charter School will design and implement computer science and engineering-related courses and activities, such as Code.org activities, Project Lead the Way (PLTW) programs, Robotics, etc. Gifted and talented students and students achieving above grade level will be engaged in all classes as teachers differentiate curriculum through adjustments of content through depth, complexity, and pacing. Emphasis will be on innovation, critical thinking, and logical reasoning. Learners will be challenged to investigate, use problem-based learning, and research.</p> <p>Expenditures associated with this action include the following: supplemental STEM program fees.</p> <p>The following expenditures will be funded by federal Title funds:</p> <ul style="list-style-type: none"> <li>Educational Software - Resource: Title I; Amount: \$1,296</li> </ul>	\$1,296.00	Yes

Action #	Title	Description	Total Funds	Contributing
3.3	Digital literacy and citizenship programs	<p>Charter School will educate our students and staff in digital literacy so that they adapt, create, consume, and connect in productive, responsible ways to utilize technology in academic, social, and professional settings. Charter School will offer Computer/Digital Literacy classes and/or blended learning experiences for our students. Teachers will incorporate appropriate technology into lessons to support student learning and technology will be kept up to date. Students will be provided with opportunities to expand their literacy, computational, and communication skills with digital media; they will be writing advanced essays, conducting internet research, engaging in data collection, presenting ideas and drawing conclusions. Charter School staff will teach and model safe, savvy, and social digital citizenship; topics may include, but are not limited to, using technology applications, including Artificial Intelligence (AI); digital footprint, privacy, and security; digital rights and responsibilities; using social media responsibly and digital etiquette. As our students gain the ability to navigate computing systems, utilize networks and the internet responsibly, analyze and interpret data with an antibias lens, solve problems using algorithms and programming, and carefully consider the ethics of computing technologies, they will become informed digital citizens who can leverage AI and other technologies to promote social justice and equity.</p> <p>Expenditures associated with this action include the following: computer teacher salary and benefits, internet security program fees, and digital literacy and citizenship program fees.</p> <p>The following expenditures will be funded by federal Title funds: N/A</p>	\$126,436.62	Yes
3.4	Physical education, activity, and fitness	<p>Charter School will provide students with physical education, using an age-appropriate, sequential PE curriculum consistent with state standards for PE. The curriculum will promote the benefits of a physically active lifestyle and will help students develop skills to engage in lifelong healthy habits, as well as incorporate essential health education concepts. Charter School will offer recess before lunch and students will be provided with periodic</p>	\$121,899.08	Yes

		<p>opportunities to be active or to stretch throughout the day on all or most days during a typical school week. To the extent practicable, Charter School will ensure that its grounds and facilities are safe, and that equipment is available to students to be active. Charter School will offer opportunities for students to participate in physical activity either before and/or after the school day (or both) through a variety of methods such as physical activity/sports clubs, intramurals or interscholastic sports, etc. Charter School will adhere to the MPS Wellness Policy guidelines on physical education, activity, and fitness.</p> <p>Expenditures associated with this action include the following: PE/Health teacher salary and benefits and physical activity, fitness, and equipment expenses.</p> <p>The following expenditures will be funded by federal Title funds: N/A</p>		
3.5	Additional programs and activities that support well-rounded education	<p>To provide well-rounded education to our students, Charter School will strive to offer additional programs such as elective courses, arts, music, civics, languages other than English (LOTE), clubs, etc. Arts instruction focuses on developing students' creativity, imagination, discipline and self-expression through drawing and fine arts. It is important that all our students, particularly unduplicated students, are provided with experiential learning opportunities, including but not limited to, instructional field trips, internships, community service programs, clubs, etc. Charter School teachers and other staff will offer after school clubs for enrichment in the areas of, including, but not limited to, STEM (science, technology, engineering, math), ELA, LOTE, culture, sports, visual and performing arts, community service, leadership, and others. In addition to these clubs, the Charter School's Expanded Learning Opportunities Program (ELO-P) will support afterschool and summer enrichment programs in science, robotics, advanced math, academic competitions, journalism, college mentorship, and other areas.</p> <p>Expenditures associated with this action include the following: teacher salaries and benefits for additional programs that support well-rounded</p>	\$659,524.87	Yes

# Goals and Actions

## Goal

Goal #	Description	Type of Goal
4	CONNECTION: All students, families, staff, and other educational partners will experience our third core pillar, Connection, and have access to meaningful engagement opportunities that help cultivate Effective Communication and Global Citizenship in a safe and nurturing environment. Educational partners will feel a sense of community and connectedness.	Broad Goal

### State Priorities addressed by this goal.

- Priority 3: Parental Involvement (Engagement)
- Priority 5: Pupil Engagement (Engagement)
- Priority 6: School Climate (Engagement)

### An explanation of why the LEA has developed this goal.

School communities are integrated partnerships with the school site staff, families, students and all other educational partners. This sense of connection creates a safe place for all learners and educational partners to affirm individual strengths, develop capacity, celebrate character, build trusting and respectful relationships, promote unity and better decision making. Additionally, community cultivates identity and gives each member a sense of belonging and pride. Charter School will seek family input for decision making, utilize home visits and educational partner surveys, and provide academic and social-emotional support through MTSS/PBIS. We will work with community partners to support the vision and goals of the school, including our students' development of personal and academic networks for long-term resilience and connection. Charter School will implement the actions listed under this goal and use the indicated metrics to measure progress in sustaining a sense of community and connectedness.

## Measuring and Reporting Results

Metric #	Metric	Baseline	Year 1 Outcome	Year 2 Outcome	Target for Year 3 Outcome	Current Difference from Baseline

## Actions

Action #	Title	Description	Total Funds	Contributing
4.1	Seeking family input for decision-making	Charter School will build the capacity of and support administrators, teachers and staff in order to build the capacity of and support family members to effectively engage in advisory groups and decision-making. Charter School will provide all families with opportunities to provide input on policies and programs, and implement Community School strategies to reach and seek input from any underrepresented groups in the school community. Some periodic information/input sessions for families include, but are not limited to, Board of Directors meetings, Parent Advisory Committee (PAC) meetings, English Learner Advisory Committee (ELAC) meetings, Parent Task Force (PTF) meetings, and Coffee with the Principal meetings. The PAC will be composed of majority of parents of pupils and include parents/guardians of ELs, low-income, foster youth, and students with disabilities. Parents, teachers, staff, students, and community members are encouraged and empowered to join school committees, including the PAC and ELAC. Such committees provide for representation	\$275.00	Yes

Action #	Title	Description	Total Funds	Contributing
		<p>of students in need (low income, EL, foster youth, students with disabilities, etc.) Feedback from our educational partners provide valuable input for the LCAP and continuous school improvement. Charter School chooses to utilize the LCAP to serve as the SPSA and holds an annual meeting to inform parents and collect feedback about LCAP goals and actions, data and needs assessment, Title-funded activities and budgets, UCP, parent and family engagement policy and school-student-parent compact. In addition, as explained in Goal 4: Action 4, Charter School will conduct family surveys to seek feedback on school improvement.</p> <p>Expenditures associated with this action include the following: parent meeting expenses and Document Tracking Services (DTS) fees.</p> <p>The following expenditures will be funded by federal Title funds: N/A</p>		
4.2	Building relationships and partnerships with families for student outcomes	<p>Charter School will develop the capacity of staff to build trusting and respectful relationships with families and create welcoming environments for all families in the community. Our staff will learn about each family's strengths, cultures, languages, and goals for their children. We will promote participation in activities/events, including Student/Parent Orientation, Back to School Night, and parent conferences. Administrators will greet all students and parents in the mornings during student drop off and have an open-door policy welcoming all parents. We will provide professional learning and support to staff to improve capacity to partner with families and to provide families with information and resources to support student learning and development in the home. Charter School will provide parents with access to course materials, homework assignments, projects, and records of students' grades through our SIS. Charter School will communicate further with the parents of students who are performing below grade level. Our teachers, administrators, and classified staff will visit students at their homes to discuss student progress and enhance student learning and involvement. Charter School will also support families to understand and exercise their legal rights and advocate for their own students and all students. Charter School will schedule annual workshops for parents as well as additional workshops for parents of EL and immigrant students. Topics to be covered include, but are not limited to,</p>	\$152,335.74	Yes

Action #	Title	Description	Total Funds	Contributing
		<p>the school’s EL Master Plan, stages of language acquisition, state testing, college application, using SIS to check student progress, study habits, and family literacy. Charter School will use a variety of communication channels to connect with families in a language that is understandable and accessible to them. A parent communication software will be utilized for voice and text communications, email, and push notifications. We will provide language translators at parent meetings to the extent practicable.</p> <p>Expenditures associated with this action include the following: Infinite Campus SIS fees, ParentSquare software fees, SchoolMint software fees, home-visit compensation, parent activity/event expenses, Parent Education Bridge program fees, Pitney Bowes expenses, and Office manager/Administrative assistant salaries and benefits.</p> <p>The following expenditures will be funded by federal Title I funds:</p> <ul style="list-style-type: none"> <li>• 5800 Professional Services: \$1,620</li> <li>• 3500 Unemployment Insurance: \$40</li> <li>• 3300 OASDI/Medicare: \$116</li> <li>• 3100 STRS: \$1,528</li> <li>• 1100 Teacher Salaries: \$8,000</li> </ul>		
4.3	MTSS - PBIS and SEL support	<p>Charter School will provide a safe, nurturing, and engaging learning environment for all our students and families. Academic and social-emotional support will be provided to address student needs as well as instructional materials including free uniforms. Students who are homeless, experiencing housing instability, are in foster care or experiencing personal/family crisis or have other special needs will be cared for in our supportive school community. Charter School will offer a SEL/Life Skills program that provides students with valuable skills to support academic excellence and social skill development. We will annually assess our suspension/expulsion policies and procedures and implement alternatives to suspension/expulsion, including restorative practices. Teachers will establish classroom management procedures, foster positive relationships, and help create an atmosphere of trust, respect, and high expectations. Charter School will implement a positive and equitable student responsibility and behavior system with teaching, intervention and</p>	\$95,096.68	Yes

Action #	Title	Description	Total Funds	Contributing
		<p>prevention strategies and protocols that are clear, fair, incremental, restorative, and culturally responsive. Charter School will celebrate student and school achievements and organize recognition assemblies and other schoolwide culture-building activities. Charter School will inform parents and students of attendance policies specified in the Student/Parent Handbook and encourage and support student attendance. Charter School will also implement the CORE DISTRICTS SEL Survey instrument in the fall and spring annually to assess the following social-emotional competencies: growth mindset, self-efficacy, self-management, and social awareness. As part of our MTSS efforts, school leadership, teachers, and support staff will analyze student SEL survey results in the fall to provide our students with targeted social-emotional support and then measure student responses again in the spring to measure growth, identify greatest progress and needs in order to inform our next steps.</p> <p>Expenditures associated with this action include the following: Dean of Students salary and benefits, discipline coordinator salary and benefits, office/attendance clerk salaries and benefits, school uniform expenses, PD on classroom management, PBIS, and SEL support, SEL program fees, outsourced SEL services fees, and additional services for homeless students.</p> <p>The following expenditures will be funded by federal Title funds:</p> <ul style="list-style-type: none"> <li>• Instructional Materials &amp; Supplies: Resource: Title I, \$4,540.32</li> <li>• Professional Services: Resource: Title IV, Part A (ESEA), \$8,081.64</li> </ul>		
4.4	Annual educational partner surveys	Charter School will annually administer school experience surveys to students, families, and staff. Charter School will implement the CORE DISTRICTS Survey instrument to assess our educational partners' perceptions of the following school climate indicators: climate of support for academic learning; knowledge and fairness of discipline, rules and norms; safety; and sense of belonging (school connectedness). In addition, we ask our educational partners open-ended questions about what they like the best about the school and suggestions for improvement. This feedback instrument provides all staff and school leaders with valuable information	\$1,620.00	Yes

Action #	Title	Description	Total Funds	Contributing
		<p>about how students see their classes, how much parents are involved, how supported staff feel and how to facilitate improvement. Our staff will analyze the survey results to identify the greatest progress and needs in order to inform our next steps.</p> <p>Expenditures associated with this action include the following: Panorama Education survey fees.</p> <p>The following expenditures will be funded by federal Title funds:</p> <ul style="list-style-type: none"> <li>Professional Services - Title I: \$1,620</li> </ul>		
4.5	Community outreach and partnerships	<p>Charter School will establish community, business, institutional and civic partnerships that invest in and support the vision and goals of the school. School staff will participate in local activities that engage community members and staff in communicating school successes to the broader community. Charter School will secure community support to sustain existing resources and add new resources that address emerging student needs. Charter School leadership will actively develop relationships with a range of educational partners, policymakers, and researchers to identify and address issues, trends, and potential changes that affect the context and conduct of education.</p> <p>Expenditures associated with this action include the following: Community Schools Coordinator salary and benefits, membership fees (CCSA, WASC, etc.), marketing, branding, outreach, and partnership expenses.</p> <p>The following expenditures will be funded by federal Title funds: N/A</p>	\$386,123.89	Yes

# Increased or Improved Services for Foster Youth, English Learners, and Low-Income Students [2024-25]

## Required Descriptions

### LEA-wide and Schoolwide Actions

For each action being provided to an entire LEA or school, provide an explanation of (1) the unique identified need(s) of the unduplicated student group(s) for whom the action is principally directed, (2) how the action is designed to address the identified need(s) and why it is being provided on an LEA or schoolwide basis, and (3) the metric(s) used to measure the effectiveness of the action in improving outcomes for the unduplicated student group(s).

Goal and Action #	Identified Need(s)	How the Action(s) Address Need(s) and Why it is Provided on an LEA-wide or Schoolwide Basis	Metric(s) to Monitor Effectiveness
1.4	<p><b>Action:</b> Healthy and nutritious meals</p> <p><b>Need:</b> Low-income students do not have sufficient or consistent access to nutritious meals and they develop poor eating habits. As a result, they experience poor health and academic outcomes, including, but not limited to, obesity, chronic absenteeism and lower grades. There</p>	<p>MPS is committed to the optimal development of every student. Research shows that two components, good nutrition and physical activity before, during and after the school day, are strongly correlated with positive student outcomes. For example, student participation in the U.S. Department of Agriculture’s (USDA) School Breakfast Program is associated with higher grades and standardized test scores, lower absenteeism and better performance on cognitive tasks. Conversely, less-than-adequate</p>	<p>Goal 2:</p> <ul style="list-style-type: none"> <li>Percentage of students who have received a grade of “C” or better in core subjects and electives (Source: SIS)</li> </ul> <p>Goal 4:</p>

Goal and Action #	Identified Need(s)	How the Action(s) Address Need(s) and Why it is Provided on an LEA-wide or Schoolwide Basis	Metric(s) to Monitor Effectiveness
	<p>is a need to provide all our students with healthy and nutritious meals.</p> <p><b>Scope:</b> LEA-wide</p>	<p>consumption of specific foods including fruits, vegetables and dairy products, is associated with lower grades among students. Finally, there is evidence that adequate hydration is associated with better cognitive performance. With consideration of the importance of good nutrition, Charter School will maintain nutrition education resources and continue to focus on innovative ways to increase access to freshly prepared, nutritious foods to ensure students are well-nourished and ready to learn. We will provide two school meals free of charge during each schoolday to any student who requests a meal without consideration of the student's eligibility for a federally funded free or reduced-price meal, with a maximum of one free meal for each meal service period. This action will result in increased and improved services, particularly for our low-income students, who may not have access to nutritious meals and are experiencing poor health outcomes. With the needs of low-income students in mind, this action will be provided on a schoolwide basis. It was found effective in the current school year and will be continued in the coming school year. Charter School will promote healthy food and beverage choices for all students throughout campus, as well as encourage participation in school meal programs. Charter School will adhere to the MPS Wellness Policy guidelines on nutritious foods for all food sales and celebrations. We expect the meal program will help improve the diet and health of our students and mitigate childhood obesity, model healthy eating to support the development of lifelong healthy eating patterns and support healthy choices while accommodating cultural food preferences and special dietary</p>	<ul style="list-style-type: none"> <li>• Chronic Absenteeism Rate (Source: CA School Dashboard, SIS)</li> <li>• School experience survey "overall satisfaction rates" based on the responses of our students to the question, "Overall, I am satisfied and would recommend this school to other students." (Source: Local Indicator Priority 6, Panorama Education)</li> </ul>

Goal and Action #	Identified Need(s)	How the Action(s) Address Need(s) and Why it is Provided on an LEA-wide or Schoolwide Basis	Metric(s) to Monitor Effectiveness
		needs. We also expect this action will result in increased student belonging as measured by the annual student surveys in Goal 4: Action 4.	
2.2	<p><b>Action:</b> Professional development for high-quality instruction</p> <p><b>Need:</b> The majority of Charter School's student population consists of low-income and socioeconomically disadvantaged students, English learners, and students with disabilities, many of whom are dually identified as EL. These student groups have social and emotional conditions that influence academic learning, as evidenced by the performance gaps on the CA School Dashboard, CAASPP results, and other available data. Addressing the unique needs of students from diverse backgrounds is a major challenge because our teachers need to be prepared with the relevant content knowledge, experience, and training, with a focus on cultural and linguistic characteristics of our diverse learners.</p> <p><b>Scope:</b> LEA-wide</p>	<p>With the needs of our diverse student body in mind, Charter School will ensure curricula, instruction, and assessments are aligned to the standards and that teachers participate in professional development on the implementation of standards (CCSS, NGSS, etc.) In addition to ongoing professional development activities that support efforts to increase student academic performance, all staff will be provided with multiple opportunities to grow professionally through induction processes, regular collaboration with colleagues, and curricular support. This involves instructional leadership, common walkthrough protocols using the TeachBoost/SchoolMint Grow software, and professional feedback to promote a cycle of continuous improvement, as well as supports for high quality delivery of the program that enables differentiation, particularly for unduplicated students and students with exceptional needs. Instructional leaders at the school and at the Home Office will assess staff professional development needs through formal and informal performance observations, surveys, and student performance data. Based on the data, combined with LCAP goals and the MPS Home Office high quality instruction guidelines, the instructional leaders will determine common staff development days and tailor staff development to individual staff needs. This action was found effective in the current school year and will be continued in the coming school year. We expect this schoolwide action will result in increased academic achievement of our student groups on</p>	<p>Goal 2:</p> <ul style="list-style-type: none"> <li>• Percentage of completion of observations by the school administration based on one formal and four informal classroom observations per teacher per year to ensure state standards implementation for all students (Source: Local Indicator Priority 2, TeachBoost/SchoolMint Grow)</li> <li>• Percentage of students who have received a grade of "C" or better in core subjects and electives (Source: SIS)</li> <li>• Percentage of students who have met or exceeded</li> </ul>

Goal and Action #	Identified Need(s)	How the Action(s) Address Need(s) and Why it is Provided on an LEA-wide or Schoolwide Basis	Metric(s) to Monitor Effectiveness
		<p>the CA School Dashboard, CAASPP assessments, MAP assessments, and student grades as identified in our LCAP metrics in Goal 2.</p>	<p>standard on the CAASPP- ELA/Literacy assessments (Source: CDE DataQuest)</p> <ul style="list-style-type: none"> <li>• Distance from Standard (DFS) on the CAASPP- ELA/Literacy assessments (Source: CA School Dashboard)</li> <li>• Percentage of students who have met their growth targets on the Measures of Academic Progress (MAP)- Reading assessment from fall to spring (Source: NWEA MAP)</li> <li>• Conditional Growth Index and Percentile (CGI and CGP) based on students' growth on the Measures of Academic Progress (MAP)- Reading</li> </ul>

Goal and Action #	Identified Need(s)	How the Action(s) Address Need(s) and Why it is Provided on an LEA-wide or Schoolwide Basis	Metric(s) to Monitor Effectiveness
			<p>assessment from fall to spring as compared to the national growth norms (Source: NWEA MAP)</p> <ul style="list-style-type: none"> <li>• Percentage of students who have met or exceeded standard on the CAASPP-Mathematics assessments (Source: CDE DataQuest)</li> <li>• Distance from Standard (DFS) on the CAASPP-Mathematics assessments (Source: CA School Dashboard)</li> <li>• Percentage of students who have met their growth targets on the Measures of Academic Progress (MAP)-Mathematics assessment from fall to spring (Source: NWEA MAP)</li> </ul>

			<ul style="list-style-type: none"> <li>Conditional Growth Index and Percentile (CGI and CGP) based on students' growth on the Measures of Academic Progress (MAP)-Mathematics assessment from fall to spring as compared to the national growth norms (Source: NWEA MAP)</li> </ul>
2.3	<p><b>Action:</b> MTSS - Academic enrichment, intervention, and student support</p> <p><b>Need:</b> The majority of Charter School's student population consists of low-income and socioeconomically disadvantaged students, English learners, and students with disabilities, many of whom are dually identified as EL. These student groups have social and emotional conditions that influence academic learning, as evidenced by the performance gaps on the CA School Dashboard, CAASPP results, and other available data. Most of our low-income students have parents working multiple jobs and need academic support. Foster youth and English learners may experience feelings of anxiety and confusion.</p>	<p>Considering the needs of our vulnerable student groups in mind, Charter School will implement MTSS as a systemic, continuous improvement framework in which data-based problem-solving and decision making is practiced across all levels of the educational system for supporting students. Charter School will synthesize CAASPP and MAP student achievement and growth data, as well as course grades, and other state and internal assessment scores, into reports and regularly review progress towards targets. Targeted interventions will be utilized to create a high-quality differentiated environment where students are supported to engage at their optimal levels. Charter School will provide additional supports and interventions to all students, including but not limited to, 1-1 or small group interventions, targeted support via evidence-based supplemental intervention/enrichment materials and technology</p>	<p>Goal 2:</p> <ul style="list-style-type: none"> <li>Percentage of completion of observations by the school administration based on one formal and four informal classroom observations per teacher per year to ensure state standards implementation for all students (Source: Local Indicator Priority 2,</li> </ul>

Goal and Action #	Identified Need(s)	How the Action(s) Address Need(s) and Why it is Provided on an LEA-wide or Schoolwide Basis	Metric(s) to Monitor Effectiveness
	<p>Students struggle with access to materials, technology, and a quiet, private place to study. There are gaps in their learning that need individualized attention.</p> <p><b>Scope:</b> LEA-wide</p>	<p>(reading, math, etc.), co-taught classes, Power English/Power Math classes, Study Skills, additional support during SSR/Advisory, before and after school tutoring, Saturday classes, and summer programs. SSPT, 504, and other support meetings will be coordinated among teachers and support roles (resource teachers, EL coordinator, department chairs, etc.) We expect that these student supports and interventions will provide increased and improved services for all our unduplicated students who need extra support and attention. This action was found effective in the current school year and will be continued in the coming school year. It will be provided on a schoolwide basis and we expect all student groups to show academic growth as measured by the CA School Dashboard, CAASPP assessments, MAP assessments, student grades, and other metrics as identified in our LCAP metrics in Goal 2.</p>	<p>TeachBoost/SchoolMint Grow)</p> <ul style="list-style-type: none"> <li>• Percentage of students who have received a grade of “C” or better in core subjects and electives (Source: SIS)</li> <li>• Percentage of students who have met or exceeded standard on the CAASPP-ELA/Literacy assessments (Source: CDE DataQuest)</li> <li>• Distance from Standard (DFS) on the CAASPP-ELA/Literacy assessments (Source: CA School Dashboard)</li> <li>• Percentage of students who have met their growth targets on the Measures of Academic Progress (MAP)-Reading</li> </ul>

<p><b>2.4</b></p>	<p><b>Action:</b> Designated and integrated ELD programs and support for ELs</p> <p><b>Need:</b></p>	<p>Considering the needs of our ELs, Charter School will provide services to ELs by proficiency level and provide ELD instruction aligned to the CA ELD standards and framework. Charter School will provide our ELs with core and supplemental ELD</p>	<p>Goal 2: For all students, but particularly for the EL and LTEL student groups:</p>

Goal and Action #	Identified Need(s)	How the Action(s) Address Need(s) and Why it is Provided on an LEA-wide or Schoolwide Basis	Metric(s) to Monitor Effectiveness
	<p>The majority of Charter School's student population consists of English Learners (EL), including long-term ELs (LTELs), Reclassified Fluent English Proficient (RFEP) students, and students with disabilities, many of whom are dually identified as EL. ELs need designated English language development instruction. Emerging ELs lack English speaking experience and struggle to communicate. Both ELs and RFEPs have a strong need for meaningful connections among fundamental concepts in the curriculum to their prior knowledge and experiences. They need additional literacy instruction, support, and interventions. Teachers of ELs need to have knowledge of EL strategies and culturally responsive instruction.</p> <p><b>Scope:</b> LEA-wide</p>	<p>instructional materials and provide our teachers with PD focused on ELD standards. Our EL coordinator will monitor EL student progress in program implementation according to our EL Master Plan. Charter School teachers will provide instruction using designated and integrated ELD instructional strategies as outlined in the CHATS framework (and other research-based strategies such as SDAIE) to all students, including ELs. Charter School will provide culturally and linguistically relevant materials for students. ELs will receive further in-class instructional support which includes one-on-one teacher support and small group instruction. Charter School will strive to provide bilingual instructional assistants to provide primary language support to enable students to access content area instruction while gaining language proficiency. Charter School will ensure that teachers participate in PD on ELD instructional strategies and CHATS framework. Charter School will provide regular and timely communication with families of EL students, including newcomers and LTELs, regarding annual assessments, program supports and services, and students' progress toward reclassification. This notification will include, but is not limited to, annual parent notification letters, quarterly ELAC meetings, and parent-teacher conferences. These supports and services will provide increased and improved services for our English learners. This action was found effective in the current school year and will be continued in the coming school year. While some of the actions described here, including the designated ELD instruction, will be targeted only to ELs, the rest of the actions, including integrated</p>	<ul style="list-style-type: none"> <li>• Percentage of students who have received a grade of “C” or better in core subjects and electives (Source: SIS)</li> <li>• Percentage of students who have met or exceeded standard on the CAASPP-ELA/Literacy assessments (Source: CDE DataQuest)</li> <li>• Distance from Standard (DFS) on the CAASPP-ELA/Literacy assessments (Source: CA School Dashboard)</li> <li>• Percentage of students who have met their growth targets on the Measures of Academic Progress (MAP)-Reading assessment from fall to spring</li> </ul>

Goal and Action #	Identified Need(s)	How the Action(s) Address Need(s) and Why it is Provided on an LEA-wide or Schoolwide Basis	Metric(s) to Monitor Effectiveness
		<p>ELD instruction, will be provided for all students. RFEP students, students with disabilities, and all other student groups will benefit from this schoolwide action. We expect that this action will result in increased academic achievement of our student groups, particularly of our ELs and LTELs, on the CA School Dashboard, CAASPP assessments, MAP assessments, student grades, and EL reclassification rates as identified in our LCAP metrics in Goal 2.</p>	<p>(Source: NWEA MAP)</p> <ul style="list-style-type: none"> <li>• Conditional Growth Index and Percentile (CGI and CGP) based on students' growth on the Measures of Academic Progress (MAP)-Reading assessment from fall to spring as compared to the national growth norms (Source: NWEA MAP)</li> <li>• Percentage of students who have met or exceeded standard on the CAASPP-Mathematics assessments (Source: CDE DataQuest)</li> <li>• Distance from Standard (DFS) on the CAASPP-Mathematics assessments (Source: CA School Dashboard)</li> </ul>

<p><b>3.1</b></p>	<p><b>Action:</b> College/Career readiness programs and activities</p> <p><b>Need:</b> The majority of Charter School's student population consists of low-income and socioeconomically disadvantaged students, English learners, and students with disabilities. Many of our students are also the first generation in their families who will attend college. Most of them lack parental support and experience financial difficulties. Our students have a great need for guidance about college/career choices and support for preparation. A college-going, supportive culture at the school is necessary for our students' college/career readiness.</p> <p><b>Scope:</b> LEA-wide</p>	<p>With the needs of our unduplicated students in mind, Charter School will promote a college-going culture through college visits, college/career days, and other college related activities. Charter School will also explore CTE options to provide students with opportunities to explore a career theme of interest while learning a set of technical and employability skills that integrate into or complement their academic studies. Unduplicated students will receive improved services through college-related materials and activities. These services are particularly helpful for first-generation college-bound students who lack parental support strategies and experience financial constraints. This action was found effective in the current school year and will be continued in the coming school year. We expect that this action will result in increased academic achievement as measured by the LCAP metrics in Goal 2 as well as increased student belonging as measured by the annual student surveys in Goal 4: Action 4.</p>	<p>Goal 2:</p> <ul style="list-style-type: none"> <li>Percentage of students who have received a grade of "C" or better in core subjects and electives (Source: SIS)</li> </ul> <p>Goal 4:</p> <ul style="list-style-type: none"> <li>Chronic Absenteeism Rate (Source: CA School Dashboard, SIS)</li> <li>School experience survey "overall satisfaction rates" based on the responses of our students to the question,</li> </ul>

			<p>"Overall, I am satisfied and would recommend this school to other students."                      (Source: Local Indicator Priority 6, Panorama Education)</p>
<p><b>3.2</b></p>	<p><b>Action:</b> STEM and GATE programs</p> <p><b>Need:</b> Charter School has a vision to help reverse the tide of U.S. students falling behind their peers in other nations in critical subjects like math and science. We strive to graduate students who come from historically underserved neighborhoods as scientific thinkers that contribute to the global community as socially responsible and educated members of society. Charter School's educational approach is based on the conviction that STEM education is essential to improving our modern society's knowledge base and adaptability to the fast pace of everchanging technological advancements. Historically, the number of African American and Latino students pursuing careers in STEAM fields has been very low. Research suggests that a significant cause of these low numbers is that students have inadequate exposure to intensive STEM curricula.</p>	<p>Charter School strives to address the shortage by inspiring and preparing students to choose career paths in science and technology. The majority of Charter School's student population consists of low-income and socioeconomically disadvantaged students of color, English learners, and students with disabilities. With the needs of our community in mind, Charter School will offer STEAM and GATE programs and activities, including Accelerated/Advanced Math course and club. Students will be provided opportunities during the day and after school to create or demonstrate a STEM focused project, experiment, model or demo. We will also provide information and access to quality out-of-school STEM activities and achievements. With CA Science Framework and NGSS integration, all our students will learn about engineering design, technology, and applications of science as part of their core classes. Furthermore, Charter School will design and implement computer science and engineering-related courses and activities, such as Code.org activities, Project Lead the Way (PLTW) programs, Robotics, etc. Unduplicated students will receive increased and improved support through access to</p>	<p>Goal 3:</p> <ul style="list-style-type: none"> <li>• Percentage of students enrolled in an Accelerated and/or Advanced Math course and/or Advanced Math club (Source: Local Indicator Priority 7, SIS)</li> <li>• Percentage of students in the current graduating class who have taken a Computer/Technology course and/or experienced blended learning in their program of study (Source: Local Indicator Priority 7, SIS)</li> </ul>

Goal and Action #	Identified Need(s)	How the Action(s) Address Need(s) and Why it is Provided on an LEA-wide or Schoolwide Basis	Metric(s) to Monitor Effectiveness
	<p><b>Scope:</b> LEA-wide</p>	<p>supplemental STEM programs and activities. Gifted and talented students and students achieving above grade level will be engaged in all classes as teachers differentiate curriculum through adjustments of content through depth, complexity, and pacing. Emphasis will be on innovation, critical thinking, and logical reasoning. This action was found effective in the current school year and will be continued in the coming school year. We expect this schoolwide action will challenge our learners to investigate, use problem-based learning, research, and help become independent and innovative scholars. Goal 3 includes metrics for the percentage of students enrolled in an Accelerated and/or Advanced Math course and/or Advanced Math club, percentage of students in the current graduating class who have taken a Computer/Technology course and/or experienced blended learning in their program of study, and percentage of students who have created or demonstrated a STEAM focused project, experiment, model or demo in the current year.</p>	<ul style="list-style-type: none"> <li>Percentage of students who have created or demonstrated a STEAM focused project, experiment, model or demo in the current year (Source: Local Indicator Priority 7, SIS)</li> </ul>
3.3	<p><b>Action:</b> Digital literacy and citizenship programs</p> <p><b>Need:</b> The majority of Charter School's student population consists of low-income and socioeconomically disadvantaged students, English learners, and students with disabilities, many of whom are dually identified as EL. These student groups have social and emotional conditions that influence academic learning and effective literacy, communication, and presentation skills. Most of our slow-</p>	<p>With the needs of our students in mind, Charter School will educate our students and staff in digital literacy so that they adapt, create, consume, and connect in productive, responsible ways to utilize technology in academic, social, and professional settings. Charter School will offer Computer/Digital Literacy classes and/or blended learning experiences for our students. Teachers will incorporate appropriate technology into lessons to support student learning and technology will be kept up to date. Students will be provided with opportunities to expand their literacy, computational, and communication skills with</p>	<p>Goal 3:</p> <ul style="list-style-type: none"> <li>Percentage of students in the current graduating class who have taken a Computer/Technology course and/or experienced blended learning in their program of study (Source:</li> </ul>

Goal and Action #	Identified Need(s)	How the Action(s) Address Need(s) and Why it is Provided on an LEA-wide or Schoolwide Basis	Metric(s) to Monitor Effectiveness
	<p>income students struggle with access to technology as well. Our students have a great need to learn ways to utilize technology in an effective and responsible way.</p> <p><b>Scope:</b> LEA-wide</p>	<p>digital media; they will be writing advanced essays, conducting internet research, engaging in data collection, presenting ideas and drawing conclusions. Charter School staff will teach and model safe, savvy, and social digital citizenship; topics may include, but are not limited to, using technology applications; digital footprint, privacy, and security; digital rights and responsibilities; using social media responsibly and digital etiquette. These activities will result in increased and improved services for our unduplicated students. This action was found effective in the current school year and will be continued in the coming school year. We expect this schoolwide action will help our students expand their knowledge and skills in an ever-evolving digital world. Goal 3 includes a metric for the percentage of students in the current graduating class who have taken a Computer/Technology course and/or experienced blended learning in their program of study.</p>	<p>Local Indicator Priority 7, SIS)</p>
<p><b>3.4</b></p>	<p><b>Action:</b> Physical education, activity, and fitness</p> <p><b>Need:</b> Low-income students do not have sufficient or consistent access to physical activities/sports and fitness education. Research shows that two components, good nutrition and physical activity before, during and after the school day, are strongly correlated with positive student outcomes. Students who are physically active through active transport to and from school, recess, physical activity breaks, high-quality</p>	<p>MPS is committed to the optimal development of every student. With consideration of the importance of physical fitness, Charter School will provide students with physical education, using an age-appropriate, sequential PE curriculum consistent with state standards for PE. The curriculum will promote the benefits of a physically active lifestyle and will help students develop skills to engage in lifelong healthy habits, as well as incorporate essential health education concepts. Charter School will offer recess before lunch and students will be provided with periodic opportunities to be active or to stretch throughout the day on all or most days during a typical school</p>	<p>Goal 2:</p> <ul style="list-style-type: none"> <li>Percentage of students who have received a grade of “C” or better in core subjects and electives (Source: SIS)</li> </ul> <p>Goal 4:</p> <ul style="list-style-type: none"> <li>Chronic Absenteeism Rate (Source: CA</li> </ul>

Goal and Action #	Identified Need(s)	How the Action(s) Address Need(s) and Why it is Provided on an LEA-wide or Schoolwide Basis	Metric(s) to Monitor Effectiveness
	<p>physical education and extracurricular activities do better academically.</p> <p><b>Scope:</b> LEA-wide</p>	<p>week. To the extent practicable, Charter School will ensure that its grounds and facilities are safe, and that equipment is available to students to be active. Charter School will offer opportunities for students to participate in physical activity either before and/or after the school day (or both) through a variety of methods such as physical activity/sports clubs, intramurals or interscholastic sports, etc. Charter School will adhere to the MPS Wellness Policy guidelines on physical education, activity, and fitness. With the needs of low-income students in mind, this action will be provided on a schoolwide basis. It was found effective in the current school year and will be continued in the coming school year. We expect this action will help improve the health of our students and model physical fitness to support the development of lifelong healthy living patterns. We expect that this action will result in increased attendance and grades as well as increased student belonging as measured by the annual student surveys in Goal 4: Action 4.</p>	<p>School Dashboard, SIS)</p> <ul style="list-style-type: none"> <li>School experience survey "overall satisfaction rates" based on the responses of our students to the question, "Overall, I am satisfied and would recommend this school to other students." (Source: Local Indicator Priority 6, Panorama Education)</li> </ul>
<p><b>3.5</b></p>	<p><b>Action:</b> Additional programs and activities that support well-rounded education</p> <p><b>Need:</b> The majority of Charter School's student population consists of low-income and socioeconomically disadvantaged students, English learners, and students with disabilities. Traditionally, schools focus on ELA and math interventions to address the learning gap between vulnerable student groups and their peers. Other important well-rounded programs</p>	<p>To provide well-rounded education to our students, Charter School will strive to offer additional programs such as elective courses, arts, music, civics, languages other than English (LOTE), clubs, etc. Arts instruction focuses on developing students' creativity, imagination, discipline and self-expression through drawing and fine arts. It is important that all our students, particularly unduplicated students, are provided with experiential learning opportunities, including but not limited to, instructional field trips, internships, community service programs, clubs, etc. Charter School teachers and other staff will offer after school clubs for enrichment in the areas of,</p>	<p>Goal 2:</p> <ul style="list-style-type: none"> <li>Percentage of students who have received a grade of "C" or better in core subjects and electives (Source: SIS)</li> </ul> <p>Goal 4:</p> <ul style="list-style-type: none"> <li>Chronic Absenteeism Rate (Source: CA</li> </ul>

Goal and Action #	Identified Need(s)	How the Action(s) Address Need(s) and Why it is Provided on an LEA-wide or Schoolwide Basis	Metric(s) to Monitor Effectiveness
	<p>such as arts, music, civics, and languages other than English may not get the same attention. On the other hand, well-rounded programs help students develop competencies and creative skills in problem solving, communication, and management of time and resources that contribute to lifelong learning and career skills. Our low-income students come from underserved communities that do not have adequate resources and access to experiential learning opportunities.</p> <p><b>Scope:</b> LEA-wide</p>	<p>including, but not limited to, STEM (science, technology, engineering, math), ELA, LOTE, culture, sports, visual and performing arts, community service, leadership, and others. In addition to these clubs, the Charter School's Expanded Learning Opportunities Program (ELO-P) will support afterschool and summer enrichment programs in science, robotics, advanced math, academic competitions, journalism, college mentorship, and other areas. These well-rounded programs and activities will result in increased and improved services for our unduplicated students. With the needs of our unduplicated students in mind, this action will be provided on a schoolwide basis. It was found effective in the current school year and will be continued in the coming school year. We expect this action will help our scholars become independent and innovative scholars. We also expect that this action will result in increased academic achievement as measured by the LCAP metrics in Goal 2 as well as increased student belonging as measured by the annual student surveys in Goal 4: Action 4.</p>	<p>School Dashboard, SIS)</p> <ul style="list-style-type: none"> <li>School experience survey "average approval rates" based on the responses of our students and families to all questions on the survey in the following topics: climate of support for academic learning; knowledge and fairness of discipline, rules, and norms; safety; and sense of belonging (school connectedness) (Source: Local Indicator Priority 6, Panorama Education)</li> <li>School experience survey "overall satisfaction rates" based on the responses of our students and families to the question, "Overall, I am</li> </ul>

4.2	<p><b>Action:</b> Building relationships and partnerships with families for student outcomes</p> <p><b>Need:</b></p>	<p>In order to build partnerships with our families for student outcomes, Charter School will build trusting and respectful relationships with parents through activities/events, including Student/Parent Orientation, Back to School Night, and parent</p>	<p>Goal 2:</p> <ul style="list-style-type: none"> <li>Percentage of students who have received a grade of "C" or</li> </ul>

Goal and Action #	Identified Need(s)	How the Action(s) Address Need(s) and Why it is Provided on an LEA-wide or Schoolwide Basis	Metric(s) to Monitor Effectiveness
	<p>Family engagement is an essential strategy for building pathways to college and career readiness for all students and is an essential component of a systems approach to improving outcomes for all students. More than thirty years of research has shown that family engagement can lead to improved student outcomes (e.g., attendance, engagement, academic outcomes, social emotional learning, etc.) To engage all families equitably, it is necessary to understand the cultures, languages, needs and interests of families in our school community. Furthermore, developing family engagement policies, programs, and practices needs to be done in partnership with local families, using the tools of continuous improvement. The majority of Charter School's student population consists of low-income and socioeconomically disadvantaged students, English learners, and students with disabilities. Most of our low-income students have parents working multiple jobs. Parents of our ELs need capacity building to support the needs of our ELs.</p> <p><b>Scope:</b> LEA-wide</p>	<p>conferences to promote parental participation in programs. Administrators will greet all students and parents in the mornings during student drop off and have an open-door policy welcoming all parents. Charter School will provide parents with access to course materials, homework assignments, projects, and records of students' grades through our SIS. Charter School will communicate further with the parents of students who are performing below grade level. Our teachers, administrators, and classified staff will visit students at their homes to discuss student progress and enhance student learning and involvement. Charter School will schedule annual workshops for parents as well as additional workshops for parents of EL and immigrant students. Topics to be covered include, but are not limited to, the school's EL Master Plan, stages of language acquisition, state testing, college application, using SIS to check student progress, study habits, and family literacy. Charter School will use a variety of communication channels to connect with families in a language that is understandable and accessible to them. A parent communication software will be utilized for voice and text communications, email, and push notifications. We will provide language translators at parent meetings to the extent practicable. These activities will result in increased and improved services for our unduplicated students and their families. With the needs of our unduplicated students and their families in mind, this action will be provided on a schoolwide basis. It was found effective in the current school year and will be continued in the coming school year. We expect this action will help further engage our families in</p>	<p>better in core subjects and electives (Source: SIS)</p> <p>Goal 4:</p> <ul style="list-style-type: none"> <li>• Number of activities/events for parent involvement per year (Source: Local Indicator Priority 3)</li> <li>• Percentage of students who have been home-visited by the teachers per year (Source: Local Indicator Priority 3, SIS)</li> <li>• Average Daily Attendance (ADA) Rate (Source: SIS)</li> <li>• Chronic Absenteeism Rate (Source: CA School Dashboard, SIS)</li> <li>• Middle School Dropout Rate (Source: CALPADS)</li> <li>• High School Dropout Rate</li> </ul>

4.4	<p><b>Action:</b> Annual educational partner surveys</p>	<p>Considering the needs of our unduplicated students and their families, MPS uses an online platform to provide students, families, and staff</p>	<p>Goal 4:</p> <ul style="list-style-type: none"> <li>School experience survey</li> </ul>

Goal and Action #	Identified Need(s)	How the Action(s) Address Need(s) and Why it is Provided on an LEA-wide or Schoolwide Basis	Metric(s) to Monitor Effectiveness
	<p><b>Need:</b> It is important that parents, students, and staff are engaged in the development of all school plans, including, but not limited to, the LCAP, SPSA (Charter School uses the LCAP to serve as the SPSA), and WASC Self-Study. Charter School wishes to engage all parents, to the extent applicable, in the process of school review and improvement. The majority of Charter School's student population consists of low-income and socioeconomically disadvantaged students, English learners, and students with disabilities. To engage all students and families equitably, it is necessary to understand the cultures, languages, needs and interests of students and families in our school community. Educational partner voices, i.e., voices of our students, families, staff, and other school community members, play a powerful role in helping us learn how to improve our teaching, leadership, and other school practices. In order to engage educational partners in an organized, ongoing and timely manner in the planning, review and improvement of our programs, Charter School needs to provide multiple channels to engage educational partners in decision making. Surveys have been the primary means of collecting student, family, and staff voices about what we are doing great and should keep doing, and what areas for improvement are so we can continue to provide our students with the best quality education.</p> <p><b>Scope:</b></p>	<p>with groups of questions that measure their perceptions of teaching and learning, as well as their perceptions of school climate and safety. This feedback instrument provides teachers and school leaders with valuable data about how students see their classes, how much parents are involved, how supported staff feel and how to facilitate improvement. Charter School will annually administer school experience surveys to students, parents, and staff. Charter School will implement the CORE DISTRICTS Survey instrument to assess our educational partners' perceptions of the following school climate indicators: climate of support for academic learning; knowledge and fairness of discipline, rules and norms; safety; and sense of belonging (school connectedness). In addition, we ask our educational partners open-ended questions about what they like the best and the least about the school and suggestions for improvement. This feedback instrument provides all staff and school leaders with valuable information about how students see their classes, how much parents are involved, how supported staff feel and how to facilitate improvement. Our staff will analyze the survey results to identify the greatest progress and needs in order to inform our next steps. The surveys help identify and plan for increased and improved services for our unduplicated students and their families. With the needs of our unduplicated students and their families in mind, this action will be provided on a schoolwide basis. It was found effective in the current school year and will be continued in the coming school year. We expect this action will help provide valuable feedback for school improvement. We also expect that this action will</p>	<p>"participation rates" by students, families, and staff (Source: Local Indicator Priority 6, Panorama Education)</p> <ul style="list-style-type: none"> <li>• School experience survey "average approval rates" based on the responses of our students, families, and staff to all questions on the survey in the following topics: climate of support for academic learning; knowledge and fairness of discipline, rules, and norms; safety; and sense of belonging (school connectedness) (Source: Local Indicator Priority 6, Panorama Education)</li> <li>• School experience survey "overall</li> </ul>

**Limited Actions**

For each action being solely provided to one or more unduplicated student group(s), provide an explanation of (1) the unique identified need(s) of the unduplicated student group(s) being served, (2) how the action is designed to address the identified need(s), and (3) how the effectiveness of the action in improving outcomes for the unduplicated student group(s) will be measured.

Goal and Action #	Identified Need(s)	How the Action(s) are Designed to Address Need(s)	Metric(s) to Monitor Effectiveness

For any limited action contributing to meeting the increased or improved services requirement that is associated with a Planned Percentage of Improved Services in the Contributing Summary Table rather than an expenditure of LCFF funds, describe the methodology that was used to determine the contribution of the action towards the proportional percentage, as applicable.

**Additional Concentration Grant Funding**

A description of the plan for how the additional concentration grant add-on funding identified above will be used to increase the number of staff providing direct services to students at schools that have a high concentration (above 55 percent) of foster youth, English learners, and low-income students, as applicable.

Similar to the current academic year, MSA-7 will utilize the concentration grant add-on funds (\$75,216) in the following manner:

MSA-7 is using the concentration grant add-on funds received in a manner which is consistent with California Education Code Section 42238.02, as amended, to increase the number of certificated staff, classified staff, or both, including custodial staff, who provide direct services to students on school campuses with greater than 55 percent unduplicated pupil enrollment, as compared to schools with an enrollment of unduplicated students that is equal to or less than 55 percent.

By adding these faculty/staff members, we aim to strengthen our ability to address the diverse needs of our student population and provide targeted support where it is most needed. This strategic allocation of funds will help create a more conducive learning environment and contribute to our student's overall growth and achievement.

<b>Staff-to-student ratios by type of school and concentration of unduplicated students</b>	Schools with a student concentration of 55 percent or less	Schools with a student concentration of greater than 55 percent
Staff-to-student ratio of classified staff providing direct services to students		
Staff-to-student ratio of certificated staff providing direct services to students

# Local Control and Accountability Plan Instructions

[Plan Summary](#)

[Engaging Educational Partners](#)

[Goals and Actions](#)

[Increased or Improved Services for Foster Youth, English Learners, and Low-Income Students](#)

For additional questions or technical assistance related to the completion of the Local Control and Accountability Plan (LCAP) template, please contact the local county office of education (COE), or the California Department of Education's (CDE's) Local Agency Systems Support Office, by phone at 916-319-0809 or by email at [LCFF@cde.ca.gov](mailto:LCFF@cde.ca.gov).

## Introduction and Instructions

The Local Control Funding Formula (LCFF) requires local educational agencies (LEAs) to engage their local educational partners in an annual planning process to evaluate their progress within eight state priority areas encompassing all statutory metrics (COEs have 10 state priorities). LEAs document the results of this planning process in the LCAP using the template adopted by the State Board of Education.

The LCAP development process serves three distinct, but related functions:

- **Comprehensive Strategic Planning:** The process of developing and annually updating the LCAP supports comprehensive strategic planning, particularly to address and reduce disparities in opportunities and outcomes between student groups indicated by the California School Dashboard (California *Education Code* [EC] Section 52064[e][1]). Strategic planning that is comprehensive connects budgetary decisions to teaching and learning performance data. LEAs should continually evaluate the hard choices they make about the use of limited resources to meet student and community needs to ensure opportunities and outcomes are improved for all students.
- **Meaningful Engagement of Educational Partners:** The LCAP development process should result in an LCAP that reflects decisions made through meaningful engagement (EC Section 52064[e][1]). Local educational partners possess valuable perspectives and insights about an LEA's programs and services. Effective strategic planning will incorporate these perspectives and insights in order to identify potential goals and actions to be included in the LCAP.
- **Accountability and Compliance:** The LCAP serves an important accountability function because the nature of some LCAP template sections require LEAs to show that they have complied with various requirements specified in the LCFF statutes and regulations, most notably:
  - Demonstrating that LEAs are increasing or improving services for foster youth, English learners, including long-term English learners, and low-income students in proportion to the amount of additional funding those students generate under LCFF (EC Section 52064[b][4-6]).
  - Establishing goals, supported by actions and related expenditures, that address the statutory priority areas and statutory metrics (EC sections 52064[b][1] and [2]).
    - **NOTE:** As specified in EC Section 62064(b)(1), the LCAP must provide a description of the annual goals, for all pupils and each subgroup of pupils identified pursuant to EC Section 52052, to be achieved for each of the state priorities. Beginning in 2023–24, EC

Section 52052 identifies long-term English learners as a separate and distinct pupil subgroup with a numerical significance at 15 students.

- Annually reviewing and updating the LCAP to reflect progress toward the goals (*EC* Section 52064[b][7]).
- Ensuring that all increases attributable to supplemental and concentration grant calculations, including concentration grant add-on funding and/or LCFF carryover, are reflected in the LCAP (*EC* sections 52064[b][6], [8], and [11]).

The LCAP template, like each LEA's final adopted LCAP, is a document, not a process. LEAs must use the template to memorialize the outcome of their LCAP development process, which must: (a) reflect comprehensive strategic planning, particularly to address and reduce disparities in opportunities and outcomes between student groups indicated by the California School Dashboard (Dashboard), (b) through meaningful engagement with educational partners that (c) meets legal requirements, as reflected in the final adopted LCAP. The sections included within the LCAP template do not and cannot reflect the full development process, just as the LCAP template itself is not intended as a tool for engaging educational partners.

If a county superintendent of schools has jurisdiction over a single school district, the county board of education and the governing board of the school district may adopt and file for review and approval a single LCAP consistent with the requirements in *EC* sections 52060, 52062, 52066, 52068, and 52070. The LCAP must clearly articulate to which entity's budget (school district or county superintendent of schools) all budgeted and actual expenditures are aligned.

The revised LCAP template for the 2024–25, 2025–26, and 2026–27 school years reflects statutory changes made through Senate Bill 114 (Committee on Budget and Fiscal Review), Chapter 48, Statutes of 2023.

At its most basic, the adopted LCAP should attempt to distill not just what the LEA is doing for students in transitional kindergarten through grade twelve (TK–12), but also allow educational partners to understand why, and whether those strategies are leading to improved opportunities and outcomes for students. LEAs are strongly encouraged to use language and a level of detail in their adopted LCAPs intended to be meaningful and accessible for the LEA's diverse educational partners and the broader public.

In developing and finalizing the LCAP for adoption, LEAs are encouraged to keep the following overarching frame at the forefront of the strategic planning and educational partner engagement functions:

Given present performance across the state priorities and on indicators in the Dashboard, how is the LEA using its budgetary resources to respond to TK–12 student and community needs, and address any performance gaps, including by meeting its obligation to increase or improve services for foster youth, English learners, and low-income students?

LEAs are encouraged to focus on a set of metrics and actions which, based on research, experience, and input gathered from educational partners, the LEA believes will have the biggest impact on behalf of its TK–12 students.

These instructions address the requirements for each section of the LCAP, but may include information about effective practices when developing the LCAP and completing the LCAP document. Additionally, the beginning of each template section includes information emphasizing the purpose that section serves.

# Plan Summary

## Purpose

A well-developed Plan Summary section provides a meaningful context for the LCAP. This section provides information about an LEA's community as well as relevant information about student needs and performance. In order to present a meaningful context for the rest of the LCAP, the content of this section should be clearly and meaningfully related to the content included throughout each subsequent section of the LCAP.

## Requirements and Instructions

### General Information

A description of the LEA, its schools, and its students in grades transitional kindergarten–12, as applicable to the LEA.

Briefly describe the LEA, its schools, and its students in grades TK–12, as applicable to the LEA.

- For example, information about an LEA in terms of geography, enrollment, employment, the number and size of specific schools, recent community challenges, and other such information the LEA may wish to include can enable a reader to more fully understand the LEA's LCAP.
- As part of this response, identify all schools within the LEA receiving Equity Multiplier funding.

### Reflections: Annual Performance

A reflection on annual performance based on a review of the California School Dashboard (Dashboard) and local data.

Reflect on the LEA's annual performance on the Dashboard and local data. This may include both successes and challenges identified by the LEA during the development process.

LEAs are encouraged to highlight how they are addressing the identified needs of student groups, and/or schools within the LCAP as part of this response.

As part of this response, the LEA must identify the following, which will remain unchanged during the three-year LCAP cycle:

- Any school within the LEA that received the lowest performance level on one or more state indicators on the 2023 Dashboard;
- Any student group within the LEA that received the lowest performance level on one or more state indicators on the 2023 Dashboard; and/or
- Any student group within a school within the LEA that received the lowest performance level on one or more state indicators on the 2023 Dashboard.

### Reflections: Technical Assistance

As applicable, a summary of the work underway as part of technical assistance.

Annually identify the reason(s) the LEA is eligible for or has requested technical assistance consistent with *EC* sections 47607.3, 52071, 52071.5, 52072, or 52072.5, and provide a summary of the work underway as part of receiving technical assistance. The most common form of this technical assistance is frequently referred to as Differentiated Assistance, however this also includes LEAs that have requested technical assistance from their COE.

- If the LEA is not eligible for or receiving technical assistance, the LEA may respond to this prompt as “Not Applicable.”

### **Comprehensive Support and Improvement**

An LEA with a school or schools identified for comprehensive support and improvement (CSI) under the Every Student Succeeds Act must respond to the following prompts:

#### Schools Identified

A list of the schools in the LEA that are eligible for comprehensive support and improvement.

- Identify the schools within the LEA that have been identified for CSI.

#### Support for Identified Schools

A description of how the LEA has or will support its eligible schools in developing comprehensive support and improvement plans.

- Describe how the LEA has or will support the identified schools in developing CSI plans that included a school-level needs assessment, evidence-based interventions, and the identification of any resource inequities to be addressed through the implementation of the CSI plan.

#### Monitoring and Evaluating Effectiveness

A description of how the LEA will monitor and evaluate the plan to support student and school improvement.

- Describe how the LEA will monitor and evaluate the implementation and effectiveness of the CSI plan to support student and school improvement.

## **Engaging Educational Partners**

### **Purpose**

Significant and purposeful engagement of parents, students, educators, and other educational partners, including those representing the student groups identified by LCFF, is critical to the development of the LCAP and the budget process. Consistent with statute, such engagement should support comprehensive strategic planning, particularly to address and reduce disparities in opportunities and outcomes between student groups indicated by the Dashboard, accountability, and improvement across the state priorities and locally identified priorities (*EC* Section 52064[e][1]). Engagement of educational partners is an ongoing, annual process.

This section is designed to reflect how the engagement of educational partners influenced the decisions reflected in the adopted LCAP. The goal is to allow educational partners that participated in the LCAP development process and the broader public to understand how the LEA engaged educational partners and the impact of that engagement. LEAs are encouraged to keep this goal in the forefront when completing this section.

### **Requirements**

**School districts and COEs:** *EC* sections [52060\(g\) \(California Legislative Information\)](#) and [52066\(g\) \(California Legislative Information\)](#) specify the educational partners that must be consulted when developing the LCAP:

- Teachers,
- Principals,
- Administrators,
- Other school personnel,
- Local bargaining units of the LEA,
- Parents, and
- Students

A school district or COE receiving Equity Multiplier funds must also consult with educational partners at schools generating Equity Multiplier funds in the development of the LCAP, specifically, in the development of the required focus goal for each applicable school.

Before adopting the LCAP, school districts and COEs must share it with the applicable committees, as identified below under Requirements and Instructions. The superintendent is required by statute to respond in writing to the comments received from these committees. School districts and COEs must also consult with the special education local plan area administrator(s) when developing the LCAP.

**Charter schools:** *EC* Section [47606.5\(d\) \(California Legislative Information\)](#) requires that the following educational partners be consulted with when developing the LCAP:

- Teachers,
- Principals,
- Administrators,
- Other school personnel,
- Parents, and
- Students

A charter school receiving Equity Multiplier funds must also consult with educational partners at the school generating Equity Multiplier funds in the development of the LCAP, specifically, in the development of the required focus goal for the school.

The LCAP should also be shared with, and LEAs should request input from, schoolsite-level advisory groups, as applicable (e.g., schoolsite councils, English Learner Advisory Councils, student advisory groups, etc.), to facilitate alignment between schoolsite and district-level goals. Information and resources that support effective engagement, define student consultation, and provide the requirements for advisory group composition, can be found under Resources on the [CDE's LCAP webpage](#).

Before the governing board/body of an LEA considers the adoption of the LCAP, the LEA must meet the following legal requirements:

- For school districts, see [Education Code Section 52062 \(California Legislative Information\)](#);
  - **Note:** Charter schools using the LCAP as the School Plan for Student Achievement must meet the requirements of *EC* Section 52062(a).

- For COEs, see [Education Code Section 52068 \(California Legislative Information\)](#); and
- For charter schools, see [Education Code Section 47606.5 \(California Legislative Information\)](#).
- **NOTE:** As a reminder, the superintendent of a school district or COE must respond, in writing, to comments received by the applicable committees identified in the *Education Code* sections listed above. This includes the parent advisory committee and may include the English learner parent advisory committee and, as of July 1, 2024, the student advisory committee, as applicable.

## Instructions

### Respond to the prompts as follows:

A summary of the process used to engage educational partners in the development of the LCAP.

School districts and county offices of education must, at a minimum, consult with teachers, principals, administrators, other school personnel, local bargaining units, parents, and students in the development of the LCAP.

Charter schools must, at a minimum, consult with teachers, principals, administrators, other school personnel, parents, and students in the development of the LCAP.

An LEA receiving Equity Multiplier funds must also consult with educational partners at schools generating Equity Multiplier funds in the development of the LCAP, specifically, in the development of the required focus goal for each applicable school.

### Complete the table as follows:

#### Educational Partners

Identify the applicable educational partner(s) or group(s) that were engaged in the development of the LCAP.

#### Process for Engagement

Describe the engagement process used by the LEA to involve the identified educational partner(s) in the development of the LCAP. At a minimum, the LEA must describe how it met its obligation to consult with all statutorily required educational partners, as applicable to the type of LEA.

- A sufficient response to this prompt must include general information about the timeline of the process and meetings or other engagement strategies with educational partners. A response may also include information about an LEA's philosophical approach to engaging its educational partners.
- An LEA receiving Equity Multiplier funds must also include a summary of how it consulted with educational partners at schools generating Equity Multiplier funds in the development of the LCAP, specifically, in the development of the required focus goal for each applicable school.

A description of how the adopted LCAP was influenced by the feedback provided by educational partners.

Describe any goals, metrics, actions, or budgeted expenditures in the LCAP that were influenced by or developed in response to the educational partner feedback.

- A sufficient response to this prompt will provide educational partners and the public with clear, specific information about how the engagement process influenced the development of the LCAP. This may include a description of how the LEA prioritized requests of educational partners within the context of the budgetary resources available or otherwise prioritized areas of focus within the LCAP.
- An LEA receiving Equity Multiplier funds must include a description of how the consultation with educational partners at schools generating Equity Multiplier funds influenced the development of the adopted LCAP.
- For the purposes of this prompt, this may also include, but is not necessarily limited to:
  - Inclusion of a goal or decision to pursue a Focus Goal (as described below)
  - Inclusion of metrics other than the statutorily required metrics
  - Determination of the target outcome on one or more metrics
  - Inclusion of performance by one or more student groups in the Measuring and Reporting Results subsection
  - Inclusion of action(s) or a group of actions
  - Elimination of action(s) or group of actions
  - Changes to the level of proposed expenditures for one or more actions
  - Inclusion of action(s) as contributing to increased or improved services for unduplicated students
  - Analysis of effectiveness of the specific actions to achieve the goal
  - Analysis of material differences in expenditures
  - Analysis of changes made to a goal for the ensuing LCAP year based on the annual update process
  - Analysis of challenges or successes in the implementation of actions

## Goals and Actions

### Purpose

Well-developed goals will clearly communicate to educational partners what the LEA plans to accomplish, what the LEA plans to do in order to accomplish the goal, and how the LEA will know when it has accomplished the goal. A goal statement, associated metrics and expected outcomes, and the actions included in the goal must be in alignment. The explanation for why the LEA included a goal is an opportunity for LEAs to clearly communicate to educational partners and the public why, among the various strengths and areas for improvement highlighted by performance data and strategies and actions that could be pursued, the LEA decided to pursue this goal, and the related metrics, expected outcomes, actions, and expenditures.

A well-developed goal can be focused on the performance relative to a metric or metrics for all students, a specific student group(s), narrowing performance gaps, or implementing programs or strategies expected to impact outcomes. LEAs should assess the performance of their student groups when developing goals and the related actions to achieve such goals.

### Requirements and Instructions

LEAs should prioritize the goals, specific actions, and related expenditures included within the LCAP within one or more state priorities. LEAs must consider performance on the state and local indicators, including their locally collected and reported data for the local indicators that are included in the Dashboard, in determining whether and how to prioritize its goals within the LCAP. As previously stated, strategic planning that

is comprehensive connects budgetary decisions to teaching and learning performance data. LEAs should continually evaluate the hard choices they make about the use of limited resources to meet student and community needs to ensure opportunities and outcomes are improved for all students, and to address and reduce disparities in opportunities and outcomes between student groups indicated by the Dashboard.

In order to support prioritization of goals, the LCAP template provides LEAs with the option of developing three different kinds of goals:

- **Focus Goal:** A Focus Goal is relatively more concentrated in scope and may focus on a fewer number of metrics to measure improvement. A Focus Goal statement will be time bound and make clear how the goal is to be measured.
  - All Equity Multiplier goals must be developed as focus goals. For additional information, see Required Focus Goal(s) for LEAs Receiving Equity Multiplier Funding below.
- **Broad Goal:** A Broad Goal is relatively less concentrated in its scope and may focus on improving performance across a wide range of metrics.
- **Maintenance of Progress Goal:** A Maintenance of Progress Goal includes actions that may be ongoing without significant changes and allows an LEA to track performance on any metrics not addressed in the other goals of the LCAP.

### Requirement to Address the LCFF State Priorities

At a minimum, the LCAP must address all LCFF priorities and associated metrics articulated in *EC* sections 52060(d) and 52066(d), as applicable to the LEA. The [LCFF State Priorities Summary](#) provides a summary of *EC* sections 52060(d) and 52066(d) to aid in the development of the LCAP.

Respond to the following prompts, as applicable:

#### Focus Goal(s)

##### Description

The description provided for a Focus Goal must be specific, measurable, and time bound.

- An LEA develops a Focus Goal to address areas of need that may require or benefit from a more specific and data intensive approach.
- The Focus Goal can explicitly reference the metric(s) by which achievement of the goal will be measured and the time frame according to which the LEA expects to achieve the goal.

##### Type of Goal

Identify the type of goal being implemented as a Focus Goal.

##### State Priorities addressed by this goal.

Identify each of the state priorities that this goal is intended to address.

##### An explanation of why the LEA has developed this goal.

Explain why the LEA has chosen to prioritize this goal.

- An explanation must be based on Dashboard data or other locally collected data.
- LEAs must describe how the LEA identified this goal for focused attention, including relevant consultation with educational partners.
- LEAs are encouraged to promote transparency and understanding around the decision to pursue a focus goal.

### **Required Focus Goal(s) for LEAs Receiving Equity Multiplier Funding**

#### Description

LEAs receiving Equity Multiplier funding must include one or more focus goals for each school generating Equity Multiplier funding. In addition to addressing the focus goal requirements described above, LEAs must adhere to the following requirements.

Focus goals for Equity Multiplier schoolsites must address the following:

- (A) All student groups that have the lowest performance level on one or more state indicators on the Dashboard, and
- (B) Any underlying issues in the credentialing, subject matter preparation, and retention of the school's educators, if applicable.
- Focus Goals for each and every Equity Multiplier schoolsite must identify specific metrics for each identified student group, as applicable.
- An LEA may create a single goal for multiple Equity Multiplier schoolsites if those schoolsites have the same student group(s) performing at the lowest performance level on one or more state indicators on the Dashboard or, experience similar issues in the credentialing, subject matter preparation, and retention of the school's educators.
  - When creating a single goal for multiple Equity Multiplier schoolsites, the goal must identify the student groups and the performance levels on the Dashboard that the Focus Goal is addressing; or,
  - The common issues the schoolsites are experiencing in credentialing, subject matter preparation, and retention of the school's educators, if applicable.

#### Type of Goal

Identify the type of goal being implemented as an Equity Multiplier Focus Goal.

#### State Priorities addressed by this goal.

Identify each of the state priorities that this goal is intended to address.

#### An explanation of why the LEA has developed this goal.

Explain why the LEA has chosen to prioritize this goal.

- An explanation must be based on **Dashboard data or other locally collected data.**
- LEAs must describe how the LEA identified this goal for focused attention, including relevant consultation with educational partners.
- LEAs are encouraged to promote transparency and understanding around the decision to pursue a focus goal.
- In addition to this information, the LEA must also identify:
  - The school or schools to which the goal applies

LEAs are encouraged to approach an Equity Multiplier goal from a wholistic standpoint, considering how the goal might maximize student outcomes through the use of LCFF and other funding in addition to Equity Multiplier funds.

- Equity Multiplier funds must be used to supplement, not supplant, funding provided to Equity Multiplier schoolsites for purposes of the LCFF, the Expanded Learning Opportunities Program (ELO-P), the Literacy Coaches and Reading Specialists (LCRS) Grant Program, and/or the California Community Schools Partnership Program (CCSPP).
- This means that Equity Multiplier funds must not be used to replace funding that an Equity Multiplier schoolsite would otherwise receive to implement LEA-wide actions identified in the LCAP or that an Equity Multiplier schoolsite would otherwise receive to implement provisions of the ELO-P, the LCRS, and/or the CCSPP.

**Note:** EC Section [42238.024\(b\)\(1\) \(California Legislative Information\)](#) requires that Equity Multiplier funds be used for the provision of evidence-based services and supports for students. Evidence-based services and supports are based on objective evidence that has informed the design of the service or support and/or guides the modification of those services and supports. Evidence-based supports and strategies are most commonly based on educational research and/or metrics of LEA, school, and/or student performance.

## Broad Goal

### Description

Describe what the LEA plans to achieve through the actions included in the goal.

- The description of a broad goal will be clearly aligned with the expected measurable outcomes included for the goal.
- The goal description organizes the actions and expected outcomes in a cohesive and consistent manner.
- A goal description is specific enough to be measurable in either quantitative or qualitative terms. A broad goal is not as specific as a focus goal. While it is specific enough to be measurable, there are many different metrics for measuring progress toward the goal.

### Type of Goal

Identify the type of goal being implemented as a Broad Goal.

### State Priorities addressed by this goal.

Identify each of the state priorities that this goal is intended to address.

An explanation of why the LEA has developed this goal.

Explain why the LEA developed this goal and how the actions and metrics grouped together will help achieve the goal.

**Maintenance of Progress Goal**

**Description**

Describe how the LEA intends to maintain the progress made in the LCFF State Priorities not addressed by the other goals in the LCAP.

- Use this type of goal to address the state priorities and applicable metrics not addressed within the other goals in the LCAP.
- The state priorities and metrics to be addressed in this section are those for which the LEA, in consultation with educational partners, has determined to maintain actions and monitor progress while focusing implementation efforts on the actions covered by other goals in the LCAP.

**Type of Goal**

Identify the type of goal being implemented as a Maintenance of Progress Goal.

**State Priorities addressed by this goal.**

Identify each of the state priorities that this goal is intended to address.

An explanation of why the LEA has developed this goal.

Explain how the actions will sustain the progress exemplified by the related metrics.

**Measuring and Reporting Results:**

For each LCAP year, identify the metric(s) that the LEA will use to track progress toward the expected outcomes.

- LEAs must identify metrics for specific student groups, as appropriate, including expected outcomes that address and reduce disparities in outcomes between student groups.
- The metrics may be quantitative or qualitative; but at minimum, an LEA’s LCAP must include goals that are measured using all of the applicable metrics for the related state priorities, in each LCAP year, as applicable to the type of LEA.
- To the extent a state priority does not specify one or more metrics (e.g., implementation of state academic content and performance standards), the LEA must identify a metric to use within the LCAP. For these state priorities, LEAs are encouraged to use metrics based on or reported through the relevant local indicator self-reflection tools within the Dashboard.

- **Required metrics for LEA-wide actions:** For each action identified as 1) contributing towards the requirement to increase or improve services for foster youth, English learners, including long-term English learners, and low-income students and 2) being provided on an LEA-wide basis, the LEA must identify one or more metrics to monitor the effectiveness of the action and its budgeted expenditures.
  - These required metrics may be identified within the action description or the first prompt in the increased or improved services section, however the description must clearly identify the metric(s) being used to monitor the effectiveness of the action and the action(s) that the metric(s) apply to.
  
- **Required metrics for Equity Multiplier goals:** For each Equity Multiplier goal, the LEA must identify:
  - The specific metrics for each identified student group at each specific schoolsite, as applicable, to measure the progress toward the goal, and/or
  - The specific metrics used to measure progress in meeting the goal related to credentialing, subject matter preparation, or educator retention at each specific schoolsite.

Complete the table as follows:

Metric #
<ul style="list-style-type: none"> <li>● Enter the metric number.</li> </ul>
Metric
<ul style="list-style-type: none"> <li>● Identify the standard of measure being used to determine progress towards the goal and/or to measure the effectiveness of one or more actions associated with the goal.</li> </ul>
Baseline
<ul style="list-style-type: none"> <li>● Enter the baseline when completing the LCAP for 2024–25.                             <ul style="list-style-type: none"> <li>○ Use the most recent data associated with the metric available at the time of adoption of the LCAP for the first year of the three-year plan. LEAs may use data as reported on the 2023 Dashboard for the baseline of a metric only if that data represents the most recent available data (e.g., high school graduation rate).</li> <li>○ Using the most recent data available may involve reviewing data the LEA is preparing for submission to the California Longitudinal Pupil Achievement Data System (CALPADS) or data that the LEA has recently submitted to CALPADS.</li> <li>○ Indicate the school year to which the baseline data applies.</li> <li>○ The baseline data must remain unchanged throughout the three-year LCAP.                                     <ul style="list-style-type: none"> <li>▪ This requirement is not intended to prevent LEAs from revising the baseline data if it is necessary to do so. For example, if an LEA identifies that its data collection practices for a particular metric are leading to inaccurate data and revises its practice to obtain</li> </ul> </li> </ul> </li> </ul>

accurate data, it would also be appropriate for the LEA to revise the baseline data to align with the more accurate data process and report its results using the accurate data.

- If an LEA chooses to revise its baseline data, then, at a minimum, it must clearly identify the change as part of its response to the description of changes prompt in the Goal Analysis for the goal. LEAs are also strongly encouraged to involve their educational partners in the decision of whether or not to revise a baseline and to communicate the proposed change to their educational partners.
- Note for Charter Schools: Charter schools developing a one- or two-year LCAP may identify a new baseline each year, as applicable.

## Year 1 Outcome

- When completing the LCAP for 2025–26, enter the most recent data available. Indicate the school year to which the data applies.
  - Note for Charter Schools: Charter schools developing a one-year LCAP may provide the Year 1 Outcome when completing the LCAP for both 2025–26 and 2026–27 or may provide the Year 1 Outcome for 2025–26 and provide the Year 2 Outcome for 2026–27.

## Year 2 Outcome

- When completing the LCAP for 2026–27, enter the most recent data available. Indicate the school year to which the data applies.
  - Note for Charter Schools: Charter schools developing a one-year LCAP may identify the Year 2 Outcome as not applicable when completing the LCAP for 2026–27 or may provide the Year 2 Outcome for 2026–27.

## Target for Year 3 Outcome

- When completing the first year of the LCAP, enter the target outcome for the relevant metric the LEA expects to achieve by the end of the three-year LCAP cycle.
  - Note for Charter Schools: Charter schools developing a one- or two-year LCAP may identify a Target for Year 1 or Target for Year 2, as applicable.

## Current Difference from Baseline

- When completing the LCAP for 2025–26 and 2026–27, enter the current difference between the baseline and the yearly outcome, as applicable.
  - Note for Charter Schools: Charter schools developing a one- or two-year LCAP will identify the current difference between the baseline and the yearly outcome for Year 1 and/or the current difference between the baseline and the yearly outcome for Year 2, as applicable.

Timeline for school districts and COEs for completing the **“Measuring and Reporting Results”** part of the Goal.

Metric	Baseline	Year 1 Outcome	Year 2 Outcome	Target for Year 3 Outcome	Current Difference from Baseline
Enter information in this box when completing the LCAP for <b>2024–25</b> or when adding a new metric.	Enter information in this box when completing the LCAP for <b>2024–25</b> or when adding a new metric.	Enter information in this box when completing the LCAP for <b>2025–26</b> . Leave blank until then.	Enter information in this box when completing the LCAP for <b>2026–27</b> . Leave blank until then.	Enter information in this box when completing the LCAP for <b>2024–25</b> or when adding a new metric.	Enter information in this box when completing the LCAP for <b>2025–26</b> and <b>2026–27</b> . Leave blank until then.

**Goal Analysis:**

Enter the LCAP Year.

Using actual annual measurable outcome data, including data from the Dashboard, analyze whether the planned actions were effective towards achieving the goal. “Effective” means the degree to which the planned actions were successful in producing the target result. Respond to the prompts as instructed.

**Note:** When completing the 2024–25 LCAP, use the 2023–24 Local Control and Accountability Plan Annual Update template to complete the Goal Analysis and identify the Goal Analysis prompts in the 2024–25 LCAP as “Not Applicable.”

A description of overall implementation, including any substantive differences in planned actions and actual implementation of these actions, and any relevant challenges and successes experienced with implementation.

- Describe the overall implementation of the actions to achieve the articulated goal, including relevant challenges and successes experienced with implementation.
  - Include a discussion of relevant challenges and successes experienced with the implementation process.
  - This discussion must include any instance where the LEA did not implement a planned action or implemented a planned action in a manner that differs substantively from how it was described in the adopted LCAP.

An explanation of material differences between Budgeted Expenditures and Estimated Actual Expenditures and/or Planned Percentages of Improved Services and Estimated Actual Percentages of Improved Services.

- Explain material differences between Budgeted Expenditures and Estimated Actual Expenditures and between the Planned Percentages of Improved Services and Estimated Actual Percentages of Improved Services, as applicable. Minor variances in expenditures or percentages do not need to be addressed, and a dollar-for-dollar accounting is not required.

### A description of the effectiveness or ineffectiveness of the specific actions to date in making progress toward the goal.

- Describe the effectiveness or ineffectiveness of the specific actions to date in making progress toward the goal. “Effectiveness” means the degree to which the actions were successful in producing the target result and “ineffectiveness” means that the actions did not produce any significant or targeted result.
  - In some cases, not all actions in a goal will be intended to improve performance on all of the metrics associated with the goal.
  - When responding to this prompt, LEAs may assess the effectiveness of a single action or group of actions within the goal in the context of performance on a single metric or group of specific metrics within the goal that are applicable to the action(s). Grouping actions with metrics will allow for more robust analysis of whether the strategy the LEA is using to impact a specified set of metrics is working and increase transparency for educational partners. LEAs are encouraged to use such an approach when goals include multiple actions and metrics that are not closely associated.
  - Beginning with the development of the 2024–25 LCAP, the LEA must change actions that have not proven effective over a three-year period.

### A description of any changes made to the planned goal, metrics, target outcomes, or actions for the coming year that resulted from reflections on prior practice.

- Describe any changes made to this goal, expected outcomes, metrics, or actions to achieve this goal as a result of this analysis and analysis of the data provided in the Dashboard or other local data, as applicable.
  - As noted above, beginning with the development of the 2024–25 LCAP, the LEA must change actions that have not proven effective over a three-year period. For actions that have been identified as ineffective, the LEA must identify the ineffective action and must include a description of the following:
    - The reasons for the ineffectiveness, and
    - How changes to the action will result in a new or strengthened approach.

### **Actions:**

Complete the table as follows. Add additional rows as necessary.

#### Action #

- Enter the action number.

#### Title

- Provide a short title for the action. This title will also appear in the action tables.

#### Description

- Provide a brief description of the action.

- For actions that contribute to meeting the increased or improved services requirement, the LEA may include an explanation of how each action is principally directed towards and effective in meeting the LEA's goals for unduplicated students, as described in the instructions for the Increased or Improved Services for Foster Youth, English Learners, and Low-Income Students section.
- As previously noted, for each action identified as 1) contributing towards the requirement to increase or improve services for foster youth, English learners, including long-term English learners, and low-income students and 2) being provided on an LEA-wide basis, the LEA must identify one or more metrics to monitor the effectiveness of the action and its budgeted expenditures.
- These required metrics may be identified within the action description or the first prompt in the increased or improved services section; however, the description must clearly identify the metric(s) being used to monitor the effectiveness of the action and the action(s) that the metric(s) apply to.

## Total Funds

- Enter the total amount of expenditures associated with this action. Budgeted expenditures from specific fund sources will be provided in the action tables.

## Contributing

- Indicate whether the action contributes to meeting the increased or improved services requirement as described in the Increased or Improved Services section using a “Y” for Yes or an “N” for No.
  - **Note:** for each such contributing action, the LEA will need to provide additional information in the Increased or Improved Services section to address the requirements in *California Code of Regulations*, Title 5 [5 CCR] Section 15496 in the Increased or Improved Services section of the LCAP.

**Actions for Foster Youth:** School districts, COEs, and charter schools that have a numerically significant foster youth student subgroup are encouraged to include specific actions in the LCAP designed to meet needs specific to foster youth students.

## Required Actions

- LEAs with 30 or more English learners and/or 15 or more long-term English learners must include specific actions in the LCAP related to, at a minimum:
  - Language acquisition programs, as defined in *EC* Section 306, provided to students, and
  - Professional development for teachers.
  - If an LEA has both 30 or more English learners and 15 or more long-term English learners, the LEA must include actions for both English learners and long-term English learners.
- LEAs eligible for technical assistance pursuant to *EC* sections 47607.3, 52071, 52071.5, 52072, or 52072.5, must include specific actions within the LCAP related to its implementation of the work underway as part of technical assistance. The most common form of this technical assistance is frequently referred to as Differentiated Assistance.

- LEAs that have Red Dashboard indicators for (1) a school within the LEA, (2) a student group within the LEA, and/or (3) a student group within any school within the LEA must include one or more specific actions within the LCAP:
  - The specific action(s) must be directed towards the identified student group(s) and/or school(s) and must address the identified state indicator(s) for which the student group or school received the lowest performance level on the 2023 Dashboard. Each student group and/or school that receives the lowest performance level on the 2023 Dashboard must be addressed by one or more actions.
  - These required actions will be effective for the three-year LCAP cycle.

## Increased or Improved Services for Foster Youth, English Learners, and Low-Income Students

### Purpose

A well-written Increased or Improved Services section provides educational partners with a comprehensive description, within a single dedicated section, of how an LEA plans to increase or improve services for its unduplicated students as defined in *EC* Section 42238.02 in grades TK–12 as compared to all students in grades TK–12, as applicable, and how LEA-wide or schoolwide actions identified for this purpose meet regulatory requirements. Descriptions provided should include sufficient detail yet be sufficiently succinct to promote a broader understanding of educational partners to facilitate their ability to provide input. An LEA’s description in this section must align with the actions included in the Goals and Actions section as contributing.

Please Note: For the purpose of meeting the Increased or Improved Services requirement and consistent with *EC* Section 42238.02, long-term English learners are included in the English learner student group.

### Statutory Requirements

An LEA is required to demonstrate in its LCAP how it is increasing or improving services for its students who are foster youth, English learners, and/or low-income, collectively referred to as unduplicated students, as compared to the services provided to all students in proportion to the increase in funding it receives based on the number and concentration of unduplicated students in the LEA (*EC* Section 42238.07[a][1], *EC* Section 52064[b][8][B]; 5 *CCR* Section 15496[a]). This proportionality percentage is also known as the “minimum proportionality percentage” or “MPP.” The manner in which an LEA demonstrates it is meeting its MPP is two-fold: (1) through the expenditure of LCFF funds or through the identification of a Planned Percentage of Improved Services as documented in the Contributing Actions Table, and (2) through the explanations provided in the Increased or Improved Services for Foster Youth, English Learners, and Low-Income Students section.

To improve services means to grow services in quality and to increase services means to grow services in quantity. Services are increased or improved by those actions in the LCAP that are identified in the Goals and Actions section as contributing to the increased or improved services requirement, whether they are provided across the entire LEA (LEA-wide action), provided to an entire school (Schoolwide action), or solely provided to one or more unduplicated student group(s) (Limited action).

Therefore, for *any* action contributing to meet the increased or improved services requirement, the LEA must include an explanation of:

- How the action is increasing or improving services for the unduplicated student group(s) (Identified Needs and Action Design), and
- How the action meets the LEA's goals for its unduplicated pupils in the state and any local priority areas (Measurement of Effectiveness).

## LEA-wide and Schoolwide Actions

In addition to the above required explanations, LEAs must provide a justification for why an LEA-wide or Schoolwide action is being provided to all students and how the action is intended to improve outcomes for unduplicated student group(s) as compared to all students.

- Conclusory statements that a service will help achieve an expected outcome for the goal, without an explicit connection or further explanation as to how, are not sufficient.
- Further, simply stating that an LEA has a high enrollment percentage of a specific student group or groups does not meet the increased or improved services standard because enrolling students is not the same as serving students.

### For School Districts Only

Actions provided on an **LEA-wide** basis at **school districts with an unduplicated pupil percentage of less than 55 percent** must also include a description of how the actions are the most effective use of the funds to meet the district's goals for its unduplicated pupils in the state and any local priority areas. The description must provide the basis for this determination, including any alternatives considered, supporting research, experience, or educational theory.

Actions provided on a **Schoolwide** basis for **schools with less than 40 percent enrollment of unduplicated pupils** must also include a description of how these actions are the most effective use of the funds to meet the district's goals for its unduplicated pupils in the state and any local priority areas. The description must provide the basis for this determination, including any alternatives considered, supporting research, experience, or educational theory.

## Requirements and Instructions

Complete the tables as follows:

### Total Projected LCFF Supplemental and/or Concentration Grants

- Specify the amount of LCFF supplemental and concentration grant funds the LEA estimates it will receive in the coming year based on the number and concentration of foster youth, English learner, and low-income students. This amount includes the Additional 15 percent LCFF Concentration Grant.

### Projected Additional 15 percent LCFF Concentration Grant

- Specify the amount of additional LCFF concentration grant add-on funding, as described in *EC* Section 42238.02, that the LEA estimates it will receive in the coming year.

### Projected Percentage to Increase or Improve Services for the Coming School Year

- Specify the estimated percentage by which services for unduplicated pupils must be increased or improved as compared to the services provided to all students in the LCAP year as calculated pursuant to 5 *CCR* Section 15496(a)(7).

### LCFF Carryover — Percentage

- Specify the LCFF Carryover — Percentage identified in the LCFF Carryover Table. If a carryover percentage is not identified in the LCFF Carryover Table, specify a percentage of zero (0.00%).

**LCFF Carryover — Dollar**

- Specify the LCFF Carryover — Dollar amount identified in the LCFF Carryover Table. If a carryover amount is not identified in the LCFF Carryover Table, specify an amount of zero (\$0).

**Total Percentage to Increase or Improve Services for the Coming School Year**

- Add the Projected Percentage to Increase or Improve Services for the Coming School Year and the Proportional LCFF Required Carryover Percentage and specify the percentage. This is the LEA’s percentage by which services for unduplicated pupils must be increased or improved as compared to the services provided to all students in the LCAP year, as calculated pursuant to 5 CCR Section 15496(a)(7).

**Required Descriptions:**

**LEA-wide and Schoolwide Actions**

For each action being provided to an entire LEA or school, provide an explanation of (1) the unique identified need(s) of the unduplicated student group(s) for whom the action is principally directed, (2) how the action is designed to address the identified need(s) and why it is being provided on an LEA or schoolwide basis, and (3) the metric(s) used to measure the effectiveness of the action in improving outcomes for the unduplicated student group(s).

If the LEA has provided this required description in the Action Descriptions, state as such within the table.

Complete the table as follows:

**Identified Need(s)**

Provide an explanation of the unique identified need(s) of the LEA’s unduplicated student group(s) for whom the action is principally directed.

An LEA demonstrates how an action is principally directed towards an unduplicated student group(s) when the LEA explains the need(s), condition(s), or circumstance(s) of the unduplicated student group(s) identified through a needs assessment and how the action addresses them. A meaningful needs assessment includes, at a minimum, analysis of applicable student achievement data and educational partner feedback.

**How the Action(s) are Designed to Address Need(s) and Why it is Provided on an LEA-wide or Schoolwide Basis**

Provide an explanation of how the action as designed will address the unique identified need(s) of the LEA’s unduplicated student group(s) for whom the action is principally directed and the rationale for why the action is being provided on an LEA-wide or schoolwide basis.

- As stated above, conclusory statements that a service will help achieve an expected outcome for the goal, without an explicit connection or further explanation as to how, are not sufficient.

- Further, simply stating that an LEA has a high enrollment percentage of a specific student group or groups does not meet the increased or improved services standard because enrolling students is not the same as serving students.

### **Metric(s) to Monitor Effectiveness**

Identify the metric(s) being used to measure the progress and effectiveness of the action(s).

**Note for COEs and Charter Schools:** In the case of COEs and charter schools, schoolwide and LEA-wide are considered to be synonymous.

### **Limited Actions**

For each action being solely provided to one or more unduplicated student group(s), provide an explanation of (1) the unique identified need(s) of the unduplicated student group(s) being served, (2) how the action is designed to address the identified need(s), and (3) how the effectiveness of the action in improving outcomes for the unduplicated student group(s) will be measured.

If the LEA has provided the required descriptions in the Action Descriptions, state as such.

Complete the table as follows:

### **Identified Need(s)**

Provide an explanation of the unique need(s) of the unduplicated student group(s) being served identified through the LEA's needs assessment. A meaningful needs assessment includes, at a minimum, analysis of applicable student achievement data and educational partner feedback.

### **How the Action(s) are Designed to Address Need(s)**

Provide an explanation of how the action is designed to address the unique identified need(s) of the unduplicated student group(s) being served.

### **Metric(s) to Monitor Effectiveness**

Identify the metric(s) being used to measure the progress and effectiveness of the action(s).

For any limited action contributing to meeting the increased or improved services requirement that is associated with a Planned Percentage of Improved Services in the Contributing Summary Table rather than an expenditure of LCFF funds, describe the methodology that was used to determine the contribution of the action towards the proportional percentage, as applicable.

- For each action with an identified Planned Percentage of Improved Services, identify the goal and action number and describe the methodology that was used.
- When identifying a Planned Percentage of Improved Services, the LEA must describe the methodology that it used to determine the contribution of the action towards the proportional percentage. The percentage of improved services for an action corresponds to the amount of LCFF funding that the LEA estimates it would expend to implement the action if it were funded.

- For example, an LEA determines that there is a need to analyze data to ensure that instructional aides and expanded learning providers know what targeted supports to provide to students who are foster youth. The LEA could implement this action by hiring additional staff to collect and analyze data and to coordinate supports for students, which, based on the LEA's current pay scale, the LEA estimates would cost \$165,000. Instead, the LEA chooses to utilize a portion of existing staff time to analyze data relating to students who are foster youth. This analysis will then be shared with site principals who will use the data to coordinate services provided by instructional assistants and expanded learning providers to target support to students. In this example, the LEA would divide the estimated cost of \$165,000 by the amount of LCFF Funding identified in the Total Planned Expenditures Table and then convert the quotient to a percentage. This percentage is the Planned Percentage of Improved Services for the action.

### **Additional Concentration Grant Funding**

A description of the plan for how the additional concentration grant add-on funding identified above will be used to increase the number of staff providing direct services to students at schools that have a high concentration (above 55 percent) of foster youth, English learners, and low-income students, as applicable.

An LEA that receives the additional concentration grant add-on described in *EC* Section 42238.02 is required to demonstrate how it is using these funds to increase the number of staff who provide direct services to students at schools with an enrollment of unduplicated students that is greater than 55 percent as compared to the number of staff who provide direct services to students at schools with an enrollment of unduplicated students that is equal to or less than 55 percent. The staff who provide direct services to students must be certificated staff and/or classified staff employed by the LEA; classified staff includes custodial staff.

Provide the following descriptions, as applicable to the LEA:

- An LEA that does not receive a concentration grant or the concentration grant add-on must indicate that a response to this prompt is not applicable.
- Identify the goal and action numbers of the actions in the LCAP that the LEA is implementing to meet the requirement to increase the number of staff who provide direct services to students at schools with an enrollment of unduplicated students that is greater than 55 percent.
- An LEA that does not have comparison schools from which to describe how it is using the concentration grant add-on funds, such as a single-school LEA or an LEA that only has schools with an enrollment of unduplicated students that is greater than 55 percent, must describe how it is using the funds to increase the number of credentialed staff, classified staff, or both, including custodial staff, who provide direct services to students at selected schools and the criteria used to determine which schools require additional staffing support.
- In the event that an additional concentration grant add-on is not sufficient to increase staff providing direct services to students at a school with an enrollment of unduplicated students that is greater than 55 percent, the LEA must describe how it is using the funds to retain staff providing direct services to students at a school with an enrollment of unduplicated students that is greater than 55 percent.

Complete the table as follows:

- Provide the staff-to-student ratio of classified staff providing direct services to students with a concentration of unduplicated students that is 55 percent or less and the staff-to-student ratio of classified staff providing direct services to students at schools with a concentration of unduplicated students that is greater than 55 percent, as applicable to the LEA.
  - The LEA may group its schools by grade span (Elementary, Middle/Junior High, and High Schools), as applicable to the LEA.

- The staff-to-student ratio must be based on the number of full-time equivalent (FTE) staff and the number of enrolled students as counted on the first Wednesday in October of each year.
- Provide the staff-to-student ratio of certificated staff providing direct services to students at schools with a concentration of unduplicated students that is 55 percent or less and the staff-to-student ratio of certificated staff providing direct services to students at schools with a concentration of unduplicated students that is greater than 55 percent, as applicable to the LEA.
  - The LEA may group its schools by grade span (Elementary, Middle/Junior High, and High Schools), as applicable to the LEA.
  - The staff-to-student ratio must be based on the number of FTE staff and the number of enrolled students as counted on the first Wednesday in October of each year.

## Action Tables

Complete the Total Planned Expenditures Table for each action in the LCAP. The information entered into this table will automatically populate the other Action Tables. Information is only entered into the Total Planned Expenditures Table, the Annual Update Table, the Contributing Actions Annual Update Table, and the LCFF Carryover Table. The word “input” has been added to column headers to aid in identifying the column(s) where information will be entered. Information is not entered on the remaining Action tables.

The following tables are required to be included as part of the LCAP adopted by the local governing board or governing body:

- Table 1: Total Planned Expenditures Table (for the coming LCAP Year)
- Table 2: Contributing Actions Table (for the coming LCAP Year)
- Table 3: Annual Update Table (for the current LCAP Year)
- Table 4: Contributing Actions Annual Update Table (for the current LCAP Year)
- Table 5: LCFF Carryover Table (for the current LCAP Year)

Note: The coming LCAP Year is the year that is being planned for, while the current LCAP year is the current year of implementation. For example, when developing the 2024–25 LCAP, 2024–25 will be the coming LCAP Year and 2023–24 will be the current LCAP Year.

## Total Planned Expenditures Table

In the Total Planned Expenditures Table, input the following information for each action in the LCAP for that applicable LCAP year:

- **LCAP Year:** Identify the applicable LCAP Year.
- **1. Projected LCFF Base Grant:** Provide the total amount estimated LCFF entitlement for the coming school year, excluding the supplemental and concentration grants and the add-ons for the Targeted Instructional Improvement Block Grant program, the former Home-to-School Transportation program, and the Small School District Transportation program, pursuant to 5 CCR Section 15496(a)(8).

Note that the LCFF Base Grant for purposes of the LCAP also includes the Necessary Small Schools and Economic Recovery Target allowances for school districts, and County Operations Grant for COEs.

See EC sections 2574 (for COEs) and 42238.02 (for school districts and charter schools), as applicable, for LCFF entitlement calculations.

- **2. Projected LCFF Supplemental and/or Concentration Grants:** Provide the total amount of LCFF supplemental and concentration grants estimated on the basis of the number and concentration of unduplicated students for the coming school year.
- **3. Projected Percentage to Increase or Improve Services for the Coming School Year:** This percentage will not be entered; it is calculated based on the Projected LCFF Base Grant and the Projected LCFF Supplemental and/or Concentration Grants, pursuant to 5 CCR Section 15496(a)(8). This is the percentage by which services for unduplicated pupils must be increased or improved as compared to the services provided to all students in the coming LCAP year.
- **LCFF Carryover — Percentage:** Specify the LCFF Carryover — Percentage identified in the LCFF Carryover Table from the prior LCAP year. If a carryover percentage is not identified in the LCFF Carryover Table, specify a percentage of zero (0.00%).
- **Total Percentage to Increase or Improve Services for the Coming School Year:** This percentage will not be entered; it is calculated based on the Projected Percentage to Increase or Improve Services for the Coming School Year and the LCFF Carryover — Percentage. ***This is the percentage by which the LEA must increase or improve services for unduplicated pupils as compared to the services provided to all students in the coming LCAP year.***
- **Goal #:** Enter the LCAP Goal number for the action.
- **Action #:** Enter the action's number as indicated in the LCAP Goal.
- **Action Title:** Provide a title of the action.
- **Student Group(s):** Indicate the student group or groups who will be the primary beneficiary of the action by entering "All," or by entering a specific student group or groups.
- **Contributing to Increased or Improved Services?:** Type "Yes" if the action **is** included as contributing to meeting the increased or improved services requirement; OR, type "No" if the action is **not** included as contributing to meeting the increased or improved services requirement.
- If "Yes" is entered into the Contributing column, then complete the following columns:
  - **Scope:** The scope of an action may be LEA-wide (i.e., districtwide, countywide, or charterwide), schoolwide, or limited. An action that is LEA-wide in scope upgrades the entire educational program of the LEA. An action that is schoolwide in scope upgrades the entire educational program of a single school. An action that is limited in its scope is an action that serves only one or more unduplicated student groups.

- **Unduplicated Student Group(s):** Regardless of scope, contributing actions serve one or more unduplicated student groups. Indicate one or more unduplicated student groups for whom services are being increased or improved as compared to what all students receive.
- **Location:** Identify the location where the action will be provided. If the action is provided to all schools within the LEA, the LEA must indicate “All Schools.” If the action is provided to specific schools within the LEA or specific grade spans only, the LEA must enter “Specific Schools” or “Specific Grade Spans.” Identify the individual school or a subset of schools or grade spans (e.g., all high schools or grades transitional kindergarten through grade five), as appropriate.
- **Time Span:** Enter “ongoing” if the action will be implemented for an indeterminate period of time. Otherwise, indicate the span of time for which the action will be implemented. For example, an LEA might enter “1 Year,” or “2 Years,” or “6 Months.”
- **Total Personnel:** Enter the total amount of personnel expenditures utilized to implement this action.
- **Total Non-Personnel:** This amount will be automatically calculated based on information provided in the Total Personnel column and the Total Funds column.
- **LCFF Funds:** Enter the total amount of LCFF funds utilized to implement this action, if any. LCFF funds include all funds that make up an LEA’s total LCFF target (i.e., base grant, grade span adjustment, supplemental grant, concentration grant, Targeted Instructional Improvement Block Grant, and Home-To-School Transportation).
  - **Note:** For an action to contribute towards meeting the increased or improved services requirement, it must include some measure of LCFF funding. The action may also include funding from other sources, however the extent to which an action contributes to meeting the increased or improved services requirement is based on the LCFF funding being used to implement the action.
- **Other State Funds:** Enter the total amount of Other State Funds utilized to implement this action, if any.
  - **Note:** Equity Multiplier funds must be included in the “Other State Funds” category, not in the “LCFF Funds” category. As a reminder, Equity Multiplier funds must be used to supplement, not supplant, funding provided to Equity Multiplier schoolsites for purposes of the LCFF, the ELO-P, the LCRS, and/or the CCSPP. This means that Equity Multiplier funds must not be used to replace funding that an Equity Multiplier schoolsite would otherwise receive to implement LEA-wide actions identified in the LEA’s LCAP or that an Equity Multiplier schoolsite would otherwise receive to implement provisions of the ELO-P, the LCRS, and/or the CCSPP.
- **Local Funds:** Enter the total amount of Local Funds utilized to implement this action, if any.
- **Federal Funds:** Enter the total amount of Federal Funds utilized to implement this action, if any.
- **Total Funds:** This amount is automatically calculated based on amounts entered in the previous four columns.
- **Planned Percentage of Improved Services:** For any action identified as contributing, being provided on a Limited basis to unduplicated students, and that does not have funding associated with the action, enter the planned quality improvement anticipated for the action as

a percentage rounded to the nearest hundredth (0.00%). A limited action is an action that only serves foster youth, English learners, and/or low-income students.

- As noted in the instructions for the Increased or Improved Services section, when identifying a Planned Percentage of Improved Services, the LEA must describe the methodology that it used to determine the contribution of the action towards the proportional percentage. The percentage of improved services for an action corresponds to the amount of LCFF funding that the LEA estimates it would expend to implement the action if it were funded.

For example, an LEA determines that there is a need to analyze data to ensure that instructional aides and expanded learning providers know what targeted supports to provide to students who are foster youth. The LEA could implement this action by hiring additional staff to collect and analyze data and to coordinate supports for students, which, based on the LEA's current pay scale, the LEA estimates would cost \$165,000. Instead, the LEA chooses to utilize a portion of existing staff time to analyze data relating to students who are foster youth. This analysis will then be shared with site principals who will use the data to coordinate services provided by instructional assistants and expanded learning providers to target support to students. In this example, the LEA would divide the estimated cost of \$165,000 by the amount of LCFF Funding identified in the Data Entry Table and then convert the quotient to a percentage. This percentage is the Planned Percentage of Improved Services for the action.

## Contributing Actions Table

As noted above, information will not be entered in the Contributing Actions Table; however, the 'Contributing to Increased or Improved Services?' column will need to be checked to ensure that only actions with a "Yes" are displaying. If actions with a "No" are displayed or if actions that are contributing are not displaying in the column, use the drop-down menu in the column header to filter only the "Yes" responses.

## Annual Update Table

In the Annual Update Table, provide the following information for each action in the LCAP for the relevant LCAP year:

- **Estimated Actual Expenditures:** Enter the total estimated actual expenditures to implement this action, if any.

## Contributing Actions Annual Update Table

In the Contributing Actions Annual Update Table, check the 'Contributing to Increased or Improved Services?' column to ensure that only actions with a "Yes" are displaying. If actions with a "No" are displayed or if actions that are contributing are not displaying in the column, use the drop-down menu in the column header to filter only the "Yes" responses. Provide the following information for each contributing action in the LCAP for the relevant LCAP year:

- **6. Estimated Actual LCFF Supplemental and/or Concentration Grants:** Provide the total amount of LCFF supplemental and concentration grants estimated based on the number and concentration of unduplicated students in the current school year.
- **Estimated Actual Expenditures for Contributing Actions:** Enter the total estimated actual expenditure of LCFF funds used to implement this action, if any.

- **Estimated Actual Percentage of Improved Services:** For any action identified as contributing, being provided on a Limited basis only to unduplicated students, and that does not have funding associated with the action, enter the total estimated actual quality improvement anticipated for the action as a percentage rounded to the nearest hundredth (0.00%).
  - Building on the example provided above for calculating the Planned Percentage of Improved Services, the LEA in the example implements the action. As part of the annual update process, the LEA reviews implementation and student outcome data and determines that the action was implemented with fidelity and that outcomes for foster youth students improved. The LEA reviews the original estimated cost for the action and determines that had it hired additional staff to collect and analyze data and to coordinate supports for students that estimated actual cost would have been \$169,500 due to a cost of living adjustment. The LEA would divide the estimated actual cost of \$169,500 by the amount of LCFF Funding identified in the Data Entry Table and then convert the quotient to a percentage. This percentage is the Estimated Actual Percentage of Improved Services for the action.

## LCFF Carryover Table

- **9. Estimated Actual LCFF Base Grant:** Provide the total amount of estimated LCFF Target Entitlement for the current school year, excluding the supplemental and concentration grants and the add-ons for the Targeted Instructional Improvement Block Grant program, the former Home-to-School Transportation program, and the Small School District Transportation program, pursuant to 5 CCR Section 15496(a)(8). Note that the LCFF Base Grant for purposes of the LCAP also includes the Necessary Small Schools and Economic Recovery Target allowances for school districts, and County Operations Grant for COEs. See *EC* sections 2574 (for COEs) and 42238.02 (for school districts and charter schools), as applicable, for LCFF entitlement calculations.
- **10. Total Percentage to Increase or Improve Services for the Current School Year:** This percentage will not be entered. The percentage is calculated based on the amounts of the Estimated Actual LCFF Base Grant (9) and the Estimated Actual LCFF Supplemental and/or Concentration Grants (6), pursuant to 5 CCR Section 15496(a)(8), plus the LCFF Carryover – Percentage from the prior year. This is the percentage by which services for unduplicated pupils must be increased or improved as compared to the services provided to all students in the current LCAP year.

## Calculations in the Action Tables

To reduce the duplication of effort of LEAs, the Action Tables include functionality such as pre-population of fields and cells based on the information provided in the Data Entry Table, the Annual Update Summary Table, and the Contributing Actions Table. For transparency, the functionality and calculations used are provided below.

### Contributing Actions Table

- **4. Total Planned Contributing Expenditures (LCFF Funds)**
  - This amount is the total of the Planned Expenditures for Contributing Actions (LCFF Funds) column.
- **5. Total Planned Percentage of Improved Services**
  - This percentage is the total of the Planned Percentage of Improved Services column.
- **Planned Percentage to Increase or Improve Services for the coming school year (4 divided by 1, plus 5)**

- This percentage is calculated by dividing the Total Planned Contributing Expenditures (4) by the Projected LCFF Base Grant (1), converting the quotient to a percentage, and adding it to the Total Planned Percentage of Improved Services (5).

### **Contributing Actions Annual Update Table**

Pursuant to *EC* Section 42238.07(c)(2), if the Total Planned Contributing Expenditures (4) is less than the Estimated Actual LCFF Supplemental and Concentration Grants (6), the LEA is required to calculate the difference between the Total Planned Percentage of Improved Services (5) and the Total Estimated Actual Percentage of Improved Services (7). If the Total Planned Contributing Expenditures (4) is equal to or greater than the Estimated Actual LCFF Supplemental and Concentration Grants (6), the Difference Between Planned and Estimated Actual Percentage of Improved Services will display “Not Required.”

- **6. Estimated Actual LCFF Supplemental and Concentration Grants**
  - This is the total amount of LCFF supplemental and concentration grants the LEA estimates it will actually receive based on of the number and concentration of unduplicated students in the current school year.
- **4. Total Planned Contributing Expenditures (LCFF Funds)**
  - This amount is the total of the Last Year's Planned Expenditures for Contributing Actions (LCFF Funds).
- **7. Total Estimated Actual Expenditures for Contributing Actions**
  - This amount is the total of the Estimated Actual Expenditures for Contributing Actions (LCFF Funds).
- **Difference Between Planned and Estimated Actual Expenditures for Contributing Actions (Subtract 7 from 4)**
  - This amount is the Total Estimated Actual Expenditures for Contributing Actions (7) subtracted from the Total Planned Contributing Expenditures (4).
- **5. Total Planned Percentage of Improved Services (%)**
  - This amount is the total of the Planned Percentage of Improved Services column.
- **8. Total Estimated Actual Percentage of Improved Services (%)**
  - This amount is the total of the Estimated Actual Percentage of Improved Services column.
- **Difference Between Planned and Estimated Actual Percentage of Improved Services (Subtract 5 from 8)**
  - This amount is the Total Planned Percentage of Improved Services (5) subtracted from the Total Estimated Actual Percentage of Improved Services (8).

### **LCFF Carryover Table**

- **10. Total Percentage to Increase or Improve Services for the Current School Year (6 divided by 9 plus Carryover %)**

- This percentage is the Estimated Actual LCFF Supplemental and/or Concentration Grants (6) divided by the Estimated Actual LCFF Base Grant (9) plus the LCFF Carryover – Percentage from the prior year.
- **11. Estimated Actual Percentage of Increased or Improved Services (7 divided by 9, plus 8)**
  - This percentage is the Total Estimated Actual Expenditures for Contributing Actions (7) divided by the LCFF Funding (9), then converting the quotient to a percentage and adding the Total Estimated Actual Percentage of Improved Services (8).
- **12. LCFF Carryover — Dollar Amount LCFF Carryover (Subtract 11 from 10 and multiply by 9)**
  - If the Estimated Actual Percentage of Increased or Improved Services (11) is less than the Estimated Actual Percentage to Increase or Improve Services (10), the LEA is required to carry over LCFF funds.  
  
The amount of LCFF funds is calculated by subtracting the Estimated Actual Percentage to Increase or Improve Services (11) from the Estimated Actual Percentage of Increased or Improved Services (10) and then multiplying by the Estimated Actual LCFF Base Grant (9). This amount is the amount of LCFF funds that is required to be carried over to the coming year.
- **13. LCFF Carryover — Percentage (12 divided by 9)**
  - This percentage is the unmet portion of the Percentage to Increase or Improve Services that the LEA must carry over into the coming LCAP year. The percentage is calculated by dividing the LCFF Carryover (12) by the LCFF Funding (9).

California Department of Education  
November 2023

## LCFF Budget Overview for Parents

Local Educational Agency (LEA) Name: Magnolia Science Academy-Bell  
 CDS Code: 19-64733-0122747  
 School Year: 2024-25  
 LEA contact information:  
 Suat Acar  
 Interim Principal  
 lbschlottman@magnoliapublicschools.org  
 (323) 826-3925

School districts receive funding from different sources: state funds under the Local Control Funding Formula (LCFF), other state funds, local funds, and federal funds. LCFF funds include a base level of funding for all LEAs and extra funding - called "supplemental and concentration" grants - to LEAs based on the enrollment of high needs students (foster youth, English learners, and low-income students).

### Budget Overview for the 2024-25 School Year

#### Projected Revenue by Fund Source

This chart shows the total general purpose revenue Magnolia Science Academy-Bell expects to receive in the coming year from all sources.

The text description for the above chart is as follows: The total revenue projected for Magnolia Science Academy-Bell is \$7,526,299, of which \$5,284,077 is Local Control Funding Formula (LCFF), \$1,552,266 is other state funds, \$357,337 is local funds, and \$332,619 is federal funds. Of the \$5,284,077 in LCFF Funds, \$1,392,115 is generated based on the enrollment of high needs students (foster youth, English learner, and low-income students).

## LCFF Budget Overview for Parents

The LCFF gives school districts more flexibility in deciding how to use state funds. In exchange, school districts must work with parents, educators, students, and the community to develop a Local Control and Accountability Plan (LCAP) that shows how they will use these funds to serve students.

This chart provides a quick summary of how much Magnolia Science Academy-Bell plans to spend for 2024-25. It shows how much of the total is tied to planned actions and services in the LCAP.

The text description of the above chart is as follows: Magnolia Science Academy-Bell plans to spend \$7,493,516.97 for the 2024-25 school year. Of that amount, \$7,493,516.97 is tied to actions/services in the LCAP and \$0 is not included in the LCAP. The budgeted expenditures that are not included in the LCAP will be used for the following:

N/A

### Increased or Improved Services for High Needs Students in the LCAP for the 2024-25 School Year

In 2024-25, Magnolia Science Academy-Bell is projecting it will receive \$1,392,115 based on the enrollment of foster youth, English learner, and low-income students. Magnolia Science Academy-Bell must describe how it intends to increase or improve services for high needs students in the LCAP. Magnolia Science Academy-Bell plans to spend \$2,056,396.99 towards meeting this requirement, as described in the LCAP.

# LCFF Budget Overview for Parents

## Update on Increased or Improved Services for High Needs Students in 2023-24

This chart compares what Magnolia Science Academy-Bell budgeted last year in the LCAP for actions and services that contribute to increasing or improving services for high needs students with what Magnolia Science Academy-Bell estimates it has spent on actions and services that contribute to increasing or improving services for high needs students in the current year.

The text description of the above chart is as follows: In 2023-24, Magnolia Science Academy-Bell's LCAP budgeted \$1,453,794.84 for planned actions to increase or improve services for high needs students. Magnolia Science Academy-Bell actually spent \$1,444,730.18 for actions to increase or improve services for high needs students in 2023-24.

The difference between the budgeted and actual expenditures of \$-9,064.660,000,000,149 had the following impact on Magnolia Science Academy-Bell's ability to increase or improve services for high needs students:

Even though, the total actual expenditures for actions and services to increase or improve services for high needs students in 2023-24 is less than the total budgeted expenditures for those planned actions and services, the difference did not impact the actions and services and the overall increased or improved services for high needs students in 2023-24. For those actions and services, Magnolia Science Academy 8 used applicable (if not all) state, federal, and local funds including, but not limited to CIF, Lottery - Non-Prop 2, EPA, ELOP (Expanded Learning Opportunities Program), Title I, ESSER III, ESSER III - Learning Loss, ELO - Learning Loss, ESSER III Summer Grant, Title II, Title IV - Part A, Title III - LEP, ARP HCY II, ASES, Educator Effectiveness Block Grant, California Community Schools Partnership, AB 602, Arts & Music Block Grant, Community Engagement Initiative Grant, A-G Access/Success Grant, A-G Learning Loss Mitigation Grant, MTSS, and Fundraising.

# 2023–24 Local Control and Accountability Plan Annual Update

The instructions for completing the 2023–24 Local Control and Accountability Plan (LCAP) Annual Update follow the template.

Local Educational Agency (LEA) Name	Contact Name and Title	Email and Phone
Magnolia Science Academy-Bell	Suat Acar Interim Principal	sacar@magnoliapublicschools.org (323) 826-3925

# Goals and Actions

## Goal

Goal #	Description
1	BASIC SERVICES FOR A HIGH-QUALITY LEARNING ENVIRONMENT: All students and staff will have access to a safe, secure, healthy, and high-quality learning and working environment. Students will receive basic services that are fundamental to academic success, including fully credentialed teachers, standards-aligned instructional materials, and appropriately maintained school facilities.

## Measuring and Reporting Results

Metric	Baseline	Year 1 Outcome	Year 2 Outcome	Year 3 Outcome	Desired Outcome for 2023–24
Number of misassignments of teachers of English learners, total teacher misassignments, and vacant teacher positions (Source: Local Indicator Priority 1)	2020-21: 0	2021-22: 0	2022-23: 0	2023-24: 1	2023-24: 0
Percentage of students without access to their own copies of standards-aligned instructional materials for use at school and at home (Source: Local Indicator Priority 1)	2020-21: 0%	2021-22: 0%	2022-23: 0%	2023-24: 0%	2023-24: 0%
Number of identified instances where facilities do not meet the “good repair”	2020-21: 0	2021-22: 0	2022-23: 0	2023-24: 0	2022-23: 0

Metric	Baseline	Year 1 Outcome	Year 2 Outcome	Year 3 Outcome	Desired Outcome for 2023–24
standard (including deficiencies and extreme deficiencies) (Source: Local Indicator Priority 1)					
Teacher retention rate (Source: HRIS)	2020-21: (Spring 2020 to Fall 2020) 92.0%	2021-22: (Spring 2021 to Fall 2021) 84%	2022-23: (Fall 2021 to Fall 2022) 81%  This metric has been updated to measure from fall to fall.	2023-24: (Fall 2022 to Fall 2023) 54%	2023-24: (Fall 2022 to Fall 2023) 90.0%
Teacher attendance rate (Source: HRIS)	2020-21: (As of 3/25/21) 98.0%	2021-22: (As of 5/12/22) 95.8%	2022-23: (As of 5/12/23) 94.5%	2023-24: (As of 12/15/23) 95.0%	2023-24: 97.0%

## Goal Analysis

An analysis of how this goal was carried out in the previous year.

A description of any substantive differences in planned actions and actual implementation of these actions.

Goal 1 Action 1: No substantive difference, teacher assignments and hiring process was similar to baseline year. Charter School and the MPS Human Resources team will conduct credential, background, and TB clearance reviews as part of the hiring process and at least once throughout the year to ensure all credentials are properly maintained. Charter School will support our teachers' credentialing needs. Charter School will also annually review master schedules and teacher assignments to ensure teachers are appropriately assigned and fully credentialed in the subject area and for the students they are teaching. Charter School uses a Human Resource Information System (HRIS) to automate employee documentation.

MPS Home Office HR team acts as a liaison between employees and provides administrative support as needed (e.g., correspondence generation, record keeping, file maintenance, HRIS entry, etc.) The HR team also provides reports to the Board and school administrators in regards to teacher retention, performance, pay scale, vacancies, recruitment efforts, credentials, mandatory trainings, and other HR related matters. Expenditures associated with this action include the following: teacher credentialing expenses, recruitment expenses (sign-in bonus, live scan/fingerprinting fees, etc.), Paycom/payroll fees, retirement service fees, and performance pay.

Goal 1 Action 2: There was a substantial difference for Goal 1 Actions 2 because we purchase new technology to ensure that all students had a Chromebook at home to access their online curriculum and Google Classroom assignments. In the past, students used to take a Chromebook home and bring to school daily but this year we implemented a new system that allowed for Chromebook to stay home, this decreased the number of Chromebook that were damaged and increased student access to their instructional materials. All were in compliance for the current academic year. Charter School will manage the acquisition, distribution, and maintenance of equipment, materials, and technology needed to meet the academic, linguistic, cultural, social-emotional, and physical requirements of students. Charter School will annually review alignment of instructional materials to standards and maintain an inventory of instructional materials and corresponding purchases of materials. Charter School will annually review budgets and plans to ensure adequate budget for instructional materials. Charter School will ensure that students have sufficient access to standards aligned instructional materials, including technology-based resources. Charter School will provide effective access and integration of technology resources, including software and mobile devices, that ensure meaningful access to CA Content Standards aligned instructional programs.

Goal 1 Action 3: No substantive difference. Cleaning Charter School will strive to maintain a clean, safe, environmentally friendly, and inviting school that is worthy of our students, families, and staff and encourages successful teaching and learning. Charter School will continually improve and maintain facilities to ensure school safety, security and high quality learning and working environments. Charter School will do annual and monthly facility inspections to screen for ADA compliance and safety hazards; identified deficiencies will be quickly remedied. Maintenance and repairs will be provided by Charter School custodial staff and/or outsourced. As a STEAM focused school we aim to operate in a sustainable and environmentally responsible manner. Charter School will develop and monitor comprehensive safety and security plans, conduct necessary safety training for all staff and continue to work with stakeholders and experts to implement emergency and risk management procedures for individuals and the site. Charter School will procure and maintain necessary safety/emergency supplies, equipment and items. Charter School will establish schedules and procedures for the supervision of students in non-classroom areas, including before and after school.

Goal 1 Action 4: No substantive difference. Charter School will adhere to the MPS Wellness Policy guidelines on nutritious foods for all food sales and celebrations. The meal program aims to improve the diet and health of our students, help mitigate childhood obesity, model healthy eating to support the development of lifelong healthy eating patterns and support healthy choices while accommodating cultural food preferences and special dietary needs. Charter school continues to use LAUSD LA Cafe's services and pays directly for their services.

Goal 1 Action 5: There was a substantive difference because we had an increase of legal fees and WASC accreditation fees. The MPS Home Office provides services to the Charter School, supports and holds accountable the Charter School for compliance and meeting charter goals, provides best practices in curriculum and professional development, and sets up systems and processes that support academic achievement and growth, operational effectiveness, and financial sustainability.

An explanation of material differences between Budgeted Expenditures and Estimated Actual Expenditures and/or Planned Percentages of Improved Services and Estimated Actual Percentages of Improved Services.

Goal 1 Action 1

Budgeted: \$21,200

Actual: \$21,200

Explanation: The projected expenses are within the budgeted amount, and all actions taken were in line with the planned initiatives, with no significant deviations

Goal 1 Action 2

Budgeted: \$652,145

Actual: \$652,145

Explanation: The projected expenses are within the budgeted amount, and all actions taken were in line with the planned initiatives, with no significant deviations

Goal 1 Action 3

Budgeted: \$610,163

Actual: \$640,163

Explanation: The projected expenses are \$30k more than the budgeted amount. However, the discrepancy for this action Goal 1 Action 3 is not significant as it is less than 10% of the budgeted amount.

Goal 1 Action 4

Budgeted: \$60,000

Actual: \$60,000

Explanation: The projected expenses are within the budgeted amount, and all actions taken were in line with the planned initiatives, with no significant deviations

Goal 1 Action 5

Budgeted: \$943,178

Actual: \$960,099

Explanation: The projected expenses are around \$17k more than the budgeted amount. However, the discrepancy for this action Goal 1 Action 5 is not significant as it is less than 10% of the budgeted amount.

An explanation of how effective or ineffective the specific actions were in making progress toward the goal during the three-year LCAP cycle.

All courses have an assigned staff with proper credentials/permits": This implies that every course in the school has a designated staff member who possesses the necessary qualifications and permits to teach that particular subject. It ensures that the teachers are appropriately qualified to deliver the content and meet the educational standards required for each course.

This year the school purchased CCSS aligned History curriculum with online access and fully adopted the McGraw Hill Math and Study Sync Curriculum for English: This indicates that the school has made specific curriculum choices for History, Math, and English subjects. The History curriculum aligns with the Common Core State Standards (CCSS), which provide a set of learning objectives for each grade level to ensure consistency and quality in education. Additionally, the school has adopted the McGraw Hill Math and Study Sync Curriculum for Math and English, respectively. These curricula are widely recognized and used in many educational institutions.

There were several vacancies, 2 History vacancies (grades 6 & 7) until September and October respectively, Math (6 ) was vacant from October 2023 until January 2024. Math 7 was filled in August and vacant in December and filled in January. The Science 6 was vacant in October and filled until December 2023. Fortunately, we were able to fill the vacancy in February 2024. Finally, our Science 7 position was vacant at the onset of the academic year and was filled with a permanent sub and we were able to secure a credentialed teacher in January 2024.

All positions were fully staffed as of January 2024. This implies that the vacancies in the Math, Science and History departments were successfully filled, and the school had a complete staff in place.

We did have a moderate number (30) of students absent this school year due to COVID or COVID-like symptoms: This highlights the impact of the COVID-19 on the school. In stark contrast to the previous school year, there were a significantly a smaller number of teachers who were absent due to COVID-19 or symptoms similar to those of COVID-19.

A description of any changes made to the planned goal, metrics, desired outcomes, or actions for the coming year that resulted from reflections on prior practice.

During the 2023 school year, Magnolia had a significantly lower number of teaching staff who held permits. This suggests that some teachers may have been in the process of obtaining their full credentials or permits, indicating that they were still completing the necessary requirements to become fully qualified teachers. However, in the 2023-2024 school year, the number of staff members on permits was reduced. This implies that more teachers had obtained their full credentials, indicating an increase in the number of fully qualified teachers at Magnolia.

An example mentioned is the Math(6), Science (7) and History (6&7) which was filled by a fully credentialed teacher. This means that the school was able to secure a qualified teacher with the appropriate credentials to teach Spanish. Hiring fully credentialed teachers ensures that students receive instruction from educators who have met the required standards and possess the necessary qualifications in their subject areas.

To ensure that all teachers meet the necessary qualifications, Magnolia continues to work alongside a credential specialist from the Los Angeles County Office of Education (LACOE). This specialist assists in reviewing the qualifications of the teaching staff, ensuring that they meet the required standards and possess the necessary credentials. This collaborative effort with the LACOE credential specialist demonstrates the school's commitment to maintaining a high level of teacher qualifications and providing support to ensure that teachers successfully complete any new teacher programs or requirements.

By reviewing staff qualifications and providing the necessary support, Magnolia aims to ensure that their teaching staff is well-prepared and equipped to meet the educational needs of their students. This commitment to ongoing professional development and compliance with credential requirements ultimately contributes to the overall quality of education at the school.

**A report of the Total Estimated Actual Expenditures for last year's actions may be found in the Annual Update Table. A report of the Estimated Actual Percentages of Improved Services for last year's actions may be found in the Contributing Actions Annual Update Table.**

## Goals and Actions

### Goal

Goal #	Description
2	EXCELLENCE: All students will have equitable access to a high-quality core curricular and instructional program and make academic progress on the California Content Standards. Students will pursue academic excellence and be college/career ready.

### Measuring and Reporting Results

Metric	Baseline	Year 1 Outcome	Year 2 Outcome	Year 3 Outcome	Desired Outcome for 2023–24

## Goal Analysis

An analysis of how this goal was carried out in the previous year.

A description of any substantive differences in planned actions and actual implementation of these actions.

Charter School desires that all our students pursue academic excellence and be college/career ready. Effective core curriculum and instruction are central to academic success. Therefore, Charter School will ensure that all students, including but not limited to, ELs, students with disabilities, socioeconomically disadvantaged/low-income students, and students achieving below grade level, have access to a high-quality core curricular and instructional program with appropriate services and support. Targeted interventions will be utilized to create a high-quality differentiated environment where students are supported to engage at their optimal levels. Charter School will also provide professional development to staff to promote a cycle of continuous improvement, as well as supports for high quality delivery of the program that enables differentiation, particularly for unduplicated students and students with exceptional needs. Charter School will implement the actions listed under this goal and use the indicated metrics, such as CAASPP assessment results, to measure progress in achievement of academic excellence and college/career readiness.

An explanation of material differences between Budgeted Expenditures and Estimated Actual Expenditures and/or Planned Percentages of Improved Services and Estimated Actual Percentages of Improved Services.

### Goal 2 Action 1

Budgeted: \$1,224,917

Actual: \$1,284,059

Explanation: The projected expenses are around \$60k more than the budgeted amount. However, the discrepancy for this action Goal 2 Action 1 is not significant as it is less than 10% of the budgeted amount.

### Goal 2 Action 2

Budgeted: \$49,000

Actual: \$77,500

Explanation: This action relates to professional development for quality instruction in the school. Initially, the school budgeted \$49,000 for professional development, tuition reimbursement, and PD requiring travel and lodging. However, due to the increased number of teachers who are new to the profession and their needs, the projected actual is around \$28k more than the budgeted amount.

### Goal 2 Action 3

Budgeted: \$833,064

Actual: \$798,318

Explanation: The projected expenses are within the budgeted amount, and all actions taken were in line with the planned initiatives, with no significant deviations

**Goal 2 Action 4**

Budgeted: \$106,923

Actual: \$106,923

Explanation: The projected expenses are within the budgeted amount, and all actions taken were in line with the planned initiatives, with no significant deviations

**Goal 2 Action 5**

Budgeted: \$858,637

Actual: \$858,637

Explanation: The projected expenses are within the budgeted amount, and all actions taken were in line with the planned initiatives, with no significant deviations

ATSI: The students with special needs have equitable access to all of the resources at our school; as a result, resource inequities for the students with special needs do not occur.

### An explanation of how effective or ineffective the specific actions were in making progress toward the goal during the three-year LCAP cycle.

Goal 2 (Action 4 and 5) of the school was to support student growth, particularly in English Language Development (ELD) and Special Education (SPED). The actions taken to achieve this goal have been successful, as evidenced by the positive outcomes observed. One of the key factors contributing to the success was the effectiveness of the ELD Coordinator, who was well-equipped to support the students. This coordinator played a crucial role in implementing strategies and providing guidance to students who were learning English as an additional language.

Their expertise and support contributed significantly to the growth of these students. To improve efforts an ELD Paraprofessional was hired this year as additional support. As a result of the coordinated efforts, there were 6 students which were reclassified during the year. This means that these students, who were previously identified as English language learners, have made significant progress in their language proficiency and academic skills. 2023-24 Local Control and Accountability Plan for Magnolia Science Academy-Bell Page 40 of 62 Out of the 6 students reclassified students.

This demonstrates the effectiveness of the ELD program, and the support provided to these students. Furthermore, the growth and progress of students in the SPED program were also notable. While specific data is not provided, it is mentioned that the SPED students showed growth in their academics. This indicates that the interventions, support, and accommodations provided to students with special needs have been effective in improving their learning outcomes. To further assess and measure the progress made by students, the school is awaiting MAP data. The MAP (Measures of Academic Progress) assessment is a widely used tool that measures students' academic growth over time. By analyzing this data, the school will be able to evaluate the overall impact of the implemented strategies and interventions on student achievement. The successful reclassification of ELD students and the observed growth in SPED students' academics indicate that the actions taken to support student growth have yielded positive outcomes. These achievements are a testament to the dedicated efforts of the ELD Coordinator, the school staff, and the support systems in place to meet the unique needs of students in ELD and SPED programs.

A description of any changes made to the planned goal, metrics, desired outcomes, or actions for the coming year that resulted from reflections on prior practice.

This year, one of the most significant changes implemented in the school is the increased interventions provided to students. The restructuring of the Interventions for ELD and SWD was significant. The implementation of prescriptive intervention supports for our students was designed to identify students with the greatest potential to show growth, we isolated the students and provided intentional interventions by inviting the students to Saturday School, Intervention Tutorial during Office Hours with our Ed Specialist as well as the ELD Coordinator and ELD Para-Professional provided additional supports during their specified Office Hours. The sessions were held from February until June which provided small groups with writing tasks, simulated testing and feedback from credentialed teachers.

By providing more intervention sessions, the ELD coordinator, Ed Specialists Coordinator and the team of ED Specialists in concert with the credentialed teachers were able to enhance their knowledge and skills in supporting English language learners effectively as well as our SWD. The interventions translated into improved instruction and strategies for the students, enabling them to make greater progress in their language acquisition and academic development.

**A report of the Total Estimated Actual Expenditures for last year's actions may be found in the Annual Update Table. A report of the Estimated Actual Percentages of Improved Services for last year's actions may be found in the Contributing Actions Annual Update Table.**

## Goals and Actions

### Goal

Goal #	Description
3	INNOVATION: All students will have access to a well-rounded education that supports their readiness for college and the global world. Each student will become an independent, innovative scholar by practicing creativity in learning and using technology in transformative ways.

### Measuring and Reporting Results

Metric	Baseline	Year 1 Outcome	Year 2 Outcome	Year 3 Outcome	Desired Outcome for 2023–24

## Goal Analysis

An analysis of how this goal was carried out in the previous year.

A description of any substantive differences in planned actions and actual implementation of these actions.

Student data was reviewed consistently for proper recommendation for accelerated math pathways. All new students were tested with the OLSAT GATE test to identify eligible students with gifted capabilities. All Advisory classes were issued a University name and held monthly assemblies bringing to our school a culture of college and career paths. The offering of Kickboard points was a welcomed incentive program for students to earn points for prizes earned by following the PBIS playbook. Elective offerings were expanded with the implementation of Paxton Patterson Laboratories enhancing our school wide STEAM focused programs. Our after-school program and club offerings expanded with Art Land, Culture Club, E-Sports, Mixed Sports, Nintendo, Trivia Pursuit, and Mind Craft. A highlight this year was the students versus faculty basketball game. The after-school program allows students extended hours after school for enrichment opportunities and creativity. Our PE department coordinated end of year physical activity competitions school wide with our neighboring schools

Goal 3 Action 1  
 Budgeted: \$0  
 Actual: \$0  
 Explanation: N/A

Goal 3 Action 2  
 Budgeted: \$1,001  
 Actual: \$1,001

Explanation: The projected expenses are within the budgeted amount, and all actions taken were in line with the planned initiatives, with no significant deviations

#### Goal 3 Action 3

Budgeted: \$8,720

Actual: \$8,720

Explanation: The projected expenses are within the budgeted amount, and all actions taken were in line with the planned initiatives, with no significant deviations

#### Goal 3 Action 4

Budgeted: \$368,999

Actual: \$368,999

Explanation: The projected expenses are within the budgeted amount, and all actions taken were in line with the planned initiatives, with no significant deviations

#### Goal 3 Action 5

Budgeted: \$847,038

Actual: \$873,532

Explanation: The projected expenses are around \$28.5k more than the budgeted amount. However, the discrepancy for this action Goal 3 Action 5 is not significant as it is less than 10% of the budgeted amount.

An explanation of how effective or ineffective the specific actions were in making progress toward the goal during the three-year LCAP cycle.

The introduction of the STEAM (Science, Technology, Engineering, Arts, and Mathematics) lab has proven to be a tremendous success for the school. The STEAM lab provides a dedicated space for students to engage in hands-on, project-based learning that integrates multiple 2023-24 Local Control and Accountability Plan for Magnolia Science Academy-Bell Page 48 of 107 disciplines. This immersive learning environment has had a profound impact on the quality of STEAM projects produced by students throughout the year.

With the establishment of the STEAM lab, students have been able to explore and apply their knowledge and skills in a collaborative and innovative setting. This has resulted in an evident increase in the quality of the projects produced. Students have been able to experiment, design, and create using a wide range of tools, technologies, and materials available in the lab. The integration of arts and creativity into the STEM disciplines has further enhanced the students' problem-solving abilities, critical thinking skills, and overall engagement in the learning process.

The recognition of the school's STEAM projects is exemplified by the achievements in the MPS (Magnolia Public School) STEAM Expo. STEAM Expo 2024 MSA- Bell had 4 Winners in 4 different categories, and our very own STEAM Teacher was named STEAM Educator of the year. 1st Place in the Earth Science and Chemistry category. 2nd place in the Engineering and Robotics category and 3rd place in the Physics and Physical Sciences. We had more than 30 student entries in this prestigious event, and the honor of 4 winners is a testament to

the dedication and hard work of both the students and the educators involved. These accolades not only showcase the students' talents and abilities but also demonstrate the effectiveness of the school's STEAM program and its commitment to providing high-quality educational experiences.

As a result of these accomplishments, the school has observed an increase in enrollment numbers. We hosted 3 open houses during the Spring which provided an opportunity to boast about the high-quality STEAM programs and the success of students in various competitions that has spread among parents and the community. This positive reputation has attracted more parents to choose the school for their children's education. The growing enrollment numbers are a clear indication that the school's commitment to offering high-quality programs is being recognized and valued by parents who seek the best educational opportunities for their children.

Overall, the introduction of the STEAM lab, the expectation of all students to participate in the MSA-Bell school wide STEAM Fair has increased quality of STEAM projects, and the success in competitions have not only enriched the educational experiences of students but also contributed to the school's reputation as a provider of exceptional programs. These achievements have undoubtedly played a significant role in the increasing enrollment numbers, as parents recognize and appreciate the high standard of education offered by the school.

A description of any changes made to the planned goal, metrics, desired outcomes, or actions for the coming year that resulted from reflections on prior practice.

The school has identified a couple of specific areas for improvement and goals to focus on. One objective is to establish a uniform number of field trips by grade level. This year, 6th grade attended field trips to the LA Zoo, CSULB with special offerings to attend Pali Institute ( Spring Break), Disney CA Adventures ( Honors ART Institute) and the STEAM Expo. Our 7th grade students attended Medieval Times Dinner & Tournament, with special offerings to Pali Institute ( Spring Break), Disney CA Adventures ( Honors ART Institute) and the STEAM Expo and all SRLA events. Our 8th grade students attended USC, The Autry Museum , Pali Institute ( Spring Break), Disney CA Adventures ( Honors ART Institute), the STEAM Expo and all SRLA events. This means that the school aims to provide an equal and consistent number of field trips for students across different grade levels. By implementing this change, the school intends to ensure that all students have equitable opportunities to participate in enriching and educational experiences outside of the classroom. Field trips offer students the chance to apply their learning in real-world contexts, explore new environments, and foster a deeper understanding of various subjects.

Another goal is to increase student satisfaction rates. The school recognizes the importance of student feedback and aims to enhance the overall experience for students. By actively seeking and considering student perspectives, the school can identify areas for improvement, implement necessary changes, and ensure that students feel valued, supported, and engaged in their educational journey. Higher student 2023-24 Local Control and Accountability Plan for Magnolia Science Academy-Bell Page 49 of 107 satisfaction rates indicate that students are more content, motivated, and invested in their learning, which can contribute to improved academic performance and overall well-being. To increase student voice and engagement in the community. These coordinators play critical roles in facilitating student involvement and fostering connections between the school and the broader community. By strengthening the capacity of these positions, the school aims to provide more opportunities for students to actively participate in community initiatives, share their perspectives, and contribute to decision-

making processes. This initiative promotes student empowerment, leadership development, and a sense of belonging, ultimately enhancing student engagement and the positive impact students can have within their community.

This year our school met the goal to enhance the capacity of the community school coordinator and student ambassador coordinator. We implemented the student ambassadors and invited students and parents to attend the Community Engagement Initiative panels and conferences. The concerted efforts to implement our student's voices the coordinator held regularly scheduled meetings, where the students collaborated to develop student centered activities and concerns. The outcome was high spirited weeks of activities and recognition of students and accolades and active investigations of student concerns to resolve issues occurring.

By focusing on these goals, the school demonstrates its commitment to providing well-rounded educational experiences and prioritizing student satisfaction and engagement. The uniform number of field trips aims to ensure equal access to enriching experiences, while increasing student satisfaction rates and promoting student voice and engagement nurtures a supportive and empowering learning environment. These efforts contribute to the overall success and growth of the school community.

**A report of the Total Estimated Actual Expenditures for last year's actions may be found in the Annual Update Table. A report of the Estimated Actual Percentages of Improved Services for last year's actions may be found in the Contributing Actions Annual Update Table.**

## Goals and Actions

### Goal

Goal #	Description
4	CONNECTION: All students, families, staff, and other stakeholders will have access to meaningful engagement opportunities that help cultivate leadership, advocacy, and collaboration in a safe and nurturing environment. Stakeholders will feel a sense of community and connectedness.

### Measuring and Reporting Results

## Goal Analysis

An analysis of how this goal was carried out in the previous year.

A description of any substantive differences in planned actions and actual implementation of these actions.

Goal 4 Action 1: Planned Actions - parent meeting expenses and Document Tracking Services (DTS) fees. Actual Implementation of Actions

- DTS fees paid through Home Office budget.

Goal 4 Action 2: Planned Actions - Infinite Campus SIS fees, ParentSquare software fees, SchoolMint software fees, home-visit compensation, parent activity/event expenses, Pitney Bowes expenses, and Office manager/Administrative assistant salaries and benefits. Actual Implementation of Actions –

All planned actions were implemented, Home Visits were conducted exceeded our original goal of 20% of our student population. 23% of our students received a Home Visit this year, which surpassed the 13% of last year’s home visits. This is attributed to the efforts of the MTSS Team Lead by providing PD for staff and modeling the expectation for the staff. There was a combination of both virtual Home Visit as well as face-to-face Home Visits.

Goal 4 Action 3: Planned Actions - Office/attendance clerk salaries and benefits, school uniform fees, PD on classroom management, PBIS, and SEL support, SEL program fees, outsourced SEL services fees, and additional services for homeless students. Actual Implementation of Actions - All planned actions were implemented. Additional SEL PD for staff and SEL programs for students were added throughout the year 2023-24 Local Control and Accountability Plan for Magnolia Science Academy-Bell Page 58 of 107 to address the high level of needs exhibited by students upon their return to in-person learning. All students received one free set of school uniforms at the start of the school yea

Goal 4 Action 4: Planned Actions - Panorama Education survey fees. Actual Implementation of Actions - All planned actions were implemented. 94.4 % of families 99.7 % of students, and 100 % of staff members completed the Educational Partner survey in Spring 2024. Our school received an approval rating of 96% by families, 72% by students, and 84% by staff.

Goal 4 Action 5: Planned Actions - membership fees (CCSA, WASC, etc.), Actual Implementation of Actions - All planned actions were implemented. Additional funding was allocated to marketing, branding, outreach, and partnership expenses to assist us with enrollment needs due to students moving out of state and participation in applying for the Community Schools Planning Grant which we received.

Actual: \$218,097

Explanation: The projected expenses are within the budgeted amount, and all actions taken were in line with the planned initiatives, with no significant deviations

An explanation of how effective or ineffective the specific actions were in making progress toward the goal during the three-year LCAP cycle.

The school has made notable progress in increasing parent engagement, as evidenced by the increased participation in the educational partner surveys, attendance at PAC, Coffee with the Administrators, Parent participation in the Community Engagement Initiative. Educational partner surveys serve as an important tool for gathering feedback and insights from parents, allowing them to contribute their perspectives and opinions regarding their child's education and overall school experience. The fact that more parents are actively participating in these surveys indicates a growing engagement and interest in being involved in their child's education. Moreover, the increase in home visit numbers further demonstrates the school's commitment to fostering strong connections with parents and families. Home visits provide an opportunity for teachers or school staff to visit students' homes, creating a more personal and inclusive relationship with families. These visits facilitate open communication, strengthen the home-school partnership, and enable educators to gain a deeper understanding of students' backgrounds and contexts. By actively seeking feedback through surveys and conducting home visits, the school has gained valuable insights into areas that require attention and improvement. The survey results have likely highlighted specific areas of focus where the school can make necessary adjustments and enhancements. This information allows school leadership to identify areas of strength and areas that need improvement, enabling them to implement targeted strategies and initiatives for school improvement. The commitment to receiving meaningful feedback demonstrates the school's dedication to continuous growth and enhancement, ensuring that the education provided aligns with the needs and expectations of students and their families.

Overall, the positive trend in parent engagement attending the CEI has increased participation in school events, candid conversations surrounding campus issues and overall improved relationships with our parents. Reflected through increased survey participation and home visits, has supported the school's efforts to gather meaningful feedback and improve various aspects of the educational experience. This collaborative approach between the school and parents enhances communication, fosters a sense of shared responsibility, and ultimately leads to a stronger and more inclusive school community.

A description of any changes made to the planned goal, metrics, desired outcomes, or actions for the coming year that resulted from reflections on prior practice.

While there may not be any changes to the overall goal of the school, there is a clear focus on investing additional resources in community engagement efforts and improving the school's culture. These initiatives demonstrate a proactive approach to strengthening relationships with the community and enhancing the overall school environment.

By investing more resources in community engagement, the school is acknowledging the importance of building strong connections with the surrounding community. This may offer opportunities for community members to actively participate in the school's activities. Such efforts can foster a sense of belonging and collaboration, establishing the school as an integral part of the wider community. Increased community engagement can lead to valuable partnerships, additional resources, and a shared commitment to the success of the school and its students.

Working on improving the school's culture reflects a commitment to creating a positive and inclusive learning environment. A healthy school culture nurtures positive relationships, promotes respect and understanding, and values the diverse backgrounds and perspectives of students, staff, and families. This may involve implementing programs to address social-emotional learning, promoting diversity and inclusion, or providing professional development opportunities for staff members to cultivate a positive school climate. By prioritizing the school's culture, students and staff can thrive in an environment that supports their well-being, encourages growth, and enhances the overall educational experience.

Overall, the decision to invest more resources in community engagement and improve the school's culture demonstrates a proactive and forward-thinking approach. These initiatives can have a significant impact on the overall success of the school, fostering stronger community ties, enhancing student experiences, and creating a positive and inclusive environment where everyone feels valued and supported. By continuously striving to improve community engagement and school culture, the school is taking important steps towards achieving its goals and ensuring a high-quality educational experience for all partners involved.

**A report of the Total Estimated Actual Expenditures for last year's actions may be found in the Annual Update Table. A report of the Estimated Actual Percentages of Improved Services for last year's actions may be found in the Contributing Actions Annual Update Table.**

## Goals and Actions

### Goal

Goal #	Description
5	

### Measuring and Reporting Results

Metric	Baseline	Year 1 Outcome	Year 2 Outcome	Year 3 Outcome	Desired Outcome for 2023–24

### Goal Analysis

An analysis of how this goal was carried out in the previous year.

A description of any substantive differences in planned actions and actual implementation of these actions.

An explanation of material differences between Budgeted Expenditures and Estimated Actual Expenditures and/or Planned Percentages of Improved Services and Estimated Actual Percentages of Improved Services.

An explanation of how effective or ineffective the specific actions were in making progress toward the goal during the three-year LCAP cycle.

A description of any changes made to the planned goal, metrics, desired outcomes, or actions for the coming year that resulted from reflections on prior practice.

**A report of the Total Estimated Actual Expenditures for last year's actions may be found in the Annual Update Table. A report of the Estimated Actual Percentages of Improved Services for last year's actions may be found in the Contributing Actions Annual Update Table.**

## Instructions

For additional questions or technical assistance related to the completion of the Local Control and Accountability Plan (LCAP) template, please contact the local county office of education (COE), or the California Department of Education’s (CDE’s) Local Agency Systems Support Office, by phone at 916-319-0809 or by email at [lcff@cde.ca.gov](mailto:lcff@cde.ca.gov).

Complete the prompts as instructed for each goal included in the 2023–24 LCAP. Duplicate the tables as needed. The 2023–24 LCAP Annual Update must be included with the 2024–25 LCAP.

## Goals and Actions

### Goal(s)

#### Description:

Copy and paste verbatim from the 2023–24 LCAP.

#### Measuring and Reporting Results

- Copy and paste verbatim from the 2023–24 LCAP.

#### Metric:

- Copy and paste verbatim from the 2023–24 LCAP.

#### Baseline:

- Copy and paste verbatim from the 2023–24 LCAP.

#### Year 1 Outcome:

- Copy and paste verbatim from the 2023–24 LCAP.

#### Year 2 Outcome:

- Copy and paste verbatim from the 2023–24 LCAP.

#### Year 3 Outcome:

- When completing the 2023–24 LCAP Annual Update, enter the most recent data available. Indicate the school year to which the data applies.

#### Desired Outcome for 2023–24:

- Copy and paste verbatim from the 2023–24 LCAP.

Timeline for completing the “**Measuring and Reporting Results**” part of the Goal.

Metric	Baseline	Year 1 Outcome	Year 2 Outcome	Year 3 Outcome	Desired Outcome for Year 3 (2023–24)
Copy and paste verbatim from the 2023–24 LCAP.	Copy and paste verbatim from the 2023–24 LCAP.	Copy and paste verbatim from the 2023–24 LCAP.	Copy and paste verbatim from the 2023–24 LCAP.	Enter information in this box when completing the 2023–24 LCAP Annual Update.	Copy and paste verbatim from the 2023–24 LCAP.

## Goal Analysis

Using actual annual measurable outcome data, including data from the Dashboard, analyze whether the planned actions were effective in achieving the goal. Respond to the prompts as instructed.

A description of any substantive differences in planned actions and actual implementation of these actions.

- Describe the overall implementation of the actions to achieve the articulated goal. Include a discussion of relevant challenges and successes experienced with the implementation process. This must include any instance where the LEA did not implement a planned action or implemented a planned action in a manner that differs substantively from how it was described in the adopted LCAP.

An explanation of material differences between Budgeted Expenditures and Estimated Actual Expenditures and/or Planned Percentages of Improved Services and Estimated Actual Percentages of Improved Services.

- Explain material differences between Budgeted Expenditures and Estimated Actual Expenditures and between the Planned Percentages of Improved Services and Estimated Actual Percentages of Improved Services, as applicable. Minor variances in expenditures or percentages do not need to be addressed, and a dollar-for-dollar accounting is not required.

An explanation of how effective or ineffective the specific actions were in making progress toward the goal during the three-year LCAP cycle.

- Describe the effectiveness or ineffectiveness of the specific actions in making progress toward the goal during the three-year LCAP cycle. “Effectiveness” means the degree to which the actions were successful in producing the desired result and “ineffectiveness” means that the actions did not produce any significant or desired result.
  - In some cases, not all actions in a goal will be intended to improve performance on all of the metrics associated with the goal.
  - When responding to this prompt, LEAs may assess the effectiveness of a single action or group of actions within the goal in the context of performance on a single metric or group of specific metrics within the goal that are applicable to the action(s). Grouping actions with metrics will allow for more robust analysis of whether the strategy the LEA is using to impact a specified set of metrics is working and increase transparency for educational partners. LEAs are encouraged to use such an approach when goals include multiple actions and metrics that are not closely associated.
  - Beginning with the development of the 2024–25 LCAP, the LEA must change actions that have not proven effective over a three-year period.

A description of any changes made to the planned goal, metrics, desired outcomes, or actions for the coming year that resulted from reflections on prior practice.

- Describe any changes made to this goal, expected outcomes, metrics, or actions to achieve this goal as a result of this analysis and analysis of the data provided in the Dashboard or other local data, as applicable.
  - As noted above, beginning with the development of the 2024–25 LCAP, the LEA must change actions that have not proven effective over a three-year period. For actions that have been identified as ineffective, the LEA must identify the ineffective action and must include a description of the following:
    - The reasons for the ineffectiveness, and
    - How changes to the action will result in a new or strengthened approach.

California Department of Education  
November 2023

## Local Control and Accountability Plan

The instructions for completing the Local Control and Accountability Plan (LCAP) follow the template.

Local Educational Agency (LEA) Name	Contact Name and Title	Email and Phone
Magnolia Science Academy-Bell	Suat Acar Interim Principal	sacar@magnoliapublicschools.org (323) 826-3925

## Plan Summary [2024-25]

### General Information

A description of the LEA, its schools, and its students in grades transitional kindergarten–12, as applicable to the LEA.

Magnolia Science Academy-Bell (MSA-Bell) is a classroom-based charter school serving grades 6th-8th with a curriculum emphasis on science, technology, engineering, arts, and math (STEAM). MSA-Bell is located in the city of Bell (90201) and serves around 400 students in grades 6–8, with classes that average 30 or fewer students. Originally founded in 2010—and here requesting a third five-year charter term—MSA-Bell’s mission is to provide a college preparatory educational program emphasizing STEAM in a safe environment that cultivates respect for self and others. We offer a comprehensive learning experience designed to serve the needs of our students through effective site-based instruction, rich hands-on learning, and foundation skills presented in ways that are relevant and inspiring for our students. Classroom instruction at MSA-Bell is supplemented by tutoring, after-school programs, and school-to-university links.

Our mission is to provide a college preparatory educational program emphasizing STEAM in a safe environment that cultivates respect for self and others. Graduates of Magnolia Public Schools are scientific thinkers who contribute to the global community as socially responsible and educated members of society.

MSA Bell currently has about 400 students in grades 6th-8th, and mainly draws enrollment from the neighboring communities of the southeast Los Angeles area. MSA Bell has a diverse student population of 90.45% Hispanic/Latino and 7.95% White (Arabic), 84.5% socioeconomically disadvantaged, 10.2% special education, and 12.5% English language learner population.

Magnolia Science Academy 8  
 Address: 6411 Orchard Ave., Bell, CA, 90201  
 Phone: 323-826-3925  
 Email: [sacar@magnoliapublicschools.org](mailto:sacar@magnoliapublicschools.org)

### Our Mission

Magnolia Public Schools provides a college preparatory educational program emphasizing science, technology, engineering, and math (STEAM) in a safe environment that cultivates respect for self and others.

### Our Vision

Graduates of Magnolia Public Schools are scientific thinkers who contribute to the global community as socially responsible and educated members of society.

### INNOVATION

Students have the freedom to choose how and what they learn. Individualized scheduling, early identification of learning styles, personalities, interest, and career plans support students' college and career readiness. Students experience hands-on learning through robotics, computer science, and arts to promote imagination, creativity, and invention.

### CONNECTION

School communities are integrated partnerships among the school site staff, families, students, and all other stakeholders. Connection creates a safe place for all learners and stakeholders to affirm individual strengths, celebrate character, provide academic support through mentorship and internships, promote unity and better decision making through the implementation of restorative justice practices.

### EXCELLENCE

Academic Excellence is the desire to pursue knowledge and excellence and to contribute original and provocative ideas in a learning environment, in diverse settings, and as a catalyst to future academic knowledge. We foster academic excellence through project-based learning using a constructivist approach, student portfolios, assessments of and for learning and academic discourse and argumentative writing.

## Reflections: Annual Performance

A reflection on annual performance based on a review of the California School Dashboard (Dashboard) and local data.

### SUCSESSES

MSA Bell's 2022 California School Dashboard report on the school's performance in ELA and Math indicate that the school has earned a Status level of "Low" for All Students, which is the same as the state's Status level. The report shows an average Distance from Standard (DFS) of -24.4 in ELA and -79.3 in Math for the All Students groups, which is higher than the State average DFS of -12.2 in ELA and -51.7 in Math.

The school has 5 numerically significant student groups (Latino, English Learners, Socioeconomically Disadvantaged, Students with Disabilities, and White). The majority of numerically significant student groups have a DFS higher than the State's average DFS in ELA and Math (English Learners, Students with Disabilities, and White).

## Strengths

MSA Bell's main success in ELA and MATH was the ability to maintain the 2019 SBAC Performance Level. Another major success was being able to maintain scores that are comparable to the state. In ELA, Latino students outperformed the state by 14.5%. In addition, our ELD department had the greatest success with a status of "High" and a performance level that is above the state in comparison. Another major success was being able to maintain scores that are comparable to the state in MATH.

The greatest success was seen in our Socioeconomically Disadvantaged Population's outperformance over the state by 5.1%. In addition, Latino students nearly equaled the state in Math Achievement. MSA Bell's highlighted success from the 2021-2022 school year was our ELPI score. We had previously set our goal at 55% for the school year and were proud when we saw a status of 55.3% for English Language Progress. Much of the success was due to our school having a dedicated ELD Coordinator that offers both support in the classroom as well as providing ELD classes that focus on differentiated instruction for scaffolding multiple levels of English language learners. In addition, MSA Bell secured three paraprofessionals to aid and tutor EL students during and after school. Although we did have an ELPI score of "High", MSA Bell will continue to implement programs that have embedded support for both teachers and students when it comes to focusing on English language development as a whole school program and curriculum. In addition to implementing McGraw Hill for Social Studies and Science, we have also implemented StudySync for the CORE ELA classes and continue to utilize iXL, MyOn, and AR to support Reading and English language development. MSA Bell attributes the SBAC Prep Program as a major contributor to student success on the SBAC in ELA and Math. In addition, the implementation of iXL and StudySync as part of the daily curriculum has been designed to lower the achievement gaps, address learning loss, and act as interventions and differentiation for student groups and special populations.

## CHALLENGES

MSA Bells 21-22 data results reflect an equal comparison to the previous years SBAC results (2018-19) and reflect an equal comparison to the state. All students performed in the "Low" category, with a critical focus on EL and SPED populations. There is much room for growth and improvement of systems. Incorporate more resources into the curriculum, such as McGraw Hill and Studysync. Continue using IXL in ELA during CORE time. IXL will continue for 20 minutes per day in both ELA and MATH, in addition to Science. We will also pilot IXL Social Studies with the 7th grade. Continue interventions during Advisory, SDL, Saturday School, and the after-school program. Continue data informed instruction using IAB's and Pre / Post data analysis throughout the school year. Continue the program from the previous year, adding sections for special populations on the post data analysis forms. All ELA and Math teachers will take the IAB's during Department Meeting time. MyOn was used 3 times throughout the year in order to show growth results and to set goals for the AR program. We will shift our daily reading to the end of the day to ensure that our students' tardiness or morning responsibilities (counseling, social talk club, etc..) do not interfere with at least 30 minutes of reading per day. CORE ELA and Math teachers will begin SBAC Prep by the third week of January. SBAC Prep will consist of daily warm-ups AND exit-tickets utilizing officially released SBAC questions from the available ICA's, IAB's and Focused IAB's. The goal is to expose all of the students to all of the relevant test questions and vocabulary by the end of April.

Weekly fail reports and interventions provide all teachers and staff with the information necessary to implement individualized plans for student success. Tier 1 interventions in the classroom, in addition to the after school program and Saturday school program continually provided support for all students and minimize student failures. Tutoring and Interventions will be offered every day after school with the focus on student growth and mastery. After school tutoring will focus on students who are nearly meeting the standards based on IAB data from 1st semester and NWEA Winter MAP Growth.

## Opportunities

1. Chronic Absences are at 5% and increased by 1.8%. In comparison with the state, all students increased by 1.1 points, 10.1% chronically absent.
  2. Suspension rate 1.4% increased by 1.4%. The rate is lower than the state rate of 3.4%
- ATSI: Students with Disabilities (SWD) for ATSI for both ELA and Math indicators and Chronic Absenteeism.

## Reflections: Technical Assistance

As applicable, a summary of the work underway as part of technical assistance.

### Differentiated Assistance (DA):

Magnolia Science Academy Bell is eligible for DA for the EL student group performance on the 2023 Dashboard and EL and SWD student groups' performance on the 2022 Dashboard. The state indicators that need improvement are ELA, math, and chronic absenteeism.

Here are the eligibility criteria for Magnolia Science Academy Bell;

CAASPP - ELA and Math  
(ELs)  
(SWD)

Chronic Absenteeism  
(ELs)  
(SWD)

Local Data that support the eligibility for the Magnolia Science Academy Bell;

ELA ELLs - 109.8 below standard - Declined 19.3 points  
SWDs - 134.4 below standard - Declined 15 points

Math - SWDs- 156.9 below standard - Maintained 2.2  
ELLs - 140.6 below standard - Increased 3 points

Chronic Absenteeism  
ELL - 31.8% - Increased 4.7%  
SWD - 36.1% - Declined 2.8%

Differentiated Assistance Collaborative Team:

As soon as the 2 subgroups met the criteria for the Differentiated Assistance (DA), Magnolia Science Academy Bell formed a group of educators working collaboratively with the Los Angeles County Office of Education (LACOE) for Differentiated Assistance (DA). The group includes the school's academic leadership team including the ELD and SPED coordinators in addition to Magnolia Public Schools (MPS) Chief Academic Officer, MPS Chief Accountability Officer, MPS Director of State and Federal Programs, MPS Director of Student Services, and MPS Director of EL and ELA programs. As the first step, the group attended the LACOE's Charter DA symposium on Feb 6, 2023. Additionally, the group met many times with the DA support providers from the Los Angeles County Office of Education (LACOE) and worked on the plan for improvement of those areas.

During the academic year 2023-24, at the beginning of second semester, Los Angeles County Office of Education (LACOE) started to work jointly with Magnolia Science Academy Bell in affirming and/or supporting Focus Areas of work that:

- Builds capacity through professional expertise and local decision-making
- Fosters systemic collaboration
- Builds a culture of co-learning and reflective inquiry
- Promotes a climate of candor, evidence, and urgency to take action
- Results in improved student outcomes and leads to sustainable change

One of the activities that the team conducted was the Root-cause analysis.

The outcomes of Root-cause Analysis;

The Differentiated Assistance team met many times to further discuss the 2 subgroups and conducted root-cause analyses for improvement; Per the overall interpretation, the team found out that the following as the roots for the shortcomings;

- teacher turnover and unfilled positions in ELA and Math as well as 7th grade SPED case manager
- ineffective math curriculum not meeting the rigor of standards
- teachers do not have a foundational understanding of how to read and analyze student data

#### ADDITIONAL TARGETED SUPPORT AND IMPROVEMENT (ATSI):

Per the outcomes of Dashboard 2022 and 2023, Magnolia Science Academy 8 is eligible for Additional Targeted Support and Improvement (ATSI). The school's English Learners (EL) met the Criterion #3 for the last 2 years 2022 and 2023. Here are the details;

#### Criterion #3

##### 2022 Dashboard Criteria:

Five or more indicators where the majority are at the Lowest Status Level. (CAASPP ELA, math, and suspension)

##### 2023 Dashboard Criteria:

Five or more indicators where the majority are Red. (CAASPP ELA, ELPI, and Chronic Absenteeism)

**Action Steps:**

The group has been working on PDSA (PLAN - DO - STUDY - ACT) model as it is a structured, iterative problem-solving method that the school educators can use to improve learning and processes: Here is a sample that the group used for the high suspension rate:

**Plan for Change:**

Exactly what will implementation of this change idea look like? (who will do what, in what setting, by when?)

1. Asst. Prin. collects baseline observations in 20% of classrooms (before upcoming faculty meeting) and
2. analyzes discipline referral data (pre)
3. Principal: administer baseline survey item during faculty mtg, provide training, have teachers state/identify classroom expectations
4. Teachers: post expectations and focus on positive feedback for students (within one week of faculty meeting)
5. Asst Prin. provides weekly nonevaluative observation feedback to 100% of teachers until following faculty meeting
6. Principal: re-administer frustration survey item at next faculty meeting
7. Asst principal analyzes discipline referral data (post)
8. Administer anonymous survey

**Measures / Evidence:**

What information will we collect and how will we collect it?

1. Asst. principal computes total positive/negative interaction ratio for each ten min observation (baseline) and
2. Asst. principal analyzes discipline referral data for three weeks before faculty mtg (avg. #/day)
3. Staff meeting agenda, baseline survey data (likert scale 1-7)
4. Principal walkthrough data - all classrooms one week after meeting (% of classrooms w/expectations posted)
5. Same process as step one, but asst. prin. shares data with teachers in a follow-up email by end of day
6. Follow-up survey data ((likert scale 1-7)), discipline referrals (Avg./day across three weeks before first faculty meeting (pre), compared to avg. across five days before second faculty meeting (post))
7. Asst. principal analyzes discipline referral data for 5 days before second faculty meeting (avg. #/day)
8. Asst. principal administers informal, anonymous survey to all teachers to gather qualitative feedback on process"

**Do:**

What happened? Data / Results

1. Average pos/neg interaction ratio across eight classrooms is 2.3 / 4.1
2. Average discipline referrals per day for three weeks before meeting is 1.6
3. Training was provided, 92% of teachers attended. Average frustration rating on survey 5.1 / 7. Principal followed up with those absent.
4. 100% of classrooms had expectations posted one week after training
5. Across three weeks of follow-up observations, average pos/neg interaction ratio across 100% of classrooms is 6.7 / 4.8
6. Follow-up (post) frustration rating survey 3.6 / 7.
7. Average discipline referrals per day for one week before second faculty meeting is .7

8. Qualitative survey data indicate that many teachers found the frequent observations disruptive but most valued the nonevaluative, timely feedback. Several teachers reported an improved climate in their classrooms.

Study / Act: What did we learn? What will we do next? (completed after implementation)

- Gather feedback from teaches on less intrusive data collection methods - maybe select a peer to gather data? (need to conduct inter-observer agreement trials)

Similar models will be used for the CAASPP ELA, math, and Chronic Absenteeism as they are the criteria the school met for the Differentiated Assistance (DA) as well as ATSI.

## Comprehensive Support and Improvement

An LEA with a school or schools eligible for comprehensive support and improvement must respond to the following prompts.

### ***Schools Identified***

A list of the schools in the LEA that are eligible for comprehensive support and improvement.

N/A

### ***Support for Identified Schools***

A description of how the LEA has or will support its eligible schools in developing comprehensive support and improvement plans.

N/A

### ***Monitoring and Evaluating Effectiveness***

A description of how the LEA will monitor and evaluate the plan to support student and school improvement.

N/A

# Engaging Educational Partners

A summary of the process used to engage educational partners in the development of the LCAP.

School districts and county offices of education must, at a minimum, consult with teachers, principals, administrators, other school personnel, local bargaining units, parents, and students in the development of the LCAP.

Charter schools must, at a minimum, consult with teachers, principals, administrators, other school personnel, parents, and students in the development of the LCAP.

An LEA receiving Equity Multiplier funds must also consult with educational partners at schools generating Equity Multiplier funds in the development of the LCAP, specifically, in the development of the required focus goal for each applicable school.

Educational Partner(s)	Process for Engagement
Parents	During the PAC meetings, we went through our data to give the family community an idea of what our results were and what our goals were. This meant that the school developed presentations based on the performance results from our data portal/dashboard websites to present the information in a way that parents could digest our information.
Students	During PAC meetings, students are involved in the decision-making process for our LCAP. At certain PAC meetings, we went through our data to give students an idea of what our results were and what our goals were. This meant that the school developed presentations based on the performance results from our data portal/dashboard websites to present the information in a way that parents could digest our information.
Teachers	Presentations have been made to our staff about our LCAP and the goals. These meetings are held throughout the year, where we speak about our accomplishments and achievements from the past year, our goals for the upcoming year, and ways to attain our goals. During this time, we go over what our projected goals/or make projected goals for the year and for future years.
School administrators	Presentations have been made to our staff about our LCAP and goals. These meetings are held throughout the year where we talk about our accomplishments and successes from the past year, our goals for the upcoming year, and how we will achieve our goals. During this time, we review our projected goals for the year and for future years.

Educational Partner(s)	Process for Engagement
Other school personnel	Presentations have been made to our staff about our LCAP and the goals. These meetings are held throughout the year, where we speak about our accomplishments and achievements from the past year, our goals for the upcoming year, and ways to attain our goals. During this time, we go over what our projected goals/or make projected goals for the year and for future years.
SELPA	SELPA representatives are engaged to ensure that the needs of students with disabilities are adequately addressed in the LCAP. Regular consultation and feedback sessions are held to discuss the effectiveness of special education programs and identify areas for improvement. This collaboration helps develop targeted interventions to support students with disabilities and ensure they receive an equitable and effective education. By actively seeking input from these educational partners, MSA-8 ensures that the LCAP is a comprehensive plan that reflects the needs and priorities of the community. This collaborative approach not only enhances the quality of the LCAP, but also fosters a sense of ownership and commitment among all stakeholders.

A description of how the adopted LCAP was influenced by the feedback provided by educational partners.

The decisions to create goals for our LCAP were influenced by the feedback provided by our educational partners. We, as the MSA-8's administrative team, would take into consideration the perspectives that all of our stakeholders had given, find the middle ground, and then share it back with the stakeholders. The feedback and goals are then presented to the central office for inclusion in the following year's LCAP.

# Goals and Actions

## Goal

Goal #	Description	Type of Goal
1	BASIC SERVICES FOR A HIGH-QUALITY LEARNING ENVIRONMENT: All students and staff will have access to a safe, secure, healthy, and high-quality learning and working environment. Students will receive high-quality services that are fundamental to academic success, including fully credentialed teachers, standards-aligned instructional materials, and appropriately maintained school facilities.	Broad Goal

State Priorities addressed by this goal.

- Priority 1: Basic (Conditions of Learning)
- Priority 2: State Standards (Conditions of Learning)

An explanation of why the LEA has developed this goal.

Providing basic services means ensuring all students have access to teachers who are fully credentialed in their subject areas, instructional materials aligned with state standards, and safe, properly maintained school facilities. Charter School will also adhere to the MPS Wellness Policy and encourage participation in school meal programs. Research shows when students are provided with these basic services, student learning outcomes increase. The MPS Home Office will provide services such as academics, accountability, operations, IT, facilities, finance and accounting, human resources, and external relations to support and hold accountable the Charter School for compliance and meeting charter goals. Charter School will implement the actions listed under this goal and use the indicated metrics to measure progress in provision of basic services to maintain a high-quality learning environment.

