Negotiating Parties: Preface LLC, SDUSD
Conference with Legal Counsel- Anticipated Litigation

Initiation of litigation pursuant to paragraph (4) of subdivision (d) of Section 54956.9:
one case

Conference with Real Property Negotiators
Property: 1290 Pomeroy Ave, Santa Clara 95051
Agency Negotiator: Frank Gonzalez
Negotiating Parties: Mission City Church Assembly of God Santa Clara

Board Members Present

A. Korkmaz (remote), D. Gonzalez (remote), M. Kaynak (remote), N. Russell-Unterburger, R. Oten, S. Orazov, U. Yapanel

Board Members Absent

S. Sherkhanov

I. Opening Items

A.Record Attendance and Guests

B.Call the Meeting to Order

U. Yapanel called a meeting of the board of directors of Magnolia Public Schools to order on Thursday Apr 21, 2016 @ 5:05 PM at MSA- Santa Clara 14271 Story Road San Jose, CA 95127 / Dial: 1.844.572.5683 Code: 1948435.

C.Flag Salute

The Flag Salute was led by the CEO.

D.Public Comments

Over 30 parents, students and staff expressed their support about relocating MSA Santa Clara (MSA-SC) back to Santa Clara. They offered their positive feedback in regards to student support from teachers, enriching academic program, comparison amongst other local schools, the academic growth of students amongst other benefits that MSA SC offers. The board heard their feedback and concerns.

E.Oral Communications

MSA SC principal, M. Ryan, recognized the student participants of the science fair. MSA San Diego principal, G. Serce presented board member M. Kaynak an award in recognition of his dedication as a member of the MPS board of directors and thanked him for his years of service. M. Kaynak presented his resignation from the board.

F.Approval of Agenda

U. Yapanel made a motion to approve the agenda as presented.
N. Russell-Unterburger seconded the motion.
The board **VOTED** unanimously to approve the motion.

G.Approve Minutes of Regular Board Meeting- March 10, 2016

U. Yapanel made a motion to approve minutes from the Board Meeting on 03-10-16.
R. Oten seconded the motion.

The board **VOTED** unanimously to approve the motion.

H.Approve Minutes of Special Board Meeting- March 13, 2016

U. Yapanel made a motion to approve minutes from the Board Meeting on 03-13-16.

R. Oten seconded the motion.

The board **VOTED** unanimously to approve the motion.

II. Consent Agenda Items

A.Approval of 2016-17 Academic Calendar for Magnolia Science Academy 1 Through 8

This item was approved under consent agenda.

B.Approval of Revisions to the Uniform Complaint Policy and Procedures

This item was approved under consent agenda.

C.Approval of Subcontracting After School Program (ASES)

This item was approved under consent agenda.

D.Approval of Special Education Provider for MSA 1-8 and Santa Ana, EdLogical

This item was approved under consent agenda.

E.Approval of Al Punto Advertising Contract

The board moved this item out of consent agenda for further discussion. A. Rubalcava, Chief External Officer, explained the details of the deliverables of AlPunto and the budget implications. He addressed all board member questions. The board gave direction to staff to make the necessary changes in the school budget to address this contract.

U. Yapanel made a motion to approve the Al Punto advertising contract.

R. Oten seconded the motion.

The board **VOTED** unanimously to approve the motion.

F.Approval of Truancy Data Collection and Reporting Procedure

This item was approved under consent agenda.

III. Action Items

A.Approval of New Board Member Nominations

M. Kaynak gave a brief description of S. Dikbas' educational and professional background and his reasoning behind his nomination. If approved, S. Dikbas will be taking over the term of M. Kaynak ending December 10, 2019.

U. Yapanel made a motion to approve the appointment of Salih Dikbas to fill the seat for the remainder of M. Kaynak's term.

M. Kaynak seconded the motion.

The board **VOTED** unanimously to approve the motion.

B.Approval of Second Interim Report for MSA Santa Ana, MSA Santa Clara, and MSA San Diego

Finance Committee members reported out on the interim report. They presented their feedback and concerns about the report. T. Boatman, explained the identified issue and explained the improvements that had been put in place to create a clear structure for health benefit terminations. The board gave direction to the Finance Committee to follow up on this health benefit termination item.

Chief Financial Officer, Oswaldo Diaz, explained the interim report to the board in detail. He addressed all board questions.

N. Russell-Unterburger made a motion to approve the Second Interim Report for MSA Santa Ana, MSA Santa Clara and MSA San Diego.

U. Yapanel seconded the motion.

The board **VOTED** unanimously to approve the motion.

C.Approval of MSA 6 Lease Extension Agreement for 2016-17

F. Gonzalez, Chief Growth Officer, explained the changes in the lease agreement for MSA-6. O. Diaz presented the budget implications and addressed all questions.

U. Yapanel made a motion to approve the lease extension for MSA-6.

S. Orazov seconded the motion.

The board **VOTED** unanimously to approve the motion.

D.Approval of New Home Office Employee Positions

T. Boatman, Director of Human Resource, explained the additions of home office positions for upcoming FY 2016-17. She explained the budget implications that MPS would acquire with these changes. O. Diaz explained the needs at the home office for new positions and provided feed back. Home office staff addressed all questions. This item was discussed a length. The board tabled this item for further discussion during a future meeting of the board.

E.Approval of Non-Certified Employee Pay Rates

T. Boatman, Director of Human Resources, explained the new compensation model for non-certified, admin, and special instruction school employee pay rates. She addressed all board member questions. After a lengthy discussion of the item presented, the board decided to table this item to the next board meeting.

F.Approval of Intra Company Loan from MSA 7 to MSA 1

O. Diaz, Chief Financial Officer, explained the need for the loan from MSA 7 to MSA 1. He explained what functions this loan would serve and how the expenses covered are in accordance with Generally Accepted Accounting Principals. O. Diaz also explained the potential risks of the approval and non-approval of the loan. O. Diaz addressed all questions.

