RE:	Revised 2020-21 Board Meeting Calendar

Proposed Board Motion

I move that the board approve the revised 2020-21 MPS Board Meeting Calendar.

Introduction

The calendar was originally approved May 14, 2020 with rotating meeting locations amongst schools. MPS does its best to cater to all stakeholders and thus schedules board meetings at the different academies throughout the year so local parents, students and members of the community can participate in person.

However, with the recent restrictions on public gatherings and the strict requirements on sanitation, MPS staff recommends to continue having meetings remotely and meet at the MPS Home Office when needed. By having meetings in one common area, cleaning and sanitation can be better conducted and any possible transmissions of viruses can be contained or limited.

Budget Implications