## Measuring and Reporting Results

Metric #	Metric	Baseline	Year 1 Outcome	Year 2 Outcome	Target for Year 3 Outcome	Current Difference from Baseline
1.1	The percentage of teaching assignments that have an assignment monitoring outcome of "clear" (Source: Local Indicator Priority 1, CDE DataQuest TAMO by FTE Report)	2021-22: 75.2%			2024-25: > 85%	
1.2	Percentage of students without access to their	2023-24: 0%			2026-27: 0%	

Metric #	Metric	Baseline	Year 1 Outcome	Year 2 Outcome	Target for Year 3 Outcome	Current Difference from Baseline
	own copies of standards-aligned instructional materials for use at school and at home (Source: Local Indicator Priority 1)					
1.3	Number of identified instances where facilities do not meet the “good repair” standard (including deficiencies and extreme deficiencies) (Source: Local Indicator Priority 1)	2023-24: 0			2026-27: 0	
1.4	Teacher retention rate (Source: HRIS)	2023-24: (Fall 2022 to Fall 2023) 54%			2026-27: (Fall 2025 to Fall 2026) >= 80%	
1.5	Teacher attendance rate (Source: HRIS)	2023-24: (As of 5/15/24) 93.9%			2026-27: >= 95.0%	

## Goal Analysis [2023-24]

An analysis of how this goal was carried out in the previous year.

A description of overall implementation, including any substantive differences in planned actions and actual implementation of these actions, and any relevant challenges and successes experienced with implementation.

Not Applicable.

An explanation of material differences between Budgeted Expenditures and Estimated Actual Expenditures and/or Planned Percentages of Improved Services and Estimated Actual Percentages of Improved Services.

Not Applicable.

A description of the effectiveness or ineffectiveness of the specific actions to date in making progress toward the goal.

Not Applicable.

A description of any changes made to the planned goal, metrics, target outcomes, or actions for the coming year that resulted from reflections on prior practice.

Not Applicable.

## Actions

Action #	Title	Description	Total Funds	Contributing
1.1	Teacher assignments and credentials	<p>Charter School and the MPS Human Resources team will conduct credential, background, and TB clearance reviews as part of the hiring process and at least once throughout the year to ensure all credentials are properly maintained. Charter School will support our teachers' credentialing needs. Charter School will also annually review master schedules and teacher assignments to ensure teachers are appropriately assigned and fully credentialed in the subject area and for the students they are teaching. Charter School uses a Human Resources Information System (HRIS) to automate employee documents. MPS Home Office HR team acts as a liaison between employees and provides administrative support as needed (e.g., correspondence generation, record keeping, file maintenance, HRIS entry, etc.) The HR team also provides reports to the Board and school administrators in regards to teacher retention, performance, pay scale, vacancies, recruitment efforts, credentials, mandatory trainings, and other HR related matters.</p> <p>Expenditures associated with this action include the following: Payroll fees, teacher credentialing expenses, recruitment expenses (sign-in bonus, livescan/fingerprinting fees, etc.), Paycom/payroll fees, and retirement service fees.</p> <p>The following expenditures will be funded by federal Title funds: N/A</p>	\$21,200.00	No
1.2	Instructional materials and technology	Charter School will manage the acquisition, distribution, and maintenance of equipment, materials, and technology needed to meet the academic, linguistic, cultural, social-emotional, and physical requirements of students.	\$370,895.12	No

Action #	Title	Description	Total Funds	Contributing
		<p>Charter School will annually review alignment of instructional materials to standards and maintain an inventory of instructional materials and corresponding purchases of materials. Charter School will annually review budgets and plans to ensure adequate budget for instructional materials. Charter School will ensure that students have sufficient access to standards-aligned instructional materials, including technology-based resources. Charter School will provide effective access and integration of technology resources, including software and mobile devices, that ensure meaningful access to CA Content Standards aligned instructional programs.</p> <p>Expenditures associated with this action include the following:            Depreciation, technology, TelecomInternet, textbooks, instructional materials and supplies, teacher/classroom supplies and office materials, computers, Chromebooks, hotspots, and other technology equipment, IT manager salary and benefits, E-Rate consultancy, and basic software (Zendesk, AssetWorks, firewall, Datto, CloudReady, Zoom, GoGuardian, etc.), phone/internet, and depreciation.</p> <p>The following expenditures will be funded by federal Title funds:</p> <ul style="list-style-type: none"> <li>Title II, used for technology: \$909</li> </ul>		
1.3	Clean and safe facilities that support learning	<p>Charter School will strive to maintain a clean, safe, environmentally friendly, and inviting school that is worthy of our students, families, and staff and encourages successful teaching and learning. Charter School will continually improve and maintain facilities to ensure school safety, security and high quality learning and working environments. Charter School will do annual and monthly facility inspections to screen for ADA compliance and safety hazards; identified deficiencies will be quickly remedied. Daily general cleaning will maintain campus cleanliness. Maintenance and repairs will be provided by Charter School custodial staff and/or outsourced. As a STEAM focused school, we aim to operate in a sustainable and environmentally responsible manner. Charter School will develop and monitor comprehensive safety and security plans, conduct necessary safety training for all staff and continue to work with stakeholders and experts to implement emergency and risk management</p>	\$557,163.44	No

		<p>achievement and growth, operational effectiveness, and financial sustainability. The Home Office manages business operations of schools, which reduces program and operations-related burdens of the Charter School administration and enables the Charter School to receive services at a lower cost. The services of the Home Office include, but are not limited to, academics, accountability, operations, IT, facilities, finance and accounting, human resources, and external relations. Instructional services are reflected in Goals 2-4.</p> <p>Expenditures associated with this action include the following: Home Office management fees, authorizer oversight fees, audit fees, bank fees, legal fees (YM&amp;C, etc.), and other back-office related expenses (Adaptive Insights, DataWorks, etc.)</p> <p>The following expenditures will be funded by federal Title funds:</p> <ul style="list-style-type: none"> <li>Professional services paid with Title I: \$15,512</li> </ul>		

# Goals and Actions

## Goal

Goal #	Description	Type of Goal
2	EXCELLENCE: Under our first core pillar of Excellence, all students will have equitable access to a high-quality core curricular and instructional program and make academic progress in alignment with California content standards (CCSS, NGSS, etc.) through our data-driven, differentiated and engaging learning program. Students will develop competencies aligned with our “Portrait of a Graduate,” including Literacy with a Learner’s Mindset and Critical Thinking skills as they pursue academic excellence.	Broad Goal

### State Priorities addressed by this goal.

- Priority 4: Pupil Achievement (Pupil Outcomes)
- Priority 5: Pupil Engagement (Engagement)
- Priority 8: Other Pupil Outcomes (Pupil Outcomes)

### An explanation of why the LEA has developed this goal.

Charter School desires that all our students pursue academic excellence and be college/career ready. Effective core curriculum and instruction are central to academic success. Therefore, Charter School will ensure that all students, including but not limited to, ELs, students with disabilities, socioeconomically disadvantaged/low-income students, and students achieving below grade level, have access to a high-quality core curricular and instructional program with appropriate services and support. Targeted interventions will be utilized to create a high quality differentiated environment where students are supported to engage at their optimal levels. Charter School will also provide professional development to staff to promote a cycle of continuous improvement, as well as supports for high quality delivery of the program that enables differentiation, particularly for unduplicated students and students with exceptional needs. Charter School will implement the actions listed under this goal and use the indicated metrics, such as CAASPP assessment results, to measure progress in achievement of academic excellence and college/career readiness.

## Measuring and Reporting Results

Metric #	Metric	Baseline	Year 1 Outcome	Year 2 Outcome	Target for Year 3 Outcome	Current Difference from Baseline
2.1	Percentage of students who have sufficient access to all programs and services, as applicable, including the programs and services	2023-24: 100%			2026-27: 100%	

Metric #	Metric	Baseline	Year 1 Outcome	Year 2 Outcome	Target for Year 3 Outcome	Current Difference from Baseline
	developed and provided to unduplicated students and to individuals with exceptional needs, and the programs that are provided to benefit these students (Source: Local Indicator Priority 7, SIS)					
2.2	Percentage of completion of observations by the school administration based on one formal and four informal classroom observations per teacher per year to ensure state standards implementation for all students (Source: Local Indicator Priority 2, TeachBoost/SchoolMint Grow)	2023-24: (As of 5/24/24) 71%			2026-27: >= 85%	
2.3	Percentage of students who have received a grade of "C" or better in core subjects and electives (Source: SIS)	2023-24: (First semester) 85%			2026-27: (First semester) >= 80%	
2.4	Percentage of students who have met or exceeded standard on the CAASPP-ELA/Literacy assessments (Source: CDE DataQuest)	2022-23: <ul style="list-style-type: none"> <li>All Students: 35.29%</li> <li>English Learners: 0.00%</li> <li>Socioeconomically Disadvantaged : 34.55%</li> </ul>			2025-26: <ul style="list-style-type: none"> <li>All Students: &gt;= 40.00%</li> <li>English Learners: &gt;= 5.00%</li> <li>Socioeconomically</li> </ul>

# Goal Analysis [2023-24]

An analysis of how this goal was carried out in the previous year.

A description of overall implementation, including any substantive differences in planned actions and actual implementation of these actions, and any relevant challenges and successes experienced with implementation.

Not Applicable.

An explanation of material differences between Budgeted Expenditures and Estimated Actual Expenditures and/or Planned Percentages of Improved Services and Estimated Actual Percentages of Improved Services.

Not Applicable.

A description of the effectiveness or ineffectiveness of the specific actions to date in making progress toward the goal.

Not Applicable.

A description of any changes made to the planned goal, metrics, target outcomes, or actions for the coming year that resulted from reflections on prior practice.

Not Applicable.

## Actions

Action #	Title	Description	Total Funds	Contributing
2.1	Broad course of study and standards based curriculum	Charter School will provide students with a broad array of courses including core subjects (English, mathematics, social sciences, and science) and electives. Charter School will also provide all other academic programs and services outlined in its charter petition, certain programs and services being dependent on student need and interest. Charter School will design its master schedule to meet the needs of its students to ensure all academic content areas are available to all students, including student groups. All students will participate in a rigorous, relevant, and coherent standards-based curriculum that supports the achievement of the schoolwide learner outcomes, academic standards, and college- and career-readiness standards. The school will be appropriately staffed to implement the school master schedule.	\$1,429,594.43	No

Action #	Title	Description	Total Funds	Contributing
		<p>Expenditures associated with this action include the following: teacher salaries and benefits, principal salary and benefits, and substitute teacher expenses.</p> <p>The following expenditures will be funded by federal categorical funds: N/A</p>		
2.2	Professional development for high-quality instruction	<p>Professional development will occur at the MPS organizational level and within the school. Charter School will ensure curricula, instruction, and assessments are aligned to the standards and that teachers participate in professional development on the implementation of standards (CCSS, NGSS, etc.) In addition to ongoing professional development activities that support efforts to increase student academic performance, all staff will be provided with multiple opportunities to grow professionally through induction processes, regular collaboration with colleagues, and curricular support. This involves instructional leadership, common walkthrough protocols, and professional feedback to promote a cycle of continuous improvement, as well as supports for high quality delivery of the program that enables differentiation, particularly for unduplicated students and students with exceptional needs. Instructional leaders at the school and at the Home Office will assess staff professional development needs through formal and informal performance observation, surveys, and student performance data. Based on the data, combined with LCAP goals and the MPS Home Office high quality instruction guidelines, the instructional leaders will determine common staff development days and tailor staff development to individual staff needs.</p> <p>Expenditures associated with this action include the following: professional development, tuition reimbursement, and TeachBoost/SchoolMint Grow software fees.</p> <p>The following expenditures will be funded by federal Title funds: Services &amp; Other Operating Expenses - Professional Development: Resource:</p> <ul style="list-style-type: none"> <li>• Title II Prof Dev-Other: \$15,000</li> <li>• Title II Professional Development: \$9,000</li> </ul>	\$77,500.00	Yes

Action #	Title	Description	Total Funds	Contributing
2.3	MTSS - Academic enrichment, intervention, and student support	<p>Charter School will implement MTSS as a systemic, continuous improvement framework in which data-based problem-solving and decision making is practiced across all levels of the educational system for supporting students. Charter School will synthesize CAASPP and MAP student achievement and growth data, as well as course grades, and other state and internal assessment scores, into reports and regularly review progress towards targets. Targeted interventions will be utilized to create a high-quality differentiated environment where students are supported to engage at their optimal levels. Charter School will provide additional supports and interventions to all students, including but not limited to, 1-1 or small group interventions, targeted support via evidence-based supplemental intervention/enrichment materials and technology (reading, math, etc.), co-taught classes, Power English/Power Math classes, Study Skills, additional support during SSR/Advisory, before and after school tutoring, Saturday classes, and summer programs. SSPT, 504, and other support meetings will be coordinated among teachers and support roles (resource teachers, EL coordinator, department chairs, etc.)</p> <p>Expenditures associated with this action include the following: Dean of Academics salary and benefits, Title-I/ELD coordinator salary and benefits, instructional aide salaries and benefits, teacher stipends for after school, Saturday school, and summer school, NWEA MAP testing fees, Illuminate DnA fees, and evidence-based supplemental intervention/enrichment program fees (IXL, Accelerated Reader, Paper, BrainPOP, Cityspan, Newsela, and myON.)</p> <p>The following expenditures will be funded by federal Title funds:</p> <ul style="list-style-type: none"> <li>• 3010 Title I 4340 Education Software: \$24,429</li> <li>• 3010 Title I 3500 Unemployment Insurance: \$148.56</li> <li>• 3010 Title I 3400 Health &amp; Welfare Benefits: 1,869.05</li> <li>• 3010 Title I 3300 OASDI/Medicare: \$430.82</li> <li>• 3010 Title I 3100 STRS: \$5,674.95</li> <li>• 3010 Title I 1100 Teacher Salaries: \$29,678</li> </ul>	\$786,487.60	Yes

Action #	Title	Description	Total Funds	Contributing
2.4	Designated and integrated ELD programs and support for ELs	<p>Charter School will provide services to ELs, including newcomers and LTELs, by proficiency level and provide ELD instruction aligned to the CA ELD standards and framework. Charter School will provide our ELs with core and supplemental ELD instructional materials and provide our teachers with PD focused on ELD standards. Our EL coordinator will monitor EL student progress in program implementation according to our EL Master Plan. Charter School teachers will provide instruction using designated and integrated ELD instructional strategies as outlined in the CHATS framework (and other research-based strategies such as SDAIE) to all students, including ELs. Charter School will provide culturally and linguistically relevant materials for students. ELs will receive further in-class instructional support which includes one-on-one teacher support and small group instruction. Charter School will strive to provide bilingual instructional assistants to provide primary language support to enable students to access content area instruction while gaining language proficiency. Charter School will ensure that teachers participate in PD on ELD instructional strategies and CHATS framework. Charter School will provide regular and timely communication with families of EL students, including newcomers and LTELs, regarding annual assessments, program supports and services, and students' progress toward reclassification. This notification will include, but is not limited to, annual parent notification letters, quarterly ELAC meetings, and parent-teacher conferences.</p> <p>Expenditures associated with this action include the following: EL coordinator salary and benefits, EL coordinator stipend, EL instructional aide salary and benefits.</p> <p>The following expenditures will be funded by federal Title funds:</p> <ul style="list-style-type: none"> <li>• 3010 Title I 3500 Unemployment Insurance: \$58.08</li> <li>• 3010 Title I 3300 OASDI/Medicare: \$168.43</li> <li>• 3010 Title I 3100 STRS: \$2,218.65</li> <li>• 3010 Title I 1100 Teacher Salaries: \$11,616</li> </ul>	\$108,175.11	Yes
2.5	Support for students with disabilities	Students with disabilities will receive services and supports as listed in their Individualized Education Programs (IEPs) (in addition to services they receive pertinent to low income, foster youth and English learner	\$898,923.18	No

Action #	Title	Description	Total Funds	Contributing
		<p>designations) in order to improve outcomes and close the achievement gap, including graduation rate and performance on statewide assessments. Students with disabilities will have access to all additional intervention and student support systems as outlined in Goal 2: Actions 3 and 4, as well as access to push-in and pull-out services, instructional aides, learning center services, and contracted services to provide each scholar with a Free and Appropriate Public Education in their least restrictive and most accessible learning environment. Students with disabilities dually identified as EL will have ELD goals in their IEPs in addition to goals addressing their specific areas of need based on their eligibility. Our SPED, EL, and general education teams will work in collaboration, monitor our scholars' progress toward IEP goal mastery, and provide progress reports to parents. In addition, all IEPs will be reviewed and present levels will be updated during annual and triennial reviews as required by the IDEA.</p> <p>Expenditures associated with this action include the following: SPED coordinator and teacher salaries and benefits, paraprofessional salaries and benefits, school psychologist salary and benefits, SPED intern salaries and benefits, outsourced SPED services fees, and SPED instructional materials and technology.</p> <p>The following expenditures will be funded by federal Title funds:</p> <ul style="list-style-type: none"> <li>• (Non-personnel): Title IV, Part A ESEA (ESSA), Professional Services: \$8,000</li> <li>• (Non-personnel): Title I, Educational Software: \$5,313</li> </ul>		

# Goals and Actions

## Goal

Goal #	Description	Type of Goal
3	INNOVATION: All students will have access to a well-rounded, 21st century education that supports their readiness for college and the global world under our second core pillar of Innovation. Each student will become an independent, innovative scholar by practicing Creativity and Adaptability in their learning, using technology and data-driven online learning, and demonstrating high-quality learning outcomes in myriad ways.	Broad Goal

State Priorities addressed by this goal.

Priority 7: Course Access (Conditions of Learning)  
Priority 8: Other Pupil Outcomes (Pupil Outcomes)

An explanation of why the LEA has developed this goal.

It is the Charter School's vision that our graduates are well-rounded critical thinkers and problem solvers who contribute to the global community. A significant step toward helping our students achieve their maximum potential involves providing a rigorous, relevant and college preparatory curriculum with a STEAM emphasis. Therefore, we will design educational experiences to meet the needs of our scholars with an emphasis on innovation and critical thinking. Charter School will also promote the benefits of a physically active lifestyle and will help students develop skills to engage in lifelong healthy habits, as well as incorporate essential health education concepts to our physical education program. In an effort to provide well-rounded education to our students, Charter School will strive to offer additional programs such as elective courses, arts, music, civics, languages other than English, clubs, etc. Charter School will implement the actions listed under this goal and use the indicated metrics to measure progress in provision of an innovative, well-rounded education that supports student readiness for college and the global world.

## Measuring and Reporting Results

Metric #	Metric	Baseline	Year 1 Outcome	Year 2 Outcome	Target for Year 3 Outcome	Current Difference from Baseline
3.1	Percentage of students enrolled in an Accelerated and/or Advanced Math course and/or Advanced Math club (Source: Local Indicator Priority 7, SIS)	2023-24: (As of 5/20/24) 16%			2026-27: >= 10%	

Metric #	Metric	Baseline	Year 1 Outcome	Year 2 Outcome	Target for Year 3 Outcome	Current Difference from Baseline
3.2	Percentage of students in the current graduating class who have taken a Computer/Technology course and/or experienced blended learning in their program of study (Source: Local Indicator Priority 7, SIS)	2023-24: (As of 5/20/24) 99%			2026-27: >= 90%	
3.3	Percentage of students who have created or demonstrated a STEAM focused project, experiment, model or demo in the current year (Source: Local Indicator Priority 7, SIS)	2023-24: (As of 5/20/24) 98%			2026-27: >= 80%	

### Goal Analysis [2023-24]

An analysis of how this goal was carried out in the previous year.

A description of overall implementation, including any substantive differences in planned actions and actual implementation of these actions, and any relevant challenges and successes experienced with implementation.

Not Applicable.

An explanation of material differences between Budgeted Expenditures and Estimated Actual Expenditures and/or Planned Percentages of Improved Services and Estimated Actual Percentages of Improved Services.

Not Applicable.

A description of the effectiveness or ineffectiveness of the specific actions to date in making progress toward the goal.

Not Applicable.

A description of any changes made to the planned goal, metrics, target outcomes, or actions for the coming year that resulted from reflections on prior practice.

Not Applicable.

## Actions

Action #	Title	Description	Total Funds	Contributing
3.1	College/Career readiness programs and activities	<p>Charter School will promote a college-going culture through college visits, college/career days, and other college/career related activities.</p> <p>Expenditures associated with this action include the following: college/career-related materials and activities.</p> <p>The following expenditures will be funded by federal Title funds: N/A</p>	\$0.00	Yes
3.2	STEM and GATE programs	<p>Charter School will offer STEAM and GATE programs and activities, including Accelerated/Advanced Math course and club. Students will be provided opportunities during the day and after school to create or demonstrate a STEAM focused project, experiment, model or demo. We will also provide information and access to quality out-of-school STEM activities and achievements. With CA Science Framework and NGSS integration, all our students will learn about engineering design, technology, and applications of science as part of their core classes. Furthermore, Charter School will design and implement computer science and engineering-related courses and activities, such as Code.org activities, Project Lead the Way (PLTW) programs, Robotics, etc. Gifted and talented students and students achieving above grade level will be engaged in all classes as teachers differentiate curriculum through adjustments of content through depth, complexity, and pacing. Emphasis will be on innovation, critical thinking, and logical reasoning. Learners will be challenged to investigate, use problem-based learning, and research.</p> <p>Expenditures associated with this action include the following: supplemental STEM program fees.</p> <p>The following expenditures will be funded by federal Title funds: N/A</p>	\$1,001.00	Yes

Action #	Title	Description	Total Funds	Contributing
3.3	Digital literacy and citizenship programs	<p>Charter School will educate our students and staff in digital literacy so that they adapt, create, consume, and connect in productive, responsible ways to utilize technology in academic, social, and professional settings. Charter School will offer Computer/Digital Literacy classes and/or blended learning experiences for our students. Teachers will incorporate appropriate technology into lessons to support student learning and technology will be kept up to date. Students will be provided with opportunities to expand their literacy, computational, and communication skills with digital media; they will be writing advanced essays, conducting internet research, engaging in data collection, presenting ideas and drawing conclusions. Charter School staff will teach and model safe, savvy, and social digital citizenship; topics may include, but are not limited to, using technology applications, including Artificial Intelligence (AI); digital footprint, privacy, and security; digital rights and responsibilities; using social media responsibly and digital etiquette. As our students gain the ability to navigate computing systems, utilize networks and the internet responsibly, analyze and interpret data with an antibias lens, solve problems using algorithms and programming, and carefully consider the ethics of computing technologies, they will become informed digital citizens who can leverage AI and other technologies to promote social justice and equity.</p> <p>Expenditures associated with this action include the following: computer teacher salary and benefits, and internet security program fees.</p> <p>The following expenditures will be funded by federal Title funds:</p> <ul style="list-style-type: none"> <li>Educational Software: Resource: Title IV, Part A, Amount: \$3,000</li> </ul>	\$8,720.35	Yes
3.4	Physical education, activity, and fitness	<p>Charter School will provide students with physical education, using an age-appropriate, sequential PE curriculum consistent with state standards for PE. The curriculum will promote the benefits of a physically active lifestyle and will help students develop skills to engage in lifelong healthy habits, as well as incorporate essential health education concepts. Charter School will offer recess before lunch and students will be provided with periodic opportunities to be active or to stretch throughout the day on all or most</p>	\$385,446.90	Yes

Action #	Title	Description	Total Funds	Contributing
		<p>days during a typical school week. To the extent practicable, Charter School will ensure that its grounds and facilities are safe, and that equipment is available to students to be active. Charter School will offer opportunities for students to participate in physical activity either before and/or after the school day (or both) through a variety of methods such as physical activity/sports clubs, intramurals or interscholastic sports, etc. Charter School will adhere to the MPS Wellness Policy guidelines on physical education, activity, and fitness.</p> <p>Expenditures associated with this action include the following: PE/Health teacher salary and benefits and physical activity, fitness, and equipment expenses.</p> <p>The following expenditures will be funded by federal Title funds:</p> <ul style="list-style-type: none"> <li>• 3010 Title I 3500 Unemployment Insurance: \$200.53</li> <li>• 3010 Title I 3400 Health &amp; Welfare Benefits: 3,594.32</li> <li>• 3010 Title I 3300 OASDI/Medicare: \$581.53</li> <li>• 3010 Title I 3100 STRS: \$7,660.24</li> <li>• 3010 Title I 1100 Teacher Salaries: \$40,106</li> </ul>		
3.5	Additional programs and activities that support well-rounded education	<p>To provide well-rounded education to our students, Charter School will strive to offer additional programs such as elective courses, arts, music, civics, languages other than English (LOTE), clubs, etc. Arts instruction focuses on developing students' creativity, imagination, discipline and self-expression through drawing and fine arts. It is important that all our students, particularly unduplicated students, are provided with experiential learning opportunities, including but not limited to, instructional field trips, internships, community service programs, clubs, etc. Charter School teachers and other staff will offer after school clubs for enrichment in the areas of, including, but not limited to, STEM (science, technology, engineering, math), ELA, LOTE, culture, sports, visual and performing arts, community service, leadership, and others. In addition to these clubs, the Charter School's Expanded Learning Opportunities Program (ELO-P) will support afterschool and summer enrichment programs in science, robotics, advanced math, academic competitions, journalism, college mentorship, and other areas.</p>	\$908,911.75	Yes

Action #	Title	Description	Total Funds	Contributing
		<p>Expenditures associated with this action include the following: teacher salaries and benefits for additional programs that support well-rounded education, supplemental materials, field trip expenses, and afterschool/club expenses.</p> <p>The following expenditures will be funded by federal Title funds: N/A</p>		

# Goals and Actions

## Goal

Goal #	Description	Type of Goal
4	CONNECTION: All students, families, staff, and other educational partners will experience our third core pillar, Connection, and have access to meaningful engagement opportunities that help cultivate Effective Communication and Global Citizenship in a safe and nurturing environment. Educational partners will feel a sense of community and connectedness.	Broad Goal

### State Priorities addressed by this goal.

- Priority 3: Parental Involvement (Engagement)
- Priority 5: Pupil Engagement (Engagement)
- Priority 6: School Climate (Engagement)

### An explanation of why the LEA has developed this goal.

School communities are integrated partnerships with the school site staff, families, students and all other educational partners. This sense of connection creates a safe place for all learners and educational partners to affirm individual strengths, develop capacity, celebrate character, build trusting and respectful relationships, promote unity and better decision making. Additionally, community cultivates identity and gives each member a sense of belonging and pride. Charter School will seek family input for decision making, utilize home visits and educational partner surveys, and provide academic and social-emotional support through MTSS/PBIS. We will work with community partners to support the vision and goals of the school, including our students' development of personal and academic networks for long-term resilience and connection. Charter School will implement the actions listed under this goal and use the indicated metrics to measure progress in sustaining a sense of community and connectedness.

## Measuring and Reporting Results

## Actions

Action #	Title	Description	Total Funds	Contributing
4.1	Seeking family input for decision-making	Charter School will build the capacity of and support administrators, teachers and staff in order to build the capacity of and support family members to effectively engage in advisory groups and decision-making. Charter School will provide all families with opportunities to provide input on policies and programs, and implement Community School strategies to reach and seek input from any underrepresented groups in the school community. Some periodic information/input sessions for families include, but are not limited to, Board of Directors meetings, Parent Advisory Committee (PAC) meetings, English Learner Advisory Committee (ELAC) meetings, Parent Task Force (PTF) meetings, and Coffee with the Principal meetings. The PAC will be composed of majority of parents of	\$275.00	Yes

Action #	Title	Description	Total Funds	Contributing
		<p>pupils and include parents/guardians of ELs, low-income, foster youth, and students with disabilities. Parents, teachers, staff, students, and community members are encouraged and empowered to join school committees, including the PAC and ELAC. Such committees provide for representation of students in need (low income, EL, foster youth, students with disabilities, etc.) Feedback from our educational partners provide valuable input for the LCAP and continuous school improvement. Charter School chooses to utilize the LCAP to serve as the SPSA and holds an annual meeting to inform parents and collect feedback about LCAP goals and actions, data and needs assessment, Title-funded activities and budgets, UCP, parent and family engagement policy and school-student-parent compact. In addition, as explained in Goal 4: Action 4, Charter School will conduct family surveys to seek feedback on school improvement.</p> <p>Expenditures associated with this action include the following: parent meeting expenses and Document Tracking Services (DTS) fees and stipends for staff participation/service to SSC, ELAC, and Board Meetings.</p> <p>The following expenditures will be funded by federal Title funds: N/A</p>		
4.2	Building relationships and partnerships with families for student outcomes	<p>Charter School will develop the capacity of staff to build trusting and respectful relationships with families and create welcoming environments for all families in the community. Our staff will learn about each family's strengths, cultures, languages, and goals for their children. We will promote participation in activities/events, including Student/Parent Orientation, Back to School Night, and parent conferences. Administrators will greet all students and parents in the mornings during student drop off and have an open-door policy welcoming all parents. We will provide professional learning and support to staff to improve capacity to partner with families and to provide families with information and resources to support student learning and development in the home. Charter School will provide parents with access to course materials, homework assignments, projects, and records of students' grades through our SIS. Charter School will communicate further with the parents of students who are performing below grade level. Our teachers, administrators, and classified staff will visit students at their homes to discuss student progress and enhance</p>	\$240,328.27	Yes

Action #	Title	Description	Total Funds	Contributing
		<p>student learning and involvement. Charter School will also support families to understand and exercise their legal rights and advocate for their own students and all students. Charter School will schedule annual workshops for parents as well as additional workshops for parents of EL and immigrant students. Topics to be covered include, but are not limited to, the school's EL Master Plan, stages of language acquisition, state testing, college application, using SIS to check student progress, study habits, and family literacy. Charter School will use a variety of communication channels to connect with families in a language that is understandable and accessible to them. A parent communication software will be utilized for voice and text communications, email, and push notifications. We will provide language translators at parent meetings to the extent practicable.</p> <p>Expenditures associated with this action include the following: Infinite Campus SIS fees, ParentSquare software fees, SchoolMint software fees, home-visit compensation, parent activity/event expenses, Parent Education Bridge program fees, Pitney Bowes expenses, and Office manager/Administrative assistant salaries and benefits.</p> <p>The following expenditures will be funded by federal Title funds:</p> <ul style="list-style-type: none"> <li>• 3010 Title I 5800 Professional Services: \$7,500</li> <li>• 3010 Title I 3500 Unemployment Insurance: \$115</li> <li>• 3010 Title I 3300 OASDI/Medicare: \$333.5</li> <li>• 3010 Title I 3100 STRS: \$4,393</li> <li>• 3010 Title I 1100 Teacher Salaries: \$23,000</li> </ul>		
4.3	MTSS - PBIS and SEL support	<p>Charter School will provide a safe, nurturing, and engaging learning environment for all our students and families. Academic and social-emotional support will be provided to address student needs as well as instructional materials including free uniforms. Students who are homeless, experiencing housing instability, are in foster care or experiencing personal/family crisis or have other special needs will be cared for in our supportive school community. Charter School will offer a SEL/Life Skills program that provides students with valuable skills to support academic excellence and social skill development. We will annually assess our suspension/expulsion policies and procedures and implement alternatives</p>	\$386,203.58	Yes

Action #	Title	Description	Total Funds	Contributing
		<p>to suspension/expulsion, including restorative practices. Teachers will establish classroom management procedures, foster positive relationships, and help create an atmosphere of trust, respect, and high expectations. Charter School will implement a positive and equitable student responsibility and behavior system with teaching, intervention and prevention strategies and protocols that are clear, fair, incremental, restorative, and culturally responsive. Charter School will celebrate student and school achievements and organize recognition assemblies and other schoolwide culture-building activities. Charter School will inform parents and students of attendance policies specified in the Student/Parent Handbook and encourage and support student attendance. Charter School will also implement the CORE DISTRICTS SEL Survey instrument in the fall and spring annually to assess the following social-emotional competencies: growth mindset, self-efficacy, self-management, and social awareness. As part of our MTSS efforts, school leadership, teachers, and support staff will analyze student SEL survey results in the fall to provide our students with targeted social-emotional support and then measure student responses again in the spring to measure growth, identify greatest progress and needs in order to inform our next steps.</p> <p>Expenditures associated with this action include the following: Dean of Students salary and benefits, discipline coordinator salary and benefits, office/attendance clerk salaries and benefits, school uniform expenses, PD on classroom management, PBIS, and SEL support, SEL program fees, outsourced SEL services fees, and additional services for homeless students.</p> <p>The following expenditures will be funded by federal Title funds:</p> <ul style="list-style-type: none"> <li>• 3010 Title I 4310 Ins Mats &amp; Sups: \$4,053</li> <li>• 3010 Title I 4340 Educational Software: \$9,900</li> </ul>		
4.4	Annual educational partner surveys	Charter School will annually administer school experience surveys to students, families, and staff. Charter School will implement the CORE DISTRICTS Survey instrument to assess our educational partners' perceptions of the following school climate indicators: climate of support for academic learning; knowledge and fairness of discipline, rules and norms;	\$2,000.00	Yes

Action #	Title	Description	Total Funds	Contributing
		<p>safety; and sense of belonging (school connectedness). In addition, we ask our educational partners open-ended questions about what they like the best about the school and suggestions for improvement. This feedback instrument provides all staff and school leaders with valuable information about how students see their classes, how much parents are involved, how supported staff feel and how to facilitate improvement. Our staff will analyze the survey results to identify the greatest progress and needs in order to inform our next steps.</p> <p>Expenditures associated with this action include the following: Panorama Education survey fees.</p> <p>The following expenditures will be funded by federal Title funds:</p> <ul style="list-style-type: none"> <li>• 3010 Title I 5800 Professional Services: \$2,000</li> </ul>		
4.5	Community outreach and partnerships	<p>Charter School will establish community, business, institutional and civic partnerships that invest in and support the vision and goals of the school. School staff will participate in local activities that engage community members and staff in communicating school successes to the broader community. Charter School will secure community support to sustain existing resources and add new resources that address emerging student needs. Charter School leadership will actively develop relationships with a range of educational partners, policymakers, and researchers to identify and address issues, trends, and potential changes that affect the context and conduct of education.</p> <p>Expenditures associated with this action include the following: Community Schools Coordinator salary and benefits, membership fees (CCSA, WASC, etc.), marketing, branding, outreach, and partnership expenses.</p> <p>The following expenditures will be funded by federal Title funds: N/A</p>	\$376,131.74	Yes

## Required Descriptions

### LEA-wide and Schoolwide Actions

For each action being provided to an entire LEA or school, provide an explanation of (1) the unique identified need(s) of the unduplicated student group(s) for whom the action is principally directed, (2) how the action is designed to address the identified need(s) and why it is being provided on an LEA or schoolwide basis, and (3) the metric(s) used to measure the effectiveness of the action in improving outcomes for the unduplicated student group(s).

Goal and Action #	Identified Need(s)	How the Action(s) Address Need(s) and Why it is Provided on an LEA-wide or Schoolwide Basis	Metric(s) to Monitor Effectiveness
1.4	<p><b>Action:</b> Healthy and nutritious meals</p> <p><b>Need:</b> Low-income students do not have sufficient or consistent access to nutritious meals and they develop poor eating habits. As a result, they experience poor health and academic outcomes, including, but not limited to, obesity, chronic absenteeism and lower grades. There</p>	<p>MPS is committed to the optimal development of every student. Research shows that two components, good nutrition and physical activity before, during and after the school day, are strongly correlated with positive student outcomes. For example, student participation in the U.S. Department of Agriculture’s (USDA) School Breakfast Program is associated with higher grades and standardized test scores, lower absenteeism and better performance on cognitive tasks. Conversely, less-than-adequate</p>	<p>Goal 2:</p> <ul style="list-style-type: none"> <li>Percentage of students who have received a grade of “C” or better in core subjects and electives (Source: SIS)</li> </ul> <p>Goal 4:</p>

Goal and Action #	Identified Need(s)	How the Action(s) Address Need(s) and Why it is Provided on an LEA-wide or Schoolwide Basis	Metric(s) to Monitor Effectiveness
	<p>is a need to provide all our students with healthy and nutritious meals.</p> <p><b>Scope:</b> LEA-wide</p>	<p>consumption of specific foods including fruits, vegetables and dairy products, is associated with lower grades among students. Finally, there is evidence that adequate hydration is associated with better cognitive performance. With consideration of the importance of good nutrition, Charter School will maintain nutrition education resources and continue to focus on innovative ways to increase access to freshly prepared, nutritious foods to ensure students are well-nourished and ready to learn. We will provide two school meals free of charge during each schoolday to any student who requests a meal without consideration of the student's eligibility for a federally funded free or reduced-price meal, with a maximum of one free meal for each meal service period. This action will result in increased and improved services, particularly for our low-income students, who may not have access to nutritious meals and are experiencing poor health outcomes. With the needs of low-income students in mind, this action will be provided on a schoolwide basis. It was found effective in the current school year and will be continued in the coming school year. Charter School will promote healthy food and beverage choices for all students throughout campus, as well as encourage participation in school meal programs. Charter School will adhere to the MPS Wellness Policy guidelines on nutritious foods for all food sales and celebrations. We expect the meal program will help improve the diet and health of our students and mitigate childhood obesity, model healthy eating to support the development of lifelong healthy eating patterns and support healthy choices while accommodating cultural food preferences and special dietary</p>	<ul style="list-style-type: none"> <li>• Chronic Absenteeism Rate (Source: CA School Dashboard, SIS)</li> <li>• School experience survey "overall satisfaction rates" based on the responses of our students to the question, "Overall, I am satisfied and would recommend this school to other students." Goal and Action #	Identified Need(s)	How the Action(s) Address Need(s) and Why it is Provided on an LEA-wide or Schoolwide Basis	Metric(s) to Monitor Effectiveness
		needs. We also expect this action will result in increased student belonging as measured by the annual student surveys in Goal 4: Action 4.	
2.2	<p><b>Action:</b> Professional development for high-quality instruction</p> <p><b>Need:</b> The majority of Charter School's student population consists of low-income and socioeconomically disadvantaged students, English learners, and students with disabilities, many of whom are dually identified as EL. These student groups have social and emotional conditions that influence academic learning, as evidenced by the performance gaps on the CA School Dashboard, CAASPP results, and other available data. Addressing the unique needs of students from diverse backgrounds is a major challenge because our teachers need to be prepared with the relevant content knowledge, experience, and training, with a focus on cultural and linguistic characteristics of our diverse learners.</p> <p><b>Scope:</b> LEA-wide</p>	<p>With the needs of our diverse student body in mind, Charter School will ensure curricula, instruction, and assessments are aligned to the standards and that teachers participate in professional development on the implementation of standards (CCSS, NGSS, etc.) In addition to ongoing professional development activities that support efforts to increase student academic performance, all staff will be provided with multiple opportunities to grow professionally through induction processes, regular collaboration with colleagues, and curricular support. This involves instructional leadership, common walkthrough protocols using the TeachBoost/SchoolMint Grow software, and professional feedback to promote a cycle of continuous improvement, as well as supports for high quality delivery of the program that enables differentiation, particularly for unduplicated students and students with exceptional needs. Instructional leaders at the school and at the Home Office will assess staff professional development needs through formal and informal performance observations, surveys, and student performance data. Based on the data, combined with LCAP goals and the MPS Home Office high quality instruction guidelines, the instructional leaders will determine common staff development days and tailor staff development to individual staff needs. This action was found effective in the current school year and will be continued in the coming school year. We expect this schoolwide action will result in increased academic achievement of our student groups on</p>	<p>Goal 2:</p> <ul style="list-style-type: none"> <li>• Percentage of completion of observations by the school administration based on one formal and four informal classroom observations per teacher per year to ensure state standards implementation for all students (Source: Local Indicator Priority 2, TeachBoost/SchoolMint Grow)</li> <li>• Percentage of students who have received a grade of "C" or better in core subjects and electives (Source: SIS)</li> <li>• Percentage of students who have met or exceeded</li> </ul>

			<ul style="list-style-type: none"> <li>Conditional Growth Index and Percentile (CGI and CGP) based on students' growth on the Measures of Academic Progress (MAP)-Mathematics assessment from fall to spring as compared to the national growth norms (Source: NWEA MAP)</li> </ul>
<p><b>2.3</b></p>	<p><b>Action:</b> MTSS - Academic enrichment, intervention, and student support</p> <p><b>Need:</b> The majority of Charter School's student population consists of low-income and socioeconomically disadvantaged students, English learners, and students with disabilities, many of whom are dually identified as EL. These student groups have social and emotional conditions that influence academic learning, as evidenced by the performance gaps on the CA School Dashboard, CAASPP results, and other available data. Most of our low-income students have parents working multiple jobs and need academic support. Foster youth and English learners may experience feelings of anxiety and confusion.</p>	<p>Considering the needs of our vulnerable student groups in mind, Charter School will implement MTSS as a systemic, continuous improvement framework in which data-based problem-solving and decision making is practiced across all levels of the educational system for supporting students. Charter School will synthesize CAASPP and MAP student achievement and growth data, as well as course grades, and other state and internal assessment scores, into reports and regularly review progress towards targets. Targeted interventions will be utilized to create a high-quality differentiated environment where students are supported to engage at their optimal levels. Charter School will provide additional supports and interventions to all students, including but not limited to, 1-1 or small group interventions, targeted support via evidence-based supplemental intervention/enrichment materials and technology</p>	<p>Goal 2:</p> <ul style="list-style-type: none"> <li>Percentage of completion of observations by the school administration based on one formal and four informal classroom observations per teacher per year to ensure state standards implementation for all students (Source: Local Indicator Priority 2,</li> </ul>

Goal and Action #	Identified Need(s)	How the Action(s) Address Need(s) and Why it is Provided on an LEA-wide or Schoolwide Basis	Metric(s) to Monitor Effectiveness
	<p>Students struggle with access to materials, technology, and a quiet, private place to study. There are gaps in their learning that need individualized attention.</p> <p><b>Scope:</b> LEA-wide</p>	<p>(reading, math, etc.), co-taught classes, Power English/Power Math classes, Study Skills, additional support during SSR/Advisory, before and after school tutoring, Saturday classes, and summer programs. SSPT, 504, and other support meetings will be coordinated among teachers and support roles (resource teachers, EL coordinator, department chairs, etc.) We expect that these student supports and interventions will provide increased and improved services for all our unduplicated students who need extra support and attention. This action was found effective in the current school year and will be continued in the coming school year. It will be provided on a schoolwide basis and we expect all student groups to show academic growth as measured by the CA School Dashboard, CAASPP assessments, MAP assessments, student grades, and other metrics as identified in our LCAP metrics in Goal 2.</p>	<p>TeachBoost/SchoolMint Grow)</p> <ul style="list-style-type: none"> <li>• Percentage of students who have received a grade of “C” or better in core subjects and electives (Source: SIS)</li> <li>• Percentage of students who have met or exceeded standard on the CAASPP-ELA/Literacy assessments (Source: CDE DataQuest)</li> <li>• Distance from Standard (DFS) on the CAASPP-ELA/Literacy assessments (Source: CA School Dashboard)</li> <li>• Percentage of students who have met their growth targets on the Measures of Academic Progress (MAP)-Reading</li> </ul>

<p><b>2.4</b></p>	<p><b>Action:</b> Designated and integrated ELD programs and support for ELs</p> <p><b>Need:</b></p>	<p>Considering the needs of our ELs, Charter School will provide services to ELs by proficiency level and provide ELD instruction aligned to the CA ELD standards and framework. Charter School will provide our ELs with core and supplemental ELD</p>	<p>Goal 2: For all students, but particularly for the EL and LTEL student groups:</p>

Goal and Action #	Identified Need(s)	How the Action(s) Address Need(s) and Why it is Provided on an LEA-wide or Schoolwide Basis	Metric(s) to Monitor Effectiveness
	<p>The majority of Charter School's student population consists of English Learners (EL), including long-term ELs (LTELs), Reclassified Fluent English Proficient (RFEP) students, and students with disabilities, many of whom are dually identified as EL. ELs need designated English language development instruction. Emerging ELs lack English speaking experience and struggle to communicate. Both ELs and RFEPs have a strong need for meaningful connections among fundamental concepts in the curriculum to their prior knowledge and experiences. They need additional literacy instruction, support, and interventions. Teachers of ELs need to have knowledge of EL strategies and culturally responsive instruction.</p> <p><b>Scope:</b> LEA-wide</p>	<p>instructional materials and provide our teachers with PD focused on ELD standards. Our EL coordinator will monitor EL student progress in program implementation according to our EL Master Plan. Charter School teachers will provide instruction using designated and integrated ELD instructional strategies as outlined in the CHATS framework (and other research-based strategies such as SDAIE) to all students, including ELs. Charter School will provide culturally and linguistically relevant materials for students. ELs will receive further in-class instructional support which includes one-on-one teacher support and small group instruction. Charter School will strive to provide bilingual instructional assistants to provide primary language support to enable students to access content area instruction while gaining language proficiency. Charter School will ensure that teachers participate in PD on ELD instructional strategies and CHATS framework. Charter School will provide regular and timely communication with families of EL students, including newcomers and LTELs, regarding annual assessments, program supports and services, and students' progress toward reclassification. This notification will include, but is not limited to, annual parent notification letters, quarterly ELAC meetings, and parent-teacher conferences. These supports and services will provide increased and improved services for our English learners. This action was found effective in the current school year and will be continued in the coming school year. While some of the actions described here, including the designated ELD instruction, will be targeted only to ELs, the rest of the actions, including integrated</p>	<ul style="list-style-type: none"> <li>• Percentage of students who have received a grade of “C” or better in core subjects and electives (Source: SIS)</li> <li>• Percentage of students who have met or exceeded standard on the CAASPP-ELA/Literacy assessments (Source: CDE DataQuest)</li> <li>• Distance from Standard (DFS) on the CAASPP-ELA/Literacy assessments (Source: CA School Dashboard)</li> <li>• Percentage of students who have met their growth targets on the Measures of Academic Progress (MAP)-Reading assessment from fall to spring</li> </ul>

Goal and Action #	Identified Need(s)	How the Action(s) Address Need(s) and Why it is Provided on an LEA-wide or Schoolwide Basis	Metric(s) to Monitor Effectiveness
		<p>ELD instruction, will be provided for all students. RFEP students, students with disabilities, and all other student groups will benefit from this schoolwide action. We expect that this action will result in increased academic achievement of our student groups, particularly of our ELs and LTELs, on the CA School Dashboard, CAASPP assessments, MAP assessments, student grades, and EL reclassification rates as identified in our LCAP metrics in Goal 2.</p>	<p>(Source: NWEA MAP)</p> <ul style="list-style-type: none"> <li>• Conditional Growth Index and Percentile (CGI and CGP) based on students' growth on the Measures of Academic Progress (MAP)-Reading assessment from fall to spring as compared to the national growth norms (Source: NWEA MAP)</li> <li>• Percentage of students who have met or exceeded standard on the CAASPP-Mathematics assessments (Source: CDE DataQuest)</li> <li>• Distance from Standard (DFS) on the CAASPP-Mathematics assessments (Source: CA School Dashboard)</li> </ul>

<p><b>3.1</b></p>	<p><b>Action:</b> College/Career readiness programs and activities</p> <p><b>Need:</b> The majority of Charter School's student population consists of low-income and socioeconomically disadvantaged students, English learners, and students with disabilities. Many of our students are also the first generation in their families who will attend college. Most of them lack parental support and experience financial difficulties. Our students have a great need for guidance about college/career choices and support for preparation. A college-going, supportive culture at the school is necessary for our students' college/career readiness.</p> <p><b>Scope:</b> LEA-wide</p>	<p>With the needs of our unduplicated students in mind, Charter School will promote a college-going culture through college visits, college/career days, and other college related activities. Charter School will also explore CTE options to provide students with opportunities to explore a career theme of interest while learning a set of technical and employability skills that integrate into or complement their academic studies. Unduplicated students will receive improved services through college-related materials and activities. These services are particularly helpful for first-generation college-bound students who lack parental support strategies and experience financial constraints. This action was found effective in the current school year and will be continued in the coming school year. We expect that this action will result in increased academic achievement as measured by the LCAP metrics in Goal 2 as well as increased student belonging as measured by the annual student surveys in Goal 4: Action 4.</p>	<p>Goal 2:</p> <ul style="list-style-type: none"> <li>Percentage of students who have received a grade of "C" or better in core subjects and electives (Source: SIS)</li> </ul> <p>Goal 4:</p> <ul style="list-style-type: none"> <li>Chronic Absenteeism Rate (Source: CA School Dashboard, SIS)</li> <li>School experience survey "overall satisfaction rates" based on the responses of our students to the question,</li> </ul>

<p><b>3.2</b></p>	<p><b>Action:</b> STEM and GATE programs</p> <p><b>Need:</b> Charter School has a vision to help reverse the tide of U.S. students falling behind their peers in other nations in critical subjects like math and science. We strive to graduate students who come from historically underserved neighborhoods as scientific thinkers that contribute to the global community as socially responsible and educated members of society. Charter School's educational approach is based on the conviction that STEM education is essential to improving our modern society's knowledge base and adaptability to the fast pace of everchanging technological advancements. Historically, the number of African American and Latino students pursuing careers in STEAM fields has been very low. Research suggests that a significant cause of these low numbers is that students have inadequate exposure to intensive STEM curricula.</p>	<p>Charter School strives to address the shortage by inspiring and preparing students to choose career paths in science and technology. The majority of Charter School's student population consists of low-income and socioeconomically disadvantaged students of color, English learners, and students with disabilities. With the needs of our community in mind, Charter School will offer STEAM and GATE programs and activities, including Accelerated/Advanced Math course and club. Students will be provided opportunities during the day and after school to create or demonstrate a STEM focused project, experiment, model or demo. We will also provide information and access to quality out-of-school STEM activities and achievements. With CA Science Framework and NGSS integration, all our students will learn about engineering design, technology, and applications of science as part of their core classes. Furthermore, Charter School will design and implement computer science and engineering-related courses and activities, such as Code.org activities, Project Lead the Way (PLTW) programs, Robotics, etc. Unduplicated students will receive increased and improved support through access to</p>	<p>Goal 3:</p> <ul style="list-style-type: none"> <li>• Percentage of students enrolled in an Accelerated and/or Advanced Math course and/or Advanced Math club (Source: Local Indicator Priority 7, SIS)</li> <li>• Percentage of students in the current graduating class who have taken a Computer/Technology course and/or experienced blended learning in their program of study (Source: Local Indicator Priority 7, SIS)</li> </ul>

Goal and Action #	Identified Need(s)	How the Action(s) Address Need(s) and Why it is Provided on an LEA-wide or Schoolwide Basis	Metric(s) to Monitor Effectiveness
	<p><b>Scope:</b> LEA-wide</p>	<p>supplemental STEM programs and activities. Gifted and talented students and students achieving above grade level will be engaged in all classes as teachers differentiate curriculum through adjustments of content through depth, complexity, and pacing. Emphasis will be on innovation, critical thinking, and logical reasoning. This action was found effective in the current school year and will be continued in the coming school year. We expect this schoolwide action will challenge our learners to investigate, use problem-based learning, research, and help become independent and innovative scholars. Goal 3 includes metrics for the percentage of students enrolled in an Accelerated and/or Advanced Math course and/or Advanced Math club, percentage of students in the current graduating class who have taken a Computer/Technology course and/or experienced blended learning in their program of study, and percentage of students who have created or demonstrated a STEAM focused project, experiment, model or demo in the current year.</p>	<ul style="list-style-type: none"> <li>Percentage of students who have created or demonstrated a STEAM focused project, experiment, model or demo in the current year (Source: Local Indicator Priority 7, SIS)</li> </ul>
3.3	<p><b>Action:</b> Digital literacy and citizenship programs</p> <p><b>Need:</b> The majority of Charter School's student population consists of low-income and socioeconomically disadvantaged students, English learners, and students with disabilities, many of whom are dually identified as EL. These student groups have social and emotional conditions that influence academic learning and effective literacy, communication, and presentation skills. Most of our slow-</p>	<p>With the needs of our students in mind, Charter School will educate our students and staff in digital literacy so that they adapt, create, consume, and connect in productive, responsible ways to utilize technology in academic, social, and professional settings. Charter School will offer Computer/Digital Literacy classes and/or blended learning experiences for our students. Teachers will incorporate appropriate technology into lessons to support student learning and technology will be kept up to date. Students will be provided with opportunities to expand their literacy, computational, and communication skills with</p>	<p>Goal 3:</p> <ul style="list-style-type: none"> <li>Percentage of students in the current graduating class who have taken a Computer/Technology course and/or experienced blended learning in their program of study (Source:</li> </ul>

	<p>income students struggle with access to technology as well. Our students have a great need to learn ways to utilize technology in an effective and responsible way.</p> <p><b>Scope:</b> LEA-wide</p>	<p>digital media; they will be writing advanced essays, conducting internet research, engaging in data collection, presenting ideas and drawing conclusions. Charter School staff will teach and model safe, savvy, and social digital citizenship; topics may include, but are not limited to, using technology applications; digital footprint, privacy, and security; digital rights and responsibilities; using social media responsibly and digital etiquette. These activities will result in increased and improved services for our unduplicated students. This action was found effective in the current school year and will be continued in the coming school year. We expect this schoolwide action will help our students expand their knowledge and skills in an ever-evolving digital world. Goal 3 includes a metric for the percentage of students in the current graduating class who have taken a Computer/Technology course and/or experienced blended learning in their program of study.</p>	<p>Local Indicator Priority 7, SIS)</p>
<p><b>3.4</b></p>	<p><b>Action:</b> Physical education, activity, and fitness</p> <p><b>Need:</b> Low-income students do not have sufficient or consistent access to physical activities/sports and fitness education. Research shows that two components, good nutrition and physical activity before, during and after the school day, are strongly correlated with positive student outcomes. Students who are physically active through active transport to and from school, recess, physical activity breaks, high-quality</p>	<p>MPS is committed to the optimal development of every student. With consideration of the importance of physical fitness, Charter School will provide students with physical education, using an age-appropriate, sequential PE curriculum consistent with state standards for PE. The curriculum will promote the benefits of a physically active lifestyle and will help students develop skills to engage in lifelong healthy habits, as well as incorporate essential health education concepts. Charter School will offer recess before lunch and students will be provided with periodic opportunities to be active or to stretch throughout the day on all or most days during a typical school</p>	<p>Goal 2:</p> <ul style="list-style-type: none"> <li>Percentage of students who have received a grade of “C” or better in core subjects and electives (Source: SIS)</li> </ul> <p>Goal 4:</p> <ul style="list-style-type: none"> <li>Chronic Absenteeism Rate (Source: CA</li> </ul>

Goal and Action #	Identified Need(s)	How the Action(s) Address Need(s) and Why it is Provided on an LEA-wide or Schoolwide Basis	Metric(s) to Monitor Effectiveness
	<p>physical education and extracurricular activities do better academically.</p> <p><b>Scope:</b> LEA-wide</p>	<p>week. To the extent practicable, Charter School will ensure that its grounds and facilities are safe, and that equipment is available to students to be active. Charter School will offer opportunities for students to participate in physical activity either before and/or after the school day (or both) through a variety of methods such as physical activity/sports clubs, intramurals or interscholastic sports, etc. Charter School will adhere to the MPS Wellness Policy guidelines on physical education, activity, and fitness. With the needs of low-income students in mind, this action will be provided on a schoolwide basis. It was found effective in the current school year and will be continued in the coming school year. We expect this action will help improve the health of our students and model physical fitness to support the development of lifelong healthy living patterns. We expect that this action will result in increased attendance and grades as well as increased student belonging as measured by the annual student surveys in Goal 4: Action 4.</p>	<p>School Dashboard, SIS)</p> <ul style="list-style-type: none"> <li>School experience survey "overall satisfaction rates" based on the responses of our students to the question, "Overall, I am satisfied and would recommend this school to other students." (Source: Local Indicator Priority 6, Panorama Education)</li> </ul>
<p><b>3.5</b></p>	<p><b>Action:</b> Additional programs and activities that support well-rounded education</p> <p><b>Need:</b> The majority of Charter School's student population consists of low-income and socioeconomically disadvantaged students, English learners, and students with disabilities. Traditionally, schools focus on ELA and math interventions to address the learning gap between vulnerable student groups and their peers. Other important well-rounded programs</p>	<p>To provide well-rounded education to our students, Charter School will strive to offer additional programs such as elective courses, arts, music, civics, languages other than English (LOTE), clubs, etc. Arts instruction focuses on developing students' creativity, imagination, discipline and self-expression through drawing and fine arts. It is important that all our students, particularly unduplicated students, are provided with experiential learning opportunities, including but not limited to, instructional field trips, internships, community service programs, clubs, etc. Charter School teachers and other staff will offer after school clubs for enrichment in the areas of,</p>	<p>Goal 2:</p> <ul style="list-style-type: none"> <li>Percentage of students who have received a grade of "C" or better in core subjects and electives (Source: SIS)</li> </ul> <p>Goal 4:</p> <ul style="list-style-type: none"> <li>Chronic Absenteeism Rate (Source: CA</li> </ul>

Goal and Action #	Identified Need(s)	How the Action(s) Address Need(s) and Why it is Provided on an LEA-wide or Schoolwide Basis	Metric(s) to Monitor Effectiveness
	<p>such as arts, music, civics, and languages other than English may not get the same attention. On the other hand, well-rounded programs help students develop competencies and creative skills in problem solving, communication, and management of time and resources that contribute to lifelong learning and career skills. Our low-income students come from underserved communities that do not have adequate resources and access to experiential learning opportunities.</p> <p><b>Scope:</b> LEA-wide</p>	<p>including, but not limited to, STEM (science, technology, engineering, math), ELA, LOTE, culture, sports, visual and performing arts, community service, leadership, and others. In addition to these clubs, the Charter School's Expanded Learning Opportunities Program (ELO-P) will support afterschool and summer enrichment programs in science, robotics, advanced math, academic competitions, journalism, college mentorship, and other areas. These well-rounded programs and activities will result in increased and improved services for our unduplicated students. With the needs of our unduplicated students in mind, this action will be provided on a schoolwide basis. It was found effective in the current school year and will be continued in the coming school year. We expect this action will help our scholars become independent and innovative scholars. We also expect that this action will result in increased academic achievement as measured by the LCAP metrics in Goal 2 as well as increased student belonging as measured by the annual student surveys in Goal 4: Action 4.</p>	<p>School Dashboard, SIS)</p> <ul style="list-style-type: none"> <li>School experience survey "average approval rates" based on the responses of our students and families to all questions on the survey in the following topics: climate of support for academic learning; knowledge and fairness of discipline, rules, and norms; safety; and sense of belonging (school connectedness) (Source: Local Indicator Priority 6, Panorama Education)</li> <li>School experience survey "overall satisfaction rates" based on the responses of our students and families to the question, "Overall, I am</li> </ul>

4.2	<p><b>Action:</b> Building relationships and partnerships with families for student outcomes</p> <p><b>Need:</b></p>	<p>In order to build partnerships with our families for student outcomes, Charter School will build trusting and respectful relationships with parents through activities/events, including Student/Parent Orientation, Back to School Night, and parent</p>	<p>Goal 2:</p> <ul style="list-style-type: none"> <li>• Percentage of students who have received a grade of "C" or</li> </ul>

Goal and Action #	Identified Need(s)	How the Action(s) Address Need(s) and Why it is Provided on an LEA-wide or Schoolwide Basis	Metric(s) to Monitor Effectiveness
	<p>Family engagement is an essential strategy for building pathways to college and career readiness for all students and is an essential component of a systems approach to improving outcomes for all students. More than thirty years of research has shown that family engagement can lead to improved student outcomes (e.g., attendance, engagement, academic outcomes, social emotional learning, etc.) To engage all families equitably, it is necessary to understand the cultures, languages, needs and interests of families in our school community. Furthermore, developing family engagement policies, programs, and practices needs to be done in partnership with local families, using the tools of continuous improvement. The majority of Charter School's student population consists of low-income and socioeconomically disadvantaged students, English learners, and students with disabilities. Most of our low-income students have parents working multiple jobs. Parents of our ELs need capacity building to support the needs of our ELs.</p> <p><b>Scope:</b> LEA-wide</p>	<p>conferences to promote parental participation in programs. Administrators will greet all students and parents in the mornings during student drop off and have an open-door policy welcoming all parents. Charter School will provide parents with access to course materials, homework assignments, projects, and records of students' grades through our SIS. Charter School will communicate further with the parents of students who are performing below grade level. Our teachers, administrators, and classified staff will visit students at their homes to discuss student progress and enhance student learning and involvement. Charter School will schedule annual workshops for parents as well as additional workshops for parents of EL and immigrant students. Topics to be covered include, but are not limited to, the school's EL Master Plan, stages of language acquisition, state testing, college application, using SIS to check student progress, study habits, and family literacy. Charter School will use a variety of communication channels to connect with families in a language that is understandable and accessible to them. A parent communication software will be utilized for voice and text communications, email, and push notifications. We will provide language translators at parent meetings to the extent practicable. These activities will result in increased and improved services for our unduplicated students and their families. With the needs of our unduplicated students and their families in mind, this action will be provided on a schoolwide basis. It was found effective in the current school year and will be continued in the coming school year. Goal and Action #	Identified Need(s)	How the Action(s) Address Need(s) and Why it is Provided on an LEA-wide or Schoolwide Basis	Metric(s) to Monitor Effectiveness
	<p>These student groups have social and emotional conditions that influence academic learning, as evidenced by the performance gaps on the CA School Dashboard, CAASPP results, and other available data. These student groups also have lower ADA rates while they have higher chronic absenteeism and office referral rates. Children living in poverty are more likely to incur more adverse childhood experiences including abuse, neglect, exposure to neighborhood violence, or an incarcerated parent. Foster youth and English learners may experience feelings of anxiety and confusion. Charter School needs to take action to address the unique academic, social and emotional needs of low-income students, students with disabilities, English learners, racial and ethnic minorities, students experiencing homelessness, and foster care youth.</p> <p><b>Scope:</b> LEA-wide</p>	<p>foster care or experiencing personal/family crisis or have other special needs will be cared for in our supportive school community. Charter School will offer a SEL/Life Skills program that provides students with valuable skills to support academic excellence and social skill development. We will annually assess our suspension/expulsion policies and procedures and implement alternatives to suspension/expulsion, including restorative practices. Teachers will establish classroom management procedures, foster positive relationships, and help create an atmosphere of trust, respect, and high expectations. Charter School will implement a positive and equitable student responsibility and behavior system with teaching, intervention and prevention strategies and protocols that are clear, fair, incremental, restorative, and culturally responsive. Charter School will celebrate student and school achievements and organize recognition assemblies and other schoolwide culture-building activities. Charter School will inform parents and students of attendance policies specified in the Student/Parent Handbook and encourage and support student attendance. Charter School will also implement the CORE DISTRICTS SEL Survey instrument in the fall and spring annually to assess the following social-emotional competencies: growth mindset, self-efficacy, self-management, and social awareness. As part of our MTSS efforts, school leadership, teachers, and support staff will analyze student SEL survey results in the fall to provide our students with targeted social-emotional support and then measure student responses again in the spring to measure growth, identify greatest progress and</p>	<p>electives (Source: SIS)</p> <p>Goal 4:</p> <ul style="list-style-type: none"> <li>• Average Daily Attendance (ADA) Rate (Source: SIS)</li> <li>• Chronic Absenteeism Rate (Source: CA School Dashboard, SIS)</li> <li>• Middle School Dropout Rate (Source: CALPADS)</li> <li>• Student Suspension Rate (Source: CA School Dashboard, CALPADS)</li> <li>• Student Expulsion Rate (Source: CDE DataQuest, CALPADS)</li> <li>• School experience survey "average approval rates" based on the responses of our students, families, and staff to all questions on the survey in</li> </ul>

Goal and Action #	Identified Need(s)	How the Action(s) Address Need(s) and Why it is Provided on an LEA-wide or Schoolwide Basis	Metric(s) to Monitor Effectiveness
<p><b>4.4</b></p>	<p><b>Action:</b> Annual educational partner surveys</p> <p><b>Need:</b> It is important that parents, students, and staff are engaged in the development of all school plans, including, but not limited to, the LCAP, SPSA (Charter School uses the LCAP to serve as the SPSA), and WASC Self-Study. Charter School wishes to engage all parents, to the extent applicable, in the process of school review and improvement. The majority of Charter School's student population consists of low-income and socioeconomically disadvantaged students, English learners, and students with disabilities. To engage all students and families equitably, it is necessary to understand the cultures, languages, needs and interests of students and families in our school community. Educational partner voices, i.e., voices of our students, families, staff, and other school community members, play a powerful role in helping us learn how to improve our teaching, leadership, and other school practices. In order to engage educational partners in an organized, ongoing and timely manner in the planning, review and improvement of our programs, Charter School needs to provide multiple channels to engage educational partners in decision making. Surveys have been the primary means of collecting student, family, and staff voices about what we are doing great and should keep doing, and what areas for improvement</p>	<p>Considering the needs of our unduplicated students and their families, MPS uses an online platform to provide students, families, and staff with groups of questions that measure their perceptions of teaching and learning, as well as their perceptions of school climate and safety. This feedback instrument provides teachers and school leaders with valuable data about how students see their classes, how much parents are involved, how supported staff feel and how to facilitate improvement. Charter School will annually administer school experience surveys to students, parents, and staff. Charter School will implement the CORE DISTRICTS Survey instrument to assess our educational partners' perceptions of the following school climate indicators: climate of support for academic learning; knowledge and fairness of discipline, rules and norms; safety; and sense of belonging (school connectedness). In addition, we ask our educational partners open-ended questions about what they like the best and the least about the school and suggestions for improvement. This feedback instrument provides all staff and school leaders with valuable information about how students see their classes, how much parents are involved, how supported staff feel and how to facilitate improvement. Our staff will analyze the survey results to identify the greatest progress and needs in order to inform our next steps. The surveys help identify and plan for increased and improved services for our unduplicated students and their families. With the needs of our unduplicated students and their families in mind, this action will be provided on a schoolwide basis. It was found effective in the</p>	<p>Goal 4:</p> <ul style="list-style-type: none"> <li>• School experience survey "participation rates" by students, families, and staff (Source: Local Indicator Priority 6, Panorama Education)</li> <li>• School experience survey "average approval rates" based on the responses of our students, families, and staff to all questions on the survey in the following topics: climate of support for academic learning; knowledge and fairness of discipline, rules, and norms; safety; and sense of belonging (school connectedness) (Source: Local Indicator Priority</li> </ul>

**Limited Actions**

For each action being solely provided to one or more unduplicated student group(s), provide an explanation of (1) the unique identified need(s) of the unduplicated student group(s) being served, (2) how the action is designed to address the identified need(s), and (3) how the effectiveness of the action in improving outcomes for the unduplicated student group(s) will be measured.

Goal and Action #	Identified Need(s)	How the Action(s) are Designed to Address Need(s)	Metric(s) to Monitor Effectiveness
-------------------	--------------------	---	------------------------------------

For any limited action contributing to meeting the increased or improved services requirement that is associated with a Planned Percentage of Improved Services in the Contributing Summary Table rather than an expenditure of LCFF funds, describe the methodology that was used to determine the contribution of the action towards the proportional percentage, as applicable.

**Additional Concentration Grant Funding**

A description of the plan for how the additional concentration grant add-on funding identified above will be used to increase the number of staff providing direct services to students at schools that have a high concentration (above 55 percent) of foster youth, English learners, and low-income students, as applicable.

Similar to the current academic year, MSA-8 will utilize the concentration grant add-on funds (\$98,241) in the following manner:

MSA-8 is using the concentration grant add-on funds received in a manner which is consistent with California Education Code Section 42238.02, as amended, to increase the number of certificated staff, classified staff, or both, including custodial staff, who provide direct services to students on school campuses with greater than 55 percent unduplicated pupil enrollment, as compared to schools with an enrollment of unduplicated students that is equal to or less than 55 percent.

By adding these faculty/staff members, we aim to strengthen our ability to address the diverse needs of our student population and provide targeted support where it is most needed. This strategic allocation of funds will help create a more conducive learning environment and contribute to our student's overall growth and achievement.

<b>Staff-to-student ratios by type of school and concentration of unduplicated students</b>	Schools with a student concentration of 55 percent or less	Schools with a student concentration of greater than 55 percent
Staff-to-student ratio of classified staff providing direct services to students		

<b>Staff-to-student ratios by type of school and concentration of unduplicated students</b>	Schools with a student concentration of 55 percent or less	Schools with a student concentration of greater than 55 percent
Staff-to-student ratio of certificated staff providing direct services to students

# Local Control and Accountability Plan Instructions

[Plan Summary](#)

[Engaging Educational Partners](#)

[Goals and Actions](#)

[Increased or Improved Services for Foster Youth, English Learners, and Low-Income Students](#)

For additional questions or technical assistance related to the completion of the Local Control and Accountability Plan (LCAP) template, please contact the local county office of education (COE), or the California Department of Education's (CDE's) Local Agency Systems Support Office, by phone at 916-319-0809 or by email at [LCFF@cde.ca.gov](mailto:LCFF@cde.ca.gov).

## Introduction and Instructions

The Local Control Funding Formula (LCFF) requires local educational agencies (LEAs) to engage their local educational partners in an annual planning process to evaluate their progress within eight state priority areas encompassing all statutory metrics (COEs have 10 state priorities). LEAs document the results of this planning process in the LCAP using the template adopted by the State Board of Education.

The LCAP development process serves three distinct, but related functions:

- **Comprehensive Strategic Planning:** The process of developing and annually updating the LCAP supports comprehensive strategic planning, particularly to address and reduce disparities in opportunities and outcomes between student groups indicated by the California School Dashboard (California *Education Code* [EC] Section 52064[e][1]). Strategic planning that is comprehensive connects budgetary decisions to teaching and learning performance data. LEAs should continually evaluate the hard choices they make about the use of limited resources to meet student and community needs to ensure opportunities and outcomes are improved for all students.
- **Meaningful Engagement of Educational Partners:** The LCAP development process should result in an LCAP that reflects decisions made through meaningful engagement (EC Section 52064[e][1]). Local educational partners possess valuable perspectives and insights about an LEA's programs and services. Effective strategic planning will incorporate these perspectives and insights in order to identify potential goals and actions to be included in the LCAP.
- **Accountability and Compliance:** The LCAP serves an important accountability function because the nature of some LCAP template sections require LEAs to show that they have complied with various requirements specified in the LCFF statutes and regulations, most notably:
  - Demonstrating that LEAs are increasing or improving services for foster youth, English learners, including long-term English learners, and low-income students in proportion to the amount of additional funding those students generate under LCFF (EC Section 52064[b][4-6]).
  - Establishing goals, supported by actions and related expenditures, that address the statutory priority areas and statutory metrics (EC sections 52064[b][1] and [2]).
    - **NOTE:** As specified in EC Section 62064(b)(1), the LCAP must provide a description of the annual goals, for all pupils and each subgroup of pupils identified pursuant to EC Section 52052, to be achieved for each of the state priorities. Beginning in 2023–24, EC

Section 52052 identifies long-term English learners as a separate and distinct pupil subgroup with a numerical significance at 15 students.

- Annually reviewing and updating the LCAP to reflect progress toward the goals (*EC* Section 52064[b][7]).
- Ensuring that all increases attributable to supplemental and concentration grant calculations, including concentration grant add-on funding and/or LCFF carryover, are reflected in the LCAP (*EC* sections 52064[b][6], [8], and [11]).

The LCAP template, like each LEA's final adopted LCAP, is a document, not a process. LEAs must use the template to memorialize the outcome of their LCAP development process, which must: (a) reflect comprehensive strategic planning, particularly to address and reduce disparities in opportunities and outcomes between student groups indicated by the California School Dashboard (Dashboard), (b) through meaningful engagement with educational partners that (c) meets legal requirements, as reflected in the final adopted LCAP. The sections included within the LCAP template do not and cannot reflect the full development process, just as the LCAP template itself is not intended as a tool for engaging educational partners.

If a county superintendent of schools has jurisdiction over a single school district, the county board of education and the governing board of the school district may adopt and file for review and approval a single LCAP consistent with the requirements in *EC* sections 52060, 52062, 52066, 52068, and 52070. The LCAP must clearly articulate to which entity's budget (school district or county superintendent of schools) all budgeted and actual expenditures are aligned.

The revised LCAP template for the 2024–25, 2025–26, and 2026–27 school years reflects statutory changes made through Senate Bill 114 (Committee on Budget and Fiscal Review), Chapter 48, Statutes of 2023.

At its most basic, the adopted LCAP should attempt to distill not just what the LEA is doing for students in transitional kindergarten through grade twelve (TK–12), but also allow educational partners to understand why, and whether those strategies are leading to improved opportunities and outcomes for students. LEAs are strongly encouraged to use language and a level of detail in their adopted LCAPs intended to be meaningful and accessible for the LEA's diverse educational partners and the broader public.

In developing and finalizing the LCAP for adoption, LEAs are encouraged to keep the following overarching frame at the forefront of the strategic planning and educational partner engagement functions:

Given present performance across the state priorities and on indicators in the Dashboard, how is the LEA using its budgetary resources to respond to TK–12 student and community needs, and address any performance gaps, including by meeting its obligation to increase or improve services for foster youth, English learners, and low-income students?

LEAs are encouraged to focus on a set of metrics and actions which, based on research, experience, and input gathered from educational partners, the LEA believes will have the biggest impact on behalf of its TK–12 students.

These instructions address the requirements for each section of the LCAP, but may include information about effective practices when developing the LCAP and completing the LCAP document. Additionally, the beginning of each template section includes information emphasizing the purpose that section serves.

# Plan Summary

## Purpose

A well-developed Plan Summary section provides a meaningful context for the LCAP. This section provides information about an LEA's community as well as relevant information about student needs and performance. In order to present a meaningful context for the rest of the LCAP, the content of this section should be clearly and meaningfully related to the content included throughout each subsequent section of the LCAP.

## Requirements and Instructions

### General Information

A description of the LEA, its schools, and its students in grades transitional kindergarten–12, as applicable to the LEA.

Briefly describe the LEA, its schools, and its students in grades TK–12, as applicable to the LEA.

- For example, information about an LEA in terms of geography, enrollment, employment, the number and size of specific schools, recent community challenges, and other such information the LEA may wish to include can enable a reader to more fully understand the LEA's LCAP.
- As part of this response, identify all schools within the LEA receiving Equity Multiplier funding.

### Reflections: Annual Performance

A reflection on annual performance based on a review of the California School Dashboard (Dashboard) and local data.

Reflect on the LEA's annual performance on the Dashboard and local data. This may include both successes and challenges identified by the LEA during the development process.

LEAs are encouraged to highlight how they are addressing the identified needs of student groups, and/or schools within the LCAP as part of this response.

As part of this response, the LEA must identify the following, which will remain unchanged during the three-year LCAP cycle:

- Any school within the LEA that received the lowest performance level on one or more state indicators on the 2023 Dashboard;
- Any student group within the LEA that received the lowest performance level on one or more state indicators on the 2023 Dashboard; and/or
- Any student group within a school within the LEA that received the lowest performance level on one or more state indicators on the 2023 Dashboard.

### Reflections: Technical Assistance

As applicable, a summary of the work underway as part of technical assistance.

Annually identify the reason(s) the LEA is eligible for or has requested technical assistance consistent with *EC* sections 47607.3, 52071, 52071.5, 52072, or 52072.5, and provide a summary of the work underway as part of receiving technical assistance. The most common form of this technical assistance is frequently referred to as Differentiated Assistance, however this also includes LEAs that have requested technical assistance from their COE.

- If the LEA is not eligible for or receiving technical assistance, the LEA may respond to this prompt as “Not Applicable.”

### **Comprehensive Support and Improvement**

An LEA with a school or schools identified for comprehensive support and improvement (CSI) under the Every Student Succeeds Act must respond to the following prompts:

#### Schools Identified

A list of the schools in the LEA that are eligible for comprehensive support and improvement.

- Identify the schools within the LEA that have been identified for CSI.

#### Support for Identified Schools

A description of how the LEA has or will support its eligible schools in developing comprehensive support and improvement plans.

- Describe how the LEA has or will support the identified schools in developing CSI plans that included a school-level needs assessment, evidence-based interventions, and the identification of any resource inequities to be addressed through the implementation of the CSI plan.

#### Monitoring and Evaluating Effectiveness

A description of how the LEA will monitor and evaluate the plan to support student and school improvement.

- Describe how the LEA will monitor and evaluate the implementation and effectiveness of the CSI plan to support student and school improvement.

## **Engaging Educational Partners**

### **Purpose**

Significant and purposeful engagement of parents, students, educators, and other educational partners, including those representing the student groups identified by LCFF, is critical to the development of the LCAP and the budget process. Consistent with statute, such engagement should support comprehensive strategic planning, particularly to address and reduce disparities in opportunities and outcomes between student groups indicated by the Dashboard, accountability, and improvement across the state priorities and locally identified priorities (*EC* Section 52064[e][1]). Engagement of educational partners is an ongoing, annual process.

This section is designed to reflect how the engagement of educational partners influenced the decisions reflected in the adopted LCAP. The goal is to allow educational partners that participated in the LCAP development process and the broader public to understand how the LEA engaged educational partners and the impact of that engagement. LEAs are encouraged to keep this goal in the forefront when completing this section.

### **Requirements**

**School districts and COEs:** *EC* sections [52060\(g\) \(California Legislative Information\)](#) and [52066\(g\) \(California Legislative Information\)](#) specify the educational partners that must be consulted when developing the LCAP:

- Teachers,
- Principals,
- Administrators,
- Other school personnel,
- Local bargaining units of the LEA,
- Parents, and
- Students

A school district or COE receiving Equity Multiplier funds must also consult with educational partners at schools generating Equity Multiplier funds in the development of the LCAP, specifically, in the development of the required focus goal for each applicable school.

Before adopting the LCAP, school districts and COEs must share it with the applicable committees, as identified below under Requirements and Instructions. The superintendent is required by statute to respond in writing to the comments received from these committees. School districts and COEs must also consult with the special education local plan area administrator(s) when developing the LCAP.

**Charter schools:** *EC* Section [47606.5\(d\) \(California Legislative Information\)](#) requires that the following educational partners be consulted with when developing the LCAP:

- Teachers,
- Principals,
- Administrators,
- Other school personnel,
- Parents, and
- Students

A charter school receiving Equity Multiplier funds must also consult with educational partners at the school generating Equity Multiplier funds in the development of the LCAP, specifically, in the development of the required focus goal for the school.

The LCAP should also be shared with, and LEAs should request input from, schoolsite-level advisory groups, as applicable (e.g., schoolsite councils, English Learner Advisory Councils, student advisory groups, etc.), to facilitate alignment between schoolsite and district-level goals. Information and resources that support effective engagement, define student consultation, and provide the requirements for advisory group composition, can be found under Resources on the [CDE's LCAP webpage](#).

Before the governing board/body of an LEA considers the adoption of the LCAP, the LEA must meet the following legal requirements:

- For school districts, see [Education Code Section 52062 \(California Legislative Information\)](#);
  - **Note:** Charter schools using the LCAP as the School Plan for Student Achievement must meet the requirements of *EC* Section 52062(a).

- For COEs, see [Education Code Section 52068 \(California Legislative Information\)](#); and
- For charter schools, see [Education Code Section 47606.5 \(California Legislative Information\)](#).
- **NOTE:** As a reminder, the superintendent of a school district or COE must respond, in writing, to comments received by the applicable committees identified in the *Education Code* sections listed above. This includes the parent advisory committee and may include the English learner parent advisory committee and, as of July 1, 2024, the student advisory committee, as applicable.

## Instructions

### Respond to the prompts as follows:

A summary of the process used to engage educational partners in the development of the LCAP.

School districts and county offices of education must, at a minimum, consult with teachers, principals, administrators, other school personnel, local bargaining units, parents, and students in the development of the LCAP.

Charter schools must, at a minimum, consult with teachers, principals, administrators, other school personnel, parents, and students in the development of the LCAP.

An LEA receiving Equity Multiplier funds must also consult with educational partners at schools generating Equity Multiplier funds in the development of the LCAP, specifically, in the development of the required focus goal for each applicable school.

### Complete the table as follows:

#### Educational Partners

Identify the applicable educational partner(s) or group(s) that were engaged in the development of the LCAP.

#### Process for Engagement

Describe the engagement process used by the LEA to involve the identified educational partner(s) in the development of the LCAP. At a minimum, the LEA must describe how it met its obligation to consult with all statutorily required educational partners, as applicable to the type of LEA.

- A sufficient response to this prompt must include general information about the timeline of the process and meetings or other engagement strategies with educational partners. A response may also include information about an LEA's philosophical approach to engaging its educational partners.
- An LEA receiving Equity Multiplier funds must also include a summary of how it consulted with educational partners at schools generating Equity Multiplier funds in the development of the LCAP, specifically, in the development of the required focus goal for each applicable school.

A description of how the adopted LCAP was influenced by the feedback provided by educational partners.

Describe any goals, metrics, actions, or budgeted expenditures in the LCAP that were influenced by or developed in response to the educational partner feedback.

- A sufficient response to this prompt will provide educational partners and the public with clear, specific information about how the engagement process influenced the development of the LCAP. This may include a description of how the LEA prioritized requests of educational partners within the context of the budgetary resources available or otherwise prioritized areas of focus within the LCAP.
- An LEA receiving Equity Multiplier funds must include a description of how the consultation with educational partners at schools generating Equity Multiplier funds influenced the development of the adopted LCAP.
- For the purposes of this prompt, this may also include, but is not necessarily limited to:
  - Inclusion of a goal or decision to pursue a Focus Goal (as described below)
  - Inclusion of metrics other than the statutorily required metrics
  - Determination of the target outcome on one or more metrics
  - Inclusion of performance by one or more student groups in the Measuring and Reporting Results subsection
  - Inclusion of action(s) or a group of actions
  - Elimination of action(s) or group of actions
  - Changes to the level of proposed expenditures for one or more actions
  - Inclusion of action(s) as contributing to increased or improved services for unduplicated students
  - Analysis of effectiveness of the specific actions to achieve the goal
  - Analysis of material differences in expenditures
  - Analysis of changes made to a goal for the ensuing LCAP year based on the annual update process
  - Analysis of challenges or successes in the implementation of actions

## Goals and Actions

### Purpose

Well-developed goals will clearly communicate to educational partners what the LEA plans to accomplish, what the LEA plans to do in order to accomplish the goal, and how the LEA will know when it has accomplished the goal. A goal statement, associated metrics and expected outcomes, and the actions included in the goal must be in alignment. The explanation for why the LEA included a goal is an opportunity for LEAs to clearly communicate to educational partners and the public why, among the various strengths and areas for improvement highlighted by performance data and strategies and actions that could be pursued, the LEA decided to pursue this goal, and the related metrics, expected outcomes, actions, and expenditures.

A well-developed goal can be focused on the performance relative to a metric or metrics for all students, a specific student group(s), narrowing performance gaps, or implementing programs or strategies expected to impact outcomes. LEAs should assess the performance of their student groups when developing goals and the related actions to achieve such goals.

### Requirements and Instructions

LEAs should prioritize the goals, specific actions, and related expenditures included within the LCAP within one or more state priorities. LEAs must consider performance on the state and local indicators, including their locally collected and reported data for the local indicators that are included in the Dashboard, in determining whether and how to prioritize its goals within the LCAP. As previously stated, strategic planning that

is comprehensive connects budgetary decisions to teaching and learning performance data. LEAs should continually evaluate the hard choices they make about the use of limited resources to meet student and community needs to ensure opportunities and outcomes are improved for all students, and to address and reduce disparities in opportunities and outcomes between student groups indicated by the Dashboard.

In order to support prioritization of goals, the LCAP template provides LEAs with the option of developing three different kinds of goals:

- **Focus Goal:** A Focus Goal is relatively more concentrated in scope and may focus on a fewer number of metrics to measure improvement. A Focus Goal statement will be time bound and make clear how the goal is to be measured.
  - All Equity Multiplier goals must be developed as focus goals. For additional information, see Required Focus Goal(s) for LEAs Receiving Equity Multiplier Funding below.
- **Broad Goal:** A Broad Goal is relatively less concentrated in its scope and may focus on improving performance across a wide range of metrics.
- **Maintenance of Progress Goal:** A Maintenance of Progress Goal includes actions that may be ongoing without significant changes and allows an LEA to track performance on any metrics not addressed in the other goals of the LCAP.

### Requirement to Address the LCFF State Priorities

At a minimum, the LCAP must address all LCFF priorities and associated metrics articulated in *EC* sections 52060(d) and 52066(d), as applicable to the LEA. The [LCFF State Priorities Summary](#) provides a summary of *EC* sections 52060(d) and 52066(d) to aid in the development of the LCAP.

Respond to the following prompts, as applicable:

#### Focus Goal(s)

##### Description

The description provided for a Focus Goal must be specific, measurable, and time bound.

- An LEA develops a Focus Goal to address areas of need that may require or benefit from a more specific and data intensive approach.
- The Focus Goal can explicitly reference the metric(s) by which achievement of the goal will be measured and the time frame according to which the LEA expects to achieve the goal.

##### Type of Goal

Identify the type of goal being implemented as a Focus Goal.

##### State Priorities addressed by this goal.

Identify each of the state priorities that this goal is intended to address.

##### An explanation of why the LEA has developed this goal.

Explain why the LEA has chosen to prioritize this goal.

- An explanation must be based on Dashboard data or other locally collected data.
- LEAs must describe how the LEA identified this goal for focused attention, including relevant consultation with educational partners.
- LEAs are encouraged to promote transparency and understanding around the decision to pursue a focus goal.

### **Required Focus Goal(s) for LEAs Receiving Equity Multiplier Funding**

#### Description

LEAs receiving Equity Multiplier funding must include one or more focus goals for each school generating Equity Multiplier funding. In addition to addressing the focus goal requirements described above, LEAs must adhere to the following requirements.

Focus goals for Equity Multiplier schoolsites must address the following:

- (A) All student groups that have the lowest performance level on one or more state indicators on the Dashboard, and
- (B) Any underlying issues in the credentialing, subject matter preparation, and retention of the school's educators, if applicable.
- Focus Goals for each and every Equity Multiplier schoolsite must identify specific metrics for each identified student group, as applicable.
- An LEA may create a single goal for multiple Equity Multiplier schoolsites if those schoolsites have the same student group(s) performing at the lowest performance level on one or more state indicators on the Dashboard or, experience similar issues in the credentialing, subject matter preparation, and retention of the school's educators.
  - When creating a single goal for multiple Equity Multiplier schoolsites, the goal must identify the student groups and the performance levels on the Dashboard that the Focus Goal is addressing; or,
  - The common issues the schoolsites are experiencing in credentialing, subject matter preparation, and retention of the school's educators, if applicable.

#### Type of Goal

Identify the type of goal being implemented as an Equity Multiplier Focus Goal.

#### State Priorities addressed by this goal.

Identify each of the state priorities that this goal is intended to address.

#### An explanation of why the LEA has developed this goal.

Explain why the LEA has chosen to prioritize this goal.

- An explanation must be based on **Dashboard data or other locally collected data.**
- LEAs must describe how the LEA identified this goal for focused attention, including relevant consultation with educational partners.
- LEAs are encouraged to promote transparency and understanding around the decision to pursue a focus goal.
- In addition to this information, the LEA must also identify:
  - The school or schools to which the goal applies

LEAs are encouraged to approach an Equity Multiplier goal from a wholistic standpoint, considering how the goal might maximize student outcomes through the use of LCFF and other funding in addition to Equity Multiplier funds.

- Equity Multiplier funds must be used to supplement, not supplant, funding provided to Equity Multiplier schoolsites for purposes of the LCFF, the Expanded Learning Opportunities Program (ELO-P), the Literacy Coaches and Reading Specialists (LCRS) Grant Program, and/or the California Community Schools Partnership Program (CCSPP).
- This means that Equity Multiplier funds must not be used to replace funding that an Equity Multiplier schoolsite would otherwise receive to implement LEA-wide actions identified in the LCAP or that an Equity Multiplier schoolsite would otherwise receive to implement provisions of the ELO-P, the LCRS, and/or the CCSPP.

**Note:** EC Section [42238.024\(b\)\(1\) \(California Legislative Information\)](#) requires that Equity Multiplier funds be used for the provision of evidence-based services and supports for students. Evidence-based services and supports are based on objective evidence that has informed the design of the service or support and/or guides the modification of those services and supports. Evidence-based supports and strategies are most commonly based on educational research and/or metrics of LEA, school, and/or student performance.

## Broad Goal

### Description

Describe what the LEA plans to achieve through the actions included in the goal.

- The description of a broad goal will be clearly aligned with the expected measurable outcomes included for the goal.
- The goal description organizes the actions and expected outcomes in a cohesive and consistent manner.
- A goal description is specific enough to be measurable in either quantitative or qualitative terms. A broad goal is not as specific as a focus goal. While it is specific enough to be measurable, there are many different metrics for measuring progress toward the goal.

### Type of Goal

Identify the type of goal being implemented as a Broad Goal.

### State Priorities addressed by this goal.

Identify each of the state priorities that this goal is intended to address.

An explanation of why the LEA has developed this goal.

Explain why the LEA developed this goal and how the actions and metrics grouped together will help achieve the goal.

### **Maintenance of Progress Goal**

#### Description

Describe how the LEA intends to maintain the progress made in the LCFF State Priorities not addressed by the other goals in the LCAP.

- Use this type of goal to address the state priorities and applicable metrics not addressed within the other goals in the LCAP.
- The state priorities and metrics to be addressed in this section are those for which the LEA, in consultation with educational partners, has determined to maintain actions and monitor progress while focusing implementation efforts on the actions covered by other goals in the LCAP.

#### Type of Goal

Identify the type of goal being implemented as a Maintenance of Progress Goal.

#### State Priorities addressed by this goal.

Identify each of the state priorities that this goal is intended to address.

An explanation of why the LEA has developed this goal.

Explain how the actions will sustain the progress exemplified by the related metrics.

### **Measuring and Reporting Results:**

For each LCAP year, identify the metric(s) that the LEA will use to track progress toward the expected outcomes.

- LEAs must identify metrics for specific student groups, as appropriate, including expected outcomes that address and reduce disparities in outcomes between student groups.
- The metrics may be quantitative or qualitative; but at minimum, an LEA's LCAP must include goals that are measured using all of the applicable metrics for the related state priorities, in each LCAP year, as applicable to the type of LEA.
- To the extent a state priority does not specify one or more metrics (e.g., implementation of state academic content and performance standards), the LEA must identify a metric to use within the LCAP. For these state priorities, LEAs are encouraged to use metrics based on or reported through the relevant local indicator self-reflection tools within the Dashboard.

- **Required metrics for LEA-wide actions:** For each action identified as 1) contributing towards the requirement to increase or improve services for foster youth, English learners, including long-term English learners, and low-income students and 2) being provided on an LEA-wide basis, the LEA must identify one or more metrics to monitor the effectiveness of the action and its budgeted expenditures.
  - These required metrics may be identified within the action description or the first prompt in the increased or improved services section, however the description must clearly identify the metric(s) being used to monitor the effectiveness of the action and the action(s) that the metric(s) apply to.
- **Required metrics for Equity Multiplier goals:** For each Equity Multiplier goal, the LEA must identify:
  - The specific metrics for each identified student group at each specific schoolsite, as applicable, to measure the progress toward the goal, and/or
  - The specific metrics used to measure progress in meeting the goal related to credentialing, subject matter preparation, or educator retention at each specific schoolsite.

Complete the table as follows:

Metric #
<ul style="list-style-type: none"> <li>• Enter the metric number.</li> </ul>
Metric
<ul style="list-style-type: none"> <li>• Identify the standard of measure being used to determine progress towards the goal and/or to measure the effectiveness of one or more actions associated with the goal.</li> </ul>
Baseline
<ul style="list-style-type: none"> <li>• Enter the baseline when completing the LCAP for 2024–25.                             <ul style="list-style-type: none"> <li>○ Use the most recent data associated with the metric available at the time of adoption of the LCAP for the first year of the three-year plan. LEAs may use data as reported on the 2023 Dashboard for the baseline of a metric only if that data represents the most recent available data (e.g., high school graduation rate).</li> <li>○ Using the most recent data available may involve reviewing data the LEA is preparing for submission to the California Longitudinal Pupil Achievement Data System (CALPADS) or data that the LEA has recently submitted to CALPADS.</li> <li>○ Indicate the school year to which the baseline data applies.</li> <li>○ The baseline data must remain unchanged throughout the three-year LCAP.                                     <ul style="list-style-type: none"> <li>▪ This requirement is not intended to prevent LEAs from revising the baseline data if it is necessary to do so. For example, if an LEA identifies that its data collection practices for a particular metric are leading to inaccurate data and revises its practice to obtain</li> </ul> </li> </ul> </li> </ul>

accurate data, it would also be appropriate for the LEA to revise the baseline data to align with the more accurate data process and report its results using the accurate data.

- If an LEA chooses to revise its baseline data, then, at a minimum, it must clearly identify the change as part of its response to the description of changes prompt in the Goal Analysis for the goal. LEAs are also strongly encouraged to involve their educational partners in the decision of whether or not to revise a baseline and to communicate the proposed change to their educational partners.
- Note for Charter Schools: Charter schools developing a one- or two-year LCAP may identify a new baseline each year, as applicable.

## Year 1 Outcome

- When completing the LCAP for 2025–26, enter the most recent data available. Indicate the school year to which the data applies.
  - Note for Charter Schools: Charter schools developing a one-year LCAP may provide the Year 1 Outcome when completing the LCAP for both 2025–26 and 2026–27 or may provide the Year 1 Outcome for 2025–26 and provide the Year 2 Outcome for 2026–27.

## Year 2 Outcome

- When completing the LCAP for 2026–27, enter the most recent data available. Indicate the school year to which the data applies.
  - Note for Charter Schools: Charter schools developing a one-year LCAP may identify the Year 2 Outcome as not applicable when completing the LCAP for 2026–27 or may provide the Year 2 Outcome for 2026–27.

## Target for Year 3 Outcome

- When completing the first year of the LCAP, enter the target outcome for the relevant metric the LEA expects to achieve by the end of the three-year LCAP cycle.
  - Note for Charter Schools: Charter schools developing a one- or two-year LCAP may identify a Target for Year 1 or Target for Year 2, as applicable.

## Current Difference from Baseline

- When completing the LCAP for 2025–26 and 2026–27, enter the current difference between the baseline and the yearly outcome, as applicable.
  - Note for Charter Schools: Charter schools developing a one- or two-year LCAP will identify the current difference between the baseline and the yearly outcome for Year 1 and/or the current difference between the baseline and the yearly outcome for Year 2, as applicable.

Timeline for school districts and COEs for completing the **“Measuring and Reporting Results”** part of the Goal.

Metric	Baseline	Year 1 Outcome	Year 2 Outcome	Target for Year 3 Outcome	Current Difference from Baseline

Enter information in this box when completing the LCAP for <b>2024–25</b> or when adding a new metric.	Enter information in this box when completing the LCAP for <b>2025–26</b> . Leave blank until then.	Enter information in this box when completing the LCAP for <b>2026–27</b> . Leave blank until then.	Enter information in this box when completing the LCAP for <b>2024–25</b> or when adding a new metric.	Enter information in this box when completing the LCAP for <b>2025–26</b> and <b>2026–27</b> . Leave blank until then.

**Goal Analysis:**

Enter the LCAP Year.

Using actual annual measurable outcome data, including data from the Dashboard, analyze whether the planned actions were effective towards achieving the goal. “Effective” means the degree to which the planned actions were successful in producing the target result. Respond to the prompts as instructed.

**Note:** When completing the 2024–25 LCAP, use the 2023–24 Local Control and Accountability Plan Annual Update template to complete the Goal Analysis and identify the Goal Analysis prompts in the 2024–25 LCAP as “Not Applicable.”

A description of overall implementation, including any substantive differences in planned actions and actual implementation of these actions, and any relevant challenges and successes experienced with implementation.

- Describe the overall implementation of the actions to achieve the articulated goal, including relevant challenges and successes experienced with implementation.
  - Include a discussion of relevant challenges and successes experienced with the implementation process.
  - This discussion must include any instance where the LEA did not implement a planned action or implemented a planned action in a manner that differs substantively from how it was described in the adopted LCAP.

An explanation of material differences between Budgeted Expenditures and Estimated Actual Expenditures and/or Planned Percentages of Improved Services and Estimated Actual Percentages of Improved Services.

- Explain material differences between Budgeted Expenditures and Estimated Actual Expenditures and between the Planned Percentages of Improved Services and Estimated Actual Percentages of Improved Services, as applicable. Minor variances in expenditures or percentages do not need to be addressed, and a dollar-for-dollar accounting is not required.

### A description of the effectiveness or ineffectiveness of the specific actions to date in making progress toward the goal.

- Describe the effectiveness or ineffectiveness of the specific actions to date in making progress toward the goal. “Effectiveness” means the degree to which the actions were successful in producing the target result and “ineffectiveness” means that the actions did not produce any significant or targeted result.
  - In some cases, not all actions in a goal will be intended to improve performance on all of the metrics associated with the goal.
  - When responding to this prompt, LEAs may assess the effectiveness of a single action or group of actions within the goal in the context of performance on a single metric or group of specific metrics within the goal that are applicable to the action(s). Grouping actions with metrics will allow for more robust analysis of whether the strategy the LEA is using to impact a specified set of metrics is working and increase transparency for educational partners. LEAs are encouraged to use such an approach when goals include multiple actions and metrics that are not closely associated.
  - Beginning with the development of the 2024–25 LCAP, the LEA must change actions that have not proven effective over a three-year period.

### A description of any changes made to the planned goal, metrics, target outcomes, or actions for the coming year that resulted from reflections on prior practice.

- Describe any changes made to this goal, expected outcomes, metrics, or actions to achieve this goal as a result of this analysis and analysis of the data provided in the Dashboard or other local data, as applicable.
  - As noted above, beginning with the development of the 2024–25 LCAP, the LEA must change actions that have not proven effective over a three-year period. For actions that have been identified as ineffective, the LEA must identify the ineffective action and must include a description of the following:
    - The reasons for the ineffectiveness, and
    - How changes to the action will result in a new or strengthened approach.

### **Actions:**

Complete the table as follows. Add additional rows as necessary.

#### Action #

- Enter the action number.

#### Title

- Provide a short title for the action. This title will also appear in the action tables.

#### Description

- Provide a brief description of the action.

- For actions that contribute to meeting the increased or improved services requirement, the LEA may include an explanation of how each action is principally directed towards and effective in meeting the LEA's goals for unduplicated students, as described in the instructions for the Increased or Improved Services for Foster Youth, English Learners, and Low-Income Students section.
- As previously noted, for each action identified as 1) contributing towards the requirement to increase or improve services for foster youth, English learners, including long-term English learners, and low-income students and 2) being provided on an LEA-wide basis, the LEA must identify one or more metrics to monitor the effectiveness of the action and its budgeted expenditures.
- These required metrics may be identified within the action description or the first prompt in the increased or improved services section; however, the description must clearly identify the metric(s) being used to monitor the effectiveness of the action and the action(s) that the metric(s) apply to.

## Total Funds

- Enter the total amount of expenditures associated with this action. Budgeted expenditures from specific fund sources will be provided in the action tables.

## Contributing

- Indicate whether the action contributes to meeting the increased or improved services requirement as described in the Increased or Improved Services section using a “Y” for Yes or an “N” for No.
  - **Note:** for each such contributing action, the LEA will need to provide additional information in the Increased or Improved Services section to address the requirements in *California Code of Regulations*, Title 5 [5 CCR] Section 15496 in the Increased or Improved Services section of the LCAP.

**Actions for Foster Youth:** School districts, COEs, and charter schools that have a numerically significant foster youth student subgroup are encouraged to include specific actions in the LCAP designed to meet needs specific to foster youth students.

## Required Actions

- LEAs with 30 or more English learners and/or 15 or more long-term English learners must include specific actions in the LCAP related to, at a minimum:
  - Language acquisition programs, as defined in *EC* Section 306, provided to students, and
  - Professional development for teachers.
  - If an LEA has both 30 or more English learners and 15 or more long-term English learners, the LEA must include actions for both English learners and long-term English learners.
- LEAs eligible for technical assistance pursuant to *EC* sections 47607.3, 52071, 52071.5, 52072, or 52072.5, must include specific actions within the LCAP related to its implementation of the work underway as part of technical assistance. The most common form of this technical assistance is frequently referred to as Differentiated Assistance.

- LEAs that have Red Dashboard indicators for (1) a school within the LEA, (2) a student group within the LEA, and/or (3) a student group within any school within the LEA must include one or more specific actions within the LCAP:
  - The specific action(s) must be directed towards the identified student group(s) and/or school(s) and must address the identified state indicator(s) for which the student group or school received the lowest performance level on the 2023 Dashboard. Each student group and/or school that receives the lowest performance level on the 2023 Dashboard must be addressed by one or more actions.
  - These required actions will be effective for the three-year LCAP cycle.

## Increased or Improved Services for Foster Youth, English Learners, and Low-Income Students

### Purpose

A well-written Increased or Improved Services section provides educational partners with a comprehensive description, within a single dedicated section, of how an LEA plans to increase or improve services for its unduplicated students as defined in *EC* Section 42238.02 in grades TK–12 as compared to all students in grades TK–12, as applicable, and how LEA-wide or schoolwide actions identified for this purpose meet regulatory requirements. Descriptions provided should include sufficient detail yet be sufficiently succinct to promote a broader understanding of educational partners to facilitate their ability to provide input. An LEA’s description in this section must align with the actions included in the Goals and Actions section as contributing.

Please Note: For the purpose of meeting the Increased or Improved Services requirement and consistent with *EC* Section 42238.02, long-term English learners are included in the English learner student group.

### Statutory Requirements

An LEA is required to demonstrate in its LCAP how it is increasing or improving services for its students who are foster youth, English learners, and/or low-income, collectively referred to as unduplicated students, as compared to the services provided to all students in proportion to the increase in funding it receives based on the number and concentration of unduplicated students in the LEA (*EC* Section 42238.07[a][1], *EC* Section 52064[b][8][B]; 5 *CCR* Section 15496[a]). This proportionality percentage is also known as the “minimum proportionality percentage” or “MPP.” The manner in which an LEA demonstrates it is meeting its MPP is two-fold: (1) through the expenditure of LCFF funds or through the identification of a Planned Percentage of Improved Services as documented in the Contributing Actions Table, and (2) through the explanations provided in the Increased or Improved Services for Foster Youth, English Learners, and Low-Income Students section.

To improve services means to grow services in quality and to increase services means to grow services in quantity. Services are increased or improved by those actions in the LCAP that are identified in the Goals and Actions section as contributing to the increased or improved services requirement, whether they are provided across the entire LEA (LEA-wide action), provided to an entire school (Schoolwide action), or solely provided to one or more unduplicated student group(s) (Limited action).

Therefore, for *any* action contributing to meet the increased or improved services requirement, the LEA must include an explanation of:

- How the action is increasing or improving services for the unduplicated student group(s) (Identified Needs and Action Design), and
- How the action meets the LEA's goals for its unduplicated pupils in the state and any local priority areas (Measurement of Effectiveness).

## LEA-wide and Schoolwide Actions

In addition to the above required explanations, LEAs must provide a justification for why an LEA-wide or Schoolwide action is being provided to all students and how the action is intended to improve outcomes for unduplicated student group(s) as compared to all students.

- Conclusory statements that a service will help achieve an expected outcome for the goal, without an explicit connection or further explanation as to how, are not sufficient.
- Further, simply stating that an LEA has a high enrollment percentage of a specific student group or groups does not meet the increased or improved services standard because enrolling students is not the same as serving students.

### For School Districts Only

Actions provided on an **LEA-wide** basis at **school districts with an unduplicated pupil percentage of less than 55 percent** must also include a description of how the actions are the most effective use of the funds to meet the district's goals for its unduplicated pupils in the state and any local priority areas. The description must provide the basis for this determination, including any alternatives considered, supporting research, experience, or educational theory.

Actions provided on a **Schoolwide** basis for **schools with less than 40 percent enrollment of unduplicated pupils** must also include a description of how these actions are the most effective use of the funds to meet the district's goals for its unduplicated pupils in the state and any local priority areas. The description must provide the basis for this determination, including any alternatives considered, supporting research, experience, or educational theory.

## Requirements and Instructions

Complete the tables as follows:

### Total Projected LCFF Supplemental and/or Concentration Grants

- Specify the amount of LCFF supplemental and concentration grant funds the LEA estimates it will receive in the coming year based on the number and concentration of foster youth, English learner, and low-income students. This amount includes the Additional 15 percent LCFF Concentration Grant.

### Projected Additional 15 percent LCFF Concentration Grant

- Specify the amount of additional LCFF concentration grant add-on funding, as described in *EC* Section 42238.02, that the LEA estimates it will receive in the coming year.

### Projected Percentage to Increase or Improve Services for the Coming School Year

- Specify the estimated percentage by which services for unduplicated pupils must be increased or improved as compared to the services provided to all students in the LCAP year as calculated pursuant to 5 *CCR* Section 15496(a)(7).

### LCFF Carryover — Percentage

- Specify the LCFF Carryover — Percentage identified in the LCFF Carryover Table. If a carryover percentage is not identified in the LCFF Carryover Table, specify a percentage of zero (0.00%).

**LCFF Carryover — Dollar**

- Specify the LCFF Carryover — Dollar amount identified in the LCFF Carryover Table. If a carryover amount is not identified in the LCFF Carryover Table, specify an amount of zero (\$0).

**Total Percentage to Increase or Improve Services for the Coming School Year**

- Add the Projected Percentage to Increase or Improve Services for the Coming School Year and the Proportional LCFF Required Carryover Percentage and specify the percentage. This is the LEA’s percentage by which services for unduplicated pupils must be increased or improved as compared to the services provided to all students in the LCAP year, as calculated pursuant to 5 CCR Section 15496(a)(7).

**Required Descriptions:**

**LEA-wide and Schoolwide Actions**

For each action being provided to an entire LEA or school, provide an explanation of (1) the unique identified need(s) of the unduplicated student group(s) for whom the action is principally directed, (2) how the action is designed to address the identified need(s) and why it is being provided on an LEA or schoolwide basis, and (3) the metric(s) used to measure the effectiveness of the action in improving outcomes for the unduplicated student group(s).

If the LEA has provided this required description in the Action Descriptions, state as such within the table.

Complete the table as follows:

**Identified Need(s)**

Provide an explanation of the unique identified need(s) of the LEA’s unduplicated student group(s) for whom the action is principally directed.

An LEA demonstrates how an action is principally directed towards an unduplicated student group(s) when the LEA explains the need(s), condition(s), or circumstance(s) of the unduplicated student group(s) identified through a needs assessment and how the action addresses them. A meaningful needs assessment includes, at a minimum, analysis of applicable student achievement data and educational partner feedback.

**How the Action(s) are Designed to Address Need(s) and Why it is Provided on an LEA-wide or Schoolwide Basis**

Provide an explanation of how the action as designed will address the unique identified need(s) of the LEA’s unduplicated student group(s) for whom the action is principally directed and the rationale for why the action is being provided on an LEA-wide or schoolwide basis.

- As stated above, conclusory statements that a service will help achieve an expected outcome for the goal, without an explicit connection or further explanation as to how, are not sufficient.

- Further, simply stating that an LEA has a high enrollment percentage of a specific student group or groups does not meet the increased or improved services standard because enrolling students is not the same as serving students.

### **Metric(s) to Monitor Effectiveness**

Identify the metric(s) being used to measure the progress and effectiveness of the action(s).

**Note for COEs and Charter Schools:** In the case of COEs and charter schools, schoolwide and LEA-wide are considered to be synonymous.

### **Limited Actions**

For each action being solely provided to one or more unduplicated student group(s), provide an explanation of (1) the unique identified need(s) of the unduplicated student group(s) being served, (2) how the action is designed to address the identified need(s), and (3) how the effectiveness of the action in improving outcomes for the unduplicated student group(s) will be measured.

If the LEA has provided the required descriptions in the Action Descriptions, state as such.

Complete the table as follows:

### **Identified Need(s)**

Provide an explanation of the unique need(s) of the unduplicated student group(s) being served identified through the LEA's needs assessment. A meaningful needs assessment includes, at a minimum, analysis of applicable student achievement data and educational partner feedback.

### **How the Action(s) are Designed to Address Need(s)**

Provide an explanation of how the action is designed to address the unique identified need(s) of the unduplicated student group(s) being served.

### **Metric(s) to Monitor Effectiveness**

Identify the metric(s) being used to measure the progress and effectiveness of the action(s).

For any limited action contributing to meeting the increased or improved services requirement that is associated with a Planned Percentage of Improved Services in the Contributing Summary Table rather than an expenditure of LCFF funds, describe the methodology that was used to determine the contribution of the action towards the proportional percentage, as applicable.

- For each action with an identified Planned Percentage of Improved Services, identify the goal and action number and describe the methodology that was used.
- When identifying a Planned Percentage of Improved Services, the LEA must describe the methodology that it used to determine the contribution of the action towards the proportional percentage. The percentage of improved services for an action corresponds to the amount of LCFF funding that the LEA estimates it would expend to implement the action if it were funded.

- For example, an LEA determines that there is a need to analyze data to ensure that instructional aides and expanded learning providers know what targeted supports to provide to students who are foster youth. The LEA could implement this action by hiring additional staff to collect and analyze data and to coordinate supports for students, which, based on the LEA's current pay scale, the LEA estimates would cost \$165,000. Instead, the LEA chooses to utilize a portion of existing staff time to analyze data relating to students who are foster youth. This analysis will then be shared with site principals who will use the data to coordinate services provided by instructional assistants and expanded learning providers to target support to students. In this example, the LEA would divide the estimated cost of \$165,000 by the amount of LCFF Funding identified in the Total Planned Expenditures Table and then convert the quotient to a percentage. This percentage is the Planned Percentage of Improved Services for the action.

### **Additional Concentration Grant Funding**

A description of the plan for how the additional concentration grant add-on funding identified above will be used to increase the number of staff providing direct services to students at schools that have a high concentration (above 55 percent) of foster youth, English learners, and low-income students, as applicable.

An LEA that receives the additional concentration grant add-on described in *EC* Section 42238.02 is required to demonstrate how it is using these funds to increase the number of staff who provide direct services to students at schools with an enrollment of unduplicated students that is greater than 55 percent as compared to the number of staff who provide direct services to students at schools with an enrollment of unduplicated students that is equal to or less than 55 percent. The staff who provide direct services to students must be certificated staff and/or classified staff employed by the LEA; classified staff includes custodial staff.

Provide the following descriptions, as applicable to the LEA:

- An LEA that does not receive a concentration grant or the concentration grant add-on must indicate that a response to this prompt is not applicable.
- Identify the goal and action numbers of the actions in the LCAP that the LEA is implementing to meet the requirement to increase the number of staff who provide direct services to students at schools with an enrollment of unduplicated students that is greater than 55 percent.
- An LEA that does not have comparison schools from which to describe how it is using the concentration grant add-on funds, such as a single-school LEA or an LEA that only has schools with an enrollment of unduplicated students that is greater than 55 percent, must describe how it is using the funds to increase the number of credentialed staff, classified staff, or both, including custodial staff, who provide direct services to students at selected schools and the criteria used to determine which schools require additional staffing support.
- In the event that an additional concentration grant add-on is not sufficient to increase staff providing direct services to students at a school with an enrollment of unduplicated students that is greater than 55 percent, the LEA must describe how it is using the funds to retain staff providing direct services to students at a school with an enrollment of unduplicated students that is greater than 55 percent.

Complete the table as follows:

- Provide the staff-to-student ratio of classified staff providing direct services to students with a concentration of unduplicated students that is 55 percent or less and the staff-to-student ratio of classified staff providing direct services to students at schools with a concentration of unduplicated students that is greater than 55 percent, as applicable to the LEA.
  - The LEA may group its schools by grade span (Elementary, Middle/Junior High, and High Schools), as applicable to the LEA.

- The staff-to-student ratio must be based on the number of full-time equivalent (FTE) staff and the number of enrolled students as counted on the first Wednesday in October of each year.
- Provide the staff-to-student ratio of certificated staff providing direct services to students at schools with a concentration of unduplicated students that is 55 percent or less and the staff-to-student ratio of certificated staff providing direct services to students at schools with a concentration of unduplicated students that is greater than 55 percent, as applicable to the LEA.
  - The LEA may group its schools by grade span (Elementary, Middle/Junior High, and High Schools), as applicable to the LEA.
  - The staff-to-student ratio must be based on the number of FTE staff and the number of enrolled students as counted on the first Wednesday in October of each year.

## Action Tables

Complete the Total Planned Expenditures Table for each action in the LCAP. The information entered into this table will automatically populate the other Action Tables. Information is only entered into the Total Planned Expenditures Table, the Annual Update Table, the Contributing Actions Annual Update Table, and the LCFF Carryover Table. The word “input” has been added to column headers to aid in identifying the column(s) where information will be entered. Information is not entered on the remaining Action tables.

The following tables are required to be included as part of the LCAP adopted by the local governing board or governing body:

- Table 1: Total Planned Expenditures Table (for the coming LCAP Year)
- Table 2: Contributing Actions Table (for the coming LCAP Year)
- Table 3: Annual Update Table (for the current LCAP Year)
- Table 4: Contributing Actions Annual Update Table (for the current LCAP Year)
- Table 5: LCFF Carryover Table (for the current LCAP Year)

Note: The coming LCAP Year is the year that is being planned for, while the current LCAP year is the current year of implementation. For example, when developing the 2024–25 LCAP, 2024–25 will be the coming LCAP Year and 2023–24 will be the current LCAP Year.

## Total Planned Expenditures Table

In the Total Planned Expenditures Table, input the following information for each action in the LCAP for that applicable LCAP year:

- **LCAP Year:** Identify the applicable LCAP Year.
- **1. Projected LCFF Base Grant:** Provide the total amount estimated LCFF entitlement for the coming school year, excluding the supplemental and concentration grants and the add-ons for the Targeted Instructional Improvement Block Grant program, the former Home-to-School Transportation program, and the Small School District Transportation program, pursuant to 5 CCR Section 15496(a)(8).

Note that the LCFF Base Grant for purposes of the LCAP also includes the Necessary Small Schools and Economic Recovery Target allowances for school districts, and County Operations Grant for COEs.

See EC sections 2574 (for COEs) and 42238.02 (for school districts and charter schools), as applicable, for LCFF entitlement calculations.

- **2. Projected LCFF Supplemental and/or Concentration Grants:** Provide the total amount of LCFF supplemental and concentration grants estimated on the basis of the number and concentration of unduplicated students for the coming school year.
- **3. Projected Percentage to Increase or Improve Services for the Coming School Year:** This percentage will not be entered; it is calculated based on the Projected LCFF Base Grant and the Projected LCFF Supplemental and/or Concentration Grants, pursuant to 5 CCR Section 15496(a)(8). This is the percentage by which services for unduplicated pupils must be increased or improved as compared to the services provided to all students in the coming LCAP year.
- **LCFF Carryover — Percentage:** Specify the LCFF Carryover — Percentage identified in the LCFF Carryover Table from the prior LCAP year. If a carryover percentage is not identified in the LCFF Carryover Table, specify a percentage of zero (0.00%).
- **Total Percentage to Increase or Improve Services for the Coming School Year:** This percentage will not be entered; it is calculated based on the Projected Percentage to Increase or Improve Services for the Coming School Year and the LCFF Carryover — Percentage. ***This is the percentage by which the LEA must increase or improve services for unduplicated pupils as compared to the services provided to all students in the coming LCAP year.***
- **Goal #:** Enter the LCAP Goal number for the action.
- **Action #:** Enter the action's number as indicated in the LCAP Goal.
- **Action Title:** Provide a title of the action.
- **Student Group(s):** Indicate the student group or groups who will be the primary beneficiary of the action by entering "All," or by entering a specific student group or groups.
- **Contributing to Increased or Improved Services?:** Type "Yes" if the action **is** included as contributing to meeting the increased or improved services requirement; OR, type "No" if the action is **not** included as contributing to meeting the increased or improved services requirement.
- If "Yes" is entered into the Contributing column, then complete the following columns:
  - **Scope:** The scope of an action may be LEA-wide (i.e., districtwide, countywide, or charterwide), schoolwide, or limited. An action that is LEA-wide in scope upgrades the entire educational program of the LEA. An action that is schoolwide in scope upgrades the entire educational program of a single school. An action that is limited in its scope is an action that serves only one or more unduplicated student groups.

- **Unduplicated Student Group(s):** Regardless of scope, contributing actions serve one or more unduplicated student groups. Indicate one or more unduplicated student groups for whom services are being increased or improved as compared to what all students receive.
- **Location:** Identify the location where the action will be provided. If the action is provided to all schools within the LEA, the LEA must indicate “All Schools.” If the action is provided to specific schools within the LEA or specific grade spans only, the LEA must enter “Specific Schools” or “Specific Grade Spans.” Identify the individual school or a subset of schools or grade spans (e.g., all high schools or grades transitional kindergarten through grade five), as appropriate.
- **Time Span:** Enter “ongoing” if the action will be implemented for an indeterminate period of time. Otherwise, indicate the span of time for which the action will be implemented. For example, an LEA might enter “1 Year,” or “2 Years,” or “6 Months.”
- **Total Personnel:** Enter the total amount of personnel expenditures utilized to implement this action.
- **Total Non-Personnel:** This amount will be automatically calculated based on information provided in the Total Personnel column and the Total Funds column.
- **LCFF Funds:** Enter the total amount of LCFF funds utilized to implement this action, if any. LCFF funds include all funds that make up an LEA’s total LCFF target (i.e., base grant, grade span adjustment, supplemental grant, concentration grant, Targeted Instructional Improvement Block Grant, and Home-To-School Transportation).
  - **Note:** For an action to contribute towards meeting the increased or improved services requirement, it must include some measure of LCFF funding. The action may also include funding from other sources, however the extent to which an action contributes to meeting the increased or improved services requirement is based on the LCFF funding being used to implement the action.
- **Other State Funds:** Enter the total amount of Other State Funds utilized to implement this action, if any.
  - **Note:** Equity Multiplier funds must be included in the “Other State Funds” category, not in the “LCFF Funds” category. As a reminder, Equity Multiplier funds must be used to supplement, not supplant, funding provided to Equity Multiplier schoolsites for purposes of the LCFF, the ELO-P, the LCRS, and/or the CCSPP. This means that Equity Multiplier funds must not be used to replace funding that an Equity Multiplier schoolsite would otherwise receive to implement LEA-wide actions identified in the LEA’s LCAP or that an Equity Multiplier schoolsite would otherwise receive to implement provisions of the ELO-P, the LCRS, and/or the CCSPP.
- **Local Funds:** Enter the total amount of Local Funds utilized to implement this action, if any.
- **Federal Funds:** Enter the total amount of Federal Funds utilized to implement this action, if any.
- **Total Funds:** This amount is automatically calculated based on amounts entered in the previous four columns.
- **Planned Percentage of Improved Services:** For any action identified as contributing, being provided on a Limited basis to unduplicated students, and that does not have funding associated with the action, enter the planned quality improvement anticipated for the action as

a percentage rounded to the nearest hundredth (0.00%). A limited action is an action that only serves foster youth, English learners, and/or low-income students.

- As noted in the instructions for the Increased or Improved Services section, when identifying a Planned Percentage of Improved Services, the LEA must describe the methodology that it used to determine the contribution of the action towards the proportional percentage. The percentage of improved services for an action corresponds to the amount of LCFF funding that the LEA estimates it would expend to implement the action if it were funded.

For example, an LEA determines that there is a need to analyze data to ensure that instructional aides and expanded learning providers know what targeted supports to provide to students who are foster youth. The LEA could implement this action by hiring additional staff to collect and analyze data and to coordinate supports for students, which, based on the LEA's current pay scale, the LEA estimates would cost \$165,000. Instead, the LEA chooses to utilize a portion of existing staff time to analyze data relating to students who are foster youth. This analysis will then be shared with site principals who will use the data to coordinate services provided by instructional assistants and expanded learning providers to target support to students. In this example, the LEA would divide the estimated cost of \$165,000 by the amount of LCFF Funding identified in the Data Entry Table and then convert the quotient to a percentage. This percentage is the Planned Percentage of Improved Services for the action.

## Contributing Actions Table

As noted above, information will not be entered in the Contributing Actions Table; however, the 'Contributing to Increased or Improved Services?' column will need to be checked to ensure that only actions with a "Yes" are displaying. If actions with a "No" are displayed or if actions that are contributing are not displaying in the column, use the drop-down menu in the column header to filter only the "Yes" responses.

## Annual Update Table

In the Annual Update Table, provide the following information for each action in the LCAP for the relevant LCAP year:

- **Estimated Actual Expenditures:** Enter the total estimated actual expenditures to implement this action, if any.

## Contributing Actions Annual Update Table

In the Contributing Actions Annual Update Table, check the 'Contributing to Increased or Improved Services?' column to ensure that only actions with a "Yes" are displaying. If actions with a "No" are displayed or if actions that are contributing are not displaying in the column, use the drop-down menu in the column header to filter only the "Yes" responses. Provide the following information for each contributing action in the LCAP for the relevant LCAP year:

- **6. Estimated Actual LCFF Supplemental and/or Concentration Grants:** Provide the total amount of LCFF supplemental and concentration grants estimated based on the number and concentration of unduplicated students in the current school year.
- **Estimated Actual Expenditures for Contributing Actions:** Enter the total estimated actual expenditure of LCFF funds used to implement this action, if any.

- **Estimated Actual Percentage of Improved Services:** For any action identified as contributing, being provided on a Limited basis only to unduplicated students, and that does not have funding associated with the action, enter the total estimated actual quality improvement anticipated for the action as a percentage rounded to the nearest hundredth (0.00%).
  - Building on the example provided above for calculating the Planned Percentage of Improved Services, the LEA in the example implements the action. As part of the annual update process, the LEA reviews implementation and student outcome data and determines that the action was implemented with fidelity and that outcomes for foster youth students improved. The LEA reviews the original estimated cost for the action and determines that had it hired additional staff to collect and analyze data and to coordinate supports for students that estimated actual cost would have been \$169,500 due to a cost of living adjustment. The LEA would divide the estimated actual cost of \$169,500 by the amount of LCFF Funding identified in the Data Entry Table and then convert the quotient to a percentage. This percentage is the Estimated Actual Percentage of Improved Services for the action.

## LCFF Carryover Table

- **9. Estimated Actual LCFF Base Grant:** Provide the total amount of estimated LCFF Target Entitlement for the current school year, excluding the supplemental and concentration grants and the add-ons for the Targeted Instructional Improvement Block Grant program, the former Home-to-School Transportation program, and the Small School District Transportation program, pursuant to 5 CCR Section 15496(a)(8). Note that the LCFF Base Grant for purposes of the LCAP also includes the Necessary Small Schools and Economic Recovery Target allowances for school districts, and County Operations Grant for COEs. See *EC* sections 2574 (for COEs) and 42238.02 (for school districts and charter schools), as applicable, for LCFF entitlement calculations.
- **10. Total Percentage to Increase or Improve Services for the Current School Year:** This percentage will not be entered. The percentage is calculated based on the amounts of the Estimated Actual LCFF Base Grant (9) and the Estimated Actual LCFF Supplemental and/or Concentration Grants (6), pursuant to 5 CCR Section 15496(a)(8), plus the LCFF Carryover – Percentage from the prior year. This is the percentage by which services for unduplicated pupils must be increased or improved as compared to the services provided to all students in the current LCAP year.

## Calculations in the Action Tables

To reduce the duplication of effort of LEAs, the Action Tables include functionality such as pre-population of fields and cells based on the information provided in the Data Entry Table, the Annual Update Summary Table, and the Contributing Actions Table. For transparency, the functionality and calculations used are provided below.

### Contributing Actions Table

- **4. Total Planned Contributing Expenditures (LCFF Funds)**
  - This amount is the total of the Planned Expenditures for Contributing Actions (LCFF Funds) column.
- **5. Total Planned Percentage of Improved Services**
  - This percentage is the total of the Planned Percentage of Improved Services column.
- **Planned Percentage to Increase or Improve Services for the coming school year (4 divided by 1, plus 5)**

- This percentage is calculated by dividing the Total Planned Contributing Expenditures (4) by the Projected LCFF Base Grant (1), converting the quotient to a percentage, and adding it to the Total Planned Percentage of Improved Services (5).

### **Contributing Actions Annual Update Table**

Pursuant to *EC* Section 42238.07(c)(2), if the Total Planned Contributing Expenditures (4) is less than the Estimated Actual LCFF Supplemental and Concentration Grants (6), the LEA is required to calculate the difference between the Total Planned Percentage of Improved Services (5) and the Total Estimated Actual Percentage of Improved Services (7). If the Total Planned Contributing Expenditures (4) is equal to or greater than the Estimated Actual LCFF Supplemental and Concentration Grants (6), the Difference Between Planned and Estimated Actual Percentage of Improved Services will display “Not Required.”

- **6. Estimated Actual LCFF Supplemental and Concentration Grants**
  - This is the total amount of LCFF supplemental and concentration grants the LEA estimates it will actually receive based on of the number and concentration of unduplicated students in the current school year.
- **4. Total Planned Contributing Expenditures (LCFF Funds)**
  - This amount is the total of the Last Year's Planned Expenditures for Contributing Actions (LCFF Funds).
- **7. Total Estimated Actual Expenditures for Contributing Actions**
  - This amount is the total of the Estimated Actual Expenditures for Contributing Actions (LCFF Funds).
- **Difference Between Planned and Estimated Actual Expenditures for Contributing Actions (Subtract 7 from 4)**
  - This amount is the Total Estimated Actual Expenditures for Contributing Actions (7) subtracted from the Total Planned Contributing Expenditures (4).
- **5. Total Planned Percentage of Improved Services (%)**
  - This amount is the total of the Planned Percentage of Improved Services column.
- **8. Total Estimated Actual Percentage of Improved Services (%)**
  - This amount is the total of the Estimated Actual Percentage of Improved Services column.
- **Difference Between Planned and Estimated Actual Percentage of Improved Services (Subtract 5 from 8)**
  - This amount is the Total Planned Percentage of Improved Services (5) subtracted from the Total Estimated Actual Percentage of Improved Services (8).

### **LCFF Carryover Table**

- **10. Total Percentage to Increase or Improve Services for the Current School Year (6 divided by 9 plus Carryover %)**

- This percentage is the Estimated Actual LCFF Supplemental and/or Concentration Grants (6) divided by the Estimated Actual LCFF Base Grant (9) plus the LCFF Carryover – Percentage from the prior year.
- **11. Estimated Actual Percentage of Increased or Improved Services (7 divided by 9, plus 8)**
  - This percentage is the Total Estimated Actual Expenditures for Contributing Actions (7) divided by the LCFF Funding (9), then converting the quotient to a percentage and adding the Total Estimated Actual Percentage of Improved Services (8).
- **12. LCFF Carryover — Dollar Amount LCFF Carryover (Subtract 11 from 10 and multiply by 9)**
  - If the Estimated Actual Percentage of Increased or Improved Services (11) is less than the Estimated Actual Percentage to Increase or Improve Services (10), the LEA is required to carry over LCFF funds.  
  
The amount of LCFF funds is calculated by subtracting the Estimated Actual Percentage to Increase or Improve Services (11) from the Estimated Actual Percentage of Increased or Improved Services (10) and then multiplying by the Estimated Actual LCFF Base Grant (9). This amount is the amount of LCFF funds that is required to be carried over to the coming year.
- **13. LCFF Carryover — Percentage (12 divided by 9)**
  - This percentage is the unmet portion of the Percentage to Increase or Improve Services that the LEA must carry over into the coming LCAP year. The percentage is calculated by dividing the LCFF Carryover (12) by the LCFF Funding (9).

California Department of Education  
November 2023

## LCFF Budget Overview for Parents

Local Educational Agency (LEA) Name: Magnolia Science Academy - Santa Ana

CDS Code: 30-76893-0130765

School Year: 2024-25

LEA contact information:

Steven Keskindurk & Maria Czermer-Rowell

Site Director/Secondary Principal & Elementary Principal

skeskinturk@magnoliapublicschools.org

(714) 479-0115

School districts receive funding from different sources: state funds under the Local Control Funding Formula (LCFF), other state funds, local funds, and federal funds. LCFF funds include a base level of funding for all LEAs and extra funding - called "supplemental and concentration" grants - to LEAs based on the enrollment of high needs students (foster youth, English learners, and low-income students).

### Budget Overview for the 2024-25 School Year

#### Projected Revenue by Fund Source

This chart shows the total general purpose revenue Magnolia Science Academy - Santa Ana expects to receive in the coming year from all sources.

The text description for the above chart is as follows: The total revenue projected for Magnolia Science Academy - Santa Ana is \$10,604,515, of which \$7,484,380 is Local Control Funding Formula (LCFF), \$2,488,332 is other state funds, \$163,673 is local funds, and \$468,130 is federal funds. Of the \$7,484,380 in LCFF Funds, \$1,953,088 is generated based on the enrollment of high needs students (foster youth, English learner, and low-income students).

## LCFF Budget Overview for Parents

The LCFF gives school districts more flexibility in deciding how to use state funds. In exchange, school districts must work with parents, educators, students, and the community to develop a Local Control and Accountability Plan (LCAP) that shows how they will use these funds to serve students.

This chart provides a quick summary of how much Magnolia Science Academy - Santa Ana plans to spend for 2024-25. It shows how much of the total is tied to planned actions and services in the LCAP.

The text description of the above chart is as follows: Magnolia Science Academy - Santa Ana plans to spend \$10,588,963.95 for the 2024-25 school year. Of that amount, \$10,588,963.95 is tied to actions/services in the LCAP and \$0 is not included in the LCAP. The budgeted expenditures that are not included in the LCAP will be used for the following:

N/A

### Increased or Improved Services for High Needs Students in the LCAP for the 2024-25 School Year

In 2024-25, Magnolia Science Academy - Santa Ana is projecting it will receive \$1,953,088 based on the enrollment of foster youth, English learner, and low-income students. Magnolia Science Academy - Santa Ana must describe how it intends to increase or improve services for high needs students in the LCAP. Magnolia Science Academy - Santa Ana plans to spend \$1,929,795.55 towards meeting this requirement, as described in the LCAP.

Magnolia Science Academy Santa Ana will meet the requirement of providing all of the planned actions and services for high needs students using LCFF supplemental and concentration grants for 2024-25. The difference between the projected LCFF supplemental and concentration revenue and budgeted amount for actions and services will be paid with other applicable (if not all) state, federal, and local funds including, but not limited to CIF, Lottery - Non-Prop 2, EPA, ELOP (Expanded Learning Opportunities Program), Title I, ESSER III, ESSER III - Learning Loss, ELO - Learning Loss, ESSER III Summer Grant, Title II, Title IV - Part A, Title III - LEP, ARP HCY II, ASES, Educator Effectiveness Block Grant, California Community Schools Partnership, AB 602, Arts & Music Block Grant, Community Engagement Initiative Grant, A-G

Access/Success Grant, A-G Learning Loss Mitigation Grant, MTSS, and Fundraising.

# LCFF Budget Overview for Parents

## Update on Increased or Improved Services for High Needs Students in 2023-24

This chart compares what Magnolia Science Academy - Santa Ana budgeted last year in the LCAP for actions and services that contribute to increasing or improving services for high needs students with what Magnolia Science Academy - Santa Ana estimates it has spent on actions and services that contribute to increasing or improving services for high needs students in the current year.

The text description of the above chart is as follows: In 2023-24, Magnolia Science Academy - Santa Ana's LCAP budgeted \$2,049,529.88 for planned actions to increase or improve services for high needs students. Magnolia Science Academy - Santa Ana actually spent \$1,788,287.97 for actions to increase or improve services for high needs students in 2023-24.

The difference between the budgeted and actual expenditures of \$-261,241.90,999,999,992 had the following impact on Magnolia Science Academy - Santa Ana's ability to increase or improve services for high needs students:

Even though, the total actual expenditures for actions and services to increase or improve services for high needs students in 2023-24 is less than the total budgeted expenditures for those planned actions and services, the difference did not impact the actions and services and the overall increased or improved services for high needs students in 2023-24. For those actions and services, Magnolia Science Academy Santa Ana used applicable (if not all) state, federal, and local funds including, but not limited to CIF, Lottery - Non-Prop 2, EPA, ELOP (Expanded Learning Opportunities Program), Title I, ESSER III, ESSER III - Learning Loss, ELO - Learning Loss, ESSER III Summer Grant, Title II, Title IV - Part A, Title III - LEP, ARP HCY II, ASES, Educator Effectiveness Block Grant, California Community Schools Partnership, AB 602, Arts & Music Block Grant, Community Engagement Initiative Grant, A-G Access/Success Grant, A-G Learning Loss Mitigation Grant, MTSS, and Fundraising.

# 2023–24 Local Control and Accountability Plan Annual Update

The instructions for completing the 2023–24 Local Control and Accountability Plan (LCAP) Annual Update follow the template.

## Goals and Actions

### Goal

Goal #	Description
1	BASIC SERVICES FOR A HIGH-QUALITY LEARNING ENVIRONMENT: All students and staff will have access to a safe, secure, healthy, and high-quality learning and working environment. Students will receive basic services that are fundamental to academic success, including fully credentialed teachers, standards-aligned instructional materials, and appropriately maintained school facilities.

### Measuring and Reporting Results

Metric	Baseline	Year 1 Outcome	Year 2 Outcome	Year 3 Outcome	Desired Outcome for 2023–24
Number of misassignments of teachers of English learners, total teacher misassignments, and vacant teacher positions (Source: Local Indicator Priority 1)	2020-21: 0	2021-22: 0	2022-23: 0	2023-24: 0	2023-24: 0
Percentage of students without access to their own copies of standards-aligned instructional materials for use at school and at home (Source: Local Indicator Priority 1)	2020-21: 0%	2021-22: 0%	2022-23: 0%	2023-24: 0%	2023-24: 0%
Number of identified instances where facilities do not meet the “good repair”	2020-21: 0	2021-22: 0	2022-23: 0	2023-24: 0	2022-23: 0

Metric	Baseline	Year 1 Outcome	Year 2 Outcome	Year 3 Outcome	Desired Outcome for 2023–24
standard (including deficiencies and extreme deficiencies) (Source: Local Indicator Priority 1)					
Teacher retention rate (Source: HRIS)	2020-21: (Spring 2020 to Fall 2020) 94.0%	2021-22: (Spring 2021 to Fall 2021) 64%	2022-23: (Fall 2021 to Fall 2022) 86%  This metric has been updated to measure from fall to fall.	2023-24: (Fall 2022 to Fall 2023) 75%	2023-24: (Fall 2022 to Fall 2023) 85.0%
Teacher attendance rate (Source: HRIS)	2020-21: (As of 3/25/21) 99.1%	2021-22: (As of 5/12/22) 97.1%	2022-23: (As of 5/12/23) 96%	2023-24: (As of 12/15/23) 95.5%	2023-24: 97.0%

## Goal Analysis

An analysis of how this goal was carried out in the previous year.

A description of any substantive differences in planned actions and actual implementation of these actions.

We are compliant with our teacher assignments; we offer standards-based instruction and our students have sufficient access to standards-aligned instructional materials; we do facility inspections periodically; we regularly review student performance data and progress towards targets with our staff and continue to provide additional supports and interventions to all students, including ELs, during the school day, after school hours, and on Saturday; we provide our ELs with designated and integrated EL instruction; and we offer AP and Advisory classes for college readiness.

An explanation of material differences between Budgeted Expenditures and Estimated Actual Expenditures and/or Planned Percentages of Improved Services and Estimated Actual Percentages of Improved Services.

Goal 1 Action 1  
Budgeted: \$38,425

Actual: \$38,425

Explanation: The projected expenses are within the budgeted amount, and all actions taken were in line with the planned initiatives, with no significant deviations.

Goal 1 Action 2

Budgeted: \$1,175,619

Actual: \$1,175,619

Explanation: The projected expenses are within the budgeted amount, and all actions taken were in line with the planned initiatives, with no significant deviations.

Goal 1 Action 3

Budgeted: \$659,546

Actual: \$659,546

Explanation: The projected expenses are within the budgeted amount, and all actions taken were in line with the planned initiatives, with no significant deviations.

Goal 1 Action 4

Budgeted: \$44,445

Actual: \$44,445

Explanation: The projected expenses are within the budgeted amount, and all actions taken were in line with the planned initiatives, with no significant deviations.

Goal 1 Action 5

Budgeted: \$1,890,663

Actual: \$1,890,663

Explanation: The projected expenses are within the budgeted amount, and all actions taken were in line with the planned initiatives, with no significant deviations.

An explanation of how effective or ineffective the specific actions were in making progress toward the goal during the three-year LCAP cycle.

The CCSS aligned curriculum and the online resources have helped teachers prepare standard based lessons and target intervention based on the needs of students. Saturday school structure has been changed to meet the needs of the students who need the one-on-one support. The program helped students pass their classes and improve their scores on MAP and IAB tests. Dual-enrollment opportunities are not limited to courses students can take at college campuses. The participation rate for the on-campus college course is above the expected number. We will continue to offer two dual enrollment classes next year here on our campus.

A description of any changes made to the planned goal, metrics, desired outcomes, or actions for the coming year that resulted from reflections on prior practice.

We will maintain our goal and the majority of our expected outcomes, metrics, and actions and services. We have updated our annual measurable outcomes with new performance targets for the upcoming school year based on input from all stakeholders and available data through surveys and student performance data. We will continue to provide all the actions/services for this goal with minor adjustments based on student and school needs.

**A report of the Total Estimated Actual Expenditures for last year's actions may be found in the Annual Update Table. A report of the Estimated Actual Percentages of Improved Services for last year's actions may be found in the Contributing Actions Annual Update Table.**

## Goals and Actions

### Goal

Goal #	Description
2	EXCELLENCE: All students will have equitable access to a high-quality core curricular and instructional program and make academic progress on the California Content Standards. Students will pursue academic excellence and be college/career ready.

### Measuring and Reporting Results

Metric	Baseline	Year 1 Outcome	Year 2 Outcome	Year 3 Outcome	Desired Outcome for 2023–24
Percentage of programs and services outlined in the charter petition, including a broad course of study, that are developed and provided to students, certain programs and services being dependent on student need and interest (Source: Local Indicator Priority 7, SIS)	2020-21: 100%	2021-22: (As of 5/13/22) 100%	2022-23: (As of 5/12/23) 100%	2023-24: (As of 5/20/24) 100%	2023-24: 100%

## Goal Analysis

An analysis of how this goal was carried out in the previous year.

A description of any substantive differences in planned actions and actual implementation of these actions.

We provide courses, electives, programs, and services outlined in our charter petition, certain programs and services being dependent on student need and interest; our master schedule is designed to meet the needs of all students; we provide opportunities for online and dual enrollment; we offer Advanced Math and Computer Technology classes; and provide opportunities for students to create or demonstrate a STEAM focused project, experiment, model or demo. We are compliant with our teacher assignments; we offer standards-based instruction and our students have sufficient access to standards-aligned instructional materials; we do facility inspections periodically; we regularly review student performance data and progress towards targets with our staff and continue to provide additional supports and interventions to 2023-24 Local Control Accountability Plan for Magnolia Science Academy - Santa Ana Page 40 of 105 all students, including ELs, during the school day, after school hours, and on Saturday; we provide our ELs with designated and integrated EL instruction; and we offer AP and Advisory classes for college readiness.

An explanation of material differences between Budgeted Expenditures and Estimated Actual Expenditures and/or Planned Percentages of Improved Services and Estimated Actual Percentages of Improved Services.

Goal 2 Action 1  
 Budgeted: \$2,907,325  
 Actual: \$2,917,796  
 Explanation: The projected expenses are around \$10k more than the budgeted amount. However, the discrepancy for this action Goal 2 Action 1 is not significant as it is less than 10% of the budgeted amount.

Goal 2 Action 2  
 Budgeted: \$120,606  
 Actual: \$129,046  
 Explanation: The projected expenses are around \$9k more than the budgeted amount. However, the discrepancy for this action Goal 2 Action 2 is not significant as it is less than 10% of the budgeted amount.

Goal 2 Action 3

Budgeted: \$669,622

Actual: \$669,622

Explanation: The projected expenses are within the budgeted amount, and all actions taken were in line with the planned initiatives, with no significant deviations.

Goal 2 Action 4

Budgeted: \$0

Actual: \$0

Explanation: N/A

Goal 2 Action 5

Budgeted: \$938,178

Actual: \$931,092

Explanation: The projected expenses are within the budgeted amount, and all actions taken were in line with the planned initiatives, with no significant deviations.

An explanation of how effective or ineffective the specific actions were in making progress toward the goal during the three-year LCAP cycle.

We spent less on STEAM this year due to the fact we had overspent the previous year. To ensure that our actual met our budgeted we increased it.

A description of any changes made to the planned goal, metrics, desired outcomes, or actions for the coming year that resulted from reflections on prior practice.

We will maintain our goal and expected outcomes, metrics, and actions and services. We have updated our budget for the upcoming school year based on technology needs and input from all stakeholders. We will continue to provide all the actions/services for this goal with minor adjustments based on student and school needs. The updated outcomes and actions/services can be found in the Goals, Actions, & Services section of the LCAP. We will maintain our goal and the majority of our expected outcomes, metrics, and actions and services.

**A report of the Total Estimated Actual Expenditures for last year's actions may be found in the Annual Update Table. A report of the Estimated Actual Percentages of Improved Services for last year's actions may be found in the Contributing Actions Annual Update Table.**

## Goals and Actions

### Goal

Goal #	Description
3	INNOVATION: All students will have access to a well-rounded education that supports their readiness for college and the global world. Each student will become an independent, innovative scholar by practicing creativity in learning and using technology in transformative ways.

## Goal Analysis

An analysis of how this goal was carried out in the previous year.

A description of any substantive differences in planned actions and actual implementation of these actions.

This year our planned MAP, IAB, College Readiness, Courses and Assessments, AP courses, initial and summative ELPAC, as well as SBAC tests were all given in a timely manner. Our data tracking was housed Magnolia-wide, and shared with other school sites and Home Office to ensure that our students were tracked as well as given data conferences, and shared growth targets so that we can support all our learners. Data was shared on a bi-monthly basis with gen ed and/or departments. Discussions were held monthly in Dean of Academic and Principal meetings to showcase our student growth rates.

An explanation of material differences between Budgeted Expenditures and Estimated Actual Expenditures and/or Planned Percentages of Improved Services and Estimated Actual Percentages of Improved Services.

Goal 3 Action 1  
Budgeted: \$114,352

Actual: \$114,352

Explanation: The projected expenses are within the budgeted amount, and all actions taken were in line with the planned initiatives, with no significant deviations.

Goal 3 Action 2

Budgeted: \$636

Actual: \$636

Explanation: The projected expenses are within the budgeted amount, and all actions taken were in line with the planned initiatives, with no significant deviations.

Goal 3 Action 3

Budgeted: \$284,626

Actual: \$284,626

Explanation: The projected expenses are within the budgeted amount, and all actions taken were in line with the planned initiatives, with no significant deviations.

Goal 3 Action 4

Budgeted: \$384,847

Actual: \$381,454

Explanation: The projected expenses are within the budgeted amount, and all actions taken were in line with the planned initiatives, with no significant deviations.

Goal 3 Action 5

Budgeted: \$665,857

Actual: \$738,586

Explanation: The projected expenses are around \$73k more than the budgeted amount. However, the discrepancy for this action Goal 3 Action 5 is not significant compared to the budgeted amount.

An explanation of how effective or ineffective the specific actions were in making progress toward the goal during the three-year LCAP cycle.

MSASA ensured that we stayed near to closely around the planned monies, for example, we chose to go with a third party for the after school ASES program. We gave them a sum of money and did not have any extra unforeseen expenditures. We are under budget in this action by approximately \$90,000. ELOP and Prop 28 Arts and Music grant are being rolled over to next school year.

A description of any changes made to the planned goal, metrics, desired outcomes, or actions for the coming year that resulted from reflections on prior practice.

We will maintain our goal and the majority of our expected outcomes, metrics, and actions and services. We have updated our annual measurable outcomes for school experience survey average approval rates. Based on input from all stakeholders, we will continue to hold events that promote parental participation as well as parent training activities such as Parent College. We will focus on acknowledging positive student behavior and restorative practices. We will continue to offer PD to our teachers on classroom management and student engagement procedures to help create an atmosphere of trust, respect, and high expectations. The updated outcomes and actions/services can be found in the Goals, Actions, & Services section of the LCAP.

**A report of the Total Estimated Actual Expenditures for last year's actions may be found in the Annual Update Table. A report of the Estimated Actual Percentages of Improved Services for last year's actions may be found in the Contributing Actions Annual Update Table.**

## Goals and Actions

### Goal

Goal #	Description
4	CONNECTION: All students, families, staff, and other educational partners will have access to meaningful engagement opportunities that help cultivate leadership, advocacy, and collaboration in a safe and nurturing environment. Educational partners will feel a sense of community and connectedness.

### Measuring and Reporting Results

## Goal Analysis

An analysis of how this goal was carried out in the previous year.

A description of any substantive differences in planned actions and actual implementation of these actions.

We have held quarterly SSC, ELAC, and PTF meetings; hosted parent activities/events; provided parents with access to our SIS; visited our students at their homes; encouraged and supported student attendance; provided support to ensure timely high school graduation; implemented alternatives to suspension/expulsion, including restorative practices; acknowledged and encouraged positive student behavior and improvements; and administered school experience surveys to our students, parents, and staff.

An explanation of material differences between Budgeted Expenditures and Estimated Actual Expenditures and/or Planned Percentages of Improved Services and Estimated Actual Percentages of Improved Services.

Goal 4 Action 1  
Budgeted: \$0  
Actual: \$0  
Explanation: N/A

Goal 4 Action 2  
Budgeted: \$321,343  
Actual: \$321,343

Explanation: The projected expenses are within the budgeted amount, and all actions taken were in line with the planned initiatives, with no significant deviations.

Goal 4 Action 3

Budgeted: \$464,510

Actual: \$468,510

Explanation: The projected expenses are around \$4k more than the budgeted amount. However, the discrepancy for this action Goal 4 Action 3 is not significant as it is less than 10% of the budgeted amount.

Goal 4 Action 4

Budgeted: \$2,650

Actual: \$2,650

Explanation: The projected expenses are within the budgeted amount, and all actions taken were in line with the planned initiatives, with no significant deviations.

Goal 4 Action 5

Budgeted: \$440,871

Actual: \$437,179

Explanation: The projected expenses are within the budgeted amount, and all actions taken were in line with the planned initiatives, with no significant deviations.

An explanation of how effective or ineffective the specific actions were in making progress toward the goal during the three-year LCAP cycle.

The actions/services have been effective as measured by progress towards our annual measurable outcomes. The expulsion rate has continued to increase though we still maintain using alternatives to suspensions as much as possible. Additionally our ADA has maintained at 95%. Lastly, our graduation rate continues to be 100% for our freshmen cohort. MSASA has no significant increased expenditures. For example, this goal pertained to educational partners, seeking family input, PBIS and SEL support, annual stakeholder surveys, and community partnerships.

A description of any changes made to the planned goal, metrics, desired outcomes, or actions for the coming year that resulted from reflections on prior practice.

We will maintain our goal and the majority of our expected outcomes, metrics, and actions and services. We have updated our annual measurable outcomes for school experience survey average approval rates. Based on input from all stakeholders, we will continue to hold events that promote parental participation as well as parent training activities. We will focus on acknowledging positive student behavior and restorative practices. We will continue to offer PD to our teachers on classroom management and student engagement procedures to help create an atmosphere of trust, respect, and high expectations.

**A report of the Total Estimated Actual Expenditures for last year's actions may be found in the Annual Update Table. A report of the Estimated Actual Percentages of Improved Services for last year's actions may be found in the Contributing Actions Annual Update Table.**

## Instructions

For additional questions or technical assistance related to the completion of the Local Control and Accountability Plan (LCAP) template, please contact the local county office of education (COE), or the California Department of Education’s (CDE’s) Local Agency Systems Support Office, by phone at 916-319-0809 or by email at [lcff@cde.ca.gov](mailto:lcff@cde.ca.gov).

Complete the prompts as instructed for each goal included in the 2023–24 LCAP. Duplicate the tables as needed. The 2023–24 LCAP Annual Update must be included with the 2024–25 LCAP.

## Goals and Actions

### Goal(s)

#### Description:

Copy and paste verbatim from the 2023–24 LCAP.

#### Measuring and Reporting Results

- Copy and paste verbatim from the 2023–24 LCAP.

#### Metric:

- Copy and paste verbatim from the 2023–24 LCAP.

## Goal Analysis

Using actual annual measurable outcome data, including data from the Dashboard, analyze whether the planned actions were effective in achieving the goal. Respond to the prompts as instructed.

A description of any substantive differences in planned actions and actual implementation of these actions.

- Describe the overall implementation of the actions to achieve the articulated goal. Include a discussion of relevant challenges and successes experienced with the implementation process. This must include any instance where the LEA did not implement a planned action or implemented a planned action in a manner that differs substantively from how it was described in the adopted LCAP.

An explanation of material differences between Budgeted Expenditures and Estimated Actual Expenditures and/or Planned Percentages of Improved Services and Estimated Actual Percentages of Improved Services.

- Explain material differences between Budgeted Expenditures and Estimated Actual Expenditures and between the Planned Percentages of Improved Services and Estimated Actual Percentages of Improved Services, as applicable. Minor variances in expenditures or percentages do not need to be addressed, and a dollar-for-dollar accounting is not required.

An explanation of how effective or ineffective the specific actions were in making progress toward the goal during the three-year LCAP cycle.

- Describe the effectiveness or ineffectiveness of the specific actions in making progress toward the goal during the three-year LCAP cycle. “Effectiveness” means the degree to which the actions were successful in producing the desired result and “ineffectiveness” means that the actions did not produce any significant or desired result.
  - In some cases, not all actions in a goal will be intended to improve performance on all of the metrics associated with the goal.
  - When responding to this prompt, LEAs may assess the effectiveness of a single action or group of actions within the goal in the context of performance on a single metric or group of specific metrics within the goal that are applicable to the action(s). Grouping actions with metrics will allow for more robust analysis of whether the strategy the LEA is using to impact a specified set of metrics is working and increase transparency for educational partners. LEAs are encouraged to use such an approach when goals include multiple actions and metrics that are not closely associated.
  - Beginning with the development of the 2024–25 LCAP, the LEA must change actions that have not proven effective over a three-year period.

A description of any changes made to the planned goal, metrics, desired outcomes, or actions for the coming year that resulted from reflections on prior practice.

- Describe any changes made to this goal, expected outcomes, metrics, or actions to achieve this goal as a result of this analysis and analysis of the data provided in the Dashboard or other local data, as applicable.
  - As noted above, beginning with the development of the 2024–25 LCAP, the LEA must change actions that have not proven effective over a three-year period. For actions that have been identified as ineffective, the LEA must identify the ineffective action and must include a description of the following:
    - The reasons for the ineffectiveness, and
    - How changes to the action will result in a new or strengthened approach.

California Department of Education  
November 2023

# Local Control and Accountability Plan

The instructions for completing the Local Control and Accountability Plan (LCAP) follow the template.

Local Educational Agency (LEA) Name	Contact Name and Title	Email and Phone
Magnolia Science Academy - Santa Ana	Steven Keskindurk & Maria Czerner-Rowell Site Director/Secondary Principal & Elementary Principal	skeskinturk@magnoliapublicschools.org & mrowell@magnoliapublicschools.org (714) 479-0115

## Plan Summary [2024-25]

### General Information

A description of the LEA, its schools, and its students in grades transitional kindergarten–12, as applicable to the LEA.

The Magnolia Educational & Research Foundation dba Magnolia Public Schools (MPS)  
 The Magnolia Educational & Research Foundation dba Magnolia Public Schools (MPS) is a 501(c)(3) non-profit public charter school management organization dedicated to establishing and managing high-quality public charter schools in California. MPS’ vision is to graduate students who are scientific thinkers that contribute to the global community as socially responsible and educated members of our society. MPS’ educational approach is based on the conviction that science, technology, engineering, and math (STEM) education is essential in improving our modern society’s knowledge base and adaptability to the fast pace of ever-changing technological advancements. MPS operates 10 charter school sites throughout California with an increasing trend of academic success, organizational, and financial stability.

#### Magnolia Science Academy Santa Ana (MSA-SA)

Magnolia Science Academy-Santa Ana (MSA-SA) is the home of the PIRATES! MSA-SA is authorized and monitored by the State Board of Education. MSA-SA is a public charter school for grades TK–12 with a mission to provide a college preparatory educational program emphasizing STEAM education in a safe environment that cultivates respect for self and others. MSA-SA offers a comprehensive learning experience designed to serve the needs of our students through effective site-based instruction, rich hands-on learning, and strong core knowledge presented in ways that are relevant and inspiring for our students. Tutoring, morning intervention, after-school program, Saturday Academy, and school-to-university partnerships (e.g. dual enrollment partnerships with local community colleges) supplement classroom instruction at MSA-SA. MSA-SA creates a supportive and caring environment with small class sizes and strong student-parent-teacher communication, and improves students’ knowledge and skills in core subjects, thereby increasing their 21st century skills as well as their chances of success in higher education and beyond. MSA SA provides students with a comprehensive education program that creates multiple opportunities for them to develop into successful contributing members of society, and therefore, fulfill the intent of the California Charter Schools Act.

In the 2023-24 academic year, Magnolia Science Academy-Santa Ana continued its seventh school year in our new campus at 2840 West 1st Street, Santa Ana. The new facility was funded by the State of California Prop 1D funding. The new building has 34 classrooms with state of the art science and computer labs, library and learning centers. Phase II construction is completed and includes a gym, playgrounds and an outside cafeteria to serve several functions. MSA-SA has adopted McGraw-Hill digital and in print curriculum across all four core subjects (Math, History, Science, and English). We have a 1:1 technology to student ratio and all classrooms with state of the art technology.

In March 2019, The State Board of Education(SBE) renewed Magnolia Science Academy-Santa Ana for 5 years.

Magnolia Science Academy Santa Ana  
Address: 2840 W 1st. Santa Ana, CA, 92307

#### Our Mission

Magnolia Public Schools provides a college preparatory educational program emphasizing science, technology, engineering, and math (STEAM) in a safe environment that cultivates respect for self and others.

#### Our Vision

Graduates of Magnolia Public Schools are scientific thinkers who contribute to the global community as socially responsible and educated members of society.

#### INNOVATION

Students have the freedom to choose how and what they learn. Individualized scheduling, early identification of learning styles, personalities, interest, and career plans support students' college and career readiness. Students experience hands-on learning through robotics, computer science, and arts to promote imagination, creativity, and invention.

#### CONNECTION

School communities are integrated partnerships among the school site staff, families, students, and all other stakeholders. Connection creates a safe place for all learners and stakeholders to affirm individual strengths, celebrate character, provide academic support through mentorship and internships, promote unity and better decision making through the implementation of restorative justice practices.

#### EXCELLENCE

Academic Excellence is the desire to pursue knowledge and excellence and to contribute original and provocative ideas in a learning environment, in diverse settings, and as a catalyst to future academic knowledge. We foster academic excellence through project-based learning using a constructivist approach, student portfolios, assessments of and for learning and academic discourse and argumentative writing.

# Reflections: Annual Performance

A reflection on annual performance based on a review of the California School Dashboard (Dashboard) and local data.

## SUCSESSES

According to the Fall 2023 California accountability dashboard data some successes include our graduation rate has gone up to 100% graduation rate, our MAP scores and SBAC scores, along with the CAST scores, have continued to increase - this is a testament to our teachers and their hard work and dedication to their students. Our SBAC scores in ELA have increased over 3 points to 46.91% met and exceeded. In math, we have increased by 5 5 points to 39.78% met and exceeded. Additionally, we have many embedded Positive Behavior Interventions and Supports (PBIS) in our school system to ensure that our Tier I interventions are effective and create a positive, safe and enriching school environment. We attribute our high graduation rate to high parental involvement through Parent College, our Parent Advisory Committee (PAC), Parent Task Force, English Learner Advisory Committee (ELAC) and after-school workshops. During the Parent College events, parents and students receive education pertaining to the A-G requirements, which are aligned to our graduation requirements and for 4-year colleges. All students have a four-year plan and meet once a year with our college counselor. MSA-SA continues to have a high acceptance rate to four-year universities. Our seniors gain admission to a variety of colleges across the nation (e.g. UC Berkeley, UCLA, UCI, USC, CSUF, etc.). This year was a year in which we developed targeted intervention groups both academically and behaviorally appropriate to address the specific needs of our students.

We continued to use internal data to measure growth throughout the year (NWEA MAPs and SBAC IABs). The effectiveness of intervention programs during school and after school has increased this year. Our Deans of Academics work diligently to update and analyze student performance with MAP, IAB, and SBAC prep. Staff utilizes our student data/ growth to drive the instruction as well as formulate intervention grouping. Lastly, reviewing our staff, parent, and student surveys through Panorama allows for an open dialogue among all educational partners so that our action plans continue to allow us to reach our greatest potential and foster a community of lifelong learners.

At MSASA, some of our successes for the 2023-24 school year include:

- Teachers used IAB data and MAP data to inform their instruction
- Increased College related events and communications
- Provided high number of AP courses (9)
- Continued Dual Enrollment Program with Santa Ana College
- Continued to hold data driven meetings with teachers
- Improving student engagement and assignment completion by implementing PBIS.
- College Counselor conducted Individual meetings to increase college readiness.
- Increase efficiency of small group interventions with stronger before and after school programs and Saturday School

Every year we conduct a Educational Partner Survey - here is a summary of what our stakeholders "like the most about our school"

Students: Students in Elementary like their teachers and all the STEAM-related activities that take place in their school. Students in Secondary also like their teachers and their college culture services. The students enjoy their AP. courses and they like the small class sizes, and the friends that they've made!

Family: Similar to our students, our families like the teachers and the college readiness program that we offer to students. The parents also like the “family feel” environment and the student information system that facilitates communication. Additionally, the parents like having a K-12 school model in order to drop off all of their school-aged students in one location.

Staff: The staff enjoys working with each other and the family feel. Staff feels that their colleagues are professional, supportive; collaborative and that everyone genuinely wants to improve the school.

## CHALLENGES

According to the Dashboard data, a major difference is that our suspension rate has increased and socioeconomically disadvantaged and Hispanic populations are our greatest need. This has become our focus area, specifically for third through eighth-grade students. Intervention groups were formed at the beginning of the year using the SBAC Spring 2022 results and our internal MAP data. Our students took our internal MAP assessment (NWEA) in the fall. Our Spring MAP assessment was administered at the end of May to measure growth.

Such targeted intervention groups include intervention for our SPED students (Tier III), our Power English/Math course for Tier II students, our SSR Math/Writing group for Tier II students, and our Designated and Integrated ELD courses which are additional supports for the English Learner student population. Our elementary intervention grouping is based on the Spring SBAC and Fall MAP scores (this year we introduced standardized assessments as early as first grade). We grouped our ELA and Math interventions in the afternoon. After school, focusing on our Tier II students, students at the CAASPP standards nearly met and not met, and our Tier III students who are struggling in English Language Arts and Mathematics. These interventions are revisited quarterly, and changes are made depending on student progress. Students are identified for the SSPT process based on intervention and classroom assessment, and progress.

Our students are coming from different curriculum backgrounds. Our goal is to close this performance gap to ensure they're ready and successful for the next grade level.

We continue to provide social-emotional support for our students. This year we partnered with the OCDE, and secured SEL curriculum for TK-12th grade. Our MTSS grant still allows us to partner with Western Youth Services so that our families can have access to free/affordable counseling and Help Me Grow for elementary students. We have also partnered with Care Solace this year to give students and families access to mental health services.

We conducted our annual panorama surveys and reflected on our educational partners' greatest areas of need and this is how they answered for "what do you like least about your school?"

Students: The Elementary student want a more traditional play-setting and swings. The Secondary students strongly dislike the crowded hallways, and the restrictions to bathroom usage.

Families: Our parents have concerns about our limited parking space.

Staff: Our staff indicated that student uniform policy and discipline procedures/consequences haven't been enforced as much as needed.

## Reflections: Technical Assistance

As applicable, a summary of the work underway as part of technical assistance.

N/A

## Comprehensive Support and Improvement

An LEA with a school or schools eligible for comprehensive support and improvement must respond to the following prompts.

### ***Schools Identified***

A list of the schools in the LEA that are eligible for comprehensive support and improvement.

N/A

### ***Support for Identified Schools***

A description of how the LEA has or will support its eligible schools in developing comprehensive support and improvement plans.

N/A

### ***Monitoring and Evaluating Effectiveness***

A description of how the LEA will monitor and evaluate the plan to support student and school improvement.

N/A

# Engaging Educational Partners

A summary of the process used to engage educational partners in the development of the LCAP.

School districts and county offices of education must, at a minimum, consult with teachers, principals, administrators, other school personnel, local bargaining units, parents, and students in the development of the LCAP.

Charter schools must, at a minimum, consult with teachers, principals, administrators, other school personnel, parents, and students in the development of the LCAP.

An LEA receiving Equity Multiplier funds must also consult with educational partners at schools generating Equity Multiplier funds in the development of the LCAP, specifically, in the development of the required focus goal for each applicable school.

Educational Partner(s)	Process for Engagement
Parents	We invited our parents for the WASC renewal process, in which they engaged in numerous, robust conversations regarding the LCAP. We also, on a quarterly basis, discussed our ELAC and school site related items that also relate to the LCAP. Every Friday during our Coffee with the Principals our parents continue to collaborate in rich conversations around out LCAP.
Students	We invited our students for the WASC renewal process, in which they engaged in numerous, robust conversations regarding the LCAP along with the parents and teachers. Our students are also part of the Community Advisory Committee, and they were also part of the LCAP goal conversations - the students know that every goal we have impacts their success.
Teachers	Teachers are involved in all aspects of our LCAP since we meet on a weekly basis during our staff meetings. On a monthly basis, our teachers meet in grade level and department meetings, where they deep dive into the LCAP goals. The teachers are also part of the WASC committee and were very involved in that whole process,
School administrators	The school site administration team collaborates on a daily basis to ensure that all decisions are based on and aligned with our LCAP goals.
Other school personnel	We invite and ensure all educational partners, including our front office staff, custodial staff, and support, also have voice during our WASC committees as well as the CAC committee. They are also involved in our weekly staff meetings.

Educational Partner(s)	Process for Engagement
SELPA	We ensure that our SPED team has a voice and collaborates on our LCAP goals. We also inform our El Dorado SELPA with our decision making, as we are inclusive to all.

A description of how the adopted LCAP was influenced by the feedback provided by educational partners.

Annually, our LCAP is directly influenced by the feedback of our educational partners. This is done through our weekly Coffee With the Principal, in addition to our WASC, CAC, ELAC, and any town hall meetings that may arise based upon the direct feedback by all educational partners. At the end of every year, our educational partners participate in our Panorama survey, and it is the results of this survey that will directly drive and influence change, next steps, and directly impact our LCAP.

# Goals and Actions

## Goal

Goal #	Description	Type of Goal
1	BASIC SERVICES FOR A HIGH-QUALITY LEARNING ENVIRONMENT: All students and staff will have access to a safe, secure, healthy, and high-quality learning and working environment. Students will receive high-quality services that are fundamental to academic success, including fully credentialed teachers, standards-aligned instructional materials, and appropriately maintained school facilities.	Broad Goal

State Priorities addressed by this goal.

- Priority 1: Basic (Conditions of Learning)
- Priority 2: State Standards (Conditions of Learning)

An explanation of why the LEA has developed this goal.

Providing basic services means ensuring all students have access to teachers who are fully credentialed in their subject areas, instructional materials aligned with state standards, and safe, properly maintained school facilities. Charter School will also adhere to the MPS Wellness Policy and encourage participation in school meal programs. Research shows when students are provided with these basic services, student learning outcomes increase. The MPS Home Office will provide services such as academics, accountability, operations, IT, facilities, finance and accounting, human resources, and external relations to support and hold accountable the Charter School for compliance and meeting charter goals. Charter School will implement the actions listed under this goal and use the indicated metrics to measure progress in provision of basic services to maintain a high-quality learning environment.

