- [ ] Ensure that the school's emergency response box contains current and accurate information.
- [ ] Review the school's emergency response procedures with clerical, custodial, and support staff. Make sure they are prepared.
- [ ] Review the school's emergency response procedures with Beyond the Bell, L.A.'s Best, Youth Services, and any other before or after-school staff. Make sure they are prepared and know how to respond to an emergency. Make sure they have access to any and all emergency supplies. Print copies of the ISSP and all contact lists for them.
- [ ] Direct staff to https://www.lausd.org/steps for online emergency training information. Administrators can use the STEPS website to access online Emergency Management classes from Federal Emergency Management Agency (FEMA).
- [ ] Conduct a Vulnerability Assessment using the template provided on the Office of Emergency Management website. Take STEPS class 406, "Conducting a Vulnerability Assessment," to learn more.

Powered by BoardOnTrack

2.4 Plant Inspections

Plant inspections are critical to ensuring that all schools are clean, secured, all paths of egress are open and well-lit and are essential to the safety and well-being of all students and employees of the Los Angeles Unified School District.

Plant Inspections

- ☐ Walk-through will be performed on a biannual basis by the principal and plant manager to identify any unsafe conditions.
- ☐ Emergency routes and paths of travel used to and from assembly areas shall be inspected for ADA compliance.
- ☐ Within a month of the start of the new school year, the School Safety Planning Committee will review the walk-through. A timeline for completion of necessary corrections will be reviewed and assessed monthly.
- ☐ ESCARZAGA, JAIME will be responsible for inspecting the campus regularly for the following conditions:
    - All non-structural hazards in classrooms and other sites where students are served. These hazards may include: improper chemical storage; unsecured objects on high shelves; trees or shrubs that require pruning; trip hazards; exposed nails, screws or bolts; equipment in need of repair, or any other condition that could constitute a hazard (See the Common Safety Violations in School Classrooms guide).
    - Damaged fencing.
    - Playground facilities and equipment hazards.
    - Non-functioning lighting fixtures and burnt-out bulbs.
    - Non-functioning heating and ventilation.

Powered by BoardOnTrack

2.5 Hazards in the Community – Vulnerability Assessment

An LAUSD Vulnerability Assessment for schools to self- evaluate hazards on and off-campus is available to schools on the Administrators Corner of the OEM website. and is designed to be completed by the School Safety Planning Committee. Completing this assessment provides additional information that will help the committee create a robust and informed Integrated Safe School Plan.

School administration should be aware of potential environmental concerns in the community that can impact the school during an emergency. For example, the location of a nearby facility that uses toxic chemicals will assist in planning evacuation routes. The LAUSD Office of Environmental Health and Safety (OEHS) periodically conducts surveys to identify potential environmental concerns near schools. Site Administrators can access surveys that have been completed at https://lausd.org/Page/17133. Additional surveys will be uploaded as they are completed. To search for a school's survey, click the "Select a School" button below and type the school name in the search box or select the school from the drop-down list. Note potential environmental concerns near the campus, include:

- Facilities containing toxic chemicals or radioactive materials
- High voltage power lines and transformers
- Transportation routes of vehicles carrying hazardous materials (truck routes or railroad right–of–way)
- Underground gas or oil pipelines
    - Schools with pipelines may also be notified by the pipeline operator who can provide additional guidance and safety measures.
- Water towers or tanks
- Unique site-specific considerations

Site administrators can meet with an LASPD officer and walk the neighborhood to be familiar with potential hazards in the community that could impact the school. These findings can be recorded on Form A - Emergency Hazard Assessment Summary.

Site administrators should visit the CalEPA website and insert the address of their school to see a list of environmentally regulated sites and facilities near their campus. The website provides an overview of regulated activities of environmental programs in California. These activities include hazardous materials and waste, state, and federal cleanups, impacted ground and surface waters, and toxic materials. Site Administrators should print out the map of their school community that shows the exact location of these facilities. These sites may also be listed on OEHS' potential environmental concerns survey under CalEPA Regulated Sites of Concern within 500 ft (see above).

The map should be retained with the Integrated Safe School Plan and be a reference during emergencies and evacuations.

Powered by BoardOnTrack

Federal Emergency Management Agency (FEMA) offers a comprehensive, multiple-natural hazard-based, community-level risk index which is searchable by neighborhood. Coastal flooding, earthquake, hail, heat wave, landslide, lightning, strong wind, tsunami, and wildfire are among the 18 natural hazards included.

The database can be accessed at: https://www.fema.gov/flood-maps/products-tools/national-risk-index. This index takes into consideration the risk level of experiencing the natural hazards; population vulnerability based on factors such as, age, income and living conditions cross-referenced with available community resources such as, hospitals and fire stations; and historical data on natural disasters.

2.6 Preparation and Mitigation for Students with Disabilities

Additional information is available in the MyPLN STEPS courses 210 and 410.

Addressing Concerns: As per CA E. C. § 32282, after review by a school employee, a pupil's parent, guardian, or educational rights holder, or a pupil, any concern about appropriate adaptations and a pupil's ability to access disaster safety procedures described in this plan should be directed to the school principal.

Procedures are outlined in REF-5511 Completing and Updating the Integrated Safe School Plan.

All school staff members need to be aware of the needs and challenges of students in their care. Schools are required to establish specific plans for students and/or employees with special needs to ensure their safety and implementation of any necessary documentation during any emergency (CA E. C. § 32282). In collaboration with appropriate staff, the School Safety Planning Committee should consider what additional steps and resources the school will use for students and adults with access and functional needs, disabilities, and other special needs. All emergency planning and preparation must consider the requirements of students with disabilities and other specific needs. Some students may need additional assistance during an emergency. It is crucial to prepare for the needs of these students and provide the necessary materials, resources, and personnel. Specific needs can be categorized into several, general groups:

- Mobility
- Visual
- Hearing
- Communication
- Cognitive
- Special Healthcare Needs
- Behavioral

The needs of students must be analyzed to accommodate student needs during emergencies, including procedures for emergency notification, evacuation, and sheltering.

Employees who will assist students with disabilities need to be identified before the emergency, and practice techniques for assisting these students. Staff will need to understand the capabilities and limitations of the population that they support during emergency situations. They should rehearse their role at every emergency drill so that they and the student they assist will have confidence in the process. Participating in all emergency drills enables the students with specific needs and the employees who assist them to become familiar with one another and address any concerns before an emergency occurs.

An administrator/designee shall be identified as the primary contact for ensuring students, others on campus with disabilities or other special needs are considered throughout the ongoing development of the plan. FLORES, ANGELICA This administrator and an alternate comprise the Access and Functional Needs Position (See Section 3.6).

Identification of Students with Specific Needs

The School Safety Planning Committee and other stakeholders should compile a list of students with specific needs. The list should include students with temporary physical challenges as well as students with injuries or needs that may not qualify for special education services, but who will need additional assistance during or immediately after an emergency. Knowing the most fragile and dependent members of the school population will allow the school to prepare for the challenges and be successful during an emergency.

Information about students with specific needs can be gathered from many sources, including:

- School Nurse/Health Care Assistants
- Parents
- Teachers/Related Service Providers
- Paraprofessionals
- IEP Team Meetings
- LRE Counselors
- Students
- 504 Plans
- 504 designees
- Counselors
- Meetings [e.g., Student Success Progress Teams (SSPT), Interim Behavior Response Plan (IBRP)

The list of students with specific needs can be entered in the "Alerts" module (under the student’s Record Navigator) of the Welligent system that stores LAUSD student medical condition information. Specific equipment and supplies needed to care for each student should be listed there as well. Periodically, the site administrator can print out an updated list. Details on using the “Alerts” module in Welligent are in the online MyPLN course STEPS.

The Administrator/Designee for Access and Functional Needs should ensure that all students who have specific emergency needs have been identified and that the list of these students and their needs are available in the School Emergency Response Box (see REF-5450 School Emergency Response Boxes). Before an emergency occurs, this list should be shared with the Operations Section Lead, who oversees the Search and Rescue Teams and the Triage Teams. Both teams need to know the names and challenges faced by these students, as it directly impacts the response actions of those teams. This information should be shared with the Logistics Section Lead to ensure that needed supplies are available (e.g., diapers, wheelchairs). The Logistics Section should also be aware of the approximate number of individuals with specific emergency needs, in the event that they need to order resources (e.g., buses). The following items should be stored in the School Emergency Response Box in folders marked "Confidential":

Class schedules for students with specific needs, so that Search and Rescue Teams will know where to look for students.

- Emergency contact information for each identified student with specific needs. Welligent (Student Face Sheet) printouts for students with chronic conditions who may require special or additional support from the Search and Rescue and Triage Teams.

The leaders of the Search and Rescue Teams, Triage Teams, and the Logistics Team should know where to get copies of these items during an emergency so that their sections can adequately address the needs of students with specific emergency needs.

Emergency Notification for Students with Specific Needs

Administration must ensure that emergency notification systems at the school site are functional for all students in all locations on campus. Conduct regular emergency drills that incorporate emergency notification systems, such as the fire alarm system and PA system, into all emergency drills to test the system and identify any non-functional elements. Drilling with the school's emergency notification systems also creates familiarity with the sounds and lights associated with emergencies for students with specific needs. Supplemental online alarm systems training courses STEPS 411 and 418 are offered through MyPLN.

The Administrator/Designee for Access and Functional Needs should ensure the following are in place:

- All students are familiar with the sound of emergency alert systems, as well as the location of alarms and lights.
- All students, including students with communication challenges, are aware of the procedures used to report an emergency.
- All students, as appropriate for their age, ability, and cognition, know the emergency actions to take associated with each emergency alert system or emergency PA announcement.

Powered by BoardOnTrack

- Appropriate alternate emergency notification systems should be in place for students who cannot hear, including alternatives to emergency PA announcements (such as a lockdown).

Administration should make sure that all alarm systems, PA systems, and telephone systems are functional as part of the regular campus inspection process. Back-up plans, such as a cell phone list, should note individuals with specific needs.

Evacuation Concerns for Students with Specific Needs

As part of their planning process, schools will need to consider how they will assist students who cannot evacuate the building on their own, especially those who cannot walk down a flight of stairs. In almost all situations, students can be assisted with a special evacuation device or carried down by two to four adults on the Search and Rescue Team. All multiple-story schools have been trained on how to operate an Evac+ Chair and have at least one device on campus. If you need additional support, contact the Office of Emergency Management at oem@lausd.net. Rescue technique training is available online through MyPLN course STEPS 210.

On an ordinary school day, some students with mobility issues attend classes on the upper floors of buildings and use the elevator to travel from one floor to another. If there is an emergency that includes a power failure or activation of the fire alarm system, the elevator will not function, and these students will need assistance getting to the ground floor. These students will also need assistance after an earthquake, as elevators should not be used. In addition, disaster debris or damage may be disorienting to others who normally use the stairs, such as students who are blind or have visual impairments. Relocating upstairs classrooms of students with significant evacuation challenges to the ground floor should be considered for student safety.

Teachers are to use the buddy system during evacuation, so that one teacher can take two or more classes to the Assembly Area, while the second teacher or designated adult assists or waits with students who cannot evacuate on their own.

During an emergency, Search and Rescue Teams may need to rescue students who are trapped and cannot evacuate the building on their own accord. As they search buildings, the Search and Rescue Teams need to check for any students who cannot walk down a flight of stairs.

To make sure that these students, identified assistants, and Search and Rescue Team members are familiar with each other, all students must take part in all campus emergency drills. It will only be through practice that team members become familiar with the students and their capabilities. Drills should also pose a variety of challenges, such as blocked stairways and compromised access to direct exits, so that students and staff learn alternate routes to the Assembly Area. Information is available in the REF-5803 Emergency Procedures, Drills and Districtwide Exercises.

All students with evacuation challenges must be identified and know:

- Their accessible evacuation routes (to the assembly area, as well as off-site)
- What route they will take for both building evacuation (to the on-site assembly area) and off-site relocation
- For building evacuation to the on-site assembly area, alternate routes can be established to ensure accessible, safe, and efficient evacuation for individuals with access and functional needs (Note that all students/staff should use the same route, which should be accessible to all, for off-site relocation.)
- Who will assist them during an emergency
- How they will be assisted/rescued during an emergency
- Where they should wait, if there is a designated location
- What equipment will be used (e.g., Rescue-Seat, Evac+ Chair)
- Where assistive evacuation equipment is kept

All staff members responsible for assisting students during evacuations should be familiar with the evacuation buddy system and applicable assistive rescue devices and techniques.

A critical part of daily campus inspections is making sure that all access to the Assembly Area is open. All doors and exits should be open and work the way they were designed. Paved surfaces should be free of any obstruction. Blockages that are easily maneuvered by many can become overwhelming impediments to people with mobility challenges. All routes should be inspected to make sure they will service everyone on campus. This is especially true around construction sites, holiday decorations, and inclement weather.

Any person using a wheelchair who can travel without additional assistance proceeds directly to the school site Assembly Area. This school's specific plans for evacuation assistance includes:

Teachers will assist when needed.

Preparing to Shelter and Care for Students with Specific Needs

Once students with specific needs have been evacuated from the building, the next challenge will be maintaining their physical and emotional safety until they can be reunited with a custodial adult.

Before an emergency, identify what specific supplies or materials are needed to provide round-the-clock care for students with chronic conditions or special healthcare needs. Much of this information may already be in the Welligent student database, although it might not mention items that are only needed outside of school hours. The greater the student's needs, the more supplies that may need to be stored for emergency use.

School staff can create a backpack "go kit" with the necessary supplies and tag with the student's name. The backpack should contain all materials needed to support that student, as well as any documentation that may be needed by first responders or outside support agencies such as paramedics or hospitals. The bag can be stored in the classroom with the teacher or in the emergency bin if none of the supplies can be damaged by heat. Whenever the students

Powered by BoardOnTrack

evacuate the building, classroom employees must bring the backpacks with them. The school's specific plans for disaster assistance for students with specific needs includes:

For more tips and information on supporting students with access and functional needs, access LAUSD Emergency Preparedness for Students with Disabilities Tips and Checklist.

2.7 Public Disaster Shelters

There are centralized procedures that are followed by LAUSD before any school is used as a public disaster shelter. Public shelters are managed by the American Red Cross, and all shelter operations are coordinated through the Office of Emergency Management (OEM) in adherence to pre-established agreements. Any requests from the Red Cross for shelters should be directed to OEM at 213-241-3889 or the LASPD Watch Command at 213-625-6631. More information is available in BUL-6084 LAUSD Use of School Facilities in an Emergency or Disaster Situation.

2.8 Assessments

The school ensures that appropriate stakeholders participate in the annual self-assessment process.

Twelve self-assessments are completed online as part of Step 2 of the Integrated Safe School Plan process. They contain critical elements of safe and healthy school planning that must be completed for compliance with federal law, state law, and District policy and procedures. Results can be used to further facilitate the development of the school's ISSP and enhance overall health and safety at the school.

The most successful assessments are conducted by a broad array of individuals at a school, including support staff and first responders. Students and parents, including students and parents with disabilities, or access and functional needs, should be included to the maximum extent appropriate. These individuals will reflect on the school's practices, progress and challenges based on the prior year's data to complete the assessments.

2.8.1 Health and Nutrition

Health services are provided by a school nurse to meet federal and state mandates and the health needs of students. The school ensures immediate and reliable access to medications, special diets, treatments, and emergency care.

Acquisition and Use of an Automated External Defibrillator (AED)

For more details, access BUL-4480 Policy and Procedure for the Acquisition and Use of Automated External Defibrillators (AEDs).

The CA Health and Safety Code § 1797.196 (c) states when an AED is placed in a public or private K-12 school, the principal shall ensure that the school administrators and staff annually receive information that describes sudden cardiac arrest, the school's emergency response plan, and the proper use of the AED. The principal shall also ensure that instructions, in no less

than 14-point type, on how to use the AED are posted next to every AED. The principal shall, at least annually, notify school employees as to the location of all AED units on campus.

CA E.C. § 35179.6 (b) states commencing July 1, 2019, if a school district or charter school elect to offer any interscholastic athletic program, the school district or the charter school shall acquire at least one AED for each school within the school district or the charter school. The school district or the charter school is encouraged to ensure that the AED or AEDs are available for the purpose of rendering emergency care or treatment within a recommended three to five minutes of sudden cardiac arrest to pupils, spectators, and any other individuals in attendance at the athletic programs on campus activities or events and shall ensure that the AED or AEDs are available to athletic trainers and coaches and authorized persons at these activities or events.

Responsibilities of the Administrator:

As described in BUL-4480 Policy and Procedure for the Acquisition and Use of Automated External Defibrillators (AEDs).

- Ensure that all school staff annually receive information on the following:
  - The school's CPR/AED Emergency Response Site Plan and AED's location, completed each year by October 15 (Attachment A).
  - AED Program Tri-Fold Information Pamphlet (Attachment B).
- Ensure that instructions on how to use the AED are posted next to every AED. The AED signage must be visible with clear instructions that are no less than 14-point type (Attachment C).
- Ensure that the following occur:
  - Perform equipment maintenance of AED and associated supplies, such as pads and first responder kit, and check for expiration dates and damage every 30 days, specifically on the 1st of every month and no later than the 10th of every month. Report AED maintenance checks on the District-approved online platform via online login (Attachment D) or QR Code Scan (Attachment E).
  - Reorder outdated or damaged AED equipment supplies, as necessary.
  - Allow school site employees the opportunity to obtain CPR/AED certification that complies with the regulations adopted by the California Emergency Medical Services Authority (EMSA) and standards of the American Heart Association (AHA) or the American Red Cross (ARC).
  - Designate volunteer emergency site responders as described in BUL-4480 Policy and Procedure for the Acquisition and Use of Automated External Defibrillators (AEDs).and maintain responder training records on the cloud-based device management system (Attachment F) and CPR/AED Emergency Response Site Plan form (Attachment A).
  - Report the AED usage event on the cloud-based device management system and complete both the Incident Report in the Confidential Report of AED Incident

Powered by BoardOnTrack

Response form and the Incident System Tracking Accountability Report (iSTAR). Additionally, comply with post-usage event processes from the District-approved vendor.

Requirements when administering CPR and the use of an AED:

1. Call 911.
2. Call parent/guardian/emergency contacts.
3. Ensure that the individual who received CPR and the application of the AED is transported in an emergency vehicle to a hospital for further treatment and observation.

Administration of Naloxone (Narcan)/Protocol for Opioid Overdose Treatment

CA E.C. § 49414.3 authorizes school districts to:

- Provide emergency Naloxone (Narcan) or another opioid antagonist to school nurses or trained personnel who have volunteered.
- Use Narcan or another opioid antagonist to provide emergency medical aid to persons suffering, or reasonably believed to be suffering from an opioid overdose.
- Designate one or more volunteers to receive initial and annual refresher training, based on standards regarding the storage and emergency use of Narcan or another opioid antagonist from the school nurse or other qualified person designated by an authorizing physician and surgeon.

Based on this authorization, all LAUSD nurses and other designated personnel will have access to and training in the use of Narcan. At this time, LAUSD ensures staff training be conducted through MyPLN with completion certificates filed within each employee's personnel file. Further supplemental training is also being conducted by a credentialed school nurse.

Responsibilities of the Administrator:

- Review the information contained in BUL-133120 Administration of Naloxone (Narcan) Nasal Spray.
- Discuss the Narcan Nasal Spray and reporting policy with employees, and parents/guardians.
- Ensure that school nurses, designated staff, school police (LASPD), local police, and other emergency responders (fire department or LAFD or 911-deployed responders), can access Narcan supply when needed.
- Maintain an annually updated Naloxone (Narcan) Emergency Response Site Plan on the premises where the Narcan Nasal Spray is stored. This plan shall be accessible to Emergency Personnel, such as school nurses, designated staff, school police (LASPD), local police and other emergency responders (fire department or, 911-deployed responders).
- Ensure confidentiality of all Narcan Nasal Spray uses and its reports.
- Report all instances of Narcan Nasal Spray usage by completing an iSTAR.

Powered by BoardOnTrack

- Treat the report of Narcan Administration as a confidential report for use by LAUSD attorneys and the Office of Risk Management. No copies of the report shall be furnished to anyone including employees, students, or parents without permission from the Office of the General Counsel.
- Ensure proper procedures correlating to the storage, restocking, and emergency use of naloxone nasal spray as an opioid antagonist are being followed.
- Coordinate with designated staff to keep the Narcan and monthly checklists stored in a secure location.
- All schools must maintain records for seven (7) years.

Requirements when Administering Narcan:

1. Call 911.
2. Call parent/guardian/emergency contacts.
3. Ensure that the individual who received Narcan is transported in an emergency vehicle to a hospital for further treatment and observation.

Access to and Administration of Epinephrine

For more details including the administration of epinephrine, please access BUL-114500 Administration of Epinephrine Auto-Injectors.

The CA E.C. § 49414 requires school districts to provide emergency epinephrine auto-injectors to school nurses, or trained personnel who have volunteered, to provide emergency medical aid to persons suffering or reasonably believed to be suffering from an anaphylactic reaction. The intent is to protect not only persons with previously diagnosed allergies, but also persons who do not know they are allergic and who therefore may not have been prescribed epinephrine. In addition, Section 49414 requires a school district, county office of education, or charter school to annually distribute a notice and description of volunteer training.

In the event of a major disaster which requires evacuation, it is recommended that the emergency epinephrine auto-injectors be transported to the First Aid Station and turned over to the designated lead of the First Aid Station.

Food Services

School menus, Café-LA programs, meal application and other pertinent food services and nutritional information can be found on the Food Services Division website at https://lausd.org/cafela.

Under California's Universal Meals Program, every school must serve breakfast and lunch daily without exception, including minimum and shortened days. 20-minute period for students to access and consume their meals is a state, federal, and School Board requirement. Schools that

have an after-school program offer healthy snacks and supper meals provided by the Food Services Division.

For more information, access Board Resolution "Improving Food and Nutrition Policy," December 11, 2012.

2.8.2 Positive Safe School Environment

2.8.2.1 Reporting and Notifications

Suspected Child Abuse and Neglect Reporting Requirements

Administrator Responsibilities:

- Review child abuse reporting policies with all employees twice a year (e.g., beginning of each semester), and assist or designate another administrator to assist employees seeking assistance in meeting their mandated child abuse reporting responsibilities.
- An employee who successfully completes the Child Abuse Awareness Training (CAAT) training will have certified the Employee Acknowledgement, and the supervisor may maintain a file of CAAT training completion certificates but is not required to do so. Also, although not required to do so, an administrator may annually request that each employee under the administrator's supervision sign the Employee Acknowledgement of Suspected Child Abuse Reporting District Policy and Legal Requirements in the BUL-1347 Child Abuse and Neglect Reporting Requirements.
- Ensure all employees are auto enrolled and have completed the annual fall online CAAT and passed the assessment by September 15 of each school year.

Employee Responsibilities:

- Review and pass the online CAAT.
- An employee suspecting child abuse or neglect must file a Suspected Child Abuse Report (SCAR):

  A. If the employee has an emergent (urgent) SCAR to make (e.g., immediate risk of abuse, neglect, or exploitation or that the child is in imminent danger of harm or death), the employee must: (1) telephone report immediately or as soon as practically possible to a child protective agency; and (2) file a written report with the same agency within 36 hours of receiving the incident information.

  B. If the employee has a non-emergent (urgent) SCAR to make (e.g., non-life threatening and non-emergency), the employee has an option to report to the Department of Children and Family Services (DCFS) by immediately or as soon as practically possible using the one-step online Child Abuse Reporting Electronic System (CARES) offered by the DCFS: https://reportchildabusela.org.
- The employee reporting suspected child abuse should not attempt to verify the suspicion or prove that abuse or neglect has occurred.

- Investigation (questioning witnesses, obtaining written statements), notification (family, alleged perpetrator), counseling, and family intervention are the responsibilities of the child protective agency.

The employee must know of the requirements to report known or suspected instances of child abuse and neglect and will comply with such requirements. The employee must view the CAAT training, pass the CAAT assessment, and get their training completion certificate. Summary guidelines for Child Abuse and Neglect Reporting:

- Reportable victims include persons under the age of 18, and dependent adults 18 years of age or older who are dependent upon others for care.
- Child abuse includes physical abuse, sexual abuse, neglect, willful cruelty, unjustifiable punishment, life endangerment, mental suffering, and emotional abuse.
- If a child discloses that they were abused or an allegation of abuse is brought to the attention of any District employee, a report must be made immediately or as soon as practically possible and should not be delayed until the end of the school day. School procedures may not require the reporter to disclose their identity to school personnel prior to or after making a report.
- A child abuse report should only be made to one child protective agency (e.g., DFCS, law enforcement agency). School Police is not a child protective agency, and reports made to School Police are not a means of complying with the law.
- Child abuse reports are confidential. The designated reporter should only complete the report.
- The law enforcement officer or children's services worker who receives a report of suspected child abuse or neglect determines the course of action and has specific legal authority and responsibilities. The official may interview anyone during the investigation and may take the alleged child victim into protective custody.
- Any person mandated by the California Penal Code who fails to report any instance of child abuse, which they know or reasonably suspect to exist, may incur criminal, civil, and/or professional liability.
- No employee mandated under the provisions of the California Penal Code shall be civilly or criminally liable for reporting suspected child abuse or neglect.

Incident Reporting

Responsibilities of the Administrator:

- Inform all staff of the reporting/notification process.
- Identify and manage the users who have access to the online iSTAR system.
- Report all incidents using the iSTAR System. Reports should be timely and thorough.
- Follow incident reporting procedures in BUL-5269 Incident System Tracking Accountability Report (iSTAR).
- Report incidents also to Region Operations for appropriate follow-up.

- Regularly review incident reports for trends, particularly those incidents involving crimes, to identify and implement prevention strategies.

Incident Reporting Guidelines:

An iSTAR is to be completed when there is an interruption to the operational and/ or instructional activities, such as but not limited to the following types of incidents:

- Any threat, including explosive device and terrorist threats, to the school, individual student, or staff.
- Student or staff member injured or missing.
- An assault or battery on a staff member.
- Serious infraction by a staff member.
- Any event involving police or fire departments.
- Life-threatening incidents and safety hazards.
- Serious campus disturbances (major fight, demonstration).
- Natural disaster.
- Evacuations, lockdowns, shelter in place actions.
- Utility outage.
- Construction problem preventing access.
- Unplanned media or social media coverage.
- Harassment/discrimination.

The Los Angeles Schools Anonymous Reporting (LASAR)

The Los Angeles Schools Anonymous Reporting (LASAR) mobile app is designed to report non-emergency incidents anonymously. It is available for free download in the Apple and Android app Stores. School community members may report school related incidents involving:

- Threats of planned school attacks/violence
- Drugs
- Mental health crisis/self-harm
- School/Safety threat
- Weapons/Dangerous objects
- Property damage/vandalism
- Suspicious/criminal activity
- Human Trafficking

LASAR is governed by Los Angeles Unified and operated by the Los Angeles School Police Department. It is an App for students, parents/legal guardians, and the public to report non-emergency incidents or crimes that may impact school safety. Emergencies or safety concerns that are actively occurring, should be reported to 911 or the Los Angeles School Police Communications Center at (213) 625-6631.

Emergency Alert Mobile App

Designed for District staff to notify LASPD and the site administrator, in real-time, in the event of an active assailant situation on school premises. The app is designed to work only within LA Unified school and office locations and automatically identifies the school/office location when the emergency alert is triggered. This app is available for free download in the Apple and Android App Stores.

Notification in Parent-Student Handbook

Responsibilities of the Administrator:

- Discuss the contents of the *Parent-Student Handbook* with all staff members.
- Require that each parent/student return a signed receipt indicating that they have received and read the *Parent-Student Handbook*.
- Implement a school-site system for collecting and maintaining a signed return receipt from each parent/student.

2.8.2.2 Campus Security

Student and Employee Security

Suggested options for perimeter gate access during a Rapid Relocation, as well as Rapid Relocation procedures, are provided in BUL-5469 Lockdown and Rapid Relocation Procedures for all Schools. Also, see Section 6.8 Rapid Relocation of this plan.

Responsibilities of the Administrator:

- Assess and respond to reports of any dangerous, violent, or unlawful activity that is being conducted at the school, at an activity sponsored by the school, or on a schoolbus serving the school. This response includes immediately notifying School Police at (213) 625-6631 or the local law enforcement agency.
- Review the information contained in BUL-5721 Student and Employee Security, with the students and staff at the school.
- Assign custodial personnel to check the campus for loiterers and trespassers, especially restroom areas, when opening and closing the building and grounds.
- Call School Police at (213) 625-6631 when assistance is needed on or adjacent to the campus.
- Develop classroom-to-office emergency communication plans in the event that regular means of communication are unavailable.
- Implement a neighborhood school-watch program. Request residents to report any unusual activities on campus to the principal during regular business hours and to School Police or the local law enforcement agency during nights, weekends, and holidays.

- Develop strategies to control rumors concerning school or community incidents.
- Organize, under the supervision of appropriate school personnel, a team of volunteer parents, other community residents, and staff members to patrol the campus and the perimeter.
- Enforce dress code that prohibits the wearing of gang apparel or the use of gang-related symbols.
- Work with School Police, local law enforcement and the School Safety Planning Committee to review crime data for the area surrounding your school. Assess the current status of crime committed on school campuses, at school-related functions, and in the neighborhood surrounding your school (CA E. C. § 32282). A website that maps crime data by address, such as http://www.crimemapping.com, is a very useful tool. The following information can also be reviewed: office referrals, attendance rates/School Attendance Review Board data, suspension/expulsion data, California Healthy Kids Survey, School Plan for Student Achievement, School Experience Survey, local law enforcement juvenile crime data and property damage data.

Responsibilities of Staff:

- Report to the Main Office or other designated office prior to proceeding to assigned classrooms or work areas.
- Lock classroom doors when working alone before or after school hours.
- Establish and maintain a buddy system when working in isolated areas or traveling to and from parking areas at the start and close of school.
- Exercise stringent control of assigned school keys and secure all personal valuables.
- Report any person loitering in or adjacent to parking areas, etc., or sitting in a parked car.
- Instruct students to avoid strangers and provide strategies for avoiding contact with strangers. Utilize the following resources as appropriate: LAUSD crime prevention programs, drug resistance programs, child abuse, and traffic safety bulletins.

Campus Supervision

Responsibilities of the Administrator:

- Maintain a current supervision plan and schedules for staff carrying out the plan.
- Provide training regarding campus safety and campus supervision and schedule meetings for campus supervision updates.
- Inform all staff, students, and parents of the campus supervision plan.
- Have custodial personnel check the campus for loiterers and/or trespassers, especially restroom areas when opening and closing the buildings and grounds.
- Review and post at all utilized entrances appropriate signs regarding weapons, visitors, trespassing, loitering, etc.

- Monitor or prohibit student access to cars during school hours.
- Review with campus supervision personnel procedures related to the proper use, maintenance, and security of issued hand-held and base radios. See “REF-6343 School-Based Radio System,” or call the Radio Unit at (323) 224-2456.
- See that the school adheres to the District policy on closed campuses. All exit gates, except the main gate, will be locked after the start of school. Student exit gates will be unlocked prior to dismissal time.

Locked Campus Policy

Responsibilities of the Administrator:

- Assign a school staff member, volunteer parent, or similar, to monitor the main entrance during the school day and assist visitors with signing in and reporting to the Main Office upon entry.
- Assign available school staff to monitor the campus perimeter, known trouble spots, and all building and gate entrances during the school day.
- Inform all students and parents/guardians that schools are closed campuses and that students are not allowed to leave the campus during the school day without the permission of the principal and the parent/guardian.

Visitors to School Campuses

Responsibilities of the Administrator:

- Schools must develop and post a visitor’s policy. The policy must not set arbitrary time limits regarding frequency and duration of visits and must be distributed to parents and staff annually.
- Inform parents in advance of the procedures for visiting the school.
- Have all visitors report to the Main Office upon arrival. Visitors must wear a visitor pass and return the pass upon departure.
- Conduct a review to ensure that the appropriate and approved signs are posted regarding visitors, trespassing, loitering, and other requirements at all utilized entrances. Report persons loitering or trespassing on or adjacent to the campus to LASPD.

Administrators have the authority under the California Penal Code, Los Angeles Municipal Code, and the Education Code to report to the appropriate police agency visitors who fail to adhere to the posted “Visitor’s Policy.”

Responsibilities of the Parents/Visitors:

- All campus visitors must have the consent and approval of the principal/designee within a reasonable period of time after making a request to visit the school.

Powered by BoardOnTrack

- Parents have the right to observe in the classroom in which their child is enrolled within a reasonable period of time after making a request.
- Visitors are not to converse with the students, teacher, or instructional aides during the visitation.
- Visitors are to keep the frequency of classroom observations reasonable (to be determined by the activity being observed).
- Parents do not have the right to willfully interfere with the discipline, order, or conduct in any school classroom or activity with the intent to disrupt, obstruct, or cause substantial disorder in a place where a school employee is required to perform his or her duties.

School Police/Local Law Enforcement

Responsibilities of the Administrator:

- Meet with a School Police Officer or Area Sergeant to share and discuss information related to campus activity and the site's security operations and service needs.
- Review with staff the appropriate notification and protocol for reporting campus crime and incidents.
- Review with staff, on an ongoing basis, procedures related to the proper use and security of issued hand-held and base radios, with the assistance of LASPD, as necessary.
- Alert appropriate law enforcement agencies near school campuses and the respective Region about incidents and events that may have repercussions at other locations.
- Provide to staff safety bulletins and available information regarding incidents or situations that might impact personal safety or the school's education environment.
- Solicit community support to assist with student safety to and from school.
- Provide appropriate law enforcement telephone numbers to area residents and businesses and solicit their support in reporting unusual activities on and around the campus to School Police and the local law enforcement agency during nights, weekends, and holidays.
- If a local law enforcement agency notifies a site administrator with a request to disseminate information pertaining to a sex offender, contact the School Police Watch Commander at (213) 625- 6631 and advise them of the material received. LASPD will serve as the District's liaison with the agency to determine the expectations for the information, distribution, and the scope of the disclosure.

Procedures When Calling for Service from Law Enforcement Agencies:

- Identify yourself and your location. Give callback numbers (office or cell) where you can be reached most easily.
- Summarize the nature of the problem or incident.
- Give the location of the problem incident.

Powered by BoardOnTrack

- Request medical assistance, if needed (if not already requested through 911).
- Describe the person or suspect involved: Provide a physical description (gender, ethnicity, age, height, weight, hair color and style, color of eyes, and clothing worn) and other known information (i.e., student, staff member, nonstudent, parent, other known or suspected gang affiliation, etc.).
- Describe weapon involved, if any: Type, location (on person, in vehicle, etc.), and manner used (actual use, threat, etc.).
- Describe method of transportation used by person or suspect involved and last known direction of travel. Indicate motor vehicle, motorcycle, bicycle, bus, skateboard, skates, etc., (if motor vehicle, give color, year, make, model, and license plate number) and any other information (i.e., number of passengers in the vehicle).
- Advise School Police if another law enforcement agency has also been contacted.

Responsibilities of the Los Angeles School Police Department (LASPD)

As peace officers, School Police Officers are expected to take appropriate steps to discourage potential law violations and head off potentially threatening situation. Their primary responsibility is to “keep the peace” by protecting students and staff from physical assault and school property from theft and destruction. LASPD officers will be available to support school-site administrators, students, staff, community members, and local agencies to create a safe and secure school learning environment. LASPD will also provide support through the Youth Diversion program to address safety issues and criminal conduct. Safe Passages and other specialized units will work to support LASPD officers assigned to support schools to ensure safety around the campus, enforcing all applicable laws fairly and impartially, and maintaining presence in safe passages areas. Minor violations will be addressed with the “spirit of the law” posture rather than a “letter of the law” posture in enforcement efforts.

School Police Officers will:

- Respond to the school for the protection of pupils and District personnel, the security of District property, and the prevention of theft and malicious mischief to cars and other personal property of school personnel on campus.
- Develop and maintain a positive, professional, and ongoing working relationship with the school-site administrators, students, staff, school community members, and outside local and law enforcement agencies, to address and problem-solve crime and safety issues and to meet the school’s safety objectives and goals as established.
- Follow all procedures consistent with the District-established policies and School Police directives.
- Act in an advisory capacity regarding the need to involve local law enforcement agencies.
- Assist with preparing, evaluating, and updating the Integrated Safe School Plan.
- Serve as a member of the school’s Crisis Team and School Threat Management Team.

Responsibilities of Law Enforcement (School Police/Local Agencies):

- In instances where law enforcement statutory requirements apply, the appropriate legal decisions are made by the police officer. While in most cases the situations will be obvious, in other less obvious instances, the legal decision will be made by the involved police officer, consistent with current Police Department and District directives and policies and in consultation with an LASPD supervisor.
- A lockdown of the campus is called by either a law enforcement agency or a site administrator to secure the school during police actions, campus intrusions, community incidents, or other real or perceived threats to the security of the school. The site administrator terminates the lockdown after consulting with law enforcement.
- Properly identified law enforcement officer are allowed to interview a student “in the presence of the principal or a teacher.”
- Properly identified law enforcement officers may remove a student from a school. Responsibility for parent notification of a student’s removal by law enforcement personnel rests with the school administration. The involved officer is also obligated to make parent notification.
- The difficult task of delivering death notifications to next of kin is the responsibility of law enforcement personnel or the Los Angeles County Coroner’s Office personnel, who have been provided with the training and resources necessary to carry out such notifications. If a death has occurred on campus and a member of the victim’s family arrives at the school prior to being notified of the death by law enforcement, the family member should be escorted to a private comfortable setting until law enforcement personnel arrive. If a member of the victim’s family calls the school prior to notification by law enforcement, they should be asked to come to the school.

Role of Law Enforcement Personnel When a School Becomes a Crime Scene:

- Law Enforcement personnel will establish a crime scene at any time when it is necessary to preserve evidence of a crime, or an investigation of a crime is in progress, including but not limited to: murder, suicide, death due to suspicious circumstances, or for other serious crimes involving students, staff, or others (crimes that include, but not limited to, vandalism, burglary, or arson). Only authorized law enforcement and fire department personnel are allowed inside the designated crime-scene area.
- The first police officer to arrive on scene will have specific duties to perform to ensure the protection of the crime scene and to assure that the crime is investigated properly. Despite the sometimes-chaotic nature that characterizes many crime scenes, the police must be permitted to do their job according to established procedures.
- A police supervisor or police officer will serve as the liaison with the school’s administration.

Powered by BoardOnTrack

- The law enforcement officer in charge will determine if and when crisis team members or other support personnel from outside the school can enter the campus to begin their intervention assessments and follow-up activities.
- Once potential witnesses have been identified, it is essential to keep witnesses separate to maintain and preserve the integrity, clarity, and objectivity of each person's account. Therefore, school administrators may be asked to provide multiple locations on campus to isolate witnesses for questioning by law enforcement personnel.

2.8.2.3 Violence Prevention and Interpersonal Relations

Cybersecurity

- As the largest K-12 computing network in the United States, users of the LAUSD computing environment have a responsibility to do all they can to protect themselves, their accounts, the systems they use, and the secure data they deal with.
- Many District employees have regular access to sensitive information, which is protected with multiple layers of security. Employees are the first of these layers to protect District data, but they are also the most vulnerable. Most data breaches start with an attacker exploiting the human nature of employees in various social contexts to gain access to sensitive information. Employees may not realize they are a target and may be unsure how to prevent, identify, or report cybersecurity threats. It is critical to follow all District cybersecurity measures including those referenced in this section.
- The District has implemented an Information Security Training and Awareness (ISTA) program with the purpose of achieving the following strategic goals:

    1. Improve the District's resilience to cybersecurity threats.
    2. Establish a strong security-minded culture and integrate it into day-to-day District operations and decision-making.
    3. Improve compliance with external regulatory and contractual requirements that require mandatory training and awareness (e.g. HIPAA).
    4. Minimize the frequency and impact of security incidents.
- All employees must complete the online Annual IT Cyber Security Awareness Training.
- To report a concern about a potential data breach or compromised machine or account to IT Security, employees should call the ITD Helpdesk at (213) 241-5200 or send an email to information.security@lausd.net.

All employees are encouraged to follow Cyber Safety tips on the ITS website: https://www.lausd.org/cybersafety. Additional details regarding the responsible use policy are also available at this site.

Digital Citizenship

Responsibilities of the Administrator:

Powered by BoardOnTrack

- Provide staff with professional learning opportunities offered by the Instructional Technology Initiative within the Division of Instruction to deepen digital citizenship knowledge and practices: https://www.lausd.org/digcit
- Review with staff the following bulletins to understand the implications of digital engagement in creating a safe school environment:
    - BUL-999 Responsible Use Policy for District Computer and Network System
    - BUL-6399 Social Media Policy for Students
    - BUL-5688 Social Media Policy for Employees and Associated Persons
    - Parent Acknowledgement Form
    - Media Release Form

  https://www.lausd.org/digcit
- Provide parent workshop sessions regarding digital citizenship practices of proactive engagement, safety, and security online: https://www.lausd.org/Page/16676
- Ensure that staff integrate digital citizenship instruction across content areas, leveraging District-adopted digital citizenship curriculum: https://www.lausd.org/Page/16689
- Establish a digital presence with purpose in alignment with District policies to maintain open communication with school community and model promising practices.

Code of Conduct with Students

- Provide a copy of the "Code of Conduct with Students" to each employee and any individual working with students on an annual basis at the beginning of each school year or when the employee reports to the site/work location if the school year has already begun.
- Post the "Code of Conduct with Students" in staff lounges and other prominent locations where notices are regularly posted regarding rules, regulations, procedures, or standards of conduct.
- Include the "Code of Conduct with Students" in the location's employee handbook, school's Safe School Plan, and in the substitute folder that is provided to substitute teachers who report to school sites.
- Remind employees/individuals to be mindful of the fine line drawn between being sensitive to and supportive of students' needs and a possible or perceived breach of responsible, ethical behavior.
- Encourage employees/individuals to use good judgment and caution them to avoid the situations indicated in the document.
- Reaffirm with employees and individuals of the duty to protect students and provide a safe and secure learning environment.

Sexual Grooming, Abuse, and Misconduct with Students

- Grooming is the deliberate process by which offenders gradually initiate and maintain sexual relationships with victims in secrecy.

- Over 90% of offenders are a family member or another adult in the victim's circle of trust, including those who work in schools, and who normally and regularly interact with the victim.
- Offenders in schools may be popular with students, admired by colleagues, recognized as valuable members of the school community, and appreciated by parents.
- The grooming process begins with the offender establishing a bond with their victim by behaviors such as spending time together, sharing secrets, providing gifts, and giving them special attention. Some behaviors may appear to be normal interaction between an adult and a student.
- Grooming that results in sexual conduct with a victim (e.g., sexual abuse, exploitation, and child pornography) is a crime and must be investigated by law enforcement.
- The "Code of Conduct with Students" serves as the District's policy for appropriate and professional interaction with students of all ages. Administrators must take prompt action to address any behavior that violates the Code of Conduct even when not deemed a crime by law enforcement.
- Students can also be suspected of abusing other students.

Administrator Responsibilities:

- Understand and recognize potential grooming behaviors.
- Present sexual grooming awareness training to employees.
- Complete the Administrator Certification page by the designated due date.
- Respond to reports of potential grooming of a student by an employee, a school-related adult, or another student.
- Contact Region Operations immediately after reporting suspected abuse to law enforcement in cases where the accused perpetrator is a District employee, a school-related adult, or another student.

Employee Responsibilities:

- Report suspected child abuse as outlined in BUL-1347 Child Abuse and Neglect Reporting Requirements.
- For students over 18 years of age who are considered dependent adults, report suspected dependent/elder adult abuse as outlined in BUL-2449 Dependent/Elder Adult Abuse and Neglect Reporting Requirements.
- If the suspected perpetrator of the abuse of a student is a District employee, student or school-related adult, the mandated reporter is strongly encouraged to make the mandated child abuse report to local law enforcement.
- Notify a Site Administrator of the misconduct immediately after making the child abuse report when a District employee, school-related adult, or another student is suspected of abusing a student.

- Students can also be suspected of abusing other students. Mandated reporters must follow the same suspected child abuse reporting procedures.

Administrative Searches

Contact Region Operations for current policy and procedures related to administrative searches.

Gun Violence Prevention

Responsibilities of the Administrator:

- Distribute to families annually the Parent Legal Duties to Safely Store Firearms letter in the LAUSD Student/Parent Handbook, as required per Board Resolution 046-18/19.
- Make gun violence prevention resources available to your parent/guardian community.

Safe School Collaborative

Responsibilities of the Administrator:

- Identify key community stakeholders in relation to safety, including but not limited to: law enforcement, probation, city attorney's office, city, and county human relations.
- Identify key LAUSD central and Region personnel to provide consultation and support, such as: Region Operations, Organization Facilitators, Human Relations, Crisis Counseling, etc.
- Identify a multidisciplinary school safety team composed of members such as, administrators, parents, teachers, school police officers, health, and mental health professionals (i.e., PSW, PSAC, School Psychologist, or School Counselor), after-school staff, etc.
- Identify a designated chair to convene the meetings, establish a needs assessment for the school and community related to safety concerns, identify goals and objectives, and assign roles and responsibilities.
- Work towards the development of safe passage to and from school for students.

Gang Risk Intervention

Key Elements:

- Become familiar with gang groups, related activities, graffiti, apparel, etc.
- Provide staff development regarding gang prevention and intervention strategies.
- Provide parent in-service training regarding gang membership and activities.
- Develop a forum for discussion that brings together influential students ("natural leaders") who represent all segments of the student population, including selected gang members.

Powered by BoardOnTrack

- Collect information from law enforcement, probation, community-based organizations, and others to understand the scope of the school/community gang problem.
- Contact law enforcement agencies, gang experts, and formal/informal counselors to obtain strategies and related information. Probation officers can assist with students who are on probation.

Bullying & Hazing Policy

CA E. C. § 48900 (r) defines bullying as:

- "Bullying" means any severe or pervasive physical or verbal act or conduct, including communications made in writing or by means of an electronic act, and including one or more acts committed by a pupil or group of pupils as defined in Section 48900.2, 48900.3, or 48900.4, directed toward one or more pupils that has or can be reasonably predicted to have the effect of one or more of the following:
- Placing a reasonable pupil or pupils in fear of harm to that pupil's or those pupils' person or property.
- Causing a reasonable pupil to experience a substantially detrimental effect on the pupil's physical or mental health.
- Causing a reasonable pupil to experience substantial interference with the pupil's academic performance.
- Causing a reasonable pupil to experience substantial interference with the pupil's ability to participate in or benefit from the services, activities, or privileges provided by a school. For additional guidance, including investigative steps, access BUL-5212 Bullying and Hazing Policy (Student-to-Student).

Responsibilities of the Administrator:

- Ensure that bullying and cyberbullying training are available to employees who have regular interaction with students.
- Investigate allegations of bullying thoroughly and maintain confidentiality throughout the investigation.
- Respond to allegations whether the involved parties are students or employees. (For incidents between employees, refer to the BUL-5798 Workplace Violence, Bullying and Threats [Adult-to-Adult].)
- Take appropriate actions to resolve the situation.
- Document the investigation, interventions, and resolution.

Responsibilities of Staff and Student Rights:

- Schools must discuss relevant aspects of the Bullying & Hazing Policy with their students.
- Personnel are responsible for taking corrective action to prevent bullying in school, at school events, and to and from school.

Powered by BoardOnTrack

- Any person has the right to report an allegation of bullying without reprisal or retaliation.

Hate-Motivated Incidents

For more details, access BUL-2047 Hate-Motivated Incidents and Crimes - Response and Reporting.

Responsibilities of the Administrator:

- Respond quickly to incidents, whether the victims are students, staff, or community members.
- Ensure the physical safety of the victim and offer victim assistance, as appropriate.
- Investigate incident, provide interim safety/emotional support measures, and take appropriate disciplinary action. If necessary, involve law enforcement and preserve evidence.
- Report hate-motivated incident/hate crime to School Police and implement educational programs and activities that foster human relations skills and combat behaviors of name-calling, harassment, discrimination, hate, and bigotry.
- Review with employees and students and post nondiscrimination notices in all schools/offices, including staff lounges, student government meeting rooms, the main administration building, or other prominent locations where notices are regularly posted regarding rules, regulations, procedures, or standards of conduct.

Sexual Harassment Prevention Policy

Key Elements:

- All allegations of sexual harassment are to be treated seriously and investigated in a way that respects the privacy of all parties.
- All reported incidents of sexual harassment should be investigated and addressed to prevent recurrence. Several attachments found in BUL-2521 Title IX Policy/Nondiscrimination Complaint Procedures (Including for Sex Discrimination and Sexual Harassment) may be utilized to document the complaint policy guidance provided to the parties, ensure Title IX Protections are afforded, appropriate grievance procedures are determined (Title IX, Uniform Complaint Procedures [UCP], informal investigation), and communication to the families of the target and the accused.
- Review with employees and students and post the sexual harassment prevention poster in all schools/offices, including staff lounges, student government meeting rooms, the main administration building, in a prominent and conspicuous location in each bathroom and locker room at a school, and in other prominent locations where notices are regularly posted regarding rules, regulations, procedures, or standards of conduct.
- For procedures regarding employee-to-employee complaints of sexual harassment refer

Powered by BoardOnTrack

to District BUL-6612 Non-Discrimination And Anti-Harassment (Including Sexual Harassment) Policy and Complaint Procedure

- Parties are to be provided supportive measures in an equitable manner and informed of any remedial or corrective actions that are instituted to resolve the complaint once a final determination is made.
- Complaints of sexual harassment are often sensitive, complex, and difficult to handle.
- There are informal, formal UCP, and Title IX designated processes described in responding to such complaints as outlined in BUL-2521 Title IX Policy/Nondiscrimination Complaint Procedures (Including for Sex Discrimination and Sexual Harassment.

Title IX Gender Equity

Key Elements:

Students have the right to an equal learning opportunity in their school's programs and activities (i.e., extracurricular, clubs, awards).

Students may not be required to take and/or may not be denied enrollment in a course because of actual or perceived sex, sexual orientation, gender, gender identity, gender expression, pregnancy, childbirth, termination of pregnancy, breastfeeding/lactation status, and related medical conditions.

- Students shall be provided with counseling and guidance, course access/instruction, participation in extra-curricular activities, programs and clubs, and administration of discipline that is not discriminatory.
- Sexual harassment of or by school employees or students is a form of gender discrimination and is prohibited.
- Students and/or parents who file a complaint are to be informed of the administrative investigation findings of the complaint.
- Schools shall offer student's equal opportunities to participate in physical education or play sports.
- Equipment, supplies, game and practice schedules, budgets, facilities, etc., offered to teams shall provide equal athletic opportunities for members of both sexes.
- No student applying for enrollment will be subject to discrimination on the basis of any of the protected categories above.
- Any complaints of discrimination shall be handled in a confidential manner. The District will not tolerate retaliation in any form against the complainant or any party involved in the investigation, for filing or participating in a complaint investigation.
- Review data related to such incidents to plan and increase site safety.
- The informal and formal processes for investigating the complaints are found in BUL-2521 Title IX Policy/Nondiscrimination Complaint Procedures (Including for Sex Discrimination and Sexual Harassment).

Intergroup Relations

Responsibilities of the Administrator:

- Take proactive steps to build and maintain safe, healthy, welcoming, and affirming learning and working environments, where students, staff, and families' identities and voices are represented, recognized, and valued.
- Provide activities for meaningful interactions between student, staff, and parent groups to promote an appreciation of diversity and a supportive school climate. Trainings, activities, and resources are available from the Office of Human Relations, Diversity and Equity.
- Make a concerted effort to affirm and engage student subgroups on the campus, such as newly arrived immigrants, sexual and gender diverse students, students with disabilities, in foster care, experiencing homelessness, and racial, cultural ethnic or religious minorities.
- Support schoolwide efforts to reduce misconduct and bullying by promoting pro-social behaviors.
- Follow the guidelines of BUL-5212 Bullying and Hazing Policy (Student-to-Student) for responding to allegations of bullying.
- Designate a point person for overseeing the school climate, bullying prevention efforts, and procedures for managing peaceful resolutions of conflicts (e.g., Restorative Practices and Peace Builders).

School Site Crisis Team

Responsibilities of the Administrator/Designee:

- Establish a safe, civil, and secure school environment.
- Establish a multi-disciplinary School Site Crisis Team, in accordance with the Integrated Safe School Plan.
- Ensure that the BUL-5800 Crisis Preparedness, Response and Recovery policy and all applicable protocols are implemented.

Suicide Prevention, Intervention and Postvention

Responsibilities of the Administrator:

- Designate Crisis Team Members/Suicide/Threat Prevention Liaisons (STPLs) in the ISSP's School Site Suicide/Threat Assessment Team.
- STPLs only assess students, not employees. For assessments of non-students, see BUL-5798 Workplace Violence, Bullying and Threats (Adult-to-Adult).
- Respond to reports of students at risk for suicide or exhibiting self-injurious behaviors immediately or as soon as practically possible.

- Monitor and follow-up to ensure that the risk has been mitigated through support and resources.
- Ensure that the Suicide Prevention, Intervention, and Postvention (SPIP) policy is implemented.
- Provide follow-up to relevant staff such as Region Operations, as needed.
- Report incidents in Incident System Tracking Accountability Report (iSTAR) as appropriate and update as needed.

Responsibility of all District employees:

- All District employees must complete the online Suicide Prevention and Awareness Training annually. The training certifies that employees know the warning signs and risk factors for suicide, as well as what to do if they are concerned about a student who might be suicidal. (See MEM-6910 Annual Suicide Prevention and Awareness Training.) If you have questions or concerns regarding the training, please contact your administrator.
- Inform the school site administrator/designee and/or STPL immediately or as soon as practically possible of concerns, reports, or behaviors relating to students who might be suicidal and/or engaging in self-injury.
- Adhere to the Suicide Prevention, Intervention, and Postvention (SPIP) policy.

Student Threat Assessment and Management

Responsibilities of the Administrator/Designee:

- Designate STPL in the ISSP's *School Site Suicide/Threat Assessment Team*.
- STPLs only assess students, not employees. For assessments of non-students, see BUL-5798 Workplace Violence, Bullying and Threats (Adult-to-Adult).
- Establish a multidisciplinary school site threat assessment team, in accordance with the ISSP *School Site Suicide/Threat Assessment Team*.
- Respond to reports of students exhibiting worrisome behaviors or making threats immediately or as soon as practically possible.
- Ensure that the Threat Assessment and Management (TAM) policy is implemented.
- Provide follow-up to relevant staff such as Region Operations, as needed.
- Report incident in iSTAR as appropriate and update, as needed.

Responsibilities of all District employees:

- Adhere to the TAM policy and act in accordance with the policy.
- Report any worrisome behaviors or suspected threats to the school site administrator/designee and/or STPL immediately or as soon as practically possible.
- Cooperate in any investigation by providing accurate, relevant information.

Employee or Associated Adult Workplace Violence, Bullying, and Threats

Powered by BoardOnTrack

Responsibilities of the Administrator/Designee:

- Establish a safe and respectful school or workplace environment.
- Ensure that the BUL-5798 Workplace Violence, Bullying and Threats (Adult-to-Adult) is implemented.
- Investigate and respond to any verbal or written reports of violence or threatening behavior.
- Monitor and follow-up to ensure that the behavior has stopped.
- Report incident in iSTAR as appropriate and update, as needed.

Responsibilities of all District employees:

- Adhere to the BUL-5798 Workplace Violence, Bullying and Threats (Adult-to-Adult) and act in accordance with the policy.
- Promptly report any suspected workplace violence behaviors to the site administrator or designee.
- Cooperate in the investigation of employee workplace violence complaints by providing relevant information.

Student Dress Code/Uniform Policy

Key Elements:

- Representatives from stakeholder groups will review the school's dress code yearly to ensure it complies with guidelines and gender neutrality enumerated in BUL-6494 Student Dress Codes and Uniforms.
- All students shall show proper attention to personal safety and suitability of clothing for school activities. Specialized school programs and classes, such as physical education, science lab, wood shop, or culinary arts, may require specialized attire or unique restrictions.
- The school may prohibit attire or paraphernalia with language or images that are vulgar, sexually explicit, discriminatory, libelous, promote illegal or violent content, or which could reasonably be foreseen to create a hostile environment among rival gangs, individuals, or groups.
- Urban fashion in and of itself is not "gang-related" apparel.
- Students may wear jewelry or attire representative of an established religious faith, including, but not limited to a crucifix, yarmulke, headscarf, or turban.
- Students may wear sun-protective clothing outdoors.
- Hair, sideburns, mustaches, and beards may be worn at any length or in any style, and clothing may be of any fashion, style, or design.
- Parents must be advised of uniform policies prior to the beginning of the academic year (or upon enrollment), informed that uniforms are voluntary, and, if needed, be assisted in securing financial assistance to obtain desired uniforms.

Powered by BoardOnTrack

- School uniform policies are voluntary. A student's parent/guardian must be notified annually and may exercise the right to opt out of the school uniform policy, though the student must adhere to the student dress code. Students shall not be penalized academically, subject to any disciplinary action or disparaging treatment or denied attendance to school or participation in school activities for opting out of the uniform.
- Schools must identify financial resources for students who are not able to comply with the school uniform policy due to financial hardship; this includes provision of physical education uniforms at no cost if failure to have or wear appropriate apparel arises from circumstances beyond the control of the student.

2.8.2.4 Behavior Support and Formal Discipline

Positive Behavior Interventions and Supports/Restorative Practices (PBIS/RP)

Access resources at https://www.lausd.org/PBIS_RP

Responsibilities of School Administrator:

- Cultivate a safe, healthy, welcoming, and affirming learning and working environment in each classroom and schoolwide through the development of an integrated, trauma and resilience informed Multi-Tiered Systems of Support framework to support the implementation of Positive Behavior Interventions and Supports/Restorative Practices (PBIS/RP), including community and relationship building.
- Ensure a focus on prevention, common values, and shared accountabilities among school community members.
- Ensure that PBIS/RP are achieved through good first teaching, as well as differentiation and personalization of learning.
- Assume a leadership role in the Positive Behavior Interventions and Supports/Restorative Practices (PBIS/RP) Team . Everyone has a stake in responsible, respectful, and safe behavior at school. This forms a foundation and an atmosphere that promotes learning and instruction. Administrative leadership is an essential ingredient of that foundation.
- Establish the Positive Behavior Interventions and Supports/Restorative Practices (PBIS/RP) Team; support and monitor the team's implementation of the Schoolwide Discipline Plan; evaluate the outcomes; and modify strategies as needed.
- Ensure school procedures effectively support the collection of data that accurately reflects school wide, classroom, and individual student social-emotional development and behavioral needs.
- Inform all students and parents/guardians at the beginning of each academic year or as students enroll about the school's behavioral expectations, responsibilities, and procedures.

- Ensure that students, parents/guardians, and staff have access to copies of the Schoolwide Discipline Plan, that all stakeholders understand their responsibilities in learning the behavioral expectations, and the reinforcement and corrective procedures.
- Provide staff development on strategies, methods, and tools of implementing the school-discipline plan through a multi-tiered system of support including positive behavior interventions and supports, restorative practices, social emotional learning, and trauma-resilience informed strategies.

Responsibilities of School Staff:

- Develop healthy, positive relationships with students, staff, and families.
- Use a multi-tiered system of support with a focus on prevention.
- Identify, teach, model, and reinforce schoolwide and classroom behavioral expectations and correct misbehavior with an emphasis on teaching.
- Establish structure and a sense of safety and belonging by developing predictable routines, using effective management strategies, co-regulation, community building, and trauma-resilience informed approaches, as well as the active teaching of pro-social and stress reduction behaviors and strategies.
- Utilize office discipline referral data, Tiered Fidelity Inventory (TFI), School Experience Survey data, and other school climate and discipline data to identify professional development needs, organize support systems for staff and students, and to analyze effectiveness of instruction on behavioral expectations.
- Utilize school resources including, but not limited to, IEP, SSPT, and Section 504 Plan to develop behavior plans for students who exhibit behavioral challenges and implement these behavior plans.
- Partner with parent/guardian and engage in parent education and support, as necessary to support appropriate student behavior.

Formal Discipline

Responsibilities of the Principal/Principal's Administrative Designee:

- Ensure that the District's policy and procedures regarding student suspension and expulsion are fully implemented.
- Designate discipline staff and provide training focusing on investigation of student misconduct and school-site procedures of formal student discipline, including student suspension and expulsion.
- Ensure that recommendations for expulsion are made when students violate CA E.C. § 48915(c) except for sexual misconduct that requires Title IX procedures prior to student discipline. For detailed information regarding Title IX procedures, refer to BUL-2521 Title IX Policy/Nondiscrimination Complaint Procedures (Including for Sex Discrimination and Sexual Harassment).

- The school principal will ensure that the school follows District policy and procedures regarding formal student discipline and fulfills responsibilities to attend or send an administrative designee who has first-hand information to present an expulsion case as well as appropriate witness(es) to testify during the expulsion hearing.

Responsibilities of Designated Discipline Staff:

- Conduct a thorough investigation, collaborate with other school staff and law enforcement, when necessary, and provide evidence to the school principal/designee for a decision on the formal discipline.
- Notify the parent/guardian/education rights holder (ERH) in a timely manner whenever their child is referred for disciplinary action.
- Enter all suspension information (school suspension, in-school suspension, and class suspension) into MiSiS accurately and record all other means of correction. Refer to BUL-5808 Documentation of Student Misconduct as Defined in Education Code in My Integrated Student Information System (MiSiS).
- Advise the parent/guardian/ERH regarding the appeal process whenever the parent/guardian/ERH disagrees with the administrator's decision to suspend.
- Prohibit the use of "informal suspension" (e.g., telling a parent to keep a child home without an official suspension notice, or sending a student home without an official Pupil Suspension Notice); refer to BUL-5655 Guidelines for Student Suspension.

Suspension Guidelines:

Refer to BUL-5655 Guidelines for Student Suspension.

- Students are only to be suspended from school when they have committed an act listed under CA E.C. § 48900, CA E.C. § 48900.2, CA E.C. § 48900.3, CA E.C. § 48900.4, CA E.C. § 48900.7, or CA E.C. § 48915.
- Students enrolled in kindergarten and grades 1 to 3 shall not be suspended or expelled due to disruption [CA E.C. § 48900 (k)(1)] sexual harassment (CA E.C. § 48900.2), an act of hate violence (CA E.C. § 48900.3), or threats and intimidation against district personnel or pupils (CA E.C. § 48900.4).
- Students may not be suspended from school for any reasons, for more than five (5) consecutive school days.
- "Informal suspension" is prohibited. (e.g., parent told to keep child at home without an official suspension notice or sending a student home without an official Pupil Suspension Notice).
- Extended suspension due to the parent's failure to attend a conference with school officials is prohibited.
- Suspending in absentia (when a student is suspended without being afforded an opportunity to discuss the misconduct) is a violation of the student's due process rights, unless an emergency situation is determined. (Refer to Section IV. C. of this bulletin)

- Students in general education shall not be suspended for more than 20 school days in any school year (30 days if student transfers to another school). A student who has a Section 504 plan is considered as a general education student and can be suspended for the same number of days as a general education student. With the exception to drug or alcohol related offenses, at 10 days of suspension, there must be an analysis in a Section 504 Manifestation Determination meeting to review and, if appropriate, modify the current Section 504 Plan, including updating or developing appropriate accommodations as warranted.
- Students in special education shall not be suspended for more than **10** school days in any school year. Refer to the LAUSD Special Education Electronic Policy and Procedures Manual (e-PPM).
- Problems with truancy, tardiness, and/or other attendance-related issues cannot be grounds for suspension.
- Once a student has been issued a school or in-school suspension, the suspension can only be overturned by the Region Administrator of Operations through an appeal process. Refer to BUL-5655 Guidelines for Student Suspension.
- Appeal of a class suspension shall be handled by the principal. A parent may appeal a class suspension by a teacher to the school principal. Only the principal can rescind a class suspension.

A teacher may suspend a student from class for any of the acts enumerated in CA E.C. § 48900 except for the student misconduct of willful defiance as described in CA E.C. § 48900 (k)(1).

1. A teacher may suspend a student from class for any of the acts enumerated in E.C. 48900, except for the student misconduct of willful defiance as described in E.C. Section 48900 (k)(1), per District policy.
2. A teacher should report the suspension to the principal and send the student to the principal/designee for appropriate action, which includes appropriate supervision. Refer to BUL-5655 Guidelines for Student Suspension and CA E.C. § 48910.
3. A student shall not be placed in another regular class during the period of suspension.
4. The student shall not return to the class during the period of suspension without the concurrence of the principal and the teacher. If the student is assigned to more than one class per day, the student must attend the classes from which the student was not suspended. Refer to CA E.C. § 48910.
5. A student can be suspended from class for the remainder of that day (elementary) or period (secondary) and for the following day or period when the class meets. Refer to CA E.C. § 48910.
6. School staff may assign a student who was suspended for any of the reasons enumerated in CA E.C. § 48900 and CA E.C. § 48900.2 to a supervised suspension classroom for the entire period of suspension if the student poses no imminent danger

Powered by BoardOnTrack

or threat to the campus, students, or staff, or if an action to expel the student has not been initiated. Refer to CA E.C. § 48911.1.

Opportunity Transfer Guidelines:

Refer to BUL-6362 Opportunity Transfer (O.T.) – Policy and Procedures.

- An Opportunity Transfer (O.T.) is a carefully planned school- or District-initiated transfer of a student within LAUSD schools for remedial and/or corrective reasons. It is issued as an alternative means of correction to address student misconduct after prior interventions have failed to bring about proper conduct or when the student's continued enrollment at the current school presents a safety risk to others. The purpose of an O.T. is to minimize factors that interrupt the academic process, and thus to create a school climate that is safe and conducive to learning for all. To minimize disruption to the academic process, an O.T. may not be issued or terminated within the last six weeks of each semester. All student transfers shall be recorded and documented in the District's My Integrated Student Information System (MiSiS).
- An O.T. may not exceed one calendar year unless both the parent/ERH and the school agree.
- An O.T. may be issued only one time during the student's attendance in elementary school, twice during middle school, and twice during high school.
- It is the responsibility of the sending school to ensure that the student has enrolled at the receiving school. If an O.T. is cancelled, Attachment D of BUL-6362 Opportunity Transfer (O.T.) – Policy and Procedures must be submitted to the Region Administrator of Operations (AOO).
- If an O.T. is cancelled, the cancelling school must ensure that the student has re-enrolled back to the original sending school.
- The O.T. process does not apply to a student with a disability who has an IEP.
    - To ensure a change of placement is appropriate, an IEP team must convene and conduct a thorough review of the student's program and services, including a "Manifestation Determination Analysis (MDA)" to ensure that the student's Behavior Intervention Plan (BIP) is appropriately developed or modified.
- With the exception to drug or alcohol related offenses, students with a Section 504 Plan may not be transferred through the O.T. process until a manifestation determination meeting has been held and the team determined that: (1) the conduct in question was not caused by, or had a direct and substantial relationship to, the child's disability; or (2) the conduct was not the direct result of the District's failure to implement the Section 504 Plan. For detailed guidelines, refer to BUL-4692 Section 504 of the Rehabilitation Act of 1973.
- The "Stay Put" clause in federal law (Individuals with Disabilities Education Improvement Act [IDEIA]) prohibits schools from changing the placement of a student

Powered by BoardOnTrack

with an IEP for discipline purposes if a parent disagrees with the IEP (The exception to this prohibition is the authorized 45-day alternative placement when the violation involves weapons, drugs or inflicting serious bodily injury as defined in IDEIA and District policy).

Expulsion Guidelines:

Refer to BUL-6050 Expulsion of Students - Policy and Procedures

- School principals are required to recommend the expulsion of any student who engages in behavior described in CA E.C. § 48915(c).
- A student who is recommended for expulsion is entitled to an educational placement the day following the last day of their suspension (e.g., day six of a five-day suspension).
- For a student with an IEP, a comprehensive Expulsion Analysis IEP meeting must be conducted, which includes an MDA, prior to recommending the student for expulsion.
- With the exception to drug or alcohol related offenses, students with disabilities served under Section 504 must have an MDA conducted and any appropriate updates to their Section 504 plans (as warranted) must be considered, prior to recommending the student for expulsion.
- No student can be expelled by the Board of Education unless direct evidence, in the form of oral testimony, is presented at the District's administrative (Expulsion Review Committee [ERC]) hearing.

Maintenance of CA E.C. § 49069.7 Information:

Refer to BUL-3927 Mandated Reporting of Certain Behavior.

- Pursuant to CA E.C. § 49079 (a), a school district shall inform the teacher of each pupil who has engaged in, or is reasonably suspected to have engaged in, any of the acts described in any of the subdivisions, except subdivision (h), of CA E.C. § 48900 or in CA E.C. § 48900.2, 48900.3, 48900.4, or 48900.7.
- The district shall provide the information to the teacher based upon any records that the district maintains in its ordinary course of business, or received from a law enforcement agency, regarding a pupil described in this section.
- Any information received by a teacher pursuant to this section shall be received in confidence for the limited purpose for which it was provided and shall not be further disseminated by the teacher.
- Each teacher informed of CA E.C. § 49079 students shall be advised of the opportunity to review the student's records and shall be admonished regarding the confidentiality of information.
- Any information referring to CA E.C. § 48900 et seq. offenses shall be made available to each student's teacher from the current school year and three previous school years through MiSiS. After this time frame, access to a student's record will not be available to the teacher, consistent with CA E.C. § 49079.

Powered by BoardOnTrack

- In MiSiS, all discipline offenses except for "3.6 - Possessed or used tobacco" trigger a CA E.C. § 49079 "D" Alert on the corresponding student's profile. To view a comprehensive list of students with an CA E.C. § 49079 alert, generate the Student Referral Report. In the report parameters, select "none" for Counseling Referral Reason, and deselect "3.6 - Possessed or used tobacco" from the Discipline Referral Reason. Refer to BUL-5808 Documentation of Student Misconduct as Defined in Education Code in My Integrated Student Information System (MiSiS), August 29, 2022.
- The MiSiS Attendance Roster List view displays a "D" on the Alerts Column for students with a discipline file, consistent with CA E.C. § 49079. Teachers can click on the student profile and view any discipline by clicking on Support > Referrals, which will display discipline from the current school year and three previous years.

Guidelines When a Student Described in CA E.C. §49079 Is Transferred to Another LAUSD School:

When a student transfers between LAUSD schools, the receiving principal/designee will have access to the MiSiS discipline referral offenses noted in CA E.C. § 49079. Refer to BUL-3927 Mandated Reporting of Certain Behavior, November 21, 2022.

Responsibilities of Juvenile Courts:

- Welfare and Institutions Code (W.I.C.) Section 827 (b)(2) mandates that the Juvenile Courts submit to the superintendent of the district of attendance written notice whenever a minor who is enrolled in any of grades K through 12 has been found by the court to have committed any of certain specified offenses.
- The information furnished by the Juvenile Court shall be expeditiously transmitted to the principal at the school of attendance. The principal must expeditiously disseminate the information to those counselors directly supervising or reporting on the behavior or progress of the student. In addition, the principal shall disseminate the information to any teacher or administrator directly supervising or reporting on the behavior or progress of the student whom the principal believes needs the information to work with the student in an appropriate fashion to avoid being needlessly vulnerable or to protect others from needless vulnerability.
- If a notice from the juvenile court is received by a school, the school should contact Student Health and Human Services, Student Support Programs, for assistance.
- Any information received by a teacher, counselor, or administrator shall be confidential and used only for the limited purpose noted above, and may not be further disseminated.

2.8.2.5 Facilities-Related

Key Control

2. Plan Development

Responsibilities of the Administrator:

- Maintain in writing current records of the distribution of all keys.
- Maintain a key safe or school vault in which keys that have not been issued are to be stored every night. Ensure that when not in the possession of authorized school staff, all keys, including custodial keys, are to be kept in a locked key safe or vault.
- Arrange to have all exterior doors of buildings opened and closed, as necessary.

Key Distribution:

- Master Keys: It is important to keep the number of master and specialized keys to a minimum to maintain site security. Master keys ("A" and "K") shall be issued only to the plant manager and administrative staff. In addition, a maximum of five master keys may be requested for use by disaster emergency teams. These shall be maintained on a single ring at the site (in the key safe or vault) for emergency use only and are not to be used for other purposes.
- Sub-master Keys: Sub-master keys are to be issued only to school personnel who absolutely need them in the daily course of their responsibilities. They shall be returned to the key safe or vault nightly.
- Classroom Teacher Keys: Classroom teachers are to be issued only the keys to their classroom, storeroom, and cabinets and will be responsible for said keys. At no time shall a classroom teacher be issued a master key.
- Substitute Teacher Keys: Keys issued to substitute teachers and other District employees (maintenance, etc.) shall be returned daily.
- Alarm Keys: Three alarm keys will be issued to the site administrator who will be responsible for these keys. The administrator will designate the keys accordingly. No site will be issued more than three intrusion alarm keys without approval of the School Police Chief.

Key Control Guidelines:

- Staff members shall be notified that unauthorized possession by any person, including employees, of any site key is a misdemeanor (CA PEN § 469).
- Keys are never to be kept in classroom cupboards, filing cabinets, in or on teachers' desks, offices, or in staff mailboxes.
- Keys are never to be in the possession of students without the expressed written permission of the site key administrator. Keys are not to be loaned to students to open doors or gates.
- Staff is to be advised that prior to leaving any room, office, or work location, it is the employees' responsibility to double check that all doors and windows are closed shut and locked.

- Authorized personnel needing keys for the weekend or holiday activities will be issued keys which limit access to the room or area necessary for the weekend assignment. Prior written approval by the site key administrator must be obtained.
- At sites equipped with intrusion alarm systems, the School Police must be notified the week before the weekend or holiday that authorized personnel are scheduled to enter the site.
- All keys shall be checked and left with the site key administrator at the end of the school year or in the event of an assignment change.

Loss or Theft of Keys

The loss or theft of keys shall be reported to the Region Office and School Police (at 213-625-6631). In addition, the Maintenance and Operations Central Shops Lock Department shall be notified by creating an emergency service call. The Lock Department will immediately rekey sensitive areas (such as the library, computer lab, cum room, etc.) only.

Plant Inspections

Responsibilities of the Designee for Inspecting the Campus Regularly:

Inspect the campus regularly for the following conditions and heed the following:

- All nonstructural hazards in classrooms and other sites where students are served will be eliminated.
- All damage to fences will be reported and corrected as soon as possible.
- All graffiti must be removed as soon as possible (take photographs if necessary).
- All litter must be removed as soon as possible.
- Playground facilities and equipment will be inspected regularly for hazards. Repairs must be made as soon as possible.
- All nonfunctioning lighting fixtures must be reported and corrected as soon as possible.
- Ensure that the following signs are posted, visible, and legible: Visitors' policy, a drug, tobacco, weapon and violence-free school, and nondiscrimination and sexual harassment prevention policies.
- The designated person shall be responsible for contacting the appropriate Maintenance and Operation department or District Unit responsible for correcting or repairing any hazardous or unsafe element on the school campus.

Restroom Cleanliness

Responsibilities of the Administrator:

- Site plans for each secondary school are to specify where student restrooms are located and when they will be open each day, and that they are adequate to serve student needs.

- Provide adequate supervision of restroom areas throughout the school day.
- Announce and encourage all students, including student leadership, to prevent vandalism and keep restroom areas clean.
- Involve parents in setting behavior standards to maintain clean, functioning restrooms on campus.
- Post notices to stakeholders, “Important Information About Your Complaint Rights Williams Legislation” in each classroom visible to stakeholders.
- Maintain Williams’ complaint forms in the school or district office.

Responsibilities of the Plant Manager:

- Randomly monitor restrooms daily, conduct daily observation Emergency routes and paths of travel used to and from of any fixtures needing repair, and place a “trouble call” to report needed repairs.
- At secondary schools, supervise and monitor restroom attendant personnel.
- Before students arrive at school each day, inspect student restrooms to ensure that overnight crews have cleaned and stocked each restroom with paper and soap supplies.
- Assign restroom attendant or custodial staff so that, at a minimum of twice during each day, restrooms are spot-cleaned, cleared of trash, restocked with soap and paper supplies, and have floors that are dry and hazard-free.
- Schedule with the appropriate Maintenance and Operations department the “deep cleaning” of all restrooms three times per year.
- Complete and maintain daily restroom service logs at a disclosed site on the school campus.

Inventory/Marking of School Equipment/Property/Record Retention

Responsibilities of the Administrator:

- Responsibility for all school property rests with the principal.
- Teachers and other employees are held responsible for the care of all school property in their control.
- The principal ensures that District equipment are not loaned to any District employee, group, or other persons for personal use.
- Property is to be inventoried, marked as required and records must be maintained in accordance with the District’s record retention policy.

For more detailed instructions regarding equipment inventory, please refer to the following bulletins and reference guide:

- BUL-953 Control of Site Equipment, CA E.C. § 35168. This bulletin and education code requires school districts to maintain inventory records of equipment whose current market value exceeds $500. These records must contain a description of the equipment,

Powered by BoardOnTrack

manufacturer's name, identification numbers, original cost, date of acquisition, the location of use, and the date and method of disposal, if applicable.

- BUL-3508 Inventory Requirements for Equipment Purchased with Categorical Program Funds. This policy bulletin outlines federal and state guidelines for requiring an inventory for equipment purchased with categorical funds at school sites and offices, including equipment previously purchased through the Imprest fund or with the Procurement Card (P-Card). P-Card and Imprest purchases are not allowable with Title I funds. The equipment must be maintained and readily available for examination. Equipment inventories are subject to review at any time by federal and state auditors for equipment costing a total of $500 or more.)
- BUL-1158 Accounting for Supplies and Equipment Purchases. The California School Accounting Manual states that expenditures are required to be classified by "objects" to provide consistency in financial reporting among school districts. Additionally, the District is required to adhere to Government Accounting Standards Board Statement No. 34 to separately account for all fixed assets (land, buildings, equipment, etc.) and report depreciation on those assets accordingly.
- REF-71300 Record Retention for School Sites. This reference guide provides details for managing records at school sites and retention schedule listing records typically found at school sites.

2.8.2.6 School Arrival/Departure Plans

Traffic Patterns and Drop-off/Pick-up Points

Responsibilities of the Administrator:

- Work with OEHS or School Police to develop an appropriate drop-off and pick-up plan.
- Ensure through daily monitoring by designated staff that loading and unloading areas are "curbside" and designated to minimize student proximity to moving vehicles and that these areas are readily accessible to students.
- Confer with School Police as necessary to establish traffic patterns, and drop-off and pick-up points that ensure student safety and minimize traffic congestion.

Safe Passage To and From School

Responsibilities of the Administrator:

- Collaborate with the Office of Environmental Health and Safety (OEHS) to assess traffic, warning signs, school bus and parent loading zones, crossing guards, crosswalks, traffic signals, stop signs, etc. OEHS may be reached at (213) 241-3199.
- Work with the Safe School Collaborative on safe passage and attend local law enforcement agencies Safety Collaborative meetings. For more information, please contact Division of School Operations at (213) 241-7921.

Powered by BoardOnTrack

- At elementary schools, encourage parents to walk their children to school.
- Visit the OEHS Safe School Traffic Program webpage for current documents and resources. The Principal should ensure that teachers incorporate pedestrian and bicycle safety into classroom curricula.
- Inform students, staff, and parents of designated student drop-off and pickup points, and safety procedures to be observed whenever there are moving vehicles in or around the school. This information should include bike helmet usage and should be distributed in a brochure to students and parents at the start of the school year.
- Report continuing traffic noncompliance problems to School Police at (213) 625-6631 or local enforcement agency.
- Ensure bus loading areas are designated and that loading and unloading of passengers takes place only within these areas.

2.8.3 Attendance/Engagement and Dropout Prevention

Responsible Administrator: HUERTA, RAQUEL

LAUSD Strategic Plan: Pillar 2D: Outstanding Attendance

Ensure outstanding attendance to support in-class learning

Responsibilities of the Administrator:

- Implement and supervise all state and District attendance policies and procedures,
- Ensure appropriate attendance, enrollment and withdrawal procedures are in place. Review the following resources:
    - MyPLN Training: Pupil Services and Attendance Essential Tips to Support Policy and Compliance, Best Practices to Eliminate Audit Findings
    - Presentation: Essential Tips to Support Policy and Compliance, Best Practices to Eliminate Audit Findings.
- Track, monitor and regularly share attendance/engagement data with stakeholders.
- For a comprehensive list of activities, resources, and materials of the iAttend attendance initiative, visit the Pupil Services website and School Enrollment and Attendance Schoology group (Access Code: D4GT-DTTH-59Z3V).

Truancy/Tardiness Abatement

Responsibilities of the Administrator:

- Implement and supervise all state and District attendance policies and procedures.
- Ensure that students and parents are informed of the school attendance and tardy policy, as well as all applicable laws relating to compulsory attendance.
- Ensure that the attendance team and school staff including the Pupil Services and Attendance Counselor are coordinating efforts on attendance expectations and outreach.

Powered by BoardOnTrack

Responsibilities of the Teacher:

- Conduct outreach to build relationships with students and caregivers throughout the year, as appropriate, to support engagement and establish rapport/connections.
- Ensure that personal phone calls to home are made (by teacher and/or other designated staff) when students are absent.
- Ensure that attendance is submitted within the first 15 minutes of each class or period (or as required in alignment with current distance learning attendance taking guidelines, if applicable).
- Ensure that all absence reason codes, and times (if applicable) are entered.

CA E.C. § 48200 Compulsory Attendance Law:

Each person between the ages of 6 and 18 years, not exempted, shall attend the public full-time day school or continuation school or classes for the full time designated as the length of the school day by the governing board of the school district in which the residency of either the parent or legal guardian is located and each parent, guardian, or other person having control or charge of the pupil shall send the pupil to the public full time day school or continuation school or classes for the full-time designated as the length of the school day by the governing board of the school district in which the residence of either the parent or legal guardian is located.

Intervention for At-Promise Students

Responsibilities of the Administrator:

- Ensure that At-Promise Students are immediately enrolled, even if they are missing academic and medical records, immunization records, proof of residency, a school uniform, or if they owe fees or materials to their prior school.
- Ensure that the Pupil Services and Attendance (PSA) Counselor or a designated staff member is assigned to coordinate school attendance, dropout prevention, and recovery efforts.
- Ensure that an Attendance Team/Multidisciplinary is in place to provide outreach and support for students that have disengaged.
- Ensure that school staff support attendance and dropout prevention efforts.
- Ensure coordination of services and supports with the A-G Diploma Program Counselor, Specialized Student Services Counselor, and Pupil Services Attendance Counselor (high school only) and other designated staff.
- Ensure that all school staff have read and follow:
    - BUL-4926 Enrollment, Attendance, and Withdrawal Policies and Procedures
    - BUL-6718 Educational Rights and Guidelines for Youth in Foster Care, Experiencing Homelessness and/or Involved in the Juvenile Justice System
    - BUL-6231 Discipline Foundation Policy

    - BUL-6730 A Multi-Tiered System of Support Framework for the Student Support and Progress Team
    - REF-43782 Implementing a Multi-Tiered System of Supports Framework
    - Pupil Services and Attendance SharePoint - Due Diligence Efforts- Steps to Follow Prior to Withdrawing Students Quick Guide.pdf - AllDoc
- Ensure that schools implement a tiered system of support to address student attendance.
- Ensure that school staff are trained and have access to LAUSD student information systems such as MyData, MiSiS, Focus, and Elevate, as well as classroom referrals to help identify and monitor/track at-promise students.
- Ensure that transition programs are in place to support incoming students and matriculating students as they adjust to their new classroom and school environments.
- Ensure that the school climate welcomes and invites parent involvement through a parent center, parent conferences, parent meetings, personalized phone calls to parents, and that selected staff makes home visits when necessary to engage parents in their student's educational needs.
- Ensure that there is a multidisciplinary team that looks at student and school data on attendance, withdrawal, and dropout information to make decisions at the school regarding student intervention programs and policies.
- Ensure the multidisciplinary team consists of appropriate non-classroom personnel, such as, Pupil Services and Attendance Counselor, Psychiatric Social Worker, deans, and APSCS and other designated staff.

Responsibilities of the Multidisciplinary Team:

- Meet regularly to review attendance/engagement data and coordinate services and supports.
- Meet regularly to ensure the implementation and monitoring of a multi-tiered system of support for student attendance.
- Assess student, student subgroup and schoolwide data, establish a uniform referral process, and provide consistent follow-up on referrals.

Responsibilities of Staff:

- Staff is trained and aware of District mandates and procedures with respect to school attendance, withdrawals, dropout prevention, and recovery.
- School staff identifies and monitors students who are not making progress and coordinates with instructional staff to make needed adjustments to support student academic progress.
- Collaborate in the delivery of services to students.
- Be aware of and utilize resources both within the school and in the community.
- School staff systematically monitors, updates, and reviews student records.

- System for personalized interventions for students at risk of dropping out of school or who have recently left school.

Responsibilities of the Administrator:

- Create a school culture that reflects mutual support, caring, and safety for everyone.
- Ensure that selected school staff are trained on all District and non-District educational alternative placement options and that there is a process in place for referring at-promise students for educational supports and, when appropriate, to educational alternative placements, such as, but not limited to, community college classes, continuation schools, AC^{2}T, or Division of Adult and Career Education.
- Ensure that school staff are trained to work with at-promise students and utilize available resources to assist those students, such as, training on how to complete accurate enrollments and checkouts in MiSiS, how to identify at-promise students based on multiple risk factors (using reports such as those in MyData), how to create a welcoming, safe, and supportive school culture for all students, and how to link students/families up to necessary resources (academic, food, clothing, tutoring, etc.) to help students achieve their high school diplomas.
- Ensure that their school has a variety of academic programs in place to meet the individual needs of students at-risk for school failure or dropout, concurrent enrollment in ROP classes, online courses, summer school, tutoring, other credit recovery options and community resources.
- Ensure that student records are accurate. This includes ensuring that school clerical staff are trained on how to accurately enter student data into MiSiS upon enrollment and withdrawal (i.e., correct leave/enrollment codes are being used, upon every withdrawal, and student records are sent to the next school of enrollment in a timely manner).
- Students who are transferring between LAUSD schools should be auto withdrawn in MiSiS by the receiving school; when the transfer is out of LAUSD, a school may only withdraw upon receipt of records request from the receiving school. School personnel should document as much information as possible, including a destination, school, address, phone number and contact information. The school should also attempt to collect the “Parent Assurance Letter”.
- Schools may withdraw students upon receipt of a records request from another school or program outside of LAUSD. Schools should document all records requests in MiSiS: MiSiS Enrollment Job Aids. (Select “Entering Student Record Request” under “Withdrawal/No Show.”)
- The school has partnerships and collaborates with community agencies that can provide resources and options to students who are at risk of school failure and dropping out of school.