N. Russell-Unterburger made a motion to approve the intra company loan from MSA 7 to MSA 1.

S. Orazov seconded the motion.

The board **VOTED** unanimously to approve the motion.

G.Approval of Revised CMO Cost Allocation Table and 10% Contingency Reserve for Economic Uncertainties

O. Diaz presented the CMO Cost Allocation to the Board and addressed all questions. After a lengthy discussion , the board decided to table this item until they review the 2016-17 Magnolia Public Schools budget. No actions were taken.

H.Approval of Updated Open Intra Company Loans

This item was discussed along with item III F, Approval of Intra Company Loan from MSA 7 to MSA 1. Oswaldo Diaz, CFO, explained the updated open-intra company loans. He explained that the redistribution of the loans was based on the current cash needs and he provided details on where the amounts would be drawn from. O. Diaz addressed all board member questions.

N. Russell-Unterburger made a motion to approve the updated open intra-company loans.

S. Orazov seconded the motion.

The board **VOTED** unanimously to approve the motion.

IV. Closed Session Items

A.Conference with Real Property Negotiators

Discussion during closed session, no actions to report.

B.Conference with Legal Counsel- Anticipated Litigation

This item was discussed during Closed Session, the board gave direction to staff to continue negotiations with Prop 39 agreements.

C.Conference with Real Property Negotiators

This item was discussed during Closed Session, the board directed staff to continue facility negotiations.

V. Discussion Items

A.2015-16 Educator Effectiveness Spending Plan

This item was not discussed, it will be presented in the next regular meeting of the MPS Board of Directors meeting.

VI. Written Updates

A.Academic Board Report

Written item, no further discussion.

B.MPS February 2016 Financial Update

Written item, no further discussion.

VII. Closing Items

A.Adjourn Meeting

There being no further business to be transacted, and upon motion duly made, seconded and approved, the meeting was adjourned at 9:45 PM.

Respectfully Submitted,
U. Yapanel

MAGNOLIA PUBLIC SCHOOLS

Board Of Directors

Board Agenda Item #	II A
Date:	May 12, 2016
To:	MPS Board of Directors
From:	Caprice Young, Ed.D., CEO & Superintendent
Staff Lead:	Oswaldo Diaz, Chief Financial Officer
RE:	Approval of Immigration Data Collection and Reporting Procedure

Proposed Board Recommendation

I move that the MPS Board of Directors approves the Immigration Data Collection and Reporting Procedure.

Background

In order to formalize the current Immigration Desk Procedure, the Policies and Procedures Manual has been revised to include the methods for collecting, documenting, reviewing, and compliance with immigration law.

This policy is distinct from the International Teachers Program yet to be established in accordance with the LAUSD settlement agreement. Currently, no international teachers are hired for MPS schools within LAUSD. Nevertheless, because we already had several international teachers, it is imperative that we document our practices established in accordance with knowledgeable immigration attorneys' direction. Our International Teachers Program will come forward for board review and approval in the future, following development and LAUSD collaboration in accordance with the settlement. The goal of the International Teachers Program will be to establish recruitment among high quality educators from various countries to fill hard to staff subjects like advanced mathematics, science, engineering and technology.

New Policies and Procedures

The following policy has been created:

SOP # REP102 Revision: 0
Effective Date: 05/12/16

Prepared by: Central Office
Approved by: BOD

Title: IMMIGRATION DATA COLLECTION AND REPORTING PROCEDURE

Purpose: To provide the methods for collecting, documenting, reviewing, and compliance with all rules regarding immigration and I9 management.

Scope: This procedure applies to sponsored employees and compliance required in accordance with H1-B, PERM, and I-9 requirements.

Responsibilities:

Human Resources is responsible for verifying that all documents are in compliance and that the appropriate hiring and reporting process is followed.

School Principal is responsible of evaluating the needs of the schools and potential candidates.

Procedure:

1. H1-B DESK PROCEDURE PROCESS

- 1.1. Before extending an offer to a candidate, the School Principal must complete an evaluation form to determine if sponsorship is possible. School Principals should be cognizant of the time that it may take for the candidate to receive his or her H-1B document.
- 1.2. Candidates will not work in any capacity at a school site prior to receiving the appropriate documentation.
- 1.3. School Principal must submit a complete checklist to Human Resources (HR) for review.
- 1.4. HR will review the checklist and provide to Home Office Leadership for approval.
- 1.5. Once approval is received from the Home Office, HR will notify the School Principal.
- 1.6. HR will reach out to outside counsel to initiate the processes.
- 1.7. HR will be primary responsible for communicating with outside counsel.
- 1.8. If additional information is needed, outside counsel will communicate with HR.
- 1.9. HR will work with the School Principal to gather all required documentation to be provided to legal.
- 1.10. Prospective employees may begin work until such time as legal and HR have given notice that the Visa has been granted.
- 1.11. Once the VISA is granted, the School Principal must notify HR of any changes in employment and location before the change is initiated. This item must be approved by outside counsel before any changes can take place.

- 1.12. Renewal paperwork should begin within six (6) months of the expiration of the Visa.
- 1.13. All files will be kept at the Central Office.
- 1.14. Magnolia staff will ensure that the average wage paid to all employees in the specific job title and the specific location of the sponsored employees are maintained.
- 1.15. Magnolia will ensure that employee as followed the specific directive and may ask for supporting documentation (i.e. plane tickets, receipts)

2. LABOR CONDITION FORM

- 2.1 Magnolia will ensure that the prevailing wage as determined by the Department of Labor is maintained for each case.
- 2.2 Magnolia will ensure that every employee on an H-1B for the job title and location is paid the higher of the two.
- 2.3 Outside counsel will assist in the preparation of the Labor Condition Form.
- 2.4 Labor Condition Form will be signed by a Magnolia Public Schools representative.
- 2.5 The Labor Condition must be posted at the specific for a period of 10 days in a location where all employees have access.
- 2.6 Magnolia will retain payroll records for each employee to verify and validate the average wages and the prevailing wage paid.
- 2.7 The supporting documentation that is prepared as a part of the H-1B application and the labor condition form must be shared with each of the sponsored H-1B employees for informational purposes.
- 2.8 In case that requests for information are received either by phone or in person relating to the H-1B process, employees should follow Magnolia's Communication Policy and route the person to the School Principal, Human Resources, or a member of the CMO Staff to ensure that accurate information is provided to Government Officials.