## Measuring and Reporting Results

Metric #	Metric	Baseline	Year 1 Outcome	Year 2 Outcome	Target for Year 3 Outcome	Current Difference from Baseline
1.1	The percentage of teaching assignments that have an assignment monitoring outcome of "clear" (Source: Local Indicator Priority 1, CDE DataQuest TAMO by FTE Report)	2021-22: 90.6%			2024-25: > 85%	
1.2	Percentage of students without access to their	2023-24: 0%			2026-27: 0%	

Metric #	Metric	Baseline	Year 1 Outcome	Year 2 Outcome	Target for Year 3 Outcome	Current Difference from Baseline
	own copies of standards-aligned instructional materials for use at school and at home (Source: Local Indicator Priority 1)					
1.3	Number of identified instances where facilities do not meet the “good repair” standard (including deficiencies and extreme deficiencies) (Source: Local Indicator Priority 1)	2023-24: 0			2026-27: 0	
1.4	Teacher retention rate (Source: HRIS)	2023-24: (Fall 2022 to Fall 2023) 75%			2026-27: (Fall 2025 to Fall 2026) >= 80%	
1.5	Teacher attendance rate (Source: HRIS)	2023-24: (As of 5/15/24) 95.0%			2026-27: >= 95.0%	

## Goal Analysis [2023-24]

An analysis of how this goal was carried out in the previous year.

A description of overall implementation, including any substantive differences in planned actions and actual implementation of these actions, and any relevant challenges and successes experienced with implementation.

Not Applicable.

An explanation of material differences between Budgeted Expenditures and Estimated Actual Expenditures and/or Planned Percentages of Improved Services and Estimated Actual Percentages of Improved Services.

Not Applicable.

A description of the effectiveness or ineffectiveness of the specific actions to date in making progress toward the goal.

Not Applicable.

A description of any changes made to the planned goal, metrics, target outcomes, or actions for the coming year that resulted from reflections on prior practice.

Not Applicable.

## Actions

Action #	Title	Description	Total Funds	Contributing
1.1	Teacher assignments and credentials	<p>Charter School and the MPS Human Resources team will conduct credential, background, and TB clearance reviews as part of the hiring process and at least once throughout the year to ensure all credentials are properly maintained. Charter School will support our teachers' credentialing needs. Charter School will also annually review master schedules and teacher assignments to ensure teachers are appropriately assigned and fully credentialed in the subject area and for the students they are teaching. Charter School uses a Human Resources Information System (HRIS) to automate employee documents. MPS Home Office HR team acts as a liaison between employees and provides administrative support as needed (e.g., correspondence generation, record keeping, file maintenance, HRIS entry, etc.) The HR team also provides reports to the Board and school administrators in regards to teacher retention, performance, pay scale, vacancies, recruitment efforts, credentials, mandatory trainings, and other HR related matters.</p> <p>Expenditures associated with this action include the following: teacher credentialing expenses, recruitment expenses (sign-in bonus, livescan/fingerprinting fees, etc.), Paycom/payroll fees, retirement service fees, and performance pay.</p> <p>The following expenditures will be funded by federal Title funds: N/A</p>	\$38,425.00	No
1.2	Instructional materials and technology	Charter School will manage the acquisition, distribution, and maintenance of equipment, materials, and technology needed to meet the academic, linguistic, cultural, social-emotional, and physical requirements of students.	\$888,374.78	No

Action #	Title	Description	Total Funds	Contributing
		<p>Charter School will annually review alignment of instructional materials to standards and maintain an inventory of instructional materials and corresponding purchases of materials. Charter School will annually review budgets and plans to ensure adequate budget for instructional materials. Charter School will ensure that students have sufficient access to standards-aligned instructional materials, including technology-based resources. Charter School will provide effective access and integration of technology resources, including software and mobile devices, that ensure meaningful access to CA Content Standards aligned instructional programs.</p> <p>Expenditures associated with this action include the following: textbooks, instructional materials and supplies, teacher/classroom supplies and office materials, computers, Chromebooks, hotspots, and other technology equipment, IT manager salary and benefits, E-Rate consultancy, and basic software (Zendesk, AssetWorks, firewall, Datto, CloudReady, Zoom, GoGuardian, etc.), phone/internet, and depreciation.</p> <p>The following expenditures will be funded by federal Title funds:</p> <ul style="list-style-type: none"> <li>• Non personnel Federal Resource 4035 Title II 5940 Technology \$963.54</li> </ul>		
1.3	Clean and safe facilities that support learning	<p>Charter School will strive to maintain a clean, safe, environmentally friendly, and inviting school that is worthy of our students, families, and staff and encourages successful teaching and learning. Charter School will continually improve and maintain facilities to ensure school safety, security and high quality learning and working environments. Charter School will do annual and monthly facility inspections to screen for ADA compliance and safety hazards; identified deficiencies will be quickly remedied. Daily general cleaning will maintain campus cleanliness. Maintenance and repairs will be provided by Charter School custodial staff and/or outsourced. As a STEAM focused school, we aim to operate in a sustainable and environmentally responsible manner. Charter School will develop and monitor comprehensive safety and security plans, conduct necessary safety training for all staff and continue to work with stakeholders and experts to implement emergency and risk management</p>	\$596,530.40	No

Action #	Title	Description	Total Funds	Contributing
		<p>procedures for individuals and the site. Charter School will procure and maintain necessary safety/emergency supplies, equipment and items. Charter School will establish schedules and procedures for the supervision of students in non-classroom areas, including before and after school.</p> <p>Expenditures associated with this action include the following: facilities rent/acquisition cost, custodial staff salaries and benefits, custodial supplies, maintenance and repair services, gas/electric, security services, health and safety related expenses (PPE, nursing services, etc.), and insurance costs (workers compensation, CharterSAFE, etc.)</p> <p>The following expenditures will be funded by federal Title funds: N/A</p>		
1.4	Healthy and nutritious meals	<p>Charter School will maintain nutrition education resources and continue to focus on innovative ways to increase access to freshly prepared, nutritious foods to ensure students are well-nourished and ready to learn. Charter School will adhere to the MPS Wellness Policy guidelines on nutritious foods for all food sales and celebrations. The meal program aims to improve the diet and health of our students, help mitigate childhood obesity, model healthy eating to support the development of lifelong healthy eating patterns and support healthy choices while accommodating cultural food preferences and special dietary needs. Charter School will promote healthy food and beverage choices for all students throughout campus, as well as encourage participation in school meal programs.</p> <p>Expenditures associated with this action include the following: student meals, water, and refreshments.</p> <p>The following expenditures will be funded by federal Title funds: N/A</p>	\$52,677.03	Yes
1.5	Well-orchestrated Home Office support services	<p>The MPS Home Office provides services to the Charter School, supports and holds accountable the Charter School for compliance and meeting charter goals, provides best practices in curriculum and professional development, and sets up systems and processes that support academic</p>	\$1,277,548.35	No

Action #	Title	Description	Total Funds	Contributing
		<p>achievement and growth, operational effectiveness, and financial sustainability. The Home Office manages business operations of schools, which reduces program and operations-related burdens of the Charter School administration and enables the Charter School to receive services at a lower cost. The services of the Home Office include, but are not limited to, academics, accountability, operations, IT, facilities, finance and accounting, human resources, and external relations. Instructional services are reflected in Goals 2-4.</p> <p>Expenditures associated with this action include the following: Home Office management fees, authorizer oversight fees, audit fees, bank fees, legal fees (YM&amp;C, etc.), and other back-office related expenses (Adaptive Insights, DataWorks, etc.)</p> <p>The following expenditures will be funded by federal Title funds:</p> <ul style="list-style-type: none"> <li>Professional Services paid with Title I: \$21,140</li> </ul>		

# Goals and Actions

## Goal

Goal #	Description	Type of Goal
2	EXCELLENCE: Under our first core pillar of Excellence, all students will have equitable access to a high-quality core curricular and instructional program and make academic progress in alignment with California content standards (CCSS, NGSS, etc.) through our data-driven, differentiated and engaging learning program. Students will develop competencies aligned with our “Portrait of a Graduate,” including Literacy with a Learner’s Mindset and Critical Thinking skills as they pursue academic excellence.	Broad Goal

### State Priorities addressed by this goal.

- Priority 4: Pupil Achievement (Pupil Outcomes)
- Priority 5: Pupil Engagement (Engagement)
- Priority 8: Other Pupil Outcomes (Pupil Outcomes)

### An explanation of why the LEA has developed this goal.

Charter School desires that all our students pursue academic excellence and be college/career ready. Effective core curriculum and instruction are central to academic success. Therefore, Charter School will ensure that all students, including but not limited to, ELs, students with disabilities, socioeconomically disadvantaged/low-income students, and students achieving below grade level, have access to a high-quality core curricular and instructional program with appropriate services and support. Targeted interventions will be utilized to create a high quality differentiated environment where students are supported to engage at their optimal levels. Charter School will also provide professional development to staff to promote a cycle of continuous improvement, as well as supports for high quality delivery of the program that enables differentiation, particularly for unduplicated students and students with exceptional needs. Charter School will implement the actions listed under this goal and use the indicated metrics, such as CAASPP assessment results, to measure progress in achievement of academic excellence and college/career readiness.

## Measuring and Reporting Results

Metric #	Metric	Baseline	Year 1 Outcome	Year 2 Outcome	Target for Year 3 Outcome	Current Difference from Baseline
2.1	Percentage of students who have sufficient access to all programs and services, as applicable, including the programs and services	2023-24: 100%			2026-27: 100%

# Goal Analysis [2023-24]

An analysis of how this goal was carried out in the previous year.

A description of overall implementation, including any substantive differences in planned actions and actual implementation of these actions, and any relevant challenges and successes experienced with implementation.

Not Applicable.

An explanation of material differences between Budgeted Expenditures and Estimated Actual Expenditures and/or Planned Percentages of Improved Services and Estimated Actual Percentages of Improved Services.

Not Applicable.

A description of the effectiveness or ineffectiveness of the specific actions to date in making progress toward the goal.

Not Applicable.

A description of any changes made to the planned goal, metrics, target outcomes, or actions for the coming year that resulted from reflections on prior practice.

Not Applicable.

## Actions

Action #	Title	Description	Total Funds	Contributing
2.1	Broad course of study and standards based curriculum	Charter School will provide students with a broad array of courses including core subjects (English, mathematics, social sciences, and science) and electives. Charter School will also provide all other academic programs and services outlined in its charter petition, certain programs and services being dependent on student need and interest. Charter School will design its master schedule to meet the needs of its students to ensure all academic content areas are available to all students, including student groups. All students will participate in a rigorous, relevant, and coherent standards-based curriculum that supports the achievement of the schoolwide learner outcomes, academic standards, and college- and career-readiness standards. The school will be appropriately staffed to implement the school master schedule.	\$2,845,887.83	No

Action #	Title	Description	Total Funds	Contributing
		<p>Expenditures associated with this action include the following: teacher salaries and benefits, principal salary and benefits, and substitute teacher expenses.</p> <p>The following expenditures will be funded by federal Title funds: N/A</p>		
2.2	Professional development for high-quality instruction	<p>Professional development will occur at the MPS organizational level and within the school. Charter School will ensure curricula, instruction, and assessments are aligned to the standards and that teachers participate in professional development on the implementation of standards (CCSS, NGSS, etc.) In addition to ongoing professional development activities that support efforts to increase student academic performance, all staff will be provided with multiple opportunities to grow professionally through induction processes, regular collaboration with colleagues, and curricular support. This involves instructional leadership, common walkthrough protocols, and professional feedback to promote a cycle of continuous improvement, as well as supports for high quality delivery of the program that enables differentiation, particularly for unduplicated students and students with exceptional needs. Instructional leaders at the school and at the Home Office will assess staff professional development needs through formal and informal performance observation, surveys, and student performance data. Based on the data, combined with LCAP goals and the MPS Home Office high quality instruction guidelines, the instructional leaders will determine common staff development days and tailor staff development to individual staff needs.</p> <p>Expenditures associated with this action include the following: professional development, tuition reimbursement, and TeachBoost/SchoolMint Grow software fees.</p> <p>The following expenditures will be funded by federal Title funds:</p> <ul style="list-style-type: none"> <li>• Non Personnel Federal 4035 Title II 5864 Prof. Dev-Other \$27,295</li> </ul>	\$93,801.06	Yes

Action #	Title	Description	Total Funds	Contributing
<b>2.3</b>	MTSS - Academic enrichment, intervention, and student support	<p>Charter School will implement MTSS as a systemic, continuous improvement framework in which data-based problem-solving and decision making is practiced across all levels of the educational system for supporting students. Charter School will synthesize CAASPP and MAP student achievement and growth data, as well as course grades, and other state and internal assessment scores, into reports and regularly review progress towards targets. Targeted interventions will be utilized to create a high-quality differentiated environment where students are supported to engage at their optimal levels. Charter School will provide additional supports and interventions to all students, including but not limited to, 1-1 or small group interventions, targeted support via evidence-based supplemental intervention/enrichment materials and technology (reading, math, etc.), co-taught classes, Power English/Power Math classes, Study Skills, additional support during SSR/Advisory, before and after school tutoring, Saturday classes, and summer programs. SSPT, 504, and other support meetings will be coordinated among teachers and support roles (resource teachers, EL coordinator, department chairs, etc.)</p> <p>Expenditures associated with this action include the following: Dean of Academics salary and benefits, Title-I coordinator salary and benefits, instructional aide salaries and benefits, intervention teacher salaries and benefits, teacher stipends for after school, Saturday school, and summer school, NWEA MAP testing fees, Infinite Campus fees, and evidence-based supplemental intervention/enrichment program fees (Edgenuity, ALEKS, IXL, Accelerated Reader, Standards Plus, Quizizz, Padlet, BrainPOP, NextGenMath, Spelling City, Seesaw, and MyON.)</p> <p>The following expenditures will be funded by federal Title funds:</p> <ul style="list-style-type: none"> <li>• Non personnel 4127 Title IV, Part A 4340 Educational Software \$3,353.84</li> <li>• Non personnel 3010 Title I 4340 Educational Software \$53,718.37</li> <li>• Personnel 3010 Title I: Teacher Salaries and Benefits: \$143,757.78</li> </ul>	\$665,499.37	Yes
<b>2.4</b>	Designated and integrated ELD	Charter School will provide services to ELs, including newcomers and LTELs, by proficiency level and provide ELD instruction aligned to the CA	\$0.00	Yes

Action #	Title	Description	Total Funds	Contributing
	programs and support for ELs	<p>ELD standards and framework. Charter School will provide our ELs with core and supplemental ELD instructional materials and provide our teachers with PD focused on ELD standards. Our EL coordinator will monitor EL student progress in program implementation according to our EL Master Plan. Charter School teachers will provide instruction using designated and integrated ELD instructional strategies as outlined in the CHATS framework (and other research-based strategies such as SDAIE) to all students, including ELs. Charter School will provide culturally and linguistically relevant materials for students. ELs will receive further in-class instructional support which includes one-on-one teacher support and small group instruction. Charter School will strive to provide bilingual instructional assistants to provide primary language support to enable students to access content area instruction while gaining language proficiency. Charter School will ensure that teachers participate in PD on ELD instructional strategies and CHATS framework. Charter School will provide regular and timely communication with families of EL students, including newcomers and LTELs, regarding annual assessments, program supports and services, and students' progress toward reclassification. This notification will include, but is not limited to, annual parent notification letters, quarterly ELAC meetings, and parent-teacher conferences.</p> <p>Expenditures associated with this action include the following: EL coordinator salary and benefits, EL coordinator stipend, EL instructional aide salary and benefits.</p> <p>The following expenditures will be funded by federal Title funds: N/A</p>		
2.5	Support for students with disabilities	<p>Students with disabilities will receive services and supports as listed in their Individualized Education Programs (IEPs) (in addition to services they receive pertinent to low income, foster youth and English learner designations) in order to improve outcomes and close the achievement gap, including graduation rate and performance on statewide assessments. Students with disabilities will have access to all additional intervention and student support systems as outlined in Goal 2: Actions 3 and 4, as well as access to push-in and pull-out services, instructional aides, learning center services, and contracted services to provide each</p>	\$999,743.50	No

		<p>scholar with a Free and Appropriate Public Education in their least restrictive and most accessible learning environment. Students with disabilities dually identified as EL will have ELD goals in their IEPs in addition to goals addressing their specific areas of need based on their eligibility. Our SPED, EL, and general education teams will work in collaboration, monitor our scholars' progress toward IEP goal mastery, and provide progress reports to parents. In addition, all IEPs will be reviewed and present levels will be updated during annual and triennial reviews as required by the IDEA.</p> <p>Expenditures associated with this action include the following: SPED coordinator and teacher salaries and benefits, paraprofessional salaries and benefits, school psychologist salary and benefits, SPED intern salaries and benefits, outsourced SPED services fees, and SPED instructional materials and technology.</p> <p>The following expenditures will be funded by federal Title funds: N/A</p>		

# Goals and Actions

## Goal

Goal #	Description	Type of Goal
3	INNOVATION: All students will have access to a well-rounded, 21st century education that supports their readiness for college and the global world under our second core pillar of Innovation. Each student will become an independent, innovative scholar by practicing Creativity and Adaptability in their learning, using technology and data-driven online learning, and demonstrating high-quality learning outcomes in myriad ways.	Broad Goal

State Priorities addressed by this goal.

Priority 7: Course Access (Conditions of Learning)  
Priority 8: Other Pupil Outcomes (Pupil Outcomes)

An explanation of why the LEA has developed this goal.

It is the Charter School's vision that our graduates are well-rounded critical thinkers and problem solvers who contribute to the global community. A significant step toward helping our students achieve their maximum potential involves providing a rigorous, relevant and college preparatory curriculum with a STEAM emphasis. Therefore, we will design educational experiences to meet the needs of our scholars with an emphasis on innovation and critical thinking. Charter School will also promote the benefits of a physically active lifestyle and will help students develop skills to engage in lifelong healthy habits, as well as incorporate essential health education concepts to our physical education program. In an effort to provide well-rounded education to our students, Charter School will strive to offer additional programs such as elective courses, arts, music, civics, languages other than English, clubs, etc. Charter School will implement the actions listed under this goal and use the indicated metrics to measure progress in provision of an innovative, well-rounded education that supports student readiness for college and the global world.

## Measuring and Reporting Results

Metric #	Metric	Baseline	Year 1 Outcome	Year 2 Outcome	Target for Year 3 Outcome	Current Difference from Baseline
3.1	Percentage of students enrolled in an Accelerated and/or Advanced Math course and/or Advanced Math club (Source: Local Indicator Priority 7, SIS)	2023-24: (As of 5/20/24) 10%			2026-27: >= 10%	

Metric #	Metric	Baseline	Year 1 Outcome	Year 2 Outcome	Target for Year 3 Outcome	Current Difference from Baseline
3.2	Percentage of students in the current graduating class who have taken a Computer/Technology course and/or experienced blended learning in their program of study (Source: Local Indicator Priority 7, SIS)	2023-24: (As of 5/20/24) 97%			2026-27: ≥ 90%

## Actions

Action #	Title	Description	Total Funds	Contributing
3.1	College/Career readiness programs and activities	<p>Charter School will offer individual graduation plans, outlining the classes students will take during their high school years. Students will be provided credit recovery opportunities and individualized support to ensure timely high school graduation. Charter School will offer Advisory and College Readiness classes and activities to support our students in the areas, including, but not limited to, college planning and career exploration, college application and financial aid submission. Charter School will provide students with opportunities to take Advanced Placement (AP) courses based on student needs and interests. Charter School will promote a college-going culture through dual and concurrent enrollment, AP courses, college visits, college/career days, and other college related activities. Charter School will also explore CTE options to provide students with opportunities to explore a career theme of interest while learning a set of technical and employability skills that integrate into or complement their academic studies.</p> <p>Expenditures associated with this action include the following: college counselor salary and benefits, AP teacher stipends, Naviance program fees, AP exam fees, AP course materials, and other college-related materials and activities.</p> <p>The following expenditures will be funded by federal Title funds: N/A</p>	\$118,000.69	Yes

Action #	Title	Description	Total Funds	Contributing
3.2	STEM and GATE programs	<p>Charter School will offer STEAM and GATE programs and activities, including Accelerated/Advanced Math course and club. Students will be provided opportunities during the day and after school to create or demonstrate a STEAM focused project, experiment, model or demo. We will also provide information and access to quality out-of-school STEM activities and achievements. With CA Science Framework and NGSS integration, all our students will learn about engineering design, technology, and applications of science as part of their core classes. Furthermore, Charter School will design and implement computer science and engineering-related courses and activities, such as AP Computer Science Principles, Code.org activities, Project Lead the Way (PLTW) programs, Robotics, etc. Gifted and talented students and students achieving above grade level will be engaged in all classes as teachers differentiate curriculum through adjustments of content through depth, complexity, and pacing. Emphasis will be on innovation, critical thinking, and logical reasoning. Learners will be challenged to investigate, use problem-based learning, and research.</p> <p>Expenditures associated with this action include the following: supplemental STEM program fees.</p> <p>The following expenditures will be funded by federal Title funds:</p> <ul style="list-style-type: none"> <li>• 4340 Educational Software Resource: 4127 Title IV, Part A \$636</li> </ul>	\$636.00	Yes
3.3	Digital literacy and citizenship programs	<p>Charter School will educate our students and staff in digital literacy so that they adapt, create, consume, and connect in productive, responsible ways to utilize technology in academic, social, and professional settings. Charter School will offer Computer/Digital Literacy classes and/or blended learning experiences for our students. Teachers will incorporate appropriate technology into lessons to support student learning and technology will be kept up to date. Students will be provided with opportunities to expand their literacy, computational, and communication skills with digital media; they will be writing advanced essays, conducting internet research, engaging in data collection, presenting ideas and drawing conclusions. Charter School</p>	\$292,985.58	Yes

Action #	Title	Description	Total Funds	Contributing
		<p>staff will teach and model safe, savvy, and social digital citizenship; topics may include, but are not limited to, using technology applications, including Artificial Intelligence (AI); digital footprint, privacy, and security; digital rights and responsibilities; using social media responsibly and digital etiquette. As our students gain the ability to navigate computing systems, utilize networks and the internet responsibly, analyze and interpret data with an antibias lens, solve problems using algorithms and programming, and carefully consider the ethics of computing technologies, they will become informed digital citizens who can leverage AI and other technologies to promote social justice and equity.</p> <p>Expenditures associated with this action include the following: computer teacher salary and benefits, internet security program fees, and digital literacy and citizenship program fees.</p> <p>The following expenditures will be funded by federal Title funds:</p> <ul style="list-style-type: none"> <li>• 4340 Educational Software Resource: 4127 Title IV, Part A \$3,587.04</li> </ul>		
3.4	Physical education, activity, and fitness	<p>Charter School will provide students with physical education, using an age-appropriate, sequential PE curriculum consistent with state standards for PE. The curriculum will promote the benefits of a physically active lifestyle and will help students develop skills to engage in lifelong healthy habits, as well as incorporate essential health education concepts. Charter School will offer recess before lunch and students will be provided with periodic opportunities to be active or to stretch throughout the day on all or most days during a typical school week. To the extent practicable, Charter School will ensure that its grounds and facilities are safe, and that equipment is available to students to be active. Charter School will offer opportunities for students to participate in physical activity either before and/or after the school day (or both) through a variety of methods such as physical activity/sports clubs, intramurals or interscholastic sports, etc. Charter School will adhere to the MPS Wellness Policy guidelines on physical education, activity, and fitness.</p> <p>Expenditures associated with this action include the following: PE/Health</p>	\$328,280.37	Yes

Action #	Title	Description	Total Funds	Contributing
		<p>teacher salary and benefits and physical activity, fitness, and equipment expenses.</p> <p>The following expenditures will be funded by federal Title funds:</p> <ul style="list-style-type: none"> <li>• Educational Software Resource: 4127 Title IV, Part A \$424</li> <li>• Certified Pupil Support Salary and Benefits: \$9,693.51</li> </ul>		
3.5	Additional programs and activities that support well-rounded education	<p>To provide well-rounded education to our students, Charter School will strive to offer additional programs such as elective courses, arts, music, civics, languages other than English (LOTE), clubs, etc. Arts instruction focuses on developing students' creativity, imagination, discipline and self-expression through drawing and fine arts. It is important that all our students, particularly unduplicated students, are provided with experiential learning opportunities, including but not limited to, instructional field trips, internships, community service programs, clubs, etc. Charter School teachers and other staff will offer after school clubs for enrichment in the areas of, including, but not limited to, STEM (science, technology, engineering, math), ELA, LOTE, culture, sports, visual and performing arts, community service, leadership, and others. In addition to these clubs, the Charter School's Expanded Learning Opportunities Program (ELO-P) will support afterschool and summer enrichment programs in science, robotics, advanced math, academic competitions, journalism, college mentorship, and other areas.</p> <p>Expenditures associated with this action include the following: teacher salaries and benefits for additional programs that support well-rounded education, supplemental materials, field trip expenses, and afterschool/club expenses.</p> <p>The following expenditures will be funded by federal Title funds: N/A</p>	\$1,016,305.68	Yes

# Goals and Actions

## Goal

Goal #	Description	Type of Goal
4	CONNECTION: All students, families, staff, and other educational partners will experience our third core pillar, Connection, and have access to meaningful engagement opportunities that help cultivate Effective Communication and Global Citizenship in a safe and nurturing environment. Educational partners will feel a sense of community and connectedness.	Broad Goal

### State Priorities addressed by this goal.

- Priority 3: Parental Involvement (Engagement)
- Priority 5: Pupil Engagement (Engagement)
- Priority 6: School Climate (Engagement)

### An explanation of why the LEA has developed this goal.

School communities are integrated partnerships with the school site staff, families, students and all other educational partners. This sense of connection creates a safe place for all learners and educational partners to affirm individual strengths, develop capacity, celebrate character, build trusting and respectful relationships, promote unity and better decision making. Additionally, community cultivates identity and gives each member a sense of belonging and pride. Charter School will seek family input for decision making, utilize home visits and educational partner surveys, and provide academic and social-emotional support through MTSS/PBIS. We will work with community partners to support the vision and goals of the school, including our students' development of personal and academic networks for long-term resilience and connection. Charter School will implement the actions listed under this goal and use the indicated metrics to measure progress in sustaining a sense of community and connectedness.

## Goal Analysis [2023-24]

An analysis of how this goal was carried out in the previous year.

A description of overall implementation, including any substantive differences in planned actions and actual implementation of these actions, and any relevant challenges and successes experienced with implementation.

Not Applicable.

An explanation of material differences between Budgeted Expenditures and Estimated Actual Expenditures and/or Planned Percentages of Improved Services and Estimated Actual Percentages of Improved Services.

Not Applicable.

A description of the effectiveness or ineffectiveness of the specific actions to date in making progress toward the goal.

Not Applicable.

A description of any changes made to the planned goal, metrics, target outcomes, or actions for the coming year that resulted from reflections on prior practice.

Not Applicable.

## Actions

Action #	Title	Description	Total Funds	Contributing
4.1	Seeking family input for decision-making	<p>Charter School will build the capacity of and support administrators, teachers and staff in order to build the capacity of and support family members to effectively engage in advisory groups and decision-making. Charter School will provide all families with opportunities to provide input on policies and programs, and implement Community School strategies to reach and seek input from any underrepresented groups in the school community. Some periodic information/input sessions for families include, but are not limited to, Board of Directors meetings, Parent Advisory Committee (PAC) meetings, English Learner Advisory Committee (ELAC) meetings, Parent Task Force (PTF) meetings, and Coffee with the Principal meetings. The PAC will be composed of majority of parents of pupils and include parents/guardians of ELs, low-income, foster youth, and students with disabilities. Parents, teachers, staff, students, and community members are encouraged and empowered to join school committees, including the PAC and ELAC. Such committees provide for representation of students in need (low income, EL, foster youth, students with disabilities, etc.) Feedback from our educational partners provide valuable input for the LCAP and continuous school improvement. Charter School chooses to utilize the LCAP to serve as the SPSA and holds an annual meeting to inform parents and collect feedback about LCAP goals and actions, data and needs assessment, Title-funded activities and budgets, UCP, parent and family engagement policy and school-student-parent compact. In addition, as explained in Goal 4: Action 4, Charter School will conduct family surveys to seek feedback on school improvement.</p> <p>Expenditures associated with this action include the following: parent meeting expenses.</p> <p>The following expenditures will be funded by federal Title funds: N/A</p>	\$275.00	Yes
4.2	Building relationships and partnerships with families for student outcomes	<p>Charter School will develop the capacity of staff to build trusting and respectful relationships with families and create welcoming environments for all families in the community. Our staff will learn about each family's strengths, cultures, languages, and goals for their children. We will promote participation in activities/events, including Student/Parent Orientation, Back to School Night, and parent conferences. Administrators</p>	\$335,430.28	Yes

Action #	Title	Description	Total Funds	Contributing
		<p>will greet all students and parents in the mornings during student drop off and have an open-door policy welcoming all parents. We will provide professional learning and support to staff to improve capacity to partner with families and to provide families with information and resources to support student learning and development in the home. Charter School will provide parents with access to course materials, homework assignments, projects, and records of students' grades through our SIS. Charter School will communicate further with the parents of students who are performing below grade level. Our teachers, administrators, and classified staff will visit students at their homes to discuss student progress and enhance student learning and involvement. Charter School will also support families to understand and exercise their legal rights and advocate for their own students and all students. Charter School will schedule annual workshops for parents as well as additional workshops for parents of EL and immigrant students. Topics to be covered include, but are not limited to, the school's EL Master Plan, stages of language acquisition, state testing, college application, using SIS to check student progress, study habits, and family literacy. Charter School will use a variety of communication channels to connect with families in a language that is understandable and accessible to them. A parent communication software will be utilized for voice and text communications, email, and push notifications. We will provide language translators at parent meetings to the extent practicable.</p> <p>Expenditures associated with this action include the following: Infinite Campus SIS fees, ParentSquare software fees, SchoolMint software fees, home-visit compensation, parent activity/event expenses, Parent Education Bridge program fees, Pitney Bowes expenses, and Office manager/Administrative assistant salaries and benefits.</p> <p>The following expenditures will be funded by federal Title funds:</p> <ul style="list-style-type: none"> <li>• 5800 Professional Services Resource: Title 1: \$26,500</li> <li>• 3500 Unemployment Insurance Resource: Title 1: \$30</li> <li>• 3300 OASDI/Medicare Resource: Title 1: \$87</li> <li>• 3100 STRS Resource: Title 1: \$1,146</li> <li>• 1100 Teacher Salaries: Resource Title 1: \$6,000</li> </ul>		

Action #	Title	Description	Total Funds	Contributing
4.3	MTSS - PBIS and SEL support	<p>Charter School will provide a safe, nurturing, and engaging learning environment for all our students and families. Academic and social-emotional support will be provided to address student needs as well as instructional materials including free uniforms. Students who are homeless, experiencing housing instability, are in foster care or experiencing personal/family crisis or have other special needs will be cared for in our supportive school community. Charter School will offer a SEL/Life Skills program that provides students with valuable skills to support academic excellence and social skill development. We will annually assess our suspension/expulsion policies and procedures and implement alternatives to suspension/expulsion, including restorative practices. Teachers will establish classroom management procedures, foster positive relationships, and help create an atmosphere of trust, respect, and high expectations. Charter School will implement a positive and equitable student responsibility and behavior system with teaching, intervention and prevention strategies and protocols that are clear, fair, incremental, restorative, and culturally responsive. Charter School will celebrate student and school achievements and organize recognition assemblies and other schoolwide culture-building activities. Charter School will inform parents and students of attendance policies specified in the Student/Parent Handbook and encourage and support student attendance. Charter School will also implement the CORE DISTRICTS SEL Survey instrument in the fall and spring annually to assess the following social-emotional competencies: growth mindset, self-efficacy, self-management, and social awareness. As part of our MTSS efforts, school leadership, teachers, and support staff will analyze student SEL survey results in the fall to provide our students with targeted social-emotional support and then measure student responses again in the spring to measure growth, identify greatest progress and needs in order to inform our next steps.</p> <p>Expenditures associated with this action include the following: Dean of Students salary and benefits, discipline coordinator salary and benefits, office/attendance clerk salaries and benefits, school uniform expenses, PD on classroom management, PBIS, and SEL support, SEL program fees, outsourced SEL services fees, and additional services for homeless students.</p> <p>The following expenditures will be funded by federal Title funds:</p>	\$497,600.53	Yes

Action #	Title	Description	Total Funds	Contributing
		<ul style="list-style-type: none"> <li>• 4340 Educational Software: Resource: Title IV, Part A: \$6,169.2</li> <li>• 4310 Instructional Materials and Supplies Resource Title 1: \$13,250</li> <li>• 4345 Non Instructional Student Supplies Resource Title III - Imm. I: \$1,599.54</li> </ul>		
4.4	Annual educational partner surveys	<p>Charter School will annually administer school experience surveys to students, families, and staff. Charter School will implement the CORE DISTRICTS Survey instrument to assess our educational partners' perceptions of the following school climate indicators: climate of support for academic learning; knowledge and fairness of discipline, rules and norms; safety; and sense of belonging (school connectedness). In addition, we ask our educational partners open-ended questions about what they like the best about the school and suggestions for improvement. This feedback instrument provides all staff and school leaders with valuable information about how students see their classes, how much parents are involved, how supported staff feel and how to facilitate improvement. Our staff will analyze the survey results to identify the greatest progress and needs in order to inform our next steps.</p> <p>Expenditures associated with this action include the following: Panorama Education survey fees.</p> <p>The following expenditures will be funded by federal Title funds:</p> <ul style="list-style-type: none"> <li>• Non-personnel - Professional Services paid with Title I: \$2,650</li> </ul>	\$2,650.00	Yes
4.5	Community outreach and partnerships	<p>Charter School will establish community, business, institutional and civic partnerships that invest in and support the vision and goals of the school. School staff will participate in local activities that engage community members and staff in communicating school successes to the broader community. Charter School will secure community support to sustain existing resources and add new resources that address emerging student needs. Charter School leadership will actively develop relationships with a range of educational partners, policymakers, and researchers to identify</p>	\$538,312.50	Yes

## Required Descriptions

### LEA-wide and Schoolwide Actions

For each action being provided to an entire LEA or school, provide an explanation of (1) the unique identified need(s) of the unduplicated student group(s) for whom the action is principally directed, (2) how the action is designed to address the identified need(s) and why it is being provided on an LEA or schoolwide basis, and (3) the metric(s) used to measure the effectiveness of the action in improving outcomes for the unduplicated student group(s).

Goal and Action #	Identified Need(s)	How the Action(s) Address Need(s) and Why it is Provided on an LEA-wide or Schoolwide Basis	Metric(s) to Monitor Effectiveness
1.4	<p><b>Action:</b> Healthy and nutritious meals</p> <p><b>Need:</b> Low-income students do not have sufficient or consistent access to nutritious meals and they develop poor eating habits. As a result, they experience poor health and academic outcomes, including, but not limited to, obesity, chronic absenteeism and lower grades. There</p>	<p>MPS is committed to the optimal development of every student. Research shows that two components, good nutrition and physical activity before, during and after the school day, are strongly correlated with positive student outcomes. For example, student participation in the U.S. Department of Agriculture’s (USDA) School Breakfast Program is associated with higher grades and standardized test scores, lower absenteeism and better performance on cognitive tasks. Conversely, less-than-adequate</p>	<p>Goal 2:</p> <ul style="list-style-type: none"> <li>Percentage of students who have received a grade of “C” or better in core subjects and electives (Source: SIS)</li> </ul> <p>Goal 4:</p>

Goal and Action #	Identified Need(s)	How the Action(s) Address Need(s) and Why it is Provided on an LEA-wide or Schoolwide Basis	Metric(s) to Monitor Effectiveness
	<p>is a need to provide all our students with healthy and nutritious meals.</p> <p><b>Scope:</b> LEA-wide</p>	<p>consumption of specific foods including fruits, vegetables and dairy products, is associated with lower grades among students. Finally, there is evidence that adequate hydration is associated with better cognitive performance. With consideration of the importance of good nutrition, Charter School will maintain nutrition education resources and continue to focus on innovative ways to increase access to freshly prepared, nutritious foods to ensure students are well-nourished and ready to learn. We will provide two school meals free of charge during each schoolday to any student who requests a meal without consideration of the student's eligibility for a federally funded free or reduced-price meal, with a maximum of one free meal for each meal service period. This action will result in increased and improved services, particularly for our low-income students, who may not have access to nutritious meals and are experiencing poor health outcomes. With the needs of low-income students in mind, this action will be provided on a schoolwide basis. It was found effective in the current school year and will be continued in the coming school year. Charter School will promote healthy food and beverage choices for all students throughout campus, as well as encourage participation in school meal programs. Charter School will adhere to the MPS Wellness Policy guidelines on nutritious foods for all food sales and celebrations. We expect the meal program will help improve the diet and health of our students and mitigate childhood obesity, model healthy eating to support the development of lifelong healthy eating patterns and support healthy choices while accommodating cultural food preferences and special dietary</p>	<ul style="list-style-type: none"> <li>• Chronic Absenteeism Rate (Source: CA School Dashboard, SIS)</li> <li>• School experience survey "overall satisfaction rates" based on the responses of our students to the question, "Overall, I am satisfied and would recommend this school to other students." (Source: Local Indicator Priority 6, Panorama Education)</li> </ul>

Goal and Action #	Identified Need(s)	How the Action(s) Address Need(s) and Why it is Provided on an LEA-wide or Schoolwide Basis	Metric(s) to Monitor Effectiveness
		needs. We also expect this action will result in increased student belonging as measured by the annual student surveys in Goal 4: Action 4.	
2.2	<p><b>Action:</b> Professional development for high-quality instruction</p> <p><b>Need:</b> The majority of Charter School's student population consists of low-income and socioeconomically disadvantaged students, English learners, and students with disabilities, many of whom are dually identified as EL. These student groups have social and emotional conditions that influence academic learning, as evidenced by the performance gaps on the CA School Dashboard, CAASPP results, and other available data. Addressing the unique needs of students from diverse backgrounds is a major challenge because our teachers need to be prepared with the relevant content knowledge, experience, and training, with a focus on cultural and linguistic characteristics of our diverse learners.</p> <p><b>Scope:</b> LEA-wide</p>	<p>With the needs of our diverse student body in mind, Charter School will ensure curricula, instruction, and assessments are aligned to the standards and that teachers participate in professional development on the implementation of standards (CCSS, NGSS, etc.) In addition to ongoing professional development activities that support efforts to increase student academic performance, all staff will be provided with multiple opportunities to grow professionally through induction processes, regular collaboration with colleagues, and curricular support. This involves instructional leadership, common walkthrough protocols using the TeachBoost/SchoolMint Grow software, and professional feedback to promote a cycle of continuous improvement, as well as supports for high quality delivery of the program that enables differentiation, particularly for unduplicated students and students with exceptional needs. Instructional leaders at the school and at the Home Office will assess staff professional development needs through formal and informal performance observations, surveys, and student performance data. Based on the data, combined with LCAP goals and the MPS Home Office high quality instruction guidelines, the instructional leaders will determine common staff development days and tailor staff development to individual staff needs. This action was found effective in the current school year and will be continued in the coming school year. We expect this schoolwide action will result in increased academic achievement of our student groups on</p>	<p>Goal 2:</p> <ul style="list-style-type: none"> <li>• Percentage of completion of observations by the school administration based on one formal and four informal classroom observations per teacher per year to ensure state standards implementation for all students (Source: Local Indicator Priority 2, TeachBoost/SchoolMint Grow)</li> <li>• Percentage of students who have received a grade of "C" or better in core subjects and electives (Source: SIS)</li> <li>• Percentage of students who have met or exceeded</li> </ul>

		<p>the CA School Dashboard, CAASPP assessments, MAP assessments, and student grades as identified in our LCAP metrics in Goal 2.</p>	<p>standard on the CAASPP- ELA/Literacy assessments (Source: CDE DataQuest)</p> <ul style="list-style-type: none"> <li>• Distance from Standard (DFS) on the CAASPP- ELA/Literacy assessments (Source: CA School Dashboard)</li> <li>• Percentage of students who have met their growth targets on the Measures of Academic Progress (MAP)- Reading assessment from fall to spring (Source: NWEA MAP)</li> <li>• Conditional Growth Index and Percentile (CGI and CGP) based on students' growth on the Measures of Academic Progress (MAP)- Reading</li> </ul>

Goal and Action #	Identified Need(s)	How the Action(s) Address Need(s) and Why it is Provided on an LEA-wide or Schoolwide Basis	Metric(s) to Monitor Effectiveness
			<p>assessment from fall to spring as compared to the national growth norms (Source: NWEA MAP)</p> <ul style="list-style-type: none"> <li>• Percentage of students who have met or exceeded standard on the CAASPP-Mathematics assessments (Source: CDE DataQuest)</li> <li>• Distance from Standard (DFS) on the CAASPP-Mathematics assessments (Source: CA School Dashboard)</li> <li>• Percentage of students who have met their growth targets on the Measures of Academic Progress (MAP)-Mathematics assessment from fall to spring (Source: NWEA MAP)</li> </ul>

Goal and Action #	Identified Need(s)	How the Action(s) Address Need(s) and Why it is Provided on an LEA-wide or Schoolwide Basis	Metric(s) to Monitor Effectiveness
			<ul style="list-style-type: none"> <li>• Conditional Growth Index and Percentile (CGI and CGP) based on students' growth on the Measures of Academic Progress (MAP)-Mathematics assessment from fall to spring as compared to the national growth norms (Source: NWEA MAP)</li> </ul>
<p><b>2.3</b></p>	<p><b>Action:</b> MTSS - Academic enrichment, intervention, and student support</p> <p><b>Need:</b> The majority of Charter School's student population consists of low-income and socioeconomically disadvantaged students, English learners, and students with disabilities, many of whom are dually identified as EL. These student groups have social and emotional conditions that influence academic learning, as evidenced by the performance gaps on the CA School Dashboard, CAASPP results, and other available data. Most of our low-income students have parents working multiple jobs and need academic support. Foster youth and English learners may experience feelings of anxiety and confusion.</p>	<p>Considering the needs of our vulnerable student groups in mind, Charter School will implement MTSS as a systemic, continuous improvement framework in which data-based problem-solving and decision making is practiced across all levels of the educational system for supporting students. Charter School will synthesize CAASPP and MAP student achievement and growth data, as well as course grades, and other state and internal assessment scores, into reports and regularly review progress towards targets. Targeted interventions will be utilized to create a high-quality differentiated environment where students are supported to engage at their optimal levels. Charter School will provide additional supports and interventions to all students, including but not limited to, 1-1 or small group interventions, targeted support via evidence-based supplemental intervention/enrichment materials and technology</p>	<p>Goal 2:</p> <ul style="list-style-type: none"> <li>• Percentage of completion of observations by the school administration based on one formal and four informal classroom observations per teacher per year to ensure state standards implementation for all students (Source: Local Indicator Priority 2,</li> </ul>

Goal and Action #	Identified Need(s)	How the Action(s) Address Need(s) and Why it is Provided on an LEA-wide or Schoolwide Basis	Metric(s) to Monitor Effectiveness
	<p>Students struggle with access to materials, technology, and a quiet, private place to study. There are gaps in their learning that need individualized attention.</p> <p><b>Scope:</b> LEA-wide</p>	<p>(reading, math, etc.), co-taught classes, Power English/Power Math classes, Study Skills, additional support during SSR/Advisory, before and after school tutoring, Saturday classes, and summer programs. SSPT, 504, and other support meetings will be coordinated among teachers and support roles (resource teachers, EL coordinator, department chairs, etc.) We expect that these student supports and interventions will provide increased and improved services for all our unduplicated students who need extra support and attention. This action was found effective in the current school year and will be continued in the coming school year. It will be provided on a schoolwide basis and we expect all student groups to show academic growth as measured by the CA School Dashboard, CAASPP assessments, MAP assessments, student grades, and other metrics as identified in our LCAP metrics in Goal 2.</p>	<p>TeachBoost/SchoolMint Grow)</p> <ul style="list-style-type: none"> <li>• Percentage of students who have received a grade of “C” or better in core subjects and electives (Source: SIS)</li> <li>• Percentage of students who have met or exceeded standard on the CAASPP-ELA/Literacy assessments (Source: CDE DataQuest)</li> <li>• Distance from Standard (DFS) on the CAASPP-ELA/Literacy assessments (Source: CA School Dashboard)</li> <li>• Percentage of students who have met their growth targets on the Measures of Academic Progress (MAP)-Reading</li> </ul>

<p><b>2.4</b></p>	<p><b>Action:</b> Designated and integrated ELD programs and support for ELs</p> <p><b>Need:</b></p>	<p>Considering the needs of our ELs, Charter School will provide services to ELs by proficiency level and provide ELD instruction aligned to the CA ELD standards and framework. Charter School will provide our ELs with core and supplemental ELD</p>	<p>Goal 2: For all students, but particularly for the EL and LTEL student groups:</p>

Goal and Action #	Identified Need(s)	How the Action(s) Address Need(s) and Why it is Provided on an LEA-wide or Schoolwide Basis	Metric(s) to Monitor Effectiveness
	<p>The majority of Charter School's student population consists of English Learners (EL), including long-term ELs (LTELs), Reclassified Fluent English Proficient (RFEP) students, and students with disabilities, many of whom are dually identified as EL. ELs need designated English language development instruction. Emerging ELs lack English speaking experience and struggle to communicate. Both ELs and RFEPs have a strong need for meaningful connections among fundamental concepts in the curriculum to their prior knowledge and experiences. They need additional literacy instruction, support, and interventions. Teachers of ELs need to have knowledge of EL strategies and culturally responsive instruction.</p> <p><b>Scope:</b> LEA-wide</p>	<p>instructional materials and provide our teachers with PD focused on ELD standards. Our EL coordinator will monitor EL student progress in program implementation according to our EL Master Plan. Charter School teachers will provide instruction using designated and integrated ELD instructional strategies as outlined in the CHATS framework (and other research-based strategies such as SDAIE) to all students, including ELs. Charter School will provide culturally and linguistically relevant materials for students. ELs will receive further in-class instructional support which includes one-on-one teacher support and small group instruction. Charter School will strive to provide bilingual instructional assistants to provide primary language support to enable students to access content area instruction while gaining language proficiency. Charter School will ensure that teachers participate in PD on ELD instructional strategies and CHATS framework. Charter School will provide regular and timely communication with families of EL students, including newcomers and LTELs, regarding annual assessments, program supports and services, and students' progress toward reclassification. This notification will include, but is not limited to, annual parent notification letters, quarterly ELAC meetings, and parent-teacher conferences. These supports and services will provide increased and improved services for our English learners. This action was found effective in the current school year and will be continued in the coming school year. While some of the actions described here, including the designated ELD instruction, will be targeted only to ELs, the rest of the actions, including integrated</p>	<ul style="list-style-type: none"> <li>• Percentage of students who have received a grade of “C” or better in core subjects and electives (Source: SIS)</li> <li>• Percentage of students who have met or exceeded standard on the CAASPP-ELA/Literacy assessments (Source: CDE DataQuest)</li> <li>• Distance from Standard (DFS) on the CAASPP-ELA/Literacy assessments (Source: CA School Dashboard)</li> <li>• Percentage of students who have met their growth targets on the Measures of Academic Progress (MAP)-Reading assessment from fall to spring</li> </ul>

<p><b>3.2</b></p>	<p><b>Action:</b> STEM and GATE programs</p> <p><b>Need:</b> Charter School has a vision to help reverse the tide of U.S. students falling behind their peers in other nations in critical subjects like math and science. We strive to graduate students who come from historically underserved neighborhoods as scientific thinkers that contribute to the global community as socially responsible and educated members of society. Charter School's educational approach is based on the conviction that STEM education is essential to improving our modern society's knowledge base and adaptability to the fast pace of everchanging technological advancements. Historically, the number of African American and Latino students pursuing careers in STEAM fields has been very low. Research suggests that a significant cause of these low numbers is that students have inadequate exposure to intensive STEM curricula.</p> <p><b>Scope:</b> LEA-wide</p>	<p>Charter School strives to address the shortage by inspiring and preparing students to choose career paths in science and technology. The majority of Charter School's student population consists of low-income and socioeconomically disadvantaged students of color, English learners, and students with disabilities. With the needs of our community in mind, Charter School will offer STEAM and GATE programs and activities, including Accelerated/Advanced Math course and club. Students will be provided opportunities during the day and after school to create or demonstrate a STEM focused project, experiment, model or demo. We will also provide information and access to quality out-of-school STEM activities and achievements. With CA Science Framework and NGSS integration, all our students will learn about engineering design, technology, and applications of science as part of their core classes. Furthermore, Charter School will design and implement computer science and engineering-related courses and activities, such as AP Computer Science Principles, Code.org activities, Project Lead the Way (PLTW) programs, Robotics, etc. Unduplicated students will receive increased and improved support through access to supplemental STEM programs and activities. Gifted and talented students and students achieving above grade level will be engaged in all classes as teachers differentiate curriculum</p>	<p>Goal 3:</p> <ul style="list-style-type: none"> <li>• Percentage of students enrolled in an Accelerated and/or Advanced Math course and/or Advanced Math club (Source: Local Indicator Priority 7, SIS)</li> <li>• Percentage of students in the current graduating class who have taken a Computer/Technology course and/or experienced blended learning in their program of study (Source: Local Indicator Priority 7, SIS)</li> <li>• Percentage of students who have created or demonstrated a STEAM focused</li> </ul>

Goal and Action #	Identified Need(s)	How the Action(s) Address Need(s) and Why it is Provided on an LEA-wide or Schoolwide Basis	Metric(s) to Monitor Effectiveness
		<p>through adjustments of content through depth, complexity, and pacing. Emphasis will be on innovation, critical thinking, and logical reasoning. This action was found effective in the current school year and will be continued in the coming school year. We expect this schoolwide action will challenge our learners to investigate, use problem-based learning, research, and help become independent and innovative scholars. Goal 3 includes metrics for the percentage of students enrolled in an Accelerated and/or Advanced Math course and/or Advanced Math club, percentage of students in the current graduating class who have taken a Computer/Technology course and/or experienced blended learning in their program of study, and percentage of students who have created or demonstrated a STEAM focused project, experiment, model or demo in the current year.</p>	<p>project, experiment, model or demo in the current year (Source: Local Indicator Priority 7, SIS)</p>
<p><b>3.3</b></p>	<p><b>Action:</b> Digital literacy and citizenship programs</p> <p><b>Need:</b> The majority of Charter School's student population consists of low-income and socioeconomically disadvantaged students, English learners, and students with disabilities, many of whom are dually identified as EL. These student groups have social and emotional conditions that influence academic learning and effective literacy, communication, and presentation skills. Most of our slow-income students struggle with access to technology as well. Our students have a great need to learn ways to utilize technology in an effective and responsible way.</p>	<p>With the needs of our students in mind, Charter School will educate our students and staff in digital literacy so that they adapt, create, consume, and connect in productive, responsible ways to utilize technology in academic, social, and professional settings. Charter School will offer Computer/Digital Literacy classes and/or blended learning experiences for our students. Teachers will incorporate appropriate technology into lessons to support student learning and technology will be kept up to date. Students will be provided with opportunities to expand their literacy, computational, and communication skills with digital media; they will be writing advanced essays, conducting internet research, engaging in data collection, presenting ideas and drawing conclusions. Charter School staff will teach and</p>	<p>Goal 3:</p> <ul style="list-style-type: none"> <li>Percentage of students in the current graduating class who have taken a Computer/Technology course and/or experienced blended learning in their program of study (Source: Local Indicator Priority 7, SIS)</li> </ul>

	<p><b>Scope:</b> LEA-wide</p>	<p>model safe, savvy, and social digital citizenship; topics may include, but are not limited to, using technology applications; digital footprint, privacy, and security; digital rights and responsibilities; using social media responsibly and digital etiquette. These activities will result in increased and improved services for our unduplicated students. This action was found effective in the current school year and will be continued in the coming school year. We expect this schoolwide action will help our students expand their knowledge and skills in an ever-evolving digital world. Goal 3 includes a metric for the percentage of students in the current graduating class who have taken a Computer/Technology course and/or experienced blended learning in their program of study.</p>	
<p><b>3.4</b></p>	<p><b>Action:</b> Physical education, activity, and fitness</p> <p><b>Need:</b> Low-income students do not have sufficient or consistent access to physical activities/sports and fitness education. Research shows that two components, good nutrition and physical activity before, during and after the school day, are strongly correlated with positive student outcomes. Students who are physically active through active transport to and from school, recess, physical activity breaks, high-quality physical education and extracurricular activities do better academically.</p> <p><b>Scope:</b></p>	<p>MPS is committed to the optimal development of every student. With consideration of the importance of physical fitness, Charter School will provide students with physical education, using an age-appropriate, sequential PE curriculum consistent with state standards for PE. The curriculum will promote the benefits of a physically active lifestyle and will help students develop skills to engage in lifelong healthy habits, as well as incorporate essential health education concepts. Charter School will offer recess before lunch and students will be provided with periodic opportunities to be active or to stretch throughout the day on all or most days during a typical school week. To the extent practicable, Charter School will ensure that its grounds and facilities are safe, and that equipment is available to students to be active. Charter School will offer opportunities for</p>	<p>Goal 2:</p> <ul style="list-style-type: none"> <li>Percentage of students who have received a grade of “C” or better in core subjects and electives (Source: SIS)</li> </ul> <p>Goal 4:</p> <ul style="list-style-type: none"> <li>Chronic Absenteeism Rate (Source: CA School Dashboard, SIS)</li> <li>School experience survey "overall</li> </ul>

Goal and Action #	Identified Need(s)	How the Action(s) Address Need(s) and Why it is Provided on an LEA-wide or Schoolwide Basis	Metric(s) to Monitor Effectiveness
	LEA-wide	students to participate in physical activity either before and/or after the school day (or both) through a variety of methods such as physical activity/sports clubs, intramurals or interscholastic sports, etc. Charter School will adhere to the MPS Wellness Policy guidelines on physical education, activity, and fitness. With the needs of low-income students in mind, this action will be provided on a schoolwide basis. It was found effective in the current school year and will be continued in the coming school year. We expect this action will help improve the health of our students and model physical fitness to support the development of lifelong healthy living patterns. We expect that this action will result in increased attendance and grades as well as increased student belonging as measured by the annual student surveys in Goal 4: Action 4.	satisfaction rates" based on the responses of our students to the question, "Overall, I am satisfied and would recommend this school to other students." (Source: Local Indicator Priority 6, Panorama Education)
3.5	<p><b>Action:</b> Additional programs and activities that support well-rounded education</p> <p><b>Need:</b> The majority of Charter School's student population consists of low-income and socioeconomically disadvantaged students, English learners, and students with disabilities. Traditionally, schools focus on ELA and math interventions to address the learning gap between vulnerable student groups and their peers. Other important well-rounded programs such as arts, music, civics, and languages other than English may not get the same attention. On the other hand, well-rounded programs help students develop competencies and creative skills in problem</p>	To provide well-rounded education to our students, Charter School will strive to offer additional programs such as elective courses, arts, music, civics, languages other than English (LOTE), clubs, etc. Arts instruction focuses on developing students' creativity, imagination, discipline and self-expression through drawing and fine arts. It is important that all our students, particularly unduplicated students, are provided with experiential learning opportunities, including but not limited to, instructional field trips, internships, community service programs, clubs, etc. Charter School teachers and other staff will offer after school clubs for enrichment in the areas of, including, but not limited to, STEM (science, technology, engineering, math), ELA, LOTE, culture, sports, visual and performing arts, community service, leadership, and others. In	<p>Goal 2:</p> <ul style="list-style-type: none"> <li>Percentage of students who have received a grade of "C" or better in core subjects and electives (Source: SIS)</li> </ul> <p>Goal 3:</p> <ul style="list-style-type: none"> <li>Percentage of students in the current year College Career Indicator (CCI) who earned Prepared on the</li> </ul>

4.1	<b>Action:</b> Seeking family input for decision-making	Considering the needs of our unduplicated students and their families, Charter School will	Goal 4:

Goal and Action #	Identified Need(s)	How the Action(s) Address Need(s) and Why it is Provided on an LEA-wide or Schoolwide Basis	Metric(s) to Monitor Effectiveness
	<p><b>Need:</b> It is important that parents are engaged in the development of all school plans, including, but not limited to, the LCAP, SPSA (Charter School uses the LCAP to serve as the SPSA), and WASC Self-Study. Charter School wishes to engage all parents, to the extent applicable, in the process of school review and improvement. This includes reviewing the school's goals, actions, programs, data, and funds, including evaluation of actions and programs and effective use of funds. The majority of Charter School's student population consists of low-income and socioeconomically disadvantaged students, English learners, and students with disabilities. Most of our low-income students have parents working multiple jobs. Parents of our ELs need capacity building to support the needs of our ELs. In order to engage parents in an organized, ongoing and timely manner in the planning, review and improvement of our programs, Charter School needs to provide multiple channels to engage parents in decision making.</p> <p><b>Scope:</b> LEA-wide</p>	<p>hold periodic meetings to gather input from our families. Information/input sessions include Board of Directors meetings, Parent Advisory Committee (PAC) meetings, English Learner Advisory Committee (ELAC) meetings, Parent Task Force (PTF) meetings, and Coffee with the Principal meetings. The PAC will be composed of majority of parents of pupils and include parents/guardians of ELs, low-income, foster youth, and students with disabilities. Parents, teachers, staff, students, and community members are encouraged and empowered to join school committees, including the PAC and ELAC. Such committees provide for representation of students in need (low income, EL, foster youth, students with disabilities, etc.) Feedback from our educational partners provide valuable input for the LCAP and continuous school improvement. Charter School chooses to utilize the LCAP to serve as the SPSA and holds an annual meeting to inform parents and collect feedback about LCAP goals and actions, data and needs assessment, Title-funded activities and budgets, UCP, parent and family engagement policy and school-student-parent compact. In addition, as explained in Goal 4: Action 4, Charter School will conduct family surveys to seek feedback on school improvement. These activities will result in increased and improved services for our unduplicated students and their families. With the needs of our unduplicated students and their families in mind, this action will be provided on a schoolwide basis. It was found effective in the current school year and will be continued in the coming school year. We expect this action will help further engage our families in decision making. Charter School utilizes the self-reflection tool for</p>	<ul style="list-style-type: none"> <li>• Number of Parent Advisory Committee (PAC) meetings per year (Source: Local Indicator Priority 3)</li> <li>• Number of English Learner Advisory Committee (ELAC) meetings per year (Source: Local Indicator Priority 3)</li> <li>• School experience survey "average approval rates" based on the responses of our families to all questions on the survey in the following topics: climate of support for academic learning; knowledge and fairness of discipline, rules, and norms; safety; and sense of belonging (school connectedness) (Source: Local Indicator Priority</li> </ul>

Goal and Action #	Identified Need(s)	How the Action(s) Address Need(s) and Why it is Provided on an LEA-wide or Schoolwide Basis	Metric(s) to Monitor Effectiveness
		<p>Local Priority 3, i.e., Parent and Family Engagement, to measure progress in building the capacity of and supporting family members to effectively engage in advisory groups and decision making as well as progress in providing all families with opportunities to provide input on policies and programs, and implementing Community School strategies to reach and seek input from any underrepresented groups in the school community. We also expect that this action will result in increased parent satisfaction as measured by the annual educational partner surveys in Goal 4: Action 4.</p>	<p>6, Panorama Education)</p> <ul style="list-style-type: none"> <li>School experience survey "overall satisfaction rates" based on the responses of our families to the question, "Overall, I am satisfied and would recommend this school to other families." <p><b>4.2</b></p>	<p><b>Action:</b> Building relationships and partnerships with families for student outcomes</p> <p><b>Need:</b> Family engagement is an essential strategy for building pathways to college and career readiness for all students and is an essential component of a systems approach to improving outcomes for all students. More than thirty years of research has shown that family engagement can lead to improved student outcomes (e.g., attendance, engagement, academic outcomes, social emotional learning, etc.) To engage all families equitably, it is necessary to understand the</p>	<p>In order to build partnerships with our families for student outcomes, Charter School will build trusting and respectful relationships with parents through activities/events, including Student/Parent Orientation, Back to School Night, and parent conferences to promote parental participation in programs. Administrators will greet all students and parents in the mornings during student drop off and have an open-door policy welcoming all parents. Charter School will provide parents with access to course materials, homework assignments, projects, and records of students' grades through our SIS. Charter School will communicate further with the parents of students who are performing below grade level. Our teachers, administrators, and classified staff will</p>	<p>Goal 2:</p> <ul style="list-style-type: none"> <li>Percentage of students who have received a grade of "C" or better in core subjects and electives (Source: SIS)</li> </ul> <p>Goal 4:</p> <ul style="list-style-type: none"> <li>Number of activities/events for parent involvement per year (Source:</li> </ul>

Goal and Action #	Identified Need(s)	How the Action(s) Address Need(s) and Why it is Provided on an LEA-wide or Schoolwide Basis	Metric(s) to Monitor Effectiveness
	<p>cultures, languages, needs and interests of families in our school community. Furthermore, developing family engagement policies, programs, and practices needs to be done in partnership with local families, using the tools of continuous improvement. The majority of Charter School's student population consists of low-income and socioeconomically disadvantaged students, English learners, and students with disabilities. Most of our low-income students have parents working multiple jobs. Parents of our ELs need capacity building to support the needs of our ELs.</p> <p><b>Scope:</b> LEA-wide</p>	<p>visit students at their homes to discuss student progress and enhance student learning and involvement. Charter School will schedule annual workshops for parents as well as additional workshops for parents of EL and immigrant students. Topics to be covered include, but are not limited to, the school's EL Master Plan, stages of language acquisition, state testing, college application, using SIS to check student progress, study habits, and family literacy. Charter School will use a variety of communication channels to connect with families in a language that is understandable and accessible to them. A parent communication software will be utilized for voice and text communications, email, and push notifications. We will provide language translators at parent meetings to the extent practicable. These activities will result in increased and improved services for our unduplicated students and their families. With the needs of our unduplicated students and their families in mind, this action will be provided on a schoolwide basis. It was found effective in the current school year and will be continued in the coming school year. We expect this action will help further engage our families in building partnerships with the school for student outcomes. Charter School utilizes the self-reflection tool for Local Priority 3, i.e., Parent and Family Engagement, to measure progress in creating welcoming environments and building trusting and respectful relationships with families, developing multiple opportunities for 2-way communication between families and educators using language that is understandable and accessible to families, and providing families with information and resources to support student</p>	<p>Local Indicator Priority 3)</p> <ul style="list-style-type: none"> <li>• Percentage of students who have been home-visited by the teachers per year (Source: Local Indicator Priority 3, SIS)</li> <li>• Average Daily Attendance (ADA) Rate (Source: SIS)</li> <li>• Chronic Absenteeism Rate (Source: CA School Dashboard, SIS)</li> <li>• Middle School Dropout Rate (Source: CALPADS)</li> <li>• High School Dropout Rate (Source: CDE DataQuest, CALPADS)</li> <li>• Graduation Rate (Source: CALPADS, CA School Dashboard)</li> <li>• Student Suspension Rate (Source: CA</li> </ul>

	<p>or an incarcerated parent. Foster youth and English learners may experience feelings of anxiety and confusion. Charter School needs to take action to address the unique academic, social and emotional needs of low-income students, students with disabilities, English learners, racial and ethnic minorities, students experiencing homelessness, and foster care youth.</p> <p><b>Scope:</b> LEA-wide</p>	<p>relationships, and help create an atmosphere of trust, respect, and high expectations. Charter School will implement a positive and equitable student responsibility and behavior system with teaching, intervention and prevention strategies and protocols that are clear, fair, incremental, restorative, and culturally responsive. Charter School will celebrate student and school achievements and organize recognition assemblies and other schoolwide culture-building activities. Charter School will inform parents and students of attendance policies specified in the Student/Parent Handbook and encourage and support student attendance. Charter School will also implement the CORE DISTRICTS SEL Survey instrument in the fall and spring annually to assess the following social-emotional competencies: growth mindset, self-efficacy, self-management, and social awareness. As part of our MTSS efforts, school leadership, teachers, and support staff will analyze student SEL survey results in the fall to provide our students with targeted social-emotional support and then measure student responses again in the spring to measure growth, identify greatest progress and needs in order to inform our next steps. These activities will result in increased and improved PBIS and SEL support for our unduplicated students, as well as additional supports for homeless and immigrant students. With the needs of our vulnerable students and their families in mind, this action will be provided on a schoolwide basis. It was found effective in the current school year and will be continued in the coming school year. We expect that this action will help provide a foundation for safe and positive learning, and</p>	<p>School Dashboard, SIS)</p> <ul style="list-style-type: none"> <li>• Middle School Dropout Rate (Source: CALPADS)</li> <li>• High School Dropout Rate (Source: CDE DataQuest, CALPADS)</li> <li>• Graduation Rate (Source: CALPADS, CA School Dashboard)</li> <li>• Student Suspension Rate (Source: CA School Dashboard, CALPADS)</li> <li>• Student Expulsion Rate (Source: CDE DataQuest, CALPADS)</li> <li>• School experience survey "average approval rates" based on the responses of our students, families, and staff to all questions on the survey in the following</li> </ul>

Goal and Action #	Identified Need(s)	How the Action(s) Address Need(s) and Why it is Provided on an LEA-wide or Schoolwide Basis	Metric(s) to Monitor Effectiveness
4.4	<p><b>Action:</b> Annual educational partner surveys</p> <p><b>Need:</b> It is important that parents, students, and staff are engaged in the development of all school plans, including, but not limited to, the LCAP, SPSA (Charter School uses the LCAP to serve as the SPSA), and WASC Self-Study. Charter School wishes to engage all parents, to the extent applicable, in the process of school review and improvement. The majority of Charter School's student population consists of low-income and socioeconomically disadvantaged students, English learners, and students with disabilities. To engage all students and families equitably, it is necessary to understand the cultures, languages, needs and interests of students and families in our school community. Educational partner voices, i.e., voices of our students, families, staff, and other school community members, play a powerful role in helping us learn how to improve our teaching, leadership, and other school practices. In order to engage educational partners in an organized, ongoing and timely manner in the planning, review and improvement of our programs, Charter School needs to provide multiple channels to engage educational partners in decision making. Surveys have been the primary means of collecting student, family, and staff voices about what we are doing great and should keep doing, and what areas for improvement are so we can continue to provide our students with the best quality education.</p>	<p>Considering the needs of our unduplicated students and their families, MPS uses an online platform to provide students, families, and staff with groups of questions that measure their perceptions of teaching and learning, as well as their perceptions of school climate and safety. This feedback instrument provides teachers and school leaders with valuable data about how students see their classes, how much parents are involved, how supported staff feel and how to facilitate improvement. Charter School will annually administer school experience surveys to students, parents, and staff. Charter School will implement the CORE DISTRICTS Survey instrument to assess our educational partners' perceptions of the following school climate indicators: climate of support for academic learning; knowledge and fairness of discipline, rules and norms; safety; and sense of belonging (school connectedness). In addition, we ask our educational partners open-ended questions about what they like the best and the least about the school and suggestions for improvement. This feedback instrument provides all staff and school leaders with valuable information about how students see their classes, how much parents are involved, how supported staff feel and how to facilitate improvement. Our staff will analyze the survey results to identify the greatest progress and needs in order to inform our next steps. The surveys help identify and plan for increased and improved services for our unduplicated students and their families. With the needs of our unduplicated students and their families in mind, this action will be provided on a schoolwide basis. It was found effective in the current school year and will be continued in the</p>	<p>Goal 4:</p> <ul style="list-style-type: none"> <li>• School experience survey "participation rates" by students, families, and staff (Source: Local Indicator Priority 6, Panorama Education)</li> <li>• School experience survey "average approval rates" based on the responses of our students, families, and staff to all questions on the survey in the following topics: climate of support for academic learning; knowledge and fairness of discipline, rules, and norms; safety; and sense of belonging (school connectedness) (Source: Local Indicator Priority</li> </ul>

	<p>parental support and experience financial difficulties. Our students have a great need for guidance about college/career choices and support for preparation. These student groups have social and emotional conditions that influence academic learning, as evidenced by the performance gaps on the CA School Dashboard, CAASPP results, and other available data. They also have lower ADA rates while they have higher chronic absenteeism and office referral rates. Children living in poverty are more likely to incur more adverse childhood experiences including abuse, neglect, exposure to neighborhood violence, or an incarcerated parent. Foster youth and English learners may experience feelings of anxiety and confusion. Charter School needs to take action to address the unique academic, social and emotional needs of low-income students, students with disabilities, English learners, racial and ethnic minorities, students experiencing homelessness, and foster care youth.</p> <p><b>Scope:</b> LEA-wide</p>	<p>address issues, trends, and potential changes that affect the context and conduct of education. These activities will result in increased and improved resources for our unduplicated students and will be particularly helpful for first-generation college-bound students who lack parental support strategies and experience financial constraints. With the needs of our unduplicated students and their families in mind, this action will be provided on a schoolwide basis. It was found effective in the current school year and will be continued in the coming school year. We expect this action will provide students and families with information and resources to support student learning and development. We also expect this action will result in increased academic achievement and lifelong learning as measured by the LCAP metrics in Goals 2 and 3, increased ADA rate, and graduation rate, and decreased chronic absenteeism rate, dropout rate, and student suspension/expulsion rates as measured in Goal 4. We also expect this action will result in increased student, parent, and staff satisfaction rates as measured in Goal 4.</p>	<p>College Career Indicator (CCI) who earned Prepared on the CCI (Source: CA School Dashboard)</p> <ul style="list-style-type: none"> <li>Percentage of seniors who have completed at least two semesters of college coursework with a grade of C minus or better in academic/CTE subjects where college credit is awarded (Source: CA School Dashboard, SIS)</li> <li>Percentage of cohort graduates who have successfully completed courses that satisfy the requirements for entrance to the UC/CSU (Source: CA School Dashboard, CDE DataQuest, CALPADS)</li> </ul>

**Limited Actions**

For each action being solely provided to one or more unduplicated student group(s), provide an explanation of (1) the unique identified need(s) of the unduplicated student group(s) being served, (2) how the action is designed to address the identified need(s), and (3) how the effectiveness of the action in improving outcomes for the unduplicated student group(s) will be measured.

Goal and Action #	Identified Need(s)	How the Action(s) are Designed to Address Need(s)	Metric(s) to Monitor Effectiveness

For any limited action contributing to meeting the increased or improved services requirement that is associated with a Planned Percentage of Improved Services in the Contributing Summary Table rather than an expenditure of LCFF funds, describe the methodology that was used to determine the contribution of the action towards the proportional percentage, as applicable.

**Additional Concentration Grant Funding**

A description of the plan for how the additional concentration grant add-on funding identified above will be used to increase the number of staff providing direct services to students at schools that have a high concentration (above 55 percent) of foster youth, English learners, and low-income students, as applicable.

Similar to the current academic year, MSA Santa Ana will utilize the concentration grant add-on funds (\$139,345) in the following manner:

MSA Santa Ana is using the concentration grant add-on funds received in a manner which is consistent with California Education Code Section 42238.02, as amended, to increase the number of certificated staff, classified staff, or both, including custodial staff, who provide direct services to students on school campuses with greater than 55 percent unduplicated pupil enrollment, as compared to schools with an enrollment of unduplicated students that is equal to or less than 55 percent.

By adding these faculty/staff members, we aim to strengthen our ability to address the diverse needs of our student population and provide targeted support where it is most needed. This strategic allocation of funds will help create a more conducive learning environment and contribute to our student's overall growth and achievement.

<b>Staff-to-student ratios by type of school and concentration of unduplicated students</b>	Schools with a student concentration of 55 percent or less	Schools with a student concentration of greater than 55 percent
Staff-to-student ratio of classified staff providing direct services to students		
Staff-to-student ratio of certificated staff providing direct services to students

# Local Control and Accountability Plan Instructions

## [Plan Summary](#)

## [Engaging Educational Partners](#)

## [Goals and Actions](#)

## [Increased or Improved Services for Foster Youth, English Learners, and Low-Income Students](#)

For additional questions or technical assistance related to the completion of the Local Control and Accountability Plan (LCAP) template, please contact the local county office of education (COE), or the California Department of Education's (CDE's) Local Agency Systems Support Office, by phone at 916-319-0809 or by email at [LCFF@cde.ca.gov](mailto:LCFF@cde.ca.gov).

## Introduction and Instructions

The Local Control Funding Formula (LCFF) requires local educational agencies (LEAs) to engage their local educational partners in an annual planning process to evaluate their progress within eight state priority areas encompassing all statutory metrics (COEs have 10 state priorities). LEAs document the results of this planning process in the LCAP using the template adopted by the State Board of Education.

The LCAP development process serves three distinct, but related functions:

- **Comprehensive Strategic Planning:** The process of developing and annually updating the LCAP supports comprehensive strategic planning, particularly to address and reduce disparities in opportunities and outcomes between student groups indicated by the California School Dashboard (California *Education Code* [EC] Section 52064[e][1]). Strategic planning that is comprehensive connects budgetary decisions to teaching and learning performance data. LEAs should continually evaluate the hard choices they make about the use of limited resources to meet student and community needs to ensure opportunities and outcomes are improved for all students.
- **Meaningful Engagement of Educational Partners:** The LCAP development process should result in an LCAP that reflects decisions made through meaningful engagement (EC Section 52064[e][1]). Local educational partners possess valuable perspectives and insights about an LEA's programs and services. Effective strategic planning will incorporate these perspectives and insights in order to identify potential goals and actions to be included in the LCAP.
- **Accountability and Compliance:** The LCAP serves an important accountability function because the nature of some LCAP template sections require LEAs to show that they have complied with various requirements specified in the LCFF statutes and regulations, most notably:
  - Demonstrating that LEAs are increasing or improving services for foster youth, English learners, including long-term English learners, and low-income students in proportion to the amount of additional funding those students generate under LCFF (EC Section 52064[b][4-6]).
  - Establishing goals, supported by actions and related expenditures, that address the statutory priority areas and statutory metrics (EC sections 52064[b][1] and [2]).
    - **NOTE:** As specified in EC Section 62064(b)(1), the LCAP must provide a description of the annual goals, for all pupils and each subgroup of pupils identified pursuant to EC Section 52052, to be achieved for each of the state priorities. Beginning in 2023–24, EC

Section 52052 identifies long-term English learners as a separate and distinct pupil subgroup with a numerical significance at 15 students.

- Annually reviewing and updating the LCAP to reflect progress toward the goals (*EC* Section 52064[b][7]).
- Ensuring that all increases attributable to supplemental and concentration grant calculations, including concentration grant add-on funding and/or LCFF carryover, are reflected in the LCAP (*EC* sections 52064[b][6], [8], and [11]).

The LCAP template, like each LEA's final adopted LCAP, is a document, not a process. LEAs must use the template to memorialize the outcome of their LCAP development process, which must: (a) reflect comprehensive strategic planning, particularly to address and reduce disparities in opportunities and outcomes between student groups indicated by the California School Dashboard (Dashboard), (b) through meaningful engagement with educational partners that (c) meets legal requirements, as reflected in the final adopted LCAP. The sections included within the LCAP template do not and cannot reflect the full development process, just as the LCAP template itself is not intended as a tool for engaging educational partners.

If a county superintendent of schools has jurisdiction over a single school district, the county board of education and the governing board of the school district may adopt and file for review and approval a single LCAP consistent with the requirements in *EC* sections 52060, 52062, 52066, 52068, and 52070. The LCAP must clearly articulate to which entity's budget (school district or county superintendent of schools) all budgeted and actual expenditures are aligned.

The revised LCAP template for the 2024–25, 2025–26, and 2026–27 school years reflects statutory changes made through Senate Bill 114 (Committee on Budget and Fiscal Review), Chapter 48, Statutes of 2023.

At its most basic, the adopted LCAP should attempt to distill not just what the LEA is doing for students in transitional kindergarten through grade twelve (TK–12), but also allow educational partners to understand why, and whether those strategies are leading to improved opportunities and outcomes for students. LEAs are strongly encouraged to use language and a level of detail in their adopted LCAPs intended to be meaningful and accessible for the LEA's diverse educational partners and the broader public.

In developing and finalizing the LCAP for adoption, LEAs are encouraged to keep the following overarching frame at the forefront of the strategic planning and educational partner engagement functions:

Given present performance across the state priorities and on indicators in the Dashboard, how is the LEA using its budgetary resources to respond to TK–12 student and community needs, and address any performance gaps, including by meeting its obligation to increase or improve services for foster youth, English learners, and low-income students?

LEAs are encouraged to focus on a set of metrics and actions which, based on research, experience, and input gathered from educational partners, the LEA believes will have the biggest impact on behalf of its TK–12 students.

These instructions address the requirements for each section of the LCAP, but may include information about effective practices when developing the LCAP and completing the LCAP document. Additionally, the beginning of each template section includes information emphasizing the purpose that section serves.

# Plan Summary

## Purpose

A well-developed Plan Summary section provides a meaningful context for the LCAP. This section provides information about an LEA's community as well as relevant information about student needs and performance. In order to present a meaningful context for the rest of the LCAP, the content of this section should be clearly and meaningfully related to the content included throughout each subsequent section of the LCAP.

## Requirements and Instructions

### General Information

A description of the LEA, its schools, and its students in grades transitional kindergarten–12, as applicable to the LEA.

Briefly describe the LEA, its schools, and its students in grades TK–12, as applicable to the LEA.

- For example, information about an LEA in terms of geography, enrollment, employment, the number and size of specific schools, recent community challenges, and other such information the LEA may wish to include can enable a reader to more fully understand the LEA's LCAP.
- As part of this response, identify all schools within the LEA receiving Equity Multiplier funding.

### Reflections: Annual Performance

A reflection on annual performance based on a review of the California School Dashboard (Dashboard) and local data.

Reflect on the LEA's annual performance on the Dashboard and local data. This may include both successes and challenges identified by the LEA during the development process.

LEAs are encouraged to highlight how they are addressing the identified needs of student groups, and/or schools within the LCAP as part of this response.

As part of this response, the LEA must identify the following, which will remain unchanged during the three-year LCAP cycle:

- Any school within the LEA that received the lowest performance level on one or more state indicators on the 2023 Dashboard;
- Any student group within the LEA that received the lowest performance level on one or more state indicators on the 2023 Dashboard; and/or
- Any student group within a school within the LEA that received the lowest performance level on one or more state indicators on the 2023 Dashboard.

### Reflections: Technical Assistance

As applicable, a summary of the work underway as part of technical assistance.

Annually identify the reason(s) the LEA is eligible for or has requested technical assistance consistent with *EC* sections 47607.3, 52071, 52071.5, 52072, or 52072.5, and provide a summary of the work underway as part of receiving technical assistance. The most common form of this technical assistance is frequently referred to as Differentiated Assistance, however this also includes LEAs that have requested technical assistance from their COE.

- If the LEA is not eligible for or receiving technical assistance, the LEA may respond to this prompt as “Not Applicable.”

### **Comprehensive Support and Improvement**

An LEA with a school or schools identified for comprehensive support and improvement (CSI) under the Every Student Succeeds Act must respond to the following prompts:

#### Schools Identified

A list of the schools in the LEA that are eligible for comprehensive support and improvement.

- Identify the schools within the LEA that have been identified for CSI.

#### Support for Identified Schools

A description of how the LEA has or will support its eligible schools in developing comprehensive support and improvement plans.

- Describe how the LEA has or will support the identified schools in developing CSI plans that included a school-level needs assessment, evidence-based interventions, and the identification of any resource inequities to be addressed through the implementation of the CSI plan.

#### Monitoring and Evaluating Effectiveness

A description of how the LEA will monitor and evaluate the plan to support student and school improvement.

- Describe how the LEA will monitor and evaluate the implementation and effectiveness of the CSI plan to support student and school improvement.

## **Engaging Educational Partners**

### **Purpose**

Significant and purposeful engagement of parents, students, educators, and other educational partners, including those representing the student groups identified by LCFF, is critical to the development of the LCAP and the budget process. Consistent with statute, such engagement should support comprehensive strategic planning, particularly to address and reduce disparities in opportunities and outcomes between student groups indicated by the Dashboard, accountability, and improvement across the state priorities and locally identified priorities (*EC* Section 52064[e][1]). Engagement of educational partners is an ongoing, annual process.

This section is designed to reflect how the engagement of educational partners influenced the decisions reflected in the adopted LCAP. The goal is to allow educational partners that participated in the LCAP development process and the broader public to understand how the LEA engaged educational partners and the impact of that engagement. LEAs are encouraged to keep this goal in the forefront when completing this section.

### **Requirements**

**School districts and COEs:** *EC* sections [52060\(g\) \(California Legislative Information\)](#) and [52066\(g\) \(California Legislative Information\)](#) specify the educational partners that must be consulted when developing the LCAP:

- Teachers,
- Principals,
- Administrators,
- Other school personnel,
- Local bargaining units of the LEA,
- Parents, and
- Students

A school district or COE receiving Equity Multiplier funds must also consult with educational partners at schools generating Equity Multiplier funds in the development of the LCAP, specifically, in the development of the required focus goal for each applicable school.

Before adopting the LCAP, school districts and COEs must share it with the applicable committees, as identified below under Requirements and Instructions. The superintendent is required by statute to respond in writing to the comments received from these committees. School districts and COEs must also consult with the special education local plan area administrator(s) when developing the LCAP.

**Charter schools:** *EC* Section [47606.5\(d\) \(California Legislative Information\)](#) requires that the following educational partners be consulted with when developing the LCAP:

- Teachers,
- Principals,
- Administrators,
- Other school personnel,
- Parents, and
- Students

A charter school receiving Equity Multiplier funds must also consult with educational partners at the school generating Equity Multiplier funds in the development of the LCAP, specifically, in the development of the required focus goal for the school.

The LCAP should also be shared with, and LEAs should request input from, schoolsite-level advisory groups, as applicable (e.g., schoolsite councils, English Learner Advisory Councils, student advisory groups, etc.), to facilitate alignment between schoolsite and district-level goals. Information and resources that support effective engagement, define student consultation, and provide the requirements for advisory group composition, can be found under Resources on the [CDE's LCAP webpage](#).

Before the governing board/body of an LEA considers the adoption of the LCAP, the LEA must meet the following legal requirements:

- For school districts, see [Education Code Section 52062 \(California Legislative Information\)](#);
  - **Note:** Charter schools using the LCAP as the School Plan for Student Achievement must meet the requirements of *EC* Section 52062(a).

- For COEs, see [Education Code Section 52068 \(California Legislative Information\)](#); and
- For charter schools, see [Education Code Section 47606.5 \(California Legislative Information\)](#).
- **NOTE:** As a reminder, the superintendent of a school district or COE must respond, in writing, to comments received by the applicable committees identified in the *Education Code* sections listed above. This includes the parent advisory committee and may include the English learner parent advisory committee and, as of July 1, 2024, the student advisory committee, as applicable.

## Instructions

### Respond to the prompts as follows:

A summary of the process used to engage educational partners in the development of the LCAP.

School districts and county offices of education must, at a minimum, consult with teachers, principals, administrators, other school personnel, local bargaining units, parents, and students in the development of the LCAP.

Charter schools must, at a minimum, consult with teachers, principals, administrators, other school personnel, parents, and students in the development of the LCAP.

An LEA receiving Equity Multiplier funds must also consult with educational partners at schools generating Equity Multiplier funds in the development of the LCAP, specifically, in the development of the required focus goal for each applicable school.

### Complete the table as follows:

#### Educational Partners

Identify the applicable educational partner(s) or group(s) that were engaged in the development of the LCAP.

#### Process for Engagement

Describe the engagement process used by the LEA to involve the identified educational partner(s) in the development of the LCAP. At a minimum, the LEA must describe how it met its obligation to consult with all statutorily required educational partners, as applicable to the type of LEA.

- A sufficient response to this prompt must include general information about the timeline of the process and meetings or other engagement strategies with educational partners. A response may also include information about an LEA's philosophical approach to engaging its educational partners.
- An LEA receiving Equity Multiplier funds must also include a summary of how it consulted with educational partners at schools generating Equity Multiplier funds in the development of the LCAP, specifically, in the development of the required focus goal for each applicable school.

A description of how the adopted LCAP was influenced by the feedback provided by educational partners.

Describe any goals, metrics, actions, or budgeted expenditures in the LCAP that were influenced by or developed in response to the educational partner feedback.

- A sufficient response to this prompt will provide educational partners and the public with clear, specific information about how the engagement process influenced the development of the LCAP. This may include a description of how the LEA prioritized requests of educational partners within the context of the budgetary resources available or otherwise prioritized areas of focus within the LCAP.
- An LEA receiving Equity Multiplier funds must include a description of how the consultation with educational partners at schools generating Equity Multiplier funds influenced the development of the adopted LCAP.
- For the purposes of this prompt, this may also include, but is not necessarily limited to:
  - Inclusion of a goal or decision to pursue a Focus Goal (as described below)
  - Inclusion of metrics other than the statutorily required metrics
  - Determination of the target outcome on one or more metrics
  - Inclusion of performance by one or more student groups in the Measuring and Reporting Results subsection
  - Inclusion of action(s) or a group of actions
  - Elimination of action(s) or group of actions
  - Changes to the level of proposed expenditures for one or more actions
  - Inclusion of action(s) as contributing to increased or improved services for unduplicated students
  - Analysis of effectiveness of the specific actions to achieve the goal
  - Analysis of material differences in expenditures
  - Analysis of changes made to a goal for the ensuing LCAP year based on the annual update process
  - Analysis of challenges or successes in the implementation of actions

## Goals and Actions

### Purpose

Well-developed goals will clearly communicate to educational partners what the LEA plans to accomplish, what the LEA plans to do in order to accomplish the goal, and how the LEA will know when it has accomplished the goal. A goal statement, associated metrics and expected outcomes, and the actions included in the goal must be in alignment. The explanation for why the LEA included a goal is an opportunity for LEAs to clearly communicate to educational partners and the public why, among the various strengths and areas for improvement highlighted by performance data and strategies and actions that could be pursued, the LEA decided to pursue this goal, and the related metrics, expected outcomes, actions, and expenditures.

A well-developed goal can be focused on the performance relative to a metric or metrics for all students, a specific student group(s), narrowing performance gaps, or implementing programs or strategies expected to impact outcomes. LEAs should assess the performance of their student groups when developing goals and the related actions to achieve such goals.

### Requirements and Instructions

LEAs should prioritize the goals, specific actions, and related expenditures included within the LCAP within one or more state priorities. LEAs must consider performance on the state and local indicators, including their locally collected and reported data for the local indicators that are included in the Dashboard, in determining whether and how to prioritize its goals within the LCAP. As previously stated, strategic planning that

is comprehensive connects budgetary decisions to teaching and learning performance data. LEAs should continually evaluate the hard choices they make about the use of limited resources to meet student and community needs to ensure opportunities and outcomes are improved for all students, and to address and reduce disparities in opportunities and outcomes between student groups indicated by the Dashboard.

In order to support prioritization of goals, the LCAP template provides LEAs with the option of developing three different kinds of goals:

- **Focus Goal:** A Focus Goal is relatively more concentrated in scope and may focus on a fewer number of metrics to measure improvement. A Focus Goal statement will be time bound and make clear how the goal is to be measured.
  - All Equity Multiplier goals must be developed as focus goals. For additional information, see Required Focus Goal(s) for LEAs Receiving Equity Multiplier Funding below.
- **Broad Goal:** A Broad Goal is relatively less concentrated in its scope and may focus on improving performance across a wide range of metrics.
- **Maintenance of Progress Goal:** A Maintenance of Progress Goal includes actions that may be ongoing without significant changes and allows an LEA to track performance on any metrics not addressed in the other goals of the LCAP.

### Requirement to Address the LCFF State Priorities

At a minimum, the LCAP must address all LCFF priorities and associated metrics articulated in *EC* sections 52060(d) and 52066(d), as applicable to the LEA. The [LCFF State Priorities Summary](#) provides a summary of *EC* sections 52060(d) and 52066(d) to aid in the development of the LCAP.

Respond to the following prompts, as applicable:

#### Focus Goal(s)

##### Description

The description provided for a Focus Goal must be specific, measurable, and time bound.

- An LEA develops a Focus Goal to address areas of need that may require or benefit from a more specific and data intensive approach.
- The Focus Goal can explicitly reference the metric(s) by which achievement of the goal will be measured and the time frame according to which the LEA expects to achieve the goal.

##### Type of Goal

Identify the type of goal being implemented as a Focus Goal.

##### State Priorities addressed by this goal.

Identify each of the state priorities that this goal is intended to address.

##### An explanation of why the LEA has developed this goal.

Explain why the LEA has chosen to prioritize this goal.

- An explanation must be based on Dashboard data or other locally collected data.
- LEAs must describe how the LEA identified this goal for focused attention, including relevant consultation with educational partners.
- LEAs are encouraged to promote transparency and understanding around the decision to pursue a focus goal.

### **Required Focus Goal(s) for LEAs Receiving Equity Multiplier Funding**

#### Description

LEAs receiving Equity Multiplier funding must include one or more focus goals for each school generating Equity Multiplier funding. In addition to addressing the focus goal requirements described above, LEAs must adhere to the following requirements.

Focus goals for Equity Multiplier schoolsites must address the following:

- (A) All student groups that have the lowest performance level on one or more state indicators on the Dashboard, and
- (B) Any underlying issues in the credentialing, subject matter preparation, and retention of the school's educators, if applicable.
- Focus Goals for each and every Equity Multiplier schoolsite must identify specific metrics for each identified student group, as applicable.
- An LEA may create a single goal for multiple Equity Multiplier schoolsites if those schoolsites have the same student group(s) performing at the lowest performance level on one or more state indicators on the Dashboard or, experience similar issues in the credentialing, subject matter preparation, and retention of the school's educators.
  - When creating a single goal for multiple Equity Multiplier schoolsites, the goal must identify the student groups and the performance levels on the Dashboard that the Focus Goal is addressing; or,
  - The common issues the schoolsites are experiencing in credentialing, subject matter preparation, and retention of the school's educators, if applicable.

#### Type of Goal

Identify the type of goal being implemented as an Equity Multiplier Focus Goal.

#### State Priorities addressed by this goal.

Identify each of the state priorities that this goal is intended to address.

#### An explanation of why the LEA has developed this goal.

Explain why the LEA has chosen to prioritize this goal.

- An explanation must be based on **Dashboard data or other locally collected data.**
- LEAs must describe how the LEA identified this goal for focused attention, including relevant consultation with educational partners.
- LEAs are encouraged to promote transparency and understanding around the decision to pursue a focus goal.
- In addition to this information, the LEA must also identify:
  - The school or schools to which the goal applies

LEAs are encouraged to approach an Equity Multiplier goal from a wholistic standpoint, considering how the goal might maximize student outcomes through the use of LCFF and other funding in addition to Equity Multiplier funds.

- Equity Multiplier funds must be used to supplement, not supplant, funding provided to Equity Multiplier schoolsites for purposes of the LCFF, the Expanded Learning Opportunities Program (ELO-P), the Literacy Coaches and Reading Specialists (LCRS) Grant Program, and/or the California Community Schools Partnership Program (CCSPP).
- This means that Equity Multiplier funds must not be used to replace funding that an Equity Multiplier schoolsite would otherwise receive to implement LEA-wide actions identified in the LCAP or that an Equity Multiplier schoolsite would otherwise receive to implement provisions of the ELO-P, the LCRS, and/or the CCSPP.

**Note:** EC Section [42238.024\(b\)\(1\) \(California Legislative Information\)](#) requires that Equity Multiplier funds be used for the provision of evidence-based services and supports for students. Evidence-based services and supports are based on objective evidence that has informed the design of the service or support and/or guides the modification of those services and supports. Evidence-based supports and strategies are most commonly based on educational research and/or metrics of LEA, school, and/or student performance.

## Broad Goal

### Description

Describe what the LEA plans to achieve through the actions included in the goal.

- The description of a broad goal will be clearly aligned with the expected measurable outcomes included for the goal.
- The goal description organizes the actions and expected outcomes in a cohesive and consistent manner.
- A goal description is specific enough to be measurable in either quantitative or qualitative terms. A broad goal is not as specific as a focus goal. While it is specific enough to be measurable, there are many different metrics for measuring progress toward the goal.

### Type of Goal

Identify the type of goal being implemented as a Broad Goal.

### State Priorities addressed by this goal.

Identify each of the state priorities that this goal is intended to address.

An explanation of why the LEA has developed this goal.

Explain why the LEA developed this goal and how the actions and metrics grouped together will help achieve the goal.

**Maintenance of Progress Goal**

**Description**

Describe how the LEA intends to maintain the progress made in the LCFF State Priorities not addressed by the other goals in the LCAP.

- Use this type of goal to address the state priorities and applicable metrics not addressed within the other goals in the LCAP.
- The state priorities and metrics to be addressed in this section are those for which the LEA, in consultation with educational partners, has determined to maintain actions and monitor progress while focusing implementation efforts on the actions covered by other goals in the LCAP.

**Type of Goal**

Identify the type of goal being implemented as a Maintenance of Progress Goal.

**State Priorities addressed by this goal.**

Identify each of the state priorities that this goal is intended to address.

An explanation of why the LEA has developed this goal.

Explain how the actions will sustain the progress exemplified by the related metrics.

**Measuring and Reporting Results:**

For each LCAP year, identify the metric(s) that the LEA will use to track progress toward the expected outcomes.

- LEAs must identify metrics for specific student groups, as appropriate, including expected outcomes that address and reduce disparities in outcomes between student groups.
- The metrics may be quantitative or qualitative; but at minimum, an LEA’s LCAP must include goals that are measured using all of the applicable metrics for the related state priorities, in each LCAP year, as applicable to the type of LEA.
- To the extent a state priority does not specify one or more metrics (e.g., implementation of state academic content and performance standards), the LEA must identify a metric to use within the LCAP. For these state priorities, LEAs are encouraged to use metrics based on or reported through the relevant local indicator self-reflection tools within the Dashboard.

- **Required metrics for LEA-wide actions:** For each action identified as 1) contributing towards the requirement to increase or improve services for foster youth, English learners, including long-term English learners, and low-income students and 2) being provided on an LEA-wide basis, the LEA must identify one or more metrics to monitor the effectiveness of the action and its budgeted expenditures.
  - These required metrics may be identified within the action description or the first prompt in the increased or improved services section, however the description must clearly identify the metric(s) being used to monitor the effectiveness of the action and the action(s) that the metric(s) apply to.
  
- **Required metrics for Equity Multiplier goals:** For each Equity Multiplier goal, the LEA must identify:
  - The specific metrics for each identified student group at each specific schoolsite, as applicable, to measure the progress toward the goal, and/or
  - The specific metrics used to measure progress in meeting the goal related to credentialing, subject matter preparation, or educator retention at each specific schoolsite.

Complete the table as follows:

Metric #
<ul style="list-style-type: none"> <li>● Enter the metric number.</li> </ul>
Metric
<ul style="list-style-type: none"> <li>● Identify the standard of measure being used to determine progress towards the goal and/or to measure the effectiveness of one or more actions associated with the goal.</li> </ul>
Baseline
<ul style="list-style-type: none"> <li>● Enter the baseline when completing the LCAP for 2024–25.                             <ul style="list-style-type: none"> <li>○ Use the most recent data associated with the metric available at the time of adoption of the LCAP for the first year of the three-year plan. LEAs may use data as reported on the 2023 Dashboard for the baseline of a metric only if that data represents the most recent available data (e.g., high school graduation rate).</li> <li>○ Using the most recent data available may involve reviewing data the LEA is preparing for submission to the California Longitudinal Pupil Achievement Data System (CALPADS) or data that the LEA has recently submitted to CALPADS.</li> <li>○ Indicate the school year to which the baseline data applies.</li> <li>○ The baseline data must remain unchanged throughout the three-year LCAP.                                     <ul style="list-style-type: none"> <li>▪ This requirement is not intended to prevent LEAs from revising the baseline data if it is necessary to do so. For example, if an LEA identifies that its data collection practices for a particular metric are leading to inaccurate data and revises its practice to obtain</li> </ul> </li> </ul> </li> </ul>

accurate data, it would also be appropriate for the LEA to revise the baseline data to align with the more accurate data process and report its results using the accurate data.

- If an LEA chooses to revise its baseline data, then, at a minimum, it must clearly identify the change as part of its response to the description of changes prompt in the Goal Analysis for the goal. LEAs are also strongly encouraged to involve their educational partners in the decision of whether or not to revise a baseline and to communicate the proposed change to their educational partners.
- Note for Charter Schools: Charter schools developing a one- or two-year LCAP may identify a new baseline each year, as applicable.

## Year 1 Outcome

- When completing the LCAP for 2025–26, enter the most recent data available. Indicate the school year to which the data applies.
  - Note for Charter Schools: Charter schools developing a one-year LCAP may provide the Year 1 Outcome when completing the LCAP for both 2025–26 and 2026–27 or may provide the Year 1 Outcome for 2025–26 and provide the Year 2 Outcome for 2026–27.

## Year 2 Outcome

- When completing the LCAP for 2026–27, enter the most recent data available. Indicate the school year to which the data applies.
  - Note for Charter Schools: Charter schools developing a one-year LCAP may identify the Year 2 Outcome as not applicable when completing the LCAP for 2026–27 or may provide the Year 2 Outcome for 2026–27.

## Target for Year 3 Outcome

- When completing the first year of the LCAP, enter the target outcome for the relevant metric the LEA expects to achieve by the end of the three-year LCAP cycle.
  - Note for Charter Schools: Charter schools developing a one- or two-year LCAP may identify a Target for Year 1 or Target for Year 2, as applicable.

## Current Difference from Baseline

- When completing the LCAP for 2025–26 and 2026–27, enter the current difference between the baseline and the yearly outcome, as applicable.
  - Note for Charter Schools: Charter schools developing a one- or two-year LCAP will identify the current difference between the baseline and the yearly outcome for Year 1 and/or the current difference between the baseline and the yearly outcome for Year 2, as applicable.

Timeline for school districts and COEs for completing the **“Measuring and Reporting Results”** part of the Goal.

Metric	Baseline	Year 1 Outcome	Year 2 Outcome	Target for Year 3 Outcome	Current Difference from Baseline

Enter information in this box when completing the LCAP for <b>2024–25</b> or when adding a new metric.	Enter information in this box when completing the LCAP for <b>2025–26</b> and <b>2026–27</b> . Leave blank until then.

**Goal Analysis:**

Enter the LCAP Year.

Using actual annual measurable outcome data, including data from the Dashboard, analyze whether the planned actions were effective towards achieving the goal. “Effective” means the degree to which the planned actions were successful in producing the target result. Respond to the prompts as instructed.

**Note:** When completing the 2024–25 LCAP, use the 2023–24 Local Control and Accountability Plan Annual Update template to complete the Goal Analysis and identify the Goal Analysis prompts in the 2024–25 LCAP as “Not Applicable.”

A description of overall implementation, including any substantive differences in planned actions and actual implementation of these actions, and any relevant challenges and successes experienced with implementation.

- Describe the overall implementation of the actions to achieve the articulated goal, including relevant challenges and successes experienced with implementation.
  - Include a discussion of relevant challenges and successes experienced with the implementation process.
  - This discussion must include any instance where the LEA did not implement a planned action or implemented a planned action in a manner that differs substantively from how it was described in the adopted LCAP.

An explanation of material differences between Budgeted Expenditures and Estimated Actual Expenditures and/or Planned Percentages of Improved Services and Estimated Actual Percentages of Improved Services.

- Explain material differences between Budgeted Expenditures and Estimated Actual Expenditures and between the Planned Percentages of Improved Services and Estimated Actual Percentages of Improved Services, as applicable. Minor variances in expenditures or percentages do not need to be addressed, and a dollar-for-dollar accounting is not required.

### A description of the effectiveness or ineffectiveness of the specific actions to date in making progress toward the goal.

- Describe the effectiveness or ineffectiveness of the specific actions to date in making progress toward the goal. “Effectiveness” means the degree to which the actions were successful in producing the target result and “ineffectiveness” means that the actions did not produce any significant or targeted result.
  - In some cases, not all actions in a goal will be intended to improve performance on all of the metrics associated with the goal.
  - When responding to this prompt, LEAs may assess the effectiveness of a single action or group of actions within the goal in the context of performance on a single metric or group of specific metrics within the goal that are applicable to the action(s). Grouping actions with metrics will allow for more robust analysis of whether the strategy the LEA is using to impact a specified set of metrics is working and increase transparency for educational partners. LEAs are encouraged to use such an approach when goals include multiple actions and metrics that are not closely associated.
  - Beginning with the development of the 2024–25 LCAP, the LEA must change actions that have not proven effective over a three-year period.

### A description of any changes made to the planned goal, metrics, target outcomes, or actions for the coming year that resulted from reflections on prior practice.

- Describe any changes made to this goal, expected outcomes, metrics, or actions to achieve this goal as a result of this analysis and analysis of the data provided in the Dashboard or other local data, as applicable.
  - As noted above, beginning with the development of the 2024–25 LCAP, the LEA must change actions that have not proven effective over a three-year period. For actions that have been identified as ineffective, the LEA must identify the ineffective action and must include a description of the following:
    - The reasons for the ineffectiveness, and
    - How changes to the action will result in a new or strengthened approach.

### **Actions:**

Complete the table as follows. Add additional rows as necessary.

#### Action #

- Enter the action number.

#### Title

- Provide a short title for the action. This title will also appear in the action tables.

#### Description

- Provide a brief description of the action.

- For actions that contribute to meeting the increased or improved services requirement, the LEA may include an explanation of how each action is principally directed towards and effective in meeting the LEA's goals for unduplicated students, as described in the instructions for the Increased or Improved Services for Foster Youth, English Learners, and Low-Income Students section.
- As previously noted, for each action identified as 1) contributing towards the requirement to increase or improve services for foster youth, English learners, including long-term English learners, and low-income students and 2) being provided on an LEA-wide basis, the LEA must identify one or more metrics to monitor the effectiveness of the action and its budgeted expenditures.
- These required metrics may be identified within the action description or the first prompt in the increased or improved services section; however, the description must clearly identify the metric(s) being used to monitor the effectiveness of the action and the action(s) that the metric(s) apply to.

## Total Funds

- Enter the total amount of expenditures associated with this action. Budgeted expenditures from specific fund sources will be provided in the action tables.

## Contributing

- Indicate whether the action contributes to meeting the increased or improved services requirement as described in the Increased or Improved Services section using a “Y” for Yes or an “N” for No.
  - **Note:** for each such contributing action, the LEA will need to provide additional information in the Increased or Improved Services section to address the requirements in *California Code of Regulations*, Title 5 [5 CCR] Section 15496 in the Increased or Improved Services section of the LCAP.

**Actions for Foster Youth:** School districts, COEs, and charter schools that have a numerically significant foster youth student subgroup are encouraged to include specific actions in the LCAP designed to meet needs specific to foster youth students.

## Required Actions

- LEAs with 30 or more English learners and/or 15 or more long-term English learners must include specific actions in the LCAP related to, at a minimum:
  - Language acquisition programs, as defined in *EC* Section 306, provided to students, and
  - Professional development for teachers.
  - If an LEA has both 30 or more English learners and 15 or more long-term English learners, the LEA must include actions for both English learners and long-term English learners.
- LEAs eligible for technical assistance pursuant to *EC* sections 47607.3, 52071, 52071.5, 52072, or 52072.5, must include specific actions within the LCAP related to its implementation of the work underway as part of technical assistance. The most common form of this technical assistance is frequently referred to as Differentiated Assistance.

- LEAs that have Red Dashboard indicators for (1) a school within the LEA, (2) a student group within the LEA, and/or (3) a student group within any school within the LEA must include one or more specific actions within the LCAP:
  - The specific action(s) must be directed towards the identified student group(s) and/or school(s) and must address the identified state indicator(s) for which the student group or school received the lowest performance level on the 2023 Dashboard. Each student group and/or school that receives the lowest performance level on the 2023 Dashboard must be addressed by one or more actions.
  - These required actions will be effective for the three-year LCAP cycle.

## Increased or Improved Services for Foster Youth, English Learners, and Low-Income Students

### Purpose

A well-written Increased or Improved Services section provides educational partners with a comprehensive description, within a single dedicated section, of how an LEA plans to increase or improve services for its unduplicated students as defined in *EC* Section 42238.02 in grades TK–12 as compared to all students in grades TK–12, as applicable, and how LEA-wide or schoolwide actions identified for this purpose meet regulatory requirements. Descriptions provided should include sufficient detail yet be sufficiently succinct to promote a broader understanding of educational partners to facilitate their ability to provide input. An LEA’s description in this section must align with the actions included in the Goals and Actions section as contributing.

Please Note: For the purpose of meeting the Increased or Improved Services requirement and consistent with *EC* Section 42238.02, long-term English learners are included in the English learner student group.

### Statutory Requirements

An LEA is required to demonstrate in its LCAP how it is increasing or improving services for its students who are foster youth, English learners, and/or low-income, collectively referred to as unduplicated students, as compared to the services provided to all students in proportion to the increase in funding it receives based on the number and concentration of unduplicated students in the LEA (*EC* Section 42238.07[a][1], *EC* Section 52064[b][8][B]; 5 *CCR* Section 15496[a]). This proportionality percentage is also known as the “minimum proportionality percentage” or “MPP.” The manner in which an LEA demonstrates it is meeting its MPP is two-fold: (1) through the expenditure of LCFF funds or through the identification of a Planned Percentage of Improved Services as documented in the Contributing Actions Table, and (2) through the explanations provided in the Increased or Improved Services for Foster Youth, English Learners, and Low-Income Students section.

To improve services means to grow services in quality and to increase services means to grow services in quantity. Services are increased or improved by those actions in the LCAP that are identified in the Goals and Actions section as contributing to the increased or improved services requirement, whether they are provided across the entire LEA (LEA-wide action), provided to an entire school (Schoolwide action), or solely provided to one or more unduplicated student group(s) (Limited action).

Therefore, for *any* action contributing to meet the increased or improved services requirement, the LEA must include an explanation of:

- How the action is increasing or improving services for the unduplicated student group(s) (Identified Needs and Action Design), and
- How the action meets the LEA's goals for its unduplicated pupils in the state and any local priority areas (Measurement of Effectiveness).

## LEA-wide and Schoolwide Actions

In addition to the above required explanations, LEAs must provide a justification for why an LEA-wide or Schoolwide action is being provided to all students and how the action is intended to improve outcomes for unduplicated student group(s) as compared to all students.

- Conclusory statements that a service will help achieve an expected outcome for the goal, without an explicit connection or further explanation as to how, are not sufficient.
- Further, simply stating that an LEA has a high enrollment percentage of a specific student group or groups does not meet the increased or improved services standard because enrolling students is not the same as serving students.

### For School Districts Only

Actions provided on an **LEA-wide** basis at **school districts with an unduplicated pupil percentage of less than 55 percent** must also include a description of how the actions are the most effective use of the funds to meet the district's goals for its unduplicated pupils in the state and any local priority areas. The description must provide the basis for this determination, including any alternatives considered, supporting research, experience, or educational theory.

Actions provided on a **Schoolwide** basis for **schools with less than 40 percent enrollment of unduplicated pupils** must also include a description of how these actions are the most effective use of the funds to meet the district's goals for its unduplicated pupils in the state and any local priority areas. The description must provide the basis for this determination, including any alternatives considered, supporting research, experience, or educational theory.

## Requirements and Instructions

Complete the tables as follows:

### Total Projected LCFF Supplemental and/or Concentration Grants

- Specify the amount of LCFF supplemental and concentration grant funds the LEA estimates it will receive in the coming year based on the number and concentration of foster youth, English learner, and low-income students. This amount includes the Additional 15 percent LCFF Concentration Grant.

### Projected Additional 15 percent LCFF Concentration Grant

- Specify the amount of additional LCFF concentration grant add-on funding, as described in *EC* Section 42238.02, that the LEA estimates it will receive in the coming year.

### Projected Percentage to Increase or Improve Services for the Coming School Year

- Specify the estimated percentage by which services for unduplicated pupils must be increased or improved as compared to the services provided to all students in the LCAP year as calculated pursuant to 5 *CCR* Section 15496(a)(7).

### LCFF Carryover — Percentage

- Specify the LCFF Carryover — Percentage identified in the LCFF Carryover Table. If a carryover percentage is not identified in the LCFF Carryover Table, specify a percentage of zero (0.00%).

**LCFF Carryover — Dollar**

- Specify the LCFF Carryover — Dollar amount identified in the LCFF Carryover Table. If a carryover amount is not identified in the LCFF Carryover Table, specify an amount of zero (\$0).

**Total Percentage to Increase or Improve Services for the Coming School Year**

- Add the Projected Percentage to Increase or Improve Services for the Coming School Year and the Proportional LCFF Required Carryover Percentage and specify the percentage. This is the LEA’s percentage by which services for unduplicated pupils must be increased or improved as compared to the services provided to all students in the LCAP year, as calculated pursuant to 5 CCR Section 15496(a)(7).

**Required Descriptions:**

**LEA-wide and Schoolwide Actions**

For each action being provided to an entire LEA or school, provide an explanation of (1) the unique identified need(s) of the unduplicated student group(s) for whom the action is principally directed, (2) how the action is designed to address the identified need(s) and why it is being provided on an LEA or schoolwide basis, and (3) the metric(s) used to measure the effectiveness of the action in improving outcomes for the unduplicated student group(s).

If the LEA has provided this required description in the Action Descriptions, state as such within the table.

Complete the table as follows:

**Identified Need(s)**

Provide an explanation of the unique identified need(s) of the LEA’s unduplicated student group(s) for whom the action is principally directed.

An LEA demonstrates how an action is principally directed towards an unduplicated student group(s) when the LEA explains the need(s), condition(s), or circumstance(s) of the unduplicated student group(s) identified through a needs assessment and how the action addresses them. A meaningful needs assessment includes, at a minimum, analysis of applicable student achievement data and educational partner feedback.

**How the Action(s) are Designed to Address Need(s) and Why it is Provided on an LEA-wide or Schoolwide Basis**

Provide an explanation of how the action as designed will address the unique identified need(s) of the LEA’s unduplicated student group(s) for whom the action is principally directed and the rationale for why the action is being provided on an LEA-wide or schoolwide basis.

- As stated above, conclusory statements that a service will help achieve an expected outcome for the goal, without an explicit connection or further explanation as to how, are not sufficient.

- Further, simply stating that an LEA has a high enrollment percentage of a specific student group or groups does not meet the increased or improved services standard because enrolling students is not the same as serving students.

### **Metric(s) to Monitor Effectiveness**

Identify the metric(s) being used to measure the progress and effectiveness of the action(s).

**Note for COEs and Charter Schools:** In the case of COEs and charter schools, schoolwide and LEA-wide are considered to be synonymous.

### **Limited Actions**

For each action being solely provided to one or more unduplicated student group(s), provide an explanation of (1) the unique identified need(s) of the unduplicated student group(s) being served, (2) how the action is designed to address the identified need(s), and (3) how the effectiveness of the action in improving outcomes for the unduplicated student group(s) will be measured.

If the LEA has provided the required descriptions in the Action Descriptions, state as such.

Complete the table as follows:

### **Identified Need(s)**

Provide an explanation of the unique need(s) of the unduplicated student group(s) being served identified through the LEA's needs assessment. A meaningful needs assessment includes, at a minimum, analysis of applicable student achievement data and educational partner feedback.

### **How the Action(s) are Designed to Address Need(s)**

Provide an explanation of how the action is designed to address the unique identified need(s) of the unduplicated student group(s) being served.

### **Metric(s) to Monitor Effectiveness**

Identify the metric(s) being used to measure the progress and effectiveness of the action(s).

For any limited action contributing to meeting the increased or improved services requirement that is associated with a Planned Percentage of Improved Services in the Contributing Summary Table rather than an expenditure of LCFF funds, describe the methodology that was used to determine the contribution of the action towards the proportional percentage, as applicable.

- For each action with an identified Planned Percentage of Improved Services, identify the goal and action number and describe the methodology that was used.
- When identifying a Planned Percentage of Improved Services, the LEA must describe the methodology that it used to determine the contribution of the action towards the proportional percentage. The percentage of improved services for an action corresponds to the amount of LCFF funding that the LEA estimates it would expend to implement the action if it were funded.

- For example, an LEA determines that there is a need to analyze data to ensure that instructional aides and expanded learning providers know what targeted supports to provide to students who are foster youth. The LEA could implement this action by hiring additional staff to collect and analyze data and to coordinate supports for students, which, based on the LEA's current pay scale, the LEA estimates would cost \$165,000. Instead, the LEA chooses to utilize a portion of existing staff time to analyze data relating to students who are foster youth. This analysis will then be shared with site principals who will use the data to coordinate services provided by instructional assistants and expanded learning providers to target support to students. In this example, the LEA would divide the estimated cost of \$165,000 by the amount of LCFF Funding identified in the Total Planned Expenditures Table and then convert the quotient to a percentage. This percentage is the Planned Percentage of Improved Services for the action.

### **Additional Concentration Grant Funding**

A description of the plan for how the additional concentration grant add-on funding identified above will be used to increase the number of staff providing direct services to students at schools that have a high concentration (above 55 percent) of foster youth, English learners, and low-income students, as applicable.

An LEA that receives the additional concentration grant add-on described in *EC* Section 42238.02 is required to demonstrate how it is using these funds to increase the number of staff who provide direct services to students at schools with an enrollment of unduplicated students that is greater than 55 percent as compared to the number of staff who provide direct services to students at schools with an enrollment of unduplicated students that is equal to or less than 55 percent. The staff who provide direct services to students must be certificated staff and/or classified staff employed by the LEA; classified staff includes custodial staff.

Provide the following descriptions, as applicable to the LEA:

- An LEA that does not receive a concentration grant or the concentration grant add-on must indicate that a response to this prompt is not applicable.
- Identify the goal and action numbers of the actions in the LCAP that the LEA is implementing to meet the requirement to increase the number of staff who provide direct services to students at schools with an enrollment of unduplicated students that is greater than 55 percent.
- An LEA that does not have comparison schools from which to describe how it is using the concentration grant add-on funds, such as a single-school LEA or an LEA that only has schools with an enrollment of unduplicated students that is greater than 55 percent, must describe how it is using the funds to increase the number of credentialed staff, classified staff, or both, including custodial staff, who provide direct services to students at selected schools and the criteria used to determine which schools require additional staffing support.
- In the event that an additional concentration grant add-on is not sufficient to increase staff providing direct services to students at a school with an enrollment of unduplicated students that is greater than 55 percent, the LEA must describe how it is using the funds to retain staff providing direct services to students at a school with an enrollment of unduplicated students that is greater than 55 percent.

Complete the table as follows:

- Provide the staff-to-student ratio of classified staff providing direct services to students with a concentration of unduplicated students that is 55 percent or less and the staff-to-student ratio of classified staff providing direct services to students at schools with a concentration of unduplicated students that is greater than 55 percent, as applicable to the LEA.
  - The LEA may group its schools by grade span (Elementary, Middle/Junior High, and High Schools), as applicable to the LEA.

- The staff-to-student ratio must be based on the number of full-time equivalent (FTE) staff and the number of enrolled students as counted on the first Wednesday in October of each year.
- Provide the staff-to-student ratio of certificated staff providing direct services to students at schools with a concentration of unduplicated students that is 55 percent or less and the staff-to-student ratio of certificated staff providing direct services to students at schools with a concentration of unduplicated students that is greater than 55 percent, as applicable to the LEA.
  - The LEA may group its schools by grade span (Elementary, Middle/Junior High, and High Schools), as applicable to the LEA.
  - The staff-to-student ratio must be based on the number of FTE staff and the number of enrolled students as counted on the first Wednesday in October of each year.

## Action Tables

Complete the Total Planned Expenditures Table for each action in the LCAP. The information entered into this table will automatically populate the other Action Tables. Information is only entered into the Total Planned Expenditures Table, the Annual Update Table, the Contributing Actions Annual Update Table, and the LCFF Carryover Table. The word “input” has been added to column headers to aid in identifying the column(s) where information will be entered. Information is not entered on the remaining Action tables.

The following tables are required to be included as part of the LCAP adopted by the local governing board or governing body:

- Table 1: Total Planned Expenditures Table (for the coming LCAP Year)
- Table 2: Contributing Actions Table (for the coming LCAP Year)
- Table 3: Annual Update Table (for the current LCAP Year)
- Table 4: Contributing Actions Annual Update Table (for the current LCAP Year)
- Table 5: LCFF Carryover Table (for the current LCAP Year)

Note: The coming LCAP Year is the year that is being planned for, while the current LCAP year is the current year of implementation. For example, when developing the 2024–25 LCAP, 2024–25 will be the coming LCAP Year and 2023–24 will be the current LCAP Year.

## Total Planned Expenditures Table

In the Total Planned Expenditures Table, input the following information for each action in the LCAP for that applicable LCAP year:

- **LCAP Year:** Identify the applicable LCAP Year.
- **1. Projected LCFF Base Grant:** Provide the total amount estimated LCFF entitlement for the coming school year, excluding the supplemental and concentration grants and the add-ons for the Targeted Instructional Improvement Block Grant program, the former Home-to-School Transportation program, and the Small School District Transportation program, pursuant to 5 CCR Section 15496(a)(8).

Note that the LCFF Base Grant for purposes of the LCAP also includes the Necessary Small Schools and Economic Recovery Target allowances for school districts, and County Operations Grant for COEs.

See EC sections 2574 (for COEs) and 42238.02 (for school districts and charter schools), as applicable, for LCFF entitlement calculations.

- **2. Projected LCFF Supplemental and/or Concentration Grants:** Provide the total amount of LCFF supplemental and concentration grants estimated on the basis of the number and concentration of unduplicated students for the coming school year.
- **3. Projected Percentage to Increase or Improve Services for the Coming School Year:** This percentage will not be entered; it is calculated based on the Projected LCFF Base Grant and the Projected LCFF Supplemental and/or Concentration Grants, pursuant to 5 CCR Section 15496(a)(8). This is the percentage by which services for unduplicated pupils must be increased or improved as compared to the services provided to all students in the coming LCAP year.
- **LCFF Carryover — Percentage:** Specify the LCFF Carryover — Percentage identified in the LCFF Carryover Table from the prior LCAP year. If a carryover percentage is not identified in the LCFF Carryover Table, specify a percentage of zero (0.00%).
- **Total Percentage to Increase or Improve Services for the Coming School Year:** This percentage will not be entered; it is calculated based on the Projected Percentage to Increase or Improve Services for the Coming School Year and the LCFF Carryover — Percentage. ***This is the percentage by which the LEA must increase or improve services for unduplicated pupils as compared to the services provided to all students in the coming LCAP year.***
- **Goal #:** Enter the LCAP Goal number for the action.
- **Action #:** Enter the action's number as indicated in the LCAP Goal.
- **Action Title:** Provide a title of the action.
- **Student Group(s):** Indicate the student group or groups who will be the primary beneficiary of the action by entering "All," or by entering a specific student group or groups.
- **Contributing to Increased or Improved Services?:** Type "Yes" if the action **is** included as contributing to meeting the increased or improved services requirement; OR, type "No" if the action is **not** included as contributing to meeting the increased or improved services requirement.
- If "Yes" is entered into the Contributing column, then complete the following columns:
  - **Scope:** The scope of an action may be LEA-wide (i.e., districtwide, countywide, or charterwide), schoolwide, or limited. An action that is LEA-wide in scope upgrades the entire educational program of the LEA. An action that is schoolwide in scope upgrades the entire educational program of a single school. An action that is limited in its scope is an action that serves only one or more unduplicated student groups.

- **Unduplicated Student Group(s):** Regardless of scope, contributing actions serve one or more unduplicated student groups. Indicate one or more unduplicated student groups for whom services are being increased or improved as compared to what all students receive.
- **Location:** Identify the location where the action will be provided. If the action is provided to all schools within the LEA, the LEA must indicate “All Schools.” If the action is provided to specific schools within the LEA or specific grade spans only, the LEA must enter “Specific Schools” or “Specific Grade Spans.” Identify the individual school or a subset of schools or grade spans (e.g., all high schools or grades transitional kindergarten through grade five), as appropriate.
- **Time Span:** Enter “ongoing” if the action will be implemented for an indeterminate period of time. Otherwise, indicate the span of time for which the action will be implemented. For example, an LEA might enter “1 Year,” or “2 Years,” or “6 Months.”
- **Total Personnel:** Enter the total amount of personnel expenditures utilized to implement this action.
- **Total Non-Personnel:** This amount will be automatically calculated based on information provided in the Total Personnel column and the Total Funds column.
- **LCFF Funds:** Enter the total amount of LCFF funds utilized to implement this action, if any. LCFF funds include all funds that make up an LEA’s total LCFF target (i.e., base grant, grade span adjustment, supplemental grant, concentration grant, Targeted Instructional Improvement Block Grant, and Home-To-School Transportation).
  - **Note:** For an action to contribute towards meeting the increased or improved services requirement, it must include some measure of LCFF funding. The action may also include funding from other sources, however the extent to which an action contributes to meeting the increased or improved services requirement is based on the LCFF funding being used to implement the action.
- **Other State Funds:** Enter the total amount of Other State Funds utilized to implement this action, if any.
  - **Note:** Equity Multiplier funds must be included in the “Other State Funds” category, not in the “LCFF Funds” category. As a reminder, Equity Multiplier funds must be used to supplement, not supplant, funding provided to Equity Multiplier schoolsites for purposes of the LCFF, the ELO-P, the LCRS, and/or the CCSPP. This means that Equity Multiplier funds must not be used to replace funding that an Equity Multiplier schoolsite would otherwise receive to implement LEA-wide actions identified in the LEA’s LCAP or that an Equity Multiplier schoolsite would otherwise receive to implement provisions of the ELO-P, the LCRS, and/or the CCSPP.
- **Local Funds:** Enter the total amount of Local Funds utilized to implement this action, if any.
- **Federal Funds:** Enter the total amount of Federal Funds utilized to implement this action, if any.
- **Total Funds:** This amount is automatically calculated based on amounts entered in the previous four columns.
- **Planned Percentage of Improved Services:** For any action identified as contributing, being provided on a Limited basis to unduplicated students, and that does not have funding associated with the action, enter the planned quality improvement anticipated for the action as

a percentage rounded to the nearest hundredth (0.00%). A limited action is an action that only serves foster youth, English learners, and/or low-income students.

- As noted in the instructions for the Increased or Improved Services section, when identifying a Planned Percentage of Improved Services, the LEA must describe the methodology that it used to determine the contribution of the action towards the proportional percentage. The percentage of improved services for an action corresponds to the amount of LCFF funding that the LEA estimates it would expend to implement the action if it were funded.

For example, an LEA determines that there is a need to analyze data to ensure that instructional aides and expanded learning providers know what targeted supports to provide to students who are foster youth. The LEA could implement this action by hiring additional staff to collect and analyze data and to coordinate supports for students, which, based on the LEA's current pay scale, the LEA estimates would cost \$165,000. Instead, the LEA chooses to utilize a portion of existing staff time to analyze data relating to students who are foster youth. This analysis will then be shared with site principals who will use the data to coordinate services provided by instructional assistants and expanded learning providers to target support to students. In this example, the LEA would divide the estimated cost of \$165,000 by the amount of LCFF Funding identified in the Data Entry Table and then convert the quotient to a percentage. This percentage is the Planned Percentage of Improved Services for the action.

## Contributing Actions Table

As noted above, information will not be entered in the Contributing Actions Table; however, the 'Contributing to Increased or Improved Services?' column will need to be checked to ensure that only actions with a "Yes" are displaying. If actions with a "No" are displayed or if actions that are contributing are not displaying in the column, use the drop-down menu in the column header to filter only the "Yes" responses.

## Annual Update Table

In the Annual Update Table, provide the following information for each action in the LCAP for the relevant LCAP year:

- **Estimated Actual Expenditures:** Enter the total estimated actual expenditures to implement this action, if any.

## Contributing Actions Annual Update Table

In the Contributing Actions Annual Update Table, check the 'Contributing to Increased or Improved Services?' column to ensure that only actions with a "Yes" are displaying. If actions with a "No" are displayed or if actions that are contributing are not displaying in the column, use the drop-down menu in the column header to filter only the "Yes" responses. Provide the following information for each contributing action in the LCAP for the relevant LCAP year:

- **6. Estimated Actual LCFF Supplemental and/or Concentration Grants:** Provide the total amount of LCFF supplemental and concentration grants estimated based on the number and concentration of unduplicated students in the current school year.
- **Estimated Actual Expenditures for Contributing Actions:** Enter the total estimated actual expenditure of LCFF funds used to implement this action, if any.

- **Estimated Actual Percentage of Improved Services:** For any action identified as contributing, being provided on a Limited basis only to unduplicated students, and that does not have funding associated with the action, enter the total estimated actual quality improvement anticipated for the action as a percentage rounded to the nearest hundredth (0.00%).
  - Building on the example provided above for calculating the Planned Percentage of Improved Services, the LEA in the example implements the action. As part of the annual update process, the LEA reviews implementation and student outcome data and determines that the action was implemented with fidelity and that outcomes for foster youth students improved. The LEA reviews the original estimated cost for the action and determines that had it hired additional staff to collect and analyze data and to coordinate supports for students that estimated actual cost would have been \$169,500 due to a cost of living adjustment. The LEA would divide the estimated actual cost of \$169,500 by the amount of LCFF Funding identified in the Data Entry Table and then convert the quotient to a percentage. This percentage is the Estimated Actual Percentage of Improved Services for the action.

## LCFF Carryover Table

- **9. Estimated Actual LCFF Base Grant:** Provide the total amount of estimated LCFF Target Entitlement for the current school year, excluding the supplemental and concentration grants and the add-ons for the Targeted Instructional Improvement Block Grant program, the former Home-to-School Transportation program, and the Small School District Transportation program, pursuant to 5 CCR Section 15496(a)(8). Note that the LCFF Base Grant for purposes of the LCAP also includes the Necessary Small Schools and Economic Recovery Target allowances for school districts, and County Operations Grant for COEs. See *EC* sections 2574 (for COEs) and 42238.02 (for school districts and charter schools), as applicable, for LCFF entitlement calculations.
- **10. Total Percentage to Increase or Improve Services for the Current School Year:** This percentage will not be entered. The percentage is calculated based on the amounts of the Estimated Actual LCFF Base Grant (9) and the Estimated Actual LCFF Supplemental and/or Concentration Grants (6), pursuant to 5 CCR Section 15496(a)(8), plus the LCFF Carryover – Percentage from the prior year. This is the percentage by which services for unduplicated pupils must be increased or improved as compared to the services provided to all students in the current LCAP year.

## Calculations in the Action Tables

To reduce the duplication of effort of LEAs, the Action Tables include functionality such as pre-population of fields and cells based on the information provided in the Data Entry Table, the Annual Update Summary Table, and the Contributing Actions Table. For transparency, the functionality and calculations used are provided below.

### Contributing Actions Table

- **4. Total Planned Contributing Expenditures (LCFF Funds)**
  - This amount is the total of the Planned Expenditures for Contributing Actions (LCFF Funds) column.
- **5. Total Planned Percentage of Improved Services**
  - This percentage is the total of the Planned Percentage of Improved Services column.
- **Planned Percentage to Increase or Improve Services for the coming school year (4 divided by 1, plus 5)**

- This percentage is calculated by dividing the Total Planned Contributing Expenditures (4) by the Projected LCFF Base Grant (1), converting the quotient to a percentage, and adding it to the Total Planned Percentage of Improved Services (5).

### **Contributing Actions Annual Update Table**

Pursuant to *EC* Section 42238.07(c)(2), if the Total Planned Contributing Expenditures (4) is less than the Estimated Actual LCFF Supplemental and Concentration Grants (6), the LEA is required to calculate the difference between the Total Planned Percentage of Improved Services (5) and the Total Estimated Actual Percentage of Improved Services (7). If the Total Planned Contributing Expenditures (4) is equal to or greater than the Estimated Actual LCFF Supplemental and Concentration Grants (6), the Difference Between Planned and Estimated Actual Percentage of Improved Services will display “Not Required.”

- **6. Estimated Actual LCFF Supplemental and Concentration Grants**
  - This is the total amount of LCFF supplemental and concentration grants the LEA estimates it will actually receive based on of the number and concentration of unduplicated students in the current school year.
- **4. Total Planned Contributing Expenditures (LCFF Funds)**
  - This amount is the total of the Last Year's Planned Expenditures for Contributing Actions (LCFF Funds).
- **7. Total Estimated Actual Expenditures for Contributing Actions**
  - This amount is the total of the Estimated Actual Expenditures for Contributing Actions (LCFF Funds).
- **Difference Between Planned and Estimated Actual Expenditures for Contributing Actions (Subtract 7 from 4)**
  - This amount is the Total Estimated Actual Expenditures for Contributing Actions (7) subtracted from the Total Planned Contributing Expenditures (4).
- **5. Total Planned Percentage of Improved Services (%)**
  - This amount is the total of the Planned Percentage of Improved Services column.
- **8. Total Estimated Actual Percentage of Improved Services (%)**
  - This amount is the total of the Estimated Actual Percentage of Improved Services column.
- **Difference Between Planned and Estimated Actual Percentage of Improved Services (Subtract 5 from 8)**
  - This amount is the Total Planned Percentage of Improved Services (5) subtracted from the Total Estimated Actual Percentage of Improved Services (8).

### **LCFF Carryover Table**

- **10. Total Percentage to Increase or Improve Services for the Current School Year (6 divided by 9 plus Carryover %)**

- This percentage is the Estimated Actual LCFF Supplemental and/or Concentration Grants (6) divided by the Estimated Actual LCFF Base Grant (9) plus the LCFF Carryover – Percentage from the prior year.
- **11. Estimated Actual Percentage of Increased or Improved Services (7 divided by 9, plus 8)**
  - This percentage is the Total Estimated Actual Expenditures for Contributing Actions (7) divided by the LCFF Funding (9), then converting the quotient to a percentage and adding the Total Estimated Actual Percentage of Improved Services (8).
- **12. LCFF Carryover — Dollar Amount LCFF Carryover (Subtract 11 from 10 and multiply by 9)**
  - If the Estimated Actual Percentage of Increased or Improved Services (11) is less than the Estimated Actual Percentage to Increase or Improve Services (10), the LEA is required to carry over LCFF funds.  
  
The amount of LCFF funds is calculated by subtracting the Estimated Actual Percentage to Increase or Improve Services (11) from the Estimated Actual Percentage of Increased or Improved Services (10) and then multiplying by the Estimated Actual LCFF Base Grant (9). This amount is the amount of LCFF funds that is required to be carried over to the coming year.
- **13. LCFF Carryover — Percentage (12 divided by 9)**
  - This percentage is the unmet portion of the Percentage to Increase or Improve Services that the LEA must carry over into the coming LCAP year. The percentage is calculated by dividing the LCFF Carryover (12) by the LCFF Funding (9).

California Department of Education  
November 2023

## LCFF Budget Overview for Parents

Local Educational Agency (LEA) Name: Magnolia Science Academy San Diego

CDS Code: 37-68338-0109157

School Year: 2024-25

LEA contact information:

Gokhan Serce

Regional Director and Principal

[gserce@magnoliapublicschools.org](mailto:gserce@magnoliapublicschools.org)

(619) 644-1300

School districts receive funding from different sources: state funds under the Local Control Funding Formula (LCFF), other state funds, local funds, and federal funds. LCFF funds include a base level of funding for all LEAs and extra funding - called "supplemental and concentration" grants - to LEAs based on the enrollment of high needs students (foster youth, English learners, and low-income students).

### Budget Overview for the 2024-25 School Year

This chart shows the total general purpose revenue Magnolia Science Academy San Diego expects to receive in the coming year from all sources.

The text description for the above chart is as follows: The total revenue projected for Magnolia Science Academy San Diego is \$6,804,465, of which \$4,612,673 is Local Control Funding Formula (LCFF), \$1,538,327 is other state funds, \$117,000 is local funds, and \$536,465 is federal funds. Of the \$4,612,673 in LCFF Funds, \$319,498 is generated based on the enrollment of high needs students (foster youth, English learner, and low-income students).

## LCFF Budget Overview for Parents

The LCFF gives school districts more flexibility in deciding how to use state funds. In exchange, school districts must work with parents, educators, students, and the community to develop a Local Control and Accountability Plan (LCAP) that shows how they will use these funds to serve students.

This chart provides a quick summary of how much Magnolia Science Academy San Diego plans to spend for 2024-25. It shows how much of the total is tied to planned actions and services in the LCAP.

The text description of the above chart is as follows: Magnolia Science Academy San Diego plans to spend \$6,686,420.45 for the 2024-25 school year. Of that amount, \$6,686,420.45 is tied to actions/services in the LCAP and \$0 is not included in the LCAP. The budgeted expenditures that are not included in the LCAP will be used for the following:

N/A

### Increased or Improved Services for High Needs Students in the LCAP for the 2024-25 School Year

In 2024-25, Magnolia Science Academy San Diego is projecting it will receive \$319,498 based on the enrollment of foster youth, English learner, and low-income students. Magnolia Science Academy San Diego must describe how it intends to increase or improve services for high needs students in the LCAP. Magnolia Science Academy San Diego plans to spend \$990,425.31 towards meeting this requirement, as described in the LCAP.

## LCFF Budget Overview for Parents

### Update on Increased or Improved Services for High Needs Students in 2023-24

This chart compares what Magnolia Science Academy San Diego budgeted last year in the LCAP for actions and services that contribute to increasing or improving services for high needs students with what Magnolia Science Academy San Diego estimates it has spent on actions and services that contribute to increasing or improving services for high needs students in the current year.

The text description of the above chart is as follows: In 2023-24, Magnolia Science Academy San Diego's LCAP budgeted \$806,290.42 for planned actions to increase or improve services for high needs students. Magnolia Science Academy San Diego actually spent \$869,584.28 for actions to increase or improve services for high needs students in 2023-24.

# 2023–24 Local Control and Accountability Plan Annual Update

The instructions for completing the 2023–24 Local Control and Accountability Plan (LCAP) Annual Update follow the template.

# Goals and Actions

## Goal

Goal #	Description
1	BASIC SERVICES FOR A HIGH-QUALITY LEARNING ENVIRONMENT: All students and staff will have access to a safe, secure, healthy, and high-quality learning and working environment. Students will receive basic services that are fundamental to academic success, including fully credentialed teachers, standards-aligned instructional materials, and appropriately maintained school facilities.

## Measuring and Reporting Results

Metric	Baseline	Year 1 Outcome	Year 2 Outcome	Year 3 Outcome	Desired Outcome for 2023–24
Number of misassignments of teachers of English learners, total teacher misassignments, and vacant teacher positions (Source: Local Indicator Priority 1)	2020-21: 0	2021-22: 0	2022-23: 0	2023-24: 0	2023-24: 0
Percentage of students without access to their own copies of standards-aligned instructional materials for use at school and at home (Source: Local Indicator Priority 1)	2020-21: 0%	2021-22: 0%	2022-23: 0%	2023-24: 0%	2023-24: 0%
Number of identified instances where facilities do not meet the “good repair”	2020-21: 0	2021-22: 0	2022-23: 0	2023-24: 0	2022-23: 0

standard (including deficiencies and extreme deficiencies) (Source: Local Indicator Priority 1)					
Teacher retention rate (Source: HRIS)	2020-21: (Spring 2020 to Fall 2020) 85%	2021-22: (Spring 2021 to Fall 2021) 94%	2022-23: (Fall 2021 to Fall 2022) 68%  This metric has been updated to measure from fall to fall.	2023-24: (Fall 2022 to Fall 2023) 75%	2023-24: (Fall 2022 to Fall 2023) 85%
Teacher attendance rate (Source: HRIS)	2020-21: (As of 3/25/21) 99.3%	2021-22: (As of 5/12/22) 95%	2022-23: (As of 5/12/23) 97.8%	2023-24: (As of 12/15/23) 97.9%	2023-24: 97.0%

## Goal Analysis

An analysis of how this goal was carried out in the previous year.

A description of any substantive differences in planned actions and actual implementation of these actions.

Goal 1: Action 1: We provided BTSA and Mentor support for 3 teachers and helped teachers get their EL Authorizations. Also supporting an administrator with tuition reimbursement to help them get their admin credential.

Goal 1: Action 2: We provided instructional materials and technology for our students and staff as planned. This year we were able to get new Interactive TV's for each classroom and also got new laptops for teachers.

Goal 1: Action 3: As planned we provided resources to make sure that our school community have a clean and safe facilities that support learning

Goal 1: Action 4: We continued to have a meal server to make sure that free breakfast and lunch is provided smoothly for all interested students.

Goal 1: Action 5: Support from home office is received as planned.

An explanation of material differences between Budgeted Expenditures and Estimated Actual Expenditures and/or Planned Percentages of Improved Services and Estimated Actual Percentages of Improved Services.

Goal 1 Action 1

Budgeted: \$25,970

Actual: \$35,970

Explanation: The difference is due to the additional tuition reimbursement and mentor support.

Goal 1 Action 2

Budgeted: \$462,339

Actual: \$462,339

Explanation: The projected expenses are within the budgeted amount, and all actions taken were in line with the planned initiatives, with no significant deviations

Goal 1 Action 3

Budgeted: \$1,098,341

Actual: \$1,188,916

Explanation: The projected expenses are in line with the planned initiatives, with no significant deviations. The difference in the projected expenses are due to additional repair/maintenance costs.

Goal 1 Action 4

Budgeted: \$59,376

Actual: \$54,526

Explanation: The projected expenses are within the budgeted amount, and all actions taken were in line with the planned initiatives, with no significant deviations

Goal 1 Action 5

Budgeted: \$583,763

Actual: \$584,627

Explanation: The projected expenses are around \$1k more than the budgeted amount. However, the discrepancy for this action Goal 1 Action 5 is not significant as it is less than 10% of the budgeted amount.

An explanation of how effective or ineffective the specific actions were in making progress toward the goal during the three-year LCAP cycle.

Goal 1: Action 1: All steps of action 1 were effective.

Goal 1: Action 2: All steps of action 2 were effective.

Goal 1: Action 3: All steps of action 3 were effective.

Goal 1: Action 4: All steps of action 4 were effective.

Goal 1: Action 5: All steps of action 5 were effective.

All actions in goal 1 were effective and helped us meet our goal 1.

A description of any changes made to the planned goal, metrics, desired outcomes, or actions for the coming year that resulted from reflections on prior practice.

For Goal 1 Action 1 we would like to keep the goal and actions the same for the future year.

For Goal 1 Action 2 we would like to keep the goal and actions the same for the future year.

For Goal 1 Action 3 we would like to keep the goal and actions the same for the future year.

For Goal 1 Action 4 we would like to keep the goal and actions the same for the future year.

For Goal 1 Action 5 we would like to keep the goal and actions the same for the future year.

**A report of the Total Estimated Actual Expenditures for last year's actions may be found in the Annual Update Table. A report of the Estimated Actual Percentages of Improved Services for last year's actions may be found in the Contributing Actions Annual Update Table.**

## Goals and Actions

### Goal

Goal #	Description
2	EXCELLENCE: All students will have equitable access to a high-quality core curricular and instructional program and make academic progress on the California Content Standards. Students will pursue academic excellence and be college/career ready.

### Measuring and Reporting Results

Metric	Baseline	Year 1 Outcome	Year 2 Outcome	Year 3 Outcome	Desired Outcome for 2023–24
Percentage of programs and services outlined in the charter petition, including a broad course of study, that are developed and provided to students, certain programs and services being dependent on student need and interest (Source: Local Indicator Priority 7, SIS)	2020-21: 100%	2021-22: (As of 5/13/22) 100%	2022-23: (As of 5/12/23) 100%	2023-24: (As of 5/20/24) 100%	2023-24: 100%
Percentage of students who have sufficient access to all programs and services developed and provided to unduplicated students and to individuals with	2020-21: 100%	2021-22: (As of 5/13/22) 100%	2022-23: (As of 5/12/23) 100%	2023-24: (As of 5/20/24) 100%	2023-24: 100%

## Goal Analysis

An analysis of how this goal was carried out in the previous year.

A description of any substantive differences in planned actions and actual implementation of these actions.

### Goal 2:

#### Action 1: Broad Course of Study and Standards-Based Curriculum

We implemented a comprehensive course of study aligned with state standards to ensure all students receive a high-quality, standards-based education.

#### Action 2: Professional Development for High-Quality Instruction

We conducted professional development sessions aimed at enhancing instructional quality, as planned, to ensure our educators are equipped with the latest teaching strategies and methodologies.

#### Action 3: Academic Enrichment, Intervention, and Student Support

We offered various academic enrichment programs, targeted interventions, and student support services as planned to address the diverse learning needs of our students.

#### Action 4: Designated and Integrated ELD Programs

We provided both designated and integrated English Language Development (ELD) programs, ensuring our English learners receive the necessary language support as planned.

#### Action 5: Support for Students with Disabilities

We delivered comprehensive support for students with disabilities, adhering to our planned programs and services to meet their unique educational needs.

An explanation of material differences between Budgeted Expenditures and Estimated Actual Expenditures and/or Planned Percentages of Improved Services and Estimated Actual Percentages of Improved Services.

Goal 2 Action 1

Budgeted: \$1,556,496

Actual: \$1,534,977

Explanation: The projected expenses are within the budgeted amount, and all actions taken were in line with the planned initiatives, with no significant deviations

Goal 2 Action 2

Budgeted:\$29,642

Actual: \$39,342

Explanation: The projected expenses are within the budgeted amount, and all actions taken were in line with the planned initiatives. The only additions were the new professional developments and travel due to Community Schools Planning Grant.

Goal 2 Action 3

Budgeted: \$303,752

Actual:\$309,882

Explanation: The projected expenses are within the budgeted amount, and all actions taken were in line with the planned initiatives, with no significant deviations

Goal 2 Action 4

Budgeted: \$0

Actual: \$0

Explanation:

Goal 2 Action 5

Budgeted: \$967,152

Actual:\$973,702

Explanation: The projected expenses are within the budgeted amount, and all actions taken were in line with the planned initiatives, with no significant deviations

An explanation of how effective or ineffective the specific actions were in making progress toward the goal during the three-year LCAP cycle.

Goal 2: Action 1: All steps of action 1 were effective.

Goal 2: Action 2: All steps of action 2 were effective.

Goal 2: Action 3: All steps of action 3 were effective.

Goal 2: Action 4: All steps of action 4 were effective.

Goal 2: Action 5: All steps of action 5 were effective.

A description of any changes made to the planned goal, metrics, desired outcomes, or actions for the coming year that resulted from reflections on prior practice.

For Goal 2 Action 1 we would like to keep the goal and actions the same for the future year.

For Goal 2 Action 2 we would like to keep the goal and actions the same for the future year.

For Goal 2 Action 3 we would like to keep the goal and actions the same for the future year.

For Goal 2 Action 4 we would like to keep the goal and actions the same for the future year.

For Goal 2 Action 5 we would like to keep the goal and actions the same for the future year.

All actions in goal 2 were effective and helped us meet our goal 2.

**A report of the Total Estimated Actual Expenditures for last year's actions may be found in the Annual Update Table. A report of the Estimated Actual Percentages of Improved Services for last year's actions may be found in the Contributing Actions Annual Update Table.**

## Goals and Actions

### Goal

Goal #	Description
3	INNOVATION: All students will have access to a well-rounded education that supports their readiness for college and the global world. Each student will become an independent, innovative scholar by practicing creativity in learning and using technology in transformative ways.

### Measuring and Reporting Results

Metric	Baseline	Year 1 Outcome	Year 2 Outcome	Year 3 Outcome	Desired Outcome for 2023–24
Percentage of students enrolled in an Accelerated and/or Advanced Math course and/or Advanced Math club (Source: Local Indicator Priority 7, SIS)	2020-21: (As of 4/16/21) 27%	2021-22: (As of 5/13/22) 23%	2022-23: (As of 5/12/23) 23%	2023-24: (As of 5/20/24) 22%	2023-24: 20%
Percentage of students in the current graduating class who have taken a Computer/Technology course and/or experienced blended learning in their program of study (Source: Local Indicator Priority 7, SIS)	2020-21: (As of 4/16/21) 100%	2021-22: (As of 5/13/22) 100%	2022-23: (As of 5/12/23) 100%	2023-24: (As of 5/20/24) 100%	2023-24: 100%
Percentage of students who have	2020-21: (As of 4/16/21)	2021-22: (As of 5/13/22)	2022-23: (As of 5/12/23)	2023-24: (As of 5/20/24)	2023-24: 100%

Metric	Baseline	Year 1 Outcome	Year 2 Outcome	Year 3 Outcome	Desired Outcome for 2023–24
created or demonstrated a STEAM focused project, experiment, model or demo in the current year (Source: Local Indicator Priority 7, SIS)	100%	100%	100%	100%	

## Goal Analysis

An analysis of how this goal was carried out in the previous year.

A description of any substantive differences in planned actions and actual implementation of these actions.

Goal 3:

**Action 1: College and Career Week Event - University Showcase**

We successfully hosted our College and Career Week event, the University Showcase. Nearly 20 guest speakers participated, including representatives from colleges, the navy, various occupational and trade school programs, and businesses. Students also presented on different career pathways.

**Action 2: Participation in STEAM Activities**

Our students engaged in numerous STEAM activities, including the San Diego STEAM Expo, Sa Diego Festival of Science and Engineering.

**Action 3: Digital Literacy and Citizenship Programs**

We provided digital literacy and citizenship programs, utilizing primarily free resources to educate our students on responsible and effective technology use. Also we added financial literacy as a Saturday School and Summer class for our students.

**Action 4: Access to Physical Education and Fitness Resources**

We ensured that our students had access to resources for physical education, physical activities, and fitness, promoting a healthy and active lifestyle.

**Action 5: Additional Programs for a Well-Rounded Education**

We continued to offer additional programs and activities that support a well-rounded education. These efforts resulted in our students and school receiving numerous awards and recognitions including but not limited to California Distinguished School Recognition.

An explanation of material differences between Budgeted Expenditures and Estimated Actual Expenditures and/or Planned Percentages of Improved Services and Estimated Actual Percentages of Improved Services.

Goal 3 Action 1

Budgeted: \$0

Actual: \$0

Explanation:

Goal 3 Action 2

Budgeted: \$1

Actual: \$1.06

Explanation:

Goal 3 Action 3

Budgeted: \$848

Actual: \$848

Explanation: The projected expenses are within the budgeted amount, and all actions taken were in line with the planned initiatives, with no significant deviations

Goal 3 Action 4

Budgeted: \$223,024

Actual: \$225,074

Explanation: The projected expenses are around \$2k more than the budgeted amount. However, the discrepancy for this action Goal 3 Action 4 is not significant as it is less than 10% of the budgeted amount.

Goal 3 Action 5

Budgeted: \$390,777

Actual: \$402,991

Explanation: The projected expenses are around \$12k more than the budgeted amount. However, the discrepancy for this action Goal 3 Action 5 is not significant as it is less than 10% of the budgeted amount.

An explanation of how effective or ineffective the specific actions were in making progress toward the goal during the three-year LCAP cycle.

Goal 3: Action 1: All steps of action 1 were effective.

Goal 3: Action 2: All steps of action 2 were effective.

Goal 3: Action 3: All steps of action 3 were effective.

Goal 3: Action 4: All steps of action 4 were effective.

Goal 3: Action 5: All steps of action 5 were effective.

All actions in goal 3 were effective and helped us meet our goal 3.

A description of any changes made to the planned goal, metrics, desired outcomes, or actions for the coming year that resulted from reflections on prior practice.

For Goal 3 Action 1 we would like to keep the goal and actions the same for the future year.

For Goal 3 Action 2 we would like to keep the goal and actions the same for the future year.

For Goal 3 Action 3 we would like to keep the goal and actions the same for the future year.

For Goal 3 Action 4 we would like to keep the goal and actions the same for the future year.

For Goal 3 Action 5 we would like to keep the goal and actions the same for the future year.

**A report of the Total Estimated Actual Expenditures for last year's actions may be found in the Annual Update Table. A report of the Estimated Actual Percentages of Improved Services for last year's actions may be found in the Contributing Actions Annual Update Table.**

## Goals and Actions

### Goal

Goal #	Description
4	CONNECTION: All students, families, staff, and other educational partners will have access to meaningful engagement opportunities that help cultivate leadership, advocacy, and collaboration in a safe and nurturing environment. Educational partners will feel a sense of community and connectedness.

### Measuring and Reporting Results

Metric	Baseline	Year 1 Outcome	Year 2 Outcome	Year 3 Outcome	Desired Outcome for 2023–24
Number of School Site Council (SSC) meetings per year (Source: Local Indicator Priority 3)	2020-21: (As of 5/16/21) 1	2021-22: (As of 5/13/22) 3	This metric is not applicable because SSC has been replaced with PAC. See the new metric for the number of PAC meetings.	This metric is not applicable because SSC has been replaced with PAC. See the new metric for the number of PAC meetings.	2023-24: 4
Number of English Learner Advisory Committee (ELAC) meetings per year (Source: Local Indicator Priority 3)	2020-21: (As of 5/16/21) 2	2021-22: (As of 5/13/22) 2	2022-23: (As of 5/12/23) 3	2023-24: (As of 5/20/24) 0	2023-24: 4

## Goal Analysis

An analysis of how this goal was carried out in the previous year.

A description of any substantive differences in planned actions and actual implementation of these actions.

Goal 4:

**Action 1: Family Participation in Decision-Making**

We continued to provide opportunities for families to be part of the decision-making process. Although we did not hold ELAC meetings due to the limited number of EL students, we successfully engaged EL parents and students through other parent and educational partner meetings. The only measurable outcome that we have not met is the Home visit goal. Although this is an area that we want to increase to go back to our historical 15% goal, we offered many on site opportunities for parents to engage with the teachers and staff such as Student Led Conferences, parent workshops, school community events ,etc...

**Action 2: Hosting School Events In-Person**

We hosted all school events in person, providing opportunities for families to participate as planned, ensuring active engagement and community involvement.

**Action 3: PBIS and SEL Support and Resources**

We provided Positive Behavioral Interventions and Supports (PBIS) and Social-Emotional Learning (SEL) resources and support as planned, fostering a positive school climate and student well-being.

**Action 4: Educational Partner Surveys**

All our educational partners participated in the educational partner survey. We met our participation goal and shared the survey outcomes with our educational partners and the community.

**Action 5: Establishing Partnerships**

We continued to establish community, business, institutional, and civic partnerships that invest in and support the vision and goals of the school

An explanation of material differences between Budgeted Expenditures and Estimated Actual Expenditures and/or Planned Percentages of Improved Services and Estimated Actual Percentages of Improved Services.

**Goal 4 Action 1**

Budgeted: \$0

Actual: \$0

Explanation:

**Goal 4 Action 2**

Budgeted: \$196,187

Actual: \$196,187

Explanation: The projected expenses are within the budgeted amount, and all actions taken were in line with the planned initiatives, with no significant deviations

Goal 4 Action 3

Budgeted: \$255,541

Actual: \$264,666

Explanation: The projected expenses are around \$11k more than the budgeted amount. However, the discrepancy for this action Goal 4 Action 3 is not significant as it is less than 10% of the budgeted amount.

Goal 4 Action 4

Budgeted: \$2,120

Actual: \$2,120

Explanation: The projected expenses are within the budgeted amount, and all actions taken were in line with the planned initiatives, with no significant deviations

Goal 4 Action 5

Budgeted: \$124,074

Actual: \$138,574

Explanation: The projected expenses are around \$14k more than the budgeted amount. However, the discrepancy for this action Goal 2 Action 1 is not significant.

An explanation of how effective or ineffective the specific actions were in making progress toward the goal during the three-year LCAP cycle.

Goal 4: Action 1: All steps of action 1 were effective.

Goal 4: Action 2: All steps of action 2 were effective.

Goal 4: Action 3: All steps of action 3 were effective.

Goal 4: Action 4: All steps of action 4 were effective.

Goal 4: Action 5: All steps of action 5 were effective.

All actions in goal 4 were effective and helped us meet our goal 4.

A description of any changes made to the planned goal, metrics, desired outcomes, or actions for the coming year that resulted from reflections on prior practice.

For Goal 4 Action 1 we would like to keep the goal and actions the same for the future year.

For Goal 4 Action 2 we would like to keep the goal and actions the same for the future year.

For Goal 4 Action 3 we would like to keep the goal and actions the same for the future year.

For Goal 4 Action 4 we would like to keep the goal and actions the same for the future year.

For Goal 4 Action 5 we would like to keep the goal and actions the same for the future year.

**A report of the Total Estimated Actual Expenditures for last year's actions may be found in the Annual Update Table. A report of the Estimated Actual Percentages of Improved Services for last year's actions may be found in the Contributing Actions Annual Update Table.**

## Instructions

For additional questions or technical assistance related to the completion of the Local Control and Accountability Plan (LCAP) template, please contact the local county office of education (COE), or the California Department of Education’s (CDE’s) Local Agency Systems Support Office, by phone at 916-319-0809 or by email at [lcff@cde.ca.gov](mailto:lcff@cde.ca.gov).

Complete the prompts as instructed for each goal included in the 2023–24 LCAP. Duplicate the tables as needed. The 2023–24 LCAP Annual Update must be included with the 2024–25 LCAP.

## Goals and Actions

### Goal(s)

## Goal Analysis

Using actual annual measurable outcome data, including data from the Dashboard, analyze whether the planned actions were effective in achieving the goal. Respond to the prompts as instructed.

A description of any substantive differences in planned actions and actual implementation of these actions.

- Describe the overall implementation of the actions to achieve the articulated goal. Include a discussion of relevant challenges and successes experienced with the implementation process. This must include any instance where the LEA did not implement a planned action or implemented a planned action in a manner that differs substantively from how it was described in the adopted LCAP.

An explanation of material differences between Budgeted Expenditures and Estimated Actual Expenditures and/or Planned Percentages of Improved Services and Estimated Actual Percentages of Improved Services.

- Explain material differences between Budgeted Expenditures and Estimated Actual Expenditures and between the Planned Percentages of Improved Services and Estimated Actual Percentages of Improved Services, as applicable. Minor variances in expenditures or percentages do not need to be addressed, and a dollar-for-dollar accounting is not required.

An explanation of how effective or ineffective the specific actions were in making progress toward the goal during the three-year LCAP cycle.

- Describe the effectiveness or ineffectiveness of the specific actions in making progress toward the goal during the three-year LCAP cycle. “Effectiveness” means the degree to which the actions were successful in producing the desired result and “ineffectiveness” means that the actions did not produce any significant or desired result.
  - In some cases, not all actions in a goal will be intended to improve performance on all of the metrics associated with the goal.
  - When responding to this prompt, LEAs may assess the effectiveness of a single action or group of actions within the goal in the context of performance on a single metric or group of specific metrics within the goal that are applicable to the action(s). Grouping actions with metrics will allow for more robust analysis of whether the strategy the LEA is using to impact a specified set of metrics is working and increase transparency for educational partners. LEAs are encouraged to use such an approach when goals include multiple actions and metrics that are not closely associated.
  - Beginning with the development of the 2024–25 LCAP, the LEA must change actions that have not proven effective over a three-year period.

A description of any changes made to the planned goal, metrics, desired outcomes, or actions for the coming year that resulted from reflections on prior practice.

- Describe any changes made to this goal, expected outcomes, metrics, or actions to achieve this goal as a result of this analysis and analysis of the data provided in the Dashboard or other local data, as applicable.
  - As noted above, beginning with the development of the 2024–25 LCAP, the LEA must change actions that have not proven effective over a three-year period. For actions that have been identified as ineffective, the LEA must identify the ineffective action and must include a description of the following:
    - The reasons for the ineffectiveness, and
    - How changes to the action will result in a new or strengthened approach.

California Department of Education  
November 2023

# Local Control and Accountability Plan

The instructions for completing the Local Control and Accountability Plan (LCAP) follow the template.

Local Educational Agency (LEA) Name	Contact Name and Title	Email and Phone
Magnolia Science Academy San Diego	Gokhan Serce Regional Director and Principal	gserce@magnoliapublicschools.org (619) 644-1300

## Plan Summary [2024-25]

### General Information

A description of the LEA, its schools, and its students in grades transitional kindergarten–12, as applicable to the LEA.

Magnolia Science Academy San Diego (MSA-San Diego) is an independent public charter school located in the Allied Gardens community. MSA-San Diego serves around 450 students in grades 6–8, with class sizes averaging 30 or fewer students. The school was founded in the fall of 2005 by a group of scientists and engineers devoted to math, science, and technology education. Magnolia’s mission is to provide a high-quality college preparatory educational program emphasizing science, technology, engineering, arts, and math (STEAM) in a safe environment that cultivates respect for self and others.

MSA-San Diego is recognized as a California Distinguished School in both 2021 and 2024, reflecting its commitment to excellence in education. Additionally, the school has been awarded the California PBIS Platinum Award, highlighting its effective implementation of Positive Behavioral Interventions and Supports.

MSA-San Diego offers a challenging academic curriculum, a highly qualified staff, and a variety of learning opportunities such as enrichment classes, athletics programs, free tutoring, after-school clubs, character education classes, field trips, community meetings, and more. We provide a comprehensive learning experience designed to meet the needs of our students through effective site-based instruction, rich hands-on learning, and foundational skills presented in ways that are relevant and inspiring.

Classroom instruction at MSA-San Diego is supplemented by tutoring and after-school programs. Starting in the 2013–14 school year, MSA-San Diego transitioned to a 1:1 program with computers in every classroom. Since then, MSA-San Diego's Robotics, SeaPerch, and Archery teams, as well as the School Band, have won first place in multiple state and local competitions.

MSA-San Diego is a member of the Magnolia Public Schools family and collaborates with sister schools and other educational organizations to offer the best quality education to our students.

Magnolia Science Academy San Diego  
Address: 6525 Estrella Ave., San Diego, CA, 92120

Phone: 619-644-1300

Email: [gserce@magnoliapublicschools.org](mailto:gserce@magnoliapublicschools.org)

### MISSION

Magnolia Public Schools provides a safe and nurturing community using a whole-child approach to provide a high-quality, college preparatory STEAM educational experience in an environment that cultivates respect for self and others.

### VISION

Graduates of Magnolia Public Schools commit to building a more peaceful and inclusive global society by transforming traditional ideas with creative thinking, effective communication, and the rigor of science.

### INNOVATION

Students have the freedom to choose how and what they learn. Individualized scheduling, early identification of learning styles, personalities, interest, and career plans support students' college and career readiness. Students experience hands-on learning through robotics, computer science, and arts to promote imagination, creativity, and invention.

### CONNECTION

School communities are integrated partnerships among the school site staff, families, students, and all other stakeholders. Connection creates a safe place for all learners and stakeholders to affirm individual strengths, celebrate character, provide academic support through mentorship and internships, promote unity and better decision making through the implementation of restorative justice practices.

### EXCELLENCE

Academic Excellence is the desire to pursue knowledge and excellence and to contribute original and provocative ideas in a learning environment, in diverse settings, and as a catalyst to future academic knowledge. We foster academic excellence through project-based learning using a constructivist approach, student portfolios, assessments of and for learning and academic discourse and argumentative writing.

## Reflections: Annual Performance

A reflection on annual performance based on a review of the California School Dashboard (Dashboard) and local data.

### SUCCESSSES

#### Recognition and Awards:

California Distinguished School: Recognized by the CDE in 2021 and again in 2024.

Platinum CA PBIS Status: Achieved the highest recognition.

FIA Rating: Received the highest rating (3 out of 3) for Behavior/SE Support.

State Testing Performance: MSA-San Diego's overall performance in the latest California School Dashboard is green in Math and ELA.

#### Staff and Student Survey Results:

81% Student Favorable Rate in KelvinEd Survey for Safety & Connection and Resources for Coping.

94% Staff Favorable Rate in KelvinEd Survey for Safety & Connection.

100% Staff Favorable Rate in KelvinEd for prioritizing a sense of belonging.

95% Staff Favorable Rate in KelvinEd for a collaborative work culture.

#### Academic and Extracurricular Programs:

Financial Literacy classes offered to students.

High participation in ANA Survey with 91% parent favorable rate on providing a variety of high-quality programs after school.

SBAC Continued Growth: Significant growth for Students with Disabilities (SWD) in Math & ELA.

33% RFEP rate for English Learners (ELs).

AMC 8 Math Competition: Bronze Medalist.

MSA-San Diego outperformed all charter middle schools in San Diego and all middle schools in the Navajo community.

#### Community and Parent Engagement:

10 parent workshops on SEL and character education.

Monthly community meetings.

High participation in student-led parent-teacher conferences.

Hosted 14 presenters at the College and Career Day and 6 schools represented at the High School Fair.

Established a student leadership committee, MSA Wizards Council.

Initiated the process of establishing a Community Hub.

Hosted a Community Resource Fair with 10 organizations.

Significant increase in parent participation for school events.

#### Professional Development:

Implementation of Restorative Practices to improve school culture.

Professional developments for staff and teacher leaders.

MTSS training for all admin team and teacher leaders through multiple PDs with Anthony Ceja and Earnie Mendes.

#### Student Opportunities and Achievements:

Field trips to the library, Junior Achievement Center, USS Midway.

High participation in Khan Night with the Math Department.

MSA-San Diego's Seaperch underwater robotics team won multiple trophies at the regional competition.

Vex Robotics team won 2nd place in the MPS STEAM Expo.

Archery team won the San Diego and State championship; boys team placed 2nd in Nationals at the Olympic Archery in Middle Schools competitions.

Participation in the San Diego Festival of Science and Engineering with over 80 students, attracting over 5,000 visitors to Magnolia booths.

Hosted, organized, or participated in over 25 school and community events throughout the school year.

Hosted daily Live Donuts in The Morning announcements via YouTube to bring the community together during advisory class.

Community School Planning Grant:

Enabled hosting more community events and adding a community hub.

Facilitated more field trip experiences for students.

## CHALLENGES

Academic Achievement:

Improve academic performance in Math for students with disabilities on the CAASPP.

Enhance ELA proficiency and growth on SBAC for English Learners (ELs).

Teacher Recruitment and Retention:

Address the challenge of recruiting and retaining highly qualified teachers.

Intervention Programs:

Continually refine intervention programs to close the achievement gap for all student groups.

Establish a stronger and more structured tier two system for interventions.

Student Voice and Feedback:

Improve the meeting cycles between the Wizard Council and school leadership to gather student feedback more frequently.

Chronic Absenteeism:

Address the high rate of chronic absenteeism among African American students, which has made MSA-San Diego eligible for ATSI.

Support for English Learners:

Based on dashboard data, ELs are the lowest performing group, indicated by orange color in both Math and ELA. Although the reclassification rate is high, there is a need to enhance support for ELs.

Parent and Community Engagement:

- Increase engagement and autonomy of the Parent Advisory Committee (PAC).
- Serve more families through the resource fair.
- Boost participation in parent workshops.
- Formalize a systemic approach to implementing the Community Schools Model.

## Reflections: Technical Assistance

As applicable, a summary of the work underway as part of technical assistance.

N/A

## Comprehensive Support and Improvement

An LEA with a school or schools eligible for comprehensive support and improvement must respond to the following prompts.

### ***Schools Identified***

A list of the schools in the LEA that are eligible for comprehensive support and improvement.

N/A

### ***Support for Identified Schools***

A description of how the LEA has or will support its eligible schools in developing comprehensive support and improvement plans.

N/A

### ***Monitoring and Evaluating Effectiveness***

A description of how the LEA will monitor and evaluate the plan to support student and school improvement.

N/A

# Engaging Educational Partners

A summary of the process used to engage educational partners in the development of the LCAP.

School districts and county offices of education must, at a minimum, consult with teachers, principals, administrators, other school personnel, local bargaining units, parents, and students in the development of the LCAP.

Charter schools must, at a minimum, consult with teachers, principals, administrators, other school personnel, parents, and students in the development of the LCAP.