Responsibilities of School Staff:

- Work with parents/guardians and students to systematically monitor and follow-up with students regarding the supports/interventions and referrals provided to ensure access and effectiveness.
- School staff reviews student-level data to identify which students require supplemental educational services (i.e., tutoring, online courses, etc.,) and link those students and parents to the educational resources they need.
- All staff work collaboratively to identify students in need of prevention/intervention.

System to Recover, Enroll, or Provide Alternative Education Referrals

Responsibilities of the Administrator:

- Assign a multidisciplinary team of school staff to work collaboratively on clearing/locating and recovering students listed as lost transfers and whereabouts unknown (L8's).
- Ensure that staff is trained and follow all bulletins, memos, and reference guides regarding LAUSD policy for non-grads and 5th year seniors, and provisions for students continuing beyond their fourth year of high school (e.g., students who are homeless, in foster care, English Learners, students with IEPs).
- Ensure that school staff knows how to re-enroll or provide educational alternative options to students who may have left school for a period of time but have chosen to return to school and work towards their high school diploma.
- Students matriculating and/or transferring within LAUSD shall provide updates through the required annually disseminated forms. Schools shall not require matriculating students to complete a new Student Enrollment Form or to provide additional documentation for address verification (with specific exceptions related to charter schools).
- Require appropriate staff to run/review monthly reports on all withdrawals each month and ensure that designated staff follows up to find out if students are currently enrolled.
- Communicate to staff the importance of accurate record-keeping and tracking.
- Ensure that all due diligence efforts have been made prior to withdrawing students; for students whose whereabouts are known and are not attending, schools are to contact the Region PSA Administrator for Resource Panel/SARB referral.

Responsibility of Staff:

- Staff clearly defines their role in recovering dropout students to avoid duplication of services.
- School support staff and clerical staff stay up to date on all new District bulletins, reference guides, and memoranda relating to the input of student information into MiSiS.
- Staff provides parents/guardians and students with information about their educational rights and options available to help them be successful in school.

Powered by BoardOnTrack

2.8.4 Parent and Community Engagement

Parents are encouraged to provide a healthy diet, promote physical activity, and ensure overall good health and wellness for their child. Parents are also encouraged to participate in the planning for their child's academic progress and success. School-based and District staff are available for families, including Family and Student Navigators, Psychologists, and Social Workers to support their child's academic achievement physical and mental health care, and basic needs. To learn about services available, parents are encouraged to visit the Los Angeles Unified Healthy Start webpage at https://www.lausd.org/healthystart where they may access school-integrated services that help meet the physical and mental needs of students.

Student Health and Human Services Division (SHHS) personnel may arrange for various services that support student achievement and success, as well as parent and family resources and information. You may contact SHHS Division and request assistance by calling their Student and Family Wellness Hotline at (213) 241-3840. Personnel on this hotline may offer referrals in the areas of mental health, immunizations, health insurance, food and housing, enrollment and much more. When children have access to social and emotional services, they build a healthy foundation as they grow and develop into mentally and physically healthy citizens and adults.

Engaging families in topics aligned to safety, wellness, and other topics of focus for the District is foundational to accelerating student outcomes and overall family wellness. A bundle of modules with content for school leadership to engage families in training and learning about safety topics, including Substance Use and Fentanyl Awareness, are available for download by visiting lausd.org/sface and in the Principal's Portal. A LAUSD Single Sign On is required to access family engagement content.

The Office of Student, Family and Community Engagement also assists families by linking them to resources, workshops, and courses in the areas of the councils and committees, school volunteers, Parent Portal, understanding data and school budgeting, for example. Families may visit https://www.lausd.org/pcss#calendar28405/20240523/month or email families@lausd.net for more information.

Families and personnel are encouraged to learn more about the following family engagement programs:

- **Parent Portal:** The Parent Portal includes valuable student information, including attendance trends, bus transportation route information and bus transportation requests for all families, academic support services, and individual plans such as the Individual Graduation Plan, Individual Education Plan, and English Learner Progress. Visit lausdapp.lausd.net to access these resources and call your school site or the Los Angeles Family Hotline for assistance.
- **School Volunteer Program:** State and federal guidelines provide our families with the opportunity to volunteer at their child's school site. Volunteer applications are to be processed by each school site under a period of 30 days, and volunteers are to be

Powered by BoardOnTrack

provided with training using the District's volunteer orientation module. The module communicates volunteer expectations and District policies. Prospective school volunteers may learn about volunteering by visiting https://www.lausd.org/volunteer. There are three Tiers with unique requirements informed by the types of volunteer duties. Parents may contact their school site for further guidance.

- **Family Academy and Region Ambassadors**: The Los Angeles Unified initiated a Family Academy to offer families with workshops as well as course experiences linking families to educational pathways offered by the Division of Adult and Career Education (DACE). DACE offers cohort-centered courses known as Family Equity Course Pathways. The curriculum is organized as a 7-class course where families engage with culturally relevant curriculum. Choose from one of four pathways: multilingual learners, Black and African American learners, youngest learners, and learners with exceptional needs. Families may register by visiting https://www.lausd.org/familyacademy. The Family Academy also offers families webinar and in-person workshops, as well as a series of Region Ambassadors. The Region Ambassador pathways feature learning about Students with Special Needs, English Learners (Emerging Bilinguals) and the Local Control and Accountability Plan (LCAP). The schedule of learning is available at lausd.org/ambassadors.

3. Incident Command System

3.1 Incident Command

The Incident Command System (ICS) is used by first responders, government agencies, private sector business and non-profit groups to manage emergencies, crises, and disasters nationwide, as well as planned events. LAUSD also uses ICS, which is a system that groups people by functions according to aptitude and skills, instead of rank/title. Every position reports to someone (see the School ICS Organization Chart in this section), which greatly facilitates the flow of information and resources among the multiple teams participating in response to an emergency. ICS consists of the following five functions:

- Command (Management in the LAUSD EOC)
- Operations
- Planning & Intelligence
- Logistics
- Finance & Administration

The organization depicted on the School ICS Organization Chart can be expanded or abridged to meet the scope of the emergency/planned event. Not every emergency/planned event will require (activate) all of the teams or positions listed on the chart.

ICS can be adapted for schools with limited personnel. If no one is assigned to an ICS position, it is understood that the person who manages that position is performing, the responsibilities of the unfilled position. For example, in some emergencies/planned events, the Incident Commander may not assign a person to oversee finance. In that case, the Incident Commander is still responsible for all applicable Finance and Administration responsibilities, such as financial documentation for potential recovery. Note that to optimally fulfill some of the emergency team duties, members should have training, preparation opportunities, and practice through drills.

Region Operations Centers (ROC): During some emergencies, crises or planned events, the ROC may be activated to provide immediate support to the schools. In such cases, the school is expected to maintain open and ongoing communications with the ROC, typically through their Operations Coordinator. Refer to the LAUSD Region Operations Center (ROC) Guide for more information.

Emergency Operations Center (EOC): When the emergency or crisis or planned event impacts a great geographical portion of the District and/or has numerous significant operational impacts beyond a school's or ROC's ability to manage, the L.A. Unified (EOC) may be activated. The EOC is responsible for coordinating resources and maintaining situational awareness Districtwide. For more information regarding the EOC, access the LAUSD EOP Handbook for Emergency Operations Center Responders. The school's Incident Commander will keep the EOC updated, in most cases through their Region and/or through the School Emergency Status Report (SESR).

3. Incident Command System

Schools will be notified if the SESR is activated and if schools are expected to update their status through the SESR. More information regarding SESR can be found at: https://sesr.lausd.net.

It is recommended that team members and other District employees take Community Emergency Response Team (CERT) training. This hands-on disaster training is offered by local fire departments. LAUSD personnel can learn more about ICS by taking online video training courses STEPS 400, 420 and 421, available through MyPLN. Additional online emergency management classes appropriate for District employees are offered by the Federal Emergency Management Agency (FEMA) and are linked at https://www.lausd.org/fema.

Incident Command SEQUEIRA, WANDA; MEZA, NOVA

During an emergency, the Incident Commander (IC) is responsible for setting the response objectives and directing activities from a designated Command Post. All functions report to the IC. To effectively direct response actions, the IC must constantly assess the situation and develop and implement appropriate strategies. The IC must be familiar with the available resources, accurately document all response actions, and effectively communicate response strategies to others participating in the response. At a school, these functions are typically directed by the principal or designee as the Incident Commander. The principal is assisted in carrying out this role by a Public Information Officer and Safety Coordinator, as needed. The IC should use “management by objectives” by setting specific goals and objectives for the total response. The objectives should be SMART, which is an acronym for Specific, Measurable, Achievable, Relevant and Timely.

Planning/Intelligence Section CHAVEZ, MANUEL; PRADO, ARTURO

During an emergency, the ICS Planning and Intelligence section uses various methods and resources to efficiently gather information, analyze and document the information for significance, and actively assess the status of the emergency. This understanding and knowledge about the situation at hand is vital to the effective management of a response. Under ICS, this function is supported by a Documentation/Communication position, who reports directly to the Incident Commander (principal) if a Planning/Intelligence Lead is not assigned. The ICS Planning and Intelligence Section also predicts future needs, observes trends, and constantly answers the following questions regarding the emergency:

- How big is this problem?
- Who is affected?
- What are we going to need in the next hour, day, or week?

Planning and Intelligence people are forward thinkers. They like to seek out facts and trends and make informed predictions.

Operations Section PRADO, ARTURO; ESCARZAGA, JAIME

3. Incident Command System

Under ICS, all tactics for the emergency response are implemented under the Operations function. Many school site emergencies are complex enough for the Incident Commander to assign an Operations Section Lead. This function is supported by staff reporting to the Operations Lead who have responsibilities such as rendering medical assistance, crisis intervention, search and rescue, site security, damage assessment, evacuations, access and functional needs support, and the release of students to parents. Within LAUSD, these activities are performed by the following teams:

- Triage Team
- School Site Crisis Team
- Search and Rescue Teams
- Access and Functional Needs Position
- Security/Utilities Team
- Fire Suppression/HazMat Team
- Assembly Area Team
- Request Gate Team
- Reunion Gate Team

Operations people are “Problem Solvers” who can work in a non-structured environment. These are the “Doers.”

Logistics Section ESCARZAGA, JAIME; ALMANZA, JESSICA

The Logistics section manages resources and provides all incident support needs such as facilities, transportation, communications, and supplies/equipment. Logistics supports emergency operations by coordinating personnel; assembling and deploying volunteer teams; and providing supplies, resources, equipment, and services, including food service and adjusting meal schedules and menus, as needed. Within LAUSD, these activities are performed by Supply/Equipment Team, Hygiene Team, and Transportation Support Team if activated and they report to the Logistics Section Lead. When the Operations Section needs something, they get it from the Logistics Section. Logistics works closely with the Planning and Intelligence Section to develop resources for future needs. These people are the “Getters.” A natural choice may be your plant manager or other building and grounds employees.

Finance/Administration AVENDANO, EDITH; RODRIGUEZ TREJO, SOCORRO

The Finance/Administration function of ICS involves the purchasing of all necessary materials, tracking financial records, timekeeping for school site and responding District staff, and recovering school records after an emergency. These people are known as the “Payers.” They keep track of personnel time and costs, which are sometimes divided into two positions reporting to a Finance Section Lead. A natural person for this function would be your payroll clerk, who knows everyone who works on campus. Another choice may be your financial manager or other office staff member.

3.2 Command Team

The Command Team is responsible for directing school emergency response activities. The

Command Team is led by the principal or designee, who is the Incident Commander. The Command Team includes the school's Public Information Officer, the Safety Coordinator, and the Team Leads for each of the other four functions (Operations, Planning & Intelligence, Logistics, and Finance & Administration). The Incident Commander sets goals and objectives for the activities of all other teams.

Team Assembly Location

Inside: MPR

Outside: BASKETBALL COURTS

3.2.1 Incident Commander SEQUEIRA, WANDA; MEZA, NOVA

The Incident Commander (IC), principal or designee, is responsible for directing emergency operations and shall remain at the Command Post to observe and direct all operations. The only role of this person is to make decisions. Specific duties of the Incident Commander may include:

- Setting goals and objectives for the response team as a whole
- Assessing the situation periodically
- Directing the Command Team
- Determining the need for, and requesting, outside assistance
- Communicating with the Region Administrator of Operations and central office staff
- Working with the Region regarding any messaging about the incident to internal and external stakeholders

3.2.2 Public Information Officer SEQUEIRA, WANDA; MEZA, NOVA

The Public Information Officer (PIO) is the official spokesperson for the school site in an emergency and is responsible for communicating with the media and delivering public announcements. Specific duties of the PIO may include:

- Receiving updates and official statements periodically from the Incident Commander
- Posting approved messages to parents via Blackboard Connect
- Maintaining a log of PIO actions and all communications
- Updating/consulting with the Region PIO or central Communications office
- Interacting periodically with the media (with prior review/approval from the Region/District Communications Office)
- Preparing statements for dissemination to the public
- Ensuring announcements and other public information are translated into other languages as needed
- Monitoring news broadcasts about the incident and correcting any misinformation
- Monitoring social media for rumor control and misinformation (may be supported by documentation position)

3.2.3 Safety Coordinator CHAVEZ, MANUEL; PRADO, ARTURO

Powered by BoardOnTrack

3. Incident Command System

The Safety Coordinator is responsible for ensuring that all emergency activities are conducted in as safe a manner as possible. Specific duties of the Safety Coordinator may include:

- Stopping any and all unsafe activities
- Checking periodically with the Incident Commander for situation briefings and updates
- Maintaining all records and documentation as assigned by the Incident Commander
- Monitoring drills, exercises, and emergency response activities for safety
- Identifying safety hazards
- Ensuring that team members use appropriate safety equipment

Supplies and Equipment for Command Team

- School Emergency Response Boxes (REF-5450 School Emergency Response Boxes)
- Copy of the Integrated Safe School Plan and contact information
- Campus maps
- Staff cell phone lists
- Staff email lists
- Master keys (Note: Keys must be kept in a very secure location or with specific authorized individuals.)
- Copies of staff and student rosters
- Hand-held two-way radios
- Bullhorn
- Battery-operated AM/FM radio
- First Aid kit for Command Team
- Clipboard, paper, pens
- Hard hat for each team member
- Vest or other position identifier
- Large campus map

3.3 Triage Team

The members of the Triage Team are responsible for:

- Performing triage/disaster aid in the event of large-scale emergency impacting the school community
- Assessing injuries and administering necessary medical assistance as indicated
- Ensuring that first aid supplies are available
- Ensuring that designated school site staff are trained in the administration of medical measures, as appropriate
- Setting up triage area and temporary morgue
- Keeping accurate records of care given and triage tagging each of the injured with name, address, injury, and any treatment rendered
- Reporting critical injuries or deaths immediately to Triage Team Lead
- Recording information on transport to hospital by first responders

Assignments

Triage Team Lead: MIRANDA, JESSICA

Backup Team Lead: LLAMAS-MENESES, MELINA

3. Incident Command System

Triage Team Member: DEHUMA TRIANA, PATRICIA

Triage Team Member:

School Nurse: SY, MERCY

Team Assembly Location

Inside: Conference Room

Outside: Handball Courts

Triage Team Lead

The Triage Team Lead is responsible for oversight and communication related to triage and disaster first aid training, preparation, and planning. The leader will also direct team activities and, in the event of a large-scale emergency impacting the school community, periodically interact with the Operations Section Lead to determine medical needs and planned actions.

Specific duties of the Triage Team Lead may include:

1) Ensuring triage areas are set up
2) Supporting team members to ensure adequate triaging of the injured
3) Ensuring all medical supplies are available for the team
4) Ensuring Triage Team performs secondary assessments and appropriate disaster medical care after triage is complete
5) Periodically keeping Operations Section Lead informed of overall status
6) Ensuring designated school site staff are trained in triage and disaster first aid techniques and priorities

Triage Team Members (Triage, Disaster Medical Assistance)

The members of the Triage Team are responsible for:

- Designating and setting up triage areas, including access for emergency vehicles
- Assessing injuries/performing triage and administering necessary disaster medical aid during a large-scale emergency impacting the school community
- Ensuring that disaster first aid supplies are available
- Setting up triage stations and the temporary morgue, ensuring that all medical supplies/equipment are accessible, including taking these items out during evacuations
- Keeping accurate records of care given and triage tagging each of the injured with name, address, injury, and any treatment rendered
- Reporting critical injuries or deaths immediately to Triage Team Lead
- Recording ambulance transport to hospital information
- Completing the Injury Report

3. Incident Command System

In a large-scale disaster/emergency, it may be a while before patients can be transported for medical care. When possible, have students transported to the nearest emergency department approved for pediatrics (up to age 22) as listed in the Step 4, under Additional Contacts of the online ISSP. It is best to have a staff member accompany each transported student; during an incident with many injuries, that may not be possible. Always note the name and transport destination for each person when they are transported.

Supplies and Equipment for the Triage Team

Note: Staff/team members cannot re-enter buildings to retrieve supplies/equipment that are not stored in the emergency bin. Ensure that equipment is evacuated.

- Vest or position identifier
- First aid supplies
- Non-latex disposable exam gloves
- Triage tags
- Hand-held two-way radios
- Stretchers
- Blankets
- Wheelchairs
- Ground covers, tarps
- Patient record forms
- Site map
- Injury Report
- Automated External Defibrillators (AED)
- Epi-Pen
- Biohazard bag
- Sharps container
- Student medication

Related Training and Resources

- It is recommended that all Triage Team members have first aid, cardiopulmonary resuscitation (CPR)/AED, and EpiPen training. (More details on AED and EpiPen policy are available in BUL-4480 Policy and Procedure for the Acquisition and Use of Automated External Defibrillators (AEDs) and BUL-114500 Administration of Epinephrine Auto-Injectors.
- Online training course STEPS 213, offered through MyPLN.
- Training information regarding CPR/AED and EpiPen is also available from the school nurse. Some CPR/AED information can also be found at lausd.org/CPR/AED; First Aid (and CPR) information is also available.
- The District is creating a Stop the Bleed training program. Details and updates are available here.

3.4 School Site Crisis Team

The School Site Crisis Team, is responsible for addressing the mental health needs and social-emotional well-being of all students on campus during an emergency by providing Psychological First Aid (PFA) as needed, in the immediate aftermath of a critical incident or emergency, pursuant to the District's BUL-5800 Crisis Preparedness, Response and Recovery policy. PFA is an evidence-informed approach for assisting children, adolescents, adults, and families in the immediate aftermath of a critical incident, disaster, or act of terrorism. PFA is designed to

reduce the initial distress caused by traumatic events and to foster short and long-term adaptive functioning.

Assignments

Crisis Team Lead: CRUZ, APRIL

Backup Team Lead: GUERRERO, GUSTAVO

Psychological First Aid Team Member (Primary): GOMEZ VASQUEZ, YAJAIRA

Psychological First Aid Team Member (Backup): GUERRERO, GUSTAVO

Team Assembly Location

Inside: TRIAGE

Outside: CONFERENCE ROOM

Crisis Team Lead

The Team Lead is responsible for directing crisis responders and periodically interacting with the Operations Section Lead to identify concerns and report status. The Crisis Team Lead is also responsible for assigning personnel as needed, such as the Psychological First Aid Team Members, and ensuring appropriate training is provided. Supplemental online training courses STEPS 212 and 409 are offered through MyPLN.

Psychological First Aid Team Members

The members of the Psychological First Aid Team, with the guidance of the Crisis Team Lead, are responsible for monitoring the social-emotional safety and well-being of the students and staff in designated areas, such as the Assembly Area and Triage Area. Specific duties of the members of the Psychological First Aid members may include:

- Assessing needs and providing Psychological First Aid
- Providing reassurance and support to students
- Updating the number of students and staff in need of support
- Documenting students or staff who may need additional support in the days to weeks following the incident
- Coordinating with Logistics to provide water and food to students and staff when necessary
- Supporting other teams, as needed

Supplies and Equipment for the Psychological First Aid Team Members

- Vest or position identifier
- Hand-held two-way radio
- Ground cover and tarps
- First aid kit
- Paper, pens/pencils

3. Incident Command System

3.5 Search and Rescue Team

The Search and Rescue (SAR) Team is responsible for preparing and performing search and rescue operations during an emergency when the fire department is delayed due to the nature of the disaster. There may be two or more SAR teams at a school, depending on the size and layout of the site. Each team must have four members, as they work in pairs for safety reasons. Supplemental online training course STEPS 214 is offered through MyPLN.

Assignments

Search and Rescue (SAR) Teams Coordinator: CHAVEZ, MANUEL

Backup SAR Teams Coordinator: GURUBEL, JAZMIN

SAR Team 1 Members: HOUGH, MARCUS; LAWLER, MARCELLA; ACOSTA, RICARDO; GOMEZ, MARGA

SAR Team 2 Members: HOUGH, MARCUS; FLORES, ANGELICA; FRANCO, ISIDORO; DRUGGE, BRETT

SAR Team 3 Members: ; ; ;

SAR Team 4 Members: ; ; ;

Team Assembly Location

Inside: CONFERENCE ROOM

Outside: EMERGENCY BIN

Search and Rescue Teams Coordinator

The Search and Rescue Teams Coordinator assigns each SAR team their specific areas and duties, records findings on maps and in logs, keeps the Operations Section Lead informed of overall status, and coordinates appropriate training. Specific duties of the Search and Rescue Teams Coordinator may include:

- Ensuring that each responding SAR team has four members and that those four members work in pairs for safety reasons)
- Obtaining briefings from the Operations Section Lead, and the Assembly Area Team, noting missing students, identified damage and site hazards, and any other situations requiring SAR response
- Assigning and recording SAR teams based on available team members, maintaining four persons per team
- Updating teams' reports on site map and recording exact location of damage and triage tally

Search and Rescue Team Leads

Each Search and Rescue Team Lead is responsible for directing the activities of their assigned SAR team and apprises the SAR Teams Coordinator of the team's status and their findings throughout the search and rescue process. Specific duties of the Search and Rescue Team Leads may include:

- Obtaining briefings from the SAR Coordinator
- Directing search and rescue operations for their assigned team
- Reporting findings to the SAR Teams Coordinator during search and rescue operations.

Search and Rescue Team Members

The members of the Search and Rescue Team are responsible for performing search and rescue operations during an emergency. Specific duties of the members of the SAR Team may include:

- Searching assigned area
- Reporting gas leaks, fires, or structural damage to SAR Team Lead upon discovery
- Rescuing trapped survivors on campus, if it is safe to do so
- Evacuating survivors who need assistance
- Working with the Security/Utilities Team and Fire Suppression/Hazmat Team to shut off gas or extinguish fires as necessary
- Reporting periodically to the Team Lead the location, number, and status/condition of injured or missing survivors
- Conducting pre-established search and rescue patterns, checking each classroom, office, storage room, auditorium and other rooms and outdoor areas which may have survivors
- Sealing off and posting areas where hazardous conditions exist
- Contacting Security/Utilities Team to secure the building from reentry after the search

Supplies and Equipment for Search and Rescue Teams

- Vest or position identifier
- Hard hat
- Work and non-latex gloves
- Eye protection
- Dust mask
- Whistle with master keys on neck lanyard
- Hand-held two-way radio
- Clipboard with job duties
- Map indicating search plan
- Fire extinguisher
- Water bib key
- Blankets
- Bolt cutters (for cutting security screens from around windows)
- Shovel
- Rope
- Triage tags
- Bucket or duffel bag
- Flashlight
- Pry bar
- Grease pencil
- Pencils
- Duct tape
- Caution tape
- Masking tape

Powered by BoardOnTrack

- First aid backpack/fanny pack (one team member wears it)
- Evacuation Chair (applies to multiple story schools and not to be stored in emergency bin)

Many of these materials are found in the search and rescue kit, which can be purchased through the LAUSD Warehouse.

3.6 Access and Functional Needs Position

Access and Functional Needs (AFN) position is responsible for ensuring that the needs of students and others on campus who have disabilities or other access or functional needs are considered throughout the ongoing development and execution of this plan. This includes ensuring existing procedures include adaptations for pupils with disabilities in accordance with the federal Individuals with Disabilities Education Act and Section 504 of the federal Rehabilitation Act of 1973 and the annual evaluation of the ISSP to ensure appropriate adaptations for pupils with disabilities. The role also supports the principal if a school employee, a pupil's parent, guardian, or educational rights holder, or a pupil, after an ISSP evaluation is conducted brings concerns about an individual pupil's ability to access disaster safety procedures described in the ISSP.

The AFN Team will coordinate activities with the Operations Section as needed. Planning efforts by this team include ensuring the availability of any necessary supplies and equipment and sharing plans and equipment locations with emergency teams and other staff who will further support the individuals with these needs during an emergency. Resources to support this team's work are available at: http://lausd.org/afn.

Assignments

Access and Functional Needs (AFN) Team Member: FLORES, ANGELICA

Backup Access and Functional Needs Position: FRANCO, ISIDORO

Assembly Location

Inside: 2nd floor outside of Office area

Outside: Basketball Blacktop (designated area)

Roles and Responsibilities

The AFN position is responsible for ensuring the safety of students and adults with access and functional needs during drills and emergencies and facilitates the planning and preparation for appropriate support. The AFN position directs assistance activities and coordinates with the Operations Section to identify specific disabilities or access and functional needs of the school population, and also considers the potential needs of visitors. The position is responsible for ensuring that these individuals are safely evacuated and supported during drills and emergencies including by ensuring necessary adaptations are in place and by supporting the

evaluation and ISSP modification process, as necessary. Related procedures are outlined in REF-5511 Completing and Updating the Integrated Safe School Plan.

Support:

For more tips and information on supporting students with access and functional needs, access LAUSD Emergency Preparedness for Students with Disabilities Tips and Checklist.

Contact your Region's Special Education Administrator.

3.7 Security/Utilities Team

The Security/Utilities Team is responsible for the security of the school site and its population during an emergency. The Security/Utilities Team will coordinate activities with the Operations Section as needed. The Security/Utilities Team shuts down heating and air conditioning units, gas, power, and water utilities as necessary to protect students and staff and to minimize damage to school facilities. The team must also coordinate closely with the Reunion Gate Team for gate access to safely reunite students with their parents or lawful guardians. This team may include campus aides, and members of the custodial and cafeteria staff.

Assignments

Security/Utilities Team Lead: ESCARZAGA, JAIME

Backup Team Lead: GONZALEZ, CHRISTIAN

Security/Utilities Team Member:

Security/Utilities Team Member:

Team Assembly Location

Inside: CONFERENCE ROOM

Outside: TRIAGE

Security/Utilities Team Lead

The Security/Utilities Team Lead is responsible for directing team activities and interacting with the Operations Section Lead to identify problems and report status and coordinates appropriate training. The Security/Utilities Team Lead is also responsible for checking with the Operations Lead to ensure that local utility companies (water, electricity, gas, and sewer) are notified of outages and issues as needed.

Security/Utilities Team Members

The members of the Security/Utilities Team are responsible for securing the school and reporting that the campus is secured. They are also responsible for surveying all utilities and taking appropriate actions to shut off utilities, as needed. Specific duties of the members of the

Security/Utilities Team may include:

- Locking all external gates and doors; unlocking some gates when appropriate
- Stationing one team member at the main entrance to the school to direct emergency vehicles to area(s) of need and to greet parents
- Keeping students and staff out of buildings, as necessary
- Assisting at Reunion Gate, as appropriate
- Assessing and reporting damage to school facilities
- Checking water lines and shutting down water supply lines if leaking
- Checking gas meter/lines and, if gas is leaking, shutting down gas supply
- Shutting down electricity only if building has clear structural damage or advised to do so by Command Post

Supplies and Equipment for Security/Utilities Team

- Vest or position identifier
- Hard hat, gloves, and any personal protective equipment
- Master keys
- Hand-held two-way radio
- Copy of the school's emergency procedures
- Large durable signs for providing direction and information
- Utility shut-off tools
- Site maps
- Diagrams of shut-off valves and switches

3.8 Fire Suppression/Hazmat Team

The Fire Suppression and Hazardous Materials (HazMat) Team is responsible for extinguishing small fires and evaluating the potential release of chemicals during an emergency. It is also responsible for evaluating the damages to school property in an emergency. This team will coordinate with the Operations Section. Team members complete the School/Site Preliminary Damage Report. Operating a fire extinguisher is covered in STEPS 201, available on MyPLN, and is strongly recommended training for this team.

Assignments

Fire Suppression and HazMat Team Lead: ALMANZA, JESSICA

Backup Team Lead: CABADAS, ARMANDO

Fire Suppression and HazMat Team Member:

Fire Suppression and HazMat Team Member:

Team Assembly Location

Inside: CONFERENCE ROOM

Outside: EMRGENCY BIN

Powered by BoardOnTrack

3. Incident Command System

Fire Suppression and HazMat Team Lead

The Fire Suppression and HazMat Team Lead is responsible for directing team activities and periodically interacting with Operations to identify problems and report status. The Fire Suppression and HazMat Team Lead is also responsible for gathering the School/Site Preliminary Damage Reports from the Team Members and having forms readily available to Operations.

Fire Suppression and HazMat Team Members

The members of the Fire Suppression and HazMat Team are responsible for extinguishing small fires, evaluating the potential release of chemicals during an emergency, observing the campus for damage and hazardous conditions, logging and reporting any damage by radio to the Command Post during an emergency. Copies of the School/Site Preliminary Damage Reports will be submitted to the Team Lead. Specific duties of the members of the Fire Suppression/HazMat Team may include:

- Evaluating potential release of chemicals.
- Maintaining list of chemicals on site with map/storage location specifics.
- Identifying damaged areas on the School/Site Preliminary Damage Report. Reporting will be supplemented by pictures if appropriate.
- Locating and extinguishing small fires, as necessary. Use the proper extinguisher for the type of fire:
    1. Class A, B or C for ordinary combustibles
    2. Class B or C for fires involving flammable liquids
    3. Class C only for fires involving electrical equipment
- Posting yellow caution tape around damaged or hazardous areas

Supplies and Equipment for the Fire Suppression/HazMat Team

- Vest or position identifier
- Hard hat, work gloves and personal protective equipment
- Fire extinguishers and other fire-fighting equipment
- Hand-held two-way radios
- Master keys on lanyard
- Clipboard with job duties and School/Site Preliminary Damage Report
- Carry bucket or duffel bag with eye protection, flashlight, dust masks, yellow caution tape, and utility shut-off tools
- Site maps
- Absorbent materials
- Broom
- Dustpan
- Neutralizer
- Hazardous waste labels

3.9 Assembly Area Team

The Assembly Area Team is responsible for the safe evacuation and accounting of all students

and staff during an emergency. The team is also responsible for reporting missing persons to the Operations Section Lead. Operations will then relay reports of missing students to the Search and Rescue Team.

Assignments

Assembly Area Team Lead: MELENDEZ, SANDRA

Backup Team Lead: ACOSTA, RICARDO

Assembly Area Team Member:

Assembly Area Team Member:

Team Assembly Location

Inside: MPR

Outside: BASKETBALL COURTS

Assembly Area Team Lead

The Assembly Area Team Lead is responsible for directing team activities and periodically interacting with Operations to identify problems and report status. The Assembly Area Team Lead is also responsible for collecting the Missing Persons Report from team members and providing the report to the Incident Commander.

Assembly Area Team Members

The members of the Assembly Area Team are responsible for performing the safe evacuation and accounting of students, staff, and visitors during an emergency. Specific duties of the members of the Assembly Area Team may include:

- Obtaining reports of missing students/adults from teachers or other personnel.
- Ensuring that students are orderly, stay with their class and are supervised so that they can be found quickly when parents arrive.
- Gathering Missing Persons Report from each teacher and other designated personnel and submitting forms to the Assembly Area Team Lead.
- Assisting the Reunion Gate Team as required.

Supplies and Equipment for Assembly Area Team

- Copy of Site Plot Plan and Vicinity Map showing designated on and off-site Assembly Areas
- Injury Reports and Missing Persons Reports
- Bullhorn
- Clipboard and pens for forms
- List of employees who were on campus (when incident took place)

3. Incident Command System

3.10 Request and Reunion Gate Teams

Request Gate Team

The Request Gate Team is responsible for processing parent requests for student release during an emergency.

Assignments

Request Gate Team Lead: GALINDO, LESLI

Backup Team Lead: ROBLES DE SANDOVAL, MARIA

Request Gate Team Member:

Request Gate Team Member:

Team Assembly Location

Outside: Ernest Debs Park

Request Gate Team Lead

The Request Gate Team Lead is responsible for directing team activities and periodically interacting with the Operations Section Lead to identify problems and report status, coordinates appropriate training, and ensures that order is maintained at the Request Gate. The Request Gate Team Lead will refer all outside requests for information to the Public Information Officer. Supplemental online training course STEPS 419 is offered through MyPLN.

Request Gate Team Members

The members of the Request Gate Team are responsible for greeting parents/guardians/ designees, providing them with the paperwork authorizing the holders to reunite with their students at the Reunion Gate, and checking identification. Specific duties of the members of the Request Gate Team may include:

- Greeting and quickly directing arriving parents, guardians, or designees to the Request Gate.
- Providing reassurance to parents, guardians, or designees and maintaining order. The use of large signs showing the school status and student pick up protocol in all languages is suggested.
- Checking identification of those requesting to pick up students.
- Directing parents or guardians to the Reunion Gate.
- Dispatching student runners to the Assembly Area to escort students whose parents have come to claim them.

Supplies and Equipment for Request Gate Teams

- Keys to the Request Gate
- Student lists

- Office supplies –pens, paper, clipboards, and summons forms, etc.
- Signage for parents specifying the process and information needed for pick-up in the languages appropriate for the school
- Sign-making materials, including zip ties and tape
- Bullhorn
- Reunification forms (blue slips)
- Yellow caution tape, student runner I.D. lanyards, extra school radios, chalk, etc.

Mass Reunion Planning

The Request and Reunion Gate Teams need to have an expansion plan for a massive influx of parents. The following activities should be part of every school's Request/Reunion Gate preparedness program:

- Cross-train other teams to assist. When the Search and Rescue Team members are done with their assignment, they may be reassigned by the Operations Section Lead to assist the Request or Reunion Gate Team.
- Ensure that there are enough supplies (pens, forms, clipboards, etc.) for the additional Request Gate Team members so that additional stations can be opened.
- Have a plan to re-organize the Request Gate to divide the parents into smaller groups. They can be organized by grade level, small learning community or any other criteria that makes sense for the school. Ensure that there are sign-making supplies to allow for reorganization.

Reunion Gate Team

The Reunion Gate Team is responsible for compassionately reuniting parents or guardians with students. Reunion gate personnel should have a plan in place to notify parents about injured or deceased students, a highly sensitive issue. The team checks identification and will keep accurate records of students leaving the campus. Members of the School Site Crisis Team and Security/Utilities Team may be asked to assist the Reunion Gate Team. If a child is injured, it is recommended that the parents be invited to a private or secluded location and, away from others, be informed of their child's condition. It is suggested that a member of the School Site Crisis team stay with the parent and assist them.

Assignments

Reunion Gate Team Lead: DEHUMA TRIANA, PATRICIA

Backup Team Lead: RODRIGUEZ TREJO, SOCORRO

Reunion Gate Team Member:

Reunion Gate Team Member:

Powered by BoardOnTrack

Team Assembly Location

Outside: Ernest Debs Park

Reunion Gate Team Lead

The Reunion Gate Team Lead is responsible for directing team activities and periodically interacting with the Operations Section to identify problems, request additional personnel, report status, and ensure order is maintained at the Reunion Gate. The Reunion Gate Team Lead will refer all media or other outside requests for information to the Public Information Officer. The Reunion Gate Team Lead is also responsible for collecting the Student Release Log from the Team Members and should have the forms readily available to Operations.

Reunion Gate Team Members

The members of the Reunion Gate Team are responsible for greeting parents, guardians, or designees and reuniting them with their students at the designated Reunion Gate. Specific duties of the members of the Reunion Gate Team may include:

- Greeting parents, guardians, or designees at the Reunion Gate and maintaining order.
- Verifying identification and authenticity of reunification forms.
- Confirming students recognize the authorized adults who come to claim them and requiring adult to sign student out of school.
- Completing Student Release Log and submitting them to the Reunion Gate Team Lead.

Supplies and Equipment

- Hand-held two-way radios
- Tables and chairs
- Office supplies –pens, paper, clipboards, release forms, yellow tape, hanging clips, etc.
- Student rosters with class schedules
- Flashlights
- Keys to the Reunion Gate
- Student Release Log

3.11 Supply/Equipment Team

The Supply/Equipment Team is responsible for ensuring the availability and delivery of adequate supplies and equipment during an emergency. The team members should be familiar with emergency supplies cached in the emergency bin and any other campus location.

Assignments

Supply/Equipment Team Lead: ESCARZAGA, JAIME

Backup Team Lead: CABADAS, ARMANDO

Supply/Equipment Team Member:

Supply/Equipment Team Member:

3. Incident Command System

Team Assembly Location

Inside: CONFERENCE ROOM

Outside: EMRGENCY

Supply/Equipment Team Lead

The Supply/Equipment Team Lead is responsible for directing team activities and keeping the Logistics Coordinator informed of overall status. Specific duties of the Supply/Equipment Team Lead may include:

- Distributing emergency water and food supplies.
- Supporting the hygiene team as necessary, to set up and maintain sanitation stations.
- Confirming supply/equipment needs for any persons with disabilities, access and functional needs fulfilled.
- Controlling conservation of water.

Supplies and Equipment for Supply/Equipment Team

- Hand-held two-way radio
- Keys
- Bullhorn
- Emergency water supplies - water carriers, cups, hand pumps, etc.
- Emergency food supplies
- Temporary power supplies
- Sanitation supplies
- Care and shelter supplies, including mylar blankets and pop-up canopies

Supply/Equipment Team Members

The members of the Supply/Equipment Team are responsible for assessing the adequacy of available water, food, sanitation, and other supplies and organizing the distribution of resources for immediate use. Specific duties of the members of the Supply/Equipment Team may include:

- Distributing emergency water and food supplies
- Supporting the hygiene team as necessary, to set up and maintain sanitation stations
- Confirming supply/equipment needs for any persons with disabilities, access and functional needs fulfilled.
- Controlling conservation of water.

Supplies and Equipment for Supply/Equipment Team

- Hand-held two-way radio
- Keys
- Bullhorn
- Emergency water supplies - water carriers, cups, hand pumps, etc.
- Emergency food supplies
- Temporary power supplies

- Sanitation supplies
- Care and shelter supplies, including mylar blankets and pop-up canopies

3.12 Hygiene Team

The Hygiene Team works under the Logistics Section Lead and is responsible for providing all necessary sanitation-related support.

Assignments

Hygiene Team Member: ESCARZAGA, JAIME

Backup Team Lead: CABADAS, ARMANDO

Hygiene Team Member:

Hygiene Team Member:

Team Assembly Location

Inside:

Outside:

Roles and Responsibilities

The Hygiene Team will oversee and maintain overall cleanliness during emergencies. Specific duties may include:

- Monitor and resupply handwashing stations
- Emptying and cleaning bucket toilets
- Disinfecting equipment

3.13 Transportation Support Position

The Transportation Support position works under the Logistics Section Lead and is responsible for coordinating bus transportation needs from the school if an off-site relocation or other transportation is necessary. Region Operations may also assist with this task. The position needs to also coordinate with the receiving site.

Assignments

Transportation Support Staff Member: DEHUMA TRIANA, PATRICIA
Backup Transportation Support Staff Member: RODRIGUEZ TREJO, SOCORRO

Assembly Location: Command Post

Roles and Responsibilities

The Transportation Support position is responsible for coordinating transportation assets and planning for an off-site relocation from the school. Specific duties may include:

Powered by BoardOnTrack

- Periodically communicating with the Logistics Section Lead to provide updates as needed.
- Communicating to the Transportation Division the total number of students and staff to transport, number of people needing wheelchair tie-downs, lifts, or other specialized support, if space is needed to transport necessary supplies and the exact pick-up and drop-off locations.
- Working with the receiving site and providing details about the number of people relocating and any assistance needed with supplies and services that the evacuating school cannot provide.
- Acquiring from the receiving site the specific location on campus where the evacuated school will be housed, where buses should drop off, and what gate will be used for reunification.
- Ensuring that a plan is in place and carried out to transport the School Emergency Response Box containing emergency cards and other essential records, first aid kits, food from the cafeteria, and other necessary items.
- Assist with the plan for systematic loading and unloading of students and supplies.
- Assist with clearing the campus as needed.
- Maintaining documents related to off-site evacuation.

Supplies and Equipment for the Transportation Support position

- Landline and/or cell phone
- Handheld two-way radio
- Map of area showing school and off-site relocation site(s)
- Student rosters showing attendance, classes and emergency information assigned to a bus number

3.14 Documentation/Communications Position

The Documentation/ Communications Position works under the Planning and Intelligence Section Lead and is responsible for maintaining a log of all emergency developments and response actions, and other necessary documentation. These records are extremely important to document what actions were taken by the school in response to the emergency.

Assignments

Documentation Staff Member: DEHUMA TRIANA, PATRICIA
Backup Documentation Staff Member: RODRIGUEZ TREJO, SOCORRO

Assembly Location: Command Post

Roles and Responsibilities

The Documentation/Communication position will maintain a log of the incident, noting all actions and reports, and filing them for reference. This position will also collect, organize, and analyze situation information and provide periodic updates. Specific duties may include:

Powered by BoardOnTrack

- Periodically communicating with the Planning and Intelligence Section Lead for updates.
- Documenting all communications with the Region Operations Center (ROC) and outside agencies.
- Recording the number of students, staff, and others on campus and updating it periodically.
- Reporting missing persons, and documenting site damage, injuries, and medical needs with the Incident Commander.
- Ensuring that accurate records are kept of all staff members, indicating hours worked.
- Supporting the Incident Commander in making any purchases and keeping track of the cost.
- Filing, maintaining, and securing all emergency documentation.
- Monitoring email, internet, radio, and television news (as available) for general information about the emergency.
- Monitoring social media for information, including rumor control and misinformation.
- Sending Blackboard Connect messages to parents and staff.
- Sending updates on social media accounts maintained by the school.
- Updating site maps as reports and other information are received.
- Preserving maps as legal documents.
- Using area map to record information on major incidents such as road closures, utility outages, etc. that may impact the campus.
- Developing situation reports for the Incident Command Team.

Supplies and Equipment for the Documentation/Communications Position

- Hand-held two-way radios
- File boxes
- Paper, pens, markers
- Chart paper and/or mobile white board
- AM-FM battery/solar radios
- School/Site Preliminary Damage Report
- Maps of event by the hour
- Access to Blackboard Connect, internet, cell phones, etc.
- Laptop. Tablet, and/or cell phone with internet access
- Large site map of campus, laminated or covered with plastic
- Map of county or local area

3.15 Staff Accounting Position

The Staff Accounting position works under the Finance & Administration Section Lead and is responsible for maintaining accurate emergency time records for all site-based and itinerant employees. These records are extremely important to accurately portray costs of the disaster and for potential financial recovery documentation.

Assignments

Staff Accounting Staff Member: DEHUMA TRIANA, PATRICIA

Powered by BoardOnTrack

Backup Staff Accounting Staff Member: RODRIGUEZ TREJO, SOCORRO

Assembly Location: Command Post

Roles and Responsibilities

The Staff Accounting position will maintain time records for site-based and itinerant employees and file them for reference. Specific duties may include:

- Periodically communicating with the Finance and Administration Section Lead to provide updates as needed.
- Keeping accurate time records of all staff members, indicating employee name, employee number, and hours/times worked specifically to address the disaster.
- Ensuring that District employees who are on site but do not usually time report to the school are accurately accounted for.
- Periodically communicating with Reunion Gate staff for records of all staff leaving or returning to campus.
- Filing, maintaining, and securing staff accounting documentation.

Supplies and Equipment for the Staff Accounting position

- File boxes
- Paper, pens, clipboards
- Employee timecards
- Blank timecards for certificated and classified staff
- Staff off-campus sign-in/out log
- Supplemental Attendance Report forms
- Time Reporting Instructions for Emergency Work
- List of Disaster Overtime Program Codes

3.16 Cost Accounting Position

The Cost Accounting position works under the Finance & Administration Section Lead and is responsible for maintaining a fiscal record of all school expenditures related to the disaster. Records include any supplies and equipment used, purchased, or rented by the school during the disaster as well as donations to the school during the disaster.

Assignments

Cost Accounting Staff Member: DEHUMA TRIANA, PATRICIA
Backup Cost Accounting Staff Member: RODRIGUEZ TREJO, SOCORRO

Assembly Location: Command Post

Roles and Responsibilities

The Cost Accounting position will maintain records for supplies and equipment site-based and itinerant employees and file them for reference. Specific duties may include:

- Periodically communicating with the Finance and Administration Section Lead to provide updates as needed.
- Maintaining cumulative site disaster cost records.
- Collecting and recording all cost data.
- Ensuring that inventory of expended emergency supplies is maintained.
- Periodically communicating with the Supply/Equipment Team and Cafeteria Manager for updated inventory.
- Maintaining inventory and receipts of all items donated to the school during the disaster.
- Filing, maintaining, and securing cost accounting documentation.

Supplies and Equipment for the Cost Accounting position

- File boxes
- Paper, pens, clipboards, calculators
- Access to spreadsheet software and laptop
- Emergency supplies inventories

3.17 Emergency Supplies and Equipment

It is the responsibility of site administration to develop and implement plans to provide at school a minimum of a 72-hour supply of emergency water, food, first aid, search and rescue, sanitation, and other emergency supplies and equipment, as listed under each emergency team. Emergency supplies will be maintained in each classroom and in a centralized emergency container outdoors location: South side of field area; southwest of basketball courts

Emergency supply checklists are found in the ISSP appendices and the REF-5451 School Site Emergency/Disaster Supplies, which also includes guidance on procurement of emergency food supplies. Some recommendations regarding emergency food are available in the Food for School Disasters document. Having a stock of emergency food at school sites is the responsibility of the school administration and does not come from the school cafeteria kitchen.

During an emergency, schools may not have access to electronic data and must instead refer to printed records. Schools should be prepared with critical printed materials; these are stored in the School Emergency Response Box (SERB) which is a central location for storing essential student records and other information needed to effectively manage a critical incident. It serves as a central portable emergency repository for critical information that can be easily accessed and used during an emergency or shared with first responders. (Note: The District shares the school's ISSP with local law enforcement agencies as per (CA E.C. § 32281). Please access REF-5450 School Emergency Response Boxes for more details.

3.18 School ICS Incident Command Team Chart

ORCHARD ACADEMIES 2B ICS INCIDENT COMMAND TEAM CHART

This chart can be expanded or abridged to meet the scope of the incident that is being managed

Incident Commander
1. SEQUEIRA, WANDA
2. MEZA, NOVA

This chart shows only the management organization for the school's response to an emergency.
Name #1 is the lead person responsible for each role
Name #2 is the alternate
The other staff members assigned to the emergency teams will report to the people listed on the chart.

Safety Coordinator
1.CHAVEZ, MANUEL
2.PRADO, ARTURO

Public Information Officer
1.SEQUEIRA, WANDA
2.MEZA, NOVA

Planning/Intelligence
1.CHAVEZ, MANUEL
2.PRADO, ARTURO

Operations
1.PRADO, ARTURO
2.ESCARZAGA, JAIME

Logistics
1.ESCARZAGA, JAIME
2.ALMANZA, JESSICA

Finance/Administration
1.AVENDANO, EDITH
2.RODRIGUEZ TREJO, SOCORRO

Documentation/Communication (Optional)
1.DEHUMA TRIANA, PATRICIA
2.RODRIGUEZ TREJO, SOCORRO

Triage
1. MIRANDA, JESSICA
2. LLAMAS-MENESES, MELINA

Search and Rescue
1. HOUGH, MARCUS
2. LAWLER, MARCELLA

Supply/Equipment
1. ESCARZAGA, JAIME
2. CABADAS, ARMANDO

Staff Accounting (optional)
HERRERA, YENNY
MAYEN, WENDY

Security/Utilities
1. ESCARZAGA, JAIME
2. GONZALEZ, CHRISTIAN

Assembly Area
1. MELENDEZ, SANDRA
2. ACOSTA, RICARDO

Transportation Support (optional)
1. HERRERA, YENNY
2.MAYEN, WENDY

Cost Accounting (optional)
DEHUMA TRIANA, PATRICIA
RODRIGUEZ TREJO, SOCORRO

Access and Functional Needs
1. FLORES, ANGELICA
2.FRANCO, ISIDORO

Fire Suppression/HazMat
1.ALMANZA, JESSICA
2.CABADAS, ARMANDO

School Site Crisis
1. CRUZ, APRIL
2. GUERRERO, GUSTAVO

Hygiene
1. ESCARZAGA, JAIME
2.CABADAS, ARMANDO

Request Gate
1. GALINDO, LESLI
2. ROBLES DE SANDOVAL, MARIA

Reunion Gate
1.DEHUMA TRIANA, PATRICIA
2.RODRIGUEZ TREJO, SOCORRO

If no one is assigned to a position, the person who manages that position will also fulfill the duties of the unfilled position.
This chart is adapted for LAUSD, based on Incident Command System (ICS). Rev. 6/21/2023.

3. Incident Command System

3.19 School Site Crisis Team Chart

This chart shows the School Site Crisis Team organization, with positions, roles and responsibilities. Backup staff are to be identified for each team member in the event of an absence.

POSITION	ROLES & RESPONSIBILITIES	LEAD	BACKUP
Incident Commander	During a crisis, directs all crisis operations, verifies facts, contacts Region, and coordinates all crisis response & intervention services.	SEQUEIRA, WANDA	MEZA, NOVA
Crisis Team Lead	Coordinates all crisis team response, including triage, assessment, and crisis counseling for students, staff, & parents.	CRUZ, APRIL	GUERRERO, GUSTAVO
Public Information Officer (PIO)	School spokesperson for an incident. Includes preparing Blackboard Connect and other communications for staff and parents, identification of media locations and updates.	SEQUEIRA, WANDA	MEZA, NOVA
Psychological First Aid	Provides psychological/emotional support and crisis counseling for students, staff, & parents.	GOMEZ VASQUEZ, YAJAIRA	GUERRERO, GUSTAVO
Triage	Ensures supplies are accessible, evacuates and stages supplies, performs triage and provides medical assistance.	MIRANDA, JESSICA	LLAMAS-MENESES, MELINA
Security/Utilities	Ensures school site security, secures gates, and performs short-term repairs and shutoff of utilities, as necessary.	ESCARZAGA, JAIME	GONZALEZ, CHRISTIAN
Request Gate	Processes requests for student pick-up.	GALINDO, LESLI	ROBLES DE SANDOVAL, MARIA
Reunion Gate	Reunites students and parents at Reunion Gate.	DEHUMA TRIANA, PATRICIA	RODRIGUEZ TREJO, SOCORRO
Logistics	Provides all incident support needs such as facilities, transportation, communications, supplies/equipment, and food services; includes adjusting schedules and menus, as needed.	ESCARZAGA, JAIME	ALMANZA, JESSICA
Documentation/Communications	Maintains log of incident actions and all documents associated with the emergency; maintains status board of incident actions, monitors phone calls, television, radio, and social media for information.	DEHUMA TRIANA, PATRICIA	RODRIGUEZ TREJO, SOCORRO

***The designated Crisis Team Lead and PIO should maintain ongoing communication and collaboration with the Incident Commander throughout the crisis response.**

3. Incident Command System

3.20 School Site Suicide/Threat Assessment Team Chart

This chart identifies the members of the suicide/threat assessment team and their responsibilities at the school site. Backup staff are to be identified for each team member in the event of an absence.

POSITION	ROLES & RESPONSIBILITIES	LEAD	BACKUP
Administrator	Takes charge of the suicide/threat risk incident, convenes the Suicide/Threat Assessment Team, designates specific roles to team members (securing campus safety, assessment, gathering information, documentation, etc.). Coordinates all information, referrals, safety planning, and monitoring. The Administrator may include the Principal, Assistant Principal, or Administrative Designee.	SEQUEIRA, WANDA	GOMEZ VASQUEZ, YAJAIRA
Suicide/Threat Prevention Liaison (STPL)	This behavioral health professional for student risk assessments supports gathering background information, including interviews and statements with the person(s) of concern, intended target(s), and witnesses. They provide mental health and trauma expertise in working with students and families. The Suicide/Threat Prevention Liaison may include Mental Health Consultant, Psychiatric Social Worker, Pupil Services and Attendance Counselor, Student Support Services Counselor, Psychologist, School Counselor, System of Supports Advisor, Nurse, or other appropriately credentialed behavioral health staff.	GOMEZ VASQUEZ, YAJAIRA	GUERRERO, GUSTAVO
Behavioral Health Professional for Adults	This behavioral health professional for employee risk assessments supports gathering background information, including interviews and statements with the person(s) of concern, intended target(s), and witnesses. If the person of concern is a certificated employee, the behavioral health professional should be a LAUSD SHHS, Counseling,	GOMEZ VASQUEZ, YAJAIRA	GUERRERO, GUSTAVO

3. Incident Command System

	Nursing, or Psychologist Administrator. If the person of concern is a classified employee, associated adult, parent/caregiver, or community member the behavioral health professional may be a Mental Health Consultant, Psychiatric Social Worker, Pupil Services and Attendance Counselor, Student Support Services Counselor, Psychologist, School Counselor, System of Supports Advisor, Nurse, or other appropriately credentialed behavioral health staff.		
LASPD Officer/Law Enforcement	Responds to situations of risk of violence to self or others. Provides technical support and consultation for assessments prior to and during the Multidisciplinary Threat Assessment Team meeting.	BARRAZA	BARRAZA

3. Incident Command System

3.21 School Emergency Contacts Chart

This chart provides Emergency Team Contact information used by School Police to contact school site administrators and key staff in the event of an emergency:

TITLE	NAME	WORK NUMBER
Principal	SEQUEIRA, WANDA	(323) 826-3900(323) 568-3100
Assistant Principal 1	GURUBEL, JAZMIN	(323) 826-3979
Assistant Principal 2		
Assistant Principal 3		
Assistant Principal 4		
Administrative Assistant	DEHUMA TRIANA, PATRICIA	(323) 826-3904(323) 826-3900

4. Training and Exercises

4.1 Training and Exercise Expectations

All school staff shall be trained on the plan (CA E.C. § 32280). Everyone involved in the plan needs to know their roles and responsibilities before, during, and after an emergency. The Training and Exercises section describes the critical training and exercise activities the school will use in support of the plan. This includes the core training objectives and frequency to ensure that all staff members, as well as students, parents, and community representatives understand emergency roles, responsibilities, and expectations. This section also establishes the expected frequency of exercises to be conducted by the school. Content may be influenced based on similar requirements at the District and/or local jurisdiction level. Exercises may range from basic fire and shelter in place drills to full-scale community-wide drills that realistically portray an emergency event and show the role the school plays in school District and municipal planning.

Powered by BoardOnTrack

4. Training and Exercises

4.1.2 *Every School Safe*: Training Certification Table

This school year, our school has conducted the following mandated safety training modules:

Training Module Topic	Audience	Enter Training Date	Resources	Contact
Creating Welcoming Environments **Due 9/25/24**	All school employees	9/24/2024	Principal's Portal	Division of School Operations 213-241-5337 schooloperations@lausd.net
	Parents	9/25/2024		
	Students	9/25/2024		
Suicide Awareness and Prevention **Due 10/23/24**	All school employees	9/24/2024	Principal's Portal	Division of School Operations 213-241-5337 schooloperations@lausd.net
	Parents	9/19/2024

	Students			

4.2 District Documents Concerning Emergencies

For additional context for school site trainings, access LAUSD documents relevant to school emergencies on the LAUSD Emergency Documents page of the Office of Emergency Management (OEM) website.

4.3 Emergency Drills

To be adequately prepared, emergency drills should be executed and then documented at https://www.lausd.org/edrilleval. Training for all emergency procedures can be found through the STEPS program on MyPLN. The REF-5803 Emergency Procedures, Drills and Districtwide Exercises has more information on emergency response actions and required emergency drills. Emergency procedures are also in the Emergency Classroom Quick Guide. The principal should ensure these are reviewed and posted in all classrooms, offices, and common areas.

Five types of emergency drills are required as indicated in the table below, along with the required frequencies by school level. Schools are encouraged to foster relationships with and invite first responders to participate in drills. Schools must also participate in the radio test described in 4.3.5 below.

4. Training and Exercises

Drill Frequency Table:

Type	Elementary	Middle	Sr. High and Adult
Fire	First week of school until proficient, then once per month at minimum, including summer school.	First week of school until proficient, then once per month at minimum, including summer school.	First week of school until proficient, then once per semester at minimum, including summer school.
Lockdown	Within the first 30 days once per semester at minimum, including summer school.	Within the first 30 days once per semester at minimum, including summer school.	Within the first 30 days once per semester at minimum, including summer school.
Earthquake (Drop, Cover, Hold On)	Once per month at minimum, including summer school.	Once per month at minimum, including summer school.	Once per month at minimum, including summer school.
Shelter in Place	Oral review or drill once per semester at minimum, including summer school.	Oral review or drill once per semester at minimum, including summer school.	Oral review or drill once per semester at minimum, including summer school.

Note: Review with only staff once per semester, the Rapid Relocation procedures for active shooter incidents meeting the specific criteria in BUL-5469 Lockdown and Rapid Relocation Procedures For All Schools.

4.3.1 Fire Drill

Signal:

(Most sites) Series of three and one half second pulses of electronic emergency horns, followed by a short pause; sequence repeats for at least three minutes.

For most fires, there is no Public Address (PA) system announcement, but the following drill announcement may be used preceding the fire alarm:

"Your attention, please. This is a fire drill. We need to evacuate all buildings when you hear the alarm. Teachers are to take their students and rosters to the Assembly Area and report to their designated section. Students are to remain with their teacher. Teachers need to close the classroom door when all the students have exited."

Fire Drill Procedures

(Review additional courses of action taken during an actual emergency and which may be practiced during drills and are listed in Section 6, Functional Annexes. These include Accounting for All Persons, All Clear, Evacuate Building, Notifications and Student Reunification.)

Classroom Actions:

4. Training and Exercises

1. Please refer to the evacuation map in your classroom. If the room does not have a map, please contact the principal.
2. Familiarize yourself with the route your class will take before the drill begins.
3. When the signal is given, have students form a single line outside the classroom (form a double line for large classes).
4. Check to see that all students are out of the classroom. Teachers are to account for any students with a cognitive disability who may not have understood the directions. Take student roster and close all doors to prevent the spread of smoke or fire.
5. Have students walk quietly in single file to the Assembly Area. Teachers should walk at the rear of the line.
6. Have students form a single or double line in the designated Assembly Area.
7. Take and report attendance.
8. Wait for the “all clear” announcement or other signal and then return quietly to your classroom in single file.

All other personnel (not assigned to any emergency team): Report to Assembly Area for further instructions.

4.3.2 Earthquake Drill

An earthquake drill is held to provide maximum protection in case of earthquake or other emergency where the risk of flying or falling debris is present. There is typically no advance warning or signal given. In practice drills, teachers should supervise students and be alert to the position of each student during the entire drill.

Signal:

The signal for the drill is the following PA announcement.

“Your attention, please. This is a drill. As you are aware, we are experiencing some seismic activity. For everyone’s protection, all students should follow drop, cover, and hold on procedures, which means you should be in a protected position under a table or desk, away from windows and anything that could fall and hurt you. Hold this position until the shaking stops or you are given further instructions. This is a drill.”

Indoor Earthquake Drill Procedures

Classroom Actions:

(Review additional courses of action taken during an actual emergency and which may be practiced during drills and are listed in Section 6, Functional Annexes. These include Accounting for All Persons, All Clear, Drop, Cover and Hold on, Evacuate Building, Notifications and Student Reunification.)

1. Initiate the DROP, COVER and HOLD ON action as described in Section 6.3.
2. Drop to knees facing away from windows.
3. Get under desks or tables and hold on to the furniture where possible.
4. Fold body onto floor with arms close to knees.

4. Training and Exercises

5. Place head as far as is possible between knees and grasp furniture leg; cover the crown of the head with the other hand.
6. Stay in this position until shaking stops.
7. Students will evacuate using the safest route or evacuation routes practiced during the fire drill. The students are gathered in the Assembly Area and line up in the designated space. Teachers are to account for any students with a cognitive disability who may not have understood the directions.

Outdoor Earthquake Drill Procedures

1. Stay clear of buildings, power lines, light poles, etc.
2. Drop to the ground, cover head if possible and hold onto a stable object if available. If stable object is unavailable, place head as far as is possible between knees and cover crown of the head with hands.
3. Remain clear of obstacles and wait until the situation stabilizes and designated staff member gives all clear. Move to the emergency Assembly Area. Teachers are to account for any students with a cognitive disability who may not have understood the directions.

If an earthquake occurs during non-classroom hours i.e., passing periods, recess, or lunch, all persons will proceed to the Assembly Area and line up in the designated space. Teachers are to account for any students with a cognitive disability who may not have understood the directions.

4.3.3 Lockdown Drill

This action is taken when the threat of violence or gunfire is identified or directed by law enforcement, and it is necessary to prevent the perpetrator from entering any occupied campus areas. This action is to secure the school during police actions, campus intrusions, community incidents, or other real or perceived threats to the security of the school.

During a lockdown, students are to always remain in the locked classrooms or designated safe locations.

Signal:

The signal for the drill is the following PA announcement.

“Your attention please. This is a drill. There is a threat to your safety near the school and we are implementing a lockdown. For everyone’s protection, all students should go into the nearest classroom and lock the door. You should be in a protected position, away from doors and windows and anything that can hurt you. Hold this position until you are given further instructions. This is a drill.”

Lockdown Drill Procedures

Classroom Actions:

4. Training and Exercises

(Review additional courses of action taken during an actual emergency and which may be practiced during drills and are listed in Section 6, Functional Annexes. These include Accounting for All Persons, All Clear, Lockdown and Notifications.)

1. When the announcement has been given, all classes will remain in their rooms. Ensure that classroom doors are locked.
2. Redirect any students in hallways or outdoors into the nearest classroom.
3. Physical education classes will proceed into the gym, auditorium, or multi-purpose room and follow the lockdown actions described below.
4. Move students to the most protected areas in the room and lock the door.
5. Have students stay away from doors and windows and sit on the floor (in some instances).
6. Close and lock all doors and windows. Cover all windows, including those in the door or adjacent sidelights by lowering blinds, closing slots, drawing curtains, or covering with paper.
7. Turn off lights, power equipment, appliances, and silence cell phones. All personnel must remain in the classroom until further instructions are received from official sources.
8. Take and report attendance, as possible. Teachers are to account for any students with a cognitive disability who may not have understood the directions.
9. Remain in the secured room with all doors and windows locked, window blinds drawn, and lights off until further instructions are received from official sources.

4.3.4 Shelter In Place Drill

A Shelter in Place indicates an emergency that requires students and staff to remain inside.

Signal:

The signal for the “Shelter in Place” drill is the following PA announcement.

“Your attention, please. This is a drill. Because we have received information regarding a hazard in the community, we are instituting shelter in place procedures. Remember, this means students and staff are to remain inside the building away from outside air with windows and doors securely closed and heating and air conditioning units turned off. Please cover any cracks under door or around the windows with towels. Cover any vents to the outside. All students and staff that are outside are to immediately move to the protection of an inside room. As soon as we have further information, we will share it with you. This is a drill.”

Shelter in Place Drill Procedures

1. When the announcement has been given, all classes will remain in their rooms.
2. Direct any students in hallways into the nearest classroom.
3. Physical education classes or other classes meeting outdoors will proceed into the gym, auditorium, or multi-purpose room.
4. Move students to the most protected areas in the room.
5. Have students face away from windows and keep their backs toward windows.

6. Close all doors and windows and move students away from any sources of outside air. If possible, cover windows by lowering blinds, closing slots, drawing curtains, or pulling shades.
7. Turn off Heating Ventilation and Air Conditioning units/systems if advised.
8. Cover any vents or holes with posters, paper, or plastic. Use wet paper towels to fill gaps under doors or windows. Block the exchange of air to the outside by putting laminated posters over vents.
9. Turn off gas, lights, power equipment, and appliances. All personnel must remain in the shelter area until further instructions are received from official sources.
10. Take and report attendance, as possible. Teachers are to account for any students with a cognitive disability who may not have understood the directions.

4.3.5 Radio Communications Test

Radio communications tests take place on the third Tuesday in October and the third Tuesday in March each year to ensure that the radio equipment and communications systems are working properly. The communications test follows the same procedures that will be used in an actual emergency. In an emergency when phone lines are inoperable, the Districtwide radio network is used to compile information about significant damages and injuries at each site. Using this information, the District can properly assess the impact of an emergency, request help from other agencies, and properly assign resources and assistance to those sites with the greatest needs.

Schools are identified as either Reporting, Base, or Directly Contacted schools which determines how the school will participate in the radio test and how they will communicate during actual emergencies.

Specific drill dates and the link to the most current Emergency Radio Communication Tree can be found at https://lausd.org/radiounit and on the OEM Drills and Exercises webpage. Schools should be very familiar with the Radio Tree and participate in the radio test each semester. After participating in each semester's radio test, schools are required to complete the evaluation: http://emergencydrills.lausd.net.

Powered by BoardOnTrack

5. Authorities and References

This section contains a list of laws, statutes, ordinances, executive orders, regulations, and formal agreements relevant to emergencies. It provides for the succession of decision-making authority and operational control to ensure that critical emergency functions can be performed in the absence of the school administrator.

5.1 Legal Requirements

CA E. C. § 32280-32288. Requires a comprehensive school safety plan developed with first responder input, identifying appropriate safety strategies relevant to the needs and resources of the school. It requires specific representatives from the school and community to be involved in the planning process, an update of the plan annually, and the adoption of emergency procedures and policies. Requires that school safety plans include (among other items) disaster procedures and an earthquake procedure system including protective measures to be taken during an earthquake, and detailed “drop” procedures. Also requires training of school staff on the plan.

CA E. C. § 35295-35297. Specifies the components of the earthquake emergency procedure system for schools of more than 50 students, public and private: a school building disaster plan; a drop, cover, and hold on procedure; protective measures to be taken before, during, and after an earthquake; and a program for training students and staff in the adopted earthquake system.

CA E. C. § 32288. School safety plans may include an action plan with input from law enforcement and may determine the fiscal impact of implementing the plan. School safety plans are to be created using existing resources and are not to be developed with private consultants.

CA Code of Regulations § 560. School principals are to formulate the disaster preparedness plan and submit it annually to the Superintendent for approval. Schools are required to test the plan twice a year, not including fire drills.

5.2 Other Related Laws

CA Government Code § 3100 (Disaster Service Workers’ Act). All public personnel, including school District employees and charter school employees, can be declared Disaster Service Workers. As Disaster Service Workers, employees can be held at the work site and assigned disaster relief activities to perform until released during a disaster declared by the President or the Governor or proclaimed by the Mayor.

CA E. C. § 17280, CA E. C. § 81130. Specifies stricter building codes for and more frequent inspections of public-school buildings. It applies to new construction of school buildings and later was amended to include mandatory retrofitting of older, existing school buildings.

CA E.C. § 32040. Requires each school to have a first aid kit.

5. Authorities and References

CA E. C.§ 32001. Schools must have a fire alarm system and sound the alarm and conduct a fire drill at least once every calendar month at elementary schools, at least four times a year intermediate, and not less than twice a year at secondary schools.

CA E. C. § 215. Requires school districts to implement a pupil suicide prevention policy and develop a training for all District employees to increase awareness about suicide. The policy must address high-risk (vulnerable) students, including youth bereaved by suicide, youth with disabilities, youth with mental illness or substance disorders, youth experiencing homelessness or in out-of-home settings such as foster care, and lesbian, gay, bisexual, transgender, or questioning youth.

19 CCR § 1.02 Establishes minimum standards for the prevention of fire and for the protection of life and property against fire, explosion, and panic.

8 CCR § 3221 Sets forth the procedures for Fire Protection Systems.

24 CCR § 1 Adopts the California Fire Code as part of the Code of Regulations. Also referred to as the California Building Standards Code.

5.3 LAUSD Related Policy

LAUSD policies and guidance documents regarding emergencies can be found on the Office of Emergency Management website: LAUSD Emergency Documents.

6. Functional Annexes

Functional annexes focus on critical operational functions and the courses of action developed to carry them out, independent of the threat or hazard requiring response. While these functions should be described separately, it is important to remember that many functions will occur consecutively and that multiple functions may be performed concurrently. For example, during an evacuation, once students are safely out of the building, the accounting for students, staff, and visitors function will begin. The evacuation function, however, will still be in effect as staff or first responders work to locate and evacuate any persons not accounted for.

Note: Only the Superintendent of the School District has the authority to cancel or close any LAUSD school.

Emergency procedures are also in the Emergency Classroom Quick Guide. The principal should ensure these are reviewed and posted in all classrooms, offices, and common areas.

Training for all emergency procedures can be found through the STEPS program on MyPLN. The LAUSD Staff/Responder Emergency Plan app is also available and includes 21 categories of emergency response procedures, all taken from the ISSP template.

The REF-5803 Emergency Procedures, Drills and Districtwide Exercises contains detailed information on emergency response actions and required emergency drills.

6.1 Accounting for all Persons

This action is taken to account for the whereabouts and well-being of all students, staff members, and visitors and is one of the first tasks that must be accomplished in any emergency.

Note: The below procedures are used to account for everyone after evacuating from school buildings. Schools should plan how to acquire this information, including accounting for visitors during a lockdown, shelter in place, or another emergency where everyone is inside. Methods may include MiSiS (for student attendance), email, calling the office via classroom phone, or hand-collected rosters/reports. Multiple methods should be planned for due to varied technology and safety factors in an emergency.

Accounting for all Persons Procedures

1. Teachers will take student rosters when leaving the building and account for their designated groups once the class is assembled in a safe location. Teachers are to account for any students with a cognitive disability who may not have understood the directions. Teachers are to list students/others as appropriate on attendance rosters and on the Missing Persons Report, Injury Report, and/or Supplemental Attendance Report.
2. Personnel working visitor check-in will take the visitor sign-in sheets and visitor stickers to the Assembly Area.

Powered by BoardOnTrack

3. Assembly Area Team members will collect student rosters, Missing Persons Report, Injury Report, and Supplemental Attendance Report from teachers and submit them to the Assembly Area Team Lead.
4. The Assembly Area Team Lead will ensure that all visitors are accounted for, have a designated section of the Assembly Area away from students, and sign out when leaving campus.
5. The Assembly Area Team Lead will compile a master accounting of all persons on campus and make reports available to the Operations Section Lead and Incident Commander.

6.2 All Clear

This action is taken to notify staff and students that normal school operations can resume.

All Clear Procedures

1. The Incident Commander (principal or designee) will make the following announcement on the PA system, which signifies that the emergency is over. If the PA system is not available, the Incident Commander will use other means of communication, i.e., sending messengers to deliver instructions. “Your attention, please. You may now return to your classroom and resume usual activities. Thank you all for your cooperation.”
2. The Incident Commander will convene the School Site Crisis Team if the incident was traumatic to the school community.
3. The Incident Commander will make a final notification update to District offices and parents.
4. The Incident Commander will complete an iSTAR to document the incident, including follow-up actions.
5. If appropriate, teachers should immediately begin discussions and activities to address students’ fears, anxieties, and other concerns.

6.3 Crisis Response

A school crisis is a sudden, unexpected, or unanticipated critical incident that can pose a safety threat or disrupts the school day, interfering with teaching, learning, attendance, and behavior. Common reactions to a school crisis may include shock, confusion, and fear. Although individual students, staff, families, or other school community members may experience each crisis differently, school crises can have a broad and immediate impact on many students and adults.

Examples of crises that may impact schools include:

- An accident on or near the school grounds
- A violent incident at or near school
- The death of a student, staff or one of their family members by suicide or trauma
- The terminal illness of a student or staff member
- A natural disaster
- An act of terrorism

Because of such critical incidents and emergencies, students and staff may exhibit a variety of

Powered by BoardOnTrack

emotional reactions. As soon as the physical safety of those involved has been ensured, crisis responders can focus on addressing the social-emotional needs of students and staff. Online training about crisis events is available on MyPLN in STEPS courses 207 and 409.

OTHER IMPORTANT DEFINITIONS

Trauma
Trauma refers to an event or a situation where an individual fears for their life. In addition, they could have been seriously injured, witnessed violence, or tragically lost a loved one. Exposure to this type of trauma overwhelms the ability of that individual to cope.

Psychological First Aid (PFA)
PFA an evidence-informed supportive strategy to help children, adolescents, adults, and families in the immediate aftermath of traumatic events, disasters, and terrorism. PFA is designed to reduce the initial distress caused by these stressful events and to foster short-and long-term adaptive functioning and coping amongst students, staff, and parents/guardians.

MULTI-TIERED CRISIS RESPONSE TEAM MODEL
There are three tiers of crisis response: school site, Region, and District office. The basic structure of the multi-disciplinary support teams on all three tiers should be similar in their composition and incorporate District staff with experience in various areas of crisis. Crisis response begins at the school site level; the scope, severity and impact of an incident may activate the Region, District office, or a combination thereof.

Tier I: School Site Crisis Response
School site crisis teams are responsible for initiating crisis response, assessing the range of services needed, and providing direct intervention services. The School Site Crisis Team determines if there is a need for additional assistance from the Region crisis team. The School Site Crisis Team may be activated as part of the Incident Command System (ICS) Team during an emergency or disaster, or may be activated as a stand-alone team, depending on the incident.

Tier II: Region Crisis Response
The school site administrator/designee contacts the Region Operations Administrator(s) for support and assistance if the crisis response required is beyond the scope of what the School Site Crisis Team can provide. Assistance from the Region crisis response team includes consultation, providing direct intervention services, assistance with communications and memos, and guidance regarding strategies for recovery in the aftermath of the critical incident.

Tier III: District Office Crisis Response
In collaboration with the Region Operations Administrator(s), the school site administrator/designee determines if there is a need for support from the central crisis response team. Assistance from the District office crisis response team includes consultation, providing direct intervention services, assistance with communications and memos, and guidance regarding strategies for recovery in the aftermath of the critical incident.

Crisis Response Procedures

1. As the Incident Commander, the principal or designee or designee activates the school ICS Team, including the School Site Crisis Team, which has primary responsibility for addressing the social-emotional well-being and safety of students in the aftermath of a critical incident.
2. The Crisis Team Lead will work with the Incident Commander to assess the impact and triage students, staff, and parents/guardians, as needed.
3. The Crisis Team will provide direct crisis intervention services, including the implementation of PFA.
4. The Incident Commander will notify the Region Administrator of Operations and/or Operations Coordinator and request additional resources, as necessary.
5. The Incident Commander will direct the Planning and Intelligence Team Lead or other authorized user to open or update an iSTAR on the incident, documenting the actions of the Crisis Team.
6. The Crisis Team will advise and assist the Incident Commander to restore regular school functions as efficiently and quickly as possible.
7. Crisis Team members will make every effort to limit exposure to scenes of trauma, injury, and death.
8. The Crisis Team will provide on-going assessment of needs and follow-up services as required.

School Site Crisis Response

Crises can impact various areas of the District. They can impact a school, multiple schools, offices and Regions, as well as departments within the District (e.g., Beyond the Bell Branch, Transportation Services Division, Food Services Division, Maintenance and Operations). The following are general preparedness, response, and recovery protocols for the administrator/designee to implement during any crisis in a school, District office, department, at District and school-related activities, and in all areas within the District's jurisdiction.

A. Preparedness
   1. Establish a Multidisciplinary School Site Crisis Team
   2. Schedule Regular Multidisciplinary Crisis Team Meetings
   3. Provide Opportunities for Training and Professional Development

B.

   The following are general procedures for the administrator/designee to respond to crisis situations.
   1. Ensure Campus/Office Safety
   2. Identify the Family Liaison(s)
   3. Determine the Facts
   4. Activate the Multidisciplinary Crisis Team
   5. Notify
   6. Assess the Crisis Response Need
   7. Develop a Response Plan

Psychological First Aid: Responding to Crisis Incidents

Powered by BoardOnTrack

6. Functional Annexes

Psychological First Aid (PFA) is an evidence-informed approach for assisting children, adolescents, adults, and families in the immediate aftermath of a critical incident, disaster, act of violence, or terrorism. PFA is designed to reduce the initial distress caused by traumatic events and to foster short and long-term adaptive functioning.

For PFA handouts in multiple languages, visit School Mental Health.

1. **LISTEN** to what they say and how they act.
   - Address the feeling/behavior as soon as possible.
   - If a student wants to talk, be prepared to listen, and focus on what they say and how you can be of help.
   - Observe nonverbal communication. Remember that student may also show their feelings in nonverbal ways, such as increased behavioral problems or increased withdrawal.
   - Express compassion and calmness in your statements as well as nonverbal behaviors.
2. **PROTECT** by maintaining structure, stability, and consistency.
   - Maintain daily routines, activities, and structure with clear expectations and consistent rules.
   - Provide supervision and consistency to encourage successful outcomes.
   - Give information that is accurate and age appropriate.
   - Keep the environment free of anything that could re-traumatize the student.
   - Validate the student's life experience.
   - Maintain confidentiality as appropriate.
3. **CONNECT** through interaction, activities, and resources.
   - "Check in" with student on a regular basis.
   - Become familiar with learning support staff at your school (Psychiatric Social Worker, PSA Counselor, School Psychologist, Counselor, Nurse) and community health/mental health services. Make referrals to the appropriate resources who may offer support to student.
   - Encourage interactions, activities, team projects with friends and teachers.
   - Keep communication open with others involved in the students' lives (parents, other teachers, coaches etc.).
     Note: If you suspect child abuse and/or neglect, report to the appropriate child protective services agency, according to BUL-1347 Child Abuse and Neglect Reporting Requirements.
4. **MODEL** calm and optimistic behavior.
   - Model healthy responses by remaining calm, courteous, organized, and helpful.
   - Pay attention to your thoughts, feelings, and reactions about the event. Amid a crisis, students are often watching for verbal and nonverbal cues by the adults they are with, which may influence how students cope and behave.
   - Take constructive actions to assure safety.
   - Monitor conversations that students may engage in or hear.

- Acknowledge the difficulty of the situation but demonstrate how people can come together to cope after such an event.
- Practice self-care.

5. **TEACH** about normal changes that can occur when traumatized.
   - Student may have different reactions even to the same event.
   - Encourage students to identify and use positive coping strategies to help them after the event.
   - Help your students to problem solve to get through each day successfully.
   - Help students set small “doable” goals and share in these achievements as “wins.” Note: With time and support, students generally do better. If they do not, they should be encouraged and taught to seek assistance from a parent/guardian or a school staff member.

6.4 Drop, Cover, and Hold On

This action is taken to protect students and staff from flying or falling debris and is commonly used during an earthquake or explosion.

Drop, Cover, Hold On Procedures

1. The principal or designee becomes the Incident Commander, activates the school ICS Team, and will make the following announcement on the PA system. If the PA system is not available, the principal may use other means of communication, such as broadcasting on the two-way radio. Classrooms should implement drop, cover, and hold on when they feel the shaking of an earthquake, even if there is no announcement. The Incident Commander (principal or designee) should be calm, convey reassuring comments that the situation is under control, and give clear directions. “Your attention please. We are having an earthquake. Drop, cover, and hold on in a protected position under a table or desk, away from windows and anything that could fall and hurt you. Hold this position until the shaking stops or you are given further instructions.”
2. If inside, teachers will instruct students to drop under their desks and cover their heads with their arms and hold onto the desk legs.
3. If outside, teachers will instruct students to drop to the ground, place their heads between their knees, and cover their heads with their arms and hands.
4. Teachers and students should move away from windows.
5. Students who have disabilities that do not allow them to get under furniture for protection should move away from items in the room that are not secured. These students should go into a structural corner of the room (away from cabinets and shelves that can spill their contents; away from windows that can break and away from suspended items that could fall), lock the wheels on their wheelchairs, and protect their head and neck with their hands.
6. The Incident Commander will follow drop, cover, and hold on with evacuation to the assembly area and notifications to the District and parents.
7. Once the incident has concluded and the campus has been determined to be safe, the Incident Commander will initiate the All-Clear action. Online training about earthquakes is available on MyPLN in courses STEPS 202 and 402.

6.5 Evacuate Building

This action is taken after the decision is made that it is unsafe to remain in the building. It is most commonly used in response to a fire, after an earthquake (following drop, cover, and hold on), or any emergency where the building and its contents are perceived to be a threat to student safety.

Evacuate Building Procedures

1. The principal or designee becomes the Incident Commander, activates the school ICS team, and will make the following announcement on the PA system. If the PA system is not available, the Incident Commander (principal or designee) will use other means of communication. The principal or designee should be calm, convey reassuring comments that the situation is under control, and give clear directions. “Your attention, please. We need to evacuate all buildings. Teachers are to take their students and roll book to the Assembly Area and report to their designated area. Students are to remain with their teacher. Teachers need to close the classroom door when all the students have left.”
2. The Incident Commander will activate the fire alarm system as a signal to evacuate.
3. Designated emergency team members/staff will take medications and related documents, as well as other medical supplies/equipment such as first aid kit, AED, EpiPen and sharps container.
4. Teachers will instruct students to evacuate the building, using designated routes, and assemble in their assigned Assembly Area.
5. Teachers will take student rosters and any classroom emergency supplies when leaving the building and take attendance once the class is assembled in a safe location. Teachers are to account for any students with a cognitive disability who may not have understood the directions. Teachers must list missing students on the Missing Persons Report and submit to the Assembly Area team.
6. Once assembled, teachers and students will stay in place until further instructions are given.
7. The Incident Commander will make appropriate notifications to the District and parents.
8. Once the incident has concluded and the campus has been determined to be safe, the Incident Commander will initiate the All-Clear action.

Online training that includes building evacuation is available on MyPLN in courses STEPS 201 and STEPS 401. Fire alarm system training is available on MyPLN in STEPS course 418.

6.6 Lockdown

This action is taken when the threat of violence or gunfire is identified or when directed by law enforcement and is necessary to prevent the perpetrator from entering any occupied campus areas. During a lockdown, students are to always remain in locked classrooms or designated safe locations.

This action secures the school during police actions, campus intrusions, community incidents, or other real or perceived threats to the security of the school.

Lockdown Procedures

Powered by BoardOnTrack

1. The principal or designee becomes the Incident Commander, activates the school ICS Team, and will make the following announcement on the PA system. If the PA system is not available, the Incident Commander (principal or designee) will use other means of communication, such as broadcasting on the two-way radio or using runners, if it is safe to do so. The principal or designee should be calm, convey reassuring comments that the situation is under control, and give clear directions. “Your attention, please. We have an emergency and need to implement a lockdown. Teachers are to lock classroom doors and keep all students inside the classroom until further notice. Do not open the door until notified by an administrator or law enforcement. If outside, students and staff are to proceed inside to the nearest building or classroom.”
2. If inside, teachers will instruct students to stay away from doors and windows, lock all doors and windows, and sit on the floor (in some instances). Cover all windows, including those in the door or adjacent sidelights, by lowering blinds, closing slots, drawing curtains, or covering with paper.
3. If outside, teachers will direct students to proceed to their classrooms if it is safe to do so. If not, teachers or staff will direct students into nearby classrooms or school buildings (e.g., auditorium, library, cafeteria, and gymnasium) and follow the listed lockdown actions above. Teachers are to account for any students with a cognitive disability who may not have understood the directions. Teachers are to take roll and to notify the office the number of students in the room with them and their names.
4. Turn off lights, power equipment, appliances, and silence cell phones.
5. Teachers and students will remain in the classroom or secured area with all doors and windows locked, window blinds drawn, and lights off until further instructions are given by the principal or designee or law enforcement.
6. All entrances to the school are to be locked and no visitors other than appropriate law enforcement or emergency personnel are to be allowed on campus.
7. The Incident Commander will call the Los Angeles School Police Department Watch Commander’s Office at (213) 625-6631. The Watch Commander will provide advice and support for the School Incident Commander by interfacing with municipal police and fire departments and sending an LASPD officer to the school.
8. The Incident Commander will make appropriate notifications to the District and parents.
9. Once the incident has concluded and the campus has been determined to be safe, the Incident Commander will initiate the All-Clear action. Supplemental online lockdown training courses STEPS 203, 302, and 403 are offered through MyPLN.

Details are available in BUL-5469 LAUSD Lockdown and Rapid Relocation Procedures for All Schools.

6.7 Notifications

Response actions should be accompanied by the following notifications:

- 911
- Los Angeles School Police Watch Commander’s Office at (213) 625-6631
- Region Operations
- Blackboard Connect messages to parents and/or staff

Powered by BoardOnTrack

- Incident System Tracking Accountability Report (iSTAR)

6.8 Rapid Relocation (option ONLY for Active Shooter on Campus incidents)

More information is available in BUL-5469 LAUSD Lockdown and Rapid Relocation Procedures for All Schools. Active shooter training for LAUSD schools is available from LASPD; contact them at (213) 625-6631 for inquiries and to schedule the training. If there is a threat of violence to campus or gunfire is heard in the area, implement lockdown procedures.

An Active Shooter on Campus involves one or more individuals on school grounds who is armed with a firearm and has already killed or wounded someone with the firearm AND at least one of the following applies:

- Continues to shoot others
- Actively seeks or attacks others
- Has access to additional victims

For suggested Options for Perimeter Gate Access during a Rapid Relocation, please access Attachment C in BUL-5469 LAUSD Lockdown and Rapid Relocation Procedures for All Schools.

