Ms. Nanie Montijo, Chief Financial Officer
Magnolia Educational & Research Foundation
250 East 1st Street
Los Angeles, CA 90012

Dear Ms. Montijo,

We are pleased to confirm our understanding of the services we are to provide for Magnolia Educational & Research Foundation (MERF), which operates Magnolia Public Schools (the Charter Schools) charter numbers 0438, 0698, 0906, 0917, 0986, 0987, 0988, 0989, 1117, 1236, 1434, and 1686 for the years ended June 30, 2018, 2019, and 2020, respectively, Magnolia Property Inc., which is comprised of MPM Sherman Way LLC, MPM San Diego LLC, and MPM Santa Ana LLC (the LLCs).

We will audit the consolidated financial statements of MERF, the Charter Schools, and the LLCs, which comprise the consolidated statement of financial position as of June 30, 2018, 2019, and 2020, respectively, and the related consolidated statements of activities, functional expenses (if applicable), and cash flows for the years ended June 30, 2018, 2019, and 2020, respectively, and the related notes to the consolidated financial statements. Also, the following supplementary information accompanying the consolidated financial statements will be subjected to the auditing procedures applied in our audit of the consolidated financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the consolidated financial statements or to the consolidated financial statements themselves, in accordance with auditing standards generally accepted in the United States of America, and our auditor's report will provide an opinion on it in relation to the consolidated financial statements as a whole:

- 1) Schedule of Expenditures of Federal Awards, if applicable
- 2) Schedule of Average Daily Attendance
- 3) Schedule of Instructional Time
- 4) Reconciliation of Annual Financial and Budget Report with Audited Financial Statements

We will also prepare the organization's Federal and State information returns for the June 30 year-end.

Audit Objectives

The objective of our audit is the expression of an opinion about whether your financial statements are fairly presented, in all material respects, in conformity with U.S. generally accepted accounting principles and the *2016-2017 Guide for Annual Audits of K-12 Local Education Agencies and State Compliance Reporting*, issued by the California Education Audit Appeals Panel as regulations; and to report on the fairness of the supplementary information referred to in the second paragraph when considered in relation to the consolidated financial statements as a whole. The objective also includes reporting on:

- Internal control over financial reporting and compliance with provisions of laws, regulations, contracts, and award agreements, noncompliance with which could have a material effect on the consolidated financial statements in accordance with *Government Auditing Standards*.
- Internal control over compliance related to major programs and an opinion (or disclaimer of opinion) on compliance with federal statutes, regulations, and the terms and conditions of federal awards that could have a direct and material effect on each major program in accordance with the Single Audit Act Amendments of 1996 and Title 2 U.S. *Code of Federal Regulations (CFR) Part 200, Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* (Uniform Guidance),

The *Government Auditing Standards* report on internal control over financial reporting and on compliance and other matters will include a paragraph that states that (1) the purpose of the report is solely to describe the scope of testing of internal control and compliance and the results of that testing and not to provide an opinion on the effectiveness of the entity's internal control or on compliance, and (2) the report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the entity's internal control and compliance. The Uniform Guidance report on internal control over compliance will include a paragraph that states that the purpose of the report on internal control over compliance is solely to describe the scope of testing internal control over compliance and the results of that testing based on the requirements of the Uniform Guidance. Both reports will state that the report is not suitable for any other purpose.

Our audit will be conducted in accordance with auditing standards generally accepted in the United States of America; the standards for financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States; the Single Audit Act Amendments of 1996; and the provisions of the Uniform Guidance, and will include tests of accounting records, a determination of major program(s) in accordance with the Uniform Guidance, and other procedures we consider necessary to enable us to express such an opinion. We will issue written reports upon completion of our Single Audit. Our reports will be addressed to the Board of MERF, the Charter Schools, and the LLCs. We cannot provide assurance that an unmodified opinion will be expressed. Circumstances may arise in which it is necessary for us to modify our opinion or add an emphasis-of-matter or other-matter paragraph. If our opinions are other than unmodified, we will discuss the reasons with management in advance. If circumstances occur related to the condition of your records, the availability of sufficient, appropriate audit evidence, or the existence of a significant risk of material misstatement of the consolidated financial statements caused by error, fraudulent financial reporting, or misappropriation of assets, which in our professional judgment prevent us from completing the audit or forming an opinion on the consolidated financial statements, we retain the right to take any course of action permitted by professional standards, including declining to express an opinion or issue a report, or withdrawing from the engagement.