An LEA receiving Equity Multiplier funds must also consult with educational partners at schools generating Equity Multiplier funds in the development of the LCAP, specifically, in the development of the required focus goal for each applicable school.

Educational Partner(s)	Process for Engagement
<p>Parents</p>	<p>At MSA-San Diego, we understand that active parent engagement is crucial for student success and school improvement. Our approach to engaging parents is multi-faceted and inclusive, ensuring that their voices are heard and their feedback is valued. Here's how we engage parents in the development process of the Local Control and Accountability Plan (LCAP):</p> <p><b>Regular Meetings</b>                      We hold eight Parent Task Force (PTF) meetings annually to discuss various school matters, gather input, and involve parents in decision-making processes. Additionally, we conduct seven Parent Advisory Council (PAC) meetings throughout the year, specifically focusing on the LCAP and school improvement plans. These meetings provide a platform for parents to share their insights and collaborate on school initiatives.</p> <p><b>Surveys</b>                      To gather comprehensive feedback, we conduct parent surveys that include questions about their experiences and perceptions of the school. These surveys cover topics such as safety, school connectedness, culture, and climate. The high participation rate in these surveys provides valuable insights that inform our school improvement strategies and LCAP development.</p>

Educational Partner(s)	Process for Engagement
	<p><b>Home Visits</b> Our staff has conducted over 10 in-person and virtual home visits to engage parents directly in their homes. These visits offer an opportunity to discuss their child's progress, gather feedback, and address any concerns they may have. This personalized approach ensures that we understand the unique needs of each family and incorporate their input into the LCAP.</p> <p><b>School Events and Activities</b> We organize at least 25 parent activities and workshops throughout the year, covering a range of topics including social-emotional learning (SEL), character education, and academic support. Additionally, we host a Community Resource Fair to connect parents with various community organizations and resources, further supporting their involvement and engagement.</p> <p><b>Communication Channels</b> Regular newsletters and updates are sent to parents to keep them informed about school events, important dates, and ongoing initiatives. We also use various digital platforms, including email, social media, and our school website, to communicate with parents and gather their feedback. These channels ensure that parents are always up-to-date and can easily share their thoughts and concerns.</p> <p><b>Advisory Roles</b> Parents on the PTF and PAC also serve as our parent advisory committee for the LCAP. This involvement ensures that parent feedback is directly integrated into the development and review of the LCAP. By having parents in these advisory roles, we ensure that their perspectives are considered in our planning process, leading to more effective and inclusive school policies.</p> <p>By engaging parents through these multiple channels, MSA-San Diego fosters a collaborative environment where parents feel valued and involved in their child's education. This comprehensive approach ensures that we receive diverse perspectives and maintain strong partnerships with our parent community, ultimately enhancing the educational experience for all students.</p>

Educational Partner(s)	Process for Engagement
Students	<p>At MSA-San Diego, student involvement in the development of the Local Control and Accountability Plan (LCAP) is a fundamental priority. We believe that incorporating student perspectives is essential for creating a supportive and effective learning environment. Our comprehensive approach ensures that students' voices are heard and their feedback is integrated into our planning process. Here's how we engage students in the LCAP development process:</p> <p><b>Student Leadership and Voice</b>                      The MSA Wizards Council, our student leadership committee, is central to our LCAP development efforts. This council meets regularly with school leadership to discuss various aspects of the school's performance and gather input on LCAP priorities. We are committed to improving the frequency and structure of these meetings to ensure that student feedback is continuously gathered and addressed.</p> <p><b>Surveys</b>                      We conduct comprehensive student experience surveys that include specific questions about safety, school connectedness, culture, and climate. The insights from these surveys are crucial for identifying areas of improvement and setting priorities for the LCAP. The high participation rate in these surveys ensures that we capture a wide range of student perspectives.</p> <p><b>Direct Communication</b>                      Classroom discussions and advisory sessions provide regular platforms for students to express their thoughts and suggestions regarding school improvement. Teachers facilitate these sessions to ensure that all students have the opportunity to contribute their ideas. Additionally, our daily "Live Donuts in the Morning" YouTube announcements keep students informed about LCAP-related activities and gather their feedback on ongoing initiatives.</p> <p><b>Student-Led Events and Activities</b></p>

Educational Partner(s)	Process for Engagement
	<p>Student-led events, such as the High School Fair and parent-teacher conferences, offer opportunities for students to showcase their achievements and provide feedback on school programs and initiatives. These events also serve as forums for students to discuss their needs and expectations directly with school staff and administrators.</p> <p><b>Recognition and Incentives</b> Our Positive Behavioral Interventions and Supports (PBIS) platform, Kickboard, recognizes students for positive behavior and adherence to The WIZARD Way. This system encourages students to engage in discussions about school improvement and provides a framework for rewarding constructive feedback and suggestions.</p> <p><b>Integration of Feedback</b> Feedback gathered from the Wizards Council, student surveys, and classroom discussions is systematically reviewed and integrated into the LCAP. This ensures that student perspectives are considered in our planning process, leading to a more inclusive and effective LCAP.</p> <p>By actively involving students in the LCAP development process, MSA-San Diego ensures that their voices are heard and their needs are met. This comprehensive approach not only enhances the learning experience but also fosters a sense of ownership and responsibility among students, contributing to a positive and inclusive school culture.</p>
Teachers and staff	<p>At MSA-San Diego, engaging teachers and staff in the development of the Local Control and Accountability Plan (LCAP) is essential for creating a supportive and effective learning environment. Our approach ensures that their expertise and insights are integral to our school improvement strategies. Here's how we engage teachers and staff in the LCAP development process:</p> <p><b>Regular Meetings and Professional Development</b> We conduct weekly staff meetings to provide continuous opportunities for teachers and staff to discuss school matters, share their insights,</p>

Educational Partner(s)	Process for Engagement
	<p>and contribute to the decision-making process. These meetings serve as a platform for open dialogue, allowing staff to voice their opinions on school policies and practices.</p> <p>In addition, we provide extensive professional development sessions focused on key areas such as the Multi-Tiered System of Support (MTSS), social-emotional learning (SEL), and Restorative Practices. These sessions are not only aimed at enhancing staff skills but also at gathering feedback on the implementation and effectiveness of these programs, which is then integrated into the LCAP.</p> <p><b>Surveys</b>                      Comprehensive surveys are conducted to gather feedback from teachers and staff on various aspects of the school environment, including safety, connectedness, culture, and climate. These surveys provide valuable data that informs our school improvement strategies and LCAP priorities. The high participation rate in these surveys ensures that a wide range of perspectives is considered.</p> <p><b>Direct Communication and Advisory Roles</b>                      Teachers and staff have direct communication channels with school leadership through regular check-ins, staff meetings, and advisory roles. Key staff members are involved in advisory committees that contribute to the development and review of the LCAP. Their feedback is crucial for understanding the on-ground realities and for making informed decisions. Additionally, staff and teachers are represented in the Parent Advisory Council (PAC), ensuring that their perspectives are included in the LCAP discussions and development.</p> <p><b>Recognition and Incentives</b>                      We use the Positive Behavioral Interventions and Supports (PBIS) platform, Kickboard, to recognize staff who demonstrate outstanding commitment to The WIZARD Way. This system encourages staff to engage in school improvement discussions and provides a framework for acknowledging their contributions to the LCAP development process.</p> <p><b>Collaborative Work Culture</b></p>

Educational Partner(s)	Process for Engagement
	<p>We have established a collaborative work culture where teachers and staff are encouraged to share their ideas and collaborate on school improvement initiatives. This culture is reinforced through team-building activities, professional learning communities, and collaborative planning sessions. The favorable staff survey results on collaboration reflect the effectiveness of this approach.</p> <p><b>Feedback Integration</b>                      Feedback gathered from surveys, meetings, professional development sessions, and direct communication is systematically reviewed and integrated into the LCAP. This ensures that the insights and expertise of teachers and staff are central to our planning process, leading to more effective and comprehensive school policies.</p> <p>By engaging teachers and staff through these multiple channels, MSA-San Diego fosters a collaborative and inclusive environment where their voices are valued. This comprehensive approach not only enhances the learning experience for students but also ensures that our school improvement strategies are informed by those who are directly involved in the educational process.</p>
<p>School administrators</p>	<p>At MSA-San Diego, school administrators play a pivotal role in the development of the Local Control and Accountability Plan (LCAP). Their leadership, strategic insights, and direct involvement are crucial for the success of our school improvement initiatives. Here's how we engage school administrators in the LCAP development process:</p> <p><b>Strategic Leadership Meetings</b>                      We hold regular strategic leadership meetings that include all school administrators. These meetings are designed to review school performance data, discuss priorities, and develop actionable plans for school improvement. Administrators bring their unique perspectives and expertise to these discussions, ensuring that the LCAP is comprehensive and aligned with the school's goals.</p> <p><b>Data-Driven Decision Making</b></p>

Educational Partner(s)	Process for Engagement
	<p>School administrators are integral to the data collection and analysis process. They review performance metrics from the SBAC (Smarter Balanced Assessment Consortium), IAB (Interim Assessment Blocks), and NWEA (Northwest Evaluation Association) for Fall, Winter, and Spring. Additionally, they analyze feedback from the Kelvin pulse check SEL survey and comprehensive Panorama surveys, which include data on school climate, safety, connectedness, and overall satisfaction from students, parents, and staff. This data-driven approach allows administrators to identify key areas of need and develop targeted strategies for inclusion in the LCAP. Their role in interpreting this data ensures that the LCAP is grounded in evidence and focused on measurable outcomes.</p> <p><b>Professional Development and Training</b>                      Administrators participate in professional development sessions that focus on key areas such as the Multi-Tiered System of Support (MTSS), social-emotional learning (SEL), and Restorative Practices. These sessions not only enhance their skills but also provide a forum for discussing best practices and integrating new strategies into the LCAP. By staying informed about the latest educational trends and techniques, administrators can make well-informed contributions to the LCAP.</p> <p><b>Collaborative Planning Sessions</b>                      We organize collaborative planning sessions where administrators work closely with teachers, staff, and other stakeholders to develop and refine the LCAP. These sessions foster a team-based approach, allowing administrators to facilitate discussions, mediate differing viewpoints, and ensure that the final plan reflects the collective vision of the school community.</p> <p><b>Direct Communication and Feedback Channels</b>                      Administrators maintain open lines of communication with all members of the school community, including students, parents, teachers, and staff. Regular check-ins and feedback sessions allow them to gather insights and address concerns in real-time. This direct engagement ensures that the LCAP is responsive to the needs of all</p>

Educational Partner(s)	Process for Engagement
	<p>stakeholders and that administrators can promptly incorporate feedback into the planning process.</p> <p><b>Representation in Advisory Committees</b>                      School administrators are actively involved in advisory committees, including the Parent Advisory Council (PAC). Administrators attend all PAC meetings as non-members to address questions, present updates, and gather feedback. This involvement ensures that the administrative perspective is represented in discussions about the LCAP and allows them to advocate for necessary resources, support structures, and policy changes that benefit the entire school community.</p> <p><b>Integration of Feedback and Continuous Improvement</b>                      The feedback gathered from various stakeholders, including teachers, staff, parents, and students, is systematically reviewed and integrated into the LCAP. Administrators play a key role in this process, ensuring that the plan is continuously refined and improved based on real-world experiences and outcomes. Their commitment to continuous improvement ensures that the LCAP remains a dynamic and effective tool for school development.</p> <p>By engaging school administrators through these structured and collaborative processes, MSA-San Diego ensures that their leadership and insights are central to the development of the LCAP. This comprehensive approach not only enhances the effectiveness of the plan but also fosters a culture of shared responsibility and collective ownership among all members of the school community.</p>
SELPA	<p>At MSA-San Diego, engaging the Special Education Local Plan Area (SELPA) in the development of the Local Control and Accountability Plan (LCAP) is essential to ensure that the needs of students with disabilities are effectively addressed. Our collaborative approach ensures that SELPA's expertise and insights are integral to our school improvement strategies. Here's how we engage SELPA in the LCAP development process:</p>

Educational Partner(s)	Process for Engagement
	<p><b>Regular Consultative Meetings</b>                      We hold regular consultative meetings with SELPA representatives. These meetings are designed to review and discuss the needs of students with disabilities, evaluate current support structures, and identify areas for improvement. SELPA's specialized knowledge and experience provide valuable insights that inform our LCAP priorities and strategies.</p> <p><b>Professional Development and Training</b>                      We collaborate with SELPA to provide professional development sessions focused on best practices in special education, the Multi-Tiered System of Support (MTSS), and social-emotional learning (SEL). These sessions are aimed at enhancing the skills of our staff and ensuring that the needs of students with disabilities are met effectively. SELPA's involvement in these sessions ensures that our training programs are comprehensive and aligned with the latest educational standards and practices.</p> <p><b>Direct Communication and Feedback Channels</b>                      SELPA maintains open lines of communication with school leadership and staff. Regular check-ins and feedback sessions allow SELPA representatives to gather insights and address concerns in real-time. This direct engagement ensures that the LCAP is responsive to the needs of students with disabilities and that SELPA can promptly incorporate feedback into the planning process.</p> <p><b>Integration of Feedback and Continuous Improvement</b>                      The feedback gathered from various stakeholders, including SELPA representatives, is systematically reviewed and integrated into the LCAP. SELPA plays a key role in this process, ensuring that the plan is continuously refined and improved based on real-world experiences and outcomes. Their commitment to continuous improvement ensures that the LCAP remains a dynamic and effective tool for school development.</p> <p>By engaging SELPA through these structured and collaborative processes, MSA-San Diego ensures that the needs of students with disabilities are effectively addressed in the LCAP. This</p>

Educational Partner(s)	Process for Engagement
	comprehensive approach not only enhances the effectiveness of the plan but also fosters a culture of shared responsibility and collective ownership among all members of the school community.

A description of how the adopted LCAP was influenced by the feedback provided by educational partners.

The adopted Local Control and Accountability Plan (LCAP) at MSA-San Diego was significantly influenced by the comprehensive feedback provided by our educational partners, including parents, students, teachers, staff, administrators, and SELPA representatives. Regular meetings, surveys, home visits, and collaborative planning sessions ensured diverse perspectives were considered. Insights from parent and student surveys, feedback from Parent Advisory Council (PAC) meetings, and data analysis from assessments like SBAC, IAB, and NWEA were integral in identifying key areas of need. Professional development sessions and direct communications further informed our strategies, ensuring the plan addressed specific requirements such as enhanced support for students with disabilities and the implementation of effective intervention programs. This collaborative and data-driven approach led to a robust LCAP that reflects the collective vision and priorities of our school community, aiming to enhance student achievement and overall school improvement.

# Goals and Actions

## Goal

Goal #	Description	Type of Goal
1	BASIC SERVICES FOR A HIGH-QUALITY LEARNING ENVIRONMENT: All students and staff will have access to a safe, secure, healthy, and high-quality learning and working environment. Students will receive high-quality services that are fundamental to academic success, including fully credentialed teachers, standards-aligned instructional materials, and appropriately maintained school facilities.	Broad Goal

State Priorities addressed by this goal.

- Priority 1: Basic (Conditions of Learning)
- Priority 2: State Standards (Conditions of Learning)

An explanation of why the LEA has developed this goal.

Providing basic services means ensuring all students have access to teachers who are fully credentialed in their subject areas, instructional materials aligned with state standards, and safe, properly maintained school facilities. Charter School will also adhere to the MPS Wellness Policy and encourage participation in school meal programs. Research shows when students are provided with these basic services, student learning outcomes increase. The MPS Home Office will provide services such as academics, accountability, operations, IT, facilities, finance and accounting, human resources, and external relations to support and hold accountable the Charter School for compliance and meeting charter goals. Charter School will implement the actions listed under this goal and use the indicated metrics to measure progress in provision of basic services to maintain a high-quality learning environment.

## Measuring and Reporting Results

Metric #	Metric	Baseline	Year 1 Outcome	Year 2 Outcome	Target for Year 3 Outcome	Current Difference from Baseline
1.1	The percentage of teaching assignments that have an assignment monitoring outcome of "clear" (Source: Local Indicator Priority 1, CDE DataQuest TAMO by FTE Report)	2021-22: 89.7%			2024-25: > 85%	
1.2	Percentage of students without access to their	2023-24: 0%			2026-27: 0%	

Metric #	Metric	Baseline	Year 1 Outcome	Year 2 Outcome	Target for Year 3 Outcome	Current Difference from Baseline
	own copies of standards-aligned instructional materials for use at school and at home (Source: Local Indicator Priority 1)					
1.3	Number of identified instances where facilities do not meet the “good repair” standard (including deficiencies and extreme deficiencies) (Source: Local Indicator Priority 1)	2023-24: 0			2026-27: 0	
1.4	Teacher retention rate (Source: HRIS)	2023-24: (Fall 2022 to Fall 2023) 75%			2026-27: (Fall 2025 to Fall 2026) >= 80%	
1.5	Teacher attendance rate (Source: HRIS)	2023-24: (As of 5/15/24) 97.2%			2026-27: >= 95.0%	

## Goal Analysis [2023-24]

An analysis of how this goal was carried out in the previous year.

A description of overall implementation, including any substantive differences in planned actions and actual implementation of these actions, and any relevant challenges and successes experienced with implementation.

Not Applicable.

An explanation of material differences between Budgeted Expenditures and Estimated Actual Expenditures and/or Planned Percentages of Improved Services and Estimated Actual Percentages of Improved Services.

Not Applicable.

A description of the effectiveness or ineffectiveness of the specific actions to date in making progress toward the goal.

Not Applicable.

A description of any changes made to the planned goal, metrics, target outcomes, or actions for the coming year that resulted from reflections on prior practice.

Not Applicable.

## Actions

Action #	Title	Description	Total Funds	Contributing
1.1	Teacher assignments and credentials	<p>Charter School and the MPS Human Resources team will conduct credential, background, and TB clearance reviews as part of the hiring process and at least once throughout the year to ensure all credentials are properly maintained. Charter School will support our teachers' credentialing needs. Charter School will also annually review master schedules and teacher assignments to ensure teachers are appropriately assigned and fully credentialed in the subject area and for the students they are teaching. Charter School uses a Human Resources Information System (HRIS) to automate employee documents. MPS Home Office HR team acts as a liaison between employees and provides administrative support as needed (e.g., correspondence generation, record keeping, file maintenance, HRIS entry, etc.) The HR team also provides reports to the Board and school administrators in regards to teacher retention, performance, pay scale, vacancies, recruitment efforts, credentials, mandatory trainings, and other HR related matters.</p> <p>Expenditures associated with this action include the following: teacher credentialing expenses, recruitment expenses (sign-in bonus, livescan/fingerprinting fees, etc.), Paycom/payroll fees, retirement service fees.</p> <p>The following expenditures will be funded by federal Title funds: N/A</p>	\$35,970.00	No
1.2	Instructional materials and technology	Charter School will manage the acquisition, distribution, and maintenance of equipment, materials, and technology needed to meet the academic, linguistic, cultural, social-emotional, and physical requirements of students.	\$442,634.64	No

Action #	Title	Description	Total Funds	Contributing
		<p>Charter School will annually review alignment of instructional materials to standards and maintain an inventory of instructional materials and corresponding purchases of materials. Charter School will annually review budgets and plans to ensure adequate budget for instructional materials. Charter School will ensure that students have sufficient access to standards-aligned instructional materials, including technology-based resources. Charter School will provide effective access and integration of technology resources, including software and mobile devices, that ensure meaningful access to CA Content Standards aligned instructional programs.</p> <p>Expenditures associated with this action include the following: textbooks, instructional materials and supplies, teacher/classroom supplies and office materials, computers, Chromebooks, hotspots, and other technology equipment, IT manager salary and benefits, E-Rate consultancy, and basic software (Zendesk, AssetWorks, firewall, Datto, CloudReady, Zoom, GoGuardian, etc.), phone/internet, and depreciation.</p> <p>The following expenditures will be funded by federal Title funds:</p> <ul style="list-style-type: none"> <li>• Technology: Resource: Title II; Amount: \$963.54</li> </ul>		
1.3	Clean and safe facilities that support learning	<p>Charter School will strive to maintain a clean, safe, environmentally friendly, and inviting school that is worthy of our students, families, and staff and encourages successful teaching and learning. Charter School will continually improve and maintain facilities to ensure school safety, security and high quality learning and working environments. Charter School will do annual and monthly facility inspections to screen for ADA compliance and safety hazards; identified deficiencies will be quickly remedied. Daily general cleaning will maintain campus cleanliness. Maintenance and repairs will be provided by Charter School custodial staff and/or outsourced. As a STEAM focused school, we aim to operate in a sustainable and environmentally responsible manner. Charter School will develop and monitor comprehensive safety and security plans, conduct necessary safety training for all staff and continue to work with stakeholders and experts to implement emergency and risk management procedures for individuals and the site. Charter School will procure and</p>	\$1,141,416.94	No

Action #	Title	Description	Total Funds	Contributing
		<p>maintain necessary safety/emergency supplies, equipment and items. Charter School will establish schedules and procedures for the supervision of students in non-classroom areas, including before and after school.</p> <p>Expenditures associated with this action include the following: facilities rent/acquisition cost, custodial staff salaries and benefits, custodial supplies, maintenance and repair services, gas/electric, security services, health and safety related expenses (PPE, nursing services, etc.), and insurance costs (workers compensation, CharterSAFE, etc.)</p> <p>The following expenditures will be funded by federal Title funds: N/A</p>		
<b>1.4</b>	Healthy and nutritious meals	<p>Charter School will maintain nutrition education resources and continue to focus on innovative ways to increase access to freshly prepared, nutritious foods to ensure students are well-nourished and ready to learn. Charter School will adhere to the MPS Wellness Policy guidelines on nutritious foods for all food sales and celebrations. The meal program aims to improve the diet and health of our students, help mitigate childhood obesity, model healthy eating to support the development of lifelong healthy eating patterns and support healthy choices while accommodating cultural food preferences and special dietary needs. Charter School will promote healthy food and beverage choices for all students throughout campus, as well as encourage participation in school meal programs.</p> <p>Expenditures associated with this action include the following: student meals, water, refreshments and office supplies related to the Healthy and nutritious meals</p> <p>The following expenditures will be funded by federal Title funds: N/A</p>	\$68,915.68	Yes
<b>1.5</b>	Well-orchestrated Home Office support services	The MPS Home Office provides services to the Charter School, supports and holds accountable the Charter School for compliance and meeting charter goals, provides best practices in curriculum and professional development, and sets up systems and processes that support academic	\$584,627.57	No

Action #	Title	Description	Total Funds	Contributing
		<p>achievement and growth, operational effectiveness, and financial sustainability. The Home Office manages business operations of schools, which reduces program and operations-related burdens of the Charter School administration and enables the Charter School to receive services at a lower cost. The services of the Home Office include, but are not limited to, academics, accountability, operations, IT, facilities, finance and accounting, human resources, and external relations. Instructional services are reflected in Goals 2-4.</p> <p>Expenditures associated with this action include the following: Home Office management fees, authorizer oversight fees, audit fees, bank fees, legal fees (YM&amp;C, etc.), and other back-office related expenses (Adaptive Insights, DataWorks, etc.)</p> <p>The following expenditures will be funded by federal Title funds: N/A</p>		

# Goals and Actions

## Goal

Goal #	Description	Type of Goal
2	EXCELLENCE: Under our first core pillar of Excellence, all students will have equitable access to a high-quality core curricular and instructional program and make academic progress in alignment with California content standards (CCSS, NGSS, etc.) through our data-driven, differentiated and engaging learning program. Students will develop competencies aligned with our “Portrait of a Graduate,” including Literacy with a Learner’s Mindset and Critical Thinking skills as they pursue academic excellence.	Broad Goal

State Priorities addressed by this goal.

- Priority 4: Pupil Achievement (Pupil Outcomes)
- Priority 5: Pupil Engagement (Engagement)
- Priority 8: Other Pupil Outcomes (Pupil Outcomes)

An explanation of why the LEA has developed this goal.

Charter School desires that all our students pursue academic excellence and be college/career ready. Effective core curriculum and instruction are central to academic success. Therefore, Charter School will ensure that all students, including but not limited to, ELs, students with disabilities, socioeconomically disadvantaged/low-income students, and students achieving below grade level, have access to a high-quality core curricular and instructional program with appropriate services and support. Targeted interventions will be utilized to create a high quality differentiated environment where students are supported to engage at their optimal levels. Charter School will also provide professional development to staff to promote a cycle of continuous improvement, as well as supports for high quality delivery of the program that enables differentiation, particularly for unduplicated students and students with exceptional needs. Charter School will implement the actions listed under this goal and use the indicated metrics, such as CAASPP assessment results, to measure progress in achievement of academic excellence and college/career readiness.

## Measuring and Reporting Results

Metric #	Metric	Baseline	Year 1 Outcome	Year 2 Outcome	Target for Year 3 Outcome	Current Difference from Baseline
2.1	Percentage of students who have sufficient access to all programs and services, as applicable, including the programs and services	2023-24: 100%			2026-27: 100%

## Goal Analysis [2023-24]

An analysis of how this goal was carried out in the previous year.

A description of overall implementation, including any substantive differences in planned actions and actual implementation of these actions, and any relevant challenges and successes experienced with implementation.

Not Applicable.

An explanation of material differences between Budgeted Expenditures and Estimated Actual Expenditures and/or Planned Percentages of Improved Services and Estimated Actual Percentages of Improved Services.

Not Applicable.

A description of the effectiveness or ineffectiveness of the specific actions to date in making progress toward the goal.

Not Applicable.

A description of any changes made to the planned goal, metrics, target outcomes, or actions for the coming year that resulted from reflections on prior practice.

Not Applicable.

## Actions

Action #	Title	Description	Total Funds	Contributing
2.1	Broad course of study and standards based curriculum	<p>Charter School will provide students with a broad array of courses including core subjects (English, mathematics, social sciences, and science) and electives. Charter School will also provide all other academic programs and services outlined in its charter petition, certain programs and services being dependent on student need and interest. Charter School will design its master schedule to meet the needs of its students to ensure all academic content areas are available to all students, including student groups. All students will participate in a rigorous, relevant, and coherent standards-based curriculum that supports the achievement of the schoolwide learner outcomes, academic standards, and college- and career-readiness standards. The school will be appropriately staffed to implement the school master schedule.</p> <p>Expenditures associated with this action include the following: teacher salaries and benefits, principal salary and benefits, and substitute teacher expenses.</p> <p>The following expenditures will be funded by federal Title funds:</p> <ul style="list-style-type: none"> <li>Teacher salary and benefits: Resource: Title I; Amount: \$17,640.13</li> </ul>	\$1,616,730.71	No
2.2	Professional development for high-quality instruction	Professional development will occur at the MPS organizational level and within the school. Charter School will ensure curricula, instruction, and assessments are aligned to the standards and that teachers participate in professional development on the implementation of standards (CCSS, NGSS, etc.) In addition to ongoing professional development activities that	\$60,342.90	Yes

Action #	Title	Description	Total Funds	Contributing
		<p>support efforts to increase student academic performance, all staff will be provided with multiple opportunities to grow professionally through induction processes, regular collaboration with colleagues, and curricular support. This involves instructional leadership, common walkthrough protocols, and professional feedback to promote a cycle of continuous improvement, as well as supports for high quality delivery of the program that enables differentiation, particularly for unduplicated students and students with exceptional needs. Instructional leaders at the school and at the Home Office will assess staff professional development needs through formal and informal performance observation, surveys, and student performance data. Based on the data, combined with LCAP goals and the MPS Home Office high quality instruction guidelines, the instructional leaders will determine common staff development days and tailor staff development to individual staff needs.</p> <p>Expenditures associated with this action include the following: professional development, tuition reimbursement, and TeachBoost/SchoolMint Grow software fees.</p> <p>The following expenditures will be funded by federal Title funds:</p> <ul style="list-style-type: none"> <li>Professional development expenses: Resource: Title II; Amount: \$11,621.84</li> </ul>		
<b>2.3</b>	MTSS - Academic enrichment, intervention, and student support	<p>Charter School will implement MTSS as a systemic, continuous improvement framework in which data-based problem-solving and decision making is practiced across all levels of the educational system for supporting students. Charter School will synthesize CAASPP and MAP student achievement and growth data, as well as course grades, and other state and internal assessment scores, into reports and regularly review progress towards targets. Targeted interventions will be utilized to create a high-quality differentiated environment where students are supported to engage at their optimal levels. Charter School will provide additional supports and interventions to all students, including but not limited to, 1-1 or small group interventions, targeted support via evidence-based supplemental intervention/enrichment materials and technology (reading, math, etc.), co-taught classes, Power English/Power Math classes, Study</p>	\$327,979.99	Yes

		<p>Skills, additional support during SSR/Advisory, before and after school tutoring, Saturday classes, and summer programs. SSPT, 504, and other support meetings will be coordinated among teachers and support roles (resource teachers, EL coordinator, department chairs, etc.)</p> <p>Expenditures associated with this action include the following: Dean of Academics salary and benefits, instructional aide salaries and benefits, teacher stipends for after school, Saturday school, and summer school, NWEA MAP testing fees, Illuminate DnA fees, and evidence-based supplemental intervention/enrichment program fees (Edgenuity, IXL, Quizizz, Membean, Cityspan, Newsela, and myON.)</p> <p>The following expenditures will be funded by federal Title funds:</p> <ul style="list-style-type: none"> <li>• Educational Software:: Resource: 4127 Title IV, Part A ESEA (ESSA); Amount: \$3,370.8</li> <li>• Title I: 4340 Educational Software: \$31,350.84</li> </ul>		
2.4	Designated and integrated ELD programs and support for ELs	<p>Charter School will provide services to ELs, including newcomers and LTELs, by proficiency level and provide ELD instruction aligned to the CA ELD standards and framework. Charter School will provide our ELs with core and supplemental ELD instructional materials and provide our teachers with PD focused on ELD standards. Our EL coordinator will monitor EL student progress in program implementation according to our EL Master Plan. Charter School teachers will provide instruction using designated and integrated ELD instructional strategies as outlined in the CHATS framework (and other research-based strategies such as SDAIE) to all students, including ELs. Charter School will provide culturally and linguistically relevant materials for students. ELs will receive further in-class instructional support which includes one-on-one teacher support and small group instruction. Charter School will strive to provide bilingual instructional assistants to provide primary language support to enable students to access content area instruction while gaining language proficiency. Charter School will ensure that teachers participate in PD on ELD instructional strategies and CHATS framework. Charter School will provide regular and timely communication with families of EL students, including newcomers and LTELs, regarding annual assessments, program</p>	\$0.00	Yes

Action #	Title	Description	Total Funds	Contributing
		<p>supports and services, and students' progress toward reclassification. This notification will include, but is not limited to, annual parent notification letters, quarterly ELAC meetings, and parent-teacher conferences.</p> <p>Expenditures associated with this action include the following: EL coordinator salary and benefits, EL coordinator stipend, EL instructional aide salary and benefits, and Rosetta Stone program fees.</p> <p>The following expenditures will be funded by federal Title funds: N/A</p>		
2.5	Support for students with disabilities	<p>Students with disabilities will receive services and supports as listed in their Individualized Education Programs (IEPs) (in addition to services they receive pertinent to low income, foster youth and English learner designations) in order to improve outcomes and close the achievement gap, including graduation rate and performance on statewide assessments. Students with disabilities will have access to all additional intervention and student support systems as outlined in Goal 2: Actions 3 and 4, as well as access to push-in and pull-out services, instructional aides, learning center services, and contracted services to provide each scholar with a Free and Appropriate Public Education in their least restrictive and most accessible learning environment. Students with disabilities dually identified as EL will have ELD goals in their IEPs in addition to goals addressing their specific areas of need based on their eligibility. Our SPED, EL, and general education teams will work in collaboration, monitor our scholars' progress toward IEP goal mastery, and provide progress reports to parents. In addition, all IEPs will be reviewed and present levels will be updated during annual and triennial reviews as required by the IDEA.</p> <p>Expenditures associated with this action include the following: SPED coordinator and teacher salaries and benefits, paraprofessional salaries and benefits, school psychologist salary and benefits, SPED intern salaries and benefits, outsourced SPED services fees, and SPED instructional materials and technology.</p> <p>The following expenditures will be funded by federal Title funds:</p>	\$941,370.12	No

# Goals and Actions

## Goal

Goal #	Description	Type of Goal
3	INNOVATION: All students will have access to a well-rounded, 21st century education that supports their readiness for college and the global world under our second core pillar of Innovation. Each student will become an independent, innovative scholar by practicing Creativity and Adaptability in their learning, using technology and data-driven online learning, and demonstrating high-quality learning outcomes in myriad ways.	Broad Goal

State Priorities addressed by this goal.

Priority 7: Course Access (Conditions of Learning)  
Priority 8: Other Pupil Outcomes (Pupil Outcomes)

An explanation of why the LEA has developed this goal.

It is the Charter School's vision that our graduates are well-rounded critical thinkers and problem solvers who contribute to the global community. A significant step toward helping our students achieve their maximum potential involves providing a rigorous, relevant and college preparatory curriculum with a STEAM emphasis. Therefore, we will design educational experiences to meet the needs of our scholars with an emphasis on innovation and critical thinking. Charter School will also promote the benefits of a physically active lifestyle and will help students develop skills to engage in lifelong healthy habits, as well as incorporate essential health education concepts to our physical education program. In an effort to provide well-rounded education to our students, Charter School will strive to offer additional programs such as elective courses, arts, music, civics, languages other than English, clubs, etc. Charter School will implement the actions listed under this goal and use the indicated metrics to measure progress in provision of an innovative, well-rounded education that supports student readiness for college and the global world.

## Measuring and Reporting Results

Metric #	Metric	Baseline	Year 1 Outcome	Year 2 Outcome	Target for Year 3 Outcome	Current Difference from Baseline

## Actions

Action #	Title	Description	Total Funds	Contributing
3.1	College/Career readiness programs and activities	<p>Charter School will promote a college-going culture through college visits, college/career days, and other college/career related activities.</p> <p>Expenditures associated with this action include the following: college/career-related materials and activities.</p> <p>The following expenditures will be funded by federal Title funds: N/A</p>	\$0.00	Yes
3.2	STEM and GATE programs	<p>Charter School will offer STEAM and GATE programs and activities, including Accelerated/Advanced Math course and club. Students will be provided opportunities during the day and after school to create or demonstrate a STEAM focused project, experiment, model or demo. We will also provide information and access to quality out-of-school STEM activities and achievements. With CA Science Framework and NGSS integration, all our students will learn about engineering design, technology, and applications of science as part of their core classes. Furthermore, Charter School will design and implement computer science and engineering-related courses and activities, such as Code.org activities, Project Lead the Way (PLTW) programs, Robotics, etc. Gifted and talented students and students achieving above grade level will be engaged in all classes as teachers differentiate curriculum through adjustments of content through depth, complexity, and pacing. Emphasis will be on innovation, critical thinking, and logical reasoning. Learners will be challenged to investigate, use problem-based learning, and research.</p> <p>Expenditures associated with this action include the following: supplemental STEM program fees.</p> <p>The following expenditures will be funded by federal Title funds: N/A</p>	\$1.06	Yes

Action #	Title	Description	Total Funds	Contributing
3.3	Digital literacy and citizenship programs	<p>Charter School will educate our students and staff in digital literacy so that they adapt, create, consume, and connect in productive, responsible ways to utilize technology in academic, social, and professional settings. Charter School will offer Computer/Digital Literacy classes and/or blended learning experiences for our students. Teachers will incorporate appropriate technology into lessons to support student learning and technology will be kept up to date. Students will be provided with opportunities to expand their literacy, computational, and communication skills with digital media; they will be writing advanced essays, conducting internet research, engaging in data collection, presenting ideas and drawing conclusions. Charter School staff will teach and model safe, savvy, and social digital citizenship; topics may include, but are not limited to, using technology applications, including Artificial Intelligence (AI); digital footprint, privacy, and security; digital rights and responsibilities; using social media responsibly and digital etiquette. As our students gain the ability to navigate computing systems, utilize networks and the internet responsibly, analyze and interpret data with an antibias lens, solve problems using algorithms and programming, and carefully consider the ethics of computing technologies, they will become informed digital citizens who can leverage AI and other technologies to promote social justice and equity.</p> <p>Expenditures associated with this action include the following: computer teacher salary and benefits, internet security program fees, and digital literacy and citizenship program fees.</p> <p>The following expenditures will be funded by federal Title funds: Digital literacy and citizenship program fees: Resource: Title IV, Part A; Amount: \$848</p>	\$848.00	Yes
3.4	Physical education, activity, and fitness	Charter School will provide students with physical education, using an age-appropriate, sequential PE curriculum consistent with state standards for PE. The curriculum will promote the benefits of a physically active lifestyle and will help students develop skills to engage in lifelong healthy habits, as well as incorporate essential health education concepts. Charter School	\$232,371.49	Yes

Action #	Title	Description	Total Funds	Contributing
		<p>will offer recess before lunch and students will be provided with periodic opportunities to be active or to stretch throughout the day on all or most days during a typical school week. To the extent practicable, Charter School will ensure that its grounds and facilities are safe, and that equipment is available to students to be active. Charter School will offer opportunities for students to participate in physical activity either before and/or after the school day (or both) through a variety of methods such as physical activity/sports clubs, intramurals or interscholastic sports, etc. Charter School will adhere to the MPS Wellness Policy guidelines on physical education, activity, and fitness.</p> <p>Expenditures associated with this action include the following: PE/Health teacher salary and benefits and physical activity, fitness, and equipment expenses.</p> <p>The following expenditures will be funded by federal Title funds: Physical activity, fitness, and equipment expenses: Resource: Title IV, Part A; Amount: \$742</p>		
3.5	Additional programs and activities that support well-rounded education	<p>To provide well-rounded education to our students, Charter School will strive to offer additional programs such as elective courses, arts, music, civics, languages other than English (LOTE), clubs, etc. Arts instruction focuses on developing students' creativity, imagination, discipline and self-expression through drawing and fine arts. It is important that all our students, particularly unduplicated students, are provided with experiential learning opportunities, including but not limited to, instructional field trips, internships, community service programs, clubs, etc. Charter School teachers and other staff will offer after school clubs for enrichment in the areas of, including, but not limited to, STEM (science, technology, engineering, math), ELA, LOTE, culture, sports, visual and performing arts, community service, leadership, and others. In addition to these clubs, the Charter School's Expanded Learning Opportunities Program (ELO-P) will support afterschool and summer enrichment programs in science, robotics, advanced math, academic competitions, journalism, college mentorship, and other areas.</p>	\$449,313.00	Yes

Action #	Title	Description	Total Funds	Contributing
		<p>Expenditures associated with this action include the following: teacher salaries and benefits for additional programs that support well-rounded education, supplemental materials, field trip expenses, and afterschool/club expenses.</p> <p>The following expenditures will be funded by federal Title funds: N/A</p>		

# Goals and Actions

## Goal

Goal #	Description	Type of Goal
4	CONNECTION: All students, families, staff, and other educational partners will experience our third core pillar, Connection, and have access to meaningful engagement opportunities that help cultivate Effective Communication and Global Citizenship in a safe and nurturing environment. Educational partners will feel a sense of community and connectedness.	Broad Goal

### State Priorities addressed by this goal.

- Priority 3: Parental Involvement (Engagement)
- Priority 5: Pupil Engagement (Engagement)
- Priority 6: School Climate (Engagement)

### An explanation of why the LEA has developed this goal.

School communities are integrated partnerships with the school site staff, families, students and all other educational partners. This sense of connection creates a safe place for all learners and educational partners to affirm individual strengths, develop capacity, celebrate character, build trusting and respectful relationships, promote unity and better decision making. Additionally, community cultivates identity and gives each member a sense of belonging and pride. Charter School will seek family input for decision making, utilize home visits and educational partner surveys, and provide academic and social-emotional support through MTSS/PBIS. We will work with community partners to support the vision and goals of the school, including our students' development of personal and academic networks for long-term resilience and connection. Charter School will implement the actions listed under this goal and use the indicated metrics to measure progress in sustaining a sense of community and connectedness.

## Measuring and Reporting Results

## Goal Analysis [2023-24]

An analysis of how this goal was carried out in the previous year.

A description of overall implementation, including any substantive differences in planned actions and actual implementation of these actions, and any relevant challenges and successes experienced with implementation.

Not Applicable.

An explanation of material differences between Budgeted Expenditures and Estimated Actual Expenditures and/or Planned Percentages of Improved Services and Estimated Actual Percentages of Improved Services.

Not Applicable.

A description of the effectiveness or ineffectiveness of the specific actions to date in making progress toward the goal.

Not Applicable.

A description of any changes made to the planned goal, metrics, target outcomes, or actions for the coming year that resulted from reflections on prior practice.

Not Applicable.

## Actions

Action #	Title	Description	Total Funds	Contributing
4.1	Seeking family input for decision-making	Charter School will build the capacity of and support administrators, teachers and staff in order to build the capacity of and support family members to effectively engage in advisory groups and decision-making. Charter School will provide all families with opportunities to provide input on policies and programs, and implement Community School strategies to reach and seek input from any underrepresented groups in the school community. Some periodic information/input sessions for families include, but are not limited to, Board of Directors meetings, Parent Advisory Committee (PAC) meetings, English Learner Advisory Committee (ELAC) meetings, Parent Task Force (PTF) meetings, and Coffee with the Principal meetings. The PAC will be composed of majority of parents of	\$275.00	Yes

Action #	Title	Description	Total Funds	Contributing
		<p>pupils and include parents/guardians of ELs, low-income, foster youth, and students with disabilities. Parents, teachers, staff, students, and community members are encouraged and empowered to join school committees, including the PAC and ELAC. Such committees provide for representation of students in need (low income, EL, foster youth, students with disabilities, etc.) Feedback from our educational partners provide valuable input for the LCAP and continuous school improvement. Charter School chooses to utilize the LCAP to serve as the SPSA and holds an annual meeting to inform parents and collect feedback about LCAP goals and actions, data and needs assessment, Title-funded activities and budgets, UCP, parent and family engagement policy and school-student-parent compact. In addition, as explained in Goal 4: Action 4, Charter School will conduct family surveys to seek feedback on school improvement.</p> <p>Expenditures associated with this action include the following: parent meeting expenses.</p> <p>The following expenditures will be funded by federal Title funds: N/A</p>		
4.2	Building relationships and partnerships with families for student outcomes	<p>Charter School will develop the capacity of staff to build trusting and respectful relationships with families and create welcoming environments for all families in the community. Our staff will learn about each family's strengths, cultures, languages, and goals for their children. We will promote participation in activities/events, including Student/Parent Orientation, Back to School Night, and parent conferences. Administrators will greet all students and parents in the mornings during student drop off and have an open-door policy welcoming all parents. We will provide professional learning and support to staff to improve capacity to partner with families and to provide families with information and resources to support student learning and development in the home. Charter School will provide parents with access to course materials, homework assignments, projects, and records of students' grades through our SIS. Charter School will communicate further with the parents of students who are performing below grade level. Our teachers, administrators, and classified staff will visit students at their homes to discuss student progress and enhance student learning and involvement. Charter School will also support families</p>	\$204,005.62	Yes

Action #	Title	Description	Total Funds	Contributing
		<p>to understand and exercise their legal rights and advocate for their own students and all students. Charter School will schedule annual workshops for parents as well as additional workshops for parents of EL and immigrant students. Topics to be covered include, but are not limited to, the school's EL Master Plan, stages of language acquisition, state testing, college application, using SIS to check student progress, study habits, and family literacy. Charter School will use a variety of communication channels to connect with families in a language that is understandable and accessible to them. A parent communication software will be utilized for voice and text communications, email, and push notifications. We will provide language translators at parent meetings to the extent practicable.</p> <p>Expenditures associated with this action include the following: Infinite Campus SIS fees, ParentSquare software fees, SchoolMint software fees, home-visit compensation, parent activity/event expenses, Parent Education Bridge program fees, Pitney Bowes expenses, and Office manager/Administrative assistant salaries and benefits.</p> <p>The following expenditures will be funded by federal Title funds:</p> <ul style="list-style-type: none"> <li>• Stipends for home visits and Professional Services: Resource: Title I, Part A; Amount: \$6,207.31</li> </ul>		
4.3	MTSS - PBIS and SEL support	<p>Charter School will provide a safe, nurturing, and engaging learning environment for all our students and families. Academic and social-emotional support will be provided to address student needs as well as instructional materials including free uniforms. Students who are homeless, experiencing housing instability, are in foster care or experiencing personal/family crisis or have other special needs will be cared for in our supportive school community. Charter School will offer a SEL/Life Skills program that provides students with valuable skills to support academic excellence and social skill development. We will annually assess our suspension/expulsion policies and procedures and implement alternatives to suspension/expulsion, including restorative practices. Teachers will establish classroom management procedures, foster positive relationships, and help create an atmosphere of trust, respect, and high expectations. Charter School will implement a positive and equitable student</p>	\$305,877.54	Yes

Action #	Title	Description	Total Funds	Contributing
		<p>responsibility and behavior system with teaching, intervention and prevention strategies and protocols that are clear, fair, incremental, restorative, and culturally responsive. Charter School will celebrate student and school achievements and organize recognition assemblies and other schoolwide culture-building activities. Charter School will inform parents and students of attendance policies specified in the Student/Parent Handbook and encourage and support student attendance. Charter School will also implement the CORE DISTRICTS SEL Survey instrument in the fall and spring annually to assess the following social-emotional competencies: growth mindset, self-efficacy, self-management, and social awareness. As part of our MTSS efforts, school leadership, teachers, and support staff will analyze student SEL survey results in the fall to provide our students with targeted social-emotional support and then measure student responses again in the spring to measure growth, identify greatest progress and needs in order to inform our next steps.</p> <p>Expenditures associated with this action include the following: Dean of Students salary and benefits, discipline coordinator salary and benefits, office/attendance clerk salaries and benefits, school uniform expenses, PD on classroom management, PBIS, and SEL support, SEL program fees, outsourced SEL services fees, and additional services for homeless students.</p> <p>The following expenditures will be funded by federal Title funds:</p> <ul style="list-style-type: none"> <li>• Educational Software for MTSS : Resource: Title IV, Part A; Amount: \$5,300</li> <li>• Instructional Supplies: Resource: Title I; Amount: \$2,104.1</li> </ul>		
4.4	Annual educational partner surveys	<p>Charter School will annually administer school experience surveys to students, families, and staff. Charter School will implement the CORE DISTRICTS Survey instrument to assess our educational partners' perceptions of the following school climate indicators: climate of support for academic learning; knowledge and fairness of discipline, rules and norms; safety; and sense of belonging (school connectedness). In addition, we ask our educational partners open-ended questions about what they like the best about the school and suggestions for improvement. This feedback</p>	\$2,120.00	Yes

Action #	Title	Description	Total Funds	Contributing
		<p>instrument provides all staff and school leaders with valuable information about how students see their classes, how much parents are involved, how supported staff feel and how to facilitate improvement. Our staff will analyze the survey results to identify the greatest progress and needs in order to inform our next steps.</p> <p>Expenditures associated with this action include the following: Panorama Education survey fees.</p> <p>The following expenditures will be funded by federal Title funds:</p> <ul style="list-style-type: none"> <li>Professional Services paid with Title I: \$2,120</li> </ul>		
4.5	Community outreach and partnerships	<p>Charter School will establish community, business, institutional and civic partnerships that invest in and support the vision and goals of the school. School staff will participate in local activities that engage community members and staff in communicating school successes to the broader community. Charter School will secure community support to sustain existing resources and add new resources that address emerging student needs. Charter School leadership will actively develop relationships with a range of educational partners, policymakers, and researchers to identify and address issues, trends, and potential changes that affect the context and conduct of education.</p> <p>Expenditures associated with this action include the following: Community Schools Coordinator salary and benefits, membership fees (CCSA, WASC, etc.), marketing, branding, outreach, and partnership expenses.</p> <p>The following expenditures will be funded by federal Title funds: N/A</p>	\$271,620.19	Yes

# Increased or Improved Services for Foster Youth, English Learners, and Low-Income Students [2024-25]

Total Projected LCFF Supplemental and/or Concentration Grants	Projected Additional 15 percent LCFF Concentration Grant

## Required Descriptions

### LEA-wide and Schoolwide Actions

For each action being provided to an entire LEA or school, provide an explanation of (1) the unique identified need(s) of the unduplicated student group(s) for whom the action is principally directed, (2) how the action is designed to address the identified need(s) and why it is being provided on an LEA or schoolwide basis, and (3) the metric(s) used to measure the effectiveness of the action in improving outcomes for the unduplicated student group(s).

Goal and Action #	Identified Need(s)	How the Action(s) Address Need(s) and Why it is Provided on an LEA-wide or Schoolwide Basis	Metric(s) to Monitor Effectiveness
1.4	<p><b>Action:</b> Healthy and nutritious meals</p> <p><b>Need:</b> Low-income students do not have sufficient or consistent access to nutritious meals and they develop poor eating habits. As a result, they experience poor health and academic outcomes, including, but not limited to, obesity, chronic absenteeism and lower grades. There</p>	<p>MPS is committed to the optimal development of every student. Research shows that two components, good nutrition and physical activity before, during and after the school day, are strongly correlated with positive student outcomes. For example, student participation in the U.S. Department of Agriculture’s (USDA) School Breakfast Program is associated with higher grades and standardized test scores, lower absenteeism and better performance on cognitive tasks. Conversely, less-than-adequate</p>	<p>Goal 2:</p> <ul style="list-style-type: none"> <li>Percentage of students who have received a grade of “C” or better in core subjects and electives (Source: SIS)</li> </ul> <p>Goal 4:</p>

Goal and Action #	Identified Need(s)	How the Action(s) Address Need(s) and Why it is Provided on an LEA-wide or Schoolwide Basis	Metric(s) to Monitor Effectiveness
	<p>is a need to provide all our students with healthy and nutritious meals.</p> <p><b>Scope:</b> LEA-wide</p>	<p>consumption of specific foods including fruits, vegetables and dairy products, is associated with lower grades among students. Finally, there is evidence that adequate hydration is associated with better cognitive performance. With consideration of the importance of good nutrition, Charter School will maintain nutrition education resources and continue to focus on innovative ways to increase access to freshly prepared, nutritious foods to ensure students are well-nourished and ready to learn. We will provide two school meals free of charge during each schoolday to any student who requests a meal without consideration of the student's eligibility for a federally funded free or reduced-price meal, with a maximum of one free meal for each meal service period. This action will result in increased and improved services, particularly for our low-income students, who may not have access to nutritious meals and are experiencing poor health outcomes. With the needs of low-income students in mind, this action will be provided on a schoolwide basis. It was found effective in the current school year and will be continued in the coming school year. Charter School will promote healthy food and beverage choices for all students throughout campus, as well as encourage participation in school meal programs. Charter School will adhere to the MPS Wellness Policy guidelines on nutritious foods for all food sales and celebrations. We expect the meal program will help improve the diet and health of our students and mitigate childhood obesity, model healthy eating to support the development of lifelong healthy eating patterns and support healthy choices while accommodating cultural food preferences and special dietary</p>	<ul style="list-style-type: none"> <li>• Chronic Absenteeism Rate (Source: CA School Dashboard, SIS)</li> <li>• School experience survey "overall satisfaction rates" based on the responses of our students to the question, "Overall, I am satisfied and would recommend this school to other students." (Source: Local Indicator Priority 6, Panorama Education)</li> </ul>

Goal and Action #	Identified Need(s)	How the Action(s) Address Need(s) and Why it is Provided on an LEA-wide or Schoolwide Basis	Metric(s) to Monitor Effectiveness
		needs. We also expect this action will result in increased student belonging as measured by the annual student surveys in Goal 4: Action 4.	
2.2	<p><b>Action:</b> Professional development for high-quality instruction</p> <p><b>Need:</b> The majority of Charter School's student population consists of low-income and socioeconomically disadvantaged students, English learners, and students with disabilities, many of whom are dually identified as EL. These student groups have social and emotional conditions that influence academic learning, as evidenced by the performance gaps on the CA School Dashboard, CAASPP results, and other available data. Addressing the unique needs of students from diverse backgrounds is a major challenge because our teachers need to be prepared with the relevant content knowledge, experience, and training, with a focus on cultural and linguistic characteristics of our diverse learners.</p> <p><b>Scope:</b> LEA-wide</p>	<p>With the needs of our diverse student body in mind, Charter School will ensure curricula, instruction, and assessments are aligned to the standards and that teachers participate in professional development on the implementation of standards (CCSS, NGSS, etc.) In addition to ongoing professional development activities that support efforts to increase student academic performance, all staff will be provided with multiple opportunities to grow professionally through induction processes, regular collaboration with colleagues, and curricular support. This involves instructional leadership, common walkthrough protocols using the TeachBoost/SchoolMint Grow software, and professional feedback to promote a cycle of continuous improvement, as well as supports for high quality delivery of the program that enables differentiation, particularly for unduplicated students and students with exceptional needs. Instructional leaders at the school and at the Home Office will assess staff professional development needs through formal and informal performance observations, surveys, and student performance data. Based on the data, combined with LCAP goals and the MPS Home Office high quality instruction guidelines, the instructional leaders will determine common staff development days and tailor staff development to individual staff needs. This action was found effective in the current school year and will be continued in the coming school year. We expect this schoolwide action will result in increased academic achievement of our student groups on</p>	<p>Goal 2:</p> <ul style="list-style-type: none"> <li>• Percentage of completion of observations by the school administration based on one formal and four informal classroom observations per teacher per year to ensure state standards implementation for all students (Source: Local Indicator Priority 2, TeachBoost/SchoolMint Grow)</li> <li>• Percentage of students who have received a grade of "C" or better in core subjects and electives (Source: SIS)</li> <li>• Percentage of students who have met or exceeded</li> </ul>

			<ul style="list-style-type: none"> <li>Conditional Growth Index and Percentile (CGI and CGP) based on students' growth on the Measures of Academic Progress (MAP)-Mathematics assessment from fall to spring as compared to the national growth norms (Source: NWEA MAP)</li> </ul>
<p><b>2.3</b></p>	<p><b>Action:</b> MTSS - Academic enrichment, intervention, and student support</p> <p><b>Need:</b> The majority of Charter School's student population consists of low-income and socioeconomically disadvantaged students, English learners, and students with disabilities, many of whom are dually identified as EL. These student groups have social and emotional conditions that influence academic learning, as evidenced by the performance gaps on the CA School Dashboard, CAASPP results, and other available data. Most of our low-income students have parents working multiple jobs and need academic support. Foster youth and English learners may experience feelings of anxiety and confusion.</p>	<p>Considering the needs of our vulnerable student groups in mind, Charter School will implement MTSS as a systemic, continuous improvement framework in which data-based problem-solving and decision making is practiced across all levels of the educational system for supporting students. Charter School will synthesize CAASPP and MAP student achievement and growth data, as well as course grades, and other state and internal assessment scores, into reports and regularly review progress towards targets. Targeted interventions will be utilized to create a high-quality differentiated environment where students are supported to engage at their optimal levels. Charter School will provide additional supports and interventions to all students, including but not limited to, 1-1 or small group interventions, targeted support via evidence-based supplemental intervention/enrichment materials and technology</p>	<p>Goal 2:</p> <ul style="list-style-type: none"> <li>Percentage of completion of observations by the school administration based on one formal and four informal classroom observations per teacher per year to ensure state standards implementation for all students (Source: Local Indicator Priority 2,</li> </ul>

Goal and Action #	Identified Need(s)	How the Action(s) Address Need(s) and Why it is Provided on an LEA-wide or Schoolwide Basis	Metric(s) to Monitor Effectiveness
	<p>Students struggle with access to materials, technology, and a quiet, private place to study. There are gaps in their learning that need individualized attention.</p> <p><b>Scope:</b> LEA-wide</p>	<p>(reading, math, etc.), co-taught classes, Power English/Power Math classes, Study Skills, additional support during SSR/Advisory, before and after school tutoring, Saturday classes, and summer programs. SSPT, 504, and other support meetings will be coordinated among teachers and support roles (resource teachers, EL coordinator, department chairs, etc.) We expect that these student supports and interventions will provide increased and improved services for all our unduplicated students who need extra support and attention. This action was found effective in the current school year and will be continued in the coming school year. It will be provided on a schoolwide basis and we expect all student groups to show academic growth as measured by the CA School Dashboard, CAASPP assessments, MAP assessments, student grades, and other metrics as identified in our LCAP metrics in Goal 2.</p>	<p>TeachBoost/SchoolMint Grow)</p> <ul style="list-style-type: none"> <li>• Percentage of students who have received a grade of “C” or better in core subjects and electives (Source: SIS)</li> <li>• Percentage of students who have met or exceeded standard on the CAASPP-ELA/Literacy assessments (Source: CDE DataQuest)</li> <li>• Distance from Standard (DFS) on the CAASPP-ELA/Literacy assessments (Source: CA School Dashboard)</li> <li>• Percentage of students who have met their growth targets on the Measures of Academic Progress (MAP)-Reading</li> </ul>

<p><b>2.4</b></p>	<p><b>Action:</b> Designated and integrated ELD programs and support for ELs</p> <p><b>Need:</b></p>	<p>Considering the needs of our ELs, Charter School will provide services to ELs by proficiency level and provide ELD instruction aligned to the CA ELD standards and framework. Charter School will provide our ELs with core and supplemental ELD</p>	<p>Goal 2: For all students, but particularly for the EL and LTEL student groups:</p>

Goal and Action #	Identified Need(s)	How the Action(s) Address Need(s) and Why it is Provided on an LEA-wide or Schoolwide Basis	Metric(s) to Monitor Effectiveness
	<p>The majority of Charter School's student population consists of English Learners (EL), including long-term ELs (LTELs), Reclassified Fluent English Proficient (RFEP) students, and students with disabilities, many of whom are dually identified as EL. ELs need designated English language development instruction. Emerging ELs lack English speaking experience and struggle to communicate. Both ELs and RFEPs have a strong need for meaningful connections among fundamental concepts in the curriculum to their prior knowledge and experiences. They need additional literacy instruction, support, and interventions. Teachers of ELs need to have knowledge of EL strategies and culturally responsive instruction.</p> <p><b>Scope:</b> LEA-wide</p>	<p>instructional materials and provide our teachers with PD focused on ELD standards. Our EL coordinator will monitor EL student progress in program implementation according to our EL Master Plan. Charter School teachers will provide instruction using designated and integrated ELD instructional strategies as outlined in the CHATS framework (and other research-based strategies such as SDAIE) to all students, including ELs. Charter School will provide culturally and linguistically relevant materials for students. ELs will receive further in-class instructional support which includes one-on-one teacher support and small group instruction. Charter School will strive to provide bilingual instructional assistants to provide primary language support to enable students to access content area instruction while gaining language proficiency. Charter School will ensure that teachers participate in PD on ELD instructional strategies and CHATS framework. Charter School will provide regular and timely communication with families of EL students, including newcomers and LTELs, regarding annual assessments, program supports and services, and students' progress toward reclassification. This notification will include, but is not limited to, annual parent notification letters, quarterly ELAC meetings, and parent-teacher conferences. These supports and services will provide increased and improved services for our English learners. This action was found effective in the current school year and will be continued in the coming school year. While some of the actions described here, including the designated ELD instruction, will be targeted only to ELs, the rest of the actions, including integrated</p>	<ul style="list-style-type: none"> <li>• Percentage of students who have received a grade of “C” or better in core subjects and electives (Source: SIS)</li> <li>• Percentage of students who have met or exceeded standard on the CAASPP-ELA/Literacy assessments (Source: CDE DataQuest)</li> <li>• Distance from Standard (DFS) on the CAASPP-ELA/Literacy assessments (Source: CA School Dashboard)</li> <li>• Percentage of students who have met their growth targets on the Measures of Academic Progress (MAP)-Reading assessment from fall to spring</li> </ul>

			<p>PL 4 (ELP) between prior and current year (Source: CA School Dashboard)</p> <ul style="list-style-type: none"> <li>Percentage of ELs reclassified to Fluent English Proficient (RFEP) annually (Source: CDE DataQuest)</li> </ul>
<p><b>3.1</b></p>	<p><b>Action:</b> College/Career readiness programs and activities</p> <p><b>Need:</b> The majority of Charter School's student population consists of low-income and socioeconomically disadvantaged students, English learners, and students with disabilities. Many of our students are also the first generation in their families who will attend college. Most of them lack parental support and experience financial difficulties. Our students have a great need for guidance about college/career choices and support for preparation. A college-going, supportive culture at the school is necessary for our students' college/career readiness.</p> <p><b>Scope:</b> LEA-wide</p>	<p>With the needs of our unduplicated students in mind, Charter School will promote a college-going culture through college visits, college/career days, and other college related activities. Charter School will also explore CTE options to provide students with opportunities to explore a career theme of interest while learning a set of technical and employability skills that integrate into or complement their academic studies. Unduplicated students will receive improved services through college-related materials and activities. These services are particularly helpful for first-generation college-bound students who lack parental support strategies and experience financial constraints. This action was found effective in the current school year and will be continued in the coming school year. We expect that this action will result in increased academic achievement as measured by the LCAP metrics in Goal 2 as well as increased student belonging as measured by the annual student surveys in Goal 4: Action 4.</p>	<p>Goal 2:</p> <ul style="list-style-type: none"> <li>Percentage of students who have received a grade of "C" or better in core subjects and electives (Source: SIS)</li> </ul> <p>Goal 4:</p> <ul style="list-style-type: none"> <li>Chronic Absenteeism Rate (Source: CA School Dashboard, SIS)</li> <li>School experience survey "overall satisfaction rates" based on the responses of our students to the question,</li> </ul>

Goal and Action #	Identified Need(s)	How the Action(s) Address Need(s) and Why it is Provided on an LEA-wide or Schoolwide Basis	Metric(s) to Monitor Effectiveness

<p><b>3.2</b></p>	<p><b>Action:</b> STEM and GATE programs</p> <p><b>Need:</b> Charter School has a vision to help reverse the tide of U.S. students falling behind their peers in other nations in critical subjects like math and science. We strive to graduate students who come from historically underserved neighborhoods as scientific thinkers that contribute to the global community as socially responsible and educated members of society. Charter School's educational approach is based on the conviction that STEM education is essential to improving our modern society's knowledge base and adaptability to the fast pace of everchanging technological advancements. Historically, the number of African American and Latino students pursuing careers in STEAM fields has been very low. Research suggests that a significant cause of these low numbers is that students have inadequate exposure to intensive STEM curricula.</p>	<p>Charter School strives to address the shortage by inspiring and preparing students to choose career paths in science and technology. The majority of Charter School's student population consists of low-income and socioeconomically disadvantaged students of color, English learners, and students with disabilities. With the needs of our community in mind, Charter School will offer STEAM and GATE programs and activities, including Accelerated/Advanced Math course and club. Students will be provided opportunities during the day and after school to create or demonstrate a STEM focused project, experiment, model or demo. We will also provide information and access to quality out-of-school STEM activities and achievements. With CA Science Framework and NGSS integration, all our students will learn about engineering design, technology, and applications of science as part of their core classes. Furthermore, Charter School will design and implement computer science and engineering-related courses and activities, such as Code.org activities, Project Lead the Way (PLTW) programs, Robotics, etc. Unduplicated students will receive increased and improved support through access to</p>	<p>Goal 3:</p> <ul style="list-style-type: none"> <li>• Percentage of students enrolled in an Accelerated and/or Advanced Math course and/or Advanced Math club (Source: Local Indicator Priority 7, SIS)</li> <li>• Percentage of students in the current graduating class who have taken a Computer/Technology course and/or experienced blended learning in their program of study (Source: Local Indicator Priority 7, SIS)</li> </ul>

Goal and Action #	Identified Need(s)	How the Action(s) Address Need(s) and Why it is Provided on an LEA-wide or Schoolwide Basis	Metric(s) to Monitor Effectiveness
	<p><b>Scope:</b> LEA-wide</p>	<p>supplemental STEM programs and activities. Gifted and talented students and students achieving above grade level will be engaged in all classes as teachers differentiate curriculum through adjustments of content through depth, complexity, and pacing. Emphasis will be on innovation, critical thinking, and logical reasoning. This action was found effective in the current school year and will be continued in the coming school year. We expect this schoolwide action will challenge our learners to investigate, use problem-based learning, research, and help become independent and innovative scholars. Goal 3 includes metrics for the percentage of students enrolled in an Accelerated and/or Advanced Math course and/or Advanced Math club, percentage of students in the current graduating class who have taken a Computer/Technology course and/or experienced blended learning in their program of study, and percentage of students who have created or demonstrated a STEAM focused project, experiment, model or demo in the current year.</p>	<ul style="list-style-type: none"> <li>Percentage of students who have created or demonstrated a STEAM focused project, experiment, model or demo in the current year (Source: Local Indicator Priority 7, SIS)</li> </ul>
3.3	<p><b>Action:</b> Digital literacy and citizenship programs</p> <p><b>Need:</b> The majority of Charter School's student population consists of low-income and socioeconomically disadvantaged students, English learners, and students with disabilities, many of whom are dually identified as EL. These student groups have social and emotional conditions that influence academic learning and effective literacy, communication, and presentation skills. Most of our slow-</p>	<p>With the needs of our students in mind, Charter School will educate our students and staff in digital literacy so that they adapt, create, consume, and connect in productive, responsible ways to utilize technology in academic, social, and professional settings. Charter School will offer Computer/Digital Literacy classes and/or blended learning experiences for our students. Teachers will incorporate appropriate technology into lessons to support student learning and technology will be kept up to date. Students will be provided with opportunities to expand their literacy, computational, and communication skills with</p>	<p>Goal 3:</p> <ul style="list-style-type: none"> <li>Percentage of students in the current graduating class who have taken a Computer/Technology course and/or experienced blended learning in their program of study (Source:</li> </ul>

Goal and Action #	Identified Need(s)	How the Action(s) Address Need(s) and Why it is Provided on an LEA-wide or Schoolwide Basis	Metric(s) to Monitor Effectiveness
	<p>income students struggle with access to technology as well. Our students have a great need to learn ways to utilize technology in an effective and responsible way.</p> <p><b>Scope:</b> LEA-wide</p>	<p>digital media; they will be writing advanced essays, conducting internet research, engaging in data collection, presenting ideas and drawing conclusions. Charter School staff will teach and model safe, savvy, and social digital citizenship; topics may include, but are not limited to, using technology applications; digital footprint, privacy, and security; digital rights and responsibilities; using social media responsibly and digital etiquette. These activities will result in increased and improved services for our unduplicated students. This action was found effective in the current school year and will be continued in the coming school year. We expect this schoolwide action will help our students expand their knowledge and skills in an ever-evolving digital world. Goal 3 includes a metric for the percentage of students in the current graduating class who have taken a Computer/Technology course and/or experienced blended learning in their program of study.</p>	<p>Local Indicator Priority 7, SIS)</p>
<p><b>3.4</b></p>	<p><b>Action:</b> Physical education, activity, and fitness</p> <p><b>Need:</b> Low-income students do not have sufficient or consistent access to physical activities/sports and fitness education. Research shows that two components, good nutrition and physical activity before, during and after the school day, are strongly correlated with positive student outcomes. Students who are physically active through active transport to and from school, recess, physical activity breaks, high-quality</p>	<p>MPS is committed to the optimal development of every student. With consideration of the importance of physical fitness, Charter School will provide students with physical education, using an age-appropriate, sequential PE curriculum consistent with state standards for PE. The curriculum will promote the benefits of a physically active lifestyle and will help students develop skills to engage in lifelong healthy habits, as well as incorporate essential health education concepts. Charter School will offer recess before lunch and students will be provided with periodic opportunities to be active or to stretch throughout the day on all or most days during a typical school</p>	<p>Goal 2:</p> <ul style="list-style-type: none"> <li>Percentage of students who have received a grade of “C” or better in core subjects and electives (Source: SIS)</li> </ul> <p>Goal 4:</p> <ul style="list-style-type: none"> <li>Chronic Absenteeism Rate (Source: CA</li> </ul>

Goal and Action #	Identified Need(s)	How the Action(s) Address Need(s) and Why it is Provided on an LEA-wide or Schoolwide Basis	Metric(s) to Monitor Effectiveness
	<p>physical education and extracurricular activities do better academically.</p> <p><b>Scope:</b> LEA-wide</p>	<p>week. To the extent practicable, Charter School will ensure that its grounds and facilities are safe, and that equipment is available to students to be active. Charter School will offer opportunities for students to participate in physical activity either before and/or after the school day (or both) through a variety of methods such as physical activity/sports clubs, intramurals or interscholastic sports, etc. Charter School will adhere to the MPS Wellness Policy guidelines on physical education, activity, and fitness. With the needs of low-income students in mind, this action will be provided on a schoolwide basis. It was found effective in the current school year and will be continued in the coming school year. We expect this action will help improve the health of our students and model physical fitness to support the development of lifelong healthy living patterns. We expect that this action will result in increased attendance and grades as well as increased student belonging as measured by the annual student surveys in Goal 4: Action 4.</p>	<p>School Dashboard, SIS)</p> <ul style="list-style-type: none"> <li>School experience survey "overall satisfaction rates" based on the responses of our students to the question, "Overall, I am satisfied and would recommend this school to other students." (Source: Local Indicator Priority 6, Panorama Education)</li> </ul>
<p><b>3.5</b></p>	<p><b>Action:</b> Additional programs and activities that support well-rounded education</p> <p><b>Need:</b> The majority of Charter School's student population consists of low-income and socioeconomically disadvantaged students, English learners, and students with disabilities. Traditionally, schools focus on ELA and math interventions to address the learning gap between vulnerable student groups and their peers. Other important well-rounded programs</p>	<p>To provide well-rounded education to our students, Charter School will strive to offer additional programs such as elective courses, arts, music, civics, languages other than English (LOTE), clubs, etc. Arts instruction focuses on developing students' creativity, imagination, discipline and self-expression through drawing and fine arts. It is important that all our students, particularly unduplicated students, are provided with experiential learning opportunities, including but not limited to, instructional field trips, internships, community service programs, clubs, etc. Charter School teachers and other staff will offer after school clubs for enrichment in the areas of,</p>	<p>Goal 2:</p> <ul style="list-style-type: none"> <li>Percentage of students who have received a grade of "C" or better in core subjects and electives (Source: SIS)</li> </ul> <p>Goal 4:</p> <ul style="list-style-type: none"> <li>Chronic Absenteeism Rate (Source: CA</li> </ul>

Goal and Action #	Identified Need(s)	How the Action(s) Address Need(s) and Why it is Provided on an LEA-wide or Schoolwide Basis	Metric(s) to Monitor Effectiveness
	<p>such as arts, music, civics, and languages other than English may not get the same attention. On the other hand, well-rounded programs help students develop competencies and creative skills in problem solving, communication, and management of time and resources that contribute to lifelong learning and career skills. Our low-income students come from underserved communities that do not have adequate resources and access to experiential learning opportunities.</p> <p><b>Scope:</b> LEA-wide</p>	<p>including, but not limited to, STEM (science, technology, engineering, math), ELA, LOTE, culture, sports, visual and performing arts, community service, leadership, and others. In addition to these clubs, the Charter School's Expanded Learning Opportunities Program (ELO-P) will support afterschool and summer enrichment programs in science, robotics, advanced math, academic competitions, journalism, college mentorship, and other areas. These well-rounded programs and activities will result in increased and improved services for our unduplicated students. With the needs of our unduplicated students in mind, this action will be provided on a schoolwide basis. It was found effective in the current school year and will be continued in the coming school year. We expect this action will help our scholars become independent and innovative scholars. We also expect that this action will result in increased academic achievement as measured by the LCAP metrics in Goal 2 as well as increased student belonging as measured by the annual student surveys in Goal 4: Action 4.</p>	<p>School Dashboard, SIS)</p> <ul style="list-style-type: none"> <li>• School experience survey "average approval rates" based on the responses of our students and families to all questions on the survey in the following topics: climate of support for academic learning; knowledge and fairness of discipline, rules, and norms; safety; and sense of belonging (school connectedness) (Source: Local Indicator Priority 6, Panorama Education)</li> <li>• School experience survey "overall satisfaction rates" based on the responses of our students and families to the question, "Overall, I am</li> </ul>

4.2	<p><b>Action:</b> Building relationships and partnerships with families for student outcomes</p> <p><b>Need:</b></p>	<p>In order to build partnerships with our families for student outcomes, Charter School will build trusting and respectful relationships with parents through activities/events, including Student/Parent Orientation, Back to School Night, and parent</p>	<p>Goal 2:</p> <ul style="list-style-type: none"> <li>Percentage of students who have received a grade of "C" or</li> </ul>

Goal and Action #	Identified Need(s)	How the Action(s) Address Need(s) and Why it is Provided on an LEA-wide or Schoolwide Basis	Metric(s) to Monitor Effectiveness
	<p>Family engagement is an essential strategy for building pathways to college and career readiness for all students and is an essential component of a systems approach to improving outcomes for all students. More than thirty years of research has shown that family engagement can lead to improved student outcomes (e.g., attendance, engagement, academic outcomes, social emotional learning, etc.) To engage all families equitably, it is necessary to understand the cultures, languages, needs and interests of families in our school community. Furthermore, developing family engagement policies, programs, and practices needs to be done in partnership with local families, using the tools of continuous improvement. The majority of Charter School's student population consists of low-income and socioeconomically disadvantaged students, English learners, and students with disabilities. Most of our low-income students have parents working multiple jobs. Parents of our ELs need capacity building to support the needs of our ELs.</p> <p><b>Scope:</b> LEA-wide</p>	<p>conferences to promote parental participation in programs. Administrators will greet all students and parents in the mornings during student drop off and have an open-door policy welcoming all parents. Charter School will provide parents with access to course materials, homework assignments, projects, and records of students' grades through our SIS. Charter School will communicate further with the parents of students who are performing below grade level. Our teachers, administrators, and classified staff will visit students at their homes to discuss student progress and enhance student learning and involvement. Charter School will schedule annual workshops for parents as well as additional workshops for parents of EL and immigrant students. Topics to be covered include, but are not limited to, the school's EL Master Plan, stages of language acquisition, state testing, college application, using SIS to check student progress, study habits, and family literacy. Charter School will use a variety of communication channels to connect with families in a language that is understandable and accessible to them. A parent communication software will be utilized for voice and text communications, email, and push notifications. We will provide language translators at parent meetings to the extent practicable. These activities will result in increased and improved services for our unduplicated students and their families. With the needs of our unduplicated students and their families in mind, this action will be provided on a schoolwide basis. It was found effective in the current school year and will be continued in the coming school year. We expect this action will help further engage our families in</p>	<p>better in core subjects and electives (Source: SIS)</p> <p>Goal 4:</p> <ul style="list-style-type: none"> <li>• Number of activities/events for parent involvement per year (Source: Local Indicator Priority 3)</li> <li>• Percentage of students who have been home-visited by the teachers per year (Source: Local Indicator Priority 3, SIS)</li> <li>• Average Daily Attendance (ADA) Rate (Source: SIS)</li> <li>• Chronic Absenteeism Rate (Source: CA School Dashboard, SIS)</li> <li>• Middle School Dropout Rate (Source: CALPADS)</li> <li>• High School Dropout Rate</li> </ul>

Goal and Action #	Identified Need(s)	How the Action(s) Address Need(s) and Why it is Provided on an LEA-wide or Schoolwide Basis	Metric(s) to Monitor Effectiveness
4.4	<p><b>Action:</b> Annual educational partner surveys</p> <p><b>Need:</b> It is important that parents, students, and staff are engaged in the development of all school plans, including, but not limited to, the LCAP, SPSA (Charter School uses the LCAP to serve as the SPSA), and WASC Self-Study. Charter School wishes to engage all parents, to the extent applicable, in the process of school review and improvement. The majority of Charter School's student population consists of low-income and socioeconomically disadvantaged students, English learners, and students with disabilities. To engage all students and families equitably, it is necessary to understand the cultures, languages, needs and interests of students and families in our school community. Educational partner voices, i.e., voices of our students, families, staff, and other school community members, play a powerful role in helping us learn how to improve our teaching, leadership, and other school practices. In order to engage educational partners in an organized, ongoing and timely manner in the planning, review and improvement of our programs, Charter School needs to provide multiple channels to engage educational partners in decision making. Surveys have been the primary means of collecting student, family, and staff voices about what we are doing great and should keep doing, and what areas for improvement</p>	<p>Considering the needs of our unduplicated students and their families, MPS uses an online platform to provide students, families, and staff with groups of questions that measure their perceptions of teaching and learning, as well as their perceptions of school climate and safety. This feedback instrument provides teachers and school leaders with valuable data about how students see their classes, how much parents are involved, how supported staff feel and how to facilitate improvement. Charter School will annually administer school experience surveys to students, parents, and staff. Charter School will implement the CORE DISTRICTS Survey instrument to assess our educational partners' perceptions of the following school climate indicators: climate of support for academic learning; knowledge and fairness of discipline, rules and norms; safety; and sense of belonging (school connectedness). In addition, we ask our educational partners open-ended questions about what they like the best and the least about the school and suggestions for improvement. This feedback instrument provides all staff and school leaders with valuable information about how students see their classes, how much parents are involved, how supported staff feel and how to facilitate improvement. Our staff will analyze the survey results to identify the greatest progress and needs in order to inform our next steps. The surveys help identify and plan for increased and improved services for our unduplicated students and their families. With the needs of our unduplicated students and their families in mind, this action will be provided on a schoolwide basis. It was found effective in the</p>	<p>Goal 4:</p> <ul style="list-style-type: none"> <li>• School experience survey "participation rates" by students, families, and staff (Source: Local Indicator Priority 6, Panorama Education)</li> <li>• School experience survey "average approval rates" based on the responses of our students, families, and staff to all questions on the survey in the following topics: climate of support for academic learning; knowledge and fairness of discipline, rules, and norms; safety; and sense of belonging (school connectedness) (Source: Local Indicator Priority</li> </ul>

(Source: Local Indicator Priority 6, Panorama Education)</li> </ul>
<p><b>4.5</b></p>	<p><b>Action:</b> Community outreach and partnerships</p> <p><b>Need:</b> The majority of Charter School's student population consists of low-income and socioeconomically disadvantaged students, English learners, and students with disabilities. Our low-income students come from underserved communities that do not have adequate resources and access to experiential learning opportunities. Many of our students are also the first generation in their families who will attend college. Most of them lack</p>	<p>Considering the needs of our vulnerable student groups in mind, Charter School will establish community, business, institutional and civic partnerships that invest in and support the vision and goals of the school. School staff will participate in local activities that engage community members and staff in communicating school successes to the broader community. Charter School will secure community support to sustain existing resources and add new resources that address emerging student needs. Charter School leadership will actively develop relationships with a range of educational partners, policymakers, and researchers to identify and</p>	<p>Goal 2:</p> <ul style="list-style-type: none"> <li>Percentage of students who have received a grade of "C" or better in core subjects and electives (Source: SIS)</li> </ul> <p>Goal 4:</p> <ul style="list-style-type: none"> <li>Average Daily Attendance</li> </ul>

Goal and Action #	Identified Need(s)	How the Action(s) Address Need(s) and Why it is Provided on an LEA-wide or Schoolwide Basis	Metric(s) to Monitor Effectiveness
	<p>parental support and experience financial difficulties. Our students have a great need for guidance about college/career choices and support for preparation. These student groups have social and emotional conditions that influence academic learning, as evidenced by the performance gaps on the CA School Dashboard, CAASPP results, and other available data. They also have lower ADA rates while they have higher chronic absenteeism and office referral rates. Children living in poverty are more likely to incur more adverse childhood experiences including abuse, neglect, exposure to neighborhood violence, or an incarcerated parent. Foster youth and English learners may experience feelings of anxiety and confusion. Charter School needs to take action to address the unique academic, social and emotional needs of low-income students, students with disabilities, English learners, racial and ethnic minorities, students experiencing homelessness, and foster care youth.</p> <p><b>Scope:</b> LEA-wide</p>	<p>address issues, trends, and potential changes that affect the context and conduct of education. These activities will result in increased and improved resources for our unduplicated students and will be particularly helpful for first-generation college-bound students who lack parental support strategies and experience financial constraints. With the needs of our unduplicated students and their families in mind, this action will be provided on a schoolwide basis. It was found effective in the current school year and will be continued in the coming school year. We expect this action will provide students and families with information and resources to support student learning and development. We also expect this action will result in increased academic achievement and lifelong learning as measured by the LCAP metrics in Goals 2 and 3, increased ADA rate, and graduation rate, and decreased chronic absenteeism rate, dropout rate, and student suspension/expulsion rates as measured in Goal 4. We also expect this action will result in increased student, parent, and staff satisfaction rates as measured in Goal 4.</p>	<p>(ADA) Rate (Source: SIS)</p> <ul style="list-style-type: none"> <li>• Chronic Absenteeism Rate (Source: CA School Dashboard, SIS)</li> <li>• Middle School Dropout Rate (Source: CALPADS)</li> <li>• Student Suspension Rate (Source: CA School Dashboard, CALPADS)</li> <li>• Student Expulsion Rate (Source: CDE DataQuest, CALPADS)</li> <li>• School experience survey "average approval rates" based on the responses of our students, families, and staff to all questions on the survey in the following topics: climate of support for academic learning; knowledge and</li> </ul>

(Source: Local Indicator Priority 6, Panorama Education)</li> </ul>

**Limited Actions**

For each action being solely provided to one or more unduplicated student group(s), provide an explanation of (1) the unique identified need(s) of the unduplicated student group(s) being served, (2) how the action is designed to address the identified need(s), and (3) how the effectiveness of the action in improving outcomes for the unduplicated student group(s) will be measured.

Goal and Action #	Identified Need(s)	How the Action(s) are Designed to Address Need(s)	Metric(s) to Monitor Effectiveness
-------------------	--------------------	---	------------------------------------

For any limited action contributing to meeting the increased or improved services requirement that is associated with a Planned Percentage of Improved Services in the Contributing Summary Table rather than an expenditure of LCFF funds, describe the methodology that was used to determine the contribution of the action towards the proportional percentage, as applicable.

**Additional Concentration Grant Funding**

A description of the plan for how the additional concentration grant add-on funding identified above will be used to increase the number of staff providing direct services to students at schools that have a high concentration (above 55 percent) of foster youth, English learners, and low-income students, as applicable.

Similar to the current academic year, MSA San Diego will utilize the concentration grant add-on funds (\$47,925) in the following manner:

MSA San Diego is using the concentration grant add-on funds received in a manner which is consistent with California Education Code Section 42238.02, as amended, to increase the number of certificated staff, classified staff, or both, including custodial staff, who provide direct services to students on school campuses with greater than 55 percent unduplicated pupil enrollment, as compared to schools with an enrollment of unduplicated students that is equal to or less than 55 percent.

By adding these faculty/staff members, we aim to strengthen our ability to address the diverse needs of our student population and provide targeted support where it is most needed. This strategic allocation of funds will help create a more conducive learning environment and contribute to our student's overall growth and achievement.

<b>Staff-to-student ratios by type of school and concentration of unduplicated students</b>	Schools with a student concentration of 55 percent or less	Schools with a student concentration of greater than 55 percent
Staff-to-student ratio of classified staff providing direct services to students		

<b>Staff-to-student ratios by type of school and concentration of unduplicated students</b>	Schools with a student concentration of 55 percent or less	Schools with a student concentration of greater than 55 percent
Staff-to-student ratio of certificated staff providing direct services to students

# Local Control and Accountability Plan Instructions

[Plan Summary](#)

[Engaging Educational Partners](#)

[Goals and Actions](#)

[Increased or Improved Services for Foster Youth, English Learners, and Low-Income Students](#)

For additional questions or technical assistance related to the completion of the Local Control and Accountability Plan (LCAP) template, please contact the local county office of education (COE), or the California Department of Education's (CDE's) Local Agency Systems Support Office, by phone at 916-319-0809 or by email at [LCFF@cde.ca.gov](mailto:LCFF@cde.ca.gov).

## Introduction and Instructions

The Local Control Funding Formula (LCFF) requires local educational agencies (LEAs) to engage their local educational partners in an annual planning process to evaluate their progress within eight state priority areas encompassing all statutory metrics (COEs have 10 state priorities). LEAs document the results of this planning process in the LCAP using the template adopted by the State Board of Education.

The LCAP development process serves three distinct, but related functions:

- **Comprehensive Strategic Planning:** The process of developing and annually updating the LCAP supports comprehensive strategic planning, particularly to address and reduce disparities in opportunities and outcomes between student groups indicated by the California School Dashboard (California *Education Code* [EC] Section 52064[e][1]). Strategic planning that is comprehensive connects budgetary decisions to teaching and learning performance data. LEAs should continually evaluate the hard choices they make about the use of limited resources to meet student and community needs to ensure opportunities and outcomes are improved for all students.
- **Meaningful Engagement of Educational Partners:** The LCAP development process should result in an LCAP that reflects decisions made through meaningful engagement (EC Section 52064[e][1]). Local educational partners possess valuable perspectives and insights about an LEA's programs and services. Effective strategic planning will incorporate these perspectives and insights in order to identify potential goals and actions to be included in the LCAP.
- **Accountability and Compliance:** The LCAP serves an important accountability function because the nature of some LCAP template sections require LEAs to show that they have complied with various requirements specified in the LCFF statutes and regulations, most notably:
  - Demonstrating that LEAs are increasing or improving services for foster youth, English learners, including long-term English learners, and low-income students in proportion to the amount of additional funding those students generate under LCFF (EC Section 52064[b][4-6]).
  - Establishing goals, supported by actions and related expenditures, that address the statutory priority areas and statutory metrics (EC sections 52064[b][1] and [2]).
    - **NOTE:** As specified in EC Section 62064(b)(1), the LCAP must provide a description of the annual goals, for all pupils and each subgroup of pupils identified pursuant to EC Section 52052, to be achieved for each of the state priorities. Beginning in 2023–24, EC

Section 52052 identifies long-term English learners as a separate and distinct pupil subgroup with a numerical significance at 15 students.

- Annually reviewing and updating the LCAP to reflect progress toward the goals (*EC* Section 52064[b][7]).
- Ensuring that all increases attributable to supplemental and concentration grant calculations, including concentration grant add-on funding and/or LCFF carryover, are reflected in the LCAP (*EC* sections 52064[b][6], [8], and [11]).

The LCAP template, like each LEA's final adopted LCAP, is a document, not a process. LEAs must use the template to memorialize the outcome of their LCAP development process, which must: (a) reflect comprehensive strategic planning, particularly to address and reduce disparities in opportunities and outcomes between student groups indicated by the California School Dashboard (Dashboard), (b) through meaningful engagement with educational partners that (c) meets legal requirements, as reflected in the final adopted LCAP. The sections included within the LCAP template do not and cannot reflect the full development process, just as the LCAP template itself is not intended as a tool for engaging educational partners.

If a county superintendent of schools has jurisdiction over a single school district, the county board of education and the governing board of the school district may adopt and file for review and approval a single LCAP consistent with the requirements in *EC* sections 52060, 52062, 52066, 52068, and 52070. The LCAP must clearly articulate to which entity's budget (school district or county superintendent of schools) all budgeted and actual expenditures are aligned.

The revised LCAP template for the 2024–25, 2025–26, and 2026–27 school years reflects statutory changes made through Senate Bill 114 (Committee on Budget and Fiscal Review), Chapter 48, Statutes of 2023.

At its most basic, the adopted LCAP should attempt to distill not just what the LEA is doing for students in transitional kindergarten through grade twelve (TK–12), but also allow educational partners to understand why, and whether those strategies are leading to improved opportunities and outcomes for students. LEAs are strongly encouraged to use language and a level of detail in their adopted LCAPs intended to be meaningful and accessible for the LEA's diverse educational partners and the broader public.

In developing and finalizing the LCAP for adoption, LEAs are encouraged to keep the following overarching frame at the forefront of the strategic planning and educational partner engagement functions:

Given present performance across the state priorities and on indicators in the Dashboard, how is the LEA using its budgetary resources to respond to TK–12 student and community needs, and address any performance gaps, including by meeting its obligation to increase or improve services for foster youth, English learners, and low-income students?

LEAs are encouraged to focus on a set of metrics and actions which, based on research, experience, and input gathered from educational partners, the LEA believes will have the biggest impact on behalf of its TK–12 students.

These instructions address the requirements for each section of the LCAP, but may include information about effective practices when developing the LCAP and completing the LCAP document. Additionally, the beginning of each template section includes information emphasizing the purpose that section serves.

# Plan Summary

## Purpose

A well-developed Plan Summary section provides a meaningful context for the LCAP. This section provides information about an LEA's community as well as relevant information about student needs and performance. In order to present a meaningful context for the rest of the LCAP, the content of this section should be clearly and meaningfully related to the content included throughout each subsequent section of the LCAP.

## Requirements and Instructions

### General Information

A description of the LEA, its schools, and its students in grades transitional kindergarten–12, as applicable to the LEA.

Briefly describe the LEA, its schools, and its students in grades TK–12, as applicable to the LEA.

- For example, information about an LEA in terms of geography, enrollment, employment, the number and size of specific schools, recent community challenges, and other such information the LEA may wish to include can enable a reader to more fully understand the LEA's LCAP.
- As part of this response, identify all schools within the LEA receiving Equity Multiplier funding.

### Reflections: Annual Performance

A reflection on annual performance based on a review of the California School Dashboard (Dashboard) and local data.

Reflect on the LEA's annual performance on the Dashboard and local data. This may include both successes and challenges identified by the LEA during the development process.

LEAs are encouraged to highlight how they are addressing the identified needs of student groups, and/or schools within the LCAP as part of this response.

As part of this response, the LEA must identify the following, which will remain unchanged during the three-year LCAP cycle:

- Any school within the LEA that received the lowest performance level on one or more state indicators on the 2023 Dashboard;
- Any student group within the LEA that received the lowest performance level on one or more state indicators on the 2023 Dashboard; and/or
- Any student group within a school within the LEA that received the lowest performance level on one or more state indicators on the 2023 Dashboard.

### Reflections: Technical Assistance

As applicable, a summary of the work underway as part of technical assistance.

Annually identify the reason(s) the LEA is eligible for or has requested technical assistance consistent with *EC* sections 47607.3, 52071, 52071.5, 52072, or 52072.5, and provide a summary of the work underway as part of receiving technical assistance. The most common form of this technical assistance is frequently referred to as Differentiated Assistance, however this also includes LEAs that have requested technical assistance from their COE.

- If the LEA is not eligible for or receiving technical assistance, the LEA may respond to this prompt as “Not Applicable.”

### **Comprehensive Support and Improvement**

An LEA with a school or schools identified for comprehensive support and improvement (CSI) under the Every Student Succeeds Act must respond to the following prompts:

#### Schools Identified

A list of the schools in the LEA that are eligible for comprehensive support and improvement.

- Identify the schools within the LEA that have been identified for CSI.

#### Support for Identified Schools

A description of how the LEA has or will support its eligible schools in developing comprehensive support and improvement plans.

- Describe how the LEA has or will support the identified schools in developing CSI plans that included a school-level needs assessment, evidence-based interventions, and the identification of any resource inequities to be addressed through the implementation of the CSI plan.

#### Monitoring and Evaluating Effectiveness

A description of how the LEA will monitor and evaluate the plan to support student and school improvement.

- Describe how the LEA will monitor and evaluate the implementation and effectiveness of the CSI plan to support student and school improvement.

## **Engaging Educational Partners**

### **Purpose**

Significant and purposeful engagement of parents, students, educators, and other educational partners, including those representing the student groups identified by LCFF, is critical to the development of the LCAP and the budget process. Consistent with statute, such engagement should support comprehensive strategic planning, particularly to address and reduce disparities in opportunities and outcomes between student groups indicated by the Dashboard, accountability, and improvement across the state priorities and locally identified priorities (*EC* Section 52064[e][1]). Engagement of educational partners is an ongoing, annual process.

This section is designed to reflect how the engagement of educational partners influenced the decisions reflected in the adopted LCAP. The goal is to allow educational partners that participated in the LCAP development process and the broader public to understand how the LEA engaged educational partners and the impact of that engagement. LEAs are encouraged to keep this goal in the forefront when completing this section.

### **Requirements**

**School districts and COEs:** *EC* sections [52060\(g\) \(California Legislative Information\)](#) and [52066\(g\) \(California Legislative Information\)](#) specify the educational partners that must be consulted when developing the LCAP:

- Teachers,
- Principals,
- Administrators,
- Other school personnel,
- Local bargaining units of the LEA,
- Parents, and
- Students

A school district or COE receiving Equity Multiplier funds must also consult with educational partners at schools generating Equity Multiplier funds in the development of the LCAP, specifically, in the development of the required focus goal for each applicable school.

Before adopting the LCAP, school districts and COEs must share it with the applicable committees, as identified below under Requirements and Instructions. The superintendent is required by statute to respond in writing to the comments received from these committees. School districts and COEs must also consult with the special education local plan area administrator(s) when developing the LCAP.

**Charter schools:** *EC* Section [47606.5\(d\) \(California Legislative Information\)](#) requires that the following educational partners be consulted with when developing the LCAP:

- Teachers,
- Principals,
- Administrators,
- Other school personnel,
- Parents, and
- Students

A charter school receiving Equity Multiplier funds must also consult with educational partners at the school generating Equity Multiplier funds in the development of the LCAP, specifically, in the development of the required focus goal for the school.

The LCAP should also be shared with, and LEAs should request input from, schoolsite-level advisory groups, as applicable (e.g., schoolsite councils, English Learner Advisory Councils, student advisory groups, etc.), to facilitate alignment between schoolsite and district-level goals. Information and resources that support effective engagement, define student consultation, and provide the requirements for advisory group composition, can be found under Resources on the [CDE's LCAP webpage](#).

Before the governing board/body of an LEA considers the adoption of the LCAP, the LEA must meet the following legal requirements:

- For school districts, see [Education Code Section 52062 \(California Legislative Information\)](#);
  - **Note:** Charter schools using the LCAP as the School Plan for Student Achievement must meet the requirements of *EC* Section 52062(a).

- For COEs, see [Education Code Section 52068 \(California Legislative Information\)](#); and
- For charter schools, see [Education Code Section 47606.5 \(California Legislative Information\)](#).
- **NOTE:** As a reminder, the superintendent of a school district or COE must respond, in writing, to comments received by the applicable committees identified in the *Education Code* sections listed above. This includes the parent advisory committee and may include the English learner parent advisory committee and, as of July 1, 2024, the student advisory committee, as applicable.

## Instructions

### Respond to the prompts as follows:

A summary of the process used to engage educational partners in the development of the LCAP.

School districts and county offices of education must, at a minimum, consult with teachers, principals, administrators, other school personnel, local bargaining units, parents, and students in the development of the LCAP.

Charter schools must, at a minimum, consult with teachers, principals, administrators, other school personnel, parents, and students in the development of the LCAP.

An LEA receiving Equity Multiplier funds must also consult with educational partners at schools generating Equity Multiplier funds in the development of the LCAP, specifically, in the development of the required focus goal for each applicable school.

### Complete the table as follows:

#### Educational Partners

Identify the applicable educational partner(s) or group(s) that were engaged in the development of the LCAP.

#### Process for Engagement

Describe the engagement process used by the LEA to involve the identified educational partner(s) in the development of the LCAP. At a minimum, the LEA must describe how it met its obligation to consult with all statutorily required educational partners, as applicable to the type of LEA.

- A sufficient response to this prompt must include general information about the timeline of the process and meetings or other engagement strategies with educational partners. A response may also include information about an LEA's philosophical approach to engaging its educational partners.
- An LEA receiving Equity Multiplier funds must also include a summary of how it consulted with educational partners at schools generating Equity Multiplier funds in the development of the LCAP, specifically, in the development of the required focus goal for each applicable school.

A description of how the adopted LCAP was influenced by the feedback provided by educational partners.

Describe any goals, metrics, actions, or budgeted expenditures in the LCAP that were influenced by or developed in response to the educational partner feedback.

- A sufficient response to this prompt will provide educational partners and the public with clear, specific information about how the engagement process influenced the development of the LCAP. This may include a description of how the LEA prioritized requests of educational partners within the context of the budgetary resources available or otherwise prioritized areas of focus within the LCAP.
- An LEA receiving Equity Multiplier funds must include a description of how the consultation with educational partners at schools generating Equity Multiplier funds influenced the development of the adopted LCAP.
- For the purposes of this prompt, this may also include, but is not necessarily limited to:
  - Inclusion of a goal or decision to pursue a Focus Goal (as described below)
  - Inclusion of metrics other than the statutorily required metrics
  - Determination of the target outcome on one or more metrics
  - Inclusion of performance by one or more student groups in the Measuring and Reporting Results subsection
  - Inclusion of action(s) or a group of actions
  - Elimination of action(s) or group of actions
  - Changes to the level of proposed expenditures for one or more actions
  - Inclusion of action(s) as contributing to increased or improved services for unduplicated students
  - Analysis of effectiveness of the specific actions to achieve the goal
  - Analysis of material differences in expenditures
  - Analysis of changes made to a goal for the ensuing LCAP year based on the annual update process
  - Analysis of challenges or successes in the implementation of actions

## Goals and Actions

### Purpose

Well-developed goals will clearly communicate to educational partners what the LEA plans to accomplish, what the LEA plans to do in order to accomplish the goal, and how the LEA will know when it has accomplished the goal. A goal statement, associated metrics and expected outcomes, and the actions included in the goal must be in alignment. The explanation for why the LEA included a goal is an opportunity for LEAs to clearly communicate to educational partners and the public why, among the various strengths and areas for improvement highlighted by performance data and strategies and actions that could be pursued, the LEA decided to pursue this goal, and the related metrics, expected outcomes, actions, and expenditures.

A well-developed goal can be focused on the performance relative to a metric or metrics for all students, a specific student group(s), narrowing performance gaps, or implementing programs or strategies expected to impact outcomes. LEAs should assess the performance of their student groups when developing goals and the related actions to achieve such goals.

### Requirements and Instructions

LEAs should prioritize the goals, specific actions, and related expenditures included within the LCAP within one or more state priorities. LEAs must consider performance on the state and local indicators, including their locally collected and reported data for the local indicators that are included in the Dashboard, in determining whether and how to prioritize its goals within the LCAP. As previously stated, strategic planning that

is comprehensive connects budgetary decisions to teaching and learning performance data. LEAs should continually evaluate the hard choices they make about the use of limited resources to meet student and community needs to ensure opportunities and outcomes are improved for all students, and to address and reduce disparities in opportunities and outcomes between student groups indicated by the Dashboard.

In order to support prioritization of goals, the LCAP template provides LEAs with the option of developing three different kinds of goals:

- **Focus Goal:** A Focus Goal is relatively more concentrated in scope and may focus on a fewer number of metrics to measure improvement. A Focus Goal statement will be time bound and make clear how the goal is to be measured.
  - All Equity Multiplier goals must be developed as focus goals. For additional information, see Required Focus Goal(s) for LEAs Receiving Equity Multiplier Funding below.
- **Broad Goal:** A Broad Goal is relatively less concentrated in its scope and may focus on improving performance across a wide range of metrics.
- **Maintenance of Progress Goal:** A Maintenance of Progress Goal includes actions that may be ongoing without significant changes and allows an LEA to track performance on any metrics not addressed in the other goals of the LCAP.

### Requirement to Address the LCFF State Priorities

At a minimum, the LCAP must address all LCFF priorities and associated metrics articulated in *EC* sections 52060(d) and 52066(d), as applicable to the LEA. The [LCFF State Priorities Summary](#) provides a summary of *EC* sections 52060(d) and 52066(d) to aid in the development of the LCAP.

Respond to the following prompts, as applicable:

#### Focus Goal(s)

##### Description

The description provided for a Focus Goal must be specific, measurable, and time bound.

- An LEA develops a Focus Goal to address areas of need that may require or benefit from a more specific and data intensive approach.
- The Focus Goal can explicitly reference the metric(s) by which achievement of the goal will be measured and the time frame according to which the LEA expects to achieve the goal.

##### Type of Goal

Identify the type of goal being implemented as a Focus Goal.

##### State Priorities addressed by this goal.

Identify each of the state priorities that this goal is intended to address.

##### An explanation of why the LEA has developed this goal.

Explain why the LEA has chosen to prioritize this goal.

- An explanation must be based on Dashboard data or other locally collected data.
- LEAs must describe how the LEA identified this goal for focused attention, including relevant consultation with educational partners.
- LEAs are encouraged to promote transparency and understanding around the decision to pursue a focus goal.

### Required Focus Goal(s) for LEAs Receiving Equity Multiplier Funding

#### Description

LEAs receiving Equity Multiplier funding must include one or more focus goals for each school generating Equity Multiplier funding. In addition to addressing the focus goal requirements described above, LEAs must adhere to the following requirements.

Focus goals for Equity Multiplier schoolsites must address the following:

- (A) All student groups that have the lowest performance level on one or more state indicators on the Dashboard, and
- (B) Any underlying issues in the credentialing, subject matter preparation, and retention of the school's educators, if applicable.
- Focus Goals for each and every Equity Multiplier schoolsite must identify specific metrics for each identified student group, as applicable.
- An LEA may create a single goal for multiple Equity Multiplier schoolsites if those schoolsites have the same student group(s) performing at the lowest performance level on one or more state indicators on the Dashboard or, experience similar issues in the credentialing, subject matter preparation, and retention of the school's educators.
  - When creating a single goal for multiple Equity Multiplier schoolsites, the goal must identify the student groups and the performance levels on the Dashboard that the Focus Goal is addressing; or,
  - The common issues the schoolsites are experiencing in credentialing, subject matter preparation, and retention of the school's educators, if applicable.

#### Type of Goal

Identify the type of goal being implemented as an Equity Multiplier Focus Goal.

#### State Priorities addressed by this goal.

Identify each of the state priorities that this goal is intended to address.

#### An explanation of why the LEA has developed this goal.

Explain why the LEA has chosen to prioritize this goal.

- An explanation must be based on **Dashboard data or other locally collected data.**
- LEAs must describe how the LEA identified this goal for focused attention, including relevant consultation with educational partners.
- LEAs are encouraged to promote transparency and understanding around the decision to pursue a focus goal.
- In addition to this information, the LEA must also identify:
  - The school or schools to which the goal applies

LEAs are encouraged to approach an Equity Multiplier goal from a wholistic standpoint, considering how the goal might maximize student outcomes through the use of LCFF and other funding in addition to Equity Multiplier funds.

- Equity Multiplier funds must be used to supplement, not supplant, funding provided to Equity Multiplier schoolsites for purposes of the LCFF, the Expanded Learning Opportunities Program (ELO-P), the Literacy Coaches and Reading Specialists (LCRS) Grant Program, and/or the California Community Schools Partnership Program (CCSPP).
- This means that Equity Multiplier funds must not be used to replace funding that an Equity Multiplier schoolsite would otherwise receive to implement LEA-wide actions identified in the LCAP or that an Equity Multiplier schoolsite would otherwise receive to implement provisions of the ELO-P, the LCRS, and/or the CCSPP.

**Note:** EC Section [42238.024\(b\)\(1\) \(California Legislative Information\)](#) requires that Equity Multiplier funds be used for the provision of evidence-based services and supports for students. Evidence-based services and supports are based on objective evidence that has informed the design of the service or support and/or guides the modification of those services and supports. Evidence-based supports and strategies are most commonly based on educational research and/or metrics of LEA, school, and/or student performance.

## Broad Goal

### Description

Describe what the LEA plans to achieve through the actions included in the goal.

- The description of a broad goal will be clearly aligned with the expected measurable outcomes included for the goal.
- The goal description organizes the actions and expected outcomes in a cohesive and consistent manner.
- A goal description is specific enough to be measurable in either quantitative or qualitative terms. A broad goal is not as specific as a focus goal. While it is specific enough to be measurable, there are many different metrics for measuring progress toward the goal.

### Type of Goal

Identify the type of goal being implemented as a Broad Goal.

### State Priorities addressed by this goal.

Identify each of the state priorities that this goal is intended to address.

An explanation of why the LEA has developed this goal.

Explain why the LEA developed this goal and how the actions and metrics grouped together will help achieve the goal.

### **Maintenance of Progress Goal**

#### Description

Describe how the LEA intends to maintain the progress made in the LCFF State Priorities not addressed by the other goals in the LCAP.

- Use this type of goal to address the state priorities and applicable metrics not addressed within the other goals in the LCAP.
- The state priorities and metrics to be addressed in this section are those for which the LEA, in consultation with educational partners, has determined to maintain actions and monitor progress while focusing implementation efforts on the actions covered by other goals in the LCAP.

#### Type of Goal

Identify the type of goal being implemented as a Maintenance of Progress Goal.

#### State Priorities addressed by this goal.

Identify each of the state priorities that this goal is intended to address.

An explanation of why the LEA has developed this goal.

Explain how the actions will sustain the progress exemplified by the related metrics.

### **Measuring and Reporting Results:**

For each LCAP year, identify the metric(s) that the LEA will use to track progress toward the expected outcomes.

- LEAs must identify metrics for specific student groups, as appropriate, including expected outcomes that address and reduce disparities in outcomes between student groups.
- The metrics may be quantitative or qualitative; but at minimum, an LEA's LCAP must include goals that are measured using all of the applicable metrics for the related state priorities, in each LCAP year, as applicable to the type of LEA.
- To the extent a state priority does not specify one or more metrics (e.g., implementation of state academic content and performance standards), the LEA must identify a metric to use within the LCAP. For these state priorities, LEAs are encouraged to use metrics based on or reported through the relevant local indicator self-reflection tools within the Dashboard.

- **Required metrics for LEA-wide actions:** For each action identified as 1) contributing towards the requirement to increase or improve services for foster youth, English learners, including long-term English learners, and low-income students and 2) being provided on an LEA-wide basis, the LEA must identify one or more metrics to monitor the effectiveness of the action and its budgeted expenditures.
  - These required metrics may be identified within the action description or the first prompt in the increased or improved services section, however the description must clearly identify the metric(s) being used to monitor the effectiveness of the action and the action(s) that the metric(s) apply to.
  
- **Required metrics for Equity Multiplier goals:** For each Equity Multiplier goal, the LEA must identify:
  - The specific metrics for each identified student group at each specific schoolsite, as applicable, to measure the progress toward the goal, and/or
  - The specific metrics used to measure progress in meeting the goal related to credentialing, subject matter preparation, or educator retention at each specific schoolsite.

Complete the table as follows:

Metric #
<ul style="list-style-type: none"> <li>● Enter the metric number.</li> </ul>
Metric
<ul style="list-style-type: none"> <li>● Identify the standard of measure being used to determine progress towards the goal and/or to measure the effectiveness of one or more actions associated with the goal.</li> </ul>
Baseline
<ul style="list-style-type: none"> <li>● Enter the baseline when completing the LCAP for 2024–25.                             <ul style="list-style-type: none"> <li>○ Use the most recent data associated with the metric available at the time of adoption of the LCAP for the first year of the three-year plan. LEAs may use data as reported on the 2023 Dashboard for the baseline of a metric only if that data represents the most recent available data (e.g., high school graduation rate).</li> <li>○ Using the most recent data available may involve reviewing data the LEA is preparing for submission to the California Longitudinal Pupil Achievement Data System (CALPADS) or data that the LEA has recently submitted to CALPADS.</li> <li>○ Indicate the school year to which the baseline data applies.</li> <li>○ The baseline data must remain unchanged throughout the three-year LCAP.                                     <ul style="list-style-type: none"> <li>▪ This requirement is not intended to prevent LEAs from revising the baseline data if it is necessary to do so. For example, if an LEA identifies that its data collection practices for a particular metric are leading to inaccurate data and revises its practice to obtain</li> </ul> </li> </ul> </li> </ul>

accurate data, it would also be appropriate for the LEA to revise the baseline data to align with the more accurate data process and report its results using the accurate data.

- If an LEA chooses to revise its baseline data, then, at a minimum, it must clearly identify the change as part of its response to the description of changes prompt in the Goal Analysis for the goal. LEAs are also strongly encouraged to involve their educational partners in the decision of whether or not to revise a baseline and to communicate the proposed change to their educational partners.
- Note for Charter Schools: Charter schools developing a one- or two-year LCAP may identify a new baseline each year, as applicable.

## Year 1 Outcome

- When completing the LCAP for 2025–26, enter the most recent data available. Indicate the school year to which the data applies.
  - Note for Charter Schools: Charter schools developing a one-year LCAP may provide the Year 1 Outcome when completing the LCAP for both 2025–26 and 2026–27 or may provide the Year 1 Outcome for 2025–26 and provide the Year 2 Outcome for 2026–27.

## Year 2 Outcome

- When completing the LCAP for 2026–27, enter the most recent data available. Indicate the school year to which the data applies.
  - Note for Charter Schools: Charter schools developing a one-year LCAP may identify the Year 2 Outcome as not applicable when completing the LCAP for 2026–27 or may provide the Year 2 Outcome for 2026–27.

## Target for Year 3 Outcome

- When completing the first year of the LCAP, enter the target outcome for the relevant metric the LEA expects to achieve by the end of the three-year LCAP cycle.
  - Note for Charter Schools: Charter schools developing a one- or two-year LCAP may identify a Target for Year 1 or Target for Year 2, as applicable.

## Current Difference from Baseline

- When completing the LCAP for 2025–26 and 2026–27, enter the current difference between the baseline and the yearly outcome, as applicable.
  - Note for Charter Schools: Charter schools developing a one- or two-year LCAP will identify the current difference between the baseline and the yearly outcome for Year 1 and/or the current difference between the baseline and the yearly outcome for Year 2, as applicable.

Timeline for school districts and COEs for completing the **“Measuring and Reporting Results”** part of the Goal.

Metric	Baseline	Year 1 Outcome	Year 2 Outcome	Target for Year 3 Outcome	Current Difference from Baseline
Enter information in this box when completing the LCAP for <b>2024–25</b> or when adding a new metric.	Enter information in this box when completing the LCAP for <b>2024–25</b> or when adding a new metric.	Enter information in this box when completing the LCAP for <b>2025–26</b> . Leave blank until then.	Enter information in this box when completing the LCAP for <b>2026–27</b> . Leave blank until then.	Enter information in this box when completing the LCAP for <b>2024–25</b> or when adding a new metric.	Enter information in this box when completing the LCAP for <b>2025–26</b> and <b>2026–27</b> . Leave blank until then.

**Goal Analysis:**

Enter the LCAP Year.

Using actual annual measurable outcome data, including data from the Dashboard, analyze whether the planned actions were effective towards achieving the goal. “Effective” means the degree to which the planned actions were successful in producing the target result. Respond to the prompts as instructed.

**Note:** When completing the 2024–25 LCAP, use the 2023–24 Local Control and Accountability Plan Annual Update template to complete the Goal Analysis and identify the Goal Analysis prompts in the 2024–25 LCAP as “Not Applicable.”

A description of overall implementation, including any substantive differences in planned actions and actual implementation of these actions, and any relevant challenges and successes experienced with implementation.

- Describe the overall implementation of the actions to achieve the articulated goal, including relevant challenges and successes experienced with implementation.
  - Include a discussion of relevant challenges and successes experienced with the implementation process.
  - This discussion must include any instance where the LEA did not implement a planned action or implemented a planned action in a manner that differs substantively from how it was described in the adopted LCAP.

An explanation of material differences between Budgeted Expenditures and Estimated Actual Expenditures and/or Planned Percentages of Improved Services and Estimated Actual Percentages of Improved Services.

- Explain material differences between Budgeted Expenditures and Estimated Actual Expenditures and between the Planned Percentages of Improved Services and Estimated Actual Percentages of Improved Services, as applicable. Minor variances in expenditures or percentages do not need to be addressed, and a dollar-for-dollar accounting is not required.

### A description of the effectiveness or ineffectiveness of the specific actions to date in making progress toward the goal.

- Describe the effectiveness or ineffectiveness of the specific actions to date in making progress toward the goal. “Effectiveness” means the degree to which the actions were successful in producing the target result and “ineffectiveness” means that the actions did not produce any significant or targeted result.
  - In some cases, not all actions in a goal will be intended to improve performance on all of the metrics associated with the goal.
  - When responding to this prompt, LEAs may assess the effectiveness of a single action or group of actions within the goal in the context of performance on a single metric or group of specific metrics within the goal that are applicable to the action(s). Grouping actions with metrics will allow for more robust analysis of whether the strategy the LEA is using to impact a specified set of metrics is working and increase transparency for educational partners. LEAs are encouraged to use such an approach when goals include multiple actions and metrics that are not closely associated.
  - Beginning with the development of the 2024–25 LCAP, the LEA must change actions that have not proven effective over a three-year period.

### A description of any changes made to the planned goal, metrics, target outcomes, or actions for the coming year that resulted from reflections on prior practice.

- Describe any changes made to this goal, expected outcomes, metrics, or actions to achieve this goal as a result of this analysis and analysis of the data provided in the Dashboard or other local data, as applicable.
  - As noted above, beginning with the development of the 2024–25 LCAP, the LEA must change actions that have not proven effective over a three-year period. For actions that have been identified as ineffective, the LEA must identify the ineffective action and must include a description of the following:
    - The reasons for the ineffectiveness, and
    - How changes to the action will result in a new or strengthened approach.

### Actions:

Complete the table as follows. Add additional rows as necessary.

#### Action #

- Enter the action number.

#### Title

- Provide a short title for the action. This title will also appear in the action tables.

#### Description

- Provide a brief description of the action.

- For actions that contribute to meeting the increased or improved services requirement, the LEA may include an explanation of how each action is principally directed towards and effective in meeting the LEA's goals for unduplicated students, as described in the instructions for the Increased or Improved Services for Foster Youth, English Learners, and Low-Income Students section.
- As previously noted, for each action identified as 1) contributing towards the requirement to increase or improve services for foster youth, English learners, including long-term English learners, and low-income students and 2) being provided on an LEA-wide basis, the LEA must identify one or more metrics to monitor the effectiveness of the action and its budgeted expenditures.
- These required metrics may be identified within the action description or the first prompt in the increased or improved services section; however, the description must clearly identify the metric(s) being used to monitor the effectiveness of the action and the action(s) that the metric(s) apply to.

## Total Funds

- Enter the total amount of expenditures associated with this action. Budgeted expenditures from specific fund sources will be provided in the action tables.

## Contributing

- Indicate whether the action contributes to meeting the increased or improved services requirement as described in the Increased or Improved Services section using a “Y” for Yes or an “N” for No.
  - **Note:** for each such contributing action, the LEA will need to provide additional information in the Increased or Improved Services section to address the requirements in *California Code of Regulations*, Title 5 [5 CCR] Section 15496 in the Increased or Improved Services section of the LCAP.

**Actions for Foster Youth:** School districts, COEs, and charter schools that have a numerically significant foster youth student subgroup are encouraged to include specific actions in the LCAP designed to meet needs specific to foster youth students.

## Required Actions

- LEAs with 30 or more English learners and/or 15 or more long-term English learners must include specific actions in the LCAP related to, at a minimum:
  - Language acquisition programs, as defined in *EC* Section 306, provided to students, and
  - Professional development for teachers.
  - If an LEA has both 30 or more English learners and 15 or more long-term English learners, the LEA must include actions for both English learners and long-term English learners.
- LEAs eligible for technical assistance pursuant to *EC* sections 47607.3, 52071, 52071.5, 52072, or 52072.5, must include specific actions within the LCAP related to its implementation of the work underway as part of technical assistance. The most common form of this technical assistance is frequently referred to as Differentiated Assistance.

- LEAs that have Red Dashboard indicators for (1) a school within the LEA, (2) a student group within the LEA, and/or (3) a student group within any school within the LEA must include one or more specific actions within the LCAP:
  - The specific action(s) must be directed towards the identified student group(s) and/or school(s) and must address the identified state indicator(s) for which the student group or school received the lowest performance level on the 2023 Dashboard. Each student group and/or school that receives the lowest performance level on the 2023 Dashboard must be addressed by one or more actions.
  - These required actions will be effective for the three-year LCAP cycle.

## Increased or Improved Services for Foster Youth, English Learners, and Low-Income Students

### Purpose

A well-written Increased or Improved Services section provides educational partners with a comprehensive description, within a single dedicated section, of how an LEA plans to increase or improve services for its unduplicated students as defined in *EC* Section 42238.02 in grades TK–12 as compared to all students in grades TK–12, as applicable, and how LEA-wide or schoolwide actions identified for this purpose meet regulatory requirements. Descriptions provided should include sufficient detail yet be sufficiently succinct to promote a broader understanding of educational partners to facilitate their ability to provide input. An LEA’s description in this section must align with the actions included in the Goals and Actions section as contributing.

Please Note: For the purpose of meeting the Increased or Improved Services requirement and consistent with *EC* Section 42238.02, long-term English learners are included in the English learner student group.

### Statutory Requirements

An LEA is required to demonstrate in its LCAP how it is increasing or improving services for its students who are foster youth, English learners, and/or low-income, collectively referred to as unduplicated students, as compared to the services provided to all students in proportion to the increase in funding it receives based on the number and concentration of unduplicated students in the LEA (*EC* Section 42238.07[a][1], *EC* Section 52064[b][8][B]; 5 *CCR* Section 15496[a]). This proportionality percentage is also known as the “minimum proportionality percentage” or “MPP.” The manner in which an LEA demonstrates it is meeting its MPP is two-fold: (1) through the expenditure of LCFF funds or through the identification of a Planned Percentage of Improved Services as documented in the Contributing Actions Table, and (2) through the explanations provided in the Increased or Improved Services for Foster Youth, English Learners, and Low-Income Students section.

To improve services means to grow services in quality and to increase services means to grow services in quantity. Services are increased or improved by those actions in the LCAP that are identified in the Goals and Actions section as contributing to the increased or improved services requirement, whether they are provided across the entire LEA (LEA-wide action), provided to an entire school (Schoolwide action), or solely provided to one or more unduplicated student group(s) (Limited action).

Therefore, for *any* action contributing to meet the increased or improved services requirement, the LEA must include an explanation of:

- How the action is increasing or improving services for the unduplicated student group(s) (Identified Needs and Action Design), and
- How the action meets the LEA's goals for its unduplicated pupils in the state and any local priority areas (Measurement of Effectiveness).

## LEA-wide and Schoolwide Actions

In addition to the above required explanations, LEAs must provide a justification for why an LEA-wide or Schoolwide action is being provided to all students and how the action is intended to improve outcomes for unduplicated student group(s) as compared to all students.

- Conclusory statements that a service will help achieve an expected outcome for the goal, without an explicit connection or further explanation as to how, are not sufficient.
- Further, simply stating that an LEA has a high enrollment percentage of a specific student group or groups does not meet the increased or improved services standard because enrolling students is not the same as serving students.

### For School Districts Only

Actions provided on an **LEA-wide** basis at **school districts with an unduplicated pupil percentage of less than 55 percent** must also include a description of how the actions are the most effective use of the funds to meet the district's goals for its unduplicated pupils in the state and any local priority areas. The description must provide the basis for this determination, including any alternatives considered, supporting research, experience, or educational theory.

Actions provided on a **Schoolwide** basis for **schools with less than 40 percent enrollment of unduplicated pupils** must also include a description of how these actions are the most effective use of the funds to meet the district's goals for its unduplicated pupils in the state and any local priority areas. The description must provide the basis for this determination, including any alternatives considered, supporting research, experience, or educational theory.

## Requirements and Instructions

Complete the tables as follows:

### Total Projected LCFF Supplemental and/or Concentration Grants

- Specify the amount of LCFF supplemental and concentration grant funds the LEA estimates it will receive in the coming year based on the number and concentration of foster youth, English learner, and low-income students. This amount includes the Additional 15 percent LCFF Concentration Grant.

### Projected Additional 15 percent LCFF Concentration Grant

- Specify the amount of additional LCFF concentration grant add-on funding, as described in *EC* Section 42238.02, that the LEA estimates it will receive in the coming year.

### Projected Percentage to Increase or Improve Services for the Coming School Year

- Specify the estimated percentage by which services for unduplicated pupils must be increased or improved as compared to the services provided to all students in the LCAP year as calculated pursuant to 5 *CCR* Section 15496(a)(7).

### LCFF Carryover — Percentage

- Specify the LCFF Carryover — Percentage identified in the LCFF Carryover Table. If a carryover percentage is not identified in the LCFF Carryover Table, specify a percentage of zero (0.00%).

**LCFF Carryover — Dollar**

- Specify the LCFF Carryover — Dollar amount identified in the LCFF Carryover Table. If a carryover amount is not identified in the LCFF Carryover Table, specify an amount of zero (\$0).

**Total Percentage to Increase or Improve Services for the Coming School Year**

- Add the Projected Percentage to Increase or Improve Services for the Coming School Year and the Proportional LCFF Required Carryover Percentage and specify the percentage. This is the LEA’s percentage by which services for unduplicated pupils must be increased or improved as compared to the services provided to all students in the LCAP year, as calculated pursuant to 5 CCR Section 15496(a)(7).

**Required Descriptions:**

**LEA-wide and Schoolwide Actions**

For each action being provided to an entire LEA or school, provide an explanation of (1) the unique identified need(s) of the unduplicated student group(s) for whom the action is principally directed, (2) how the action is designed to address the identified need(s) and why it is being provided on an LEA or schoolwide basis, and (3) the metric(s) used to measure the effectiveness of the action in improving outcomes for the unduplicated student group(s).

If the LEA has provided this required description in the Action Descriptions, state as such within the table.

Complete the table as follows:

**Identified Need(s)**

Provide an explanation of the unique identified need(s) of the LEA’s unduplicated student group(s) for whom the action is principally directed.

An LEA demonstrates how an action is principally directed towards an unduplicated student group(s) when the LEA explains the need(s), condition(s), or circumstance(s) of the unduplicated student group(s) identified through a needs assessment and how the action addresses them. A meaningful needs assessment includes, at a minimum, analysis of applicable student achievement data and educational partner feedback.

**How the Action(s) are Designed to Address Need(s) and Why it is Provided on an LEA-wide or Schoolwide Basis**

Provide an explanation of how the action as designed will address the unique identified need(s) of the LEA’s unduplicated student group(s) for whom the action is principally directed and the rationale for why the action is being provided on an LEA-wide or schoolwide basis.

- As stated above, conclusory statements that a service will help achieve an expected outcome for the goal, without an explicit connection or further explanation as to how, are not sufficient.

- Further, simply stating that an LEA has a high enrollment percentage of a specific student group or groups does not meet the increased or improved services standard because enrolling students is not the same as serving students.

### **Metric(s) to Monitor Effectiveness**

Identify the metric(s) being used to measure the progress and effectiveness of the action(s).

**Note for COEs and Charter Schools:** In the case of COEs and charter schools, schoolwide and LEA-wide are considered to be synonymous.

### **Limited Actions**

For each action being solely provided to one or more unduplicated student group(s), provide an explanation of (1) the unique identified need(s) of the unduplicated student group(s) being served, (2) how the action is designed to address the identified need(s), and (3) how the effectiveness of the action in improving outcomes for the unduplicated student group(s) will be measured.

If the LEA has provided the required descriptions in the Action Descriptions, state as such.

Complete the table as follows:

### **Identified Need(s)**

Provide an explanation of the unique need(s) of the unduplicated student group(s) being served identified through the LEA's needs assessment. A meaningful needs assessment includes, at a minimum, analysis of applicable student achievement data and educational partner feedback.

### **How the Action(s) are Designed to Address Need(s)**

Provide an explanation of how the action is designed to address the unique identified need(s) of the unduplicated student group(s) being served.

### **Metric(s) to Monitor Effectiveness**

Identify the metric(s) being used to measure the progress and effectiveness of the action(s).

For any limited action contributing to meeting the increased or improved services requirement that is associated with a Planned Percentage of Improved Services in the Contributing Summary Table rather than an expenditure of LCFF funds, describe the methodology that was used to determine the contribution of the action towards the proportional percentage, as applicable.

- For each action with an identified Planned Percentage of Improved Services, identify the goal and action number and describe the methodology that was used.
- When identifying a Planned Percentage of Improved Services, the LEA must describe the methodology that it used to determine the contribution of the action towards the proportional percentage. The percentage of improved services for an action corresponds to the amount of LCFF funding that the LEA estimates it would expend to implement the action if it were funded.

- For example, an LEA determines that there is a need to analyze data to ensure that instructional aides and expanded learning providers know what targeted supports to provide to students who are foster youth. The LEA could implement this action by hiring additional staff to collect and analyze data and to coordinate supports for students, which, based on the LEA's current pay scale, the LEA estimates would cost \$165,000. Instead, the LEA chooses to utilize a portion of existing staff time to analyze data relating to students who are foster youth. This analysis will then be shared with site principals who will use the data to coordinate services provided by instructional assistants and expanded learning providers to target support to students. In this example, the LEA would divide the estimated cost of \$165,000 by the amount of LCFF Funding identified in the Total Planned Expenditures Table and then convert the quotient to a percentage. This percentage is the Planned Percentage of Improved Services for the action.

### Additional Concentration Grant Funding

A description of the plan for how the additional concentration grant add-on funding identified above will be used to increase the number of staff providing direct services to students at schools that have a high concentration (above 55 percent) of foster youth, English learners, and low-income students, as applicable.

An LEA that receives the additional concentration grant add-on described in *EC* Section 42238.02 is required to demonstrate how it is using these funds to increase the number of staff who provide direct services to students at schools with an enrollment of unduplicated students that is greater than 55 percent as compared to the number of staff who provide direct services to students at schools with an enrollment of unduplicated students that is equal to or less than 55 percent. The staff who provide direct services to students must be certificated staff and/or classified staff employed by the LEA; classified staff includes custodial staff.

Provide the following descriptions, as applicable to the LEA:

- An LEA that does not receive a concentration grant or the concentration grant add-on must indicate that a response to this prompt is not applicable.
- Identify the goal and action numbers of the actions in the LCAP that the LEA is implementing to meet the requirement to increase the number of staff who provide direct services to students at schools with an enrollment of unduplicated students that is greater than 55 percent.
- An LEA that does not have comparison schools from which to describe how it is using the concentration grant add-on funds, such as a single-school LEA or an LEA that only has schools with an enrollment of unduplicated students that is greater than 55 percent, must describe how it is using the funds to increase the number of credentialed staff, classified staff, or both, including custodial staff, who provide direct services to students at selected schools and the criteria used to determine which schools require additional staffing support.
- In the event that an additional concentration grant add-on is not sufficient to increase staff providing direct services to students at a school with an enrollment of unduplicated students that is greater than 55 percent, the LEA must describe how it is using the funds to retain staff providing direct services to students at a school with an enrollment of unduplicated students that is greater than 55 percent.

Complete the table as follows:

- Provide the staff-to-student ratio of classified staff providing direct services to students with a concentration of unduplicated students that is 55 percent or less and the staff-to-student ratio of classified staff providing direct services to students at schools with a concentration of unduplicated students that is greater than 55 percent, as applicable to the LEA.
  - The LEA may group its schools by grade span (Elementary, Middle/Junior High, and High Schools), as applicable to the LEA.

- The staff-to-student ratio must be based on the number of full-time equivalent (FTE) staff and the number of enrolled students as counted on the first Wednesday in October of each year.
- Provide the staff-to-student ratio of certificated staff providing direct services to students at schools with a concentration of unduplicated students that is 55 percent or less and the staff-to-student ratio of certificated staff providing direct services to students at schools with a concentration of unduplicated students that is greater than 55 percent, as applicable to the LEA.
  - The LEA may group its schools by grade span (Elementary, Middle/Junior High, and High Schools), as applicable to the LEA.
  - The staff-to-student ratio must be based on the number of FTE staff and the number of enrolled students as counted on the first Wednesday in October of each year.

## Action Tables

Complete the Total Planned Expenditures Table for each action in the LCAP. The information entered into this table will automatically populate the other Action Tables. Information is only entered into the Total Planned Expenditures Table, the Annual Update Table, the Contributing Actions Annual Update Table, and the LCFF Carryover Table. The word “input” has been added to column headers to aid in identifying the column(s) where information will be entered. Information is not entered on the remaining Action tables.

The following tables are required to be included as part of the LCAP adopted by the local governing board or governing body:

- Table 1: Total Planned Expenditures Table (for the coming LCAP Year)
- Table 2: Contributing Actions Table (for the coming LCAP Year)
- Table 3: Annual Update Table (for the current LCAP Year)
- Table 4: Contributing Actions Annual Update Table (for the current LCAP Year)
- Table 5: LCFF Carryover Table (for the current LCAP Year)

Note: The coming LCAP Year is the year that is being planned for, while the current LCAP year is the current year of implementation. For example, when developing the 2024–25 LCAP, 2024–25 will be the coming LCAP Year and 2023–24 will be the current LCAP Year.

## Total Planned Expenditures Table

In the Total Planned Expenditures Table, input the following information for each action in the LCAP for that applicable LCAP year:

- **LCAP Year:** Identify the applicable LCAP Year.
- **1. Projected LCFF Base Grant:** Provide the total amount estimated LCFF entitlement for the coming school year, excluding the supplemental and concentration grants and the add-ons for the Targeted Instructional Improvement Block Grant program, the former Home-to-School Transportation program, and the Small School District Transportation program, pursuant to 5 CCR Section 15496(a)(8).

Note that the LCFF Base Grant for purposes of the LCAP also includes the Necessary Small Schools and Economic Recovery Target allowances for school districts, and County Operations Grant for COEs.

See EC sections 2574 (for COEs) and 42238.02 (for school districts and charter schools), as applicable, for LCFF entitlement calculations.

- **2. Projected LCFF Supplemental and/or Concentration Grants:** Provide the total amount of LCFF supplemental and concentration grants estimated on the basis of the number and concentration of unduplicated students for the coming school year.
- **3. Projected Percentage to Increase or Improve Services for the Coming School Year:** This percentage will not be entered; it is calculated based on the Projected LCFF Base Grant and the Projected LCFF Supplemental and/or Concentration Grants, pursuant to 5 CCR Section 15496(a)(8). This is the percentage by which services for unduplicated pupils must be increased or improved as compared to the services provided to all students in the coming LCAP year.
- **LCFF Carryover — Percentage:** Specify the LCFF Carryover — Percentage identified in the LCFF Carryover Table from the prior LCAP year. If a carryover percentage is not identified in the LCFF Carryover Table, specify a percentage of zero (0.00%).
- **Total Percentage to Increase or Improve Services for the Coming School Year:** This percentage will not be entered; it is calculated based on the Projected Percentage to Increase or Improve Services for the Coming School Year and the LCFF Carryover — Percentage. ***This is the percentage by which the LEA must increase or improve services for unduplicated pupils as compared to the services provided to all students in the coming LCAP year.***
- **Goal #:** Enter the LCAP Goal number for the action.
- **Action #:** Enter the action's number as indicated in the LCAP Goal.
- **Action Title:** Provide a title of the action.
- **Student Group(s):** Indicate the student group or groups who will be the primary beneficiary of the action by entering "All," or by entering a specific student group or groups.
- **Contributing to Increased or Improved Services?:** Type "Yes" if the action **is** included as contributing to meeting the increased or improved services requirement; OR, type "No" if the action is **not** included as contributing to meeting the increased or improved services requirement.
- If "Yes" is entered into the Contributing column, then complete the following columns:
  - **Scope:** The scope of an action may be LEA-wide (i.e., districtwide, countywide, or charterwide), schoolwide, or limited. An action that is LEA-wide in scope upgrades the entire educational program of the LEA. An action that is schoolwide in scope upgrades the entire educational program of a single school. An action that is limited in its scope is an action that serves only one or more unduplicated student groups.

- **Unduplicated Student Group(s):** Regardless of scope, contributing actions serve one or more unduplicated student groups. Indicate one or more unduplicated student groups for whom services are being increased or improved as compared to what all students receive.
- **Location:** Identify the location where the action will be provided. If the action is provided to all schools within the LEA, the LEA must indicate “All Schools.” If the action is provided to specific schools within the LEA or specific grade spans only, the LEA must enter “Specific Schools” or “Specific Grade Spans.” Identify the individual school or a subset of schools or grade spans (e.g., all high schools or grades transitional kindergarten through grade five), as appropriate.
- **Time Span:** Enter “ongoing” if the action will be implemented for an indeterminate period of time. Otherwise, indicate the span of time for which the action will be implemented. For example, an LEA might enter “1 Year,” or “2 Years,” or “6 Months.”
- **Total Personnel:** Enter the total amount of personnel expenditures utilized to implement this action.
- **Total Non-Personnel:** This amount will be automatically calculated based on information provided in the Total Personnel column and the Total Funds column.
- **LCFF Funds:** Enter the total amount of LCFF funds utilized to implement this action, if any. LCFF funds include all funds that make up an LEA’s total LCFF target (i.e., base grant, grade span adjustment, supplemental grant, concentration grant, Targeted Instructional Improvement Block Grant, and Home-To-School Transportation).
  - **Note:** For an action to contribute towards meeting the increased or improved services requirement, it must include some measure of LCFF funding. The action may also include funding from other sources, however the extent to which an action contributes to meeting the increased or improved services requirement is based on the LCFF funding being used to implement the action.
- **Other State Funds:** Enter the total amount of Other State Funds utilized to implement this action, if any.
  - **Note:** Equity Multiplier funds must be included in the “Other State Funds” category, not in the “LCFF Funds” category. As a reminder, Equity Multiplier funds must be used to supplement, not supplant, funding provided to Equity Multiplier schoolsites for purposes of the LCFF, the ELO-P, the LCRS, and/or the CCSPP. This means that Equity Multiplier funds must not be used to replace funding that an Equity Multiplier schoolsite would otherwise receive to implement LEA-wide actions identified in the LEA’s LCAP or that an Equity Multiplier schoolsite would otherwise receive to implement provisions of the ELO-P, the LCRS, and/or the CCSPP.
- **Local Funds:** Enter the total amount of Local Funds utilized to implement this action, if any.
- **Federal Funds:** Enter the total amount of Federal Funds utilized to implement this action, if any.
- **Total Funds:** This amount is automatically calculated based on amounts entered in the previous four columns.
- **Planned Percentage of Improved Services:** For any action identified as contributing, being provided on a Limited basis to unduplicated students, and that does not have funding associated with the action, enter the planned quality improvement anticipated for the action as

a percentage rounded to the nearest hundredth (0.00%). A limited action is an action that only serves foster youth, English learners, and/or low-income students.

- As noted in the instructions for the Increased or Improved Services section, when identifying a Planned Percentage of Improved Services, the LEA must describe the methodology that it used to determine the contribution of the action towards the proportional percentage. The percentage of improved services for an action corresponds to the amount of LCFF funding that the LEA estimates it would expend to implement the action if it were funded.

For example, an LEA determines that there is a need to analyze data to ensure that instructional aides and expanded learning providers know what targeted supports to provide to students who are foster youth. The LEA could implement this action by hiring additional staff to collect and analyze data and to coordinate supports for students, which, based on the LEA's current pay scale, the LEA estimates would cost \$165,000. Instead, the LEA chooses to utilize a portion of existing staff time to analyze data relating to students who are foster youth. This analysis will then be shared with site principals who will use the data to coordinate services provided by instructional assistants and expanded learning providers to target support to students. In this example, the LEA would divide the estimated cost of \$165,000 by the amount of LCFF Funding identified in the Data Entry Table and then convert the quotient to a percentage. This percentage is the Planned Percentage of Improved Services for the action.

## Contributing Actions Table

As noted above, information will not be entered in the Contributing Actions Table; however, the 'Contributing to Increased or Improved Services?' column will need to be checked to ensure that only actions with a "Yes" are displaying. If actions with a "No" are displayed or if actions that are contributing are not displaying in the column, use the drop-down menu in the column header to filter only the "Yes" responses.

## Annual Update Table

In the Annual Update Table, provide the following information for each action in the LCAP for the relevant LCAP year:

- **Estimated Actual Expenditures:** Enter the total estimated actual expenditures to implement this action, if any.

## Contributing Actions Annual Update Table

In the Contributing Actions Annual Update Table, check the 'Contributing to Increased or Improved Services?' column to ensure that only actions with a "Yes" are displaying. If actions with a "No" are displayed or if actions that are contributing are not displaying in the column, use the drop-down menu in the column header to filter only the "Yes" responses. Provide the following information for each contributing action in the LCAP for the relevant LCAP year:

- **6. Estimated Actual LCFF Supplemental and/or Concentration Grants:** Provide the total amount of LCFF supplemental and concentration grants estimated based on the number and concentration of unduplicated students in the current school year.
- **Estimated Actual Expenditures for Contributing Actions:** Enter the total estimated actual expenditure of LCFF funds used to implement this action, if any.

- **Estimated Actual Percentage of Improved Services:** For any action identified as contributing, being provided on a Limited basis only to unduplicated students, and that does not have funding associated with the action, enter the total estimated actual quality improvement anticipated for the action as a percentage rounded to the nearest hundredth (0.00%).
  - Building on the example provided above for calculating the Planned Percentage of Improved Services, the LEA in the example implements the action. As part of the annual update process, the LEA reviews implementation and student outcome data and determines that the action was implemented with fidelity and that outcomes for foster youth students improved. The LEA reviews the original estimated cost for the action and determines that had it hired additional staff to collect and analyze data and to coordinate supports for students that estimated actual cost would have been \$169,500 due to a cost of living adjustment. The LEA would divide the estimated actual cost of \$169,500 by the amount of LCFF Funding identified in the Data Entry Table and then convert the quotient to a percentage. This percentage is the Estimated Actual Percentage of Improved Services for the action.

## LCFF Carryover Table

- **9. Estimated Actual LCFF Base Grant:** Provide the total amount of estimated LCFF Target Entitlement for the current school year, excluding the supplemental and concentration grants and the add-ons for the Targeted Instructional Improvement Block Grant program, the former Home-to-School Transportation program, and the Small School District Transportation program, pursuant to 5 CCR Section 15496(a)(8). Note that the LCFF Base Grant for purposes of the LCAP also includes the Necessary Small Schools and Economic Recovery Target allowances for school districts, and County Operations Grant for COEs. See *EC* sections 2574 (for COEs) and 42238.02 (for school districts and charter schools), as applicable, for LCFF entitlement calculations.
- **10. Total Percentage to Increase or Improve Services for the Current School Year:** This percentage will not be entered. The percentage is calculated based on the amounts of the Estimated Actual LCFF Base Grant (9) and the Estimated Actual LCFF Supplemental and/or Concentration Grants (6), pursuant to 5 CCR Section 15496(a)(8), plus the LCFF Carryover – Percentage from the prior year. This is the percentage by which services for unduplicated pupils must be increased or improved as compared to the services provided to all students in the current LCAP year.

## Calculations in the Action Tables

To reduce the duplication of effort of LEAs, the Action Tables include functionality such as pre-population of fields and cells based on the information provided in the Data Entry Table, the Annual Update Summary Table, and the Contributing Actions Table. For transparency, the functionality and calculations used are provided below.

### Contributing Actions Table

- **4. Total Planned Contributing Expenditures (LCFF Funds)**
  - This amount is the total of the Planned Expenditures for Contributing Actions (LCFF Funds) column.
- **5. Total Planned Percentage of Improved Services**
  - This percentage is the total of the Planned Percentage of Improved Services column.
- **Planned Percentage to Increase or Improve Services for the coming school year (4 divided by 1, plus 5)**

- This percentage is calculated by dividing the Total Planned Contributing Expenditures (4) by the Projected LCFF Base Grant (1), converting the quotient to a percentage, and adding it to the Total Planned Percentage of Improved Services (5).

### **Contributing Actions Annual Update Table**

Pursuant to *EC* Section 42238.07(c)(2), if the Total Planned Contributing Expenditures (4) is less than the Estimated Actual LCFF Supplemental and Concentration Grants (6), the LEA is required to calculate the difference between the Total Planned Percentage of Improved Services (5) and the Total Estimated Actual Percentage of Improved Services (7). If the Total Planned Contributing Expenditures (4) is equal to or greater than the Estimated Actual LCFF Supplemental and Concentration Grants (6), the Difference Between Planned and Estimated Actual Percentage of Improved Services will display “Not Required.”

- **6. Estimated Actual LCFF Supplemental and Concentration Grants**
  - This is the total amount of LCFF supplemental and concentration grants the LEA estimates it will actually receive based on of the number and concentration of unduplicated students in the current school year.
- **4. Total Planned Contributing Expenditures (LCFF Funds)**
  - This amount is the total of the Last Year's Planned Expenditures for Contributing Actions (LCFF Funds).
- **7. Total Estimated Actual Expenditures for Contributing Actions**
  - This amount is the total of the Estimated Actual Expenditures for Contributing Actions (LCFF Funds).
- **Difference Between Planned and Estimated Actual Expenditures for Contributing Actions (Subtract 7 from 4)**
  - This amount is the Total Estimated Actual Expenditures for Contributing Actions (7) subtracted from the Total Planned Contributing Expenditures (4).
- **5. Total Planned Percentage of Improved Services (%)**
  - This amount is the total of the Planned Percentage of Improved Services column.
- **8. Total Estimated Actual Percentage of Improved Services (%)**
  - This amount is the total of the Estimated Actual Percentage of Improved Services column.
- **Difference Between Planned and Estimated Actual Percentage of Improved Services (Subtract 5 from 8)**
  - This amount is the Total Planned Percentage of Improved Services (5) subtracted from the Total Estimated Actual Percentage of Improved Services (8).

### **LCFF Carryover Table**

- **10. Total Percentage to Increase or Improve Services for the Current School Year (6 divided by 9 plus Carryover %)**

- This percentage is the Estimated Actual LCFF Supplemental and/or Concentration Grants (6) divided by the Estimated Actual LCFF Base Grant (9) plus the LCFF Carryover – Percentage from the prior year.
- **11. Estimated Actual Percentage of Increased or Improved Services (7 divided by 9, plus 8)**
  - This percentage is the Total Estimated Actual Expenditures for Contributing Actions (7) divided by the LCFF Funding (9), then converting the quotient to a percentage and adding the Total Estimated Actual Percentage of Improved Services (8).
- **12. LCFF Carryover — Dollar Amount LCFF Carryover (Subtract 11 from 10 and multiply by 9)**
  - If the Estimated Actual Percentage of Increased or Improved Services (11) is less than the Estimated Actual Percentage to Increase or Improve Services (10), the LEA is required to carry over LCFF funds.  
  
The amount of LCFF funds is calculated by subtracting the Estimated Actual Percentage to Increase or Improve Services (11) from the Estimated Actual Percentage of Increased or Improved Services (10) and then multiplying by the Estimated Actual LCFF Base Grant (9). This amount is the amount of LCFF funds that is required to be carried over to the coming year.
- **13. LCFF Carryover — Percentage (12 divided by 9)**
  - This percentage is the unmet portion of the Percentage to Increase or Improve Services that the LEA must carry over into the coming LCAP year. The percentage is calculated by dividing the LCFF Carryover (12) by the LCFF Funding (9).

## Approval of the 2024-25 Adopted Budgets for all MPS Sites & Home Office Management Fee Policy

**Section:** IV. Action Items  
**Item:** C. Approval of the 2024-25 Adopted Budgets for all MPS Sites & Home Office Management Fee Policy  
**Purpose:** Vote  
**Submitted by:**  
**Related Material:**  
IV\_C\_2024-25 Adopted Budgets for all MPS Sites and Home Office Management Fee Policy.pdf

Agenda Item:	IV C: Action Item
Date:	June 17, 2024
To:	Magnolia Educational & Research Foundation dba Magnolia Public Schools (“MPS”) Board of Directors (the “Board”)
From:	Alfredo Rubalcava, CEO & Superintendent
Staff Lead(s):	Steve Budhrajia Ed.D, Chief Financial Officer
RE:	Approval of the 2024-25 Adopted Budgets for all MPS Sites and Home Office Management Fee Policy

**Action Proposed:**

I move that the Board approve the 2024-25 Adopted Budget as reviewed and presented and the Home Office Management Fee Policy for the 2024-25 fiscal year.

**Background:**

Per Section 42127 of the California Education Code, governing boards of each local education agency (LEA) are required to develop and approve an annual operating budget on or before July 1 of each school year. The Adopted Budget is part of ongoing reports that County superintendents and the State Superintendent of Public Instruction must examine in order to ensure that LEAs are able to meet their financial obligations throughout the fiscal year.

On June 17<sup>th</sup>, 2024 the MPS Finance Department presented the 2024-25 Adopted Budget for all school sites and the Home Office as part of the Public Hearing. The next step is formal approval of the 2024-25 Adopted Budget. The financial projections indicate that all schools and the Home Office are projecting balanced budget with surpluses for the 2024-25 school year.

Home Office Management base fees are calculated based on administrative and organization-wide services and support that are utilized by all MPS schools, such as management, human resources, accounting, student and special education services, technology, etc., with additional costs that are specific to a particular MPS school such as rent, debt service, utilities and facilities management.

**Budget Implications:**

All projected revenues, expenditures and fund balances have been incorporated into the 2024-25 Adopted Budget.

**Exhibits (Attachments):**

- Magnolia Educational & Research Foundation dba Magnolia Public Schools CMO Fee Policy

- 2024-25 Adopted Budgets by MPS Site and Home Office Data (PowerPoint Presentations)

**Magnolia Educational & Research Foundation dba Magnolia Public Schools  
CMO Fee Policy**

The Board of Directors (“Board”) of Magnolia Public Schools (“MPS”) adopts the following policy for the MPS charter schools to fairly fund the Home Office for administrative services and support provided to the schools, sometimes referred to as the “CMO fee”. The Board authorizes and delegates to the MPS Chief Executive Officer, Executive Team and their designees (collectively, the “Home Office Team”) to calculate and collect the CMO fee in accordance with this policy.

**Calculation of CMO Fee**

By June 30 each year, the Home Office Team will estimate the total costs for the Home Office to provide services and support to MPS schools for the coming fiscal year on an organization-wide basis for purposes of calculating the CMO fee for each school. The Home Office Team will categorize costs into two groups: (1) estimated costs to provide administrative and organization-wide services and support that are utilized by all MPS schools, such as management, human resources, accounting, student and special education services, technology, etc., with an added 10% to account for unanticipated cost increases (the “Home Office Service Costs”); and, (2) costs that are specific to a particular MPS school or site, such as rent, debt service, utilities and facilities management (the “School-Specific Costs”). Generally, the Home Office Services Costs include salaries of administrators and others providing services organization-wide, vendor contracts for such services, and other various costs. These estimates are for budgeting purposes, and may fluctuate during the fiscal year based on the Home Office’s actual expenses to provide such services and support.

The Home Office Team will assess each school’s CMO Fee as follows:

- Magnolia Science Academy San Diego (“MSA SD”) will pay 11% of its general purpose funding to the Home Office as its CMO Fee. The term “general purpose funding” consists of state aid, local property taxes, and other revenues applied towards the school’s local control funding formula (LCFF), as defined in Education Code Section 47632(d). It does not include federal funds, other restricted funds, or charitable donations collected by the school.
- The CMO Fee for three schools that include Magnolia Science Academy 3, Magnolia Science Academy 7 and Magnolia Science Academy Santa Ana will be reduced by approximately \$1.15 million total in order to protect school site employees from Reductions in Force (RIFs). The shortfall will be made up through fundraising and philanthropic donations via the Magnolia Educational and Research Foundation.
- After application of the above noted CMO Fees, each of the other MPS schools will pay the remaining Home Office Services Costs on a per-capita enrollment basis as its CMO Fee. The following simplified example (figures are for example purposes only) illustrates the calculation:

Total enrollment of all MPS schools:	5,000 students
Enrollment of MSDSD:	400 students
Total Home Office Services Costs:	\$500,000
MSASD 11% funding:	\$20,000

Each school’s CMO Fee shall be its enrollment multiplied by the following:

$$\frac{(\$500,000 - \$20,000)}{4,600}$$

The Home Office Team will track the School-Specific Costs by school, and will collect funds/reimbursement for School-Specific Costs directly from each school based on the actual costs incurred by each school.

**Periodic Review and Collection of CMO Fee**

The Home Office Team will periodically review CMO fee assessment for each MPS school and any School-Specific Costs for the school. The amount of the Home Office Service Costs may be adjusted to account for the Home Office's actual expenses throughout the year, which may in turn raise or lower each school's CMO fee (except for MSA SD).

# 2024-25 JULY BUDGET

JUNE 17, 2024 BOARD MEETING

# 2024-25 July Budget: State Economic Outlook

- The Governor released his May Revision to the proposed state budget. While the COLA is not low as originally forecasted, there are concerns on how the Governor plans to fund the budget.
- The May Revision proposed significant withdrawals from the Public School System Stabilization Account, which serves as the state's budget reserve for K-14 schools.
- Changes from the May Revision are anticipated, but the impact on July budgets is unknown.
- Cash deferrals are possible, deferring the June 2025 apportionments to July 2025.
- The May Revision places significant burden on spending Learning Recovery Emergency Block Grant after FY 2024-25, requiring need assessment and evidence-based expenditures.
- Although the May Revision fully funds the COLA and avoids cuts to ongoing education funding, MPS should remain aware of the state budget deficit for the 2024-25 fiscal year and monitor economic conditions closely.

# 2024-25 July Budget: Executive Summary

- Based on the May Revise assumptions as discussed in previous slide, here are the budget results:
  - **Average Daily Attendance of 3,572 which is an overall increase of 128 ADA from prior year**
  - **Revenues of \$84.2 million, increase of \$242k from 2023-24**
  - **Expenditures of \$83.4 million, increase of \$1.7m from 2023-24**
  - **Net operating surplus of \$788k, down \$1.6 million from 2023-24**
- MPS's overall cash position remains solid with a projected cash balance of \$36.2 million as of June 30, 2025.

## Approval of the MPS Annual Master List of Contracts for the 2024-25 Fiscal Year

**Section:** IV. Action Items  
**Item:** D. Approval of the MPS Annual Master List of Contracts for the 2024-25 Fiscal Year  
**Purpose:** Vote  
**Submitted by:**  
**Related Material:** IV\_D\_Annual Master List of Contracts for the 2024-25 Fiscal Year.pdf

Agenda Item:	IV D: Action Item
Date:	June 17, 2024
To:	Magnolia Educational & Research Foundation dba Magnolia Public Schools (“MPS”) Board of Directors (the “Board”)
From:	Alfredo Rubalcava, CEO & Superintendent
Staff Lead(s):	Steve Budhrajia Ed.D, Chief Financial Officer
RE:	Approval of Annual Master List of Contracts for the 2024-25 Fiscal Year

**Action Proposed:**

I move for the Board to approve the MPS Annual Master List of Contracts for the 2024-25 Fiscal Year.

**Background:**

The California Education Code (EC), requires Governing Boards to approve ongoing contracts that exceed bid threshold guidelines. These guidelines as noted in the MPS Financial Policies include contracts that exceed \$90,000 to include vendors that have maintained agreements with MPS annually or over multiple years.

**Budget Implications:**

The fiscal impact of the Annual Contracts for the 24/25 Fiscal Year has been incorporated into the Adopted Budget for the 2024-25 year.

**Exhibits (Attachments):**

- Magnolia Public Schools - Master List of Contracts for 2024-25.

**Magnolia Public Schools**  
**Master List of Contracts**

## Approval of the Revised MPS Fiscal Policies and Procedures Manual for 2024-25

**Section:** IV. Action Items  
**Item:** E. Approval of the Revised MPS Fiscal Policies and Procedures Manual for 2024-25  
**Purpose:** Vote  
**Submitted by:**  
**Related Material:** IV\_E\_Revised Fiscal Policies and Procedures Manual for 2024-25.pdf

Agenda Item:	IV E: Action Item
Date:	June 17, 2024
To:	Magnolia Educational & Research Foundation dba Magnolia Public Schools (“MPS”) Board of Directors (the “Board”)
From:	Alfredo Rubalcava, CEO & Superintendent
Staff Lead(s):	Steve Budhraj Ed.D, Chief Financial Officer
RE:	Approval of the Revised Fiscal Policies and Procedures Manual for 2024-25

**Action Proposed:**

I move that the Board approve the revised MPS Fiscal Policies and Procedures Manual for 2024-25 specifically the changes under: PUR101, PUR104, PUR106, CSH111, G&A124, and G&A103.

**Background:**

The MPS Board of Directors previously reviewed and approved the updates Financial Policies and Procedures Manual on April 7, 2022. In order to improve the efficiency and productivity of workflows and adopt best practices in the industry, Finance Department staff reviews existing policies periodically and are proposing revisions accordingly based on our analysis.

**Impact:**

The recommendation for a revision to the Fiscal Policies and Procedures Manual for 2024-25 with changes as noted below.

- **PUR101 VENDOR SELECTION:** The phrase "Chief Executive Officer and/or designee" has been added.
- **PUR104 ACCOUNTS PAYABLE AND CASH DISBURSEMENTS:** The phrase "Chief Executive Officer and/or designee" has been added.
- **PUR106 REIMBURSEMENTS:** The phrase "Chief Executive Officer and/or designee" has been added.
- **CSH111 CREDIT CARDS AND DEBIT CARDS:** The phrase "Chief Executive Officer and/or designee" has been added.
- **G&A124 HOME OFFICE MANAGEMENT FEES:** References to the CMO fee calculation policy have been included.
- **G&A103 TRAVEL AND ENTERTAINMENT:** Changes in meal reimbursement amounts have been made to ensure current cost alignment and fairness:

- Breakfast: Previous Amount: Up to \$17, New Amount: Up to \$18
- Lunch: Previous Amount: Up to \$18, New Amount: Up to \$25
- Dinner: Previous Amount: Up to \$34, New Amount: Up to \$35

**Budget Implications:**

Proposed changes to the meal and reimbursement amounts are minimal and have been budgeted for the 2024-25 year. All other changes have no budget implications.

**Exhibits (Attachments):**

MPS Financial Policies and Procedures Manual Update for the 24/25 fiscal year.

**SOP # G&A 101 Revision: 1**  
**Effective Date: 9/5/2017**

**Prepared by: Central Office**  
**Approved by: BOD**

**Title: G&A 101 CHART OF ACCOUNTS**

**Policy:** To facilitate the record keeping process for accounting, all ledger accounts should be assigned a descriptive account title and account number.

**Purpose:** To provide the method for assignment and maintenance of the company's chart of accounts in order to produce meaningful financial data for the Organization.

**Scope:** This procedure applies to all general ledger accounts.

**Responsibilities:** The Chief Financial Officer is responsible for monitoring and approving changes to the company's Chart of Accounts.

**Definition:** Chart of Accounts – A categorized listing of all account titles and numbers being used by an organization to track income, expenses, assets, equity, and liabilities is called a Chart of Accounts.

**Procedure:**

**1.1 DESIGN OF ACCOUNTS**

**1.2** Accounts should have titles and numbers that indicate specific ledger accounts such as Cash in Checking, Furniture and Fixtures, Accounts Payable, etc.

**1.3** In general, the Standardized Account Code Structure (SACS) is followed for the major code segments, including resource function, object and location.

**1.4** Sub-divisions should be used to provide additional clarification, as needed. A subdivision among the balance sheet accounts should be designated short term to long term, (i.e. current assets should precede long term assets and current debt should precede long-term debt).

Unassigned number sequences should be left open within each group of accounts to provide for additional accounts, which may be added later.

**1.5** Accounts may be numbered using the SACS format.

**1.6** See Appendix A for guidance regarding SACS format.

**2.1 DESCRIPTION OF ACCOUNTS**

**2.2** Each account should be given a short title description that is brief but will allow the reader to quickly ascertain the purpose of the account.

**2.3** For training and consistent transaction coding, as well as to help other non-accounting managers understand why something is recorded as it is, each account should be defined. Definitions should be concise and meaningful. The account name should clearly identify what the account is to be used for.

---

Accounting Policies, Procedures and Forms

An example of definitions follows:

**ASSETS**

9121 – Main Operating Account

Includes all cash held in the operating bank account. All withdrawals and deposits are recorded here. The reported balances are supported by a bank reconciliation prepared monthly.

**SOP # G&A 102 Revision: 1**  
**Effective Date: 4/7/2022**

**Prepared by: Central Office**  
**Approved by: BOD**

**Title: G&A 102 FILES AND RECORDS MANAGEMENT**

**Policy:** The Organization will retain **financial** records in an orderly fashion for time periods that comply with legal and governmental requirements and as needed for general business requirements.

**Purpose:** To outline the methods for filing, retaining and disposing of business records.

**Scope:** This procedure applies to all business documentation generated by the Organization. However, this does not necessarily cover internal or certain day-to-day business correspondence.

**Responsibilities:**

The Finance Staff will be responsible for categorizing and maintaining a listing of records maintained and the location (i.e. by wall unit shelf row number).

The Chief Financial Officer is responsible for overseeing the execution of Organization policy for Record Retention, Storage and Destruction of obsolete Organization records.

**Procedure:**

**1.1 FILING SYSTEM**

To ensure efficient access, filing centers will be established in each department. To reduce the amount of duplicate and unnecessary record retention, individual desk files should be avoided unless they are used in daily operations. All other departmental or Organization records should be filed in the departmental central filing areas.

**1.2** Unless necessary, records should usually only be kept by the originator or sender and not by the receiver to avoid duplicate filing systems.

**1.3** The following filing guidelines should be adhered to optimize filing efficiency and records access:

- All file cabinets and files should follow recognized rules of order, such as Left to Right, Top to Bottom, Front to Back and in the case of chronological records, newest to

oldest.

- File markers or label headings should always be placed at the beginning or front of a file or group of files.
- Alphabetical files should always be filed under broad topical categories. Files should never be filed under individual employee names (except Human Resources records) to avoid confusion and re-filing in the event of turnover.

---

## Accounting Policies, Procedures and Forms

Files should always be filed under the "proper" or Organization names whenever appropriate. In the case of individuals, files should be maintained according to the person's "Last name" then First name and Middle initial.

- Extra care should be used for sensitive or private information. Organization financial data or personnel records that contain performance reviews, salary information, and any health related information should be kept in a secure area with limited access to only those that have a "need to know" such as the Office Manager or the Chief Financial Officer.

### **2.1 RECORD RETENTION AND LONG-TERM STORAGE**

**2.2** Storage of archived records will be maintained in the locked storage area of the building. Access to this area will be limited to the Chief Financial Officer, officers of the Organization and the Office Manager.

**2.3** Non-permanent files will be stored in cardboard file boxes. Each file box will be labeled on the front with the contents, dates covered, and destruction date if applicable. Permanent records will be filed electronically.

**2.4** Files should be stored only in boxes with similar items, dates and retention periods. This will allow easier access and purging of records. A general rule to keep in mind is that it is better to only half-fill a file box than to file dissimilar types of files in the same box.

**2.5** The Office Manager will be responsible for categorizing and maintaining a listing of records maintained and the location (i.e. by wall unit and shelf row number).

**2.6** Maintain all files for as long as is necessary but only to the extent they serve a useful purpose or satisfy business or legal requirements. G&A102 Ex1 RECORDS RETENTION PERIODS, provides a guide to the typical business life of various documents. The retention periods provided are suggested with federal requirements in mind. Be sure to check with local and state authorities for specific record retention requirements.

**2.7** Copies of critical records that are vital to the daily operations of the Organization should be kept off site in case of possible disasters. This may include information needed to file insurance claims (assets lists, insurance contacts, policy numbers), financial data for tax purposes (wages paid, income and expenses), contacts lists to inform or restart the business (vendors, customers, investors and employees), and other data that would assist in rebuilding the business (business plans, intellectual property, or proprietary information).

### **3.1 RECORD DESTRUCTION**

**3.2** Three to six months after each year-end, the Office Manager will proceed with destruction of all files that have exceeded their recognized holding period.

---

Accounting Policies, Procedures and Forms

**3.3** A listing of file categories to be destroyed will be circulated to all managers thirty days prior to destruction for review and comment. The actual listing of records destroyed will be maintained permanently for future reference.

**3.4** Destruction of the files will be performed by an independent, outside service for shredding and disposal. Disposal of records into the Organization's general trash service is not allowed.

**References:**

**A. HEALTH INSURANCE PORTABILITY ACCOUNTABILITY ACT (HIPAA)**

The Standards for Privacy of Individually Identifiable Health Information (the Privacy Rule) creates national standards to protect individuals' personal health information and gives patients increased access to their medical records. As required by the Health Insurance Portability and Accountability Act of 1996 (HIPAA), the Privacy Rule covers health plans, health care clearinghouses, and those health care providers who conduct certain financial and administrative transactions electronically. Most covered entities (certain health care providers, health plans, and health care clearinghouses) must comply with the Privacy Rule by April 14, 2003. Small health plans have until April 14, 2004 to comply with the Rule.

Note: Employment records maintained by a covered entity in its capacity as an employer are excluded from the definition of protected health information. The modifications do not change the fact that individually identifiable health information created, received, or maintained by a covered entity in its health care capacity is protected health information.

**B. AGE DISCRIMINATION IN EMPLOYMENT ACT (ADEA)**

ADEA applies to employers with 20 or more employees. If an EEOC charge or lawsuit is filed, keep records until final disposition of the charge or lawsuit.

Otherwise, ADEA compliance suggests keeping basic employee files from one to three years as listed:

- Payrolls or other records (for temporary and permanent positions) for three years.
- Basic employee information such as employees' names, addresses, birth dates, occupations, rates of pay, and weekly compensation for three years.
- Applications and personnel records relating to promotion, demotion, transfer, selection for training, layoff, recall or discharge for one year.
- Job advertisements and postings for three years.
- Copies of employee benefit plans, seniority and merit systems must keep on file for the full period the plan or system is in effect and for at least one year after its termination

---

Accounting Policies, Procedures and Forms

**C. AMERICANS WITH DISABILITIES ACT (ADA)**

ADA applies to employers with 5 or more employees. If an EEOC charge or lawsuit is filed, keep records until final disposition of the charge or lawsuit.

Otherwise, ADA compliance suggests keeping employment applications and other personnel records including promotions, transfers, demotions, layoffs, and termination or requests for reasonable accommodation for at least 1 year from the making of the record or the personnel action.

**D. CIVIL RIGHTS ACT OF 1964**

Applies to employers with 15 or more employees. If an EEOC charge or lawsuit is filed, keep records until final disposition of the charge or lawsuit. Otherwise, basic non-discrimination compliance suggests keeping employment applications and other personnel records including promotions, transfers, demotions, layoffs, and termination or any EEO-1 Reports for at least one year from the making of the record or the personnel action. If an employee is involuntarily terminated, his/her personnel records must be retained for one year from the date of termination.

**E. EMPLOYEE RETIREMENT INCOME SECURITY ACT (ERISA)**

The ERISA reporting and disclosure obligations apply to all pension and welfare plans including summary plan descriptions, annual reports, reportable events, and plan termination, unless the Organization plan is exempt under ERISA.

ERISA suggests the Organization should maintain all reports, documents, information, and materials for a minimum of six years in order to disclose and or support all transactions to participants and beneficiaries (and report to certain governmental agencies), as requested or needed.

**F. EQUAL PAY ACT**

Payroll records including time cards, wage rates, deductions from wages, and records explaining the difference in wage rates between men and women in similar positions should be kept for three years.

**G. EXECUTIVE ORDER 11246**

Applies to federal contractors and requires the preparation of affirmative action plans. Affirmative action plans must be updated annually and retained for two years along with all applications and other personnel records that form the basis of the Organization's employment decisions. Generally, personnel and employment records must be retained for two years.

---

Accounting Policies, Procedures and Forms

## **H. FAIR LABOR STANDARDS ACT (FLSA)**

FLSA applies to employers engaged in or employees who work in interstate commerce and suggests the following records are retained for three years:

- Payroll and other records containing employee's name, birth date, gender, and occupation.
- Employee's beginning of workweek and time employee begins work.
- Regular rate of pay or other basis of payment.
- Hours worked per day and for the workweek.
- Daily and weekly straight time earnings.
- Deduction from wages.
- Total wages per pay period.
- Date of payment and the pay period covered.
- For exempt professional, executive and administrative employees, and those employed in outside sales, the employer must maintain records that reflect the basis on which wages are paid to permit calculations of the employee's total remuneration.
- In addition, employers must keep for at least two years all records (including wage rates, job evaluations, seniority and merit systems, and collective bargaining agreements) that explain the basis for paying different wages to employees of opposite sexes in the same establishment.