Rapid Relocation Procedures

1. When the decision to perform a Rapid Relocation has been made, the School Incident Commander will:
    - Encourage students and staff to quickly leave by any safe and available exit. If leaving campus, the established off-site relocation point is the preferred destination, only if the route is safe. Teachers/staff are to account for any students with a cognitive disability who may not have understood the directions. Note that all students/staff including those with access and functional needs should use the same route, which should be accessible to all, for relocation.
    - Inform the LASPD Watch Commander at (213) 625-6631 of the decision to leave campus and the destination. Keep Watch Commander updated with information about any students and staff who do not arrive at the designated relocation point.
    - Calm students, create a perimeter to separate the school population from others who may be present, and re-establish Incident Command teams with available staff.
    - Refer to steps 6-10 below for additional Incident Commander actions.
2. In response to the school's notification, the LASPD Watch Commander will:
    - Research the nature of the event by contacting LAPD, LAFD, LASD, outside municipal law enforcement, LASPD Field Units or Transportation Dispatch. Some events may be easily explained to the School Incident Commander, others may be more complex.
    - Dispatch a field officer to the relocation point to advise and support the School Incident Commander.
    - Dispatch a field officer to the municipal Incident Command Post to interface with the municipal Incident Commander and gather intelligence for the schools.

Powered by BoardOnTrack

- Inform the School Incident Commander of what is known about the incident and provide the name and arrival time of the LASPD officers dispatched to the school.
- Compile names and locations of those unable to get to the relocation point, and dispatch officers to facilitate rejoining the rest of the school population.
- Provide point of contact for other District resources who need to know the location of the command post and open routes to the relocation point.

3. LASPD officers dispatched to the scene will:
   - Establish a liaison with the municipal Incident Commander and/or the Command Post/Unified Command/Watch Commander and determine the threat to the school and its immediate community.
   - Provide guidance to the School Incident Commander about the ongoing threat level to students and staff.
   - Maintain a perimeter at the off-site relocation point between the school population and others.
   - Patrol the area near the school to find students and staff who may have become separated from the group. Officers will communicate to the Watch Commander the names and locations of anyone found and assist in rejoining those separated with the rest of the school population.
4. The Region Operations Coordinator will:
   Connect with the School Incident Commander in person, by phone or radio and provide resources from the Region that might include the following:
   - Dispatch the Region Crisis Team to the school relocation point.
   - Arrange for transportation assets and a second (receiving) school so the students can be moved to a safe location at another school.
   - Send out a Blackboard Connect message to parents from the Region office with additional information.
   - Meet with parents at a safe staging location, outside the secured relocation point perimeter, and keep the parents informed using bilingual support staff from the Region office.
   - Assist with reunification.
5. The Triage Team will work with first responders and local authorities to ensure wounded students and staff receive medical attention.
6. The School Incident Commander will prepare a verified list of any wounded, and the locations to which they were transported. The Incident Commander will confer with the School Site Crisis Team to ensure notification of parents and family members of the wounded.
7. All media inquiries will be referred to the designated Public Information Officer.
8. The School Incident Commander will direct the Planning and Intelligence Team Lead or another authorized user to open an iSTAR on the incident.
9. Once the incident has concluded and the campus has been determined to be safe, the School Incident Commander will initiate the All-Clear action.
10. The School Incident Commander will debrief with staff and school police officers.

Powered by BoardOnTrack

6.9 Relocation (Off-Site Evacuation)

This action is taken when authorities have determined that it is unsafe to remain on the campus and evacuation to an off-site relocation site is required and the below procedures do not apply during an active shooter incident, a tsunami, or large hazardous materials release all of which require more specialized procedures.

Note that all students/staff including those with access and functional needs should use the same route, which should be accessible to all, for relocation.

Relocation Procedures

1. The principal or designee becomes the Incident Commander and activates the school ICS Team. The Incident Commander will collaborate with the Region, LASPD, and local authorities to determine the safest method for evacuating the campus. This may include the use of school buses or simply walking to the designated off-site location. The required primary and back-up off-site relocation sites are indicated on the Vicinity Map in the Integrated Safe School Plan. Teachers and students will stay together during the evacuation.
2. The Incident Commander will decide if it is more efficient to have classes systematically report first to a gathering point/staging area on campus, such as the auditorium, and evacuate everyone off the campus from that single location.
3. The Incident Commander will make the following announcement on the PA system. If the PA system is not available, the Incident Commander (principal or designee) will use other means. The principal or designee should be calm, convey reassuring comments that the situation is under control and give clear directions. “Your attention, please. We need to institute an off-site relocation. Teachers are to take their students, roll book, emergency supplies, and report to their designated off-site relocation point (or to the staging area, if evacuation will be by school bus instead of walking). Students are to remain with their teacher. Teachers are to lock the classroom after all students have exited.”
4. If the site will be evacuating by school bus, the Incident Commander will activate the Transportation Support position to assist with planning and carrying out the evacuation, including the evacuation of necessary supplies to support the school at the relocation site.
5. Teachers will take student rosters and any classroom emergency supplies when leaving the building and take attendance once the class is assembled. Teachers are to account for any students with a cognitive disability who may not have understood the directions.
6. The Incident Commander will appoint a team of available staff to sweep the campus and check every room/location to ensure that the entire campus is evacuated. Attendance for students and staff must be taken.
7. Once assembled off-site, teachers will take attendance again and students will stay in place with their teacher until further instructions are given.
8. The Incident Commander will make appropriate notifications to the District and parents, including signage on gates indicating the relocation destination.

Powered by BoardOnTrack

9. Once clearance is received from appropriate agencies, the Incident Commander may authorize students and staff to return to the campus, or initiate Request/Reunion procedures from the off-site location.
10. Once the incident has concluded and the campus has been determined to be safe, the Incident Commander will initiate the All-Clear action.

6.10 Shelter in Place

This action is taken to place and/or keep students indoors to provide a greater level of protection from airborne contaminants in the outside air or other hazards. Shelter in Place is implemented when there is a need to isolate students and staff from the outdoor environment and may include the shutdown of classroom and/or building heating/air conditioning systems. During a Shelter in Place, no one should be exposed to the outside air.

The difference between Shelter in Place and Lockdown is that a shelter in place may involve the shutdown of heating and air conditioning (HVAC) systems and allows for the free movement of students within a building. However, students in bungalows and buildings with exterior passageways will have to remain in the classroom.

For situations that do not require the protective actions listed under Shelter in Place, a principal can implement an "Indoor Activities Schedule" to minimize outdoor student activity and to further protect school community from environmental discomforts. An Indoor Activities Schedule may be implemented at any time and for any reason that meets the needs of the school. This is accomplished by closing all doors and windows and running the air conditioning, as HVAC systems can improve air quality, due to better filtration than typical home systems. For greater detail, refer to REF-5803 Emergency Procedures, Drills and Districtwide Exercises

Shelter in Place Procedures

1. The principal or designee becomes the Incident Commander, activates the school ICS team, and will make the following announcement on the PA system. If the PA system is not available, the Incident Commander (principal or designee) will use other means of communication, i.e., sending messengers to deliver instructions. The principal or designee should be calm, convey reassuring comments that the situation is under control and give clear directions. “Your attention, please. We are implementing a Shelter in Place, due to an air quality issue. Students and staff are to remain inside the building away from the outside air with windows and doors securely closed and heating and air conditioning units turned off. Please cover any cracks under exterior doors and around the windows with towels. Cover any vents to the outside. All students and staff that are outside are to immediately move to the protection of an inside room. As soon as we have further information, we will share it with you.”
2. If inside, teachers will keep students in the classroom until further instructions are given.
3. If outside, teachers will direct students to proceed to their classrooms if it is safe to do so. If not, teachers or staff will direct students into the closest classrooms or school buildings (e.g., auditorium, library, cafeteria, or gymnasium). Teachers should consider the location and proximity of the identified hazard and, if necessary, proceed to an

Powered by BoardOnTrack

alternative indoor location. Teachers are to account for any students with a cognitive disability who may not have understood the directions. Teachers are to take roll and to notify the office of the number of students in the room with them, their names, and the names of any student who are not accounted for.

4. Teachers are responsible for securing individual classrooms and the Security/Utilities Team will assist in completing the procedures as needed: shut down the classroom/building HVAC system; turn off local fans in the area; close and lock doors and windows; seal gaps under doors and windows with wet towels or duct tape; seal vents with aluminum foil, plastic wrap, or laminated posters, if possible; and turn off any sources of ignition, such as pilot lights.
5. The Incident Commander will make appropriate notifications to the District and parents.
6. The Incident Commander will monitor news media for information about the incident.
7. Once the incident has concluded and the campus has been determined to be safe, the Incident Commander will initiate the All-Clear action. Online training about shelter in place is available on MyPLN in courses STEPS 204 and 404.

6.11 Student Reunification

Student reunification is implemented to reunite students with their custodial adult after a critical incident or disaster (a significant fire, natural disaster, violence, school bus accident, etc.) that prevents a normal school dismissal.

Reunification Procedures

1. The Incident Commander or designee will direct the Request and Reunion Gate Teams to activate and report to their posts once the decision to initiate reunification procedures has been made.
2. The Request Gate Team will greet parents/guardians, check identification, check student emergency cards for authorization to pick up students, provide reunification paperwork to parents, and direct them to the Reunion Gate.
3. The Request Gate should generally remain locked during the reunification process to help control access. The Request Gate Team can pass clipboards to parents through the gaps in the gate fencing.
4. Message runners will notify the Assembly Area Team of the student to be escorted to the Reunion Gate.
5. The Reunion Gate Team will check parent/guardian identifications, confirm student identity, and keep accurate records of students leaving the campus.
6. Members of the School Site Crisis Team may be asked to assist the Reunion Gate Team. If a child is injured or otherwise unavailable, it is recommended that the parents be invited to a private or secluded location and be informed of their child's condition away from others. It is suggested that a member of the School Site Crisis Team then stay with the parents and assist them.
7. The Reunion Gate should remain locked when student reunifications are not actively taking place.

8. Members of other School Emergency teams may be asked to assist with crowd control, providing information, and calming parents at either gate once finished with their primary emergency assignment.

Powered by BoardOnTrack

7. Threat and Hazard-Specific Annexes

The threat and hazard-specific annexes describe the courses of action unique to particular threats and hazards. Courses of action already outlined in the functional annex need not be repeated in a threat or hazard-specific annex. These annexes were developed at the District level, based on risk analyses.

7.1 Active Shooter/Gunfire

More information is available in BUL-5469 Lockdown and Rapid Relocation Procedures for all Schools. Active shooter training for LAUSD schools is available from LASPD; contact them at (213) 625-6631 for inquiries and to schedule the training. If there is a threat of violence to campus or gunfire is heard in the area, implement lockdown procedures.

An Active Shooter on Campus involves one or more individuals on school grounds who is armed with a firearm and has already killed or wounded someone with the firearm AND at least one of the following applies:

- Continues to shoot others
- Actively seeks or attacks others
- Has access to additional victims

7.1.1 Active Shooter Procedures

1. Upon first indication of an active shooter, personnel should immediately notify the principal or designee, who becomes the Incident Commander.
2. The School Incident Commander (principal/designee) will initiate a lockdown, the recommended appropriate emergency function.
3. The School Incident Commander will call 911 and School Police at (213) 625-6631 and provide the exact location and nature of the incident. The School Incident Commander should designate a person to remain on the phone line with police if safe to do so.
4. The School Incident Commander activates the Incident Command (ICS) Team.

The Planning and Intelligence Team Lead will:

- Notify the Region Administrator of Operations and/or Operations Coordinator and request assistance.
- Prepare a message for parents to be sent on Blackboard Connect.
- Prepare to communicate with classrooms using school phones, email, cell phones, or radios. Establish a means of keeping all classrooms informed.

The Operations Team Lead will:

- Ensure that perimeter gates are secured and that all students, staff, and visitors are safely secured behind locked doors.
- Begin the process of accounting for all students and staff.
- Staff should take steps to calm and control students with regular PA announcements and if safe to do so, attempt to maintain separation between students and the perpetrator.
- If there is an active shooter on campus as defined above and students are in imminent danger, the Incident Commander may initiate Rapid Relocation if that does not place students in the path of the gunman. This action may apply to the entire campus, or just an affected portion.

7.1.2 Rapid Relocation Procedures

1. The School Incident Commander will:
    - Encourage students and staff to quickly leave by any safe and available exit. If leaving campus, the established off-site relocation point is the preferred destination, if the route is safe. Note that all students/staff including those with access and functional needs should use the same route, which should be accessible to all, for relocation.
    - Inform the LASPD Watch Commander at (213) 625-6631 of the decision to leave campus and the destination. Keep Watch Commander updated with information about any students and staff who do not arrive at the designated relocation point.
    - Calm students, create a perimeter to separate the school population from others who may be present, and re-establish Incident Command teams with available staff.
    - Refer to steps 6-10 below for additional Incident Commander actions.
2. In response to the school's notification, the LASPD Watch Commander will:
    - Research the nature of the event by contacting LAPD, LAFD, LASD, outside municipal law enforcement, LASPD Field Units and/or Transportation Dispatch. Some events may be easily explained to the School Incident Commander, others may be more complex.
    - Dispatch an officer to the relocation point to advise and support the School Incident Commander.
    - Dispatch a field officer to the municipal Incident Command Post to interface with the municipal Incident Commander and gather intelligence for the schools.
    - Inform the School Incident Commander of what is known about the incident and provide the name and arrival time of the LASPD officers dispatched to the school.
    - Compile names and locations of those unable to get to the relocation point, and dispatch officers to facilitate rejoining the rest of the school population.
    - Provide point of contact for other District resources who need to know the location of the command post and open routes to the relocation point.
3. LASPD officers dispatched to the scene will:

Powered by BoardOnTrack

- Establish a liaison with the municipal Incident Commander and/or the Command Post/Unified Command/Watch Commander and determine the threat to the school and its immediate community.
- Provide guidance to the School Incident Commander about the ongoing threat level to students and staff.
- Maintain a perimeter at the off-site relocation point between the school population and others.
- Patrol the area near the school to find students and staff who may have become separated from the group. Officers will communicate to the Watch Commander the names and locations of anyone found and assist in rejoining those separated with the rest of the school population.

4. The Region Operations Coordinator will:
   - Connect with the School Incident Commander in person, by phone or radio and provide resources from the Region that might include the following:
     - Dispatch the Region Crisis Team to the school relocation point.
     - Arrange for transportation assets and a second (receiving) school so the students can be moved to a safe location at another school.
     - Send out a Blackboard Connect message to parents from the Region office with additional information.
     - Meet with parents at a safe staging location, outside the secured relocation point perimeter, and keep the parents informed using bilingual support staff from the Region office.
     - Assist with reunification.
5. The Triage Team will work with first responders and local authorities to ensure injured students and staff receive medical attention.
6. The School Incident Commander will prepare a verified list of any wounded, and the locations to which they were transported. The Incident Commander will confer with the School Site Crisis Team to ensure notification of parents and family members of the wounded.
7. All media inquiries will be referred to the designated Public Information Officer.
8. The School Incident Commander will direct the Planning and Intelligence Team Lead or another authorized user to open an iSTAR on the incident.
9. Once the incident has concluded and the campus has been determined to be safe, the School Incident Commander will initiate the All-Clear action.
10. The School Incident Commander will debrief with staff and school police officers.

Powered by BoardOnTrack

7.2 Aircraft/Vehicle Crash

This procedure addresses an aircraft or motor vehicle crash on or near school property. If a crash results in a fuel or chemical spill on school property, refer to Section 7.4 Biochemical/Hazardous Materials as needed.

Aircraft/Vehicle Crash Procedures

1. The principal or designee acts as the Incident Commander, activates the Incident Command Team, and initiates appropriate emergency functions, which may include Drop, Cover and Hold On, Shelter in Place, Evacuate Building or Relocation.
2. If the Incident Commander issues the evacuate building action, staff and students will evacuate the buildings using prescribed routes or other safe routes to the Assembly Area.
3. In the event of an evacuation, teachers will bring their student roster and take attendance at the Assembly Area to account for students. Teachers are to account for any students with a cognitive disability who may not have understood the directions. Teachers will notify the Assembly Area Team of missing students.
4. The Incident Commander will call 911 and School Police at (213) 625-6631 and provide the exact location (e.g., building or area) and nature of emergency.
5. If on school property, the Security/Utilities Team will secure the crash area to prevent unauthorized access. If the crash results in a fuel or chemical spill on school property, refer to Section 7.4 Biochemical/Hazardous Material.
6. If needed, the Fire Suppression/HazMat Team should suppress small fires with extinguishers for the protection of students and staff as it is safe to do so, until the Fire Department arrives.
7. The Triage Team will check for injuries and provide appropriate medical assistance.
8. The Incident Commander will notify the Region Administrator of Operations and/or Operations Coordinator of the incident. A Region representative will call the Region Public Information Officer with information on this situation as appropriate.
9. Any affected areas will not be reopened until the Los Angeles County HazMat or appropriate agency provides clearance and the Incident Commander issues authorization to reopen. Notify OEHS if it is a fuel or chemical spill and M&O if building or site damage.
10. The School Site Crisis Team will convene onsite and begin the process of counseling and recovery as appropriate.
11. If it is unsafe to remain on campus, the Incident Commander will initiate an off-site relocation.
12. The Incident Commander will notify and update parents via Blackboard Connect.
13. The Incident Commander will direct the Planning and Intelligence Team Lead or another authorized user to open an iSTAR on the incident.
14. Once the incident has concluded and the campus has been determined to be safe, the Incident Commander will initiate the All-Clear action.

Powered by BoardOnTrack

7.3 Animal Disturbance

This procedure should be implemented when a dog, coyote, mountain lion, or other wild animal threatens the safety of students and staff.

Animal Disturbance Procedures

1. The principal or designee becomes the Incident Commander, activates the Incident Command Team, and initiates appropriate emergency functions, which may include Lockdown or Evacuate Building.
2. Upon discovery of an animal, staff members will attempt to isolate the animal from students, if it is safe to do so. If the animal is outside, students will be kept inside. If the animal is inside, students will remain outside in an area away from the animal. Closing doors or locking gates is one means to isolate the animal.
3. If additional outside assistance is needed, the Incident Commander will call 911, School Police (213) 625-6631, LA City Animal Services (888) 452-7381, and/or the Department of Fish and Game (888) 334-2258 and provide the location of the animal and nature of emergency.
4. If a student or staff member is injured, the school nurse or Triage Team will provide treatment and notify parents of the injured.
5. The Incident Commander will initiate an off-site relocation only if conditions are persistently dangerous at the school.
6. The Incident Commander will notify and update parents via Blackboard Connect if necessary.
7. The Incident Commander will direct the Planning and Intelligence Team Lead or another authorized user to open an iSTAR on the incident.
8. Once the incident has concluded and the campus has been determined to be safe, the Incident Commander will initiate the All-Clear action.

7.4 Biochemical/Hazardous Materials

A biological or chemical release involves the discharge of a biological or chemical substance in a solid, liquid, or gaseous state. Common releases within or adjacent to schools include the discharge of chemicals in a school laboratory, an overturned truck of hazardous materials in proximity to the school, or an explosion at a nearby oil refinery or other chemical plant.

The following indicators may suggest the release of a biological or chemical substance:

- Multiple victims suffering from watery eyes
- Twitching
- Choking
- Loss of coordination
- Trouble breathing
- Other indicators may include the presence of distressed animals or dead birds.

There are three sub-categories involving the release of biochemical substances. Determine which category applies and then implement the appropriate response procedures listed below.

Powered by BoardOnTrack

7.4.1 Substance Released Inside a Room or Building Procedures

1. The principal or designee becomes the Incident Commander, activates the school ICS Team, and will initiate the Evacuate Building action. Staff will use designated routes or alternate safe routes to the Assembly Area, located upwind of the affected room or building. Students and staff from rooms exposed to contaminants need to be isolated from the rest of the school population.
2. The Incident Commander will call 911, School Police at (213) 625-6631, and the Office of Environmental Health and Safety (OEHS) at (213) 241-3199 and will provide the exact location (e.g., building, room, area) and nature of emergency.
3. The Incident Commander will notify the Region Administrator of Operations and/or Operations Coordinator of the incident.
4. The Incident Commander will instruct the Security/Utilities Team to isolate and restrict access to potentially contaminated areas.
5. The Security/Utilities Team will turn off local fans in the area of the release, close the windows and doors, and shut down the building's air handling system.
6. The Incident Commander will notify and update parents via Blackboard Connect.
7. The Incident Commander will direct the Planning and Intelligence Team Lead or another authorized user to open an iSTAR on the incident.
8. Persons who have come into direct contact with hazardous substances should have affected areas washed with soap and water. Immediately remove and contain (in plastic bags) outer layer of clothing because it may be contaminated. You may use extra clothing or other items that you have on hand, such as, P.E. clothing, extra uniforms, and trash bags, to allow students to cover up. Do not use bleach or other disinfectants on potentially exposed skin. Students and staff whose skin touched the contaminant should be isolated from the rest of the school population. The Triage Team should evaluate and monitor exposed individuals.
9. The Assembly Area Team will prepare a list of all people in the affected room or contaminated area, specifying those who may have had actual contact with the substance. The team will provide the list to the Incident Commander and emergency responders.
10. The Incident Commander will complete the Biological and Chemical Release Response Checklist.
11. The School Site Crisis Team will convene on-site and begin the process of counseling and recovery.
12. Any affected areas will not be reopened until the Los Angeles County HazMat or appropriate agency provides clearance and the Incident Commander gives authorization to do so.
13. Once the incident has concluded and the campus has been determined to be safe, the Incident Commander will initiate the All-Clear action.

7.4.2 Substance Released Outdoors and Localized Procedures

1. The principal or designee becomes the Incident Commander, activates the ICS Team and will immediately direct staff to remove students from the affected areas to an area

Powered by BoardOnTrack

upwind from the release. The Incident Commander will, as necessary, initiate the Shelter in Place or Evacuate Building action.

2. The Security/Utilities Team will establish a safe perimeter around the affected area and ensure personnel do not reenter the area.
3. The Incident Commander will call 911, School Police at (213) 625-6631, and the Office of Environmental Health and Safety (OEHS) at (213) 241-3199 and will provide the exact location and nature of emergency.
4. The Incident Commander will notify the Region Administrator of Operations and/or Operations Coordinator of the incident.
5. The Security/Utilities Team will turn off local fans in the area of the release, close the windows and doors, and shut down the air handling systems of affected buildings.
6. The Incident Commander will notify and update parents via Blackboard Connect.
7. The Incident Commander will direct the Planning and Intelligence Team Lead or another authorized user to open an iSTAR on the incident.
8. Persons who had direct contact with hazardous substances should wash affected areas with soap and water. Immediately remove and contain (in plastic bags) outer layer of clothing because it may be contaminated. You may use extra clothing or other items that you have on hand, such as, P.E. uniforms, extra clothing, and trash bags, to allow students to cover up. Do not use bleach or other disinfectants on potentially exposed skin. Students and staff whose skin touched the contaminant should be isolated from the rest of the school population. The Triage Team should evacuate and monitor exposed individuals.
9. The Assembly Area Team will prepare a list of all people in areas of contamination, especially those who may have had actual contact with the substance. The team will provide the list to the Incident Commander and emergency responders.
10. The Incident Commander will complete the Biological and Chemical Release Response Checklist.
11. The School Site Crisis Team will convene on-site and begin the process of counseling and recovery.
12. Any affected areas will not be reopened until the Los Angeles County HazMat or appropriate agency provides clearance and the Incident Commander gives authorization to do so.
13. Once the incident has concluded and the campus has been determined to be safe, the Incident Commander will initiate the All-Clear action.

Online training about Shelter in Place is available on MyPLN in STEPS courses 204 and 404.

7.4.3 Substance Released in Surrounding Community Procedures

1. The principal or designee becomes the Incident Commander, activates the ICS team, and if they or local authorities determine that a potentially toxic airborne substance has been released, the Incident Commander will initiate a Shelter in Place.
2. Follow all Section 6.10 Shelter in Place procedures.
3. The Incident Commander will call the Office of Environmental Health and Safety (OEHS) at (213) 241-3199 and will provide the nature of emergency.

4. The Incident Commander will monitor local news for information about the incident and notify the South Coast Air Quality Management District (SCAQMD) at 1-800-CUT-SMOG or 1-800-288-7664.
5. The school will remain in Shelter in Place until the Los Angeles County HazMat or appropriate agency provides clearance, or staff is otherwise notified by the Incident Commander.
6. Once the incident has concluded and the campus has been determined to be safe, the Incident Commander will initiate the All-Clear action.

Online training about Shelter in Place is available on MyPLN in STEPS courses 204 and 404.

7.5 Bus Disaster

These procedures are for use by bus drivers and school administrators in the event of an earthquake, serious bus accident, or other emergency that occurs while students are on a school bus field trip or being transported to or from school. If there are no students on the bus, drivers should report to Bus Dispatch by radio or 1-800-LABUSES or the nearest school.

7.5.1 Bus Earthquake Procedures

1. The driver will initiate the Drop, Cover, Hold On action for all persons on the bus.
2. The driver will stop the bus away from power lines, bridges, overpasses, buildings, possible landslide conditions, overhanging trees, or other dangerous situations.
3. The driver will check for injuries and provide first aid as appropriate.
4. The driver will contact Bus Operation Dispatch to report the location and condition of students and the bus. Bus Operation Dispatch will contact and update the school principal and bus supervisors.
5. If it is safe, the driver will proceed to the nearest LAUSD school for possible shelter, upon arriving at the school, the driver is to notify the school principal or designee and remain with the children until further instructions are received from the principal or designee.
6. The principal or designee will notify the Region Administrator of Operations and/or Operations Coordinator of the incident.
7. The principal or designee will notify and update parents via Blackboard Connect.
8. If instructed by the Bus Operations Dispatch or designee to continue the route, the driver will:
    - If enroute to school, continue to pick up students.
    - If dropping students off, continue to do so, provided there is a responsible adult at the bus stop to receive students in Pre-K through second grade and a designated adult for students with an IEP.
9. In all instances, the driver should not attempt to cross bridges, overpasses, or tunnels that may have been damaged.
10. The driver will account for all students and staff throughout the emergency.

7.5.2 Bus Flood/Flash Flood Procedures

1. The driver will NOT drive through flooded streets and/or roads.

2. The driver will take an alternate route or wait for public safety personnel to determine safety.
3. If the bus is disabled, the driver will stay in place until help arrives.
4. The driver will contact and update Bus Dispatch to report location and condition of students and the bus. Bus Operations will update the school principal or designee and bus supervisor.
5. The principal or designee will notify the Region Administrator of Operations and/or Operations Coordinator of the incident.
6. The principal or designee will notify and update parents via Blackboard Connect.
7. In all instances, the driver will not attempt to cross damaged bridges or overpasses.
8. The driver will account for all students and staff throughout the emergency.

7.5.3 Serious Bus Crash or Bus Fire Procedures

1. The driver will park the bus in a safe location as directed by law enforcement or Transportation supervisor.
2. The driver will set the emergency brake and turn off the ignition.
3. The driver will initiate the Evacuation action for all persons on the bus in the event of a fire. Drivers should keep in mind:
   a. Bus fires can be controlled by using fire extinguishers.
   b. Most modern buses have an integrated fire suppression system to put out engine fires and can be activated by push of a button or automatically triggered by a fire.
4. When an accident occurs, the driver will check for injuries and provide appropriate first aid as deemed necessary prior to the arrival of emergency responders.
5. The driver will immediately notify School Bus Operations Dispatch if an accident has occurred. Injuries will be reported at that time as well as the exact location of the bus.
6. Upon notification of an accident with students on board a bus, School Bus Operations Dispatch will notify the California Highway Patrol (CHP) for assistance.
7. The driver will contact Bus Operations Dispatch to report any updates at the location and condition of the students. School Bus Operations Dispatch will then provide the necessary updates to District personnel.
8. The principal or designee will notify the Region Administrator of Operations and/or the Operations Coordinator of the incident.
9. The principal or designee will notify and update parents via Blackboard Connect.
10. The driver will stay with the disabled bus until help arrives.
11. The driver will account for all students and staff throughout the emergency.
12. The Bus Supervisor or other authorized user will open an iSTAR on the incident.

7.6 Demonstration/Walkout

A Demonstration/Walkout is any assemblage on or off campus by staff or students for the purpose of protest or demonstration. A demonstration or walkout that occurs without appropriate approvals is considered unauthorized and may be unlawful. Students are sometimes encouraged by protesters (in person or via social media) to participate in a

demonstration as it passes by a school. Information is available in BUL-6320 Procedures for Handling Disturbances or Demonstrations on or Adjacent to School Sites.

Demonstration/Walkout Procedures:

1. Upon indication that a demonstration or walkout is about to begin, personnel should immediately notify the school administrator.
2. The principal or designee becomes the Incident Commander, activates the school ICS Team, and initiates the appropriate emergency function, which may include a modified Lockdown.
3. The Incident Commander will notify School Police at (213) 625-6631 to request assistance and will provide the exact location and nature of emergency.
4. The Incident Commander will notify the Region Administrator of Operations and/or Operations Coordinator of the incident.
5. The Security/Utilities Team will immediately proceed to the Main Gate to control student ingress and egress. Each person entering or leaving the campus shall be required to sign his/her name, and record address, telephone number and time entered or departed. The Main Gate should not be locked, as a locked gate may create a serious hazard for students leaving or attempting to re-enter the campus.
6. If students attempt to leave the campus, inform students in the presence of adult witnesses that they should attend classes. Notify individual students that they risk consequences if they remain on campus but do not attend classes or if they attempt to leave campus. Remind students that if they persist in unlawful activities following ample warning and notice of suspension, they may be subject to disciplinary action. Note: No physical effort shall be made to prevent students from leaving the campus.
7. Students not participating in the demonstration/walkout should remain in their classrooms until notified otherwise by the Incident Commander. Teachers will close and lock classroom doors to protect students from a demonstration that becomes unruly. Students and staff should be protected from broken window glass by closing available window coverings.
8. The Planning and Intelligence Team's Documentation Unit should keep accurate record of events, conversations, and actions.
9. All media inquiries will be referred to the school's designated Public Information Officer, who will also monitor local news outlets and initiate further actions as appropriate.
10. The Incident Commander will notify and update parents via Blackboard Connect.
11. The Incident Commander will direct the Planning and Intelligence Team Lead or another authorized user to open an iSTAR on the incident.
12. The Incident Commander should proceed using good judgement based on Law Enforcement or other legal input, in taking action to control and resolve the situation.
13. Once the incident has concluded and the campus has been determined to be safe, the Incident Commander will initiate the All-Clear action.

Powered by BoardOnTrack

7.7 Disorderly Conduct

Disorderly conduct may involve a student, staff member, or visitor exhibiting threatening or irrational behavior. If the individual is armed, refer to sections on Lockdown or Active Shooter on Campus as appropriate. Information is available in BUL-5798 Workplace Violence, Bullying and Threats (Adult-to-Adult) andBUL-5799 Threat Assessment and Management (Student-to-Student, Student-to-Adult, Student-to-School). Online training about threats is available on MyPLN in courses STEPS 208 and 408.

Disorderly Conduct Procedures

1. Upon witnessing disorderly conduct, staff should take steps to calm and control the situation and attempt to isolate the perpetrator from other students and staff, if it is safe to do so. Witnesses should provide written statements for follow-up by the school administrator and/or School Police.
2. Staff will immediately notify the principal or designee.
3. The principal or designee becomes the Incident Commander, activates the school ICS Team, and will initiate the appropriate emergency functions, which may include Lockdown, Evacuate Building, or Off-site Relocation.
4. The Incident Commander will call School Police at (213) 625-6631 and provide the exact location and nature of the incident. If determined to be appropriate, the Incident Commander will call 911.
5. If an immediate threat is not clearly evident, the Incident Commander or other staff member may attempt to diffuse the situation. Approach the individual in a calm, non-confrontational manner and request they leave the campus. Avoid any hostile situations.
6. If the individual is a student, every attempt should be made to notify the family (family members may provide useful information on handling the situation).
7. The Incident Commander will notify the Region Administrator of Operations and/or Operations Coordinator of the incident.
8. The Incident Commander will notify and update parents via Blackboard Connect, as necessary.
9. The Incident Commander will direct the Planning and Intelligence Team Lead or another authorized user to open an iSTAR on the incident.
10. The Incident Commander and team will determine if activating the threat assessment/management team is warranted.
11. Once the incident has concluded and the campus has been determined to be safe, the Incident Commander will initiate the All-Clear action.

7.8 Earthquake

Earthquakes generally occur without warning and may cause minor to serious ground shaking, damage to buildings, and injuries. It is important to note that even a mild tremor can create a potentially hazardous situation. The below procedures should be implemented in response to all earthquakes, regardless of magnitude.

Powered by BoardOnTrack

Online training about earthquakes is available on MyPLN in courses STEPS 202 and 402. Other resources are available through the OEM and STEPS websites.

7.8.1 Earthquake during School Hours Procedures

Note: Keep calm and remain where you are during the shaking. Assess the situation and then act. Remember, most injuries or deaths are caused by flying/falling debris.

1. Upon the first indication of an earthquake, teachers should direct students to Drop, Cover, and Hold On. If your school is equipped with the ShakeAlert system which provides advance notice of an earthquake, you will Drop, Cover and Hold On upon receiving an alert through PA system.
2. Move away from windows and overhead hazards to avoid glass and falling objects.
3. Students with disabilities that do not allow them to get under furniture for protection should move away from items in the room that are not secured. These students should go into a structural corner of the room (away from cabinets and shelves that can spill their contents; away from windows that can break and away from suspended items that could fall), lock the wheels on any wheelchairs and protect their head and neck with their hands.
4. When the shaking stops, the principal or designee becomes the Incident Commander, activates the school ICS Team, and initiates the Evacuate Building action. Staff and students will evacuate the buildings using prescribed routes or other safe routes to the Assembly Area.
5. In the event of an evacuation, teachers will bring their student roster and any classroom emergency supplies and take attendance at the Assembly Area to account for students. Teachers are to account for any students with a cognitive disability who may not have understood the directions. Teachers will notify the Assembly Area Team of missing students or any student that was left behind.
6. The Incident Commander will direct the Security/Utilities Team to post guards a safe distance away from building entrances to prevent access.
7. The Security/Utilities Team will notify school personnel of fallen electrical wires and instruct them to avoid touching the fallen wires.
8. The Triage Team will set up the triage stations, check for injuries and provide appropriate medical assistance.
9. The Incident Commander will direct the Planning and Intelligence Team to notify the appropriate utility company of damages (e.g., gas, power, water, or sewer).
10. If the area appears safe, the Search and Rescue Team will make an initial inspection of school buildings to identify any injured or trapped students or staff.
11. The Incident Commander will contact the Region Administrator of Operations and/or Operations Coordinator to determine additional actions that may be necessary. If the School Emergency Status Report (SESR) is activated, school conditions will be reported through this tool. Region personnel will communicate conditions to the District's Emergency Operations Center.
12. The Planning and Intelligence Team will fill out a School/Site Preliminary Damage Report and transmit it to the School Police and Region Administrator of Operations.

Powered by BoardOnTrack

13. The Incident Commander will contact the Area Facilities Director to ensure buildings are safe for re-occupancy. When safe to do so, the Fire Suppression and HazMat Team will conduct an inspection of school buildings. The Fire Suppression and HazMat Team will maintain a log of their findings, by building, and provide a periodic report to the Incident Commander.
14. Any damaged areas will not be reopened until the Area Facilities Team provides clearance and the Incident Commander gives authorization to do so.
15. The Incident Commander may initiate a Relocation if warranted by changes in conditions at the school.
16. The Incident Commander will direct the Planning and Intelligence Coordinator or another authorized user to open an iSTAR on the incident.
17. Once the incident has concluded and the campus has been determined to be safe, the Incident Commander will initiate the All-Clear action.

7.8.2 Earthquake during Non-School Hours Procedures

Note: These procedures should be followed only when some staff is on campus.

1. Upon the first indication of an earthquake, everyone on campus is to Drop, Cover and Hold on. If your school is equipped with the ShakeAlert system which provides advance notice of an earthquake, you will Drop, Cover and Hold On upon receiving an alert through PA system.
2. The principal or designee becomes the Incident Commander, activates the school ICS Team as necessary, and will assess damages as safe to do so with the plant manager, to determine any necessary corrective actions. The school administrator may direct the Fire Suppression/HazMat Team to participate in the assessment.
   Note: Assessments must be conducted by teams wearing appropriate safety gear. Do NOT conduct assessments alone or unprotected, due to danger from possible building damage and the potential for aftershocks. Notify the School Police Watch Commander's Office at (213) 625-6631 that you are on campus before beginning a site assessment.
3. The Incident Commander should confer with the Region Administrator of Operations and/or Operations Coordinator and Maintenance and Operations personnel to identify the extent of damages and determine if the school can be occupied.
4. If the school cannot be occupied, the Incident Commander and Region Administrator of Operations will determine an alternate location for affected buildings and programs, and the Incident Commander will notify staff members and parents via Blackboard Connect.
5. The Planning and Intelligence Team will fill out a School/Site Preliminary Damage Report and transmit it to the School Police and Region Administrator of Operations.

7.9 Explosion/Risk of Explosion

There are four distinct incident types involving an explosion or risk of explosion. Determine which incident type applies and then implement the appropriate response procedures.

7. Threat and Hazard-Specific Annexes

7.9.1 Explosion on School Property Procedures

1. In the event of an explosion, all persons should initiate Drop, Cover and Hold On or Take Cover if outdoors in an open area.
2. The principal or designee becomes the Incident Commander, activates the school ICS Team, and will call 911 and School Police at (213) 625- 6631 and OEHS at (213) 241-3199 to provide the exact location (e.g., building, room, area) and nature of emergency.
3. The Incident Commander will notify the Region Administrator of Operations and/or Operations Coordinator of the incident. The Region office will inform the Region Public Information Officer of the situation.
4. The Incident Commander will consult with available law enforcement and, considering the possibility of another imminent explosion, take appropriate emergency functions. Action may include Shelter in Place, Evacuate Building or Relocation. Evacuation may be warranted in some buildings on a campus, and other buildings may be used as shelter.
5. In the event of an evacuation, staff, and students will use prescribed routes or other safe routes and proceed to the Assembly Area.
6. In the event of an evacuation, teachers will bring student roster and any classroom emergency supplies and take attendance at the Assembly Area to account for students. Teachers are to account for any students with a cognitive disability who may not have understood the directions Teachers will notify the Assembly Area Team of missing students.
7. The Incident Commander will notify and update parents via Blackboard Connect.
8. The Incident Commander will direct the Planning and Intelligence Team Lead or another authorized user to open an iSTAR on the incident.
9. The Triage Team will check for injuries and provide appropriate medical assistance.
10. If needed, the Fire Suppression/HazMat Team should suppress small fires with extinguishers for the protection of students and staff as it is safe to do so, until the Fire Department arrives.
11. The Planning and Intelligence Team Lead will notify the appropriate utility company of any damages to water lines, sewers, power lines, and other utilities.
12. The Security/Utilities Team will secure the building entrance to prevent persons entering the school buildings.
13. If it is determined safe to enter affected areas, the Incident Commander will direct the Search and Rescue Team to initiate search and rescue activities.
14. The Incident Commander will contact the Area Facilities Director to ensure buildings are safe for re-occupancy. When safe to do so, the Fire Suppression/HazMat Team will conduct an inspection of school buildings. The Fire Suppression and HazMat Team will maintain a log of their findings, by building, and provide a periodic report to the Incident Commander.
15. The Planning and Intelligence Team will complete a School/Site Preliminary Damage Report and transmit it to the School Police and Region Administrator of Operations.
16. Any areas affected by the explosion will not be reopened until the Los Angeles County HazMat or appropriate agency provides clearance and the Incident Commander gives authorization to do so.

17. The Incident Commander may initiate a Relocation if warranted by changes in conditions.
18. Once the incident has concluded and the campus has been determined to be safe, the Incident Commander will initiate the All-Clear action.

7.9.2 Risk of Explosion on School Property Procedures

1. If a school is notified by authorities of the risk of an explosion, the principal or designee becomes the Incident Commander, activates the school ICS Team, and will initiate appropriate emergency functions, which may include Drop, Cover and Hold On, Shelter in Place, Evacuate Building, or Relocation.
2. If the school administrator issues Evacuate Building action, staff, and students will evacuate the building using prescribed routes or other safe routes to the Assembly Area.
3. In the event of an evacuation, teachers will bring their student rosters and any classroom emergency supplies and take attendance at the Assembly Area to account for students. Teachers are to account for any students with a cognitive disability who may not have understood the directions. Teachers will notify the Assembly Area Team of missing students.
4. The school administrator will call 911 and School Police at (213) 625-6631 and will provide the exact location (e.g., building, room, area) and nature of emergency.
5. The school administrator will notify the Region Administrator of Operations and/or Operations Coordinator of the incident.
6. If needed, the Fire Suppression/HazMat Team should suppress small fires with extinguishers for the protection of students and staff as it is safe to do so, until the fire department arrives.
7. The Incident Commander will advise the Search and Rescue Team to initiate rescue operations.
8. The Security/Utilities Team Lead will notify the appropriate utility company of any damages to water lines, sewers, power lines, and other utilities.
9. The Incident Commander will notify and update parents via Blackboard Connect.
10. The Incident Commander will direct the Planning and Intelligence Team Lead or another authorized user to open an iSTAR on the incident.
11. All affected areas will not be reopened until the Los Angeles County HazMat or appropriate agency provides clearance and the school administrator issues authorization to do so.
12. The Planning and Intelligence Team will complete a School/Site Preliminary Damage Report and transmit it to School Police and the Region Administrator of Operations.
13. In the event of an explosion on campus, refer to procedures listed under Explosion on School Property.
14. The Incident Commander may initiate a Relocation, if warranted by changes in conditions.
15. Once the incident has concluded and the campus has been determined to be safe, the Incident Commander will initiate the All-Clear action.

7.9.3 Explosion or Risk of Explosion in Surrounding Area Procedures

1. The principal or designee becomes the Incident Commander, activates the school ICS Team, and will initiate the Shelter in Place response action.
2. The Incident Commander will notify 911 and School Police at (213) 625-6631 and provide the exact location (e.g., building, area) and nature of emergency.
3. The Incident Commander will take further actions as needed or advised by authorities.
4. The Incident Commander will notify the Region Administrator of Operations and/or Operations Coordinator of the incident.
5. The Incident Commander will notify and update parents via Blackboard Connect.
6. The Incident Commander will direct the Planning and Intelligence Team Lead or another authorized user to open an iSTAR on the incident.
7. The school will remain in a Shelter in Place condition until the Los Angeles County HazMat or appropriate agency provides clearance and the school administrator issues further instructions.
8. Once the incident has concluded and the campus has been determined to be safe, the Incident Commander will initiate the All-Clear action.

7.9.4 Nuclear Blast or Explosion Involving Radioactive Materials Procedures

A nuclear blast is characterized by a sequence of intense light and heat, air pressure waves, expanding fireball, and subsequent radioactive fallout. More information about incidents involving radioactive material is available in the resource In The Event of a Nuclear Incident: A Reference for Schools and on MyPLN in courses STEPS 205 and 405.

1. The principal or designee becomes the Incident Commander, activates the school ICS Team, and will initiate the Shelter in Place action.
2. When sheltering, personnel should try to establish adequate barriers or shielding (e.g., concrete walls, metal doors) between themselves and the source of the blast or explosion and should avoid sheltering near exterior windows.
3. The Incident Commander will notify 911 and School Police at (213) 625-6631 and provide details on the area and personnel affected at the school.
4. After the initial blast, ICS teams should provide medical assistance and extinguish small fires as needed.
5. The Incident Commander will ensure the prompt relocation of students from bungalow buildings and other non-permanent structures, upper floor(s), rooms with broken windows, and other damaged rooms without going outside if possible.
6. The Security/Utilities Team will turn off the school's main gas supply (refer to the Site Plot Plan in the ISSP for gas supply shut-off valve) and fans in the area; close and lock exterior doors and windows; shut down all buildings' air handling systems; seal gaps under doors and windows with wet towels or duct tape; cover windows, seal vents with aluminum foil or plastic wrap, if available; and turn off sources of ignition, such as pilot lights.
7. The Incident Commander will notify the Region Administrator of Operations and/or Operations Coordinator of the incident.

8. The Incident Commander will notify and update parents via Blackboard Connect.
9. The Incident Commander will direct the Planning and Intelligence Team Lead or another authorized user to open an iSTAR on the incident.
10. The Incident Commander or Public Information Officer will monitor local news outlets and initiate further actions as appropriate.
11. At the Incident Commander's discretion, and only if safe to do so, designated personnel should attempt to distribute emergency supplies including food and water, without going outside.
12. The school will remain in Shelter in Place until the Los Angeles County Department of Public Health or other appropriate agency ends the Shelter in Place or issues relocation instructions. Authorities may advise relocation.
13. The Planning and Intelligence team will complete a School/Site Preliminary Damage Report and transmit it to School Police and the Region Administrator of Operations.
14. Once the incident has concluded and the campus has been determined to be safe, the Incident Commander will initiate the All-Clear action.

7.9.5 Explosive Device Threat/Suspicious Package

Response to an explosive device threat is initiated upon the discovery of a suspicious package on campus grounds or receipt of a threatening phone call, email, social media, or other means that may present a risk of an explosion. Information is available in the BUL-6460 Explosive Device Threats and Suspicious Devices.

7.9.6 Explosive Device Threat by Telephone Procedures

1. The call taker should attempt to keep the caller on the telephone as long as possible and alert someone else to call 911. The staff member calling 911 informs the operator of:
    - Nature of threat on phone line
    - Name of school
    - Phone number of line receiving threat
    - Name and contact information of staff member
2. The person answering the threat call should immediately inform the principal, and then use the Explosive Device Threat Form to gather and record information about the call.

Explosive Device Threat Form Questions include:

- Where is the explosive device (building, location)?
- When is it going to explode?
- What kind of explosive device is it? What does it look like?
- Who set the explosive device? Why was the explosive device set?
- What can we do for you to keep the explosive device from exploding?
- What is your name?
- How old are you?
- Where do you live?
- How can you be contacted?

7. Threat and Hazard-Specific Annexes

In addition to the above questions, evaluate the caller's voice and background noise for characteristics such as:

- Caller Characteristics:
  - Gender
  - Age
  - Accent
  - Slurred/impaired speech
  - Recorded/disguised voice
  - Familiarity
  - Irrational/incoherent
- Background Noise:
  - Traffic
  - PA System
  - Typing
  - Other

3. The principal or designee becomes the Incident Commander, activates the school ICS team, and calls School Police at (213) 625-6631 who will advise the school. In most cases, School Police will direct the school to wait for officers to arrive and conduct an investigation. The Incident Commander, in consultation with School Police, will determine the appropriate emergency functions, which may include Drop, Cover and Hold On, Lockdown, Evacuate Building or Relocation.
4. If the school discovers unusual or suspicious packages, boxes or foreign objects, all cell phones and hand-held radios of searchers should be turned off, as many explosive devices can be triggered by radio frequencies. If a suspicious object is found, report the discovery to the Incident Commander while the remaining team members attempt to secure the immediate area without touching or disturbing the object.
5. The Incident Commander will notify the Region Administrator of Operations and/or Operations Coordinator of the incident.
6. No attempt should be made to investigate or examine a discovered suspicious object.
7. The Incident Commander will notify and update parents via the District's mass notification system.
8. The Incident Commander will direct the Planning and Intelligence Team Lead or another authorized user to open an iSTAR on the incident.
9. After the search, the Incident Commander will consult with Law Enforcement to determine any alteration to the appropriate emergency function, which may include Drop, Cover and Hold On, Lockdown, Evacuate Building, or Relocation.
10. When a suspicious object or explosive device is found, or if advised by Law Enforcement, the Incident Commander shall issue the Evacuate Building action. Staff and students will evacuate the building using safe routes to the Assembly Area.
11. In the event of an evacuation, teachers will bring their student roster and take attendance at the Assembly Area to account for students. Teachers are to account for any students with a cognitive disability who may not have understood the directions. Teachers will notify the Assembly Area Team of missing students.

12. The School Site Crisis Team will convene on-site and begin the process of counseling and recovery.
13. Do not resume school activities until the affected buildings have been inspected by proper authorities and determined to be safe. Once the incident has concluded and the campus has been determined to be safe, the Incident Commander will initiate the All-Clear action.
14. The Incident Commander may initiate an off-site relocation if warranted by changes in conditions.
15. After the incident is over, the Incident Commander will complete the Explosive Device Threat Report, submit a copy to LAUSD at wcoffice@lapsd.com, submit a copy to Region Operations, keep a copy at the school site, and upload it to the iSTAR created for the incident.

Explosive Device Threat – Other Means

If an explosive device threat is received via letter, email, social media, or other means, the principal will consult with LASPD to determine a course of action. The principal will make the appropriate notifications and take other actions as described above in Section II, Procedures for Explosive Device Threat – Telephone, D-P, as necessary.

7.9.7 Suspicious Package Procedures

1. If a suspicious package or other object is found on or adjacent to campus, the principal or designee should be immediately alerted.
2. The principal or designee becomes the Incident Commander, activates the school ICS team, and will direct volunteer members of the Security/Utilities Team to attempt to secure the immediate area without touching or disturbing the object. All cell phones and hand-held radios in the vicinity of the suspicious package should be turned off, as many explosive devices can be triggered by radio frequencies.
3. The Incident Commander will call 911 and School Police at (213) 625-6631 and provide the exact location (e.g., building, room, area) and description of the suspicious package.
4. The Incident Commander will notify the Region Administrator of Operations and/or Operations Coordinator of the incident.
5. No attempt should be made to investigate or examine the object.
6. The Incident Commander will notify and update parents via Blackboard Connect.
7. The Incident Commander will direct the Planning and Intelligence Team Lead or another authorized user to open an iSTAR on the incident.
8. The Incident Commander will consult with Law Enforcement and determine the appropriate emergency function, which may include Drop, Cover and Hold On, Lockdown, Evacuate Building or Relocation.
9. If Evacuate Building is initiated, staff and students will evacuate buildings using the safest routes to the Assembly Area. Routes may be different than usual evacuation routes.
10. In the event of an evacuation, teachers will bring their student roster and take attendance at the Assembly Area to account for students. Teachers are to account for

Powered by BoardOnTrack

any students with a cognitive disability who may not have understood the directions. Teachers will notify the Assembly Area Team of missing students.

11. The School Site Crisis Team will convene and begin the process of counseling and recovery.
12. Do not resume school activities until the affected buildings have been inspected by proper authorities and determined to be safe. Once the incident has concluded and the campus has been determined to be safe, the Incident Commander will initiate the All-Clear action.
13. The Incident Commander may initiate an off-site relocation if warranted by changes in conditions.
14. After the incident is over, the Incident Commander will complete only section II (Report by Principal) of the Explosive Device Threat Report, submit a copy to LASPD at wcoffice@laspd.com, submit a copy to Region Operations, keep a copy at the school site, and upload it to the iSTAR created for the incident.

7.10 Fire

A fire impacts a school if it occurs on campus or in an off-campus location near the school. Take appropriate Evacuate Building or Shelter in Place measures to protect students and staff.

7.10.1 Fire on School Grounds Procedures

This procedure addresses a fire discovered on school grounds. A quick response to this situation is very important to prevent injuries and further property damage. Online training about fires is available on MyPLN in courses STEPS 201 and 401. Online training about fire alarm systems is available on MyPLN in course STEPS 418.

1. Upon discovery of a fire, teachers or staff will direct all occupants out of the building, activate the fire alarm, and report the fire to the school administrator.
2. The principal or designee becomes the Incident Commander, activates the school ICS Team, and will immediately initiate the Evacuate Building action. Staff and students will evacuate buildings using the prescribed routes or other safe routes to the Assembly Area.
3. The Incident Commander will call 911 and School Police at (213) 625-6631 and will provide the exact location (e.g., building, room, area) of the fire.
4. The Incident Commander will notify the Region Administrator of Operations and/or Operations Coordinator of the fire. Region personnel will contact the Region Public Information Officer with information on this situation.
5. In the event of an evacuation, teachers will bring student rosters and any classroom emergency supplies and take attendance at the Assembly Area to account for students. Teachers are to account for any students with a cognitive disability who may not have understood the directions. Teachers will notify the Assembly Area Team of missing students.
6. If needed, the Fire Suppression/HazMat Team should suppress small fires with extinguishers for the protection of students and staff as it is safe to do so, until the Fire Department arrives.

7. The Security/Utilities Team will secure the area to prevent unauthorized entry and keep access roads clear for emergency vehicles.
8. The Security/Utilities Team will notify the appropriate utility company of damages.
9. The Incident Commander will notify OEHS at (213) 214-3199 that a fire occurred.
10. The Incident Commander will notify and update parents via Blackboard Connect.
11. The Incident Commander will direct the Planning and Intelligence Team Lead or another authorized user to open an iSTAR on the incident.
12. If needed, the Logistics Team Lead will notify Bus Dispatch 1-800-LABUSES to request buses for staff and student evacuation.
13. Any affected areas will not be reopened until the Los Angeles City or County Fire Department, or appropriate agency provides clearance, and the school administrator issues authorization to do so.
14. For fires during non-school hours, the Incident Commander and the Region Administrator of Operations will determine if the school opens the following day.
15. All fires that are extinguished by school personnel, regardless of their size, require a call to the Fire Department to indicate that the “fire is out.”
16. The Planning and Intelligence Team will complete a School/Site Preliminary Damage Report and transmit it to the School Police and Region Administrator of Operations.
17. Once the incident has concluded and the campus has been determined to be safe, the Incident Commander will initiate the All-Clear action.

7.10.2 Fire in Surrounding Area Procedures

This procedure addresses a fire discovered in an area adjoining the school or a wildfire that impacts the school. The initiated response actions should take into consideration the location and size of the fire, its proximity to the school and the likelihood that the fire may affect the school.

1. The principal or designee becomes the Incident Commander, activates the school ICS Team, and will initiate the appropriate emergency functions, which may include Shelter in Place, Evacuate Building or Relocation.
2. The Incident Commander will notify 911 and School Police at (213) 625-6631 and will provide the location and nature of emergency.
3. The Incident Commander will instruct the Security/Utilities Team to prevent students from approaching the fire and keep routes open for emergency vehicles.
4. The HazMat/Fire Team will contact the local Fire Department and will work with the Fire Department to determine if school grounds are threatened by the fire, smoke, or other hazardous conditions.
5. The principal may initiate an Indoor Activities Schedule to further protect school community from environmental discomforts. This is accomplished by closing all doors and windows and running the air conditioning, as HVAC systems can improve air quality, due to better filtration than typical home systems. For greater detail, refer to REF-5803 Emergency Procedures, Drills and Districtwide Exercises.
6. In addition, the principal can determine air quality by accessing the Los Angeles Unified Know Your Air Network. The network consists of 200 air quality sensors deployed at

school sites and facilities throughout the entire 710 square-mile district to show local conditions in real time. Every school in Los Angeles Unified has a network sensor nearby (within approximately 1.6 miles), allowing all schools to determine air quality by looking at the nearest sensors. The network can be accessed at https://www.lausd.org/knowyourairnetwork.

7. The Incident Commander will notify the Region Administrator of Operations and/or Operations Coordinator of the incident. Region personnel will call the Region Public Information Officer with information on this situation.
8. If the Incident Commander issues the Evacuate Building action, staff and students will evacuate the affected building(s) using prescribed routes or other safe routes to the Assembly Area.
9. The Incident Commander will notify OEHS at (213) 241-3199 of the fire.
10. In the event of an evacuation, teachers will bring student rosters and any classroom emergency supplies and take attendance at the Assembly Area to account for students. Teachers are to account for any students with a cognitive disability who may not have understood the directions. Teachers will notify the Assembly Area Team of missing students.
11. The Incident Commander or Public Information Officer will monitor local news outlets and initiate further actions as appropriate.
12. The Incident Commander will notify and update parents via Blackboard Connect.
13. The Incident Commander will direct the Planning and Intelligence Team Lead or another authorized user to open an iSTAR on the incident.
14. If needed, the Logistics Team Lead will notify Bus Dispatch 1-800-LABUSES to request buses for staff and student evacuation.
15. The Incident Commander will initiate a Relocation if warranted by changes in conditions.
16. Once the incident has concluded and the campus has been determined to be safe, the Incident Commander will update the school community.

7.11 Food/Beverage/Water Contamination

This procedure should be followed if site personnel report suspected contamination of food or beverages served for the various food programs. This procedure applies where there is evidence of tampering with food packaging, observation of suspicious individuals in proximity to food or beverage supplies, or if notified of possible food contamination by Central District staff or local agencies. Indicators of contamination may include unusual odor, color, taste, or multiple employees or students with unexplained nausea, vomiting, or other illnesses. Online training about food safety is available on MyPLN in course STEPS 417.

Note that the Food Services Division will support with the procedures related to food and beverages that they serve.

Suspected Contamination of Food/Beverage/Water Procedures

1. The principal or designee becomes the Incident Commander, activates the school ICS Team, and will isolate and secure the suspected contaminated food/beverage/water to prevent consumption, and will restrict access to the area.

2. The Incident Commander will notify:
   - 911
   - School Police (213) 625-6631
   - County Department of Health Services (213) 974-1234
   - Office of Environmental Health and Safety (213) 241-3199
   - Food Services Division (213) 241-2993 or (213) 241-6419
   - District Nursing Services (213) 202-7580
   - Region Administrator of Operations and/or Operations Coordinator
3. The Planning and Intelligence Team Lead will make a list of all potentially affected students and staff and provide the list to responding authorities.
4. The Triage Team and/or school nurse will assess the need for medical attention and provide medical assistance as appropriate.
5. The Planning and Intelligence Team Lead will maintain a log of affected students and staff and their symptoms, the food/beverage/water suspected to be contaminated, the quantity and character of products consumed, and other pertinent information.
6. The Incident Commander will confer with the Los Angeles County Department of Health Services before resuming normal operations.
7. The Incident Commander will notify and update parents via Blackboard Connect.
8. The Incident Commander will direct the Planning and Intelligence Team Lead or another authorized user to open an iSTAR on the incident.
9. Once the incident has concluded and the campus has been determined to be safe, the Incident Commander will initiate the All-Clear action.

The Food Services Division will conduct their own investigation if the contaminated food/beverage originated from the cafeteria. A Quality Control Incident Form is completed by the cafeteria manager and submitted to a Nutrition Specialist at the Food Services Division central office within 24 hours. He/she reviews the form, notifies the vendor from which the contaminated food/beverage originated, and has a sample of it picked up from the school to undergo laboratory testing. The lab results take 2-5 working days. If tests show positive for food-borne illness, Food Services reports the findings through iSTAR and to OEHS for direction and follow-up.

For cases involving water contamination, as well as non-cafeteria food and beverage spoilage or contamination, OEHS will support the school with proper protocol.

7.12 Public Health Emergency

The District's pandemic strategic plan is available here: LAUSD COVID-19 Compensatory Education Plan.

A Public Health emergency involves an infectious disease outbreak or a pandemic which requires a large-scale emergency need for medical health care services. A pandemic is the worldwide spread of a new disease, according to the World Health Organization. A pandemic occurs when a new virus emerges for which there is little or no immunity in the human population, begins to cause serious illness, and then easily spreads person-to-person worldwide.

A Public Health emergency is often due to an influenza outbreak or other infectious disease that affects a school community. These incidents can also be more local and contained such as a suspected tuberculosis or measles outbreak at a school. During a suspected Public Health emergency, the principal or designee will consult with District Nursing Services at (213) 202-7580 and Student Medical Services at (213) 202-7590. Online training about Public Health emergencies is available on MyPLN in course STEPS 416.

During a large-scale Public Health emergency, the District will mobilize designated staff for a uniform, systemic, and comprehensive response. Both District and local level Operations staff will serve a critical role in gathering and dissemination information and supporting schools. L.A. Unified recognizes the authority of the Los Angeles County Public Health Officer in matters related to a disease outbreak or other Public Health crises and will work cooperatively with the Health Officer to prevent, mitigate, and respond to cases. The Health Officer and Public Health disease control specialists will evaluate the local situation and determine actions necessary to control the disease outbreak in schools and in the community. Health Officer Orders, guidelines and instructions will be continually revised and updated as the outbreak is tracked in the county. Illness may spread rapidly or slowly, may vary among communities locally, nationally, and worldwide, and the outbreak may persist over several months or even years.

During Public Health emergencies, schools will be faced with parents, teachers, and staff who are concerned about the health and safety of students. Experience has shown that Public Health emergencies can create a great deal of anxiety and misinformation. Specific details and updates including mitigation efforts and County orders will be provided on an ongoing basis as events evolve and directives change. It is imperative that the most updated information be sought and implemented. These will be shared through multiple means, including email, Blackboard Connect messaging, KLCS, official District social media, virtual town halls, or other forums.

In a disease outbreak or pandemic, information materials may include:

- Letters to parents, teachers, and staff with instructions and risk communication information as issued by the Public Health Department’s Health Officer.
- Brochures, infographics, and other informational materials.
- Frequently Asked Questions (FAQs).
- District webpages, maintained with links and updated information as knowledge evolves about the pandemic.

Healthy Habits to Reduce Public Health Emergency Impact

Schools can reduce the impact and spread of an infection by reinforcing basic healthy habits. Follow and promote the below practices and be aware that additional specific measures may be required to address the circumstances of the public health emergency. These practices include:

- Wash hands often. Require that all employees and students wash their hands with soap and water for at least 20 seconds after visiting the restroom or changing diapers/toileting, before and after eating and after handling animals or animal waste. If soap and water are not available, schools can purchase approved sanitizer from the

Powered by BoardOnTrack

District Warehouse. Schools must stock adequate hand-washing supplies for all restrooms.

- Cover nose and mouth when coughing or sneezing. Germs are spread when people cough and sneeze. Require that students cough or sneeze into a tissue or, lacking that, into a sleeve or elbow. Classrooms should be stocked with tissue to facilitate this activity.
- Get vaccinated. Vaccination can drastically reduce the chance of contracting many diseases.
- Routinely clean and disinfect surfaces. Cleaning with soap and water removes dirt and most microorganisms. Using a disinfectant kills additional disease-causing germs. All common surfaces should be disinfected frequently with an approved product. A list of District-approved products is available through the LAUSD's Office of Environmental Health and Safety website.
- Stay at home if you are ill or have signs or symptoms of an infection. Students who become ill while at school should be sent home as quickly as possible. Note that for some infectious diseases, infected individuals may not present any symptoms or symptom manifestation may be delayed.
- Exclude from all school activities students and staff who are symptomatic. In the event of any Public Health outbreak, limit contact with people who are symptomatic. This means that students and staff who come to school with noticeable symptoms such as an elevated temperature, cough, runny nose, or other symptoms common for that outbreak, should be separated from the general school population and sent home until they recover. Students who develop these symptoms at school should be isolated to contain germs, and then sent home with a parent or guardian.
- Handle and prepare food properly. Buy and refrigerate perishable foods quickly. Store food properly. Wash hands, kitchen surfaces, and utensils while preparing food. Wash raw foods and vegetables.
- Avoid exposure to all blood and other body fluids. Use gloves and practice thorough and frequent handwashing.
- Waste Disposal: Schools should carefully dispose of waste. A container lined with a biohazardous bag marked with the international biohazardous symbol is recommended for disposal of waste containing blood or any bodily fluid spills that may contain blood. This waste should be double-bagged. If needles, syringes, or lancets are used in the school setting, arrange for an appropriate Sharps container. The container must have the proper Sharps waste label attached. Place intact needles and syringes in the designated Sharps container. Do not bend or break needles. Do not recap needles. Once sharps containers are ¾ full, it needs to be closed and disposed of into a consolidated bin. On site medical staff are responsible for disposing sharps container(s) into labeled sharps consolidation bin. Contact Nursing Services for directions about disposal of these types of contaminated materials. Also reference OEHS' Disposal Procedures for Hazardous Waste and Universal Waste (REF-4149 Disposal Procedures for Hazardous)

To assist in planning for an outbreak, schools can use the Essential Functions for Continuity of Service Form. Once the template has been filled out for all critical employees and functions, the form should be saved and printed out to go in the Integrated Safe School Plan binder.

Continuity of Service. The District is responsible for maintaining continuity of school functions during a prolonged school closure or during periods of increased absence of administrative staff and teachers. It must develop a continuity of operations system for essential central office functions, including payroll, custodial service, waste management, food service, transportation, and facility maintenance (including daily cleaning of student and staff restrooms, kitchen and dining areas, and classrooms). Each school, and all District offices, should have a Continuity of Service Plan in place and begin any necessary cross-training or information exchange in preparation for any possible pandemic, including influenza. The District Continuity of Service Plan template for schools can be accessed here: Essential Functions for Continuity of Service at School.

Activate the school's Continuity of Service Plan in the event of a wide-scale or pandemic-related illness, as critical school employees could be absent for days, weeks, or months, while others may work remotely. Such a reduction in available staff may challenge the continuity of school operations and services because there may not be enough substitutes for absent employees. Site administrators must consider how to carry on school operations without, for example, their Payroll Clerk, Plant Manager, Cafeteria Manager, Coordinator, or Assistant Principal, as well as how school operations will change if students and staff are learning and working remotely. Every school should have a plan to make sure that important tasks normally performed by critical employees can still be completed when those employees are absent. School sites should have at least two people to fill in for missing critical coworkers.

Once the school's Continuity of Service Plan has been completed/updated for all critical employees and functions, the form should be saved and printed out to go in the Integrated Safe School Plan binder.

Continuity of instruction. During major health emergencies, students may be absent for weeks or even longer periods of time. School dismissal, closures, or capacity limitations are possible mitigation strategies which may be implemented to lower the risk of infection. In the event that there is a closure of a classroom or a school, each school should follow its Continuity of Service Plan, which should address how the school will provide students with learning activities during the period of closure. Activities could include but are not limited to: digital learning, online resources, reading activities, writing assignments, and worksheets. Schools should ensure that students have the necessary technological resources to promote educational equity.

The Division of Instruction (DOI) will establish alternate modes of learning in the event of a large-scale learning disruption to the district. DOI will provide direction and information to administrators and facilitate the alternate learning process.

Instruction may need to be provided remotely and/or online. Schools and teachers should have lesson plans for students who will be home for extended periods of time, as well as multiple

Powered by BoardOnTrack

means of communicating lesson content to students and parents. Schools should ensure that students have necessary instructional materials and appropriate access to technology. Lesson methods may include the following:

- Using online learning tools and online classroom applications
- Allowing students to take home schoolbooks and class materials
- Posting lesson on school websites with materials
- Using Blackboard Connect telephone messages to homes
- Using KLCS Channel 58 programming
- Using other approved internet education websites
- Mailing home printed materials
- Having printed materials available for families to pick up at school, if safe to do so

As the potential for infection decreases, the District may institute a hybrid learning model which combines students attending school in person, with others learning remotely. There may be additional strategies for the community and workplace that include placing limits and/or canceling large public gatherings (e.g., athletic competitions) or altering work environments or schedules (e.g., staggered office work schedules or telecommuting). School administrators and employees should be prepared for these possibilities.

Reopening. When the risk subsides, the District will consider Public Health guidance, scientific research, and local-level factors to implement a partial, incremental, or total return to normal operations. Any such decisions will be communicated to and coordinated with regional leadership who will then communicate with school sites.

The District will work with local-level offices to provide guidance to schools such as: campus cleaning and other pandemic-related safety procedures; student academic assessment, academic intervention, and grading; mental health services for students and employees; assessing students with disabilities in reviewing, revising, or creating IEPs; remediation, if the school was used for emergency operations; and accounting for students who do not return to school.

Considerations for Emergency Preparedness

Based on the nature, scale, and duration of the pandemic, as well as whether any in-person instruction is/may be taking place, school administrators should plan for a potential need to address the following, as applicable:

- Schools are expected to conduct all required emergency drills with each campus cohort during hybrid learning. Schools that have groups of students rotating through campus will need to hold drills for each schedule. Drill frequency table is available at http://lausd.org/drills.
- Submit emergency drill evaluations separately for each cohort.
- Conduct an ISSP review to update staffing and ensure that everyone with an emergency role will be working in person.
- Develop contingency plans for handwashing during disasters or during a loss of water on campus. Identify any outdoor handwashing stations that may be used during a disaster.

- Evaluate any designated outdoor isolation/quarantine areas for potential use for the same purpose during emergencies requiring evacuation. Consider: distance from buildings (building damage/rubble), reasonable distance from assembly area, line of sight (preferable), and communication between areas. If the existing areas are not suitable, identify isolation and quarantine areas near the assembly area for any students or employees who present symptoms and need to be isolated or quarantined. Assign staff to monitor these areas as needed.
- Identify alternate indoor spaces to use during lockdowns and shelter-in-place incidents/drills for each outdoor isolation and quarantine area and for outdoor classrooms, if any.
- Evaluate current assembly area and determine potential need to redefine or expand it to accommodate appropriate physical distancing; if necessary, establish a larger assembly area that will allow for proper social distancing.
- Establish the expectation that teachers should bring classroom hand sanitizer when evacuating.
- Inventory current emergency supplies and evaluate supply needs in classrooms, offices, and the emergency bin, including those specifically needed due to the nature of the outbreak/pandemic, including PPE for any parents/guardians who show up to collect their child at the request/reunion gates.
- Ensure that all staff are aware of and practice revised emergency procedures.
- Discuss changed/additional emergency actions during professional development and parent meetings.
- Consider communications, such as through Blackboard Connect, to share key details of the modified emergency plan with parents/guardians, including expectations at the request and reunion gates.
- Review with students the additional emergency actions they will need to take. If these measures are new to the emergency response process, teachers and support staff should monitor and support students as they follow these protocols to facilitate proper implementation.

Additional Considerations

The following can facilitate the prevention and/or mitigation of outbreaks/pandemics.

Health Education Messages: Health education materials are critical because the impact and spread of a virus can be reduced or eliminated by training and education. Health education will also mitigate fear and reduce behavior or actions that will be disruptive to school activities. Education is also important as knowledge and mitigation strategies can change when dealing with a novel virus. As knowledge evolves, schools must ensure proper updates are followed and shared. Everyone at school should follow and help reinforce safe and healthy hygiene practices with students and the rest of their school community.

Alternative Use of District Buildings: School administrators and employees shall be aware that the LACDPH or other government entity may ask to use schools as Points of Distribution (PODs) in response to an outbreak. They may use a large room, such as the gym, to vaccinate or

distribute medication to the community or they may use a school parking lot to distribute food or other basic necessities. If LACDPH asks to use schools as PODs, OEM and the Region will work with site administration at selected sites to coordinate the activity. The Superintendent may also decide to use our own facilities to provide similar services to our school families and community.

Additional Responsibility of School Administrators: Administrators should prepare to facilitate the following, depending on the nature and scale of an outbreak/pandemic:

- Collection and submission of data on the numbers of students who are ill with a given disease.
- Visitation by LACDPH, which may visit schools to evaluate the implementation of Health Officer Orders and guidelines.

They may use its emergency reporting platform, School Emergency Status Report (SESR) or other resources to help track and report staff and student attendance or other metrics. Schools must adhere to any temporary changes in attendance recording protocols to ensure proper reporting. During a pandemic, these systems can be used to help determine District absenteeism rates and inform decisions made by the District or Public Health Officer to strengthen, implement, maintain, or forecast protective measures.

7.13 Suicide Risk and Self-Injurious Behavior

Procedures for Responding to Students who Exhibit Suicidal Ideation/Behavior

The school administrator should ensure that all incidents of suicidal ideation and/or behaviors are properly assessed, in accordance with the guidelines and protocols indicated in the District's BUL-2637 Suicide Prevention, Intervention, and Postvention (Students).

Suicide is death caused by self-directed injurious behavior with the intent to die. Sometimes there may be a precipitating event, such as a break-up or recent death of a loved one, prior to the death by suicide. However, it is important to remember that suicide is a complex phenomenon that cannot be attributed to one single cause.

The primary purpose of a suicide risk assessment is to determine if a person of concern poses a risk to themselves. The following are general protocols and procedures for the administrator/designee, crisis team member, and/or STPL to respond to reports of students at risk for suicide.

There are four stages for the suicide risk assessment process:

- Stage I: Immediate Risk Reducing Interventions
- Stage II: Assess for Suicide Risk
- Stage III: Communicate with Parent/Guardian
- Stage IV: Implementing Action Plan

Within each stage, the urgency of the situation may dictate the order in which the subsequent protocols are followed and necessary.

For support and consultation, contact the Student and Family Wellness Hotline at (213) 241-3840 Monday - Friday.

In case of an emergency, call 911. For law enforcement and/or after-hours response, contact the Los Angeles School Police Department (LASPD) at (213) 625-6631.

7.14 Threat to Others

The school administrator should ensure that all threats are properly assessed, in accordance with the guidelines and protocols indicated in the District's BUL-5799 Threat Assessment and Management (Student-to-Student, Student-to-Adult).

For support and consultation, contact the Student and Family Wellness Hotline at (213) 241-3840 Monday - Friday.

In case of an emergency, call 911. For law enforcement and/or after-hours response, contact the Los Angeles School Police Department (LASPD) at (213) 625-6631.

Employees as Mandated Reporters of Student Threats or Perceived Threats

In accordance with CA E.C. § 49390-49395, all employees are mandated reporters of student threats or perceived threats to commit a homicidal act related to school or a school activity.

- An employee who is alerted to or observes any student threat or perceived threat to commit homicide, must immediately report the threat or perceived threat to the Los Angeles School Police Department (LASPD) at (213) 625-6631 or local law enforcement, as well as the site administrator.
- Upon receiving a report of a threat or perceived threat, the local law enforcement agency, with the support of the school site or local educational agency, shall immediately conduct an investigation.
- An investigation by law enforcement, including LASPD, is not a substitute for a multidisciplinary threat assessment team meeting.

Protocol for Responding to Threats of School Violence

A threat assessment should be conducted when there is a direct, clear, and plausible threat of serious physical violence toward another person or District site. Additionally, a threat assessment could be conducted if the totality of the circumstances warrants an assessment. In general, to evaluate a threat, the team should have as many details about the person of concern, including baseline behavior, worrisome behaviors, threats made, and relevant past behaviors. For example, information gathered can include specific details about the thoughts and planning of a specific threat. A lack of specific details may indicate that little thought has gone into the threat and the threat maker is just venting frustration or trying to frighten people. A threat that contains specific details about targets, weapons, locations, and motivation is much more likely to be carried out. The more detail contained in a threat, the more thought that has gone into the planning.

Powered by BoardOnTrack

The primary purpose of a threat assessment is to determine if a person of concern poses a risk of violence to the target(s) they have threatened. The following are general protocols and procedures for the administrator/ designee to respond to any reports of school violence or threats in schools, at District and school-related activities, and in areas within the District's jurisdiction.

There are four stages for the threat assessment and management process:

- Stage I: Immediate Risk Reducing Interventions
- Stage II: Information Gathering
- Stage III: Multidisciplinary Threat Assessment Team Meeting
- Stage IV: Implementing Action Plan

Within each stage, the urgency of the situation may dictate the order in which the subsequent protocols are followed and necessary.

7.15 Tsunami

A tsunami is a series of ocean waves that sends surges of water onto land. Waves sometimes reach heights of over 100 feet and can cause great destruction. Tsunamis are typically caused by large, undersea earthquakes, but may also be caused by underwater landslides or volcanic eruptions. Shaking events can generate a tsunami in the area where the shaking occurred with little warning time, or thousands of miles away, with several hours of warning time.

These procedures should be followed by the designated schools near the ocean or on field trips to or near the beach or when a distant or local shaking event has occurred and generated a tsunami. Schools located inside the known tsunami inundation area have a Tsunami Annex for their ISSP. All of the identified schools have been issued weather alert radios that send out tsunami advisories from the National Oceanic and Atmospheric Administration (NOAA). Information is available in the LAUSD REF 5435 NOAA Weather Radio All-Hazards Alerts.

Tsunami Procedures

1. The principal or designee becomes the Incident Commander, activates the school ICS Team, and will initiate appropriate emergency functions, which may include Shelter in Place, Evacuate Building, or Relocation. If on a field trip, this duty is a responsibility of the lead teacher or administrator in charge of the field trip. The specific action will depend on how close the school is to the ocean, and how much time there is to act.
2. The Incident Commander or school Public Information Officer will monitor local news outlets for information such as evacuation notices and initiate further actions as appropriate. Schools in the Tsunami Inundation Zone have a NOAA weather alert radio with battery back-up in the Main Office.
3. If the Incident Commander issues the Evacuate Building or Relocation action, staff and students will evacuate affected buildings using prescribed routes or other safe routes to the area identified in the school's tsunami annex. The evacuation destination for a field trip should be to land that is at least 100 feet above sea level. Evacuees should stay away from coastal and low-lying areas. Waves may continue for several hours and travel several times faster than walking, running, or driving.

Powered by BoardOnTrack

4. In the event of an evacuation, teachers will take students rosters and any classroom emergency supplies when leaving the building and take attendance once the class is assembled in a safe location. Teachers are to account for any students with a cognitive disability who may not have understood the directions. Teachers will notify the Assembly Area Team of missing students.
5. The Incident Commander will notify School Police at (213) 625-6631 and the Region Administrator of Operations and/or Operations Coordinator of the incident. Region staff will inform the Region Public Information Officer of the situation.
6. The Incident Commander will notify and update parents via Blackboard Connect.
7. The Incident Commander will direct the Planning and Intelligence Team Lead or another authorized user to open an iSTAR on the incident.
8. The Incident Commander will initiate a Relocation if warranted by changes in conditions.
9. Once the incident has concluded and the campus has been determined to be safe, the Incident Commander will initiate the All-Clear action.

* The above procedures are also followed for field trips on or near the beach if there is a threat of a tsunami.

7.16 Utility Failure

A utility failure is a situation involving a loss of water, power, or other utilities on school grounds.

7.16.1 General Loss or Failure of Utilities Procedures

1. If water or an electrical line is broken, an effort should be made to turn off water or power to the affected area and to notify the school administrator immediately.
2. If a gas leak is suspected or the loss of utilities poses a risk of explosion, refer to Section 7.10 Explosion/Risk of Explosion on School Property.
3. Upon notice of loss of utilities, the principal or designee becomes the Incident Commander, activates the school ICS Team, and will initiate appropriate emergency functions, which may include Shelter in Place, or Evacuate Building.
4. The Incident Commander will notify the Area Maintenance and Operations (during business hours) or School Police at (213) 625-6631 (at all other days/hours) and will provide the location and nature of emergency. Other personnel will be notified at the discretion of the Incident Commander.
5. Area Maintenance personnel, working with the Incident Commander, will contact the affected utility company to determine whether their assistance is required, recommended actions, and the potential length of time service will be interrupted.
6. The Incident Commander will notify the Region Administrator of Operations and/or Operations Coordinator of the loss of utility service.
7. If the Evacuate Building action is initiated, teachers will take student rosters and any classroom emergency supplies when leaving the building and take attendance once the class is assembled in a safe location. Teachers are to account for any students with a cognitive disability who may not have understood the directions.
8. The Incident Commander will notify and update parents via Blackboard Connect.

9. The Incident Commander will direct the Planning and Intelligence Team Lead or another authorized user to open an iSTAR on the incident.
10. As needed, school emergency supplies will be utilized to compensate for the loss of a utility.
11. Once the incident has concluded and the campus has been determined to be safe, the Incident Commander will initiate the All-Clear action.
12. In addition to the procedures listed above, the Incident Commander will implement the protocols for specific concerns below as needed.

7.16.2 Loss of Water Supply Procedures

The following operational items apply at a school that has lost its water supply. Many issues can be easily solved if the school has adequate emergency supplies:

1. **Bathrooms** - School personnel can make a regular toilet work by pouring a half-bucket (about 2.5 gallons) of water into the toilet to provide the "flush." Water stored in emergency barrels can be used for this purpose. This method is often easier than setting up toileting stations of 5-gallon buckets with plastic bags in them. Standard toilets can also be lined with plastic bags. Bucket toilets and toilets lined with plastic bags generate bags of hazardous waste that need to be disposed of properly. One disposal method is to dump the contents of the bags into the standard toilets when they are returned to service. Be advised that this method is messy at best. Schools must also provide toilets that are accessible to students with specific needs.

   Health code requires that the students have a way of washing their hands after going to the bathroom. Water from the emergency supplies, waterless hand cleaner, or wipes will fulfill that requirement and should be stored with the other emergency supplies.

   If portable toilets are delivered, schools must make sure that there are also hand cleaning stations set up, as well as accessible toilets for students with specific needs. Mark at least two of the portable toilets for faculty use.

2. **Cafeteria** - To keep the cafeteria open, cafeteria staff must have clean water to wash hands and clean surfaces. Water can be pumped from the emergency water barrels into a plastic water carrier. The water carrier can be taken to the kitchen, and cafeteria staff can use the water at their sink. If the cafeteria staff needs hot water, they can heat it.

3. **Drinking Water** - Drinking water can be addressed in many ways. Water can be distributed in cups or individual bottles/pouches, depending on what was stored. Often the utility provider or Maintenance and Operations will obtain bottled water for the school.

   If schools are using water from the emergency water barrels, they must re-chlorinate the water 30 minutes before it is made available for consumption. Details are available in the REF-5451 School Site Emergency/Disaster Supplies.

4. **Fire Suppression** - The fire code requires that if the automatic fire sprinklers are disabled for any reason, schools must post a fire watch. For complete and specific instructions, please see REF-1909 Procedures for Fire Protection Systems. The law requires that someone must continuously patrol the entire campus every half hour and then log in the fact that no fire was seen. The person conducting the fire watch shall be knowledgeable of the fire watch procedures, should have a radio, be able to notify the fire department and alert and evacuate the building occupants. The fire department and the Office of Environmental Health and Safety at (213) 241-3199 must be notified. Logs must be kept, documenting who patrolled the building, where they went and when they made their rounds. Schools shall notify the fire department to request permission to implement the fire watch:

   - Los Angeles City Fire Department (Valley) (818) 728-9922
   - Los Angeles City Fire Department (Los Angeles) (213) 978-3800
   - Los Angeles County Fire Department (323) 881-2455

   Only the fire department can authorize a school to go off fire watch. Schools will need to save and document all contacts with the fire department to ensure they followed the Fire Code.

6. **Other Concerns** - At secondary schools, there may be a request to use the showers, which cannot be accommodated. The nurse may also ask for water to wash hands. They may be able to use waterless hand cleaner, but they will still need water for cleaning wounds, etc. Schools can pump the emergency water into a water carrier for the nurse to use at the sink in the Health Office or provide bottled water.

7.16.3 Loss of Power Procedures

The following are concerns that need to be addressed at a school that has lost electrical power.

1. **Lights** - Schools are built to take advantage of natural light. Classrooms often have one wall of windows, so there should still be visibility, even without electric lights. Classroom emergency kits typically include flashlights that can provide additional illumination. In many cases, the loss of electricity is minimally disruptive to instruction; it is common practice for students to remain in classrooms during a power outage.

   Almost all schools have emergency lights on battery back-up. These lights will allow students and staff to safely exit the building. These lights illuminate hallways, stairwells and exit signs. In most schools, emergency lighting operates on a series of large batteries and have the capacity to run for about an hour, so that everyone will have adequate time to exit the building. Some schools have hardwired emergency generators instead of batteries. These generators are sized to run emergency egress lighting only, and do not power other items such as elevators and air conditioning.

   Some schools have portable generators in the emergency supply bin that can power lighting in the assembly area, charge batteries on radios, and other power needs.

Powered by BoardOnTrack

Generators and rechargeable portable power stations are also used to supplement battery-powered medical devices for students with special needs.

In a prolonged power outage, the Maintenance and Operations Branch provides a generator to power the cafeteria. The cafeteria has food that needs to be kept at specific temperatures to preserve safety. The generator will be used to run the refrigerators and freezer.

2. **Students on Ventilators** - The students who use ventilators are provided with a small, portable generator rechargeable portable power stations to keep the ventilator battery charged during a power outage. Typically, these students are dependent on medical devices to live. Schools that have students who use ventilators and do NOT have a generator should immediately contact the Office of Emergency Management at 213-241-3889.
3. **Fire Alarms and Suppression Systems** - During a power outage, fire alarms and notification systems will not work. The Fire Code requires that if the automatic fire alarms are disabled, schools must post a fire watch. For complete and specific instructions, see REF-1909 Procedures for Fire Protection Systems. The law requires that someone must continuously patrol the entire campus every half hour and then log in the fact that no fire was seen. The person conducting the fire watch shall be knowledgeable of the fire watch procedures, should have a radio, and be able to notify the fire department, and alert and evacuate the building occupants.

   The fire department and the Office of Environmental Health and Safety at (213) 241-3199 must be notified. Logs must document who patrolled the building, where they went and when they made their rounds. Schools shall notify the fire department to request permission to implement the fire watch:

   - Los Angeles City Fire Department (Valley) (818) 728-9922
   - Los Angeles City Fire Department (Los Angeles) (213) 978-3800
   - Los Angeles County Fire Department (323) 881-2455

   Only the fire department can authorize a school to go off fire watch. Schools will need to save and document all contacts with the fire department to ensure that they abided by the Fire Code.

4. **Food Service** - The cafeteria staff may not be able to heat food without electricity or gas. If the loss of power is expected to last through nutrition or lunch or other meals provided at school, immediately contact your Cafeteria Manager and your Area Food Services Supervisor. They can arrange for food to be brought in from an off-site location. In a prolonged power outage, the Maintenance and Operations Branch will provide a generator to power the cafeteria. The cafeteria has food that needs to be kept specific temperatures to preserve safety. The generator will be used to run the refrigerators and freezer or the food will be transported to a neighboring school or the Pico Rivera Foods Warehouse.

7.16.4 Loss of Communications Procedures

Schools regularly communicate with staff, parents, and other schools/offices using a variety of methods. Back-up methods of communicating must be identified for each system in case a primary communication system is not functioning. Communications systems may be inoperable or have intermittent service due to an issue that impacts only that system, result from an emergency or disaster that causes an outage of communications, or due to system overload when too many people try to use a system following a disaster. During some types of large emergencies/disasters, multiple communications systems may be down or unreliable.

A best practice is to send important communications by multiple methods (for example a voice message and a text or a newsletter that is emailed to parents and a hard copy sent home with students). It is essential to use multiple communications methods during a disaster to increase the likelihood that critical information is successfully received. The table below identifies some methods of communications commonly used by schools and which can be incorporated in a school's plan for loss of communication.