Audit Procedures - General

An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the consolidated financial statements; therefore, our audit will involve judgment about the number of transactions to be examined and the areas to be tested. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the consolidated financial statements. We will plan and perform the audit to obtain reasonable assurance about whether the consolidated financial statements are free of material misstatement, whether from (1) errors, (2) fraudulent financial reporting, (3) misappropriation of assets, or (4) violations of laws or governmental regulations that are attributable to the Organization or to acts by management or employees acting on behalf of the Organization. Because the determination of abuse is subjective, *Government Auditing Standards* do not expect auditors to provide reasonable assurance of detecting abuse.

Because of the inherent limitations of an audit, combined with the inherent limitations of internal control, and because we will not perform a detailed examination of all transactions, there is a risk that material misstatements or noncompliance may exist and not be detected by us, even though the audit is properly planned and performed in accordance with U.S. generally accepted auditing standards and *Government Auditing Standards*. In addition, an audit is not designed to detect immaterial misstatements or violations of laws or governmental regulations that do not have a direct and material effect on the consolidated financial statements or on major programs. However, we will inform the appropriate level of management of any material errors, any fraudulent financial reporting, or misappropriation of assets that come to our attention. We will include such matters in the reports required for a Single Audit. Our responsibility as auditor is limited to the period covered by our audit and does not extend to any later periods for which we are not engaged as auditors.

Our procedures will include tests of documentary evidence supporting the transactions recorded in the accounts, tests of the physical existence of inventories, and direct confirmation of receivables and certain other assets and liabilities by correspondence with selected individuals, funding sources, creditors, and financial institutions. We will also request written representations from the Organization's attorneys as part of the engagement, and they may bill you for responding to this inquiry. At the conclusion of our audit, we will require certain written representations from you about your responsibilities for the consolidated financial statements; schedule of expenditures of federal awards; federal award programs; compliance with laws, regulations, contracts, and grant agreements; and other responsibilities required by generally accepted auditing standards.

Audit Procedures - Internal Control

Our audit will include obtaining an understanding of the entity and its environment, including internal control, sufficient to assess the risks of material misstatement of the consolidated financial statements and to design the nature, timing, and extent of further audit procedures. Tests of controls may be performed to test the effectiveness of certain controls that we consider relevant to preventing and detecting errors and fraud that are material to the consolidated financial statements and to preventing and detecting misstatements resulting from illegal acts and other noncompliance matters that have a direct and material effect on the consolidated financial statements. Our tests, if performed, will be less in scope than would be necessary to render an opinion on internal control and, accordingly, no opinion will be expressed in our report on internal control issued pursuant to *Government Auditing Standards*.

As required by the Uniform Guidance, we will perform tests of controls over compliance to evaluate the effectiveness of the design and operation of controls that we consider relevant to preventing or detecting material noncompliance with compliance requirements applicable to each major federal award program. However, our tests will be less in scope than would be necessary to render an opinion on those controls and, accordingly, no opinion will be expressed in our report on internal control issued pursuant to the Uniform Guidance.

An audit is not designed to provide assurance on internal control or to identify significant deficiencies or material weaknesses. However, during the audit, we will communicate to management and those charged with governance internal control related matters that are required to be communicated under AICPA professional standards and *Government Auditing Standards*, and the Uniform Guidance.

Audit Procedures - Compliance

As part of obtaining reasonable assurance about whether the consolidated financial statements are free of material misstatement, we will perform tests of MERF, the Charter Schools, and the LLCs's compliance with provisions of applicable laws, regulations, contracts, and agreements, including grant agreements. However, the objective of those procedures will not be to provide an opinion on overall compliance, and we will not express such an opinion in our report on compliance issued pursuant to *Government Auditing Standards*.

The Uniform Guidance requires that we also plan and perform the audit to obtain reasonable assurance about whether the auditee has complied with federal statutes, regulations and the terms and conditions of federal awards applicable to major programs. Our procedures will consist of tests of transactions and other applicable procedures described in the *OMB Compliance Supplement* for the types of compliance requirements that could have a direct and material effect on each of the Organization's major programs. The purpose of these procedures will be to express an opinion on MERF, the Charter Schools, and the LLCs's compliance with requirements applicable to each of its major programs in our report on compliance issued pursuant to the Uniform Guidance.