## **I. FAMILY AND MEDICAL LEAVE ACT (FMLA)**

FMLA applies to employers with 50 or more employees within a 75 mile radius and whose employee must have worked for at least one year and accumulated at least 1,250 hours of service with the employer during the previous year. FMLA suggests the following records are retained for 3 years

- Basic employee data including name, address, occupation, rate of pay, terms of compensation, daily and weekly hours worked per pay period, deductions from wages, and total compensation.
- Dates of leave taken by eligible employees.
- For intermittent leave, the hours of leave.
- A copy of employee notices and documents describing policies and practices regarding leave.
- Records of any dispute regarding the designation of leave.

---

Accounting Policies, Procedures and Forms

**J. IMMIGRATION REFORM & CONTROL ACT (IRCA)**

IRCA applies to all employers and requires a signed Form I-9 to be retained for three years after the date of hire and at least one year after termination.

**K. OCCUPATIONAL SAFETY & HEALTH ACT (OSHA)**

OSHA applies to employers with 10 or more employees and suggest that the log of occupational injuries and illnesses is retained for five years. All other records should be retained for at least 30 years after employee separation. Other records include:

- Occupational injuries and illnesses.
- The annual summary of injuries and illnesses.
- Medical records and records of exposure to toxic substances.

**L. REHABILITATION ACT OF 1973**

Applies to federal contractors. If a charge or lawsuit is filed, keep records until final disposition of the charge or lawsuit. Otherwise, basic compliance suggests keeping personnel and employment records including requests for accommodation, physical exams, job advertisements and postings, applications, resumes and records regarding hiring, assignments, promotions, demotions, transfers, layoffs, terminations, rates of pay and selection for training for two years (only 1 year if contractor has less than 150 employees or a federal contract of \$150,000 or less). Note: Affirmative action plans also may have to be maintained by the employer

**M. RIGHT TO FINANCIAL PRIVACY ACT**

The act establishes specific procedures and exceptions concerning the release of customer financial records to the federal government. It provides customers of financial institutions with a right to expect that their financial activities will have a reasonable amount of privacy from federal government scrutiny.

**N. GUIDE TO RECORD RETENTION REQUIREMENTS**

A good source of federal retention requirements is the "Guide to Record Retention Requirements" published by the Office of the Federal Register National Archives and Records Administration. It can be purchased from the U.S. Government Printing Office in Washington DC. Additional sources of information include: IRS regulations, state and local government retention requirements or the AICPA (American Institute of Certified Public Accountants) Filing and Record Retention Procedures Guide.

**O. IRS REVENUE PROCEDURE 98-25 RECORDS RETENTION**

The Income Tax Regulations require that, except for farmers and wage-earners, any person subject to income tax, or any person required to file an information

---

## Accounting Policies, Procedures and Forms

return with respect to income, must keep such books and records, including inventories, as are sufficient to establish the amount of gross income, deductions, credits, or other matters reported. The books or records required must be kept available at all times for inspection by authorized internal revenue officers or employees, and must be retained so long as the contents thereof may become material in the administration of any internal revenue law.

Note: Section 6.01 requires taxpayers to maintain and make available documentation of the business processes that (1) create the retained records, (2) modify and maintain its records, (3) satisfy the requirements of section 5.01(2) of the procedure and verify the correctness of the taxpayer's return, and (4) evidence the authenticity and integrity of the taxpayer's records.

Section 6.02 sets forth four elements that the documentation required under section 6.01 must establish: (1) the flow of data through the system, (2) internal controls that ensure accurate processing, (3) internal controls that prevent unauthorized record changes, and (4) charts of account.

Section 6.03 sets forth six specific types of documentation for each retained file:

(1) record formats, (2) field definitions, (3) file descriptions, (4) evidence that periodic checks are undertaken to ensure that data remains accessible, (5) evidence that the records reconcile to the taxpayer's books, and (6) evidence that the records reconcile to the taxpayer's return.

Accounting Policies, Procedures and Forms

**SOP # G&A 103 Revision: 2**  
**Effective Date: 4/7/2022**

**Prepared by: Central Office**  
**Approved by: BOD**

**Title: G&A 103 TRAVEL AND ENTERTAINMENT**

**Policy:** All reservations required for business travel and entertainment will be made through the Supervisor or designated staff. Expenses are to be within established Organization guidelines and will be reimbursed with proper documentation. Employees are expected to spend the Organization's money as carefully and judiciously as they would their own.

The Organization recognizes that employees who travel far from home to represent the Organization's business interests must forgo their living accommodations and may forfeit personal time. Accordingly, the Organization will make efforts to provide comfortable and secure accommodations for lodging, meals and travel for employees. The Organization reserves the right to deny reimbursement of expenses that are considered lavish or extravagant.

**Purpose:** To provide guidelines for travel and entertainment expenses as they were actually spent, account for all advances promptly and accurately and to communicate the procedures for reimbursement.

**Scope:** This procedure applies to all departments and individuals who travel or entertain for the Organization.

**Responsibilities:**

Responsible Party: The individual employee and Supervisor When the Supervisor does not make travel arrangements, each employee is responsible for making arrangements needed for business travel.

- The Supervisor may make travel arrangements when requested, provided that arrangements are made at least 15 days in advance.

The Finance Department will receive and review documentation and Back-office provider process necessary employee reimbursement. (See PUR106, Reimbursements, for more detailed information.)

Procedure:

**1.0 TRAVEL ARRANGEMENTS**

**1.1** All arrangements required for business travel are to be made individually or through the Supervisor. When possible, the Supervisor can solicit better corporate discounts and rates for hotels, airlines, car rental agencies and travel agencies. Employees benefit because they do not have to spend their own time comparing rates and making their own arrangements. If making your own arrangements, the employee must find the best possible travel pricing.

---

 Accounting Policies, Procedures and Forms

**1.2** For maximum savings on airfares, this form should always be completed at least 15 days in advance unless an emergency trip is required.

**1.3** It is preferable that all employees travel during non-working hours to maximize efficiency. The Supervisor will make arrangements for the trip as required and will return a travel itinerary and any tickets or reservation forms to the employee.

**1.4** **Cash Advances** - The Organization generally discourages cash advances unless special circumstances apply.

If an employee requires a cash advance, a formal request must be made as a check request. The advance request will then be forwarded to accounting for processing upon approval. Travel advance amounts are approved on an as needed basis.

When a cash advance is received, the employee will reduce their expense reimbursement by the amount of the cash advance. In the case where the cash advance exceeds the expenses for the report submitted, the remaining cash must be turned into the Finance Team with the expense report. Amounts owed the Organization cannot be carried forward to future expense reports. Any advance outstanding will be deducted from the employee's paycheck.

**1.5** **Direct Billings** - Direct billings to the Organization from motels, restaurants, etc. are not permitted unless previously authorized.

**1.6** Notwithstanding anything in the MERF Financial Policies and Procedures Manual to the contrary, to the extent that the MERF Board authorizes summer international non programmatic student trips, MERF is authorized to make payments to international vendors via the "Wise" application or via any other method as approved by the Chief Financial Officer ("CFO") for financial amounts pre-approved by the Board of Directors.

## **2.1 TRAVEL EXPENSE GUIDELINES**

**2.2** Air Travel - Airline reservations are based on General Services Administration guidelines and the following criteria:

- Expediency: Getting the employee to their destination in an expedient way. (Direct flights when possible or connecting flights if necessary for faster flight schedules).
- Cost: Employees will fly coach class unless extenuating circumstances apply.
- Air Carrier: An employee's preferred airline can be utilized as long as expediency and cost factors are equal. In most cases, airfare will be directly billed to the Organization's credit card account.

On occasion, employees may have no alternative but to book their own flight. If this is the case, employees must use regularly scheduled airlines and obtain the lowest (discount) fare available. This may mean that employees will fly at times that are not always the most convenient for them.

**2.3** Lodging - Lodging arrangements are based on General Services Administration guidelines and the value, convenience for the traveler and according to what is usual and customary Organization guidelines.

Whenever multiple employees are traveling to the same location, employees will be required to share accommodations if possible (i.e. male/male or female/female). Lodging accommodations will then be made for double rooms accordingly. If an employee is accompanied by a non-employee such as family or a friend, and therefore requires

---

 Accounting Policies, Procedures and Forms

separate accommodations, the employee will be responsible for payment of any excess lodging accommodations.

**2.4** Meals - Employees on Organization business will be reimbursed for the actual cost of their meals not to exceed the guidelines of the General Services Administration for 2024 as follows.

**2.5** Per-Diem allowances are as follows (breakfast up to \$18 lunch up to \$25 and dinner up to \$35)

Officers may include reimbursement of pre-meals under the same guidelines noted above.

See form PUR104 Accounts Payable and Cash Disbursements and PUR106 Reimbursements for additional information regarding Meals.

**2.6** Car Rentals – When possible, advance arrangements should be made by the Supervisor if a car is required at the destination, otherwise the employee is required to make their own car rental arrangements. Vehicle selection will be based upon the most cost-effective class that satisfies requirements for the employee(s) and any demonstration equipment.

Supplemental auto insurance coverage offered by car rental agencies must be purchased and will be reimbursed.

**2.7** Personal Vehicles - An employee who uses their own automobile for business will be reimbursed according to IRS mileage reimbursement guidelines. The employee must provide on the expense report, documentation including dates, miles traveled and purpose of each trip.

The Organization assumes no responsibility for personal automobiles used for business. Further, any parking or speeding violation is the sole responsibility of the employee and each employee must have valid minimum automobile liability insurance as required by state law.

**2.8** Telephone - Telephone charges from the hotel are not allowed unless it is an emergency.

**2.9** Entertainment - Entertainment expenses are not allowed.

**2.10** Miscellaneous Expenses - Any additional business expenses (including but not limited to Wi-Fi access), that are not categorized above should be pre-approved and listed under miscellaneous expenses, and documented with all pertinent information to substantiate the expense.

**2.11** Non-Reimbursable Expenses - Some expenses are not considered valid business expenses by the Organization, yet may be incurred for the convenience of the traveling individual. Since these are not expenses for the business then they are not reimbursable. (The following can be used as a guide of expenses, which are not reimbursable)

Examples include:

- Airline or travel insurance
- Airline or travel lounge clubs
- Shoe shine or Dry-cleaning (except for extended travel beyond 5 days)

Accounting Policies, Procedures and Forms

- Movies or personal entertainment
- Books, magazines or newspapers
- Theft or loss of personal property
- Doctor bills, prescriptions, or other medical services
- Parking tickets, traffic tickets or Car towing if illegally parked
- Health club memberships
- Baby sitter or Pet care fees
- Barbers and Hairdressers

**3.1 EXPENSE REPORT PREPARATION AND REIMBURSEMENT**

**3.2** All business reimbursement expenditures incurred by employees of the Organization are reimbursed through the current financial system. Reimbursement receipts must be submitted monthly and any receipt that is older than 60 days will be reimbursed at the discretion of the Chief Financial Officer.

All required receipts for items charged must accompany all reimbursement documentation as well as uploaded into the existing financial system for approval and reimbursement payment process. In order to expedite reimbursement, the employee should ensure that the request is completed properly, required documentation is attached, proper authorization is obtained, and any unusual items properly explained and documented. Any questions regarding completion of the report should be directed to the employee's supervisor or the Finance Team.

G&amp;A 103 Travel and Entertainment

page 6 of 6

Accounting Policies, Procedures and Forms

**SOP # G&A 104 Revision: 2**  
**Effective Date: 4/7/2022**

**Prepared by: Central Office**  
**Approved by: BOD**

**Title: G&A104 MANAGEMENT REPORTS**

**Policy:** Back-office provider and MPS will prepare summary reports of vital operating statistics for the Organization, including revenues, current debt, operating cash, accounts receivable and projected short-term cash flows. These reports are to be prepared and are to supplement detailed monthly and quarterly financial reports and are to be used for timely "hands-on" management.

**Purpose:** To provide the format and content requirements for preparation of the Financial Reports.

**Scope:** The procedure applies to the Back-office provider and the Finance personnel required for preparation of these reports.

**Responsibilities:**

Back-office provider and MPS Finance personnel will be responsible for assuring effective and informative reporting for the Organization.

**Procedure:**

**1.0 PREPARATION GUIDELINES**

**1.1** Financial reports that provide management the necessary information to understand whether the Organization is progressing as planned are prepared monthly or as needed.

**1.2** Back-office provider maintains electronic copies of all reports and analyses.

**2.1 FINANCIAL REPORTS**

**2.2** The Chief Financial Officer should review accounting program financial reports on a regular basis.

**3.1 CASH FLOW REPORT**

**3.2** The Cash Flow Report represents a summary of the cash flowing through the Organization in the near term and identifies any potential shortfall that might occur in the

near future before it occurs. The Cash Flow Report should be reviewed at least monthly by the Chief Financial Officer. This report supplements the detailed monthly and quarterly financial statement reports and provides a quick look at the cash performance of the Organization.

---

G&A104 Management Reports

page 1 of 4

---

Accounting Policies, Procedures and Forms

**3.3** The Cash Flow Report should include projected operating cash balances for each month with estimated cash receipts by major classifications and projected disbursements by major account classifications.

**3.4** Back-office provider will notify the Chief Financial Officer of any shortfall so that the Organization may determine alternative courses of action to rectify the situation.

#### **4.1 BUDGET VS. ACTUAL REPORT**

**4.2** The Budget vs. Actual Report represents a comparison of planned operating expenses to the actual expenses incurred for the period. The objective is to highlight results against plan, percentages and variances and thus provide a basis for management decisions. The Budget vs. Actual Report is prepared and maintained by the Back-office provider on a monthly basis.

#### **5.1 FINANCIAL STATEMENTS**

**5.2** The Chief Financial Officer, Chief Executive Officer, and the Board of Directors should review the Financial Statements monthly for each board meeting. This report provides one indication of the performance of the Organization.

**5.3** The Financial Statements typically consist of three main parts: The Statement of Financial Position, Statement of Activities, and the Statement of Cash Flows (Statement of Cash Flows quarterly).

The Statement of Financial Position (Balance Sheet) lists all of the Organization's assets (cash, receivables, deposits, inventory, equipment, intellectual property, etc.), liabilities (debt, lease obligations, etc) and net assets. It identifies the assets (which are "the business") and the financiers, or debt and equity holders and the relationship between the two.

The Statement of Activities represents the Organization's operational sources of cash – revenue – or uses – business expenses and is typically divided into operating periods that represent months, quarters or years of operations. It identifies the profitability of the Organization as a function of the accounting decisions.

The Statement of Cash Flows is the difference between the Statement of Financial Position sources and uses of cash and the Statement of Activities sources and uses of cash. This difference assists in identifying the health of the Organization's operations. It identifies whether the Organization is producing cash or consuming cash and at what rate and from what sources.

---

G&A104 Management Reports

page 2 of 4

---

 Accounting Policies, Procedures and Forms

**5.4** The Financial Statements should be produced after the close of the Organization's period (see procedure G&A 105 PERIOD-END REVIEW & CLOSING). The final Financial Statements form the basis for the Organization's formal presentations to the Board of Directors, or other stakeholders such as banks, outside agencies, or creditors in accordance with procedure G&A 109 CONFIDENTIAL INFORMATION RELEASE.

Accounting Policies, Procedures and Forms

**SOP # G&A 105 Revision: 2**  
**Effective Date: 4/7/2022**

**Prepared by: Central Office**  
**Approved by: BOD**

**Title: G&A 105 PERIOD-END REVIEW & CLOSING**

**Policy:** An orderly, timely and comprehensive review of all general ledger accounts should be performed or directed by the Chief Financial Officer to ensure an accurate representation of the company's financial statements. These practices are aimed at proving that the financial accounts are accurate, and if not, are properly adjusted to make them accurate, prior to closing.

**Purpose:** To provide a general overview of the process to be completed for reviewing the accounting records at year-end or any particular month-end prior to closing.

**Scope:** These practices apply to all accounts. Typically, all financial accounts are reviewed and then closed out as of the company's year-end. Consequently, the procedures that follow are discussed in reference to year-end review. However, a subset of these procedures is also applicable to month-end reviews. Month-end procedures are identified near the end of this module.

**Responsibilities:**

Back-office provider is responsible for creating and reviewing all period-end activities to ensure the period-end financial statements accurately reflect the results of the Organization's activities. All general ledger adjustments should be approved by designated Finance team members.

**1.1 CLOSINGS PREPARATIONS**

**1.2** The following procedures would be expected for monthly closings:

- Reconcile all bank accounts
- Print and compare the aged receivables and payables to the general ledger. Make appropriate adjustments to balance the accounts.
- Review all Statement of Financial Position and Statement of Activities accounts for completeness
- Retain all above reports in a monthly summary file.

**2.0 STATEMENT OF FINANCIAL POSITION: ASSETS**

---

Accounting Policies, Procedures and Forms

2.1 **Cash accounts** - prepare the bank reconciliations for year-end balances per the bank statement to the balance per books for each account. The year-end reconciliation is especially important for preparing the final year-end financial statements to ensure that it is completely accurate.

Show origination dates and description of each reconciling item. Prepare the necessary journal entries to adjust to the reconciliations. Totals must agree with the general ledger. File all reconciliation reports in the year-end closing file.

2.2 **Accounts Receivable** – Print a detailed aged accounts receivable report and reconcile it to the General Ledger. This can be prepared as soon as all accounts receivable are calculated as of year-end. Calculate possible allowances for un- collectible accounts. Adjust prior allowances to the calculated amount. Write off any unlocatable differences. Retain a complete copy of the detailed accounts receivable, along with any reconciling adjustments in the year-end closing file.

2.3 **Inventory** – Supplies inventory may be small but should be evaluated periodically for cost increases.

2.4 **Capital Assets** - Update the detailed schedule of fixed assets with any additions and deletions and reconcile to the general ledger balances.

2.5 **Other Assets** - Other assets include utility or real estate deposits, prepaid insurance, advances to employees, and intangibles like store pre-opening costs. These should all be identified and documented. For example, a copy of the initial deposit with the utility company, or a list of the facility pre-opening costs with a schedule showing how much of those costs are to be amortized each year. File copies of these documents in the year-end closing file.

### 3.0 STATEMENT OF FINANCIAL POSITION: LIABILITIES AND NET ASSETS

3.1 Liabilities are shown as the amount to be paid in the subsequent period. If in doubt, record the liability.

3.2 **Accounts Payable** - Print a detailed aged accounts payable report and reconcile it to the general ledger. This is generally completed 2 to 4 weeks after the year-end to ensure that all vendor invoices relating to services and merchandise purchased have been received and entered.

Compare all month-end vendor statements to balances per accounts payable and investigate any differences. Consider making adjustments for any significant unrecorded liabilities such as work started prior to year-end, but not yet billed by the supplier. Retain a complete copy of the accounts payable detail, along with any reconciling adjustments, in the year-end closing file.

3.3 **Accrued Expenses** - Review accruals for sales tax, payroll, payroll tax, payroll deductions payable, interest expense on short-term borrowings and long-term debt.

3.4 **Loan Debt** - Verify recorded accuracy of debt by ensuring the general ledger balances agree

to year-end statements from lending institutions. Save all year-end statements in year-end closing file.  
G&A 105 Period-End Review and Closing page 2 of 3

**3.5 Contingent Liabilities and Commitments** - Prepare a schedule of any outstanding litigation and possible losses. Prepare a schedule of all long-term rental agreements with amounts due by year for the next five years. Retain these schedules in the year-end closing file.

**3.6 Net Assets** - Record any changes in the Prior Period Adjustment category but ordinarily this account does not have any transactions directly posted to it.

#### **4.1 STATEMENT OF ACTIVITIES: REVENUE & SUPPORT**

**4.2 Revenue & Support** – Review all program revenue, reimbursement billings, and any other donations.

**4.3** Additionally, the Chief Financial Officer and back-office provider should periodically review revenue trends, cost associated with revenues, variable expenses and fixed expenses. Look for patterns, new trends, seasonal variances, or profitable emerging products that may indicate changes in customer or program behavior.

**4.4** The Chief Financial Officer and back-office provider should analytically review the revenue reports and explain all variances.

#### **5.1 STATEMENT OF ACTIVITIES: EXPENSES**

**5.2** Each expense total should be compared to expense total from the year before (and budgets if applicable). Attempt to explain any unusual variances. Some expense items are directly related to asset or liability accounts and can be reconciled in conjunction with the related Statement of Financial Position account.

**5.3 Program Costs** - A detailed report should be produced of program costs and analyzed in relation to the associated revenues and to prior periods.

**5.4 Payroll** - At year-end, the various payroll expense accounts should agree to total gross payroll per payroll reports. Account for all deductions for W-3 reported to the Social Security Administration, 1099s for vendors, as well as FICA and other taxes reported accordingly.

**5.5 Bad Debt Expense** - Prepare a list of all accounts written off during the year. Note specifically any addition to the allowance for uncollectible accounts.

**5.6 Interest Expense** - Prepare a schedule of interest expense by source. Reconcile amounts to short-term borrowings and long-term debt.

#### **Revision History:**

Accounting Policies, Procedures and Forms

**SOP # G&A 106 Revision: 1**  
**Effective Date: 9/5/17**

**Prepared by: Central Office**  
**Approved by: BOD**

**Title: G&A 106 CONTROLLING LEGAL COSTS**

**Policy:** The Organization will employ various methods to manage and whenever possible, minimize legal expenses.

**Purpose:** To describe the procedures for managing and controlling associated legal expenses.

**Scope:** This statement applies to all individuals with the responsibility for contracting legal services and/or approving agreements, contracts, or any other legally associated transactions.

**Responsibilities:**

Chief Executive Officer will resolve, negotiate, and examine all legal expenses.

Legal Counsel should provide the estimated costs of legal engagements and the most likely outcome.

**Definition:** Arbitration - is a private, informal process by which all parties agree, in writing, to submit their disputes to one or more impartial persons authorized to resolve the controversy by rendering a final and binding award, which is enforceable in court. It can be used for a wide variety of disputes from commercial transactions to labor grievances.

Declaratory Judgment - is a binding judgment issued by the court that defines the legal relationship between the parties and their rights with respect to the matter before the court. Commonly used in contract disputes (especially useful if no physical agreement exists and or a suit has not been filed yet) to clarify what conduct is permitted or prohibited by the contract or to clarify the contract if necessary.

A declaratory judgment provides the opposing party (defendant) with the opportunity to pick and chose the venue or jurisdiction, and the parties to the litigation. In this manner the opposing party can steal the initiative, direct the litigation, and maximize its chances of winning.

**Procedure:**

**1.1 ARBITRATION**

**1.2** Whenever practical, the Organization should utilize arbitration to resolve disputes. Arbitration can significantly reduce the amount of time and legal fees to resolve a dispute. The major features of arbitration are:

- A written agreement to resolve disputes by the use of impartial arbitration. Such a provision can be inserted into a contract for the resolution of possible

---

 Accounting Policies, Procedures and Forms

future disputes, or can be an agreement to submit to arbitration of an existing dispute.

- Under the rules of arbitration, the procedure is relatively simple and informal. Strict rules of evidence do not apply; there is no motion practice or formal discovery; no requirements for transcripts of the proceedings or for written opinions of the arbitrators. The rules are flexible and can be varied by mutual agreement of the parties.
- Impartial and knowledgeable neutrals serve as arbitrators. Arbitrators are selected for specific cases because of their knowledge of the subject matter. Based on that experience, arbitrators can render an award grounded on thoughtful and thorough analysis.
- Final and binding awards which are enforceable in a court. Court intervention and review is limited by applicable state or federal arbitration laws, and award enforcement is facilitated by these same laws.

**1.3** The following standard clause should be inserted whenever practical into contracts, agreements, etc. to provide for the arbitration of possible future disputes:

"Any controversy or claim arising out of or relating to this contract, or the breach thereof, shall be settled by arbitration in accordance with the Commercial [or applicable] Rules of the American Arbitration Association and judgment upon the award rendered by the arbitrator may be entered in any court having jurisdiction thereof."

The arbitration of existing disputes may be accomplished by mutual agreement of parties with the use of the following terminology:

"We, the undersigned parties, hereby agree to submit to arbitration under the Commercial [or applicable] Rules of the American Arbitration Association the following controversy.

We further agree that we will faithfully observe this agreement and the rules, and that we will abide by and perform any award rendered by the arbitrator(s) and that a judgment of the court having jurisdiction may be entered upon the award."

## **2.1 LEGAL SERVICES**

**2.2** All legal documents prepared for the company's use, such as vendor contracts, employment agreements, sales orders, etc. should be written in common language and whenever possible should avoid the use of legalese or jargon. Legalese tends to complicate even simple arrangements and often unnecessarily requires the incurrence of legal assistance for mere interpretive purposes.

---

 Accounting Policies, Procedures and Forms

**2.3** Before undertaking legal disputes, the Organization's legal counsel should ascertain and inform the Organization of the estimated costs that will be incurred for the legal

engagement and the probable or most likely outcome of the case along with the probable amount of any awards or judgments. Use this information to produce a budget and clarify any matters that are increasing the budget. A budget will provide some assurance that the legal counsel has thought the matter through and it will also provide a baseline to determine the legal utility obtained from the matter.

**2.4** Use legal action only as a last resort. Legal action is frequently not very effective. In fact, a threatened action — particularly with intellectual property — could result in a pre-emptive declaratory judgment lawsuit by the other party thus giving them the “home-field” advantage, which could lead to higher legal costs.

### **3.1 LEGAL BILLINGS**

**3.2** Consider negotiating a “money-back” guarantee with the right to audit any bill for up to six months. Request that all fees that are proven to be unnecessary or excessive be returned. Then examine all legal bills for any such unnecessary or excessive transactions.

**3.3** Many times, legal bills are aggregated, vague and too uninformative to be useful in controlling costs. Therefore, all legal arrangements contracted by the Organization should require itemized billings to include the following information:

- Start and end times and dates of each service transaction
- Detailed description of services provided or work performed
- Distinct itemization of each individual performing services

**3.4** Examine all internal discussions or conferences and note exactly who is working on the case and why. Ask for a justification for all attorneys working on the case.

**3.5** Consider alternatives such as contingent fees, fixed fees, and monthly retainers. All fees are negotiable.

### **Revision History:**

<b>Revision</b>	<b>Date</b>	<b>Description of changes</b>	<b>Requested By</b>
0	2/14/13	Initial Release	

**SOP # G&A 107 Revision: 2**

**Prepared by: Central Office**

**Effective Date: 9/5/17**

**Approved by: BOD**

**Title: G&A107 TAXES AND INSURANCE**

**Policy:** To ensure compliance with all Federal, state, local, and other regulatory taxation requirements

**Purpose:** To outline the general areas of taxation. To be used as a checklist or guide in complying with tax requirements related to each specific location and organizational structure.

**Scope:** This statement applies to the business activities of the company.

**Responsibilities:**

The Finance team and back-office provider responsible for determining all tax liabilities and fees, and the dates due

Back-office provider is responsible for ensuring the timely payment of all tax liabilities and fees.

**Procedure:**

**1.1 ORGANIZATION FEES AND TAXES**

**1.2** Fees and taxes will vary depending on the legal structure of the business activity. The Organization is a Not-For-Profit organization; however, there may be from time to time revenue earned that is taxable as if the Organization were a For-Profit entity and those profits would be considered Unrelated Business Income and subject to tax.

**1.3** The Finance team and back-office provider should check with the secretary of state, registry of charitable trusts, the IRS, and any other agency that non-profit organizations may pay fees with in order to ensure all fees are paid in a timely manner. Failure to pay such fees can result in the loss of the company's legal status or structure.

**2.1 UNRELATED BUSINESS INCOME TAX**

**2.2** Activities conducted not related to the exempt purpose of the Organization can be subject to unrelated business income tax.

**3.1 PAYROLL FEES AND TAXES**

**3.2** The Federal and state governments charge an **unemployment tax**, based on a specified minimum amount of each worker's salary level. For most states, the rate can change from business to business depending on the Company's history of claims and the economic health of the state in which the Company is located. Most of Magnolia's schools participate in the School Employers' Fund (SEF) for unemployment insurance.

**3.3** **Worker's compensation insurance** may be imposed by a state like a tax. It can also vary based on the amount of payroll, past history of worker's compensation claims, and the type of work in which the business is engaged. This coverage is generally arranged through an insurance company.

---

Accounting Policies, Procedures and Forms

**3.4** At the Federal level, payroll is taxed at a uniform rate for **Social Security** and **Medicare**. These two taxes are evenly shared between the company and the employee up to certain levels of income. Additionally, personal income taxes, based on the employee's compensation, must be **withheld** from the employee's earnings and remitted to the government by the company, along with the company's and employee's share of **Social Security** and **Medicare** taxes.

**3.5** In California, a portion of the employee's compensation is also **withheld** and remitted to the state by the Organization.

**3.6** Other payroll withholdings, mandated by Federal or state requirements, may require wage garnishments to fulfill a bankruptcy edict or childcare payment requirement.

**3.7** The Treasury Department and or the Internal Revenue Service (IRS) collects all monies due the Federal Government. Technically, withholding amounts deducted from a paycheck are considered the government's money and the business owner is temporarily holding the money, in deposit, until it can be transferred to the government. Any failure to pay in a timely fashion is considered a serious matter by the IRS and will not be ignored.

The IRS will impose a penalty for failing to pay the required withholding amounts on time. In addition, interest will be charged until the amount is paid. Both interest and penalties imposed by the IRS can add up significantly.

Therefore, the IRS is not a good source to "borrow" money from if cash is tight.

Note: Money due the IRS is NOT dischargeable in bankruptcy.

**3.8** Certain local municipalities charge an **Earnings tax** based on payroll, income, assets, stock options granted or any combination. Check with the city clerk for details.

#### **4.1 EXCISE TAXES**

**4.2** There are many different federal government taxes or fees imposed on the commerce of different types of businesses. The following represents the most common.

**4.3** Penalties and interest may result from any of the following acts.

- Failing to collect and pay over tax as the collecting agent.
- Failing to keep adequate records.
- Failing to file returns.
- Failing to pay taxes.
- Filing returns late.
- Filing false or fraudulent returns.
- Paying taxes late.
- Failing to make deposits.

---

## Accounting Policies, Procedures and Forms

- Depositing taxes late.
- Making false statements relating to tax.
- Failing to register.

### 5.1 OTHER TAXES AND CREDITS

5.2 Many state, counties, and cities impose **real estate taxes**. The Organization should ensure that where possible the Organization has applied for exemption from property taxes as a non-profit organization.

5.3 **Sales and Use Taxes** – at this time, the Organization does not sell any products and is not subject to sales tax. However, they may make purchase from out of state vendors that are subject to California Use Tax. Such expenditures are monitored and reported, and payment is remitted quarterly to the Board of Equalization.

### 6.1 TAX PAYMENTS

6.2 The Finance team should create and maintain a detailed tax calendar as a guide, which provides a sample guide to some of the most common taxes. The guide should serve a reminder of tax due dates.

### 7.1 INSURANCE

7.2 Insurance needs for a business can be grouped in two broad categories, those that are directed at safeguarding assets and those that are furnished as employee benefits. Employee benefit insurance such as, health insurance, disability insurance and key man life insurance, should be considered in light of its importance in the entire employee compensation mix and in light of the personal needs of the company's owner(s).

7.3 Insurance used for safeguarding company's assets includes: property, casualty, key-man and professional liability insurance, as well as auto insurance, errors and omissions, directors' liability or business interruption insurance. The levels and terms of these policies should be determined based upon the value of the assets at risk and creditor or state and local requirements.

7.4 Business with a lot of employees should consider employment practices liability insurance covers businesses against some types of employee lawsuits including:

- Sexual harassment
  - Discrimination
  - Wrongful termination
  - Breach of employment contract
  - Negligent evaluation
  - Failure to employ or promote
  - Wrongful discipline
  - Deprivation of career opportunity
-

---

 Accounting Policies, Procedures and Forms

- Wrongful infliction of emotional distress
- Mismanagement of employee benefit plans

**7.5** Certificates of insurance may be required to be on file or on display depending on governmental requirements. It is important to consider that the insurance policy is a contract. Each year's policy should be saved in a permanent file. A product liability suit can go back many years, and if the potential claim is significant, the protection afforded by the prior year's insurance coverage will be improved if that year's policy has been saved.

Accounting Policies, Procedures and Forms

**SOP # G&A108 Revision: 0**  
**Effective Date: 2/14/13**

**Prepared by: Central Office**  
**Approved by: BOD**

**Title: G&A108 PROPERTY TAX ASSESSMENTS**

**Policy:** All property tax assessments will be reviewed for accuracy and proper assessed valuations to ensure minimum property tax costs to the Organization.

**Purpose:** To outline the areas for review in assessments and methods for appealing overstated assessments. A Non-Profit property tax exemption is the preferred method to minimize property taxes.

**Scope:** This statement applies to the Finance Department for property tax assessments for all sites owned by the Organization.

**Responsibilities:**

The Chief Financial Officer is responsible for reviews of Assessments including the review of Property Descriptions, validating record accuracy and submitting appeals to local Assessor's Offices.

**Procedures:**

**1.1 REVIEW OF ASSESSMENTS**

**1.2** All assessments are to be promptly reviewed. Many jurisdictions only allow a challenge to an assessment within 30 days after the annual notice of assessed value is sent. If the Finance Department misses the deadline, the Organization loses the chance to reduce the year's property taxes. There are normally no refunds for prior years' property taxes even if successfully challenged in the future. Often, it may be advisable to begin the analysis process prior to receiving the assessment notice.

**1.3** When reviewing an assessment, the first step is to find out how the property was assessed. Ask for a full explanation of how the assessed value was derived. Assessors are usually cooperative in providing this information.

**1.4** Upon receipt of the basis for assessment, the following factors should be reviewed:

Note: Do not make the mistake of thinking property has received a favorable low assessment just because its assessed value is less than its market value. Many jurisdictions use "assessment ratios" that are a percentage of market value. What is important is the amount of a property's assessment compared to those of similar properties. A below market assessment may in fact be very high.

## Accounting Policies, Procedures and Forms

- **Research Similar Properties:** Tax assessments are part of the public record. Assessments of similar properties to the Organization's should be looked up to see that the Organization's assessment is in line. The objective is to find assessed values for similar properties that are far lower than the Organization's. For example, organization locations within industrial parks or similar developments should be easy to find very similar properties for comparison.

- **Review Property Descriptions and Accuracy of Records:** Review records for possible clerical errors. Ensure that property descriptions are correct and the building size (total square feet) is not overstated. Make sure that all dates are correct and that all calculations are properly computed. A wrong construction date or simple mathematical error can increase tax valuations.

- **Deflate Property Valuations:** Tax assessors generally value property on the basis of historical cost and the recent sales prices of other properties in the area. Often, when figuring local property taxes, numbers reported on the federal tax return will be used. Depreciable assets are valued at cost on the federal return when figuring depreciation deductions. However, the appropriate assessment for market value for property tax purposes may very different. Further, instead of performing actual physical inspections or assessments of properties every year, local assessors use "equalization ratios" to adjust the annual assessment. The equalization ratio is a type of an inflation adjustment meant to reflect the current general trend in property values. However, the current trend in property values may not apply to the Organization's property.

**1.5** If the Organization can provide solid reasons for using different measures to value property, it may be able to receive a reduction in property taxes. Possible valuation methods can include:

- **Income Production:** Measure the current value of the cash flow stream generated by the property, which may be substantially lowered during a recession.
- **Replacement or Reproduction Cost:** How much it would cost to replace or reproduce the property should be determined. For example, if the construction industry is in a downturn, the cost to replace the property may be less than what the Organization paid for the property.

- Also the Organization should evaluate if it incurred any construction cost overruns due to bad weather, labor disturbances, material shortages, etc., that may have increased the cost of a new building without adding to its value. Decorative features may also add much less value than their actual cost.

- **Market Prices:** The actual recent sales of similar properties may show that the Organization's property is over-assessed.

## Accounting Policies, Procedures and Forms

- **Unique Features or Business Obsolescence:** Changes to the characteristics of the property or features specific to the Organization's business may reduce its value. Examples can include:
  - Change in zoning restrictions that limit the use of the property.
  - Changes in neighborhood logistics, such as a median divider placed in a highway that deprives a location from access to customers, rerouting of a highway, closing of a railroad line or economic decline in the area that forces the Organization's traditional customer base to move away.
  - Obsolete design for the Organization's particular business needs such as a facility that has been specially designed to hold machinery that has been made obsolete by a competitor's innovation or a communications facility built with conventional wiring that is obsolete due to a switch in the industry to the use of fiber optics.
  - Unique design aspects which meet Organization needs but would reduce the value of a property to others.
  - A general downturn in the Organization's industry.
  - Including Personal Property in Building Valuations: Property that is movable is personal property and should not be included in a valuation of the building. Many items such as piping, wiring, climate control systems, generators, special supports and foundations for equipment may look like part of the building to the assessor but should not be included in the building's assessment.

**1.6** Where the Organization is renting classroom or other facilities with triple net leases that includes property taxes that the Organization paid, the Organization should consider evaluating the lease location for the possibility that the landlord has not lowered the property taxes or is charging an unfair higher property tax to the Organization.

**1.7** Under all circumstances the Organization should seek a property tax exemption or waiver. Oftentimes the County will assess taxes for the first year, and the waiver will apply thereafter.

## **2.1 APPEALING OF ASSESSMENTS**

**2.2** If upon review of the assessment and all other factors, the Finance Department believes a downward adjustment to the property assessment is appropriate, an appeal should be prepared. Experience has shown that if an organization presents a sound argument for challenging an assessment, the Organization has an excellent chance of receiving some type of tax reducing adjustment even if it is less than the Organization had requested.

**2.3** The appeal case should include documentation of the above findings. It is important to keep in mind that the property tax assessor may not be familiar with

## Accounting Policies, Procedures and Forms

the details of the Organization's business or industry, so the Organization must prepare to explain how such factors may affect a property's value.

**2.4** Once a sound case is prepared, an appeal can be sought by simply calling the local assessor's office and asking for an appointment to discuss the assessment. The meeting with the local assessor will generally be informal. It is important to not be adversarial with the assessor but to present the attitude that the Organization is helping the assessor to reach a more accurate valuation for the property by presenting additional information.

**2.5** If the Organization does not receive any or a large enough adjustment, an appeal may be made with the local Board of Appeals. These meetings will probably be more formal and the Organization may wish to provide expert testimony or obtain an independent appraisal of the property to present to the Board of Appeals.

Accounting Policies, Procedures and Forms

**SOP # G&A 109 Revision: 1**  
**Effective Date: 9/5/17**

**Prepared by: Central Office**  
**Approved by: BOD**

**Title: G&A109 CONFIDENTIAL INFORMATION RELEASE**

**Policy:** The release of financial, statistical or other information that may be of a confidential nature to the Organization should be controlled. Individual requests should be referred to the Chief Financial Officer, or appropriate manager for disposition.

**Purpose:** To provide a means for the control of information to banks, media, credit bureaus, or other agencies and organizations.

**Scope:** All requests by an outsider to an employee regarding financial, revenue, marketing, customers, personnel, vendors, or other Organization confidential information. If in doubt, verify with the Chief Financial Officer

**Responsibilities:**

Chief Financial Officer is responsible for safeguarding all Organization information and determining the appropriate level of detail for release.

The Finance Department shall oversee all responses to all reference requests.

**Procedure:**

**1.1 FINANCIAL INFORMATION REQUESTS**

**1.2** Typical written requests are for additional information concerning details of the published financial statements, litigation progress, insurance coverage, names of investors, etc. If the request is by letter or other written correspondence, the material shall be forwarded to the Chief Financial Officer who will decide what information may be released and who will be authorized to reply.

**1.3** If the request is by telephone or a personal visit to our office, the requester should be referred to the Chief Financial Officer. If either is unavailable, the requester should be asked to provide their name, Organization, telephone number and address, if possible. Also they should be asked the reason for the request and a brief description of the information desired. This information should be written down and forwarded to the Chief Financial Officer for follow-up.

**1.4** The Chief Financial Officer should determine the appropriate response for each request. Formal Financial Statement presentations to the Board of Directors, or other stakeholders such as banks, should be accompanied by an opinion or comment from the Organization's Certified Public Accountant (CPA) prior to any formal presentation. (If no outside CPA review is obtained then some people may

G&A 109 Confidential Information Release

page 1 of 6

---

 Accounting Policies, Procedures and Forms

consider the Financial Statements as “Pro-Forma” and then request copies of completed tax returns). The Chief Financial Officer or designated Finance team member will examine the Financial Statements and prepare a formal version to one of three standards: compiled, reviewed or audited. The Organization should use an economically appropriate CPA standard sufficient to satisfy outside requirements.

The CPA standards are as follows:

- **Compiled Financial Statement.** The CPA is unable to make any assurances on the data or methods used to produce the financial statements. The CPA will re-cast the financial statements into a standard format (as per Generally Accepted Accounting Principles or GAAP) with a disclaimer that the statements are un-audited and the information is solely derived from the management of the business entity.
- **Reviewed Financial Statement.** The CPA is able to make some limited assurances that material changes are not required in order for the Financial Statements to be in conformity with GAAP. The CPA uses limited inquiry and some analytical procedures to ascertain the reasonableness of the statements. The information is then re-cast into a standard format with appropriate footnotes and a disclaimer that the statements are un-audited and only a limited inquiry has been made into the reasonableness of the information.
- **Audited Financial Statement.** The CPA provides assurance, through an opinion letter, that the financial statements are a fair representation of the financial position, results of operations, and cash flows of an entity. This opinion is given after a detailed review and verification of the accounting records and processes used to produce the data. Verification steps include various analytical procedures, client surveys, third party confirmation, and detailed accounting record reviews.

Any irregularities found could lead to either a “qualified” opinion, to indicate that something is inconsistent with GAAP, or an “adverse” opinion, which calls into question the reliability of the information itself. The CPA considers an adverse opinion very serious.

**1.5** Some types of confidential information may require the signing of G&A 109 Ex1 NON-DISCLOSURE AGREEMENT, prior to release. This may include requests for product release schedules, development plans, elements of corporate strategy, customer lists, intellectual property, financial information, legal proceedings, or time sensitive information.

## **2.1 PERSONNEL INFORMATION REQUESTS**

**2.2** The Office Manager shall oversee all responses to all reference requests. No other employee, including a former employee’s immediate supervisor, shall be authorized to respond independently without first obtaining approval from Human Resources.

---

 Accounting Policies, Procedures and Forms

**2.3** All requests should be in writing, using Organization letterhead, indicating in that letter that the subject of the reference request has applied for a job. Information is not to be provided over the phone.

**2.4** Each response shall be obtained only from people with first-hand knowledge of the employee's performance.

**2.5** The Office Manager shall review all responses to ensure that:

- Only factual information about the employee's job performance and qualifications for employment are included in the response. At no time should a response include emotions, personal feelings, rumors, non-work- related comments or exaggerations.
- If at all possible it is important that some form of documentation or solid evidence supports all information provided in the response.

**2.6** Retain a copy of all responses, including the contents of any oral response, in the former employee's personnel file.

### **3.1 CREDIT REFERENCE INQUIRIES**

**3.2** All credit reference requests should be in writing. Information requests should be directed to the Office Manager and are not to be provided over the phone.

**3.3** The Office Manager should review the Credit Inquiry form for completeness prior to responding. Retain a copy of all responses, including the contents of any oral response, in the customer's file.

## Accounting Policies, Procedures and Forms

**G&A 109 Ex1 NONDISCLOSURE AGREEMENT**

This NONDISCLOSURE AGREEMENT is made and entered into as of (DATE) between (THE ORGANIZATION NAME, STATE OF INCORPORATION AND ADDRESS), and (OTHER PARTY NAME, STATE OF INCORPORATION AND ADDRESS).

1. **Purpose.** The parties wish to explore and/or implement a business opportunity of mutual interest, and in connection with this opportunity, each party may disclose to the other certain confidential technical and business information that the disclosing party desires the receiving party to treat as confidential.

2. **"Confidential Information"** means any information disclosed by either party to the other party, either directly or indirectly, in writing, orally or by inspection of tangible objects (including, without limitation, documents, prototypes, samples, plant and equipment) that is designated as "Trade Secret", "Confidential", "Proprietary" or some similar designation, or is of such a nature or has been disclosed in such a manner that it should be obvious to the receiving party that such is claimed as confidential. Information communicated orally shall be considered Confidential Information within a reasonable time after the initial disclosure. Confidential Information may also include information disclosed to a disclosing third party by third parties. Confidential Information includes, without limitation, a disclosing party's trade secrets, know-how, intellectual property and proprietary information as well as business plans, financial data and the status and terms of any discussions between the parties regarding a potential business transaction. Confidential Information shall not, however, include any information that (i) was publicly known and made generally available in the public domain prior to the time of disclosure by the disclosing party; (ii) becomes publicly known and made generally available after disclosure by the disclosing party to the receiving party through no action or inaction of the receiving party; (iii) is already in the possession of the receiving party at the time of disclosure by the disclosing party as shown by the receiving party's files and records immediately prior to the time of disclosure; (iv) is obtained by the receiving party from a third party without a breach of such third party's obligations of confidentiality; (v) is independently developed by the receiving party without use of or reference to the disclosing party's Confidential Information, as shown by documents and other competent evidence in the receiving party's possession; or (vi) is required by law to be disclosed by the receiving party, provided that the receiving party gives the disclosing party prompt written notice of such requirement prior to such disclosure and assistance in obtaining an order protecting the information from public disclosure.

3. **Non-use and Non-disclosure.** Each party agrees not to use any Confidential Information of the other party for any purpose except to evaluate and engage in discussions concerning a potential business relationship between the parties. Each party agrees not to disclose any Confidential Information of the other party to third parties or to such party's employees or agents, except to those employees or agents of the receiving party who are required to have the information in order to evaluate or engage in discussions concerning the contemplated business relationship. A receiving party shall be responsible and liable for the action of its employees and agents with respect to a disclosing party's Confidential Information and shall fully cooperate with the disclosing party in enforcing any rights of the disclosing party against any such person in connection with a breach of this Agreement. Neither party shall reverse engineer, disassemble or decompile any prototypes, software, or other tangible objects that embody the other party's Confidential Information and that are provided to the party hereunder. Neither party shall hire any employees of the other during the term of this Agreement and for a period of two years thereafter.

4. **Maintenance of Confidentiality.** Each party agrees that it shall take reasonable measures to protect the secrecy of and avoid disclosure and unauthorized use of the Confidential Information of the other party. Without limiting the foregoing, each party shall take at least those measures that it takes to protect its own

highly confidential information and shall ensure that its employees and agents who have access to Confidential Information of the other party have signed a Non-use and Non-disclosure agreement in content similar to the provisions hereof, prior to any disclosure of Confidential Information to such employees and agents. Neither party shall make any copies of the Confidential Information of the other party unless the other party previously approves the same in writing. Each party shall reproduce the other party's proprietary rights notices on any such approved copies, in the same manner in which such notices were set forth in or on the original.

---

G&A 109 Confidential Information Release

page 5 of 6

---

Accounting Policies, Procedures and Forms

5. **Ongoing Development.** Nothing in this Agreement shall prohibit or restrict either party's right to develop, use or market products or services similar to or competitive with those of the other party disclosed in the Confidential Information as long as such shall not otherwise be a breach of this Agreement. Each party acknowledges that the other may already possess or have developed products or services similar to or competitive with those of the other party disclosed in the Confidential Information. Each party shall remain free to use in the course of its business its general knowledge skills and experience incurred before, during or after the date of this Agreement and the activities hereunder.

6. **No Obligation.** Nothing herein shall obligate either party to proceed with any transaction between them and each party reserves the right, in its sole discretion, to terminate the discussions contemplated by this Agreement concerning the business opportunity. Upon termination of such discussions the parties shall return all Confidential Information as provided in paragraph 8 and shall have no further rights to evaluate or use the Confidential Information of each other for any purpose whatsoever.

7. **No Warranty.** ALL CONFIDENTIAL INFORMATION IS PROVIDED "AS IS." THE PARTIES MAKE NO REPRESENTATIONS OR WARRANTIES, EXPRESS, IMPLIED OR OTHERWISE, REGARDING THE ACCURACY, COMPLETENESS OR PERFORMANCE OF ANY OF ITS RESPECTIVE CONFIDENTIAL INFORMATION.

8. **Return of Materials.** All documents and other tangible objects (except for any tangible objects purchased by a party) containing or representing Confidential Information that have been disclosed by either party to the other party, and all copies thereof which are in the possession of the other party, shall be and remain the property of the disclosing party and shall be promptly returned to the disclosing party upon the disclosing party's written request.

9. **No License.** Nothing in this Agreement is intended to grant any rights to either party under any patent, mask work right, trademark, trade secret or copyright of the other party, nor shall this Agreement grant any party any rights in or to the Confidential Information of the other party except as expressly set forth herein.

10. **Term.** The obligations of each receiving party hereunder shall survive until such times as all Confidential Information of the other party disclosed hereunder becomes publicly known and made generally available through no action or inaction of the receiving party. Notwithstanding the surviving obligations of a receiving party to maintain the confidentiality of a disclosing party's Confidential Information either party may at any time given written notice to the other party that it does not desire to receive any additional Confidential Information from the other party. After receipt of such notice, such party shall no longer furnish its Confidential Information to the notifying party.

11. **Remedies.** Each party agrees that any violation or threatened violation of this Agreement may cause irreparable injury to the other party, entitling the other party to seek injunctive relief in addition to all other legal and equitable remedies.

12. **General Provisions.** This Agreement shall bind and inure to the benefit of the parties hereto and their successors and assigns. This Agreement shall be governed by the laws of the State of Missouri, without reference to conflict of laws principles. This document contains the entire Agreement between the parties with respect to the subject matter hereof. Any failure to enforce any provision of the Agreement shall not constitute a waiver thereof or of any other provision. This Agreement may not be amended, nor any obligation waived,

except by a writing signed by both parties hereto.

(THE ORGANIZATION).

**SOP # G&A 110 Revision: 0**  
**Effective Date: 9/5/17**

**Prepared by: Central Office**  
**Approved by: BOD**

**Title: G&A 110 DOCUMENT CONTROL**

**Policy:** All documents used to provide work direction or set policy should be reviewed, approved, distributed and controlled by the office of the Chief Financial Officer.

**Purpose:** To define the methods and responsibilities for controlling documents used to provide work direction or set policy, and to define methods for document revision, approval, and distribution.

**Scope:** This procedure applies to all documents required by the Accounting Management System. Documents of internal or external origin are included.

**Responsibilities:**

The Chief Financial Officer is responsible for controlling and reviewing, at least annually, the Accounting Manual, all procedures and instructions related to the Accounting Management System, and all External Documents that are required.

The Finance Team is responsible for maintaining and controlling the Accounting Manual, all procedures and instructions related to the Accounting Management System, and all External Documents that are required.

School Principals are responsible for ensuring the relevant versions of documents are available at the points of use and that they are legible.

**Definitions:** Controlled Document: A document that provides information or direction for performance of work that is within the scope of this procedure. Characteristics of control include such things as Revision Number (letter), Signatures indicating review and approval, and Controlled Distribution.

Document: Information and its supporting medium. The medium can be paper, magnetic, electronic, optical computer disc, photograph, or sample.

External Document: A document of external origin that provides information or direction for the performance of activities within the scope of the quality management system. Examples include but are not limited to: customer drawings, industry standards, international standards, or equipment manuals.

**Approved by: BOD**

**Title: G&A 111 FACSIMILE AND E-MAIL SIGNATURES**

**Policy:** Fax and E-mail signatures are accepted as if the signature were an authentic wet blue ink signature for any official document.

**Purpose:** The purpose of this policy is to provide a clear explanation of the guidelines surrounding the use of Fax and E-mail signatures on Organization provided and received E-mail accounts and Fax Documents.

**Scope:** This applies to all Organization E-mail and Fax documents.

**Responsibilities:**

Chief Financial Officer is responsible for review and approval of signatures.

**Background:** E-mail and fax communication are often used more than any other form of communication, and is a form of business communication. The format of E-mail and fax documents should be professional in terms of signature and other formatting. E-mail and fax signatures should follow certain guidelines to fit with the overall image of the Organization. As such, the style of address, tone, spelling, grammar and punctuation of all messages should reflect the standards of formal business communication.

**Procedure:**

**1.1 FAX AND EMAIL SIGNATURES**

**1.2** What should be included in an email signature:

E-mail and fax signatures should include your name, job title, department, mailing address, telephone and fax numbers, and Website address. This should be in plain text format to easily accommodate all types of users.

When the signature is for a contract or approving a document or official in any nature, the signature should only be acceptable if the signature is in original "blue" ink.

**1.3** What should not be included in a fax or e-mail signature:

Elements that should not be included in fax or e-mail signatures include colored text, very large or complicated fonts, images, clip art or personal quotes. Faculty

/

and staff should also refrain from using background images or stationary in their email correspondence.

**1.4** No fax or email document is considered officially received as if it were an original blue ink wet signature until after the Organization has sent a formal reply to the fax or e-mail that the signature has been accepted.

**Title:** G&A 112 MAINTENANCE REQUESTS

**Policy:** Any maintenance work must be approved and pre-authorized unless emergency circumstances occur.

**Purpose:** The purpose of this policy is to provide a clear explanation of the guidelines in obtaining approval for building, equipment, and general maintenance services.

**Scope:** This applies to any and all maintenance type service requests.

**Responsibilities:**

Chief Financial Officer or the Chief Financial Officer's staff designee is responsible for review and approval of maintenance requests.

**Background:** MERF and/or its maintenance contractors has the responsibility to repair, make replacements and adjust equipment and buildings in response to conditions discovered during performance of preventive maintenance, equipment breakdown/improper operation or employee complaint. MERF and/or its maintenance contractors shall respond to and accomplish any request that is relevant to the successful operation of the Organization and its school and system locations.

**Procedure:**

**1.1 MAINTENANCE REQUESTS**

**1.2** Maintenance requests will be reviewed and approved or disapproved by the Chief Financial Officer and/or the designated staff as appropriate.

**Title: G&A 113 ELECTRONIC BACKUP OF ACCOUNTING INFORMATION**

**Policy:** All electronic accounting information systems must be backed up every week at a minimum on the Organization’s server.

**Purpose:** The purpose of this policy is to provide a clear explanation of the need to backup electronic accounting data regularly.

**Scope:** This applies to the accounting program.

**Responsibilities:**

The Finance Department is responsible for ensuring that the accounting program information is properly backed up.

**Background:** Electronic Accounting Information Backup means measures should be adopted that ensures that all electronic accounting data is properly backed up to secondary sources such as off-site web based services and/or other media to protect the Organization’s information in the event of any form of electronic data loss.

**Procedure:**

**1.1 ELECTRONIC BACKUP OF ACCOUNTING INFORMATION**

Full backups are taken daily at approximately 1:45 a.m. Pacific Time using our current accounting and budgeting systems.

**Title: G&A 114 POLITICAL INTERVENTION**

**Policy:** Consistent with its tax-exempt status under the Internal Revenue Code, it is the policy of MERF that the Organization shall not incur any expenditure for political intervention. Political intervention does not include lobbying activities, defined as the direct or indirect support or opposition for legislation, which is not prohibited under the Internal Revenue Code.

**Purpose:** The purpose of this policy is to provide a clear explanation of what the Organization may and may not be involved in with regards to politics.

**Scope:** All political activities of the Organization.

**Responsibilities:**

Chief Executive Officer is responsible for ensuring that the Organization is not seen as a political organization.

**Background:** The Organization is very well known and as such, political candidates may seek endorsements from MERF. This policy clarifies what MERF can and cannot do with regards to politics.

**Definition:** Political Intervention shall be defined as any activity associated with the direct or indirect support or opposition of a candidate for elective public office at the Federal, California or local level.

**Procedure:**

**1.1 PROHIBITED EXPENDITURES**

**1.2** Examples of prohibited political expenditures include, but are not limited to, the following:

1. Contributions to political action committees
2. Contributions to the campaigns of individual candidates for public office
3. Contributions to political parties
4. Expenditures to produce printed materials (including materials included in periodicals) that support or oppose candidates for public office
5. Expenditures for the placement of political advertisements in periodicals

/  
G&A 114 Political Intervention  
Accounting Policies, Procedures and Forms/

page 1 of 2

MERF will comply with all Federal and State laws and regulations regarding political intervention, lobbying, etc. Federal funds and those assets paid for by this program may not be used in any partisan activity.

**2.1 ENDORSEMENTS OF CANDIDATES**

**2.2** It is the policy of MERF not to endorse any candidate(s) for public office in any manner, either verbally or in writing. This policy extends to the actions of management and other representatives of MERF, when these individuals are acting on behalf of, or are otherwise representing, MERF.

**3.0 PROHIBITED USE OF ASSETS AND RESOURCES**

**3.1** It is the policy of MERF that no assets or human resources of MERF shall be utilized for political activities, as defined above. This prohibition extends to the use of MERF assets or human resources in support of political activities that are engaged in personally by board members, members of management, employees, or any other representatives of MERF. While there is no prohibition against these individuals engaging in political activities personally (on their own time, and without representing that they are acting on behalf of MERF), these individuals must at all times be aware that MERF resources cannot at any time be utilized in support of political activities except as identified in “1.0” above.

**Title: G&A 115 ACCRUED LIABILITIES**

**Policy:** The Organization will establish a list of commonly incurred expenses that may require accrual at the end of the fiscal year accounting period.

**Purpose:** The purpose of this policy is to properly recognize and accrue liabilities.

**Scope:** This applies to potential liabilities.

**Responsibilities:**

The Senior Controller & Financial Analysts with the support of Back-office provider are responsible for ensuring that the accrued liabilities are properly accounted for.

**Background:** Accrued liabilities are liabilities that have been incurred such as vacation pay but have not been paid.

**Procedure:**

**1.1 Accrued Liabilities**

**1.2** Some of the expenses that shall be accrued by MERF at the end of an accounting period are:

- Salaries and wages
- Payroll taxes
- Vacation pay/Compensated absences
- Rent
- Interest on notes payable
- Insurance premiums
- Audit fees
- Charter Management Organization fees

**Title: G&A116 NOTES PAYABLE**

**Policy:** It is the policy of MERF to maintain a schedule of all notes payable,

mortgage obligations, lines of credit, and other financing arrangements. This schedule shall be based on the underlying loan documents.

**Purpose:** The purpose of this policy is to properly track and recognize all notes payable and other similar obligations.

**Scope:** This applies to notes, loans, lines of credit, and obligations of the Organization.

**Responsibilities:**

Back-office provider is responsible for ensuring that all notes, loans, and other similar obligations are properly accounted for.

**Background:** Properly tracking and monitoring long term debt such as loans is important such that as payments become due, the Organization has sufficient cash flow to honor the obligation.

**Procedure:**

**1.1 NOTES PAYABLE**

**1.2** Prepare a schedule that shall be based on the underlying loan documents and shall include all of the following information:

1. Name and address of lender
2. Date of agreement or renewal/extension
3. Total amount of debt or available credit
4. Amounts and dates borrowed
5. Description of collateral, if any
6. Interest rate
7. Repayment terms
8. Maturity date
9. Address to which payments should be sent
10. Contact person at lender
11. Loan covenants, if applicable

**2.1 ACCOUNTING AND CLASSIFICATION**

**2.2** An amortization schedule shall be maintained for each note payable. Based upon the amortization schedule, the principal portion of payments due with the next

/

G&A 116 Notes Payable

page 1 of 4

Accounting Policies, Procedures and Forms/

year shall be classified as a current liability in the statements of financial position of MERF. The principal portion of payments due beyond one year shall be classified as long-term/non-current liabilities in the statements of financial position.

**2.3** Demand notes and any other notes without established repayment dates shall always be classified as current liabilities.

Unpaid interest expense shall be accrued as a liability at the end of each accounting period.

2.4 A detailed record of all principal and interest payments made over the entire term shall be maintained with respect to each note payable. Periodically, the amounts reflected as current and long-term notes payable per the general ledger shall be reconciled to these payment schedules and the amortization schedules, if any, provided by the lender. All differences shall be investigated.

### 3.1 **NON-INTEREST-BEARING NOTES PAYABLE**

3.2 As a charitable organization, MERF may from time to time receive notes payable that do not require the payment of interest, or that require the payment of a below-market rate of interest for the type of obligation involved. In such cases, it shall be the policy of MERF to record contribution income for any unpaid interest.

3.3 For demand loans, recording of interest expense and contribution income shall be performed at the end of each accounting period, based on the outstanding principal balance of the loan during that period, multiplied by the difference between a normal interest rate for that type of loan and the rate, if any, that is required to be paid by MERF.

3.4 For loans with fixed maturities or payment dates, the note payable shall be recorded at the present value of the future principal payments, using as a discount rate the difference between a normal interest rate for that type of loan and the rate, if any, which is required to be paid by MERF. The difference between the cash proceeds of the note and the present value shall be recorded as contribution income in the period the loan is made. Thereafter, interest expense shall be recorded in each accounting period using the effective interest method, with the corresponding credit entry increasing the note payable account to reflect the amount(s) that shall be repaid.

**SOP # G&A 117 Revision: 2**  
**Effective Date: 9/5/17**

**Prepared by: Central Office**  
**Approved by: BOD**

**Title: G&A 117 FINANCIAL AND TAX REPORTING**

**Policy:** The Organization will prepare annual and monthly financial statements as management considers necessary and prepare non-profit tax information and tax information returns within eight months of the fiscal year close.

**Purpose:** The purpose is to control and prepare consistent and accurate financial statements and tax returns that are relied upon by both internal and external parties.

**Scope:** This applies to financial statements and tax reporting documents.

**Responsibilities:**

Chief Financial Officer or his designee is responsible for preparing all tax documents and ensuring Organization financial statements are accurate.

Back-office provider is responsible for preparing all Organization financial statements.

**Background:** Preparing financial statements and communicating key financial information is a necessary and critical accounting function. Financial statements are management tools used in making decisions, in monitoring the achievement of financial objectives, and as a standard method for providing information to interested parties external to MERF. Financial statements may reflect year-to-year historical comparisons or current year budget to actual comparisons.

**Procedure:**

**1.1 STANDARD FINANCIAL STATEMENTS**

**1.2** Prepare the basic financial statements at year end and as considered necessary for reporting purposes. The basic financial statements of the Organization are maintained and prepared by MERF on an Organization wide basis and shall include:

1. **Statements of Financial Position** - reflects assets, liabilities and net assets of MERF and classifies assets and liabilities as current or non- current/long-term.

2. **Statements of Activities** - presents support, revenues, expenses, and other changes in net assets of MERF, by category of net asset (unrestricted, temporarily restricted and permanently restricted)

/

**2.1 FREQUENCY OF PREPARATION**

**2.2** The objective of the Back-office provider is to prepare accurate financial statements in accordance with generally accepted accounting principles and distribute them in a timely and cost-effective manner. In meeting this responsibility, the following policies shall apply:

**2.3** A standard set of financial statements described in the preceding section shall be produced on a quarterly basis for presentation at the Board of Directors meeting. The standard set of financial statements described in the preceding section shall be supplemented by the following schedules:

1. Individual statements of activities on a departmental and functional basis (and/or program/grant basis)
2. Comparisons of actual year-to-date revenues and expenses with year-to-date budgeted amounts

The bi-monthly set of financial statements shall be prepared on the cash basis of accounting with exception of year-end reports where accrual method of accounting must be used. Year-end report must include all receivables, accounts payable received by the end of the reporting period, and actual depreciation expense.

### **3.1 REVIEW AND DISTRIBUTION**

All financial statements and supporting schedules shall be reviewed and approved by the Chief Financial Officer, prior to being issued by Back-office provider.

**3.2** After approval by the Chief Financial Officer, a complete set of monthly financial statements shall, including the supplemental schedules described above, shall be distributed to the following individuals:

1. All members of the Finance and Audit Committee of the Board
2. Chief Executive Officer
3. School Principals and any other employee with budget-monitoring responsibilities will receive only the budget vs. actual report

**3.3** Financial statements may include an additional supplemental schedule prepared or compiled by the Chief Financial Officer. The purpose of this schedule is to provide known explanations for material budget variances in accordance with MERF'S budget monitoring policies. Also included is a list which lists all invoices that have not been paid at the end of the year and all revenues, if any, that have not been received.

/

G&A 117 Financial and Tax Reporting  
Accounting Policies, Procedures and Forms/

page 2 of 6

### **4.1 ANNUAL FINANCIAL STATEMENTS**

**4.2** A formal presentation of MERF's annual financial statements shall be provided by the independent auditor to the full Board of Directors at MERF's annual meeting. This

presentation will be preceded by a meeting with MERF's Finance and Audit Committee, at which the Finance and Audit Committee will vote to accept or reject the annual financial statements.

## 5.1 GOVERNMENT RETURNS

5.2 MERF must be aware of its tax and information return filing obligations and comply with all such requirements of the Federal government, California and local jurisdictions. Filing requirements of MERF include, but are not limited to, filing annual information returns with the Internal Revenue Service (IRS), California charitable solicitation reports, annual reports for corporations, property tax returns, income tax returns, information returns for retirement plans, annual reporting of compensation paid, and payroll withholding tax returns.

## 6.1 FILING OF RETURNS

6.2 It is the policy of MERF to become familiar with the obligations in each jurisdiction and to comply with all known filing requirements. The Chief Financial Officer shall be responsible for identifying all filing requirements and assuring that MERF is in compliance with all such requirements.

6.3 It is also the policy of MERF to file complete and accurate returns with all authorities. MERF shall make all efforts to avoid filing misleading, inaccurate or incomplete returns.

6.4 Reports and returns which may be required to be filed by MERF include, but are not limited to, the following returns:

1. **Form 990** - Annual information return of tax-exemption of MERF, filed with IRS. Form 990 for MERF is due on the **fifteenth day of November, annually**.
  2. **Form 990-T** – Annual tax return to report MERF'S unrelated trade or business activities (if any), filed with the IRS. Form 990-T is due on the **fifteenth day of November, annually**.
  3. **Form 199** – Exempt Organization Annual Information Statement or Return (California) – This form is due on the **fifteenth day of November, annually**.
  4. **Form 5500** - Annual return for MERF'S employee benefit plans. Form 5500 is due on the **fifteenth day of November, annually**.
  5. **Federal and State Payroll Returns** - Filed on a quarterly or annual basis.  
/
- G&A 117 Financial and Tax Reporting page 3 of 6  
Accounting Policies, Procedures and Forms/
6. **Form RRF-1** – Registration/Renewal Fee Report to Attorney General of California. This form is due on the **fifteenth day of November, annually**.
  7. **SF-SAC** – The Office of Management and Budget requires all Form SF-SAC and Single Audit submissions to be submitted on the Federal Audit Clearinghouse (FAC) Internet Data Entry System. The due date is established by OMB Circular A-133.
  8. **Form 1099's** – See **PUR101 VENDOR SELECTION**.

6.5 MERF'S fiscal and tax year-end is June 30. All annual tax and information returns of MERF Form 990, Form 990-T are filed on the accrual basis of reporting.

6.6 Federal and all applicable California payroll tax returns are prepared by the Chief Financial Officer, in consultation with MERF'S independent auditor and the pension plan third-party administrator.

6.7 It is the policy of MERF to comply with all California payroll tax requirements by withholding and remitting payroll taxes to California for each MERF employee.

## 7.1 PUBLIC ACCESS TO INFORMATION RETURNS

7.2 Under regulations that became effective in 1999, MERF is subject to Federal requirements to make the following forms "widely available" to all members of the general public:

1. The three most recent annual information returns (Form 990), and
2. MERF'S original application for recognition of its tax-exempt status (Form 1023 or Form 1024), filed with IRS, and all accompanying schedules and attachments.

7.3 It is the policy of MERF to adhere to the following guidelines in order to comply with the preceding public disclosure requirements:

1. Anyone appearing in person at the offices of MERF during normal working hours making a request to inspect the forms will be granted access to a file copy of the forms. The Chief Financial Officer shall be responsible for maintaining this copy of each form and for making it available to all requesters.

2. For all written requests for copies of forms received by MERF, the Organization shall require pre-payment of all copying and shipping charges. For requests for copies that are received without prepayment, MERF will notify the requester of this policy via phone call or by letter within 7 days of receipt of the original request.

/

G&A 117 Financial and Tax Reporting  
Accounting Policies, Procedures and Forms/

page 4 of 6

3. The copying cost charged by MERF for providing copies of requested forms shall be \$1.00 for the first page copied and \$0.20 for each subsequent page. All copies shall be shipped to requesters via Priority Mail, thus, shipping charges will be a standard \$5.00 per shipment.

4. After payment is received by MERF, all requested copies should be shipped to requesters in accordance with applicable laws. Making of all copies and shipping within the legal time period shall be the responsibility of the Finance Team.

5. For requests for copies made in person during normal business hours, copies shall be provided while the requester waits provided the request is for twenty-five (25) or less copied pages. Requests for copies in excess of 25 pages but less than 100 pages will be available the next business day. All requests in excess of 100 pages will be sent to the requestor in accordance with applicable laws.

6. MERF shall accept certified checks and money orders for requests for copies made in person. MERF shall accept certified checks and money orders or personal checks as payment for copies of forms requested in writing. Personal checks must clear the bank prior to the copies being made and delivered to the requestor.

**8.1 UNRELATED BUSINESS ACTIVITIES**

**8.2** Identification and Classification of unrelated business activities must be separately identified.

**8.3** It is the policy of MERF to properly identify and classify income-producing activities that are unrelated to MERF’s tax-exempt purpose using the guidelines described in the Internal Revenue Code and underlying regulations. Such income accounts shall be segregated in separate accounts in the general ledger of MERF in order to facilitate tracking and accumulation of unrelated trade or business activities.

**8.4** It is the policy of MERF to file IRS Form 990-T to report taxable income from unrelated trade or business activities. Form 990-T is not subject to any public access or disclosure requirements. Accordingly, it is the policy of MERF not to distribute copies of Form 990-T to anyone other than management and the Board of Directors of MERF.

**SOP # G&A 118 Revision: 2**  
**Effective Date: 2/11/21**

**Approved by: BOD**

**Prepared by: Central Office**

**Title: G&A 118 BUDGETING**

**Policy:** The School Site Principals with the support of Back-office provider are responsible for preparing, monitoring, and implementing the annual school site budget. The School Site Principal must have the school site budget approved by the Board of Directors no less than 60 days before the fiscal year. It is the School Site Principal’s responsibility to work with the central office in order to acquire the necessary budgetary information to implement their program. The budget may be revised as needed.

An annual Organization-wide budget shall be prepared on the accrual basis of accounting and the budget shall be adopted by the Board of Directors. The budget may be revised as needed. It is the policy of the Organization to adopt a final annual operating budget at least 60 days before the beginning of MERF’s fiscal year.

**Purpose:** A budget is a management commitment of a plan for present and future MERF activities that will ensure survival. It provides an opportunity to examine the composition and viability of MERF’s programs and activities simultaneously in light of all available resources

**Scope:** This applies to all departments and chart of accounts of the Organization.

**Responsibilities:**

Principal is responsible for providing information to the Back-office provider so that the back-office provider service provider can prepare the annual site budget and make revisions as needed.

The Finance Department is responsible for reviewing the school site and Organization-wide budgets and budget revisions.

Back-office provider is responsible for preparing the monthly budget vs. actual comparison reports.

**Background:** Budgeting is an integral part of managing MERF in that it is concerned with the translation of MERF’s goals and objectives into financial and human resource terms. A budget should be designed and prepared to direct the most efficient and prudent use of the MERF’s financial and human resources. A budget is a management commitment of a plan for present and future MERF activities that will ensure survival. It provides an opportunity to examine the composition and viability of MERF’s programs and activities simultaneously in light of all available resources.

/

G&A 118 Budgeting  
Accounting Policies, Procedures and Forms/

page 1 of 3

**Procedure:**

**1.0 PREPARATION AND ADOPTION**

**1.1** The school site budgets will be developed by the School Site Principals and Back-

office provider., The Organization-wide budget will be prepared by the Chief Financial Officer with the support of Back-office provider. They will gather proposed budget information from all Finance teams and others with budgetary responsibilities and prepare the first draft of the budget. Budgets proposed and submitted by each department should be accompanied by a narrative explanation of the sources and uses of funds and explaining all material fluctuations in budgeted amounts from prior years.

**1.2** After appropriate revisions and a compilation of all school site budgets by Back-office provider, a draft of the school site budgets and Organization-wide budget will be presented to the Chief Financial Officer for discussion, revision, and preliminary approval. The Chief Executive Officer is responsible for the final approval of all budgets.

**1.3** The final budget is then submitted by the Chief Financial Officer to the Board of Directors for adoption. School Site Principals shall be present at the Board of Directors budget approval meeting.

**1.4** It is the policy of MERF to adopt a final annual operating budget at least 60 days before the beginning of the MERF's fiscal year. In addition, the Finance Team must setup the new fiscal year accounts, to input the budget into the accounting system and establish appropriate accounting and reporting procedures (including any necessary modifications to the chart of accounts), to ensure proper classification of activities and comparison of budget versus actual once the new year commences.

## **2.1 MONITORING PERFORMANCE**

**2.2** MERF will monitor its financial performance by comparing and analyzing actual results with budgeted amounts. This function will be accomplished in conjunction with the monthly financial reporting process described earlier.

**2.3** On a monthly basis, budget reports comparing actual year-to-date revenues and expenses with budgeted year-to-date amounts shall be produced by the Finance Team and distributed to each respective School Principal on a monthly basis.

**2.4** The financial reports, interim reports, and budgets will be distributed to the Board of Directors. The Chief Financial Officer and School Site Principal, with the/support of Back-office provider, will be responsible for answering budget questions posed at the Board meetings.

**2.5** The Chief Financial Officer will also institute an on-going monitoring plan to ensure the fiscal operations effectively implement all Federal and State requirements and to ensure the safeguarding of Federal and State funds and assets.

## **3.0 BUDGET MODIFICATION**

**3.1** After a budget has been approved by the Board of Directors and adopted by MERF, reclassifications of budgeted expense amounts may be made by Back-office

provider, with approval from the Chief Financial Officer or his designee (Controller or Senior Financial Analyst).

3.2 Budget reclassifications of any amount are at the discretion of the Chief Financial Officer.

**Effective Date: 2/14/13**

**Prepared by: Central Office**  
**Approved by: BOD**

**Title: G&A 119 INSURANCE**

**Policy:** It is the policy of the Organization to have an active risk management program that includes a comprehensive insurance package and to maintain adequate insurance against general liability, as well as coverage for buildings, contents, computers, fine arts, equipment, vehicles, machinery and other items of value.

**Purpose:** To have a comprehensive insurance package and to maintain adequate

insurance against general liability, as well as coverage for buildings, contents, computers, fine arts, equipment, vehicles, machinery and other items of value.

**Scope:** This applies to all areas of risk management.

**Responsibilities:**

Chief Financial Officer is responsible for monitoring risk management and identifying areas of insurance need.

**Background:** Risk management and insurance enable the Organization to hedge against known and unknown potential losses.

**Definition:** Workers' Compensation and Employer's Liability

Contractors are required to comply with applicable Federal and California workers' compensation and occupational hazard and disease statutes. If occupational hazard and diseases are not compensated under those statutes, they shall be covered under the employer's liability insurance policy.

**Fidelity Bond**

For all personnel handling cash, preparing or signing checks, MERF shall obtain insurance that provides coverage in a blanket fidelity bond. The specific needs of MERF will determine the dollar limit of this coverage.

**Comprehensive Liability**

This type of coverage may include directors, officers and employee general liability insurance, buildings, contents, computers, fine arts, boilers and machinery.

/  
G&A 119 Insurance  
Accounting Policies, Procedures and Forms/

page 1 of 4

**Student Accident Insurance**

All children enrolled in any of MERF's funded programs must be insured for accidents and injury. The limit per child enrolled will be determined by local area experience rates and potential risk assessments.

**Procedure:**

**1.1 COVERAGE GUIDELINES**

**1.2** As a guideline, MERF will arrange for the following types of insurance, as a minimum:

Type of Coverage

- Comprehensive Liability
- Automobiles for Employees,

- Volunteers or Escorts
- Employee dishonesty/bonding
- Fire and Water Damage
- Directors and Officers
- Theft
- Workers' Compensation
- Student Accident Insurance

**1.3** The dollar limits are identified in the Insurance Booklet.

**1.4** MERF shall maintain a file of all insurance policies in effect. This file shall include the following information, at a minimum:

1. Description (type of insurance)
2. Agent and insurance company, including all contact information
3. Coverage and deductibles
4. Premium amounts and frequency of payment
5. Policy effective dates
6. Date(s) premiums paid and check numbers

**Title: G&A 120 SUPPLIES**

**Policy:** It is the policy of the organization to maintain an internal control system over supplies to prevent theft, overstocking, understocking, spoilage and obsolescence.

**Purpose:** To physically safeguard organization assets and to maintain accurate financial reporting.

**Scope:** This applies to non-capitalized assets.

**Responsibilities:**

School Principal or designee is responsible for maintaining safeguards over cleaning and education supplies at each school.

**Procedure:**

**1.1 SAFEGUARDS**

**1.2** Each Principal or designee is responsible for monitoring safeguards over assets at each school site. School will properly safeguard supplies inventory by keeping storage and locker facilities locked.

**1.3 Cleaning/Maintenance Supplies.** The Custodian at each site is responsible for custody of cleaning and repair and maintenance supplies.

**1.4 Educational Supplies.** The Administrative Assistant or designee is responsible for custody of educational supplies. Only the Administrative Assistant and the School Principal will have access to educational supplies.

**1.5** Educational supplies will be controlled in part by forms documenting custody, i.e. textbooks issued to students and use of laptops.

**2.1 MONITORING**

**2.2** School will establish optimum minimum and maximum stock levels for inventory.

**2.3** Finance teams will maintain records detailing purchases of each significant inventory item for each fiscal year.

**2.4** School Principal or designee will conduct a physical inventory of the supplies listed above on an annual basis. The completed inventory will then be submitted to Accounting so it can be reconciled to the general ledger.

Accounting Policies, Procedures and Forms/

**SOP # G&A 121 Revision: 2****Effective Date: 9/5/17****Prepared by: Central Office****Approved by: BOD****Title: G&A 121 SCHOOL SITE ACCOUNTING****Policy:** It is the policy of MERF to consider each school to be a separate and distinct financial accounting entity in order to maintain an accurate fund accounting system.**Purpose:** The purpose of this policy is to clearly define relationships between each school and with the business office in regards to financial accounting.**Scope:** This applies to the Organization's charter schools and business office.**Responsibilities:**Back-office provider, with the support of the Financial Analysts, is responsible for timely and accurate recording of transactions, providing useful management information, and properly reporting such information for various user needs.The Chief Financial Officer is responsible for overseeing the Financial Analysts and providing assistance where needed.**Background:** Separate accounting for each of the charter schools is critical in order to monitor budget performance and to determine how to allocate resources.**Procedure:****1.1 SEPARATE ACCOUNTING****1.2** Back-office provider will utilize the same accounting policies for each school they are responsible for. Consistency in accounting will ensure that the charter schools can be evaluated using the same benchmarks and will assist in evaluating performance.**1.3** Each Charter School will have its own accounting file to assist in maintaining separate accounting for each school, and a separate bank account to avoid commingling of funds.**2.1 FUNDRAISING****2.2** Revenues from fundraising will be recorded in the accounting system using the resource tracking system in order to account for funds received from different events. Funds may be used for operating purposes unless restricted by the donor or explicitly restricted by the event.**Fundraiser Approval Process and Gift-Entry and Recording Policies**

**2.3 Fundraiser Approval Process:** Each Magnolia Science Academy (MSA) teacher/staff member will submit a direct fundraiser request to the site principal.

The MSA site principal will thoroughly review the fundraiser request and either approve or deny a fundraiser request.

The head of development at the MPS Home Office under the office of the Outreach and Communication Department is informed to ensure there is alignment to the Magnolia Public Schools - Development Plan and Strategy.

If the fundraiser request does not align with the Development Plan and Strategy and/or the MPS mission and vision then a recommendation will be made to not proceed with the fundraiser to the site principal. If approved, and if the fundraiser will utilize the MPS website Stripe account, the head of the MPS development will create a “fund” specific to the fundraiser.

The MSA site fundraising lead will provide fundraiser details to the head of development to subsequently populate the fundraiser description section. If another approved donation payment app/s is utilized, then the MSA site fundraising lead will forward all donation details including fundraiser purpose, timeline, amount requested, amount received once the fundraiser has come to a close to the MPS finance and Development departments.

Payment apps offer convenience for business owners, contractors, and individuals who want to send money from person to person. Payment apps work by allowing you to make payments directly from your smartphone. You can make payments through your app without needing to have your credit card or debit card handy at all.

- Approved Apps: Stripe & Paypal

Magnolia Public Schools and Magnolia Science Academy website donation pages are operated by Stripe online payment processing. Funds are linked directly to each MSA’s account

- Donors Choose - Donors Choose is the most trusted classroom funding site for teachers.

Note, apps not listed need to be approved by the MPS Finance and Development departments prior to use by Magnolia Science Academy sites.

### **Gift-Entry and Recording Policy and Procedure**

MSA sites will ensure all cash and checks are delivered to the MPS Finance department for accounting and depositing. An ACH transfer can be requested by the MPS Finance department throughout the duration of the fundraising campaign or as determined by the Chief Financial Officer.

The Finance department will subsequently forward the MSA fundraising totals to the MPS Development department for recording in the Grants Management Portal. Periodically, the MPS Finance department will request a funds transfer from Stripe or designated app to the prospective MSA accounts or as determined by the Chief Financial Officer.

The Development department will add/update donor information in the MPS Grants Management portal, especially if the information on the check and/or response form is different.

The Development departments will record gifts according to the donor’s intended use, i.e. unrestricted, restricted (specific program or project), endowment, etc.

The Development department will record in the system the source of the gift, i.e. direct-mail appeal, special event, personal solicitation, etc.

The Development department will prepare a quarterly report of gifts to be shared with appropriate staff and board committees for information and special acknowledgment.

The Development department will acknowledge all gifts within three to five business days using appropriate MPS thank-you letters based on the gift level.

**SOP # G&A 122 Revision: 0**  
**Effective Date: 2/14/13**

**Prepared by: Central Office**  
**Approved by: BOD**

**Title: G&A 122 FRAUD REPORTING & WHISTLEBLOWER**

**Policy:** To establish procedures for reporting concerns of fraud on a confidential basis; receipt, retention, and treatment of complaints received by the Organization regarding such concerns; and protection of anyone reporting fraud in good faith from retaliatory actions.

**Purpose:** It is the policy of the Organization that its operations are conducted according to the highest standard of integrity, and that its officers, directors, employees, consultants, volunteers, interns, vendors, and other agents observe high standards of business and personal ethics in the conduct of their duties and responsibilities. As employees and representatives of the Organization, all applicable laws and regulations must be followed, honesty and integrity must be practiced in fulfilling all responsibilities and all situations must be avoided that might conflict with responsibilities undertaken on behalf of the Organization. It is a federal crime for any organization – nonprofit or for-profit- to retaliate against a “whistleblower” who reports illegal, unacceptable, or suspicious activity (“Concerns”). This policy is intended to encourage and enable the reporting of Concerns within the Organization in order to prevent, detect and correct improper activities.

**Scope:** All officers, directors, employees, including temporary employees, consultants, volunteers, interns, vendors and other agents are covered by the scope of this policy and its guidelines.

**Responsibilities:**

Executive Management and Board of Directors are responsible for investigating any Concerns reported, and to ensure that the reporting person is protected from retaliation.

**Background:** The people closest to the day-to-day workings of an organization are the ones most qualified to identify and report improper activities. Experience has shown that these individuals will step forward if they are provided with a confidential means of reporting abuses and feel that they will be protected from retaliation, including loss of their job.

/  
G&A122 Fraud Reporting & Whistleblower  
Accounting Policies, Procedures and Forms/

page 1 of 4

**Procedure:**

**1.1 REPORTING RESPONSIBILITY**

**1.2** It is the responsibility of all those noted in the Scope of the Policy to report questionable or improper accounting or auditing matters or other Concerns as described above.

**1.3** No officer, director, employee, including a temporary employee, consultant, volunteer, intern, vendor or other agent who reports a Concern in good faith shall be subject to retaliation or, in the case of an employee, adverse employment consequences. Any

individual who retaliates against someone who has reported a Concern in good faith is subject to discipline up to and including dismissal from the volunteer position or termination of employment. Such conduct may also give rise to other actions, including civil lawsuits.

**1.4** Reporting in good faith means that to the best of the individual's knowledge who is reporting a suspected fraud or abuse Concern, the fraud or abuse is factual.

**1.5** An individual reporting a fraud or abuse Concern not in good faith is subject to discipline up to and including dismissal from the volunteer position or termination of employment. In other words, fraudulently submitting a fraud or abuse Concern/allegation is not acceptable.

## **2.1 PROCEDURES FOR REPORTING CONCERNS**

**2.2 Employees and Consultants.** Whenever possible, an individual should seek to resolve Concerns by reporting issues directly to his supervisor. If, for any reason, the individual is uncomfortable speaking to his supervisor or does not believe the Concern is being properly addressed, the individual should report the Concern directly to the Chief Operating Officer of the Organization. If the individual does not believe that these channels of communication can or should be used to express his Concern, the individual should report the Concern directly to a member of the Organization's Board of Directors. Concerns may also be submitted anonymously in writing or via voice mail to a Board of Directors member. Contact information for the Chief Operating Officer and a listing of Board of Directors members may be obtained from the Organization's website or by calling the Organization at (714) 892-5066.

**2.3 Officers, Directors, Interns, Volunteers, Vendors and Other Agents.** Officers, directors, interns, volunteers, vendors and other agents may report Concerns to the Chief Executive Officer or directly to a member of the Organization's Board of Directors. If the officer, director, intern, volunteer, vendor or other agent is uncomfortable reporting to any of these individuals, or if he does not believe the Concern is being properly addressed, the report should be escalated directly to the Chair of the Organization's Board of Directors.

**2.4 Third Party Fraud Reporting Service.** An individual also has the option to report any Concerns through a service specifically set up for MERF. These can be

/

G&A122 Fraud Reporting & Whistleblower  
Accounting Policies, Procedures and Forms/

page 2 of 4

reported through the website at [www.magnoliapublicschools.org](http://www.magnoliapublicschools.org) or by calling the central office. Concerns addressed through these channels can be made anonymously if the individual chooses.

## **3.1 HANDLING OF REPORTED CONCERNS**

**3.2** All reported Concerns filed in accordance with this policy will be investigated by the Organization with due care and promptness. Matters reported internally without initial resolution will be investigated by the Chief Executive Officer of the Organization to determine if the allegations are true, whether the issue is material and what actions, if any, are necessary to correct the problem. The Organization staff may issue a full report of all matters raised under this policy to the Board of Directors.

For matters reported directly to a member of the Board of Directors or the Chief Executive Officer, the Audit Committee shall promptly acknowledge receipt of the complaint to the complainant if the complainant is known. An investigation will be held to determine if the allegations are true, whether the issue is material and what corrective action, if any, is necessary. Upon the conclusion of this investigation, the Audit Committee shall promptly report its findings to the Executive Committee of the Board.

The Audit Committee shall have full authority to investigate Concerns raised in accordance with this policy and may retain outside legal counsel, accountants, private investigators, or any other resource that the committee reasonably believes is necessary to conduct a full and complete investigation of the allegations.

**Title: G&A 123 CONFLICT OF INTEREST POLICY**

**Purpose:** It is the policy of the Organization that the Governing Board shall review and adopt a conflict of interest policy annually or as required in accordance with authorizer MOUs.

**Responsibilities:**

Executive Management and Board of Directors are responsible for ensuring that the conflict of interest policy is reviewed and approved annually each July.

**Background:** Refer to separate document titled “Conflict of Interest Policy”.

**Title: G&A 124 HOME OFFICE MANAGEMENT FEES**

**Policy:** Charter school-related organizations (CSRO) may charge a charter school fees for the legitimate, contractually agreed upon services it provides to the charter school.

**Purpose:** To clearly define Home Office Management Fee calculations for all MPS school sites

**Scope:** This applies to all MPS schools of the organization.

**Responsibilities:**

The Finance Department is responsible for review and confirmation of all monthly calculations and payments from school sites to MERF.

Back-office service provider is responsible for accurate bookkeeping and recording of all payments and outstanding fees.

Chief Executive Officer and Chief Financial Officer are responsible for approval of all Home Office Management Fee transactions.

**Procedures:** The CMO fee policy which will be reviewed and updated each year along with the annual budget adoption as noted below

The Board of Directors (“Board”) of Magnolia Public Schools (“MPS”) adopts a policy for the MPS charter schools to fairly fund the Home Office for administrative services and support provided to the schools, sometimes referred to as the “CMO fee”. The Board authorizes and delegates to the MPS Chief Executive Officer, Executive Team and their designees (collectively, the “Home Office Team”) to calculate and collect the CMO fee in accordance with this policy.

The Home Office Management Fee for MSA 5 is not to exceed 15% of the school’s revenue, defined as the amount received in the current fiscal year from LCFF calculated pursuant to Section 42238.02, as implemented by Section 42238.03, per LACOE’s condition for authorization beginning fiscal year 2018-19. The Home Office Management Fee for MSA San Diego shall not exceed 11% of the total LCFF revenue based on the MOU with the current authorizer, SDUSD effective fiscal year 2015-16.

**SOP # CSH 101 Revision: 2****Prepared by: Central Office****Effective Date: 4/7/2022****Approved by: BOD****Title: CSH 101 CASH BOXES****Policy:** Proper internal control should be maintained over funds received by cashiers or sales clerks of any type, even at fundraising events at all times.**Purpose:** To identify the practices for cash box control, including cash receipts, special tender items, cash payouts and reconciliation with deposits.**Scope:** All personnel that deal with the cash transactions.**Responsibilities:**Principal is responsible for safeguarding / verifying and controlling all cash assets at each school.School Office Manager is responsible for ensuring the completeness and accuracy of all opening, closing and intermediate transactions.School Office Manager is responsible for overseeing all event transactions.**Procedure:****1.1 CASH BOX/SAFE****1.2** Each fundraiser or individual collecting cash should collect cash for events and safeguard properly. Once all cash has been collected, this individual should submit the cash received to the School Office Manager as soon as possible for placement in the cash box. It is important to ensure that only one person has responsibility for collecting cash as to limit any opportunities for misappropriation.**1.3** All cash collected must be collected by the School Office Manager, counted together with the School Principal and one other person, and signed off by all three individuals that the cash count is accurate. The funds will then be safely secured until deposited by a designee of the School Office Manager.**1.4** If the cash balance at the end of day exceeds \$2,500, a bank deposit will need to be made the same day. Otherwise, all bank deposits will need to be made by the last business day of the week. At the end of the week there should be no more than \$100 left in the cash box for the following week.**1.5** Bank deposit documentation needs to be emailed to Back-office provider, in PDF format, for entry into the general ledger on a weekly basis.

**Effective Date: 9/5/17**

**Prepared by: Central Office**  
**Approved by: BOD**

**Title: CSH 102 CASH RECEIPTS AND DEPOSITS**

**Policy:** Accurate internal control of cash receipts and deposits will be maintained at all times. Cash deposits will generally be made on the same day as receipt.

**Purpose:** To establish the procedures to be followed for receiving, applying and depositing cash receipts.

**Scope:** This procedure applies to all cash receipts received by the Organization.

**Responsibilities:**

Finance team is responsible for processing all cash and check transactions and depositing checks received in the bank.

Finance team is responsible for inspecting and verifying proper signatures or endorsements on checks.

School Principal/Office Manager is responsible for all fundraising transactions.

**Definitions:** Tender Item. Any item used to tender or pay for a transaction is considered a tender item. Tender items can include coupons, gift certificates, credits, rebates, cash, checks, barter credits, etc.

**Procedure:**

1.1 **CUSTOMER AND AGENCY DEPOSITS**

1.2 Cash receipts generally arise from:

- Contracts and Grants
- Direct donor contributions
- Fundraising activities

The principal steps in the cash receipts process are:

**Central Office** - The Receptionist receives incoming mail, opens, date stamps, and distributes the mail. The Finance team stamps all checks "for deposit only," and makes one (1) copies of each check. The checks are kept in a locked cabinet until ready for deposit.

Weekly (or more often if necessary), the Finance team processes the following: the endorsed checks, the deposit log book, and the correct account allocation for each deposit. The Finance team processes the deposit and

/

CSH 102 Cash Receipts and Deposits

page 1 of 4

Accounting Policies, Procedures and Forms/

takes it to the bank for deposit. A copy of the deposit slip is attached to the deposit. The

deposits are put in a file to attach to the bank statement.

All cash received at the central office will be counted, verified, and signed off by two people from Accounting and another available staff member. The cash will immediately be posted using the appropriate allocation. A receipt will be given to the paying party and a copy kept for internal purposes. The cash will be kept in a locked, secure location and deposited within 24 business hours, but no longer than the last business day of the week.

**School Site** - The Receptionist receives incoming mail, opens, date stamps, and distributes the mail. The checks are kept in a locked cabinet until ready for deposit.

Weekly (or more often if necessary), the Principal, Office Manager, or designee will deposit the checks to the bank for deposit. The Principal, Office Manager, or designee will then send copies of the check(s) deposited and the original deposit slip receipt from the bank to the Finance team for processing.

The back office provider will process the deposit and enter into the accounting system. A copy of the deposit slip is attached to the deposit. The deposits are put in a file to attach to the bank statement.

## **2.1 APPLICATION OF ACCOUNTS RECEIVABLE**

**2.2** Inspect all incoming accounting mail for checks.

**2.3** Finance team should photocopy all checks. Any papers attached to the checks should be stapled to the check photocopy and the envelopes discarded.

**2.4** Finance team will use the photocopy of the checks and customer remittance advices to apply the cash payments to the Accounts Receivable Ledger if applicable. Unapplied payments are to be credited against the oldest open aging column on the accounts receivable ledger. A standard letter of information and/or inquiry should be sent or faxed to the payer when there is any question as to the correct application of the check.

**2.5** Checks returned once should be deposited a second time. Already re-deposited checks should be debited back to the account.

**2.6** Prepare all checks received for deposit.

## **3.1 DEPOSIT, ENDORSEMENT OF CHECKS, TIMELINES OF BANK DEPOSITS**

**3.2** The Finance team will inspect all checks for proper signature or endorsement. If a check is received without a proper signature then process the check as per CSH 103 PROBLEM CHECKS procedure

/

CSH 102 Cash Receipts and Deposits  
Accounting Policies, Procedures and Forms/

page 2 of 4

**3.3** All checks should be endorsed as follows:

a. With the restrictive endorsement "For Deposit Only" along with,

- b. The Organization's designated bank deposit account number,
- c. The name, “Magnolia Education and Research Foundation”,
- d. The bank name.

**3.4** No check should be withheld from daily deposit unless it is legally imperfect. The endorsed checks should then be returned to the Finance Team. Bank deposits will be made on a daily basis, unless the total cash amount received for deposit is less than \$2,500 . Receipts must be deposited no later than the Friday of the week it was received. Any cash not deposited on a daily basis will be kept in a locked fireproof cabinet with access limited to the Chief Financial Officer, and the Finance Manager.

**3.5** At time of deposit, collect all cash and checks and prepare a bank deposit slip for deposit in the Organization's authorized bank. Ensure that collections are deposited into the correct bank account, and that the name of the charter school is listed on the deposit slip.

**3.6** Place a duplicate copy of the deposit ticket and collected cash into a cash bag for transport to the bank. Deposits should be made no less frequently than daily if amount of cash exceeds \$2,500 . If the deposit cannot be made immediately then the deposits should be stored in a secure area for later deposit.

**3.7** Extreme care should be taken to protect the safety of the person making the deposit and the deposit itself. Actions to be considered are, making deposits only during daylight hours, using random deposit times and different routes to the bank, and assigning two people to make deposits.

**3.8** The deposit amount should be entered into the accounting program.

**3.9** No disbursements should be made from collections, nor can personal checks be cashed.

**Effective Date: 9/5/17**

**Prepared by: Central Office**  
**Approved by: BOD**

**Title: CSH 103 PROBLEM CHECKS**

**Problem:** To save time in returning and following-up on unsigned, checks marked "payment in full", or returned by the bank. These checks should be processed as follows and deposited.

**Purpose:** To describe how these types of checks should be handled before depositing.

**Scope:** This procedure applies to all checks received by the Organization.

**Responsibilities:**

Back-office provider is responsible for processing all check transactions for each school.

**Definitions:** NSF. Non-Sufficient Funds or NSF checks are those that are returned from the bank because the balance in the checking account was not high enough to cover the check. The check is then stamped NSF or "insufficient funds", "uncollected funds", or maybe "account closed".

**Procedure:**

**1.1 UNSIGNED CHECKS**

**1.2** The word "over" should be typed or written on the line where the signature would normally appear. On the back, type "Lack of Signature Guaranteed" and then add the Organization name, manager's name, title and signature.

Note: This indicates to the bank that the Organization will take back the check as a charge against its account in the event it isn't honored. In the event the check is not honored, the Office Manager should immediately follow-up with the issuer.

**1.3** Continue processing the check.

**2.1 PARTIAL PAYMENT CHECKS MARKED "PAYMENT IN FULL"**

**2.2** If there's no dispute as to the amount, a check tendered for less than the amount due and marked "payment in full" (or similar wording) can be cashed without jeopardizing the right to recover the balance. However, if there's a bona fide dispute as to the amount owing, the Organization runs the risk that payment will be deemed to have settled the disputed claim for the lesser amount.

**2.3** To overcome any potential pitfall, the check should be endorsed with the following statement "Check is accepted without prejudice and with full reservation of all rights under section 1-207 of the UNIFORM COMMERCIAL CODE (see Reference A).

/

CSH 103 Problem Checks  
Accounting Policies, Procedures and Forms/

page 1 of 6

**2.4** Continue processing the check as per procedure CSH 102 CASH RECEIPTS AND DEPOSITS.

**2.5** The Office Manager should then work with the customer to resolve collection of the remaining balance due.

### **3.1 RETURNED CHECKS**

**3.2** A returned check for less than \$100 or stamped "uncollected funds," should be re-deposited the following day, if the check is not already stamped, "Do Not Re- Deposit".

**3.3** For returned checks in amounts greater than \$100, the bank that the check is drawn against should be telephoned to determine if the check amount will clear the customer's account. If sufficient funds exist the check should be re-deposited. If the check is very large, consider taking the check directly to the issuing bank for recovery.

Note: The customer's account number should be the second number series located at the bottom center of the check.

### **4.1 REDEPOSITED CHECKS**

**4.2** In the event a re-deposited check is returned or if sufficient funds do not exist to cover the check, the Office Manager should contact the issuer by phone to report the problem and discuss how the matter will be resolved. Then issue a formal notice CSH 103 Ex1 BAD CHECK NOTICE via certified mail with a return receipt requested to ensure the customer understands the seriousness of the issue.

**4.3** Whenever a check is re-deposited more than once a handling fee should be considered.

### **References:**

#### **A. UNIFORM COMMERCIAL CODE (UCC)**

The "Uniform Commercial Code" or UCC began as a model for each state legislature to modify and adopt as law in that state. Therefore, the UCC is not the same in every state. Each state's court system can interpret the UCC differently thereby creating different case law in that state and producing different results.

Business people cannot assume that the law will be exactly the same in each state. For more information see the Secretary of State for each State in question.

#### **B. BAD CHECK LAW**

Bad Checks are considered part of the UCC and therefore are a matter of state law enforcement. Section 3-104(2)(b) of the UCC, defines a check as "a draft drawn on a bank and payable on demand." Each state has a different "Bad Check Law" see UCC above.

/

CSH 103 Problem Checks

page 2 of 6

Accounting Policies, Procedures and Forms/

Postdated check: since it is not payable on demand, most states believe that the giving of a post-dated check does not constitute a present fraud nor is it within the scope of the bad check laws.

Payments for COD or pre-existing debt: In most cases, NSF checks are not considered under the bad check law if they are used to pay a note payment or to pay an invoice that is on

account. However, if the debtor provides a creditor with a NSF check for a COD order, then that act does fall within the bad check laws.

**Effective Date: 9/5/17**

**Prepared by: Central Office**  
**Approved by: BOD**

**Title: CSH 104 WIRE TRANSFERS**

**Policy:** To provide additional payment options to customers and vendors in order to make funds immediately available to the receiving party. Wire transfers should be treated with special care and accuracy to prevent loss to the Organization or the customer.

**Purpose:** To explain the steps necessary to ensure proper procedures are followed when processing wire transfer requests.

**Scope:** This procedure applies to customers who are sending or receiving wire transfers and the financial institutions which process these requests.

**Responsibilities:**

Chief Financial Officer is responsible for initiating all outgoing wire transfer requests.

Chief Executive Officer or Chief Financial Officer should approve all wire transfers regardless of amount. Finance team is responsible for processing all incoming wire transfers.

**Definitions:** ABA The American Bankers Association or ABA number is a unique routing identification code is issued to a Federal or State chartered financial institution which is eligible to maintain an account at a US Federal Reserve Bank. The ABA Routing Number (a.k.a. ABA number; Routing Transit number) is used to identify participants in automated clearinghouses, electronic funds transfer, and on-line banking.

**Procedure:**

**1.1 INCOMING WIRES**

**1.2** Wire transfers are processed the same as a check in accordance with the CSH 102 CASH RECEIPTS AND DEPOSITS procedure.

**1.3** Upon the banks receipt of the wire transfer the bank may create a wire transfer notification. Normally these are mailed but many banks may also provide notification via e-mail, phone, fax, or via an on-line banking interface. The bank notification serves as documentation the the money has been received.

**2.1 OUTGOING WIRES**

**2.2** The Chief Financial Officer will initiate wire transfers as necessary. This will take place on the secured website maintained by the Organization's bank. Chief Executive Officer must approve all wire transfers by logging into the bank's secured website and approving the transfer. Wire transfers cannot be made without this secondary authorization.

/

CSH 104 Wire Transfers

page 1 of 4

Accounting Policies, Procedures and Forms/

**2.3** Wire transfers should originate from a checking account. Reference A - FRB Reg D. - establishes limits on transfers from savings or money market accounts but there are no limits on transfers from checking accounts.

**References:**

**A. FRB REG D: RESERVE REQUIREMENTS OF DEPOSITORY INSTITUTIONS**

Defines consumer depository accounts (e.g., checking, savings, money market, CDs, transactions etc.) and the rules governing those accounts. This law also requires that financial institutions keep a minimum amount of reserve deposits either as vault cash or with the Federal Reserve.

The Federal Reserve Board's Regulation D limits the number of certain withdrawals and transfers from savings accounts. All financial institutions are subject to this regulation. Examples savings accounts affected by this regulation include: Regular Savings and Money Market accounts. Transactions on Checking accounts are not limited.

Regulation D, allows up to six (6) preauthorized or automatic withdrawals or transfers to another account at the same financial institutions or to a third party during a calendar month. There may be no more than three (3) of these six (6) transfers by check, debit card, or similar order, clearing an account. A "preauthorized transfer" includes arrangement the credit union make either to pay a third party, one time, on written or verbal instruction, or to pay a third party on a fixed schedule, (i.e. bill payer, ACH authorizations).

**B. FRB REG E: ELECTRONIC FUND TRANSFER ACT**

Establishes the rights, liabilities and responsibilities of all parties involved in electronic fund transfers and protects consumers when they use such systems. Examples of these transactions include those at automated teller machines, telephone bill-payment plans, point-of-sale purchases and pre-authorized transfers to and from a consumer's account (such as direct deposit and regular utility and mortgage payments).

Regulation E prescribes rules for the solicitation and issuance of EFT cards; governs consumers' liability for unauthorized electronic fund transfers (resulting, for example, from lost or stolen cards); requires institutions to disclose certain terms and conditions of EFT services; provides for documentation of electronic transfers (on periodic statements, for example)- sets up a resolution procedure for errors; and covers notice of crediting and stoppage of preauthorized payments from a customer's account.

Stored-value cards (also known as "smart cards") and home banking by personal computer would be subject to Regulation E because the act governs electronic fund transfers.

**Title: CSH 105 CHECK SIGNING AUTHORITY**

**Policy: MPS Board of Directors appoints and approves employees authorized to sign checks.**

**Purpose:** To outline the check signing authority process.

**Background:** While a hired accountant, office manager, or accounting clerk may be responsible for entering bills, paying bills, and printing out checks, all printed checks and related documentation should be presented to a second individual for signing. No one person or employee should be allowed to enter invoices, select invoices for payment, then print and sign checks. At a minimum, this process requires at least two individuals to ensure the integrity of the accounting system remains intact.

**Scope:** This procedure applies to all regular bank checking accounts of the Organization.

**Responsibilities:**

Chief Executive Officer is responsible for adding and removing check signing authority. Any change made is subject to board approval.

Chief Financial Officer is responsible for managing the check signing authority process and alerting all individuals and banks of any changes to authority.

**Procedure:**

**1.1 AUTHORIZED CHECK SIGNERS**

**1.2** The Board of Directors and the Chief Executive Officer should approve authorized check signers in writing. All approvals should be forwarded to the Chief Financial Officer for processing.

**1.3** The Chief Executive Officer and Chief Financial Officer should have check signing authority.

**1.4** For back-up purposes, it is advisable to have at least three check signers authorized for each checking account. One should be the Chief Financial Officer or primary signer and the other should be the Chief Executive Officer or secondary check signer. The third should be a back-up signer. The back-up signer should be a trusted individual but not necessarily an employee. It could be a board member or another principal in the Organization. A back-up signer will ensure continuing operations in case both the primary and secondary signers become incapacitated for any period of time.

/

CSH 105 Check Signing Authority  
Accounting Policies, Procedures and Forms/

page 1 of 6

**1.5** If the check signer also authorizes purchase orders, their access to the accounting system should be limited to “read” access as to maintain proper segregation of duties.

**2.1 CHANGING CHECK SIGNERS**

**2.2** The Executive Assistant/Board Secretary receives all approval paperwork and should prepare and maintain a file record of all authorized check signers and CSH 105

**CHECK SIGNING AUTHORITY LOG.**

**2.3** The CHECK SIGNING AUTHORITY LOG should be kept current of all individuals and their status to sign checks as soon as their status changes. The log should contain the following information:

- Recipient name / position or title
- Authority start date
- Authority end date
- Maximum expenditure authority level

**2.2** Contact the bank that administers the checking account for details on adding, changing, or removing check signers from a checking account. Normally this is a simple process of presenting identification and signing a card to be placed on file at the bank.

Banks maintain an authorized check signer's card for each checking account. Only those individuals listed on the authorized check signer's card may sign checks.

**2.3** The Chief Executive Officer or the Board of Directors may revoke check signing authority. Any person who is no longer entitled to sign Organization checks will be notified in writing. The Chief Financial Officer will oversee the proper notification of the Organization's banks whenever authorized signature changes are made.

**SOP # CSH 106 Revision: 1**  
**Effective Date: 10/14/19**

**Prepared by: Central Office**  
**Approved by: BOD**

**Title: CSH 106 CHECK MATTERS**

**Policy:** To ensure efficient processing and record keeping all check matters will need to be handled and documented appropriately.

**Purpose:** To describe the process for matters relating to checks.

**Scope:** All checks.

**Responsibilities:**

Chief Financial Officer or Finance team is responsible for managing other check matters.

**Procedure:**

**1.1 CHECK ORIGINATION**

**1.2** The Organization permits the use of manual checks for payroll related payments after the board approved process is followed.

**1.3** In no instance can the payee of a check be made to “Cash”.

**2.1 CHECK STOP PAYMENT**

**2.2** It is important to place the stop payment information on the account as quickly as possible to prevent losses. The following information should be obtained and recorded on the bank’s Stop Payment Form or address online:

- Requester’s name and department
- Account number
- Check number
- Date of the check
- Who the check is made payable to
- Amount of the check
- Reason for the stop payment

**2.3** The stop payment information above should be forwarded to the Finance team or Chief Financial Officer who will contact the bank to put a stop on the check.

**2.4** An authorized check signer may need to sign the bank’s Stop Payment Form or address online, typically within ten business days. Normally, stop payments are placed on the account for approximately six months.

**2.5** To release the stop payment, an authorized check signer may need to contact the bank and sign a release. Note: signing the release allows the check to be paid.

**Effective Date: 4/7/22**

**Prepared by: Central Office**  
**Approved by: BOD**

**Title: CSH 107 BANK ACCOUNT RECONCILIATIONS**

**Policy:** To ensure the accuracy of the Organization's bank account records by

proving the monthly balance shown in the bank's Account Register.

**Purpose:** To outline the practices for preparation of a Monthly Bank Reconciliation

**Scope:** This applies to all bank accounts maintained by the Organization.

**Responsibilities:**

Chief Financial Officer or designee is responsible for review and approval of all reconciliations.

Back-office service provider is responsible for reconciling each site's respective checking account.

**Background:** Errors or omissions can be made to the Organization's bank account records due to the many cash transactions that occur. Therefore, it is necessary to prove the monthly balance shown in the bank account register. Cash on deposit with a bank is not available for count and is therefore proved through the preparation of a reconciliation of the Organization's record of cash in the bank and the bank's record of the Organization's cash that is on deposit.

/  
CSH 107 Bank Account Reconciliations  
Accounting Policies, Procedures and Forms/

page 1 of 3

**Procedure:**

**1.1 BANK STATEMENT PREPARATION**

**1.2** After receipt of the monthly bank statement and/or online printing of the monthly bank statement, back-office accountant should prepare the monthly bank reconciliation as follows:

- By the 15<sup>th</sup> of the following month for MSA 1, MSA 2, MSA 3 and MSA 5 and;
- By the 20<sup>th</sup> of the following month for MSA 4, MSA 6, MSA 7, MSA 8, MSA SA and

## MSA SD

After preparation, the back-office client manager will carefully review the bank reconciliation. Once reviewed, the bank reconciliations are sent to the Finance Team for final review and approval. To preserve proper segregation of duties, no single employee, should perform both cash transaction functions and bank account reconciliations.

The list of outstanding checks for vendor and employee expense payments is reviewed on a monthly basis by the Accounts Payable staff. If the date on the check is more than 120 days old, the check is stale.

## 2.1 COMPUTERIZED FORMAT

2.2 In the computerized environment, the accounting system provides an automated bank reconciliation task. This task is generally selected once a month in conjunction with receiving the month end bank statement and/or online printout of the month end bank statement. Once selected, the screen shows a list of all items that have been posted to the cash account and that have not been cleared from the previous month's account reconciliation. The screen is usually divided into two segments: one half is a list of all checks and other charges reducing cash, and the other half is a list of all deposits and other items increasing cash. This screen would also have a field for entering the proper month end date and the balance at month end, per the bank.

2.3 After the account-reconciling task is successfully completed, a report is provided which shows the reconciliation process, including outstanding checks and deposits in transit.

Note: Once completed, the bank reconciliations and bank statements are filed electronically.

**Title: CSH 108 INTER-ACCOUNT BANK TRANSFERS**

**Policy:** To ensure the accuracy of the Organization's bank account records by proving documentation of bank transfers.

**Purpose:** To outline the practices for preparation of an inter-account bank transfer

**Scope:** This applies to all bank accounts maintained by the Organization.

**Responsibilities:**

Chief Executive Officer is responsible for review and approval of all inter-account bank transfers

Chief Financial Officer is responsible for performing all inter-account bank transfers.

**Background:** Errors or omissions can be made to the Organization's bank account records due to the many cash transactions that occur. Therefore, it is necessary to authorize all inter-account bank transfers.

**Procedure:**

**1.1 INTER-ACCOUNT BANK TRANSFER**

**1.2** Back-office provider monitors the balances in the bank accounts to determine when there is a shortage or excess in the checking account. Back-office provider recommends to the Chief Financial Officer when a transfer should be made to maximize the potential for earning interest or when funds are needed for processing payroll or other transfer needed. The Chief Financial Officer will determine when to make a transfer and in what amount. After the transfer has been initiated by the Chief Financial Officer, the Chief Executive Officer must log into the online banking system in order to complete the bank transfer process. A copy of the transfer is given to Back-office provider.

**Title: CSH 109 JOURNAL ENTRIES AND RECLASSIFICATION ENTRIES**

**Policy:** To ensure the accuracy of the Organization’s books and records by proving documentation of journal entries and reclassification entries. All journal entries shall be authorized in writing by the Finance Manager initialing or signing the entries.

**Purpose:** To outline the practices for preparation of journal entries and reclassification entries.

**Scope:** This applies to all accounting transactions performed by the Organization.

**Responsibilities:**

The Chief Financial Officer is responsible for review and approval of all journal entries and reclassification entries.

Back-office provider is responsible for performing all journal entries and reclassification entries

**Background:** Journal entries can directly affect the presentation of financial statements. Therefore, it is necessary to authorize all journal and reclassification entries.

**Procedure:**

**1.1 JOURNAL ENTRIES AND RECLASSIFICATION ENTRIES**

**1.2** The Chief Financial Officer the Financial Analysts and Back-office provider monitor the balances in the accounting records of the Organization.

All general ledger entries including audit adjusting entries, reclassification entries, or other such journal entries shall be supported by journal vouchers or other documentation, which shall include a reasonable explanation of each entry.

Examples of such journal entries include:

1. Recording of noncash transactions
2. Corrections of posting errors
3. Non-recurring accruals of income and expenses

Certain journal entries, called recurring journal entries, occur in every accounting period. These entries may include, but are not limited to:

1. Depreciation of fixed assets
2. Amortization of prepaid expenses

/

CSH 109 Journal and Reclassification Entries

page 1 of 2

Accounting Policies, Procedures and Forms/

- 3. Accruals of recurring expenses
- 4. Amortization of deferred revenue

Support for recurring journal entries shall be in the form of a schedule associated with the underlying asset or liability account or, in the case of short- term recurring journal entries or immaterial items, in the form of a journal voucher.

It is the policy of MERF that all journal entries not originating from subsidiary ledgers shall be authorized in writing by the Chief Financial Officer initialing or signing the entries.

**Effective Date: 9/5/17**

**Prepared by: Central Office**  
**Approved by: BOD**

**Title: CSH 111 CREDIT CARDS AND DEBIT CARDS**

**Policy:** It is the policy of the Organization to provide credit cards to authorized members of the Organization staff in the performance of their duties and responsibilities. The Organization does not permit the use of debit cards. The use of credit is the same as handling cash; every precaution must be taken to account for all funds, whether Federal, State or otherwise, and the most efficient and effective purchasing procedures as well as internal controls will be implemented to safeguard Organization funds.

**Purpose:** To be able to use credit cards in a controlled manner that allows for purchases such as travel and where a check and/or purchase order is not accepted.

**Scope:** This applies to transactions at the discretion of the School Principal, Chief Executive Officer and Chief Financial Officer.

**Definitions:** Batch. All of the day's credit card transactions are collected into a "batch" of transactions. The batch is closed, usually at the end of the day, and the result is submitted to the merchant processor as a single "batch".

Settlement. The processor clears the credit card transactions in the batch and the result is "settled" to the designated bank account. Settlement varies by Credit Card organization but usually occurs in 2-3 days after a batch is closed.

Processor. The processor is responsible for authorizing credit card transactions and settling each batch. The processor is also the Organization that one must interface with on all discrepancies or "chargebacks".

**Chargebacks. A chargeback occurs when a customer (cardholder) disputes a charge that appears on their monthly credit card statement. If the dispute is unable to be resolved, then the transaction is charged back to the merchant. The processor charges the merchant and returns the cardholder's money.**

**Responsibilities:**

School Principal is responsible for authorization of credit card transactions up to \$10,000 in accordance with the approved budget.

Chief External Officer, Regional Directors and Chief Financial Officer are responsible for authorization of credit card transactions up to \$10,000 and over, using documented approval, not to exceed the current limits established by procedure number PUR10 4 Accounts Payable and Cash Disbursements.

Chief Executive Officer and/or designee is responsible for authorization of credit card transactions up to \$90,000 using documented approval, not to exceed the current limits established by procedure number PUR104 Accounts Payable and Cash Disbursements.

CSH 111 Credit Cards and Debit Cards

page 1 of 6

Accounts Payable Specialist and Back-office provider are responsible for recording the transactions in the accounting records and reconciling credit card receipts to the credit card statements in accordance with CSH 107 Bank Reconciliations.

**Background:** On occasion, the Chief Executive Officer and other senior management may not be in the position to carry a lot of cash or may need to use a credit card for purposes of travel

arrangements. Under these circumstances and as considered necessary by Organization management, credit card transactions are acceptable.

## **Procedure:**

### **1.1 CREDIT CARDS**

#### **1.2 Issuance of Corporate Credit Cards**

Corporate credit cards are issued to personnel who travel on Organization business or have a legitimate need to purchase goods and services, either in person or on-line or when a purchase order cannot be approved in time or a purchase order is not accepted by a vendor. These cardholders will be required to sign a statement (CSH 111 Ex1 Use of Credit Cards and Debit Cards Certification) acknowledging that the card shall be used exclusively for legitimate Organization- related business purposes and that the cardholder agrees to take reasonable precautions to protect the card from loss or theft by storing it in a secure location. Upon approval from the credit card company, a card will be issued bearing the names of both the individual and the Organization.

Cardholders, while working with other Organization staff, must plan activities and travel requests with sufficient time in order to avoid the use of credit cards.

Cardholders abusing this privilege may have the card revoked if it is determined that sufficient time was available in order to request and receive approval for a purchase order.

When using the credit card for internet purchases, cardholders should ensure that the site utilizes industry recognized encryption transmission tools.

All corporate credit cards will be issued from the same vendor to enhance the purchasing power of the credit card and to provide for efficient on-going monitoring of all purchases made with the credit card(s).

#### **1.3 Cardholder Responsibilities**

Every month, each cardholder will be provided with a statement detailing the expenditures that were charged to his/her corporate credit card. The cardholders will submit all receipts for purchases of goods and services to the Finance Department within seven (7) days attached to the debit/credit card monthly statement after making any purchase. All documents will be initialed by the cardholder. In any instance of a missing receipt, payment will be the responsibility of the cardholder.

CSH 111 Credit Cards and Debit Cards

page 2 of 6

Should the Accounts Payable Specialist identify any inadvertent personal or unauthorized uses of the card, the card statement as well as all backup documentation will be forwarded to the Chief Financial Officer, for review.

The Chief Financial Officer, will discuss with the cardholder any charges of concern and the card member will be required to reimburse the Organization immediately for any such inadvertent personal charges or unauthorized charges.

Excessive inadvertent personal charges will be grounds for revoking credit card privileges. Personal use of corporate credit cards is strictly prohibited. Any personal use will subject the employee to the Organization's disciplinary actions.

Any fraudulent or other unauthorized charges shall be immediately pointed out to the Chief Financial Officer, for further investigation with the credit card provider and at the discretion of the Chief Financial Officer may be required to be reimbursed by the individual cardholder who purchased the unauthorized transaction.

The Organization requires the following review and approval procedures:

- The cardholder will review the card statement to ensure only their own approved charges are listed on the statement. Any charges not made by the cardholder will be identified and discussed with the Accounts Payable Specialist.
- The Chief Financial Officer will approve credit card usage by the Principals, and the Chief Executive Officer will approve credit card usage by the Chief Financial Officer, and the Board of Directors Chairperson will approve credit card usage by the Chief Executive Officer.
- The Accounts Payable Specialist will review all charges on the card statement against all purchase documents submitted by the cardholder.
- The Chief Financial Officer, will review charges and supporting documentation prior to the monthly card statement being approved and included for payment.

Cardholders shall report the loss or theft of a corporate credit card immediately by notifying the credit card company (24 hours a day, seven days a week) as well as the Chief Financial Officer. In the event of theft of the card, a police report will be filed by the cardholder and a copy of the report will be maintained for insurance purposes.

#### **1.4 Revocation of Corporate Credit Cards**

Failure to comply with any of these policies associated with the use of the Organization's corporate credit cards shall be subject to possible revocation of credit card privileges. The Chief Financial Officer, with the approval of the Chief Executive Officer or Board Chairperson, shall determine whether credit cards are to be revoked.

SH111 Credit Cards and Debit Cards  
Accounting Policies, Procedures and Forms/

page 3 of 6

#### **1.5 On-going Monitoring of Corporate Credit Cards**

The Organization will implement continuous on-going monitoring of the use of corporate credit cards to ensure only authorized expenditures are made with the credit cards. Credit card usage must follow the same criteria as all other purchases; i.e., allowable, reasonable, necessary, and allocable, where required.

In addition, the Board of Directors may, from time to time, authorize unannounced monitoring of the use of corporate credit cards.

Corporate credit cards will be assigned only to the Chief Executive Officer, Chief External Officer and Principals and all charges to that assigned card will be the responsibility of that employee. Employees authorizing the use of the credit card by other Organization employees, parents or friends, will be subject to disciplinary action.

## 1.6 Employee Personal Credit Cards

With prior approval from the Chief Executive Officer and/or Chief Financial Officer, the Organization employees may incur legitimate Organization business expenses utilizing their personal credit cards for such expenditures. The Organization shall reimburse employees according to Organization reimbursement policy (PUR106 Reimbursements).

### 2.1 DEBIT CARDS

#### 2.2 Debit Card Policy

The organization does not permit the use of debit cards.

Accounting Policies, Procedures and Forms/

**SOP # CSH 112 Revision: 2**  
**Effective Date:9/5/2017**

**Prepared by: Central Office**  
**Approved by: BOD**

**Title: CSH 112 INTRA-ORGANIZATION RECEIVABLES AND PAYABLES (DUE TO/DUE FROM)**

**Policy:** To ensure that intra-organization transactions between individual charter schools and the central office are processed correctly

**Purpose:** To outline the practices for intra-organization transactions between individual charter schools and the central office

**Scope:** This applies to all charter schools operated by the Organization.

**Responsibilities:**

Chief Financial Officer is responsible for performing the intra-organization transactions with approval from the Board of Directors.

The Finance Department is responsible for alerting Back-office provider regarding intra-organization transactions. Back-office provider is responsible for recording it into the accounting system, and ensuring accuracy of fiscal year-end balances.

**Background:** Charter schools are highly dependent on government funding to operate. Government cuts and funding deferrals can result in cash shortages for schools. Therefore, the need arises to allocate resources from other schools to cover any shortfall. It is necessary to correctly record transactions between the charter schools and the central office in order to properly determine each school's receivable/liability.

**Procedure:**

**1.1 INTRA-ORGANIZATION TRANSACTIONS**

**1.2** The Chief Financial Officer, with the support of the Finance Department and Back-office provider, monitors cash balances daily for the charter schools. When a charter school realizes a need for funds, the Chief Financial Officer will assess resource levels for the other schools as well as the central office. If the central office does not have sufficient funds to advance to the charter school requestor, at the discretion of the Chief Financial Officer, the Chief Financial Officer may transfer funds from a charter school with surplus funds into the central office. The Chief Financial Officer may then transfer funds to the charter school requestor from the central office. For policy regarding inter-account bank transfers, refer to **CSH 108 INTER-ACCOUNT BANK TRANSFERS**.

**1.3** At the end of the fiscal year, each school's receivable or payable account will be reconciled in accordance with **G&A105 PERIOD-END REVIEW & CLOSING**. Once balances are reconciled, an agreement is prepared at the end of the fiscal year between each school and the central office to document the amount owed and repayment terms.

**SOP # CSH 113 Revision: 2**  
**Effective Date:9/5/17**

**Prepared by: Central Office**  
**Approved by: BOD**

**Title: CSH 113 FINANCIAL RESERVES**

**Policy:** To ensure each charter school maintains a fund reserve in order to protect itself from unforeseen revenue shortfalls or unexpected expenditures.

**Purpose:** To describe responsibilities and monitoring procedures over each charter school’s fund reserve

**Scope:** This applies to all charter schools operated by the Organization.

**Responsibilities:**

Back-office provider is responsible for day to day monitoring of charter school cash accounts and ensuring their accuracy.

Chief Financial Officer is responsible for oversight over charter school cash accounts as to ensure that required fund reserve amounts are met.

**Background:** California regulations state that the following reserve amounts must be maintained:

- Greater of 5% of prior year operational expenditures or \$55,000 for districts with 0-300 ADA
- Greater of 4% of prior year operational expenditures or \$55,000 for districts with 301-1,000 ADA

**Procedure:**

**1.1 FUND RESERVE BALANCES**

**1.2** Back-office provider will monitor the cash balance for each charter school to ensure its accuracy and to be able to project future amounts. This will be accomplished through timely bank reconciliations and regular budget vs. actual comparisons. This process is critical to quickly detect any potential cash shortages so expenditures can be modified or more resources can be requested.

**1.3** If the required fund reserve amount for a charter school cannot be met, the Chief Financial Officer with the support of Back-office provider will need to determine where cash can be derived from in order to restore the fund balance. This can come from central office funds or from another charter school with surplus funds. See CSH 112 INTERCOMPANY RECEIVABLES AND PAYABLES (DUE TO/DUE FROM) for this procedure.

**SOP # PYR101 PAYROLL DESK PROCEDUR Prepared by: Central Office**

**Effective Date: 3/9/17**

**Approved by: BOD**

**Title: PYR 101 PAYROLL DESK PROCEDURE**

**Policy:** To clearly define responsibilities and procedures in processing the organization's payroll and implementation of the online payroll system in accordance with the generally accepted accounting principles.

**Purpose:** To outline and list areas of responsibilities for each group involved in the payroll process.

**Scope:** This applies to all staff of the organization.

**Responsibilities:**

Human Resources is responsible for setup and maintenance of all employee profiles

School Principal is responsible for accurate and timely submission of each site's attendance, extra duties and assignments.

Finance Team is responsible for review, generation and approval of all payroll.

Back-office service provider is responsible for accurate bookkeeping and analysis of payroll expenses.

**Background:** Personnel Cost is usually 70-75% of the organization's total operating expenses. It is vital that the organization administers the payroll process efficiently and in compliance with education codes and requirements.

## Procedure:

### HUMAN RESOURCES

- Coordinates job postings and complete new hire paperwork, ensures accuracy and completeness of all new hire procedures and collection of paperwork prior to start of work
- Processes termination info and informs Finance Team whenever final checks are needed
- Monitors all credential and other expiration dates
- Ensures accurate employee withholdings/deductions in 3rd party payroll system as agreed to by employee

### EMPLOYEE

- Signs in and out of automated system each day
- Completes employee profile in online payroll system, which generates deductions and provides required information to HR

### PRINCIPAL/SUPERVISOR

- Reviews/approves time and attendance reports and submits to Finance Team to initiate payroll processing
- Enters all supplemental pay in payroll system on or before designated cutoff date
- Submits signed schedule of all approved supplemental pay (i.e. stipends, home visits, Saturday School extra duty) to Finance Team each pay period
- Notifies HR of any new hires, terminations, status or pay changes

### FINANCE TEAM

- Confirms approvals from principals/HR prior to generating payroll
- Runs payroll and generates reports for review
- Reviews each payroll register, verifying:
  - Proper pay rate
  - Hourly staff – number of hours per pay period look reasonable
  - Extra pay/stipends are documented, approved and accurate as to amount and funding source
- Employee retirement deductions are accurate and reasonable
- STRS members have earnings properly treated in paycheck and correct STRS rates are being used
- No OASDI withheld for any STRS members
- Classified staff – PERS members have proper withholdings and OASDI deducted and correct PERS rates are being used

- Only PERS or STRS creditable earnings are included in deduction calculations and
  - Non-PERS classified staff hours are being tracked and any newly eligible PERS members (>1000 hours in a fiscal year) are added as PERS members
- Process payroll, prints registers and files all supporting documentation including but not limited to: STRS/PERS contributions, Other Retirement Contributions, Payroll Tax Reports, Health and Welfare deductions and contributions to service providers
- Processes final paychecks and coordinates with back-office provider for delivery of checks if not processed in-house

**BACK OFFICE**

- Process ECR for final paychecks if not processed in-house
- Uploads journal entries to record payroll in general ledger each pay period
- Performs analytical procedures on payroll expenses as part of month-end close process

**Revision History:**

<b>Revision</b>	<b>Date</b>	<b>Description of changes</b>	<b>Requested By</b>
0	3/09/17	Initial Release	Nanie Montijo, CFO

## **Accounting Policies, Procedures and Forms**

**SOP # PYR 102 Revision:**  
**Effective Date: 1/17/19**

**Prepared by: Central Office**  
**Approved by: BOD**

**Title: PYR 102 TIME KEEPING PROCEDURE FOR FEDERALLY FUNDED EMPLOYEES**

### **Policy:**

To clearly define responsibilities and timekeeping procedures in tracking specific program cost information.

### **Purpose:**

To outline and document timekeeping of a grant, award or program costs MPS uses to track expenditure information to ensure it spends a specific amount for a specific purpose.

### **Scope:**

This applies to all staff paid with federal funds.

### **Responsibilities:**

Human Resources is responsible for setup and maintenance of all employee profiles on Paycom.

School Principal is responsible for accurate and timely submission of each site's attendance, extra duties and assignments.

Finance Team is responsible for review, generation and approval of all payroll; in addition to maintaining and keeping records of all federally funded employees.

Back-office service provider is responsible for accurate bookkeeping and financial reporting.

**PYR 102 Time Keeping Procedure Page 1 of 5**

## **Accounting Policies, Procedures and Forms**

**Procedure:**

Employee Compensation - All amounts paid to an employee for services rendered during the award period. Compensation includes salaries, fringe benefits, stipends, bonuses and payments made under supplemental contracts.

Multiple Cost Objectives Employees - Employees who work on multiple cost objectives such as:

- More than one Federal award;
- A Federal award and a non-Federal award;
- More than one activity within a federal award that is separately tracked by MPS (such as set-asides, earmarks or match/in-kind contributions).

Personnel Activity Report (PAR) - A document certifying the amount of time a multiple cost objective employee spends on each cost objective. The PAR must reflect an after-the- fact distribution of the activities performed; account for the total activity for which the employee is compensated; be prepared bi-weekly and coincide with one or more pay periods; and be signed by the employee.

Semi-Annual Certification - A document certifying a *single cost objective* employee worked solely on *one cost objective*. The certification must be prepared at least every six months and must be signed by the supervisory official having first-hand knowledge of the work performed by the employee.

**Periodic Certification**

An employee who works in multiple cost objectives on a set schedule (predetermined). The periodic certification must be prepared at least semiannually and cover the entire period of the certification and must signed by the supervisory official.

All employees paid with federal funds must adhere to the following procedures to complete the appropriate time and effort records.

**Determining Cost Objectives**

A cost objective is defined as a federal grant award, or other category of costs MPS uses to track specific cost information. In certain circumstances MPS may track the time employees spend on particular activities *within* a single federal grant in order to demonstrate compliance with federal requirements such as earmarks, set-asides or match/in-kind contributions. When MPS uses employee compensation costs to meet these requirements they are known as —cost objectives. In such a circumstance, an individual grant program may have more than one cost objective.

Determining cost objectives requires a careful reading of the programmatic provisions in the statute providing the funds. Employees should contact the Principal if assistance is needed in determining the cost objectives on which they work.

/PYR 102 Time Keeping Procedure Page 2 of 5

**Accounting Policies, Procedures and Form**

## Single Cost Objective Employees -

An employee who works on a single cost objective must complete a semi-annual certification that indicates the employee worked solely on that cost objective for the period covered by the certification. The certification must be collected and reviewed at least every six months by the Principal, or his/her designee. Either the employee or a supervisor with first-hand knowledge of the work performed by the employee must sign the semi-annual certification.

A semi-annual certification must:

- Be executed after the work has been completed.
- State that the employee worked solely on activities related to a particular cost objective.
- Identify the cost objective.
- Specify the reporting period;
- Be signed by the employee or a supervisor with first-hand knowledge of the work performed; and dated.

The supervisory official for all single cost objective employees must complete the semi-annual certification attached to these procedures.

If an employee works on a short-term cost objective whose end date does not coincide with the normal December/June collection dates for semi-annual certifications (e.g. a supplemental contract for summer school programs), the employee must obtain a semi-annual certification from the Supervisor after the time period for the work has ended.

All supervisory officials of single cost objective employees with first-hand knowledge of the work performed by the employee must complete and sign the semi-annual certification provided by the Supervisor

Executed semi-annual certifications must be forwarded to the Finance Department

## Multiple Cost Objective

Employees working on multiple cost objectives must maintain Personnel Activity Reports (PARs) or The Periodic Certification If they have a predetermined schedule. The report indicates the amount of time spent on each cost objective for the period covered by the PAR or equivalent documentation. The PAR must be prepared at least monthly; Periodic Certification must be prepared at least semiannually. The employee must sign the PAR or equivalent documentation. An employee time card can be used in place of a PAR. Timecards will be documented and maintained by the MPS payroll department.

A PAR or equivalent documentation must:

- Be executed after the work has been completed (projections of how an employee is expected to work or position descriptions are not sufficient);
- Account for the total activity for which each employee is compensated, including

## Accounting Policies, Procedures and Forms

part- time schedules or overtime (total activity means all of the time an employee works, not just the amount of time worked on a federal program);

- Identify the cost objectives;
- Specify the reporting period.
- Be signed by the employee (unlike a semi-annual certification a supervisor’s signature alone is not sufficient); and
- Be dated after the fact (when the work has been completed).

At the beginning of each year, Finance Department will distribute blank PARs or Periodic Certification forms to the Principals that are required to complete on a bi-weekly basis throughout the year.

Copies of executed PARs, or approved equivalent documentation, must be forwarded to Finance Department every 2 weeks, Periodic Certification must be forwarded after the time period of work has ended.

## Supplemental Contracts

As discussed above, time and effort records must account for all of an employee’s activities (i.e. 100% of an employee’s time). Thus, if an employee works overtime that time must be reflected in the employee’s time and effort record. If, however, an employee works in two distinct positions the employee may maintain separate time and effort records for each position.

For example, an employee works as a Title I teacher during the school day (charged to Title I) and a sports coach after school (charged to state or local funds). Assuming the coaching responsibilities are not part of the employee’s regular job functions (e.g. the employee has a supplemental contract for the coaching position), the employee may treat each position separately – meaning the employee may complete a semi-annual certification for the teaching position, while no federal time and effort record would be required for the coaching position. In a similar example, an employee works as a Title I teacher during the school day (charged to Title I) and an after-school federally funded teacher. Assuming the after school activities are not part of the employee’s regular job functions, the employee may complete a semi-annual certification for Title I teaching position and a separate semi-annual certification for the other supplemental federal program.

## Stipends

Employees may be provided stipends to participate in activities such as professional development. Employees receiving such stipends for MPS sponsored activities may satisfy time and effort records by signing the sign-in and sign-out sheets provided at the activity.

## Reconciliation

It is MPS’s practice to charge employee compensation costs to federal programs based on

budget estimates that reasonably approximate how an employee will work during the year. The MPS back office service provider will reconcile payroll charges to the time and effort reflected in employee time and effort records at least quarterly. If any MPS staff or back office service provider staff identifies a variance between how an employee’s salary was charged and how the employee actually worked, MPS Finance staff will review and adjust its payroll charges so that the amount charged to federal funds reflects the employee’s actual time and effort. MPS will perform the reconciliation quarterly.

**In-Kind Contributions and Matching**

Employees who are paid with non-federal funds that will be used to meet a federal match requirement (also known as in-kind contributions) must comply with the same time and effort reporting requirements as employees who are paid with federal funds. In other words, employees paid with matching funds who work on a single cost objective must complete a semi-annual certification in accordance with the procedures in section b. Employees paid with matching funds who work on multiple cost objectives must complete a personnel activity report in accordance with the procedures in section c.

**Document Retention**

Time and effort records must be maintained for a period of five (5) years.

***TRAINING***

MPS will provide training on this procedure to all staff involved in federal programs such as:

- Distribution of federal laws, regulations and guidance
- Distribution of MPS policies and procedures
- Developing templates, checklists and other guidance documents as appropriate
- Internal training sessions
- Routine staff meetings and
- Informal technical assistance

**Accounting Policies, Procedures and Forms Revision History:**

<b>Revision</b>	<b>Date</b>	<b>Description of changes</b>	<b>Requested By</b>
0	1/17/19	Initial Release	Nanie Montijo, CFO

Accounting Policies, Procedures and Forms/

**SOP # INV 101 Revision: 1**  
**Effective Date: 9/5/17**

**Prepared by: Central Office**  
**Approved by: BOD**

**Title: INV 101 FIXED ASSET CONTROL AND LEASES**

**Policy:** Proper control procedures will be followed for all capital asset acquisitions, transfers and dispositions in order to provide internal control of capital equipment and to assist in reporting.

**Purpose:** To outline the procedures for acquiring, disposing and maintaining control of capital assets. This is particularly important for assets purchased with grant program dollars where the grantee may want the equipment returned at the end of the program.

**Scope:** This procedure applies to all equipment with a value of \$500 or more and furniture a value of \$5,000 or more.

**Responsibilities:**

School Principals are responsible and accountable for furniture, equipment, machinery and any other assets in their schools. An automated fixed asset tracking system will be implemented for tracking and tagging assets to be inventoried.

**Definitions:**

**Capitalized Equipment:** All furniture and equipment individually costing \$5,000 or more each should be recorded in the fixed assets inventory system and depreciated annually.

**Non-Capitalized Equipment:** No equipment costing less than \$5,000 each should be depreciated. However, non-capitalized equipment that is motorized, electronic, or computerized should be added to the fixed assets inventory system for fiduciary purposes only so that its existence can be verified during the annual physical inventory process.

**Furniture:** No furniture items costing less than \$5,000 each should be added to the fixed assets inventory system or depreciated

INV 101 Fixed Asset Control and Leases

page 1 of 10

Accounting Policies, Procedures and Forms/

Procedure:

**1.1 ACQUISITIONS**

**1.2** All purchases of furniture and equipment as defined above must be tagged and included in the inventory listing.

See PUR102 for the procurement process to be followed.

**1.3** Any internally constructed or donated equipment will be reported to the Finance Team if the item cost has a value of \$5,000 or more. A complete description of the property, date

manufactured or received, number of items, cost or estimated value and a statement that it was internally constructed or donated will be included in the report.

**1.4** To maintain proper segregation and control upon termination of any employees, any employee owned tools, equipment or furniture brought on the Organization premises will be reported to the School Principal. The report should include the employee's name, description of items, identification numbers, if any, and reason for using the asset.

## **2.1 DISPOSITIONS**

**2.2** Assets may be sold or traded-in on new equipment. An example INV 103 Ex1 ASSET DISPOSITION form or updating of Excel workbooks is to be completed and approved by the School Principal. Any assets with an original value greater than \$10,000 will also require the Chief Financial Officer's approval.

**2.3** Upon approval, the school may advertise the property for sale or submit a list to purchasing for sale and disposition. After completion of the sale, an example INV 103 Ex2 BILL OF SALE provided below will be issued and the ASSET DISPOSITION form will be submitted to Finance Team who will ensure deletion of the item from the asset records and submit paperwork to back-office provider to record any gain or loss on the disposition.

**2.4** Worn-out or obsolete property with no cash value will be reported to the Finance Team on the Asset Disposition form with the description, serial number and condition. The Finance Team will inspect all worn-out or obsolete property before it is removed from the school and discarded. The asset will then be removed from the asset records.

**2.5** Any asset that is missing or has been stolen will be reported in writing to the School Principal and Finance Team as soon as possible. The description, serial number, and other information about the lost item should be included in the report.

Accounting will determine the proper course of action and will notify the company's insurance carrier and any outside authorities if deemed appropriate. If un-recovered, the asset will then be removed from the asset records.

**2.6** Inter-school transfers of assets will be reported to Accounting in writing including the description, serial number and the name of the school to receive the property.

The School Principal to whom the item was assigned originally will be held accountable until accounting is notified of the transfer. After being notified, the School Principal acquiring the property assumes responsibility. Accounting will then record the inter- school transfer on the asset records.

INV 101 Fixed Asset Control and Leases

page 2 of 10

## **3.1 ASSET RECORDS**

**3.2** Upon any asset acquisition, Accounting is responsible for assigning and attaching asset number tags to the property where it can be readily located.

Accounting will then maintain a detailed listing of each fixed asset item which will include the description, date acquired, vendor, cost basis, assigned school and location. On an annual basis, accounting will furnish each school a report showing a listing of assets assigned to that school and any acquisitions, disposals and transfers during the past year. Any discrepancies must be communicated to the Finance Team by June 30<sup>th</sup> of each year . This report should be filed by the School Principal for reference and later use.

**3.3** A physical count will be taken at each site every two years or as needed.

**3.4** Each school will be responsible for locating assets with its number tag attached that are recorded as assigned to their school whenever requested by Accounting, a county property tax auditor or the company's external auditors.

**3.5** Whenever a change in School Principal occurs, all items should be accounted for by the outgoing School Principal. The incoming School Principal will accept the responsibility and accountability for the school asset listing upon assuming the position. Accounting can assist with this audit if requested.

#### **4.1 LEASED OR OWNED VEHICLES**

**4.2** The safety and comfort of MERF employees, parents and Board members is of utmost importance. Therefore, MERF has established a policy whereby vehicles, whether leased or purchased, will be retained for a maximum of 100,000 miles or 8 years, whichever is less. The Finance Team will establish a mileage log to ensure vehicles are properly planned and replaced on schedule. Any individual that is assigned a vehicle shall be responsible for maintaining the mileage log and working with the Finance Team in complying with the replacement requirements of this policy.

**4.3** A mileage log will be retained for each vehicle and all users will note the beginning and ending mileage for all trips. This log will be provided to the designated driver upon pickup of keys for use of a vehicle. Under no circumstances may an employee retain the keys or mileage log overnight unless on an authorized, extended trip requiring overnight accommodations. All keys will be returned to the administrative office or central kitchen upon completion of the day's authorized trips.

**4.4** The Finance Team will ensure that all vehicles are taken to an authorized vendor for maintenance and service. All vehicles will receive appropriate oil changes on a minimum 5,000 mile schedule. Tires will be rotated at the same time and tires will be replaced after 50,000 miles (or sooner) if believed to be worn beyond prudent safety levels.

**4.5** The Finance Team will submit RFPs to authorized vehicle dealers and service vendors on an annual basis. All vehicles will be serviced by the same designated vendor(s) for this annual contract period. The only exception will be for vehicles, newly purchased or leased, which provide for free maintenance and service as part of its warranty period or any special arrangements made as part of the purchase or lease of the vehicle.

INV 101 Fixed Asset Control and Leases  
Accounting Policies, Procedures and Forms/

page 3 of 10

**4.6** Designated drivers must report any problems or issues identified, upon completion of their daily trip(s), to the Finance Team. A "Vehicle Report" must be completed and submitted to the Finance Team immediately upon return from any trip whereby a problem or issue is suspected or identified./

**4.7** If any driver is involved in an accident, whether with another vehicle or not, the driver must complete an Accident Report form and submit the report form to the Finance Team immediately upon return to MERF. A copy of the report form and instructions for submitting the report and "what to do if involved in an accident" are included in the Exhibits section.

## 5.1 LEASES

### 5.2 Classification of Leases

It is the policy of MERF to classify all leases in which MERF is a lessee as either capital or operating leases. MERF shall utilize the criteria described in Statements of Financial Accounting Standards No. 13 in determining whether a lease is capital or operating in nature. Under those criteria, a lease shall be treated as a capital lease if, at the time of entering into the lease, any of the following factors are present:

1. The lease transfers ownership to MERF at the end of the lease term;
2. The lease contains a bargain purchase option;
3. The lease term is equal to 75% or more of the estimated economic life of the leased property; or
4. The present value of the minimum lease payments is 90% or more of the fair value of the leased property (using, as the interest rate, the lesser of MERF's incremental borrowing rate or, if known, the lessor's implicit rate).

All leases that do not possess any of the four preceding characteristics shall be treated as operating leases. In addition, all leases that are immaterial in nature shall be accounted for as operating leases.

MERF shall also maintain a control list of all operating and capital leases. This list shall include all relevant lease terms.

**SOP # INV 102 Revision: 1**  
**Effective Date: 11/12/15**

**Prepared by: Central Office**  
**Approved by: BOD**

**Title: INV 102 FIXED ASSET CAPITALIZATION & DEPRECIATION**

**Policy:** Asset acquisitions with a useful life expectancy of greater than one year and with a minimum threshold amount as specified by the Chief Financial Officer should be capitalized by the Organization and depreciated.

**Purpose:** The purpose of this procedure is to delineate the capitalization and depreciation methods for various asset groups.

**Scope:** All acquisitions of capital assets for the Organization.

**Definitions:** Capitalization - Capitalization is the method chosen to record the purchase of a fixed asset on the Organization's accounting books. If an asset is capitalized then it is not expensed in the same year the asset is purchased. Instead the asset is generally recorded on the balance sheet and individually on an asset schedule. Examples of capital expenditures are purchases of land, buildings, machinery, office equipment, leasehold improvements and vehicles. The asset is expensed each year as depreciation.

Depreciation - is an annual income tax deduction that allows the write-down or write-off of the cost of the asset over its estimated useful life to recover the cost or other basis of certain property over the time the property is used. It is an allowance expense for the wear and tear, age, deterioration, or obsolescence of the property.

As an asset ages and is used by the Organization, its value declines. It, in effect, becomes worth less and less over time. The declining value or usefulness of the asset over time is represented as a discount that is applied to the original purchase price. At the end of the asset's depreciation period, (and/or useful life), its value on the balance sheet will be zero, or fully-depreciated. At the same time, the individual depreciation expenses will have all been recorded on the income statement.

Note: Land is not depreciated because land does not wear out, become obsolete, or get used up. But, the building on the land is depreciated. Land is generally viewed as an appreciating

asset while all other capital assets are generally viewed as depreciating over time, with use. But, unlike depreciation, an asset's appreciation is not recorded on the books until the asset is sold, which is when the assets appreciation is realized.

Cost basis – The total amount paid for the asset, in cash or kind, is considered the “cost-basis”. This should include all charges relating to the purchase, such as the purchase price, freight charges and installation, if applicable. The cost basis is not the market value or list price of the

/  
INV 102 Fixed Asset Capitalization & Depreciation  
Accounting Policies, Procedures and Forms/

page 1 of 5

asset. It is the total amount invested in the purchase or the total amount paid.

## **Procedure:**

### **1.1 CAPITALIZATION**

**1.2** All assets with a useful life of greater than one year and costing more than \$5,000 will be capitalized and (except for land) will be recorded in the depreciation records.

Bulk computer, software, and other technology purchases with an aggregate value of \$5,000 or more are captured as capitalized fixed assets regardless of individual price of item.

In addition, remodeling modifications and replacement costs of integral structural components are only capitalized when such costs incurred exceed \$50,000.

Depreciation or amortization is computed on the straight-line basis over the useful lives of the assets.

Any asset that does not meet the above criteria will be expensed such as small tools and equipment or repairs and maintenance.

**1.3** The cost basis of furniture and equipment assets will include all charges relating to the purchase of the asset including the purchase price, freight charges and installation if applicable.

**1.4** Leasehold improvements including painting are to be capitalized if they relate to the occupancy of a new office or a major renovation of an existing office or site.

Expenditures incurred in connection with maintaining an existing facility in good working order should be expensed as a repair.

**1.5** The cost of buildings should include all expenditures related directly to its acquisition or construction. This cost includes materials, labor and overhead incurred during construction, and fees, such as attorney's and architect's and building permits.

**1.6** Maintain proper files on the details to all acquisitions, expenditures, and maintenance performed on all assets. These records are vital for proper tax preparation and are used during yearly tax reporting and planning.

### **2.1 DEPRECIATION**

**2.2** The depreciation methods/lives for assets must be selected at the time the asset is first placed into service in order to ensure consistent financial reporting and tax compliance.

The Organization uses the straight-line method of depreciation.

The following represents a sample of the useful lives that the Organization may use for financial reporting purposes:

/

INV 102 Fixed Asset Capitalization & Depreciation  
Accounting Policies, Procedures and Forms/

page 2 of 5

Asset Class	Examples	Estimated Useful Life in Years
Land		N/A
Site improvements	Paving, flagpoles, retaining walls, sidewalks, fencing, outdoor	20
Buildings		20 - 50
HVAC systems	Heating, ventilation, and air systems	10 - 20
Roofing		20
Interior construction	Leasehold improvements	20 - 25
2.3 Carpet replacement	The lowest life permitted by tax regulations for asset classes should be selected to optimize depreciation deductions.	7
2.4 Electrical/plumbing	Regardless of the depreciation rate required an Organization can elect to use a different method for financial statement purposes. Such method should be justified based on the expected useful life of the asset.	30
2.4 Sprinkler/fire system	Fire suppression systems	25
2.5 Outdoor equipment	Playground, radio towers, tanks	20
2.5 Machinery & tools	Shop & maintenance equipment	3 - 15
2.5 Custodial equipment	Floor scrubbers, vacuums, other	7 - 15
2.5 Furniture & accessories	Classroom & other furniture	10 - 20
2.5 Business machines	Fax, duplicating & printing	3 - 10
2.5 Copiers		3 - 10
2.5 Communication equipment	Mobile, portable radios	3 - 7
2.5 Computer hardware	PCs, printers, network hardware	3 - 5
2.5 Computer software	Instructional, other short-term	5 to 10
2.5 Computer software	Administrative or long-term	10 to 20
2.5 Audio visual equipment	Projectors, cameras (still & digital)	5 - 10
2.5 Athletic equipment	Wrestling mats, weight machines	7 - 10
2.5 Library books	Collections	5 to 7
2.5 Licensed vehicles	Buses, other on-road vehicles	5 - 10

**SOP # IVT101 Revisions: 0**

**Effective Date: 6/14/17**

**Prepared by: Central  
Office Approved by:  
BOD**

**Title: IVT101 INVESTMENTS**

**Policy:** This policy establishes procedures to govern the investment of funds held by Magnolia Public Schools (“MPS” or the “Charter School”). This policy is based upon federal, state and local laws and regulations, and prudent money practices. To the extent that this policy conflicts with state or federal law, the applicable law shall prevail.

**Purpose:** MPS’ primary investment objective shall be to maintain the safety and liquidity of its funds. Safety of principal is the foremost objective of MPS. The primary objectives of MPS investment activities shall be, in order of priority:

1. **Safety.** The safety of principal is the foremost objective of MPS’s investment program. MPS’s investments shall be undertaken in a manner that shall preserve MPS’s capital.
2. **Liquidity.** MPS’s secondary objective shall be to meet its liquidity needs. The investment portfolio shall maintain sufficient liquidity to enable MPS to meet necessary cash flow and operating requirements which might be reasonably anticipated.
3. **Yield.** The investment portfolio shall be designed with the objective of attaining a market rate of return over the course of budgetary and economic cycles, taking into account the investment risk, constraints and the cash flow characteristics of the portfolio.
4. **Maintaining the Public’s Trust.** The investment officers shall seek to act responsibly as custodians of the public trust and shall avoid any transaction that might impair public confidence while conforming to all applicable statutes and regulations governing the investment of public funds.
5. **Mitigating Credit Risk and Market Risk.** Credit risk shall be mitigated by diversifying the fund among issues and issuers so that the failure of any one issue or issuer would not result in a significant loss of income or principal to participants. Because longer-term securities generally have greater market risk than shorter-term securities, market risk will be mitigated by establishing a maximum weighted average maturity or duration for the portfolio. Occasional market losses on individual securities are inevitable with active portfolio management and must be considered within the context of the overall investment return.

**Scope:** It is recommended that MPS mirror the intent of California Education Code Section 41015, and invest all or part of funds deposited in a Special Reserve Fund, or any surplus monies not required for the immediate necessities of MPS in any of the investments specified in California Government Code Sections 16430 or 53601. Special Reserve Funds are hereby defined as those funds, which the Board has designated for capital outlay, or other purposes, where an accumulation over a period of fiscal years is desired.

MPS shall make investments following the guidelines of the Uniform Prudent Investor Act. (Probate Code Section 16045, *et seq.*)

This Policy covers all funds and investment activities under the direct authority of MPS. The proceeds

obtained from the issuance of bonds shall be invested in accordance with the applicable bond documents. If the bond documents are silent as to the investment of the proceeds, the bond proceeds will be invested in the securities permitted by this Policy.

#### COMPLIANCE WITH STATE AND FEDERAL SECURITIES LAWS

MPS will take reasonable steps to ensure that any debt offering issued by MPS complies fully with all applicable state and federal securities laws. In connection with all debt offerings issued by MPS, MPS will retain bond counsel and disclosure counsel to review the offering materials prepared in connection with the debt offering to ensure that disclosures contained in offering materials comply with federal and state securities laws. MPS has implemented procedures to ensure MPS maintains compliance with continuing disclosure requirements. The Chief Executive Officer shall be responsible for reviewing the offering materials regarding the accuracy of information disclosed in such materials.

#### CHANGES TO INVESTMENT POLICY

This Policy will be reviewed, as needed, to ensure its consistency with the objectives of income, growth and safety, and changes in applicable laws and financial trends. Any proposed amendments to the Investment Policy will require approval by the MPS Board of Directors. This Policy and modifications to it must be approved by the Board of Directors at a public meeting.

#### COMPLIANCE WITH INVESTMENT POLICY

All outside investment advisors/managers, attorneys and other financial professionals employed or retained by MPS and/or its representatives, including without limitation financial advisors, underwriters, bond counsel, and disclosure counsel, must review this policy and confirm that they have reviewed this Investment Policy and will fully comply with these policies.

### **Responsibilities:**

#### DELEGATION OF AUTHORITY

Management responsibility for the investment program is hereby delegated by the Board of Directors to the CEO and the Oversight Committee, as deemed appropriate or necessary, who shall thereafter assume full responsibility for those transactions until the delegation of authority is revoked. The Board of Directors may review and renew the delegation of authority each year. The CEO may delegate the day-to-day operations of investing to his/her designee(s) but not the responsibility for the overall investment program. The CEO and/or his/her designee(s) shall make all investment decisions and transactions in strict accordance with state law and with this Policy.

If authorized by the Board of Directors, the CEO and Oversight Committee may utilize an external investment advisor to assist with investment decision-making and trade execution authority. The investment advisor shall be under the supervision of the approved Oversight Committee and shall follow this Policy and such other written instructions as are provided.

The CEO, his/her designee(s) and/or Oversight Committee, acting in accordance with written procedures and policies and exercising due diligence, shall be relieved of personal liability for an individual security's credit risk or market price changes, provided deviations from expectations are reported in a timely fashion and appropriate action is taken to control adverse developments.

The Board of Directors shall ensure that its fiduciary responsibilities concerning the proper management

of MPS' funds are fulfilled through appropriate investment structure, internal and external management, consistent with all policies and procedures. Based on the advice and recommendations of the CEO and Oversight Committee.

The CEO and Oversight Committee are not held liable for less than desirable outcomes, rather, they are responsible only for adherence to procedure and processes. The CEO and Oversight Committee is responsible for the development, recommendations, implementation and maintenance of all investment policies.

## **Procedure:**

### INTERNAL CONTROLS

The CEO and Oversight Committee shall establish a system of written internal controls to regulate MPS's investment activities, including the activities of any subordinate officials acting on behalf of MPS. Procedures should include references to individuals authorized to execute transactions or transfers, safeguard agreements, (including repurchase agreements, wire transfer agreements, collateral/depository agreements), and banking services contracts, as appropriate. As part of the annual audit, MPS's external auditor will perform a review of investment transactions to verify compliance with policies and procedures. The Oversight Committee will sign off on internal control procedures as appropriate.

The controls shall be designed to prevent loss of public funds due to fraud, employee error, and misrepresentation by third parties, unanticipated market changes or imprudent actions by employees of the Charter School. The Charter School shall seek to maintain a debt burden factor of 1 - 2% of the Charter School's unrestricted general fund revenues.

### AUTHORIZED FINANCIAL INSTITUTIONS AND DEALERS

It shall be MPS' policy to purchase securities only from authorized institutions and firms. The CEO and Oversight Committee shall maintain a list of authorized broker/dealers and financial institutions that are approved for investment purposes. MPS shall use at least one authorized broker/dealer to advise MPS on investments.

No deposit of public funds shall be made except in a qualified public depository as established by state laws. If an external investment advisor is authorized to conduct investment transactions on behalf of MPS, the investment advisor may use its own list of approved broker/dealers and financial institutions for investment purposes consistent with MPS' policies and existing laws.

For broker/dealers of government securities and other investments, MPS shall select only broker/dealers who are licensed and in good standing with the California Department of Securities, the Securities and Exchange Commission, the Financial Industry Regulatory Authority and/or other applicable self-regulatory organizations. Any permitted investment shall be purchased either from a "primary" or regional broker/dealer qualifying under SEC Rule 15c3-1 (uniform net capital rule) or a "well capitalized" financial institution, as defined in Title 12 of the Code of Federal Regulations ("CFR") Part 6.4.

Before engaging in investment transactions with a broker/dealer, the CEO and Oversight Committee shall have received from said firm a signed Certification Form. This form shall attest that the individual responsible for MPS's account has reviewed MPS's Investment Policy and that the firm understands the policy and intends to present investment recommendations and transactions to MPS that are appropriate under the terms and conditions of this Investment Policy. Any broker, brokerage, dealer or securities firm that has made a contribution to the Charter School, any member of the Board of Directors, or any

candidate for those offices is ineligible for selection by the Charter School.

## AUTHORIZED AND SUITABLE INVESTMENTS

In making any decision relative to the investment of funds, each of the following factors must be considered, and properly documented:

1. General economic conditions,
2. Expected tax consequences, if any, of investment decisions or strategies,
3. Expected total return from the income and appreciation of investments,
4. Other resources of the organization,
5. The needs of the organization and the fund to make distributions and preserve capital.

## INVESTMENT TYPE DESCRIPTIONS

Investments not specifically listed below are prohibited. Consistent with the requirements of law and this Investment Policy, the Charter School may place orders for the execution of transactions with or through such broker/dealers, banks or counterparties as may be selected from time to time. All securities must be U.S. dollar denominated. To the extent consistent with the objectives stated above, the investment restrictions outlined below, and the investment limitations specified herein, the Charter School may invest in the following areas.

**State and Local Agencies.** Registered treasury notes or bonds of this or any of the other forty- nine United States, including bonds payable solely out of the revenues from a revenue-producing property owned, controlled, or operated by a state or by a department, Board of Directors, agency, or authority of this state or any of the other forty-nine United States.

Bonds, notes, warrants, or other evidences of indebtedness of any local agency within this state (including MPS), including bonds payable solely out of the revenues from a revenue- producing property owned, controlled, or operated by the local agency, or by a department, Board of Directors, agency, or authority of the local agency.

**United States Treasury Issues.** United States Treasury notes, bonds, bills, or certificates of indebtedness, or those for which the faith and credit of the United States are pledged for the payment of principal and interest.

**U.S. Agencies (Federal Agency Obligations).** Federal Agency or United States government- sponsored enterprise obligations, participations, or other instruments, including those issued by or fully guaranteed as to principal and interest by federal agencies or United States government- sponsored enterprises.

**Supranational.** Supranational organizations are international financial institutions that are generally established by agreements among nations, with member nations contributing capital and participating in management. Supranational bonds finance economic and infrastructure development and support environmental protection, poverty reduction, and renewable energy around the globe. MPS may purchase the United States dollar denominated senior unsecured unsubordinated obligations issued or unconditionally guaranteed by the International Bank for Reconstruction and Development, International Finance Corporation, or Inter- American Development Bank.

**Bankers' Acceptances.** Bankers' acceptances otherwise known as bills of exchange or time drafts that are drawn on and accepted by a commercial bank. Purchases of bankers' acceptances may not exceed 180

days maturity. Eligible bankers' acceptances are restricted to issuing financial institutions with short-term debt rating of at least "A-1," or its equivalent, by a nationally recognized statistical rating organization (NRSRO) or a long-term rating of not less than "A" from a NRSRO.

**Commercial Paper.** Commercial paper rated the highest ranking or of the highest letter and number rating as provided for by a NRSRO. Eligible commercial paper shall be of 'prime' quality of the highest ranking. The commercial paper shall not exceed 270 days maturity. The entity that issues the commercial paper shall meet all of the following conditions in either paragraph (a) or paragraph (b):

- a) Has total assets in excess of five hundred million dollars (\$500,000,000), is organized and operating within the United States as a general corporation, and has debt other than commercial paper, if any, that is rated "A" or higher by a NRSRO.
- b) Is organized in the United States as a special purpose corporation, trust, or limited liability company, has program-wide credit enhancements including, but not limited to overcollateralization, letters of credit or a surety bond, has commercial paper that is rated "A-1" or higher, or the equivalent, by a NRSRO.

Split ratings (i.e. A2/P1) are not allowed.

**Placement Service Deposit.** Deposits placed through a deposit placement service shall meet the requirements under Government Code Section 53601.8. The full amount of the principal and the interest that may be accrued during the maximum term of each deposit shall at all times be insured by federal deposit insurance.

**Negotiable Certificates of Deposit.** Negotiable certificates of deposit (NCDs) issued by a nationally or state-chartered bank, a savings association or a federal association, a state or federal credit union, or by a federally licensed or state-licensed branch of a foreign bank. Purchases are limited to institutions which have long-term debt rated at least in the "A" category, or its equivalent, by a NRSRO, and/or have short-term debt rated at least "A-1," or its equivalent, by a NRSRO. NCDs may not exceed 5 years in maturity. In combination with placement service CDs, a maximum of 30 percent of the portfolio may be invested in this category. The amount invested in NCDs with any one financial institution in combination with any other securities from that financial institution shall not exceed ten percent of the portfolio. Quarterly, the Charter School will monitor custodial credit risk and report the outcome to the Board of Directors. All deposits are to be in FDIC insured institutions and will be reviewed as to the nature and extent of its present compliance with regulations, federal regulatory requirements, profitability/loss trend, liquidity and capital ratios.

**Repurchase Agreements.** Investments in repurchase agreements for the purpose of this Investment Policy Statement (as defined by section 53601(j) of the California Government Code) means a purchase of securities by the Charter School pursuant to an agreement by which the seller will repurchase the securities on or before a specified date and for a specified amount and will deliver the underlying securities to the Charter School by book entry, physical delivery, or by third party custodial agreement. Repurchase agreements are to be used as short-term investments not to exceed one year. The following collateral restrictions will be observed: Only United States Treasury securities or Federal Agency securities will be acceptable collateral. All securities underlying repurchase agreements must be delivered to MPS's custodian bank or be handled under a properly executed tri-party repurchase agreement. The total market value of all collateral for each repurchase agreement must equal or exceed 102% of the total dollar value of the money invested by MPS for the term of the investment.

Repurchase agreements are required to be collateralized by securities or cash authorized under California Government Code Section 53601(j)(2). Collateral will be held by an independent third party with whom the Charter School has a current custodial agreement. A clearly marked evidence of ownership (safekeeping/custody receipt) must be supplied to the Charter School and retained. The Charter School retains the right to substitute or

grant substitutions of collateral. Investments in repurchase agreements may be collateralized by any securities authorized within this section. Agreements are subject to California Government Code Section 53601 and must comply with the delivery requirements and the maturity provision from Section 53601.

**Medium-Term Notes.** Medium-term notes defined as all corporate and depository institution debt securities with a maximum remaining maturity of five years or less, issued by corporations organized and operating within the United States or by depository institutions licensed by the United States or any state and operating within the United States. Purchases are limited to securities rated at least in the “A” category, or its equivalent, by a NRSRO.

**Money Market Funds.** Shares of beneficial interest issued by diversified management companies that are money market funds registered with the Securities and Exchange Commission that invests solely in U.S. Treasuries and Federal Agency obligations and repurchase agreements relating to such obligations

**Mutual Funds.** Shares of beneficial interest issued by diversified management companies that invest solely in securities and obligations authorized by this policy. The company shall have met either of the following criteria: (A) Attained the highest ranking or the highest letter and numerical rating provided by not less than two NRSROs, (B) Retained an investment adviser registered or exempt from registration with the Securities and Exchange Commission with not less than 5 years of experience managing money market mutual funds with assets under management in excess of five hundred million dollars (\$500,000,000).

**Local Government Investment Pools Joint Powers Authority (LGIP JPA.)** Shares of beneficial interest issued by a joint powers authority organized pursuant to Government Code Section 6509.7. To be eligible for purchase, the pool must meet the requirements of California Government Code Section 53601(p), the pool must seek to maintain a stable Net Asset Value (“NAV”), and the pool must be rated at least “AAA,” or its equivalent, by a NRSRO.

**Mortgage- and Asset-Backed Securities.** Any mortgage pass-through security, collateralized mortgage obligation, mortgage-backed or other pay-through bond, equipment lease-backed certificate, consumer receivable pass-through certificate, or consumer receivable-backed bond of a maximum of five years’ maturity. Securities eligible for investment under this subdivision shall be issued by an issuer having at least an “A” rating, or its equivalent, for the issuer’s debt as provided by a NRSRO and rated at least “AA”, or its equivalent, by a NRSRO.

#### SAFEKEEPING AND CUSTODY

All deliverable security transactions entered into by MPS shall be conducted on a delivery- versus-payment (DVP) basis. To protect against potential losses by collapse of individual securities dealers, and to enhance access to securities, interest payments and maturity proceeds, all securities owned by MPS shall be held in safekeeping by a third party bank trust department, acting as agent for MPS under the terms of a custody agreement executed by the bank and by MPS. The only exception to the foregoing shall be depository accounts and securities purchases made with: (i) LAIF and government investment pools and, (ii) money market funds, since the purchased investments are not deliverable. Evidence of each these investments will be held by MPS.

#### MAXIMUM MATURITIES

The CEO and Oversight Committee shall maintain a system to monitor and forecast revenues and expenditures so that funds can be invested to the fullest extent possible. Maturities of investments will be selected to provide necessary liquidity, manage interest rate risk, and optimize earnings. Because of

inherent difficulties in accurately forecasting cash flow requirements, a portion of the portfolio should be continuously invested in readily available funds.

The maximum maturity of individual investments shall not exceed the limits set forth in the Authorized and Suitable Investments section. If the section does not specify a maturity limit, no investment shall have a remaining maturity in excess of five years from the date of purchase unless MPS has granted its express authority to make that investment either specifically or as a part of an investment program no less than three months prior to the investment.

## INVESTMENT RESTRICTIONS

### **Credit Ratings**

Credit ratings will be applied at the time of purchase of a security. A subsequent downgrade in a security's credit rating will not constitute a violation of the Investment Policy. Securities which are downgraded below the minimum acceptable rating levels must be reviewed for possible sale within a reasonable amount of time.

U.S. Government obligations are exempt from the credit rating requirements listed below.

The credit ratings referred to below must be assigned by one of the following NRSROs: Standard & Poor's Corporation ("S&P"), Moody's Investors Service, Inc. ("Moody's"), and Fitch Ratings ("Fitch").

**a)** Short-term debt ratings – (two of the following and not less than the following) "A-1" or "SP-1" (S&P); "P-1" or "MIG 1/VMIG 1 (Moody's); or "F1" (Fitch) Ratings.

Split ratings are not allowed, i.e. A-1/P-1/F2 or similar. An issuer of short-term debt must have no less than an "A" rating on long-term debt.

**b)** Long-term debt ratings – Investments purchased with remaining maturities of 397 days or less- shall be rated by at least two NRSROs and have obtained no less than an "A" rating by any.

Investments purchased with remaining maturities longer than 397 days– shall be rated by at least two NRSROs and have obtained no less than an "AA" rating by any. If an issuer of long-term debt has a short-term rating, then it may not be less than A-1/SP-1 or P-1/MIG1 or F1.

**c)** Repurchase Agreement counterparties shall have a minimum short-term rating, or counterparty rating, of no less than A-1 or equivalent by two NRSROs and have capital of not less than \$500 million.

**d)** Any issuer that has been placed on "Credit Watch-Negative" by a NRSRO will be removed from our approved list unless the following criteria are met: The issuer has (a) an A-1+ or F1+ short-term rating; or (b) at least an AA or Aa2 long- term rating.

## DIVERSIFICATION AND MATURITY RESTRICTIONS

It is the policy of the Charter School to diversify its funds. Investments are diversified to minimize the risk of loss resulting in over concentration of assets in a specific maturity, specific issuer, or a specific class of securities. Diversification strategies shall be established by the Charter School and periodically reviewed.

### **1. Authorized Investments**

The following diversification limits will be applied at the time of purchase of a security.

Type of Investment	Cal. Gov. Code % of Funds Permitted	Cal Gov. Code Maximum Final Maturity
U.S. Treasury Securities	100%	5 Years
U.S. Government Agency Securities	100%	5 Years
Municipal Debt	100%	5 Years
Medium-Term Notes	30%	5 Years
Bankers Acceptances	40%, 30% of a single issuer	180 Days
Commercial Paper	40%, 10% of a single issuer	270 Days
Negotiable Certificates of Deposits	30%	5 Years
Repurchase Agreements	100%	1 Year
Mutual Funds	20%, 10% in a single fund	N/A
Investment Pools	100%	N/A

## 2. Maturity

The maximum maturity of any investment purchased will be five years with the exception of investments authorized by the Board of Directors to be invested in longer than five year maturities. For purposes of calculating final maturity, the earlier of final maturity date or mandatory put or tender option date will be used.

### PROHIBITED TRANSACTIONS

At the time of purchase, all permitted investments shall conform in all respects with this Investment Policy, as may be amended from time to time. No investment prohibited by California Government Code shall be permitted herein.

Any investment transactions, credit risk criterion, percentage limitations or market valuation that are not in compliance with this Investment Policy and cannot be corrected without penalty at time of purchase must be documented and approved by the Charter School in writing as soon as possible. Thereafter, action shall be taken by the Charter School to correct such matter as soon as practical. If a percentage restriction is adhered to at the time of purchase, a later increase or decrease in percentage resulting from a change in values or assets will not constitute a violation of that restriction.

The following transactions are prohibited:

- a) Lending for investment purposes (“Leverage”).
- b) Reverse Repurchase Agreements, as defined by California Government Code Section 53601(j)(3) and

B

(j)(4) or otherwise.

c) Structured Notes (e.g. inverse floaters, leveraged floaters, structured certificates of deposit, equity-linked securities, event-linked securities). This includes all floating- rate, adjustable-rate or variable-rate securities in which a change in interest rates or other variables that can reasonably be foreseen to occur during their term would result in their market value not returning to par at the time of each interest rate adjustment.

Simple “floating rate notes,” whose periodic coupon adjustment is based on a short- term (one-year or less) rate index (such as Treasury bills, federal funds, prime rate or LIBOR) and which have a reasonable expectation of maintaining a value of par at each interest rate adjustment through final maturity, are exempt from this definition. Additionally, U.S. Treasury and Agency zero coupon bonds, U.S. Treasury and Agency strips, Resolution Funding Corporation (“REFCORP”) strips or other callable securities which otherwise meet the quality, maturity and percent limitations assigned to their respective security category, are exempt from this section.

d) Structured Investment Vehicles (“SIV”).

e) Derivatives (e.g. options, futures, swaps, swap options, spreads, straddles, caps, floors, collars) shall be prohibited.

D

## ETHICS AND CONFLICT OF INTEREST

The Charter School and all persons involved in the investment process shall refrain from personal business activity which could create a conflict with proper execution of the investment program, or which could impair the ability to execute impartial investment decisions. The Charter School and all treasury and investment personnel shall disclose to the Board of Directors any material financial interests in financial institutions, broker dealers and vendors (“outside entities”) and shall disclose any material financial investment positions in such outside entities.

## PERFORMANCE STANDARDS

The investment portfolio shall be designed with the objective of obtaining a market rate of return throughout budgetary and economic cycles, commensurate with the investment risk constraints and the cash flow needs, but focusing on preservation of capital and then liquidity as the most important objectives, with yield as the least important objective.

The Charter School’s investment strategy is to actively manage the portfolios to create less risk than a benchmark comparable index and to use economies of scale to invest and administer the program at a reasonable cost. Given this strategy, the basis used by the Charter School to determine whether market yields are being achieved shall be the indices most comparable to the fund, such as money rate data published in Barron’s, The Wall Street Journal, Bloomberg, etc. or other bond fund indices. The standards enumerated herein do not constitute a guarantee of the fund’s performance.

## Revision History:

Revision	Date	Description of changes	Requested By
	3/09/17	Initial Release	
	6/14/17	Legal review and revision	

Accounting Policies, Procedures and Forms/

**SOP # REV101 Revision: 2**  
**Effective Date: 9/5/17**

**Prepared by: Central Office**  
**Approved by: BOD**

**Title: REV101 SALES RECEIPT PROCESSING**

**Policy:** To ensure the most accurate process for billing for services, sales receipts will be properly evaluated and approved prior to entry into the accounting system.

**Purpose:** This procedure outlines the activities and responsibilities involved in verifying the acceptability of all sales receipts.

**Scope:** These procedures are to be followed for all sales receipts.

**Responsibilities:**

Back-office provider approves sales receipt documentation.

**Procedure:**

**1.1 DOCUMENT VERIFICATION**

**1.2** Sales Receipts are often used for Parenting Fees and other similar fees. Verify that all of the correct documents have been used and are present to support the sales receipt transaction. The following documents are required to complete the Sales Receipt transaction:

- Document identifying what the money collected is for
- Approval or authorized signature for the course
- Customer, parent, or other correspondence or support documentation, etc
- Complete the Back-office provider Deposit Log

**1.3** Verify that all required information is available to complete the sales receipt.

**1.4** Review the customer's Accounts Receivable aging and determine that the customer is current with their payments and that the new sales receipt will not affect their balance.

**Approved by: BOD**

**Title: REV102 INVOICING, ACCOUNTS RECEIVABLE,  
RECEIVABLE ACCRUALS**

**Policy:** The Finance Department is responsible for the timely preparation and distribution of invoices to optimize cash flow and customer payments. The Finance Department with the support of Back-office provider will also maintain accurate records over Accounts Receivables and Accruals and abide by proper internal controls.

**Purpose:** To explain the methods for the preparation of invoices, accounts receivable, and receivable accruals records processing.

**Scope:** This procedure applies to all revenue earned and services provided by the company.

**Procedure:**

**1.1 SALES RECEIPT REVIEW**

**1.2** A formal invoice is not always applicable such as when service fees are collected for items such as Parenting.

**1.3** The SALES RECEIPT should contain all pertinent billing information as part of the company's sales receipt procedure. However, as part of proper internal control, Billing will verify the information contained on the customer's sales receipt documentation.

As part of this review process, the propriety and accuracy of contact information, prices, description of services, extensions and footings will be determined.

**2.1 INVOICE PREPARATION AND POSTING**

**2.2** The next sequentially numbered Invoice (see example REV102 Ex1 INVOICE) will be prepared from the information from the Federal, State, or Local Grant or Contract Language including all reimbursable costs and will include the invoice date, service item, description of services or billing information, quantity, rate, class or program code, price and extended amounts and the customer's billing addresses.

**2.3** Post the invoice by saving the transaction.

**3.1 DISTRIBUTION**

**3.2** Send one copy of the invoice to the customer and retain a second copy of the invoice in the customer file.

**4.1 ACCOUNTS RECEIVABLE**

**4.2** Accounts Receivable will receive and process payments from customers in accordance with the CASH RECEIPTS procedure.

<sup>5</sup>  
6

Invoicing, Accounts Receivable, Receivable Accruals

page 1 of 6

REV102

Accounting Policies, Procedures and Forms/

**6.1** On a monthly basis, Accounts Receivable will generate an aged trial balance of customers' accounts with individual invoice information and days outstanding and will forward to Finance Manager and Chief Financial Officer for their follow up on any aged invoices.

**6.2** Accounts Receivable will generate monthly statements of outstanding customers' accounts and issue them to customers no later than 10 days after each month end.

**6.3** Accounts Receivable will issue Credit Memos to customers upon receipt of approved changes in the terms.

**5.1 RECEIVABLE ACCRUALS**

**5.2** Monthly receivable accruals are at the discretion of the Chief Financial Officer and the Finance Manager when those amounts are reasonably known and quantifiable. Fiscal year end receivable accruals are required to be quantified and recorded no later than August 15<sup>th</sup>.

**SOP # REV103 Revision: 2**  
**Effective Date: 9/5/17**

**Prepared by: Central Office**  
**Approved by: BOD**

**Title: REV103 PROJECT(Grant/Contract) REVENUE: PROGRESS BILLING**

**Policy:** Progress billings will be made to clients on a timely basis throughout the life of the project. Projects are typically considered Federal, State, and Local Grant contracts. These billings will be accurate and easily understood by both parties involved.

**Purpose:** The purpose for creating progress billings is to obtain payment for the portion of labor and materials, i.e. “reimbursed costs” used up to a certain point in time and before the project is fully completed. This improves the cash flow typical of long-term projects or assignments. This procedure applies to all Federal, State, and Local Grants and Contracts, Service agreements or Projects provided by the Organization.

**Scope:** This procedure applies to all service agreements or projects provided by the Organization.

**Responsibilities:**

The Finance Department is responsible for the confirmation of all final program amounts and is responsible for knowing the correct procedures to be followed for each contract.

**Procedure:**

**1.1 CONTRACT TYPES**

**1.2 Reimbursement for Services.** Progress billing for Reimbursement for Services contracts requires Finance teams to be up to date and monitor the services being provided according to the terms of each contract. The Finance team will enter into the reimbursement request the allowable costs that may be billed according to the contract. From time to time and at the end of the contract, the Chief Financial Officer reviews the billings of the contract and ensures that all available opportunities to recover reimbursable costs have been considered.

**1.3 Set Contracts.** Set contracts such as with the individual charter schools involve reimbursement for costs such as building rental and an allowance for the amount of apportionment attendance earned. Although the contract is set by terms of the contract, since student attendance can vary, the invoicing for these types of contracts is the same amount throughout the fiscal year and reconciled at the end of the year to account for the final attendance counts.

/  
REV103 Project (Grant/Contract) Revenue: Progress Billing  
Accounting Policies, Procedures and Forms/

page 1 of 2

**2.1 BREAKDOWN OF CONTRACT AMOUNT**

**2.2** The Finance Department with the support of Back-office provider is responsible for

the final reconciliation of all grant and other contracts at the end of the year by reviewing final billings prepared by the Finance team and/or the School Principal. Normally, the contractual agreement will specify the procedures for payment and may also specify the form of the breakdown of contract amount that is required. Care should be taken to be sure that all costs, services, and fees are fully billed and accounted for in each contract.

REV103 Project (Grant/Contract) Revenue: Progress Billing

page 2 of 2

Accounting Policies, Procedures and Forms/

**SOP # REV104 Revision: 1**

**Prepared by: Central Office**

189

**Effective Date: 9/5/17**

**Approved by: BOD**

**Title: REV104 ACCOUNT COLLECTIONS**

**Policy:** All open accounts receivable with late or delinquent payment activity will be handled in a timely and effective manner to ensure maximum collections and an optimum accounts receivable turnover ratio.

**Purpose:** To provide the actions and methods for processing late or delinquent payments.

**Scope:** This procedure applies to the Accounts Receivable Department involved with collection of past due accounts receivable. The Finance team and the Chief Financial Officer may be involved in reference special arrangements.

**Responsibilities:**

The Finance team reviews all records for a customer to determine a possible explanation for non-payment prior to commencing the collection process.

**Definition:** Bad Debt consists of unpaid accounts receivable invoices that are considered to be uncollectible.

Debt collector is any person who regularly collects debts owed to others. This includes attorneys who collect debts on a regular basis.

**Procedure:**

**1.1 COLLECTION PROCESS**

**1.2** No matter how careful customers are screened prior to credit approval, slow pay or delinquent accounts will occur from time to time. Once an account becomes past due by even a few days, the collection process should commence immediately. Studies have shown that the sooner the collection process starts then the more likely that the debt will be collected.

**1.3** Prior to commencing the collection process, the following should be reviewed by the assigned Finance team:

- Verify that after the Invoice was immediately sent out for all billings to the customer and sent to the correct billing address.
- Make certain that the Organization has not received the customer's payment or applied it to the wrong account. These seem obvious, but it can avoid an uncomfortable situation in wrongly accusing the customer of delinquent payments.

/  
REV104 Account Collections

page 1 of 8

## Accounting Policies, Procedures and Forms/

- Review the customer's past payment activity. Determine if they are chronically late and what their response has been to any other overdue notices to determine payment patterns or trends.

**1.4** Upon review of the above, the Accounts Receivable Representative should then proceed with the collection process by completing an REV104 Ex1 ACCOUNT COLLECTION CONTROL Form. This form will assist in planning and tracking the collection effort. Depending on the amount and the customer situation, the representative can choose to follow-up with collection letters, telephone calls or both.

Record all actions taken (late payment notice, telephone call, etc.) with a date on an ACCOUNT COLLECTION CONTROL Form filed in the customer folder. All customer agreements and explanations should be noted. If payment has not reached the Organization by the expected date, immediate follow-up action should be taken with another collection call or letter. The longer an overdue account is ignored, the longer the customer will ignore it, too.

**1.5** Telephone communication will often speed up the collection process. Credit representatives, when speaking with a delinquent account, should observe a few tips or principles.

- Identify yourself and the Organization and state the reason for calling. Be direct and use a controlled, confident voice. Concentrate on listening to the customer and don't rush through the call.

- Get the Facts - The most powerful tool is knowledge. During the phone conversation, try to gain as much insight into the situation as possible. Remember, the goals and objectives are to:

Collect the money!

Identify reasons for non-payment

Settle on an agreement for clearing the debt, including special payment plans and exact dates when a check will be sent.

- Never argue, accuse or be condescending - Verbally fighting or talking down to the customer will only serve to produce negative feelings and may hamper the collection effort. The ultimate purpose is to secure payment, and this is best accomplished without becoming defensive or irritated.

- There are several common objections, complaints and excuses used to elude payment. Study the following examples to learn the most effective responses to the most frequently used ploys.

**"I didn't get the invoice."** - Respond by verifying the debtor's name and address, and then review the account information with them.

**"The check is in the mail."** - Extend your thanks, then ask for a check number, amount, date posted and address to which it was mailed.

Accounting Policies, Procedures and Forms/

**"Your payment is being processed."** - Ask when the payment will be ready for the mail. Determine the process that the payment undergoes after it leaves your contact's desk.

**"I need proof of delivery."** - Give the customer the name of the person who signed the delivery slip.

**"The computer is down."** - When do you expect it to be up? Can we get a manual payment?

**"I'll pay you when we get paid."** - Respond calmly, but make a direct request for payment, such as "When can I expect payment?"

**"I have no money"** - Create a payment plan. Be flexible and consider alternatives offered by the customer. Work toward making the plan acceptable to both of you.

**1.6** Many people find it difficult to confront customers regarding delinquent payments. Just keep in mind that it is the customer, who should feel uncomfortable in this situation.

**1.7** If customers stop paying, their phone has been disconnected, and you cannot find them, consider using these resources to locate these debtors and their assets:

- City directories
- Post office (for a forwarding address)
- A customer's employer
- Department of motor vehicle license and registration records
- "In case of emergency" contact, references or closest relatives listed on a credit application
- Old files and correspondence
- The Internet (i.e. <http://www.isleuth.com/peop.html>)
- Skip-tracing services or private investigator
- Credit bureau reports
- Neighbors
- Directory assistance

## Accounting Policies, Procedures and Forms/

**2.1 SERIOUSLY DELINQUENT OR UNRESPONSIVE ACCOUNTS**

**2.2** When an account becomes more than 60 days past due, the immediate target of securing prompt payment should take on a greater sense of urgency. The Finance Manager should review the account with Accounts Receivable to determine if the customer's business is valued.

If their business is valued, the following strategies may be used to collect payment:

- Restrict any further credit until the past due amount is paid in full.
- Withhold services already entered into. The harsh reality of having a MERF customer have to move from a MERF location or find a new provider often can spur a delinquent account into action.

**2.3** If all other avenues for collection of the account have been exhausted, the Finance Manager, after consulting with the Chief Financial Officer, may want to consider and authorize the use of an outside collection agency.

**2.4** All uncollectible accounts will be reviewed by the Finance Manager for disposition.

**3.1 WORKING WITH COLLECTION AGENCIES**

**3.2** Collect all material records for the debt in question and send them to the collection agency. The agency will require a copy of the invoice, proof of delivery, and/or any other correspondence that may help them collect the debt.

**3.3** Record the date the debt was sent to collections in the accounts receivable file.

**3.4** If payments are received after the debt has been sent to collections, then notify the collection agency immediately in order to stop any further collection efforts. The agency will take their fee for any debt that has been collected once it has been registered by the agency.

**3.5** If all other avenues for collection of the account have been exhausted, the Organization should consider further legal action.

**4.1 WRITING OFF UNCOLLECTED DEBT**

**4.2** Write-off any debts remaining uncollected or that are returned from the collection agency and record as a bad debt expense and deduct from accounts receivable.

**4.3** If any payments are received after being written-off from accounts receivable, then receive them in as income in the period received.

**4.4** If bad debt is a recurring problem, then consider setting up a reserve account or allowance for bad debt at the beginning of the year.

### A. FAIR DEBT COLLECTION PRACTICES ACT (FDCA)

The FDCA requires that debt collectors treat consumers fairly and prohibits certain methods of debt collection. Personal, family, and household debts are covered under the Act. This includes money owed for the purchase of an automobile, for medical care, or for charge accounts. Business debt is not included.

Debt collectors may not 1) harass, oppress, or abuse the debtor or any third parties they contact. 2) Use any false or misleading statements when collecting a debt.

For example, debt collectors may not:

- Use threats of violence or harm;
- Publish a list of consumers who refuse to pay their debts (except to a credit bureau);
- Use obscene or profane language; or
- Repeatedly use the telephone to annoy someone.
- Falsely imply that they are attorneys or government representatives;
- Falsely imply that the debtor may have committed a crime;
- Falsely represent that they operate or work for a credit bureau;
- Misrepresent the amount of the debtor's debt;
- Indicate that papers being sent to the debtor are legal forms when they are not
- Indicate that papers being sent to the debtor are not legal forms when they are.
- Give false credit information about the debtor to anyone, including a credit bureau;
- Send the debtor anything that looks like an official document from a court or government agency when it is not.
- Use a false name.
- Collect any amount greater than the debtor's debt, unless the debtor's state law permits such a charge;
- Deposit a post-dated check prematurely;
- Use deception to make the debtor accept collect calls or pay for telegrams;
- Take or threaten to take the debtor's property unless this can be done legally.
- Contact the debtor by postcard.
- Say the debtor will be arrested if they do not pay the debt;
- Say they will seize, garnish, attach, or sell the debtor's property or wages, unless the collection agency or creditor intends to do so, and it is legal to do so.

Accounting Policies, Procedures and Forms/

- Say they will take actions, such as a lawsuit against the debtor, when such action legally may not be taken, or when they do not intend to take such action.

Accounting Policies and Procedures/

**SOP # REV105 Revision: 2**  
**Effective Date: 9/5/17**

**Prepared by: Central Office**  
**Approved by: BOD**

**Title: REV105 REVENUE RECOGNITION - GRANTS AND CONTRIBUTIONS**

**Policy:** The Organization receives revenue from several types of transactions. It is the policy of the Organization to separate and recognize revenue from grants and contributions separately in the financial statements of the Organization and to comply with all current Federal and California rules regarding solicitation and collection of charitable contributions.

**Purpose:** To provide a separate accounting of grant and contribution income.

**Scope:** This procedure applies to all grant and contribution income.

**Responsibilities:**

Chief Financial Officer and the Finance Department direct the separate accounting for grant revenue and contributions received.

Back-office provider ensures that grant and contribution revenues are separately tracked within the accounting system.

**Definition:**

**Contribution** - An unconditional transfer of cash or other assets to the Organization, or a settlement or cancellation of the Organization’s liabilities, in a voluntary nonreciprocal transfer by another entity acting other than as an owner.

**Condition** - A donor-imposed stipulation that specifies a future and uncertain event whose occurrence or failure to occur gives the promisor a right of return of the assets it has transferred to the Organization or releases the promisor from its obligation to transfer its assets.

**Restriction** - A donor-imposed stipulation that specifies a use for the contributed asset that is more specific than broad limits resulting from the nature of the Organization, the environment in which it operates, and the purposes specified in the Organization’s articles of incorporation and bylaws. Restrictions on the Organization’s use of an asset may be temporary or permanent.

**Nonreciprocal Transfer** - A transaction in which an entity incurs a liability or transfers assets to the Organization without directly receiving value from the Organization in exchange.

**Promise to Give** - A written or oral agreement to contribute cash or other assets to the Organization.

**Exchange Transaction** - A reciprocal transaction in which the Organization and another entity each receive and sacrifice something of approximately equal value

**Procedure:**

**1.1 GRANT AND CONTRIBUTION REVENUE RECOGNITION**

**1.2 Grant income** – Recognized as income when received, based on incurrence of allowable costs (for cost-reimbursement awards) or based on other terms of the award (for fixed price, unit-of-service, and other types of awards). The types of grant income typically received by the Organization are:

- (a) Education payments for MERF Charter services.
- (b) Various Federal, State, and Local grants and contracts.
- (c) Other types of grant income may be received from time to time.

At year-end, grant income that has been incurred but not yet received are accrued to conform with generally accepted accounting principles.

**1.3 Contributions** - Recognized as income when received, unless accompanied by restrictions or conditions (see the next section on contribution income).

**1.4 CONTRIBUTIONS RECEIVED**

**A. Distinguishing Contributions from Exchange Transactions**

The Organization may receive income in the form of contributions, revenue from exchange transactions, and income from activities with characteristics of both contributions and exchange transactions. The Organization shall consider the following criteria, and any other relevant factors, in determining whether income will be accounted for as contribution income, exchange transaction revenue, or both:

1. The Organization’s intent in soliciting the asset, as stated in the accompanying materials;
2. The expressed intent of the entity providing resources to the Organization (i.e. does the resource provider state its intent is to support the Organization’s programs or that it anticipates specified benefits in exchange?);

/  
REV105 Revenue Recognition – Grants and Contributions  
Accounting Policies and Procedures/

page 2 of 6

3. Whether the method of delivery of the asset is specified by the resource provider (exchange transaction) or is at the discretion of the Organization (contribution);

4. Whether payment received by the Organization is determined by the resource provider (contribution) or is equal to the value of the assets/services provided by the Organization, or the cost of those assets plus a markup (exchange transaction);
5. Whether there are provisions for penalties (due to nonperformance) beyond the amount of payment (exchange transaction) or whether penalties are limited to the delivery of assets already produced and return of unspent funds (contribution); and
6. Whether assets are to be delivered by the Organization to individuals or other than the resource provider (contribution) or whether they are delivered directly to the resource provider or to individuals or the Organization is closely connected to the resource provider.

## **B. Accounting for Contributions**

The Organization shall recognize contribution income in the period in which the Organization receives restricted or unrestricted assets in nonreciprocal transfers, or unconditional promises of future nonreciprocal asset transfers, from donors.

Contribution income shall be classified as increases in unrestricted, temporarily restricted, or permanently restricted net assets based on the existence or absence of such restrictions. See REV107 Restricted Funds for more details.

Unconditional promises to give shall be recorded as assets and increases in temporarily restricted net assets (contribution income) of the Organization in the period that the Organization receives evidence that a promise to support the Organization has been made. Unconditional promises to give that are to be collected within one year shall be recorded at their face value, less any reserve for uncollectible promises, as estimated by management. Unconditional promises to give that are collectible over time periods in excess of one year shall be recorded at their discounted net present value. Accretion of discount on such promises to give shall be recorded as contribution income in each period leading up to the due date of the promise to give. The interest rate that shall be used in calculating net present values of unconditional promises to give is the risk-free rate of return available to the Organization at the time the Organization receives a promise from a donor.

When the final time or use restriction associated with a contributed asset has been met, a reclassification between temporarily restricted and unrestricted net assets shall be recorded.

/

REV105 Revenue Recognition – Grants and Contributions  
Accounting Policies and Procedures/

page 3 of 6

When it receives support in the form of volunteer labor, the Organization shall record contribution income and assets or expenses if one of the following two criteria is met:

1. The contributed service creates or enhances a nonfinancial asset (such as a building or equipment), or
2. The contributed service possesses all three of the following

characteristics:

- a. It is the type of service that would typically need to be purchased by the Organization if it had not been contributed,
- b. It requires specialized skills (i.e. formal training in a trade or profession), and
- c. It is provided by an individual possessing those specialized skills.

Contributed services that meet one of the two preceding criteria shall be recorded at the fair market value of the service rendered.

**C. Receipts and Disclosures**

The Organization and its donors are subject to certain disclosure and reporting requirements imposed under the Internal Revenue Code and its underlying regulations. To comply with those rules, the Organization shall adhere to the following guidelines with respect to contributions received by the Organization.

For any separate contribution received by the Organization, it shall provide a receipt to the donor. The receipt shall be prepared by the School Principal. All receipts prepared by the Organization shall include the following information:

- 1. The amount of cash received and/or a description (but not an assessment of the value) of any noncash property received;
- 2. A statement of whether the Organization provided any goods or services to the donor in consideration, in whole or in part, for any of the cash or property received by the Organization from the donor, and
- 3. If any goods or services were provided to the donor by the Organization, a description and good faith estimate of the value of those goods or services.

**SOP # REV106 Revision: 2**  
**Effective Date: 9/5/17**

**Approved by: BOD**

**Prepared by: Central Office**

**Title: REV106 GIFTS-IN-KIND**

203

**Policy:** MERF may accept contributions of goods or services that can be used to advance the mission of MERF and/or any of its schools or may be converted readily into cash. When accepting a gift-in-kind, the receiver must ask the donor to complete as an example REV106 Ex1 GIFT-IN- KIND FORM. Once the donor has completed the form, the receiver must sign the form and send it immediately to the central office for processing.

**Purpose:** To ensure that Gift-In-Kind transactions are handled in accordance with IRS guidelines and are properly recorded.

**Scope:** All Gift-In-Kind transactions.

**Responsibilities:**

Receiver is responsible for assessing the gift for usefulness to the Organization.

School Principal is responsible for handling donor documentation.

The Financial Analysts are responsible for assessing value of gift and informing Back-office provider so that it can be recorded into the accounting system.

**Definition:** **Gifts-In-Kind** - Transactions categorized as a voluntary contribution of goods or services that can be used to advance the mission of MERF or can be readily converted to cash and may qualify as a charitable deduction for the person(s) making the gift.

Contributed services cannot be counted as a gift and do not qualify as a charitable tax deduction to the donor. However, a donor of services may be able to deduct expenses incurred while performing said services. In such cases, the donor should be advised to consult with a tax accountant.

**Background:** The IRS has specific regulations regarding gifts-in-kind. This policy outlines the process an employee of MERF should follow when presented with a gift-in-kind. It limits the liability that may inadvertently be assumed by placing value on gifts or by accepting a gift that does not advance the mission of MERF or cannot be readily converted to cash. It further assures that a donor will receive timely acknowledgement of his/her contribution.

**Procedure:**

**1.1 RECEIPT OF GIFT**

2 When presented with a potential gift-in-kind, an individual must assess if the gift can be used to advance the mission of MERF or could be readily converted to cash. If there is any question as to whether the contribution meets either of these.

/  
REV106 Gifts-In-Kind  
Accounting Policies, Procedures and Forms/

page 1 of 6

criteria, the individual should contact his/her immediate supervisor or the central office.

**2.1** If the gift is accepted, the individual should offer an immediate and sincere expression of gratitude. At that time, the donor should be given a Gift-In-Kind form and be encouraged to complete the form at that time. If the donor is unable or unwilling to complete the form, the receiver may complete the form, write “N/A” as the estimated fair market value, and enter that the form was completed by him/her in the note section in the lower right hand corner.

The individual accepting the gift cannot offer tax advice or dictate the value of the contribution. It is the responsibility of the donor to determine the fair market value of the contribution. **Note:** the value

is for MERF internal gift reporting and accounting only; the donor's receipt and/or acknowledgement will not indicate value in any way that could be construed as an endorsement of its value.

**2.2** If the item is personal property of the donor and is valued at more than \$5,000, the donor must obtain a certified appraisal. The appraisal cannot be dated more than 60 days from the date of the donation. It must be prepared, signed and dated by a qualified appraiser. Federal law requires that the donor pay for the appraisal. (The cost of the appraisal is also tax deductible). This value will be used for gift reporting purposes only.

**What constitutes a qualified appraisal:**

- I. Appraiser must hold himself or herself out to the public as an appraiser and state credentials showing that he or she is qualified to appraise the type of property being valued.
- II. Appraiser must value the property no more than 60 days before the date of gift; it can be done after the gift has been accepted by the MERF.
- III. Appraiser cannot be (1) the donor, (2) the donee (MERF), (3) any party to the transaction, (4) an appraiser used regularly by (1), (2) or (3), or anyone employed or related to (1),(2), or (3).

The appraisal must contain the following information:

1. A description of the item
2. Its physical condition
3. The date (or expected date) of the contribution
4. Name, address and tax ID number of the appraiser
5. Qualifications of the appraiser including his/her background, experience and education
6. A statement that the appraisal was prepared for income tax purposes
7. Date the item was valued
8. Appraised fair market value of the item
9. Method of valuation (income approach; market data approach; replacement cost minus depreciation approach.)
10. Appraiser must complete Part IV of Section B on form 8283

**2.3** The individual accepting the gift will sign and date the Gift-In-Kind form only after the donor has irrevocably turned over the gift-in-kind. Once signed, the

/

REV106 Gifts-In-Kind

page 2 of 6

Accounting Policies, Procedures and Forms/

form should be turned over to the School Principal immediately for processing and acknowledgement.

**2.4** The School Principal will notify the Finance team of the contribution. The Finance team will then provide necessary information to Back-office provider so that it can be assigned as an asset or income to the appropriate school or to the central office.

**2.1 COMPLIANCE**

**2.2** The IRS allows an individual to deduct the full fair market value of a donated item if it is kept by MERF and used for one of its tax-exempt purposes. If the item is to be converted to cash, then the donor may claim a deduction of the cost value or the fair market

value, whichever is less. **It is the sole responsibility of the donor to determine the value of a contributed item; the receiver cannot assign a value to the donated item(s).**

**2.3** Upon receipt of a gift-in-kind, MERF will issue an acknowledgement to the donor along with a copy of the Gift-In-Kind form. The acknowledgement will contain only a description of the contribution and will not include a statement as to the value of the contribution. It will further contain a statement as to what, if any, goods or services were given in exchange for the contribution. MERF cannot issue an acknowledgement for contributions that cannot be used or readily converted to cash.

**2.4** For gifts with values exceeding \$5,000, the donor must complete all parts of IRS form 8283 and submit the form to MERF for signature. The School Principal, the Chief Financial Officer and the Chief Executive Officer are the only individuals authorized to sign 8283 forms.

If MERF has signed an IRS form 8283 and then sells, exchanges or otherwise transfers the gift within two years from the date of gift, the central office must file a donee information return, IRS form 8282, within 125 days of disposing the property. MERF will advise the donor if such a transaction occurs as it may affect the charitable tax deduction for which they qualify.

Milton Ave. Fax:

(714)362-9588

Suite 200B

Westminster, CA 92683

Per IRS regulations, any item you value over \$500 requires IRS Form 8283; any item you value over \$5,000 requires Form 8283 and a written appraisal.

*This form does not serve as a receipt for this contribution, but is intended for our internal record keeping purposes only. A receipt describing the items or merchandise donated will be mailed to the address supplied above. Magnolia Educational & Research Foundation is unable to include the estimated value on the donor receipt. It is the responsibility of the donor to substantiate the fair market value for his/her own tax purposes. The donation of services, although very valuable and much appreciated, is generally not considered tax deductible by the IRS. Please consult with your tax advisor to determine the tax implications of your gift.*

PUR106 Accounts Payable  
Accounting Policies, Procedures and Forms/

page 6 of 6

**SOP # REV107 Revision: 2**  
**Effective Date: 9/5/17**

**Prepared by: Central Office**  
**Approved by: BOD**

**Title: REV107 RESTRICTED FUNDS**

**Policy:** To properly record and track funds with restrictions in order to ensure the donor's intended uses are met, assist with cash flow planning purposes, and to stay within compliance with laws relating to use of restricted funds.

**Purpose:** Generally accepted accounting principles require the Organization to classify funds based on the restrictions provided by the donor. These classifications may be

unrestricted, temporarily restricted or permanently restricted. Donor restrictions should be in writing, to ensure proper treatment.

**Scope:** This procedure applies to funds received that are classified as temporarily or permanently restricted.

**Responsibilities:**

Back-office provider is responsible for recording restricted donations and releases from restrictions properly in the accounting system. Back-office provider is also responsible for periodic reconciliation of restricted asset totals and monitoring restrictions to determine whether they have been met.

Chief Financial Officer is responsible for monitoring of restrictions and determining whether fulfilling restrictions can be viable for the Organization.

**Definition:**

**Unrestricted Net Assets** - net assets whose use is not restricted by donors, even though their use may be limited in other respects, such as by board designation.

Pledges receivable are considered to be temporarily restricted because of an inference that uncollected amounts are intended for future periods.

**Temporarily Restricted Net Assets** - net assets whose use are limited by donors to either a specified purpose or a later date.

**Permanently Restricted Net Assets** - net assets whose use are restricted in perpetuity, such as endowments.

**Procedure:**

**1.1 RESTRICTED FUNDS**

**1.2** At the time revenue is earned by the Organization, the Financial Analysts with the support of Back-office provider will review any related documentation associated with the revenue to determine whether there are any restrictions on the money. Examples

/

REV107 Restricted Funds  
Accounting Policies, Procedures and Forms/

page 1 of 4

of restrictions are individual donations given with the intent of supporting a particular program or campaign, a grant received to operate a specific program or project, and donations received to hold in perpetuity. This information can be found on the award letter or on the financial instrument itself. If the revenue is determined to contain restrictions, Back-office provider will record in a separate class in the accounting system to keep separate from unrestricted funds.

**1.3 Temporarily Restricted Funds** – These funds will be monitored for satisfaction of donor restrictions on a regular basis. Once stipulations are met, they are reclassified from temporarily restricted funds to unrestricted funds regardless of when the related expenses will occur. This is known as “net assets released from restrictions.”

**1.4 Permanently Restricted Funds** – These funds are restricted by the donor for a designated purpose or time restriction that will never expire. The intent is that the principle balance of the contribution will remain as an investment forever, and the Organization will utilize the interest and investment returns, such as with an endowment.

## **2.1 ACCOUNTING FOR RESTRICTED FUNDS**

**2.2** In addition to the obligation to its donors, the Organization is bound by law to spend contributed dollars as designated. If a condition on restricted funding has not been fulfilled and the money has been spent, the donor can demand that the funds be returned, pursue legal action, or contact the Office of the Attorney General. It is of the utmost importance that donor restricted funds are handled properly.

**2.3** Do not budget to spend money unavailable to Organization. When planning and budgeting, be mindful of any and all of the time and activity restrictions present on restricted funds. Understand how restrictions will impact cash flow and availability of funds.

**2.4** Educate staff and board members who are accountable for the Organization's financial decisions so that they fully understand funding restrictions. Know when the restrictions are satisfied and how to release the funds from restriction.

**2.5** When analyzing financial reports, pay close attention to unrestricted funds and, unless you are making decisions regarding programming for which the funds have been restricted, avoid basing decisions on restricted funds. Try to focus your attention on the "Unrestricted" amounts. Formatting financial report with columns that delineate unrestricted and restricted funds can be very helpful.

**2.6** Most restrictions on funds directly relate to the grant or fundraising request. When researching and applying for grants, be aware of any challenges that potential restrictions could present to the Organization.

**2.7** Fundraising letters and appeals can inadvertently place restrictions on donations. Be certain that managers and donors understand the purpose of contributed dollars and understand if restrictions are present. Also, be certain that staff charged with fundraising understand that appeals can lead to restricted gifts.

/

REV107 Restricted Funds

page 2 of 4

Accounting Policies, Procedures and Forms/

**2.8** Work with staff to understand the true cost of programming. Allocate all direct costs associated with a program. These allocations help to prepare more accurate budgets for grants and fundraising appeals, and better utilize contributions restricted to specific programs to ease the pressure on limited general operating dollars.

**SOP # PUR101 Revision: 2**  
**Effective Date: 9/5/17**

**Prepared by: Central Office**  
**Approved by: BOD**

**Title: PUR101 VENDOR SELECTION**

**Policy:** To ensure the performance capabilities of all vendors and maintain the internal controls of over the purchasing functions, vendor selection , quality control , and certain procedural requirements.

**Purpose:** To provide the methods for determining, documenting and, when applicable, inspecting vendors for compliance with Organization policies and contract purchasing requirements.

Purchased products and services should conform to specified requirements. This starts with selection of appropriate suppliers, consultants, and contractors that have the capability and systems to supply products, materials and services to satisfy Organization requirements. Suppliers and consultants are controlled to the extent necessary based on the effect of the purchased items and services on the quality of the Organization’s products and services.

**Scope:** This procedure applies to all vendors of products, materials, and services that directly affect the quality of the Organization’s products and services.

**Responsibilities:**

The Board of Directors shall have authority to approve all contracts including budgeted and non-budgeted items over \$90,000

Chief Executive Officer and/or designee shall have authority to approve all contracts up to and including the amount \$90,000 for all budgeted and non-budgeted amounts.

School Principal is responsible for initial supplier, contractor, and consultant (Collectively the “Supplier”) identification and for collection of business information related to the potential supplier. School Principal shall have the ability to approve purchases up to and including the amount of \$10,000.

All MPS Chief Executive Team Members are responsible for approving contracts up to \$10,000 that are within the approved budget.

Accounting Policies, Procedures and Forms/

**Procedure:**

**1.0 VENDOR SELECTION**

**1.1** New vendors are to be evaluated using the following criteria:

- Pricing: competitive pricing is one component of the evaluation and may be outweighed by other factors. Pricing alone will not be a deciding factor unless all else is equal.
- Parts availability and shipping time frame.
- Performance capability (i.e., financial status, sufficient facilities, capability of equipment and employees, professional licenses, years of experience).
- Internal Quality Assurance program: Contractors undergo PEER Review, hold additional licenses, are given preference.
- Reference checks.
- Warranty information if applicable.
- Whether the vendor is debarred from receiving State and/or Federal funds

### 1.2 Ongoing evaluation of suppliers:

- On-Time Delivery, 100% on time expected (0 days early, 0 days late)
- Quality: (Items (or lots) rejected/Total items (or lots) received) X 100. Ratings less than 95% require corrective action. Exceptions to the 95% Corrective Action requirement may be given where the total quantity of items or lots received is small and at the Controller's discretion.

1.3 Qualified vendors will be maintained on an Approved Vendor List for purchasing. The approved list can be as simple as those vendors that are retained as "active" in the accounting system.

## 2.0 **VENDOR INSPECTIONS**

2.1 For critical components that the Organization desires to rely on the quality assurance of the vendor to reduce receiving inspection or testing requirements such as with high end computer parts, an on-sight vendor inspection may be performed and approved.

2.2 The Controller will coordinate with the Purchase Agent to plan, arrange and designate staff for all vendor inspections when considered necessary by the Chief Financial Officer.

## 3.1 **VENDOR FILES**

3.2 A vendor file will be prepared and maintained for all vendors on the Approved Vendor List, which will be used for significant or on-going purchasing. The vendor files will be kept alphabetically and should include the following:

/

PUR101 Vendor Selection

page 2 of 4

## Accounting Policies, Procedures and Forms/

- IRS W-9 Taxpayer Identification Certificate (a PDF download is available at: <http://www.irs.gov/pub/irs-pdf/fw9.pdf>)
- Resale certificates (only required for those that resell their purchases)
- Legal contracts, dealer or marketing agreements, etc.
- Long-term blanket purchase order commitments
- Proof of insurance
- Any other relevant correspondence or documentation

**3.3** Form 1099 must be filed at year-end for the proper reporting of income to certain vendors. To determine whether or not one needs to be filed, all non-merchandise vendors should complete an IRS W-9 Request for Taxpayer Identification Number Certificate. A copy can be obtained via the IRS website ([www.IRS.gov](http://www.IRS.gov)) or by contacting the local IRS office. The vendor indicates on the form the reporting status. Note: Incorporated vendors do not receive 1099s.

This applies to all contractors for service (repair person, accountant, consultant, etc.) who are NOT incorporated, and to all lawyers, regardless of incorporation. It is important to make this determination before engaging the contractor so that all payments can be properly tracked for 1099 reporting purposes at the inception.

**SOP # PUR102 Revision: 3**

**Prepared by: Central Office**

**Effective Date: 4/7/2**

**Approved by: BOD**

**Title: PUR102 GENERAL PURCHASING**

**Policy:** All purchases of goods and services shall be consistent with the Board-approved budget. The investment in supplies and capital equipment will be facilitated through the Purchasing Department, maintained at the lowest effective level and supervised consistent with a common set of procedures and controls as required by all regulatory and customer contract requirements.

**Purpose:** To outline the actions to be taken for 1) the procurement of supplies and capital equipment, 2) the completion of related documents.

**Scope:** This procedure applies to the purchase of all supplies and capital equipment for all departments within the Organization.

**Responsibilities:**

All personnel that require a product or service must complete a request in Purchasing Software specifying items for purchase and obtain required approvals.

Chief Financial Officer and the Finance Department are responsible for using good purchasing methods, optimizing price savings, quality or value of products, vendor working relationships, placing orders with approved suppliers, negotiating pricing with suppliers, and forwarding all paperwork to Back-office provider accounts payable for payment.

Back-office provider accounts payable is responsible for payment of invoices only after satisfactory completion or delivery of goods or services has been made.

The School Site Personnel and Other Designated Individuals are responsible for receiving, inspecting materials, and forwarding all paperwork to a designated agent at Back-office provider.

**Procedure:**

**1.1 ORDER DETERMINATION AND REQUISITION**

<sup>1,2</sup> Purchasing should obtain the optimal price for any purchases. All purchases above **\$10,000** require at least 3 quotes to be obtained. Quotes may be submitted by the requestor, Controller or the Purchase Manager can obtain the 3 quotes. The quotes are entered into Purchasing Software along with evaluation and selection of the best option by the requestor. /

PUR102 General Purchasing

page 1 of 6

Accounting Policies, Procedures and Forms/

**1.3** For purchases of goods and supplies, a request in the Purchasing Software will be prepared by the originating individual or department. The Purchasing Software request should be completed and approved with the following items and any additional supporting documentation:

- Complete description with part or model numbers and link to website if available
- Engineering drawings and specifications
- Type, Class, Grade required
- Quantity required
- Date required
- Requesting department, account code, and allowance/resource code
- Recommended vendor or source if applicable
- Other requirements
- Special shipping requirements
- Special inspection requirements upon receipt
- Itemized Receipts

For the following purchases, additional information is required:

- Textbooks – Full ISBN
- Airline tickets - passenger(s) legal name(s), date of birth, gender, departure/arrival airport codes and exact dates
- Vehicle rentals - vehicle type, exact dates and exact pick up/drop off locations

**1.4** If the requisition is for subcontracted services:

- A complete description of the service to be performed
- Engineering drawings and specifications if appropriate
- Requirements for qualification of personnel
- Other documents such as insurance forms, etc.
- Quality standards to be applied

**1.5** Purchasing/Accounting will analyze terms, vendor, pricing, quantity breaks, etc., and will order accordingly in the Organization's best interest. Purchasing will notify the requester of any material variances prior to placement of the order.

**1.6** Reimbursements for purchases made by staff will be processed upon proper authorization through the Purchasing Software.

## **2.1 ORDER PLACEMENT**

**2.2** Requestor is responsible for completing a purchase order form for all orders in excess of \$1,000. This can be processed through the Purchasing Software. Purchase orders are exempted for items such as salaries and related costs, utilities, building leases and debt service payments, other leased equipment, utilities, contracted services, insurance, legal expenses.

**2.3** PUR102 General Purchasing page 2 of 6  
Accounting Policies, Procedures and Forms/

**2.4** If there are any requirements for items to be inspected at the supplier's or the Organization's premises by the Organization or our customer, the arrangements and

method of product release shall be included in the purchasing information.

2.4 Buyers must review their purchase orders for accuracy. The buyer submits their authorization through the Purchasing Software indicating the review was performed.

2.5 Orders can be placed with the vendor either by telephone, fax, internet or mail. When placing orders by telephone, the vendor contact and date of order should be noted and a confirming copy of the order sent to the vendor. Pre-approval for any purchase is always required.

2.6 Purchasing is responsible for communicating with those receiving the supplies, following-up on shipping, delivery, and expediting and partial shipments of ordered items. Purchasing can either telephone vendors or use a PUR102 Ex1 PURCHASE ORDER FOLLOW-UP form to verify, trace or expedite orders.

### 3.1 RECORDKEEPING AND MATCHING

3.2 When Purchase Orders are issued, the Purchasing and Accounting copies will be placed in an Open File until the items are received. The Open File should be reviewed on a weekly basis to determine whether any orders need follow up.

3.3 Items will be received in accordance with procedure PUR103 RECEIVING AND INSPECTION. The completed vendor's packing list is kept at the site where the shipment was received.

3.4 For partial shipments, a note will be made in the Purchasing Software to identify the shipment as partially received. The original Purchase Order will be kept in the open file until all items are received.

Accounting Policies, Procedures and Forms/

**SOP # PUR103 Revision: 2**  
**Effective Date: 9/5/17**

**Prepared by: Central Office**  
**Approved by: BOD**

**TITLE: PUR103 RECEIVING AND INSPECTION**

**Policy:** All parts, components, goods and materials will be received in an organized manner and inspected for conformance prior to stocking or use in order to provide an initial quality control inspection. Any items or shipments rejected will be properly quarantined from other inventory items until disposition.

**Purpose:** This procedure outlines the steps for the receiving and inspection of materials, components, or parts and the disposition of rejected items.

**Scope:** This procedure applies to the receipt of all purchases.

**Responsibilities:**

Anyone Performing the Receiving Function are responsible for receiving, inspecting materials, filing receiving documents at site, and marking purchase order as received.

Purchasing is responsible for accepting or rejecting damaged goods. Back-office provider is responsible for payment of invoices.

The Finance Department will review and authorize all rejections.

**Procedure:**

**1.1 RECEIVING**

**1.2** A "receiver" is any form used to record the specific types and counts of product or materials received. Usually, the receiver is provided by the vendor and is not part of the Organization's system at all.

An example of this would be a detailed packing slip, furnished by the vendor with the shipment. The packing slip should be kept at the school site.

All incoming product or materials are to be counted and reconciled with what was originally purchased. Discrepancies must be recorded.

**1.3** All incoming shipments must be examined for apparent package damage. If the shipment has apparent damage, notify Purchasing/Accounting immediately. Purchasing will decide to either accept or reject the shipment from the carrier and/or file a freight claim.

**1.4** If the shipment shows no signs of damage or the Purchase Manager or School Site Principal or designee has decided to accept a damaged shipment, count the shipping pieces (i.e., packages, boxes but not the contents; see Inspection below) and confirm with the bill of lading and note any exceptions (i.e., package damage or shortages).

/

PUR103 Receiving And Inspection  
Accounting Policies, Procedures and Forms/

page 1 of 10

**2.1 INSPECTION**

**2.2** At the receiving holding area, each shipment should be unpacked and all items piece counted and matched to the packing list. If a packing list is not available, complete as an example PUR103 Ex1 RECEIVING AND INSPECTION REPORT.

**2.3** The shipment will then be inspected for conformance according to the inspection level required for each part number (see PUR103 Ex3 INVENTORY INSPECTION LEVELS). If multiple part number classes are included in the shipment, each class will be segregated and inspected accordingly.

**2.4** Any previously undiscovered damage to individual inventory items should be noted on the inspection report and immediately followed up with the vendor.

**3.1 REJECTION, DISCREPANCIES AND DISPOSITION**

**3.2** Any count discrepancies will be noted on the packing list or as an example PUR103 Ex2 RECEIVING AND INSPECTION REPORT, signed and forwarded to Purchasing. Purchasing will then follow-up with the vendor to resolve the shipping discrepancy.

**3.3** If there is a non-conformance discrepancy, the suspect goods will be red-tagged and separated (quarantined) from other parts and immediately placed in a separate holding area for disposition.

**3.4** If only partial goods in the shipment are of non-conformance, the accepted goods should be noted on the paperwork and stocked or placed in use per above procedure.

**3.5** Complete as an example PUR103 Ex2 RECEIVING AND INSPECTION REPORT for any rejected parts. Accounting will review and authorize all rejections and complete Part II of the report.

**3.6** Goods found to be in conformance or suitable for their intended use and accepted by Accounting will have the red tag removed and be returned to the receiving area or location the product is needed for use. Accounting will note on the report the justification for any accepted parts and forward the report along with the packing list to the Purchase Manager.

Goods rejected by Accounting will continue to be quarantined and red tagged until disposed. Purchasing will determine and arrange for the appropriate disposition of rejected items (i.e., return to vendor for credit, scrap, etc.).

**3.7** Unidentified shipments should be resolved by the Purchase Manager. Contact the Chief Financial Officer to resolve any suspicious looking packages.

## **PUR103 Ex3 INVENTORY INSPECTION LEVELS**

231

The following are generic descriptions of the type of inspections that should be performed for various classes of inventory items. These descriptions are not completely comprehensive for all the possible types of inventory that can be received and therefore, the inspector should use appropriate judgment to determine any special inspection procedures that may be necessary for unique items.

The inspection levels are intended to be cumulative in that higher level inspections will also include all lower level inspection procedures.

The percentage of the total parts inspected will be according to the part number specifications. For example, an inspection level indication of "Level II, 25" would require that 25% of the parts received in the shipment will be examined at a Level II inspection.

If defects or rejected items are discovered within a shipment and less than a 100% inspection has been performed, the receiving inspector will consult with the Quality Control Manager to determine the appropriate action for assurance of the remainder of the shipment.

Level I: Visual inspection of the shipment or lot. Items appear reasonably to match packing list description(s). Nothing comes to the attention of the inspector as noticeable defects or as unusual and unordinary.

Level II: Actual hands-on visual inspection of individual parts. Each part inspected will be analyzed for the quality of workmanship and construction and the appearance of any defects.

Level III: A functional test of the part will be performed as appropriate for the item. For example, pneumatic parts should indicate function when attached to compressed air source; moving parts should rotate, slide etc.; electrical components should operate, light, etc.

Level IV: The part will be inspected against a set performance or measurement standard as indicated in the part file. For example, structural items will be measured for compliance to drawings within specified tolerances; electrical and mechanical devices will function according to specified performance standards.

**SOP # PUR104 Revision: 4**  
**Effective Date: 4/7/22**

**Prepared by: Central Office**  
**Approved by: BOD**

**Title: PUR104 ACCOUNTS PAYABLE AND CASH DISBURSEMENTS**

**Policy:** Internal controls are required to ensure that only valid and authorized

payables are recorded and paid. Accounting procedures should be implemented to ensure the accuracy of amounts, coding of General Ledger accounts and appropriate timing of payments. All accounts payable and cash disbursements will have documented pre-approval, and the authorization limits are stated in the below Responsibilities section.

**Purpose:** To explain the practices for documenting, recording and issuing payments for accounts payable transactions. (Note: Payments, disbursements, and expenditures result from accounts payable transactions)

**Scope:** This procedure applies to all purchases including, contractors, consultants, and merchandise and non-merchandise purchases.

**Responsibilities:**

The Principal at each school site is responsible for reviewing and approving payments under \$10,000 in the purchase software, in accordance with the approved budget.

The Chief Financial Officer is responsible for reviewing and approving payments up to \$50,000 in accordance with the approved budget.

The Chief Executive Officer may assign the Chief Academic Officer, the Chief Operations Officer, the Chief External Officer or Regional Directors the authority to approve expenditures up to \$10,000.

The Chief Executive Officer and/or designee is responsible for reviewing and approving payments over \$50,000 in accordance with the board approved budget, as well as up to \$90,000 for non-budgeted items.

Back-office provider is responsible for payment of invoices in a timely manner.

**Background:** Properly recording liabilities is generally a three-step process, particularly, for merchandise purchases.

The first step is recording the liability upon receipt of merchandise, using the purchase order estimates or other documentation as a guideline. For accuracy and timeliness of data, a liability should be recorded as soon as the Organization receives the purchased items.

Consultant projects are not recognized as a liability until the invoicing from the consultant is received unless and accrual has been recorded to recognize the total estimated cost of the consultant's services.

/

PUR104 Accounts Payable and Cash Disbursements  
Accounting Policies, Procedures and Forms/

page 1 of 6

By necessity, this initial recording is usually an estimate or encumbrance and can be finalized when the actual invoice arrives. This is why a Purchase Order is so important for merchandise purchases. It documents the Organization's understanding of how much each item will cost, per the vendor's terms. This includes estimates for freight and any other charges.

The second step takes place when the vendor's invoice is received. At this point the actual liability is finalized, with any necessary adjustments to the item costs, freight, or other charges.

The third step involves the preparation, issuance of payment for the goods received, and subsequent filing of all paperwork for easy retrieval.

**Procedure Overview:**

Cash disbursements are generally made for:

1. Payments to vendors for goods and services
2. Taxes/license fees
3. Staff training and development
4. Memberships and subscriptions
5. Meeting expenses
6. Employee reimbursements
7. Marketing/promotional materials Checks

are processed throughout the week.

Requests for cash disbursements are submitted to Accounting through the purchasing software. Documentation for the purchasing software requests can be in three ways:

1. Original invoice
2. Purchase request (submitted on approved form)
3. Employee expense report or reimbursement request

All invoices must be approved by the appropriate staff prior to being submitted to accounts payable. Accounts payable will determine the account code for each invoice.

Approvals for reimbursement requests must be obtained prior to the purchase. The Organization is not obligated to reimburse requests where prior approval was not obtained; however, this decision is made at the discretion of the Chief Financial Officer.

Every employee reimbursement or purchase request must be documented in the purchasing software. Please see PUR106 Reimbursements for more details.

/

PUR104 Accounts Payable and Cash Disbursements  
Accounting Policies, Procedures and Forms/

page 2 of 6

Requests for payment are reviewed in the purchasing software by the Principal, Controller, or Chief Financial Officer dependent on purchase amount. The appropriate personnel:

1. Verifies expenditure and amount
2. Approves for payment if in accordance with budget
3. Provides or verifies appropriate allocation information
4. Provides date of payment taking into account cash flow projections

5. Submits to the Finance team for processing

Back-office provider processes all payments and:

1. Immediately enters them into the Accounts Payable module unless it is paid upon receipt on the same day
2. Prints checks according to allocation and payment date provided by the authorizing party
3. Submits checks, with attached backup documentation, to the Chief Financial Officer for approval and signature.
4. Stamps invoice "paid"
5. Mails checks and appropriate backup documentation
6. Files all backup documentation in the appropriate file
7. Monitors accounts payable throughout the month

**Procedure:**

**1.1 DOCUMENTING ACCOUNTS PAYABLE**

**1.2** The following documents will be forwarded to Back-office provider accounts payable as a pdf batch for temporary filing and subsequent matching to form an accounts payable voucher package:

- Purchase Order from the purchasing software
- Vendor invoice
- Vendor/Consultant contract

**1.3** Once the Back-office provider has received all of the above documents, the following steps will be performed to ensure proper authorization, validity of purchase, receipt of purchased items or services and accuracy of amounts.

The purchase order should be evaluated for proper authorization and the nature of the purchase and pricing as shown on the invoice reviewed for validity.

/

PUR104 Accounts Payable and Cash Disbursements  
Accounting Policies, Procedures and Forms/

page 3 of 6

- The quantities shown shipped or delivered on the invoice will be compared to the packing slip and/or receiving reports if items have been received. Any discrepancies must be followed-up and resolved prior to commencing with the disbursement process.
- Calculations on the invoice will be recomputed such as quantities received multiplied by unit price and totals.
- Purchases of items and service contracts shall not be made in small quantities (split bidding) for the purpose of circumventing the authorized approval limits assigned by the Board of Directors, or to avoid public bidding based on the policies and procedures.

## 2.1 RECORDING NON-MERCHANDISE PAYABLES

2.2 Non-merchandise expenditures like utilities, rent, insurance, taxes, repairs, professional fees, etc., are generally not recorded through the purchase order routine. However, there may be other documentation, like contracts, requisitions, and other agreements. These should be filed in the applicable vendor file as documentary support. Upon receipt of the invoice, the charges should be entered into the payable system and coded to the appropriate expense account.

2.3 Generally, once invoices (both merchandise and non-merchandise) have been entered, they can be filed in the respective vendor files, ordered by date. To guard against misfiling an un-entered invoice, consider stamping "entered" on each invoice when it's recorded in accounts payable. It is also helpful to note the entered date and initial entry.

## 3.1 PAYMENT OF ACCOUNTS PAYABLE

3.2 Accounts payable systems generally provide an aged accounts payable report and list the open payables within the accounting system. Open payables are reviewed by the Finance team. The Finance team should select the bills to be paid based on the funds available and a projection of cash flow or receipts over the coming week. Once complete, process the disbursements by either printing the check, electronic online bill pay, PayPal merchant, wire transfer, or ACH withdrawal for the selected bills to be paid.

Note: Accounts payable should normally be paid within 15 business days unless otherwise determined by the Chief Financial Officer.

3.3 Any vendor credits which are amounts owed to the Organization should be applied to amounts currently owed to the vendor when determining payment. These are normally received in the form of a credit memo or adjusting invoice. These should be entered into the system like any other invoice and applied to the next payment being made. There is no reason to "age" a credit memo.

3.4 Pull all Invoices to be paid from the files and match them with the printed checks, wire transfer, electronic online bill pays, or ACH withdrawal documentation. Present the materials to the Chief Financial Officer for review and signing

PUR104 Accounts Payable and Cash Disbursements  
Accounting Policies, Procedures and Forms/

page 4 of 6

3.5 Immediately ensure that all printed checks, wire transfer, electronic online bill pay, or ACH withdrawal documentation are signed and approved and correctly recorded in the accounting system. Stamp the invoices "paid" to document they've been paid. Use only checks that incorporate a two stub plus check form in order to attach one stub to the paid invoice and the other to the remittance copy of the Invoice.

3.6 If one check or electronic online bill pay pays several Invoices, then either photocopy the stub or print the electronic online bill pay screen print and attach a copy to each paid Invoice or consider attaching all paid Invoices to the one check stub or the electronic online bill pay document. File all resulting documentation according to check number sequentially in the checks paid binders.

3.7 Mail the checks as soon as possible once checks have been posted and "paid" by the

system. It is not advisable to "hold" checks for additional days after posting. This practice usually occurs when there are insufficient cash flows. However, holding checks increases the difficulty of projecting cash flow, reduces cash balance accuracy, and causes confusion when trying to reconcile accounts payable vendor balances. None of these balances will be accurate if printed checks are held back from mailing. If cash flow is insufficient to mail the checks, then it is advisable not to post and print checks in the first place.

#### 4.1 MANUAL CHECKS

4.2 The Organization does not permit the use of manual checks.

**SOP # PUR105 Revision: 2**  
**Effective Date: 9/5/17**

**Prepared by: Central Office**  
**Approved by: BOD**

**Title: PUR105 PREPAID EXPENSES**

**Policy:** It is the policy of MERF to treat payments of expenses that have a time- sensitive future benefit as prepaid expenses and to amortize these items over the corresponding time period. For purposes of this policy, prepaids are only accounted for at the end of the fiscal year and the amount that is considered to be prepaid remains at the discretion of the Chief Financial Officer.

**Purpose:** To ensure the proper payment and accounting of expenses that have a future benefit allocated over time.

**Scope:** Any transaction that is currently paid that has a value that can be amortized over a future time period.

**Responsibilities:**

The Chief Financial Officer is responsible for reviewing and authorizing prepaid expenses.

The Finance Department with the support of Back-office provider is responsible for processing prepaid payments and amortizing the prepaid cost of the expected future life of the prepaid asset.

**Background:** Prepaid expenses are very common and allow the Organization to on occasion take advantage of pre-paying for certain expenses and thus recovering discounts or ensuring that a certain expense is fully paid.

**Procedure:**

**1.1 ACCOUNTING TREATMENT**

**1.2** Prepaid expenses with future benefits that expire within one year from the date of the financial statements shall be classified as current assets. Prepaid expenses that benefit future periods beyond one year from the financial statements date shall be classified as non-current assets.

**2.1 PROCEDURES**

**2.2** As part of the account coding process performed during the processing of accounts payable at the end of the fiscal year, all incoming vendor invoices shall be reviewed for the existence of time-sensitive future benefits. If future benefits are identified, the payment shall be coded to a prepaid expense account code.

**2.3** The Finance Department shall maintain a schedule of all prepaid expenses. The schedule shall indicate the amount and date paid, the period covered by the prepayment, the purpose of the prepayment, and the monthly amortization. This

/  
PUR105 Prepaid Expenses  
Accounting Policies, Procedures and Forms/

page 1 of 2

schedule shall be reconciled to the general ledger balance as part of the monthly closeout process.

**SOP # PUR 106 Revision: 3**  
**Effective Date: 4/7/22**

**Prepared by: Central Office**  
**Approved by: BOD**

**Title: PUR 106 REIMBURSEMENTS**

**Policy:** Internal controls are required to ensure that only valid and authorized reimbursements are recorded and paid. Accounting procedures should be implemented to ensure the accuracy of amounts, coding of General Ledger accounts and appropriate timing of payments.

**Purpose:** To explain the practices for documenting, recording and issuing payments for reimbursement transactions.

**Scope:** This procedure applies to all reimbursements.

**Responsibilities:**

The Principal at each school site is responsible for reviewing and approving payments under \$10,000 in the purchasing software, in accordance with the approved budget.

The Chief Financial Officer is responsible for reviewing and approving payments up to \$50,000 in accordance with the approved budget.

The Chief Executive Officer may assign the Chief Academic Officer, the Chief of Staff, the Chief External Officer or Regional Directors the authority to approve expenditures up to \$10,000.

The Chief Executive Officer and/or designee is responsible for reviewing and approving payments over \$50,000 in accordance with the board approved budget, as well as up to \$90,000 for non-budgeted items.

Back-office provider Accounts payable is responsible for payment of reimbursements in a timely manner. A timely manner is defined as within two weeks of submission.

**Background:** Properly recording reimbursements is generally a three-step process.

The first step is accurately submitting reimbursement receipts along with a proof of pre-approval.

The second step is obtaining the appropriate authorization to process payment.

The step involves the preparation, issuance of reimbursement payment in a timely manner, and subsequent filing of all paperwork for easy retrieval.

**Procedure Overview:**

Reimbursements are generally made for:

1. Travel and conferences
2. Mileage
- /
3. Meals
4. School/classroom supplies
5. Allowable academic expenses

6. Student awards

7. Other expenses

Reimbursement checks are processed on cycle or sooner.

All reimbursement requests must be approved by the authorized staff prior to being submitted to accounts payable. Accounts payable will review the account code for each invoice.

Every employee reimbursement or purchase request must be documented in the financial software with evidence of pre-authorization, receipts, nature of business, program allocation, and funding source:

**Travel and Conferences** - an itemized receipt from the hotel detailing all charges, the person(s) for whom the lodging was provided, and the specific business purpose. This includes itemized receipts for parking, tolls and bridges, car rentals, taxis, and conference receipts not to exceed limits set forth. (See G&A103, Travel and Entertainment policy for more detailed information.)

**Car Rentals** – Advanced approvals are required. The employee may make their own car rental arrangements. Vehicle selection will be based upon the most cost-effective class that satisfies requirements for the employee(s) and any demonstration equipment. Supplemental auto insurance coverage offered by car rental agencies must be purchased and will be reimbursed.

**Mileage/Personal Vehicles** - An employee required to use their own automobile for business will be reimbursed in accordance with the current IRS mileage reimbursement rate. The employee must provide on the expense report, documentation including dates, miles traveled and purpose of each trip.

The Organization assumes no responsibility for personal automobiles used for business. Further, any parking or speeding violation is the sole responsibility of the employee.

**Meals and Entertainment** - a receipt must be provided showing the cost of food, beverage, and gratuities, including the names of every person for whom food or beverage was provided, and the specific business purpose. Entertainment expenses are disallowed. Meals are reimbursed based on actual receipt amounts not to exceed the following; Breakfast: \$17.00, Lunch: \$18.00, Dinner: \$34.00 with no

reimbursement for incidental expenses.

Meal and Entertainment tips are limited to 15% (unless automatically assessed by the eating establishment) of the pre-tax meal total cost and any tip that is more than the pre-tax meal total cost will not be reimbursed. For example, a meal that costs \$10 may have an 8% sales tax bringing the total meal price before tip to \$10.80. Figure the tip on the \$10 amount at 15% or \$1.50 and that amount of tip or less is reimbursable. If you tipped more than \$1.50, that difference is not reimbursable. You are always allowed to tip less than 15% should you choose to do so.

**School/Classroom Supplies, Allowable Academic Expenses, and Student Awards** – these expenditures are subject to the approval of the Principal. Gifts of any kind are never allowed. Student awards may only be paid from non-ADA and unrestricted sources. In other words, student awards may be paid from unrestricted fundraising or from other unrestricted sources of income, subject to approval of the Principal and/or Home Office.

**Other Expenditures** - a receipt from the vendor detailing all goods or services purchased (including the class of service for transportation) and the specific business purpose.

**Non-Reimbursable Expenses** - Some expenses are not considered valid business expenses by the Organization, yet may be incurred for the convenience of the traveling individual. Since these are not expenses for the business then they are not reimbursable. (The following can be used as a guide of expenses, which are not reimbursable)

Examples include:

- Airline or travel lounge clubs
- Shoe shine or Dry-cleaning (except for extended travel beyond 5 days)
- Movies or personal entertainment
- Books, magazines or newspapers
- Theft or loss of personal property
- Doctor bills, prescriptions, or other medical services

/

PUR106 Reimbursements  
Accounting Policies, Procedures and Forms/

page 3 of 6

- Parking tickets, traffic tickets or Car towing if illegally parked
- Health club memberships
- Baby sitter or Pet care fees
- Barbers and Hairdressers

Requests for reimbursement payments are reviewed in the financial software by the Principal, Account Analysts, Chief Financial Officer, or Chief Executive Officer, dependent

on purchase amount. The appropriate personnel:

1. Verifies and matches expenditure and amount
2. Approves for payment if in accordance with budget
3. Provides or verifies appropriate allocation information
4. Provides date of payment taking into account cash flow projections
5. Submits to the Finance team for processing Accounts

Back Office Provider processes all payments and:

1. Immediately enters them into the Accounts Payable module.
2. Prints checks according to allocation and payment date provided by the approving party
3. Submits checks, with attached backup documentation, to Chief Financial Officer for approval and signature
4. Stamps invoice “paid”
5. Mails checks and appropriate backup documentation
6. Files all backup documentation in the appropriate file
7. Monitors accounts payable throughout the month

## **Procedure:**

### **1.0 DOCUMENTING REIMBURSEMENTS**

All business reimbursement expenditures incurred by employees of the Organization are reimbursed through the Financial system software. All reimbursement receipts must be submitted monthly and any receipt (except tuition reimbursement) that is older than 60 days will not be reimbursed. Employee may submit written justification for the late submission and will be processed at the discretion of the Chief Financial Officer.

All required original receipts for items charged must accompany all reimbursement documentation as well as uploaded into the financial system for approval and reimbursement payment process.

PUR106 Reimbursements  
Accounting Policies, Procedures and Forms/

page 4 of 6

In order to expedite reimbursement, the employee should ensure that the report is completed properly, required documentation is attached, proper authorization is obtained, and any unusual items properly explained and documented. Any questions regarding completion of the report should be directed to the employee’s supervisor or the Finance Team.

**SOP # PUR 107 Revision: 2**  
**Effective Date: 4/7/22**

**Prepared by: Central Office**  
**Approved by: BOD**

**Title: PUR 107 BIDDING REQUIREMENTS**

**Policy:** To ensure the establishment of bidding requirements relating to multi-year service contracts, and to maintain the internal controls of the selection process.

**Purpose:** To provide the methods for determining a bidding process, documentation requirements, and award of contracts.

**Scope:** This procedure applies to all vendors in order to comply with all Federal Uniform Guidance protocols.

**Responsibilities:**

Purchasing Agent or School Principal is responsible for providing a summary and justification related to the potential proposal.

Selection Committee is responsible for the review and recommendation of all contracts over \$90,000

Chief Executive Officer and/or Chief Financial Officer is/are responsible for the examination of the bidding and selection process of all contracts above \$90,000

Board of Directors are responsible for the approval of all bidding contracts above \$90,000

**Procedure:**

**1.1 BIDDING REQUIREMENTS AND PROCESS**

**1.2** New service contracts in excess of \$90,000 per site shall be formally bid in accordance with the following:

- Request for Proposals (RFP): RFP requirements should include contract purpose, background, description of service, general information, time requirements, proposal requirements, and evaluation process.
- Public Notice: RFP will be posted in the Organization’s website.
- Prospective Vendors: Selection Committee shall maintain a list of prospective vendors for the various categories of products and services purchased by the organization. All schools or departments should refer prospective vendors to the purchasing department for inclusion in the bidder file.
- Pending Bid File: A file shall be maintained by the selection committee of all invitations to bid currently pending.
- Evaluation: Evaluation of services and vendors will be in accordance with the RFP specifications and policy PUR101 vendor selection.

- Bidder Files: Bidder files shall be maintained retaining the bids, bid

comparison sheets, other submittals, and rationale in award. These bids shall be made available for the public upon request for a period of ninety (90) days after which time they will be archived for two (2) years.

- Bidding of contracts shall not be made in small quantities (split bidding) for the purpose of circumventing the authorized approval limits assigned by the Board of Directors, or to avoid public bidding based on the policies and procedures.
- The RFP requirement doesn't apply to renewal and/or extension of the existing service contracts.

<b>Vendor Selection Requirements</b>			
	<b>Less than \$10,000</b>	<b>Between \$10,000 and \$90,000</b>	<b>Greater than \$90,000</b>
Bid process required?	No	Quotes or estimates	RFP
Acceptable forms of price comparison	N/A	Email, published catalogs, written	Written only
Minimum number of bids required	0	3	3
Submit bid documentation to the Procurement Office?	No	Yes	Yes

**2.1 NONCOMPETITIVE NEGOTIATIONS**

**2.2** Noncompetitive negotiations may be used for procurements in excess of when bidding or competitive negotiations are not feasible. MPS may purchase goods and services through non-competitive negotiations when it is determined in writing by the Chief Executive Officer that competitive negotiation or bidding is not feasible and that:

- An emergency exists which will cause public harm as a result of the delay caused by following competitive purchasing procedures, or
- The product or service can be obtained only from one source, or
- The contract is for the purchase of perishable items purchased on a weekly or more frequent basis, or
- Only one satisfactory proposal is received through RFP, or
- The charter authorizer has authorized the particular type of noncompetitive negotiation.

**3.0 STANDARDS OF CONDUCT**

The following Standards of Conduct shall govern the performance, behavior and actions of MPS including, employees, officers, directors, volunteers and agents, who are engaged in any aspect of procurement, including – but not limited to – purchasing goods and services; awarding contracts and grants; or the administration and supervision of contracts.

/

## Accounting Policies, Procedures and Forms/

As representatives of MPS, all employees, officers, directors, volunteers and agents are expected to conduct themselves in a professional and ethical manner, maintaining high standards of integrity and the use of good judgment. Employees are expected to be principled in their business interactions and act in good faith with individuals both inside and outside MPS.

### 3.3 Conflict of Interest

3.3.1 No employee, officer, director, volunteer or agent of the MPS shall participate in the selection, award or administration of a bid or contract supported by federal funds if a conflict of interest is real or apparent to a reasonable person.

3.3.2 Conflicts of interest may arise when any employee, officer, director, volunteer or agent of the MPS has a financial, family or any other beneficial interest in the vendor firm selected or considered for an award.

3.3.3 No employee, officer, director, volunteer or agent of the MPS shall do business with, award contracts to, or show favoritism toward a member of his/her immediate family, spouse's family or to any company, vendor or concern who either employs or has any relationship to a family member; or award a contract or bid which violates the spirit or intent of Federal, State and local procurement laws and policies established to maximize free and open competition among qualified vendors.

3.3.4 MPS's employees, officers, directors, volunteers or agents shall neither solicit nor accept gratuities, gifts, consulting fees, trips, favors or anything having a monetary value in excess of fifty dollars (\$50) from a vendor, potential vendor, or from the family or employees of a vendor, potential vendor or bidder; or from any party to a sub-agreement or ancillary contract.

## 4.0 ACCEPTANCE OF GRATUITIES

MPS's employees, officers, directors, volunteers or agents shall neither solicit nor accept gratuities, gifts, consulting fees, trips, favors or anything having a monetary value from a vendor, potential vendor, or from the family or employees of a vendor, potential vendor or bidder; or from any party to a sub-agreement or ancillary contract.

## 5.0 DISCIPLINARY ACTIONS

Any MPS member, employee or designated agent of MPS who knowingly and deliberately violates the provisions of this code will be open to civil suit without the legal protection of MPS. Furthermore, such a violation of these procurement standards is grounds for dismissal by MPS as an employee, officer, director, volunteer or agent; or other such sanctions as available under the law.

Any contractor or potential contractor who knowingly and deliberately violates the provisions of these procurement standards will be barred from future transactions with MPS.

### Approval of MPS Safety Manual & Injury and Illness Prevention Program with COVID-19 Prevention Procedures

**Section:** IV. Action Items  
**Item:** F. Approval of MPS Safety Manual & Injury and Illness Prevention Program with COVID-19 Prevention Procedures  
**Purpose:** Vote  
**Submitted by:**  
**Related Material:**  
IV\_F\_MPS Safety Manual and IIIPP with COVID-19 Prevention Procedures.pdf

Agenda Item:	IV F: Action Item
Date:	June 17, 2024
To:	Magnolia Educational & Research Foundation dba Magnolia Public Schools (“MPS”) Board of Directors (the “Board”)
From:	Alfredo Rubalcava, CEO & Superintendent
Staff Lead(s):	Suat Acar, Chief Operations Officer
RE:	MPS Safety Manual and Injury and Illness Prevention Program (IIPP) with COVID-19 Prevention Procedures

**Action Proposed:**

I move Board approve the proposed Magnolia Public Schools Safety Manual and Injury and Illness Prevention Program with COVID-19 Prevention Procedures.

**Purpose:**

- It is the intent of MPS to comply with all laws relating to occupational safety and health, specifically as required by the California Code of Regulations, Title 8, Section 3203.
- Section 3203 of Title 8 of the California Code of Regulations sets forth the requirement that each employer in the state must establish and implement an effective, written Injury and Illness Prevention Program to protect employees from injury and illness in the workplace. In accordance with that requirement, the MPS Administrative Teams will provide all necessary safeguards, programs, and equipment required to reduce the potential for accidents and injuries.
- The policies and procedures contained in this Manual are mandatory. The Injury and Illness Prevention Program will allow MPS to maintain awareness of conditions in all work areas that can produce injuries or illness and to make sure that no employee is required to work at a job that he or she knows is not safe. The MPS will also make sure that no employee will be discriminated against for reporting safety concerns to the respective management of the site.

**Background:**

- The safety of students and staff is the highest priority for the MPS. Injuries and illnesses create personal loss to employees, students, and their families, and reduce our ability to provide quality education. We believe that all accidents are preventable. Site administrators have primary responsibility for providing a safe working and learning environment and are accountable for compliance with applicable health and safety requirements. All supervisors (From the CEO & Superintendent to the school principals) share responsibility for ensuring the safety of students and staff. Also, every employee is expected to work safely, adhere to safety requirements, and immediately report accidents and potential workplace hazards to their supervisors.

**Analysis:**

The IIPP is required by Cal/OSHA health and safety regulations for all public schools and sites. It reflects the MPS’ stance with a policy on employee safety. Moreover, it specifies procedures to maintain a safe and healthy workplace for employees.

The IIPP Consists of 7 components:

1. Designation of a responsible individual

2. Employee compliance with safety and health regulations
3. Communication of safety and health information to employees
  - i. Safety and health information is communicated by MPS Administrative bulletins, memorandums, Safety Alerts, written programs and policies.
  - ii. Site administrators must provide employees with these documents by:
    1. posting on employee bulletin boards
    2. in-service training and new employee orientation
  - iii. Employees are required to review information as applies to job classification.
4. Workplace hazard assessment and correction
  - i. Conduct safety inspections
  - ii. Correct hazards immediately
  - iii. Mitigate, tag or barricade hazards not corrected immediately
5. Accident investigation and reporting
  - i. Provide first aid or medical treatment to injured or ill personnel
  - ii. Investigate the accident and accident site
  - iii. Interview employees and witnesses
  - iv. Complete an accident investigation report
  - v. Implement actions to prevent accident recurrence
  - vi. Site administrators, supervisors or designee must notify Cal/OSHA within 8 hours to report serious injuries (death, amputation, permanent disfigurement, hospitalization for more than 24 hours for other than observation, or multiple worker injuries requiring hospitalization.) illnesses or death of an employee
6. Employee training
  - i. Supervisors must train their employees on MPS safety policies and procedures; safe work practices; and provide specific training on hazards unique to the employee's job.
  - ii. All safety training must be documented on the "Health and Safety Training Form" that MPS Home office will make available and filed at each site.
  - iii. Supervisors must retrain employees with new job assignments or whenever new substances, processes, procedures or equipment are introduced to the workplace.
7. Recordkeeping (Following documents must be kept at least for 5 years)
  - i. Safety Inspection reports
  - ii. Regulatory citations (report all citations immediately to the Office of Environmental Health and Safety)
  - iii. Corrective Action Notices (issued by Office of Environmental Health and Safety)
  - iv. Safety Committee meeting minutes
  - v. Employee Injury/Accident Investigation reports
  - vi. Workers' compensation claim reports
  - vii. Employee health and safety training record

**Impact:**

With the approval of this IIPP the MPS will be compliant with the state requirements and each site will have appropriate action steps and tasks delineated under certain assigned staff members. This will make our sites safer and ready to respond in unexpected situations.

**Budget Implications:**

The proposed IIPP currently does not require any funding at this point.

- Legal Review: The IIPP Plan is prepared and reviewed by the YMC as the legal firm of MPS

**Exhibits:**

## **ACKNOWLEDGMENT OF RECEIPT OF SAFETY MANUAL & INJURY AND ILLNESS PREVENTION PROGRAM**

PLEASE READ THE EMPLOYEE SAFETY MANUAL & INJURY AND ILLNESS PREVENTION PROGRAM AND SUBMIT A SIGNED COPY OF THIS STATEMENT TO THE CHIEF OPERATIONS OFFICER.

EMPLOYEE NAME: \_\_\_\_\_

This is to certify that I have received a copy of Magnolia Public Schools (“MPS”) Safety Manual & Illness and Injury Prevention Program. I have read this document, understand it, and will comply with it while working for the School.

I understand that failure to abide by these rules may result in disciplinary action and possible termination of my employment with MPS.

I also understand that I am to report any injury to my Supervisor or Manager immediately and report all safety hazards.

I further understand that I have the following rights.

- I am not required to work in any area I feel is not safe.
- I am entitled to information on any hazardous material or chemical I am exposed to while working.
- I am entitled to see a copy of the MPS Safety Manual & Injury and Illness Prevention Program.
- I will not be discriminated against for reporting safety concerns.

Employee’s Signature: \_\_\_\_\_ Date: \_\_\_\_\_

**Please sign/date, tear out, and return to the Chief Operations Officer.**

## Policy Statement on Safety

The safety and health of each Magnolia Public Schools (“MPS”) employee is of primary importance to us. We are committed to maintaining a safe and healthful working environment, and to achieve this goal, we have developed and implemented this comprehensive Safety Manual and Injury and Illness Prevention Program (“Manual”). This Manual is designed to prevent workplace accidents, injuries, and illnesses. A complete copy of the program is maintained at our office at 250 E. 1st Street, Suite 1500, Los Angeles, CA 90012. You may ask to review it at any time. You may also contact our Chief Operations Officer at (213) 628-3634, if you have any questions or concerns.

It is the intent of MPS to comply with all laws relating to occupational safety and health. Management will provide all necessary safeguards, programs, and equipment required to reduce the potential for accidents and injuries. To further increase workplace safety, we require the active participation and assistance of all employees. The policies and procedures contained in this Manual are mandatory. You should also be constantly aware of conditions in all work areas that can produce injuries or illness. No employee is required to work at a job that he or she knows is not safe. Never hesitate to inform your supervisor of any potentially hazardous situation or condition that is beyond your ability or authority to correct immediately. No employee will be discriminated against for reporting safety concerns to management.

It is the responsibility of each employee to support the company safety program and to perform in a manner that assures his or her own personal safety and the safety of others, including customers, visitors and other trades. To be successful in our endeavor, all employees on every level must adopt proper attitudes towards injury and illness prevention. We must also cooperate in all safety and health matters, not only between management and employees, but also between each employee and his or her respective coworkers. Only through such an effort can any safety program be successful. Our objective is a safety and health program that will reduce the total number of injuries and illnesses to an absolute minimum. Our ultimate goal is zero accidents.

---

Suat Acar, Chief Operations Officer

## Code of Safe Practices

### General Safety Rules

#### 1. Immediate Reporting and Response:

- All persons shall follow this Code of Safe Practices and render every possible aid to safe operations.
- Employees and students must immediately report any unsafe conditions, accidents, injuries, or illness to their Supervisor, Manager, or designated school official.

#### 2. Prohibition of Working Under Impairment:

- No one shall be knowingly permitted to work while the employee's or student's ability or alertness is impaired by fatigue, illness, and prescription or over-the-counter drugs. Employees and students suspected of being under the influence of illegal or intoxicating substances or impaired by fatigue or illness shall be prohibited from working or attending classes.

#### 3. Maintaining a Safe Environment:

- Horseplay, scuffling, fighting, and other acts adversely influencing workplace and school safety or well-being are prohibited.
- Keep the work and school areas clean and free of debris, electrical cords, and other hazards. Immediately clean up spilled liquids.
- Do not block exits, fire doors, aisles, fire extinguishers, first aid kits, emergency equipment, electrical panels, or traffic lanes.
- Do not leave tools, materials, or other objects on the floor that might cause others to trip and fall.

#### 4. Proper Equipment Use:

- Do not operate unfamiliar equipment or attempt to use such equipment until you are fully trained and authorized.
- Ensure all safety guards are operable and in place. If they are not, STOP working and inform your Supervisor or designated school official.
- MPS will appropriately label equipment NOT to be operated, energized, or used. All such notices and procedures must be observed and obeyed.

#### 5. Emergency Procedures:

- Familiarize yourself with the school's emergency procedures, including evacuation routes and assembly points.
- Participate in regular safety drills and follow instructions from safety officials during emergencies.
- Notify all other individuals in your area who might be endangered by the work you are doing.

#### 6. Security Measures:

- Never bring firearms, weapons, illegal drugs, or alcoholic beverages on school grounds.
- Be aware of and comply with the school's security camera policies and protocols.
- Report any suspicious activities or security concerns to school authorities immediately.

7. Mental Health and Wellness:

- Be aware of the resources available for mental health support, including counseling services and peer support programs.
- Report any signs of mental distress or bullying to designated school officials.
- Participate in training and awareness programs on mental health and wellness.

8. Behavioral Expectations:

- Follow the school's behavioral policies, including anti-bullying and harassment guidelines.
- Engage in respectful and positive interactions with others in the school community.
- Report any behavioral concerns to the appropriate school authorities.

9. Training and Authorization:

- Ensure you receive proper training and authorization before performing tasks or using equipment.
- Attend all required safety training sessions and refreshers as mandated by the school.

### Specific Safety Practices

1. Hazardous Materials Handling:

- Cleanse thoroughly after handling hazardous substances and follow special instructions from authorized sources.
- Do not use gasoline or other flammable liquids for cleaning purposes.

2. Confined Spaces and Ignition Sources:

- Do not enter manholes, underground vaults, chambers, tanks, silos, or other similar places that receive little ventilation unless it has been determined that it is safe to enter.
- No burning, welding, or other ignition sources shall be applied to any enclosed tank or vessel until it has been determined that no possibility of explosion exists and authority for the work is obtained from the Supervisor or Manager.

### Campus Safety

1. Awareness and Reporting:

- Be vigilant and aware of unknown persons loitering in parking areas, walkways, entrances and exits, and service areas.
- Report any suspicious persons, activities, or objects to the school administration immediately.

- Familiarize yourself with the school's emergency contact numbers and procedures for reporting security concerns.
- 2. **Securing Personal and School Property:**
  - Employee desks or offices should be secured at the end of the day. Ensure that all doors and windows are locked.
  - When leaving your work area for an extended period, do not leave valuable or personal articles unattended. Secure them in a locked drawer or cabinet.
  - Use school-provided storage solutions for personal belongings to prevent theft or loss.
- 3. **Key and Access Control:**
  - Employees must immediately notify the school administration if keys are missing or security access codes or passes have been breached.
  - Follow the school's protocol for issuing and returning keys and access cards. Ensure that all access tools are accounted for and used responsibly.
  - Do not share your access codes or keys with unauthorized individuals.
- 4. **Emergency Procedures:**
  - Know the location of emergency exits, fire alarms, and safety equipment, such as fire extinguishers and first aid kits.
  - Participate in regular safety drills and follow the instructions of emergency personnel during an actual event.
  - Keep pathways and exits clear of obstructions to ensure quick evacuation if needed.
- 5. **Use of Security Cameras:**
  - Be aware of and comply with the school's security camera policies designed to enhance campus safety.
  - Security cameras are placed in public areas to monitor and record activities for the safety and security of all campus individuals. Report any issues with security cameras to the administration.
- 6. **Visitor Management:**
  - All visitors must check in at the main office and wear a visitor badge on campus. Employees should ensure that visitors are escorted or monitored while on school grounds.
  - Challenge and report any unescorted or unidentified individuals on campus to the school administration.
- 7. **Safety Communication:**
  - Stay informed about campus safety updates and attend any safety briefings or training sessions the school provides.
  - Use established communication channels to report safety concerns or incidents promptly. Maintain clear and open communication with school administration regarding safety issues.
- 8. **Cybersecurity:**
  - Protect your computer and other digital devices with strong passwords, and log out when not in use.
  - Report any cybersecurity threats, such as phishing emails or suspicious online activities, to the school's IT department.

- Follow the school's policies on using technology and the internet to prevent security breaches.
9. Collaboration and Training:
- Collaborate with school administration and safety personnel to identify potential safety risks and develop mitigation strategies.
  - To stay prepared for any situation, participate in regular training on campus safety, emergency response, and incident reporting.
  - Encourage a culture of safety and vigilance among staff and students by leading by example and promoting best practices.

## General Duties and Responsibilities for Safety

A safe working environment can only be achieved and maintained with active interest, participation, and accountability at all organizational levels. To ensure this, MPS delegates the following safety duties by job title. This list is not exhaustive; employees may need to perform additional safety duties to prevent accidents.

### Executive Management Responsibilities

#### 1. Policy and Planning:

- Plan, organize, and administer the safety program by establishing policies, setting goals and objectives, assigning responsibility, motivating subordinates, and monitoring results.
- Provide clear understanding and direction to all management and employees regarding the importance of safety through developing, implementing, monitoring, and revising policies and procedures.
- Ensure adequate funds are budgeted for necessary safety materials, personal protective equipment, employee safety training, and tool and equipment maintenance.

#### 2. Program Oversight:

- Oversee the development, implementation, and maintenance of the Injury and Illness Prevention Program (IIPP) and other required safety programs.
- Maintain an organizational commitment to accident prevention by expecting safe conduct from all managers, supervisors, and employees.
- Hold all levels of management and employees accountable for accident prevention and safety.
- Review all accident investigations to determine corrective action and ensure lessons are learned and applied.

### Managers and Supervisors' Responsibilities

#### 1. Enforcement and Compliance:

- Enforce all safety rules and ensure safe work procedures are followed.
- Verify that corrective actions have been taken regarding safety hazards and accident investigations.
- Become familiar with local, state, and federal safety regulations and ensure compliance.

## 2. Safety Leadership:

- Conduct periodic documented inspections of school sites to identify and correct unsafe actions and conditions that could cause accidents.
- Act as leaders in school safety policy, setting a good example by following all safety rules and encouraging others to do the same.
- Communicate with all employees about safety and accident prevention activities, maintaining an open line of communication.

## 3. Incident Response:

- Investigate all injuries and accidents to determine their cause and implement potential corrective actions.
- Ensure proper first aid and firefighting equipment is maintained and used when conditions warrant.
- Maintain good housekeeping conditions at all times to prevent accidents.
- Ascertain that all injuries requiring medical attention are properly treated and promptly reported to the office.

## Employee Responsibilities

### 1. Personal Responsibility:

- Work safely to protect oneself and fellow workers.
- Read and abide by all safety requirements and protocols.
- Report all accidents and injuries, no matter how minor, to a supervisor immediately.
- Report any safety hazards or defective equipment immediately to a supervisor.
- Never possess or be under the influence of alcohol or controlled substances while on school premises.
- Never engage in horseplay or fighting, as these behaviors compromise safety.

### 2. Participation in Safety Programs:

- Participate in and actively support the school safety program.
- Attend all required safety training sessions and refreshers as mandated.
- Follow established emergency procedures during drills and actual emergencies.
- Use personal protective equipment as required and ensure it is in good condition.

### 3. Proactive Safety Measures:

- Maintain a clean and hazard-free work area.
- Assist in identifying and mitigating potential safety hazards.
- Support colleagues in adhering to safety protocols and encourage a culture of safety.

## Additional Safety Measures

### 1. Campus Security:

- Be vigilant and immediately report any suspicious activities or persons on campus to the school administration.

- Ensure all personal and school property is secured, especially when leaving work areas unattended.
  - Follow the school's key and access control protocol, immediately reporting breaches.
2. Emergency Preparedness:
- Know the location of emergency exits, fire alarms, and safety equipment, and participate in regular safety drills.
  - Familiarize yourself with the school's emergency contact numbers and procedures for reporting security concerns.
  - Ensure clear and effective communication during emergencies by following established protocols.

### Office Safety

Office accidents can and do happen. To prevent them, MPS has developed the following rules for our office staff. We will also endeavor to include office employees in periodic safety meetings. If at any time, you feel there is a safety hazard, or you have any safety concerns, please do not hesitate to notify the Chief Operations Officer.

1. Report all accidents and injuries, no matter how minor, to your Supervisor immediately.
2. Correct or report any safety hazards that you observe.
3. Clean up any spilled material that may present a slipping hazard.
4. Do not stretch any cords across aisles that may present a tripping hazard.
5. No one is allowed to climb on shelves or stand on chairs; you must use a step stool or ladder.
6. Keep all legs of the chair on the floor. Do not tilt chairs too far back.
7. No one shall be in the possession of, or under the influence of, alcohol or other intoxicating substances while on the premises.
8. No horseplay will be tolerated.
9. Close file drawers when not in use.
10. Do not open more than one file drawer at a time. This could cause the cabinet to tip.
11. Do not store heavy objects above your head that could fall on you in an earthquake.
12. Do not store flammable or combustible materials near heaters or other heat sources.
13. If you are unsure how to do any task safely, ask your supervisor.

14. Do not operate any equipment you are not trained and authorized to use.
15. Always follow safe lifting procedures when lifting any object and get help for heavy loads by doing the following:
  - Bend your knees, not your back.
  - Keep the load close to the body.
  - Keep your back straight.
  - Lift with your legs.
  - Do not lift and twist.

## Office Ergonomics

Studies have shown over the years that poorly designed and arranged work areas and repetitive motions can lead to a variety of injuries including carpal tunnel syndrome and tendonitis, which are often referred to as repetitive motion injuries (“RMI”). As with cancer, heart disease, and many other ailments, there are risk factors that increase an individual’s likelihood of developing RMI. If the risk factors are reduced, so are the chances of being injured. While some of these risk factors, such as family history, cannot be controlled in the employment setting, many can, including:

- The force used to perform a task;
- Posture while performing tasks;
- The number of repetitions performed in a given time period; and
- Mechanical stresses such as hard surfaces.

### Proper Adjustments to Office Equipment

The most significant RMI risk factor in office environments is poor body posture caused by improper workstation design or layout. In many cases employees are required to work in awkward positions for long periods of time. This greatly increases the likelihood of injury. Fortunately, this is often the easiest problem to correct. The goal is to perform work in neutral posture as much as possible. Neutral posture is best described as the most comfortable position and usually involves little or no twisting or deviation of the joints.

Sedentary employees are encouraged to contact Human Resources or a designated Safety Coordinator to ensure that their workstations allow for neutral posture, with respect to the position of the employee’s chair, computer keyboard, desk, computer monitor, and work product.

## Hazardous Materials and Chemicals Communication Program

It is the policy of MPS that the first consideration of work shall be the protection of the safety and health of all employees. We have developed this Hazard Communication Program to ensure that materials which have been prohibited from use at public schools are not used at our school sites, and to ensure that all employees receive adequate information about the possible hazards that may result from the various materials found in our facility or used in our operations. This Hazard Communication Program will be monitored by the Chief Operations Officer, who will be responsible for ensuring that all facets of the program are carried out, and that the program is effective.

The following are a few of the common materials regulated by the program:<sup>1</sup>

- Asbestos-containing materials;
- Lead-containing materials;
- Pesticides, including antimicrobial sanitizers and disinfectants;
- Cleaning products and air purifiers; and
- Art supplies.

### Hazardous Material Inventory

The Chief Operations Officer maintains a list of all hazardous materials used in our operations or present in our facility. This list contains the name of the product, the type of product (cleaner, disinfectant, solvent, adhesive, pesticide, etc.) and the name and address of the manufacturer. Any toxic chemicals that are prohibited from use at a public school shall be removed from the inventory. Examples of such chemicals are certain pesticides and art supplies.

### Material Safety Data Sheets (“MSDS”)

Copies of MSDS for all hazardous substances to which our employees may be exposed, if any, will be kept in a binder in the office at 250 E. 1st Street, Suite 1500, Los Angeles, CA 90012. These MSDS are available to all employees, at any reasonable time, upon request. Copies of the most commonly used products will also be kept by the Supervisor at the work site.

The Chief Operations Officer will be responsible for reviewing incoming MSDS for new and significant health/safety information. They will ensure that any new information is passed on to the affected employees.

The Chief Operations Officer will also review all incoming MSDS for completeness. If an MSDS is missing or obviously incomplete, a new MSDS will be requested from the manufacturer. The

---

<sup>1</sup> Please note that the following items are not included in the program: foods, drugs, cosmetics or tobacco; untreated wood products; hazardous waste; and certain consumer products packaged for sale to and use by the general public, provided that our exposure is not significantly greater than typical consumer exposure.

California Occupational Safety and Health Administration (“Cal/OSHA”) will be notified if a complete MSDS is not received and the manufacturer will not supply one.

New materials will not be introduced into a school site until a MSDS has been received. The purchasing department will make it an ongoing part of their function to obtain MSDS for all new materials when they are first ordered.

### Container Labeling

All containers of hazardous substances must be correctly labeled and the label must be legible.

The label must contain:

- The chemical name of the contents;
- The appropriate hazard warnings; and
- The name and address of the manufacturer.

All secondary containers will be labeled as to their contents with a reference to the original label.

### Employee Information and Training

All employees will be provided information and training on Integrated Pest Management in accordance with the Healthy Schools Act of 2000.

### Hazardous Non-Routine Tasks

Infrequently, employees may be required to perform hazardous non-routine tasks. Prior to starting this work, each involved employee will be given information by his/her supervisor about hazards to which they may be exposed during such activity.

This information will include:

- The specific hazards;
- Protective/safety measures which must be utilized; and
- The measures the organization has taken to lessen the hazards, including special ventilation, respirators, the presence of another employee, emergency procedures, etc.

### Informing Outside Contractors and Vendors

To ensure that outside contractors are not exposed to our hazardous materials, and to ensure the safety of the contractor’s employees, it will be the responsibility of the Supervisor to provide outside contractors the following information:

- The hazardous substances under our control that they may be exposed to while at the work site; and
- The precautions the contractor's employees must take to lessen the possibility of exposure.

We will obtain from outside contractors and vendors the name of any hazardous substances the contractor's employees may be using at a work site or bringing into our facility. The contractor must also supply a copy of the material safety data sheet relevant to these materials.

#### Employee Rights Under the Hazard Communication Standard

At any reasonable time, an employee has the right, upon request, to:

- Access the MSDS folder, and the Hazard Communication Program;
- Receive a copy of any environmental sampling data collected in the workplace; and
- See his/her employment medical records.

### Hazard Identification and Evaluation

The following procedures are to assist in the identification and correction of hazards. These procedures are representative only and are not exhaustive of all the measures and methods that will be implemented to guard against injury from recognized and potential hazards in the workplace. As new hazards are identified and improved work procedures developed, they will be promptly incorporated into our Safety Manual.

#### Accident Investigations

All accidents and injuries will be investigated in accordance with the guidelines contained in this program. Accident investigations will focus on all causal factors and corrective action including the identification and correction of hazards that may have contributed to the accident.

#### Employee Suggestions

Employees are encouraged to report any hazard they observe to their supervisor. No employee of MPS will ever be disciplined or discharged for reporting any workplace hazard or unsafe condition in good faith. However, employees who do NOT report potential hazards or unsafe conditions that they are aware of will be subject to disciplinary action.

#### Periodic Safety Inspections

Periodic safety inspections ensure that physical and mechanical hazards are under control and identify situations that may become potentially hazardous. Inspections shall include a review of the work habits of employees in all work areas. These inspections will be conducted by the Chief Operations Officer or other designated individual.

Periodic safety inspections will be conducted:

- When new substances, process, procedures or equipment are used;
- When new or previously unrecognized hazards are identified; and
- Periodically by the Safety Coordinator.

#### Documentation of Inspections

Safety inspections will be documented to include the following:

- Date on which the inspection was performed;
- The name and title of person who performed the inspection;
- Any hazardous conditions noted or discovered and the steps or procedures taken to correct them; and
- Signature of the person who performed the inspection.

All reports shall be kept on file for a minimum of two (2) years.

### Hazard Correction

The following procedures will be used to evaluate, prioritize and correct identified safety hazards. Hazards will be corrected in order of priority, with the most serious hazards being corrected first.

#### Hazard Evaluation

Factors that will be considered when evaluating hazards include:

- Potential severity (the potential for serious injury, illness or fatality);
- Likelihood of exposure (the probability of the employee coming into contact with the hazard);
- Frequency of exposure (how often employees come into contact with the hazard);
- Number of employees exposed;
- Possible corrective actions (what can be done to minimize or eliminate the hazard); and
- Time necessary to correct (the time necessary to minimize or eliminate the hazard).

#### Techniques for Correcting Hazards

1. **Engineering Controls:** Could include machine guarding, ventilation, noise reduction at the source, and provision of material handling equipment. These are the first and preferred methods of control.

2. **Administrative Controls:** The next most desirable method would include rotation of employees or limiting exposure time.
3. **Personal Protective Equipment:** Includes hard hats, hearing protection, respirators and safety glasses, where necessary. These are often the least effective controls for hazards and should be relied upon only when other controls are impractical.

#### Documentation of Corrective Action

All corrective action taken to mitigate hazards should be documented. Depending on the circumstances, one of the following forms should be used:

- Safety Contact Report;
- Safety Meeting Report;
- Memorandum or letter; or
- Safety inspection form.

All hazards noted on safety inspections will be rechecked on each subsequent inspection and notations made as to their status.

### Bloodborne Pathogen Exposure Control Plan

The Chief Operations Officer, or designee, shall meet state and federal standards for dealing with bloodborne pathogens and other potentially infectious materials in the workplace.

The Chief Operations Officer shall determine which employees have occupational exposure to bloodborne pathogens and other potentially infectious materials. Employees having occupational exposure shall be trained in accordance with applicable state regulations (8 CCR 5193) and offered hepatitis B vaccination.

The Chief Operations Officer, or designee, may exempt designated first-aid providers from pre-exposure hepatitis B vaccination under the conditions specified by state regulations.

Any employee not identified as having occupational exposure to bloodborne pathogens may request to be included in the Charter School's employee in-service training and hepatitis B vaccination program voluntarily. Any such request should be submitted to the Chief Operations Officer, or designee, who shall evaluate the request and respond with his/her decision. The Chief Operations Officer, or designee, may deny a request when there is no reasonable anticipation of contact with infectious material.

### Safety Communication

This section establishes procedures designed to develop and maintain employee involvement and interest in the Safety Manual and IIPP. These activities will also ensure effective communication between management and employees on safety related issues that are of prime importance to MPS.

The following are some of the safety communication methods that may be used:

1. Periodic safety meetings with employees that encourage participation and open, two-way communication.
2. New employee safety orientation and provision of the Code of Safe Practices (found on p. 2 of this IIPP).
3. Provision and maintenance of employee bulletin boards discussing safety issues, accidents, and general safety suggestions.
4. Written communications from management or any designated Safety Coordinator, including memos, postings, payroll stuffers, and newsletters.
5. Anonymous safety suggestion program.

Employees will be kept advised of highlights and changes relating to the safety program. Management shall relay changes and improvements regarding the safety program to employees, as appropriate. Employees will be involved in future developments and safety activities, by requesting their opinions and comments, as necessary.

All employee-initiated safety related suggestions shall be properly answered, either verbally or in writing, by the appropriate level of management. Unresolved issues shall be relayed to the Chief Operations Officer.

All employees are encouraged to bring any safety concerns they may have to the attention of management. MPS will not discriminate against any employee for raising safety issues or concerns.

MPS also has a system of anonymous notification whereby employees who wish to inform the company of workplace hazards without identifying themselves may do so by phoning or sending written notification to the following address:

ATTN: Chief Operations Officer  
Magnolia Public Schools  
250 E. 1st Street, Suite 1500  
Los Angeles, CA 90012  
Phone: (213) 628-3634  
Fax: (714) 362-9588

### Employee Safety Training

MPS is committed to instructing all employees in safe and healthy work practices. Awareness of potential hazards, as well as knowledge of how to control them, is critical to maintaining a safe and healthful work environment and preventing injuries. To achieve this goal, we will provide

training to each employee on general safety issues and safety procedures specific to that employee's work assignment.

Such training provides the following benefits:

- Makes employees aware of job hazards;
- Teaches employees to perform jobs safely;
- Promotes two (2) way communication;
- Encourages safety suggestions;
- Creates interest in the safety program; and
- Fulfills Cal/OSHA requirements.

Every new employee will be given instruction by his/her Supervisor in the general safety requirements of their job. A copy of our Code of Safe Practices shall also be provided to each employee.

Managers, Supervisors, and employees will be trained at least twice per year on various accident prevention topics.

Employee training will be provided at the following times:

1. All new employees will receive a safety orientation their first day on the job.
2. All new employees will be given a copy of this Manual (which includes our Code of Safe Practices) and will be required to read and sign for it.
3. All employees given a new job assignment for which training has not been previously provided will be trained before beginning the new assignment.
4. Whenever new substances, processes, procedures or equipment that represent a new hazard are introduced into the workplace.
5. Whenever MPS is made aware of a new or previously unrecognized hazard.
6. Whenever management believes that additional training is necessary.
7. After all of the serious accidents.
8. When employees are not following safe work rules or procedures.

Training topics will include, but not be limited to:

- Employee's safety responsibility;

- General safety rules;
- Code of Safe Practices;
- Safe job procedures;
- Ergonomics;
- Use of safety equipment;
- Emergency procedures;
- Safe lifting and material handling practices; and
- Contents of safety program
- COVID-19 prevention topics

The following training method should be used:

- **Tell them** how to do the job safely;
- **Show them** how to do the job safely;
- **Have them tell you** how to do the job safely;
- **Have them show you** how to do the job safely; and
- **Follow up** to ensure they are still performing the job safely.

Actual demonstrations of the proper way to perform a task are very helpful in most cases.

## Emergency Medical Services and First Aid

MPS will ensure the availability of emergency medical services for its employees at all times. We will also ensure the availability of a suitable number of appropriately trained persons to render first aid. The Chief Operations Officer will maintain a list of trained individuals and take steps to provide training for those that desire it.

### First-Aid Kits

Every work site shall have access to at least one first-aid kit in a weatherproof container. The first-aid kit will be inspected regularly to ensure that it is well stocked, in sanitary condition, and any used items are promptly replaced. The contents of the first-aid kit shall be arranged to be quickly found and remain sanitary. First-aid dressings shall be sterile and in individually sealed packages.

At a minimum, the following first-aid supplies shall be kept:

### **Type of Supply Required by Number of Employees**

<b>Type of Supplies</b>	<b>Number of Employees</b>			
	<b>1-5</b>	<b>6-15</b>	<b>16-200</b>	<b>200+</b>
Adhesive dressings	X	X	X	X
Adhesive tape rolls, 1-inch wide	X	X	X	X
Eye dressing packet	X	X	X	X
1-inch gauze bandage roll or compress		X	X	X
2-inch gauze bandage roll or compress	X	X	X	X
4-inch gauze bandage roll or compress		X	X	X
Sterile gauze pads, 2-inch square	X	X	X	X
Sterile gauze pads, 4-inch square	X	X	X	X
Sterile surgical pads suitable for pressure dressings			X	X
Triangular bandages	X	X	X	X
Safety pins	X	X	X	X
Tweezers and scissors	X	X	X	X
Cotton-tipped applicators*			X	X
Forceps*			X	X
Emesis basin*			X	X
Flashlight*			X	X
Magnifying glass*			X	X
Portable oxygen and its breathing equipment*				X
Tongue depressors*				X
Appropriate record forms*	X	X	X	X
First-aid textbook, manual or equivalent*	X	X	X	X

*\*To be readily available but not necessarily within the first-aid kit.*

Drugs, antiseptics, eye irrigation solutions, inhalants, medicines, or proprietary preparations shall not be included in MPS first-aid kits unless specifically approved, in writing, by an employer-

authorized, licensed physician. Other supplies and equipment, if provided, shall be in accordance with the documented recommendations of an employer-authorized licensed physician upon consideration of the extent and type of emergency care to be given based upon the anticipated incidence and nature of injuries and illnesses and availability of transportation to medical care.

### First Aid

The designated first aid person on each site will be available at all times to render appropriate first aid for injuries and illnesses. Proper equipment for the prompt transportation of the injured or ill person to a physician or hospital where emergency care is provided, or an effective communication system for contacting hospitals or other emergency medical facilities, physicians, ambulance and fire services, shall also be furnished. The telephone numbers of the following emergency services in the area shall be posted near the job telephone, or otherwise made available to the employees where no job site telephone exists:

1. A company authorized physician or medical clinic, and at least one alternate if available;
2. Hospitals;
3. Ambulance services; and
4. Fire-protection services.

Prior to the commencement of work at any site, the Supervisor or Manager shall locate the nearest preferred medical facility and establish that transportation or communication methods are available in the event of an employee injury.

Each employee shall be informed of the procedures to follow in case of injury or illness through our new employee orientation program, Code of Safe Practices, and safety meetings.

Where the eyes or body of any person may be exposed to injurious or corrosive materials, suitable facilities for drenching the body or flushing the eyes with clean water shall be conspicuously and readily accessible.

### Accident Procedures

These procedures are to be followed in the event of an employee injury in the course of employment.

1. **For severe accidents call 911 and request the paramedics.**
2. **Employees must report all work-related injuries to their supervisor immediately, even if they do not feel that it requires medical attention.** Failure to do so may delay Workers' Compensation benefits, and the employee may face disciplinary action.
3. The supervisor, employee, and first aid person should determine whether or not outside medical attention is needed. When uncertainty exists on the part of any individual, the employee should be sent for professional medical care.

4. If medical attention is not desired or the employee refuses treatment, you must still fill out a MPS Accident Report in case complications arise later.
5. In all cases, if the employee cannot transport himself or herself for any reason, transportation should be provided.
6. In the event of a serious accident involving hospitalization for more than twenty-four (24) hours, amputation, permanent disfigurement, loss of consciousness or death, phone contact should be made with the office at (213) 628-3634. Contact must also be made with the nearest Cal/OSHA office within eight (8) hours.

## Accident Investigation

The Chief Operations Officer, or designee, will investigate all work-related accidents in a timely manner. This includes minor incidents and “near accidents,” as well as serious injuries. An accident is defined as any unexpected occurrence that results in injury to personnel, damage to equipment, facilities, or material, or interruption of normal operations.

### Responsibility for Accident Investigation

Immediately upon being notified of an accident, the Chief Operations Officer or designee shall conduct an investigation. The purpose of the investigation is to determine the cause of the accident and corrective action to prevent future reoccurrence, not to fix blame or find fault. An unbiased approach is necessary in order to obtain objective findings.

### The Purpose of Accident Investigations

- To prevent or decrease the likelihood of similar accidents.
- To identify and correct unsafe work practices and physical hazards. Accidents are often caused by a combination of these two factors.
- To identify training needs. This makes training more effective by focusing on factors that are most likely to cause accidents.

### What Types of Incidents Do We Investigate?

- Fatalities
- Serious injuries
- Minor injuries
- Property damage
- Near misses

### Procedures for Investigation of Accidents

Immediately upon being notified of an accident the Chief Operations Officer or designee will:

1. Visit the accident scene, as soon as possible, while facts and evidence are still fresh and before witnesses forget important details and to make sure hazardous conditions to which other employees or customers could be exposed are corrected or have been removed.
2. Provide for needed first aid or medical services for the injured employee(s).
3. If possible, interview the injured worker at the scene of the accident and verbally “walk” him or her through a re-enactment. All interviews should be conducted as privately as possible.

Interview all witnesses individually and talk with anyone who has knowledge of the accident, even if they did not actually witness it.

4. Report the accident to the office at (213) 628-3634. Accidents will be reported by the office to the insurance carrier within twenty-four (24) hours. All serious accidents will be reported to the carrier as soon as possible.
5. Consider taking signed statements in cases where facts are unclear or there is an element of controversy.
6. Thoroughly investigate the accident to identify all accident causes and contributing factors. Document details graphically. Use sketches, diagrams and photos as needed. Take measurements when appropriate.
7. All accidents involving death, disfigurement, amputation, loss of consciousness or hospitalization for more than twenty-four (24) hours must be reported to Cal/OSHA immediately.
8. Focus on causes and hazards. Develop an analysis of what happened, how it happened, and how it could have been prevented. Determine what caused the accident itself, not just the injury.
9. Every investigation must also include an action plan that includes an assessment of how such accidents be prevented in the future.
10. In the event a third party or defective product contributed to the accident, save any evidence as it could be critical to the recovery of claim costs.

#### Accurate & Prompt Investigations

- Ensures information is available
- Causes can be quickly corrected
- Helps identify all contributing factors
- Reflects management concern
- Reduces chance of recurrence

#### Investigation Tips

- Avoid placing blame
- Document with photos and diagrams, if needed
- Be objective, get the facts
- Reconstruct the event

- Use open-ended questions

### Questions to Ask

When investigating accidents, asking open-ended questions beginning with “who,” “what,” “when,” “where,” “why,” and “how” will provide more information than closed-ended questions such as, “Were you wearing gloves?”

Examples include:

- How did it happen?
- Why did it happen?
- How could it have been prevented?
- Who was involved?
- Who witnessed the incident?
- Where were the witnesses at the time of the incident?
- What was the injured worker doing?
- What was the employee working on?
- When did it happen?
- When was the accident reported?
- Where did it happen?
- Why was the employee assigned to do the job?

**The single, most important question that must be answered as the result of any investigation is: “What do you recommend be done (or have you done) to prevent this type of incident from recurring?”**

### Once the Accident Investigation is Completed

- Take or recommend corrective action.
- Document corrective action.
- Chief Operations Officer, Human Resources, and any designated Safety Coordinator will review the results of all investigations.
- Consider safety program modifications.
- Information obtained through accident investigations can be used to update and improve our current program.

## COVID-19 Prevention

### Scope

Pursuant to Title 8, Division 1, Chapter 4, Section 3205 of the Code of California Regulations, California employers are required to address COVID-19 as a workplace hazard in their written Injury and Illness Prevention Program or in a separate document.

This part of the Charter School's Injury and Illness Prevention Program sets forth the procedures the Charter School will take to prevent the spread of COVID-19. This part takes the place of any previously prepared COVID-19 Addendum to the Charter School's Injury and Illness Prevention Program.

COVID-19 hazard prevention shall be provided in addition to the training for avoidance of other workplace illnesses and injuries as provided in this Manual. All procedures provided in this Manual for identifying and correcting workplace health hazards shall be implemented to identify and correct the possible spread of COVID-19 in the workplace.

This part of the Injury and Illness Prevention Program applies to all employees and places of employment, except

- (A) Work locations with one employee who does not have contact with other persons;
- (B) Employees working from home;
- (C) Employees with occupational exposure as defined by section 5199 (Aerosol Transmissible Diseases standards), when covered by that section;
- (D) Employees teleworking from a location of the employee's choice, which is not under the control of the employer.

This part of the Injury and Illness Prevention Program only applies wherever more protective or stringent state or local health department orders or guidance do not apply. In addition to including COVID-19 among the workplace health and safety hazards this Manual is designed to minimize, the Charter School shall also implement the COVID-19 Prevention Procedures that follow.

### Definitions

The following definitions apply to this part of the Injury and Illness Prevention Program.

**“Close Contact”** means the following, unless otherwise defined by regulation or order of the California Department of Public Health (CDPH), in which case the CDPH definition shall apply:

- (A) In indoor spaces of 400,000 or fewer cubic feet per floor, a close contact is defined as sharing the same indoor airspace as a COVID-19 case for a cumulative total of 15 minutes or more over a 24-hour period during the COVID-19 case's infectious period, as defined by this section, regardless of the use of face coverings.
- (B) In indoor spaces of greater than 400,000 cubic feet per floor, a close contact is defined as being within six feet of the COVID-19 case for a cumulative total of 15 minutes or more over a 24-hour period during the COVID-19 case's infectious period, as defined by this section, regardless of the use of face coverings

- (C) Offices, suites, rooms, waiting areas, break or eating areas, bathrooms, or other spaces that are separated by floor-to-ceiling walls shall be considered distinct indoor spaces.

EXCEPTION: Employees have not had a close contact if they wore a respirator required by the employer and used in compliance with section 5144 whenever they would otherwise have had a close contact under subsections 3205(b)(1)(A) or (b)(1)(B).

“**COVID-19**” (Coronavirus Disease 2019) means the disease caused by SARS-CoV-2 (severe acute respiratory syndrome coronavirus 2).

“**COVID-19 case**” means a person who:

- (A) Has a positive COVID-19 test; or
- (B) Has a positive COVID-19 diagnosis from a licensed health care provider; or
- (C) Is subject to a COVID-19-related order to isolate issued by a local or state health official; or
- (D) Has died due to COVID-19, in the determination of a local health department or per inclusion in the COVID-19 statistics of a county.

“**COVID-19 hazard**” means potentially infectious material that may contain SARS-CoV-2, the virus that causes COVID-19. Potentially infectious materials include airborne droplets, small particle aerosols, and airborne droplet nuclei, which most commonly result from a person or persons exhaling, talking or vocalizing, coughing, or sneezing, or from procedures performed on persons which may aerosolize saliva or respiratory tract fluids.

“**COVID-19 symptoms**” means fever of 100.4 degrees Fahrenheit or higher, chills, cough, shortness of breath or difficulty breathing, fatigue, muscle or body aches, headache, new loss of taste or smell, sore throat, congestion or runny nose, nausea or vomiting, or diarrhea, unless a licensed health care professional determines the person’s symptoms were caused by a known condition other than COVID-19.

“**COVID-19 test**” means a test for SARS-CoV-2 that is:

- (A) Cleared, approved, or authorized, including in an Emergency Use Authorization (EUA), by the United States Food and Drug Administration (FDA) to detect current infection with the SARS-CoV-2 virus (e.g., a viral test); and
- (B) Administered in accordance with the authorized instructions.
- (C) To meet the return to work criteria set forth in subsection 3205(c)(5), a COVID-19 test may be both self-administered and self-read only if another means of independent verification of the results can be provided (e.g., a time-stamped photograph of the results).

“**Exposed group**” means all employees at a work location, working area, or a common area at work, within employer-provided transportation covered by section 3205.3, or residing within housing covered by section 3205.2, where an employee COVID-19 case was present at any time during the infectious period. A common area at work includes bathrooms, walkways, hallways, aisles, break or eating areas, and waiting areas. The following exceptions apply:

- (A) For the purpose of determining the exposed group, a place where persons momentarily pass through, without congregating, is not a work location, working area, or a common area at work.
- (B) If the COVID-19 case was part of a distinct group of employees who are not present at the workplace at the same time as other employees, for instance a work crew or shift that does not overlap with another work crew or shift, only employees within that distinct group are part of the exposed group.
- (C) If the COVID-19 case visited a work location, working area, or a common area at work for less than 15 minutes during the infectious period, and the COVID-19 case was wearing a face covering during the entire visit, other people at the work location, working area, or common area are not part of the exposed group.

NOTE: An exposed group may include the employees of more than one employer. See Labor Code sections 6303 and 6304.1.

**“Face covering”** means a surgical mask, a medical procedure mask, a respirator worn voluntarily, or a tightly woven fabric or non-woven material of at least two layers that completely covers the nose and mouth and is secured to the head with ties, ear loops, or elastic bands that go behind the head. If gaiters are worn, they shall have two layers of fabric or be folded to make two layers. A face covering is a solid piece of material without slits, visible holes, or punctures, and must fit snugly over the nose, mouth, and chin with no large gaps on the outside of the face. A face covering does not include a scarf, ski mask, balaclava, bandana, turtleneck, collar, or single layer of fabric. This definition includes clear face coverings or cloth face coverings with a clear plastic panel that otherwise meet this definition and which may be used to facilitate communication with people who are deaf or hard-of-hearing or others who need to see a speaker’s mouth or facial expressions to understand speech or sign language respectively.

**“Infectious period”** means the following time period, unless otherwise defined by CDPH regulation or order, in which case the CDPH definition shall apply:

- (A) For COVID-19 cases who develop COVID-19 symptoms, from two days before the date of symptom onset until: (1) Ten days have passed after symptoms first appeared, or through day five if testing negative on day five or later; and (2) Twenty-four hours have passed with no fever, without the use of fever-reducing medications, and symptoms have improved.
- (B) For COVID-19 cases who never develop COVID-19 symptoms, from two days before the positive specimen collection date through 10 days (or through day five if testing negative on day five or later) after the date on which the specimen for their first positive test for COVID-19 was collected.

**“Respirator”** means a respiratory protection device approved by the National Institute for Occupational Safety and Health (NIOSH) to protect the wearer from particulate matter, such as an N95 filtering facepiece respirator.

**“Returned case”** means a COVID-19 case who was excluded from work but returned pursuant to subsection 3205(c)(5)(A) and did not develop any COVID-19 symptoms after returning. A person shall only be considered a returned case for 30 days after the initial onset of COVID-19

symptoms or, if the person never developed COVID-19 symptoms, for 30 days after the first positive test. If a period of other than 30 days is required by a CDPH regulation or order, that period shall apply.

“**Worksite,**” for the limited purposes of this section and section 3205.1, means the building, store, facility, agricultural field, or other location where a COVID-19 case was present during the infectious period. It does not apply to buildings, floors, or other locations of the employer that a COVID-19 case did not enter.

### COVID-19 Prevention Procedures (8 CCR § 3205)

#### **General Policies.**

When determining measures to prevent COVID-19 transmission and to identify and correct hazards, the Charter School shall consider all persons to be potentially infectious without regard to vaccination status, the prevalence of symptoms, or negative COVID-19 test results.

In determining which measures to implement to prevent COVID-19 transmission and to identify and correct COVID-19 hazards, the Charter School shall review orders and guidance issued by the CDPH and local health authorities and shall treat COVID-19 as an airborne infectious disease. Various additional prevention controls will be considered, depending on an analysis of effectiveness of current protocols, including shifting employees to remote work, use of physical distancing, reducing density of people when indoors, moving tasks outdoors, adjusting shifts and/or break times, restricting access to break rooms, and other measures.

#### **Training.**

The Charter School shall include COVID-19 prevention training in addition to other workplace safety training topics, as provided in this Program.

#### **Investigation.**

The Charter School shall investigate COVID-19 illnesses at the workplace by doing the following:

- (A) The Charter School shall determine the day and time a COVID-19 case was last present and, to the extent possible, the date of the positive COVID-19 test(s) and/or diagnosis, and the date the COVID-19 case first had one or more COVID-19 symptoms, if any were experienced.
- (B) The Charter School shall effectively identify and respond to persons with COVID-19 symptoms at the workplace. Employees shall be encouraged to report COVID-19 symptoms and to stay home when ill.

#### **Handling Close Contacts**

The Charter School shall apply the current quarantine recommendations of the CDPH with regard to excluding employees from the workplace following close contact exposure in the workplace, unless the local health department with jurisdiction over any Charter School worksite has implemented a more strict quarantine procedure, in which case the local agency’s protocol will be followed.

#### **Exclusion of COVID-19 Cases from Work.**

The Charter School will immediately exclude all COVID-19 cases from the workplace as follows:

- (A) COVID-19 cases who do not develop COVID-19 symptoms are not required to isolate but must still wear a mask and are recommended to avoid contact with people at higher-risk for severe COVID-19 for 10 days and to seek medical treatment.
- (B) COVID-19 cases who do develop COVID-19 symptoms shall not return to work until at least 24 hours have passed since a fever of 100.4 degrees Fahrenheit or higher has resolved without the use of fever-reducing medication AND other COVID-19 symptoms are mild and improving.
- (C) Regardless of vaccination status, previous infection, or lack of COVID-19 symptoms, a COVID-19 case shall wear a face covering in the workplace until 10 days have passed since the date that COVID-19 symptoms began, or, if the person did not have COVID-19 symptoms, from the date of their first positive test.
- (D) The above criteria for returning to work apply regardless of whether an employee has previously been excluded or other precautions were taken in response to an employee's close contact or membership in an exposed group.

Upon excluding an employee from the workplace based on COVID-19 or a close contact, the Charter School shall give the employee information regarding COVID-19-related benefits to which the employee may be entitled under applicable federal, state, or local laws. This includes any benefits available under legally mandated sick leave, if applicable, workers' compensation law, local governmental requirements, the employer's own leave policies, and leave guaranteed by contract

### **Review Guidance.**

The Charter School shall review current CDPH guidance for persons who had close contacts, including any guidance regarding quarantine or other measures to reduce transmission. The Charter School shall develop, implement and maintain effective policies to prevent transmission of COVID-19 by persons who had close contacts.

### **Health Orders.**

If an order to isolate, quarantine, or exclude an employee is issued by a local or state health official, any affected employee shall not return to work until the period of isolation or quarantine is completed or the order is lifted.

### **Testing of Close Contacts.**

The Charter School will make COVID-19 tests available at no cost, during paid time, to all employees who have had a close contact in the workplace, with the exception of returned cases, and will provide them with information regarding any COVID-19-related benefits to which the employee may be entitled under applicable federal, state, or local laws. This should include any benefits available under legally-mandated sick leave, if applicable, workers' compensation law, local government requirements, the employer's own leave policies, and leave guaranteed by contract, if any.

### **Notice of COVID-19 Cases.**

The Charter School will notify all employees and independent contractors determined to have had a close contact and any other employers whose employee had a close contact while at a Charter School worksite. This notice will be provided as soon as possible, and shall in no case take longer than necessary to ensure that the employee can be excluded from the worksite if necessary.

### **Face Coverings.**

The Charter School shall provide face coverings and ensure they are worn by employees when required by a CDPH regulation or order. When a CDPH or Cal/OSHA regulation or order requires face coverings indoors, that includes vehicles. Face coverings shall be clean undamaged, and worn over the nose and mouth.

When employees are required to wear face coverings, the following exceptions shall apply:

- (A) When an employee is alone in a room or vehicle;
- (B) While eating or drinking at the workplace, provided employees are at least six feet apart, and, if indoors, the supply of outside or filtered air has been maximized to the extent feasible;
- (C) While employees are wearing respirators required by the employer and used in compliance with Cal/OSHA Aerosol Transmissible Diseases standards.
- (D) Employees who cannot wear face coverings due to a medical or mental health condition or disability, or who are hearing-impaired or need to communicate with a hearing-impaired person. Such employees shall wear an effective non-restrictive alternative, such as a face shield with a drape on the bottom, if the condition or disability permits it.
- (E) During specific tasks which cannot feasibly be performed with a face covering, for so long as such task is being performed.

If, during a period when face coverings are generally required, an employee does not wear a face covering pursuant to an exemption for medical or mental health condition, the Charter School will consider and implement whichever alternative controls are necessary to minimize COVID-19 transmission.

The Charter School shall not prevent any employee from wearing a face covering, including a respirator, when not required to wear one, unless wearing one would create a safety hazard.

### **Respirators.**

The Charter School shall provide a respirator on demand for voluntary use to any employee working indoors or in vehicles with more than one person. Whenever the Charter School makes respirators available for voluntary use, it shall encourage their use and ensure that employees wishing to use one are trained on their use and fitted with an appropriately sized one.

### **Ventilation.**

The Charter School will stay abreast of the latest CDPH orders and guidance on ventilation, including the “Interim Guidance for Ventilation, Filtration, and Air Quality in Indoor Environments.” The Charter School shall continue to plan and implement strategies for using ventilation to minimize the transmission of COVID-19, including one or more of the following:

- (A) Maximizing the supply of outside air to the extent feasible, except when the U.S. EPA Air Quality Index is greater than 100 for any pollutant or if any opening of windows would create a hazard to employees, such due to excessive heat or cold.
- (B) In buildings with mechanical ventilation, the filter used shall be at least Minimum Efficiency Reporting Value (MERV) 13 or the highest level of filtration efficiency compatible with the existing system.
- (C) Use of High Efficiency Particulate Air (HEPA) filters used in accordance with manufacturer's recommendations in indoor areas occupied by employees for extended periods, where ventilation would otherwise be inadequate to sufficiently minimize the risk of COVID-19 transmission.

If the Charter School is subject to 8 CCR 5142 or 5143, it shall review and comply with those sections as applicable.

NOTE: Section 5142 requires heating, ventilating, and air conditioning (HVAC) systems to be operated continuously during working hours, with limited exceptions.

Charter School vehicles carrying employees shall maximize the supply of outside air to the extent feasible, except when doing so would be hazardous.

### **Reporting and Recordkeeping.**

The Charter School shall keep a record of and track all COVID-19 cases, including the employees name, contact information, occupation, location where the employee worked, the date of the last day at the workplace, and the date of the positive COVID-19 test and/or diagnosis. These records shall be kept for five years.

A record of all notices sent with regard to close contacts shall be kept for three years.

Personally-identifying information of COVID-19 cases or persons with COVID-19 symptoms, and any employee medical record required to be made or kept by this plan shall be kept confidential unless disclosure is required or permitted by law. Unredacted information on COVID-19 cases shall be provided to the local health department, the CDPH, Cal/OSHA, and the National Institutes for Occupational Safety and Health, upon request, when required by law.

### **Cal/OSHA Orders.**

The Charter School will comply with all lawful orders issued by Cal/OSHA to take action to protect employees against COVID-19 hazards.

### COVID-19 Outbreak Procedures (8 CCR § 3205.1)

#### **Scope of Outbreak Procedures.**

If three or more employee COVID-19 cases within an exposed group visited the worksite during their infectious period at any time during a 14-day period (an "Outbreak" as defined above), the following procedures will apply in place of the standard COVID-19 prevention procedures detailed in this plan. If CDPH defines outbreak differently than defined herein, then this section shall be implemented whenever that definition has been met.

#### **COVID-19 Testing Following an Outbreak.**

In an outbreak, the charter school shall make COVID-19 testing available at no cost to its employees within the exposed group, regardless of vaccination status, during employees' paid time, except for returned cases and employees who were not present at the workplace during the relevant 14-day period(s) triggering the outbreak.

The charter school shall thereafter make testing available on a weekly basis to all employees in the exposed group who remain at the workplace.

Employees who had close contacts shall have a negative COVID-19 test taken within three to five days after the close contact or shall be excluded and will be required to meet the post-exposure return-to-work criteria detailed in the COVID-19 Prevention Procedures, above.

### **Face Coverings Following an Outbreak.**

Employees in an exposed group during an outbreak, regardless of vaccination status, shall wear face coverings when indoors, or when outdoors and less than six feet from another person, except:

- (A) When an employee is alone in a room or vehicle.
- (B) While eating or drinking at the workplace, provided employees are at least six feet apart and, if indoors, the supply of outside or filtered air has been maximized to the extent feasible.
- (C) While employees are wearing respirators required by the employer and used in compliance with section 5144.
- (D) Employees who cannot wear face coverings due to a medical or mental health condition or disability, or who are hearing-impaired or communicating with a hearing impaired person. Such employees shall wear an effective non-restrictive alternative, such as a face shield with a drape on the bottom, if the condition or disability permits it.
- (E) During specific tasks which cannot feasibly be performed with a face covering. This exception is limited to the time period in which such tasks are actually being performed.

### **Respirators During an Outbreak.**

During an outbreak, the Charter School shall notify employees of their right to request and receive a respirator for voluntary use.

### **COVID-19 Outbreak Investigation, Review, and Hazard Correction.**

If an outbreak occurs, the Charter School shall conduct a review of its COVID-19 policies, procedures, and controls and implement any changes that may be needed to improve the prevention of COVID-19 transmission in the workplace. This investigation, review, and any changes made must be documented and should specifically include:

- (A) Investigation of new or unabated COVID-19 hazards including the employer's leave policies and practices and whether employees are discouraged from remaining home when sick; the employer's COVID-19 testing policies; insufficient supply of outdoor air to indoor workplaces; insufficient air filtration; and insufficient physical distancing.

- (B) The review shall be updated every 30 days that this section continues to apply, in response to new information or to new or previously unrecognized COVID-19 hazards, or when otherwise necessary.
- (C) Any changes implemented to reduce the transmission of COVID-19 based on the investigation and review, which may include: moving indoor tasks outdoors or having them performed remotely; increasing the outdoor air supply when work is done indoors; improving air filtration; increasing physical distancing to the extent feasible; requiring respiratory protection in compliance with section 5144; and other applicable controls.

### **Ventilation During an Outbreak.**

In any school buildings with mechanical ventilation, the Charter School shall filter recirculated air with Minimum Efficiency Reporting Value (MERV)-13 or higher efficiency filters if possible, and if not possible, shall use the highest filtering efficiency filters possible.

The Charter School will use High Efficiency Particular Air (HEPA) filters in accordance with manufacturer's recommendations in indoor areas occupied by employees for extended periods, where ventilation is inadequate to reduce the risk of COVID-19 transmission

### **Major Outbreaks.**

If 20 or more employee COVID-19 cases in an exposed group visited the workplace during their infectious period within a 30-day period (a Major Outbreak), the Charter School shall do the following:

- (A) The COVID-19 testing required as a result of an Outbreak shall be required of all employees in the exposed group, regardless of vaccination status, twice a week or more frequently if recommended by the local health department. Employees in the exposed group shall be tested or shall be excluded and must satisfy the return-to-work criteria detailed in the COVID-19 Prevention Procedures above.
- (B) The Charter School shall report the outbreak to the Division of Occupational Safety and Health (Cal/OSHA).
- (C) The Charter School shall provide respirators for voluntary use to employees in the exposed group, shall encourage but not require their use, and shall train employees provided with respirators on their use.
- (D) Charter School employees in the who do not wear a respirator, if required by the Charter School, and in compliance with section 5144, shall be separated from other persons by at least six feet, except where an at least six feet of separation is not feasible, and except for momentary exposure while persons are in movement. Methods of physical distancing include: telework or other remote work arrangements; reducing the number of persons in an area at one time, including visitors; visual cues such as signs and floor markings to indicate where employees and others should be located or their direction and path of travel; staggered arrival, departure, work, and break times; and adjusted work processes or procedures, such as reducing production speed, to allow greater distance between employees. When it is not feasible to maintain a distance of at least six feet, individuals shall be as far apart as feasible.

## Enforcement of Safety Policies

The compliance of all employees with MPS Safety Manual and IIPP is mandatory and shall be considered a condition of employment.

### Training Programs

The importance of safe work practices and the consequences of failing to abide by safety rules will be covered in the New Employee Safety Orientation and safety meetings. This will help ensure that all employees understand and abide by MPS safety policies.

### Retraining

Employees that are observed performing unsafe acts or not following proper procedures or rules will be retrained by their supervisor. A Safety Contact Report may be completed by the supervisor to document the training. If multiple employees are involved, additional safety meetings will be held.

### Disciplinary Action

The failure of an employee to adhere to safety policies and procedures established by MPS can have a serious impact on everyone concerned. An unsafe act can threaten not only the health and wellbeing of the employee committing the unsafe act but can also affect the safety of his/her coworkers and customers. Accordingly, any employee who violates any of the organization's safety policies will be subject to disciplinary action.

Note: Failure to promptly report any on-the-job accident or injury, on the same day as its occurrence, is considered a serious violation of the organization's safety policies. Any employee who fails to immediately report a work-related accident or injury, no matter how minor, shall be subject to disciplinary action.

Employees will be disciplined for infractions of safety rules and unsafe work practices that are observed, not just those that result in an injury. Often, when an injury occurs, the accident investigation will reveal that the injury was caused because the employee violated an established safety rule and/or safe work practice(s). In any disciplinary action, the supervisor should be cautious that discipline is given to the employee for safety violations, and not simply because the employee was injured on the job or filed a Workers' Compensation claim.

Violations of safety rules and the Code of Safe Practices are to be considered equal to violations of other company policy. Discipline for safety violations will be administered in a manner that is consistent with the MPS Employee Handbook.

## APPENDIX A

### Vaccination Declination Form

(For use by employees with occupational exposure to bloodborne pathogens)

EMPLOYEE NAME: \_\_\_\_\_

**By signing below, I acknowledge the following:**

I understand that due to my occupational exposure to blood or other potentially infectious materials I may be at risk of acquiring Hepatitis B Virus (“HBV”) infection. I have been given the opportunity to be vaccinated with Hepatitis B vaccine, at no charge to myself. However, I decline the Hepatitis B vaccination at this time. I understand that by declining this vaccine, I continue to be at risk of acquiring Hepatitis B, a serious disease. If in the future, I continue to have occupational exposure to blood or other potentially infectious materials and I want to be vaccinated with Hepatitis B vaccine, I can receive the vaccination series at no charge to me.

## Approval of MPS Workplace Violence Prevention Plan

**Section:** IV. Action Items  
**Item:** G. Approval of MPS Workplace Violence Prevention Plan  
**Purpose:** Vote  
**Submitted by:**  
**Related Material:** IV\_G\_MPS Workplace Violence Prevention Plan.pdf

Agenda Item:	IV G: Action Item
Date:	June 17, 2024
To:	Magnolia Educational & Research Foundation dba Magnolia Public Schools (“MPS”) Board of Directors (the “Board”)
From:	Alfredo Rubalcava, CEO & Superintendent
Staff Lead(s):	Suat Acar, Chief Operations Officer
RE:	Approval of MPS Workplace Violence Prevention Plan

### 1. Action Proposed:

I move that the Board approve the MPS Workplace Violence Prevention Plan.

### 2. Background

While promoting a safer and more secure work environment is always a priority, California's SB 553 mandates specific actions employers must take around workplace violence prevention.

Workplace violence is a paramount concern for employees and employers alike, with incidents of workplace violence posing significant risks to workers' well-being and security. To try to address these concerns, California introduced **Senate Bill No. 553 (SB 553)**, signaling a pivotal shift in workplace safety standards. Signed into law on September 20, 2023, by Governor Gavin Newsom, SB 553 directs most California employers (including MPS) to adopt comprehensive workplace violence prevention plans (WVPP), effective July 1, 2024. MPS worked with legal counsel to develop the proposed WVPP which complies with the requirements of the law.

### 3. Analysis:

Upon Board approval, MPS is required to assign employees to designated safety roles, provide employee training, and keep detailed safety records, as described below.

#### **Designated roles:**

MPS will need to assign designated individuals to oversee plan development, training, and ongoing maintenance. This ensures accountability and facilitates a proactive approach to workplace safety.

#### **Employee training:**

MPS will be required to provide “effective” training for all employees on recognizing and reporting potential workplace violence, understanding the organization's WVPP, and their rights under the law.

#### **Record-keeping and reporting:**

MPS will also be required to maintain accurate records of identified hazards, implemented measures, and log violent incidents and their investigations.

### 4. Budget Implications:

None. The actions will be structured along with the MPS School Safety Plans.

5. **Exhibits:**

The MPS Workplace Violence Prevention Plan

## **MAGNOLIA PUBLIC SCHOOLS Workplace Violence Prevention Plan**

This document shall outline Magnolia Public Schools’s Workplace Violence Prevention Plan (“Plan”) as required by Labor Code § 6401.9. It shall be the policy of Magnolia Public Schools to provide its employees with a safe and healthy work environment. To that end, Magnolia Public Schools shall take appropriate actions to prevent acts of violence, threats, intimidation, and harassment from occurring on campus and during the performance of employees’ job duties.

### **I. DEFINITIONS**

For purposes of this Plan, the following definitions apply:

“**Emergency**” means unanticipated circumstances that can be life threatening or pose a risk of significant injuries to employees or other persons.

“**Engineering controls**” mean an aspect of the built space or a device that removes a hazard from the workplace or creates a barrier between the worker and the hazard.

“**Log**” means the violent incident log, required in Part III of this Plan.

“**Plan**” means this Workplace Violence Prevention Plan.

“**Threat of violence**” means any verbal or written statement, including, but not limited to, texts, electronic messages, social media messages, or other online posts, or any behavioral or physical conduct, that conveys an intent, or that is reasonably perceived to convey an intent, to cause physical harm or to place someone in fear of physical harm, and that serves no legitimate purpose.

“**Workplace Violence**” includes but is not limited to the following: (i) the threat or use of physical force against an employee that results in, or has a high likelihood of resulting in, injury, psychological trauma or stress, regardless of whether the employee sustains an injury; (ii) an incident involving a threat or use of a firearm or other dangerous weapon, including the use of common objects as weapons, regardless of whether the employee sustains an injury; (iii) the following four workplace violence types:

- **Type 1:** violence committed by a person with no legitimate business at the worksite;
- **Type 2:** violence directed at employees by students, parents, contractors, volunteers, or visitors;
- **Type 3:** violence against an employee by a present or former employee, supervisor, or manager;
- **Type 4:** violence committed in the workplace by a person who does not work there, but has or is known to have had a personal relationship with an employee.

Workplace Violence does not include lawful acts of self-defense or defense of others.

“**Work practice controls**” means procedures and rules which are used to effectively reduce workplace violence hazards.

### **II. WORKPLACE VIOLENCE PLAN PROCEDURES**

#### **a. Responsible Parties**

The Chief Operations Officer (COO) is responsible for implementing this plan.

#### **b. Employee Involvement in Plan Creation and Updates**

Before this Plan was initially approved by the Magnolia Public Schools Board of Directors, the COO circulated a draft of the Plan to employees and requested feedback and suggestions on improving the Plan. All feedback received was reviewed and any revisions deemed warranted were implemented into the initial approved version of the Plan.

Every year, the COO will circulate the Plan to employees to request suggestions on improving this Plan. Employees will be encouraged to provide input on ways they believe this Plan can be improved, streamlined, or better enforced. Employees will be encouraged to provide input on adequacy of training received, any perceived workplace violence hazards not adequately addressed by the Plan, and any perceived barriers to reporting and investigating instances of workplace violence incidents that they believe may stand in the way of optimal execution of this Plan.

These suggestions and input may be submitted confidentially to the COO. No retaliation to any such input or suggestion shall be permitted. Magnolia Public Schools commits to reviewing each employees' suggestion and making any changes to this Plan that are found to be necessary and appropriate.

#### **c. Coordinated Implementation**

If there are workers who regularly perform job duties at Magnolia Public Schools' campus or other workplace but are not employed by Magnolia Public Schools, the COO will verify that each such worker's employer has a workplace violence prevention plan in place and that all such employees of that employer who regularly work at any Magnolia Public Schools location are receiving adequate training and that those other employers have procedures in place for the reporting, investigation, and recording of workplace violence incidents.

#### **d. Reporting of Workplace Violence**

Employees must report any incident of workplace violence that they witness. Magnolia Public Schools will not retaliate against any employee for reporting an incident of workplace violence in good faith.

Reports of workplace violence that has already occurred can be made by filling out the "Workplace Violence Report" form that is attached at the end of this Plan and sending it to the COO by e-mail. The COO and/or designee will review every Workplace Violence Report at their earliest reasonable convenience and shall take the steps outlined in this Plan in response. Copies of the Workplace Violence Report form shall be made available to all employees in the front office or the MPS Home Office.

If an incident of workplace violence is occurring or imminent, any employee witness should ensure that COO is informed as soon as possible by calling the COO at 213-628-3634 or by using whatever alternative means of communication would be fastest. The COO will respond to the ongoing or imminent workplace violence as set forth in section II.G., below.

#### **e. Employee Compliance**

All employees are responsible for using safe work practices and for following all directives, policies, and procedures for maintaining a safe, healthy, and secure work environment. This Plan seeks to

ensure that employees, including administrators, comply with work practices designed to make the workplace more secure, and to ensure that employees do not engage in threats or physical actions which create a security hazard for others in the workplace.

All employees will be trained to understand this Plan when hired and periodically afterward. Employees will be evaluated to ensure compliance with this Plan. Employees who participate in the implementation of this Plan and carrying out its provisions in practice will be recognized for their efforts to help ensure a safe and violence-free workplace.

Repeated or willful failure to report incidents of workplace violence, failure to attend and participate in workplace violence training, and to otherwise comply with the requirements of this Plan will result in additional training and may result in disciplinary action.

#### **f. Communication to Employees Regarding Workplace Violence**

As part of the annual workplace violence training session required by this Plan, the COO shall ensure that each employee understands how to report a violence incident, a threat, or any other incidence of workplace violence and knows that they can do so without fear of reprisal by Magnolia Public Schools or retaliation from the individual against whom the report is made.

These points will be communicated to new employees when hired and periodically as set forth in this Plan. The COO shall also ensure that each employee understands how their concerns will be investigated by Magnolia Public Schools and how Magnolia Public Schools will communicate the results of a workplace violence hazard investigation and any corrective measures taken in response.

As part of the annual workplace violence training, every employee shall sign a certificate attesting that they understand these items, and each of these certificates shall be retained pursuant to Part V of this Plan (“Recordkeeping”).

Depending on the frequency and severity of workplace violence incidents in the workplace, the COO may implement increasingly more frequent communication sessions with employees as necessary, including quarterly, monthly, or weekly reviews of this Plan and employee compliance with it.

#### **g. Response to Actual or Potential Workplace Violence Emergencies**

A workplace violence emergency is any incidence of workplace violence that entails the potential loss of life or significant injury to any person at the workplace.

If a workplace violence emergency is so severe as to trigger a lockdown or evacuation of the workplace according to the School’s safety plan, such as when firearms are involved or a when an intruder has entered the campus with violent or criminal intent, Magnolia Public Schools will initiate and follow the emergency procedures set forth in its school safety plan.

If a workplace violence emergency does not rise to the level of a school-wide response but is ongoing and entails potential or threatened loss of life or significant injury to any person at the workplace, any other employees witnessing or experiencing the workplace violence incident must report the incident as soon as possible to the school administrator, or to the COO and/or other responsible administrator, by calling them on the phone or by whichever alternative means would reach them fastest.

## **h. Training Procedures**

Magnolia Public Schools will provide annual workplace violence prevention training in accordance with the requirements of California Labor Code section 6401.9, subdivision (e), including but not limited to the following:

1. The Plan, how to obtain a copy of the Plan at no cost, and how to participate in development and implementation of the Plan.
2. The Plan's definitions and the General Workplace Violence Plan Procedures.
3. How employees can search for and recognize workplace violence hazards and risk factors associated with the three types of workplace violence.
4. How to report workplace violence incidents, threats, or concerns to the school or two law enforcement without fear of reprisal from the school or the individual against whom the report is filed.
5. Ways to defuse hostile or threatening situations.
6. Routes and methods of escaping from workplace violence incidents.
7. How this Plan integrates with the school's safety plan.
8. How and when to notify law enforcement authorities when a criminal act may have occurred or is potentially about to occur.
9. Emergency medical care to be provided to a victim of any violent act.
10. Any workplace violence hazards specific to the school environment, the corrective measures the school has implemented, and how to seek assistance to prevent or respond to violence and to avoid physical harm.
11. The workplace violence incident log, and how to obtain records the school is required to keep pursuant to the Recordkeeping part of this Plan, below.
12. An opportunity for live questions and answers on the Plan with the COO.

In addition to an annual training session on these topics, the school will conduct training every time a new or previously unrecognized workplace violence hazard is identified and whenever changes are made to the Plan. This additional training may be limited only to the new workplace violence hazards identified or to the new changes to the Plan.

The COO will ensure that this training is completed and that records of employee participation are kept and filed in accordance with Part V of this Plan ("Recordkeeping").

## **i. Identification and Evaluation of Workplace Violence Hazards**

Workplace violence hazards are working conditions or environmental factors that increase employee exposure to workplace violence. Workplace violence hazards may arise from, for example, a school's failure to consistently require campus visitors to check in at the front desk, failure to monitor entry and exit points for unauthorized entry, failure to consistently enforce employee behavioral conduct rules, failure to consistently enforce student disciplinary rules that could expose employees to violence, and other similar policy or environmental factors that would tend to increase the incidence of workplace violence.

The COO shall ensure that a review of potential workplace violence hazards is conducted at least annually. The COO shall also conduct a review of any workplace violence hazards reported by any employee. In addition, the COO shall also conduct a workplace violence hazard review (1) when this Plan is first established, (2) after each workplace violence incident has occurred, and (3) whenever the employer otherwise is made aware of a new or previously unrecognized workplace violence hazard.

Each time a workplace violence hazard review is undertaken, the COO shall prepare a report describing the review process, stating date the review was completed, stating the determination of whether a workplace hazard was found to exist, and describing whether any corrective actions are recommended. All workplace hazard evaluation reports shall be kept as records pursuant to Part V of this Plan.

#### **j. Correction of Workplace Violence Hazards**

Each time a workplace violence hazard review is conducted and results in a recommendation that corrective action should be implemented to mitigate an existing workplace violence hazard, the COO shall prepare a recommendation for corrective action and present it to the Executive Director who shall approve, deny, or approve with modification, the recommendation for corrective action and provide a justification for any denial or modification. The recommendation for corrective action and Executive Director response shall be kept as a record pursuant to Part V of this Plan.

Following the Executive Director taking action on a recommendation for corrective action, the Executive Director or designee shall be responsible for ensuring that the corrective action is implemented as workplace policy and, if relevant, that all employees are alerted to and trained on any necessary changes in workplace policies necessary to implement the approved corrective action. If any corrective actions require revisions to an employee handbook, those changes shall be implemented within a reasonable time.

#### **k. Post-Incident Response and Investigation**

After every reported or otherwise known incident of workplace violence, the COO shall conduct a workplace violence evaluation of any and all workplace conditions, policies, or practices that may have contributed to the occurrence of the incidence of workplace violence and shall record a record of the evaluation, as required by Section II.i., above.

Post-incident reviews shall include, at minimum, an interview with the victim of workplace violence, any witnesses, and the impressions of the COO and/or designees assisting in the post-incident response. The interview and investigation shall seek to establish all facts required to be included in a Violent Incident Log, as set forth in Part III of this Plan.

Employees will be encouraged to provide feedback and information as part of the post-incident response. Employees who refuse to participate may be subject to discipline. Employees should be alerted that they are not subject to retaliation or reprisal from Magnolia Public Schools as a consequence of their participation in any post-incident response.

#### **l. Review of Plan Effectiveness**

The COO shall review the general effectiveness of this Plan annually at the time the Plan is circulated to employees for suggestions, whenever a deficiency in the Plan is noted, and after any workplace violence incident occurs.

### **III. VIOLENT INCIDENT LOG**

Magnolia Public Schools will maintain a **Violent Incident Log**. The COO shall ensure that the details of every violent incident reported or otherwise known to have occurred at the school are recorded into the Violent Incident Log. The log shall contain information solicited from the person experiencing the workplace violence incident, any witnesses, and investigation findings. All personal identifying information shall be omitted from the log, with the exception of the details of the person making the entry. The log shall be reviewed during any periodic reviews of this Plan for effectiveness.

The Violent Incident Log, for every incident, shall include the following:

1. The **date, time, and location** of the incident.
2. The **type or types of workplace violence** involved.
3. A **detailed description** of the incident.
4. **Who committed the violence**, including whether the perpetrator was a School stakeholder, family or friend of a School stakeholder, stranger with criminal intent, coworker, supervisor or manager, partner or spouse, parent or relative, or another perpetrator.
5. The **general circumstances** at the time of the incident, including, but not limited to, whether the employee was completing usual job duties, working in poorly lit areas, rushed, working during a low-staffing level, isolated or alone, unable to get help or assistance, working in a community setting, or working in an unfamiliar or new location.
6. **Where the incident occurred**, such as in the workplace, parking lot, or other area outside the workplace, or other area.
7. The **type of attack**: physical attack without a weapon; attack with a weapon or object; a threat of physical force or threat of use of a weapon or other object; sexual assault or threat of sexual assault; animal attack; other.
8. The consequences of the incident, including whether security or law enforcement was contacted; actions taken to protect employees from continuing threat, etc.
9. **Information on the person entering the log entry**, including their name, job title, and date entered.

#### IV. RECORDKEEPING

This Plan requires that various records pertaining to workplace violence be maintained, as follows:

1. Records of workplace violence hazard identification, evaluation, and correction shall be created and maintained for a minimum of five (5) years.
2. Training records shall be created and maintained for a minimum of one (1) year, and shall include dates training was conducted, the contents or a summary of the training sessions conducted, the names and qualifications of persons conducting the training, and the names and job titles of all persons attending the training sessions.
3. Violent Incident Logs shall be maintained for a minimum of five (5) years.
4. Records of workplace violence incident investigations shall be maintained for a minimum of five (5) years.
5. All records required to be maintained per this Part of the Plan are to be made available to the Department of Industrial Relations upon request for examination and copying.
6. All records required pursuant to items (1) through (3) of this Part shall be made available to employees and their representatives, upon request and without cost, for examination and copying within 15 calendar days of a request.

## Magnolia Public Schools WORKPLACE VIOLENCE REPORTING FORM

This form should be used to report any incidence of workplace violence that any employee of Magnolia Public Schools witnesses at the workplace or any work-related event. Employees are required to report any workplace violence they witness and will not be subject to any retaliation for reporting workplace violence.

*“Workplace Violence” includes but is not limited to the following: (i) the threat or use of physical force against an employee that results in, or has a high likelihood of resulting in, injury, psychological trauma or stress, regardless of whether the employee sustains an injury; (ii) an incident involving a threat or use of a firearm or other dangerous weapon, including the use of common objects as weapons, regardless of whether the employee sustains an injury; (iii) the following four workplace violence types:*

- *Type 1: violence committed by a person with no legitimate business at the worksite;*
- *Type 2: violence directed at employees by students, parents, contractors, volunteers, or visitors;*
- *Type 3: violence against an employee by a present or former employee, supervisor, or manager;*
- *Type 4: violence committed in the workplace by a person who does not work there, but has or is known to have had a personal relationship with an employee.*

*“Workplace Violence” does not include lawful acts of self-defense or defense of others.*

If you have witnessed a workplace violence incident, please enter as much of the following information as you can:

**Date of Report:** \_\_\_\_\_ **Date(s) of Incident:** \_\_\_\_\_

**Reporter’s Name:** \_\_\_\_\_

**Reporter’s Job Title:** \_\_\_\_\_

**Reporter’s email address or telephone number:** \_\_\_\_\_

**Victim Name(s) (if other than Reporter):** \_\_\_\_\_

**Victim’s Job Title (If other than Reporter):** \_\_\_\_\_

## Approval of MPS Students Policy on the Education of Students Experiencing Homelessness

**Section:** IV. Action Items  
**Item:** H. Approval of MPS Students Policy on the Education of Students Experiencing Homelessness  
**Purpose:** Vote  
**Submitted by:**  
**Related Material:**  
IV\_H\_Students Policy on the Education of Students Experiencing Homelessness.pdf

Agenda Item:	IV H: Action Item
Date:	June 17, 2024
To:	Magnolia Educational & Research Foundation dba Magnolia Public Schools (“MPS”) Board of Directors (the “Board”)
From:	Alfredo Rubalcava, CEO & Superintendent
Staff Lead(s):	Jason Hernandez, Director of Student Services
RE:	MPS Students Policy on the Education of Students Experiencing Homelessness

**Action Proposed:**

I move for the Board to approve the MPS Students Policy on the Education of Students Experiencing Homelessness, to be effective immediately.

**Purpose:**

The purpose of the policy is to ensure children, youth, and unaccompanied minors experiencing homelessness within Magnolia Public Schools (MPS) have equitable access to educational opportunities. The policy strives to remove barriers to their education by providing the necessary resources and support systems. These efforts are designed to help students achieve academic success, stability, and well-being, despite the challenges posed by their housing situations.

Additionally, the policy ensures MPS’s compliance with federal mandates, such as the McKinney-Vento Homeless Assistance Act. This act requires educational agencies, such as MPS, to meet the needs of students experiencing homelessness. It guarantees students’ rights to immediate school enrollment, participation in school programs, and access to academic and support services. These measures help decrease the opportunity gap, reduce educational disruptions, and promote stability.

**Background:**

This policy was initially established on August 8, 2013, and has since been revised on June 6, 2016, July 13, 2017, and July 23, 2020. Each update has strived to enhance the support and resources available to children and youth experiencing homelessness. The revisions ensure ongoing commitment to closing the equity gap and fully complying with federal and state guidelines. The proposed changes are designed to reinforce this framework further, providing support systems better to serve our students under the McKinney-Vento Homeless Assistance Act.

**Analysis and Impact:**

The revised policy continues to support MPS’s commitment to meeting the educational needs of children and youth experiencing homelessness. Key enhancements include:

1. Immediate Enrollment and Equal Access: Immediate enrollment processes are emphasized, ensuring that students experiencing homelessness face no delays in accessing education and support services.
2. Support Services Expansion: Expanded support services now encompass health, mental health,

and housing assistance, coordinated by appointed Homeless Liaisons at each school, ensuring students receive holistic support.

3. **Professional Development:** The policy mandates professional learning opportunities for all staff, improving their ability to support children and youth experiencing homelessness through understanding student rights, sensitivity training, and practical strategies.
4. **Enrollment Disputes:** Updates to the policy streamline the process for resolving enrollment disputes, ensuring compliance with legal requirements and reducing potential conflicts or misunderstandings.
5. **Graduation Requirements Flexibility:** The policy provides clear guidelines for accommodating the unique challenges homeless students face in meeting graduation requirements, ensuring students are not unfairly penalized and have a clear path to graduation.
6. **Budget Implications:** The expanded services and professional development initiatives will require additional budget considerations. These investments are crucial for the enhanced support structure and are expected to impact student academic performance and well-being positively.

**Budget Implications:**

Budget implications will differ across MPS sites, reflecting each location's unique needs and circumstances. However, all schools need to allocate resources strategically to enhance support for students experiencing homelessness, including supplemental educational services and professional development.

In accordance with federal mandates, schools must allocate Title 1 funds to support students experiencing homelessness. The funds can be used for professional development, purchasing school supplies, and implementing targeted interventions to address unique challenges or barriers students face.

**Exhibits:**

Magnolia Public Schools (MPS) Policy on the Education of Students Experiencing Homelessness.

MAGNOLIA PUBLIC SCHOOLS (MPS) POLICY ON THE EDUCATION OF  
STUDENTS EXPERIENCING HOMELESSNESS

**I. Introduction**

The MPS Governing Board is committed to ensuring that students experiencing homelessness have equal access to its educational programs. Students are given opportunities to meet the same challenging state academic standards, receive a free and appropriate public education, and are protected from stigma and segregation. MPS aims to establish safeguards that prevent discrimination and support the success and well-being of all students, regardless of their housing situation.

**II. Definitions**

The term “homeless children and youth” means individuals who lack a fixed, regular, and adequate nighttime residence. It includes children and youths who (42 USC 11434(a)):

1. Are sharing the housing of other persons due to loss of housing, economic hardship, or a similar reason; are living in motels, hotels, trailer parks, or camping grounds due to the lack of alternative adequate accommodations; are living in emergency or transitional shelters; or are abandoned in hospitals;
2. Have a primary nighttime residence that is a public or private place not designed for or ordinarily used as regular sleeping accommodations for human beings;
3. Are living in cars, parks, public spaces, abandoned buildings, substandard housing, bus or train stations, or similar settings; and/or
4. Migratory children and unaccompanied youth (youth not in the physical custody of a parent or guardian) may be considered as a child or youth experiencing homelessness if they meet the above definition of “homeless.” (clauses (1) through (3).)

Homeless status is collaboratively assessed with the involvement of the parent or guardian. For unaccompanied youth, the Homeless Liaison works closely with the youth to understand and assess their situation, ensuring that their needs and perspectives are considered.

**III. MPS Liaison**

The **Principal** or designee of each MPS school site shall serve as the Liaison for unaccompanied youth and youth experiencing homelessness (42 USC 11432(g)(1)(J).)

The Homeless Liaison shall ensure that the following requirements are fulfilled by MPS (42 U.S.C. 11432(g)(6)):

1. Students experiencing homelessness are identified by school personnel through outreach and coordination activities with other entities and agencies, and through the annual housing questionnaire administered by the Charter School.
2. Students experiencing homelessness enroll in and have a full and equal opportunity to succeed at MPS.

Student Policies  
Homelessness

Policy on the Education of Students Experiencing

3. Families and students experiencing homelessness receive educational services for which they are eligible referrals to health care services, dental services, mental health services, substance abuse services, housing services, and other appropriate services.
4. Families and students experiencing homelessness receive referrals to health care services, dental services, mental health and substance abuse services, housing services, and other appropriate services.
5. Parents/guardians are informed of the educational and related opportunities available to their children and are provided with meaningful opportunities to participate in the education of their children.
6. Public notice of the educational rights of students experiencing homelessness is disseminated in locations frequented by parents or guardians of such students, and unaccompanied youths, including schools, shelters, public libraries, and soup kitchens, and in a manner and form understandable to the parents and guardians of homeless students, and unaccompanied youth.
7. Enrollment/admissions disputes are mediated in accordance with law, the MPS charter, and Board policy.
8. Parents/guardians of students experiencing homelessness, and any unaccompanied youth are fully informed of all transportation services, as applicable.
9. MPS personnel providing services receive ongoing professional development and other support.
10. The Charter School Liaison collaborates with State coordinators and community and school personnel responsible for the provision of education and related services to students experiencing homelessness.
11. Unaccompanied youth are enrolled in school; have opportunities to meet the same challenging State academic standards as the State establishes for other students; and are informed of their status as independent students and that the youths may obtain assistance from the MPS Liaison to receive verification of such status for the purposes of the Free Application for Federal Student Aid.

The California Department of Education (“CDE”) publishes a list of the contact information for the Homeless Education Liaisons in the state, which is available at: <https://www.cde.ca.gov/sp/hs/>

**IV. Enrollment**

The Charter School will collaborate with students experiencing homelessness and their parent/guardian to ensure each student is placed in the most supportive educational programs and has access to the academic resources, services, and extracurricular and enrichment activities available to all students, including interscholastic sports. All decisions regarding a student's education and placement will be based on the best interest of the child, considering educational stability and the opportunity to be educated in the most supportive educational setting necessary for academic progress.

MPS shall immediately admit/enroll the student for whom the Charter School is a School of Origin. “School of Origin” means the school that the child or youth attended when permanently housed or the school in which the child or youth was last enrolled.

Student Policies  
Homelessness

Policy on the Education of Students Experiencing

MPS shall also immediately enroll a youth experiencing homelessness who seeks to enroll in the Charter School if the youth is otherwise eligible to attend and subject to the Charter School's capacity and procedures stated in the MPS charter and Board policy. A youth experiencing homelessness who is enrolled will have the right to attend classes and participate fully in school activities, including extracurricular activities.

The student shall be immediately enrolled even if the student lacks records normally required for enrollment (such as previous academic records, records of immunizations, other required health records, proof of residency) or has missed application or enrollment deadlines during any period of homelessness. Records will immediately be requested from the previous school. (42 U.S.C. § 11432(g)(3)(C); Education Code Section 48850(a)(3)(A).)

If the student needs to obtain immunizations or does not possess immunization or other medical records, the Principal or designee shall refer the parent/guardian to the Charter School Liaison. The Charter School Liaison shall assist the parent/guardian in obtaining the necessary immunizations or records for the student. (42 U.S.C. § 11432(g)(3)(C).)

A student experiencing homelessness may remain in their school of origin for the entire period they are experiencing homelessness. Students have the right to remain in their school of origin even after their status changes as follows:

1. For students in Kindergarten through eighth grade, they will be allowed to continue in the school of origin through the duration of the academic year in which their status changed.
2. For students enrolled in high school, they will be allowed to continue in the school of origin through graduation.

If the Charter School operates an intersession program, it shall grant priority access to students experiencing homelessness. Notwithstanding any other law, if the student will be moving during an intersession period, the pupil's parent, guardian, educational rights holder (ERH), Indian custodian in the case of an Indian child, or, if none of the preceding are applicable, an unaccompanied youth themselves shall determine which school the pupil attends for the intersession period, if applicable. "Intersession program" means an expanded learning program offered by the Charter School on nonschool days, including, but not limited to, summer school. "Indian custodian" is as defined in Section 1903 of Title 25 of the United States Code.

#### **V. Enrollment Disputes**

If a dispute arises over admissions/enrollment, the student shall be immediately admitted (subject to Charter School's capacity and pursuant to the procedures stated in the Charter School charter and Board policy), pending final resolution of the dispute, including all available appeals. The parent/guardian shall be provided with a written explanation of the admission/enrollment decision, including an explanation of the parent/guardian's right to appeal the decision. The parent/guardian shall also be referred to the Charter School Liaison. The Charter School Liaison shall carry out the Board-adopted dispute resolution and complaint process as expeditiously as possible after receiving notice of the dispute. (42 U.S.C. § 11432(g)(3)(E).)

**VI. Housing Questionnaire**

MPS will administer a housing questionnaire to identify students experiencing homelessness. This questionnaire will adhere to best practices developed by the CDE. Annually, MPS will distribute the housing questionnaire to all parents/guardians of students and to all unaccompanied youths at MPS. The questionnaire will include an explanation of the rights and protections available to students experiencing homelessness or those identified as unaccompanied youth. It will be available in paper form and in the primary language spoken by at least fifteen percent (15%) of the students enrolled at MPS. Additionally, translations into other languages will be provided upon request by a student's parent/guardian or an unaccompanied youth. MPS will collect the completed housing questionnaires and report the number of students experiencing homelessness, as well as unaccompanied youth, to the CDE annually. (Education Code Section 48851.)

**VII. Comparable Services**

Each child or youth experiencing homelessness shall promptly be provided services comparable to services offered to other students in MPS such as (42 U.S.C. § 11432(g)(4)):

- Transportation services
- Educational services for which the child or youth meets eligibility criteria, such as educational programs for students with disabilities and educational programs for students with limited English proficiency
- Programs in vocational and technical education
- Programs for gifted and talented students
- Charter School nutrition programs

**VIII. Transportation**

In the event that MPS provides transportation services to all students, it will also offer comparable transportation services to each student experiencing homelessness. (42 U.S.C. § 11432(g)(4).)

If MPS does not provide transportation services to all students, it will ensure transportation is available for students experiencing homelessness to and from MPS, at the request of the parent/guardian or Charter School Liaison, if MPS is the student's school of origin. (42 U.S.C. § 11432(g)(1)(J).) The transportation provided will be adequate and appropriate for the student's situation, but MPS does not commit to a single method of transportation for all students.

MPS may collaborate with other agencies to provide transportation services.

**IX. Eligibility for Extracurricular Activities**

A child or youth experiencing homelessness shall be immediately deemed to meet all residency requirements for participation in interscholastic sports or other extracurricular activities.

**X. Waiver of Fees for Afterschool Programs**

The Charter School shall not charge any student experiencing homelessness any family fees associated with participation in an After-School Education and Safety ("ASES") Program operated by the Charter School.

**XI. Professional Development**

All MPS administrators, teachers, and staff will participate in comprehensive professional development to enhance their understanding and skills in identifying, supporting, and advocating for students experiencing homelessness, as mandated by 42 U.S.C. § 11433(d)(3). The Charter School Liaison will ensure that the required training is provided to school personnel at least annually through the CDE's verification system. (Education Code Section 48852.5(c)(2).)

Training will include:

1. **Legal Framework:** Detailed education on the rights of students experiencing homelessness under federal and state laws, focusing on the McKinney-Vento Act requirements.
2. **Identification and Support:** Strategies for identifying students experiencing homelessness and effectively connecting them to available services.
3. **Sensitivity Training:** Approaches to interact sensitively with students experiencing homelessness, recognizing the unique challenges they face.

All personnel will be trained to refer any identified or suspected students experiencing homelessness to the Charter School Liaison promptly to ensure immediate support and resource allocation.

**XII. High School Graduation Requirements**

Students experiencing homelessness who transfer to MPS after completing their second year of high school will be exempt from any of the Charter School's graduation requirements that exceed the California minimum graduation requirements specified in Education Code section 51225.3, unless MPS determines that the student can reasonably complete the Charter School's requirements by the end of their fourth year of high school.

To determine whether a student experiencing homelessness is in their third or fourth year of high school, the Charter School may use the number of credits earned, the length of school enrollment, or the student's age compared to the average age of students in the third or fourth year of high school, whichever qualifies the student for the exemption.

Within thirty (30) calendar days of a qualifying student's transfer to the Charter School, the school will notify the student, the student's Educational Rights Holder (ERH), and the Charter School Liaison of the exemption availability and qualification status.

The Charter School will consult with exempted students and their ERH, covering:

1. How waived requirements may affect the student's postsecondary education or vocational plans, including college admission prospects.
2. Other available options, such as a fifth year of high school, credit recovery, and transfer opportunities through California Community Colleges.
3. The student's academic data and any other relevant information to make an informed decision on accepting the exemption.

Student Policies  
Homelessness

Policy on the Education of Students Experiencing

The Charter School will not require any student who is entitled to remain at the school to accept the exemption from additional graduation requirements or deny them enrollment in or the ability to complete eligible courses. The Charter School will not revoke an exemption and will grant an eligible student's request for the exemption at any time if the student qualifies, regardless of prior declination.

If a student experiencing homelessness was eligible for an exemption and either 1) was not properly notified of the exemption's availability, or 2) previously declined the exemption pursuant to this policy, the Charter School shall grant the exemption within thirty (30) days of the request, if requested by the student or the student's ERH, and if the student previously qualified for the exemption, even if the student is no longer experiencing homelessness.

An eligible student's exemption from the Charter School's additional graduation requirements will continue to apply while the student is enrolled in the Charter School or if the student transfers to another school, even after the student no longer meets the definition of experiencing homelessness.

The Charter School shall not require or request that a student transfer schools to qualify for the exemption. Additionally, no student, parent/guardian, educational rights holder, social worker, or probation officer shall request a transfer solely to qualify for an exemption from the Charter School's additional graduation requirements.

If a student who is exempted from the Charter School's additional graduation requirements completes the California minimum coursework requirements specified in Education Code section 51225.3 before the end of their fourth year of high school and is otherwise entitled to remain at the Charter School, the Charter School shall not require or request that the student graduate before the end of their fourth year of high school.

If the Charter School determines that a student can reasonably complete the additional graduation requirements by the end of a fifth year, the Charter School shall:

1. Consult with the student and the ERH regarding the option to remain at the Charter School for a fifth year to complete the additional graduation requirements.
2. Discuss with the student and the ERH how remaining in school for a fifth year will affect the student's ability to gain admission to a postsecondary educational institution.
3. Provide information to the student about transfer opportunities available through the California Community Colleges.
4. Permit the student to stay at the Charter School for a fifth year to complete the graduation requirements upon agreement with the student, if 18 years or older, or with the ERH if the student is under 18.
5. Consult with the student and the ERH regarding the option to remain in the school of origin.

Through January 1, 2028, **if a student experiencing homelessness is found to be unable to complete the Charter School's additional graduation requirements but can reasonably complete the state coursework requirements specified in Education Code Section 51225.3** within a fifth year of high school, the Principal or designee shall exempt the student from the Charter School's graduation requirements. The student will then have the option to remain in school for a fifth year

Student Policies  
Homelessness

Policy on the Education of Students Experiencing

to complete the statewide coursework requirements. The Charter School will consult with the student and the Educational Rights Holder (ERH) regarding:

1. The option to remain in school for a fifth year to complete the statewide coursework requirements.
2. How waiving the local educational requirements and remaining in school for a fifth year may affect the student's postsecondary education or vocational plans, including college admission opportunities.
3. Any other available options, such as credit recovery and transfer opportunities through California Community Colleges.
4. The student's academic data and other relevant information to make an informed decision on whether to accept the exemption and remain in school for a fifth year to complete the statewide coursework requirements.

If a student experiencing homelessness is not eligible for an exemption during the year they transfer schools, because the Charter School determines they can complete the additional graduation requirements by the end of their fourth year, the Charter School shall:

1. Within the first 30 calendar days of the following academic year, reevaluate the student's eligibility.
2. Provide written notice to the student, the ERH, and, if applicable, the student's social worker or probation officer, indicating whether the student qualifies for an exemption upon reevaluation, based on their course completion status.
3. If the student is not reasonably able to complete the additional graduation requirements by the end of their fourth year, provide written notice to the student and the ERH of the following options: i. Receive an exemption from all additional coursework and requirements beyond the statewide coursework requirements specified in Section 51225.3, or ii. Upon agreement with the ERH, remain in school for a fifth year to complete the additional graduation requirements.

The student (if not a minor) or the ERH shall have the sole discretion to accept the exemption, based on the student's best educational interests.

### **XIII. Reporting Requirements**

The Charter School shall annually report to the California Department of Education (CDE) the number of students who, during the prior school year, graduated with an exemption from the Charter School's additional graduation requirements beyond the statewide coursework requirements. This data shall include students graduating in the fourth and fifth year cohorts and be disaggregated by cohort, student category, race, and disability status. The CDE shall make this data publicly available on an annual basis, aligned with other reporting timelines for the California dashboard graduation data.

### **XIV. Acceptance of Course Work**

The Charter School will accept any coursework satisfactorily completed by a student experiencing homelessness at any public school, juvenile court school, school in a country other than the United States, and/or a nonpublic, nonsectarian school or agency.

The Charter School will provide credit for the partial completion of courses taken by a student experiencing homelessness at these institutions. If the student did not complete the entire course, the Charter School will not require the student to retake the portion of the course they have already completed unless, in consultation with the holder of educational rights, it is determined that the student can reasonably complete

Student Policies  
Homelessness

Policy on the Education of Students Experiencing

the requirements in time to graduate from high school. When partial credit is awarded for a course, the student will be enrolled in the same or equivalent course, if applicable, to continue and complete the entire course. These students will not be prevented from taking or retaking a course to meet California State University or University of California admission eligibility requirements.

**XV. Notice**

For any student experiencing homelessness who seeks enrollment at the Charter School, written notice will be provided to the parent/guardian at the time of enrollment and at least annually while the student is enrolled, in alignment with legal requirements.

**XVI. Annual Policy Review**

The Charter School shall annually review and revise any policies that may act as barriers to identifying and enrolling students experiencing homelessness. In this process, consideration will be given to issues such as transportation, immunization, residency, birth certificates, school records, other documentation, and guardianship. Special attention will be directed towards ensuring the identification, enrollment, and attendance of students experiencing homelessness who are not currently attending school. MPS will use resources developed by the CDE and posted on the CDE's website, as well as resources from homeless education technical assistance centers funded by the American Rescue Plan Act of 2021, to guide the review of its homeless education program policies.

**XVII. School Website Posting**

MPS shall ensure that the following information is posted, and updated as necessary, on its internet website:

- The name and contact information of the Charter School Liaison(s) for students experiencing homelessness.
- The contact information of any employee or contractor that assists the Charter School Liaison in completing the Liaison's duties.
- Specific information regarding the educational rights and resources available to persons experiencing homelessness.

**XVIII. Complaints of Noncompliance**

A complaint of noncompliance with any of the requirements outlined above may be filed through the Charter School's Uniform Complaint Procedures. A copy of the Uniform Complaint Policy and Procedures is available upon request at the main office.

## Approval of 2024-25 MPS Employee Handbook

**Section:** IV. Action Items  
**Item:** I. Approval of 2024-25 MPS Employee Handbook  
**Purpose:** Vote  
**Submitted by:**  
**Related Material:** IV\_I\_2024-2025 MPS Employee Handbook.pdf

Agenda Item:	IV I: Action Item
Date:	June 17, 2024
To:	Magnolia Educational & Research Foundation dba Magnolia Public Schools (“MPS”) Board of Directors (the “Board”)
From:	Alfredo Rubalcava, CEO & Superintendent
Staff Lead(s):	Fiorella Del Carpio, Chief People Officer
RE:	Approval of 2024-25 MPS Employee Handbook

**1. Action Proposed:**

I move that the Board approve the 2024-25 Employee Handbook as presented with an effective date of July 1, 2024.

**2. Background:**

The MPS HR Department worked with legal counsel, Young Minney and Corr (“YM&C”) to revise the handbook to be compliant with labor codes and regulations.

**3. Analysis:**

Below are the summary of changes in the employee handbook.

- Criminal background checks: if an employee is convicted, they must report within one workday of release to the supervisor.
- Immigration Compliance: If a search of employee records is authorized by a valid subpoena or judicial warrant, the School will give employees notice of the inspection both before and after it has occurred as required by law.
- Professional Boundaries with Social Media: Employees must not discuss or share information about, or images of, students on social media.
- Dispute resolution through Arbitration Agreement: Employees of MPS agree, as a condition of employment, to resolve workplace concerns internally to the extent possible, and through binding and mandatory arbitration where it cannot be handled internally.
- Drug and alcohol free workplace: Employees involved in an accident or injury in relation to their work may be subject to mandatory drug or alcohol testing. If MPS assigns post-incident drug or alcohol testing, the employee must agree to submit to the testing for the safety of the workplace, or they may be subject to discipline for failing to comply with a necessary safety protocol.
- Use of school communication equipment and technology: Employees are prohibited from forwarding files, emails, or school owned resources to their personal email accounts or outside the MPS network for non-School use.
- Make up time: Employees who are called to work on a scheduled day off, such as a holiday, may be provided a makeup day off during the same workweek, schedule permitting and with supervisor approval.
- Prohibited Conduct: MPS’s commitment to our students is to surround them with committed advocates. Employees who are not committed to carrying out MPS’s school mission, or who behave in a manner that is contrary to the goals of the School, may be deemed not a good fit for MPS and released from at-will employment on that basis.

- Personal appearance: Apparel of a controversial nature which is likely to be divisive or disruptive to students or interfere with MPS's neutral viewpoint work environment.
- Updated holiday/break dates
- Increase sick leave rate from \$150 to \$250 per day
- Pay during leave: If the employee's leave coincides with a paid holiday, the employee must have returned to work prior to the start of the paid holiday to be eligible for holiday pay.

4. **Budget Implications:**

The fiscal impact to the changes noted have been incorporated into the 2024-25 Adopted Budget that will be presented to the Board on June 17, 2024.

5. **Exhibits:**

- Appendix 1: Updated 2023-24 MPS Employee Handbook (clean)

# **EMPLOYEE HANDBOOK**

## **2024-2025**

## ACKNOWLEDGMENT OF RECEIPT OF EMPLOYEE HANDBOOK

PLEASE READ THE EMPLOYEE HANDBOOK AND SUBMIT A SIGNED COPY OF THIS STATEMENT TO THE PRINCIPAL.
EMPLOYEE NAME: _____
I ACKNOWLEDGE that I have received a copy of the Employee Handbook. I have read and understood the contents of the Handbook, and I agree to abide by its directions and procedures. I have been given the opportunity to ask any questions I might have about the policies in the Handbook. I understand that it is my responsibility to read and familiarize myself with the policies and procedures contained in the Handbook. I also understand that if I am ever unclear on any language, or policies and procedures in this Handbook, it is my responsibility to seek clarification from the School.
I understand that the statements contained in the Handbook are guidelines for employees concerning some of the School's policies and benefits and are not intended to create any contractual or other legal obligations or to alter the at-will nature of my employment with the School. In the event I do have an employment contract which expressly alters the at-will relationship, I agree to the foregoing except with reference to an at-will employment status.
I understand that except for employment at-will status, any and all policies or practices can be changed at any time by the School.
I understand that other than the CEO or the CEO designee, no person has authority to enter into any agreement, express or implied, for employment for any specific period of time, or to make any agreement for employment other than at-will. Only the CEO has the authority to make any such agreement and then only in writing.
Employee's Signature: _____ Date: _____

**Please review this Handbook carefully and acknowledge your receipt and understanding of it in Human Resources Information System.**

## Magnolia Public Schools

### The Vision

Graduates of Magnolia Public Schools ("MPS") are scientific thinkers who contribute to the global community as socially responsible and educated members of society.

### The Mission

MPS provides a college preparatory educational program emphasizing science, technology, engineering, arts, and math (STEAM) in a safe environment that cultivates respect for self and others.

### Core Values

MPS has identified the following core values which are reinforced through its Life Skills curriculum, student learning outcomes (SLOs), and all school activities:

- Excellence
- Innovation
- Connection

## INTRODUCTION

This Handbook summarizes the Magnolia Public Schools' (hereinafter referred to as "MPS" or "School") personnel policies applicable to all employees. Please review these policies carefully. If employees have any questions about the policies outlined in this Handbook, or if they have any other personnel related questions, whether related to policies specifically addressed in this Handbook or not, please consult the **MPS Home Office ("MERF") Human Resources Department**.

This Handbook is intended only as a guide to the School's personnel policies, outlining and highlighting those policies and practices. It is not, therefore, intended to create any expectations of continued employment, or an employment contract, express or implied. This Handbook supersedes any previously issued handbooks, policies, benefit statements and/or memoranda, whether written or verbal, including those that are inconsistent with the policies described herein.

With the exception of the at-will employment status of its employees, the School reserves the right to alter, modify, amend, delete and/or supplement any employment policy or practice (including, but not limited to, areas involving hiring policies and procedures, general workplace policies, hours of work, overtime and attendance, standards of conduct, employee benefits, employment evaluation and separation) with or without notice to you. Only **the Chief Executive Officer ("CEO") of MPS**, with the express written approval of the Board of Directors, may alter the at-will employment status of any of its employees.

After reviewing this Handbook, please e-sign the employee acknowledgement form **in the Human Resource Management System Employee Self Service Portal**. This signed acknowledgement demonstrates to the School that the employee has read, understood and agrees to comply with the policies outlined in the Handbook.

## CONDITIONS OF EMPLOYMENT

### Equal Employment Opportunity Policy

MPS is an equal opportunity employer. It is the policy of the School to afford equal employment and advancement opportunity to all qualified individuals without regard to:

- Race (including traits historically associated with race, such as hair texture and hairstyle, including but not limited to braids, locks, and twists);
- Color;
- Gender (including gender identity, gender expression, and transgender identity, whether or not the employee is transitioning or has transitioned);
- Sex (including pregnancy, childbirth, breastfeeding, and medical conditions related to such);
- Sex stereotype (including reproductive health decision making, an assumption about a person's appearance or behavior, gender roles, gender expression, or gender identity, or about an individual's ability or inability to perform certain kinds of work based on a myth, social expectation, or generalization about the individual's sex);
- Religious creed (including religious dress and grooming practices);
- Marital/registered domestic partner status;
- Age (forty (40) and over);
- National origin or ancestry (including native language spoken and possession of a driver's license issued to persons unable to prove their presence in the U.S. is authorized by federal law);
- Physical or mental disability (including HIV and AIDS);
- Medical condition (including cancer and genetic characteristics);
- Taking of a leave of absence pursuant to the Family Medical Leave Act ("FMLA"), Pregnancy Disability Leave ("PDL") law, Americans with Disabilities Act ("ADA"), California Family Rights Act ("CFRA"), or the Fair Employment and Housing Act ("FEHA"), or laws related to domestic violence, sexual assault and stalking;
- Genetic information;
- Sexual orientation;
- Military and veteran status; or
- Any other consideration made unlawful by federal, state, or local laws.

This policy extends to all job applicants and employees and to all aspects of the employment relationship, including the hiring of new employees and the training, transfer, promotion, discipline, termination, compensation and benefits of existing employees.

To comply with applicable laws ensuring equal employment opportunities to qualified individuals with a disability, the School will make reasonable accommodations for the known physical or mental limitations of an otherwise qualified individual with a disability who is an applicant or an employee unless undue hardship would result.

Any applicant or employee who requires an accommodation in order to perform the essential functions of the job should contact a School representative with day-to-day personnel responsibilities and request such an accommodation. The individual with the disability should specify what accommodation he or she needs to perform the job, or if unknown, what job duties the disability impairs. MPS will then conduct an investigation to identify the barriers that interfere

with the equal opportunity of the applicant or employee to perform the job. MPS will identify possible accommodations, if any, that will help eliminate the limitation. If the accommodation is reasonable and will not impose an undue hardship, the School will make the accommodation.

### At-Will Employment

Except if stated expressly otherwise by employment contract, it is the policy of the School that all employees are considered "at-will" employees of the School. Accordingly, either the School or the employee can terminate this relationship at any time, for any reason, with or without cause, and with or without advance notice.

Nothing contained in this Handbook, employment applications, School memoranda or other materials provided to employees in connection with their employment shall require the School to have "cause" to terminate an employee or otherwise restrict the School's right to release an employee from their at-will employment with the School. Statements of specific grounds for termination set forth in this Handbook or elsewhere are not all-inclusive and are not intended to restrict the School's right to terminate at-will. No School representative, other than the Board of Directors or its designee, is authorized to modify this policy for any employee or to make any representations to employees or applicants concerning the terms or conditions of employment with the School that are not consistent with the School's policy regarding "at-will" employment.

This policy shall not be modified by any statements contained in this Handbook or employee applications, School memoranda, or any other materials provided to employees in connection with their employment. Further, none of those documents, whether singly or combined, or any employment practices shall create an express or implied contract of employment for a definite period, nor an express or implied contract concerning any terms or conditions of employment.

### Child Abuse and Neglect Reporting

California Penal Code section 11166 requires any child care custodian who has knowledge of, or observes, a child in his or her professional capacity or within the scope of his or her employment whom he or she knows or reasonably suspects has been the victim of child abuse to report the known or suspected instance of child abuse to a child protective agency immediately, or as soon as practically possible, by telephone and to prepare and send a written report thereof within thirty-six (36) hours of receiving the information concerning the incident.

Reporting the information regarding a case of possible child abuse or neglect to your supervisor, the School principal, a School counselor, coworker or other person shall not be a substitute for making a mandated report to Child Protective Services or law enforcement.

MPS will provide annual training on the mandated reporting requirements, using the online training module provided by MPS, to employees who are mandated reporters. Mandated reporter training will also be provided to employees hired during the course of the school year. This training will include information that failure to report an incident of known or reasonably suspected child abuse or neglect, as required by Penal Code section 11166, is a misdemeanor punishable by up to six (6) months confinement in a county jail, or by a fine of one-thousand dollars (\$1,000), or by both.

All employees required to receive mandated reporter training must provide proof of completing the training within the first six (6) weeks of each school year or within the first six (6) weeks of employment.

By acknowledging receipt of this Handbook, the employee acknowledges he/she is a child care custodian and is certifying that he/she has knowledge of California Penal Code section 11166 and will comply with its provisions.

### Criminal Background Checks

As required by law, all individuals working or volunteering at the School will be required to submit to a criminal background investigation. No condition or activity will be permitted that may compromise the School's commitment to the safety and the well-being of students taking precedence over all other considerations. Conditions that preclude working at the School include conviction of a controlled substance or sex offense, or a serious or violent felony. Similarly, convictions involving crimes of moral turpitude (e.g., fraud), child abuse or neglect, violence, or any offense which may make the employee unsuitable/undesirable to work around students may also serve as a bar to employment at the School. Additionally, should an employee be arrested for, charged with, or convicted of any offense during his/her employment with the School, the employee must report within one workday of release to the Principal.

### Tuberculosis Testing

All prospective employees and continuing employees must provide proof of clearance from active tuberculosis (TB) from a healthcare provider. Applicants must provide proof in the form of a clear TB test, skin test, or chest x-ray of the lungs. Returning employees of the School may submit a Risk Assessment Form signed off on by their healthcare provider, or any of the options approved for new hire employees. However, if a Risk Assessment Form is used by the employee and TB risk factors are identified, a physician must conduct an examination to determine whether the employee is free of infectious TB.

The examination for TB consists of an approved TB test, which, if positive will be followed by an x-ray of the lungs, or in the absence of skin testing, an x-ray of the lungs. All employees will be required to undergo TB risk assessments and, if risk factors are found, the examination at least once every four (4) years. Volunteers may be required to undergo a TB examination as necessary. The TB risk assessment and, if indicated, the examination is a condition of initial and continuing employment with the School.

Food handlers may be required to have annual TB exams. Documentation of employee and volunteer compliance with TB risk assessments and examinations will be kept on file in the office. This requirement also includes contract food handlers, substitute teachers, and student teachers serving under the supervision of an educator. Any entity providing student services to the School will be contractually required to ensure that all contract workers have had TB testing that shows them to be free of active TB prior to conducting work with School students.

The employee will not be required to submit a new TB exam if the employee can produce a current certificate showing they were found free of infectious tuberculosis within sixty (60) days of initial hire. The cost of the examination required of existing and new-hire employees shall be a reimbursable expense. Employees should follow the [MPS Purchase Policies & Procedures Manual](#) while making their reimbursement requests.

The [County Health Department](#) may provide skin testing to employees at regular intervals at no cost to the employee. The availability of this testing may be announced by the School. Failure to maintain current TB test results may result in placement on inactive status for failure to meet the minimum conditions of employment, or disciplinary action, up to and including release from at-will employment.

### Immigration Compliance

MPS will comply with applicable immigration law, including the Immigration Reform and Control Act of 1986 and the Immigration Act of 1990. As a condition of employment, every individual must provide satisfactory evidence of his or her identity and legal authority to work in the United States. However, MPS will not check the employment authorization status of current employees or applicants who were not offered positions with the School unless required to do so by law.

The School shall not discharge an employee or in any manner discriminate, retaliate, or take any adverse action (e.g., threatening to report the suspected citizenship or immigration status of an employee or a member of the employee's family) against any employee or applicant for employment because the employee or applicant exercised a right protected under applicable law. Further, the School shall not discriminate against any individual because he or she holds or presents a driver's license issued per Vehicle Code § 12801.9 to persons who have not established their federally-authorized presence in the United States. Finally, in compliance with the Immigrant Worker Protection Act, the School shall not allow a federal immigration enforcement agent to enter any nonpublic areas of the School without a judicial warrant, or voluntarily give consent to an agent to access, review or obtain employee records without a subpoena or judicial warrant. **If a search of employee records is authorized by a valid subpoena or judicial warrant, the School will give employees notice of the inspection both before and after it has occurred as required by law.**

If the employee has any questions or needs more information on immigration compliance issues, they should contact the Principal.

### Professional Boundaries: Staff/Student Interaction Policy

MPS recognizes its responsibility to establish and enforce **all rules and regulations governing student and employee behavior to create a safe, inclusive,** and most learning-conducive environment possible.

#### Corporal Punishment:

Corporal punishment shall not be used as a disciplinary measure against any student. Corporal punishment includes the willful infliction of, or willfully causing the infliction of, physical pain on a student.

For purposes of this policy, corporal punishment does not include an employee's use of force that is reasonable and necessary to protect the employee, students, staff or other persons or to prevent damage to property.

For clarification purposes, the following examples are offered for direction and guidance of School personnel:

Examples of PERMITTED actions (NOT corporal punishment):

- Restraining a student from fighting with another student;
- Preventing a pupil from committing an act of vandalism;
- Defending yourself from physical injury or assault by a student;
- Forcing a pupil to give up a weapon or dangerous object;
- Requiring an athletic team to participate in strenuous physical training activities designed to strengthen or condition team members or improve their coordination, agility, or physical skills;
- Engaging in group calisthenics, team drills, or other physical education or voluntary recreational activities.

Examples of PROHIBITED actions (corporal punishment):

- Hitting, shoving, pushing, or physically restraining a student as a means of control;
- Making unruly students do push-ups, run laps, or perform other physical acts that cause pain or discomfort as a form of punishment;
- Paddling, swatting, slapping, grabbing, pinching, kicking, or otherwise causing physical pain.

Acceptable and Unacceptable Staff/Student Behavior:

This policy is intended to guide all School faculty and staff in conducting themselves in a way that reflects the high standards of behavior and professionalism required of school employees and to specify the boundaries between students and staff.

Although this policy gives specific, clear direction, it is each staff member's obligation to avoid situations that could prompt suspicion by parents, students, colleagues, or school leaders. One viable standard that can be quickly applied, when the employee is unsure if certain conduct is acceptable, is to ask, "Would I be engaged in this conduct if my family or colleagues, including someone from my HR Department, were standing next to me?"

For the purposes of this policy, the term "boundaries" is defined as acceptable professional behavior by staff members while interacting with a student. Trespassing the boundaries of a student/teacher relationship is deemed an abuse of power and a betrayal of public trust.

Some activities may seem innocent from a staff member's perspective but can be perceived as flirtation or sexual insinuation from a student or parent point of view. The objective of the following lists of acceptable and unacceptable behaviors is not to restrain innocent, positive relationships between staff and students, but to prevent relationships that could lead to, or may be perceived as, sexual misconduct.

Staff must understand their own responsibility for ensuring that they do not cross the boundaries as written in this policy. Disagreeing with the wording or intent of the established boundaries will be considered irrelevant for disciplinary purposes. Thus, it is crucial that all employees learn this policy thoroughly and apply the lists of acceptable and unacceptable behaviors to their daily activities. Although sincere, competent interaction with students certainly fosters learning, student/staff interactions must have boundaries surrounding potential activities, locations and intentions.

### Professional Boundaries with Social Media

Employees are at particular risk of a professional boundaries violation when interacting with students on social media. Employees must not discuss or share information about, or images of, students on social media.

### Duty to Report Suspected Misconduct

When any employee reasonably suspects or believes that another staff member may have crossed the boundaries specified in this policy, he or she must immediately report the matter to a school administrator. All reports shall be as confidential as possible under the circumstances. It is the duty of the administrator to investigate and thoroughly report the situation. Employees must also report to the administration any awareness or concern of student behavior that crosses boundaries or where a student appears to be at risk for sexual abuse.

### Examples of Specific Behaviors

The following examples are not an exhaustive list:

#### Unacceptable Staff/Student Behaviors (Violations of this Policy):

- Giving gifts to an individual student that are of a personal and intimate nature;
- Kissing of any kind;
- Any type of unnecessary physical contact with a student in a private situation;
- Intentionally being alone with a student away from the school;
- Making or participating in sexually inappropriate comments;
- Sexual jokes;
- Seeking emotional involvement with a student for your benefit;
- Listening to or telling stories that are sexually oriented;
- Discussing inappropriate personal troubles or intimate issues with a student in an attempt to gain their support and understanding;
- Becoming involved with a student so that a reasonable person may suspect inappropriate behavior;
- Insulting students, calling students names, using swear words, or making intimidating gestures or comments.

#### Unacceptable Staff/Student Behaviors without Parent and Supervisor Permission:

(These behaviors should only be exercised when a staff member has parent and supervisor permission.)

- Giving students a ride to/from school or school activities;
- Being alone in a room with a student at school with the door closed;
- Allowing students in your home.
- Giving students a ride to/from school or school activities;
- Being alone in a room with a student at school with the door closed;
- Allowing students in your home.

Cautionary Staff/Student Behaviors:

**(These behaviors should only be exercised when a reasonable and prudent person, acting as an educator, is prevented from using a better practice or behavior. Staff members should inform their supervisor of the circumstance and occurrence prior to or immediately after the occurrence).**

- Remarks about the physical attributes or development of anyone
- Excessive attention toward a particular student;
- Sending emails, text messages or letters to students if the content is not about school activities.

Acceptable and Recommended Staff/Student Behaviors:

- Getting parents' written consent for any after-school activity;
- Obtaining formal approval to take students off school property for activities such as field trips or competitions;
- Emails, text, phone and instant messages to students must be very professional and pertaining to school activities or classes (Communication should be limited to school technology);
- Keeping the door open when alone with a student;
- Keeping reasonable space between you and your students;
- Stopping and correcting students if they cross your own personal boundaries;
- Keeping parents informed when a significant issue develops about a student;
- Keeping after-class discussions with a student professional and brief;
- Asking for advice from fellow staff or administrators if you find yourself in a difficult situation related to boundaries;
- Involving your supervisor if a conflict arises with a student;
- Informing the Superintendent about situations that have the potential to become more severe;
- Making detailed notes about an incident that could evolve into a more serious situation later;
- Recognizing the responsibility to stop unacceptable behavior of students or coworkers;
- Asking another staff member to be present if you will be alone with any type of special needs student;
- Asking another staff member to be present when you must be alone with a student after regular school hours;
- Giving students praise and recognition without touching them;
- Pats on the back, high fives and handshakes are acceptable;
- Keeping your professional conduct, a high priority.

### ***Certification and Licensure of Instructional Staff***

All teachers are required to hold a current California teaching credential, certificate, permit or other document equivalent to that which a teacher in other public schools would be required to hold. MPS complies with all requirements of the authorizers regarding the certification and licensure of instructional staff. Paraprofessional staff may also be required to provide documentation proving that they meet the requirements for paraprofessional staff. It is the responsibility and a condition of continued employment for all instructional staff, including teachers and paraprofessionals to provide any necessary licensure to a **direct supervisor** no later than the close of business prior to the first day the employee reports for duty. If an instructional staff employee believes that he or she is assigned to teach in a subject in which he or she does not have subject matter competence, the employee should immediately report the same to **his or her direct supervisor**. Staff who are required to possess state and federal certification, expertise, and related requirements must timely maintain such qualifications as a condition of employment at the School. Failure to maintain the appropriate credential/certification required of the position may result in disciplinary action, up to and including release from at-will employment.

### **Policy Prohibiting Unlawful Harassment, Discrimination and Retaliation**

MPS is committed to providing a work and educational atmosphere that is free of unlawful harassment, discrimination, and retaliation. MPS's policy prohibits unlawful harassment, discrimination, and retaliation based upon: race (including traits historically associated with race, such as hair texture and hairstyle, including but not limited to braids, locks, and twists); color; gender (including gender identity, gender expression, and transgender identity, whether or not the employee is transitioning or has transitioned); sex (including reproductive health decision making, pregnancy, childbirth, breastfeeding, and related medical conditions); sex stereotype (including an assumption about a person's appearance or behavior, gender roles, gender expression, or gender identity, or about an individual's ability or inability to perform certain kinds of work based on a myth, social expectation, or generalization about the individual's sex); religious creed (including religious dress and grooming practices); marital/registered domestic partner status; age (forty (40) and over); national origin or ancestry (including native language spoken and possession of a driver's license issued to persons unable to prove their presence in the U.S. is authorized by federal law); physical or mental disability (including HIV and AIDS); medical condition (including cancer and genetic characteristics); taking a leave of absence authorized by law; genetic information; sexual orientation; military and veteran status; or any other consideration made unlawful by federal, state, or local laws.

Employees, volunteers, unpaid interns, individuals in apprenticeship programs, and independent contractors shall not be harassed, discriminated, or retaliated against by the School, based upon the characteristics noted above. These individuals are entitled to bring a complaint to the School under this policy.

MPS does not condone and will not tolerate unlawful harassment, discrimination, or retaliation on the part of any employee (including supervisors and managers) or third party (including independent contractors or other person with which the School does business). Supervisors and managers are to forward any complaints of unlawful harassment to their Supervisor or designee.

When MPS receives allegations of unlawful harassment, discrimination, or retaliation, the Board (if a complaint is about the CEO), the Principal (if the complaint is about a school site employee), or the CEO or designee (if the complaint is about a Home Office employee), will review the allegations,

the facts, and circumstances, and may conduct an investigation if appropriate. Any investigation must be fair, timely and thorough and provide all parties an appropriate process and reach reasonable conclusions based on the evidence collected. The investigation will be handled in as confidential a manner as possible, although complete confidentiality cannot be guaranteed. Complainants and witnesses shall not be subject to retaliation for making complaints in good faith or participating in an investigation. MPS is committed to remediating any instances where investigation findings demonstrate unlawful harassment, discrimination, or retaliation has occurred.

#### Prohibited Unlawful Harassment

- Verbal conduct such as epithets, derogatory jokes or comments or slurs;
- Physical conduct including assault, unwanted touching, intentionally blocking normal movement, or interfering with work because of sex, race or any other protected basis;
- Retaliation for reporting or threatening to report harassment; or
- Disparate treatment based on any of the protected classes above.

#### Prohibited Unlawful Sexual Harassment

MPS is committed to providing a workplace free of sexual harassment and considers such harassment to be a major offense, which may result in disciplinary action, up to, and including dismissal, of the offending employee.

Sexual harassment consists of sexual advances, request for sexual favors and other verbal or physical conduct of a sexual nature, regardless of whether or not the conduct is motivated by sexual desire, when: (1) submission to the conduct is either made explicitly or implicitly a term or condition of an individual's employment; (2) an employment decision is based upon an individual's acceptance or rejection of that conduct; and/or (3) that conduct interferes with an individual's work performance or creates an intimidating, hostile or offensive working environment.

It is also unlawful to retaliate in any way against an employee who has articulated a good faith concern about sexual harassment against him or her or against another individual.

All employees will receive two (2) hours of sexual harassment prevention training within six (6) weeks of hire. Additionally, all returning employees will receive sexual harassment prevention training within six (6) weeks of the new school year. Such training will address all legally required topics, including information about the negative effects that abusive conduct has on both the victim of the conduct and others in the workplace, as well as methods to prevent abusive conduct undertaken with malice a reasonable person would find hostile, offensive, and unrelated to an employer's legitimate business interests. Abusive conduct includes but is not limited to repeated infliction of verbal abuse, such as the use of derogatory remarks, insults, and epithets, verbal or physical conduct that a reasonable person would find threatening, intimidating, or humiliating, or the gratuitous sabotage or undermining of a person's work performance. Supervisors shall also be trained on how to appropriately respond when the supervisor becomes aware that an employee is the target of unlawful harassment. Other staff will receive sexual harassment prevention training as required by law.

Sexual harassment may include, but is not limited to:

- Physical assaults of a sexual nature, such as:
  - Rape, sexual battery, molestation or attempts to commit these assaults and
  - Intentional physical conduct that is sexual in nature, such as touching, pinching, patting, grabbing, brushing against another's body, or poking another's body.
- Unwanted sexual advances, propositions or other sexual comments, such as:
  - Sexually oriented gestures, notices, remarks, jokes, or comments about a person's sexuality or sexual experience.
  - Preferential treatment or promises of preferential treatment to an employee for submitting to sexual conduct, including soliciting or attempting to solicit any employee to engage in sexual activity for compensation or reward or disparate treatment for rejecting sexual conduct.
  - Subjecting or threats of subjecting an employee to unwelcome sexual attention or conduct or intentionally making performance of the employee's job more difficult because of the employee's sex.
- Sexual or discriminatory displays or publications anywhere at the workplace by employees, such as:
  - Displaying pictures, cartoons, posters, calendars, graffiti, objections, promotional materials, reading materials, or other materials that are sexually suggestive, sexually demeaning or pornographic or bringing to work or possessing any such material to read, display or view at work;
  - Publicly reading, **viewing**, or otherwise publicizing in the work environment materials that are in any way sexually revealing, sexually suggestive, sexually demeaning or pornographic; and
  - Displaying signs or other materials purporting to segregate an employee by sex in an area of the workplace (other than restrooms or similar rooms).

The illustrations of harassment and sexual harassment above are not to be construed as an all-inclusive list of prohibited acts under this policy. Moreover, please note that while in most situations a personal relationship is a private matter, these relationships are not appropriate in a professional setting, particularly where one of the parties has management or supervisory responsibilities. As such, consensual relationships in the workplace may violate MPS policy.

### Reporting

Each employee has the responsibility to maintain a workplace free from any form of sexual harassment, discrimination, and retaliation. Consequently, should any individual, in particular those with supervisory responsibilities, become aware of any conduct that may constitute a violation of this policy or any other prohibited behavior, they must take immediate action to address such conduct. Any employee who believes they have been harassed, discriminated against, or retaliated against, or who has witnessed such conduct, is encouraged to immediately report it to the Principal, the CEO, or the Board, as indicated above. See **Appendix A** for the "Harassment / Discrimination / Retaliation Complaint Form." See **Appendix B** for the general "Internal Complaint Form." See the MPS website for the "Title IX Complaint Policy."

## Dispute Resolution through Arbitration

Employees of MPS agree, as a condition of employment, to resolve workplace concerns internally to the extent possible, and through binding and mandatory arbitration where it cannot be handled internally. See **Appendix C** for the "Arbitration Agreement."

## Whistleblower Policy

MPS requires its directors, officers, employees, and volunteers to observe high standards of ethics in the conduct of their duties and responsibilities within the School. As representatives of the School, such individuals must practice honesty and integrity in fulfilling all responsibilities and must comply with all applicable laws and regulations. The purpose of this policy is to create an ethical and open work environment, to ensure that the School has a governance and accountability structure that supports its mission, and to encourage and enable directors, officers, employees, and volunteers of the School to raise serious concerns about the occurrence of illegal or unethical actions within the School before turning to outside parties for resolution.

All directors, officers, employees, and volunteers of the School have a responsibility to report any action or suspected action taken within the School that is illegal, unethical or violates any adopted policy of the School, or local rule or regulation to their direct supervisor or to the MPS HR Department if the concern is about the Supervisor. If the concern is being brought by a non-employee, it should be reported to the school site Principal. Anyone reporting a violation must act in good faith, without malice to the School or any individual at the School and have reasonable grounds for believing that the information shared in the report indicates that a violation has occurred. A person who makes a report does not have to prove that a violation has occurred. However, any report which the reporter has made maliciously or any report which the reporter has good reason to believe is false will be viewed as a serious disciplinary offense. No one who in good faith reports a violation, or who, in good faith, cooperates in the investigation of a violation shall suffer harassment, retaliation, or adverse employment action. Further, no one who in good faith discloses, who may disclose, or who the School believes disclosed or may disclose, information regarding alleged violations to a person with authority over the employee or another employee who had responsibility for investigating, discovering or correcting the purported violation shall suffer harassment, retaliation, or adverse employment action.

## Drug- and Alcohol-Free Workplace

MPS is committed to providing a drug and alcohol-free workplace and to promoting safety in the workplace, employee health and well-being, stakeholder confidence and a work environment that is conducive to attaining high work standards. The use of drugs and alcohol by employees, whether on or off the job, volunteers, and independent contractors, jeopardizes these goals, since it adversely affects health and safety, security, productivity, and public confidence and trust. Drug or alcohol use in the workplace or during the performance of job duties is extremely harmful to employees and to other MPS stakeholders.

The bringing to the workplace, possession or use of intoxicating beverages or drugs on any School premises or during the performance of work duties is prohibited and will result in disciplinary action up to and including termination.

Employees involved in an accident or injury in relation to their work may be subject to mandatory drug or alcohol testing. If MPS assigns post-incident drug or alcohol testing, the employee must agree to submit to the testing for the safety of the workplace, or they may be subject to discipline for falling to comply with a necessary safety protocol.

### Confidential Information

All personnel information and information relating to students, including personal information, schools attended, addresses, contact numbers and progress information is confidential in nature, and may not be shared with or distributed to unauthorized parties or email addresses (including a private employee email). All records concerning special education pupils shall be kept strictly confidential and maintained in separate files. Failure to maintain confidentiality may result in disciplinary action, up to and including release from at-will employment.

Employees at the worksite and teleworking must ensure confidential information is maintained in a secure location restricted from access by unauthorized third-parties.

### Conflict of Interest

All employees must avoid situations involving actual or potential conflict of interest. An employee involved in any relationships or situations which may constitute a conflict of interest, should immediately and fully disclose the relevant circumstances to his or her immediate supervisor, or any other appropriate supervisor, for a determination about whether a potential or actual conflict exists. If an actual or potential conflict is determined, the School may take whatever corrective action appears appropriate according to the circumstances. Failure to disclose facts related to a potential or actual conflict of interest shall constitute grounds for disciplinary action.

### Relationships between Employees

While the School's policies do not permit discrimination based on an individual's marital status, the individual's relations to another School employee or his or her lawful off duty conduct, some situations can create conflicts of interest requiring the School to take the employee's relationship with another employee into account.

An employee should not be in a supervisory role with another employee who is a relative (i.e., sibling, parent, spouse, domestic partner, etc.). Supervisors should avoid situations that result in actual or perceived conflicts of interest with supervised employees and avoid situations of favoritism.

A supervisor should avoid forming special social relationships or dating employees under his or her direct supervision, or with other employees that would create actual or perceived conflicts of interest and situations of favoritism. If such relationship arises, both employees should notify the School so that appropriate measures can be taken to prevent actual or perceived conflicts of interest or favoritism.

The School reserves the right to take appropriate action if employee relationships interfere with the safety, morale or security of the School, or if the relationships create an actual or perceived conflict of interest or favoritism.

### No Smoking

All School buildings and facilities are non-smoking facilities.

## GENERAL WORKPLACE POLICIES

### Workplace Violence

The School takes the safety and security of its employees seriously. The School does not tolerate acts or threats of physical violence, including but not limited to intimidation, harassment and/or coercion, that involve or affect the School or that occur, or are likely to occur, on School property. Any act or threat of violence must be immediately reported to **the Principal for school site concerns and to the MPS HR Department for Home Office concerns.**

### Health, Safety and Security Policies

The School is committed to providing and maintaining a healthy and safe work environment for all employees. Accordingly, the School has instituted an Injury and Illness Prevention Program designed to protect the health and safety of all personnel. Every employee will receive a copy of the Injury and Illness Prevention Program, which is kept by **the Principal** and is available for your review. Additionally, the School has adopted a reopening plan to address the safe reopening and operating of MPS schools following the school closure due to COVID-19. Employees must carefully review and comply with the reopening plan for which they will receive training and further instruction during Professional Development training and as needed.

Employees are required to know and comply with the School's general safety rules and to follow safe and healthy work practices at all times. Any potential health or safety hazards and all injuries or accidents must be immediately reported to a supervisor. In compliance with Proposition 65, the School will inform all employees of any known exposure to a chemical known to cause cancer or reproductive toxicity.

### Security Protocols

MPS has developed guidelines to help maintain a secure workplace. Employees are encouraged to be aware of their surroundings and be on the lookout at all times for any unusual circumstances, such as unknown persons loitering in parking areas, walkways, entrances and exits and service areas. Report any suspicious persons or activities to **the Principal (or MERF Human Resources for MERF employees)**. Employee desks and offices should be secured at the end of the day. When an employee is called away from his or her work area for an extended length of time, valuable or personal articles should not be left around a work station that may be accessible. The security of facilities as well as the welfare of employees depends upon the alertness and sensitivity of every individual to potential security risks. Employees should immediately notify **the Principal (or MERF Human Resources for MERF employees)** when keys are missing or if security access codes or passes have been breached.

## Occupational Safety

MPS is committed to the safety of its employees, vendors, contractors and the public and to providing a clear safety goal for management.

The prevention of accidents is the responsibility of every School employee and supervisor. It is also the duty of all employees to accept and promote the established safety regulations and procedures. Every effort will be made to provide adequate safety training. If an employee is ever in doubt how to perform a job or task safely, the employee should request assistance from a supervisor. Unsafe conditions must be reported immediately.

Employees shall be observant of any workplace conditions that may be a cause or contributor to the spread of illness caused by virus and disease, including unclean surfaces, personal illness or the possible illness of others, or work conditions that may seem unsanitary or in violation of any active public health or government order.

To maintain occupational safety, the School may adopt and enforce any government or agency approved measures for evaluating and enforcing employee health and wellness, including health screenings, assessments, or checks.

It is the policy of the School that accident prevention shall be considered of primary importance in all phases of operation and administration. MPS's management is required to provide safe and healthy working conditions for all employees and to establish and require the use of safe practices at all times.

Failure to comply with or enforce School safety and health rules, practices and procedures could result in disciplinary action up to and including possible termination.

## Accident/Incident Reporting

It is the duty of every employee to immediately or as soon as is practical report any accident, injury, or possible cause of COVID-19 occurring during work or on School premises so that arrangements can be made for medical or first aid treatment, as well as for investigation and follow-up purposes.

## Reporting Fires and Emergencies

It is the duty of every employee to know how to report fires and other emergencies quickly and accurately. Employees should report any such emergency by calling management. In addition, all employees should know the local emergency numbers such as 911.

## School Property Inspections

The School is committed to providing a work environment that is safe and free of illegal drugs, alcohol, firearms, explosives and other improper materials. Additionally, the School provides property and facilities to its employees to carry out business on behalf of the School. Accordingly,

employees do not have a reasonable expectation of privacy when using any School property or facilities. All School facilities and property, including all items contained therein, may be inspected by the School at any time, with or without prior notice to the employee or employee permission. School property includes all desks, electronic devices, storage areas, work stations, lockers, file cabinets, computers, telephone systems, email systems and other storage devices.

The School reserves the right to deny entry to School property to any person, including those who refuse to cooperate with any inspections by the School. Any employee who fails to cooperate with inspections may be subject to disciplinary action, up to and including dismissal.

### Soliciting/Conducting Personal Business While on Duty

Employees are not permitted to conduct personal business or solicit personal business for any cause or organization while on-duty, or when the employee being solicited is supposed to be working. This prohibition includes distributing literature and other material. Distribution of materials is also against the School's policy if it interferes with access to facility premises, if it results in litter, or if it is conducted in areas where other employees are working. Solicitation during non-work time, e.g., paid breaks, lunch periods or other such non-work periods, is permissible. Entry on the School premises by non-employees is not permitted, unless related to official School business. Solicitation or distribution of written materials by non-employees is strictly prohibited.

### Use of School Communication Equipment and Technology

All School owned communications equipment and technology, including computers, electronic mail systems, individual emails, voicemail systems, internet access, software, telephone systems, document transmission systems and handheld data processing systems remain the property of the School and are provided to the employee to carry out business on behalf of the School, unless previously authorized for nonbusiness use. Employees have no expectation of privacy in any communications made using School owned equipment and technology. Communications (including any attached message or data) made using School owned communications equipment and technology are subject to review, inspection and monitoring by the School. Employees are prohibited from forwarding files, emails, or school owned resources to their personal email accounts or outside the MPS network for non-School use.

Employees should not use personal devices or email accounts for MPS-related communications. Such communications should only take place using MPS-issued devices and via the employee's MPS email account. **Employees are required to promptly respond to work emails and communications. Exempt and nonexempt employees must respond within one (1) business day.**

Additionally, the School uses technology protection measures that protect against internet access (by both minors and adults) to visual depictions that are obscene, pornographic, and/or harmful to minors. These measures may include, but are not limited to, using a spam filter, installing a blocking system to block specific internet sites, setting internet browsers to block access to adult

sites, using a filtering system that will filter all internet traffic and report potential instances of misuse to the School.

Passwords used in connection with the School's communications equipment and technology are intended to restrict unauthorized use only, not to restrict access of authorized School employees. Therefore, employees are required to provide **the I.T. Coordinator** with all passwords used in connection with the School's communications equipment and technology any time the employee's passwords are created or change. In addition, employees are required to safeguard their passwords to limit unauthorized use of computers by minors in accordance with the Student Internet Use Policy and Agreement. Employees that do not safeguard their passwords from unauthorized student use, or that allow a student to access computers in violation of the Student Internet Use Policy and Agreement, will be subject to discipline, up to and including termination.

Internet use is for business purposes only. All employees using the internet through the School's communications equipment and technology must respect all copyright laws. Employees are not permitted to copy, retrieve, modify, or forward copyrighted materials unless authorized by law or with express written permission of the owner of the copyright.

Employees are not permitted to use the School's communications equipment and technology to view content or images that are obscene, pornographic, and/or harmful to minors. The email system and internet access are not to be used in any way that may be disruptive, harassing or offensive to others, illegal or harmful to morale. For example, sexually explicit images, ethnic slurs, racial epithets or anything else that may be construed as harassment or disparagement of others based on their race, national origin, gender, sexual orientation, age, religious beliefs or political beliefs with little or no educational value may not be displayed or transmitted. The e-mail system and internet access are not to be used in any manner that is against the policies of the School, contrary to the best interest of the School or for personal gain or profit of the employee against the interests of the School. Employees must not use the School's communications equipment and technology for the unauthorized disclosure, use and dissemination of personal information regarding students.

## Telework Policy

### Purpose

From time to time, in its discretion, MPS may assign certain staff members to telework based on the needs of the organization. If telework is assigned, or otherwise authorized, employees will comply with the requirements of this telework policy.

### Definition

Teleworking allows employees to work at home or in an approved remote location for all or part of their regular workweek. Teleworking is not an entitlement, nor is it a Magnolia-wide benefit. This arrangement in no way alters or changes the terms and conditions of employment with Magnolia, and the promulgation of this Policy creates no employee rights in relation to teleworking. Furthermore, Magnolia has the right to refuse to make telework available to an employee and to terminate a telework assignment without cause at any time in its sole and unreviewable discretion.

### General Requirements

MPS will designate at the beginning of employment whether a position is on-site, fully remote, or a hybrid of on-site and remote (also known as telework). Employees with telework assignments shall make arrangements with their supervisor and co-workers to address on-site job demands that arise, including returning to the work site to perform certain job duties as needed or as directed by their supervisor. Employees shall be responsible for following all Magnolia policies and procedures when teleworking, including all of the foregoing set forth in Magnolia's most recent Employee Handbook. Employees shall also be solely responsible for the performance of their telework duties; assistance from third parties is strictly prohibited.

Nonexempt employees will be required to (1) record all hours worked as assigned by Magnolia and (2) take and document applicable meal/rest periods. Nonexempt employees must also receive prior written approval from a supervisor prior to working additional hours or overtime. Failure to comply with timekeeping and work hours requirements may result in disciplinary action, up to and including termination from employment.

### Eligibility Considerations

Consideration will be given to employees who work in positions adaptable for telework assignments, particularly those who have demonstrated work habits and performance well-suited to successful teleworking. In the sole discretion of Magnolia and its management, the following eligibility factors will be considered:

- The employee has a position where effective communication can be accommodated electronically;
- The employee's telework assignment will not be detrimental to the productivity or work quality of other employees or the effective operation of Magnolia;
- The employee must be able to perform work from home or an approved remote location without distractions or unnecessary risk to the security of Magnolia data, records, networks, or confidentiality generally;
- The employee's equipment and software must meet Magnolia's guidelines/standards, and the employee's needs for Information Technology ("IT") support must be minimal;
- Telework sites must be in California;
- The employee must be effective at working independently for extended periods of time;
- The employee has demonstrated or can demonstrate effective time-management skills by completing tasks efficiently and within any required deadlines;
- The employee must maintain connections with work groups or teams from their remote work location; and
- The employee has no recent or pending corrective or disciplinary actions.

### Supervisor Responsibilities

Supervisors managing employees who have been permitted to telework must effectively:

- Implement the telework policy/guidelines;
- Conduct remote supervision;
- Understand the technology and tools necessary for successful remote supervision; and
- Establish communication protocols with telework employees, including making continued efforts to involve teleworking employees in office/department events, meetings, messages, etc., as applicable, to preserve teamwork.

Supervisors will assess each employee's progress on a telework assignment periodically to ensure the employee's compliance with telework requirements, and address any work-related issues, including completing evaluations and other performance management as appropriate.

### Communication And Accessibility

Employees and supervisors must determine how communication between the teleworking employee, the worksite, and/or other employees also teleworking will be handled. Employees shall keep their supervisor and as needed, their co-workers or other Magnolia stakeholders (e.g., students and/or parents), informed of their availability so these individuals know how and when to reach the employee during the employee's telework assignment. Employees must be accessible by phone and email at all times to their supervisor, co-workers, Magnolia stakeholders, and Magnolia generally during assigned work hours. Employees must notify their supervisors if they leave their telework site during agreed upon hours, aside from applicable meal and rest periods. Employees must post their telework schedule on their calendar, including applicable meal and rest periods. Employees must also remain flexible in their scheduling, and shall be available to attend staff meetings and other meetings as required by their supervisor.

### Safety

The telework space is considered an extension of Magnolia's worksite. Employees will have the same responsibility for safe practices, accident prevention, and accident/injury reporting as in the regular worksite. In case of injury, accident, theft, loss, or tort liability related to telework, the employee must immediately report the event to their supervisor and allow Magnolia or its authorized agent to investigate and/or inspect the telework site as needed.

Employees are responsible for establishing and maintaining a designated, adequate workspace at their telework location. When the telework location is the employee's home, the employee is responsible for ensuring the location is safe (free from hazards and other dangers to the employee or equipment), clean, professional, and free of distractions (e.g., children, pets, electronic devices, etc.).

### Supplies, Equipment, And Furniture

Magnolia will determine, with information supplied by the employee and the supervisor, the appropriate equipment needs (including hardware, software, modems, phone and data lines, facsimile equipment or software, and photocopiers) for each telework assignment on a case-by-case basis. Magnolia will not provide office furniture for the workspace at home and the employee's home work-site must be minimally equipped to serve as a remote workspace.

Laptop devices and internet hotspots will be supplied and maintained by the Magnolia, subject to availability. Any equipment provided by Magnolia to the employee shall remain the property of Magnolia. Equipment supplied by Magnolia is to be used for work purposes only. Employees must sign an inventory of all Magnolia property and agree to protect the items from damage or theft. Employees shall not be entitled to reimbursement for their use of Magnolia property. Employees shall be held liable to Magnolia whenever their wrongful or negligent act or omission causes loss, theft, disappearance, damage to, or destruction of Magnolia property. Upon cessation of a telework assignment, all Magnolia property must be returned to Magnolia.

All other necessary technology shall be supplied by the employee as approved by Magnolia. All technology supplied by the employee shall be maintained by the employee. Magnolia accepts no responsibility for damage or repairs to employee-owned equipment. Employees who supply personal technology for a Magnolia-related use shall be eligible for a reimbursement pursuant to

the "Reimbursement" section below. Any employee who proposes to supply their own personal technology for Magnolia related work shall notify their supervisor of the same and provide an inventory of such personal technology.

#### Reimbursement

Magnolia shall reimburse employees for actual and necessary expenses incurred by the employee for purposes of carrying out Magnolia business when such expenses are expressly authorized and preapproved by Magnolia.

Employees who believe their expenses exceed the reimbursement amounts described above shall be required to submit copies of their expenses, such as the internet and/or cell phone bill at issue, for review. Such bills may be redacted as needed to remove any private/confidential information.

#### Information Security And Confidentiality

Employees must never provide any third parties access to Magnolia network or share network access passwords, and must comply with all policies and procedures related to information security and network access, including policies and procedures contained in the Magnolia Employee Handbook.

Consistent with Magnolia's expectations of information security for employees working at the office, teleworking employees must ensure that their telework location is secure and communications provided or sensitive work performed from the telework location remain confidential, away from the presence of family members or guests. Any Magnolia materials taken home, such as confidential personnel or pupil records, must be kept in a secure space within the telework location and shall not be made accessible to any third parties, including the employee's family members or guests. Steps which employees may take to increase security of Magnolia materials/information include use of locked file cabinets and desks, regular password maintenance, shielding computer monitors, and any other actions appropriate for the position and the telework location.

#### Performance Standards

Employees must maintain the same or an improved level of productivity and work quality while teleworking. If productivity and/or work quality begin to decline, the telework assignment will be reevaluated to determine if changes can be made or termination of the telework assignment is warranted. Telework allows a high amount of flexibility for an employee to complete their work in a timely and proper manner, and it is expected that employees will not abuse this opportunity by allowing their productivity or work quality to decline.

#### Professional Boundaries

Employees must maintain appropriate levels of professionalism when interacting remotely with students and/or student's family members, including as detailed in the "Professional Boundaries: Staff/Student Interaction" policy. Employees who fail to demonstrate acceptable professional boundaries during a telework assignment may be subject to disciplinary action, up to and including termination from employment.

#### Evaluation & Duration

Evaluation of employee performance during the teleworking assignment may include daily interaction by video, phone and/or email between the employee and the supervisor, and weekly

face-to-face and/or video meetings whenever possible to discuss work progress and problems, as needed.

Magnolia may modify or terminate telework assignments at any time, with or without cause or advance notice. Although not required, Magnolia shall endeavor to provide seven (7) days' notice of the modification or termination of any telework assignment whenever possible. All telework assignments shall be subject to termination upon resumption of regular onsite duties at Magnolia following the COVID-19 pandemic.

### Use of Personal Property

Employees are not encouraged to bring in personal property or materials for use in the School setting. If an employee has a personal property item he or she would like to bring in for School use, the employee must first gain approval by MPS. MPS will not be responsible or liable for the property item. The employee assumes all liability for any damage or injury caused by bringing in a personal property item.

The employee may be subject to discipline for a violation of this policy. The School will not be liable for lost, stolen or damaged person property items, and such items are brought in at the employee's own risk.

### Security Cameras on Campus

MPS has authorized the use of security cameras in public areas where there is no reasonable expectation of privacy, including in and around School buildings and on School property. The purpose of this program is to promote and maintain a safe, secure, and healthy environment for students and staff, and to protect the community's investment in School owned or leased property and facilities.

Public areas may include school buses, building entrances, hallways, parking lots, front offices where students, employees, and parents come and go, break rooms, gymnasiums during public activities, cafeterias, and supply rooms. Private areas of campus, such as private employee offices (unless consent by the office owner is given), restrooms, and locker rooms will not be subject to security camera recording. Additionally, MPS will post signage indicating the areas of campus where security cameras are in use.

The precise location of security cameras shall be determined by MPS or by the School-site principal with the approval of the CEO. Input from employees may be sought to determine the most beneficial locations for security cameras. A diagram showing the wiring of the local server for the security cameras at the school sites shall be shared with the Board prior to the installation of the security monitoring system.

Security cameras will not be used to record audio or live footage, and footage will be kept private and destroyed after thirty (30) days, unless the preservation of the footage is otherwise needed. Authorized personnel may view the security camera footage by accessing the pre-recorded footage saved to a digital file. While MPS will not use the security camera footage to evaluate employee performance, it may be used by MPS or law enforcement in cases of suspected illegal

or inappropriate conduct. In such cases, MPS cannot guarantee that security camera footage will be kept private.

Under no circumstances will employees make unauthorized copies or duplicates of security camera footage.

Employees are prohibited from tampering with the MPS's security cameras, systems, and/or footage. "Tampering" includes any unauthorized use, access, or physical damage, or any attempt to interfere, block or prevent the security camera from recording footage. Any employee found to have tampered with MPS security monitoring system may be disciplined, up to and including termination, and they may also be liable for any damage to the system.

## Social Media

If an employee decides to post information on the Internet (i.e., blog, Facebook, Instagram, Twitter, etc.) that discusses any aspect of his/her workplace activities, the following restrictions apply:

- School equipment, including its computers and electronics systems, may not be used for these purposes;
  - Employees may not use or post images of students or student information or work;
- Student and employee confidentiality policies must be adhered to;
  - Employees must make clear that the views expressed in their blogs are their own and not those of the School;
  - Employees may not use the School's logos, trademarks and/or copyrighted material and are not authorized to speak on the School's behalf;
  - Employees are not authorized to publish any confidential information maintained by the School;
  - Employees are prohibited from making discriminatory, defamatory, libelous or slanderous comments when discussing the School, the employee's supervisors, co-workers and competitors;
  - Employees must comply with all School policies, including, but not limited to, rules against sexual harassment and retaliation.

The School reserves the right to take disciplinary action against any employee whose social media postings are disruptive to the School or violate this or other School policies.

## Intellectual Property Rights

Any intellectual property, such as trademarks, copyrights and patents, and any work created by an employee in the course of employment at the School shall be the property of the School and deemed a work made for hire and the employee is deemed to have waived all rights in favor of the School. Work, for the purpose of this policy refers to written, creative or media work. All source material used in presentation or written documents must acknowledged the author or owner.

## Media Contacts

All media inquiries regarding the School and its operations must be referred to the **Chief Impact Officer or designee**. Only the **Chief Impact Officer or designee** is authorized to make or approve public statements pertaining to the School or its operations, although, public employees do not lose the right to speak on matters of public importance. No employee, unless specifically designated by the **Chief Impact Officer or designee**, is authorized to make statements to the media on behalf of the School. Any employee who would like to write and/or publish an article, paper, or other publication on behalf of the School must obtain approval from the **Chief Impact Officer or designee** before publication.

## Personnel Files and Record Keeping Protocols

At the time of employment, a personnel file is established for each employee. It is each employee's responsibility to keep **the Principal (or MERF Human Resources for MERF employees)** advised of changes that should be reflected in their personnel file by making the changes in the Human Resources Information System Employee Self Service Portal. Such changes include: change in name, address, telephone number, personal information if required for insurance purposes (e.g., marital/domestic partnership status, number of dependents) and person(s) to notify in case of emergency. Prompt notification of these changes is essential and will enable the School to contact an employee should the change affect their other records.

Employees have the right to inspect documents in their personnel file, as provided by law, in the presence of a School representative, at a mutually convenient time. Employees also have the right to obtain a copy of their personnel file as provided by law. Employees may add comments to any disputed item in the file. MPS will restrict disclosure of personnel files to authorized individuals within the School. A request for information contained in the personnel file must be directed to **the Principal (or MERF Human Resources for MERF employees)**. Only **the Principal and MERF Human Resources** or designee is authorized to release information about current or former employees. Disclosure of information to outside sources will be limited. However, the School will cooperate with requests from authorized law enforcement or local, state or federal agencies conducting official investigations or as otherwise legally required. Credible complaints of substantiated investigations into or discipline for egregious misconduct will not be expunged from an employee's personnel file unless the complaint is heard by an arbitrator, administrative law judge, or the Board and the complaint is deemed to be false, not credible, unsubstantiated or a determination was made that discipline was not warranted.

## HOURS OF WORK, OVERTIME AND ATTENDANCE

### Employee Classifications

An employee's salary and benefits depend on a wide range of factors, including base scale, qualifications, additional duties, and performance. Employees who have any questions about their salary, should speak to the Principal or the Human Resources Department for more details.

Classification Type	Definition	Eligible Benefits
<b>Full-Time Salaried</b>	Employed on a regularly scheduled <b>30+ hours per week</b> basis for a non-specified period.	<ul style="list-style-type: none"> <li>- STRS/PERS/401K Retirement Plan</li> <li>- Personal Necessity/Sick Leave/Floating Holiday</li> <li>- 100% Health Benefits Coverage (including family members)</li> <li>- Life insurance Plan</li> <li>- Vacation Hours (12-months employees only)</li> <li>- Tuition Reimbursement Program</li> </ul>
<b>Full-Time Hourly</b>	Employed on a regularly scheduled <b>30+ hours per week</b> basis for a non-specified period.	<ul style="list-style-type: none"> <li>- STRS/PERS/401K Retirement Plan</li> <li>- Personal Necessity/Sick Leave Hours/Floating Holiday</li> <li>- 100% Health Benefits Coverage (including family members)</li> <li>- Life insurance Plan</li> <li>- Vacation Hours (12-months employees only)</li> <li>- Tuition Reimbursement</li> </ul>
<b>Part-Time Hourly</b>	Employed on a regularly scheduled basis of <b>20.00 to 29.99 hours per week</b> for a non-specified time.	<ul style="list-style-type: none"> <li>- STRS/PERS Sick Leave</li> </ul>
<b>Part-Time Hourly</b>	Employed on a regularly scheduled basis of <b>19.99 or less hours per week</b> for a non-specified time.	<ul style="list-style-type: none"> <li>- Sick Leave</li> <li>- Not eligible for any other benefits</li> </ul>
<b>Temporary/Seasonal Full-Time</b>	Employed on a regularly scheduled basis of <b>30+ hour per workweek for a finite period of time</b> (though they are still at will employees).	<ul style="list-style-type: none"> <li>- Sick Leave</li> <li>- Some full-time temporary and seasonal employees may also be eligible for employer-sponsored health benefits, as required by law.</li> </ul>
<b>Temporary/Seasonal Part-Time</b>	Employed on a regularly scheduled basis of <b>29 or less hours per week for a finite period of time</b> (though they are still at-will employees).	<ul style="list-style-type: none"> <li>- While this position may be eligible for Sick Leave, it is not eligible for any benefits.</li> </ul>
<b>Independent Contractor</b>	Independent Contractors are non-employees.	Not eligible for any benefits.

## Work Hours and Schedules

The School's normal operating hours are from **\*7:30 a.m. to 4:00 p.m.**, Monday through Friday. The work schedule for hourly nonexempt employees may vary. Each employee will be assigned a work schedule by their supervisor. \*Typical working hours for hourly nonexempt employees may be as follows:

REGULAR WORKING HOURS*	
School Level: Full-time office staff	7:30 a.m. – 4:00 p.m. (may include a meal break for thirty (30) minutes and two ten (10) minute breaks)
School Level: All other full-time employees	7:45 a.m. – 4:00 p.m. (may include a meal break for thirty (30) minutes and two ten (10) minute breaks)
CMO Level: All full-time MERF employees	8:30 a.m. – 5:00 p.m. (may include a meal break for thirty (30) minutes and two ten (10) -minute breaks)

\* Working hours may vary from one School site to another.

Employee work schedules and pay may fluctuate depending on the workload:

- Employees may have to work hours beyond their normal schedules as work demands require.
- Hourly employees will only be paid for the hours actually worked unless accrued paid leave is used or during a paid holiday for eligible employees.
- Employees are expected to attend weekly staff meetings and other mandatory training and meetings.
- Full-time teachers may be required to supplement regular curricular activities through after school programs, including tutoring and clubs. Each full-time teacher is expected to offer at least two after school programs per week.
- As directed by the Principal, employees may be required to conduct home visits to develop a positive school-home relationship that supports student achievement.
- As directed by the Principal, employees may also be required to attend school events and activities, including but not limited to, parent conferences, student/parent orientation, back-to-school nights, parent/community meetings, and any other school events and activities that occur during or outside of the normal school day, as indicated in the work year calendar. This required work is distinguishable from the employee's involvement in non-work volunteer activities, which are not required by the employee's employment.
- Employees are expected to perform other duties as requested by their direct supervisor.

## Overtime

Whether an employee is exempt from or subject to overtime pay will be determined on a case by-case basis. Generally, teachers and administrators are exempt from earning

overtime pay. Exempt employees may have to work hours beyond their normal schedules as work demands require, thus, no overtime compensation will be paid to exempt employees. Nonexempt employees may be eligible to earn overtime if required to work beyond the regularly scheduled workday or workweek. Only actual hours worked in a given workday or workweek can apply in calculating overtime for nonexempt employees. MPS will attempt to distribute overtime evenly and accommodate individual schedules, however, the operational needs of the School are paramount. All overtime work must be previously authorized in writing by **the Principal (or MERF Human Resources for MERF employees.)** MPS provides compensation for all overtime hours worked by nonexempt employees in accordance with state and federal law.

### Make Up Time

A non-exempt employee may make a written request to make up work time that is or would be lost as a result of another scheduled absence. It is at the sole discretion of the School to approve or reject the request. The hours of that make up work may only be performed in the same workweek in which the work time was lost and may not result in the employee earning overtime. The makeup time must not exceed eleven (11) hours of work in one day or forty (40) hours of work in one week. The employee is responsible for recording time worked and taking all applicable rest and meal breaks during make-up time. Make up time is not encouraged and is based on the availability of work.

Employees who are called to work on a scheduled day off, such as a holiday, may be provided a makeup day off during the same workweek, schedule permitting and with supervisor approval.

### Wage Attachments and Garnishments

Under normal circumstances, the School will not assist creditors in the collection of personal debts from its employees. However, creditors may resort to certain legal procedures such as garnishments, levies or judgments that require the School, by law, to withhold part of an employee's earnings in their favor. The School will comply with such legal procedures.

Employees are strongly encouraged to avoid such wage attachments and garnishments.

### Meal and Rest Periods

All employees working at least five (5) hours are provided with a thirty (30) minute unpaid meal period, to be taken approximately in the middle of the workday, but by no later than the end of the fifth (5<sup>th</sup>) hour of the workday. An employee may waive this meal period if the day's work will be completed in no more than six (6) hours, provided the employee and MPS mutually consent to the waiver in writing.

Nonexempt employees are also provided with a ten (10) minute rest period for every four (4) hours worked which should be scheduled towards the middle of the four (4) hour work period as

practicable. Employees are prohibited from combining meal and rest period time. An employee's supervisor must be aware of and approve scheduled meal and rest periods. Employees must immediately inform their supervisor if they are prevented from taking their meal and/or rest periods. Employees are expected to observe assigned working hours and the time allowed for meal and rest periods.

### Lactation Accommodation

MPS accommodates lactating employees by providing a reasonable amount of break time to any employee who desires to express breast milk for an infant child. The break time shall, if possible, run concurrently with any break time already provided to the employee. Any break time provided to express breast milk that does not run concurrently with break time already provided to the non-exempt employee shall be unpaid.

MPS will make reasonable efforts to provide employees who need lactation accommodation with the use of a room or other private location that is located close to the employee's work area. Such room/location shall not be a bathroom and shall have electricity. Employees shall also be given access to a sink with running water and a refrigerator. Employees with private offices will be required to use their offices to express breast milk. Employees who desire lactation accommodations should contact their supervisor to request accommodations.

### Pay Days

Paydays are scheduled twice per month for **all employees**. The pay periods run from the 1<sup>st</sup> of the month to the 15<sup>th</sup> of the month (with paychecks available on the 20<sup>th</sup> of the month) and the 16<sup>th</sup> of the month to the end of the month (with paychecks available on the 5<sup>th</sup> of the following month). For 12-month employees, the School pays up to twenty-four (24) pay periods. For 11 month employees, the School pays up to twenty-two (22) pay periods. The total number of pay periods may vary depending on the starting and ending date of employment, and whether the employee performed work, used time from the accrued leave (paid sick leave, vacation leave, PTO), or is eligible for a paid holiday during the pay period. The last pay period of the school year ends on June 30<sup>th</sup>. Each paycheck will include earnings for all reported work performed through the end of the payroll period and is subject to regular withholdings. In the event that a regularly scheduled payday falls on a weekend or holiday, employees will receive their pay no later than the next day of work after the day(s) off.

Employees should promptly notify **the Principal (or MERF Human Resources for MERF employees)** with questions regarding the calculations of their paycheck. Any corrections will be noted and will appear on the following payroll check.

## Payroll Withholdings

As required by law, the School shall make all required withholdings, including:

Federal Income Tax Withholding: The amount varies with the number of exemptions the employee claims and the gross pay amount.

State Income Tax Withholding: The amount varies with the number of exemptions the employee claims and the gross pay amount.

Social Security (FICA): The Federal Insurance Contribution Act requires that a certain percentage of employee earnings be deducted and forwarded to the federal government, together with an equal amount contributed by the School.

State Disability Insurance (SDI): This state fund is used to provide benefits to those out of work because of illness or disability.

Employees may also have deductions made to their paychecks when a wage overpayment occurs. The School will provide the employee with a written notice which describes the wage overpayment and will afford the employee an opportunity to respond before commencing any recoupment action. If the employee disputes the wage overpayment, the School shall initiate a legal action to validate the overpayment before proceeding with recoupment. The School may require the employee to reimburse an overpayment through a mutually agreeable method, including through cash repayment or a deduction of the employee's payroll check, among other options. An employee who is separated from employment before full repayment of the overpayment amount shall have any remaining amounts withheld from their final check. The School also reserves the right to exercise any and all other legal means to recover any additional amounts owed. The School shall provide employees with advance written notice of the deduction prior to the pay period where it will go into effect.

Every payroll deduction is explained on the check voucher. Employees are directed to contact Human Resources with questions.

Employees may change the number of withholding allowances claimed for Federal Income Tax purposes at any time by filling out a new W-4 form and submitting it to **the Principal (or MERF Human Resources for MERF employees) and by updating the Human Resources Information System Employee Self Service Portal**. The Human Resources Department also maintains a supply of forms.

It is the employee's responsibility to report any changes in filing status to **the Principal (or MERF Human Resources for MERF employees)** by updating his/her Human Resource Management System Employee Self Service Portal.

At the end of the calendar year, a "withholding statement" (W-2) will be prepared and forwarded to each employee for use in connection with preparation of income tax returns. The W-2 shows Social Security information, taxes withheld and total wages.

The School offers programs and benefits beyond those required by law. Employees who wish to participate in these programs may voluntarily authorize deductions from their paychecks.

## Salary Compensation for Partial Pay Period

Salary payments to employees who are employed for less than a full pay period because of leave without pay, separation from employment for any reason, or employment at dates other than the beginning or the end of the pay period are computed on the basis of actual working days in the month. For this purpose, working days are considered to be forty (40) hours Monday through Friday unless otherwise specified.

For teaching staff, the actual working days start on the first day of summer teacher in-service and end on the last day of school or on the end-of-year school wrap-up day, whichever is later.

## Pay Rate Schedule

Pay is primarily determined by the work classification, employee qualifications, years of service, and individual performance. The School uses the Board approved employee pay raise scales to determine the salaries for **full-time teaching staff and non-classroom based academic personnel and school leaders**. MERF employees and classified employees pay are determined by the MPS Board approved salary band. Please refer to the scales for details. For school level classified employees, the pay is primarily determined by the work classification and individual performance.

## Attendance Policy

Employees are expected to adhere to regular attendance and to be punctual. School and MPS organized In-Service and Professional Development days are considered regular working days, employees are expected to be present on those days. If it is necessary to be absent or late, the employee must arrange it in advance with a **direct supervisor**. If it is not possible to arrange the absence or tardiness in advance, the employee must notify a **direct supervisor** no later than one-half (1/2) hour before the start of the workday. Teachers are also responsible to have a substitute folder for use when they are absent from school. If the employee is absent from work longer than one day, they must keep their **direct supervisor** sufficiently informed of the situation.

Excessive absenteeism and tardiness will not be tolerated and will lead to disciplinary action, as shown below in the Disciplinary Action Chart for Tardiness.

As noted in the section of this Handbook concerning prohibited conduct, excessive or unexcused absences or tardiness may result in disciplinary action up to and including release from at-will employment with the School. Absence for more than three (3) consecutive days without notifying the Principal will be considered a voluntary resignation from employment, **except in certain documented emergency circumstances**. The actual amount of time used during the tardiness will be subtracted from employee's vacation or sick leave hours (if related to a sick leave purpose) for each tardiness, in one (1) hour increment. Once all sick leave/vacation is used, employee's tardy hours will be reflected as unpaid time off.

## CHART OF CONSEQUENCES FOR TARDINESS AND ABSENCES

	<b>OCCURRENCES/DAYS</b>	<b>STEP AND ACTION</b>
<b>TARDINESS</b>	1 -3 tardiness	Verbal Warning
	The 4th tardy	Written Warning.
	The 5th tardy	Employee <b>may</b> also be placed on an Improvement Plan.
	6th and subsequent tardiness	Disciplinary: The employee may be subject to further discipline or dismissal.
<b>ABSENCES</b>	After all sick leave/vacation days are used	For exempt employees, a full day of pay will be deducted for each full days' absence. For nonexempt employees, no deduction will be made, but the employee will not earn wages during their absence.
<b>NO CALL/NO SHOW</b>	3 consecutive days	Considered job abandonment, which can lead to termination.

### Timecards and Records

By law, MPS is obligated to keep accurate records of the time worked by nonexempt employees. Such employees shall be required to utilize the School's time card system.

Non-exempt employees must accurately clock in and out of their shifts as this is the only way the payroll department knows how many hours each employee has worked and how much each employee is owed. The time card indicates when the employee arrived and when the employee departed. All non-exempt employees must clock in and out for arrival and departure, along with lunch and for absences like doctor or dentist appointments. All employees are required to keep the office advised of their departures from and returns to the school premises during the workday.

Non-exempt employees are solely responsible for ensuring accurate information on their time cards and remembering to record time worked. If an employee forgets to mark their time card or makes an error on the time card, the employee must contact the Principal **within the same pay period** to make the correction and such correction request must be approved by the Principal.

Non-exempt employees are prohibited from performing off-the-clock work, including but not limited to checking emails before/after work hours, performing work in the morning before logging in, and running School errands after logging out.

No one may record hours worked on another's timecard. Any employee who violates any aspect of this policy may be subject to disciplinary action, up to and including release from at-will employment with the School.

### Mandatory Training and Meetings

Employees may be required to attend online/onsite trainings, lectures and meetings outside of regular working hours. All teaching staff and school administrators are required to attend summer in-services, weekly staff meetings, and other mandatory training and meetings as directed by the **Principal**.

The School will pay non-exempt employees for attendance at mandatory trainings, lectures and meetings outside of regular working hours. All staff will be paid for the total hours of mandatory trainings plus travel time and mileage reimbursement (if applicable) with respect to MPS Reimbursement Policy.

All mandatory trainings, lectures and meetings will be identified as such. The School will not pay nonexempt employees for attendance at voluntary trainings. If the employee is unsure about the characterization of an offered training, lecture or meeting, they should contact their **direct supervisor** before attending.

All non-exempt employees must accurately reflect attendance at all mandatory trainings, lectures and meetings outside of regular working hours on their time records.

### Expense Reimbursements

The School may reimburse employees for certain reasonably necessary expenses incurred in the furtherance of School business, including, but not limited to, fingerprint processing fees, TB test fees, First Aid & CPR fees, fees of exams that lead to professional certification (CSET, CBEST, RICA, CTEL, CLAD, CPACE, etc.,) and other approved School business and profession related expenses. During the onboarding process for a new-hire, fingerprint processing fees and TB test fees may be reimbursed up to 2 (two) fees upon the supervisor and/or the HR Department's request and approval. Credential fees, university entrance exam fees, and US Constitution exam fees are not reimbursable. Please refer to the [MPS Tuition Reimbursement](#) policy for professional development opportunities and certification programs reimbursed by the School.

In order to be eligible for reimbursement, employees must follow the protocol set forth in the MERF's policy regarding expenditures, a copy of which may be obtained from the **Principal (or MERF Human Resources for MERF employees)**.

MERF Purchase Policies and Procedures Manual requires all employee expense or purchase plans to be pre-approved by his/her supervisor.

All new and continuing tuition reimbursement requests must be pre-approved annually by employee's supervisor as stated in the MPS Tuition Policy.

## STANDARDS OF CONDUCT

### Personal Appearance/Standards of Dress

MPS employees serve as role models to the School's students. All employees should therefore maintain professional standards of dress and grooming. Just as overall attitude and instructional competency contribute to a productive learning environment, so do appropriate dress and grooming.

Employees are encouraged to wear clothing that will add dignity to the educational profession, will present an image consistent with their job responsibilities, and will not interfere with the learning process. Accordingly, all employees shall adhere to the following standards of dress:

1. Clothing and jewelry must be safe and appropriate to the educational environment. All clothing must be clean and in good repair. Slits or tears in pants or other articles of clothing are not permitted except for modest slits in women's dresses or skirts that are no higher than three (3) inches above the knee.
2. Head coverings, including hats of any kind, except those worn for religious or safety reasons, are not to be worn inside school buildings including assemblies, classrooms, labs and offices. Hats may be worn outside for sun protection. All hats are to be removed upon entering school buildings. For exceptions to this policy, prior approval must be granted by the Principal.
3. Slacks and shorts are to be worn on the waist with no portion of an undergarment showing.
4. Shorts should be modest in length and should be no higher than three (3) inches above the knee.
5. Skirts and dresses should be no higher than three (3) inches above the knee.
6. All tops must be appropriate to the work environment, and should be clean, neat, and provide proper coverage.
7. For safety purposes, earrings must not dangle more than one (1) inch below the ear.
8. Clothing or jewelry with logos that depict and/or promote gangs, drugs, alcohol, tobacco, sex, violence, illegal activities, profanity, or obscenity are not permitted.
9. Apparel of a controversial nature which is likely to be divisive or disruptive to students or interfere with MPS's neutral viewpoint work environment.
10. Due to safety concern, appropriate shoes must be worn at all times. For example; flip flops are not appropriate foot wear.
11. If an employee has a tattoo that is visible, it is the employee's responsibility to ensure that it is not visible during working hours.
12. Supervisors will inform employees of any specific dress requirements for their position.

## Prohibited Conduct

The School expects that all employees will conduct themselves in a professional and courteous manner while on duty. Employees who behave with a disregard for school rules, mission, or vision will be disciplined accordingly. This includes employees who behave with a lack of courtesy and civility toward others, who do not prioritize their commitment to MPS, and who undermine or act against School programs, rules, and policies. MPS wishes to provide students with the best quality of education by committed school leaders with a student-centric mindset. MPS understands that not every person values and prioritizes a charter school education with the same level of commitment, and that is the prerogative of the individual. However, it is MPS's prerogative in an at-will employment relationship to seek to surround our students with committed advocates, and to end employment relationships with individuals who do not carry out the School's mission. Employees who are not committed to carrying out MPS's school mission, or who behave in a manner that is contrary to the goals of the School, may be deemed not a good fit for MPS and released from at-will employment on that basis. Similarly, employees who violate the spirit of this section, or the expressly written rules of conduct, may be released from at-will employment. The following is a list of conduct that is prohibited by the School. This list is not exhaustive and is intended only to provide examples of the type of conduct that will not be tolerated by the School. The specification of this list of conduct in no way alters the employment relationship the employee has with the School nor does it prevent the School from releasing employees for any or no reason at all, consistent with the at-will employment relationship.

- Insubordination – willfully or negligently failing to perform a task or duty assigned or act in accordance with instructions provided by the School;
- Unprofessional conduct.
- Inefficiency - including willful or negligent restriction of output, carelessness or unnecessary wastes of time or material, neglect of job duties or responsibilities;
- Unacceptable or poor job performance;
- Privacy violations or release of confidential information without authorization;
- Violations of the attendance policy or other unexcused/unreported absence and/or lack of punctuality;
- Improper use or abuse of leave;
- Working unauthorized overtime or refusing to work assigned overtime;
- Misuse of School property or funds;
- Improper use of School equipment, materials, time or property;
- Damaging, defacing, unauthorized removal, destruction or theft of another employee's property or of School property.
- Failure to maintain a required license, certification or permit current and in good standing;
- Horseplay or other unnecessary or inappropriate physical contact;
- Sleeping, loitering, or malingering on the job;
- Refusal to communicate with students, parents, supervisors, or other employees;
- Conducting personal business during business hours and/or unauthorized use of School property for non-School reasons;
- Posting any notices on School premises without prior written approval of management unless posting is on a School bulletin board designated for employee postings and is otherwise non-offensive and appropriate for the workplace;
- Unauthorized soliciting, collecting of contributions, distribution of literature, written or printed matter, is strictly prohibited on School property by non-employees and by employees. This rule does not cover periods of time when employees are off their jobs such as lunch periods

and break times. However, employees properly off their jobs are prohibited from such activity with other employees who are performing their work tasks;

- Failure to comply with the School's safety procedures;
- Failure to report a job-related accident to the employee's manager or failure to take or follow prescribed tests, procedures or treatment;
- Immoral or indecent conduct;
- Fighting or instigating a fight on School premises;
- Gambling on school premises;
- Use of profane, abusive or threatening language in conversations with other employees and/or intimidating or interfering with other employees;
- Possession of alcohol or illegal drugs and controlled substances at work, or reporting to work while under the influence of the same;
- Dishonesty;
- Falsification, fraud or omission of pertinent information when applying for a position;
- Recording the work time of any other employee, or allowing any other employee to record time on your time record or falsifying any time record;
- Theft or embezzlement;
- Willful destruction of School property;
- Conviction of a crime making the employee unfit for the position, or failure to report a criminal charge or conviction to the School;
- Possession of firearms, or any other dangerous weapon, while on campus or while working for the School;
- Violation of the discrimination, harassment or retaliation policy;
- Engaging in sabotage or espionage (industrial or otherwise);
- Any willful act that endangers the safety, health or wellbeing of another individual;
- Any act of sufficient magnitude to cause disruption of work or gross discredit to the school;
- Failure to follow any known policy or procedure of the School or gross negligence that results in a loss to the School; and
- Failure to respond to work-related communications within 1 day for exempt employees and 1 business day for nonexempt employees.
- Violations of federal, state or local laws affecting the organization or the employee's employment with the organization.

### Off-Duty Conduct

While the School does not seek to interfere with the lawful off-duty and personal conduct of its employees, certain types of off-duty conduct may interfere with the School legitimate business interests. For this reason, employees are expected to conduct their personal affairs in a manner that does not adversely affect the School or its own integrity, reputation, or credibility. Illegal or immoral off-duty conduct by an employee that adversely affects the School's legitimate business interests or the employee's ability to perform his or her work will not be tolerated.

While employed by the School, employees are expected to devote their energies to their jobs with the School. For this reason, second jobs are strongly discouraged. The following types of additional employment elsewhere are strictly prohibited:

- Additional employment that conflicts with an employee's work schedule, duties, and responsibilities at the School;

- Additional employment that creates a conflict of interest or is incompatible with the employee's position with the School;
- Additional employment that impairs or has a detrimental effect on the employee's work performance with the School;
- Additional employment that requires the employee to conduct work or related activities on the School's property during the employer's working hours or using our School's facilities and/or equipment; and
- Additional employment that directly or indirectly competes with the business or the interests of the School.

Employees who wish to engage in additional employment must submit a written request to the School explaining the details of the additional employment. The School will advise the employee of whether a conflict appears to exist based on the information provided. The School assumes no responsibility for this determination or the employee's other employment. MPS shall not provide workers' compensation coverage or any other benefit for injuries occurring from or arising out of the additional employment. Authorization to engage in additional employment can be revoked at any time if a conflict is suspected.

## EMPLOYEE BENEFITS

### Holidays and Vacations

#### School Holidays

The School recognizes the following holidays. All exempt and nonexempt **full-time** employees will receive the following paid holidays in 2024-2025:

School Holidays	Dates
Independence Day	<b>July 4, 2024 (Thursday)</b> <i>(for 12month employees)</i>
Labor Day	<b>September 2, 2024 (Monday)</b>
Veterans Day	<b>November 11, 2024 (Monday)</b>
Thanksgiving Day*	<b>November 28, 2024 (Thursday)</b>
Day after Thanksgiving*	<b>November 29, 2024 (Friday)</b>
Christmas Holiday**	<b>December 25, 2024 (Wednesday)</b>
Winter Break Holiday**	<b>December 26, 2024 (Thursday)</b>
Winter Break Holiday**	<b>December 27, 2024 (Friday)</b>
New Year's Holiday**	<b>December 31, 2024 (Tuesday)</b>
New Year's Holiday**	<b>January 1, 2025 (Wednesday)</b>
M. L. King Day	<b>January 20, 2025 (Monday)</b>
Presidents' Day	<b>February 14, 2025 (Friday)</b> (Only MSA-SA & MSA-SD) <b>February 17, 2025 (Monday)</b> (ALL MPS & HO)
Cesar Chavez Day	<b>March 31, 2025 (Monday)</b>
Spring Break Holiday***	<b>April 2, 2025 (Wednesday)</b> (Only MSA-SD) <b>April 9, 2025 (Wednesday)</b> (Only MSA-SA) <b>April 16, 2025 (Wednesday)</b> (Only MSA1 to 8 & HO)
Spring Break Holiday***	<b>April 3, 2025 (Thursday)</b> (Only MSA-SD) <b>April 10, 2025 (Thursday)</b> (Only MSA-SA) <b>April 17, 2025 (Thursday)</b> (Only MSA1 to 8 & HO)
Memorial Day	<b>May 26, 2025 (Monday)</b>
Juneteenth Holiday	<b>June 19, 2025 (Thursday)</b>

\* Falls during Thanksgiving Break

\*\* Falls during Winter Break

\*\*\* Falls during Spring Break

## School Breaks

All **full-time** exempt employees will receive the following paid school breaks (which may include, and are not in addition to, the School Holiday Schedule above):

- Thanksgiving Break (including Thanksgiving Day and the Day after Thanksgiving)
- Winter Break (including the Christmas Day, Winter Break Holiday, and New Year's Day)
- Spring Break (including Spring Break Holiday)

**Part-time, temporary, and seasonal employees, and independent contractors, are not compensated during School breaks.**

Full-time **education specialists, school psychologists, college counselors, athletic directors, and school social workers** at the school sites will be treated as teaching staff for the purpose of holidays and vacation. If employees have any questions about their employment classification, they should consult with **MERF Human Resources**.

SCHOOL BREAKS	DATES
<b>Full-time teaching staff:</b>	
Thanksgiving Break	<b>November 25 (Mon)-November 29 (Fri), 2024</b> (All MPS Schools & HO)
Winter Break	<b>December 16, 2024 (Mon)-January 3, 2025 (Fri)</b> (For MSA1-8 & SA & HO) <b>December 23, 2024 (Mon)-January 3, 2025 (Fri)</b> (For Only MSA-SD)
Spring Break	<b>March 31, 2025 (Mon) - April 4, 2025 (Fri)</b> (Only MSA-SD) <b>April 7, 2025 (Mon) - April 11, 2025 (Fri)</b> (For MSA-SA) <b>April 14, 2025 (Mon) - April 18, 2025 (Fri)</b> (For MSA1 to 8 & HO)
<b>School administrators, classified exempt 12 month employees, and MERF employees:</b>	
Thanksgiving Break	<b>November 27 (Wed)-November 29 (Fri), 2024</b> (All MPS Schools & HO)
Winter Break	<b>December 18, 2024 (Wed)-January 3, 2025 (Fri)</b> (For MSA1-8 & SA & HO) <b>December 25, 2024 (Wed)-January 3, 2025 (Fri)</b> (For Only MSA-SD)
Spring Break	<b>April 2, 2025 (Wed) - April 4, 2025 (Fri)</b> (Only MSA-SD) <b>April 9, 2025 (Wed) - April 11, 2025 (Fri)</b> (For MSA-SA) <b>April 16, 2025 (Wed) - April 18, 2025 (Fri)</b> (For MSA1 to 8 & HO)

If a school site has a different schedule of breaks and/or additional breaks other than those listed above, such as fall break, Presidents' week, etc., the general rule of thumb is that fulltime teaching staff will take the whole break off in the school calendar while the School administrators and MERF employees will have two (2) days less off. Full-time, hourly classified staff are only eligible for pay according to the School Holiday Schedule above.

## Floating Holidays

All full-time MPS Employees are eligible to receive two (2) floating days each school year. Floating Holidays are not vacation days, and cannot be paid out, cashed out, and cannot be rolled over. Floating holidays are provided at the start of each school year.

## Vacation

The School provides vacation benefits to eligible employees to enable them to take paid time off for rest and recreation. Vacation is provided to prevent overworking. The School believes that this time is valuable for employees in order to enhance their productivity and to make their work experience with the School personally satisfying.

All **full-time 12 month** employees accrue vacation from the date of hire at the following accrual rates:

*ELIGIBLE EMPLOYEES	VACATION ACCRUAL	MAX CAP
School Administrators	Hours will accrue per pay period up to 160 hours (8 hours per pay period) per year	240 hours
School Classified Employees	Hours will accrue per pay period up to 120 hours (6 hours per pay period) per year	200 hours
MERF Employees	Hours will accrue per pay period up to 160 hours (8 hours per pay period) per year	240 hours

As a benefit to employees, eligible employees will accrue the maximum vacation time prior to the end of the year to facilitate their use of vacation time before the end of the year. This accelerated accrual does not entitle eligible employees to vacation time above and beyond their yearly accrual, as indicated in the chart above. Vacation time may not be utilized before it is earned. Vacation is rolled over from year to year and is capped at 240 hours for administrators and MERF employees, and 200 hours for fulltime classified employees. There is no retroactive grant of vacation compensation for the period of time the accrued vacation compensation was at the cap. Employees who have non-sick related partial or full day absences will have vacation time deducted from their vacation bank commensurate with their time off.

No vacation accrues during any unpaid leave of absence or while on disability salary continuation. Vacation accruals recommence when the employee returns to work.

On termination of employment, the eligible employee is paid all accrued, unused vacation at the employee's base rate of pay at the time of his or her separation from employment.

All vacations must be approved in advance by **the direct supervisor of the employee**, who will make reasonable efforts to accommodate employee requests. Vacation requests must be made at least two (2) weeks prior to the desired vacation time. Job requirements will always have precedence over vacation schedules. The School may attempt to have some of its employees stagger vacations in an effort to avoid affecting services.

**All 11 month employees, including non-classroom based academic employees and teaching staff, do not accrue vacation.**

For full-time teaching staff, the actual working days start on the first day of summer teacher in-service and end on the last day of school or on the end-of-year school wrap-up day, whichever is later.

**Any accrued but unused vacation will not be paid out at the end of the school year. Nonetheless, all employees are entitled to have their unused vacation time paid out upon separation from the School.**

### Sick Leave

To help prevent loss of earnings that may be caused by accident or illness, or by other emergencies, MPS offers paid sick leave to its employees. Sick leave may be taken to receive preventive care (including annual physicals or flu shots) or to diagnose, treat, or care for an existing health condition. Additionally, employees may use sick leave during public health emergencies resulting in the closure of MPS, the employee's child care provider, or the school of the employee's child. Employees may also use sick leave to assist a family member (i.e., children, parents, spouses/domestic partners, grandparents, grandchildren, siblings), or a designated person (i.e., one who is designated by the employee at the time the leave is requested) who must receive preventative care or a diagnosis, treatment, or care for an existing health condition. Employees limited to one (1) designated person per twelve (12) month period. Employees may also take paid sick leave to receive medical care or other assistance to address instances of domestic violence, sexual assault, or stalking.

All full-time and part-time staff will be credited with forty-eight (48) hours of sick leave at the start of the school year. In addition to the credited forty-eight (48) hours, all 11 and 12-month full-time employees will accrue two (2) sick leave hours per pay period. The maximum accrued sick leave is eighty (80) hours per year. Paid sick leave can be used by all MPS employees who work for at least thirty (30) days within the span of a single calendar year from the commencement of employment.

Employees may roll over up to eighty (80) hours of paid sick leave from year to year.

MPS EMPLOYEE SICK HOURS			
	BEGINNING	ACCRUAL	MAXIMUM ACCRUAL
<b>11-MONTHS FULL-TIME</b>	48 hours	2 hours per pay period	80 hours
<b>12-MONTHS FULL-TIME</b>	48 hours	2 hours per pay period	80 hours
<b>PART-TIME</b>	48 hours	X	N/A
<b>SEASONAL/TEMPORARY</b>	0	1 hour for every 30 hours worked	80 hours

Employees cannot use paid sick leave until the thirtieth (30<sup>th</sup>) calendar day following the employee's start date. Sick leave must be taken by eligible employees in increments of one (1) hour.

Sick leave is intended to be used only for the qualifying purposes stated above. MPS will not tolerate abuse or misuse of sick leave. If an employee is absent longer than **five (5)** days due to illness, medical evidence of the illness and/or medical certification of the employee's fitness to return to work may be required.

**It is integral to the operation of MPS programs, and the education of students, that MPS receive proper advance notice of paid sick leave absences. Unless the delay in reporting was unavoidable, employees must make advance requests for paid sick leave so coverage can be provided for their role, and student programs are not unnecessarily disrupted by a sudden absence. An employee who has an authorized reason for an absence, but no justifiable reason for failing to report it in advance as required by the attendance policy, may be subject to discipline for violation of this section. Employees who are absent for a paid sick leave related reason must request paid sick leave, as supervisors will not assume sick leave is appropriate and enter it on the employee's behalf.**

Once an employee has exhausted sick leave, the employee may continue on an unpaid medical leave, if eligible under applicable medical leave law, depending upon the facts and circumstances of the employee's basis for leave beyond the accrued sick leave. If an employee is not eligible for any applicable medical leave and has exhausted all paid sick leave, the employee will not be paid for time not worked. Employee requests for unpaid medical leave must be approved in advance by the School.

The School may offer to buy back unused paid sick leave days at **\$250** per day, at the School's discretion, by the end of June. Employees must work for the School for at least ninety (90) days of their work year before they may be eligible for the School to buy back their paid sick leave. For employees who do not complete ninety (90) days by June 30 and are therefore ineligible for the buy back, their paid sick leave will roll over up to the maximum cap. The School will not buy back any paid sick leave from new or continuing employees who (1) fail to work for the School for ninety (90) consecutive days of the new work year, or (2) are separated from the School based on misconduct, unprofessionalism, or suspicion of the same. The School does not buy back sick leave from temporary or seasonal employees, such as summer school employees.

### **Personal Necessity Leave:**

A full-time employee may elect to use up to five (5) days of accumulated sick leave each school year for personal necessity including any of the following specific reasons:

- Death or serious illness of a member of his/her immediate family (this is in addition to normal bereavement leave);
- Accident involving his/her person or property or the person or property of a member of his/her immediate family;
- Appearance in court as a litigant, or as a witness under official order;
- Adoption of a child;
- The birth of a child making it necessary for an employee who is the parent of the child to be absent from his/her position during the work hours;
- Business matters which cannot reasonably be conducted outside the workday.

Employees must request personal necessity leave at least one (1) day in advance, unless an emergency situation occurs. Personal necessity leave is not vacation but rather part of the sick leave policy. Personal necessity leave does not carry over from school year to school year.

MERF Offered Benefits Chart

☐ Temporary/seasonal employees may be eligible for health benefits and sick leave depending on the length of the assignment and the hours worked, as specified in the Health Benefits section and Paid Sick Leave section of this Handbook.

## INSURANCE BENEFITS

### Health Insurance

**Full-time** employees are entitled to health insurance benefits in accordance with applicable law and the School's health insurance plan. The School will cover one-hundred (**100%**) percent of the premium for employees who chose the HMO option and one-hundred (**100%**) percent of the premium to enroll legal dependents in the same program. The employee's portion of monthly premiums will be deducted from the employee's paycheck for employees who select the PPO selection or a greater amount of insurance coverage. The School may provide the employee a stipend payment at the rate of \$150 per month if employee is enrolled in a separate health insurance benefit program and declines all employer-sponsored health insurance benefits (i.e. medical, vision, and dental) in writing by no later than within the month of August of each year. MPS will not provide a stipend to employees who will receive or have employer sponsored health insurance coverage through an actively working partner spouse of MPS.

After the end of the open enrollment or once the employee selects a plan, employee may not cancel or convert from HMO to PPO or vice versa until the next open enrollment unless there is a qualifying event such as birth of a child, loss of coverage, marital status.

Part-time, and temporary/seasonal employees working less than 30 hours per week are not entitled to health benefits provided by the School. Independent contractors, consultants and leased employees (i.e., those working for an employment agency) are not employees of the School and are not eligible for benefits provided by the School.

If medical insurance premium rates increase, employees may be required to contribute to the cost of increased premiums to retain coverage. Unless otherwise mandated by law, employees on a leave of absence are responsible for selecting continuing health coverage and paying the premium for such coverage. Failure to timely request and pay for such coverage will result in the loss of coverage.

### Eligibility Coverage Start Date

Subject to health insurance carrier approval, employee coverage will begin on the first day of employment or if hired mid-month it will start on the first day of the next month. The employee is responsible for logging into MPS's Human Resources Information System and properly enrolling in any selected plans within the first thirty (30) days of their start date.

### Disability Insurance

All employees are enrolled in California State Disability Insurance (SDI), which is a partial wage replacement insurance plan for California workers. Employees may be eligible for SDI when they are out of work related to an injury, subject to SDI eligibility requirements. The employee must contact SDI for specific rules and regulations relating to SDI eligibility, and the **MERF Human Resources** may be available to assist.

### Family Leave Insurance

Employees covered by the SDI may also be covered by the California Paid Family Leave Insurance program. Eligible employees are entitled to receive up to eight (8) weeks of wage replacement benefits from the State of California when they suffer a wage loss for taking time off to care for a seriously ill or injured qualifying family member or to bond with a new child within one (1) year of birth or placement of the child with the employee. Specific rules and regulations relating to Family Leave Insurance are available from SDI, and the **MERF Human Resources** may be able to assist.

### Life Insurance

Employee life insurance is provided by MERF. All full-time employees will be covered upon hire, subject to program eligibility requirements. Employees should contact the Human Resources Department for coverage details.

### Workers' Compensation Insurance

Eligible employees are entitled to Workers' Compensation Insurance benefits when suffering from an occupational illness or injury. This benefit is provided at no cost to the employee. See below for a further description of making a claim for Workers' Compensation Insurance benefits.

### COBRA Benefits

#### Continuation of Benefits:

When coverage under the School's medical and/or dental plans ends, employees or their dependents can continue coverage for eighteen (18) or thirty-six (36) months, depending upon the reason benefits ended. To continue coverage, an employee must pay the full cost of coverage – the employee contribution and the School's previous contribution plus a possible administrative charge.

Medical coverage for an employee, his/her spouse, and eligible dependent children can continue for up to eighteen (18) months if coverage ends because:

- Employment ends, voluntarily or involuntarily, for any reason other than gross misconduct; or
- Hours of employment are reduced below the amount required to be considered a full-time employee or part-time, making the employee ineligible for the plan.

This eighteen (18)-month period may be extended an additional eleven (11) months in cases of disability subject to certain requirements. This eighteen (18)-month period also may be extended an additional eighteen (18) months if other events (such as a divorce or death) occur subject to certain requirements.

An employee's partner and eligible dependents can continue their health coverage for up to thirty-six (36) months if coverage ends because:

- The employee dies while covered by the plan;
- The employee and their partner become divorced or legally separated;
- The employee becomes eligible for Medicare coverage, but the employee's partner has not yet reached age sixty-five (65); or
- The employee's dependent child reaches an age which makes him or her ineligible for coverage under the plan.

Rights similar to those described above may apply to retirees, partners and dependents if the employer commences a bankruptcy proceeding and those individuals lose coverage.

MPS will notify employees or their dependents if coverage ends due to termination or a reduction in work hours. If an employee becomes eligible for Medicare, divorced or legally separated, dies, or when a dependent child no longer meets the eligibility requirements, the employee or a family member are responsible for notifying the School within thirty (30) days of the event. MPS will then notify the employee or dependents of the employee's rights.

Health coverage continuation must be elected within sixty (60) days after receiving notice of the end of coverage, or within sixty (60) days after the event causing the loss, whichever is later.

There are certain circumstances under which coverage will end automatically. This happens if: Premiums for continued coverage are not paid within thirty (30) days of the due date;

- The employee (or their partner or child) become covered under another group health plan which does not contain any exclusion or limitation with respect to any pre-existing condition the employee (or their partner or child, as applicable) may have;
- MPS stops providing group health benefits;
- The employee (or their partner or child) become entitled to Medicare; or
- The employee extended coverage for up to twenty-nine (29)-months due to disability and there has been a final determination that the employee is no longer disabled.

## LEAVES OF ABSENCE

## Family Care and Medical Leave

This policy explains how the School complies with the federal Family and Medical Leave Act ("FMLA") and the California Family Rights Act ("CFRA"), both of which require the School to permit each eligible employee to take up to twelve (12) workweeks (or twenty-six (26) workweeks where indicated) of FMLA/CFRA leave in any twelve (12) month period for the purposes enumerated below.

### Employee Eligibility Criteria:

To be eligible for FMLA/CFRA leave, the employee must have been employed by the School for a total of at least twelve (12) months, worked at least 1,250 hours during the twelve (12) month period immediately preceding commencement of the leave, and work at a location where the School has at least fifty (50) employees within seventy-five (75) miles, (except for purposes of CFRA where the School must only have at least five (5) employees).

### Events that may Entitle an Employee to FMLA/CFRA Leave:

The twelve (12) week (or twenty-six (26) workweeks where indicated) FMLA/CFRA allowance includes any time taken (with or without pay) for any of the following reasons:

- To care for the employee's newborn child or a child placed with the employee for adoption or foster care. Leaves for this purpose must conclude twelve (12) months after the birth, adoption, or placement. If **both parents** (or legal guardians) are employed by the School, they each will be entitled to a separate twelve (12) weeks of leave for this purpose, which cannot be loaned or otherwise assigned from one employee to the other.
- Because of the employee's own serious health condition (including a serious health condition resulting from an on-the-job illness or injury) that makes the employee unable to perform any one or more of the essential functions of his or her job (other than a disability caused by pregnancy, childbirth, or related medical conditions, which is covered by the School's separate pregnancy disability policy);
  - A "serious health condition" is an illness, injury (including, but not limited to on-the-job injuries), impairment, or physical or mental condition of the employee or a child, parent, or partner of the employee that involves either inpatient care or continuing treatment, including, but not limited to, treatment for substance abuse.
  - "Inpatient care" means a stay in a hospital, hospice, or residential health care facility, any subsequent treatment in connection with such inpatient care, or any period of incapacity. A person is considered an "inpatient" when a health care facility formally admits them to the facility with the expectation that he/she will remain at least overnight and occupy a bed, even if it later develops that such person can be discharged or transferred to another facility and does not actually remain overnight.
  - "Incapacity" means the inability to work, attend school, or perform other regular daily activities due to a serious health condition, its treatment, or the recovery that it requires.
  - "Continuing treatment" means ongoing medical treatment or supervision by a health care provider.
- To care for a **partner, domestic partner**, child, or parent with a serious health condition. A qualifying family member may also include a parent-in-law, grandparent, grandchild, sibling, or designated person for CFRA purposes. "Designated person" refers to any individual related by blood or whose association with the employee is the equivalent to a family relationship. Employees are limited to one (1) designated person per twelve (12) month period.

- When an employee is providing care to a partner, child, parent, or next of kin who is a covered Armed Forces service member with a serious injury or illness, the employee may take a maximum of twenty-six (26) weeks of additional FMLA leave in a single twelve (12) month period to provide said care. CFRA does not provide leave specific to caring for a service member.
- For any "qualifying exigency" because the employee is the partner, child, or parent of an individual on active military duty, or an individual notified of an impending call or order to active duty, in the Armed Forces. For CFRA purposes, this may also include a domestic partner.

#### Amount of FMLA/CFRA Leave Which May Be Taken:

- FMLA/CFRA leave can be taken in one (1) or more periods, but may not exceed twelve (12) workweeks total for any purpose in any twelve (12) month period, as described below, for any one, or combination of the above-described situations. "Twelve workweeks" means the equivalent of twelve (12) of the employee's normally scheduled workweeks. For a full-time employee who works five (5) eight-hour days per week, "twelve workweeks" means sixty (60) working and/or paid eight (8) hour days.
- In addition to the twelve (12) workweeks of FMLA/CFRA leave that may be taken, an employee who is the partner, child, parent, or next of kin of a covered Armed Forces service member may also be entitled to a total of twenty-six (26) workweeks of FMLA leave during a twelve (12) month period to care for the service member.
- The "twelve-month period" in which twelve (12) weeks of FMLA and CFRA leave may be taken is the twelve (12) month period immediately preceding the commencement of any FMLA/CFRA leave.
- If a holiday falls within a week taken as FMLA/CFRA leave, the week is nevertheless counted as a week of FMLA/CFRA leave. If, however, the School's business activity has temporarily ceased for some reason and employees are generally not expected to report for work for one or more weeks, such as the Winter Break, Spring Break, or Summer Vacation, the days the School's activities have ceased do not count against the employee's FMLA or CFRA leave entitlement. Similarly, if an employee uses FMLA/CFRA leave in increments of less than one (1) week, the fact that a holiday may occur within a week in which an employee partially takes leave does not count against the employee's leave entitlement unless the employee was otherwise scheduled and expected to work during the holiday.

#### Pay during FMLA/CFRA Leave:

- An employee on FMLA/CFRA leave because of his/her own serious health condition may use all accrued paid sick leave at the beginning of any otherwise unpaid FMLA/CFRA leave period. If an employee is receiving a partial wage replacement benefit during the FMLA/CFRA leave, the School and the employee may agree to have School-provided paid leave, such as vacation or sick time, supplement the partial wage replacement benefit unless otherwise prohibited by law
- An employee on FMLA/CFRA leave for baby-bonding or to care for a qualifying family member with a serious health condition may use any or all accrued sick leave at the beginning of any otherwise unpaid FMLA/CFRA leave.
- If an employee has exhausted his/her sick leave, leave taken under FMLA/CFRA shall be unpaid leave. If the employee's leave coincides with a paid holiday, the employee must have returned to work prior to the start of the paid holiday to be eligible for holiday pay.

- The receipt of sick leave pay or State Disability Insurance benefits will not extend the length of the FMLA or CFRA leave. Sick pay accrues during any period of unpaid FMLA or CFRA leave only until the end of the month in which unpaid leave began.

#### Health Benefits:

The provisions of the School's various employee benefit plans govern continuing eligibility during FMLA/CFRA leave, and these provisions may change from time to time. The health benefits of employees on FMLA/CFRA leave will be paid by the School during the leave at the same level and under the same conditions as coverage would have been provided if the employee had been continuously employed during the leave period. When a request for FMLA/CFRA leave is granted, the School will give the employee written confirmation of the arrangements made for the payment of insurance premiums during the leave period.

If an employee is required to pay premiums for any part of his/her group health coverage, the School will provide the employee with advance written notice of the terms and conditions under which premium payments must be made.

MPS may recover the health benefit costs paid on behalf of an employee during his/her FMLA/CFRA leave if:

- The employee fails to return from leave after the period of leave to which the employee is entitled has expired. An employee is deemed to have "failed to return from leave" if **employee** works less than thirty (30) days after returning from FMLA/CFRA leave; and
- The employee's failure to return from leave is for a reason other than the continuation, recurrence, or onset of a serious health condition that entitles the employee to FMLA/CFRA leave, or other circumstances beyond the control of the employee.

#### Seniority:

An employee on FMLA/CFRA leave remains an employee and the leave will not constitute a break in service. An employee who returns from FMLA/CFRA leave will return with the same seniority they had when the leave commenced. An employee who was absent from work while fulfilling their covered service obligation under the Uniformed Services Employment and Reemployment Rights Act (USERRA) shall be credited, upon his or her return to the School, with the hours of service that would have been performed but for the period of absence from work due to or necessitated by USERRA covered service.

#### Medical Certifications:

- An employee requesting FMLA/CFRA leave because of their own or a relative's serious health condition must provide medical certification from the appropriate health care provider on a form supplied by the School. Absent extenuating circumstances, failure to provide the required certification in a timely manner (within fifteen (15) days of the School's request for certification) may result in denial of the leave request until such certification is provided.
- The School will notify the employee in writing if the certification is incomplete or insufficient, and will advise the employee what additional information is necessary in order to make the

certification complete and sufficient. The School may contact the employee's health care provider to authenticate a certification as needed.

- If the School has reason to doubt the medical certification supporting a leave because of the employee's own serious health condition, the School may request a second opinion by a health care provider of its choice (paid for by the School). If the second opinion differs from the first one, the School will pay for a third, mutually agreeable, health care provider to provide a final and binding opinion.
- Recertifications are required if leave is sought after expiration of the time estimated by the health care provider. Failure to submit required recertifications can result in termination of the leave.

#### Procedures for Requesting and Scheduling FMLA/CFRA Leave:

- An employee should request FMLA/CFRA leave by completing a Request for Leave form and submitting it to the Principal (or MERF Human Resources for MERF employees). An employee asking for a Request for Leave form will be given a copy of the School's then-current FMLA/CFRA leave policy.
- Employees should provide not less than thirty (30) days' notice for foreseeable childbirth, placement, or any planned medical treatment for the employee or their qualifying family member. Failure to provide such notice is grounds for denial of a leave request, except if the need for FMLA/CFRA leave was an emergency or was otherwise unforeseeable.
- Where possible, employees must make a reasonable effort to schedule foreseeable planned medical treatments so as not to unduly disrupt the School's operations.
- If FMLA/CFRA leave is taken because of the employee's own serious health condition or the serious health condition of the employee's qualifying family member, the leave may be taken intermittently or on a reduced leave schedule when medically necessary, as determined by the health care provider of the person with the serious health condition.
- If FMLA/CFRA leave is taken because of the birth of the employee's child or the placement of a child with the employee for adoption or foster care, the minimum duration of leave is two (2) weeks, except that the School will grant a request for FMLA/CFRA leave for this purpose of at least one day but less than two (2) weeks' duration on any two (2) occasions.
- If an employee needs intermittent leave or leave on a reduced leave schedule that is foreseeable based on planned medical treatment for the employee or a family member, the employee may be transferred temporarily to an available alternative position for which he or she is qualified that has equivalent pay and benefits and that better accommodates recurring periods of leave than the employee's regular position.
- The School will respond to an FMLA/CFRA leave request no later than five (5) business days of receiving the request. If an FMLA/CFRA leave request is granted, the School will notify the employee in writing that the leave will be counted against the employee's FMLA/CFRA leave entitlement. This notice will explain the employee's obligations and the consequences of failing to satisfy them.

#### Return to Work:

- Upon timely return at the expiration of the FMLA/CFRA leave period, an employee is entitled to the same or a comparable position with the same or similar duties and virtually identical pay, benefits, and other terms and conditions of employment unless the same position and any comparable position(s) have ceased to exist because of legitimate business reasons unrelated to the employee's FMLA/CFRA leave.

- When a request for FMLA/CFRA leave is granted to an employee, the School will give the employee a written guarantee of reinstatement at the termination of the leave (with the limitations explained above).
- Before an employee will be permitted to return from FMLA/CFRA leave taken because of their own serious health condition, the employee must obtain a certification from their health care provider that they are able to resume work.
- If an employee can return to work with limitations, the School will evaluate those limitations and, if possible, will accommodate the employee as required by law. If accommodation cannot be made, the employee will be medically separated from the School.

#### Employment during Leave:

No employee, including employees on FMLA/CFRA leave, may accept employment with any other employer without the School's written permission. An employee who accepts such employment without the School's written permission will be deemed to have resigned from employment at the School.

#### Pregnancy Disability Leave

This policy explains how the School complies with the California Pregnancy Disability Act, which requires the School to give each female employee an unpaid leave of absence of up to four (4) months per pregnancy, as needed, for the period(s) of time a woman is actually disabled by pregnancy, childbirth, or related medical conditions.

#### Employee Eligibility Criteria:

To be eligible for pregnancy disability leave, the employee must be disabled by pregnancy, childbirth, or a related medical condition and must provide appropriate medical certification concerning the disability.

#### Events That May Entitle an Employee to Pregnancy Disability Leave:

The four (4) month pregnancy disability leave allowance includes any time taken (with or without pay) for any of the following reasons:

- The employee is unable to work at all or is unable to perform any one or more of the essential functions of her job without undue risk to herself, the successful completion of her pregnancy, or to other persons because of pregnancy or childbirth, or because of any medically recognized physical or mental condition that is related to pregnancy or childbirth (including severe morning sickness); or
- The employee needs to take time off for prenatal care.

#### Duration of Pregnancy Disability Leave:

Pregnancy disability leave may be taken in one or more periods, but not to exceed four months total. "Four months" means the number of days the employee would normally work within four

months. For a full-time employee who works five (5) eight (8) hour days per week, four (4) months means 693 hours of leave (40 hours per week times 17 1/3 weeks).

For employees who work more or less than forty (40) hours per week, or who work on variable work schedules, the number of working days that constitutes four (4) months is calculated on a pro rata or proportional basis. For example, for an employee who works twenty (20) hours per week, "four months" means 346.5 hours of leave entitlement (20 hours per week times 17 1/3 weeks). For an employee who normally works forty-eight (48) hours per week, "four months" means 832 hours of leave entitlement (48 hours per week times 17 1/3 weeks).

At the end or depletion of an employee's pregnancy disability leave, an employee who has a physical or mental disability (which may or may not be due to pregnancy, childbirth, or related medical conditions) may be entitled to reasonable accommodation. Entitlement to additional leave must be determined on a case-by case basis, taking into account a number of considerations such as whether an extended leave is likely to be effective in allowing the employee to return to work at the end of the leave, with or without further reasonable accommodation, and whether or not additional leave would create an undue hardship for the School. The School is not required to provide an indefinite leave of absence as a reasonable accommodation.

#### Pay During Pregnancy Disability Leave:

- An employee on pregnancy disability leave may use all accrued paid sick leave and may use any or all accrued vacation time at the beginning of any otherwise unpaid leave period.
- The receipt of vacation pay, sick leave pay, or state disability insurance benefits, will not extend the length of pregnancy disability leave.
- Vacation and sick pay accrues during any period of unpaid pregnancy disability leave only until the end of the month in which the unpaid leave began.

#### Health Benefits:

MPS shall provide continued health insurance coverage while an employee is on pregnancy disability leave consistent with applicable law. The continuation of health benefits is for a maximum of four (4) months in a twelve (12) -month period. MPS can recover premiums that it already paid on behalf of an employee if both of the following conditions are met:

- The employee fails to return from leave after the designated leave period expires.
- The employee's failure to return from leave is for a reason other than the following:
  - The employee is taking leave under the California Family Rights Act.
  - There is a continuation, recurrence or onset of a health condition that entitles the employee to pregnancy disability leave.
  - There is a non-pregnancy related medical condition requiring further leave.
  - Any other circumstance beyond the control of the employee.

#### Seniority:

An employee on pregnancy disability leave remains an employee of the School and a leave will not constitute a break in service. When an employee returns from pregnancy disability leave, she will return with the same seniority she had when the leave commenced.

Medical Certifications:

- An employee requesting a pregnancy disability leave must provide medical certification from her healthcare provider on a form supplied by the School. Failure to provide the required certification in a timely manner (within fifteen (15) days of the leave request) may result in a denial of the leave request until such certification is provided.
- Recertifications are required if leave is sought after expiration of the time estimated by the healthcare provider. Failure to submit required recertifications can result in termination of the leave.

Requesting and Scheduling Pregnancy Disability Leave:

- An employee should request pregnancy disability leave by completing a Request for Leave form and submitting it to the Principal (and MERF Human Resources for MERF employees). An employee asking for a Request for Leave form will be referred to the School's then current pregnancy disability leave policy.
- Employee should provide not less than thirty (30) days' notice or as soon as is practicable, if the need for the leave is foreseeable. Failure to provide such notice is grounds for denial of the leave request, except if the need for pregnancy disability leave was an emergency and was otherwise unforeseeable.
- Where possible, employees must make a reasonable effort to schedule foreseeable planned medical treatments so as not to unduly disrupt the School's operations.
- Pregnancy disability leave may be taken intermittently or on a reduced leave schedule when medically advisable, as determined by the employee's healthcare provider.
- If an employee needs intermittent leave or leave on a reduced leave schedule that is foreseeable based on planned medical treatment, the employee may be transferred temporarily to an available alternative position for which he or she is qualified that has equivalent pay and benefits that better accommodates recurring periods of leave than the employee's regular position.
- The School will respond to a pregnancy disability leave request within ten (10) days of receiving the request. If a pregnancy disability leave request is granted, the School will notify the employee in writing and leave will be counted against the employee's pregnancy disability leave entitlement. This notice will explain the employee's obligations and the consequences of failing to satisfy them.

Return to Work:

- Upon timely return at the expiration of the pregnancy disability leave period, an employee is entitled to the same position unless the employee would not otherwise have been employed in the same position at the time reinstatement is requested. If the employee is not reinstated to the same position, she must be reinstated to a comparable position unless one of the following is applicable:
  - The employer would not have offered a comparable position to the employee if she would have been continuously at work during the pregnancy disability leave.
  - There is no comparable position available, to which the employee is either qualified or entitled, on the employee's scheduled date of reinstatement or within sixty (60) calendar days thereafter. The School will take reasonable steps to provide notice to the employee if and when comparable positions become available during the sixty (60) day period.

A "comparable" position is a position that involves the same or similar duties and responsibilities and is virtually identical to the employee's original position in terms of pay, benefits, and working conditions.

- When a request for pregnancy disability leave is granted to an employee, the School will give the employee a written guarantee of reinstatement at the end of the leave (with the limitations explained above)
- In accordance with MPS policy, before an employee will be permitted to return from a pregnancy disability leave of **five (5) days or more**, the employee must obtain a certification from her healthcare provider that she is able to resume work.
- If the employee can return to work with limitations, the School will evaluate those limitations and, if possible, will accommodate the employee as required by law. If accommodation cannot be made, the employee will be medically separated from the School.

### Employment during Leave:

No employee, including employees on pregnancy disability leave, may accept employment with any other employer without the School's written permission. An employee who accepts such employment without written permission will be deemed to have resigned from employment.

### Unpaid Leave of Absence

MPS recognizes that special situations may arise where an employee must leave his or her job temporarily. At its discretion, the School may grant employees leaves of absence. Any unpaid leave of absence must be approved in advance by the School.

The granting of a leave of absence always presumes the employee will return to active work by a designated date or within a specific period.

During a Family and Medical Leave Act, California Family Rights Act leave, and/or Pregnancy Disability Leave, the employee's medical and dental benefits will remain in force, provided the employee pays the appropriate premiums. Otherwise, benefits are terminated the month any other type of leave begins. If an employee fails to return from a leave and is subsequently terminated, the employee is entitled to all earned but unused vacation pay, provided that the vacation pay was earned prior to the commencement of leave. No vacation time is accrued during any type of unpaid leave of absence.

### Funeral/Bereavement Leave

All MPS employees excluding temporary/seasonal employees will be allowed up to **five (5)** paid working days off within the same school year to arrange and attend the funeral of an immediate family member. For purposes of this policy, an employee's immediate family member includes a parent, spouse, children, sibling, parents-in-law, grandparents, grandchild, sister/brother-in-law, son/daughter-in-law, or domestic partner. All other employees who have worked for at least thirty (30) days, such as seasonal and temporary employees, are entitled to up to five (5) days of unpaid bereavement leave for the death of an immediate family member. Employees should contact the Principal or the Human Resources department to request bereavement leave. All bereavement requests should be in writing to the Principal and Human Resources department.

If any employee requires more than **five (5)** days off for bereavement leave, the employee may request to use accrued sick days, request additional unpaid leave or may request the opportunity to use any accrued vacation time, which may be granted at the discretion of the School. Bereavement pay will not be used in computing overtime pay.

### Reproductive Loss Leave

All employees who have worked for the School for at least thirty (30) days shall be eligible to take up to five (5) days of leave upon the employee experiencing a reproductive loss event. A reproductive loss event includes any failed adoption, failed surrogacy, miscarriage, stillbirth, or unsuccessful assisted reproduction. Reproductive loss leave must be used within three (3) months of a reproductive loss event. Employees may take up to twenty (20) days of leave due to qualifying reproductive loss events within a twelve (12) month period. Reproductive loss leave shall be unpaid unless the employee elects to use available accrued/unused paid leave. Reproductive loss leave shall not be used in computing overtime pay.

### Military and Military Spousal Leave of Absence

MPS shall grant a military leave of absence to any employee who must be absent from work due to service in the uniformed services in accordance with the Uniformed Services Employment and ReEmployment Rights Act of 1994 ("USERRA"). All employees requesting military leave must provide advance written notice of the need for such leave, unless prevented from doing so by military necessity or if providing notice would be impossible or unreasonable.

If military leave is for thirty (30) or fewer days, the School shall continue the employee's health benefits. For service of more than thirty (30) days, employee shall be permitted to continue their health benefits at their option through COBRA. Employees are entitled to use accrued vacation or paid time off as wage replacement during time served, provided such vacation/paid time off accrued prior to the leave.

Except for employees serving in the National Guard, MPS will reinstate those employees returning from military leave to their same position or one of comparable seniority, status, and pay if they have a certificate of satisfactory completion of service and apply within ninety (90) days after release from active duty or within such extended period, if any, as required by law. For those employees serving in the National Guard, if he or she left a full-time position, the employee must apply for reemployment within forty (40) days of being released from active duty, and if he or she left part-time employment, the employee must apply for reemployment within five (5) days of being released from active duty.

An employee who was absent from work while fulfilling his or her covered service obligation under the USERRA or California law shall be credited, upon his or her return to the School, with the hours of service that would have been performed but for the period of absence from work due to or necessitated by USERRA-covered service. Exceptions to this policy will occur wherever necessary to comply with applicable laws.

MPS shall grant up to ten (10) days of unpaid leave to employees who work more than twenty (20) hours per week and who are spouses of deployed military servicemen and servicewomen. The leave may be taken when the military spouse is on leave from deployment during a time of military conflict. To be eligible for leave, an employee must provide the School with (1) notice of intention to take military **partner** leave within two (2) business days of receiving official notice that the employee's military **partner** will be on leave from deployment, and (2) documentation certifying that the employee's military **partner** will be on leave from deployment during the time that the employee requests leave.

Advance notice of leave is required. Please inform **the Principal (or MERF Human Resources for MERF employees)** of anticipated military leave time as far in advance as possible. Accrued vacation will be paid during military leave at the employees request and health plan coverage continuance can be arranged for up to twenty-four (24) months during military leave if required premium payments are made by the employee. As with other leaves of absence, failure to return to work or to reapply within applicable time limits may result in termination of employment.

### Drug and Alcohol Rehabilitation Leave

The School will reasonably accommodate an employee who voluntarily enters and participates in an alcohol or drug rehabilitation program, including potentially providing unpaid leave to participate in the program. The School will not pay for the costs incurred in attending a rehabilitation program. An employee who wishes to identify themselves as an individual in need of the assistance of an alcohol or drug rehabilitation program may contact **MERF Human Resources**. The School will take all reasonable steps necessary to maintain the employee's privacy in this situation. The employee may use accrued sick leave or accrued vacation time, if any, during requested leave.

Nothing in this policy shall prohibit the School from refusing to hire or discharge an employee who, because of his or her current use of alcohol or drugs, is unable to perform his/her duties or cannot perform the duties in a manner that would not endanger his/her health or safety or the health or safety of others.

### Time Off for Adult Literacy Programs

The School will reasonably accommodate and assist any employee who reveals a problem of illiteracy and requests employer assistance in enrolling in an adult literacy education program. Employees will be required to bear the cost associated with enrollment in an adult literacy education program, but the School will assist the employee by providing the locations of local literacy education programs. The School may also arrange for a literacy education provider to visit the School.

An employee who wishes to reveal a problem of illiteracy and request School assistance should contact **MERF Human Resources**. The School will take all reasonable steps to safeguard the

employee's privacy. Nonexempt employees may use accrued vacation pay if available to make up for the work that is missed to attend literacy classes.

### School Appearance and Activities Leave

As required by law, MPS will permit an employee who is a parent or guardian (including a stepparent, foster parent, or grandparent) of school children, from kindergarten through grade twelve (12), or a child enrolled with a licensed child care provider, up to forty (40) hours of unpaid time off per child per school year (up to eight (8) hours in any calendar month of the school year) to participate in activities of a child's school or child care. If more than one (1) parent or guardian is an employee of MPS, the employee that first provides the leave request will be given the requested time off. Where necessary, additional time off will also be permitted where the school requires the employee(s) appearance.

The employee requesting school leave must provide reasonable advanced notice of the planned absence. The employee must use accrued but unused paid leave (e.g., vacation or sick leave) to be paid during the absence.

When requesting time off for school activities, the employee must provide verification of participation in an activity as soon as practicable. When requesting time off for a required appearance, the employee(s) must provide a copy of the notice from the child's school requesting the presence of the employee.

### Time Off to Serve as Election Official

Any employee who serves as an election official is eligible for unpaid leave on election day for purposes of service. Employees must notify **the Principal (or MERF Human Resources for MERF employees)** of their commitment to act as an election official as far in advance as possible.

### Time Off for Jury and Witness Duty

The School will provide employees unpaid leave to serve as required by law, on a jury or grand jury if the employee provides reasonable advance notice. The School will also provide employees unpaid leave to appear in court or other judicial proceeding as a witness, as permitted by law, to comply with a valid subpoena or other court order. The employee must notify **the Principal (or MERF Human Resources for MERF employees)** of their commitment to serve on a jury or as a witness as far in advance as possible.

### Victims of Abuse Leave

MPS provides reasonable and necessary unpaid leave and other reasonable accommodations to employees who are victims of domestic violence, sexual assault, stalking or other crimes. Such leave may be taken to attend legal proceedings or to obtain or attempt to obtain any relief

necessary, including a restraining order, to ensure the employee's own health, safety or welfare, or that of the employee's child or children or when a person whose immediate family member is deceased as the direct result of a crime. A crime includes a crime or public offense that would constitute a misdemeanor or felony if the crime had been committed in California by a competent adult, an act of terrorism against a resident of California (whether or not such act occurs within the state), and regardless of whether any person is arrested for, prosecuted for, or convicted of, committing the crime. Employees may also request unpaid leave for the following purposes:

- Seek medical attention for injuries caused by domestic violence, sexual assault, or stalking.
- Obtain services from a domestic violence shelter, program, or rape crisis center.
- Obtain psychological counseling for the domestic violence, sexual assault, or stalking.
- Participate in safety planning, such as relocation, to protect against future domestic violence, sexual assault, or stalking.

To request leave under this policy, an employee should provide MPS with as much advance notice as practicable under the circumstances. If advance notice is not possible, the employee requesting leave under this policy should provide MERF Human Resources one (1) of the following certifications upon returning back to work:

1. A police report indicating that the employee was a victim of domestic violence, sexual assault, or stalking.
2. A court order protecting the employee from the perpetrator or other evidence from the court or prosecuting attorney that the employee appeared in court.
3. Documentation from a licensed medical professional, domestic violence or sexual assault counselor, licensed health care provider, or counselor showing that the employee's absence was due to treatment for injuries or abuse from domestic violence, sexual assault, or stalking.
4. Any other form of documentation that reasonably verifies that the crime or abuse occurred, including but not limited to, a written statement signed by the employee, or an individual acting on the employee's behalf, certifying that the absence is for a purpose authorized under the law.

Employees requesting leave under this policy may choose to use accrued paid leave. In addition, MPS will provide reasonable accommodations to employees who are victims of domestic violence, sexual assault or stalking for the employees' safety while at work. To request accommodation under this policy, an employee should contact **MERF Human Resources**.

### Time Off for Volunteer Firefighters

Employees who perform emergency duties as volunteer firefighters, reserve peace officers or emergency rescue personnel will be given reasonable time off from work in accordance with the law. Employees are requested to alert **the Principal (or MERF Human Resources for MERF employees)** of their status as volunteer firefighters, reserve peace officers or emergency rescue personnel so that the School will have advanced notice of the employee's potential need to leave the School in the event of an emergency. Any time an employee must perform emergency duties, he/she must notify **the Principal (or MERF Human Resources for MERF employees)** before leaving the School's premises.

## Time Off for Voting

Employees who do not have sufficient time outside of their regular working hours to vote in a statewide election may request time off to vote. If possible, employees should make their request at least two days in advance of the election. Up to two (2) hours of paid time off will be provided, at the beginning or the end of the employee's regular shift, whichever will allow the most free time for voting and the least time off work. Please contact **the Principal (or MERF Human Resources for MERF employees)** to request and schedule time off to vote.

## Industrial Injury Leave (Workers' Compensation)

MPS, in accordance with State law, provides insurance coverage for employees in case of work-related injuries. The workers' compensation benefits provided to injured employees may include:

- Medical care;
- Cash benefits, tax-free to replace lost wages; and
- Vocational rehabilitation to help qualified injured employees return to suitable employment.

To ensure the employee receives any worker's compensation benefits to which they may be entitled, employees will need to:

- Immediately report any work-related injury to the Principal;
- Seek medical treatment and follow-up care if required;
- Complete a written Employee's Claim Form (DWC Form 1) and return it to the Principal; and
- Provide the School with a certification from a health care provider regarding the need for workers' compensation disability leave as well as the employee's eventual ability to return to work from the leave.

It is the School's policy that when there is a job-related injury, the first priority is to ensure that the injured employee receives appropriate medical attention. MPS, with the help of its insurance carrier has selected medical centers to meet this need. Each medical center was selected for its ability to meet anticipated needs with high quality medical service and a location that is convenient to the School's operation.

- If an employee is injured on the job, they will go or be taken to the approved medical center for treatment. If injuries are such that they require the use of emergency medical systems ("EMS") such as an ambulance, the choice by the EMS personnel for the most appropriate medical center or hospital for treatment will be recognized as an approved center.
- All accidents and injuries must be reported to the Principal and to the individual responsible for reporting to the School's insurance carrier. Failure by an employee to report a work-related injury by the end of his/her shift could result in loss of insurance coverage for the employee. An employee may choose to be treated by their personal physician at his/her own expense, but they are still required to go to the School's approved medical center for evaluation. All job related injuries must be reported to the appropriate State Workers' Compensation Bureau and the insurance carrier.
- When there is a job-related injury that results in lost time, the employee must have a medical release from the School's approved medical facility before returning to work.

- Any time there is a job-related injury, the School's policy requires drug/alcohol testing along with any medical treatment provided to the employee.

### Bone Marrow and Organ Donor Leave

As required by law, eligible employees who require time off to donate bone marrow to another person may receive up to five (5) workdays off in a 12-month period. Eligible employees who require time off to donate an organ to another person may receive up to sixty (60) workdays off in a twelve (12) month period.

To be eligible for bone marrow or organ donation leave ("Donor Leave"), the employee must have been employed by the School for at least ninety (90) days immediately preceding the Donor Leave.

An employee requesting Donor Leave must provide written verification to the School that they are a donor and that there is a medical necessity for the donation of the organ or bone marrow.

Up to five (5) days of leave for bone marrow donation, and up to thirty (30) days of leave for organ donation, may be paid provided the employee first uses five (5) days of accrued paid leave for bone marrow donation and two (2) weeks of accrued paid leave for organ donation. If the employee has an insufficient number of paid leave days available, the leave will otherwise be paid.

Employees returning from Donor Leave will be reinstated to the position held before the leave began, or to a position with equivalent status, benefits, pay and other terms and conditions of employment. The School may refuse to reinstate an employee if the reason is unrelated to taking a Donor Leave. A Donor Leave is not permitted to be taken concurrently with an FMLA/CFRA Leave.

### Returning from Leave of Absence

Employees cannot return from a medical leave of absence without first providing a sufficient doctor's return to work authorization.

When business considerations require, the job of an employee on leave may be filled by a temporary or regular replacement. An employee should give **the Principal (or MERF Human Resources for MERF employees)** thirty (30) days' notice before returning from leave. Whenever the School is notified of an employee's intent to return from a leave, the School will attempt to place the employee in his former position or in a comparable position with regard to salary and other terms and conditions for which the employee is qualified. However, re-employment cannot always be guaranteed. If employees need further information regarding Leaves of Absence, they should consult **MERF Human Resources**.

## RETIREMENT

### Certificated Staff Members

All certificated staff members who are eligible, including, but not limited to, administrators, counselors, school psychologists, special education program administrators, and teaching employees will participate in the State Teachers' Retirement System (STRS).

### Classified Staff Members

All full-time non-certificated staff members, including, but not limited to, office staff and instructional aides, are eligible to participate in the Public Employees' Retirement System (PERS).

All part-time non-certificated employees hired to work six months or more become eligible to participate in PERS on the date of hire. For part-time employees, they become PERS members the first day of the next pay period after completion of 1,000 hours or 125 days in a fiscal year.

All non-credentialed employees also contribute to Social Security.

### MPS Home Office Staff Members

Full-time Home Office staff members may be eligible to participate in the Public Employees' Retirement System (PERS), the State Teachers' Retirement System (STRS) or 401(K) Retirement Plan.

### Oversight of Benefits

The HR Department and the Finance Department at the MPS Home Office are responsible for monitoring the appropriate administration of benefits and ensuring appropriate arrangements for retirement coverage are made for all employees. MERF will make any contribution that is legally required of the employer, including STRS, PERS, Social Security, workers' compensation, and other payroll obligations.

All withholdings from employees and the MERF will be forwarded to the STRS and PERS funds as required. Employees will accumulate service credit years in the same manner as all other members of STRS and PERS. MERF will submit all retirement data and will comply with all policies and procedures for payroll reporting. MERF assures that it will provide retirement information in a format required by the Counties.

## EMPLOYMENT EVALUATION AND SEPARATION

### Employee Reviews and Evaluations

Each employee will receive periodic performance reviews conducted by their **direct supervisor**. MERF may utilize secure online staff evaluation platform to evaluate staff performances. Performance evaluations will be conducted annually. The frequency of performance evaluations may vary depending upon length of service, job position, past performance, changes in job duties or recurring performance problems.

Performance evaluations may review factors such as the quality and quantity of the work performed, knowledge of the job, initiative, work attitude, and attitude toward others. The performance evaluations are intended to make employees aware of their progress, areas for improvement and objectives or goals for future work performance. Favorable performance evaluations do not guarantee increases in salary or promotions or job retention. Salary increases and promotions are solely within the discretion of the School and depend upon many factors in addition to performance. After the review, employees will be required to sign the evaluation report simply to acknowledge that it has been presented to them, that the employee discussed it with their **direct supervisor**, and that they are aware of its contents. Employees may also acknowledge receipt of performance evaluations through the online platform provided by MERF. The evaluation system or any failure to evaluate an employee in no way alters the at-will employment relationship.

Newly hired employees may have their performance goals reviewed by **your direct supervisor** within the first **ninety (90)** days of employment.

### Discipline and Involuntary Termination

Violation of the School's policies and rules may warrant disciplinary action, which may take multiple forms, including verbal warnings, written warnings, suspensions and/or termination. The School's disciplinary system is informal and the School may, in its sole discretion, utilize any form of discipline it deems appropriate under the circumstances, up to and including termination of employment upon the first offense.

The disciplinary process will be determined by the School in light of the facts and circumstances of each case. Each situation will be considered in light of a variety of factors including, but not limited to, the seriousness of the situation, the employee's past conduct and length of service, and the nature of the employee's previous performance or incidents involving the employee. These policies apply to all employees of the School and apply to all job-related activities of such employees.

Violations of the Employee Handbook, employment agreement, MPS charter, or applicable law are all independently and collectively considered misconduct and will result in disciplinary action up to and including release from at-will employment.

## Voluntary Termination

Except if stated expressly otherwise by employment contract, either the employee or the School may terminate the at-will employment relationship at any time, with or without notice and with or without cause. While it is not required, the School requests that at-will employees electing to resign give as much advance notice as possible (preferably two weeks) to allow the School to plan for your departure.

An exit interview may be scheduled by **your direct supervisor or the HR Department**. The purposes of the exit interview is to review eligibility for benefit conversion, to ensure that all necessary forms are completed, to collect any School property (including keys, equipment, documents and records) that may be in the employee's possession, to review the employee's obligations regarding confidential information, and to provide the employee with the opportunity to make any constructive comments and suggestions on improving the working environment at the School. The School appreciates receiving candid opinions of the employee's employment.

## Pay at Time of Separation

Employees separated from employment will be paid for time worked according to applicable laws. For full-time employees who are employed for less than a full pay period in their last month, salary payments are computed on the basis of actual working days in the month. For this purpose, working days are considered to be forty (40) hours Monday through Friday unless otherwise specified.

The School will buy back all unused sick leave days from employees at the rate of \$ **250** per day. The School will not buy back any paid sick leave from new or continuing employees who fail to work for the School for ninety (90) days of the new work year. Additionally, employees who are terminated based on misconduct or unprofessionalism, or who resign under suspicion of misconduct or unprofessionalism, are not eligible to have paid sick leave paid to them upon their separation from employment. The School does not buy back sick leave from temporary or seasonal employees, such as summer school employees.

Pay for earned but unused vacation time will be provided to full-time employees at time of separation at the employee's current rate of pay.

Final pay, including pay for any earned but unused sick leave days and vacation time, and if applicable, pay for summer holdback for full-time teaching staff, will be provided in accordance with applicable law. Only employees who are not terminated for misconduct or other related conduct are eligible to be paid for sick leave under the policy.

## Employment References/Verifications

All requests for references and employment verifications must be promptly directed to the employee's **direct supervisor and/or the HR Department**. When contacted for an employment verification, the School will only provide information concerning dates of employment, the title of

the last position held and length of service. The School may be required to disclose when an employee has been reported to the CTC for allegations of misconduct. Other employees may not provide any employment verifications or provide a professional reference on behalf of the School for another employee. MPS strongly advises supervisors not to provide letters of recommendation on MPS letterhead.

## INTERNAL COMPLAINT REVIEW & OPEN DOOR

### Open Door Policy

The School wishes to provide the most positive and productive work environment possible. To that end, it has an open door policy where it welcomes employee questions, suggestions or complaints relating to work, conditions of employment, the School or the treatment of employees. Other than in situations involving harassment (as outlined and described above), the employee must contact **the Principal (or MERF Human Resources for MERF employees)** with questions or concerns. If the situation is not satisfactorily resolved, the employee should contact **MERF Human Resources**, preferably in writing, who may further review the issue.

### Internal Complaint Review

The purpose of the "Internal Complaint Review Policy" is to afford all employees of the School the opportunity to seek internal resolution of their work-related concerns. All employees have free access to **the CEO** or **Board of Directors** to express their work-related concerns.

Specific complaints of unlawful harassment, discrimination, and retaliation are addressed under the School's "Policy Prohibiting Unlawful Harassment, Discrimination, and Retaliation."

#### Internal Complaints:

*(Complaints by Employees against Employees)*

This section of the policy is for use when a School employee raises a complaint or concern about a coworker.

If reasonably possible, internal complaints should be resolved at the lowest possible level, including attempts to discuss/resolve concerns with the employee's **direct supervisor**. However, in the event an informal resolution may not be achieved or is not appropriate, the following steps will be followed by **the Principal (or the Chief People Officer (or designee) for MERF employees)**:

- The complainant will bring the matter to the attention of **the Principal (or the Chief People Officer (or designee) for Home Office employees)** as soon as possible after attempts to resolve the complaint with the immediate supervisor have failed or if not appropriate; and
- The complainant will reduce their complaint to writing, indicating all known and relevant facts. **The Principal (or the Chief People Officer for Home Office employees) (or designee)** will carefully consider the facts and circumstances and may investigate the facts and provide a solution or explanation;

- If the complaint is about the Principal, the complainant may file his or her complaint in a signed writing to the **Chief People Officer (or designee.) The Chief People Officer (or designee)** will carefully consider the facts and circumstances and may investigate the facts and provide a solution or explanation;  
If the complaint is about the Chief People Officer, the complainant may file his or her complaint in a signed writing to **the CEO**, who will then conduct a fact-finding or authorize a designee or third-party investigator on behalf of the CEO. **The CEO, designee, or investigator** will carefully consider the facts and circumstances and may investigate the facts and provide a solution or explanation
- If the complaint is about the CEO, the complainant may file his or her complaint in a signed writing to **the Chief People Officer and President of the School's Board of Directors**, who will then confer with the Board and may conduct a fact-finding or authorize a third-party investigator on behalf of the Board. **The Board President or investigator** will report their findings to the Board for review and action, if necessary.

#### Policy for Complaints Against Employees:

*(Complaints by Third Parties against Employees)*

This section of the policy is for use when a non-employee raises a complaint or concern about a School employee.

If complaints cannot be resolved informally, complainants may file a written complaint with the office of **the Principal or the Chief People Officer** (if the complaint concerns the Principal and/or Home Office employees) or **the Board President** (if the complaint concerns the CEO) as soon as possible after the events that give rise to the complainant's concerns. The written complaint should set forth in detail the factual basis for the complaint.

In processing the complaint, **the Principal (or the Chief People Officer (or the Board President) (or designee)** shall abide by the following process:

- The Principal (or the **Chief People Officer**) (or designee) shall use **their** best efforts to talk with the parties identified in the complaint and to ascertain the facts relating to the complaint.
- In the event that the Principal (or the **Chief People Officer**) (or designee) finds that a complaint against an employee is valid, the Principal (or the **Chief People Officer**) (or designee) may take appropriate disciplinary action against the employee. As appropriate, the Principal (or the **Chief People Officer**) (or designee) may also simply counsel/reprimand employees as to their conduct without initiating formal disciplinary measures.
- The Principal's (or the **Chief People Officer's**) (or designee's) decision relating to the complaint shall be final unless it is appealed to the Board of Directors. The decision of the Board shall be final.

#### General Requirements:

- Confidentiality: All complainants will be notified that information obtained from the complainants and thereafter gathered will be maintained in a manner as confidential as possible, but in some circumstances absolute confidentiality cannot be assured.
- Non-Retaliation: All complainants will be advised that they will be protected against retaliation as a result of the filing of any complaints or participation in any complaint process.

- Resolution: The Board (if a complaint is about the CEO) or the Chief People Officer (if a complaint is about the Principal or MERF employees) or the Principal or designee will investigate complaints appropriately under the circumstances and pursuant to the applicable procedures, and if necessary, take appropriate remedial measures to ensure effective resolution of any complaint.

## AMENDMENT TO EMPLOYEE HANDBOOK

This Employee Handbook contains the employment policies and practices of the School in effect at the time of publication.

MPS reserves the right to amend, delete or otherwise modify this Handbook at any time provided that such modifications are in writing and duly approved by the employer. Any modification replaces any pre-existing policies and Handbooks to the extent they are in conflict.

Any written changes to the Handbook will be distributed to all employees. No oral statements can in any way alter the provisions of this Handbook.

APPENDIX A

**HARASSMENT/DISCRIMINATION/RETALIATION COMPLAINT FORM**

*It is the policy of the School that all of its employees be free from harassment, discrimination, and retaliation. This form is provided for you to report what you believe to be harassment, discrimination, or retaliation so that the School may investigate and take appropriate disciplinary or other action when the facts show that there has been harassment, discrimination, or retaliation.*

*If you are an employee of the School, you may file this form with the **Chief People Officer**, Principal, MERF Human Resources, or Board President.*

*Please review the School's policies concerning harassment, discrimination, and retaliation for a definition of such unlawful conduct and a description of the types of conduct that are considered unlawful.*

*MPS will undertake every effort to handle the investigation of your complaint in a confidential manner. In that regard, the School will disclose the contents of your complaint only to those persons having a need to know. For example, to conduct its investigation, the School will need to disclose portions of your factual allegations to potential witnesses, including anyone you have identified as having knowledge of the facts on which you are basing your complaint, as well as the alleged offender.*

*In signing this form below, you authorize the School to disclose to others the information you have provided herein, and information you may provide in the future. Please note that the more detailed information you provide, the more likely it is that the School will be able to address your complaint to your satisfaction.*

*Charges of harassment, discrimination, and retaliation are taken very seriously by the School both because of the harm caused by such unlawful conduct, and because of the potential sanctions that may be taken against the offender. It is therefore very important that you report the facts as accurately and completely as possible and that you cooperate fully with the person or persons designated to investigate your complaint.*

**Appendix C**

**ARBITRATION AGREEMENT**

This ARBITRATION AGREEMENT ("Agreement") is made by and between Magnolia Public Schools ("MPS") and \_\_\_\_\_ ("Employee"). The purpose of this Agreement is to establish final and binding arbitration for all disputes arising out of Employee's relationship with MPS from the inception of the employment relationship, including, but not limited to, Employee's employment or the termination of Employee's employment, to the fullest extent permitted by applicable law. Employee and MPS desire to arbitrate their disputes on the terms and conditions set forth below to gain the benefits of a speedy, impartial dispute-resolution procedure, and pursuant to the Federal Arbitration Act ("FAA"). Employee and MPS agree to the following:

1. Claims Covered by the Agreement.

1.1 Employee and MPS both agree to exclusively and finally resolve by binding arbitration **any and all claims or controversies** ("claims") that MPS may have against Employee or that Employee may have against MPS or against its past, present, or future predecessors, successors, assigns, affiliates, parent and subsidiary companies, joint ventures, pension or benefit plans, administrators, vendors, contractors, and their respective past, present, or future officers, directors, employees, stockholders, representatives, managers, members, partners, partnerships, agents, guests, parents, students, clients, suppliers, vendors, educational advisors, business advisors, financial advisors, attorneys, and accountants, insurers, and indemnitees (collectively, "MPS"), relating to, resulting from, or in any way arising out of this Agreement or the enforcement, interpretation or validity of this Agreement, including the determination of the scope or applicability of this Agreement, any aspect of Employee's relationship with MPS, any aspect of Employee's employment relationship with MPS (pre-hire through post-termination), and/or the termination of Employee's employment relationship with MPS, and/or any act or omission between Employee and MPS to the extent permitted by law. **This**

**Agreement does not cover any claim, cause of action, or actions pursuant to workers' compensation laws, unemployment insurance benefits with the Employment Development Department, or any other dispute if an agreement to arbitrate such a dispute is prohibited by law.**

Further, nothing in this Agreement precludes Employee from pursuing any administrative agency claims, including, but not limited to, claims with the Civil Rights Division, the Equal Employment Opportunity Commission, the Division of Labor Standards Enforcement, the Department of Labor, and/or the California Public Employment Relations Board.

- 2.1 The scope of this Agreement is intended to be broad and comprehensive and includes, without limitation, claims for wages or other compensation, including reimbursements, due; claims for penalties or premiums; claims for violations of the California Labor Code; claims for breach of any contract or covenant (express or implied); tort claims (including, but not limited to, those relating to performance or reputation); claims for discrimination, harassment, and/or retaliation (including, but not limited to, race, religious creed (which includes religious dress and grooming practices), color, national origin, ancestry, physical disability, mental disability, medical condition, genetic information, marital status, sex (which includes pregnancy, childbirth, breastfeeding, and related medical conditions), gender, gender identity, gender expression, age, sexual orientation, military or veteran status, or any other consideration made unlawful by federal, state or local laws, ordinances, or regulations); claims for violation of any leaves of absence or accommodations laws; claims for wrongful termination or whistleblowing; claims for benefits (except where an employee benefit or pension plan specifies that its claims procedure shall culminate in an arbitration procedure different from this one); claims for violation of trade secret, proprietary, or confidential information laws; claims for unfair business practices; claims for invasion of privacy; and claims for violation of any public policy, federal, state, or other governmental law, statute, regulation, or ordinance.
  
- 3.1 To the fullest extent permitted by law, MPS and Employee agree that for any claim brought on an individual basis, including under the Private Attorneys General Act of 2004, California Labor Code § 2698, *et seq.* ("PAGA"), any such dispute shall be resolved in arbitration on an individual basis (*i.e.*, to resolve whether Employee has personally been aggrieved or subject to any violations of law). To the extent there are any PAGA claims to be litigated in a court of competent jurisdiction, including any representative claims, the MPS and Employee agree that litigation of those claims shall be stayed pending the outcome of any individual claims in arbitration, regardless of which claims or

actions were filed first. If any provision of this section is found to be unenforceable or unlawful for any reason, the unenforceable provision shall be severed from this arbitration provision and severance of the unenforceable provision shall have no impact whatsoever on the Agreement as a whole, which shall remain enforceable as to all other terms.

2. Arbitration Procedures.

- 1.1 Required Notice of Claims and Statute of Limitations. Employee may initiate arbitration by serving or mailing a written notice to the Chief Executive Officer of MPS at MPS's principal place of business. MPS may initiate arbitration by serving or mailing a written notice to Employee at the last address recorded in Employee's personnel file. The written notice must specify with reasonable particularity the claims asserted against the other party. Notice of any claim sought to be arbitrated must be served within the limitations period established by applicable federal or state law. After demand for arbitration has been made by serving written notice, the party demanding arbitration shall file a demand for arbitration with the Office of JAMS located within 50 miles of (i) the last address recorded in Employee's personnel file or (ii) the JAMS closest to the last MPS worksite with which Employee most regularly communicated, whichever is closer. The location of the arbitration is determined in accordance with Section 2.8. Applicable law is determined in accordance with Section 2.6.
- 2.1 Selection of Arbitration and Applicable Rules. The arbitrator shall be selected within sixty (60) days of the party initiating arbitration under Section 2.1 from the panel of JAMS and the arbitration shall be conducted pursuant to JAMS policies and procedures. Except as provided herein, all rules governing the arbitration shall be the then-applicable rules set forth by JAMS. If the dispute is employment-related, the dispute shall be governed by JAMS's then-current version of the national rules for the resolution of employment disputes, with the exception that discovery and motions for summary judgment will be governed by Sections 2.3 and 2.4 of this Agreement. JAMS's then-applicable rules governing the arbitration may be obtained from JAMS's website, which currently is [www.jamsadr.com](http://www.jamsadr.com).
- 3.1 Discovery and Motions. The parties shall be entitled to engage in all types of discovery (e.g., depositions, interrogatories, request for production of documents, etc.) regarding and relevant to the subject matter of the dispute submitted to arbitration pursuant to the Federal Rules of Civil Procedure ("FRCP"), including but not limited to, FRCP 26. A copy of the FRCP may be obtained from the website of the United States Courts, which is currently

<http://www.uscourts.gov/rules-policies/current-rules-practice-procedure/federal-rules-civil-procedure>.

The arbitrator is authorized to rule on discovery motions brought under the FRCP. All discovery must be completed no later than twenty (20) days prior to the date set for the arbitration hearing; provided, however, that no discovery may be initiated until after the dispute has been formally submitted to arbitration and an arbitrator has been mutually agreed-upon.

- 4.1 Dispositive Motions. Either party may file a motion for summary judgment with the arbitrator in accordance with Rule 56 of the FRCP.
- 5.1 Offers Of Judgment. Either party may serve an offer of judgment consistent with the FRCP.
- 6.1 Applicable Law and Arbitrator Authority. The arbitrator shall apply the substantive law (and the law of remedies, if applicable) of the state in which the claim arose, or federal law, or both, as applicable to the claim(s) asserted. **The arbitrator shall have exclusive authority to resolve any dispute relating to the interpretation, applicability, enforceability, or formation of this Agreement, including, but not limited to, any claim that all or any part of this Agreement is void or voidable.**

----- **(Employee's Initials Acknowledging Arbitrator's Exclusive Authority)**

- 7.1 Arbitration Decision. The arbitrator's decision will be final and binding. The arbitrator shall issue a written arbitration decision revealing the essential findings and conclusions upon which the decision and/or award is based within thirty (30) calendar days after the hearing's completion. A party's right to appeal the decision is limited to grounds provided under applicable federal or state law.
- 8.1 Place of Arbitration. The arbitration shall take place at a mutually convenient location (preference shall be provided to a JAMS office) that must be within fifty (50) miles of Employee's last known address with MPS. If the parties cannot agree upon a location, or if a JAMS office is not within fifty (50) miles of Employee's last known address with MPS, then the arbitration shall be held at the JAMS office closest to the last MPS worksite with which Employee most regularly communicated. If Employee worked remotely, then the arbitration shall be held at the JAMS office closest to MPS's worksite where Employee was "assigned," even though Employee did not physically work at the worksite.

3. Application for Emergency Injunctive and/or Other Equitable Relief. Claims by MPS or Employee for emergency injunctive and/or other equitable relief relating to unfair competition and/or the use and/or unauthorized disclosure of trade secrets or confidential information shall be submitted to JAMS for emergency treatment. The parties agree that the JAMS administrator may select a neutral hearing officer (subject to conflicts) to hear the emergency request only. The hearing officer should be experienced in considering requests for emergency injunctive and/or other equitable relief. The hearing officer shall conform his/her consideration and ruling with the applicable legal standards as if this matter were heard in a court of law in the applicable jurisdiction for such a dispute.
4. Severability. Should any portion of this Agreement be found unenforceable, such portion will be severed from this Agreement, and the remaining portions shall continue to be enforceable.
5. Effective Date. This Agreement is retroactively effective to the date that Employee's employment with MPS initially began. This Agreement to arbitrate shall survive the termination of Employee's employment.
6. Construction. This Agreement shall be construed and enforced pursuant to the FAA. The Arbitrator, and not any federal, state, or local court or agency, shall have the exclusive authority to resolve any dispute relating to the interpretation, applicability, enforceability, or formation of this Agreement, including, but not limited to, any claim that all or any part of this Agreement is void or voidable. Any disputes regarding the enforceability or validity of this Agreement or any of its provisions shall be resolved as if the arbitrator or other decision-maker, if any, is acting as a federal district court judge applying the FAA and its precedent.

----- **(Employee's Initials Acknowledging the FAA)**

7. Consideration. For employees who are currently employed, MPS's offer to make Employee eligible for promotions, raises, bonuses, gifts and prizes in the future, and the promises by MPS and Employee to arbitrate differences, rather than litigate them before courts or other bodies, provide consideration for each other to enter into this Agreement. For newly hired employees, MPS and Employee agree that in addition to the above consideration, MPS's offer of employment (at-will or otherwise) provides adequate consideration for each other to enter into this Agreement.
8. Signatures. A facsimile, scanned, copy, digital, or photographic signature shall have the same force and effect as an original signature.
9. Representation, Fees, and Costs. Each party may be represented by an attorney or other representative selected by the party. Each party shall be responsible for its own attorneys' or representatives' fees. However, if

any party prevails on a statutory claim that affords the prevailing party's attorneys' fees, or if there is a written agreement providing for fees, the arbitrator may award reasonable fees to the prevailing party subject to written evidence of such fees and applicable law. MPS shall be responsible for the arbitrator's fees and costs to the extent they exceed any fee or cost that Employee would be required to bear if the action were brought in court.

10. **Waiver of Jury Trial/Exclusive Remedy. EMPLOYEE AND EMPLOYER KNOWINGLY WAIVE ANY CONSTITUTIONAL RIGHT TO HAVE ANY DISPUTE BETWEEN THEM DECIDED BY A COURT OF LAW AND/OR BY A JURY IN COURT.**

----- (Employee's Initials Acknowledging Waiver of Jury Trial)

11. **Waiver of Representative/Class Action Proceedings. TO THE FULLEST EXTENT PERMITTED BY LAW, EMPLOYEE AND EMPLOYER KNOWINGLY AGREE TO BRING ANY CLAIMS GOVERNED BY THIS AGREEMENT IN HIS/HER/ITS INDIVIDUAL CAPACITY AND NOT AS A PLAINTIFF, CLASS MEMBER OR REPRESENTATIVE IN ANY PURPORTED CLASS OR REPRESENTATIVE ACTION. THEY FURTHER AGREE TO WAIVE ANY RIGHT TO PARTICIPATE IN ANY REPRESENTATIVE OR CLASS ACTION PROCEEDING RELATED TO ANY CLAIMS GOVERNED BY THIS AGREEMENT. EMPLOYER AND EMPLOYEE ALSO AGREE THAT THE ARBITRATOR MAY NOT CONSOLIDATE MORE THAN ONE INDIVIDUAL'S CLAIMS, AND MAY NOT OTHERWISE PRESIDE OVER ANY FORM OF REPRESENTATIVE OR CLASS ACTION PROCEEDING, INCLUDING, BUT NOT LIMITED TO, ANY REPRESENTATIVE ACTION UNDER CALIFORNIA BUSINESS AND PROFESSIONS CODE SECTIONS 17200 *ET SEQ.* THIS SECTION DOES NOT APPLY TO ANY REPRESENTATIVE ACTIONS BROUGHT UNDER PAGA, AS ADDRESSED IN SECTION 1.3 ABOVE.**

----- (Employee's Initials Acknowledging Waiver of Representative/Class Action)

12. Sole and Entire Agreement. This Agreement expresses the entire Agreement of the parties and shall supersede any and all other agreements, oral or written, concerning arbitration. This Agreement is not, and shall not be construed to create, any contract of employment, express or implied.
13. Acknowledgment. Employee acknowledges that Employee has carefully read this Agreement, understands its terms, and agrees that all understandings and agreements between MPS and Employee relating to the subjects covered in the Agreement are contained in it. Employee has knowingly entered into the Agreement without reliance on any provisions or representations by MPS, other than those contained in this Agreement. Employee further acknowledges that Employee has been

given the opportunity to discuss this Agreement with Employee's private legal counsel and Employee has utilized that opportunity to the extent desired.