During a disaster, phone line and other communications systems use should be limited to essential information to minimize system congestion. Internet service and other data storage systems may also be unavailable during a disaster. Schools should maintain a list of key contacts downloaded onto devices and multiple copies of printed contact lists in the School Emergency Response Box.

Common School Communications Methods:

Communication Method	Information Types
Landline telephone	Live voice calls; recorded voice messages
Email	Written messages; digital print materials
Public address system	Live voice broadcast information to campus groups
Two-way radio	Live voice information to select campus group; emergency communications between designated schools and with LASPD; see the Emergency Radio Communications Reporting Tree for more details
Bull horn	Live voice information to campus group
Printed materials	Distributed in person
Runners/messengers	Live messages or distribution of printed materials
Cell phones	Live voice calls; recorded voice messages; text messages
LAUSD and school websites	Schedules and digital materials including policy, protocol, and other information
Connect	Automated outbound voice messaging, email, or text messaging to larger distribution groups
Social media	Written messages; digital print materials

Additional considerations for communications methods:

Powered by BoardOnTrack

1. **Phone Systems** - School PBX phone systems have a battery back-up because they run on computers. This allows the phones to operate without electricity. In addition, each school has a fax machine on a separate, direct, outside analog phone line that does not go through the PBX. If the PBX system fails, the fax line will still work, and schools should keep a single-line phone handset that can be plugged into this line during a loss of power or loss of phone lines. In the event of a major disaster such as an earthquake, these phone lines have been listed with the phone company as “essential service lines” and will be restored first.

   If a school must relocate off campus during an emergency, it can forward the main school number to an administrator’s cell phone if possible. This will allow the school to still receive incoming calls from the school’s landline phone.

   An increasing number of schools have telephones that operate using Voice Over Internet Protocol (VOIP) systems. These phones, and other equipment that uses VOIP, may not function during a loss of internet service.

   Additionally, schools may be able to use cloud-based telephone services using Amazon Connect, provided by the District. This allows the District to set up or forward critical phone numbers, including our schools’, to the cloud in the event of a local emergency or service disruption. School staff can take Amazon Connect calls from anywhere in the world using a computer or Chromebook with an internet service.

2. **Connect Mass Notification** - The Connect mass notification system is capable of sending voice, email and text messages during normal school operations. When a school experiences a loss of communication systems such as phones/internet, communications can still be sent through Connect.

   If only an internet connection is available, a Connect message can be created and sent. Email and text messages can be added to the message following the normal procedures. If a voice message is also desired, two options are available. The first is to utilize the text-to-speech function and to enter the script for the message into Connect. The system will then read the script when the message is delivered. This can be done for any of the languages. The second option is to record the audio message and to upload the file into the Connect message. If the audio can be recorded directly onto the device being used to setup the message (computer or smartphone), this will eliminate the need to transfer the audio file to a second device (e.g., recording the message on a smartphone and setting up the message on a computer requires that the audio file be transferred to the computer [via email or text]). Connect messages can be set up on a Smartphone with internet connectivity using the phone’s browser (www.finalsiteconnect.com).

   If no internet connection is available but access to any phone is available, a message can be sent out using the Connect Dial-In Messaging Card. Each Connect user account has the option to create a Dial-In Messaging Card with PIN security (Visit

Powered by BoardOnTrack

https://bbc.lausd.net and click on the “Dial-In Messaging Tutorial” FAQ for instructions on using the Dial-In Messaging Card).

3. **Two-Way Radios (Internal School Communications and External Emergency Communications)** - Each school has a two-way radio system that allows the school to communicate with people on that campus for daily, ongoing critical communications, and during emergencies with a neighboring campus, and directly or indirectly with School Police. Systemwide failure of the radio network is possible, but less likely to fail in an emergency than landline or cellular phones. The radios are battery powered and will still operate during a power outage or when phone systems are down. As long as the radio batteries are charged and working, schools will be able to communicate within their campus or to a nearby campus or with School Police. Schools should keep extra radio batteries, a spare radio charger and a portable power pack with the school’s emergency equipment.

   Plan for a Loss of Water:
   Toilets: PORTABLE TENT AND BUCKET
   Drinking Water: WATER BARRELS
   Food Service: CAFETERIA HAS FOOD FOR 72 HOURS
   Fire Suppression System (if applicable): FIRE EXTINGUISHERS

   Plan for a Loss of Electricity:
   Ventilation: BACKUP UNIT
   Electric Lights: BACKUP UNIT

   Plan for a Loss of Natural Gas:
   Food Service: DRY FOOD

   Plan for a Loss of Communication:
   Telephone Service: FAX LINE
   Intercom: Bullhorn

Powered by BoardOnTrack

7.17 Weather

Schools may implement general inclement weather procedures during heavy rain, flooding, hail, or high winds. More information is available in REF-5706 School Procedures During Inclement Weather, REF-5435 NOAA Weather Radio All-Hazards Alerts, and BUL-963 Guidelines for Preventing Heat Stress.

7.17.1 General Inclement Weather Procedures

1. The principal or designee becomes the Incident Commander, activates the school ICS Team, and will initiate appropriate emergency actions which may include Indoor Activities Schedule, Shelter in Place, Evacuate Building, or Relocation. NOTE: Inclement weather may block or impact routes to/from school and may necessitate an off-site evacuation even if the school itself is relatively unaffected. The principal may initiate an Indoor Activities Schedule to further protect school community from environmental discomforts. This is accomplished by closing all doors and windows and running the air conditioning, as HVAC systems can improve air quality, due to better filtration than typical home systems. For greater detail, refer to REF-5803 Emergency Procedures, Drills and Districtwide Emergency Exercises.
2. The Incident Commander will notify 911 and School Police at (213) 625-6631 and will describe the nature and extent of the incident.
3. The Incident Commander will notify the Region Administrator of Operations and/or Operations Coordinator of the emergency situation. Region personnel will call the Office of Communications with information on the situation.
4. The Incident Commander will direct the Security/Utilities Team or other available staff to secure any lightweight, unstable, or fragile items on campus and bring indoors any equipment that may become damaged by weather conditions.
5. The Incident Commander or school Public Information Officer will monitor local news outlets and NOAA weather alert radio and initiate further actions as appropriate.
6. If the Incident Commander issues the Evacuate Building or Relocation action, staff and students will evacuate affected buildings using prescribed routes or other safe routes to the Assembly Area.
7. In the event of an evacuation, teachers will bring student rosters and any classroom emergency supplies and take attendance at the Assembly Area to account for students. Teachers are to account for any students with a cognitive disability who may not have understood the directions. Teachers will notify the Assembly Area Team of missing students.
8. The Triage Team will monitor students who were exposed to adverse weather conditions (such as extreme cold, heat, or rain) as necessary.
9. The Planning and Intelligence Team will consider the impact of weather (including travel) on field trips and extracurricular activities and advise the Incident Commander if activities should be curtailed.
10. The Incident Commander will direct the Planning and Intelligence Team Lead or another authorized user to open an iSTAR on the incident.
11. The Incident Commander will notify and update parents via Blackboard Connect.

Powered by BoardOnTrack

12. The Incident Commander will initiate a Relocation if warranted by changes in conditions.
13. Once the incident has concluded and the campus has been determined to be safe, the Incident Commander will initiate the All-Clear action.

7.17.2 Rain Procedures

Rain can cause sudden or gradual flooding, impede driving conditions, and/or be accompanied by lightning. Before every rainy season, school plant managers should be reminded to:

- Check all ground-level drains and drainage areas to make sure they are free of debris and work properly. Clogged drains should be reported for repair since they can cause flooding and building damage.
- Inspect roof scuppers and drains to make sure they work properly.
- Request sandbags and plastic sheeting from the operational area that can be used to divert water away from doors.

Flood/Flash Flood

A Flash Flood may accompany rain or may appear suddenly as a result of storm conditions elsewhere in Southern California and may impede driving.

Hail

Hail can damage buildings and equipment, possibly injure students or adults (depending on the size of the hailstones) and may be accompanied by unusually cold weather.

Landslide/Debris Flow

Landslides can be caused by a variety of factors including earthquakes, storms, fire, and by human modification of land. Landslides can occur quickly, often with little notice. In a landslide, masses of rock, earth, or debris move down a slope.

Debris and mud flows are rivers of rock, earth, and other debris saturated with water and develop when water rapidly accumulates in the ground, during heavy rainfall or rapid snowmelt. They can flow rapidly, striking with little or no warning, and may travel several miles from their source, growing in size as they pick up trees, boulders, cars, and other materials.

Thunder/Lightning

All thunderstorms produce lightning and are dangerous. Stop all outdoor activities and move activities indoors if you hear thunder or see lightning. Wait 30 minutes after the storm to resume outdoor activities.

Wind

High winds can create power outages, knock down trees and utility lines, and remove exterior building materials (such as gutters and shingles). Caution should be taken in areas where pop-up canopies, dining table umbrellas, tree branches or other objects may become airborne and exposed to wind damage. Students and staff should be kept away from these areas while high winds are present.

7.17.3 Funnel Clouds/Tornado Procedures

Funnel clouds and tornadoes are possible in the Los Angeles area. If a funnel cloud is sighted or a tornado warning is issued, immediately move all students indoors. Basements offer the best protection. Schools without basements should use interior rooms and hallways on the lowest floor, away from windows and other sources of glass. Rooms with large roof spans (e.g., gymnasiums, cafeterias, and auditoriums) offer little or no protection from tornado-strength winds. Students should sit facing an interior wall, elbows to knees, with hands over the back of their heads, and remain in position until an all-clear is sounded.

1. The principal or designee becomes the Incident Commander, activates the school ICS Team, and will initiate the appropriate emergency function, Shelter in Place.
2. The Incident Commander makes the following announcement over the PA system or an alternate method of communication: “Your attention please. We are implementing an Indoor Activities Schedule, due to severe weather. Students and staff are to remain inside the building away from windows. Sit on the floor, face the wall, and protect your head with your arms. All students and staff that are outdoors are to immediately move to the protection of an inside room. As soon as we have further information, we will share it with you.” NOTE: The principal may initiate an Indoor Activities Schedule to further protect school community from environmental discomforts. This is accomplished by closing all doors and windows and running the air conditioning, as HVAC systems can improve air quality, due to better filtration than typical home systems. For greater detail, refer to REF-5803 Emergency Procedures, Drills and Districtwide Emergency Exercises.
3. If indoors, teachers will keep students in the classroom until further instructions are given.
4. If outdoors, students will proceed to their classrooms if it is safe to do so. If not, teachers or staff will direct students into the closest classrooms or school buildings. Teachers are to account for any students with a cognitive disability who may not have understood the directions. Teachers are to take roll and to notify the office with the number and names of students in the room with them.
5. The Incident Commander will notify 911 and School Police at (213) 625-6631 and will describe the nature and extent of the incident.
6. The Incident Commander will notify the Region Administrator of Operations and/or Operations Coordinator of the emergency situation. Region personnel will call the Region Public Information Officer with information on the situation.
7. The Incident Commander or Public Information Officer will monitor local news outlets and NOAA weather alert radio and initiate further actions as appropriate.
8. Teachers will take attendance to account for students and notify the office of missing students.
9. The Incident Commander will direct the Planning and Intelligence Team Lead or another authorized user to open an iSTAR on the incident.
10. The Incident Commander will notify and update parents via Blackboard Connect.
11. The Incident Commander will initiate a Relocation if warranted by changes in conditions.

Powered by BoardOnTrack

12. Once the incident has concluded and the campus has been determined to be safe, the Incident Commander will initiate the All-Clear action.

7.17.4 Heat Procedures

The intensity of exercise activities must be limited or modified whenever the Heat Index is above 95°. Details are available in BUL-963 Guidelines for Preventing Heat Stress. A useful resource that calculates the heat index and offers heat safety tips is the OSHA smartphone app, the OSHA Heat Safety Tool. For information specifically geared towards employees, the California Division of Occupational Safety and Health provides a website with valuable information to help protect employees from heat-related illnesses at http://www.dir.ca.gov/DOSH/HeatIllnessInfo.html.

Modifying Athletic Activities During Excessive Heat

During times of excessive heat, the following precautions need to be taken for outdoor physical activity which includes recess, physical education, recreation, and competitive sports:

- Adequate water must be available. If adequate water is not available, physical activity must be modified. During the activity, periodic drinking of water every 15 to 30 minutes should be encouraged.
- Staff and all personnel supervising physical activities, including Youth Services personnel, should observe students during activity periods and modify activities. Students known to have health problems should be closely observed and their activity modified or restricted.

Strategies for Preventing Heat Stress During the School Day

- A “cool room” should be established for use by students showing early signs of heat stress. This room should provide maximum coolness possible. During excessive heat the “cool room” should be available for use at all times during the school day.
- Hold events indoors with air conditioning when possible. Shade should be made available in outdoor areas.
- Use current medical health history to identify students susceptible to or at high risk for heat related injuries. Students identified as high risk should be removed from participation at a lower Heat Index. These would include:
  - Students with history of previous heat illness
  - Students with current illnesses and/or health sensitive medical conditions
  - Students who have experienced recent injuries

7.17.5 National Weather Service Hazardous Weather Alert Definitions and Procedures

The National Weather Service issues three distinct categories of hazardous weather alerts, covering all manner of weather events. Schools will receive weather alerts via NOAA weather radios or mass media outlets. More information is available in the REF-5435 NOAA Weather Radio All-Hazards Alerts and at https://www.lausd.org/noaa.

Watch - when the risk of hazardous weather has increased significantly, but its occurrence, location or timing is still uncertain. A “watch” is intended to provide enough lead-time to set

emergency plans in motion. A watch means that hazardous weather is possible, and schools need to listen for later information and possible warnings. If a weather watch is issued, schools in the affected area should:

- Review the ISSP and confirm staff assignments for emergency positions
- Consider if field trips and extracurricular activities should be adjusted/cancelled
- Review Blackboard Connect emergency contact lists for staff and students
- Monitor local weather via www.weather.gov and/or a NOAA weather radio
- Inspect the campus for conditions that could cause damage

Advisory - issued when a hazardous weather event is occurring, imminent or likely. Advisories are for less serious conditions than warnings that cause significant inconvenience. If caution is not exercised, conditions could lead to situations that may threaten life or property. If a weather advisory is issued, schools in the affected area should:

- Review the ISSP
- Check emergency supplies
- Consider if extracurricular activities, field trips, and after-school programs should be adjusted/cancelled
- Plan for a modified activity schedule
- Move outdoor equipment out of harm's way
- Monitor local weather via www.weather.gov and/or a NOAA weather radio
- Check school site for hazards and exposures that can be mitigated
- Send a Blackboard Connect message if extracurricular activities may be impacted

Warning - issued when a hazardous weather event is occurring, imminent or likely. A warning means weather conditions pose a threat to life or property. People in the path of the storm need to take protective action. If a weather warning is issued, schools in the affected area should:

- Activate ISSP
- Stage emergency supplies in a location protected from weather
- Send Blackboard Connect message, update school website, and school social media accounts to notify parents
- Notify Region Operations of actions
- Take proactive steps to protect students and staff
- Cancel activities, field trips, and after-school programs if expedient to do so

ICS Definitions for Schools

Incident Command Team:

Incident Commander - responsible for directing emergency operations

Public Information Officer (PIO) - official spokesperson for an incident

Safety Coordinator - ensures that emergency operations are conducted safely

Planning/Intelligence Lead - responsible for collecting and evaluating information

Operations Lead - responsible for managing all tactical operations at an incident

Logistics Lead - provides all incident support needs, such as, facilities, transportation, communications, supplies/equipment, and food services

Finance/Administration Section Lead - responsible for managing all financial aspects and paperwork of an incident

Emergency Teams:

Triage Team - performs triage and provides medical assistance, ensures supplies are accessible, and evacuates and stages supplies

School Site Crisis Team - provides psychological/emotional support for students and staff

Search and Rescue Team - performs search and rescue operations

Access and Functional Needs Position - ensures the safety of students and adults with access and functional needs during drills and emergencies

Security/Utilities Team - ensures school site security and performs short-term repairs and shutoff of utilities

Fire Suppression/Hazmat Team - extinguishes small fires and evaluates chemical spills

Assembly Area Team - ensures safe evacuation and accounting for all students, staff, and visitors

Request Gate Team - processes requests for student pick-up

Reunion Gate Team - reunites students and parents at Reunion Gate

Supply/Equipment Team - ensures adequate equipment and supplies

Hygiene Team - provides all necessary sanitation-related support

Transportation Support Position - coordinates transportation assets and plans, such as, for an off-site relocation from the school

8. Appendices

Documentation/Communications Position - maintains emergency log, analyzes situation, and updates Incident Commander

Cost/Staff Accounting Position - maintains accurate emergency time records for all site-based and itinerant employees

Incoming Phone No.:_____

I. REPORT OF PERSON RECEIVING CALL

Keep the caller on the line as long as possible (ask caller to repeat statements, ask more questions) and signal to another person to call police.

Questions for Caller

Ask the caller the following questions and write answers in the spaces below:

Explosive Device Information:

Where is the explosive device? (Get most specific information as possible.)

_____

When is it going to explode?_____

What kind of explosive device is it? _____

What does it look like? _____

Who set the explosive device?_____

Why was the explosive device set?_____

What can we do for you to keep the device from exploding? _____

_____

Caller Information:

What is your name? _____

How old are you? _____

Where do you live? _____

Powered by BoardOnTrack

(If voice youthful) Are you making this threat to avoid taking a test/final? _____

Are you a member of a terrorist organization? Which one?

_____

How can you be contacted? _____

Emergency Drill Evaluation Worksheet

All emergency drill evaluations must be submitted at http://emergencydrills.lausd.net. Schools are expected to submit an evaluation after each emergency drill and radio test. **For best results, complete the emergency drill evaluation online using a cell phone during the drill.** Responses may also be entered on this form and then transferred to the online drill evaluation system after the drill using a desktop computer, tablet, or cell phone. Questions with an * require a response.

*School**: _____

*Today's Date**: _____

*First Name**: *Last Name**: _____

*Email Address (use lausd.net)**: _____

1) Drill Type*:

- ☐ Fire
- ☐ Earthquake
- ☐ Lockdown
- ☐ Shelter in place
- ☐ Take cover

2) Select One*:

- ☐ New drill submission
- ☐ Drill resubmission
- ☐ Actual emergency

3) Date Conducted*: _____

4) Time Started*: _____

5) Time Completed (including accounting for everyone)*: _____

6) Alert Type*:

- ☐ Bell/tone
- ☐ PA system
- ☐ Megaphone
- ☐ Whistle
- ☐ Other

7) How many minutes did evacuation take? If no evacuation, respond "0."*:

8) Did everyone on campus participate?*: Yes / No

9) If parents/guardians participated, what were their roles?:

_____

_____

_____

10) How were parents/guardians notified about the drill?*:

- ☐ Letter Sent Home
- ☐ Blackboard Connect
- ☐ Newsletter
- ☐ Sign at Marquee/Entrance
- ☐ School Website/Calendar
- ☐ No Notification
- ☐ Other:

11) Was an Incident Command Post established?*: Yes / No

12) Did an employee take the School Emergency Response Box to the assembly area/command post?*: Yes / No

13) How was the school's Integrated Safe School Plan (ISSP) used for the drill?* (Mark all that apply):

- ☐ During the planning of the drill
- ☐ During the execution of the drill
- ☐ After the drill
- ☐ Did not use the ISSP

14) Comments regarding the ISSP:_____

_____

15) Rate each of the below aspects of the drill. Five is the highest.

a) Student performance of emergency procedures*

- 5
- 4
- 3
- 2
- 1
- n/a

b) Employee performance of emergency duties and procedures*

- 5
- 4
- 3
- 2
- 1
- n/a

c) Emergency team(s) performance of duties*

- 5
- 4
- 3
- 2
- 1
- n/a

d) Accounting for everyone*

- 5
- 4
- 3
- 2
- 1
- n/a

e) Alert system*

- 5
- 4
- 3
- 2
- 1
- n/a

16) Did the School Safety Planning Committee and/or Emergency Team Leads debrief after the drill?*: Yes / No

17) List the top lesson learned from this drill and how it will be addressed:

_____

18) What District training support would improve emergency drills and/or preparedness?:

_____

A drill certificate of completion will be emailed upon submitting this evaluation online. Emails containing drill and radio test certificates and response summaries should be archived. Drill certificates should be printed and retained in the emergency drill logbook for proof of compliance during inspections. Questions can be directed to oem@lausd.net or 213-241-3889.

Approval of Resolution for Notice of Intent to Withdraw from CharterSafe

Section: IV. Action Items
Item: E. Approval of Resolution for Notice of Intent to Withdraw from CharterSafe
Purpose: Vote
Submitted by:
Related Material: IV_E_Resolution for Notice of Intent to Withdraw from CharterSafe.pdf

Agenda Item:	IV E: Action Item
Date:	February 13, 2025
To:	Magnolia Educational & Research Foundation dba Magnolia Public Schools ("MPS") Board of Directors (the "**Board**")
From:	Alfredo Rubalcava, CEO & Superintendent
Staff Lead(s):	Steve Budhraja Ed.D, Chief Financial Officer
RE:	Approval of Resolution for Notice of Intent to Withdraw from CharterSafe

Action Proposed:

I move that the Board approve the Resolution for Notice of Intent to Withdraw from CharterSafe.

Purpose:

The purpose of this resolution is to allow MPS to shop for the best service and rate for Workmen's Compensation and Property & Liability Insurance for the upcoming 2025-26 Fiscal Year and beyond.

Background:

MPS currently uses CharterSafe as our insurance provider for both property and liability and workers' compensation coverage for organization. We note that the annual premiums for our insurance coverage have risen over the years despite the fact that MPS has worked hard to reduce the number of outstanding claims. We are interested in seeking input from other insurance providers for property and liability and workers' compensation coverage in order to provide insurance coverage for the organization at a reasonable price.

Analysis:

We note that insurance premiums continue to rise in California due to various circumstances. MPS staff work diligently to manage existing claims and prevent future claims as it relates to Workmen's compensation and Property & Liability Insurance. We anticipate premiums to rise again during the upcoming year and would like to evaluate multiple carriers to ensure that MPS is getting the best value for its dollar.

Impact:

The potential change to insurance carrier would result in MPS moving from CharterSafe to another insurance carrier to provide equal services at lower costs.

Budget Implications:

The budget implications have not yet been determined as of yet. We will provide this information as move forward with discussions from other insurance providers. This information will be presented to the Board prior to our July 1st Budget Adoption.

Exhibits:

- Resolution for Notice of Intent to Withdraw from CharterSafe.

RESOLUTION FOR NOTICE OF INTENT TO WITHDRAW FROM CHARTERSAFE

WHEREAS,Magnolia Public Schools (MPS), is a California nonprofit corporation operating public charter schools, and does hereby adopt the following resolution pursuant to the provisions of Title 1, Division 7, Chapter 5, Articles 1 through 4 (Section 6500 et seq.) of the California Government Code, relating to joint exercise of powers, between and among California charter schools, school districts, and other government entities which operate public schools.

WHEREAS, CharterSAFE requires that its members pass a Board Resolution prior to notifying its intent to withdraw from their self-insurance program. This is merely a notice that MPS intends to explore alternative insurance providers and does not preclude MPS from continuing to obtain insurance through CharterSAFE; and

WHEREAS, Charter School CEO or his designee, is also hereby authorized to execute any and all documents as necessary to carry out the purpose of this resolution.

WHEREAS, the Board has reviewed, fully considered, and vetted the relevant facts and circumstances concerning this resolution;

WHEREAS, the Board has determined that it is in the best interest of MPS to approve this Resolution;

NOW, **THEREFORE**, **BE IT RESOLVED** that the Board of MPS adopts this resolution.

PASSED AND ADOPTED by the Board of Directors at a Regular Meeting held February 13, 2025 by the following vote:

Approval of Pacific Charter School Development as Project Manager for 18120 Sherman Way Project for Magnolia Science Academy-7

Section: IV. Action Items
Item: F. Approval of Pacific Charter School Development as Project Manager for 18120 Sherman Way Project for Magnolia Science Academy-7
Purpose: Vote
Submitted by:
Related Material:
IV_F_Pacific Charter School Development as Project Manager for 18120 Sherman Way Project for MSA-7.pdf

z]=

Agenda Item:	IV F: Action Item
Date:	February 13, 2025
To:	Magnolia Educational & Research Foundation dba Magnolia Public Schools ("**MPS**") Board of Directors (the "**Board**")
From:	Alfredo Rubalcava, CEO & Superintendent
Staff Lead(s):	Patrick Ontiveros, General Counsel & Director of Facilities Mustafa Sahin, Project Manager Katrina Jimenez, Assistant Project Manage
RE:	Approval of Pacific Charter School Development as Project Manager for 18120 Sherman Way Project for Magnolia Science Academy-7

Action Proposed:

MPS staff recommends and moves that the Board approve the selection of Pacific Charter School Development, Inc. (PCSD) a California nonprofit public benefit corporation, to provide project management services for the 18120 Sherman Way Project for the benefit of Magnolia Science Academy-7 for a total fixed fee of not to exceed $375,000 for the duration of the Project, expected to be approximately twenty (20) months and further approve that MPS Staff be authorized to negotiate and sign a professional services contract for said services in such form as MPS Staff may deem appropriate and in the best interests of MPS.

Purpose:

The purpose of this approval is to engage PCSD as the project manager for the improvement of the property at 18120 Sherman Way (the "Property") into a campus for MSA-7. PCSD will provide strategic oversight to ensure the project is completed on time, within budget, and in compliance with regulatory and funding requirements.

Background:

MSA-7's Current Facility & Lease Constraints

MSA-7 currently operates under a lease at 18355 Roscoe Blvd, which expires after the 2026-27 school year. Attempts to negotiate a lease extension were unsuccessful due to significant

rent increases and restrictive conditions required by the landlord. In addition, the lack of signage at the current site has hindered MSA-7's visibility, marketing efforts and subsequent enrollment growth.

Purchase of 18120 Sherman Way

In December 2024, the MPS Board approved the purchase of 18120 Sherman Way for $7.6 million to serve as MSA-7's new permanent campus. Due diligence has been completed, confirming the property is suitable for adaptive reuse as a school. MPS secured an acquisition loan from CLI Capital, with additional funding sources being explored for construction and renovations.

Pacific Charter School Development

In order to ensure that the Project has the best chance of success MPS Staff believes it is in the best interest of MPS and MSA-7 to engage additional professionals. Pacific Charter School Development, Inc. ("PCSD") is unique in that it is the only non-profit charter school facility developer in the State of California. PCSD was founded in 2004 by former President & CEO Glenn Pierce, Kim Smith and James Willcox, then of the NewSchools Venture Fund. The organization was formed to address the single greatest hurdle that high-quality charter schools face in educating urban children – securing adequate academic campuses. Recognizing this need, the three founders designed an organization that could marshal resources of the leading members of the philanthropic and socially-conscious community to produce new school seats in low income communities with the greatest need. NewSchools Venture Fund was instrumental in providing the seed capital and expertise required to establish the organization. Since PCSD's inception, NewSchools has been joined by The Broad Foundation, The Walton Family Foundation, and The Bill and Melinda Gates Foundation as providers of project equity. Operational support has been provided by these same organizations along with the Pisces Foundation, The Ahmanson Foundation, and The Weingart Foundation

Role of PCSD in Project Management

PCSD will be responsible for the day to day project management for the Project. At the outset, PCSD will validate the schedule and budget previously prepared by MPS Staff for the Project.

PCSD is also considering a $2M investment in the Project. The $2M will be in the form of a low interest subordinate loan payable in a few years from the occupancy.

Analysis:

Bringing PCSD on board for project management services will ensure that the Project for MSA-7 stays on track, on budget, and fully compliant with all necessary approvals. PCSD's investment, a low cost subordinated loan,

PCSD's $2 million investment helps offset upfront costs, and their structured approach will ensure tight budget control, smooth coordination with vendors, and proactive problem-solving. Having a dedicated team managing each phase—from pre-construction planning to project closeout—gives MPS the support needed to navigate complexities and avoid costly delays.

Impact:

Partnering with PCSD provides the oversight, financial accountability, and risk management needed to deliver MSA-7's permanent home efficiently and effectively. Their project management services will help keep costs in check, streamline construction, and prevent unnecessary delays, ensuring the new campus is ready on time. This investment not only secures a stable, long-term facility for MSA-7, but also allows MPS to move away from costly lease agreements, increase enrollment capacity, and create a better learning environment for students.

Budget Implications:

After reviewing MSA 7's 2024-25 Second Interim Report, we note that the school is projecting an operating surplus of only $57,350. This amount is relatively minimal given the schools current operating budget which exceeds $6.0 million. Based on the constraints of the MSA 7 operating budget, we believe that it is beneficial to partner with a third-party to help absorb these initial costs for pre-construction thereby allowing MSA 7 to capitalize these expenses over a multiyear period. We believe that this is the best approach to moving forward with MSA 7 pre-construction to begin tenant improvements and ultimately occupying the school for our students.

Re: Magnolia Science Academy 7 Adaptive Reuse of Bank Building located at 18120 Sherman Way, Reseda

Dear Patrick:

Pacific Charter School Development ("PCSD") is pleased to present you with our proposal for Project Management services for the adaptive reuse and expansion of your current school campus ("Project"). Based on our previous conversation and our experience as the largest developer of charter schools in the U.S., we understand your current project needs and have the expertise to assist in further defining the project. Our specific capabilities include:

- Since 2004 we have completed over 100 new charter facilities projects serving more than 42,000 students in Southern California, the Bay Area, and Washington State.
- As a non-profit and mission-based organization focused on delivering high-quality and low-cost charter school facilities, we mitigate client risk by providing affordable funding solutions and providing technical expertise to ensure projects are completed on time and within budget.
- We deploy a team of experienced professionals to manage the entire facilities development process, including project scoping, design, cost estimating, financing, construction bid and award, and construction.
- We have extensive experience managing and successfully delivering privately funded and state bond-funded charter school projects with prevailing wage requirements.

We are excited about the opportunity to work with Magnolia Public School and look forward to further discussing our proposal with you. I can be reached with any questions at (310) 614-6895 or john@pacificcharter.org.

Sincerely,

John Sun
Chief Executive Officer

PROJECT MANAGEMENT SERVICES

PCSD is prepared to provide project management services over an 18-month duration starting July 1st, 2024 to clarify project requirements to renovate and add to an existing bank building to create a 18,000 sf facility including classrooms, servery and administrative office space. The purpose of project scoping will be to validate the school's program in the design and masterplanning, assess required entitlements and approvals, define preliminary budget and schedule, and assist in evaluating potential financing opportunities and scenarios. PCSD believes with accomplishing these activities, Magnolia will have a clear direction on how to proceed. Below are a sample of the proposed activities:

- ***Project Financing***
    a. Work with Magnolia to confirm affordable debt service for facilities funding.
    b. Explore potential additional funding sources.
    c. Facilitate selection of an appropriate financing structure with the board and school leaders.

- ***Pre-Construction***
    a. Refine and validate project budget, create cash flow projections, track project spent-to-date against budget line-items.
    b. Package and coordinate monthly draw requests for funding and review and approve consultant/vendor invoices for monthly payment by client.
    c. Procure per client procurement policy, review, compare, and negotiate proposed contractor bids in order to finalize Schedule of Values and contract value.

- ***Construction***
    a. Review vendor submittals for finishes and materials.
    b. Oversee development of detailed construction schedule, establish critical path, and ensure that timeline is maintained through delivery.
    c. Facilitate review and response for submittals and RFIs requiring input and decisions by client.
    d. Approve general contractor's monthly progress payment and submit any required requests for funding.
    e. Manage project budget and financial tracking, providing at least monthly updates on budget to actual expenditures.
    f. Identify variances from budgeted amounts, including exposures against construction contingencies.
    g. Advise client on contingency use for proposed change orders, wish list items and keep client updated on status of contingency funds throughout construction.
    h. Coordinate proposed change order process, including documentation requirements. Review, manage and negotiate Proposed Change Orders.
    i. Ensure all punch list defects are addressed.
    j. Coordinate with General Contractor to ensure that all final inspections are scheduled and passed in order to meet the project delivery date and to obtain Certificate of Occupancy.

- ***Post Construction***
    a. Obtain closeout documentation including: Warranties and guarantees and lien releases.

b. Assist in preparing any financing/funding closeouts, convert construction loans to permanent loans, if necessary.
c. Reconcile project accounting for handover to client.
d. If applicable, assist LEED/CHPS consultant in submission of final certificate application and distribution of certification upon receipt.

FEE STRUCTURE

With an estimated 20-month duration, our services will be a fixed fee of $375,000, exclusive of reimbursable expenses. The fee will be due in 20 monthly payments of $18,750, determined by the total fee amount divided by the project's estimated duration. We believe it is in our clients' best interests to have a single fee without the uncertainty of unforeseen costs.

PROPOSED STAFF

PCSD has an experienced staff with a proven track record and relies primarily on its in-house expertise to provide cost-effective services. Principals identified below are John Sun, Chief Executive Officer, and Akil Manley, Regional Director. Day-to-day project scoping will be provided by Project Director, Joe Wilson, and financing support will be provided by Finance Director Tina Lin. Our team members' qualifications are described below, and resumes are available upon request:

- John Sun, Chief Executive Officer - Before joining PCSD, John worked within the Los Angeles Unified School District to fund innovative facilities solutions for charter schools. He was also Vice President of New School Development at Green Dot Public Schools and oversaw Green Dot's growth strategy, advocacy, community outreach, and student recruiting efforts. As Director of Real Estate Development for Green Dot, he developed eight permanent charter school campuses in Los Angeles. His previous professional experience also includes work in community redevelopment and as a consultant with PwC. John holds a Master of Public Policy from the University of Southern California and a B.A. from the University of California at Berkeley.

- Akil Manley, Regional Director - Akil has spent his career in real estate development focused on enhancing communities by developing facilities that support the underserved. He has led the development of urban infill new construction and adaptive reuse projects, entailing acquisitions, entitlements, design, construction, and disposition. Akil brings over 20 years of experience, having developed over 1.5MM square feet and $750MM in projects throughout Northern and Southern California. Akil is a graduate of the University of California, Riverside, and University of Southern California, Sol Price School of Public Policy.

- Joseph Wilson, Project Director - Joseph has over 20 years of real estate development experience, including entitlements, design, and construction. Before joining PCSD, he worked as a project manager overseeing numerous commercial real estate developments and approximately 35 childcare facilities. He has B.A. and J.D. degrees from Brigham Young University.

- Tina Lin, Finance Director - Tina has facilitated over $300 million of financing for private and publicly financed charter school facility projects throughout California. She has modeled the

financial feasibility of countless projects, determining affordability with single-site and CMO-operated organizations, and educated school boards and leaders on effective financing plans. Tina has structured and negotiated acquisition and construction loans for 30+ projects and facilitated successful closings of loans with follow-up for loan conversions, loan administration, and financing exits. Prior to PCSD, Tina worked for U.S. Bank's Community Development Corporation and financed an array of real estate projects and commercial businesses, including several charter schools, through the New Markets Tax Credit, Historic Tax Credit and Renewable Energy Tax Credit programs. Tina has a Master's of Real Estate Development from USC and graduated from MIT with a Bachelor's of Science in Architecture Design.

Approval of Construction Manager to Provide Pre-Construction Services for Magnolia Science Academy-2 16600 Vanowen Project

Section: IV. Action Items
Item: G. Approval of Construction Manager to Provide Pre-Construction Services for Magnolia Science Academy-2 16600 Vanowen Project
Purpose: Vote
Submitted by:
Related Material: IV_G_Pre-Construction Services for MSA-2 at 16000 Vanowen Street.pdf

Agenda Item:	IV G: Action Item
Date:	February 13, 2025
To:	Magnolia Educational & Research Foundation dba Magnolia Public Schools ("**MPS**") Board of Directors (the "**Board**")
From:	Alfredo Rubalcava, CEO & Superintendent
Staff Lead(s):	Patrick Ontiveros, General Counsel & Director of Facilities Mustafa Sahin Project Manager Katrina Jimenez, Assistant Project Manager
RE:	Approval of Del Amo Construction to provide Pre-Construction Services for MSA-2 at 16000 Vanowen Street

1. ***Action Proposed:***

   MPS staff recommends and moves that the MPS Board approve the selection of Del Amo Construction ("**DAC**") to provide pre-construction services for Magnolia Science Academy-2's new construction project (the "**Project**") at 16600 Vanowen Street in Van Nuys (the "**Property**") for a total fee of $104,955 and further approve that MPS Staff be authorized to negotiate and sign a professional services contract for said services in such form as MPS Staff may deem appropriate and in the best interests of MPS.

2. ***Purpose:***

   The purpose of this proposed action is to approve the selection of Del Amo Construction to provide pre-construction services for MSA-2's new site at 16600 Vanowen Street. DAC's early involvement will facilitate design feedback and strategic recommendations to ensure the Project is delivered on time and within budget.

3. ***Background:***

   MPM 16600 Vanowen Street LLC closed escrow on the property at 16600 Vanowen Street on February 27, 2023 and leases the property to MPS for the benefit of MSA-2.

   On December 26, 2024, MPS staff released a Request for Proposals (RFP) for pre-construction services. The following four firms submitted proposals:

   - Del Amo Construction
   - Oltmans Construction
   - EPI Construction
   - Milender White Construction

   A selection committee was formed to evaluate the proposals. After reviewing the submissions, attending presentations, and conducting interviews on February 5, 2025, MPS staff determined that Del Amo Construction was the best fit for the project.

Key factors influencing the selection of DAC included:

- Team composition and expertise
- Extensive experience with school construction projects, particularly charter schools in Los Angeles
- Quality and thoroughness of the RFP response
- Commitment to schedule and budget adherence

Del Amo Construction's response to the RFP is attached as **Exhibit A**.

4. ***Analysis & Impact:***

Currently, MSA-2 is co-located at 17000 Haynes St, Van Nuys, CA 91406, on Birmingham High School's campus, serving 513 students. While MSA-2 previously had a long-term facility use agreement with LAUSD, it is now subject to a Proposition 39 use agreement that expires at the end of the 2025-26 school year, with no guarantee of renewal.

Beyond the uncertainty of continued space availability, the existing site does not meet the long-term needs of MSA-2. The current facilities include:

- 16 classrooms
- 1 special education room
- 1 office
- 1 staff lounge
- 1 changing room

These limited facilities are inadequate for a student population of over 500 students and do not allow for the school's anticipated growth.

5. ***Budget Implications:***

MSA-2 will pay DAC's fees for the Project from its operating budget, and the expenses will be reimbursed from the construction budget. Future development costs will be paid for from the proceeds of any financing arranged for the Project. Based on the most recent financial projections, MSA 2 should be able to maintain a budget surplus and meet its financial obligations through the remainder of the 2024-25 school year.

PROPOSAL FOR PRECONSTRUCTION SERVICES
January 17, 2025

MAGNOLIA PUBLIC SCHOOLS
MAGNOLIA SCIENCE ACADEMY 2 MIDDLE AND HIGH SCHOOL

To: Mustafa Sahin | msahin@magnoliapublicschools.org

Dear Mustafa,

Del Amo Construction is honored to submit our proposal for preconstruction services for the Magnolia MSA-2 project. With decades of experience delivering innovative and tailored construction solutions for educational institutions, we are uniquely positioned to support Magnolia Public Schools in creating a safe, inspiring, and STEAM-focused learning environment.

Our extensive portfolio includes charter school projects such as Vaughn Next Century Learning Center, Arts in Action School, and Alliance Judy Ivie Burton Tech Academy. In each of these endeavors, we collaborated closely with stakeholders to deliver projects that met tight timelines, adhered to budgets, and aligned with the schools' missions. These experiences have refined our expertise in budget development, feasibility assessments, and strategic scheduling—critical foundations for successful preconstruction planning.

At Del Amo Construction, our commitment to quality, collaboration, and integrity mirrors Magnolia's dedication to fostering respect, innovation, and creative thinking. We are passionate about designing sustainable, future-ready spaces that empower students to succeed and align with your mission of transformative education.

To ensure the success of the Magnolia MSA-2 project, we have assembled a highly skilled team dedicated to delivering the highest standards of safety, efficiency, and craftsmanship. We are confident that our collaborative approach and proven track record make us an ideal partner for this important project.

Please do not hesitate to contact me at jcave@delamoconstruction.com or (310) 892-5230 with any questions or to discuss next steps. We look forward to partnering with Magnolia Public Schools to bring this important project to life.

Sincerely,

Jason Cave
Principal

YOUR PRECONSTRUCTION PARTNER

Comprehensive Support, No Matter the Scale:

Cost & Logistics Expertise: From initial estimates to detailed costing, we manage all logistical and structural aspects, ensuring seamless project execution.

Subcontractor Selection: Access to over 3,000 pre-vetted subcontractors ensures the best fit for your project, with a focus on quality and constructability.

Constructability Focus: Our team evaluates constructability at every stage, integrating value engineering and efficiency into the preconstruction process.

Clear and Consistent: We keep you informed with regular updates, ensuring transparency and collaboration throughout the preconstruction phase.

Why Choose Us:

Expertise for Every Project: Whether small or large, our tailored solutions in preconstruction, costing, logistics, and constructability are designed to meet your needs.

Scalable Quality: No matter the project size, we maintain rigorous standards and deliver precise execution.

Client-Centric Approach: Your vision drives our process, ensuring outcomes that align with your expectations.

Proven Track Record: Our history of successful projects and satisfied clients demonstrates our commitment to delivering exceptional results, ensuring your project is in capable hands.

CONSTRUCTING YOUR VISION

The Best Building Experience Ever:

Site Management & Safety: Our team ensures a secure and efficient job site, prioritizing safety and maintaining meticulous oversight throughout the construction process.

Subcontractor Coordination: We expertly manage subcontractors, fostering seamless collaboration and adherence to timelines, ensuring consistent quality throughout the project.

Quality Assurance: We implement strict quality control protocols, from material inspections to final handovers, ensuring every detail meets the highest standards.

Milestone Tracking & Communication: We provide regular updates on project progress, keeping you informed and ensuring alignment with the schedule and budget.

Why Choose Us:

Adaptable Solutions: We customize our construction approach to meet the unique needs of your project, ensuring flexibility without compromising on quality.

Innovative Construction Techniques: We utilize the latest construction methods and technologies to enhance efficiency, reduce costs, and deliver superior outcomes.

Sustainability Focus: We integrate sustainable practices into our construction processes, promoting environmental responsibility and long-term value.

Collaborative Teamwork: Our collaborative approach fosters strong partnerships with all stakeholders, ensuring that everyone is aligned and working towards a shared vision.

Overview
Del Amo Construction successfully completed the demolition of the existing main administration/office building and surrounding areas at Vaughn Next Century Learning Center, a conversion charter school operated by Vaughn since 1993. The project included the removal of walkways, shade structures, and underground utilities. We constructed and coordinated LADWP electrical site consolidation and relocated fire alarm, intrusion alarm, and PA systems to a temporary campus location during construction. We built a permanent two-story, approximately 24,000 sq. ft. structure featuring six learning pods (equivalent to 12 classrooms) to accommodate 259 students. The new building includes health and administrative offices, a media/literacy pod, an elevator, a food service commercial kitchen, outdoor student seating, a gathering area, and a marquee.

Overview
This project involved the ground-up construction of a multi-story classroom building designed to enhance educational facilities for students at Vaughn's Middle School for International Studies and Technology. The new Type II-B structure spans three stories and encompasses 30,000 square feet. It features 21 standard classrooms equipped with modern teaching technology, a dedicated music room designed for optimal acoustics, and a versatile multi-purpose room that can accommodate a variety of activities, from assemblies to group learning sessions.

The building incorporates energy-efficient systems, such as LED lighting and a state-of-the-art HVAC system, to provide a comfortable and sustainable learning environment. The design includes durable yet aesthetically pleasing materials, ensuring long-term functionality while blending seamlessly with the existing campus architecture. The project also involved extensive site work to create accessible pathways and outdoor learning areas, contributing to an engaging and collaborative campus experience.

Contract Value
$5,295,190- Original
$5,399,900- Final

Overview
This project for Arts in Action Middle School involved the construction of a two-story, 15,000 SF ground-up charter school in East Los Angeles. Designed to support a collaborative and engaging learning environment, the facility features 14 modern classrooms equipped with advanced technology, a spacious staff lounge, designated parking with bicycle racks to promote eco-friendly commuting, and an outdoor student dining area.

The project also included a landscaped play yard with durable surfacing for recreational activities, a lunch trellis providing shaded outdoor seating, and ancillary spaces to accommodate administrative and operational needs. Additional site work comprised the installation of a dedicated server room to support the school's IT infrastructure, as well as utility upgrades and enhanced site drainage to ensure long-term functionality.

Meticulous attention was given to creating a welcoming and functional environment while meeting stringent educational and safety standards, delivering a state-of-the-art facility tailored to the needs of the school community.

Overview
The Real Journey Academy Charter High School, nestled in Fontana, is a newly established charter school catering to grades 9 through 12. This modern, multi-story edifice, crafted from sturdy steel and insulated metal panels, serves as the educational haven for 800 high school students and accommodates 45 dedicated staff members.

Spanning an impressive 51,000 square feet, this school boasts an innovative design, featuring 23 classrooms characterized by stylish sloped ceilings, adding an architectural flair. Within its walls, students access various amenities, including a versatile multipurpose space, a fully equipped school kitchen, a cutting-edge media room, dedicated e-sports quarters, and fabrication labs for hands-on learning experiences.

Integrating the outdoors, the indoor cafeteria is bathed in natural light streaming through atrium garage doors that seamlessly open, offering students a breezy connection to outside seating during favorable weather. Furthermore, the school ensures the comfort of its faculty and staff with designated lounges, essential janitorial and storage spaces, alongside comprehensive administrative and health offices.

PROJECT TEAM

RETURN TO TABLE OF CONTENTS

Jason Cave Principal

Jason serves as a Principal of Del Amo Construction, boasting an impressive tenure of over 40 years in the construction industry, with the last three decades dedicated to Del Amo. His extensive expertise spans various sectors, including Commercial, Life Sciences, Education, Institutional, Office, Retail, and Entertainment. Notably, Jason has successfully led projects reaching up to $500 million in recent years. Jason's influence is paramount in cultivating relationships and securing projects through his adept strategic business development planning and execution. He has played a pivotal role in overseeing budgeting, bidding, scheduling, logistics planning, and value engineering within the company. Through meticulous attention to detail and effective management of the estimating team, Jason consistently surpasses clients' expectations in meeting stringent financial commitments.

Beyond his leadership in the preconstruction phase, Jason assumes a crucial role in the comprehensive management of construction projects from their conceptualization to completion. His multifaceted contributions underscore his significance in both strategic planning and hands-on project execution within Del Amo Construction.

Experience

Jason joined Del Amo Construction in 1993 and has served as an Estimator/Project Engineer, Senior Estimator/ Project Manager and then as Chief Estimator/Principal. Prior to joining Del Amo, Jason was a Project Engineer with Lusardi Construction, Inc. where he prepared quantity and cost estimates for multi-million dollar jobs. Jason got his start as a Carpenter/Laborer at Nickerson & O'Day and R.L. Cave Construction.

PROJECT TEAM

RETURN TO TABLE OF CONTENTS

Bennett Akker Director of Preconstruction

As a Director of Preconstruction on projects, Bennett Akker will be heavily involved during the preconstruction phase. His preconstruction responsibilities include preparing accurate and comprehensive estimates of the amounts of materials, equipment, and labor necessary for the construction of the project, reviewing plans and specification requirements as well as performing quantity take offs and pricing calculations.

Experience

Bennett Akker came to Del Amo Construction in 2005 with a strong background in Engineering, Facilities Management and Supervision. His experience encompasses religious facilities, laboratories, schools and commercial projects. Prior to DAC, Bennett served as a Western Region Service Manager at Husky Injection Molding Systems where he oversaw all aspects of the service department including customer relations, sales negotiation, budget management and cost control. Shortly after receiving his Industrial Engineering degree from the University of Washington in 1994, Bennett began his career as a Plant Manager for Rehrig Pacific Company.

Notable Projects

- **Alliance San Pedro** - San Pedro, CA - TI of Existing Building into a Charter School - $3,931,689
- **Alliance Rockwood** - Los Angeles, CA - Construction of a 2-Story Classroom Building, Concrete Parking Lot and Landscape Work - $7,500,000
-
- **Animo Inglewood Charter High School** - Inglewood, CA - Adaptive Re-Use/5-Story School/ Classrooms/MPR/ Subterranean Parking- $3,988,000

Wednesday Moore Lead Estimator/Project Manager

As Lead Estimator at Del Amo, Wednesday is heavily involved during the preconstruction phase with responsibilities that include preparing accurate and comprehensive estimates for the construction of the project, reviewing plans and specification requirements, as well as performing quantity takeoffs. Wednesday handles the day to day management responsibilities of three to five projects, managing them from start to finish and resulting in successful and timely project completion.

Experience

Wednesday Moore is a Lead Estimator at Del Amo Construction (DAC), and has 25 years of construction experience. Her expertise includes a wide-range of industries such as hospitality, multi-family, high-end retail, mixed-use commercial, office and industrial. Prior to joining Del Amo, Wednesday began her career in 1994 working for Oltmans Construction. She has also worked with Peck Jones Construction and Summit Builders where she managed the estimating department utilizing such skills as producing conceptual estimates and post bid negotiations. Wednesday joined DAC in 2013 and has served as a Project Manager and Lead Estimator.

Relevant Projects

VAUGHN LNC

Start Date: Sept 2023
Completed Date: August 2024

Owner: Vaughn Learning Center

Contract Fee: $17,615,608 - Original $21,103,000 - Final

Scope Overview
This project involved the demolition of existing administrative buildings to pave the way for a new two-story, 26,000-square-foot school. The state-of-the-art facility features six learning classroom pods, administrative offices, a media/literacy center, a teacher workroom, and a cafeteria. Additional scope includes new landscaping, an accessible path of travel, parking areas, a monumental sign, and electric vehicle charging stations.

ENVIRONMENTAL CHARTER MIDDLE SCHOOL

Start Date
August 2016

Completed Date
July 2017

Owner
Environmental Charter School

Contract Fee
$2,892,000

Scope Overview
This middle school expansion project included the addition of two new buildings with ten total classrooms, an elevator, new parking lot, and improvements to 35,000 SF of outdoor learning space. One building is a two story, traditionally built wood frame building containing six classrooms. The other two story building contains four new state-of-the-art modular classrooms made from GrowthPoint repurposed shipping containers.

Start Date
Feb 2008

Completed Date
Sept 2008

Owner
Pacific Charter School Development

Contract Fee
$12,901,139

Scope Overview
This LEED-certified project transformed two 1-story manufacturing warehouses into a 77,000-square-foot campus for Green Dot Public Schools, housing Animo Justice and Animo Ralph Bunche Charter High Schools. The adaptive reuse included 48 classrooms, science labs, a library, a multipurpose room, administrative offices, and a gymnasium. A second story was added to one building, along with new landscaping and parking upgrades. Energy-efficient features include skylights, lighting controls, dual-flush toilets, and waterless urinals

ALLIANCE SAN PEDRO HIGH SCHOOL #20

Start Date
May 2014

Completed Date
Jan 2015

Owner
Alliance College Ready

Contract Fee
$3,996,500

Scope Overview
This project involved the renovation of an existing church building into a Charter High School. Phase 1 included six new classrooms and a multipurpose room completed in 4 months on schedule. Phase 2 included the addition of a second floor to a bow truss building to provide fifteen additional classrooms and an elevator. Six existing restrooms were updated and four new restrooms were added. The parking lot was resurfaced and a wrought iron fence with mesh and sliding gates were added.

Approval of Design Build Solicitation for the Magnolia Science Academy-5 Project

Section: IV. Action Items
Item: H. Approval of Design Build Solicitation for the Magnolia Science Academy-5 Project
Purpose: Vote
Submitted by:
Related Material:
IV_H_Design Build Delivery and Contracting Method for the MSA-5 Project.pdf

Agenda Item #:	IV H: Action Item
Date:	February 13, 2025
To:	Magnolia Educational & Research Foundation dba Magnolia Public Schools ("**MPS**") Board of Directors (the "**Board**")
From:	Alfredo Rubalcava, CEO & Superintendent Erdinc Acar, Deputy Superintendent
Staff Lead:	Patrick Ontiveros, General Counsel & Director of Facilities Mustafa Sahin, Project Manager Katrina Jimenez, Assistant Project Manager
RE:	Approval to Explore Use of the Design Build Delivery and Contracting Method for the Magnolia Science Academy 5 Project, Increment No 2 Academic Building, at 7111 Winnetka Ave,

I. Proposed Recommendation and Action

MPS Staff recommends and moves that the Board approve and authorize MPS Staff to evaluate and proceed with the design build delivery and contracting method for increment 2 of the Magnolia Science Academy-5 7111 Winnetka Ave project (the "**Project**") including but not limited to the publishing of a request for qualifications ("**RFQ**") and request for proposals ("**RFP**").

II. Purpose

The purpose of the recommendation is to provide MPS Staff with the approval to evaluate and to commence the process of using the design build delivery method for the Project in order to if it is in the best interest of the Project.

III. Background

CSFP Award

The Project is being funded with an award from the Office of Public School Construction ("**OPSC**") under its Charter School Facilities Program ("**CSFP**"), in an amount equal to $50,838,000. To date, MPS has received approximately $4 million in advance design and $10 million in advance site acquisition funds.

Design

DLR Group is the Architect of Record ("AOR") for the Project. DLR Group's original design, meant to be built on site using ground up construction, was subsequently converted into a "modularized" version where the building components would be built in a factory and then assembled on site. While the "modularized" version of the plans have been submitted to the Division of the State Architect, it has not been approved and so MPS Staff believes that the Project can still be subject to a design build solicitation process to seek out an entity that can both design and build the Project. Under this scenario, the Project would be awarded to an entity that would both provide a design for the Project and build it.

Legal Authority

Design build contracts are specifically allowed under the California Education Code. Sections 17250.10 - 17250.52 of the Education Code prescribe the requirements for engaging a design build entity, including an RFQ and RFP process.

IV. Conclusion / Budget Impact

In the event that MPS Staff determines that it is in the best interest of MPS and the MSA-5 Project to follow a design build delivery method, MPS Staff will return to the Board for further approvals.

The Project will be paid for with an award from OPSC under its CSFP. Presently, estimates show that the Project is over budget (that is, the award from OPSC is not sufficient to cover all expenses of the Project). MPS Staff is evaluating the design-build project delivery method as a way of reducing costs and ultimately delivering the Project at or under budget. Adoption of the recommendations and actions described in this report have no immediate budget implications.

Data Presentation: LCAP Mid-Year Update

Section:	V. Information/Discussion Items
Item:	A. Data Presentation: LCAP Mid-Year Update
Purpose:	Discuss
Submitted by:	
Related Material:	V_A_Data Presentation_LCAP Mid-Year Update.pdf

Agenda Item:	V A: Information/Discussion Item
Date:	February 13, 2025
To:	Magnolia Educational & Research Foundation dba Magnolia Public Schools ("**MPS**") Board of Directors (the "**Board**")
From:	Alfredo Rubalcava, CEO & Superintendent
Staff Lead(s):	David Yilmaz, Chief Accountability Officer
RE:	Data Presentation: LCAP Mid-Year Update

Action Proposed:

N/A

Purpose:

A mid-year update to the Local Control and Accountability Plan (LCAP) and presentation of the report to the Board is a requirement for LEAs as described in the Ed Code.

Background:

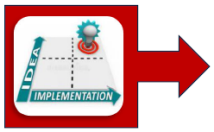
LCAP Mid-Year Update

According to the Ed Code 47606.5, the charter school shall present a report on the annual update to the LCAP and the local control funding formula budget overview for parents on or before February 28 of each year at a regularly scheduled meeting of the governing body of the charter school. The report shall include both of the following:

(A) All available midyear outcome data related to metrics identified in the current year's LCAP.

(B) All available midyear expenditure and implementation data on all actions identified in the current year's LCAP.

Report Requirements



The report shall include the following **from the current year's LCAP**:

All available mid-year **outcome** data (LCAP Metrics).

All available mid-year **expenditure** data (LCAP Expenditures)

All available mid-year **implementation** data (LCAP Actions)

Los Angeles County Office of Education

Final Considerations

LEAs are NOT required to use any specific template. Examples provided are for illustrative purposes only.

The Mid-Year Update is not *adopted* by the governing board/body but rather is an informational report.

The Mid-Year Update is not submitted to the County Office and is not part of the LCAP submission at the end of the year.

Compliance with this requirement will be through the annual fiscal audit.

Los Angeles County Office of Education

LCAP Development Process

The MPS Home Office collaborates with the school leadership teams in ensuring that the LCAP has school-wide goals, annual measurable outcomes and specific actions aligned to the eight

state priorities and that the schools have meaningfully engaged their educational partners in the development of their LCAP.

Throughout the year, the Home Office provides periodical updates on the outcome data (LCAP metrics) and the expenditure data to the schools to help measure schools' progress towards the LCAP targets and actions, guide discussions, share best practices, and plan next steps. The updates are shared during our monthly school leader meetings, and in turn, the leaders share their progress and plans with their educational partners.

As part of the LCAP development process our schools conduct educational partners surveys to engage our educational partners in the evaluation of their experience at MPS. School leadership teams share their reflection on the survey results and findings that identify their greatest progress, greatest needs, and ways to improve so that we can maintain and improve educational quality of our schools on an ongoing basis. The teams complete their reflections and present them to their educational partners in various settings, including presentations at regular meetings of the Board (typically, in April/May).

School leadership teams present their CA School Dashboard results and findings as well as other school performance data to their educational partners at their PAC and ELAC meetings throughout the year. During the year, the MPS Board and the Academic Committee are presented SBAC, CA School Dashboard, NWEA, and other LCAP progress data as well as each MSA's glows, grows, and priorities with next action steps.

LCAP Public Hearing & Adoption

The public hearing of the LCAP and school budgets will be held at the regular meeting of the Board on June 12, 2025. The presentation of local indicators, LCAP adoption, and school budget adoptions will take place at the following board meeting on June 26, 2025.

Analysis:

MPS has a robust timeline for completing the LCAP and the planning process that serves three distinct, but related functions: Comprehensive Strategic Planning, Meaningful Educational Partners Engagement, and Accountability and Compliance. The timeline has a calendar of activities, including LCAP metric progress updates, data analysis meetings, LCAP goal analysis sessions, PAC meetings, and many more activities that help our schools develop their LCAP. The accountability department collaborates with other departments in training our school

leadership teams and ensuring the timeline of activities is implemented. The Director of State and Federal Programs (SFP) oversees the org-wide coordination of LCAP activities.

In terms of funds and budgeting, the school leadership teams work with the MPS finance department for the annual update of their LCAP estimated actual expenditures and next year's budgeted expenditures. As part of the budgeting process, all expenditures have been entered in the budgeting software, Adaptive Insights, and coded by LCAP goal and action.

The finalized LCAP mid-year reports are attached for the Board's review.

Impact:

The processes described in the above sections are all part of our LCAP development and continuous improvement cycle. Statute requires charter schools to consult with teachers, principals, administrators, other school personnel, parents, and students in developing the LCAP. The mid-year update helps our school leaders and educational partners reflect on the implementation of the current year LCAP and plan action steps. This process will further help during the annual update and goal analysis of the current LCAP as well as in developing next year's LCAP.

Budget Implications:

N/A. All LCAP expenditures have been budgeted in each school's budget.

Exhibits:

1. LCAP Mid-Year Report for each MSA

Monitoring Goals, Actions, and Resources for the 2024-25 Local Control and Accountability Plan (LCAP)

This template is intended for internal monitoring purposes only. The 2024-25 LCAP template and instructions should be consulted when completing required documents.

(6) (A) The superintendent of the school district shall present a report on the annual update to the local control and accountability plan and the local control funding formula budget overview for parents on or before February 28 of each year at a regularly scheduled meeting of the governing board of the school district. (B) The report shall include both of the following: (i) All available midyear outcome data related to metrics identified in the current year's local control and accountability plan. (ii) All available midyear expenditure and implementation data on all actions identified in the current year's local control and accountability plan.

Goal 1

Goal Description
BASIC SERVICES FOR A HIGH-QUALITY LEARNING ENVIRONMENT: All students and staff will have access to a safe, secure, healthy, and high-quality learning and working environment. Students will receive high-quality services that are fundamental to academic success, including fully credentialed teachers, standards-aligned and high-quality instructional materials, and appropriately maintained school facilities.

Expected Annual Measurable Objectives

Metric #	Metric	Baseline	Year 1 Outcome	Year 2 Outcome	Mid-Year Outcome Data	Desired Outcome for 2026-2027
1.1	The percentage of teaching assignments that have an assignment monitoring outcome of "clear" (Source: Local Indicator Priority 1, CDE DataQuest TAMO by FTE Report)	2021-22: 74.1%			2022-23: 71.4%	2024-25: > 85%
1.2	Percentage of students without access to their own copies of standards-aligned instructional materials for use at school and at home (Source: Local Indicator Priority 1)	2023-24: 0%			2024-25 (As of 1/24/25): 0%	2026-27: 0%
1.3	Number of identified instances where facilities do not meet the “good repair” standard (including deficiencies and extreme deficiencies) (Source: Local Indicator Priority 1)	2023-24: 0			2024-25 (As of 1/24/25): 0	2026-27: 0
1.4	Teacher retention rate (Source: HRIS)	2023-24: (Fall 2022 to Fall 2023) 74%			2024-25: (Fall 2023 to Fall 20224) 84%	2026-27: (Fall 2025 to Fall 2026) >= 80%
1.5	Teacher attendance rate (Source: HRIS)	2023-24: (As of 5/15/24) 95.1%			2024-25: (First Semester) 94.6%	2026-27: >= 95.0%

Actions & Measuring and Reporting Results

Goal # Action #	Action Title and Description	Contributing	Implementation Level	Mid-year Outcome Data	Other Data/Evidence (qualitative, quantitative, artifacts)	Total Funds Budgeted	Mid-Year Expenditures
1.1	**Teacher assignments and credentials** Charter School and the MPS Human Resources team will conduct credential, background, and TB clearance reviews as part of the hiring process and at least once throughout the year to ensure all credentials are properly maintained. Charter School will support our teachers' credentialing needs. Charter School will also annually review master schedules and teacher assignments to ensure teachers are appropriately assigned and fully credentialed in the subject area and for the students they are teaching. Charter School uses a Human Resources Information System (HRIS) to automate employee documents. MPS Home Office HR team acts as a liaison between employees and provides administrative support as needed (e.g., correspondence generation, record keeping, file maintenance, HRIS entry, etc.) The HR team also provides reports to the Board and school administrators in regards to teacher retention, performance, pay scale, vacancies, recruitment efforts, credentials, mandatory trainings, and other HR related matters. Expenditures associated with this action include the following: teacher credentialing expenses, recruitment expenses (sign-in bonus, livescan/fingerprinting fees, etc.), Paycom/payroll fees, retirement service fees, and performance pay.	No	Partially Implemented			$48,000.00	$24,528

Goal # Action #	Action Title and Description	Contributing	Implementation Level	Mid-year Outcome Data	Other Data/Evidence (qualitative, quantitative, artifacts)	Total Funds Budgeted	Mid-Year Expenditures
	The following expenditures will be funded by federal Title funds: N/A						
1.2	**Instructional materials and technology** Charter School will manage the acquisition, distribution, and maintenance of equipment, materials, and technology needed to meet the academic, linguistic, cultural, social-emotional, and physical requirements of students. Charter School will annually review alignment of instructional materials to standards and maintain an inventory of instructional materials and corresponding purchases of materials. Charter School will annually review budgets and plans to ensure adequate budget for instructional materials. Charter School will ensure that students have sufficient access to standards-aligned instructional materials, including technology-based resources. Charter School will provide effective access and integration of technology resources, including software and mobile devices, that ensure meaningful access to CA Content Standards aligned instructional programs. Expenditures associated with this action include the following: Technology and NonCapital Equipment.	No	Fully Implemented			$758,925.52	$394,417.86

	The following expenditures will be funded by federal Title funds: • Technology: Resource: Title II; Amount: $909 • NonCapEquip: Resource: Title IV, Part A; Amount: $2,891						
1.3	**Clean and safe facilities that support learning** Charter School will strive to maintain a clean, safe, environmentally friendly, and inviting school that is worthy of our students, families, and staff and encourages successful teaching and learning. Charter School will continually improve and maintain facilities to ensure school safety, security and high quality learning and working environments. Charter School will do annual and monthly facility inspections to screen for ADA compliance and safety hazards; identified deficiencies will be quickly remedied. Daily general cleaning will maintain campus cleanliness. Maintenance and repairs will be provided by Charter School custodial staff and/or outsourced. As a STEAM focused school, we aim to operate in a sustainable and environmentally responsible manner. Charter School will develop and monitor comprehensive safety and security plans, conduct necessary safety training for all staff and continue to	No	Fully Implemented			$2,925,084.51	$1,563,119.50

Goal # Action #	Action Title and Description	Contributing	Implementation Level	Mid-year Outcome Data	Other Data/Evidence (qualitative, quantitative, artifacts)	Total Funds Budgeted	Mid-Year Expenditures
	work with stakeholders and experts to implement emergency and risk management procedures for individuals and the site. Charter School will procure and maintain necessary safety/emergency supplies, equipment and items. Charter School will establish schedules and procedures for the supervision of students in non-classroom areas, including before and after school. Expenditures associated with this action include the following: Classified Support, Staff Benefits, Professional Services, Custodial Supplies, Rent & Leases, and building utilities and maintenance. The following expenditures will be funded by federal Title funds: N/A						
1.4	**Healthy and nutritious meals** Charter School will maintain nutrition education resources and continue to focus on innovative ways to increase access to freshly prepared, nutritious foods to ensure students are well-nourished and ready to learn. Charter School will adhere to the MPS Wellness Policy guidelines on nutritious foods for all food sales and celebrations. The meal program aims to improve the diet and health of our students, help mitigate childhood obesity, model healthy eating to support the development of lifelong healthy	Yes	Fully Implemented			$30,222.00	$17,998.44

The following expenditures will be funded by federal Title funds: 5800 Professional Services 5800_Cons Non Personnel Federal 3010 Title I - $27,859						

Goal 2

Goal Description
EXCELLENCE: Under our first core pillar of Excellence, all students will have equitable access to a high-quality core curricular and instructional program and make academic progress in alignment with California content standards (CCSS, NGSS, etc.) through our data-driven, differentiated and engaging learning program. Students will develop competencies aligned with our "Graduate Profile," including Literacy with a Learner's Mindset and Critical Thinking skills as they pursue academic excellence.

Expected Annual Measurable Objectives

Metric #	Metric	Baseline	Year 1 Outcome	Year 2 Outcome	Mid-Year Outcome Data	Desired Outcome for 2026-2027

Actions & Measuring and Reporting Results

Goal # Action #	Action Title and Description	Contributing	Implementation Level	Mid-year Outcome Data	Other Data/Evidence (qualitative, quantitative, artifacts)	Total Funds Budgeted	Mid-Year Expenditures
2.1	**Broad course of study and standards based curriculum** Charter School will provide students with a broad array of courses including core subjects (English, mathematics, social sciences, and science) and electives. Charter School will also provide all other academic programs and services outlined in its charter petition, certain programs and services being dependent on student need and interest. Charter School will design its master schedule to meet the needs of its students to ensure all academic content areas are available to all students, including student groups. All students will participate in a rigorous, relevant, and coherent standards-based curriculum that supports the achievement of the schoolwide learner outcomes, academic standards, and college- and career-readiness standards. The school will be appropriately staffed to implement the school master schedule. Expenditures associated with this action include the following: teacher salaries and benefits, principal salary and benefits, and substitute teacher expenses. The following expenditures will be funded by federal Title funds: N/A	No	Fully Implemented			$2,846,360.63	$1,533,629.85

Goal # Action #	Action Title and Description	Contributing	Implementation Level	Mid-year Outcome Data	Other Data/Evidence (qualitative, quantitative, artifacts)	Total Funds Budgeted	Mid-Year Expenditures
2.2	**Professional development for high-quality instruction** Professional development will occur at the MPS organizational level and within the school. Charter School will ensure curricula, instruction, and assessments are aligned to the standards and that teachers participate in professional development on the implementation of standards (CCSS, NGSS, etc.) In addition to ongoing professional development activities that support efforts to increase student academic performance, all staff will be provided with multiple opportunities to grow professionally through induction processes, regular collaboration with colleagues, and curricular support. This involves instructional leadership, common walkthrough protocols, and professional feedback to promote a cycle of continuous improvement, as well as supports for high quality delivery of the program that enables differentiation, particularly for unduplicated students and students with exceptional needs. Instructional leaders at the school and at the Home Office will assess staff professional development needs through formal and informal performance observation, surveys, and student performance data. Based on the data, combined with LCAP goals and the MPS Home Office high quality instruction guidelines, the instructional leaders will determine common staff development days and tailor staff development to individual staff	Yes	Partially Implemented			$82,522.50	$42,935.50

Goal # Action #	Action Title and Description	Contributing	Implementation Level	Mid-year Outcome Data	Other Data/Evidence (qualitative, quantitative, artifacts)	Total Funds Budgeted	Mid-Year Expenditures
	needs. Expenditures associated with this action include the following: professional development, tuition reimbursement, and Teacher Salaries. The following expenditures will be funded by federal Title funds: • Professional development expenses: Resource: Title IV, Part A ESEA; Amount: $4,500 • Professional development expenses: Resource: Title II; Amount: $33,062						
2.3	**MTSS - Academic enrichment, intervention, and student support** Charter School will implement MTSS as a systemic, continuous improvement framework in which data-based problem-solving and decision making is practiced across all levels of the educational system for supporting students. Charter School will synthesize CAASPP and MAP student achievement and growth data, as well as course grades, and other state and internal assessment scores, into reports and regularly review progress towards targets. Targeted interventions will be utilized to create a high-quality differentiated	Yes	Ongoing Implementation			$1,387,256.55	$706,181.37

Goal # Action #	Action Title and Description	Contributing	Implementation Level	Mid-year Outcome Data	Other Data/Evidence (qualitative, quantitative, artifacts)	Total Funds Budgeted	Mid-Year Expenditures
	environment where students are supported to engage at their optimal levels. Charter School will provide additional supports and interventions to all students, including but not limited to, 1-1 or small group interventions, targeted support via evidence-based supplemental intervention/enrichment materials and technology (reading, math, etc.), co-taught classes, Power English/Power Math classes, Study Skills, additional support during SSR/Advisory, before and after school tutoring, Saturday classes, and summer programs. SSPT, 504, and other support meetings will be coordinated among teachers and support roles (resource teachers, EL coordinator, department chairs, etc.) Expenditures associated with this action include the following: Educational Software, Staff benefits, Administrator and Teacher salaries. The following expenditures will be funded by federal Title funds: • Educational Software: Resource: Title I, Part A; Amount: $82,449.5 • Unemployment Insurance: Resource: Title I, Part A; Amount: $803.63 • Health & Welfare Benefits: Resource: Title I, Part A; Amount: $13,778.25						

Goal # Action #	Action Title and Description	Contributing	Implementation Level	Mid-year Outcome Data	Other Data/Evidence (qualitative, quantitative, artifacts)	Total Funds Budgeted	Mid-Year Expenditures
	• OASDI/Medicare: Resource: Title I, Part A; Amount: $2330.54 • STRS: Resource: Title I, Part A; Amount: $30,698.9 • Teacher Salaries: Resource: Title I, Part A; Amount: $160,542 • Educational Software: Resource: Title IV: Amount $3,180						
2.4	**Designated and integrated ELD programs and support for ELs** Charter School will provide services to ELs, including newcomers and LTELs, by proficiency level and provide ELD instruction aligned to the CA ELD standards and framework. Charter School will provide our ELs with core and supplemental ELD instructional materials and provide our teachers with PD focused on ELD standards. Our EL coordinator will monitor EL student progress in program implementation according to our EL Master Plan. Charter School teachers will provide instruction using designated and integrated ELD instructional strategies as outlined in the CHATS framework (and other research-based strategies such as SDAIE) to all students, including ELs. Charter School will provide culturally and linguistically relevant materials for	Yes	Fully Implemented			$89,739.00	$45,856.63

Goal # Action #	Action Title and Description	Contributing	Implementation Level	Mid-year Outcome Data	Other Data/Evidence (qualitative, quantitative, artifacts)	Total Funds Budgeted	Mid-Year Expenditures
	students. ELs will receive further in-class instructional support which includes one-on-one teacher support and small group instruction. Charter School will strive to provide bilingual instructional assistants to provide primary language support to enable students to access content area instruction while gaining language proficiency. Charter School will ensure that teachers participate in PD on ELD instructional strategies and CHATS framework. Charter School will provide regular and timely communication with families of EL students, including newcomers and LTELs, regarding annual assessments, program supports and services, and students' progress toward reclassification. This notification will include, but is not limited to, annual parent notification letters, quarterly ELAC meetings, and parent-teacher conferences. Expenditures associated with this action include the following: Professional Services. The following expenditures will be funded by federal Title funds: • Professional Services: Resource: Title III - LEP; Amount: $89,739						

Goal # Action #	Action Title and Description	Contributing	Implementation Level	Mid-year Outcome Data	Other Data/Evidence (qualitative, quantitative, artifacts)	Total Funds Budgeted	Mid-Year Expenditures
2.5	**Support for students with disabilities** Students with disabilities will receive services and supports as listed in their Individualized Education Programs (IEPs) (in addition to services they receive pertinent to low income, foster youth and English learner designations) in order to improve outcomes and close the achievement gap, including graduation rate and performance on statewide assessments. Students with disabilities will have access to all additional intervention and student support systems as outlined in Goal 2: Actions 3 and 4, as well as access to push-in and pull-out services, instructional aides, learning center services, and contracted services to provide each scholar with a Free and Appropriate Public Education in their least restrictive and most accessible learning environment. Students with disabilities dually identified as EL will have ELD goals in their IEPs in addition to goals addressing their specific areas of need based on their eligibility. Our SPED, EL, and general education teams will work in collaboration, monitor our scholars' progress toward IEP goal mastery, and provide progress reports to parents. In addition, all IEPs will be reviewed and present levels will be updated during annual and triennial reviews as required by the IDEA. Expenditures associated with this action include the following: SPED	No	Fully Implemented			$1,747,684.22	$899,989.99

Goal # Action #	Action Title and Description	Contributing	Implementation Level	Mid-year Outcome Data	Other Data/Evidence (qualitative, quantitative, artifacts)	Total Funds Budgeted	Mid-Year Expenditures
	coordinator and teacher salaries and benefits, paraprofessional salaries and benefits, school psychologist salary and benefits, SPED intern salaries and benefits, outsourced SPED services fees, and SPED instructional materials and technology. The following expenditures will be funded by federal Title funds: • Professional Services: Resource: Title IV, Part A ESEA; Amount: $8,000						

Goal 3

Goal Description
INNOVATION: All students will have access to a well-rounded, 21st century education that supports their readiness for college and the global world under our second core pillar of Innovation. Each student will become an independent, innovative scholar by practicing Creativity and Adaptability in their learning, using technology and data-driven online learning, and demonstrating high-quality learning outcomes in myriad ways.

Expected Annual Measurable Objectives

Metric #	Metric	Baseline	Year 1 Outcome	Year 2 Outcome	Mid-Year Outcome Data	Desired Outcome for 2026-2027
3.1	Percentage of students enrolled in an Accelerated and/or Advanced Math course and/or Advanced Math club (Source: Local Indicator Priority 7, SIS)	2023-24: (As of 5/20/24) 9.0%			2024-25: (As of 1/24/25) 9.0%	2026-27: >= 10%
3.2	Percentage of students in the current graduating class who have taken a Computer/Technology course and/or experienced blended learning in their program of study (Source: Local Indicator Priority 7, SIS)	2023-24: (As of 5/20/24) 99%			2024-25: (As of 1/24/25) 100.0%	2026-27: >= 90%
3.3	Percentage of students who have created or demonstrated a STEAM focused project, experiment, model or demo in the current year (Source: Local Indicator Priority 7, SIS)	2023-24: (As of 5/20/24) 100%			2024-25: (As of 1/24/25) 100.0%	2026-27: >= 80%
3.4	Percentage of students in the current year College Career Indicator (CCI) who earned Prepared on the CCI (Source: CA School Dashboard)	2022-23: (2023 Dashboard) 72.7%			2024-25: (As of 1/24/25) 60.6%	2025-26: (2026 Dashboard) >= 55.0%
3.5	Percentage of students who have demonstrated college preparedness pursuant to the Early Assessment Program (EAP), as measured by meeting or exceeding standard on the CAASPP-ELA/Literacy assessments in Grade 11 (Source: CDE DataQuest)	2022-23: 64.38%			2024-25: (As of 1/24/25) 49.17%	2025-26: >= 55.00%
3.6	Percentage of students who have demonstrated college preparedness pursuant to the	2022-23: 24.66%			2024-25: (As of 1/24/25) 38.36%	2025-26: >= 35.00%

Metric #	Metric	Baseline	Year 1 Outcome	Year 2 Outcome	Mid-Year Outcome Data	Desired Outcome for 2026-2027
	Early Assessment Program (EAP), as measured by meeting or exceeding standard on the CAASPP-Mathematics assessments in Grade 11 (Source: CDE DataQuest)					
3.7	Percentage of all AP exam takers in the current year with a score of 3 or higher (Source: College Board)	2022-23: 75.3%			2023-24: 73.1%	2025-26: >= 55.0%
3.8	Percentage of seniors who have passed an AP exam with a score of 3 or higher during their high school years (Source: College Board)	2022-23: 60.0%			2023-24: 66.7%	2025-26: >= 55.0%
3.9	Percentage of seniors who have completed at least two semesters of college coursework with a grade of C minus or better in academic/CTE subjects where college credit is awarded (Source: CA School Dashboard, SIS)	2022-23: (2023 Dashboard) 19.5%			2023-24: (2024 Dashboard) 31.2%	2025-26: (2026 Dashboard) >= 35.0%
3.10	Percentage of cohort graduates who have successfully completed courses that satisfy the requirements for entrance to the UC/CSU (Source: CA School Dashboard, CDE DataQuest, CALPADS)	2022-23: (2023 Dashboard) 89.7%			2024-25: (As of 1/24/25) 86.9%	2025-26: (2026 Dashboard) >= 90.0%
3.11	Percentage of cohort graduates who have successfully completed courses that satisfy the requirements for CTE sequences or programs of study that align with state board-approved CTE standards and frameworks (Source: CA School Dashboard, CALPADS)	2022-23: (2023 Dashboard) 0.0%			2024-25: (As of 1/24/25) 0.00%	2025-26: (2026 Dashboard) >= 10.0%
3.12	Percentage of cohort graduates who have successfully completed both types of courses: courses that satisfy the requirements for entrance to the UC/CSU and courses that satisfy the requirements for CTE sequences	2022-23: (2023 Dashboard) 0.0%			2024-25: (As of 1/24/25) 0.00%	2025-26: (2026 Dashboard) >= 10.0%

Metric #	Metric	Baseline	Year 1 Outcome	Year 2 Outcome	Mid-Year Outcome Data	Desired Outcome for 2026-2027
	or programs of study that align with state board-approved CTE standards and frameworks (Source: CA School Dashboard, CALPADS)					
3.13	Percentage of cohort graduates who have earned a Seal of Biliteracy (Source: CDE DataQuest, CALPADS)	2022-23 (CDE DataQuest): 26.0%			2024-25: (As of 1/24/25) 29.3%	2025-26: (CDE DataQuest) >= 20.0%
3.14	Percentage of cohort graduates who have earned a Golden State Seal Merit Diploma (Source: CDE DataQuest, CALPADS)	2022-23 (CDE DataQuest): 45.2%			2024-25: (As of 1/24/25) 34.3%	2025-26: (CDE DataQuest) >= 30.0%
3.15	Percentage of cohort graduates who have earned an Advanced or Honors MPS Diploma (Source: SIS)	2023-24: 53.3%			2024-25: (As of 1/24/25) 49.5%	2026-27: >= 50.0%
3.16	Percentage of high school completers who have been accepted to a 4-year or 2-year college (Source: Naviance)	2023-24: 88.0%			Data will be available in May 2025.	2026-27: >= 90%
3.17	Percentage of high school completers who have been accepted to a 4-year college (Source: Naviance)	2023-24: 76.0%			Data will be available in May 2025.	2026-27: >= 60%
3.18	College-Going Rate (Source: CDE DataQuest)	Class of 2021: 52.7%			Class of 2022: 54.3%	Class of 2024: >= 60%

Actions & Measuring and Reporting Results

Goal # Action #	Action Title and Description	Contributing	Implementation Level	Mid-year Outcome Data	Other Data/Evidence (qualitative, quantitative, artifacts)	Total Funds Budgeted	Mid-Year Expenditures
3.1	**College/Career readiness programs and activities** Charter School will offer individual graduation plans, outlining the classes students will take during their high school years. Students will be provided credit recovery	Yes	Partially Implemented			$377,292.97	$207,133.33

Goal # Action #	Action Title and Description	Contributing	Implementation Level	Mid-year Outcome Data	Other Data/Evidence (qualitative, quantitative, artifacts)	Total Funds Budgeted	Mid-Year Expenditures
	opportunities and individualized support to ensure timely high school graduation. Charter School will offer Advisory and College Readiness classes and activities to support our students in the areas, including, but not limited to, college planning and career exploration, college application and financial aid submission. Charter School will provide students with opportunities to take Advanced Placement (AP) courses based on student needs and interests. Charter School will promote a college-going culture through dual and concurrent enrollment, AP courses, college visits, college/career days, and other college related activities. Charter School will also explore CTE options to provide students with opportunities to explore a career theme of interest while learning a set of technical and employability skills that integrate into or complement their academic studies. Expenditures associated with this action include the following: Educational Software.. The following expenditures will be funded by federal Title funds: • Educational Software: Resource: Title I, Part A; Amount: $500						

Goal # Action #	Action Title and Description	Contributing	Implementation Level	Mid-year Outcome Data	Other Data/Evidence (qualitative, quantitative, artifacts)	Total Funds Budgeted	Mid-Year Expenditures
3.2	**STEM and GATE programs** Charter School will offer STEAM and GATE programs and activities, including Accelerated/Advanced Math course and club. Students will be provided opportunities during the day and after school to create or demonstrate a STEAM focused project, experiment, model or demo. We will also provide information and access to quality out-of-school STEM activities and achievements. With CA Science Framework and NGSS integration, all our students will learn about engineering design, technology, and applications of science as part of their core classes. Furthermore, Charter School will design and implement computer science and engineering-related courses and activities, such as AP Computer Science Principles, Code.org activities, Project Lead the Way (PLTW) programs, Robotics, etc. Gifted and talented students and students achieving above grade level will be engaged in all classes as teachers differentiate curriculum through adjustments of content through depth, complexity, and pacing. Emphasis will be on innovation, critical thinking, and logical reasoning. Learners will be challenged to investigate, use problem-based learning, and research. Expenditures associated with this action include the following: Educational Software.	Yes	Fully Implemented			$3,000.00	$1,533.00

Goal # Action #	Action Title and Description	Contributing	Implementation Level	Mid-year Outcome Data	Other Data/Evidence (qualitative, quantitative, artifacts)	Total Funds Budgeted	Mid-Year Expenditures
	The following expenditures will be funded by federal Title funds: • Educational Software: Resource: Title I, Part A; Amount: $3,000						
3.3	**Digital literacy and citizenship programs** Charter School will educate our students and staff in digital literacy so that they adapt, create, consume, and connect in productive, responsible ways to utilize technology in academic, social, and professional settings. Charter School will offer Computer/Digital Literacy classes and/or blended learning experiences for our students. Teachers will incorporate appropriate technology into lessons to support student learning and technology will be kept up to date. Students will be provided with opportunities to expand their literacy, computational, and communication skills with digital media; they will be writing advanced essays, conducting internet research, engaging in data collection, presenting ideas and drawing conclusions. Charter School staff will teach and model safe, savvy, and social digital citizenship; topics may include, but are not limited to, using technology applications, including Artificial Intelligence (AI); digital footprint,	Yes	Fully Implemented			$241,050.18	$107,099.72

Goal # Action #	Action Title and Description	Contributing	Implementation Level	Mid-year Outcome Data	Other Data/Evidence (qualitative, quantitative, artifacts)	Total Funds Budgeted	Mid-Year Expenditures
	privacy, and security; digital rights and responsibilities; using social media responsibly and digital etiquette. As our students gain the ability to navigate computing systems, utilize networks and the internet responsibly, analyze and interpret data with an antibias lens, solve problems using algorithms and programming, and carefully consider the ethics of computing technologies, they will become informed digital citizens who can leverage AI and other technologies to promote social justice and equity. Expenditures associated with this action include the following: Educational Software. The following expenditures will be funded by federal Title funds: • Educational Software: Resource: Title I, Part A; Amount: $3,000						
3.4	**Physical education, activity, and fitness** Charter School will provide students with physical education, using an age-appropriate, sequential PE curriculum consistent with state standards for PE. The curriculum will promote the benefits of a physically active lifestyle and will help students develop skills to engage in lifelong healthy habits, as well as incorporate essential health	Yes	Fully Implemented			$486,710.55	$191,472.44

Goal # Action #	Action Title and Description	Contributing	Implementation Level	Mid-year Outcome Data	Other Data/Evidence (qualitative, quantitative, artifacts)	Total Funds Budgeted	Mid-Year Expenditures
	education concepts. Charter School will offer recess before lunch and students will be provided with periodic opportunities to be active or to stretch throughout the day on all or most days during a typical school week. To the extent practicable, Charter School will ensure that its grounds and facilities are safe, and that equipment is available to students to be active. Charter School will offer opportunities for students to participate in physical activity either before and/or after the school day (or both) through a variety of methods such as physical activity/sports clubs, intramurals or interscholastic sports, etc. Charter School will adhere to the MPS Wellness Policy guidelines on physical education, activity, and fitness. Expenditures associated with this action include the following: PE supplies expenses. The following expenditures will be funded by federal Title funds: • PE Supplies: Resource: Title IV, Part A; Amount: $15,000						
3.5	**Additional programs and activities that support well-rounded education**	Yes	Fully Implemented			$886,058.55	$470,069.73

Goal # Action #	Action Title and Description	Contributing	Implementation Level	Mid-year Outcome Data	Other Data/Evidence (qualitative, quantitative, artifacts)	Total Funds Budgeted	Mid-Year Expenditures
	To provide well-rounded education to our students, Charter School will strive to offer additional programs such as elective courses, arts, music, civics, languages other than English (LOTE), clubs, etc. Arts instruction focuses on developing students' creativity, imagination, discipline and self-expression through drawing and fine arts. It is important that all our students, particularly unduplicated students, are provided with experiential learning opportunities, including but not limited to, instructional field trips, internships, community service programs, clubs, etc. Charter School teachers and other staff will offer after school clubs for enrichment in the areas of, including, but not limited to, STEM (science, technology, engineering, math), ELA, LOTE, culture, sports, visual and performing arts, community service, leadership, and others. In addition to these clubs, the Charter School's Expanded Learning Opportunities Program (ELO-P) will support afterschool and summer enrichment programs in science, robotics, advanced math, academic competitions, journalism, college mentorship, and other areas. Expenditures associated with this action include the following: teacher salaries and benefits for additional programs that support well-rounded education, supplemental materials, field trip expenses, and afterschool/club expenses.						