Other Services

We will prepare the Charter's federal and state information returns for the June 30 year end based on information provided by you. We will assist in preparing the consolidated financial statements, schedule of expenditures of federal awards, and related notes of the Organization in conformity with U.S. generally accepted accounting principles and the Uniform Guidance based on information provided by you. We will prepare the trial balance for use during the audit. Our preparation of the trial balance will be limited to formatting information into a working trial balance based on management's chart of accounts. These nonaudit services do not constitute an audit under *Government Auditing Standards* and such services will not be conducted in accordance with *Government Auditing Standards*.

We will perform the services in accordance with applicable profession standards, including the Statements on Standards for Tax Services issued by the American Institute of Certified Public Accountants. The other services are limited to the financial statement and tax services previously defined. We, in our sole professional judgment, reserve the right to refuse to perform any procedure or take any action that could be construed as assuming management responsibilities. We will advise management with regard to tax positions taken in the preparation of the tax return, but management must make all decisions with regard to those matters.

Annual Tax Return Preparation

We will prepare the Exempt Organization Tax Form 990 and the corresponding State Returns – Form 199 from information you furnish to us and we may process them with an outside computer service. We will not audit or otherwise verify the data you submit, although, we may ask you to clarify some of the information.

It is your responsibility, to provide us with all the information required for preparing complete and accurate returns including but not limited to the auto, travel, entertainment, and related expenses and the required documents to support charitable contributions. If you have questions as to the type of records required, please ask us for advice in that regard. It is also your responsibility to carefully examine and approve your completed tax returns before signing and mailing them to the tax authorities. We are not responsible for the disallowance neither of doubtful deductions or inadequately supported documentation nor for resulting taxes, penalties, and interest.

You should retain all the documents, canceled checks, and other data that form the basis of the returns. These may be necessary to prove the accuracy and completeness of the returns to a taxing authority.

We must receive all audit and tax information to prepare your return (as detailed above) no later than October 20. If, for some unforeseen reason, your data is not complete at that time, please submit whatever is ready. Be aware that if you submit your data later, it may be necessary to apply for an extension to file these returns. Ultimately, you may be subjected to late penalties on your June 30 year-end returns because of this delay.

We are responsible for preparing only the returns listed above. Our fee does not include responding to inquiries or examination by taxing authorities. However, we are available to represent you and our fees for such services are at our standard rates and would be covered under a separate agreement. Any proposed adjustments by the examining agent are subject to certain rights of appeal. In the event of such government tax examinations, we will be available upon request to represent you and will render additional invoices for the time and expenses incurred. Fees and services will be communicated in a separate engagement letter.

We will use our professional judgment in preparing your returns. Whenever we are aware that a possible applicable tax law is unclear or that there are conflicting interpretations of the law by authorities (e.g., tax agencies and courts), we will explain the possible positions that may be taken on your return. In accordance with our professional standards, we will follow whatever position you request on your return so long as it is consistent with the codes and regulations and interpretations that have been promulgated. When possible, we will resolve questions involving application of tax rules in your favor, if there is reasonable justification for doing so. If the Internal Revenue Service (IRS) should later contest the position taken, there may be an assessment of additional tax plus interest and penalties. We assume no liability for such additional penalties, interest, or assessments. Additional services will be subject to arrangements made in writing at the time requested.

As your CPA, we collect information provided by you from your tax information, worksheets, documents, and will developed as part of this engagement. We are required to keep all information about our engagement confidential, so we will not disclose any information about you unless we have your approval or are required/permitted by law. This applies even if you are no longer a client. As your CPA, we are committed to the safekeeping of your confidential information and we maintain physical, electronic, and procedural safeguards to protect your information. Federal law has extended the attorney-client privilege to some, but not all, communications between a client and the client's CPA. The privilege applies only to non-criminal tax matters that are before the IRS or brought by or against the U.S. Government in a Federal court. The communications must be made in connection with tax advice. Communications solely concerning the preparation of a tax return will not be privileged.

In addition, your confidentiality privilege can be inadvertently waived if you discuss the contents of any privileged communication with a third party, such as a lending institution, a friend, or a business associate. We recommend that you contact us before releasing any privileged information to a third party.

It is our firm's policy to retain copies of your tax returns for seven years, after which they will be destroyed. However, we do not keep any original client records, so we will return those to you at the completion of the services rendered under this engagement. When records are returned to you, it is your responsibility to retain and protect your records for possible future use, including potential examination by any government or regulatory agencies.