MAGNOLIA PUBLIC SCHOOLS

Board Of Directors

Board Agenda Item #	II B
Date:	May 12, 2016
To:	MPS Board of Directors
From:	Caprice Young, Ed.D., CEO & Superintendent
Staff Lead:	Frank Gonzalez, Chief Growth Officer and Ozwaldo Diaz, Chief Financial Officer
RE:	Baseline Capital Plan

Proposed Board Recommendation

I move that the Board approved the MPS Baseline Capital Plan as presented.

Background

The board approves the capital projects on an individual basis; however, this model is used for planning purposes. This baseline includes only the current active capital projects:

- MSA 1 Expansion
- MSA 7 New Portables
- MSA Santa Ana New Building and Cafegymatorium
- MSA San Diego New Site

The purpose of this model is to allow us to manage our ongoing cash and debt capacity as we consider new projects for existing and future programs. Also, we will provide it to financial institutions as we seek the best financing alternatives for our school facilities. Our intention is to update this model annually and whenever the board makes facilities decisions impacting our capital strategy. It is especially important to our analytical process when we encounter facilities opportunities, like the purchase of the San Diego site, which must be assessed and acted upon quickly.

EdTec manages this model on our behalf and can run scenarios against it at our request.

These are notes to consider when reviewing this model:

- Enrollment, revenue and expense assumptions are primarily based on the info we had on file as of 4/1/16 (before all budget meetings), the FY16-17 numbers are continually changing right now as we work on them with the principals and those changes are not yet incorporated here. Only includes CSFIGP grants that are already in place, no new CSFIGP (applications in process currently for MSA-1, 6, 8, SD, maybe SC)
- All sites to show positive net income in all years except for MSA-SA which has a small loss in the big expansion year FY16-17, MSA-SC and MERF with current year forecasted net loss.
- CMO fee expense is based on current fee structure approved for FY15-16.

- Pro-forma includes estimated 2% salary increases in FY16-17 and 0.5% increase in out years. Increasing FY16-17 to the 5% increase that we have been discussing in other budget meetings will likely push a few of the schools back into negative net income in this model, so I left it as is for now.
- MSA-1 – no gym rent expense included in FY16-17, pending further information.
- MERF FY16-17 budget is before all recent discussions.
- MSA-7 – pro-forma includes \$567k in capex in FY16-17 for modular installs.
- MSA-SD includes \$815k in soft costs as capitalized item in FY16-17 – no interest included on long-term loan to repay this – adding would likely push SD into negative net income in FY17-18 and FY18-19.
- MSA-SC – includes scenario assuming move and keeping open with 200 students next year.

Fiscal Impact

This baseline model shows that MPS has the capacity to implement current facilities projects

Board Of Directors

Board Agenda Item #	II C
Date:	May 12, 2016
To:	Board of Directors
From:	Terri Boatman, Director of Human Resource
Staff Lead:	Terri Boatman, Director of Human Resource
RE:	Non-Certificated/Admin/Special Instruction Roles Pay Bands

Proposed Board Recommendation

I move that the board approve the new compensation model for Non-Certificated, Administration, and Special Instruction school employee pay rates.

Background

One of the most basic functions of management is to establish a compensation scheme that is competitive and equitable and that promotes employee engagement and high performance. A well-designed compensation philosophy supports the organization's strategic plan and initiatives, business goals, competitive outlook, operating objectives, and compensation and total reward strategies.

Currently, the process for establishing an individual's salary has been base in qualifications criteria which may or may not be required for the position and that continue to lag with other school districts and CMO's. The pay sheet identifies compensation components based on a variety of variables including degree, credential, years of experience, time with Magnolia and extra duty. In theory, a member of the non-certificated team may not have a credential, and the degree should be a consideration in the offer process, but not necessarily be a variable in compensation decisions, as years of experience may off set formal learning. The advantages to this processes have been to establish more consistent salary levels at each site based on criteria.

However, this process is no longer effectively yielding candidates who are qualified and for retaining our highly effective staff because we continue to lag against districts and other CMO's.

Therefore, we are recommending a new system that addresses these concerns. For recruiting and retention purposes, we recommend establishing salary ranges and pay bands of compensation for certain school level positions. Salary range is the range of pay that has been established to be paid to employees performing a particular job or function. Salary range generally has a minimum pay rate, a maximum pay rate, and a series of mid-range opportunities for pay increases. The salary range was determined by market pay rates, established through market pay studies, for

MAGNOLIA PUBLIC SCHOOLS

13950 Milton Ave. 200B Westminster, CA 92683

P: (714) 892-5066 F: (714) 362-9588

people doing similar work in similar industries in the same region of the country. Pay rates and salary ranges are also set up by individual employers and recognize the level of education, knowledge, skill, and experience needed to perform each job. The salary range demonstrates the interrelationships of the jobs utilized by an employer. The salary range reflects our needs such as the overlap in salary ranges that will allow career development and pay increases without promotion at each level and the percentage of increase the organization will offer an employee for a promotion.

In addition, we face recruiting competition from other non-profits, CMO's and for public schools. An analysis of school roles shows that Magnolia's current compensation scale lags in comparison to other school districts and charter schools in Southern CA.

The minimum for most salary bands mirror impending changes to the California minimum wage law which was signed by the Governor this week which will increase the State minimum wage to \$15.00 an hour which has already been approved by the City of LA.