Goal # Action #	Action Title and Description	Contributing	Implementation Level	Mid-year Outcome Data	Other Data/Evidence (qualitative, quantitative, artifacts)	Total Funds Budgeted	Mid-Year Expenditures
	The following expenditures will be funded by federal Title funds: N/A						

Goal 4

Goal Description
CONNECTION: All students, families, staff, and other educational partners will experience our third core pillar, Connection, and have access to meaningful engagement opportunities that help cultivate Effective Communication and Global Citizenship in a safe and nurturing environment. Educational partners will feel a sense of community and connectedness.

Expected Annual Measurable Objectives

Metric #	Metric	Baseline	Year 1 Outcome	Year 2 Outcome	Mid-Year Outcome Data	Desired Outcome for 2026-2027

Actions & Measuring and Reporting Results

Goal # Action #	Action Title and Description	Contributing	Implementation Level	Mid-year Outcome Data	Other Data/Evidence (qualitative, quantitative, artifacts)	Total Funds Budgeted	Mid-Year Expenditures
4.1	**Seeking family input for decision-making** Charter School will build the capacity of and support administrators, teachers and staff in order to build the capacity of and support family members to effectively engage in advisory groups and decision-making. Charter School will provide all families with opportunities to provide input on policies and programs, and implement Community School strategies to reach and seek input from any underrepresented groups in the school community. Some periodic information/input sessions for	Yes	Partially Implemented			$275.00	$140.53

Goal # Action #	Action Title and Description	Contributing	Implementation Level	Mid-year Outcome Data	Other Data/Evidence (qualitative, quantitative, artifacts)	Total Funds Budgeted	Mid-Year Expenditures
	families include, but are not limited to, Board of Directors meetings, Parent Advisory Committee (PAC) meetings, English Learner Advisory Committee (ELAC) meetings, Parent Task Force (PTF) meetings, and Coffee with the Principal meetings. The PAC will be composed of majority of parents of pupils and include parents/guardians of ELs, low-income, foster youth, and students with disabilities. Parents, teachers, staff, students, and community members are encouraged and empowered to join school committees, including the PAC and ELAC. Such committees provide for representation of students in need (low income, EL, foster youth, students with disabilities, etc.) Feedback from our educational partners provide valuable input for the LCAP and continuous school improvement. Charter School chooses to utilize the LCAP to serve as the SPSA and holds an annual meeting to inform parents and collect feedback about LCAP goals and actions, data and needs assessment, Title-funded activities and budgets, UCP, parent and family engagement policy and school-student-parent compact. In addition, as explained in Goal 4: Action 4, Charter School will conduct family surveys to seek feedback on school improvement. Expenditures associated with this action include the following: 5940: Technology.						

Goal # Action #	Action Title and Description	Contributing	Implementation Level	Mid-year Outcome Data	Other Data/Evidence (qualitative, quantitative, artifacts)	Total Funds Budgeted	Mid-Year Expenditures
	The following expenditures will be funded by federal Title funds: N/A						
4.2	**Building relationships and partnerships with families for student outcomes** Charter School will develop the capacity of staff to build trusting and respectful relationships with families and create welcoming environments for all families in the community. Our staff will learn about each family's strengths, cultures, languages, and goals for their children. We will promote participation in activities/events, including Student/Parent Orientation, Back to School Night, and parent conferences. Administrators will greet all students and parents in the mornings during student drop off and have an open-door policy welcoming all parents. We will provide professional learning and support to staff to improve capacity to partner with families and to provide families with information and resources to support student learning and development in the home. Charter School will provide parents with access to course materials, homework assignments, projects, and records of students' grades through our SIS. Charter School will communicate further with the parents of students who are performing below grade level. Our	Yes	Partially Implemented			$372,165.75	$190,176.70

Goal # Action #	Action Title and Description	Contributing	Implementation Level	Mid-year Outcome Data	Other Data/Evidence (qualitative, quantitative, artifacts)	Total Funds Budgeted	Mid-Year Expenditures
	teachers, administrators, and classified staff will visit students at their homes to discuss student progress and enhance student learning and involvement. Charter School will also support families to understand and exercise their legal rights and advocate for their own students and all students. Charter School will schedule annual workshops for parents as well as additional workshops for parents of EL and immigrant students. Topics to be covered include, but are not limited to, the school's EL Master Plan, stages of language acquisition, state testing, college application, using SIS to check student progress, study habits, and family literacy. Charter School will use a variety of communication channels to connect with families in a language that is understandable and accessible to them. A parent communication software will be utilized for voice and text communications, email, and push notifications. We will provide language translators at parent meetings to the extent practicable. Expenditures associated with this action include the following: Professional Services, Unemployment Insurance, OASDI/Medicare, STRS, and Teacher Salaries. The following expenditures will be funded by federal Title funds: • Professional Services: Resource: Title I, Part A; Amount: $9,001						

Goal # Action #	Action Title and Description	Contributing	Implementation Level	Mid-year Outcome Data	Other Data/Evidence (qualitative, quantitative, artifacts)	Total Funds Budgeted	Mid-Year Expenditures
	• Unemployment Insurance: Resource: Title I, Part A; Amount: $55 • OASDI/Medicare: Resource: Title I, Part A; Amount: $159.5 • STRS: Resource: Title I, Part A; Amount: $2,101 • Teacher Salaries: Resource: Title I, Part A; Amount: $11,000						
4.3	**MTSS - PBIS and SEL support** Charter School will provide a safe, nurturing, and engaging learning environment for all our students and families. Academic and social-emotional support will be provided to address student needs as well as instructional materials including free uniforms. Students who are homeless, experiencing housing instability, are in foster care or experiencing personal/family crisis or have other special needs will be cared for in our supportive school community. Charter School will offer a SEL/Life Skills program that provides students with valuable skills to support academic excellence and social skill development. We will annually assess our suspension/expulsion policies and procedures and implement alternatives to suspension/expulsion, including restorative practices. Teachers will	Yes	Fully Implemented			$561,990.91	$278,782.75

Goal # Action #	Action Title and Description	Contributing	Implementation Level	Mid-year Outcome Data	Other Data/Evidence (qualitative, quantitative, artifacts)	Total Funds Budgeted	Mid-Year Expenditures
	establish classroom management procedures, foster positive relationships, and help create an atmosphere of trust, respect, and high expectations. Charter School will implement a positive and equitable student responsibility and behavior system with teaching, intervention and prevention strategies and protocols that are clear, fair, incremental, restorative, and culturally responsive. Charter School will celebrate student and school achievements and organize recognition assemblies and other schoolwide culture-building activities. Charter School will inform parents and students of attendance policies specified in the Student/Parent Handbook and encourage and support student attendance. Charter School will also implement the CORE DISTRICTS SEL Survey instrument in the fall and spring annually to assess the following social-emotional competencies: growth mindset, self-efficacy, self-management, and social awareness. As part of our MTSS efforts, school leadership, teachers, and support staff will analyze student SEL survey results in the fall to provide our students with targeted social-emotional support and then measure student responses again in the spring to measure growth, identify greatest progress and needs in order to inform our next steps. Expenditures associated with this action include the following: Instructional Materials & Supplies.						

Goal # Action #	Action Title and Description	Contributing	Implementation Level	Mid-year Outcome Data	Other Data/Evidence (qualitative, quantitative, artifacts)	Total Funds Budgeted	Mid-Year Expenditures
	The following expenditures will be funded by federal Title funds: • Instructional Materials & Supplies: Resource: Title I, Part A; Amount: $5,000						
4.4	**Annual educational partner surveys** Charter School will annually administer school experience surveys to students, families, and staff. Charter School will implement the CORE DISTRICTS Survey instrument to assess our educational partners' perceptions of the following school climate indicators: climate of support for academic learning; knowledge and fairness of discipline, rules and norms; safety; and sense of belonging (school connectedness). In addition, we ask our educational partners open-ended questions about what they like the best about the school and suggestions for improvement. This feedback instrument provides all staff and school leaders with valuable information about how students see their classes, how much parents are involved, how supported staff feel and how to facilitate improvement. Our staff will analyze the survey results to identify the greatest progress and needs in order to inform our next steps.	Yes	Fully Implemented			$3,500.00	$1,788.50

Goal # Action #	Action Title and Description	Contributing	Implementation Level	Mid-year Outcome Data	Other Data/Evidence (qualitative, quantitative, artifacts)	Total Funds Budgeted	Mid-Year Expenditures
	Expenditures associated with this action include the following: Panorama Education survey fees. The following expenditures will be funded by federal Title funds: 5800 Professional Services 3010 Title I: $3,500						
4.5	**Community outreach and partnerships** Charter School will establish community, business, institutional and civic partnerships that invest in and support the vision and goals of the school. School staff will participate in local activities that engage community members and staff in communicating school successes to the broader community. Charter School will secure community support to sustain existing resources and add new resources that address emerging student needs. Charter School leadership will actively develop relationships with a range of educational partners, policymakers, and researchers to identify and address issues, trends, and potential changes that affect the context and conduct of education. Expenditures associated with this action include the following: Corresponding personnel salaries, Marketing expenditures,	Yes	Fully Implemented			$454,955.47	$276,692.27

Goal 1

Goal Description
BASIC SERVICES FOR A HIGH-QUALITY LEARNING ENVIRONMENT: All students and staff will have access to a safe, secure, healthy, and high-quality learning and working environment. Students will receive high-quality services that are fundamental to academic success, including fully credentialed teachers, standards-aligned and high-quality instructional materials, and appropriately maintained school facilities.

Expected Annual Measurable Objectives

Metric #	Metric	Baseline	Year 1 Outcome	Year 2 Outcome	Mid-Year Outcome Data	Desired Outcome for 2026-2027
1.1	The percentage of teaching assignments that have an assignment monitoring outcome of "clear" (Source: Local Indicator Priority 1, CDE DataQuest TAMO by FTE Report)	2021-22: 72.5%			2022-23: 63.2%	2024-25: > 85%
1.2	Percentage of students without access to their own copies of standards-aligned instructional materials for use at school and at home (Source: Local Indicator Priority 1)	2023-24: 0%			2024-25 (As of 1/24/25): 0%	2026-27: 0%
1.3	Number of identified instances where facilities do not meet the “good repair” standard (including deficiencies and extreme deficiencies) (Source: Local Indicator Priority 1)	2023-24: 0			2024-25 (As of 1/24/25): 0	2026-27: 0
1.4	Teacher retention rate (Source: HRIS)	2023-24: (Fall 2022 to Fall 2023) 78%			2024-25: (Fall 2023 to Fall 20224) 75%	2026-27: (Fall 2025 to Fall 2026) >= 80%
1.5	Teacher attendance rate (Source: HRIS)	2023-24: (As of 5/15/24) 93.4%			2024-25: (First Semester) 93.8%	2026-27: >= 95.0%

Actions & Measuring and Reporting Results

Goal # Action #	Action Title and Description	Contributing	Implementation Level	Mid-year Outcome Data	Other Data/Evidence (qualitative, quantitative, artifacts)	Total Funds Budgeted	Mid-Year Expenditures
1.1	**Teacher assignments and credentials** Charter School and the MPS Human Resources team will conduct credential, background, and TB clearance reviews as part of the hiring process and at least once throughout the year to ensure all credentials are properly maintained. Charter School will support our teachers' credentialing needs. Charter School will also annually review master schedules and teacher assignments to ensure teachers are appropriately assigned and fully credentialed in the subject area and for the students they are teaching. Charter School uses a Human Resources Information System (HRIS) to automate employee documents. MPS Home Office HR team acts as a liaison between employees and provides administrative support as needed (e.g., correspondence generation, record keeping, file maintenance, HRIS entry, etc.) The HR team also provides reports to the Board and school administrators in regards to teacher retention, performance, pay scale, vacancies, recruitment efforts, credentials, mandatory trainings, and other HR related matters. Expenditures associated with this action include the following: teacher credentialing expenses, recruitment expenses (sign-in bonus, livescan/fingerprinting fees, etc.), Paycom/payroll fees, retirement service fees, and performance pay.	No	Ongoing Implementation			$29,750.00	$15,202.25

Goal # Action #	Action Title and Description	Contributing	Implementation Level	Mid-year Outcome Data	Other Data/Evidence (qualitative, quantitative, artifacts)	Total Funds Budgeted	Mid-Year Expenditures
	The following expenditures will be funded by federal Title funds: N/A						
1.2	**Instructional materials and technology** Charter School will manage the acquisition, distribution, and maintenance of equipment, materials, and technology needed to meet the academic, linguistic, cultural, social-emotional, and physical requirements of students. Charter School will annually review alignment of instructional materials to standards and maintain an inventory of instructional materials and corresponding purchases of materials. Charter School will annually review budgets and plans to ensure adequate budget for instructional materials. Charter School will ensure that students have sufficient access to standards-aligned instructional materials, including technology-based resources. Charter School will provide effective access and integration of technology resources, including software and mobile devices, that ensure meaningful access to CA Content Standards aligned instructional programs. Expenditures associated with this action include the following: textbooks, instructional materials and supplies, teacher/classroom supplies and office materials, computers, Chromebooks,	No	Ongoing Implementation			$484,606.88	$249,368.96

	hotspots, and other technology equipment, IT manager salary and benefits, E-Rate consultancy, and basic software (Zendesk, AssetWorks, firewall, Datto, CloudReady, Zoom, GoGuardian, etc.), phone/internet, and depreciation. The following expenditures will be funded by federal Title funds: • Technology: Resource: Title IV, Part A ESEA (ESSA); Amount: $22,909						
1.3	**Clean and safe facilities that support learning** Charter School will strive to maintain a clean, safe, environmentally friendly, and inviting school that is worthy of our students, families, and staff and encourages successful teaching and learning. Charter School will continually improve and maintain facilities to ensure school safety, security and high quality learning and working environments. Charter School will do annual and monthly facility inspections to screen for ADA compliance and safety hazards; identified deficiencies will be quickly remedied. Daily general cleaning will maintain campus cleanliness. Maintenance and repairs will be provided by Charter School custodial staff and/or outsourced. As a STEAM focused	No	Ongoing Implementation			$2,320,739.51	$1,101,747.76

Goal # Action #	Action Title and Description	Contributing	Implementation Level	Mid-year Outcome Data	Other Data/Evidence (qualitative, quantitative, artifacts)	Total Funds Budgeted	Mid-Year Expenditures
	school, we aim to operate in a sustainable and environmentally responsible manner. Charter School will develop and monitor comprehensive safety and security plans, conduct necessary safety training for all staff and continue to work with stakeholders and experts to implement emergency and risk management procedures for individuals and the site. Charter School will procure and maintain necessary safety/emergency supplies, equipment and items. Charter School will establish schedules and procedures for the supervision of students in non-classroom areas, including before and after school. Expenditures associated with this action include the following: facilities rent/acquisition cost, custodial staff salaries and benefits, custodial supplies, maintenance and repair services, gas/electric, security services, health and safety related expenses (PPE, nursing services, etc.), and insurance costs (workers compensation, CharterSAFE, etc.) The following expenditures will be funded by federal Title funds: N/A						
1.4	**Healthy and nutritious meals** Charter School will maintain nutrition education resources and continue to focus on innovative	Yes	Ongoing Implementation			$34,000.00	$12,264.00

	ways to increase access to freshly prepared, nutritious foods to ensure students are well-nourished and ready to learn. Charter School will adhere to the MPS Wellness Policy guidelines on nutritious foods for all food sales and celebrations. The meal program aims to improve the diet and health of our students, help mitigate childhood obesity, model healthy eating to support the development of lifelong healthy eating patterns and support healthy choices while accommodating cultural food preferences and special dietary needs. Charter School will promote healthy food and beverage choices for all students throughout campus, as well as encourage participation in school meal programs. Expenditures associated with this action include the following: student meals, water, and refreshments. The following expenditures will be funded by federal Title funds: N/A						
1.5	**Well-orchestrated Home Office support services** The MPS Home Office provides services to the Charter School, supports and holds accountable the Charter School for compliance and meeting charter goals, provides best practices in curriculum and professional development, and sets up systems and processes that	No	Ongoing Implementation			$1,286,316.25	$633,849.51

Goal # Action #	Action Title and Description	Contributing	Implementation Level	Mid-year Outcome Data	Other Data/Evidence (qualitative, quantitative, artifacts)	Total Funds Budgeted	Mid-Year Expenditures
	support academic achievement and growth, operational effectiveness, and financial sustainability. The Home Office manages business operations of schools, which reduces program and operations-related burdens of the Charter School administration and enables the Charter School to receive services at a lower cost. The services of the Home Office include, but are not limited to, academics, accountability, operations, IT, facilities, finance and accounting, human resources, and external relations. Instructional services are reflected in Goals 2-4. Expenditures associated with this action include the following: Home Office management fees, authorizer oversight fees, audit fees, bank fees, legal fees (YM&C, etc.), and other back-office related expenses (Adaptive Insights, DataWorks, etc.) The following expenditures will be funded by federal Title funds: N/A						

Goal 2

Goal Description
EXCELLENCE: Under our first core pillar of Excellence, all students will have equitable access to a high-quality core curricular and instructional program and make academic progress in alignment with California content standards (CCSS, NGSS, etc.) through our data-driven, differentiated and engaging learning program. Students will develop competencies aligned with our "Graduate Profile," including Literacy with a Learner's Mindset and Critical Thinking skills as they pursue academic excellence.

Expected Annual Measurable Objectives

Metric #	Metric	Baseline	Year 1 Outcome	Year 2 Outcome	Mid-Year Outcome Data	Desired Outcome for 2026-2027
2.1	Percentage of students who have sufficient access to all programs and services, as applicable, including the programs and services developed and provided to unduplicated students and to individuals with exceptional needs, and the programs that are provided to benefit these students (Source: Local Indicator Priority 7, SIS)	2023-24: 100%			2024-25: (As of 1/24/25) 100%	2026-27: 100%
2.2	Percentage of completion of observations by the school administration based on one formal and four informal classroom observations per teacher per year to ensure state standards implementation for all students (Source: Local Indicator Priority 2, TeachBoost/SchoolMint Grow)	2023-24: (As of 5/24/24) 78%			2024-25: (As of 1/24/25) 10%	2026-27: >= 85%
2.3	Percentage of students who have received a grade of "C" or better in core subjects and electives (Source: SIS)	2023-24: (First semester) 55%			2024-25: (First semester) 49%	2026-27: (First semester) >= 80%
2.4	Percentage of students who have met or exceeded standard on the CAASPP-ELA/Literacy assessments (Source: CDE DataQuest)	2022-23: • All Students: 42.73% • English Learners: 0.00% • Socioeconomically Disadvanta			2023-24: • All Students: 30.33% • English Learners: 3.64% • Socioeconomically Disadvanta	2025-26: • All Students: >= 40.00% • English Learners: >= 5.00% • Socioeconomically Disadvanta

Actions & Measuring and Reporting Results

Goal # Action #	Action Title and Description	Contributing	Implementation Level	Mid-year Outcome Data	Other Data/Evidence (qualitative, quantitative, artifacts)	Total Funds Budgeted	Mid-Year Expenditures
2.1	**Broad course of study and standards based curriculum**	No	Ongoing Implementation			$1,951,053.76	$942,144.49

Goal # Action #	Action Title and Description	Contributing	Implementation Level	Mid-year Outcome Data	Other Data/Evidence (qualitative, quantitative, artifacts)	Total Funds Budgeted	Mid-Year Expenditures
	Charter School will provide students with a broad array of courses including core subjects (English, mathematics, social sciences, and science) and electives. Charter School will also provide all other academic programs and services outlined in its charter petition, certain programs and services being dependent on student need and interest. Charter School will design its master schedule to meet the needs of its students to ensure all academic content areas are available to all students, including student groups. All students will participate in a rigorous, relevant, and coherent standards-based curriculum that supports the achievement of the schoolwide learner outcomes, academic standards, and college- and career-readiness standards. The school will be appropriately staffed to implement the school master schedule. Expenditures associated with this action include the following: teacher salaries and benefits, principal salary and benefits, and substitute teacher expenses. The following expenditures will be funded by federal Title funds: N/A						
2.2	**Professional development for high-quality instruction**	Yes	Ongoing Implementation			$114,500.00	$39,319.41

Goal # Action #	Action Title and Description	Contributing	Implementation Level	Mid-year Outcome Data	Other Data/Evidence (qualitative, quantitative, artifacts)	Total Funds Budgeted	Mid-Year Expenditures
	Professional development will occur at the MPS organizational level and within the school. Charter School will ensure curricula, instruction, and assessments are aligned to the standards and that teachers participate in professional development on the implementation of standards (CCSS, NGSS, etc.) In addition to ongoing professional development activities that support efforts to increase student academic performance, all staff will be provided with multiple opportunities to grow professionally through induction processes, regular collaboration with colleagues, and curricular support. This involves instructional leadership, common walkthrough protocols, and professional feedback to promote a cycle of continuous improvement, as well as supports for high quality delivery of the program that enables differentiation, particularly for unduplicated students and students with exceptional needs. Instructional leaders at the school and at the Home Office will assess staff professional development needs through formal and informal performance observation, surveys, and student performance data. Based on the data, combined with LCAP goals and the MPS Home Office high quality instruction guidelines, the instructional leaders will determine common staff development days and tailor staff development to individual staff needs.						

Goal # Action #	Action Title and Description	Contributing	Implementation Level	Mid-year Outcome Data	Other Data/Evidence (qualitative, quantitative, artifacts)	Total Funds Budgeted	Mid-Year Expenditures
	Expenditures associated with this action include the following: professional development, tuition reimbursement, and TeachBoost/SchoolMint Grow software fees. The following expenditures will be funded by federal Title funds: • Professional development - other expenses: Resource: Title II; Amount: $25,500 • Professional development - other expenses: Resource: Title IV, Part A ESEA (ESSA); Amount: $4,500						
2.3	**MTSS - Academic enrichment, intervention, and student support** Charter School will implement MTSS as a systemic, continuous improvement framework in which data-based problem-solving and decision making is practiced across all levels of the educational system for supporting students. Charter School will synthesize CAASPP and MAP student achievement and growth data, as well as course grades, and other state and internal assessment scores, into reports and regularly review progress towards targets. Targeted interventions will be utilized to create a high-quality differentiated environment where students are	Yes	Partially Implemented			$963,741.31	$406,731.43

Goal # Action #	Action Title and Description	Contributing	Implementation Level	Mid-year Outcome Data	Other Data/Evidence (qualitative, quantitative, artifacts)	Total Funds Budgeted	Mid-Year Expenditures
	supported to engage at their optimal levels. Charter School will provide additional supports and interventions to all students, including but not limited to, 1-1 or small group interventions, targeted support via evidence-based supplemental intervention/enrichment materials and technology (reading, math, etc.), co-taught classes, Power English/Power Math classes, Study Skills, additional support during SSR/Advisory, before and after school tutoring, Saturday classes, and summer programs. SSPT, 504, and other support meetings will be coordinated among teachers and support roles (resource teachers, EL coordinator, department chairs, etc.) Expenditures associated with this action include the following: Dean of Academics salary and benefits, Title-I coordinator salary and benefits, instructional aide salaries and benefits, intervention teacher salaries and benefits, teacher stipends for after school, Saturday school, and summer school, NWEA MAP testing fees, Abre data visualization software fees, and evidence-based supplemental intervention/enrichment program fees (Edgenuity, ALEKS, IXL, Standards Plus, Quizizz, Padlet, BrainPOP, NextGenMath, Grammarly, Flocabulary, Nearpod, Newsela, and myON.) The following expenditures will be funded by federal Title funds:						

Goal # Action #	Action Title and Description	Contributing	Implementation Level	Mid-year Outcome Data	Other Data/Evidence (qualitative, quantitative, artifacts)	Total Funds Budgeted	Mid-Year Expenditures
	• Professional Services: Resource: Title I; Amount: $14,500 • Educational Software: Resource: Title IV, Part A ESEA (ESSA); Amount: $6,180 • Educational Software: Resource: Title I; Amount: $45,444 • Intervention Teacher & Cert. Admin salary and benefits: Resource: Title I; Amount: $108,395.47						
2.4	**Designated and integrated ELD programs and support for ELs** Charter School will provide services to ELs, including newcomers and LTELs, by proficiency level and provide ELD instruction aligned to the CA ELD standards and framework. Charter School will provide our ELs with core and supplemental ELD instructional materials and provide our teachers with PD focused on ELD standards. Our EL coordinator will monitor EL student progress in program implementation according to our EL Master Plan. Charter School teachers will provide instruction using designated and integrated ELD instructional strategies as outlined in the CHATS framework (and other research-based strategies such as SDAIE) to all students, including ELs. Charter	Yes	Ongoing Implementation			$1,000.00	$511.00

Goal # Action #	Action Title and Description	Contributing	Implementation Level	Mid-year Outcome Data	Other Data/Evidence (qualitative, quantitative, artifacts)	Total Funds Budgeted	Mid-Year Expenditures
	School will provide culturally and linguistically relevant materials for students. ELs will receive further in-class instructional support which includes one-on-one teacher support and small group instruction. Charter School will strive to provide bilingual instructional assistants to provide primary language support to enable students to access content area instruction while gaining language proficiency. Charter School will ensure that teachers participate in PD on ELD instructional strategies and CHATS framework. Charter School will provide regular and timely communication with families of EL students, including newcomers and LTELs, regarding annual assessments, program supports and services, and students' progress toward reclassification. This notification will include, but is not limited to, annual parent notification letters, quarterly ELAC meetings, and parent-teacher conferences. Expenditures associated with this action include the following: EL coordinator salary and benefits, EL coordinator stipend, EL instructional aide salary and benefits, and Rosetta Stone program fees. The following expenditures will be funded by federal Title funds: • Professional Services: Resource: Title I; Amount: $1,000						

Goal # Action #	Action Title and Description	Contributing	Implementation Level	Mid-year Outcome Data	Other Data/Evidence (qualitative, quantitative, artifacts)	Total Funds Budgeted	Mid-Year Expenditures
2.5	**Support for students with disabilities** Students with disabilities will receive services and supports as listed in their Individualized Education Programs (IEPs) (in addition to services they receive pertinent to low income, foster youth and English learner designations) in order to improve outcomes and close the achievement gap, including graduation rate and performance on statewide assessments. Students with disabilities will have access to all additional intervention and student support systems as outlined in Goal 2: Actions 3 and 4, as well as access to push-in and pull-out services, instructional aides, learning center services, and contracted services to provide each scholar with a Free and Appropriate Public Education in their least restrictive and most accessible learning environment. Students with disabilities dually identified as EL will have ELD goals in their IEPs in addition to goals addressing their specific areas of need based on their eligibility. Our SPED, EL, and general education teams will work in collaboration, monitor our scholars' progress toward IEP goal mastery, and provide progress reports to parents. In addition, all IEPs will be reviewed and present levels will be updated during annual and triennial reviews as required by the IDEA.	No	Ongoing Implementation			$1,112,802.43	$554,654.04

Goal # Action #	Action Title and Description	Contributing	Implementation Level	Mid-year Outcome Data	Other Data/Evidence (qualitative, quantitative, artifacts)	Total Funds Budgeted	Mid-Year Expenditures
	Expenditures associated with this action include the following: SPED coordinator and teacher salaries and benefits, paraprofessional salaries and benefits, school psychologist salary and benefits, SPED intern salaries and benefits, outsourced SPED services fees, and SPED instructional materials and technology. The following expenditures will be funded by federal Title funds: N/A						

Goal 3

Goal Description
INNOVATION: All students will have access to a well-rounded, 21st century education that supports their readiness for college and the global world under our second core pillar of Innovation. Each student will become an independent, innovative scholar by practicing Creativity and Adaptability in their learning, using technology and data-driven online learning, and demonstrating high-quality learning outcomes in myriad ways.

Expected Annual Measurable Objectives

Metric #	Metric	Baseline	Year 1 Outcome	Year 2 Outcome	Mid-Year Outcome Data	Desired Outcome for 2026-2027
3.1	Percentage of students enrolled in an Accelerated and/or Advanced Math course and/or Advanced Math club (Source: Local Indicator Priority 7, SIS)	2023-24: (As of 5/20/24) 14%			2024-25: (As of 1/24/25) 16.0%	2026-27: >= 10%
3.2	Percentage of students in the current graduating class who have taken a Computer/Technology course and/or experienced blended learning in their program of study (Source: Local Indicator Priority 7, SIS)	2023-24: (As of 5/20/24) 100%			2024-25: (As of 1/24/25) 100.0%	2026-27: >= 90%
3.3	Percentage of students who have created or demonstrated a STEAM focused project, experiment, model or demo in the current year (Source: Local Indicator Priority 7, SIS)	2023-24: (As of 5/20/24) 99%			2024-25: (As of 1/24/25) 96.0%	2026-27: >= 80%
3.4	Percentage of students in the current year College Career Indicator (CCI) who earned Prepared on the CCI (Source: CA School Dashboard)	2022-23: (2023 Dashboard) 81.6%			2024-25: (As of 1/24/25) 51.8%	2025-26: (2026 Dashboard) >= 55.0%
3.5	Percentage of students who have demonstrated college preparedness pursuant to the Early Assessment Program (EAP), as measured by meeting or exceeding standard on the CAASPP-ELA/Literacy assessments in Grade 11 (Source: CDE DataQuest)	2022-23: 74.47%			2024-25: (As of 1/24/25) 52.38%	2025-26: >= 55.00%

	or programs of study that align with state board-approved CTE standards and frameworks (Source: CA School Dashboard, CALPADS)					
3.13	Percentage of cohort graduates who have earned a Seal of Biliteracy (Source: CDE DataQuest, CALPADS)	2022-23 (CDE DataQuest): 2.1%			2024-25: (As of 1/24/25) 21.4%	2025-26: (CDE DataQuest) >= 20.0%
3.14	Percentage of cohort graduates who have earned a Golden State Seal Merit Diploma (Source: CDE DataQuest, CALPADS)	2022-23 (CDE DataQuest): 55.3%			2024-25: (As of 1/24/25) 35.7%	2025-26: (CDE DataQuest) >= 30.0%
3.15	Percentage of cohort graduates who have earned an Advanced or Honors MPS Diploma (Source: SIS)	2023-24: 47.7%			2024-25: (As of 1/24/25) 41.1%	2026-27: >= 50.0%
3.16	Percentage of high school completers who have been accepted to a 4-year or 2-year college (Source: Naviance)	2023-24: 100%			Data will be available in May 2025.	2026-27: >= 90%
3.17	Percentage of high school completers who have been accepted to a 4-year college (Source: Naviance)	2023-24: 82%			Data will be available in May 2025.	2026-27: >= 60%
3.18	College-Going Rate (Source: CDE DataQuest)	Class of 2021: 51.2%			Class of 2022: 39.0%	Class of 2024: >= 60%

Actions & Measuring and Reporting Results

Goal # Action #	Action Title and Description	Contributing	Implementation Level	Mid-year Outcome Data	Other Data/Evidence (qualitative, quantitative, artifacts)	Total Funds Budgeted	Mid-Year Expenditures
3.1	**College/Career readiness programs and activities** Charter School will offer individual graduation plans, outlining the classes students will take during their high school years. Students will be provided credit recovery	Yes	Ongoing Implementation			$155,196.82	$61,656.68

Goal # Action #	Action Title and Description	Contributing	Implementation Level	Mid-year Outcome Data	Other Data/Evidence (qualitative, quantitative, artifacts)	Total Funds Budgeted	Mid-Year Expenditures
	opportunities and individualized support to ensure timely high school graduation. Charter School will offer Advisory and College Readiness classes and activities to support our students in the areas, including, but not limited to, college planning and career exploration, college application and financial aid submission. Charter School will provide students with opportunities to take Advanced Placement (AP) courses based on student needs and interests. Charter School will promote a college-going culture through dual and concurrent enrollment, AP courses, college visits, college/career days, and other college related activities. Charter School will also explore CTE options to provide students with opportunities to explore a career theme of interest while learning a set of technical and employability skills that integrate into or complement their academic studies. Expenditures associated with this action include the following: college counselor salary and benefits, AP teacher stipends, Naviance program fees, AP exam fees, AP course materials, and other college-related materials and activities. The following expenditures will be funded by federal Title funds: Educational Software: 3010 Title I: $500						

Goal # Action #	Action Title and Description	Contributing	Implementation Level	Mid-year Outcome Data	Other Data/Evidence (qualitative, quantitative, artifacts)	Total Funds Budgeted	Mid-Year Expenditures
3.2	**STEM and GATE programs** Charter School will offer STEAM and GATE programs and activities, including Accelerated/Advanced Math course and club. Students will be provided opportunities during the day and after school to create or demonstrate a STEAM focused project, experiment, model or demo. We will also provide information and access to quality out-of-school STEM activities and achievements. With CA Science Framework and NGSS integration, all our students will learn about engineering design, technology, and applications of science as part of their core classes. Furthermore, Charter School will design and implement computer science and engineering-related courses and activities, such as AP Computer Science Principles, Code.org activities, Project Lead the Way (PLTW) programs, Robotics, etc. Gifted and talented students and students achieving above grade level will be engaged in all classes as teachers differentiate curriculum through adjustments of content through depth, complexity, and pacing. Emphasis will be on innovation, critical thinking, and logical reasoning. Learners will be challenged to investigate, use problem-based learning, and research. Expenditures associated with this action include the following: supplemental STEM program fees.	Yes	Ongoing Implementation			$4,490.00	$2,294.39

Goal # Action #	Action Title and Description	Contributing	Implementation Level	Mid-year Outcome Data	Other Data/Evidence (qualitative, quantitative, artifacts)	Total Funds Budgeted	Mid-Year Expenditures
	The following expenditures will be funded by federal Title funds: • Educational Software: Resource: Title I; Amount: $2,000 • Educational Software: Resource: Title IV, Part A ESEA (ESSA); Amount: $2,490						
3.3	**Digital literacy and citizenship programs** Charter School will educate our students and staff in digital literacy so that they adapt, create, consume, and connect in productive, responsible ways to utilize technology in academic, social, and professional settings. Charter School will offer Computer/Digital Literacy classes and/or blended learning experiences for our students. Teachers will incorporate appropriate technology into lessons to support student learning and technology will be kept up to date. Students will be provided with opportunities to expand their literacy, computational, and communication skills with digital media; they will be writing advanced essays, conducting internet research, engaging in data collection, presenting ideas and drawing conclusions. Charter School staff will teach and model	Yes	Ongoing Implementation			$116,828.92	$59,699.58

Goal # Action #	Action Title and Description	Contributing	Implementation Level	Mid-year Outcome Data	Other Data/Evidence (qualitative, quantitative, artifacts)	Total Funds Budgeted	Mid-Year Expenditures
	safe, savvy, and social digital citizenship; topics may include, but are not limited to, using technology applications, including Artificial Intelligence (AI); digital footprint, privacy, and security; digital rights and responsibilities; using social media responsibly and digital etiquette. As our students gain the ability to navigate computing systems, utilize networks and the internet responsibly, analyze and interpret data with an antibias lens, solve problems using algorithms and programming, and carefully consider the ethics of computing technologies, they will become informed digital citizens who can leverage AI and other technologies to promote social justice and equity. Expenditures associated with this action include the following: computer teacher salary and benefits, internet security program fees, and digital literacy and citizenship program fees. The following expenditures will be funded by federal Title funds: N/A						
3.4	**Physical education, activity, and fitness** Charter School will provide students with physical education, using an age-appropriate, sequential PE curriculum consistent with state standards for PE. The curriculum will promote the benefits of a	Yes	Ongoing Implementation			$238,321.70	$104,720.79

Goal # Action #	Action Title and Description	Contributing	Implementation Level	Mid-year Outcome Data	Other Data/Evidence (qualitative, quantitative, artifacts)	Total Funds Budgeted	Mid-Year Expenditures
	physically active lifestyle and will help students develop skills to engage in lifelong healthy habits, as well as incorporate essential health education concepts. Charter School will offer recess before lunch and students will be provided with periodic opportunities to be active or to stretch throughout the day on all or most days during a typical school week. To the extent practicable, Charter School will ensure that its grounds and facilities are safe, and that equipment is available to students to be active. Charter School will offer opportunities for students to participate in physical activity either before and/or after the school day (or both) through a variety of methods such as physical activity/sports clubs, intramurals or interscholastic sports, etc. Charter School will adhere to the MPS Wellness Policy guidelines on physical education, activity, and fitness. Expenditures associated with this action include the following: PE/Health teacher salary and benefits and physical activity, fitness, and equipment expenses. The following expenditures will be funded by federal Title funds: N/A						

Goal # Action #	Action Title and Description	Contributing	Implementation Level	Mid-year Outcome Data	Other Data/Evidence (qualitative, quantitative, artifacts)	Total Funds Budgeted	Mid-Year Expenditures
3.5	**Additional programs and activities that support well-rounded education** To provide well-rounded education to our students, Charter School will strive to offer additional programs such as elective courses, arts, music, civics, languages other than English (LOTE), clubs, etc. Arts instruction focuses on developing students' creativity, imagination, discipline and self-expression through drawing and fine arts. It is important that all our students, particularly unduplicated students, are provided with experiential learning opportunities, including but not limited to, instructional field trips, internships, community service programs, clubs, etc. Charter School teachers and other staff will offer after school clubs for enrichment in the areas of, including, but not limited to, STEM (science, technology, engineering, math), ELA, LOTE, culture, sports, visual and performing arts, community service, leadership, and others. In addition to these clubs, the Charter School's Expanded Learning Opportunities Program (ELO-P) will support afterschool and summer enrichment programs in science, robotics, advanced math, academic competitions, journalism, college mentorship, and other areas. Expenditures associated with this action include the following: teacher salaries and benefits for additional programs that support well-rounded education, supplemental materials,	Yes	Ongoing Implementation			$615,391.13	$326,455.60

Goal # Action #	Action Title and Description	Contributing	Implementation Level	Mid-year Outcome Data	Other Data/Evidence (qualitative, quantitative, artifacts)	Total Funds Budgeted	Mid-Year Expenditures
	field trip expenses, and afterschool/club expenses. The following expenditures will be funded by federal Title funds: N/A						

Goal 4

Goal Description
CONNECTION: All students, families, staff, and other educational partners will experience our third core pillar, Connection, and have access to meaningful engagement opportunities that help cultivate Effective Communication and Global Citizenship in a safe and nurturing environment. Educational partners will feel a sense of community and connectedness.

Expected Annual Measurable Objectives

Actions & Measuring and Reporting Results

Goal # Action #	Action Title and Description	Contributing	Implementation Level	Mid-year Outcome Data	Other Data/Evidence (qualitative, quantitative, artifacts)	Total Funds Budgeted	Mid-Year Expenditures
4.1	**Seeking family input for decision-making** Charter School will build the capacity of and support administrators, teachers and staff in order to build the capacity of and support family members to effectively engage in advisory groups and decision-making. Charter School will provide all families with opportunities to provide input on policies and programs, and implement Community School strategies to reach and seek input from any underrepresented groups in the school community. Some periodic information/input sessions for	Yes	Ongoing Implementation			$275.00	$140.53

Goal # Action #	Action Title and Description	Contributing	Implementation Level	Mid-year Outcome Data	Other Data/Evidence (qualitative, quantitative, artifacts)	Total Funds Budgeted	Mid-Year Expenditures
	families include, but are not limited to, Board of Directors meetings, Parent Advisory Committee (PAC) meetings, English Learner Advisory Committee (ELAC) meetings, Parent Task Force (PTF) meetings, and Coffee with the Principal meetings. The PAC will be composed of majority of parents of pupils and include parents/guardians of ELs, low-income, foster youth, and students with disabilities. Parents, teachers, staff, students, and community members are encouraged and empowered to join school committees, including the PAC and ELAC. Such committees provide for representation of students in need (low income, EL, foster youth, students with disabilities, etc.) Feedback from our educational partners provide valuable input for the LCAP and continuous school improvement. Charter School chooses to utilize the LCAP to serve as the SPSA and holds an annual meeting to inform parents and collect feedback about LCAP goals and actions, data and needs assessment, Title-funded activities and budgets, UCP, parent and family engagement policy and school-student-parent compact. In addition, as explained in Goal 4: Action 4, Charter School will conduct family surveys to seek feedback on school improvement. Expenditures associated with this action include the following: parent meeting expenses, technology.						

Goal # Action #	Action Title and Description	Contributing	Implementation Level	Mid-year Outcome Data	Other Data/Evidence (qualitative, quantitative, artifacts)	Total Funds Budgeted	Mid-Year Expenditures
	The following expenditures will be funded by federal Title funds: N/A						
4.2	**Building relationships and partnerships with families for student outcomes** Charter School will develop the capacity of staff to build trusting and respectful relationships with families and create welcoming environments for all families in the community. Our staff will learn about each family's strengths, cultures, languages, and goals for their children. We will promote participation in activities/events, including Student/Parent Orientation, Back to School Night, and parent conferences. Administrators will greet all students and parents in the mornings during student drop off and have an open-door policy welcoming all parents. We will provide professional learning and support to staff to improve capacity to partner with families and to provide families with information and resources to support student learning and development in the home. Charter School will provide parents with access to course materials, homework assignments, projects, and records of students' grades through our SIS. Charter School will communicate further with the parents of students who are performing below grade level. Our	Yes	Ongoing Implementation			$373,958.20	$192,015.87

Goal # Action #	Action Title and Description	Contributing	Implementation Level	Mid-year Outcome Data	Other Data/Evidence (qualitative, quantitative, artifacts)	Total Funds Budgeted	Mid-Year Expenditures
	teachers, administrators, and classified staff will visit students at their homes to discuss student progress and enhance student learning and involvement. Charter School will also support families to understand and exercise their legal rights and advocate for their own students and all students. Charter School will schedule annual workshops for parents as well as additional workshops for parents of EL and immigrant students. Topics to be covered include, but are not limited to, the school's EL Master Plan, stages of language acquisition, state testing, college application, using SIS to check student progress, study habits, and family literacy. Charter School will use a variety of communication channels to connect with families in a language that is understandable and accessible to them. A parent communication software will be utilized for voice and text communications, email, and push notifications. We will provide language translators at parent meetings to the extent practicable. Expenditures associated with this action include the following: Infinite Campus SIS fees, ParentSquare software fees, SchoolMint software fees, home-visit compensation, parent activity/event expenses, Parent Education Bridge program fees, Pitney Bowes expenses, and Office manager/Administrative assistant salaries and benefits.						

Goal # Action #	Action Title and Description	Contributing	Implementation Level	Mid-year Outcome Data	Other Data/Evidence (qualitative, quantitative, artifacts)	Total Funds Budgeted	Mid-Year Expenditures
	The following expenditures will be funded by federal Title funds: • Professional Services: Resource: Title I; Amount: $17,500 • Teacher Salary and Benefits: Resource: Title I; Amount: $12,105						
4.3	**MTSS - PBIS and SEL support** Charter School will provide a safe, nurturing, and engaging learning environment for all our students and families. Academic and social-emotional support will be provided to address student needs as well as instructional materials including free uniforms. Students who are homeless, experiencing housing instability, are in foster care or experiencing personal/family crisis or have other special needs will be cared for in our supportive school community. Charter School will offer a SEL/Life Skills program that provides students with valuable skills to support academic excellence and social skill development. We will annually assess our suspension/expulsion policies and procedures and implement alternatives to suspension/expulsion, including restorative practices. Teachers will establish classroom management procedures, foster positive relationships, and help create an atmosphere of trust, respect, and	Yes	Ongoing Implementation			$897,212.38	$369,371.45

Goal # Action #	Action Title and Description	Contributing	Implementation Level	Mid-year Outcome Data	Other Data/Evidence (qualitative, quantitative, artifacts)	Total Funds Budgeted	Mid-Year Expenditures
	high expectations. Charter School will implement a positive and equitable student responsibility and behavior system with teaching, intervention and prevention strategies and protocols that are clear, fair, incremental, restorative, and culturally responsive. Charter School will celebrate student and school achievements and organize recognition assemblies and other schoolwide culture-building activities. Charter School will inform parents and students of attendance policies specified in the Student/Parent Handbook and encourage and support student attendance. Charter School will also implement the CORE DISTRICTS SEL Survey instrument in the fall and spring annually to assess the following social-emotional competencies: growth mindset, self-efficacy, self-management, and social awareness. As part of our MTSS efforts, school leadership, teachers, and support staff will analyze student SEL survey results in the fall to provide our students with targeted social-emotional support and then measure student responses again in the spring to measure growth, identify greatest progress and needs in order to inform our next steps. Expenditures associated with this action include the following: Dean of Students salary and benefits, discipline coordinator salary and benefits, office/attendance clerk salaries and benefits, school uniform expenses, PD on						

Goal # Action #	Action Title and Description	Contributing	Implementation Level	Mid-year Outcome Data	Other Data/Evidence (qualitative, quantitative, artifacts)	Total Funds Budgeted	Mid-Year Expenditures
	classroom management, PBIS, and SEL support, SEL program fees, outsourced SEL services fees, and additional services for homeless students. The following expenditures will be funded by federal Title funds: • Non-Instructional Student Supplies: Resource: Title III (Imm. Ed.); Amount: $2,866 • Instructional Materials and Supplies: Resource: Title I; Amount: $3,738 • Salary and benefits: Resource: Title I, Part A; Amount: $44,954						
4.4	**Annual educational partner surveys** Charter School will annually administer school experience surveys to students, families, and staff. Charter School will implement the CORE DISTRICTS Survey instrument to assess our educational partners' perceptions of the following school climate indicators: climate of support for academic learning; knowledge and fairness of discipline, rules and norms; safety; and sense of belonging (school connectedness). In addition, we ask our educational partners open-ended questions about what they like the best about the school and suggestions for	Yes	Planned			$2,200.00	$1,124.20

Goal # Action #	Action Title and Description	Contributing	Implementation Level	Mid-year Outcome Data	Other Data/Evidence (qualitative, quantitative, artifacts)	Total Funds Budgeted	Mid-Year Expenditures
	improvement. This feedback instrument provides all staff and school leaders with valuable information about how students see their classes, how much parents are involved, how supported staff feel and how to facilitate improvement. Our staff will analyze the survey results to identify the greatest progress and needs in order to inform our next steps. Expenditures associated with this action include the following: Panorama Education survey fees. The following expenditures will be funded by federal Title funds: 5800 Professional Services - 3010 Title I: $2,200						
4.5	**Community outreach and partnerships** Charter School will establish community, business, institutional and civic partnerships that invest in and support the vision and goals of the school. School staff will participate in local activities that engage community members and staff in communicating school successes to the broader community. Charter School will secure community support to sustain existing resources and add new resources that address emerging student needs. Charter School leadership will actively develop relationships with a range	Yes	Ongoing Implementation			$365,542.89	$267,626.49

Goal # Action #	Action Title and Description	Contributing	Implementation Level	Mid-year Outcome Data	Other Data/Evidence (qualitative, quantitative, artifacts)	Total Funds Budgeted	Mid-Year Expenditures
	of educational partners, policymakers, and researchers to identify and address issues, trends, and potential changes that affect the context and conduct of education. Goal 1

Goal Description
BASIC SERVICES FOR A HIGH-QUALITY LEARNING ENVIRONMENT: All students and staff will have access to a safe, secure, healthy, and high-quality learning and working environment. Students will receive high-quality services that are fundamental to academic success, including fully credentialed teachers, standards-aligned and high-quality instructional materials, and appropriately maintained school facilities.

Expected Annual Measurable Objectives

Metric #	Metric	Baseline	Year 1 Outcome	Year 2 Outcome	Mid-Year Outcome Data	Desired Outcome for 2026-2027
1.1	The percentage of teaching assignments that have an assignment monitoring outcome of "clear" (Source: Local Indicator Priority 1, CDE DataQuest TAMO by FTE Report)	2021-22: 77.5%			2022-23: 77.9%	2024-25: > 85%
1.2	Percentage of students without access to their own copies of standards-aligned instructional materials for use at school and at home (Source: Local Indicator Priority 1)	2023-24: 0%			2024-25 (As of 1/24/25): 0%	2026-27: 0%
1.3	Number of identified instances where facilities do not meet the “good repair” standard (including deficiencies and extreme deficiencies) (Source: Local Indicator Priority 1)	2023-24: 0			2024-25 (As of 1/24/25): 0	2026-27: 0
1.4	Teacher retention rate (Source: HRIS)	2023-24: (Fall 2022 to Fall 2023) 74%			2024-25: (Fall 2023 to Fall 20224) 87%	2026-27: (Fall 2025 to Fall 2026) >= 80%
1.5	Teacher attendance rate (Source: HRIS)	2023-24: (As of 5/15/24) 92.2%			2024-25: (First Semester) 91.8%	2026-27: >= 95.0%

Actions & Measuring and Reporting Results

Goal # Action #	Action Title and Description	Contributing	Implementation Level	Mid-year Outcome Data	Other Data/Evidence (qualitative, quantitative, artifacts)	Total Funds Budgeted	Mid-Year Expenditures
1.1	**Teacher assignments and credentials** Charter School and the MPS Human Resources team will conduct credential, background, and TB clearance reviews as part of the hiring process and at least once throughout the year to ensure all credentials are properly maintained. Charter School will support our teachers' credentialing needs. Charter School will also annually review master schedules and teacher assignments to ensure teachers are appropriately assigned and fully credentialed in the subject area and for the students they are teaching. Charter School uses a Human Resources Information System (HRIS) to automate employee documents. MPS Home Office HR team acts as a liaison between employees and provides administrative support as needed (e.g., correspondence generation, record keeping, file maintenance, HRIS entry, etc.) The HR team also provides reports to the Board and school administrators in regards to teacher retention, performance, pay scale, vacancies, recruitment efforts, credentials, mandatory trainings, and other HR related matters. Expenditures associated with this action include the following: teacher credentialing expenses, recruitment expenses (sign-in bonus, livescan/fingerprinting fees, etc.), Paycom/payroll fees, retirement service fees.	No	Partially Implemented			$25,970.00	$13,270.67

Goal # Action #	Action Title and Description	Contributing	Implementation Level	Mid-year Outcome Data	Other Data/Evidence (qualitative, quantitative, artifacts)	Total Funds Budgeted	Mid-Year Expenditures
	The following expenditures will be funded by federal Title funds: N/A						
1.2	**Instructional materials and technology** Charter School will manage the acquisition, distribution, and maintenance of equipment, materials, and technology needed to meet the academic, linguistic, cultural, social-emotional, and physical requirements of students. Charter School will annually review alignment of instructional materials to standards and maintain an inventory of instructional materials and corresponding purchases of materials. Charter School will annually review budgets and plans to ensure adequate budget for instructional materials. Charter School will ensure that students have sufficient access to standards-aligned instructional materials, including technology-based resources. Charter School will provide effective access and integration of technology resources, including software and mobile devices, that ensure meaningful access to CA Content Standards aligned instructional programs. Expenditures associated with this action include the following: textbooks, instructional materials and supplies, teacher/classroom supplies and office materials, computers, Chromebooks,	No	Fully Implemented			$380,785.49	$202,649.73

	hotspots, and other technology equipment, IT manager salary and benefits, E-Rate consultancy, and basic software (Zendesk, AssetWorks, firewall, Datto, CloudReady, Zoom, GoGuardian, etc.), phone/internet, and depreciation. The following expenditures will be funded by federal Title funds: • Technology: Resource: Title IV, Part A ESEA (ESSA); Amount: $963.54						
1.3	**Clean and safe facilities that support learning** Charter School will strive to maintain a clean, safe, environmentally friendly, and inviting school that is worthy of our students, families, and staff and encourages successful teaching and learning. Charter School will continually improve and maintain facilities to ensure school safety, security and high quality learning and working environments. Charter School will do annual and monthly facility inspections to screen for ADA compliance and safety hazards; identified deficiencies will be quickly remedied. Daily general cleaning will maintain campus cleanliness. Maintenance and repairs will be provided by Charter School custodial staff and/or outsourced. As a STEAM focused	No	Fully Implemented			$496,565.73	$257,418.49

Goal # Action #	Action Title and Description	Contributing	Implementation Level	Mid-year Outcome Data	Other Data/Evidence (qualitative, quantitative, artifacts)	Total Funds Budgeted	Mid-Year Expenditures
	school, we aim to operate in a sustainable and environmentally responsible manner. Charter School will develop and monitor comprehensive safety and security plans, conduct necessary safety training for all staff and continue to work with stakeholders and experts to implement emergency and risk management procedures for individuals and the site. Charter School will procure and maintain necessary safety/emergency supplies, equipment and items. Charter School will establish schedules and procedures for the supervision of students in non-classroom areas, including before and after school. Expenditures associated with this action include the following: facilities rent/acquisition cost, , maintenance and repair services, gas/electric, health and safety related expenses, and insurance costs (workers compensation, CharterSAFE, etc.) The following expenditures will be funded by federal Title funds: N/A						
1.4	**Healthy and nutritious meals** Charter School will maintain nutrition education resources and continue to focus on innovative ways to increase access to freshly prepared, nutritious foods to ensure students are well-nourished and	Yes	Fully Implemented			$18,020.00	$9,208.22

Goal # Action #	Action Title and Description	Contributing	Implementation Level	Mid-year Outcome Data	Other Data/Evidence (qualitative, quantitative, artifacts)	Total Funds Budgeted	Mid-Year Expenditures
	ready to learn. Charter School will adhere to the MPS Wellness Policy guidelines on nutritious foods for all food sales and celebrations. The meal program aims to improve the diet and health of our students, help mitigate childhood obesity, model healthy eating to support the development of lifelong healthy eating patterns and support healthy choices while accommodating cultural food preferences and special dietary needs. Charter School will promote healthy food and beverage choices for all students throughout campus, as well as encourage participation in school meal programs. Expenditures associated with this action include the following: student meals, water, and refreshments. The following expenditures will be funded by federal Title funds: N/A						
1.5	**Well-orchestrated Home Office support services** The MPS Home Office provides services to the Charter School, supports and holds accountable the Charter School for compliance and meeting charter goals, provides best practices in curriculum and professional development, and sets up systems and processes that support academic achievement and growth, operational effectiveness, and financial sustainability. The	No	Fully Implemented			$617,729.03	$311,285.09

Goal # Action #	Action Title and Description	Contributing	Implementation Level	Mid-year Outcome Data	Other Data/Evidence (qualitative, quantitative, artifacts)	Total Funds Budgeted	Mid-Year Expenditures
	Home Office manages business operations of schools, which reduces program and operations-related burdens of the Charter School administration and enables the Charter School to receive services at a lower cost. The services of the Home Office include, but are not limited to, academics, accountability, operations, IT, facilities, finance and accounting, human resources, and external relations. Instructional services are reflected in Goals 2-4. Expenditures associated with this action include the following: Home Office management fees, authorizer oversight fees, audit fees, bank fees, legal fees (YM&C, etc.), and other back-office related expenses (Adaptive Insights, DataWorks, etc.) The following expenditures will be funded by federal Title funds: N/A						

Goal 2

Goal Description
EXCELLENCE: Under our first core pillar of Excellence, all students will have equitable access to a high-quality core curricular and instructional program and make academic progress in alignment with California content standards (CCSS, NGSS, etc.) through our data-driven, differentiated and engaging learning program. Students will develop competencies aligned with our "Graduate Profile," including Literacy with a Learner's Mindset and Critical Thinking skills as they pursue academic excellence.

Expected Annual Measurable Objectives

Metric #	Metric	Baseline	Year 1 Outcome	Year 2 Outcome	Mid-Year Outcome Data	Desired Outcome for 2026-2027
2.1	Percentage of students who have sufficient access to all programs and services, as applicable, including the programs and services developed and provided to unduplicated students and to individuals with exceptional needs, and the programs that are provided to benefit these students (Source: Local Indicator Priority 7, SIS)	2023-24: 100%			2024-25: (As of 1/24/25) 100%	2026-27: 100%
2.2	Percentage of completion of observations by the school administration based on one formal and four informal classroom observations per teacher per year to ensure state standards implementation for all students (Source: Local Indicator Priority 2, TeachBoost/SchoolMint Grow)	2023-24: (As of 5/24/24) 69%			2024-25: (As of 1/24/25) 44%	2026-27: >= 85%
2.3	Percentage of students who have received a grade of "C" or better in core subjects and electives (Source: SIS)	2023-24: (First semester) 79%			2024-25: (First semester) 76%	2026-27: (First semester) >= 80%

Actions & Measuring and Reporting Results

Goal # Action #	Action Title and Description	Contributing	Implementation Level	Mid-year Outcome Data	Other Data/Evidence (qualitative, quantitative, artifacts)	Total Funds Budgeted	Mid-Year Expenditures
2.1	**Broad course of study and standards based curriculum** Charter School will provide students with a broad array of courses including core subjects (English, mathematics, social sciences, and science) and electives. Charter School will also provide all other academic programs and services outlined in its charter petition, certain programs and services being dependent on student need and interest. Charter School will design its master schedule to meet the needs of its students to ensure all academic content areas are available to all students, including student groups. All students will participate in a rigorous, relevant, and coherent standards-based curriculum that supports the achievement of the schoolwide learner outcomes, academic standards, and college- and career-readiness standards. The school will be appropriately staffed to implement the school master schedule.	No	Fully Implemented			$1,807,266.90	$917,448.56

Goal # Action #	Action Title and Description	Contributing	Implementation Level	Mid-year Outcome Data	Other Data/Evidence (qualitative, quantitative, artifacts)	Total Funds Budgeted	Mid-Year Expenditures
	Expenditures associated with this action include the following: teacher salaries and benefits, principal salary and benefits, and substitute teacher expenses. The following expenditures will be funded by federal Title funds: N/A						
2.2	**Professional development for high-quality instruction** Professional development will occur at the MPS organizational level and within the school. Charter School will ensure curricula, instruction, and assessments are aligned to the standards and that teachers participate in professional development on the implementation of standards (CCSS, NGSS, etc.) In addition to ongoing professional development activities that support efforts to increase student academic performance, all staff will be provided with multiple opportunities to grow professionally through induction processes, regular collaboration with colleagues, and curricular support. This involves instructional leadership, common walkthrough protocols, and professional feedback to promote a cycle of continuous improvement, as well as supports for high quality delivery of the program that enables differentiation, particularly for unduplicated students and students	Yes	Fully Implemented			$37,643.32	$19,235.74

Goal # Action #	Action Title and Description	Contributing	Implementation Level	Mid-year Outcome Data	Other Data/Evidence (qualitative, quantitative, artifacts)	Total Funds Budgeted	Mid-Year Expenditures
	with exceptional needs. Instructional leaders at the school and at the Home Office will assess staff professional development needs through formal and informal performance observation, surveys, and student performance data. Based on the data, combined with LCAP goals and the MPS Home Office high quality instruction guidelines, the instructional leaders will determine common staff development days and tailor staff development to individual staff needs. Expenditures associated with this action include the following: professional development, tuition reimbursement, and TeachBoost/SchoolMint Grow software fees. The following expenditures will be funded by federal Title funds: • Tuition reimbursement and other professional development: Resource: Title II, Part A; Amount: $25,442.12						
2.3	**MTSS - Academic enrichment, intervention, and student support** Charter School will implement MTSS as a systemic, continuous improvement framework in which data-based problem-solving and decision making is practiced across	Yes	Partially Implemented			$727,905.21	$384,008.92

Goal # Action #	Action Title and Description	Contributing	Implementation Level	Mid-year Outcome Data	Other Data/Evidence (qualitative, quantitative, artifacts)	Total Funds Budgeted	Mid-Year Expenditures
	all levels of the educational system for supporting students. Charter School will synthesize CAASPP and MAP student achievement and growth data, as well as course grades, and other state and internal assessment scores, into reports and regularly review progress towards targets. Targeted interventions will be utilized to create a high-quality differentiated environment where students are supported to engage at their optimal levels. Charter School will provide additional supports and interventions to all students, including but not limited to, 1-1 or small group interventions, targeted support via evidence-based supplemental intervention/enrichment materials and technology (reading, math, etc.), co-taught classes, Power English/Power Math classes, Study Skills, additional support during SSR/Advisory, before and after school tutoring, Saturday classes, and summer programs. SSPT, 504, and other support meetings will be coordinated among teachers and support roles (resource teachers, EL coordinator, department chairs, etc.) Expenditures associated with this action include the following: Dean of Academics salary and benefits, instructional aide salaries and benefits, intervention teacher salaries and benefits, teacher stipends for after school, Saturday school, and summer school, NWEA MAP testing fees, and evidence-						

Goal # Action #	Action Title and Description	Contributing	Implementation Level	Mid-year Outcome Data	Other Data/Evidence (qualitative, quantitative, artifacts)	Total Funds Budgeted	Mid-Year Expenditures
	based supplemental intervention/enrichment program fees (IXL, MyON, BrainPOP, Flocabulary, and Nearpod) The following expenditures will be funded by federal Title funds: • Teacher & admin salaries and benefits Resource: Title I: $96,532.72 • Professional Services Resource: Title I: $3,180 • Educational Software Resource: Title I: $37,028.98 • Educational Software Resource: Title IV, part A: $3,370.8						
2.4	**Designated and integrated ELD programs and support for ELs** Charter School will provide services to ELs, including newcomers and LTELs, by proficiency level and provide ELD instruction aligned to the CA ELD standards and framework. Charter School will provide our ELs with core and supplemental ELD instructional materials and provide our teachers with PD focused on ELD standards. Our EL coordinator will monitor EL student progress in program implementation according to our EL Master Plan. Charter School teachers will provide instruction using designated and integrated ELD instructional strategies as	Yes	Partially Implemented			$125,936.73	$41,231.15

Goal # Action #	Action Title and Description	Contributing	Implementation Level	Mid-year Outcome Data	Other Data/Evidence (qualitative, quantitative, artifacts)	Total Funds Budgeted	Mid-Year Expenditures
	outlined in the CHATS framework (and other research-based strategies such as SDAIE) to all students, including ELs. Charter School will provide culturally and linguistically relevant materials for students. ELs will receive further in-class instructional support which includes one-on-one teacher support and small group instruction. Charter School will strive to provide bilingual instructional assistants to provide primary language support to enable students to access content area instruction while gaining language proficiency. Charter School will ensure that teachers participate in PD on ELD instructional strategies and CHATS framework. Charter School will provide regular and timely communication with families of EL students, including newcomers and LTELs, regarding annual assessments, program supports and services, and students' progress toward reclassification. This notification will include, but is not limited to, annual parent notification letters, quarterly ELAC meetings, and parent-teacher conferences. Expenditures associated with this action include the following: EL coordinator salary and benefits, EL coordinator stipend. The following expenditures will be funded by federal Title funds: N/A						

Goal # Action #	Action Title and Description	Contributing	Implementation Level	Mid-year Outcome Data	Other Data/Evidence (qualitative, quantitative, artifacts)	Total Funds Budgeted	Mid-Year Expenditures
2.5	**Support for students with disabilities** Students with disabilities will receive services and supports as listed in their Individualized Education Programs (IEPs) (in addition to services they receive pertinent to low income, foster youth and English learner designations) in order to improve outcomes and close the achievement gap, including graduation rate and performance on statewide assessments. Students with disabilities will have access to all additional intervention and student support systems as outlined in Goal 2: Actions 3 and 4, as well as access to push-in and pull-out services, instructional aides, learning center services, and contracted services to provide each scholar with a Free and Appropriate Public Education in their least restrictive and most accessible learning environment. Students with disabilities dually identified as EL will have ELD goals in their IEPs in addition to goals addressing their specific areas of need based on their eligibility. Our SPED, EL, and general education teams will work in collaboration, monitor our scholars' progress toward IEP goal mastery, and provide progress reports to parents. In addition, all IEPs will be reviewed and present levels will be updated during annual and triennial reviews as required by the IDEA.	No	Partially Implemented			$924,604.90	$489,566.43

Goal # Action #	Action Title and Description	Contributing	Implementation Level	Mid-year Outcome Data	Other Data/Evidence (qualitative, quantitative, artifacts)	Total Funds Budgeted	Mid-Year Expenditures
	Expenditures associated with this action include the following: SPED coordinator and teacher salaries and benefits, paraprofessional salaries and benefits, school psychologist salary and benefits, SPED intern salaries and benefits, outsourced SPED services fees, and SPED instructional materials and technology. The following expenditures will be funded by federal Title funds: N/A						

Goal 3

Goal Description
INNOVATION: All students will have access to a well-rounded, 21st century education that supports their readiness for college and the global world under our second core pillar of Innovation. Each student will become an independent, innovative scholar by practicing Creativity and Adaptability in their learning, using technology and data-driven online learning, and demonstrating high-quality learning outcomes in myriad ways.

Expected Annual Measurable Objectives

Metric #	Metric	Baseline	Year 1 Outcome	Year 2 Outcome	Mid-Year Outcome Data	Desired Outcome for 2026-2027
3.1	Percentage of students enrolled in an Accelerated and/or Advanced Math course and/or Advanced Math club (Source: Local Indicator Priority 7, SIS)	2023-24: (As of 5/20/24) 9%			2024-25: (As of 1/24/25) 7.0%	2026-27: >= 10%
3.2	Percentage of students in the current graduating class who have taken a Computer/Technology course and/or experienced blended learning in their program of study (Source: Local Indicator Priority 7, SIS)	2023-24: (As of 5/20/24) 94%			2024-25: (As of 1/24/25) 90.0%	2026-27: >= 90%
3.3	Percentage of students who have created or demonstrated a STEAM focused project, experiment, model or demo in the current year (Source: Local Indicator Priority 7, SIS)	2023-24: (As of 5/20/24) 99%			2024-25: (As of 1/24/25) 100.0%	2026-27: >= 80%
3.4	Percentage of students in the current year College Career Indicator (CCI) who earned Prepared on the CCI (Source: CA School Dashboard)	2022-23: (2023 Dashboard) 44.0%			2024-25: (As of 1/24/25) 45.9%	2025-26: (2026 Dashboard) >= 55.0%
3.5	Percentage of students who have demonstrated college preparedness pursuant to the Early Assessment Program (EAP), as measured by meeting or exceeding standard on the CAASPP-ELA/Literacy assessments in Grade 11 (Source: CDE DataQuest)	2022-23: 48.0%			2024-25: (As of 1/24/25) 46.00%	2025-26: >= 55.00%

Actions & Measuring and Reporting Results

Goal # Action #	Action Title and Description	Contributing	Implementation Level	Mid-year Outcome Data	Other Data/Evidence (qualitative, quantitative, artifacts)	Total Funds Budgeted	Mid-Year Expenditures
3.1	**College/Career readiness programs and activities** Charter School will offer individual graduation plans, outlining the classes students will take during their high school years. Students will be provided credit recovery	Yes	Partially Implemented			$135,463.70	$110,639.18

Goal # Action #	Action Title and Description	Contributing	Implementation Level	Mid-year Outcome Data	Other Data/Evidence (qualitative, quantitative, artifacts)	Total Funds Budgeted	Mid-Year Expenditures
	opportunities and individualized support to ensure timely high school graduation. Charter School will offer Advisory and College Readiness classes and activities to support our students in the areas, including, but not limited to, college planning and career exploration, college application and financial aid submission. Charter School will provide students with opportunities to take Advanced Placement (AP) courses based on student needs and interests. Charter School will promote a college-going culture through dual and concurrent enrollment, AP courses, college visits, college/career days, and other college related activities. Charter School will also explore CTE options to provide students with opportunities to explore a career theme of interest while learning a set of technical and employability skills that integrate into or complement their academic studies. Expenditures associated with this action include the following: college counselor salary and benefits, AP teacher stipends, Naviance program fees, AP exam fees, AP course materials, and other college-related materials and activities. The following expenditures will be funded by federal Title funds: • Instructional Materials & Sups.: Title IV Part A; Amount: $3,180						

Goal # Action #	Action Title and Description	Contributing	Implementation Level	Mid-year Outcome Data	Other Data/Evidence (qualitative, quantitative, artifacts)	Total Funds Budgeted	Mid-Year Expenditures
3.2	**STEM and GATE programs** Charter School will offer STEAM and GATE programs and activities, including Accelerated/Advanced Math course and club. Students will be provided opportunities during the day and after school to create or demonstrate a STEAM focused project, experiment, model or demo. We will also provide information and access to quality out-of-school STEM activities and achievements. With CA Science Framework and NGSS integration, all our students will learn about engineering design, technology, and applications of science as part of their core classes. Furthermore, Charter School will design and implement computer science and engineering-related courses and activities, such as AP Computer Science Principles, Code.org activities, Project Lead the Way (PLTW) programs, Robotics, etc. Gifted and talented students and students achieving above grade level will be engaged in all classes as teachers differentiate curriculum through adjustments of content through depth, complexity, and pacing. Emphasis will be on innovation, critical thinking, and logical reasoning. Learners will be challenged to investigate, use problem-based learning, and research.	Yes	Partially Implemented			$0.00	$0.00

Goal # Action #	Action Title and Description	Contributing	Implementation Level	Mid-year Outcome Data	Other Data/Evidence (qualitative, quantitative, artifacts)	Total Funds Budgeted	Mid-Year Expenditures
	Expenditures associated with this action include the following: supplemental STEM program fees. The following expenditures will be funded by federal Title funds: N/A						
3.3	**Digital literacy and citizenship programs** Charter School will educate our students and staff in digital literacy so that they adapt, create, consume, and connect in productive, responsible ways to utilize technology in academic, social, and professional settings. Charter School will offer Computer/Digital Literacy classes and/or blended learning experiences for our students. Teachers will incorporate appropriate technology into lessons to support student learning and technology will be kept up to date. Students will be provided with opportunities to expand their literacy, computational, and communication skills with digital media; they will be writing advanced essays, conducting internet research, engaging in data collection, presenting ideas and drawing conclusions. Charter School staff will teach and model safe, savvy, and social digital citizenship; topics may include, but are not limited to, using technology applications, including Artificial Intelligence (AI); digital footprint,	Yes	Fully Implemented			$107,361.16	$58,986.44

Goal # Action #	Action Title and Description	Contributing	Implementation Level	Mid-year Outcome Data	Other Data/Evidence (qualitative, quantitative, artifacts)	Total Funds Budgeted	Mid-Year Expenditures
	privacy, and security; digital rights and responsibilities; using social media responsibly and digital etiquette. As our students gain the ability to navigate computing systems, utilize networks and the internet responsibly, analyze and interpret data with an antibias lens, solve problems using algorithms and programming, and carefully consider the ethics of computing technologies, they will become informed digital citizens who can leverage AI and other technologies to promote social justice and equity. Expenditures associated with this action include the following: computer teacher salary and benefits, internet security program fees, and digital literacy and citizenship program fees. The following expenditures will be funded by federal Title funds: N/A						
3.4	**Physical education, activity, and fitness** Charter School will provide students with physical education, using an age-appropriate, sequential PE curriculum consistent with state standards for PE. The curriculum will promote the benefits of a physically active lifestyle and will help students develop skills to engage in lifelong healthy habits, as well as incorporate essential health education concepts. Charter School	Yes	Fully Implemented			$181,332.74	$92,661.03

Goal # Action #	Action Title and Description	Contributing	Implementation Level	Mid-year Outcome Data	Other Data/Evidence (qualitative, quantitative, artifacts)	Total Funds Budgeted	Mid-Year Expenditures
	will offer recess before lunch and students will be provided with periodic opportunities to be active or to stretch throughout the day on all or most days during a typical school week. To the extent practicable, Charter School will ensure that its grounds and facilities are safe, and that equipment is available to students to be active. Charter School will offer opportunities for students to participate in physical activity either before and/or after the school day (or both) through a variety of methods such as physical activity/sports clubs, intramurals or interscholastic sports, etc. Charter School will adhere to the MPS Wellness Policy guidelines on physical education, activity, and fitness. Expenditures associated with this action include the following: PE/Health teacher salary and benefits and physical activity, fitness, and equipment expenses. The following expenditures will be funded by federal Title funds: • Title IV, Part A: Salary and Benefits Amount: $6,052.5						
3.5	**Additional programs and activities that support well-rounded education**	Yes	Fully Implemented			$490,309.09	$264,994.23

Goal # Action #	Action Title and Description	Contributing	Implementation Level	Mid-year Outcome Data	Other Data/Evidence (qualitative, quantitative, artifacts)	Total Funds Budgeted	Mid-Year Expenditures
	To provide well-rounded education to our students, Charter School will strive to offer additional programs such as elective courses, arts, music, civics, languages other than English (LOTE), clubs, etc. Arts instruction focuses on developing students' creativity, imagination, discipline and self-expression through drawing and fine arts. It is important that all our students, particularly unduplicated students, are provided with experiential learning opportunities, including but not limited to, instructional field trips, internships, community service programs, clubs, etc. Charter School teachers and other staff will offer after school clubs for enrichment in the areas of, including, but not limited to, STEM (science, technology, engineering, math), ELA, LOTE, culture, sports, visual and performing arts, community service, leadership, and others. In addition to these clubs, the Charter School's Expanded Learning Opportunities Program (ELO-P) will support afterschool and summer enrichment programs in science, robotics, advanced math, academic competitions, journalism, college mentorship, and other areas. Expenditures associated with this action include the following: teacher salaries and benefits for additional programs that support well-rounded education, supplemental materials, field trip expenses, and afterschool/club expenses.						

Goal # Action #	Action Title and Description	Contributing	Implementation Level	Mid-year Outcome Data	Other Data/Evidence (qualitative, quantitative, artifacts)	Total Funds Budgeted	Mid-Year Expenditures
	The following expenditures will be funded by federal Title funds: N/A						

Goal 4

Goal Description
CONNECTION: All students, families, staff, and other educational partners will experience our third core pillar, Connection, and have access to meaningful engagement opportunities that help cultivate Effective Communication and Global Citizenship in a safe and nurturing environment. Educational partners will feel a sense of community and connectedness.

Expected Annual Measurable Objectives

Actions & Measuring and Reporting Results

Goal # Action #	Action Title and Description	Contributing	Implementation Level	Mid-year Outcome Data	Other Data/Evidence (qualitative, quantitative, artifacts)	Total Funds Budgeted	Mid-Year Expenditures
4.1	**Seeking family input for decision-making** Charter School will build the capacity of and support administrators, teachers and staff in order to build the capacity of and support family members to effectively engage in advisory groups and decision-making. Charter School will provide all families with opportunities to provide input on policies and programs, and implement Community School strategies to reach and seek input from any underrepresented groups in the school community. Some periodic information/input sessions for	Yes	Fully Implemented			$275.00	$140.53

Goal # Action #	Action Title and Description	Contributing	Implementation Level	Mid-year Outcome Data	Other Data/Evidence (qualitative, quantitative, artifacts)	Total Funds Budgeted	Mid-Year Expenditures
	families include, but are not limited to, Board of Directors meetings, Parent Advisory Committee (PAC) meetings, English Learner Advisory Committee (ELAC) meetings, Parent Task Force (PTF) meetings, and Coffee with the Principal meetings. The PAC will be composed of majority of parents of pupils and include parents/guardians of ELs, low-income, foster youth, and students with disabilities. Parents, teachers, staff, students, and community members are encouraged and empowered to join school committees, including the PAC and ELAC. Such committees provide for representation of students in need (low income, EL, foster youth, students with disabilities, etc.) Feedback from our educational partners provide valuable input for the LCAP and continuous school improvement. Charter School chooses to utilize the LCAP to serve as the SPSA and holds an annual meeting to inform parents and collect feedback about LCAP goals and actions, data and needs assessment, Title-funded activities and budgets, UCP, parent and family engagement policy and school-student-parent compact. In addition, as explained in Goal 4: Action 4, Charter School will conduct family surveys to seek feedback on school improvement. Expenditures associated with this action include the following: parent meeting expenses and Document Tracking Services (DTS) fees.						

Goal # Action #	Action Title and Description	Contributing	Implementation Level	Mid-year Outcome Data	Other Data/Evidence (qualitative, quantitative, artifacts)	Total Funds Budgeted	Mid-Year Expenditures
	The following expenditures will be funded by federal Title funds: N/A						
4.2	**Building relationships and partnerships with families for student outcomes** Charter School will develop the capacity of staff to build trusting and respectful relationships with families and create welcoming environments for all families in the community. Our staff will learn about each family's strengths, cultures, languages, and goals for their children. We will promote participation in activities/events, including Student/Parent Orientation, Back to School Night, and parent conferences. Administrators will greet all students and parents in the mornings during student drop off and have an open-door policy welcoming all parents. We will provide professional learning and support to staff to improve capacity to partner with families and to provide families with information and resources to support student learning and development in the home. Charter School will provide parents with access to course materials, homework assignments, projects, and records of students' grades through our SIS. Charter School will communicate further with the parents of students who are	Yes	Fully Implemented			$147,586.67	$75,416.79

Goal # Action #	Action Title and Description	Contributing	Implementation Level	Mid-year Outcome Data	Other Data/Evidence (qualitative, quantitative, artifacts)	Total Funds Budgeted	Mid-Year Expenditures
	performing below grade level. Our teachers, administrators, and classified staff will visit students at their homes to discuss student progress and enhance student learning and involvement. Charter School will also support families to understand and exercise their legal rights and advocate for their own students and all students. Charter School will schedule annual workshops for parents as well as additional workshops for parents of EL and immigrant students. Topics to be covered include, but are not limited to, the school's EL Master Plan, stages of language acquisition, state testing, college application, using SIS to check student progress, study habits, and family literacy. Charter School will use a variety of communication channels to connect with families in a language that is understandable and accessible to them. A parent communication software will be utilized for voice and text communications, email, and push notifications. We will provide language translators at parent meetings to the extent practicable. Expenditures associated with this action include the following: Infinite Campus SIS fees, ParentSquare software fees, SchoolMint software fees, home-visit compensation, parent activity/event expenses, Parent Education Bridge program fees, Pitney Bowes expenses, and Office manager/Administrative assistant salaries and benefits.						

Goal # Action #	Action Title and Description	Contributing	Implementation Level	Mid-year Outcome Data	Other Data/Evidence (qualitative, quantitative, artifacts)	Total Funds Budgeted	Mid-Year Expenditures
	The following expenditures will be funded by federal Title funds. • Stipends for home visits: Resource: Title I, Part A; Amount: $16,146.75						
4.3	**MTSS - PBIS and SEL support** Charter School will provide a safe, nurturing, and engaging learning environment for all our students and families. Academic and social-emotional support will be provided to address student needs as well as instructional materials including free uniforms. Students who are homeless, experiencing housing instability, are in foster care or experiencing personal/family crisis or have other special needs will be cared for in our supportive school community. Charter School will offer a SEL/Life Skills program that provides students with valuable skills to support academic excellence and social skill development. We will annually assess our suspension/expulsion policies and procedures and implement alternatives to suspension/expulsion, including restorative practices. Teachers will establish classroom management procedures, foster positive relationships, and help create an atmosphere of trust, respect, and high expectations. Charter School will implement a positive and equitable student responsibility and	Yes	Fully Implemented			$506,707.37	$282,211.38

Goal # Action #	Action Title and Description	Contributing	Implementation Level	Mid-year Outcome Data	Other Data/Evidence (qualitative, quantitative, artifacts)	Total Funds Budgeted	Mid-Year Expenditures
	behavior system with teaching, intervention and prevention strategies and protocols that are clear, fair, incremental, restorative, and culturally responsive. Charter School will celebrate student and school achievements and organize recognition assemblies and other schoolwide culture-building activities. Charter School will inform parents and students of attendance policies specified in the Student/Parent Handbook and encourage and support student attendance. Charter School will also implement the CORE DISTRICTS SEL Survey instrument in the fall and spring annually to assess the following social-emotional competencies: growth mindset, self-efficacy, self-management, and social awareness. As part of our MTSS efforts, school leadership, teachers, and support staff will analyze student SEL survey results in the fall to provide our students with targeted social-emotional support and then measure student responses again in the spring to measure growth, identify greatest progress and needs in order to inform our next steps. Expenditures associated with this action include the following: Dean of Students salary and benefits, discipline coordinator salary and benefits, office/attendance clerk salaries and benefits, school uniform expenses, PD on classroom management, PBIS, and SEL support, SEL program fees, outsourced SEL services fees, and						

Goal # Action #	Action Title and Description	Contributing	Implementation Level	Mid-year Outcome Data	Other Data/Evidence (qualitative, quantitative, artifacts)	Total Funds Budgeted	Mid-Year Expenditures
	additional services for homeless students. The following expenditures will be funded by federal Title funds: • Additional services, material, and supplies for homeless students: Resource: Title I; Amount: $4,129.76						
4.4	**Annual educational partner surveys** Charter School will annually administer school experience surveys to students, families, and staff. Charter School will implement the CORE DISTRICTS Survey instrument to assess our educational partners' perceptions of the following school climate indicators: climate of support for academic learning; knowledge and fairness of discipline, rules and norms; safety; and sense of belonging (school connectedness). In addition, we ask our educational partners open-ended questions about what they like the best about the school and suggestions for improvement. This feedback instrument provides all staff and school leaders with valuable information about how students see their classes, how much parents are involved, how supported staff feel and how to facilitate improvement. Our staff will analyze	Yes	Fully Implemented			$1,696.00	$866.66

Goal 1

Goal Description
BASIC SERVICES FOR A HIGH-QUALITY LEARNING ENVIRONMENT: All students and staff will have access to a safe, secure, healthy, and high-quality learning and working environment. Students will receive high-quality services that are fundamental to academic success, including fully credentialed teachers, standards-aligned and high-quality instructional materials, and appropriately maintained school facilities.