By your signature below, you acknowledge and agree that upon the expiration of the seven year period Vavrinek, Trine, Day & Co., LLP shall be free to destroy our records related to this engagement.

Management is responsible for establishing and maintaining a process for tracking the status of audit findings and recommendations. Management is also responsible for identifying and providing report copies of previous financial audits, attestation engagements, performance audits, or other studies related to the objectives discussed in the Audit Objectives section of this letter. This responsibility includes relaying to us corrective actions taken to address significant findings and recommendations resulting from those audits, attestation engagements, performance audits, or studies. You are also responsible for providing management's views on our current findings, conclusions, and recommendations, as well as your planned corrective actions for the report, and for the timing and format for providing that information.

With regard to the electronic dissemination of audited financial statements, including financial statements published electronically on the Organization's website, management understands that electronic sites are a means to distribute information and, therefore, we are not required to read the information contained in these sites or to consider the consistency of other information in the electronic site with the original document.

You agree to assume all management responsibilities relating to the tax services, financial statements, schedule of expenditures of federal awards, and related notes, and any other nonattest services we provide. Engagement Administration, Fees, and Other

We may from time to time, and depending on the circumstances, use third-party service providers in serving your account. We may share confidential information about you with these service providers, but remain committed to maintaining the confidentiality and security of your information. Accordingly, we maintain internal policies, procedures, and safeguards to protect the confidentiality of your personal information. In addition, we will secure confidentiality agreements with all service providers to maintain the confidentiality of your information and we will take reasonable precautions to determine that they have appropriate procedures in place to prevent the unauthorized release of your confidential information to others. In the event that we are unable to secure an appropriate confidentiality agreement, you will be asked to provide your consent prior to the sharing of your confidential information with the third-party service provider. Furthermore, we will remain responsible for the work provided by any such third-party service providers.

Certain communications involving tax advice are privileged and not subject to disclosure to the IRS. By disclosing the contents of those communications to anyone, or by turning over information about those communications to the government, you, your employees, or agents may be waiving this privilege. To protect this right to privileged communication, please consult with us or your attorney prior to disclosing any information about our tax advice. Should you decide that it is appropriate for us to disclose any potentially privileged communication; you agree to provide us with written, advance authority to make that disclosure.

We understand that your employees will prepare all cash, accounts receivable, and other confirmations we request and will locate any documents selected by us for testing.

At the conclusion of the engagement, we will complete the appropriate sections of the Data Collection Form that summarizes our audit findings. It is management's responsibility to electronically submit the reporting package (including financial statements, schedule of expenditures of federal awards, summary schedule of prior audit findings, auditor's reports, and corrective action plan) along with the Data Collection Form to the federal audit clearinghouse. We will coordinate with you the electronic submission and certification. The Data Collection Form and the reporting package must be submitted within the earlier of 30 calendar days after receipt of the auditor's reports or nine months after the end of the audit period, unless a longer period is agreed to in advance by the cognizant or oversight agency for audit.

The audit shall be completed and the audit report shall be delivered in accordance with time requirements as specified in the *Standards and Procedures for Audits of California Office*, unless delayed by circumstances beyond the control of the Auditors. Fifteen (15) copies of the audit report may be rendered to the Organization, in addition to the copies required to be filed with the applicable governmental units; however, management is responsible for distribution of the reports and the consolidated financial statements. Copies in excess of the contract amount may be billed for an additional fee. Unless restricted by law or regulation, or containing privileged and confidential information, copies of our reports are to be made available for public inspection.

The audit documentation for this engagement is the property of Vavrinek, Trine, Day & Co, LLP and constitutes confidential information. However, subject to applicable laws and regulations, audit documentation and appropriate individuals will be made available upon request and in a timely manner to the California Department of Education or its designee, a federal agency providing direct or indirect funding, or the U.S. Government Accountability Office for purposes of a quality review of the audit, to resolve audit findings, or to carry out oversight responsibilities. We will notify you of any such request. If requested, access to such audit documentation will be provided under the supervision of Vavrinek, Trine, Day & Co, LLP personnel. Furthermore, upon request, we may provide copies of selected audit documentation to the aforementioned parties. These parties may intend, or decide, to distribute the copies or information contained therein to others, including other governmental agencies.

