

Magnolia Public Schools

Community and Parent Engagement Committee Meeting

Date and Time

Thursday June 2, 2016 at 6:00 PM

Location

Dial: 1.844.572.5683 Code: 1948435

Regular Community and Parent Engagement Committee Meeting

Access to the Board Meeting: Any interested parties or community members from remote locations may attend the meeting at the following school sites or the addresses where the Board members are joining the meeting from:

Remotely by dialing in to the numbers provided above

- 11000 Wilshire Blvd. Los Angeles, CA 90024 Ste 1700 (Diane Gonzalez)
- 4831 E. Copa de Oro Dr. Anaheim, CA 92807 (Remzi Oten)

In compliance with the Americans with Disabilities Act (ADA) and upon request, Magnolia Public Schools may furnish reasonable auxiliary aids and services to qualified individuals with disabilities. Individuals who require appropriate alternative modification of the agenda in order to participate in Board meetings are invited to contact the MPS central office. If you need special assistance to attend the meeting or translation services, please notify Barbara Torres at (213) 628-3634 x100 to make arrangements and accommodations.

Any public records relating to an agenda item for an open session of the Board which are distributed to all, or a majority of all, of the Board members shall be available for public inspection at 250 East 1st Street Los Angeles, CA 90012.

Community and Parent Engagement Committee Members:

Mrs. Diane Gonzalez
Dr. Remzi Oten

CEO and Superintendent
Caprice Young

Magnolia Public Schools

Minutes

Community and Parent Engagement Committee Meeting

Date and Time

Tuesday March 8, 2016 at 5:00 PM

Location

Teleconference Dial: 1.844.572.5683 Code: 1948435

Special Community and Parent Engagement Committee Meeting

Community and Parent Engagement Committee Members:

Mrs. Diane Gonzalez

Dr. Remzi Oten

CEO and Superintendent

Caprice Young

Board Members Present

D. Gonzalez (remote), R. Oten (remote)

Board Members Absent**Guests Present**

A. Rubalcava (remote), B. Torres (remote), J. White, K. Hourigan, L. Schlottman

I. Opening Items**A.Record Attendance and Guests****B.Call the Meeting to Order**

D. Gonzalez called a meeting of the Community and Parent Engagement committee of Magnolia Public Schools to order on Tuesday Mar 8, 2016 @ 5:04 PM at Teleconference Dial: 1.844.572.5683 Code: 1948435.

C.Approve Minutes of Special Community and Parent Engagement Committee Meeting- January 21, 2016

D. Gonzalez made a motion to approve minutes from the Community and Parent Engagement Committee Meeting on 01-21-16.

R. Oten seconded the motion.

The committee **VOTED** unanimously to approve the motion.

II. Discussion Items

A.Review SPSA Plans for MSA 4, MSA 6, and MSA San Diego

A. Rubalcava, Chief External Officer, gave the Board a quick review of what Single Plan Student Achievement (SPSA) plans consist of. This item was a follow up item on a previous Parent and Community Engagement Committee meeting item where SPSA plans of most schools were discussed. This was a discussion item, no actions were taken.

B.Civic Engagement Program Review

A. Rubalcava, Chief External Officer, told the committee members that Magnolia Public Schools (MPS) received a grant from Murmuration for more than \$282,000 that will be disbursed over the course of 18 months. Murmuration received access to MPS data and created specific targets for each school, such as getting parents to register to vote and increasing the amount of registered staff and kids over the age of 17, amongst other goals. A. Rubalcava explained the detailed plan created to achieve these goals, including the roles and responsibilities of the three employees hired specifically for this project. A. Rubalcava addressed all questions. This was a discussion item, no actions were taken.

C.Presentations of Local Control and Accountability Plan (LCAP) Update for MSA SD, MSA SC and MSA SA

A. Rubalcava, Chief External Officer, gave the committee a review of what the SPSAs consist of. This item was a follow up item of a previous Parent and Community Engagement Committee meeting where SPSA plans of most schools were discussed. L. Schlottman and J. White, MSA Santa Ana and MSA 3 principals, presented a detailed discussion about the current LCAP plans for their sites including details on the school site counsel, EL reclassification and EL coordinators. K. Hourigan, Chief Operations Officer explained to the committee the action plan for creating a gifted program for Magnolia students, such as interviewing for the position of director of special programs. MPS staff addressed all questions. This was a discussion item, no actions were taken.

III. Closing Items

A.Adjourn Meeting

There being no further business to be transacted, and upon motion duly made, seconded and approved, the meeting was adjourned at 6:00 PM.

Respectfully Submitted,
D. Gonzalez

MAGNOLIA PUBLIC SCHOOLS

Board Of Directors

Board Agenda Item #	II A
Date:	June 2, 2016
To:	Parent Engagement and Community Committee (PECC)
From:	Caprice Young, Ed.D., CEO & Superintendent
Staff Lead:	Alfredo Rubalcava, Chief External Officer
RE:	Review all MPS LCAP's for the 16-17' school year; recommendations made by all stakeholders. Share Parent recognition breakfast date. Update the committee on the "Civic engagement program" (oral presentation)

Proposed Board Recommendation

Informational item required, no action required. The PECC will give feedback and recommendations on the Magnolia Public Schools (MPS) LCAP plans for the 16-17' school year.

Background

As a critical component of the LCFF law, every school district must engage parents and community to create a Local Control and Accountability Plan (LCAP). The LCAP is intended to be a comprehensive planning tool.

Each plan must describe:

- School-wide goals, as well as specific actions to be taken to achieve the goals for all students, including specific subgroups of students, in each of **the eight state priority areas**, plus any locally identified priority areas.
- Expected progress toward meeting the goals—and as part of a schools required annual update of the plan, the school must describe actual progress made toward meeting the goals and describe any adjustments to be made.
- Expenditures required to implement each of the goals and actions, including a description of how additional funds provided for low-income students, English learners and foster youth will be used to increase or improve services for these students.
- The process used to involve parents, students, community members, school employees and other stakeholders in developing, reviewing and supporting implementation of the LCAP.

The MPS home office has been collaborating with the schools in ensuring that all the LCAP's are aligned to the 8 state priorities and that the schools are meaningfully engaging the parents and the community. All MPS school principals will present their recommended LCAP's for the 16-17' school year.

MAGNOLIA PUBLIC SCHOOLS

13950 Milton Ave. 200B Westminster, CA 92683

Introduction:

LEA: Magnolia Science Academy-1 Contact (Name, Title, Email, Phone Number): Mustafa Sahin, Principal, msahin@magnoliapublicschools.org, (818) 609-0507
LCAP Year: 2016-17

Local Control and Accountability Plan and Annual Update Template

The Local Control and Accountability Plan (LCAP) and Annual Update Template shall be used to provide details regarding local educational agencies' (LEAs) actions and expenditures to support pupil outcomes and overall performance pursuant to Education Code sections 52060, 52066, 47605, 47605.5, and 47606.5. The LCAP and Annual Update Template must be completed by all LEAs each year.

For school districts, pursuant to Education Code section 52060, the LCAP must describe, for the school district and each school within the district, goals and specific actions to achieve those goals for all pupils and each subgroup of pupils identified in Education Code section 52052, including pupils with disabilities, for each of the state priorities and any locally identified priorities.

For county offices of education, pursuant to Education Code section 52066, the LCAP must describe, for each county office of education-operated school and program, goals and specific actions to achieve those goals for all pupils and each subgroup of pupils identified in Education Code section 52052, including pupils with disabilities, who are funded through the county office of education Local Control Funding Formula as identified in Education Code section 2574 (pupils attending juvenile court schools, on probation or parole, or mandatorily expelled) for each of the state priorities and any locally identified priorities. School districts and county offices of education may additionally coordinate and describe in their LCAPs services provided to pupils funded by a school district but attending county-operated schools and programs, including special education programs.

Charter schools, pursuant to Education Code sections 47605, 47605.5, and 47606.5, must describe goals and specific actions to achieve those goals for all pupils and each subgroup of pupils identified in Education Code section 52052, including pupils with disabilities, for each of the state priorities as applicable and any locally identified priorities. For charter schools, the inclusion and description of goals for state priorities in the LCAP may be modified to meet the grade levels served and the nature of the programs provided, including modifications to reflect only the statutory requirements explicitly applicable to charter schools in the Education Code.

The LCAP is intended to be a comprehensive planning tool. Accordingly, in developing goals, specific actions, and expenditures, LEAs should carefully consider how to reflect the services and related expenses for their basic instructional program in relationship to the state priorities. LEAs may reference and describe actions and expenditures in other plans and funded by a variety of other fund sources when detailing goals, actions, and expenditures related to the state and local priorities. LCAPs must be consistent with school plans submitted pursuant to Education Code section 64001. The information contained in the LCAP, or annual update, may be supplemented by information contained in other plans (including the LEA plan pursuant to Section 1112 of Subpart 1 of Part A of Title I of Public Law 107-110) that are incorporated or referenced as relevant in this document.

For each section of the template, LEAs shall comply with instructions and should use the guiding questions as prompts (but not limits) for completing the information as required by statute. Guiding questions do not require separate narrative responses. However, the narrative response and goals and actions should demonstrate each guiding question was considered during the development of the plan. Data referenced in the LCAP must be consistent with the school accountability report card where appropriate. LEAs may resize pages or attach additional pages as necessary to facilitate completion of the LCAP.

State Priorities

The state priorities listed in Education Code sections 52060 and 52066 can be categorized as specified below for planning purposes, however, school districts and county offices of education must address each of the state priorities in their LCAP. Charter schools must address the priorities in Education Code section 52060(d) that apply to the grade levels served, or the nature of the program operated, by the charter school.

A. Conditions of Learning:

Basic: *degree to which teachers are appropriately assigned pursuant to Education Code section 44258.9, and fully credentialed in the subject areas and for the pupils they are teaching; pupils have access to standards-aligned instructional materials pursuant to Education Code section 60119; and school facilities are maintained in good repair pursuant to Education Code section 17002(d). (Priority 1)*

Implementation of State Standards: *implementation of academic content and performance standards and English language development standards adopted by the state board for all pupils, including English learners. (Priority 2)*

Course access: *pupil enrollment in a broad course of study that includes all of the subject areas described in Education Code section 51210 and subdivisions (a) to (i), inclusive, of Section 51220, as applicable. (Priority 7)*

Expelled pupils (for county offices of education only): *coordination of instruction of expelled pupils pursuant to Education Code section 48926. (Priority 9)*

Foster youth (for county offices of education only): *coordination of services, including working with the county child welfare agency to share information, responding to the needs of the juvenile court system, and ensuring transfer of health and education records. (Priority 10)*

B. Pupil Outcomes:

Pupil achievement: performance on standardized tests, score on Academic Performance Index, share of pupils that are college and career ready, share of English learners that become English proficient, English learner reclassification rate, share of pupils that pass Advanced Placement exams with 3 or higher, share of pupils determined prepared for college by the Early Assessment Program. (Priority 4)

Other pupil outcomes: pupil outcomes in the subject areas described in Education Code section 51210 and subdivisions (a) to (i), inclusive, of Education Code section 51220, as applicable. (Priority 8)

C. Engagement:

Parental involvement: efforts to seek parent input in decision making at the district and each schoolsite, promotion of parent participation in programs for unduplicated pupils and special need subgroups. (Priority 3)

Pupil engagement: school attendance rates, chronic absenteeism rates, middle school dropout rates, high school dropout rates, high school graduations rates. (Priority 5)

School climate: pupil suspension rates, pupil expulsion rates, other local measures including surveys of pupils, parents and teachers on the sense of safety and school connectedness. (Priority 6)

Section 1: Stakeholder Engagement

Meaningful engagement of parents, pupils, and other stakeholders, including those representing the subgroups identified in Education Code section 52052, is critical to the LCAP and budget process. Education Code sections 52060(g), 52062 and 52063 specify the minimum requirements for school districts; Education Code sections 52066(g), 52068 and 52069 specify the minimum requirements for county offices of education, and Education Code section 47606.5 specifies the minimum requirements for charter schools. In addition, Education Code section 48985 specifies the requirements for translation of documents.

Instructions: Describe the process used to consult with parents, pupils, school personnel, local bargaining units as applicable, and the community and how this consultation contributed to development of the LCAP or annual update. Note that the LEA's goals, actions, services and expenditures related to the state priority of parental involvement are to be described separately in Section 2. In the annual update boxes, describe the stakeholder involvement process for the review, and describe its impact on, the development of the annual update to LCAP goals, actions, services, and expenditures.

Guiding Questions:

- 1) How have applicable stakeholders (e.g., parents and pupils, including parents of unduplicated pupils and unduplicated pupils identified in Education Code section 42238.01; community members; local bargaining units; LEA personnel; county child welfare agencies; county office of education foster youth services programs, court-appointed special advocates, and other foster youth stakeholders; community organizations representing English learners; and others as appropriate) been engaged and involved in developing, reviewing, and supporting implementation of the LCAP?
- 2) How have stakeholders been included in the LEA's process in a timely manner to allow for engagement in the development of the LCAP?
- 3) What information (e.g., quantitative and qualitative data/metrics) was made available to stakeholders related to the state priorities and used by the LEA to inform the LCAP goal setting process? How was the information made available?
- 4) What changes, if any, were made in the LCAP prior to adoption as a result of written comments or other feedback received by the LEA through any of the LEA's engagement processes?
- 5) What specific actions were taken to meet statutory requirements for stakeholder engagement pursuant to Education Code sections 52062, 52068, and 47606.5, including engagement with representatives of parents and guardians of pupils identified in Education Code section 42238.01?
- 6) What specific actions were taken to consult with pupils to meet the requirements 5 CCR 15495(a)?
- 7) How has stakeholder involvement been continued and supported? How has the involvement of these stakeholders supported improved outcomes for pupils, including unduplicated pupils, related to the state priorities?

<p>Involvement Process</p> <p>In order to promote learning and provide a more positive learning experience for our students, Magnolia Science Academy-1 (“MSA-1” or “Charter School”) has established a culture of gathering input from parents, students, staff, community members, and other stakeholders through multiple channels including meetings, school events, surveys, home visits, newsletters, and other means of communication. To the extent possible, all stakeholders are invited to be involved in the process of school review and improvement including the development of our annual LCAP.</p> <p>Information/input sessions include Parent Task Force (PTF) meetings, School Site Council (SSC) meetings, English Learner Advisory Committee (ELAC) meetings, Coffee with the Principal meetings, Board of Directors meetings, Principal meetings, Dean meetings, and staff meetings. In addition, the Charter School conducts surveys for parents, students, and teachers and the Charter School staff make home visits. These all serve as a way to inform, educate, and gather input & feedback from all critical stakeholders.</p> <p>The Charter School has an approved charter petition with measurable student outcomes and methods to assess student progress, an SSD plan with planned improvement in student performance in reading and mathematics and in programs for LEP students and immigrants, and a WASC action plan for continual school improvement. Therefore, LCAP is received by our community as a comprehensive planning tool that draws from all other school plans and addresses the state priorities and locally identified priorities.</p>	<p>Impact on LCAP</p> <p>All major groups have been informed of the LCAP work and given an opportunity to participate. The Charter School LCAP committee has reviewed input from all stakeholders and synthesized input to revise existing goals and also to set new goals in the LCAP over the next three years. The following are the major goal areas in the revised LCAP:</p> <ul style="list-style-type: none"> ▪ Fully implement state-adopted ELA and math academic content and performance standards for all students, including subgroups, and support teacher professional development ▪ Provide increased early intervention programs and communication with the parents of academically low-achieving students; visit students at their homes to discuss student progress and enhance student learning and involvement ▪ Set targets for proficiency and growth for all subgroups on the statewide and internal assessments and regularly review progress toward targets ▪ Analyze our programs for EL, SWD, and FY to provide increased instructional support to all student subgroups, including these student groups ▪ Develop college-preparedness ▪ Provide a nurturing and engaging learning environment and acknowledge and encourage positive student behavior and improvements for all our students and families, including those of all the subgroups enrolled in the Charter School to maintain sense of safety and school connectedness
<p>Annual Update:</p> <p>The Charter School held its periodical meetings in 2015-16 to gather input from its stakeholders. These include 8 PTF meetings, 4 SSC meetings, 4 ELAC meetings, at least 5 parent activities/events including 6 Coffee with the Principal meetings, weekly staff meetings and other stakeholder meetings. The school conducted a parent, teacher and student satisfaction survey with specific questions about school improvement and the eight state priorities. All students and teachers participated in this survey. Parent participation rate in the survey was 76%. The Charter School staff made 355 home visits during 2015-16 and sought feedback from the parents for school improvement.</p>	<p>Annual Update:</p> <p>Based on input from all stakeholders and available data through surveys and student achievement/school data, the Charter School has updated its LCAP. Some of the updates include:</p> <ul style="list-style-type: none"> ▪ Purchasing of common-core aligned instructional materials ▪ Addition of school-level support positions, e.g., instructional coach ▪ Improvements in English Learner services ▪ Expanding summer school ▪ Increasing employee salaries and implementing performance pay ▪ Increasing college preparedness by offering “Advisory” classes, a college planning and career exploration program for students, offering special programs to prepare students for the SAT/ACT tests, and encouraging students to take AP courses and participate in the EAP ▪ Investing in effective technology to enhance instruction in the classroom ▪ Offering an annual STEAM festival and a STEAM expo ▪ Other input includes improving school facilities, identification and support of immigrant students and foster youth, decreasing truancy and sustaining after school and Saturday programs.

Section 2: Goals, Actions, Expenditures, and Progress Indicators

Instructions:

All LEAs must complete the LCAP and Annual Update Template each year. The LCAP is a three-year plan for the upcoming school year and the two years that follow. In this way, the program and goals contained in the LCAP align with the term of a school district and county office of education budget and multiyear budget projections. The Annual Update section of the template reviews progress made for each stated goal in the school year that is coming to a close, assesses the effectiveness of actions and services provided, and describes the changes made in the LCAP for the next three years that are based on this review and assessment.

Charter schools may adjust the table below to align with the term of the charter school's budget that is submitted to the school's authorizer pursuant to Education Code section 47604.33.

For school districts, Education Code sections 52060 and 52061, for county offices of education, Education Code sections 52066 and 52067, and for charter schools, Education Code section 47606.5 require(s) the LCAP to include a description of the annual goals, for all pupils and each subgroup of pupils, to be achieved for each state priority as defined in 5 CCR 15495(i) and any local priorities; a description of the specific actions an LEA will take to meet the identified goals; a description of the expenditures required to implement the specific actions; and an annual update to include a review of progress towards the goals and describe any changes to the goals.

To facilitate alignment between the LCAP and school plans, the LCAP shall identify and incorporate school-specific goals related to the state and local priorities from the school plans submitted pursuant to Education Code section 64001. Furthermore, the LCAP should be shared with, and input requested from, schoolsite-level advisory groups, as applicable (e.g., schoolsite councils, English Learner Advisory Councils, pupil advisory groups, etc.) to facilitate alignment between school-site and district-level goals and actions. An LEA may incorporate or reference actions described in other plans that are being undertaken to meet the goal.

Using the following instructions and guiding questions, complete a goal table (see below) for each of the LEA's goals. Duplicate and expand the fields as necessary.

Goal: Describe the goal:

When completing the goal tables, include goals for all pupils and specific goals for schoolsites and specific subgroups, including pupils with disabilities, both at the LEA level and, where applicable, at the schoolsite level. The LEA may identify which schoolsites and

subgroups have the same goals, and group and describe those goals together. The LEA may also indicate those goals that are not applicable to a specific subgroup or schoolsite.

Related State and/or Local Priorities: Identify the state and/or local priorities addressed by the goal by placing a check mark next to the applicable priority or priorities. The LCAP must include goals that address each of the state priorities, as defined in 5 CCR 15495(i), and any additional local priorities; however, one goal may address multiple priorities.

Identified Need: Describe the need(s) identified by the LEA that this goal addresses, including a description of the supporting data used to identify the need(s).

Schools: Identify the schoolsites to which the goal applies. LEAs may indicate “all” for all schools, specify an individual school or a subset of schools, or specify grade spans (e.g., all high schools or grades K-5).

Applicable Pupil Subgroups: Identify the pupil subgroups as defined in Education Code section 52052 to which the goal applies, or indicate “all” for all pupils.

Expected Annual Measurable Outcomes: For each LCAP year, identify and describe specific expected measurable outcomes for all pupils using, at minimum, the applicable required metrics for the related state priorities. Where applicable, include descriptions of specific expected measurable outcomes for schoolsites and specific subgroups, including pupils with disabilities, both at the LEA level and at the schoolsite level.

The metrics used to describe the expected measurable outcomes may be quantitative or qualitative, although the goal tables must address all required metrics for every state priority in each LCAP year. The required metrics are the specified measures and objectives for each state priority as set forth in Education Code sections 52060(d) and 52066(d). For the pupil engagement priority metrics, LEAs must calculate the rates specified in Education Code sections 52060(d)(5)(B), (C), (D) and (E) as described in the Local Control Accountability Plan and Annual Update Template Appendix, sections (a) through (d).

Actions/Services: For each LCAP year, identify all annual actions to be performed and services provided to meet the described goal. Actions may describe a group of services that are implemented to achieve the identified goal.

Scope of Service: Describe the scope of each action/service by identifying the schoolsites covered. LEAs may indicate “all” for all schools, specify an individual school or a subset of schools, or specify grade spans (e.g., all high schools or grades K-5). If supplemental and concentration funds are used to support the action/service, the LEA must identify if the scope of service is districtwide, schoolwide, countywide, or charterwide.

Pupils to be served within identified scope of service: For each action/service, identify the pupils to be served within the identified scope of service. If the action to be performed or the service to be provided is for all pupils, place a check mark next to “ALL.”

For each action and/or service to be provided above what is being provided for all pupils, place a check mark next to the applicable unduplicated pupil subgroup(s) and/or other pupil subgroup(s) that will benefit from the additional action, and/or will receive the additional service. Identify, as applicable, additional actions and services for unduplicated pupil subgroup(s) as defined in Education Code section 42238.01, pupils redesignated fluent English proficient, and/or pupils subgroup(s) as defined in Education Code section 52052.

Budgeted Expenditures: For each action/service, list and describe budgeted expenditures for each school year to implement these actions, including where those expenditures can be found in the LEA’s budget. The LEA must reference all fund sources for each proposed expenditure. Expenditures must be classified using the California School Accounting Manual as required by Education Code sections 52061, 52067, and 47606.5.

Guiding Questions:

- 1) What are the LEA’s goal(s) to address state priorities related to “Conditions of Learning”?
- 2) What are the LEA’s goal(s) to address state priorities related to “Pupil Outcomes”?
- 3) What are the LEA’s goal(s) to address state priorities related to parent and pupil “Engagement” (e.g., parent involvement, pupil engagement, and school climate)?
- 4) What are the LEA’s goal(s) to address any locally-identified priorities?
- 5) How have the unique needs of individual schoolsites been evaluated to inform the development of meaningful district and/or individual schoolsite goals (e.g., input from site level advisory groups, staff, parents, community, pupils; review of school level plans; in-depth school level data analysis, etc.)?
- 6) What are the unique goals for unduplicated pupils as defined in Education Code sections 42238.01 and subgroups as defined in section 52052 that are different from the LEA’s goals for all pupils?
- 7) What are the specific expected measurable outcomes associated with each of the goals annually and over the term of the LCAP?
- 8) What information (e.g., quantitative and qualitative data/metrics) was considered/reviewed to develop goals to address each state or local priority?

- 9) What information was considered/reviewed for individual schoolsites?
- 10) What information was considered/reviewed for subgroups identified in Education Code section 52052?
- 11) What actions/services will be provided to all pupils, to subgroups of pupils identified pursuant to Education Code section 52052, to specific schoolsites, to English learners, to low-income pupils, and/or to foster youth to achieve goals identified in the LCAP?
- 12) How do these actions/services link to identified goals and expected measurable outcomes?
- 13) What expenditures support changes to actions/services as a result of the goal identified? Where can these expenditures be found in the LEA's budget?

GOAL #1:	All students will pursue academic excellence and be college/career ready.	Related State and/or Local Priorities: 1 <input checked="" type="checkbox"/> 2 <input checked="" type="checkbox"/> 3 <input type="checkbox"/> 4 <input checked="" type="checkbox"/> 5 <input type="checkbox"/> 6 <input type="checkbox"/> 7 <input type="checkbox"/> 8 <input checked="" type="checkbox"/> COE only: 9 <input type="checkbox"/> 10 <input type="checkbox"/> Local : Specify _____
-----------------	---	---

Identified Need :	<ul style="list-style-type: none"> ▪ Priority 1: ▪ To ensure teachers are appropriately assigned and fully credentialed ▪ To ensure every pupil has sufficient access to standards-aligned instructional materials ▪ To ensure school facilities are maintained in good repair ▪ Priority 2: ▪ To implement Common Core State Standards ▪ Priority 4: ▪ To increase the percentage of students who score proficient or above in English Language Arts/Literacy and math on the CAASPP assessment system ▪ To increase or maintain the API scores to meet or exceed the API growth targets school-wide and for all student subgroups ▪ To increase the percentage of graduating seniors who will have successfully completed courses that satisfy the UC/CSU or career technical education program ▪ To increase the percentage of ELs who make progress toward English language proficiency ▪ To increase the percentage of ELs who are reclassified as FEP ▪ To increase the percentage of students who take and pass AP exams ▪ To increase the percentage of students who are on track to be college/career ready ▪ Priority 8: ▪ To increase student proficiency in all courses
--------------------------	---

Goal Applies to:	Schools: All	Applicable Pupil Subgroups: All
-------------------------	---------------------	--

LCAP Year 1: 2016-17

Expected Annual Measurable Outcomes:	<ul style="list-style-type: none"> ▪ Priority 1: ▪ 100% of Charter School’s teachers will be appropriately assigned and fully credentialed as required by law and the charter. ▪ 100% of students will have sufficient access to standards-aligned instructional materials. ▪ At least 90% of the items on facility inspection checklists will be in compliance/good standing. ▪ Priority 2: ▪ Charter School will provide 100% implementation of CCSS in Math, ELA, History for all students. Science will be rolled out over 3 years, starting with 6th graders. ▪ Priority 4: ▪ All student subgroups will meet or exceed proficiency targets in English Language Arts/Literacy and math on the CAASPP assessment system. (Specific targets will be set as data becomes available.) ▪ For all student subgroups, the percentage of students performing proficient on the English Language Arts/Literacy and math sections of the CAASPP assessment system will increase by 5% from 2016 to 2017. ▪ For all student subgroups, the percentage of students performing proficient on the Reading/ELA and math sections of our internal, common-core aligned Measures of Academic Progress (MAP) assessment will increase by 5% from fall to spring. ▪ Charter School will meet or exceed the annual API growth targets for all student subgroups. ▪ At least 90% of graduating seniors will have successfully completed courses that satisfy the UC/CSU or career technical education program requirements. ▪ The percentage of EL students making annual progress in learning English as measured by the CELDT and/or ELPAC will increase by 5% from the prior year. ▪ The percentage of EL students who are reclassified will increase by 5% from the prior year. ▪ At least 50% of the graduating seniors will have passed an AP exam with a score of 3 or higher. ▪ At least 80% of students in grades 9-11 will participate in the PSAT test. ▪ At least 40% of students who participate in the PSAT test will meet or exceed college readiness benchmarks for their grade level. ▪ At least 80% of students in grade 11 will participate in the EAP assessment. ▪ At least 50% of students who participate in the EAP assessment will demonstrate college preparedness. ▪ Priority 8: ▪ At least 80% of all students enrolled in the Charter School for a full academic year will receive a grade of “C” or better (or perform “proficient” on the related state standardized tests) in core subjects and electives.

Annual Update

Annual Update Instructions: For each goal in the prior year LCAP, review the progress toward the expected annual outcome(s) based on, at a minimum, the required metrics pursuant to Education Code sections 52060 and 52066. The review must include an assessment of the effectiveness of the specific actions. Describe any changes to the actions or goals the LEA will take as a result of the review and assessment. In addition, review the applicability of each goal in the LCAP.

Guiding Questions:

- 1) How have the actions/services addressed the needs of all pupils and did the provisions of those services result in the desired outcomes?
- 2) How have the actions/services addressed the needs of all subgroups of pupils identified pursuant to Education Code section 52052, including, but not limited to, English learners, low-income pupils, and foster youth; and did the provision of those actions/services result in the desired outcomes?
- 3) How have the actions/services addressed the identified needs and goals of specific schoolsites and were these actions/services effective in achieving the desired outcomes?
- 4) What information (e.g., quantitative and qualitative data/metrics) was examined to review progress toward goals in the annual update?
- 5) What progress has been achieved toward the goal and expected measurable outcome(s)? How effective were the actions and services in making progress toward the goal? What changes to goals, actions, services, and expenditures are being made in the LCAP as a result of the review of progress and assessment of the effectiveness of the actions and services?
- 6) What differences are there between budgeted expenditures and estimated actual annual expenditures? What were the reasons for any differences?

Complete a copy of this table for each of the LEA's goals in the prior year LCAP. Duplicate and expand the fields as necessary.

--	---	--

Goal Applies to:	Schools: All	Applicable Pupil Subgroups: All
-------------------------	---------------------	--

Expected Annual Measurable Outcomes:

- Priority 1:**
- 100% of Charter School’s teachers will be appropriately assigned and fully credentialed as required by law and the charter.
 - 100% of students will have sufficient access to standards-aligned instructional materials.
 - At least 90% of the items on facility inspection checklists will be in compliance/good standing.
- Priority 2:**
- Charter School will provide 100% implementation of CCSS for all students.
- Priority 4:**
- For all student subgroups, the percentage of students performing proficient on the English Language Arts/Literacy and math sections of the CAASPP assessment system will increase by 5% from 2015 to 2016.
 - For all student subgroups, the percentage of students performing proficient on the Reading/ELA and math sections of our internal, common-core aligned Measures of Academic Progress (MAP) assessment will increase by 5% from fall to spring.
 - Charter School will meet or exceed the annual API growth targets for all student subgroups.
 - At least 90% of graduating seniors will have successfully completed courses that satisfy the UC/CSU or career technical education program requirements.
 - The percentage of EL students making annual progress in learning English as measured by the CELDT and/or ELPAC will increase by 5% from the prior year.
 - The percentage of EL students who are reclassified will increase by 5% from the prior year.
 - At least 50% of the graduating seniors will have passed an AP exam with a score of 3 or higher.
 - At least 80% of students in grades 9-11 will participate in the PSAT test.
 - At least 40% of students who participate in the PSAT test will meet or exceed college readiness benchmarks for their grade level.

Actual Annual Measurable Outcomes:

- Priority 1:**
- 100% of Charter School’s teachers are appropriately assigned and fully credentialed as required by law and the charter.
 - 75% of students have sufficient access to standards-aligned instructional materials.
 - At least 90% of the items on facility inspection checklists are in compliance/good standing.
- Priority 2:**
- Charter School provides 100% implementation of CCSS for all students.
- Priority 4:**
- For all student subgroups, the percentage of students performing proficient on the English Language Arts/Literacy and math sections of the CAASPP assessment system is expected to increase by 5% from 2015 to 2016. More specific targets will be set as 2016 SBAC data becomes available.)
- | | ELA/Literacy | | Math | |
|--------------------|--------------|-----------------|------|-----------------|
| | 2015 | 2016 (Expected) | 2015 | 2016 (Expected) |
| Schoolwide | 35% | 40% | 24% | 29% |

What changes in actions, services, and expenditures will be made as a result of reviewing past progress and/or changes to goals?

Goal, actions, and services will be maintained.

- Charter School will continue to provide core courses and electives as outlined in its charter petition and provide 100% access to all students.
- Charter School will continue to expand its online course offerings through Fuel Education and/or McGraw Hill Curriculum and/or APEX.
- Charter School will continue to offer "Advanced Math" class and club to students in grades 6-8.
- Charter School will continue to organize a local STEAM festival, participate in the Magnolia-wide STEAM expo and county-wide science fairs and activities.
- Charter School will continue to offer Computer/Technology classes and/or blended learning experience for our students. Charter School will continue to provide PD to our staff on Blended Learning.

Original GOAL from prior year LCAP:	All students, families, staff, and other stakeholders will feel a sense of community and connectedness.	Related State and/or Local Priorities: 1__ 2__ 3__✓ 4__ 5__✓ 6__✓ 7__ 8__ COE only: 9__ 10__ Local : Specify _____

What changes in actions, services, and expenditures will be made as a result of reviewing past progress and/or changes to goals?

Goal, actions, and services will be maintained.

- Charter School will continue to provide opportunities for parent involvement. Expenditure amount will be adjusted based on SIS fees, parent events/activities, and number of home visits.
- Charter School will provide a safe, nurturing, and engaging learning environment for all our students and families. Academic and socio-emotional support will be provided to address student needs.
- Charter School will continue to offer 4-year academic plans, credit recovery classes, and monitor for timely high school graduation.
- Charter School will continue to assess its suspension policies and procedures and encourage positive student behavior and improvements.
- Charter School will continue to administer school experience surveys to students, parents, and staff. Charter School will continue to use survey results for school improvement.

Section 3: Use of Supplemental and Concentration Grant funds and Proportionality

- A. In the box below, identify the amount of funds in the LCAP year calculated on the basis of the number and concentration of low income, foster youth, and English learner pupils as determined pursuant to 5 CCR 15496(a)(5).

Describe how the LEA is expending these funds in the LCAP year. Include a description of, and justification for, the use of any funds in a districtwide, schoolwide, countywide, or charterwide manner as specified in 5 CCR 15496.

For school districts with below 55 percent of enrollment of unduplicated pupils in the district or below 40 percent of enrollment of unduplicated pupils at a schoolsite in the LCAP year, when using supplemental and concentration funds in a districtwide or schoolwide manner, the school district must additionally describe how the services provided are the most effective use of funds to meet the district’s goals for unduplicated pupils in the state and any local priority areas. (See 5 CCR 15496(b) for guidance.)

Total amount of Supplemental and Concentration grant funds calculated:	\$ <u>1,379,594</u>
<p>Charter School’s identified amount of funds in the LCAP year is approximately \$1,289,148.00. These funds are calculated based on the number and concentration of our low income, foster youth, and English learner students.</p> <p>Charter School will offer a variety of support programs and supports specifically for low-income, foster youth, and English learners. These include EL intervention courses, bilingual instructional assistants, ESL/ELD/EL instructional materials, parent trainings for bilingual parents, EL progress analyses towards targets, afterschool programs, summer learning programs, Saturday school, home visits and family engagement programs, career/college readiness activities for low income pupils, guidance counseling and other related services. Charter School also offers services and programs that are aligned with LCAP goals that serve all students such as intervention, recruitment and retention of highly qualified teachers, small class size, Life Skills, positive behavior support and restorative practices. Following are the actions, services, and expenditures for the unduplicated pupils:</p> <p>Low income pupils:</p> <p>Actions and services:</p> <ul style="list-style-type: none"> ▪ Charter School will provide support that includes staffing, professional development augmentations and recruitment and retention enhancements. ▪ Charter School will expand summer learning programs to prevent summer learning loss. ▪ Charter School will provide resources for increased outreach efforts to low income families including home visits and meetings. ▪ Charter School will provide explicit parent education on trait/habits of high achieving students and navigating the higher education system and resources. ▪ Charter School will provide targeted assistance to low income students in career/college readiness activities and guidance. ▪ Charter School will provide STEAM related courses, clubs, field trips, competitions, and other activities to promote STEAM. ▪ Charter School will provide bullying prevention training. ▪ Charter School will provide/pilot programs such as Second Step and Why Try to provide explicit social/emotional instruction. <p>Anticipated expenditures: \$200,000.00</p> <ul style="list-style-type: none"> ▪ Afterschool programs ▪ Summer learning programs ▪ Home visits ▪ Parent trainings ▪ Career/college readiness activities for low income pupils 	

Foster youth:

Actions and services:

- Foster youth will receive educational counseling.
- Foster youth will receive academic supports and remediation in order to decrease the adverse effects of school mobility on foster youth.
- Foster youth will be encouraged and supported to engage in extracurricular activities in order to adverse the effects of school mobility on foster youth.
- Charter School will improve communication with foster guardians.

Anticipated expenditures: \$20,000.00

- Guidance/PSA counselor

English learners:

Actions and services:

- EL students will participate in ELA/Literacy instruction with appropriate instructional support.
- Charter School will provide additional professional development to increase teachers' understanding of ELD standards and to ensure that English learners receive support in accessing CCSS.
- Charter School will implement its English Learners Master Plan.
- EL students will receive in-class instructional support which includes one-on-one teacher support; small group instruction; usage of SDAIE and ELD instructional strategies; extended day instruction as needed.
- Charter School will provide bilingual instructional assistants to provide primary language support to enable students to access content area instruction while gaining language proficiency.
- Charter School will provide additional teaching sections of EL intervention courses.
- Charter School will provide a range of standards-aligned supplemental instructional resources in English and home languages.
- Charter School will provide culturally and linguistically relevant materials for students.
- Charter School will provide ongoing Common Core Parent Training for bilingual parents at ELAC meetings.
- Charter School will provide parent training on how to assist students academically and behaviorally, and how to navigate the educational system, including higher education.
- Charter School will regularly review progress towards targets.
- Charter School will provide additional supports and interventions, as needed.

Anticipated expenditures: \$120,000.00

- EL intervention courses
- Bilingual instructional assistants
- ESL/ELD/EL instructional materials
- Parent trainings for bilingual parents
- EL progress analysis towards targets

Redesignated fluent English proficient pupils:

Actions and services are located in the English learner section above and services provide a multi-tiered system of supports for English learners and struggling students, inclusive of redesignated fluent English proficient students (RFEPs).

B. In the box below, identify the percentage by which services for unduplicated pupils must be increased or improved as compared to the services provided to all pupils in the LCAP year as calculated pursuant to 5 CCR 15496(a).

32.49	%
-------	---

Charter School Proportionality Calculation:

Charter School's Minimum Proportionality Percentage by which services for unduplicated students must be increased or improved over services provided for all students in the LCAP year is calculated and can be seen above. The Charter School addresses the needs of our school's English learners, low Income students and foster youth by providing the services described in detail in the prior sections. The majority of students served at the Charter School will be focus students and the Charter School will continue to maintain and improve its services to unduplicated students. Schoolwide implementation of these practices will not only have an impact on learning environment and the climate of the school as a whole, but will also have a disproportionately positive impact on the targeted subgroups. Charter School recognizes that while these funds are generated in order to serve the focus students, some services may, should the need arise, be utilized for students outside the focus subgroups. While the majority of students served will be focus students (90 percent or more), there may be other students in need that the school does not want to overlook. By providing the services identified without limitations, Charter School will best serve all students, especially focus students. The full list of expenditures is aligned with the goals of the Charter School Local Control and Accountability Plan and addresses the needs of our school's low income, foster youth, and English learner students.

LOCAL CONTROL AND ACCOUNTABILITY PLAN AND ANNUAL UPDATE APPENDIX

For the purposes of completing the LCAP in reference to the state priorities under Education Code sections 52060 and 52066, the following shall apply:

(a) "Chronic absenteeism rate" shall be calculated as follows:

- (1) The number of pupils with a primary, secondary, or short-term enrollment during the academic year (July 1 – June 30) who are chronically absent where "chronic absentee" means a pupil who is absent 10 percent or more of the schooldays in the school year when the total number of days a pupil is absent is divided by the total number of days the pupil is enrolled and school was actually taught in the total number of days the pupil is enrolled and school was actually taught in the regular day schools of the district, exclusive of Saturdays and Sundays.
- (2) The unduplicated count of pupils with a primary, secondary, or short-term enrollment during the academic year (July 1 – June 30).
- (3) Divide (1) by (2).

(b) "Middle School dropout rate" shall be calculated as set forth in California Code of Regulations, title 5, section 1039.1.

(c) "High school dropout rate" shall be calculated as follows:

- (1) The number of cohort members who dropout by the end of year 4 in the cohort where "cohort" is defined as the number of first-time grade 9 pupils in year 1 (starting cohort) plus pupils who transfer in, minus pupils who transfer out, emigrate, or die during school years 1, 2, 3, and 4.
- (2) The total number of cohort members.
- (3) Divide (1) by (2).

(d) "High school graduation rate" shall be calculated as follows:

- (1) The number of cohort members who earned a regular high school diploma [or earned an adult education high school diploma or passed the California High School Proficiency Exam] by the end of year 4 in the cohort where "cohort" is defined as the number of first-time grade 9 pupils in year 1 (starting cohort) plus pupils who transfer in, minus pupils who transfer out, emigrate, or die during school years 1, 2, 3, and 4.

(2) The total number of cohort members.

(3) Divide (1) by (2).

(e) "Suspension rate" shall be calculated as follows:

(1) The unduplicated count of pupils involved in one or more incidents for which the pupil was suspended during the academic year (July 1 – June 30).

(2) The unduplicated count of pupils with a primary, secondary, or short-term enrollment during the academic year (July 1 – June 30).

(3) Divide (1) by (2).

(f) "Expulsion rate" shall be calculated as follows:

(1) The unduplicated count of pupils involved in one or more incidents for which the pupil was expelled during the academic year (July 1 – June 30).

(2) The unduplicated count of pupils with a primary, secondary, or short-term enrollment during the academic year (July 1 – June 30).

(3) Divide (1) by (2).

Introduction:

LEA: Magnolia Science Academy-2 Contact (Name, Title, Email, Phone Number): Steven Keskinturk, Principal, skeskinturk@magnoliapublicschools.org, (818) 758-0300 LCAP Year: 2016-17

Local Control and Accountability Plan and Annual Update Template

The Local Control and Accountability Plan (LCAP) and Annual Update Template shall be used to provide details regarding local educational agencies' (LEAs) actions and expenditures to support pupil outcomes and overall performance pursuant to Education Code sections 52060, 52066, 47605, 47605.5, and 47606.5. The LCAP and Annual Update Template must be completed by all LEAs each year.

For school districts, pursuant to Education Code section 52060, the LCAP must describe, for the school district and each school within the district, goals and specific actions to achieve those goals for all pupils and each subgroup of pupils identified in Education Code section 52052, including pupils with disabilities, for each of the state priorities and any locally identified priorities.

For county offices of education, pursuant to Education Code section 52066, the LCAP must describe, for each county office of education-operated school and program, goals and specific actions to achieve those goals for all pupils and each subgroup of pupils identified in Education Code section 52052, including pupils with disabilities, who are funded through the county office of education Local Control Funding Formula as identified in Education Code section 2574 (pupils attending juvenile court schools, on probation or parole, or mandatorily expelled) for each of the state priorities and any locally identified priorities. School districts and county offices of education may additionally coordinate and describe in their LCAPs services provided to pupils funded by a school district but attending county-operated schools and programs, including special education programs.

Charter schools, pursuant to Education Code sections 47605, 47605.5, and 47606.5, must describe goals and specific actions to achieve those goals for all pupils and each subgroup of pupils identified in Education Code section 52052, including pupils with disabilities, for each of the state priorities as applicable and any locally identified priorities. For charter schools, the inclusion and description of goals for state priorities in the LCAP may be modified to meet the grade levels served and the nature of the programs provided, including modifications to reflect only the statutory requirements explicitly applicable to charter schools in the Education Code.

The LCAP is intended to be a comprehensive planning tool. Accordingly, in developing goals, specific actions, and expenditures, LEAs should carefully consider how to reflect the services and related expenses for their basic instructional program in relationship to the state priorities. LEAs may reference and describe actions and expenditures in other plans and funded by a variety of other fund sources when detailing goals, actions, and expenditures related to the state and local priorities. LCAPs must be consistent with school plans submitted pursuant to Education Code section 64001. The information contained in the LCAP, or annual update, may be supplemented by information contained in other plans (including the LEA plan pursuant to Section 1112 of Subpart 1 of Part A of Title I of Public Law 107-110) that are incorporated or referenced as relevant in this document.

For each section of the template, LEAs shall comply with instructions and should use the guiding questions as prompts (but not limits) for completing the information as required by statute. Guiding questions do not require separate narrative responses. However, the narrative response and goals and actions should demonstrate each guiding question was considered during the development of the plan. Data referenced in the LCAP must be consistent with the school accountability report card where appropriate. LEAs may resize pages or attach additional pages as necessary to facilitate completion of the LCAP.

State Priorities

The state priorities listed in Education Code sections 52060 and 52066 can be categorized as specified below for planning purposes, however, school districts and county offices of education must address each of the state priorities in their LCAP. Charter schools must address the priorities in Education Code section 52060(d) that apply to the grade levels served, or the nature of the program operated, by the charter school.

A. Conditions of Learning:

Basic: *degree to which teachers are appropriately assigned pursuant to Education Code section 44258.9, and fully credentialed in the subject areas and for the pupils they are teaching; pupils have access to standards-aligned instructional materials pursuant to Education Code section 60119; and school facilities are maintained in good repair pursuant to Education Code section 17002(d). (Priority 1)*

Implementation of State Standards: *implementation of academic content and performance standards and English language development standards adopted by the state board for all pupils, including English learners. (Priority 2)*

Course access: *pupil enrollment in a broad course of study that includes all of the subject areas described in Education Code section 51210 and subdivisions (a) to (i), inclusive, of Section 51220, as applicable. (Priority 7)*

Expelled pupils (for county offices of education only): *coordination of instruction of expelled pupils pursuant to Education Code section 48926. (Priority 9)*

Foster youth (for county offices of education only): *coordination of services, including working with the county child welfare agency to share information, responding to the needs of the juvenile court system, and ensuring transfer of health and education records. (Priority 10)*

B. Pupil Outcomes:

Pupil achievement: performance on standardized tests, score on Academic Performance Index, share of pupils that are college and career ready, share of English learners that become English proficient, English learner reclassification rate, share of pupils that pass Advanced Placement exams with 3 or higher, share of pupils determined prepared for college by the Early Assessment Program. (Priority 4)

Other pupil outcomes: pupil outcomes in the subject areas described in Education Code section 51210 and subdivisions (a) to (i), inclusive, of Education Code section 51220, as applicable. (Priority 8)

C. Engagement:

Parental involvement: efforts to seek parent input in decision making at the district and each schoolsite, promotion of parent participation in programs for unduplicated pupils and special need subgroups. (Priority 3)

Pupil engagement: school attendance rates, chronic absenteeism rates, middle school dropout rates, high school dropout rates, high school graduations rates. (Priority 5)

School climate: pupil suspension rates, pupil expulsion rates, other local measures including surveys of pupils, parents and teachers on the sense of safety and school connectedness. (Priority 6)

Section 1: Stakeholder Engagement

Meaningful engagement of parents, pupils, and other stakeholders, including those representing the subgroups identified in Education Code section 52052, is critical to the LCAP and budget process. Education Code sections 52060(g), 52062 and 52063 specify the minimum requirements for school districts; Education Code sections 52066(g), 52068 and 52069 specify the minimum requirements for county offices of education, and Education Code section 47606.5 specifies the minimum requirements for charter schools. In addition, Education Code section 48985 specifies the requirements for translation of documents.

Instructions: Describe the process used to consult with parents, pupils, school personnel, local bargaining units as applicable, and the community and how this consultation contributed to development of the LCAP or annual update. Note that the LEA's goals, actions, services and expenditures related to the state priority of parental involvement are to be described separately in Section 2. In the annual update boxes, describe the stakeholder involvement process for the review, and describe its impact on, the development of the annual update to LCAP goals, actions, services, and expenditures.

Guiding Questions:

- 1) How have applicable stakeholders (e.g., parents and pupils, including parents of unduplicated pupils and unduplicated pupils identified in Education Code section 42238.01; community members; local bargaining units; LEA personnel; county child welfare agencies; county office of education foster youth services programs, court-appointed special advocates, and other foster youth stakeholders; community organizations representing English learners; and others as appropriate) been engaged and involved in developing, reviewing, and supporting implementation of the LCAP?
- 2) How have stakeholders been included in the LEA's process in a timely manner to allow for engagement in the development of the LCAP?
- 3) What information (e.g., quantitative and qualitative data/metrics) was made available to stakeholders related to the state priorities and used by the LEA to inform the LCAP goal setting process? How was the information made available?
- 4) What changes, if any, were made in the LCAP prior to adoption as a result of written comments or other feedback received by the LEA through any of the LEA's engagement processes?
- 5) What specific actions were taken to meet statutory requirements for stakeholder engagement pursuant to Education Code sections 52062, 52068, and 47606.5, including engagement with representatives of parents and guardians of pupils identified in Education Code section 42238.01?
- 6) What specific actions were taken to consult with pupils to meet the requirements 5 CCR 15495(a)?
- 7) How has stakeholder involvement been continued and supported? How has the involvement of these stakeholders supported improved outcomes for pupils, including unduplicated pupils, related to the state priorities?

Involvement Process	Impact on LCAP
<p>In order to promote learning and provide a more positive learning experience for our students, Magnolia Science Academy-2 (“MSA-2” or “Charter School”) has established a culture of gathering input from parents, students, staff, community members, and other stakeholders through multiple channels including meetings, school events, surveys, home visits, newsletters, and other means of communication. To the extent possible, all stakeholders are invited to be involved in the process of school review and improvement including the development of our annual LCAP.</p> <p>Information/input sessions include Parent Task Force (PTF) meetings, School Site Council (SSC) meetings, English Learner Advisory Committee (ELAC) meetings, Coffee with the Principal meetings, Board of Directors meetings, Principal meetings, Dean meetings, and staff meetings. In addition, the Charter School conducts surveys for parents, students, and teachers and the Charter School staff make home visits. These all serve as a way to inform, educate, and gather input & feedback from all critical stakeholders.</p> <p>The Charter School has an approved charter petition with measurable student outcomes and methods to assess student progress, an SSD plan with planned improvement in student performance in reading and mathematics and in programs for LEP students and immigrants, and a WASC action plan for continual school improvement. Therefore, LCAP is received by our community as a comprehensive planning tool that draws from all other school plans and addresses the state priorities and locally identified priorities.</p>	<p>All major groups have been informed of the LCAP work and given an opportunity to participate. The Charter School LCAP committee has reviewed input from all stakeholders and synthesized input to revise existing goals and also to set new goals in the LCAP over the next three years. The following are the major goal areas in the revised LCAP:</p> <ul style="list-style-type: none"> ▪ Fully implement state-adopted ELA and math academic content and performance standards for all students, including subgroups, and support teacher professional development ▪ Provide increased early intervention programs and communication with the parents of academically low-achieving students; visit students at their homes to discuss student progress and enhance student learning and involvement ▪ Set targets for proficiency and growth for all subgroups on the statewide and internal assessments and regularly review progress toward targets ▪ Analyze our programs for EL, SWD, and FY to provide increased instructional support to all student subgroups, including these student groups ▪ Develop college-preparedness ▪ Provide a nurturing and engaging learning environment and acknowledge and encourage positive student behavior and improvements for all our students and families, including those of all the subgroups enrolled in the Charter School to maintain sense of safety and school connectedness
<p>Annual Update:</p> <p>The Charter School held its periodical meetings in 2015-16 to gather input from its stakeholders. These include 4 PTF meetings, 4 SSC meetings, 4 ELAC meetings, at least 5 parent activities/events including s 2nd Cup of Coffee with the Principal meetings, weekly staff meetings and other stakeholder meetings. The school conducted a parent, teacher and student satisfaction survey with specific questions about school improvement and the eight state priorities. All students and teachers participated in this survey. Parent participation rate in the survey was 20%. The Charter School staff made 120 home visits during 2015-16 and sought feedback from the parents for school improvement.</p>	<p>Annual Update:</p> <p>Based on input from all stakeholders and available data through surveys and student achievement/school data, the Charter School has updated its LCAP. Some of the updates include:</p> <ul style="list-style-type: none"> ▪ Purchasing of common-core aligned instructional materials ▪ Addition of school-level support positions, e.g., instructional coach ▪ Improvements in English Learner services ▪ Expanding summer school ▪ Increasing employee salaries and implementing performance pay ▪ Increasing college preparedness by offering “Advisory” classes, a college planning and career exploration program for students, offering special programs to prepare students for the SAT/ACT tests, and encouraging students to take AP courses and participate in the EAP ▪ Investing in effective technology to enhance instruction in the classroom ▪ Offering an annual STEM festival and a STEM expo ▪ Other input includes improving school facilities, identification and support of immigrant students and foster youth, decreasing truancy and sustaining after school and Saturday programs.

Section 2: Goals, Actions, Expenditures, and Progress Indicators

Instructions:

All LEAs must complete the LCAP and Annual Update Template each year. The LCAP is a three-year plan for the upcoming school year and the two years that follow. In this way, the program and goals contained in the LCAP align with the term of a school district and county office of education budget and multiyear budget projections. The Annual Update section of the template reviews progress made for each stated goal in the school year that is coming to a close, assesses the effectiveness of actions and services provided, and describes the changes made in the LCAP for the next three years that are based on this review and assessment.

Charter schools may adjust the table below to align with the term of the charter school's budget that is submitted to the school's authorizer pursuant to Education Code section 47604.33.

For school districts, Education Code sections 52060 and 52061, for county offices of education, Education Code sections 52066 and 52067, and for charter schools, Education Code section 47606.5 require(s) the LCAP to include a description of the annual goals, for all pupils and each subgroup of pupils, to be achieved for each state priority as defined in 5 CCR 15495(i) and any local priorities; a description of the specific actions an LEA will take to meet the identified goals; a description of the expenditures required to implement the specific actions; and an annual update to include a review of progress towards the goals and describe any changes to the goals.

To facilitate alignment between the LCAP and school plans, the LCAP shall identify and incorporate school-specific goals related to the state and local priorities from the school plans submitted pursuant to Education Code section 64001. Furthermore, the LCAP should be shared with, and input requested from, schoolsite-level advisory groups, as applicable (e.g., schoolsite councils, English Learner Advisory Councils, pupil advisory groups, etc.) to facilitate alignment between school-site and district-level goals and actions. An LEA may incorporate or reference actions described in other plans that are being undertaken to meet the goal.

Using the following instructions and guiding questions, complete a goal table (see below) for each of the LEA's goals. Duplicate and expand the fields as necessary.

Goal: Describe the goal:

When completing the goal tables, include goals for all pupils and specific goals for schoolsites and specific subgroups, including pupils with disabilities, both at the LEA level and, where applicable, at the schoolsite level. The LEA may identify which schoolsites and

subgroups have the same goals, and group and describe those goals together. The LEA may also indicate those goals that are not applicable to a specific subgroup or schoolsite.

Related State and/or Local Priorities: Identify the state and/or local priorities addressed by the goal by placing a check mark next to the applicable priority or priorities. The LCAP must include goals that address each of the state priorities, as defined in 5 CCR 15495(i), and any additional local priorities; however, one goal may address multiple priorities.

Identified Need: Describe the need(s) identified by the LEA that this goal addresses, including a description of the supporting data used to identify the need(s).

Schools: Identify the schoolsites to which the goal applies. LEAs may indicate “all” for all schools, specify an individual school or a subset of schools, or specify grade spans (e.g., all high schools or grades K-5).

Applicable Pupil Subgroups: Identify the pupil subgroups as defined in Education Code section 52052 to which the goal applies, or indicate “all” for all pupils.

Expected Annual Measurable Outcomes: For each LCAP year, identify and describe specific expected measurable outcomes for all pupils using, at minimum, the applicable required metrics for the related state priorities. Where applicable, include descriptions of specific expected measurable outcomes for schoolsites and specific subgroups, including pupils with disabilities, both at the LEA level and at the schoolsite level.

The metrics used to describe the expected measurable outcomes may be quantitative or qualitative, although the goal tables must address all required metrics for every state priority in each LCAP year. The required metrics are the specified measures and objectives for each state priority as set forth in Education Code sections 52060(d) and 52066(d). For the pupil engagement priority metrics, LEAs must calculate the rates specified in Education Code sections 52060(d)(5)(B), (C), (D) and (E) as described in the Local Control Accountability Plan and Annual Update Template Appendix, sections (a) through (d).

Actions/Services: For each LCAP year, identify all annual actions to be performed and services provided to meet the described goal. Actions may describe a group of services that are implemented to achieve the identified goal.

Scope of Service: Describe the scope of each action/service by identifying the schoolsites covered. LEAs may indicate “all” for all schools, specify an individual school or a subset of schools, or specify grade spans (e.g., all high schools or grades K-5). If supplemental and concentration funds are used to support the action/service, the LEA must identify if the scope of service is districtwide, schoolwide, countywide, or charterwide.

Pupils to be served within identified scope of service: For each action/service, identify the pupils to be served within the identified scope of service. If the action to be performed or the service to be provided is for all pupils, place a check mark next to “ALL.”

For each action and/or service to be provided above what is being provided for all pupils, place a check mark next to the applicable unduplicated pupil subgroup(s) and/or other pupil subgroup(s) that will benefit from the additional action, and/or will receive the additional service. Identify, as applicable, additional actions and services for unduplicated pupil subgroup(s) as defined in Education Code section 42238.01, pupils redesignated fluent English proficient, and/or pupils subgroup(s) as defined in Education Code section 52052.

Budgeted Expenditures: For each action/service, list and describe budgeted expenditures for each school year to implement these actions, including where those expenditures can be found in the LEA’s budget. The LEA must reference all fund sources for each proposed expenditure. Expenditures must be classified using the California School Accounting Manual as required by Education Code sections 52061, 52067, and 47606.5.

Guiding Questions:

- 1) What are the LEA’s goal(s) to address state priorities related to “Conditions of Learning”?
- 2) What are the LEA’s goal(s) to address state priorities related to “Pupil Outcomes”?
- 3) What are the LEA’s goal(s) to address state priorities related to parent and pupil “Engagement” (e.g., parent involvement, pupil engagement, and school climate)?
- 4) What are the LEA’s goal(s) to address any locally-identified priorities?
- 5) How have the unique needs of individual schoolsites been evaluated to inform the development of meaningful district and/or individual schoolsite goals (e.g., input from site level advisory groups, staff, parents, community, pupils; review of school level plans; in-depth school level data analysis, etc.)?
- 6) What are the unique goals for unduplicated pupils as defined in Education Code sections 42238.01 and subgroups as defined in section 52052 that are different from the LEA’s goals for all pupils?
- 7) What are the specific expected measurable outcomes associated with each of the goals annually and over the term of the LCAP?
- 8) What information (e.g., quantitative and qualitative data/metrics) was considered/reviewed to develop goals to address each state or local priority?

- 9) What information was considered/reviewed for individual schoolsites?
- 10) What information was considered/reviewed for subgroups identified in Education Code section 52052?
- 11) What actions/services will be provided to all pupils, to subgroups of pupils identified pursuant to Education Code section 52052, to specific schoolsites, to English learners, to low-income pupils, and/or to foster youth to achieve goals identified in the LCAP?
- 12) How do these actions/services link to identified goals and expected measurable outcomes?
- 13) What expenditures support changes to actions/services as a result of the goal identified? Where can these expenditures be found in the LEA's budget?

GOAL #1:	All students will pursue academic excellence and be college/career ready.	Related State and/or Local Priorities: 1 <input checked="" type="checkbox"/> 2 <input checked="" type="checkbox"/> 3 <input type="checkbox"/> 4 <input checked="" type="checkbox"/> 5 <input type="checkbox"/> 6 <input type="checkbox"/> 7 <input type="checkbox"/> 8 <input checked="" type="checkbox"/> COE only: 9 <input type="checkbox"/> 10 <input type="checkbox"/> Local : Specify _____
-----------------	---	---

Identified Need :	<ul style="list-style-type: none"> ▪ Priority 1: ▪ To ensure teachers are appropriately assigned and fully credentialed ▪ To ensure every pupil has sufficient access to standards-aligned instructional materials ▪ To ensure school facilities are maintained in good repair ▪ Priority 2: ▪ To implement Common Core State Standards ▪ Priority 4: ▪ To increase the percentage of students who score proficient or above in English Language Arts/Literacy and math on the CAASPP assessment system ▪ To increase or maintain the API scores to meet or exceed the API growth targets school-wide and for all student subgroups ▪ To increase the percentage of graduating seniors who will have successfully completed courses that satisfy the UC/CSU or career technical education program ▪ To increase the percentage of ELs who make progress toward English language proficiency ▪ To increase the percentage of ELs who are reclassified as FEP ▪ To increase the percentage of students who take and pass AP exams ▪ To increase the percentage of students who are on track to be college/career ready ▪ Priority 8: ▪ To increase student proficiency in all courses
--------------------------	---

Goal Applies to:	Schools: All	Applicable Pupil Subgroups: All
-------------------------	---------------------	--

LCAP Year 1: 2016-17

Expected Annual Measurable Outcomes:	<ul style="list-style-type: none"> ▪ Priority 1: ▪ 100% of Charter School’s teachers will be appropriately assigned and fully credentialed as required by law and the charter. ▪ 100% of students will have sufficient access to standards-aligned instructional materials. ▪ At least 90% of the items on facility inspection checklists will be in compliance/good standing. ▪ Priority 2: ▪ Charter School will provide 100% implementation of CCSS in Math, ELA, History for all students. Science will be rolled out over 3 years, starting with 6th graders. ▪ Priority 4: ▪ All student subgroups will meet or exceed proficiency targets in English Language Arts/Literacy and math on the CAASPP assessment system. (Specific targets will be set as data becomes available.) ▪ For all student subgroups, the percentage of students performing proficient on the English Language Arts/Literacy and math sections of the CAASPP assessment system will increase by 5% from 2016 to 2017. ▪ For all student subgroups, the percentage of students performing proficient on the Reading/ELA and math sections of our internal, common-core aligned Measures of Academic Progress (MAP) assessment will increase by 5% from fall to spring. ▪ Charter School will meet or exceed the annual API growth targets for all student subgroups. ▪ At least 90% of graduating seniors will have successfully completed courses that satisfy the UC/CSU or career technical education program requirements. ▪ The percentage of EL students making annual progress in learning English as measured by the CELDT and/or ELPAC will increase by 3% from the prior year. ▪ The percentage of EL students who are reclassified will increase by 3% from the prior year. ▪ At least 50% of the graduating seniors will have passed an AP exam with a score of 3 or higher. ▪ At least 80% of students in grades 9-11 will participate in the PSAT test. ▪ At least 30% of students who participate in the PSAT test will meet or exceed college readiness benchmarks for their grade level. ▪ At least 80% of students in grade 11 will participate in the EAP assessment. ▪ At least 30% of students who participate in the EAP assessment will demonstrate college preparedness. ▪ Priority 8: ▪ At least 80% of all students enrolled in the Charter School for a full academic year will receive a grade of “C” or better (or perform “proficient” on the related state standardized tests) in core subjects and electives.

Annual Update

Annual Update Instructions: For each goal in the prior year LCAP, review the progress toward the expected annual outcome(s) based on, at a minimum, the required metrics pursuant to Education Code sections 52060 and 52066. The review must include an assessment of the effectiveness of the specific actions. Describe any changes to the actions or goals the LEA will take as a result of the review and assessment. In addition, review the applicability of each goal in the LCAP.

Guiding Questions:

- 1) How have the actions/services addressed the needs of all pupils and did the provisions of those services result in the desired outcomes?
- 2) How have the actions/services addressed the needs of all subgroups of pupils identified pursuant to Education Code section 52052, including, but not limited to, English learners, low-income pupils, and foster youth; and did the provision of those actions/services result in the desired outcomes?
- 3) How have the actions/services addressed the identified needs and goals of specific schoolsites and were these actions/services effective in achieving the desired outcomes?
- 4) What information (e.g., quantitative and qualitative data/metrics) was examined to review progress toward goals in the annual update?
- 5) What progress has been achieved toward the goal and expected measurable outcome(s)? How effective were the actions and services in making progress toward the goal? What changes to goals, actions, services, and expenditures are being made in the LCAP as a result of the review of progress and assessment of the effectiveness of the actions and services?
- 6) What differences are there between budgeted expenditures and estimated actual annual expenditures? What were the reasons for any differences?

Complete a copy of this table for each of the LEA's goals in the prior year LCAP. Duplicate and expand the fields as necessary.

Original GOAL from prior year LCAP:	All students will pursue academic excellence and be college/career ready.	Related State and/or Local Priorities: 1 <input checked="" type="checkbox"/> 2 <input checked="" type="checkbox"/> 3 <input type="checkbox"/> 4 <input checked="" type="checkbox"/> 5 <input type="checkbox"/> 6 <input type="checkbox"/> 7 <input type="checkbox"/> 8 <input checked="" type="checkbox"/> COE only: 9 <input type="checkbox"/> 10 <input type="checkbox"/> Local : Specify _____
-------------------------------------	---	---

Goal Applies to:	Schools: All	Applicable Pupil Subgroups: All
------------------	--------------	---------------------------------

Expected Annual Measurable Outcomes:

- Priority 1:**
- 100% of Charter School’s teachers will be appropriately assigned and fully credentialed as required by law and the charter.
 - 100% of students will have sufficient access to standards-aligned instructional materials.
 - At least 90% of the items on facility inspection checklists will be in compliance/good standing.
- Priority 2:**
- Charter School will provide 100% implementation of CCSS for all students.
- Priority 4:**
- For all student subgroups, the percentage of students performing proficient on the English Language Arts/Literacy and math sections of the CAASPP assessment system will increase by 5% from 2015 to 2016.
 - For all student subgroups, the percentage of students performing proficient on the Reading/ELA and math sections of our internal, common-core aligned Measures of Academic Progress (MAP) assessment will increase by 5% from fall to spring.
 - Charter School will meet or exceed the annual API growth targets for all student subgroups.
 - At least 80% of graduating seniors will have successfully completed courses that satisfy the UC/CSU or career technical education program requirements.
 - The percentage of EL students making annual progress in learning English as measured by the CELDT and/or ELPAC will increase by 3% from the prior year.
 - The percentage of EL students who are reclassified will increase by 3% from the prior year.
 - At least 50% of the graduating seniors will have passed an AP exam with a score of 3 or higher.
 - At least 80% of students in grades 9-11 will participate in the PSAT test.
 - At least 30% of students who participate in the PSAT test will meet or exceed college readiness benchmarks for their grade level.

Actual Annual Measurable Outcomes:

- Priority 1:**
- 100% of Charter School’s teachers are appropriately assigned and fully credentialed as required by law and the charter.
 - 100% of students have sufficient access to standards-aligned instructional materials.
 - At least 90% of the items on facility inspection checklists are in compliance/good standing.
- Priority 2:**
- Charter School provides 100% implementation of CCSS for all students.
- Priority 4:**
- For all student subgroups, the percentage of students performing proficient on the English Language Arts/Literacy and math sections of the CAASPP assessment system is expected to increase by 5% from 2015 to 2016. More specific targets will be set as 2016 SBAC data becomes available.)
- | | ELA/Literacy | | Math | |
|--------------------|--------------|-----------------|------|-----------------|
| | 2015 | 2016 (Expected) | 2015 | 2016 (Expected) |
| Schoolwide | 29% | 34% | 26% | 31% |
| Socioecon. Disadv. | 28% | 33% | 23% | 28% |

What changes in actions, services, and expenditures will be made as a result of reviewing past progress and/or changes to goals?

Goal, actions, and services will be maintained.

- Charter School will continue to provide core courses and electives as outlined in its charter petition and provide 100% access to all students.
- Charter School will continue to expand its online course offerings through Fuel Education and/or McGraw Hill Curriculum and/or APEX.
- Charter School will continue to offer "Advanced Math" class or club to students in grades 6-8.
- Charter School will continue to organize a local STEAM festival, participate in the Magnolia-wide STEAM expo and county-wide science fairs and activities.
- Charter School will continue to offer Computer/Technology classes and/or blended learning experience for our students. Charter School will continue to provide PD to our staff on Blended Learning.

What changes in actions, services, and expenditures will be made as a result of reviewing past progress and/or changes to goals?

Goal, actions, and services will be maintained.

- Charter School will continue to provide opportunities for parent involvement. Expenditure amount will be adjusted based on SIS fees, parent events/activities, and number of home visits.
- Charter School will provide a safe, nurturing, and engaging learning environment for all our students and families. Academic and socio-emotional support will be provided to address student needs.
- Charter School will continue to offer 4-year academic plans, credit recovery classes, and monitor for timely high school graduation.
- Charter School will continue to assess its suspension policies and procedures and encourage positive student behavior and improvements.
- Charter School will continue to administer school experience surveys to students, parents, and staff. Charter School will continue to use survey results for school improvement.

Section 3: Use of Supplemental and Concentration Grant funds and Proportionality

- A. In the box below, identify the amount of funds in the LCAP year calculated on the basis of the number and concentration of low income, foster youth, and English learner pupils as determined pursuant to 5 CCR 15496(a)(5).

Describe how the LEA is expending these funds in the LCAP year. Include a description of, and justification for, the use of any funds in a districtwide, schoolwide, countywide, or charterwide manner as specified in 5 CCR 15496.

For school districts with below 55 percent of enrollment of unduplicated pupils in the district or below 40 percent of enrollment of unduplicated pupils at a schoolsite in the LCAP year, when using supplemental and concentration funds in a districtwide or schoolwide manner, the school district must additionally describe how the services provided are the most effective use of funds to meet the district’s goals for unduplicated pupils in the state and any local priority areas. (See 5 CCR 15496(b) for guidance.)

Total amount of Supplemental and Concentration grant funds calculated:	\$ <u> \$995,929.00 </u>
<p>Charter School’s identified amount of funds in the LCAP year is approximately \$1,202,406.00. These funds are calculated based on the number and concentration of our low income, foster youth, and English learner students.</p> <p>Charter School will offer a variety of support programs and supports specifically for low-income, foster youth, and English learners. These include EL intervention courses, bilingual instructional assistants, ESL/ELD/EL instructional materials, parent trainings for bilingual parents, EL progress analyses towards targets, afterschool programs, summer learning programs, Saturday school, home visits and family engagement programs, career/college readiness activities for low income pupils, guidance counseling and other related services. Charter School also offers services and programs that are aligned with LCAP goals that serve all students such as intervention, recruitment and retention of highly qualified teachers, small class size, Life Skills, positive behavior support and restorative practices. Following are the actions, services, and expenditures for the unduplicated pupils:</p> <p>Low income pupils:</p> <p>Actions and services:</p> <ul style="list-style-type: none"> ▪ Charter School will provide support that includes staffing, professional development augmentations and recruitment and retention enhancements. ▪ Charter School will expand summer learning programs to prevent summer learning loss. ▪ Charter School will provide resources for increased outreach efforts to low income families including home visits and meetings. ▪ Charter School will provide explicit parent education on trait/habits of high achieving students and navigating the higher education system and resources. ▪ Charter School will provide targeted assistance to low income students in career/college readiness activities and guidance. ▪ Charter School will provide STEAM related courses, clubs, field trips, competitions, and other activities to promote STEAM. ▪ Charter School will provide bullying prevention training. ▪ Charter School will provide/pilot programs such as Second Step and Why Try to provide explicit social/emotional instruction. <p>Anticipated expenditures: \$200,000.00</p> <ul style="list-style-type: none"> ▪ Afterschool programs ▪ Summer learning programs ▪ Home visits ▪ Parent trainings ▪ Career/college readiness activities for low income pupils 	

Foster youth:

Actions and services:

- Foster youth will receive educational counseling.
- Foster youth will receive academic supports and remediation in order to decrease the adverse effects of school mobility on foster youth.
- Foster youth will be encouraged and supported to engage in extracurricular activities in order to adverse the effects of school mobility on foster youth.
- Charter School will improve communication with foster guardians.

Anticipated expenditures: \$20,000.00

- Guidance/PSA counselor

English learners:

Actions and services:

- EL students will participate in ELA/Literacy instruction with appropriate instructional support.
- Charter School will provide additional professional development to increase teachers' understanding of ELD standards and to ensure that English learners receive support in accessing CCSS.
- Charter School will implement its English Learners Master Plan.
- EL students will receive in-class instructional support which includes one-on-one teacher support; small group instruction; usage of SDAIE and ELD instructional strategies; extended day instruction as needed.
- Charter School will provide bilingual instructional assistants to provide primary language support to enable students to access content area instruction while gaining language proficiency.
- Charter School will provide additional teaching sections of EL intervention courses.
- Charter School will provide a range of standards-aligned supplemental instructional resources in English and home languages.
- Charter School will provide culturally and linguistically relevant materials for students.
- Charter School will provide ongoing Common Core Parent Training for bilingual parents at ELAC meetings.
- Charter School will provide parent training on how to assist students academically and behaviorally, and how to navigate the educational system, including higher education.
- Charter School will regularly review progress towards targets.
- Charter School will provide additional supports and interventions, as needed.

Anticipated expenditures: \$120,000.00

- EL intervention courses
- Bilingual instructional assistants
- ESL/ELD/EL instructional materials
- Parent trainings for bilingual parents
- EL progress analysis towards targets

Redesignated fluent English proficient pupils:

Actions and services are located in the English learner section above and services provide a multi-tiered system of supports for English learners and struggling students, inclusive of redesignated fluent English proficient students (RFEPs).

B. In the box below, identify the percentage by which services for unduplicated pupils must be increased or improved as compared to the services provided to all pupils in the LCAP year as calculated pursuant to 5 CCR 15496(a).

28.27	%
-------	---

Charter School Proportionality Calculation:

Charter School's Minimum Proportionality Percentage by which services for unduplicated students must be increased or improved over services provided for all students in the LCAP year is calculated and can be seen above. The Charter School addresses the needs of our school's English learners, low Income students and foster youth by providing the services described in detail in the prior sections. The majority of students served at the Charter School will be focus students and the Charter School will continue to maintain and improve its services to unduplicated students. Schoolwide implementation of these practices will not only have an impact on learning environment and the climate of the school as a whole, but will also have a disproportionately positive impact on the targeted subgroups. Charter School recognizes that while these funds are generated in order to serve the focus students, some services may, should the need arise, be utilized for students outside the focus subgroups. While the majority of students served will be focus students (90 percent or more), there may be other students in need that the school does not want to overlook. By providing the services identified without limitations, Charter School will best serve all students, especially focus students. The full list of expenditures is aligned with the goals of the Charter School Local Control and Accountability Plan and addresses the needs of our school's low income, foster youth, and English learner students.

LOCAL CONTROL AND ACCOUNTABILITY PLAN AND ANNUAL UPDATE APPENDIX

For the purposes of completing the LCAP in reference to the state priorities under Education Code sections 52060 and 52066, the following shall apply:

(a) “Chronic absenteeism rate” shall be calculated as follows:

- (1) The number of pupils with a primary, secondary, or short-term enrollment during the academic year (July 1 – June 30) who are chronically absent where “chronic absentee” means a pupil who is absent 10 percent or more of the schooldays in the school year when the total number of days a pupil is absent is divided by the total number of days the pupil is enrolled and school was actually taught in the total number of days the pupil is enrolled and school was actually taught in the regular day schools of the district, exclusive of Saturdays and Sundays.
- (2) The unduplicated count of pupils with a primary, secondary, or short-term enrollment during the academic year (July 1 – June 30).
- (3) Divide (1) by (2).

(b) “Middle School dropout rate” shall be calculated as set forth in California Code of Regulations, title 5, section 1039.1.

(c) “High school dropout rate” shall be calculated as follows:

- (1) The number of cohort members who dropout by the end of year 4 in the cohort where “cohort” is defined as the number of first-time grade 9 pupils in year 1 (starting cohort) plus pupils who transfer in, minus pupils who transfer out, emigrate, or die during school years 1, 2, 3, and 4.
- (2) The total number of cohort members.
- (3) Divide (1) by (2).

(d) “High school graduation rate” shall be calculated as follows:

- (1) The number of cohort members who earned a regular high school diploma [or earned an adult education high school diploma or passed the California High School Proficiency Exam] by the end of year 4 in the cohort where “cohort” is defined as the number of first-time grade 9 pupils in year 1 (starting cohort) plus pupils who transfer in, minus pupils who transfer out, emigrate, or die during school years 1, 2, 3, and 4.

(2) The total number of cohort members.

(3) Divide (1) by (2).

(e) "Suspension rate" shall be calculated as follows:

(1) The unduplicated count of pupils involved in one or more incidents for which the pupil was suspended during the academic year (July 1 – June 30).

(2) The unduplicated count of pupils with a primary, secondary, or short-term enrollment during the academic year (July 1 – June 30).

(3) Divide (1) by (2).

(f) "Expulsion rate" shall be calculated as follows:

(1) The unduplicated count of pupils involved in one or more incidents for which the pupil was expelled during the academic year (July 1 – June 30).

(2) The unduplicated count of pupils with a primary, secondary, or short-term enrollment during the academic year (July 1 – June 30).

(3) Divide (1) by (2).

Introduction:

LEA: Magnolia Science Academy-3 Contact: Name, Title, Email, Phone Number: John White, Principal, jwhite@magnoliapublicschools.org, (310) 637-3806
LCAP Year: 2016-17

Local Control and Accountability Plan and Annual Update Template

The Local Control and Accountability Plan (LCAP) and Annual Update Template shall be used to provide details regarding local educational agencies' (LEAs) actions and expenditures to support pupil outcomes and overall performance pursuant to Education Code sections 52060, 52066, 47605, 47605.5, and 47606.5. The LCAP and Annual Update Template must be completed by all LEAs each year.

For school districts, pursuant to Education Code section 52060, the LCAP must describe, for the school district and each school within the district, goals and specific actions to achieve those goals for all pupils and each subgroup of pupils identified in Education Code section 52052, including pupils with disabilities, for each of the state priorities and any locally identified priorities.

For county offices of education, pursuant to Education Code section 52066, the LCAP must describe, for each county office of education-operated school and program, goals and specific actions to achieve those goals for all pupils and each subgroup of pupils identified in Education Code section 52052, including pupils with disabilities, who are funded through the county office of education Local Control Funding Formula as identified in Education Code section 2574 (pupils attending juvenile court schools, on probation or parole, or mandatorily expelled) for each of the state priorities and any locally identified priorities. School districts and county offices of education may additionally coordinate and describe in their LCAPs services provided to pupils funded by a school district but attending county-operated schools and programs, including special education programs.

Charter schools, pursuant to Education Code sections 47605, 47605.5, and 47606.5, must describe goals and specific actions to achieve those goals for all pupils and each subgroup of pupils identified in Education Code section 52052, including pupils with disabilities, for each of the state priorities as applicable and any locally identified priorities. For charter schools, the inclusion and description of goals for state priorities in the LCAP may be modified to meet the grade levels served and the nature of the programs provided, including modifications to reflect only the statutory requirements explicitly applicable to charter schools in the Education Code.

The LCAP is intended to be a comprehensive planning tool. Accordingly, in developing goals, specific actions, and expenditures, LEAs should carefully consider how to reflect the services and related expenses for their basic instructional program in relationship to the state priorities. LEAs may reference and describe actions and expenditures in other plans and funded by a variety of other fund sources when detailing goals, actions, and expenditures related to the state and local priorities. LCAPs must be consistent with school plans submitted pursuant to Education Code section 64001. The information contained in the LCAP, or annual update, may be supplemented by information contained in other plans (including the LEA plan pursuant to Section 1112 of Subpart 1 of Part A of Title I of Public Law 107-110) that are incorporated or referenced as relevant in this document.

For each section of the template, LEAs shall comply with instructions and should use the guiding questions as prompts (but not limits) for completing the information as required by statute. Guiding questions do not require separate narrative responses. However, the narrative response and goals and actions should demonstrate each guiding question was considered during the development of the plan. Data referenced in the LCAP must be consistent with the school accountability report card where appropriate. LEAs may resize pages or attach additional pages as necessary to facilitate completion of the LCAP.

State Priorities

The state priorities listed in Education Code sections 52060 and 52066 can be categorized as specified below for planning purposes, however, school districts and county offices of education must address each of the state priorities in their LCAP. Charter schools must address the priorities in Education Code section 52060(d) that apply to the grade levels served, or the nature of the program operated, by the charter school.

A. Conditions of Learning:

Basic: *degree to which teachers are appropriately assigned pursuant to Education Code section 44258.9, and fully credentialed in the subject areas and for the pupils they are teaching; pupils have access to standards-aligned instructional materials pursuant to Education Code section 60119; and school facilities are maintained in good repair pursuant to Education Code section 17002(d). (Priority 1)*

Implementation of State Standards: *implementation of academic content and performance standards and English language development standards adopted by the state board for all pupils, including English learners. (Priority 2)*

Course access: *pupil enrollment in a broad course of study that includes all of the subject areas described in Education Code section 51210 and subdivisions (a) to (i), inclusive, of Section 51220, as applicable. (Priority 7)*

Expelled pupils (for county offices of education only): *coordination of instruction of expelled pupils pursuant to Education Code section 48926. (Priority 9)*

Foster youth (for county offices of education only): *coordination of services, including working with the county child welfare agency to share information, responding to the needs of the juvenile court system, and ensuring transfer of health and education records. (Priority 10)*

B. Pupil Outcomes:

Pupil achievement: performance on standardized tests, score on Academic Performance Index, share of pupils that are college and career ready, share of English learners that become English proficient, English learner reclassification rate, share of pupils that pass Advanced Placement exams with 3 or higher, share of pupils determined prepared for college by the Early Assessment Program. (Priority 4)

Other pupil outcomes: pupil outcomes in the subject areas described in Education Code section 51210 and subdivisions (a) to (i), inclusive, of Education Code section 51220, as applicable. (Priority 8)

C. Engagement:

Parental involvement: efforts to seek parent input in decision making at the district and each schoolsite, promotion of parent participation in programs for unduplicated pupils and special need subgroups. (Priority 3)

Pupil engagement: school attendance rates, chronic absenteeism rates, middle school dropout rates, high school dropout rates, high school graduations rates. (Priority 5)

School climate: pupil suspension rates, pupil expulsion rates, other local measures including surveys of pupils, parents and teachers on the sense of safety and school connectedness. (Priority 6)

Section 1: Stakeholder Engagement

Meaningful engagement of parents, pupils, and other stakeholders, including those representing the subgroups identified in Education Code section 52052, is critical to the LCAP and budget process. Education Code sections 52060(g), 52062 and 52063 specify the minimum requirements for school districts; Education Code sections 52066(g), 52068 and 52069 specify the minimum requirements for county offices of education, and Education Code section 47606.5 specifies the minimum requirements for charter schools. In addition, Education Code section 48985 specifies the requirements for translation of documents.

Instructions: Describe the process used to consult with parents, pupils, school personnel, local bargaining units as applicable, and the community and how this consultation contributed to development of the LCAP or annual update. Note that the LEA's goals, actions, services and expenditures related to the state priority of parental involvement are to be described separately in Section 2. In the annual update boxes, describe the stakeholder involvement process for the review, and describe its impact on, the development of the annual update to LCAP goals, actions, services, and expenditures.

Guiding Questions:

- 1) How have applicable stakeholders (e.g., parents and pupils, including parents of unduplicated pupils and unduplicated pupils identified in Education Code section 42238.01; community members; local bargaining units; LEA personnel; county child welfare agencies; county office of education foster youth services programs, court-appointed special advocates, and other foster youth stakeholders; community organizations representing English learners; and others as appropriate) been engaged and involved in developing, reviewing, and supporting implementation of the LCAP?
- 2) How have stakeholders been included in the LEA's process in a timely manner to allow for engagement in the development of the LCAP?
- 3) What information (e.g., quantitative and qualitative data/metrics) was made available to stakeholders related to the state priorities and used by the LEA to inform the LCAP goal setting process? How was the information made available?
- 4) What changes, if any, were made in the LCAP prior to adoption as a result of written comments or other feedback received by the LEA through any of the LEA's engagement processes?
- 5) What specific actions were taken to meet statutory requirements for stakeholder engagement pursuant to Education Code sections 52062, 52068, and 47606.5, including engagement with representatives of parents and guardians of pupils identified in Education Code section 42238.01?
- 6) What specific actions were taken to consult with pupils to meet the requirements 5 CCR 15495(a)?
- 7) How has stakeholder involvement been continued and supported? How has the involvement of these stakeholders supported improved outcomes for pupils, including unduplicated pupils, related to the state priorities?

<p>Involvement Process</p> <p>In order to promote learning and provide a more positive learning experience for our students, Magnolia Science Academy-3 (“MSA-3” or “Charter School”) has established a culture of gathering input from parents, students, staff, community members, and other stakeholders through multiple channels including meetings, school events, surveys, home visits, newsletters, and other means of communication. To the extent possible, all stakeholders are invited to be involved in the process of school review and improvement including the development of our annual LCAP.</p> <p>Participation opportunities include Parent Task Force (PTF) meetings, School Site Council (SSC) meetings, English Learner Advisory Committee (ELAC) meetings, Coffee with the Principal meetings, Board of Directors meetings, Principal meetings, Dean meetings, and staff meetings. In addition, the Charter School conducts surveys for parents, students, and teachers and the Charter School staff make home visits. These all serve as a way to inform, educate, and gather input & feedback from all critical stakeholders.</p> <p>The Charter School (MSA-3) has an approved charter petition with measurable student outcomes and methods to assess student progress, an SSD plan with planned improvement in student performance in reading and mathematics and in programs for LEP students and immigrants, and a WASC action plan for continual school improvement. Therefore, LCAP is received by our community as a comprehensive planning tool that draws from all other school plans and addresses the state priorities and locally identified priorities.</p>	<p>Impact on LCAP</p> <p>All major groups have been informed of the LCAP work and given an opportunity to participate. The Charter School LCAP committee has reviewed input from all stakeholders and synthesized input to revise existing goals and also to set new goals in the LCAP over the next three years. The following are the major goal areas in the revised LCAP:</p> <ul style="list-style-type: none"> ▪ Fully implement state-adopted ELA and math academic content and learning standards for all students, including subgroups, and support teacher professional development ▪ Provide increased early intervention programs and communication with the parents of academically low-achieving students; visit students in their homes to discuss student progress and enhance student learning and involvement ▪ Set targets for proficiency and growth for all subgroups on the statewide and internal assessments and regularly review progress toward targets ▪ Analyze our programs for EL, SPED, and Regular Ed to provide increased instructional support to all student subgroups ▪ Develop college-preparedness through rigorous classroom instruction ▪ Provide a nurturing and engaging learning environment and acknowledge and encourage positive student behavior and improvements for all our students and families, including those of all the subgroups enrolled in the Charter School to maintain sense of safety and school connectedness
<p>Annual Update:</p> <p>The Charter School held its periodical meetings in 2015-16 to gather input from its stakeholders. These include 4 PTF meetings, 4 SSC meetings, 4 ELAC meetings, at least 5 parent activities/events including weekly Coffee with the Principal meetings, weekly staff meetings and other stakeholder meetings. The school conducted a parent, teacher and student satisfaction survey with specific questions about school improvement and the eight state priorities. All students and teachers participated in this survey. Parent participation rate in the survey was 20%. The Charter School staff made 100 home visits during 2015-16 and sought feedback from the parents for school improvement.</p>	<p>Annual Update:</p> <p>Based on input from all stakeholders and available data through surveys and student achievement/school data, the Charter School has updated its LCAP. Some of the updates include:</p> <ul style="list-style-type: none"> ▪ Purchasing of common-core aligned instructional materials ▪ Addition of school-level support positions, e.g., Dean of Academic 6-12th grades ▪ Improvements in English Learner services ▪ Expanding summer school ▪ Increasing employee salaries and implementing performance pay ▪ Increasing college preparedness by offering “Advisory” classes, a college planning and career exploration program for students, offering special programs to prepare students for the SAT/ACT tests, and encouraging students to take AP courses and participate in the EAP ▪ Investing in effective technology to enhance instruction in o own he classroom ▪ Offering an annual LA County Science Fair Competition and our STEM expo ▪ Other input includes improving school facilities, identification and support of immigrant students and foster youth, decreasing truancy and sustaining after school and Saturday programs.

Section 2: Goals, Actions, Expenditures, and Progress Indicators

Instructions:

All LEAs must complete the LCAP and Annual Update Template each year. The LCAP is a three-year plan for the upcoming school year and the two years that follow. In this way, the program and goals contained in the LCAP align with the term of a school district and county office of education budget and multiyear budget projections. The Annual Update section of the template reviews progress made for each stated goal in the school year that is coming to a close, assesses the effectiveness of actions and services provided, and describes the changes made in the LCAP for the next three years that are based on this review and assessment.

Charter schools may adjust the table below to align with the term of the charter school's budget that is submitted to the school's authorizer pursuant to Education Code section 47604.33.

For school districts, Education Code sections 52060 and 52061, for county offices of education, Education Code sections 52066 and 52067, and for charter schools, Education Code section 47606.5 require(s) the LCAP to include a description of the annual goals, for all pupils and each subgroup of pupils, to be achieved for each state priority as defined in 5 CCR 15495(i) and any local priorities; a description of the specific actions an LEA will take to meet the identified goals; a description of the expenditures required to implement the specific actions; and an annual update to include a review of progress towards the goals and describe any changes to the goals.

To facilitate alignment between the LCAP and school plans, the LCAP shall identify and incorporate school-specific goals related to the state and local priorities from the school plans submitted pursuant to Education Code section 64001. Furthermore, the LCAP should be shared with, and input requested from, schoolsite-level advisory groups, as applicable (e.g., schoolsite councils, English Learner Advisory Councils, pupil advisory groups, etc.) to facilitate alignment between school-site and district-level goals and actions. An LEA may incorporate or reference actions described in other plans that are being undertaken to meet the goal.

Using the following instructions and guiding questions, complete a goal table (see below) for each of the LEA's goals. Duplicate and expand the fields as necessary.

Goal: Describe the goal:

When completing the goal tables, include goals for all pupils and specific goals for schoolsites and specific subgroups, including pupils with disabilities, both at the LEA level and, where applicable, at the schoolsite level. The LEA may identify which schoolsites and

subgroups have the same goals, and group and describe those goals together. The LEA may also indicate those goals that are not applicable to a specific subgroup or schoolsite.

Related State and/or Local Priorities: Identify the state and/or local priorities addressed by the goal by placing a check mark next to the applicable priority or priorities. The LCAP must include goals that address each of the state priorities, as defined in 5 CCR 15495(i), and any additional local priorities; however, one goal may address multiple priorities.

Identified Need: Describe the need(s) identified by the LEA that this goal addresses, including a description of the supporting data used to identify the need(s).

Schools: Identify the schoolsites to which the goal applies. LEAs may indicate “all” for all schools, specify an individual school or a subset of schools, or specify grade spans (e.g., all high schools or grades K-5).

Applicable Pupil Subgroups: Identify the pupil subgroups as defined in Education Code section 52052 to which the goal applies, or indicate “all” for all pupils.

Expected Annual Measurable Outcomes: For each LCAP year, identify and describe specific expected measurable outcomes for all pupils using, at minimum, the applicable required metrics for the related state priorities. Where applicable, include descriptions of specific expected measurable outcomes for schoolsites and specific subgroups, including pupils with disabilities, both at the LEA level and at the schoolsite level.

The metrics used to describe the expected measurable outcomes may be quantitative or qualitative, although the goal tables must address all required metrics for every state priority in each LCAP year. The required metrics are the specified measures and objectives for each state priority as set forth in Education Code sections 52060(d) and 52066(d). For the pupil engagement priority metrics, LEAs must calculate the rates specified in Education Code sections 52060(d)(5)(B), (C), (D) and (E) as described in the Local Control Accountability Plan and Annual Update Template Appendix, sections (a) through (d).

Actions/Services: For each LCAP year, identify all annual actions to be performed and services provided to meet the described goal. Actions may describe a group of services that are implemented to achieve the identified goal.

Scope of Service: Describe the scope of each action/service by identifying the schoolsites covered. LEAs may indicate “all” for all schools, specify an individual school or a subset of schools, or specify grade spans (e.g., all high schools or grades K-5). If supplemental and concentration funds are used to support the action/service, the LEA must identify if the scope of service is districtwide, schoolwide, countywide, or charterwide.

Pupils to be served within identified scope of service: For each action/service, identify the pupils to be served within the identified scope of service. If the action to be performed or the service to be provided is for all pupils, place a check mark next to “ALL.”

For each action and/or service to be provided above what is being provided for all pupils, place a check mark next to the applicable unduplicated pupil subgroup(s) and/or other pupil subgroup(s) that will benefit from the additional action, and/or will receive the additional service. Identify, as applicable, additional actions and services for unduplicated pupil subgroup(s) as defined in Education Code section 42238.01, pupils redesignated fluent English proficient, and/or pupils subgroup(s) as defined in Education Code section 52052.

Budgeted Expenditures: For each action/service, list and describe budgeted expenditures for each school year to implement these actions, including where those expenditures can be found in the LEA’s budget. The LEA must reference all fund sources for each proposed expenditure. Expenditures must be classified using the California School Accounting Manual as required by Education Code sections 52061, 52067, and 47606.5.

Guiding Questions:

- 1) What are the LEA’s goal(s) to address state priorities related to “Conditions of Learning”?
- 2) What are the LEA’s goal(s) to address state priorities related to “Pupil Outcomes”?
- 3) What are the LEA’s goal(s) to address state priorities related to parent and pupil “Engagement” (e.g., parent involvement, pupil engagement, and school climate)?
- 4) What are the LEA’s goal(s) to address any locally-identified priorities?
- 5) How have the unique needs of individual schoolsites been evaluated to inform the development of meaningful district and/or individual schoolsite goals (e.g., input from site level advisory groups, staff, parents, community, pupils; review of school level plans; in-depth school level data analysis, etc.)?
- 6) What are the unique goals for unduplicated pupils as defined in Education Code sections 42238.01 and subgroups as defined in section 52052 that are different from the LEA’s goals for all pupils?
- 7) What are the specific expected measurable outcomes associated with each of the goals annually and over the term of the LCAP?
- 8) What information (e.g., quantitative and qualitative data/metrics) was considered/reviewed to develop goals to address each state or local priority?

- 9) What information was considered/reviewed for individual schoolsites?
- 10) What information was considered/reviewed for subgroups identified in Education Code section 52052?
- 11) What actions/services will be provided to all pupils, to subgroups of pupils identified pursuant to Education Code section 52052, to specific schoolsites, to English learners, to low-income pupils, and/or to foster youth to achieve goals identified in the LCAP?
- 12) How do these actions/services link to identified goals and expected measurable outcomes?
- 13) What expenditures support changes to actions/services as a result of the goal identified? Where can these expenditures be found in the LEA's budget?

GOAL #1:	All students will pursue academic excellence and be college/career ready.	Related State and/or Local Priorities: 1 <input checked="" type="checkbox"/> 2 <input checked="" type="checkbox"/> 3 <input type="checkbox"/> 4 <input checked="" type="checkbox"/> 5 <input type="checkbox"/> 6 <input type="checkbox"/> 7 <input type="checkbox"/> 8 <input checked="" type="checkbox"/> COE only: 9 <input type="checkbox"/> 10 <input type="checkbox"/> Local : Specify _____
-----------------	---	---

Identified Need :	<ul style="list-style-type: none"> ▪ Priority 1: ▪ To ensure teachers are appropriately assigned and fully credentialed ▪ To ensure every pupil has sufficient access to standards-aligned instructional materials ▪ To ensure school facilities are maintained in good repair ▪ Priority 2: ▪ To implement Common Core State Standards ▪ Priority 4: ▪ To increase the percentage of students who score proficient or above in English Language Arts/Literacy and math on the CAASPP assessment system ▪ To increase or maintain the API scores to meet or exceed the API growth targets school-wide and for all student subgroups ▪ To increase the percentage of graduating seniors who will have successfully completed courses that satisfy the UC/CSU or career technical education program ▪ To increase the percentage of ELs who make progress toward English language proficiency ▪ To increase the percentage of ELs who are reclassified as FEP ▪ To increase the percentage of students who take and pass AP exams ▪ To increase the percentage of students who are on track to be college/career ready ▪ Priority 8: ▪ To increase student proficiency in all courses

Annual Update

Annual Update Instructions: For each goal in the prior year LCAP, review the progress toward the expected annual outcome(s) based on, at a minimum, the required metrics pursuant to Education Code sections 52060 and 52066. The review must include an assessment of the effectiveness of the specific actions. Describe any changes to the actions or goals the LEA will take as a result of the review and assessment. In addition, review the applicability of each goal in the LCAP.

Guiding Questions:

- 1) How have the actions/services addressed the needs of all pupils and did the provisions of those services result in the desired outcomes?
- 2) How have the actions/services addressed the needs of all subgroups of pupils identified pursuant to Education Code section 52052, including, but not limited to, English learners, low-income pupils, and foster youth; and did the provision of those actions/services result in the desired outcomes?
- 3) How have the actions/services addressed the identified needs and goals of specific schoolsites and were these actions/services effective in achieving the desired outcomes?
- 4) What information (e.g., quantitative and qualitative data/metrics) was examined to review progress toward goals in the annual update?
- 5) What progress has been achieved toward the goal and expected measurable outcome(s)? How effective were the actions and services in making progress toward the goal? What changes to goals, actions, services, and expenditures are being made in the LCAP as a result of the review of progress and assessment of the effectiveness of the actions and services?
- 6) What differences are there between budgeted expenditures and estimated actual annual expenditures? What were the reasons for any differences?

Complete a copy of this table for each of the LEA's goals in the prior year LCAP. Duplicate and expand the fields as necessary.

<p>Original GOAL from prior year LCAP:</p>	<p>All students will pursue academic excellence and be college/career ready.</p>	<p>Related State and/or Local Priorities: 1 <input checked="" type="checkbox"/> 2 <input checked="" type="checkbox"/> 3 <input type="checkbox"/> 4 <input checked="" type="checkbox"/> 5 <input type="checkbox"/> 6 <input type="checkbox"/> 7 <input type="checkbox"/> 8 <input checked="" type="checkbox"/> COE only: 9 <input type="checkbox"/> 10 <input type="checkbox"/> Local : Specify _____</p>
---	--	---

<p>Goal Applies to:</p>	<p>Schools: All</p>	<p>Applicable Pupil Subgroups: All</p>
--------------------------------	----------------------------	---

Expected Annual Measurable Outcomes:

- Priority 1:**
- 100% of Charter School’s teachers will be appropriately assigned and fully credentialed as required by law and the charter.
 - 100% of students will have sufficient access to standards-aligned instructional materials.
 - At least 100% of the items on facility inspection checklists will be in compliance/good standing.
- Priority 2:**
- Charter School will provide 100% implementation of CCSS for all students.
- Priority 4:**
- For all student subgroups, the percentage of students performing proficient on the English Language Arts/Literacy and math sections of the CAASPP assessment system will increase by 10% from 2015 to 2016.
 - For all student subgroups, the percentage of students performing proficient on the Reading/ELA and math sections of our internal, common-core aligned Measures of Academic Progress (MAP) assessment will increase by 10% from fall to spring.)
 - Charter School will meet the annual (API) growth targets for all student subgroups.
 - At least 90% of graduating seniors will have successfully completed courses that satisfy the UC/CSU or career technical education program requirements.
 - The percentage of EL students making annual progress in learning English as measured by the CELDT and/or ELPAC will increase by 5% from the prior year.
 - The percentage of EL students who are reclassified will increase by 5% from the prior year.
 - At least 40% of the graduating seniors will have passed an AP exam with a score of 3 or higher.
 - At least 80% of students in grades 9-11 will participate in the PSAT test.
 - At least 35% of students who participate in the PSAT test will meet or exceed college readiness benchmarks for their grade level.

Actual Annual Measurable Outcomes:

- Priority 1:**
- 100% of Charter School’s teachers are appropriately assigned and fully credentialed as required by law and the charter.
 - 100% of students have sufficient access to standards-aligned instructional materials.
 - At least 100% of the items on facility inspection checklists are in compliance/good standing.
- Priority 2:**
- Charter School provides 100% implementation of CCSS for all students.
- Priority 4:**
- For all student subgroups, the percentage of students performing proficient on the English Language Arts/Literacy and math sections of the CAASPP assessment system is expected to increase by 5% from 2015 to 2016. More specific targets will be set as 2016 SBAC data becomes available.)
- | | ELA/Literacy | | Math | |
|--------------------|--------------|-----------------|------|-----------------|
| | 2015 | 2016 (Expected) | 2015 | 2016 (Expected) |
| Schoolwide | 22% | 27% | 13% | 18% |
| Socioecon. Disadv. | 19% | 24% | 10% | 15% |
| English Learners | 0% | 5% | 0% | 5% |
| Hispanic or Latino | 21% | 26% | 15% | 20% |
| African American | 24% | 29% | 10% | 15% |
- For all student subgroups, the percentage of students performing proficient on the Reading/ELA and math sections of our internal, common-core aligned Measures of Academic Progress (MAP) assessment was expected to increase by 5% from fall to spring. Following are the proficiency percentages for our subgroups:

- At least 80% of students in grade 11 will participate in the EAP assessment.
 - At least 40% of students who participate in the EAP assessment will demonstrate college preparedness.
- Priority 8:**
- At least 90% of all students enrolled in the Charter School for a full academic year will receive a grade of "C" or better (or perform "proficient" on the related state standardized tests) in core subjects and electives.

		Spring 2014 Proficient Students			
		Mathematics		Reading	
		Count	Percent	Count	Percent

	FRL	135	38%	194	56%

- API data is not available at this time.
- 100% of graduating seniors have successfully completed courses that satisfy the UC/CSU or career technical education program requirements in 2014-15. We expect a rate of 100% in 2015-16, too.
2014-15: 100% 2015-16: 100% (expected)
- The percentage of EL students who are reclassified has increased by 7% from the prior year.
2014-15: 12% 2015-16: 35%
- 27% of the graduating seniors passed an AP exam with a score of 3 or higher in 2014-15. We expect a rate of 32% in 2015-16.
2014-15: 27% 2015-16: 40% (expected)
- 90% of students in grades 9-11 participated in the PSAT test in 2015-16.
- 35% of students who participated in the PSAT test met or exceeded college readiness benchmarks for their grade level.
- 90% of students in grade 11 participated in the EAP assessment in 2014-15. We expect a rate of 90% in 2015-16.
- 30% of students who participated in the EAP assessment demonstrated college preparedness in 2014-15. We expect a rate of 40% in 2015-16.
Priority 8:
- 90% of all students enrolled in the Charter School for a full academic year received a grade of "C" or better (or performed "proficient" on the related state standardized tests) in core subjects and electives. We expect a rate of 90% in 2015-16.

What changes in actions, services, and expenditures will be made as a result of reviewing past progress and/or changes to goals?

Goal, actions, and services will be maintained.

- Charter School will continue to provide opportunities for parent involvement. Expenditure amount will be adjusted based on SIS fees, parent events/activities, and number of home visits.
- Charter School will provide a safe, nurturing, and engaging learning environment for all our students and families. Academic and socio-emotional support will be provided to address student needs.
- Charter School will continue to offer 4-year academic plans, credit recovery classes, and monitor for timely high school graduation.
- Charter School will continue to assess its suspension policies and procedures and encourage positive student behavior and improvements.
- Charter School will continue to administer school experience surveys to students, parents, and staff. Charter School will continue to use survey results for school improvement.

Section 3: Use of Supplemental and Concentration Grant funds and Proportionality

- A. In the box below, identify the amount of funds in the LCAP year calculated on the basis of the number and concentration of low income, foster youth, and English learner pupils as determined pursuant to 5 CCR 15496(a)(5).

Describe how the LEA is expending these funds in the LCAP year. Include a description of, and justification for, the use of any funds in a districtwide, schoolwide, countywide, or charterwide manner as specified in 5 CCR 15496.

For school districts with below 55 percent of enrollment of unduplicated pupils in the district or below 40 percent of enrollment of unduplicated pupils at a school site in the LCAP year, when using supplemental and concentration funds in a district wide or school wide manner, the school district must additionally describe how the services provided are the most effective use of funds to meet the district’s goals for unduplicated pupils in the state and any local priority areas. (See 5 CCR 15496(b) for guidance.)

Total amount of Supplemental and Concentration grant funds calculated:	<u>\$2,817,402</u>
<p>Charter School’s identified amount of funds in the LCAP year is approximately \$1,919,984 These funds are calculated based on the number and concentration of our low income, foster youth, and English learner students.</p> <p>Charter School will offer a variety of support programs and supports specifically for low-income, foster youth, and English learners. These include EL intervention courses, bilingual instructional assistants, ESL/ELD/EL instructional materials, parent trainings for bilingual parents, EL progress analyses towards targets, afterschool programs, summer learning programs, Saturday school, home visits and family engagement programs, career/college readiness activities for low income pupils, guidance counseling and other related services. Charter School also offers services and programs that are aligned with LCAP goals that serve all students such as intervention, recruitment and retention of highly qualified teachers, small class size, Life Skills, positive behavior support and restorative practices. Following are the actions, services, and expenditures for the unduplicated pupils:</p> <p>Low income pupils:</p> <p>Actions and services:</p> <ul style="list-style-type: none"> ▪ Charter School will provide support that includes staffing, professional development augmentations and recruitment and retention enhancements. ▪ Charter School will expand summer learning programs to prevent summer learning loss. ▪ Charter School will provide resources for increased outreach efforts to low income families including home visits and meetings. ▪ Charter School will provide explicit parent education on trait/habits of high achieving students and navigating the higher education system and resources. ▪ Charter School will provide targeted assistance to low income students in career/college readiness activities and guidance. ▪ Charter School will provide STEAM related courses, clubs, field trips, competitions, and other activities to promote STEAM. ▪ Charter School will provide bullying prevention training. ▪ Charter School will provide/pilot programs such as Second Step and Why Try to provide explicit social/emotional instruction. <p>Anticipated expenditures: \$85,000.</p> <ul style="list-style-type: none"> ▪ Afterschool programs ▪ Summer learning programs ▪ Home visits ▪ Parent trainings ▪ Career/college readiness activities for low income pupils 	

Foster youth:

Actions and services:

- Foster youth will receive educational counseling.
- Foster youth will receive academic supports and remediation in order to decrease the adverse effects of school mobility on foster youth.
- Foster youth will be encouraged and supported to engage in extracurricular activities in order to adverse the effects of school mobility on foster youth.
- Charter School will improve communication with foster guardians.

Anticipated expenditures: \$30,000

- Guidance/PSA counselor

English learners:

Actions and services:

- EL students will participate in ELA/Literacy instruction with appropriate instructional support.
- Charter School will provide additional professional development to increase teachers' understanding of ELD standards and to ensure that English learners receive support in accessing CCSS.
- Charter School will implement its English Learners Master Plan.
- EL students will receive in-class instructional support which includes one-on-one teacher support; small group instruction; usage of SDAIE and ELD instructional strategies; extended day instruction as needed.
- Charter School will provide bilingual instructional assistants to provide primary language support to enable students to access content area instruction while gaining language proficiency.
- Charter School will provide additional teaching sections of EL intervention courses.
- Charter School will provide a range of standards-aligned supplemental instructional resources in English and home languages.
- Charter School will provide culturally and linguistically relevant materials for students.
- Charter School will provide ongoing Common Core Parent Training for bilingual parents at ELAC meetings.
- Charter School will provide parent training on how to assist students academically and behaviorally, and how to navigate the educational system, including higher education.
- Charter School will regularly review progress towards targets.
- Charter School will provide additional supports and interventions, as needed.

Anticipated expenditures: \$30,000.

- EL intervention courses
- Bilingual instructional assistants
- ESL/ELD/EL instructional materials
- Parent trainings for bilingual parents
- EL progress analysis towards targets

Re-designated fluent English proficient pupils:

Actions and services are located in the English learner section above and services provide a multi-tiered system of supports for English learners and struggling students, inclusive of redesignated fluent English proficient students (RFEPs).

B. In the box below, identify the percentage by which services for unduplicated pupils must be increased or improved as compared to the services provided to all pupils in the LCAP year as calculated pursuant to 5 CCR 15496(a).

12.2	%
------	---

Charter School Proportionality Calculation:

Charter School's Minimum Proportionality Percentage by which services for unduplicated students must be increased or improved over services provided for all students in the LCAP year is calculated and can be seen above. The Charter School addresses the needs of our school's English learners, low Income students and foster youth by providing the services described in detail in the prior sections. The majority of students served at the Charter School will be focus students and the Charter School will continue to maintain and improve its services to unduplicated students. School wide implementation of these practices will not only have an impact on learning environment and the climate of the school as a whole, but will also have a disproportionately positive impact on the targeted subgroups. Charter School recognizes that while these funds are generated in order to serve the focus students, some services may, should the need arise, be utilized for students outside the focus subgroups. While the majority of students served will be focus students (90 percent or more), there may be other students in need that the school does not want to overlook. By providing the services identified without limitations, Charter School will best serve all students, especially focus students. The full list of expenditures is aligned with the goals of the Charter School Local Control and Accountability Plan and addresses the needs of our school's low income, foster youth, and English learner students.

LOCAL CONTROL AND ACCOUNTABILITY PLAN AND ANNUAL UPDATE APPENDIX

For the purposes of completing the LCAP in reference to the state priorities under Education Code sections 52060 and 52066, the following shall apply:

(a) “Chronic absenteeism rate” shall be calculated as follows:

- (1) The number of pupils with a primary, secondary, or short-term enrollment during the academic year (July 1 – June 30) who are chronically absent where “chronic absentee” means a pupil who is absent 10 percent or more of the schooldays in the school year when the total number of days a pupil is absent is divided by the total number of days the pupil is enrolled and school was actually taught in the total number of days the pupil is enrolled and school was actually taught in the regular day schools of the district, exclusive of Saturdays and Sundays.
- (2) The unduplicated count of pupils with a primary, secondary, or short-term enrollment during the academic year (July 1 – June 30).
- (3) Divide (1) by (2).

(b) “Middle School dropout rate” shall be calculated as set forth in California Code of Regulations, title 5, section 1039.1.

(c) “High school dropout rate” shall be calculated as follows:

- (1) The number of cohort members who dropout by the end of year 4 in the cohort where “cohort” is defined as the number of first-time grade 9 pupils in year 1 (starting cohort) plus pupils who transfer in, minus pupils who transfer out, emigrate, or die during school years 1, 2, 3, and 4.
- (2) The total number of cohort members.
- (3) Divide (1) by (2).

(d) “High school graduation rate” shall be calculated as follows:

- (1) The number of cohort members who earned a regular high school diploma [or earned an adult education high school diploma or passed the California High School Proficiency Exam] by the end of year 4 in the cohort where “cohort” is defined as the number of first-time grade 9 pupils in year 1 (starting cohort) plus pupils who transfer in, minus pupils who transfer out, emigrate, or die during school years 1, 2, 3, and 4.

(2) The total number of cohort members.

(3) Divide (1) by (2).

(e) "Suspension rate" shall be calculated as follows:

(1) The unduplicated count of pupils involved in one or more incidents for which the pupil was suspended during the academic year (July 1 – June 30).

(2) The unduplicated count of pupils with a primary, secondary, or short-term enrollment during the academic year (July 1 – June 30).

(3) Divide (1) by (2).

(f) "Expulsion rate" shall be calculated as follows:

(1) The unduplicated count of pupils involved in one or more incidents for which the pupil was expelled during the academic year (July 1 – June 30).

(2) The unduplicated count of pupils with a primary, secondary, or short-term enrollment during the academic year (July 1 – June 30).

(3) Divide (1) by (2).

Introduction:

LEA: Magnolia Science Academy-4 Contact (Name, Title, Email, Phone Number): Lisa Ross, Principal, lross@magnoliapublicschools.org, (310) 473-2464
LCAP Year: 2016-17

Local Control and Accountability Plan and Annual Update Template

The Local Control and Accountability Plan (LCAP) and Annual Update Template shall be used to provide details regarding local educational agencies' (LEAs) actions and expenditures to support pupil outcomes and overall performance pursuant to Education Code sections 52060, 52066, 47605, 47605.5, and 47606.5. The LCAP and Annual Update Template must be completed by all LEAs each year.

For school districts, pursuant to Education Code section 52060, the LCAP must describe, for the school district and each school within the district, goals and specific actions to achieve those goals for all pupils and each subgroup of pupils identified in Education Code section 52052, including pupils with disabilities, for each of the state priorities and any locally identified priorities.

For county offices of education, pursuant to Education Code section 52066, the LCAP must describe, for each county office of education-operated school and program, goals and specific actions to achieve those goals for all pupils and each subgroup of pupils identified in Education Code section 52052, including pupils with disabilities, who are funded through the county office of education Local Control Funding Formula as identified in Education Code section 2574 (pupils attending juvenile court schools, on probation or parole, or mandatorily expelled) for each of the state priorities and any locally identified priorities. School districts and county offices of education may additionally coordinate and describe in their LCAPs services provided to pupils funded by a school district but attending county-operated schools and programs, including special education programs.

Charter schools, pursuant to Education Code sections 47605, 47605.5, and 47606.5, must describe goals and specific actions to achieve those goals for all pupils and each subgroup of pupils identified in Education Code section 52052, including pupils with disabilities, for each of the state priorities as applicable and any locally identified priorities. For charter schools, the inclusion and description of goals for state priorities in the LCAP may be modified to meet the grade levels served and the nature of the programs provided, including modifications to reflect only the statutory requirements explicitly applicable to charter schools in the Education Code.

The LCAP is intended to be a comprehensive planning tool. Accordingly, in developing goals, specific actions, and expenditures, LEAs should carefully consider how to reflect the services and related expenses for their basic instructional program in relationship to the state priorities. LEAs may reference and describe actions and expenditures in other plans and funded by a variety of other fund sources when detailing goals, actions, and expenditures related to the state and local priorities. LCAPs must be consistent with school plans submitted pursuant to Education Code section 64001. The information contained in the LCAP, or annual update, may be supplemented by information contained in other plans (including the LEA plan pursuant to Section 1112 of Subpart 1 of Part A of Title I of Public Law 107-110) that are incorporated or referenced as relevant in this document.

For each section of the template, LEAs shall comply with instructions and should use the guiding questions as prompts (but not limits) for completing the information as required by statute. Guiding questions do not require separate narrative responses. However, the narrative response and goals and actions should demonstrate each guiding question was considered during the development of the plan. Data referenced in the LCAP must be consistent with the school accountability report card where appropriate. LEAs may resize pages or attach additional pages as necessary to facilitate completion of the LCAP.

State Priorities

The state priorities listed in Education Code sections 52060 and 52066 can be categorized as specified below for planning purposes, however, school districts and county offices of education must address each of the state priorities in their LCAP. Charter schools must address the priorities in Education Code section 52060(d) that apply to the grade levels served, or the nature of the program operated, by the charter school.

A. Conditions of Learning:

Basic: *degree to which teachers are appropriately assigned pursuant to Education Code section 44258.9, and fully credentialed in the subject areas and for the pupils they are teaching; pupils have access to standards-aligned instructional materials pursuant to Education Code section 60119; and school facilities are maintained in good repair pursuant to Education Code section 17002(d). (Priority 1)*

Implementation of State Standards: *implementation of academic content and performance standards and English language development standards adopted by the state board for all pupils, including English learners. (Priority 2)*

Course access: *pupil enrollment in a broad course of study that includes all of the subject areas described in Education Code section 51210 and subdivisions (a) to (i), inclusive, of Section 51220, as applicable. (Priority 7)*

Expelled pupils (for county offices of education only): *coordination of instruction of expelled pupils pursuant to Education Code section 48926. (Priority 9)*

Foster youth (for county offices of education only): *coordination of services, including working with the county child welfare agency to share information, responding to the needs of the juvenile court system, and ensuring transfer of health and education records. (Priority 10)*

B. Pupil Outcomes:

Pupil achievement: performance on standardized tests, score on Academic Performance Index, share of pupils that are college and career ready, share of English learners that become English proficient, English learner reclassification rate, share of pupils that pass Advanced Placement exams with 3 or higher, share of pupils determined prepared for college by the Early Assessment Program. (Priority 4)

Other pupil outcomes: pupil outcomes in the subject areas described in Education Code section 51210 and subdivisions (a) to (i), inclusive, of Education Code section 51220, as applicable. (Priority 8)

C. Engagement:

Parental involvement: efforts to seek parent input in decision making at the district and each school sites, promotion of parent participation in programs for unduplicated pupils and special need subgroups. (Priority 3)

Pupil engagement: school attendance rates, chronic absenteeism rates, middle school dropout rates, high school dropout rates, high school graduations rates. (Priority 5)

School climate: pupil suspension rates, pupil expulsion rates, other local measures including surveys of pupils, parents and teachers on the sense of safety and school connectedness. (Priority 6)

Section 1: Stakeholder Engagement

Meaningful engagement of parents, pupils, and other stakeholders, including those representing the subgroups identified in Education Code section 52052, is critical to the LCAP and budget process. Education Code sections 52060(g), 52062 and 52063 specify the minimum requirements for school districts; Education Code sections 52066(g), 52068 and 52069 specify the minimum requirements for county offices of education, and Education Code section 47606.5 specifies the minimum requirements for charter schools. In addition, Education Code section 48985 specifies the requirements for translation of documents.

Instructions: Describe the process used to consult with parents, pupils, school personnel, local bargaining units as applicable, and the community and how this consultation contributed to development of the LCAP or annual update. Note that the LEA's goals, actions, services and expenditures related to the state priority of parental involvement are to be described separately in Section 2. In the annual update boxes, describe the stakeholder involvement process for the review, and describe its impact on, the development of the annual update to LCAP goals, actions, services, and expenditures.

Guiding Questions:

- 1) How have applicable stakeholders (e.g., parents and pupils, including parents of unduplicated pupils and unduplicated pupils identified in Education Code section 42238.01; community members; local bargaining units; LEA personnel; county child welfare agencies; county office of education foster youth services programs, court-appointed special advocates, and other foster youth stakeholders; community organizations representing English learners; and others as appropriate) been engaged and involved in developing, reviewing, and supporting implementation of the LCAP?
- 2) How have stakeholders been included in the LEA's process in a timely manner to allow for engagement in the development of the LCAP?
- 3) What information (e.g., quantitative and qualitative data/metrics) was made available to stakeholders related to the state priorities and used by the LEA to inform the LCAP goal setting process? How was the information made available?
- 4) What changes, if any, were made in the LCAP prior to adoption as a result of written comments or other feedback received by the LEA through any of the LEA's engagement processes?
- 5) What specific actions were taken to meet statutory requirements for stakeholder engagement pursuant to Education Code sections 52062, 52068, and 47606.5, including engagement with representatives of parents and guardians of pupils identified in Education Code section 42238.01?
- 6) What specific actions were taken to consult with pupils to meet the requirements 5 CCR 15495(a)?
- 7) How has stakeholder involvement been continued and supported? How has the involvement of these stakeholders supported improved outcomes for pupils, including unduplicated pupils, related to the state priorities?

<p>Involvement Process</p>	<p>Impact on LCAP</p>
<p>In order to promote learning and provide a more positive learning experience for our students, Magnolia Science Academy-4 (“MSA-4” or “Charter School”) has established a culture of gathering input from parents, students, staff, community members, and other stakeholders through multiple channels including meetings, school events, surveys, home visits, newsletters, and other means of communication. To the extent possible, all stakeholders are invited to be involved in the process of school review and improvement including the development of our annual LCAP.</p> <p>Information/input sessions include Parent Task Force (PTF) meetings, School Site Council (SSC) meetings/English Learner Advisory Committee (ELAC) meetings, Board of Directors meetings, Principal meetings, Dean meetings, and staff meetings. In addition, the Charter School conducts surveys for parents, students, and teachers and the Charter School staff make home visits. These all serve as a way to inform, educate, and gather input & feedback from all critical stakeholders.</p> <p>The Charter School has an approved charter petition with measurable student outcomes and methods to assess student progress, an SSD plan with planned improvement in student performance in reading and mathematics and in programs for LEP students and immigrants, and a WASC action plan for continual school improvement. Therefore, LCAP is received by our community as a comprehensive planning tool that draws from all other school plans and addresses the state priorities and locally identified priorities.</p>	<p>All major groups have been informed of the LCAP work and given an opportunity to participate. The Charter School LCAP committee has reviewed input from all stakeholders and synthesized input to revise existing goals and also to set new goals in the LCAP over the next three years. The following are the major goal areas in the revised LCAP:</p> <ul style="list-style-type: none"> ▪ Fully implement state-adopted ELA and math academic content and performance standards for all students, including subgroups, and support teacher professional development ▪ Provide increased early intervention programs and communication with the parents of academically low-achieving students; visit students at their homes to discuss student progress and enhance student learning and involvement ▪ Set targets for proficiency and growth for all subgroups on the statewide and internal assessments and regularly review progress toward targets ▪ Analyze our programs for EL, SWD, and FY to provide increased instructional support to all student subgroups, including these student groups ▪ Develop college-preparedness ▪ Provide a nurturing and engaging learning environment and acknowledge and encourage positive student behavior and improvements for all our students and families, including those of all the subgroups enrolled in the Charter School to maintain sense of safety and school connectedness
<p>Annual Update:</p> <p>The Charter School held its periodical meetings in 2015-16 to gather input from its stakeholders. These include 4 PTF meetings, 4 SSC meetings, 4 ELAC meetings, at least 5 parent activities/events including 2 Coffee with the Principal meetings, weekly staff meetings and other stakeholder meetings. The school conducted a parent, teacher and student satisfaction survey with specific questions about school improvement and the eight state priorities. All students and teachers participated in this survey. Parent participation rate in the survey was 32%. The Charter School staff made home visits during 2015-16 and sought feedback from the parents for school improvement.</p>	<p>Annual Update:</p> <p>Based on input from all stakeholders and available data through surveys and student achievement/school data, the Charter School has updated its LCAP. Some of the updates include:</p> <ul style="list-style-type: none"> ▪ Purchasing of common-core aligned instructional materials ▪ Improvements in English Learner services ▪ Expanding summer school ▪ Increasing employee salaries and implementing performance pay ▪ Increasing college preparedness by offering “Advisory” classes, a college planning and career exploration program for students, offering special programs to prepare students for the SAT/ACT tests, and encouraging students to take AP courses and participate in the EAP ▪ Investing in effective technology infrastructure to enhance instruction in the classroom ▪ Offering an annual STEAM festival and a STEAM expo ▪ Other input includes improving school facilities, identification and support of immigrant students and foster youth, decreasing truancy and sustaining after school and Saturday programs.

Section 2: Goals, Actions, Expenditures, and Progress Indicators

Instructions:

All LEAs must complete the LCAP and Annual Update Template each year. The LCAP is a three-year plan for the upcoming school year and the two years that follow. In this way, the program and goals contained in the LCAP align with the term of a school district and county office of education budget and multiyear budget projections. The Annual Update section of the template reviews progress made for each stated goal in the school year that is coming to a close, assesses the effectiveness of actions and services provided, and describes the changes made in the LCAP for the next three years that are based on this review and assessment.

Charter schools may adjust the table below to align with the term of the charter school's budget that is submitted to the school's authorizer pursuant to Education Code section 47604.33.

For school districts, Education Code sections 52060 and 52061, for county offices of education, Education Code sections 52066 and 52067, and for charter schools, Education Code section 47606.5 require(s) the LCAP to include a description of the annual goals, for all pupils and each subgroup of pupils, to be achieved for each state priority as defined in 5 CCR 15495(i) and any local priorities; a description of the specific actions an LEA will take to meet the identified goals; a description of the expenditures required to implement the specific actions; and an annual update to include a review of progress towards the goals and describe any changes to the goals.

To facilitate alignment between the LCAP and school plans, the LCAP shall identify and incorporate school-specific goals related to the state and local priorities from the school plans submitted pursuant to Education Code section 64001. Furthermore, the LCAP should be shared with, and input requested from, school sites-level advisory groups, as applicable (e.g., school sites councils, English Learner Advisory Councils, pupil advisory groups, etc.) to facilitate alignment between school-site and district-level goals and actions. An LEA may incorporate or reference actions described in other plans that are being undertaken to meet the goal.

Using the following instructions and guiding questions, complete a goal table (see below) for each of the LEA's goals. Duplicate and expand the fields as necessary.

Goal: Describe the goal:

When completing the goal tables, include goals for all pupils and specific goals for school sites and specific subgroups, including pupils with disabilities, both at the LEA level and, where applicable, at the school sites level. The LEA may identify which school sites and

subgroups have the same goals, and group and describe those goals together. The LEA may also indicate those goals that are not applicable to a specific subgroup or school sites.

Related State and/or Local Priorities: Identify the state and/or local priorities addressed by the goal by placing a check mark next to the applicable priority or priorities. The LCAP must include goals that address each of the state priorities, as defined in 5 CCR 15495(i), and any additional local priorities; however, one goal may address multiple priorities.

Identified Need: Describe the need(s) identified by the LEA that this goal addresses, including a description of the supporting data used to identify the need(s).

Schools: Identify the school sites to which the goal applies. LEAs may indicate “all” for all schools, specify an individual school or a subset of schools, or specify grade spans (e.g., all high schools or grades K-5).

Applicable Pupil Subgroups: Identify the pupil subgroups as defined in Education Code section 52052 to which the goal applies, or indicate “all” for all pupils.

Expected Annual Measurable Outcomes: For each LCAP year, identify and describe specific expected measurable outcomes for all pupils using, at minimum, the applicable required metrics for the related state priorities. Where applicable, include descriptions of specific expected measurable outcomes for school sites and specific subgroups, including pupils with disabilities, both at the LEA level and at the school sites level.

The metrics used to describe the expected measurable outcomes may be quantitative or qualitative, although the goal tables must address all required metrics for every state priority in each LCAP year. The required metrics are the specified measures and objectives for each state priority as set forth in Education Code sections 52060(d) and 52066(d). For the pupil engagement priority metrics, LEAs must calculate the rates specified in Education Code sections 52060(d)(5)(B), (C), (D) and (E) as described in the Local Control Accountability Plan and Annual Update Template Appendix, sections (a) through (d).

Actions/Services: For each LCAP year, identify all annual actions to be performed and services provided to meet the described goal. Actions may describe a group of services that are implemented to achieve the identified goal.

Scope of Service: Describe the scope of each action/service by identifying the school sites covered. LEAs may indicate “all” for all schools, specify an individual school or a subset of schools, or specify grade spans (e.g., all high schools or grades K-5). If supplemental and concentration funds are used to support the action/service, the LEA must identify if the scope of service is district-wide, school-wide, countywide, or charter-wide.

Pupils to be served within identified scope of service: For each action/service, identify the pupils to be served within the identified scope of service. If the action to be performed or the service to be provided is for all pupils, place a check mark next to “ALL.”

For each action and/or service to be provided above what is being provided for all pupils, place a check mark next to the applicable unduplicated pupil subgroup(s) and/or other pupil subgroup(s) that will benefit from the additional action, and/or will receive the additional service. Identify, as applicable, additional actions and services for unduplicated pupil subgroup(s) as defined in Education Code section 42238.01, pupils redesignated fluent English proficient, and/or pupil subgroup(s) as defined in Education Code section 52052.

Budgeted Expenditures: For each action/service, list and describe budgeted expenditures for each school year to implement these actions, including where those expenditures can be found in the LEA’s budget. The LEA must reference all fund sources for each proposed expenditure. Expenditures must be classified using the California School Accounting Manual as required by Education Code sections 52061, 52067, and 47606.5.

Guiding Questions:

- 1) What are the LEA’s goal(s) to address state priorities related to “Conditions of Learning”?
- 2) What are the LEA’s goal(s) to address state priorities related to “Pupil Outcomes”?
- 3) What are the LEA’s goal(s) to address state priorities related to parent and pupil “Engagement” (e.g., parent involvement, pupil engagement, and school climate)?
- 4) What are the LEA’s goal(s) to address any locally-identified priorities?
- 5) How have the unique needs of individual school sites been evaluated to inform the development of meaningful district and/or individual school site goals (e.g., input from site level advisory groups, staff, parents, community, pupils; review of school level plans; in-depth school level data analysis, etc.)?
- 6) What are the unique goals for unduplicated pupils as defined in Education Code sections 42238.01 and subgroups as defined in section 52052 that are different from the LEA’s goals for all pupils?
- 7) What are the specific expected measurable outcomes associated with each of the goals annually and over the term of the LCAP?
- 8) What information (e.g., quantitative and qualitative data/metrics) was considered/reviewed to develop goals to address each state or local priority?
- 9) What information was considered/reviewed for individual school sites?
- 10) What information was considered/reviewed for subgroups identified in Education Code section 52052?

- 11) What actions/services will be provided to all pupils, to subgroups of pupils identified pursuant to Education Code section 52052, to specific school sites, to English learners, to low-income pupils, and/or to foster youth to achieve goals identified in the LCAP?
- 12) How do these actions/services link to identified goals and expected measurable outcomes?
- 13) What expenditures support changes to actions/services as a result of the goal identified? Where can these expenditures be found in the LEA's budget?

GOAL #1:	All students will pursue academic excellence and be college/career ready. Annual Update

Annual Update Instructions: For each goal in the prior year LCAP, review the progress toward the expected annual outcome(s) based on, at a minimum, the required metrics pursuant to Education Code sections 52060 and 52066. The review must include an assessment of the effectiveness of the specific actions. Describe any changes to the actions or goals the LEA will take as a result of the review and assessment. In addition, review the applicability of each goal in the LCAP.

Guiding Questions:

- 1) How have the actions/services addressed the needs of all pupils and did the provisions of those services result in the desired outcomes?
- 2) How have the actions/services addressed the needs of all subgroups of pupils identified pursuant to Education Code section 52052, including, but not limited to, English learners, low-income pupils, and foster youth; and did the provision of those actions/services result in the desired outcomes?
- 3) How have the actions/services addressed the identified needs and goals of specific school sites and were these actions/services effective in achieving the desired outcomes?
- 4) What information (e.g., quantitative and qualitative data/metrics) was examined to review progress toward goals in the annual update?
- 5) What progress has been achieved toward the goal and expected measurable outcome(s)? How effective were the actions and services in making progress toward the goal? What changes to goals, actions, services, and expenditures are being made in the LCAP as a result of the review of progress and assessment of the effectiveness of the actions and services?
- 6) What differences are there between budgeted expenditures and estimated actual annual expenditures? What were the reasons for any differences?

Complete a copy of this table for each of the LEA's goals in the prior year LCAP. Duplicate and expand the fields as necessary.

Academic and socio-emotional support will be provided to address student needs. ▪ Charter School will continue to offer 4-year academic plans, credit recovery classes, and monitor for timely high school graduation. ▪ Charter School will continue to assess its suspension policies and procedures and encourage positive student behavior and improvements. ▪ Charter School will continue to administer school experience surveys to students, parents, and staff. Charter School will continue to use survey results for school improvement.
---	--

Section 3: Use of Supplemental and Concentration Grant funds and Proportionality

A. In the box below, identify the amount of funds in the LCAP year calculated on the basis of the number and concentration of low income, foster youth, and English learner pupils as determined pursuant to 5 CCR 15496(a)(5).

Describe how the LEA is expending these funds in the LCAP year. Include a description of, and justification for, the use of any funds in a district-wide, school-wide, countywide, or charter-wide manner as specified in 5 CCR 15496.

For school districts with below 55 percent of enrollment of unduplicated pupils in the district or below 40 percent of enrollment of unduplicated pupils at a school site in the LCAP year, when using supplemental and concentration funds in a district-wide or school-wide manner, the school district must additionally describe how the services provided are the most effective use of funds to meet the district’s goals for unduplicated pupils in the state and any local priority areas. (See 5 CCR 15496(b) for guidance.)

Total amount of Supplemental and Concentration grant funds calculated:	\$ <u> \$368,149.00 </u>
<p>Charter School’s identified amount of funds in the LCAP year is approximately \$368,149.00. These funds are calculated based on the number and concentration of our low income, foster youth, and English learner students.</p> <p>Charter School will offer a variety of support programs and supports specifically for low-income, foster youth, and English learners. These include EL intervention courses, bilingual instructional assistants, ESL/ELD/EL instructional materials, parent trainings for bilingual parents, EL progress analyses towards targets, afterschool programs, summer learning programs, Saturday school, home visits and family engagement programs, career/college readiness activities for low income pupils and other related services. Charter School also offers services and programs that are aligned with LCAP goals that serve all students such as intervention, recruitment and retention of highly qualified teachers, small class size, Life Skills classes, positive behavior support and restorative practices. Following are the actions, services, and expenditures for the unduplicated pupils:</p> <p>Low income pupils:</p> <p>Actions and services:</p> <ul style="list-style-type: none"> ▪ Charter School will provide support that includes staffing, professional development augmentations and recruitment and retention enhancements. 	

- Charter School will expand summer learning programs to prevent summer learning loss.
- Charter School will provide resources for increased outreach efforts to low income families including home visits and meetings.
- Charter School will provide explicit parent education on trait/habits of high achieving students and navigating the higher education system and resources.
- Charter School will provide targeted assistance to low income students in career/college readiness activities and guidance.
- Charter School will provide STEAM related courses, clubs, field trips, competitions, and other activities to promote STEAM.
- Charter School will provide bullying prevention training.

Anticipated expenditures: \$333,149.00

- Afterschool programs
- Summer learning programs
- Home visits
- Parent trainings
- Career/college readiness activities for low income pupils

Foster youth:

Actions and services:

- Foster youth will receive educational counseling.
- Foster youth will receive academic supports and remediation in order to decrease the adverse effects of school mobility on foster youth.
- Foster youth will be encouraged and supported to engage in extracurricular activities in order to adverse the effects of school mobility on foster youth.
- Charter School will improve communication with foster guardians.

Anticipated expenditures: \$20,000.00

English learners:

Actions and services:

- EL students will participate in ELA/Literacy instruction with appropriate instructional support.
- Charter School will provide additional professional development to increase teachers' understanding of ELD standards and to ensure that English learners receive support in accessing CCSS.
- Charter School will implement its English Learners Master Plan.
- EL students will receive in-class instructional support which includes one-on-one teacher support; small group instruction; usage of SDAIE and ELD instructional strategies; extended day instruction as needed.
- Charter School will provide bilingual instructional assistants to provide primary language support to enable students to access content area instruction while gaining language proficiency.
- Charter School will provide additional teaching sections of EL intervention courses.
- Charter School will provide a range of standards-aligned supplemental instructional resources in English and home languages.
- Charter School will provide culturally and linguistically relevant materials for students.
- Charter School will provide ongoing Common Core Parent Training for bilingual parents at ELAC meetings.
- Charter School will provide parent training on how to assist students academically and behaviorally, and how to navigate the educational system, including higher education.
- Charter School will regularly review progress towards targets.
- Charter School will provide additional supports and interventions, as needed.

Anticipated expenditures: \$15,000.00

- EL intervention courses
- Bilingual instructional assistants
- ESL/ELD/EL instructional materials
- Parent trainings for bilingual parents
- EL progress analysis towards targets

Redesignated fluent English proficient pupils:

Actions and services are located in the English learner section above and services provide a multi-tiered system of supports for English learners and struggling students, inclusive of redesignated fluent English proficient students (RFEs).

- B. In the box below, identify the percentage by which services for unduplicated pupils must be increased or improved as compared to the services provided to all pupils in the LCAP year as calculated pursuant to 5 CCR 15496(a).

Consistent with the requirements of 5 CCR 15496, demonstrate how the services provided in the LCAP year for low income pupils, foster youth, and English learners provide for increased or improved services for these pupils in proportion to the increase in funding provided for such pupils in that year as calculated pursuant to 5 CCR 15496(a)(7). An LEA shall describe how the proportionality percentage is met using a quantitative and/or qualitative description of the increased and/or improved services for unduplicated pupils as compared to the services provided to all pupils.

26.18	%
-------	---

Charter School Proportionality Calculation:

Charter School's Minimum Proportionality Percentage by which services for unduplicated students must be increased or improved over services provided for all students in the LCAP year is calculated and can be seen above. The Charter School addresses the needs of our school's English learners, low Income students and foster youth by providing the services described in detail in the prior sections. The majority of students served at the Charter School will be focus students and the Charter School will continue to maintain and improve its services to unduplicated students. School-wide implementation of these practices will not only have an impact on learning environment and the climate of the school as a whole, but will also have a disproportionately positive impact on the targeted subgroups. Charter School recognizes that while these funds are generated in order to serve the focus students, some services may, should the need arise, be utilized for students outside the focus subgroups. While the majority of students served will be focus students (90 percent or more), there may be other students in need that the school does not want to overlook. By providing the services identified without limitations, Charter School will best serve all students, especially focus students. The full list of expenditures is aligned with the goals of the Charter School Local Control and Accountability Plan and addresses the needs of our school's low income, foster youth, and English learner students.

LOCAL CONTROL AND ACCOUNTABILITY PLAN AND ANNUAL UPDATE APPENDIX

For the purposes of completing the LCAP in reference to the state priorities under Education Code sections 52060 and 52066, the following shall apply:

(a) “Chronic absenteeism rate” shall be calculated as follows:

- (1) The number of pupils with a primary, secondary, or short-term enrollment during the academic year (July 1 – June 30) who are chronically absent where “chronic absentee” means a pupil who is absent 10 percent or more of the schooldays in the school year when the total number of days a pupil is absent is divided by the total number of days the pupil is enrolled and school was actually taught in the total number of days the pupil is enrolled and school was actually taught in the regular day schools of the district, exclusive of Saturdays and Sundays.
- (2) The unduplicated count of pupils with a primary, secondary, or short-term enrollment during the academic year (July 1 – June 30).
- (3) Divide (1) by (2).

(b) “Middle School dropout rate” shall be calculated as set forth in California Code of Regulations, title 5, section 1039.1.

(c) “High school dropout rate” shall be calculated as follows:

- (1) The number of cohort members who dropout by the end of year 4 in the cohort where “cohort” is defined as the number of first-time grade 9 pupils in year 1 (starting cohort) plus pupils who transfer in, minus pupils who transfer out, emigrate, or die during school years 1, 2, 3, and 4.
- (2) The total number of cohort members.
- (3) Divide (1) by (2).

(d) “High school graduation rate” shall be calculated as follows:

- (1) The number of cohort members who earned a regular high school diploma [or earned an adult education high school diploma or passed the California High School Proficiency Exam] by the end of year 4 in the cohort where “cohort” is defined as the number of first-time grade 9 pupils in year 1 (starting cohort) plus pupils who transfer in, minus pupils who transfer out, emigrate, or die during school years 1, 2, 3, and 4.

(2) The total number of cohort members.

(3) Divide (1) by (2).

(e) "Suspension rate" shall be calculated as follows:

(1) The unduplicated count of pupils involved in one or more incidents for which the pupil was suspended during the academic year (July 1 – June 30).

(2) The unduplicated count of pupils with a primary, secondary, or short-term enrollment during the academic year (July 1 – June 30).

(3) Divide (1) by (2).

(f) "Expulsion rate" shall be calculated as follows:

(1) The unduplicated count of pupils involved in one or more incidents for which the pupil was expelled during the academic year (July 1 – June 30).

(2) The unduplicated count of pupils with a primary, secondary, or short-term enrollment during the academic year (July 1 – June 30).

(3) Divide (1) by (2).

Introduction:

LEA: Magnolia Science Academy-5 Contact (Name, Title, Email, Phone Number): Brad Plonka, Principal, bplonka@magnoliapublicschools.org, (818) 705-5676
LCAP Year: 2016-17

Local Control and Accountability Plan and Annual Update Template

The Local Control and Accountability Plan (LCAP) and Annual Update Template shall be used to provide details regarding local educational agencies' (LEAs) actions and expenditures to support pupil outcomes and overall performance pursuant to Education Code sections 52060, 52066, 47605, 47605.5, and 47606.5. The LCAP and Annual Update Template must be completed by all LEAs each year.

For school districts, pursuant to Education Code section 52060, the LCAP must describe, for the school district and each school within the district, goals and specific actions to achieve those goals for all pupils and each subgroup of pupils identified in Education Code section 52052, including pupils with disabilities, for each of the state priorities and any locally identified priorities.

For county offices of education, pursuant to Education Code section 52066, the LCAP must describe, for each county office of education-operated school and program, goals and specific actions to achieve those goals for all pupils and each subgroup of pupils identified in Education Code section 52052, including pupils with disabilities, who are funded through the county office of education Local Control Funding Formula as identified in Education Code section 2574 (pupils attending juvenile court schools, on probation or parole, or mandatorily expelled) for each of the state priorities and any locally identified priorities. School districts and county offices of education may additionally coordinate and describe in their LCAPs services provided to pupils funded by a school district but attending county-operated schools and programs, including special education programs.

Charter schools, pursuant to Education Code sections 47605, 47605.5, and 47606.5, must describe goals and specific actions to achieve those goals for all pupils and each subgroup of pupils identified in Education Code section 52052, including pupils with disabilities, for each of the state priorities as applicable and any locally identified priorities. For charter schools, the inclusion and description of goals for state priorities in the LCAP may be modified to meet the grade levels served and the nature of the programs provided, including modifications to reflect only the statutory requirements explicitly applicable to charter schools in the Education Code.

The LCAP is intended to be a comprehensive planning tool. Accordingly, in developing goals, specific actions, and expenditures, LEAs should carefully consider how to reflect the services and related expenses for their basic instructional program in relationship to the state priorities. LEAs may reference and describe actions and expenditures in other plans and funded by a variety of other fund sources when detailing goals, actions, and expenditures related to the state and local priorities. LCAPs must be consistent with school plans submitted pursuant to Education Code section 64001. The information contained in the LCAP, or annual update, may be supplemented by information contained in other plans (including the LEA plan pursuant to Section 1112 of Subpart 1 of Part A of Title I of Public Law 107-110) that are incorporated or referenced as relevant in this document.

For each section of the template, LEAs shall comply with instructions and should use the guiding questions as prompts (but not limits) for completing the information as required by statute. Guiding questions do not require separate narrative responses. However, the narrative response and goals and actions should demonstrate each guiding question was considered during the development of the plan. Data referenced in the LCAP must be consistent with the school accountability report card where appropriate. LEAs may resize pages or attach additional pages as necessary to facilitate completion of the LCAP.

State Priorities

The state priorities listed in Education Code sections 52060 and 52066 can be categorized as specified below for planning purposes, however, school districts and county offices of education must address each of the state priorities in their LCAP. Charter schools must address the priorities in Education Code section 52060(d) that apply to the grade levels served, or the nature of the program operated, by the charter school.

A. Conditions of Learning:

Basic: *degree to which teachers are appropriately assigned pursuant to Education Code section 44258.9, and fully credentialed in the subject areas and for the pupils they are teaching; pupils have access to standards-aligned instructional materials pursuant to Education Code section 60119; and school facilities are maintained in good repair pursuant to Education Code section 17002(d). (Priority 1)*

Implementation of State Standards: *implementation of academic content and performance standards and English language development standards adopted by the state board for all pupils, including English learners. (Priority 2)*

Course access: *pupil enrollment in a broad course of study that includes all of the subject areas described in Education Code section 51210 and subdivisions (a) to (i), inclusive, of Section 51220, as applicable. (Priority 7)*

Expelled pupils (for county offices of education only): *coordination of instruction of expelled pupils pursuant to Education Code section 48926. (Priority 9)*

Foster youth (for county offices of education only): *coordination of services, including working with the county child welfare agency to share information, responding to the needs of the juvenile court system, and ensuring transfer of health and education records. (Priority 10)*

B. Pupil Outcomes:

Pupil achievement: performance on standardized tests, score on Academic Performance Index, share of pupils that are college and career ready, share of English learners that become English proficient, English learner reclassification rate, share of pupils that pass Advanced Placement exams with 3 or higher, share of pupils determined prepared for college by the Early Assessment Program. (Priority 4)

Other pupil outcomes: pupil outcomes in the subject areas described in Education Code section 51210 and subdivisions (a) to (i), inclusive, of Education Code section 51220, as applicable. (Priority 8)

C. Engagement:

Parental involvement: efforts to seek parent input in decision making at the district and each schoolsite, promotion of parent participation in programs for unduplicated pupils and special need subgroups. (Priority 3)

Pupil engagement: school attendance rates, chronic absenteeism rates, middle school dropout rates, high school dropout rates, high school graduations rates. (Priority 5)

School climate: pupil suspension rates, pupil expulsion rates, other local measures including surveys of pupils, parents and teachers on the sense of safety and school connectedness. (Priority 6)

Section 1: Stakeholder Engagement

Meaningful engagement of parents, pupils, and other stakeholders, including those representing the subgroups identified in Education Code section 52052, is critical to the LCAP and budget process. Education Code sections 52060(g), 52062 and 52063 specify the minimum requirements for school districts; Education Code sections 52066(g), 52068 and 52069 specify the minimum requirements for county offices of education, and Education Code section 47606.5 specifies the minimum requirements for charter schools. In addition, Education Code section 48985 specifies the requirements for translation of documents.

Instructions: Describe the process used to consult with parents, pupils, school personnel, local bargaining units as applicable, and the community and how this consultation contributed to development of the LCAP or annual update. Note that the LEA's goals, actions, services and expenditures related to the state priority of parental involvement are to be described separately in Section 2. In the annual update boxes, describe the stakeholder involvement process for the review, and describe its impact on, the development of the annual update to LCAP goals, actions, services, and expenditures.

Guiding Questions:

- 1) How have applicable stakeholders (e.g., parents and pupils, including parents of unduplicated pupils and unduplicated pupils identified in Education Code section 42238.01; community members; local bargaining units; LEA personnel; county child welfare agencies; county office of education foster youth services programs, court-appointed special advocates, and other foster youth stakeholders; community organizations representing English learners; and others as appropriate) been engaged and involved in developing, reviewing, and supporting implementation of the LCAP?
- 2) How have stakeholders been included in the LEA's process in a timely manner to allow for engagement in the development of the LCAP?
- 3) What information (e.g., quantitative and qualitative data/metrics) was made available to stakeholders related to the state priorities and used by the LEA to inform the LCAP goal setting process? How was the information made available?
- 4) What changes, if any, were made in the LCAP prior to adoption as a result of written comments or other feedback received by the LEA through any of the LEA's engagement processes?
- 5) What specific actions were taken to meet statutory requirements for stakeholder engagement pursuant to Education Code sections 52062, 52068, and 47606.5, including engagement with representatives of parents and guardians of pupils identified in Education Code section 42238.01?
- 6) What specific actions were taken to consult with pupils to meet the requirements 5 CCR 15495(a)?
- 7) How has stakeholder involvement been continued and supported? How has the involvement of these stakeholders supported improved outcomes for pupils, including unduplicated pupils, related to the state priorities?

<p>Involvement Process</p> <p>In order to promote learning and provide a more positive learning experience for our students, Magnolia Science Academy-5 (“MSA-5” or “Charter School”) has established a culture of gathering input from parents, students, staff, community members, and other stakeholders through multiple channels including meetings, school events, surveys, home visits, newsletters, social media, and other means of communication. To the extent possible, all stakeholders are invited to be involved in the process of school review and improvement including the development of our annual LCAP.</p> <p>Information/input sessions include Parent Task Force (PTF) meetings, School Site Council (SSC) meetings, English Learner Advisory Committee (ELAC) meetings, Coffee with the Principal meetings, Board of Directors meetings, Principal meetings, Dean meetings, and staff meetings. In addition, the Charter School conducts surveys for parents, students, and teachers and the Charter School staff make home visits. These all serve as a way to inform, educate, and gather input & feedback from all critical stakeholders.</p> <p>MSA-5 has an approved charter petition with measurable student outcomes and methods to assess student progress, an SSD plan with planned improvement in student performance in reading and mathematics and in programs for LEP students and immigrants, and a WASC action plan for continual school improvement. Therefore, LCAP is received by our community as a comprehensive planning tool that draws from all other school plans and addresses the state priorities and locally identified priorities.</p>	<p>Impact on LCAP</p> <p>All major groups have been informed of the LCAP work and given an opportunity to participate. MSA-5’s team has reviewed input from all stakeholders and synthesized input to revise existing goals and also to set new goals in the LCAP over the next three years. The following are the major goal areas in the revised LCAP:</p> <ul style="list-style-type: none"> ▪ Fully implement state-adopted ELA and math academic content and performance standards for all students, including subgroups, and support teacher professional development ▪ Provide increased early intervention programs and communication with the parents of academically low-achieving students; visit students at their homes to discuss student progress and enhance student learning and involvement ▪ Set targets for proficiency and growth for all subgroups on the statewide and internal assessments and regularly review progress toward targets ▪ Analyze our programs for EL, SWD, and FY to provide increased instructional support to all student subgroups, including these student groups ▪ Develop college-preparedness ▪ Provide a nurturing and engaging learning environment and acknowledge and encourage positive student behavior and improvements for all our students and families, including those of all the subgroups enrolled in MSA-5 to maintain sense of safety and school connectedness
<p>Annual Update:</p> <p>The Charter School held its periodical meetings in 2015-16 to gather input from is stakeholders. These include at least 4 PTF meetings, 4 SSC meetings, 4 ELAC meetings, at least 5 parent activities/events including Coffee with the Principal meetings, weekly staff meetings and other stakeholder meetings. The school conducted a parent, teacher and student satisfaction survey with specific questions about school improvement and the eight state priorities. All students and teachers participated in this survey. Parent participation rate in the survey was over 90%. MSA-5’s staff made 40 home visits during 2015-16 and sought feedback from the parents for school improvement.</p>	<p>Annual Update:</p> <p>Based on input from all stakeholders and available data through surveys and student achievement/school data, MSA-5 has updated its LCAP. Some of the updates include:</p> <ul style="list-style-type: none"> ▪ Purchasing of common-core aligned instructional materials ▪ Addition of school-level support positions, e.g., instructional coach ▪ Improvements in English Learner services ▪ Summer school options ▪ Increasing employee salaries and implementing performance pay ▪ Investing in effective technology to enhance instruction in the classroom ▪ Offering an annual STEAM festival and a STEAM expo ▪ Other input includes improving school facilities, identification and support of immigrant students and foster youth, decreasing truancy and sustaining after school and Saturday programs.

Section 2: Goals, Actions, Expenditures, and Progress Indicators

Instructions:

All LEAs must complete the LCAP and Annual Update Template each year. The LCAP is a three-year plan for the upcoming school year and the two years that follow. In this way, the program and goals contained in the LCAP align with the term of a school district and county office of education budget and multiyear budget projections. The Annual Update section of the template reviews progress made for each stated goal in the school year that is coming to a close, assesses the effectiveness of actions and services provided, and describes the changes made in the LCAP for the next three years that are based on this review and assessment.

Charter schools may adjust the table below to align with the term of the charter school's budget that is submitted to the school's authorizer pursuant to Education Code section 47604.33.

For school districts, Education Code sections 52060 and 52061, for county offices of education, Education Code sections 52066 and 52067, and for charter schools, Education Code section 47606.5 require(s) the LCAP to include a description of the annual goals, for all pupils and each subgroup of pupils, to be achieved for each state priority as defined in 5 CCR 15495(i) and any local priorities; a description of the specific actions an LEA will take to meet the identified goals; a description of the expenditures required to implement the specific actions; and an annual update to include a review of progress towards the goals and describe any changes to the goals.

To facilitate alignment between the LCAP and school plans, the LCAP shall identify and incorporate school-specific goals related to the state and local priorities from the school plans submitted pursuant to Education Code section 64001. Furthermore, the LCAP should be shared with, and input requested from, schoolsite-level advisory groups, as applicable (e.g., schoolsite councils, English Learner Advisory Councils, pupil advisory groups, etc.) to facilitate alignment between school-site and district-level goals and actions. An LEA may incorporate or reference actions described in other plans that are being undertaken to meet the goal.

Using the following instructions and guiding questions, complete a goal table (see below) for each of the LEA's goals. Duplicate and expand the fields as necessary.

Goal: Describe the goal:

When completing the goal tables, include goals for all pupils and specific goals for schoolsites and specific subgroups, including pupils with disabilities, both at the LEA level and, where applicable, at the schoolsite level. The LEA may identify which schoolsites and

subgroups have the same goals, and group and describe those goals together. The LEA may also indicate those goals that are not applicable to a specific subgroup or school site.

Related State and/or Local Priorities: Identify the state and/or local priorities addressed by the goal by placing a check mark next to the applicable priority or priorities. The LCAP must include goals that address each of the state priorities, as defined in 5 CCR 15495(i), and any additional local priorities; however, one goal may address multiple priorities.

Identified Need: Describe the need(s) identified by the LEA that this goal addresses, including a description of the supporting data used to identify the need(s).

Schools: Identify the school sites to which the goal applies. LEAs may indicate “all” for all schools, specify an individual school or a subset of schools, or specify grade spans (e.g., all high schools or grades K-5).

Applicable Pupil Subgroups: Identify the pupil subgroups as defined in Education Code section 52052 to which the goal applies, or indicate “all” for all pupils.

Expected Annual Measurable Outcomes: For each LCAP year, identify and describe specific expected measurable outcomes for all pupils using, at minimum, the applicable required metrics for the related state priorities. Where applicable, include descriptions of specific expected measurable outcomes for school sites and specific subgroups, including pupils with disabilities, both at the LEA level and at the schoolsite level.

The metrics used to describe the expected measurable outcomes may be quantitative or qualitative, although the goal tables must address all required metrics for every state priority in each LCAP year. The required metrics are the specified measures and objectives for each state priority as set forth in Education Code sections 52060(d) and 52066(d). For the pupil engagement priority metrics, LEAs must calculate the rates specified in Education Code sections 52060(d)(5)(B), (C), (D) and (E) as described in the Local Control Accountability Plan and Annual Update Template Appendix, sections (a) through (d).

Actions/Services: For each LCAP year, identify all annual actions to be performed and services provided to meet the described goal. Actions may describe a group of services that are implemented to achieve the identified goal.

Scope of Service: Describe the scope of each action/service by identifying the schoolsites covered. LEAs may indicate “all” for all schools, specify an individual school or a subset of schools, or specify grade spans (e.g., all high schools or grades K-5). If supplemental and concentration funds are used to support the action/service, the LEA must identify if the scope of service is districtwide, schoolwide, countywide, or charterwide.

Pupils to be served within identified scope of service: For each action/service, identify the pupils to be served within the identified scope of service. If the action to be performed or the service to be provided is for all pupils, place a check mark next to “ALL.”

For each action and/or service to be provided above what is being provided for all pupils, place a check mark next to the applicable unduplicated pupil subgroup(s) and/or other pupil subgroup(s) that will benefit from the additional action, and/or will receive the additional service. Identify, as applicable, additional actions and services for unduplicated pupil subgroup(s) as defined in Education Code section 42238.01, pupils redesignated fluent English proficient, and/or pupils subgroup(s) as defined in Education Code section 52052.

Budgeted Expenditures: For each action/service, list and describe budgeted expenditures for each school year to implement these actions, including where those expenditures can be found in the LEA’s budget. The LEA must reference all fund sources for each proposed expenditure. Expenditures must be classified using the California School Accounting Manual as required by Education Code sections 52061, 52067, and 47606.5.

Guiding Questions:

- 1) What are the LEA’s goal(s) to address state priorities related to “Conditions of Learning”?
- 2) What are the LEA’s goal(s) to address state priorities related to “Pupil Outcomes”?
- 3) What are the LEA’s goal(s) to address state priorities related to parent and pupil “Engagement” (e.g., parent involvement, pupil engagement, and school climate)?
- 4) What are the LEA’s goal(s) to address any locally-identified priorities?
- 5) How have the unique needs of individual schoolsites been evaluated to inform the development of meaningful district and/or individual schoolsite goals (e.g., input from site level advisory groups, staff, parents, community, pupils; review of school level plans; in-depth school level data analysis, etc.)?
- 6) What are the unique goals for unduplicated pupils as defined in Education Code sections 42238.01 and subgroups as defined in section 52052 that are different from the LEA’s goals for all pupils?
- 7) What are the specific expected measurable outcomes associated with each of the goals annually and over the term of the LCAP?
- 8) What information (e.g., quantitative and qualitative data/metrics) was considered/reviewed to develop goals to address each state or local priority?

- 9) What information was considered/reviewed for individual schoolsites?
- 10) What information was considered/reviewed for subgroups identified in Education Code section 52052?
- 11) What actions/services will be provided to all pupils, to subgroups of pupils identified pursuant to Education Code section 52052, to specific schoolsites, to English learners, to low-income pupils, and/or to foster youth to achieve goals identified in the LCAP?
- 12) How do these actions/services link to identified goals and expected measurable outcomes?
- 13) What expenditures support changes to actions/services as a result of the goal identified? Where can these expenditures be found in the LEA's budget?

GOAL #1:	All students will pursue academic excellence and be college/career ready.	Related State and/or Local Priorities: 1 <input checked="" type="checkbox"/> 2 <input checked="" type="checkbox"/> 3 <input type="checkbox"/> 4 <input checked="" type="checkbox"/> 5 <input type="checkbox"/> 6 <input type="checkbox"/> 7 <input type="checkbox"/> 8 <input checked="" type="checkbox"/> COE only: 9 <input type="checkbox"/> 10 <input type="checkbox"/> Local : Specify _____
-----------------	---	---

Identified Need:	<ul style="list-style-type: none"> ▪ Priority 1: ▪ To ensure teachers are appropriately assigned and fully credentialed ▪ To ensure every pupil has sufficient access to standards-aligned instructional materials ▪ To ensure school facilities are maintained in good repair ▪ Priority 2: ▪ To implement Common Core State Standards ▪ Priority 4: ▪ To increase the percentage of students who score proficient or above in English Language Arts/Literacy and math on the CAASPP assessment system ▪ To increase or maintain the API scores to meet or exceed the API growth targets school-wide and for all student subgroups ▪ To increase the percentage of graduating seniors who will have successfully completed courses that satisfy the UC/CSU or career technical education program ▪ To increase the percentage of ELs who make progress toward English language proficiency ▪ To increase the percentage of ELs who are reclassified as FEP ▪ To increase the percentage of students who take and pass AP exams ▪ To increase the percentage of students who are on track to be college/career ready ▪ Priority 8: ▪ To increase student proficiency in all courses
-------------------------	---

Goal Applies to:	Schools: All	Applicable Pupil Subgroups: All
-------------------------	---------------------	--

LCAP Year 1: 2016-17

Expected Annual Measurable Outcomes:	<ul style="list-style-type: none"> ▪ Priority 1: ▪ 100% of MSA-5’s teachers will be appropriately assigned and fully credentialed as required by law and the charter. ▪ 100% of students will have sufficient access to standards-aligned instructional materials. ▪ At least 90% of the items on facility inspection checklists will be in compliance/good standing. ▪ Priority 2: ▪ MSA-5 will provide 100% implementation of CCSS for all students. ▪ Priority 4: ▪ All student subgroups will meet or exceed proficiency targets in English Language Arts/Literacy and math on the CAASPP assessment system. (Specific targets will be set as data becomes available.) ▪ For all student subgroups, the percentage of students performing proficient on the English Language Arts/Literacy and math sections of the CAASPP assessment system will increase by 5% from 2016 to 2017. ▪ For all student subgroups, the percentage of students performing proficient on the Reading/ELA and math sections of our internal, common-core aligned Measures of Academic Progress (MAP) assessment will increase by 5% from fall to spring. ▪ MSA-5 will meet or exceed the annual API growth targets for all student subgroups. ▪ The percentage of EL students making annual progress in learning English as measured by the CELDT and/or ELPAC will increase by 3% from the prior year. ▪ The percentage of EL students who are reclassified will increase by 3% from the prior year. ▪ Priority 8: ▪ At least 70% of all students enrolled at MSA-5 for a full academic year will receive a grade of “C” or better (or perform “proficient” on the related state standardized tests) in core subjects and electives.

Annual Update

Annual Update Instructions: For each goal in the prior year LCAP, review the progress toward the expected annual outcome(s) based on, at a minimum, the required metrics pursuant to Education Code sections 52060 and 52066. The review must include an assessment of the effectiveness of the specific actions. Describe any changes to the actions or goals the LEA will take as a result of the review and assessment. In addition, review the applicability of each goal in the LCAP.

Guiding Questions:

- 1) How have the actions/services addressed the needs of all pupils and did the provisions of those services result in the desired outcomes?
- 2) How have the actions/services addressed the needs of all subgroups of pupils identified pursuant to Education Code section 52052, including, but not limited to, English learners, low-income pupils, and foster youth; and did the provision of those actions/services result in the desired outcomes?
- 3) How have the actions/services addressed the identified needs and goals of specific schoolsites and were these actions/services effective in achieving the desired outcomes?
- 4) What information (e.g., quantitative and qualitative data/metrics) was examined to review progress toward goals in the annual update?
- 5) What progress has been achieved toward the goal and expected measurable outcome(s)? How effective were the actions and services in making progress toward the goal? What changes to goals, actions, services, and expenditures are being made in the LCAP as a result of the review of progress and assessment of the effectiveness of the actions and services?
- 6) What differences are there between budgeted expenditures and estimated actual annual expenditures? What were the reasons for any differences?

Complete a copy of this table for each of the LEA's goals in the prior year LCAP. Duplicate and expand the fields as necessary.

Original GOAL from prior year LCAP:	All students will pursue academic excellence and be college/career ready. Goal Applies to:	Schools: All	Applicable Pupil Subgroups: All
-------------------------	---------------------	--

Expected Annual Measurable Outcomes:

- Priority 1:**
- 100% of MSA-5’s teachers will be appropriately assigned and fully credentialed as required by law and the charter.
 - 100% of students will have sufficient access to standards-aligned instructional materials.
 - At least 90% of the items on facility inspection checklists will be in compliance/good standing.
- Priority 2:**
- MSA-5 will provide 100% implementation of CCSS for all students.
- Priority 4:**
- For all student subgroups, the percentage of students performing proficient on the English Language Arts/Literacy and math sections of the CAASPP assessment system will increase by 5% from 2015 to 2016.
 - For all student subgroups, the percentage of students performing proficient on the Reading/ELA and math sections of our internal, common-core aligned Measures of Academic Progress (MAP) assessment will increase by 5% from fall to spring.
 - MSA-5 will meet or exceed the annual API growth targets for all student subgroups.
 - The percentage of EL students who are reclassified will increase by 5% from the prior year.
- Priority 8:**
- At least 80% of all students enrolled in the Charter School for a full academic year will receive a grade of “C” or better (or perform “proficient” on the related state standardized tests) in core subjects and electives.

Actual Annual Measurable Outcomes:

- Priority 1:**
- 100% of MSA-5’s teachers are appropriately assigned and fully credentialed as required by law and the charter.
 - 100% of students have sufficient access to standards-aligned instructional materials.
 - At least 90% of the items on facility inspection checklists are in compliance/good standing.
- Priority 2:**
- MSA-5 provides 100% implementation of CCSS for all students.
- Priority 4:**
- For all student subgroups, the percentage of students performing proficient on the English Language Arts/Literacy and math sections of the CAASPP assessment system is expected to increase by 5% from 2015 to 2016. More specific targets will be set as 2016 SBAC data becomes available.)
- | | ELA/Literacy | | Math | |
|--------------------|--------------|-----------------|------|-----------------|
| | 2015 | 2016 (Expected) | 2015 | 2016 (Expected) |
| Schoolwide | 18% | 23% | 6% | 11% |
| Socioecon. Disadv. | 19% | 55% | 6% | 11% |
| English Learners | 0% | 5% | 0% | 5% |
| Hispanic or Latino | 18% | 55% | 4% | 9% |
| African American | 0% | 5% | 0% | 5% |
- For all student subgroups, the percentage of students performing proficient on the Reading/ELA and math sections of our internal, common-core aligned Measures of Academic Progress (MAP) assessment was expected to increase by 5% from fall to spring. Following are the proficiency percentages for our subgroups:
- | | Reading/ELA | | Math | |
|--------------------|-------------|-------------|-----------|-------------|
| | Fall 2015 | Spring 2016 | Fall 2015 | Spring 2016 |
| Schoolwide | 27% | 32% | 11% | 16% |
| Socioecon. Disadv. | 26% | 31% | 11% | 16% |
| English Learners | 5% | 10% | 3% | 8% |
| Hispanic or Latino | 25% | 30% | 8% | 13% |

			<p>African American 42% 47% 0% 55%</p> <ul style="list-style-type: none"> API data is not available at this time. The percentage of EL students who are reclassified has decreased by 2% from the prior year. <p>2014-15: 20% 2015-16: 18%</p> <p>Priority 8:</p> <ul style="list-style-type: none"> 70% of all students enrolled in the Charter School for a full academic year received a grade of "C" or better (or performed "proficient" on the related state standardized tests) in core subjects and electives. We expect a rate of 85% in 2015-16.

What changes in actions, services, and	Goal, actions, and services will be maintained.		

expenditures will be made as a result of reviewing past progress and/or changes to goals?

- MSA-5 will continue to support our teachers for their credentialing needs. Expenditure amounts will be adjusted based on how many teachers will have credentialing needs.
- MSA-5 has made a checklist of instructional materials to be used next year and made a purchase order for next year to ensure sufficient access to materials. Expenditure amount will be adjusted based on the number of instructional materials needed.
- MSA-5 will continue to do annual and monthly facility inspections to screen for safety hazards. Expenditure amount will be adjusted based on repair and cleaning needs.
- MSA-5 will continue to provide professional development to all of its teachers to ensure 100% implementation of CCSS. Expenditure amount will be adjusted based on PD needs.
- MSA-5 has revised its EL Master Plan to better serve the needs of our EL students. Charter School will continue to provide EL support and interventions. Expenditure amount will be adjusted based on the ELD materials and PD needs.
- MSA-5 will continue to use the MAP test to set targets for student subgroups and each student. Charter School will continue to regularly review student performance towards targets and provide additional supports and interventions. Expenditure amount will be adjusted based on the number of instructional support personnel.
- MSA-5 will begin to provide courses that meet UC/CSU requirements. Our admin team and advisory teacher will continue to work with our students on their 4-year academic plans.

Academic and socio-emotional support will be provided to address student needs. ▪ MSA-5 will begin to offer 4-year academic plans and monitor for timely high school graduation. ▪ MSA-5 will continue to assess its suspension policies and procedures and encourage positive student behavior and improvements. ▪ MSA-5 will continue to administer school experience surveys to students, parents, and staff. Charter School will continue to use survey results for school improvement. 		

Section 3: Use of Supplemental and Concentration Grant funds and Proportionality

- A. In the box below, identify the amount of funds in the LCAP year calculated on the basis of the number and concentration of low income, foster youth, and English learner pupils as determined pursuant to 5 CCR 15496(a)(5).

Describe how the LEA is expending these funds in the LCAP year. Include a description of, and justification for, the use of any funds in a districtwide, schoolwide, countywide, or charterwide manner as specified in 5 CCR 15496.

For school districts with below 55 percent of enrollment of unduplicated pupils in the district or below 40 percent of enrollment of unduplicated pupils at a schoolsite in the LCAP year, when using supplemental and concentration funds in a districtwide or schoolwide manner, the school district must additionally describe how the services provided are the most effective use of funds to meet the district’s goals for unduplicated pupils in the state and any local priority areas. (See 5 CCR 15496(b) for guidance.)

Total amount of Supplemental and Concentration grant funds calculated:	\$ <u>342,045.00</u>
<p>MSA-5’s identified amount of funds in the LCAP year is approximately \$342,045.00. These funds are calculated based on the number and concentration of our low income, foster youth, and English learner students.</p> <p>Charter School will offer a variety of support programs and supports specifically for low-income, foster youth, and English learners. These include EL intervention courses, bilingual instructional assistants, ESL/ELD/EL instructional materials, parent trainings for bilingual parents, EL progress analyses towards targets, afterschool programs, summer learning programs, Saturday school, home visits and family engagement programs, career/college readiness activities for low income pupils, guidance counseling and other related services. Charter School also offers services and programs that are aligned with LCAP goals that serve all students such as intervention, recruitment and retention of highly qualified teachers, small class size, Get Ready for Life classes, positive behavior support and restorative practices. Following are the actions, services, and expenditures for the unduplicated pupils:</p> <p>Low income pupils:</p> <p>Actions and services:</p> <ul style="list-style-type: none"> ▪ MSA-5 will provide support that includes staffing, professional development augmentations and recruitment and retention enhancements. ▪ MSA-5 will expand summer learning programs to prevent summer learning loss. ▪ MSA-5 will provide resources for increased outreach efforts to low income families including home visits and meetings. ▪ MSA-5 will provide explicit parent education on trait/habits of high achieving students and navigating the higher education system and resources. ▪ MSA-5 will provide targeted assistance to low income students in career/college readiness activities and guidance. ▪ MSA-5 will provide STEM related courses, clubs, field trips, competitions, and other activities to promote STEM. ▪ MSA-5 will provide bullying prevention training. ▪ MSA-5 will provide/pilot programs such as Second Step and Why Try to provide explicit social/emotional instruction. <p>Anticipated expenditures: \$340,000.00</p> <ul style="list-style-type: none"> ▪ Afterschool programs ▪ Summer learning programs ▪ Home visits ▪ Parent trainings ▪ Career/college readiness activities for low income pupils 	

Foster youth:

Actions and services:

- Foster youth will receive educational counseling.
- Foster youth will receive academic supports and remediation in order to decrease the adverse effects of school mobility on foster youth.
- Foster youth will be encouraged and supported to engage in extracurricular activities in order to adverse the effects of school mobility on foster youth.
- Charter School will improve communication with foster guardians.

Anticipated expenditures: \$20,000.00

- Guidance/PSA counselor

English learners:

Actions and services:

- EL students will participate in ELA/Literacy instruction with appropriate instructional support.
- MSA-5 will provide additional professional development to increase teachers' understanding of ELD standards and to ensure that English learners receive support in accessing CCSS.
- MSA-5 will implement its English Learners Master Plan.
- EL students will receive in-class instructional support which includes one-on-one teacher support; small group instruction; usage of SDAIE and ELD instructional strategies; extended day instruction as needed.
- MSA-5 will provide bilingual instructional assistants to provide primary language support to enable students to access content area instruction while gaining language proficiency.
- MSA-5 will provide additional teaching sections of EL intervention courses.
- MSA-5 will provide a range of standards-aligned supplemental instructional resources in English and home languages.
- MSA-5 will provide culturally and linguistically relevant materials for students.
- MSA-5 will provide ongoing Common Core Parent Training for bilingual parents at ELAC meetings.
- MSA-5 will provide parent training on how to assist students academically and behaviorally, and how to navigate the educational system, including higher education.
- MSA-5 will regularly review progress towards targets.
- MSA-5 will provide additional supports and interventions, as needed.

Anticipated expenditures: \$55,000.00

- EL intervention courses
- Bilingual instructional assistants
- ESL/ELD/EL instructional materials
- Parent trainings for bilingual parents
- EL progress analysis towards targets

Redesignated fluent English proficient pupils:

Actions and services are located in the English learner section above and services provide a multi-tiered system of supports for English learners and struggling students, inclusive of redesignated fluent English proficient students (RFEPs).

- B. In the box below, identify the percentage by which services for unduplicated pupils must be increased or improved as compared to the services provided to all pupils in the LCAP year as calculated pursuant to 5 CCR 15496(a).

Consistent with the requirements of 5 CCR 15496, demonstrate how the services provided in the LCAP year for low income pupils, foster youth, and English learners provide for increased or improved services for these pupils in proportion to the increase in funding provided for such pupils in that year as calculated pursuant to 5 CCR 15496(a)(7). An LEA shall describe how the proportionality percentage is met using a quantitative and/or qualitative description of the increased and/or improved services for unduplicated pupils as compared to the services provided to all pupils.

27.62	%
-------	---

MSA-5's Proportionality Calculation:

MSA-5's Minimum Proportionality Percentage by which services for unduplicated students must be increased or improved over services provided for all students in the LCAP year is calculated and can be seen above. MSA-5 addresses the needs of our school's English learners, low Income students and foster youth by providing the services described in detail in the prior sections. The majority of students served at MSA-5 will be focus students and MSA-5 will continue to maintain and improve its services to unduplicated students. Schoolwide implementation of these practices will not only have an impact on learning environment and the climate of the school as a whole, but will also have a disproportionately positive impact on the targeted subgroups. MSA-5 recognizes that while these funds are generated in order to serve the focus students, some services may, should the need arise, be utilized for students outside the focus subgroups. While the majority of students served will be focus students (90 percent or more), there may be other students in need that the school does not want to overlook. By providing the services identified without limitations, MSA-5 will best serve all students, especially focus students. The full list of expenditures is aligned with the goals of MSA-5's Local Control and Accountability Plan and addresses the needs of our school's low income, foster youth, and English learner students.

LOCAL CONTROL AND ACCOUNTABILITY PLAN AND ANNUAL UPDATE APPENDIX

For the purposes of completing the LCAP in reference to the state priorities under Education Code sections 52060 and 52066, the following shall apply:

(a) "Chronic absenteeism rate" shall be calculated as follows:

- (1) The number of pupils with a primary, secondary, or short-term enrollment during the academic year (July 1 – June 30) who are chronically absent where "chronic absentee" means a pupil who is absent 10 percent or more of the schooldays in the school year when the total number of days a pupil is absent is divided by the total number of days the pupil is enrolled and school was actually taught in the total number of days the pupil is enrolled and school was actually taught in the regular day schools of the district, exclusive of Saturdays and Sundays.
- (2) The unduplicated count of pupils with a primary, secondary, or short-term enrollment during the academic year (July 1 – June 30).
- (3) Divide (1) by (2).

(b) "Middle School dropout rate" shall be calculated as set forth in California Code of Regulations, title 5, section 1039.1.

(c) "High school dropout rate" shall be calculated as follows:

- (1) The number of cohort members who dropout by the end of year 4 in the cohort where "cohort" is defined as the number of first-time grade 9 pupils in year 1 (starting cohort) plus pupils who transfer in, minus pupils who transfer out, emigrate, or die during school years 1, 2, 3, and 4.
- (2) The total number of cohort members.
- (3) Divide (1) by (2).

(d) "High school graduation rate" shall be calculated as follows:

- (1) The number of cohort members who earned a regular high school diploma [or earned an adult education high school diploma or passed the California High School Proficiency Exam] by the end of year 4 in the cohort where "cohort" is defined as the number of first-time grade 9 pupils in year 1 (starting cohort) plus pupils who transfer in, minus pupils who transfer out, emigrate, or die during school years 1, 2, 3, and 4.

(2) The total number of cohort members.

(3) Divide (1) by (2).

(e) "Suspension rate" shall be calculated as follows:

(1) The unduplicated count of pupils involved in one or more incidents for which the pupil was suspended during the academic year (July 1 – June 30).

(2) The unduplicated count of pupils with a primary, secondary, or short-term enrollment during the academic year (July 1 – June 30).

(3) Divide (1) by (2).

(f) "Expulsion rate" shall be calculated as follows:

(1) The unduplicated count of pupils involved in one or more incidents for which the pupil was expelled during the academic year (July 1 – June 30).

(2) The unduplicated count of pupils with a primary, secondary, or short-term enrollment during the academic year (July 1 – June 30).

(3) Divide (1) by (2).

Introduction:

LEA: Magnolia Science Academy-6 Contact (Name, Title, Email, Phone Number): John Terzi, Principal, jterzi@magnoliapublicschools.org, (310) 842-8555
LCAP Year: 2016-17

Local Control and Accountability Plan and Annual Update Template

The Local Control and Accountability Plan (LCAP) and Annual Update Template shall be used to provide details regarding local educational agencies' (LEAs) actions and expenditures to support pupil outcomes and overall performance pursuant to Education Code sections 52060, 52066, 47605, 47605.5, and 47606.5. The LCAP and Annual Update Template must be completed by all LEAs each year.

For school districts, pursuant to Education Code section 52060, the LCAP must describe, for the school district and each school within the district, goals and specific actions to achieve those goals for all pupils and each subgroup of pupils identified in Education Code section 52052, including pupils with disabilities, for each of the state priorities and any locally identified priorities.

For county offices of education, pursuant to Education Code section 52066, the LCAP must describe, for each county office of education-operated school and program, goals and specific actions to achieve those goals for all pupils and each subgroup of pupils identified in Education Code section 52052, including pupils with disabilities, who are funded through the county office of education Local Control Funding Formula as identified in Education Code section 2574 (pupils attending juvenile court schools, on probation or parole, or mandatorily expelled) for each of the state priorities and any locally identified priorities. School districts and county offices of education may additionally coordinate and describe in their LCAPs services provided to pupils funded by a school district but attending county-operated schools and programs, including special education programs.

Charter schools, pursuant to Education Code sections 47605, 47605.5, and 47606.5, must describe goals and specific actions to achieve those goals for all pupils and each subgroup of pupils identified in Education Code section 52052, including pupils with disabilities, for each of the state priorities as applicable and any locally identified priorities. For charter schools, the inclusion and description of goals for state priorities in the LCAP may be modified to meet the grade levels served and the nature of the programs provided, including modifications to reflect only the statutory requirements explicitly applicable to charter schools in the Education Code.

The LCAP is intended to be a comprehensive planning tool. Accordingly, in developing goals, specific actions, and expenditures, LEAs should carefully consider how to reflect the services and related expenses for their basic instructional program in relationship to the state priorities. LEAs may reference and describe actions and expenditures in other plans and funded by a variety of other fund sources when detailing goals, actions, and expenditures related to the state and local priorities. LCAPs must be consistent with school plans submitted pursuant to Education Code section 64001. The information contained in the LCAP, or annual update, may be supplemented by information contained in other plans (including the LEA plan pursuant to Section 1112 of Subpart 1 of Part A of Title I of Public Law 107-110) that are incorporated or referenced as relevant in this document.

For each section of the template, LEAs shall comply with instructions and should use the guiding questions as prompts (but not limits) for completing the information as required by statute. Guiding questions do not require separate narrative responses. However, the narrative response and goals and actions should demonstrate each guiding question was considered during the development of the plan. Data referenced in the LCAP must be consistent with the school accountability report card where appropriate. LEAs may resize pages or attach additional pages as necessary to facilitate completion of the LCAP.

State Priorities

The state priorities listed in Education Code sections 52060 and 52066 can be categorized as specified below for planning purposes, however, school districts and county offices of education must address each of the state priorities in their LCAP. Charter schools must address the priorities in Education Code section 52060(d) that apply to the grade levels served, or the nature of the program operated, by the charter school.

A. Conditions of Learning:

Basic: *degree to which teachers are appropriately assigned pursuant to Education Code section 44258.9, and fully credentialed in the subject areas and for the pupils they are teaching; pupils have access to standards-aligned instructional materials pursuant to Education Code section 60119; and school facilities are maintained in good repair pursuant to Education Code section 17002(d). (Priority 1)*

Implementation of State Standards: *implementation of academic content and performance standards and English language development standards adopted by the state board for all pupils, including English learners. (Priority 2)*

Course access: *pupil enrollment in a broad course of study that includes all of the subject areas described in Education Code section 51210 and subdivisions (a) to (i), inclusive, of Section 51220, as applicable. (Priority 7)*

Expelled pupils (for county offices of education only): *coordination of instruction of expelled pupils pursuant to Education Code section 48926. (Priority 9)*

Foster youth (for county offices of education only): *coordination of services, including working with the county child welfare agency to share information, responding to the needs of the juvenile court system, and ensuring transfer of health and education records. (Priority 10)*

B. Pupil Outcomes:

Pupil achievement: performance on standardized tests, score on Academic Performance Index, share of pupils that are college and career ready, share of English learners that become English proficient, English learner reclassification rate, share of pupils that pass Advanced Placement exams with 3 or higher, share of pupils determined prepared for college by the Early Assessment Program. (Priority 4)

Other pupil outcomes: pupil outcomes in the subject areas described in Education Code section 51210 and subdivisions (a) to (i), inclusive, of Education Code section 51220, as applicable. (Priority 8)

C. Engagement:

Parental involvement: efforts to seek parent input in decision making at the district and each schoolsite, promotion of parent participation in programs for unduplicated pupils and special need subgroups. (Priority 3)

Pupil engagement: school attendance rates, chronic absenteeism rates, middle school dropout rates, high school dropout rates, high school graduations rates. (Priority 5)

School climate: pupil suspension rates, pupil expulsion rates, other local measures including surveys of pupils, parents and teachers on the sense of safety and school connectedness. (Priority 6)

Section 1: Stakeholder Engagement

Meaningful engagement of parents, pupils, and other stakeholders, including those representing the subgroups identified in Education Code section 52052, is critical to the LCAP and budget process. Education Code sections 52060(g), 52062 and 52063 specify the minimum requirements for school districts; Education Code sections 52066(g), 52068 and 52069 specify the minimum requirements for county offices of education, and Education Code section 47606.5 specifies the minimum requirements for charter schools. In addition, Education Code section 48985 specifies the requirements for translation of documents.

Instructions: Describe the process used to consult with parents, pupils, school personnel, local bargaining units as applicable, and the community and how this consultation contributed to development of the LCAP or annual update. Note that the LEA's goals, actions, services and expenditures related to the state priority of parental involvement are to be described separately in Section 2. In the annual update boxes, describe the stakeholder involvement process for the review, and describe its impact on, the development of the annual update to LCAP goals, actions, services, and expenditures.

Guiding Questions:

- 1) How have applicable stakeholders (e.g., parents and pupils, including parents of unduplicated pupils and unduplicated pupils identified in Education Code section 42238.01; community members; local bargaining units; LEA personnel; county child welfare agencies; county office of education foster youth services programs, court-appointed special advocates, and other foster youth stakeholders; community organizations representing English learners; and others as appropriate) been engaged and involved in developing, reviewing, and supporting implementation of the LCAP?
- 2) How have stakeholders been included in the LEA's process in a timely manner to allow for engagement in the development of the LCAP?
- 3) What information (e.g., quantitative and qualitative data/metrics) was made available to stakeholders related to the state priorities and used by the LEA to inform the LCAP goal setting process? How was the information made available?
- 4) What changes, if any, were made in the LCAP prior to adoption as a result of written comments or other feedback received by the LEA through any of the LEA's engagement processes?
- 5) What specific actions were taken to meet statutory requirements for stakeholder engagement pursuant to Education Code sections 52062, 52068, and 47606.5, including engagement with representatives of parents and guardians of pupils identified in Education Code section 42238.01?
- 6) What specific actions were taken to consult with pupils to meet the requirements 5 CCR 15495(a)?
- 7) How has stakeholder involvement been continued and supported? How has the involvement of these stakeholders supported improved outcomes for pupils, including unduplicated pupils, related to the state priorities?

<p>Involvement Process</p> <p>In order to promote learning and provide a more positive learning experience for our students, Magnolia Science Academy-6 (“MSA-6” or “Charter School”) has established a culture of gathering input from parents, students, staff, community members, and other stakeholders through multiple channels including meetings, school events, surveys, home visits, newsletters, and other means of communication. To the extent possible, all stakeholders are invited to be involved in the process of school review and improvement including the development of our annual LCAP.</p> <p>Information/input sessions include Parent Task Force (PTF) meetings, School Site Council (SSC) meetings, English Learner Advisory Committee (ELAC) meetings, Coffee with the Principal meetings, Board of Directors meetings, Principal meetings, Dean meetings, and staff meetings. In addition, the Charter School conducts surveys for parents, students, and teachers and the Charter School staff make home visits. These all serve as a way to inform, educate, and gather input & feedback from all critical stakeholders.</p> <p>The Charter School has an approved charter petition with measurable student outcomes and methods to assess student progress, an SSD plan with planned improvement in student performance in reading and mathematics and in programs for LEP students and immigrants, and a WASC action plan for continual school improvement. Therefore, LCAP is received by our community as a comprehensive planning tool that draws from all other school plans and addresses the state priorities and locally identified priorities.</p>	<p>Impact on LCAP</p> <p>All major groups have been informed of the LCAP work and given an opportunity to participate. The Charter School LCAP committee has reviewed input from all stakeholders and synthesized input to revise existing goals and also to set new goals in the LCAP over the next three years. The following are the major goal areas in the revised LCAP:</p> <ul style="list-style-type: none"> ▪ Fully implement state-adopted ELA and math academic content and performance standards for all students, including subgroups, and support teacher professional development ▪ Provide increased early intervention programs and communication with the parents of academically low-achieving students; visit students at their homes to discuss student progress and enhance student learning and involvement ▪ Set targets for proficiency and growth for all subgroups on the statewide and internal assessments and regularly review progress toward targets ▪ Analyze our programs for EL, SWD, and FY to provide increased instructional support to all student subgroups, including these student groups ▪ Develop college-preparedness ▪ Provide a nurturing and engaging learning environment and acknowledge and encourage positive student behavior and improvements for all our students and families, including those of all the subgroups enrolled in the Charter School to maintain sense of safety and school connectedness
<p>Annual Update:</p> <p>The Charter School held its periodical meetings in 2015-16 to gather input from is stakeholders. These include 4 PTF meetings, 4 SSC meetings, 4 ELAC meetings, at least 5 parent activities/events including monthly Coffee with the Principal meetings, weekly staff meetings and other stakeholder meetings. The school conducted a parent, teacher and student satisfaction survey with specific questions about school improvement and the eight state priorities. All students and teachers participated in this survey. Parent participation rate in the survey was 52%. The Charter School staff made 45 home visits during 2015-16 and sought feedback from the parents for school improvement.</p>	<p>Annual Update:</p> <p>Based on input from all stakeholders and available data through surveys and student achievement/school data, the Charter School has updated its LCAP. Some of the updates include:</p> <ul style="list-style-type: none"> ▪ Purchasing of common-core aligned instructional materials ▪ Addition of school-level support positions, e.g., instructional coach ▪ Improvements in English Learner services ▪ Increasing employee salaries and implementing performance pay ▪ Investing in effective technology to enhance instruction in the classroom ▪ Continue offering an annual STEM festival and a STEM expo ▪ Other input includes improving school facilities, identification and support of immigrant students and foster youth, decreasing truancy and sustaining after school and Saturday programs.

Section 2: Goals, Actions, Expenditures, and Progress Indicators

Instructions:

All LEAs must complete the LCAP and Annual Update Template each year. The LCAP is a three-year plan for the upcoming school year and the two years that follow. In this way, the program and goals contained in the LCAP align with the term of a school district and county office of education budget and multiyear budget projections. The Annual Update section of the template reviews progress made for each stated goal in the school year that is coming to a close, assesses the effectiveness of actions and services provided, and describes the changes made in the LCAP for the next three years that are based on this review and assessment.

Charter schools may adjust the table below to align with the term of the charter school's budget that is submitted to the school's authorizer pursuant to Education Code section 47604.33.

For school districts, Education Code sections 52060 and 52061, for county offices of education, Education Code sections 52066 and 52067, and for charter schools, Education Code section 47606.5 require(s) the LCAP to include a description of the annual goals, for all pupils and each subgroup of pupils, to be achieved for each state priority as defined in 5 CCR 15495(i) and any local priorities; a description of the specific actions an LEA will take to meet the identified goals; a description of the expenditures required to implement the specific actions; and an annual update to include a review of progress towards the goals and describe any changes to the goals.

To facilitate alignment between the LCAP and school plans, the LCAP shall identify and incorporate school-specific goals related to the state and local priorities from the school plans submitted pursuant to Education Code section 64001. Furthermore, the LCAP should be shared with, and input requested from, schoolsite-level advisory groups, as applicable (e.g., schoolsite councils, English Learner Advisory Councils, pupil advisory groups, etc.) to facilitate alignment between school-site and district-level goals and actions. An LEA may incorporate or reference actions described in other plans that are being undertaken to meet the goal.

Using the following instructions and guiding questions, complete a goal table (see below) for each of the LEA's goals. Duplicate and expand the fields as necessary.

Goal: Describe the goal:

When completing the goal tables, include goals for all pupils and specific goals for schoolsites and specific subgroups, including pupils with disabilities, both at the LEA level and, where applicable, at the schoolsite level. The LEA may identify which schoolsites and

subgroups have the same goals, and group and describe those goals together. The LEA may also indicate those goals that are not applicable to a specific subgroup or schoolsite.

Related State and/or Local Priorities: Identify the state and/or local priorities addressed by the goal by placing a check mark next to the applicable priority or priorities. The LCAP must include goals that address each of the state priorities, as defined in 5 CCR 15495(i), and any additional local priorities; however, one goal may address multiple priorities.

Identified Need: Describe the need(s) identified by the LEA that this goal addresses, including a description of the supporting data used to identify the need(s).

Schools: Identify the schoolsites to which the goal applies. LEAs may indicate “all” for all schools, specify an individual school or a subset of schools, or specify grade spans (e.g., all high schools or grades K-5).

Applicable Pupil Subgroups: Identify the pupil subgroups as defined in Education Code section 52052 to which the goal applies, or indicate “all” for all pupils.

Expected Annual Measurable Outcomes: For each LCAP year, identify and describe specific expected measurable outcomes for all pupils using, at minimum, the applicable required metrics for the related state priorities. Where applicable, include descriptions of specific expected measurable outcomes for schoolsites and specific subgroups, including pupils with disabilities, both at the LEA level and at the schoolsite level.

The metrics used to describe the expected measurable outcomes may be quantitative or qualitative, although the goal tables must address all required metrics for every state priority in each LCAP year. The required metrics are the specified measures and objectives for each state priority as set forth in Education Code sections 52060(d) and 52066(d). For the pupil engagement priority metrics, LEAs must calculate the rates specified in Education Code sections 52060(d)(5)(B), (C), (D) and (E) as described in the Local Control Accountability Plan and Annual Update Template Appendix, sections (a) through (d).

Actions/Services: For each LCAP year, identify all annual actions to be performed and services provided to meet the described goal. Actions may describe a group of services that are implemented to achieve the identified goal.

Scope of Service: Describe the scope of each action/service by identifying the schoolsites covered. LEAs may indicate “all” for all schools, specify an individual school or a subset of schools, or specify grade spans (e.g., all high schools or grades K-5). If supplemental and concentration funds are used to support the action/service, the LEA must identify if the scope of service is districtwide, schoolwide, countywide, or charterwide.

Pupils to be served within identified scope of service: For each action/service, identify the pupils to be served within the identified scope of service. If the action to be performed or the service to be provided is for all pupils, place a check mark next to “ALL.”

For each action and/or service to be provided above what is being provided for all pupils, place a check mark next to the applicable unduplicated pupil subgroup(s) and/or other pupil subgroup(s) that will benefit from the additional action, and/or will receive the additional service. Identify, as applicable, additional actions and services for unduplicated pupil subgroup(s) as defined in Education Code section 42238.01, pupils redesignated fluent English proficient, and/or pupils subgroup(s) as defined in Education Code section 52052.

Budgeted Expenditures: For each action/service, list and describe budgeted expenditures for each school year to implement these actions, including where those expenditures can be found in the LEA’s budget. The LEA must reference all fund sources for each proposed expenditure. Expenditures must be classified using the California School Accounting Manual as required by Education Code sections 52061, 52067, and 47606.5.

Guiding Questions:

- 1) What are the LEA’s goal(s) to address state priorities related to “Conditions of Learning”?
- 2) What are the LEA’s goal(s) to address state priorities related to “Pupil Outcomes”?
- 3) What are the LEA’s goal(s) to address state priorities related to parent and pupil “Engagement” (e.g., parent involvement, pupil engagement, and school climate)?
- 4) What are the LEA’s goal(s) to address any locally-identified priorities?
- 5) How have the unique needs of individual schoolsites been evaluated to inform the development of meaningful district and/or individual schoolsite goals (e.g., input from site level advisory groups, staff, parents, community, pupils; review of school level plans; in-depth school level data analysis, etc.)?
- 6) What are the unique goals for unduplicated pupils as defined in Education Code sections 42238.01 and subgroups as defined in section 52052 that are different from the LEA’s goals for all pupils?
- 7) What are the specific expected measurable outcomes associated with each of the goals annually and over the term of the LCAP?
- 8) What information (e.g., quantitative and qualitative data/metrics) was considered/reviewed to develop goals to address each state or local priority?

- 9) What information was considered/reviewed for individual schoolsites?
- 10) What information was considered/reviewed for subgroups identified in Education Code section 52052?
- 11) What actions/services will be provided to all pupils, to subgroups of pupils identified pursuant to Education Code section 52052, to specific schoolsites, to English learners, to low-income pupils, and/or to foster youth to achieve goals identified in the LCAP?
- 12) How do these actions/services link to identified goals and expected measurable outcomes?
- 13) What expenditures support changes to actions/services as a result of the goal identified? Where can these expenditures be found in the LEA's budget?

GOAL #1:	Incorporate writing in all subject areas as evidence by Cluster Reports.	Related State and/or Local Priorities: 1 <input checked="" type="checkbox"/> 2 <input checked="" type="checkbox"/> 3 <input type="checkbox"/> 4 <input checked="" type="checkbox"/> 5 <input type="checkbox"/> 6 <input type="checkbox"/> 7 <input type="checkbox"/> 8 <input checked="" type="checkbox"/> COE only: 9 <input type="checkbox"/> 10 <input type="checkbox"/> Local : Specify _____
-----------------	--	---

Identified Need :	<ul style="list-style-type: none"> Priority 1: <ul style="list-style-type: none"> ▪ To ensure teachers are appropriately assigned and fully credentialed ▪ To ensure every pupil has sufficient access to standards-aligned instructional materials Priority 2: <ul style="list-style-type: none"> ▪ To implement Common Core State Standards Priority 4: <ul style="list-style-type: none"> ▪ To increase the percentage of students who score proficient or above in English Language Arts/Literacy and math on the CAASPP assessment system ▪ To increase the percentage of ELs who make progress toward English language proficiency ▪ To increase the percentage of ELs who are reclassified as FEP ▪ To increase the percentage of students who are on track to be college/career ready Priority 8: <ul style="list-style-type: none"> ▪ To increase student proficiency in all courses
--------------------------	---

Goal Applies to:	Schools: All
Applicable Pupil Subgroups:	All

LCAP Year 1: 2016-17

Expected Annual Measurable Outcomes:	<ul style="list-style-type: none"> Priority 1: <ul style="list-style-type: none"> ▪ 100% of Charter School's teachers will be appropriately assigned and fully credentialed as required by law and the charter. ▪ 100% of students will have sufficient access to standards-aligned instructional materials. ▪ At least 90% of the items on facility inspection checklists will be in compliance/good standing. Priority 2: <ul style="list-style-type: none"> ▪ Charter School will provide 100% implementation of CCSS for all students. Priority 4: <ul style="list-style-type: none"> ▪ All student subgroups will meet or exceed proficiency targets in English Language Arts/Literacy and math on the CAASPP assessment system. (Specific targets will be set as data becomes available.) ▪ For all student subgroups, the percentage of students performing proficient on the English Language Arts/Literacy and math sections of the CAASPP assessment system will increase by 5% from 2016 to 2017. ▪ For all student subgroups, the percentage of students performing proficient on the Reading/ELA and math sections of our internal, common-core aligned Measures of Academic Progress (MAP) assessment will increase by 5% from fall to spring. ▪ Charter School will meet or exceed the annual API growth targets for all student subgroups. ▪ The percentage of EL students making annual progress in learning English as measured by the CELDT and/or ELPAC will increase by no less than 50%. ▪ The percentage of EL students who are reclassified will be no less than 20%. Priority 8: <ul style="list-style-type: none"> ▪ At least 80% of all students enrolled in the Charter School for a full academic year will receive a grade of "C" or better (or perform "proficient" on the related state standardized tests) in core subjects and electives.

Annual Update

Annual Update Instructions: For each goal in the prior year LCAP, review the progress toward the expected annual outcome(s) based on, at a minimum, the required metrics pursuant to Education Code sections 52060 and 52066. The review must include an assessment of the effectiveness of the specific actions. Describe any changes to the actions or goals the LEA will take as a result of the review and assessment. In addition, review the applicability of each goal in the LCAP.

Guiding Questions:

- 1) How have the actions/services addressed the needs of all pupils and did the provisions of those services result in the desired outcomes?
- 2) How have the actions/services addressed the needs of all subgroups of pupils identified pursuant to Education Code section 52052, including, but not limited to, English learners, low-income pupils, and foster youth; and did the provision of those actions/services result in the desired outcomes?
- 3) How have the actions/services addressed the identified needs and goals of specific schoolsites and were these actions/services effective in achieving the desired outcomes?
- 4) What information (e.g., quantitative and qualitative data/metrics) was examined to review progress toward goals in the annual update?
- 5) What progress has been achieved toward the goal and expected measurable outcome(s)? How effective were the actions and services in making progress toward the goal? What changes to goals, actions, services, and expenditures are being made in the LCAP as a result of the review of progress and assessment of the effectiveness of the actions and services?
- 6) What differences are there between budgeted expenditures and estimated actual annual expenditures? What were the reasons for any differences?

What changes in actions, services, and expenditures will be made as a result of reviewing past progress and/or changes to goals?

Goal, actions, and services will be maintained.

- Charter School will continue to provide core courses and electives as outlined in its charter petition and provide 100% access to all students.
- Charter School will continue to offer "Advanced Math" class and club to students in grades 6-8.
- Charter School will continue to organize a local STEAM festival, participate in the Magnolia-wide STEAM expo and county-wide science fairs and activities.
- Charter School will continue to offer Computer/Technology classes and/or blended learning experience for our students. Charter School will continue to provide PD to our staff on Blended Learning.

<p style="text-align: center;">What changes in actions, services, and expenditures will be made as a result of reviewing past progress and/or changes to goals?</p>	Goal, actions, and services will be maintained. <ul style="list-style-type: none"> Charter School will continue to provide opportunities for parent involvement. Expenditure amount will be adjusted based on SIS fees, parent events/activities, and number of home visits. Charter School will provide a safe, nurturing, and engaging learning environment for all our students and families. Academic and socio-emotional support will be provided to address student needs. Charter School will continue to offer 4-year academic plans, credit recovery classes, and monitor for timely high school graduation. 		

- Charter School will continue to assess its suspension policies and procedures and encourage positive student behavior and improvements.
- Charter School will continue to administer school experience surveys to students, parents, and staff. Charter School will continue to use survey results for school improvement.

Section 3: Use of Supplemental and Concentration Grant funds and Proportionality

- A. In the box below, identify the amount of funds in the LCAP year calculated on the basis of the number and concentration of low income, foster youth, and English learner pupils as determined pursuant to 5 CCR 15496(a)(5).

Describe how the LEA is expending these funds in the LCAP year. Include a description of, and justification for, the use of any funds in a districtwide, schoolwide, countywide, or charterwide manner as specified in 5 CCR 15496.

For school districts with below 55 percent of enrollment of unduplicated pupils in the district or below 40 percent of enrollment of unduplicated pupils at a schoolsite in the LCAP year, when using supplemental and concentration funds in a districtwide or schoolwide manner, the school district must additionally describe how the services provided are the most effective use of funds to meet the district’s goals for unduplicated pupils in the state and any local priority areas. (See 5 CCR 15496(b) for guidance.)

Total amount of Supplemental and Concentration grant funds calculated:	\$ <u>355,357.00</u>
<p>Charter School’s identified amount of funds in the LCAP year is approximately \$313,906.00. These funds are calculated based on the number and concentration of our low income and English learner students.</p> <p>Charter School will offer a variety of support programs and supports specifically for low-income and English learners. These include EL intervention courses, bilingual instructional assistants, ESL/ELD/EL instructional materials, parent trainings for bilingual parents, EL progress analyses towards targets, afterschool programs, summer learning programs, Saturday school, home visits and family engagement programs, career/college readiness activities for low income pupils, guidance counseling and other related services. Charter School also offers services and programs that are aligned with LCAP goals that serve all students such as intervention, recruitment and retention of highly qualified teachers, small class size, Life skills (character education) classes, positive behavior support and restorative practices. Following are the actions, services, and expenditures for the unduplicated pupils:</p> <p>Low income pupils:</p> <p>Actions and services:</p> <ul style="list-style-type: none"> ▪ Charter School will provide support that includes staffing, professional development augmentations and recruitment and retention enhancements. ▪ Charter School will expand summer learning programs to prevent summer learning loss. ▪ Charter School will provide resources for increased outreach efforts to low income families including home visits and meetings. ▪ Charter School will provide explicit parent education on trait/habits of high achieving students and navigating the higher education system and resources. ▪ Charter School will provide targeted assistance to low income students in career/college readiness activities and guidance. ▪ Charter School will provide STEM related courses, clubs, field trips, competitions, and other activities to promote STEM. ▪ Charter School will provide bullying prevention training. ▪ Charter School will provide/pilot programs such as Second Step and Why Try to provide explicit social/emotional instruction. <p>Anticipated expenditures: \$300,000.00</p> <ul style="list-style-type: none"> ▪ Afterschool programs ▪ Summer learning programs ▪ Home visits ▪ Parent trainings ▪ Career/college readiness activities for low income pupils 	

English learners:

Actions and services:

- EL students will participate in ELA/Literacy instruction with appropriate instructional support.
- Charter School will provide additional professional development to increase teachers' understanding of ELD standards and to ensure that English learners receive support in accessing CCSS.
- Charter School will implement its English Learners Master Plan.
- EL students will receive in-class instructional support which includes one-on-one teacher support; small group instruction; usage of SDAIE and ELD instructional strategies; extended day instruction as needed.
- Charter School will provide bilingual instructional assistants to provide primary language support to enable students to access content area instruction while gaining language proficiency.
- Charter School will provide additional teaching sections of EL intervention courses.
- Charter School will provide a range of standards-aligned supplemental instructional resources in English and home languages.
- Charter School will provide culturally and linguistically relevant materials for students.
- Charter School will provide ongoing Common Core Parent Training for bilingual parents at ELAC meetings.
- Charter School will provide parent training on how to assist students academically and behaviorally, and how to navigate the educational system, including higher education.
- Charter School will regularly review progress towards targets.
- Charter School will provide additional supports and interventions, as needed.

Anticipated expenditures: \$55,357.00

- EL intervention courses
- Bilingual instructional assistants
- ESL/ELD/EL instructional materials
- Parent trainings for bilingual parents
- EL progress analysis towards targets

Redesignated fluent English proficient pupils:

Actions and services are located in the English learner section above and services provide a multi-tiered system of supports for English learners and struggling students, inclusive of redesignated fluent English proficient students (RFEPs).

- B. In the box below, identify the percentage by which services for unduplicated pupils must be increased or improved as compared to the services provided to all pupils in the LCAP year as calculated pursuant to 5 CCR 15496(a).

Consistent with the requirements of 5 CCR 15496, demonstrate how the services provided in the LCAP year for low income pupils, foster youth, and English learners provide for increased or improved services for these pupils in proportion to the increase in funding provided for such pupils in that year as calculated pursuant to 5 CCR 15496(a)(7). An LEA shall describe how the proportionality percentage is met using a quantitative and/or qualitative description of the increased and/or improved services for unduplicated pupils as compared to the services provided to all pupils.

29.15	%
-------	---

Charter School Proportionality Calculation:

Charter School's Minimum Proportionality Percentage by which services for unduplicated students must be increased or improved over services provided for all students in the LCAP year is calculated and can be seen above. The Charter School addresses the needs of our school's English learners and low Income students by providing the services described in detail in the prior sections. The majority of students served at the Charter School will be focus students and the Charter School will continue to maintain and improve its services to unduplicated students. Schoolwide implementation of these practices will not only have an impact on learning environment and the climate of the school as a whole, but will also have a disproportionately positive impact on the targeted subgroups. Charter School recognizes that while these funds are generated in order to serve the focus students, some services may, should the need arise, be utilized for students outside the focus subgroups. While the majority of students served will be focus students (90 percent or more), there may be other students in need that the school does not want to overlook. By providing the services identified without limitations, Charter School will best serve all students, especially focus students. The full list of expenditures is aligned with the goals of the Charter School Local Control and Accountability Plan and addresses the needs of our school's low income and English learner students.

LOCAL CONTROL AND ACCOUNTABILITY PLAN AND ANNUAL UPDATE APPENDIX

For the purposes of completing the LCAP in reference to the state priorities under Education Code sections 52060 and 52066, the following shall apply:

(a) “Chronic absenteeism rate” shall be calculated as follows:

- (1) The number of pupils with a primary, secondary, or short-term enrollment during the academic year (July 1 – June 30) who are chronically absent where “chronic absentee” means a pupil who is absent 10 percent or more of the schooldays in the school year when the total number of days a pupil is absent is divided by the total number of days the pupil is enrolled and school was actually taught in the total number of days the pupil is enrolled and school was actually taught in the regular day schools of the district, exclusive of Saturdays and Sundays.
- (2) The unduplicated count of pupils with a primary, secondary, or short-term enrollment during the academic year (July 1 – June 30).
- (3) Divide (1) by (2).

(b) “Middle School dropout rate” shall be calculated as set forth in California Code of Regulations, title 5, section 1039.1.

(c) “High school dropout rate” shall be calculated as follows:

- (1) The number of cohort members who dropout by the end of year 4 in the cohort where “cohort” is defined as the number of first-time grade 9 pupils in year 1 (starting cohort) plus pupils who transfer in, minus pupils who transfer out, emigrate, or die during school years 1, 2, 3, and 4.
- (2) The total number of cohort members.
- (3) Divide (1) by (2).

(d) “High school graduation rate” shall be calculated as follows:

- (1) The number of cohort members who earned a regular high school diploma [or earned an adult education high school diploma or passed the California High School Proficiency Exam] by the end of year 4 in the cohort where “cohort” is defined as the number of first-time grade 9 pupils in year 1 (starting cohort) plus pupils who transfer in, minus pupils who transfer out, emigrate, or die during school years 1, 2, 3, and 4.

(2) The total number of cohort members.

(3) Divide (1) by (2).

(e) "Suspension rate" shall be calculated as follows:

(1) The unduplicated count of pupils involved in one or more incidents for which the pupil was suspended during the academic year (July 1 – June 30).

(2) The unduplicated count of pupils with a primary, secondary, or short-term enrollment during the academic year (July 1 – June 30).

(3) Divide (1) by (2).

(f) "Expulsion rate" shall be calculated as follows:

(1) The unduplicated count of pupils involved in one or more incidents for which the pupil was expelled during the academic year (July 1 – June 30).

(2) The unduplicated count of pupils with a primary, secondary, or short-term enrollment during the academic year (July 1 – June 30).

(3) Divide (1) by (2).

Introduction:

LEA: Magnolia Science Academy-7 Elementary Contact: Fatih Metin, Principal, fmetin@magnoliapublicschools.org, (818) 886-0585 LCAP Year: 2016-17

Local Control and Accountability Plan and Annual Update Template

The Local Control and Accountability Plan (LCAP) and Annual Update Template shall be used to provide details regarding local educational agencies' (LEAs) actions and expenditures to support pupil outcomes and overall performance pursuant to Education Code sections 52060, 52066, 47605, 47605.5, and 47606.5. The LCAP and Annual Update Template must be completed by all LEAs each year.

For school districts, pursuant to Education Code section 52060, the LCAP must describe, for the school district and each school within the district, goals and specific actions to achieve those goals for all pupils and each subgroup of pupils identified in Education Code section 52052, including pupils with disabilities, for each of the state priorities and any locally identified priorities.

For county offices of education, pursuant to Education Code section 52066, the LCAP must describe, for each county office of education-operated school and program, goals and specific actions to achieve those goals for all pupils and each subgroup of pupils identified in Education Code section 52052, including pupils with disabilities, who are funded through the county office of education Local Control Funding Formula as identified in Education Code section 2574 (pupils attending juvenile court schools, on probation or parole, or mandatorily expelled) for each of the state priorities and any locally identified priorities. School districts and county offices of education may additionally coordinate and describe in their LCAPs services provided to pupils funded by a school district but attending county-operated schools and programs, including special education programs.

Charter schools, pursuant to Education Code sections 47605, 47605.5, and 47606.5, must describe goals and specific actions to achieve those goals for all pupils and each subgroup of pupils identified in Education Code section 52052, including pupils with disabilities, for each of the state priorities as applicable and any locally identified priorities. For charter schools, the inclusion and description of goals for state priorities in the LCAP may be modified to meet the grade levels served and the nature of the programs provided, including modifications to reflect only the statutory requirements explicitly applicable to charter schools in the Education Code.

The LCAP is intended to be a comprehensive planning tool. Accordingly, in developing goals, specific actions, and expenditures, LEAs should carefully consider how to reflect the services and related expenses for their basic instructional program in relationship to the state priorities. LEAs may reference and describe actions and expenditures in other plans and funded by a variety of other fund sources when detailing goals, actions, and expenditures related to the state and local priorities. LCAPs must be consistent with school plans submitted pursuant to Education Code section 64001. The information contained in the LCAP, or annual update, may be supplemented by information contained in other plans (including the LEA plan pursuant to Section 1112 of Subpart 1 of Part A of Title I of Public Law 107-110) that are incorporated or referenced as relevant in this document.

For each section of the template, LEAs shall comply with instructions and should use the guiding questions as prompts (but not limits) for completing the information as required by statute. Guiding questions do not require separate narrative responses. However, the narrative response and goals and actions should demonstrate each guiding question was considered during the development of the plan. Data referenced

in the LCAP must be consistent with the school accountability report card where appropriate. LEAs may resize pages or attach additional pages as necessary to facilitate completion of the LCAP.

State Priorities

The state priorities listed in Education Code sections 52060 and 52066 can be categorized as specified below for planning purposes, however, school districts and county offices of education must address each of the state priorities in their LCAP. Charter schools must address the priorities in Education Code section 52060(d) that apply to the grade levels served, or the nature of the program operated, by the charter school.

A. Conditions of Learning:

Basic: *degree to which teachers are appropriately assigned pursuant to Education Code section 44258.9, and fully credentialed in the subject areas and for the pupils they are teaching; pupils have access to standards-aligned instructional materials pursuant to Education Code section 60119; and school facilities are maintained in good repair pursuant to Education Code section 17002(d). (Priority 1)*

Implementation of State Standards: *implementation of academic content and performance standards and English language development standards adopted by the state board for all pupils, including English learners. (Priority 2)*

Course access: *pupil enrollment in a broad course of study that includes all of the subject areas described in Education Code section 51210 and subdivisions (a) to (i), inclusive, of Section 51220, as applicable. (Priority 7)*

Expelled pupils (for county offices of education only): *coordination of instruction of expelled pupils pursuant to Education Code section 48926. (Priority 9)*

Foster youth (for county offices of education only): *coordination of services, including working with the county child welfare agency to share information, responding to the needs of the juvenile court system, and ensuring transfer of health and education records. (Priority 10)*

B. Pupil Outcomes:

Pupil achievement: *performance on standardized tests, score on Academic Performance Index, share of pupils that are college and career ready, share of English learners that become English proficient, English learner reclassification rate, share of pupils that pass Advanced Placement exams with 3 or higher, share of pupils determined prepared for college by the Early Assessment Program. (Priority 4)*

Other pupil outcomes: *pupil outcomes in the subject areas described in Education Code section 51210 and subdivisions (a) to (i), inclusive, of Education Code section 51220, as applicable. (Priority 8)*

C. Engagement:

Parental involvement: efforts to seek parent input in decision making at the district and each school site, promotion of parent participation in programs for unduplicated pupils and special need subgroups. (Priority 3)

Pupil engagement: school attendance rates, chronic absenteeism rates, middle school dropout rates, high school dropout rates, high school graduations rates. (Priority 5)

School climate: pupil suspension rates, pupil expulsion rates, other local measures including surveys of pupils, parents and teachers on the sense of safety and school connectedness. (Priority 6)

Section 1: Stakeholder Engagement

Meaningful engagement of parents, pupils, and other stakeholders, including those representing the subgroups identified in Education Code section 52052, is critical to the LCAP and budget process. Education Code sections 52060(g), 52062 and 52063 specify the minimum requirements for school districts; Education Code sections 52066(g), 52068 and 52069 specify the minimum requirements for county offices of education, and Education Code section 47606.5 specifies the minimum requirements for charter schools. In addition, Education Code section 48985 specifies the requirements for translation of documents.

Instructions: Describe the process used to consult with parents, pupils, school personnel, local bargaining units as applicable, and the community and how this consultation contributed to development of the LCAP or annual update. Note that the LEA's goals, actions, services and expenditures related to the state priority of parental involvement are to be described separately in Section 2. In the annual update boxes, describe the stakeholder involvement process for the review, and describe its impact on, the development of the annual update to LCAP goals, actions, services, and expenditures.

Guiding Questions:

- 1) How have applicable stakeholders (e.g., parents and pupils, including parents of unduplicated pupils and unduplicated pupils identified in Education Code section 42238.01; community members; local bargaining units; LEA personnel; county child welfare agencies; county office of education foster youth services programs, court-appointed special advocates, and other foster youth stakeholders; community organizations representing English learners; and others as appropriate) been engaged and involved in developing, reviewing, and supporting implementation of the LCAP?
- 2) How have stakeholders been included in the LEA's process in a timely manner to allow for engagement in the development of the LCAP?
- 3) What information (e.g., quantitative and qualitative data/metrics) was made available to stakeholders related to the state priorities and used by the LEA to inform the LCAP goal setting process? How was the information made available?

- 4) What changes, if any, were made in the LCAP prior to adoption as a result of written comments or other feedback received by the LEA through any of the LEA's engagement processes?
- 5) What specific actions were taken to meet statutory requirements for stakeholder engagement pursuant to Education Code sections 52062, 52068, and 47606.5, including engagement with representatives of parents and guardians of pupils identified in Education Code section 42238.01?
- 6) What specific actions were taken to consult with pupils to meet the requirements 5 CCR 15495(a)?
- 7) How has stakeholder involvement been continued and supported? How has the involvement of these stakeholders supported improved outcomes for pupils, including unduplicated pupils, related to the state priorities?

Involvement Process	Impact on LCAP
<p>In order to promote learning and provide a more positive learning experience for our students, Magnolia Science Academy-7 (“MSA-7” or “Charter School”) has established a culture of gathering input from parents, students, staff, community members, and other stakeholders through multiple channels including meetings, school events, surveys, home visits, newsletters, and other means of communication. To the extent possible, all stakeholders are invited to be involved in the process of school review and improvement including the development of our annual LCAP.</p> <p>Information/input sessions include Parent Task Force (PTF) meetings, School Site Council (SSC) meetings, English Learner Advisory Committee (ELAC) meetings, Coffee with the Principal meetings, Board of Directors meetings, Principal meetings, Dean meetings, and staff meetings. In addition, the Charter School conducts surveys for parents, students, and teachers and the Charter School staff make home visits. These all serve as a way to inform, educate, and gather input & feedback from all critical stakeholders.</p> <p>The Charter School has an approved charter petition with measurable student outcomes and methods to assess student progress, an SSD plan with planned improvement in student performance in reading and mathematics and in programs for LEP students and immigrants, and a WASC action plan for continual school improvement. Therefore, LCAP is received by our community as a comprehensive planning tool that draws from all other school plans and addresses the state priorities and locally identified priorities.</p>	<p>All major groups have been informed of the LCAP work and given an opportunity to participate. The Charter School LCAP committee has reviewed input from all stakeholders and synthesized input to revise existing goals and also to set new goals in the LCAP over the next three years. The following are the major goal areas in the revised LCAP:</p> <ul style="list-style-type: none"> ▪ Fully implement state-adopted ELA and math academic content and performance standards for all students, including subgroups, and support teacher professional development ▪ Provide increased early intervention programs and communication with the parents of academically low-achieving students; visit students at their homes to discuss student progress and enhance student learning and involvement ▪ Set targets for proficiency and growth for all subgroups on the statewide and internal assessments and regularly review progress toward targets ▪ Analyze our programs for EL, SWD, and FY to provide increased instructional support to all student subgroups, including these student groups ▪ Develop middle school preparedness ▪ Provide a nurturing and engaging learning environment and acknowledge and encourage positive student behavior and improvements for all our students and families, including those of all the subgroups enrolled in the Charter School to maintain sense of safety and school connectedness ▪ Campus Security will be increased (considering new cameras, campus security, spot lights). ▪ Improve playground for student safety. ▪ Add additional restrooms for staff. ▪ School Copier Should be replaced.
<p>Annual Update:</p> <p>The Charter School held its periodical meetings in 2015-16 to gather input from its stakeholders. These include 6 PTF meetings, 4 SSC meetings, 4 ELAC meetings, at least 5 parent activities/events including 2 Coffee with the Principal meetings, weekly staff meetings and other stakeholder meetings. The school conducted a parent, teacher and student satisfaction survey with specific questions about school improvement and the eight state priorities. All students and teachers participated in this survey. Parent participation rate in the survey was 90%. The Charter School staff made 72 home visits during 2015-16 and sought feedback from the parents for school improvement.</p>	<p>Annual Update:</p> <p>Based on input from all stakeholders and available data through surveys and student achievement/school data, the Charter School has updated its LCAP. Some of the updates include:</p> <ul style="list-style-type: none"> ▪ Purchasing of common-core aligned instructional materials ▪ Addition of school-level support positions, e.g., Math intervention Teachers and Teacher Assistants ▪ Improvements in English Learner services ▪ Expanding summer school ▪ Increasing employee salaries and implementing performance pay ▪ Increasing Art Implementation while teaching STEM by collaborative working with Wallis Annenberg Art Center. ▪ Investing in effective technology to enhance instruction in the classroom ▪ Offering an annual STEAM festival and a STEAM expo ▪ Other input includes improving school facilities, identification and support of immigrant students and foster youth, decreasing truancy and sustaining after school and Saturday programs.

Section 2: Goals, Actions, Expenditures, and Progress Indicators

Instructions:

All LEAs must complete the LCAP and Annual Update Template each year. The LCAP is a three-year plan for the upcoming school year and the two years that follow. In this way, the program and goals contained in the LCAP align with the term of a school district and county office of education budget and multiyear budget projections. The Annual Update section of the template reviews progress made for each stated goal in the school year that is coming to a close, assesses the effectiveness of actions and services provided, and describes the changes made in the LCAP for the next three years that are based on this review and assessment.

Charter schools may adjust the table below to align with the term of the charter school's budget that is submitted to the school's authorizer pursuant to Education Code section 47604.33.

For school districts, Education Code sections 52060 and 52061, for county offices of education, Education Code sections 52066 and 52067, and for charter schools, Education Code section 47606.5 require(s) the LCAP to include a description of the annual goals, for all pupils and each subgroup of pupils, to be achieved for each state priority as defined in 5 CCR 15495(i) and any local priorities; a description of the specific actions an LEA will take to meet the identified goals; a description of the expenditures required to implement the specific actions; and an annual update to include a review of progress towards the goals and describe any changes to the goals.

To facilitate alignment between the LCAP and school plans, the LCAP shall identify and incorporate school-specific goals related to the state and local priorities from the school plans submitted pursuant to Education Code section 64001. Furthermore, the LCAP should be shared with, and input requested from, school site-level advisory groups, as applicable (e.g., school site councils, English Learner Advisory Councils, pupil advisory groups, etc.) to facilitate alignment between school-site and district-level goals and actions. An LEA may incorporate or reference actions described in other plans that are being undertaken to meet the goal.

Using the following instructions and guiding questions, complete a goal table (see below) for each of the LEA's goals. Duplicate and expand the fields as necessary.

Goal: Describe the goal:

When completing the goal tables, include goals for all pupils and specific goals for school sites and specific subgroups, including pupils with disabilities, both at the LEA level and, where applicable, at the school site level. The LEA may identify which school sites and subgroups have the same goals, and group and describe those goals together. The LEA may also indicate those goals that are not applicable to a specific subgroup or school site.

Related State and/or Local Priorities: Identify the state and/or local priorities addressed by the goal by placing a check mark next to the applicable priority or priorities. The LCAP must include goals that address each of the state priorities, as defined in 5 CCR 15495(i), and any additional local priorities; however, one goal may address multiple priorities.

Identified Need: Describe the need(s) identified by the LEA that this goal addresses, including a description of the supporting data used to identify the need(s).

Schools: Identify the school sites to which the goal applies. LEAs may indicate “all” for all schools, specify an individual school or a subset of schools, or specify grade spans (e.g., all high schools or grades K-5).

Applicable Pupil Subgroups: Identify the pupil subgroups as defined in Education Code section 52052 to which the goal applies, or indicate “all” for all pupils.

Expected Annual Measurable Outcomes: For each LCAP year, identify and describe specific expected measurable outcomes for all pupils using, at minimum, the applicable required metrics for the related state priorities. Where applicable, include descriptions of specific expected measurable outcomes for school sites and specific subgroups, including pupils with disabilities, both at the LEA level and at the school site level.

The metrics used to describe the expected measurable outcomes may be quantitative or qualitative, although the goal tables must address all required metrics for every state priority in each LCAP year. The required metrics are the specified measures and objectives for each state priority as set forth in Education Code sections 52060(d) and 52066(d). For the pupil engagement priority metrics, LEAs must calculate the rates specified in Education Code sections 52060(d)(5)(B), (C), (D) and (E) as described in the Local Control Accountability Plan and Annual Update Template Appendix, sections (a) through (d).

Actions/Services: For each LCAP year, identify all annual actions to be performed and services provided to meet the described goal. Actions may describe a group of services that are implemented to achieve the identified goal.

Scope of Service: Describe the scope of each action/service by identifying the school sites covered. LEAs may indicate “all” for all schools, specify an individual school or a subset of schools, or specify grade spans (e.g., all high schools or grades K-5). If supplemental and concentration funds are used to support the action/service, the LEA must identify if the scope of service is district wide, school wide, countywide, or charter wide.

Pupils to be served within identified scope of service: For each action/service, identify the pupils to be served within the identified scope of service. If the action to be performed or the service to be provided is for all pupils, place a check mark next to “ALL.”

For each action and/or service to be provided above what is being provided for all pupils, place a check mark next to the applicable unduplicated pupil subgroup(s) and/or other pupil subgroup(s) that will benefit from the additional action, and/or will receive the

additional service. Identify, as applicable, additional actions and services for unduplicated pupil subgroup(s) as defined in Education Code section 42238.01, pupils redesignated fluent English proficient, and/or pupils' subgroup(s) as defined in Education Code section 52052.

Budgeted Expenditures: For each action/service, list and describe budgeted expenditures for each school year to implement these actions, including where those expenditures can be found in the LEA's budget. The LEA must reference all fund sources for each proposed expenditure. Expenditures must be classified using the California School Accounting Manual as required by Education Code sections 52061, 52067, and 47606.5.

Guiding Questions:

- 1) What are the LEA's goal(s) to address state priorities related to "Conditions of Learning"?
- 2) What are the LEA's goal(s) to address state priorities related to "Pupil Outcomes"?
- 3) What are the LEA's goal(s) to address state priorities related to parent and pupil "Engagement" (e.g., parent involvement, pupil engagement, and school climate)?
- 4) What are the LEA's goal(s) to address any locally-identified priorities?
- 5) How have the unique needs of individual school sites been evaluated to inform the development of meaningful district and/or individual school site goals (e.g., input from site level advisory groups, staff, parents, community, pupils; review of school level plans; in-depth school level data analysis, etc.)?
- 6) What are the unique goals for unduplicated pupils as defined in Education Code sections 42238.01 and subgroups as defined in section 52052 that are different from the LEA's goals for all pupils?
- 7) What are the specific expected measurable outcomes associated with each of the goals annually and over the term of the LCAP?
- 8) What information (e.g., quantitative and qualitative data/metrics) was considered/reviewed to develop goals to address each state or local priority?
- 9) What information was considered/ reviewed for individual school sites?
- 10) What information was considered/ reviewed for subgroups identified in Education Code section 52052?
- 11) What actions/services will be provided to all pupils, to subgroups of pupils identified pursuant to Education Code section 52052, to specific school sites, to English learners, to low-income pupils, and/or to foster youth to achieve goals identified in the LCAP?
- 12) How do these actions/services link to identified goals and expected measurable outcomes?
- 13) What expenditures support changes to actions/services as a result of the goal identified? Where can these expenditures be found in the LEA's budget?

GOAL #1:	All students will pursue academic excellence and be ready for middle school. College/career awareness is the part of the mission of MSA-7 (Elementary).	Related State and/or Local Priorities: 1 <input checked="" type="checkbox"/> 2 <input checked="" type="checkbox"/> 3 <input type="checkbox"/> 4 <input checked="" type="checkbox"/> 5 <input type="checkbox"/> 6 <input type="checkbox"/> 7 <input type="checkbox"/> 8 <input checked="" type="checkbox"/> COE only: 9 <input type="checkbox"/> 10 <input type="checkbox"/> Local : Specify _____
-----------------	---	---

Identified Need :	<ul style="list-style-type: none"> ▪ Priority 1: ▪ To ensure teachers are appropriately assigned and fully credentialed ▪ To ensure every pupil has sufficient access to standards-aligned instructional materials ▪ To ensure school facilities are maintained in good repair ▪ Priority 2: ▪ To implement Common Core State Standards ▪ Priority 4: ▪ To increase the percentage of students who score proficient or above in English Language Arts/Literacy and math on the CAASPP assessment system ▪ To increase or maintain the API scores to meet or exceed the API growth targets school-wide and for all student subgroups ▪ To increase the percentage of ELs who make progress toward English language proficiency ▪ To increase the percentage of ELs who are reclassified as FEP ▪ To increase the percentage of students who are on motivated to have college/career degree ▪ Priority 8: ▪ To increase student proficiency in all courses
--------------------------	--

Goal Applies to:	Schools: All	Applicable Pupil Subgroups: All
-------------------------	---------------------	--

LCAP Year 1: 2016-17

Expected Annual Measurable Outcomes:	<ul style="list-style-type: none"> ▪ Priority 1: ▪ 100% of Charter School’s teachers will be appropriately assigned and fully credentialed as required by law and the charter. ▪ 100% of students will have sufficient access to standards-aligned instructional materials. ▪ At least 90% of the items on facility inspection checklists will be in compliance/good standing. ▪ Priority 2: ▪ Charter School will provide 100% implementation of CCSS in Math, ELA, History, and Science for all students. ▪ Priority 4: ▪ All student subgroups will meet or exceed proficiency targets in English Language Arts/Literacy and math on the CAASPP assessment system. (Specific targets will be set as data becomes available.) ▪ For all student subgroups, the percentage of students performing proficient on the English Language Arts/Literacy and math sections of the CAASPP assessment system will increase by 5% from 2016 to 2017. ▪ For all student subgroups, the percentage of students performing proficient on the Reading/ELA and math sections of our internal, common-core aligned Measures of Academic Progress (MAP) assessment will increase by 5% from fall to spring. ▪ Charter School will meet or exceed the annual API growth targets for all student subgroups. ▪ At least 90% of graduating 5th graders will have successfully completed courses that satisfy the Middle School Courses. ▪ The percentage of EL students making annual progress in learning English as measured by the CELDT and/or ELPAC will increase by 5% from the prior year. ▪ The percentage of EL students who are reclassified will increase by 2 % from the prior year. ▪ Priority 8: ▪ At least 80% of all students enrolled in the Charter School for a full academic year will receive a grade of “C” or better (or perform “proficient” on the related state standardized tests) in core subjects and electives.

Annual Update

Annual Update Instructions: For each goal in the prior year LCAP, review the progress toward the expected annual outcome(s) based on, at a minimum, the required metrics pursuant to Education Code sections 52060 and 52066. The review must include an assessment of the effectiveness of the specific actions. Describe any changes to the actions or goals the LEA will take as a result of the review and assessment. In addition, review the applicability of each goal in the LCAP.

Guiding Questions:

- 1) How have the actions/services addressed the needs of all pupils and did the provisions of those services result in the desired outcomes?
- 2) How have the actions/services addressed the needs of all subgroups of pupils identified pursuant to Education Code section 52052, including, but not limited to, English learners, low-income pupils, and foster youth; and did the provision of those actions/services result in the desired outcomes?
- 3) How have the actions/services addressed the identified needs and goals of specific school sites and were these actions/services effective in achieving the desired outcomes?
- 4) What information (e.g., quantitative and qualitative data/metrics) was examined to review progress toward goals in the annual update?
- 5) What progress has been achieved toward the goal and expected measurable outcome(s)? How effective were the actions and services in making progress toward the goal? What changes to goals, actions, services, and expenditures are being made in the LCAP as a result of the review of progress and assessment of the effectiveness of the actions and services?
- 6) What differences are there between budgeted expenditures and estimated actual annual expenditures? What were the reasons for any differences?

Complete a copy of this table for each of the LEA’s goals in the prior year LCAP. Duplicate and expand the fields as necessary.

Original GOAL from prior year LCAP:	All students will pursue academic excellence and be college/career ready.		Related State and/or Local Priorities: 1 <input checked="" type="checkbox"/> 2 <input checked="" type="checkbox"/> 3 <input type="checkbox"/> 4 <input checked="" type="checkbox"/> 5 <input type="checkbox"/> 6 <input type="checkbox"/> 7 <input type="checkbox"/> 8 <input checked="" type="checkbox"/> COE only: 9 <input type="checkbox"/> 10 <input type="checkbox"/> Local : Specify _____
Goal Applies to:	Schools: All	Applicable Pupil Subgroups: All	
Expected Annual Measurable	Priority 1: ▪ 100% of Charter School’s teachers will be appropriately assigned and fully credentialed as required by law and the charter.	Actual Annual Measurable	Priority 1: ▪ 100% of Charter School’s teachers are appropriately assigned and fully credentialed as required by law and the charter.

Outcomes:

- 100% of students will have sufficient access to standards-aligned instructional materials.
- At least 90% of the items on facility inspection checklists will be in compliance/good standing.

Priority 2:

- Charter School will provide 100% implementation of CCSS for all students.

Priority 4:

- For all student subgroups, the percentage of students performing proficient on the English Language Arts/Literacy and math sections of the CAASPP assessment system will increase by 5% from 2015 to 2016.
- For all student subgroups, the percentage of students performing proficient on the Reading/ELA and math sections of our internal, common-core aligned Measures of Academic Progress (MAP) assessment will increase by 5% from fall to spring.
- Charter School will meet or exceed the annual API growth targets for all student subgroups.
- At least 90% of graduating seniors will have successfully completed courses that satisfy the UC/CSU or career technical education program requirements.
- The percentage of EL students making annual progress in learning English as measured by the CELDT and/or ELPAC will increase by 5% from the prior year.
- The percentage of EL students who are reclassified will increase by 5% from the prior year.

Priority 8:

- At least 80% of all students enrolled in the Charter School for a full academic year will receive a grade of "C" or better (or perform "proficient" on the related state standardized tests) in core subjects and electives.

Outcomes:

- 100% of students have sufficient access to standards-aligned instructional materials.
- At least 90% of the items on facility inspection checklists are in compliance/good standing.

Priority 2:

- Charter School provides 100% implementation of CCSS for all students.

Priority 4:

- For all student subgroups, the percentage of students performing proficient on the English Language Arts/Literacy and math sections of the CAASPP assessment system is expected to increase by 5% from 2015 to 2016. More specific targets will be set as 2016 SBAC data becomes available.)

Goal Applies to:

Schools:

All

Applicable Pupil Subgroups:

All

Expected Annual Measurable Outcomes:

Priority 3:

- Charter School will hold a minimum of 4 SSC meetings per year.
- Charter School will hold a minimum of 4 English Learner Advisory Committee (ELAC) meetings per year.
- Charter School will hold a minimum of 4 Parent Task Force (PTF) meetings per year.
- Charter School will hold a minimum of 5 parent activities/events per year.
- Teachers will update SIS records weekly.
- Charter School will send a minimum of 4 progress reports/cards to parents per year.
- At least 25% of Charter School's students will be home-visited by the teachers.

Priority 5:

- Charter School will maintain an ADA rate of at least 95%.
- Charter School will maintain a chronic absenteeism rate of no more than 1%.
- Charter School will maintain a middle school dropout rate of no more than 1%.
- Charter School will maintain a high school dropout rate of no more than 1%.

Priority 6:

- Charter School will maintain a student suspension rate of no more than 1%.
- Charter School will maintain a student expulsion rate of no more than 1%.
- Student participation rate in the school experience survey will be at least 80%.
- Parent participation rate in the school experience survey will be at least 25%.
- Staff participation rate in the school experience survey will be at least 90%.
- Approval rating on school experience surveys of students, parents, and staff will be at least 85%.

Actual Annual Measurable Outcomes:

Priority 3:

- Charter School has held 3 SSC meetings in 2015-16 so far and will have held a total of 4 meetings by the end of the school year.
- Charter School has held 3 English Learner Advisory Committee (ELAC) meetings in 2015-16 so far and will have held a total of 4 meetings by the end of the school year.
- Charter School has held 7 Parent Task Force (PTF) meetings in 2015-16 so far and will have held a total of 8 meetings by the end of the school year.
- Charter School has held more than 5 parent activities/events this year.
- Teachers update SIS records weekly.
- Charter School has sent 4 progress reports/cards to parents in 2015-16 .Teachers sent a note and hold Un-Sat Students Meetings and SST Meetings with the parents of the students.
- 23 % of Charter School's students have been home-visited by the teachers in 2015-16 so far.

Priority 5:

- Charter School maintained an ADA rate of 95% in 2014-15. Our rate in 2015-16 so far is 95% and we expect a rate of at least 95% by the end of the school year.
- Charter School maintained a chronic absenteeism rate of 2% in 2014-15. Our rate in 2015-16 so far is 1% and we expect a rate of 1% by the end of the school year.

Priority 6:

- Charter School maintained a student suspension rate of 0% in 2014-15. Our rate in 2015-16 so far is 0% and we expect a rate of no more than 1% by the end of the school year.
- Charter School maintained a student expulsion rate of 0% in 2014-15. Our rate in 2015-16 so far is 0% and we expect a rate of 0% by the end of the school year.
- Student participation rate in the school experience survey is 88% in 2015-16.
- Parent participation rate in the school experience survey is 90% in 2015-16.
- Staff participation rate in the school experience survey is 100% in 2015-16.
- Approval rating on school experience surveys in 2015-16:

Students: 78% Parents: 98% Staff: 86%

What changes in actions, services, and expenditures will be made as a result of reviewing past progress and/or changes to goals?

Goal, actions, and services will be maintained.

- Charter School will continue to provide opportunities for parent involvement. Expenditure amount will be adjusted based on SIS fees, parent events/activities, and number of home visits.
- Charter School will provide a safe, nurturing, and engaging learning environment for all our students and families. Academic and socio-emotional support will be provided to address student needs.
- Charter School will continue to assess its suspension policies and procedures and encourage positive student behavior and improvements.
- Charter School will continue to administer school experience surveys to students, parents, and staff. Charter School will continue to use survey results for school improvement.

Section 3: Use of Supplemental and Concentration Grant funds and Proportionality

- A. In the box below, identify the amount of funds in the LCAP year calculated on the basis of the number and concentration of low income, foster youth, and English learner pupils as determined pursuant to 5 CCR 15496(a)(5).

Describe how the LEA is expending these funds in the LCAP year. Include a description of, and justification for, the use of any funds in a district wide, school wide, countywide, or charter wide manner as specified in 5 CCR 15496.

For school districts with below 55 percent of enrollment of unduplicated pupils in the district or below 40 percent of enrollment of unduplicated pupils at a school site in the LCAP year, when using supplemental and concentration funds in a districtwide or schoolwide manner, the school district must additionally describe how the services provided are the most effective use of funds to meet the district’s goals for unduplicated pupils in the state and any local priority areas. (See 5 CCR 15496(b) for guidance.)

Total amount of Supplemental and Concentration grant funds calculated:	\$ <u>577,997.00</u>
<p>Charter School’s identified amount of funds in the LCAP year is approximately \$ 578,476.00. These funds are calculated based on the number and concentration of our low income, foster youth, and English learner students.</p> <p>Charter School will offer a variety of support programs and supports specifically for low-income, foster youth, and English learners. These include EL intervention courses, bilingual instructional assistants, ESL/ELD/EL instructional materials, parent trainings for bilingual parents, EL progress analyses towards targets, afterschool programs, summer learning programs, Saturday school, home visits and family engagement programs, career/college readiness activities for low income pupils, guidance counseling and other related services. Charter School also offers services and programs that are aligned with LCAP goals that serve all students such as intervention, recruitment and retention of highly qualified teachers, small class size, Life Skills, positive behavior support and restorative practices. Following are the actions, services, and expenditures for the unduplicated pupils:</p> <p>Low income pupils:</p> <p>Actions and services:</p> <ul style="list-style-type: none"> ▪ Charter School will provide support that includes staffing, professional development augmentations and recruitment and retention enhancements. ▪ Charter School will expand summer learning programs to prevent summer learning loss. ▪ Charter School will provide resources for increased outreach efforts to low income families including home visits and meetings. ▪ Charter School will provide explicit parent education on trait/habits of high achieving students and navigating the higher education system and resources. ▪ Charter School will provide targeted assistance to low income students in career/college readiness activities and guidance. ▪ Charter School will provide STEAM related courses, clubs, field trips, competitions, and other activities to promote STEAM. ▪ Charter School will provide bullying prevention training. ▪ Charter School will provide/pilot programs such as Second Step and Why Try to provide explicit social/emotional instruction. <p>Anticipated expenditures: \$476,000.00</p> <ul style="list-style-type: none"> ▪ Afterschool programs ▪ Summer learning programs ▪ Home visits ▪ Parent trainings ▪ Career/college readiness activities for low income pupils <p>Foster youth:</p> <p>Actions and services:</p>	

- Foster youth will receive educational counseling.
- Foster youth will receive academic supports and remediation in order to decrease the adverse effects of school mobility on foster youth.
- Foster youth will be encouraged and supported to engage in extracurricular activities in order to adverse the effects of school mobility on foster youth.
- Charter School will improve communication with foster guardians.

Anticipated expenditures: 1,997.00

- Guidance/PSA counselor

English learners:

Actions and services:

- EL students will participate in ELA/Literacy instruction with appropriate instructional support.
- Charter School will provide additional professional development to increase teachers' understanding of ELD standards and to ensure that English learners receive support in accessing CCSS.
- Charter School will implement its English Learners Master Plan.
- EL students will receive in-class instructional support which includes one-on-one teacher support; small group instruction; usage of SDAIE and ELD instructional strategies; extended day instruction as needed.
- Charter School will provide ELD Coordinator to provide primary language support to enable students to access content area instruction while gaining language proficiency.
- Charter School will provide additional teaching sections of EL intervention courses.
- Charter School will provide a range of standards-aligned supplemental instructional resources in English and home languages.
- Charter School will provide culturally and linguistically relevant materials for students.
- Charter School will provide ongoing Common Core Parent Training for bilingual parents at ELAC meetings.
- Charter School will provide parent training on how to assist students academically and behaviorally, and how to navigate the educational system, including higher education.
- Charter School will regularly review progress towards targets.
- Charter School will provide additional supports and interventions, as needed.

Anticipated expenditures: \$100,000.00

- EL intervention courses
- Bilingual instructional assistants
- ESL/ELD/EL instructional materials
- Parent trainings for bilingual parents
- EL progress analysis towards targets

Redesignated fluent English proficient pupils:

Actions and services are located in the English learner section above and services provide a multi-tiered system of supports for English learners and struggling students, inclusive of redesignated fluent English proficient students (RFEPs).

B. In the box below, identify the percentage by which services for unduplicated pupils must be increased or improved as compared to the services provided to all pupils in the LCAP year as calculated pursuant to 5 CCR 15496(a).

27.59	%
-------	---

Charter School Proportionality Calculation:

Charter School's Minimum Proportionality Percentage by which services for unduplicated students must be increased or improved over services provided for all students in the LCAP year is calculated and can be seen above. The Charter School addresses the needs of our school's English learners, low Income students and foster youth by providing the services described in detail in the prior sections. The majority of students served at the Charter School will be focus students and the Charter School will continue to maintain and improve its services to unduplicated students. Schoolwide implementation of these practices will not only have an impact on learning environment and the climate of the school as a whole, but will also have a disproportionately positive impact on the targeted subgroups. Charter School recognizes that while these funds are generated in order to serve the focus students, some services may, should the need arise, be utilized for students outside the focus subgroups. While the majority of students served will be focus students (90 percent or more), there may be other students in need that the school does not want to overlook. By providing the services identified without limitations, Charter School will best serve all students, especially focus students. The full list of expenditures is aligned with the goals of the Charter School Local Control and Accountability Plan and addresses the needs of our school's low income, foster youth, and English learner students.

LOCAL CONTROL AND ACCOUNTABILITY PLAN AND ANNUAL UPDATE APPENDIX

For the purposes of completing the LCAP in reference to the state priorities under Education Code sections 52060 and 52066, the following shall apply:

(a) "Chronic absenteeism rate" shall be calculated as follows:

- (1) The number of pupils with a primary, secondary, or short-term enrollment during the academic year (July 1 – June 30) who are chronically absent where "chronic absentee" means a pupil who is absent 10 percent or more of the schooldays in the school year when the total number of days a pupil is absent is divided by the total number of days the pupil is enrolled and school was actually taught in the total number of days the pupil is enrolled and school was actually taught in the regular day schools of the district, exclusive of Saturdays and Sundays.
- (2) The unduplicated count of pupils with a primary, secondary, or short-term enrollment during the academic year (July 1 – June 30).
- (3) Divide (1) by (2).

(b) "Middle School dropout rate" shall be calculated as set forth in California Code of Regulations, title 5, section 1039.1.

(c) "High school dropout rate" shall be calculated as follows:

- (1) The number of cohort members who dropout by the end of year 4 in the cohort where "cohort" is defined as the number of first-time grade 9 pupils in year 1 (starting cohort) plus pupils who transfer in, minus pupils who transfer out, emigrate, or die during school years 1, 2, 3, and 4.
- (2) The total number of cohort members.
- (3) Divide (1) by (2).

(d) "High school graduation rate" shall be calculated as follows:

- (1) The number of cohort members who earned a regular high school diploma [or earned an adult education high school diploma or passed the California High School Proficiency Exam] by the end of year 4 in the cohort where "cohort" is defined as the number of first-time grade 9 pupils in year 1 (starting cohort) plus pupils who transfer in, minus pupils who transfer out, emigrate, or die during school years 1, 2, 3, and 4.
- (2) The total number of cohort members.
- (3) Divide (1) by (2).

(e) "Suspension rate" shall be calculated as follows:

- (1) The unduplicated count of pupils involved in one or more incidents for which the pupil was suspended during the academic year (July 1 – June 30).
- (2) The unduplicated count of pupils with a primary, secondary, or short-term enrollment during the academic year (July 1 – June 30).
- (3) Divide (1) by (2).

(f) "Expulsion rate" shall be calculated as follows:

- (1) The unduplicated count of pupils involved in one or more incidents for which the pupil was expelled during the academic year (July 1 – June 30).
- (2) The unduplicated count of pupils with a primary, secondary, or short-term enrollment during the academic year (July 1 – June 30).
- (3) Divide (1) by (2).

Introduction:

LEA: Magnolia Science Academy #8 Bell Contact: Jason Hernandez, jhernandez@magnoliapublicschools.org, 323-826-3925 LCAP Year: 2016-17

Local Control and Accountability Plan and Annual Update Template

The Local Control and Accountability Plan (LCAP) and Annual Update Template shall be used to provide details regarding local educational agencies' (LEAs) actions and expenditures to support pupil outcomes and overall performance pursuant to Education Code sections 52060, 52066, 47605, 47605.5, and 47606.5. The LCAP and Annual Update Template must be completed by all LEAs each year.

For school districts, pursuant to Education Code section 52060, the LCAP must describe, for the school district and each school within the district, goals and specific actions to achieve those goals for all pupils and each subgroup of pupils identified in Education Code section 52052, including pupils with disabilities, for each of the state priorities and any locally identified priorities.

For county offices of education, pursuant to Education Code section 52066, the LCAP must describe, for each county office of education-operated school and program, goals and specific actions to achieve those goals for all pupils and each subgroup of pupils identified in Education Code section 52052, including pupils with disabilities, who are funded through the county office of education Local Control Funding Formula as identified in Education Code section 2574 (pupils attending juvenile court schools, on probation or parole, or mandatorily expelled) for each of the state priorities and any locally identified priorities. School districts and county offices of education may additionally coordinate and describe in their LCAPs services provided to pupils funded by a school district but attending county-operated schools and programs, including special education programs.

Charter schools, pursuant to Education Code sections 47605, 47605.5, and 47606.5, must describe goals and specific actions to achieve those goals for all pupils and each subgroup of pupils identified in Education Code section 52052, including pupils with disabilities, for each of the state priorities as applicable and any locally identified priorities. For charter schools, the inclusion and description of goals for state priorities in the LCAP may be modified to meet the grade levels served and the nature of the programs provided, including modifications to reflect only the statutory requirements explicitly applicable to charter schools in the Education Code.

The LCAP is intended to be a comprehensive planning tool. Accordingly, in developing goals, specific actions, and expenditures, LEAs should carefully consider how to reflect the services and related expenses for their basic instructional program in relationship to the state priorities. LEAs may reference and describe actions and expenditures in other plans and funded by a variety of other fund sources when detailing goals, actions, and expenditures related to the state and local priorities. LCAPs must be consistent with school plans submitted pursuant to Education Code section 64001. The information contained in the LCAP, or annual update, may be supplemented by information contained in other plans (including the LEA plan pursuant to Section 1112 of Subpart 1 of Part A of Title I of Public Law 107-110) that are incorporated or referenced as relevant in this document.

For each section of the template, LEAs shall comply with instructions and should use the guiding questions as prompts (but not limits) for completing the information as required by statute. Guiding questions do not require separate narrative responses. However, the narrative response and goals and actions should

demonstrate each guiding question was considered during the development of the plan. Data referenced in the LCAP must be consistent with the school accountability report card where appropriate. LEAs may resize pages or attach additional pages as necessary to facilitate completion of the LCAP.

State Priorities

The state priorities listed in Education Code sections 52060 and 52066 can be categorized as specified below for planning purposes, however, school districts and county offices of education must address each of the state priorities in their LCAP. Charter schools must address the priorities in Education Code section 52060(d) that apply to the grade levels served, or the nature of the program operated, by the charter school.

A. Conditions of Learning:

Basic: *degree to which teachers are appropriately assigned pursuant to Education Code section 44258.9, and fully credentialed in the subject areas and for the pupils they are teaching; pupils have access to standards-aligned instructional materials pursuant to Education Code section 60119; and school facilities are maintained in good repair pursuant to Education Code section 17002(d). (Priority 1)*

Implementation of State Standards: *implementation of academic content and performance standards and English language development standards adopted by the state board for all pupils, including English learners. (Priority 2)*

Course access: *pupil enrollment in a broad course of study that includes all of the subject areas described in Education Code section 51210 and subdivisions (a) to (i), inclusive, of Section 51220, as applicable. (Priority 7)*

Expelled pupils (for county offices of education only): *coordination of instruction of expelled pupils pursuant to Education Code section 48926. (Priority 9)*

Foster youth (for county offices of education only): *coordination of services, including working with the county child welfare agency to share information, responding to the needs of the juvenile court system, and ensuring transfer of health and education records. (Priority 10)*

B. Pupil Outcomes:

Pupil achievement: *performance on standardized tests, score on Academic Performance Index, share of pupils that are college and career ready, share of English learners that become English proficient, English learner reclassification rate, share of pupils that pass Advanced Placement exams with 3 or higher, share of pupils determined prepared for college by the Early Assessment Program. (Priority 4)*

Other pupil outcomes: *pupil outcomes in the subject areas described in Education Code section 51210 and subdivisions (a) to (i), inclusive, of Education Code section 51220, as applicable. (Priority 8)*

C. Engagement:

Parental involvement: efforts to seek parent input in decision making at the district and each schoolsite, promotion of parent participation in programs for unduplicated pupils and special need subgroups. (Priority 3)

Pupil engagement: school attendance rates, chronic absenteeism rates, middle school dropout rates, high school dropout rates, high school graduations rates. (Priority 5)

School climate: pupil suspension rates, pupil expulsion rates, other local measures including surveys of pupils, parents and teachers on the sense of safety and school connectedness. (Priority 6)

Section 1: Stakeholder Engagement

Meaningful engagement of parents, pupils, and other stakeholders, including those representing the subgroups identified in Education Code section 52052, is critical to the LCAP and budget process. Education Code sections 52060(g), 52062 and 52063 specify the minimum requirements for school districts; Education Code sections 52066(g), 52068 and 52069 specify the minimum requirements for county offices of education, and Education Code section 47606.5 specifies the minimum requirements for charter schools. In addition, Education Code section 48985 specifies the requirements for translation of documents.

Instructions: Describe the process used to consult with parents, pupils, school personnel, local bargaining units as applicable, and the community and how this consultation contributed to development of the LCAP or annual update. Note that the LEA's goals, actions, services and expenditures related to the state priority of parental involvement are to be described separately in Section 2. In the annual update boxes, describe the stakeholder involvement process for the review, and describe its impact on, the development of the annual update to LCAP goals, actions, services, and expenditures.

Guiding Questions:

- 1) How have applicable stakeholders (e.g., parents and pupils, including parents of unduplicated pupils and unduplicated pupils identified in Education Code section 42238.01; community members; local bargaining units; LEA personnel; county child welfare agencies; county office of education foster youth services programs, court-appointed special advocates, and other foster youth stakeholders; community organizations representing English learners; and others as appropriate) been engaged and involved in developing, reviewing, and supporting implementation of the LCAP?
- 2) How have stakeholders been included in the LEA's process in a timely manner to allow for engagement in the development of the LCAP?
- 3) What information (e.g., quantitative and qualitative data/metrics) was made available to stakeholders related to the state priorities and used by the LEA to inform the LCAP goal setting process? How was the information made available?

- 4) What changes, if any, were made in the LCAP prior to adoption as a result of written comments or other feedback received by the LEA through any of the LEA's engagement processes?
- 5) What specific actions were taken to meet statutory requirements for stakeholder engagement pursuant to Education Code sections 52062, 52068, and 47606.5, including engagement with representatives of parents and guardians of pupils identified in Education Code section 42238.01?
- 6) What specific actions were taken to consult with pupils to meet the requirements 5 CCR 15495(a)?
- 7) How has stakeholder involvement been continued and supported? How has the involvement of these stakeholders supported improved outcomes for pupils, including unduplicated pupils, related to the state priorities?

Involvement Process	Impact on LCAP
<p>In order to promote learning and provide a more positive learning experience for our students, Magnolia Science Academy #8 (“MSA Bell” or “Charter School”) has established a culture of gathering input from parents, students, staff, community members, and other stakeholders through multiple channels including meetings, school events, surveys, home visits, newsletters, and other means of communication. To the extent possible, all stakeholders are invited to be involved in the process of school review and improvement including the development of our annual LCAP.</p> <p>Information/input sessions include Parent Task Force (PTF) meetings, School Site Council (SSC) meetings, English Learner Advisory Committee (ELAC) meetings, Coffee with the Principal meetings, home visits, Board of Directors meetings, Principal meetings, Dean meetings, and staff meetings. In addition, MSA Bell conducts surveys for parents, students, and teachers. These all serve as a way to inform, educate, and gather input & feedback from all critical stakeholders.</p> <p>MSA Bell has an approved charter petition with measurable student outcomes and methods to assess student progress, an SSD plan with planned improvement in student performance in reading and mathematics and in programs for LEP students and immigrants, and a WASC action plan for continual school improvement. Therefore, LCAP is received by our community as a comprehensive planning tool that draws from all other school plans and addresses the state priorities and locally identified priorities.</p>	<p>All major groups have been informed of the LCAP work and given an opportunity to participate. MSA Bell LCAP committee has reviewed input from all stakeholders and synthesized input to revise existing goals and also to set new goals in the LCAP over the next three years. The following are the major goal areas in the revised LCAP:</p> <ul style="list-style-type: none"> ▪ Maintain implement state-adopted ELA and math academic content and performance standards for all students, including subgroups, and support teacher professional development ▪ Continually provide increased early intervention programs and communication with the parents of academically low-achieving students; visit students at their homes to discuss student progress and enhance student learning and involvement ▪ Set targets for proficiency and growth for all subgroups on the statewide and internal assessments and regularly review progress toward targets ▪ Analyze our programs for EL, SWD, and FY to provide increased instructional support to all student subgroups, including these student groups ▪ Develop career- and college-readiness among all students ▪ Provide a nurturing and engaging learning environment and acknowledge and encourage positive student behavior and improvements for all our students and families, including those of all the subgroups enrolled MSA Bell to maintain sense of safety and school connectedness
<p>Annual Update:</p> <p>MSA Bell held its periodical meetings in 2015-16 to gather input from its stakeholders. These include 10 PTF meetings, 5 SSC meetings, 2 ELAC meetings, at least 20 parent activities/events including 2 Coffee with the Principal meetings, weekly staff meetings and other stakeholder meetings. The school conducted a parent, teacher and student satisfaction survey with specific questions about school improvement and the eight state priorities. All students and teachers participated in this survey. Parent participation rate in the survey was 97%. MSA Bell staff made 80 home visits during 2015-16 and sought feedback from the parents for school improvement.</p>	<p>Annual Update:</p> <p>Based on input from all stakeholders and available data through surveys and student achievement/school data, MSA Bell has updated its LCAP. Some of the updates include:</p> <ul style="list-style-type: none"> ▪ Teacher development specific to meet the needs of all students with measurable goals and ongoing analysis. ▪ Professional Development in the area of the arts and SEL. ▪ Parental opportunities to develop skills necessary to address ongoing needs of young people.

Section 2: Goals, Actions, Expenditures, and Progress Indicators

Instructions:

All LEAs must complete the LCAP and Annual Update Template each year. The LCAP is a three-year plan for the upcoming school year and the two years that follow. In this way, the program and goals contained in the LCAP align with the term of a school district and county office of education budget and multiyear budget projections. The Annual Update section of the template reviews progress made for each stated goal in the school year that is coming to a close, assesses the effectiveness of actions and services provided, and describes the changes made in the LCAP for the next three years that are based on this review and assessment.

Charter schools may adjust the table below to align with the term of the charter school’s budget that is submitted to the school’s authorizer pursuant to Education Code section 47604.33.

For school districts, Education Code sections 52060 and 52061, for county offices of education, Education Code sections 52066 and 52067, and for charter schools, Education Code section 47606.5 require(s) the LCAP to include a description of the annual goals, for all pupils and each subgroup of pupils, to be achieved for each state priority as defined in 5 CCR 15495(i) and any local priorities; a description of the specific actions an LEA will take to meet the identified goals; a description of the expenditures required to implement the specific actions; and an annual update to include a review of progress towards the goals and describe any changes to the goals.

To facilitate alignment between the LCAP and school plans, the LCAP shall identify and incorporate school-specific goals related to the state and local priorities from the school plans submitted pursuant to Education Code section 64001. Furthermore, the LCAP should be shared with, and input requested from, school site-level advisory groups, as applicable (e.g., school site councils, English Learner Advisory Councils, pupil advisory groups, etc.) to facilitate alignment between school-site and district-level goals and actions. An LEA may incorporate or reference actions described in other plans that are being undertaken to meet the goal.

Using the following instructions and guiding questions, complete a goal table (see below) for each of the LEA’s goals. Duplicate and expand the fields as necessary.

Goal: Describe the goal:

When completing the goal tables, include goals for all pupils and specific goals for school sites and specific subgroups, including pupils with disabilities, both at the LEA level and, where applicable, at the school site level. The LEA may identify which school sites and subgroups have the same goals, and group and describe those goals together. The LEA may also indicate those goals that are not applicable to a specific subgroup or school site.

Related State and/or Local Priorities: Identify the state and/or local priorities addressed by the goal by placing a checkmark next to the applicable priority or priorities. The LCAP must include goals that address each of the state priorities, as defined in 5 CCR 15495(i), and any additional local priorities; however, one goal may address multiple priorities.

Identified Need: Describe the need(s) identified by the LEA that this goal addresses, including a description of the supporting data used to identify the need(s).

Schools: Identify the school sites to which the goal applies. LEAs may indicate “all” for all schools, specify an individual school or a subset of schools, or specify grade spans (e.g., all high schools or grades K-5).

Applicable Pupil Subgroups: Identify the pupil subgroups as defined in Education Code section 52052 to which the goal applies, or indicate “all” for all pupils.

Expected Annual Measurable Outcomes: For each LCAP year, identify and describe specific expected measurable outcomes for all pupils using, at minimum, the applicable required metrics for the related state priorities. Where applicable, include descriptions of specific expected measurable outcomes for school sites and specific subgroups, including pupils with disabilities, both at the LEA level and at the school site level.

The metrics used to describe the expected measurable outcomes may be quantitative or qualitative, although the goal tables must address all required metrics for every state priority in each LCAP year. The required metrics are the specified measures and objectives for each state priority as set forth in Education Code sections 52060(d) and 52066(d). For the pupil engagement priority metrics, LEAs must calculate the rates specified in Education Code sections 52060(d)(5)(B), (C), (D) and (E) as described in the Local Control Accountability Plan and Annual Update Template Appendix, sections (a) through (d).

Actions/Services: For each LCAP year, identify all annual actions to be performed and services provided to meet the described goal. Actions may describe a group of services that are implemented to achieve the identified goal.

Scope of Service: Describe the scope of each action/service by identifying the schoolsites covered. LEAs may indicate “all” for all schools, specify an individual school or a subset of schools, or specify grade spans (e.g., all high schools or grades K-5). If supplemental and concentration funds are used to support the action/service, the LEA must identify if the scope of service is districtwide, schoolwide, countywide, or charter wide.

Pupils to be served within identified scope of service: For each action/service, identify the pupils to be served within the identified scope of service. If the action to be performed or the service to be provided is for all pupils, place a checkmark next to “ALL.”

For each action and/or service to be provided above what is being provided for all pupils, place a checkmark next to the applicable unduplicated pupil subgroup(s) and/or other pupil subgroup(s) that will benefit from the additional action, and/or will receive the additional service. Identify, as applicable, additional actions and services for unduplicated pupil subgroup(s) as defined in Education Code section 42238.01, pupils redesignated fluent English proficient, and/or pupils subgroup(s) as defined in Education Code section 52052.

Budgeted Expenditures: For each action/service, list and describe budgeted expenditures for each school year to implement these actions, including where those expenditures can be found in the LEA’s budget. The LEA must reference all fund sources for each proposed expenditure. Expenditures must be classified using the California School Accounting Manual as required by Education Code sections 52061, 52067, and 47606.5.

Guiding Questions:

- 1) What are the LEA’s goal(s) to address state priorities related to “Conditions of Learning”?
- 2) What are the LEA’s goal(s) to address state priorities related to “Pupil Outcomes”?
- 3) What are the LEA’s goal(s) to address state priorities related to parent and pupil “Engagement” (e.g., parent involvement, pupil engagement, and school climate)?
- 4) What are the LEA’s goal(s) to address any locally-identified priorities?
- 5) How have the unique needs of individual school sites been evaluated to inform the development of meaningful district and/or individual school site goals (e.g., input from site level advisory groups, staff, parents, community, pupils; review of school level plans; in-depth school level data analysis, etc.)?
- 6) What are the unique goals for unduplicated pupils as defined in Education Code sections 42238.01 and subgroups as defined in section 52052 that are different from the LEA’s goals for all pupils?
- 7) What are the specific expected measurable outcomes associated with each of the goals annually and over the term of the LCAP?
- 8) What information (e.g., quantitative and qualitative data/metrics) was considered/reviewed to develop goals to address each state or local priority?
- 9) What information was considered/reviewed for individual school sites?
- 10) What information was considered/reviewed for subgroups identified in Education Code section 52052?

- 11) What actions/services will be provided to all pupils, to subgroups of pupils identified pursuant to Education Code section 52052, to specific school sites, to English learners, to low-income pupils, and/or to foster youth to achieve goals identified in the LCAP?
- 12) How do these actions/services link to identified goals and expected measurable outcomes?
- 13) What expenditures support changes to actions/services as a result of the goal identified? Where can these expenditures be found in the LEA's budget?

GOAL #1:	MSA Bell provides academic excellence to all students.	Related State and/or Local Priorities: 1 <u>x</u> 2 <u>x</u> 3 __ 4 <u>x</u> 5 __ 6 __ 7 <u>x</u> 8 <u>x</u> COE only: 9 __ 10 __ Local: Specify _____
Identified Need :	<ul style="list-style-type: none"> • Priority 1: To ensure teachers are appropriately assigned and properly credentialed • Priority 2: To maintain implementation of CCSS for all students, including subgroups To ensure teachers are trained in CCSS and the pedagogical shifts in support of increasing student learning and SBAC readiness To ensure English Learners can access the CCSS and ELD standards. To increase the percentage of students who are on track to be college- and career- readiness Begin integration of "A," arts in core curriculum • Priority 4: To ensure a rigorous and relevant academic program To increase the percentage of students who score proficient or above in English Language Arts/Literacy and math on the SBAC assessment system To increase the percentage of ELs who meet or exceed the criteria for reclassification • Priority 7: Ensure students have sufficient access to CCSS aligned instructional materials • Priority 8: Collect, analyze and use multiple measures of student performance to increase student proficiency 	
Goal Applies to:	Schools: All Applicable Pupil Subgroups: All	
LCAP Year 1: 2016-17		
Expected Annual Measurable Outcomes:	<ul style="list-style-type: none"> • Priority 1: 100% of MSA Bell's teachers will be appropriately assigned and properly credentialed as required by law and the charter. • Priority 2: MSA Bell will maintain 100% implementation of CCSS MSA Bell teachers will receive at least 3-trainings/professional developments on the CCSS. MSA Bell teachers will receive at least 3-trainings/professional developments on pedagogical shifts with a focus on student learning. MSA Bell teachers will receive at least 3-trainings/professional developments on the ELD standards and teaching English Learners. 100% of MSA Bell students will participate in advisory course that covers college talk. (a-g requirements, college field trips, etc.) MSA Bell teachers will receive at least 1 training in the integration of ARTS in the core curriculum. • Priority 4: For all student, including subgroups, the percentage of students performing proficient on the Reading/ELA and math sections of our internal, common-core aligned Measures of Academic Progress (MAP) assessment will increase by 5 points from fall to spring. Using the SBAC data from 2015-2016, Increase proficiency by 3% on SBAC for all students, including subgroups in Math and ELA (SPED, EL, Foster Youth, Social-Economic Disadvantages, Hispanic/Latino) MSA Bell will meet or exceed the annual API growth targets for all student subgroups. (If and when API is reinstated by California) The percentage of EL students who are reclassified will increase by 5% from the prior year. • Priority 7: 100% of students will have access to California adopted common core aligned curriculum in math and ELA. • Priority 8: At least 80% of all students enrolled in MSA Bell for a full academic year will receive a grade of "C" or better (or perform "proficient" on the related state standardized tests) in core subjects and electives.

GOAL #2:

MSA Bell promotes innovation amongst all students.

Related State and/or Local Priorities:
 1__ 2__ 3__ 4_x 5_x 6_x 7__ 8__
 COE only: 9__ 10__
 Local : Specify _____

Identified Need:

- **Priority 4:** Implement a blended learning program in order to help all students build 21st century skills to be college- and career-ready
- **Priority 5:** Prepare all students, including subgroups to be adaptable, responsible critical thinkers who contribute to the global community.
- **Priority 6:** Create a positive school climate that adapts to the needs of the community.

Goal Applies to:

Schools: All
 Applicable Pupil Subgroups: All

LCAP Year 1: 2016-17

Expected Annual Measurable Outcomes:

- **Priority 4:** MSA Bell will implement blended learning through the training from Summit Basecamp in a 100% of the core classes.
- MSA Bell will provide 100% of the programs and services outlined in its charter petition, certain programs and services being dependent on student need and interest.
- 100% of students will have sufficient access to all academic and educational programs provided by MSA Bell.
- **Priority 5:** At least 80% of all students enrolled in MSA Bell will create or demonstrate a STEAM focused, community based project, experiment, model or demo.
- At least 25% of the student population at MSA Bell will participate in an internship or site field trip to gain hands on experience in a respective field in STEAM.
- At least 5% of student population at MSA Bell will participate in a service-learning project based on community needs.
- **Priority 6:** MSA Bell School Satisfaction Survey: at least 80% of student population will rate the overall school experience positively; at least 85% of staff will rate the overall all school experience positively; at least 90% of parents will rate the overall school experience positively.
- MSA Bell will maintain Restorative Justice Practices and provide access to through partnerships to mental health services to ensure a suspension rate of no more than 3% and an expulsion rate of no more than 1%.

Annual Update

Annual Update Instructions: For each goal in the prior year LCAP, review the progress toward the expected annual outcome(s) based on, at a minimum, the required metrics pursuant to Education Code sections 52060 and 52066. The review must include an assessment of the effectiveness of the specific actions. Describe any changes to the actions or goals the LEA will take as a result of the review and assessment. In addition, review the applicability of each goal in the LCAP.

Guiding Questions:

- 1) How have the actions/services addressed the needs of all pupils and did the provisions of those services result in the desired outcomes?
- 2) How have the actions/services addressed the needs of all subgroups of pupils identified pursuant to Education Code section 52052, including, but not limited to, English learners, low-income pupils, and foster youth; and did the provision of those actions/services result in the desired outcomes?
- 3) How have the actions/services addressed the identified needs and goals of specific schoolsites and were these actions/services effective in achieving the desired outcomes?
- 4) What information (e.g., quantitative and qualitative data/metrics) was examined to review progress toward goals in the annual update?
- 5) What progress has been achieved toward the goal and expected measurable outcome(s)? How effective were the actions and services in making progress toward the goal? What changes to goals, actions, services, and expenditures are being made in the LCAP as a result of the review of progress and assessment of the effectiveness of the actions and services?
- 6) What differences are there between budgeted expenditures and estimated actual annual expenditures? What were the reasons for any differences?

Complete a copy of this table for each of the LEA's goals in the prior year LCAP. Duplicate and expand the fields as necessary.

Section 3: Use of Supplemental and Concentration Grant funds and Proportionality

A. In the box below, identify the amount of funds in the LCAP year calculated on the basis of the number and concentration of low income, foster youth, and English learner pupils as determined pursuant to 5 CCR 15496(a)(5).

Describe how the LEA is expending these funds in the LCAP year. Include a description of, and justification for, the use of any funds in a districtwide, schoolwide, countywide, or charterwide manner as specified in 5 CCR 15496.

For school districts with below 55 percent of enrollment of unduplicated pupils in the district or below 40 percent of enrollment of unduplicated pupils at a schoolsite in the LCAP year, when using supplemental and concentration funds in a districtwide or schoolwide manner, the school district must additionally describe how the services provided are the most effective use of funds to meet the district’s goals for unduplicated pupils in the state and any local priority areas. (See 5 CCR 15496(b) for guidance.)

Total amount of Supplemental and Concentration grant funds calculated:	\$ <u>1,104,292</u>
<p>MSA Bell’s identified amount of funds in the LCAP year is approximately \$1,104,292. These funds are calculated based on the number and concentration of our low income, foster youth, and English learner students.</p> <p>MSA Bell will offer a variety of support programs and supports specifically for low-income, foster youth, and English learners. These include EL intervention courses, bilingual instructional assistants, ELD/EL instructional materials, parent trainings for bilingual parents, EL progress analyses towards targets, afterschool programs, summer learning programs, home visits and family engagement programs, career/college readiness activities for low income pupils, guidance counseling and other related services. Charter School also offers services and programs that are aligned with LCAP goals that serve all students such as intervention, recruitment and retention of highly qualified teachers, small class size, advisory classes, positive behavior support and restorative justice practices. Following are the actions, services, and expenditures for the unduplicated pupils:</p> <p>Low income pupils: 33.08%</p> <p>Actions and services:</p> <ul style="list-style-type: none"> ▪ MSA Bell will provide support that includes staffing, professional development augmentations and recruitment and retention enhancements. ▪ MSA Bell will expand summer learning programs to prevent summer learning loss. ▪ MSA Bell will provide resources for increased outreach efforts to low income families including home visits and meetings. ▪ MSA Bell will provide targeted assistance to low-income students in career/college readiness activities and guidance. ▪ MSA Bell will provide STEAM related courses, clubs, field trips, competitions, and other activities to promote STEAM. 	

- MSA Bell will provide SEL support, which includes bullying prevention, etc.
- MSA Bell will provide/pilot programs such as Summit Basecamp/Blended Learning to meet the needs of all learners.

Anticipated expenditures: \$1,104,292

- Afterschool programs
- Summer learning programs
- Home visits
- Parent workshops
- Career/college readiness activities for low income pupils

Foster youth:

Actions and services:

- Foster youth will receive educational counseling.
- Foster youth will receive academic supports and remediation in order to decrease the adverse effects of school mobility on foster youth.
- Foster youth will be encouraged and supported to engage in extracurricular activities in order to adverse the effects of school mobility on foster youth.
- MSA Bell will improve communication with foster guardians.

Anticipated expenditures: incorporated with the academic and support services of the school. Currently, MSA Bell has 1 student that is foster youth.

- Academic Counseling

English learners:

Actions and services:

- EL students will participate in ELA/Literacy instruction with appropriate instructional support.
- MSA Bell will provide additional professional development to increase teachers' understanding of ELD standards and to ensure that English learners receive support in accessing CCSS.
- MSA Bell will implement its English Learners Master Plan.
- EL students will receive in-class instructional support, which includes one-on-one teacher support; small group instruction; usage of SDAIE and ELD instructional strategies; extended day instruction as needed.
- MSA Bell will provide bilingual instructional assistants to provide primary language support to enable students to access content area instruction while gaining language proficiency.
- MSA Bell will provide additional teaching sections of EL intervention courses.
- MSA Bell will provide a range of standards-aligned supplemental instructional resources in English and home languages.
- MSA Bell will provide culturally and linguistically relevant materials for students.
- MSA Bell will provide ongoing parental support and workshops for bilingual parents at ELAC meetings.
- MSA Bell will provide parent training on how to assist students academically and behaviorally, and how to navigate the educational system, including higher education.
- MSA Bell will regularly review progress towards targets.
- MSA Bell will provide additional supports and interventions, as needed.

Anticipated expenditures: \$30,000 for Professional Development, ELD is covered through Title 1

- EL intervention courses
- Bilingual instructional assistants
- ELD/EL instructional materials

- ELD Coordinator to support EL students and teachers with ELD implementation

Redesignated fluent English proficient pupils:

Actions and services are located in the English learner section above and services provide a multi-tiered system of supports for English learners and struggling students, inclusive of redesignated fluent English proficient students (RFEPS).

B. In the box below, identify the percentage by which services for unduplicated pupils must be increased or improved as compared to the services provided to all pupils in the LCAP year as calculated pursuant to 5 CCR 15496(a).

Consistent with the requirements of 5 CCR 15496, demonstrate how the services provided in the LCAP year for low income pupils, foster youth, and English learners provide for increased or improved services for these pupils in proportion to the increase in funding provided for such pupils in that year as calculated pursuant to 5 CCR 15496(a)(7). An LEA shall describe how the proportionality percentage is met using a quantitative and/or qualitative description of the increased and/or improved services for unduplicated pupils as compared to the services provided to all pupils.

33.08	%
-------	---

Charter School Proportionality Calculation:

Charter School's Minimum Proportionality Percentage by which services for unduplicated students must be increased or improved over services provided for all students in the LCAP year is calculated and can be seen above. The Charter School addresses the needs of our school's English learners, low Income students and foster youth by providing the services described in detail in the prior sections. The majority of students served at the Charter School will be focus students and the Charter School will continue to maintain and improve its services to unduplicated students. Schoolwide implementation of these practices will not only have an impact on learning environment and the climate of the school as a whole, but will also have a disproportionately positive impact on the targeted subgroups. Charter School recognizes that while these funds are generated in order to serve the focus students, some services may, should the need arise, be utilized for students outside the focus subgroups. While the majority of students served will be focus students (90 percent or more), there may be other students in need that the school does not want to overlook. By providing the services identified without limitations, Charter School will best serve all students, especially focus students. The full list of expenditures is aligned with the goals of the Charter School Local Control and Accountability Plan and addresses the needs of our school's low income, foster youth, and English learner students.

LOCAL CONTROL AND ACCOUNTABILITY PLAN AND ANNUAL UPDATE APPENDIX

For the purposes of completing the LCAP in reference to the state priorities under Education Code sections 52060 and 52066, the following shall apply:

(a) “Chronic absenteeism rate” shall be calculated as follows:

- (1) The number of pupils with a primary, secondary, or short-term enrollment during the academic year (July 1 – June 30) who are chronically absent where “chronic absentee” means a pupil who is absent 10 percent or more of the schooldays in the school year when the total number of days a pupil is absent is divided by the total number of days the pupil is enrolled and school was actually taught in the total number of days the pupil is enrolled and school was actually taught in the regular day schools of the district, exclusive of Saturdays and Sundays.
- (2) The unduplicated count of pupils with a primary, secondary, or short-term enrollment during the academic year (July 1 – June 30).
- (3) Divide (1) by (2).

(b) “Middle School dropout rate” shall be calculated as set forth in California Code of Regulations, title 5, section 1039.1.

(c) “High school dropout rate” shall be calculated as follows:

- (1) The number of cohort members who dropout by the end of year 4 in the cohort where “cohort” is defined as the number of first-time grade 9 pupils in year 1 (starting cohort) plus pupils who transfer in, minus pupils who transfer out, emigrate, or die during school years 1, 2, 3, and 4.
- (2) The total number of cohort members.
- (3) Divide (1) by (2).

(d) “High school graduation rate” shall be calculated as follows:

- (1) The number of cohort members who earned a regular high school diploma [or earned an adult education high school diploma or passed the California High School Proficiency Exam] by the end of year 4 in the cohort where “cohort” is defined as the number of first-time grade 9 pupils in year 1 (starting cohort) plus pupils who transfer in, minus pupils who transfer out, emigrate, or die during school years 1, 2, 3, and 4.

(2) The total number of cohort members.

(3) Divide (1) by (2).

(e) "Suspension rate" shall be calculated as follows:

(1) The unduplicated count of pupils involved in one or more incidents for which the pupil was suspended during the academic year (July 1 – June 30).

(2) The unduplicated count of pupils with a primary, secondary, or short-term enrollment during the academic year (July 1 – June 30).

(3) Divide (1) by (2).

(f) "Expulsion rate" shall be calculated as follows:

(1) The unduplicated count of pupils involved in one or more incidents for which the pupil was expelled during the academic year (July 1 – June 30).

(2) The unduplicated count of pupils with a primary, secondary, or short-term enrollment during the academic year (July 1 – June 30).

(3) Divide (1) by (2).

Introduction:

LEA: Magnolia Science Academy-San Diego Contact: Gokhan Serce, Principal, gserce@magnoliapublicschools.org, (619) 644-1300

LCAP Year: 2016-17

Local Control and Accountability Plan and Annual Update Template

The Local Control and Accountability Plan (LCAP) and Annual Update Template shall be used to provide details regarding local educational agencies' (LEAs) actions and expenditures to support pupil outcomes and overall performance pursuant to Education Code sections 52060, 52066, 47605, 47605.5, and 47606.5. The LCAP and Annual Update Template must be completed by all LEAs each year.

For school districts, pursuant to Education Code section 52060, the LCAP must describe, for the school district and each school within the district, goals and specific actions to achieve those goals for all pupils and each subgroup of pupils identified in Education Code section 52052, including pupils with disabilities, for each of the state priorities and any locally identified priorities.

For county offices of education, pursuant to Education Code section 52066, the LCAP must describe, for each county office of education-operated school and program, goals and specific actions to achieve those goals for all pupils and each subgroup of pupils identified in Education Code section 52052, including pupils with disabilities, who are funded through the county office of education Local Control Funding Formula as identified in Education Code section 2574 (pupils attending juvenile court schools, on probation or parole, or mandatorily expelled) for each of the state priorities and any locally identified priorities. School districts and county offices of education may additionally coordinate and describe in their LCAPs services provided to pupils funded by a school district but attending county-operated schools and programs, including special education programs.

The charter schools, pursuant to Education Code sections 47605, 47605.5, and 47606.5, must describe goals and specific actions to achieve those goals for all pupils and each subgroup of pupils identified in Education Code section 52052, including pupils with disabilities, for each of the state priorities as applicable and any locally identified priorities. For charter schools, the inclusion and description of goals for state priorities in the LCAP may be modified to meet the grade levels served and the nature of the programs provided, including modifications to reflect only the statutory requirements explicitly applicable to the charter schools in the Education Code.

The LCAP is intended to be a comprehensive planning tool. Accordingly, in developing goals, specific actions, and expenditures, LEAs should carefully consider how to reflect the services and related expenses for their basic instructional program in relationship to the state priorities. LEAs may reference and describe actions and expenditures in other plans and funded by a variety of other fund sources when detailing goals, actions, and expenditures related to the state and local priorities. LCAPs must be consistent with school plans submitted pursuant to Education Code section 64001. The information contained in the LCAP, or annual update, may be supplemented by information contained in other plans (including the LEA plan pursuant to Section 1112 of Subpart 1 of Part A of Title I of Public Law 107-110) that are incorporated or referenced as relevant in this document.

For each section of the template, LEAs shall comply with instructions and should use the guiding questions as prompts (but not limits) for completing the information as required by statute. Guiding questions do not require separate narrative responses. However, the narrative response and goals and actions should demonstrate each guiding question was considered during the development of the plan. Data referenced in the LCAP must be consistent with the school accountability report card where appropriate. LEAs may resize pages or attach additional pages as necessary to facilitate completion of the LCAP.

State Priorities

The state priorities listed in Education Code sections 52060 and 52066 can be categorized as specified below for planning purposes, however, school districts and county offices of education must address each of the state priorities in their LCAP. Charter schools must address the priorities in Education Code section 52060(d) that apply to the grade levels served, or the nature of the program operated, by the Charter School.

A. Conditions of Learning:

Basic: *degree to which teachers are appropriately assigned pursuant to Education Code section 44258.9, and fully credentialed in the subject areas and for the pupils they are teaching; pupils have access to standards-aligned instructional materials pursuant to Education Code section 60119; and school facilities are maintained in good repair pursuant to Education Code section 17002(d). (Priority 1)*

Implementation of State Standards: *implementation of academic content and performance standards and English language development standards adopted by the state board for all pupils, including English learners. (Priority 2)*

Course access: *pupil enrollment in a broad course of study that includes all of the subject areas described in Education Code section 51210 and subdivisions (a) to (i), inclusive, of Section 51220, as applicable. (Priority 7)*

Expelled pupils (for county offices of education only): *coordination of instruction of expelled pupils pursuant to Education Code section 48926. (Priority 9)*

Foster youth (for county offices of education only): *coordination of services, including working with the county child welfare agency to share information, responding to the needs of the juvenile court system, and ensuring transfer of health and education records. (Priority 10)*

B. Pupil Outcomes:

Pupil achievement: performance on standardized tests, score on Academic Performance Index, share of pupils that are college and career ready, share of English learners that become English proficient, English learner reclassification rate, share of pupils that pass Advanced Placement exams with 3 or higher, share of pupils determined prepared for college by the Early Assessment Program. (Priority 4)

Other pupil outcomes: pupil outcomes in the subject areas described in Education Code section 51210 and subdivisions (a) to (i), inclusive, of Education Code section 51220, as applicable. (Priority 8)

C. Engagement:

Parental involvement: efforts to seek parent input in decision making at the district and each schoolsite, promotion of parent participation in programs for unduplicated pupils and special need subgroups. (Priority 3)

Pupil engagement: school attendance rates, chronic absenteeism rates, middle school dropout rates, high school dropout rates, high school graduations rates. (Priority 5)

School climate: pupil suspension rates, pupil expulsion rates, other local measures including surveys of pupils, parents and teachers on the sense of safety and school connectedness. (Priority 6)

Section 1: Stakeholder Engagement

Meaningful engagement of parents, pupils, and other stakeholders, including those representing the subgroups identified in Education Code section 52052, is critical to the LCAP and budget process. Education Code sections 52060(g), 52062 and 52063 specify the minimum requirements for school districts; Education Code sections 52066(g), 52068 and 52069 specify the minimum requirements for county offices of education, and Education Code section 47606.5 specifies the minimum requirements for the charter schools. In addition, Education Code section 48985 specifies the requirements for translation of documents.

Instructions: Describe the process used to consult with parents, pupils, school personnel, local bargaining units as applicable, and the community and how this consultation contributed to development of the LCAP or annual update. Note that the LEA's goals, actions, services and expenditures related to the state priority of parental involvement are to be described separately in Section 2. In the annual update boxes, describe the stakeholder involvement process for the review, and describe its impact on, the development of the annual update to LCAP goals, actions, services, and expenditures.

Guiding Questions:

- 1) How have applicable stakeholders (e.g., parents and pupils, including parents of unduplicated pupils and unduplicated pupils identified in Education Code section 42238.01; community members; local bargaining units; LEA personnel; county child welfare agencies; county office of education foster youth services programs, court-appointed special advocates, and other foster youth stakeholders; community organizations representing English learners; and others as appropriate) been engaged and involved in developing, reviewing, and supporting implementation of the LCAP?
- 2) How have stakeholders been included in the LEA's process in a timely manner to allow for engagement in the development of the LCAP?
- 3) What information (e.g., quantitative and qualitative data/metrics) was made available to stakeholders related to the state priorities and used by the LEA to inform the LCAP goal setting process? How was the information made available?
- 4) What changes, if any, were made in the LCAP prior to adoption as a result of written comments or other feedback received by the LEA through any of the LEA's engagement processes?
- 5) What specific actions were taken to meet statutory requirements for stakeholder engagement pursuant to Education Code sections 52062, 52068, and 47606.5, including engagement with representatives of parents and guardians of pupils identified in Education Code section 42238.01?
- 6) What specific actions were taken to consult with pupils to meet the requirements 5 CCR 15495(a)?
- 7) How has stakeholder involvement been continued and supported? How has the involvement of these stakeholders supported improved outcomes for pupils, including unduplicated pupils, related to the state priorities?

<p>Involvement Process</p> <p>In order to promote learning and provide a more positive learning experience for our students, Magnolia Science Academy-San Diego (“MSA-SAN DIEGO ” or “MSA-San Diego”) has established a culture of gathering input from parents, students, staff, community members, and other stakeholders through multiple channels including meetings, school events, surveys, home visits, newsletters, and other means of communication. To the extent possible, all stakeholders are invited to be involved in the process of school review and improvement including the development of our annual LCAP.</p> <p>Information/input sessions include Parent Task Force (PTF) meetings, School Site Council (SSC) meetings, Local Governing Committee, Board of Directors meetings, Principal meetings, Dean meetings, and staff meetings. In addition, MSA-San Diego conducts surveys for parents, students, and teachers and MSA-San Diego staff make home visits. These all serve as a way to inform, educate, and gather input & feedback from all critical stakeholders.</p> <p>MSA-San Diego has an approved charter petition with measurable student outcomes and methods to assess student progress, an SSD plan with planned improvement in student performance in reading and mathematics and in programs for LEP students and immigrants, and a WASC action plan for continual school improvement. Therefore, LCAP is received by our community as a comprehensive planning tool that draws from all other school plans and addresses the state priorities and locally identified priorities.</p>	<p>Impact on LCAP</p> <p>All major groups have been informed of the LCAP work and given an opportunity to participate. MSA-San Diego LCAP committee has reviewed input from all stakeholders and synthesized input to revise existing goals and also to set new goals in the LCAP over the next three years. The following are the major goal areas in the revised LCAP:</p> <ul style="list-style-type: none"> ▪ Fully implement state-adopted ELA and math academic content and performance standards for all students, including subgroups, and support teacher professional development ▪ Provide increased early intervention programs and communication with the parents of academically low-achieving students; visit students at their homes to discuss student progress and enhance student learning and involvement ▪ Set targets for proficiency and growth for all subgroups on the statewide and internal assessments and regularly review progress toward targets ▪ Analyze our programs for EL, SWD, and FY to provide increased instructional support to all student subgroups, including these student groups ▪ Develop college-preparedness ▪ Provide a nurturing and engaging learning environment and acknowledge and encourage positive student behavior and improvements for all our students and families, including those of all the subgroups enrolled in MSA-San Diego to maintain sense of safety and school connectedness
<p>Annual Update:</p> <p>MSA-San Diego held its periodical meetings in 2015-16 to gather input from is stakeholders. These include 8 PTF meetings, 3 SSC meetings,4 local governing committee meetings and, weekly staff meetings and other stakeholder meetings. The school conducted a parent, teacher and student satisfaction survey with specific questions about school improvement and the eight state priorities. All students and teachers participated in this survey. Parent participation rate in the survey was 60%. MSA-San Diego staff made over 30 home visits during 2015-16 and sought feedback from the parents for school improvement.</p>	<p>Annual Update:</p> <p>Based on input from all stakeholders and available data through surveys and student achievement/school data, MSA-San Diego has updated its LCAP. Some of the updates include:</p> <ul style="list-style-type: none"> ▪ Purchasing of common-core aligned instructional materials ▪ Addition of school-level support positions, e.g., ELD support teacher, Title 1 teacher ▪ Improvements in English Learner services ▪ Increasing employee salaries and implementing performance pay ▪ Increasing college preparedness by Investing in effective technology to enhance instruction in the classroom ▪ Offering an annual STEM festival and a STEAM expo ▪ Other input includes improving school facilities, identification and support of immigrant students and foster youth, decreasing truancy and sustaining after school and Saturday programs.

Section 2: Goals, Actions, Expenditures, and Progress Indicators

Instructions:

All LEAs must complete the LCAP and Annual Update Template each year. The LCAP is a three-year plan for the upcoming school year and the two years that follow. In this way, the program and goals contained in the LCAP align with the term of a school district and county office of education budget and multiyear budget projections. The Annual Update section of the template reviews progress made for each stated goal in the school year that is coming to a close, assesses the effectiveness of actions and services provided, and describes the changes made in the LCAP for the next three years that are based on this review and assessment.

Charter schools may adjust the table below to align with the term of the Charter School's budget that is submitted to the school's authorizer pursuant to Education Code section 47604.33.

For school districts, Education Code sections 52060 and 52061, for county offices of education, Education Code sections 52066 and 52067, and for the charter schools, Education Code section 47606.5 require(s) the LCAP to include a description of the annual goals, for all pupils and each subgroup of pupils, to be achieved for each state priority as defined in 5 CCR 15495(i) and any local priorities; a description of the specific actions an LEA will take to meet the identified goals; a description of the expenditures required to implement the specific actions; and an annual update to include a review of progress towards the goals and describe any changes to the goals.

To facilitate alignment between the LCAP and school plans, the LCAP shall identify and incorporate school-specific goals related to the state and local priorities from the school plans submitted pursuant to Education Code section 64001. Furthermore, the LCAP should be shared with, and input requested from, schoolsite-level advisory groups, as applicable (e.g., schoolsite councils, English Learner Advisory Councils, pupil advisory groups, etc.) to facilitate alignment between school-site and district-level goals and actions. An LEA may incorporate or reference actions described in other plans that are being undertaken to meet the goal.

Using the following instructions and guiding questions, complete a goal table (see below) for each of the LEA's goals. Duplicate and expand the fields as necessary.

Goal: Describe the goal:

When completing the goal tables, include goals for all pupils and specific goals for schoolsites and specific subgroups, including pupils with disabilities, both at the LEA level and, where applicable, at the schoolsite level. The LEA may identify which schoolsites and

subgroups have the same goals, and group and describe those goals together. The LEA may also indicate those goals that are not applicable to a specific subgroup or school site.

Related State and/or Local Priorities: Identify the state and/or local priorities addressed by the goal by placing a check mark next to the applicable priority or priorities. The LCAP must include goals that address each of the state priorities, as defined in 5 CCR 15495(i), and any additional local priorities; however, one goal may address multiple priorities.

Identified Need: Describe the need(s) identified by the LEA that this goal addresses, including a description of the supporting data used to identify the need(s).

Schools: Identify the schoolsites to which the goal applies. LEAs may indicate “all” for all schools, specify an individual school or a subset of schools, or specify grade spans (e.g., all high schools or grades K-5).

Applicable Pupil Subgroups: Identify the pupil subgroups as defined in Education Code section 52052 to which the goal applies, or indicate “all” for all pupils.

Expected Annual Measurable Outcomes: For each LCAP year, identify and describe specific expected measurable outcomes for all pupils using, at minimum, the applicable required metrics for the related state priorities. Where applicable, include descriptions of specific expected measurable outcomes for schoolsites and specific subgroups, including pupils with disabilities, both at the LEA level and at the schoolsite level.

The metrics used to describe the expected measurable outcomes may be quantitative or qualitative, although the goal tables must address all required metrics for every state priority in each LCAP year. The required metrics are the specified measures and objectives for each state priority as set forth in Education Code sections 52060(d) and 52066(d). For the pupil engagement priority metrics, LEAs must calculate the rates specified in Education Code sections 52060(d)(5)(B), (C), (D) and (E) as described in the Local Control Accountability Plan and Annual Update Template Appendix, sections (a) through (d).

Actions/Services: For each LCAP year, identify all annual actions to be performed and services provided to meet the described goal. Actions may describe a group of services that are implemented to achieve the identified goal.

Scope of Service: Describe the scope of each action/service by identifying the schoolsites covered. LEAs may indicate “all” for all schools, specify an individual school or a subset of schools, or specify grade spans (e.g., all high schools or grades K-5). If supplemental and concentration funds are used to support the action/service, the LEA must identify if the scope of service is districtwide, schoolwide, countywide, or charterwide.

Pupils to be served within identified scope of service: For each action/service, identify the pupils to be served within the identified scope of service. If the action to be performed or the service to be provided is for all pupils, place a check mark next to “ALL.”

For each action and/or service to be provided above what is being provided for all pupils, place a check mark next to the applicable unduplicated pupil subgroup(s) and/or other pupil subgroup(s) that will benefit from the additional action, and/or will receive the additional service. Identify, as applicable, additional actions and services for unduplicated pupil subgroup(s) as defined in Education Code section 42238.01, pupils redesignated fluent English proficient, and/or pupils subgroup(s) as defined in Education Code section 52052.

Budgeted Expenditures: For each action/service, list and describe budgeted expenditures for each school year to implement these actions, including where those expenditures can be found in the LEA’s budget. The LEA must reference all fund sources for each proposed expenditure. Expenditures must be classified using the California School Accounting Manual as required by Education Code sections 52061, 52067, and 47606.5.

Guiding Questions:

- 1) What are the LEA’s goal(s) to address state priorities related to “Conditions of Learning”?
- 2) What are the LEA’s goal(s) to address state priorities related to “Pupil Outcomes”?
- 3) What are the LEA’s goal(s) to address state priorities related to parent and pupil “Engagement” (e.g., parent involvement, pupil engagement, and school climate)?
- 4) What are the LEA’s goal(s) to address any locally-identified priorities?
- 5) How have the unique needs of individual schoolsites been evaluated to inform the development of meaningful district and/or individual schoolsite goals (e.g., input from site level advisory groups, staff, parents, community, pupils; review of school level plans; in-depth school level data analysis, etc.)?
- 6) What are the unique goals for unduplicated pupils as defined in Education Code sections 42238.01 and subgroups as defined in section 52052 that are different from the LEA’s goals for all pupils?
- 7) What are the specific expected measurable outcomes associated with each of the goals annually and over the term of the LCAP?
- 8) What information (e.g., quantitative and qualitative data/metrics) was considered/reviewed to develop goals to address each state or local priority?

- 9) What information was considered/reviewed for individual schoolsites?
- 10) What information was considered/reviewed for subgroups identified in Education Code section 52052?
- 11) What actions/services will be provided to all pupils, to subgroups of pupils identified pursuant to Education Code section 52052, to specific schoolsites, to English learners, to low-income pupils, and/or to foster youth to achieve goals identified in the LCAP?
- 12) How do these actions/services link to identified goals and expected measurable outcomes?
- 13) What expenditures support changes to actions/services as a result of the goal identified? Where can these expenditures be found in the LEA's budget?

GOAL #1:	All students will pursue academic excellence and be high school/college/career ready.	Related State and/or Local Priorities: 1 <input checked="" type="checkbox"/> 2 <input checked="" type="checkbox"/> 3 <input type="checkbox"/> 4 <input checked="" type="checkbox"/> 5 <input type="checkbox"/> 6 <input type="checkbox"/> 7 <input type="checkbox"/> 8 <input checked="" type="checkbox"/> COE only: 9 <input type="checkbox"/> 10 <input type="checkbox"/> Local : Specify _____

Annual Update

Annual Update Instructions: For each goal in the prior year LCAP, review the progress toward the expected annual outcome(s) based on, at a minimum, the required metrics pursuant to Education Code sections 52060 and 52066. The review must include an assessment of the effectiveness of the specific actions. Describe any changes to the actions or goals the LEA will take as a result of the review and assessment. In addition, review the applicability of each goal in the LCAP.

Guiding Questions:

- 1) How have the actions/services addressed the needs of all pupils and did the provisions of those services result in the desired outcomes?
- 2) How have the actions/services addressed the needs of all subgroups of pupils identified pursuant to Education Code section 52052, including, but not limited to, English learners, low-income pupils, and foster youth; and did the provision of those actions/services result in the desired outcomes?
- 3) How have the actions/services addressed the identified needs and goals of specific schoolsites and were these actions/services effective in achieving the desired outcomes?
- 4) What information (e.g., quantitative and qualitative data/metrics) was examined to review progress toward goals in the annual update?
- 5) What progress has been achieved toward the goal and expected measurable outcome(s)? How effective were the actions and services in making progress toward the goal? What changes to goals, actions, services, and expenditures are being made in the LCAP as a result of the review of progress and assessment of the effectiveness of the actions and services?
- 6) What differences are there between budgeted expenditures and estimated actual annual expenditures? What were the reasons for any differences?

Complete a copy of this table for each of the LEA's goals in the prior year LCAP. Duplicate and expand the fields as necessary.

Original GOAL from prior year LCAP:	For each year of the charter, all Charter School teachers of core classes will be appropriately assigned and fully credentialed as required by law and the charter	Related State and/or Local Priorities: 1 <input checked="" type="checkbox"/> 2 <input type="checkbox"/> 3 <input type="checkbox"/> 4 <input type="checkbox"/> 5 <input type="checkbox"/> 6 <input type="checkbox"/> 7 <input type="checkbox"/> 8 <input type="checkbox"/> COE only: 9 <input type="checkbox"/> 10 <input type="checkbox"/> Local : Specify _____

Section 3: Use of Supplemental and Concentration Grant funds and Proportionality

- A. In the box below, identify the amount of funds in the LCAP year calculated on the basis of the number and concentration of low income, foster youth, and English learner pupils as determined pursuant to 5 CCR 15496(a)(5).

Describe how the LEA is expending these funds in the LCAP year. Include a description of, and justification for, the use of any funds in a districtwide, schoolwide, countywide, or charterwide manner as specified in 5 CCR 15496.

For school districts with below 55 percent of enrollment of unduplicated pupils in the district or below 40 percent of enrollment of unduplicated pupils at a schoolsite in the LCAP year, when using supplemental and concentration funds in a districtwide or schoolwide manner, the school district must additionally describe how the services provided are the most effective use of funds to meet the district’s goals for unduplicated pupils in the state and any local priority areas. (See 5 CCR 15496(b) for guidance.)

Total amount of Supplemental and Concentration grant funds calculated:	\$138,688.00
<p>MSA-San Diego’s identified amount of funds in the LCAP year is approximately \$138,688.00. These funds are calculated based on the number and concentration of our low income, foster youth, and English learner students.</p> <p>MSA-San Diego will offer a variety of support programs and supports specifically for low-income, foster youth, and English learners. These include EL intervention courses, bilingual instructional assistants, ESL/ELD/EL instructional materials, parent trainings for bilingual parents, EL progress analyses towards targets, afterschool programs, summer learning programs, Saturday school, home visits and family engagement programs, career/college readiness activities for low income pupils, guidance counseling and other related services. MSA-San Diego also offers services and programs that are aligned with LCAP goals that serve all students such as intervention, recruitment and retention of highly qualified teachers, small class size, Get Ready for Life classes, positive behavior support and restorative practices. Following are the actions, services, and expenditures for the unduplicated pupils:</p> <p>Low income pupils:</p> <p>Actions and services:</p> <ul style="list-style-type: none"> ▪ MSA-San Diego will provide support that includes staffing, professional development augmentations and recruitment and retention enhancements. ▪ MSA-San Diego will expand summer learning programs to prevent summer learning loss. ▪ MSA-San Diego will provide resources for increased outreach efforts to low income families including home visits and meetings. ▪ MSA-San Diego will provide explicit parent education on trait/habits of high achieving students and navigating the higher education system and resources. ▪ MSA-San Diego will provide targeted assistance to low income students in career/college readiness activities and guidance. ▪ MSA-San Diego will provide STEAM related courses, clubs, field trips, competitions, and other activities to promote STEAM. ▪ MSA-San Diego will provide bullying prevention training. ▪ MSA-San Diego will provide/pilot programs such as Second Step and Why Try to provide explicit social/emotional instruction. <p>Anticipated expenditures: \$120,000</p> <ul style="list-style-type: none"> ▪ Afterschool/Saturday programs ▪ Intervention programs ▪ Summer learning programs ▪ Home visits ▪ Parent trainings 	

- Career/college readiness activities for low income pupils

Foster youth:

Actions and services:

- Foster youth will receive educational counseling.
- Foster youth will receive academic supports and remediation in order to decrease the adverse effects of school mobility on foster youth.
- Foster youth will be encouraged and supported to engage in extracurricular activities in order to adverse the effects of school mobility on foster youth.
- MSA-San Diego will improve communication with foster guardians.

Anticipated expenditures: **\$5,000.00**

- Guidance/PSA counselor

English learners:

Actions and services:

- EL students will participate in ELA/Literacy instruction with appropriate instructional support.
- MSA-San Diego will provide additional professional development to increase teachers' understanding of ELD standards and to ensure that English learners receive support in accessing CCSS.
- MSA-San Diego will implement its English Learners Master Plan.
- EL students will receive in-class instructional support which includes one-on-one teacher support; small group instruction; usage of SDAIE and ELD instructional strategies; extended day instruction as needed.
- MSA-San Diego will provide bilingual instructional assistants to provide primary language support to enable students to access content area instruction while gaining language proficiency.
- MSA-San Diego will provide additional teaching sections of EL intervention courses.
- MSA-San Diego will provide a range of standards-aligned supplemental instructional resources in English and home languages.
- MSA-San Diego will provide culturally and linguistically relevant materials for students.
- Charter Scholl will provide ongoing Common Core Parent Training for bilingual parents at ELAC meetings.
- MSA-San Diego will provide parent training on how to assist students academically and behaviorally, and how to navigate the educational system, including higher education.
- MSA-San Diego will regularly review progress towards targets.
- MSA-San Diego will provide additional supports and interventions, as needed.

Anticipated expenditures: **\$25,000**

- EL intervention courses
- Bilingual instructional assistants
- ESL/ELD/EL instructional materials
- Parent trainings for bilingual parents
- EL progress analysis towards targets

Redesignated fluent English proficient pupils:

Actions and services are located in the English learner section above and services provide a multi-tiered system of supports for English learners and struggling students, inclusive of redesignated fluent English proficient students (RFEPs).

- B. In the box below, identify the percentage by which services for unduplicated pupils must be increased or improved as compared to the services provided to all pupils in the LCAP year as calculated pursuant to 5 CCR 15496(a).

Consistent with the requirements of 5 CCR 15496, demonstrate how the services provided in the LCAP year for low income pupils, foster youth, and English learners provide for increased or improved services for these pupils in proportion to the increase in funding provided for such pupils in that year as calculated pursuant to 5 CCR 15496(a)(7). An LEA shall describe how the proportionality percentage is met using a quantitative and/or qualitative description of the increased and/or improved services for unduplicated pupils as compared to the services provided to all pupils.

4.1	%
-----	---

MSA-San Diego Proportionality Calculation:

MSA-San Diego's Minimum Proportionality Percentage by which services for unduplicated students must be increased or improved over services provided for all students in the LCAP year is calculated and can be seen above. MSA-San Diego addresses the needs of our school's English learners, low Income students and foster youth by providing the services described in detail in the prior sections. The majority of students served at MSA-San Diego will be focus students and MSA-San Diego will continue to maintain and improve its services to unduplicated students. Schoolwide implementation of these practices will not only have an impact on learning environment and the climate of the school as a whole, but will also have a disproportionately positive impact on the targeted subgroups. MSA-San Diego recognizes that while these funds are generated in order to serve the focus students, some services may, should the need arise, be utilized for students outside the focus subgroups. While the majority of students served will be focus students (90 percent or more), there may be other students in need that the school does not want to overlook. By providing the services identified without limitations, MSA-San Diego will best serve all students, especially focus students. The full list of expenditures is aligned with the goals of MSA-San Diego Local Control and Accountability Plan and addresses the needs of our school's low income, foster youth, and English learner students.

LOCAL CONTROL AND ACCOUNTABILITY PLAN AND ANNUAL UPDATE APPENDIX

For the purposes of completing the LCAP in reference to the state priorities under Education Code sections 52060 and 52066, the following shall apply:

(a) “Chronic absenteeism rate” shall be calculated as follows:

- (1) The number of pupils with a primary, secondary, or short-term enrollment during the academic year (July 1 – June 30) who are chronically absent where “chronic absentee” means a pupil who is absent 10 percent or more of the schooldays in the school year when the total number of days a pupil is absent is divided by the total number of days the pupil is enrolled and school was actually taught in the total number of days the pupil is enrolled and school was actually taught in the regular day schools of the district, exclusive of Saturdays and Sundays.
- (2) The unduplicated count of pupils with a primary, secondary, or short-term enrollment during the academic year (July 1 – June 30).
- (3) Divide (1) by (2).

(b) “Middle School dropout rate” shall be calculated as set forth in California Code of Regulations, title 5, section 1039.1.

(c) “High school dropout rate” shall be calculated as follows:

- (1) The number of cohort members who dropout by the end of year 4 in the cohort where “cohort” is defined as the number of first-time grade 9 pupils in year 1 (starting cohort) plus pupils who transfer in, minus pupils who transfer out, emigrate, or die during school years 1, 2, 3, and 4.
- (2) The total number of cohort members.
- (3) Divide (1) by (2).

(d) “High school graduation rate” shall be calculated as follows:

- (1) The number of cohort members who earned a regular high school diploma [or earned an adult education high school diploma or passed the California High School Proficiency Exam] by the end of year 4 in the cohort where “cohort” is defined as the number of first-time grade 9 pupils in year 1 (starting cohort) plus pupils who transfer in, minus pupils who transfer out, emigrate, or die during school years 1, 2, 3, and 4.

(2) The total number of cohort members.

(3) Divide (1) by (2).

(e) "Suspension rate" shall be calculated as follows:

(1) The unduplicated count of pupils involved in one or more incidents for which the pupil was suspended during the academic year (July 1 – June 30).

(2) The unduplicated count of pupils with a primary, secondary, or short-term enrollment during the academic year (July 1 – June 30).

(3) Divide (1) by (2).

(f) "Expulsion rate" shall be calculated as follows:

(1) The unduplicated count of pupils involved in one or more incidents for which the pupil was expelled during the academic year (July 1 – June 30).

(2) The unduplicated count of pupils with a primary, secondary, or short-term enrollment during the academic year (July 1 – June 30).

(3) Divide (1) by (2).

Introduction:

LEA: Magnolia Science Academy-Santa Ana

Contact (Name, Title, Email, Phone Number): Laura Schlottman, Principal,
LCAP Year: 2016-17

Local Control and Accountability Plan and Annual Update Template

The Local Control and Accountability Plan (LCAP) and Annual Update Template shall be used to provide details regarding local educational agencies' (LEAs) actions and expenditures to support pupil outcomes and overall performance pursuant to Education Code sections 52060, 52066, 47605, 47605.5, and 47606.5. The LCAP and Annual Update Template must be completed by all LEAs each year.

For school districts, pursuant to Education Code section 52060, the LCAP must describe, for the school district and each school within the district, goals and specific actions to achieve those goals for all pupils and each subgroup of pupils identified in Education Code section 52052, including pupils with disabilities, for each of the state priorities and any locally identified priorities.

For county offices of education, pursuant to Education Code section 52066, the LCAP must describe, for each county office of education-operated school and program, goals and specific actions to achieve those goals for all pupils and each subgroup of pupils identified in Education Code section 52052, including pupils with disabilities, who are funded through the county office of education Local Control Funding Formula as identified in Education Code section 2574 (pupils attending juvenile court schools, on probation or parole, or mandatorily expelled) for each of the state priorities and any locally identified priorities. School districts and county offices of education may additionally coordinate and describe in their LCAPs services provided to pupils funded by a school district but attending county-operated schools and programs, including special education programs.

Charter schools, pursuant to Education Code sections 47605, 47605.5, and 47606.5, must describe goals and specific actions to achieve those goals for all pupils and each subgroup of pupils identified in Education Code section 52052, including pupils with disabilities, for each of the state priorities as applicable and any locally identified priorities. For charter schools, the inclusion and description of goals for state priorities in the LCAP may be modified to meet the grade levels served and the nature of the programs provided, including modifications to reflect only the statutory requirements explicitly applicable to charter schools in the Education Code.

The LCAP is intended to be a comprehensive planning tool. Accordingly, in developing goals, specific actions, and expenditures, LEAs should carefully consider how to reflect the services and related expenses for their basic instructional program in relationship to the state priorities. LEAs may reference and describe actions and expenditures in other plans and funded by a variety of other fund sources when detailing goals, actions, and expenditures related to the state and local priorities. LCAPs must be consistent with school plans submitted pursuant to Education Code section 64001. The information contained in the LCAP, or annual update, may be supplemented by information contained in other plans (including the LEA plan pursuant to Section 1112 of Subpart 1 of Part A of Title I of Public Law 107-110) that are incorporated or referenced as relevant in this document.

For each section of the template, LEAs shall comply with instructions and should use the guiding questions as prompts (but not limits) for completing the information as required by statute. Guiding questions do not require separate narrative responses. However, the narrative response and goals and actions should demonstrate each guiding question was considered during the development of the plan. Data referenced in the LCAP must be consistent with the school accountability report card where appropriate. LEAs may resize pages or attach additional pages as necessary to facilitate completion of the LCAP.

State Priorities

The state priorities listed in Education Code sections 52060 and 52066 can be categorized as specified below for planning purposes, however, school districts and county offices of education must address each of the state priorities in their LCAP. Charter schools must address the priorities in Education Code section 52060(d) that apply to the grade levels served, or the nature of the program operated, by the charter school.

A. Conditions of Learning:

Basic: *degree to which teachers are appropriately assigned pursuant to Education Code section 44258.9, and fully credentialed in the subject areas and for the pupils they are teaching; pupils have access to standards-aligned instructional materials pursuant to Education Code section 60119; and school facilities are maintained in good repair pursuant to Education Code section 17002(d). (Priority 1)*

Implementation of State Standards: *implementation of academic content and performance standards and English language development standards adopted by the state board for all pupils, including English learners. (Priority 2)*

Course access: *pupil enrollment in a broad course of study that includes all of the subject areas described in Education Code section 51210 and subdivisions (a) to (i), inclusive, of Section 51220, as applicable. (Priority 7)*

Expelled pupils (for county offices of education only): *coordination of instruction of expelled pupils pursuant to Education Code section 48926. (Priority 9)*

Foster youth (for county offices of education only): *coordination of services, including working with the county child welfare agency to share information, responding to the needs of the juvenile court system, and ensuring transfer of health and education records. (Priority 10)*

B. Pupil Outcomes:

Pupil achievement: performance on standardized tests, score on Academic Performance Index, share of pupils that are college and career ready, share of English learners that become English proficient, English learner reclassification rate, share of pupils that pass Advanced Placement exams with 3 or higher, share of pupils determined prepared for college by the Early Assessment Program. (Priority 4)

Other pupil outcomes: pupil outcomes in the subject areas described in Education Code section 51210 and subdivisions (a) to (i), inclusive, of Education Code section 51220, as applicable. (Priority 8)

C. Engagement:

Parental involvement: efforts to seek parent input in decision making at the district and each school site, promotion of parent participation in programs for unduplicated pupils and special need subgroups. (Priority 3)

Pupil engagement: school attendance rates, chronic absenteeism rates, middle school dropout rates, high school dropout rates, high school graduations rates. (Priority 5)

School climate: pupil suspension rates, pupil expulsion rates, other local measures including surveys of pupils, parents and teachers on the sense of safety and school connectedness. (Priority 6)

Section 1: Stakeholder Engagement

Meaningful engagement of parents, pupils, and other stakeholders, including those representing the subgroups identified in Education Code section 52052, is critical to the LCAP and budget process. Education Code sections 52060(g), 52062 and 52063 specify the minimum requirements for school districts; Education Code sections 52066(g), 52068 and 52069 specify the minimum requirements for county offices of education, and Education Code section 47606.5 specifies the minimum requirements for charter schools. In addition, Education Code section 48985 specifies the requirements for translation of documents.

Instructions: Describe the process used to consult with parents, pupils, school personnel, local bargaining units as applicable, and the community and how this consultation contributed to development of the LCAP or annual update. Note that the LEA's goals, actions, services and expenditures related to the state priority of parental involvement are to be described separately in Section 2. In the annual update boxes, describe the stakeholder involvement process for the review, and describe its impact on, the development of the annual update to LCAP goals, actions, services, and expenditures.

Guiding Questions:

- 1) How have applicable stakeholders (e.g., parents and pupils, including parents of unduplicated pupils and unduplicated pupils identified in Education Code section 42238.01; community members; local bargaining units; LEA personnel; county child welfare agencies; county office of education foster youth services programs, court-appointed special advocates, and other foster youth stakeholders; community organizations representing English learners; and others as appropriate) been engaged and involved in developing, reviewing, and supporting implementation of the LCAP?
- 2) How have stakeholders been included in the LEA's process in a timely manner to allow for engagement in the development of the LCAP?
- 3) What information (e.g., quantitative and qualitative data/metrics) was made available to stakeholders related to the state priorities and used by the LEA to inform the LCAP goal setting process? How was the information made available?
- 4) What changes, if any, were made in the LCAP prior to adoption as a result of written comments or other feedback received by the LEA through any of the LEA's engagement processes?
- 5) What specific actions were taken to meet statutory requirements for stakeholder engagement pursuant to Education Code sections 52062, 52068, and 47606.5, including engagement with representatives of parents and guardians of pupils identified in Education Code section 42238.01?
- 6) What specific actions were taken to consult with pupils to meet the requirements 5 CCR 15495(a)?
- 7) How has stakeholder involvement been continued and supported? How has the involvement of these stakeholders supported improved outcomes for pupils, including unduplicated pupils, related to the state priorities?

Involvement Process	Impact on LCAP
<p>In order to promote learning and provide a more positive learning experience for our students, Magnolia Science Academy Santa Ana (“MSA SA” or “Charter School”) has established a culture of gathering input from parents, students, staff, community members, and other stakeholders through multiple channels including meetings, school events, surveys, home visits, newsletters, and other means of communication. To the extent possible, all stakeholders are invited to be involved in the process of school review and improvement including the development of our annual LCAP. Information/input sessions include Parent Teacher Student Community (PTSC) meetings, School Site Council (SSC) meetings, Coffee with the Principal meetings, Board of Directors meetings, Principal meetings, Admin Team meetings, and Staff Meetings. In addition, the Charter School conducts surveys for parents, students, and teachers and the Charter School staff make home visits. These all serve as a way to inform, educate, and gather input & feedback from all critical stakeholders. The Charter School has an approved charter petition with measurable student outcomes and methods to assess student progress, an SSD plan with planned improvement in student performance in reading and mathematics and in programs for LEP students and immigrants, and a WASC action plan for continual school improvement. Therefore, LCAP is received by our community as a comprehensive planning tool that draws from all other school plans and addresses the state priorities and locally identified priorities.</p>	<p>All major groups have been informed of the LCAP work and given an opportunity to participate. The Charter School LCAP committee has reviewed input from all stakeholders and synthesized input to revise existing goals and also to set new goals in the LCAP over the next three years. The following are the major goal areas in the revised LCAP:</p> <ul style="list-style-type: none"> • Fully implement state-adopted ELA and math academic content and performance standards for all students, including subgroups, and support teacher professional development • Provide increased early intervention programs and communication with the parents of academically low-achieving students; visit students at their homes to discuss student progress and enhance student learning and involvement • Set targets for proficiency and growth for all subgroups on the statewide and internal assessments and regularly review progress toward targets • Analyze our programs for EL, SWD, and FY to provide increased instructional support to all student subgroups, including these student groups • Develop college-preparedness • Provide a nurturing and engaging learning environment and acknowledge and encourage positive student behavior and improvements for all our students and families, including those of all the subgroups enrolled in the Charter School to maintain sense of safety and school connectedness
<p>Annual Update: The Charter School held its periodical meetings in 2015-16 to gather input from its stakeholders. These include 9 PTF meetings, 5 SSC meetings, at least 5 parent activities/events including McTeacher Night, Chipotle Family night, Open Houses, weekly staff meetings and other stakeholder meetings. The school conducted a parent, teacher and student satisfaction survey with specific questions about school improvement and the eight state priorities. All students and teachers participated in this survey. Parent participation rate in the survey was 99%. The Charter School staff made 40 home visits during 2015-16 and sought feedback from the parents for school improvement.</p>	<p>Annual Update: Based on input from all stakeholders and available data through surveys and student achievement/school data, the Charter School has updated its LCAP. Some of the updates include:</p> <ul style="list-style-type: none"> ▪ Purchasing of common-core aligned instructional materials ▪ Addition of school-level support positions, e.g., Dean of Academics ▪ Improvements in English Learner services ▪ Adding Saturday School support ▪ Increasing employee salaries and implementing performance pay ▪ Increasing college preparedness by offering “Advisory” classes, a college planning and career exploration program for students, offering special programs to prepare students for the SAT/ACT tests, and encouraging students to take AP courses and participate in the EAP ▪ Investing in effective technology to enhance instruction in the classroom ▪ Offering an annual STEM festival and a STEM expo ▪ Other input includes improving school facilities, identification and support of immigrant students and foster youth, decreasing truancy and sustaining after school and Saturday programs.

Section 2: Goals, Actions, Expenditures, and Progress Indicators

Instructions:

All LEAs must complete the LCAP and Annual Update Template each year. The LCAP is a three-year plan for the upcoming school year and the two years that follow. In this way, the program and goals contained in the LCAP align with the term of a school district and county office of education budget and multiyear budget projections. The Annual Update section of the template reviews progress made for each stated goal in the school year that is coming to a close, assesses the effectiveness of actions and services provided, and describes the changes made in the LCAP for the next three years that are based on this review and assessment.

Charter schools may adjust the table below to align with the term of the charter school's budget that is submitted to the school's authorizer pursuant to Education Code section 47604.33.

For school districts, Education Code sections 52060 and 52061, for county offices of education, Education Code sections 52066 and 52067, and for charter schools, Education Code section 47606.5 require(s) the LCAP to include a description of the annual goals, for all pupils and each subgroup of pupils, to be achieved for each state priority as defined in 5 CCR 15495(i) and any local priorities; a description of the specific actions an LEA will take to meet the identified goals; a description of the expenditures required to implement the specific actions; and an annual update to include a review of progress towards the goals and describe any changes to the goals.

To facilitate alignment between the LCAP and school plans, the LCAP shall identify and incorporate school-specific goals related to the state and local priorities from the school plans submitted pursuant to Education Code section 64001. Furthermore, the LCAP should be shared with, and input requested from, schoolsite-level advisory groups, as applicable (e.g., schoolsite councils, English Learner Advisory Councils, pupil advisory groups, etc.) to facilitate alignment between school-site and district-level goals and actions. An LEA may incorporate or reference actions described in other plans that are being undertaken to meet the goal.

Using the following instructions and guiding questions, complete a goal table (see below) for each of the LEA's goals. Duplicate and expand the fields as necessary.

Goal: Describe the goal:

When completing the goal tables, include goals for all pupils and specific goals for schoolsites and specific subgroups, including pupils with disabilities, both at the LEA level and, where applicable, at the schoolsite level. The LEA may identify which schoolsites and

subgroups have the same goals, and group and describe those goals together. The LEA may also indicate those goals that are not applicable to a specific subgroup or schoolsite.

Related State and/or Local Priorities: Identify the state and/or local priorities addressed by the goal by placing a check mark next to the applicable priority or priorities. The LCAP must include goals that address each of the state priorities, as defined in 5 CCR 15495(i), and any additional local priorities; however, one goal may address multiple priorities.

Identified Need: Describe the need(s) identified by the LEA that this goal addresses, including a description of the supporting data used to identify the need(s).

Schools: Identify the schoolsites to which the goal applies. LEAs may indicate “all” for all schools, specify an individual school or a subset of schools, or specify grade spans (e.g., all high schools or grades K-5).

Applicable Pupil Subgroups: Identify the pupil subgroups as defined in Education Code section 52052 to which the goal applies, or indicate “all” for all pupils.

Expected Annual Measurable Outcomes: For each LCAP year, identify and describe specific expected measurable outcomes for all pupils using, at minimum, the applicable required metrics for the related state priorities. Where applicable, include descriptions of specific expected measurable outcomes for schoolsites and specific subgroups, including pupils with disabilities, both at the LEA level and at the schoolsite level.

The metrics used to describe the expected measurable outcomes may be quantitative or qualitative, although the goal tables must address all required metrics for every state priority in each LCAP year. The required metrics are the specified measures and objectives for each state priority as set forth in Education Code sections 52060(d) and 52066(d). For the pupil engagement priority metrics, LEAs must calculate the rates specified in Education Code sections 52060(d)(5)(B), (C), (D) and (E) as described in the Local Control Accountability Plan and Annual Update Template Appendix, sections (a) through (d).

Actions/Services: For each LCAP year, identify all annual actions to be performed and services provided to meet the described goal. Actions may describe a group of services that are implemented to achieve the identified goal.

Scope of Service: Describe the scope of each action/service by identifying the schoolsites covered. LEAs may indicate “all” for all schools, specify an individual school or a subset of schools, or specify grade spans (e.g., all high schools or grades K-5). If supplemental and concentration funds are used to support the action/service, the LEA must identify if the scope of service is districtwide, schoolwide, countywide, or charterwide.

Pupils to be served within identified scope of service: For each action/service, identify the pupils to be served within the identified scope of service. If the action to be performed or the service to be provided is for all pupils, place a check mark next to “ALL.”

For each action and/or service to be provided above what is being provided for all pupils, place a check mark next to the applicable unduplicated pupil subgroup(s) and/or other pupil subgroup(s) that will benefit from the additional action, and/or will receive the additional service. Identify, as applicable, additional actions and services for unduplicated pupil subgroup(s) as defined in Education Code section 42238.01, pupils redesignated fluent English proficient, and/or pupils subgroup(s) as defined in Education Code section 52052.

Budgeted Expenditures: For each action/service, list and describe budgeted expenditures for each school year to implement these actions, including where those expenditures can be found in the LEA’s budget. The LEA must reference all fund sources for each proposed expenditure. Expenditures must be classified using the California School Accounting Manual as required by Education Code sections 52061, 52067, and 47606.5.

Guiding Questions:

- 1) What are the LEA’s goal(s) to address state priorities related to “Conditions of Learning”?
- 2) What are the LEA’s goal(s) to address state priorities related to “Pupil Outcomes”?
- 3) What are the LEA’s goal(s) to address state priorities related to parent and pupil “Engagement” (e.g., parent involvement, pupil engagement, and school climate)?
- 4) What are the LEA’s goal(s) to address any locally-identified priorities?
- 5) How have the unique needs of individual school sites been evaluated to inform the development of meaningful district and/or individual school site goals (e.g., input from site level advisory groups, staff, parents, community, pupils; review of school level plans; in-depth school level data analysis, etc.)?
- 6) What are the unique goals for unduplicated pupils as defined in Education Code sections 42238.01 and subgroups as defined in section 52052 that are different from the LEA’s goals for all pupils?
- 7) What are the specific expected measurable outcomes associated with each of the goals annually and over the term of the LCAP?
- 8) What information (e.g., quantitative and qualitative data/metrics) was considered/reviewed to develop goals to address each state or local priority?

- 9) What information was considered/reviewed for individual school sites?
- 10) What information was considered/reviewed for subgroups identified in Education Code section 52052?
- 11) What actions/services will be provided to all pupils, to subgroups of pupils identified pursuant to Education Code section 52052, to specific school sites, to English learners, to low-income pupils, and/or to foster youth to achieve goals identified in the LCAP?
- 12) How do these actions/services link to identified goals and expected measurable outcomes?
- 13) What expenditures support changes to actions/services as a result of the goal identified? Where can these expenditures be found in the LEA's budget?

GOAL #1:	All students will pursue academic excellence and be college/career ready. LCAP Year 1: 2016-17

Expected Annual Measurable Outcomes:	<ul style="list-style-type: none"> Priority 1: <ul style="list-style-type: none"> 100% of Charter School's teachers will be appropriately assigned and fully credentialed as required by law and the charter. 100% of students will have sufficient access to standards-aligned instructional materials. At least 90% of the items on facility inspection checklists will be in compliance/good standing. Priority 2: <ul style="list-style-type: none"> Charter School will provide 100% implementation of CCSS for all students. Priority 4: <ul style="list-style-type: none"> All student subgroups will meet or exceed proficiency targets in English Language Arts/Literacy and math on the CAASPP assessment system. (Specific targets will be set as data becomes available.) For all student subgroups, the percentage of students performing proficient on the English Language Arts/Literacy and math sections of the CAASPP assessment system will increase by 5% from 2016 to 2017. For all student subgroups, the percentage of students performing proficient on the Reading/ELA and math sections of our internal, common-core aligned Measures of Academic Progress (MAP) assessment will increase by 5% from fall to spring. At least 90% of graduating seniors will have successfully completed courses that satisfy the UC/CSU or career technical education program requirements. The percentage of EL students making annual progress in learning English as measured by the CELDT and/or ELPAC will increase by 5% from the prior year. The percentage of EL students who are reclassified will increase by 5% from the prior year. At least 50% of the graduating seniors will have passed an AP exam with a score of 3 or higher. At least 80% of students in grades 9-11 will participate in the PSAT test. At least 40% of students who participate in the PSAT test will meet or exceed college readiness benchmarks for their grade level. At least 80% of students in grade 11 will participate in the EAP assessment. At least 50% of students who participate in the EAP assessment will demonstrate college preparedness. Priority 8: <ul style="list-style-type: none"> At least 80% of all students enrolled in the Charter School for a full academic year will receive a grade of "C" or better (or perform "proficient" on the related state standardized tests) in core subjects and electives.

2015-2016 Annual Update

Annual Update Instructions: For each goal in the prior year LCAP, review the progress toward the expected annual outcome(s) based on, at a minimum, the required metrics pursuant to Education Code sections 52060 and 52066. The review must include an assessment of the effectiveness of the specific actions. Describe any changes to the actions or goals the LEA will take as a result of the review and assessment. In addition, review the applicability of each goal in the LCAP.

Guiding Questions:

- 1) How have the actions/services addressed the needs of all pupils and did the provisions of those services result in the desired outcomes?
- 2) How have the actions/services addressed the needs of all subgroups of pupils identified pursuant to Education Code section 52052, including, but not limited to, English learners, low-income pupils, and foster youth; and did the provision of those actions/services result in the desired outcomes?
- 3) How have the actions/services addressed the identified needs and goals of specific school sites and were these actions/services effective in achieving the desired outcomes?
- 4) What information (e.g., quantitative and qualitative data/metrics) was examined to review progress toward goals in the annual update?
- 5) What progress has been achieved toward the goal and expected measurable outcome(s)? How effective were the actions and services in making progress toward the goal? What changes to goals, actions, services, and expenditures are being made in the LCAP as a result of the review of progress and assessment of the effectiveness of the actions and services?
- 6) What differences are there between budgeted expenditures and estimated actual annual expenditures? What were the reasons for any differences?

Complete a copy of this table for each of the LEA's goals in the prior year LCAP. Duplicate and expand the fields as necessary.

------------------	--------------	---------------------------------

Expected Annual Measurable Outcomes:	<p>Priority 1:</p> <ul style="list-style-type: none"> 100% of Charter School’s teachers will be appropriately assigned and fully credentialed as required by law and the charter. 100% of students will have sufficient access to standards-aligned instructional materials. At least 90% of the items on facility inspection checklists will be in compliance/good standing. <p>Priority 2:</p> <ul style="list-style-type: none"> Charter School will provide 100% implementation of CCSS for all students. <p>Priority 4:</p> <ul style="list-style-type: none"> For all student subgroups, the percentage of students performing proficient on the English Language Arts/Literacy and math sections of the CAASPP assessment system will increase by 5% from 2015 to 2016. For all student subgroups, the percentage of students performing proficient on the Reading/ELA and math sections of our internal, common-core aligned Measures of Academic Progress (MAP) assessment will increase by 5% from fall to spring. At least 90% of graduating seniors will have successfully completed courses that satisfy the UC/CSU or career technical education program requirements. The percentage of EL students making annual progress in learning English as measured by the CELDT and/or ELPAC will increase by 5% from the prior year. The percentage of EL students who are reclassified will increase by 5% from the prior year. At least 50% of the graduating seniors will have passed an AP exam with a score of 3 or higher. At least 80% of students in grades 9-11 will participate in the PSAT test. At least 40% of students who participate in the PSAT test will meet or exceed college readiness benchmarks for their grade level. At least 80% of students in grade 11 will participate in the EAP assessment. 		<p>Priority 1:</p> <ul style="list-style-type: none"> 100% of Charter School’s teachers are appropriately assigned and fully credentialed as required by law and the charter. 100% of students have sufficient access to standards-aligned instructional materials. <p style="text-align: center;">What changes in actions, services, and expenditures will be made as a result of reviewing past progress and/or changes to goals?</p>	Goal, actions, and services will be maintained. <ul style="list-style-type: none"> Charter School will continue to provide opportunities for parent involvement. Expenditure amount will be adjusted based on SIS fees, parent events/activities, and number of home visits. Charter School will provide a safe, nurturing, and engaging learning environment for all our students and families. Academic and socio-emotional support will be provided to address student needs. Charter School will continue to offer 4-year academic plans, credit recovery classes, and monitor for timely high school graduation. Charter School will continue to assess its suspension policies and procedures and encourage positive student behavior and improvements. 		

- Charter School will continue to administer school experience surveys to students, parents, and staff. Charter School will continue to use survey results for school improvement.

Section 3: Use of Supplemental and Concentration Grant funds and Proportionality

- A. In the box below, identify the amount of funds in the LCAP year calculated on the basis of the number and concentration of low income, foster youth, and English learner pupils as determined pursuant to 5 CCR 15496(a)(5).

Describe how the LEA is expending these funds in the LCAP year. Include a description of, and justification for, the use of any funds in a districtwide, schoolwide, countywide, or charter wide manner as specified in 5 CCR 15496.

For school districts with below 55 percent of enrollment of unduplicated pupils in the district or below 40 percent of enrollment of unduplicated pupils at a school site in the LCAP year, when using supplemental and concentration funds in a districtwide or schoolwide manner, the school district must additionally describe how the services provided are the most effective use of funds to meet the district’s goals for unduplicated pupils in the state and any local priority areas. (See 5 CCR 15496(b) for guidance.)

Total amount of Supplemental and Concentration grant funds calculated:	\$ <u>519,288</u>
<p>Charter School’s identified amount of funds in the LCAP year is approximately \$519,288. These funds are calculated based on the number and concentration of our low income, foster youth, and English learner students.</p> <p>Charter School will offer a variety of support programs and supports specifically for low-income, foster youth, and English learners. These include EL intervention courses, bilingual instructional assistants, ESL/ELD/EL instructional materials, parent trainings for bilingual parents, EL progress analyses towards targets, afterschool programs, summer learning programs, Saturday school, home visits and family engagement programs, career/college readiness activities for low income pupils, guidance counseling and other related services. Charter School also offers services and programs that are aligned with LCAP goals that serve all students such as intervention, recruitment and retention of highly qualified teachers, small class size, Get Ready for Life classes, positive behavior support and restorative practices. Following are the actions, services, and expenditures for the unduplicated pupils:</p> <p>Low income pupils:</p> <p>Actions and services:</p> <ul style="list-style-type: none"> ▪ Charter School will provide support that includes staffing, professional development augmentations and recruitment and retention enhancements. ▪ Charter School will provide resources for increased outreach efforts to low income families including home visits and meetings. ▪ Charter School will provide explicit parent education on trait/habits of high achieving students and navigating the higher education system and resources. ▪ Charter School will provide targeted assistance to low income students in career/college readiness activities and guidance. ▪ Charter School will provide STEM related courses, clubs, field trips, competitions, and other activities to promote STEM. ▪ Charter School will provide bullying prevention training. ▪ Charter School will provide/pilot programs such as Second Step and Why Try to provide explicit social/emotional instruction. ▪ Afterschool programs ▪ Home visits ▪ Parent trainings ▪ Career/college readiness activities for low income pupils <p>Foster youth:</p> <p>Actions and services:</p> <ul style="list-style-type: none"> ▪ Foster youth will receive educational counseling. 	

- Foster youth will receive academic supports and remediation in order to decrease the adverse effects of school mobility on foster youth.
- Foster youth will be encouraged and supported to engage in extracurricular activities in order to adverse the effects of school mobility on foster youth.
- Charter School will improve communication with foster guardians.
- Guidance/PSA counselor

English learners:

Actions and services:

- EL students will participate in ELA/Literacy instruction with appropriate instructional support.
- Charter School will provide additional professional development to increase teachers' understanding of ELD standards and to ensure that English learners receive support in accessing CCSS.
- Charter School will implement its English Learners Master Plan.
- EL students will receive in-class instructional support which includes one-on-one teacher support; small group instruction; usage of SDAIE and ELD instructional strategies; extended day instruction as needed.
- Charter School will provide bilingual instructional assistants to provide primary language support to enable students to access content area instruction while gaining language proficiency.
- Charter School will provide additional teaching sections of EL intervention courses.
- Charter School will provide a range of standards-aligned supplemental instructional resources in English and home languages.
- Charter School will provide culturally and linguistically relevant materials for students.
- Charter School will provide ongoing Common Core Parent Training for bilingual parents at ELAC meetings.
- Charter School will provide parent training on how to assist students academically and behaviorally, and how to navigate the educational system, including higher education.
- Charter School will regularly review progress towards targets.
- Charter School will provide additional supports and interventions, as needed.
- EL intervention courses
- Bilingual instructional assistants
- ESL/ELD/EL instructional materials
- Parent trainings for bilingual parents
- EL progress analysis towards targets

AP

Redesignated fluent English proficient pupils:

Actions and services are located in the English learner section above and services provide a multi-tiered system of supports for English learners and struggling students, inclusive of redesignated fluent English proficient students (RFEPs).

- B. In the box below, identify the percentage by which services for unduplicated pupils must be increased or improved as compared to the services provided to all pupils in the LCAP year as calculated pursuant to 5 CCR 15496(a).

Consistent with the requirements of 5 CCR 15496, demonstrate how the services provided in the LCAP year for low income pupils, foster youth, and English learners provide for increased or improved services for these pupils in proportion to the increase in funding provided for such pupils in that year as calculated pursuant to 5 CCR 15496(a)(7). An LEA shall describe how the proportionality percentage is met using a quantitative and/or qualitative description of the increased and/or improved services for unduplicated pupils as compared to the services provided to all pupils.

12.33	%
-------	---

Charter School Proportionality Calculation:

Charter School's Minimum Proportionality Percentage by which services for unduplicated students must be increased or improved over services provided for all students in the LCAP year is calculated and can be seen above. The Charter School addresses the needs of our school's English learners, low Income students and foster youth by providing the services described in detail in the prior sections. The majority of students served at the Charter School will be focus students and the Charter School will continue to maintain and improve its services to unduplicated students. Schoolwide implementation of these practices will not only have an impact on learning environment and the climate of the school as a whole, but will also have a disproportionately positive impact on the targeted subgroups. Charter School recognizes that while these funds are generated in order to serve the focus students, some services may, should the need arise, be utilized for students outside the focus subgroups. While the majority of students served will be focus students (90 percent or more), there may be other students in need that the school does not want to overlook. By providing the services identified without limitations, Charter School will best serve all students, especially focus students. The full list of expenditures is aligned with the goals of the Charter School Local Control and Accountability Plan and addresses the needs of our school's low income, foster youth, and English learner students.

LOCAL CONTROL AND ACCOUNTABILITY PLAN AND ANNUAL UPDATE APPENDIX

For the purposes of completing the LCAP in reference to the state priorities under Education Code sections 52060 and 52066, the following shall apply:

(a) "Chronic absenteeism rate" shall be calculated as follows:

- (1) The number of pupils with a primary, secondary, or short-term enrollment during the academic year (July 1 – June 30) who are chronically absent where "chronic absentee" means a pupil who is absent 10 percent or more of the schooldays in the school year when the total number of days a pupil is absent is divided by the total number of days the pupil is enrolled and school was actually taught in the total number of days the pupil is enrolled and school was actually taught in the regular day schools of the district, exclusive of Saturdays and Sundays.
- (2) The unduplicated count of pupils with a primary, secondary, or short-term enrollment during the academic year (July 1 – June 30).
- (3) Divide (1) by (2).

(b) "Middle School dropout rate" shall be calculated as set forth in California Code of Regulations, title 5, section 1039.1.

(c) "High school dropout rate" shall be calculated as follows:

- (1) The number of cohort members who dropout by the end of year 4 in the cohort where "cohort" is defined as the number of first-time grade 9 pupils in year 1 (starting cohort) plus pupils who transfer in, minus pupils who transfer out, emigrate, or die during school years 1, 2, 3, and 4.
- (2) The total number of cohort members.
- (3) Divide (1) by (2).

(d) "High school graduation rate" shall be calculated as follows:

- (1) The number of cohort members who earned a regular high school diploma [or earned an adult education high school diploma or passed the California High School Proficiency Exam] by the end of year 4 in the cohort where "cohort" is defined as the number of first-time grade 9 pupils in year 1 (starting cohort) plus pupils who transfer in, minus pupils who transfer out, emigrate, or die during school years 1, 2, 3, and 4.

(2) The total number of cohort members.

(3) Divide (1) by (2).

(e) "Suspension rate" shall be calculated as follows:

(1) The unduplicated count of pupils involved in one or more incidents for which the pupil was suspended during the academic year (July 1 – June 30).

(2) The unduplicated count of pupils with a primary, secondary, or short-term enrollment during the academic year (July 1 – June 30).

(3) Divide (1) by (2).

(f) "Expulsion rate" shall be calculated as follows:

(1) The unduplicated count of pupils involved in one or more incidents for which the pupil was expelled during the academic year (July 1 – June 30).

(2) The unduplicated count of pupils with a primary, secondary, or short-term enrollment during the academic year (July 1 – June 30).

(3) Divide (1) by (2).

Introduction:

LEA: Magnolia Science Academy-Santa Clara Contact (Name, Title, Email, Phone Number): Michele Ryan mryan@magnoliapublicschools.org, 408 258 1427
LCAP Year: 2016-17

Local Control and Accountability Plan and Annual Update Template

The Local Control and Accountability Plan (LCAP) and Annual Update Template shall be used to provide details regarding local educational agencies' (LEAs) actions and expenditures to support pupil outcomes and overall performance pursuant to Education Code sections 52060, 52066, 47605, 47605.5, and 47606.5. The LCAP and Annual Update Template must be completed by all LEAs each year.

For school districts, pursuant to Education Code section 52060, the LCAP must describe, for the school district and each school within the district, goals and specific actions to achieve those goals for all pupils and each subgroup of pupils identified in Education Code section 52052, including pupils with disabilities, for each of the state priorities and any locally identified priorities.

For county offices of education, pursuant to Education Code section 52066, the LCAP must describe, for each county office of education-operated school and program, goals and specific actions to achieve those goals for all pupils and each subgroup of pupils identified in Education Code section 52052, including pupils with disabilities, who are funded through the county office of education Local Control Funding Formula as identified in Education Code section 2574 (pupils attending juvenile court schools, on probation or parole, or mandatorily expelled) for each of the state priorities and any locally identified priorities. School districts and county offices of education may additionally coordinate and describe in their LCAPs services provided to pupils funded by a school district but attending county-operated schools and programs, including special education programs.

Charter schools, pursuant to Education Code sections 47605, 47605.5, and 47606.5, must describe goals and specific actions to achieve those goals for all pupils and each subgroup of pupils identified in Education Code section 52052, including pupils with disabilities, for each of the state priorities as applicable and any locally identified priorities. For charter schools, the inclusion and description of goals for state priorities in the LCAP may be modified to meet the grade levels served and the nature of the programs provided, including modifications to reflect only the statutory requirements explicitly applicable to charter schools in the Education Code.

The LCAP is intended to be a comprehensive planning tool. Accordingly, in developing goals, specific actions, and expenditures, LEAs should carefully consider how to reflect the services and related expenses for their basic instructional program in relationship to the state priorities. LEAs may reference and describe actions and expenditures in other plans and funded by a variety of other fund sources when detailing goals, actions, and expenditures related to the state and local priorities. LCAPs must be consistent with school plans submitted pursuant to Education Code section 64001. The information contained in the LCAP, or annual update, may be supplemented by information contained in other plans (including the LEA plan pursuant to Section 1112 of Subpart 1 of Part A of Title I of Public Law 107-110) that are incorporated or referenced as relevant in this document.

For each section of the template, LEAs shall comply with instructions and should use the guiding questions as prompts (but not limits) for completing the information as required by statute. Guiding questions do not require separate narrative responses. However, the narrative response and goals and actions should demonstrate each guiding question was considered during the development of the plan. Data referenced in the LCAP must be consistent with the school accountability report card where appropriate. LEAs may resize pages or attach additional pages as necessary to facilitate completion of the LCAP.

State Priorities

The state priorities listed in Education Code sections 52060 and 52066 can be categorized as specified below for planning purposes, however, school districts and county offices of education must address each of the state priorities in their LCAP. Charter schools must address the priorities in Education Code section 52060(d) that apply to the grade levels served, or the nature of the program operated, by the charter school.

A. Conditions of Learning:

Basic: *degree to which teachers are appropriately assigned pursuant to Education Code section 44258.9, and fully credentialed in the subject areas and for the pupils they are teaching; pupils have access to standards-aligned instructional materials pursuant to Education Code section 60119; and school facilities are maintained in good repair pursuant to Education Code section 17002(d). (Priority 1)*

Implementation of State Standards: *implementation of academic content and performance standards and English language development standards adopted by the state board for all pupils, including English learners. (Priority 2)*

Course access: *pupil enrollment in a broad course of study that includes all of the subject areas described in Education Code section 51210 and subdivisions (a) to (i), inclusive, of Section 51220, as applicable. (Priority 7)*

Expelled pupils (for county offices of education only): *coordination of instruction of expelled pupils pursuant to Education Code section 48926. (Priority 9)*

Foster youth (for county offices of education only): *coordination of services, including working with the county child welfare agency to share information, responding to the needs of the juvenile court system, and ensuring transfer of health and education records. (Priority 10)*

B. Pupil Outcomes:

Pupil achievement: performance on standardized tests, score on Academic Performance Index, share of pupils that are college and career ready, share of English learners that become English proficient, English learner reclassification rate, share of pupils that pass Advanced Placement exams with 3 or higher, share of pupils determined prepared for college by the Early Assessment Program. (Priority 4)

Other pupil outcomes: pupil outcomes in the subject areas described in Education Code section 51210 and subdivisions (a) to (i), inclusive, of Education Code section 51220, as applicable. (Priority 8)

C. Engagement:

Parental involvement: efforts to seek parent input in decision making at the district and each schoolsite, promotion of parent participation in programs for unduplicated pupils and special need subgroups. (Priority 3)

Pupil engagement: school attendance rates, chronic absenteeism rates, middle school dropout rates, high school dropout rates, high school graduations rates. (Priority 5)

School climate: pupil suspension rates, pupil expulsion rates, other local measures including surveys of pupils, parents and teachers on the sense of safety and school connectedness. (Priority 6)

Section 1: Stakeholder Engagement

Meaningful engagement of parents, pupils, and other stakeholders, including those representing the subgroups identified in Education Code section 52052, is critical to the LCAP and budget process. Education Code sections 52060(g), 52062 and 52063 specify the minimum requirements for school districts; Education Code sections 52066(g), 52068 and 52069 specify the minimum requirements for county offices of education, and Education Code section 47606.5 specifies the minimum requirements for charter schools. In addition, Education Code section 48985 specifies the requirements for translation of documents.

Instructions: Describe the process used to consult with parents, pupils, school personnel, local bargaining units as applicable, and the community and how this consultation contributed to development of the LCAP or annual update. Note that the LEA's goals, actions, services and expenditures related to the state priority of parental involvement are to be described separately in Section 2. In the annual update boxes, describe the stakeholder involvement process for the review, and describe its impact on, the development of the annual update to LCAP goals, actions, services, and expenditures.

Guiding Questions:

- 1) How have applicable stakeholders (e.g., parents and pupils, including parents of unduplicated pupils and unduplicated pupils identified in Education Code section 42238.01; community members; local bargaining units; LEA personnel; county child welfare agencies; county office of education foster youth services programs, court-appointed special advocates, and other foster youth stakeholders; community organizations representing English learners; and others as appropriate) been engaged and involved in developing, reviewing, and supporting implementation of the LCAP?
- 2) How have stakeholders been included in the LEA's process in a timely manner to allow for engagement in the development of the LCAP?
- 3) What information (e.g., quantitative and qualitative data/metrics) was made available to stakeholders related to the state priorities and used by the LEA to inform the LCAP goal setting process? How was the information made available?
- 4) What changes, if any, were made in the LCAP prior to adoption as a result of written comments or other feedback received by the LEA through any of the LEA's engagement processes?
- 5) What specific actions were taken to meet statutory requirements for stakeholder engagement pursuant to Education Code sections 52062, 52068, and 47606.5, including engagement with representatives of parents and guardians of pupils identified in Education Code section 42238.01?
- 6) What specific actions were taken to consult with pupils to meet the requirements 5 CCR 15495(a)?
- 7) How has stakeholder involvement been continued and supported? How has the involvement of these stakeholders supported improved outcomes for pupils, including unduplicated pupils, related to the state priorities?

<p>Involvement Process</p> <p>In order to promote learning and provide a more positive learning experience for our students, Magnolia Science Academy-Santa Clara (“MSA-SC” or “Charter School”) has established a culture of gathering input from parents, students, staff, community members, and other stakeholders through multiple channels including meetings, school events, surveys, home visits, newsletters, and other means of communication. To the extent possible, all stakeholders are invited to be involved in the process of school review and improvement including the development of our annual LCAP.</p> <p>Information/input sessions include Parent Teacher Organization (PTO) meetings, School Site Council (SSC) meetings, Board of Directors meetings, Principal meetings, Dean meetings, and staff meetings. In addition, the Charter School conducts surveys for parents, students, and teachers. These all serve as a way to inform, educate, and gather input & feedback from all critical stakeholders.</p> <p>The Charter School has an approved charter petition with measurable student outcomes and methods to assess student progress, an SSD plan with planned improvement in student performance in reading and mathematics and in programs for LEP students and immigrants, and a WASC action plan for continual school improvement. Therefore, LCAP is received by our community as a comprehensive planning tool that draws from all other school plans and addresses the state priorities and locally identified priorities.</p>	<p>Impact on LCAP</p> <p>All major groups have been informed of the LCAP work and given an opportunity to participate. The Charter School LCAP committee has reviewed input from all stakeholders and synthesized input to revise existing goals and also to set new goals in the LCAP over the next three years. The following are the major goal areas in the revised LCAP:</p> <ul style="list-style-type: none"> ▪ Fully implement state-adopted ELA and math academic content and performance standards for all students, including subgroups, and support teacher professional development ▪ Provide increased early intervention programs and communication with the parents of academically low-achieving students; visit students at their homes to discuss student progress and enhance student learning and involvement ▪ Set targets for proficiency and growth for all subgroups on the statewide and internal assessments and regularly review progress toward targets ▪ Analyze our programs for EL, SWD, and FY to provide increased instructional support to all student subgroups, including these student groups ▪ Develop college-preparedness ▪ Provide a nurturing and engaging learning environment and acknowledge and encourage positive student behavior and improvements for all our students and families, including those of all the subgroups enrolled in the Charter School to maintain sense of safety and school connectedness ▪ Improve school facilities and create stability in school location.
<p>Annual Update:</p> <p>The Charter School held periodic meetings in 2015-16 to gather input from is stakeholders. These include 8 PTO meetings, 2 SSC meetings, a Back to School Night, weekly staff meetings, and other stakeholder meetings. The school conducted a parent, teacher and student satisfaction survey with specific questions about school improvement and the eight state priorities. All students and teachers participated in this survey.</p>	<p>Annual Update:</p> <p>Based on input from all stakeholders and available data through surveys and student achievement/school data, the Charter School has updated its LCAP. Some of the updates include:</p> <ul style="list-style-type: none"> ▪ Purchasing of common-core aligned instructional materials ▪ Increasing employee salaries ▪ Improving school facilities ▪ Investing in effective technology to enhance instruction in the classroom ▪ Offering an annual STEM expo ▪ Other input includes improving school facilities and sustaining after school programs. ▪ Preparing for a Fall 2016 WASC visit

Section 2: Goals, Actions, Expenditures, and Progress Indicators

Instructions:

All LEAs must complete the LCAP and Annual Update Template each year. The LCAP is a three-year plan for the upcoming school year and the two years that follow. In this way, the program and goals contained in the LCAP align with the term of a school district and county office of education budget and multiyear budget projections. The Annual Update section of the template reviews progress made for each stated goal in the school year that is coming to a close, assesses the effectiveness of actions and services provided, and describes the changes made in the LCAP for the next three years that are based on this review and assessment.

Charter schools may adjust the table below to align with the term of the charter school's budget that is submitted to the school's authorizer pursuant to Education Code section 47604.33.

For school districts, Education Code sections 52060 and 52061, for county offices of education, Education Code sections 52066 and 52067, and for charter schools, Education Code section 47606.5 require(s) the LCAP to include a description of the annual goals, for all pupils and each subgroup of pupils, to be achieved for each state priority as defined in 5 CCR 15495(i) and any local priorities; a description of the specific actions an LEA will take to meet the identified goals; a description of the expenditures required to implement the specific actions; and an annual update to include a review of progress towards the goals and describe any changes to the goals.

To facilitate alignment between the LCAP and school plans, the LCAP shall identify and incorporate school-specific goals related to the state and local priorities from the school plans submitted pursuant to Education Code section 64001. Furthermore, the LCAP should be shared with, and input requested from, schoolsite-level advisory groups, as applicable (e.g., schoolsite councils, English Learner Advisory Councils, pupil advisory groups, etc.) to facilitate alignment between school-site and district-level goals and actions. An LEA may incorporate or reference actions described in other plans that are being undertaken to meet the goal.

Using the following instructions and guiding questions, complete a goal table (see below) for each of the LEA's goals. Duplicate and expand the fields as necessary.

Goal: Describe the goal:

When completing the goal tables, include goals for all pupils and specific goals for schoolsites and specific subgroups, including pupils with disabilities, both at the LEA level and, where applicable, at the schoolsite level. The LEA may identify which schoolsites and

subgroups have the same goals, and group and describe those goals together. The LEA may also indicate those goals that are not applicable to a specific subgroup or schoolsite.

Related State and/or Local Priorities: Identify the state and/or local priorities addressed by the goal by placing a check mark next to the applicable priority or priorities. The LCAP must include goals that address each of the state priorities, as defined in 5 CCR 15495(i), and any additional local priorities; however, one goal may address multiple priorities.

Identified Need: Describe the need(s) identified by the LEA that this goal addresses, including a description of the supporting data used to identify the need(s).

Schools: Identify the schoolsites to which the goal applies. LEAs may indicate “all” for all schools, specify an individual school or a subset of schools, or specify grade spans (e.g., all high schools or grades K-5).

Applicable Pupil Subgroups: Identify the pupil subgroups as defined in Education Code section 52052 to which the goal applies, or indicate “all” for all pupils.

Expected Annual Measurable Outcomes: For each LCAP year, identify and describe specific expected measurable outcomes for all pupils using, at minimum, the applicable required metrics for the related state priorities. Where applicable, include descriptions of specific expected measurable outcomes for schoolsites and specific subgroups, including pupils with disabilities, both at the LEA level and at the schoolsite level.

The metrics used to describe the expected measurable outcomes may be quantitative or qualitative, although the goal tables must address all required metrics for every state priority in each LCAP year. The required metrics are the specified measures and objectives for each state priority as set forth in Education Code sections 52060(d) and 52066(d). For the pupil engagement priority metrics, LEAs must calculate the rates specified in Education Code sections 52060(d)(5)(B), (C), (D) and (E) as described in the Local Control Accountability Plan and Annual Update Template Appendix, sections (a) through (d).

Actions/Services: For each LCAP year, identify all annual actions to be performed and services provided to meet the described goal. Actions may describe a group of services that are implemented to achieve the identified goal.

Scope of Service: Describe the scope of each action/service by identifying the schoolsites covered. LEAs may indicate “all” for all schools, specify an individual school or a subset of schools, or specify grade spans (e.g., all high schools or grades K-5). If supplemental and concentration funds are used to support the action/service, the LEA must identify if the scope of service is districtwide, schoolwide, countywide, or charterwide.

Pupils to be served within identified scope of service: For each action/service, identify the pupils to be served within the identified scope of service. If the action to be performed or the service to be provided is for all pupils, place a check mark next to “ALL.”

For each action and/or service to be provided above what is being provided for all pupils, place a check mark next to the applicable unduplicated pupil subgroup(s) and/or other pupil subgroup(s) that will benefit from the additional action, and/or will receive the additional service. Identify, as applicable, additional actions and services for unduplicated pupil subgroup(s) as defined in Education Code section 42238.01, pupils redesignated fluent English proficient, and/or pupils subgroup(s) as defined in Education Code section 52052.

Budgeted Expenditures: For each action/service, list and describe budgeted expenditures for each school year to implement these actions, including where those expenditures can be found in the LEA’s budget. The LEA must reference all fund sources for each proposed expenditure. Expenditures must be classified using the California School Accounting Manual as required by Education Code sections 52061, 52067, and 47606.5.

Guiding Questions:

- 1) What are the LEA’s goal(s) to address state priorities related to “Conditions of Learning”?
- 2) What are the LEA’s goal(s) to address state priorities related to “Pupil Outcomes”?
- 3) What are the LEA’s goal(s) to address state priorities related to parent and pupil “Engagement” (e.g., parent involvement, pupil engagement, and school climate)?
- 4) What are the LEA’s goal(s) to address any locally-identified priorities?
- 5) How have the unique needs of individual schoolsites been evaluated to inform the development of meaningful district and/or individual schoolsite goals (e.g., input from site level advisory groups, staff, parents, community, pupils; review of school level plans; in-depth school level data analysis, etc.)?
- 6) What are the unique goals for unduplicated pupils as defined in Education Code sections 42238.01 and subgroups as defined in section 52052 that are different from the LEA’s goals for all pupils?
- 7) What are the specific expected measurable outcomes associated with each of the goals annually and over the term of the LCAP?
- 8) What information (e.g., quantitative and qualitative data/metrics) was considered/reviewed to develop goals to address each state or local priority?

- 9) What information was considered/reviewed for individual schoolsites?
- 10) What information was considered/reviewed for subgroups identified in Education Code section 52052?
- 11) What actions/services will be provided to all pupils, to subgroups of pupils identified pursuant to Education Code section 52052, to specific schoolsites, to English learners, to low-income pupils, and/or to foster youth to achieve goals identified in the LCAP?
- 12) How do these actions/services link to identified goals and expected measurable outcomes?
- 13) What expenditures support changes to actions/services as a result of the goal identified? Where can these expenditures be found in the LEA's budget?

GOAL #1:	All students will pursue academic excellence and be college/career ready. Annual Update

Annual Update Instructions: For each goal in the prior year LCAP, review the progress toward the expected annual outcome(s) based on, at a minimum, the required metrics pursuant to Education Code sections 52060 and 52066. The review must include an assessment of the effectiveness of the specific actions. Describe any changes to the actions or goals the LEA will take as a result of the review and assessment. In addition, review the applicability of each goal in the LCAP.

Guiding Questions:

- 1) How have the actions/services addressed the needs of all pupils and did the provisions of those services result in the desired outcomes?
- 2) How have the actions/services addressed the needs of all subgroups of pupils identified pursuant to Education Code section 52052, including, but not limited to, English learners, low-income pupils, and foster youth; and did the provision of those actions/services result in the desired outcomes?
- 3) How have the actions/services addressed the identified needs and goals of specific schoolsites and were these actions/services effective in achieving the desired outcomes?
- 4) What information (e.g., quantitative and qualitative data/metrics) was examined to review progress toward goals in the annual update?
- 5) What progress has been achieved toward the goal and expected measurable outcome(s)? How effective were the actions and services in making progress toward the goal? What changes to goals, actions, services, and expenditures are being made in the LCAP as a result of the review of progress and assessment of the effectiveness of the actions and services?
- 6) What differences are there between budgeted expenditures and estimated actual annual expenditures? What were the reasons for any differences?

Goal Applies to:	Schools: All	Applicable Pupil Subgroups: All
-------------------------	---------------------	--

Expected Annual Measurable Outcomes:	<p>Priority 3:</p> <ul style="list-style-type: none"> ▪ Charter School will hold a minimum of 4 SSC meetings per year. ▪ If the Charter School has 21 or more EL students, the school will hold a minimum of 4 English Learner Advisory Committee (ELAC) meetings per year. ▪ Charter School will hold a minimum of 4 Parent Teacher Organization (PTO) meetings per year. ▪ Charter School will hold a minimum of 5 parent activities/events per year. ▪ Teachers will update SIS records daily/weekly. ▪ Charter School will send a minimum of 4 progress reports/cards to parents per year. ▪ At least 25% of Charter School’s students will be home-visited by the teachers. <p>Priority 5:</p> <ul style="list-style-type: none"> ▪ Charter School will maintain an ADA rate of at least 95%. ▪ Charter School will maintain a chronic absenteeism rate of no more than 1%. ▪ Charter School will maintain a middle school dropout rate of no more than 1%. ▪ Charter School will maintain a high school dropout rate of no more than 1%. ▪ Charter School will maintain a four-year cohort graduation rate of at least 75%. <p>Priority 6:</p> <ul style="list-style-type: none"> ▪ Charter School will maintain a student suspension rate of no more than 5%. ▪ Charter School will maintain a student expulsion rate of no more than 1%. ▪ Student participation rate in the school experience survey will be at least 80%. ▪ Parent participation rate in the school experience survey will be at least 25%. ▪ Staff participation rate in the school experience survey will be at least 90%. 	Actual Annual Measurable Outcomes:	<p>Priority 3:</p> <ul style="list-style-type: none"> ▪ Charter School has held 3 SSC meetings in 2015-16 so far and will have held a total of 4 meetings by the end of the school year. ▪ Charter School had only 5 EL students this year, so they did not have an ELAC.. ▪ Charter School has held 6 Parent Teacher Organization (PTO) meetings this year. ▪ Charter School has held more than 5 parent activities/events this year. ▪ Teachers update SIS records daily/weekly. ▪ Charter School has sent 3 progress reports/cards to parents in 2015-16 so far and will have sent a total of 4 progress reports/cards by the end of the school year. ▪ With the reductions in staff, the change in location, and the distance of the school site from student’s homes, fewer home visits than anticipated were made this year, but staff conducted more on-campus family meetings. <p>Priority 5:</p> <ul style="list-style-type: none"> ▪ Charter School maintained an ADA rate of 91.64% in 2015-16. ADA was lower than anticipated this year because the site relocation made it more difficult for parents to get students to the school site. All students were dependent on some form of vehicle transportation to school (school bus or private car), which led to more frequent absences. In addition, our middle school attendance rate was much higher than our high school attendance rate. We had attendance issues with a number of high school students, and the small size of the school meant that a few students with frequent absences had a huge impact on our overall ADA. Goal, actions, and services will be maintained. Charter School will continue to provide a safe environment and encourage and support student attendance. ▪ Charter School maintained a chronic absenteeism rate of 1% in 2015-16. ▪ Charter School maintained a middle school dropout rate of 0% in 2015-16. ▪ Charter School maintained a high school dropout rate of 0% in 2015-16. ▪ Because of the school’s uncertainty around facilities and late relocation in 2015, the high school enrollment has been very unstable. Only 3 of the 11 seniors have been with the

What changes in actions, services, and expenditures will be made as a result of reviewing past progress and/or changes to goals?

- Goal, actions, and services will be maintained.
- Charter School will continue to provide opportunities for parent involvement. Expenditure amount will be adjusted based on SIS fees, parent events/activities, and number of home visits.
 - Charter School will provide a safe, nurturing, and engaging learning environment for all our students and families. Academic and socio-emotional support will be provided to address student needs.
 - Charter School will continue to offer 4-year academic plans, credit recovery classes, and monitor for timely high school graduation.
 - Charter School will continue to assess its suspension policies and procedures and encourage positive student behavior and improvements.
 - Charter School will continue to administer school experience surveys to students, parents, and staff. Charter School will continue to use survey results for school improvement.

Section 3: Use of Supplemental and Concentration Grant funds and Proportionality

- A. In the box below, identify the amount of funds in the LCAP year calculated on the basis of the number and concentration of low income, foster youth, and English learner pupils as determined pursuant to 5 CCR 15496(a)(5).

Describe how the LEA is expending these funds in the LCAP year. Include a description of, and justification for, the use of any funds in a districtwide, schoolwide, countywide, or charterwide manner as specified in 5 CCR 15496.

For school districts with below 55 percent of enrollment of unduplicated pupils in the district or below 40 percent of enrollment of unduplicated pupils at a schoolsite in the LCAP year, when using supplemental and concentration funds in a districtwide or schoolwide manner, the school district must additionally describe how the services provided are the most effective use of funds to meet the district’s goals for unduplicated pupils in the state and any local priority areas. (See 5 CCR 15496(b) for guidance.)

Total amount of Supplemental and Concentration grant funds calculated:	\$ <u>49,823</u>
<p>Charter School’s identified amount of funds in the LCAP year is approximately \$35,936. These funds are calculated based on the number and concentration of our low income, foster youth, and English learner students.</p> <p>Charter School will offer a variety of support programs and supports specifically for low-income, foster youth, and English learners. These include EL intervention courses, bilingual instructional assistants, ESL/ELD/EL instructional materials, parent trainings for bilingual parents, EL progress analyses towards targets, afterschool programs, summer learning programs, Saturday school, home visits and family engagement programs, career/college readiness activities for low income pupils, guidance counseling and other related services. Charter School also offers services and programs that are aligned with LCAP goals that serve all students such as intervention, recruitment and retention of highly qualified teachers, small class size, positive behavior support, and restorative practices. Following are the actions, services, and expenditures for the unduplicated pupils:</p> <p>Low income pupils:</p> <p>Actions and services:</p> <ul style="list-style-type: none"> ▪ Charter School will provide support that includes staffing, professional development augmentations and recruitment and retention enhancements. ▪ Charter School will provide resources for increased outreach efforts to low income families including home visits and meetings. ▪ Charter School will provide explicit parent education on trait/habits of high achieving students and navigating the higher education system and resources. ▪ Charter School will provide targeted assistance to low income students in career/college readiness activities and guidance. ▪ Charter School will provide STEM related courses, clubs, field trips, competitions, and other activities to promote STEM. ▪ Charter School will provide bullying prevention training. ▪ Charter School will provide/pilot programs to provide explicit social/emotional instruction. <p>Anticipated expenditures: \$35,000</p> <ul style="list-style-type: none"> ▪ Afterschool programs ▪ Home visits ▪ Parent trainings ▪ Career/college readiness activities for low income pupils <p>Foster youth:</p> <p>Actions and services:</p>	

- Foster youth will receive educational counseling.
- Foster youth will receive academic supports and remediation in order to decrease the adverse effects of school mobility on foster youth.
- Foster youth will be encouraged and supported to engage in extracurricular activities in order to adverse the effects of school mobility on foster youth.
- Charter School will improve communication with foster guardians.

Anticipated expenditures: \$20,000.00

- Guidance/PSA counselor

English learners:

Actions and services:

- EL students will participate in ELA/Literacy instruction with appropriate instructional support.
- Charter School will provide additional professional development to increase teachers’ understanding of ELD standards and to ensure that English learners receive support in accessing CCSS.
- Charter School will implement its English Learners Master Plan.
- EL students will receive in-class instructional support which includes one-on-one teacher support; small group instruction; usage of SDAIE and ELD instructional strategies; extended day instruction as needed.
- Charter School will provide bilingual instructional assistants to provide primary language support to enable students to access content area instruction while gaining language proficiency.
- Charter School will provide additional teaching sections of EL intervention courses.
- Charter School will provide a range of standards-aligned supplemental instructional resources in English and home languages.
- Charter School will provide culturally and linguistically relevant materials for students.
- Charter School will provide ongoing Common Core Parent Training for bilingual parents at ELAC meetings.
- Charter School will provide parent training on how to assist students academically and behaviorally, and how to navigate the educational system, including higher education.
- Charter School will regularly review progress towards targets.
- Charter School will provide additional supports and interventions, as needed.
-

Anticipated expenditures: \$55,000.00

- EL intervention courses
- Bilingual instructional assistants
- ESL/ELD/EL instructional materials
- Parent trainings for bilingual parents
- EL progress analysis towards targets

Redesignated fluent English proficient pupils:

Actions and services are located in the English learner section above and services provide a multi-tiered system of supports for English learners and struggling students, inclusive of redesignated fluent English proficient students (RFEPs).

- B. In the box below, identify the percentage by which services for unduplicated pupils must be increased or improved as compared to the services provided to all pupils in the LCAP year as calculated pursuant to 5 CCR 15496(a).

Consistent with the requirements of 5 CCR 15496, demonstrate how the services provided in the LCAP year for low income pupils, foster youth, and English learners provide for increased or improved services for these pupils in proportion to the increase in funding provided for such pupils in that year as calculated pursuant to 5 CCR 15496(a)(7). An LEA shall describe how the proportionality percentage is met using a quantitative and/or qualitative description of the increased and/or improved services for unduplicated pupils as compared to the services provided to all pupils.

3.51	%
------	---

Charter School Proportionality Calculation:

Charter School's Minimum Proportionality Percentage by which services for unduplicated students must be increased or improved over services provided for all students in the LCAP year is calculated and can be seen above. The Charter School addresses the needs of our school's English learners, low Income students and foster youth by providing the services described in detail in the prior sections. The majority of students served at the Charter School will be focus students and the Charter School will continue to maintain and improve its services to unduplicated students. Schoolwide implementation of these practices will not only have an impact on learning environment and the climate of the school as a whole, but will also have a disproportionately positive impact on the targeted subgroups. Charter School recognizes that while these funds are generated in order to serve the focus students, some services may, should the need arise, be utilized for students outside the focus subgroups. While the majority of students served will be focus students (90 percent or more), there may be other students in need that the school does not want to overlook. By providing the services identified without limitations, Charter School will best serve all students, especially focus students. The full list of expenditures is aligned with the goals of the Charter School Local Control and Accountability Plan and addresses the needs of our school's low income, foster youth, and English learner students.

LOCAL CONTROL AND ACCOUNTABILITY PLAN AND ANNUAL UPDATE APPENDIX

For the purposes of completing the LCAP in reference to the state priorities under Education Code sections 52060 and 52066, the following shall apply:

(a) “Chronic absenteeism rate” shall be calculated as follows:

- (1) The number of pupils with a primary, secondary, or short-term enrollment during the academic year (July 1 – June 30) who are chronically absent where “chronic absentee” means a pupil who is absent 10 percent or more of the schooldays in the school year when the total number of days a pupil is absent is divided by the total number of days the pupil is enrolled and school was actually taught in the total number of days the pupil is enrolled and school was actually taught in the regular day schools of the district, exclusive of Saturdays and Sundays.
- (2) The unduplicated count of pupils with a primary, secondary, or short-term enrollment during the academic year (July 1 – June 30).
- (3) Divide (1) by (2).

(b) “Middle School dropout rate” shall be calculated as set forth in California Code of Regulations, title 5, section 1039.1.

(c) “High school dropout rate” shall be calculated as follows:

- (1) The number of cohort members who dropout by the end of year 4 in the cohort where “cohort” is defined as the number of first-time grade 9 pupils in year 1 (starting cohort) plus pupils who transfer in, minus pupils who transfer out, emigrate, or die during school years 1, 2, 3, and 4.
- (2) The total number of cohort members.
- (3) Divide (1) by (2).

(d) “High school graduation rate” shall be calculated as follows:

- (1) The number of cohort members who earned a regular high school diploma [or earned an adult education high school diploma or passed the California High School Proficiency Exam] by the end of year 4 in the cohort where “cohort” is defined as the number of first-time grade 9 pupils in year 1 (starting cohort) plus pupils who transfer in, minus pupils who transfer out, emigrate, or die during school years 1, 2, 3, and 4.

(2) The total number of cohort members.

(3) Divide (1) by (2).

(e) "Suspension rate" shall be calculated as follows:

(1) The unduplicated count of pupils involved in one or more incidents for which the pupil was suspended during the academic year (July 1 – June 30).

(2) The unduplicated count of pupils with a primary, secondary, or short-term enrollment during the academic year (July 1 – June 30).

(3) Divide (1) by (2).

(f) "Expulsion rate" shall be calculated as follows:

(1) The unduplicated count of pupils involved in one or more incidents for which the pupil was expelled during the academic year (July 1 – June 30).

(2) The unduplicated count of pupils with a primary, secondary, or short-term enrollment during the academic year (July 1 – June 30).

(3) Divide (1) by (2).

MAGNOLIA PUBLIC SCHOOLS

Board Of Directors

Board Agenda Item #	III A
Date:	June 2, 2016
To:	MPS Parent & Community Engagement Committee
From:	Caprice Young, Ed.D., CEO & Superintendent
Staff Lead:	Alfredo Rubalcava, Chief External Officer
RE:	Partnership for LA schools "Parent College Proposal"

Proposed Board Recommendation

I move that the committee recommend approval of the agreement between Magnolia Public Schools and Partnership for LA schools (Parent College program)

Background

Parent College is a parent empowerment workshop series designed to improve parents' understanding of the education system so they can become informed advocates for their children's education. In 2016, Parent College will serve over 500 parents in Magnolia Schools in six communities in Reseda, Northridge, Van Nuys, Culver City, Bell, and Santa Ana. We will work diligently to create a Parent College experience that responds to the specific community's needs.

Part of the Partnership's mission as an organization is to scale success to benefit all students in Los Angeles and the surrounding areas. The Parent College curriculum includes an academic and an advocacy component with workshops ranging from family literacy to college/career planning, and from navigating the system to address a child's exceptional needs to advocating at a more system-wide level for the needs of an entire community. Through six monthly academic and empowerment workshops, Parent College helps parents better understand their rights, roles, and responsibilities and become leaders in their community, culminating in a graduation that officially recognizes the significant commitment that these parent participants have made over the course of a school year. The Partnership's Parent College team has extensive experience not only in delivering this curriculum, but also in modifying and tailoring lessons each year to meet the needs of our specific communities and to respond to feedback from parents. The Partnership is committed to Parent College as a responsive element of community's parent engagement strategy.

MAGNOLIA PUBLIC SCHOOLS

13950 Milton Ave. 200B Westminster, CA 92683

P: (714) 892-5066 F: (714) 362-9588

Budget Implications

Magnolia shall pay THE PARTNERSHIP forty-nine thousand five hundred twenty-five dollars (\$49,525) in three (3) equal installments of sixteen thousand five hundred eight dollars (\$16,508) due on January 2, 2017, March 1, 2017, and May 1, 2017 for the Services performed by THE PARTNERSHIP outlined in Exhibit A.

PARTNERSHIP FOR LOS ANGELES SCHOOLS SERVICES AGREEMENT

This Agreement (“Agreement”) is made effective as of November 1, 2015 by and between **The Partnership for Los Angeles Schools** at 1541 Wilshire Blvd. Suite 200, Los Angeles, CA 90017, and **Magnolia Public Schools** at 13950 Milton Ave Suite 200 Westminster, CA 92683.

In this Agreement, the party who is contracting to receive services shall be referred to as "CLIENT ORGANIZATION" and the party who will be providing the services shall be referred to as "THE PARTNERSHIP".

Therefore, the parties agree as follows:

1. DESCRIPTION OF SERVICES. THE PARTNERSHIP is a non-profit education management organization created to transform schools and revolutionize school systems to empower all students with a high-quality education. In furtherance of this mission, the Partnership provides consulting services centered around family and community engagement programming, which include family and community engagement workshops and professional development of school leaders (“family and community engagement services”). THE PARTNERSHIP has obtained all the necessary technical staff and equipment, and is experienced in the provision of family and community engagement services. CLIENT ORGANIZATION desires to utilize THE PARTNERSHIP as an independent contractor under the management and control of THE PARTNERSHIP’s Director of Family and Community Engagement, and subject to the terms and conditions set forth in this Agreement for the purpose of providing family and community organization services to CLIENT ORGANIZATION. THE PARTNERSHIP agrees to provide the services attached hereto as Exhibit A, including a family and community engagement consultant to: (a) provide two (2) six-hour days of training for a Parent College Site Coordinator to design and implement a Parent College Program for CLIENT ORGANIZATION; (b) provide three (3) six-hour days of training for up to 11 (eleven) Parent College Teachers for CLIENT ORGANIZATION’s Parent College program; (c) provide six (6) consultation sessions (up to six hours each) with Parent College Site Coordinator for CLIENT ORGANIZATION’s Parent College program, (d) provide four sessions of professional development for school leaders from CLIENT ORGANIZATION’s participating schools, (e) provide access to Parent College curriculum; and (f) provide templates for fliers and other marketing materials for CLIENT ORGANIZATION’s Parent College program, (g) utilization of THE PARTNERSHIP’s call center to conduct outreach on behalf of CLIENT ORGANIZATION to publicize parent college program and invite parents.

2. OBLIGATIONS OF CLIENT ORGANIZATION

a. CLIENT ORGANIZATION shall provide a Parent College Site Coordinator who is a school-site or district administrator in CLIENT ORGANIZATION and can serve as liaison for THE PARTNERSHIP’s family and community engagement consultant.

b. CLIENT ORGANIZATION shall be solely responsible for assuring and monitoring the proper implementation of CLIENT ORGANIZATION's Parent College program.

3. PAYMENT. In consideration of Services, CLIENT ORGANIZATION shall pay THE PARTNERSHIP forty-nine thousand five hundred twenty-five dollars (\$49,525) in three (3) equal installments of sixteen thousand five hundred eight dollars (\$16,508) due on January 2, 2017, March 1, 2017, and May 1, 2017 for the Services performed by THE PARTNERSHIP outlined in Exhibit A. An invoice will be submitted to CLIENT ORGANIZATION three weeks in advance of each due date.

4. EXPENSES. CLIENT ORGANIZATION shall reimburse THE PARTNERSHIP for all reasonable out-of-pocket expenses incurred in response to a request by CLIENT ORGANIZATION for THE PARTNERSHIP. Reimbursement shall be made directly to THE PARTNERSHIP within 30 days of receipt, review and approval by CLIENT ORGANIZATION of a request from THE PARTNERSHIP for reimbursement, which request shall include receipts.

5. ADDITIONAL PAYMENTS. Any request by THE PARTNERSHIP for additional payment as reimbursement for pass-through costs, above and beyond payment for Services and the out-of-pocket expenses, shall be considered by CLIENT ORGANIZATION upon presentation to CLIENT ORGANIZATION of a purchase order, including an itemized list describing the requested reimbursable costs to be incurred by THE PARTNERSHIP in relation to this Agreement.

6. RECORD RETENTION. THE PARTNERSHIP shall maintain true and correct records for time spent fulfilling obligations under this Agreement and all transactions related thereto. THE PARTNERSHIP shall retain all such records for at least twelve (12) months after termination of this Agreement.

7. TERM/TERMINATION. This Agreement is for a term commencing August 2016 and ending June 30, 2017. Either party may also terminate this Agreement for any reason upon not less than 30 days prior written notice delivered to the other. In the event of termination by either party, all monies due will be payable as set forth herein.

8. RELATIONSHIP OF PARTIES. It is understood by the parties that THE PARTNERSHIP is an independent contractor with respect to CLIENT ORGANIZATION, and not an employee of CLIENT ORGANIZATION. CLIENT ORGANIZATION will not provide fringe benefits, including health insurance benefits, paid vacation, or any other employee benefit, for the benefit of THE PARTNERSHIP.

9. DISCLOSURE. THE PARTNERSHIP is required to disclose any outside activities or interests, including ownership or participation in the development of prior inventions, that conflict or may conflict with the best interests of CLIENT ORGANIZATION. Prompt disclosure is required under this paragraph if the activity or interest is related, directly or indirectly, to:

- any activity that THE PARTNERSHIP may be involved with on behalf of CLIENT ORGANIZATION

10. EMPLOYEES. THE PARTNERSHIP's employees or subcontractors, if any, who perform services for CLIENT ORGANIZATION under this Agreement shall also be bound by the provisions of this Agreement. At the request of CLIENT ORGANIZATION, THE PARTNERSHIP shall provide adequate evidence that such persons are THE PARTNERSHIP's employees or subcontractors.

11. ASSIGNMENT. THE PARTNERSHIP's obligations under this Agreement may not be assigned or transferred to any other person, firm, or corporation without the prior written consent of CLIENT ORGANIZATION.

12. INTELLECTUAL PROPERTY. The following provisions shall apply with respect to copyrightable works, trademarks, service marks, ideas, discoveries, inventions, applications for patents, and patents (collectively, "Intellectual Property"). THE PARTNERSHIP retains all current and future intellectual property rights related to The Partnership's Intellectual Property, including, without limitation, the logo, name, and curriculum for Parent College. CLIENT ORGANIZATION may not license, provide, or otherwise use any intellectual property provided or owned by THE PARTNERSHIP without the express written consent of THE PARTNERSHIP.

12.1 License Grant. Subject to the terms and conditions of this Agreement, THE PARTNERSHIP hereby grants to CLIENT ORGANIZATION during the term of the Agreement, a non-exclusive, non-transferable, non-sublicenseable license to use the trademark and logo for Parent College as set forth in Exhibit B, ("Mark") solely in connection with the Services set forth in Exhibit A.

12.2 Use of Mark. CLIENT ORGANIZATION shall comply strictly with the directions of THE PARTNERSHIP regarding the form and manner of the application of the Mark.

12.3 Quality Control. CLIENT ORGANIZATION acknowledges and is familiar with the high standards, quality, style and image of THE PARTNERSHIP, and CLIENT ORGANIZATION shall, at all times, conduct its business and use the Mark in a manner consistent with these standards, quality, style and image. CLIENT ORGANIZATION agrees that the Mark shall be displayed only in the manner provided by THE PARTNERSHIP. All use of the Mark should be consistent with the use set forth in Exhibit B, attached hereto.

13. CONFIDENTIALITY. CLIENT ORGANIZATION recognizes that THE PARTNERSHIP may have access to the following information:

- future plans
- business affairs
- process information
- technical information
- parent contact information

and other proprietary information (collectively, "Information") which are valuable, special and unique assets of CLIENT ORGANIZATION or confidential to third parties and need to be protected from improper disclosure. In consideration for the disclosure of the Information, THE PARTNERSHIP agrees that THE PARTNERSHIP will not at any time or in any manner, either directly or indirectly, use any Information for THE PARTNERSHIP's own benefit, or divulge, disclose, or communicate in any manner any Information to any third party without the prior written consent of CLIENT ORGANIZATION. THE PARTNERSHIP will protect the Information and treat it as strictly confidential. THE PARTNERSHIP agrees that THE PARTNERSHIP is bound by all policies and/or procedures related to confidentiality of student, personnel or other private, confidential or privileged information of PUC Schools.

14. CONFIDENTIALITY AFTER TERMINATION. The confidentiality provisions of this Agreement shall remain in full force and effect after the termination of this Agreement.

15. USE OF NAME. CLIENT ORGANIZATION grants THE PARTNERSHIP approval to disclose CLIENT ORGANIZATION in THE PARTNERSHIP's list of clients, including future proposals, website, and informational material.

16. INDEMNIFICATION. THE PARTNERSHIP agrees to indemnify and hold harmless CLIENT ORGANIZATION against any claims, actions or demands, including without limitation reasonable attorney and accounting fees, arising out of or relating to the breach of this Agreement or of the warranties contained in this Agreement. CLIENT ORGANIZATION shall provide prompt written notice to THE PARTNERSHIP of any such claim, suit or proceeding and shall assist THE PARTNERSHIP, at THE PARTNERSHIP's expense, in defending any such claim, suit or proceeding.

THE PARTNERSHIP agrees to indemnify and hold CLIENT ORGANIZATION and any officers, Board Members, or other employees thereof harmless against any and all claims, demands, damages, liabilities and costs incurred by CLIENT ORGANIZATION which directly or indirectly result from, or arise in connection with, any negligent act or omission of THE PARTNERSHIP, its agents, or employees, pertaining to its activities and obligations under this Agreement.

CLIENT ORGANIZATION shall indemnify and hold THE PARTNERSHIP and any officers, Board Members, or other employees thereof harmless against any and all claims, demands, damages, liabilities and costs which directly or indirectly result from, or arise in connection with, any negligent act or omission of CLIENT ORGANIZATION, its agents, or employees, pertaining to its activities and obligations under this Agreement.

17. INSURANCE. THE PARTNERSHIP shall obtain and maintain a broad form commercial general liability insurance policy providing for coverage of at least \$1,000,000.00 for each occurrence, and upon request shall provide CLIENT ORGANIZATION with proof of this insurance with evidence that CLIENT ORGANIZATION has been made an additional insured under the policy.

THE PARTNERSHIP shall also obtain and maintain a professional liability insurance policy for errors and/or omissions committed by THE PARTNERSHIP or THE PARTNERSHIP's employees providing for coverage of at least \$1,000,000.00 for each occurrence, and shall provide CLIENT ORGANIZATION with proof of this insurance upon request.

18. RETURN OF RECORDS. Upon termination of this Agreement, THE PARTNERSHIP shall deliver all records, notes, data, memoranda, models, and equipment of any nature that are in THE PARTNERSHIP's possession or under THE PARTNERSHIP's control and that are CLIENT ORGANIZATION' property or relate to CLIENT ORGANIZATION' business.

19. NOTICES. All notices required or permitted under this Agreement shall be in writing and shall be deemed delivered when delivered in person or deposited in the United States mail, postage prepaid, addressed as follows:

IF for CLIENT ORGANIZATION:

Name: _____
Title: _____
Address: _____
City, State, Zip: _____

IF for THE PARTNERSHIP:

THE PARTNERSHIP FOR LOS ANGELES SCHOOLS
Mikelle Willis
Chief Strategy & Operating Officer
1541 Wilshire Blvd., Ste. 200
Los Angeles, CA 90017

Such address may be changed from time to time by either party by providing written notice to the other in the manner set forth above.

20. DISPUTE RESOLUTION. Any controversy or claim, whether based on contract, tort, strict liability, fraud, misrepresentation, or any other legal theory, arising out of either party's performance of this Agreement ("Dispute") shall be resolved solely in accordance with the terms of this Section 20.

Resolution Sequence. If the Dispute cannot be settled by good faith negotiation between the Chief Executive Officers (or equivalent position) of the parties – which must take place within thirty days of receipt by one party of a claim of a Dispute – THE PARTNERSHIP and CLIENT ORGANIZATION will submit the Dispute to non-binding mediation in Los Angeles. If complete agreement cannot be reached within thirty days of submission to mediation, any remaining issues will be resolved by binding arbitration in accordance with Sections (c) and (d)

below. The Federal Arbitration Act, 9 U.S.C. Sections 1 to 15, not state law, will govern the arbitrability of all disputes.

Arbitrator. A single Arbitrator who is a retired judge and knowledgeable in commercial matters will conduct the arbitration. The Arbitrator's decision and award will be final, must be made in writing with findings of fact and conclusions of law, will be binding and may be entered in any court with jurisdiction. The Arbitrator will not have authority to make errors of law or legal reasoning, nor to modify or expand any of the provisions of this Agreement. The Arbitrator will not have the authority to award damages not permitted by this Agreement.

Rules and Expenses. Any mediation or arbitration commenced pursuant to this Agreement will be conducted under the then current rules of the alternate dispute resolution ("ADR") firm in the site selected by the parties. If the parties are unable to agree on an ADR firm, the parties will conduct the mediation and, if necessary, the arbitration, under the then current rules and supervision of the American Arbitration Association. THE PARTNERSHIP and CLIENT ORGANIZATION will each bear its own attorneys' fees associated with the mediation and, if necessary, the arbitration. THE PARTNERSHIP and CLIENT ORGANIZATION will pay all other costs and expenses of the mediation/arbitration as the rules of the selected ADR firm provide.

Limitation on Actions. Any dispute CLIENT ORGANIZATION may have against THE PARTNERSHIP with respect to this Agreement must be brought within two years after the cause of action arises.

21. ENTIRE AGREEMENT. This Agreement contains the entire agreement of the parties and there are no other promises or conditions in any other agreement whether oral or written. This Agreement supersedes any prior written or oral agreements between the parties.

22. AMENDMENT. This Agreement may be modified or amended if the amendment is made in writing and is signed by both parties.

23. SEVERABILITY. If any provision of this Agreement shall be held to be invalid or unenforceable for any reason, the remaining provisions shall continue to be valid and enforceable. If a court finds that any provision of this Agreement is invalid or unenforceable, but that by limiting such provision it would become valid and enforceable, then such provision shall be deemed to be written, construed, and enforced as so limited.

24. WAIVER OF CONTRACTUAL RIGHT. The failure of either party to enforce any provision of this Agreement shall not be construed as a waiver or limitation of that party's right to subsequently enforce and compel strict compliance with every provision of this Agreement.

25. APPLICABLE LAW. This Agreement shall be governed by the laws of the State of California.

ACKNOWLEDGED, ACCEPTED AND AGREED TO BY:

Party receiving Services:

CLIENT ORGANIZATION

By: _____ Date: _____
Alfredo Rubalcava,
Chief External Officer

Party providing Services:

THE PARTNERSHIP

By: _____ Date: _____
Mikelle Willis,
Chief Strategy and Operations Office

Exhibit A: Services

All services are intended to build capacity in Magnolia Public Schools to develop a sustained program that can be operated without support from Partnership staff after the fourth year of consulting.

Year	Total Investment	Training and Consulting Services			Curriculum		Licensing and Marketing	
		Consulting Services *	Site Coordinator Training**	Teacher Training***	Curriculum Fee	Site-Specific Parent College "Collateral"	Licensing Fee	Call Center
Year 1		\$14,175 (6 days) 3 hubs = 6 days (each) 3 hubs = 3 days (each)	\$4,000 (2 days)* All coordinators must agree to meet at 1 location	\$6,000 (2 days)*All teachers must agree to meet at 1 location	\$10,000	\$5,000	No Charge	\$10,350
Total	\$49,525	\$14,175	\$4,000	\$6,000	\$10,000	\$5,000	No Charge	10,350

Amounts above reflect the following base assumptions:

- Consulting Services, held side-by-side, are intended for partner’s site coordinators, but may include school administrators with direct reporting authority, and/or district FACE personnel. To retain the integrity of the training and allow for differentiated support, the Partnership may limit the number of personnel receiving Consulting Services.
- Site Coordinator Training assumes one Site Coordinator per partner site and one Substitute Site Coordinator.
- Teacher Training assumes one Teacher per projected 40 Parent College participants, up to 11 Teachers per partner site.

Additional days of Training and Consulting Services may be provided at the following rates:

- Consulting Services: \$525/day for Year 1, \$600/day for Years 2 and 3, and \$900/day for subsequent years
- Site Coordinator Training: \$2,000/day, \$1,600/day for subsequent years
- Teacher Training: \$3,000/day for Year 1, 2,000/day for Year 2, \$1,600/day for subsequent years