Expected Annual Measurable Objectives

Metric #	Metric	Baseline	Year 1 Outcome	Year 2 Outcome	Mid-Year Outcome Data	Desired Outcome for 2026-2027
1.1	The percentage of teaching assignments that have an assignment monitoring outcome of "clear" (Source: Local Indicator Priority 1, CDE DataQuest TAMO by FTE Report)	2021-22: 93.8%			2022-23: 79.6%	2024-25: > 85%
1.2	Percentage of students without access to their own copies of standards-aligned instructional materials for use at school and at home (Source: Local Indicator Priority 1)	2023-24: 0%			2024-25 (As of 1/24/25): 0%	2026-27: 0%
1.3	Number of identified instances where facilities do not meet the “good repair” standard (including deficiencies and extreme deficiencies) (Source: Local Indicator Priority 1)	2023-24: 0			2024-25 (As of 1/24/25): 0	2026-27: 0
1.4	Teacher retention rate (Source: HRIS)	2023-24: (Fall 2022 to Fall 2023) 33%			2024-25: (Fall 2023 to Fall 20224) 70%	2026-27: (Fall 2025 to Fall 2026) >= 80%
1.5	Teacher attendance rate (Source: HRIS)	2023-24: (As of 5/15/24) 97.0%			2024-25: (First Semester) 95.3%	2026-27: >= 95.0%

Actions & Measuring and Reporting Results

Goal # Action #	Action Title and Description	Contributing	Implementation Level	Mid-year Outcome Data	Other Data/Evidence (qualitative, quantitative, artifacts)	Total Funds Budgeted	Mid-Year Expenditures
1.1	**Teacher assignments and credentials** Charter School and the MPS Human Resources team will conduct credential, background, and TB clearance reviews as part of the hiring process and at least once throughout the year to ensure all credentials are properly maintained. Charter School will support our teachers' credentialing needs. Charter School will also annually review master schedules and teacher assignments to ensure teachers are appropriately assigned and fully credentialed in the subject area and for the students they are teaching. Charter School uses a Human Resources Information System (HRIS) to automate employee documents. MPS Home Office HR team acts as a liaison between employees and provides administrative support as needed (e.g., correspondence generation, record keeping, file maintenance, HRIS entry, etc.) The HR team also provides reports to the Board and school administrators in regards to teacher retention, performance, pay scale, vacancies, recruitment efforts, credentials, mandatory trainings, and other HR related matters. Expenditures associated with this action include the following: teacher credentialing expenses, recruitment expenses (sign-in bonus, livescan/fingerprinting fees, etc.), Paycom/payroll fees, retirement service fees, and performance pay.	No	Fully Implemented			$12,300.00	$6,285.30

Goal # Action #	Action Title and Description	Contributing	Implementation Level	Mid-year Outcome Data	Other Data/Evidence (qualitative, quantitative, artifacts)	Total Funds Budgeted	Mid-Year Expenditures
	The following expenditures will be funded by federal Title funds: N/A						
1.2	**Instructional materials and technology** Charter School will manage the acquisition, distribution, and maintenance of equipment, materials, and technology needed to meet the academic, linguistic, cultural, social-emotional, and physical requirements of students. Charter School will annually review alignment of instructional materials to standards and maintain an inventory of instructional materials and corresponding purchases of materials. Charter School will annually review budgets and plans to ensure adequate budget for instructional materials. Charter School will ensure that students have sufficient access to standards-aligned instructional materials, including technology-based resources. Charter School will provide effective access and integration of technology resources, including software and mobile devices, that ensure meaningful access to CA Content Standards aligned instructional programs. Expenditures associated with this action include the following: textbooks, instructional materials and supplies, teacher/classroom supplies and office materials, computers, Chromebooks,	No	Fully Implemented			$98,600.13	$43,347.69

Goal # Action #	Action Title and Description	Contributing	Implementation Level	Mid-year Outcome Data	Other Data/Evidence (qualitative, quantitative, artifacts)	Total Funds Budgeted	Mid-Year Expenditures
	hotspots, and other technology equipment, IT manager salary and benefits, E-Rate consultancy, and basic software (Zendesk, AssetWorks, firewall, Datto, CloudReady, Zoom, GoGuardian, etc.), phone/internet, and copier fees. The following expenditures will be funded by federal Title funds: N/A						
1.3	**Clean and safe facilities that support learning** Charter School will strive to maintain a clean, safe, environmentally friendly, and inviting school that is worthy of our students, families, and staff and encourages successful teaching and learning. Charter School will continually improve and maintain facilities to ensure school safety, security and high quality learning and working environments. Charter School will do annual and monthly facility inspections to screen for ADA compliance and safety hazards; identified deficiencies will be quickly remedied. Daily general cleaning will maintain campus cleanliness. Maintenance and repairs will be provided by Charter School custodial staff and/or outsourced. As a STEAM focused school, we aim to operate in a sustainable and environmentally responsible manner. Charter School will develop and monitor	No	Fully Implemented			$260,184.00	$160,548.02

Goal # Action #	Action Title and Description	Contributing	Implementation Level	Mid-year Outcome Data	Other Data/Evidence (qualitative, quantitative, artifacts)	Total Funds Budgeted	Mid-Year Expenditures
	comprehensive safety and security plans, conduct necessary safety training for all staff and continue to work with stakeholders and experts to implement emergency and risk management procedures for individuals and the site. Charter School will procure and maintain necessary safety/emergency supplies, equipment and items. Charter School will establish schedules and procedures for the supervision of students in non-classroom areas, including before and after school. Expenditures associated with this action include the following: facilities rent/acquisition cost, custodial staff salaries and benefits, custodial supplies, maintenance and repair services, gas/electric, security services, health and safety related expenses (PPE, nursing services, etc.), insurance costs (workers compensation, CharterSAFE, etc.) , yearbook, and transportation expenses. The following expenditures will be funded by federal Title funds: N/A						
1.4	**Healthy and nutritious meals** Charter School will maintain nutrition education resources and continue to focus on innovative ways to increase access to freshly prepared, nutritious foods to ensure students are well-nourished and	Yes	Partially Implemented			$9,000.00	$4,599.00

Goal # Action #	Action Title and Description	Contributing	Implementation Level	Mid-year Outcome Data	Other Data/Evidence (qualitative, quantitative, artifacts)	Total Funds Budgeted	Mid-Year Expenditures
	ready to learn. Charter School will adhere to the MPS Wellness Policy guidelines on nutritious foods for all food sales and celebrations. The meal program aims to improve the diet and health of our students, help mitigate childhood obesity, model healthy eating to support the development of lifelong healthy eating patterns and support healthy choices while accommodating cultural food preferences and special dietary needs. Charter School will promote healthy food and beverage choices for all students throughout campus, as well as encourage participation in school meal programs. Expenditures associated with this action include the following: student meals, water, and refreshments. The following expenditures will be funded by federal Title funds: N/A						
1.5	**Well-orchestrated Home Office support services** The MPS Home Office provides services to the Charter School, supports and holds accountable the Charter School for compliance and meeting charter goals, provides best practices in curriculum and professional development, and sets up systems and processes that support academic achievement and growth, operational effectiveness, and financial sustainability. The	No	Fully Implemented			$252,968.65	$118,169.08

Goal # Action #	Action Title and Description	Contributing	Implementation Level	Mid-year Outcome Data	Other Data/Evidence (qualitative, quantitative, artifacts)	Total Funds Budgeted	Mid-Year Expenditures
	Home Office manages business operations of schools, which reduces program and operations-related burdens of the Charter School administration and enables the Charter School to receive services at a lower cost. The services of the Home Office include, but are not limited to, academics, accountability, operations, IT, facilities, finance and accounting, human resources, and external relations. Instructional services are reflected in Goals 2-4. Expenditures associated with this action include the following: Home Office management fees, authorizer oversight fees, audit fees, bank fees, legal fees (YM&C, etc.), and other back-office related expenses (Adaptive Insights, DataWorks, etc.) The following expenditures will be funded by federal Title funds: N/A						

Goal 2

Goal Description
EXCELLENCE: Under our first core pillar of Excellence, all students will have equitable access to a high-quality core curricular and instructional program and make academic progress in alignment with California content standards (CCSS, NGSS, etc.) through our data-driven, differentiated and engaging learning program. Students will develop competencies aligned with our "Graduate Profile," including Literacy with a Learner's Mindset and Critical Thinking skills as they pursue academic excellence.

Expected Annual Measurable Objectives

Metric #	Metric	Baseline	Year 1 Outcome	Year 2 Outcome	Mid-Year Outcome Data	Desired Outcome for 2026-2027
2.1	Percentage of students who have sufficient access to all programs and services, as applicable, including the programs and services developed and provided to unduplicated students and to individuals with exceptional needs, and the programs that are provided to benefit these students (Source: Local Indicator Priority 7, SIS)	2023-24: 100%			2024-25: (As of 1/24/25) 100%	2026-27: 100%
2.2	Percentage of completion of observations by the school administration based on one formal and four informal classroom observations per teacher per year to ensure state standards implementation for all students (Source: Local Indicator Priority 2, TeachBoost/SchoolMint Grow)	2023-24: (As of 5/24/24) 98%			2024-25: (As of 1/24/25) 57%	2026-27: >= 85%
2.3	Percentage of students who have received a grade of "C" or better in core subjects and electives (Source: SIS)	2023-24: (First semester) 74%			2024-25: (First semester) 77%	2026-27: (First semester) >= 80%

Actions & Measuring and Reporting Results

Goal # Action #	Action Title and Description	Contributing	Implementation Level	Mid-year Outcome Data	Other Data/Evidence (qualitative, quantitative, artifacts)	Total Funds Budgeted	Mid-Year Expenditures
2.1	**Broad course of study and standards based curriculum** Charter School will provide students with a broad array of courses including core subjects (English, mathematics, social sciences, and science) and electives. Charter School will also provide all other academic programs and services outlined in its charter petition, certain programs and services being dependent on student need and interest. Charter School will design its master schedule to meet the needs of its students to ensure all academic content areas are available to all students, including student groups. All students will participate in a rigorous, relevant, and coherent standards-based curriculum that supports the	No	Fully Implemented			$753,143.38	$377,568.00

Goal # Action #	Action Title and Description	Contributing	Implementation Level	Mid-year Outcome Data	Other Data/Evidence (qualitative, quantitative, artifacts)	Total Funds Budgeted	Mid-Year Expenditures
	achievement of the schoolwide learner outcomes, academic standards, and college- and career-readiness standards. The school will be appropriately staffed to implement the school master schedule. Expenditures associated with this action include the following: teacher salaries and benefits, principal salary and benefits, and substitute teacher expenses. The following expenditures will be funded by federal Title funds: N/A						
2.2	**Professional development for high-quality instruction** Professional development will occur at the MPS organizational level and within the school. Charter School will ensure curricula, instruction, and assessments are aligned to the standards and that teachers participate in professional development on the implementation of standards (CCSS, NGSS, etc.) In addition to ongoing professional development activities that support efforts to increase student academic performance, all staff will be provided with multiple opportunities to grow professionally through induction processes, regular collaboration with colleagues, and curricular support. This involves instructional leadership, common walkthrough	Yes	Fully Implemented			$24,131.00	$12,330.94

Goal # Action #	Action Title and Description	Contributing	Implementation Level	Mid-year Outcome Data	Other Data/Evidence (qualitative, quantitative, artifacts)	Total Funds Budgeted	Mid-Year Expenditures
	protocols, and professional feedback to promote a cycle of continuous improvement, as well as supports for high quality delivery of the program that enables differentiation, particularly for unduplicated students and students with exceptional needs. Instructional leaders at the school and at the Home Office will assess staff professional development needs through formal and informal performance observation, surveys, and student performance data. Based on the data, combined with LCAP goals and the MPS Home Office high quality instruction guidelines, the instructional leaders will determine common staff development days and tailor staff development to individual staff needs. Expenditures associated with this action include the following: professional development, tuition reimbursement, and TeachBoost/SchoolMint Grow software fees. The following expenditures will be funded by federal Title funds: • Tuition reimbursement for professional development: Resource: Title II, Part A; Amount: $5,131						

Goal # Action #	Action Title and Description	Contributing	Implementation Level	Mid-year Outcome Data	Other Data/Evidence (qualitative, quantitative, artifacts)	Total Funds Budgeted	Mid-Year Expenditures
2.3	**MTSS - Academic enrichment, intervention, and student support** Charter School will implement MTSS as a systemic, continuous improvement framework in which data-based problem-solving and decision making is practiced across all levels of the educational system for supporting students. Charter School will synthesize CAASPP and MAP student achievement and growth data, as well as course grades, and other state and internal assessment scores, into reports and regularly review progress towards targets. Targeted interventions will be utilized to create a high-quality differentiated environment where students are supported to engage at their optimal levels. Charter School will provide additional supports and interventions to all students, including but not limited to, 1-1 or small group interventions, targeted support via evidence-based supplemental intervention/enrichment materials and technology (reading, math, etc.), co-taught classes, Power English/Power Math classes, Study Skills, additional support during SSR/Advisory, before and after school tutoring, Saturday classes, and summer programs. SSPT, 504, and other support meetings will be coordinated among teachers and support roles (resource teachers, EL coordinator, department chairs, etc.) Expenditures associated with this action include the following:	Yes	Partially Implemented			$265,257.23	$136,380.60

Goal # Action #	Action Title and Description	Contributing	Implementation Level	Mid-year Outcome Data	Other Data/Evidence (qualitative, quantitative, artifacts)	Total Funds Budgeted	Mid-Year Expenditures
	Assistant Principal salary and benefits, instructional aide salaries and benefits, intervention teacher salaries and benefits, teacher stipends for after school, Saturday school, and summer school, NWEA MAP testing fees, Illuminate DnA fees, and evidence-based supplemental intervention/enrichment program fees (Edgenuity, IXL, and myON.) The following expenditures will be funded by federal Title funds: • Teacher & admin stipends for Study Hour & Saturday school Resource: Title I, Part A; Amount: $50,932.31 • NWEA MAP testing fees: Resource: Title I, Part A; Amount: $17,234.5 • Evidence-based supplemental intervention/enrichment program fees (for the programs listed in the expenditures description above): Resource: Title I, Part A; Amount: $5,000						
2.4	**Designated and integrated ELD programs and support for ELs** Charter School will provide services to ELs, including newcomers and LTELs, by proficiency level and provide ELD instruction aligned to	Yes	Fully Implemented			$0.00	$0.00

Goal # Action #	Action Title and Description	Contributing	Implementation Level	Mid-year Outcome Data	Other Data/Evidence (qualitative, quantitative, artifacts)	Total Funds Budgeted	Mid-Year Expenditures
	the CA ELD standards and framework. Charter School will provide our ELs with core and supplemental ELD instructional materials and provide our teachers with PD focused on ELD standards. Our EL coordinator will monitor EL student progress in program implementation according to our EL Master Plan. Charter School teachers will provide instruction using designated and integrated ELD instructional strategies as outlined in the CHATS framework (and other research-based strategies such as SDAIE) to all students, including ELs. Charter School will provide culturally and linguistically relevant materials for students. ELs will receive further in-class instructional support which includes one-on-one teacher support and small group instruction. Charter School will strive to provide bilingual instructional assistants to provide primary language support to enable students to access content area instruction while gaining language proficiency. Charter School will ensure that teachers participate in PD on ELD instructional strategies and CHATS framework. Charter School will provide regular and timely communication with families of EL students, including newcomers and LTELs, regarding annual assessments, program supports and services, and students' progress toward reclassification. This notification will include, but is not limited to, annual parent notification letters, quarterly ELAC						

Goal # Action #	Action Title and Description	Contributing	Implementation Level	Mid-year Outcome Data	Other Data/Evidence (qualitative, quantitative, artifacts)	Total Funds Budgeted	Mid-Year Expenditures
	meetings, and parent-teacher conferences. Expenditures associated with this action include the following: EL coordinator stipend. The following expenditures will be funded by federal Title funds: N/A						
2.5	**Support for students with disabilities** Students with disabilities will receive services and supports as listed in their Individualized Education Programs (IEPs) (in addition to services they receive pertinent to low income, foster youth and English learner designations) in order to improve outcomes and close the achievement gap, including graduation rate and performance on statewide assessments. Students with disabilities will have access to all additional intervention and student support systems as outlined in Goal 2: Actions 3 and 4, as well as access to push-in and pull-out services, instructional aides, learning center services, and contracted services to provide each scholar with a Free and Appropriate Public Education in their least restrictive and most accessible learning environment. Students with disabilities dually identified as EL will have ELD goals in their IEPs in addition to goals addressing their	No	Fully Implemented			$255,877.00	$133,296.91

Goal # Action #	Action Title and Description	Contributing	Implementation Level	Mid-year Outcome Data	Other Data/Evidence (qualitative, quantitative, artifacts)	Total Funds Budgeted	Mid-Year Expenditures
	specific areas of need based on their eligibility. Our SPED, EL, and general education teams will work in collaboration, monitor our scholars' progress toward IEP goal mastery, and provide progress reports to parents. In addition, all IEPs will be reviewed and present levels will be updated during annual and triennial reviews as required by the IDEA. Expenditures associated with this action include the following: SPED coordinator and teacher salaries and benefits, paraprofessional salaries and benefits, school psychologist salary and benefits, SPED intern salaries and benefits, outsourced SPED services fees, and SPED instructional materials and technology. The following expenditures will be funded by federal Title funds: N/A						

Goal 3

Goal Description
INNOVATION: All students will have access to a well-rounded, 21st century education that supports their readiness for college and the global world under our second core pillar of Innovation. Each student will become an independent, innovative scholar by practicing Creativity and Adaptability in their learning, using technology and data-driven online learning, and demonstrating high-quality learning outcomes in myriad ways.

Expected Annual Measurable Objectives

Metric #	Metric	Baseline	Year 1 Outcome	Year 2 Outcome	Mid-Year Outcome Data	Desired Outcome for 2026-2027
3.1	Percentage of students enrolled in an Accelerated and/or Advanced Math course and/or Advanced Math club (Source: Local Indicator Priority 7, SIS)	2023-24: (As of 5/20/24) 13%			2024-25: (As of 1/24/25) 1.0%	2026-27: >= 10%
3.2	Percentage of students in the current graduating class who have taken a Computer/Technology course and/or experienced blended learning in their program of study (Source: Local Indicator Priority 7, SIS)	2023-24: (As of 5/20/24) 100%			2024-25: (As of 1/24/25) 100.0%	2026-27: >= 90%
3.3	Percentage of students who have created or demonstrated a STEAM focused project, experiment, model or demo in the current year (Source: Local Indicator Priority 7, SIS)	2023-24: (As of 5/20/24) 90%			2024-25: (As of 1/24/25) 91.0%	2026-27: >= 80%

Actions & Measuring and Reporting Results

Goal # Action #	Action Title and Description	Contributing	Implementation Level	Mid-year Outcome Data	Other Data/Evidence (qualitative, quantitative, artifacts)	Total Funds Budgeted	Mid-Year Expenditures
3.1	**College/Career readiness programs and activities** Charter School will offer individual graduation plans, outlining the classes students will take during their high school years. Students will be provided credit recovery	Yes	Ongoing Implementation			$145,133.00	$75,333.82

Goal # Action #	Action Title and Description	Contributing	Implementation Level	Mid-year Outcome Data	Other Data/Evidence (qualitative, quantitative, artifacts)	Total Funds Budgeted	Mid-Year Expenditures
	opportunities and individualized support to ensure timely high school graduation. Charter School will offer Advisory and College Readiness classes and activities to support our students in the areas, including, but not limited to, college planning and career exploration, college application and financial aid submission. Charter School will provide students with opportunities to take Advanced Placement (AP) courses based on student needs and interests. Charter School will promote a college-going culture through dual and concurrent enrollment, AP courses, college visits, college/career days, and other college related activities. Charter School will also explore CTE options to provide students with opportunities to explore a career theme of interest while learning a set of technical and employability skills that integrate into or complement their academic studies. Expenditures associated with this action include the following: college counselor salary and benefits, AP teacher stipends, Naviance program fees, AP exam fees, AP course materials, and other college-related materials and activities. The following expenditures will be funded by federal Title funds: • College Counselor salary and benefits (partial): Resource: Title IV, Part A; Amount: $16,218.33						

Goal # Action #	Action Title and Description	Contributing	Implementation Level	Mid-year Outcome Data	Other Data/Evidence (qualitative, quantitative, artifacts)	Total Funds Budgeted	Mid-Year Expenditures
3.2	**STEM and GATE programs** Charter School will offer STEAM and GATE programs and activities, including Accelerated/Advanced Math course and club. Students will be provided opportunities during the day and after school to create or demonstrate a STEAM focused project, experiment, model or demo. We will also provide information and access to quality out-of-school STEM activities and achievements. With CA Science Framework and NGSS integration, all our students will learn about engineering design, technology, and applications of science as part of their core classes. Furthermore, Charter School will design and implement computer science and engineering-related courses and activities, such as AP Computer Science Principles, Code.org activities, Project Lead the Way (PLTW) programs, Robotics, etc. Gifted and talented students and students achieving above grade level will be engaged in all classes as teachers differentiate curriculum through adjustments of content through depth, complexity, and pacing. Emphasis will be on innovation, critical thinking, and logical reasoning. Learners will be challenged to investigate, use problem-based learning, and research.	Yes	Fully Implemented			$0.00	$0.00

Goal # Action #	Action Title and Description	Contributing	Implementation Level	Mid-year Outcome Data	Other Data/Evidence (qualitative, quantitative, artifacts)	Total Funds Budgeted	Mid-Year Expenditures
	Expenditures associated with this action include the following: supplemental STEM program fees. The following expenditures will be funded by federal Title funds: N/A						
3.3	**Digital literacy and citizenship programs** Charter School will educate our students and staff in digital literacy so that they adapt, create, consume, and connect in productive, responsible ways to utilize technology in academic, social, and professional settings. Charter School will offer Computer/Digital Literacy classes and/or blended learning experiences for our students. Teachers will incorporate appropriate technology into lessons to support student learning and technology will be kept up to date. Students will be provided with opportunities to expand their literacy, computational, and communication skills with digital media; they will be writing advanced essays, conducting internet research, engaging in data collection, presenting ideas and drawing conclusions. Charter School staff will teach and model safe, savvy, and social digital citizenship; topics may include, but are not limited to, using technology applications, including Artificial Intelligence (AI); digital footprint,	Yes	Fully Implemented			$0.00	$0.00

Goal # Action #	Action Title and Description	Contributing	Implementation Level	Mid-year Outcome Data	Other Data/Evidence (qualitative, quantitative, artifacts)	Total Funds Budgeted	Mid-Year Expenditures
	privacy, and security; digital rights and responsibilities; using social media responsibly and digital etiquette. As our students gain the ability to navigate computing systems, utilize networks and the internet responsibly, analyze and interpret data with an antibias lens, solve problems using algorithms and programming, and carefully consider the ethics of computing technologies, they will become informed digital citizens who can leverage AI and other technologies to promote social justice and equity. Expenditures associated with this action include the following: computer teacher salary and benefits, internet security program fees, and digital literacy and citizenship program fees. The following expenditures will be funded by federal Title funds: N/A						
3.4	**Physical education, activity, and fitness** Charter School will provide students with physical education, using an age-appropriate, sequential PE curriculum consistent with state standards for PE. The curriculum will promote the benefits of a physically active lifestyle and will help students develop skills to engage in lifelong healthy habits, as well as incorporate essential health education concepts. Charter School	Yes	Fully Implemented			$9,790.00	$5,002.69

Goal # Action #	Action Title and Description	Contributing	Implementation Level	Mid-year Outcome Data	Other Data/Evidence (qualitative, quantitative, artifacts)	Total Funds Budgeted	Mid-Year Expenditures
	will offer recess before lunch and students will be provided with periodic opportunities to be active or to stretch throughout the day on all or most days during a typical school week. To the extent practicable, Charter School will ensure that its grounds and facilities are safe, and that equipment is available to students to be active. Charter School will offer opportunities for students to participate in physical activity either before and/or after the school day (or both) through a variety of methods such as physical activity/sports clubs, intramurals or interscholastic sports, etc. Charter School will adhere to the MPS Wellness Policy guidelines on physical education, activity, and fitness. Expenditures associated with this action include the following: PE/Health teacher salary and benefits and physical activity, fitness, and equipment expenses. The following expenditures will be funded by federal Title funds: N/A						
3.5	**Additional programs and activities that support well-rounded education** To provide well-rounded education to our students, Charter School will strive to offer additional programs such as elective courses, arts,	Yes	Ongoing Implementation			$181,957.75	$103,968.94

Goal # Action #	Action Title and Description	Contributing	Implementation Level	Mid-year Outcome Data	Other Data/Evidence (qualitative, quantitative, artifacts)	Total Funds Budgeted	Mid-Year Expenditures
	music, civics, languages other than English (LOTE), clubs, etc. Arts instruction focuses on developing students' creativity, imagination, discipline and self-expression through drawing and fine arts. It is important that all our students, particularly unduplicated students, are provided with experiential learning opportunities, including but not limited to, instructional field trips, internships, community service programs, clubs, etc. Charter School teachers and other staff will offer after school clubs for enrichment in the areas of, including, but not limited to, STEM (science, technology, engineering, math), ELA, LOTE, culture, sports, visual and performing arts, community service, leadership, and others. In addition to these clubs, the Charter School's Expanded Learning Opportunities Program (ELO-P) will support afterschool and summer enrichment programs in science, robotics, advanced math, academic competitions, journalism, college mentorship, and other areas. Expenditures associated with this action include the following: teacher salaries and benefits for additional programs that support well-rounded education, supplemental materials, field trip expenses, and afterschool/club expenses. The following expenditures will be funded by federal Title funds: N/A						

Goal # Action #	Action Title and Description	Contributing	Implementation Level	Mid-year Outcome Data	Other Data/Evidence (qualitative, quantitative, artifacts)	Total Funds Budgeted	Mid-Year Expenditures

Goal 4

Goal Description
CONNECTION: All students, families, staff, and other educational partners will experience our third core pillar, Connection, and have access to meaningful engagement opportunities that help cultivate Effective Communication and Global Citizenship in a safe and nurturing environment. Educational partners will feel a sense of community and connectedness.

Expected Annual Measurable Objectives

Actions & Measuring and Reporting Results

Goal # Action #	Action Title and Description	Contributing	Implementation Level	Mid-year Outcome Data	Other Data/Evidence (qualitative, quantitative, artifacts)	Total Funds Budgeted	Mid-Year Expenditures
4.1	**Seeking family input for decision-making** Charter School will build the capacity of and support administrators, teachers and staff in order to build the capacity of and support family members to effectively engage in advisory groups and decision-making. Charter School will provide all families with opportunities to provide input on policies and programs, and implement Community School strategies to reach and seek input from any underrepresented groups in the school community. Some periodic information/input sessions for	Yes	Partially Implemented			$275.00	$140.53

Goal # Action #	Action Title and Description	Contributing	Implementation Level	Mid-year Outcome Data	Other Data/Evidence (qualitative, quantitative, artifacts)	Total Funds Budgeted	Mid-Year Expenditures
	families include, but are not limited to, Board of Directors meetings, Parent Advisory Committee (PAC) meetings, English Learner Advisory Committee (ELAC) meetings, Parent Task Force (PTF) meetings, and Coffee with the Principal meetings. The PAC will be composed of majority of parents of pupils and include parents/guardians of ELs, low-income, foster youth, and students with disabilities. Parents, teachers, staff, students, and community members are encouraged and empowered to join school committees, including the PAC and ELAC. Such committees provide for representation of students in need (low income, EL, foster youth, students with disabilities, etc.) Feedback from our educational partners provide valuable input for the LCAP and continuous school improvement. Charter School chooses to utilize the LCAP to serve as the SPSA and holds an annual meeting to inform parents and collect feedback about LCAP goals and actions, data and needs assessment, Title-funded activities and budgets, UCP, parent and family engagement policy and school-student-parent compact. In addition, as explained in Goal 4: Action 4, Charter School will conduct family surveys to seek feedback on school improvement. Expenditures associated with this action include the following: parent meeting expenses and Document Tracking Services (DTS) fees.						

Goal # Action #	Action Title and Description	Contributing	Implementation Level	Mid-year Outcome Data	Other Data/Evidence (qualitative, quantitative, artifacts)	Total Funds Budgeted	Mid-Year Expenditures
	The following expenditures will be funded by federal Title funds: N/A						
4.2	**Building relationships and partnerships with families for student outcomes** Charter School will develop the capacity of staff to build trusting and respectful relationships with families and create welcoming environments for all families in the community. Our staff will learn about each family's strengths, cultures, languages, and goals for their children. We will promote participation in activities/events, including Student/Parent Orientation, Back to School Night, and parent conferences. Administrators will greet all students and parents in the mornings during student drop off and have an open-door policy welcoming all parents. We will provide professional learning and support to staff to improve capacity to partner with families and to provide families with information and resources to support student learning and development in the home. Charter School will provide parents with access to course materials, homework assignments, projects, and records of students' grades through our SIS. Charter School will communicate further with the parents of students who are	Yes	Fully Implemented			$126,944.00	$64,868.39

Goal # Action #	Action Title and Description	Contributing	Implementation Level	Mid-year Outcome Data	Other Data/Evidence (qualitative, quantitative, artifacts)	Total Funds Budgeted	Mid-Year Expenditures
	performing below grade level. Our teachers, administrators, and classified staff will visit students at their homes to discuss student progress and enhance student learning and involvement. Charter School will also support families to understand and exercise their legal rights and advocate for their own students and all students. Charter School will schedule annual workshops for parents as well as additional workshops for parents of EL and immigrant students. Topics to be covered include, but are not limited to, the school's EL Master Plan, stages of language acquisition, state testing, college application, using SIS to check student progress, study habits, and family literacy. Charter School will use a variety of communication channels to connect with families in a language that is understandable and accessible to them. A parent communication software will be utilized for voice and text communications, email, and push notifications. We will provide language translators at parent meetings to the extent practicable. Expenditures associated with this action include the following: Infinite Campus SIS fees, ParentSquare software fees, SchoolMint software fees, home-visit compensation, parent activity/event expenses, Parent Education Bridge program fees, Pitney Bowes expenses, and Office manager/Administrative assistant salaries and benefits.						

Goal # Action #	Action Title and Description	Contributing	Implementation Level	Mid-year Outcome Data	Other Data/Evidence (qualitative, quantitative, artifacts)	Total Funds Budgeted	Mid-Year Expenditures
	The following expenditures will be funded by federal Title funds: • ParentSquare software fees: Resource: Title I, Part A: Amount: $600 • Home Visit Compensation: Resource: Title I, Part A: Amount: $4,236.75						
4.3	**MTSS - PBIS and SEL support** Charter School will provide a safe, nurturing, and engaging learning environment for all our students and families. Academic and social-emotional support will be provided to address student needs as well as instructional materials including free uniforms. Students who are homeless, experiencing housing instability, are in foster care or experiencing personal/family crisis or have other special needs will be cared for in our supportive school community. Charter School will offer a SEL/Life Skills program that provides students with valuable skills to support academic excellence and social skill development. We will annually assess our suspension/expulsion policies and procedures and implement alternatives to suspension/expulsion, including restorative practices. Teachers will establish classroom management procedures, foster positive relationships, and help create an	Yes	Fully Implemented			$276,079.90	$152,362.52

Goal # Action #	Action Title and Description	Contributing	Implementation Level	Mid-year Outcome Data	Other Data/Evidence (qualitative, quantitative, artifacts)	Total Funds Budgeted	Mid-Year Expenditures
	atmosphere of trust, respect, and high expectations. Charter School will implement a positive and equitable student responsibility and behavior system with teaching, intervention and prevention strategies and protocols that are clear, fair, incremental, restorative, and culturally responsive. Charter School will celebrate student and school achievements and organize recognition assemblies and other schoolwide culture-building activities. Charter School will inform parents and students of attendance policies specified in the Student/Parent Handbook and encourage and support student attendance. Charter School will also implement the CORE DISTRICTS SEL Survey instrument in the fall and spring annually to assess the following social-emotional competencies: growth mindset, self-efficacy, self-management, and social awareness. As part of our MTSS efforts, school leadership, teachers, and support staff will analyze student SEL survey results in the fall to provide our students with targeted social-emotional support and then measure student responses again in the spring to measure growth, identify greatest progress and needs in order to inform our next steps. Expenditures associated with this action include the following: Dean of Students salary and benefits, discipline coordinator salary and benefits, office/attendance clerk salaries and benefits, school						

Goal # Action #	Action Title and Description	Contributing	Implementation Level	Mid-year Outcome Data	Other Data/Evidence (qualitative, quantitative, artifacts)	Total Funds Budgeted	Mid-Year Expenditures
	uniform expenses, PD on classroom management, PBIS, and SEL support, SEL program fees, outsourced SEL services fees, and additional services for homeless students. The following expenditures will be funded by federal Title funds: • Additional services for homeless students: Resource: Title I, Part A; Amount: $1,145						
4.4	**Annual educational partner surveys** Charter School will annually administer school experience surveys to students, families, and staff. Charter School will implement the CORE DISTRICTS Survey instrument to assess our educational partners' perceptions of the following school climate indicators: climate of support for academic learning; knowledge and fairness of discipline, rules and norms; safety; and sense of belonging (school connectedness). In addition, we ask our educational partners open-ended questions about what they like the best about the school and suggestions for improvement. This feedback instrument provides all staff and school leaders with valuable information about how students see their classes, how much parents	Yes	Partially Implemented			$500.00	$255.50

Goal # Action #	Action Title and Description	Contributing	Implementation Level	Mid-year Outcome Data	Other Data/Evidence (qualitative, quantitative, artifacts)	Total Funds Budgeted	Mid-Year Expenditures
	are involved, how supported staff feel and how to facilitate improvement. Our staff will analyze the survey results to identify the greatest progress and needs in order to inform our next steps. Expenditures associated with this action include the following: Panorama Education survey fees. The following expenditures will be funded by federal Title funds: 5800 Professional Services: 3010 Title 1: $500						
4.5	**Community outreach and partnerships** Charter School will establish community, business, institutional and civic partnerships that invest in and support the vision and goals of the school. School staff will participate in local activities that engage community members and staff in communicating school successes to the broader community. Charter School will secure community support to sustain existing resources and add new resources that address emerging student needs. Charter School leadership will actively develop relationships with a range of educational partners, policymakers, and researchers to identify and address issues, trends, and potential changes that affect	Yes	Fully Implemented			$125,570.63	$64,166.60

Goal 1

Goal Description
BASIC SERVICES FOR A HIGH-QUALITY LEARNING ENVIRONMENT: All students and staff will have access to a safe, secure, healthy, and high-quality learning and working environment. Students will receive high-quality services that are fundamental to academic success, including fully credentialed teachers, standards-aligned and high-quality instructional materials, and appropriately maintained school facilities.

Expected Annual Measurable Objectives

Metric #	Metric	Baseline	Year 1 Outcome	Year 2 Outcome	Mid-Year Outcome Data	Desired Outcome for 2026-2027
1.1	The percentage of teaching assignments that have an assignment monitoring outcome of "clear" (Source: Local Indicator Priority 1, CDE DataQuest TAMO by FTE Report)	2021-22: 62.7%			2022-23: 59.3%	2024-25: > 85%
1.2	Percentage of students without access to their own copies of standards-aligned instructional materials for use at school and at home (Source: Local Indicator Priority 1)	2023-24: 0%			2024-25 (As of 1/24/25): 0%	2026-27: 0%
1.3	Number of identified instances where facilities do not meet the “good repair” standard (including deficiencies and extreme deficiencies) (Source: Local Indicator Priority 1)	2023-24: 0			2024-25 (As of 1/24/25): 0	2026-27: 0
1.4	Teacher retention rate (Source: HRIS)	2023-24: (Fall 2022 to Fall 2023) 60%			2024-25: (Fall 2023 to Fall 20224) 71%	2026-27: (Fall 2025 to Fall 2026) >= 80%

Actions & Measuring and Reporting Results

Goal # Action #	Action Title and Description	Contributing	Implementation Level	Mid-year Outcome Data	Other Data/Evidence (qualitative, quantitative, artifacts)	Total Funds Budgeted	Mid-Year Expenditures
1.1	**Teacher assignments and credentials** Charter School and the MPS Human Resources team will conduct credential, background, and TB clearance reviews as part of the hiring process and at least once throughout the year to ensure all credentials are properly maintained. Charter School will support our teachers' credentialing needs. Charter School will also annually review master schedules and teacher assignments to ensure teachers are appropriately assigned and fully credentialed in the subject area and for the students they are teaching. Charter School uses a Human Resources Information System (HRIS) to automate employee documents. MPS Home Office HR team acts as a liaison between employees and provides administrative support as needed (e.g., correspondence generation, record keeping, file maintenance, HRIS entry, etc.) The HR team also provides reports to the Board and school administrators in regards to teacher retention, performance, pay scale, vacancies, recruitment efforts, credentials, mandatory trainings, and other HR related matters. Expenditures associated with this action include the following: teacher credentialing expenses, recruitment expenses (sign-in bonus, livescan/fingerprinting fees, etc.), Paycom/payroll fees, retirement service fees, and performance pay.	No	Ongoing Implementation			$17,755.00	$9,072.81

Goal # Action #	Action Title and Description	Contributing	Implementation Level	Mid-year Outcome Data	Other Data/Evidence (qualitative, quantitative, artifacts)	Total Funds Budgeted	Mid-Year Expenditures
	The following expenditures will be funded by federal Title funds: N/A						
1.2	**Instructional materials and technology** Charter School will manage the acquisition, distribution, and maintenance of equipment, materials, and technology needed to meet the academic, linguistic, cultural, social-emotional, and physical requirements of students. Charter School will annually review alignment of instructional materials to standards and maintain an inventory of instructional materials and corresponding purchases of materials. Charter School will annually review budgets and plans to ensure adequate budget for instructional materials. Charter School will ensure that students have sufficient access to standards-aligned instructional materials, including technology-based resources. Charter School will provide effective access and integration of technology resources, including software and mobile devices, that ensure meaningful access to CA Content Standards aligned instructional programs. Expenditures associated with this action include the following: textbooks, instructional materials and supplies, teacher/classroom supplies and office materials, computers, Chromebooks,	No	Ongoing Implementation			$198,432.98	$96,594.83

Goal # Action #	Action Title and Description	Contributing	Implementation Level	Mid-year Outcome Data	Other Data/Evidence (qualitative, quantitative, artifacts)	Total Funds Budgeted	Mid-Year Expenditures
	hotspots, and other technology equipment, IT manager salary and benefits, E-Rate consultancy, and basic software (Zendesk, AssetWorks, firewall, Datto, CloudReady, Zoom, GoGuardian, etc.), phone/internet, and depreciation. The following expenditures will be funded by federal Title funds: • Title II, Purchased ADOBE software under 5940 Technology:$963.54						
1.3	**Clean and safe facilities that support learning** Charter School will strive to maintain a clean, safe, environmentally friendly, and inviting school that is worthy of our students, families, and staff and encourages successful teaching and learning. Charter School will continually improve and maintain facilities to ensure school safety, security and high quality learning and working environments. Charter School will do annual and monthly facility inspections to screen for ADA compliance and safety hazards; identified deficiencies will be quickly remedied. Daily general cleaning will maintain campus cleanliness. Maintenance and repairs will be provided by Charter School custodial staff and/or outsourced. As a STEAM focused	No	Ongoing Implementation			$366,565.78	$195,540.12

Goal # Action #	Action Title and Description	Contributing	Implementation Level	Mid-year Outcome Data	Other Data/Evidence (qualitative, quantitative, artifacts)	Total Funds Budgeted	Mid-Year Expenditures
	school, we aim to operate in a sustainable and environmentally responsible manner. Charter School will develop and monitor comprehensive safety and security plans, conduct necessary safety training for all staff and continue to work with stakeholders and experts to implement emergency and risk management procedures for individuals and the site. Charter School will procure and maintain necessary safety/emergency supplies, equipment and items. Charter School will establish schedules and procedures for the supervision of students in non-classroom areas, including before and after school. Expenditures associated with this action include the following: facilities rent/acquisition cost, custodial staff salaries and benefits, custodial supplies, maintenance and repair services, gas/electric, security services, health and safety related expenses (PPE, nursing services, etc.), and insurance costs (workers compensation, CharterSAFE, etc.) The following expenditures will be funded by federal Title funds: N/A						
1.4	**Healthy and nutritious meals** Charter School will maintain nutrition education resources and continue to focus on innovative	Yes	Ongoing Implementation			$24,360.00	$12,447.96

Goal # Action #	Action Title and Description	Contributing	Implementation Level	Mid-year Outcome Data	Other Data/Evidence (qualitative, quantitative, artifacts)	Total Funds Budgeted	Mid-Year Expenditures
	ways to increase access to freshly prepared, nutritious foods to ensure students are well-nourished and ready to learn. Charter School will adhere to the MPS Wellness Policy guidelines on nutritious foods for all food sales and celebrations. The meal program aims to improve the diet and health of our students, help mitigate childhood obesity, model healthy eating to support the development of lifelong healthy eating patterns and support healthy choices while accommodating cultural food preferences and special dietary needs. Charter School will promote healthy food and beverage choices for all students throughout campus, as well as encourage participation in school meal programs. Expenditures associated with this action include the following: student meals, water, and refreshments. The following expenditures will be funded by federal Title funds: N/A						
1.5	**Well-orchestrated Home Office support services** The MPS Home Office provides services to the Charter School, supports and holds accountable the Charter School for compliance and meeting charter goals, provides best practices in curriculum and professional development, and sets up systems and processes that	No	Ongoing Implementation			$347,839.20	$165,869.07

Goal # Action #	Action Title and Description	Contributing	Implementation Level	Mid-year Outcome Data	Other Data/Evidence (qualitative, quantitative, artifacts)	Total Funds Budgeted	Mid-Year Expenditures
	support academic achievement and growth, operational effectiveness, and financial sustainability. The Home Office manages business operations of schools, which reduces program and operations-related burdens of the Charter School administration and enables the Charter School to receive services at a lower cost. The services of the Home Office include, but are not limited to, academics, accountability, operations, IT, facilities, finance and accounting, human resources, and external relations. Instructional services are reflected in Goals 2-4. Expenditures associated with this action include the following: Home Office management fees, authorizer oversight fees, audit fees, bank fees, legal fees (YM&C, etc.), and other back-office related expenses (Adaptive Insights, DataWorks, etc.) The following expenditures will be funded by federal Title funds: 5800 Professional Services: 3010 Title I: $9,307						

Goal 2

Goal Description
EXCELLENCE: Under our first core pillar of Excellence, all students will have equitable access to a high-quality core curricular and instructional program and make academic progress in alignment with California content standards (CCSS, NGSS, etc.) through our data-driven, differentiated and engaging learning program. Students will develop competencies aligned with our "Graduate Profile," including Literacy with a Learner's Mindset and Critical Thinking skills as they pursue academic excellence.

Expected Annual Measurable Objectives

Metric #	Metric	Baseline	Year 1 Outcome	Year 2 Outcome	Mid-Year Outcome Data	Desired Outcome for 2026-2027
2.1	Percentage of students who have sufficient access to all programs and services, as applicable, including the programs and services developed and provided to unduplicated students and to individuals with exceptional needs, and the programs that are provided to benefit these students (Source: Local Indicator Priority 7, SIS)	2023-24: 100%			2024-25: (As of 1/24/25) 100%	2026-27: 100%
2.2	Percentage of completion of observations by the school administration based on one formal and four informal classroom observations per teacher per year to ensure state standards implementation for all students (Source: Local Indicator Priority 2, TeachBoost/SchoolMint Grow)	2023-24: (As of 5/24/24) 88%			2024-25: (As of 1/24/25) 63%	2026-27: >= 85%

Actions & Measuring and Reporting Results

Goal # Action #	Action Title and Description	Contributing	Implementation Level	Mid-year Outcome Data	Other Data/Evidence (qualitative, quantitative, artifacts)	Total Funds Budgeted	Mid-Year Expenditures
2.1	**Broad course of study and standards based curriculum** Charter School will provide students with a broad array of courses including core subjects (English, mathematics, social sciences, and science) and electives. Charter School will also provide all other academic programs and services outlined in its charter petition, certain programs and services	No	Ongoing Implementation			$1,084,158.70	$538,216.65

Goal # Action #	Action Title and Description	Contributing	Implementation Level	Mid-year Outcome Data	Other Data/Evidence (qualitative, quantitative, artifacts)	Total Funds Budgeted	Mid-Year Expenditures
	being dependent on student need and interest. Charter School will design its master schedule to meet the needs of its students to ensure all academic content areas are available to all students, including student groups. All students will participate in a rigorous, relevant, and coherent standards-based curriculum that supports the achievement of the schoolwide learner outcomes, academic standards, and college- and career-readiness standards. The school will be appropriately staffed to implement the school master schedule. Expenditures associated with this action include the following: teacher salaries and benefits, principal salary and benefits, and substitute teacher expenses. The following expenditures will be funded by federal Title funds: N/A						
2.2	**Professional development for high-quality instruction** Professional development will occur at the MPS organizational level and within the school. Charter School will ensure curricula, instruction, and assessments are aligned to the standards and that teachers participate in professional development on the implementation of standards (CCSS, NGSS, etc.) In addition to ongoing professional	Yes	Ongoing Implementation			$47,697.22	$24,373.28

Goal # Action #	Action Title and Description	Contributing	Implementation Level	Mid-year Outcome Data	Other Data/Evidence (qualitative, quantitative, artifacts)	Total Funds Budgeted	Mid-Year Expenditures
	development activities that support efforts to increase student academic performance, all staff will be provided with multiple opportunities to grow professionally through induction processes, regular collaboration with colleagues, and curricular support. This involves instructional leadership, common walkthrough protocols, and professional feedback to promote a cycle of continuous improvement, as well as supports for high quality delivery of the program that enables differentiation, particularly for unduplicated students and students with exceptional needs. Instructional leaders at the school and at the Home Office will assess staff professional development needs through formal and informal performance observation, surveys, and student performance data. Based on the data, combined with LCAP goals and the MPS Home Office high quality instruction guidelines, the instructional leaders will determine common staff development days and tailor staff development to individual staff needs. Expenditures associated with this action include the following: professional development, tuition reimbursement, and TeachBoost/SchoolMint Grow software fees. The following expenditures will be funded by federal Title funds:

	linguistically relevant materials for students. ELs will receive further in-class instructional support which includes one-on-one teacher support and small group instruction. Charter School will strive to provide bilingual instructional assistants to provide primary language support to enable students to access content area instruction while gaining language proficiency. Charter School will ensure that teachers participate in PD on ELD instructional strategies and CHATS framework. Charter School will provide regular and timely communication with families of EL students, including newcomers and LTELs, regarding annual assessments, program supports and services, and students' progress toward reclassification. This notification will include, but is not limited to, annual parent notification letters, quarterly ELAC meetings, and parent-teacher conferences. Expenditures associated with this action include the following: EL coordinator salary and benefits, EL coordinator stipend, EL instructional aide salary and benefits, and Rosetta Stone program fees. The following expenditures will be funded by federal Title funds: N/A						

Goal # Action #	Action Title and Description	Contributing	Implementation Level	Mid-year Outcome Data	Other Data/Evidence (qualitative, quantitative, artifacts)	Total Funds Budgeted	Mid-Year Expenditures
2.5	**Support for students with disabilities** Students with disabilities will receive services and supports as listed in their Individualized Education Programs (IEPs) (in addition to services they receive pertinent to low income, foster youth and English learner designations) in order to improve outcomes and close the achievement gap, including graduation rate and performance on statewide assessments. Students with disabilities will have access to all additional intervention and student support systems as outlined in Goal 2: Actions 3 and 4, as well as access to push-in and pull-out services, instructional aides, learning center services, and contracted services to provide each scholar with a Free and Appropriate Public Education in their least restrictive and most accessible learning environment. Students with disabilities dually identified as EL will have ELD goals in their IEPs in addition to goals addressing their specific areas of need based on their eligibility. Our SPED, EL, and general education teams will work in collaboration, monitor our scholars' progress toward IEP goal mastery, and provide progress reports to parents. In addition, all IEPs will be reviewed and present levels will be updated during annual and triennial reviews as required by the IDEA. Expenditures associated with this action include the following: SPED	No	Ongoing Implementation			$615,595.98	$330,857.85

Goal # Action #	Action Title and Description	Contributing	Implementation Level	Mid-year Outcome Data	Other Data/Evidence (qualitative, quantitative, artifacts)	Total Funds Budgeted	Mid-Year Expenditures
	coordinator and teacher salaries and benefits, paraprofessional salaries and benefits, school psychologist salary and benefits, SPED intern salaries and benefits, outsourced SPED services fees, and SPED instructional materials and technology. The following expenditures will be funded by federal Title funds: • 4127 Title IV, Part A ESEA (ESSA) 5800 Professional Services $8,480						

Goal 3

Goal Description
INNOVATION: All students will have access to a well-rounded, 21st century education that supports their readiness for college and the global world under our second core pillar of Innovation. Each student will become an independent, innovative scholar by practicing Creativity and Adaptability in their learning, using technology and data-driven online learning, and demonstrating high-quality learning outcomes in myriad ways.

Expected Annual Measurable Objectives

Metric #	Metric	Baseline	Year 1 Outcome	Year 2 Outcome	Mid-Year Outcome Data	Desired Outcome for 2026-2027
	Early Assessment Program (EAP), as measured by meeting or exceeding standard on the CAASPP-Mathematics assessments in Grade 11 (Source: CDE DataQuest)					
3.7	Percentage of all AP exam takers in the current year with a score of 3 or higher (Source: College Board)	2022-23: 35.6%			2023-24: 52.0%	2025-26: >= 55.0%
3.8	Percentage of seniors who have passed an AP exam with a score of 3 or higher during their high school years (Source: College Board)	2022-23: 11.1%			2023-24: 36.0%	2025-26: >= 55.0%
3.9	Percentage of seniors who have completed at least two semesters of college coursework with a grade of C minus or better in academic/CTE subjects where college credit is awarded (Source: CA School Dashboard, SIS)	2022-23: (2023 Dashboard) 26.3%			2023-24: (2024 Dashboard) 61.5%	2025-26: (2026 Dashboard) >= 35.0%
3.10	Percentage of cohort graduates who have successfully completed courses that satisfy the requirements for entrance to the UC/CSU (Source: CA School Dashboard, CDE DataQuest, CALPADS)	2022-23 (2023 Dashboard): 87.2%			2024-25: (As of 1/24/25) 100.0%	2025-26: (2026 Dashboard) >= 90.0%
3.11	Percentage of cohort graduates who have successfully completed courses that satisfy the requirements for CTE sequences or programs of study that align with state board-approved CTE standards and frameworks (Source: CA School Dashboard, CALPADS)	2022-23: (2023 Dashboard) 0.00%			2024-25: (As of 1/24/25) 0.00%	2025-26: (2026 Dashboard) >= 10.0%
3.12	Percentage of cohort graduates who have successfully completed both types of courses: courses that satisfy the requirements for entrance to the UC/CSU and courses that satisfy the requirements for CTE sequences	2022-23: (2023 Dashboard) 0.00%			2024-25: (As of 1/24/25) 0.00%	2025-26: (2026 Dashboard) >= 10.0%

Metric #	Metric	Baseline	Year 1 Outcome	Year 2 Outcome	Mid-Year Outcome Data	Desired Outcome for 2026-2027
	or programs of study that align with state board-approved CTE standards and frameworks (Source: CA School Dashboard, CALPADS)					
3.13	Percentage of cohort graduates who have earned a Seal of Biliteracy (Source: CDE DataQuest, CALPADS)	2022-23 (CDE DataQuest): 28.6%			2024-25: (As of 1/24/25) 16.7%	2025-26: (CDE DataQuest) >= 20.0%
3.14	Percentage of cohort graduates who have earned a Golden State Seal Merit Diploma (Source: CDE DataQuest, CALPADS)	2022-23 (CDE DataQuest): 48.6%			2024-25: (As of 1/24/25) 27.8%	2025-26: (CDE DataQuest) >= 30.0%
3.15	Percentage of cohort graduates who have earned an Advanced or Honors MPS Diploma (Source: SIS)	2023-24: 56.0%			2024-25: (As of 1/24/25) 40.0%	2026-27: >= 50.0%
3.16	Percentage of high school completers who have been accepted to a 4-year or 2-year college (Source: Naviance)	2023-24: 100%			Data will be available in May 2025.	2026-27: >= 90%
3.17	Percentage of high school completers who have been accepted to a 4-year college (Source: Naviance)	2023-24: 100%			Data will be available in May 2025.	2026-27: >= 60%
3.18	College-Going Rate (Source: CDE DataQuest)	Class of 2021: 34.8%			Class of 2022: 48.1%	Class of 2024: >= 60%

Actions & Measuring and Reporting Results

Goal # Action #	Action Title and Description	Contributing	Implementation Level	Mid-year Outcome Data	Other Data/Evidence (qualitative, quantitative, artifacts)	Total Funds Budgeted	Mid-Year Expenditures
3.1	**College/Career readiness programs and activities** Charter School will offer individual graduation plans, outlining the classes students will take during their high school years. Students will be provided credit recovery	Yes	Ongoing Implementation			$123,486.67	$63,115.30

Goal # Action #	Action Title and Description	Contributing	Implementation Level	Mid-year Outcome Data	Other Data/Evidence (qualitative, quantitative, artifacts)	Total Funds Budgeted	Mid-Year Expenditures
	opportunities and individualized support to ensure timely high school graduation. Charter School will offer Advisory and College Readiness classes and activities to support our students in the areas, including, but not limited to, college planning and career exploration, college application and financial aid submission. Charter School will provide students with opportunities to take Advanced Placement (AP) courses based on student needs and interests. Charter School will promote a college-going culture through dual and concurrent enrollment, AP courses, college visits, college/career days, and other college related activities. Charter School will also explore CTE options to provide students with opportunities to explore a career theme of interest while learning a set of technical and employability skills that integrate into or complement their academic studies. Expenditures associated with this action include the following: college counselor salary and benefits, AP teacher stipends, Naviance program fees, AP exam fees, AP course materials, and other college-related materials and activities. The following expenditures will be funded by federal Title funds: N/A						

Goal # Action #	Action Title and Description	Contributing	Implementation Level	Mid-year Outcome Data	Other Data/Evidence (qualitative, quantitative, artifacts)	Total Funds Budgeted	Mid-Year Expenditures
3.2	**STEM and GATE programs** Charter School will offer STEAM and GATE programs and activities, including Accelerated/Advanced Math course and club. Students will be provided opportunities during the day and after school to create or demonstrate a STEAM focused project, experiment, model or demo. We will also provide information and access to quality out-of-school STEM activities and achievements. With CA Science Framework and NGSS integration, all our students will learn about engineering design, technology, and applications of science as part of their core classes. Furthermore, Charter School will design and implement computer science and engineering-related courses and activities, such as AP Computer Science Principles, Code.org activities, Project Lead the Way (PLTW) programs, Robotics, etc. Gifted and talented students and students achieving above grade level will be engaged in all classes as teachers differentiate curriculum through adjustments of content through depth, complexity, and pacing. Emphasis will be on innovation, critical thinking, and logical reasoning. Learners will be challenged to investigate, use problem-based learning, and research. Expenditures associated with this action include the following: supplemental STEM program fees.	Yes	Ongoing Implementation			$1.06	$0.54

Goal # Action #	Action Title and Description	Contributing	Implementation Level	Mid-year Outcome Data	Other Data/Evidence (qualitative, quantitative, artifacts)	Total Funds Budgeted	Mid-Year Expenditures
	The following expenditures will be funded by federal Title funds: N/A						
3.3	**Digital literacy and citizenship programs** Charter School will educate our students and staff in digital literacy so that they adapt, create, consume, and connect in productive, responsible ways to utilize technology in academic, social, and professional settings. Charter School will offer Computer/Digital Literacy classes and/or blended learning experiences for our students. Teachers will incorporate appropriate technology into lessons to support student learning and technology will be kept up to date. Students will be provided with opportunities to expand their literacy, computational, and communication skills with digital media; they will be writing advanced essays, conducting internet research, engaging in data collection, presenting ideas and drawing conclusions. Charter School staff will teach and model safe, savvy, and social digital citizenship; topics may include, but are not limited to, using technology applications, including Artificial Intelligence (AI); digital footprint, privacy, and security; digital rights and responsibilities; using social media responsibly and digital etiquette. As our students gain the	Yes	Ongoing Implementation			$134,785.98	$57,880.67

Goal # Action #	Action Title and Description	Contributing	Implementation Level	Mid-year Outcome Data	Other Data/Evidence (qualitative, quantitative, artifacts)	Total Funds Budgeted	Mid-Year Expenditures
	ability to navigate computing systems, utilize networks and the internet responsibly, analyze and interpret data with an antibias lens, solve problems using algorithms and programming, and carefully consider the ethics of computing technologies, they will become informed digital citizens who can leverage AI and other technologies to promote social justice and equity. Expenditures associated with this action include the following: computer teacher salary and benefits, internet security program fees, and digital literacy and citizenship program fees. The following expenditures will be funded by federal Title funds: N/A						
3.4	**Physical education, activity, and fitness** Charter School will provide students with physical education, using an age-appropriate, sequential PE curriculum consistent with state standards for PE. The curriculum will promote the benefits of a physically active lifestyle and will help students develop skills to engage in lifelong healthy habits, as well as incorporate essential health education concepts. Charter School will offer recess before lunch and students will be provided with periodic opportunities to be active or to stretch throughout the day on	Yes	Ongoing Implementation			$147,062.22	$72,227.94

Goal # Action #	Action Title and Description	Contributing	Implementation Level	Mid-year Outcome Data	Other Data/Evidence (qualitative, quantitative, artifacts)	Total Funds Budgeted	Mid-Year Expenditures
	all or most days during a typical school week. To the extent practicable, Charter School will ensure that its grounds and facilities are safe, and that equipment is available to students to be active. Charter School will offer opportunities for students to participate in physical activity either before and/or after the school day (or both) through a variety of methods such as physical activity/sports clubs, intramurals or interscholastic sports, etc. Charter School will adhere to the MPS Wellness Policy guidelines on physical education, activity, and fitness. Expenditures associated with this action include the following: PE/Health teacher salary and benefits and physical activity, fitness, and equipment expenses. The following expenditures will be funded by federal Titles: • 4127 Title IV, Part A ESEA (ESSA) 4335 PE Supplies $18,020						
3.5	**Additional programs and activities that support well-rounded education** To provide well-rounded education to our students, Charter School will strive to offer additional programs such as elective courses, arts,	Yes	Ongoing Implementation			$265,105.57	$150,181.31

Goal # Action #	Action Title and Description	Contributing	Implementation Level	Mid-year Outcome Data	Other Data/Evidence (qualitative, quantitative, artifacts)	Total Funds Budgeted	Mid-Year Expenditures
	music, civics, languages other than English (LOTE), clubs, etc. Arts instruction focuses on developing students' creativity, imagination, discipline and self-expression through drawing and fine arts. It is important that all our students, particularly unduplicated students, are provided with experiential learning opportunities, including but not limited to, instructional field trips, internships, community service programs, clubs, etc. Charter School teachers and other staff will offer after school clubs for enrichment in the areas of, including, but not limited to, STEM (science, technology, engineering, math), ELA, LOTE, culture, sports, visual and performing arts, community service, leadership, and others. In addition to these clubs, the Charter School's Expanded Learning Opportunities Program (ELO-P) will support afterschool and summer enrichment programs in science, robotics, advanced math, academic competitions, journalism, college mentorship, and other areas. Expenditures associated with this action include the following: teacher salaries and benefits for additional programs that support well-rounded education, supplemental materials, field trip expenses, and afterschool/club expenses. The following expenditures will be funded by federal Title funds: • 4127 Title IV, Part A ESEA (ESSA) 4326 Arts

Goal 4

Goal Description
CONNECTION: All students, families, staff, and other educational partners will experience our third core pillar, Connection, and have access to meaningful engagement opportunities that help cultivate Effective Communication and Global Citizenship in a safe and nurturing environment. Educational partners will feel a sense of community and connectedness.

Expected Annual Measurable Objectives

Metric #	Metric	Baseline	Year 1 Outcome	Year 2 Outcome	Mid-Year Outcome Data	Desired Outcome for 2026-2027
4.1	Number of Parent Advisory Committee (PAC) meetings per year (Source: Local Indicator Priority 3)	2023-24: 6			2024-25: (As of 1/24/25) 3	2026-27: >= 8
4.2	Number of English Learner Advisory Committee (ELAC) meetings per year (Source: Local Indicator Priority 3)	2023-24: 3			2024-25: (As of 1/24/25) 2	2026-27: >= 4

Actions & Measuring and Reporting Results

Goal # Action #	Action Title and Description	Contributing	Implementation Level	Mid-year Outcome Data	Other Data/Evidence (qualitative, quantitative, artifacts)	Total Funds Budgeted	Mid-Year Expenditures
4.1	**Seeking family input for decision-making** Charter School will build the capacity of and support administrators, teachers and staff in order to build the capacity of and support family members to effectively engage in advisory groups and decision-making. Charter School will provide all families with opportunities to provide input on policies and programs, and implement Community School strategies to reach and seek input from any underrepresented groups in the school community. Some periodic information/input sessions for	Yes	Ongoing Implementation			$275.00	$140.53

Goal # Action #	Action Title and Description	Contributing	Implementation Level	Mid-year Outcome Data	Other Data/Evidence (qualitative, quantitative, artifacts)	Total Funds Budgeted	Mid-Year Expenditures
	families include, but are not limited to, Board of Directors meetings, Parent Advisory Committee (PAC) meetings, English Learner Advisory Committee (ELAC) meetings, Parent Task Force (PTF) meetings, and Coffee with the Principal meetings. The PAC will be composed of majority of parents of pupils and include parents/guardians of ELs, low-income, foster youth, and students with disabilities. Parents, teachers, staff, students, and community members are encouraged and empowered to join school committees, including the PAC and ELAC. Such committees provide for representation of students in need (low income, EL, foster youth, students with disabilities, etc.) Feedback from our educational partners provide valuable input for the LCAP and continuous school improvement. Charter School chooses to utilize the LCAP to serve as the SPSA and holds an annual meeting to inform parents and collect feedback about LCAP goals and actions, data and needs assessment, Title-funded activities and budgets, UCP, parent and family engagement policy and school-student-parent compact. In addition, as explained in Goal 4: Action 4, Charter School will conduct family surveys to seek feedback on school improvement. Expenditures associated with this action include the following: parent meeting expenses and Document Tracking Services (DTS) fees.						

Goal # Action #	Action Title and Description	Contributing	Implementation Level	Mid-year Outcome Data	Other Data/Evidence (qualitative, quantitative, artifacts)	Total Funds Budgeted	Mid-Year Expenditures
	The following expenditures will be funded by federal Title funds: N/A						
4.2	**Building relationships and partnerships with families for student outcomes** Charter School will develop the capacity of staff to build trusting and respectful relationships with families and create welcoming environments for all families in the community. Our staff will learn about each family's strengths, cultures, languages, and goals for their children. We will promote participation in activities/events, including Student/Parent Orientation, Back to School Night, and parent conferences. Administrators will greet all students and parents in the mornings during student drop off and have an open-door policy welcoming all parents. We will provide professional learning and support to staff to improve capacity to partner with families and to provide families with information and resources to support student learning and development in the home. Charter School will provide parents with access to course materials, homework assignments, projects, and records of students' grades through our SIS. Charter School will communicate further with the parents of students who are	Yes	Ongoing Implementation			$220,769.21	$112,813.07

Goal # Action #	Action Title and Description	Contributing	Implementation Level	Mid-year Outcome Data	Other Data/Evidence (qualitative, quantitative, artifacts)	Total Funds Budgeted	Mid-Year Expenditures
	performing below grade level. Our teachers, administrators, and classified staff will visit students at their homes to discuss student progress and enhance student learning and involvement. Charter School will also support families to understand and exercise their legal rights and advocate for their own students and all students. Charter School will schedule annual workshops for parents as well as additional workshops for parents of EL and immigrant students. Topics to be covered include, but are not limited to, the school's EL Master Plan, stages of language acquisition, state testing, college application, using SIS to check student progress, study habits, and family literacy. Charter School will use a variety of communication channels to connect with families in a language that is understandable and accessible to them. A parent communication software will be utilized for voice and text communications, email, and push notifications. We will provide language translators at parent meetings to the extent practicable. Expenditures associated with this action include the following: Infinite Campus SIS fees, ParentSquare software fees, SchoolMint software fees, home-visit compensation, parent activity/event expenses, Parent Education Bridge program fees, Pitney Bowes expenses, and Office manager/Administrative assistant salaries and benefits.						

Goal # Action #	Action Title and Description	Contributing	Implementation Level	Mid-year Outcome Data	Other Data/Evidence (qualitative, quantitative, artifacts)	Total Funds Budgeted	Mid-Year Expenditures
	The following expenditures will be funded by federal Title funds: • 3010 Title I 5800 Professional Services $1,590 • 3010 Title I 3500 Unemployment Insurance $90 • 3010 Title I 3300 OASDI/Medicare $261 • 3010 Title I 3100 STRS $3438 • 3010 Title I 1100 Teacher Salaries $18,000						
4.3	**MTSS - PBIS and SEL support** Charter School will provide a safe, nurturing, and engaging learning environment for all our students and families. Academic and social-emotional support will be provided to address student needs as well as instructional materials including free uniforms. Students who are homeless, experiencing housing instability, are in foster care or experiencing personal/family crisis or have other special needs will be cared for in our supportive school community. Charter School will offer a SEL/Life Skills program that provides students with valuable skills to support academic excellence and social skill development. We will annually assess our suspension/expulsion policies and procedures and implement alternatives to	Yes	Ongoing Implementation			$320,667.84	$157,411.34

Goal # Action #	Action Title and Description	Contributing	Implementation Level	Mid-year Outcome Data	Other Data/Evidence (qualitative, quantitative, artifacts)	Total Funds Budgeted	Mid-Year Expenditures
	suspension/expulsion, including restorative practices. Teachers will establish classroom management procedures, foster positive relationships, and help create an atmosphere of trust, respect, and high expectations. Charter School will implement a positive and equitable student responsibility and behavior system with teaching, intervention and prevention strategies and protocols that are clear, fair, incremental, restorative, and culturally responsive. Charter School will celebrate student and school achievements and organize recognition assemblies and other schoolwide culture-building activities. Charter School will inform parents and students of attendance policies specified in the Student/Parent Handbook and encourage and support student attendance. Charter School will also implement the CORE DISTRICTS SEL Survey instrument in the fall and spring annually to assess the following social-emotional competencies: growth mindset, self-efficacy, self-management, and social awareness. As part of our MTSS efforts, school leadership, teachers, and support staff will analyze student SEL survey results in the fall to provide our students with targeted social-emotional support and then measure student responses again in the spring to measure growth, identify greatest progress and needs in order to inform our next steps. Expenditures associated with this						

Goal # Action #	Action Title and Description	Contributing	Implementation Level	Mid-year Outcome Data	Other Data/Evidence (qualitative, quantitative, artifacts)	Total Funds Budgeted	Mid-Year Expenditures
	action include the following: Dean of Students salary and benefits, discipline coordinator salary and benefits, office/attendance clerk salaries and benefits, school uniform expenses, PD on classroom management, PBIS, and SEL support, SEL program fees, outsourced SEL services fees, and additional services for homeless students. The following expenditures will be funded by federal Title funds: • 4201 Title III - Immigrant. Ed. 4345 Non-Instructional Student Supplies $4,317.38 • 3010 Title I 4340 Educational Software $4,134 • 3010 Title I Teacher salaries and benefits $9,374.55						
4.4	**Annual educational partner surveys** Charter School will annually administer school experience surveys to students, families, and staff. Charter School will implement the CORE DISTRICTS Survey instrument to assess our educational partners' perceptions of the following school climate indicators: climate of support for academic learning; knowledge and fairness of discipline, rules and	Yes	Ongoing Implementation			$1,233.84	$630.49

Goal # Action #	Action Title and Description	Contributing	Implementation Level	Mid-year Outcome Data	Other Data/Evidence (qualitative, quantitative, artifacts)	Total Funds Budgeted	Mid-Year Expenditures
	norms; safety; and sense of belonging (school connectedness). In addition, we ask our educational partners open-ended questions about what they like the best about the school and suggestions for improvement. This feedback instrument provides all staff and school leaders with valuable information about how students see their classes, how much parents are involved, how supported staff feel and how to facilitate improvement. Our staff will analyze the survey results to identify the greatest progress and needs in order to inform our next steps. Expenditures associated with this action include the following: Panorama Education survey fees. The following expenditures will be funded by federal Title funds: 3010 Title I - 5800 Professional Services: $1,233.84						
4.5	**Community outreach and partnerships** Charter School will establish community, business, institutional and civic partnerships that invest in and support the vision and goals of the school. School staff will participate in local activities that engage community members and staff in communicating school successes to the broader community. Charter School will	Yes	Ongoing Implementation			$388,295.53	$250,169.53

Goal # Action #	Action Title and Description	Contributing	Implementation Level	Mid-year Outcome Data	Other Data/Evidence (qualitative, quantitative, artifacts)	Total Funds Budgeted	Mid-Year Expenditures
	secure community support to sustain existing resources and add new resources that address emerging student needs. Charter School leadership will actively develop relationships with a range of educational partners, policymakers, and researchers to identify and address issues, trends, and potential changes that affect the context and conduct of education. Expenditures associated with this action include the following: Community Schools Coordinator salary and benefits, membership fees (CCSA, WASC, etc.), marketing, branding, outreach, and partnership expenses. The following expenditures will be funded by federal Title funds: N/A						

Impact to the Budget Overview for Parents

Item	As adopted in Budget Overview for Parents	Mid-Year Update
Total LCFF Funds	$3,214,609.00	$1,642,665.00
LCFF Supplemental/Concentration Grants	$891,587.00	$455,601.00

Monitoring Goals, Actions, and Resources for the 2024-25 Local Control and Accountability Plan (LCAP)

This template is intended for internal monitoring purposes only. The 2024-25 LCAP template and instructions should be consulted when completing required documents.

(6) (A) The superintendent of the school district shall present a report on the annual update to the local control and accountability plan and the local control funding formula budget overview for parents on or before February 28 of each year at a regularly scheduled meeting of the governing board of the school district. (B) The report shall include both of the following: (i) All available midyear outcome data related to metrics identified in the current year's local control and accountability plan. (ii) All available midyear expenditure and implementation data on all actions identified in the current year's local control and accountability plan.

Goal 1

Goal Description
BASIC SERVICES FOR A HIGH-QUALITY LEARNING ENVIRONMENT: All students and staff will have access to a safe, secure, healthy, and high-quality learning and working environment. Students will receive high-quality services that are fundamental to academic success, including fully credentialed teachers, standards-aligned and high-quality instructional materials, and appropriately maintained school facilities.

Expected Annual Measurable Objectives

Metric #	Metric	Baseline	Year 1 Outcome	Year 2 Outcome	Mid-Year Outcome Data	Desired Outcome for 2026-2027
1.1	The percentage of teaching assignments that have an assignment monitoring outcome of "clear" (Source: Local Indicator Priority 1, CDE DataQuest TAMO by FTE Report)	2021-22: 100.0%			2022-23: 87.0%	2024-25: > 85%
1.2	Percentage of students without access to their own copies of standards-aligned instructional materials for use at school and at home (Source: Local Indicator Priority 1)	2023-24: 0%			2024-25 (As of 1/24/25): 0%	2026-27: 0%
1.3	Number of identified instances where facilities do not meet the “good repair” standard (including deficiencies and extreme deficiencies) (Source: Local Indicator Priority 1)	2023-24: 0			2024-25 (As of 1/24/25): 0	2026-27: 0
1.4	Teacher retention rate (Source: HRIS)	2023-24: (Fall 2022 to Fall 2023) 75%			2024-25: (Fall 2023 to Fall 20224) 86%	2026-27: (Fall 2025 to Fall 2026) >= 80%
1.5	Teacher attendance rate (Source: HRIS)	2023-24: (As of 5/15/24) 95.6%			2024-25: (First Semester) 93.6%	2026-27: >= 95.0%

Actions & Measuring and Reporting Results

Goal # Action #	Action Title and Description	Contributing	Implementation Level	Mid-year Outcome Data	Other Data/Evidence (qualitative, quantitative, artifacts)	Total Funds Budgeted	Mid-Year Expenditures
1.1	**Teacher assignments and credentials** Charter School and the MPS Human Resources team will conduct credential, background, and TB clearance reviews as part of the hiring process and at least once throughout the year to ensure all credentials are properly maintained. Charter School will support our teachers' credentialing needs. Charter School will also annually review master schedules and teacher assignments to ensure teachers are appropriately assigned and fully credentialed in the subject area and for the students they are teaching. Charter School uses a Human Resources Information System (HRIS) to automate employee documents. MPS Home Office HR team acts as a liaison between employees and provides administrative support as needed (e.g., correspondence generation, record keeping, file maintenance, HRIS entry, etc.) The HR team also provides reports to the Board and school administrators in regards to teacher retention, performance, pay scale, vacancies, recruitment efforts, credentials, mandatory trainings, and other HR related matters. Expenditures associated with this action include the following: teacher credentialing expenses, recruitment expenses (sign-in bonus, livescan/fingerprinting fees, etc.), Paycom/payroll fees, retirement service fees, and performance pay.	No	Fully Implemented			$11,554.00	$5,904.09

Goal # Action #	Action Title and Description	Contributing	Implementation Level	Mid-year Outcome Data	Other Data/Evidence (qualitative, quantitative, artifacts)	Total Funds Budgeted	Mid-Year Expenditures
	The following expenditures will be funded by federal Title funds: N/A						
1.2	**Instructional materials and technology** Charter School will manage the acquisition, distribution, and maintenance of equipment, materials, and technology needed to meet the academic, linguistic, cultural, social-emotional, and physical requirements of students. Charter School will annually review alignment of instructional materials to standards and maintain an inventory of instructional materials and corresponding purchases of materials. Charter School will annually review budgets and plans to ensure adequate budget for instructional materials. Charter School will ensure that students have sufficient access to standards-aligned instructional materials, including technology-based resources. Charter School will provide effective access and integration of technology resources, including software and mobile devices, that ensure meaningful access to CA Content Standards aligned instructional programs. Expenditures associated with this action include the following: textbooks, instructional materials and supplies, teacher/classroom supplies and office materials, computers, Chromebooks,	No	Fully Implemented			$90,963.43	$60,878.72

Goal # Action #	Action Title and Description	Contributing	Implementation Level	Mid-year Outcome Data	Other Data/Evidence (qualitative, quantitative, artifacts)	Total Funds Budgeted	Mid-Year Expenditures
	hotspots, and other technology equipment, IT manager salary and benefits, E-Rate consultancy, and basic software (Zendesk, AssetWorks, firewall, Datto, CloudReady, Zoom, GoGuardian, etc.), phone/internet, and depreciation. The following expenditures will be funded by federal Title funds: • 4035 Title II - Technology: $963.54						
1.3	**Clean and safe facilities that support learning** Charter School will strive to maintain a clean, safe, environmentally friendly, and inviting school that is worthy of our students, families, and staff and encourages successful teaching and learning. Charter School will continually improve and maintain facilities to ensure school safety, security and high quality learning and working environments. Charter School will do annual and monthly facility inspections to screen for ADA compliance and safety hazards; identified deficiencies will be quickly remedied. Daily general cleaning will maintain campus cleanliness. Maintenance and repairs will be provided by Charter School custodial staff and/or outsourced. As a STEAM focused school, we aim to operate in a sustainable and environmentally	No	Fully Implemented			$303,981.05	$160,444.32

Goal # Action #	Action Title and Description	Contributing	Implementation Level	Mid-year Outcome Data	Other Data/Evidence (qualitative, quantitative, artifacts)	Total Funds Budgeted	Mid-Year Expenditures
	responsible manner. Charter School will develop and monitor comprehensive safety and security plans, conduct necessary safety training for all staff and continue to work with stakeholders and experts to implement emergency and risk management procedures for individuals and the site. Charter School will procure and maintain necessary safety/emergency supplies, equipment and items. Charter School will establish schedules and procedures for the supervision of students in non-classroom areas, including before and after school. Expenditures associated with this action include the following: facilities rent/acquisition cost, custodial staff salaries and benefits, custodial supplies, maintenance and repair services, gas/electric, security services, health and safety related expenses (PPE, nursing services, etc.), and insurance costs (workers compensation, CharterSAFE, etc.) The following expenditures will be funded by federal Title funds: N/A						
1.4	**Healthy and nutritious meals** Charter School will maintain nutrition education resources and continue to focus on innovative ways to increase access to freshly prepared, nutritious foods to ensure	Yes	Fully Implemented			$4,240.00	$2,166.64

Goal # Action #	Action Title and Description	Contributing	Implementation Level	Mid-year Outcome Data	Other Data/Evidence (qualitative, quantitative, artifacts)	Total Funds Budgeted	Mid-Year Expenditures
	students are well-nourished and ready to learn. Charter School will adhere to the MPS Wellness Policy guidelines on nutritious foods for all food sales and celebrations. The meal program aims to improve the diet and health of our students, help mitigate childhood obesity, model healthy eating to support the development of lifelong healthy eating patterns and support healthy choices while accommodating cultural food preferences and special dietary needs. Charter School will promote healthy food and beverage choices for all students throughout campus, as well as encourage participation in school meal programs. Expenditures associated with this action include the following: student meals, water, and refreshments. The following expenditures will be funded by federal Title funds: N/A						
1.5	**Well-orchestrated Home Office support services** The MPS Home Office provides services to the Charter School, supports and holds accountable the Charter School for compliance and meeting charter goals, provides best practices in curriculum and professional development, and sets up systems and processes that support academic achievement and growth, operational effectiveness,	No	Fully Implemented			$217,804.08	$111,297.89

Goal # Action #	Action Title and Description	Contributing	Implementation Level	Mid-year Outcome Data	Other Data/Evidence (qualitative, quantitative, artifacts)	Total Funds Budgeted	Mid-Year Expenditures
	and financial sustainability. The Home Office manages business operations of schools, which reduces program and operations-related burdens of the Charter School administration and enables the Charter School to receive services at a lower cost. The services of the Home Office include, but are not limited to, academics, accountability, operations, IT, facilities, finance and accounting, human resources, and external relations. Instructional services are reflected in Goals 2-4. Expenditures associated with this action include the following: Home Office management fees, authorizer oversight fees, audit fees, bank fees, legal fees (YM&C, etc.), and other back-office related expenses (Adaptive Insights, DataWorks, etc.) The following expenditures will be funded by federal Title funds: N/A						

Goal 2

Goal Description
EXCELLENCE: Under our first core pillar of Excellence, all students will have equitable access to a high-quality core curricular and instructional program and make academic progress in alignment with California content standards (CCSS, NGSS, etc.) through our data-driven, differentiated and engaging learning program. Students will develop competencies aligned with our "Graduate Profile," including Literacy with a Learner's Mindset and Critical Thinking skills as they pursue academic excellence.

Expected Annual Measurable Objectives

Metric #	Metric	Baseline	Year 1 Outcome	Year 2 Outcome	Mid-Year Outcome Data	Desired Outcome for 2026-2027
2.1	Percentage of students who have sufficient access to all programs and services, as applicable, including the programs and services developed and provided to unduplicated students and to individuals with exceptional needs, and the programs that are provided to benefit these students (Source: Local Indicator Priority 7, SIS)	2023-24: 100%			2024-25: (As of 1/24/25) 100%	2026-27: 100%
2.2	Percentage of completion of observations by the school administration based on one formal and four informal classroom observations per teacher per year to ensure state standards implementation for all students (Source: Local Indicator Priority 2, TeachBoost/SchoolMint Grow)	2023-24: (As of 5/24/24) 100%			2024-25: (As of 1/24/25) 45%	2026-27: >= 85%
2.3	Percentage of students who have received a grade of "C" or better in core subjects and electives (Source: SIS)	2023-24: (First semester) 90%			2024-25: (First semester) 94%	2026-27: (First semester) >= 80%
2.4	Percentage of students who have met or exceeded standard on the CAASPP-ELA/Literacy assessments (Source: CDE DataQuest)	2022-23: • All Students: 60.22% • English Learners: 7.69% • Socioeconomically Disadvanta			2023-24: • All Students: 55.35% • English Learners: 0.00% • Socioeconomically Disadvanta	2025-26: • All Students: >= 55.00% • English Learners: >= 10.00% • Socioeconomically Disadvanta

Actions & Measuring and Reporting Results

Goal # Action #	Action Title and Description	Contributing	Implementation Level	Mid-year Outcome Data	Other Data/Evidence (qualitative, quantitative, artifacts)	Total Funds Budgeted	Mid-Year Expenditures
2.1	**Broad course of study and standards based curriculum** Charter School will provide students with a broad array of courses including core subjects (English, mathematics, social sciences, and science) and electives. Charter School will also provide all other academic programs and services outlined in its charter petition, certain programs and services being dependent on student need and interest. Charter School will design its master schedule to meet the needs of its students to ensure all academic content areas are available to all students, including student groups. All students will participate in a rigorous, relevant, and coherent standards-based curriculum that supports the achievement of the schoolwide learner outcomes, academic standards, and college- and career-	No	Fully Implemented			$657,953.55	$355,986.83

Goal # Action #	Action Title and Description	Contributing	Implementation Level	Mid-year Outcome Data	Other Data/Evidence (qualitative, quantitative, artifacts)	Total Funds Budgeted	Mid-Year Expenditures
	readiness standards. The school will be appropriately staffed to implement the school master schedule. Expenditures associated with this action include the following: teacher salaries and benefits, principal salary and benefits, and substitute teacher expenses. The following expenditures will be funded by federal Title funds: N/A						
2.2	**Professional development for high-quality instruction** Professional development will occur at the MPS organizational level and within the school. Charter School will ensure curricula, instruction, and assessments are aligned to the standards and that teachers participate in professional development on the implementation of standards (CCSS, NGSS, etc.) In addition to ongoing professional development activities that support efforts to increase student academic performance, all staff will be provided with multiple opportunities to grow professionally through induction processes, regular collaboration with colleagues, and curricular support. This involves instructional leadership, common walkthrough protocols, and professional feedback to promote a cycle of continuous improvement, as well as	Yes	Fully Implemented			$34,190.12	$17,471.15

Goal # Action #	Action Title and Description	Contributing	Implementation Level	Mid-year Outcome Data	Other Data/Evidence (qualitative, quantitative, artifacts)	Total Funds Budgeted	Mid-Year Expenditures
	supports for high quality delivery of the program that enables differentiation, particularly for unduplicated students and students with exceptional needs. Instructional leaders at the school and at the Home Office will assess staff professional development needs through formal and informal performance observation, surveys, and student performance data. Based on the data, combined with LCAP goals and the MPS Home Office high quality instruction guidelines, the instructional leaders will determine common staff development days and tailor staff development to individual staff needs. Expenditures associated with this action include the following: professional development, tuition reimbursement, and TeachBoost/SchoolMint Grow software fees. The following expenditures will be funded by federal Title funds: • 5864 Prof Dev-Other Funding Source: Federal Resource Code: 4035 Title II Amount: $4,985.18						
2.3	**MTSS - Academic enrichment, intervention, and student support**	Yes	Fully Implemented			$265,248.74	$133,974.32

Goal # Action #	Action Title and Description	Contributing	Implementation Level	Mid-year Outcome Data	Other Data/Evidence (qualitative, quantitative, artifacts)	Total Funds Budgeted	Mid-Year Expenditures
	Charter School will implement MTSS as a systemic, continuous improvement framework in which data-based problem-solving and decision making is practiced across all levels of the educational system for supporting students. Charter School will synthesize CAASPP and MAP student achievement and growth data, as well as course grades, and other state and internal assessment scores, into reports and regularly review progress towards targets. Targeted interventions will be utilized to create a high-quality differentiated environment where students are supported to engage at their optimal levels. Charter School will provide additional supports and interventions to all students, including but not limited to, 1-1 or small group interventions, targeted support via evidence-based supplemental intervention/enrichment materials and technology (reading, math, etc.), co-taught classes, Power English/Power Math classes, Study Skills, additional support during SSR/Advisory, before and after school tutoring, Saturday classes, and summer programs. SSPT, 504, and other support meetings will be coordinated among teachers and support roles (resource teachers, EL coordinator, department chairs, etc.) Expenditures associated with this action include the following: Dean of Academics salary and benefits, Title-I coordinator salary and						

Goal # Action #	Action Title and Description	Contributing	Implementation Level	Mid-year Outcome Data	Other Data/Evidence (qualitative, quantitative, artifacts)	Total Funds Budgeted	Mid-Year Expenditures
	benefits, instructional aide salaries and benefits, intervention teacher salaries and benefits, teacher stipends for after school, Saturday school, and summer school, NWEA MAP testing fees, Abre data visualization software fees, and evidence-based supplemental intervention/enrichment program fees (Edgenuity, ALEKS, IXL, Standards Plus, Quizizz, Padlet, BrainPOP, NextGenMath, Grammarly, Flocabulary, Nearpod, Newsela, and myON.) The following expenditures will be funded by federal Title funds: • Title I - Educational Software: $12,195.8 • Title I - Unemployment Insurance: $194.09 • Title I- Health & Welfare Benefits: 2,300.36 • Title I - OASDI/Medicare: $562.86 • Title I - STRS: $7,414.23 • Title I - Teacher Salaries: $38,818 • Title IV - Educational Software: $7,782.25						
2.4	**Designated and integrated ELD programs and support for ELs** Charter School will provide services to ELs, including newcomers and LTELs, by proficiency level and provide ELD instruction aligned to the CA ELD standards and	Yes	Fully Implemented			$108,770.07	$55,581.51

Goal # Action #	Action Title and Description	Contributing	Implementation Level	Mid-year Outcome Data	Other Data/Evidence (qualitative, quantitative, artifacts)	Total Funds Budgeted	Mid-Year Expenditures
	framework. Charter School will provide our ELs with core and supplemental ELD instructional materials and provide our teachers with PD focused on ELD standards. Our EL coordinator will monitor EL student progress in program implementation according to our EL Master Plan. Charter School teachers will provide instruction using designated and integrated ELD instructional strategies as outlined in the CHATS framework (and other research-based strategies such as SDAIE) to all students, including ELs. Charter School will provide culturally and linguistically relevant materials for students. ELs will receive further in-class instructional support which includes one-on-one teacher support and small group instruction. Charter School will strive to provide bilingual instructional assistants to provide primary language support to enable students to access content area instruction while gaining language proficiency. Charter School will ensure that teachers participate in PD on ELD instructional strategies and CHATS framework. Charter School will provide regular and timely communication with families of EL students, including newcomers and LTELs, regarding annual assessments, program supports and services, and students' progress toward reclassification. This notification will include, but is not limited to, annual parent notification letters, quarterly ELAC

	meetings, and parent-teacher conferences. Expenditures associated with this action include the following: EL coordinator salary and benefits, EL coordinator stipend, EL instructional aide salary and benefits, and Rosetta Stone program fees. The following expenditures will be funded by federal Title funds: N/A						
2.5	**Support for students with disabilities** Students with disabilities will receive services and supports as listed in their Individualized Education Programs (IEPs) (in addition to services they receive pertinent to low income, foster youth and English learner designations) in order to improve outcomes and close the achievement gap, including graduation rate and performance on statewide assessments. Students with disabilities will have access to all additional intervention and student support systems as outlined in Goal 2: Actions 3 and 4, as well as access to push-in and pull-out services, instructional aides, learning center services, and contracted services to provide each scholar with a Free and Appropriate Public Education in their least restrictive and most accessible learning environment. Students with	No	Fully Implemented			$168,165.52	$94,061.05

Goal # Action #	Action Title and Description	Contributing	Implementation Level	Mid-year Outcome Data	Other Data/Evidence (qualitative, quantitative, artifacts)	Total Funds Budgeted	Mid-Year Expenditures
	disabilities dually identified as EL will have ELD goals in their IEPs in addition to goals addressing their specific areas of need based on their eligibility. Our SPED, EL, and general education teams will work in collaboration, monitor our scholars' progress toward IEP goal mastery, and provide progress reports to parents. In addition, all IEPs will be reviewed and present levels will be updated during annual and triennial reviews as required by the IDEA. Expenditures associated with this action include the following: SPED coordinator and teacher salaries and benefits, paraprofessional salaries and benefits, school psychologist salary and benefits, SPED intern salaries and benefits, outsourced SPED services fees, and SPED instructional materials and technology. The following expenditures will be funded by federal Title funds: N/A						

Goal 3

Goal Description
INNOVATION: All students will have access to a well-rounded, 21st century education that supports their readiness for college and the global world under our second core pillar of Innovation. Each student will become an independent, innovative scholar by practicing Creativity and Adaptability in their learning, using technology and data-driven online learning, and demonstrating high-quality learning outcomes in myriad ways.