Currently salary ranges for positions are as follows:

Position	Minimum Salary	Median Salary	Max
Dean	\$62000	\$68000	\$85000
Principal	\$85000	\$92000	\$97440
SPED Teacher	\$54000	\$59000	\$64000
TA	\$12.00		\$15.00
Custodians	\$10.00	\$12.93	\$14.76
School Psychologist	\$54,300	\$54,300	\$54,300
Office Manager	\$14.48	\$18.29	\$22.40
Office Clerk	\$9.62	\$14.52	\$17.00
IT Personnel	\$10.00	\$14.00	\$22.00
School Aides/Security	\$10.00	\$14.00	\$22.00

MAGNOLIA PUBLIC SCHOOLS

13950 Milton Ave. 200B Westminster, CA 92683

P: (714) 892-5066 F: (714) 362-9588

New Salary Ranges:

Position	Minimum Salary	Median Salary	Max
Dean	\$70,000	\$82,000	\$94,000
Principal	\$90,000	\$102,000	\$114,000
SPED Teacher	\$58,000	\$70,000	\$82,000
TA	\$15.00	\$20.77	\$26.53
Custodians	\$15.00	\$20.77	\$26.53
School Psychologist	\$58,000	\$70,000	\$82,000
Office Manager	\$18.00	\$23.75	\$29.53
Office Clerk	\$15.00	\$20.77	\$26.53
IT Personnel	\$15.00	\$20.77	\$26.53
Security Aides	\$15.00	\$20.77	\$26.53

Budget Implications

Our analysis of the 2016-2017 budget allowed for a 2% increase in salaries. The guidance of the application of the new pay bands for admin, non-certificated and special instruction roles will not exceed 2% of total salaries.

Our proposal is to raise the base salaries of anyone to the minimum. The % increase based on the means would be:

Position	% increase from Mean
Dean	2.94%
Principal	5.88%
SPED Teacher	7.04%
TA	
Custodians	16.01%
School Psychologist	7.04%
Office Manager	0
Office Clerk	3.30%
IT Personnel	7.14%
School Aides/Security	7.14%

MAGNOLIA PUBLIC SCHOOLS

13950 Milton Ave. 200B Westminster, CA 92683

P: (714) 892-5066 F: (714) 362-9588

The overall total impact to the school budget would remain at 2% since these adjustments affect a smaller population of employees and the majority of the employees are already within the bands and will receive a 2% increase.

Non-Certificated/Admin/Special Instruction Roles Salary Scale

Business Case

One of the most basic functions of management is to establish a compensation scheme that is competitive and equitable and that promotes employee engagement and high performance. A well-designed compensation philosophy supports the organization's strategic plan and initiatives, business goals, competitive outlook, operating objectives, and compensation and total reward strategies. As such, most compensation philosophies define the following basic tenets:

- To identify what the organization's pay programs and total reward strategies are.
- To identify how the pay programs and strategies support the organization's business strategy, competitive outlook, operating objectives and human capital needs.
- To attract people to join the organization.
- To motivate employees to perform at the best of their competencies, abilities and skill sets.
- To retain key talent and reward high-performing employees.
- To define the competitive market position of the organization in relation to base pay, incentive compensation and benefits opportunities.
- To define how the organization plans to pay and reward competitively, based on business conditions, competition and ability to pay.

A strong compensation philosophy is typically tied to an organization's mission, core business, operating strategies and competitive outlook. Some important questions discussed as a leadership team in developing our compensation philosophy follow:

- Does the organization wish to lead, lag or meet the market in terms of compensation and total rewards? How does this decision vary by position type?
- Is the organization currently leading, lagging or meeting the market? Why?
- Where is the organization positioned in terms of market competitiveness?
- What is the organization's mix of base pay, variable and incentive pay, working conditions and benefits offerings?
- How are pay and total rewards distributed?
- Do employees value the organization's programs, including pay, health care benefits, retirement and savings benefits, vacation and paid time off, incentives, and profit sharing?
- What are the strengths and weaknesses of the organization's current compensation and total rewards programs?

- Is the organization able to attract, hire and retain the resources it needs to be competitive and operationally effective?
- Does the organization have any potential constraints in executing a unified and consistent compensation philosophy, such as legal, union and non-union issues, internal and external labor markets, or special contracts?
- How long do employees stay with the organization?
- What is the turnover rate at the organization?
- Why do employees leave the organization? Where are they going?
- What are the organization's career development and promotion policies and strategies?
- What is the organization's labor mix?
- Who are the organization's main competitors?

Current State:

Currently Magnolia non-Certificated/admin salaries are based on the components of the pay sheet. The pay sheet identifies compensation components based on a variety of variables including degree, credential, years of experience, time with Magnolia and extra duty. In theory, a member of the school's administrative team may not have a credential, and the degree should be a consideration in the offer process, but not necessarily be a variable in compensation decisions, as years of experience may off set formal learning.

In addition, we face recruiting competition from other non-profits, CMO's and for profit businesses. An analysis of school and administrative roles shows that Magnolia's current compensation scale lags in comparison to other CMO's and public school systems in Southern CA.

Recommendation:

For recruiting and retention purposes, we recommend establishing salary ranges and pay bands to non-certificated/Admin positions versus applying compensation per the pay sheets.

Salary range is the range of pay that has been established to be paid to employees performing a particular job or function. Salary range generally has a minimum pay rate, a maximum pay rate, and a series of mid-range opportunities for pay increases. The salary range was determined by market pay rates, established through market pay studies, for people doing similar work in similar industries in the same region of the country.

Pay rates and salary ranges are also set up by individual employers and recognize the level of education, knowledge, skill, and experience needed to perform each job. The salary range demonstrates the interrelationships of the jobs utilized by an employer. The salary range reflects our needs such as the overlap in salary ranges that will allow career development and pay

increases without promotion at each level and the percentage of increase the organization will offer an employee for a promotion.

The salary range for executive-level positions is normally the largest; the salary range for lower-level positions is normally the narrowest.

Salary range is also affected by additional demographic and market factors. The number of people available to perform a specific job in the employer's region, competition for employees with the needed skills and education, and the availability of jobs, in general help employers set the salary range for a particular job.

Process:

Building a market and performance based pay structure encompassed the following steps.

Steps	Activities																		
Gathering background information	Job Analysis, Job Description, and Department Identification																		
Determining source of external data	Utilized external comp data from Towers Watson, Salaries.com, Edjoin and other CMO's.																		
Conduct market data analysis	Completed using sources listed above.																		
Identify Non-Certificated/Admin Roles	<table border="0" style="width: 100%;"> <tr> <td style="width: 50%;">Deans</td> <td style="width: 50%;">SPED Teachers</td> </tr> <tr> <td>Principals</td> <td>School Psychologists</td> </tr> <tr> <td>Office Managers</td> <td>Librarians</td> </tr> <tr> <td>Administrative Assistants</td> <td></td> </tr> <tr> <td>Teaching Assistants</td> <td></td> </tr> <tr> <td>School Aides</td> <td></td> </tr> <tr> <td>IT Support</td> <td></td> </tr> <tr> <td>ASES Coaches</td> <td></td> </tr> <tr> <td>Other roles</td> <td></td> </tr> </table>	Deans	SPED Teachers	Principals	School Psychologists	Office Managers	Librarians	Administrative Assistants		Teaching Assistants		School Aides		IT Support		ASES Coaches		Other roles	
Deans	SPED Teachers																		
Principals	School Psychologists																		
Office Managers	Librarians																		
Administrative Assistants																			
Teaching Assistants																			
School Aides																			
IT Support																			
ASES Coaches																			
Other roles																			
Implement and evaluate the new pay structure	New contracts will be issues after approval from Board																		

Potential Concerns:

- Compression and equity: we may want to consider adjustments that address undesired compression, such as closeness in pay rates, between employees.
- Length of Service: We may consider adjusting pay rates to reflect length of service, experience or performance. In these situations, employees' pay rates may be increased a certain percentage above the range minimum for each year of service or higher level of performance. Employees with pay rates higher than the recommended adjusted rate would receive no increase; employees with pay rates lower than the recommended adjusted rate would receive an adjustment. For example, organizations that want to recognize years of service might increase each employee's pay 3 percent for each year of service in the position, up to 10 years.
- New Employees: Pay rates for new employees are set at the minimum of the range. Any exceptions must be approved by the CEO, COO and/or CFO and must be documented.
- Annual Increases: Annual increases will be tied to the annual performance ratings. Employees who rate a "meets expectation" would receive the budgeted increase amount whereas an employee who rates above average would be eligible to receive a higher percentage increase.

Summary:

We believe that moving toward salary banding and salary scale based on the external market will drive employee engagement and help Magnolia attract top talent for all functions.

Upon approval, we will extend new contracts to employees which will reflect their new rates.

Our strategy for implementation:

- Raise all salaries to the min for each band and job title.
- Additional increases may be given based on Regional Director approval and the school's salary budget.
- We will make adjustments for equity if an employee in the department has a pay rate that is lagging behind peers. Adjustments will be based on years of service and performance.

MAGNOLIA PUBLIC SCHOOLS

Board Of Directors

Board Agenda Item #	II D
Date:	May 12, 2016
To:	MPS Board of Directors
From:	Terri Boatman, Director of Human Resources
Staff Lead:	Terri Boatman, Director of Human Resources
RE:	2016-2017 Home Office Compensation and Headcount

Proposed Board Recommendation

have a credential, and the degree should be a consideration in the offer process, but not necessarily be a variable in compensation decisions, as years of experience may off set formal learning.

In addition, we face recruiting competition from other non-profits, CMO's and for profit businesses. An analysis of financial and technical roles shows that Magnolia's current compensation scale lags in comparison to other industries and non-profits in Southern CA.

Budget Implications

There is an add to the total number of finance positions of two (Account Payable Associate and Purchasing Associate) which have been included in the Home Office budget for 2016-2017 in temp costs. Finance is also adding a required Senior Financial Analyst position.

Current temp costs are approximately \$150k for the two temp positions. There will be a savings of \$45k per year by hiring these positions full time.

The net overall increase to home office budget is estimated at \$57k (not including employee benefits). In addition, we would like to consider an overall salary increase to the home office staff of 2%.

Home Office Salary Scale

Business Case

One of the most basic functions of management is to establish a compensation scheme that is competitive and equitable and that promotes employee engagement and high performance. A well-designed compensation philosophy supports the organization's strategic plan and initiatives, business goals, competitive outlook, operating objectives, and compensation and total reward strategies. As such, most compensation philosophies define the following basic tenets:

- To identify what the organization's pay programs and total reward strategies are.
- To identify how the pay programs and strategies support the organization's business strategy, competitive outlook, operating objectives and human capital needs.
- To attract people to join the organization.
- To motivate employees to perform at the best of their competencies, abilities and skill sets.
- To retain key talent and reward high-performing employees.
- To define the competitive market position of the organization in relation to base pay, incentive compensation and benefits opportunities.
- To define how the organization plans to pay and reward competitively, based on business conditions, competition and ability to pay.

A strong compensation philosophy is typically tied to an organization's mission, core business, operating strategies and competitive outlook. Some important questions discussed as a leadership team in developing our compensation philosophy follow:

- Does the organization wish to lead, lag or meet the market in terms of compensation and total rewards? How does this decision vary by position type?
- Is the organization currently leading, lagging or meeting the market? Why?
- Where is the organization positioned in terms of market competitiveness?
- What is the organization's mix of base pay, variable and incentive pay, working conditions and benefits offerings?
- How are pay and total rewards distributed?
- Do employees value the organization's programs, including pay, health care benefits, retirement and savings benefits, vacation and paid time off, incentives, and profit sharing?
- What are the strengths and weaknesses of the organization's current compensation and total rewards programs?

- Is the organization able to attract, hire and retain the resources it needs to be competitive and operationally effective?
- Does the organization have any potential constraints in executing a unified and consistent compensation philosophy, such as legal, union and non-union issues, internal and external labor markets, or special contracts?
- How long do employees stay with the organization?
- What is the turnover rate at the organization?
- Why do employees leave the organization? Where are they going?
- What are the organization's career development and promotion policies and strategies?
- What is the organization's labor mix?
- Who are the organization's main competitors?

Current State:

Currently CMO salaries are based on the components of the pay sheet. The pay sheet identifies compensation components based on a variety of variables including degree, credential, years of experience, time with Magnolia and extra duty. In theory, a member of the finance team will not have a credential, and the degree should be a consideration in the offer process, but not necessarily be a variable in compensation decisions, as years of experience may offset formal learning.

In addition, we face recruiting competition from other non-profits, CMO's and for profit businesses. An analysis of financial and technical roles shows that Magnolia's current compensation scale lags in comparison to other industries and non profits in Southern CA.

Recommendation:

For recruiting and retention purposes, we recommend establishing salary ranges and pay bands to CMO positions versus applying compensation per the pay sheets.

Salary range is the range of pay that has been established to be paid to employees performing a particular job or function. Salary range generally has a minimum pay rate, a maximum pay rate, and a series of mid-range opportunities for pay increases. The salary range was determined by market pay rates, established through market pay studies, for people doing similar work in similar industries in the same region of the country.

Pay rates and salary ranges are also set up by individual employers and recognize the level of education, knowledge, skill, and experience needed to perform each job. The salary range demonstrates the interrelationships of the jobs utilized by an employer. The salary range reflects our needs such as the overlap in salary ranges that will allow career development and pay

increases without promotion at each level and the percentage of increase the organization will offer an employee for a promotion.

The salary range for executive-level positions is normally the largest; the salary range for lower-level positions is normally the narrowest.

Salary range is also affected by additional demographic and market factors. The number of people available to perform a specific job in the employer's region, competition for employees with the needed skills and education, and the availability of jobs, in general help employers set the salary range for a particular job.

Process:

Building a market and performance based pay structure encompassed the following steps.

Steps	Activities
Gathering background information	Job Analysis, Job Description, and Department Identification
Determining source of external data	Utilized external comp data from Towers Watson, Salaries.com, Edjoin and other CMO's.
Conduct market data analysis	Completed using sources listed above.
Develop pay structures and bands	8-Entry Level 9-Non-exempt hourly 10-Entry Level exempt 11-Intermediate (or Individual contributor) 12-Manager level (Or Highly Proficient) 13-Director Level 15-Chief level
Implement and evaluate the new pay structure	New contracts will be issues after approval from Board

Potential Concerns:

- Compression and equity: we may want to consider adjustments that address undesired compression, such as closeness in pay rates, between employees.
- Length of Service: We may consider adjusting pay rates to reflect length of service, experience or performance. In these situations, employees' pay rates may be increased a certain percentage above the range minimum for each year of service or higher level of performance. Employees with pay rates higher than the recommended adjusted rate would receive no increase; employees with pay rates lower than the recommended adjusted rate would receive an adjustment. For example, organizations that want to recognize years of service might increase each employee's pay 3 percent for each year of service in the position, up to 10 years.
- New Employees: Pay rates for new employees are set at the minimum of the range. Any exceptions must be approved by the CEO, COO and/or CFO and must be documented.
- Annual Increases: Annual increases will be tied to the annual performance ratings. Employees who rate a "meets expectation" would receive the budgeted increase amount whereas an employee who rates above average would be eligible to receive a higher percentage increase.

Summary:

We believe that moving toward salary banding and salary scale based on the external market will drive employee engagement and help Magnolia attract top talent for all functions.

With the Board's approval, we will finalize the process which we have already undergone with IT and Finance positions and have a final compensation plan for the Board to approve at the next meeting.

Upon approval, we will extend new contracts to employees which will reflect their new rates.

Our strategy for implementation:

- Raise all salaries to the min for each band and job title.
- Employees whose current salaries within the band will remain at their current rate until next year.
- We will make adjustments for equity if an employee in the department has a pay rate that is lagging behind peers. Adjustments will be based on years of service and performance.

MAGNOLIA PUBLIC SCHOOLS

Board Of Directors

Board Agenda Item #	III A
Date:	May 12, 2016
To:	MPS Finance Committee
From:	Caprice Young, Ed.D., CEO & Superintendent
Staff Lead:	Oswaldo Diaz, Chief Financial Officer
RE:	2015-16 Educator Effectiveness Spending Plan

Proposed Board Recommendation

Discussion item, no action is required.

Background

School districts, county offices of education, charter schools, and state special schools with full-time equivalent (FTE) certificated staff are eligible to receive Educator Effectiveness funds. The staff counts were calculated by the State Superintendent of Public Instruction using data submitted to the California Longitudinal Pupil Achievement Data System (CALPADS) for the 2014–15 fiscal year.

As a condition of receiving Educator Effectiveness Funds, a school district, county office of education, charter school, or state special school are required to:

- 1) Develop and adopt a plan delineating how the Educator Effectiveness funds will be spent. The plan must be explained in a public meeting of the governing board before its adoption in a subsequent public meeting.
- 2) On or before July 1, 2018, report detailed expenditure information to the California Department of Education (CDE), including, but not limited to, specific purchases made and the number of teachers, administrators, or paraprofessional educators that received professional development.

This new funding must be used to support the following:

- 1) Beginning teacher and administrator support and mentoring, including programs that support new teacher and administrator ability to teach or lead effectively and to meet induction requirements adopted by the Commission on Teacher Credentialing and pursuant to Section 44259 of the Education Code.
- 2) Professional Development for teachers and administrators that is aligned to the state content standards.

MAGNOLIA PUBLIC SCHOOLS

13950 Milton Ave. 200B Westminster, CA 92683

P: (714) 892-5066 F: (714) 362-9588

- 3) Promote educator quality and effectiveness, including training on mentoring and coaching certificated staff and training certificated staff to support effective teaching and writing.

Funds can be expended anytime during the 2015-16, 2016-17, or 2017-18 fiscal years, and must be spent by June 30, 2018.

Budget Implications

There are no budget implications.

MAGNOLIA PUBLIC SCHOOLS

Board Of Directors

Board Agenda Item #	IV A
Date:	May 12, 2015
To:	Magnolia Board of Directors
From:	Caprice Young, Ed.D., CEO & Superintendent
Staff Lead:	Alfredo Rubalcava, Chief External Officer
RE:	15-16' Enrollment Update, pre-apps, and completed enrollment packets for the 16-17' school year

Proposed Board Recommendation

Information item only, no action is required.

Background

2015-2016' Enrollment, pre-application, and completed enrollment packets update for the 16-17' school year.

Since May 2015, I have been working collaboratively with all MPS schools to boost enrollment for the 15-16' school year, increase the number of pre-applications and completed enrollment packets for the 16-17' school year. Attached you will find the current enrollment figures, pre-applications, and completed enrollment packets (16-17') for all MPS schools.

Budget Implications

No Budget implications at this moment. Current enrollment across all schools has been stable since October 2015 (Norm Day). The number of pre-applications for all MPS schools is steadily increasing, especially at our MSA-SA campus. This trend bodes well for our enrollment numbers for the 16-17' school year. We will continue working toward our enrollment targets!

Name of Staff Originator:

Alfredo Rubalcava, Chief External Officer

MAGNOLIA PUBLIC SCHOOLS

Board Of Directors

Board Agenda Item #	Quarterly Report of Media Coverage from Larson Communications. In addition, social media metrics report for MPS.
Date:	May 12, 2016
To:	MPS Board of Directors
From:	Caprice Young, Ed.D., CEO & Superintendent
Staff Lead:	Alfredo Rubalcava, Chief External Officer
RE:	MPS Quarterly media report update (October-April 2016). social media metrics report

Proposed Board Recommendation

Informational item, no action required.

Review MPS Quarterly media report for the months of Oct. 2015-April 2016. Additionally, we will review MPS social media metrics report.

Background

MPS goal is to inform the Board about our media coverage for the months of October-April 2016. One of the underlying goals of this quarterly media report is to update the board on the vast amounts of positive and negative media coverage MPS has received over the last six months.

Budget Implications

There are no budget implications.

Name of Staff Originator:

Alfredo Rubalcava, Chief External Officer

MAGNOLIA
PUBLIC SCHOOLS

Magnolia Public Schools Communications Report January - April 2016

Summary

During the first four months of 2016, Larson Communications (LC) worked with Magnolia Public Schools (Magnolia) to counteract the regular cadence of attacks launched by Amsterdam & Partners, while also working to proactively define Magnolia's brand. Amsterdam's campaign has been non-stop, fueled by endless sums of money and attacking the schools on all fronts. LC continues to leverage relationships with reporters to dissuade them from pursuing stories prompted by outreach from Amsterdam's p.r. representatives.

In order to proactively define Magnolia as a network of successful STEAM schools, **LC pitched and secured positive pieces in Orange County and Los Angeles media markets, including placing impactful opinion pieces**, while also working with reporters behind the scenes to provide them with information that would counteract the false claims they had received from Amsterdam's p.r. representatives. The positive stories placed focused on Magnolia students' aggregate and individual achievements, pressing school districts for charter approval and continued support. Opinion pieces by Caprice Young further drove home the narrative that Magnolia schools are high-achieving, public STEAM schools that are assets to their communities.

In both Los Angeles and Orange counties, LC worked hard to get Caprice's unique voice into print through both op-eds and quotes in larger pieces. This sets Caprice up as a thought leader, which helps to counteract the negative perceptions fueled by Amsterdam, by presenting her and Magnolia's viewpoint first. Caprice's voice came through in each piece as thoughtful and factual, giving authority and credence to Magnolia's combatting of any allegations.

Through both these op-eds and other media placements, LC continues the slow process of responding to Amsterdam's many false claims as well as the ripple effects from anti-charter critics, particularly in Orange County. LC spent a significant amount of time this quarter working with reporters on proactive stories to combat these allegations, focusing most heavily on the *Los Angeles Times*, the *San Diego Union-Tribune*, *EdSource*, and the *Orange County Register* (including an editorial board meeting). To prepare for these reporters interactions, Larson finalized fact sheets, mined for positive stories, and developed positive messaging. Additionally, Larson developed and helped to execute on a comprehensive social media strategy across multiple platforms.

Larson also coordinated efforts with the National Alliance for Public Charter Schools when they were forced to respond to questions on the Hill. LC also recommended strategies including filing a complaint with the California Department of Education in the wake of the private screening arranged by the school district in Orange County.

Overall, these proactive, positive stories continue to bolster Magnolia's brand of student STEAM achievement and success. This quarter saw a total of **32 placements**, with articles in the *Los Angeles Times*, *Los Angeles Daily News*, *LA School Report*, *KPCC FM*, *Orange County Register*, and many other outlets. A majority of these placements were positive stories either proactively defining Magnolia or counterbalancing negative allegations.

Next Steps

LC’s strategic recommendation is for Magnolia to put out press releases that put Amsterdam and folks on the defensive. While those individual pitches may not garner media coverage, they will serve to drive the narrative, particularly for reporters who are keeping an eye on this story. Part of this strategy is to put out press releases announcing the support of elected officials while also increasingly engaging the support of parents. The plan is to amplify parents’ voices in Spanish-language media while communicating to the larger public parent representatives’ demands that the Republic of Turkey cease its campaign. We also need to be aware of the new charter petition hearings that will be coming up in the summer. Amsterdam has been doing its work in reaching the ears of those who will vote, so Magnolia needs to move forward with a well-coordinated campaign.

The rest of this spring and summer, we recommend continuing our work building on the positive momentum created through the first quarter of the year with proactive media campaigns. These stories will include stand-alone human-interest pieces, local TV coverage of student events and stories of academic accomplishment. Centered on Magnolia’s STEAM work and student competitions, LC will work to drive coverage across Magnolia’s regions and schools.

Over the next few months, LC will work with Magnolia on their rebrand (or brand refresh) and preparing for their 15th year anniversary. This includes prioritizing social media platforms, making branding more consistent and aligning stories between platforms. LC will also continue to provide strategic counsel on both internal and external communications which will further Magnolia’s ability to serve students and families.

The Amsterdam campaign does not look like it will cease anytime soon. LC has spoken to at least a dozen national and education trade reporters, but given the extent of reporting this story would entail, the response has been interested, but not urgent. *The Los Angeles Times* is the closest to doing a story—and they will—so LC continues to find news hooks to encourage them to do the article sooner rather than later. The hope is for that article to lay all the facts out there, put it in the appropriate political context, and allow us to leverage it for further coverage that would shine a spotlight on Amsterdam’s and the Turkish president’s motivations. LC believes that while it is a slow process, it will pay off.

If we continue to proactively define Magnolia on our own terms, we will build Magnolia’s brand as that of a high-performing, STEAM-focused school system preparing students for college and career. Already, the recent release of the U.S. News & World Report rankings further bolstered Magnolia’s position as having some of the best public schools in the state. However, in order to ensure that we are able to proactively tell the student success stories (winning robotics competitions, etc.), we need to work harder on follow-through to get us the information and details we need to pitch these stories. This needs to be articulated to the team as a top priority, since positive stories that show academic achievement are our most powerful tools against the opponents. They have the funds, but we have the student successes and results. LC is confident that together we can continue to mine and pitch these stories, spreading awareness of Magnolia’s brand and pave the path towards the organization serving even more students.

Social Media Metrics

Facebook

Over the last 180 days, Magnolia's Facebook page has seen:

Total page fans : 178

Monthly engaged users (i.e. fans who like, comment, click on MPS' posts) : 29 users on average

Monthly total reach (i.e. number of fans who see MPS' posts): 269 users on average

Next steps for MPS' Facebook page:

1. Focus Facebook page content on important themes that are relevant to MPS like teacher and student recruitment, STEAM education, etc.
2. Focus on putting out friendlier, more personality-showcasing posts that highlight not only the schools' new developments but also the network's values. A few examples of posts in this category can include:
 - a. School events, especially school visits from notable figures.
 - b. School projects that showcase growth and progress.
 - c. Holiday-adhering posts that showcase the network's values and personality.
3. Strike a balance between posts that appeal to the existing audiences of staff and community members *and* new audiences like existing students and alumni.
4. Create an org-wide Social Media infrastructure. We will coordinate with individual school site Social Media leads to increase the overall exposure of MPS' built-in audiences. Especially student audiences from those pages.

Efforts in this area can include:

- a. Identifying and managing individual school site's social media managers for better coordination of efforts.
- b. Providing training webinars on best social media best practices.
- c. Coordinating content posting schedule so individual school site's content complements the main network page and vice versa.

Twitter

Over the last 91 days, MPS' Twitter account earned:

A total of 33,400 impressions:

An average engagement rate of 1.4%:

An average of 2 post likes per day:

Next steps for MPS’ Twitter page:

Since the temperature on Twitter is hot with lots of MPS’ opponents trying to spread false information, MPS’ Twitter account will focus on setting up an air cover of positive developments to drown out the negative noise:

- Achievements (e.g. school data, awards).
- Magnolia wide and school specific events
- News and developments
- Posts that focus on promoting STEAM education and Arts education.

Items to Watch

Potential risks that could have a negative effect on the financials

Risk	Description	Sites Affected
P-2 ADA	P-2 ADA decreased for many sites, which had a negative effect on funding.	MSA-1, 2, 3, 4, 7 & SD
STRS/PERS	STRS/PERS payments were greater than the liability in January, February, & March	All Sites
Health & Welfare Benefits	H&W Benefits were paid for employees that were terminated. Credits were received, but did not cover total overpayment.	MSA-SC. MSA-2, 3, 4, 8 & SD were also affected, but not as material
Payroll Fees	Payroll fees have increased by approximately 213% with Paycom. Average expense from July – December was \$5,352, while average from January – March was \$16,777.	All Sites
Uncategorized	Uncategorized has steadily increased, which limits the ability to forecast accurately	MERF, MSA-1, 3, 5, 8, SA, SD

Forecast Summary – MSA-1

Forecasted Operating Income of \$295,276 after depreciation,
a decrease of \$57,167 from the Previous Forecast.

MSA-SA	140.8	143.33	2.53	1.80%
MSA-SC	96.25	NO DATA RECEIVED	-	-
MSA-SD	410	405.61	(4.39)	-1.07%

Average loss of ADA across the 10 sites was -0.17%.
Total LCFF funding impact is \$(149,485).

PCSGP Update

MSA-SA PCSGP Grant

MSA-SA had \$315,326 remaining in PCSGP grant after Q3 report. All remaining funds *must* be spent by 7/31/2016

□ Overview of Allowable Expenses

- Grant funds supplement, not supplant, state or local funds
- Costs correlate to a grant objective or a Work Plan activity. The Work Plan proposes activities with measurable outcomes that will enhance the quality of the school.
- Costs are one time in nature, not ongoing operational costs.
- Costs are obligated during the grant project period. Goods purchased or services rendered *after* the duration of the grant project period are **not** allowable costs.
- All purchases are reasonable and necessary to complete grant activities.

Merit Test

Can you take it with you? If YES, then it is allowable

MSA-SA PCSGP Grant

MSA-SA has \$315,326 remaining in PCSGP grant after Q3 report. All remaining funds *must* be spent by 7/31/2016