### Approval of Expenditures Related to the Investigation of the Property at 18120 Sherman Way for Purposes of Considering a Long Term Lease

**Section:** IV. Action Items  
**Item:** J. Approval of Expenditures Related to the Investigation of the Property at 18120 Sherman Way for Purposes of Considering a Long Term Lease  
**Purpose:** Vote  
**Submitted by:**  
**Related Material:** IV\_J\_Expenditures Related to the Investigation of the Property at 18120 Sherman Way.pdf

<i>Agenda Item:</i>	IV J: Action Item
<i>Date:</i>	June 17, 2024
<i>To:</i>	Magnolia Educational & Research Foundation dba Magnolia Public Schools (“MPS”) Board of Directors (the “Board”)
<i>From:</i>	Alfredo Rubalcava, CEO & Superintendent
<i>Staff Lead(s):</i>	Patrick Ontiveros, General Counsel & Director of Facilities Mustafa Sahin, Project Manager Katrina Jimenez, Assistant Project Manager
<i>RE:</i>	Approval of Expenditures Related to the Investigation of the Property at 18120 Sherman Way for Purposes of Considering a Long Term Lease

**Action Proposed:**

MPS Staff recommends and moves that the Board approve MPS to undertake all due diligence investigations for the potential lease of the facility located at 18120 Sherman Way (the “**Property**”), which is currently occupied by Bank of America, for an amount not to exceed Seventy-Five Thousand Dollars (\$75,000). MPS Staff further recommends and moves that the Board grant the Ad Hoc Committee the authority to approve actions related to the foregoing and the lease of the Property.

**Purpose:**

The proposed action will allow MPS Staff to undertake due diligence investigations of the Property to ascertain its suitability for a new MPS campus. A new MPS campus is crucial for MPS’s expansion and utilization of the space in alignment with its strategic educational goals.

**Background:**

The Property is presently occupied by a branch of Bank of America and will be vacant on or about September 1, 2024. The Property is on the same block as MSA-1. Like MSA-1’s campus the Property is bifurcated by a public alley. See map below showing the location of the Property.

### **Analysis:**

MPS Staff believes that the Property could be a good expansion opportunity for MSA-1 or MSA-7. MPS Staff has signed a letter of intent to move forward with the investigation and eventual long term lease of the Property.

MPS Staff has asked Berliner Architects to prepare site plan and floor plan study to confirm the number of classrooms that can be accommodated as well as open space. See [Exhibit A](#). MPS Staff is in the process of requesting proposals from the following additional due diligence studies: ALTA survey, Phase I Environmental Site Assessment, and Asbestos Containing Materials and Lead Based Paint (ACM/LBP) survey. In addition, MPS Staff is asking its contractor, EPI Construction, to provide pricing based on the Berliner Architects plans and to examine the building for any red flags.

The Property's zoning allows schools by right but there may be some minimal LA City Department of Planning review, such as a site plan review.

MPS Staff expects to ask the Board to approve the lease of the Property at the next Board meeting.

### **Budget Impact:**

The budget of \$75,000 to be spent on due diligence activities will be paid for from either MSA-1 or MSA-7's operating budget. The Finance Team will review all expenses associated with these activities and ensure that costs are allocated appropriately between the two schools. In either scenario, it will not have a material negative impact on the school's finances.

## Approval of DLR Add Service Proposals for MSA-5 7111 Winnetka Ave Construction Project

**Section:** IV. Action Items  
**Item:** K. Approval of DLR Add Service Proposals for MSA-5 7111 Winnetka Ave Construction Project  
**Purpose:** Vote  
**Submitted by:**  
**Related Material:**  
IV\_K\_DLR Add Service Proposals for MSA 5 – 7111 Winnetka Ave Construction Project.pdf

<i>Agenda Item:</i>	IV K: Action Item
<i>Date:</i>	June 17, 2024
<i>To:</i>	Magnolia Educational & Research Foundation dba Magnolia Public Schools (“MPS”) Board of Directors (the “Board”)
<i>From:</i>	Alfredo Rubalcava, CEO & Superintendent
<i>Staff Lead(s):</i>	Patrick Ontiveros, General Counsel & Director of Facilities Mustafa Sahin, Project Manager Katrina Jimenez, Assistant Project Manager
<i>RE:</i>	Approval of DLR Add Service Proposals for MSA 5 – 7111 Winnetka Ave Construction Project

### **Action Proposed:**

MPS Staff recommends and moves that the Board approve the add service requests from DLR Group in the total amount of Three Hundred Thirty Nine Thousand Eighty Dollars (\$339,080) for the MSA-5 – 7111 Winnetka Modular Construction Project (the “**Project**”) related to the switch from conventional on-site construction to modular in-factory fabrication and on-site installation. Staff further recommends and moves that the Board approve a contingency of Seventy-Five Thousand Dollars (\$75,000), for a total of Four Hundred Fourteen Thousand Eighty Dollars (\$414,080).

### **Summary of DLR Group Add Service Requests**

<b>Summary of DLR Group Add Service Requests</b>		
1.	DLR and Silver Creek Modular Classroom Design Coordination (Design Development)	\$148,000
2.	DSA Increment 1 - Site Work Revision (Construction Development)	\$53,780
3.	DSA Increment 2 - Silver Creek Modular Classroom Building (Construction Development)	\$137,300
4.	Contingency	\$75,000
	Total:	\$414,080

### **Purpose:**

The purpose of this action is to approve add service requests from DLR for additional and revised services required for the Project related to transitioning the Project from site built to factory built (i.e., modular). This includes approving added service request fees for design coordination, DSA approval, and project management adjustments necessary to meet the extended project requirements.

**Background:**

***Architect of Record Selection & Division of the State Architect Submission***

DLR Group (“**DLR**”) was selected as the architect of record (“**AOR**”) for the Project at the Board’s January 12, 2023, meeting. After working with MPS staff on the program and design intent, DLR prepared plans that it submitted to the Division of the State Architect (“**DSA**”).

***Modular Design Selection***

At its March 21, 2024, meeting the Board approved the selection of Silver Creek Modular (“**SCM**”) to convert the existing DLR design into a modularized version that can be constructed using modular/ prefabricated methods for a total cost of Three Hundred and Fifty-Eight Thousand Dollars (\$358,000).

**Analysis:**

Due to the high cost of building the Project using conventional on-site construction, MPS Staff recommended, and the Board approved the conversion of the Project to a modular delivery method. SCM was selected to provide the modular design plans. While the floor plan is expected to remain largely unchanged, changing the construction type will require a re-submission to DSA. As the AOR, DLR will submit the SCM prepared plans to DSA. DLR will collaborate with SCM on the preparation of the revised plans which will incorporate some of the work which DLR has already done.

Add Services Request	Rationale
<p>1. <b><i>DLR and Silver Creek Modular Classroom Design Coordination (Design Development)</i></b></p>	<p>Integration of previously approved designs with modular techniques, optimizing classroom layouts for prefabrication, ensuring compliance with educational and building standards. This also includes the service that they provided for the CDE site approval.</p>
<p>2. <b><i>DSA Increment 1 - Site Work Revision (Construction Development)</i></b></p>	<p>This includes preparing and submitting sitework documents to DSA for review and approval. Removal of all sitework from Increment 2 and add to Increment 1.</p>
<p>3. <b><i>DSA Increment 2 - Silver Creek Modular Classroom Building (Construction Development)</i></b></p>	<p>This fee supports preparing and submitting modular classroom building documents to DSA for review and approval</p>

Add Services Request	Rationale
<b>Contingency</b>	To manage unforeseen costs and ensure flexibility in the design phase. This helps maintain project timelines and quality by proactively addressing potential obstacles.

**Budget Impact:**

The total design fee costs for the Project paid to DLR Group will increase from \$1,795,000 to \$2,134,080. The Board previously approved Silver Creek Modular to provide modular design services for \$358,000. MPS Staff would also like to add \$75,000 as a contingency for unforeseen circumstances, total design costs will be \$2,209,080.

These additional fees are necessary to accommodate expanded scope and to ensure compliance with DSA requirements, and CDE requirements, facilitating a seamless continuation and completion of the project.

The total Project budget, incorporating the add service requests, is as set forth below and shows the changes since the March 2024 budget previously shared with the Board. MPS Staff are working diligently to close the budget gap. For example, GSE, the Project construction manager, believes that approximately \$500,000 in savings will be realized through value engineering. The project budget below shows approximately \$350,000 in savings. We expect further savings as the project progresses.

MSA 5 - 7111 WINNETKA AVE - BUDGET					
	March 2024	Footnotes	June 2024 - GSE (Adjusted)	Change	Year to Date Expenses (as of June 5, 2024)
<b>Project Costs (Acquisition, Soft, CM and Financing)</b>					
Acquisition Costs	\$ 10,434,239.00		\$ 10,434,239.00	\$ -	\$ 10,434,239.00
Magnolia Soft Costs	\$ 3,600,000.00	1	\$ 4,655,834.84	\$ 1,055,834.84	\$ 1,897,407.00
Owner's Contingency	\$ 2,000,000.00	2	\$ 1,250,000.00	\$ (750,000.00)	\$ -
Financing Costs (CII Capital)	\$ 1,910,934.00	3	\$ 1,701,089.00	\$ (209,845.00)	\$ 1,552,354.42

FF&E	\$ 453,575.00		\$ 453,575.00	\$ -	\$ -
Miscellaneous	\$ 50,000.00		\$ 200,000.00	\$ 150,000.00	\$ -
Acceleration Premium	\$ 1,016,000.00	12	\$ -	\$ (1,016,000.00)	\$ -
Value Engineering	\$ -		\$ (350,159.00)	\$ (350,159.00)	\$ -
<b>Subtotal</b>	<b>\$ 39,728,232.00</b>		<b>\$ 40,574,691.23</b>	<b>\$ 846,459.23</b>	\$ -
<b>Total Est Development Cost w/ Gym</b>	<b>\$ 61,348,704.00</b>		<b>\$ 61,812,811.37</b>	<b>\$ 464,107.37</b>	\$ -
State Award Amount	\$ 50,832,332.00		\$ 50,832,332.00	\$ -	\$ -
<b>Surplus/Deficit w/ Gym</b>	<b>\$ (9,410,221.00)</b>		<b>\$ (10,980,479.37)</b>	<b>\$ (1,570,258.37)</b>	\$ -
<b>Total Est Development Cost w/o Gym</b>	<b>\$ 53,973,768.00</b>		<b>\$ 54,078,540.90</b>	<b>\$ 104,772.90</b>	\$ -
Available Fund	\$ 50,832,332.00		\$ 50,832,332.00	\$ -	\$ -
<b>Surplus/Deficit w/o Gym</b>	<b>\$ (3,141,436.00)</b>		<b>\$ (3,246,208.90)</b>	<b>\$ 104,772.90</b>	\$ -
<b>Notes</b>					
1 Includes increased DLR Group Fees, Silver Creek Fees and DSA fees and revised other costs based on GSE Estimates					
2 Drawdown on Contingency					
3 Earlier prepayment on CII Loan Lowers Total Accrued Interest					
4 Includes savings from using only a portion of the proposed bridge financing					
5 Intra Organization Loan of \$4.7M from LACOE Authorized Schools to MSA 5, Interest at 1%					
6 Erickson Hall did not provide contract deliverables and therefore not entitled to retention payment					
7 Includes cost of approximately \$200k to build basketball court					
8 Includes cost of roof deck and stairs to meet CDE space requirements					
9 Includes \$250k in projected Value Engineering Savings. CM is investigating further savings.					
10 Number reported in March 2024 was conceptual based on estimated cost savings. Costs have not been validated.					
11 Play Area costs included in Sitework amount					
12 Accepting a November 2025 delivery date in lieu of a July 2025 delivery date will eliminate the acceleration premium

Re: Magnolia SA5 New Middle and High School  
DLR Group Project No. 75-23204-00

Subject: Professional Services Fee Proposal / Letter Agreement for  
**Classroom Building Re-Design for Silver Creek Modular Construction**

Dear Patrick:

DLR Group is pleased to offer this Fee Proposal / Letter Agreement for the above referenced Project. All services are offered subject to the terms and conditions set forth in executed Architectural Services Agreement AIA B101-2017 dated Jan. 19, 2023. The services described below include such related services which are usual and customary thereto:

**SCOPE OF SERVICES:**

These services are for revisions to DLRG's and our consultant's drawings and calculations in response to constructing the Classroom Building with modular construction by Silver Creek, rather than standard steel construction. Concept review/discussion for a possible modular Gym is included in this proposal.

Work will include:

- DSA Pre-Application meeting.
- Coordination with Silver Creek for architectural design revisions.
- Revisions to architectural/interiors drawings based on structural revisions
- Coordination with Silver Creek for mechanical, plumbing, electrical, fire alarm, low voltage, security, fire sprinkler drawings based on revisions.
- Coordination with civil engineering drawings based on modular design revisions.
- Meetings with Silver Creek, Gateway Construction, and Magnolia School.
- Design studies for modifications to building corner screen/sign.
- Design studies for open-air paved basketball court at current Gym location.
- Design studies for Classroom Buildings rooftop PV systems.
- DLRG coordination for California Department of Education application modifications in relation to Silver Creek modular construction and no Gym for new DSA package.

Note that fees for revised DLRG Architectural drawings, DLRG Structural eng. drawings for site stairs, Lunch Shelter, and LID planter revisions, Civil eng. revisions, Landscape revisions, Site Electrical eng. revisions, and new drawings for DLRG Fire Alarm eng., Low Voltage eng., Security-Convergence eng., and for P2S Fire Sprinkler eng. documents will be covered in a separate add service proposal to follow.

PROJECT DELIVERABLES:

- Coordination sketches
- Design studies drawings
- DSA Pre-Application submittal forms

TIME OF PERFORMANCE:

Work will be completed in coordination with the Owner and the Construction Manager on an agreed-upon schedule.

COMPENSATION:

DLR Group's proposed fee to perform the work outlined in the "Scope of Services" is as follows:

- DLR Group Architects shall provide the above scope of services for the fixed fee of One Hundred Forty Eight Thousand Dollars (**\$148,000**).

ADDITIONAL SERVICES:

Any services outside the scope of this Fee Proposal / Letter Agreement shall be performed as an additional service in accordance with executed Architectural Services Agreement AIA B101-2017 dated Jan. 19, 2023. DLR Group shall not proceed with any additional services without the prior written consent of the Owner.

ACCEPTANCE:

Signature by the Client below shall constitute acceptance of this Fee Proposal / Letter Agreement and, upon return to DLR Group, a notice to proceed with the services. The Effective Date of this Fee Proposal / Letter Agreement shall be the date the Client signs this document.

We look forward to a successful relationship with you on this project. Please do not hesitate to contact me if you have any questions regarding this Fee Proposal / Letter Agreement.

Sincerely,

Accepted by:

DLR Group

Re: Magnolia SA5 New Middle and High School  
DLR Group Project No. 75-23204-00

Subject: Professional Services Fee Proposal / Letter Agreement for  
**DSA Increment 1 Site Work Revision**

Dear Patrick:

DLR Group is pleased to offer this Fee Proposal / Letter Agreement for the above referenced Project. All services are offered subject to the terms and conditions set forth in executed Architectural Services Agreement AIA B101-2017 dated Jan. 19, 2023. The services described below include such related services which are usual and customary thereto:

**SCOPE OF SERVICES:**

These services are for revisions to DLRG's and our engineer's/consultant's DSA approved project #03-123228 on Aug. 1, 2023. These revised and additional drawings will be submitted to DSA as a Revision. Scope will include extension of utilities and grading and paving for the parking lot. This Revision has been discussed with the DSA plan checker for assurance as to the correct way to provide documents for this additional work.

Scope of Revision is as follows:

1. Extend underground utilities (sanitary sewer, storm sewer, water, fire water (no gas)) to within 10 ft. of new modular Classroom Building POCs. (Civil Eng.)
2. Extend underground utilities (electrical, low voltage) to within 10 ft. of new modular Classroom Building POCs. (Site Elec. Eng.)
3. Provide underground conduit for site lighting poles and EV charging stations and EV ready stations. (Site Elec. Eng.)
4. Provide asphalt parking lot and north paved area for construction staging. (Civil Eng.)
5. Install duplex pumps for the LID system beneath the parking lot paving. (Civil Eng.)
6. Provide a gravel pad for the asphalt court (replacing the Gym) and the construction crane. (Civil Eng.)
7. Excavate/grade to the bottom of the crawl space for the new modular Classroom Building (with 10 ft. of overex.) (Civil Eng.)
8. Construct the CMU trash enclosure and transformer enclosure (foundation, cmu walls). (Struc, Eng.)
9. Provide revised Specifications for above. (Spec Writer)

Work will include:

- Coordination with Gateway Construction for revisions scope.
- Meetings with Gateway Construction, Magnolia School, and our project engineers, spec writer.

- Revisions and additional drawings for architectural, civil, site electrical, structural engineering scope.
- Coordination with VCA Civil Engineering, DLRG Electrical and Structural Engineering, and SpecStudio.
- Design studies & construction documents for scope listed above.
- Revised Specifications
- DSA process for review and approval.
- Additional RFIs and Submittals review for added scope.
- Additional Project Closeout scope for added scope.

**PROJECT DELIVERABLES:**

- DSA Revision forms
- Construction Documents for DSA Revision submission

**TIME OF PERFORMANCE:**

Work will be completed in coordination with the Owner and the Construction Manager on an agreed-upon schedule.

**COMPENSATION:**

DLR Group's proposed fee to perform the work outlined in the "Scope of Services" is as follows:

- DLR Group Architects shall provide the above scope of services for the fixed fee of Sixteen Thousand Five Hundred Dollars (**\$16,500**).
- DLR Group Electrical Engineers shall provide the above scope of services for the fixed fee of Six Thousand Dollars (**\$6,000**).
- DLR Group Structural Engineers shall provide the above scope of services for the fixed fee of Seven Thousand Dollars (**\$7,000**).
- VCA Civil Engineers shall provide the above scope of services for the fixed fee of Twenty Two Thousand Six Hundred Eighty Dollars (**\$22,680**). See attached VCA proposal.
- SpecStudio Specification Writers shall provide the above scope of services for the fixed fee of One Thousand Six Hundred Dollars (**\$1,600**).
- **Total fee is Fifty Three Thousand Seven Hundred Eighty Dollars (\$53,780).**

**ADDITIONAL SERVICES:**

Any services outside the scope of this Fee Proposal / Letter Agreement shall be performed as an additional service in accordance with executed Architectural Services Agreement AIA B101-2017 dated Jan. 19, 2023. DLR Group shall not proceed with any additional services without the prior written consent of the Owner.

**ACCEPTANCE:**

Signature by the Client below shall constitute acceptance of this Fee Proposal / Letter Agreement and, upon return to DLR Group, a notice to proceed with the services. The Effective Date of this Fee Proposal / Letter Agreement shall be the date the Client signs this document.

We look forward to a successful relationship with you on this project. Please do not hesitate to contact me if you have any questions regarding this Fee Proposal / Letter Agreement.

Sincerely,

Accepted by:

Re: Magnolia SA5 New Middle and High School  
DLR Group Project No. 75-23204-00

Subject: Professional Services Fee Proposal / Letter Agreement for  
**Project Re-Design for Silver Creek Modular Classroom Building**

Dear Patrick:

DLR Group is pleased to offer this Fee Proposal / Letter Agreement for the above referenced Project. All services are offered subject to the terms and conditions set forth in executed Architectural Services Agreement AIA B101-2017 dated Jan. 19, 2023. The services described below include such related services which are usual and customary thereto:

**SCOPE OF SERVICES:**

These services are for revisions to DLRG's and our consultant's drawings, and new drawings, in response to constructing the Classroom Building with modular construction by Silver Creek. DLRG will oversee the re-design documents for submission to DSA for their review and approval. This scope also includes construction services scope in coordination with Silver Creek. The proposed re-design site work will be under the direction that the Gym is removed from the project and replaced with an asphalt basketball/volleyball court.

Beyond the revision and creation of new architectural drawings, this add service proposal includes fees for revision work by DLRG Structural Eng., DLRG Site Electrical Eng., DLRG Fire Alarm Eng., DLRG Low Voltage Eng., DLRG Security-Convergence Eng., VCA Civil Eng., Capouya Landscape Architects, and P2S Fire Sprinkler Eng.

Work will include:

- Overall coordination of the DSA package.
- Response to DSA comments and backcheck process to achieve DSA approval.
- Meetings with Silver Creek, Gateway Construction, engineers, and Magnolia School.
- Coordination with Silver Creek for revised architectural site drawings.
- Revisions to architectural/interiors drawings not covered in Silver Creek scope.
- Coordination with Silver Creek for mechanical, plumbing, electrical, fire alarm, low voltage, security, fire sprinkler drawings based on revisions.
- Coordination and revised drawings from VCA Civil Engineering and Capouya Landscape Architects based on Silver Creek design revisions and Gym removal.
- Coordination with DLRG Site Electrical Eng., and their coordination with LADWP, based on Silver Creek design revisions.

- Coordination with DLRG Electrical Eng. for Classroom Buildings rooftop PV systems.
- Coordination with and revised drawings from DLRG Structural Eng. for site stairs, Lunch Shelter, LID planter revisions, new net poles at asphalt court, and other site structural elements.
- Coordination with and revised drawings from DLRG Fire Alarm Eng., DLRG Low Voltage Eng., DLRG Security-Convergence Eng.
- Coordination with and revised drawings from P2S Fire Sprinkler Eng.

**PROJECT DELIVERABLES:**

- Construction Documents, in coordination with Silver Creek
- DSA submittal required documents, in coordination with Silver Creek

**TIME OF PERFORMANCE:**

Work will be completed in coordination with the Owner and the Construction Manager on an agreed-upon schedule.

**COMPENSATION:**

DLR Group's proposed fee to perform the work outlined in the "Scope of Services" is as follows:

- DLR Group Architects shall provide the above scope of architectural and coordination services for the fixed fee of Thirty Eight Thousand Five Hundred Dollars (\$38,500). (Includes 10% of engineering fees below.)
- DLR Group Structural Engineers shall provide the above scope of services for the fixed fee of Forty Thousand Dollars (\$40,000).
- DLR Group Electrical Engineers shall provide the above scope of services for the fixed fee of Seven Thousand Dollars (\$7,000).
- DLR Group Fire Alarm Engineers shall provide the above scope of services for the fixed fee of Eleven Thousand Five Hundred Dollars (\$11,500).
- DLR Group Low Voltage Engineers shall provide the above scope of services for the fixed fee of Four Thousand Four Hundred Forty Dollars (\$7,500).
- DLR Group Security-Convergence Engineers shall provide the above scope of services for the fixed fee of Seven Thousand Four Hundred Dollars (\$7,500).
- VCA Civil Engineers shall provide the above scope of services for the fixed fee of Sixteen Thousand Dollars (\$16,000). See attached VCA proposal, Exhibit A.
- P2S Fire Sprinkler Engineers shall provide the above scope of services for the fixed fee of Seven Thousand Three Hundred Dollars (\$7,300). See attached P2S proposal, Exhibit B.
- SpecStudio Specification Writers shall provide the above scope of services for the fixed fee of Two Thousand Dollars (\$2,000).

- Total fee is One Hundred Thirty Seven Thousand Three Hundred Dollars (**\$137,300**).

ADDITIONAL SERVICES:

Any services outside the scope of this Fee Proposal / Letter Agreement shall be performed as an additional service in accordance with executed Architectural Services Agreement AIA B101-2017 dated Jan. 19, 2023. DLR Group shall not proceed with any additional services without the prior written consent of the Owner.

ACCEPTANCE:

Signature by the Client below shall constitute acceptance of this Fee Proposal / Letter Agreement and, upon return to DLR Group, a notice to proceed with the services. The Effective Date of this Fee Proposal / Letter Agreement shall be the date the Client signs this document.

We look forward to a successful relationship with you on this project. Please do not hesitate to contact me if you have any questions regarding this Fee Proposal / Letter Agreement.

Subject: Fee Proposal for Additional Civil Engineering Services for  
Magnolia Public Schools Magnolia Science Academy 5 Middle and High School  
7111 Winnetka Ave., Winnetka, CA 91306  
Revise Civil Drawings (Increment 2)

Dear Mark:

VCA Engineers is very pleased to submit this fee proposal to perform civil engineering services associated with the above project. Based on the email received dated March 28, 2024, we are being requested to revise our civil drawings to accommodate Increment 2 which includes site work coordination with Increment 1 plus the New Silver Creek Classroom Building outline and the paving of the basketball courts which will replace the Gym on the Magnolia Science Academy site in the City of Winnetka.

- 1) Increment 2 includes site work coordination with Increment 1, plus the New Silver Creek Classroom Building outline, paving of the basketball courts which will replace the Gym.

Accordingly, we have prepared this fee proposal which will cover the following: (I) our proposed scope of work, (II) the project schedule, and (III) our consulting fee. Our scope of services will be all inclusive as required to complete the project in a concise and timely manner as mandated by project schedules and standard requirements of professional practice.

Our understanding of the civil scope of work to be provided is as follows:

#### **I. Civil Engineering Scope of Services**

1. Revise civil drawings to accommodate changes to Increment 2 package which will include revisions to our site plan, site grading, site demo and site utilities.
2. Revise LID plan to accommodate changes to Increment 2 package.
3. Obtain DSA approval of civil drawings.
4. Incorporate DSA comments/corrections, if any.
5. Provide written response to contractor's questions and clarifications during construction.
6. Assist in reviewing contractor's change orders related to civil works.
7. Provide additional coordination.

**II. Project Schedule**

Our service will commence upon receiving written Notice-to-Proceed from you and approval of this letter proposal. We are committed to abiding by your project schedule. Each design phase is to be performed following our in-house requisite quality control procedures.

**III. Compensation**

Our compensation for providing the above engineering services will be lump sum per the fee breakdown below. The proposed fee will be billed at the monthly percentage completion of each task. Please note that other direct cost items for travel, one original set for submittal at milestones and mailing to you are included in the fees. Reproductions for multiple submittals are not included and are reimbursable at cost plus 10% administrative costs. Please note that our 2024 Schedule of Rates is attached herein for your reference and for any additional time and material work.

**Fee Breakdown: Increment 2**

Construction Documents	\$ 13,920
Permitting, Bid and Award	\$ 480
Construction Administration	\$ 1,600
<b>TOTAL</b>	<b>\$ 16,000</b>

Again thank you for the opportunity to be a member of your team and please do not hesitate to call us if you have any question.

Sincerely,

## **2024 VCA ENGINEERS SCHEDULE OF FEES**

### **PROFESSIONAL STAFF**

### **HOURLY RATE**

Principal	\$220.00
Project Manager	\$200.00
Lead/Senior Project Engineer	\$180.00
Project Engineer	\$165.00
Engineer	\$155.00
BIM Modeler	\$130.00
Senior CADD Technician	\$110.00
CADD Technician	\$100.00
Clerical/Admin	\$70.00

### **MILEAGE AND SUBSISTENCE**

Auto Mileage	\$ 0.67 per mile plus 10%
Parking	Actual Cost plus 10%
Air Travel and Car Rental	Actual Cost plus 10%
Subsistence (overnight out of LA)	Actual Cost plus 10%

### **DIRECT SERVICES**

<b>Milestone Reproducible Submittal (one set)</b>	<b>Included in Proposed Fees</b>
Messenger and Overnight Delivery Services	Actual Cost plus 10%
Long Distance Phone	Actual Cost plus 10%
Outside B&W Plotting	Actual Cost plus 10%
Sepia/Mylar	Actual Cost plus 10%
Reprographic Services (binding, mounting and etc.)	Actual Cost plus 10%

### **LIABILITY INSURANCE**

During the terms of this agreement, VCA shall at all times procure and maintain insurance. VCA carries General, Automobile Liability Insurance and Workers Compensation at \$2M each occurrence and Professional Liability Insurance at \$2M per claim.

### **CLAIMS AND DISPUTES**

Client and VCA agree to negotiate and resolve all disputes between them in good faith as a first attempt. If the dispute cannot be resolved therein, the parties shall mutually agree to submit the matter to mediation and arbitration in accordance with the American Arbitration Association's Commercial Mediation Rules if the total dispute is less than \$49,000. The results of the arbitration, as decided by three (3) arbitrators, each party choosing their own arbitrator and the two arbitrator choosing a third member, shall be final, and judgment may be entered upon it in any court of competent jurisdiction in the City where the work is performed.

SUBJECT: Fire Protection Engineering Add Service Proposal for Magnolia Science Academy

Dear Mark,

Thank you for your request for proposal for providing additional engineering services for the referenced project. We are pleased to provide the following proposal that defines our statement of understanding, scope of services, assumptions, schedule, deliverables, and fees based on your email on March 27, 2024, and the revised scope site plan from the same date.

#### STATEMENT OF UNDERSTANDING

The original scope was adjusted from 46,000 sq. ft to approximately 39,000 sq. ft. since the gym building area will be removed. The original construction type of the building was originally a Type II, noncombustible material; the new classroom building is now proposed to be a modular construction by Silver Creek.

#### FIRE SPRINKLER – CONSTRUCTION DOCUMENTS ADDITIONAL SCOPE

1. Update the sprinkler and piping layout to match the new architectural backgrounds.
2. Update hydraulic calculations.
3. Coordinate hangers and supports based on the new proposed structure.
4. Update seismic calculations.
5. Attend four (4) additional coordination meetings.

\*The Permitting, Bid Support, and Construction Administration phases and fees remain unchanged from our February 23, 2023 fee proposal.

#### ASSUMPTIONS

1. The gym building has been removed from the project scope.  
Any future additions to the building's area will be reviewed separately.
2. It is assumed that the new building construction will be of a noncombustible type, and no additional sprinkler coverage will be needed in the concealed spaces above ceilings.
3. Cost Estimating will be provided by others and reviewed by P2S.
4. There is adequate pressure for fire protection water, and a fire pump is not required for the fire water service to the new building.
5. The fire Protection point of connection will be 5' from the building.
6. The client will provide a current fire flow test to design the fire sprinkler system no older than six months from the new plan check submission date.

Engineering Services Proposal to:

Mark Stankard, AIA, LEED AP, Senior Project Manager/ Senior Associate, DLR Group

April 2, 2024

---

- 7. Commissioning services and Title 24 acceptance testing are excluded from our services.
- 8. Plan check and permit fees are not included in the engineering scope of services.

FEE

We propose to undertake the project defined in this proposal for a fixed fee per phase per the breakdown below.

<b>Fire Protection</b>	<b>Fee</b>
Construction Documents – Add Service	\$7,300

We look forward to working with you to complete this project successfully. Should you have any questions or need clarifications, please contact us.

Sincerely,

Andres Jimenez, FPE, CPD, CFPS  
Fire Protection Studio Lead

## Coversheet

### Approval of Resolutions Implementing Prequalification of Construction Contractors Under Public Contract Code Section 20111.6 for the MSA-5 Project at 7111 Winnetka Ave.

**Section:** IV. Action Items  
**Item:** L. Approval of Resolutions Implementing Prequalification of Construction Contractors Under Public Contract Code Section 20111.6 for the MSA-5 Project at 7111 Winnetka Ave.  
**Purpose:** Vote  
**Submitted by:**  
**Related Material:**  
IV\_L\_Resolution Implementing Prequalification of Construction Contracts for MSA-5 Project 7111 Winnetka Ave.pdf

Agenda Item:	IV L: Action Item
Date:	June 17, 2024
To:	Magnolia Educational & Research Foundation dba Magnolia Public Schools (“ <b>MPS</b> ”) Board of Directors (the “ <b>Board</b> ”)
From:	Alfredo Rubalcava, CEO & Superintendent
Staff Lead(s):	Patrick Ontiveros, General Counsel & Director of Facilities Mustafa Sahin, Facilities Project Manager Katrina Jimenez, Assistant Project Manager
RE:	Approval of Resolution Implementing Prequalification of Construction Contracts for MSA-5 Project at 7111 Winnetka Ave

**1. Action Proposed:**

MPS Staff moves that the Board adopt the Resolution #20240617-01 implementing prequalification processes and procedures required by the Public Contract Code for the Magnolia Science Academy—5 project located at 7111 Winnetka Avenue (the “**Project**”).

**2. Purpose:**

The resolutions meet the prequalification requirements set out in the Public Contract Code for projects with a projected expenditure of one million dollars (\$1,000,000) or more to be paid for with State funds.

**3. Overview:**

The documents attached as Exhibit A meet the requirements for prequalifying bidders for State funded projects. The documents were prepared by MPS’s legal counsel at Tao Rossini.

**4. Analysis:**

To meet the target completion and occupancy date for the Project, MPS Staff, in collaboration with its construction manager Gateway Science and Engineering, needs to start the prequalification and bidding process for the Project. The prequalification process will ensure that the Project not only complies with applicable law but also will limit the potential bidders to qualified entities, ensuring the quality and success of the Project.

**5. Budget Impact:**

There is no budget impact with adopting the resolutions approving the

prequalification documents.

**6. Exhibits:**

Exhibit A            Resolutions and Prequalification Documents

**RESOLUTION IMPLEMENTING PREQUALIFICATION  
OF CONSTRUCTION CONTRACTORS UNDER  
PUBLIC CONTRACT CODE SECTION 20111.6  
MAGNOLIA EDUCATIONAL & RESEARCH FOUNDATION**

**RESOLUTION NO. 20240617-01**

**WHEREAS**, for construction contracts awarded on or after January 1, 2014, Public Contract Code section 20111.6 requires the governing board of a school district with an average daily attendance over two thousand five hundred (2,500) to prequalify bidders for public works projects using any funds received pursuant to the Leroy F. Greene School Facilities Act of 1998 (Education Code section 17070.10 et seq.) or any funds from any future state school bond for a public project with a projected expenditure of one million dollars (\$1,000,000) or more;

**WHEREAS**, for purposes of Public Contract Code section 20111.6 and public projects that fall within its purview, bidders shall include the prime contractor and, if utilized, all electrical, mechanical, and plumbing subcontractors (licensed pursuant to section 7058 of the Business and Professions Code- specifically, contractors holding C-4, C-7, C-10, C-16, C-20, C-34, C-36, C-38, C-42, C-43, and C-46 licenses);

**WHEREAS**, the standardized questionnaire and financial statement in a form specified by the District ("**Questionnaire**") is required to include a complete statement of the prospective bidder's financial ability and experience in performing public works;

**WHEREAS**, the Questionnaire and financial statement must be verified under oath by the bidder in the manner in which civil pleadings and civil actions are verified;

**WHEREAS**, the Questionnaire is not a public record and is not to be opened to public inspection,;

**WHEREAS**, each Questionnaire submitted by a prospective bidder will be scored in accordance with an established point system;

**WHEREAS**, Public Contract Code section 20111.6 requires the District to adopt and apply a uniform system of rating bidders on the basis of the completed Questionnaire in order to determine if bidders will be deemed qualified to bid;

**WHEREAS**, the District may not accept a proposal from any potential bidder who is required to submit a Questionnaire in accordance with Public Contract Code section 20111.6, but has not done so at least ten (10) business days prior to the date fixed upon the public opening of sealed bids, or has not been prequalified by the District in accordance with Public Contract Code section 20111.6(f) at least five (5) business days prior to the opening of sealed bids; and

**WHEREAS**, the District wishes to establish a process for prequalifying prospective bidders pursuant to Public Contract Code section 20111.6 on a yearly basis and such

prequalification shall be considered valid for up to one (1) calendar year following the date of initial prequalification.

**NOW THEREFORE, THE GOVERNING BOARD OF MAGNOLIA EDUCATIONAL & RESEARCH FOUNDATION DOES HEREBY RESOLVE:**

1. In accordance with Public Contract Code Section 20111.6, the Governing Board ("**Board**") of the District establishes a prequalification program for construction contracts awarded on or after January 1, 2014 that receive funding pursuant to the Leroy F. Greene School Facilities Act of 1998 (Education Code Section 17070.10 et seq.) or any funds from any future state school bond and involves a projected expenditure of one million dollars (\$1,000,000) or more, ("**Prequalification Program**").

2. The Prequalification Program shall utilize the Questionnaire attached hereto as Exhibit "A" and incorporated herein.

3. In accordance with Public Contract Code section 20111.6, the District adopts the Prequalification Evaluation of allocating points set forth in the document attached hereto as Exhibit "B" with respect to the District's review of any submitted Questionnaires. Any potential bidder who submits a Questionnaire that does not meet the above-referenced criteria set forth therein shall be considered not qualified and rejected.

4. The Questionnaire shall be completed by any potential bidder in conformance with Public Contract Code section 20111.6.

5. With respect to construction contracts awarded on or after January 1, 2014 that receive funding pursuant to the Leroy F. Greene School Facilities Act of 1998 or any funds from any future state school bond and involves a projected expenditure of one million dollars (\$1,000,000) or more, each prospective bidder must be prequalified in conformance with the Prequalification Program prior to submitting a bid.

6. In submitting any bids for construction contracts awarded on or after January 1, 2014 that receive funding pursuant to the Leroy F. Greene School Facilities Act of 1998 or any funds from any future state school bond and involves a projected expenditure of one million dollars (\$1,000,000) or more, and any future projects that require prequalification of contractors, the District will furnish each prospective bidder a standardized proposal form that when completed and executed, will constitute such potential bidder's bid ("**Proposal**").

7. A Proposal shall not be accepted from any person or other entity for any construction contracts awarded on or after January 1, 2014 that receive funding pursuant to the Leroy F. Greene School Facilities Act of 1998 or any funds from any future state school bond and involves a projected expenditure of one million dollars (\$1,000,000) or more who: (1) has not submitted a Questionnaire at least ten (10) business days prior to the date fixed for the public opening of the seal bids for such construction contract in accordance with Public Contract Code Section 20111.6(f), or (2) who has not been prequalified for at least five (5) business days prior to the public opening of seal bids for such contract, in accordance with Public Contract Code Section 20111.6(f).

8. Once prequalified pursuant to this section, such prequalification shall be valid for up to one (1) calendar year following the date of initial prequalification.

9. The Board hereby delegates to the District’s Chief Executive Officer & Superintendent, Chief Financial Officer, the Board Chair, and/or their designees, the authority to determine whether a potential bidder shall be considered prequalified, the authority to hear and oversee prequalification determination appeals, and the authority to make revisions to the Questionnaire and Uniform System of allocating points.

**PASSED AND ADOPTED** by the Governing Board of MAGNOLIA EDUCATIONAL & RESEARCH FOUNDATION on June 17, 2024, by the following vote:

AYES: \_\_\_\_\_  
NOES: \_\_\_\_\_  
ABSENT: \_\_\_\_\_  
ABSTAIN: \_\_\_\_\_

I, Jennifer Lara, Secretary of the Magnolia Educational & Research Foundation Governing Board, do hereby certify that the foregoing is a full, true and correct copy of a resolution passed and adopted by said Board at a regularly scheduled and conducted meeting held on said date, which resolution is on file in office of said Board.

\_\_\_\_\_  
Secretary

**EXHIBIT “A”**

[INSERT PREQUALIFICATION QUESTIONNAIRE]

**EXHIBIT “B”**

[INSERT UNIFORM SYSTEM OF ALLOCATING POINTS/SCORING]

## **ANNOUNCEMENT OF PREQUALIFICATION PROCEDURES FOR CONSTRUCTION CONTRACTORS**

Notice is hereby given by the Magnolia Educational & Research Foundation School District (“**District**”) that prime contractors and mechanical, electrical and plumbing (“MEP”) subcontractors (as defined in Public Contract Code section 20111.6) planning to participate in bidding on certain public projects to be undertaken by the District, must be prequalified prior to submitting bids for such public projects. Pursuant to Public Contract Code Section 20111.6 bidders on all public projects using funds received pursuant to the Leroy F. Greene School Facilities Act of 1998 or any funds from any future state school bond that involves a projected public project expenditure of one million dollars (\$1,000,000) or more, must be prequalified.

Prequalification application packages are available on the District’s website located at <https://magnoliapublicschools.org/> or at the District’s main office.

### ***Timeline***

In order to submit a valid bid for any project requiring prequalification, prospective bidders must submit a prequalification questionnaire, a financial statement, and a standardized bidding form at least ten (10) business days prior to the date fixed for the public opening of sealed bids or must be deemed prequalified to bid at least five (5) business days prior to that date.

This prequalification packet includes a questionnaire and financial statement, to be verified under oath. The District will use the information and documentation required by the packet to prequalify prime contractors and MEP subcontractors in accordance with Public Contract Code section 20111.6.

### ***Questionnaire***

All questions in the questionnaire must be answered. If a question is not applicable, then indicate a response of “N/A”. “You” or “Yours” as used herein refers to the prospective bidders’ firm and any of its owners, officers, principals and qualifying individuals. Any references to owners, officer, principals or partners herein shall include any qualifying individuals including any RME or RMO. If two or more business entities submit a bid on a project as a Joint Venture, or expect to submit a bid as part of a Joint Venture, each entity within the Joint Venture must be separately qualified to bid.

Each questionnaire must be signed under penalty of perjury in the manner designated at the end of the form, by an individual who has the legal authority to bind the contractor on whose behalf that person is signing. If any information provided by a prospective bidder becomes inaccurate, the prospective bidder must immediately notify the District and provide updated accurate information in writing, under penalty of perjury. Each prospective bidder shall have a duly authorized owner, officer or principal complete the questionnaire and verify the truth of the information provided therein and in the financial statement.

### ***Financial Statement***

In addition to completing the attached questionnaire, each prospective bidder must submit its most current reviewed or year-end audited financial statement, which must have been prepared by a certified public accountant within twelve (12) months of each prospective bidder's submission of the prequalification package. Each prospective bidder must also provide its most current financial statement, which must have been prepared within three (3) months of each prospective bidder's submission of the prequalification package. Finally, each prospective bidder must submit a notarized statement from an admitted surety insurer (approved by the California Department of Insurance and authorized to issue bonds in the State of California) which states your current bonding capacity.

Financial statements submitted with this prequalification package shall not be prepared by any individual who is in the regular employ of the firm submitting the statement, nor by any individual or entity who has more than a ten percent (10%) financial interest in the firm's business. If the individual or entity that prepared a financial statement submitted with this prequalification package has any financial interest in the firm's business, the firm shall notify the District of such financial interest in a separate signed statement accompanying this prequalification package.

### ***Submission***

Prospective bidders are encouraged to submit prequalification packages as soon as possible, so that they may be notified of prequalification status well in advance of the bid process. The prequalification packages should be sealed, marked "**CONFIDENTIAL PREQUALIFICATION**," and mailed to the following:

Magnolia Educational & Research Foundation  
Attention: Facilities Department  
250 East 1<sup>st</sup> Street, Suite 1500  
Los Angeles, CA 90012

The questionnaire answers and financial statements included in the prequalification packages submitted by prospective bidders are not public records and are not open to public inspection. All such information provided will be kept confidential to the extent permitted by law, although the contents may be disclosed to third parties for the purpose of verification, investigation of substantial allegations, and in the process of any subsequent proceedings. State law requires that the names of contractors applying for prequalification status shall be public records subject to disclosure, and the first page of the questionnaire will be used for that purpose.

### ***Evaluation by the District***

The District will evaluate the information provided and issue each submitting prospective bidder a rating of "Prequalified" or "Not Prequalified." The District's decision will be based on the information provided, references, and such additional outside information as the District in its discretion deems reasonable and necessary to obtain. The District may, but is not obligated to, investigate the truth of any statements or information provided by a prospective bidder in response hereto.

Prequalification approval will remain valid for one (1) calendar year from the date of notice of qualification, except that the District reserves the right during that calendar year to adjust, increase, limit, suspend or rescind the prequalification ratings based on subsequently learned information and after giving notice of the proposed action to the prospective bidder and an opportunity for a hearing consistent with the hearing procedures described below for appealing a prequalification determination.

While it is the intent of the prequalification questionnaire and documents required herein to assist the District in determining bidder responsibility prior to the submission of bids and to aid the District in selecting the lowest responsible bidder, neither the fact of prequalification, nor any prequalification rating, will preclude the District from a post-bid consideration and determination on a specific project of whether a bidder has the quality, fitness, capacity and experience to satisfactorily perform the proposed work, and has demonstrated the requisite trustworthiness.

### ***Appeal***

A prospective bidder who has timely submitted a completed application form, and who receives a rating of “Not Prequalified” from the District may appeal that determination. There is no appeal from a finding that a prospective bidder is not prequalified because of a late application or a failure to submit required information. A prospective bidder may appeal the District’s decision with respect to its request for prequalification, by giving written notice to the District no later than five (5) business days after receipt of notice of its qualification status. Notice shall be sent to the address listed above. Unless a prospective bidder files a timely appeal, the prospective bidder waives any and all rights to challenge the qualification decision of the District, whether by administrative process, judicial process or any other legal process or proceeding. The District reserves the right to resolve appeals before or after bid opening or award of any contract. The date for submission and opening of bids for a specific project and any subsequent contract award will not be delayed or postponed to allow for completion of an appeal process.

After receipt of a request for appeal, the District will provide the prospective bidder any supporting evidence that has been received from others or adduced as a result of an investigation by the District. The appealing prospective bidder will be provided an opportunity to rebut any evidence. The District, in its sole discretion, may conduct a hearing regarding the prospective bidder’s timely appeal. If such a hearing is conducted, the prospective bidder consents to the District’s Chief Executive Officer & Superintendent, Chief Financial Officer, Board Chair, or his or her designee, to act as the hearing officer.

### ***Bidding***

Bids will not be accepted from any prospective bidder that did not timely submit a completed prequalification questionnaire and supporting documents, including financial statements, to the District. Omission of requested information, falsification of information, or failing to use the forms provided by the District may result in a finding of “not prequalified”.

MEP subcontractors (licensed pursuant to Section 7058 of the Business and Professions Code, specifically contractors holding C-4, C-7, C-10, C-16, C-20, C-34, C-36, C-38, C-42, C-43, and C-46

licenses) must also meet prequalification requirements on all projects using funds received pursuant to the Leroy F. Greene School Facilities Act of 1998 or any funds from any future state school bond that involves a projected expenditure of one million dollars (\$1,000,000) or more. If a project includes electrical, mechanical, or plumbing components that will be performed by MEP subcontractors, a list of prequalified prime contractors and MEP subcontractors will be made available by the District to all bidders at least five (5) business days prior to the dates fixed for the public opening of sealed bids.

If a prime contractor uses any MEP subcontractor required for any project, such MEP subcontractor must be prequalified pursuant to these prequalification forms and requirements. If a MEP subcontractor in any prime contractor bid is not prequalified, that bid will not be accepted.

Prospective bidders are warned that a project may have specific requirements that differ or are in addition to being properly prequalified pursuant to these documents. A determination that a contractor or MEP subcontractor is prequalified pursuant to these documents does not automatically mean a contractor or MEP subcontractor meets all of the requirements of a specific project. Prospective bidders are instructed to carefully review the requirements for each project before submitting a bid.

The District reserves the right to amend the prequalification packet at any time. The District reserves the right to waive minor irregularities and omissions in the information contained in the prequalification application submitted and to make all final determinations. Additionally, a determination by the District that a prospective bidder is prequalified does not amount to a final determination that such prospective bidder is responsible or responsive for purposes of bid evaluation. The District may, in accordance with applicable law reject a prequalified contractor's bid, and the District may additionally reject all bids if it determines such action is in the best interest of the public.

**MAGNOLIA EDUCATIONAL & RESARCH FOUNDATION PREQUALIFICATION QUESTIONNAIRE**

**IMPORTANT INFORMATION: Please note: Declaration under penalty of perjury (last page of questionnaire) is required under State law. Failure to sign form will invalidate the prequalification packet. A passing score in general for prequalification does not guarantee that bidder will be eligible to bid this particular project. Contractors will receive a separate determination as to the overall prequalification dollar limit.**

**CONTACT INFORMATION**

Contractor \_\_\_\_\_  
(as it appears on license)

**MAGNOLIA EDUCATIONAL & RESARCH FOUNDATIONPREQUALIFICATION  
QUESTIONNAIRE**

**PART I. ESSENTIAL REQUIREMENTS FOR QUALIFICATION**

**Contractor will be immediately disqualified if the answer to any of questions 1 through 6 is “no.”<sup>1</sup>**

**To Contractors seeking prequalification as a subcontractor only: You must respond to all Part I questions, however your response to Part I, Question Number 5 will not be rated.**

**Contractor will be immediately disqualified if the answer to any of questions 7, 8, 9 or 10 is “yes.”<sup>2</sup> If the answer to question 9 is “yes,” and if debarment would be the sole reason for denial of prequalification, any prequalification issued will exclude the debarment period.**

1. Contractor possesses a valid and current California Contractor’s license for the project or projects for which it intends to submit a bid.  
 Yes    No
  
2. Contractor has a liability insurance policy with a policy limit of at least \$1,000,000 per occurrence and \$2,000,000 aggregate.  
 Yes    No   **(Please provide a current Certificate of Insurance as verification)**
  
3. Contractor has current workers’ compensation insurance policy as required by the Labor Code or is legally self-insured pursuant to Labor Code section 3700 *et. seq.*  
 Yes    No    Contractor is exempt from this requirement, because it has no employees
  
4. Have you attached your latest copy of a reviewed or audited financial statement with accompanying notes and supplemental information.<sup>3</sup>  
 Yes    No

**NOTE: A financial statement that is not either reviewed or audited is not acceptable. A letter verifying availability of a line of credit may also be attached; however, it will**

---

<sup>1</sup> A “no” answer to Question 4 will not be disqualifying if the contractor is exempt from complying with Question 4, for reasons explained in footnote 3.

<sup>2</sup> A contractor disqualified solely because of a “Yes” answer given to question 7, 8, or 10 may appeal the disqualification and provide an explanation of the relevant circumstances during the appeal procedure.

<sup>3</sup> Public Contract Code section 20101(e) exempts from this requirement a contractor who has qualified as a small business pursuant to Government Code section 14837(d)(1), if the bid is “no more than 25 percent of the qualifying amount provided in section 14837(d)(1).” As of August 12, 2013, the qualifying amount is \$10 million, and 25 percent of that amount, therefore, is \$2.5 million.

**be considered as supplemental information only, and is not a substitute for the required financial statement.**

5. Have you attached a notarized statement from an admitted surety insurer (approved by the California Department of Insurance) and authorized to issue bonds in the State of California, which states: (a) that your current bonding capacity is sufficient for the project for which you seek prequalification if you are seeking prequalification for a single project; or (if you are seeking prequalification valid for a year) (b) your current available bonding capacity?<sup>4</sup>

Yes  No

**NOTE: Notarized statement must be from the surety company, not an agent or broker. Contractors seeking prequalification as a subcontractor only: You must respond to this question, however you will not be rated according to your response.**

6. Are you currently registered with the Department of Industrial Relations in accordance with Labor Code section 1725.5?

Yes  No

If yes, what is your registration number \_\_\_\_\_.

Please submit proof of registration.

7. Has your contractor's license been revoked at any time in the last five years, even if such revocation was stayed at any time?

Yes  No

8. Has a surety firm completed a contract on your behalf, or paid for completion because your firm was default terminated by the project owner within the last five (5) years?

Yes  No

9. At the time of submitting this prequalification form, is your firm ineligible to bid on or be awarded a public works contract, or perform as a subcontractor on a public works contract, pursuant to either Labor Code section 1777.1 or Labor Code section 1777.7?

Yes  No

If the answer is "Yes," state the beginning and ending dates of the period of debarment:

\_\_\_\_\_

---

<sup>4</sup> An additional notarized statement from the surety may be requested by **Magnolia Educational & Research Foundation** at the time of submission of a bid, if this prequalification package is submitted more than 60 days prior to submission of the bid.

10. At any time during the last five years, has your firm or any of its owners or officers been convicted of a crime involving the awarding of a contract of a government construction project, or the bidding or performance of a government contract?

Yes    No

**MAGNOLIA EDUCATIONAL & RESEARCH FOUNDATION PREQUALIFICATION QUESTIONNAIRE**

**PART II. ORGANIZATION, HISTORY, ORGANIZATIONAL PERFORMANCE, COMPLIANCE WITH CIVIL AND CRIMINAL LAWS**

**A. Current Organization and Structure of the Business**

**For Firms That Are Corporations:**

- 1a. Date incorporated : \_\_\_\_\_
- 1b. Under the laws of what state: \_\_\_\_\_
- 1c. Provide all the following information for each person who is either (a) an officer of the corporation (president, vice president, secretary, treasurer), or (b) the owner of at least ten percent of the corporation’s stock.

Name	Position	Years with Co.	% Ownership	Last four Social Security *

- 1d. Identify every construction firm that any person listed above has been associated with (as owner, general partner, limited partner or officer) at any time during the last five years.  
**NOTE: For this question, “owner” and “partner” refer to ownership of ten percent or more of the business, or 10 percent or more of its stock, if the business is a corporation.**

Person’s Name	Construction Firm	Dates of Person’s Participation with Firm

**For Firms That Are Partnerships:**

- 1a. Date of formation: \_\_\_\_\_
- 1b. Under the laws of what state: \_\_\_\_\_
- 1c. Provide all the following information for each partner who owns 10 percent or more of the firm.

Name	Position	Years with Co.	% Ownership	Last four Social Security #'s

\*last four numbers of Social Security is suitable.

- 1d. Identify every construction company that any partner has been associated with (as owner, general partner, limited partner or officer) at any time during the last five years. **NOTE: For this question, “owner” and “partner” refer to ownership of ten percent or more of the business, or ten percent or more of its stock, if the business is a corporation.**

Person’s Name	Construction Firm	Dates of Person’s Participation with Firm

**For Firms That Are Sole Proprietorships:**

- 1a. Date of commencement of business. \_\_\_\_\_  
 1b. Social security number of company owner. \_\_\_\_\_  
 1c. Identify every construction firm that the business owner has been associated with (as owner, general partner, limited partner or officer) at any time during the last five years. **NOTE: For this question, “owner” and “partner” refer to ownership of ten percent or more of the business, or ten percent or more of its stock, if the business is a corporation.**

Person’s Name	Construction Company	Dates of Person’s Participation with Company

**For Firms That Intend to Make a Bid as Part of a Joint Venture:**

- 1a. Date of commencement of joint venture. \_\_\_\_\_  
 1b. Provide all of the following information for each firm that is a member of the joint venture that expects to bid on one or more projects:

Name of firm	% Ownership of Joint Venture

**B. History of the Business and Organizational Performance**

2. How many years has your organization completed work for public agencies?  
Years: \_\_\_\_\_

3. Has your organization ever been licensed in California under a different name or different license number?

Yes  No

If “yes,” please list all name(s) and license number(s), on a separate signed page.

4. Are you currently prequalified with any other school district?

Yes  No

If yes, please identify the school district(s), with contact information and the dollar rating that you have been prequalified for at such school district(s), on a separate signed page.

5. Has there been any change in ownership of the firm at any time during the last three years?

**NOTE: A corporation whose shares are publicly traded is not required to answer this question.**

Yes  No

If “yes,” explain on a separate signed page.

6. Is the firm a subsidiary, parent, holding company or affiliate of another construction firm?

**NOTE: Include information (including license number(s) about other firms if one firm owns 50 percent or more of another, or if an owner, partner, or officer of your firm holds a similar position in another firm.**

Yes  No

If “yes,” explain on a separate signed page. Please include all name(s) and license number(s)

7. Are any corporate officers, partners or owners connected to any other construction firms?

**NOTE: Include information about other firms if an owner, partner, or officer of your firm holds a similar position in another firm.**

Yes  No

If “yes,” explain on a separate signed page.

List your firm’s gross revenues for each of the last three years:

Year: \_\_\_\_\_ \$ \_\_\_\_\_

Year: \_\_\_\_\_ \$ \_\_\_\_\_

Year: \_\_\_\_\_ \$ \_\_\_\_\_

8. How many years has your organization been in business in California as a contractor under your present business name and license number? \_\_\_\_\_ Years

9. Is your firm currently the debtor in a bankruptcy case?

Yes  No

If “yes,” please attach a copy of the bankruptcy petition, showing the case number, and the date on which the petition was filed.

10. If your firm is not currently in bankruptcy, was your firm in bankruptcy at any time during the last five years?

Yes  No

If “yes,” please attach a copy of the bankruptcy petition, showing the case number and the date on which the petition was filed, and a copy of the Bankruptcy Court’s discharge order, or of any other document that ended the case, if no discharge order was issued.

In what type of construction do you specialize?: \_\_\_\_\_

What was the largest amount of work completed in one year: \_\_\_\_\_

Number of projects: \_\_\_\_\_ Year: \_\_\_\_\_ Amount of Largest Project: \_\_\_\_\_

**C. Licenses**

List all California construction license numbers, classifications and expiration dates of the California contractor licenses held by your firm:

---

---

If any of your firm's license(s) are held in the name of a corporation or partnership, list below the names of the qualifying individual(s) listed on the CSLB records who meet(s) the experience and examination requirements for each license.

---

---

11. Has your firm changed names or license number in the past five years?

Yes  No

If "yes," explain on a separate signed page, including the reason for the change.

12. Has any owner, partner or (for corporations) officer of your firm operated a construction firm under any other name in the last five years?

Yes  No

If "yes," explain on a separate signed page, including the reason for the change.

13. Has any CSLB license held by your firm or its Responsible Managing Employee (RME) or Responsible Managing Officer (RMO) been suspended within the last five years?

Yes  No

If "yes," please explain on a separate signed sheet.

#### **D. Surety and Bonding Information**

Bonding capacity: **Please provide a letter stating bondability from current surety company.** Also, please provide documentation from your surety (not agency) identifying the following: **NOTE: Contractors seeking prequalification as a subcontractor only: You must respond to this question, however you will not be rated according to your response.**

Name of bonding company/surety: \_\_\_\_\_

Name of surety agent/contact person, address and telephone number:

---

14. If your firm was required to pay a premium of more than one percent for a performance and payment bond on any project(s) on which your firm worked at any time during the last three years, state the percentage that your firm was required to pay. You may provide an explanation for a percentage rate higher than one percent, if you wish to do so.

**NOTE: Contractors seeking prequalification as a subcontractor only: You must respond to this question, however you will not be rated according to your response.**

---

*(NOTE: Contractors seeking prequalification as a subcontractor only: Response will not be rated.)*

List all other sureties, not agencies (name, contact person, full address, phone number, largest bond obtained) that have written bonds for your firm during the last five years, including the dates during which each wrote the bonds (If necessary, list on separate signed sheet) **NOTE: Contractors seeking prequalification as a subcontractor only: You must respond to this question, however you will not be rated according to your response.:**

---

---

---

---

15. During the last five years, has your firm ever been denied bond coverage by a surety company, or has there ever been a period of time when your firm had no surety bond in place during a public construction project when one was required? **NOTE: Contractors seeking prequalification as a subcontractor only: You must respond to this question, however you will not be rated according to your response.**

Yes    No

If yes, provide details on a separate signed sheet indicating the date when your firm was denied coverage and the name of the company or companies which denied coverage; and the period during which you had no surety bond in place.

*(NOTE: Contractors seeking prequalification as a subcontractor only: Response will not be rated.)*

16. At any time during the past five years, has any surety company made any payments on your firm's behalf as a result of a default, to satisfy any claims made against a performance or payment bond issued on your firm's behalf, in connection with a construction project, either public or private? **NOTE: Contractors seeking prequalification as a subcontractor only: You must respond to this question, however you will not be rated according to your response.**

Yes    No

If “yes,” explain on a separate signed page the amount of each such claim, the name and telephone number of the claimant, the date of the claim, the grounds for the claim, the present status of the claim, the date of resolution of such claim if resolved, the method by which such was resolved if resolved, the nature of the resolution and the amount, if any, at which the claim was resolved.

***(NOTE: Contractors seeking prequalification as a subcontractor only: Response will not be rated.)***

17. Has your firm ever failed to complete a contract?

Yes     No

If “yes,” explain on a separate signed page.

How many projects is your firm currently bonded for? \_\_\_\_\_

What are the contract amounts your firm has currently bonded?

Contracts	Amount Bonded

**E. Insurance**

Insurance Company: \_\_\_\_\_

Address: \_\_\_\_\_

City, State, Zip: \_\_\_\_\_

Phone Number: \_\_\_\_\_ Facsimile Number: \_\_\_\_\_

Contact Person: \_\_\_\_\_

18. How long have you been with this insurance company?

\_\_\_\_\_

If less than two years, please list prior insurance companies below:

Insurance Company	Address	Phone	Contact Person	Year(s)

19. In the last five years has any insurance carrier, for any form of insurance, refused to renew the insurance policy for your firm?

Yes     No

If “yes,” explain on a separate signed page. Name the insurance carrier, the form of insurance and the year of the refusal.

20. Has your organization ever had insurance terminated by a carrier in the past five (5) years due to an excessive claims history and/or nonpayment of premium?

If “yes,” explain on a separate signed sheet. Name the insurance carrier, the form of insurance, and year of termination.

**F. Safety Program & Workers’ Compensation**

Each bidder shall submit a copy of the Table of Contents from bidder’s established safety/injury prevention program which complies with the Contract Documents and all applicable governmental regulations. After determination of the successful bidder, its subcontractors must submit a copy of their respective safety/injury prevention programs within five (5) days of the District’s request.

Bidder: \_\_\_\_\_

Signature: \_\_\_\_\_

By: \_\_\_\_\_

Date: \_\_\_\_\_

Each bidder shall submit its workers’ compensation experience modification factor. After determination of the successful bidder, its subcontractors must submit their workers compensation modification factor within five (5) days of District’s request.

21. List your firm’s Experience Modification Rate (EMR) (California Workers’ Compensation Insurance) for each of the past premium years:

Current Year: \_\_\_\_\_

Previous Year: \_\_\_\_\_

Year Prior to Previous Year: \_\_\_\_\_

If your EMR for any of these three years is or was 1.25 or higher you may, if you wish, attach a letter of explanation.

22. Within the last five years has there ever been a period when your firm had employees but was without workers' compensation insurance or state-approved self-insurance?

Yes  No

If "yes," please explain the reason for the absence of workers' compensation insurance on a separate signed page. If "No," please provide a statement by your current workers' compensation insurance carrier that verifies periods of workers' compensation insurance coverage for the last five years. (If your firm has been in the construction business for less than five years, provide a statement by your workers' compensation insurance carrier verifying continuous workers' compensation insurance coverage for the period that your firm has been in the construction business.)

**G. Compliance with Occupational Safety and Health Laws and with Other Labor Legislation Safety**

Each bidder, and its subcontractors, must declare any serious or willful violations of Part 1 (commencing with Section 6300) of Division 5 of the California Labor Code received during the last five years. This information must include all construction work undertaken in the United States by the bidder and any affiliate of the bidder. Separate information shall be submitted for each particular partnership, joint venture, corporation, Limited Liability Company or individual bidder or subcontractor. The bidder or its subcontractors may be requested to submit additional information or explanation of data, which District may require for evaluating the safety record. The term "affiliate" shall mean any firm, corporation, partnership, joint venture, limited liability company or association which is a member, joint venturer or partner of the bidder, or any such entity which owns a substantial interest in, or is owned in common with, the bidder, its subcontractor or any of its members, joint venturers or partners, or any such entity in which the bidder, its subcontractor, or any of their members, joint venturers or partners own a substantial interest.

23. Has your firm ever received a serious or willful safety violation during the last five (5) years?

Yes  No

If "yes," attach a separate signed page describing the violation, including information about the dates, the nature of the violation, the project on which the citation(s) was or were issued, the amount of penalty paid, if any.

24. Has CAL OSHA cited and assessed penalties against your firm for any “serious,” “willful” or “repeat” violations of its safety or health regulations in the past five years? **NOTE: If you have filed an appeal of a citation, and the Occupational Safety and Health Appeals Board has not yet ruled on your appeal, you need not include information about it.**

Yes  No

If “yes,” attach a separate signed page describing the citations, including information about the dates of the citations, the nature of the violation, the project on which the citation(s) was or were issued, the amount of penalty paid, if any. If the citation was appealed to the Occupational Safety and Health Appeals Board and a decision has been issued, state the case number and the date of the decision.

25. Has the federal Occupational Safety and Health Administration cited and assessed penalties against your firm in the past five years? **NOTE: If you have filed an appeal of a citation and the Appeals Board has not yet ruled on your appeal, or if there is a court appeal pending, you need not include information about the citation.**

Yes  No

If “yes,” attach a separate signed page describing each citation.

26. Has the EPA or any Air Quality Management District or any Regional Water Quality Control Board or any local authorities cited and assessed penalties against either your firm or the owner of a project on which your firm was the contractor, in the past five years? **NOTE: If you have filed an appeal of a citation and the Appeals Board has not yet ruled on your appeal, or if there is a court appeal pending, you need not include information about the citation.**

Yes  No

If “yes,” attach a separate signed page describing each citation.

27. How often do you require documented safety meetings to be held for construction employees and field supervisors during the course of a project?

\_\_\_\_\_

28. How often do you conduct documented safety inspections on a construction site?

Daily \_\_\_\_\_ Weekly \_\_\_\_\_ Quarterly \_\_\_\_\_

29. Does your firm currently have a safety plan which complies with the current OSHA standards?

Yes  No

30. Have any of your subcontractors you retained ever received a serious or willful industrial safety violation during the last five (5) years?

Yes  No

If “yes,” attach a separate signed page listing each subcontractor, its license number and provide a brief explanation.

#### H. Prevailing Wage and Apprenticeship Compliance Record

31. Has there been more than one occasion during the last five years in which your firm was required to pay either back wages or penalties for your own firm’s failure to comply with the state’s prevailing wage laws? **NOTE: This question refers only to your own firm’s violation of prevailing wage laws, not to violations of the prevailing wage laws by a subcontractor.**

Yes  No

If “yes,” attach a separate signed page or pages, describing the nature of each violation, identifying the name of the project, the date of its completion, the public agency for which it was constructed; the number of employees who were initially underpaid and the amount of back wages and penalties that you were required to pay.

32. During the last five years, has there been more than one occasion in which your own firm has been penalized or required to pay back wages for failure to comply with the **federal** Davis-Bacon prevailing wage requirements?

Yes  No

If “yes,” attach a separate signed page or pages describing the nature of the violation, identifying the name of the project, the date of its completion, the public agency for which it was constructed; the number of employees who were initially underpaid, the amount of back wages you were required to pay along with the amount of any penalty paid.

33. Provide the **name, address and telephone number** of the apprenticeship program (approved by the California Apprenticeship Council) from whom you intend to request the dispatch of apprentices to your company for use on any public work project for which you are awarded a contract by the District.

---

---

34. If your firm operates its own State-approved apprenticeship program:

(a) Identify the craft or crafts in which your firm provided apprenticeship training in the past year.

- (b) State the year in which each such apprenticeship program was approved, and attach evidence of the most recent California Apprenticeship Council approval(s) of your apprenticeship program(s).
- (c) State the number of individuals who were employed by your firm as apprentices at any time during the past three years in each apprenticeship and the number of persons who, during the past three years, completed apprenticeships in each craft while employed by your firm.

---

---

---

35. At any time during the last five years, has your firm been found to have violated any provision of California apprenticeship laws or regulations, or the laws pertaining to use of apprentices on public works? **NOTE: You may omit reference to any incident that occurred prior to January 1, 1998, if the violation was by a subcontractor and your firm, as general contractor on a project, had no knowledge of the subcontractor’s violation at the time they occurred.**

Yes     No

If “yes,” provide the date(s) of such findings, and attach copies of the Department’s final decision(s)

**I. Disputes**

36. At any time in the last five years has your firm been assessed and paid liquidated damages after completion of a project under a construction contract with either a public or private owner?

Yes     No

If yes, explain on a separate signed page, identifying all such projects by owner, owner’s address, the date of completion of the project, amount of liquidated damages assessed and all other information necessary to fully explain the assessment of liquidated damages.

37. In the last five years has your firm, or any firm with which any of your company’s owners, officers or partners was associated, been debarred, disqualified, removed or otherwise prevented from bidding on, or completing, any government agency or public works project for any reason? **NOTE: “Associated with” refers to another construction firm in which an owner, partner or officer of your firm held a similar position, and which is listed in response to question 1c or 1d on this form.**

Yes     No

If “yes,” explain on a separate signed page. State whether the firm involved was the firm applying for prequalification here or another firm. Identify by name of the company, the name of the person within your firm who was associated with that company, the year of the event, the owner of the project, the project and the basis for the action.

38. In the last five years has your firm been denied an award of a public works contract based on a finding by a public agency that your company was not a responsible bidder?

Yes  No

If “yes,” explain on a separate signed page. Identify the year of the event, the owner, the project and the basis for the finding by the public agency.

\* \* \* \* \*

**NOTE: The following two questions refer only to disputes between your firm and the owner of a project. You need not include information about disputes between your firm and a supplier, another contractor, or subcontractor. You need not include information about “pass-through” disputes in which the actual dispute is between a sub-contractor and a project owner. Also, you may omit reference to all disputes about amounts of less than \$50,000.**

39. In the past five years has any claim **against** your firm concerning your firm’s work on a construction project in California been **filed in court or arbitration?**

Yes  No

If “yes,” on separate signed sheets of paper identify the claim(s) by providing the project name, date of the claim, name of the claimant, a brief description of the nature of the claim, the court in which the case was filed and a brief description of the status of the claim (pending or, if resolved, a brief description of the resolution).

40. In the past five years has your firm made any claim against a project owner concerning work on a project in California or payment for a contract in California and **filed that claim in court or arbitration?**

Yes  No

If “yes,” on separate signed sheets of paper identify the claim by providing the project name, date of the claim, name of the entity (or entities) against whom the claim was filed, a brief description of the nature of the claim, the court in which the case was filed and a brief description of the status of the claim (pending, or if resolved, a brief description of the resolution).

**J. Criminal Matters and Related Civil Suits**

41. Has your firm or any of its owners, officers or partners ever been found liable in a civil suit or found guilty in a criminal action for making any false claim or material misrepresentation to any public agency or entity?

Yes  No

If “yes,” explain on a separate signed page, including identifying who was involved, the name of the public agency, the date of the investigation and the grounds for the finding.

42. Has your firm or any of its owners, officers or partners ever been convicted of a crime involving any federal, state, or local law related to construction?

Yes  No

If “yes,” explain on a separate signed page, including identifying who was involved, the name of the public agency, the date of the conviction and the grounds for the conviction.

43. Has your firm or any of its owners, officers or partners ever been convicted of a federal or state crime of fraud, theft, or any other act of dishonesty?

Yes  No

If “yes,” identify on a separate signed page the person or persons convicted, the court (the county if a state court, the district or location of the federal court), the year and the criminal conduct.

**MAGNOLIA EDUCATIONAL & RESEARCH FOUNDATION PREQUALIFICATION QUESTIONNAIRE**

**PART III. FINANCIAL INFORMATION**

Audited or reviewed statements are required for all construction projects totaling over \$1,000,000 or more (A certificate of a licensed accountant will be required in all cases).

**1. COMPLETE THIS CERTIFICATE FOR A REVIEW ONLY OF FINANCIAL STATEMENT**

We have reviewed the accompanying financial statement of \_\_\_\_\_ as of \_\_\_\_\_. The information included in the financial statement is the representation of the management of the above firm.

Based on our review with the exception of the matter(s) described in the following paragraph(s), we are not aware of any material modifications that should be made to the accompanying financial statements in order for them to be in conformity with generally accepted accounting principles.

**PREQUALIFICATION STATEMENT FOR**

**MAGNOLIA EDUCATIONAL & RESEARCH FOUNDATION**

Each prospective bidder must have a current and active license at the time of the award and must submit the following information on this form.

**DECLARATION**

I, \_\_\_\_\_ (printed name) hereby declare that I am the \_\_\_\_\_ (title) of \_\_\_\_\_ (name of bidder) submitting this Prequalification Statement; that I am duly authorized to execute this Prequalification Statement on behalf of the above-named company; and that all information set forth in this Prequalification Statement and all attachments hereto are, to the best of my knowledge, true, accurate, and complete as of its submission date. I acknowledge that any false statements, inaccuracies or failure to disclose are grounds for disqualification. In executing this Declaration, I hereby permit the **Magnolia Educational & Research Foundation** to contact any owner, school district, contractor, subcontractor, supplier or any other party that the **Magnolia Educational & Research Foundation** deems relevant for purposes of verifying or gathering any information necessary to complete the evaluation of this prequalification submittal.

I declare, under penalty of perjury, that the foregoing is true and correct and that this declaration was

Subscribed at \_\_\_\_\_ (location and city), County of \_\_\_\_\_, State of \_\_\_\_\_, on \_\_\_\_\_ (date).

\_\_\_\_\_  
(Signature)

(If signed by other than the sole proprietor, a general partner, or corporate officer, attach original notarized power of attorney or corporate resolution.)

All information submitted for prequalification evaluation will be considered official information acquired in confidence and the District will maintain its confidentiality to the extent permitted by law.

**MAGNOLIA EDUCATIONAL & RESARCH FOUNDATION PREQUALIFICATION QUESTIONNAIRE SCORING**

**IMPORTANT INFORMATION: Please note: Declaration under penalty of perjury (last page of questionnaire) is required under State law. Failure to sign form will invalidate the prequalification packet. A passing score in general for prequalification does not guarantee that bidder will be eligible to bid this particular project. Contractors will receive a separate determination as to the overall prequalification dollar limit.**

**MAGNOLIA EDUCATIONAL & RESEARCH FOUNDATION PREQUALIFICATION QUESTIONNAIRE SCORING**

**PART I. ESSENTIAL REQUIREMENTS FOR QUALIFICATION**

**Contractor will be immediately disqualified if the answer to any of questions 1 through 6 is “no.”<sup>1</sup>**

**To Contractors seeking prequalification as a subcontractor only: You must respond to all Part I questions, however your response to Part I, Question Number 5 will not be rated.**

**Contractor will be immediately disqualified if the answer to any of questions 7, 8, 9 or 10 is “yes.”<sup>2</sup> If the answer to question 9 is “yes,” and if debarment would be the sole reason for denial of prequalification, any prequalification issued will exclude the debarment period.**

1. Contractor possesses a valid and current California Contractor’s license for the project or projects for which it intends to submit a bid.

Yes  No

2. Contractor has a liability insurance policy with a policy limit of at least \$1,000,000 per occurrence and \$2,000,000 aggregate.

Yes  No **(Please provide a current Certificate of Insurance as verification)**

3. Contractor has current workers’ compensation insurance policy as required by the Labor Code or is legally self-insured pursuant to Labor Code section 3700 *et. seq.*

Yes  No  Contractor is exempt from this requirement, because it has no employees

4. Have you attached your latest copy of a reviewed or audited financial statement with accompanying notes and supplemental information.<sup>3</sup>

Yes  No

**NOTE: A financial statement that is not either reviewed or audited is not acceptable. A letter verifying availability of a line of credit may also be attached; however, it will be considered as supplemental information only, and is not a substitute for the**

<sup>1</sup> A “no” answer to Question 4 will not be disqualifying if the contractor is exempt from complying with Question 4, for reasons explained in footnote 3.

<sup>2</sup> A contractor disqualified solely because of a “Yes” answer given to question 7, 8, or 10 may appeal the disqualification and provide an explanation of the relevant circumstances during the appeal procedure.

<sup>3</sup> Public Contract Code section 20101(e) exempts from this requirement a contractor who has qualified as a small business pursuant to Government Code section 14837(d)(1), if the bid is “no more than 25 percent of the qualifying amount provided in section 14837(d)(1).” As of August 12, 2013, the qualifying amount is \$10 million, and 25 percent of that amount, therefore, is \$2.5 million.

**required financial statement.**

5. Have you attached a notarized statement from an admitted surety insurer (approved by the California Department of Insurance) and authorized to issue bonds in the State of California, which states: (a) that your current bonding capacity is sufficient for the project for which you seek prequalification if you are seeking prequalification for a single project; or (if you are seeking prequalification valid for a year) (b) your current available bonding capacity?<sup>4</sup>

Yes  No

**NOTE: Notarized statement must be from the surety company, not an agent or broker. Contractors seeking prequalification as a subcontractor only: You must respond to this question, however you will not be rated according to your response.**

6. Are you currently registered with the Department of Industrial Relations in accordance with Labor Code section 1725.5?

Yes  No

If yes, what is your registration number \_\_\_\_\_.

Please submit proof of registration.

7. Has your contractor's license been revoked at any time in the last five years, even if such revocation was stayed at any time?

Yes  No

8. Has a surety firm completed a contract on your behalf, or paid for completion because your firm was default terminated by the project owner within the last five (5) years?

Yes  No

9. At the time of submitting this prequalification form, is your firm ineligible to bid on or be awarded a public works contract, or perform as a subcontractor on a public works contract, pursuant to either Labor Code section 1777.1 or Labor Code section 1777.7?

Yes  No

If the answer is "Yes," state the beginning and ending dates of the period of debarment:

\_\_\_\_\_

---

<sup>4</sup> An additional notarized statement from the surety may be requested by **Magnolia Educational & Research Foundation** at the time of submission of a bid, if this prequalification package is submitted more than 60 days prior to submission of the bid

10. At any time during the last five years, has your firm, or any of its owners or officers been convicted of a crime involving the awarding of a contract of a government construction project, or the bidding or performance of a government contract?

Yes    No

**PART II. ORGANIZATION, HISTORY, ORGANIZATIONAL PERFORMANCE,  
COMPLIANCE WITH CIVIL AND CRIMINAL LAWS**

**A. Current Organization and Structure of the Business**

**For Firms That Are Corporations:**

- 1a. Date incorporated : \_\_\_\_\_
- 1b. Under the laws of what state: \_\_\_\_\_
- 1c. Provide all the following information for each person who is either (a) an officer of the corporation (president, vice president, secretary, treasurer), or (b) the owner of at least ten percent of the corporation's stock.

Name	Position	Years with Co.	% Ownership	Last four Social Security *

- 1d. Identify every construction firm that any person listed above has been associated with (as owner, general partner, limited partner or officer) at any time during the last five years.  
**NOTE: For this question, "owner" and "partner" refer to ownership of ten percent or more of the business, or 10 percent or more of its stock, if the business is a corporation.**

Person's Name	Construction Firm	Dates of Person's Participation with Firm

**For Firms That Are Partnerships:**

- 1a. Date of formation: \_\_\_\_\_
- 1b. Under the laws of what state: \_\_\_\_\_
- 1c. Provide all the following information for each partner who owns 10 percent or more of the firm.

Name	Position	Years with Co.	% Ownership	Last four Social Security #'s

\*last four numbers of Social Security is suitable.

- 1d. Identify every construction company that any partner has been associated with (as owner, general partner, limited partner or officer) at any time during the last five years. **NOTE: For this question, “owner” and “partner” refer to ownership of ten percent or more of the business, or ten percent or more of its stock, if the business is a corporation.**

Person’s Name	Construction Company	Dates of Person’s Participation with Company

**For Firms That Are Sole Proprietorships:**

- 1a. Date of commencement of business. \_\_\_\_\_
- 1b. Social security number of company owner. \_\_\_\_\_
- 1c. Identify every construction firm that the business owner has been associated with (as owner, general partner, limited partner or officer) at any time during the last five years. **NOTE: For this question, “owner” and “partner” refer to ownership of ten percent or more of the business, or ten percent or more of its stock, if the business is a corporation.**

Person’s Name	Construction Company	Dates of Person’s Participation with Company

**For Firms That Intend to Make a Bid as Part of a Joint Venture:**

- 1a. Date of commencement of joint venture. \_\_\_\_\_
- 1b. Provide all of the following information for each firm that is a member of the joint venture that expects to bid on one or more projects:

Name of firm	% Ownership of Joint Venture

**B. History of the Business and Organizational Performance**

2. How many years has your organization completed work for public agencies? Years: \_\_\_\_\_

**6 or more years=5**

**5 years=4**

**4 years=3**

**3 years=2**

**1 full year =1**

3. Has your organization ever been licensed in California under a different name or different license number?

Yes  No

If “yes,” please list all name(s) and license number(s), on a separate signed page.

**No=3; Yes= (Adjustment to 2 if reason for different name or different license number is a because of a legal merger.)**

4. Are you currently prequalified with any other school district?

Yes  No

If yes, please identify the school district(s), with contact information and the dollar rating that you have been prequalified for at such school district(s), on a separate signed page.

**No=0; Yes=3**

5. Has there been any change in ownership of the firm at any time during the last three years? **NOTE: A corporation whose shares are publicly traded is not required to answer this question.**

Yes  No

If “yes,” explain on a separate signed page.

**No=3; Yes=0**

6. Is the firm a subsidiary, parent, holding company or affiliate of another construction firm?

**NOTE: Include information (including license number(s)) about other firms if one firm owns 50 percent or more of another, or if an owner, partner, or officer of your firm holds a similar position in another firm.**

Yes  No

If “yes,” explain on a separate signed page. Please include all name(s) and license number(s)

**No=3; Yes=0 (Adjustment to 2 if reason firm is a subsidiary, parent, holding company or affiliate of another construction firm is because of a legal merger.)**

7. Are any corporate officers, partners or owners connected to any other construction firms?  
**NOTE: Include information about other firms if an owner, partner, or officer of your firm holds a similar position in another firm.**

Yes     No

If “yes,” explain on a separate signed page.

**No=3; Yes =0 (Adjustment to 2 if the name of other construction firms corporate officers, partners or owners are connected to, are connected to current applicant firm by way of legal merger.)**

List your firm’s gross revenues for each of the last three years:

Year: \_\_\_\_\_ \$ \_\_\_\_\_

Year: \_\_\_\_\_ \$ \_\_\_\_\_

Year: \_\_\_\_\_ \$ \_\_\_\_\_

8. How many years has your organization been in business in California as a contractor under your present business name and license number? \_\_\_\_\_ Years

**6 or more years=5**

**5 years=4**

**4 years=3**

**2-3 years=2**

**1 full year=1**

9. Is your firm currently the debtor in a bankruptcy case?

Yes     No

If “yes,” please attach a copy of the bankruptcy petition, showing the case number, and the date on which the petition was filed.

**No=3; Yes=0**

10. If your firm is not currently in bankruptcy, was your firm in bankruptcy at any time during the last five years?

Yes     No

If “yes,” please attach a copy of the bankruptcy petition, showing the case number and the date on which the petition was filed, and a copy of the Bankruptcy Court’s discharge order, or of any other document that ended the case, if no discharge order was issued.

In what type of construction do you specialize?: \_\_\_\_\_

**No=3; Yes=0**

What was the largest amount of work completed in one year: \_\_\_\_\_

Number of projects: \_\_\_\_\_ Year: \_\_\_\_\_ Amount of Largest Project: \_\_\_\_\_

**C. Licenses**

List all California construction license numbers, classifications and expiration dates of the California contractor licenses held by your firm:

---

---

If any of your firm's license(s) are held in the name of a corporation or partnership, list below the names of the qualifying individual(s) listed on the CSLB records who meet(s) the experience and examination requirements for each license.

---

---

11. Has your firm changed names or license number in the past five years?

Yes  No

If "yes," explain on a separate signed page, including the reason for the change.

**No=3; Yes=0 (Adjustment to 2 if reason for changed name or license number because of a legal merger)**

12. Has any owner, partner or (for corporations) officer of your firm operated a construction firm under any other name in the last five years?

Yes  No

If "yes," explain on a separate signed page, including the reason for the change.

**No=3; Yes =0 (Adjustment to 2 if name of other firm operated by any owner, partner or (for corporations) officer was or is a firm that legally merged with current applicant firm.)**

13. Has any CSLB license held by your firm or its Responsible Managing Employee (RME) or Responsible Managing Officer (RMO) been suspended within the last five years?

Yes  No

If “yes,” please explain on a separate signed sheet.

No=5; Yes=0

**D. Surety and Bonding Information**

Bonding capacity: **Please provide a letter stating bondability from current surety company.** Also, please provide documentation from your surety (not agency) identifying the following: **NOTE: Contractors seeking prequalification as a subcontractor only: You must respond to this question, however you will not be rated according to your response.**

Name of bonding company/surety: \_\_\_\_\_

Name of surety agent/contact person, address and telephone number:

\_\_\_\_\_

- 14. If your firm was required to pay a premium of more than one percent for a performance and payment bond on any project(s) on which your firm worked at any time during the last three years, state the percentage that your firm was required to pay. You may provide an explanation for a percentage rate higher than one percent, if you wish to do so. **NOTE: Contractors seeking prequalification as a subcontractor only: You must respond to this question, however you will not be rated according to your response.**

\_\_\_\_\_

No=5  
 Over 1% but not over 1.25%=4  
 Over 1.25% but not over 1.5%=3  
 Over 1.5%=0

*(NOTE: Contractors seeking prequalification as a subcontractor only: Response will not be rated.)*

List all other sureties, not agencies (name, contact person, full address, phone number, largest bond obtained) that have written bonds for your firm during the last five years, including the dates during which each wrote the bonds (If necessary, list on separate signed sheet) **NOTE: Contractors seeking prequalification as a subcontractor only: You must respond to this question, however you will not be rated according to your response.**

\_\_\_\_\_

\_\_\_\_\_

\_\_\_\_\_

- 
15. During the last five years, has your firm ever been denied bond coverage by a surety company, or has there ever been a period of time when your firm had no surety bond in place during a public construction project when one was required? **NOTE: Contractors seeking prequalification as a subcontractor only: You must respond to this question, however you will not be rated according to your response.**

Yes  No

If yes, provide details on a separate signed sheet indicating the date when your firm was denied coverage and the name of the company or companies which denied coverage; and the period during which you had no surety bond in place.

**No=5; Yes=0**

***(NOTE: Contractors seeking prequalification as a subcontractor only: Response will not be rated.)***

16. At any time during the past five years, has any surety company made any payments on your firm's behalf as a result of a default, to satisfy any claims made against a performance or payment bond issued on your firm's behalf, in connection with a construction project, either public or private? **NOTE: Contractors seeking prequalification as a subcontractor only: You must respond to this question, however you will not be rated according to your response.**

Yes  No

If "yes," explain on a separate signed page the amount of each such claim, the name and telephone number of the claimant, the date of the claim, the grounds for the claim, the present status of the claim, the date of resolution of such claim if resolved, the method by which such was resolved if resolved, the nature of the resolution and the amount, if any, at which the claim was resolved.

**No=5**

**Yes (1 claim)=5**

**Yes (2 claims)=3**

**Yes (more than 2 claims)=SUBTRACT 5 points**

***(NOTE: Contractors seeking prequalification as a subcontractor only: Response will not be rated.)***

17. Has your firm ever failed to complete a contract?

Yes  No

If "yes," explain on a separate signed page.

**No=3; Yes=0**

How many projects is your firm currently bonded for? \_\_\_\_\_

What are the contract amounts your firm has currently bonded?

Contracts	Amount Bonded

**E. Insurance**

Insurance Company:

\_\_\_\_\_

Address: \_\_\_\_\_

City, State, Zip: \_\_\_\_\_

Phone Number: \_\_\_\_\_ Facsimile Number: \_\_\_\_\_

Contact Person: \_\_\_\_\_

18. How long have you been with this insurance company?

\_\_\_\_\_

**5 or more years=3**

**2 to 4 years=1**

**1 year or less=0**

If less than two years, please list prior insurance companies below:

Insurance Company	Address	Phone	Contact Person	Year(s)

19. In the last five years has any insurance carrier, for any form of insurance, refused to renew the insurance policy for your firm?

Yes    No

If "yes," explain on a separate signed page. Name the insurance carrier, the form of

insurance and the year of the refusal.

**No=5**

**Yes (1 instance)=5**

**Yes (2 instances)=3**

**Yes (more than 2 instances)=0**

20. Has your organization ever had insurance terminated by a carrier in the past five (5) years due to an excessive claims history and/or nonpayment of premium?

If “yes,” explain on a separate signed sheet. Name the insurance carrier, the form of insurance, and year of termination.

**No=3; Yes=0**

**F. Safety Program & Workers’ Compensation**

Each bidder shall submit a copy of the Table of Contents from bidder’s established safety/injury prevention program which complies with the Contract Documents and all applicable governmental regulations. After determination of the successful bidder, its subcontractors must submit a copy of their respective safety/injury prevention programs within five (5) days of the District’s request.

Bidder: \_\_\_\_\_

Signature: \_\_\_\_\_

By: \_\_\_\_\_

Date: \_\_\_\_\_

Each bidder shall submit its workers’ compensation experience modification factor. After determination of the successful bidder, its subcontractors must submit their workers compensation modification factor within five (5) days of District’s request.

21. List your firm's Experience Modification Rate (EMR) (California Workers' Compensation Insurance) for each of the past premium years:

Current Year: \_\_\_\_\_

Previous Year: \_\_\_\_\_

Year Prior to Previous Year: \_\_\_\_\_

If your EMR for any of these three years is or was 1.25 or higher you may, if you wish, attach a letter of explanation.

**3 year average EMR of .95 or less=5 points**

**3 year average EMR of over .95 but no more than 1.0=3 points**

**Over 1.0=0**

22. Within the last five years has there ever been a period when your firm had employees but was without workers' compensation insurance or state-approved self-insurance?

Yes  No

If "yes," please explain the reason for the absence of workers' compensation insurance on a separate signed page. If "No," please provide a statement by your current workers' compensation insurance carrier that verifies periods of workers' compensation insurance coverage for the last five years. (If your firm has been in the construction business for less than five years, provide a statement by your workers' compensation insurance carrier verifying continuous workers' compensation insurance coverage for the period that your firm has been in the construction business.)

**No=5**

**Yes (1 instance)=5**

**Any other answer=0**

**G. Compliance with Occupational Safety and Health Laws and with Other Labor Legislation Safety**

Each bidder, and its subcontractors, must declare any serious or willful violations of Part 1 (commencing with Section 6300) of Division 5 of the California Labor Code received during the last five years. This information must include all construction work undertaken in the United States by the bidder and any affiliate of the bidder. Separate information shall be submitted for each particular partnership, joint venture, corporation, Limited Liability Company or individual bidder or subcontractor. The bidder or its subcontractors may be requested to submit additional information or explanation of data, which District may require for evaluating the safety record. The term "affiliate" shall mean any firm, corporation, partnership, joint venture, limited liability company or association which is a member, joint venturer or partner of the bidder, or any such entity which owns a substantial interest in, or is owned in common with, the bidder, its subcontractor or any of its members, joint venturers or partners, or any such entity in which the

bidder, its subcontractor, or any of their members, joint venturers or partners own a substantial interest.

23. Has your firm ever received a serious or willful safety violation during the last five (5) years?

Yes  No

If “yes,” attach a separate signed page describing the violation, including information about the dates, the nature of the violation, the project on which the citation(s) was or were issued, the amount of penalty paid, if any.

**No=3**

**Yes=1**

**Yes=0 (more than 1 occasion)**

24. Has CAL OSHA cited and assessed penalties against your firm for any “serious,” “willful” or “repeat” violations of its safety or health regulations in the past five years?

**NOTE: If you have filed an appeal of a citation, and the Occupational Safety and Health Appeals Board has not yet ruled on your appeal, you need not include information about it.**

Yes  No

If “yes,” attach a separate signed page describing the citations, including information about the dates of the citations, the nature of the violation, the project on which the citation(s) was or were issued, the amount of penalty paid, if any. If the citation was appealed to the Occupational Safety and Health Appeals Board and a decision has been issued, state the case number and the date of the decision.

*If the firm’s average gross revenues for the last three years were less than \$50 million, scoring is as follows:*

**No=5**

**Yes = (1 instance)=5**

**Yes = (2 instance)=3**

**Yes=(more than 2 instances)=0**

*If the firm’s average gross revenues for the last three years were more than \$50 million, scoring is as follows:*

**No =5**

**Yes (1,2, or 3 such instances)=5**

**Yes (4 or 5 such instances)=3**

**Yes (more than 5 instances)=0**

25. Has the federal Occupational Safety and Health Administration cited and assessed penalties against your firm in the past five years? **NOTE: If you have filed an appeal of a citation and the Appeals Board has not yet ruled on your appeal, or if there is a court appeal pending, you need not include information about the citation.**

Yes  No

If “yes,” attach a separate signed page describing each citation.

***If the firm’s average gross revenues for the last three years were less than \$50 million, scoring is as follows:***

No=5  
Yes=(1 instance)=5  
Yes (2 instances)=3  
Yes (more than 2 instances)=0

***If the firm’s average gross revenues for the last three years were more than \$50 million, scoring is as follows:***

No=5  
Yes (1, 2, or 3 such instances)=5  
Yes (4 or 5 such instances)=3  
Yes (more than 5 instances)=0

26. Has the EPA or any Air Quality Management District or any Regional Water Quality Control Board or any local authorities cited and assessed penalties against either your firm or the owner of a project on which your firm was the contractor, in the past five years? **NOTE: If you have filed an appeal of a citation and the Appeals Board has not yet ruled on your appeal, or if there is a court appeal pending, you need not include information about the citation.**

Yes  No

If “yes,” attach a separate signed page describing each citation.

***If the firm’s average gross revenues for the last three years were less than \$50 million, scoring is as follows:***

No=5  
Yes= (1 instance)=5  
Yes (2 instances)=3  
Yes (more than 2 instances)=0

***If the firm’s average gross revenues for the last three years were more than \$50 million, scoring is as follows:***

No=5

**Yes (1, 2, or 3 such instances)=5**

**Yes (4 or 5 such instances)=3**

**Yes (more than 5 instances)=0**

27. How often do you require documented safety meetings to be held for construction employees and field supervisors during the course of a project?

\_\_\_\_\_

**Meeting once a week or more=3**

**Any other=0**

28. How often do you conduct documented safety inspections on a construction site?

Daily \_\_\_\_\_ Weekly \_\_\_\_\_ Quarterly \_\_\_\_\_

**Meeting daily=3**

**Meeting weekly=1**

**Any other=0**

29. Does your firm currently have a safety plan which complies with the current OSHA standards?

Yes  No

**Yes=3; No=0**

30. Have any of your subcontractors you retained ever received a serious or willful industrial safety violation during the last five (5) years?

Yes  No

If “yes,” attach a separate signed page listing each subcontractor, its license number and provide a brief explanation.

**No=3; Yes=1 (1 occasion); Yes=0 (more than 1 occasion)**

#### **H. Prevailing Wage and Apprenticeship Compliance Record**

31. Has there been more than one occasion during the last five years in which your firm was required to pay either back wages or penalties for your own firm’s failure to comply with the state’s prevailing wage laws? **NOTE: This question refers only to your own firm’s violation of prevailing wage laws, not to violations of the prevailing wage laws by a subcontractor.**

Yes  No

If “yes,” attach a separate signed page or pages, describing the nature of each violation, identifying the name of the project, the date of its completion, the public agency for which

it was constructed; the number of employees who were initially underpaid and the amount of back wages and penalties that you were required to pay.

***If the firm's average gross revenues for the last three years were less than \$50million, scoring is as follows:***

No=5  
Yes (1 or 2 such instances)=5  
Yes (3 instances)=3  
Yes (more than 3 instances)=0

***If the firm's average gross revenues for the last three years were more than \$50million, scoring is as follows:***

No=5  
Yes (no more than 4 instances)=5  
Yes (5or 6 instances)=3  
Yes (more than 6 instances)=0

32. During the last five years, has there been more than one occasion in which your own firm has been penalized or required to pay back wages for failure to comply with the **federal** Davis-Bacon prevailing wage requirements?

Yes     No

If “yes,” attach a separate signed page or pages describing the nature of the violation, identifying the name of the project, the date of its completion, the public agency for which it was constructed; the number of employees who were initially underpaid, the amount of back wages you were required to pay along with the amount of any penalty paid.

***If the firm's average gross revenues for the last three years were less than \$50million, scoring is as follows:***

No=5  
Yes (1 or 2 such instances)=5  
Yes (3 instances)=3  
Yes (more than 3 instances)=0

***If the firm's average gross revenues for the last three years were more than \$50million, scoring is as follows:***

No=5  
Yes (no more than 4 instances)=5  
Yes (5 or 6 instances)=3  
No=5; Yes (1 or 2 such instances)=5; Yes (3 instances)=3  
Yes (more than 3 instances)=0

33. Provide the **name, address and telephone number** of the apprenticeship program (approved by the California Apprenticeship Council) from whom you intend to request the dispatch of apprentices to your company for use on any public work project for which you are awarded a contract by the District.

---

---

**If at least one approved apprenticeship program listed=5 points**  
**Any other answer=0**

34. If your firm operates its own State-approved apprenticeship program:
- (a) Identify the craft or crafts in which your firm provided apprenticeship training in the past year.
  - (b) State the year in which each such apprenticeship program was approved, and attach evidence of the most recent California Apprenticeship Council approval(s) of your apprenticeship program(s).
  - (c) State the number of individuals who were employed by your firm as apprentices at any time during the past three years in each apprenticeship and the number of persons who, during the past three years, completed apprenticeships in each craft while employed by your firm.

---

---

---

**If one or more persons completed an approved apprenticeship program while employed by the firm=5 points;**  
**If no persons completed an approved apprenticeship while employed by the firm=0 points**

35. At any time during the last five years, has your firm been found to have violated any provision of California apprenticeship laws or regulations, or the laws pertaining to use of apprentices on public works? **NOTE: You may omit reference to any incident that occurred prior to January 1, 1998, if the violation was by a subcontractor and your firm, as general contractor on a project, had no knowledge of the subcontractor's violation at the time they occurred.**

Yes     No

If "yes," provide the date(s) of such findings, and attach copies of the Department's final decision(s)

*If the firm's average gross revenues for the last three years were less than \$50 million, scoring is as follows:*

- No=5
- Yes (1 or 2 such instances)=5
- Yes (3 instances)=3
- Yes (more than 3 instances)=0

*If the firm's average gross revenues for the last three years were more than \$50million, scoring is as follows:*

- No =5
- Yes (no more than 4 such instances)=5
- Yes (5 or 6 such instances)=3
- Yes (more than 6 instances)=0

**I. Disputes**

36. At any time in the last five years has your firm been assessed and paid liquidated damages after completion of a project under a construction contract with either a public or private owner?

Yes  No

If yes, explain on a separate signed page, identifying all such projects by owner, owner's address, the date of completion of the project, amount of liquidated damages assessed and all other information necessary to fully explain the assessment of liquidated damages.

- No projects with liquidated damages of more than \$50,000=5 points**
- One project with liquidated damages=5 points**
- Two projects with liquidated damages of more than \$50,000=3 points**
- Any other answer=0 points**

37. In the last five years has your firm, or any firm with which any of your company's owners, officers or partners was associated, been debarred, disqualified, removed or otherwise prevented from bidding on, or completing, any government agency or public works project for any reason? **NOTE: "Associated with" refers to another construction firm in which an owner, partner or officer of your firm held a similar position, and which is listed in response to question 1c or 1d on this form.**

Yes  No

If "yes," explain on a separate signed page. State whether the firm involved was the firm applying for prequalification here or another firm. Identify by name of the company, the name of the person within your firm who was associated with that company, the year of the event, the owner of the project, the project and the basis for the action.

**No=5; Yes=0**

38. In the last five years has your firm been denied an award of a public works contract based on a finding by a public agency that your company was not a responsible bidder?

Yes  No

If “yes,” explain on a separate signed page. Identify the year of the event, the owner, the project and the basis for the finding by the public agency.

No=5; Yes=0

\* \* \* \* \*

**NOTE: The following two questions refer only to disputes between your firm and the owner of a project. You need not include information about disputes between your firm and a supplier, another contractor, or subcontractor. You need not include information about “pass-through” disputes in which the actual dispute is between a sub-contractor and a project owner. Also, you may omit reference to all disputes about amounts of less than \$50,000.**

39. In the past five years has any claim **against** your firm concerning your firm’s work on a construction project in California been **filed in court or arbitration?**

Yes  No

If “yes,” on separate signed sheets of paper identify the claim(s) by providing the project name, date of the claim, name of the claimant, a brief description of the nature of the claim, the court in which the case was filed and a brief description of the status of the claim (pending or, if resolved, a brief description of the resolution).

*If the firm’s average gross revenues for the last three years were less than \$50 million, scoring is as follows:*

No=5

Yes (1 such instances)=5

Yes (2 instances)=3

Yes (more than 2 instances)=0

*If the firm’s average gross revenues for the last three years were more than \$50 million, scoring is as follows:*

No=5

Yes (1, 2, or 3 such instances)=5

Yes (4 or 5 such instances)=3

Yes (more than 5 instances)=0

40. In the past five years has your firm made any claim against a project owner concerning work on a project in California or payment for a contract in California and **filed that claim in court or arbitration?**

Yes  No

If “yes,” on separate signed sheets of paper identify the claim by providing the project name, date of the claim, name of the entity (or entities) against whom the claim was filed, a brief description of the nature of the claim, the court in which the case was filed and a brief description of the status of the claim (pending, or if resolved, a brief description of the resolution).

***If the firm’s average gross revenues for the last three years were less than \$50 million, scoring is as follows:***

**No=5**

**Yes (1 such instance)=5**

**Yes (2 instances)=3**

**Yes (more than 2 instances)=0**

***If the firm’s average gross revenues for the last three years were more than \$50 million, scoring is as follows:***

**No=5**

**Yes (1, 2, or 3 such instances)=5**

**Yes (4, or 5 such instances)=3**

**Yes (more than 5 instances)=0**

**J. Criminal Matters and Related Civil Suits**

41. Has your firm or any of its owners, officers or partners ever been found liable in a civil suit or found guilty in a criminal action for making any false claim or material misrepresentation to any public agency or entity?

Yes  No

If “yes,” explain on a separate signed page, including identifying who was involved, the name of the public agency, the date of the investigation and the grounds for the finding.

**No=5; Yes=SUBTRACT 5 points**

42. Has your firm or any of its owners, officers or partners ever been convicted of a crime involving any federal, state, or local law related to construction?

Yes  No

If “yes,” explain on a separate signed page, including identifying who was involved, the name of the public agency, the date of the conviction and the grounds for the conviction.

**No=5; Yes=SUBTRACT 5 points**

43. Has your firm or any of its owners, officers or partners ever been convicted of a federal or state crime of fraud, theft, or any other act of dishonesty?

Yes     No

If “yes,” identify on a separate signed page the person or persons convicted, the court (the county if a state court, the district or location of the federal court), the year and the criminal conduct.

**No=5; Yes=SUBTRACT 5 points**

## Approval of CEO Comparable Compensation Data

**Section:** IV. Action Items  
**Item:** M. Approval of CEO Comparable Compensation Data  
**Purpose:** Vote  
**Submitted by:**  
**Related Material:**  
IV\_M\_MPS Executive Compensation Comparability Study March 2024 (2).pdf

## **Governing Board of Magnolia Public Schools Summary of Compensation and Benefits Survey Data for CEO/Superintendent**

**June 2024**

Prior to Board action to approve any decisions regarding executive compensation (including approval of base salary increases, incentive compensation, bonuses, etc.), the Board must first exercise due diligence (review of comparable compensation practices) to ensure compliance with IRS restrictions on excess compensation for nonprofit executives, including a charter school CEO/Superintendent. The Board's review and approval of the executive compensation must occur: initially upon hiring the executive; whenever the term of employment, if any, is renewed or extended; and whenever the officer's compensation is modified.

In reviewing the reasonableness of compensation for nonprofit executives, the IRS considers "compensation" broadly and will look at the value of salary, as well as non-fixed compensation (incentive compensation/bonuses), and benefits. If the IRS determines compensation is not reasonable, severe consequences may result.

The following is a summary of findings following review and comparison of a sampling of total compensation levels received by educational leaders in Southern California. Compensation figures are from the State Controller's Office for the 2021 and 2022 calendar years (the most recent available). Student enrollment figures and academic performance standards are from the California School Dashboard for the 2023 calendar year.

The CEO/Superintendent of Magnolia Public Schools oversees ten (10) public schools in Los Angeles, Orange, and San Diego Counties with a total population of approximately 3,586 students. Based on these facts, this study compared salary packages of similarly situated public school leaders. The three (3) charter schools and five (5) school districts surveyed in this summary have an average population of approximately 3,924 students.

Of the educational leaders sampled, the average total compensation package (base salary plus other compensation) is approximately \$370,742. The average base salary is approximately \$306,528. The range of base salary is \$251,135 to \$389,783. Salaries can range based on many factors such as experience, tenure at the school, student populations, staff size, and location of the charter school.

*Appendix A -*

## **CHIEF EXECUTIVE OFFICER AND SUPERINTENDENT JOB DESCRIPTION 2024- 2025**

### **Job Summary:**

The Chief Executive Officer ("CEO") and Superintendent is responsible for the leadership, strategic vision and growth of Magnolia Public Schools (MPS) as an organization, its existing schools, and future schools, as well as assisting the Board of Directors ("Board") in fulfilling its responsibilities. The CEO/Superintendent provides daily operational oversight and guidance with regard to safety, academic achievement, fiscal integrity and compliance with all laws and regulations.

The primary responsibility of the CEO/Superintendent is to carry out the strategic plans and policies as established by the Board, including the academic performance and operations of the existing schools and future campuses and fiscal oversight. The CEO/Superintendent reports to the Board.

For the 2024-25 school year, the six (6) most critical priorities for our organization are:

- (1)** The LACOE charter petition renewals of MSA-1, 2, and 3, and the material revisions for MSA-2 and 5
  
- (2)** Improve academic achievement through Plan-Do-Study-Act (PDSA) improvement work plans for all schools including schools in differentiated assistance (MSA-1 and MSA-8). Transition schools from (Comprehensive Coordinated Early Intervening Services (CCEIS) disproportionality work. In addition, continue to systemize our community schools model across our organization.

- (3)** Meet all Local Control and Accountability Plan (LCAP) goals as measured by the metrics that MPS uses to track progress toward the expected outcomes (Meet 80% or more of the targets, with the ultimate goal of 100%)
  
- (4)** Expand and replicate our current and new schools through the Federal Charter School Program (CSP) grant and other philanthropic support
  
- (5)** Maximize employee satisfaction and retention through targeted initiatives fostering growth, recognition, and a supportive work environment. In addition, attract top talent and enhance candidate experience
  
- (6)** Meet all capital project targets including the construction of the MSA-5 Capital Project and build out a long range financial projection model in parallel with our capital projects.

*Appendix A (continued)-*

**Job Duties:**

- Provide the leadership, vision, and strategic direction for the school(s);
- Structure the organization of the school(s) to achieve the vision, philosophy and mission;
- Oversee all operations of the school(s) and report to the Board on their progress;
- Assist the Board in the development of governance policies for review and approval;
- Negotiate, on behalf of the Board when duly authorized to do so, all vendor and service contracts, orders, licenses, or other agreements of a special nature unless the signing is expressly limited by the Board;
- Oversee all aspects of the school(s) including personnel, financial matters, the academic program, facilities, and operations;
- Work with the Board Chair to draft the agenda for all Board meetings;
- Recommend an annual budget to the Board, including an accounting of federally funded programs as required by applicable guidelines;
- Hire and oversee performance of charter home office staff, and principals whose jobs are to support/lead the operations, academic performance, business, marketing and development work;
- Oversee hiring, supervision, professional development, evaluation and dismissal of all personnel at school(s) and the CMO;
- Oversee the allocation of resources and school model decisions to drive the best balance between financial, operational, and academic concerns;
- Develop an overall human capital strategy and establish career paths within the CMO;
- Build a high performing, consistent data-driven culture at the CMO at all levels of its operations;
- Drive increased performance in the current school(s) and further refine the academic model;
- Determine the scope and sequence of educational programs according to the charter objectives;
- Implement well-researched, creative ways to educate the students in the school(s);
- Serve as primary contact with the State Department of Education;
- Follow all legal mandates from the U.S. Department of Education and the State of California in all aspects related to funding, reporting and regulations associated with charter schools;
- Work with outside counsel to support the legal needs of the organization;
- Assist the Board in seeking donors of time, funds and resources in support of the school(s);
- Manage any required facility acquisition, maintenance and renovation efforts;
- Perform other duties and responsibilities as are customary for the office of the CEO/Superintendent and as may be assigned from time to time by the Board.

*Appendix B -*

**Academic Accountability**

- **Authorizer oversight:** All MPS sites will have successful authorizer oversight visits.
- **Accreditation:** All MPS sites will maintain their WASC accreditation.
- **Curriculum:** MPS will strengthen its standards-based curriculum, complete with scope and sequences for all subjects taught at every existing and expected grade level that exceeds national academic standards.
- **MTSS:** MPS will develop, align, and improve academic and behavioral resources, programs, supports, and services in addressing the needs of the whole child by utilizing a coherent MTSS framework that engages all systems leading to improved student outcomes.
- **Work stream with Attuned:** MPS will collaborate with Attuned for the following work streams:
  - Conducting an instructional quality review and writing a report to determine current effective instructional practices to scale and gap areas for development and planning
  - Developing a TK-12 instructional handbook with current effective practices and recommended instructional initiatives to address gaps
  - Developing a multi-year implementation plan to address the instructional gap areas in the Instructional Quality Report
- **Coaching and teacher/academic leader development with (in)Field:** MPS will partner with (in)Field to meet the following high-level goals:
  - Refine and codify key school-based instructional enabling systems that drive improved performance of teachers and academic proficiency outcomes for students
  - Develop one or more instructional leaders to implement those instructional enabling systems with proficiency
  - Refine and codify the roles of the school based leaders and regional academic leaders related to teacher and leader development
  - Prepare a school-based leader and regional leader to replicate these systems and practices within the Orange County campuses that are set to launch in the coming five years
- **Data visualization:** MPS will implement a data visualization tool to create visual dashboards for student achievement data and key performance indicators.

- **LCAP metrics:** MPS will meet the following academic metrics in the LCAP:

### **LCAP Goal 1: BASIC SERVICES FOR A HIGH-QUALITY LEARNING ENVIRONMENT**

- **100%** of MPS students will have access to instructional materials.

*Metric 1.2: Percentage of students without access to their own copies of standards-aligned instructional materials for use at school and at home (Source: Local Indicator Priority 1)*

### **LCAP Goal 2: EXCELLENCE**

#### **ELA/Literacy:**

- **50%** or more of MPS students will be proficient on the CAASPP-ELA/Literacy assessments, with the ultimate goal of 100% proficiency for all.

*Metric 2.4: Percentage of students who have met or exceeded standard on the CAASPP-ELA/Literacy assessments (Source: CDE DataQuest)*

- All student groups across MPS will show growth on the CAASPP-ELA/Literacy assessments by a **3-point** or more increase from the prior year as measured by the CA School Dashboard.

*Metric 2.5: Distance from Standard (DFS) on the CAASPP-ELA/Literacy assessments (Source: CA School Dashboard)*

- **50%** or more of MPS students will meet their growth targets on the MAP-Reading assessments, with the ultimate goal of 100%.

*Metric 2.6: Percentage of students who have met their growth targets on the Measures of Academic Progress (MAP)-Reading assessment from fall to spring (Source: NWEA MAP)*

#### **Mathematics:**

- **35%** or more of MPS students will be proficient on the CAASPP-Mathematics assessments, with the ultimate goal of 100% proficiency for all.

*Metric 2.8: Percentage of students who have met or exceeded standard on the CAASPP-Mathematics assessments (Source: CDE DataQuest)*

- All student groups across MPS will show growth on the CAASPP-Mathematics assessments by a **3-point** or more increase from the prior year as measured by the CA School Dashboard.

*Metric 2.9: Distance from Standard (DFS) on the CAASPP-Mathematics assessments as measured by the CA School Dashboard (Source: CA School Dashboard)*

- **50%** or more of MPS students will meet their growth targets on the MAP-Mathematics assessments, with the

ultimate goal of 100%.

*Metric 2.10: Percentage of students who have met their growth targets on the Measures of Academic Progress (MAP)-Mathematics assessment from fall to spring (Source: NWEA MAP)*

### **LCAP Goal 3: INNOVATION**

#### **College Preparedness:**

- **55%** or more of MPS seniors will earn the “Prepared” designation on the College Career Indicator (CCI) as measured by the CA School Dashboard, with the ultimate goal of 100% preparedness for all.  
*Metric 3.4: Percentage of students in the current year College Career Indicator (CCI) who earned Prepared on the CCI (Source: CA School Dashboard)*
- **35%** or more of MPS seniors will have completed at least two college courses, with the ultimate goal of 100%.  
*Metric 3.9: Percentage of seniors who have completed at least two semesters of college coursework with a grade of C minus or better in academic/CTE subjects where college credit is awarded (Source: CA School Dashboard, SIS)*
- **90%** or more of MPS cohort graduates will meet UC/CSU A-G course completion requirements, with the ultimate goal of 100%.  
*Metric 3.10: Percentage of cohort graduates who have successfully completed courses that satisfy the requirements for entrance to the UC/CSU (Source: CA School Dashboard, CDE DataQuest, CALPADS)*
- **60%** or more of MPS seniors will be accepted to a 4-year college.  
*Metric 3.17: Percentage of high school completers who have been accepted to a 4-year college (Source: Naviance)*

#### **Innovative Programs/STEAM:**

- All MPS sites will organize a STEAM Festival/EXPO, with **80% or more** of students creating and demonstrating a STEAM focused project, experiment, model or demo, with the ultimate goal of 100%.  
*Metric 3.3: Percentage of students who have created or demonstrated a STEAM focused project, experiment, model or demo in the current year (Source: Local Indicator Priority 7, SIS)*

### **LCAP Goal 4: CONNECTION**

#### **School Climate/Engagement of Educational Partners:**

- Average Daily Attendance (ADA) Rate of **92%** or more, with the ultimate goal of 100%

*Metric 4.5: Average Daily Attendance (ADA) Rate based on the P-2 report (Source: SIS)*

- **Chronic Absenteeism Rate of 20% or less, with the ultimate goal of 0%**

*Metric 4.6: Chronic Absenteeism Rate (Source: CA School Dashboard, SIS)*

- **Graduation Rate of 95% or more, with the ultimate goal of 100%**

*Metric 4.9: Graduation Rate (Source: CA School Dashboard, CALPADS)*

- **Student Suspension Rate of 2.5% or less, with the ultimate goal of 0%**

*Metric 4.10: Student Suspension Rate (Source: CA School Dashboard, CALPADS)*

### Personnel and Human Resources (HR)

- **Maximize employee satisfaction and retention through targeted initiatives fostering growth, recognition, and a supportive work environment.** The People and Culture Department will develop and implement initiatives that will contribute to increased employee retention rates by 3% points to foster a thriving workplace. This will be achieved through the implementation of targeted retention strategies anchored in employee engagement surveys and exit interviews that will be conducted to analyze feedback to identify and address key factors contributing to staff satisfaction and turnover.
- **In Commitment Diversity, Equity, Inclusion and Belonging:** Increase diversity representation across all levels of the organization with a specific focus on underrepresented groups, through targeted recruitment strategies, and diversity training programs. Additionally, implement measures to enhance inclusivity, such as conducting regular diversity climate surveys and implementing recommendations to address areas for improvement, aiming to increase employee satisfaction rating by 3% points with statement “*Overall, I am satisfied and would recommend this school to others*” and other identified inclusivity-related metrics.
- **Attract Top Talent and Enhance Candidate Experience:** Implement a centralized hiring plan across all departments, aiming to streamline the recruitment process, improve hiring efficiency, and enhance candidate experience. This includes consolidating recruitment resources, standardizing hiring procedures, and training hiring managers on the new process, with the goal of reducing time-to-fill and increasing the quality of hires as measured by employee performance ratings.
- **Fidelity to Compliance, Employment Law, and Regulations:** Ensure 100% compliance with labor laws, regulations, and internal policies by consistently monitoring, updating, and enforcing HR policies and procedures. This includes achieving mandated training among all employees and resolving HR-related complaints or issues within required dates of their identification.
- **Career Growth and Development:** Design and implement organizational comprehensive professional development programs aimed at enhancing skills, fostering career advancement, and driving organizational growth that will empower employees.
- **LCAP metrics:** MPS will meet the following HR metrics in the LCAP:

#### LCAP Goal 1: BASIC SERVICES FOR A HIGH-QUALITY LEARNING ENVIRONMENT

- The percentage of teaching assignments that have an assignment monitoring outcome of "clear" will be **greater than 85%**. As a result, no MPS site will be on the list of schools identified for Williams Monitoring based on teacher credentials.

*Metric 1.1: The percentage of teaching assignments that have an assignment monitoring outcome of "clear" (Source: Local Indicator Priority 1, CDE DataQuest TAMO by FTE Report)*

- **MPS will have a teacher retention rate of 80% or more, with the ultimate goal of 100%.**  
*Metric 1.4: Teacher retention rate (Source: HRIS)*

#### **LCAP Goal 4: CONNECTION**

- School experience survey “participation rate” of **95.0%** staff, with the ultimate goal of 100% participation.  
*Metric 4.12: School experience survey participation rates (Source: Panorama Education)*
- School experience survey “average approval rate” of **80%** for staff, with the ultimate goal of 100% average approval rate.  
(Average approval rate is based on our staff’s responses to ALL the questions on the survey.)  
*Metric 4.13: School experience survey average approval rates (Source: Panorama Education)*
- School experience survey “overall satisfaction rate” of **85%** for staff, with the ultimate goal of 100% overall satisfaction rate (Overall satisfaction rate is based on our staff’s response to the question, “Overall, I am satisfied and would recommend this school to other educators.”)  
*Metric 4.14: School experience survey overall satisfaction rates (Source: Panorama Education)*

### Operations

- **Management:** Managing, directing operations and making necessary delegations
- **Emergencies:** Managing crisis response teams, leading efforts to resolve emerging crisis situations
- **Health & Safety:** Managing Pandemic, post-pandemic operations including
  - preparing health and safety policies and procedures for staff, students and visitors and keeping it up-to-date, budgeting,
    - Adapting and implementing the MPS Injury and Illness Prevention Policy (IIPP) across all MPS Sites and Home Office
  - Inventory building (tests, PPEs etc.) and follow up of reporting of required submissions to authorizers and/or agencies.
- **Prop 39:** Making sure Prop 39 applications for certain sites are submitted on time, and necessary year-round follow up for further communications with the district are done properly and punctually.
- **IT:** Makes sure that IT needs of schools & home office are properly tracked
  - inventory follow up is properly done
  - aging inventory retired
  - new orders made for all sites and Home Office
  - All IT infrastructures of sites and the Home Office are up-to-date with respect to the contemporary standards for internet, phone systems, network systems etc.
- **Grants:** Making sure the Technology related federal, state and local grants are being utilized at the highest possible level to decrease the cost of IT expenses to the minimum.
- **New Facilities:** Making sure newly owned, occupied, built sites are well designed, and ready to be used with all proper IT infrastructure, furniture and equipment.
- **Policies and procedures:** Making sure all purchase policies and procedures (such as chain of approvals, approval limits of certain approvers, number of quotes required) are properly followed up for all purchases, procurements and reimbursements.
- **Metrics:** MPS will meet the following Operations metrics:
  - The IIPP Plan will be adapted by the board and will be fully implemented across all MPS sites by the end of 2024-25
  - Chromebook count per student ratio will always be 1:1 or more
  - E-Rate and other federal, state program applications will be done in order to make sure the cost of owning and operating IT materials and programs will be minimal.
  - New MPS sites will be completely ready for instruction and utilization as soon as each construction is finalized.
  - All Prop 39 applications will be completed by the respective deadlines of the authorizers.

**LCAP Goal 1: BASIC SERVICES FOR A HIGH-QUALITY LEARNING ENVIRONMENT**

- **100%** of MPS students will have access to technology resources.

*Metric 1.2: Percentage of students without access to technology resources for use at school and at home (Source: Local Indicator Priority 1)*

### **Management & Board Oversight**

- **Communication:** Clear, transparent and timely communication between MPS Home Office and MPS Board with timely reporting of any critical development and communication with other local agencies to the board;
- **Committees:** All committees are to meet each academic year according to a schedule set at the beginning of the academic year. Board members are to conduct committee meetings directly with responsible C-team members. All C-team members should present items directly to corresponding committee members in their respective areas with the CEO serving as facilitator of the discussion;
- **Public relations:** In conjunction with the Board, continue to develop an effective public relation, marketing, and fundraising plan for 2022-23;
- **Philanthropy:** Secure philanthropic support that directly supports the mission and vision for 2022-23. Report annually to the board on C-Team and school site performance;
- **Onboarding:** Train and support new board members appointed due to vacancies and in compliance with the terms of authorizer directions;
- **Metrics:** MPS will meet the following board metrics:
  - Passing reports from authorizer site visits.

### Finance

- **One-time funds:** Manage post Covid-19 financial uncertainty, utilize one-time state and federal funds effectively;
- **Budgeting:** Justify and explain any significant budget fluctuations during reporting periods to include Adopted Budget, First Interim, Second Interim and Unaudited Actuals and strive towards net income for each site.
- **Compensation:** Improve compensation and support for school site staff; collaborate with all Home Office and school sites to support staff and improve compensation MPS-wide.
- **Capital plan:** Update the five-year capital plan following the bond issuance; Secure private financing for obtaining private facilities for all of the co-located sites;
- **Financial Systems:** Maintain accurate accounting, payroll, cash management, and insurance systems during the fiscal year
- **Audit** - Maintain clean audits MPS, no material deficiencies, restatement of fund balance, or findings.
- **Leadership:** Continue to provide leadership in the areas of financial planning, budgeting, accounting and management of the organization's financial resources;

### Facilities

- **Strategic plan:** Prepare a strategic plan for all schools at Prop 39 facilities;
- **Acquiring facilities:** Support all schools in the process of acquiring their own facilities especially concentrate on MSA-5 securing private facility;
- **Capital improvement projects:** Completion of capital improvement projects funded by grants (for example, CalSHAPE);
- **Asset management:** Implement asset management system to make sure that preventative maintenance action is taken to avoid large unplanned facilities/capital expenditures;
- **Leases:** Oversee, monitor, and maintain current requirements of facility leases;
- **Site support:** Meet with and visit school sites on a regular basis to insure proper support is provided;
- **Grants:** Apply for facility grants such as SB 740 and CSFIG, as applicable;
- **Vision:** Continue overseeing that all physical environments reflect the organization's mission and values as well as enhance learning. Improve fundraising and philanthropic efforts to improve/invest in facilities.

### LCAP Goal 1: BASIC SERVICES FOR A HIGH-QUALITY LEARNING ENVIRONMENT

- All MPS facilities will meet the “good repair” standard. Number of deficiencies and extreme deficiencies for each MPS site will be no **more than one**, with the ultimate goal of zero.

*Metric 1.3: Number of identified instances where facilities do not meet the “good repair” standard (including deficiencies and extreme deficiencies) (Source: Local Indicator Priority 1)*

### Educational Partners

- **Enhancing student-teacher engagement through comprehensive home visits.** The Impact Department will focus on increasing student-teacher engagement and community partnership by ensuring that at least 20% of MPS students receive home visits from teachers. This will be achieved through a revision of our structured program that tracks the number of home visits conducted, the percentage of teachers participating, the feedback from families, and actionable steps following the visit by the school staff. Regularly monitoring and reviewing qualitative data results will help inform student success. Additionally, retention rates, attendance, and academic performance will serve as the key performance indicators to help drive this goal.
- **Achieving constructive survey participation.** The Impact Department will seek to enhance the school community's engagement by achieving participation rates of 95% for students and 80% for families across the annual school experience survey in an effort to reach 100% participation for all educational partner groups through strategic outreach and communication efforts, ensuring that survey data accurately reflects the values of the entire school community. We will also collaborate with IT staff to best support caregivers in accessing online surveys. Routine adaptation, monitoring, and targeted strategies will support progress toward full engagement and participation.
- **Boosting school approval rates to foster a positive educational environment.** The Impact Department will work to improve the overall educational environment by increasing the average approval rates on the school experience survey to 65% for students and 95% for families, with the ultimate goal of reaching 100% approval from all groups. This will be achieved through intentional analysis of detailed educational partner feedback from the survey, implementing targeted improvements as needed, and regularly assessing the impact of these changes on approval rates.
- **Elevating overall satisfaction among all educational partner groups.** The Impact Department will aim to achieve overall satisfaction rates of 75% for students and 95% for families on the school experience survey, with the north star of 100% satisfaction from all groups. This goal will be supported by identifying key areas for improvement based on survey responses and through implementing targeted initiatives intentionally enhancing the school experience for all educational partners. Regular monitoring and feedback loops will drive continuous improvement between the Home Office and school sites. Our two main focus areas will be increasing a sense of belonging and safety through collaboration with school administration and Magnolia Engagement Team members.

- **Ensuring high student retention through targeted support and engagement.**

The Impact Department will focus on ensuring a student retention rate of 85% or more, with the ultimate goal of reaching 100%. This goal will be accomplished through comprehensive support systems with an emphasis on academic, cultural, and emotional needs, regular analysis of entry/exit findings, and the implementation of targeted retention strategies with support from the Family Success Coordinators. Continuous monitoring and adaptive measures in partnership with the Magnolia Engagement Team will help achieve this goal and maintain high retention rates across all school sites.

- **LCAP metrics:** MPS will meet the following Educational Partners metrics in the LCAP:

**Engagement of Educational Partners:**

- **15% or more of MPS students will be home-visited by the teachers per year**

*Metric 4.4: Percentage of students who have been home-visited by the teachers per year (Source: Local Indicator Priority 3, SIS)*

*We are revising our home visit structure and protocols to identify trends, from the qualitative data results, that will help inform student success. Retention rates, attendance, and academic performance will serve as the key performance indicators to help drive this goal.*

- **School experience survey “participation rates” of 95.0% for students and 75.0% for families, with the ultimate goal of 100% participation for all groups**

*Metric 4.12: School experience survey participation rates (Source: Panorama Education)*

- **School experience survey “average approval rates” of 65% for students and 95% for families, with the ultimate goal of 100% average approval rates for all groups. (Average approval rate is based on our educational partners’ responses to ALL the questions on the survey.)**

*Metric 4.13: School experience survey average approval rates (Source: Panorama Education)*

- **School experience survey “overall satisfaction rates” of 75% for students and 95% for families, with the ultimate goal of 100% overall satisfaction rates for all groups (Overall satisfaction rate is based on our educational partners’ response to the question, “Overall, I am satisfied and would recommend this school to other students/parents/educators.”)**

*Metric 4.14: School experience survey overall satisfaction rates (Source: Panorama Education)*

- **Student retention rate of 85% or more, with the ultimate goal of 100%**

*Metric 4.15: Student retention rate (Source: SIS)*

*Appendix C1 - TABLE OF MEASURABLE TARGETS IN THE LCAP*

Department	Measure	LCAP Metric #	Metric	Source	Data Timeline	2024-25 Target	2024-25 Outcome	On Target ?	Notes
<b>Academic Accountability</b>									
Academic Accountability	Instructional materials	1.2	Percentage of students without access to their own copies of standards-aligned instructional materials for use at school and at home	Local Indicator Priority 1	2024-25	0%		Yes Partial No	
Academic Accountability	Performance on CAASPP: ELA	2.4	Percentage of students who have met or exceeded standard on the CAASPP-ELA/Literacy assessments	CDE DataQuest	2024-25	≥ 50%		Yes Partial No	
Academic Accountability	Performance on the CA School Dashboard: ELA	2.5	Distance from Standard (DFS) on the CAASPP-ELA/Literacy assessments	CA School Dashboard	2025 Dashboard	3 points or more increase from prior year  (schoolwide and for student groups)		Yes Partial No	
Academic Accountability	Performance on MAP: Reading (%)	2.6	Percentage of students who have met their growth targets on the Measures of Academic Progress (MAP)-Reading assessment from fall to spring	NWEA MAP	Fall 2024 to Spring 2025	≥ 50%		Yes Partial No	
Academic Accountability	Performance on CAASPP: Math	2.8	Percentage of students who have met or exceeded standard on the CAASPP-	CDE DataQuest	2024-25	≥ 35%		Yes Partial	

			Mathematics assessments					No	
Academic Accountability	Performance on the CA School Dashboard: Math	2.9	Distance from Standard (DFS) on the CAASPP-Mathematics assessments	CA School Dashboard	2025 Dashboard	3 points or more increase from prior year  (schoolwide and for student groups)		Yes Partial No	
Academic Accountability	Performance on MAP: Math (%)	2.10	Percentage of students who have met their growth targets on the Measures of Academic Progress (MAP)-Mathematics assessment from fall to spring	NWEA MAP	Fall 2024 to Spring 2025	≥ 50%		Yes Partial No	
Academic Accountability	STEAM focused project	3.3	Percentage of students who have created or demonstrated a STEAM focused project, experiment, model or demo in the current year	Local Indicator Priority 7, SIS	2024-25	≥ 80%		Yes Partial No	
Academic Accountability	Performance on the CA School Dashboard: CCI	3.4	Percentage of students in the current year College Career Indicator (CCI) who earned Prepared on the CCI	CA School Dashboard	2025 Dashboard	≥ 55%		Yes Partial No	
Academic Accountability	College coursework	3.9	Percentage of seniors who have completed at least two semesters of college coursework with a grade of C minus or better in academic/CTE subjects where college credit is awarded	CA School Dashboard, SIS	2025 Dashboard	≥ 35%		Yes Partial No	
Academic Accountability	A-G rate	3.10	Percentage of cohort graduates who have successfully completed	CA School Dashboard, CDE DataQuest,	2025 Dashboard	≥ 90%		Yes Partial	

			courses that satisfy the requirements for entrance to the UC/CSU (Source:)	CALPADS				No	
Academic Accountability	College acceptance (4-year)	3.17	Percentage of high school completers who have been accepted to a 4-year college (Source: Naviance)	Naviance	2024-25	≥ 60%		Yes Partial No	
Academic Accountability	Student attendance	4.5	Average Daily Attendance (ADA) Rate	SIS	2024-25 P-2 ADA	≥ 92%		Yes Partial No	
Academic Accountability	Performance on the CA School Dashboard: Chronic Absenteeism	4.6	Chronic Absenteeism Rate	CA School Dashboard, SIS	2025 Dashboard	≤ 20%		Yes Partial No	
Academic Accountability	Performance on the CA School Dashboard: Graduation Rate	4.9	Graduation Rate	CA School Dashboard, CALPADS	2025 Dashboard	≥ 95%		Yes Partial No	
Academic Accountability	Performance on the CA School Dashboard: Suspension Rate	4.10	Suspension Rate	CA School Dashboard, CALPADS	2025 Dashboard	≤ 2.5%		Yes Partial No	
<b>Personnel and Human Resources (HR)</b>									
Personnel and Human Resources (HR)	Teacher assignments	1.1	The percentage of teaching assignments that have an assignment monitoring outcome of "clear"	Local Indicator Priority 1, CDE DataQuest TAMO by	2024-25	> 85%		Yes Partial No	

				FTE Report					
Personnel and Human Resources (HR)	Teacher retention	1.4	Teacher retention rate	HRIS	Fall 2024 to Fall 2025	≥ 80% OR 3% points or more increase from prior year		Yes Partial No	
Personnel and Human Resources (HR)	Survey participation (Staff)	4.12	School experience survey "participation rates" by staff	Local Indicator Priority 6, Panorama Education	2024-25	≥ 95%		Yes Partial No	
Personnel and Human Resources (HR)	Average approval on survey (Staff)	4.13	School experience survey "average approval rate" based on the responses of our staff to all questions on the survey in the following topics: climate of support for academic learning; knowledge and fairness of discipline, rules, and norms; safety; and sense of belonging (school connectedness)	Local Indicator Priority 6, Panorama Education	2024-25	≥ 80% OR 3% points or more increase from prior year		Yes Partial No	
Personnel and Human Resources (HR)	Overall satisfaction on survey (Staff)	4.14	School experience survey "overall satisfaction rate" based on the responses of our staff to the question, "Overall, I am satisfied and would recommend this school to other educators."	Local Indicator Priority 6, Panorama Education	2024-25	≥ 85% OR 3% points or more increase from prior year		Yes Partial No	
<b>Operations</b>									
Operations	Instructional technology	1.2	Percentage of students without access to technology resources for use at school and at home	Local Indicator Priority 1	2024-25	0%		Yes Partial No	

Facilities									
Facilities	Facilities maintenance	1.3	Number of identified instances where facilities do not meet the "good repair" standard (including deficiencies and extreme deficiencies)	Local Indicator Priority 1	2024-25	≤ 1		Yes Partial No	
Impact									
Impact	Home visits	4.4	Percentage of students who have been home-visited by the teachers per year	Local Indicator Priority 3, SIS	2024-25	≥ 15%		Yes Partial No	
Impact	Survey participation (Students)	4.12	School experience survey "participation rates" by students	Local Indicator Priority 6, Panorama Education	2024-25	≥ 95%		Yes Partial No	
Impact	Survey participation (Families)	4.12	School experience survey "participation rates" by families	Local Indicator Priority 6, Panorama Education	2024-25	≥ 75%		Yes Partial No	
Impact	Average approval on survey (Students)	4.13	School experience survey "average approval rate" based on the responses of our students to all questions on the survey in the following topics: climate of support for academic learning; knowledge and fairness of discipline, rules, and norms; safety; and sense of belonging (school connectedness)	Local Indicator Priority 6, Panorama Education	2024-25	≥ 65%		Yes Partial No	
Impact	Average	4.13	School experience survey	Local	2024-25	≥ 95%		Yes	

	approval on survey (Families)		"average approval rate" based on the responses of our families to all questions on the survey in the following topics: climate of support for academic learning; knowledge and fairness of discipline, rules, and norms; safety; and sense of belonging (school connectedness)	Indicator Priority 6, Panorama Education				Partial No	
Impact	Overall satisfaction on survey (Students)	4.14	School experience survey "overall satisfaction rate" based on the responses of our students to the question, "Overall, I am satisfied and would recommend this school to other students."	Local Indicator Priority 6, Panorama Education	2024-25	≥ 75%		Yes Partial No	
Impact	Overall satisfaction on survey (Families)	4.14	School experience survey "overall satisfaction rate" based on the responses of our families to the question, "Overall, I am satisfied and would recommend this school to other parents."	Local Indicator Priority 6, Panorama Education	2024-25	≥ 95%		Yes Partial No	
Impact	Student retention	4.15	Student retention rate	SIS	Spring 2025 to Fall 2025	≥ 85%		Yes Partial No

## MPS Progress towards CDE Significant Disproportionality Compliance

**Section:** V. Information/Discussion Items  
**Item:** A. MPS Progress towards CDE Significant Disproportionality Compliance  
**Purpose:** Discuss  
**Submitted by:**  
**Related Material:**  
V\_A\_MPS Excellent Progress toward CDE Significant Disproportionality Compliance.pdf

Agenda Item:	V A: Information/Discussion Item
Date:	June 17, 2024
To:	Magnolia Educational & Research Foundation dba Magnolia Public Schools (“MPS”) Board of Directors (the “Board”)
From:	Alfredo Rubalcava, CEO & Superintendent
Staff Lead(s):	Artis M. Callahan, Ed.D., Director of SPED and Support Krystal Zavala, Special Programs Coordinator
RE:	MPS Excellent Progress toward CDE Significant Disproportionality Compliance

### **Informational Item:**

The CDE Technical Assistance Facilitator (TAF), Dennis Doyle is requesting time to present to the board the excellent progress made by MSA 1, MSA 5, and MSA 2 toward progress on Disproportionality Compliance.

### **Purpose:**

Four of our MPS Schools have been working very diligently with the CDE and our TAF to address the disproportionality of Special Education Student eligibility.

- MSA 1, and 5 - are in Significant Disproportionality for Hispanic (Latino) students for the SLD eligibility. MSA 5 has successfully met the CDE requirement for no longer being in Significant Disproportionality this past 23-24 school year.
- MSA 2 has been in Disproportionality for two years and this school year 23-24, they were found to be out of danger of becoming Significantly Disproportionate.
- MSA San Diego is currently in Significant Disproportionality for White students identified under Other Health Impairment, (OHI).

### **Background:**

The Individuals with Disabilities Education Act (IDEA 2004) requires states and local education agencies (LEAs) to take steps to address disproportionality. Disproportionality refers to the “overrepresentation” of a particular racial or ethnic group in one of four areas:

- special education in general;
- special education within a specific disability category;
- disciplinary action; or
- more restrictive environments.

Annually, LEAs with disproportionate student outcomes for three sequential years for the same racial or ethnic group in the same element or indicator are identified as Significantly Disproportionate by the CDE.

Under IDEA, LEAs with Significant Disproportionality are required to identify and address contributing factors to disproportionality as part of their comprehensive coordinated early intervening services (CCEIS). These systems change efforts require collaborative work between general education and special education.

**Analysis and Impact:**

MSA 1 and 5 have developed and implemented plans to address the disproportionality. The schools provide the state with quarterly reports and amend the plans annually to reduce the disproportionate numbers of students who are over-identified.

MPS schools have implemented the following procedural changes based on the following new board-approved policies over the past three years.

- The Alternative Dispute Resolution Policy
- Reintegration of SPED students into General Education Policy
- ELPAC - domain removal qualifications

**Budget Implications:**

None

**Exhibits:**

- MSA 1- CIM for CCEIS Plan
- MSA 5 - CIM for CCEI Plan

# 2023 CIM for CCEIS ABBREVIATED ACTION PLAN

Significant Disproportionality Compliance and Improvement Monitoring  
(CIM) for Comprehensive Coordinated Early Intervening Services (CCEIS)

Local Educational Agencies (LEAs) who have been approved by the California Department of Education (CDE) to continue their 2022 CCEIS Plan as a 2023 Abbreviated CIM for CCEIS Action Plan should complete this document and submit by September 30, 2023, to the CDE via email: [intensivemonitoring@cde.ca.gov](mailto:intensivemonitoring@cde.ca.gov).

LEA Name: MSA 1	Contact Name: Brad Plonka
Contact Email: <a href="mailto:bplonka@magnoliapublicschools.org">bplonka@magnoliapublicschools.org</a>	Contact Phone Number: (818) 609-0507
Significant Disproportionality Indicator(s)/Element(s): 10 for Hispanic students with SLD eligibility	

### CONFIRM COMPLETION OF POLICIES, PRACTICES AND PROCEDURES REVIEW

The Policies, Practices and Procedures (PPP) Review for significantly disproportionate LEAs should be completed annually. Please list the date of the last Review and note when/how revisions to the PPP were publicly shared.

Date of Last Policies, Practices and Procedures Review: 3/16/2022; 5/22/2023
<p>Method/Date PPP Revisions Shared: The annual required process of reviewing MSA-1's policies, practices, and procedures related to our significant disproportionality took place on two levels: Our first level of PPP review was conducted at a centralized level at our Magnolia Public Schools (MPS) Administrative Offices.</p> <p>Our Director of Special Education and our Director of EL and ELA Programs reviewed board policies and implementation of programs related to our Hispanic SLD Indicator and determined that a policy with codified procedures to address the needs of our EL students prior to referral to a Student Study Team for special education assessment would better serve the language and learning needs of our students.</p> <p>At the second specific site level, it was recommended that those designated processes and step by step procedures be developed with an accompanying policy that will be beta tested during the 2023-24 school year with our MSA-1 Target Population acting as a test bed. The results will serve as proof of concept. The prototype will be adjusted based upon outcomes and feedback and will then be brought to the MPS Board for approval and subsequent implementation at all MSA sites the following year.</p> <p><u>Additional PPP findings:</u> the newly implemented Reintegration Policy for all MPS Schools that was developed through our last CCEIS Plan has had a positive impact on student outcomes consistent with the goals set forth in the previous plan. In-depth reviews of designated students' academic</p>

functioning and progress were systematically conducted with the desired effect and qualified students were exited where IEP goals had been fully met, students have demonstrated grade level proficiency for two consecutive years based on formative and summative assessments.

Finally, our EL Master plan has recently been revised to incorporate more support for specific EL special education students. Those students who qualify may have one domain of the ELPAC removed if there is a clear connection between a student's special education eligibility that is clearly aligned with their difficulty in passing a related particular domain of the ELPAC exam. This revision in the EL Master plan was presented to the MPS Board on August 10 of 2023 for implementation beginning in the 23-24 school year. Upon approval, the new policy was shared publicly on our MPS website and broadly disseminated internally to all sites along with necessary professional development to ensure fidelity in implementation.

The PPP review and plans for new policies were discussed at our Joint CIM for CCEIS/Ed Partners meeting on June 13, 202, and September 26, 2023.

## IDENTIFY TARGET POPULATION

Individuals with Disabilities Education Act (IDEA) funds reserved for CCEIS are for students in the LEA who are, "particularly, but not exclusively, children in those groups that were significantly over-identified, including children not currently identified as needing special education or related services but who need additional academic and behavioral support to succeed in a general education environment and children with disabilities." (See 34 CFR Section 300.646(d)(2).) "An LEA may not limit comprehensive CEIS...to children with disabilities." (See 34 CFR Section 300.646(d)(3).

Please describe the LEA selected criteria for the students that will be provided CCEIS with the 2023 CIM for CCEIS budget. Include the disaggregated breakdown of the Target Population by race and ethnicity.

We recalculated our data using the NYU Steinhardt Assessment tool, just as we had previously validated consecutive year risk ratios that led to our Hispanic SLD significant disproportionality at MSA-1. While Hispanic students make up 90.3% of the district population they make up 96.3% of students in the district classified as having a disability. Additionally, of those Hispanic Students with disabilities, 81% are classified as having a learning disability. Our team conducted file reviews and determined the unmistakable pattern that our case study reveals: our Hispanic SLD pupils are indeed dually identified as Students with a Disability and as an English Learner. Our file reviews and quantitative data focused on ELPAC data from 2019 through 2022, stakeholder surveys, and individual IEP and enrollment student cumulative records. Our team also noted that students who were dually identified as both EL and SWD had a low rate of reclassification from year to year on the ELPAC. The lowest scores achieved by students who were dually identified as EL and as a Student with a Disability on the ELPAC were in the area of reading.

Our case study of our overidentified Hispanic SLD (root causes) can be summed up as English Language Learners (including Long Term English Learners and students At Risk of becoming LTEL) who had not met proficiency levels on the ELPAC prior to enrollment, and are performing at least one year below grade expectancy in Reading and/or Mathematics. They are further characterized as not having had robust, comprehensive ELD prior to enrollment at Magnolia Public Schools.

Five previously identified Target Population students who met their goals are being exited and will continue to be monitored for at least a two year period. Therefore, for the 23-25 target group MSA 1 will identify an additional 10, primarily Hispanic, general education students who meet the above criteria - specifically pupils who are currently or are at risk of becoming LTEL's. The team will review 6th and 7th grade students who meet the aforementioned criteria. RFEP students who are having difficulty

may also be considered for participation in the Target Population. 21 specific students will be in the target population for 23-25.

Complete the table below **using estimates from current student data**. Actual numbers of targeted students served will be provided on the Quarterly Progress and Expenditure Reports.

Estimated Number of Students to Receive CCEIS		
2023 CCEIS Service Period: July 1, 2023, to September 30, 2025	Estimated number of students currently <i>not</i> identified as needing Special Education that will receive CCEIS	Estimated number of students <i>currently identified</i> as needing Special Education that will receive CCEIS
Total Students to be served during this 27-month period ( <i>non-duplicative count</i> )	21	0

### 2023 BUDGET ALLOCATION

Provide the Fiscal Year 2022–23 allocation awarded for Resource Codes 3310 and 3315.

2022 Resource <b>3310</b> Allocation	2022 Resource <b>3315</b> Allocation
\$ 108,931.00	\$

Provide the Fiscal Year 2023–24 allocation awarded for Resource Codes 3310 and 3315.

(Provide the 2023 allocations the Special Education Local Plan Area provided to the identified LEA for resource codes 3310 and 3315. The 15 percent set-aside for CCEIS expenditures will be determined from these two resource codes.)

2023 Resource <b>3310</b> Allocation	2023 Resource <b>3315</b> Allocation
\$ 91,847.82	\$

In the box below, indicate the 15 percent set aside for each of the Fiscal Year 2023–24 allocations the LEA was awarded for resource codes 3310 and 3315:

2023 CCEIS Resource 3312 <b>3312</b> = 15% of 3310		2023 CCEIS Resource 3318 <b>3318 = 15% of 3315</b>		<b>Total 2023 CIM for CCEIS Budget (3312 plus 3318)</b>
\$ 13,777.17	<b>plus</b>	\$	<b>equals</b>	\$ 13,777.17

The above 15 percent set-aside amounts will be the 2023-24 CCEIS allocations for resource codes 3310 (CEIS Resource Code 3312) and 3315 (CEIS Resource 3318) and should be expended and reported accurately in quarterly CIM for CCEIS Progress and Expenditure Reports.

### ALLOWABLE COSTS BUDGET

Please use the Total 2023 CIM for CCEIS Budget indicated above to complete the 2023 Allowable Costs Budget. Complete the table below to reflect the **Total 2023 CIM for CCEIS Budget** as reported on the

2023 Budget Allocation. CCEIS expenses for 2023 must conform to the U.S. Office of Special Education Programs (OSEP) IDEA Part B Regulations Significant Disproportionality (Equity in IDEA). For detailed allowable CCEIS expenditures, please refer specifically to Questions C-3-1 through C-3-10, pages 19 through 24, on the U.S. Department of Education Web page at <https://sites.ed.gov/idea/files/significant-disproportionality-ga-03-08-17-2.pdf>. The 2023 CCEIS period is July 1, 2023, through September 30, 2025. The CCEIS 15 percent set-aside must be fully expended by September 30, 2025.

2023 Budget Line Items	Brief Description of 2023 CCEIS Activities	Amount for each CCEIS Activity
1000–Certified Salaries	CCEIS Coordinator will provide facilitation, guidance, and support to ensure the CCEIS plan is carried out.	\$7000.00
2000–Classified Salaries		\$0
3000–Employee Benefits		\$1,750.00
4000–Materials and Supplies	Software for EL software and training	\$2,000.00
5000–Services and Other Operating Costs		\$0
5100–Contract Services (ICR cannot be used for Object Code 5100)	Professional Development	\$0
5800–Contract Services*	Working with consultant through CCEIS process	\$2,663.46
7300–Indirect Cost Rate (ICR) CDE-approved rate of <u>2.64</u> percent)		\$363.71
Total Amount for 2023 CCEIS Activities. The amount must equal the Total 2023 CCEIS Budget as indicated on the 2023 Budget Allocation Summary.		\$13,777.17

\*Services for the same vendor are capped at \$25,000 in 5800 Budget Line. The remainder must be moved into the 5100 Budget Line.

**Note:** This budget will be revised after actual allocations are finalized. The form for documenting revisions to the budget is a standalone document available on the 2023 CIM for CCEIS Padlet.

### 2023 Abbreviated CIM for CCEIS Action Plan

Please provide any needed changes to the approved 2022 CCEIS Action Plan to indicate the activities that will be funded with the 2023 CIM for CCEIS budget. Including:

- If needed, adjust measurable outcomes and activities based on data from implementation of the 2022 CCEIS Plan
- As appropriate, adjust the contents of the 2022 CCEIS Action Plan to reflect the July 1, 2023–September 30, 2025, CCEIS period (update timelines, responsible staff, target population, activities, etc.)

Measurable Outcome # 1	Indicator(s)/Element(s)	Root Causes	Target Population
By June of 2025, at least 80 % of the MSA 1 target population will show at least one level of improvement on the ELPAC in the Reading domain.	Indicator 10	The CIM team determined a direct correlation between LTEL's and SLD identification; chronic absenteeism and inconsistent ELD due to external socioeconomic factors	21 primarily Hispanic Students who are EL learners and/or approaching LTEL status in Grades 6 and 7

Activity	Staff Responsible for Implementation and Monitoring	Timeline	Data Sources/ Methods for Evaluating Progress	Funding Sources and Types of Expenditures
Activity 1.1: School will enhance CCEIS target population interventions by having staff members trained to implement English 3D, a program designed to accelerate language development for ELs who lack advanced linguistic knowledge and skills. The additional Instruction began in the 23-24 school year.	CCEIS interventionist, school leadership team	Training began with 22-23 school year; Instruction began 23-24 school year and is ongoing	ELPAC assessment results CCEIS Target Population Progress Monitoring Data: MAP, IAB, English 3D Data, SBAC results	CCEIS

Measurable Outcome # 2	Indicator(s)/Element(s)	Root Causes	Target Population
By June of 2025 - Approximately 30% percent of students in the target	ELPAC Assessment Results and other	Correlation between LTEL's and SLD	21 primarily Hispanic Students who are EL learners and/or

population will be Reclassified as Fluent English Proficient (RFEP).	reclassification requirements	identification; chronic absenteeism and inconsistent ELD due to external socioeconomic factors	approaching LTEL status in Grades 6 and 7
--	-------------------------------	--	---

Activity	Staff Responsible for Implementation and Monitoring	Timeline	Data Sources/ Methods for Evaluating Progress	Funding Sources and Types of Expenditures
Activity 2.1: For ELPAC testing universal testing accommodations will be implemented for all students in the CCEIS Target Population; smaller group settings will be provided, as will additional proctoring. Students will be instructed on how to access and utilize universal ELPAC testing accommodations	ELPAC Coordinator and Testing Coordinator	Beginning with 23-24 school year and ongoing	ELPAC Test Results	CCEIS and

Measurable Outcome # 3	Indicator(s)/Element(s)	Root Causes	Target Population
Target Population students will show an increase of at least one English Language Proficiency Indicator (ELPI) level as evidenced by ELPAC results.	Indicator 10	The CIM team determined a direct correlation between LTEL's and SLD identification; chronic absenteeism and inconsistent ELD due to external socioeconomic factors	21 primarily Hispanic Students who are EL learners and/or approaching LTEL status in Grades 6 and 7

Activity	Staff Responsible for Implementation and Monitoring	Timeline	Data Sources/ Methods for Evaluating Progress	Funding Sources and Types of Expenditures
Activity 3.1: ELD formative assessments of EL students on the Target Population will provide the basis for more concentrated and targeted ELD interventions during small group instruction. Target population students will receive extra support during tutoring and Saturday School.	ELPAC Coordinator and Testing Coordinator	Beginning with 23-24 school year and ongoing	ELPAC Test Results	CCEIS and Title 3 funds
Activity 3.2: External factors impacting the Target Population will be addressed by wrap-around services brokered through the Community Schools Grant.	CCEIS interventionist and Director of Community Schools and Partner Engagement	Beginning with 23-24 school year and ongoing	Attendance data, chronic absenteeism data, family support referrals, social worker caseloads	CCEIS and Community Schools Grant

Measurable Outcome #4	Indicator(s)/Element(s)	Root Causes	Target Population
By June 2024, complete a pilot study of pre-referral steps utilizing the Target Population as a test bed with a goal of Magnolia Public Schools system wide implementation in the 24-25 school year.	Indicator 10	The CIM team determined a direct correlation between LTEL's and SLD identification; chronic absenteeism and inconsistent ELD due to external socioeconomic factors	Latino Students who are EL learners in or approaching LTEL status Grades 6 and 7

Activity	Staff Responsible for Implementation and Monitoring	Timeline	Data Sources/ Methods for Evaluating Progress	Funding Sources and Types of Expenditures
Activity 4.1: Utilize the tools and checklists provided by the Imperial County SELPA	EL Coordinator CCEIS Interventionist	Pilot would run 23-24 school year	Questionnaires and checklists provided by the	CCEIS funds

including cumulative file checks, English Learner extrinsic factors, English Learner Parent, Teacher and Student Questionnaires	Director of Special Education Special Programs Coordinator		Imperial County SELPA	
---	---	--	-----------------------	--

*Duplicate the tables above for each additional Measurable Outcome and Activities.*

# 2023 CIM for CCEIS ABBREVIATED ACTION PLAN

Significant Disproportionality Compliance and Improvement Monitoring  
(CIM) for Comprehensive Coordinated Early Intervening Services (CCEIS)

Local Educational Agencies (LEAs) who have been approved by the California Department of Education (CDE) to continue their 2022 CCEIS Plan as a 2023 Abbreviated CIM for CCEIS Action Plan should complete this document and submit by September 30, 2023, to the CDE via email: [intensivemonitoring@cde.ca.gov](mailto:intensivemonitoring@cde.ca.gov).

LEA Name: Magnolia Science Academy 5	Contact Name: Ali Kaplan
Contact Email: akaplan@magnoliapublicschools.org	Contact Phone Number: 818-609-0507
Significant Disproportionality Indicator(s)/Element(s): Element 10 Hispanic/ Specific Learning Disability (SLD)	

### CONFIRM COMPLETION OF POLICIES, PRACTICES AND PROCEDURES REVIEW

The Policies, Practices and Procedures (PPP) Review for significantly disproportionate LEAs should be completed annually. Please list the date of the last Review and note when/how revisions to the PPP were publicly shared.

Date of Last Policies, Practices and Procedures Review: 3/16/2022, 5/22/2023
<p>Method/Date PPP Revisions Shared: The annual required process of reviewing MSA-5's policies, practices, and procedures related to our significant disproportionality took place on two levels: Our first level of PPP review was conducted at a centralized level at our Magnolia Public Schools (MPS) Administrative Offices.</p> <p>Our Director of Special Education and our Director of EL and ELA Programs reviewed board policies and implementation of programs related to our Hispanic SLD Indicator and determined that a policy with codified procedures to address the needs of our EL students prior to referral to a Student Study Team for special education assessment would better serve the language and learning needs of our students.</p> <p>At the second specific site level, it was recommended that those designated processes and step by step procedures be developed with an accompanying policy that will be beta tested during the 2023-24 school year with our MSA-5 Target Population acting as a test bed. The results will serve as proof of concept. The prototype will be adjusted based upon outcomes and feedback and will then be brought to the MPS Board for approval and subsequent implementation at all MSA sites the following year.</p> <p><u>Additional PPP findings:</u> the newly implemented Reintegration Policy for all MPS Schools that was developed through our last CCEIS Plan has had a positive impact on student outcomes consistent</p>

9/26/2023

with the goals set forth in the previous plan. In-depth reviews of designated students' academic functioning and progress were systematically conducted with the desired effect and qualified students were exited where IEP goals had been fully met, students have demonstrated grade level proficiency for two consecutive years based on formative and summative assessments.

Finally, our EL Master plan has recently been revised to incorporate more support for specific EL special education students. Those students who qualify may have one domain of the ELPAC removed if there is a clear connection between a student's special education eligibility that is clearly aligned with their difficulty in passing a related particular domain of the ELPAC exam. This revision in the EL Master plan was presented to the MPS Board on August 10 of 2023 for implementation beginning in the 23-24 school year. Upon approval, the new policy was shared publicly on our MPS website and broadly disseminated internally to all sites along with necessary professional development to ensure fidelity in implementation.

The PPP review and plans for new policies were discussed at our Joint CIM for CCEIS/Ed Partners meeting on June 13, 2023 and September 26, 2023.

**IDENTIFY TARGET POPULATION**

Individuals with Disabilities Education Act (IDEA) funds reserved for CCEIS are for students in the LEA who are, "particularly, but not exclusively, children in those groups that were significantly over-identified, including children not currently identified as needing special education or related services but who need additional academic and behavioral support to succeed in a general education environment and children with disabilities." (See 34 CFR Section 300.646(d)(2).) "An LEA may not limit comprehensive CEIS...to children with disabilities." (See 34 CFR Section 300.646(d)(3).

Please describe the LEA selected criteria for the students that will be provided CCEIS with the 2023 CIM for CCEIS budget. Include the disaggregated breakdown of the Target Population by race and ethnicity.

A Total of ten 6th and 7th grade general education students who are English Language Learners (including Long Term English Learners\* and/or students At Risk of becoming LTEL) who had not met proficiency levels on the ELPAC prior to enrollment, and are performing at least one year below grade level expectancy in Reading and/or Mathematics. English Learner data: Our 6th grade Target Population includes 2 Hispanic students who are LTEL, 2 who are at risk of becoming LTEL, and 2 who are newcomers. Our 7th grade Target Population includes 4 students who are LTEL, and 2 who have scored 4's on the ELPAC test but are not able to reclassify in other reclassification requirements. EL students who have been referred to SSPT and require targeted interventions prior to referral for special education are a priority to avoid over identification of Hispanic SLD. Root causes also included students who had been reclassified but subsequently were not making adequate progress. For the 23-25 targeted group MSA 5 will identify additional students who meet this criteria.

\*Students in the target population who have scored below 4 on the ELPAC test for more than 5 years are considered LTELs.

Complete the table below **using estimates from current student data**. Actual numbers of targeted students served will be provided on the Quarterly Progress and Expenditure Reports.

Estimated Number of Students to Receive CCEIS
---

2023 CCEIS Service Period: July 1, 2023, to September 30, 2025	Estimated number of students currently <u>not</u> identified as needing Special Education that will receive CCEIS	Estimated number of students <u>currently identified</u> as needing Special Education that will receive CCEIS
Total Students to be served during this 27-month period ( <i>non-duplicative count</i> )	10	0

**2023 BUDGET ALLOCATION**

Provide the Fiscal Year 2022–23 allocation awarded for Resource Codes 3310 and 3315.

2022 Resource <b>3310</b> Allocation	2022 Resource <b>3315</b> Allocation
\$ 36,261.00	\$

Provide the Fiscal Year 2023–24 allocation awarded for Resource Codes 3310 and 3315. (Provide the 2023 allocations the Special Education Local Plan Area provided to the identified LEA for resource codes 3310 and 3315. The 15 percent set-aside for CCEIS expenditures will be determined from these two resource codes.)

2023 Resource <b>3310</b> Allocation	2023 Resource <b>3315</b> Allocation
\$ 29,900	\$

In the box below, indicate the 15 percent set aside for each of the Fiscal Year 2023–24 allocations the LEA was awarded for resource codes 3310 and 3315:

2023 CCEIS Resource 3312 <b>3312</b> = 15% of 3310		2023 CCEIS Resource 3318 <b>3318 = 15% of 3315</b>		<b>Total 2023 CIM for CCEIS Budget (3312 plus 3318)</b>
\$ 4,485.00	<b>plus</b>	\$	<b>equals</b>	\$ 4,485.00

The above 15 percent set-aside amounts will be the 2023-24 CCEIS allocations for resource codes 3310 (CEIS Resource Code 3312) and 3315 (CEIS Resource 3318) and should be expended and reported accurately in quarterly CIM for CCEIS Progress and Expenditure Reports.

**ALLOWABLE COSTS BUDGET**

Please use the Total 2023 CIM for CCEIS Budget indicated above to complete the 2023 Allowable Costs Budget. Complete the table below to reflect the **Total 2023 CIM for CCEIS Budget** as reported on the 2023 Budget Allocation. CCEIS expenses for 2023 must conform to the U.S. Office of Special Education Programs (OSEP) IDEA Part B Regulations Significant Disproportionality (Equity in IDEA). For detailed allowable CCEIS expenditures, please refer specifically to Questions C-3-1 through C-3-10, pages 19 through 24, on the U.S. Department of Education Web page at <https://sites.ed.gov/idea/files/significant-disproportionality-ga-03-08-17-2.pdf>. The 2023 CCEIS period is July 1, 2023, through September 30, 2025. The CCEIS 15 percent set-aside must be fully expended by September 30, 2025.

2023 Budget Line Items	Brief Description of 2023 CCEIS Activities	Amount for each CCEIS Activity
1000–Certified Salaries		\$00
2000–Classified Salaries	He (Edgar) is providing CCEIS focus students during SSR classes, working on students' achievement gap	\$3,363.75
3000–Employee Benefits	Benefit	\$1,121.25
4000–Materials and Supplies		\$00
5000–Services and Other Operating Costs		\$00
5100–Contract Services (ICR cannot be used for Object Code 5100)		\$00
5800–Contract Services*		\$00
7300–Indirect Cost Rate (ICR) CDE-approved rate of _____ percent)		\$00
Total Amount for 2023 CCEIS Activities. The amount must equal the Total 2023 CCEIS Budget as indicated on the 2023 Budget Allocation Summary.		\$4,485.00

\*Services for the same vendor are capped at \$25,000 in 5800 Budget Line. The remainder must be moved into the 5100 Budget Line.

**2023 Abbreviated CIM for CCEIS Action Plan**

Please provide any needed changes to the approved 2022 CCEIS Action Plan to indicate the activities that will be funded with the 2023 CIM for CCEIS budget. Including:

- If needed, adjust measurable outcomes and activities based on data from implementation of the 2022 CCEIS Plan
- As appropriate, adjust the contents of the 2022 CCEIS Action Plan to reflect the July 1, 2023–September 30, 2025, CCEIS period (update timelines, responsible staff, target population, activities, etc.)

Measurable Outcome # 1	Indicator(s)/Element(s)	Root Causes	Target Population
By June of 2025, Los Lobos 10, our Target population, will show an increase of 10% or more in Math and Reading RIT scores as measured in NWEA assessments.	Indicator 10	The CIM team determined a direct correlation between LTEL's and SLD identification; chronic absenteeism and inconsistent ELD due to external socioeconomic factors	Latino Students who are EL learners in or approaching LTEL status in Grades 6 and 7

Activity	Staff Responsible for Implementation and Monitoring	Timeline	Data Sources/ Methods for Evaluating Progress	Funding Sources and Types of Expenditures
Activity 1.1: Los Lobos Target population students completion of assignments will be monitored on a daily basis and information provided by teachers will be communicated to students, tutors, and parents.	EL Coordinator Los Lobos Coach	Beginning with the 23-24 school year and ongoing	Math and Reading RIT scores as measured in NWEA assessments.	CCEIS and Title 1
Activity 1.2: ELD formative assessments of EL students on the Los Lobos 10 Target Population will provide the basis for more concentrated and targeted ELD interventions.	EL Coordinator Los Lobos Coach	Beginning with the 23-24 school year and ongoing	ELPAC and related ELD formative assessments	CCEIS and Title 3

Measurable Outcome # 2	Indicator(s)/Element(s)	Root Causes	Target Population
By June of 2025, Each individual student within Los Lobos 10 target population will show an increase of 10% in attendance.	Indicator 10	The CIM team determined a direct correlation between LTEL's and SLD identification; chronic absenteeism and	Latino Students who are EL learners in or approaching LTEL status in Grades 6 and 7

		inconsistent ELD due to external socioeconomic factors	

Activity	Staff Responsible for Implementation and Monitoring	Timeline	Data Sources/ Methods for Evaluating Progress	Funding Sources and Types of Expenditures
Activity 2.1: Our Los Lobos 10 coach will monitor daily attendance, health & well being of the target population and will refer families to Mitchell Family Counseling and The Chicago School of Professional Psychology in coordination with our Director of Student Services and Director of Community Schools and Partner Engagement.	EL Coordinator Los Lobos 10 Coach Director of Community Schools and Partner Engagement Director of Student Services	Beginning with the 23-24 school year and ongoing	Attendance data, chronic absenteeism data, family support referrals, social worker caseloads	CCEIS funds, Title 1, and Community Schools Grant
Activity 2.2: Ensure that all Target Population students and their families receive current legal requirements in focused letters that provide education regarding attendance	EL Coordinator Los Lobos 10 Coach Director of Community Schools and Partner Engagement Director of Student Services	Beginning with the 23-24 school year and ongoing	Attendance data, chronic absenteeism data, family support referrals, social worker caseloads	CCEIS funds, Title 1, and Community Schools Grant

Measurable Outcome #3	Indicator(s)/Element(s)	Root Causes	Target Population
By June 2024, complete a pilot study of pre-referral steps utilizing the Target Population as a test bed with a goal of Magnolia Public Schools system wide implementation in the 24-25 school year.	Indicator 10	The CIM team determined a direct correlation between LTEL's and SLD identification; chronic absenteeism and inconsistent ELD due to external socioeconomic factors	Latino Students who are EL learners in or approaching LTEL status Grades 6 and 7

--	--	--	--

Activity	Staff Responsible for Implementation and Monitoring	Timeline	Data Sources/ Methods for Evaluating Progress	Funding Sources and Types of Expenditures
Activity 3.1: Utilize the tools and checklists provided by the Imperial County SELPA including cumulative file checks, English Learner extrinsic factors, English Learner Parent, Teacher and Student Questionnaires	EL Coordinator Los Lobos 10 Coach Director of Special Education Special Programs Coordinator	Pilot would run 23-24 school year	Questionnaires and checklists provided by the Imperial County SELPA	CCEIS funds