Expected Annual Measurable Objectives

Metric #	Metric	Baseline	Year 1 Outcome	Year 2 Outcome	Mid-Year Outcome Data	Desired Outcome for 2026-2027
3.1	Percentage of students enrolled in an Accelerated and/or Advanced Math course and/or Advanced Math club (Source: Local Indicator Priority 7, SIS)	2023-24: (As of 5/20/24) 2.0%			2024-25: (As of 1/24/25) 4.0%	2026-27: >= 10%
3.2	Percentage of students in the current graduating class who have taken a Computer/Technology course and/or experienced blended learning in their program of study (Source: Local Indicator Priority 7, SIS)	2023-24: (As of 5/20/24) 100%			2024-25: (As of 1/24/25) 98.0%	2026-27: >= 90%
3.3	Percentage of students who have created or demonstrated a STEAM focused project, experiment, model or demo in the current year (Source: Local Indicator Priority 7, SIS)	2023-24: (As of 5/20/24) 92.0%			2024-25: (As of 1/24/25) 98.0%	2026-27: >= 80%

Actions & Measuring and Reporting Results

Goal # Action #	Action Title and Description	Contributing	Implementation Level	Mid-year Outcome Data	Other Data/Evidence (qualitative, quantitative, artifacts)	Total Funds Budgeted	Mid-Year Expenditures
3.1	**College/Career readiness programs and activities** Charter School will promote a college-going culture through college visits, college/career days, and other college/career related activities.	Yes	Fully Implemented			$0.00	$0.00

Goal # Action #	Action Title and Description	Contributing	Implementation Level	Mid-year Outcome Data	Other Data/Evidence (qualitative, quantitative, artifacts)	Total Funds Budgeted	Mid-Year Expenditures
	Expenditures associated with this action include the following: college/career-related materials and activities. The following expenditures will be funded by federal Title funds: N/A						
3.2	**STEM and GATE programs** Charter School will offer STEAM and GATE programs and activities, including Accelerated/Advanced Math course and club. Students will be provided opportunities during the day and after school to create or demonstrate a STEAM focused project, experiment, model or demo. We will also provide information and access to quality out-of-school STEM activities and achievements. With CA Science Framework and NGSS integration, all our students will learn about engineering design, technology, and applications of science as part of their core classes. Furthermore, Charter School will design and implement computer science and engineering-related courses and activities, such as Code.org activities, Project Lead the Way (PLTW) programs, Robotics, etc. Gifted and talented students and students achieving above grade level will be engaged in all classes as teachers differentiate curriculum through adjustments of content through depth, complexity, and pacing. Emphasis will be on	Yes	Partially Implemented			$1,590.00	$812.49

Goal # Action #	Action Title and Description	Contributing	Implementation Level	Mid-year Outcome Data	Other Data/Evidence (qualitative, quantitative, artifacts)	Total Funds Budgeted	Mid-Year Expenditures
	innovation, critical thinking, and logical reasoning. Learners will be challenged to investigate, use problem-based learning, and research. Expenditures associated with this action include the following: supplemental STEM program fees. The following expenditures will be funded by federal Title funds: N/A						
3.3	**Digital literacy and citizenship programs** Charter School will educate our students and staff in digital literacy so that they adapt, create, consume, and connect in productive, responsible ways to utilize technology in academic, social, and professional settings. Charter School will offer Computer/Digital Literacy classes and/or blended learning experiences for our students. Teachers will incorporate appropriate technology into lessons to support student learning and technology will be kept up to date. Students will be provided with opportunities to expand their literacy, computational, and communication skills with digital media; they will be writing advanced essays, conducting internet research, engaging in data collection, presenting ideas and drawing conclusions. Charter	Yes	Fully Implemented			$318.00	$162.50

Goal # Action #	Action Title and Description	Contributing	Implementation Level	Mid-year Outcome Data	Other Data/Evidence (qualitative, quantitative, artifacts)	Total Funds Budgeted	Mid-Year Expenditures
	School staff will teach and model safe, savvy, and social digital citizenship; topics may include, but are not limited to, using technology applications, including Artificial Intelligence (AI); digital footprint, privacy, and security; digital rights and responsibilities; using social media responsibly and digital etiquette. As our students gain the ability to navigate computing systems, utilize networks and the internet responsibly, analyze and interpret data with an antibias lens, solve problems using algorithms and programming, and carefully consider the ethics of computing technologies, they will become informed digital citizens who can leverage AI and other technologies to promote social justice and equity. Expenditures associated with this action include the following: computer teacher salary and benefits, internet security program fees, and digital literacy and citizenship program fees. The following expenditures will be funded by federal Title funds: • Title IV - Educational Software: $318						
3.4	**Physical education, activity, and fitness** Charter School will provide students with physical education, using an	Yes	Fully Implemented			$106,585.00	$57,554.06

Goal # Action #	Action Title and Description	Contributing	Implementation Level	Mid-year Outcome Data	Other Data/Evidence (qualitative, quantitative, artifacts)	Total Funds Budgeted	Mid-Year Expenditures
	age-appropriate, sequential PE curriculum consistent with state standards for PE. The curriculum will promote the benefits of a physically active lifestyle and will help students develop skills to engage in lifelong healthy habits, as well as incorporate essential health education concepts. Charter School will offer recess before lunch and students will be provided with periodic opportunities to be active or to stretch throughout the day on all or most days during a typical school week. To the extent practicable, Charter School will ensure that its grounds and facilities are safe, and that equipment is available to students to be active. Charter School will offer opportunities for students to participate in physical activity either before and/or after the school day (or both) through a variety of methods such as physical activity/sports clubs, intramurals or interscholastic sports, etc. Charter School will adhere to the MPS Wellness Policy guidelines on physical education, activity, and fitness. Expenditures associated with this action include the following: PE/Health teacher salary and benefits and physical activity, fitness, and equipment expenses. The following expenditures will be funded by federal Title funds: • Title IV - PE supplies: $1,060						

Goal # Action #	Action Title and Description	Contributing	Implementation Level	Mid-year Outcome Data	Other Data/Evidence (qualitative, quantitative, artifacts)	Total Funds Budgeted	Mid-Year Expenditures
3.5	**Additional programs and activities that support well-rounded education** To provide well-rounded education to our students, Charter School will strive to offer additional programs such as elective courses, arts, music, civics, languages other than English (LOTE), clubs, etc. Arts instruction focuses on developing students' creativity, imagination, discipline and self-expression through drawing and fine arts. It is important that all our students, particularly unduplicated students, are provided with experiential learning opportunities, including but not limited to, instructional field trips, internships, community service programs, clubs, etc. Charter School teachers and other staff will offer after school clubs for enrichment in the areas of, including, but not limited to, STEM (science, technology, engineering, math), ELA, LOTE, culture, sports, visual and performing arts, community service, leadership, and others. In addition to these clubs, the Charter School's Expanded Learning Opportunities Program (ELO-P) will support afterschool and summer enrichment programs in science, robotics, advanced math, academic competitions, journalism, college mentorship, and other areas.	Yes	Fully Implemented			$77,451.91	$39,577.93

Goal # Action #	Action Title and Description	Contributing	Implementation Level	Mid-year Outcome Data	Other Data/Evidence (qualitative, quantitative, artifacts)	Total Funds Budgeted	Mid-Year Expenditures
	Expenditures associated with this action include the following: teacher salaries and benefits for additional programs that support well-rounded education, supplemental materials, field trip expenses, and afterschool/club expenses. The following expenditures will be funded by federal Title funds: • Title IV - Arts and Music Supplies: $1,378						

Goal 4

Goal Description
CONNECTION: All students, families, staff, and other educational partners will experience our third core pillar, Connection, and have access to meaningful engagement opportunities that help cultivate Effective Communication and Global Citizenship in a safe and nurturing environment. Educational partners will feel a sense of community and connectedness.

Expected Annual Measurable Objectives

Metric #	Metric	Baseline	Year 1 Outcome	Year 2 Outcome	Mid-Year Outcome Data	Desired Outcome for 2026-2027
4.1	Number of Parent Advisory Committee (PAC) meetings per year (Source: Local Indicator Priority 3)	2023-24: 7			2024-25: (As of 1/24/25) 4	2026-27: >= 8

Actions & Measuring and Reporting Results

Goal # Action #	Action Title and Description	Contributing	Implementation Level	Mid-year Outcome Data	Other Data/Evidence (qualitative, quantitative, artifacts)	Total Funds Budgeted	Mid-Year Expenditures
4.1	**Seeking family input for decision-making** Charter School will build the capacity of and support administrators, teachers and staff in order to build the capacity of and support family members to effectively engage in advisory groups and decision-making. Charter School will provide all families with opportunities to provide input on policies and programs, and implement Community School strategies to reach and seek input from any underrepresented groups in the school community. Some periodic information/input sessions for families include, but are not limited to, Board of Directors meetings, Parent Advisory Committee (PAC) meetings, English Learner Advisory Committee (ELAC) meetings, Parent Task Force (PTF) meetings, and Coffee with the Principal meetings. The PAC will be composed of majority of parents of pupils and include parents/guardians of ELs, low-income, foster youth, and students with disabilities. Parents, teachers, staff, students, and community	Yes	Fully Implemented			$275.00	$140.53

Goal # Action #	Action Title and Description	Contributing	Implementation Level	Mid-year Outcome Data	Other Data/Evidence (qualitative, quantitative, artifacts)	Total Funds Budgeted	Mid-Year Expenditures
	members are encouraged and empowered to join school committees, including the PAC and ELAC. Such committees provide for representation of students in need (low income, EL, foster youth, students with disabilities, etc.) Feedback from our educational partners provide valuable input for the LCAP and continuous school improvement. Charter School chooses to utilize the LCAP to serve as the SPSA and holds an annual meeting to inform parents and collect feedback about LCAP goals and actions, data and needs assessment, Title-funded activities and budgets, UCP, parent and family engagement policy and school-student-parent compact. In addition, as explained in Goal 4: Action 4, Charter School will conduct family surveys to seek feedback on school improvement. Expenditures associated with this action include the following: parent meeting expenses and Document Tracking Services (DTS) fees. The following expenditures will be funded by federal Title funds: N/A						
4.2	**Building relationships and partnerships with families for student outcomes** Charter School will develop the capacity of staff to build trusting and respectful relationships with families	Yes	Fully Implemented			$149,111.60	$72,550.91

Goal # Action #	Action Title and Description	Contributing	Implementation Level	Mid-year Outcome Data	Other Data/Evidence (qualitative, quantitative, artifacts)	Total Funds Budgeted	Mid-Year Expenditures
	and create welcoming environments for all families in the community. Our staff will learn about each family's strengths, cultures, languages, and goals for their children. We will promote participation in activities/events, including Student/Parent Orientation, Back to School Night, and parent conferences. Administrators will greet all students and parents in the mornings during student drop off and have an open-door policy welcoming all parents. We will provide professional learning and support to staff to improve capacity to partner with families and to provide families with information and resources to support student learning and development in the home. Charter School will provide parents with access to course materials, homework assignments, projects, and records of students' grades through our SIS. Charter School will communicate further with the parents of students who are performing below grade level. Our teachers, administrators, and classified staff will visit students at their homes to discuss student progress and enhance student learning and involvement. Charter School will also support families to understand and exercise their legal rights and advocate for their own students and all students. Charter School will schedule annual workshops for parents as well as additional workshops for parents of EL and immigrant students. Topics to be covered include, but are not						

Goal # Action #	Action Title and Description	Contributing	Implementation Level	Mid-year Outcome Data	Other Data/Evidence (qualitative, quantitative, artifacts)	Total Funds Budgeted	Mid-Year Expenditures
	limited to, the school's EL Master Plan, stages of language acquisition, state testing, college application, using SIS to check student progress, study habits, and family literacy. Charter School will use a variety of communication channels to connect with families in a language that is understandable and accessible to them. A parent communication software will be utilized for voice and text communications, email, and push notifications. We will provide language translators at parent meetings to the extent practicable. Expenditures associated with this action include the following: Infinite Campus SIS fees, ParentSquare software fees, SchoolMint software fees, home-visit compensation, parent activity/event expenses, Parent Education Bridge program fees, Pitney Bowes expenses, and Office manager/Administrative assistant salaries and benefits. The following expenditures will be funded by federal Title funds: • Title I - Professional Services: $1,060 • Title I - Unemployment Insurance: $15 • Title I - OASDI/Medicare: $43.5 • Title I - STRS: $573 • Title I - Teacher Salaries: $3,000						

Goal # Action #	Action Title and Description	Contributing	Implementation Level	Mid-year Outcome Data	Other Data/Evidence (qualitative, quantitative, artifacts)	Total Funds Budgeted	Mid-Year Expenditures
4.3	**MTSS - PBIS and SEL support** Charter School will provide a safe, nurturing, and engaging learning environment for all our students and families. Academic and social-emotional support will be provided to address student needs as well as instructional materials including free uniforms. Students who are homeless, experiencing housing instability, are in foster care or experiencing personal/family crisis or have other special needs will be cared for in our supportive school community. Charter School will offer a SEL/Life Skills program that provides students with valuable skills to support academic excellence and social skill development. We will annually assess our suspension/expulsion policies and procedures and implement alternatives to suspension/expulsion, including restorative practices. Teachers will establish classroom management procedures, foster positive relationships, and help create an atmosphere of trust, respect, and high expectations. Charter School will implement a positive and equitable student responsibility and behavior system with teaching, intervention and prevention strategies and protocols that are clear, fair, incremental, restorative, and culturally responsive. Charter School will celebrate student and school achievements and organize recognition assemblies and other schoolwide culture-building	Yes	Fully Implemented			$152,590.50	$77,055.10

Goal # Action #	Action Title and Description	Contributing	Implementation Level	Mid-year Outcome Data	Other Data/Evidence (qualitative, quantitative, artifacts)	Total Funds Budgeted	Mid-Year Expenditures
	activities. Charter School will inform parents and students of attendance policies specified in the Student/Parent Handbook and encourage and support student attendance. Charter School will also implement the CORE DISTRICTS SEL Survey instrument in the fall and spring annually to assess the following social-emotional competencies: growth mindset, self-efficacy, self-management, and social awareness. As part of our MTSS efforts, school leadership, teachers, and support staff will analyze student SEL survey results in the fall to provide our students with targeted social-emotional support and then measure student responses again in the spring to measure growth, identify greatest progress and needs in order to inform our next steps. Expenditures associated with this action include the following: Dean of Students salary and benefits, discipline coordinator salary and benefits, office/attendance clerk salaries and benefits, school uniform expenses, PD on classroom management, PBIS, and SEL support, SEL program fees, outsourced SEL services fees, and additional services for homeless students. The following expenditures will be funded by federal Title funds: • Title I - Ins. Mats and Supplies: $530						

Goal # Action #	Action Title and Description	Contributing	Implementation Level	Mid-year Outcome Data	Other Data/Evidence (qualitative, quantitative, artifacts)	Total Funds Budgeted	Mid-Year Expenditures
4.4	**Annual educational partner surveys** Charter School will annually administer school experience surveys to students, families, and staff. Charter School will implement the CORE DISTRICTS Survey instrument to assess our educational partners' perceptions of the following school climate indicators: climate of support for academic learning; knowledge and fairness of discipline, rules and norms; safety; and sense of belonging (school connectedness). In addition, we ask our educational partners open-ended questions about what they like the best about the school and suggestions for improvement. This feedback instrument provides all staff and school leaders with valuable information about how students see their classes, how much parents are involved, how supported staff feel and how to facilitate improvement. Our staff will analyze the survey results to identify the greatest progress and needs in order to inform our next steps. Expenditures associated with this action include the following: Panorama Education survey fees. The following expenditures will be funded by federal Title funds: • Title I - Professional Services: $1,060	Yes	Fully Implemented			$1,060.00	$541.66

Goal # Action #	Action Title and Description	Contributing	Implementation Level	Mid-year Outcome Data	Other Data/Evidence (qualitative, quantitative, artifacts)	Total Funds Budgeted	Mid-Year Expenditures
4.5	**Community outreach and partnerships** Charter School will establish community, business, institutional and civic partnerships that invest in and support the vision and goals of the school. School staff will participate in local activities that engage community members and staff in communicating school successes to the broader community. Charter School will secure community support to sustain existing resources and add new resources that address emerging student needs. Charter School leadership will actively develop relationships with a range of educational partners, policymakers, and researchers to identify and address issues, trends, and potential changes that affect the context and conduct of education. Expenditures associated with this action include the following: Community Schools Coordinator salary and benefits, membership fees (CCSA, WASC, etc.), marketing, branding, outreach, and partnership expenses. The following expenditures will be funded by federal Title funds: N/A	Yes	Fully Implemented			$121,479.35	$184,248.67

Goal # Action #	Action Title and Description	Contributing	Implementation Level	Mid-year Outcome Data	Other Data/Evidence (qualitative, quantitative, artifacts)	Total Funds Budgeted	Mid-Year Expenditures

Impact to the Budget Overview for Parents

Item	As adopted in Budget Overview for Parents	Mid-Year Update
Total LCFF Funds	$1,716,046.00	$876,900.00
LCFF Supplemental/Concentration Grants	$484,038.00	$247,343.00

Monitoring Goals, Actions, and Resources for the 2024-25 Local Control and Accountability Plan (LCAP)

This template is intended for internal monitoring purposes only. The 2024-25 LCAP template and instructions should be consulted when completing required documents.

(6) (A) The superintendent of the school district shall present a report on the annual update to the local control and accountability plan and the local control funding formula budget overview for parents on or before February 28 of each year at a regularly scheduled meeting of the governing board of the school district. (B) The report shall include both of the following: (i) All available midyear outcome data related to metrics identified in the current year's local control and accountability plan. (ii) All available midyear expenditure and implementation data on all actions identified in the current year's local control and accountability plan.

Goal 1

Goal Description
BASIC SERVICES FOR A HIGH-QUALITY LEARNING ENVIRONMENT: All students and staff will have access to a safe, secure, healthy, and high-quality learning and working environment. Students will receive high-quality services that are fundamental to academic success, including fully credentialed teachers, standards-aligned and high-quality instructional materials, and appropriately maintained school facilities.

Expected Annual Measurable Objectives

Metric #	Metric	Baseline	Year 1 Outcome	Year 2 Outcome	Mid-Year Outcome Data	Desired Outcome for 2026-2027
1.1	The percentage of teaching assignments that have an assignment monitoring outcome of "clear" (Source: Local Indicator Priority 1, CDE DataQuest TAMO by FTE Report)	2021-22: 77.3%			2022-23: 85.7%	2024-25: > 85%
1.2	Percentage of students without access to their own copies of standards-aligned instructional materials for use at school and at home (Source: Local Indicator Priority 1)	2023-24: 0%			2024-25 (As of 1/24/25): 0%	2026-27: 0%
1.3	Number of identified instances where facilities do not meet the “good repair” standard (including deficiencies and extreme deficiencies) (Source: Local Indicator Priority 1)	2023-24: 0			2024-25 (As of 1/24/25): 0	2026-27: 0
1.4	Teacher retention rate (Source: HRIS)	2023-24: (Fall 2022 to Fall 2023) 88%			2024-25: (Fall 2023 to Fall 20224) 81%	2026-27: (Fall 2025 to Fall 2026) >= 80%
1.5	Teacher attendance rate (Source: HRIS)	2023-24: (As of 5/15/24) 96.4%			2024-25: (First Semester) 97.0%	2026-27: >= 95.0%

Actions & Measuring and Reporting Results

Goal # Action #	Action Title and Description	Contributing	Implementation Level	Mid-year Outcome Data	Other Data/Evidence (qualitative, quantitative, artifacts)	Total Funds Budgeted	Mid-Year Expenditures
1.1	**Teacher assignments and credentials** Charter School and the MPS Human Resources team will conduct credential, background, and TB clearance reviews as part of the hiring process and at least once throughout the year to ensure all credentials are properly maintained. Charter School will support our teachers' credentialing needs. Charter School will also annually review master schedules and teacher assignments to ensure teachers are appropriately assigned and fully credentialed in the subject area and for the students they are teaching. Charter School uses a Human Resources Information System (HRIS) to automate employee documents. MPS Home Office HR team acts as a liaison between employees and provides administrative support as needed (e.g., correspondence generation, record keeping, file maintenance, HRIS entry, etc.) The HR team also provides reports to the Board and school administrators in regards to teacher retention, performance, pay scale, vacancies, recruitment efforts, credentials, mandatory trainings, and other HR related matters. Expenditures associated with this action include the following: teacher credentialing expenses, recruitment expenses (sign-in bonus, livescan/fingerprinting fees, etc.), Paycom/payroll fees, retirement service fees, and performance pay.	No	Fully Implemented			$18,900.00	$9,657.90

Goal # Action #	Action Title and Description	Contributing	Implementation Level	Mid-year Outcome Data	Other Data/Evidence (qualitative, quantitative, artifacts)	Total Funds Budgeted	Mid-Year Expenditures
	The following expenditures will be funded by federal Title funds: N/A						
1.2	**Instructional materials and technology** Charter School will manage the acquisition, distribution, and maintenance of equipment, materials, and technology needed to meet the academic, linguistic, cultural, social-emotional, and physical requirements of students. Charter School will annually review alignment of instructional materials to standards and maintain an inventory of instructional materials and corresponding purchases of materials. Charter School will annually review budgets and plans to ensure adequate budget for instructional materials. Charter School will ensure that students have sufficient access to standards-aligned instructional materials, including technology-based resources. Charter School will provide effective access and integration of technology resources, including software and mobile devices, that ensure meaningful access to CA Content Standards aligned instructional programs. Expenditures associated with this action include the following: textbooks, instructional materials and supplies, teacher/classroom supplies and office materials, computers, Chromebooks,	No	Fully Implemented			$237,267.60	$144,657.51

Goal # Action #	Action Title and Description	Contributing	Implementation Level	Mid-year Outcome Data	Other Data/Evidence (qualitative, quantitative, artifacts)	Total Funds Budgeted	Mid-Year Expenditures
	hotspots, and other technology equipment, IT manager salary and benefits, E-Rate consultancy, and basic software (Zendesk, AssetWorks, firewall, Datto, CloudReady, Zoom, GoGuardian, etc.), phone/internet, and depreciation. The following expenditures will be funded by federal Title funds: • Technology: Resource: Title II, $981.72						
1.3	**Clean and safe facilities that support learning** Charter School will strive to maintain a clean, safe, environmentally friendly, and inviting school that is worthy of our students, families, and staff and encourages successful teaching and learning. Charter School will continually improve and maintain facilities to ensure school safety, security and high quality learning and working environments. Charter School will do annual and monthly facility inspections to screen for ADA compliance and safety hazards; identified deficiencies will be quickly remedied. Daily general cleaning will maintain campus cleanliness. Maintenance and repairs will be provided by Charter School custodial staff and/or outsourced. As a STEAM focused school, we aim to operate in a sustainable and environmentally	No	Fully Implemented			$795,626.38	$419,921.74

Goal # Action #	Action Title and Description	Contributing	Implementation Level	Mid-year Outcome Data	Other Data/Evidence (qualitative, quantitative, artifacts)	Total Funds Budgeted	Mid-Year Expenditures
	responsible manner. Charter School will develop and monitor comprehensive safety and security plans, conduct necessary safety training for all staff and continue to work with stakeholders and experts to implement emergency and risk management procedures for individuals and the site. Charter School will procure and maintain necessary safety/emergency supplies, equipment and items. Charter School will establish schedules and procedures for the supervision of students in non-classroom areas, including before and after school. Expenditures associated with this action include the following: facilities rent/acquisition cost, custodial staff salaries and benefits, custodial supplies, maintenance and repair services, gas/electric, security services, health and safety related expenses (PPE, nursing services, etc.), and insurance costs (workers compensation, CharterSAFE, etc.) The following expenditures will be funded by federal Title funds: N/A						
1.4	**Healthy and nutritious meals** Charter School will maintain nutrition education resources and continue to focus on innovative ways to increase access to freshly prepared, nutritious foods to ensure	Yes	Fully Implemented			$17,280.00	$8,830.08

Goal # Action #	Action Title and Description	Contributing	Implementation Level	Mid-year Outcome Data	Other Data/Evidence (qualitative, quantitative, artifacts)	Total Funds Budgeted	Mid-Year Expenditures
	students are well-nourished and ready to learn. Charter School will adhere to the MPS Wellness Policy guidelines on nutritious foods for all food sales and celebrations. The meal program aims to improve the diet and health of our students, help mitigate childhood obesity, model healthy eating to support the development of lifelong healthy eating patterns and support healthy choices while accommodating cultural food preferences and special dietary needs. Charter School will promote healthy food and beverage choices for all students throughout campus, as well as encourage participation in school meal programs. Expenditures associated with this action include the following: student meals, water, and refreshments. The following expenditures will be funded by federal Title funds: N/A						
1.5	**Well-orchestrated Home Office support services** The MPS Home Office provides services to the Charter School, supports and holds accountable the Charter School for compliance and meeting charter goals, provides best practices in curriculum and professional development, and sets up systems and processes that support academic achievement and growth, operational effectiveness,	No	Fully Implemented			$387,765.55	$194,208.11

Goal # Action #	Action Title and Description	Contributing	Implementation Level	Mid-year Outcome Data	Other Data/Evidence (qualitative, quantitative, artifacts)	Total Funds Budgeted	Mid-Year Expenditures
	and financial sustainability. The Home Office manages business operations of schools, which reduces program and operations-related burdens of the Charter School administration and enables the Charter School to receive services at a lower cost. The services of the Home Office include, but are not limited to, academics, accountability, operations, IT, facilities, finance and accounting, human resources, and external relations. Instructional services are reflected in Goals 2-4. Expenditures associated with this action include the following: Home Office management fees, authorizer oversight fees, audit fees, bank fees, legal fees (YM&C, etc.), and other back-office related expenses (Adaptive Insights, DataWorks, etc.) The following expenditures will be funded by federal Title funds: N/A						

Goal 2

Goal Description
EXCELLENCE: Under our first core pillar of Excellence, all students will have equitable access to a high-quality core curricular and instructional program and make academic progress in alignment with California content standards (CCSS, NGSS, etc.) through our data-driven, differentiated and engaging learning program. Students will develop competencies aligned with our "Graduate Profile," including Literacy with a Learner's Mindset and Critical Thinking skills as they pursue academic excellence.

Expected Annual Measurable Objectives

Metric #	Metric	Baseline	Year 1 Outcome	Year 2 Outcome	Mid-Year Outcome Data	Desired Outcome for 2026-2027
2.1	Percentage of students who have sufficient access to all programs and services, as applicable, including the programs and services developed and provided to unduplicated students and to individuals with exceptional needs, and the programs that are provided to benefit these students (Source: Local Indicator Priority 7, SIS)	2023-24: 100%			2024-25: (As of 1/24/25) 100%	2026-27: 100%
2.2	Percentage of completion of observations by the school administration based on one formal and four informal classroom observations per teacher per year to ensure state standards implementation for all students (Source: Local Indicator Priority 2, TeachBoost/SchoolMint Grow)	2023-24: (As of 5/24/24) 100%			2024-25: (As of 1/24/25) 66%	2026-27: >= 85%
2.3	Percentage of students who have received a grade of "C" or better in core subjects and electives (Source: SIS)	2023-24: (First semester) 82%			2024-25: (First semester) 87%	2026-27: (First semester) >= 80%

Actions & Measuring and Reporting Results

Goal # Action #	Action Title and Description	Contributing	Implementation Level	Mid-year Outcome Data	Other Data/Evidence (qualitative, quantitative, artifacts)	Total Funds Budgeted	Mid-Year Expenditures
2.1	**Broad course of study and standards based curriculum**	No	Fully Implemented			$1,354,416.13	$702,455.05

Goal # Action #	Action Title and Description	Contributing	Implementation Level	Mid-year Outcome Data	Other Data/Evidence (qualitative, quantitative, artifacts)	Total Funds Budgeted	Mid-Year Expenditures
	Charter School will provide students with a broad array of courses including core subjects (English, mathematics, social sciences, and science) and electives. Charter School will also provide all other academic programs and services outlined in its charter petition, certain programs and services being dependent on student need and interest. Charter School will design its master schedule to meet the needs of its students to ensure all academic content areas are available to all students, including student groups. All students will participate in a rigorous, relevant, and coherent standards-based curriculum that supports the achievement of the schoolwide learner outcomes, academic standards, and college- and career-readiness standards. The school will be appropriately staffed to implement the school master schedule. Expenditures associated with this action include the following: teacher salaries and benefits, principal salary and benefits, and substitute teacher expenses. The following expenditures will be funded by federal Title funds: N/A						
2.2	**Professional development for high-quality instruction**	Yes	Fully Implemented			$58,801.08	$26,981.35

Goal # Action #	Action Title and Description	Contributing	Implementation Level	Mid-year Outcome Data	Other Data/Evidence (qualitative, quantitative, artifacts)	Total Funds Budgeted	Mid-Year Expenditures
	Professional development will occur at the MPS organizational level and within the school. Charter School will ensure curricula, instruction, and assessments are aligned to the standards and that teachers participate in professional development on the implementation of standards (CCSS, NGSS, etc.) In addition to ongoing professional development activities that support efforts to increase student academic performance, all staff will be provided with multiple opportunities to grow professionally through induction processes, regular collaboration with colleagues, and curricular support. This involves instructional leadership, common walkthrough protocols, and professional feedback to promote a cycle of continuous improvement, as well as supports for high quality delivery of the program that enables differentiation, particularly for unduplicated students and students with exceptional needs. Instructional leaders at the school and at the Home Office will assess staff professional development needs through formal and informal performance observation, surveys, and student performance data. Based on the data, combined with LCAP goals and the MPS Home Office high quality instruction guidelines, the instructional leaders will determine common staff development days and tailor staff development to individual staff needs.						

Goal # Action #	Action Title and Description	Contributing	Implementation Level	Mid-year Outcome Data	Other Data/Evidence (qualitative, quantitative, artifacts)	Total Funds Budgeted	Mid-Year Expenditures
	Expenditures associated with this action include the following: professional development, tuition reimbursement, and TeachBoost/SchoolMint Grow software fees. The following expenditures will be funded by federal Title funds: • Tuition reimbursement for professional development: Resource: Title II, $16,200 • Professional Development: Resource: Title IV, Part A (ESEA) $4,870						
2.3	**MTSS - Academic enrichment, intervention, and student support** Charter School will implement MTSS as a systemic, continuous improvement framework in which data-based problem-solving and decision making is practiced across all levels of the educational system for supporting students. Charter School will synthesize CAASPP and MAP student achievement and growth data, as well as course grades, and other state and internal assessment scores, into reports and regularly review progress towards targets. Targeted interventions will be utilized to create a high-quality differentiated environment where students are supported to engage at their	Yes	Fully Implemented			$682,170.22	$322,464.50

Goal # Action #	Action Title and Description	Contributing	Implementation Level	Mid-year Outcome Data	Other Data/Evidence (qualitative, quantitative, artifacts)	Total Funds Budgeted	Mid-Year Expenditures
	optimal levels. Charter School will provide additional supports and interventions to all students, including but not limited to, 1-1 or small group interventions, targeted support via evidence-based supplemental intervention/enrichment materials and technology (reading, math, etc.), co-taught classes, Power English/Power Math classes, Study Skills, additional support during SSR/Advisory, before and after school tutoring, Saturday classes, and summer programs. SSPT, 504, and other support meetings will be coordinated among teachers and support roles (resource teachers, EL coordinator, department chairs, etc.) Expenditures associated with this action include the following: Dean of Academics salary and benefits, Title-I coordinator salary and benefits, instructional aide salaries and benefits, intervention teacher salaries and benefits, teacher stipends for after school, Saturday school, and summer school, NWEA MAP testing fees, Illuminate DnA fees and evidence-based supplemental intervention/enrichment program fees (IXL, Accelerated Reader, Standards Plus, Quizizz, BrainPOP, Spelling City, Cambium Learning, Learning A-Z, Alexandria Library, Mystery Science and myON.) The following expenditures will be funded by federal Title funds:						

Goal # Action #	Action Title and Description	Contributing	Implementation Level	Mid-year Outcome Data	Other Data/Evidence (qualitative, quantitative, artifacts)	Total Funds Budgeted	Mid-Year Expenditures
	• Instructional Aide Salaries: Resource: Title I, $75,677.64 • Benefits: Resource: Title I, $19,164.69 • Educational Software: Resource: Title I, $15,220 • Educational Software: Resource: Title IV, Part A (ESEA), $4,325.4						
2.4	**Designated and integrated ELD programs and support for ELs** Charter School will provide services to ELs, including newcomers and LTELs, by proficiency level and provide ELD instruction aligned to the CA ELD standards and framework. Charter School will provide our ELs with core and supplemental ELD instructional materials and provide our teachers with PD focused on ELD standards. Our EL coordinator will monitor EL student progress in program implementation according to our EL Master Plan. Charter School teachers will provide instruction using designated and integrated ELD instructional strategies as outlined in the CHATS framework (and other research-based strategies such as SDAIE) to all students, including ELs. Charter School will provide culturally and linguistically relevant materials for students. ELs will receive further in-	Yes	Fully Implemented			$126,043.25	$64,408.10

Goal # Action #	Action Title and Description	Contributing	Implementation Level	Mid-year Outcome Data	Other Data/Evidence (qualitative, quantitative, artifacts)	Total Funds Budgeted	Mid-Year Expenditures
	class instructional support which includes one-on-one teacher support and small group instruction. Charter School will strive to provide bilingual instructional assistants to provide primary language support to enable students to access content area instruction while gaining language proficiency. Charter School will ensure that teachers participate in PD on ELD instructional strategies and CHATS framework. Charter School will provide regular and timely communication with families of EL students, including newcomers and LTELs, regarding annual assessments, program supports and services, and students' progress toward reclassification. This notification will include, but is not limited to, annual parent notification letters, quarterly ELAC meetings, and parent-teacher conferences. Expenditures associated with this action include the following: EL coordinator salary and benefits, EL coordinator stipend, EL instructional aide salary and benefits. The following expenditures will be funded by federal Title funds: N/A						
2.5	**Support for students with disabilities** Students with disabilities will receive services and supports as	No	Fully Implemented			$921,073.51	$489,592.82

Goal # Action #	Action Title and Description	Contributing	Implementation Level	Mid-year Outcome Data	Other Data/Evidence (qualitative, quantitative, artifacts)	Total Funds Budgeted	Mid-Year Expenditures
	listed in their Individualized Education Programs (IEPs) (in addition to services they receive pertinent to low income, foster youth and English learner designations) in order to improve outcomes and close the achievement gap, including graduation rate and performance on statewide assessments. Students with disabilities will have access to all additional intervention and student support systems as outlined in Goal 2: Actions 3 and 4, as well as access to push-in and pull-out services, instructional aides, learning center services, and contracted services to provide each scholar with a Free and Appropriate Public Education in their least restrictive and most accessible learning environment. Students with disabilities dually identified as EL will have ELD goals in their IEPs in addition to goals addressing their specific areas of need based on their eligibility. Our SPED, EL, and general education teams will work in collaboration, monitor our scholars' progress toward IEP goal mastery, and provide progress reports to parents. In addition, all IEPs will be reviewed and present levels will be updated during annual and triennial reviews as required by the IDEA. Expenditures associated with this action include the following: SPED coordinator and teacher salaries and benefits, paraprofessional salaries and benefits, school psychologist salary and benefits,						

Goal # Action #	Action Title and Description	Contributing	Implementation Level	Mid-year Outcome Data	Other Data/Evidence (qualitative, quantitative, artifacts)	Total Funds Budgeted	Mid-Year Expenditures
	SPED intern salaries and benefits, outsourced SPED services fees, and SPED instructional materials and technology. The following expenditures will be funded by federal Title funds: N/A						

Goal 3

Goal Description
INNOVATION: All students will have access to a well-rounded, 21st century education that supports their readiness for college and the global world under our second core pillar of Innovation. Each student will become an independent, innovative scholar by practicing Creativity and Adaptability in their learning, using technology and data-driven online learning, and demonstrating high-quality learning outcomes in myriad ways.

Expected Annual Measurable Objectives

Metric #	Metric	Baseline	Year 1 Outcome	Year 2 Outcome	Mid-Year Outcome Data	Desired Outcome for 2026-2027
3.1	Percentage of students enrolled in an Accelerated and/or Advanced Math course and/or Advanced Math club (Source: Local Indicator Priority 7, SIS)	2023-24: (As of 5/20/24) 0%			2024-25: (As of 1/24/25) 10.0%	2026-27: >= 10%

3.3	Percentage of students who have created or demonstrated a STEAM focused project, experiment, model or demo in the current year (Source: Local Indicator Priority 7, SIS)	2023-24: (As of 5/xx/24) xx%			2024-25: (As of 1/24/25) 96.0%	2026-27: >= 80%

Actions & Measuring and Reporting Results

Goal # Action #	Action Title and Description	Contributing	Implementation Level	Mid-year Outcome Data	Other Data/Evidence (qualitative, quantitative, artifacts)	Total Funds Budgeted	Mid-Year Expenditures
3.1	**College/Career readiness programs and activities** Charter School will promote a college-going culture through college visits, college/career days, and other college/career related activities.	Yes	Fully Implemented			$0.00	$0.00

Goal # Action #	Action Title and Description	Contributing	Implementation Level	Mid-year Outcome Data	Other Data/Evidence (qualitative, quantitative, artifacts)	Total Funds Budgeted	Mid-Year Expenditures
	Expenditures associated with this action include the following: college/career-related materials and activities. The following expenditures will be funded by federal Title funds: N/A						
3.2	**STEM and GATE programs** Charter School will offer STEAM and GATE programs and activities, including Accelerated/Advanced Math course and club. Students will be provided opportunities during the day and after school to create or demonstrate a STEAM focused project, experiment, model or demo. We will also provide information and access to quality out-of-school STEM activities and achievements. With CA Science Framework and NGSS integration, all our students will learn about engineering design, technology, and applications of science as part of their core classes. Furthermore, Charter School will design and implement computer science and engineering-related courses and activities, such as Code.org activities, Project Lead the Way (PLTW) programs, Robotics, etc. Gifted and talented students and students achieving above grade level will be engaged in all classes as teachers differentiate curriculum through adjustments of content through depth, complexity, and pacing. Emphasis will be on	Yes	Fully Implemented			$1,296.00	$662.26

Goal # Action #	Action Title and Description	Contributing	Implementation Level	Mid-year Outcome Data	Other Data/Evidence (qualitative, quantitative, artifacts)	Total Funds Budgeted	Mid-Year Expenditures
	innovation, critical thinking, and logical reasoning. Learners will be challenged to investigate, use problem-based learning, and research. Expenditures associated with this action include the following: supplemental STEM program fees. The following expenditures will be funded by federal Title funds: • Educational Software - Resource: Title I; Amount: $1,296						
3.3	**Digital literacy and citizenship programs** Charter School will educate our students and staff in digital literacy so that they adapt, create, consume, and connect in productive, responsible ways to utilize technology in academic, social, and professional settings. Charter School will offer Computer/Digital Literacy classes and/or blended learning experiences for our students. Teachers will incorporate appropriate technology into lessons to support student learning and technology will be kept up to date. Students will be provided with opportunities to expand their literacy, computational, and communication skills with digital media; they will be writing	Yes	Fully Implemented			$126,436.62	$8,491.89

Goal # Action #	Action Title and Description	Contributing	Implementation Level	Mid-year Outcome Data	Other Data/Evidence (qualitative, quantitative, artifacts)	Total Funds Budgeted	Mid-Year Expenditures
	advanced essays, conducting internet research, engaging in data collection, presenting ideas and drawing conclusions. Charter School staff will teach and model safe, savvy, and social digital citizenship; topics may include, but are not limited to, using technology applications, including Artificial Intelligence (AI); digital footprint, privacy, and security; digital rights and responsibilities; using social media responsibly and digital etiquette. As our students gain the ability to navigate computing systems, utilize networks and the internet responsibly, analyze and interpret data with an antibias lens, solve problems using algorithms and programming, and carefully consider the ethics of computing technologies, they will become informed digital citizens who can leverage AI and other technologies to promote social justice and equity. Expenditures associated with this action include the following: computer teacher salary and benefits, internet security program fees, and digital literacy and citizenship program fees. The following expenditures will be funded by federal Title funds: N/A						
3.4	**Physical education, activity, and fitness**	Yes	Fully Implemented			$121,899.08	$62,304.04

Goal # Action #	Action Title and Description	Contributing	Implementation Level	Mid-year Outcome Data	Other Data/Evidence (qualitative, quantitative, artifacts)	Total Funds Budgeted	Mid-Year Expenditures
	Charter School will provide students with physical education, using an age-appropriate, sequential PE curriculum consistent with state standards for PE. The curriculum will promote the benefits of a physically active lifestyle and will help students develop skills to engage in lifelong healthy habits, as well as incorporate essential health education concepts. Charter School will offer recess before lunch and students will be provided with periodic opportunities to be active or to stretch throughout the day on all or most days during a typical school week. To the extent practicable, Charter School will ensure that its grounds and facilities are safe, and that equipment is available to students to be active. Charter School will offer opportunities for students to participate in physical activity either before and/or after the school day (or both) through a variety of methods such as physical activity/sports clubs, intramurals or interscholastic sports, etc. Charter School will adhere to the MPS Wellness Policy guidelines on physical education, activity, and fitness. Expenditures associated with this action include the following: PE/Health teacher salary and benefits and physical activity, fitness, and equipment expenses. The following expenditures will be funded by federal Title funds: N/A						

Goal # Action #	Action Title and Description	Contributing	Implementation Level	Mid-year Outcome Data	Other Data/Evidence (qualitative, quantitative, artifacts)	Total Funds Budgeted	Mid-Year Expenditures
3.5	**Additional programs and activities that support well-rounded education** To provide well-rounded education to our students, Charter School will strive to offer additional programs such as elective courses, arts, music, civics, languages other than English (LOTE), clubs, etc. Arts instruction focuses on developing students' creativity, imagination, discipline and self-expression through drawing and fine arts. It is important that all our students, particularly unduplicated students, are provided with experiential learning opportunities, including but not limited to, instructional field trips, internships, community service programs, clubs, etc. Charter School teachers and other staff will offer after school clubs for enrichment in the areas of, including, but not limited to, STEM (science, technology, engineering, math), ELA, LOTE, culture, sports, visual and performing arts, community service, leadership, and others. In addition to these clubs, the Charter School's Expanded Learning Opportunities Program (ELO-P) will support afterschool and summer enrichment programs in science, robotics, advanced math, academic competitions, journalism, college mentorship, and other areas.	Yes	Fully Implemented			$659,524.87	$337,017.21

Goal # Action #	Action Title and Description	Contributing	Implementation Level	Mid-year Outcome Data	Other Data/Evidence (qualitative, quantitative, artifacts)	Total Funds Budgeted	Mid-Year Expenditures
	Expenditures associated with this action include the following: teacher salaries and benefits for additional programs that support well-rounded education, supplemental materials, field trip expenses, and afterschool/club expenses. The following expenditures will be funded by federal Title funds: N/A						

Goal 4

Goal Description
CONNECTION: All students, families, staff, and other educational partners will experience our third core pillar, Connection, and have access to meaningful engagement opportunities that help cultivate Effective Communication and Global Citizenship in a safe and nurturing environment. Educational partners will feel a sense of community and connectedness.

Expected Annual Measurable Objectives

Metric #	Metric	Baseline	Year 1 Outcome	Year 2 Outcome	Mid-Year Outcome Data	Desired Outcome for 2026-2027
4.1	Number of Parent Advisory Committee (PAC) meetings per year (Source: Local Indicator Priority 3)	2023-24: 7			2024-25: (As of 1/24/25) 4	2026-27: >= 8
4.2	Number of English Learner Advisory Committee (ELAC) meetings per year (Source: Local Indicator Priority 3)	2023-24: 4			2024-25: (As of 1/24/25) 3	2026-27: >= 4
4.3	Number of activities/events for parent engagement per year (Source: Local Indicator Priority 3)	2023-24: (As of 5/20/24) 42			2024-25: (As of 1/24/25) 15	2026-27: >= 10
4.4	Percentage of students who have been home-visited by the teachers per year (Source: Local Indicator Priority 3, SIS)	2023-24: (As of 5/20/24) 20.4%			2024-25: (As of 1/24/25) 20.9%	2026-27: >= 15.0%
4.5	Average Daily Attendance (ADA) Rate (Source: SIS)	2023-24: (P-2 ADA) 93.56%			2024-25 P-1 ADA: (Months 1-5) 93.94%	2026-27: (P-2 ADA) >= 92.00%

4.7	Student Suspension Rate (Source: CA School Dashboard, CALPADS)	2022-23: (2023 Dashboard) 0.4%			2023-24: (2024 Dashboard) 0.00%	2025-26: (2026 Dashboard) <= 2.5%

Metric #	Metric	Baseline	Year 1 Outcome	Year 2 Outcome	Mid-Year Outcome Data	Desired Outcome for 2026-2027
					2024-25: (As of 1/24/25) 0.00%	
4.8	Student Expulsion Rate (Source: CDE DataQuest, CALPADS)	2022-23: (CDE DataQuest) 0.00%			2023-24: (CDE DataQuest) 0.00% 2024-25: (As of 1/24/25) 0.00%	2025-26: (CDE DataQuest) <= 0.50%
4.9	School experience survey "participation rates" by students, families, and staff (Source: Local Indicator Priority 6, Panorama Education)	2023-24: Students: 96.8% Families: 82.2% Staff: 97.2%			Survey administration will be done in February 2025, and data will be available in March 2025.	2026-27: Students: >= 95.0% Families: >= 75.0% Staff: >= 95.0%
4.10	School experience survey "average approval rates" based on the responses of our students, families, and staff to all questions on the survey in the following topics: climate of support for academic learning; knowledge and fairness of discipline, rules, and norms; safety; and sense of belonging (school connectedness) (Source: Local Indicator Priority 6, Panorama Education)	2023-24: Students: 68.0% Families: 97.0% Staff: 81.0%			Survey administration will be done in February 2025, and data will be available in March 2025.	2026-27: Students: >= 65% Families: >= 95% Staff: >= 80%
4.11	School experience survey "overall satisfaction rates" based on the responses of our students, families, and staff to the question, "Overall, I am satisfied and would recommend this school to other students/parents/educators." (Source: Local Indicator Priority 6, Panorama Education)	2023-24: Students: 89% Families: 96% Staff: 88%			Survey administration will be done in February 2025, and data will be available in March 2025.	2026-27: Students: >= 75% Families: >= 95% Staff: >= 85%
4.12	Student retention rate (Source: SIS)	2023-24: (Spring 2023 to Fall 2023) 95.91%			2024-25: (Spring 2024 to Fall 2024) 92%	2026-27: (Spring 2026 to Fall 2026) >= 85%

Actions & Measuring and Reporting Results

Goal # Action #	Action Title and Description	Contributing	Implementation Level	Mid-year Outcome Data	Other Data/Evidence (qualitative, quantitative, artifacts)	Total Funds Budgeted	Mid-Year Expenditures
4.1	**Seeking family input for decision-making** Charter School will build the capacity of and support administrators, teachers and staff in order to build the capacity of and support family members to effectively engage in advisory groups and decision-making. Charter School will provide all families with opportunities to provide input on policies and programs, and implement Community School strategies to reach and seek input from any underrepresented groups in the school community. Some periodic information/input sessions for families include, but are not limited to, Board of Directors meetings, Parent Advisory Committee (PAC) meetings, English Learner Advisory Committee (ELAC) meetings, Parent Task Force (PTF) meetings, and Coffee with the Principal meetings. The PAC will be composed of majority of parents of pupils and include parents/guardians of ELs, low-income, foster youth, and students with disabilities. Parents, teachers, staff, students, and community members are encouraged and empowered to join school committees, including the PAC and ELAC. Such committees provide for representation of students in need (low income, EL, foster youth, students with disabilities, etc.) Feedback from our educational partners provide valuable input for the LCAP and continuous school	Yes	Fully Implemented			$275.00	$140.53

Goal # Action #	Action Title and Description	Contributing	Implementation Level	Mid-year Outcome Data	Other Data/Evidence (qualitative, quantitative, artifacts)	Total Funds Budgeted	Mid-Year Expenditures
	improvement. Charter School chooses to utilize the LCAP to serve as the SPSA and holds an annual meeting to inform parents and collect feedback about LCAP goals and actions, data and needs assessment, Title-funded activities and budgets, UCP, parent and family engagement policy and school-student-parent compact. In addition, as explained in Goal 4: Action 4, Charter School will conduct family surveys to seek feedback on school improvement. Expenditures associated with this action include the following: parent meeting expenses and Document Tracking Services (DTS) fees. The following expenditures will be funded by federal Title funds: N/A						
4.2	**Building relationships and partnerships with families for student outcomes** Charter School will develop the capacity of staff to build trusting and respectful relationships with families and create welcoming environments for all families in the community. Our staff will learn about each family's strengths, cultures, languages, and goals for their children. We will promote participation in activities/events, including Student/Parent Orientation, Back to School Night, and parent conferences.	Yes	Fully Implemented			$152,335.74	$77,843.57

Goal # Action #	Action Title and Description	Contributing	Implementation Level	Mid-year Outcome Data	Other Data/Evidence (qualitative, quantitative, artifacts)	Total Funds Budgeted	Mid-Year Expenditures
	Administrators will greet all students and parents in the mornings during student drop off and have an open-door policy welcoming all parents. We will provide professional learning and support to staff to improve capacity to partner with families and to provide families with information and resources to support student learning and development in the home. Charter School will provide parents with access to course materials, homework assignments, projects, and records of students' grades through our SIS. Charter School will communicate further with the parents of students who are performing below grade level. Our teachers, administrators, and classified staff will visit students at their homes to discuss student progress and enhance student learning and involvement. Charter School will also support families to understand and exercise their legal rights and advocate for their own students and all students. Charter School will schedule annual workshops for parents as well as additional workshops for parents of EL and immigrant students. Topics to be covered include, but are not limited to, the school's EL Master Plan, stages of language acquisition, state testing, college application, using SIS to check student progress, study habits, and family literacy. Charter School will use a variety of communication channels to connect with families in a language that is understandable and accessible to them. A parent						

Goal # Action #	Action Title and Description	Contributing	Implementation Level	Mid-year Outcome Data	Other Data/Evidence (qualitative, quantitative, artifacts)	Total Funds Budgeted	Mid-Year Expenditures
	communication software will be utilized for voice and text communications, email, and push notifications. We will provide language translators at parent meetings to the extent practicable. Expenditures associated with this action include the following: Infinite Campus SIS fees, ParentSquare software fees, SchoolMint software fees, home-visit compensation, parent activity/event expenses, Parent Education Bridge program fees, Pitney Bowes expenses, and Office manager/Administrative assistant salaries and benefits. The following expenditures will be funded by federal Title I funds: • 5800 Professional Services: $1,620 • 3500 Unemployment Insurance: $40 • 3300 OASDI/Medicare: $116 • 3100 STRS: $1,528 • 1100 Teacher Salaries: $8,000						
4.3	**MTSS - PBIS and SEL support** Charter School will provide a safe, nurturing, and engaging learning environment for all our students and families. Academic and social-emotional support will be provided to address student needs as well as instructional materials including free	Yes	Fully Implemented			$95,096.68	$80,724.96

Goal # Action #	Action Title and Description	Contributing	Implementation Level	Mid-year Outcome Data	Other Data/Evidence (qualitative, quantitative, artifacts)	Total Funds Budgeted	Mid-Year Expenditures
	uniforms. Students who are homeless, experiencing housing instability, are in foster care or experiencing personal/family crisis or have other special needs will be cared for in our supportive school community. Charter School will offer a SEL/Life Skills program that provides students with valuable skills to support academic excellence and social skill development. We will annually assess our suspension/expulsion policies and procedures and implement alternatives to suspension/expulsion, including restorative practices. Teachers will establish classroom management procedures, foster positive relationships, and help create an atmosphere of trust, respect, and high expectations. Charter School will implement a positive and equitable student responsibility and behavior system with teaching, intervention and prevention strategies and protocols that are clear, fair, incremental, restorative, and culturally responsive. Charter School will celebrate student and school achievements and organize recognition assemblies and other schoolwide culture-building activities. Charter School will inform parents and students of attendance policies specified in the Student/Parent Handbook and encourage and support student attendance. Charter School will also implement the CORE DISTRICTS SEL Survey instrument in the fall and spring annually to assess the following social-emotional						

Goal # Action #	Action Title and Description	Contributing	Implementation Level	Mid-year Outcome Data	Other Data/Evidence (qualitative, quantitative, artifacts)	Total Funds Budgeted	Mid-Year Expenditures
	competencies: growth mindset, self-efficacy, self-management, and social awareness. As part of our MTSS efforts, school leadership, teachers, and support staff will analyze student SEL survey results in the fall to provide our students with targeted social-emotional support and then measure student responses again in the spring to measure growth, identify greatest progress and needs in order to inform our next steps. Expenditures associated with this action include the following: Dean of Students salary and benefits, discipline coordinator salary and benefits, office/attendance clerk salaries and benefits, school uniform expenses, PD on classroom management, PBIS, and SEL support, SEL program fees, outsourced SEL services fees, and additional services for homeless students. The following expenditures will be funded by federal Title funds: • Instructional Materials & Supplies: Resource: Title I, $4,540.32 • Professional Services: Resource: Title IV, Part A (ESEA), $8,081.64						
4.4	**Annual educational partner surveys**	Yes	Fully Implemented			$1,620.00	$827.82

Goal # Action #	Action Title and Description	Contributing	Implementation Level	Mid-year Outcome Data	Other Data/Evidence (qualitative, quantitative, artifacts)	Total Funds Budgeted	Mid-Year Expenditures
	Charter School will annually administer school experience surveys to students, families, and staff. Charter School will implement the CORE DISTRICTS Survey instrument to assess our educational partners' perceptions of the following school climate indicators: climate of support for academic learning; knowledge and fairness of discipline, rules and norms; safety; and sense of belonging (school connectedness). In addition, we ask our educational partners open-ended questions about what they like the best about the school and suggestions for improvement. This feedback instrument provides all staff and school leaders with valuable information about how students see their classes, how much parents are involved, how supported staff feel and how to facilitate improvement. Our staff will analyze the survey results to identify the greatest progress and needs in order to inform our next steps. Expenditures associated with this action include the following: Panorama Education survey fees. The following expenditures will be funded by federal Title funds: • Professional Services - Title I: $1,620						

Goal # Action #	Action Title and Description	Contributing	Implementation Level	Mid-year Outcome Data	Other Data/Evidence (qualitative, quantitative, artifacts)	Total Funds Budgeted	Mid-Year Expenditures
4.5	**Community outreach and partnerships** Charter School will establish community, business, institutional and civic partnerships that invest in and support the vision and goals of the school. School staff will participate in local activities that engage community members and staff in communicating school successes to the broader community. Charter School will secure community support to sustain existing resources and add new resources that address emerging student needs. Charter School leadership will actively develop relationships with a range of educational partners, policymakers, and researchers to identify and address issues, trends, and potential changes that affect the context and conduct of education. Expenditures associated with this action include the following: Community Schools Coordinator salary and benefits, membership fees (CCSA, WASC, etc.), marketing, branding, outreach, and partnership expenses. The following expenditures will be funded by federal Title funds: N/A	Yes	Fully Implemented			$386,123.89	$185,758.19

Impact to the Budget Overview for Parents

Item	As adopted in Budget Overview for Parents	Mid-Year Update
Total LCFF Funds	$3,803,982.00	$1,943,835.00
LCFF Supplemental/Concentration Grants	$1,018,187.00	$520,294.00

Monitoring Goals, Actions, and Resources for the 2024-25 Local Control and Accountability Plan (LCAP)

This template is intended for internal monitoring purposes only. The 2024-25 LCAP template and instructions should be consulted when completing required documents.

(6) (A) The superintendent of the school district shall present a report on the annual update to the local control and accountability plan and the local control funding formula budget overview for parents on or before February 28 of each year at a regularly scheduled meeting of the governing board of the school district. (B) The report shall include both of the following: (i) All available midyear outcome data related to metrics identified in the current year's local control and accountability plan. (ii) All available midyear expenditure and implementation data on all actions identified in the current year's local control and accountability plan.

Goal 1

Goal Description
BASIC SERVICES FOR A HIGH-QUALITY LEARNING ENVIRONMENT: All students and staff will have access to a safe, secure, healthy, and high-quality learning and working environment. Students will receive high-quality services that are fundamental to academic success, including fully credentialed teachers, standards-aligned and high-quality instructional materials, and appropriately maintained school facilities.

Expected Annual Measurable Objectives

Metric #	Metric	Baseline	Year 1 Outcome	Year 2 Outcome	Mid-Year Outcome Data	Desired Outcome for 2026-2027
1.1	The percentage of teaching assignments that have an assignment monitoring outcome of "clear" (Source: Local Indicator Priority 1, CDE DataQuest TAMO by FTE Report)	2021-22: 75.2%			2022-23: 69.2%	2024-25: > 85%
1.2	Percentage of students without access to their own copies of standards-aligned instructional materials for use at school and at home (Source: Local Indicator Priority 1)	2023-24: 0%			2024-25 (As of 1/24/25): 0%	2026-27: 0%
1.3	Number of identified instances where facilities do not meet the “good repair” standard (including deficiencies and extreme deficiencies) (Source: Local Indicator Priority 1)	2023-24: 0			2024-25 (As of 1/24/25): 0	2026-27: 0
1.4	Teacher retention rate (Source: HRIS)	2023-24: (Fall 2022 to Fall 2023) 54%			2024-25: (Fall 2023 to Fall 20224) 52%	2026-27: (Fall 2025 to Fall 2026) >= 80%
1.5	Teacher attendance rate (Source: HRIS)	2023-24: (As of 5/15/24) 93.9%			2024-25: (First Semester) 94.3%	2026-27: >= 95.0%

Actions & Measuring and Reporting Results

Goal # Action #	Action Title and Description	Contributing	Implementation Level	Mid-year Outcome Data	Other Data/Evidence (qualitative, quantitative, artifacts)	Total Funds Budgeted	Mid-Year Expenditures
1.1	**Teacher assignments and credentials** Charter School and the MPS Human Resources team will conduct credential, background, and TB clearance reviews as part of the hiring process and at least once throughout the year to ensure all credentials are properly maintained. Charter School will support our teachers' credentialing needs. Charter School will also annually review master schedules and teacher assignments to ensure teachers are appropriately assigned and fully credentialed in the subject area and for the students they are teaching. Charter School uses a Human Resources Information System (HRIS) to automate employee documents. MPS Home Office HR team acts as a liaison between employees and provides administrative support as needed (e.g., correspondence generation, record keeping, file maintenance, HRIS entry, etc.) The HR team also provides reports to the Board and school administrators in regards to teacher retention, performance, pay scale, vacancies, recruitment efforts, credentials, mandatory trainings, and other HR related matters. Expenditures associated with this action include the following: Payroll fees, teacher credentialing expenses, recruitment expenses (sign-in bonus, livescan/fingerprinting fees, etc.), Paycom/payroll fees, and retirement service fees.	No	Fully Implemented			$21,200.00	$10,833.20

Goal # Action #	Action Title and Description	Contributing	Implementation Level	Mid-year Outcome Data	Other Data/Evidence (qualitative, quantitative, artifacts)	Total Funds Budgeted	Mid-Year Expenditures
	The following expenditures will be funded by federal Title funds: N/A						
1.2	**Instructional materials and technology** Charter School will manage the acquisition, distribution, and maintenance of equipment, materials, and technology needed to meet the academic, linguistic, cultural, social-emotional, and physical requirements of students. Charter School will annually review alignment of instructional materials to standards and maintain an inventory of instructional materials and corresponding purchases of materials. Charter School will annually review budgets and plans to ensure adequate budget for instructional materials. Charter School will ensure that students have sufficient access to standards-aligned instructional materials, including technology-based resources. Charter School will provide effective access and integration of technology resources, including software and mobile devices, that ensure meaningful access to CA Content Standards aligned instructional programs. Expenditures associated with this action include the following: Depreciation, technology, TelecomInternet, textbooks, instructional materials and supplies,	No	Fully Implemented			$370,895.12	$217,377.42

Goal # Action #	Action Title and Description	Contributing	Implementation Level	Mid-year Outcome Data	Other Data/Evidence (qualitative, quantitative, artifacts)	Total Funds Budgeted	Mid-Year Expenditures
	teacher/classroom supplies and office materials, computers, Chromebooks, hotspots, and other technology equipment, IT manager salary and benefits, E-Rate consultancy, and basic software (Zendesk, AssetWorks, firewall, Datto, CloudReady, Zoom, GoGuardian, etc.), phone/internet, and depreciation. The following expenditures will be funded by federal Title funds: • Title II, used for technology: $909						
1.3	**Clean and safe facilities that support learning** Charter School will strive to maintain a clean, safe, environmentally friendly, and inviting school that is worthy of our students, families, and staff and encourages successful teaching and learning. Charter School will continually improve and maintain facilities to ensure school safety, security and high quality learning and working environments. Charter School will do annual and monthly facility inspections to screen for ADA compliance and safety hazards; identified deficiencies will be quickly remedied. Daily general cleaning will maintain campus cleanliness. Maintenance and repairs will be provided by Charter School custodial staff and/or outsourced. As a STEAM focused	No	Fully Implemented			$557,163.44	$310,260.52

Goal # Action #	Action Title and Description	Contributing	Implementation Level	Mid-year Outcome Data	Other Data/Evidence (qualitative, quantitative, artifacts)	Total Funds Budgeted	Mid-Year Expenditures
	school, we aim to operate in a sustainable and environmentally responsible manner. Charter School will develop and monitor comprehensive safety and security plans, conduct necessary safety training for all staff and continue to work with stakeholders and experts to implement emergency and risk management procedures for individuals and the site. Charter School will procure and maintain necessary safety/emergency supplies, equipment and items. Charter School will establish schedules and procedures for the supervision of students in non-classroom areas, including before and after school. Expenditures associated with this action include the following: facilities rent/acquisition cost, custodial staff salaries and benefits, custodial supplies, maintenance and repair services, gas/electric, security services, health and safety related expenses (PPE, nursing services, etc.), and insurance costs (workers compensation, CharterSAFE, etc.) The following expenditures will be funded by federal Title funds: N/A						
1.4	**Healthy and nutritious meals** Charter School will maintain nutrition education resources and continue to focus on innovative	Yes	Fully Implemented			$20,000.00	$10,220.00

Goal # Action #	Action Title and Description	Contributing	Implementation Level	Mid-year Outcome Data	Other Data/Evidence (qualitative, quantitative, artifacts)	Total Funds Budgeted	Mid-Year Expenditures
	ways to increase access to freshly prepared, nutritious foods to ensure students are well-nourished and ready to learn. Charter School will adhere to the MPS Wellness Policy guidelines on nutritious foods for all food sales and celebrations. The meal program aims to improve the diet and health of our students, help mitigate childhood obesity, model healthy eating to support the development of lifelong healthy eating patterns and support healthy choices while accommodating cultural food preferences and special dietary needs. Charter School will promote healthy food and beverage choices for all students throughout campus, as well as encourage participation in school meal programs. Expenditures associated with this action include the following: student meals, and water. The following expenditures will be funded by federal Title funds: N/A						
1.5	**Well-orchestrated Home Office support services** The MPS Home Office provides services to the Charter School, supports and holds accountable the Charter School for compliance and meeting charter goals, provides best practices in curriculum and professional development, and sets up systems and processes that	No	Fully Implemented			$914,559.50	$467,339.90

Goal # Action #	Action Title and Description	Contributing	Implementation Level	Mid-year Outcome Data	Other Data/Evidence (qualitative, quantitative, artifacts)	Total Funds Budgeted	Mid-Year Expenditures
	support academic achievement and growth, operational effectiveness, and financial sustainability. The Home Office manages business operations of schools, which reduces program and operations-related burdens of the Charter School administration and enables the Charter School to receive services at a lower cost. The services of the Home Office include, but are not limited to, academics, accountability, operations, IT, facilities, finance and accounting, human resources, and external relations. Instructional services are reflected in Goals 2-4. Expenditures associated with this action include the following: Home Office management fees, authorizer oversight fees, audit fees, bank fees, legal fees (YM&C, etc.), and other back-office related expenses (Adaptive Insights, DataWorks, etc.) The following expenditures will be funded by federal Title funds: • Professional services paid with Title I: $15,512						

Goal 2

Goal Description
EXCELLENCE: Under our first core pillar of Excellence, all students will have equitable access to a high-quality core curricular and instructional program and make academic progress in alignment with California content standards (CCSS, NGSS, etc.) through our data-driven, differentiated and engaging learning program. Students will develop competencies aligned with our "Graduate Profile," including Literacy with a Learner's Mindset and Critical Thinking skills as they pursue academic excellence.

Expected Annual Measurable Objectives

Metric #	Metric	Baseline	Year 1 Outcome	Year 2 Outcome	Mid-Year Outcome Data	Desired Outcome for 2026-2027
2.1	Percentage of students who have sufficient access to all programs and services, as applicable, including the programs and services developed and provided to unduplicated students and to individuals with exceptional needs, and the programs that are provided to benefit these students (Source: Local Indicator Priority 7, SIS)	2023-24: 100%			2024-25: (As of 1/24/25) 100%	2026-27: 100%
2.2	Percentage of completion of observations by the school administration based on one formal and four informal classroom observations per teacher per year to ensure state standards implementation for all students (Source: Local Indicator Priority 2, TeachBoost/SchoolMint Grow)	2023-24: (As of 5/24/24) 71%			2024-25: (As of 1/24/25) 61%	2026-27: >= 85%
2.3	Percentage of students who have received a grade of "C" or better in core subjects and electives (Source: SIS)	2023-24: (First semester) 85%			2024-25: (First semester) 66%	2026-27: (First semester) >= 80%
2.4	Percentage of students who have met or exceeded standard on the CAASPP-ELA/Literacy assessments (Source: CDE DataQuest)	2022-23: • All Students: 35.29% • English Learners: 0.00% • Socioeconomically Disadvanta			2023-24: • All Students: 32.75% • English Learners: 0.00% • Socioeconomically Disadvanta	2025-26: • All Students: >= 40.00% • English Learners: >= 5.00% • Socioeconomically Disadvanta

Actions & Measuring and Reporting Results

Goal # Action #	Action Title and Description	Contributing	Implementation Level	Mid-year Outcome Data	Other Data/Evidence (qualitative, quantitative, artifacts)	Total Funds Budgeted	Mid-Year Expenditures
2.1	**Broad course of study and standards based curriculum**	No	Fully Implemented			$1,429,594.43	$587,056.22

Goal # Action #	Action Title and Description	Contributing	Implementation Level	Mid-year Outcome Data	Other Data/Evidence (qualitative, quantitative, artifacts)	Total Funds Budgeted	Mid-Year Expenditures
	Charter School will provide students with a broad array of courses including core subjects (English, mathematics, social sciences, and science) and electives. Charter School will also provide all other academic programs and services outlined in its charter petition, certain programs and services being dependent on student need and interest. Charter School will design its master schedule to meet the needs of its students to ensure all academic content areas are available to all students, including student groups. All students will participate in a rigorous, relevant, and coherent standards-based curriculum that supports the achievement of the schoolwide learner outcomes, academic standards, and college- and career-readiness standards. The school will be appropriately staffed to implement the school master schedule. Expenditures associated with this action include the following: teacher salaries and benefits, principal salary and benefits, and substitute teacher expenses. The following expenditures will be funded by federal categorical funds: N/A						
2.2	**Professional development for high-quality instruction**	Yes	Fully Implemented			$77,500.00	$39,602.50

Goal # Action #	Action Title and Description	Contributing	Implementation Level	Mid-year Outcome Data	Other Data/Evidence (qualitative, quantitative, artifacts)	Total Funds Budgeted	Mid-Year Expenditures
	Professional development will occur at the MPS organizational level and within the school. Charter School will ensure curricula, instruction, and assessments are aligned to the standards and that teachers participate in professional development on the implementation of standards (CCSS, NGSS, etc.) In addition to ongoing professional development activities that support efforts to increase student academic performance, all staff will be provided with multiple opportunities to grow professionally through induction processes, regular collaboration with colleagues, and curricular support. This involves instructional leadership, common walkthrough protocols, and professional feedback to promote a cycle of continuous improvement, as well as supports for high quality delivery of the program that enables differentiation, particularly for unduplicated students and students with exceptional needs. Instructional leaders at the school and at the Home Office will assess staff professional development needs through formal and informal performance observation, surveys, and student performance data. Based on the data, combined with LCAP goals and the MPS Home Office high quality instruction guidelines, the instructional leaders will determine common staff development days and tailor staff development to individual staff needs.						

Goal # Action #	Action Title and Description	Contributing	Implementation Level	Mid-year Outcome Data	Other Data/Evidence (qualitative, quantitative, artifacts)	Total Funds Budgeted	Mid-Year Expenditures
	Expenditures associated with this action include the following: professional development, tuition reimbursement, and TeachBoost/SchoolMint Grow software fees. The following expenditures will be funded by federal Title funds: Services & Other Operating Expenses - Professional Development: Resource: • Title II Prof Dev-Other: $15,000 • Title II Professional Development: $9,000						
2.3	**MTSS - Academic enrichment, intervention, and student support** Charter School will implement MTSS as a systemic, continuous improvement framework in which data-based problem-solving and decision making is practiced across all levels of the educational system for supporting students. Charter School will synthesize CAASPP and MAP student achievement and growth data, as well as course grades, and other state and internal assessment scores, into reports and regularly review progress towards targets. Targeted interventions will be utilized to create a high-quality differentiated environment where students are supported to engage at their optimal levels. Charter School will	Yes	Fully Implemented			$786,487.60	$402,728.84

Goal # Action #	Action Title and Description	Contributing	Implementation Level	Mid-year Outcome Data	Other Data/Evidence (qualitative, quantitative, artifacts)	Total Funds Budgeted	Mid-Year Expenditures
	provide additional supports and interventions to all students, including but not limited to, 1-1 or small group interventions, targeted support via evidence-based supplemental intervention/enrichment materials and technology (reading, math, etc.), co-taught classes, Power English/Power Math classes, Study Skills, additional support during SSR/Advisory, before and after school tutoring, Saturday classes, and summer programs. SSPT, 504, and other support meetings will be coordinated among teachers and support roles (resource teachers, EL coordinator, department chairs, etc.) Expenditures associated with this action include the following: Dean of Academics salary and benefits, Title-I/ELD coordinator salary and benefits, instructional aide salaries and benefits, teacher stipends for after school, Saturday school, and summer school, NWEA MAP testing fees, Illuminate DnA fees, and evidence-based supplemental intervention/enrichment program fees (IXL, Accelerated Reader, Paper, BrainPOP, Cityspan, Newsela, and myON.) The following expenditures will be funded by federal Title funds: • 3010 Title I 4340 Education Software: $24,429 • 3010 Title I 3500 Unemployment Insurance: $148.56						

Goal # Action #	Action Title and Description	Contributing	Implementation Level	Mid-year Outcome Data	Other Data/Evidence (qualitative, quantitative, artifacts)	Total Funds Budgeted	Mid-Year Expenditures
	• 3010 Title I 3400 Health & Welfare Benefits: 1,869.05 • 3010 Title I 3300 OASDI/Medicare: $430.82 • 3010 Title I 3100 STRS: $5,674.95 • 3010 Title I 1100 Teacher Salaries: $29,678						
2.4	**Designated and integrated ELD programs and support for ELs** Charter School will provide services to ELs, including newcomers and LTELs, by proficiency level and provide ELD instruction aligned to the CA ELD standards and framework. Charter School will provide our ELs with core and supplemental ELD instructional materials and provide our teachers with PD focused on ELD standards. Our EL coordinator will monitor EL student progress in program implementation according to our EL Master Plan. Charter School teachers will provide instruction using designated and integrated ELD instructional strategies as outlined in the CHATS framework (and other research-based strategies such as SDAIE) to all students, including ELs. Charter School will provide culturally and linguistically relevant materials for students. ELs will receive further in-class instructional support which	Yes	Fully Implemented			$108,175.11	$65,716.45

Goal # Action #	Action Title and Description	Contributing	Implementation Level	Mid-year Outcome Data	Other Data/Evidence (qualitative, quantitative, artifacts)	Total Funds Budgeted	Mid-Year Expenditures
	includes one-on-one teacher support and small group instruction. Charter School will strive to provide bilingual instructional assistants to provide primary language support to enable students to access content area instruction while gaining language proficiency. Charter School will ensure that teachers participate in PD on ELD instructional strategies and CHATS framework. Charter School will provide regular and timely communication with families of EL students, including newcomers and LTELs, regarding annual assessments, program supports and services, and students' progress toward reclassification. This notification will include, but is not limited to, annual parent notification letters, quarterly ELAC meetings, and parent-teacher conferences. Expenditures associated with this action include the following: EL coordinator salary and benefits, EL coordinator stipend, EL instructional aide salary and benefits. The following expenditures will be funded by federal Title funds: • 3010 Title I 3500 Unemployment Insurance: $58.08 • 3010 Title I 3300 OASDI/Medicare: $168.43 • 3010 Title I 3100 STRS: $2,218.65 • 3010 Title I 1100 Teacher Salaries: $11,616						

Goal # Action #	Action Title and Description	Contributing	Implementation Level	Mid-year Outcome Data	Other Data/Evidence (qualitative, quantitative, artifacts)	Total Funds Budgeted	Mid-Year Expenditures
2.5	**Support for students with disabilities** Students with disabilities will receive services and supports as listed in their Individualized Education Programs (IEPs) (in addition to services they receive pertinent to low income, foster youth and English learner designations) in order to improve outcomes and close the achievement gap, including graduation rate and performance on statewide assessments. Students with disabilities will have access to all additional intervention and student support systems as outlined in Goal 2: Actions 3 and 4, as well as access to push-in and pull-out services, instructional aides, learning center services, and contracted services to provide each scholar with a Free and Appropriate Public Education in their least restrictive and most accessible learning environment. Students with disabilities dually identified as EL will have ELD goals in their IEPs in addition to goals addressing their specific areas of need based on their eligibility. Our SPED, EL, and general education teams will work in collaboration, monitor our scholars' progress toward IEP goal mastery, and provide progress reports to parents. In addition, all IEPs will be reviewed and present	No	Fully Implemented			$898,923.18	$450,295.44

Goal # Action #	Action Title and Description	Contributing	Implementation Level	Mid-year Outcome Data	Other Data/Evidence (qualitative, quantitative, artifacts)	Total Funds Budgeted	Mid-Year Expenditures
	levels will be updated during annual and triennial reviews as required by the IDEA. Expenditures associated with this action include the following: SPED coordinator and teacher salaries and benefits, paraprofessional salaries and benefits, school psychologist salary and benefits, SPED intern salaries and benefits, outsourced SPED services fees, and SPED instructional materials and technology. The following expenditures will be funded by federal Title funds: • (Non-personnel): Title IV, Part A ESEA (ESSA), Professional Services: $8,000 • (Non-personnel): Title I, Educational Software: $5,313						

Goal 3

Goal Description
INNOVATION: All students will have access to a well-rounded, 21st century education that supports their readiness for college and the global world under our second core pillar of Innovation. Each student will become an independent, innovative scholar by practicing Creativity and Adaptability in their learning, using technology and data-driven online learning, and demonstrating high-quality learning outcomes in myriad ways.

Expected Annual Measurable Objectives

Metric #	Metric	Baseline	Year 1 Outcome	Year 2 Outcome	Mid-Year Outcome Data	Desired Outcome for 2026-2027
3.1	Percentage of students enrolled in an Accelerated and/or Advanced Math course and/or Advanced Math club (Source: Local Indicator Priority 7, SIS)	2023-24: (As of 5/20/24) 16%			2024-25: (As of 1/24/25) 13.0%	2026-27: >= 10%
3.2	Percentage of students in the current graduating class who have taken a Computer/Technology course and/or experienced blended learning in their program of study (Source: Local Indicator Priority 7, SIS)	2023-24: (As of 5/20/24) 99%			2024-25: (As of 1/24/25) 100.0%	2026-27: >= 90%
3.3	Percentage of students who have created or demonstrated a STEAM focused project, experiment, model or demo in the current year (Source: Local Indicator Priority 7, SIS)	2023-24: (As of 5/20/24) 98%			2024-25: (As of 1/24/25) 100.0%	2026-27: >= 80%

Actions & Measuring and Reporting Results

Goal # Action #	Action Title and Description	Contributing	Implementation Level	Mid-year Outcome Data	Other Data/Evidence (qualitative, quantitative, artifacts)	Total Funds Budgeted	Mid-Year Expenditures
3.1	**College/Career readiness programs and activities** Charter School will promote a college-going culture through college visits, college/career days, and other college/career related activities.	Yes	Partially Implemented			$0.00	$0.00

Goal # Action #	Action Title and Description	Contributing	Implementation Level	Mid-year Outcome Data	Other Data/Evidence (qualitative, quantitative, artifacts)	Total Funds Budgeted	Mid-Year Expenditures
	Expenditures associated with this action include the following: college/career-related materials and activities. The following expenditures will be funded by federal Title funds: N/A						
3.2	**STEM and GATE programs** Charter School will offer STEAM and GATE programs and activities, including Accelerated/Advanced Math course and club. Students will be provided opportunities during the day and after school to create or demonstrate a STEAM focused project, experiment, model or demo. We will also provide information and access to quality out-of-school STEM activities and achievements. With CA Science Framework and NGSS integration, all our students will learn about engineering design, technology, and applications of science as part of their core classes. Furthermore, Charter School will design and implement computer science and engineering-related courses and activities, such as Code.org activities, Project Lead the Way (PLTW) programs, Robotics, etc. Gifted and talented students and students achieving above grade level will be engaged in all classes as teachers differentiate curriculum through adjustments of content through depth, complexity, and pacing. Emphasis will be on	Yes	Partially Implemented			$1,001.00	$511.51

Goal # Action #	Action Title and Description	Contributing	Implementation Level	Mid-year Outcome Data	Other Data/Evidence (qualitative, quantitative, artifacts)	Total Funds Budgeted	Mid-Year Expenditures
	innovation, critical thinking, and logical reasoning. Learners will be challenged to investigate, use problem-based learning, and research. Expenditures associated with this action include the following: supplemental STEM program fees. The following expenditures will be funded by federal Title funds: N/A						
3.3	**Digital literacy and citizenship programs** Charter School will educate our students and staff in digital literacy so that they adapt, create, consume, and connect in productive, responsible ways to utilize technology in academic, social, and professional settings. Charter School will offer Computer/Digital Literacy classes and/or blended learning experiences for our students. Teachers will incorporate appropriate technology into lessons to support student learning and technology will be kept up to date. Students will be provided with opportunities to expand their literacy, computational, and communication skills with digital media; they will be writing advanced essays, conducting internet research, engaging in data collection, presenting ideas and drawing conclusions. Charter	Yes	Fully Implemented			$8,720.35	$4,456.10

Goal # Action #	Action Title and Description	Contributing	Implementation Level	Mid-year Outcome Data	Other Data/Evidence (qualitative, quantitative, artifacts)	Total Funds Budgeted	Mid-Year Expenditures
	School staff will teach and model safe, savvy, and social digital citizenship; topics may include, but are not limited to, using technology applications, including Artificial Intelligence (AI); digital footprint, privacy, and security; digital rights and responsibilities; using social media responsibly and digital etiquette. As our students gain the ability to navigate computing systems, utilize networks and the internet responsibly, analyze and interpret data with an antibias lens, solve problems using algorithms and programming, and carefully consider the ethics of computing technologies, they will become informed digital citizens who can leverage AI and other technologies to promote social justice and equity. Expenditures associated with this action include the following: computer teacher salary and benefits, and internet security program fees. The following expenditures will be funded by federal Title funds: • Educational Software: Resource: Title IV, Part A, Amount: $3,000						
3.4	**Physical education, activity, and fitness** Charter School will provide students with physical education, using an	Yes	Fully Implemented			$385,446.90	$189,188.44

Goal # Action #	Action Title and Description	Contributing	Implementation Level	Mid-year Outcome Data	Other Data/Evidence (qualitative, quantitative, artifacts)	Total Funds Budgeted	Mid-Year Expenditures
	age-appropriate, sequential PE curriculum consistent with state standards for PE. The curriculum will promote the benefits of a physically active lifestyle and will help students develop skills to engage in lifelong healthy habits, as well as incorporate essential health education concepts. Charter School will offer recess before lunch and students will be provided with periodic opportunities to be active or to stretch throughout the day on all or most days during a typical school week. To the extent practicable, Charter School will ensure that its grounds and facilities are safe, and that equipment is available to students to be active. Charter School will offer opportunities for students to participate in physical activity either before and/or after the school day (or both) through a variety of methods such as physical activity/sports clubs, intramurals or interscholastic sports, etc. Charter School will adhere to the MPS Wellness Policy guidelines on physical education, activity, and fitness. Expenditures associated with this action include the following: PE/Health teacher salary and benefits and physical activity, fitness, and equipment expenses. The following expenditures will be funded by federal Title funds: • 3010 Title I 3500 Unemployment Insurance: $200.53						

Goal # Action #	Action Title and Description	Contributing	Implementation Level	Mid-year Outcome Data	Other Data/Evidence (qualitative, quantitative, artifacts)	Total Funds Budgeted	Mid-Year Expenditures
	• 3010 Title I 3400 Health & Welfare Benefits: 3,594.32 • 3010 Title I 3300 OASDI/Medicare: $581.53 • 3010 Title I 3100 STRS: $7,660.24 • 3010 Title I 1100 Teacher Salaries: $40,106						
3.5	**Additional programs and activities that support well-rounded education** To provide well-rounded education to our students, Charter School will strive to offer additional programs such as elective courses, arts, music, civics, languages other than English (LOTE), clubs, etc. Arts instruction focuses on developing students' creativity, imagination, discipline and self-expression through drawing and fine arts. It is important that all our students, particularly unduplicated students, are provided with experiential learning opportunities, including but not limited to, instructional field trips, internships, community service programs, clubs, etc. Charter School teachers and other staff will offer after school clubs for enrichment in the areas of, including, but not limited to, STEM (science, technology, engineering, math), ELA, LOTE, culture, sports, visual and performing arts,	Yes	Fully Implemented			$908,911.75	$432,172.17

Goal # Action #	Action Title and Description	Contributing	Implementation Level	Mid-year Outcome Data	Other Data/Evidence (qualitative, quantitative, artifacts)	Total Funds Budgeted	Mid-Year Expenditures
	community service, leadership, and others. In addition to these clubs, the Charter School's Expanded Learning Opportunities Program (ELO-P) will support afterschool and summer enrichment programs in science, robotics, advanced math, academic competitions, journalism, college mentorship, and other areas. Expenditures associated with this action include the following: teacher salaries and benefits for additional programs that support well-rounded education, supplemental materials, field trip expenses, and afterschool/club expenses. The following expenditures will be funded by federal Title funds: N/A						

Goal 4

Goal Description
CONNECTION: All students, families, staff, and other educational partners will experience our third core pillar, Connection, and have access to meaningful engagement opportunities that help cultivate Effective Communication and Global Citizenship in a safe and nurturing environment. Educational partners will feel a sense of community and connectedness.

Expected Annual Measurable Objectives

Metric #	Metric	Baseline	Year 1 Outcome	Year 2 Outcome	Mid-Year Outcome Data	Desired Outcome for 2026-2027
4.1	Number of Parent Advisory Committee (PAC) meetings per year (Source: Local Indicator Priority 3)	2023-24: 8			2024-25: (As of 1/24/25) 3	2026-27: >= 8

Actions & Measuring and Reporting Results

Goal # Action #	Action Title and Description	Contributing	Implementation Level	Mid-year Outcome Data	Other Data/Evidence (qualitative, quantitative, artifacts)	Total Funds Budgeted	Mid-Year Expenditures
4.1	**Seeking family input for decision-making** Charter School will build the capacity of and support administrators, teachers and staff in order to build the capacity of and support family members to effectively engage in advisory groups and decision-making. Charter School will provide all families with opportunities to provide input on policies and programs, and implement Community School strategies to reach and seek input from any underrepresented groups in the school community. Some periodic information/input sessions for families include, but are not limited to, Board of Directors meetings, Parent Advisory Committee (PAC) meetings, English Learner Advisory Committee (ELAC) meetings, Parent Task Force (PTF) meetings, and Coffee with the Principal meetings. The PAC will be composed of majority of parents of pupils and include parents/guardians of ELs, low-income, foster youth, and students with disabilities. Parents, teachers, staff, students, and community	Yes	Fully Implemented			$275.00	$140.53

Goal # Action #	Action Title and Description	Contributing	Implementation Level	Mid-year Outcome Data	Other Data/Evidence (qualitative, quantitative, artifacts)	Total Funds Budgeted	Mid-Year Expenditures
	members are encouraged and empowered to join school committees, including the PAC and ELAC. Such committees provide for representation of students in need (low income, EL, foster youth, students with disabilities, etc.) Feedback from our educational partners provide valuable input for the LCAP and continuous school improvement. Charter School chooses to utilize the LCAP to serve as the SPSA and holds an annual meeting to inform parents and collect feedback about LCAP goals and actions, data and needs assessment, Title-funded activities and budgets, UCP, parent and family engagement policy and school-student-parent compact. In addition, as explained in Goal 4: Action 4, Charter School will conduct family surveys to seek feedback on school improvement. Expenditures associated with this action include the following: parent meeting expenses and Document Tracking Services (DTS) fees and stipends for staff participation/service to SSC, ELAC, and Board Meetings. The following expenditures will be funded by federal Title funds: N/A						
4.2	**Building relationships and partnerships with families for student outcomes**	Yes	Fully Implemented			$240,328.27	$119,162.63

Goal # Action #	Action Title and Description	Contributing	Implementation Level	Mid-year Outcome Data	Other Data/Evidence (qualitative, quantitative, artifacts)	Total Funds Budgeted	Mid-Year Expenditures
	Charter School will develop the capacity of staff to build trusting and respectful relationships with families and create welcoming environments for all families in the community. Our staff will learn about each family's strengths, cultures, languages, and goals for their children. We will promote participation in activities/events, including Student/Parent Orientation, Back to School Night, and parent conferences. Administrators will greet all students and parents in the mornings during student drop off and have an open-door policy welcoming all parents. We will provide professional learning and support to staff to improve capacity to partner with families and to provide families with information and resources to support student learning and development in the home. Charter School will provide parents with access to course materials, homework assignments, projects, and records of students' grades through our SIS. Charter School will communicate further with the parents of students who are performing below grade level. Our teachers, administrators, and classified staff will visit students at their homes to discuss student progress and enhance student learning and involvement. Charter School will also support families to understand and exercise their legal rights and advocate for their own students and all students. Charter School will schedule annual workshops for parents as well as						

Goal # Action #	Action Title and Description	Contributing	Implementation Level	Mid-year Outcome Data	Other Data/Evidence (qualitative, quantitative, artifacts)	Total Funds Budgeted	Mid-Year Expenditures
	additional workshops for parents of EL and immigrant students. Topics to be covered include, but are not limited to, the school's EL Master Plan, stages of language acquisition, state testing, college application, using SIS to check student progress, study habits, and family literacy. Charter School will use a variety of communication channels to connect with families in a language that is understandable and accessible to them. A parent communication software will be utilized for voice and text communications, email, and push notifications. We will provide language translators at parent meetings to the extent practicable. Expenditures associated with this action include the following: Infinite Campus SIS fees, ParentSquare software fees, SchoolMint software fees, home-visit compensation, parent activity/event expenses, Parent Education Bridge program fees, Pitney Bowes expenses, and Office manager/Administrative assistant salaries and benefits. The following expenditures will be funded by federal Title funds: • 3010 Title I 5800 Professional Services: $7,500 • 3010 Title I 3500 Unemployment Insurance: $115 • 3010 Title I 3300 OASDI/Medicare: $333.5 • 3010 Title I 3100 STRS: $4,393						

Goal # Action #	Action Title and Description	Contributing	Implementation Level	Mid-year Outcome Data	Other Data/Evidence (qualitative, quantitative, artifacts)	Total Funds Budgeted	Mid-Year Expenditures
	• 3010 Title I 1100 Teacher Salaries: $23,000						
4.3	**MTSS - PBIS and SEL support** Charter School will provide a safe, nurturing, and engaging learning environment for all our students and families. Academic and social-emotional support will be provided to address student needs as well as instructional materials including free uniforms. Students who are homeless, experiencing housing instability, are in foster care or experiencing personal/family crisis or have other special needs will be cared for in our supportive school community. Charter School will offer a SEL/Life Skills program that provides students with valuable skills to support academic excellence and social skill development. We will annually assess our suspension/expulsion policies and procedures and implement alternatives to suspension/expulsion, including restorative practices. Teachers will establish classroom management procedures, foster positive relationships, and help create an atmosphere of trust, respect, and high expectations. Charter School will implement a positive and equitable student responsibility and behavior system with teaching, intervention and prevention strategies and protocols that are	Yes	Fully Implemented			$386,203.58	$270,541.19

Goal # Action #	Action Title and Description	Contributing	Implementation Level	Mid-year Outcome Data	Other Data/Evidence (qualitative, quantitative, artifacts)	Total Funds Budgeted	Mid-Year Expenditures
	clear, fair, incremental, restorative, and culturally responsive. Charter School will celebrate student and school achievements and organize recognition assemblies and other schoolwide culture-building activities. Charter School will inform parents and students of attendance policies specified in the Student/Parent Handbook and encourage and support student attendance. Charter School will also implement the CORE DISTRICTS SEL Survey instrument in the fall and spring annually to assess the following social-emotional competencies: growth mindset, self-efficacy, self-management, and social awareness. As part of our MTSS efforts, school leadership, teachers, and support staff will analyze student SEL survey results in the fall to provide our students with targeted social-emotional support and then measure student responses again in the spring to measure growth, identify greatest progress and needs in order to inform our next steps. Expenditures associated with this action include the following: Dean of Students salary and benefits, discipline coordinator salary and benefits, office/attendance clerk salaries and benefits, school uniform expenses, PD on classroom management, PBIS, and SEL support, SEL program fees, outsourced SEL services fees, and additional services for homeless students.						