The audit documentation for this engagement will be retained for a minimum of seven years after the report release date or for any additional period requested by the California Department of Education.

Matthew S. Miller is the engagement partner and is responsible for supervising the engagement and signing the reports or authorizing another individual to sign them. We expect to begin our audit on approximately January and to complete your information returns and issue our report no later than December 15.

To ensure that Vavrinek, Trine, Day & Co, LLP's independence is not impaired under the AICPA Code of Professional Conduct, you agree to inform the engagement partner before entering into any substantive employment discussions with any of our personnel.

We estimate that our fees for the audit and other services other than the audit of the LLCs and the preparation of the information returns will be \$82,425 for the audits of MERF and the Charter Schools. Additionally, we estimate that our fees for the audit of the LLCs will be \$6,000, and \$3,500 for the information returns. You will also be billed for travel and other out-of-pocket costs such as report production, word processing, postage, etc. No additional expenses are estimated at this time. The fee estimate is based on anticipated cooperation from your personnel and the assumption that unexpected circumstances will not be encountered during the audit. If significant additional time is necessary, we will discuss it with you and arrive at a new fee estimate before we incur the additional costs. Our invoices for these fees will be rendered each month as work progresses and are payable on presentation. In accordance with our firm policies, work may be suspended if your account becomes 60 days or more overdue and will not be resumed until your account is paid in full. If we elect to terminate our services for nonpayment, our engagement will be deemed to have been completed even if we have not issued our report. You will be obligated to compensate us for all time expended and to reimburse us for all out-of-pocket expenditures through the date of termination.

Any additional services requested will be billed at the following rates:

Partner/Principal	\$	200
School Services Consultant		175
Manager		175
Supervisor		125
Senior in Charge		105
Staff Accountant		95
Paraprofessional		70

Additional audit fees may be assessed if additional auditing services are provided for (1) any changes in reporting format and/or audit requirements as stated in the *Guide for Annual Audits of K-12 Local Education Agencies and State Compliance Reporting*, issued by the California State Controller's Office or Governmental Accounting Standards Board, (2) any changes in the number of funds or accounts maintained by the Organization during the period under this contract; and (3) additional audit procedures required due to the lack of preparation for the audit on the part of the Organization. These fees shall be in addition to the above maximum fee for audit services.

MERF, the Charter Schools, and the LLCs shall pay the auditor in two installments throughout the year as the work progresses for the not to exceed amount. The first installment will be in September and will represent up to 90% of the total contract. The final installment will represent the 10% withheld amount pursuant to *Education Code* Section 14505 and will be presented for payment upon certification by the Controller that the audit report conforms to the reporting provisions of the Audit Guide. All billings for additional audit fees or services will be billed as these services are provided. In accordance with *Education Code* Section 14505 (b), MERF, the Charter Schools, and the LLCs shall withhold fifty percent (50%) of the audit fee for any subsequent year of multi-year contract if the prior year's audit report was not certified as conforming to reporting provisions of the Audit Guide. This contract shall be null and void if a firm or individual is declared ineligible pursuant to subdivision (c) of Section 41020.5. The withheld amount shall not be payable unless payment is ordered by the State Board of Accountancy or the audit report for that subsequent year is certified by the controller as conforming to reporting provisions of the Audit Guide.

Government Auditing Standards require that we provide you with a copy of our most recent external peer review report and any letter of comment, and any subsequent peer review reports and letters of comment received during the period of the contract. Our 2014 peer review accompanies this letter.

If any dispute arises among the parties hereto, the parties agree first to try in good faith to settle the dispute by mediation administered by the American Arbitration Association under its Commercial Mediation Rules before resorting to litigation. The costs of any mediation proceedings shall be shared equally by all parties. The Organization and Auditors both agree that any dispute over fees charged by the accountant to the client will be submitted for resolution by arbitration in accordance with the rules of the American Arbitration Association. Such arbitration shall be binding and final. IN AGREEING TO ARBITRATION, WE BOTH ACKNOWLEDGE THAT, IN THE EVENT OF DISPUTE OVER FEES, EACH OF US IS GIVING UP THE RIGHT TO HAVE THE DISPUTE DECIDED IN A COURT OF LAW BEFORE A JUDGE OR JURY AND INSTEAD WE ARE ACCEPTING THE USE OF ARBITRATION FOR RESOLUTION.