Goal # Action #	Action Title and Description	Contributing	Implementation Level	Mid-year Outcome Data	Other Data/Evidence (qualitative, quantitative, artifacts)	Total Funds Budgeted	Mid-Year Expenditures
	The following expenditures will be funded by federal Title funds: • 3010 Title I 4310 Ins Mats & Sups: $4,053 • 3010 Title I 4340 Educational Software: $9,900						
4.4	**Annual educational partner surveys** Charter School will annually administer school experience surveys to students, families, and staff. Charter School will implement the CORE DISTRICTS Survey instrument to assess our educational partners' perceptions of the following school climate indicators: climate of support for academic learning; knowledge and fairness of discipline, rules and norms; safety; and sense of belonging (school connectedness). In addition, we ask our educational partners open-ended questions about what they like the best about the school and suggestions for improvement. This feedback instrument provides all staff and school leaders with valuable information about how students see their classes, how much parents are involved, how supported staff feel and how to facilitate improvement. Our staff will analyze the survey results to identify the greatest progress and needs in order to inform our next steps.	Yes	Fully Implemented			$2,000.00	$1,022.00

Goal # Action #	Action Title and Description	Contributing	Implementation Level	Mid-year Outcome Data	Other Data/Evidence (qualitative, quantitative, artifacts)	Total Funds Budgeted	Mid-Year Expenditures
	Expenditures associated with this action include the following: Panorama Education survey fees. The following expenditures will be funded by federal Title funds: • 3010 Title I 5800 Professional Services: $2,000						
4.5	**Community outreach and partnerships** Charter School will establish community, business, institutional and civic partnerships that invest in and support the vision and goals of the school. School staff will participate in local activities that engage community members and staff in communicating school successes to the broader community. Charter School will secure community support to sustain existing resources and add new resources that address emerging student needs. Charter School leadership will actively develop relationships with a range of educational partners, policymakers, and researchers to identify and address issues, trends, and potential changes that affect the context and conduct of education. Expenditures associated with this action include the following:	Yes	Fully Implemented			$376,131.74	$147,907.22

Goal # Action #	Action Title and Description	Contributing	Implementation Level	Mid-year Outcome Data	Other Data/Evidence (qualitative, quantitative, artifacts)	Total Funds Budgeted	Mid-Year Expenditures
	Community Schools Coordinator salary and benefits, membership fees (CCSA, WASC, etc.), marketing, branding, outreach, and partnership expenses. The following expenditures will be funded by federal Title funds: N/A						

Impact to the Budget Overview for Parents

Item	As adopted in Budget Overview for Parents	Mid-Year Update
Total LCFF Funds	$5,034,003.00	$2,572,376.00
LCFF Supplemental/Concentration Grants	$1,326,697.00	$677,942.00

Monitoring Goals, Actions, and Resources for the 2024-25 Local Control and Accountability Plan (LCAP)

This template is intended for internal monitoring purposes only. The 2024-25 LCAP template and instructions should be consulted when completing required documents.

(6) (A) The superintendent of the school district shall present a report on the annual update to the local control and accountability plan and the local control funding formula budget overview for parents on or before February 28 of each year at a regularly scheduled meeting of the governing board of the school district. (B) The report shall include both of the following: (i) All available midyear outcome data related to metrics identified in the current year's local control and accountability plan. (ii) All available midyear expenditure and implementation data on all actions identified in the current year's local control and accountability plan.

Goal 1

Goal Description
BASIC SERVICES FOR A HIGH-QUALITY LEARNING ENVIRONMENT: All students and staff will have access to a safe, secure, healthy, and high-quality learning and working environment. Students will receive high-quality services that are fundamental to academic success, including fully credentialed teachers, standards-aligned and high-quality instructional materials, and appropriately maintained school facilities.

Expected Annual Measurable Objectives

Metric #	Metric	Baseline	Year 1 Outcome	Year 2 Outcome	Mid-Year Outcome Data	Desired Outcome for 2026-2027
1.1	The percentage of teaching assignments that have an assignment monitoring outcome of "clear" (Source: Local Indicator Priority 1, CDE DataQuest TAMO by FTE Report)	2021-22: 90.6%			2022-23: 88.8%	2024-25: > 85%
1.2	Percentage of students without access to their own copies of standards-aligned instructional materials for use at school and at home (Source: Local Indicator Priority 1)	2023-24: 0%			2024-25 (As of 1/24/25): 0%	2026-27: 0%
1.3	Number of identified instances where facilities do not meet the “good repair” standard (including deficiencies and extreme deficiencies) (Source: Local Indicator Priority 1)	2023-24: 0			2024-25 (As of 1/24/25): 0	2026-27: 0
1.4	Teacher retention rate (Source: HRIS)	2023-24: (Fall 2022 to Fall 2023) 75%			2024-25: (Fall 2023 to Fall 20224) 79%	2026-27: (Fall 2025 to Fall 2026) >= 80%
1.5	Teacher attendance rate (Source: HRIS)	2023-24: (As of 5/15/24) 95.0%			2024-25: (First Semester) 96.5%	2026-27: >= 95.0%

Actions & Measuring and Reporting Results

Goal # Action #	Action Title and Description	Contributing	Implementation Level	Mid-year Outcome Data	Other Data/Evidence (qualitative, quantitative, artifacts)	Total Funds Budgeted	Mid-Year Expenditures
1.1	**Teacher assignments and credentials** Charter School and the MPS Human Resources team will conduct credential, background, and TB clearance reviews as part of the hiring process and at least once throughout the year to ensure all credentials are properly maintained. Charter School will support our teachers' credentialing needs. Charter School will also annually review master schedules and teacher assignments to ensure teachers are appropriately assigned and fully credentialed in the subject area and for the students they are teaching. Charter School uses a Human Resources Information System (HRIS) to automate employee documents. MPS Home Office HR team acts as a liaison between employees and provides administrative support as needed (e.g., correspondence generation, record keeping, file maintenance, HRIS entry, etc.) The HR team also provides reports to the Board and school administrators in regards to teacher retention, performance, pay scale, vacancies, recruitment efforts, credentials, mandatory trainings, and other HR related matters. Expenditures associated with this action include the following: teacher credentialing expenses, recruitment expenses (sign-in bonus, livescan/fingerprinting fees, etc.), Paycom/payroll fees, retirement service fees, and performance pay.	No	Partially Implemented			$38,425.00	$19,635.18

Goal # Action #	Action Title and Description	Contributing	Implementation Level	Mid-year Outcome Data	Other Data/Evidence (qualitative, quantitative, artifacts)	Total Funds Budgeted	Mid-Year Expenditures
	The following expenditures will be funded by federal Title funds: N/A						
1.2	**Instructional materials and technology** Charter School will manage the acquisition, distribution, and maintenance of equipment, materials, and technology needed to meet the academic, linguistic, cultural, social-emotional, and physical requirements of students. Charter School will annually review alignment of instructional materials to standards and maintain an inventory of instructional materials and corresponding purchases of materials. Charter School will annually review budgets and plans to ensure adequate budget for instructional materials. Charter School will ensure that students have sufficient access to standards-aligned instructional materials, including technology-based resources. Charter School will provide effective access and integration of technology resources, including software and mobile devices, that ensure meaningful access to CA Content Standards aligned instructional programs. Expenditures associated with this action include the following: textbooks, instructional materials and supplies, teacher/classroom supplies and office materials, computers, Chromebooks,	No	Partially Implemented			$888,374.78	$493,273.09

Goal # Action #	Action Title and Description	Contributing	Implementation Level	Mid-year Outcome Data	Other Data/Evidence (qualitative, quantitative, artifacts)	Total Funds Budgeted	Mid-Year Expenditures
	hotspots, and other technology equipment, IT manager salary and benefits, E-Rate consultancy, and basic software (Zendesk, AssetWorks, firewall, Datto, CloudReady, Zoom, GoGuardian, etc.), phone/internet, and depreciation. The following expenditures will be funded by federal Title funds: • Non personnel Federal Resource 4035 Title II 5940 Technology $963.54						
1.3	**Clean and safe facilities that support learning** Charter School will strive to maintain a clean, safe, environmentally friendly, and inviting school that is worthy of our students, families, and staff and encourages successful teaching and learning. Charter School will continually improve and maintain facilities to ensure school safety, security and high quality learning and working environments. Charter School will do annual and monthly facility inspections to screen for ADA compliance and safety hazards; identified deficiencies will be quickly remedied. Daily general cleaning will maintain campus cleanliness. Maintenance and repairs will be provided by Charter School custodial staff and/or outsourced. As a STEAM focused	No	Partially Implemented			$596,530.40	$303,737.71

Goal # Action #	Action Title and Description	Contributing	Implementation Level	Mid-year Outcome Data	Other Data/Evidence (qualitative, quantitative, artifacts)	Total Funds Budgeted	Mid-Year Expenditures
	school, we aim to operate in a sustainable and environmentally responsible manner. Charter School will develop and monitor comprehensive safety and security plans, conduct necessary safety training for all staff and continue to work with stakeholders and experts to implement emergency and risk management procedures for individuals and the site. Charter School will procure and maintain necessary safety/emergency supplies, equipment and items. Charter School will establish schedules and procedures for the supervision of students in non-classroom areas, including before and after school. Expenditures associated with this action include the following: facilities rent/acquisition cost, custodial staff salaries and benefits, custodial supplies, maintenance and repair services, gas/electric, security services, health and safety related expenses (PPE, nursing services, etc.), and insurance costs (workers compensation, CharterSAFE, etc.) The following expenditures will be funded by federal Title funds: N/A						
1.4	**Healthy and nutritious meals** Charter School will maintain nutrition education resources and continue to focus on innovative	Yes	Partially Implemented			$52,677.03	$26,917.96

Goal # Action #	Action Title and Description	Contributing	Implementation Level	Mid-year Outcome Data	Other Data/Evidence (qualitative, quantitative, artifacts)	Total Funds Budgeted	Mid-Year Expenditures
	ways to increase access to freshly prepared, nutritious foods to ensure students are well-nourished and ready to learn. Charter School will adhere to the MPS Wellness Policy guidelines on nutritious foods for all food sales and celebrations. The meal program aims to improve the diet and health of our students, help mitigate childhood obesity, model healthy eating to support the development of lifelong healthy eating patterns and support healthy choices while accommodating cultural food preferences and special dietary needs. Charter School will promote healthy food and beverage choices for all students throughout campus, as well as encourage participation in school meal programs. Expenditures associated with this action include the following: student meals, water, and refreshments. The following expenditures will be funded by federal Title funds: N/A						
1.5	**Well-orchestrated Home Office support services** The MPS Home Office provides services to the Charter School, supports and holds accountable the Charter School for compliance and meeting charter goals, provides best practices in curriculum and professional development, and sets up systems and processes that	No	Partially Implemented			$1,277,548.35	$611,303.68

Goal # Action #	Action Title and Description	Contributing	Implementation Level	Mid-year Outcome Data	Other Data/Evidence (qualitative, quantitative, artifacts)	Total Funds Budgeted	Mid-Year Expenditures
	support academic achievement and growth, operational effectiveness, and financial sustainability. The Home Office manages business operations of schools, which reduces program and operations-related burdens of the Charter School administration and enables the Charter School to receive services at a lower cost. The services of the Home Office include, but are not limited to, academics, accountability, operations, IT, facilities, finance and accounting, human resources, and external relations. Instructional services are reflected in Goals 2-4. Expenditures associated with this action include the following: Home Office management fees, authorizer oversight fees, audit fees, bank fees, legal fees (YM&C, etc.), and other back-office related expenses (Adaptive Insights, DataWorks, etc.) The following expenditures will be funded by federal Title funds: • Professional Services paid with Title I: $21,140						

Goal 2

Goal Description
EXCELLENCE: Under our first core pillar of Excellence, all students will have equitable access to a high-quality core curricular and instructional program and make academic progress in alignment with California content standards (CCSS, NGSS, etc.) through our data-driven, differentiated and engaging learning program. Students will develop competencies aligned with our "Graduate Profile," including Literacy with a Learner's Mindset and Critical Thinking skills as they pursue academic excellence.

Expected Annual Measurable Objectives

Metric #	Metric	Baseline	Year 1 Outcome	Year 2 Outcome	Mid-Year Outcome Data	Desired Outcome for 2026-2027
2.1	Percentage of students who have sufficient access to all programs and services, as applicable, including the programs and services developed and provided to unduplicated students and to individuals with exceptional needs, and the programs that are provided to benefit these students (Source: Local Indicator Priority 7, SIS)	2023-24: 100%			2024-25: (As of 1/24/25) 100%	2026-27: 100%

Actions & Measuring and Reporting Results

Goal # Action #	Action Title and Description	Contributing	Implementation Level	Mid-year Outcome Data	Other Data/Evidence (qualitative, quantitative, artifacts)	Total Funds Budgeted	Mid-Year Expenditures
2.1	**Broad course of study and standards based curriculum** Charter School will provide students with a broad array of courses including core subjects (English, mathematics, social sciences, and science) and electives. Charter	No	Partially Implemented			$2,845,887.83	$1,482,203.31

Goal # Action #	Action Title and Description	Contributing	Implementation Level	Mid-year Outcome Data	Other Data/Evidence (qualitative, quantitative, artifacts)	Total Funds Budgeted	Mid-Year Expenditures
	School will also provide all other academic programs and services outlined in its charter petition, certain programs and services being dependent on student need and interest. Charter School will design its master schedule to meet the needs of its students to ensure all academic content areas are available to all students, including student groups. All students will participate in a rigorous, relevant, and coherent standards-based curriculum that supports the achievement of the schoolwide learner outcomes, academic standards, and college- and career-readiness standards. The school will be appropriately staffed to implement the school master schedule. Expenditures associated with this action include the following: teacher salaries and benefits, principal salary and benefits, and substitute teacher expenses. The following expenditures will be funded by federal Title funds: N/A						
2.2	**Professional development for high-quality instruction** Professional development will occur at the MPS organizational level and within the school. Charter School will ensure curricula, instruction, and assessments are aligned to the standards and that teachers	Yes	Partially Implemented			$93,801.06	$47,932.34

Goal # Action #	Action Title and Description	Contributing	Implementation Level	Mid-year Outcome Data	Other Data/Evidence (qualitative, quantitative, artifacts)	Total Funds Budgeted	Mid-Year Expenditures
	participate in professional development on the implementation of standards (CCSS, NGSS, etc.) In addition to ongoing professional development activities that support efforts to increase student academic performance, all staff will be provided with multiple opportunities to grow professionally through induction processes, regular collaboration with colleagues, and curricular support. This involves instructional leadership, common walkthrough protocols, and professional feedback to promote a cycle of continuous improvement, as well as supports for high quality delivery of the program that enables differentiation, particularly for unduplicated students and students with exceptional needs. Instructional leaders at the school and at the Home Office will assess staff professional development needs through formal and informal performance observation, surveys, and student performance data. Based on the data, combined with LCAP goals and the MPS Home Office high quality instruction guidelines, the instructional leaders will determine common staff development days and tailor staff development to individual staff needs. Expenditures associated with this action include the following: professional development, tuition reimbursement, and TeachBoost/SchoolMint Grow software fees.						

Goal # Action #	Action Title and Description	Contributing	Implementation Level	Mid-year Outcome Data	Other Data/Evidence (qualitative, quantitative, artifacts)	Total Funds Budgeted	Mid-Year Expenditures
	The following expenditures will be funded by federal Title funds: • Non Personnel Federal 4035 Title II 5864 Prof. Dev-Other $27,295						
2.3	**MTSS - Academic enrichment, intervention, and student support** Charter School will implement MTSS as a systemic, continuous improvement framework in which data-based problem-solving and decision making is practiced across all levels of the educational system for supporting students. Charter School will synthesize CAASPP and MAP student achievement and growth data, as well as course grades, and other state and internal assessment scores, into reports and regularly review progress towards targets. Targeted interventions will be utilized to create a high-quality differentiated environment where students are supported to engage at their optimal levels. Charter School will provide additional supports and interventions to all students, including but not limited to, 1-1 or small group interventions, targeted support via evidence-based supplemental intervention/enrichment materials and technology (reading, math, etc.), co-taught classes, Power English/Power Math classes, Study	Yes	Partially Implemented			$665,499.37	$346,637.13

Goal # Action #	Action Title and Description	Contributing	Implementation Level	Mid-year Outcome Data	Other Data/Evidence (qualitative, quantitative, artifacts)	Total Funds Budgeted	Mid-Year Expenditures
	Skills, additional support during SSR/Advisory, before and after school tutoring, Saturday classes, and summer programs. SSPT, 504, and other support meetings will be coordinated among teachers and support roles (resource teachers, EL coordinator, department chairs, etc.) Expenditures associated with this action include the following: Dean of Academics salary and benefits, Title-I coordinator salary and benefits, instructional aide salaries and benefits, intervention teacher salaries and benefits, teacher stipends for after school, Saturday school, and summer school, NWEA MAP testing fees, Infinite Campus fees, and evidence-based supplemental intervention/enrichment program fees (Edgenuity, ALEKS, IXL, Accelerated Reader, Standards Plus, Quizizz, Padlet, BrainPOP, NextGenMath, Spelling City, Seesaw, and MyON.) The following expenditures will be funded by federal Title funds: • Non personnel 4127 Title IV, Part A 4340 Educational Software $3,353.84 • Non personnel 3010 Title I 4340 Educational Software $53,718.37 • Personnel 3010 Title I: Teacher Salaries and Benefits: $143,757.78						

Goal # Action #	Action Title and Description	Contributing	Implementation Level	Mid-year Outcome Data	Other Data/Evidence (qualitative, quantitative, artifacts)	Total Funds Budgeted	Mid-Year Expenditures
2.4	**Designated and integrated ELD programs and support for ELs** Charter School will provide services to ELs, including newcomers and LTELs, by proficiency level and provide ELD instruction aligned to the CA ELD standards and framework. Charter School will provide our ELs with core and supplemental ELD instructional materials and provide our teachers with PD focused on ELD standards. Our EL coordinator will monitor EL student progress in program implementation according to our EL Master Plan. Charter School teachers will provide instruction using designated and integrated ELD instructional strategies as outlined in the CHATS framework (and other research-based strategies such as SDAIE) to all students, including ELs. Charter School will provide culturally and linguistically relevant materials for students. ELs will receive further in-class instructional support which includes one-on-one teacher support and small group instruction. Charter School will strive to provide bilingual instructional assistants to provide primary language support to enable students to access content area instruction while gaining language proficiency. Charter School will ensure that teachers participate in PD on ELD instructional strategies and CHATS framework. Charter School will provide regular and timely	Yes	Partially Implemented			$0.00	$0.00

Goal # Action #	Action Title and Description	Contributing	Implementation Level	Mid-year Outcome Data	Other Data/Evidence (qualitative, quantitative, artifacts)	Total Funds Budgeted	Mid-Year Expenditures
	communication with families of EL students, including newcomers and LTELs, regarding annual assessments, program supports and services, and students' progress toward reclassification. This notification will include, but is not limited to, annual parent notification letters, quarterly ELAC meetings, and parent-teacher conferences. Expenditures associated with this action include the following: EL coordinator salary and benefits, EL coordinator stipend, EL instructional aide salary and benefits. The following expenditures will be funded by federal Title funds: N/A						
2.5	**Support for students with disabilities** Students with disabilities will receive services and supports as listed in their Individualized Education Programs (IEPs) (in addition to services they receive pertinent to low income, foster youth and English learner designations) in order to improve outcomes and close the achievement gap, including graduation rate and performance on statewide assessments. Students with disabilities will have access to all additional intervention and student support systems as outlined in Goal 2: Actions 3 and 4, as well	No	Partially Implemented			$999,743.50	$525,117.92

Goal # Action #	Action Title and Description	Contributing	Implementation Level	Mid-year Outcome Data	Other Data/Evidence (qualitative, quantitative, artifacts)	Total Funds Budgeted	Mid-Year Expenditures
	as access to push-in and pull-out services, instructional aides, learning center services, and contracted services to provide each scholar with a Free and Appropriate Public Education in their least restrictive and most accessible learning environment. Students with disabilities dually identified as EL will have ELD goals in their IEPs in addition to goals addressing their specific areas of need based on their eligibility. Our SPED, EL, and general education teams will work in collaboration, monitor our scholars' progress toward IEP goal mastery, and provide progress reports to parents. In addition, all IEPs will be reviewed and present levels will be updated during annual and triennial reviews as required by the IDEA. Expenditures associated with this action include the following: SPED coordinator and teacher salaries and benefits, paraprofessional salaries and benefits, school psychologist salary and benefits, SPED intern salaries and benefits, outsourced SPED services fees, and SPED instructional materials and technology. The following expenditures will be funded by federal Title funds: N/A						

Goal 3

Goal Description
INNOVATION: All students will have access to a well-rounded, 21st century education that supports their readiness for college and the global world under our second core pillar of Innovation. Each student will become an independent, innovative scholar by practicing Creativity and Adaptability in their learning, using technology and data-driven online learning, and demonstrating high-quality learning outcomes in myriad ways.

Expected Annual Measurable Objectives

Metric #	Metric	Baseline	Year 1 Outcome	Year 2 Outcome	Mid-Year Outcome Data	Desired Outcome for 2026-2027
3.1	Percentage of students enrolled in an Accelerated and/or Advanced Math course and/or Advanced Math club (Source: Local Indicator Priority 7, SIS)	2023-24: (As of 5/20/24) 10%			2024-25: (As of 1/24/25) 18.0%	2026-27: >= 10%
3.2	Percentage of students in the current graduating class who have taken a Computer/Technology course and/or experienced blended learning in their program of study (Source: Local Indicator Priority 7, SIS)	2023-24: (As of 5/20/24) 97%			2024-25: (As of 1/24/25) 100.0%	2026-27: >= 90%
3.3	Percentage of students who have created or demonstrated a STEAM focused project, experiment, model or demo in the current year (Source: Local Indicator Priority 7, SIS)	2023-24: (As of 5/20/24) 94%			2024-25: (As of 1/24/25) 56.0%	2026-27: >= 80%
3.4	Percentage of students in the current year College Career Indicator (CCI) who earned Prepared on the CCI (Source: CA School Dashboard)	2022-23: (2023 Dashboard) 72.4%			2024-25: (As of 1/24/25) 75.0%	2025-26: (2026 Dashboard) >= 55.0%
3.5	Percentage of students who have demonstrated college preparedness pursuant to the Early Assessment Program (EAP), as measured by meeting or exceeding standard on the CAASPP-ELA/Literacy assessments in Grade 11 (Source: CDE DataQuest)	2022-23: 61.11%			2024-25: (As of 1/24/25) 76.14%	2025-26: >= 55.00%
3.6	Percentage of students who have demonstrated college preparedness pursuant to the	2022-23: 33.33%			2024-25: (As of 1/24/25) 51.09%	2025-26: >= 35.00%

Metric #	Metric	Baseline	Year 1 Outcome	Year 2 Outcome	Mid-Year Outcome Data	Desired Outcome for 2026-2027
	Early Assessment Program (EAP), as measured by meeting or exceeding standard on the CAASPP-Mathematics assessments in Grade 11 (Source: CDE DataQuest)					
3.7	Percentage of all AP exam takers in the current year with a score of 3 or higher (Source: College Board)	2022-23: 56.0%			2023-24: 66.3%	2025-26: >= 55.0%
3.8	Percentage of seniors who have passed an AP exam with a score of 3 or higher during their high school years (Source: College Board)	2022-23: 27.6%			2023-24: 47.2%	2025-26: >= 55.0%
3.9	Percentage of seniors who have completed at least two semesters of college coursework with a grade of C minus or better in academic/CTE subjects where college credit is awarded (Source: CA School Dashboard, SIS)	2022-23: (2023 Dashboard) 27.6%			2023-24: (2024 Dashboard) 54.3%	2025-26: (2026 Dashboard) >= 35.0%
3.10	Percentage of cohort graduates who have successfully completed courses that satisfy the requirements for entrance to the UC/CSU (Source: CA School Dashboard, CDE DataQuest, CALPADS)	2022-23 (2023 Dashboard): 100.0%			2024-25: (As of 1/24/25) 86.1%	2025-26: (2026 Dashboard) >= 90.0%
3.11	Percentage of cohort graduates who have successfully completed courses that satisfy the requirements for CTE sequences or programs of study that align with state board-approved CTE standards and frameworks (Source: CA School Dashboard, CALPADS)	2022-23: (2023 Dashboard) 0.00%			2024-25: (As of 1/24/25) 0.00%	2025-26: (2026 Dashboard) >= 10.0%
3.12	Percentage of cohort graduates who have successfully completed both types of courses: courses that satisfy the requirements for entrance to the UC/CSU and courses that satisfy the requirements for CTE sequences	2022-23: (2023 Dashboard) 0.00%			2024-25: (As of 1/24/25) 0.00%	2025-26: (2026 Dashboard) >= 10.0%

Metric #	Metric	Baseline	Year 1 Outcome	Year 2 Outcome	Mid-Year Outcome Data	Desired Outcome for 2026-2027
	or programs of study that align with state board-approved CTE standards and frameworks (Source: CA School Dashboard, CALPADS)					
3.13	Percentage of cohort graduates who have earned a Seal of Biliteracy (Source: CDE DataQuest, CALPADS)	2022-23 (CDE DataQuest): 20.7%			2024-25: (As of 1/24/25) 16.7%	2025-26: (CDE DataQuest) >= 20.0%
3.14	Percentage of cohort graduates who have earned a Golden State Seal Merit Diploma (Source: CDE DataQuest, CALPADS)	2022-23 (CDE DataQuest): 34.5%			2024-25: (As of 1/24/25) 55.6%	2025-26: (CDE DataQuest) >= 30.0%
3.15	Percentage of cohort graduates who have earned an Advanced or Honors MPS Diploma (Source: SIS)	2023-24: 65.7%			2024-25: (As of 1/24/25) 77.8%	2026-27: >= 50.0%
3.16	Percentage of high school completers who have been accepted to a 4-year or 2-year college (Source: Naviance)	2023-24: 94%			Data will be available in May 2025.	2026-27: >= 90%
3.17	Percentage of high school completers who have been accepted to a 4-year college (Source: Naviance)	2023-24: 83%			Data will be available in May 2025.	2026-27: >= 60%
3.18	College-Going Rate (Source: CDE DataQuest)	Class of 2021: 75.0%			Class of 2022: 76.3%	Class of 2024: >= 60%

Actions & Measuring and Reporting Results

Goal # Action #	Action Title and Description	Contributing	Implementation Level	Mid-year Outcome Data	Other Data/Evidence (qualitative, quantitative, artifacts)	Total Funds Budgeted	Mid-Year Expenditures
3.1	**College/Career readiness programs and activities** Charter School will offer individual graduation plans, outlining the classes students will take during their high school years. Students will be provided credit recovery	Yes	Partially Implemented			$118,000.69	$52,976.78

Goal # Action #	Action Title and Description	Contributing	Implementation Level	Mid-year Outcome Data	Other Data/Evidence (qualitative, quantitative, artifacts)	Total Funds Budgeted	Mid-Year Expenditures
	opportunities and individualized support to ensure timely high school graduation. Charter School will offer Advisory and College Readiness classes and activities to support our students in the areas, including, but not limited to, college planning and career exploration, college application and financial aid submission. Charter School will provide students with opportunities to take Advanced Placement (AP) courses based on student needs and interests. Charter School will promote a college-going culture through dual and concurrent enrollment, AP courses, college visits, college/career days, and other college related activities. Charter School will also explore CTE options to provide students with opportunities to explore a career theme of interest while learning a set of technical and employability skills that integrate into or complement their academic studies. Expenditures associated with this action include the following: college counselor salary and benefits, AP teacher stipends, Naviance program fees, AP exam fees, AP course materials, and other college-related materials and activities. The following expenditures will be funded by federal Title funds: N/A						

Goal # Action #	Action Title and Description	Contributing	Implementation Level	Mid-year Outcome Data	Other Data/Evidence (qualitative, quantitative, artifacts)	Total Funds Budgeted	Mid-Year Expenditures
3.2	**STEM and GATE programs** Charter School will offer STEAM and GATE programs and activities, including Accelerated/Advanced Math course and club. Students will be provided opportunities during the day and after school to create or demonstrate a STEAM focused project, experiment, model or demo. We will also provide information and access to quality out-of-school STEM activities and achievements. With CA Science Framework and NGSS integration, all our students will learn about engineering design, technology, and applications of science as part of their core classes. Furthermore, Charter School will design and implement computer science and engineering-related courses and activities, such as AP Computer Science Principles, Code.org activities, Project Lead the Way (PLTW) programs, Robotics, etc. Gifted and talented students and students achieving above grade level will be engaged in all classes as teachers differentiate curriculum through adjustments of content through depth, complexity, and pacing. Emphasis will be on innovation, critical thinking, and logical reasoning. Learners will be challenged to investigate, use problem-based learning, and research. Expenditures associated with this action include the following: supplemental STEM program fees.	Yes	Partially Implemented			$636.00	$325.00

Goal # Action #	Action Title and Description	Contributing	Implementation Level	Mid-year Outcome Data	Other Data/Evidence (qualitative, quantitative, artifacts)	Total Funds Budgeted	Mid-Year Expenditures
	The following expenditures will be funded by federal Title funds: • 4340 Educational Software Resource: 4127 Title IV, Part A $636						
3.3	**Digital literacy and citizenship programs** Charter School will educate our students and staff in digital literacy so that they adapt, create, consume, and connect in productive, responsible ways to utilize technology in academic, social, and professional settings. Charter School will offer Computer/Digital Literacy classes and/or blended learning experiences for our students. Teachers will incorporate appropriate technology into lessons to support student learning and technology will be kept up to date. Students will be provided with opportunities to expand their literacy, computational, and communication skills with digital media; they will be writing advanced essays, conducting internet research, engaging in data collection, presenting ideas and drawing conclusions. Charter School staff will teach and model safe, savvy, and social digital citizenship; topics may include, but are not limited to, using technology applications, including Artificial	Yes	Partially Implemented			$292,985.58	$147,864.89

Goal # Action #	Action Title and Description	Contributing	Implementation Level	Mid-year Outcome Data	Other Data/Evidence (qualitative, quantitative, artifacts)	Total Funds Budgeted	Mid-Year Expenditures
	Intelligence (AI); digital footprint, privacy, and security; digital rights and responsibilities; using social media responsibly and digital etiquette. As our students gain the ability to navigate computing systems, utilize networks and the internet responsibly, analyze and interpret data with an antibias lens, solve problems using algorithms and programming, and carefully consider the ethics of computing technologies, they will become informed digital citizens who can leverage AI and other technologies to promote social justice and equity. Expenditures associated with this action include the following: computer teacher salary and benefits, internet security program fees, and digital literacy and citizenship program fees. The following expenditures will be funded by federal Title funds: • 4340 Educational Software Resource: 4127 Title IV, Part A $3,587.04						
3.4	**Physical education, activity, and fitness** Charter School will provide students with physical education, using an age-appropriate, sequential PE curriculum consistent with state standards for PE. The curriculum	Yes	Partially Implemented			$328,280.37	$157,154.01

Goal # Action #	Action Title and Description	Contributing	Implementation Level	Mid-year Outcome Data	Other Data/Evidence (qualitative, quantitative, artifacts)	Total Funds Budgeted	Mid-Year Expenditures
	will promote the benefits of a physically active lifestyle and will help students develop skills to engage in lifelong healthy habits, as well as incorporate essential health education concepts. Charter School will offer recess before lunch and students will be provided with periodic opportunities to be active or to stretch throughout the day on all or most days during a typical school week. To the extent practicable, Charter School will ensure that its grounds and facilities are safe, and that equipment is available to students to be active. Charter School will offer opportunities for students to participate in physical activity either before and/or after the school day (or both) through a variety of methods such as physical activity/sports clubs, intramurals or interscholastic sports, etc. Charter School will adhere to the MPS Wellness Policy guidelines on physical education, activity, and fitness. Expenditures associated with this action include the following: PE/Health teacher salary and benefits and physical activity, fitness, and equipment expenses. The following expenditures will be funded by federal Title funds: • Educational Software Resource: 4127 Title IV, Part A $424 • Certified Pupil Support Salary and Benefits: $9,693.51						

Goal # Action #	Action Title and Description	Contributing	Implementation Level	Mid-year Outcome Data	Other Data/Evidence (qualitative, quantitative, artifacts)	Total Funds Budgeted	Mid-Year Expenditures
3.5	**Additional programs and activities that support well-rounded education** To provide well-rounded education to our students, Charter School will strive to offer additional programs such as elective courses, arts, music, civics, languages other than English (LOTE), clubs, etc. Arts instruction focuses on developing students' creativity, imagination, discipline and self-expression through drawing and fine arts. It is important that all our students, particularly unduplicated students, are provided with experiential learning opportunities, including but not limited to, instructional field trips, internships, community service programs, clubs, etc. Charter School teachers and other staff will offer after school clubs for enrichment in the areas of, including, but not limited to, STEM (science, technology, engineering, math), ELA, LOTE, culture, sports, visual and performing arts, community service, leadership, and others. In addition to these clubs, the Charter School's Expanded Learning Opportunities Program (ELO-P) will support afterschool and summer enrichment programs in science, robotics, advanced math, academic competitions, journalism, college mentorship, and other areas.	Yes	Partially Implemented			$1,016,305.68	$440,440.69

Goal # Action #	Action Title and Description	Contributing	Implementation Level	Mid-year Outcome Data	Other Data/Evidence (qualitative, quantitative, artifacts)	Total Funds Budgeted	Mid-Year Expenditures
	Expenditures associated with this action include the following: teacher salaries and benefits for additional programs that support well-rounded education, supplemental materials, field trip expenses, and afterschool/club expenses. The following expenditures will be funded by federal Title funds: N/A						

Goal 4

Goal Description
CONNECTION: All students, families, staff, and other educational partners will experience our third core pillar, Connection, and have access to meaningful engagement opportunities that help cultivate Effective Communication and Global Citizenship in a safe and nurturing environment. Educational partners will feel a sense of community and connectedness.

Expected Annual Measurable Objectives

Metric #	Metric	Baseline	Year 1 Outcome	Year 2 Outcome	Mid-Year Outcome Data	Desired Outcome for 2026-2027
4.1	Number of Parent Advisory Committee (PAC) meetings per year (Source: Local Indicator Priority 3)	2023-24: 7			2024-25: (As of 1/24/25) 3	2026-27: >= 8

Actions & Measuring and Reporting Results

Goal # Action #	Action Title and Description	Contributing	Implementation Level	Mid-year Outcome Data	Other Data/Evidence (qualitative, quantitative, artifacts)	Total Funds Budgeted	Mid-Year Expenditures
4.1	**Seeking family input for decision-making** Charter School will build the capacity of and support administrators, teachers and staff in order to build the capacity of and support family members to effectively engage in advisory groups and decision-making. Charter School will provide all families with opportunities to provide input on policies and programs, and implement Community School strategies to reach and seek input from any underrepresented groups in the school community. Some periodic information/input sessions for	Yes	Partially Implemented			$275.00	$140.53

Goal # Action #	Action Title and Description	Contributing	Implementation Level	Mid-year Outcome Data	Other Data/Evidence (qualitative, quantitative, artifacts)	Total Funds Budgeted	Mid-Year Expenditures
	families include, but are not limited to, Board of Directors meetings, Parent Advisory Committee (PAC) meetings, English Learner Advisory Committee (ELAC) meetings, Parent Task Force (PTF) meetings, and Coffee with the Principal meetings. The PAC will be composed of majority of parents of pupils and include parents/guardians of ELs, low-income, foster youth, and students with disabilities. Parents, teachers, staff, students, and community members are encouraged and empowered to join school committees, including the PAC and ELAC. Such committees provide for representation of students in need (low income, EL, foster youth, students with disabilities, etc.) Feedback from our educational partners provide valuable input for the LCAP and continuous school improvement. Charter School chooses to utilize the LCAP to serve as the SPSA and holds an annual meeting to inform parents and collect feedback about LCAP goals and actions, data and needs assessment, Title-funded activities and budgets, UCP, parent and family engagement policy and school-student-parent compact. In addition, as explained in Goal 4: Action 4, Charter School will conduct family surveys to seek feedback on school improvement. Expenditures associated with this action include the following: parent meeting expenses.						

Goal # Action #	Action Title and Description	Contributing	Implementation Level	Mid-year Outcome Data	Other Data/Evidence (qualitative, quantitative, artifacts)	Total Funds Budgeted	Mid-Year Expenditures
	The following expenditures will be funded by federal Title funds: N/A						
4.2	**Building relationships and partnerships with families for student outcomes** Charter School will develop the capacity of staff to build trusting and respectful relationships with families and create welcoming environments for all families in the community. Our staff will learn about each family's strengths, cultures, languages, and goals for their children. We will promote participation in activities/events, including Student/Parent Orientation, Back to School Night, and parent conferences. Administrators will greet all students and parents in the mornings during student drop off and have an open-door policy welcoming all parents. We will provide professional learning and support to staff to improve capacity to partner with families and to provide families with information and resources to support student learning and development in the home. Charter School will provide parents with access to course materials, homework assignments, projects, and records of students' grades through our SIS. Charter School will communicate further with the parents of students who are performing below grade level. Our	Yes	Partially Implemented			$335,430.28	$178,726.45

Goal # Action #	Action Title and Description	Contributing	Implementation Level	Mid-year Outcome Data	Other Data/Evidence (qualitative, quantitative, artifacts)	Total Funds Budgeted	Mid-Year Expenditures
	teachers, administrators, and classified staff will visit students at their homes to discuss student progress and enhance student learning and involvement. Charter School will also support families to understand and exercise their legal rights and advocate for their own students and all students. Charter School will schedule annual workshops for parents as well as additional workshops for parents of EL and immigrant students. Topics to be covered include, but are not limited to, the school's EL Master Plan, stages of language acquisition, state testing, college application, using SIS to check student progress, study habits, and family literacy. Charter School will use a variety of communication channels to connect with families in a language that is understandable and accessible to them. A parent communication software will be utilized for voice and text communications, email, and push notifications. We will provide language translators at parent meetings to the extent practicable. Expenditures associated with this action include the following: Infinite Campus SIS fees, ParentSquare software fees, SchoolMint software fees, home-visit compensation, parent activity/event expenses, Parent Education Bridge program fees, Pitney Bowes expenses, and Office manager/Administrative assistant salaries and benefits.						

Goal # Action #	Action Title and Description	Contributing	Implementation Level	Mid-year Outcome Data	Other Data/Evidence (qualitative, quantitative, artifacts)	Total Funds Budgeted	Mid-Year Expenditures
	The following expenditures will be funded by federal Title funds: • 5800 Professional Services Resource: Title 1: $26,500 • 3500 Unemployment Insurance Resource: Title 1: $30 • 3300 OASDI/Medicare Resource: Title 1: $87 • 3100 STRS Resource: Title 1: $1,146 • 1100 Teacher Salaries: Resource Title 1: $6,000						
4.3	**MTSS - PBIS and SEL support** Charter School will provide a safe, nurturing, and engaging learning environment for all our students and families. Academic and social-emotional support will be provided to address student needs as well as instructional materials including free uniforms. Students who are homeless, experiencing housing instability, are in foster care or experiencing personal/family crisis or have other special needs will be cared for in our supportive school community. Charter School will offer a SEL/Life Skills program that provides students with valuable skills to support academic excellence and social skill development. We will annually assess our suspension/expulsion policies and procedures and implement alternatives to	Yes	Partially Implemented			$497,600.53	$266,810.14

Goal # Action #	Action Title and Description	Contributing	Implementation Level	Mid-year Outcome Data	Other Data/Evidence (qualitative, quantitative, artifacts)	Total Funds Budgeted	Mid-Year Expenditures
	suspension/expulsion, including restorative practices. Teachers will establish classroom management procedures, foster positive relationships, and help create an atmosphere of trust, respect, and high expectations. Charter School will implement a positive and equitable student responsibility and behavior system with teaching, intervention and prevention strategies and protocols that are clear, fair, incremental, restorative, and culturally responsive. Charter School will celebrate student and school achievements and organize recognition assemblies and other schoolwide culture-building activities. Charter School will inform parents and students of attendance policies specified in the Student/Parent Handbook and encourage and support student attendance. Charter School will also implement the CORE DISTRICTS SEL Survey instrument in the fall and spring annually to assess the following social-emotional competencies: growth mindset, self-efficacy, self-management, and social awareness. As part of our MTSS efforts, school leadership, teachers, and support staff will analyze student SEL survey results in the fall to provide our students with targeted social-emotional support and then measure student responses again in the spring to measure growth, identify greatest progress and needs in order to inform our next steps. Expenditures associated with this

	staff in communicating school successes to the broader community. Charter School will secure community support to sustain existing resources and add new resources that address emerging student needs. Charter School leadership will actively develop relationships with a range of educational partners, policymakers, and researchers to identify and address issues, trends, and potential changes that affect the context and conduct of education. Expenditures associated with this action include the following: Community Schools Coordinator salary and benefits, membership fees (CCSA, WASC, etc.), marketing, branding, outreach, and partnership expenses. The following expenditures will be funded by federal Title funds: N/A						

Impact to the Budget Overview for Parents

Item	As adopted in Budget Overview for Parents	Mid-Year Update
Total LCFF Funds	$7,591,013.00	$3,879,008.00
LCFF Supplemental/Concentration Grants	$1,985,940.00	$1,014,815.00

Monitoring Goals, Actions, and Resources for the 2024-25 Local Control and Accountability Plan (LCAP)

This template is intended for internal monitoring purposes only. The 2024-25 LCAP template and instructions should be consulted when completing required documents.

(6) (A) The superintendent of the school district shall present a report on the annual update to the local control and accountability plan and the local control funding formula budget overview for parents on or before February 28 of each year at a regularly scheduled meeting of the governing board of the school district. (B) The report shall include both of the following: (i) All available midyear outcome data related to metrics identified in the current year's local control and accountability plan. (ii) All available midyear expenditure and implementation data on all actions identified in the current year's local control and accountability plan.

Goal 1

Goal Description
BASIC SERVICES FOR A HIGH-QUALITY LEARNING ENVIRONMENT: All students and staff will have access to a safe, secure, healthy, and high-quality learning and working environment. Students will receive high-quality services that are fundamental to academic success, including fully credentialed teachers, standards-aligned and high-quality instructional materials, and appropriately maintained school facilities.

Expected Annual Measurable Objectives

Metric #	Metric	Baseline	Year 1 Outcome	Year 2 Outcome	Mid-Year Outcome Data	Desired Outcome for 2026-2027
1.1	The percentage of teaching assignments that have an assignment monitoring outcome of "clear" (Source: Local Indicator Priority 1, CDE DataQuest TAMO by FTE Report)	2021-22: 89.7%			2022-23: 88.9%	2024-25: > 85%
1.2	Percentage of students without access to their own copies of standards-aligned instructional materials for use at school and at home (Source: Local Indicator Priority 1)	2023-24: 0%			2024-25 (As of 1/24/25): 0%	2026-27: 0%
1.3	Number of identified instances where facilities do not meet the “good repair” standard (including deficiencies and extreme deficiencies) (Source: Local Indicator Priority 1)	2023-24: 0			2024-25 (As of 1/24/25): 0	2026-27: 0
1.4	Teacher retention rate (Source: HRIS)	2023-24: (Fall 2022 to Fall 2023) 75%			2024-25: (Fall 2023 to Fall 20224) 86%	2026-27: (Fall 2025 to Fall 2026) >= 80%
1.5	Teacher attendance rate (Source: HRIS)	2023-24: (As of 5/15/24) 97.2%			2024-25: (First Semester) 97.2%	2026-27: >= 95.0%

Actions & Measuring and Reporting Results

Goal # Action #	Action Title and Description	Contributing	Implementation Level	Mid-year Outcome Data	Other Data/Evidence (qualitative, quantitative, artifacts)	Total Funds Budgeted	Mid-Year Expenditures
1.1	**Teacher assignments and credentials** Charter School and the MPS Human Resources team will conduct credential, background, and TB clearance reviews as part of the hiring process and at least once throughout the year to ensure all credentials are properly maintained. Charter School will support our teachers' credentialing needs. Charter School will also annually review master schedules and teacher assignments to ensure teachers are appropriately assigned and fully credentialed in the subject area and for the students they are teaching. Charter School uses a Human Resources Information System (HRIS) to automate employee documents. MPS Home Office HR team acts as a liaison between employees and provides administrative support as needed (e.g., correspondence generation, record keeping, file maintenance, HRIS entry, etc.) The HR team also provides reports to the Board and school administrators in regards to teacher retention, performance, pay scale, vacancies, recruitment efforts, credentials, mandatory trainings, and other HR related matters. Expenditures associated with this action include the following: teacher credentialing expenses, recruitment expenses (sign-in bonus, livescan/fingerprinting fees, etc.), Paycom/payroll fees, retirement service fees.	No	Fully Implemented			$35,970.00	$18,380.67

Goal # Action #	Action Title and Description	Contributing	Implementation Level	Mid-year Outcome Data	Other Data/Evidence (qualitative, quantitative, artifacts)	Total Funds Budgeted	Mid-Year Expenditures
	The following expenditures will be funded by federal Title funds: N/A						
1.2	**Instructional materials and technology** Charter School will manage the acquisition, distribution, and maintenance of equipment, materials, and technology needed to meet the academic, linguistic, cultural, social-emotional, and physical requirements of students. Charter School will annually review alignment of instructional materials to standards and maintain an inventory of instructional materials and corresponding purchases of materials. Charter School will annually review budgets and plans to ensure adequate budget for instructional materials. Charter School will ensure that students have sufficient access to standards-aligned instructional materials, including technology-based resources. Charter School will provide effective access and integration of technology resources, including software and mobile devices, that ensure meaningful access to CA Content Standards aligned instructional programs. Expenditures associated with this action include the following: textbooks, instructional materials and supplies, teacher/classroom supplies and office materials, computers, Chromebooks,	No	Fully Implemented			$442,634.64	$227,641.12

	hotspots, and other technology equipment, IT manager salary and benefits, E-Rate consultancy, and basic software (Zendesk, AssetWorks, firewall, Datto, CloudReady, Zoom, GoGuardian, etc.), phone/internet, and depreciation. The following expenditures will be funded by federal Title funds: • Technology: Resource: Title II; Amount: $963.54						
1.3	**Clean and safe facilities that support learning** Charter School will strive to maintain a clean, safe, environmentally friendly, and inviting school that is worthy of our students, families, and staff and encourages successful teaching and learning. Charter School will continually improve and maintain facilities to ensure school safety, security and high quality learning and working environments. Charter School will do annual and monthly facility inspections to screen for ADA compliance and safety hazards; identified deficiencies will be quickly remedied. Daily general cleaning will maintain campus cleanliness. Maintenance and repairs will be provided by Charter School custodial staff and/or outsourced. As a STEAM focused school, we aim to operate in a sustainable and environmentally	No	Fully Implemented			$1,141,416.94	$602,820.03

Goal # Action #	Action Title and Description	Contributing	Implementation Level	Mid-year Outcome Data	Other Data/Evidence (qualitative, quantitative, artifacts)	Total Funds Budgeted	Mid-Year Expenditures
	responsible manner. Charter School will develop and monitor comprehensive safety and security plans, conduct necessary safety training for all staff and continue to work with stakeholders and experts to implement emergency and risk management procedures for individuals and the site. Charter School will procure and maintain necessary safety/emergency supplies, equipment and items. Charter School will establish schedules and procedures for the supervision of students in non-classroom areas, including before and after school. Expenditures associated with this action include the following: facilities rent/acquisition cost, custodial staff salaries and benefits, custodial supplies, maintenance and repair services, gas/electric, security services, health and safety related expenses (PPE, nursing services, etc.), and insurance costs (workers compensation, CharterSAFE, etc.) The following expenditures will be funded by federal Title funds: N/A						
1.4	**Healthy and nutritious meals** Charter School will maintain nutrition education resources and continue to focus on innovative ways to increase access to freshly prepared, nutritious foods to ensure	Yes	Fully Implemented			$68,915.68	$35,215.91

Goal # Action #	Action Title and Description	Contributing	Implementation Level	Mid-year Outcome Data	Other Data/Evidence (qualitative, quantitative, artifacts)	Total Funds Budgeted	Mid-Year Expenditures
	students are well-nourished and ready to learn. Charter School will adhere to the MPS Wellness Policy guidelines on nutritious foods for all food sales and celebrations. The meal program aims to improve the diet and health of our students, help mitigate childhood obesity, model healthy eating to support the development of lifelong healthy eating patterns and support healthy choices while accommodating cultural food preferences and special dietary needs. Charter School will promote healthy food and beverage choices for all students throughout campus, as well as encourage participation in school meal programs. Expenditures associated with this action include the following: student meals, water, refreshments and office supplies related to the Healthy and nutritious meals The following expenditures will be funded by federal Title funds: N/A						
1.5	**Well-orchestrated Home Office support services** The MPS Home Office provides services to the Charter School, supports and holds accountable the Charter School for compliance and meeting charter goals, provides best practices in curriculum and professional development, and sets up systems and processes that	No	Fully Implemented			$584,627.57	$294,326.79

Goal # Action #	Action Title and Description	Contributing	Implementation Level	Mid-year Outcome Data	Other Data/Evidence (qualitative, quantitative, artifacts)	Total Funds Budgeted	Mid-Year Expenditures
	support academic achievement and growth, operational effectiveness, and financial sustainability. The Home Office manages business operations of schools, which reduces program and operations-related burdens of the Charter School administration and enables the Charter School to receive services at a lower cost. The services of the Home Office include, but are not limited to, academics, accountability, operations, IT, facilities, finance and accounting, human resources, and external relations. Instructional services are reflected in Goals 2-4. Expenditures associated with this action include the following: Home Office management fees, authorizer oversight fees, audit fees, bank fees, legal fees (YM&C, etc.), and other back-office related expenses (Adaptive Insights, DataWorks, etc.) The following expenditures will be funded by federal Title funds: N/A						

Goal 2

Goal Description
EXCELLENCE: Under our first core pillar of Excellence, all students will have equitable access to a high-quality core curricular and instructional program and make academic progress in alignment with California content standards (CCSS, NGSS, etc.) through our data-driven, differentiated and engaging learning program. Students will develop competencies aligned with our "Graduate Profile," including Literacy with a Learner's Mindset and Critical Thinking skills as they pursue academic excellence.

Expected Annual Measurable Objectives

Metric #	Metric	Baseline	Year 1 Outcome	Year 2 Outcome	Mid-Year Outcome Data	Desired Outcome for 2026-2027
2.1	Percentage of students who have sufficient access to all programs and services, as applicable, including the programs and services developed and provided to unduplicated students and to individuals with exceptional needs, and the programs that are provided to benefit these students (Source: Local Indicator Priority 7, SIS)	2023-24: 100%			2024-25: (As of 1/24/25) 100%	2026-27: 100%
2.2	Percentage of completion of observations by the school administration based on one formal and four informal classroom observations per teacher per year to ensure state standards implementation for all students (Source: Local Indicator Priority 2, TeachBoost/SchoolMint Grow)	2023-24: (As of 5/24/24) 100%			2024-25: (As of 1/24/25) 73%	2026-27: >= 85%

Actions & Measuring and Reporting Results

Goal # Action #	Action Title and Description	Contributing	Implementation Level	Mid-year Outcome Data	Other Data/Evidence (qualitative, quantitative, artifacts)	Total Funds Budgeted	Mid-Year Expenditures
2.1	**Broad course of study and standards based curriculum** Charter School will provide students with a broad array of courses including core subjects (English, mathematics, social sciences, and science) and electives. Charter School will also provide all other academic programs and services outlined in its charter petition, certain programs and services being dependent on student need and interest. Charter School will design its master schedule to meet the needs of its students to ensure all academic content areas are available to all students, including student groups. All students will participate in a rigorous, relevant, and coherent standards-based curriculum that supports the achievement of the schoolwide learner outcomes, academic	No	Fully Implemented			$1,616,730.71	$828,445.08

Goal # Action #	Action Title and Description	Contributing	Implementation Level	Mid-year Outcome Data	Other Data/Evidence (qualitative, quantitative, artifacts)	Total Funds Budgeted	Mid-Year Expenditures
	standards, and college- and career-readiness standards. The school will be appropriately staffed to implement the school master schedule. Expenditures associated with this action include the following: teacher salaries and benefits, principal salary and benefits, and substitute teacher expenses. The following expenditures will be funded by federal Title funds: • Teacher salary and benefits: Resource: Title I; Amount: $17,640.13						
2.2	**Professional development for high-quality instruction** Professional development will occur at the MPS organizational level and within the school. Charter School will ensure curricula, instruction, and assessments are aligned to the standards and that teachers participate in professional development on the implementation of standards (CCSS, NGSS, etc.) In addition to ongoing professional development activities that support efforts to increase student academic performance, all staff will be provided with multiple opportunities to grow professionally through induction processes, regular collaboration with colleagues, and curricular support.	Yes	Fully Implemented			$60,342.90	$22,319.92

Goal # Action #	Action Title and Description	Contributing	Implementation Level	Mid-year Outcome Data	Other Data/Evidence (qualitative, quantitative, artifacts)	Total Funds Budgeted	Mid-Year Expenditures
	This involves instructional leadership, common walkthrough protocols, and professional feedback to promote a cycle of continuous improvement, as well as supports for high quality delivery of the program that enables differentiation, particularly for unduplicated students and students with exceptional needs. Instructional leaders at the school and at the Home Office will assess staff professional development needs through formal and informal performance observation, surveys, and student performance data. Based on the data, combined with LCAP goals and the MPS Home Office high quality instruction guidelines, the instructional leaders will determine common staff development days and tailor staff development to individual staff needs. Expenditures associated with this action include the following: professional development, tuition reimbursement, and TeachBoost/SchoolMint Grow software fees. The following expenditures will be funded by federal Title funds: • Professional development expenses: Resource: Title II; Amount: $11,621.84						

Goal # Action #	Action Title and Description	Contributing	Implementation Level	Mid-year Outcome Data	Other Data/Evidence (qualitative, quantitative, artifacts)	Total Funds Budgeted	Mid-Year Expenditures
2.3	**MTSS - Academic enrichment, intervention, and student support** Charter School will implement MTSS as a systemic, continuous improvement framework in which data-based problem-solving and decision making is practiced across all levels of the educational system for supporting students. Charter School will synthesize CAASPP and MAP student achievement and growth data, as well as course grades, and other state and internal assessment scores, into reports and regularly review progress towards targets. Targeted interventions will be utilized to create a high-quality differentiated environment where students are supported to engage at their optimal levels. Charter School will provide additional supports and interventions to all students, including but not limited to, 1-1 or small group interventions, targeted support via evidence-based supplemental intervention/enrichment materials and technology (reading, math, etc.), co-taught classes, Power English/Power Math classes, Study Skills, additional support during SSR/Advisory, before and after school tutoring, Saturday classes, and summer programs. SSPT, 504, and other support meetings will be coordinated among teachers and support roles (resource teachers, EL coordinator, department chairs, etc.) Expenditures associated with this action include the following: Dean	Yes	Fully Implemented			$327,979.99	$159,463.13

Goal # Action #	Action Title and Description	Contributing	Implementation Level	Mid-year Outcome Data	Other Data/Evidence (qualitative, quantitative, artifacts)	Total Funds Budgeted	Mid-Year Expenditures
	of Academics salary and benefits, instructional aide salaries and benefits, teacher stipends for after school, Saturday school, and summer school, NWEA MAP testing fees, Illuminate DnA fees, and evidence-based supplemental intervention/enrichment program fees (Edgenuity, IXL, Quizizz, Membean, Cityspan, Newsela, and myON.) The following expenditures will be funded by federal Title funds: • Educational Software:: Resource: 4127 Title IV, Part A ESEA (ESSA); Amount: $3,370.8 • Title I: 4340 Educational Software: $31,350.84						
2.4	**Designated and integrated ELD programs and support for ELs** Charter School will provide services to ELs, including newcomers and LTELs, by proficiency level and provide ELD instruction aligned to the CA ELD standards and framework. Charter School will provide our ELs with core and supplemental ELD instructional materials and provide our teachers with PD focused on ELD standards. Our EL coordinator will monitor EL student progress in program implementation according to our EL Master Plan. Charter School teachers will provide instruction	Yes	Fully Implemented			$0.00	$0.00

Goal # Action #	Action Title and Description	Contributing	Implementation Level	Mid-year Outcome Data	Other Data/Evidence (qualitative, quantitative, artifacts)	Total Funds Budgeted	Mid-Year Expenditures
	using designated and integrated ELD instructional strategies as outlined in the CHATS framework (and other research-based strategies such as SDAIE) to all students, including ELs. Charter School will provide culturally and linguistically relevant materials for students. ELs will receive further in-class instructional support which includes one-on-one teacher support and small group instruction. Charter School will strive to provide bilingual instructional assistants to provide primary language support to enable students to access content area instruction while gaining language proficiency. Charter School will ensure that teachers participate in PD on ELD instructional strategies and CHATS framework. Charter School will provide regular and timely communication with families of EL students, including newcomers and LTELs, regarding annual assessments, program supports and services, and students' progress toward reclassification. This notification will include, but is not limited to, annual parent notification letters, quarterly ELAC meetings, and parent-teacher conferences. Expenditures associated with this action include the following: EL coordinator salary and benefits, EL coordinator stipend, EL instructional aide salary and benefits, and Rosetta Stone program fees.						

Goal # Action #	Action Title and Description	Contributing	Implementation Level	Mid-year Outcome Data	Other Data/Evidence (qualitative, quantitative, artifacts)	Total Funds Budgeted	Mid-Year Expenditures
	The following expenditures will be funded by federal Title funds: N/A						
2.5	**Support for students with disabilities** Students with disabilities will receive services and supports as listed in their Individualized Education Programs (IEPs) (in addition to services they receive pertinent to low income, foster youth and English learner designations) in order to improve outcomes and close the achievement gap, including graduation rate and performance on statewide assessments. Students with disabilities will have access to all additional intervention and student support systems as outlined in Goal 2: Actions 3 and 4, as well as access to push-in and pull-out services, instructional aides, learning center services, and contracted services to provide each scholar with a Free and Appropriate Public Education in their least restrictive and most accessible learning environment. Students with disabilities dually identified as EL will have ELD goals in their IEPs in addition to goals addressing their specific areas of need based on their eligibility. Our SPED, EL, and general education teams will work in collaboration, monitor our scholars' progress toward IEP goal mastery, and provide progress reports to parents. In addition, all	No	Fully Implemented			$941,370.12	$457,040.13

Goal # Action #	Action Title and Description	Contributing	Implementation Level	Mid-year Outcome Data	Other Data/Evidence (qualitative, quantitative, artifacts)	Total Funds Budgeted	Mid-Year Expenditures
	IEPs will be reviewed and present levels will be updated during annual and triennial reviews as required by the IDEA. Expenditures associated with this action include the following: SPED coordinator and teacher salaries and benefits, paraprofessional salaries and benefits, school psychologist salary and benefits, SPED intern salaries and benefits, outsourced SPED services fees, and SPED instructional materials and technology. The following expenditures will be funded by federal Title funds: Instructional Aide Salary and Benefits: Title I ; Amount: $12,312.66						

Goal 3

Goal Description
INNOVATION: All students will have access to a well-rounded, 21st century education that supports their readiness for college and the global world under our second core pillar of Innovation. Each student will become an independent, innovative scholar by practicing Creativity and Adaptability in their learning, using technology and data-driven online learning, and demonstrating high-quality learning outcomes in myriad ways.

Expected Annual Measurable Objectives

Metric #	Metric	Baseline	Year 1 Outcome	Year 2 Outcome	Mid-Year Outcome Data	Desired Outcome for 2026-2027
3.1	Percentage of students enrolled in an Accelerated and/or Advanced Math course and/or Advanced Math club (Source: Local Indicator Priority 7, SIS)	2023-24: (As of 5/20/24) 22%			2024-25: (As of 1/24/25) 29.0%	2026-27: >= 10%
3.2	Percentage of students in the current graduating class who have taken a Computer/Technology course and/or experienced blended learning in their program of study (Source: Local Indicator Priority 7, SIS)	2023-24: (As of 5/20/24) 97%			2024-25: (As of 1/24/25) 84.0%	2026-27: >= 90%
3.3	Percentage of students who have created or demonstrated a STEAM focused project, experiment, model or demo in the current year (Source: Local Indicator Priority 7, SIS)	2023-24: (As of 5/20/24) 98%			2024-25: (As of 1/24/25) 100.0%	2026-27: >= 80%

Actions & Measuring and Reporting Results

Goal # Action #	Action Title and Description	Contributing	Implementation Level	Mid-year Outcome Data	Other Data/Evidence (qualitative, quantitative, artifacts)	Total Funds Budgeted	Mid-Year Expenditures
3.1	**College/Career readiness programs and activities** Charter School will promote a college-going culture through college visits, college/career days, and other college/career related activities.	Yes	Fully Implemented			$0.00	$0.00

Goal # Action #	Action Title and Description	Contributing	Implementation Level	Mid-year Outcome Data	Other Data/Evidence (qualitative, quantitative, artifacts)	Total Funds Budgeted	Mid-Year Expenditures
	Expenditures associated with this action include the following: college/career-related materials and activities. The following expenditures will be funded by federal Title funds: N/A						
3.2	**STEM and GATE programs** Charter School will offer STEAM and GATE programs and activities, including Accelerated/Advanced Math course and club. Students will be provided opportunities during the day and after school to create or demonstrate a STEAM focused project, experiment, model or demo. We will also provide information and access to quality out-of-school STEM activities and achievements. With CA Science Framework and NGSS integration, all our students will learn about engineering design, technology, and applications of science as part of their core classes. Furthermore, Charter School will design and implement computer science and engineering-related courses and activities, such as Code.org activities, Project Lead the Way (PLTW) programs, Robotics, etc. Gifted and talented students and students achieving above grade level will be engaged in all classes as teachers differentiate curriculum through adjustments of content through depth, complexity, and pacing. Emphasis will be on	Yes	Partially Implemented			$1.06	$0.54

Goal # Action #	Action Title and Description	Contributing	Implementation Level	Mid-year Outcome Data	Other Data/Evidence (qualitative, quantitative, artifacts)	Total Funds Budgeted	Mid-Year Expenditures
	innovation, critical thinking, and logical reasoning. Learners will be challenged to investigate, use problem-based learning, and research. Expenditures associated with this action include the following: supplemental STEM program fees. The following expenditures will be funded by federal Title funds: N/A						
3.3	**Digital literacy and citizenship programs** Charter School will educate our students and staff in digital literacy so that they adapt, create, consume, and connect in productive, responsible ways to utilize technology in academic, social, and professional settings. Charter School will offer Computer/Digital Literacy classes and/or blended learning experiences for our students. Teachers will incorporate appropriate technology into lessons to support student learning and technology will be kept up to date. Students will be provided with opportunities to expand their literacy, computational, and communication skills with digital media; they will be writing advanced essays, conducting internet research, engaging in data collection, presenting ideas and drawing conclusions. Charter	Yes	Fully Implemented			$848.00	$0.00

Goal # Action #	Action Title and Description	Contributing	Implementation Level	Mid-year Outcome Data	Other Data/Evidence (qualitative, quantitative, artifacts)	Total Funds Budgeted	Mid-Year Expenditures
	School staff will teach and model safe, savvy, and social digital citizenship; topics may include, but are not limited to, using technology applications, including Artificial Intelligence (AI); digital footprint, privacy, and security; digital rights and responsibilities; using social media responsibly and digital etiquette. As our students gain the ability to navigate computing systems, utilize networks and the internet responsibly, analyze and interpret data with an antibias lens, solve problems using algorithms and programming, and carefully consider the ethics of computing technologies, they will become informed digital citizens who can leverage AI and other technologies to promote social justice and equity. Expenditures associated with this action include the following: computer teacher salary and benefits, internet security program fees, and digital literacy and citizenship program fees. The following expenditures will be funded by federal Title funds: Digital literacy and citizenship program fees: Resource: Title IV, Part A; Amount: $848						
3.4	**Physical education, activity, and fitness** Charter School will provide students with physical education, using an	Yes	Fully Implemented			$232,371.49	$127,812.57

Goal # Action #	Action Title and Description	Contributing	Implementation Level	Mid-year Outcome Data	Other Data/Evidence (qualitative, quantitative, artifacts)	Total Funds Budgeted	Mid-Year Expenditures
	age-appropriate, sequential PE curriculum consistent with state standards for PE. The curriculum will promote the benefits of a physically active lifestyle and will help students develop skills to engage in lifelong healthy habits, as well as incorporate essential health education concepts. Charter School will offer recess before lunch and students will be provided with periodic opportunities to be active or to stretch throughout the day on all or most days during a typical school week. To the extent practicable, Charter School will ensure that its grounds and facilities are safe, and that equipment is available to students to be active. Charter School will offer opportunities for students to participate in physical activity either before and/or after the school day (or both) through a variety of methods such as physical activity/sports clubs, intramurals or interscholastic sports, etc. Charter School will adhere to the MPS Wellness Policy guidelines on physical education, activity, and fitness. Expenditures associated with this action include the following: PE/Health teacher salary and benefits and physical activity, fitness, and equipment expenses. The following expenditures will be funded by federal Title funds: Physical activity, fitness, and equipment expenses: Resource: Title IV, Part A; Amount: $742						

Goal # Action #	Action Title and Description	Contributing	Implementation Level	Mid-year Outcome Data	Other Data/Evidence (qualitative, quantitative, artifacts)	Total Funds Budgeted	Mid-Year Expenditures
3.5	**Additional programs and activities that support well-rounded education** To provide well-rounded education to our students, Charter School will strive to offer additional programs such as elective courses, arts, music, civics, languages other than English (LOTE), clubs, etc. Arts instruction focuses on developing students' creativity, imagination, discipline and self-expression through drawing and fine arts. It is important that all our students, particularly unduplicated students, are provided with experiential learning opportunities, including but not limited to, instructional field trips, internships, community service programs, clubs, etc. Charter School teachers and other staff will offer after school clubs for enrichment in the areas of, including, but not limited to, STEM (science, technology, engineering, math), ELA, LOTE, culture, sports, visual and performing arts, community service, leadership, and others. In addition to these clubs, the Charter School's Expanded Learning Opportunities Program (ELO-P) will support afterschool and summer enrichment programs in science, robotics, advanced math, academic competitions, journalism, college mentorship, and other areas.	Yes	Fully Implemented			$449,313.00	$210,579.92

Goal # Action #	Action Title and Description	Contributing	Implementation Level	Mid-year Outcome Data	Other Data/Evidence (qualitative, quantitative, artifacts)	Total Funds Budgeted	Mid-Year Expenditures
	Expenditures associated with this action include the following: teacher salaries and benefits for additional programs that support well-rounded education, supplemental materials, field trip expenses, and afterschool/club expenses. The following expenditures will be funded by federal Title funds: N/A						

Goal 4

Goal Description
CONNECTION: All students, families, staff, and other educational partners will experience our third core pillar, Connection, and have access to meaningful engagement opportunities that help cultivate Effective Communication and Global Citizenship in a safe and nurturing environment. Educational partners will feel a sense of community and connectedness.

Expected Annual Measurable Objectives

Metric #	Metric	Baseline	Year 1 Outcome	Year 2 Outcome	Mid-Year Outcome Data	Desired Outcome for 2026-2027
4.1	Number of Parent Advisory Committee (PAC) meetings per year (Source: Local Indicator Priority 3)	2023-24: 7			2024-25: (As of 1/24/25) 3	2026-27: >= 8
4.2	Number of English Learner Advisory Committee (ELAC) meetings per year (Source: Local Indicator Priority 3)	2023-24: 0			2024-25: (As of 1/24/25) 0	2026-27: >= 4
4.3	Number of activities/events for parent engagement per year (Source: Local Indicator Priority 3)	2023-24: (As of 5/20/24) 25			2024-25: (As of 1/24/25) 12	2026-27: >= 10
4.4	Percentage of students who have been home-visited by the teachers per year (Source: Local Indicator Priority 3, SIS)	2023-24: (As of 5/20/24) 2.9%			2024-25: (As of 1/24/25) 6.3%	2026-27: >= 15.0%
4.5	Average Daily Attendance (ADA) Rate (Source: SIS)	2023-24: (P-2 ADA) 93.98%			2024-25 P-1 ADA: (Months 1-5) 95.30%	2026-27: (P-2 ADA) >= 92.00%
4.6	Chronic Absenteeism Rate (Source: CA School Dashboard, SIS)	2022-23: (2023 Dashboard) 21.6%			2023-24: (2024 Dashboard) 18.5% 2024-25: (As of 1/24/25) 12.7%	2025-26: (2026 Dashboard) <= 20.0%
4.7	Middle School Dropout Rate (Source: CALPADS)	2023-24: 0.0%			2024-25: (As of 1/24/25) 0.0%	2026-27: <= 2.0%

Metric #	Metric	Baseline	Year 1 Outcome	Year 2 Outcome	Mid-Year Outcome Data	Desired Outcome for 2026-2027
4.8	Student Suspension Rate (Source: CA School Dashboard, CALPADS)	2022-23: (2023 Dashboard) 2.5%			2023-24: (2024 Dashboard) 2.2% 2024-25: (As of 1/24/25) 1.3%	2025-26: (2026 Dashboard) <= 2.5%
4.9	Student Expulsion Rate (Source: CDE DataQuest, CALPADS)	2022-23: (CDE DataQuest) 0.00%			2023-24: (CDE DataQuest) 0.00% 2024-25: (As of 1/24/25) 0.0%	2025-26: (CDE DataQuest) <= 0.50%
4.10	School experience survey "participation rates" by students, families, and staff (Source: Local Indicator Priority 6, Panorama Education)	2023-24: Students: 94.1% Families: 65.0% Staff: 100.0%			Survey administration will be done in February 2025, and data will be available in March 2025.	2026-27: Students: >= 95.0% Families: >= 75.0% Staff: >= 95.0%
4.11	School experience survey "average approval rates" based on the responses of our students, families, and staff to all questions on the survey in the following topics: climate of support for academic learning; knowledge and fairness of discipline, rules, and norms; safety; and sense of belonging (school connectedness) (Source: Local Indicator Priority 6, Panorama Education)	2023-24: Students: 68.0% Families: 96.0% Staff: 88.0%			Survey administration will be done in February 2025, and data will be available in March 2025.	2026-27: Students: >= 65% Families: >= 95% Staff: >= 80%
4.12	School experience survey "overall satisfaction rates" based on the responses of our students, families, and staff to the question, "Overall, I am satisfied and would recommend this school to other students/parents/educators." (Source: Local Indicator Priority 6, Panorama Education)	2023-24: Students: 82% Families: 95% Staff: 97%			Survey administration will be done in February 2025, and data will be available in March 2025.	2026-27: Students: >= 75% Families: >= 95% Staff: >= 85%

Metric #	Metric	Baseline	Year 1 Outcome	Year 2 Outcome	Mid-Year Outcome Data	Desired Outcome for 2026-2027
4.13	Student retention rate (Source: SIS)	2023-24: (Spring 2023 to Fall 2023) 88.57%			2024-25: (Spring 2024 to Fall 2024) 89%	2026-27: (Spring 2026 to Fall 2026) >= 85%

Actions & Measuring and Reporting Results

Goal # Action #	Action Title and Description	Contributing	Implementation Level	Mid-year Outcome Data	Other Data/Evidence (qualitative, quantitative, artifacts)	Total Funds Budgeted	Mid-Year Expenditures
4.1	**Seeking family input for decision-making** Charter School will build the capacity of and support administrators, teachers and staff in order to build the capacity of and support family members to effectively engage in advisory groups and decision-making. Charter School will provide all families with opportunities to provide input on policies and programs, and implement Community School strategies to reach and seek input from any underrepresented groups in the school community. Some periodic information/input sessions for families include, but are not limited to, Board of Directors meetings, Parent Advisory Committee (PAC) meetings, English Learner Advisory Committee (ELAC) meetings, Parent Task Force (PTF) meetings, and Coffee with the Principal meetings. The PAC will be composed of majority of parents of pupils and include parents/guardians of ELs, low-income, foster youth, and students with disabilities. Parents, teachers, staff, students, and community members are encouraged and	Yes	Partially Implemented			$275.00	$140.53

Goal # Action #	Action Title and Description	Contributing	Implementation Level	Mid-year Outcome Data	Other Data/Evidence (qualitative, quantitative, artifacts)	Total Funds Budgeted	Mid-Year Expenditures
	empowered to join school committees, including the PAC and ELAC. Such committees provide for representation of students in need (low income, EL, foster youth, students with disabilities, etc.) Feedback from our educational partners provide valuable input for the LCAP and continuous school improvement. Charter School chooses to utilize the LCAP to serve as the SPSA and holds an annual meeting to inform parents and collect feedback about LCAP goals and actions, data and needs assessment, Title-funded activities and budgets, UCP, parent and family engagement policy and school-student-parent compact. In addition, as explained in Goal 4: Action 4, Charter School will conduct family surveys to seek feedback on school improvement. Expenditures associated with this action include the following: parent meeting expenses. The following expenditures will be funded by federal Title funds: N/A						
4.2	**Building relationships and partnerships with families for student outcomes** Charter School will develop the capacity of staff to build trusting and respectful relationships with families and create welcoming environments for all families in the	Yes	Fully Implemented			$204,005.62	$103,948.45

Goal # Action #	Action Title and Description	Contributing	Implementation Level	Mid-year Outcome Data	Other Data/Evidence (qualitative, quantitative, artifacts)	Total Funds Budgeted	Mid-Year Expenditures
	community. Our staff will learn about each family's strengths, cultures, languages, and goals for their children. We will promote participation in activities/events, including Student/Parent Orientation, Back to School Night, and parent conferences. Administrators will greet all students and parents in the mornings during student drop off and have an open-door policy welcoming all parents. We will provide professional learning and support to staff to improve capacity to partner with families and to provide families with information and resources to support student learning and development in the home. Charter School will provide parents with access to course materials, homework assignments, projects, and records of students' grades through our SIS. Charter School will communicate further with the parents of students who are performing below grade level. Our teachers, administrators, and classified staff will visit students at their homes to discuss student progress and enhance student learning and involvement. Charter School will also support families to understand and exercise their legal rights and advocate for their own students and all students. Charter School will schedule annual workshops for parents as well as additional workshops for parents of EL and immigrant students. Topics to be covered include, but are not limited to, the school's EL Master Plan, stages of language						

Goal # Action #	Action Title and Description	Contributing	Implementation Level	Mid-year Outcome Data	Other Data/Evidence (qualitative, quantitative, artifacts)	Total Funds Budgeted	Mid-Year Expenditures
	acquisition, state testing, college application, using SIS to check student progress, study habits, and family literacy. Charter School will use a variety of communication channels to connect with families in a language that is understandable and accessible to them. A parent communication software will be utilized for voice and text communications, email, and push notifications. We will provide language translators at parent meetings to the extent practicable. Expenditures associated with this action include the following: Infinite Campus SIS fees, ParentSquare software fees, SchoolMint software fees, home-visit compensation, parent activity/event expenses, Parent Education Bridge program fees, Pitney Bowes expenses, and Office manager/Administrative assistant salaries and benefits. The following expenditures will be funded by federal Title funds: • Stipends for home visits and Professional Services: Resource: Title I, Part A; Amount: $6,207.31						
4.3	**MTSS - PBIS and SEL support** Charter School will provide a safe, nurturing, and engaging learning environment for all our students and	Yes	Fully Implemented			$305,877.54	$161,212.24

Goal # Action #	Action Title and Description	Contributing	Implementation Level	Mid-year Outcome Data	Other Data/Evidence (qualitative, quantitative, artifacts)	Total Funds Budgeted	Mid-Year Expenditures
	families. Academic and social-emotional support will be provided to address student needs as well as instructional materials including free uniforms. Students who are homeless, experiencing housing instability, are in foster care or experiencing personal/family crisis or have other special needs will be cared for in our supportive school community. Charter School will offer a SEL/Life Skills program that provides students with valuable skills to support academic excellence and social skill development. We will annually assess our suspension/expulsion policies and procedures and implement alternatives to suspension/expulsion, including restorative practices. Teachers will establish classroom management procedures, foster positive relationships, and help create an atmosphere of trust, respect, and high expectations. Charter School will implement a positive and equitable student responsibility and behavior system with teaching, intervention and prevention strategies and protocols that are clear, fair, incremental, restorative, and culturally responsive. Charter School will celebrate student and school achievements and organize recognition assemblies and other schoolwide culture-building activities. Charter School will inform parents and students of attendance policies specified in the Student/Parent Handbook and encourage and support student attendance. Charter School will also						

Goal # Action #	Action Title and Description	Contributing	Implementation Level	Mid-year Outcome Data	Other Data/Evidence (qualitative, quantitative, artifacts)	Total Funds Budgeted	Mid-Year Expenditures
	implement the CORE DISTRICTS SEL Survey instrument in the fall and spring annually to assess the following social-emotional competencies: growth mindset, self-efficacy, self-management, and social awareness. As part of our MTSS efforts, school leadership, teachers, and support staff will analyze student SEL survey results in the fall to provide our students with targeted social-emotional support and then measure student responses again in the spring to measure growth, identify greatest progress and needs in order to inform our next steps. Expenditures associated with this action include the following: Dean of Students salary and benefits, discipline coordinator salary and benefits, office/attendance clerk salaries and benefits, school uniform expenses, PD on classroom management, PBIS, and SEL support, SEL program fees, outsourced SEL services fees, and additional services for homeless students. The following expenditures will be funded by federal Title funds: • Educational Software for MTSS : Resource: Title IV, Part A; Amount: $5,300 • Instructional Supplies: Resource: Title I; Amount: $2,104.1						

Goal # Action #	Action Title and Description	Contributing	Implementation Level	Mid-year Outcome Data	Other Data/Evidence (qualitative, quantitative, artifacts)	Total Funds Budgeted	Mid-Year Expenditures
4.4	**Annual educational partner surveys** Charter School will annually administer school experience surveys to students, families, and staff. Charter School will implement the CORE DISTRICTS Survey instrument to assess our educational partners' perceptions of the following school climate indicators: climate of support for academic learning; knowledge and fairness of discipline, rules and norms; safety; and sense of belonging (school connectedness). In addition, we ask our educational partners open-ended questions about what they like the best about the school and suggestions for improvement. This feedback instrument provides all staff and school leaders with valuable information about how students see their classes, how much parents are involved, how supported staff feel and how to facilitate improvement. Our staff will analyze the survey results to identify the greatest progress and needs in order to inform our next steps. Expenditures associated with this action include the following: Panorama Education survey fees. The following expenditures will be funded by federal Title funds: • Professional Services paid with Title I: $2,120	Yes	Partially Implemented			$2,120.00	$1,083.32

Goal # Action #	Action Title and Description	Contributing	Implementation Level	Mid-year Outcome Data	Other Data/Evidence (qualitative, quantitative, artifacts)	Total Funds Budgeted	Mid-Year Expenditures
4.5	**Community outreach and partnerships** Charter School will establish community, business, institutional and civic partnerships that invest in and support the vision and goals of the school. School staff will participate in local activities that engage community members and staff in communicating school successes to the broader community. Charter School will secure community support to sustain existing resources and add new resources that address emerging student needs. Charter School leadership will actively develop relationships with a range of educational partners, policymakers, and researchers to identify and address issues, trends, and potential changes that affect the context and conduct of education. Expenditures associated with this action include the following: Community Schools Coordinator salary and benefits, membership fees (CCSA, WASC, etc.), marketing, branding, outreach, and partnership expenses. The following expenditures will be funded by federal Title funds: N/A	Yes	Fully Implemented			$271,620.19	$152,128.31

Facilities Update Report

Section: V. Information/Discussion Items
Item: B. Facilities Update Report
Purpose: Discuss
Submitted by:
Related Material: V_B_Facilities Updates.pdf

Agenda Item:	V B: Information/Discussion Item
Date:	February 13, 2025
To:	Magnolia Educational & Research Foundation dba Magnolia Public Schools ("**MPS**") Board of Directors (the "**Board**")
From:	Alfredo Rubalcava, CEO & Superintendent
Staff Lead(s):	Patrick Ontiveros, General Counsel & Director of Facilities Mustafa Sahin, Project Manager Katrina Jimenez, Assistant Project Manager
RE:	Update on Facilities Projects

Action Proposed:

This is an informational item, there is no action.

Purpose:

Facility Department monthly report to give an update on the existing projects at each campus.

Updates:

MSA5 – 7111 Winnetka

- CDE Site Plan was approved 9/16/24.
- CDE Final Site Plan was approved 1/6/25.
- DSA Approval Updates:
  - Increment 1 (Site Work) was approved 9/25/24.
  - Increment 2 (Academic Building) was re-submitted and we expect comments back by third week of February
  - Increment 3 (Gym) plans to be submitted on 3/14/25.
- Demolition of the building was completed 1/20/25.
- Increment 1 Site Work has begun. Pro-Craft Construction was selected and mobilized on 2/3/25.
- An updated estimate and revised schedule are attached as Exhibit A and Exhibit B., respectively.

MSA1 – Gym Building – 18242 Sherman Way

- Final Punch List Walk on 2/27/25.
- Documents and Closeout: Owner's operations manual, floor maintenance, etc. expected to be received soon after final punch list walkthrough.

MSA1 – Bungalows

- TCO was renewed on 2/6/25.
- Facilities Department to renew TCO every six months. Next date to renew is on 8/5/25.

MSA1 – Alley Closure

- The updated plans were signed off by the fire department for the Alley Closure. Our Land Use Consultant is working on setting up a meeting with the council office.
- Revocable permit application has been submitted by our Land Use Consultant. It is currently being reviewed for approval. It is ongoing and there are no issues.

MSA1 – Bank of America Building – 18120 Sherman Way

- The MPM Board Adopted Resolutions attached as Exhibit C approving the Cross-Collateralization between the 16600 Vanowen Street Property Owned by MPM 16600 Vanowen Street LLC and the Property at 18120 Sherman Way proposed to be purchased by Magnolia Educational & Research Foundation.
- Escrow closed and the keys were turned over to MPS on 1/24/25.
- Facilities walk through assessment is pending.
- PCSD Proposal to be taken to the Board for approval.
- Preliminary budget and schedule to be validated and prepared to determine start date of Tenant Improvement work.
- Program to be validated by MSA-7 Principal and Admin(s).
- Architect selection and Construction Manager selection will be next.

MSA2 – 16600 Vanowen

- Tentative Hearing Date is in April 2025.

- The Design Development Phase started the week of 2/3/25.
- An RFP was published for CM services, we received four proposals, and the MPS team conducted interviews on 2/5/25.
- Goal is to have a General Contractor on board upon Board Approval.

MSA SA – Shade Structure

- Project has been processed and routed to the DSA Intake Architect.
- Received DSA comments, and the team working to respond to the comments. New resubmittal date has been issued for Friday, 2/21/25.

MSA SA – Backyard

- MSA-SA backyard area is experiencing inefficient drainage.
- A limited topographic survey was conducted on 1/30/25 and we received the report on 2/12/25.
- Next step is to proceed with a plan to address drainage issues, and finalize the design and budget for necessary pavement repairs and maintenance.

MSA SD - Measure U Bond Charter Allocation

- Site Visit with Assigned Project Manager, Barkha Agarwalla was on 11/14/24.
- MSA-SD Admin, Facilities Department, SDUSD, and Architect of Record, Patty Sprotte have been meeting to finalize the designs to be submitted for a cost estimate.
- The goal is to submit the design and cost estimate to the District for their approval on 3/31/25.
- Key timelines were reviewed: planning may take up to 8 months, followed by approximately 2 years for design and approvals, and another 2 years for construction, totaling 3-4 years overall.

Exhibits:
